

My Rich Wife

Chapter 1521

Li Yingying was kicked out. She stood outside the door unwillingly.

But at the moment, she couldn't think of anyone other than Yongji, so she could only give up.

In order to prevent suspicion, she thought about it and finally decided to go to the valley of the fallen life.

...

In a dark area in the South Province.

There were a few black-robed men standing there.

In front of them, a huge scene was formed.

What was shocking was that the scene in this scene was actually the Heavenly Cloud sect!

"Lord Sima Bei." At this moment, a man wearing a black robe walked over

Sima bei glanced at him and said, "Didn't I ask you to keep an eye on Yongji?"

The black-robed man hurriedly said, "Sir, the situation has changed. I just received an important piece of news."

Following that, the black-robed man told Sima Bei what had happened.

After hearing this, Sima bei narrowed his eyes and said, "Qin Yu is about to break through?"

"That's right. Today, the location is Falling Life Valley," said the black-robed man.

Sima bei could not help but sneer, "This Qin Yu and Jue Wu are in the same breath. If he breaks through, he will definitely attack us in the north."

Speaking up to this point, Sima bei looked at the black-robed man and said coldly, "Bring people immediately and take the opportunity to kill him!"

The black-robed man smiled bitterly, "Lord Sima bei, it's better for you to personally handle this matter. As far as I know, the person guarding him is not weak and has a

void-returning artifact in his hands. Moreover, it's not an ordinary void-returning artifact. It's called Silver Spring."

"Silver Spring..."Sima bei muttered in a low voice, and then said coldly, "Alright, I'll personally handle it and get rid of Qin Yu!"

...

Zhuo family.

After Zhuo Jing had made some preparations, he came to Qin Yu's room.

"Brother Qin, let's set off,"Zhuo Jing said.

Qin Yu hurriedly stood up and nodded repeatedly. "Alright, I can't wait any longer."

Zhuo jing smiled and said, "It's better to keep a low profile this time, so we don't need to ride on the Divine Eagle."

"That's exactly what I was thinking."Qin Yu nodded.

Therefore, the two of them immediately left the Zhuo clan and rushed towards the falling life valley.

Because they couldn't be too high-profile, the two of them traveled very slowly. They needed nearly two days to reach the falling life valley.

At this time, Eternal Limit City had already launched the Second Great War against the Heavenly Cloud sect.

Just as everyone had guessed, after the heavenly cloud sect recalled their elites and guest elders, the strength of eternal limit city immediately fell to the lowest tier.

In just a short half an hour, the eternal limit city was forced to retreat.

Even if the eternal limit city was incomparably brave, with the general trend, he alone could not change anything.

"It seems that the eternal limit city is really going to lose."

"Sigh, it's still too difficult to shake the position of the Heavenly Cloud sect in the Southern Region."

"Perhaps we should take the opportunity to attack the eternal limit city together!"

Just as everyone was about to add insult to injury, the air suddenly trembled, and then they saw a thick black fog spreading over!

Along with the Black Fog came a large group of black-robed men!

Their auras were extremely powerful, and it was as if their every move was activating internal Qi!

“It’s the people of the northern lands!” Someone exclaimed.

“As expected, the people of the northern lands will take this opportunity to attack!”

Balls of black fog filled half of the heavenly cloud sect. Many black-robed people stood in the air and coldly looked down at the Heavenly Cloud sect.

Everyone in the Heavenly Cloud sect immediately felt a trace of despair.

The deputy sect leader, who was currently immersed in a bloody battle, had a livid expression.

“Today is the end of the Heavenly Cloud Sect!” The black-robed leader shouted!

His voice was like thunder and shook the entire world!

The deputy sect leader was furious. He glared at the black-robed men and shouted, “How dare you! You northern land people dare to attack my Tianyun sect!”

The leader of the black-robed men laughed, “You brought this on yourselves! If you didn’t attack my northern land people, we wouldn’t have rushed here! If you want to blame someone, blame yourself!”

The people of the Tianyun sect who were already in despair pointed their spears at the deputy sect leader when they heard this.

“It’s all your fault! If you hadn’t insisted on attacking the northern lands, the Heavenly Cloud sect wouldn’t have fallen to this State!”

“Deputy sect leader, you have to take full responsibility for this matter!”

Someone even said immediately, “Deputy sect leader, we might as well take this opportunity to make peace with the northern lands. This way, not only can we protect the heavenly cloud sect, but we can also get rid of Yongji!”

Hearing this, the vice sect leader looked at him coldly and slapped him!

“Pa!”

With just one slap, the person who said this had his head smashed into pieces!

