

MY RICH WIFE

Chapter 1391 – 1400

send him on his way! 1

Chapter 1391: Chapter 1,391, send him on his way! 1

At this moment, boss Zheng was extremely flustered. He didn't even know what he should do.

On one side was his relative, and on the other side was the woman he loved deeply. He didn't know whether to snitch or pretend that he didn't know.

"Maybe... maybe I heard wrong..."boss Zheng muttered softly.

He hesitated and finally decided to keep it a secret.

At this moment, sister Lin had already walked into the shop with Qin Yu.

Under the dim light, Qin Yu could see many treasures on the counter.

However, these treasures were different from the ones outside. They looked extremely rare and some were even useless.

"Brother Dao,"sister Lin walked forward and called out with a smile.

Under the candlelight, Qin Yu saw the figure of a man.

There was a scar on his face, and his entire body emitted an extremely gloomy aura.

The Man Called Brother Dao Glanced at Qin Yu coldly, then slowly stood up and walked towards Qin Yu.

"You are that Qin Yu?"Brother Dao asked.

Qin Yu didn't expect Brother Dao to know her identity, so she couldn't help but be stunned.

"Brother Dao, he is Qin Yu," sister Lin said quickly.

Brother Dao didn't say anything and just kept looking at Qin Yu.

This gaze made Qin Yu feel a little scared.

The Brother Dao in front of her seemed to have crawled out of Hell, which made people feel extremely uncomfortable.

"Brother Dao, what's Wrong?" Sister Lin stepped forward to mediate the situation.

Brother Dao said coldly, "There's someone."

"What?" Sister Lin was stunned.

Brother Dao pointed to the door and said, "Didn't you notice that someone was following you?"

As soon as he said that, sister Lin and Qin Yu's expressions changed!

The two of them rushed to the door at the same time!

When the door opened, they saw that boss Zheng was planning to escape.

Sister Lin frowned slightly. She stretched out her palm and suddenly pressed forward.

The space where boss Zheng was was instantly collapsed, and boss Zheng's body was also frozen in place.

"Boss Zheng, how could it be you?" Sister Lin walked forward with an ugly expression.

"Didn't I tell you to wait for us in the Inn?"

Boss Zheng gritted his teeth and said, "I heard it all. This kid is Qin Yu! He is an enemy of the Tianyun sect!"

Before sister Lin and Qin Yu could speak, a huge hand suddenly burst out from the single horse building!

This hand directly grabbed boss Zheng and brought him into the room.

“Come in.” Brother Dao’s voice came from the room.

Qin Yu and sister Lin exchanged a glance and hurriedly followed him in.

The door slammed shut, and the originally dim room lit up.

Boss Zheng stood there uneasily. He stared at sister Lin and said with some sadness, “Why didn’t you tell me he was Qin Yu...”

Sister Lin’s face was also very ugly. She couldn’t help but curse, “Are you stupid? ! Why, why did you have to...”

Why did you have to say it? wasn’t it good to pretend not to hear it?

“It seems that you already know,” Brother Dao said coldly.

Boss Zheng nodded and said, “I’ve been following you all the way. I’ve heard everything you said.”

“Since that’s the case, then I can’t let you stay,” said Brother Dao coldly.

Boss Zheng’s face immediately turned a little pale. He looked at sister Lin with a trembling voice and said, “You... You Want to kill me?”

Sister Lin opened her mouth but didn’t know what to say for a moment.

Of course, she didn’t want to kill boss Zheng, but boss Zheng was a relative of the great elder. What would happen if he heard it?

“I’ll send you on Your Way.” Brother Dao walked toward boss Zheng step by step.

Boss Zheng fought like a sieve and didn’t dare to say a word.

Brother Dao raised his palm and said coldly, “Learn to be smarter in your next life.”

“Wait!”

At this moment, sister Lin suddenly shouted and stopped brother Dao.

Brother Dao frowned and said, “What?”

Sister Lin bit her lips and said, “Let me talk to him.”

Brother Dao snorted and said, “There are so many things to do. Hurry up and don’t waste time.”

Sister Lin walked quickly to boss Zheng. She stared at boss Zheng and said, “You... why do you have to follow me? Didn’t I say that tomorrow, the day after tomorrow, and the day after tomorrow, I can accompany you to the ghost market. You...”

“I’m going to die, so don’t lecture me,” boss Zheng said bitterly.

Sister Lin opened her mouth, the pain on her face was hard to hide.

“You will be sad too, right?” Boss Zheng said with a smile.

“I. . . You... You Idiot!” Sister Lin was angry and sad.

“Okay, stop talking nonsense. It’s time to send him on his way.” Brother Dao interrupted sister Lin and walked quickly to boss Zheng.

Brother Dao held the light in his hand. The light turned into an ice-cold sharp blade and headed straight for boss Zheng.

“Don’t worry. It Won’t hurt,” said Brother Dao coldly.

Boss Zheng closed his eyes as if he was waiting for the death sentence.

Brother Dao didn’t say any more nonsense. The long blade in his hand came toward boss Zheng!

At this moment, a hand suddenly stretched out and blocked in front of boss Zheng.

It was none other than Qin Yu.

Brother Dao frowned and asked, "What are you doing?"

Qin Yu said in a deep voice, "Brother Dao, he followed us all the way and knew my identity, but he didn't run away. Instead, he followed us all the way. This is enough to prove that he won't snitch."

My Rich Wife - Chapter 1392 - the stubborn boss Zheng –

Chapter 1392: Chapter 1392, the stubborn boss Zheng

Brother Dao's expression turned cold as he asked, "So?"

"So... let him go," Qin Yu said in a low voice.

Brother Dao didn't say a word. He just looked at Qin Yu coldly.

Sister Lin hurriedly said, "Brother Dao, I believe boss Zheng Won't say anything."

After saying that, sister Lin hurriedly looked at boss Zheng and said, "You definitely won't tell the Heavenly Cloud Sect, right?"

Boss Zheng hurriedly nodded and said, "No, definitely not!"

Brother Dao coldly swept his gaze over the few people, and the light on his hand slowly dissipated.

"You guys are so soft-hearted. Your wisdom harms others and harms yourself," said Brother Dao coldly.

Although he said so, he didn't have the intention to attack again.

Qin Yu walked in front of boss Zheng, cupped her hands and said, "Boss Zheng, I hope you can keep your promise. No matter what, don't Tell on me."

Boss Zheng hurriedly nodded and said, "Of course, of course."

"Hurry up and leave." Qin Yu waved her hand.

Boss Zheng glanced at sister Lin. Sister Lin's eyes were full of anxiety.

He didn't stay any longer and turned to run away.

When he was far away, Qin Yu could not help but sigh.

Damn, he actually softened his heart!

She did not know if it was because he thought of her, but at this moment, Qin Yu could not bear to see boss Zheng die in front of her.

