

My Rich Wife

Chapter 1526

Azure Flame Slash was incomparably terrifying! Even Sima Bei's face flashed with a trace of shock!

Although Zhuo Jing's technique was far inferior to his father's, its power still caused people to feel a trace of fear!

Seeing the sword light that was like flames approaching, Sima Bei's eyes narrowed slightly.

Even someone as powerful as him did not dare to underestimate it.

He raised his palm slightly and his internal Qi rose rapidly. His body began to glow as if he was releasing a terrifying domain.

The void trembled as if it was a sign that this technique was divine and extraordinary.

This was indeed a divine domain power. Under Sima Bei's display, it was as if he was in control of the laws of the world.

His body floated with a boundless radiance that surrounded his body. Each radiance carried the power to shatter the world!

The moment the azure flame slash collided with it, numerous mountains collapsed!

The originally incomparably hard rock was now as fragile as a piece of paper.

Sima bei continued to evolve his dao technique. This was the power that he had comprehended the laws of the world. It was definitely not something that ordinary spells could compare to!

Zhuo Jing, who was in the distance, also felt that something was amiss. Even though he held the Silver Spring in his hand, he still felt a huge pressure when facing Sima bei!

Sima bei was the same! Even though his cultivation and spells were far above Zhuo Jing's, the Silver Spring in Zhuo Jing's hand was too extraordinary. Even he did not dare to be the slightest bit negligent!

"Rumble.."

The two spells collided, but Thunder rumbled unceasingly in the sky. It was as if the heavenly tribulation was going to descend at any moment.

Zhuo Jing looked in Qin Yu's direction, his heart filled with impatience.

This was only the fourth heavenly tribulation, and Qin Yu still had to face five more heavenly tribulation!

"I don't know if I can hold on..."Zhuo Jing thought in a low voice.

The Green Flame Slash had already been turned into nothingness by Sima bei's spells, as if nothing had happened.

Even if Zhuo Jing was holding a virtual entity sword in his hand, he still couldn't do anything to Sima Bei!

Sima bei stood high up in the sky. His black robe seemed even more mysterious under the dark clouds.

His vulture-like eyes were coldly looking at Zhuo Jing.

"Your strength is not bad. Why Don't you submit to the Northern Lands?"Sima bei said indifferently.

Zhuo Jing stretched out his hand and waved his long sword. He replied coldly, "Don't even think about it!"

Sima bei sighed slightly and said, "Then I can only endure the pain and kill you."

After saying that, Sima bei raised his hands again, and the boundless radiance on his body appeared once again!

This was an evolved dao technique, and it was extremely powerful. Once one understood the DAO technique, they would be able to evolve a myriad of Dao Techniques!

No one knew what Sima Bei would do next!

That myriad of Radiance made Zhuo Jing extremely nervous.

He took two steps back, tightly holding the silver spring in his hand.

At this moment, Zhuo Jing's expression suddenly changed! He clearly felt that his body seemed to be restricted! He could clearly move, but he couldn't feel anything!

"This is bad!"Zhuo Jing thought to himself!

Before he could react, Sima bei had already arrived!

He looked at Zhuo Jing coldly and said, "You are like a fish on a chopping board, how can you fight with me?"

Zhuo Jing's expression was extremely unsightly. He mobilized the internal Qi in his entire body as if he was trying his best to restore the connection with his physical body.

This was an extremely terrifying technique. It was as if he had severed the connection between his divine sense and his physical body. It was difficult to deal with!

"How about it? Do you want to consider submitting to me? In the northern lands, I can give you what you want." Sima bei said indifferently.

Zhuo Jing raised his head to look at Sima bei in front of him. Then, he grinned and said, "You... Dream On!"

It was at this moment that Zhuo Jing relied on his powerful willpower to recover his physical body!

Please support our website and read on wuxiaworldsite

At such a close distance, Zhuo Jing would not miss it. He held the Silver Spring in his hand and suddenly stabbed it into Sima Bei's chest!

"PFFT!"

Sima Bei's face was filled with disbelief. His mouth suddenly spat out fresh blood!

"You... you..." Sima bei lowered his head and looked at his chest, as if he couldn't believe what was happening in front of him!

Just as Zhuo Jing was overjoyed, the Sima bei in front of him disappeared!

At a glance, Sima bei was still standing in the distance, looking at Zhuo Jing coldly.

"What... What's going on?" Zhuo Jing's expression changed drastically!

Sima bei said with a hint of mockery, "Do you really think you can kill me? This is the power of a domain, and you'll never be able to comprehend it."

Zhuo Jing's expression became even more unsightly. This kind of technique had already exceeded his knowledge. He had no way of dealing with it!

"His body is shining with light. Everything seems to be unreal..." Zhuo Jing thought to himself.

The feeling of reality just now made Zhuo Jing not doubt it at all. He couldn't even doubt it!

As such, Zhuo Jing didn't even know if everything before him was real or fake!

Crack

Just as the two of them were fighting, the fourth heavenly tribulation arrived.

The terrifying heavenly tribulation drowned everything, and even Sima Bei and Zhuo Jing weren't spared.

Seeing this, the two of them immediately shot back and escaped from the range of the heavenly tribulation.

This gave the nervous Zhuo Jing a bit of a breather.

The two of them looked in the direction of Qin Yu.

The heavenly tribulation was like a true dragon that was about to descend. Everything it passed through was destroyed!

This power was not something that humans could withstand. It was the true power of Heaven and earth!

Qin Yu looked up at the heavenly tribulation that was about to fall. He gritted his teeth and said in a low voice, "I can't withstand it with my physical body. I Can't wait any longer!"

All of Qin Yu's spells were activated at this moment. He stretched out his palm, and the iron rod was in his hand!

This black iron rod was simple and unadorned. There was nothing special about it, but it made people feel that this rod had an extremely mysterious power!

"Oh? There's a treasure?" Sima Bei, who was not far away, could not help but be a little surprised when he saw this.

Qin Yu grabbed the iron rod, and his internal Qi surged to the extreme!

At this moment, Qin Yu seemed to have fused with the iron rod as he directly faced the heavenly tribulation!

"Boom!"

At the moment of contact, the iron rod emitted an extremely powerful radiance!

