Chapter 1505: Chapter 1505, just this once

Qin Yu looked coldly in the direction of the first elder. After a while, the internal Qi around him slowly dissipated.

“Phew.” Qin Yu let out a long breath, and then said coldly, “I’ll let him go today, but only this time. Next time, no one will be able to stop him.”

Not far away, the trembling first elder finally let out a sigh of relief. His forehead was full of sweat, enough to see his fear.

Qin Yu looked at the sect master of the heavenly cloud sect and said, “You are really a contradiction. For the sake of the heavenly cloud sect, you would rather not avenge your son, but you turned around and found a good-for-nothing to manage the heavenly cloud sect...”

The first elder did not have any reaction to Qin Yu’s abuse.

“That is an internal matter of my heavenly cloud sect, and has nothing to do with you,” the sect master said coldly.

Qin Yu continued to ask, “Then let me ask you, is Your Heavenly Cloud sect planning to stay out of the Northern Lands’ invasion of the Southern Province?”

“It has nothing to do with you.” The sect master’s reply was still very straightforward.

Qin Yu sneered. He could not be bothered to care about these things anymore.

“Get lost. If I meet you again, I will definitely kill you,” Qin Yu said as he looked at the first elder coldly.

The first elder didn’t dare to stay any longer. With the help of the eighteen gods, he immediately left Yin Palace.

Di Zun intended to stay by Qin Yu’s side, but was rejected by Qin Yu.

There was no other reason. To Di Zun, the Heavenly Cloud sect was more like him, at least for now.

After they left, Qin Yu looked at Yongji.

“Mr. Yongji, what do you want from me?” Qin Yu said expressionlessly.

Yongji laughed and said, “How about we go to Yongji City for a chat?”

“If you have something to say, just say it here,”Qin Yu said coldly.

Qin Yu could use the yin-dragon vein here to not be afraid of Yong Ji.

But if they went to Yong Ji City, their lives would be uncertain.

Seeing this, Yong Ji said in a low voice, “Qin Yu, I know about the hatred between you and the Tianyun sect. Do you want to get rid of them?”

Qin Yu narrowed his eyes and said, “What do you mean by that, Mr. Yong Ji?”

Yong ji directly said, “The Tianyun sect holds great power, but they don’t think about worldly affairs. Such a sect shouldn’t exist long ago.”

“I’ll tell you the truth. Sooner or later, I’ll make things difficult for the Tianyun sect. I hope you can help me!”

Qin Yu looked at Yong Ji with interest, and his face couldn’t help but look a little strange.

This Yong Ji finally revealed his purpose.

“You have so many people to help you. You Don’t need me to succeed,”Qin Yu said indifferently.

Yong Ji raised his brows and said, “Is this considered rejecting me?”

“You can understand it that way,”Qin Yu said.

Yong Ji was silent for a moment before saying, “Alright, then I won’t force you.”

After saying this, Yong Ji didn’t stay any longer and turned around to leave Yin Palace.

Qin Yu wasn’t in a hurry to leave. This was probably the safest place.

It was a pity that there was no dark energy or spiritual qi here, making cultivation extremely difficult. Otherwise, this would be a good place to go into seclusion.

...

Yong Ji sped along with his two foster sons towards Yong Ji City.

“Foster father, why don’t You Kill Him? Isn’t the purpose of our trip to kill him?”asked the foster father beside him, puzzled.

Yong Ji said with a gloomy face, "This Qin Yu is definitely not simple. He can actually activate two yin dragon vein at such a young age!"

"So? With your ability, it's easy to kill him," said the foster son unwillingly.

Yong Ji glanced at him and said coldly, "The sect master of the Tianyun sect is stronger, so why didn't he take action? Aren't you afraid that there's a trap?"

The foster son was stunned and immediately had nothing to say.

Although the sect master of the Tianyun sect hadn't taken action for many years, he had clearly captured Qin Yu last time, but he was locked up for three days before taking action. In the end, he was rescued by a mysterious person.

Thinking about it carefully, it was indeed somewhat unreasonable.

