

My Rich Wife - Chapter 1533 – 1540

immortal slaying Holy Sword! 1 -

Chapter 1533: Chapter 1,533, immortal slaying Holy Sword! 1

At this moment, Qin Yu's entire body was covered in golden light, and his internal Qi was completely different.

His skin was like Suet Jade, but it also had a rigid beauty. Under the golden light, his muscles were extremely dazzling and resplendent.

And the pressure that he emitted made people feel even more terrified.

"It's... It's really him!" Sima bei's expression changed drastically!

He didn't expect Qin Yu to possess such a terrifying aura just after stepping into the mighty realm of internal Qi!

This pressure made Sima bei feel terrified!

"I actually failed!" At this moment, Sima Bei regretted not falling. If he had known this would happen, he would have killed Zhuo Jing earlier!

Very soon, Qin Yu strode over.

Behind him, a golden light followed. Wherever it passed, it was enveloped by the light.

Sima bei grabbed Zhuo Jing's neck with one hand. Then, he looked coldly at Qin Yu and said, "I really didn't expect that you, who has stepped into the mighty realm, would have such a powerful internal Qi."

Qin Yu pointed at Zhuo Jing in his hand and said, "Let him go."

Sima bei raised his eyebrows and sneered, "You want to let him go? He's ruining my plans. I have to kill him."

Qin Yu narrowed his eyes and said coldly, "Let him go and I'll let you die a quick death."

"Hahahaha!"

Hearing this, Sima Bei couldn't help but laugh out loud.

"Kid, you're too arrogant. So what if you've stepped into the mighty realm? Do you think that I, Sima Bei, Will Be Afraid of You?!" Sima bei shouted with an imposing manner!

However, he was slapped in the face in less than two seconds of acting tough.

A golden light streaked past in front of him. Then, Sima Bei's arm that was holding onto Zhuo Jing was directly cut off!

Zhuo Jing also fell into Qin Yu's arms.

Sima bei looked at his broken arm in a daze. After a long while, he let out a painful howl!

"You..."Sima bei wished he could slap himself twice!

The moment he was distracted, he had ruined the big picture. How could Sima Bei not be angry!

Qin Yu hugged Zhuo Jing with one hand, then raised his palm and slapped Zhuo Jing's back.

A stream of spiritual qi flowed through Qin Yu's palm and into Zhuo Jing's body.

Even though Qin Yu could not recover the spiritual power of others like Jue Wu, this spiritual Qi still allowed Zhuo Jing to recover more than half of it.

"Brother Qin, you..."

"No need to say more. Rest well. After I kill him, I'll bring you back,"Qin Yu interrupted Zhuo Jing.

Not far away, Sima Bei's expression became even colder.

Qin Yu's speed had already exceeded his imagination, and Sima Bei had no choice but to take this seriously.

"How can a newly advanced mighty figure have such terrifying speed?"Sima bei didn't care about his broken palm. Internal Qi was surging all over his body, and it seemed like he would explode at any moment.

A boundless radiance appeared around his body. This radiance was Sima Bei's domain power.

"Brother Qin, be careful!"Zhuo Jing hurriedly warned.

Qin Yu coldly looked at Sima bei, his heart extremely calm.

A black domain appeared around Sima Bei's body.

The power of this domain was extremely terrifying. It was also Sima Bei's trump card technique.

"Kid, if an opponent like you can't be used by the northern lands, then we have to get rid of you," Sima Bei said coldly.

Qin Yu acted as if he didn't hear him, and instead asked, "What exactly is the relationship between the northern lands and the immortal slaying sect?"

When he heard the words immortal slaying sect, Sima Bei's expression suddenly changed!

"You... you know about the immortal slaying sect?" Sima Bei's eyes widened.

Qin Yu sneered, "You guys have indeed obtained the inheritance of the immortal slaying sect. I was wondering how you guys managed to come up with so many strange and brilliant spells."

Sima Bei's expression turned grave.

He narrowed his eyes and said in a low voice, "Since that's the case, I can't let you live anymore..."

With that, Sima Bei waved his hand and thousands of black beams of light shot towards Qin Yu!

This was the technique that had severely injured Zhuo Jing not too long ago. That black beam of light was extremely powerful, incomparably sharp, and could cut through everything!

Qin Yu narrowed his eyes slightly, and with a wave of his hand, golden light streaked across, and all the beams of light instantly shattered!

Sima Bei's expression instantly became even uglier. Although this technique was not his trump card, its power was terrifyingly powerful. Now that it had been easily neutralized by Qin Yu, how could he not be worried!

"Go to hell!" After Sima Bei's furious roar, the domain power on his body actually directly restricted Qin Yu's body!

Under this power, Qin Yu's body seemed to be restricted, unable to move at all!

"Brat, this is the power obtained after comprehending the laws. It's not something a mortal like you can understand," Sima Bei said coldly, as if victory was within his grasp.

Qin Yu, however, sneered. He clenched his fist and raised his hand to break the ten thousand spell breaking punch!

“Boom!”

A loud sound exploded, and a terrifying power poured out from this domain, shooting into the sky!

The domain, which was known as indestructible, was actually shattered by Qin Yu with a single punch!

“How is this possible!”Sima bei’s expression instantly changed greatly!

Qin Yu looked at Sima bei coldly and said, “If you were in your peak state, you might still be able to fight me. However, the current you is not stable, and I will kill you like slaughtering chickens and dogs.”Qin Yu’s internal Qi was extremely unstable

Just as Qin Yu said, Sima Bei was first heavily injured by Zhuo Jing’s Silver Spring, and then he was affected by the heavenly tribulation. His internal Qi was already in disorder and was far from his peak state!

“Tell me the secrets of the northern lands, and I will let you die a quick death,”Qin Yu said coldly.

Sima bei laughed loudly and said, “In your dreams! Even the current me can still kill you!”

“Weng!”

With that, a light suddenly flashed between Sima Bei’s brows. This inverted light pierced through the sky, and a palm-sized sword appeared between his brows!

This sword was extremely resplendent, and there was a strange sound coming from the edge of the sword!

Seeing this sword, Qin Yu frowned slightly.

Although he didn’t know the origin of this sword, he felt a familiar feeling from this sword.

“Qin Yu, since you know about the immortal slaying sect, you must also know about this secret technique,”Sima Bei said coldly.

Qin Yu narrowed his eyes and said in a low voice, “So it’s not a real sword, but the immortal slaying sect’s secret technique...”

Seeing Qin Yu's expression, Sima bei sneered, "Of course, you can't understand it. This is also the power of comprehending laws. Its lethality is unparalleled in the world. It's the forbidden secret technique of the immortal slaying sect!"

"Ever since I comprehended this technique, I have never used it. I didn't expect that I would use it on you today..."

What? ? ! Even in a sect like the immortal slaying sect, it was considered a forbidden technique?

"Qin Yu, what he said is true. This technique is called the immortal slaying Holy Sword. It was created by the third sect master. The purpose of creating this technique was to kill immortals. I didn't expect that he had even comprehended the immortal slaying Holy Sword..."

Heavenly Blood Rainbow's voice slowly came from the spatial magic artifact, indicating that this technique had an extraordinary origin.

