

My Rich Wife - Chapter 1541 – 1550

Chapter 1541: Chapter 1,541, First Elder, who had nowhere else to go

Looking at the departing Yongji, everyone could not help but sigh.

Seeing that the heavenly cloud sect was about to be destroyed, Qin Yu changed his mind at this time.

No one knew what had happened, and no one knew why Qin Yu had suddenly changed his mind.

“Qin Yu, you have completely offended the northern lands with today’s matter. I will definitely pay a visit to the northern lands another day!”Huai Chang said coldly.

After saying this, he brought his men and planned to leave.

However, at this moment, Qin Yu suddenly raised his hand and clenched his fingers. The space instantly distorted!

Huai Chang, who had originally planned to leave, immediately froze on the spot.

“Did I let you leave?”Qin Yu said coldly.

Huai Chang’s expression changed drastically as he angrily berated, “Qin Yu, do you really have to be so ruthless!”

Qin Yu sneered, “You people from the northern lands have attacked me time and time again, do you really think I’m made of mud? Today, let me put it this way, whoever gets close to the northern lands will be my enemy!”

With that said, Qin Yu suddenly exerted force with his hand, and instantly pulled Huai Chang over!

Following that, Qin Yu clenched his fist, and a golden light appeared, and a terrifying power was even more boundless!

“Boom!”

Huai Chang did not dare to be negligent. He hurriedly used all his spells in an attempt to resist, but in front of Qin Yu’s Golden Fist, he appeared extremely weak!

Half of his body was directly shattered, and the sky was filled with blood rain. Meanwhile, Huai Chang fiercely fell down!

In the next second, Qin Yu approached him and raised his foot to step on Huai Chang's body.

Huai Chang's expression was greatly shocked. He was shocked to find that he was actually unable to retaliate in front of Qin Yu!

"Is this Qin Yu already so powerful?!" Someone exclaimed.

"Huai Chang has no way of fighting back in front of him. If that's the case, Qin Yu's strength is probably enough to reach the pinnacle of the three madmen and three deadly ones!"

Huai Chang, who was lying on the ground, turned pale. He gritted his teeth and looked at Qin Yu, saying, "Qin Yu, don't go overboard!"

"Oh? Too Far?" Qin Yu's eyes narrowed.

"When you Northland burned, killed, and plundered in the southern region, did you ever think of going too far?"

"You!" Huai Chang was so angry that he almost vomited blood. What made him break down the most was that he did not have any means to retaliate.

Qin Yu looked coldly at Huai Chang and said, "It's time for you to end your sinful life."

Just as Qin Yu was about to end Huai Chang's life, a black mist suddenly exploded from his body!

Following that, Huai Chang under Qin Yu's feet disappeared without a trace!

Qin Yu frowned slightly. He activated the desolate God's eye in an attempt to find Huai Chang's figure, but he discovered that Huai Chang had already disappeared without a trace.

"It's the teleportation formation of the northern lands." Di Zun walked forward and said.

Qin Yu could not help but frown as he said in a low voice, "Their teleportation formation is really impressive."

Huai Chang had already escaped, so the remaining disciples of the northern lands were not worth mentioning. Qin Yu was not even willing to make a move.

The surrounding crowd, perhaps to show their loyalty to the Heavenly Cloud Sect, began to fight against the people of the northern lands.

In a short while, the people of the northern lands were completely slaughtered, turning the scene into a sea of corpses.

Monk Hongxi sighed slightly at the side. He cupped his hands toward Qin Yu and said, "Little Friend Qin Yu will definitely become a great person in the future. This old monk will take his leave."

Qin Yu originally wanted to let him stay and discuss the dao, but on second thought, it was better to pay a visit to the temple of no fate.

After monk Hongxi left, the surrounding people surrounded him one after another.

"Congratulations, Mr. Qin, for stepping into the Mighty Realm!"

"Our South Province has gained another top-notch martial artist. The whole world is celebrating. Congratulations!"

Qin Yu did not have much of a reaction in the face of everyone's flattery.

He knew very well that these people were just fence-sitters. There was no need to befriend them.

Qin Yu turned around and walked in front of the deputy sect leader. He helped him up with one hand.

"How are you? Are You Alright?" Qin Yu asked.

The deputy sect master opened his mouth as if he wanted to thank him, but he didn't say it out loud. He only hummed in gratitude.

"Qin Yu, why didn't you appear earlier!"

At this moment, a discordant voice suddenly sounded.

Turning around, he realized that the person who said this was actually the first elder.

He angrily walked towards Qin Yu and said angrily, "If you had attacked them earlier, our heavenly cloud sect wouldn't have fallen to such a State!"

Looking at the first elder who was glaring at him, Qin Yu couldn't help but sneer.

In the next second, Qin Yu suddenly raised his hand and slapped the first Elder's face!

The force of this slap was extremely strong, and it almost killed the first elder who was already on the verge of death!

Half of his face was shattered, and it was a terrible sight. One couldn't even see his face clearly.

"First Elder, I did put aside my grudges with the Heavenly Cloud sect for the time being, but I never said that I would let you go," Qin Yu said coldly.

Hearing this, the first elder's face changed drastically!

"Qin Yu, what... What do you mean? !" The first elder said in terror.

Qin Yu walked toward the first elder step by step and sneered, "You killed Zhen Yue and plotted against me many times. Today is the anniversary of your death. Whoever dares to stop me will die with you!"

As soon as he said this, everyone fell silent. No one dared to speak up for the first elder.

"Vice... Vice sect master, stop him!" The first elder said anxiously.

However, the vice sect master closed his eyes slightly as if he had fallen asleep.

"What are you all standing there for? Stop Him!" The first elder yelled at the others.

Everyone present looked at each other in dismay. No one dared to provoke Qin Yu at this time.

"Bastards, You Bunch of bastards!" First Elder flew into a rage. At this time, no one was willing to step forward!

Seeing that Qin Yu was getting closer and closer, First Elder's heart also became more and more flustered.

"Qin Yu, everything can be discussed. Now, we should be united against the outside world!" First Elder said anxiously.

Qin Yu sneered, "United against the outside world? Don't think that I don't know that you've never agreed to attack the northern lands. You even want to ally with the northern lands. Shameless Old Man!"

First Elder wriggled on the ground and said anxiously, "Qin Yu, let me go. If you let me go this time, I promise that I won't go against you again. What do you think?"

Qin Yu said with a cold face, "Do you think I Still Care? From the moment you attacked Zhen Yue, you were sentenced to death."

Seeing that his words had no effect, first elder immediately changed his face.

He roared, "Qin Yu, you forced me to do this. Do you really think I'm afraid of You? !"

After saying that, first elder waved his hand and a bell appeared in his hand!

This chime carried an extremely mysterious internal Qi, and a strong sense of oppression assaulted his face!

"HM? It's the Heavenly Bell? How could it be in your hands!"The deputy sect master saw this and immediately flew into a rage!

"Just now, when the Heavenly Cloud sect was in danger, why didn't you take out the Heavenly Bell?"

"No wonder we searched the entire sect, but couldn't find this magical artifact. It turns out that it was hidden by the first elder!"

Chapter 1542: Chapter 1,542, the death of the first elder

The moment the first elder, who had already lost the hearts of the people, took out the heaven origin bell, he immediately aroused the hatred of everyone.

The Heaven Origin Bell was originally a magical artifact used to protect the sect, but now, it was secretly put away by the first elder!

Most importantly, even when the Heavenly Cloud sect was in danger, he still refused to take out the heaven origin bell because of his own selfishness!

"First Elder's actions are indeed too selfish,"someone in the crowd said coldly.

A stone stirred up a thousand waves, and everyone began to blame First Elder.

"First elder has indeed gone too far. Could it be that the life and death of the Heavenly Cloud sect can't be compared to his personal interests?"

"This heaven origin bell was originally the Heavenly Cloud Sect's possession, yet he hid it. How could such a person be qualified to represent the Heavenly Cloud sect! ?"

"Sect master has really misjudged the person. He actually allowed such an old thief to represent the Heavenly Cloud Sect!"

Hearing the curses of the people around him, Qin Yu could not help but smile.

As for the first elder who was lying on the ground, his expression became even uglier. His expression was extremely complicated. There was panic and anger, but most of it was fear and unwillingness.

“Enough! All of you, shut up!”The first elder was so embarrassed that he turned into anger as he roared crazily.

However, at this moment, the first elder had already lost his heart. How could anyone still listen to him?

Under everyone’s abuse, the first elder suddenly spat out a mouthful of blood. Following that, his face turned even paler!

“It’s all your fault, it’s all your fault... Qin Yu, all of this started because of you!”The first Elder’s eyes were bloodshot as he stared at Qin Yu.

