

My Rich Wife

Chapter 1516

The troops were quickly gathering towards the heavenly cloud sect, and the person leading them was the famous Yongji.

He stood at the very front, looking awe-inspiring and imposing.

At this moment, the Heavenly Cloud sect had already activated the mountain protection array, and no one came out to fight.

Within the sect, many people raised their heads to look at this scene, and a trace of unease arose in their hearts.

“Since when has our heavenly cloud sect been so overbearing?” Someone whispered to himself.

“Yong Ji finally made his move. That bastard should have been eliminated long ago.”

“It’s useless to talk about this now,” the vice sect master said coldly.

He looked at everyone and said, “This mountain protection array was personally set up by the sect master. I’m afraid Yong Ji won’t be able to come in for a while. Everyone, there’s no need to panic.”

As he spoke, Yong Ji spoke from above.

“Sect master of the Heavenly Cloud Sect, Yong Ji is here to pay a visit. Why Don’t you come out and have a chat?”

Yong Ji’s voice was like rolling thunder, shaking the Heaven and earth.

“Damn it, what is this bird pretending to be? If the sect master didn’t go into seclusion, would he dare to come?” Someone coldly snorted.

The deputy sect master raised his head and looked at Yong Ji. His feet shook and he rose up from the ground, instantly reaching the same height as Yong Ji.

“Mister Yong Ji, why are you making such a big fuss?” The deputy sect leader asked faintly.

Yong Ji laughed loudly and said, “Deputy sect leader, don’t pretend to be ignorant. The actions of the Heavenly Cloud sect are vicious and the people of the world have long been dissatisfied. Today, I, Yong Ji, want to seek justice for the world.”

“Oh? If that’s the case, why doesn’t Mister Yong Ji imitate Xiao Hai and Jue Wu and head to the northern border?”The deputy sect leader laughed coldly.

Yong Ji had already made preparations. He said with a faint smile, “To resist the outside world, we must first settle down within. We can’t let the Southern Region fall into a situation of internal and external troubles.”

The deputy sect leader narrowed his eyes and said, “Mister Yong Ji, are you sure you want to make an enemy out of My Tianyun sect? When the sect leader comes out of seclusion, he will definitely find trouble with you!”

Yong Ji laughed out loud and said, “That will depend on whether he has the opportunity!”

After saying this, the aura of the many people behind Yong Ji instantly exploded! The internal Qi of the people behind Yong Ji instantly exploded!

Such a dense aura directly shattered the surrounding space, revealing a large area of empty space!

The deputy sect leader didn’t waste any more words and immediately returned to the Heavenly Cloud sect.

The entire sect lit up, enveloping the entire heavenly cloud sect.

“What? The Great Heavenly Cloud sect is planning to be a cowardly turtle?”Yong Ji said coldly.

The deputy sect master shouted, “Yong Ji, you are just a petty person who takes advantage of others’ danger. You will never be able to become a noble person in your life!”

“Hehe, this is not something you can decide,”Yong Ji said coldly.

Then, he took a step back and waved his hand, shouting, “Do it! Break his mountain protection array!”

“Yes!”

Many adopted sons lit up their spells one after another. In an instant, the sky was brightly lit.

A terrifying airwave enveloped a large area of land. The first to be affected was boss Zheng’s an Fenglou.

He brought his men and hurriedly fled from an Fenglou, but even so, he was still injured by the lingering power and could not stop vomiting blood.

Round after round of spells came close to the Heavenly Cloud Sect's mountain protection array. What was shocking was that the mountain protection array was actually intact. Under such a terrifying attack, it was still unaffected.

"As expected of the spell formation personally set up by the Heavenly Cloud Sect's sect master," someone said in a low voice.

"The sect master of the Heavenly Cloud sect is a legend of the southern region. I'm afraid Yong Ji is still hiding in some unknown corner when he's fighting everywhere."

"If he can't even break the spell formation, how can he attack the Heavenly Cloud Sect?"

Above, Yong Ji's face was ashen. He didn't expect that so many people couldn't even do anything to a single spell formation.

"Everyone, stop." Yong Ji took a step forward. He lowered his head and looked down at the heavenly cloud sect as he slowly raised his palm.

Internal Qi gathered in his palm. It was extremely terrifying. Everyone felt an unprecedented pressure at this moment.

"It's Yong Ji's three Yuan Holy Palm!" Someone saw through this spell!

Yong Ji raised his hand as his trump card, intending to shatter this mountain protection spell formation in one go!

"Break for me!"