"I even suspect that the reason he chose to enter seclusion and hand the heavenly cloud sect over to the first elder to manage is because he was afraid that something unexpected would happen and the first elder would be the scapegoat," Yong Ji continued.

After he finished speaking, the two foster sons suddenly came to a realization.

"Foster father is still the one who thinks long-term!" The two foster sons hurriedly cupped their hands and said.

Yong Ji snorted coldly and said, "We can't touch this Qin Yu. If we want to touch him, let the people of the northern lands do it themselves. I've always been the only one who makes use of others. It's impossible for me to become someone else's chess piece!"

...

Qin Yu sat at the Yin Palace for a long time. After making sure that there were no ambushes around him, he got up and returned to Mount Hua Ning.

On Mount Hua Ning, surprisingly, Wen Da and Wen Er did not drink. Instead, they strolled around the mountain gate with their hands behind their backs.

"Damn it, will something happen to this Qin Yu?" Wen Da couldn't help but mutter.

"Shut your mouth!" Wen Er glared at him. "That kid is very lucky. What could happen to him?"

"The other party is from the Heavenly Cloud sect. Damn it, that first elder is a dirty old man. Back then, our grandfather was deceived by him," Wen da muttered softly.

"It's fine. Nothing will happen to Qin Yu. Don't worry,"Wen er waved his hand and said.

Although that was the case, the two of them were still a little worried.

Seeing that the sky was gradually darkening, Qin Yu still did not come back.

"Sigh, it seems that this kid is doomed."Wen Er sighed. Then, he took out a pot of wine from his pocket and took a sip.

"Impossible, Qin Yu... Huh? Why the F * ck are you still hiding the wine?"Wen Er glared and snatched Wen da's wine.

Just as the two of them were fighting, Qin Yu flew over from not far away on the godly eagle.

"Sigh, Qin Yu is back!"Wen Da threw down the wine in his hand and hurriedly waved at Qin Yu.

"I told you this kid wouldn't have any problems!"Wen Er also waved his hand.

Qin Yu's Godly Eagle landed at the mountain gate.

He jumped down from his back and said in surprise, "You two aren't drunk today?"

"Brat, we were just worried about you,"Wen da muttered.

"That's right, that's right. Since you don't have anything to do, the two of us have to go do our business,"Wen er said.

Then, the two of them put their arms around each other and walked toward the pavilion.

Looking at their backs, Qin Yu didn't know whether to laugh or cry for a moment.

"I have to go look for Zhuo Jing Tomorrow,"Qin Yu thought to himself.

He could only ask for his help to look for the dark energy grave.

On the other side.

When the first elder was brought back to the Heavenly Cloud sect, he was already half dead.

With such a serious injury, it would be difficult for him to recover in a short while.

When the vice sect master saw this, he could not help but say in surprise, "First Elder, what... What happened to you?"

After saying this, he looked at the eighteen gods behind him and was immediately even more shocked.

“All of this was done by Qin Yu?”The vice sect master widened his eyes.

First Elder opened his mouth and wanted to speak, but he spat out a mouthful of blood.

First Elder tried his best, but he couldn't say a word.

The deputy sect master saw this and quickly waved his hand, “Alright, let's Go and rest.”

A few people immediately carried first elder in. Looking at their backs as they left, the deputy sect master let out a long sigh.

“Now... This sect should be able to be represented by me,”the deputy sect master thought to himself.

He had long disliked the first elder's actions, but he had no right to interrupt.

Now that the first elder was seriously injured, as long as the sect master did not step out, the position could only be taken by him.

In the next few days, the vice sect master made a bold and decisive move. First, he sent the eighteen gods to the border to resist the people of the northern lands.

Later on, the vice sect master sent more and more people to the border.

Such actions were naturally well-received. Even Qin Yu, who was far away in the Hua Ning mountain area, couldn't help but feel a little surprised.

“It seems that the Heavenly Cloud sect isn't all useless,”Qin Yu thought to himself.

This made Qin Yu even more confused. The deputy sect master was many times more capable than the first elder. Why would the sect master hand over the position to the first elder? Could it be that he wanted him to destroy the sect?