“Sigh, looks like I have to change places again.” Brother Dao sighed.

Sister Lin smiled bitterly and said, “I’m really sorry, Brother Dao.”

Brother Dao waved his hand and said, “It’s fine as long as you’re not afraid of death. Anyway, I have to leave. If the Heavenly Cloud sect blames me, there will be no room for me to return.”

“Alright, let’s get down to business. You want the water of life, right?” Brother Dao looked at Qin Yu.

Qin Yu nodded and said, “Yes, I urgently need the water of life. I hope Brother Dao can help me.”

Brother Dao looked Qin Yu up and down and said, “It seems like the rumors are true. There really isn’t any spiritual energy fluctuation in your body.”

“How did you kill Ling Yun with just brute force?” Brother Dao seemed to be curious.

Qin Yu said, “It might be because I was born with supernatural powers.”

Brother Dao smiled and shook his head. Then, he said seriously, “Alright, I originally planned to leave in a week. Now that such a thing has happened, I have to leave early.”

“Come to the ghost market to find me in three days,” said Brother Dao.

Qin Yu was puzzled. “Brother Dao, where are we going?”

“To get the water of life, of course. I can’t go to that damn place by myself,” said Brother Dao with a cold snort.

Qin Yu heard this and quickly nodded. “Okay, thank you, Brother Dao!”

Brother Dao waved his hand, indicating that Qin Yu could leave.

After Qin Yu thanked him repeatedly, she left the single horse house with sister Lin.

After leaving, Qin Yu could not help but say with some worry, “Sister Lin, this matter won’t implicate you, right? If the Heavenly Cloud sect investigates...”

“Boss Zheng shouldn’t tell,” sister Lin said in a deep voice.

Qin Yu smiled bitterly and said, "I also believe that he won't tell. But the great elder is his relative after all. You must know that once I recover my spiritual power, the great elder will die without a doubt."

Sister Lin rolled her eyes at Qin Yu and said, "Do you think boss Zheng believes that you can defeat the Great Elder? That's the Tianyun sect. Not to mention him, even I don't believe that you can shake the Tianyun sect."

Qin Yu thought for a moment, and it seemed to make sense.

"As long as it doesn't implicate you, I'll be relieved," said Qin Yu with a smile.

"If you're really worried about me, then recover your spiritual power as soon as possible. Speaking of which, I'm looking forward to your condition after you recover your spiritual power," said sister Lin.

Qin Yu grunted and said, "I'm looking forward to it too."

Then, the two didn't say anything more and parted ways here.

After Qin Yu returned to the inn, he was just about to lie down to sleep when he was shocked to find that boss Zheng didn't leave!

He sat in the room, thinking about something.

"You... Why aren't you leaving yet?" Qin Yu couldn't help but frown.

Boss Zheng glanced at Qin Yu and said, "Let's talk about it tomorrow morning."

"Aren't you afraid that we'll go back on our words and kill you?" Qin Yu frowned and said.

At this moment, boss Zheng said with a serious face, "Yan Qin, oh no, Qin Yu, I have to tell you. I will definitely tell the great elder about this."

Qin Yu narrowed his eyes, and a surging killing intent immediately emerged from his body.

"Boss Zheng, do you want to die?" Qin Yu said coldly.

Although boss Zheng was a little scared, he continued, "All these years, I relied on the great elder to gain a foothold in the South Province. If I don't tell him, am I still a human?"

Qin Yu sneered, "Are you willing to sacrifice your life to be a good person? Is It Worth It?"

Boss Zheng opened his mouth and sighed, "Qin Yu, I want to tell you that I can give you a few days to tell the great elder as late as possible."

Qin Yu raised her eyebrows and said, "Oh? How long do you plan to give me?"

Boss Zheng said in a deep voice, "After you have enough time to leave Gu City, of course, I won't reveal too much information, and I won't drag sister Lin into it."

At this point, boss Zheng paused for a moment. He pointed at Qin Yu's face and said, "But I will tell the great elder about your face change."

Chapter 1393: Chapter 1393, the legend of the handlebar mustache

Qin Yu approached the great elder step by step. He said coldly, "Aren't you afraid that I'll kill you?"

Boss Zheng was obviously a little frightened. He closed his eyes and said, "I . . . I don't know."

Qin Yu was getting closer and closer to boss Zheng. Beads of sweat couldn't help dripping down his forehead.

"You're so F * cking honest." Qin Yu couldn't help but laugh bitterly.

He sat down beside boss Zheng and his killing intent dissipated.

Boss Zheng was gasping for air as if he had survived a disaster.

"You... aren't going to kill me?" Boss Zheng asked tentatively.

Qin Yu waved her hand and said, "No, as long as you don't involve sister Lin in this matter."

Boss Zheng patted his chest and finally heaved a sigh of relief.

"Leave Gu City early tomorrow." Qin Yu glanced at boss Zheng, then turned around and went back to her room.

The next morning.

Boss Zheng greeted Qin Yu, then left Gu City in a hurry.

In the next few days, Qin Yu quietly waited for the arrival of three days.

While waiting, he was also slowly comprehending the sixth level of the fighting word formula.

The fighting word formula had a total of ten levels. The first five levels were known as the "Ground level", while the last five levels were known as the "Heaven Level".

Therefore, comprehending the sixth level was extremely difficult. It was as if there was a gap between the sixth level and the fifth level.

Even a genius like Jiang he only managed to comprehend the fifth level.

Three days passed in the blink of an eye.

On the night of the third day, Qin Yu went to the Ghost Market's Dan Ma building again, as promised.

Inside the Dan Ma building, Brother Dao was already prepared. When he saw Qin Yu, he didn't waste any time and directly stood up, saying, "Let's go."

Qin Yu grunted in gratitude. He followed behind Brother Dao and hurried towards their destination.

Qin Yu didn't know where the water of life was, so he was at a loss on the way.

Brother Dao didn't borrow a flying exotic beast, so Qin Yu deduced that the destination shouldn't be too far away.

But soon, Qin Yu realized that he was wrong, and ridiculously wrong!

The two of them walked for five whole days, but there was still no trace of them.

Qin Yu couldn't help but ask, "Brother Dao, is it still very far?"

Brother Dao Thought for a moment and said, "According to this pace, we should be able to walk for another eight days."

Hearing this, Qin Yu almost spat out a mouthful of blood.

"Then why don't we use Flying Beasts?"Qin Yu asked in puzzlement.

Brother Dao shook his head and said, "Flying Beasts can't enter that place."

Qin Yu wanted to say something else, but was interrupted by Brother Dao with a wave of his hand.

"In short, it's best to be careful,"Brother Dao said coldly.

Seeing this, Qin Yu couldn't say anything more and could only agree.

The two of them walked on the land of the South Province, passing through many strange scenes.

