

My Rich Wife - Chapter 1441 – 1450

the arrival of the Great Elder

Chapter 1441: Chapter 1,441, the arrival of the Great Elder

Zhuo Jing agreed very quickly, which silenced Qin Yu, who had intended to continue bargaining.

However, Qin Yu couldn't express Zhuo Jing's kindness in words.

Then, Zhuo Jing used the agreed conditions to exchange for the life energy.

The Life Energy was contained in a very small bottle. Zhuo Jing casually threw the bottle to Qin Yu and said, "Take it and try it."

Qin Yu took the bottle. The excitement from before had long disappeared.

A bitter smile flashed across his face.

"What's wrong? Shouldn't you be happy that you have the life force?" Zhuo Jing said with a smile.

Qin Yu sighed and said, "I'm just thinking about a problem."

"What problem?" Zhuo Jing asked in puzzlement.

Qin Yu said, "I've indeed met many noblemen along the way. Life before and after the age of 30 is like two different worlds."

With that, Qin Yu told Zhuo Jing about his past.

This included how he was abandoned and how he met Yan Ruoxue later on.

After listening to Qin Yu's story, Zhuo Jing smiled and said, "You are wrong. The reason why you always meet noblemen later on is because you have value. That's why the so-called noblemen came to help you."

"And the reason why you didn't meet the so-called noble before you turned thirty is because you don't have any value. The so-called noble wouldn't come to help you."

After hearing what Zhuo Jing said, Qin Yu seemed to understand.

It seemed to be true. Regardless of whether they admitted it or not, they had to fight for justice because of Qin Yu's potential.

"Think about it this way. There are so many ordinary people in the world. If everyone has a nobleman, wouldn't the nobleman become a Sucker?"Zhuo Jing patted Qin Yu's shoulder.

Qin Yu nodded slightly and said, "That makes sense."

"Alright, let's go,"Zhuo Jing said.

Qin Yu grunted in gratitude. He followed Zhuo Jing and planned to leave the Exchange Guild.

However, at this moment, the first elder led everyone into the Exchange Guild with a murderous aura.

Qin Yu's expression changed slightly when she saw the first elder's figure. She hurriedly grabbed Zhuo Jing.

"Zhuo Jing, hurry up and leave,"Qin Yu said coldly.

Zhuo Jing asked suspiciously, "What's Wrong?"

"The first elder is here,"Qin Yu said in a deep voice after taking a deep breath.

Hearing this, Zhuo Jing's face turned solemn.

Although he had guessed that someone would inform the great elder, he didn't expect the great elder to come so quickly.

"Leave quickly, lest you get implicated,"Qin Yu said coldly.

Zhuo jing frowned and said, "Even if I hide now, he will still know that I brought you to the replacement guild. It's useless."

Qin Yu sighed and said, "I'm going to implicate you again."

The first Elder's divine sense was extremely powerful, almost covering the entire displacement guild.

Very quickly, he found Qin Yu's trace.

A group of people rushed in front of Qin Yu, with the first elder as the leader and the various protectors as support.

They surrounded Qin Yu and Zhuo Jing, afraid that they would escape.

“Qin Yu, I’ve finally found you,” the first elder said with a gloomy expression.

Qin Yu looked at the first elder coldly and said, “You came quite quickly.”

The first elder glanced at Qin Yu and said coldly, “Have you recovered your spiritual power? The nascent Soul Realm?”

This made the first elder extremely shocked!

He had guessed that Qin Yu was very talented, but he didn’t expect that there was only the nascent soul realm in the Southern Region!

This was a bit too abnormal, and people couldn’t believe that it was true!

“Why? Do you regret it?” Qin Yu raised his eyebrows and asked.

The great elder sneered and said, “You’re about to die, yet you still dare to spout nonsense. Have you thought about how you’re going to die?”

At this moment, Zhuo Jing cupped his hands and said, “Greetings, Great Elder.”

Only then did the great elder’s gaze fall on Zhuo Jing. He frowned slightly and said, “Zhuo Jing? You’re actually involved with this kid?”

Zhuo jing smiled and said, “Qin Yu is my friend. It’s not strange for me to bring him to the Exchange Guild.”

The great elder narrowed his eyes slightly and said, “Do you want to die with him?”

Zhuo jing smiled and said, “Who would be willing to die if they could live? It’s just that... This is the exchange guild. I Don’t think you will act recklessly, Great Elder, right?”

The great elder swept a glance around him and then said coldly, “I don’t care where he is. Qin Yu must die today!”

After saying this, the first Elder’s aura surged and a terrifying killing intent rushed towards Qin Yu.

However, at this moment, a killing array suddenly appeared!

Rays of icy blue light rose from the surroundings of the Exchange Guild!

A terrifying killing intent swept through the entire exchange guild.

All of this killing intent rushed towards the first elder and gathered above his head like a vortex.

Seeing this killing formation, the Great Elder's face revealed an unnatural expression.

He took a deep breath and sneered, "Qin Yu, do you think that hiding in the exchange guild will be of any use? Let me tell you, the rules of the Exchange Guild are that you can only stay for one day. You can only stay until nightfall before you leave."

"I'll wait for you outside. As long as you take one step out of the Exchange Guild, I'll definitely kill you!"The Great Elder said coldly.

Chapter 1442: Chapter 1,442, the eve of the great battle

The first elder said those words and turned around to leave.

The many protectors looked at Qin Yu coldly, their eyes filled with intense killing intent.

The killing array that suddenly appeared in the sky made many people tremble in fear.

Qin Yu also raised his head to look at the killing array that filled the sky.

In this killing array, Qin Yu felt a clear and intense killing intent.

"No wonder the first elder is afraid,"Qin Yu thought to himself.

Zhuo Jing looked at Qin Yu with a solemn expression.

"Qin Yu, we have to think of a way,"Zhuo Jing said coldly.

Qin Yu nodded and said, "It's alright. When I recover, I'll go out and fight."

"Fight? Qin Yu, the first elder clearly came prepared this time. God knows what treasures he has on him,"the first elder said in a deep voice.

This made Qin Yu somewhat afraid, but he wasn't too worried.

After all, he also had two treasures on him: The Big Iron Rod and the picture.

These two treasures were extremely mysterious, and the picture came from the masked woman. Even the spiritual artifacts of the Heavenly Cloud sect weren't enough to be used as evidence.

"Brother Zhuo, don't come with me later,"Qin Yu said.

Zhuo Jing shook his head and said, "The great elder has already noticed me. Whether I come with you or not, the result is almost the same."

