

## My Rich Wife - Chapter 1421 – 1430

### , Zhuo Jing's help

*Chapter 1421: Chapter 1,421, Zhuo Jing's help*

The sword slashed towards Qin Yu's eyes. With a crisp clang, the chains on Qin Yu's body were instantly shattered!

"Brother Qin, you can trust me now, right?"Zhuo Jing said with a faint smile.

Qin Yu looked at the broken chains and hurriedly sat up from the bed.

He stretched his limbs. This feeling of having regained his freedom made Qin Yu let out a long sigh of relief.

"Thank you!"Qin Yu looked at Zhuo Jing and cupped his hands.

Zhuo jing smiled and said, "Brother Qin, you are too kind. If you don't mind, why don't you stay here for the time being? It will be more convenient for me to gather information."

Qin Yu was a little wary at first, but after thinking about it, if Zhuo Jing still wanted to harm him, that treasured sword could easily take his life.

Therefore, Qin Yu smiled and said, "Alright, then I will respectfully comply."

Zhuo jing grunted and said, "Brother Qin, you can rest for now. I will go out to scout for news."

"Alright."Qin Yu agreed.

After saying that, Zhuo Jing turned around and walked out.

This was a rather large family, but in the entire family, there was actually only Zhuo Jing alone. There wasn't even a single servant.

This was completely different from what Qin Yu had imagined of a large aristocratic family.

In truth, Qin Yu didn't believe Zhuo Jing at first. After all, he and Li Yingying were friends.

But he didn't expect that Zhuo Jing was many times stronger than Li Yingying.

Qin Yu walked around the Zhuo family. It had to be said that the Zhuo family's structure was extremely large and grand.

But this wasn't his home after all, so Qin Yu didn't want to go too deep.

In the evening, Zhuo Jing brought food back to the Zhuo family from outside.

"Brother Zhuo, how's the situation?" Qin Yu asked.

Zhuo Jing shook the wine and food in his hand and said, "Shall we talk while eating?"

"Okay," Qin Yu replied.

Thus, he followed Zhuo Jing and came to a pavilion.

The scenery here was pleasant. On one side was a bamboo forest, and on the other side was leisurely spring water.

The breeze blew, and it was quite comfortable.

Zhuo Jing poured a glass of wine for Qin Yu, and the two chatted as they ate.

"Brother Qin, please," Zhuo Jing said as he raised his glass.

Qin Yu didn't stand on ceremony, and the two of them downed the wine in their hands.

"I went out to investigate just now, but the Heavenly Cloud sect didn't seem to make any movements," Zhuo Jing said.

"Oh?" Qin Yu was slightly surprised.

This shouldn't be the case. By right, the Heavenly Cloud sect should be spending a lot of money to control and capture him everywhere.

"Could it be... that he thinks the one who made a move is someone from the Yan Family?" Qin Yu couldn't help but be a little surprised.

It was very possible! The sect master of the Heavenly Cloud sect had been waiting since the beginning, for fear of implicating the entire heavenly cloud sect.

He Teng took the opportunity to take him away, which was very likely to arouse suspicion.

"Regardless of him, at least he is safe for the time being," Qin Yu said with a smile.

Zhuo Jing nodded slightly and said, "That's right. Because of you, the Heavenly Cloud sect has also expended a large amount of manpower and material resources. Perhaps they also want to rest."

"Perhaps." Qin Yu did not explain too much.

"Speaking of which, Brother Qin is really capable. He doesn't have any spiritual energy in his body, yet he was able to defeat the first elder. Such a battle record is really enough to overlook the entire southern province," Zhuo Jing said with a smile.

Qin Yu said with a bitter smile, "That's because I launched a sneak attack. If I didn't launch a sneak attack, I definitely wouldn't be his match."

Zhuo Jing raised his eyebrows and said, "Really? A few days ago, in front of so many people, the great elder couldn't even touch you in the slightest."

Qin Yu sighed and said, "The great elder is seriously injured. The strength that he can display is less than half."

"Brother Qin, you're too modest." Zhuo Jing smiled.

Qin Yu didn't explain further. The two of them chatted casually and talked about their dreams.

Through their conversation, they learned that Zhuo Jing's ambition was also very great. Like Qin Yu, he didn't want to stay in the small South Province at all. Instead, he wanted to go to the Central Province and compete with the geniuses there.

This was also one of the reasons why he didn't care about the Zhuo family at all.

The two of them chatted from dusk until midnight. When the Moon was about to set, Zhuo Jing stood up and said, "Brother Qin, it's getting late. You should go back and rest early."

"Okay." Qin Yu cupped his hands and then returned to his room.

That night, Qin Yu almost didn't fall asleep. All he could think about was how to deal with the current situation.

The Heavenly Cloud sect didn't take any action for the time being, but they would come back sooner or later and attack again at any time.

With the cautious nature of the sect master, he was most likely waiting to see if anyone would warn him in the time to come.

If not, he would attack again.

The next day.

Zhuo Jing brought breakfast to Qin Yu.

“Brother Qin, what are your plans today?”Zhuo Jing asked.

Qin Yu said in a deep voice, “If nothing unexpected happens, I will leave today.”

“Why are you in such a hurry?”Zhuo Jing said with a bit of surprise.

Qin Yu nodded and said, “Time is tight. I can’t afford to delay.”

Zhuo Jing thought for a moment and then guessed, “Brother Qin, are you planning to go to Yang City and continue to look for the Life Energy?”

Hearing Zhuo Jing’s words, Qin Yu said with a bit of surprise, “How do you know?”

Zhuo Jing stroked his beard and smiled. “Everyone in the entire South Province knows that you need the life energy. But I advise you not to go to Yang City.”

“En? Why do you say that?”Qin Yu asked in puzzlement.

Zhuo Jing said in a deep voice, “I’ve heard of that mountain range. It’s said that there are creatures living in it that don’t belong to this world.”

“And once you have too much contact with that creature, it’s very likely that your soul will be taken away.”

“So Scary?”Qin Yu frowned.

“Yes, so I advise you not to go.”Zhuo Jing nodded.

Qin Yu was silent for a moment. He suddenly thought of another way, which was the flying spider in the green rock forest.

“In that case, I won’t go to Yang City for the time being. I’ll go to the Green Rock Forest instead,”said Qin Yu.

Zhuo jing smiled and said, “Brother Qin, if you believe me, you might as well stay here for a few days. I have some fame and connections in the South Province these years. Maybe I can go and ask around.”

Hearing that, Qin Yu immediately cupped his hands and said, “That would be great. Thank you, Brother Zhuo!”

"You're too kind, Brother Qin. Then I won't waste any more time. I'll set off now," said Zhuo Jing.

Qin Yu nodded repeatedly. It had to be said that this kid was quite particular. Not only did he unlock the chains for Qin Yu, but he also helped Qin Yu find clues to the life force.

