Chapter 1401 - 1410

Chapter 1401 - activating the Divine Inscription Formation 1

Chapter 1401: Chapter 1401, activating the Divine Inscription Formation 1

Sister Lin had already guessed it, but when she heard it with her own ears, she still felt somewhat uncomfortable.

“I don’t understand what you guys are talking about. What Qin Yu? I don’t know him at all.” Although sister Lin said this, she could no longer maintain her composure.

“Then don’t waste your breath. Don’t force us to make a move.” The hemp-robed old man took a step forward. His aura suddenly exploded, and the surrounding space started to distort.

Sister Lin knew that she was no match for them, so she stopped resisting.

“I’ll go with you.” Sister Lin stood up and said.

The hemp-robed elder didn’t say anything. He grabbed sister Lin, turned around, and left.

Ding Yi stood there with an indescribable feeling in his heart.

“He really is Qin Yu...” Ding Yi muttered in a low voice. No one knew if he was excited or sad.

...

On the other side, Qin Yu had already absorbed all the water of life.

He ran to the riverside excitedly, wanting to see if the number on his forehead had disappeared.

In the reflection of the river, the number on Qin Yu’s forehead had suddenly changed to the number “One”.

Qin Yu's brows immediately furrowed.

"It's still a little bit off?" Qin Yu could not help but frown.

For a moment, Qin Yu didn't know whether to be happy or worried.

He clenched his fist and felt the more abundant power in his body, but there was still no spiritual power at all.

"Damn it!" Qin Yu was extremely vexed. He was just a little bit away from recovering his spiritual power!

He stood there and thought for a long time. In the end, he decided to explore the Yangcheng mountain range again.

Although there were many dangers there, he was just a hair's breadth away from success. Qin Yu really couldn't wait any longer.

He didn't think too much and turned around to rush towards Yang City.

Qin Yu planned to come to the nearest city to have a good meal before continuing on his journey.

But as soon as he sat down, he heard the discussions by the side.

"TSK TSK, it's said that the heavenly cloud sect has already sent that Di Zun to the heavenly prison."

"En, I heard that that Di Zun and Qin Yu had secretly met before and was discovered by the Great Elder."

"Sigh, this is really troublesome. Not only Di Zun, but all the people related to Qin Yu have been put on death row. Di Zun is still easy to deal with. After all, his talent is there. It's hard to say about the others."

As soon as he said this, Qin Yu's expression changed drastically.

He hurriedly walked over and said coldly, "What did you say? Di Zun has been caught?"

"Yeah, haven't you heard? Recently, this matter has been causing a stir."

Qin Yu didn't say anything. He took a deep breath and said coldly, "Looks like boss Zheng finally snitched..."

At this moment, Qin Yu couldn't help but think of Brother Dao's words.

Perhaps, he really should have killed boss Zheng back then!

"Has sister Lin from the GU city auction been affected?" Qin Yu continued to ask.

"Yes, she's also been arrested. It's said that they sent out the guest elders and brought sister Lin back."

Qin Yu nodded and turned around to leave.

At this moment, he stopped and said, "Everyone, I have a question. If I want to spread the news, where should I go?"

"Spread the news? The fastest way to spread the news is through the wind pavilion, of course," said the person.

"Wind Pavilion?" Qin Yu frowned slightly.

The two people hummed in gratitude and said, "Most people who issue a challenge will spread the news through the wind pavilion, but the price is not cheap."

Qin Yu sat there for a long time without saying anything. A moment later, Qin Yu took out 100,000 spirit coins and placed them in front of these people.

Seeing so many spirit coins, the eyes of everyone present immediately lit up.

"Please help me spread the news through the Wind Pavilion," Qin Yu said coldly.

"As long as you send the message to the wind pavilion and look for me in the Divine Capital in the future, I will give you another 100,000 spirit coins."

The few of them hurriedly nodded and said, "No problem, no problem. Just say it. What message do you want us to spread?"

Qin Yu said coldly, "Just say that Qin Yu is waiting for them in the divine capital. If you want to catch me, come to the divine capital."

"Qin Yu? You... You Are Qin Yu?" These people widened their eyes and couldn't help but take two steps back.

Qin Yu acknowledged and said, "Please, everyone."

These people looked at each other and then grabbed the spirit coins in their hands.

"We will go now. Don't Worry!" These people said with a smile.

Qin Yu acknowledged and continued, "But I have to remind you that if the news doesn't spread, I will definitely not let you off."

"Don't worry. If we report your location, the Heavenly Cloud sect will reward us. Why Not?" The few of them said with a smile.

Qin Yu nodded. He didn't say anything else and immediately rushed towards the divine capital.

On the way, Qin Yu said to Tie Dan, "Tie Dan, from now on, we will have to rely on you to recover the divine inscriptions there."

Tie Dan cursed in his heart, "Damn it, I'm going to fall into a deep sleep again. How many favors do you fucking owe me?"

"Don't worry. When this is over, I'll find you a perfect body," Qin Yu said to Tie Dan.

Tie Dan muttered, "You'd better make sure you can survive."

Qin Yu didn't say anything. Although he wasn't sure, he had no other choice.

Chapter 1402: Chapter 1402, the Heavenly Cloud sect dispatched 1

The two of them sped towards the divine capital. This was the only solution Qin Yu could think of.

The divine capital was very far from here. Qin Yu might as well go buy the most expensive flying exotic beast.

Since his identity was already exposed, Qin Yu couldn't care less.

After spending two days and exhausting two flying exotic beasts to death, the two of them finally arrived at the divine capital.

There was still an extremely strange aura flowing in the divine capital. Qin Yu pushed open the door and quickly walked in.

"I'll rely on you for the rest," Qin Yu said to Tie Dan.

Tie Dan grunted and said, "Give me the initiative of the body."

Qin Yu didn't say any nonsense. He slightly closed his eyes and gave the initiative of the body to Tie Dan, while he himself stayed in his mind.

After obtaining the body, Tie Dan first shook his arms.

He looked at his own body with extreme satisfaction and said with a hint of pride, "This body is really not bad. If this were mine, wouldn't it cause a bloody storm in the Holy Region?"

"Enough, stop talking nonsense. We can't afford to waste any more time," Qin Yu coldly said.

Tie Dan spread his hands and didn't say anything else. He immediately began to revive the divine inscriptions in the divine capital.

This was a very complicated project. It could be said that he was physically and mentally exhausted. Even Tie Dan would need to spend several days.