Along with Yong Ji's furious roar, the three Yuan holy palm stacked on top of each other like an ocean wave. Everything in the surroundings turned into ashes in an instant. It was incomparably terrifying!

"Boom!"

After the three Yuan holy palm stacked on top of each other, its power was boundless. The moment it touched the array, the entire heavenly cloud sect rumbled!

Within the sect, mountain rocks tumbled down and the earth collapsed. It was as if an earthquake had occurred.

Everyone couldn't help but tremble in fear.

"It's over. The mountain protection array can't take it anymore," someone said in alarm.

"If Yong Ji barges in, who can fight him?"

"Without the sect master, who can fight Yong Ji?"

The returning to void stage artifact of the Heavenly Cloud sect had been taken away, and the current Yong Ji could be said to be invincible!

"It's all your fault! I even suspect that you are a spy for Yongji!" Someone pointed the spear at the deputy sect leader.

The deputy sect leader didn't say anything. He stared at the faintly discernible array and took a deep breath.

He stretched out his palm, and a large saber appeared in his hand.

Clearly, the deputy sect leader was prepared to die in battle.

But just as everyone was wailing, the array actually flashed with light again!

Meanwhile, Yong Ji's three Yuan holy palm slowly dissipated.

"Phew."

Seeing this scene, everyone heaved a long sigh of relief.

"Fortunately, the sect master's array is better..." someone sighed.

Although the Heavenly Cloud sect wasn't created by the sect master alone, it had indeed flourished in his hands. His strength was naturally self-evident.

Meanwhile, in the outside world, Yong Ji's expression immediately became even more unsightly.

The three elements holy palm was his trump card, but he had already been defeated twice.

The first time was when Hua Zi was defeated by Jue Wu's all creation smallpox when he fought against Qin Yu. This time, it was him who personally attacked, but he was unable to break through even a mountain protection array.

"Even the three elements holy palm was unable to break through the mountain protection array. Looks like this attack is going to end in failure," someone commented.

“Not necessarily. As one of the three unique skills, Yongji naturally has more than one three elements holy palm. Moreover, not only does he have a unique skill, but he also has an extremely terrifying magical artifact.”

Just as everyone was discussing, Yongji reached out with his palm and took out a long pole.

This pole flickered with a purple-gold light. The light was like a mist that lingered around it, making it look mysterious and unfathomable.

“It’s the purple-gold pole.”Someone Gaspd.

“Looks like Yong Ji has made up his mind this time.”

Yong Ji held the purple-gold pole in his hand. With an angry shout, the purple-gold pole in his hand seemed to split the heavens and earth apart as it headed straight for the Heavenly Cloud Sect’s Mountain Protection Spell Formation!

“Boom!”

With one strike, the heavens and earth collapsed, and everything within the Heavenly Cloud sect was shattered!

With another strike, the Heavenly Cloud Sect’s mountain protection spell formation became much dimmer!

Finally, under the third strike, the array could no longer hold on and began to collapse!

Chapter 1517

When Yong Ji saw this, a cold smile appeared on his face.

He held the purple-gold pole in his hand and let out another explosive shout. Finally, the array completely collapsed!

The Sky Cloud sect was filled with a heavy atmosphere.

They looked at the deputy sect master as if they were waiting for his orders.

Even though they opposed the deputy sect master’s decision, they were still willing to die for the Sky Cloud sect.

“Everyone listen up. No one will be spared in the Heavenly Cloud Sect!”Yong Ji coldly ordered.

“Yes!”

The great battle was triggered at this moment. The deputy sect master shouted loudly and took the lead to charge into the battlefield!

This was an unprecedented great battle, a battle that no one could predict! The entire scene was filled with violent divine power. The sky seemed to change color under the light

Even if the main force of the Heavenly Cloud sect had been taken away, a sect that had been established for many years still had a foundation that was beyond imagination.

In an instant, a mysterious power emerged from the Heavenly Cloud sect. This power enveloped everyone, allowing everyone's strength to be sublimated at this moment.

The earth was shaking, and the cultivation mountain would occasionally emit divine light.

Under this contrast, everyone in the Heavenly Cloud sect became incomparably Valiant!

The deputy sect leader had killed countless people, and in the end, he met Yongji.

In the outside world, countless people were watching. At the moment of the start of the battle, they had no way of determining who would win or lose. However, even now, they still had no way of determining.

This was because the heavenly cloud sect was too mysterious. Even the deputy sect leader did not know where this mysterious power came from!

The battle between the two sides lasted for three whole days, but no one knew for sure. This place had become the largest battlefield in the world!