For the next few days, Qin Yu waited quietly in the Zhuo family, and Zhuo Jing didn't come back for several days.

Qin Yu didn't waste this time. He took advantage of this time to slowly comprehend the sixth level of the Dou character technique.

The eighth day.

Has not appeared Zhuo Jing, finally returned to the Zhuo family.

*Chapter 1422: Chapter 1422, Heavenly Cloud Sect's unforeseen event 1*

Seeing Zhuo Jing return, Qin Yu quickly walked over.

"Brother Zhuo, how is it?" Qin Yu asked with some anticipation.

Zhuo Jing's face, however, revealed a trace of solemnity.

He pulled Qin Yu to sit down, and then said in a deep voice, "I'll tell you some bad news."

"Bad News?" Qin Yu frowned slightly.

Zhuo jingen said, "In these few days, something happened in the Heavenly Cloud sect. The sect master suddenly announced that he would go into closed-door cultivation. The sect will be temporarily handed over to the first elder."

As soon as he said this, Qin Yu's expression immediately became a bit ugly.

In the entire heavenly cloud sect, the person who hated Qin Yu the most was probably the first elder.

If he were to take control of the Heavenly Cloud sect, he would definitely pursue Qin Yu with all his might! It was very likely that he would not care about the consequences!

"Why is he so sudden..." qin yu frowned and muttered softly.

Zhuo jing sneered, "Is there even a need to say that? The sect master of the Heavenly Cloud sect is obviously afraid of the faction behind you, but he had no choice but to attack you, so he simply chose to avoid the limelight."

"If nothing happens, that's naturally for the best. If anything happens, the first elder will take the blame."

Zhuo Jing's analysis had to be said to be very reasonable.

He was in closed-door cultivation at this time, obviously afraid.

Qin Yu's face was gloomy, and for a moment, she didn't know what to do.

"Let's Wait a little longer and see if the first elder makes any moves,"said Qin Yu.

Zhuo Jing shook his head and said, "I advise you not to wait. Once he gives the full order, you won't be able to run away."

Qin Yu looked at Zhuo Jing and said, "Brother Zhuo, do you have any good ideas?"

Zhuo Jing said in a deep voice, "I'll arrange for you to leave the South Province now. Recently, the Heavenly Cloud Sect's vigilance has been relaxed a lot. There should be no problem."

The teleportation array formation wasn't something that ordinary people could afford.

The activation of an array formation required a large number of teleportation stones, and these teleportation stones were extremely precious. It was said that the value of a single teleportation was at least ten million spirit coins, and it was priceless.

Even if you had money, you might not be able to activate the teleportation array formation.

"Brother Qin, we can't afford to waste time. I'll set off now,"Zhuo Jing said in a deep voice.

Qin Yu nodded and said, "Alright. Then you have to be careful."

Zhuo Jing didn't say anything else. He turned around and left the Zhuo family again.

Zhuo Jing only rushed back the next day.

He said with a gloomy face, "We're still a step too late. The Great Elder has already started the operation."

Qin Yu looked at Zhuo Jing and waited for his follow-up.

Zhuo Jing continued, "The great elder has ordered to seal off all the teleportation arrays and to strictly investigate all the people coming and going. All the major cities in the South Province have also been placed under surveillance. Even the vicinity of the divine capital city are all people from the Tianyun sect."

"The great elder is determined to get rid of you this time." Zhuo Jing raised his head and looked at Qin Yu.

Qin Yu looked around and said half-jokingly and half-seriously, "Fortunately, they don't know that I'm hiding here."

However, Zhuo Jing was not as optimistic as Qin Yu. He shook his head and said, "It's not safe here either. You have to leave the South Province immediately."

"As far as I know, the great elder has already sent people to check on anyone who had an affair with you."

As he was speaking, a voice suddenly came from outside.

Zhuo Jing's expression changed slightly. He hurriedly looked at Qin Yu and said, "Quick, go to the cellar and hide!"

Zhuo Jing stretched out his palm and a ray of light lit up.

This ray of light pointed towards a certain direction of the Zhuo family.

Qin Yu did not dare to be negligent and hurriedly shot towards that Ray of light.

After rushing all the way to the cellar, Qin Yu opened the door of the cellar and jumped down.

This cellar was much deeper than he had imagined. When he landed, there was a loud bang.

The surroundings were pitch-black, without any light.

Fortunately, Qin Yu had the desolate divine eyes, so he could see through everything in the darkness.

Outside.

Zhuo Jing released his spiritual sense, covering more than half of the Zhuo family.

Soon, two figures walked over from not far away.

They were two beautiful figures with extraordinary looks. One of them was Li Yingying, whom Qin Yu knew.

“Why are you here?” Seeing Li Yingying, Zhuo Jing was a little surprised.

Li Yingying smiled and said, “What’s wrong? Can’t I Come?”

Zhuo Jing shook his head and said, “No, I’m just a little surprised.”

After saying that, Zhuo Jing brought Li Yingying to the pavilion and sat down.

Because the Zhuo family didn’t have any servants, Zhuo Jing had to do everything himself.

He poured a cup of tea for Li Yingying and said with a smile, “I’m afraid that you have something to do with your sudden visit.”

Li Yingying took a sip of tea, then, she said in a deep voice, “Have you heard about what happened in the Tianyun sect recently? The great elder seemed to have gone crazy. He mobilized almost all the people of the Tianyun sect, as well as all the secret treasures, and vowed to find Qin Yu.”

Zhuo jingen answered, “I just heard about it.”

“We have met him once before. It’s very likely that we will get into trouble.” Li Yingying sighed.

Then, she said with some hidden bitterness, “I thought this Qin Yu was a promising talent with a limitless future. Who knew that he was an idiot? Because of him, we got into trouble. As expected, geniuses are easily killed.”

*Chapter 1423: Chapter 1423: Danger and opportunity coexist*

There was a hint of regret in Li Yingying’s tone, but the sarcasm on her face was not hidden.

“Yingying, it’s not easy to find someone who is sincere to you like this,” Zhuo Jing said with a smile.

Li Yingying said sarcastically, “Sincere? What do you mean by ‘sincere’? I, Li Yingying, am considered top-notch in the south province regardless of my talent or family background, right? Don’t tell me you want me to find a Lowlife?”

Zhuo Jing didn’t seem to want to argue with her on this issue, so he changed the topic and said, “Well, it has nothing to do with US anyway.”

Li Yingying hummed in acknowledgment and continued, "By the way, I'm planning to go into closed-door cultivation recently. I happen to be short of a few medicinal herbs, so I'll borrow a few from you for the time being."

"Your medicinal herbs are still in the cellar, right?" After saying that, Li Yingying got up and walked toward the cellar.

Zhuo Jing hurriedly pulled Li Yingying and said with a smile, "I'll send them to you another day."