On the other side, the few people followed Qin Yu's request to the Wind Pavilion and released the news.

Very quickly, this news swept through the entire southern province.

And the people from the distant heavenly cloud sect naturally also received this news.

“First Elder, Qin Yu has invited us to the Divine Capital.” Someone walked up to the first elder and bowed.

“Divine Capital?” The first elder raised his brows. “What is that place?”

“I don’t know. I’ve never heard of it,” said the person beside him.

The first elder waved his hand and said, “Go and investigate immediately. As long as we find the location, we will set off immediately!”

“Let us handle such a small matter...”

At this moment, the hemp-robed elder suddenly walked out.

The first elder glanced at him and said, “This matter can not be neglected. I must go personally.”

“It’s just a mere Qin Yu. Why bother the first elder...” the hemp-robed elder continued.

The first elder waved his hand and said, “No need to say anything. I have already made up my mind.”

Seeing this, the hemp-robed elder could only retreat to the side.

With the abilities of the Tianyun sect, it was naturally very easy to find a place.

That afternoon, someone found out the location of the divine capital.

The first elder reported to the sect master. Then, he brought the hemp-robed elder and 300 cavalymen and headed straight for the divine capital!

At the front was a dragon-headed carriage pulled by three mystical horses. The first elder and the hemp-robed elder were shockingly sitting on it.

Behind them were three hundred heavily armored cavalymen. On top of the cavalymen, there was a cold white color.

Such a large formation attracted countless people.

They stared at the vast scene in the sky and sighed.

On the other side, Tie Dan was still reviving the divine inscriptions.

This was an extremely old formation. It was based on capturing the divine inscriptions of heaven and earth. Once it was revived, its power would be boundless.

“If we can completely resurrect this formation, a small heavenly cloud sect isn’t even worth mentioning,” Tie Dan said in a low voice.

He wiped the sweat off his forehead and continued to set up the formation.

Time passed day by day. In the blink of an eye, three days had passed.

“How is it? How much longer do we need?” Qin Yu asked.

Tie Dan swept his gaze over and replied, “At least two more days.”

Qin Yu frowned and said, “This speed is too slow. I’m afraid it’s too late.”

Tie Dan said in a deep voice, “If you have spiritual power in your body, I might be able to be faster. This is the fastest speed.”

Qin Yu calculated the time in her heart. The Heavenly Cloud sect would probably arrive today and tomorrow.

“As soon as possible.” Qin Yu took a deep breath.

Tie Dan nodded and continued to set up the array.

At this moment, the entire South Province was discussing this matter.

Even Wen Da and Wen Er, who were far away on Mount Hua Ning, heard the news.

“Little girl, how long will it take for Aunt Jue Wu to come out of seclusion?” Wen Da came forward and asked in a low voice.

“Who knows when Lord Jue Wu will come out of seclusion?” The girl shook her head.

“It’s over, it’s over. The Heavenly Cloud sect has already made a move against Qin Yu. If Aunt Jue Wu doesn’t come out of seclusion, Qin Yu will be in trouble.” Big Wen was so anxious that he scratched his ears and cheeks.

“That’s right, that’s right. If it really can’t be done, then wake Aunt Jue Wu up in advance.” Wen Er also said.

“Absolutely not!” The two of them hurriedly shook their heads. “If we wake Aunt Jue Wu up now, it’s very likely that she will go mad.”

Seeing this, the two of them didn’t know how to express their goodwill.

“F * ck, I hope that Qin Yu will be able to overcome this difficulty,” Wen da muttered softly.

Just as Tie Dan was rushing to resurrect the divine inscriptions, a thunderous sound came from the sky.

After that, the sky gradually darkened.

Looking Up, it seemed as if there was a huge cloud that blotted out the sky and covered the Sun!

If one looked closely, they would see that it wasn’t a dark cloud at all, but a densely packed crowd!

The leader was the first elder!

The carriage was engraved with characters exclusive to the Heavenly Cloud Sect, and there was a flag that was fluttering in the wind.

Chapter 1403: Chapter 1,403, not helping 1

Tie Dan could not help but raise his head. He stared at this scene, and a trace of excitement appeared in his eyes.

“TSK TSK, what a big deal. I haven’t participated in such a big battle for a long time,” Tie Dan licked his lips and said.

Qin Yu frowned and said, "Stop talking nonsense. It's too late."

The carriage had already arrived above the divine capital city. The first elder stood on the carriage, looking down at the city from above.

"Qin Yu, come out and face your death!" The first Elder's voice was like rolling thunder, shaking the entire world.

The divine capital city was silent. Only tie Dan was anxiously reviving the divine patterns.

"Qin Yu, come out and face your death!" The first elder shouted again.

The others also roared, "What? Are you going to be a coward? Aren't you afraid of embarrassing yourself by doing such a Cowardly Act?"

Iron Egg, who was resurrecting the divine patterns, couldn't take it anymore.

"F * ck you! Who are you talking about? Do you really think I'm afraid of You?" Iron egg rolled up his sleeves, ready to fight.

Qin Yu hurriedly said, "They are scolding me. Don't waste time. Hurry Up!"

Iron egg then muttered, "F * ck you! I've lived for more than a thousand years, but I've never been treated like this! If I didn't have only one primordial spirit left, I would have ripped your heads off!"

The divine patterns continued to revive in an orderly manner, while the outside world continued to curse incessantly.

"Listen up." Finally, the first elder lost his patience.

He said coldly, "Since this Qin Yu doesn't appear, then destroy this city!"

"First elder, wait a moment." At this moment, a disciple beside the first elder suddenly walked forward.

"I suspect that there is a trap. If we act rashly, we might fall into a trap."

The first elder glanced at him. Before he could speak, the hemp robed old man beside him coldly laughed, "What kind of trap can there be? He is merely a cowardly turtle who does not dare to appear. We will just destroy the city and force him to reveal himself."

"No. This battle has spread throughout the entire southern region. We can not afford to have even the slightest mishap. Otherwise, the reputation of the Tianyun sect will be lost." The disciple continued.

The great elder stroked his beard and seemed to think that it made sense.

“Then what do you think we should do?”The Great Elder asked.

The disciple cupped his hands and said, “I think it’s better to send two or three people to the divine capital to investigate.”

The great elder narrowed his eyes and said faintly, “A lion uses its full strength when hunting a rabbit. It makes sense.”

With that, the great elder looked at the disciple and said, “Then it’s up to you.”

