Chapter 1486: Chapter 1,486, Greedy First Elder 1

Wen Da and Wen er tiptoed and reached out their hands to Qin Yu's crotch.

Qin Yu's pupils contracted while he was cultivating. An internal Qi instantly shook the two of them away!

The two of them staggered back a few steps and finally sat down on the ground.

"You two bastards, what are you trying to do!" Qin Yu couldn't help but curse.

Wen Da and Wen Er got up from the ground and said with an embarrassed smile, "Nothing much, nothing much. Seeing that you are so uncomfortable, I thought you..."

"I thought you were having menstrual cramps," Wen da said with a smile.

"F \* CK Your Grandpa." Qin Yu rolled his eyes at the two of them. "Don't come and disturb me. If anything happens, I can't guarantee your safety."

The two of them smiled sheepishly and said, "Alright, Hurry up and cultivate. I Won't disturb you."

The two of them muttered as they walked, "I told you that he might be a woman."

"Impossible, absolutely impossible!"

"..."

Qin Yu looked at the two clowns and didn't know whether to laugh or cry for a moment.

Then, he closed his eyes again and began to swallow the nascent soul pill.

Heavenly Cloud sect.

The first elder had been in seclusion in the cultivation room for several days. In front of him was a sacred heart technique.

And this sacred heart technique was only an incomplete copy.

But even so, the first elder still tasted the sweetness.

He opened his eyes and said with a shocked expression, "This sacred heart technique... really lives up to its reputation!"

The Sacred Heart technique was considered a mental cultivation technique. With this mental cultivation technique, the first elder's cultivation speed was several times faster!

In other words, with the blessing of the Sacred Heart technique, even the weak spiritual Qi could bring about a great increase!

Not only that, with the blessing of the Sacred Heart technique, one's mental state would also increase.

This cultivation technique was simply unparalleled in the world!

"Unfortunately, it's only an incomplete copy..."first elder muttered in a low voice.

At this moment, first elder was even greedier towards the Sacred Heart Technique!

"If the entire Heavenly Cloud sect cultivates the Sacred Heart technique, why would our heavenly cloud sect have to live in a small southern region!"The first elder became even more excited!

"First Elder, how's your cultivation these few days?"

At this moment, a voice sounded.

Following that, the black-robed man suddenly appeared at the door.

The first elder's expression changed slightly. He withdrew the smile on his face and coldly said, "Who told you to come here? If the sect master finds out, he will definitely kill you!"

The black-robed man raised his head and looked at the Cultivation Mountain that was suspended in the sky. He smiled and said, "The sect master of the Tianyun sect should have already entered closed-door cultivation. He will probably not leave for a while."

First Elder snorted coldly and said, "It seems that you all know the Tianyun sect very well."

"Hahaha, First Elder, you must be joking. I only found out by chance."The black-robed man said with a faint smile.

"First Elder, I wonder how you feel about the Sacred Heart technique of the northern lands?"

Although the first elder had a great longing for the Sacred Heart technique, he still said, "Hehe, it can only be considered pretty good. Compared to my Tianyun sect, it's not worth mentioning."

The black-robed man obviously knew what the first elder was thinking, but he did not expose it.

“First Elder, if you agree to my proposal, I will give you the rest of the Sacred Heart Technique,” the black-robed man said with a faint smile.

A hint of greed flashed across the first Elder’s face. Even though he was extremely patient, it was still difficult for him to hide the thoughts in his heart.

“Of course, I will keep my promise to you. The unique techniques of the northern lands are endless. A mere sacred heart technique is nothing,” the black-robed man continued.

The first elder fell silent. He was indeed tempted.

“I can promise you,” first elder said in a deep voice a moment later.

The black-robed man was instantly overjoyed. He was just about to speak when first elder continued, “But I have a condition.”

“Don’t even mention one condition. Ten conditions won’t be a problem!” The black-robed man said with a smile.

A trace of viciousness flashed in first Elder’s eyes. He said coldly, “I want you to kill that Qin Yu!”

“Qin Yu?” The black-robed man raised his eyebrows. “Is it that young man?”

“That’s right. You must know that Qin Yu is very close to Xiao Hai and the others. If one day you step into the South Province, this Qin Yu will definitely still be your enemy,” said the first elder indifferently.

The black-robed man smiled and said, “He is also your enemy, right?”

The first elder coldly snorted and didn’t say anything.

“Killing a Puny Qin Yu is not worth mentioning. However... according to our understanding, that Qin Yu is at Mount Hua Ning.” The black-robed man rubbed his chin.