If the vice sect master sends everyone to the border, would I have the chance to attack the first elder? Qin Yu thought to himself.

If that was the case, then it would be good news.

It was just that Qin Yu did not understand the Heavenly Cloud Sect's foundation. Such a sect had probably set up all sorts of formation taboos long ago.

With Qin Yu's ability, it wouldn't be easy for him to break in.

I can only place my hopes on Yongji, Qin Yu thought to himself.

Yongji's actions had already shown his hostility toward the Heavenly Cloud sect. Now that the sect master was in seclusion, Yongji could take advantage of this opportunity to attack.

When he broke into the Heavenly Cloud sect, Qin Yu could wait for an opportunity to kill the first elder and take revenge for Zhen Yue.

...

The next day.

Qin Yu left Mount Hua Ning and arrived at Zhuo Jing's residence.

Coincidentally, when Qin Yu arrived at the Zhuo family residence, he happened to meet Li Yingying and the others.

They sat cross-legged under the arbor pavilion, drinking and having fun. It was quite comfortable.

Seeing Qin Yu suddenly appear, everyone couldn't help but be shocked.

"Brother Qin?" Zhuo Jing was the first to regain his senses. He immediately put down the wine cup in his hand and walked quickly towards Qin Yu.

Li Yingying, on the other hand, appeared extremely unnatural.

"Brother Zhuo." Qin Yu nodded slightly at Zhuo Jing.

Zhuo jing smiled and said, "Brother Qin, why are you here?"

"I have something important to ask you," Qin Yu went straight to the point.

Zhuo Jing pulled Qin Yu and said, "Brother Qin, please take your seat. Let's sit down and have a chat."

Qin Yu glanced at Li Yingying and then said, "Forget it. I just want to ask you a few words and then leave."

“Brother Qin, you’d better take a seat quickly. We really admire your big moves recently.” Someone at the table waved his hand.

“Yeah. Brother Qin, come and have a drink. Don’t tell me you won’t give us some face.” The others also shouted.

Seeing this, Qin Yu couldn’t refuse.

Moreover, this matter couldn’t be solved in a short time. No one knew whether Zhuo Jing had any channels or news.

Therefore, Qin Yu sat down with Zhuo Jing.

Before Qin Yu could speak, Li Yingying rolled her eyes and raised her wine glass. “Brother Qin, long time no see. We miss you so much.”

Qin Yu glanced at Li Yingying, mocking her in his heart.

“Miss Li, forget it. Maybe one day I will cause trouble. Don’t drag you into it.” Qin Yu sneered.

Li Yingying immediately became even more embarrassed, but she was a little angry in her heart.

“Brother Qin, I heard that your foster son who fought in the eternal pole not long ago killed many guest elders of the Heavenly Cloud sect. I wonder if it’s true?” Someone at the side hurriedly came forward to mediate the situation.

Qin Yu didn’t hide anything and nodded. “It’s true.”

Although everyone had heard about this long ago, they couldn’t help but be surprised when they heard Qin Yu admit it personally.

“Brother Qin’s abilities really impressed us.”

“Yes, in the entire South Province, Brother Qin should be the number one person.”

“That’s right. Brother Qin killed Ling Yun, who was known as the number one genius of the South Province when he first came to the South Province. Now, even the guest elder of the Heavenly Cloud sect is no match for you. It really makes us feel ashamed.”

Qin Yu smiled as he replied one by one. Then, he raised his cup and drank.

The group of people drank and had fun. They were rather happy.

“Have you heard? The border seems to be in turmoil recently.” At this moment, someone suddenly spoke up.

“Yes, the people of the northern lands have been doing this repeatedly. They have killed countless clansmen of our southern region. It’s infuriating.”

“That’s not the point.” At this moment, a young man shook his head.

He shook the wine cup in his hand and said with a solemn expression, “The northern lands have mastered the spatial spell. A large number of people have already arrived at our southern region. We don’t know when they will make a move. When that time comes, it will definitely be a great disaster!”

“That’s right.” Another young man also agreed.