The Disciple’s expression changed and he hurriedly said, “Great Elder, it’s... It’s better to let someone else go...”

“Why? Are You Afraid of Death?”The great elder sneered.

The disciple hurriedly knelt down and said, “I... I’m afraid of Death...”

“If you’re afraid of death, aren’t others afraid of Death?”The great elder suddenly shouted angrily.

He looked coldly at the disciple and said, “It’s up to you. If you don’t go, I’ll kill you right now!”

Under the pressure of the first elder, this disciple was trembling with fear as he walked towards the divine capital.

The door slowly opened, and he trembled as if he was treading on thin ice.

The moment he stepped in, the powerful force of the divine inscriptions immediately pressed him to the ground.

He, who was already on the edge of panic, immediately shouted, “Not good, there’s an ambush, there’s a trap!”

With such a shout, Tie Dan, who was reviving the divine inscriptions formation, naturally heard it clearly.

“Not good, they’ve barged in.”Tie Dan’s expression changed slightly as he hurriedly increased his speed.

As for the first elder and the others, they frowned slightly as well. He looked down at that disciple and shouted, “What’s going on! ?”

That disciple tried to stand up from the ground. He took a glance at his own body and was surprised to find that he was fine.

"I... I'm fine..."the disciple said awkwardly.

"Humph, you must be scared. You're useless."The linen-robed elder could not help but snort.

The disciple continued to move forward. He was surprised to find that he was fine.

Therefore, the disciple said in surprise, "Great Elder, it's fine. There's nothing in Here!"

The great elder narrowed his eyes and frowned, "Nothing? Did that Qin Yu Trick You?"

"Great Elder, I... I'm going out,"the disciple said nervously.

Before he finished his words, a huge force suddenly burst out!

In the next second, the Disciple's head was directly smashed by a punch!

"It's Qin Yu!"The great elder narrowed his eyes and quickly found Qin Yu's figure!

"I didn't expect that I would be able to kill someone before I fell asleep..."tie Dan opened his mouth and licked the blood stains on his hands, revealing a comfortable smile.

Qin Yu hurriedly asked, "How is it? Has the divine imprints array revived?"

Tie Dan didn't pay any attention to him. He closed his eyes slightly and muttered in a low voice.

Not long after, a golden light flashed within the city!

The Golden Light appeared from the center and then enveloped the entire city!

"It's done..."tie Dan's voice instantly became extremely weak.

This was a matter that consumed a lot of spiritual sense. Even a powerful primordial spirit like tie Dan could not withstand it.

Before Qin Yu could say anything, tie Dan fell into a deep sleep again.

Chapter 1404: Chapter 1,404, I will be the first one out

Iron Egg didn't reply, no matter how much Qin Yu shouted.

The initiative of the body once again returned to Qin Yu's hands.

He looked at this resurrected gigantic divine inscription formation, feeling somewhat uncertain.

Because Qin Yu didn't know whether this divine inscription formation was as exaggerated as Iron Egg had said.

Qin Yu raised his head and stared at the gigantic dragon-headed carriage high in the sky.

The carriage carried a surging killing intent. It was like an enormous dark cloud, pressing down on people until they couldn't breathe.

The first elder's expression was ice-cold, while the linen-robed elder frowned.

"What was that light just now?" The first elder asked with a frown.

The linen-robed elder snorted and said, "We have already missed the best opportunity. This Qin Yu must have activated some kind of formation."

"Array Formation?" The first elder narrowed his eyes.

"That's right. Although I don't know what array formation it is, I'm sure that Qin Yu must have activated it," the hemp-robed elder said in a deep voice.

"The reason why Qin Yu didn't answer just now is probably to resurrect this array formation. We were deceived by that disciple. He deserved to die." The hemp-robed elder took a deep breath, and his expression became even colder.

He didn't dare to shift the responsibility to the great elder, so he could only let the person who gave the suggestion take the blame.

The Great Elder wasn't stupid. Of course, he knew that he had made a mistake. However, as a shrewd decision-maker, he couldn't admit that he had made a mistake.

He looked coldly at the divine capital city and snorted lightly, "I don't care what array formation you have. Just Break It!"

The hemp-robed elder remained silent. He knew that this array formation was definitely not that simple. Otherwise, Qin Yu wouldn't have spent such a huge price to resurrect this array formation.

The first elder slowly stood up from the carriage. He looked at the divine capital city and slowly raised his hands. His fingers also curled up.

An extremely powerful force slowly gathered in his palms. A terrifying radiance bloomed between his palms like a sun.

Everyone could feel this oppressive feeling.

As the first elder extended his palm, that radiance instantly blotted out the sky and Earth. It was like a circular plate. It grew bigger and bigger as it crushed towards the divine capital city!

Qin Yu's pupils constricted. He crossed his arms in front of him and prepared himself.

"Boom!"

The light smashed onto the divine capital! And at this moment, the divine capital instantly erupted with golden light. Numerous divine patterns that were like chains appeared densely!

Those divine patterns seemed to be formed from countless characters. They covered the divine capital and easily withstood the first elder's technique!

The deafening boom sounded, but the entire city was undamaged.

Qin Yu looked at the sky filled with golden light in shock. He was incomparably excited!

"Tie Dan this kid really didn't lie to me!" Qin Yu couldn't help but be incomparably excited!

As for the first elder on the carriage, his face was ashen.

"As expected." The hemp-robed elder took a deep breath.

The first elder looked at the hemp-robed elder and said, "Do you know what kind of array formation this is?"

"I don't know. I've never heard of it." The hemp-robed elder shook his head.

"But I can confirm that this array formation is not ordinary."

The great elder glanced at him and said, "You don't have to say such nonsense."

The hemp-robed elder remained silent, but he could not help but snort coldly in his heart.

If you had not delayed the opportunity to fight, this Qin Yu would have been in the bag a long time ago.

The great elder put his hands behind his back. He looked at Qin Yu, who was hiding in the divine capital city, and said coldly, "What? Do you plan to be a coward?"

Qin Yu laughed and said, "Great Elder, I'm in the divine capital city. What can you do to me? If you have the ability, then attack me by force!"

The great elder narrowed his eyes and said with a sneer, "Do you really think that I can't do anything to Your Broken Array Formation? Everyone, Listen Up! Attack me by Force!"

With an order, the three hundred horses on the iron horses all gathered. They launched extremely fierce spells in the high sky.

In an instant, the magical artifacts blotted out the sky and covered the earth. The light was even more dazzling!

All of their spells were directed straight at the Divine Capital!