“Mount Hua Ning is the territory of the absolute dance. This absolute dance... is not easy to deal with.”

First Elder snorted coldly and said, “Didn’t you say that there are many talented people in the northern lands? Why, you can’t even deal with a puny absolute dance? If that’s the case, why is there a need for us to cooperate?”

“Hahaha!”The black-robed man could not help but laugh loudly, “Alright, since that’s the case, I’ll agree to it. Treat it as my northern lands surrendering!”

This sentence of “Surrendering”was quite useful to first elder.

He nodded slightly and said, “Then it’s settled. You Bring Qin Yu’s corpse to see me. I’ll definitely do what I promised you.”

“It’s a deal.”The black-robed man nodded slightly, then turned around and left.

...

In a certain desert in the South Province.

The black-robed man rushed all the way here. In front of him stood an extremely tall man.

This man’s entire body was wrapped in a thick black fog. He looked quite similar to he teng back then.

“How is it? Did he agree?”The man wrapped in the Black Fog said coldly.

The black-robed person cupped his hands and said, “Sir, he agreed. However, he has a condition. He wants us to kill Qin Yu.”

“Kill Qin Yu?”The person in the black fog seemed to be somewhat puzzled.

“Yes. Qin Yu has a deep hatred with the heavenly cloud sect. He wants to use our hands to get rid of this Qin Yu,”said the black-robed person.

“I’ll leave this matter to you.”The black fog rolled and the voice sounded.

The black-robed man shook his head and said, “Sir, killing Qin Yu is nothing. However, this Qin Yu has a unique dance at Mount Hua Ning. I’m afraid that I’m not her match by myself. Sir, please help me increase the number of people.”

The Black Fog was silent for a moment before saying, “Go ahead. I’ll send someone to help you in three days.”

“Thank you, sir.”The black-robed man bowed and the black fog slowly disappeared.

...

On Mount Hua Ning, Qin Yu had been in closed-door cultivation for a full ten days.

During these ten days, Qin Yu had only swallowed sixty nascent soul pills after using all his strength.

Not only that, these sixty nascent soul pills had yet to be fully digested.

On the other hand, Wen Da and Wen Er had been drinking all day, leading a leisurely life.

“It’s a pity there aren’t any beauties. Sigh.”Wen Da sighed.

Wen er muttered softly, “Actually, Aunt Jue Wu is quite pretty.”

“F \* ck you!”Wen Da kicked Wen Er’s butt.

As he was speaking, Jue Wu’s voice came from not far away.

“Aiya, I’ve been so tired these past few days. Quick, get me something to Eat!”Jue Wu said loudly.

Chapter 1487: Chapter 1,487, the intruder is not kind

Hearing Jue Wu’s voice, Wen Da and Wen er hurriedly shut their mouths, not daring to joke about Jue Wu anymore.

In a short while, Jue Wu arrived here.

She sat down, grabbed the wine on the table, and began to drink.

“Has Qin Yu Not Come Out Yet?”Jue Wu asked.

Wen Da and Wen Er hurriedly shook their heads and said, “No, it’s just that his face is red from holding it in every day, and his head is full of sweat.”

“Covered in sweat?”Jue Wu frowned slightly. She put down the wine in her hand and then walked toward the cultivation room.

Wen Da and Wen Er followed closely behind, and the three of them went all the way to the cultivation room.

As soon as they arrived at the cultivation room, they saw that Qin Yu’s entire body was trembling.

“Look, it’s just like this,”Wen da hurriedly said.

Jue Wu wrinkled her small qiong nose. She looked around and quickly noticed the problem.

“Is this kid throwing his life away for cultivation?” Jue Wu muttered.

She walked behind Qin Yu and raised her small palm. An internal Qi gathered in her hand.

Then, Jue Wu slapped Qin Yu’s back.

In an instant, the internal Qi in Qin Yu’s body gradually stabilized.

His entire body felt a warm current, which was extremely comfortable.

His trembling body stopped at this moment, and the expression on his face gradually became relaxed.

Seeing this scene, Wen Da and Wen Er could not help but be shocked.

“Aunt Jue Wu, this... What’s going on with this kid?” Wen Da asked.

Jue Wu opened her mouth and was about to explain, but then she muttered, “What’s there to explain to the two of you? You won’t understand even if I tell you.”

After saying this, Jue Wu quickly rushed to the pavilion.

