

My Rich Wife - Chapter 1381 – 1390

entering the Heavenly Cloud sect

Chapter 1381: Chapter 1,381, entering the Heavenly Cloud sect

Inside the warehouse, everyone was hurriedly moving the goods.

Most of these ingredients were wrapped in ice crystal divine stones to ensure their freshness.

Even more high-end ingredients would use spiritual artifacts, which was enough to witness the heavenly cloud sect's degree of extravagance.

Perhaps it was because of this reason that Ding Yi was hostile toward them.

However, Qin Yu could not figure out why boss Zheng dared to use him when Ding Yi's hostility was so strong that he did not even try to hide it? Wasn't he afraid that she would drug the ingredients?

"Hurry up and move it." Ding Yi glanced at Qin Yu.

Qin Yu grunted in acknowledgment. He did not dare to display his amazing divine power and could only move it slowly.

The strength of most of the people who worked here was extremely ordinary. They could not even see a nascent soul stage cultivator.

They carried the goods to the demonic beasts and were driven to the heavenly cloud sect by people.

The people responsible for transporting the goods were Ding Yi and Qin Yu.

After about half an hour, the two of them were ready to set off.

On the way to the Heavenly Cloud sect, Qin Yu asked with some doubt, "Why don't we use a space artifact to transport the goods? Isn't that more convenient?"

Ding Yi snorted coldly and said, "A spatial artifact can't guarantee the original taste of the ingredients. These animals know how to enjoy themselves better than you and me."

Qin Yu curled his lips and didn't say anything more.

The two of them arrived at the Heavenly Cloud Sect's mountain gate. The guard in charge seemed to know Ding Yi, so he didn't stop them.

This was Qin Yu's second time entering the Heavenly Cloud sect.

His eyes scanned the surroundings.

The prosperity of the Heavenly Cloud sect was beyond Qin Yu's imagination.

The number of disciples alone was probably over ten thousand! This was an extremely huge number!

The training grounds that could be seen everywhere and the heavenly palaces that were erected in the clouds indicated the strength of the Heavenly Cloud sect.

"The storehouse is over there." Ding Yi glanced at Qin Yu.

"Don't be too curious when you come to the Heavenly Cloud sect. Otherwise, you will be beaten up."

Qin Yu grunted and followed behind Ding Yi towards the storehouse.

After placing the goods, Ding Yi pulled Qin Yu and turned around to leave.

"Are we leaving already?" Qin Yu frowned and asked.

Ding Yi snorted coldly and said, "Why? Do you still want to stay and eat? Do you think they think highly of us?"

Qin Yu remained silent. He had secretly memorized everything he had seen and heard along the way.

"I heard that there is a genius called Di Zun in the Heavenly Cloud sect. Have you heard of him?" Qin Yu probed.

Ding Yi sneered. "Of course I know. Who in the vicinity doesn't know of Di Zun?"

Qin Yu rolled her eyes and said, "A genius like him must have his own mansion, right?"

"His own mansion? You're wrong. He stays in the great elder's cultivation room all day long. Only Ling Yun has received such treatment," Ding Yi said.

At the mention of Ling Yun, Ding Yi couldn't help but curse, "That Ling Yun is the F*cking beast. In his eyes, none of us seem to be worthy of living! Several of our companions died at his hands!"

At this point, Ding Yi paused and continued, "Fortunately, that beast has already been killed by Qin Yu."

Qin Yu wasn't in the mood to listen to him. Instead, she asked anxiously, "Brother Ding, do you know where the Great Elder's cultivation room is?"

"How would I know? It's not like I have the chance to enter." Ding Yi waved his hand.

Qin Yu frowned immediately.

If they wanted to bring the others out, they had to find Di Zun's position.

"Why are you asking about his cultivation room?" Ding Yi asked.

Qin Yu replied perfunctorily, "I'm just asking. I admire a big shot like the Great Elder."

"What's there to admire about him?" Ding Yi's tone was filled with disdain.

Qin Yu smiled. "That's the great elder of the Tianyun sect. He's above everyone else. If he's not worthy of admiration, who else is worthy of it?"

Ding Yi snorted and said, "In my opinion, the one who is worthy of being worshipped is Qin Yu. He wasn't afraid of power and killed Ling Yun in front of the Grand Elder. This is the person who is truly worthy of being worshipped."

Hearing this, Qin Yu couldn't help but laugh out loud.

He really didn't know how Ding Yi would react when he found out that he was Qin Yu.

After leaving the Tianyun sect, the two of them returned to an Fenglou once again.

In the next few days, they didn't go to the Tianyun sect to deliver any more goods. After asking around, they found out that they only delivered goods once a week on average. The rest of the time was basically free.

For Qin Yu, this was both a good thing and a bad thing.

The good thing was that he could take the opportunity to take a look around the Tianyun sect.

One had to know that the Tianyun sect was the number one sect in the southern province. The place where they truly held power was definitely the most prosperous area.

Even Gu City could not be compared to them.

Most of the treasures were still in the Heavenly Cloud sect.

Taking advantage of this opportunity, Qin Yu could go look for the aura of life.

The only thing that gave Qin Yu a headache was that he was worried that the heavenly cloud sect would suddenly attack them.

For a few days in a row.

Almost every day, people from the Heavenly Cloud sect would come to an Fenglou to eat and drink. Qin Yu also learned a lot of information from them.

For example, the latest progress in capturing Qin Yu, Di Zun's cultivation situation, and even the location of the great elder's cultivation room.

In addition to the people from the Heavenly Cloud sect, there were also the local high officials and nobles.

The entire an Fenglou could be said to be a bustling place.

On this day, Qin Yu planned to go out for a stroll and try to find the life force.

At this moment, a familiar figure appeared in an Fenglou.

Seeing this figure, Qin Yu's heart suddenly trembled, he forcefully suppressed the excitement in his heart, quickly followed.

Chapter 1382: Chapter 1,382, water of Life 1

Qin Yu passed through the lobby and rushed to the backyard.

When Qin Yu arrived at the backyard, he found boss Zheng standing there.

Sister Lin, on the other hand, was wearing a black hat and standing at the side.

When she saw Qin Yu, sister Lin blurted out, "Qin... You're here."

Qin Yu's expression changed slightly. He walked quickly to sister Lin and said, "Sister Lin, why are you here?"

Sister Lin smiled and said, "I'm here to see you."

Boss Zheng, who was at the side, hurriedly flattered, "Xiao Yan, this child is not bad. He's quite capable. You can rest assured with me!"

Sister Lin smiled and said, "With you around, of course I'll be at ease."

