

MY RICH WIFE

Chapter 1461 – 1470

passing through the eternal limit city

Chapter 1461: Chapter 1,461, passing through the eternal limit city

From here to the Green Rock Forest, they would pass through the eternal limit city.

Qin Yu flew over the Eternal Limit City on the Divine Eagle.

Looking down from above, the eternal limit city was filled with cheers and laughter, and the scene was prosperous.

The structure of the entire city was impregnable.

There were many arrays in the eternal limit city, and each array was formed from the outline of the Great Dao, with boundless power.

Anyone who could enter the Eternal City had an extraordinary status.

They were either people of great wealth or powerful people.

Qin Yu looked down at this city, which didn't look huge, and felt the aura emitted from it.

Every strand of aura was quite extraordinary.

"This eternal city looks like a city of bliss," Qin Yu said in a low voice.

This city clearly looked very prosperous, but for some reason, Qin Yu didn't like it at all.

There was no other reason. This city gave Qin Yu the feeling that it was a paradise for people with status.

And in such a place, white bones were usually buried behind.

Qin Yu didn't stay too long. He just flew across the sky above Yongji City.

But even so, Mister Eternal Pole still felt Qin Yu's aura.

He sat in the hall, his eyes piercing through the thick walls, looking straight at Qin Yu who was rushing past.

"Foster father, Qin Yu just flew over our eternal pole city." At this time, Eternal Pole's foster son walked forward and said.

Eternal Pole drank a mouthful of tea and said indifferently, "I saw it."

The foster son frowned and said, "Foster Father, you just saved his life. He passed through our city, but he didn't have any intention of visiting you. He..."

The Foster Son didn't finish his words, but the meaning was very obvious.

Yong Ji didn't care. He smiled and said, "What difference does it make whether he visits you or not?"

The foster son opened his mouth. He wanted to say something, but was interrupted by Yong Ji with a wave of his hand.

"This Qin Yu is a little too arrogant," his foster son thought to himself.

"Does he really think that by killing Ling Yun, he can ascend to the top of South Province? He's just a frog at the bottom of a well."

This kind of thought lingered in the hearts of almost every foster son in Yongji city.

...

After an unknown amount of time, Qin Yu finally arrived near Qingyan Forest once again.

This place was the same as before. A few stars away from the Green Rock Forest, there were tea pavilions, restaurants, and so on.

Qin Yu put away the Divine Eagle and walked towards the edge of the Green Rock Forest.

It was noon, but there were already many people gathered near the green rock forest.

They seemed to be waiting, waiting to enter the Green Rock Forest Tomorrow.

Qin Yu released his spiritual sense, covering a radius of nearly ten stars, in an attempt to find the figure of the Fang.

Unfortunately, even though Qin Yu's spiritual sense was strong, he still couldn't find Fang.

"He must have gone hunting," Qin Yu thought to himself.

Fang's small team would enter Qingyan Forest to hunt almost every day, and today was no exception.

Fortunately, Qin Yu was not in a hurry. He simply found a place to sit down and waited for the sky to turn dark.

As long as the sky turned dark, Fang would definitely leave Qingyan Forest.

Time passed by minute by minute. Qin Yu closed his eyes slightly and tried to absorb the surrounding spiritual energy.

However, the spiritual energy here was too thin. Even if he cultivated with all his strength, the effect would be minimal.

"Qin Yu? Mr. Qin, are you going to step into Qingyan forest too?"

"It's Qin Yu? He's actually here too!"

"Mr. Qin, can we step into Qingyan Forest Together?"

Upon hearing Qin Yu's name, many people quickly gathered around them.

They all wanted to pull Qin Yu into their team to provide more protection for their team.

Facing everyone's invitation, Qin Yu could only reject them one by one. Then, he closed his eyes again.

Time flew, and the sky gradually darkened.

Many people also walked out of the Green Rock Forest. Some were seriously injured, some were full of joy, and of course, some stayed in the green rock forest forever.

Qin Yu hurriedly stood up. He released his divine sense, afraid that he would miss it.

But after a long time, Qin Yu still did not find any traces of Fang Fang.

Seeing that the sky was getting darker and fewer people walked out of the Green Rock Forest, Qin Yu also had a bad premonition.

“Could it be that... something happened to Fang Fang?” Qin Yu frowned.

Hunting in the green rock forest was like stepping into the underworld. No one could guarantee that they could escape unscathed.

As time passed, the sky was completely dark.

Qin Yu stood there and stared at the Green Rock Forest.

There was no one in the green rock forest. At this time, those who should have left should have already left.

Qin Yu's expression became more and more serious.

He swept his gaze around and said in a low voice, “May I ask who here knows Fang Fang?”

This voice contained spiritual power. Although it was low, it reached everyone's ears.

“May I ask who knows Fang? If there is news of Fang, I, Qin Yu, will definitely give you a big thank you,” Qin Yu repeated.

The people around all turned their heads to look in Qin Yu's direction, but no one said anything.

Just as Qin Yu was about to give up, someone suddenly walked towards Qin Yu.

“Mr. Qin, the Fang you mentioned, is it the Fang that hunts here?”

The person who spoke was a young rough man. There were clearly visible scars on his body.

Qin Yu nodded and said, "That's right."

The rough man sighed and said, "Mr. Qin, I'm afraid you won't be able to find him."

Qin Yu's face slightly changed, and she hurriedly asked, "Where did he go?"

The rough man said with a somewhat regretful tone, "Their small team was killed by the Mo family."

My Rich Wife - Chapter 1462 - Mo family's gambling city 1 –

Chapter 1462: Chapter 1,462, Mo family's gambling city 1

Qin Yu was stunned. He hurriedly looked at the rough man and subconsciously grabbed his arm. "You... What did you say? Fang Fang and the others... were killed?!"

"Yes, I heard that they offended the MO family. The Mo family sent three mighty figures to kill them in the Green Rock Forest. They didn't even leave behind their corpses," the rough man continued.

Qin Yu unconsciously took a few steps back, and his expression became even more unsightly.

"The Mo family..." Qin Yu muttered in a low voice.

At this moment, his heart was extremely complicated.

Anger and guilt surged into his heart.

The members of the Mo family must have blamed Fang Fang and the others.

They didn't dare find trouble with Qin Yu, so they killed Fang and the others to vent their anger.

"It's all my fault..." Qin Yu let out a long sigh.

Qin Yu should have thought of this. If he had brought them to the hunter organization earlier, such a tragedy wouldn't have happened.

“Do you know where the Mo family is?”Qin Yu looked at the rough man.

The rough man scratched his head and pointed forward. “It’s in the Mo family city ahead.”

Qin Yu nodded and said, “Thank you.”

Then, Qin Yu flipped his palm and took out a pill, handing it to the rough man.

“This is the eternal pill, which contains extremely strong spiritual energy. Take it as a thank you,”said Qin Yu.

The Rough Man took the eternal pill, and a trace of shock appeared on his face.

“Thank... Thank you, Mr. Qin!”The rough man hurriedly cupped his hands.

Qin Yu did not stay any longer. He summoned the Divine Eagle and rushed towards Mo Jia Cheng.

On the way, Qin Yu was constantly reflecting on himself.

During this period of time, many people had already been affected by Qin Yu. At worst, they would be suppressed, and at worst, they would lose their lives.

And many of these tragic cases could have been completely avoided. It was only because of his own negligence that the consequences had resulted.

Qin Yu took a deep breath and looked at the direction of the Mo family city with an ice-cold gaze.

The godly eagle was extremely fast and soon arrived near the Mo family city.

The Mo family city was quite prosperous. Although it couldn’t be compared to Gu City, it was still bustling with people.

Qin Yu put away the godly eagle and strode into the Mo family city.

In the Mo family city, there was an extremely huge gambling success. It was said that the daily flow of money in this gambling city was tens of millions of spirit coins.