There was already good wine and food prepared here. Jue Wu rushed over and began to gobble down the food.

When Wen Da and Wen Er saw this, they also quickly followed.

The group of people ate, drank, and had fun from day to night.

“Come on, continue!” Jue Wu clearly didn’t want to finish.

Wen Da and Wen Er were already done for. The two of them lay on the ground, staggering.

“Two trash.” Jue Wu rolled her eyes. At this moment, she looked at the two attendants.

“Come, you two drink with me!” Jue Wu waved her small hands and said.

The two of them hurriedly waved their hands and said, “Lord Jue Wu, we... We don’t know how to drink...”

“There’s nothing to be afraid of. After drinking two times, we will know how to drink.” Jue Wu did not say anything and pulled the two of them to sit down.

At the same time, in Eternal City.

The black-robed man and Mister Yong Ji were sitting opposite each other. A pot of wine was placed in front of them.

“If you have something to say, just say it.” Yong Ji took a sip of wine and smiled.

The black-robed man smiled faintly and said, “Then I’ll get straight to the point.”

The black-robed man raised his head to look at Yong Ji and said, “Mister Yong Ji, I wonder if I can trouble you to kill someone.”

“Kill someone? hahaha! Do you need my help with something like this?” Yong Ji shook his head.

The black-robed man narrowed his eyes and said, “The person I want you to kill is not someone else. It’s the unique dance of Mount Hua Ning.”

Once these words were said, Yong Ji’s expression changed slightly.

“Unique dance?” The wine cup in Yong Ji’s hand froze in midair.

The black-robed man nodded slightly and said, “That’s right. We’ve heard that unique dance’s ability is unparalleled in the world. Other than Mister Yong Ji, we can’t find a more suitable candidate.”

Yong Ji furrowed his brows tightly and said coldly, “If I help your Northland fight against the absolute dance, how am I going to live if this gets out?”

The black-robed man laughed loudly and said, “Mister Yong Ji, don’t worry. We’ll use a secret technique to cover your face. No one will ever find out that the person who attacked is you.”

Yong Ji remained silent and said in a deep voice, “You can just find someone else for such a matter. Why do you need to find me?”

“Other than you, we can’t think of a more suitable candidate,” the black-robed man said.

“Mr. Yong Ji, are you afraid of that crazy woman?” The black-robed man raised his eyebrows and asked.

Yong Ji laughed loudly and said, “I’m not afraid. I just feel that there’s no need to offend Jue Wu for the sake of your Northland. This is a loss-making deal.”

The black-robed man shook the wine cup in his hand and said indifferently, "Whatever conditions you have, just mention them."

Yong Ji narrowed his eyes slightly and said, "Really?"

"Absolutely." The black-robed man nodded and said.

Yong Ji's expression turned cold as he said coldly, "I want you to help me kill the sect master of the Heavenly Cloud Sect."

As soon as these words were said, the black-robed man's expression immediately changed.

"Kill the sect master of the Heavenly Cloud Sect? This is not an easy matter." The black-robed man's voice became somewhat cold.

Yong Ji smiled faintly and said, "I didn't ask you to kill him now. You can just kill him in the future."

"I believe that it won't be long before the north and the South region will start an all-out war. You'll have to kill him sooner or later." Yong Ji smiled and said.

The black-robed man smiled but didn't say anything. A moment later, he suddenly asked, "Why didn't you do it yourself?"

Yong Ji sneered and said, "If I were his opponent, how could I have tolerated it until now?"

At this point, Yong Ji swept his gaze around and said coldly, "I have more than a hundred people under me. Every one of them is a heaven's favorite. They are definitely not inferior to the Heavenly Cloud Sect!"

"If it weren't for the sect master of the Heavenly Cloud Sect, I would have made my move long ago."

"Even you are not his opponent?" The black-robed man could not help but be a little surprised.

Yong Ji nodded and said, "I'm most likely unable to defeat him."

The black-robed man thought for a moment and said, "Alright, but I don't dare to promise you when it will be realized."

Yong Ji narrowed his eyes and said coldly, "Sooner or later, you will have a battle with the Heavenly Cloud Sect. At that time, our Yong Ji City will also attack together."

“So, strictly speaking, you are not helping me. We are just helping each other.”Yong Ji looked at the black-robed man.

The black-robed man seemed to think that what he said made sense. He immediately smiled and said, “Deal. We’ll set off in three days.”

The two of them hit it off and planned to suppress Jue Wu!