Boss Zheng could not help but look pleased. It seemed to be a great honor to receive sister Lin's praise.

"Boss Zheng, give us a private room. I have something to talk to him alone," said sister Lin.

Boss Zheng hurriedly nodded and said, "Okay, I'll make the arrangements!"

He personally went out and arranged a private room for Qin Yu and sister Lin.

"Come, private room! Tell me what you want to Eat!" Boss Zheng patted his chest and said.

Sister Lin smiled and said, "You can order whatever you want. It depends on your mood."

"Okay!" Boss Zheng walked out excitedly.

After he went out, sister Lin hurriedly closed the door.

Then, she took out a spiritual artifact that looked like an incense burner from the spatial artifact and placed it on the table.

The moment the spiritual artifact was taken out, threads of light bloomed like flowers, enveloping the entire private room.

"What is this?" Qin Yu asked curiously.

Sister Lin said, "This object can block spiritual sense. We can not let anyone hear our conversation."

Qin Yu nodded repeatedly.

He sat opposite sister Lin and said, "Sister Lin, did you come to find me this time with any news? Did you find the life force?"

Sister Lin smiled and said, "Look at how anxious you are."

Qin Yu touched his nose and said with an embarrassed smile, "You also know that I urgently need the life energy now."

Sister Lin smiled faintly and said, "I don't have the life energy, but... I did find something more precious than the life energy."

Hearing this, Qin Yu's expression immediately dimmed a little.

Other than the life energy, Qin Yu was not interested in any other treasures at the moment.

“What’s wrong? Are you disappointed?” Sister Lin rolled her eyes at Qin Yu.

Qin Yu smiled bitterly and said, “Not really. It’s just that... I need the aura of life more.”

“Fool.” Sister Lin snorted. “There is indeed no news about the aura of life, but I have received news about the water of life.”

Qin Yu was stunned and hurriedly said, “Water of life? What is that?”

Sister Lin deliberately kept him in suspense and said, “Let’s eat first. I’m a little hungry.”

Qin Yu didn’t have the leisure time. He smiled bitterly and said, “Sister Lin, don’t keep me in suspense. Tell me quickly.”

“Do you really want to know?” Sister Lin raised her eyebrows and said.

Qin Yu hurriedly nodded and said, “Really!”

“If I tell you, what benefits will I get?” Sister Lin said with a wicked smile.

“As long as I can recover my spiritual power, I will promise you anything!” Qin Yu patted her chest and said.

“This is what you said! Swear to the heavens. If you go back on your words, the heavens will strike you with five Thunderbolts!” Sister Lin said seriously.

Qin Yu knew that cultivators couldn’t casually swear, but in order to get the life force, Qin Yu didn’t think twice and swore to the heavens according to sister Lin’s request.

After swearing, Qin Yu said anxiously, “Sister Lin, can you tell me now?”

“Of course,” sister Lin answered.

Just as she was about to speak, the door was opened.

Boss Zheng walked in with several waiters, including Ding Yi.

They held all kinds of delicacies in their hands, and soon a whole table was placed.

“Yan Qin, Why are you here?” Ding Yi asked curiously.

Boss Zheng berated, “Yan Qin is a guest today. Hurry up and get out!”

Ding Yi responded with an "OH". Without saying anything, he turned around and left.

The waiters in the room all walked out of the door, while boss Zheng sat down by himself.

He picked up a pot of wine and said, "Sister Lin, this is the fine wine that I have treasured for many years. If it weren't for you, I wouldn't be willing to take it out!"

From the looks of it, boss Zheng obviously wanted to stay and eat together.

Sister Lin coughed dryly and said, "Boss Zheng, I'm sorry. I have some private matters to discuss with my brother. How about..."

Boss Zheng's hand that was holding the pot of wine froze in mid-air.

He said somewhat awkwardly, "No problem, no problem. Then... Then you guys eat first. Call me if there's anything!"

With that said, boss Zheng walked out dejectedly.

The door closed tightly, and the spiritual artifact was opened.

Qin Yu said impatiently, "Sister Lin, what exactly is the water of life?"

This time, sister Lin did not beat around the bush. She said in a deep voice, "The effect of the water of life is the same as the Qi of life, but the water of life is denser."

Qin Yu instantly understood something.

Any gas that was concentrated to a certain degree would turn into liquid, such as spiritual Qi or even yin qi!

"Sister Lin, where is the water of life?" Qin Yu asked impatiently.

Chapter 1383: Chapter 1,383, legends of the Southern Region 1

Sister Lin picked up a piece of meat with her chopsticks and said, "My friend told me this news. He said that he will set off in half a month to search for the water of life."

"I came here this time to tell you that I want you to be prepared in advance," said sister Lin.

"Half a month..." Qin Yu whispered.

In other words, Qin Yu could go to the heavenly cloud sect again if he counted the distance.

“Okay, half a month is just right. But... is the news accurate? Is Your Friend Reliable?”Qin Yu asked.

Sister Lin rolled her eyes at Qin Yu and said, “If he was not reliable, would I have come all the way here to tell you? Little Bastard, you actually suspect me?”

Qin Yu said somewhat awkwardly, “Sorry, I was too cautious.”

Sister Lin was obviously joking. She pointed at the food on the table and said, “Hurry up and eat.”

Qin Yu did not have the mood to eat. All he could think about was the water of life.

The life energy could change the number on Qin Yu’s forehead from ten to nine, from nine to eight, and the water of life was even denser. The effect must be even more astonishing!

“If I can get the water of life, I might be able to directly recover my spirit energy,”Qin Yu thought to herself.

In Qin Yu’s current state, once she recovered her spirit energy, not only would she possess even greater strength, she could even take the opportunity to break through to the Almighty Realm!

“Phew.”Qin Yu’s heart grew increasingly excited, and her eyes were filled with anticipation.

“Are you used to being here? Did you encounter any trouble?”At this moment, sister Lin suddenly asked.

Qin Yu smiled and said, “Very good. Boss Zheng has taken good care of me. By the way, what’s your relationship with boss Zheng?”

Sister Lin rolled her eyes and said, “It’s just a friendship. Why are you asking so many questions?”

Qin Yu pursed her lips and didn’t say anything more.

After eating this meal, sister Lin was ready to leave.

After the door of the private room opened, Qin Yu was surprised to find that boss Zheng was still outside the door.

When he saw sister Lin, boss Zheng hurriedly walked up.

“Sister Lin, are you done chatting?”Boss Zheng said with some anticipation.

Sister Lin smiled and said, "Yes, I'm done chatting. Thank you for your hospitality, boss Zheng."