Li Yingying said suspiciously, "I can go and get them myself. Why bother?"

Zhuo Jing shook his head repeatedly and said, "I'll send them to you another day."

Li Yingying looked Zhuo Jing up and down and said jokingly, "What? Are you hiding a woman in your cellar?"

Zhuo Jing gave a wry smile and said, "Alright, I just ordered food. Let's eat something first."

Li Yingying spread her hands and said, "Alright then. Remember to send it to me. I'll list the names for you later."

"Okay." Zhuo Jing couldn't help but feel relieved.

...

In the cellar.

Qin Yu's eyes swept around.

He was surprised to find that there were a lot of treasures hidden in this huge cellar.

Not only were there countless spirit coins, money cards, medicinal herbs, but there were also many top-notch magic treasures.

For a moment, even Qin Yu was dazzled by the dazzling array of treasures. He was dumbstruck.

"So many treasures... just what is the background of this Zhuo Family?" Qin Yu couldn't help but swallow his saliva.

The treasures that Zhuo Jing possessed far exceeded Qin Yu's imagination.

Most importantly, heaven knew if this was the tip of the iceberg.

Zhuo Jing's father was at the return to void stage when he was alive. Presumably, he was once an extremely glorious family.

Such a family naturally left behind an uncountable amount of power.

Perhaps it was because of this reason that Zhuo Jing was able to keep so many treasures.

"It's a pity that there's no life qi." Qin Yu sighed.

If he had obtained life qi, he wouldn't have to hide like this.

Speaking of which, Zhuo Jing was quite ambitious. He actually allowed Qin Yu to hide in such a place. Wasn't he afraid that Qin Yu would take the opportunity to steal all the treasures?

Qin Yu shook his head helplessly. He took a deep breath and could feel the abundant spiritual energy coming from the surroundings.

This couldn't help but make Qin Yu feel a trace of yearning.

Time flew by and the sky gradually darkened.

Li Yingying, who had eaten and drunk her fill, finally left this place.

Zhuo Jing came to the cellar. He raised his hand and murmured in a low voice, and a mark immediately condensed in front of him.

As the mark fell, the entrance of the cellar slowly opened.

"Brother Qin, come out," Zhuo Jing said to Qin Yu.

Qin Yu grunted in gratitude. His feet shook, and he jumped out of the cellar.

"Brother Zhuo, thank you for taking me in during this period of time. I plan to leave for the time being," Qin Yu said to Zhuo Jing.

Zhuo Jing frowned slightly and said, "Brother Qin, why are you doing this? Although my place isn't a long-term place, I shouldn't be able to find this place for a while. Brother Qin, you can stay for a few more days so that I can think of a way for you."

Qin Yu smiled bitterly and said, "There's no need, brother Zhuo. I've troubled you during this period of time. I Can't continue to drag you down."

"I heard your conversation with Li Yingying just now, so... I'd better leave."

Zhuo Jing smiled bitterly and said, "Brother Qin, you're thinking too much. Give me a few days, I can think of a way."

Although Zhuo Jing urged him to stay, Qin Yu still insisted on leaving.

Seeing this, Zhuo Jing could only nod and agree.

"Brother Qin, where do you plan to go when you leave the Zhuo Family?" Zhuo Jing asked.

Qin Yu said in a deep voice, "Go to the Green Rock Forest. It's safer for me there."

Zhuo Jing nodded and said, "The Green Rock Forest is a place where danger and opportunity coexist. If you're lucky, you might be able to find the life force you want."

Qin Yu nodded and said, "I used to work for the hunter organization. I have some experience."

Zhuo Jing smiled and said, "Besides the hunter organization, many unspecialized people also go to the green rock forest together. I've been there once."

At this point, Zhuo Jing waved his hand and said, "Forget it, let's not talk about this. Brother Qin, just be careful. If I have any good news, I will definitely tell you."

"Many thanks." Qin Yu bowed and said.

Just as Qin Yu was about to leave, Zhuo Jing suddenly called out to Qin Yu.

He quickly caught up, and then took out a token from the spatial god tool.

"Brother Qin, as long as you crush this token, I will sense your location. Similarly, if I crush the token in my hand, you will also know my location," Zhuo Jing said.

"If I have any news, I will crush the token immediately. At that time, you will also crush the token in your hand, and I will find you according to your location."

*Chapter 1424: Chapter 1,424 "A legend" Xiao Hai 1*

Zhuo Jing was extremely kind to Qin Yu, so Qin Yu was naturally very grateful.

He put away the token, bowed, and said, "Brother Zhuo, I will always remember this favor."

After saying goodbye to Zhuo Jing, Qin Yu took advantage of the night to rush to the Qingyan Forest.

Along the way, Qin Yu saw countless border guards looking for him.

Fortunately, Qin Yu's movement technique was agile. In addition, the Heavenly Cloud sect didn't have that many people, so Qin Yu successfully browsed through the cities.

"I can't go to any of the cities," Qin Yu said coldly.

Every city had a border guard. Once one entered, it would be very difficult to come out.

Along the way, Qin Yu rushed towards Qingyan Forest on foot.

After traveling for a few days, he was still not far from Qingyan Forest.

One day, while Qin Yu was on his way, he suddenly noticed several figures in the sky. A powerful aura was spreading over.

And below, there were many people gathered here. They raised their heads and stared at this scene.

Qin Yu originally didn't want to join in the fun, but his curiosity got the better of him. In addition to being physically and mentally exhausted, he took the opportunity to rest.

Therefore, Qin Yu found a place far away from the crowd and sat down.

He raised his head to look at the sky and saw a tall man standing in front of three people.

This man was wearing a mask, so his face couldn't be seen clearly. Although he had restrained his aura, he could still feel the incomparable temperament on his body.

The three people in front of him were even more powerful. Their bodies were emitting extremely powerful fluctuations, and the space around them was falling off.

"There are still such powerful people in the South Prefecture." Qin Yu couldn't help but feel somewhat astonished when he saw this.

The strength of these three people was most likely at the late stage of the major power realm. Even if they were compared to the first elder, they weren't the slightest bit inferior.

"The South Prefecture isn't a place you should come to. You are burning, killing, and plundering in the South Prefecture. Do you think there are no people in the South Prefecture?" The masked man coldly said.

When the three people heard this, they couldn't help but sneer. "Everyone is doing this for survival. Don't make yourself sound so noble."

"If you leave now, I might spare your lives," the masked man said in a deep voice.

"Hahahaha, what a shameless boast! Let alone a small southern region, even in the entire Li region, the three of us have never been afraid of anyone!" The other party shouted.

"Today, I will let you see the abilities of the three of Us Brothers!"

After the loud shout, the great battle erupted in an instant!

A terrifying and shocking radiance surged from the three of them. That radiance was like a full moon as it surged in all directions.