The Divine Capital once again emitted a golden glow, enveloping the entire city like an impregnable fortress.

All of the spells seemed to be of little value under this divine inscription array formation.

Hundreds of people took turns to attack. After several hours, they had almost exhausted their spiritual energy. Yet, the divine capital was still unharmed.

Seeing this scene, Qin Yu heaved a sigh of relief.

"Hahahaha! Great Elder, it seems that your method won't work!" Qin Yu roared.

Great Elder's face became increasingly gloomy. He narrowed his eyes and said, "If you don't come out, I will execute Di Zun and the others! And I will execute them in front of you!"

Qin Yu's heart thumped. This was what he was most worried about. If great elder used this method to force him out, the divine inscription array would be useless.

"First Elder, I'm right in front of you. If you can't Catch Me, who else can you blame?" Qin Yu coldly asked.

"Aren't you afraid that the world will laugh at you for doing this?"

The first Elder's face sank as he replied, "If I can't catch you, then I'll be laughed at. Either you come out yourself, or I'll kill them all!"

Qin Yu's expression didn't look too good, and the first elder seemed to have grabbed onto Qin Yu's weak spot as he continuously spat out vicious words.

Qin Yu took a deep breath and looked at the Great Elder. He sneered and said, "Okay, I'll come out."

Chapter 1405: Chapter 1405, facing the first elder

Hearing Qin Yu's words, the first elder immediately heaved a sigh of relief.

He looked coldly at Qin Yu and said, "Then don't waste everyone's time."

Qin Yu didn't waste any time. He strode towards the direction of the door.

Seeing this, the first elder immediately said to the people beside him, "Guard the door well. Once he appears, immediately catch him. If you can't catch him, kill him!"

"Yes." The people around him all nodded.

The great elder himself had also made preparations. His aura was adjusted to the extreme and condensed between his hands, ready to explode at any time.

Soon, Qin Yu walked to the gate.

He stood there and shouted to the great elder, "Great Elder, I heard that you were seriously injured by my master, Wen Wan, and almost lost your life. Is that true?"

The veins on the great elder's forehead twitched, and a hint of displeasure flashed across his face.

"It seems to be true." Qin Yu laughed loudly.

"I am Wen Wanyun's disciple. He seriously injured you once, and I should also seriously injure you once."

The great elder said coldly, "Little Bastard, don't show the power of words. If you leave this divine capital city, see if I can kill you!"

Qin Yu laughed loudly and said, "Alright, I'll Come Out Now!"

With that, Qin Yu pushed open the door and jumped out.

In an instant, the first elder quickly attacked, ruthlessly crushing towards Qin Yu's direction!

But at this moment, Qin Yu shrank back again.

"Hahahaha! I went out, and I came in again. Are you angry?" Qin Yu laughed crazily.

The blue veins on the first elder's forehead were like dragons that were bursting out. He was obviously angered by Qin Yu.

"Little Bastard, if you are playing me, I will kill them now!" The first elder said angrily.

Qin Yu sighed and said, "Alright, then I will fight with you."

With that, Qin Yu took a deep breath.

He closed his eyes slightly and directly opened the fifth level of the fighting word formula.

In an instant, Qin Yu's body was filled with vast spiritual power.

He took a step out of the divine capital, and the same scene happened again. Countless spells were coming straight at Qin Yu!

This time, Qin Yu didn't Dodge. His right fist shone, and golden light flourished. Surging power suddenly appeared in his right fist, like a bomb that was about to explode!

Blue veins popped up on his right arm, and he roared angrily, and his fist fiercely met it!

"Ah! !"

He shouted at the top of his lungs, indicating the extreme power of this punch!

Facing so many spells, Qin Yu only had a pair of iron fists!

"Boom!"

Finally, the spells collided with Qin Yu's fist, and the entire ground instantly exploded!

Terrifying power ripples rippled in all directions, and the powerful force even shattered the ground beneath his feet!

In just a split second, all the ground around the divine capital collapsed!

As if a huge earthquake had occurred, the huge pit extended for hundreds of meters! Everything in the surrounding area was destroyed!

The dust covered their vision. The first elder and the others stared in Qin Yu's direction as if they were waiting for something.

However, when the dust dispersed, Qin Yu revealed his unyielding figure!

The clothes on his body had been shattered, and his exposed muscles were shining under the setting sun.

A cold smile hung on Qin Yu's face. He raised his head to look at the first elder, revealing a mouthful of white teeth.

"First Elder, is there a point in bringing these miscellaneous diseases?" Qin Yu sneered.

The first elder and the hemp-robed elder beside him had ugly expressions.

"How can this kid's physical strength be so terrifying?" The hemp-robed elder said coldly.

"If he recovers his spiritual power, I'm afraid that not many people in the entire South Province are his match."

The first elder naturally understood this logic. His feet shook slightly, and his body left the carriage and stood in mid-air.

"Little Bastard, you really have some ability." The first elder's hair danced wildly. Although his tone was calm, his aura didn't decrease.

Qin Yu looked at the first elder coldly, he said, "First Elder, it is said that you accompanied the sect master of the Heavenly Cloud sect in the past and made great contributions. Your strength is one of the best in the Heavenly Cloud Sect. However, you seem to have lost quite a number of times. Today, I may have to add another stroke to your name."

"Arrogant child, you don't know how to restrain yourself. The sect master was kind enough to spare your life, but you killed his beloved son. This is enough to prove your arrogance." The first elder said coldly.

Qin Yu was full of anger at the mention of this matter.

He couldn't help but curse, "It's obvious that someone is deliberately stirring up trouble. Moreover, he is the one who provoked me. Can't you guys find out the truth?"

"Cut the crap! You have to pay with your life if you kill someone!" The great elder shouted angrily.

"Screw you! Your disciple Ling Yun massacred the city every day. Tens of thousands of people died in his hands. You Old Bastard, you have killed quite a number of people. Why Don't you pay with your life?" Qin Yu couldn't help but curse.

The Great Elder's face turned even more ashen. He knew that he couldn't win against Qin Yu, so he didn't say anything more.

“I’ll kill you right now. If you have anything to say, go down and say it.”The great elder raised his hands.

Qin Yu sneered, “I’ll return the same words to you. Let me see how strong you really are.”

The Great Elder’s aura rose to its peak.

Qin Yu was the same. His body tensed up, and vast divine power spread throughout his body.

Chapter 1406: Chapter 1,406, serious injuries? 1

The confrontation between the two sides was about to erupt at this moment!