More than half of the Mo family’s income came from this gambling city

Qin Yu went straight to the gambling city. He raised his head and looked at the sign. After confirming that it was correct, he strode into it.

Not long after Qin Yu stepped into the gambling city, someone recognized Qin Yu's identity.

And the person in charge of the Mo family's grounds soon discovered Qin Yu.

"Is that Person Qin Yu?" In the dark, a white-clothed elder pointed in Qin Yu's direction and asked.

Another person frowned and said, "It seems to be him. Why is he here?"

"He's probably here to play," the white-clothed old man guessed.

However, another person shook his head and said, "That's not right. We just killed Fang Fang and the others, and he came here. I'm afraid he's here to look for trouble."

"Hahaha!" The white-clothed old man shook his head. "That Fang Fang or whatever is just an insignificant small figure. Why would Qin Yu go to such great lengths for them and specially make a trip to the Mo family town? You're thinking too much."

"Even though that's the case, it's better to be safe than sorry. It's better to report it to the family head."

With that, he turned around and left.

Mo family.

This young man walked in with quick steps.

"Hammer, what are you doing here?" A woman with a graceful figure asked.

This woman was beautiful, and there was a trace of unconcealable power between her brows. She must have a high status in the Mo family.

The young man called Hammer glanced at her and said, "I'm looking for the family head for an urgent matter."

"The family head is currently busy and doesn't have the time to see you," the woman said indifferently.

Hammer said coldly, "Then I'll have to trouble you to inform him that Qin Yu has arrived and is currently in Las Vegas."

"Qin Yu? Is that the Qin Yu Who Killed Young Master?" After hearing these words, a trace of surprise flashed in the woman's eyes.

"That's right." Hammer said coldly, "Whether you want to report it or not, it's up to you."

This woman naturally did not dare to be negligent. She immediately brought hammer and quickly walked towards the Mo family's backyard.

In the backyard, an old man dressed in fireworks was sitting upright under a huge rock with his eyes closed as he cultivated.

One could see that this huge rock was emitting a faint radiance. This radiance covered the old man's body and emitted a fog-like aura.

This huge rock was the Mo family's ancestral treasure.

It was said that this treasure was no less precious than the Heavenly Cloud Sect's sect master's enlightenment tree.

And this old man was none other than the Mo family's sect master, Mo Hong.

"Sect master, something has happened." The woman quickly walked in front of him and said in a low voice.

Mo Hong slowly opened his eyes and said, "Didn't I tell you not to disturb me while I'm cultivating?"

The woman frowned slightly and whispered, "Qin Yu is here."

As soon as she said this, Mo Hong's expression changed slightly, but it quickly eased up.

"Where is he now?" Mo Hong asked casually.

Hammer at the side hurriedly said, "He's in our gambling city."

Upon hearing this, Mo Hong said indifferently, "Our Mo family's gambling city is famous throughout the world. He's most likely attracted here."

Chapter 1463: Chapter 1,463, Outstanding Talent of the Mo family

Hammer frowned and said, "Family head, you should be more careful. After all, we just killed that Fang..."

Hearing this, Mo Hong could not help but snort coldly and said, "That Fang is just a low-level nobody. If we kill him, so be it. He, Qin Yu, killed my son. I haven't settled the score with him yet!"

If not for the fact that he was afraid of Qin Yu's strength, Mo Hong would have Chopped Qin Yu into a thousand pieces long ago.

Fortunately, Mo Hong had many descendants. He had eighteen sons alone.

Among them, young master Mo, who was killed by Qin Yu, was only ranked second among his sons.

“Family head, what should we do now?” Hammer asked.

Mo Hong slowly stood up. He did not want to stir up trouble, so he naturally planned to calm things down.

“Go and tell him that all of his expenses today will be paid by my Mo family,” Mo Hong said with a faint smile.

Hammer heard this and quickly nodded, “Okay, I got it.”

Then, hammer turned around and walked out of the door.

Once he walked out, hammer could not help but curse, “D * mn, this old thing is really cowardly. Not only does he not dare to take revenge after his son was killed, he actually wants to show goodwill.”

Even though that was the case, he still followed Mo Hong’s request and returned to the gambling city.

At this moment, Qin Yu was sitting at a gambling table, quietly watching.

Qin Yu didn’t know much about gambling in the holy region, and all he knew was that there was only one gambling stone.

And the gambling here, in addition to using spirit coins, would also use one’s own foundation, such as cultivation techniques, heavenly and earthly treasures, and so on.

Some people even took out all the treasures they had on them.

Seeing these gamblers’ red eyes, Qin Yu couldn’t help but snort coldly.

He casually grabbed a person and threw him to the side, then put his feet on the table.

Seeing this scene, the people on the table all frowned and looked at Qin Yu.

“What do you mean?” The person who was thrown by Qin Yu was even more furious.

Qin Yu stretched and said, “I’m tired. Sit here and rest for a while.”

“Rest for a while? What the F * CK is wrong with you? Get lost!” The people on the table cursed.

At this moment, hammer walked over quickly.

He stood beside Qin Yu and bowed. "Greetings, Mr. Qin."

Qin Yu glanced at him and said, "Who are you?"

"I'm the person in charge here. My name is hammer," hammer said politely.

"Our Master specially instructed us to pay for all your expenses today," hammer continued.

Qin Yu raised her eyebrows and couldn't help but sneer, "Your master is quite filial."

A trace of embarrassment flashed across Hammer's face, and he didn't know how to respond for a moment.

"Then what if I lose?" Qin Yu continued to ask.

Hammer said politely, "Mr. Qin, you win, and we'll pay for the loss."

As soon as these words were said, Qin Yu couldn't help but burst into laughter.

He suddenly slapped the table, and then said coldly, "Since your mo family is so filial, then let the Mo family's patriarch come and play a few rounds with me."

Hammer flashed a trace of embarrassment and then said with a smile, "Mr. Qin, our patriarch is busy. Otherwise, he would definitely come to see you personally..."

"Oh, so?" Qin Yu narrowed his eyes and emitted a cold air.

Hammer couldn't help but shiver. He said with a bit of fear, "Mr. Qin, you... Don't make things difficult for me. I'm just a worker..."

"Okay, I won't make things difficult for you. Go back and tell Mo Hong that I, Qin Yu, am waiting for him here. If he comes, I'll only kill him alone. If he doesn't come, I'll kill his entire family," Qin Yu said coldly.

Hammer sighed in his heart.

Sure enough, this Qin Yu wasn't here to play at all. He was clearly here to find trouble.

"Hurry up and go. Why are you still standing there?" Qin Yu glared at him.

Hammer didn't dare to say anything and turned around to leave.

"Who dares to speak so arrogantly in my Mo clan's territory?"

At this moment, a voice suddenly sounded.

Raising his head, he saw a graceful young man walking over.

This person's appearance was somewhat similar to that of the deceased young master Mo, but compared to that young master Mo, there was a bit more viciousness in his eyes.

"Who dares to speak nonsense here with such a big tone?" The young man quickly arrived in front of Qin Yu.

Seeing this young man, Hammer hurriedly bowed and said, "Young master..."

The young man who was called Young Master ignored Hammer. He sized up Qin Yu and said coldly, "Are you tired of living?"

Qin Yu raised her eyebrows and said with a faint smile, "Who are you?"

"I'm the young master of the Mo family, Mo Haoyan!" The young man shouted.

"Mo Haoyan? The most outstanding young master of the Mo Family?"

"Greetings, Young Master Mo!" Someone stood up and greeted.

Mo Haoyan looked at Qin Yu coldly and said, "Where did you come from? How dare you talk nonsense here?"

Hammer at the side hurriedly said, "Young Master Mo, this is Mr. Qin Yu..."

"What? He's Qin Yu?"

"No wonder he's so arrogant, daring to challenge the Mo family!"