The spectators below immediately felt an intense pressure. Some even knelt on the ground on the spot, their bodies cracking as they vomited blood

When Qin Yu saw this, he could not help but turn pale with fright!

Such a terrifying aura surged. It was likely not inferior to that of the first elder. In fact, it was even a few times stronger!

At this moment, the masked man made his move. He raised his left hand to protect the people below. His right hand turned into a hand knife as he slashed towards the ray of light.

At the moment of contact, the sky turned into a vast expanse of white.

In a short moment, the three people fell out of the void and spat out blood continuously!

On the other hand, the masked man was actually unharmed. He was still standing in mid-air, looking coldly at the three people.

The three of them naturally would not sit still and wait for death. They gathered their strength and charged forward once again.

For a moment, the sky was filled with explosions. The masked man was fighting against three of them by himself. He was not at a disadvantage at all. In fact, he was suppressing the three of them by one head!

The three of them looked extremely pathetic, while the masked man appeared calm and collected.

The more Qin Yu looked at him, the more shocked he became. Just who was this masked man? He actually had such ability?

"This person's ability is probably not inferior to Wen wanye or even peerless dance," Qin Yu thought to himself.

To be able to fight against three experts so easily, it was enough to prove that his strength was far above these three people!

The Closer Qin Yu Got, the closer he got. Soon, he arrived among the crowd of onlookers.

"Who are those people?" Qin Yu patted the person beside him and asked.

The man beside him glanced at Qin Yu and said, "I don't know where those three people came from. They burned, killed, plundered, and killed countless people. They are first-class evildoers."

Qin Yu nodded and continued to ask, "What about the one wearing the mask? His ability seems to be extraordinary."

Hearing this, the man said with some surprise, "You don't Even Know Him? He is the famous legend of the southern region, Xiao Hai."

"He is Xiao Hai? Xiao Hai from the legend of the three lunatics and three unique?" Qin Yu couldn't help but be shocked.

He didn't expect to meet Xiao Hai Here!

"Yes, Xiao Hai has been looking for the three of them for a long time. I finally met them here today." The man nodded.

Then, the man suddenly noticed Qin Yu's appearance.

He frowned and said, "Why do you look a little familiar..."

Qin Yu quickly turned her face to the side and said, "I have a common face. It's normal to look familiar."

Just as the man was about to continue asking, the three people fell from the air and crashed into the ground!

Before the crowd could react, Xiao Hai had already slapped down a huge palm from the air.

*Chapter 1425: Chapter 1,425, working for the Heavenly Cloud Sect? 1*

That palm arrived in an instant, giving no time for anyone to think.

Just as the three of them were about to stand up, they were smashed into meat paste, unable to even send out their spiritual senses.

The people on the side all clapped and cheered, while Qin Yu's heart was filled with shock!

What kind of method was this! Facing three existences that were even stronger than the first elder, he killed them in an instant!

"This Xiao Hai is probably even stronger than Jue Wu!" Qin Yu was secretly shocked in her heart.

As expected of being called a legend, his strength was indeed not to be underestimated!

With this kind of strength, it was probably enough to contend against the Tianyun sect!

"You deserve to die." Xiao Hai looked at the three corpses and said coldly.

Then, he extended his palm, and a ray of light fell on the three people's bodies.

The bodies of the three people instantly disappeared without a trace.

"Thank you, master Xiao Hai, for saving us!" Someone wanted to kneel down, but was supported by Xiao Hai's spiritual energy.

He looked at the crowd, and the cold aura disappeared, replaced by an indescribable warmth, as if he was the neighbor next door.

He cupped his hands to the crowd and said, "This is what I should do, no need to be polite."

Looking at Xiao Hai fighting with everyone, Qin Yu couldn't help but be secretly shocked.

What kind of person was this? Not only did he have extraordinary abilities, but he also had a mentality that ordinary people couldn't compare to.

It was likely that this person's strength was even stronger than imagined.

"Why is this Xiao Hai wearing a mask?" Qin Yu asked the person beside him.

"How would I know? Anyway, since he came to the South Province, he has always been wearing a mask. Wherever there are people who oppress the common people, there will be traces of hero Xiao Hai!" The other party laughed.

Qin Yu grunted in gratitude. Towards such a hero, Qin Yu naturally had some admiration in her heart.

It was not an exaggeration to say that which man had not thought of becoming a hero who saved the suffering and saved the suffering.

Qin Yu did not stay any longer. Although she really wanted to go over and say hello to Xiao Hai, her identity was still sensitive, so in the end, she still chose to continue moving forward.

There was still some distance to Qingyan Forest from here.

Just as Zhuo Jing had said, there were many people who went to Qingyan Forest.

A few dozen stars away from Qingyan Forest, there were relay stations, tea houses, and other places.

Many people were drinking tea and chatting in the tea house. Among these people, there were young people dressed in beautiful clothes, and there were also strong men dressed in ragged clothes.

These young people were mostly young masters from aristocratic families who came here to train.

As for those strong men, they were mostly here to earn a living.

Qin Yu found a teahouse and ordered a cup of tea. He also intended to take a break.

He deliberately found a relatively quiet teahouse and sat down to avoid being recognized.

However, not long after Qin Yu sat down, there was a commotion outside.

He turned his head and saw a man wearing a mask walking in.

This man was none other than Xiao Hai.

His appearance naturally attracted countless people.

Qin Yu frowned slightly. He immediately put the money on the table and planned to leave.

But at this moment, Xiao Hai discovered Qin Yu.

He sized up Qin Yu and said, "Little brother, we meet again."

Qin Yu was shocked. He immediately cupped his hands to Xiao Hai and said, "Greetings, hero Xiao."

Xiao Hai raised his hand to Pat Qin Yu's shoulder and said, "Since we can meet, it must be fate. Shall we sit down and have a drink together?"

Qin Yu sighed slightly in her heart.

It was very obvious that this Xiao Hai had recognized her and heard about the matter between her and the Heavenly Cloud sect. Otherwise, how could he remember it after just one meeting.

"Then I will respectfully accept your request." Qin Yu bowed and immediately sat at Xiao Hai's side.

Whether it was a blessing or a curse, he could not avoid it. Qin Yu did not think too much about it.

After all, facing someone like Xiao Hai, even if Qin Yu had great abilities, he would not be able to escape.

Thinking of this, Qin Yu let go of his guard.

He took the initiative to ask, "Hero Xiao, who were those three people just now?"

Hearing this, Xiao Hai could not help but sigh and said, "Most likely they came from the north."

"The northern lands?" Qin Yu frowned. "The northern lands are very far from the southern region. How did they come here?"

Xiao Hai said, "People like them most likely committed important crimes in the northern lands and moved around to commit crimes. That's why they came to the Southern Region."

"Of course, I can't guarantee that they were not sent by the Master of the Northern Lands."