While the Heavenly Cloud sect was fighting with the eternal limit city, Qin Yu, who was far away in the mausoleum, also felt a hint of a breakthrough.

Dark energy filled his body, making his body completely reach the balance of yin and yang.

Qin Yu suddenly opened his eyes, and an internal Qi rushed to his head!

His hair emitted waves of white mist, which was extremely mysterious and unfathomable.

"I finally feel the signs of a breakthrough." Qin Yu was overjoyed!

Fortunately, there weren't any accidents like before. On the contrary, everything went extremely smoothly.

After stepping into the mighty realm, one naturally had to experience an unprecedented heavenly tribulation.

For a genius like Qin Yu, his heavenly tribulation would definitely be incomparably terrifying!

“Speaking of which, the battle between the Heavenly Cloud sect and the Eternal Limit City did provide the conditions for a breakthrough,” Qin Yu thought to himself.

Under such circumstances, Qin Yu didn’t have to worry about someone causing trouble in the dark during his breakthrough.

Even though that was the case, after thinking about it, Qin Yu still decided to find someone to protect him.

And the most suitable person was naturally Zhuo Jing.

In the entire South Province, besides Jue Wu, the only person with strength that was worthy of trust was Zhuo Jing.

Therefore, Qin Yu did not waste any time. He summoned the Divine Eagle and immediately rushed towards the Zhuo family.

His figure was soaring in the sky. Qin Yu sat cross-legged on it like an immortal.

After flying for an unknown period of time, Qin Yu felt a strange internal Qi.

“What a strong killing intent,” Qin Yu exclaimed.

He immediately activated the desolate divine eye and looked in the direction of the source of the killing intent.

With the enhancement of the desolate god eye, nothing could hide.

And the source of the killing intent was the Heavenly Cloud sect!

Looking at the scene in front of him, Qin Yu could not help but be shocked.

That place seemed to have turned into an ancient battlefield. Fresh blood had dyed the mountain gate red.

The Heavenly Cloud Sect, which was originally grand and imposing, had now turned into ruins.

Other than the Cultivation Mountain, everything else had turned into a mess!

The deputy sect master and the others were in a bloody battle. Even when facing Yong Ji, they were not at a disadvantage. They even forced Yong Ji to retreat!

“How could this be!” Qin Yu could not help but be greatly shocked!

One had to know that this deputy sect master had been forced back by Qu Zhu in a few rounds!

Now that he was facing Yong Ji, how could he be so Valiant?

Could it be that Yong Ji’s strength was not even comparable to Qu Zhu?

That was impossible! They were both figures standing at the peak of the southern state. Even if there was a gap, it was definitely not too big!

After thinking about it, there was only one possibility. That was that the Tianyun sect still had some mysterious hidden power.

With the support of this hidden power, everyone’s strength increased.

Qin Yu retracted his desolate divine eye and said in a low voice, “The Tianyun sect is indeed not as simple as I thought. Thankfully, I did not barge into the sect back then...”

If he had barged into the Tianyun sect’s sect, he would have died without a doubt!

Qin Yu sat on the Divine Eagle and could not help but fall into deep thought.

“Perhaps... I should lend Yongji a helping hand,” Qin Yu thought to himself.

This was his best chance, and it was very likely his only chance in the short term.

Thinking of this, Qin Yu sped up.

Only by stepping into the mighty realm could he get his hands on such a battlefield.

Several days later.

Qin Yu finally arrived at the Zhuo family.

The Zhuo family was still peaceful, as if they weren’t involved.

What made Qin Yu the most displeased was that Li Yingying was also there.

“This dog.” Qin Yu couldn’t help but curse in his heart.

Then, he ignored Li Yingying and walked straight towards Zhuo Jing.

“Brother Qin?” After seeing Qin Yu, Zhuo Jing was somewhat surprised. Then, he pulled Qin Yu to his seat.

“Brother Qin, the Eternal Limit City has already started a war with the heavenly cloud sect. The war has already sunk into a state of anxiety,” Zhuo Jing said with a smile.

Li Yingying, who was at the side, hurriedly interrupted, “Brother Qin, you are still the one with sharp eyes. You have long seen that the heavenly cloud sect is about to be destroyed.”

“I don’t think so. The eternal limit has brought all their forces to attack the Heavenly Cloud sect. It has already been several days, and there is no progress at all,” someone at the side added.

Qin Yu said with some curiosity, “When I came to the Zhuo family, I passed by the Heavenly Cloud Sect. I’m very curious why their combat strength is so strong.”