At this moment, Qin Yu's spiritual power was an explosion of strength!

But even so, it was still insignificant in front of the heavenly tribulation!

The power of the Heavenly Tribulation Shook Qin Yu until he was forced back repeatedly, and his entire body was covered in fresh blood! His entire body was enveloped by the power of the Heavenly Tribulation, and his body was almost burnt to a crisp!

If not for the support of his strong will, Qin Yu would have been reduced to a pile of bones!

“Ah! ! !”

Qin Yu endured the pain in his body, and his roar spread throughout the world!

“I... Can't hold on any longer...”

Qin Yu was in extreme pain, and the power in his body had almost disappeared. He could no longer fight against a divine rank expert!

“Am I going to fail...”Qin Yu muttered in a low voice, his face revealing despair.

If he failed, he and Zhuo Jing would die here today!

Just as Qin Yu was about to fall, the iron rod suddenly bloomed with boundless radiance!

Chapter 1527

The iron rod flickered with a boundless radiance and actually met the heavenly tribulation on its own!

The heavenly tribulation that was about to descend actually started to shrink under this radiance!

Qin Yu couldn't help but widen his eyes! He stared fixedly at the iron rod and couldn't understand the situation at all!

“Could it be that... The Iron Rod has resurrected on its own?”Qin Yu gulped, feeling extremely shocked!

Not far away, Sima Bei and the others were also shocked by the scene in front of them!

This seemingly ordinary iron rod had actually erupted with such a mysterious power at this moment!

“I didn’t expect there to be unexpected gains.”Sima bei couldn’t help but sneer.

Qin Yu had such a precious treasure in his hands, so Sima bei naturally wouldn’t miss it.

As long as he killed Qin Yu, this iron rod would definitely fall into his hands!

“Weng!”

Under the powerful might of the iron rod, the heavenly tribulation started to dissipate until it was completely shattered.

The surroundings returned to silence, and the iron rod fell to the ground. Everything returned to normal.

Qin Yu grabbed the iron rod. He tried to revive the item, but discovered that the iron rod was the same as before, without any reaction.

“What... What’s going on...”Qin Yu was even more confused.

However, he couldn’t care less now. No matter what, he had endured the heavenly tribulation.

“There are still five heavenly tribulation left...”Qin Yu thought in a low voice.

He subconsciously looked in Zhuo Jing’s direction and couldn’t help but feel worried.

If he was disturbed by Sima Bei, the Heavenly Tribulation this time would definitely fail.

“Zhuo Jing, I can only rely on you...”Qin Yu thought to himself.

He had never thought that the people of the northern lands would suddenly descend. Otherwise, he would have called Qu Zhu over no matter what!

“Rumble...”

The fifth heavenly tribulation was brewing, and Sima bei already had the intention to kill Zhuo Jing.

He looked coldly at Zhuo Jing and said, “Kid, I’m almost done playing. Everything should be over.”

Zhuo Jing naturally didn’t dare to be negligent. He held the silver spring horizontally in his hand and was ready to attack.

On the other hand, Sima bei used the same trick again. His body once again burst out with a powerful radiance.

This was the power of the DAO technique and the power of the domain. Zhuo Jing had no way to resist it.

“Every time he uses a spell, his body will burst out with this mysterious radiance,”Zhuo Jing analyzed in his heart.

“I must think of a way to kill him before he uses a spell.”

Zhuo Jing’s father was at the reversion void stage, so he naturally left behind countless spells.

He held the Silver Spring in his hand, and countless thoughts flashed through his mind.

“Father once left behind a trump card spell. Rumor has it that he once used this spell to kill eight people at the reversion void stage,”Zhuo Jing thought in a low voice.

Zhuo Jing had not fully comprehended this spell.

However, under such circumstances, he could only give it a try.

Thus, Zhuo Jing grabbed onto the silver spring, and the internal Qi all over his body faintly erupted.

The Silver Spring hummed in his hand, like a long stream falling from the sky, extremely pleasing to the ear.

At this moment, the Silver Spring seemed to have come back to life on its own, emitting an extremely powerful internal Qi.

The entire body of the sword trembled slightly, emitting an even more powerful internal Qi!

At this moment, the Silver Spring seemed to have found its former owner, and he wanted to use the last of his remaining heat!

“It’s useless, your strength is too weak after all.”Sima bei said coldly.

“Whether it’s useful or not... Let’s try it first!”Zhuo Jing shouted. Then, the Silver Spring in his hand suddenly left his hand, and in an instant, it flew up to a height of 10,000 meters!

However, from such a far distance, one could still see the mysterious radiance emitted by the Silver Spring!

It was like a star hanging in the sky, incomparably resplendent!

Sima bei couldn't help but laugh coldly. He didn't put Zhuo Jing's spell in his eyes at all.

"In front of absolute strength, all spells are useless," Sima bei said coldly.

Please support our website and read on [wuxiaworldsite](#)

Before he finished speaking, a black ball of light appeared on his body.

This ball of light enveloped him and formed the power of the domain.

He held up the domain and slowly raised his palm.

In an instant, tens of thousands of black pillars of light burst out from the domain!

The pillars of light filled the air and contained a strange power!

In the next second, the pillar of light headed straight for Zhuo Jing!

Zhuo Jing, who had lost his Silver Spring, was no match for Sima Bei.

Even though he had used all his spells, he still looked extremely weak in front of Sima bei.

"Shua Shua Shua!"

The black pillar of light directly pierced through Zhuo Jing's body.

All of his defenses could not withstand a single blow at this moment.

"Pu Pu Pu!"

In the blink of an eye, dozens of bloody holes appeared on his body, and each bloody hole was bleeding profusely!

Zhuo Jing's internal Qi instantly became a bit weak.

He fell to the ground in extreme pain!

Seeing this, Sima bei couldn't help but sneer.

"You threw the silver spring out of your own accord. How are you going to fight with me?" Sima bei said with a playful tone.

As he spoke, the Silver Spring in the sky approached Sima bei as if it came from outer space!

Sima bei narrowed his eyes and sneered, "In my domain, all your spells are useless."

After saying that, he raised his head and looked at the Silver Spring that was descending!