Qin Yu looked at first elder coldly and said, “You brought this upon yourself. The internal Qi in your hand can not save you. Instead, it will push you into the Abyss and make you stink for ten thousand years.”

“You’re talking nonsense... you’re talking nonsense! I’m going to kill you! !”

Following First Elder’s furious roar, he grabbed the internal Qi in his hand.

In an instant, the internal Qi emitted rays of extremely mysterious light.

This light carried an aged internal Qi as it drifted towards Qin Yu.

In an instant, everyone seemed to have sensed the intense internal qi emitted from the internal Qi Bell. Everyone could not help but scatter in all directions, except for Qin Yu, whose expression was as calm as ever.

Looking at the internal Qi that drifted over, Qin Yu could only feel the return to void Qi on it. Other than that, there was nothing special about it. It was even inferior to the Silver Spring in Zhuo Jing’s hand.

The aura of internal Qi arrived, as if it wanted to Smash Qin Yu into pieces.

The seemingly illusory light, when it approached, erupted with an extremely powerful and terrifying power!

However, Qin Yu’s expression was extremely calm. Facing this burst of light, he slowly raised his hand, and golden light instantly appeared!

At this moment, Qin Yu’s hand seemed to be plated with gold. It was extremely dazzling, making it almost impossible to see clearly!

“Pa!”

In the next second, Qin Yu gathered all his strength and slapped out!

The light emitted by the heaven origin bell was instantly scattered!

The first elder who was holding the Heaven Origin Bell suffered a backlash. He staggered back a few steps and spat out a mouthful of blood!

Qin Yu stepped on the line word formula and instantly appeared in front of the first elder.

Before he could react, Qin Yu had already snatched the heaven origin bell into his hands.

First Elder looked at the empty palm and was instantly stunned on the spot.

“You... I...” First Elder was extremely flustered and did not even know what to say!

Qin Yu sneered, “The Heaven origin bell is gone too, what else do you have to rely on? Is it Sima Bei who is far away in the northern lands? Or is it the sect master on the Cultivation Mountain?”

First Elder stared with his eyes wide open. Due to his fear, his entire body was trembling non-stop.

“Qin... Qin Yu, you... You let me off this time...” first elder said with a trembling voice.

Qin Yu sneered and said, “You are the first elder of the Heavenly Cloud sect after all. Even if you die, you should die with some dignity, right?”

“I... I don't want to die...” first elder said with a terrified expression.

“Please, don't kill me. I... I will do anything for you in the future. As long as you spare my life...”

As he said this, the first elder actually knelt down!

Looking at the first elder in such a sorry state, everyone couldn't help but sigh.

This first elder really didn't have any backbone. As an existence above tens of thousands of people under one person in the Heavenly Cloud sect, he was actually so spineless now.

“Qin Yu, I beg you, please spare me...” tears flowed down First Elder's face, and he looked a little pitiful.

However, Qin Yu was no longer that young kid who had just entered the jianghu. He was already used to this kind of scene, so he naturally didn't feel the slightest bit of pity in his heart.

Seeing that Qin Yu still didn't express his stance, first elder hurriedly looked at Di zun and said anxiously, "Di Zun, I can be considered as your master. You... quickly help me plead for mercy!"

Di Zun opened his mouth and was about to speak, but Qin Yu was one step ahead of him and said coldly, "I've said before, anyone who pleads for mercy will end up like him."

Once these words were said, Di Zun could only obediently shut his mouth and retreat to the side.

"First Elder, be a wise person in your next life." Qin Yu's cold voice sounded.

The first elder's expression changed drastically. He was about to speak, but Qin Yu's fist was one step ahead of him.

With a bang, first elder's head exploded and turned into a bloody mist.

His primordial spirit that wanted to escape was wiped out before it could escape.

First Elder's tall body fell heavily to the ground, stirring up waves of dust.

Everyone present was silent.

Some people sighed slightly, while others were filled with emotions.

In this world, anyone could turn into a pile of yellow dirt at any time, no matter what position they were in.

The cruelty of the immortal cultivation world made everyone feel a bit of coldness.

"First elder died just like that. It's really hard to imagine." Someone Sighed.

"Yeah, back then, first elder was also a powerful figure. God knows how many people died in his hands. I didn't think that he would end up like this."

Other than sighing over first elder's death, they were more impressed by Qin Yu's strength.

He had easily killed the first elder when he had just advanced to the mighty realm. He had even reached the level of three madmen and three absolutes. How great would he be in the future?

It was likely that the entire South Province would be reshuffled.

After congratulating Qin Yu, they left one after another.

Qin Yu looked at the deputy sect master and said, "In the future, you should be the representative of the Tianyun sect."

The deputy sect master's resentment toward Qin Yu had also lessened quite a bit, so his tone had become much gentler.

"I'm afraid that my body will need to rest for a few days," said the deputy sect master.

Qin Yu smiled. He didn't say anything more, but looked at Di Zun.

"Di Zun, you should stay. Cultivating here is the best choice for you," said Qin Yu.

Di Zun took a step forward and asked, "Master, What About You?"

Qin Yu glanced at the cultivation mountain and then looked to the north, and then said coldly, "I want to go to the northern border."

Chapter 1543: Chapter 1,543, Eternal Limit's Choice 1

"The northern border? I'll go too!" Di Zun volunteered.

Qin Yu shook his head. "With your current cultivation, it'll be a waste if you go. Just stay here obediently."

With that, Qin Yu nodded to the deputy sect master and planned to leave.

"Little friend Qin, please wait." The deputy sect master suddenly opened his mouth and called out to Qin Yu.

Qin Yu turned to look at the deputy sect master and said, "Deputy Sect Master, you don't have to stay any longer. The northern lands have done many evil deeds. I will definitely go."

A trace of embarrassment flashed across the deputy sect master's face. He coughed and said, "Young friend Qin, you have misunderstood. I just want to ask young friend Qin to return the Heavenly Essence Bell."

"The heavenly essence bell is extremely important to the current heavenly cloud sect, so..."

Qin Yu immediately appeared extremely embarrassed. He hurriedly took out the heaven origin bell and handed it over to the deputy sect master.

After the deputy sect master received the Heaven Origin Bell, Qin Yu could not help but ask, "This thing is only a void-returning artifact. It doesn't have much use. Is it really that important to the Tianyun sect?"

After hearing these words, a trace of ridicule flashed across the deputy sect master's face.

He sneered and said, "That's because the first elder doesn't know how to activate this thing. Since this thing is called the Qianyuan Bell, the sound is naturally the number one attack method. It's a pity that the first elder has placed the cart before the horse and wasted this heavenly treasure."

Qin Yu suddenly came to a realization. No wonder the Qianyuan Bell was so valued.

After returning the Qianyuan Bell, Qin Yu also planned to leave.

Before he left, he could not help but look at the cultivation mountain.

The cultivation mountain was as usual. It was shrouded in thick fog, like a sealed space.

No matter how big of a disturbance the Tianyun sect encountered, the cultivation mountain would not have any reaction.

Qin Yu was increasingly puzzled. What was the reason that a person who valued his sect so much would not leave the mountain when faced with danger.

Qin Yu did not continue thinking. He knew that he could not figure it out either.

Looking at the Cultivation Mountain, Qin Yu turned around and left.

...

After this battle, the entire structure of the South Province was quietly changing.

In the next few days, almost everyone was talking about this matter.

They could not help but feel shocked at Qin Yu's terrifying battle strength. Some people even listed Qin Yu and the three madmen and three absolutes together.

"With Qin Yu's current ability, he is definitely not weaker than Yongji."

"The three maniacs and three uniques are evenly matched. They have never fought before. If Qin Yu can defeat Yongji, it means that he is not afraid of any of them."

"Ai, other than Xiao Hai and the sect master of the Heavenly Cloud Sect, I'm afraid that no one in the entire South Province can take down Qin Yu with 100% certainty."

At this moment, in Yongji City.

Yong Ji lay on the sickbed, adjusting his internal Qi.

However, no matter how he adjusted his state of mind, Qin Yu's "Arrogant" face could not help but pop up in his mind.

"This bastard..." Yong Ji suddenly sat up from the bed, his face somewhat pale.

At this moment, an adopted son walked forward and whispered, "Adoptive father, we... should leave the South Province."

Yong Ji glanced at him and said coldly, "Leave? Why should we leave? Wouldn't that be a bone-chilling curse?"

"But... The Tianyun sect is a hidden danger after all. No one can guarantee that they won't attack us," the adopted son said worriedly.

Yong Ji snorted and said, "First elder has already made a poison vow that he will never attack our eternal city in the future."

"Can a first elder represent the entire Heavenly Cloud Sect?"

At this moment, an old man in a black robe suddenly appeared in the Eternal City.

His aura was extremely strange. With every step he took, the surrounding space rippled like water ripples. The internal Qi of the old man was extremely strange.