Chapter 1534: Chapter 1,534, Sima Bei's true body 1

Hearing Heavenly Blood Rainbow's words, Qin Yu wasn't too surprised. He only asked indifferently, "Do you have any countermeasures?"

Heavenly blood rainbow replied, "Once the immortal slaughtering Saint Sword is used, nothing can survive and nothing can be destroyed. There are no good countermeasures."

Qin Yu raised his brows and sneered, "So powerful?"

"Of course. However, his immortal slaughtering Saint Sword has clearly not reached the level of perfection," Heavenly Blood Rainbow said.

Qin Yu did not say anything more and looked up at Sima Bei.

The immortal slaughtering saint sword had already been condensed. Before it was slashed out, the remaining power had already shattered the surrounding mountains and rivers!

The Fallen Life Valley, which was already badly damaged, had now turned into a wasteland.

Sima bei looked at Qin Yu coldly and said, "Brat, die!"

Along with his furious roar, the immortal slaying holy sword slashed towards Qin Yu. Its speed was extremely fast and its power was boundless!

Facing the immortal slaying sect's technique, Qin Yu naturally didn't dare to be negligent. He immediately stretched out his palm and took out an iron rod!

The Dark Iron Rod danced in Qin Yu's hand. Even when facing the immortal slaying Holy Sword, it didn't lose out in the slightest.

"Clang!"

Qin Yu waved the iron rod in his hand and faced the saint sword.

In an instant, a deafening clanging sound pierced his eardrums and blood flowed out of his seven orifices!

Under the obstruction of the iron rod, even the saint sword could not get close.

In addition to Qin Yu's unparalleled strength, he forced the saint sword back in one move!

But at this moment, the saint sword changed its direction and chopped down at Qin Yu from above!

Qin Yu narrowed his eyes. He put away the iron rod and stretched out his hand, wanting to grab the immortal slaughtering Saint Sword!

But what shocked Qin Yu was that after his hand touched the immortal slaughtering saint sword, it actually went straight through it!

"En?" Qin Yu was greatly puzzled!

The iron rod just now could clearly touch the immortal slaughtering saint sword, but why couldn't his palm?

"The immortal slaughtering Saint Sword doesn't have a physical body, so it can only rely on divine weapons," heavenly blood rainbow reminded.

Qin Yu snorted coldly and said, "Then I'll use this iron rod to smash his immortal slaughtering Saint Sword!"

After saying that, Qin Yu grabbed the iron rod, and an extremely powerful force erupted from his entire body!

This force was unprecedented, and it was extremely oppressive. Even Zhuo Jing, who was in the distance, seemed to be unable to withstand it!

"What a terrifying power!" Sima bei's expression changed drastically!

Was this power really emitted from the body of a newly advanced mighty figure? It was simply inconceivable!

At this moment, Qin Yu seemed to have fused with the iron rod. All of the power gathered on the iron rod. For a moment, even the iron rod was buzzing, as if it was about to be resurrected!

Qin Yu's body turned into golden light. He held the iron rod in his hand and smashed it fiercely at the Saint Sword of the Immortal Slayer!

“Boom!”

A huge explosion spread out, and the entire area was turned into nothingness.

The Saint Sword of the Immortal Slayer actually exploded under Qin Yu's vast divine power. It was truly incomparably terrifying!

Even the Saint Sword of the Immortal Slayer could not defeat Qin Yu. Sima bei had already sensed that something was wrong.

He did not dare to think any further and immediately planned to leave.

But at this moment, Qin Yu had already stepped on the line word formula and arrived in an instant!

That pitch-black iron rod headed straight for Sima Bei!

Sima bei's expression changed greatly. He hurriedly took out his dharma treasure in an attempt to block this iron rod.

But all the dharma treasures were not worth mentioning in front of Qin Yu's divine power. Everything was shattered in an instant!

“Boom!”

The iron rod arrived as scheduled. It hacked down with force and ruthlessly struck Sima Bei's body!

Sima Bei's chest instantly exploded, and fresh blood sprayed out!

His body fiercely fell to the ground, smashing a large hole in the ground.

Qin Yu naturally would not give him the chance to escape. He immediately closed in on him.

He raised his foot and stepped on Sima Bei's head. After that, he coldly said, "You'd better behave yourself. Otherwise, I'll crush your head and Crush Your Divine Sense."

Sima bei and Leng 'er came over and looked at Qin Yu. They said, "Kid, I really didn't expect to be defeated by you. It seems that the northern lands have underestimated you..."

"You talk too much nonsense." Qin Yu coldly said.

He looked down at Sima bei and said, "Speak. What exactly is the relationship between the northern lands and the immortal slaying sect?"

Sima bei laughed loudly and said, "Qin Yu, don't waste your energy. Do you think I will tell you? If you have the ability, kill me!"

Qin Yu narrowed his eyes and sneered, "You still have some backbone. Alright, then I will send you on your way!"

After saying that, Qin Yu used all his strength and directly crushed Sima Bei's head!

His head exploded and fresh blood spilled on Qin Yu's feet.

But what surprised Qin Yu was that he did not see Sima Bei's primordial spirit in his mind!

"HMM? How could this be?" Qin Yu could not help but widen his eyes!

At this moment, a ray of light floated out from Sima Bei's chest.

This was a strand of Sima Bei's divine sense. At this moment, it was standing in midair, looking coldly at Qin Yu.

"Brat, do you think you can kill me?" Sima bei said coldly.

"A strand of divine sense?" Qin Yu frowned slightly.

He looked at this body and said in a low voice, "Could it be that this isn't Sima Bei's original body?"

"Hahahaha! You guessed right!" Sima bei said with a cold smile.

"You're still very young to want to kill me. Don't worry, my northern lands will kill you sooner or later!"

Qin Yu didn't have the mood to listen to his nonsense anymore. He immediately waved his hand and erased this strand of divine sense.

At this moment, in the freezing northern lands, a pale-haired old man opened his spectacles.

His expression was terrifyingly gloomy. His shriveled claw-like palm slowly clenched.

In an instant, the entire world seemed to sense his anger. An avalanche descended from the sky!

And this person was none other than Sima Bei's true body!

His true body wasn't a young man. On the contrary, it was an extremely old man!

"Lord Sima Bei!"

At this moment, someone walked in quickly.

He knelt in front of Sima bei and asked in a trembling voice, "Lord Sima Bei, what happened?"

Sima bei took a deep breath and said slowly, "My clone died."

"What? Who Did It? Could it be that the sect master of the Heavenly Cloud sect has come out from closed-door cultivation?" The other party's expression immediately changed!

Sima bei shook his head and said coldly, "It was someone called Qin Yu..."

Speaking up to this point, Sima bei slowly stood up.

He took a deep breath and said, "We must inform the king of this news as soon as possible. That Qin Yu can not be left alive!"

...

After killing Sima Bei, Qin Yu walked in front of Zhuo Jing.

He bowed slightly and carried Zhuo Jing up.

"Many thanks, Brother Zhuo." Qin Yu's tone carried a trace of gratitude.

Zhuo Jing smiled bitterly, "I almost thought I was going to die... But I'm very curious, why would Sima Bei come here? Could it be a coincidence?"

Qin Yu's expression darkened, and he said coldly, "This isn't a place to talk. I'll bring you back first."