The Silver Spring brought with it a rolling might as it sliced through an unknown amount of space along the way!

At a glance, it seemed as if the world had been directly split into two halves. The scene was extremely grand!

"It's useless!" Sima bei shouted loudly. He raised both his hands and the power of that domain seemed to have become even stronger!

"Swoosh!"

Finally, the Silver Spring fell down and headed towards Sima Bei's domain!

The black light started to tremble and in the next second, it was actually sliced open!

Sima bei's expression immediately changed! He cursed in his heart that things were not good and turned around to run.

However, it was already too late. The Silver Spring was too fast and there was no way to dodge!

"Boom!"

After a loud sound, the entire area turned into nothingness!

The wind and sand blocked one's vision. No one could see what was going on inside.

Zhuo Jing struggled to get up from the ground. He extended his palm and the Silver Spring returned to his hand.

At this moment, the Silver Spring had already been dyed red. Fresh blood dripped down the blade of the sword like drops of water.

"Heh... heh heh..."

Looking at the Silver Spring in his hand, Zhuo Jing understood everything.

This fresh blood naturally came from Sima bei. It was very obvious that this technique had worked!

“As expected of father’s trump card technique. It really isn’t simple...”Zhuo Jing wiped the fresh blood from the corner of his mouth, and a smile appeared on his face.

“Ah! ! !”

Right at this moment, Sima Bei’s furious Roar came from the center of the storm!

A powerful internal Qi instantly blew away all the wind and sand! Even Zhuo Jing was forced to take a few steps back!

At this moment, Sima Bei’s body was covered in blood, and he was in a sorry state. Even his black robe was covered in wounds!

Half of his body seemed to have been shattered, and it was a horrible sight. The Madness on his face made people feel even more afraid!

“Kid, I’m going to cut you into pieces!”Sima Bei’s furious roar came straight for Zhuo Jing!

Chapter 1528

The furious Sima Bei threw his head back and roared furiously, causing the entire world to tremble.

Even though they were far apart, Zhuo Jing could still feel the powerful killing intent and oppressive feeling coming from his body.

“Not good...”Zhuo Jing thought to himself. This Sima Bei’s internal Qi did not show any signs of weakening. Instead, it became even more powerful!

To Zhuo Jing who was covered in injuries, this was naturally bad news!

“I will definitely tear you into pieces!”Sima bei said coldly.

He took a step forward and walked towards Zhuo Jing.

Zhuo Jing did not want to go head-to-head with him. In his heart, he was very clear that as long as he could delay until Qin Yu’s tribulation was completed, then his mission would be considered complete.

Thus, Zhuo Jing turned around and ran without even thinking!

“You want to run? Do you think you can escape!”Sima bei shouted loudly.

Just as he was about to give chase, another sound came from the sky.

The fifth heavenly tribulation was about to descend.

Qin Yu raised his head and looked at this heavenly tribulation with a hint of solemnity.

“The fifth... come!” Qin Yu grabbed the iron rod and pointed it at the sky, having the spirit of a battle!

However, in the next second, Qin Yu’s expression turned ugly.

From the dark clouds, several rays of light slowly emerged. Each ray of light flickered with an extremely dazzling blue color!

“One... two... three... a total of four!” Qin Yu’s expression changed drastically!

Could it be that these four heavenly tribulation were going to descend at the same time? This was simply wanting to kill Qin Yu!

Sima bei, who was about to give chase, was also shocked by the strange scene in the sky and could not help but stop in his tracks.

“Four Heavenly Tribulation descending at the same time?” Sima bei furrowed his brows tightly.

After living for so many years, he had never seen such a scene!

He looked in the direction of Qin Yu and frowned, “Just what kind of monster is this person to actually cause four heavenly tribulation to descend at the same time...”

It was rumored that the more monstrous a genius was, the harsher the conditions for cultivation and the more terrifying the heavenly tribulation would be.

Who knew how many geniuses had died under the heavenly tribulation.

Other than those who had the help of their families, it was as easy as ascending to heaven for a wandering cultivator genius to survive the heavenly tribulation on his own.

Even Sima Bei had never seen a heavenly tribulation like Qin Yu’s.

“Four Heavenly Tribulation. This guy must die,” Sima Bei said coldly.

Not far away, Zhuo Jing also raised his head to look at this strange scene.

“Four heavenly tribulation... it’s too terrifying!” Zhuo Jing muttered in a low voice.

A strange scene appeared in the sky. The dark clouds were like a huge vortex, and the four heavenly tribulation were more like four thick arms that stretched out from the clouds.

Qin Yu's expression was extremely unsightly. He had never thought that the heavenly tribulation would be so vicious!

"Damn it, if you don't want me to survive the heavenly tribulation, just say it!" Qin Yu couldn't help but curse.

He glanced at the metal rod in his hand and kept it without thinking.

Under these Four Heavenly Tribulation, Qin Yu didn't dare to take any risks at all.

Even though this metal rod had just saved his life, it still made Qin Yu feel uncertain.

"Oh? He kept the treasure?" Sima bei, who was not far away, could not help but feel a little surprised.

"Could it be that this person has other supreme treasures on him?"

Sima bei was instantly overjoyed. That Iron Rod was already a supreme treasure, yet it had been kept by Qin Yu. This was enough to prove that Qin Yu still had a treasure that far surpassed this iron rod!

As expected, in the next second, Qin Yu directly took out the divine picture.

In his hand, the divine picture still looked extremely ordinary. Holding it lightly in his hand, it was like a piece of useless cowhide paper.

The outline of the scenery on the divine picture was also extremely ordinary and simple. However, through this landscape painting, one seemed to be able to feel a trace of killing intent.

"What is that thing?" Sima bei asked with a frown.

In his opinion, there was nothing strange about this divine picture.

Please support our website and read on wuxiaworldsite

Qin Yu held the divine picture in his hand and couldn't help but put his palms together.

"Xiao Yu, you have to save me..." Qin Yu muttered in a low voice.

This divine picture was Xiao Yu's item. Whether or not it could withstand these four heavenly tribulation, Qin Yu was also uncertain.

But at this stage, he could only give it a try.

Qin Yu held the divine picture in his hand and raised his head to look at the heavenly tribulation.