At this moment, Jue Wu had no idea that she had been targeted by someone.

She was drunk all day long and lived quite happily.

Other than taking a look at Qin Yu every day, she ate almost all the other time.

In the blink of an eye, two days had passed.

And there were only ten nascent soul pills left in Qin Yu’s hand.

He opened his eyes and looked at the nascent soul pills in his hand, intending to swallow them all in one go.

Just as he was about to swallow all ten nascent soul pills into his stomach, a pale golden light suddenly shot over.

This light was like a whip, grabbing Qin Yu’s wrist.

“What?”Qin Yu looked at Jue Wu.

Jue Wu glared at Qin Yu and said, “If it wasn’t for me, you would probably be dead by now!”

“Even if you’re cultivating, you can’t fight so hard, understand?”Jue Wu muttered as he walked.

Qin Yu scratched his head and said, “Ten pills shouldn’t be a problem. After I finish absorbing these ten pills, it should be enough.”

“Internal Qi?”Jue Wu opened her mouth and was about to speak when she suddenly felt several auras appear near Mount Hua Ning.

“Eh?”Jue Wu immediately frowned.

Soon, Qin Yu also sensed this aura.

“Someone is coming?”Qin Yu stood up and said.

A trace of coldness flashed in Jue Wu's big eyes as she slowly said, "It's not a friendly visit."

Chapter 1488: Chapter 1,488, absolute dance vs the Northern Lands 1

Just as absolute dance had said, Qin Yu also felt a trace of killing intent.

It was unknown whether this killing intent was coming for Qin Yu or absolute dance.

Qin Yu immediately stood up and said in a deep voice, "Let's go out and take a look."

Absolute Dance Glared at Qin Yu and said, "Sit down obediently and do what you need to do. It has nothing to do with you."

Qin Yu frowned and said, "How could it have nothing to do with me? Maybe they are coming for me."

Jue Wu sneered and said, "Since they dare to come to my Hua Ning Mountain, I'm afraid they are fully prepared. You Won't be of much help even if you go."

Hearing this, Qin Yu became even more worried.

"No, I have to go with you. I can feel that there's more than one person," Qin Yu said in a deep voice. "No need. If I can't even protect Mount Hua Ning, there's no need for me to stay here." Jue Wu sneered.

Then, she glanced at Qin Yu and said, "You stay here obediently. If you dare to disobey me, don't come to Mount Hua Ning in the future."

Qin Yu opened his mouth, not knowing what to say for a moment.

Jue Wu didn't say anything more and left in big strides.

Around Mount Hua Ning, more than ten people were rushing over.

All of them were dressed in black and had strong internal Qi.

Soon, these ten people landed on Mount Hua Ning.

"What are you doing here in the middle of the night?" Jue Wu put her hands on her waist and said coldly.

The leader was Yong Ji. He took a step forward and said indifferently, "Jue Wu, if you are willing to hand over Qin Yu, we will leave immediately. We Won't disturb you."

“Internal Qi! You came to my Hua Ning Mountain to ask for her? I think you are tired of living!” Jue Wu flew into a rage. An extremely terrifying aura erupted from her body!

Everyone could not help but be shocked when they felt this aura.

Even Yong Ji’s expression did not look too good.

“This crazy woman seems to be stronger than I imagined,” Yong Ji thought to himself.

“I can use this opportunity to get rid of her. Otherwise, I will definitely become a big trouble!”

Therefore, Yong Ji took a step forward and said coldly, “In that case, you are planning to protect this Qin Yu to the death.”

“Yes or no, it has nothing to do with you. Get lost right now. I might spare your lives, but it will be too late later,” Jue Wu said with a dark face.

Yong Ji laughed out loud, “Alright, everyone says that southern state’s Jue Wu’s strength is outstanding. Today, I, the northern land, will have a taste of it!”

With that, Yong Ji took a step back.

He waved his hand, and the ten or so people instantly rushed towards Jue Wu!

“Bang!”

No one knew who it was, but someone raised a hand and slapped Jue Wu’s chest, forcing her to retreat dozens of meters away.

Her thin and small body fell into the rubble, and for a moment, she fell into silence.

“HM? Is it over?” Everyone couldn’t help but frown.

However, in the next second, the rubble instantly exploded and turned into ashes!

An extremely terrifying internal Qi fluctuation erupted from the rubble!

Then, they saw Jue Wu leap up from the rubble. Her pupils dilated, and her entire body trembled.

What was even more terrifying was that her internal Qi was rapidly increasing!