Qin Yu didn't know these places at all. He just followed behind Brother Dao, walking with an invincible gaze.

"Brother Dao, what do you usually rely on to survive? Robbing tombs?"

One day, while the two of them were resting, Qin Yu asked casually.

Brother Dao glanced at Qin Yu and said, "How do you know?"

Qin Yu grinned and said, "I can roughly guess what your nickname is."

Brother Dao snorted and threw a pot of wine to Qin Yu. He said, "Then you really guessed wrong. I don't live by robbing tombs. The reason is very simple, because I don't have that ability at all."

Qin Yu said in surprise, "Is robbing tombs a very difficult thing?"

"Nonsense." Brother Dao snorted coldly.

"The great tombs in the holy region are worth exploring. They are either mass graves or places where great cultivators are buried. In such a place, a wisp of murderous aura is enough to kill people." Brother Dao said coldly.

"To survive in such a great tomb, you need a great ability."

Qin Yu said jokingly, "It seems that Brother Dao has tried."

Brother Dao pointed at the scar on his face and said, "This scar came because of tomb raiding. I almost died there."

Qin Yu suddenly understood. No wonder this scar had not been repaired. It probably left a scar that could never be repaired.

At this time, Qin Yu suddenly thought of a person.

He smiled and said, "Brother Dao, since you have a history of tomb raiding, do you know a handlebar mustache?"

"Handlebar mustache? What's That?" Brother Dao asked, puzzled.

Qin Yu spread his hands and muttered, "It seems that that kid was just bragging."

“Wait, I do know that there is a big shot in this industry who does have a handlebar mustache.” At this time, Brother Dao suddenly changed the topic.

Qin Yu’s eyes lit up and hurriedly said, “Yes, he has a handlebar mustache, and his temperament is extremely wretched.”

Brother Dao nodded and said, “EN, it fits your image very well. He is a legend in this industry.”

“Legend? Why?” Qin Yu hurriedly asked.

Brother Dao lightly snorted and said, “How many large family’s graves in this world has he not visited before? That sect master of the Heavenly Cloud Sect’s sect’s grave is one of the victims.”

Qin Yu said in surprise, “Is this kid so fierce?”

“This is nothing. Back then, he was prepared to go to the ancestral graves of the nine great clans. If he hadn’t been discovered, he would have succeeded.” Brother Dao couldn’t help but sigh. A trace of admiration appeared in his eyes.

Chapter 1394: Chapter 1,394, water of Life 1

Brother Dao’s words had indeed shocked Qin Yu.

He could tell that the handlebar mustache had some ability, but he had never thought that he would have such a reputation in the holy region! He had even become a legend among his peers!

“Then what happened after that?” Qin Yu continued to ask.

Brother Dao lightly snorted, he said, “He was too arrogant. He went to steal the tombs of the nine great families. Wasn’t that courting death? He was discovered when he went to the first tomb. He was chased all the way and his body was shattered. If he didn’t have a secret treasure, he would have already become a corpse.”

“Speaking of which, his abilities are indeed great. The only one who could escape from the nine great families is probably him.” Brother Dao couldn’t help but sigh.

Qin Yu said in a low voice, “Looks like what this kid said is true.”

“Why? Do You Know Him?” Brother Dao asked.

Qin Yu immediately shook his head and said, “I don’t know him. I’ve only heard of him.”

Brother Dao grunted and said, “I don’t think you know that kind of legendary figure.”

Qin Yu coughed and asked tentatively, "The person who attacked is not from the Yan family, right?"

"No." Brother Dao shook his head straightforwardly. "Although I can't remember who exactly attacked, it is definitely not the Yan family."

Qin Yu nodded slightly. As long as it wasn't the Yan family, it was good. Otherwise, they would be in a dilemma.

"By the way, try not to mention this person in front of outsiders in the future. It's easy to get into trouble," Brother Dao reminded.

Qin Yu grunted and said, "I got it."

Then, the two of them got up and continued on their journey.

It was a long journey. In addition, Qin Yu needed to eat and eat, so some time was delayed.

In the blink of an eye, six days had passed.

Boss Zheng, who had returned to an Fenglou, also planned to report this matter to the Great Elder.

He sat in the room and thought about it, his face full of worry.

"It should be about time, right? It has been so long," boss Zheng whispered.

"He must have left Gu City in six days."

Just as boss Zheng stood up and was about to head to the Heavenly Cloud Sect, Ding Yi suddenly walked in from outside.

When he saw Ding Yi, boss Zheng hurriedly waved his hand and said, "You came at the right time. I was just about to tell you something. You don't need to send the goods tomorrow. I'll send them myself."

Ding Yi grunted and then stood there for a long time without leaving.

Boss Zheng frowned and said, "Why? Do you have something else to do?"

Ding Yi bit his lips and said, "Boss Zheng, do you know where Yan Qin went?"

Hearing this, boss Zheng couldn't help but sigh.

He patted Ding Yi's shoulder and said, "Ding Yi, although I don't know what happened between the two of you, I have to tell you. Give up. You and he are not from the same world."

Ding Yi hurriedly said, "Why do you say that? Do You Know Him?"

Boss Zheng opened his mouth. He wanted to tell Ding Yi about Qin Yu's identity, but he didn't dare to say anything.

"In short, don't look for him. Otherwise, you will harm yourself,"boss Zheng said coldly.

Seeing boss Zheng's attitude, she, who had originally suspected Qin Yu's identity, was now even more certain of her thoughts:

Even if Yan Qin wasn't Qin Yu, he must be related to Qin Yu!

"Boss Zheng, please tell me."Ding Yi kneeled in front of boss Zheng.

Boss Zheng wasn't a black-hearted boss. He, who was soft-hearted, had mixed feelings at the moment.

He looked at Ding Yi kneeling on the ground and couldn't help but think of himself in front of sister Lin.

After thinking for a long time, boss Zheng finally told Ding Yi.

Ding Yi didn't even think about it and immediately planned to leave an Fenglou.

"Wait."At this moment, boss Zheng stopped Ding Yi.

He said in a deep voice, "If you want to come back, this seat will still be reserved for you."

Ding Yi's heart warmed. She bowed and said, "Thank you, boss Zheng."

With that, she left Anfenglou.

Boss Zheng sighed. For a moment, he was in no mood.

"It's a pity that there are lovers in the world."Boss Zheng shook his head.

...

At this moment, Qin Yu and Brother Dao were still on the way to their destination.

According to Brother Dao's calculation, they still needed to walk for a full three days.

“We’re almost there,” Brother Dao suddenly said.

Qin Yu raised her eyebrows and said, “Don’t we need another three days?”

“I made a mistake in my calculations,” Brother Dao said.

Then, he quickened his pace and walked forward quickly.

At this moment, Qin Yu also smelled a strange aura.