Chapter 1535: Chapter 1,535, Vicious Woman 1

After that, Qin Yu summoned the Godly Eagle and rushed to the Zhuo family with Zhuo Jing.

After returning to the Zhuo family, there were still many guests in the Zhuo family.

When they saw the injured Zhuo Jing, they walked up one after another.

“Brother Zhuo, what happened to you?”

Qin Yu glanced at them and said, “I’ll have to trouble everyone to take care of Zhuo Jing. I want to refine medicine for Zhuo Jing.”

“Brother Qin can refine medicine?”The surrounding people asked in surprise.

Qin Yu waved his hand and said, “Now is not the time to talk about this. I’ll have to trouble everyone to take care of him.”

After saying this, Qin Yu walked toward the Zhuo family’s warehouse.

The Zhuo family’s warehouse had a lot of herbs. Qin Yu could choose any herbs he wanted. It was not difficult to refine herbs.

After choosing the herbs, Qin Yu found a room and took out the dragon cauldron. He began to refine pills for Zhuo Jing.

On the other side, everyone surrounded Zhuo Jing and discussed animatedly.

“Qin Yu’s realm seems to have already stepped into the mighty realm.”

“That’s right. I guess he encountered difficulties during his breakthrough and brother Zhuo helped him, which resulted in this result.”

“Mm, this analysis is very reasonable.”

“Qin Yu, who has stepped into the mighty realm, is very powerful. I think he will soon head to the Heavenly Cloud Sect.”

Just as everyone was discussing, Qin Yu walked in with a pill.

He walked all the way to Zhuo Jing and then fed the pill into his mouth.

“Brother Qin, you’ve stepped into the Mighty Realm?”Someone beside him asked.

Qin Yu didn't hide anything. He nodded and said, "Not bad. I was lucky to break through."

"Congratulations, Brother Qin. Then we must celebrate today," the group said excitedly.

Qin Yu waved his hand and said, "I still have something to do. There's no need to celebrate."

"Brother Qin, are you planning to go to the Heavenly Cloud Sect?" Someone asked.

Qin Yu did not hide this. He nodded slightly and said, "That's right. I'm planning to go to the Heavenly Cloud Sect."

"Sigh, the Heavenly Cloud sect is in a stalemate now. Neither side can take down the other. If Brother Qin joins the battle, the Heavenly Cloud sect will definitely lose," someone said.

Qin Yu sneered, "Then wait for me to break through the Heavenly Cloud Sect's mountain gate. We can celebrate then."

At this moment, Li Yingying suddenly walked in from outside.

The moment she saw Qin Yu, a trace of panic flashed across her eyes.

"Brother... Brother Qin, did you... did you break through?" Li Yingying said somewhat awkwardly.

Qin Yu narrowed his eyes slightly. He didn't answer. Instead, he raised his palm. A powerful suction force instantly erupted!

Li Yingying's body drifted toward Qin Yu uncontrollably. In less than half a second, her neck was grabbed by Qin Yu's hand!

"Brother... Brother Qin, what... What are you doing..." Li Yingying immediately panicked and struggled desperately.

"Brother Qin, why did you attack Yingying all of a sudden?"

"Brother Qin, put down Yingying first. If you have something to say, let's talk properly."

Qin Yu ignored everyone. He looked at Li Yingying coldly and said, "Tell Me, why do you want to kill me?"

A trace of fear flashed across Li Yingying's eyes, but she still stubbornly said, "I... I don't understand what you're saying..."

“Only the three of us know about the place where I broke through. If it wasn’t for you snitching, why would Sima bei appear! Do you know that you almost caused Zhuo Jing’s death!”Qin Yu angrily shouted.

“Brother Qin, I’m afraid there’s some misunderstanding.”

“Right, Brother Qin, let’s talk it out. If you don’t let go, Yingying will really be strangled to death by you!”

Qin Yu sneered, “Such a vicious woman shouldn’t be left in this world.”

After saying that, Qin Yu looked at Li Yingying again and said, “I’ve heard the conversation between you and Zhuo Jing. You actually want to instigate Zhuo Jing to attack me. You deserve to die!”

Just when Qin Yu was about to make a move, Zhuo Jing’s voice suddenly came from the side.

“Brother Qin, forget it...”Zhuo Jing raised his hand and patted Qin Yu’s shoulder.

Qin Yu frowned slightly and said, “Brother Zhuo, this woman is so vicious. Why should I let her go?”

Zhuo Jing smiled bitterly and said, “Maybe she just took the wrong path for a moment. Let Her Go.”

Hearing Qin Yu’s words, Qin Yu was silent for a moment, and his hand slowly loosened.

Five Finger prints appeared on Li Yingying’s snow-white neck. She desperately breathed in the fresh air and looked at Qin Yu with lingering fear.

“Get lost,”Qin Yu said coldly.

Li Yingying was somewhat unwilling to give up. She looked at Zhuo Jing and said, “Brother Zhuo, i...”

“I don’t want to see you again. Get lost,”Zhuo Jing said in the same cold tone.

A trace of viciousness flashed across Li Yingying’s face. She got up from the ground and didn’t say anything more. She turned around and left.

Looking at Li Yingying’s departing back, Qin Yu sighed slightly and said, “Brother Zhuo, for a person like her, sooner or later, she will be a disaster.”

Zhuo Jing smiled bitterly and said, “After all, she once helped me. Just take it as me returning her a favor.”

Qin Yu grunted in gratitude and said no more.

Then, he said goodbye to everyone and planned to leave.

Before he left, Zhuo Jing pulled Qin Yu back.

He took back the Silver Spring and handed it to Qin Yu, saying, "Brother Qin, take this with you. It should be useful to you."

Qin Yu was silent for a moment, then waved his hand and said, "No need. I don't need this now."

After becoming a mighty figure, Qin Yu was filled with confidence. He even felt that he was no longer afraid of void-level artifacts.

"Brother Zhuo, be careful. If you really can't do it, go to the divine capital," Qin Yu said in a deep voice.

Zhuo jing smiled and said, "What danger can I be in?"

"The northern lands," Qin Yu said with a grave expression.

Zhuo Jing instantly fell silent.

This time, he had attacked Sima Bei. He had undoubtedly offended the northern lands.

Once the people of the northern lands stepped into the southern province, they would definitely not let Zhuo Jing off.

"Alright, I understand. Brother Qin, you should also be more careful," Zhuo Jing said.

Qin Yu grunted in gratitude and did not say anything else. He immediately summoned the Divine Eagle and left this place.

He was not in a hurry to go to the Heavenly Cloud sect. Instead, he temporarily returned to Mount Hua Ning.

After leaving for so long, it was time for him to go back and take a look. He did not want anything to happen to Wen Da and Wen Er.

On Mount Hua Ning, everything was as before.

Wen Da and Wen Er still drank all day and did not care about the affairs of the world. As for Jue Wu's two followers, they were also influenced by them and joined the battle.

When they saw Qin Yu returning, Wen Da and Wen Er walked over unsteadily.

“Qin Yu, you’re back. How was it? Did you make a breakthrough?”Wen Da patted Qin Yu’s shoulder and said.

Qin Yu grunted and then said, “Nothing happened these few days, right?”

“What could happen to us?”Wen Da waved his hand.