Qin Yu said in a deep voice, "Aren't the southern region and the northern lands supposed to stay out of each other's Way?"

"No, you're wrong." Xiao Hai shook his head. "On the surface, it looks like that, but in reality, there are endless conflicts in the dark. Everyone wants to annex each other."

“But... between the southern prefecture and the northern lands, there should also be obstructions, right? Just like the Southern Prefecture and the western ridge,”Qin Yu guessed.

Xiao Hai smiled and said, “You know quite a lot. That’s right. There are also obstructions between the southern prefecture and the northern lands, but it is said that the obstructions between the five regions over the years are slowly becoming smaller. Sooner or later, they will completely overlap.”

“When that time comes, I’m afraid that no one other than the Thunder Academy will be able to escape,”Xiao Hai said.

Qin Yu suddenly came to a realization. This concept was quite similar to the concept of a country on earth.

“In that case... you are considered to be working for the Heavenly Cloud Sect?”Qin Yu suddenly came back to her senses.

*Chapter 1426: Chapter 1,426, re-entering Qingyan Forest 1*

Xiao Hai was stunned for a moment before he laughed out loud, “You think I’m working for the Heavenly Cloud Sect?”

Qin Yu said, “Isn’t the Heavenly Cloud sect in charge of the Southern Region Now? If you help them get rid of the foreign lands, isn’t that the same as working for the Heavenly Cloud Sect?”

Xiao Hai shook his head and said, “You’re wrong. Regardless of whether it’s a war between sects or changes between regions, the ones who suffer are the lowest level cultivators and ordinary people.”

“Therefore, we must try our best to put an end to this kind of great war.”

Qin Yu said in a deep voice, “This is the golden age, and there are endless geniuses emerging. A Great War is inevitable.”

“Then let this day come a little later,”said Xiao Hai.

Qin Yu nodded. He understood Xiao Hai’s good intentions.

As long as he didn’t work for the Heavenly Cloud sect, it was good. At least he wouldn’t threaten his own safety.

As for what would happen in the future, no one could pry.

“Little brother, are you preparing to go to the Qingyan Forest?”Xiao Hai asked.

Qin Yu grunted and said, "I want to find something."

Xiao Hai did not ask further. He only patted Qin Yu's shoulder and said, "If you need help, just let me know."

Although that was the case, Qin Yu had never liked to ask for help, so he just cupped his hands and said, "Thank you very much, senior Xiao Hai."

The group of people drank tea and ate some food before setting off.

They were not far from Qingyan Forest, only about ten stars away.

In the evening, Qin Yu rushed to the vicinity of Qingyan Forest.

As Zhuo Jing had said, there were more people gathered here than expected.

Many young people formed groups and stood there discussing something.

There were also some people waiting nearby to gather people and head to the Qingyan Forest together.

Qin Yu found a spot and looked at the Qingyan Forest.

It was pitch black and in the evening, it seemed even darker and more mysterious.

Many unspecialized people gathered nearby. When their gazes fell on Qin Yu, they shook their heads.

Obviously, even if they were gathering their men, they still needed strong teammates.

People like Qin Yu, who didn't have any spiritual energy fluctuation in his body, were naturally not welcome.

This group of people had gathered here and didn't have the slightest intention of stepping into the Green Rock Forest.

Qin Yu was somewhat puzzled. He casually walked toward an unspecialized character and said, "What are you all waiting for? Why haven't you set off yet?"

The unspecialized glanced at Qin Yu and said, "The sky is about to turn dark. Entering the Green Rock Forest at night is an extremely dangerous thing. Everyone is waiting for the morning."

Qin Yu said in surprise, "The Green Rock Forest at night is especially dangerous? Why didn't I know about it?"

"I think it's your first time here, right?" The unspecialized sized up Qin Yu and then said, "Even the hunter organization will try to avoid entering the green rock forest at night, let alone us."

Qin Yu was even more surprised. He had been in the Hunter Organization for a long time, but he had never heard of this rule.

However, Guan Zhuang had said before that the green rock forest was extremely large, and they were only in a small area.

Perhaps this place was different from the hunter organization that Qin Yu had stayed in before.

For the sake of safety, Qin Yu decided to wait until dawn tomorrow before setting out, in case something unexpected happened at this time.

As night fell, the surroundings became much colder.

In the Green Rock Forest, the roars of demonic beasts could be heard from time to time, and even the sound of the earth shattering could be heard.

Such a commotion could not help but attract the attention of many people.

Qin Yu could not help but look into the depths of the Green Rock Forest. He activated the desolate God's eye and looked straight into the green rock forest.

Under the gaze of the desolate God's eye, these demonic beasts in the darkness had nowhere to hide.

Just as the itinerant cultivator had said, the demonic beasts in the darkness appeared even more manic, and the fluctuations of their auras were even more terrifying.

"It seems that this place is somewhat different from Guan Zhuang's place," Qin Yu thought to himself.

The Green Rock Forest was too big. It covered almost the entire holy region's surroundings. No one knew what was hidden in the depths of the Green Rock Forest.

Since he wasn't going, Qin Yu decided to find a place to rest.

At this moment, a male cultivator walked over from not far away.

He patted Qin Yu's shoulder and said, "Friend, are you alone too?"

Qin Yu glanced at him and nodded. "Yes, What's Wrong?"

The cultivator smiled and said, "I don't think you're very strong. It's dangerous to enter the green rock forest alone. Why Don't you come with us? We can take care of each other."

Qin Yu opened his mouth and was about to refuse when a few people walked over.

"Look, this is our team," said the cultivator.

Qin Yu took a look and found that there were only four people in this so-called team. Moreover, they were not very strong, and their auras were quite ordinary.

"What... are your cultivations?" Qin Yu tried to ask.

The young man said, "We are all in the nascent soul realm. I'm the initiator, and also the strongest person in our team. Now, I've already stepped into the peak of the nascent Soul Realm."

"Peak of the nascent Soul Realm..." Qin Yu murmured in a low voice.

"With your cultivations, isn't the risk of entering the Green Rock Forest Too Great?" Qin Yu frowned and said.

The young man smiled and said, "Everyone is trying to make a living. Aren't you the same?"

*Chapter 1427: Chapter 1,427, different teams 1*

Qin Yu opened his mouth but didn't know how to refute.

He thought for a moment and said, "Alright then, I'll join you."

The young man's face flashed with joy and he quickly said, "I'm Liao Ya, nicknamed Fang Ya. What About You?"

"Yu Qin." Qin Yu randomly made up a name.

Fang ya smiled and said, "Okay, Yu Qin, Welcome to join us!"

Qin Yu thought to himself, "I'll just take it as doing a good deed. I don't have anywhere else to go now anyway."

This time, Qin Yu had only one goal in entering the green rock forest, and that was the flying spider.

As long as he could find the flying spider, there was a chance of obtaining its life force.