He immediately caught up with Brother Dao. Brother Dao’s mouth kept muttering, “It’s just ahead. We’re almost there.”

As he spoke, his footsteps became faster and faster. In the end, he rose into the air and shot forward.

Qin Yu did not waste any time. He immediately shook his feet and quickly caught up.

“Splash!”

A series of ear-piercing sounds rang out. A waterfall appeared before their eyes.

They saw a silver waterfall falling down as if it came from the sky.

The powerful sound of flowing water shook people’s bodies.

Such a magnificent scene made people admire it even more.

“This... This is the water of life? !” Qin Yu widened his eyes and couldn’t help but be ecstatic!

Chapter 1395: Chapter 1,395, Information Leak? 1

Looking at the silver waterfall in the sky, Qin Yu was so excited that he almost jumped up!

With so much water of life, recovering spiritual energy was not a problem at all!

Qin Yu could even rely on the water of life to constantly absorb the twilight energy and continuously improve his physical body! He could really let his physical body enter the return to void stage!

Qin Yu sniffed hard, but he found that the aura just now had disappeared.

“En?” Qin Yu frowned slightly. He looked at brother Dao and said, “Brother Dao, why is there no aura in this water of life?”

Brother Dao glanced at Qin Yu and said with slight ridicule, "Do you think that waterfall is the water of life? Are you not awake yet, or is your brain not good? If the water of life is like this, then you and I still have a share?"

Qin Yu was stunned and said awkwardly, "So this is not the water of life..."

"Nonsense!" Brother Dao snorted.

He pointed at the waterfall and said, "If you want to get the water of life, you have to go through this waterfall and enter the karst cave behind the waterfall."

"But let me tell you, this waterfall came from somewhere. Every drop of water is like a knife cutting. Without a protective dharma artifact, your body will be torn apart in an instant."

Qin Yu said in a deep voice, "My body should be fine."

Brother Dao didn't say anything. He spread out his palm, and a ray of light exploded from his palm.

This ray of light was like a barrier, wrapping the two of them up.

"Let's go. Let's go in and hug my waist," said Brother Dao.

Qin Yu grunted in gratitude. He stretched out his hand and tightly wrapped it around Brother Dao's waist. His face was attached to Brother Dao's back.

Brother Dao's figure flashed, and he shot towards the waterfall.

This sound, which was already like thunder, grew louder as the two of them approached. It could be said to be deafening.

Even Qin Yu felt his head buzzing.

When their bodies sank into the waterfall, the layer of barrier outside immediately emitted a crackling sound, as if it was about to be torn apart.

"Not good!"

At this moment, Brother Dao suddenly cried out in alarm. Immediately after, the magic artifact in his palm exploded! The barrier outside also disappeared in an instant!

The blade-like water current was approaching the two people's bodies!

"Brother Dao!" Qin Yu did not dare to be negligent. He hurriedly spread out his body, wanting to protect Brother Dao beneath him.

Although Qin Yu's speed was very fast, he was still a step too late. The water current fell on Brother Dao's chest, instantly pulling out a large hole in his chest!

Qin Yu grabbed Brother Dao as if he was in his arms and used all his strength to protect him under his body.

Then, he relied on his surging divine power to quickly pass through the waterfall.

Even though Qin Yu used all his strength to protect Brother Dao under his body, his body was limited after all. A large number of wounds still appeared on Brother Dao's body.

Fresh blood flowed out, looking extremely miserable.

"Brother Dao, are you alright?" Qin Yu asked hurriedly.

Brother Dao stood up and looked at the wounds all over his body. His brows were tightly knitted together. In some places, even his bones were injured.

He looked at Qin Yu subconsciously and said with a faint smile, "No wonder you were able to kill Ling Yun. Your body is really terrifying."

There weren't any wounds on Qin Yu's body. There were only white marks left.

"Let's go. The water of life is just ahead." Brother Dao stood up from the ground.

Qin Yu grunted and said, "Is the water of life just ahead?"

"Thirty stars ahead," Brother Dao said.

Qin Yu raised her head to look at the huge karst cave, only to see that water droplets were constantly falling down from the karst cave.

This karst cave seemed to have been around for some time. Countless sharp stones were falling down and embedded into the ground.

The entire cave shone with a strange radiance, making the entire cave look quite beautiful.

It would take at least half a day for two people to walk at the speed of thirty stars.

In addition, Brother Dao's body was injured, so his speed was also restricted.

However, Qin Yu was not in a hurry. Since they had already arrived, the water of life would be in their hands sooner or later. There was no hurry.

At this moment, boss Zheng had arrived at the Tianyun sect.

He was carrying the goods and was standing in the warehouse to hand them over.

“Boss Zheng, why are you here today?” Someone joked.

Boss Zheng said perfunctorily, “I just came out for a walk.”

After handing over the goods, boss Zheng walked straight to the great elder’s cultivation room.

Coincidentally, the Great Elder was preaching to Di Zun. When he saw boss Zheng walk in, the great elder could not help but frown.

“Why are you here?” The great elder stood up and asked.

Boss Zheng waved at the great elder and said, “I have something to tell you.”

As he spoke, he deliberately glanced at Di Zun.

The great elder waved his hand and said, “It doesn’t matter. He is not an outsider. Just say what you want to say.”

Seeing this, boss Zheng told the great elder about Qin Yu’s transformation.

After the great elder heard it, his expression changed and he hurriedly pulled boss Zheng out.

“Didn’t you say that he wasn’t an outsider?” Boss Zheng frowned.

The great elder said coldly, “When it comes to Qin Yu, you must not let him know.”

Then, the great elder returned to the main topic, “How did you know?”

Boss Zheng stammered, “I... I went to Gu City and accidentally found out.”

“Accidentally found out?” The great elder narrowed his eyes and sneered, “Is it related to sister Lin from the auction?”

Chapter 1396: Chapter 1396, encountering the green creature 1 again

Boss Zheng’s expression changed slightly. He shook his head hurriedly and said, “It has nothing to do with her. Absolutely nothing!”

But how could boss Zheng’s change of mood escape the Great Elder’s eyes? He quickly realized that this matter had something to do with sister Lin.

"I advise you to tell me the truth," said the great elder coldly.

"Even if you don't tell me, I can go to Gu City to arrest her right now!"

Boss Zheng didn't know what to do. He had promised Qin Yu that he would never involve sister Lin, but the current situation was not under his control.

"Okay, then you don't have to say it. I will investigate it myself," said the great elder coldly.

"But let me tell you, when I find out, sister Lin Must Die! This is your last chance!"

After saying this, the great elder turned and left.

"Wait!"

Finally, boss Zheng could not hold on any longer.

He gritted his teeth and said, "Then swear that you will never hurt her!"

Although boss Zheng's strength was weak, he knew the importance of the cultivation realm.

Without thinking, the great elder nodded and said, "I swear that I will never hurt her! My target is Qin Yu, not her."

