

My Rich Wife - Chapter 1451 – 1460

heading to the Tianyun sect -

Chapter 1451: Chapter 1,451, heading to the Tianyun sect

The deputy sect master tried to shout again, but the sect master still didn't respond. He just sat there quietly.

Seeing this situation, the deputy sect master didn't continue to ask.

He took the initiative and temporarily took the place of the sect.

...

In the following period of time, the entire South Province seemed to be discussing this matter. It could be said that the great elder lost all face.

However, this did not affect the heavenly cloud sect's ruling position in the South Province. It seemed that no one was willing to go against the Heavenly Cloud sect.

Time flew by. In the blink of an eye, more than half a month had passed.

During this period, Qin Yu had been sitting cross-legged here. There were no signs of him waking up.

Another half a month passed.

Qin Yu, who was in closed-door cultivation, finally opened his eyes slightly.

The dry spiritual energy in his body had already recovered by more than half. However, he was still some distance away from reaching the peak.

There was no other reason than Qin Yu's special physique, which led him to need more and more spiritual power.

Qin Yu lowered his head to look at his body, which was shining with golden light.

Although he hadn't recovered to the peak, it was enough.

Moreover, the spiritual power in Mount Hua Ning had suffered a certain loss during this period of cultivation, and the improvement brought by the spiritual power to Qin Yu wasn't that great anymore.

Qin Yu narrowed his eyes. His body shook and he shot toward a residence in Mount Hua Ning.

At this moment, Jue Wu was sitting in a room drinking with the two Wen brothers. The three of them were playing with their fists, and they were quite at ease.

Seeing Qin Yu who had barged in, Wen da said in a daze, "Yo, Qin Yu, hurry up and come over. Let's have a drink together."

Qin Yu ignored Wen Da. He looked at Jue Wu and said, "Where's Zhuo Jing? Did he go back?"

Jue Wu grunted and said, "He left not long after you went into seclusion."

Qin Yu nodded and said, "I plan to go down the mountain."

"Go down the mountain?" Jue Wu frowned. "Why are you in such a hurry?"

"En, first elder should pay the price. I have to kill him," Qin Yu said coldly.

Jue Wu looked at Qin Yu's surging aura and said, "Why? Have you recovered?"

"Seventy percent," Qin Yu said. "But seventy percent is enough."

Jue Wu still said with some worry, "It's definitely not a good choice for you to go to the Heavenly Cloud sect. The Heavenly Cloud Sect's foundation is very powerful. The demon subduing divine lamp is just an insignificant magic artifact."

Qin Yu sneered and said, "He has a treasure, and so do I. It's hard to say who will win."

Seeing Qin Yu so insistent, Jue Wu didn't say anything more.

"Oh, right, Zhuo Jing left something for you." Jue Wu seemed to suddenly ring.

She threw a spatial god tool to Qin Yu and said, "This is an ownerless item. Zhuo Jing specifically told me to give it to you."

Qin Yu took the space artifact. He sent a wisp of soul consciousness into it, his eyes showing a trace of surprise.

Zhuo Jing didn't just leave the Divine Eagle to Qin Yu. There were also a lot of medicinal materials in this space artifact.

"Phew, I owe him again." Qin Yu couldn't help but sigh.

Jue Wu waved her hand and said, "Alright, if you want to leave, then leave. I don't have so much time to accompany you."

With that, she turned around and continued to drink.

Wen Da and Wen Er gave Qin Yu some advice before returning to the wine table.

Qin Yu took out the divine eagle from the spatial artifact. Then, he rode on the Divine Eagle and tore through the ten thousand Li High Sky, rushing towards the Heavenly Cloud sect.

Hua Ning Mountain to the Heavenly Cloud sect happened to pass through Gu City.

When she arrived above Gu City, Qin Yu thought of sister Lin.

After thinking for a while, Qin Yu finally decided to visit her.

Thus, the huge divine hawk fluttered its huge arms and slowly stopped at the entrance of the auction.

Qin Yu jumped down from the Divine Hawk and then strode towards the auction.

At this time, the auction had just ended. In the huge open space at the entrance of the auction, swords were drawn and bows were drawn.

Traces of killing intent enveloped more than half of the auction, ready to fight at any moment.

When they saw Qin Yu, they could not help but stop what they were doing and look in Qin Yu's direction.

"Isn't this Qin Yu? Why is he here?"

"Who is Qin Yu?"

"Don't you know? He's the young man who has been challenging the heavenly cloud sect."

Everyone was discussing, but Qin Yu ignored them.

He passed through the crowd and walked toward the auction.

As soon as he entered the door, he was stopped by two people.

The two people said politely, "Mr. Qin, our auction house is small. It really can't accommodate a Buddha like you. You should... Go somewhere else."

Qin Yu frowned slightly. He knew that the auction house was afraid of offending the Heavenly Cloud sect, so he didn't pester them too much.

"Please help me find sister Lin. I'll wait for her outside," Qin Yu said.

The two of them looked at each other and shook their heads. "Ever since sister Lin came back from the Heavenly Cloud sect, she was kicked out of the auction. She hasn't been here for a long time."

Qin Yu's frown instantly became even deeper.

"Heavenly Cloud Sect..." Qin Yu's expression was unsightly.

Unknowingly, Qin Yu had brought trouble to countless people.

"Can you tell me where sister Lin lives?" Qin Yu asked.

These two people did not hide, immediately told Qin Yu sister Lin's residence.

Chapter 1452: Chapter 1,452, The Mysterious Sect Master 1

Sister Lin's residence was in Gu City.

In Qin Yu's opinion, she had accumulated a lot of connections during the auction over the years. Even if she left the auction, she should be living a good life.

However, when Qin Yu arrived at Sister Lin's house, she realized that it was different from what she had imagined.

Sister Lin's house was in ruins. When Qin Yu arrived, there were three to five ruffians fighting over the treasure.

Sister Lin, on the other hand, had her eyes slightly closed. She didn't have any reaction, as if she had already gotten used to it.

Seeing this scene, Qin Yu was instantly furious.

He waved his hand and directly beheaded these ruffians!

Then, Qin Yu's palm lit up with spiritual fire, instantly burning their bodies clean.

Looking at sister Lin in front of him, a trace of surprise flashed across Qin Yu's face.

"Qin Yu? Why are you here?" Sister Lin stood up and asked.

Qin Yu didn't respond to her question. He glanced around and frowned, "Sister Lin, what's going on?"

Sister Lin sighed slightly and said, "The news that I offended the heavenly cloud sect has already spread. No one dares to associate with me."

"Then what do those people who came to steal things mean?" Qin Yu frowned and asked.

Sister Lin said with a wry smile, "Who wouldn't want to step on you when you're Down and Out?"

After that, sister Lin didn't seem to want to continue this topic. She got up and found a clean place with great difficulty, motioning for Qin Yu to sit down.

Sitting beside sister Lin, Qin Yu said in a deep voice, "Just because you were taken away by the Heavenly Cloud sect once, do they have to treat you like this?"

Sister Lin said with a wry smile, "This is nothing. In the South Province, as long as you offend the Tianyun sect, it's easy to attract the displeasure of others. Fortunately, these people are only snatching some things."