The first elder’s long hair danced in the wind, and his palm seemed to be forming some sort of seal.

“Great Heavenly Seal!”

At this moment, the first elder suddenly shouted, and a huge palm turned the sky and earth upside down!

The Great Heavenly Seal was one of the ultimate arts of the Heavenly Cloud Sect, and its power was boundless.

The fact that the first elder raised his hand and used the great heavenly seal was enough to show his anger!

Qin Yu’s muscles tensed up. He raised his head and looked at the palm that was about to land on the ground. The corner of his mouth curled up into a cold smile.

Just as the palm was about to land on his body, Qin Yu suddenly rushed towards the direction of the door!

“This kid wants to escape!”The hemp-robed old man shouted angrily. He immediately raised his finger and tried to seal off the space.

However, how could Qin Yu not have expected that he would clench his fist and roar, instantly shattering the spatial barrier!

When Qin Yu ran to the door, he stopped in his tracks.

He looked at the great heavenly seal. The fifth level of the battle word incantation had also disappeared at this moment.

Such actions immediately caused people to be puzzled.

What was this Qin Yu trying to do? Could it be that he had given up?

“Boom!”

Very soon, the Great Heaven Seal had already struck Qin Yu’s body!

With just a single palm strike, Qin Yu’s body was instantly shattered!

His skin cracked, his bones were broken, and his entire body was about to be smashed into meat paste!

Qin Yu lay on the ground, his body covered in blood, looking extremely miserable.

Above him, the first elder sneered repeatedly.

He looked down at Qin Yu from above and said indifferently, “This little bit of ability is only so-so.”

The others began to flatter him as if they had already won.

But at this moment, Qin Yu, who was lying on the ground, suddenly stood up and leaped toward the divine capital!

“Oh no, he’s going to run!”The hemp-robed elder shouted in a hurry!

By the time the first elder reacted, Qin Yu had already jumped back into the divine capital.

The great elder frowned slightly. He narrowed his eyes and snorted coldly, “He actually escaped back? Humph, so what if he escaped back? I can take his life with one palm!”

The hemp-robed elder wanted to say something, but after thinking for a while, he chose to keep his mouth shut in the end.

“Everyone, listen up. Surround him. We must not let him escape the divine capital!”The great elder shouted angrily.

Three hundred iron cavalry surrounded the divine capital until it was impenetrable.

As for the hemp-robed elder, he took out a dharma treasure from his sleeve. A huge net covered the entire divine capital.

Not to mention Qin Yu, even an ant would not be able to escape from this place.

The first elder was not in a hurry either. They were all at the Almighty Realm. They did not need to eat at all. They could afford to waste time even if it took them a long time.

In the divine capital city.

Qin Yu was lying on the ground, on the verge of death.

However, at this moment, there was a smile on his face.

“As expected... it’s as I expected. He’s heavily injured, but he’s still alive...”Qin Yu grinned, and blood flowed out from the corner of his mouth.

Qin Yu had just consumed the water of life, and the number on his forehead had become one.

However, if he wanted to recover his physical body, he had to reconstruct it.

Therefore, Qin Yu decided to use the great elder’s hand to heavily injure himself.

Since the divine capital was here, Qin Yu was not afraid of them barging in.

“With my current condition, I’m afraid I’ll need some time to recover my body.”Qin Yu gritted his teeth.

“I hope the Great Elder and the others can afford to wait.”

In the next few days, Qin Yu lay in the divine capital, quietly waiting for his body to recover.

There were still some medicinal herbs hidden in his spatial divine artifact, which could also speed up the recovery of his body.

Three days in a row.

The Heavenly Cloud Sect’s encirclement of Qin Yu did not show any signs of stopping. Everything seemed to be in a stalemate.

The first elder knew very well that he could not leave at this time. Otherwise, the Heavenly Cloud sect would lose face.

“Could this Qin Yu have already died in there?”Someone thought.

“Impossible. After all, he is a cultivator. How could he have died in there?”The hemp-robed elder shook his head.

The great elder stood above and shouted, "Qin Yu, don't tell me you are going to hide in there all the time! Come out quickly and claim your death!"

The divine capital was silent, and only echoes responded to him.

The hemp-robed elder narrowed his eyes and said, "Something is wrong. This Qin Yu seems to have deliberately let you slap him, seriously injuring him, but not to the extent of dying. It seems like there is some conspiracy."

The great elder glanced at the hemp-robed elder and said with slight displeasure, "Deliberately? Why? Do you think that my slap is not enough to seriously injure him?"

The hemp-robed elder cupped his hands and said, "Of course I don't mean that. I just feel that this matter must not be dragged on any longer."

The Great Elder was silent for a moment, and then he shouted at the divine capital, "Qin Yu, if you still don't come out, Don't blame me for being impolite. I'll immediately return to the Heavenly Cloud sect and kill Di Zun and the others!"

Qin Yu was already unconscious in the divine capital. How could he listen to his BULLSH * t.

The Great Elder's eyes hardened. He looked at the hemp-robed elder and said, "Go back to the Heavenly Cloud sect right now and bring Zhen Yue and the others here!"

"It's not suitable for me to go back. The Heavenly Cloud sect might not believe me," the hemp-robed elder shook his head and said.

"It's better for you to go back, Great Elder. I'll wait here and make sure that Qin Yu can't escape."

First Elder frowned slightly. He took out the token from his pocket and handed it to the old man in the hemp robe. "This is my token. As long as you have this token, no one will dare to stop you."

Chapter 1407: Chapter 1,407, betrayal 1

The linen-robed elder took the token from the first elder's hand and could not help but frown.

He sized up the first elder and said, "First Elder, you don't trust me."

The first elder shook his head and said, "If I didn't trust you, why would I give you the token? I'm just worried that things will change."

The linen-robed old man thought about it and seemed to think that it made sense.

Therefore, he put away the token and said, "Then I'll head back now."

After saying that, the linen-robed old man turned around and was about to leave.

At this moment, the first elder suddenly said, "Sixth brother, go with them."

The Man Called Sixth Brother immediately took a step forward and said, "Yes, First Elder."

A hint of displeasure immediately appeared on the linen-robed Elder's face.

Sixth was the Great Elder's confidant. He had sent sixth to follow him, obviously to monitor him.

"Don't worry. Sixth is my personal guard. With him around, I can take care of you," said the Great Elder.

The linen-robed elder sneered in his heart, but his face remained calm.