"The Mo family is nothing, they don't even put the Tianyun sect in their eyes!"

The surrounding people discussed animatedly, their eyes filled with intense fear.

Chapter 1464: Chapter 1,464. No Way, right? No Way

Qin Yu's name was like thunder in the Southern Region. Almost everyone knew of his existence and his battle achievements.

However, Mo Haoyan did not put Qin Yu in his eyes at all.

He snorted coldly and said, "So what if you are Qin Yu? If you can kill Ling Yun, I, Mo Haoyan, can!"

Qin Yu did not want to kill the innocent. He only wanted to settle the score with Mo Hong.

Therefore, he looked at Mo Haoyan coldly and said, "Let your father come to see me. I don't want to attack you."

"Hahahaha!" Mo Haoyan burst into laughter!

"Qin Yu, if you are afraid, just say it. I, MO haoyan, will spare your life!"

Qin Yu narrowed his eyes and said, "Do you really want to die?"

Mo haoyan shouted, "Cut the crap. I've long wanted to see so for myself how capable you are! If you have the guts, go wait outside the door right now. How can I spare you if you kill my brother!"

After saying this, Mo Haoyan turned around and was about to leave.

At this time, Hammer hurriedly stopped Mo Haoyan and said in a low voice, "Young master, this Qin Yu can even defeat the first elder of the Tianyun sect. You..."

"What? Am I inferior to him, Qin Yu?" Mo Haoyan snorted coldly.

Hammer knew that he was determined to give up. No matter how much he tried to persuade him, it was useless.

Therefore, he could only hurriedly leave Las Vegas and rush to the Mo family, hoping to tell Mo Hong about this news.

"Qin Yu, I'll wait for you outside. If you have the guts, come and Fight!" Mo Haoyan snorted coldly, turned around and walked out.

Qin Yu stood up and said coldly, "You want to take revenge for your brother, and I want to take revenge for my friend. That's good too. Life and death are fated, right?"

After saying this, Qin Yu walked out of the gambling city.

Mo Haoyan had already flown into the air. He stood in the air and looked at Qin Yu coldly.

"Qin Yu, I'll wait for you in the wild forest three stars away." After seeing Qin Yu walking out, Mo Haoyan immediately shouted and rushed toward the wild forest.

Qin Yu didn't waste any words and immediately chased after him.

The surrounding crowd also wanted to watch this battle and followed him.

Outside the forest.

Mo Haoyan's internal Qi had already erupted to the extreme. The surrounding trees emitted rustling sounds under his internal Qi.

In a short while, Qin Yu rushed to the scene.

Unlike Mo Haoyan, Qin Yu's internal Qi looked extremely calm, like a pool of stagnant water.

"Qin Yu! You killed my brother, I will definitely kill you today!" Mo Haoyan roared angrily.

Qin Yu sneered, "That will depend on whether you have the ability or not."

Mo Haoyan did not waste any words. He raised his hand and transformed into a great dao.

The Great Dao rumbled and shook between his palms. In the next second, Mo Haoyan roared angrily and the power of the Great Dao instantly crushed towards Qin Yu!

Qin Yu narrowed his eyes slightly. This Mo Haoyan indeed had some ability. He could borrow the power of the Great Dao at such a young age. No wonder he was praised as a genius.

Unfortunately, the person he was facing was Qin Yu!

Facing the sweeping aura, Qin Yu did not have any flashy internal Qi. He raised his hand and threw a punch!

"Boom!"

At the instant of the collision, the trees were instantly uprooted!

The originally dense wild forest seemed to have been shaved, becoming bare!

And the power of the Great Dao that Mo Haoyan had evolved was just the tip of the iceberg. Under Qin Yu's punch, it instantly shattered.

All of the DAO technique seemed to have disappeared at this moment, leaving only Qin Yu's Golden Fist!

"You really have some ability!" Seeing this, Mo Haoyan did not retreat but instead advanced, full of fighting spirit!

His hands quickly slide, once again to deduce the Great Dao, in a moment, in front of him will appear as if the air of chaos.

The heaviness of the internal Qi was strange in the undulations of his hands.

Subsequently, this internal Qi is evolved into a divine picture!

Divine picture sullen from the ancient internal Qi, such skills, it is really shocking!

Qin Yu narrowed his eyes. His body shook and the saintly body technique was fully displayed.

Following that, Qin Yu raised both his hands and a mark suddenly appeared!

This was the golden light mark, a technique that Qin Yu had also evolved himself!

The competition between the new generation shocked everyone. Everyone was dumbstruck.

The Mark suddenly arrived and smashed the divine picture into pieces. Even the void started to tremble.

Qin Yu did not waste any more time. He directly activated the line word formula and arrived in front of Mo Haoyan in the blink of an eye.

Mo Haoyan's pupils constricted, and he immediately shot backward.

However, Qin Yu, who activated the line word formula, was definitely not someone Mo Haoyan could compare to. There was no way for him to escape.

The two sides stood at this moment and completely erupted. They used all their spells, and it was as if the world was about to collapse!

Boom! Boom! The collision of their spells shattered the void.

And the residual power that the two of them unleashed killed countless people!

The surrounding crowd could not help but widen their eyes.

Was this the younger generation under the Golden Age? Their abilities were probably not weaker than the older generation's experts!

"Clang!"

At this moment, the sound of a gong being struck rang out in the void.

If one looked carefully, it was Mo Haoyan who had transformed into a huge divine staff that struck Qin Yu's body!

Qin Yu did not move at all. He only looked at Mo Haoyan coldly.

Mo Haoyan's pupils constricted, as if he did not dare to believe it!

Qin Yu raised his arm and smashed it fiercely onto the divine staff. The spell he had transformed into instantly disappeared!

Mo Haoyan thought that things were not looking good and immediately shot backwards.

However, Qin Yu did not give him a chance. He used the line word formula to chase after him and smashed his fist onto Mo Haoyan's chest!

The power of this punch was endless. It directly pierced through Mo Haoyan's chest! Fresh blood sprayed out at this moment!

Mo Haoyan's expression changed drastically. He did not care about the injuries on his body and directly retreated!

Blood splattered all over the sky. The smell of blood was extremely pungent. The smell of internal Qi was extremely pungent.

Mo Haoyan stood in the air and panted heavily. He looked coldly at Qin Yu in the distance.

He knew in his heart that Qin Yu in front of him was probably the strongest opponent he had ever met.

On the other side, Hammer had already rushed home and informed Mo Hong about this matter.

Mo Hong, who had a calm expression, immediately changed his expression when he heard these words!

"What did you say? ! Haoyan is currently fighting with Qin Yu?" Mo Hong's face was filled with fear.

"Yes, family head, hurry up and go. Otherwise, it will be too late!" Hammer said hurriedly.

Mo Hong did not dare to waste any time. He put on all of the Mo family's strength and rushed towards the direction of the wild forest.

In the wild forest.

Qin Yu was like a god of war. His body was bathed in fresh blood. This fresh blood all came from Mo Haoyan!

Mo Haoyan appeared to be in a rather miserable state. He was panting heavily. Clearly, he had fallen into a disadvantageous position.

“You really have some ability,” Mo Haoyan said coldly.

However, Qin Yu sneered and said, “If this is all of your strength, then I’m afraid you’ll die here.”

Mo Haoyan’s expression changed slightly. He said coldly, “It’s still unknown who will win or lose between the two of us. Don’t be happy too early!”

Qin Yu sarcastically said, “I only used 50% of my strength. Aren’t you? Don’t tell me that this is all of your strength?”

Chapter 1465: Chapter 1,465, killing Mo Haoyan! 1

What? This Qin Yu actually didn’t use his full strength? Only used 50% of his strength? How was this possible? If he were to use his full strength, what kind of battle strength would he have?

Mo Haoyan was also shocked in his heart, but he quickly recovered.