“That’s right, that’s right. Who would be willing to go to Hua Ning Mountain to kill people for two good-for-nothings?”Wen Er also said.

Qin Yu was stunned and couldn’t help but smile bitterly, “You two are quite self-aware. Alright, since nothing happened, I won’t waste any more time.”

“Where are you going?”Wen Da hurriedly asked.

“The Heavenly Cloud Sect,”Qin Yu said coldly.

Chapter 1536: Chapter 1,536, battling the Heavenly Cloud sect! 1

Qin Yu didn’t want to wait for even a minute for the heavenly cloud sect.

After stepping into the mighty realm, Qin Yu’s strength had increased by quite a bit. Even if it was someone like Sima Bei who dared to provoke the three madmen and three uniques, Qin Yu didn’t fear them at all, let alone the first elder, vice sect master, and the others.

“Are you in such a hurry?”Wen Da and Wen Er instantly sobered up.

Qin Yu acknowledged and said, “Wait for me at Mount Hua Ning. It’s best if you don’t go anywhere. I’ll come back after I’m done.”

“Okay, you be careful.”

Wen Da and Wen Er knew that they couldn’t be of much help, so they didn’t say too much nonsense.

After bidding farewell to the Wen Brothers, Qin Yu summoned the Divine Eagle and headed straight for the Heavenly Cloud sect.

At this moment, the Heavenly Cloud sect had already experienced several waves of great battles.

Even with the help of the northern lands, it was still difficult for Yong Ji to take down the Heavenly Cloud sect.

For a moment, they were in a stalemate. Yong Ji was fighting against the eighteen gods, and it was difficult to determine the victor. As for the people from the northern lands, they were fighting against the deputy sect master and First Elder.

In addition, the Heavenly Cloud sect had endless magic treasures, which made it impossible for them to take down the heavenly cloud sect.

After a whole few days, they couldn't advance even half a step further.

The crowd hiding in the dark didn't make a move either.

They weren't willing to take the risk before there was an obvious outcome.

In the Heavenly Cloud Sect's conference room, a group of people were discussing something.

"As long as we can hold on until the sect master comes out of seclusion, everything can end," the deputy sect master said in a deep voice.

The first elder said with extreme displeasure, "We shouldn't have let you take over this position in the first place. Otherwise, we wouldn't have fallen to such a state."

The vice sect master glanced at the first elder and said coldly, "If we go according to your plan, I'm afraid that our heavenly cloud sect will be stabbed in the back and scolded!"

"So What?" The first Elder's face became colder and colder.

The vice sect master opened his mouth and wanted to say something, but he knew that this wasn't the time to argue, so he didn't say anything more.

"Yong Ji and the others are here again!"

At this moment, someone suddenly ran in to report.

The vice sect master immediately stood up and said coldly, "Then let's fight. I believe that it won't be long before the sect master comes out of seclusion."

The group of people left the meeting room and once again faced Yong Ji and the people of the northern lands!

"Yong Ji, if you can't take down the Heavenly Cloud Sect, why do you have to force us?" First Elder raised his head and shouted at Yong Ji.

At this moment, Yong Ji had also shed all pretenses of cordiality. He coldly looked at first elder and said, "If we can't take down the Heavenly Cloud sect, once sect master comes out of seclusion, the person who will die will be me."

"Yong Ji, if you leave now, I guarantee that the Heavenly Cloud sect will not find trouble with you in the future," the vice sect master said from the side.

Yong Ji sneered and said, "Stop Dreaming. You Don't even believe such words. No matter what, you will all die today!"

"Then let's fight. No more nonsense!" The vice sect master shouted.

They still had the same strategy. The eighteen gods who had merged would fight against Yong Ji. The vice sect master and the first elder would fight against the people of the northern lands.

This was Yong Ji's eighth attack, but there was still no progress.

"The Heavenly Cloud sect really lives up to its reputation. Even the people of Yong Ji and the northern lands are fighting so hard."

"That's right. You have to know that the chief of the Heavenly Cloud sect hasn't made a move yet. Otherwise, I'm afraid that Yong Ji will suffer a crushing defeat."

"Should we make a move? If we protect the Heavenly Cloud sect now, we'll definitely be favored by the Heavenly Cloud sect in the future."

"No, there are too many variables in this battle. Unless the Tianyun sect shows signs of defeat, we must not attack."

The sky flashed with light, and everything here was almost turned into dust. Such a great battle was hard to find since ancient times.

As one of the three uniques, Yong Ji's strength was naturally not to be underestimated. However, the eighteen gods were equally powerful. Even Yong Ji could not find any flaws.

"Damn it, if this continues, I will really have to hold on until the sect master of the Heavenly Cloud sect comes out of seclusion." Yong Ji retreated as he fought, constantly looking for flaws in the eighteen gods.

He originally thought that this would be a crushing battle, but he did not expect it to be so difficult!

He looked towards the north, and his expression became even gloomier.

The strength of the people sent by the north this time was indeed not weak, but it was far from what he had imagined.

If Sima Bei had made a move, there might still have been a chance, but it was a pity that Sima Bei had not come at all!

This great battle had lasted from dawn to dusk, from dusk to day.

The entire heavenly cloud sect had suffered countless casualties, and blood flowed like a river.

Even the vice sect leader and the others had more or less injuries on their bodies.

They had relied on the heavenly cloud sect's secret treasures to guard the Heavenly Cloud sect to the death, and the entire heavenly cloud sect could be said to be impregnable.

In the depths of the Heavenly Cloud Sect, light would shine from time to time. The power of each light was enough to injure a top-notch martial artist like Yong Ji!

This was also one of the Heavenly Cloud Sect's mountain protection arrays. It was extremely shocking.

"Yong Ji, if you continue to fight, you won't be able to win. Before long, the other top-notch martial artist of our Heavenly Cloud sect will rush back to the sect. At that time, it will be too late for you to leave!" The vice sect master shouted loudly.

Yong Ji's expression became even uglier. He was already riding a tiger and had no way to retreat.

"Can't your northern land send more people?!" Yong Ji looked at the leader of the northern land.

The leader dressed in black robes said in a low voice, "Lord Sima Bei said that he would rush to the battlefield as soon as possible."

"You're playing with me, right? where is he?!" Yong Ji suppressed his anger and said.

"I don't know either. Lord Sima Bei has indeed promised to rush to the battlefield." The leader of the Northern Region said.

He was Sima Bei's trusted aide. His name was Huai Chang, and he was one of Sima Bei's top generals. Although his strength was inferior to Sima Bei's, he was still extremely powerful.

Yong Ji took a deep breath and said, "If Sima Bei doesn't come, I'm afraid we won't be able to take down the Heavenly Cloud Sect."

"Hold on. As long as we hold on until Lord Sima Bei arrives, the Heavenly Cloud sect will be ours," Huai Chang said.

"By the time he arrives, the sect master of the Heavenly Cloud sect will have come out of seclusion," Yong Ji gnashed his teeth and said.

As he spoke, ten thousand rays of light had already approached Yong Ji.

Yong Ji didn't have the time to react and was forced back several steps.

The eighteen gods in front of him were like an undefeatable war god. They couldn't find any flaws at all.

"Yong Ji, you can't take down the Heavenly Cloud Sect!" The deputy sect master said coldly.