After taking the token, the group rushed towards the Heavenly Cloud sect.

The first elder and the others continued to guard the divine capital city, waiting for Qin Yu to appear.

As time passed, Qin Yu, who was lying in the divine capital city, finally regained consciousness.

He slowly opened his eyes, and a dazzling golden light immediately entered his vision.

Qin Yu rubbed his eyes and looked at his own body. His entire arm had recovered and was once again dyed with a dark golden light.

This immediately made Qin Yu overjoyed. He hurriedly got up from the ground and looked at his own body in surprise.

As expected, the injured parts had all turned dark golden!

His entire body looked like it had spots of dark golden color. It was extremely strange.

A relaxed expression appeared on Qin Yu's face.

"There are still a few injuries that have not recovered. Give me a few more days and my body should turn Golden," Qin Yu thought to himself.

Currently, Qin Yu's physical body had basically recovered. Both the strength and stiffness of his body had undergone a qualitative change.

Other than spiritual energy, Qin Yu was no different from a normal cultivator.

He tried to clench his fist, and sure enough, the strength of his body had become much denser.

“With my current state, I Won’t be too miserable if I meet that first elder again,”Qin Yu thought to himself.

“I wonder how tough my body is now.”

Qin Yu was slightly excited. He couldn’t wait to go out and fight the first elder!

However, after thinking for a moment, Qin Yu finally decided to wait until his injuries had completely recovered.

At this moment, he suddenly heard a rumbling sound coming from his stomach. He hadn’t eaten for a few days, so he felt hungry like a flood.

“F * ck, I’m starving,”Qin Yu muttered.

He took out a bunch of green bean-like pills from his spatial artifact.

These pills were left behind by Wen Wanyi. Although they were small, they could fill his stomach in an instant.

“Fortunately, I still have these things. I’ll have to store some in the future,”Qin Yu thought to himself.

After eating, Qin Yu sat cross-legged on the ground and basked in the sun, slowly recovering from his injuries.

Outside, the Grand Elder and the others were still waiting.

Although they didn’t need to eat, the surrounding environment was too harsh. As far as the eye could see, it was an endless desert.

The surrounding spiritual energy was extremely thin. In such an environment, they seemed to be unable to do anything.

“Grand Elder, if this Qin Yu doesn’t come out, do we have to wait for him all the time?”Someone asked.

First elder snorted, “If we don’t catch him, no one can leave this place!”

Then, first elder changed the topic and said lightly, "But you don't have to worry too much. When Zhen Yue is brought here, he has to come out even if he doesn't come out!"

...

The Old Man and the other two rushed toward the Heavenly Cloud sect.

On the way, the old man and the other two glanced at each other, and the two old men immediately understood something.

At this time, the three people suddenly stopped and fell from the sky.

Sixth brother, who was chasing behind them, also hurriedly followed.

He frowned and said with some displeasure, "What are you doing? Why did you suddenly stop? Don't you know that the first elder is still waiting?"

The old man in the linen robe glanced at sixth brother and said with a faint smile, "Why? Can't We Rest?"

Sixth brother was the first elder's personal guard. He was used to being arrogant and despotic. In the entire Heavenly Cloud sect, not many people dared to provoke him.

Therefore, sixth brother immediately scolded, "I'm not tired, and you guys are tired? I think you guys are lazy donkeys who waste a lot of time! If you delay the first elder's important matter, can you pay the responsibility?"

The linen-robed old man narrowed his eyes and then sneered, "We have worked for the Heavenly Cloud sect for so many years, but the first elder is so wary of us. If that's the case, why should we work for him?"

Sixth Brother's expression changed. He took two steps back and berated, "What do you mean! What nonsense are you spouting!"

"What do you mean?" The killing intent on the hemp-robed elder's body grew stronger and stronger.

He took out the first elder's token and sneered, "With this item, we can empty all the treasures of the first elder and even take the Heavenly Cloud Sect's treasury! Does he think it's useful to send a trash like you with us?"

Chapter 1408: Chapter 1,408, battle the first elder again

Sixth Brother's expression immediately changed. He looked at these people in horror and forced himself to remain calm. "You... Don't act recklessly! If you kill me, the first elder will not let you off!"

The linen-robed old man sneered. "After I kill you, we unspecialized people will immediately escape! With the abilities of the three of us, we will be able to survive no matter where we go!"

"As for you, go to Hell!"

Along with the linen-robed old man's shout, his eagle-like hand suddenly reached out and grabbed sixth brother's head!

With a crack, sixth brother's head was instantly crushed!

After killing sixth brother, the three of them didn't dare to stay and quickly rushed to the heavenly cloud sect.

After arriving at the Heavenly Cloud sect, the three of them relied on the first elder's token and directly went to the Heavenly Cloud Sect's treasury, taking away a large number of spirit coins and treasures.

The first Elder's treasury was even emptied.

After doing all this, the three of them once again borrowed the first elder's token and left the South Province on the spatial array formation.

"Aren't we being a little too greedy by doing this..."

"Greedy? HMPH, he deserves it. Not only is he worried about us, he's even afraid that we'll take away his credit. HMPH."

...

At this moment, the first elder knew nothing about this. He was still waiting for the linen-robed elder and the others to return.

In the blink of an eye, an entire week had passed.

During this one week, Qin Yu's injuries had almost fully recovered.

His entire body was flickering with a dark golden color, glistening under the sunlight.

At this moment, Qin Yu's physical body and strength had both received a qualitative improvement.

Although there were still a few parts of his body that had not recovered, the effects were minimal and not worth mentioning.

"Just a little bit more," Qin Yu said in a low voice.

"After this matter is done, I have to go to Yang City again to find the last bit of life force."

Outside the divine capital city.

The first elder frowned, and his face showed that he had lost his patience.

"First Elder, it has been a full seven days. Even if they leave, they should be back by now," someone beside him said in puzzlement.

The Grand Elder remained silent. It was obvious that he had realized something.

"Let's Wait a little longer. Let's wait for the last day," the Grand Elder said coldly.

In the blink of an eye, another day had passed. The hemp-robed old man still had not returned.

This caused the grand elder's expression to turn extremely ugly.

He was the one who led this battle. The two consecutive mistakes in his decision-making had already caused him to lose face.

"Looks like he escaped," someone beside him said in a deep voice.

The great elder berated, "Impossible, something must have gone wrong!" The great elder shouted angrily.

The people beside him didn't dare to say anything. Even if they had guessed something, they didn't dare to say it out loud.