"Let's not talk about this. Qin Yu, why did you suddenly come to Gu City? Aren't you afraid of being left here?" Sister Lin changed the topic.

Qin Yu snorted coldly and said, "A mere gu city probably can't stop me."

With Qin Yu's current state, he was already planning to go to the heavenly cloud sect, so how could he be afraid of a Gu city.

"I happened to pass by this place, so I thought of coming over to see you," said Qin Yu.

Sister Lin sized up Qin Yu and said with some doubt, "You... recovered your spiritual power?"

Qin Yu agreed, "Yes, not long ago."

"Nascent soul stage? That's really surprising," said sister Lin with a smile.

Then, sister Lin continued to ask, "What are your plans next?"

Qin Yu's face darkened and said, "I want to go to the Tianyun sect. I have to kill the first elder first."

"You want to go to the Tianyun Sect?" Sister Lin's face changed. "Are you crazy? The Tianyun sect is looking for you. How can you deliver yourself to them?"

Qin Yu smiled and said, "I'm confident. I Don't care about the first elder at all."

"What about the sect leader of the Heavenly Cloud Sect?" Sister Lin asked with a sullen face.

"The sect leader of the Heavenly Cloud sect is in closed-door cultivation, not dead. What if he makes a move?"

Qin Yu instantly fell into silence.

This was the truth. The current Qin Yu was definitely not a match for the sect leader of the Heavenly Cloud Sect.

That sect leader's strength was probably above Jue Wu's.

"Sister Lin, do you know the sect leader of the Heavenly Cloud sect very well?" Qin Yu asked.

Sister Lin shook her head and said, "Not really. I've only heard some legends about him."

"It's said that this person's temperament is extremely strange. Sometimes he's violent, sometimes he's gentle."

"Back then, when he expanded his territory, he killed countless people. However, after he established the Heavenly Cloud sect, he didn't make a move for many years."

Sister Lin counted with her fingers and said, "I'm afraid he hasn't made a move for more than a hundred years. His current strength is unimaginable."

Qin Yu narrowed his eyes. He knew very little about the sect master of the Heavenly Cloud sect. He only knew that he was an extremely powerful opponent.

Even the records of the sect master in the library were very few. This was not in accordance with common sense.

Under normal circumstances, he was equivalent to conquering a southern region. Although it was not as good as the ancient emperor, it was not much different. Shouldn't he spend a lot of effort to write about himself?

"In short, it's not a good idea for you to go to the Heavenly Cloud Sect." Sister Lin shook her head.

Qin Yu also recalled the scene of the sect master of the Heavenly Cloud sect making a move. However, if he gave up just like that, Qin Yu would not be able to suppress the anger in his heart.

“Sister Lin, even if I can’t kill him, I still have a way to escape,”Qin Yu said.

With the line character formula in hand, he should be able to escape.

Seeing this, sister Lin could only sigh and say, “Qin Yu, you must never underestimate the Heavenly Cloud Sect.”

“Over the past hundred years, countless people have tried to shake the position of the Heavenly Cloud sect, but in the end, they all failed.”

Qin Yu took a deep breath.

There were countless experts in the South Province, and those above Qin Yu were even more common.

The legend of the three madmen and three unique skills that he knew was above him.

“Sister Lin, I got it.”Qin Yu stood up and said.

“Sister Lin, let me bring you to a place?”Qin Yu swept his gaze around.

The surroundings were in chaos. This place was obviously no longer suitable for living.

Sister Lin said with a bitter smile, “Where Are you bringing me? You Don’t even have a fixed residence.”

Qin Yu said with a smile, “Of course I have to find a good place for you. Come with me.”

Qin Yu said nothing, took sister Lin’s hand and walked away.

Chapter 1453: Chapter 1,453: One Punch, one blow

Qin Yu and sister Lin sat on the back of the huge godly eagle and flew high in the sky.

Their destination was the palace of Gu City.

...

In the palace.

Many subordinates were surrounding the city lord.

“Qin Yu is in Gu city now. Should we do something?”

“Yes, if we capture Qin Yu and send him back to the heavenly cloud sect, it would be a great merit!”

The city Lord's expression turned gloomy when he heard that.

Not long ago, Qin Yu had just defeated the first elder, and then Jue Wu had beaten the first elder half to death.

The current Qin Yu was no longer a popular person, but a hot potato.

The people around were chattering, and the city lord's words annoyed everyone.

He berated, "Alright, stop talking!"

The crowd immediately fell silent, and no one spoke.

The city lord swept his gaze across the crowd and said coldly, "From now on, everyone will pretend that they haven't seen Qin Yu. Do you understand?"

"AH? Why is that?" Someone asked.

The city Lord looked at him coldly and said, "I don't Think You're suitable for your current position. Your Brain should be guarding the city gates."

The moment he said that, everyone's expression changed slightly.

For a moment, no one dared to say anything more.

However, there were some troubles that could not be escaped.

Even if you didn't look for it, he would still come.

Just as they were discussing, a huge divine hawk directly passed through the defenses of the Gu City Palace and landed directly.

Before everyone was shocked, Qin Yu jumped down from the Divine Hawk with sister Lin.

"You... Why did you bring me here?" Sister Lin said with some fear.

Qin Yu glanced at the surroundings and said, "I have investigated the entire GU city. This is the best location. The scenery is beautiful and the spiritual energy is dense."

"This... This is the city lord's residence..." sister Lin couldn't understand Qin Yu.

She didn't know what had happened during this period of time, so she naturally didn't know how afraid the City Lord was of Qin Yu.

Qin Yu pulled sister Lin and Strode into the palace.

The city Lord's face was ashen. He looked at Qin Yu who was walking over and wanted to curse in his heart.

Although he was afraid of Qin Yu in his heart, he was after all eating the food of the heavenly cloud sect, so he could only feign anger and say, "Qin Yu, what are you doing here!"

Qin Yu glanced at him and said, "You better stop shouting at me. I remember clearly what you did to me previously."

The city Lord's expression changed drastically. He didn't expect Qin Yu to not give him any face at all!

"Qin Yu! Do you think I'm afraid of You?!" The city Lord flew into a rage and stood up angrily!

Qin Yu narrowed his eyes and said, "Aren't you afraid?"

The city lord secretly gnashed his teeth. Just as he opened his mouth to speak, he was interrupted by Qin Yu.

"I know that the strongest thing in Gu City is the mountain protection array of this city. But according to what I know, this mountain protection array can only defend against external enemies. Once it enters Gu City, it will lose its effectiveness, right?" Qin Yu mocked.

The city Lord glared at Qin Yu and said, "Do you think that this is the only mountain protection formation in Gu City? You underestimate me too much!"

Qin Yu looked at the city lord coldly and said, "Is that so? What else do you have? Show me."

As the city Lord of Gu City, he naturally would not give in so easily.

"Since you are courting death, then don't blame me for being impolite!" The city Lord of Gu City said with a dark face.

He raised both of his hands and instantly emitted several rays of light from the surroundings of the palace. Strands of killing intent rushed towards him!

This was a killing formation! It was personally set up by the people of the Heavenly Cloud sect. Its purpose was to protect the city lord!