First Elder said straightforwardly, "The Heavenly Cloud sect is not something you can get your hands on."

The surrounding crowd sighed.

"I'm afraid it's impossible to see the Heavenly Cloud sect destroyed."

"That's right. I think we can help the Heavenly Cloud sect now."

"Sigh, maybe."

Just as everyone was about to make a move, someone suddenly shouted, "Look, someone is coming from afar!"

Everyone looked into the distance.

Not far away, another huge godly eagle was approaching on the wind.

On the huge head of the godly eagle stood a young man.

The young man had his arms crossed in front of his chest. His face was delicate, but there was a trace of coldness and killing intent on his delicate face.

Chapter 1537: Chapter 1,537, crushing with one hand! 1

The figure got closer and closer, gradually turning from a small blackie dot in the distance into a blurry figure.

“It’s... Qin Yu!” Someone exclaimed.

“Qin Yu is here as expected! I knew he wouldn’t just sit by and do nothing at a time like this!”

“One Qin Yu can’t change the outcome of the battle at all, unless one of the three maniacs and three uniques joins the battle.”

As he spoke, Qin Yu’s figure was already getting closer and closer. Soon, he arrived in the sky above the heavenly cloud sect.

Everyone looked at Qin Yu with different expressions on their faces.

“Qin Yu?” First Elder’s expression darkened. He couldn’t help but gnash his teeth as he said, “What is this little bastard doing here?”

The deputy sect leader’s brows also furrowed slightly.

Qin Yu’s participation in the battle was very likely to break the current balance.

“Qin Yu?” A smile surfaced on Yong Ji’s face.

He looked in Qin Yu’s direction and laughed loudly, “If Qin Yu participates in the battle, Your Heavenly Cloud sect will definitely lose!”

“I’ve already said that we must get rid of this Qin Yu. You didn’t Listen!” First Elder looked at the deputy sect leader and shouted angrily.

The deputy sect master knew that he was in the wrong. He gritted his teeth and said, “Leave this Qin Yu to me!”

“You? So what if I leave him to you? Any one of you can change the situation of this battle!” First Elder’s face was filled with anger.

At this moment, Qin Yu had already arrived in the sky above the heavenly cloud sect.

He lowered his head and looked down, his gaze extremely cold.

For a moment, the scene was silent, as if everyone was waiting for Qin Yu’s position.

Qin Yu coldly swept his gaze across the scene. His gaze landed on the group of black-robed men.

“The people of the northern lands are here as expected.” Qin Yu’s expression became even colder.

However, he was in no hurry to make a move against the northern lands. The most important thing now was to get rid of the Heavenly Cloud sect.

“Today is the day of the Heavenly Cloud Sect’s death.”

After a long time, Qin Yu finally spoke.

Upon hearing this, Yong Ji and the others were instantly incomparably excited. Some even cheered and shouted!

On the other hand, the Heavenly Cloud Sect’s faces were ashen. They were incomparably furious and despairing!

“This Qin Yu...”first elder gritted his teeth. At this moment, he wished he could tear Qin Yu apart alive!

“Qin Yu, you came well!”Yong Ji waved his hand at Qin Yu.

Qin Yu didn’t like Yong Ji, but the enemy of an enemy was a friend. Since everyone was on the same side, Qin Yu nodded at him.

Then, Qin Yu jumped down from the godly eagle and stood beside Yong Ji.

He swept his gaze across the crowd and finally landed on Huai Chang.

The coldness in his eyes made Huai Chang feel that something was wrong.

He took the initiative to break the deadlock and said with a smile, “I’ve long heard of Qin Yu’s great name. Today, I finally get to meet him.”

“My Great Name?”Qin Yu’s eyes turned cold before he sneered, “That’s right. Hasn’t the northern lands always wanted to kill me?”

“Kill You? This is completely a rumor!”Huai Chang waved his hand repeatedly.

“Rumor? If it wasn’t for the fact that I was lucky enough to step into the mighty realm, I’m afraid I would have already died at the hands of Sima Bei,”Qin Yu said coldly.

Huai Chang’s expression changed slightly. He seemed to have realized something and hurriedly asked, “Where is Lord Sima Bei?”

“I don’t know where Sima Bei is. In short, his body has already been killed by me,”Qin Yu said with a cold smile.

Huai Chang immediately flew into a rage. “You... you actually killed Lord Sima Bei?”

However, Huai Chang quickly realized that something was wrong. He smiled and said, "You're bragging. Lord Sima Bei is invincible under the heavens. How can you deal with him?"

Yong Ji, who was standing at the side, seemed to sense that something was wrong. He hurriedly tried to smooth things over and said, "The two of you, our current enemy is the Tianyun sect. Don't start an internal conflict."

Qin Yu glanced at Yong Ji and said, "I'm here for my personal grudge, not to join forces with you."

Although Yong Ji was a little displeased, he still smiled and said, "No matter what the purpose is, our vision is the same."

"Stop talking nonsense and make your move," Huai Chang said coldly.

After saying that, he directly rushed toward the first elder!

Qin Yu slowly clenched his fist and prepared to kill the first elder.

At this moment, the deputy sect master leaped over and arrived in front of Qin Yu.

He looked at Qin Yu coldly and said, "Your opponent is me."

Qin Yu narrowed his eyes and sneered, "You are not my opponent. The person I want to kill is the first elder."

"Cut the crap! Anyone who invades my Tianyun sect is my enemy!" The deputy sect master shouted loudly, and the internal Qi in his body began to surge!

He opened his mouth and spat out a small golden sword. The spiritual energy sword's aura was magnificent and came straight for Qin Yu's glabella!

Qin Yu narrowed his eyes. He stretched out two fingers and caught the small sword in his hand!

In the next second, Qin Yu exerted force with his fingers and actually shattered the small sword!

The deputy sect leader's face could not help but change greatly!

Although this spell was not his trump card, it was still one of the famous spells and had endless power!

But now, this spell was actually easily broken by Qin Yu. How could he not be shocked!

“If you have any ability, then use it. Otherwise, there will be no chance,” Qin Yu said coldly.

The deputy sect leader knew that the current Qin Yu could no longer be compared to him. Therefore, he did not dare to hide his strength anymore. He immediately roared and began to cast a spell, forming a seal!

The huge mark contained the deputy sect leader’s determination. He narrowed his eyes and forced out a drop of blood essence from between his brows!

Blood essence entered the mark, and the mark instantly became even bigger. Its power could be said to be endless!

“It’s the vice sect master’s firmament Saint Seal.” Someone in the dark recognized this technique.

“That’s right. Just now, the vice sect master repeatedly used this technique to force Huai Chang back, and even nearly suppressed him.”

“Qin Yu has already stepped into the mighty realm. Clearly, the vice sect master doesn’t dare to be negligent.”

Huai Chang also noticed this scene and couldn’t help but sneer.

“Even I don’t dare to neglect the power of the firmament saint seal. I’d like to see how you deal with it.” Huai Chang snorted coldly.

As he spoke, the firmament Saint Seal had already blotted out the sky and covered the earth as it headed straight for Qin Yu!

On the other hand, Qin Yu’s expression was incomparably calm. The Aura on his body was like a pool of stagnant water, making it impossible for others to sense his internal Qi.