"Damn it!"

The Great Elder's anger had long reached its peak.

However, he couldn't vent his anger on the hemp-robed elder. Therefore, he could only vent his anger on Qin Yu.

"Qin Yu! You cowardly tortoise, come out if you have the guts. Otherwise, I will definitely execute Di Zun and the others!"

The first Elder's furious roar shook the entire divine capital, and even activated the divine inscription array.

The golden radiance appeared once again, enveloping the entire divine capital tightly.

Qin Yu, who was recuperating in the divine capital, couldn't help but open his eyes when he heard this furious roar.

"En? What's wrong with this old thing? Why is he suddenly throwing a tantrum?" Qin Yu could not help but feel puzzled.

He stood up from the ground and shook his arm, muttering, "It's time to go out and meet this old fellow."

Therefore, Qin Yumou exerted all his strength and shouted at the great elder, "Old Thing, what kind of Tantrum did you suddenly throw? What happened? Your Wife was abducted?"

The Great Elder, who was already vexed, was fuming with anger when he heard this.

He gritted his teeth and said, "Little Bastard, don't show off your tongue. If you have the ability, come out!"

Qin Yu sneered and said, "Okay, I'll come out and play with you."

After saying that, Qin Yu strode toward the door.

He was also looking forward to it. He wanted to know how much power this body of his could display.

As he pushed open the gates of the Divine Capital, Qin Yu landed in everyone's field of vision.

At this moment, Qin Yu's appearance had changed drastically. His originally ordinary face had slowly returned to his delicate and handsome appearance. The white hair on his head had also returned to its inky black color.

What was even more dazzling was the faint golden radiance on his body. Under the contrast of this radiance, Qin Yu was like a heavenly god that descended from the sky, incomparably dazzling.

"First Elder, I'm out." Qin Yu stared at the first elder in the air and said coldly.

The first elder frowned slightly. He seemed to have sensed something strange about Qin Yu.

“Could it be that there are other treasures in the divine capital city? Did this child use these few days to cultivate?” The first elder thought to himself.

“That’s not right!” The first elder quickly denied this thought. After all, almost all the treasures in the entire southern province had been swept by the Tianyun sect. Even the divine capital city was no exception.

Just as the first elder was deep in thought, Qin Yu stomped his foot and shot out explosively!

In just a breath’s time, Qin Yu had already landed on the dragon-headed carriage and stood in front of the first elder.

Chapter 1409: Chapter 1,409, the great battle begins! 1

Seeing Qin Yu suddenly arrive on the carriage, everyone couldn’t help but be shocked.

“First Elder, I’m here,” Qin Yu said, looking at first elder coldly.

First Elder slowly stood up. He sized up Qin Yu and said with a sneer, “It seems that you’ve obtained some treasure in the divine capital, and now you actually dare to come in front of me and make a ruckus.”

Qin Yu sneered and said, “As I said, I really want to see your strength.”

The great elder narrowed his eyes and said, “It’s not a good thing for young people to be arrogant.”

“Stop talking nonsense,” Qin Yu sneered.

“It’s not certain who will live and who will die today. If you scam now, you might be able to keep your old life.”

Qin Yu’s repeated provocations made the first elder lose his patience completely.

He narrowed his eyes and said in a low voice, “I think you... are courting death!”

Before he finished his words, the first elder suddenly stretched out his hand and grabbed at Qin Yu!

Qin Yu did not Dodge. He clenched his fist and met the first elder head-on.

“Clang!”

At the moment of collision, a terrifying force exploded!

The dragon-headed carriage beneath the first elder's feet was instantly shattered into pieces!

Everyone hurriedly leaped up from the carriage and stood in mid-air.

Qin Yu did not have any spiritual energy, so he naturally did not have the ability to fly for a long time.

He slowly landed on the ground and raised his head to look at the first elder.

A thick black fog suddenly appeared in mid-air!

At this moment, a palm that was like dried wood suddenly stretched out. A Ray of light cut through the air and ruthlessly grabbed towards Qin Yu's chest!

"Chi la!"

It was as if a sharp blade had cut through steel, producing an extremely ear-piercing sound!

Very quickly, the figure of the first elder appeared not far away. The owner of that Palm was also the first elder.

He looked at Qin Yu's chest, and an extremely shocked expression appeared on his face!

He saw that there was nothing on Qin Yu's chest except for a few white marks. Even his skin had not been cut open!

"His physical body... why did it suddenly become so hard!"The first elder was extremely shocked!

Qin Yu lowered his head and looked at his dark golden bullet. The corners of his mouth could not help but curl up into a smile. The next second, he even laughed out loud.

"Hahahahaha!"

The entire sky was filled with Qin Yu's laughter!

"It seems like what my master said is right. It is not nonsense to say that my physical body has reached the return to void stage! The Grand First Elder of the Heavenly Cloud sect could not even cut open my skin. hahahaha! This is a joke!"Qin Yu laughed maniacally.

The veins on the grand elder's forehead bulged. He once again realized that he had missed the best opportunity to capture Qin Yu.

However, as a top figure of the heavenly cloud sect and even the entire southern province, he naturally had full confidence.

Even though Qin Yu had become a little strange, it only shocked him.

“Come, Grand Elder, fight with me and avenge your disciple!” Qin Yu took a step forward. His hair danced wildly, and his body was full of battle intent. He was like a god of War!

The first elder was the same, and many disciples of the Heavenly Cloud sect quickly surrounded him.

Qin Yu glanced at them and sneered, “This group of trash, there’s no need to attack.”

The first elder said coldly, “Kid, don’t be too arrogant.”

With that, the first elder waved his hand, and the hundreds of people immediately attacked!

Qin Yu couldn’t stop laughing. He opened his arms, and golden light burst out from his body. He sneered, “Come on, let’s see how you can hurt me!”

The countless spells landed on Qin Yu’s body, making a sound like raindrops hitting steel.

But what was shocking was that Qin Yu was completely unharmed! Not even a white dot could be left behind!

“Comfortable, hahahaha! Are you guys tickling me? Continue!” Qin Yu roared crazily!

This was the capital of having a strong body! Even if you had great abilities, you wouldn’t be able to break through the defense!

The disciples of the Heavenly Cloud sect couldn’t help but look shocked. They looked at each other in extreme fear.

The first elder narrowed his eyes and took a deep breath. A trace of solemnity appeared on his face.

Although he didn’t want to admit it, the truth was right in front of him.