Strands of light weaved into a huge net in the void.

This net blotted out the sky and covered the Sun. Its imposing manner was magnificent, as if it was a huge cloud!

“Qin Yu, it’s still not too late for you to SCRAM NOW!”The city Lord said coldly.

Qin Yu sneered and said, “Didn’t you always want to capture me? Why are you chasing me away now?”

Seeing this scene, sister Lin hurriedly said, “Qin Yu, let’s hurry up and leave!”

Qin Yu ignored sister Lin. He raised his head and stared at this killing formation. He sneered and said, “What bullshit killing formation? This killing formation is set up like a pile of shit. You Don’t even need to find the core of the formation.”

“Arrogant! Die!”

The city lord couldn’t hold it in any longer. After he shouted, the killing array in the sky immediately rushed towards Qin Yu!

Qin Yu narrowed his eyes and golden light erupted from his body.

His fist contained extremely powerful power.

This was the absolute beginning holy fist! He raised his hand and unleashed the unparalleled power of the absolute beginning holy fist!

He rose up from the ground like a golden meteorite that was going against the trend. He charged forward with a crushing force!

“Boom!”

A loud sound exploded in the palace!

The sky seemed to have blossomed with brilliant fireworks, attracting the attention of countless people.

And that terrifying power was rapidly surging in all directions!

In less than half a second, the killing formation in the sky directly exploded!

And in the depths of the palace, a crisp cracking sound spread out!

This sound was precisely the sound of the formation’s eye shattering!

Qin Yu landed on the ground, and the surroundings slowly became quiet.

Qin Yu looked at the city lord coldly and said, "If it wasn't for the fact that your palace is still useful, that punch just now would have flattened this place."

Chapter 1454: Chapter 1,454, people of the northern lands

The surroundings were silent.

Qin Yu had relied on his powerful strength to actually control this killing formation to explode in mid-air.

Otherwise, the entire palace would have been destroyed.

The city Lord's face was filled with gloom, and his heart was trembling with fear.

Just one punch had shattered this killing formation. This was enough to prove that Qin Yu was not someone he could afford to provoke.

The city Lord took a deep breath. With a shake of his feet, he arrived in front of Qin Yu.

Following that, the city Lord asked in a deep voice, "What exactly do you want?"

Qin Yu raised his eyebrows. He raised his hand and patted the city Lord's shoulder, saying, "Don't worry. I just want sister Lin to stay with you. Of course, not only do you have to ensure her safety, you also have to serve her well."

The city Lord looked at sister Lin and couldn't help but feel relieved.

To a palace, it was nothing at all.

"No problem," said the city lord.

If he had known it was such a small matter, he wouldn't have made such a fuss.

"Sister Lin, you can stay here from now on and treat this place as your own home. If you need anything, just tell him," said Qin Yu.

Sister Lin seemed a little unnatural, but it was Qin Yu who fought for it, so she couldn't refuse, so she nodded and agreed.

"City Lord, I have to warn you. If anything happens to sister Lin, I will definitely make you lose your head," Qin Yu said with a sneer.

The city lord frowned. He put his hands behind his back to maintain the dignity of the city lord.

But the words from his mouth were extremely weak.

After settling sister Lin Down, Qin Yu turned around and left.

He summoned the Divine Eagle and rushed in the direction of the Heavenly Cloud sect.

Qin Yu sat cross-legged on the Divine Eagle and rushed towards the Heavenly Cloud sect.

After traveling for two days, Qin Yu, who was cultivating on the divine eagle, suddenly felt two waves of killing intent approaching.

Qin Yu opened his eyes and looked forward.

He saw two people wearing tight-fitting clothes and their faces were covered. They were rushing forward.

Qin Yu frowned slightly. His eyes couldn't help but look at these two people.

These two people seemed to have noticed Qin Yu's gaze. In the next second, they directly shot toward Qin Yu.

"Pa da."

These two people's bodies landed on the back of the Godly Eagle.

They sized up Qin Yu and said coldly, "He's only a nascent soul stage cultivator."

"Maybe he's a young master from a certain family," said the other person.

Qin Yu narrowed his eyes and looked at the two uninvited guests. He was a bit displeased.

"Kid, Lend Us Your Godly Eagle. We're on our way," one of them said to Qin Yu.

Qin Yu looked at him coldly and said, "What does it have to do with me whether you're on Your Way or not?"

Their expressions changed and they said coldly, "It seems that our words are not clear enough. Well, let me tell you, Your Divine Hawk belongs to us."

"Why are your faces so Big?" Qin Yu stood up from the Divine Hawk.

Seeing Qin Yu's leisurely and self-satisfied expression, the two of them could not help but snort coldly and say, "Kid, no matter what background you have, it's not enough in our eyes."

"Either you get lost now, or we will kill you. Choose for yourself."

Qin Yu looked coldly at the two of them and said, "What if I don't choose?"

"Then you are courting death!" One of them shouted loudly, his hand holding a radiance as he charged towards Qin Yu!

"Clang!"

His fist smashed firmly onto Qin Yu's chest, emitting a deafening sound. The radiance in his hand was also instantly dispersed!

On the other hand, Qin Yu stood there unmoving, like a rock.

"How is this possible!" The two of them immediately felt that something was wrong and turned around to run.

"You want to leave after coming here?" Qin Yu sneered. He waved his hand, and a golden palm directly slapped onto their bodies!

With just one slap, the bodies of the two of them were almost shattered, and fresh blood flowed out!

If it wasn't for the fact that the divine eagle was large enough, they would have already fallen ten thousand meters into the sky!

Qin Yu walked towards the two of them. He looked coldly at the two of them and said, "Snatching my things? I think you two are tired of living."

Just as Qin Yu was about to get rid of these two people, another figure shot over from not far away!

In the blink of an eye, he had already landed in front of Qin Yu.

Looking at the person in front of him, Qin Yu frowned slightly and said with slight surprise, "Senior Xiao Hai? Why are you here?"

Xiao Hai also said with some surprise, "Qin Yu? We meet again."

Then, he pointed at the two men in tight clothes and said, "I'm here to look for them. I didn't expect that they would fall into your hands. Thank you very much."

Qin Yu smiled bitterly and said, "I don't know who they are at all. They are the ones who insisted on snatching my things..."

Xiao Hai laughed out loud and said, "That's really a coincidence. Everything is God's will."

After saying that, Xiao Hai walked in front of the two men. He raised his hand and lifted the two men up.

“Tell me, who exactly are you people?” Xiao Hai said coldly.

These two people parted their mouths and said with a cold smile, “Xiao Hai... when our northern land attacks, the first person to be killed will be you!”

Chapter 1455: Chapter 1,455, challenging the Tianyun sect

“It’s the northern lands again.” Xiao Hai frowned.

“If it weren’t for you, the northern lands would have attacked us long ago!” The tight-fitting clothes said furiously.

“However, it’s useless for you to stop us. Soon, we will be connected to each other. At that time, no matter how capable you are, you can forget about stopping us!”

Xiao Hai looked at the two of them coldly and said, “Can’t You Live Your Own Life? Why do you have to eat the Southern Region?”