Yong Ji frowned and asked coldly, "Who are you?"

"I'm the one who saved you," the old man said coldly.

Yong Ji's expression darkened and he said coldly, "When did I, Yong Ji, need anyone to save me? You, on the other hand, came uninvited. Do you have any respect for me, Yong Ji?"

After saying that, Yong Ji suddenly stretched out his hand and grabbed at the old man!

However, when his palm touched the old man's body, it actually went straight through!

When Yong Ji saw this, his expression could not help but change greatly!

What kind of spell was this? It was actually so strange?

Yong Ji didn't believe it and attacked again, but the result was still the same!

All the spells passed through his body! His body didn't seem to be corporeal!

'this person's comprehension of space is definitely not something I can compare to,' Yong Ji thought in his heart, and traces of sweat appeared on his face.

In his impression, other than the sect master of the Heavenly Cloud sect, he had never seen such a terrifying spatial spell!

“Who exactly are you?” Yong Ji said with some fear.

The black-robed man beside the old man immediately shouted, “This is our northern land’s Lord Sima Bei!”

“Sima Bei?” Yong Ji was stunned.

Wasn’t Sima Bei killed by Qin Yu? Why did he appear again?

Moreover, wasn’t Sima Bei a young man? Why did he become an old man now?

Sima bei seemed to have noticed Yong Ji’s confusion and said coldly, “Do you really think that Qin Yu can kill me? That’s just a clone of mine.”

Speaking up to this point, Sima bei paused for a moment before continuing, “This body is also just another clone of mine.”

Yong Ji’s expression became even more shocked! At this moment, he suddenly felt extremely tiny!

Yong Ji had always thought of himself as a top-notch martial artist, but now he realized that there was always someone better than him!

In front of Sima bei, he seemed to be unable to be arrogant.

Yong Ji took a deep breath and said, “Why are you looking for me?”

Sima bei said coldly, “I’m here to tell you a piece of news. First Elder is dead.”

“What? !” Yong Ji’s expression changed drastically!

Sima bei continued, “He’s already dead, so his oath naturally won’t be effective. Do you think that the Heavenly Cloud sect will look for you to settle the score in the future?”

“According to what I know, the sect master of the Heavenly Cloud sect is going to come out of seclusion soon. Once he comes out, do you have the confidence to defeat him?”

Yong Ji’s expression was extremely unsightly, and his forehead was even covered in dense sweat.

He had always been extremely fearful of the sect master of the Heavenly Cloud sect. That unfathomable method had once been Yong Ji’s nightmare.

“You... what exactly do you mean?”Yong Ji said with a frown.

Sima bei said indifferently, “I’m here to save you. Right now, your only way out is to follow me and submit to the Northern Lands!”

“Once you step into the northern lands, no one will be able to kill you. With your abilities, the northern lands will definitely nurture you heavily.”

Yong Ji could not help but have a gloomy expression as he clenched his fists tightly.

His goal was to become a ruler, and definitely not to submit to others!

This was also the reason why he had established Yongji City and widely accepted foster children!

He had been conserving his energy for so many years, waiting for an opportunity! An opportunity to replace the Tianyun sect!

Chapter 1544: Chapter 1,544, Unique Dance’s Constitution 1

Chapter 1544: Chapter 1,544, Unique Dance’s Constitution 1

Seeing that Yong Ji was gloomy and uncertain, Sima Bei was not anxious.

He looked coldly at Yong Ji and said, “Of course, you can also stay here and wait for the sect Master of the Heavenly Cloud sect to come out of seclusion.”

“With your ability, I believe you can handle it.”Sima bei said in a strange tone.

After saying this, Sima bei turned around and was about to leave.

“Wait.”

At this time, Yong Ji suddenly called out to Sima Bei.

He slowly stood up and said in a deep voice, “If I join the northern lands, what benefits will I get? As far as I know, the northern lands are not suitable for cultivation.”

Sima bei said indifferently, “Yong Ji, you have to understand that I’m not asking you to join the northern lands, but to save you.”

Yong Ji’s face sank. He didn’t expect that Sima bei would actually be so arrogant.

At this moment, Sima bei changed the topic and said indifferently, "Of course, if you join the northern lands, the northern lands will naturally treat you well. Once we take down any place in the southern region, I guarantee that I will give priority to you."

"Apart from that, we will teach you the Northern Lands's secret arts for free."

"With your talent, once you obtain the Northern Lands's secret arts, I believe that you will definitely become one of the strongest people."

A slap and a sweet date. Yong Ji naturally understood this logic.

However, at the moment, he did not have much of a choice. Once he started a war with the heavenly cloud sect, it meant that there was no way out.

"Damn it..." Yong Ji's expression was gloomy. If it was not for Qin Yu's sudden intervention, he would not have fallen to such a state!

"I'll give you three days to consider it. I Won't wait for it to expire," Sima Bei said coldly.

After saying this, Sima bei turned around and left.

...

On the other side, the heavenly cloud sect had already begun to rebuild, and Qin Yu was planning to head to the northern lands.

Now, Qin Yu's reputation had already spread throughout the southern province. Almost everyone knew of Qin Yu's great name and his proud battle achievements.

In the sky, a godly eagle passed by.

"Look, it's Qin Yu's Godly Eagle!"

"Where is he going? is he going to the northern lands?"

"I don't know. Looking at this direction, he should be going to Mount Hua Ning."

No matter where Qin Yu went, he would attract countless gazes.

He walked all the way towards Mount Hua Ning, intending to say goodbye to Wen Dawen before leaving.

However, when Qin Yu returned to Mount Hua Ning, he was surprised to find that Mount Hua Ning was surprisingly lively today.

Several auras were emitted from Mount Hua Ning, each of which was extremely powerful. The internal Qi was extremely powerful.

Qin Yu frowned slightly. He activated his desolate divine eye and looked at Mount Hua Ning.

Following that, he realized that Jue Wu had returned!

Other than her, Qu Zhu and the others were also present.

“Jue Wu has returned?” Qin Yu could not help but be shocked. He did not have the time to think about it. He immediately withdrew his figure and rushed in the direction of Jue Wu.

In the pavilion, Jue Wu was drinking wine and eating meat.

Looking at her ruddy face, she must have drunk quite a lot of wine.

Qin Yu quickly walked forward and said in surprise, “Aren’t you in the northern lands? Why did you suddenly come back?”

Jue Wu waved to Qin Yu and said, “Come, come, come. Quickly sit down. Let’s have a good drink.”

However, Qin Yu didn’t have such thoughts. Something must have happened for Jue Wu to suddenly return to Mount Hua Ning.

He sat next to Jue Wu with unease and asked in a deep voice, “What exactly happened?”

“What can happen? Hurry up and drink. Don’t ask blindly.” Jue Wu rolled his eyes.

Although that was the case, Qin Yu still felt uneasy.

However, Jue Wu didn’t say anything, so Qin Yu could only drink with them.

After three rounds of drinking, the banquet was temporarily over.

Qin Yu followed behind Jue Wu. He wanted to ask her about it, but Jue Wu used the excuse of not being able to drink as an excuse to turn around and return to his room, not leaving the room.

This made Qin Yu, who was already suspicious, even more suspicious.

“What exactly happened...” Qin Yu frowned.

This character didn't seem like Jue Wu.

...

There was a land of absolute change on Mount Hua Ning. It bathed in sunlight during the day and moonlight at night.

Qin Yu sat there and looked into the distance. No one knew what he was thinking about.

"Are you worried about Jue Wu?"

At this moment, a voice suddenly came from behind.

Qin Yu did not turn around. He only sighed slightly and said, "Yes, how can I not be worried? Big Brother Qu Zhu, do you know something?"

Qu Zhu sat beside Qin Yu. He had a dog tail grass in his mouth. He said somewhat casually, "What do you think happened?"

Qin Yu said in a deep voice, "I'm afraid that Jue Wu was injured. He came back to recuperate."

Qu Zhu stretched lazily and said, "If she was only injured, I don't think there's a need for Jue Wu to come back from the north."

As soon as he said this, Qin Yu's expression immediately changed.

He hurriedly looked at Qu Zhu and said in a deep voice, "What do you mean?"

Qu Zhu's expression also became somewhat solemn.

He looked at Qin Yu and said, "You should be very clear about Jue Wu's talent. She doesn't even need to cultivate to be able to raise her cultivation."

Qin Yu nodded slightly. Of course, he knew this.

Qu Zhu continued, "Everything has its pros and cons. It's the same with Jue Wu's talent."

"I've read a lot of information and history books. I've looked up this kind of constitution."

"This kind of constitution is called Nirvana body. Cultivators with this kind of constitution are not only powerful and talented, but also have cultivation methods that make others envy them."

Qin Yu didn't say anything and waited for Qu Zhu to continue.