The vice sect leader glared at everyone and shouted, “Even if I die in battle, I will never make peace with the northern lands! If anyone says that again, I will kill them without mercy!”

“Your Courage is commendable,”the black-robed man said calmly in the air.

“That’s good too. From today onwards, the Heavenly Cloud sect will become history!”

“Everyone, listen up and kill!”

With the northern lands joining in, the Heavenly Cloud sect, which originally had the upper hand, immediately fell into a disadvantageous position.

However, the deputy sect master was still waiting. He was waiting for the Heavenly Cloud Sect’s people to return, waiting for the sect master to come out of closed-door cultivation.

...

After spending nearly two days, Qin Yu and Zhuo Jing finally arrived at the Falling Life Valley.

This place could be said to be truly devoid of human habitation. It was located in the middle of a huge valley.

Standing in the valley, was there the sound of the wind blowing? It was extremely ear-piercing.

“Brother Qin, this is the place,”Zhuo Jing said as he looked to the side.

“Brother Qin, Brother Zhuo!”

As he was speaking, Li Yingying ran over from not far away.

When he saw Li Yingying, Qin Yu’s brows instantly tensed up.

“Why is she here?”Qin Yu frowned and asked.

Zhuo Jing explained, “Brother Qin, she also wants to protect you.”

“Protect me?”Qin Yu’s expression turned cold, and then he said coldly, “I don’t need her to protect me. Let Her Go.”

Zhuo Jing suddenly looked a little embarrassed, and Li Yingying was even more furious.

She suppressed the anger in her heart and tried her best to keep a smile. "Brother Qin, let me help you a little. Take it as an apology for what happened before."

Qin Yu knew that this Li Yingying was like a dog skin plaster that could not be shaken off, so he did not waste his breath.

He looked at Zhuo Jing and said, "Brother Zhuo, it's up to you."

Zhuo Jing's palm shook, and the Silver Spring was instantly held in his hand.

"Please rest assured, Brother Qin," said Zhuo Jing.

Qin Yu grunted in gratitude. He strode into the canyon and found a perfect place to sit down.

Then, Qin Yu closed his eyes slightly and began to make a breakthrough.

A trace of internal Qi circulated in his body like a swimming dragon. Finally, it gathered in one part of his body and began to make a breakthrough.

"Hu..."

In an instant, a strong wind blew in the falling life valley. Dark clouds began to gather in the sky.

"The tribulation is about to begin," Zhuo Jing raised his head to look at the scene and said in a low voice.

Li Yingying remained silent. Her face was ice-cold, and countless thoughts formed in her heart.

The dark clouds in the sky became denser and denser, blotting out the sky and covering the sun, turning the day into night.

Below, Qin Yu's body emitted waves of golden light!

Chapter 1522

The light was extremely dazzling, like a ray of light in the dark night, making people unable to open their eyes.

"It's starting now?" Li Yingying couldn't help but frown.

Zhuo Jing ignored Li Yingying and stared at Qin Yu.

“I’ve never seen a chaotic body transcend the heavenly tribulation...”Zhuo Jing murmured in a low voice.

The two of them had different thoughts, but their eyes were fixed on Qin Yu.

At this moment, Qin Yu opened his eyes slightly.

His entire body was emitting a resplendent golden light. He had long been prepared to resist the heavenly tribulation in his spatial magic artifact.

The Heavenly Tribulation of a mighty realm was definitely not simple. Even Qin Yu’s physical body didn’t dare to slight it.

Rumble..

Muffled sounds came from the dark clouds. From time to time, blue lightning flashed across the dark clouds as if something extremely terrifying was brewing.

Qin Yu slowly stood up from the ground. He immediately activated the Vajra sacred physique and prepared to welcome the heavenly tribulation.

Golden Light Enveloped Qin Yu’s body, outlining him like a great Buddha.

His body was surging with an indestructible battle intent, and his eyes were looking straight at the sky.

The dark clouds were getting darker and darker, indicating that this heavenly tribulation was extraordinary.

“What a terrifying heavenly tribulation...”Zhuo Jing gazed at the sky and couldn’t help but mutter.

Even Zhuo Jing had never seen such a heavenly tribulation.

“Rumor has it that the stronger one’s talent is, the more terrifying the heavenly tribulation will be,”Zhuo Jing said in a low voice.

“I’ve seen the heavenly tribulation of many geniuses in the past, and I was shocked by it. However, when I saw Brother Qin’s heavenly tribulation today, I realized that it was completely different.”

Even Ling Yun, who was known as the number one genius in the southern province, could not compare to Qin Yu in terms of heavenly tribulation!