“Our Southern Region has suffered a great loss. There is a huge dead river between the southern region and the northern region. Without the formation, we would not be able to enter the northern region at all. Meanwhile, the people of the northern region can freely enter and exit our Southern Region.”

“Sigh, don’t tell me that our southern region doesn’t have a teleportation formation?” Someone asked.

Zhuo Jing shook his head and said, “The southern province is a large teleportation formation, and the cost is extremely high. We can’t send small batches of people to the north to die, right?”

Hearing this, someone on the table immediately slammed the table and stood up. He said angrily, “Then our southern province will just passively defend? If this continues, the southern province will sooner or later be eaten up by them!”

“I don’t know, I don’t know.” The people on the table shook their heads one after another.

Qin Yu also frowned. He didn’t expect that they had already fallen into such a situation.

On the surface, the South Province seemed calm and peaceful, but no one knew when they would make a move, how they would make a move, or what they would do to the South Province.

“The rise and fall of the world is the responsibility of the common man. Fortunately, the Heavenly Cloud sect has finally made a move,” someone sighed.

At this point, Zhuo Jing looked at Qin Yu.

“Brother Qin, I heard that Lord Jue Wu also went to the northern border. Is that true?”Zhuo Jing asked.

Qin Yu nodded and said, “Yes, it’s true. A few days ago, she left Mount Hua Ning with senior Xiao Hai.”

“Sigh, it’s a pity that we were born like ants. We’re insignificant,”a young man beside him lamented.

“Let’s not talk about these sad topics.”Someone waved his hand.

Then, Zhuo Jing looked at Qin Yu and asked, “Brother Qin, why are you looking for me this time?”

Qin Yu glanced at the people on the table. Out of vigilance, Qin Yu pulled Zhuo Jing to the side.

“Brother Zhuo, do you know where the dark energy grave is in the South Province?”Qin Yu asked.

Zhuo Jing was a little surprised and said, “Dark energy grave? Why are you looking for that?”

Qin Yu was silent for a moment and then said, “I need dark energy.”

“Dark energy?”Zhuo Jing frowned even more.

He pulled Qin Yu to the side and whispered, “Brother Qin, what do you want dark energy for?”

Qin Yu opened his mouth and hesitated for a long time, but in the end, he decided not to tell Zhuo Jing.

“In short... It’s useful. I need a lot of dark energy,”said Qin Yu.

Zhuo Jing said in a deep voice, “Most of the things that need dark energy are sorcery skills. Brother Qin, you...”

Qin Yu smiled bitterly. He didn’t know how to explain it to Zhuo Jing.

“If it’s not convenient, then forget it. Treat it as if I don’t have any problems,”said Qin Yu helplessly.

"That's not it." Zhuo Jing shook his head. He looked around vigilantly and said, "Brother Qin, no matter what use you want dark energy for, try not to tell others. Otherwise, you might attract trouble. Do you understand?"

Qin Yu nodded and said, "I understand."

No matter where it was, the dark energy was something that people could not avoid.

And those who cultivated the dark energy were mostly extremely vicious people. It was very likely that they would attract a fatal disaster.

This was also one of the reasons why Qin Yu had been unwilling to go to the Thunder Academy. If he went to such a place, he would definitely expose the fact that he cultivated the dark energy.

"Thank you for your reminder, Brother Zhuo." Qin Yu bowed slightly to Zhuo Jing.

Zhuo Jing smiled and said, "This is nothing. Brother Qin, I will investigate this matter for you as soon as possible. Wait for me for a few days."

"Okay." Qin Yu agreed.

After that, Qin Yu didn't stay any longer and immediately left the place.

The two of them exchanged tokens so that it would be convenient for them to exchange relevant information.

After leaving the Zhuo family, Qin Yu headed straight for Gu City. He planned to ask sister Lin about it and take the opportunity to see how she was doing.

Most of the treasures were obtained from ancient people. Sister Lin had been at the auction for many years, so she must have known about the relevant information.

Riding on the Godly Eagle, Qin Yu rushed all the way to Gu City and slowly landed in the palace of Gu City.