After saying that, Zhuo Jing pulled out the Silver Spring in his hand.

He shook the silver spring and said coldly, "With the Silver Spring in my hand, I have some confidence."

Seeing this, Qin Yu didn't say anything more. He took out the life qi and then threw it up.

After absorbing the life Qi again, Qin Yu clearly felt that the spiritual Qi in his body was soaring!

And the spiritual Qi had recovered a lot at this moment.

Qin Yu sat on the ground. He closed his eyes slightly and slowly absorbed the life qi.

"It seems that the life qi is really useful," Qin Yu said in a deep voice.

Zhuo jing smiled and said, "Of course. You should know that it is extremely difficult to get the life qi. Its preciousness can not be compared with medicinal herbs."

Qin Yu nodded. He slightly closed his eyes and began to absorb the surrounding spiritual Qi.

There were many people in the exchange guild trading medicinal herbs here, so the spiritual Qi here was quite dense.

That small vortex appeared once again on Qin Yu's body. This was formed from Spiritual Qi, and it was extremely mysterious.

Such a miraculous scene also attracted many people to come and watch.

"This person is Qin Yu, right? His cultivation method is indeed terrifying."

"Rumors say that he has already recovered his spiritual energy. Looks like it's true."

"How terrifying. A nascent soul stage cultivator, without spiritual energy, actually used his physical body to repel the first elder. It's hard to imagine."

"I really don't know how powerful he is now..."

Not only did they not know, even Qin Yu himself didn't know.

After recovering his spiritual energy, his physical body had improved once again, and he was able to cast spells.

Such an improvement was unimaginable.

It was currently noon. To the displacement guild, this place was like a scenic spot. Every day, they would chase away the crowd at dusk.

Hence, Qin Yu still had half a day to absorb the spiritual energy.

Although Qin Yu absorbed the spiritual energy very quickly, his body had dried up for far too long. It was definitely not something that could be completed in a few days if he wanted to return to his peak condition.

In the blink of an eye, the sky gradually darkened.

People from the displacement guild also began to slowly leave, and the number of people on this mountain also decreased.

“Brother Qin, it’s time for us to leave.”Zhuo Jing woke Qin Yu up.

Qin Yu slightly opened his eyes. He looked at the setting sun, stood up, and said, “En, it’s indeed time to leave.”

The sound of a loud bell had already sounded in the sky. This was the signal to leave.

Qin Yu stretched his muscles and bones, feeling the surging spiritual power in his body.

“Brother Qin, how do you feel?”Zhuo Jing asked.

Qin Yu said in a deep voice, “I can only use thirty percent of my strength at most, and I can’t hold on for too long.”

It seemed that thirty percent of his strength was not much, but in fact, the increase in his combat strength was definitely not just a little bit.

If the great elder did not have the supreme treasure, it was hard to say who would win and who would lose.

Qin Yu and Zhuo Jing strode toward the door.

There were many people standing on the mountaintop around the door.

They crossed their arms and looked as if they wanted to watch the battle.

Soon, Qin Yu and Zhuo Jing arrived near the door.

Seeing Qin Yu’s figure, the Great Elder’s eyes suddenly opened.

His cold eyes were staring at Qin Yu.

“Little Bastard, let’s see where you can run to,”the first elder said coldly.

Qin Yu ignored the first elder. Instead, he looked at Zhuo Jing and said, “Brother Zhuo, you don’t have to make a move later.”

“Brother Qin, I...”

“I’m confident,”Qin Yu interrupted Zhuo Jing.

Seeing this, Zhuo Jing could only nod and say, “Then be careful.”

Qin Yu nodded and walked out of the replacement guild.

The Heavenly Cloud Sect’s protectors arrived in an instant and surrounded Qin Yu.

Qin Yu glanced at them and sneered, “First Elder, let these trash leave.”

Anger immediately appeared on the protectors’faces when they heard this.

A monstrous anger was directed at Qin Yu.

Qin Yu, who was in the middle of the storm, was strolling leisurely, his expression unchanging.

Chapter 1443: Chapter 1,443, facing the first elder! 1

These protectors were all elites of the Heavenly Cloud sect, but Qin Yu didn’t feel anything.

Although the current Qin Yu could only use 30% of his strength, it was more than enough to deal with these people.

What ‘all below the Almighty are ants’? This sentence didn’t apply to Qin Yu at all.

The first elder looked at Qin Yu coldly, his eyes filled with viciousness.

“You think you are invincible after recovering your spiritual power, don’t you?”The First Elder said darkly.

Qin Yu took a step forward and shouted, “You can come and give it a try!”

In an instant, the aura on Qin Yu’s body exploded! His long hair danced in the wind, and his terrifying battle intent made people tremble in fear!

This aura actually forced all the protectors around him to retreat. Some of them even went limp and almost vomited blood!

Even the first elder's expression changed slightly.

Was this really the aura of a nascent soul stage cultivator? How could it be so terrifying?

The spectators in the distance also felt a trace of shock in their hearts.

"This Qin Yu... is really terrifying."

"It's hard to say who will win or lose today."

"Hiss... Let's wait and see."

The first Elder's face was as dark as water, but the aura on his body was rapidly rising.

"Little Bastard, I really want to see just how capable you are!" The first elder said coldly.

"Swoosh!"

Before he finished speaking, Qin Yu's figure instantly arrived in front of the first elder.

Such speed caused the first elder's expression to change drastically!

He hurriedly shot backwards, wanting to maintain some distance from Qin Yu.

Because he knew clearly that this child's physical body was definitely not something he could compare to!

The first elder stood high up in the sky, looking coldly at Qin Yu.

But in the next second, Qin Yu took a step forward, arriving in front of the first elder in the blink of an eye!

"What a fast speed!"

This speed seemed to have penetrated through space and arrived in an instant!

Qin Yu looked at the first elder coldly and said, "Do you still think that you can pull away from me?"

Qin Yu, who had already recovered his spiritual energy, could cast any spell.

Just now, he had relied on the 'line' formula and arrived in front of the first elder in an instant!

The 'line' formula was a top-notch secret art. Even in the Holy Region, it was a top-notch existence!

The first elder immediately felt cold sweat flowing down his back, and a rare look of panic appeared on his face!

“Didn't you want to see my strength? Then why did you run?” Qin Yu sneered.

The first elder immediately flew into a rage out of humiliation and shouted, “Little Bastard, don't be too arrogant!”

After saying that, the first elder clenched his fist and stood up. Endless battle intent and DAO Arts condensed into this fist!

Qin Yu sneered, “It's not worth mentioning.”