Boss Zheng opened his mouth to say something, but sister Lin beat him to it and said, "Boss Zheng, I have something to rush back to the auction, so I won't stay any longer. I'll leave my brother to you."

Boss Zheng's words were stuck in his throat.

He said awkwardly, "Okay, okay. No problem. Leave it to me!"

Sister Lin Glanced at Qin Yu and smiled. "Don't forget to look for me in a few days."

"Don't worry," Qin Yu agreed.

Then, Qin Yu and boss Zheng watched sister Lin leave.

Boss Zheng's eyes looked in sister Lin's direction, as if his mood had left with sister Lin.

Qin Yu also saw the relationship between boss Zheng and sister Lin. She could only say that licking a dog was really F * cking awesome!

"Yan Qin, are you going to the auction in a few days?" Boss Zheng patted Qin Yu's shoulder and said.

Qin Yu nodded and said, "Yes, Sister Lin is looking for me for something."

Boss Zheng didn't say anything. No one knew what he was thinking about.

Then, he turned around and returned to anfang tower.

"Water of life..." Qin Yu murmured in a low voice. She couldn't help but look forward to it.

In two days, it would be the supply day for the Heavenly Cloud sect. Qin Yu planned to take this opportunity to look for Di Zun.

The next day.

Qin Yu planned to stroll around the Heavenly Cloud sect.

After all, this was a top-tier city with top-tier resources. It would be a pity if she didn't take this opportunity to see it.

'If I'm lucky, I might even be able to see life energy here,' Qin Yu thought to herself.

At this moment, Ding Yi walked out from inside.

She sized up Qin Yu and asked, "Who was that girl yesterday?"

"My... cousin," Qin Yu Lied.

Ding Yi snorted and said, "Another guanxi."

"Guanxi? Have you seen Guanxi go to work?" Qin Yu rolled her eyes.

Ding Yi waved his hand impatiently. She obviously didn't want to argue with Qin Yu about this.

"Where are you going?" Ding Yi changed the subject.

"I'm planning to go out for a walk and see if I can find any treasures." Qin Yu didn't hide anything.

"That's good. I'm planning to go out too. Come with me." Ding Yi didn't say anything and pulled Qin Yu along.

Qin Yu frowned. "Where are you going?"

Ding Yi said, "A good place. The largest library in the entire South Province."

"Library?" Qin Yu was startled. "You have the habit of Reading?"

"Reading changes one's fate," Ding Yi said. "If I wasn't educated, I wouldn't have had the chance to work here."

Qin Yu couldn't help but be speechless. She hadn't expected to hear such a familiar sentence in the holy region.

"What's in the Library?" Qin Yu asked, puzzled.

"What else can it be? It's nothing more than recording some legends of the southern region. It's also a public technique that everyone can learn," Ding Yi said.

"If it wasn't for this, I wouldn't have stayed in this lousy place."

Qin Yu rubbed his chin. This was a good place to go.

It just so happened that Qin Yu didn't know much about the southern region, so he might as well take this opportunity to learn about it.

Chapter 1384: Chapter 1384, DON'T ASK! 1

Qin Yu followed Ding Yi to the library.

On the way, Qin Yu asked casually, "Ding Yi, what do you plan to do in the future? Why Don't you choose to cultivate?"

Ding Yi glanced at Qin Yu and said, "Do you think I don't want to? It's already good enough for a person like me to survive, not to mention that my cultivation isn't low either."

Hearing this, Qin Yu couldn't help but laugh.

"What? You Don't believe me?"Ding Yi glared at Qin Yu and immediately released the aura in his body.

A weak aura immediately rushed toward him.

"How is it? Do you feel the pressure?"Ding Yi said with some pride.

Qin Yu coughed dryly and said, "You... Don't even have the nascent Soul Realm, right?"

"Even? You talk big."Ding Yi glared at Qin Yu. "I can be considered an itinerant cultivator. To be able to cultivate to such a realm is already considered not bad, okay?"

Qin Yu smiled but didn't say anything.

The holy region was a place where strength was respected. As long as one had talent, they would definitely have a chance to stand out.

For example, Ding Yi's hometown. Those with talent had long been taken away by the major sects.

"Maybe you can try to find a sect to cultivate, even if it's just a small one,"Qin Yu advised.

Ding Yi rolled his eyes and said, "I'm not going to any sect. I want to be a heroine who abhors evil like that Qin Yu!"

Qin Yu sighed and said, "Qin Yu just has no choice. Do you think he doesn't want to settle down?"

"Don't act like you know him very well, okay?"Ding Yi said angrily.

"Qin Yu killed Ling Yun with his own ability. The entire Tianyun sect hasn't been able to find him. Isn't this something to be proud of?"

Qin Yu was speechless and didn't know what to say.

"Even though I don't have Qin Yu's ability, I will do what I can."Ding Yi snorted.

“When I see injustice, I will draw my sword to help. When I meet a weak person being bullied, I will also act righteously.”

Qin Yu gave Ding Yi a thumbs up and said, “I admire your way of doing things.”

Ding Yi snorted and said, “A person like you will not understand.”

As they spoke, the two of them had already arrived at the library.

It was an extremely large attic. The entire building emitted a golden glow and looked extremely dazzling.

“Let’s go. This is the place,”Ding Yi pulled Qin Yu and said.

The two of them walked into the library. As soon as they entered the door, an ancient aura assaulted their faces.

It was obvious that this library had been here for many years, and the number of people who came to the library was not many.

“Do you come every week?”Qin Yu asked casually.

Ding Yi nodded and said, “I try my best to come once a week.”

Qin Yu nodded and then asked, “Where are the books related to the history of the South Province?”

Hearing this, Ding Yi couldn’t help but roll his eyes and said, “Why are you looking at that thing? Does it have anything to do with you? For You, the most important thing now is to improve your strength! learn more cultivation techniques!”

“You’re right. I’ll remember the lesson, but I want to know more about the South Province now. Can you tell me where it is?”Qin Yu gradually lost her patience.

Ding Yi seemed to see Qin Yu’s displeasure, so he didn’t waste any more words. She pointed to a spot and said, “Most of them are over there. Go and take a look yourself.”

Qin Yu grunted and walked in that direction.

“Ah!”

But at this moment, Ding Yi suddenly screamed behind her!

Not only that, Qin Yu clearly felt a strong killing intent approaching!

Turning around, she saw a sharp blade approaching Ding Yi’s glabella!

Ding Yi tried to resist, but her strength was too weak, and she couldn't resist at all!

In a moment of desperation, Qin Yu didn't even bother to hide her strength. He suddenly shook and instantly appeared in front of Ding Yi, his palm blocking Ding Yi's forehead.