Seeing the godly eagle, the city lord of Gu City felt a headache.

"This Qin Yu... why is he here again!" The city Lord of Gu City gnashed his teeth and said.

Although that was the case, he did not dare to offend Qin Yu at all. He could only stand up and go out to welcome him.

After seeing Qin Yu, his expression changed and he tried his best to maintain a smile.
"Mr. Qin, Why are you here?"

Qin Yu glanced at him and asked, "Where is sister Lin?"

"Oh, she is in the boudoir at the back," the city lord of Gu City said. "I will go and call her now."

"No need." Qin Yu shook his head and then walked in the direction of the boudoir.

The boudoir was a house that the city lord of Gu City had specially built for sister Lin in the imperial palace.

There were mountains and rivers around the house, and the scenery was pleasant. It was indeed a good place to recuperate.

The setting sun shone on a long river in front of them, and there were waves of fog surrounding it. It was like a fairyland.

At the door, there were two maids serving sister Lin. They stood at the door, waiting for sister Lin's instructions.

Seeing this arrangement, Qin Yu was quite satisfied.

He walked all the way to the door and said to the maid, "Is sister Lin Inside?"

The maid shook her head and said, "Sister Lin just went out."

"She went out?" Qin Yu frowned.

"When will she come back?"

The maid glanced at the setting sun and said, "It shouldn't be too long. Before the sun sets, sister Lin will definitely rush back."

Qin Yu acknowledged, so he pushed the door open and walked into sister Lin's room.

The room wasn't big, but it had everything. On the table were the four treasures of the study and the words that sister Lin had just written.

Qin Yu looked around, but didn't find anything unusual.

So, he found a seat and sat down, quietly waiting for sister Lin's return.

About an hour later, sister Lin's voice came from outside the door.

Qin Yu suddenly stood up and immediately walked forward to open the door.

Sister Lin was holding a basket in her hand, and there were some herbs in the basket.

These herbs were not old, but they were still filled with the fragrance of herbs.

“Qin Yu? Why are you here?” Sister Lin was pleasantly surprised when she saw Qin Yu.

Qin Yu smiled and said, “I came to see you.”

Sister Lin quickly pulled Qin Yu and said, “Take a seat. I’ll ask them to get some food.”

Qin Yu shook his head and said, “No need. I’ll leave in a while.”

After saying that, Qin Yu looked at the door. He pointed his finger forward and sealed the door with an internal Qi.

“What... is this important?” Seeing this, sister Lin also looked a bit solemn.

Qin Yu said in a deep voice, “Sister Lin, I want to know where there is dark energy, a large amount of dark energy.”

“Dark energy?” A trace of surprise flashed across sister Lin’s face. “Qin Yu, you didn’t cultivate some sorcery for your cultivation, did you?”

Qin Yu smiled bitterly and said, “Of course not. I Can’t explain it to you. In short, I need dark energy now. If sister Lin knows, you must tell me.”

Sister Lin was silent for a moment and said, “Wait for me for a while.”

Then, sister Lin found a leather suitcase.

She rummaged through the suitcase as if she was looking for something.

After a short while, sister Lin took out a map from the suitcase.

She wiped the sweat from her forehead and handed the map to Qin Yu. “I got this by chance during the auction. A divine halberd came out from this place.”

“At that time, because of the dark energy of the Divine Halberd, it was once considered an ominous item. It was placed for a long time before someone dared to take it,” said sister Lin in a deep voice.

She handed the map to Qin Yu. There was a light on the map that marked a certain location.

Qin Yu took the map, bowed, and said, “Thank you, sister Lin!”

Sister Lin smiled and said, “This is nothing. As long as you are well.”

Qin Yu smiled somewhat embarrassedly. At this time, he seemed to have thought of something and continued, "Oh right, I'll have to trouble sister Lin to keep this matter a secret."

"Don't worry, I'm not a fool." Sister Lin snickered.

Just as the two of them were conversing, a violent explosion suddenly came from outside. Immediately after that, the earth shook, and the sky collapsed and the earth cracked. It was as if an earthquake had occurred!