With that said, golden light burst forth from Qin Yu's body as he similarly clenched his fist and charged over.

“Boom!”

The instant the two fists collided, an explosive sound was produced in the air!

The space around the two of them collapsed in large areas. The bones of the first elder's hand were directly shattered, and fresh blood dripped down.

The powerful aura even forced him to retreat by several hundred meters. He looked extremely miserable and miserable!

Although the two of them only exchanged one punch, this punch was the embodiment of their Endless Dao Arts!

Just one punch was enough to determine the winner!

Everyone was shocked!

How did this Qin Yu do it!

He was only in the nascent soul stage, yet he easily defeated the grand elder!

Most importantly, Qin Yu could only use less than thirty percent of his strength!

If he was at his peak condition, with the support of all kinds of spells, the first elder would probably die in a single exchange!

Qin Yu opened his mouth, revealing a mouthful of white teeth.

He looked down at the first elder and said, "Perhaps it's time for the identity of a cat and a mouse to change."

The first elder could not contain his anger. His hair danced wildly as he raised his head and roared, as if he was on the verge of collapse!

"Little Bastard, I'm going to kill you! !!"The Great Elder raised his head and roared furiously. His aura erupted to the extreme at this moment.

A strange phenomenon rapidly condensed behind him!

And at this moment, a protector actually took the opportunity to attack Qin Yu.

He held a sharp blade in his hand as he pierced through space and suddenly appeared behind Qin Yu. The sharp blade in his hand stabbed straight into Qin Yu's back!

"Go to hell!"

The Protector's face was filled with madness as he ruthlessly stabbed at Qin Yu!

But at this moment, a dazzling golden light burst out from Qin Yu's body!

In an instant, his body seemed to be plated with a layer of golden armor, incomparably hard!

This was the sacred physique technique that Qin Yu had not used for a long time!

His body, which was originally indestructible, instantly became impregnable under the enhancement of the sacred physique technique!

"Clang!"

As expected, the sharp blade was immediately broken the moment it touched Qin Yu's body!

The protector was stunned. He stared blankly at his palm as if he was stunned.

Before he could react, Qin Yu's ice-cold face was already in front of his eyes.

In his eyes, this face was even more terrifying than demons and ghosts!

"Not good!"

The Protector knew something was wrong and turned around to escape!

But at this moment, Qin Yu stretched out his hand and gently pinched in his direction.

A strong suction force immediately erupted and firmly grabbed his fleeing figure!

In the next second, he lost control of his body and shot towards Qin Yu's direction.

"No, no! ! First Elder, save me!"The protector shouted desperately!

Chapter 1444: Chapter 1444, absolute beginning Sacred Fist! 1

He struggled with all his might and used all the spells he had learned in his life in an instant.

But even so, it was useless.

His body was still out of control and floated towards Qin Yu.

In an instant, the protector was forcefully sucked in front of Qin Yu.

"Do you want to die?"

Qin Yu's cold voice echoed in his ears.

This voice was like a life-threatening talisman, making people tremble in fear.

"Don't... Don't kill me!"The protector wailed. In the next second, Qin Yu directly crushed his head.

His corpse was thrown on the ground. Qin Yu's body was also stained with blood.

Golden and blood-red colors mixed together, making Qin Yu look like a god of death.

Not far away, the Great Elder's face turned ashen. He knew that Qin Yu was so powerful that it was unbelievable.

"Little Bastard..."the great elder murmured. Then, a huge disk image appeared behind him.

It was like a sun hanging behind him. The power was heavy and pure, vigorous and agile.

"It's the first elder's disk phenomenon. It's his trump card."

"He forced the first elder to such a state with just one punch?"

"What's the background of this Qin Yu? He's so terrifying!"

Everyone was discussing in low voices. Their bodies were also emitting light.

This light was used to protect their bodies to prevent them from being attacked by the disk phenomenon.

“I finally took it out.”Qin Yu couldn’t help but laugh coldly when he saw this scene.

With Qin Yu’s current condition, he couldn’t hold on for too long.

If the first elder didn’t use this technique, Qin Yu wouldn’t be able to deal with it after a while.

The disk phenomenon grew bigger and bigger, and the terrifying light covered the sky.

Traces of a heavy aura descended from the disk phenomenon.

This disc anomaly was many times stronger than Ling Yun’s!

“Little Bastard, I’ll kill you today!”The Great Elder said sinisterly.

His voice was like a volcano that was about to erupt.

Buzz

Qin Yu’s body emitted a golden glow.

This golden glow was the third level of the saintly being technique!

“What Bullsh * t disc phenomenon? Watch me crush him with one punch!”Qin Yu said coldly.

The disc behind the first elder exploded and instantly hung above Qin Yu’s head.

Then, the phenomenon crushed towards Qin Yu with an extremely strong pressure!

Before the disc arrived, the ground had already shattered and cracks appeared!

This was the evolution of the first Elder’s Dao Arts for his entire life. It was incomparably terrifying. In the entire South Province, not many people could contend against it!

However, Qin Yu did not show any signs of panic at this moment. His body was emitting an extremely dazzling golden light as he erupted with an incomparable battle intent!

Rumble..

The circular plate came crushing towards Qin Yu. The powerful force tore all of Qin Yu’s clothes into pieces!

Qin Yu raised his head to look at the strange phenomenon on the circular plate. The smile on his face became even wider.

“Absolute beginning... Sacred Fist!”

At this moment, Qin Yu raised his head and roared. The iron fist instantly turned into a blazing golden color!

Under this pure radiance, it was almost impossible to see the outline of the Fist clearly. All that could be seen was a golden speck of light!

“Break!”

Qin Yu rose up from the ground and faced the difficulty head-on. His fist actually directly smashed towards the strange phenomenon on the disk!

“Boom!”

Under the watchful eyes of the crowd, Qin Yu’s fist finally collided with the circular phenomenon!

At this moment, a wave of heat rushed towards his face, rapidly surging in all directions!

The surrounding space collapsed in large swaths, revealing a pitch-black void.

Meanwhile, the displacement guild behind him automatically activated a killing formation, protecting the displacement guild!

The surrounding mountain peaks were directly reduced to ruins. In an instant, sand and stones flew everywhere, and the sky and earth turned dark!

Those who were weaker were directly reduced to a bloody mist. After that, the bloody mist was evaporated by the heat wave, disappearing without a trace!

“Ah! ! !”

Qin Yu roared angrily, and his fist exploded with extreme power!

In the next second, the round plate phenomenon began to shake. In a moment, it exploded like a bomb!

At this moment, everyone’s eyes were pierced by the white light and they covered their eyes!