Looking at this crushing Saint Seal, Qin Yu couldn’t help but sneer.

In the next second, Qin Yu slowly raised his palm.

His palm casually faced the sacred seal.

“Rumble!”

At the moment of contact, golden light rose in all directions. The sacred seal that was crushing towards him seemed to be held up by Qin Yu, unable to take even half a step closer!

“HMM? What’s going on?” For a moment, everyone was stunned by this scene!

At this moment, Qin Yu’s finger curled up slightly, and a terrifying force instantly shot out from his finger.

Boom

The enormous mark directly exploded!

The Cang Heaven Sacred Seal that the deputy sect leader had formed was actually crushed by Qin Yu with one hand!

Chapter 1538: Chapter 1,538, awe-inspiring righteousness

Qin Yu’s internal Qi was still extremely calm.

He crushed this sacred seal effortlessly!

“How terrifying...” the spectators couldn’t help but turn pale with fright!

“Could it be that Qin Yu, who has just stepped into the mighty realm, is already on par with the three madmen and three deadly ones?”

“He has just stepped into the mighty realm and already has such abilities. Qin Yu is enough to change the situation of this battle!”

It wasn’t just the onlookers. Even Huai Chang and Yongji’s expressions became a little strange.

They didn’t even know whether to be happy or worried. They had worked hard for countless years, but now, a junior had easily surpassed them. How could they endure this! !

“Qin Yu, you...” the deputy sect leader’s expression was terrifyingly ugly!

Qin Yu looked down at the deputy sect master and said, “I said that the current you is no match for me. No matter what trump card you have.”

The deputy sect master said somewhat angrily, “Absolutely impossible!”

After saying that, the deputy sect master’s entire body erupted with an intense baleful aura. Rays of light leaped out from his body and headed straight for Qin Yu!

However, this time, Qin Yu did not even Dodge, allowing the rays of light to strike his body.

Crackling sounds continued to ring out as white marks appeared on Qin Yu's body.

These white marks disappeared quickly, leaving no traces behind.

"What a terrifying body!"

"This kid actually managed to withstand it with just his body!"

"Even Yongji and the others wouldn't be able to achieve such a body!"

The deputy sect leader was on the verge of collapse! He had never thought that Qin Yu, who had stepped into the mighty realm, would actually be so powerful!

"I have no enmity with you. If you leave the Heavenly Cloud sect now, I can spare your life," Qin Yu said coldly.

The deputy sect leader angrily shouted, "Absolutely impossible! Anyone who wants to insult the heavenly cloud sect at this stage is my enemy!"

Qin Yu remained silent, his face unusually cold.

Qin Yu's participation in the battle caused the originally stable battle situation to begin to change.

First Elder was pushed back by Huai Chang, vomiting blood non-stop.

Huai Chang, who had taken out an empty space, immediately assisted Yong Ji and began to attack the eighteen godly men.

This made the unrivalled eighteen godly men feel extremely exhausted, and they retreated continuously.

"Do you still want to continue? The Heavenly Cloud Sect is definitely going to lose," Qin Yu said coldly.

The deputy sect master gritted his teeth and said, "Qin Yu, let me tell you, even if I die in battle today, I Will Never Run!"

"You do have some backbone." Qin Yu took a deep breath.

At this moment, the crowd that was watching in the dark also appeared one after another.

They seemed to have met the end of the heavenly cloud sect and immediately shouted, "Today is the day the Heavenly Cloud sect is destroyed!"

Everyone pushed down the wall. Everyone seemed to have started to make things difficult for the Tianyun sect.

The angry roars from the surroundings surged like a tide. This deafening voice made the disciples of the Tianyun sect afraid.

Countless disciples died in battle. Their corpses lay on the ground and blood flowed like a river.

“So many people died in battle. Do you still want to continue?”Qin Yu said coldly.

The deputy sect master narrowed his eyes. He gritted his teeth and said, “Qin Yu, my will can not be changed with just a few words from you. If you have the guts, come with me!”

With that said, the deputy sect master turned around and ran!

Qin Yu sighed slightly. The deputy sect master’s strength was not even comparable to the first elder’s. Qin Yu could kill him effortlessly.

He did not think too much and immediately chased after him.

With the addition of everyone, the Heavenly Cloud sect was already in disarray, and the eighteen godly men were also retreating in defeat!

For a time, the entire heavenly cloud sect was reduced to ruins. The former number one sect had now fallen to such a state.

The cultivation mountain in the distance was still unmoving. The sect master of the Heavenly Cloud sect clearly had no intention of coming out of seclusion.

Qin Yu followed the deputy sect master all the way to the depths of the heavenly cloud sect.

When Qin Yu arrived, the deputy sect master seemed to be chewing something in his mouth, and his internal Qi also began to become a little restless.

Qin Yu frowned slightly and said, “The pill that raises one’s strength can’t change the battle situation.”

The deputy sect master gritted his teeth and said, “Even if it can’t change the battle situation, I’ll make you pay the price! You’re an accomplice of the northern lands!”

“Accomplice of the northern lands? What do you mean?”Qin Yu frowned tightly.

However, the deputy sect leader did not reply. He seemed to have fallen into madness as he charged towards Qin Yu.

After storing the pill, the deputy sect leader's strength had obviously increased. Moreover, his attacks were also without rhyme or reason.

However, in the face of absolute strength, it was of no use. Qin Yu dodged as he asked.

However, the deputy sect leader seemed to have lost consciousness. Other than attacking, he had no other consciousness.

Qin Yu frowned slightly. He knew that he could not get anything out of the deputy sect leader, so he did not waste any more time.

"Since you are so stubborn, I will send you on your way," Qin Yu said coldly.

After saying that, Qin Yu's body emitted a golden light. His incomparably fierce fist arrived with a bang!

"Bang!"

With just a single punch, half of the vice sect master's body was shattered!

His body fell to the ground, bleeding non-stop!

The vice sect master tried to get up, but he realized that he couldn't get up at all!

Only at this moment did he realize that he and the current Qin Yu were on completely different levels.

Qin Yu slowly walked towards the vice sect master step by step.

Looking at the deputy sect leader's struggling expression, Qin Yu turned a blind eye.

"What's the point of being so stubborn?" Qin Yu looked down at the deputy sect leader.

Blood continuously dripped from the deputy sect leader's mouth, but he still said unyieldingly, "Everyone has their own perseverance. A human like you wouldn't understand..."

Hearing this, Qin Yu felt a little emotional.

Yes, everyone has their own perseverance. Perhaps to the vice sect master, his perseverance was to protect the Tianyun sect.

"Protecting a small sect... is it really meaningful?" Qin Yu shook his head.

The vice sect master grinned and said, "I'm not only protecting the Tianyun sect, but also the South Province! Even if I die, the people of the South Province will remember me in the future! They won't remember you!"

Qin Yu did not want to continue arguing with him, so he shook his head and said, "No matter what you say, the Heavenly Cloud sect is going to become a thing of the past."

"Qin Yu, don't be complacent too early! Do you really think that just the few of you can defeat the Heavenly Cloud sect! ! "If not for the southern region, if not for the Heavenly Cloud Sect's foundation being sent to the borders and the various major cities, do you really think that you can get your hands on the Heavenly Cloud sect with just the few of you! ?" The deputy sect master shouted at the top of his voice, he looked extremely sorrowful!