Qin Yu frowned and hurriedly opened the door, looking outside.

He saw that the light in the sky was incessant, and the bright light had already changed the color of the entire sky!

"What... What's going on?" Qin Yu frowned.

A large number of troops from Gu City had already headed to the scene. They followed the source of the internal Qi and sped away.

"Sister Lin, wait for me here. I'll go and take a look before returning," Qin Yu said in a deep voice.

After saying that, Qin Yu's feet shook and he immediately shot out in a certain direction.

He saw three men standing in the center of Gu City.

They were all wrapped in black robes, and their bodies were emitting tremors of black mist.

There were many corpses lying around them. These corpses looked very much like he-teng's technique! Each corpse was extremely shriveled!

"It's a similar internal Qi..."

Just as Qin Yu was running wildly, he suddenly heard a voice.

And the source of this voice was actually Heavenly Blood Rainbow!

Qin Yu instinctively paused when he heard Heavenly Blood Rainbow's voice.

After so long, he had already forgotten about heavenly blood rainbow. He didn't think that he was still alive.

"What do you mean?" Qin Yu asked with divine sense.

Heavenly Blood Rainbow's voice was a little weak. He slowly said, "This aura... must have been inherited by the immortal slaying sect..."

As soon as he said this, Qin Yu immediately felt a chill down his spine!

If his guess wasn't wrong, this group of people should have come from the northern lands.

Could it be that the northern lands had obtained the immortal slaying sect's internal Qi to be able to develop to this day?

If that was really the case, then it would definitely be an extremely terrifying matter!

The immortal slaying sect was definitely not something that the sects of the southern region could compare to. Their internal Qi was extremely terrifying.

What Qin Yu knew was only the tip of the iceberg!

Even the heavenly blood rainbow only got a small part of it!

"How did they get the inheritance of the immortal slaying sect..." qin yu murmured, "Did the people of the immortal slaying sect reach the holy region back then?"

"It's nothing strange... When the immortal slaying sect was at its peak, nothing could stop them. Since the holy region was so prosperous, they naturally came..." heavenly blood rainbow said slowly.

As he spoke, there was a faint sense of pride in his voice, as if he was recalling the peak of the immortal slaying sect.

Qin Yu said in a deep voice, "Could it be that the person behind you gave the Northern Land's legacy?"

At this moment, Qin Yu suddenly thought of something.

Heavenly Blood Rainbow was not the true successor, and the successor behind him was even more terrifying.

However, his identity was extremely mysterious, and he had not even seen heavenly blood rainbow before.

“I don’t know...”the heavenly blood rainbow said in a low voice.

Qin Yu was silent. He hurried towards his destination.

The few black-robed men had already been surrounded by the GU city army. However, they were not worth mentioning in front of the black-robed men. In fact, they did not even have the strength to fight back.

The many generals of Gu City were beaten until they vomited blood. Some of them even had their divine sense absorbed on the spot and fell to the ground.

For a moment, the scene was too horrible to look at. Many of Gu City’s soldiers even turned around and ran.

Seeing this scene, Qin Yu was even more certain that the inheritance of the northern lands was definitely related to the immortal slaying sect!

Could it be... the person behind the Heavenly Blood Rainbow is he teng? Qin Yu thought to himself.

However, he didn’t continue to think about it. Now wasn’t the time to think about this.

Qin Yu looked coldly at the black-robed man in front of him and said coldly, “I didn’t expect that the people of the northern lands have already entered Gu City.”

The black-robed man looked at Qin Yu and said indifferently, “Not only gu city, but the entire southern province has our people everywhere.”

“As long as we give the order, it is enough to destroy the entire southern province!”

Just as Qin Yu was about to speak, the city Lord of Gu City arrived in a carriage.

He stood high in the sky and looked at the bloody scene. His expression became more and more unsightly.

“Who are you people? How Dare You Touch My People!”The city Lord of Gu City shouted!

The few black-robed men below all raised their heads and looked at the city Lord of Gu City.

“You are the city Lord? Then I’ll kill you first.”