“Keep bragging.” Mo Haoyan sneered.

“I see that you are already exhausted, so you want to use this method to scare me off, right?”

Qin Yu could not help but laugh out loud when he heard that, “Mo Haoyan, I admit that you have some ability, but it’s only a little.”

“Since you are bent on death, then I won’t waste any more words.”

After saying that, the internal Qi on Qin Yu’s body began to rapidly climb, and the surrounding aura field was undergoing extreme changes!

In just a short instant, Qin Yu’s strength had already become so powerful that it was suffocating!

“Fighting word formula, level five, open!”

Qin Yu shouted loudly, revealing all his trump cards!

His entire body was bathed in golden light. The afterglow of the setting sun shone on his body, making him look like a god.

The surrounding people were all shocked by Qin Yu's internal Qi! Even the surrounding space seemed to be somewhat distorted!

"This... This is his full strength!"

"I originally thought that he was on par with Mo Haoyan. From the looks of it, it's just a game of cat and mouse."

Mo Haoyan's expression changed drastically! In his heart, he quickly had the intention to retreat!

However, if he wanted to escape now, there was no time left!

Qin Yu looked coldly at Mo Haoyan and said, "You are able to deduce the Great Dao at such a young age. In time, you might be able to compete with all the talents in the world. It's a pity that you came here to die."

After saying that, Qin Yu took a step forward, and a terrifying internal Qi instantly exploded!

Originally, Qin Yu did not want to reveal his true strength, but he sensed that someone was rapidly approaching.

This person's internal Qi was even stronger than Mo Haoyan's. Without a doubt, the person who came was definitely the clan leader of the Mo clan, Mo Hong.

Therefore, Qin Yu wanted to kill Mo Haoyan before he arrived!

"Qin Yu, I'm not afraid of You!" Mo Haoyan gritted his teeth and roared. Then, he rushed toward Qin Yu like a moth flying toward a flame!

This time, he condensed the Great Dao into his fists, as if he wanted to fight Qin Yu to the death.

Looking at Mo Haoyan who was rushing toward him, Qin Yu didn't show any emotion on his face. He only clenched his fists at this moment.

"Absolute beginning Sacred Fist!"

Qin Yu roared angrily and raised his hand to form the golden absolute beginning sacred fist!

"No!"

It was also at this moment that Mo Hong rushed to the scene!

He shouted at the top of his lungs and threw out a secret treasure in his hand, trying to save Mo Haoyan's life!

Unfortunately, it was too late. Qin Yu stretched out his fist and shattered the void. It was as if he had traveled through the ages. The golden light blotted out the sky and the Sun as he swung his fist toward Mo Haoyan with a crushing force!

“Boom!”

It was as if the planet had exploded. This punch shattered all of Mo Haoyan's spells. The ocean-like fist smashed into Mo Haoyan's entire body.

His body was shattered in the blink of an eye. His bones were shattered into pieces, and his body was directly vaporized into a bloody mist!

The surroundings fell silent. In the void, there was nothing but Qin Yu's figure.

Mo Haoyan didn't even leave a corpse behind.

This was Qin Yu's punch, the punch that made everyone break out in cold sweat!

“Haoyan! ! !” Mo Hong plopped down on the ground, his voice hoarse as he wailed in pain.

The onlookers sucked in a breath of cold air. After seeing so for Myself Qin Yu's true strength, a sense of helplessness rose in their hearts.

Even a genius like Mo Haoyan had died so easily at the hands of Qin Yu, let alone others? Who else had the courage to compete with Qin Yu?

Qin Yu looked coldly in the direction of Mo Hong. Although his voice was Earth City, it pierced through the eardrums.

“You sent someone to kill Fang Fang, and I killed your son as a punishment. How about it?” Qin Yu looked at Mo Hong and said coldly.

Mo Hong raised his head and glared at Qin Yu. He gnashed his teeth and said, “Qin Yu, you've already killed one of my sons, and now you've killed my beloved son. How Do You Want to settle this score? !”

Qin Yu sneered and said, “That's your son courting death. If it weren't for his repeated provocations, how could I have killed him in the Qingyan Forest?”

“Of course, you can come and avenge your son. I'll stand here!”

Qin Yu roared like a God descending from heaven.

That invincible Aura was invincible, making people not dare to look directly at it.

Mo Hong's heart was filled with incomparable anger, but he did not make a move for a long time.

After a while, Mo Hong stood up from the ground.

He looked at Qin Yu coldly and said, "My mo family is unlucky. Qin Yu, the debt between us is settled."

Qin Yu sneered and said, "I also hope that you can keep your word."

Keep your word? is that possible?

Everyone knew that Mo Hong was just temporarily avoiding the sharp edge.

The death of two of his most outstanding sons was like a bolt from the blue to Mo Hong.

However, he also knew in his heart that Qin Yu was not someone he could afford to offend.

Putting aside Qin Yu's strength, just the few people standing behind him were not people his Mo family could offend.

Mo Hong did not stay any longer. He endured his grief and left.

Qin Yu looked at Mo Hong's back. He knew that Mo Hong would not let this matter rest.

However, with the Mo family's strength, if they really wanted to fight to the death, it was hard to say who would win.

If the Tianyun sect took the opportunity to enter, it would be troublesome.

Mo Hong left, but the crowd around him did not disperse.

Qin Yu did not stay any longer. He turned around and walked towards the Green Rock Forest.

He erected a tombstone for Fang Fang. After everything was settled, Qin Yu rushed towards the hunter organization.

Qin Yu had yet to take revenge for the death of his team leader.

Jin Lun and Zhong Wu were both people who deserved to die.

He came all the way to the hunter organization.

The hunter organization was the same as before. However, Zhong Wu's trusted aides had been replaced from top to bottom.

He had almost dominated the hunter organization by relying on the white bone staff.

The white bone staff was a holy weapon. Although it had not been resurrected, it was not to be underestimated.

Seeing Qin Yu walking over, the hunter in charge of issuing orders could not help but frown.

"Qin Yu? You..."this person knew Qin Yu, so he could not help but feel puzzled.

Qin Yu went straight to the point, "Where's Jing Bai? Why isn't he here?"

"Jing Bai hasn't been here for a long time. He's just an ordinary hunter now,"the other party said.

Qin Yu frowned and said, "What about Guan Zhuang?"

"They've gone to Green Rock Forest. They'll probably be back in eight or nine days."

Qin Yu acknowledged. He released his divine sense and covered more than half of the hunter organization. As expected, he didn't find any traces of Guan Zhuang and Jing Bai.

"Is Zhong Wu Here?"Qin Yu continued to ask.

"No. The team leader has gone out. Rumor has it that he has something important to do,"the other party continued.

Qin Yu frowned. "Where did he go?"

"I think he went to eternal city. Rumor has it that Mr. Eternal City invited him to a banquet."

*Chapter 1466: Chapter 1,466, are you a F * cking traitor? 1*

Yongji City? Zhong Wu actually wants to go to Yongji City?

Qin Yu couldn't help but be stunned. Yongji actually invited Zhong Wu? What did he want to do?

But after thinking about it, Qin Yu also understood.

Although Zhong Wu's own strength wasn't that great, he was still the leader of the Hunter organization.

The hunter organization had a great influence in the South Province, so it was reasonable to invite him.

"It really doesn't take much effort to come here." Qin Yu narrowed his eyes.

At that time, Jue Wu and the others would all go there, so it would be more convenient for them to start a fight.

Qin Yu didn't stay any longer. He immediately left the green rock forest and rushed toward the Eternal City.

There wasn't much time left before the appointed time in the Eternal City. Qin Yu was about to leave now, so he could make it in time.

Riding on the Divine Eagle, he rushed towards Yongji City.

Fortunately, Qingyan forest was not far from Yongji city. It did not take long for Qin Yu to arrive near Yongji city.