Qu Zhu continued, "But... according to the information I've read, Nirvana body's maximum lifespan is less than a thousand years, while absolute dance is already more than eight hundred years old."

Qin Yu's expression couldn't help but change!

In other words, absolute dance had already reached the limit of her lifespan?

How was this possible? She looked like a little loli who had yet to grow up. No one could associate her with a dying old man!

Qu Zhu seemed to see Qin Yu's confusion, he said, "Don't look at the current ultimate dance like a little child who has yet to grow up. But according to what I know, in the last few years of her life, her appearance will rapidly age until she becomes an old woman."

As soon as these words were said, Qin Yu's expression instantly became even uglier!

That loli-like Jue Wu actually aged at a speed visible to the naked eye?

Not to mention Qin Yu, even Jue Wu herself probably couldn't tolerate it, right?

"Then, is there any way to break this constitution?" Qin Yu asked.

Qu Zhu sighed and said, "I haven't found any way to break it yet anyway."

"What are you two talking about?"

At this moment, Jue Wu's voice suddenly appeared behind the two of them.

Qu Zhu stretched lazily and winked at Qin Yu. "I didn't say anything. I'm leaving."

After saying that, Qu Zhu turned around and was about to leave.

"Stop right there!" However, Jue Wu stopped Qu Zhu.

Seeing that Yong Ji was gloomy and uncertain, Sima Bei was not anxious.

He looked coldly at Yong Ji and said, "Of course, you can also stay here and wait for the sect Master of the Heavenly Cloud sect to come out of seclusion."

"With your ability, I believe you can handle it." Sima Bei said in a strange tone.

After saying this, Sima Bei turned around and was about to leave.

"Wait."

At this time, Yong Ji suddenly called out to Sima Bei.

He slowly stood up and said in a deep voice, "If I join the northern lands, what benefits will I get? As far as I know, the northern lands are not suitable for cultivation."

He walked all the way towards Mount Hua Ning, intending to say goodbye to Wen Dawen before leaving.

However, when Qin Yu returned to Mount Hua Ning, he was surprised to find that Mount Hua Ning was surprisingly lively today.

Several auras were emitted from Mount Hua Ning, each of which was extremely powerful. The internal Qi was extremely powerful.

Qin Yu frowned slightly. He activated his desolate divine eye and looked at Mount Hua Ning.

Following that, he realized that Jue Wu had returned!

Other than her, Qu Zhu and the others were also present.

“Jue Wu has returned?” Qin Yu could not help but be shocked. He did not have the time to think about it. He immediately withdrew his figure and rushed in the direction of Jue Wu.

In the pavilion, Jue Wu was drinking wine and eating meat.

Looking at her ruddy face, she must have drunk quite a lot of wine.

Qin Yu quickly walked forward and said in surprise, “Aren’t you in the northern lands? Why did you suddenly come back?”

Jue Wu waved to Qin Yu and said, “Come, come, come. Quickly sit down. Let’s have a good drink.”

However, Qin Yu didn’t have such thoughts. Something must have happened for Jue Wu to suddenly return to Mount Hua Ning.

He sat next to Jue Wu with unease and asked in a deep voice, “What exactly happened?”

“What can happen? Hurry up and drink. Don’t ask blindly.” Jue Wu rolled his eyes.

Although that was the case, Qin Yu still felt uneasy.

However, Jue Wu didn’t say anything, so Qin Yu could only drink with them.

After three rounds of drinking, the banquet was temporarily over.

Qin Yu followed behind Jue Wu. He wanted to ask her about it, but Jue Wu used the excuse of not being able to drink as an excuse to turn around and return to his room, not leaving the room.

This made Qin Yu, who was already suspicious, even more suspicious.

“What exactly happened...” Qin Yu frowned.

This character didn't seem like Jue Wu.

...

There was a land of absolute change on Mount Hua Ning. It bathed in sunlight during the day and moonlight at night.

Qin Yu sat there and looked into the distance. No one knew what he was thinking about.

“Are you worried about Jue Wu?”

At this moment, a voice suddenly came from behind.

Qin Yu did not turn around. He only sighed slightly and said, “Yes, how can I not be worried? Big Brother Qu Zhu, do you know something?”

Qu Zhu sat beside Qin Yu. He had a dog tail grass in his mouth. He said somewhat casually, “What do you think happened?”

Qin Yu said in a deep voice, “I'm afraid that Jue Wu was injured. He came back to recuperate.”

Qu Zhu stretched lazily and said, “If she was only injured, I don't think there's a need for Jue Wu to come back from the north.”

As soon as he said this, Qin Yu's expression immediately changed.

He hurriedly looked at Qu Zhu and said in a deep voice, “What do you mean?”

Qu Zhu's expression also became somewhat solemn.

He looked at Qin Yu and said, “You should be very clear about Jue Wu's talent. She doesn't even need to cultivate to be able to raise her cultivation.”

Qin Yu nodded slightly. Of course, he knew this.

Qu Zhu continued, “Everything has its pros and cons. It's the same with Jue Wu's talent.”

“I’ve read a lot of information and history books. I’ve looked up this kind of constitution.”

“This kind of constitution is called Nirvana body. Cultivators with this kind of constitution are not only powerful and talented, but also have cultivation methods that make others envy them.”

Qin Yu didn’t say anything and waited for Qu Zhu to continue.

Qu Zhu continued, “But... according to the information I’ve read, Nirvana body’s maximum lifespan is less than a thousand years, while absolute dance is already more than eight hundred years old.”

Qin Yu’s expression couldn’t help but change!

In other words, absolute dance had already reached the limit of her lifespan?

How was this possible? She looked like a little loli who had yet to grow up. No one could associate her with a dying old man!

Qu Zhu seemed to see Qin Yu’s confusion, he said, “Don’t look at the current ultimate dance like a little child who has yet to grow up. But according to what I know, in the last few years of her life, her appearance will rapidly age until she becomes an old woman.”

As soon as these words were said, Qin Yu’s expression instantly became even uglier!

That loli-like Jue Wu actually aged at a speed visible to the naked eye?

Not to mention Qin Yu, even Jue Wu herself probably couldn’t tolerate it, right?

“Then, is there any way to break this constitution?” Qin Yu asked.

Qu Zhu sighed and said, “I haven’t found any way to break it yet anyway.”

“What are you two talking about?”

At this moment, Jue Wu’s voice suddenly appeared behind the two of them.

Qu Zhu stretched lazily and winked at Qin Yu. “I didn’t say anything. I’m leaving.”

After saying that, Qu Zhu turned around and was about to leave.

“Stop right there!” However, Jue Wu stopped Qu Zhu.

Chapter 1545: Chapter 1,545, absolute dance’s frankness 1

Qu Zhu, who was about to leave, suddenly felt a headache coming on.

He rubbed his head and said, "Absolute dance, I really didn't say anything."

"Don't think that I didn't hear it," absolute dance rolled her eyes and said.

Qin Yu also hurried up and said, "I really didn't say anything. We were just chatting..."

Without saying anything, Jue Wu sat on Qin Yu's shoulder.

She shook her calves and said, "I heard everything you said. It's about my constitution, right?"

Qin Yu's face slightly changed.

Heard It?

This should be a very difficult problem for Jue Wu to accept, right?

"Sigh."

At this time, Qu Zhu sighed.

He sat down again and slowly said, "Qin Yu, as a nirvana body, Jue Wu naturally knows about his constitution problem."

"As for Jue Wu, the current Qin Yu is no longer the same Qin Yu from before. Not long ago, he killed first elder and also killed one of Sima Bei's clones."

As soon as these words were said, Jue Wu immediately turned pale with fright!

"Killed one of Sima Bei's clones? Is it that Sima Bei from the Northern Lands?" Jue Wu jumped down from Qin Yu's body and said with a shocked expression.

Qin Yu grunted and said, "At that time, he was already injured. However... even if he was at his peak condition, I might not be afraid of him."

Jue Wu widened her eyes and said, "Are you bragging? I've seen so for myself that Sima Bei's ability. Even I don't have absolute confidence to take him down. You..."

"Jue Wu, don't underestimate the potential of the chaotic body." Qu Zhu took a pot of wine from his waist and took a sip.

Qin Yu looked at Qu Zhu in surprise and said, "Brother Qu Zhu, you even know about the chaotic body?"

Qu Zhu spread his hands and didn't say anything.

He didn't expect this guy to be so knowledgeable. He really knew a lot of things.

"Not bad, Kid." Jue Wu jumped up and patted Qin Yu's shoulder.

"Your current ability is probably not inferior to mine, right?"

Qu Zhu smiled and said, "Now, the outside world is saying that the current Qin Yu is already comparable to the three madmen and three ultimate."

"Not bad, not bad." Jue Wu patted her small hand, looking quite pleased.