“No Wonder Brother Qin wanted to find a quiet place. If there were cities around this area, who knows how many people would be attracted to this scale of heavenly tribulation,”Zhuo Jing sighed to himself.

It wasn't just Zhuo Jing. Li Yingying was the same.

She had also stepped into the mighty realm as soon as possible, so she naturally knew what such a scale of heavenly tribulation meant.

“This Qin Yu...”Li Yingying muttered in a low voice. The more she thought about it, the more unbalanced she felt.

Why wasn't such an outstanding man hers? Why did such a talented person ignore her?

The more she thought about it, the more intense the hatred in Li Yingying's heart became.

She looked coldly in Qin Yu's direction and bit her lips tightly.

At this moment, the first heavenly tribulation condensed in the sky.

Looking through the dark clouds, one could see a dragon-like lightning hidden in the darkness!

The lightning made a whistling sound as if it had a life of its own. One could even feel the coldness of the heavenly tribulation!

“Rumor has it that the heavenly lightning of a Peerless Heaven's pride can give birth to divine sense! This is actually true!”Zhuo Jing could not help but exclaim when he saw this!

Even though they were far apart, Zhuo Jing and Li Yingying could feel the enormous energy contained within the heavenly tribulation!

“We can't withstand a heavenly tribulation of this scale at all,”Zhuo Jing said in a low voice.

“Chop him to death, chop him to death!”Li Yingying roared crazily in her heart!

At this moment, the first heavenly tribulation descended.

“Boom!”

It was as if the heavenly tribulation was going to tear this space apart. It brought with it a whimpering sound as it headed straight for Qin Yu!

Qin Yu's face also revealed a trace of solemnity.

He did not dare to use his physical body to withstand a heavenly tribulation of this scale!

"Ten Thousand Spell Breaking Punch!"

Qin Yu roared angrily, and golden light instantly condensed on his right fist!

This fist that had accumulated an infinite amount of power could be said to be able to destroy anything!

The golden light and the icy blue light clashed head-on, as if two divine dragons were about to collide at this moment!

Zhuo Jing stared fixedly at this scene, and his heart was incomparably nervous!

"Boom!"

At the instant of the collision, it was as if the Milky Way had fallen into the nine heavens. The lightning was like water as it pounced on Qin Yu's face, instantly drowning his entire body!

The strength on Qin Yu's fist was instantly dissolved, and his right fist was drenched in blood. His body was ruthlessly slammed onto the ground!

Many of his bones were broken, and cracks appeared all over his body. Fresh blood flowed out from his mouth.

"What a terrifying heavenly tribulation!"

Seeing this scene, Zhuo Jing could not help but exclaim in surprise!

Even Qin Yu's body could not withstand it. If it was an ordinary person, wouldn't they instantly turn into ashes? !

"Good, well done!" Li Yingying was so excited that she almost jumped up!

Looking at Qin Yu who was lying on the ground like a dead dog, Li Yingying couldn't help but smile.

However, at this moment, Qin Yu stood up from the ground again.

Although he was covered in blood, his fighting spirit didn't decrease at all. Instead, his aura was even more magnificent!

“Damn it, this dog-like heavenly tribulation wants to kill me, right?”Qin Yu couldn’t help but curse.

He raised his head to look at the sky and said in a low voice, “Such a heavenly tribulation is even more terrifying than I imagined...”

Thinking of this, Qin Yu couldn’t help but sigh.

He didn’t dare to hide his strength anymore and directly opened the third level of the fighting word formula.

“I wanted to survive the first three rounds of heavenly tribulation by relying on my physical body, but in the second round, I had to rely on the fighting word formula,”Qin Yu sighed.

Feeling the change in Qin Yu’s internal Qi, Zhuo Jing couldn’t help but be shocked!

“It seems that brother Qin hasn’t unleashed his true strength yet...”zhuo jing heaved a sigh of relief.

Li Yingying couldn’t help but sneer, “So what? This is only the first heavenly tribulation.”

Zhuo Jing glanced at Li Yingying, a hint of displeasure flashed across his face, but he didn’t say anything.

The second heavenly tribulation was brewing in the sky.

This heavenly tribulation had been brewing for a very long time. The rumbling sound was extremely ear-piercing, but it didn’t descend for a long time.

“The longer the heavenly tribulation is brewing, the more terrifying its power will be. I don’t know if brother Qin can withstand it...”Zhuo Jing said in a low voice.

“It would be better to chop him to death.”Li Yingying sneered in her heart.

“Boom!”