He put away the divine eagle and strode towards Yongji City.

For this grand feast, Yongji seemed to have put in a lot of effort to prepare.

Outside the gate of Yongji City, there were two people responsible for welcoming him.

When they saw Qin Yu, they immediately cupped their hands and said, "Greetings, Mr. Qin."

Qin Yu politely replied and then asked, "Is everyone here?"

"Basically, they have already arrived," the Greeter said.

Qin Yu nodded and followed behind them as they walked into Yongji city.

As soon as he stepped into Yongji City, Qin Yu felt several extraordinary auras from the Internal Qi.

Even though these internal Qi were trying their best to restrain themselves, they were too powerful, so he could still feel them.

The entire city was just as Qin Yu had imagined. This was the heaven of the strong.

As long as one had money or strength, one could receive the final result here.

In the deepest part of the Eternal City, there was a huge palace.

And this palace was the famous eternal mansion, which was also the residence of the Eternal City.

Under the lead of these two people, Qin Yu came to a place that was like a place of peach blossoms.

This place was filled with dense qi. Thousands of divine rays descended from the sky, as if it was an immortal palace.

In this immortal palace, there were already many people who had come here, but Qin Yu didn't recognize most of them. He appeared to be somewhat cautious.

He had just found a place to sit down when a cup of fine wine was sent to Qin Yu.

Rumor has it that this wine was condensed from hundreds of flowers and dew. The taste was sweet but not greasy, like the nectar of jade dew.

Qin Yu released his divine sense and almost covered half of the immortal palace.

Soon, Qin Yu found that almost all the people here were extremely powerful, and there was no lack of top-notch martial artist among them.

The most shocking thing was that when Qin Yu's divine sense swept over Yongji's disciple, that strand of divine sense was instantly cut off.

As expected, more than half of the talents in the South Province have been recruited by Yong Ji, Qin Yu thought to himself.

It was no wonder that Yong Ji didn't put Ling Yun in his eyes. Perhaps Ling Yun was a treasure in the Tianyun sect, but in Yong Ji's eyes, he was worthless.

This was because any one of his disciples wasn't weaker than Ling Yun. In fact, they were even stronger.

Very soon, Yong Ji walked over from not far away.

He smiled and said, "I knew you would definitely come."

Qin Yu cupped his hands and said, "How can I refuse Mr. Yong Ji's invitation?"

Yong Ji laughed loudly and said, "Qin Yu, what do you think of My Place?"

Qin Yu looked around and nodded. "Whether it's the environment or the resources, they are all top-notch."

Yong Ji said half-jokingly and half-seriously, "If that's the case, why don't you choose to stay?"

Qin Yu rejected straightforwardly. "Although the Yong Ji Mansion is indeed a good place, it's not suitable for me. I'm used to being free. Please forgive me, Mr. Yong Ji."

Yong ji laughed and said, "Qin Yu, do you know that no one has ever rejected my invitation?"

Qin Yu could not help but smile bitterly when he heard that and said, "Then I'm afraid that I will have to take away Mr. Yong Ji's first time."

Once these words were said, it immediately made Mr. Yong Ji not know whether to laugh or cry.

"Oh right, Mr. Yong Ji, what is the theme of this banquet?"Qin Yu asked curiously.

Yong ji said mysteriously, "I can't tell you about this for the time being. You will naturally know about it later."

After saying that, Yong Ji patted Qin Yu's shoulder and got up to leave.

Qin Yu didn't think much about it. Since he was already here, he might as well enjoy it.

Therefore, Qin Yu didn't care about his image and began to eat and drink.

Just as Qin Yu was sweeping away the clouds, a person that Qin Yu didn't want to see appeared outside the door.

The moment he appeared, he immediately attracted many gazes. There were even people who walked forward to greet him.

This person was none other than the first elder.

Just as Qin Yu was looking at the first elder, the first elder also noticed Qin Yu's tracks.

His face sank and he immediately strode towards Qin Yu.

"Qin Yu! Why are you here!"The first elder said while suppressing his anger.

Qin Yu narrowed his eyes and sneered, "I should be the one asking you this. Why didn't you hide in the Heavenly Cloud Sect? Why did you run out? Aren't you afraid that I'll take the opportunity to kill you?"

"Little Bastard, how dare you!"First Elder flew into a rage.

After saying that, he shouted and a long halberd appeared in his hand.

This long halberd was also extraordinary. It was even more powerful than the divine lamp from that day!

“How many rounds do you think you can last under the Heavenly Dragon Halberd?” First Elder said coldly.

“TSK TSK, you gave me a divine lamp last time, and now you’re going to give me a long halberd? Are you a F * cking traitor of the Heavenly Cloud Sect?”

At this moment, a mischievous female voice came from not far away.

It was none other than the Swan Dance!

Seeing the swan song in front of him, the first elder instinctively shivered.

Chapter 1467: Chapter 1467, the people of the northern lands? 1

Ever since the incident last time, Jue Wu had almost become the first elder’s nightmare.

At this moment, when he saw Jue Wu, the first elder instinctively took two steps back. All the words he wanted to say were stuck in his throat, unable to say a single word.

He hurriedly put away his halberd, then turned around and left without saying anything.

Jue Wu snorted lightly, “What’s that? Showing off.”

Qin Yu looked at Jue Wu and said with a smile, “You came at the right time.”

Jue Wu rolled her eyes and said, “I told you not to go to the Heavenly Cloud sect, but you didn’t believe me. So what? Nothing was done, right?”

Qin Yu smiled bitterly and said, “I still have a trump card that is useless, otherwise...”

“Don’t say it!” Jue Wu used her small hand to block Qin Yu’s mouth.

She looked around and said, “No matter what kind of Babe you have, try not to expose it, understand? Otherwise, it will attract trouble, especially since the relationship between the northern lands and the southern region is so tense.”

Qin Yu nodded. It was precisely because of this reason that Qin Yu did not use the divine picture.

After all, it belonged to the masked woman. Even in the Holy Region, it would definitely make people envious.

“Oh right, do you know the theme of this banquet?”Qin Yu asked.

Jue Wu held her chin and muttered, “If I’m not wrong, it should be because of the matters of the northern lands. Otherwise, he wouldn’t have invited Xiao Hai.”

“Matters of the northern lands?”Qin Yu frowned slightly.

Could it be that the dispute between the north and the southern region had already developed to this stage?

“Is the north very scary?”Qin Yu looked at Jue Wu.

Jue Wu nodded slightly and said, “The north was originally a land of exile. Because of the cold weather and the lack of resources, the extremely evil people of the various continents were sent to the north.”

“After so many years, they began to branch out in the north and dominate the north. Therefore, most of the people there are extremely vicious.”

Qin Yu suddenly understood. No wonder it was difficult for people to survive in adversity. But once they matured, they would definitely be extremely terrifying.

Whether it was strength or temperament, they were all on par with ordinary people.

“Sigh, this Yongji really has nothing to do. The Heavenly Cloud sect didn’t even say anything, but he jumped out to take the lead,”Jue Wu muttered.

Qin Yu also nodded and said, “Yeah, could it be that Yongji wants to take the opportunity to weaken the Heavenly Cloud Sect’s strength?”

“It’s very possible!”Upon hearing this, Jue Wu’s eyes lit up, as if she had been enlightened.

“In any case, compared to the Heavenly Cloud sect, I hate Yongji more. The Heavenly Cloud sect is at least a real villain. Yongji is a hypocrite,”Jue Wu muttered softly.

Qin Yu covered Jue Wu’s mouth and said softly, “You can’t say such things carelessly. After all, this is Yongji City.”

“Who cares?”Jue Wu snorted.

More and more people arrived one after another. In the blink of an eye, more than a hundred people gathered in the immortal palace.

Qin Yu’s divine sense quickly covered Zhong Wu’s body.