The heavenly tribulation rumbled, and four thick heavenly tribulation were about to descend at any moment.

A moment later, the four shaky heavenly tribulation began to merge!

The Four Heavenly Tribulation merged into one heavenly tribulation!

At this moment, the heavenly tribulation became even thicker, as if it was going to Pierce through the sky!

“This... What the F * ck is This!”Qin Yu couldn’t help but break out in cold sweat!

Four Heavenly Tribulation merged into one. God knew what kind of power it had!

“It seems that I don’t have to make a move.”Sima bei couldn’t help but sneer when he saw this.

Under such a heavenly tribulation, even he couldn’t withstand it, let alone Qin Yu?

Thinking of this, Sima bei quickly retreated, afraid that he would be affected by the heavenly tribulation.

“Rumble...”

The sky rumbled non-stop. The moment the Four Heavenly Tribulation merged, the entire sky turned dark blue!

“Kacha!”

Along with a deafening sound, the heavenly tribulation descended!

That extremely thick heavenly tribulation instantly submerged everything, tearing the entire space into two halves!

Looking from afar, it was like a waterfall descending from the sky, bringing with it the sound of splashing water as it poured down!

Qin Yu clenched his teeth. He grabbed the divine picture in his hand and waved his hand, welcoming the heavenly tribulation!

“Protect me!”Qin Yu roared in his heart!

The moment he touched the divine picture, it was instantly submerged and disappeared without a trace. There wasn't even the slightest bit of resistance.

Seeing this scene, Qin Yu's heart instantly felt like it was dead.

"It's over..." Qin Yu squatted on the ground.

It was impossible for Qin Yu to withstand such a scale of heavenly tribulation!

"Hahahaha!" Sima bei couldn't help but laugh out loud when he saw this!

Just when everyone was certain that Qin Yu would definitely die, the Blue Heavenly Tribulation was suddenly pulled back!

In the next second, the heavenly tribulation emitted waves of red light! The divine picture broke through the heavenly tribulation and suddenly appeared!

"HMM? What's This?" Sima bei couldn't help but frown when he saw this scene.

At this moment, a jade-like hand actually stretched out from the divine picture!

This jade-like hand stretched out from the divine picture and lightly slapped towards the heavenly tribulation.

"Pa!"

A clear sound spread throughout the five lakes and four seas.

"Boom!"

In the next second, the heavenly tribulation emitted a powerful explosion as if it had been smashed into pieces. The thick heavenly tribulation actually turned into countless rays of light and shot out in all directions!

"It... it was smashed into pieces!" Qin Yu couldn't help but tremble!

Meanwhile, Sima Bei, who was far away, also widened his eyes!

Heavenly tribulation... it was smashed into pieces?

What kind of short hand was this? How come he had never heard of it before?

"Heavenly tribulation... how could it be smashed into pieces..." Sima bei swallowed his saliva crazily. Because of his shock, his face had almost become distorted!

He had lived for many years, but he had never seen such an overbearing method! Shattering the Heavenly Tribulation, it was unheard of!

Chapter 1529

Just as Sima Bei was in shock, the shattered lightning had already shot out in all directions.

“Not good!”

Looking at the lightning that was approaching him, Sima Bei’s expression changed greatly. He hurriedly wanted to dodge, but it was already too late.

“Hong!”

The lightning exploded on his chest, forcing him back an unknown distance. The ground was even left with a long scar!

“Pu!”

Sima bei, who was lying on the ground, spat out a mouthful of blood.

His chest had been pierced through and was dripping with blood.

“This heavenly tribulation... is actually so terrifying,” Sima bei muttered softly.

If it was just his physical body, Sima bei would not be able to compete with Qin Yu. Now that he had suffered this blow, he finally understood how terrifying this heavenly tribulation was.

The heavenly tribulation was like raindrops, shooting out in all directions.

For a moment, Sima bei did not have the mood to chase after Zhuo Jing. Instead, he started to dodge in a flurry.

It was not only Sima Bei, Zhuo Jing and Qin Yu who were frantically dodging the heavenly tribulation.

That jade-like hand had already disappeared without a trace. The divine picture fell to the ground without any internal Qi.

Qin Yu pulled out his iron rod. As he retreated, he welcomed the heavenly tribulation.

After an unknown amount of time, the heavenly tribulation completely dissipated.

Everyone was panting, feeling extremely scared.

“Damn, this heavenly tribulation is terrifying.”Qin Yu couldn’t help but curse inwardly.

He picked up the divine picture from the ground and studied it carefully.

Fortunately, the divine picture was intact and didn’t suffer any damage from the heavenly tribulation.

“That Palm... why did it come out of this divine picture?”Qin Yu murmured.

He only felt that it was a little terrifying. How terrifying was this divine picture that shattered the heavenly tribulation with just one palm!

“I’m afraid I underestimated this divine picture.”Qin Yu sighed inwardly.

Not only Qin Yu, even the man with the mustache could not see the true power of this divine picture.

But now wasn’t the time to think about this. The most important thing was the ninth heavenly tribulation.

“As long as I survive this heavenly tribulation, I’ll be able to successfully step into the mighty realm,”Qin Yu said in a low voice.

The Sky was completely silent. After a long time, no heavenly tribulation descended.

If it weren’t for the dense dark clouds hovering above his head, people would probably think that the heavenly tribulation was over.

Sima bei, who was not far away, finally got some breathing space.

He looked at the injuries on his body and couldn’t help but feel a little angry.

“I really didn’t expect that you would be in such a sorry state,”Sima Bei said coldly.

He didn’t want to wait any longer. After these few blows, Sima bei was already heavily injured, and even his internal Qi wasn’t that stable anymore.

As for the ninth heavenly tribulation, no one knew what would happen.

Thus, Sima bei looked in Zhuo Jing’s direction. The coldness was like a blade, and Zhuo Jing couldn’t help but Shiver.

“Kid, it’s time for you to pay the price,”Sima Bei said coldly.

With that, his feet shook, and he headed straight for Zhuo Jing!

His speed was so fast that it made people speechless!

Zhuo Jing naturally didn't dare to be negligent. He relied on his nimble movement technique to turn around and run!

"You won't be able to escape."Sima bei sneered.