“It’s the alien divine light,” Zhuo Jing said.

Qin Yu looked at Zhuo Jing with some surprise and said, “What is the alien Divine Light?”

Zhuo Jing explained, “The Legacy Magic Treasure of the Heavenly Cloud sect can protect an area. Within the range of this magic treasure, the strength of the disciples of the Heavenly Cloud sect will soar.”

Speaking up to this point, Zhuo Jing smiled and said, “Back then, my father was fortunate enough to experience it.”

“What? Your father still has a grudge against the Heavenly Cloud Sect?” The people beside him were immediately greatly shocked.

Zhuo Jing shook his head and said, “A grudge is not considered. My father once fought with the sect master of the Heavenly Cloud Sect, and in the end, he failed.”

Once these words were said, everyone could not help but be greatly shocked! Qin Yu was no exception!

“Brother Zhuo, if I remember correctly, your father seems to be at the reversion void stage, right? That sect master of the Heavenly Cloud sect is actually at the reversion void stage?” Qin Yu said with a frown.

If that was the case, then the sect master of the Heavenly Cloud sect was probably the number one person in the southern region. There was no suspense at all!

Zhuo Jing said with a smile, "At that time, my father had yet to step into the reversion void stage, but he was only one step away."

"And the sect master of the Heavenly Cloud sect relied on the alien divine light to defeat my father."

Qin Yu did not say anything, but his heart was extremely shocked.

Zhuo Jing's father had already died many years ago. At that time, the sect master of the Heavenly Cloud Sect was able to defeat a top-notch martial artist who was about to step into the reversion void stage. What about now?

Chapter 1518

"I'm afraid the strength of the sect master of the Tianyun sect is more powerful than I imagined," Qin Yu said in a low voice.

Zhuo Jing nodded slightly and said, "We haven't experienced the era of the expansion of the Tianyun sect, so we don't have an accurate understanding of the strength of the sect master of the Tianyun sect."

At this point, Zhuo Jing looked at Qin Yu and said with a smile, "That's why we admire you for daring to offend the Tianyun sect."

At this moment, Qin Yu recalled what the sect master of the Heavenly Cloud Sect had said before.

He said that if he wanted to kill Qin Yu, Qin Yu would be long gone.

At that time, Qin Yu didn't believe it, but now he believed it.

At that time, Qin Yu probably couldn't even last a round in his hands.

"Alright, let's not talk about this anymore. Brother Qin, what are your plans next?" Zhuo Jing asked.

Qin Yu pulled Zhuo Jing to the side and said, "I came here this time because I have something to ask of you."

"You want to borrow the Silver Spring?" Zhuo Jing asked.

Qin Yu repeatedly waved his hand and said, "It's not the time yet. I came here this time because I want you to protect me."

"You're going to break through?" Zhuo Jing said in surprise.

Qin Yu grunted in gratitude and said, "Although the Tianyun sect is currently unable to split themselves and can not make a move against me, there's still the northern lands in the dark."

"Therefore, I have to find a safe place and a reliable person."

Zhuo Jing was silent for a moment before saying, "Brother Qin, why don't you go to the divine capital? That should be the safest place."

Qin Yu smiled bitterly and said, "To tell you the truth, I have indeed considered the divine capital, but I am no longer the only person in the divine capital."

"There are many people and many eyes there. Who can guarantee that they won't inform the Northern Lands?"

Zhuo Jing nodded slightly and said, "That's true."

Although Qin Yu had given them a place to stay, in reality, there was not much affection between them.

"Brother Qin, I'm afraid you'll have to wait for me for a few days. I'll go and find a safe place for you," said Zhuo Jing.

Qin Yu grunted and said, "Thank you, Brother Zhuo. Also, I'll have to trouble you to hurry up."

"Of course." Zhuo Jing nodded.

Not far away, Li Yingying was secretly listening to their conversation.

Qin Yu didn't notice that Li Yingying had used a secret technique to hear their conversation clearly.

Then, the two returned to the pavilion.

"Everyone, please excuse me for a moment. I'm going out to do something. Please make yourselves at home," said Zhuo Jing.

It seemed that everyone often met in the Zhuo family, so even if Zhuo Jing wanted to go out, they had no intention of leaving.

They seemed to be able to use all the items in the entire Zhuo family at will.

This was simply a model of justice and wealth.

"Brother Qin, I won't waste any more time. I'll go do it now," said Zhuo Jing.

Qin Yu slightly bowed to express his gratitude.

After he left, Qin Yu sat in the pavilion and chatted with everyone.