After hearing the Deputy Sect Master's words, Qin Yu was instantly stunned.

He looked at the Deputy Sect Master in a daze and said, "You... What did you say?"

"What did I say? Hahaha, you wouldn't understand. Do It!" The deputy sect master closed his eyes, clearly looking for death.

Qin Yu grabbed the deputy sect master and said coldly, "You said that the Heavenly Cloud Sect's foundation was sent to the Borders by you? What do you mean?"

Chapter 1539: Chapter 1,539, hard to choose 1

"If it wasn't for the sake of resisting the northern lands, if it wasn't for the sake of the southern region, just the few of you, Hehe..." the deputy sect leader laughed bitterly.

Qin Yu's expression became a little ugly.

He hadn't expected this deputy sect leader to actually be a righteous person!

"Is what you said true?" Qin Yu narrowed his eyes and said.

The deputy sect master was too lazy to explain. He closed his eyes and did not want to say a word.

Qin Yu's expression became even uglier. He looked around and coincidentally, Di Zun was walking over.

"What the deputy sect master said is true," Di Zun said as he walked.

Qin Yu's expression changed drastically. He hurriedly walked over to Di zun and said, "He... he really withdrew the strength of the heavenly cloud sect for the sake of the northern lands?"

Di Zun Sighed, he slowly said, "Back then, when the northern lands launched a large-scale attack on the southern region, who knows how many people were harmed. The deputy sect leader resisted the public opinion and insisted on sending people to the various large cities to protect one side. That was why Yongji had an opportunity."

"Moreover... in order for this proposal to pass, the deputy sect leader did not hesitate to imprison the first elder who opposed it. Master, I feel that the deputy sect leader did not have any problems."

At this moment, Qin Yu felt that his worldview had collapsed.

He staggered back a few steps, his face extremely pale!

"How could this be..." Qin Yu clenched his teeth.

He walked quickly to the deputy sect master and helped him up.

"You... Why didn't you tell me earlier?" Qin Yu said through clenched teeth.

The deputy sect master was completely unwilling to pay attention to Qin Yu and did not say a word.

"Not everyone in the Heavenly Cloud sect is like the first Elder." Di Zun took a deep breath and said.

Qin Yu was silent.

He didn't expect that there would be such a righteous person in the Heavenly Cloud sect.

At this moment, Qin Yu suddenly felt someone walking towards him from behind.

He hurriedly turned around and saw that the person was actually the sect master of the Heavenly Cloud Sect!

"You..." Qin Yu's expression was horrified and he subconsciously took a step back.

"Don't worry. This is just my divine sense," the sect master said indifferently.

Qin Yu slightly heaved a sigh of relief. He frowned and said, "You know everything that happened in the Heavenly Cloud Sect?"

"Why not?" The sect master said indifferently.

"Then why didn't you make a move?" Qin Yu became more and more confused.

The sect master smiled and said, "I have my difficulties."

"Difficulties? Isn't the Heavenly Cloud sect more important to you than anything else?" Qin Yu said with a cold face.

The sect master said indifferently, "The heavenly cloud sect is indeed important, but there are things in this world that are more important than the heavenly cloud sect."

At this moment, Qin Yu felt a little dumbfounded.

Why did the Heavenly Cloud sect seem to have changed in the Blink of an eye?

Could it be that he had misunderstood the Heavenly Cloud sect previously?

"Let's have a chat in the room. What do you think?" The sect master waved his hand and pointed.

Qin Yu was silent for a moment, feeling even more puzzled.

The Flames of war were raging outside. As the sect master of the Tianyun sect, Qin Yu found it hard to understand how he could have such leisure.

After thinking for a moment, he nodded and said, "Okay."

Therefore, Qin Yu followed behind the sect master of the Tianyun sect and came to a room and sat down quietly.

The sect master of the Heavenly Cloud sect looked at Qin Yu and said indifferently, "How about you and the Heavenly Cloud sect call a truce?"

Qin Yu's brows were tightly knitted together. All his determination had collapsed at this moment.

"The Heavenly Cloud sect killed my friend and chased after me for so long, yet you want me to call a truce? I don't agree," Qin Yu said coldly.

He seemed to have expected Qin Yu's answer, so he was not surprised. He just smiled and said, "Then let's call a truce for the time being. At least for now, we should be united against the outside world."

"United against the outside world?" Qin Yu could not help but laugh.

To Qin Yu, he did not have deep feelings for the southern region. How could he be united against the outside world?

If it were not for the people of the northern lands being too cruel, Qin Yu would not even want to be enemies with them.

“You say it nicely. Then why did you hide in the Cultivation Mountain and never go out?” Qin Yu sneered.

The sect master laughed faintly. He glanced outside and said, “The heavenly cloud sect has fallen into such a state. Did you see me make a move?”

“So I don’t understand. I killed your son. You could endure it for the sake of the heavenly cloud sect. Why didn’t you make a move now?” Qin Yu said with a frown.

He didn’t seem to want to answer this question. Perhaps he had some unspeakable reason. He just sighed slightly.

“Do you really want to get involved with people like Yong Ji? Just as the vice sect master said, the Heavenly Cloud sect is resisting the northern lands, but you guys are the accomplices of the northern lands.” The sect master of the Heavenly Cloud sect sighed.

“I think you don’t want to bear such a bad name.”

Qin Yu was silent.

He had always looked down on Yong Ji, but he had also been waiting for this opportunity.

But after hearing the words of the vice sect master and the sect master, Qin Yu was somewhat at a loss.

“Do you really think that Yong Ji is willing to join hands with you? He is just using you.” The sect master sighed.

“How could I not be using him as well?” Qin Yu shook his head.

The sect master smiled, he said, “There are some things that we may not be able to determine right or wrong. Everything should be left to the future generations to make the judgment. If you insist on doing things your own way, I have nothing to say. It’s just that I believe that you will regret making today’s decision.”

Qin Yu’s face was gloomy and uncertain. At this moment, Qin Yu was indeed somewhat wavering.

Compared to Yongji, the Heavenly Cloud sect was much more honest.

More importantly, the heavenly cloud sect would rather put themselves in danger than resist the northern lands. They would even protect the people in the various large cities.

This kind of situation was definitely not something that a person like Yongji could do.

“Alright, that’s all I have to say.”At this moment, the sect master suddenly stood up.

“I don’t have much time. Leave the rest to you to make your own decision.”

After saying this, his figure began to blur.

Qin Yu fell into silence.

Only when his figure completely disappeared did Qin Yu sigh slightly.

He slowly stood up and walked out of the room, all the way to the side of the deputy sect master.

“Where is the first elder?”Qin Yu bent down and asked.

The deputy sect master said with a cheeky face, “How would I know!”

Qin Yu was silent. His bottom line was to kill the first elder.

No matter who came to plead for mercy, the first elder had to die.

At this time, the Heavenly Cloud sect retreated again and again. In the blink of an eye, they arrived in front of Qin Yu and the others.

Yong Ji and Huai Chang led everyone and stood in the high sky, looking down at everyone coldly.

“Qin Yu, kill these people quickly!”Yong ji shouted from above.