Zhong Wu toasted among the crowd, looking like a villain who had achieved his goal.

“Why? Does that person have a grudge with you?” Jue Wu quickly felt the coldness from Qin Yu.

Qin Yu acknowledged and said, “He borrowed the hand of the Heavenly Cloud sect and killed the leader of the Hunter organization. He became the leader himself.”

“The leader of the Hunter organization has done me a favor. I have to kill him.”

Jue Wu wrinkled her nose and said, “I heard that he has a saint artifact in his hands. That thing is not a joke. Even I don’t dare to touch it.”

Qin Yu sighed and said, “If it weren’t for the saint’s artifact in his hand, I would have killed him long ago! I have to think of a way to trick that saint’s artifact.”

As he said that, someone walked in from outside.

He saw a handsome young man in long clothes walking in.

There was a smile on his face, but he looked a bit casual.

“Qu Zhu!” Upon seeing this young man, Jue Wu waved at him.

When Qu Zhu heard Jue Wu’s voice, he also walked over with a smile.

“Jue Wu, I heard that you just broke through not long ago. How is it? Have you stepped into the reversion void stage?” Qu Zhu asked with a smile.

“Screw Your Grandpa. How can it be so easy to break through to the reversion void stage?” Jue Wu rolled his eyes.

Qu Zhu patted his own chest and said half-jokingly and half-seriously, “That’s good. I thought I was left behind by you again.”

With that, Qu Zhu’s gaze fell on Qin Yu.

“You are Qin Yu, right?” Qu Zhu smiled.

Qin Yu hurriedly cupped his hands and said, “Greetings, senior Qu Zhu.”

“Not really.” Qu Zhu shook his head. “You can just call me Qu Zhu.”

Qin Yu smiled sheepishly. Although he said so, he couldn’t say it out loud.

A moment later, Baro and Feng Hai arrived.

The three lunatics and three absolutes, except for the monks of Hongxi, had all arrived.

As for the legendary Xiao Hai, he didn't show up for a long time.

Baro and Feng Hai seemed to be very familiar with each other. The two of them were inseparable. Although they didn't talk much, one could see the fierce look on their faces at a glance.

Qin Yu said jokingly, "Aren't you, Baro, and Feng Hai from the three maniacs? Why don't they bring you to play with them?"

"Bah! We don't know which idiot made up this nickname. His Grandpa is the Crazy One!" Jue Wu cursed loudly.

Qu Zhu, who was at the side, couldn't help but burst into laughter.

"What are you laughing at? Why do you have to call yourself the three maniacs? I have to call myself the three maniacs. It's not fair!" Jue Wu said angrily.

Qu Zhu joked, "It's just an empty title. If you like it, feel free to take it."

"I don't want it. Tsk," Jue Wu muttered.

There were already more than a hundred people present. Most of them were influential figures in the South Province.

Seeing that more and more people were coming, Yong Ji slowly stood up.

He swept his gaze over the crowd, cupped his hands and said, "Thank you all for coming to Yong Ji City for a gathering. I, Yong Ji, once again express my gratitude."

"If you have something to say, just say it. Don't be so pretentious," Jue Wu said from below.

Yongji glanced at Jue Wu and smiled. "Jue Wu, you're still in such a hurry."

Then, Yongji looked at the crowd and said indifferently, "Since that's the case, I'll speak Frankly."

After saying that, Yongji took a step back. The void in front of him trembled, and then, an old man with an ice-cold expression walked out of the Void Gate.

Seeing this person, everyone could not help but look at each other.

What a strange face. Why have they never seen it before?

“This is Dragon Bridge from the north, Mr. Long,” Yong Ji said.

“What? From the North?”

“Why would the people of the north appear in Yong Ji City?”

“They actually dare to show up openly in our Southern Province?”

“What does Yong Ji Mean?”

The crowd immediately exploded into a commotion, and everyone was discussing in low voices.

Jue Wu could not help but frown as she said in a low voice, “I guessed that it has something to do with the northern lands, but I didn’t expect that someone from the northern lands would actually come.”

Chapter 1468: Chapter 1,468, forget it! 1

“What is this Yongji trying to do?” Qu Zhu could not help but feel a little displeased.

“Who knows? Could it be that the northern lands have already contacted Yongji?” Jue Wu guessed.

At this moment, Qin Yu, who already had a bad impression of Yongji, felt even more disgusted.

In the face of everyone’s discussion..., Yongji smiled and said, “Everyone, don’t be anxious. This time, Dragon Bridge is here for peace talks. The southern region and the northern lands have already been in conflict for many years. If this continues, the ones who will suffer will forever be ordinary people. If we can get a chance for peace talks, won’t that be good for everyone?”

Once these words were said, Jue Wu below could not help but curse, “I just hate this face of his. Just looking at him makes people feel disgusted.”

Qin Yu also felt that this Yongji was extremely hypocritical, making people feel disgusted.

Although that was the case, after Yongji’s explanation, the scene was obviously much quieter.

Long Qiao took a step forward, cupped his hands and said, “Just as Mr. Yongji said, I came here this time just to talk peace.”

“Talk Your Ass. How many people in the northern region have killed in the southern region? Do you want to Talk Peace Now?” Someone at the scene cursed loudly.

Long Qiao was not angry. He smiled and said, “This problem will be solved sooner or later. If it is not solved, more people will die.”

“Moreover, many people have died in our northern land.”

Yong Ji looked at Long Qiao and said with a smile, “Since it is a negotiation, let’s talk about our conditions. Today, all the famous people in the southern region are here. They can make the decision.”

Long Qiao glanced at the crowd and said indifferently, “We only need to build a thirty-star land at the border and allow us to survive. In return, I will give you the secret technique of the north, the Sacred Heart Formula.”

“What? The Sacred Heart Formula? The north is actually willing to take out the Sacred Heart Formula?”

“Rumor has it that this is a cultivation method created by the seniors of the north under extremely difficult conditions!”

“If we can obtain the sacred heart formula, our cultivation will be twice the result with half the effort!”

Countless people at the scene began to be moved. They seemed to be extremely moved by the Sacred Heart Formula.

Qin Yu looked at Jue Wu and asked in a low voice, “What is this Sacred Heart Formula?”

Jue Wu said in a deep voice, “I don’t know exactly what it is. I only know that it is a unique unique skill of the northern lands.”

“But I always feel that it’s a trap,” said Qu Zhu.

Not only Qu Zhu, but Qin Yu and Jue Wu also felt the same.

If they were just trying to survive, they definitely wouldn’t offer such conditions.

Moreover, not long ago, Qin Yu had personally witnessed Xiao Hai capturing the northerners.

The two cultivators from the northern lands not only wanted to occupy Qin Yu’s divine eagle, but also claimed that they had joined forces with the western ridge to attack the Southern Region!

This was completely inconsistent with what Dragon Bridge said.

Yongji smiled and said, "The living conditions in the northern lands are difficult. I'm sure everyone is clear about that. What's the harm in giving up 30 stars? What's the harm in treating it as a good deed?"

"He's already said all the good things." Jue Wu snorted lightly.

Qu Zhu also nodded slightly and said, "I've heard a rumor that the northern lands cultivates sorcery. They will devour people's divine sense to cultivate. If they really give up 30 stars, who knows what will happen?"

"That's right, that's right. If they really want to survive, it's understandable to give them thirty stars. However, the people of the northern lands have committed many evil deeds and are notorious. Who knows how many people have been harmed. Once they are allowed to enter the realm, it will definitely be a disaster," Jue Wu also said.

Qin Yu didn't really understand these things. He just instinctively didn't like Yongji and this dragon bridge.

"How about this? Everyone raise your hands to vote, how about it?" Yongji said.

"Those who agree to this decision, raise your hands now."

Before he finished speaking, countless people raised their hands at the scene.

To put it bluntly, these people were the top people of the southern province. Even if the northern land really wanted to massacre the southern province, it wouldn't affect them.