It was not until midnight that everyone slowly dispersed.

Just as Qin Yu was about to go back to his room to sleep, Li Yingying suddenly called out to Qin Yu.

She quickly walked up and said with a smile, "Young Master Qin, I suddenly had an urgent matter last time and left without saying goodbye. I'm really sorry."

Qin Yu sneered and said, "Miss Li, you don't have to apologize to me. No matter what reason you leave, I don't care."

Li Yingying couldn't help but feel a little embarrassed, but she still said shamelessly, "Young Master Qin, in fact, I'm full of admiration for you. If..."

"Miss Li, I also told you clearly that I'm not interested in you at all," Qin Yu said coldly.

"I've already made myself clear last time. Don't waste your time on me."

Li Yingying hurriedly said, "Is it because I suddenly left without saying goodbye last time? I really..."

"You're thinking too much." Qin Yu shook his head and said, "No matter what you do, I'm not interested in you."

After saying this, Qin Yu turned around and left.

Li Yingying looked at Qin Yu's back and couldn't help but clench her teeth.

"Qin Yu, you're so Shameless! If that's the case, then don't blame me for being impolite!" Li Yingying's eyes flashed with a trace of viciousness.

...

At this moment, the Battle of the Heavenly Cloud sect still didn't stop.

The two sides had been fighting for several days, but Yongji still couldn't improve even half a step.

Every time he felt like he was about to take down the heavenly cloud sect, other hidden forces would appear within the sect.

"They've been fighting for six days, but there's still no result. If this drags on, it'll be extremely disadvantageous for Yong Ji," someone in the dark commented.

"Mm, the Heavenly Cloud Sect's forces are rushing back, and the sect has countless guest elders. If they all rush back, Yong Ji will definitely lose!"

"Normally, Yongji should understand this logic, but why is he still not retreating?"

"There's only one possibility. Yongji is also waiting for outside help. who could that person be? Qin Yu?"

"A mere Qin Yu probably won't change anything. Just wait and see."

The battle continued. Yongji relied on heaven-defying methods to kill countless enemies, but he was also injured, and more than half of his adopted sons died.

"Foster father, if this drags on, I'm afraid we'll lose," one of his adopted sons said anxiously.

Yong Ji remained silent, but deep down, he was extremely furious.

The northern lands had said that they would take the opportunity to attack, but the battle had already gone on for five days, and there was still no sign of them!

"Foster father, why don't we retreat for the time being and regroup before we fight!" One of his adopted sons suggested.

Yong Ji remained silent. He looked at the ruins of the scene and also had the intention to retreat.

However, he was very clear about this principle.

Once the first attack failed, it would become even more difficult later on.

"Foster father, our people are already exhausted, and we don't know what kind of mysterious spell the Heavenly Cloud sect has. Every one of them is extremely abundant. If this continues, we will really die here!" A foster son said anxiously.

At this point, Yong Ji had no other choice.

He took a deep breath and then shouted, "Heavenly Cloud sect, listen well. Today, I will temporarily spare your lives. One day, I will definitely make a comeback!"

After throwing these words, Yong Ji waved his hand and said coldly, "Retreat!"

The group of people left the Heavenly Cloud sect and temporarily set up camp in a city a hundred stars away.

Looking at the departing Yongji, everyone couldn't help but sigh.

"As expected, the Heavenly Cloud sect is a tough nut to crack. It's really difficult to deal with just Yongji alone."

"Yeah, unless the three lunatics and three absolute arts attack together, it will be very difficult to bite down on this tough nut."

"Yongji will never give up. This is the only chance for him. If he doesn't take the opportunity to get rid of the Heavenly Cloud sect, once the Heavenly Cloud sect recovers, he will definitely destroy Yongji City!"

The crowd of onlookers in the dark did not leave. They knew that it would not be long before Yong Ji would make a comeback.

More importantly, they were also waiting. They also wanted to see if the northern lands would take advantage of this.

Chapter 1519

Zhuo clan.

Qin Yu was quietly waiting here.

He found a relatively quiet room and sat cross-legged on the bed.

Then, with a flick of his palm, he took out the great Yue fruit and the Huangji Buddha Flame from the spatial magic artifact.

"Rumor has it that swallowing the Huangji Buddha flame can greatly increase one's strength. I don't know if it's true or not," Qin Yu said in a low voice while dragging the Huangji Buddha Flame with one hand.

The flame flickered with a cold white radiance in his palm. It didn't look eye-catching, and it didn't even have a powerful internal Qi.