As for whether he could find the flying spider, Qin Yu was not confident.

There were at least dozens of small groups nearby. Some of them were equipped with luxurious equipment. Not only did they have the servants of their clans, but they also had extraordinary magical artifacts.

There were also some people who did not have anything and relied on their luck to risk their lives.

“Do you often enter the Green Rock Forest?” Qin Yu asked Fang.

Fang grunted and said, “Basically, I enter a few times a year.”

“Then why didn’t you choose to join the hunter organization? Isn’t that safer?” Qin Yu asked suspiciously.

Fang fang sighed and said, “I tried, but I didn’t pass the Hunter organization’s examination, so I could only go out and do it alone.”

Qin Yu was full of gratitude. This made sense. Qin Yu had experienced the hunter organization’s examination. He had killed a top-tier demon beast to prove himself before he had the chance to join.

With Fang Fang’s ability, it would be very difficult for him to pass the assessment.

As the night grew deeper, some powerful teams reached an agreement after a night of negotiations.

As for small teams like Fang Fang and the others, no one paid any attention to them. To be able to gather five people was already the limit.

That night, Qin Yu lay on the ground, not feeling sleepy at all.

All he could think about was how to get the life force as soon as possible.

Before he came to the Holy Region, Qin Yu had never thought that the vital energy would be so rare.

In the blink of an eye, he had been in the holy region for several months, but Qin Yu’s cultivation had not improved at all.

Even he Teng’s strength had obviously increased, but Qin Yu’s cultivation had stopped.

“If I meet Chang Mang and the others again, I’m afraid I’ll be left behind by a large margin.” Qin Yu couldn’t help but sigh.

He didn't know what kind of realm that batch of geniuses from Earth had stepped into.

...

The next day.

The Sky had just brightened when the people heading to Qingyan Forest started to take action.

"Yu Qin, hurry up and get up. We have to set off too." Fang ya urged.

Qin Yu slowly got up from the ground. He stretched and said, "Let's go."

Fang ya nodded and led Qin Yu and the others toward the Green Rock Forest.

At this time, many people had already stepped into the green rock forest. Qin Yu and the others were just an inconspicuous group of people in this tide.

"Yu Qin, this is your first time entering the Green Rock Forest. You have to listen to my arrangements later. Otherwise, I can't guarantee your safety," Fang ya reminded Qin Yu along the way.

Qin Yu didn't say much and only nodded in agreement.

Soon, the group of people had already entered Qingyan Forest.

Qingyan forest was extremely huge. After walking for a short while, the group of people disappeared from sight. The surroundings gradually became cold, and Fang Ya's expression also gradually became nervous.

Qin Yu seemed to be fine. He crossed his arms behind his head and hummed a little tune.

Fang Fang frowned when he saw Qin Yu's relaxed expression, but he didn't say anything.

As they went deeper into the green rock forest, the aura around them gradually became a little cold.

In the dark, the low growls of wild beasts could be heard from time to time.

This made Fang Fang and the others' faces change drastically, and their hair stood on end.

Their footsteps gradually slowed down.

Fangya nervously looked around, and cold sweat continuously broke out on his forehead!

“Be careful!” At this moment, Fangya suddenly cried out in alarm.

One after another, scarlet and ice-cold gazes were fixed on Qin Yu and the others in the dark.

Fangya hurriedly took out a knife and handed it to Qin Yu.

“Yu Qin, be careful!” Fangya said nervously.

Soon, a figure slowly walked out from the darkness.

It was a dozen or so huge wolves. Their fur was like steel, standing upright and bone-chilling.

A low growl echoed in everyone’s ears, as if to warn them.

“Roar!”

Accompanied by an angry roar, the dozen or so wolves immediately pounced on everyone!

Fang Fang and the others did not dare to be negligent. They held sharp blades in their hands and started to fight with the wolves.

Qin Yu grabbed the long blades in his hands and also went up to meet them.

Fortunately, the strength of these wolf pack wasn’t considered strong. Under the joint efforts of the few of them, it didn’t take long for the dozen or so wolves to all be beheaded.

The pungent smell of blood permeated the surroundings. Fang Fang and the others’ bodies were stained with blood.

They surrounded the corpses of these few wolves and examined them, but didn’t find any treasures.

“What a pity.” Someone Sighed.

Fang Fang said in a deep voice, “This is the lowest grade demonic beast. Otherwise, we would not have been able to deal with it so easily.”

After saying that, Fang Fang looked at Qin Yu and smiled, “Yu Qin, this is your first time hunting. How Do You Feel?”

*Chapter 1428: Chapter 1,428, Vajra Ant 1*

Qin Yu smiled and said, "I feel alright. It's quite exciting."

Fang Fang patted Qin Yu's shoulder and laughed out loud, "Not bad. When I first entered the Green Rock Forest, I was not as relaxed as you. Your mentality is really not something an ordinary person can compare to."

"Yu Qin, don't underestimate this Green Rock Forest. These few wolves are just appetizers," someone beside him added.

Qin Yu grunted and took this opportunity to ask, "Guys, have you heard of the Flying Spider?"

"Flying Spider?" The few of them looked at each other and shook their heads. "I've never heard of this name."

Qin Yu sighed slightly.

Sure enough, it was not so easy to find a demon beast that had life energy.

Then, the group continued to walk into the depths of the green rock forest.

They also had a map in their hands. As for the borders of the Green Rock Forest, they were extremely secretive, afraid that they would accidentally enter the restricted area.

At this moment, Fang, who was not stopping, suddenly stopped in his tracks.

He looked ahead, his eyes flashing with excitement.

Qin Yu frowned slightly. He activated his desolate god eyes and looked ahead.

He saw an extremely huge demonic beast in front of him. This demonic beast was like an enlarged version of an ant. The black glow on its body was as if it was plated with a layer of armor.

On that arm, there were barbs that were as sharp as blades. The teeth that were exposed were as tough as black steel.

"Brothers, we have encountered a treasure." Fang Fang licked his lips and said with some excitement.

"This beast is called the Diamond Ant. It is said that the entire body of the diamond ant is filled with treasures. Its blood can be used for medicine, and its armor can be used to refine weapons. Most importantly, its inner core. It is said that its inner core is the main ingredient for refining power-storing pills! The price is extremely expensive!"

After hearing Fang Fang's words, the expressions of the other people also became somewhat excited.

"It seems that this trip was not in vain. I really didn't expect to encounter such a demonic beast the moment I entered Qingyan Forest," someone said from the side.

Fang Fang nodded slightly, and then he said in a deep voice, "But don't be happy too early. This beast is extremely ferocious. It's best to be careful."

The few of them hummed in gratitude. They clearly had many team experiences, so they quickly got into position.

Qin Yu looked at the diamond ant, but his eyes didn't show much emotion.

Although the diamond ant was indeed extraordinary, it was nothing compared to the Demon Beasts Qin Yu met.