Hearing this, boss Zheng was slightly relieved. He immediately told the great elder what happened.

After the great elder heard it, his eyes couldn't help but narrow.

"He dared to come to Gu city... it seems that he already knows the news," said the great elder coldly.

As a figure of the Heavenly Cloud sect, the Great Elder's mind was very clear. He soon figured out Qin Yu's intention.

The Great Elder took a deep breath and said, "Alright, I got it. You can leave now."

Boss Zheng said worriedly, "You mustn't go to sister Lin. I promised her!"

"Don't worry." The great elder waved his hand.

After chasing boss Zheng away, a trace of anger appeared on the Great Elder's face.

He said coldly, "Wait until I find out. None of you will be able to escape!"

...

On the other side, Qin Yu followed Brother Dao as they walked deeper into the karst cave.

The deeper they went, the more familiar Qin Yu felt.

“Is it that thing?”

At this moment, Tie Dan suddenly exclaimed in his mind.

Qin Yu replied, “What do you mean?”

Tie Dan did not reply. No matter how Qin Yu asked, he did not respond.

As they were getting closer to their destination, their vision started to blur.

This blurriness made people mistake it for mist, but the smell was very thick.

It was at this moment that Qin Yu confirmed his guess.

This aura was exactly the same as the one he had encountered in the Yangcheng mountain range! It was the aura that had been turned into demonic qi by the locals!

“Brother Dao, is there something guarding the vicinity of the water of life?” Qin Yu asked.

Brother Dao grunted and said, “It should be a guardian beast.”

“Then what does it look like?” Qin Yu asked.

Brother Dao said in a deep voice, “Its body is wrapped in fog, so I can’t see it clearly. I only know that its body is extremely huge, and the sense of oppression is extremely strong.”

Qin Yu took a deep breath and said in a low voice, “It really is that thing.”

“You know it?” Brother Dao looked at Qin Yu in surprise.

Qin Yu grunted and said, “Although I don’t know his origin, I have seen it before.”

The aura here was not dense, which was enough to show that there were not many green creatures here.

However, Qin Yu could not figure out whether these green creatures were born from this aura, or whether this aura was emitted from their bodies?

That unconscious yet extremely cold feeling made even Qin Yu shudder.

“Could it be that the aura of life is related to this aura?”Qin Yu thought to himself.

The water of life in this karst cave was accompanied by the green creature, and so was Yang City. One couldn't help but think of it together.

“Where did this aura of life come from...”Qin Yu couldn't figure it out.

Not only Qin Yu, but even Tie Dan didn't know anything about it.

They only knew the effect of the Qi of life, but they didn't know the origin of the Qi of life.

“We'll be there soon.”Brother Dao's footsteps slowly became steady.

The aura around him also became slightly denser.

“Wait for me here.”Qin Yu looked at Brother Dao.

Brother Dao frowned and said, “That guardian beast is extremely powerful. I almost died in his hands. If I didn't run fast, I would have become a corpse by now. You...”

“I know.”Qin Yu interrupted Brother Dao.

He took a deep breath and directly opened the fifth level of the fighting word formula.

Although there was no spiritual power fluctuation in Qin Yu's body, Brother Dao still felt the powerful pressure from Qin Yu's body.

“Fighting formula?”Tie Dan who was in his mind was extremely surprised.

“You should be careful when using this unique skill. If it is discovered by others, it might cause chaos,”Tie Dan said.

Qin Yu grunted in gratitude. He immediately opened his desolate divine eye and looked into the depths of the cave.

A huge figure soon appeared in his field of vision.

Chapter 1397: Chapter 1397, the Furious Great Elder 1

Just as Brother Dao had described, his body was extremely huge. His entire body was wrapped in a thick fog.

The thick fog surged in all directions. From the looks of it, this aura seemed to be coming from his body.

Qin Yu's eyes coldly looked at the huge creature. Although his body was wrapped in a thick fog, he could not hide under Qin Yu's desolate God eyes.

"It's him," Qin Yu said coldly.

"HMM? What are you talking about?" Brother Dao did not seem to understand what Qin Yu meant.

Qin Yu shook his head and said, "Brother Dao, wait for me here. I'll be back soon."

Brother Dao pulled Qin Yu back and said, "Can you do it on your own?"

"Don't worry. I've dealt with this thing before," Qin Yu said coldly.

With that, he charged straight into the thick fog.

This green creature was much larger than the one Qin Yu had encountered before, so its strength was naturally much stronger.

Coupled with the terrifying aura on its body, even Qin Yu was a little afraid at this moment.

"You've seen this thing before?" At this moment, Iron Egg's voice sounded in his mind.

Qin Yu said coldly, "I thought you were dead."

Iron Egg ignored Qin Yu's words and said, "This creature is very strange. It was known as the hand of death back then, but no one knows its origin."

Qin Yu said in a deep voice, "What do you know?"

Iron Egg kept silent, as if he wanted to play dead again.

"I'm telling you, if I die, you have to die too," Qin Yu said coldly.

Hearing this, iron egg finally opened his mouth.

He said in a deep voice, "I don't know much about this thing. Most of them are just rumors. I can only tell you that it's best not to get involved with this thing. Stay as far away from it as possible."

Qin Yu snorted and said, "Do you think I have any other choice? I've already discovered that wherever there is life qi, this thing will definitely appear."

Of course, the flying spider was an exception.

Although Qin Yu did not know the reason, he firmly believed in his own opinion.

In order to recover his spiritual power, no matter how big the risk, Qin Yu had to give it a try.

Iron Egg did not say anything more. He did not have a body, so he could only leave it to fate.

Qin Yu walked towards the green creature. This thing was called the hand of death. Although Qin Yu did not know why it got this name, this name was deeply imprinted in Qin Yu's mind.

Seeing that he was getting closer and closer to the hand of death, the fear in his heart grew stronger.

Qin Yu felt a strong pressure. This pressure was several times stronger than the one he had encountered in the Yangcheng mountain range.

"I'm afraid that it will be a fierce battle," Qin Yu thought to himself.

However, during this period of time, Qin Yu's strength had also increased. His physical body had undergone an extremely strong transformation, so Qin Yu was also confident in his heart.

While Qin Yu was searching for the water of life, the first elder had already begun his investigation.

With his ability, he quickly figured everything out.

"The reason why Qin Yu took such a big risk to come to Gu city must be because he heard that the Heavenly Cloud sect was planning to kill his companion," the first elder said coldly while sitting in the Elder's mansion.

"He came here but didn't take anyone away, and Di Zun asked me for Zhen Yue and the others at this time. This proves that Qin Yu and Di Zun have already met," the first elder concluded.

His face became colder and colder, and a burst of anger erupted.

In front of the first elder were three elders with long beards.

These three were all at the peak of the Almighty Realm, and they were also the guest elders of the Heavenly Cloud sect.