“What happened? who won?”

“Why did the disc suddenly explode? Could it be that it couldn’t take it anymore?”

Finally, the white light slowly dissipated and everyone hurriedly opened their eyes.

They saw a figure standing in the air.

The clothes on his body had been completely shattered, revealing an extremely familiar body.

This body was not considered strong, but it possessed an extremely strong masculine charm!

And that figure was none other than Qin Yu!

The disc phenomenon had long disappeared without a trace, leaving only the void that was slowly healing in the air.

Qin Yu looked coldly in the direction of the first elder and said, “Is this your trump card? It’s only so-so.”

This was only the absolute beginning holy fist, and it was not Qin Yu’s self-created fist that could break all techniques!

Even so, the disc phenomenon was still shattered by Qin Yu’s punch!

The first Elder’s face stiffened. At this moment, his face was completely gone.

“This little bastard...”the first elder gritted his teeth.

Although he did not want to believe it, he knew very well in his heart that he was no longer Qin Yu’s match.

Chapter 1445: Chapter 1,445, demon subduing divine lamp! 1

The Great Elder had already forgotten his original intentions. Before he came, he had already decided that no matter what, he would immediately activate the divine lamp.

But now, when he faced Qin Yu, he still could not hold back.

At this moment, the great elder regained his senses.

He looked coldly at Qin Yu and a strange smile appeared on the corner of his mouth.

“Little Bastard, you really have some ability. But so what? In the end, you still can’t escape death,”the first elder said gloomily.

Qin Yu looked coldly at the first elder and said, "If you still have any ability, feel free to use it."

The first elder did not say any more nonsense. His palm shook, and the divine lamp instantly fell into his palm.

Looking at this extremely ordinary divine lamp, the expressions of the people around could not help but change greatly.

"This is... the demon subduing divine lamp!" Someone recognized this item!

"Demon subduing divine lamp? The first elder actually took out the demon subduing divine lamp. This is the Heavenly Cloud Sect's most precious treasure!"

"How... How is this possible! Why would he bring out the demon subduing divine lamp!"

The surrounding people were all greatly shocked. Only Qin Yu was somewhat puzzled.

This divine lamp looked extremely ordinary and did not have the slightest bit of magic.

However, why would such a divine lamp shock everyone?

"Qin Yu, be careful! This demon subduing divine lamp is the heavenly cloud sect's top-notch treasure!" Zhuo Jing shouted from below.

Qin Yu nodded as a solemn expression appeared on his face.

He was just about to activate his protective divine technique when Qin Yu discovered that the spiritual energy in his body had already been depleted.

"Damn it!" Qin Yu's expression changed, and he thought to himself that things were not looking good.

Qin Yu's body had been depleted for too long. A short day's time was not enough to change anything.

However, he did not expect that the spiritual energy had already been depleted after enduring for such a short period of time.

This meant that Qin Yu could not release any more spells, or even activate the picture. He could only rely on his physical body to resist the demon subduing divine lamp!

"When the house leaks, the rain will fall." Qin Yu's expression became more and more serious.

The first elder was already floating in the air. His white hair fluttered in the wind and he looked extremely murderous.

In his hand was the demon subduing divine lamp.

Wisps of Aura followed the first elder's palm and entered the divine lamp.

The originally dim divine lamp suddenly emitted an extremely powerful aura!

The divine lamp was slowly vibrating. Although it was still dim, it gave off an extremely powerful pressure at this moment!

Even Qin Yu's expression could not help but change. The aura emitted from this divine lamp was too terrifying!

"Little Bastard, your time of death has come!" The first elder roared angrily.

Immediately after, he raised the divine lamp in his hand and an extremely ancient aura drifted towards Qin Yu.

This aura was as calm as water, but it was also as terrifying as a raging fire. It couldn't help but make people tremble in fear!

Seeing this scene, Qin Yu immediately clenched his teeth, and activated the fifth level of the battle word incantation!

"Qin Yu, take the Silver Spring Well!" Zhuo Jing hurriedly shouted.

Qin Yu didn't pay attention to it. Even if he had the Silver Spring in his hand, it wasn't much of an improvement for Qin Yu.

Looking at the sweeping aura, Qin Yu's muscles tensed up.

He clenched his teeth and threw a punch with all his strength towards the sweeping aura of the demon subduing divine lamp!

"Buzz!"

However, at the moment of contact, Qin Yu was directly sent flying by this aura!

With just a slight touch, cracks appeared on Qin Yu's fist, and even his internal organs received the impact!

His body was sent flying for hundreds of meters. It was unknown how many mountain rocks he had to smash to stabilize his body.

Such terrifying power had indeed shocked everyone!

Qin Yu struggled to get up from the ground. He suddenly spat out a mouthful of blood.

“Damn it...”Qin Yu’s expression was extremely ugly.

If he had not lost his spirit energy at this moment, Qin Yu would not have been in such a sorry state!

Although the demon subduing divine lamp was powerful, it was impossible for it to force Qin Yu to such a State!

He raised his head to look at the first elder in the air, his expression turning uglier and uglier.

“If I could use that divine map, his divine lamp wouldn’t be worth mentioning,”Qin Yu said in a low voice.

Beads of sweat broke out on his forehead. The attack just now had injured him severely, causing him to feel pain all over his body.

“Little Bastard, today is the day you die.”The first elder could not help but reveal madness on his face.

At this moment, he didn’t want to bring Qin Yu back at all. Instead, he wanted to kill him on the spot!

“Little Bastard, go to hell!”

The first elder activated the demon subduing divine lamp again. Wisps of aura rapidly gathered on the divine lamp.

“Qin Yu!”

Seeing this scene, Zhuo Jing couldn’t help but Roar!

“What a pity. In front of the demon subduing divine lamp, Qin Yu will also have to die here.”

It was as if everyone could see Qin Yu’s ending.

The Aura from the divine lamp swept towards Qin Yu once again!

Qin Yu gritted his teeth. He endured the pain and placed his arms in front of him.

Just as the light was about to sweep across Qin Yu's body, a figure suddenly appeared and blocked in front of Qin Yu.

A pair of palms actually grabbed towards the light.

Chapter 1446: Chapter 1446, absolute dance moves 1

It was a slender and beautiful figure, even a little petite.

She stood in front of Qin Yu and grabbed the light emitted by the demon subduing divine lamp. Then, she crushed it!

A huge explosion sounded nearby! The Void was instantly shattered, revealing a large patch of black!

The terrifying Shockwave forced Qin Yu back, but at this moment, a hand grabbed Qin Yu's arm.