Qin Yu said seriously, "So there are many problems now. There's no need to hide it from me. For example, the problem with your body."

Jue Wu waved her hand and said, "That's nothing. I've enjoyed it for nearly a thousand years. I've lived enough."

Qin Yu opened his mouth, not knowing what to say for a moment.

"Any problem has a solution," Qin Yu said in a deep voice.

Then, Qin Yu looked at Jue Wu and said, "If I can't find a solution in the south region, I'll go to the central region. If I can't find it in the central region, I'll leave the Holy Region and travel across the universe."

Hearing Qin Yu's generous words, Jue Wu felt a little warm in her heart.

Although she looked carefree, she was still a girl.

Which girl could accept losing her looks, especially in such a short period of time.

"Okay, let's not talk about this anymore." Qu Zhu changed the topic.

"Jue Wu, tell us about the situation at the northern border. Our Qin Yu is planning to go to the northern border," Qu Zhu joked.

Jue Wu sat on Qin Yu's shoulder again and said in a deep voice, "The current situation at the northern border is not optimistic."

Qin Yu frowned slightly and said, "Are their people very strong?"

"Being strong is one aspect," Jue Wu said with her hand on her cheek.

"The most troublesome thing is their spatial formation."

“Because the northern and southern regions have a dead sea that is difficult to cross, the people of the northern region can enter the southern region, but we can’t go to their old camp.”

“Many times, when their people were about to be killed, they were sent back by the spatial formation.”

Qin Yu nodded slightly and said, “That’s right. I saw so for myself not long ago.”

“Is there no solution?” Qu Zhu asked.

Jue Wu said, “Yes, Xiao Hai is thinking of a solution now. He has a bold and crazy idea.”

“What Idea?” Qin Yu and Qu Zhu said almost at the same time.

Jue Wu said, “Xiao Hai plans to forcefully pull the southern region and the northern land together!”

“Forcefully pull them together?” Qin Yu could not help but be stunned.

“Yes, the northern land and the southern region are slowly approaching, but according to our calculations, it will take at least three to five years,” Jue Wu continued.

“But three to five years is too long. Such a long time is enough for the northern regions to exhaust us to death, so Xiao Hai plans to use brute force to forcefully pull these two large plates.”

Qin Yu could not help but say with a shocked expression, “This... isn’t this a little too crazy?”

“Yes.” Jue Wu spread out his hands.

“That guy is indeed crazy when he does things.”

Qin Yu was silent for a moment before saying, “I have a general understanding. I will set off for the northern border in a few days.”

“Why are you in such a hurry?” Jue Wu said with some surprise.

Qin Yu smiled and said, “There’s no time to lose. If you delay, things will change.”

Jue Wu thought for a moment and said, “Then wait for me for a moment.”

After saying that, she ran away like a wisp of smoke.

A few minutes later, Jue Wu returned to Qin Yu with a bracelet.

This bracelet was flickering in gray, and it seemed to be made of wood.

And on this bracelet, there was a familiar aura.

This aura was the internal Qi of the void.

“Take this. Maybe it can save your life,” Jue Wu said.

Qin Yu took the bracelet and said with a smile, “An internal Qi of the void shouldn’t mean much to me, right?”

“Aiya, I told you to take it, so you just took it. Why are you talking so much nonsense?” Jue Wu rolled her eyes.

“In a chaotic battle, a void-level artifact is still very useful.”

Bringing up this topic, Qin Yu suddenly thought of Qingyan Forest.

Qin Yu still hadn’t been able to avenge the hatred of Qingyan Forest. The death of the group leader was inextricably related to Qin Yu.

After thinking for a moment, Qin Yu looked at Jue Wu and said, “I plan to go to the Hunter Organization.”

“What are you going there for?” Jue Wu asked in puzzlement.

Qin Yu waved the virtual entity in his hand and said with a smile, “This virtual entity should not be comparable to the white bone club of the Hunter organization, right?”

“Of course not. Rumor has it that the white bone club is a saint’s weapon, but it has not been fully resurrected,” Jue Wu said with certainty.

At this point, Jue Wu seemed to have thought of something. She looked at Qin Yu in puzzlement and said, “What are you going to do?”

“I’m going to snatch it over,” Qin Yu said coldly.

“Snatch it over? Qin Yu, don’t underestimate that big white bone club. Even if you are very strong now, you are definitely not a match for that big white bone club.” Absolute dance wrinkled her little nose.

Qin Yu sneered and said, “The good stuff depends on who has it.”

Moreover, Qin Yu also had a powerful magical artifact in his hands.

Putting aside the divine picture, just this iron rod alone was enough to make them drink a pot of wine.

Chapter 1546: Chapter 1,546, Figure 1 in the depths of Qingyan Forest

Qu Zhu and Jue Wu shared the same thoughts. They both felt that Qin Yu should not take such a risk.

“The hunter organization has existed for so many years. Many sects have coveted them, but in the end, the results were all in vain. Qin Yu, your journey this time is too risky,” Qu Zhu said.

Qin Yu smiled and said, “The heavenly cloud sect is so huge, what’s the final result?”

Qu Zhu was stunned, then he laughed and said, “That makes sense.”

Qin Yu waved his hand and said, “Brother Qu Zhu, don’t worry. I know what to do. Although Zhong Wu has a saint weapon, with his ability, he might not be able to activate it.”

Qu Zhu seemed to want to persuade Qin Yu, but he felt that he could not persuade Qin Yu. In the end, he shook his head and said nothing.

“The Green Rock Forest is mysterious and unpredictable. I don’t know how many treasures have been unearthed in the Green Rock Forest,” Qu Zhu suddenly said.

“Although the holy region is incomparably vast, in reality, there is very little mining in the Green Rock Forest. If you go to the Green Rock Forest, you might be able to obtain something.”

Qu Zhu’s words clearly had a hidden meaning. Qin Yu naturally understood.

And the reason why he went to the Green Rock Forest was also one of his goals.

Following that, Qin Yu looked at Jue Wu.

He moved in front of Jue Wu and said, “How do you feel now? Are you feeling unwell?”

Jue Wu rolled her eyes and said, “What discomfort can I have? I can eat, drink, and sleep as much as I want!”

Even though that was the case, Qin Yu knew in her heart that Jue Wu’s current physical condition was definitely not as relaxed as she had said.

Jue Wu had always been strong. If it were not for her discomfort, she would never have returned to Mount Hua Ning from the north.

“Then take care of yourself. I’ll be leaving first,”Qin Yu said.

After bidding farewell to Jue Wu, Qu Zhu, Qin Yu planned to set off for Qingyan Forest.

“I’ll send you off.”Qu Zhu walked forward and accompanied Qin Yu all the way to the mountain gate of Mount Hua Ning.

“Qin Yu, I’m afraid that Jue Wu won’t be as relaxed as she says,”qu Zhu said in a deep voice.

Qin Yu looked at Qu Zhu in surprise and smiled. “Our thoughts coincide.”

“Big Brother Qu Zhu, I want to ask you for a favor,”Qin Yu said with a solemn expression.

Qu Zhu nodded slightly, indicating for Qin Yu to continue.

Qin Yu said in a deep voice, “Jue Wu’s myriad flower is definitely a great killing weapon for the northern lands.”

“Absolute dance’s current physical condition isn’t good. I’m worried that the northern lands will take the opportunity to take revenge, so... While I’m away, I hope you can take good care of her.”

Qu Zhu picked up the wine flask and took a sip. He slowly said, “Alright, I’ll do my best.”

Qin Yu grunted in gratitude. Then, he didn’t waste any more time. He immediately summoned the Divine Eagle and headed straight for the Green Rock Forest.

With Qin Yu’s current state, he wasn’t afraid of anyone. The strength of a mighty realm cultivator was enough for him to stand at the top of the South Province.

Qin Yu rode on the Divine Eagle and cut through the sky, heading straight for the Green Rock Forest.

Two days later, Qin Yu arrived near the green rock forest.

In the middle of the Green Rock Forest and Gu City, a huge castle had been built at some point in time.

At this moment, the surroundings of this castle were filled with people and internal Qi.

Qin Yu frowned slightly and said in a low voice, “When did such a castle be built here? Could it be that the descendants of the aristocratic families are planning to establish a foothold here?”

Thinking of this, Qin Yu narrowed his eyes and immediately activated his desolate God's eye, heading straight for the castle.

He saw that the castle was filled with people, and there was a large group of people gathered at the entrance. He did not know what they were talking about.

Qin Yu thought for a moment, but in the end, he decided to go and take a look.

Therefore, he put away the Divine Eagle, jumped down from the sky, and walked toward the door.

On the way, Qin Yu looked at the people around him and asked, "Fellow Daoist, who built this castle and when?"

The people around him said, "You still don't know? The Qingyan Forest auction is about to begin!"