However, it was this ball of flame that allowed Qin Yu to escape from the hands of the eighteen gods.

As for the great Yue fruit, it was even more magical. Qin Yu didn't plan to use it for the time being.

When he encountered a bottleneck in his cultivation, the great Yue fruit would be able to bring out its greatest effect.

Qin Yu put away the two treasures, then muttered softly, "Since the northern lands have obtained the inheritance of the immortal slaying sect, they will attack me sooner or later."

What worried Qin Yu the most was that the person behind the northern lands had something to do with the inheritor on Earth.

Of course, the current Qin Yu still had the ability to protect himself.

Just the mysterious iron rod in his hand and the masked woman's divine picture were enough to keep Qin Yu alive.

Just as Qin Yu was thinking, he suddenly felt a figure flashing outside.

"Who is it!" Qin Yu shouted. Then, he stretched out his golden palm and grabbed her throat!

After stepping out of the door, he found that the person who was eavesdropping outside was actually Li Yingying!

"Why is it you?" Qin Yu frowned.

Li Yingying coughed violently a few times and then said with some grievance, "Brother Qin, I'm here to bring you food."

Looking down, sure enough, Li Yingying was carrying a basket with many delicacies in it.

Qin Yu couldn't help but sneer in his heart.

Deliver food? He was probably here to eavesdrop under the name of delivering food.

"Li Yingying, I hope you have some face," Qin Yu said coldly.

All along, Qin Yu had been saving face for her, but now Qin Yu realized that he shouldn't be too soft-hearted to such a person.

"I hope you will stay away from me in the future," Qin Yu said coldly.

After saying this, Qin Yu turned around and went back to his room.

Li Yingying couldn't help but gnash her teeth. She stared at Qin Yu coldly, wishing she could tear Qin Yu into pieces.

“Just you wait, I will make you pay the price!” Li Yingying said coldly.

...

In the next few days, Qin Yu waited for Zhuo Jing’s return in the Zhuo family.

On the other side, people from the Heavenly Cloud sect had already returned one after another.

Many of the visiting elders had also returned to the Heavenly Cloud sect after receiving the Heavenly Cloud Sect’s summons.

“As expected, the Heavenly Cloud sect has been given time to prepare. I’m afraid that it will be difficult to deal with them in the future,” the people watching from the shadows commented.

“Yongji didn’t get any benefits in the first place. Now that the Heavenly Cloud sect has withdrawn so many people, Yongji probably has even less of a chance of winning.”

“Don’t worry. Don’t forget that the northern lands have been provoking the heavenly cloud sect. It’s impossible for them not to make a move.”

“That’s right. I reckon Yongji is also betting that the northern lands will take the opportunity to make a move. That’s why he’s stationed a hundred Li away.”

They didn’t expect that Yongji had colluded with the northern lands to wipe out the heavenly cloud sect in one fell swoop.

...

A hundred Li away, there was a small city called Dongji City.

Although this place wasn’t big, because it was under the influence of the Heavenly Cloud Sect, Dongji city was quite prosperous.

The originally peaceful city had now become turbulent.

There was no other reason than Yongji had occupied this city.

In a manor, Yongji was sitting cross-legged.

Although he tried his best to calm his mind, his chest was still filled with endless anger.

“Foster father, there are already people from the heavenly cloud sect withdrawing one after another. Should we continue?” One of the foster sons asked in a trembling voice.

Yong Ji slowly opened his eyes. He gritted his teeth and said, “There’s no turning back. If we don’t get rid of the Heavenly Cloud sect this time, the ones who will die in the future will definitely be us!”

“But... but now...” the foster son did not continue, but the meaning was already very obvious.

Yong Ji could not help but clench his fists and curse in his heart, “These Northern Lands Bastards have played me over and over again!”

“Mister Yong Ji, I’m late.”

Speaking of the devil, he arrived.

At this moment, a black-robed man suddenly appeared in the room.

Seeing this black-robed man, Yong Ji suddenly stretched out his hand and grabbed his neck!

The powerful force made it difficult for the black-robed man to breathe!

“Bastard, how many times do you want to play me!” Yong Ji was furious and wanted to strangle the black-robed man to death immediately.

The black-robed man said with difficulty, “Mr. ... Mr. Yong Ji, I came this time... to tell you a good news...”

“Good News? I believed you two times, but I almost died there twice!” Yong Ji said angrily.

“Mr. Yong Ji... you have no other way now... Why Don’t you try to trust us again... Cough Cough...” the black-robed man said in a trembling voice.