"Dang!"

With a crisp sound, Qin Yu's palm exploded!

The sharp blade was instantly bent! On the other hand, Qin Yu's palm was intact!

Ding Yi was so scared that his whole body was trembling. She subconsciously looked at Qin Yu's palm, and her expression changed again.

"Your Hand..."Ding Yi pointed at Qin Yu's palm.

Qin Yu's expression changed slightly. He hurriedly put his palm in his pocket and said casually, "My hand is fine."

Ding Yi wanted to say something, but Qin Yu changed the topic. "Where did that knife come from? Who Did you offend? Why did someone want to kill you?"

"I. . . I don't know either,"Ding Yi said. "I've never offended anyone before..."

Qin Yu walked out of the library quickly. His eyes scanned the surroundings, but he didn't find anything unusual.

Obviously, the person who had attacked had already escaped.

"Damn it."Qin Yu couldn't help but curse in her heart.

She had accidentally exposed her strength. If it were to be spread out, she would be in trouble.

Soon, Ding Yi also came out. She stared at Qin Yu and asked curiously, "Why are you unharmed?"

"Because I have a magic artifact in my hand,"Qin Yu said coldly.

"But..."

"There's no buts. Don't ask, Okay?"Qin Yu's voice became extremely cold.

Chapter 1385: Chapter 1,385, who exactly are you

Ding Yi felt as if a fishbone was stuck in his throat when he met Qin Yu's cold gaze.

He couldn't say anything at this moment.

She stared blankly at the "Coolie" in front of her and suddenly felt extremely unfamiliar.

It was as if she had changed into a different person in an instant.

Qin Yu looked around. Fortunately, there weren't too many people in the library, which gave Qin Yu a glimmer of comfort.

"Be careful," Qin Yu said to Ding Yi.

Then, Qin Yu turned around and walked into the depths of the library.

Ding Yi was just an ordinary person. Normally, no one would spend effort to kill her.

What happened today was probably just an accident.

She came all the way to the location of the South Province history book. As soon as she got close, a book attracted Qin Yu's attention.

He saw a book with a yellow cover with a few big words written on it: South Province's experts ranking list.

Qin Yu raised his eyebrows and was immediately interested.

He picked up the book casually and slowly opened it.

This book was very thin and only had a few pages. Most of the records on it were of the South Province's famous figures.

"Three madmen, three unique legends..." Qin Yu whispered these few words.

This seemed to be the famous title of the South Province, and it recorded seven people.

The first page introduced the three lunatics of the South Province.

And the person in the first place was none other than the unique dance that Qin Yu was familiar with!

Unique dance was the number one person of the three lunatics, and it recorded some of her extremely ridiculous deeds, as well as the people she had killed when she went crazy.

Although her actions were far inferior to that of the masked woman, they were still beginning to take shape.

“I didn’t expect Jue Wu to be the number one among the three maniacs,” Qin Yu thought to herself.

The remaining two were named Baro and Feng Hai. These two people were somewhat similar to Jue Wu. They were both extremely crazy people who did things.

“Huh? There’s actually no Wen Wanyi?” Qin Yu couldn’t help but be a little surprised.

Was it because his actions weren’t crazy enough, or was it because his strength wasn’t enough?

Qin Yu rubbed his chin. From Wen Wanyi’s attitude toward Jue Wu, it was obvious that his strength wasn’t as good as Jue Wu’s.

Perhaps Wen Wanyi’s strength was a level lower than these people’s.

Qin Yu silently hid these names in his heart, and then continued to read.

The second page recorded the three unique skills.

These three unique skills were Qu Zhu, monk Hong Xi, and Mister Yong Ji.

Qu Zhu’s deeds were very few, but they were extremely glorious.

It only recorded that Qu Zhu had once defeated the deputy sect master of Tianyun sect in eight rounds, causing him to be heavily injured.

The deputy sect master’s strength was self-evident, and he was one of the top in the entire Tianyun sect.

He was probably the number one person other than the first elder and the sect master.

Such a battle result was indeed dazzling.

It must be known that back then, Wen Wanyi had spent a lot of effort to win against the first elder.

“As expected of the three uniques,” Qin Yu thought to himself.

The second person’s deeds were even less recorded. He directly said that Monk Hong Xi was the number one monk in the current era. Other than that, there were no other deeds.

And Mister Yong Ji's deeds were the most among these people.

It was said that he had monopolized a city and named it Yongji City.

And in Yongji City, there was another Yongji mansion.

This Yongji mansion was extremely huge and luxurious. It was said that there were people singing and singing every night in the Yongji mansion, and there were celebrities coming to visit every day.

Although he appeared to be alone on the surface, he was secretly a branch and possessed extremely strong power.

The difference between him and the others was that most of the disciples of others were disciples.

Mr. Yongji, on the other hand, accepted foster sons. It was said that he had more than a hundred foster sons.

"Mr. Yongji is quite a schemer. His influence is enough to rank second in the South Province," Qin Yu whispered.

Other than that, there was also a long description of him.

These descriptions seemed quite ordinary, but the words were full of contempt, portraying him as a despicable person.

Qin Yu couldn't help but frown, and there was some doubt in his eyes.

Since he was a despicable person, why was he called Mister?

Which person who was called Mister wasn't respected by others?

I wonder who wrote this book, Qin Yu thought to himself.

But at this moment, Qin Yu had a bad feeling about Mister Yongji.

The last person recorded was a legend.

Since he was called a legend, his strength must be even more terrifying than the three madmen and three uniques.

The name of a legend was Xiao Hai, and the records about Xiao Hai were even more elaborate.

The description about him was exactly the opposite of Mister Yong Ji.

Mister Yong Ji was described as a despicable person, while Xiao Hai was described as a hero who stood tall and strong.

There were many chapters on how Xiao Hai acted righteously, was not afraid of power, and saved people in distress. Although his strength was not described much, it was written that he once saved a city of ordinary people.

There were many descriptions about Xiao Hai, and they were written very vividly. Even Qin Yu could not help but sigh at his heroic spirit after reading them, and even felt admiration in his heart.

“Who is this Xiao Hai? Why have I never heard of him before?” Qin Yu whispered.

He closed the book and said in a low voice, “If there’s a chance, I must make friends with him.”

At this moment, Ding Yi walked over from the side.

“It’s getting late. Should we go back?” Ding Yi’s tone was obviously a little nervous.

Qin Yu nodded and said, “It’s indeed time to go back. Otherwise, boss Zheng will be angry.”

Ding Yi grunted. She followed behind Qin Yu and walked out of the library.