“I’m going to slaughter all of you and drink all of you!” Absolute Dance’s eyes slowly turned scarlet red.

At this moment, her hair also began to change. Her originally long black hair had turned scarlet red!

Blue veins popped up in her eyes. At a glance, absolute dance seemed to have turned from a little elf into a demon!

“What the Hell Is This?”Yong Ji could not help but frown.

Although he had known absolute dance for many years, he had never seen her in such a state!

“Weng!”

At this moment, absolute dance waved her small hand, and a scarlet light instantly enveloped Mount Hua Ning!

This sealed off their escape route! To prevent anyone from escaping!

For a moment, everyone was a little afraid. They subconsciously looked at Yong Ji.

Yong ji said coldly, “What are you afraid of? It’s just a bluff. Attack and kill her!”

“Swish!”

At this moment, Jue Wu instantly appeared in front of someone!

That icy coldness shocked everyone!

Before he could react, Jue Wu’s small hand had already slapped over!

This hand carried a scarlet radiance as it directly slapped her head!

“Kacha”a crisp sound rang out, and his head exploded on the spot!

Seeing this scene, everyone’s expressions could not help but change greatly!

One had to know that these people were all elite soldiers and valiant generals of the northern lands, yet they had been instantly killed by absolute dance with a single move!

“Oh no, the information is wrong,”someone in the crowd whispered to himself.

“Go to hell!”

Absolute dance went mad. Her long hair danced about in the wind like a demon, and then she launched an indiscriminate attack.

Her small hands kept clapping forward. One palm, two palms, three palms... ! In the blink of an eye, she had already struck out hundreds of palms!

Countless streams of spiritual power mixed with essence energy slapped toward the crowd.

For a moment, the entire Hua Ning mountain suffered as if it had experienced an earthquake!

Such a terrifying spell made everyone tremble in fear.

They dodged absolute dance's attack in a panic. They couldn't even free their hands to counterattack.

Absolute dance didn't seem to have lost any energy as she continuously struck out palm after palm!

What was even more shocking was that her spell didn't target anyone at all. Instead, she struck out randomly as if she wanted to kill everyone!

"Bang!"

Finally, someone wasn't able to dodge and was struck by a palm. A mouthful of blood spurted out from his mouth!

"We can't continue like this, or we'll definitely be killed by her!" Someone shouted loudly.

Then, he raised his hand and conjured a spell. A beam of light shot towards Jue Wu.

However, Jue Wu was not afraid at all. She stretched out her hand and crushed the beam of light!

"Whoosh!"

Perhaps this action had angered Jue Wu, but her small body shot towards her at an extremely fast speed!

"Not good!"

The faces of the people from the northern lands changed. A snow-white protective armor burst out from their bodies!

However, Jue Wu closed her eyes and rammed wildly, using her head to crash into the Northlanders' intruder!

"Crack!"

The protective armor didn't even last half a second before it was shattered by Jue Wu!

Her body passed through the intruder's body and turned his chest into the shape of Jue Wu!

Before he could react, Jue Wu turned around again and rode on his neck. Her small hands grabbed his head and forcefully pulled it off!

A pungent smell of blood filled the air, making everyone tremble in fear!

Everyone could not help but feel fear. Even Yong Ji's expression was extremely unsightly.

"This madman..."Yong Ji gritted his teeth.

He had never thought that this would be a one-sided massacre.

He did not know whether it was because the people of the northern lands were too weak or absolute dance was too strong.

"Looks like the people sent by the northern lands are all a bunch of cowards."Yong Ji took a deep breath.

He suddenly understood something.

These people were just followers. It was obvious that the north wanted Yong Ji to kill Jue Wu himself!

Chapter 1489: Chapter 1,489, absolute dance vs Eternal Dance 1

"These bastards..."eternal dance's expression turned even colder.

The black-robed man had said that he would send the elite soldiers of the northern lands to assist him.

But how were these people elite soldiers? They were a bunch of trash!

The current eternal dance was truly in a dilemma.

He took a deep breath and stepped forward.

Just as Jue Wu's palm was about to land on someone else, Yong Ji suddenly raised his hand and collided with Jue Wu's small palm.

Boom

A terrifying internal Qi rippled out in all directions.

The entire Hua Ning mountain trembled slightly as countless rocks fell down.

Jue Wu and Yong Ji both took two steps back.

“Damn it...”this made Yong Ji extremely angry.

This palm seemed to be evenly matched, but in reality, Yong Ji had used almost all of his strength!