The Heavenly Cloud sect rarely summoned the guest elders unless it was something important. However, they were summoned all of a sudden, which showed the seriousness of the matter.

“The three of you, go to Gu City immediately and find a sister Lin from the auction.” The great elder took a deep breath.

The three of them bowed and said, “Yes, Great Elder.”

With that, the three of them slowly disappeared from this space.

The great elder stood up and walked toward the cultivation room.

In the cultivation room, Di Zun was cultivating in seclusion.

The great elder suddenly opened the door roughly and strode in.

Di Zun was startled awake. He looked at the Great Elder in surprise and said, “Master, why are you here?”

The great elder didn’t say anything. He just bent his finger.

Di Zun’s body immediately rushed toward the great elder uncontrollably!

The great elder grabbed Di Zun’s neck and said coldly, “You have met Qin Yu, haven’t you?”

Di Zun panicked, but he still tried his best to deny, “No, who are you listening to this nonsense...”

“No? You dare to lie to me?!” The great elder increased the strength of his hand again. Di Zun’s face immediately turned red and he found it hard to breathe!

“Tell me! How did you meet Qin Yu?!” The Great Elder said coldly.

Di Zun gritted his teeth. He knew clearly that the great elder must have no evidence, or else he would not interrogate him like this!

“I . . . Don’t...” Di Zun said with difficulty.

The first elder narrowed his eyes and let go of Di Zun.

He put his hands behind his back and sneered, “Alright, since you said you don’t have any evidence, then I’ll believe you.”

Di Zun panted heavily and heaved a sigh of relief.

But at this moment, the first elder changed the topic and sneered, "To show your loyalty, hand over Zhen Yue and the others."

Di Zun's heart sank again.

"Master... Master, what... What do you want them for? Their cultivation is very low, and Qin Yu won't care about them at all. You..."Di Zun wanted to use his excuse, but it failed this time.

The first elder sneered, "I don't care whether Qin Yu will care about them or not. I only care whether you are loyal to the heavenly cloud sect or not."

"Either you hand them over, or you die with them!"

Di Zun stood there with a dead face.

He didn't know what to do next.

"You know that if I want to kill them, you can't Stop Me,"the Great Elder said indifferently.

"I'm giving you a chance now!"

Di Zun's face was as dark as water and he didn't say a word.

He had promised Qin Yu that he would protect these people, but he didn't expect that an accident would happen in the end.

"Okay, you don't have to say anymore."The great elder waved his hand. "Wait for death with them!"

After saying this, the great elder turned around and walked out.

Chapter 1398: Chapter 1,398

On the same day, the first elder ordered Zhen Yue, Di Zun, and the others to be arrested and thrown into the Heavenly Cloud Sect's heavenly prison.

At the same time, he quickly sent people to spread the news and told the world that if Qin Yu didn't come, everyone would die!

Once the news spread, it immediately swept across half of the South Province.

At this moment, Qin Yu was still in the karst cave, approaching the hand of death.

Seeing that the hand of death was getting closer and closer, the hand of death also noticed Qin Yu approaching it.

His eyes, which shouldn't have had any expression, now revealed a strong killing intent.

Just this gaze alone made Qin Yu's heart tremble!

"This feeling is really annoying." Even Tie Dan could feel the coldness.

Qin Yu couldn't help but stop walking.

He took a deep breath and was actually a little scared.

"It's still not too late to leave now," Tie Dan reminded him.

Qin Yu gritted his teeth and said, "No, I've run more than half of the South Province for the water of life. It's absolutely impossible to leave now!"

As he spoke, the hand of death suddenly arrived in front of Qin Yu!

In just an instant, it was tightly pressed against Qin Yu!

That icy cold gaze was less than half a centimeter away from Qin Yu!

Such speed was something Qin Yu had never seen before!

His forehead was drenched in sweat, and his body could not help but tremble slightly.

"Swish!"

Qin Yu, who had come back to his senses, quickly shot backward!

"What a fast speed..." Qin Yu gritted his teeth, feeling a strong sense of unease in his heart!

He had no doubt that this beast in front of him could kill him!

"Do you still want to continue?" Tie Dan asked.

Qin Yu said coldly, "Yes, how do I know if it will succeed if I don't try?"

As he spoke, Qin Yu took a deep breath to calm himself down.

He had to overcome the fear in his heart, or else he wouldn't be able to do anything to this beast.

A few seconds later, Qin Yu's expression became resolute again.

He took firm steps and walked towards this beast step by step.

The Hand of death was still coldly looking at Qin Yu, his body emitting an extremely terrifying chill.

Qin Yu walked towards him step by step and said coldly, "Get out of my way."

The Hand of death moved. He suddenly clenched his fist and headed straight for Qin Yu's glabella!

Qin Yu did not dare to be negligent. He hurriedly crossed his arms in front of him!

"Boom!"

An extremely strong force exploded on Qin Yu's arms! Qin Yu's body was immediately pushed back!

He only felt his arms go numb from the shock, and even his bones seemed to have been hit.

"This beast is really terrifying." Qin Yu frowned and looked at his arms.

One had to know that this was under the support of the fifth level of the battle character manual! Otherwise, this punch would have shattered Qin Yu's bones!

"Come, let's try again." Qin Yu slowly clenched his right fist and looked coldly at the hand of death.

"Swoosh!"

This time, Qin Yu took the initiative to attack. His divine power surged and appeared on his right fist. His divine power seemed to be able to tear apart space!

And the attack method of the hand of death seemed to be extremely simple. He also clenched his fist and welcomed the attack.

"Boom!"

The moment the two fists collided, streams of light waves swept out in all directions!

This was a real physical collision. There wasn't the slightest bit of fancy magic mixed in. The loud boom almost shattered one's eardrums. The surrounding karst caves were also affected at this moment, collapsing one after another!

Qin Yu took a few steps back, feeling waves of pain on his wrist.

“Damn it, just where did this beast come from!” Qin Yu couldn’t help but curse in his heart.

Qin Yu had never seen such a body before!

Before Qin Yu could think clearly, the hand of death had already shot towards Qin Yu!

Qin Yu did not have time to think and could only clench his fists to receive the attack.

Both parties engaged in close combat. The sound of “Bang Bang Bang” was incessant. Rays of light spread out in the surroundings. The originally extremely beautiful karst cave had turned into ruins!

From the outside world, the sound inside was deafening. Rocks kept falling down, causing the ground to collapse one after another.

Brother Dao frowned. He stared at the depths of the karst cave. His heart was filled with worry and some doubt.

“What on Earth is this kid doing!” Brother Dao could not help but curse in his heart.

He wanted to investigate clearly, but he did not dare to rashly go deep. He could only wait here.

The battle continued. Very soon, Qin Yu was forced to retreat. Even his fist bones were cracked!