As long as they agreed, they would be able to obtain the Sacred Heart technique that was in their hearts and minds.

Looking at so many people raising their hands, Yong Ji smiled and said, "How about this, let's put it another way. Those who disagree raise their hands, how about it?"

"I don't agree!" Jue Wu raised her hand without thinking.

Qin Yu naturally agreed with Jue Wu, and so did Qu Zhu.

Other than the three of them, there were only a few people who raised their hands. There were less than ten people in total.

Seeing this scene, a smile appeared on Long Qiao's face.

He said with a faint smile, "Only the few of you don't agree. In this way, this proposal can basically be passed."

“Bullsh * T!” Jue Wu cursed.

Long Qiao was not angry. He smiled and said, “You are the famous Jue Wu, right? Although you are powerful, you can’t go against everyone’s wishes. Isn’t that too overbearing?”

Qin Yu could not help but sneer and said, “The population of the South Province is at least billions. Who Can they represent? Why should they represent everyone?”

Hearing this, Long Qiao frowned slightly and a trace of displeasure flashed across his face.

“I agree with Brother Qin Yu’s words,” qu Zhu said with a smile.

“You can’t ask everyone’s opinion, right?” Long Qiao continued.

“That’s right. What’s the use of just a few of you not agreeing?” At this moment, Zhong Wu suddenly opened his mouth.

He sized up Qin Yu and said with a strange tone, “Qin Yu, speaking of which, you don’t have the right to participate in this banquet at all. What right do you have to speak?”

Qin Yu looked coldly at Zhong wu and said, “F * ck you. If I don’t have the right, you don’t even have the F * cking right!”

“Who are you scolding!” Zhong Wu flew into a rage.

“I’m scolding you. What do you think? If you’re not convinced, just go out and fight!” Qin Yu was filled with fighting spirit, as if he wanted to make a move.

Zhong wu sneered and said, “Do you think I’m afraid of You?”

The great battle was about to start. Jue Wu also quickly stood up, obviously standing on Qin Yu’s side.

“Everyone values harmony. We can talk about anything.” At this time, Yong Ji stepped forward and said.

Zhong Wu looked coldly at Qin Yu and said, “Kid, you will die in my hands sooner or later.”

“I’ll exchange the same words with you,” Qin Yu said coldly.

Zhong Wu didn’t say anything more and sat down.

At this moment, the first elder also opened his mouth and said, “Yong Ji, you just saved Qin Yu’s life a few days ago. Today, he rebutted you at the banquet. This kid is really ungrateful.”

“Old Bastard, shut up!” Qin Yu scolded.

The first elder looked at Qin Yu coldly and said, “At such a young age, you already have enemies on all sides. Kid, it’s easy to bring trouble to yourself like this.”

Qin Yu mocked, “Is that so? Have you forgotten the time when you hid in the heavenly cloud sect a few days ago and didn’t even dare to fart?”

The first elder’s face darkened. Although he was angry, he didn’t flare up. He just snorted coldly.

“Everyone, try not to change the topic,” Yong Ji said.

“According to the rules, we should make the final decision according to the number of people. This has always been the rule of the South Province.”

“If that’s the case, then I don’t think we should follow this rule.”

At this moment, a voice came from not far away.

Chapter 1469: Chapter 1,469, the overbearing Xiao Hai 1

Everyone’s gaze was immediately attracted by this voice.

“Xiao Hai!”

Upon seeing this person, Long Qiao’s expression clearly didn’t look too good.

The others also looked towards Xiao Hai, their faces revealing a trace of solemnity.

Everyone knew that more than half of the northern land’s invading cultivators had died at Xiao Hai’s hands, and Xiao Hai deeply detested these people.

No one knew what consequences his arrival would bring.

Xiao Hai strode over and coldly said, “This rule seems to be in the interests of most people. To put it bluntly, it’s only in the interests of a few people.”

“Xiao Hai, why are you only here now?” Yong Ji said with a smile.

Xiao Hai ignored him and raised his hand, saying, “I don’t agree with your proposal either.”

Long Qiao said with a gloomy face, "Xiao Hai, you're too late. You Don't even have the qualifications to participate!"

"Oh? Since when did you get the chance to interfere in the matters of the Southern Region?" Xiao Hai's tone was extremely cold, causing people to shiver involuntarily.

At this time, someone came out to smooth things over. "Mr. Xiao Hai, this matter is beneficial to everyone. Why should we reject it? Do you want the people at the border to continue suffering?"

"That's right. Why would we reject such a win-win situation?"

Xiao Hai glanced at them, he said, "You want to negotiate, right? "Sure, I've done the calculations. All these years, the north has killed a total of 3,280,012,31 people at the southern border. If you want to negotiate, there's no problem. Just let me kill the same number of people in the north first."

When everyone heard this, they were all shocked!

This Xiao Hai actually remembered the number of people in such detail?

More than three million people? This number probably exceeded the total number of people in the northern land!

"Xiao Hai, you're deliberately making things difficult for us!" Long Qiao said angrily.

Xiao Hai sneered and said, "If you can't do it, then scam back to the northern land."

"Xiao Hai, don't go too far. Do you think that you alone can decide all of our proposals?" At this moment, the first elder suddenly said.

Xiao Hai immediately looked in the direction of the first elder and said with a dark face, "Can you represent the Tianyun Sect?"

"That's right. Since the sect master is not here, I will be in charge of the Tianyun sect!" The first elder said with a slightly smug expression.

When Xiao Hai heard this, he could not help but say coldly, "Then your sect master really made a stupid decision to find a fool like you."

"You!" First Elder was instantly furious. However, he was no match for Xiao Hai, so he could only endure his anger.

Yong ji smiled and said, "Everyone, don't be anxious. Everything can be discussed."

"There's nothing to discuss. I will kill every single person from the northern lands." Xiao Hai said.

"Of course, if you people are willing to get close to the people from the northern lands, I don't mind killing all of you together."

When these words were said, everyone was shocked!

How arrogant was this?

One had to know that these people also included the three maniacs, Baro, and Feng Hai! As well as the top-notch martial artist of the Southern Region! Among them, there was also the Heavenly Cloud sect!

Xiao Hai's words were too arrogant!

"Xiao Hai, don't go too far!" Someone said angrily.

Xiao Hai looked at him coldly and said, "If you are not satisfied, you can come out and fight. I Don't mind sending you off in advance."

The other party immediately shut up and did not dare to say another word.

"Xiao Hai, do you really want to go against the northern lands?" Long Qiao said coldly.

Xiao Hai laughed loudly and said, "Are you stupid? Isn't what I did obvious enough?"

"You!" Long Qiao clenched his teeth. This Xiao Hai was clearly impervious to oil and salt!

"Xiao Hai, let me tell you. It's useless for you to obstruct me alone. The southern region and the northern lands are getting closer and closer. At that time, no one will be able to stop the northern lands!"

"At the same time, let me tell you! If you accept my proposal now, you will still be able to obtain the Sacred Heart Technique. When the southern region and the northern lands are completely merged, you will not be able to obtain anything!"

Xiao Hai laughed out loud and said, "I'm not interested in your Bullsh * t absolute arts!"

Long Qiao said with a gloomy face, "Xiao Hai, just you wait. You will definitely pay the price for this."

Not only long Qiao, but the expression of the first elder was also extremely gloomy.

Long Qiao looked at Yong Ji and said, "Since you don't agree, then I will take my leave."

After saying that, Long Qiao turned around and was about to leave.

“Stop.” At this time, Xiao Hai suddenly shouted at Long Qiao.

Long Qiao stopped and said coldly, “Why? Do you still have something to do?”

Xiao Hai said coldly, “It seems that you didn’t hear clearly what I said just now. I said, if I see anyone from the northern lands, I will kill them!”