On the way back, Ding Yi’s mouth opened slightly. It was obvious that he had something to say.

“If you have something to say, just say it,” Qin Yu said.

Ding Yi grunted. She mustered up her courage and asked, “Who are you exactly? I’ve already seen it. Your Hand isn’t injured at all.”

Chapter 1386: Chapter 1,386, consequences of kindness 1

“I could feel the strength of that sharp blade. With my cultivation level, I couldn’t withstand it at all, but you blocked it with your hand,” Ding Yi continued to ask.

“This doesn’t make sense at all. Moreover, there is no spiritual power fluctuation in your body.”

Qin Yu stopped in his tracks.

He turned to look at Ding Yi and said, “What exactly are you trying to say?”

Ding Yi was silent for a moment and said, “I’m just wondering if you’re...”

“I’m not. I’m nothing. I’m just born with divine power,”Qin Yu interrupted Ding Yi.

“Also, don’t make wild guesses. I’m just an ordinary person.”

Ding Yi, who was already a little skeptical, heard Qin Yu’s denial and became even more curious.

She scrutinized Qin Yu’s face carefully, as if she was trying to find a flaw.

This made Qin Yu a little worried, but fortunately, he was about to leave this place, so it was somewhat comforting.

When they returned to anfang tower, the sky had already darkened.

When boss Zheng saw the two people who had returned, he did not say anything. He just nodded and left in a hurry.

“En? Boss Zheng seems a little strange today,”said Ding Yi.

Qin Yu didn’t think much about it. After all, she wasn’t very familiar with boss Zheng.

“Do you know Xiao Hai?”At this moment, Qin Yu suddenly looked at Ding Yi.

Ding Yi immediately said, “Of course I know him. He’s a famous hero in the South Prefecture.”

“Why don’t you like him, but you like that Qin Yu?”Qin Yu said with some puzzlement.

“Xiao Hai’s strength is even stronger, and he is extremely loyal. He seems to be more worthy of worship than that Qin Yu, right?”

Ding Yi rolled his eyes and said, “How do you know that I don’t like Xiao Hai? He is also my idol, but... he has been famous for too many years, and there is a sense of distance, and Qin Yu is like a person who lives by his side.”

Qin Yu nodded and didn’t continue asking.

The next day.

Qin Yu and Ding Yi continued to load the goods. At noon, the two of them were ready to set off for the Heavenly Cloud sect.

An Fenglou wasn’t far from the Heavenly Cloud sect, but it was still some distance away.

If you wanted to go to the Heavenly Cloud Sect, you had to pass through a small town.

Qin Yu and Ding Yi walked through the small town as usual. At this moment, the scene not far away made the two of them stop in their tracks at the same time.

They saw a young man wearing a heavenly cloud sect uniform punching and kicking an old man in shabby clothes. He was cursing non-stop.

“F * ck!”Ding Yi cursed. Then, he ran up and kicked the back of the young man with a bang.

This kick was extremely powerful. It sent the young man flying several meters and smashed the mountain into pieces before he could stabilize his body.

“Motherf * cker, you son of a B * Tch who bullies people!”Ding Yi gnashed his teeth and said.

Qin Yu, who was standing at the side, couldn't help but be a little surprised. She thought that Ding Yi would just say it, but she didn't expect him to really attack.

The young man got up from the ground. He rubbed his back and shouted angrily, “Are you F * cking courting death? !”

Ding Yi said with a black face, “Son of a B * Tch, who the F * ck are you to hit people?”

“I'm willing to fight, what do you care? I'm from the Heavenly Cloud Sect, how dare you meddle in other people's Business?”The young man said angrily.

As he spoke, the young man walked towards Ding Yi, his palm suddenly reaching out towards Ding Yi.

This young man was from the Heavenly Cloud sect after all, so his strength was naturally not to be underestimated.

And Ding Yi was only an itinerant cultivator, and his talent was quite ordinary. How could he be a match for this young man.

In just a few exchanges, Ding Yi was beaten back repeatedly.

“Since you dare to attack a member of the Heavenly Cloud Sect, you must be prepared to die.”The young man walked towards Ding Yi step by step.

His palm flickered with light, and a terrifying aura was brewing.

“Go to hell!”

He suddenly raised his hand and fiercely slapped Ding Yi's head!

At this moment, a fist that flickered with a faint golden light burst out from not far away!

Before the young man could react, Qin Yu's fist had already closed in on him.

"Kacha!"

In just an instant, his head exploded!

Ding Yi, who was standing by the side, could not help but turn pale. It was as if she had never seen someone kill with her own eyes!

"You... you killed him?" Ding Yi swallowed his saliva and said with some fear.

Qin Yu glanced at Ding Yi and said, "He is a member of the Heavenly Cloud Sect. If you don't kill him, you will be the one who dies. You should have thought of this before you made your move."

Then, Qin Yu directly put the corpse into the spatial artifact.

The next second, Qin Yu's gaze fell on the old man.

Feeling Qin Yu's cold gaze, the old man's expression immediately changed.

Ding Yi seemed to have realized Qin Yu's intentions. She said somewhat nervously, "You... What are you doing?"

Qin Yu looked at the old man coldly and said, "He saw everything. Aren't you afraid that he will tell the Heavenly Cloud sect about this?"

"No... impossible, absolutely impossible!" Ding Yi hurriedly said.

"You saved him. How could he report us?"

The old man also hurriedly said, "Don't kill me, don't kill me. I... I didn't see anything..."

Chapter 1387: Chapter 1387, farewell to Di Zun 1

Qin Yu kept silent and walked towards the old man step by step.

Ding Yi hurriedly blocked in front of Qin Yu and said, "Yan Qin, he said so. You... Don't kill him."

Qin Yu frowned slightly. He looked at Ding Yi coldly and said, "Are you sure you want to let him go?"

"I'm sure!" Ding Yi said without hesitation.

Qin Yu didn't say anything. She pushed Ding Yi away and then raised her hand to slap the old man's neck.

The old man's eyes darted around and he instantly fainted on the ground.

Ding Yi's face changed greatly. She looked at the old man lying on the ground and was momentarily speechless.

"You see, he was only beaten up at first, but now he wants to lose his life," Qin Yu said coldly.

"Sometimes, to do good deeds, you need to think. Otherwise, it's easy to attract a bigger disaster."

Ding Yi didn't say anything. He just stood there for a long time.

"Don't worry. I didn't kill him. He just fainted. He will wake up in a few days," Qin Yu said indifferently.

"You can ignore your own safety, but I have to promise that nothing will happen before I leave."

After saying this, Qin Yu turned around and walked towards the Heavenly Cloud sect.