"Damn it, you little bastard, you still dare to bully my meat cushion!"

A voice sounded, causing everyone to be shocked!

Opening their eyes, they saw that it was absolute dance!

Wen Da and Wen Er were below, shouting loudly, "Beat him to death, beat him to death!"

Qin Yu rubbed his eyes and said in surprise, "Jue Wu? Why are you here?"

Jue Wu glared at Qin Yu and said, "What nonsense are you talking about? Of course I'm here to save you!"

"It's Jue Wu!" The surrounding people also recognized Jue Wu's figure.

"Jue Wu, one of the three madmen, is actually here!"

"She crushed the demon subduing lamp with her bare hands? Is it that terrifying?"

For a moment, everyone was shocked!

They knew that Jue Wu's strength was not ordinary, but they did not expect her to be so powerful!

Not far away, the Great Elder's face was ashen. He gritted his teeth and was on the verge of collapse.

Just as he was about to kill Qin Yu, a Jue Wu suddenly jumped out!

“Jue Wu... This matter has nothing to do with you. You’d better stay out of it!” The Great Elder, who had lost his mind, was practically begging for mercy!

Jue Wu stared at her round eyes and said, “You Little Bastard, how dare you talk to me like that? Are you tired of living?”

The great elder roared angrily, “Whoever dares to stop me today will die! Even you can’t do it!”

With that said, the great elder grabbed the demon subduing divine lamp in his hands!

With the divine lamp in hand, the great elder was filled with confidence!

Jue Wu mocked, “Who are you trying to scare with a broken lamp? I heard that when I was in seclusion, you barged into my Hualing Mountain, right?”

The Great Elder’s face was gloomy, but he was still a little worried.

He knew that Jue Wu’s strength was not ordinary. He was definitely not a match for her.

Even with the demon subduing divine lamp in his hands, he was not completely confident.

The Great Elder took a deep breath and said, “Jue Wu, you better leave immediately. I must kill Qin Yu today.”

“F * ck your grandpa. Leave the divine lamp now and get lost. I might spare you,” Jue Wu snorted.

The first elder was completely enraged. He grabbed the divine lamp and roared, “If that’s the case, then don’t blame me for being impolite. Go To Hell!”

Then, the first elder activated the divine lamp again, and the light on the divine lamp instantly appeared!

This time, the light emitted by the divine lamp was even more shocking, and its power was completely different!

Beams of light were emitted from the divine lamp, and the terrifying airwaves pressed down on people until they couldn’t breathe.

“Jue Wu, be careful,” Qin Yu said with a frown.

Jue Wu held her waist and snorted, "If I don't beat him up today, he'll be considered clean!"

Hearing this, Qin Yu didn't know whether to laugh or cry for a moment.

At the moment, he didn't have the ability to resist the divine lamp, so he retreated to the side.

"How are you? Are You Hurt?"Wen Da and Wen Er quickly came up to him.

Qin Yu looked at the cracks all over his body and said with a bitter smile, "What do you think?"

"Sigh, it's good that you're not dead. It's nothing for a man to shed a little blood,"Wen da said with a wave of his hand.

Wen Er also nodded and said, "That's right, that's right."

Zhuo Jing also quickly walked forward and said with a smile, "It just happened to be dangerous. If it wasn't for the sudden appearance of the last dance, I'm afraid it would have been really dangerous."

Qin Yu nodded slightly and said, "That's right. I also didn't expect the last dance to appear at this time."

In mid-air, the two rays of light emitted from the divine lamp grew increasingly intense and slowly intertwined in the void.

In less than half a second, the light actually transformed into a dragon, emitting waves of dragon roars!

Everyone was terrified, and some people even shot out for thousands of meters!

Only Jue Wu, who had her hands on her waist, did not panic in the slightest.

Qin Yu could not help but break out in cold sweat for Jue Wu.

There was naturally no need to doubt Jue Wu's strength, but her crazy appearance always made people feel that she was somewhat unreliable.

"Go to hell!"

The first elder roared angrily. The dragon-shaped light on the divine lamp instantly tore through the void and headed straight for absolute dance!

Absolute dance raised her two small hands. Subsequently, rays of light rapidly gathered on her hands.

In a short moment, the two void hand seals appeared in the air.

Seeing that the dragon-shaped light was getting closer and closer, absolute dance finally made her move.

She waved her large hand and ruthlessly slapped the head of the dragon-shaped light seal!

A crisp "Pa" sound was extremely ear-piercing at this moment.

The Divine Dragon that was charging forward had actually been slapped to the side of its head!

Without waiting for everyone to be shocked, absolute dance slapped again.

After two consecutive slaps, the dragon-shaped light started to crack. Then, it started to shatter at an extremely fast speed!

"What is this? It's so flashy."

After finishing his final dance, he wrinkled his little nose.

At this moment, Qin Yu couldn't help but be stunned.

This... This was the end?

Chapter 1447: Chapter 1,447, the miserable great elder 1

With just two slaps, the demon subduing lamp was shattered just like that?

Everyone let out a cry of surprise, and countless people sucked in a breath of cold air at this moment!

"As expected of the ultimate dance led by sanfeng..." someone swallowed his saliva, his face filled with shock.

Qin Yu also rubbed her eyes, as if she couldn't believe everything.

"Ultimate dance... did she break through?" Qin Yu asked, puzzled.

Big Wen said proudly, "Of course! After Auntie Ultimate Dance broke through, we immediately notified her and asked her to rush to the scene to save you. How is it? Are you touched?"

“And me. I was the one who notified her.”Wen Er hurriedly came forward.

Qin Yu rolled her eyes at them and said, “Alright, I’ll treat you two to a drink later.”

“Damn, that’s great. It’s been too long since I’ve tasted meat,”the two of them said excitedly.

In the air, the Great Elder’s expression became even more unsightly.

At this moment, he regretted it. He regretted that he had acted rashly!

“Little Bastard, you dare to attack me?”Jue Wu rubbed her small hands and glared at the great elder fiercely.

She had a fierce expression, but because of her small face, she always found it funny.

Of course, the great elder did not find it funny at all. In his eyes, there was only fear at this moment!

The great elder gritted his teeth and cupped his hands. “Lord... Lord Jue Wu, I was blinded by anger just now. Please forgive me...”

“F * CK Your Grandpa!”

Jue Wu kicked the first Elder’s butt and sent him flying hundreds of meters away.

Jue Wu would not let it go. She shook her small feet and followed him.

Then, Jue Wu waved her small hands and slapped the first elder’s face.