"Qingyan Forest Auction? What is that?" Qin Yu said in surprise.

The person smiled and said, "There are many treasures in Qingyan Forest. Every thirty years, a castle will be built here to auction the treasures."

"Rumor has it that these treasures were taken out from the depths of Qingyan Forest!" The person said mysteriously.

This couldn't help but make Qin Yu pale with fright!

Taken out from the depths of the Green Rock Forest? Who would be able to do that?

One had to know that the ferocious beasts at the edge of the green rock forest were something that even mighty realm experts couldn't withstand, let alone in the depths!

"Then who organized the Green Rock Forest Auction?" Qin Yu asked with extreme puzzlement.

When he heard this, a hint of mystery flashed across that person's face.

He moved closer to Qin Yu's ear and whispered, "Rumor has it that the Qingyan Forest auction was organized by a person who walked out from the depths of the Qingyan Forest! Those treasures were also provided by him!"

Hiss!

Qin Yu couldn't help but suck in a cold breath!

A person who walked out from the depths of the Qingyan Forest? What kind of existence was that?

“Of course, that’s just a legend. In any case, no one has seen it before.” Then, that person smiled and said.

After his explanation, Qin Yu became even more interested in the green rock forest auction.

Without thinking, he immediately walked towards the entrance of the auction.

Only after arriving at the entrance did Qin Yu learn that the requirements to participate in this auction were quite harsh. Other than having requirements for strength and money, the most puzzling thing was the last one:

Only itinerant cultivators could participate in this auction.

“What kind of rules are these?” Qin Yu couldn’t help but mutter softly.

He swept his gaze behind him and saw many people standing at the door.

These people all had the logos of the major sects on them. Clearly, they were waiting for something.

“It’s really... Strange.” Qin Yu couldn’t help but smile bitterly.

This was the first time Qin Yu had heard of an auction for itinerant cultivators.

Fortunately, Qin Yu didn’t join any sect, so he easily passed their test.

“The Qingyan Forest auction will be held at eight o’clock tomorrow morning. Wait outside,” said the cultivator in charge of guarding the door.

Qin Yu glanced at the cultivator. He stretched out a strand of divine sense, wanting to test their strength.

However, when Qin Yu’s divine sense passed by the castle, it was instantly cut off.

“It seems that the person who built this castle is definitely not an ordinary person.” Qin Yu’s eyes narrowed as he sighed softly.

It was currently evening, and there was still an entire night before the start of the auction.

Qin Yu was not in a hurry. He found a place to sit down and slowly waited for the start of the auction.

Night soon fell, and more and more people gathered at the entrance.

The people from the sect seemed to be trying to rope in these itinerant cultivators.

They offered extremely favorable conditions, hoping that the itinerant cultivators would help them sell the treasures in the auction.

These sects used coercion and enticement to get many itinerant cultivators to agree to their requests.

Of course, there were also many powerful itinerant cultivators who ignored these sects.

Soon, Qin Yu was targeted by the sect.

Two men in Brocade robes walked toward Qin Yu.

Chapter 1547: Chapter 1,547, Divine Body 1

These two people, one old and one young, were dressed rather luxuriously. Their faces also carried a faintly discernible arrogance.

Very quickly, they walked in front of Qin Yu.

“Little friend, are you also here for the Qingyan Forest Auction?”The old man asked with a pleasant expression.

Qin Yu nodded slightly and said, “Not bad.”

The old man continued, “Looking at your clothes, you should be an itinerant cultivator. Let me introduce you. I am an elder of the beacon tower. My name is Li Feng.”

Qin Yu grunted and then asked, “What’s the matter?”

Li Feng smiled and said, “Young friend, our Beacon Tower is very interested in the green rock forest auction. However, due to our status, we are unable to enter. I wonder if you can help us find a few magical artifact? “Don’t worry, we will pay for it. After the matter is done, we will definitely reward you greatly!”

Qin Yu stood up and replied politely, “I’m sorry, I am also very interested in the green rock forest auction. If your sect is willing to pay for the things I like, I might consider it.”

“Kid, you are asking for too much!”The young man beside him shouted.

Qin Yu glanced at him and said, “I only said my conditions. You guys can not agree to it. It’s just a price. Why are you angry?”

The young man opened his mouth and was about to speak, but was stopped by Li Feng.

Li Feng smiled and said, "Young friend, your conditions are indeed a little harsh. Forgive us for not agreeing, but... I'm willing to pay one million spirit coins. How about it?"

"I'm sorry, my conditions are already very clear." Qin Yu shook his head and said.

"Kid, no one dares to reject my Beacon Tower!" The young man shouted again.

This time, the old man beside him didn't stop him. He just slightly closed his eyes.

Qin Yu sneered and said, "So? What Beacon Tower? I've never heard of it."

This time, even the old man couldn't help it.

With a gloomy face, he said, "Little friend, you can refuse us, but it's a bit too much to insult our beacon tower."

"A person who humiliates others will always be humiliated. I think you should be clear about this principle," Qin Yu said with a cold face.

"Little friend, we're just unable to enter the Qingyan Forest auction due to our status. Is it so difficult to ask you for a favor?" Li Feng said with an unfriendly tone.

Qin Yu sneered, "Then why don't you just withdraw from the Beacon Tower?"

"Brat, I think you are courting death!" The youth immediately flew into a rage, and a powerful internal Qi erupted from his body!

The old man beside him also had a sullen face and didn't say a word. However, there was a faintly discernible killing intent from his body.

"What do you want?" Qin Yu asked.

The young man said coldly, "Today, you have to agree. If you don't agree, you have to agree!"

Just as Qin Yu was about to get angry, an idea suddenly flashed through his mind.

Then, Qin Yu changed his expression and said with a smile, "If that's the case, then I'll agree to you."

Hearing this, the two people thought that Qin Yu was afraid and immediately said, "A wise man submits to circumstances. Not bad."

Qin Yu continued, "I wonder how much your sect plans to pay for this?"

The old man's palm shook. He took out a card and handed it to Qin Yu.

"There are 100 million spirit coins in here. As long as it's a magical artifact, we'll take it," the old man said.

"As for whether or not you can snatch it, that will depend on your ability."

Qin Yu looked at the card and could not help but sneer in his heart.

He kept the card and nodded, "Alright, I'll try my best."

"That's more like it." The young man snorted.

The old man smiled and said, "I'll wait for Your Good News Tomorrow."

"Alright, no problem." Qin Yu nodded and said.

After they left, Qin Yu played with the card and could not help but sneer.

In this day and age, there were still people who gave money away for free.

It just so happened that Qin Yu's finances were a little tight. This was a pretty good way to earn money.

Thinking of this, Qin Yu simply stood up and asked each sect.

Qin Yu restrained his internal Qi and pretended to be a weakling.

As long as it was a domineering sect, Qin Yu didn't let any of them go.

After one round, Qin Yu collected a total of eight hundred million spirit coins and promised them that he would do his best to fight for treasures for them.

Of course, this was all pure nonsense. Qin Yu had no intention of returning it at all.

"Eight hundred million spirit coins. I can be considered a rich man," Qin Yu thought to himself.

With these eight hundred million spirit coins, the auction tomorrow would have some confidence.

...

The next day.

The Sky had just brightened when Qin Yu stood up and walked towards the auction.

At this time, many people had already gathered at the auction, waiting to enter.

About ten minutes later, Qin Yu finally walked into the auction house.

The decorations in the auction house were extremely ordinary. Its scale was even inferior to that of Gu City's auction house.

However, in this auction house, Qin Yu could feel an indistinct and mysterious internal Qi.

This internal Qi could not be said to be powerful, but it made people feel fear from the bottom of their hearts.

Perhaps it was because of this reason that so many sects did not dare to rashly enter.

Qin Yu found a seat and sat down, waiting for the auction to begin.

About ten minutes later, an extremely tall man appeared on the stage.

This person was at least three meters tall, and the muscles on his body were extremely thick.

Although Qin Yu could not sense the internal Qi on his body, just his appearance still shocked Qin Yu.

"Could it be that... some kind of tribe lives in the depths of the Green Rock Forest?" Qin Yu speculated in his heart.

The people on the stage clearly looked different from ordinary cultivators, and one couldn't help but suspect their origins.

A moment later, the door slowly closed, and on the stage, three similarly tall men appeared.

They stood at the back, not saying a word, as if they were waiting for something.

A few minutes later, a woman wearing a cheongsam walked out.

This Woman's appearance was full of charm, and her height was at least 1.75 meters. Among the women, she was considered an extremely tall person.

"Welcome to the Qingyan Forest Auction," the woman said from above.

"I am the host of this auction. My name is Xia Ze."

Then, Xia ze read out the rules of this auction.

For example, one could not fight among themselves in the auction. The rules were not much different from ordinary auctions.