His body flashed with boundless radiance once again, and his domain power once again expanded!

Please support our website and read on wuxiaworldsite

"Kid, it's all over."Sima bei raised his palm and lightly pinched in Zhuo Jing's direction.

Zhuo Jing, who was running away, froze in mid-air!

The domain surrounding Sima Bei's body was actually transferred to Zhuo Jing's body!

His body was enveloped by this radiance, and the powerful pressure made Zhuo Jing unable to move at all!

"It's over..."Zhuo Jing's face was filled with horror and incomparable terror!

In a short moment, Sima Bei had already arrived in front of Zhuo Jing.

Even though Zhuo Jing tried his best to resist, his body was unable to move.

"Run, why aren't you running?"Sima bei said coldly.

Countless thoughts flashed through Zhuo Jing's mind. He subconsciously looked in the direction of Qin Yu. At this moment, the ninth heavenly tribulation had yet to descend.

"As long as I stall for time, the mission will be completed,"Zhuo Jing thought to himself.

Thinking of this, Zhuo Jing looked at Sima bei and smiled, "Lord Sima Bei's strength is indeed not something we can compare to."

Sima bei raised his eyebrows and then sneered, "So?"

Zhuo Jing sighed and said somewhat sorrowfully, "Rather than using an egg to strike a stone, why not... join you and join the Northern Lands?"

"Join me?"Sima bei could not help but laugh out loud.

"Kid, just now you were still evading it in every possible way and were full of determination. Why have you changed your Mind Now?"Sima bei said with a cold smile.

Zhuo Jing sighed slightly and said, "I originally thought that with my own strength, I would at least be able to contend with you, not to mention defeating you. But now I've realized that the gap between us is too big. It's simply not something I can resist."

Hearing Zhuo Jing's words, the corners of Sima Bei's mouth could not help but curl into a cold smile.

He raised his hand and took Zhuo Jing's Silver Spring.

"This sword is not bad." Sima Bei said indifferently.

Zhuo Jing's heart thumped, but he still maintained a smile on his face, "If you like it, feel free to take it."

"Oh? Really?" Sima Bei was slightly amused.

"Of course, take it as me expressing my loyalty." Zhuo Jing laughed.

Sima Bei laughed loudly, "Interesting, interesting! It's a pity that it's too late for you to join the Northern Lands Now!"

After saying this, the silver spring in Sima Bei's hand pierced straight into Zhuo Jing's lower abdomen!

Fresh blood suddenly spurting out, and Zhuo Jing's face became extremely pale!

"Lord Sima Bei, you... Why are you..." Zhuo Jing said in extreme pain.

Sima Bei sneered, "You have already angered me. If I don't kill you, it will be difficult to dispel the hatred in my heart."

After that, Sima Bei glanced at Qin Yu who was undergoing the tribulation and said indifferently, "You want to stall for time. Do you think I can't see it?"

"Lord Sima Bei, you've misunderstood..." at this moment, Zhuo Jing still had a trace of hope.

However, Sima Bei didn't give him a chance. He put away the Silver Spring and slapped Zhuo Jing's face.

Zhuo Jing was instantly sent flying. His originally handsome face was now shattered and almost collapsed.

Looking at Zhuo Jing, who was lying on the ground like a dead dog, Sima Bei said coldly, "This is the price for making a move on me."

After saying this, Sima Bei looked in the direction of Qin Yu, his body emitting a murderous aura.

"It's your turn." Sima Bei said coldly.

After saying this, Sima Bei walked towards Qin Yu's direction.

But at this moment, a force pulled Sima Bei!

Looking down, he saw that his body was bound by a chain.

And the other end of the chain was Zhuo Jing!

Sima Bei's expression immediately turned cold. He turned around to look at Zhuo Jing and coldly said, "You don't know life from Death!"

Chapter 1530

Sima Bei's body was bound by chains. The chains flickered with golden light, shining brightly in the darkness.

On the other side of the chains was Zhuo Jing.

Even though Zhuo Jing was heavily injured, he still used all his strength to control the chains.

This chain was left behind by Zhuo Jing's father. It could be said to be mysterious and unfathomable. Back then, his father had used this item to capture countless top-notch martial artist of the same level.

Now that the chain had been obtained by Zhuo Jing, although he could not display his father's abilities, he had temporarily controlled Sima Bei.

"Qin Yu, you have to fight for your reputation..." Zhuo Jing said in his heart.

In order to help Qin Yu stall for time, he had used almost all methods and completely offended the northern lands.

Not far away, Sima Bei's expression became even colder.

He tried to struggle, but discovered that this chain seemed to have embedded itself into his body, and he was unable to break free.

Not far away, Qin Yu was also waiting for the final heavenly tribulation to descend.

He raised his head to stare at the calm sky, and a bad premonition arose in his heart.

“Could it be that the final heavenly tribulation is a divine sense attack?”Qin Yu thought to himself.

If it was a divine sense attack, it would probably be very difficult for Qin Yu to withstand it, because he did not have any magic treasures that could protect his divine sense!

“Rumble...”

From time to time, muffled thunder would flash across the sky. It sounded like someone was hiding in the dark clouds and snoring.

“Crash!”

At this moment, a ray of light descended from the sky!

The speed of this light was extremely fast. Even Qin Yu did not have time to react before he was directly drowned by the light!

“Not good!”Qin Yu’s expression immediately changed. He wanted to take out the divine picture, but it was too late!

His entire body was engulfed by the light, but what surprised Qin Yu was that the light did not bring any discomfort. On the contrary, his entire body felt warm.

That feeling was as comfortable as bathing in the sun after passing through a land of ice and snow for a few days.

“What a comfortable feeling...”Qin Yu muttered in a low voice, like a child lying in swaddling clothes.

This warm feeling almost made Qin Yu fall asleep.

He closed his eyes slightly and immersed himself in this comfortable feeling, forgetting all the Pain and troubles.

Just as he was about to fall asleep, his eyes suddenly opened!

“Not good!”Qin Yu suddenly stood up, cold sweat running down his forehead!

He felt the comfort of his body and couldn’t help but feel a little scared.

This was a gentle home. Once immersed in it, it was very likely to destroy one’s Dao Heart!