“Hahahaha! Cut the crap! Our northern land and the southern region can not live under the same sky!” The tight-fitting clothes shouted crazily.

“Do you think that it’s useful for you to stop us? Our northern land has already joined forces with the western ridge to besiege the southern region! It’s useless even if you stop us.”

“Why don’t you join us? With your ability, you will definitely be valued in our northern lands, and we will even let you be the number one person below the northern lands Lord! How about it?”

Xiao Hai looked coldly at the two of them and said, “As long as I, Xiao Hai, am still alive, we will not be able to start a war.”

After saying that, he waved his hand and directly crushed the two of them.

After getting rid of the two of them, Xiao Hai looked at Qin Yu and cupped his hands, saying, “Qin Yu, thank you very much.”

Qin Yu frowned and said, “Senior Xiao Hai, why has the northern lands always had designs on the southern region?”

Xiao hai sighed and said, “I don’t know either. In recent years, the northern lands have been acting frequently. I’ve always suspected that someone from our Southern Region has formed an alliance with them, but I can’t find any evidence.”

“Someone has formed an alliance with the northern lands? Senior Xiao Hai, who do you suspect?”Qin Yu asked in puzzlement.

Xiao Hai shook his head and didn't say anything else.

“Senior Xiao Hai, if the northern lands and the southern region really start a war, what difference does it make to you? With your abilities, you can go to other regions, even the central region,”Qin Yu said in puzzlement.

Xiao Hai glanced at Qin Yu and said, “I was born in the southern region and grew up in the southern region. How can I bear to see the Southern Region turn into a Wasteland?”

“Furthermore, the northern region is an extremely cold region. Their natures are ferocious and they don't care about civilization and morals. They expand without order to the outside world, burning, killing, and plundering. Once they step into the southern region, it will definitely cause a bloody storm.”

Qin Yu originally wanted to retort, but he changed his mind. If someone wanted to slaughter their way into Earth on a large scale, Qin Yu wouldn't agree either.

This might be the feeling of belonging to his hometown. Thinking of this, Qin Yu nodded to Xiao Hai and said, “Senior Xiao Hai, I understand.”

“Where are you going?”Xiao Hai changed the topic.

Qin Yu's gaze turned cold as she said coldly, “I'm going to the Heavenly Cloud sect. They killed my friends. I must make them pay the price.”

Speaking of this, Qin Yu changed her mind and asked, “Senior Xiao Hai, you won't interfere in this matter, right?”

Xiao Hai laughed loudly and said, “I've never interfered in the competition between sects.”

“That's good,”Qin Yu agreed.

After two encounters, Qin Yu had a general understanding of Xiao Hai.

He would never interfere in any fights within the southern region. Once it involved other regions, he would definitely not sit idly by.

After Xiao Hai greeted Qin Yu, he quickly left the place.

Qin Yu did not feel much about the war between the several continents.

After all, he hadn't been in the South Province for a long time, and he didn't belong here.

Another Day passed.

Qin Yu finally arrived at the Heavenly Cloud sect.

The huge divine hawk streaked across the sky above the Heavenly Cloud sect, attracting the attention of countless people.

At this time, the first elder had already woken up, and more than half of his injuries had recovered. However, he was still some distance away from the peak.

"Whose divine hawk is that? How dare it pass over the sky above our Heavenly Cloud Sect?"

"Who is so bold as to be tired of living?"

The first elder also raised his head to look at the godly eagle, and a person quickly appeared in his mind. It was Zhuo Jing.

"Could it be... Qin Yu? !"The first Elder's face changed, and he quickly thought of Qin Yu!

Before he could recover from his shock, a loud shout came from outside.

"First Elder, come out and face your death!"

The loud voice contained powerful spiritual power, shaking the entire heavenly cloud sect and making a buzzing sound!

The people around the heavenly cloud sect were also attracted by Qin Yu's loud shout.

Especially boss Zheng of an Fenglou. When he heard the voice, he hurriedly ran out.

"Qin... Qin Yu!"

When he saw Qin Yu at the entrance of the Heavenly Cloud sect, boss Zheng's expression immediately changed!

"Quick, close the door, close the door quickly!"Boss Zheng said in extreme fear.

But at that moment, a figure rushed out from the anfang building anxiously.

That person was none other than Ding Yi.

“Ding Yi, come back quickly!” Boss Zheng shouted anxiously.

How could Ding Yi listen to him? She ran in the direction of the Heavenly Cloud sect with all her might.

“Damn it, close the door!” Boss Zheng couldn’t care less. He was afraid that Qin Yu would come and find trouble with him.

When the door was closed, there were people watching from the dark.

Qin Yu looked at the Heavenly Cloud Sect’s door coldly and shouted angrily, “First elder, come out and face your death!”

The loud voice made the fragments of the heavenly cloud sect’s visitors fly everywhere. It seemed that they couldn’t bear it anymore.

“Qin Yu!”

At this moment, Ding Yi’s voice came from the crowd.

She ran towards Qin Yu while shouting Qin Yu’s name.

Qin Yu couldn’t help but look at Ding Yi, and his brows instantly furrowed slightly.

Following that, he raised his palm, and a huge force instantly made Ding Yi unable to move.

Chapter 1456: Chapter 1,456. First Elder, get out! 1

No matter how Ding Yi struggled, she could not move.

“Qin Yu!” Ding Yi shouted in Qin Yu’s direction.

Qin Yu did not make a sound. She just waved her hand, and a gentle force threw Ding Yi to the side.

Then, Qin Yu ignored Ding Yi. He looked coldly at the heavenly cloud sect and shouted, “First Elder, I came to look for you. Why? Don’t you even have the courage to face me?!”

The first elder naturally couldn’t stand being yelled at like that.

He gritted his teeth and cursed silently, “This little bastard...”

“First Elder, haven’t you been looking for me? Why? Don’t you want to take revenge for Ling Yun?” Qin Yu shouted crazily.

Finally, the first elder couldn't hold it in any longer.

Without a word, he was about to head out for the fight.

However, the deputy sect master stopped him and shook his head. "First Elder, in your current state, you're definitely not a match for Qin Yu."

First Elder said angrily, "Don't tell me we should just let him make a ruckus at the door! Then where will our Heavenly Cloud Sect's face Go!"

The deputy sect master said with a faint smile, "It's just a mere Qin Yu. I've long prepared for it."

After saying that, the void in front of him shook.

Then, a white-robed elder walked out.

He looked like a sage with a gentle expression.

However, there was a trace of viciousness hidden on his seemingly kind face.

"White-robed Daoist, I'll leave that Qin Yu to you," said the deputy sect master.

The white-robed Daoist bowed slightly and said, "Please Rest assured, deputy sect master."

After saying this, the white-robed Daoist was about to leave.

"Wait." But at this moment, the first elder suddenly called out to the white-robed Daoist.

With a thought, a chime bell appeared in his hand.

Upon seeing this chime bell, the deputy sect master could not help but be greatly shocked.

"This chime bell is a genuine void-returning artifact. I will hand it over to you now. You must kill him," the first elder said coldly.

The white-robed Daoist's eyes could not help but flicker with a strange light, and his heart was somewhat excited.