A black-robed man said this and immediately stretched out his palm towards the carriage!

As the castellan of Gu City, he naturally had some ability.

Facing this huge palm, the castellan did not panic. He silently chanted a spell and a sharp blade immediately flew out from between his brows!

The castellan held the sharp blade in his hand and directly slashed towards the palm that was swinging towards him!

“Swish!”

With a slash of the sword, the palm was instantly cut into two!

“You must pay the price for what you have done!”The castellan coldly said.

The black-robed man said gloomily, “As expected of the city Lord of Gu City. He has some ability, but unfortunately... he has stopped here.”

Before he finished speaking, several black-robed men attacked at the same time, charging straight at the city Lord of Gu City.

For a moment, the sky was filled with killing intent, and the light was like fireworks, scattering all over Gu City.

Countless people of Gu City raised their heads to look at this scene, and they couldn't help but feel a little excited.

“It's the city Lord! The city Lord is personally fighting for us!”

Many ordinary people also ignited their fighting spirit and rushed towards this place.

Unfortunately, this was a cultivation world. Without strength, no matter how many people there were, it was useless.

“Everyone, don't come any closer,”qin yu shouted loudly. “Don't come forward and throw your lives away!”

After saying this, Qin Yu raised his head and looked at the sky.

The city lord was obviously unable to deal with these black-robed men.

The sharp blade in his hand had almost curled up, and his chest had been hit hard by a palm. He staggered back countless steps, and a mouthful of blood flowed down from the corner of his mouth.

“City Lord of Gu City, today I’m going to use my actions to tell the Heavenly Cloud sect not to interfere in the matters of the northern lands. Otherwise, the entire southern region will be implicated!” One of the black-robed men reprimanded coldly.

Qin Yu’s eyes narrowed slightly, instantly understanding the intentions of the northern lands.

This was more like they wanted to shift the conflict onto the heavenly cloud sect, and then use the other party to kill them...

The Heavenly Cloud Sect’s suffering was not bad news for Qin Yu.

“I can sit back and reap the benefits,” Qin Yu thought to himself.

Now that the supreme intent had made a move against the heavenly cloud sect, the northern lands had also pointed the spearhead at the Heavenly Cloud sect. The Heavenly Cloud sect had suffered a pincer attack from both sides, and it was hard to say who would win or lose.

If Qin Yu joined in, the chances of the Heavenly Cloud sect winning would probably be even smaller.

“Alright, it’s time for you to die.”

In mid-air, the black-robed man suddenly raised his palm, and a pitch-black radiance gathered in his palm.

In the next second, the black-robed man roared, and his palm slammed fiercely towards the city lord’s chest!

At this moment, a golden light streaked across the sky, instantly arriving in front of the city Lord who was holding it up!

The Golden Fist was incomparable as it met the pitch-black light.

“Boom!”

After a huge explosion, the black-robed person staggered back countless steps! Half of his palm was directly broken!

“Qin Yu, you...” seeing Qin Yu who attacked, the city lord could not help but be a little shocked.

Qin Yu ignored him and only looked coldly at the few black-robed people in front of him.

The black-robed man's expression changed and he berated coldly, "Brat, you are Qin Yu?!"

"That's right," Qin Yu said coldly.

The black-robed man narrowed his eyes and berated loudly, "This matter has nothing to do with you. You had better not interfere! Moreover, we are targeting the heavenly cloud sect. You should be thanking us!"

Qin Yu could not help but laugh out loud when he heard that and said, "If you are targeting the heavenly cloud sect, then go to their sect! Why are you targeting these ordinary people? Are you bullying the weak and afraid of the strong?"

"The sect of the Tianyun sect is standing there. You can go at any time."

The black-robed man's face turned black as he coldly said, "This has nothing to do with you. You'd better mind your own business!"

Qin Yu narrowed his eyes and said, "I think you want to use this method to force the Tianyun sect to cooperate with you, right?"

"At that time, won't you all be wearing the same pants? In the end, the ones who will benefit are you, and the ones who will suffer are these ordinary people!"