One slap, two slaps. A series of slaps made the first elder’s face bloody and his bones crooked.

Everyone watched in horror, but no one dared to make a sound.

They all knew that once Jue Wu went crazy, no one could stop him.

“Enough!”

The Great Elder, who had been beaten up, finally couldn’t hold it in any longer.

He roared angrily and then grabbed the demon subduing divine lamp.

“Jue Wu, you’ve gone too far. I’ll fight you to the death!”The Great Elder grabbed the divine lamp, intending to fight to the death.

However, just as he picked up the divine lamp, Jue Wu grabbed the great elder's arm and pulled it off forcefully. The divine lamp fell into Jue Wu's hand.

The Great Elder was stunned for half a second before he wailed in pain!

"You still dare to F * cking hold the lamp, right?" Jue Wu grabbed the divine lamp with a furious expression.

The Great Elder's face was filled with fear. He no longer dared to be arrogant and hurriedly begged for mercy, "Master Jue Wu, I was wrong. Please spare me..."

"Crack!"

Before he could finish his words, Jue Wu grabbed his other arm and pulled it off.

Before he could even play with it, Jue Wu's hair fluttered in the wind as she pounced at the great elder with bared fangs and brandished claws.

She broke the great elder's four limbs and then lay on the Great Elder's body and began to gnaw like a wild beast.

"Ah! ! !"

The first elder's painful wail spread throughout the entire scene, reverberating in the valley for a long time.

Not long after, the first Elder's chest was gnawed open by the absolute dance. At a glance, one could clearly see her internal organs.

The surrounding crowd seemed to be unable to bear to watch any longer, and they all turned their heads.

Qin Yu could not help but feel that it was a little bloody. She muttered softly, "Why is he still biting people..."

The first Elder was beaten until he had no strength to fight back. His life force was also rapidly weakening.

However, Jue Wu had no intention of killing him. After a round of torture, Jue Wu wiped the blood on his mouth and jumped to the side in satisfaction.

On the other hand, the first elder was lying on the ground like a pile of rotten meat. If it was not for the fact that his nose was still breathing, no one would have recognized him as a living creature.

“The next time you dare to shout at me, I’ll teach you a lesson.” Jue Wu snorted lightly and then walked over to Qin Yu.

“Tell me, how should you thank me?” Jue Wu sat on Qin Yu’s shoulder as usual.

Qin Yu coughed dryly and said, “How do you want me to thank you?”

“En... I have to think about this carefully. I’ll tell you later.” Jue Wu played with the magic lamp in her hand and muttered.

“What is this thing? Why doesn’t it light up? What rubbish is it?”

Jue Wu muttered a few words and casually threw the magic lamp to the side.

Seeing this, Qin Yu hurriedly reached out and grabbed the magic lamp.

“If you don’t want it, why did you throw it away?” Qin Yu said with a shocked expression.

Jue Wu stared at him and said, “How would I know that you want it? Why didn’t you tell me earlier?”

Qin Yu opened his mouth and then sighed. He didn’t say anything else.

He knew that he couldn’t make sense of Jue Wu at all.

Therefore, he kept the magic lamp in his bag.

“Let’s go. It’s time to drink,” Wen da said with a smile.

“Yes, yes, yes. I want to drink too. I’m bored to death these few days,” Jue Wu also said.

Qin Yu glanced at Zhuo Jing and said, “Let’s Go and drink.”

Zhuo Jing paused for a moment, then smiled and said, “Okay!”

Chapter 1448: Chapter 1,448, Mr. Yongji 1

After that, Qin Yu, Jue Wu, and the others left this place. They went to the nearest city and found a tavern, intending to get drunk.

As for the Great Elder, he was lying on the ground, on the verge of death. He looked extremely miserable.

The surrounding people quickly surrounded him.

They couldn’t help but sigh when they saw the great elder lying on the ground.

"This first elder is really miserable. He didn't complete the mission, but the divine lamp was stolen by someone else."

"There's nothing we can do. It's his fault for encountering the unique dance."

"I don't know why, but I feel pity for this first elder."

Then, a warm-hearted person sent the first elder to the pharmacy. After the emergency treatment, he was sent back to the Heavenly Cloud sect.

After experiencing this battle, the first elder's reputation was completely tarnished.

His miserable state had been spread around the southern province for a long time.

...

In the pub, Qin Yu, Jue Wu, and Wen Da were playing with their fists while drinking.

With such a drinking method, Zhuo Jing naturally didn't fit in.

He sat at the side, looking a little lonely.

"Zhuo Jing, come with us. It's quite fun." Qin Yu looked at Zhuo Jing.

Zhuo Jing smiled bitterly and said, "I'm not interested in this. You guys have fun."

Qin Yu spread out his hands. He also knew that Zhuo Jing was the descendant of the Wen family, so it would be difficult for him to fit in at such an occasion.

After a round of drinking, the Wen brothers, who were the weakest among them, were the first to be unable to hold on.

And Qin Yu, who had recovered his spiritual power, could be said to have a huge amount. Even Jue Wu could not drink anymore.

"No, no, no, I Won't drink anymore. If I drink anymore, I'll throw up." Jue Wu kept waving her hand.

Seeing this, Qin Yu also put down the wine glass in her hand.

"Jue Wu, did you break through?" Qin Yu asked casually.

Jue Wu said proudly, "Of course!"

"What realm did you break through to? The return to Void Realm?" Qin Yu asked curiously.

The scene of her grasping the divine lamp with her bare hands shocked Qin Yu greatly, so she couldn't help but doubt Jue Wu's strength.

Jue Wu glared at Qin Yu and said, "It's none of your business. I Won't tell you."

Qin Yu rolled her eyes at her and didn't say anything more.

"Brother Qin, what are your plans next?"Zhuo Jing asked from the side.

Qin Yu said in a deep voice, "Cultivate first. Let's talk about it after I recover my spiritual power."

"Closed-door cultivation?"Zhuo Jing asked.

Qin Yu nodded and then said, "Brother Zhuo, do you have any excellent cultivation places?"

"Let's go to my house. I have a lot of medicinal herbs in my house. I should be able to help you,"Zhuo Jing said.

Qin Yu hurriedly waved his hand and said, "No, I already owe you enough. If you really want to help me, recommend a good place for cultivation."

Seeing this, Zhuo Jing didn't continue to be stubborn.

He thought for a moment and said, "If it's a good place for cultivation, it should be occupied by the big families of the South Province and these big shots."

As he spoke, Zhuo Jing deliberately glanced at Jue Wu.

Qin Yu immediately understood Zhuo Jing's meaning.