He had never expected that the first elder would actually directly take out the Heavenly Cloud Sect's void-returning artifact!

Although he was excited, he still smiled on the surface and said, "A mere Qin Yu is not worth using the void-returning artifact."

The first elder said coldly, "I thought the same before, but I've suffered at his hands time and time again... Listen well, no matter what, I want you to kill him as soon as possible!"

Seeing this, the white-clothed Daoist immediately kept it.

"Please rest assured, first elder. I'll definitely kill him," said the white-clothed Daoist.

After the white-clothed Daoist left, the first elder looked at the deputy sect master and said, "Eighteen Gods, please attack together."

The deputy sect master said in alarm, "First Elder, is a mere Qin Yu worth us sending out so many hidden forces? If we expose too much of our Heavenly Cloud Sect's hidden forces, it won't be a good thing."

This was also the sect master's opinion. He didn't like to reveal too much of his strength.

However, the first Elder's eyes had long turned red. As long as he could get rid of Qin Yu, he didn't care no matter how many hidden forces he sent out.

"Do as I say," the first elder said coldly.

The Deputy Sect Master was silent for a moment before saying, "First Elder, how about this? If the white-robed Daoist can't kill Qin Yu, we'll send out the eighteen gods."

The first elder wanted to say something, but the deputy sect master interrupted him and said with a faint smile, "This is also the sect master's idea. After all, no one knows how many enemies there are in the dark."

When the first elder saw this, he could only keep quiet.

Outside the door.

Qin Yu was still shouting loudly, and the person he was scolding was naturally the first elder.

"What? You Coward, are you afraid? If you are afraid, go out and kowtow to me three times. I can spare you!" Qin Yu laughed maniacally.

"Arrogant Brat, you don't know life from death."

At this moment, a cold voice was heard from the void.

Before Qin Yu could react, the void in front of him shook!

“Huh?” Qin Yu frowned slightly. A huge hand suddenly appeared in front of him and grabbed at Qin Yu’s chest!

The sharp attack was approaching. At such a close distance, there was nowhere to hide!

“RIP!”

That palm directly tore Qin Yu’s clothes into pieces, and even scratched his skin three times!

Qin Yu hurriedly took three steps back. He lowered his head to look at his chest, and could not help but feel rather shocked.

This palm was actually able to scratch his skin. How capable was this! !

That hand once again withdrew into the void. In the next second, the void in front of Qin Yu actually began to shake rapidly.

Qin Yu did not dare to be negligent. After he shouted loudly, his fist directly smashed into the void in front of him!

But what shocked Qin Yu was that the void was like a ball of cotton. Qin Yu’s fist directly sank into it!

“Clang!”

Before Qin Yu could withdraw his palm, he felt his hand being ruthlessly smashed by a hammer!

Qin Yu hurriedly withdrew his palm and his figure also shot backwards explosively.

It was obvious that this person was an expert in spatial arts.

Although his spatial arts could not compare to He Teng’s, it was not much different.

Qin Yu took a deep breath as his eyes lit up. The desolate God’s eye appeared in his mind.

Chapter 1457: Chapter 1,457, Huangji Buddha Flame! 1

Under the desolate God’s eyes, Qin Yu finally saw the white-robed Daoist clearly.

He was rapidly shuttling through space and closing in on him.

Just as he closed in, Qin Yu clenched his fist, and the Golden Fist arrived with a Bang!

“Boom!”

With a loud bang, the Void was directly shattered! And the white-robed elder also staggered out from within!

Qin Yu looked coldly at the white-robed Daoist and said, “Why? Does the first elder not dare to come out and send a little trash out to die?”

The white-robed Daoist looked at Qin Yu and said indifferently, “You are Qin Yu? Just now, it was just an appetizer. Don’t be anxious.”

“You can scram back. I’m Looking for the first elder,”Qin Yu said coldly.

The white-robed Daoist sneered, “If you want to see the great elder, it depends on whether you have the ability or not.”

With that, the white-robed Daoist suddenly raised his palm and slid toward the void in front of him.

In a moment, the space around Qin Yu suddenly exploded!

Without waiting for Qin Yu to react, his body directly fell into the void!

It was pitch-black around him, and there seemed to be countless sharp blades in the void that kept slashing toward Qin Yu’s body!

The white-clothed Daoist was not a person who liked to play. He wanted to end the battle as soon as possible so that the heavenly cloud sect could regain their face!

Therefore, the white-clothed Daoist directly took out the chime bell.

The instant the chime bell appeared, space immediately rippled.

Wisps of aura that only belonged to the return to void stage were reverberating.

“It’s a return to void stage weapon! The Heavenly Cloud sect actually directly used a return to void stage weapon!”

“This is one of the Tianyun sect’s hidden forces. It seems like they are really serious this time.”

“Not necessarily. Before sect master makes a move, no one knows what the result will be.”

As he spoke, the white-robed Daoist’s hand had already stretched out his aura and entered the chime.

Rays of light trembled on the chime and spread out!

The white-robed Daoist planned to directly shatter Qin Yu and that space! He did not give Qin Yu the slightest chance to escape!

“Qin Yu, remember in your next life. Do not offend the Heavenly Cloud Sect,”the white-robed Daoist said coldly.

With that, the radiance instantly arrived!

This was the aura of the return to void stage. Its power was boundless. Ten thousand strands of resplendent radiance shattered the void!

All the radiance exploded in the void where Qin Yu was!

Everything disappeared in an instant. It was as if the entire world was on the verge of destruction!

The terrifying return to void stage aura continued to surge in all directions. Cracks appeared in the void, and in the end, it directly exploded!

The entire void instantly lost its color. It was as if it had separated from this world. It was incomparably terrifying!

“This... This is a return to void stage artifact...”someone was in extreme pain. Blood continuously gushed out from his mouth.

There were even people whose pores were bleeding. This was the power of a void-returning artifact, and it was incomparably terrifying!

Even the surrounding spectators had suffered such an impact. Qin Yu, who was at the center of the storm, could be imagined!

“It’s over,”the white-robed Daoist said indifferently.

Everyone stared at the space that had been blasted through, as if waiting for the light to dim to see Qin Yu’s current condition.

“Don’t think about it. I’m afraid he didn’t even leave behind a corpse,”someone said.

“That might not be the case. Although the Heavenly Cloud sect is strong, who knows if Qin Yu has any supreme treasures on him? Don’t forget that Qin Yu is very close to Jue Wu and Wen Wanli.”

Everyone discussed animatedly, and finally, the light gradually dissipated.

Qin Yu's clothes were tattered, and his body was enveloped by a ray of light.

Under this light, Qin Yu was gasping for air. It was obvious that he was also in an extremely sorry state.

With a closer look, one could clearly see that Qin Yu's body was emitting traces of flames.

And it was this kind of flame that saved Qin Yu's life.

"Fortunately, there's the Huangji Buddha Flame..." Qin Yu held the flame in his hand and said in a low voice.

This was the Huangji Buddha flame that came from Huangji Mountain! It was said that this item was transformed from the corpse qi of a grand cultivator, and it was extremely powerful!

Qin Yu had relied on the Huangji Buddha flame to withstand this void transformation attack!