"It's really strange. These demon beasts are at least in the nascent soul stage, but they don't have any intelligence," Qin Yu said in a low voice.

This kind of situation could only be seen in the green rock forest.

If it were an ordinary demon beast, it would have a mind that was no weaker than a human being when it stepped into the nascent soul stage.

"Hiss!"

At this moment, the diamond ant moved!

Its target was not Qin Yu, but Fang!

Fang's face changed slightly. He took out his treasured blade and dashed backward in a hurry.

His black feet, which were as sharp as blades, stabbed into the ground fiercely and then continued slashing toward Fang!

A long line of marks was immediately drawn on the ground. The extremely fast speed made Fang look extremely miserable.

Just as the black foot was about to land on his body, Fang pulled out his treasured blade and fiercely met it.

The enormous force directly forced Fang back dozens of steps!

"Quick, hurry up and make your move!" Fang shouted anxiously.

The other three didn't dare to delay. As if they had come up with a plan, one of them took out a long hammer and threw it at the Diamond Ant!

"Dang!"

The long hammer hit the outer shell of the diamond ant and immediately produced a deafening sound!

The diamond ant that had suffered this blow was instantly enraged. It turned around and charged towards the attacker!

"Swoosh!"

In almost an instant, the vajra ant had already arrived in front of it. Its thick and strong legs lashed out fiercely!

"Bang!"

This blow was extremely powerful and directly sent it flying!

Fortunately, the sharp blade on its black feet did not cut its body. Otherwise, the attacker's body would have been torn into two halves!

Faced with the crazed vajra ant, Fang Fang's expression turned somewhat ugly.

The four of them struggled to face the diamond ant, looking extremely pathetic.

Whether it was the treasured blade in Fang Fang's hand, or the long hammers and broad axes of the other three, none of them could break through the Diamond Ant's defense!

"No, this Beast's shell is too hard. With the weapons in our hands, we can't hurt him at all!" Fang Fang said coldly.

"If this goes on, we won't be able to do anything to him even if we run out of spiritual power. At that time, we'll probably become his abdomen!"

Thinking of this, Fang Fang made a prompt decision and said coldly, "We'll think of a way to tie him up and find an opportunity to pierce through his lower abdomen."

Then, Fang Fang flipped his palm and a few black chains fell into his hand.

He grabbed the chains, and then suddenly rushed toward the diamond ant.

"Come on, Beast, I'm Here!" Fang roared. He swung the chains in his hand and rushed toward the diamond ant at an extremely fast speed.

But the diamond ant would not sit still and wait for death. He waved his black feet and slashed toward Fang.

Fang hurriedly turned his body, and the black feet brushed past his forehead and flew over.

“Bang!” Before Fang Fang could react, another black foot had already slapped his back.

Qin Yu, who had been watching the battle, could not help but frown.

If this continued, Fang Fang would probably die here.

Thinking of this, Qin Yu no longer watched. He immediately walked towards the Vajra Ant.

*Chapter 1429: Chapter 1,429, seizing by force! 1*

The Diamond Ant’s slap was so powerful that it instantly sent the fang flying.

Qin Yu knew something was wrong and quickly rushed towards the Fang.

However, at this moment, the Fang stood up again despite the injuries on its body and rushed towards the diamond ant.

The diamond ant seemed to have been angered by the Fang’s action. Its black feet pierced straight into the Fang’s chest!

Fang roared. He did not Dodge or Dodge. Instead, he charged straight at the Diamond Ant’s black feet!

Unsurprisingly, the black feet instantly pierced through Fang’s chest! However, Fang also took this opportunity to throw the hammer directly onto the Diamond Ant’s body!

“Ah! !”

Fang roared angrily. His muscles tensed up as he exerted his strength to the maximum.

In the next second, Fang swung his long hammer and threw the diamond ant to the ground!

“Quick, stab his abdomen!” Fang shouted desperately, ignoring the blood that was flowing out of his body!

Second Brother and the others did not dare to be negligent after hearing this angry roar. They quickly pulled out their sharp blades and stabbed at the diamond ant!

Although the diamond ant was covered in steel-like armor, his abdomen was extremely soft!

At this moment, the diamond ant was struggling desperately while the others were already approaching with sharp blades in their hands!

Qin Yu could not help but sigh as he watched from the side. The cruelty of the cultivation world was beyond imagination. If ordinary people wanted to survive, which one of them would not risk their lives?

“Fortunately, they succeeded,” Qin Yu thought to himself.

He took a step forward, intending to treat Fang’s injuries.

However, at this moment, a sharp blade cut through the sky and instantly cut the diamond ant’s body into two!

Blood gushed out and the Diamond Ant’s body was split into two. Its life force stopped abruptly.

Second Brother and the others stood there with their mouths Agape.

They held sharp blades in their hands and didn’t know what to do for a moment.

“Diamond Ant, this body is full of treasures.”

At this moment, a young man dressed in embroidered clothes and jade robes slowly walked out from the darkness.

He held a treasure sword in his hand and a faint smile hung on his face.

Qin Yu looked at the young man coldly and instantly frowned.

He walked directly in the direction of the Diamond Ant and then reached out his hand to take out the diamond ant’s inner core.

“That’s right, it’s this thing,” the young man said indifferently.

His attitude of ignoring others made Qin Yu very angry.

After taking away the inner core, the young man turned around and intended to leave.

At this time, Qin Yu took a step forward and blocked his way.

The young man glanced at Qin Yu and said, “What’s the matter?”

Qin Yu said in a cold voice, "You took someone else's thing openly, and you are still so righteous?"

"Oh? Someone Else's things?"The young man raised his eyebrows.

He glanced at the inner core in his hand and sneered, "Are you talking about this?"

"Stop pretending to be ignorant,"Qin Yu said coldly.

The young man laughed loudly and said, "When did this thing become yours? Didn't I kill that Diamond Ant?"

"You killed it? They were clearly about to succeed, but you stole the fruit at this time. Do you still have any face?"Qin Yu said while holding back his anger.

The young man glanced at Fangya and the others, then, he said sarcastically, "How can you trash kill the Diamond Ant? If it weren't for my appearance, you would have died. I saved your lives. You should be grateful."

"Bullsh \* T!"Qin Yu was instantly furious!

Fangya and the others had almost risked their lives to kill the diamond ant, but now, the fruit was stolen by someone else. How Could Qin Yu Bear This!

The young man laughed loudly and said, "You want it, right? Fine, kneel down and beg me, and I'll give it to you. How about it?"

Qin Yu's expression became colder and colder, and she couldn't help but clench her fists.

"I'll tell you. This thing is dispensable to me, but not to you guys,"the young man said sinisterly.

"Kid, do you know that I especially like to see your begging expressions? hahahaha!"