He smiled and said, "Okay, then I understand. I'll go to Mount Hua Ning in a while."

"I didn't agree," Jue Wu said with her eyes wide open.

Qin Yu smiled and said, "Whether you agree or not, I have to go."

"Don't you dare!" Jue Wu slapped the table and stood up. The table was instantly smashed into pieces.

Meanwhile, Wen Da Wen er, who was sleeping on the table, also fell to the ground.

"Forget it if you don't let me go. I'm Not Going,"Qin Yu snorted lightly.

“There are many places in the world for cultivation. Do you think I have to go to Mount Hua Ning?”

When Jue Wu heard this, she coughed dryly and said, “Forget it. Since you’re begging me, I’ll agree to it.”

“I’m not begging you.”

“You’re begging. They all heard it just now!”

“...”

The group of people stayed in the city for a night.

With Jue Wu around, Qin Yu didn’t worry about her safety, so she slept very comfortably.

The next day, they set off for Mount Hua Ning.

At Qin Yu’s request, Zhuo Jing followed them to Mount Hua Ning.

Jue Wu was quite generous. After arriving at Mount Hua Ning, she directly gave her cultivation room to Qin Yu.

Of course, Qin Yu didn’t stand on ceremony.

He came all the way to Jue Wu’s cultivation room and sat down.

This cultivation room was located on the peak of the mountain. Sitting here, he was already shoulder to shoulder with Yun.

Just as Qin Yu was about to cultivate, Jue Wu’s two attendants suddenly ran over.

“Lord Jue Wu, there’s someone at the foot of the mountain who wants to see you,” said the attendant.

“Who is it?” Jue Wu asked curiously.

The two attendants said, “It’s Mr. Yong Ji from the Eternal City.”

Upon hearing this, Jue Wu frowned slightly.

“Why is he here?” Jue Wu whispered.

Qin Yu couldn’t help but open his eyes.

Mr. Yong Ji? Was it that Mr. Yong Ji who claimed to have more than a hundred foster sons under him?

Some people had once judged in private that Mr. Yong Ji's eternal city was no worse than the Heavenly Cloud sect. If he were to rise up and overthrow the Heavenly Cloud sect, it would be very easy, but he was low-key.

There were also people who said that he was a despicable person. His heart was extremely dark and hypocritical.

"Qin Yu, help me receive him." Jue Wu waved her hand and said.

Qin Yu was stunned and said, "Ah? I'll help you receive him?"

Jue Wu whispered, "I don't like this person very much. I don't want to see him."

Chapter 1449: Chapter 1,449, meeting Yongji 1

Qin Yu didn't have a good impression of Mr. Yongji. After hearing Jue Wu's words, Qin Yu was even more certain of her own thoughts.

"I'll leave it to you. Just say that I'm not here," Jue Wu muttered.

Then, she immediately restrained her aura and hid.

Qin Yu had no choice but to meet Mr. Yongji.

A few minutes later.

Mr. Yong Ji walked up from the foot of the mountain.

He was different from Qin Yu's impression of him. She had thought that he would be as tall and majestic as Xiao Hai. Unexpectedly, Mr. Yong Ji looked extremely thin and small, and his face was somewhat dry.

He was not an ordinary thin and weak person. Instead, it was as if his body had been hollowed out.

"Greetings, Mister Yongji," Qin Yu bowed and said.

Mister Yongji sized up Qin Yu and said, "You are?"

"I'm Qin Yu. Lord Jue Wu is not here. I'll be receiving you," Qin Yu said.

Upon hearing this, Yongji said in surprise, "You're that Qin Yu? Wen Wanji's disciple?"

Qin Yu smiled and said, "Yes, Mister Yongji, please come in."

Under the lead of the two attendants, Qin Yu and Mr. Yong Ji came to a tea room.

Birds chirped and flowers were fragrant. The bamboo swayed in the wind. There was a small stream, bringing with it the sound of rustling.

Qin Yu and Mr. Yong Ji sat down. The two attendants immediately poured tea for the two of them.

"Mr. Yong Ji, Lord Jue Wu is not here. Why Don't you wait for him?" Qin Yu casually found a topic to talk about.

Yong Ji waved his hand and said, "It's okay. I came first to congratulate her, and second to meet you."

"Meet Me?" Qin Yu was quite surprised.

Yong ji laughed and said, "There's a genius like you in the South Province. Of course, I want to meet him."

Qin Yu glanced at Yong Ji. He suddenly felt that Yong Ji in front of him was not simple.

"Mr. Yong Ji, why are you looking for me? Just tell me," Qin Yu said.

Yong Ji took a sip of tea and sighed, "It's been a long time since a talent like you appeared in the South Province. It seems that the younger generation of the South Province can't carry the banner anymore."

These words could not help but Shock Qin Yu!

The young generation of the South Province was full of talents. How could they not carry the banner?

Thus, Qin Yu asked suspiciously, "Mr. Yong Ji, your words seem to be biased. Even though I don't know much about the southern province, I know quite a few geniuses."

"Oh? Tell me about it," Yong Ji said with a faint smile.

Qin Yu said in a deep voice, "Not to mention far away, just Ling Yun from the Heavenly Cloud sect is an extraordinary genius."

"Ling Yun?" However, Yong Ji scoffed at the mention of Ling Yun.

"That talent is nothing at all."

Qin Yu couldn't help but frown when she heard this.

Ling Yun was nothing at all? He was known as the number one genius in South Province.

"Hiding in the city. Compared to You, Ling Yun is nothing," Yong Ji said with a faint smile.

Qin Yu's expression changed slightly. He suddenly guessed something.

"Perhaps... Ling Yun is nothing compared to your foster son. However, he is indeed a top-notch genius in the entire South Province," Qin Yu probed.

Yong Ji said with a faint smile, "I heard that the Tianyun sect has taken in a new disciple. His name is Di Zun."

Qin Yu didn't listen to him at all!

He only knew that Yong Ji didn't deny his own words!

In other words, his guess was right. Every foster son under him was probably above Ling Yun!

What kind of power was this? No wonder someone said that Mr. Yong Ji's Yong Ji City was no weaker than the Tianyun sect!

Mr. Yong Ji continued, "You should have heard that the major parts of Lizhou are getting closer and closer. One day, they will completely merge into one."

Qin Yu nodded and said, "Yes, I heard senior Xiao Hai say that."

When Xiao Hai was mentioned, an unnatural look flashed across Yong Ji's face, but it only lasted for a moment.

Yong Ji continued, "The younger generation of the Southern Prefecture is probably the weakest group in the vast region of Li Prefecture. Qin Yu, you should accept the best resources."