"Eh? He didn't die?"

"Look, what is he holding in his hand!"

"It seems to be... The Huangji Buddha Flame! How could this guy have the Huangji Buddha Flame in his hand?!"

"The Huangji Buddha Flame seemed to have appeared in the GU city auction not long ago, but it disappeared in the chaotic battle. Could it have been taken away by Qin Yu?!"

Even the white-robed Daoist widened his eyes. He looked at the Huangji Buddha Flame in Qin Yu's hand with excitement!

"Brat, why is the Huangji Buddha Flame in your hands?!" The white-robed Daoist shouted loudly.

Qin Yu sneered, "What does this have to do with you?"

The white-robed Daoist said with a solemn face, "If you are willing to hand over the Huangji Buddha Flame to me, I can spare your life and let you leave."

"F * ck you. Today, I came to find trouble with the Heavenly Cloud Sect, not you," Qin Yu said with a cold smile.

The white-robed Daoist took a deep breath and suppressed the excitement in his heart. He said with a cold smile, "Alright. After I kill you, this Huangji Buddhic Flame will naturally be mine."

"Hahaha, that will depend on whether you have the ability or not!"

Qin Yu put away the Huangji Buddha Flame. All the spells were activated at this moment!

Chapter 1458: Chapter 1,458, Dragon Drawing Divine Slash 1

All of Qin Yu's spells were activated at this moment.

Battle word incantation, saintly body art. His entire body was enveloped in golden light, as if a deity had descended to the mortal world.

He stared at the white-robed Daoist not far away, his face emitting an icy cold killing intent.

The white-robed Daoist was not flustered. He had a void-returning artifact in his hands, so he naturally would not place Qin Yu in his eyes.

"Hand over the Huangji Buddhist flame and I'll spare your life," the white-robed Daoist coldly berated.

Qin Yu sneered, "That depends on whether you have the ability or not."

The white-robed Daoist did not waste any words and immediately activated the virtual entity again!

Qin Yu had seen the power of this virtual entity, so he did not dare to be negligent. He immediately activated the Huangji Buddhist flame again, intending to resist this virtual entity.

At this moment, the void space trembled.

In a short moment, eighteen figures appeared in front of everyone.

Eighteen figures surrounded Qin Yu, giving off an imposing aura as a terrifying aura reverberated in the surroundings.

Seeing these eighteen figures, the white-robed Daoist couldn't help but frown.

"I alone can kill Qin Yu." The white-robed Daoist seemed somewhat unwilling.

But the eighteen figures completely ignored the white-robed Daoist. They were like machines, coldly looking at Qin Yu.

“It’s the eighteen gods of the Heavenly Cloud sect! It’s said that the eighteen gods are ruthless killing machines, incomparably powerful!”

“The Heavenly Cloud sect has used all their trump cards today. What are they trying to do!”

“It’s been too long since the southern region has experienced the terror of the Heavenly Cloud sect. I’m afraid this Qin Yu will suffer today.”

Qin Yu looked at the eighteen gods and felt a sense of foreboding.

For some reason, the eighteen gods did not have much aura fluctuations on their bodies, but they could make people feel terror from the bottom of their hearts.

“Damn it!” The white-robed Daoist cursed. He did not want to give up just like that. He immediately activated the void-returning artifact again, intending to Behead Qin Yu!

However, the eighteen gods were even faster than him!

They raised their palms at the same time, and beams of light that seemed to have control over order suddenly arrived!

It was unknown where this light came from. It was as if they had dragged it out from the void. It was incomparably terrifying!

The eighteen gods attacked at the same time, and the light suppressed towards Qin Yu!

This aura was terrifying. It even surpassed that void-returning artifact!

Qin Yu’s expression changed drastically. He did not dare to be negligent, and hurriedly activated his ten thousand arts shattering fist to meet this radiance!

“Boom!”

When the ten thousand arts shattering fist came into contact with this radiance, it was actually directly forced back!

That radiance had an extremely powerful suppressive force, as if it wanted to suppress Qin Yu Here!

Qin Yu’s expression changed drastically! This was the first time that the ten thousand arts shattering fist had lost its effect!

“The Heavenly Cloud sect is indeed not simple!”Qin Yu thought to himself that things were not looking good. He immediately activated the ‘action’word formula, intending to leave this place.

However, it was already too late to retreat now!

The radiance tore through the void, directly pressing down on Qin Yu’s shoulders!

In just an instant, Qin Yu felt that his shoulders were bearing the power of heaven and earth, incomparably heavy!

His body was quickly crushed, almost crushed by this light!

“Ah! !”Qin Yu’s mouth roared repeatedly, trying his best to break through this power!

However, Qin Yu’s spiritual power had recovered to the limit, and he was still unable to stop this light’s tendency.

The eighteen gods coldly looked at Qin Yu who was struggling, and there was not the slightest expression on their faces.

According to this trend, Qin Yu would probably be crushed into minced meat, and at that time, even his primordial spirit would not be able to escape!

Just as the radiance was about to crush down and everyone was about to leave, a streak of golden light suddenly shot out!

In the next second, Qin Yu’s body was bathed in golden light. His body was rapidly expanding!

Even that radiance could not stop Qin Yu’s body from expanding!

In a short instant, the radiance was directly shattered! And Qin Yu’s body had already grown to several meters tall. He was like a giant!

“Eh?”

The eighteen gods frowned slightly, as if they did not expect Qin Yu to escape.

Qin Yu looked down at his own body, only to feel cold sweat flowing down his back.

If he had not used the limitless dharma idol at the critical moment, he might have been crushed to death by this light!

“What kind of spell is this?”The surrounding crowd seemed to have never seen such a spell before, and their eyes revealed astonishment.

Under the support of the limitless dharma idol, Qin Yu's aura also increased by a few points.

Not only that, his body was huge, and he did not sacrifice his speed.

Qin Yu looked at the eighteen gods and immediately clenched his fist and smashed it!

This punch was like a meteorite falling from the sky, incomparably terrifying. Even the void could not withstand this enormous force and was directly shattered!

However, the eighteen god-men instantly disappeared without a trace. In the next second, they reappeared from afar.

The eighteen god-men's faces turned ice-cold. They used the same trick again. The eighteen men stretched out their palms at the same time.

An even more magnificent light suddenly appeared! This time, the light directly transformed into the shape of a chain and instantly bound Qin Yu's hands and feet!

Qin Yu frowned slightly. He tried to struggle, but he found that he could not break free at all.

The chain came from somewhere unknown. It seemed to have no source, but it also seemed to have been born in the primal chaos, without a trace.

Even though Qin Yu tried his best to break free, the chain did not move at all.

The eighteen gods looked at Qin Yu coldly, and then reached out their hands again.

"Dragon drawing... Divine Slash!"

The eighteen people's mouths spoke at the same time!

In the next second, an extremely terrifying light condensed in their hands. It was as if a swimming dragon had appeared in the air, and it was also like a sharp blade. It changed endlessly as it headed straight for Qin Yu!

Qin Yu's expression changed drastically. He struggled crazily, but he was still unable to break free from this chain!

"Chi la!"

The Dragon Lure divine slash slashed fiercely across Qin Yu's body!