Ding Yi looked at Qin Yu's back, his gaze becoming more and more blurred.

She couldn't figure it out. She couldn't figure out who this Yan Qin was.

Why did he have such powerful strength, yet he had to hide in a small restaurant, and why did he know so much.

Slowly, Ding Yi's image in front of him seemed to become clearer.

...

In the Heavenly Cloud sect, Qin Yu and Ding Yi went to deliver the goods as usual.

After delivering the goods, Qin Yu covered her stomach and said, "Not good, my stomach is not feeling well. I have to go to the toilet. where is your toilet?"

The disciple in charge of receiving the goods said impatiently, "Lazy donkeys have a lot of SH * t and urine. Over there, go find it yourself!"

"Thank you, thank you," Qin Yu replied. Then, without turning back, he left the storeroom in a hurry.

After he walked out of the storeroom, he began to search for the great elder's cultivation room according to the information he had gathered over the past few days.

During these few days, Qin Yu had already figured out the location of the cultivation room, so it was not difficult to find it. It did not take long for him to find the great elder's cultivation room.

It was an extremely huge cultivation room filled with rich spiritual energy.

It was said that this cultivation room was the most luxurious place in the entire heavenly cloud sect, except for the sect master's Cultivation Mountain.

"Are you sure that your disciple won't betray you?" Tie Dan suddenly reminded him.

Qin Yu said in a deep voice, "Absolutely not. I believe in him."

Seeing this, Tie Dan didn't say anything more.

Qin Yu looked around. After making sure that no one was around, he tiptoed into the cultivation room.

As soon as he entered, Qin Yu smelled a trace of intense spiritual energy. It was so dense that Qin Yu had never seen it before.

And in this cultivation room, there were all kinds of magic tools to help with cultivation.

In the deepest part of the cultivation room, a young man was sitting cross-legged, breathing and breathing.

This young man was none other than Di Zun!

"Who is it!"

Soon, Di Zun found Qin Yu.

He opened his eyes abruptly, and a sharp aura rushed toward Qin Yu!

Qin Yu raised her palm and covered it.

This aura instantly vanished into thin air.

Di ZUN's expression changed slightly and he said coldly, "You have some ability..."

"Brat, don't talk nonsense with me!" Qin Yu said with her eyes wide open.

"I am Qin Yu!"

Hearing this, Di Zun was stunned. Then, he took a step forward and came in front of Qin Yu.

“You... You Are Qin Yu? Nonsense. Qin Yu doesn't look like this!”Di Zun berated.

“Who are you? How dare you call someone else!”

Qin Yu raised her hand and patted di Zun's head, saying, “If I don't change my appearance, would I dare to come here? Cut the crap. I don't have much time, so I'll make it short.”

Di Zun became more and more suspicious. The voice of the person in front of him was indeed very similar to Qin Yu, but no one could guarantee that this was not sent by the Tianyun sect to test him.

“Don't talk nonsense. If you dare to talk nonsense again, don't blame me for being impolite!”Di Zun said with a cold face.

Qin Yu could not help but feel a headache. He could only tell di zun about his experience, including how he came to the Holy Region and how the two of them discussed it.

Only after hearing all this did di zun believe that the person in front of him was Qin Yu.

“Master, why... Why are you here? Don't you know that the Heavenly Cloud sect is looking for you?”Di Zun looked around and said nervously.

Qin Yu said in a deep voice, “I overheard the Heavenly Cloud Sect's plan. They plan to send Zhen Yue and the others to the Green Rock Forest and then take the opportunity to kill them.”

Di ZUN's expression changed and he frowned, “Master, are you telling the truth?”

“Yes. To make a long story short, they were brought here by me after all. I have to be responsible for their safety. Find an opportunity to bring them out of the Heavenly Cloud sect. I'll bring them out of here,”Qin Yu said coldly.

Di Zun couldn't help but fall into silence when he heard this.

A moment later, Di Zun shook his head and said, “Master, even if we bring them out, how can you guarantee their safety? You Can't protect yourself now. Adding a few more burdens will probably be more troublesome.”

“I know, but it's better than leaving them here to die,”Qin Yu said with a frown.

“Master, don’t worry. I’ll guarantee their safety. Later, I’ll go to the great elder and ask them to come to my side,”said Di Zun.

“As long as they follow me, no one can hurt them.”

Chapter 1388: Chapter 1,388, comprehend it yourself

Qin Yu frowned and asked, “Are you sure this is okay?”

“Master, Trust Me.”Di Zun patted his chest.

Seeing this, Qin Yu could only nod.

Di Zun’s suggestion was indeed better. If he brought Zhen Yue and the others with him, Qin Yu would indeed have difficulty moving.

“Master, what do you plan to do next?”Di Zun asked.

Qin Yu said, “I’ll find the vital energy first and recover my spiritual essence first.”

Di Zun hummed in gratitude and said, “Master, I’ll help you negotiate. If there’s any news, I’ll let you know immediately.”

“Okay. If you really find the vital energy, send it to the GU city auction and look for sister Lin,”Qin Yu said.

“I can’t stay any longer. I have to leave quickly.”

After saying this, Qin Yu turned around and was about to leave.

But at this moment, a disciple appeared outside the door.

This disciple sized up Qin Yu and said with a dark face, “Aren’t you the delivery man from an Fenglou? Why are you here?”

Qin Yu immediately pretended to be stupid and said, “I... My stomach hurts and I was looking for the toilet. I accidentally ran here. I thought this was a toilet...”

“Open your dog eyes wide and see clearly. This is the place where the great elder cultivates. How could it be a toilet! ?”The disciple immediately flew into a rage.

Di Zun, who was at the side, waved his hand and said, “That’s enough. We have to be more polite to others. It’s common for people to go to the wrong place. There’s no need to be angry.”

“Yes, young master Di.”The disciple hurriedly bowed and said.

Qin Yu didn't say anything and quickly left the place.

Ding Yi was waiting for Qin Yu in the square of the Heavenly Cloud sect.

When he saw Qin Yu coming out, Ding Yi quickly walked up.

"Are you going to the toilet?"Ding Yi asked in puzzlement.

Qin Yu glanced at Ding Yi and said, "If I'm not going to the toilet, where else can I go?"

Ding Yi snorted and said, "I seem to have guessed who you are."

"Oh?"Qin Yu raised her eyebrows.

Ding Yi looked around and said in a low voice, "Are you Qin Yu?"

Hearing this, Qin Yu's expression changed drastically! Her heart thumped.

"Don't talk nonsense,"Qin Yu said coldly.