Qin Yu couldn't hold it in any longer. Just as he was about to make a move to look directly at them, Fang Fang, who was not far away, waved his hand and said, "Yu Qin, forget it..."

"Forget it?"Qin Yu's expression changed slightly.

Fang Fang supported his body and walked toward Qin Yu and Fang Fang.

He cupped his hands towards the young man and said, "I'm sorry, Young Master Mo. . The thing originally belonged to you. Thank you for saving our lives..."

The young man who was called Young Master Mo raised his eyebrows and said with interest, "So you know me?"

"Who wouldn't know that you, Young Master Mo..." Fang smiled bitterly.

Young Master Mo Glanced at Qin Yu and said indifferently, "Kid, did you hear that? Today, this young master is in a good mood, so I'll spare your lives. If you dare to talk nonsense with me again, I'll send you to see that diamond ant immediately!"

"You..."

"Forget it!"

Qin Yu wanted to say something, but Fang Fang grabbed him tightly.

Young Master Mo snorted lightly. His body shook and he disappeared into the horizon in an instant.

Looking at his departing figure, Qin Yu felt an indescribable anger in his heart.

Fang Fang and the others almost lost their lives for this diamond ant. Now, not only did they not get anything, but they also had to lower their heads to others!

Qin Yu's chest kept heaving up and down. He took a deep breath, then looked at Fang Fang and said, "I'm sorry. This is my fault. If I had acted earlier, such a thing would not have happened."

Fang Fang waved his hand and said, "This is your first time entering Qingyan Forest. It's already good enough that you're not scared. What has it got to do with you? Just blame us for not having the ability and being bullied by these powerful people."

*Chapter 1430: Chapter 1,430, each according to his own ability*

Hearing Fang Fang's words, Qin Yu felt very uncomfortable.

If he had attacked just now, young master Mo would not have had the chance to snatch it, and Fang Fang and the others would not have been injured.

However, Qin Yu was even more clear in her heart that the root cause was still the existence of people like Young Master Mo. .

They were used to bullying the lower class and treated human lives like grass. They were the initiators.

"Fang Fang, don't worry. I will definitely seek justice for you," Qin Yu said coldly.

Fang Fang naturally didn't take Qin Yu's words to heart. In his opinion, Qin Yu was just a newbie. He was just scared silly by the diamond ants just now.

"How are your injuries?" Qin Yu looked at Fang Fang and asked.

Fang Fang waved his hand. He took out the golden sore medicine and sprinkled it on his own wound.

"It's fine now. Such a small injury isn't worth mentioning," Fang Fang said.

Qin Yu asked in a deep voice, "What's Young Master Mo's background?"

Fang Fang laughed bitterly and said, "The Mo family's person is called Mo Rong. It's said that his talent is outstanding. At the age of nineteen, he has already stepped into the nascent soul stage. At the age of twenty-four, he is already an almighty cultivator."

"It's said that in the South Province, he can be ranked in the top ten among the younger generation," the person beside him also said.

Qin Yu couldn't help but sneer in his heart. So what if he was ranked in the top ten? Ling Yun, who was ranked first, wasn't even worth mentioning, let alone this Bullsh \* t young master Mo. ?

After that, Qin Yu smiled and said, "Then let's go. I'll lead the way this time."

"You'll lead the way?" Fang Fang couldn't help but laugh. He patted Qin Yu's shoulder and said, "Alright, Don't blame yourself. This has nothing to do with you. This kind of thing often happens."

Qin Yu did not say anything. He closed his eyes slightly and planned to deduce the Heaven's secrets. Unfortunately, Qin Yu did not have any spiritual power at the moment, so he could not deduce the heaven's secrets to find the treasure.

Helpless, Qin Yu could only open the desolate God's eye and scan the surrounding demonic beasts.

As they walked, they looked at their surroundings.

Fangya and the rest were even more nervous because of their injuries.

It was noon, and there was only half a day left before night fell.

The only thing worth celebrating was that the nights in the holy region were very short, and the days were longer, so they had more time.

After walking for a long time, Qin Yu suddenly noticed a group of people gathered not far away.

They stood there, seemingly discussing something.

“It’s him again.” Fang Fang saw this person, but couldn’t help but frown.

That person was none other than young master Mo from before.

Fangya pulled Qin Yu and said, “Let’s go. Let’s go somewhere else.”

However, Qin Yu stopped in her tracks.

There was no other reason. It was because Qin Yu saw a huge demonic beast deep in the green rock forest through the desolate divine eyes.

And this demonic beast was the flying spider that Qin Yu had been searching for!

“Flying spider... It really doesn’t take much effort to come here.” Qin Yu narrowed his eyes and said in a low voice.

Fangya kept tugging at Qin Yu and said, “Let’s leave quickly. It will be troublesome if he sees us later.”

Before he finished his sentence, Mo Rong had already noticed Qin Yu and the rest.

A strange smile appeared on his face as he walked towards Qin Yu and the rest.

“It’s you guys again,” Mo Rong said with a faint smile.

Fang Fang grabbed Qin Yu’s arm in a panic and smiled apologetically, “Young Master Mo, we’re leaving, we’re leaving...”

However, Mo Rong stretched out his hand to block Fang Fang’s path. He smiled faintly and said, “Why? Are you guys interested in this flying spider?”

“That’s right, we’re indeed very interested,” Qin Yu answered before Fang Fang could.

Mo Rong glanced at Qin Yu, and then said in a strange tone, “You’re not very capable, but you’re quite ambitious. Is this flying Spider Something You Can Covet?”

Fang ya frowned slightly, as if he had thought of something.

Flying Spider? Qin Yu seemed to have mentioned this name just now.

Thinking of this, Fang ya looked at Mo Rong and said, “Young Master Mo, can you give us a ride?”

When these words were said, not only was Mo Rong stunned, Qin Yu also subconsciously looked at Fang Fang.

“Fang Fang, you...”Qin Yu frowned, extremely shocked.

As for Mo Rong, he laughed loudly and said, “You guys really dare to covet this flying Spider, hahahaha! I’m dying of Laughter!”

“Do you guys know what this flying spider is? That’s a demonic beast at the Almighty Realm! Not only that, this flying spider is even rarer!”

At this point, Mo Rong narrowed his eyes and said, “The most important thing is that there is life Qi in his body. Do you know the concept? How many people outside are seeking life qi now?”

Fang ya cupped his hands and said, “Young Master Mo, please take US along. We will definitely remember your great kindness...”

The smile on Mo Rong’s face became more and more cheerful. He sized up Qin Yu and the others and said, “Do you really want to go?”

“Yes!”Fang Fang hurriedly said.

Mo Rong put away the folding fan in his hand and sneered, “You guys are so capable, why do you need us to bring you? If you want to go, then just go. What does it have to do with me?”

“You’re right,”Qin Yu agreed and then sneered, “Then let’s rely on our own abilities.”