“That was close...”Qin Yu wiped the sweat from his forehead, and looked at the radiance around him.

The radiance still lingered around him for a long time.

“This radiance... what exactly is going on?” Qin Yu murmured in a low voice, and he had a bad feeling in his heart.

“Qin Yu!”

At this moment, a boorish voice was heard!

Looking over, he saw Chang Mang walking over quickly from not far away.

His entire body was emitting a fiery red radiance. His aura was full of vigor, and the internal Qi in his body made people feel a sense of oppression!

“Chang Mang? !” Qin Yu was instantly overjoyed. He quickly rushed towards Chang Mang and pulled him into his embrace!

“Why are you here?” Qin Yu tried hard to suppress his excitement as he asked.

Chang Mang laughed loudly and said, “I heard about what happened to you, so I rushed over. How was it? I’m not late, am I?”

Qin Yu patted Chang Mang’s shoulder hard and said, “I’m already very happy to be able to see you. Where have you been since you came to the Holy Region?”

“Aiya, let’s not talk about that!” Chang Mang waved his hand and said, “It’s not easy for us to meet each other. We must get drunk today!”

After saying that, he waved his hand and actually set up a dining table in front of Qin Yu.

There were delicacies on the table, as well as nectar and dew.

“Come, quickly sit down and drink him to your heart’s content!” Chang Mang said excitedly.

Qin Yu shook his head and said, “Not now, I still have a lot of things to do.”

“Aiya, what bullshit matter? I already know about your little matter. Isn’t it just the Heavenly Cloud Sect? After drinking this wine, the two of us brothers will go and tear down that Heavenly Cloud Sect!” Chang Mang said in a carefree manner.

Qin Yu frowned and sighed, “Forget it. I have to quickly transcend the tribulation and kill Sima Bei.”

After saying that, Qin Yu was ready to tell Chang Mang about Sima Bei.

“Qin Yu.”

However, at this moment, a large group of people suddenly appeared in the sky.

They were wearing armor and were riding on an extremely luxurious carriage.

This carriage was many times larger than the heavenly cloud sect. It was like a spaceship.

And the person sitting on the carriage was none other than Yan Ruoxue!

She was wearing a veil and her face was half covered. Her beauty was so unreal.

“Ruoxue... Ruoxue? ! Why... Why are you here?” Qin Yu suddenly stood up and stared at Yan Ruoxue.

Yan ruoxue smiled and said, “Look at the jade pendant on your chest.”

Qin Yu hurriedly looked down. As expected, the jade pendant had been broken!

“It’s this token...” Qin Yu whispered.

Yan ruoxue nodded slightly and said, “The matter of the Heavenly Cloud sect has already been settled by the Yan family. You Don’t have to worry about it. I’m here to bring you to the Yan family.”

“Bring me to the Yan Family?” Qin Yu was stunned.

“That’s right. The Yan family has provided you with the best resources in the entire holy region. They want to create a truly great chaotic body.” Yan Ruoxue said with a chuckle.

“Brother, this is great. You Don’t have to worry and work hard anymore!” Chang Mang hugged Qin Yu’s shoulder.

Qin Yu looked up and saw that the dark clouds in the sky had dissipated, revealing the brilliant sunlight.

The sunlight scattered on his body, making him feel extremely comfortable.

Not far away, Sima bei had already fallen to the ground, bleeding profusely.

Yan ruoxue gently descended from the carriage. She walked to Qin Yu’s side and said with a smile, “Qin Yu, you’ve worked hard during this period of time. It’s time for you to have a good rest. A person can’t live just for cultivation, right?”

Qin Yu felt an indescribable feeling in his heart.

He looked at Yan Ruoxue in front of him and felt his heart tremble.

“Brother, hurry up and eat. We’ll go to the Yan family in a while. We won’t suffer the sins of birds!” Chang Mang pulled Qin Yu and said.

Qin Yu ignored Chang Mang. He looked at Yan Ruoxue in front of him and said in a low voice, “Ruoxue, can you hug me?”

Yan Ruoxue smiled lightly and said, “Of course.”

After saying that, she walked in front of Qin Yu and gently held Qin Yu’s shoulder.

Qin Yu’s arm also took the opportunity to pull Yan Ruoxue into his embrace.

“Ruoxue, thank you.” Qin Yu whispered in Yan Ruoxue’s ear.

A trace of pain flashed across his face. In the next second, his fist went straight into Yan Ruoxue’s lower abdomen.

Yan Ruoxue’s eyes immediately widened. A trace of paleness flashed across her snow-white face, and blood seeped out from the corner of her mouth.

“Qin Yu, you...” Yan Ruoxue opened her mouth, and her weak body slowly fell to the ground.

Chapter 1531

It was as if a bright flower had bloomed on the ground, bewitching and beautiful.

Qin Yu looked at Yan Ruoxue’s corpse on the ground, feeling somewhat sad in his heart.

“Qin Yu, you...” Chang Mang pointed at Qin Yu, his eyes filled with disbelief.

Qin Yu looked coldly at Chang Mang and said, “I know that all of this is fake. This is just the heavenly tribulation. Without you guys around, Sima Bei didn’t die, and the heavenly tribulation didn’t disappear.”

After hearing Qin Yu’s words, Chang Mang’s expression disappeared.

His body also slowly became dim, until it disappeared without a trace.

Everything around him also returned to normal in an instant.

There was no sunlight, and a dark cloud still covered the earth.

Not far away, Sima Bei was still confronting Zhuo Jing.

The only difference was that the light that lingered around Qin Yu's body slowly disappeared.

That warm feeling had long disappeared without a trace.

Qin Yu raised his head to look at the sky and sneered, "This technique is useless against me."

These words seemed to have angered the heavens.

An extremely ear-piercing rumbling sound was emitted from the dark clouds.

However, all of this could not affect Qin Yu's Dao Heart. He closed his eyes slightly and his heart was extremely calm as he waited for the next heavenly tribulation to descend.

Not far away, Zhuo Jing could not hold on any longer.

All of his internal Qi was gathered on this chain.

And now, that chain seemed to be about to break free at any moment.

"If I Were you, I would take this opportunity to escape,"Sima Bei said coldly.