"TSK, seeing that you are so nervous, you must be Qin Yu! But don't worry, I Won't talk nonsense,"Ding Yi said with a smile.

Qin Yu said with a dark face, "I told you, I'm Not! I'm just an ordinary person."

Ding Yi opened his mouth and wanted to say something, but Qin Yu quickly walked down the mountain.

"TSK, we'll find the evidence sooner or later,"Ding Yi snorted.

...

After finishing this matter, Qin Yu also planned to leave Anfeng Tower.

He wanted to go back to Gu City to find sister Lin.

Therefore, Qin Yu went to find boss Zheng that day and planned to resign with him.

Boss Zheng seemed to have guessed it. He smiled and said, "Why? Are you going back?"

Qin Yu was stunned and said, "How did you know?"

Boss Zheng stood up and walked to Qin Yu with a smile.

He raised his hand and patted Qin Yu's shoulder, saying, "You are going to Gu City to find sister Lin, right?"

"Yes." Qin Yu didn't hide it.

Boss Zheng said with a smile, "I've already prepared everything. It just so happens that I have nothing to do during this period of time. I'll leave an Fenglou to him."

Qin Yu frowned slightly and said, "What do you mean?"

Boss Zheng laughed loudly and said, "I just happen to be planning to go to Gu City. Let's go together. I've already prepared the flying exotic beast. We can set off at any time!"

Speaking up to this point, boss Zheng paused for a moment. He leaned over Qin Yu's ear and whispered, "I spent a lot of money to get this flying exotic beast! It's very fast!"

Qin Yu said a little awkwardly, "This... This isn't good, right?"

"What's not good about this! I'm also planning to go out to relax," said boss Zheng with a straight face.

Seeing that she couldn't refuse, Qin Yu had no choice but to agree.

In this way, Qin Yu saved herself some trouble.

At the same time, Qin Yu couldn't help but sigh. Dog-licking was really F * cking awesome.

That day, Qin Yu and boss Zheng were riding on flying exotic beasts, planning to head to Gu City.

At this time, Ding Yi ran out hurriedly from inside.

"Where are you going?" Ding Yi asked in a daze.

Qin Yu glanced at her and said, "Home."

"Home... Home? Are you coming back?" Ding Yi's expression was a little ugly.

Qin Yu shook her head and said, "I won't be back for a while."

Ding Yi's face instantly turned a little pale. She bit her lips and whispered, "Where is your home? I'll look for you later."

Qin Yu was silent for a moment, then she looked at boss Zheng and said, "Let's go."

The Flying Exotic Beast flew across the sky and sped toward Gu City.

Qin Yu didn't answer Ding Yi's question in the end, because he knew clearly that the two of them had only met by chance.

"Yan Qin, Ding Yi seems to have taken a fancy to you," said boss Zheng.

Qin Yu didn't say anything. Of course, he knew.

"It's really strange. Ding Yi is quite good-looking. Why would he take a fancy to you?" Boss Zheng couldn't help but sigh.

Qin Yu rolled her eyes at him and said indifferently, "Sometimes, what attracts a person is not his face."

"Then what is it?" Asked boss Zheng, puzzled.

"Figure it out yourself."

"..."

Chapter 1389: Chapter 1,389, Ghost City 1

The two of them rode on the Flying Exotic Beast and rushed towards Gu City.

No one had expected that boss Zheng would travel with them.

It had to be said that with boss Zheng's company, their speed on the way was much faster.

The flying exotic beast that he had found was indeed quite precious. Its speed could even be compared to the wind chasing foal.

Three days later.

The two of them successfully arrived at Gu City.

"This is Gu City. I haven't been here for a long time," boss Zheng said expectantly.

Qin Yu glanced at him and said, "Boss Zheng, are you interested in sister Lin?"

Boss Zheng blushed and said, "That's not true. Sigh, I can't get along with a brat like you."

Qin Yu sighed and said, "Boss Zheng, I'll tell you one thing. Licking a dog doesn't end well. When it's time to cut your losses, cut your losses."

“Go, go, go. What do you know?” Boss Zheng didn’t listen.

Qin Yu didn’t say anything more and walked in the direction of the auction.

They came to the vicinity of the auction.

It was daytime and the auction was busy. Qin Yu didn’t want to disturb them, so she waited nearby.

As usual, after today’s auction ended, there were people fighting outside. The only difference was that they didn’t pick up any treasures this time.

“Tsk Tsk, this gu city is really scary,” boss Zheng said after taking a sip of tea.

Qin Yu didn’t reply. He stood up and said, “Let’s go, it’s time to go in.”

Then, the two of them stood up and walked into the auction.

Sister Lin was backstage at the moment, and Qin Yu and boss Zheng were waiting outside.

After more than an hour, sister Lin finally walked out after finishing her work.

When she saw Qin Yu and boss Zheng sitting in the auction hall, she was obviously stunned.

“Sister Lin.” Qin Yu hurriedly stood up and greeted sister Lin.

Boss Zheng also stood up with a smile, his eyes almost shining.

Sister Lin walked in front of the two and then frowned, “Boss Zheng, why are you here?”

Boss Zheng said shyly, “I just happened to have nothing to do here, so I thought I’d come to see you and send your brother off.”

Sister Lin was silent for a moment and said, “Boss Zheng, you’d better go back. Qin and I . . . I have something to do with him.”

“It’s okay. You guys do what you want. I promise I won’t cause any trouble!” Boss Zheng guaranteed.

Sister Lin frowned and said, “You should go back quickly. An Fenglou can’t leave you.”

“Don’t worry. I’ve already made the arrangements!” Boss Zheng patted his chest and said.

Seeing boss Zheng like this, sister Lin made up her mind and said, "Boss Zheng, I know your intentions toward me, but it's impossible between you and me. It's never going to happen. Do you understand?"

Hearing this, boss Zheng, who had been full of excitement, was suddenly stunned. The expression on his face was obviously frozen.

"Boss Zheng, if you understand, then leave quickly," said sister Lin.

With that, she took out a card from her pocket and stuffed it into boss Zheng's hand.

"I've calculated. The money I asked you to spend for your help is all here," said sister Lin.

Boss Zheng came back to his senses. He hurriedly returned Qian Sai to sister Lin and said, "You don't have to be so polite. I . . . I finally came out. Can I just treat it as a vacation?"

Sister Lin seemed to be unable to bear it. She sighed and said, "Alright then."

Then, sister Lin pulled Qin Yu to the side. After making sure that boss Zheng would not hear, she said, "Qin Yu, why did you bring him here?"

Qin Yu smiled bitterly and said, "He insisted on coming. I had no choice..."