Qin Yu narrowed his eyes, and the doubts in his heart grew stronger.

In his heart, he even had a bold idea.

After Xia ze finished reading, he slowly retreated to the side.

The tall and strong men also carried a huge bronze box.

The box was extremely huge, like a coffin.

Although it was far away, one could still feel the internal Qi from the coffin.

“The first item is a corpse,” Xia ze said.

As soon as he said this, there was an uproar.

Everyone was stunned.

A corpse? The first item up for auction was actually a corpse?

“This corpse isn’t an ordinary body, but a divine body. Moreover, when it was alive, it was at the reversion void stage,” Xia ze said with a smile.

Chapter 1548: Chapter 1,548, Beast Spirit Pill 1

Hearing Xia Ze’s words, everyone couldn’t help but gasp!

A physical body at the reversion void stage? Or a divine body?

One had to know that the divine body was one of the most powerful physiques at the moment. After stepping into such a divine body, who knew how powerful the physical body was!

But why would a divine body at the reversion void stage die in the Green Rock Forest?

What exactly was in the depths of the Green Rock Forest? Even a divine body would die after entering?

Qin Yu’s eyes were fixed on the corpse.

He activated the desolate divine eye and carefully examined it.

What surprised Qin Yu was that this body did not have any external injuries and seemed to be in perfect condition.

But if there were no external injuries, how did it die?

“Could it be... that the primordial spirit was wiped out?” Qin Yu suddenly thought of a possibility!

He could not help but suck in a cold breath. One had to know that the body of a divine body was not inferior to a chaotic body, not to mention that this was a person at the reversion void stage.

Such a body was very difficult to destroy, so the possibility of the primordial spirit being wiped out was extremely high.

Qin Yu did not say anything. This could not help but remind him.

Perhaps other than a powerful body, it was necessary to raise the primordial spirit.

“The starting price for this body is 200 million spirit coins, and each increment must be no less than 50 million,” Xia ze said at this time.

Hearing this, everyone present fell silent.

A divine body at the reversion void stage was important, but this price was a bit too expensive.

“It’s a good choice to give this body to iron egg,” Qin Yu thought to himself.

Thinking of this, Qin Yu immediately raised his hand.

“Okay, this gentleman offers 200 million. Is there anyone who can offer a higher price?” Xia Ze asked.

“250 million,” someone not far away said.

Without thinking, Qin Yu raised his hand. “300 million spirit coins.”

“350 million.”

“400 million.”

“450 million.”

“ . . . ”

Soon, the price reached 600 million.

Qin Yu had promised to find a body for iron egg, so Qin Yu was determined to get this divine body.

Without thinking, he directly raised the price to 700 million.

The money was not his anyway, so it was very convenient to spend it.

After the price reached 700 million, the crowd seemed to fall into silence.

Such a high price was definitely an astronomical figure for an itinerant cultivator.

Xia Ze swept his gaze across the crowd. After she shouted three times, this divine body ultimately belonged to Qin Yu.

“This body, is it for me...”

At this moment, the voice of Heavenly Blood Rainbow suddenly came from Qin Yu’s spatial magic artifact.

Qin Yu rolled his eyes and said, “You think too much. You have done many evil things. It’s already not bad that I can let you live, but you still want a divine body?”

Heavenly Blood Rainbow said with some displeasure, “Qin Yu, you promised me back then that as long as I cooperate with you, you would find a body for me.”

Qin Yu smiled and said, “I did promise you, but I didn’t say when I would fulfill it.”

“You!” Heavenly Blood Rainbow was furious, but he couldn’t do anything to Qin Yu.

Qin Yu still needed heavenly blood rainbow, so he softened his tone and said, “Alright, this body is a gift from me to my friend. Don’t worry, if there is a suitable opportunity, I will find you a body.”

At this time, Xia Ze had already taken out the second magical artifact.

This was a magical artifact. Although this magical artifact was not a void-level artifact, it was an Earth rank magical artifact.

Even void-level artifacts were divided into different levels. For example, Zhuo Jing’s Silver Spring was an earth rank void-level artifact.

And the Heavenly Cloud Sect’s heavenly essence bell was a low-level heaven rank magical artifact.

This magical artifact was finally sold for 130 million spirit coins.

After buying this divine body, Qin Yu only had less than 200 million spirit coins left. Therefore, unless it was an extremely tempting treasure, Qin Yu would definitely not sell it.

The third auction item was also a magical artifact, and the price was 230 million.

The fourth was a heaven-rank cultivation technique, and the price was as high as 500 million.

The fifth, the sixth...

In the blink of an eye, nine treasures had already been successfully auctioned off.

Qin Yu was quite moved by these nine treasures, but he could only watch helplessly as the treasures were taken away by others.

"No wonder so many people choose to kill and steal. I have to say, these treasures are indeed too tempting," Qin Yu said with a sigh.

This also made Qin Yu Sigh. Perhaps it was time to find an opportunity to earn some money.

Even in the cultivation world, money was needed to support it.

"The next item up for auction is a pill formula called the Beast Spirit Pill," Xia ze said slowly.

Hearing this name, Qin Yu couldn't help but narrow his eyes.

Beast Spirit Pill? What was that?

After this auction, Qin Yu seemed to have noticed something.

Throughout the entire auction, not a single item was related to a demonic beast.

This didn't make sense. One had to know that the depths of the Green Rock Forest was the territory of Demonic Beasts. Normally, the most common treasures there were the flesh and bones of demonic beasts.

However, the entire auction was filled with cultivation techniques and magical artifacts. Not a single one of them was related to demonic beasts.

Combined with the tall figures of Xia Ze and the others, Qin Yu couldn't help but suspect that this tribe in the depths of the green rock forest was related to demonic beasts.

“The Spirit Beast Pill is a special kind of pill. Consuming this pill can increase one’s physical body and strength. In other words, after consuming the Spirit Beast Pill, one will temporarily possess the physique of a demonic beast,” Xia ze said slowly.

When these words were spoken, the entire scene was instantly filled with shock!

This type of medicinal pill was definitely a top-notch killing weapon in a big battle!

Especially in a big battle like this with the northern lands. If all the participating cultivators were to consume the Beast Spirit Pill, the consequences would definitely exceed one’s imagination!

“This is the pill formula for the Beast Spirit Pill. If sold to a pharmacist, it will definitely be sold for an extremely high price!”

“That’s right, this pill formula is indeed tempting!”

“I don’t think any sect can reject this beast spirit Pill’s pill formula!”

It wasn’t just them. Qin Yu was also extremely tempted.

Right now was the crucial moment of the war with the northern lands. If he could obtain this pill formula, it would definitely have an extremely great effect.

“Unfortunately, the money in my hands is too little...” Qin Yu frowned tightly.

However, Qin Yu really wanted to obtain this pill formula.

“Hu... Don’t tell me you want me to be a person who kills people and steals their goods?” Qin Yu muttered softly.

With Qin Yu’s ability, killing people and stealing their goods was definitely not a difficult matter. However, it was really difficult for him to accept it in his heart.

“The starting bid for the Beast Spirit Pill formula is 300 million spirit coins,” Xia ze said.

Hearing this number, Qin Yu’s head immediately became even more troubled.

He only had less than 200 million in his hand, and the starting price had exceeded Qin Yu’s expectations.

Damn it, it’s really closing in on me. I can only be a villain for once! Qin Yu thought to himself.

“400 million!”

“500 million!”

“600 million!”

The price was too high, and many rogue cultivators from the major sects and sects began to make their bids.

Because they knew that the major sects absolutely liked this pill formula.

Looking at the continuously increasing price, Qin Yu knew in his heart that he had no chance at all.

He sat there, feeling extremely conflicted. He was even whipped and tortured.

Whether or not he should forcefully occupy it, this made Qin Yu unable to make up his mind.

The Beast Spirit Pill formula was finally sold for 800 million.

The person who took the pill formula was an extremely ordinary-looking old man.

His clothes were extremely plain, and he didn't look like someone from a wealthy family.

This made Qin Yu, who was already in a dilemma, feel even more guilty.

“This time's Qingyan forest auction ends here. Everyone, please leave in an orderly manner,” Xia ze said.

Those who didn't manage to get anything left one after another.

Meanwhile, Qin Yu stood up and followed Xia ze backstage.

They walked all the way to the backstage. The bronze coffin was placed in an extremely conspicuous position.

Coincidentally, the old man who obtained the Beast Spirit Pill formula happened to be next to Qin Yu.

Qin Yu couldn't help but glance at him a few more times, trying to determine his strength.

But unfortunately, in this castle, no one's internal Qi could be detected.

“Old Sir, I'm sorry,” Qin Yu said in his heart.

He finished the procedures backstage, then put the bronze coffin into the spatial magic artifact.

After putting away the bronze coffin, Qin Yu couldn't help but glance at Xia ze twice.