Zhuo jing grinned and said, "If I knew how to escape, I would have escaped long ago."

"I admire your spirit of facing death with ease. Once I break free from this chain, you will die without a doubt. I will destroy your soul!"Sima bei said coldly.

"That will have to wait until you break free."Zhuo Jing replied in a neither servile nor overbearing manner.

As he spoke, the dark clouds once again emitted a radiance.

This time, the radiance was still very fast, and in an instant, it engulfed Qin Yu.

What was different was that this radiance was no longer as steady as the sun's rays. Instead, it was bone-piercing cold.

The pitch-black radiance enveloped Qin Yu's entire body.

Within this light, Qin Yu could clearly feel an extremely intense killing intent.

“The ninth heavenly tribulation should be about to end, right?”Qin Yu said coldly.

He stared at the surrounding light, his heart unusually calm.

But in the next second, Qin Yu’s expression changed, becoming extremely ugly!

Because from this black light, a man walked out.

He had a tall and sturdy figure, and his internal Qi was incomparably powerful!

When Qin Yu saw his face clearly, he felt a chill run down his back!

This was because this person was none other than Qin Yu’s father! Earth’s guardian of the Dao!

“Father... father, how could it be you!”Qin Yu’s eyes widened.

However, this guardian in front of him seemed to have no emotions at all. All he had was that ice-cold killing intent.

He walked toward Qin Yu step by step, and his every move contained an extremely powerful internal Qi.

Boom

Just as Qin Yu was in a daze, the Guardian made his move.

He raised his hand and unleashed the absolute beginning Sacred Fist, heading straight for Qin Yu’s face!

Please support our website and read on wuxiaworldsite

Qin Yu hurriedly dodged to the side, calmly analyzing everything in front of him.

“Could this be the heavenly tribulation as well?”Qin Yu gasped.

Could it be that he had to defeat the Dao-guardian in order to successfully overcome the heavenly tribulation?

If that was the case, Qin Yu had no chance of winning at all!

“Boom!”

The second punch arrived as scheduled. Its power was unparalleled, and it could be said to be able to destroy anything.

But even so, Qin Yu still saw through the clues.

As he dodged, he squinted his eyes to observe the dao-guardian.

All the spells of the Guardian in front of him were exactly the same as Qin Yu's. He knew everything that Qin Yu knew!

But what made Qin Yu feel that something was wrong was that the Guardian in front of him was far from being as powerful as he had imagined!

"I understand." Qin Yu took a deep breath.

"The Guardian in front of me is a guardian from the same era as me."

"In other words, his realm is the same as mine."

A smile appeared on the corner of Qin Yu's mouth. Then, he said in a low voice, "Father, we are in the same era. Even if it's you, I'm not afraid. Come, let's have a good fight!"

After seeing everything clearly, Qin Yu was no longer afraid. On the contrary, he was extremely excited and full of fighting spirit!

He no longer dodged and also activated a spell. He held the absolute beginning Sacred Fist and clashed with the dao-guardian!

The great battle began in that instant. Both of them used the same magical technique, and they clashed fiercely.

Every time they clashed, a powerful shockwave swept out in all directions. It was as if they had become ancient war gods, and all they wanted was a life-and-death battle!

Boom

The two fists collided fiercely, causing the surrounding void to collapse. Before they could even catch their breath, the second clash had already arrived!

Both of their bodies were dyed red with blood, but the more they fought, the braver they became, and their internal Qi was incomparably powerful!

"As expected of father. Even among the same level, he can be on par with me." Qin Yu was secretly shocked in his heart!

As expected, those who could become the recipient were all unparalleled geniuses!

This great battle continued. Qin Yu used all his trump cards, and all the spells he knew were unleashed without reservation in this great battle.

The battle between father and son could not be decided at all. Even a nascent soul realm guardian made it extremely difficult for Qin Yu to fight!

At first glance, the two of them seemed to be evenly matched, and it was difficult to decide the victor.

At this moment, the Guardian began to evolve his dao technique. He also summoned the power of his domain and crushed toward Qin Yu.

This gave Qin Yu a huge headache. He had not comprehended the power of his domain, and he did not know how to deal with it. He could only rely on his brute strength to forcefully resist.

“Father had already comprehended the DAO technique when he was at this realm.” Qin Yu was getting more and more shocked as the battle went on. A trace of inferiority rose in his heart!

One had to know that the Dao Guardian in front of him was not a real dao guardian. Instead, he was just a figure formed by the Heavenly Tribulation!

If a real dao guardian were to descend, Qin Yu would probably have an even harder battle!

In the distance, the chains on Sima Bei’s body were rattling. There was a deafening sound.

Zhuo Jing’s forehead was dripping with sweat. He couldn’t hold on any longer.

“Qin Yu, how much longer do you need...” Zhuo Jing muttered in pain. However, he didn’t dare to be distracted. If he was distracted for even a moment, the chains would probably shatter immediately!

“Resist stubbornly,” Sima Bei said coldly.

His entire body shook violently, and cracks started to appear on the chains on his body!

Sima bei struck while the iron was hot. His internal Qi exploded to the extreme, and a terrifying power exploded from his body!

This power swept out in all directions, and Zhuo Jing was the first to bear the brunt.

Zhuo Jing, who was already extremely weak, was instantly sent flying under the impact of this power.

The chains on Sima Bei's body finally couldn't bear it any longer, and emitted a "Crack" sound before shattering into powder!

Chapter 1532

The Earth was shrouded in darkness, and the Sun could not be seen.

The sky was like an angry face, causing people to feel fear.

In the midst of the Heavenly Tribulation, Qin Yu was engaged in a life-and-death battle with his father, the Dao-guardian.

Each and every dao-guardian was a heaven's chosen, and their talent was unmatched. Even Qin Yu felt more and more apprehensive as he fought.

Even if he used all of his trump cards, he wouldn't be able to do anything to the Guardian.

His strength far exceeded Qin Yu's imagination!

"This won't do. If this drags on, I'm afraid I'll be defeated here." Qin Yu's expression was a bit grim.

Qin Yu was already injured, and after the battle, his internal Qi became even more chaotic.

On the other hand, the guardian was only a manifestation of the heavenly tribulation. He didn't even need his internal Qi to support him.