At this moment, a deafening sound was heard, causing the earth to tremble and collapse directly! Meanwhile, the canyon began to crack, and countless pieces of gravel rolled down!

Looking at the sky again, it was as if a hole had been torn open in the sky. Icy blue light poured down, almost drowning everything in the surroundings!

“Retreat quickly!”

Zhuo Jing hurriedly pulled Li Yingying and shot backward!

“Crash!”

The Heavenly Tribulation was approaching Qin Yu. Even though Qin Yu had activated the third level of the fighting word formula, he was still slammed to the ground the moment he touched it!

The ground turned into scorched earth. Half of Qin Yu’s body was smashed, and his flesh and blood flew everywhere.

The fresh blood was instantly evaporated by the lightning and disappeared without a trace.

“Brother Qin!”

Zhuo Jing’s expression changed drastically when he saw this scene!

Qin Yu, who was lying on the ground, looked extremely miserable. He had even lost his human form!

He struggled to get up from the ground and spat out a mouthful of blood.

Looking at the cracks on his body, Qin Yu’s heart became more and more solemn.

“If this continues, I won’t be able to withstand this heavenly tribulation...”Qin Yu said in a low voice.

Chapter 1523

This was only the second heavenly tribulation, yet it had almost destroyed Qin Yu’s physical body. Who knew how many more heavenly tribulation would follow, but one thing was for sure, each heavenly tribulation would be even more terrifying.

Qin Yu’s physical body had almost been destroyed, and he looked extremely miserable. But even so, he still slowly stood up from the ground.

Besides that, his body was also slowly recovering.

Qin Yu took out a pill from his pocket and stuffed it into his mouth. The speed of his body’s recovery immediately sped up.

“If this goes on, Qin Yu will definitely die!”Li Yingying’s tone was filled with unspeakable joy.

Zhuo Jing said unhappily, “Yingying, you sound like you really want Qin Yu to die here.”

Hearing this, Li Yingying realized that she had lost her composure, but she didn't say anything.

The third heavenly tribulation was brewing in the sky.

The power of this heavenly tribulation was ten times that of the second heavenly tribulation!

Such a terrifying power was enough to destroy everything!

Qin Yu took a deep breath and immediately activated the fifth level of the fighting word formula to prepare for the heavenly tribulation.

Although Qin Yu still had other trump cards, he could not use them.

There must be at least nine heavenly tribulation of this level. If the third heavenly tribulation had to use all of his trump cards, then this tribulation would definitely fail!

Looking at the heavenly tribulation condensed in the dark clouds, Qin Yu felt a trace of unease in his heart.

A large area of the world was set off by a dark blue color, as if the end of the world was coming.

"This kid is dead for sure this time!" Li Yingying shouted crazily in her heart!

The Qi energy in Qin Yu's body exploded to the extreme, and he was prepared to resist this heavenly tribulation with all his strength!

The heavenly tribulation was brewing in the dark clouds, and its speed was extremely slow.

The longer it took for the heavenly tribulation to descend, the more worried people would be.

At the same time, Sima Bei had already brought a black-robed man and descended here.

They hid in the dark and watched all of this coldly.

"I have to say, this is really a pretty good place to transcend the Heavenly Tribulation." Sima Bei sighed.

He raised his head and looked at the dense dark clouds in the sky as well as the heavenly tribulation that was gathering. Shock flashed across his face.

“Such a large scale heavenly tribulation is really shocking.”Sima bei said in a low voice.

The black-robed man beside him also nodded slightly and said, “That’s right. In all these years, I have never seen such a terrifying heavenly tribulation. I’m afraid that this brat will die in this heavenly tribulation.”

Sima bei said with a cold smile, “Then we will send him on his way.”

“Sir, Should We Act Now?”The black-robed man beside him asked.

“No.”Sima bei shook his head. He stared in the direction of Qin Yu and said indifferently, “I really want to see how this brat will pass this heavenly tribulation.”

The black-robed man at the side also nodded slightly.

They had never seen a heavenly tribulation of this scale before!

Hence, the two of them hid and waited to observe.

In the Falling Life Valley, Qin Yu was staring at this heavenly tribulation.

He knew that it was almost impossible to pass the heavenly tribulation unscathed. He only hoped that he could protect his body as much as possible.

The Heavenly Tribulation was still gathering, but Qin Yu’s internal Qi had already erupted to the limit.

“Yingying, follow me and retreat,”Zhuo Jing pulled Li Yingying and said.

The two of them retreated hundreds of meters before they stopped.

“Brother Zhuo, why is this?”Li Yingying asked in puzzlement.