Qin Yu did not respond to him. Instead, she continued, "Mr. Yong Ji, are you familiar with senior Xiao Hai? Both of you are legends of the Southern Prefecture. You should be very familiar with each other, right?"

An unnatural expression flashed across Yongji's face once again. He smiled and said, "I'm not very familiar with each other, but I do know each other."

Qin Yu nodded and said, "Oh, Mister Yongji, please continue."

Yongji thought for a moment, then shook his head and said, "I don't have much to say. If there's a chance, go to my Yongji City and have a seat."

Qin Yu agreed, "Alright. If there's a chance, I'll definitely go."

Yong Ji stood up, seemingly intending to leave.

After taking two steps, he stopped and said, "Qin Yu, you and the Tianyun sect have an irreconcilable feud, right?"

"En... it's not irreconcilable, but there is indeed a feud," Qin Yu said with a smile.

All of this hatred originated from elder Bai and Grand Elder.

When Yong Ji heard this, he couldn't help but sigh, "That shouldn't be. I thought you were someone who valued friendship."

After saying this, Yong Ji turned around and was about to leave.

Qin Yu frowned slightly and hurriedly chased after him.

"Mr. Yong Ji, what do you mean by this sentence?" Qin Yu frowned and asked.

Chapter 1450: Chapter 1,450: The Furious Qin Yu

Yong Ji pretended to be surprised and said, "Don't you know? Not long ago, the great elder ordered to kill one of your friends."

Qin Yu's face suddenly changed! He subconsciously grabbed Yong Ji's arm and said, "A friend of mine? which friend? Who Did you hear it from?"

Yong Ji thought for a moment and said, "I think it's called Zhen Yue. hasn't this matter been spread? So you don't know about it?"

Qin Yu froze on the spot, and a trace of anger appeared in his eyes.

"Zhen Yue... is dead?" Qin Yu couldn't believe it.

He had promised to open a sect for Zhen Yue, but he didn't expect that he couldn't even save her life!

"Heavenly Cloud Sect..." Qin Yu clenched her teeth, and her anger almost made him lose his mind.

Yong Ji patted Qin Yu's shoulder and sighed. "The Heavenly Cloud sect is the only sect in the entire South Province. No one can do anything to them. Forget it."

Qin Yu stood there for a long time without saying anything. He was extremely sad.

He did not know about this at all and no one had ever told him about it.

When Yong Ji saw this, he raised his hand and patted Qin Yu's shoulder. Then, he turned around and left.

After waiting for him to leave for a long time, Qin Yu finally regained his senses.

Without a word, he headed towards the Heavenly Cloud sect.

"Where are you going?"

At this moment, Jue Wu suddenly stretched out her hand and blocked Qin Yu's path.

Qin Yu turned back to look at Jue Wu and said, "I'm going to kill the Great Elder. I want the Heavenly Cloud sect to pay the price."

However, Jue Wu said with a dark expression, "With your current state, are you going to send yourself to death?"

"The Heavenly Cloud Sect's strength is not something you can imagine. You Can't even handle a demon subduing divine lamp. What's the difference between going and dying?"

Qin Yu did not say a word. He quickly calmed down.

The current Qin Yu was no longer that rash person. Just as Jue Wu had said, going now was also courting death.

He took a deep breath and turned to look at Jue Wu. He nodded and said, "You're right. If I go now, I can only die."

Jue Wu nodded slightly and said, "That's not bad. If you really want to take revenge, then hurry up and cultivate."

Qin Yu nodded. He looked at Jue Wu and said, "I will be in closed-door cultivation for a month. During this one month, I hope nothing will disturb me."

At the same time, he also gave the great elder a month to rest and recuperate. This time, Qin Yu wanted to kill him personally.

After that, Qin Yu turned around and walked towards the top of the mountain.

He came all the way to Jue Wu's cultivation room and sat down cross-legged.

The spiritual energy in this place was extremely rich. There was naturally no need to say anything about Jue Wu's cultivation place.

As the pores all over Qin Yu's body opened, threads of spiritual energy surged towards Qin Yu like a spring.

This was an extremely fast speed. Qin Yu was like a vast ocean, receiving the rivers from the world.

And at this moment, Jue Wu's face was full of worry.

"Aunt Jue Wu, What's wrong with you?" Wen da mumbled as he chewed on the leg of lamb.

Jue Wu opened her mouth and was about to speak, but when he saw that it was Wen da, he waved his hand and said, "Forget it. Even if I told you, you wouldn't understand."

Wen da muttered, "Why wouldn't I understand? I'm not a fool."

Jue Wu ignored Master Wen. She knew that Master Wen didn't know much about the cultivation world.

"Master Jue Wu, are you worried about Yongji?" Zhuo Jing suddenly asked.

Jue Wu looked at Zhuo Jing and said, "Ai, it doesn't count... you said that Yongji is so capable and has more than a hundred foster sons under him. Why hasn't he made a move against the Tianyun sect?"

Zhuo Jing said with some surprise, "You suspect Mister Yong Ji?"

"I'm not suspecting. I'm just curious." Jue Wu waved his hand, as if he didn't want to continue this topic.

Zhuo Jing didn't continue asking when he saw this.

...

Heavenly Cloud sect.

First Elder was seriously injured. Even if they had the best alchemist, they still needed to recuperate for a very long time.

Jue Wu's attack was too heavy. First Elder could hardly see his human form. If the Heavenly Cloud sect did not have a life-saving pill, first elder would probably have died.

"I really did not expect that this lunatic Jue Wu would suddenly make a move." The deputy sect leader stood in front of First Elder's bed and could not help but frown.

"It is already good enough to be able to keep his life." Another elder beside him said.

"I'm afraid that the first elder can't take over the Tianyun sect in his current state. The deputy sect master should manage it from now on," another elder suggested.

The deputy sect master had already intended to do so. If the sect master hadn't set the rules, he would have taken over the position long ago.

"This kind of thing isn't something that you and I can decide. It's better to go and report it to the sect master," the deputy sect master said indifferently.

He was very clear in his heart that the sect master absolutely had no reason to refuse, unless he ended his closed door cultivation.

The deputy sect master walked all the way to the sect master's closed door cultivation place.

The environment here was not inferior to the absolute dance's cultivation room. It was even more superior.

Standing at the entrance, one could see a person sitting under the tree in the distance.

His back was facing the entrance. Threads of spiritual energy were surging into his body.

The deputy sect master cupped his hands and shouted, "Sect master, I have something important to report!"

However, the sect master did not react.