This was extremely disadvantageous for Qin Yu.

Just as Qin Yu was thinking, the Guardian had already closed in once again!

He still used the simplest and most efficient move, relying on his crushing fist!

Qin Yu naturally did not dare to be negligent. He could only engage in a second battle with him.

The battle between the two of them could be said to be earth-shattering. If not for the Heavenly Tribulation, the falling life valley would have already been reduced to ruins!

Finally, Qin Yu's internal Qi began to wither. Faced with the powerful attacks of the Guardian, he began to retreat.

From the beginning of the battle to the end, Qin Yu could only passively defend.

Under such circumstances, although Qin Yu's pressure was doubled, he did not lose his footing. Instead, he retreated while looking for flaws.

In the blink of an eye, Qin Yu was already being pushed back. However, the Guardian's attacks could be said to be perfect. He could not find any flaws to exploit!

"Father, you have really given me a difficult problem..." Qin Yu smiled bitterly.

As he was speaking, the Guardian's fist had already landed on Qin Yu's chest.

The power of this punch was beyond imagination. Qin Yu's powerful physical body was actually directly penetrated, and a mouthful of blood gushed out!

The Guardian's fist had almost touched Qin Yu's chest!

"How is this possible!" This made Qin Yu's expression change greatly!

Among the same level, Qin Yu's physical body had never been defeated by anyone!

But now, the Fist of the Guardian actually directly penetrated Qin Yu's physical body!

"As expected of the Guardian..." Qin Yu lowered his head to look at the bloody hole in his chest, and his expression became more and more serious.

And the Guardian not far away was like an emotionless killing machine, extremely cold.

"It seems that dodging isn't the way..." Qin Yu got up from the ground and muttered.

Dodging was also death. Rather than doing so, it was better to fight.

Qin Yu took a deep breath and tried his best to adjust his internal Qi. His golden fist once again shone brightly.

This punch was still the ten thousand spell breaking punch. This punch was created by Qin Yu himself, and was not inherited from the Guardian.

"I'll go all out." Qin Yu cursed inwardly. Then, he raised his hand and used the ten thousand spell breaking punch to charge at the Guardian!

The Guardian looked coldly at Qin Yu. He clenched his fist and also charged at Qin Yu!

This time, Qin Yu did not Dodge. Instead, he planned to use his life-or-death fighting style to seek a chance of survival for himself!

"Ah! ! !"

Qin Yu's roar shook the heaven and earth. The Golden Light of the ten thousand spell breaking punch also ruthlessly smashed toward the Guardian's chest!

At the same time, The Guardian's fist also landed on Qin Yu's chest!

"Boom!"

The Guardian's fist was the first to smash into Qin Yu's body.

However, what shocked Qin Yu was that this punch seemed majestic, but when it landed on his body, it actually didn't have the slightest bit of power to speak of. Instead, it was as if it had touched his body!

Please support our website and read on wuxiaworldsite

Qin Yu's eyes widened as he hurriedly looked at the Guardian. In between them, the Guardian's figure was slowly dissipating.

A gratified smile appeared on the corner of his mouth.

Although the smile was fleeting, it still did not escape Qin Yu's eyes!

Qin Yu hurriedly rubbed his eyes and looked at the corner of the Guardian's mouth again.

The Guardian's face returned to its icy cold expression, causing people to suspect that the smile just now was a blur.

"What... What's going on..." Qin Yu's face was filled with shock!

He looked at his father, who was slowly disappearing, and could not help but take two steps back.

Wasn't that shadow formed from the Heavenly Tribulation? Why was he smiling?

Also, that punch was clearly enough to take Qin Yu's life. Why was it powerless when it landed on his body?

Could it be that this shadow of his father had his own divine sense? Could it be his father's original body?

That was absolutely impossible!

However, he had to admit that the Dao-guardian had gone easy on him. He had intentionally allowed Qin Yu to defeat him.

"I can't figure it out..."Qin Yu murmured softly. Countless questions lingered in his mind.

If the dao-guardian had not gone easy on him, even if Qin Yu had won by a fluke, he would have been heavily injured.

"Father..."Qin Yu muttered this name in a low voice. He could not help but look up into the sky.

The dark clouds in the sky seemed to be dissipating. His father's figure had long disappeared without a trace.

There were too many mysteries in this world that a small character like Qin Yu couldn't understand.

He took a deep breath and stopped thinking about it.

No matter what, this heavenly tribulation could be considered to have been successfully passed.

Qin Yu sat cross-legged on the ground. Streams of internal Qi lingered around his body.

The injuries on his body were rapidly recovering, and his internal Qi was also rising.

This was the sign of stepping into the mighty realm. Golden light blossomed and shot through the layers of dark clouds in the sky!

Qin Yu's body became golden, and even his hair turned golden yellow!

In the blink of an eye, his body and spiritual power had improved qualitatively, but this was not the end. Instead, it was just the beginning.

His internal Qi was still rising rapidly. A powerful pressure was emitted from his body.

"Rumble..."

The Falling Life Valley seemed to be unable to bear it anymore. It began to emit a loud rumble.

Crushed Stones fell from the sky. In a short moment, this place had already turned into ruins!

Sima bei, who was not far away, also noticed this strange phenomenon.

He hurriedly looked in the direction of Qin Yu and said in a low voice, "This internal Qi... is from Qin Yu's body?"

This internal Qi was too powerful, so powerful that it made one's heart palpitate!

Even Sima Bei couldn't help but feel afraid!

"How is this possible? How could his body emit such an internal Qi!" Sima Bei's expression changed drastically!

He shattered the chains and quickly walked towards Zhuo Jing.

Zhuo Jing no longer had any strength to resist. Facing Sima Bei, it was as if life and death depended on fate.

Sima Bei grabbed Zhuo Jing, but he still felt waves of fear in his heart.

"Could it be that the people of the three maniacs and three uniques are here?" Sima Bei said in a low voice.

He simply couldn't believe that this internal Qi came from the Qin Yu who had broken through!

Right at this moment, the ruins suddenly exploded! A golden figure exploded!

He broke through all the obstacles, and like a golden bolt of lightning, he leaped all the way into the air!