Zhuo Jing said in a deep voice, “This scale of heavenly tribulation is absolutely not something that you and I can touch. Once we encounter it, we will either die or be crippled.”

Hearing this, Li Yingying couldn’t help but be greatly shocked.

This was only the third heavenly tribulation, yet it made Zhuo Jing so cautious. This was enough to show that Qin Yu’s talent was above theirs, and not just a little bit!

“Brother Zhuo, are you willing to let such a genius step into the mighty realm?”Li Yingying said, intentionally or unintentionally.

Zhuo Jing's face turned black, and he said coldly, "Yingying, what do you mean by this?"

Li Yingying smiled and said, "Nothing, I was just saying it casually."

Just as the two of them were talking, the muffled thunder in the sky had already condensed.

That dragon-like light tore through the sky, and like a meteorite, it directly smashed down!

This time, the surrounding canyon directly collapsed, and everything turned into nothingness!

Everyone's vision was covered by the dazzling light, and they were unable to see even a bit of it!

In the dark, Sima Bei stared at this heavenly tribulation, his face filled with shock!

"This child's talent is probably not inferior to the sons of the aristocratic families of the Central Plains!" Sima Bei sighed.

"That's right, if we allow him to grow up, he will definitely become a great enemy of the northern lands in the future." The black-robed man at the side also said.

"It's a pity that such a person can not be used by me." Sima Bei could not help but sigh.

As he spoke, that heavenly tribulation was already closing in on Qin Yu!

Qin Yu let out an explosive shout and used all his trump cards and spells, closing in on that Heavenly Tribulation!

"Boom!"

The Heavenly Tribulation arrived as scheduled and collided with Qin Yu.

In just an instant, Qin Yu felt as if his body was being torn apart, and all his defenses could not withstand a single blow!

His body was constantly being torn apart, and the pain caused him to almost faint.

"Ah! !!"

Qin Yu gritted his teeth and let out an angry roar. His potential was stimulated at that moment, and his physical body actually began to remodel!

The third heavenly tribulation, which was even more powerful, allowed Qin Yu to withstand it with all his might!

He was slapped onto the ground, and his hands were raised. Golden light flickered, forming a sharp contrast with the heavenly tribulation!

The two sides seemed to have a confrontation at this moment!

Zhuo Jing, who was watching from the side, couldn't help but be dumbstruck and full of shock!

"This... This is actually going to be withstood? ! This is too unbelievable!"Zhuo Jing said in a trembling voice.

Li Yingying, who was at the side, couldn't help but clench her teeth!

If it was carried by Qin Yu, she would never have the chance to get rid of Qin Yu in the future!

Besides the two of them, Sima Bei, who was hiding in the dark, also widened his eyes.

"This child is really extraordinary,"Sima Bei said in a low voice.

The black-robed man beside him nodded and said, "This is too unbelievable. How can a nascent soul stage cultivator be able to resist a heavenly tribulation of this scale..."

Sima bei could not help but sigh. He placed his hands behind his back and slowly said, "If this child can be used by US, the future of the northern lands..."

Before he could continue speaking, Sima Bei shook his head once again and interrupted his own thoughts.

How could a person like Qin Yu serve the northern lands?

Which genius was not an unruly and unruly person?

Who knew how many geniuses had died because of their own arrogance!

And those who were able to survive were all figures who could shake the world!

"Sir, Should We Act Now?"The black-robed person at the side asked.

Sima bei shook his head and said, "This is only the third heavenly tribulation. There are nine heavenly tribulation for mighty figures. There's no rush."

“Mm, I also want to see how long this kid can last.”The black-robed man beside him also said.

Chapter 1524

In the Fallen Life Valley, Qin Yu tried his best to resist.

He almost formed a balance with the heavenly tribulation. His entire body was drenched in blood and sweat, but it was instantly evaporated.

Even though Qin Yu had already pushed himself to his limit, the heavenly tribulation was still too powerful. In the end, Qin Yu was exhausted and was ruthlessly slammed to the ground by the heavenly tribulation.

After a loud bang, half of Qin Yu’s body was smashed into the soil.

The blood and the soil mixed with the sound of thunder and lightning.

This place had completely turned into scorched soil, and a pungent smell assaulted his nose.

“Not good!”Seeing this, Zhuo Jing’s face couldn’t help but change!

Li Yingying, who was beside him, was overjoyed!

So what if you are a genius? You still died under the heavenly tribulation in the end. This is the price you pay for rejecting me!

“Eh? Qin Yu’s internal Qi doesn’t seem to have weakened.”At this moment, Zhuo Jing suddenly exclaimed.