What made Yong Ji even more shocked was that he couldn't use too many spells!

Because once he used a spell, his identity would be discovered!

“Whoosh!”

.....

Just as Yong Ji was in a daze, Jue Wu had already rushed over like a hungry wolf pouncing on its prey!

Along with Jue Wu's fury, her strength seemed to have increased as well.

Her hands were stained with a blood-red radiance. This radiance was extremely eye-piercing, like fresh blood!

Yong Ji did not dare to be negligent. He immediately let out an angry roar, his veins bulging as he raised his hand to welcome her.

“Clang!”

Another violent tremor! The entire Hua Ning mountain hummed!

Before Yong Ji could react, absolute dance had already pounced over once again!

Her hands were waving without any form of discipline, relying on her dense spiritual power!

For a moment, Yong Ji was in an extremely sorry state as he was forced to retreat!

This made Yong Ji even more alarmed. He suddenly realized that absolute dance's strength was even stronger than he had imagined!

Such a huge commotion naturally attracted the attention of Qin Yu and Wen Dawen.

Qin Yu stood up and activated his desolate God's eye, looking at the battlefield.

The battlefield was burning with flesh and blood flying everywhere.

The world seemed to be collapsing as all the laws were revealed at this moment.

“Ah! ! !”

With a roar, Yong Ji's hands transformed into a dao technique as he used all his strength to slap at absolute dance.

Internal Qi surged from absolute dance's body. With a shake of her hands, an internal Qi that was like a strong wind erupted from her hands.

“Boom!”

The collision of the two techniques caused the mountain barrier of Hua Ning to completely collapse!

Yong Ji was forced back a few steps, and his throat became even sweeter!

Yong Ji's expression was extremely unsightly. He looked coldly at Jue Wu, and for a moment, there was some fear in his heart.

“Damn it... if I could use a spell, I definitely wouldn't lose to her!”Yong Ji roared in his heart!

If this continued, he was afraid that he would really lose to Jue Wu today!

“Boom!”

Just as Yong Ji was thinking, Jue Wu suddenly arrived, and slapped Yong Ji's chest.

Yong Ji instantly felt pain and retreated. He spat out a mouthful of blood and his chest caved in!

"No, I have to retreat." Yong Ji's expression turned cold. He didn't care about his injuries and turned around to leave.

In the next second, Yong Ji hid in space and planned to leave.

But at this moment, a large scarlet hand suddenly appeared and slapped him out of the Void!

Yong Ji fell out of the Void, blood flowing out of his mouth.

"F \* ck!" Yong Ji was furious. He even wanted to tear off his mask and fight with absolute dance!

However, his rationality overcame his impulsiveness in the end. He did not dare to waste any more time and quickly left.

Absolute dance originally wanted to chase after him, but she was afraid that she would fall into the enemy's trap. She could only watch as he left.

After that, the internal Qi on Jue Wu's body began to disappear, and everything returned to normal.

"Aunt Jue Wu, are you alright?" Wen Da hurriedly ran over.

Jue Wu snorted and said, "Of course I'm fine. These little shrimps dare to intrude into My Hua Ning Mountain. They really don't know what's good for them."

After saying that, Jue Wu acted as if nothing had happened. She pulled Wen Da and Wen er and said, "Let's go, let's go. Hurry up and have a drink with me!"

On the other side, Yong Ji returned to Yongji City that night.

He hid in his room, tore off his clothes, and then looked at his chest.

There was a scarlet palm print on his chest.

And this palm print was still jumping with light.

“Damn it...”Yong Ji couldn’t help but clench his teeth.

He tried to force it out with spirit qi, but found it was useless.

Even though he was sweating from exhaustion, he couldn’t make the bloody palm print disappear.

“What the hell is this spell!”Yong Ji roared angrily!

At this moment, Yong Ji suddenly realized that the palm print seemed to be invading his body!

This made Yong Ji feel extremely uneasy. He lowered his head and looked at his chest. Then, he gritted his teeth and tore off the lump of flesh on his chest!

Blood gushed out like a fountain.

Yongji endured the pain and looked at his own chest.

Fortunately, the palm print had disappeared.

His face was somewhat cold as he sat there and allowed the blood to flow out.

“Looks like I underestimated the final dance.”Yongji took a deep breath.

He originally thought that he would be able to easily take down the final dance, but he did not expect to return in defeat. He even nearly lost his life.

At this moment, the black-robed man suddenly walked in.