“Bang!”

Another fierce fist smashed into Qin Yu’s chest, sending him flying. He had to smash through countless rocks to stabilize his body.

“Damn it...” Qin Yu climbed up from the ground and spat out a mouthful of blood.

There was no doubt that this hand of death was the strongest opponent Qin Yu had ever seen. At least in terms of physical strength, Qin Yu had never seen it before.

“Hurry up and retreat. You are not a match for this beast. If you continue fighting, you will definitely die here,” Tie Dan said coldly.

Qin Yu shook his head and sneered, “I will never retreat!”

Although his physical body was indeed inferior to his, Qin Yu still had many magic treasures in his hands that were useless!

Once these treasures were taken out, it was not certain who would win or lose!

Qin Yu got up from the ground. He stretched out his palm and a black iron rod slowly appeared in his hand.

“What is this thing?” Tie Dan asked in surprise, “What is the use of taking out a broken iron rod?”

Qin Yu ignored Tie Dan. He slammed the iron rod on the ground, making a loud noise.

“Bastard, try again.” Qin Yu was full of fighting spirit and emitted an extremely strong aura!

“Whoosh!”

The Hand of death didn't waste any words and closed in on Qin Yu again!

Qin Yu grabbed the iron rod with both hands and smashed it at the hand of death!

With a bang, the iron rod swept out and smashed onto the body of the death's hand!

In the next second, the death's hand was sent flying by the huge force!

“Eh? This iron rod is actually so powerful?” Seeing this, Iron Egg couldn't help but be greatly shocked.

Qin Yu didn't say a word. He grabbed the iron rod and chased after the victory!

Qin Yu shot dozens of meters into the air. He held the iron rod and smashed it at the hand of death!

Chapter 1399: Chapter 1,399, water of life in hand 1

The iron rod brought with it an intense force that split the air in two. Even the space itself started to crack!

The Hand of death was obviously unwilling to give up. It did not Dodge or Dodge as it clenched its fist and welcomed the attack!

“Clang!”

The strength of this iron rod was beyond imagination. Qin Yu only felt pain on his wrist and almost could not hold it anymore!

The situation of the hand of death was naturally even more miserable. His right fist was shattered and green blood flowed out!

Qin Yu did not care about the pain in his wrist. He held the Iron Rod again and roared angrily. He planned to take advantage of the victory and kill the hand of death.

But at this moment, the figure of the hand of death suddenly disappeared, as if it was hidden in space!

The iron rod smashed onto the ground, creating a huge crater.

Qin Yu frowned. He immediately activated his desolate God's eye and scanned his surroundings.

However, what surprised him was that he still could not see any traces of the hand of death under the desolate God's eye.

Qin Yu scanned the space and saw through the thick fog. Where could there be any traces?

"Oh? How can this be?" Qin Yu was stunned. He checked once again and sure enough, he still could not find any traces of the hand of death.

This made Qin Yu extremely uneasy. Since the desolate divine eye could not see it, it meant that its hiding method was even more advanced than the desolate divine eye.

"Could it be that it changed its meal to a deeper space?" Qin Yu thought to himself.

He looked around warily and did not dare to relax.

This was because Qin Yu knew very well that if this beast launched a sneak attack, it was very likely to be killed in one hit.

Qin Yu was treading on thin ice. He carefully looked around, but even in this situation, Qin Yu did not give up on advancing.

After walking for half an hour, the hand of death still did not appear.

"Could it be... that he escaped?" Qin Yu said with some doubt.

But in the blink of an eye, where could he have escaped to? How could he have run too far?

Forget it, forget about him. Let's find the water of life first, Qin Yu thought to himself.

It was also at this time that Brother Dao, who was waiting outside, could not resist and tiptoed in.

Seeing Qin Yu covered in blood, Brother Dao quickly walked forward and frowned. "How are you? Where Is That Thing?"

Qin Yu smiled and said, "I'm fine. That Beast has already been beaten away by me."

"Beaten away?" Brother Dao was stunned, then he waved his hand and said, "Don't joke around. I have seen the ability of that Beast."

Qin Yu did not explain to him. Instead, he smiled and asked, "This is not important. Brother Dao, where is the water of life? Quickly bring me there."

Brother Dao grunted in gratitude. He immediately led the way and continued to walk deeper.

After passing through the place where the hand of death had stood, the two of them continued to walk forward.

Along the way, Qin Yu could be said to be terrified. He was afraid that the hand of death would attack again.

Fortunately, there was no danger along the way. The Hand of death did not appear again.

Soon, the two of them stopped at a stone cliff.

"This is the place." Brother Dao stopped and pointed at the stone cliff.

It was a slope-like stone cliff. On the stone cliff, drops of dew were attached to it.

Strangely, these drops of dew stuck to the stone cliff but did not fall down.

Brother Dao pointed at the dew in front of him and said, "This is the water of life."

Qin Yu said with some disappointment, "Is this all the water of life you mentioned?"

Brother Dao glanced at Qin Yu and said, "I can see that you are ignorant. Do you know how much life energy it takes to turn it into a drop of water of life?"

Qin Yu thought about it and agreed.

The amount of gas turned into liquid must be huge.

"Hurry up and collect it," Brother Dao said and handed Qin Yu a jade clear bottle.

Qin Yu took the jade clear bottle and climbed up the cliff, carefully collecting the water of life.

There were a total of four drops of water of life here, and each drop exuded the aura of life.

Qin Yu collected all four drops of water of life into the jade clear bottle and then jumped down from the cliff.

“I finally got it.”Qin Yu shook the jade clear bottle and let out a long sigh of relief.

Then, Qin Yu looked at Brother Dao and said, “Brother Dao, there are four drops of the water of life in total. Two drops for each of us. How about it?”

Brother Dao rolled his eyes at Qin Yu and said, “Those four drops have already melted together. How are you going to share two drops with me?”

Qin Yu’s expression changed. He patted his head and only then remembered this matter.

“Brother... Brother Dao, don’t be anxious. I will immediately split the water of life into two parts!”Qin Yu hurriedly said.

However, Bro Dao shook his head and said, “Forget it. I know this water of life is very important to you. Take it.”

Qin Yu was stunned. He hurriedly looked at Bro Dao and said, “Bro Dao, is what you said true?”

“Do you think I have to lie to You? However, you have to owe me a big favor. Moreover, I believe that this favor will be returned to you soon,”said Bro Dao.

This time, Qin Yu did not stand on ceremony. He accepted the water of life and cupped his hands, saying, “Brother Dao, I will remember your favor. This water of life is indeed very important to me, so I won’t refuse.”

Brother Dao waved his hand and said, “Alright, let’s leave this place quickly.”

Qin Yu grunted in gratitude. He followed behind Brother Dao and quickly left this place.