Qin Yu remained silent, standing beside the deputy sect master without saying a word.

Huai Chang, who was beside Yong Ji, said indifferently, “Perhaps he doesn’t want to bear the blame. Let me do this...”

After saying that, Huai Chang’s figure suddenly shot towards the deputy sect master!

He held the black light in his hand and headed straight for the deputy sect master’s glabella!

At this moment, the deputy sect master seemed to have lost the ability to fight. This attack would definitely kill him!

However, at this moment, Qin Yu suddenly stretched out his hand and grabbed Huai Chang's wrist.

Chapter 1540: Chapter 1,540, I've changed my mind

Huai Chang frowned. He tried to struggle, but he found that he couldn't break free at all.

"Qin Yu, what do you mean?" Huai Chang said with an unfriendly tone.

Qin Yu looked at Huai Chang coldly. He suddenly exerted force with his hand and threw Huai Chang out!

This force was extremely strong. Even though Huai Chang tried his best to stabilize his body, he still failed.

His body crashed into the crushed stones, turning them into fine powder!

The sudden change made everyone dumbstruck.

Yong Ji said with a dark face, "Qin Yu, what are you doing? Why did you suddenly attack Huai Chang?"

Qin Yu took a deep breath. He looked at everyone and said, "I've changed my mind."

Changed his mind? Changed his mind about what? Wasn't he toying with them?

Yong Ji also had a bad premonition.

He tried to ask, "Qin Yu, what exactly do you want?"

Qin Yu looked at Yong Ji coldly and said, "Compared to the heavenly cloud sect, I seem to hate the northern lands more."

When he said this, everyone was shocked!

Although he didn't say it explicitly, everyone knew in their hearts that Qin Yu was planning to stand on the Heavenly Cloud Sect's side!

The battle situation changed again and again, and this made it difficult for everyone to accept.

"Qin Yu, the enmity between you and the northern lands can be settled after this battle is over. What do you mean by suddenly changing your mind now?" Yong Ji said somewhat unwillingly.

Qin Yu couldn't help but sneer. He looked at Yong Ji, he shouted loudly, "At least the Heavenly Cloud sect is working hard to resist the northern lands. They would rather let the heavenly cloud sect become an empty city than protect the ordinary people in the various large cities. This state of mind is not something you can compare with."

"Qin Yu!" Yong Ji was completely enraged.

He shouted, "Do you know what you're saying?!"

Qin Yu took a deep breath and said, "Looks like I didn't say it clearly enough. Alright, then I'll tell all of you. Other than Huai Chang and the others, everyone else, get lost."

As soon as these words were said, everyone's expression instantly became extremely defeated!

Qin Yu was determined to protect the heavenly cloud sect!

"Aren't they enemies? Why did Qin Yu change his mind?"

"Yeah, this person is really weird."

"Isn't this F * cking sure that we are in danger? When the Heavenly Cloud sect comes back to their senses, they will definitely take revenge on us!"

"Qin Yu, don't go too far!"

Qin Yu said coldly, "I don't want to say it again. Of course, if any of you want to attack me, you can try."

"Qin Yu, do you think you are invincible?!" Someone shouted in the dark.

Qin Yu narrowed his eyes. He suddenly stretched out his palm and slapped at a certain spot in the air.

"Boom!"

That piece of Void was instantly shattered. The top-notch martial artist hidden in the Void was directly killed by a single palm strike!

The scene instantly fell silent. For a moment, no one dared to say anything.

Qin Yu's strength had clearly exceeded their imaginations!

"If there's anyone else who isn't convinced, feel free to make a move," Qin Yu said coldly.

After saying this, Qin Yu's gaze directly landed on Yong Ji.

This was almost the same as declaring war with Yong Ji.

Yong Ji narrowed his eyes and said, "Qin Yu, I saved your life. Have you forgotten?"

Qin Yu sneered, "That's why I let you leave. Otherwise, just based on the fact that you colluded with the northern lands, I will kill you."

"Impudent!" Yong Ji instantly flew into a rage!

As one of the top three lunatics, how could he let Qin Yu provoke him like this! !

"Do you think I'm afraid of You? !" Yong Ji took a step forward, full of fighting spirit!

Qin Yu sneered, "Yong Ji, you can try to fight me. Right now, you have just experienced a big battle and your aura is unstable. You are definitely not my match."

"You!" Yong Ji's expression became uglier and uglier.

In this battle, regardless of whether he won or lost, it was not a good thing for him.

If he won, everyone would not feel ashamed of Qin Yu.

But if he lost, then he would be completely reduced to a background.

"Qin Yu, since you want to fight, then you can try," Yong Ji said coldly.

He could not avoid this battle. Otherwise, he would definitely be scolded by others.

"Okay!" Qin Yu didn't waste any words. He jumped up with the intention of making a move.

"Benefactors, please stop here."

At this moment, a leisurely voice came from not far away.

Turning around, he saw an old man dressed like a monk appear in front of everyone.

Qin Yu was very familiar with this old man. He was the mysterious old monk he had met in the temple!

"Monk Hongxi? He's actually here."

"Monk Hongxi is also one of the three uniques. His strength is no weaker than Yongji."

“Does he have to stand on the Heavenly Cloud Sect’s side as well?”

Qin Yu sized up the old monk in front of him and frowned. “It’s You?”

Monk Hongxi bowed slightly to Qin Yu and said, “We meet again.”

Qin Yu said in a deep voice, “So you are monk Hongxi.”

Qin Yu didn’t expect that he had seen so many people among the three lunatics and three uniques a long time ago.

“Monk of Hongxi, what are you doing here?”Yong Ji asked coldly.

On the surface, he looked extremely cold, but in fact, he was very happy deep down.

The arrival of the monk of Hongxi naturally gave him a way to retreat. How could he not be happy.

Even so, he could not lose face.

Yong Ji took a step forward and said coldly, “Do you want to participate in this matter too?”

The monk from Hongxi bowed slightly and said, “The fight between the two of you has already caused too many casualties. Why do you have to force me?”

Yong ji sneered and said, “If I retreat today, the Heavenly Cloud sect will definitely seek revenge on me in the future. Have you ever thought about that?”

Hearing this, the first elder who was not far away hurriedly said, “On behalf of the Heavenly Cloud Sect, I promise you that our Heavenly Cloud sect will never seek revenge on you in the future!”

He seemed to be afraid that Yong Ji would not believe him, so he hurriedly said, “I will never go back on my words in front of so many people, including everyone here!”

The monk of the great dawn cupped his hands and said, “Mr. Yong Ji, I believe you have heard the first Elder’s words.”

Yongji narrowed his eyes slightly and said coldly, “I will believe you if you swear on your primordial spirit.”

At this moment, the first elder did not think too much in order to save his life. He immediately followed Yongji’s request and swore on his primordial spirit.

After hearing these words, Yongji heaved a sigh of relief.

He looked at Qin Yu coldly and said, "You ungrateful thing, I will not let you off."

Qin Yu similarly sneered and said, "You hypocrite, I won't let you off either."

Yong Ji coldly snorted. He didn't say anything more and turned to leave.

No one had expected that this battle would end like this.

And no one had expected that Qin Yu and Yong Ji would actually become enemies.