A bloody scar instantly appeared on Qin Yu's incomparably huge body!

This bloody scar was more than ten centimeters deep, and one could almost see the white bones hidden in his body!

Fresh blood poured out like a rain of blood, and the scene was immediately filled with an extremely strong bloody smell!

“Eh?”

The eighteen gods seemed to be quite surprised, and their eyes revealed a puzzled look.

The white-clothed Daoist by the side couldn't help but turn pale with fright!

“This child's physical body is truly terrifying,” the white-robed Daoist said in a low voice.

The surrounding people also whispered amongst themselves, “It's said that even void-level experts wouldn't dare to take the eighteen gods' dragon drawing divine slash head-on.”

“That's right. Back then, the dragon drawing divine slash had killed countless peak-stage mighty figures. There were even half-step void-level experts who almost lost their lives to this technique.”

“Just what kind of background does this Qin Yu have? His physical body is so terrifying, and his technique is also extremely strange. I've never heard of such a technique in the southern region.”

Chapter 1459: Chapter 1,459, Eternal Limit's invitation 1

No one seemed to have expected that Qin Yu could actually withstand the eighteen godly men's dragon drawing divine slash.

In the Heavenly Cloud Sect, the first Elder's face was ashen.

“This Qin Yu is really not simple. No wonder you have suffered losses in his hands time and time again,” the deputy sect master said from the side.

The first elder, who was already furious, was even more furious when he heard this.

“Are you mocking me?” The Great Elder said with a gloomy face.

The deputy sect master laughed and said, “Of course I don't have such intentions. If it really doesn't work out, I'll ask the sect master to help.”

“There's no need!” The Great Elder rejected the deputy sect master's suggestion without even thinking.

He said with a gloomy face, "The eighteen gods beheading him, Qin Yu, is like chopping melons and vegetables. Just wait and see."

Outside.

The eyes of the eighteen gods became colder and colder.

They looked at Qin Yu, planning to attack again.

Facing these eighteen gods, Qin Yu couldn't find any countermeasures at the moment.

"Matchless... Imperial Seal!"

At this moment, the eighteen gods shouted at the same time!

They attacked together, striking out an extremely powerful mark!

This mark swept across the void, as if it had crossed space and time!

The extremely powerful pressure made Qin Yu feel a little breathless.

Even if he had the limitless dharma idol, he was still unable to resist!

The eighteen gods were one of the Heavenly Cloud Sect's trump cards, so their strength naturally did not need much to be said.

As for Qin Yu, he was only a nascent soul realm cultivator. Facing the Heavenly Cloud Sect's foundation, he quickly fell into a disadvantageous position.

Qin Yu raised his head and roared angrily. His entire body glowed with golden light, attempting to resist this technique.

However, at this moment, a resplendent beam of light seemed to come from the sky and pierced straight towards the seal.

"Dang!"

A loud sound exploded beside Qin Yu's ear! The unparalleled imperial seal was actually shattered!

"What's Going On!" The surrounding people could not help but be greatly shocked.

With a closer look, they saw that the light was wrapped around a dagger.

This seemingly simple dagger had directly destroyed the unparalleled imperial seal!

“The Heavenly Cloud sect sent out eighteen gods to deal with a junior. Isn’t this a bit too much of a bully?”

A voice slowly came over.

Following that, several figures appeared in front of everyone.

The person in the lead was actually Mister Yongji!

Beside him were many of Yongji’s adopted sons!

“Mr. Yongji? Why is he here?”

“Could it be that Qin Yu is still in contact with Mr. Yongji?”

“D * mn, what kind of dog Sh * t luck is this kid? Other than the Heavenly Cloud sect, he knows all the big shots in the entire South Province!”

Seeing Yongji suddenly arrive, Qin Yu was also somewhat surprised.

He put away his Infinity Dharma Idol and returned to normal. Then, he quickly walked toward Yongji.

“Mr. Yongji, you are...”Qin Yu looked at Yongji suspiciously.

There was not much history between the two of them. There was no reason for him to help him.

Yongji said with a faint smile, “I knew you would come to seek revenge from the Heavenly Cloud sect. But with your strength alone, how could you be a match for the Heavenly Cloud Sect?”

Qin Yu was silent. He had indeed underestimated the heavenly cloud sect.

A sect that could persevere for so many years in the South Province did indeed have some ability.

“Yong Ji! What do you mean? !”

At this moment, the shadow of the first elder suddenly appeared.

He glared angrily at Yong Ji and shouted, “Yong Ji, our Heavenly Cloud Sect and your eternal pole city have always stayed out of each other’s way. Do you want to start a war with our heavenly cloud sect? !”

Yongji smiled and said, "I don't dare to start a war. It's just that I like Qin Yu very much, so I stepped in to save her."

"Nonsense!" The first elder said angrily.

"Yongji, I advise you not to meddle in this matter. Qin Yu Must Die!"

Yongji put his hands behind his back and said indifferently, "I will definitely meddle in today's matter."

The first elder and Yongji looked at each other, and the atmosphere became a bit strange.

"Yong Ji, you'd better not provoke my heavenly cloud sect," the great elder said coldly.

Yong Ji cupped his hands and said, "Of course I won't provoke the Heavenly Cloud sect, but I won't stop today."

Then, Yong Ji looked at his adopted son and said with a smile, "I have eighteen people with me. Maybe I can fight with the eighteen gods of Your Heavenly Cloud Sect."

The great elder gritted his teeth. He didn't expect that Yong Ji would be involved.

However, Yong Ji was powerful and had an extraordinary foundation. If the sect master didn't come out, no one would be able to deal with him.

"Qin Yu, consider yourself lucky." The Great Elder looked at Qin Yu coldly.

Qin Yu also sneered, "I'll leave your dog head for you. Sooner or later, I'll cut it off myself!"

The first elder didn't say anything else. His figure slowly disappeared.

And the eighteen gods didn't say any nonsense. They turned around and returned to the Heavenly Cloud sect.

Yong Ji looked at Qin Yu and said, "How is it? Are You Hurt?"

Qin Yu touched the huge bloody hole in her chest and shook her head. "I'm fine. It's just a superficial wound."

Yong Ji grunted in gratitude and then said, "Do you want to go to the Eternal Limit City with me?"

"Forget it. I still have some matters to deal with," Qin Yu said perfunctorily.

Although Yong Ji had saved her, for some reason, Qin Yu felt that Yong Ji was not a good person.

Yong Ji smiled and did not force her.

“I’ve invited many of the top people from the South Province to meet in eternal fortress city for half a month. You should come along,”Yong Ji suddenly said.

Before Qin Yu could reply, Yongji continued, “The unique dance that you are familiar with will also be there. Of course, Xiao Hai and the others will also be there.”

Hearing this, Qin Yu said awkwardly, “How can I be qualified to participate in such a grand event?”

Yongji laughed loudly and said, “You are one of the best in your generation. Naturally, you have the qualifications to participate. Don’t try to avoid it anymore.”

Yong Ji had just saved him, so he couldn’t avoid it too much.

Thus, Qin Yu could only nod and agree.

Yong Ji didn’t stay any longer. He turned around and left with his disciple.