After hearing these words, Li Yingying also hurriedly stretched out a strand of divine sense.

As expected, although Qin Yu looked extremely miserable, his internal Qi was still extremely vigorous. There was no time for him to be dispirited!

“It seems that Qin Yu’s resistance has reduced most of the power of the Heavenly Tribulation!”Zhuo Jing said with some excitement.

This time, Li Yingying couldn’t sit still.

If this continued, Qin Yu might really succeed in surviving the heavenly tribulation!

The impatient Li Yingying suddenly had a thought.

She looked at Zhuo Jing and said, "Brother Zhuo, this Qin Yu's talent is so terrifying. When he grows up in the future, he will definitely threaten you and me!"

Zhuo Jing's face darkened and he said coldly, "What do you mean by that?"

Li Yingying also decided to cut all pretenses. She looked in the direction of Qin Yu and said coldly, "If such a person is alive, he will definitely snatch away our glory. It's better for us to get rid of him now!"

Zhuo Jing's eyes narrowed slightly.

He sized up Li Yingying and said with a cold tone, "Li Yingying, do you know what you are talking about?"

"Of course I know! Brother Zhuo, think about it carefully. Don't you want to go to the Zhong Province? If Qin Yu goes with you, who in the Zhong province will look up to us?" Li Yingying said earnestly.

"As long as you kill Qin Yu, you will still be the most outstanding young talent in the South Province! When that time comes..."

"Shut up!" Zhuo Jing shouted and interrupted Li Yingying's words.

He looked at Li Yingying coldly and said, "The glory of others will never stop you from Shining."

"Li Yingying, I thought you were just a little more careful. I didn't expect you to be so vicious!"

Li Yingying's face changed and she hurriedly said, "Brother Zhuo, i..."

"Don't Call Me Brother Zhuo. I'm asking you to leave immediately before I completely hate you," Zhuo Jing said coldly.

Li Yingying still wanted to say something, but the Silver Spring in Zhuo Jing's hand had already been unsheathed.

Feeling the icy coldness, Li Yingying suddenly felt extremely wronged.

"Why are you targeting me!" Li Yingying stomped her feet and said.

Zhuo Jing said coldly, "Targeting you? Before saying that others are targeting you, think carefully about what you have done. Get lost!"

Li Yingying gritted her teeth. Although she was a little flustered and exasperated, there was nothing she could do about Zhuo Jing. She could only leave this place for the time being.

Qin Yu, who was lying on the ground, heard their conversation clearly.

The corner of his mouth could not help but reveal a smile as he said in a low voice, "It seems that... I didn't misjudge the person..."

Not only did Qin Yu hear their conversation, even Sima Bei, who was hiding in the dark, heard it clearly.

"This Li Yingying is really jealous," said the black-robed man.

Sima bei sneered, "Jealousy is an extremely terrifying thing. Of course, this kind of person is also the easiest to use."

Then, Sima Bei looked at the black-robed man and said, "Bring her to the northern lands."

"Ah?" The black-robed man was stunned.

Please support our website and read on wuxiaworldsite

Sima bei said indifferently, "I have my own uses."

"Yes!" The black-robed man hurriedly nodded.

Following that, he secretly followed behind Li Yingying.

In the Fallen Life Valley, Qin Yu struggled to get up from the ground.

He shook off the dust on his body and kept stuffing the pill into his mouth.

After a few pills entered his stomach, Qin Yu immediately looked much more energetic.

"Damn, this heavenly tribulation is much more terrifying than I imagined." Qin Yu sighed.

He tried to sense his body. With his current state, it would be very difficult for him to withstand the next few rounds of the Heavenly Tribulation.

In the sky, the heavenly tribulation was still rolling. This time, the power was even more terrifying.

At this moment, Qin Yu had no choice but to use his treasures.

The Huangji Buddhist flame, the iron rod, and even the divine picture might have to be used.

“Rumble..”

The heavenly tribulation was still brewing. Qin Yu raised his head and stared at the heavenly tribulation. He was calculating something in his heart.

“There are still six rounds of Heavenly Tribulation.” Qin Yu took a deep breath.

He didn't dare to guarantee that the treasure in his hand would be able to withstand the heavenly tribulation.

“I wonder if the venerable fifth mountain will be able to do it.” At this moment, Qin Yu suddenly thought of his earliest magical artifact.

Although this magical artifact looked extremely ordinary, it had saved Qin Yu's life every time at the critical moment.

“Whether it will work or not, let's try it first.” Qin Yu took a deep breath.