Long Qiao’s expression immediately changed! He said with some panic, “Xiao Hai, don’t go too far! Don’t you understand that two countries don’t kill their envoys when they are fighting? !”

“That’s right, Mr. Xiao Hai. Mr. Long Qiao is here to negotiate. It doesn’t make sense to kill him,” the people around also said.

“Even if you don’t agree, you should let long Qiao leave. If we attack like this, won’t we let others poke at our spine?”

For a moment, everyone pointed their spears at Xiao Hai.

Xiao Hai waved his hand and berated, “A bunch of noisy things, Shut Up!”

A loud shout immediately shook everyone’s ears. Some of them even had their eardrums shattered and they were bleeding non-stop.

Chapter 1470: Chapter 1,470, the plot of the northern lands

Everyone was shocked by Xiao Hai’s imposing manner!

These top experts from the southern region were all silent at this moment. It seemed that no one dared to oppose Xiao Hai!

The first elder, who was supposed to be the leader of this meeting, was extremely displeased at this moment. However, he did not dare to say anything and could only bite the bullet and endure it.

Xiao Hai looked at long qiao coldly and said, “Do you think you can leave?”

Long Qiao’s expression was extremely ugly. He said in a deep voice, “Xiao Hai, I have no enmity with you. Why do you have to kill me? Can’t you leave a way out for yourself?”

“Hahaha! It’s not up to you to teach me how to be a person!” Xiao Hai shouted and slapped long Qiao with his palm!

Long Qiao did not dare to be negligent. Xiao Hai's name had long spread in the northern lands. He knew Xiao Hai's abilities very well!

In an instant, the shadow of the palm had already arrived in front of him!

Long Qiao hurriedly used all his spells in an attempt to resist this palm.

However, his spells appeared extremely weak in front of Xiao Hai. The instant they touched, they were immediately shattered!

"Bang!"

The palm struck long Qiao's chest, causing him to vomit blood continuously!

Long Qiao secretly felt that things were not looking good. He immediately stood up and prepared to run.

"You want to run? You Can't Run!" Xiao Hai roared angrily. He waved his large palm, and an overwhelming palm instantly arrived, slamming long Qiao, who was trying to escape, onto the ground!

Dragon Bridge was covered in blood, and his body was almost shattered.

Although he had a protective magic artifact on him, he was still smashed into pieces by Dragon Bridge.

"Xiao Hai, don't go too far..." dragon bridge gritted his teeth and said.

Xiao Hai looked at dragon bridge coldly and said, "If you have any ability, just use it."

A trace of blood red appeared in Dragon Bridge's eyes, and he said angrily, "Then let's die together!"

With that, Long Qiao's body began to crumble. Traces of blood-red internal Qi burst out from his eyes!

That internal Qi quickly gathered in front of everyone. In the end, it actually turned into a blood-red figure that looked like a demon!

That figure was incomparably huge, and its entire body was emitting a chill.

"With my body, I will sacrifice god..." long Qiao seemed to have used all his strength to shout this sentence.

Xiao Hai shouted, "Gods? It's just a small skill, watch me shatter it!"

Xiao Hai's hands moved, and a terrifying aura condensed.

The next second, Xiao Hai's palms moved forward, slapping towards the blood-red demon.

With just a single palm, the demon actually directly shattered, disappearing into thin air under everyone's sight!

Long Qiao's expression instantly changed! He didn't expect that the god that he offered sacrifice with his own body and divine sense would actually be shattered with a single palm!

It wasn't just Dragon Bridge. Everyone present was shocked!

Just what level of strength had Xiao Hai reached? Why was he so terrifying?

Could it be that everyone had underestimated Xiao Hai's abilities?

"Well done!" Jue Wu shouted excitedly.

Xiao Hai nodded slightly at Jue Wu as a form of greeting.

"Xiao Hai... I, the northern lands, will definitely not let you off..." Dragon Bridge spat out a mouthful of blood. Following that, his body began to dissipate, disappearing without a trace.

Qin Yu could not help but be greatly shocked.

Xiao Hai's moves were extremely ordinary, and he did not use any spells at all. He was purely relying on his rich spiritual power and rich experience to fight!

After killing Long Qiao, Xiao Hai turned to look at the crowd and shouted, "Whoever dares to collude with the northern lands will be my enemy, and so will the Heavenly Cloud Sect!"

First Elder opened his mouth, and then snorted, saying nothing.

"Mr. Xiao, the northern lands and the southern region are getting closer and closer. If this continues, war will break out sooner or later," Yong Ji said with a faint smile.

"Is that so? Then I look forward to this day," Xiao Hai said coldly.

Yong Ji didn't say anything, but a smile still hung on his face.

"HMPH!"

First Elder snorted coldly and took the lead to leave.

The others also stood up and left.

“Xiao Hai!” Jue Wu waved at Xiao Hai.

Xiao Hai withdrew the sharpness on his body and walked towards Jue Wu.

He sat at Qin Yu’s table and smiled, “Jue Wu, Qu Zhu, long time no see.”

“That’s right. Where have you been all this time?” Jue Wu asked.

Xiao Hai sighed slightly and said, “It’s all because of this bastard from the northern lands.”

“Brother Xiao, what evil deeds did the north do? Why do you hate it so much?” Qu Zhu asked.

Xiao Hai glanced at Qu Zhu and said in a deep voice, “If the north is really like what Dragon Bridge said, just for survival, we are of course willing to give it thirty miles. Let alone thirty miles, so what if it’s three hundred miles or three thousand miles!”

Qu Zhu nodded slightly and waited for him to continue.

Xiao Hai continued, “Unfortunately, according to my understanding, the northern land cultivates sorcery.”

“Three hundred years ago, there were close to one billion people in the northern land, but in these years, there are only a million people left.” Xiao Hai swept his gaze over the crowd.

“You mean... these people were killed by their own people?” Qin Yu guessed.

Xiao Hai nodded slightly and said, “That’s right. The northern land’s resources are scarce, so life is their resource.”

“These years, the people of the northern lands have repeatedly invaded the southern region because of the sudden decline in population. It is no longer enough to support their cultivation.”

Speaking up to this point, Xiao Hai paused for a moment. A trace of anger flashed across his face.

“I heard that in order to cultivate, the northern lands once gathered hundreds of thousands of women. The only thing they did every day was to give birth. They treated them as machines.”

“And the newly born lives will all become their resources!”

Qin Yu’s expression could not help but change drastically!

This was simply shocking! To do such a thing, it made people feel extremely disgusted!

“This northern lands is really inhumane.”Qin Yu’s expression was incomparably cold.

Xiao Hai nodded and said, “That’s right. If there was a chance, I really wanted to eradicate everyone in the northern lands! It’s a pity that my ability is insufficient.”

It was naturally not an easy task to eliminate the north.

The North had developed for so many years and had many experts. Among them, the top-notch martial artist even surpassed the South Province.

There was no other reason. Those who stayed in the north were all geniuses that they had carefully selected.

No one knew what kind of secret the north hid.

“They seem to only need thirty stars. In fact, these thirty stars are enough for them to devour the lives of the South Province cultivators,”Xiao Hai said in a deep voice.

Qin Yu said with some doubt, “Senior Xiao Hai, why didn’t you tell them about this just now?”

“Do you think that even if they knew, they would refuse?”Qu Zhu shook his head and said.

Xiao Hai grunted and said, “Qu Zhu is right. These people are just a bunch of petty people who only have their own interests in their eyes.”

“Sacred Heart technique... The Temptation is really big,”Qin Yu thought to himself.

Xiao Hai stood up and said, “Alright, let’s not talk about this anymore. I have to leave quickly.”

“Where are you going?”Jue Wu asked.

Xiao Hai said, “To the northern border.”

Qu zhu sighed and said, “Brother Xiao Hai, even if you go to the border, I’m afraid it will be difficult to stop you.”