Yong Ji’s expression was cold and he did not say anything. After a moment, he let go of the black-robed man.

The black-robed man immediately fell to the ground and could not get up for a long time.

“This is the last time I trust you. If you dare to trick me again, I will kill every single one of you northlanders!” Yong Ji said coldly.

The black-robed man slowly stood up from the ground. He wiped the corner of his mouth and smiled. "Mr. Yong Ji, we need some time to come to the South Province. You have misunderstood us..."

"Cut the crap. Where are your people?" Yong Ji scolded coldly.

The black-robed man smiled faintly. "They are nearby. After Mr. Yong Ji makes his move, our people will immediately appear."

With that, the black-robed man waved his sleeve, and a scene appeared in front of Yongji.

Within this scene, a dense crowd of black-robed men appeared. They hid in the void, waiting for orders at any time.

Yongji narrowed his eyes slightly and said, "They won't send another group of cannon fodder, right?"

Hearing this, the black-robed man said somewhat proudly, "Right now, the remaining people in the northern lands are all elites. There's no cannon fodder."

"No cannon fodder? The last time we went to Mount Hua Ning, your people didn't have the ability to fight back at all!" Yong Ji said coldly.

The black-robed man said indifferently, "Mister Yong Ji, the person we faced last time was Jue Wu. That was one of the three lunatics of your Southern Region, and also one of the strongest people in the southern region."

"If any one of the people in the north can match the three lunatics and three uniques, then why would we need your help?"

Yong Ji remained silent. These words made some sense.

"Please rest assured, Mister Yong Ji. The person leading this team is one of the top experts of our northern lands. His strength is definitely not inferior to the three maniacs and three uniques," the black-robed man said with a faint smile.

"We are the same as you. We all urgently hope for the destruction of the Heavenly Cloud sect! This is a win-win situation. We will definitely not play any tricks."

Yong Ji's face darkened as he said coldly, "When do we attack?"

Chapter 1520

The black-robed man said indifferently, "At any time, as long as you make a move, we will rush to the battlefield within half an hour."

Yong Ji slowly stood up. He looked at the black-robed man coldly and said, "Okay, I will trust you one last time."

After saying this, Yong Ji swept his gaze over everyone and shouted, "Everyone listen up. Tomorrow, we will launch the second and final attack on the Heavenly Cloud Sect!"

"Yes!" Everyone immediately shouted.

...

At this moment, Qin Yu was waiting for Zhuo Jing's return at the Zhuo family.

The next day, Zhuo Jing finally returned.

After seeing Zhuo Jing, Qin Yu quickly walked forward and said, "Brother Zhuo, how is it?"

Zhuo Jing smiled and said, "I found a perfect place for you!"

"Then don't waste time. Let's set off now." Qin Yu pulled Zhuo Jing and said.

Zhuo Jing said with a wry smile, "Brother Qin, I'm quite tired after running around these days. Can you at least let me drink some water?"

Only then did Qin Yu come back to his senses. He said somewhat embarrassedly, "I'm really sorry. I was too anxious."

Zhuo Jing waved his hand and said with a smile, "Brother Qin, we'll set off immediately after a moment. At the same time, we'll protect you. I also have to make some preparations."

Qin Yu nodded repeatedly. He returned to his room and waited for Zhuo Jing.

Not long after Zhuo Jing returned to his room, Li Yingying suddenly pushed open the door and entered.

"Brother Zhuo, you are back." Li Yingying walked in with a smile.

Zhuo Jing nodded slightly and then said with a smile, "Yingying, you haven't left yet."

"How could I leave without saying goodbye?" Said Li Yingying.

Then, she sat opposite Zhuo Jing and said, "Brother Zhuo, where did you go this time?"

Zhuo Jing opened his mouth and was about to say something, but then he shook his head and said, "I went out for a while and did something."

“Brother Zhuo, you’re so nervous. Did you go to do something bad?”Li Yingying pretended to be joking.

Zhuo Jing shook his head with a bitter smile and said, “Of course not. I just found a place for Brother Qin.”

“Eh? Where is brother Qin going? What does he want to Do?”Li Yingying pretended to be puzzled and asked.

Zhuo Jing shook his head and said, “I can’t tell you this for the time being. Don’t ask too much.”

“Aiya, Brother Zhuo, don’t tell me you don’t trust me?”Li Yingying shook Zhuo Jing’s arm and said.

Zhuo Jing smiled but didn’t say anything. This matter was of great importance, so he naturally wouldn’t say anything.