As he spoke, another mouthful of blood gushed out of Qin Yu's mouth.

It was very obvious that Qin Yu was already heavily injured. If it wasn't for his tenacious willpower, the pain in his body alone would have been enough to kill Qin Yu here.

Rumble..

The heavenly tribulation rolled as if it was going to descend at any moment.

Qin Yu adjusted his internal Qi and prepared for the fourth heavenly tribulation.

Boom

Before Qin Yu could make any preparations, the fourth heavenly tribulation suddenly arrived!

This time, the heavenly tribulation was like a lightning snake that was spitting out its tongue. It was approaching Qin Yu at an extremely fast speed!

Such speed caused Qin Yu to turn pale with fright!

He didn't dare to think too much and quickly summoned the venerable fifth mountain to meet it!

The moment the venerable fifth mountain appeared, it grew in size at an extremely fast speed and appeared in front of Qin Yu to meet the Heavenly Tribulation!

At this moment, the mountain was flickering with an extremely mysterious and ancient aura, as if it was activated by internal Qi!

The huge mountain blotted out the sky and covered the Sun. It was actually on par with the lightning!

“As expected, the venerable fifth mountain definitely has a magical use!” Qin Yu was instantly overjoyed!

He had long suspected that he had not developed the venerable fifth mountain enough. Now, he firmly believed in this idea!

Just as Qin Yu was overjoyed, he suddenly felt a mysterious aura approaching him. It was the internal Qi of the venerable fifth mountain.

However, at this moment, Qin Yu had no time to care about anything else. The slightest carelessness could turn him into ashes!

“As expected of someone who gives even the heavenly cloud sect a headache. He really has some ability.” A voice entered Qin Yu’s ears.

This voice was extremely familiar, and Qin Yu quickly thought of a person!

The northern lands, Sima Bei!

“You... Who Are You?” Zhuo Jing looked at this person warily.

Chapter 1525

Sima bei sized up Zhuo Jing and the sword in his hand.

“This sword is the famous Silver Spring, right?” Sima bei said with a faint smile.

Zhuo Jing was extremely vigilant. He took two steps back and coldly said, “Who exactly are you? Why are you here?”

“The northern lands, Sima Bei.”

Upon hearing this address, Zhuo Jing’s expression instantly changed drastically!

His internal Qi instantly erupted, and his palm and the Silver Spring seemed to have merged into one!

“What do you want to Do?”Zhuo Jing coldly asked.

Sima bei glanced at Qin Yu, who was currently undergoing his tribulation not far away, and lightly smiled, “I’m here to kill him. If you’re sensible, I can spare you if you leave now.”

Zhuo jing sneered, “Do you think I’ll Leave?”

Sima bei sighed slightly and said, “What difference does it make whether you leave or not? What’s the point of risking your life for Nothing?”

“Cut the crap. As long as I’m still standing today, you can forget about touching a single finger of Qin Yu!”Zhuo Jing shouted.

Sima Bei’s eyes narrowed slightly. He looked at Zhuo Jing coldly and said, “Do you think you can stop me with the Silver Spring in your hand?”

“How would I know if I don’t try?”Zhuo Jing said coldly.

The expression on Sima Bei’s face gradually turned cold.

“Then I’ll send you on your way!”

Sima bei shouted loudly. His palm was immediately wrapped in black energy and he grabbed towards Zhuo Jing!

Facing such a figure, Zhuo Jing naturally did not dare to be negligent. He directly took out the Silver Spring and slashed out with his sword!

The void-level weapon filled the air at this moment. The sword light was incomparably sharp and arrived in an instant!

The instant the palm came into contact with it, it was actually sliced into two by the Silver Spring! Fresh blood flowed down his arm!

Sima bei looked at his own palm and muttered in a low voice, “As expected of the Silver Spring, it really lives up to its reputation...”

“If you know what’s good for you, hurry up and leave!”Zhuo Jing shouted.

Sima bei narrowed his eyes. With a shake of his palm, the wound actually started to slowly heal!

Zhuo Jing’s expression couldn’t help but change when he saw this.

How could this be! What kind of heaven-defying recovery speed was this! !

At the same time, the internal Qi on Sima Bei's body also started to become even more terrifying.

This internal Qi even affected Qin Yu, who was undergoing his tribulation!

"Zhuo Jing..." Qin Yu gritted his teeth, and his expression couldn't help but change slightly.

However, Qin Yu had no time to care about anything else. With their strength, they were not Sima Bei's match at all!

"Zhuo Jing, you have to hold on..." Qin Yu said in a low voice.

The fourth heavenly tribulation in the sky was already brewing, and the rumbling sounds were endless.