Sister Lin sighed and said, "You will harm him like this."

"Why do you say that?" Qin Yu was stunned.

Sister Lin waved her hand and did not explain.

"I will bring you to see my friend tonight. If possible, you must not let boss Zheng follow you," said sister Lin.

Qin Yu nodded and said, "Okay, I understand."

Then, sister Lin arranged accommodation for Qin Yu and boss Zheng and left the inn in a hurry.

Staying in the inn, Qin Yu looked at boss Zheng and said, "Boss Zheng, sister Lin has been so direct. Why do you still want to stay?"

Boss Zheng smiled and said, "It's okay. After this trip, I won't see her again."

"Is it meaningful?" Qin Yu asked.

Boss Zheng said, "You don't understand. People have to be responsible for their own feelings. Whether they succeed or not, even if it ends, there should be a ceremony, right?"

At this point, boss Zheng paused and whispered again, "Even if this ceremony is meaningless to anyone..."

These words seemed to be said to Qin Yu, but also to himself.

At this moment, Qin Yu couldn't help but feel a little sorry for boss Zheng.

At night.

Sister Lin arrived at the inn.

Boss Zheng was as usual, desperately trying to curry favor with sister Lin, as if he wanted to seize the last chance.

But sister Lin's response, although polite, was cold.

"Well, we should go," sister Lin looked at Qin Yu and said.

Qin Yu nodded and said, "Where are we going?"

"The ghost market. He must be in the ghost market at this time," sister Lin said.

Chapter 1390: Chapter 1,390, known! 1

Boss Zheng quickly came up and said in surprise, "Are we going to the Ghost Market Tonight? I've heard of the ghost market long ago. It's said to be one of the two major features of Gu City!"

Qin Yu frowned and said, "Ghost Market? What's That?"

Before sister Lin could explain.., boss Zheng said excitedly, "There are many strange and strange gadgets in the ghost market. Some are treasures left behind by families, and some are spiritual artifacts stolen by the servants of big families! "The treasures there are no worse than those in the auction! "There are even top-notch treasures!"

Qin Yu looked at sister Lin in surprise, as if she was asking for the truth.

Sister Lin nodded and said, "Boss Zheng is right. The ghost market is indeed magical, but..."

Sister Lin looked at boss Zheng.

“What’s Wrong?” Boss Zheng asked with a puzzled look.

Sister Lin sighed and said, “It’s just that you can’t go with us. We have very important things to do.”

Boss Zheng opened his mouth. Just as he was about to speak, sister Lin scolded him in a delicate voice, “Can you listen to it once? I really can’t take you this time. If you want to go to the ghost market, tomorrow, the day after tomorrow, or in the future, I can accompany you.”

Seeing that sister Lin was a little angry, boss Zheng couldn’t say anything more. He could only nod and agree.

“Alright, let’s go,” sister Lin said to Qin Yu.

Qin Yu nodded and followed sister Lin out of the inn.

Boss Zheng sat alone in the room. He had an indescribable feeling in his heart.

For him, tonight seemed to be the last chance for the two of them to get along. It was also the beginning of the end of their relationship.

After hesitating for a while, boss Zheng finally followed her out secretly.

...

Qin Yu and sister Lin walked towards the ghost market. On the way, Qin Yu couldn’t help but sigh and say, “Sister Lin, speaking of which, boss Zheng is quite pitiful. I can see that he is a very simple person.”

“En, boss Zheng is a good person. It’s just that I don’t like him.” Sister Lin shook her head and said.

Hearing this, Qin Yu smiled bitterly.

He had often heard this sentence when he was on Earth. He didn’t expect it to be the same when he came to the holy region.

“Sister Lin, does that friend of yours really have the water of life?” Qin Yu changed the subject.

Sister Lin smiled. “If it wasn’t accurate news, I wouldn’t have gone to an Fenglou to inform you.”

“Phew.” Qin Yu let out a long breath. “As long as I can find the water of life, I won’t have to worry so much.”

Having been in the saint-level for a long time, Qin Yu wasn't even able to cultivate. Every day, he would struggle to find the energy of life.

In his current state, it was impossible for him to go to the central plains, much less meet Yan Ruoxue.

After traveling for a long time, the two finally arrived at the ghost market.

The ghost market was a huge market, somewhat similar to the night markets of the mortal world. However, compared to the night markets, it was much larger and more prosperous.

There were small stalls and fixed venues in the ghost market.

The fixed venues were mostly local famous characters

As for the owners of the small stalls, most of them were not from South Province, and some of them were not even from Li Province.

There was no other reason. These people were all treasures stolen from big families, and they did not dare to sell them locally, for fear of being seen by their owners.

They had crossed an extremely long distance just to sell the treasures in their hands.

This was also the reason why treasures often appeared in the ghost market.

Qin Yu and sister Lin walked on the ghost market. When they saw the dazzling array of treasures, they could not help but be surprised.

He tried to open the wilderness divine eyes and swept his gaze towards the ghost market.

As expected, in the huge ghost market, there were countless treasures!

Like ten-thousand-year-old medicinal herbs and top-tier treasures, there were countless of them here!

For a moment, Qin Yu couldn't help but be stunned, and her footsteps couldn't help but stop.

Sister Lin seemed to have noticed Qin Yu's surprise, and she said, "The waters of the ghost city are very deep. With your current status, it's best that you don't get involved."

"En? What do you mean?" Qin Yu was slightly surprised.

Sister Lin didn't explain. She just said, "If you believe me, then listen to me. Don't forget our purpose of coming here."

Seeing this, Qin Yu didn't ask any further. She just nodded and said, "Okay, I understand."

The two of them walked around the ghost market and finally stopped at the entrance of a shop.

This shop was called Shan Ma Lou. The name was very ordinary, and the shop was not considered big.

Through the window, one could see that the inside of the shop was dark, and there was only a very dim candlelight.

Sister Lin stopped in her footsteps and warned, "Qin Yu, don't talk nonsense later. Listen to me, Understand?"

"Okay, sister Lin, don't worry." Qin Yu took a deep breath and said.

Sister Lin did not say anything more. She immediately pushed open the door of Shan Ma Lou and stepped into it with Qin Yu.

Neither of them noticed boss Zheng who was hiding in the dark.

At this moment, boss Zheng's face was filled with panic and cold sweat was dripping down.

"Qin... Qin Yu? He's Qin Yu? !" Boss Zheng stood there with an extremely panicked expression.

He was a relative of the great elder, so he naturally knew of the hatred between Qin Yu and the Heavenly Cloud Sect!

But at this moment, boss Zheng had never thought that the young man was Qin Yu!