When he saw the black-robed man, a trace of anger flashed across Yong Ji’s face.

“It seems that Mister Yong Ji did not make a good start.”The black-robed man said with a smile that was not a smile.

Yong Ji looked at the black-robed man coldly and said, "Are you all useless in the north? The people you sent out don't even have the ability to resist. Why? Are you playing with me in the North?"

The black-robed man was not panicking. He said indifferently, "Mr. Yong Ji, we are also here to see your ability."

"See my ability?" A powerful internal Qi immediately erupted from Yong Ji's body!

The enormous pressure directly pressed the black-robed man to the ground and he could not move!

"Are you courting death?" Yong Ji looked at the black-robed man in front of him coldly.

The black-robed man struggled with all his might, but he found that he could not break free at all!

"Mister... Mister Yong Ji, please don't misunderstand. We have no ill intentions..." the black-robed man said with some panic.

"No ill intentions? I'm going to Mount Hua Ning and I can't use magic. You should be clear about this, right?" Yong Ji said coldly.

"Are you planning to let me die on Mount Hua Ning and invade My Yong Ji City?"

As he spoke, Yong Ji stood up and raised his foot to step on the black-robed man's body.

The black-robed man's expression changed drastically. He hurriedly said, "Mr. Yong Ji, this... This is a mistake in our decision. I... I promise to compensate you. Please forgive me, Mr. Yong Ji..."

"Oh? Compensate me?" Yong Ji could not help but sneer. "What are you going to compensate me with?"

"Sacred Heart technique, we are willing to give you the complete Sacred Heart Technique!" The black-robed man hurriedly said.

Hearing this, Yong Ji's expression eased up slightly.

He released the black-robed man and coldly said, "Then hand over the Sacred Heart Technique."

The black-robed man didn't dare to be negligent. He respectfully took out the Sacred Heart technique and handed it to Yong Ji.

After receiving the Sacred Heart technique, Yong Ji's expression eased up a little.

He put away the Sacred Heart technique and coldly said, "Get lost."

However, the black-robed man didn't have the slightest intention of leaving. He smiled and said, "Mr. Yong Ji, then how should we deal with this matter?"

Veins popped up on Yong Ji's forehead. He gritted his teeth and said coldly, "Don't tell me you want me to declare war with Jue Wu!"

The black-robed man was a little embarrassed. He knew that Yong Ji cherished his feathers. It was impossible for him to declare war with Jue Wu.

"Jue Wu can't move,"Yong Ji said coldly.

At this point, Yong Ji suddenly changed the topic and said indifferently, "But I have a way to get rid of Qin Yu, but I prefer to get Qin Yu to join us."

The black-robed man sighed and said, "If we could get Qin Yu to join us, we would have done so long ago. It's just that it's too difficult."

"Have you tried? How would you know if you don't try?"Yong Ji frowned and said.

The black-robed man said in a deep voice, "This Qin Yu doesn't even put the heavenly cloud sect in his eyes. It's enough to prove that he's an unruly and untamable person. Moreover, she has a good relationship with Jue Wu and Xiao Hai, so it's better to give up."

Upon hearing this, Yong Ji also felt that it made sense.

He was silent for a moment and said with some regret, "I've always wanted to rope in Qin Yu. It seems that there's no chance. What a pity."

If he joined Eternal City, it would definitely be a rare good news for Yong Ji.

“Since there’s no way to rope him in, we can only get rid of him.”The black-robed man struck while the iron was hot.

.....

Yong Ji’s eyes were gloomy. A moment later, he shouted, “Hua Zi!”

A moment later, a young man pushed the door open and entered.

Seeing the injuries on Yong Ji’s body, hua zi hurriedly asked, “Foster father, what happened to you?”

Yong Ji did not answer this question. Instead, he asked, “There is something I need you to do now.”

Hua Zi hurriedly nodded and said, “Please instruct me, Foster Father!”

Yong Ji narrowed his eyes and said, “I want to declare war with Qin Yu and get rid of him in the name of seeking advice. Are You Willing?”

Hua Zi was stunned for a moment before he excitedly said, “Of course I’m willing! Foster father, I have long disliked that Qin Yu!”

“Alright, then I’ll leave this matter to you. I hope you can give me a good result,”Yong Ji said.

Hua Zi hurriedly cupped his hands and said, “Please rest assured, foster father. I will definitely do my best to kill Qin Yu!”

After saying this, Yong Ji waved his hand and asked Hua Zi to leave.