In this world, besides Qin Yu, who was undergoing the heavenly tribulation, there were two other people who were confronting each other.

"Do you still want to continue being stubborn?" Sima Bei said coldly.

Zhuo Jing sneered, "Cut the crap!"

"Stubborn!" Sima Bei snorted coldly. He waved his long robe, and the black energy instantly turned into thousands of rays of light!

This light was like a black icicle, almost merging with the surrounding darkness.

And the power of this light was endless. It tore through the void almost in an instant, and it approached at a fast speed!

Zhuo Jing did not dare to be negligent. He held the Silver Spring in his hand and his body was as light as a swallow. The speed of each sword was extremely fast.

His calmness was even more shocking. Even under such a life and death situation, he did not panic at all.

The countless lights were actually slashed down by his silver spring one sword after another!

"Your movement technique is not bad." Sima Bei said indifferently, "Then... how about this?"

After saying this, Sima bei waved his cannon once again! This time, the black light cones were like raindrops, densely packed together!

With such dense light cones, no matter how fast one was, it was impossible to dodge them!

At this moment, a cold glint flashed in Zhuo Jing's eyes. He muttered to himself, and in the next second, he seemed to have transformed into thousands of figures, shuttling through the ice cones!

Every time a sword struck down, a light cone would be shattered!

Upon closer inspection, it wasn't a clone technique at all. Instead, it was an afterimage that was left behind due to its extreme speed!

"Oh? What kind of footwork is this?" Sima bei couldn't help but feel a little shocked!

This Zhuo Jing didn't seem simple at all!

"It's My Zhuo family's unique spirit cloud step," Zhuo Jing said coldly.

The Zhuo family didn't have a powerful physical body, nor did they have powerful strength. Therefore, they relied more on speed to obtain victory.

Rumor has it that Zhuo Jing's father was once able to slash out thousands of swords in one breath! Although Zhuo Jing wasn't as powerful as his father, he was still extremely powerful among his peers.

"Rumble..."

At this moment, the fourth round of Heavenly Tribulation in the sky was about to descend.

Looking at the rough lightning in the sky, Sima Bei's expression couldn't help but turn cold.

"I can't continue playing with you," Sima Bei said coldly.

"Let's end it early, in case anything happens."

After saying this, Sima bei raised both his hands, as if he was preparing some spell.

"Blood Crow Boom!"

After a loud shout, an extremely shrill and ear-piercing sound suddenly appeared on the battlefield!

This sound was like countless crows shouting by his ear, directly approaching his divine sense!

Zhuo Jing's eyes instantly became absent-minded, and it was at this moment that the blood crow boom had already smacked towards Zhuo Jing!

By the time Zhuo Jing regained his senses, it was already too late. No matter how fast his steps were, he could not Dodge!

“Bang!”

The huge energy ball smashed onto Zhuo Jing's chest, sending him flying hundreds of meters!

“Oh? He didn't die?” Seeing Zhuo Jing get up from the ground, Sima bei could not help but be a little surprised.

Zhuo Jing got up from the ground, and there was a ray of light on his chest.

He raised his hand to grab it, and saw a jade pendant hanging on his chest. This jade pendant had already shattered.

This was a protective magic artifact that his father had personally refined. After saving Zhuo Jing's life, it had also completely shattered.

“This bastard's ability is much stronger than I imagined...” Zhuo Jing said in a deep voice.

What made Zhuo Jing feel even more despair was that this Sima Bei hadn't used his true strength at all.

“I can't drag this on any longer. I must kill him when he is serious!” Zhuo Jing said coldly in his heart.

Thinking of this, Zhuo Jing grabbed the Silver Spring. His spiritual power and the Silver Spring had completely fused.

“This technique was created by my father. Back then, he had heavily injured countless return to void stage cultivators,” Zhuo Jing said coldly in his heart.

“Although I am not as strong as my father, I can only give it a try now.”

Zhuo Jing took a deep breath. He held onto the Silver Spring and looked coldly in Sima Bei's direction.

On the other hand, Sima Bei did not put Qin Yu in his eyes at all. On the contrary, he had a calm expression on his face, like a cat teasing a mouse.

“Green Flame Slash!”

At this moment, Zhuo Jing moved! He held onto the Silver Spring and quickly slashed out a few hundred times in a breath!

The dense sword shadows overlapped with each other. Because they were too fast, the sword shadows could no longer be seen. At a glance, they looked like a ball of green flames!

The terrifying aura blotted out the sky and covered the earth as it headed straight for Si Ma bei! Internal Qi!