The current Qin Yu was no longer the defenseless Qin Yu from a few days ago.

“All of you can leave,” the first elder said coldly.

Hearing this, everyone hurriedly retreated.

The first elder's body slowly floated up, and the aura on his body was rapidly rising.

"You're forcing me to make a move," the first elder said coldly.

Qin Yu mocked, "Don't say such harsh words. Do you think I'm afraid of You?"

The first elder closed his eyes slightly, as if he was using some kind of spell.

The Aura on his body had reached its peak.

A powerful aura came at them, and everyone felt this extremely powerful pressure!

Even Qin Yu couldn't help but Exclaim!

As expected of the Heavenly Cloud Sect's first elder, his strength was indeed terrifying!

"Look at the two of us, I can't hide my strength anymore," Qin Yu said in a low voice.

He didn't think anymore and directly opened the fifth level of the battle word technique.

No one had expected that Qin Yu could actually force the first elder to such an extent.

And no one had expected that Qin Yu's strength would actually have such an increase in a short period of time!

Chapter 1410: Chapter 1,410: Quick Battle 1

With the support of the fifth level of the Dou word formula, Qin Yu's entire body was filled with an extremely surging divine power.

The first Elder's Aura had already been adjusted to the extreme. It could be seen that the first elder was already serious.

"Swoosh!"

At this moment, the first elder suddenly attacked. He gently pointed with his finger, and a beam of light shot towards Qin Yu's chest.

Qin Yu hurriedly dodged to the side and used this opportunity to shoot towards the first elder.

When the first elder saw this, he could not help but snort coldly. Just as Qin Yu was about to approach, a huge force suddenly bounced Qin Yu away.

He did not know what kind of spell he used to be able to bounce back Qin Yu's force.

Qin Yu retreated a few steps and finally stabilized his body.

He could not help but be a little surprised. The speed at which the first elder used the spell was a little too fast!

“Crash!”

The first elder did not say a single word. He used the tiptoeing spell and the sword rain that filled the sky immediately pounced on him!

Qin Yu did not dare to be negligent. He hurriedly let out an angry roar and clenched his fist to welcome the attack.

“Clang Clang Clang Clang!”

Countless sword sounds assaulted him. Qin Yu’s dark golden body was left with white marks by the sword rain.

The first elder seemed to have expected that this technique wouldn’t hurt Qin Yu. Therefore, he extended his palm and estimated that it would be the great heavenly seal again!

“The same technique won’t work after being used twice!”

Qin Yu shouted as his entire body erupted with an extremely powerful force as he punched at the Great Heavenly Seal!

“Boom!”

In that instant, the great heavenly seal was shattered.

Qin Yu was like a steel nail that pierced through the great heavenly seal!

The first elder immediately frowned. The Great Heavenly Seal was the Heavenly Cloud Sect’s ultimate technique. He did not expect that it could not hurt Qin Yu!

“HMPH.”The first elder’s expression was cold. He muttered a spell and immediately extended his palms!

“Withering Yellow Sacred Palm!”

Following the first elder’s explosive shout, a palm that was as yellow as a maple leaf rushed towards Qin Yu!

Qin Yu roared angrily and was about to clench his fist to receive the attack when he suddenly felt that something was wrong.

This palm seemed to be powerful, but he did not feel any pressure. There was probably a trick behind it!

Thinking of this, Qin Yu hurriedly stomped his feet and shot backwards!

That withered yellow palm brushed past Qin Yu's face, and strands of long hair were hit by this palm.

That strand of long hair instantly lost its vitality like withered weeds.

Qin Yu frowned slightly and said in a low voice, "There really is a trap."

The first elder narrowed his eyes, as if he didn't expect Qin Yu to be so difficult to deal with.

He sneered and said, "Damn little bastard. If you didn't kill the son of the sect master, my heavenly cloud sect would really want to take you in as a disciple."

"Cut the crap. The Heavenly Cloud sect and I Won't rest until one of us is dead," Qin Yu said with a sneer.

"You don't know life from Death!"

The first elder roared angrily, and his entire body was instantly plated with layers of light.

These layers of light were actually formed from Spirit Qi. The Spirit Qi in his body was released through his pores and stuck to his physical body!

In this way, not only did his physical body improve, but his strength was also vastly different!

"Sou!"

The first elder directly stretched out from the void and came close to him!

Qin Yu sneered, "You want to fight with my physical body? You Don't know life from Death!"

He immediately clenched his fist to meet the attack, and the two sides began a melee battle!

For a moment, the sound of banging in the sky was incessant, and divine power rippled in this space.

This was a real physical body contest, and it was full of ornamental qualities. Everyone could not help but be stunned.

And the sect master of the Heavenly Cloud sect was sitting on the Cultivation Mountain, quietly looking at the void in front of him.

What was shocking was that a picture actually appeared in the void in front of him.

And this picture was the battle between Qin Yu and the Great Elder!

He didn't know what kind of magic treasure he used to actually be able to witness this battle with his own eyes!

“Sigh.”

Seeing Qin Yu's valiant posture, the sect master could not help but sigh slightly.

“This Qin Yu was indeed poisoned by the Twilight Qi. His physical body has gradually recovered.”The sect master shook his head and said.

The deputy sect master at the side also nodded and said, “Although the first elder did not display his full strength, to be able to fight with the first elder to such an extent is really unbelievable.”

The sect master put his hands behind his back and said quietly, “If we let Qin Yu recover his spiritual power, the first elder is definitely not his match. If it wasn't for the mistake in his judgment, Qin Yu... would definitely be ours.”

The deputy sect master didn't say anything. They all knew that it was useless to say anything now.

Qin Yu killed the son of the sect master of the Heavenly Cloud sect. Even if the sect master was willing to forgive Qin Yu, the disciples of the Heavenly Cloud sect wouldn't agree.

“Let's end this quickly.”A moment later, the sect master muttered in a low voice.

“Bang!”

Accompanied by a loud sound, Qin Yu suddenly punched out and directly shattered the layer of spirit energy armor that covered the first elder's body!

“Deng Deng Deng!”

The first elder took a few steps back, and the layers of armor disintegrated like glass shards.

He looked at Qin Yu who was full of fighting spirit in the sky, and his expression was extremely ugly.

“This little bastard...”the first elder couldn’t help but gnash his teeth.

Being forced back a few steps by Qin Yu, this was simply a humiliation!

“End the battle quickly, don’t waste any more time.”

Right at this moment, the sect master’s voice suddenly came from the sky.