After he left, the black-robed man frowned and said, “Mr. Yong Ji, can this young man do it? Qin Yu is not simple.”

Yong ji said indifferently, “Hua Zi is one of my most outstanding foster sons. Getting rid of Qin Yu is not a problem. Isn’t killing Qin Yu What You All Want?”

The black-robed man nodded slightly. This was exactly what the first elder had requested.

“I hope it can succeed.”The black-robed man sighed.

Yong ji sneered, “The geniuses of the South Province are all under my tutelage. When the cat’s away, the mice will play.”

The black-robed man cupped his hands repeatedly and said, "Then I'll wait for the good news from Mister Yong Ji!"

...

Mount Hua Ning.

Jue Wu acted as if nothing had happened. He ate and drank as usual, feeling quite comfortable.

Meanwhile, Qin Yu, who was in the cultivation room, could not calm his mind at all.

After thinking for a long time, he finally left the cultivation room and came all the way to this pavilion.

When he saw Qin Yu, Jue Wu said in surprise, "Qin Yu, what are you doing here? Have you come out of seclusion?"

Qin Yu shook his head and said, "You... Are You Alright?"

Jue Wu sneered and said, "What could be wrong with me? If it weren't for you, I would have slapped them to death!"

After saying that, Jue Wu waved her little hand with a fierce look.

Qin Yu sat across from Jue Wu and said, "Do you know who did it?"

Jue Wu frowned slightly and said in a low voice, "They claim to be from the northern lands."

"The northern lands?" Qin Yu's expression could not help but change. He then took a deep breath and said, "It seems that senior Xiao Hai's worries are not without reason. The people of the northern lands have already gone deep into Mount Hua Ning."

Upon mentioning this topic, Jue Wu's gaze also became a little cold.

"These people from the northern lands are really audacious. They actually set their sights on me!" Jue Wu said coldly.

Qin Yu sighed and said, "If a war really broke out between the southern region and the northern lands, no one would be able to escape unscathed. Everyone would be affected."

Jue Wu nodded and agreed with Qin Yu.

"It's time to think of a countermeasure. If it really doesn't work, I'll go to the northern border as well," Jue Wu said as he took a sip of wine.

Qin Yu felt a little uneasy. He always felt that this big battle wouldn't take too long.

"Since you're already here, come drink with me," Jue Wu said casually.

Qin Yu was indeed not in the mood, so he simply accompanied Jue Wu and drank here.

The two of them drank the whole night until early morning.

The two of them were quite powerful, so they didn't get drunk the whole night.

Meanwhile, Wen Da and Wen Er lay there and slept the whole night.

The next day, Qin Yu got up and stretched himself, then said, "I have to go into closed-door cultivation as soon as possible."

Jue Wu waved his hand casually and said, "Go, go, go. No matter what time it is, improving your cultivation is the key."

Qin Yu grunted and was about to go back to the cultivation room.

At this time, Jue Wu's two disciples suddenly ran in.

"Lord Jue Wu, someone who claims to be Mister Yong Ji's foster son is here to see you," the two said.

Jue Wu frowned slightly and muttered, "Yong Ji's foster son? Why is his disciple here to see me?"

"This... We don't know either. We only heard that he requested to see Lord Jue Wu," the two answered truthfully.

Jue Wu impatiently waved his hand and said, "Let him in."

"Yes."

A few minutes later.

A young man walked up from the foot of the mountain.

This person was none other than Mr. Yong Ji's disciple, Hua Zi.

Hua Zi came all the way to the top of the mountain. He cupped his hands to Jue Wu and said, "Greetings, Master Jue Wu."

Jue Wu glanced at him and said, "Tell me, what do you want from me?"

Hua Zi's gaze immediately fell on Qin Yu.

There was a hint of hostility and a hint of contempt in his eyes.

"I'm here to look for Qin Yu,"hua zi said with a faint smile.

Qin Yu was stunned and said with a hint of surprise, "Why are you looking for me?"

Hua Zi said indifferently, "I heard that your strength is outstanding and you claim to be the number one person among the younger generation in the southern province. I, Hua Zi, want to experience it."

After saying that, hua zi directly took out a challenge letter and threw it to Qin Yu.

Qin Yu took the letter of challenge and said with some surprise, "Are you giving me a letter of Challenge?"

"What else?"Hua Zi sneered, "Qin Yu, my master said that your talent is outstanding. I, Hua Zi, am indeed not convinced. I wonder if you dare to fight with me?"