“Brother Zhuo, you know that I have always had thoughts about Qin Yu, but I haven’t been able to find a suitable way to tell him.”Li Yingying rolled her eyes and then sighed.

“Since it’s where Qin Yu is going, if you tell me, I can take the opportunity to get closer to Qin Yu,”Li Yingying said pitifully.

She kept shaking Zhuo Jing’s arm and said with a fawning tone, “Brother Zhuo Jing, I beg you. This involves my lifelong happiness. You Can’t not help me...”

As the saying goes, a spoiled woman had the best life. This was true.

Under Li Yingying’s pleas, Zhuo Jing had no choice but to agree, “Sigh, but this matter must not be told to others.”

“Definitely, definitely!”Li Yingying was instantly overjoyed.

Zhuo Jing had no choice but to tell Li Yingying the location of the destination.

After Li Yingying found out the location, she was immediately excited.

“Thank you, Brother Zhuo Jing! Then I’ll go first and give him a surprise!”Said Li Yingying.

Zhuo Jing nodded slightly and said with a smile, “Okay.”

After Li Yingying left, Zhuo Jing didn’t worry too much.

After all, in Zhuo Jing's eyes, Li Yingying wasn't a good person, but she wasn't a bad person either.

With her strength, even if she really wanted to do something, it didn't matter.

With the Silver Spring in hand, Zhuo Jing wasn't afraid of most people.

...

After Li Yingying left the Zhuo family, she quickly rushed to the heavenly cloud sect.

Of course, she wasn't going to ask the Heavenly Cloud sect for help. Instead, she was going to tell Yongji this news and let him handle this matter.

At this moment, Yongji was just about to lead his troops into battle.

And the black-robed man was faintly discernible behind him. Without powerful strength, it was impossible to discover his tracks.

Just as he was about to leave, Li Yingying suddenly appeared outside the gate. Then, she was dragged in by Yongji's foster sons.

"Foster father, this woman is sneaking around outside the gate. I don't know what she is trying to do," one of the foster sons said.

Li Yingying hurriedly explained, "Mr. Yongji, I'm here to report important news!"

"Important news?" Yongji's eyes narrowed slightly, and then he said, "I remember... You're the daughter of the Li family, right?"

Li Yingying hurriedly nodded and said, "Yes, it's me!"

Yongji sized her up and said, "Why are you looking for me?"

Li Yingying struggled to break free, and then said, "It's news about Qin Yu! I just received news that Qin Yu plans to break through! The location is in the Falling Life Valley!"

"Break through?" Yong Ji narrowed his eyes.

Li Yingying hurriedly said, "Yes, he is about to step into the mighty realm and is looking for a safe place!"

Yong Ji raised his eyebrows and said with a smile that was not a smile, "I remember that you and Qin Yu seem to have a good relationship, right? Why are you telling me this?"

As soon as these words were said, Li Yingying immediately said with a cold face, "That Qin Yu doesn't want face when he is given face. This kind of person will die a horrible death! I want to cut him into a thousand pieces!"

"That's true,"Yongji's adopted son said.

Yongji also nodded slightly. He had tried to make friends with Qin Yu many times, but was rejected by Qin Yu. This person really didn't want to be given face.

"What's the use of telling me this?"Yongji asked back.

Li Yingying hurriedly said, "Mr. Yongji, don't you want to get rid of that Qin Yu? It's a good time to kill him when he breaks through!"

Yongji narrowed his eyes slightly and said, "Then why don't you go?"

Li Yingying said awkwardly, "With my ability, I'm afraid I can't do it. Most importantly, there's also Protector Zhuo Jing. Zhuo Jing has a silver spring in his hand..."

"Void-returning artifact, and it's not an ordinary void-returning artifact,"Yongji commented.

But at this time, he changed the topic, he said indifferently, "Why should I stop Qin Yu from stepping into the mighty realm? If he steps into the mighty realm, he will definitely attack the Tianyun sect. At that time, it will be good news for me."

Li Yingying was startled and hurriedly said, "But... What about in the future? At that time..."

"Enough, no need to say more."Yong Ji waved his hand and interrupted Li Yingying's words.

It was obvious that he didn't want to get involved in this matter at all.

Li Yingying still wanted to say something, but Yong Ji waved his hand and interrupted her.

"You can leave now,"Yong Ji said coldly.

Yong Ji decided not to make a move, but the black-robed man hiding behind him heard it clearly.

"I'm about to break through... This is good news..."the black-robed man muttered in a low voice, and a cold smile appeared on his face.

Then, his figure slowly faded away and disappeared without a trace.