After he left, Qin Yu wasn’t in a hurry to leave either.

The last time he came to this city, he didn’t have the time to observe properly. This was an opportunity.

Thus, Qin Yu directly walked towards an Fenglou.

The main door of an Fenglou was tightly shut. No one dared to open the door when they heard the knocking.

“Boss Zheng, open the door,”Qin Yu shouted.

When boss Zheng in an Fenglou heard this, his body immediately trembled.

“Everyone, don’t speak...”boss Zheng said in a low voice.

At this moment, Qin Yu’s shout came from outside the door, “Open the door. Don’t worry, I Won’t do anything to you. I just want to stay here for a few days.”

Chapter 1460: Chapter 1,460. Different paths lead to different strategies

Even so, boss Zheng still hid inside and didn’t dare to say a word.

Qin Yu shouted, "If you don't open the door, I'll tear down this lousy place for you!"

After hearing this, the door finally opened.

And the person who opened the door was none other than Ding Yi.

She looked at Qin Yu excitedly, her eyes shining like stars.

"Qin Yu..."Ding Yi called out Qin Yu's name softly.

Qin Yu glanced at her and said with a smile, "Alright, Hurry up and get me a room. I plan to stay here for a few days."

When Ding Yi heard that, he immediately said excitedly, "Okay, okay, I'll go now!"

Then, Qin Yu Strode into Anfeng Building.

He went straight to the private room on the second floor and shouted, "Hurry up and get me some food. Bring me all the good food!"

...

Half an hour later.

In the private room on the second floor, the table was filled with delicacies, and boss Zheng was smiling submissively at the side.

As for Qin Yu, he was eating and drinking.

After a full meal, Qin Yu wiped his mouth and stretched. He said, "I'll be staying here for the next few days. Boss Zheng, do you have any objections?"

Boss Zheng Shivered and said with an embarrassed smile, "Look at what you said. I . . . I don't dare to have any objections..."

"That's good."Qin Yu patted his shoulder and said, "Don't worry. I Won't do anything to you. But Don't disturb me for the next few days."

"Also, you have a lot of medicinal herbs in Anfeng Tower, right? Send them all to me."

Boss Zheng smiled apologetically, but he had a hard time saying it in his heart.

As a relative of the great elder, many of the heavenly cloud sect's medicinal herbs would be stored here.

Now that Qin Yu opened his mouth to ask for them, he didn't dare to refuse.

Then, Qin Yu went straight to his room.

“This place is really an excellent place for cultivation,” Qin Yu said with a sigh.

He tried to sense the surrounding spiritual energy and found that the spiritual energy here was actually not inferior to that of Mount Hua Ning.

In addition to the medicinal herbs that boss Zheng had sent over, Qin Yu planned to rely on these few days to recover his spiritual energy to its peak and then break through to the Almighty Realm in one go.

As long as he stepped into the Almighty Realm, the eighteen gods Qin Yu was not afraid at all.

A moment later, boss Zheng sent over a large number of medicinal herbs according to Qin Yu’s request.

Qin Yu’s mind moved and he took out the dragon cauldron.

Immediately after, a fiery purple spiritual fire appeared on his palm. The fire danced in his palm and flickered with a demonic radiance.

Qin Yu didn’t waste any time. He used these medicinal herbs to start refining pills.

In the next few days, Qin Yu didn’t leave the room.

Ding Yi stood at the door. He wanted to come in and greet him many times, but he didn’t have the courage.

“Ding Yi, you have to save me.” On this day, boss Zheng found Ding Yi.

He begged bitterly, “You are close to Qin Yu. You have to put in a good word for me...”

Ding Yi said in confusion, “Didn’t he say that he won’t do anything to you...”

“Sigh, how can you believe these people’s Words? They say that they don’t care, but who knows if he will deliberately find trouble...” boss Zheng kept sighing.

Ding Yi snorted, “If you knew it would be like this, why did you inform them? I heard that because of you, one of Qin Yu’s friends died at the hands of the Great Elder.”

Boss Zheng smiled bitterly, “I didn’t expect things to develop to this stage... Ding Yi, you have to help me.”

“Sigh, I’ll try,” Ding Yi said without confidence.

Ever since she found out Qin Yu's identity, Ding Yi didn't dare to get close to Qin Yu.

Her heart was very complicated. She wanted to be by Qin Yu's side, but she was also a little afraid.

Just like these few days, she had always wanted to greet Qin Yu, but she didn't have the courage.

...

While Qin Yu was cultivating in seclusion, there were more and more operations in the northern lands.

More and more people relied on the teleportation array and the void portal to enter the southern region.

After they arrived at the southern region, they began to burn, kill, and plunder. Men, women, old, and young were all affected.

Especially in the border area, where the cultivators were suffering unspeakably.

Although Xiao Hai was powerful, there were too many people on the other side. He simply couldn't kill his way over.

As the true controller of the Southern Region, the heavenly cloud sect naturally sent a large number of people to the border. The southern region and the northern region seemed to have begun a direct conflict.

...

A few days later.

Qin Yu finally opened the door to his room.

In his hand, there were dozens of pills.

These pills all contained extremely strong spiritual energy.

However, Qin Yu was not in a hurry to consume them because there was only a week left before the gathering in Yongji City.

Qin Yu planned to set off early and make a trip to the green rock forest first.

Firstly, he had promised Fang Fang that he would bring them to the hunter organization.

Second, he would go to the hunter organization to take revenge.

Then, Qin Yu put away the pills and walked straight to boss Zheng's office.

Seeing Qin Yu's figure, boss Zheng couldn't help but shiver.

He smiled embarrassedly and said, "Qin... Qin Yu, what's wrong? What's the matter?"

Qin Yu took out 10,000 spirit coins and slapped it on boss Zheng's desk.

"Just take it as my accommodation and food expenses for the next few days," said Qin Yu.

Boss Zheng said with a terrified look, "You're too kind. It's my honor for you to come to an Fenglou. I..."

"Alright, stop talking nonsense. I'm leaving today," Qin Yu interrupted boss Zheng.

Hearing this, boss Zheng was overjoyed.

Although he tried his best to hold back his smile, he couldn't help but laugh out loud.

"Qin Yu, why don't you stay for a few more days..." boss Zheng said while holding back his laughter.

Qin Yu glanced at him and said, "If I stay any longer, you might get a heart attack."

Then, Qin Yu turned around and walked out of the room.

Just as Qin Yu was about to leave, Ding Yi suddenly caught up.

She stood behind Qin Yu and whispered, "Qin Yu, can you take me with you?"

"Take you with me? Why are you following me?" Qin Yu said with a frown.

Ding Yi hurriedly said, "I want to follow you to punish Evil!"

"Punish Evil?" Qin Yu couldn't help but laugh. "When did you see me punish evil? I killed all my enemies. I never like to meddle in other people's business."

"But..."

"There's no buts. Although I'm not a bad person, I'm definitely not a good person," Qin Yu interrupted Ding Yi.

"You and I have different beliefs. We can't be together."

Ding Yi opened his mouth and wanted to say something, but Qin Yu had already summoned the Divine Eagle.

He stood on the back of the Divine Eagle and flew into the distance.