After obtaining the water of life, Qin Yu did not want to waste any more time. He followed Brother Dao out of the waterfall and left the karst cave.

“Qin Yu, I won’t accompany you anymore.”Brother Dao said, “I still have something to do. Let’s part ways here.”

“Brother Dao, where can I find you?”Qin Yu hurriedly asked.

“Ask Sister Lin. She will tell you,”said Brother Dao.

After saying this, Brother Dao turned around and left.

In a few flashes, he disappeared without a trace.

“Phew.”Qin Yu heaved a sigh of relief. “I finally have the water of life.”

At this moment., tie Dan reminded him in his mind, “Don’t you think it’s a little strange? Since Brother Dao doesn’t dare to face the hand of death, how did he know the location of the water of life? “You have to know that the water of life is in the depths of the cave. If you want to see the water of life, you have to go through the hand of death.”

Qin Yu frowned slightly. He had never thought of this question.

“Maybe he deduced it through some method?”Qin Yu guessed.

Iron Egg shook his head and said, “It doesn’t seem like it. I think Brother Dao’s identity is not as simple as it looks.”

Chapter 1400: Chapter 1,400: drinking the water of Life 1

Qin Yu thought about it carefully. This Brother Dao did seem a little strange.

He had spent so much effort to find the water of life, but he had given it to Qin Yu so easily.

One had to know that the water of life was extremely precious. In the entire holy region, it was a top-tier treasure. No matter how close he was with sister Lin, he shouldn’t have given the water of life to him so easily.

“How Strange.”The more Qin Yu thought about it, the more he felt that something was amiss.

But soon, he couldn’t be bothered to think about it anymore. In any case, the water of life was already in his hands. The key was to quickly raise his strength.

Thus, Qin Yu took out the jade bottle and prepared to consume the water of life.

At this moment, Qin Yu was surprised to discover that the jade bottle was actually an extraordinary treasure. There were traces of spiritual energy and an ancient aura swimming around the mouth of the bottle.

“It’s actually a treasure? and... It’s given to me?”Qin Yu widened his eyes.

At this moment, Qin Yu began to believe tie Dan’s words.

This brother Dao was probably not simple!

...

On a desolate desert in the southern province.

A figure was speeding at an extremely fast speed. He would appear at times and disappear into space at other times.

He did not know how long he had been speeding for before he finally stopped in an empty space.

The moment he stopped, a figure dressed in a black robe suddenly appeared from the empty space.

“How is it? is everything done?”The black-robed man asked coldly.

“Yes, it’s done. He has already obtained the water of life, and he was the one who dealt with the hand of death,”the man said.

This man was none other than Brother Dao!

“Alright, since it’s done, we should go back and report,”the black-robed man said.

The two of them did not say anything more. With a shake of their palms, their figures slowly disappeared.

...

Qin Yu poured the water of life in the jade bottle into his stomach and began to slowly absorb it.

At this moment, Qin Yu was extremely nervous and excited, because he did not know whether the water of life could allow him to fully recover his spiritual power, or rather, how many numbers could be added to his forehead.

“I hope this water of life is enough to support me to recover my spiritual power.”Qin Yu took a deep breath.

He didn’t think anymore. He closed his eyes slightly and began to slowly cultivate.

As the water of life entered Qin Yu’s body, the liquid slowly turned into gas and flowed around his body.

Just as Brother Dao said, although this water of life looked small, it was actually an extremely large amount.

The drops of water of life exploded in his abdomen like a small bomb.

His aura was slowly flowing through his body, recovering his aura.

On the other side, the heavenly cloud sect's actions were getting bigger and bigger.

They arrested all the people related to Qin Yu and threw them into the heavenly prison.

In the Elder's mansion, the first Elder was reporting this to the sect master.

"Have you found out everything? Are you sure it has something to do with Di Zun?" The sect master frowned.

The first elder nodded and said, "Yes, although this child belongs to our Heavenly Cloud Sect, his mind is still on Qin Yu!"

The sect master was silent. No one knew what he was thinking.

After a moment, the sect master said in a deep voice, "This at least shows that Di Zun is still a person who values relationships."

The Great Elder was stunned. He never thought that the sect master would say such a thing.

How much did the sect master like Di Zun? Even at this time, he was still trying to excuse him?

"Sect master, I'm afraid that this kid stayed in the Heavenly Cloud sect to learn our spells!" The Great Elder said hurriedly.

The sect master smiled and said, "With his talent, no matter where he goes, the sect will want him, even if it's the Central Plains."

A trace of coldness flashed across the first elder's face, and then he said coldly, "Since he can't serve us, then we have to kill him!"

The sect master waved his hand and said, "No need. After we kill Qin Yu, Di Zun will naturally have to serve us."

"But... but aren't you afraid that I will take revenge for Qin Yu?" The first elder frowned tightly.

The sect master said faintly, "As a sect, if it doesn't even have the ability to make people pledge their loyalty, then the sect is not far from disappearing."

Hearing the sect master's words, the great elder understood that no matter what, the sect master had to protect this Di Zun today.

Therefore, the great elder no longer insisted on his own opinion. Instead, he asked, "Sect master, then what should we do now?"

"Let's put him in the sky prison first." The sect master waved his hand and said.

"Yes." Seeing this, the great elder no longer insisted.

...

Gu City, in a small teahouse next to the auction.

Ding Yi looked out of the window, as if he was waiting for something.

"What? Still Waiting?" At this time, sister Lin walked in from outside.

Ding Yi grunted and said, "Sister Lin, I believe that he will definitely come back."

Sister Lin sighed and said, "He is not Qin Yu. This is all your wishful thinking. What's more, even if he really is Qin Yu, so what?"

Ding Yi smiled and said, "I just want to follow him. As for the other things, I have never thought about it."

Seeing this, sister Lin sighed and said, "I'll say it again. He is not Qin Yu. He really is not. Little Sister, you should hurry back."

Ding Yi was extremely stubborn and just sat there.

This was already the fifth day she had been sitting here, and she still had no intention of leaving.

At this moment, three old men in long robes suddenly appeared outside.

These three people stood in front of sister Lin with cold smiles on their faces.

Sister Lin frowned slightly and said, "Who are you people? What's the matter?"

"You are sister Lin from the GU city auction, right?" One of them asked coldly.

"We are from the Heavenly Cloud sect. We want to take you back to understand something."

Sister Lin's heart thumped. She suddenly realized something, but her face remained calm.

"Can you tell me why you want to take me back?" Sister Lin asked with a smile.

“Why? We are all sensible people. I think there is no need to pretend to be stupid,” one of the hemp-robed elders said indifferently.

“Sorry, I don’t understand.” Sister Lin still shook her head.

Seeing this, the hemp-robed elder immediately snorted and said, “You sent Qin Yu to an Fenglou and secretly hid the prisoners of the heavenly cloud sect. Do you know what kind of crime this is?”