It had to be said that this Xia Ze's appearance was extremely flirtatious. Her charm wasn't ordinary, but a kind of feeling that made people unable to extricate themselves.

"This Xia Ze... who exactly is he?" Qin Yu thought in his heart.

The person who walked out from the depths of the green rock forest was definitely not an ordinary person.

With Qin Yu's current strength, he probably did not have the qualifications to investigate clearly.

After taking the bronze coffin, Qin Yu turned around and left the castle.

Outside the castle, many sects were bitterly waiting.

Many rogue cultivators who served the sect were mercilessly kicked away after handing over their treasures to the sect.

The conditions that they had previously agreed upon were all gone.

These sects flatly denied it, allowing the rogue cultivator to beg and plead. They were unmoved.

Some rogue cultivators couldn't swallow their anger and attacked the sect. In the end, they died.

Seeing this scene, Qin Yu couldn't help but sneer in his heart.

Sure enough, none of these sects were good.

At this moment, Li Feng brought the young man and walked toward Qin Yu.

The various sects that Qin Yu had entrusted to them also came to Qin Yu.

They surrounded Qin Yu and couldn't leave.

Li Feng took the lead and took a step forward. He said with a smile, "Little friend, how was it? Did you gain anything from this auction?"

"Of course. I got quite a lot," Qin Yu said indifferently.

Li Feng was delighted and quickly said, "What did you get? Hurry up and take it out."

Qin Yu raised his eyebrows and said, "There's no rush. Give me the commission you promised me first. I will naturally give you the treasure."

As soon as he said this, a cold smile flashed across Li Feng's face.

The young man next to him even mocked, "What commission? Kid, what are you talking about?"

The other sects surrounding Qin Yu also said, "Kid, are you still asleep? Commission? What Commission? Where's the Commission?"

Qin Yu couldn't help but sneer, "It seems that everyone is planning to go back on their word. is it appropriate to be so untrustworthy?"

"Young man, you must understand that both sides can only be trustworthy if they are established on an equal footing. Do you think you are equal to us?" Li Feng said with a faint smile.

Qin Yu suddenly came to a realization and nodded, "So that's what you mean. Our status is indeed not equal. Then, please make way for us."

After saying this, Qin Yu turned around and was about to leave.

Li Feng stretched out his hand and blocked Qin Yu's way.

He said with a gloomy face, "Little friend, what do you mean?"

Qin Yu said sarcastically, "Nothing. I want to leave. Why?"

"Hand over the thing. You can go wherever you want," Li Feng said coldly.

Qin Yu imitated their tone and said, "Thing? What Thing? What are you talking about? Why don't I Understand?"

Li Feng was stunned, and then he said angrily, "Kid, are you playing me again? Where's the thing you got at the auction?"

"That's what I got. What does it have to do with you?" Qin Yu ridiculed.

Li Feng narrowed his eyes and said, "You took our money."

"Your Money? What do you mean your money? How come I don't Know? That's my own money." Qin Yu sneered.

“Are you F * cking courting death! You want to play dirty?”The young man beside Li Feng said angrily.

Qin Yu sneered, “Honesty is a conversation based on equal status. Do you think you are equal to me?”

At this moment, Li Feng and the others also understood.

This Qin Yu was obviously playing with them!

“Kid, you dare to play with us. I’m afraid you are tired of living.”Li Feng’s body emitted waves of killing intent.

The people from the other sects also slowly walked towards Qin Yu. They could attack him at any time.

“Elder Li, let me teach this kid a lesson!”The junior beside Li Feng shouted.

After he finished speaking, he directly attacked Qin Yu’s vital point!

Qin Yu stood there without moving at all. He only looked at him coldly.

“Bang!”

His fist smashed into Qin Yu’s chest. The impact was like steel, causing the young man’s wrist to hurt. He was forced to take two steps back!

“Huh? How could this be?”The young man was stunned.

Qin Yu swept his cold eyes across the crowd and said, “I advise you all to scam immediately. Otherwise, you will lose more than just money.”

“You are courting death!”The young man was unconvinced and charged at Qin Yu again!

This time, Qin Yu did not sit still and wait for death. He waved his hand and a slap landed on his face!

With just a slap, that young man’s head and primordial spirit were directly smashed into pieces!

Seeing this scene, everyone gasped!

A slap that shattered a primordial spirit? What kind of strength was this? Could it be that this kid was pretending to be a pig to eat a tiger?

“You dared to kill our Fenghuo Tower’s people. You have to pay the price for this!” Li Feng said coldly.

As soon as he finished speaking, before he could make a move, Qin Yu had already slapped him.

Another slap! The same result again!

Li Feng’s head along with his primordial spirit directly exploded! Before he died, he did not even know what had happened!

Everyone was stunned! What kind of strength was this? A slap that killed an elder of the Beacon Tower?

“Who... Who Are You!” Someone shouted.

Qin Yu’s internal Qi slowly spread out.

Rays of golden light appeared on his body.

A terrifying pressure rushed over. Everyone present felt a huge mountain pressing down on them. Even walking was extremely difficult!

Chapter 1550: Chapter 1,550, the Terrifying Elder! 1

The faces of these sect members instantly turned pale!

It wasn’t because of this oppressive feeling, but because of Qin Yu’s identity!

In the entire South Province, there weren’t many people who could make them feel such an oppressive feeling. Other than the three madmen, three absolutes, and one legend, there were only people from the Heavenly Cloud sect!

“Senior... senior, we were blind. Please spare our lives...” someone said in a trembling voice.

“We have eyes but don’t recognize Mount Tai. We Beg senior to let us go...”

Seeing their attitude, Qin Yu retracted his internal Qi.

Everyone panted heavily, and their faces were still filled with terror.

“May I ask what is Senior’s identity...” someone mustered up his courage and asked.

“Senior, at your age, there are probably not many people in the entire south province who possess such strength...”

Qin Yu glanced at them and said indifferently, "My name is Qin Yu."

As soon as he said this, everyone's expressions changed drastically!

"Qin Yu? You are the Qin Yu who defeated Yongji not long ago?"

"Rumor has it that you stopped the war by yourself, and the first elder also died at your hands..."

"I didn't expect you to be Qin Yu. Please forgive me, Senior!"

Qin Yu glanced at them and said, "All of you, Scram."

These people didn't dare to say anything more and fled.

While speaking, Qin Yu's eyes were fixed on the elder who took the Beast Spirit Pill formula not far away.

After hesitating for a long time, Qin Yu finally decided to snatch the Beast Spirit Pill formula from his hands. At the very least, he had to read it.

Looking in his direction, Qin Yu quietly followed behind him.

The old man's walking speed was not fast, so it was not difficult for Qin Yu to follow him.

He restrained his internal Qi and quietly followed behind him.

The old man did not seem to notice Qin Yu following him, and his pace was extremely slow.

However, Qin Yu felt that other than himself, there were other people secretly following him.

"It seems that there are quite a number of people who are interested in this beast spirit pill," Qin Yu thought to himself.

The group of people followed behind the old man and soon left the vicinity of the Qingyan Forest auction.

Along the way, they came to a desolate wilderness. This was the edge of the Qingyan Forest, and there were no people around.

The people hiding in the dark were restless, as if they were ready to make a move at any time.

At this moment, the old man suddenly stopped.

He put his hands behind his back and said indifferently, "Everyone, there's no need to hide. Show yourself."

Hearing this, Qin Yu frowned slightly.

Could it be that this old man had already discovered them? Then why did he come to this deserted wilderness?

Soon, a tall young man walked out from the dark.

Many people appeared one after another as he appeared.

There were more than ten people at a glance!

There were young and old, strong and weak. Each of them had a greedy look on their faces.

On the other hand, the old man didn't show much panic on his face. He just crossed his hands behind his back and quietly swept his gaze across the crowd.

"Everyone, you have followed us all the way. I believe you have something important to say. Please speak," the old man said indifferently.

"Old Thing, don't pretend to be ignorant. Hand over the Beast Spirit Pill Formula on your body, and we may leave your corpse intact!" Someone shouted.

"That's right. Hand over the thing, or don't blame us for being impolite!"

Hearing this, the old man couldn't help but stroke his beard and smile. "So, everyone is planning to kill people and steal their goods?"

"That's exactly what I'm thinking!" Someone shouted.

The old man laughed and said, "If you want to kill and steal, you have to see if you have the ability."

"You are courting death!"

Someone shouted and then rushed toward the old man!

But when he rushed to the front of the old man, he suddenly stopped!

His palm was still in the attacking position, but his body stood there without moving at all!

Layers of secret sweat appeared on his forehead as if he was under a huge pressure!

“What are you standing there for!”

Someone seemed to be impatient and immediately strode towards the old man.

At this moment, the old man slowly raised his hand and gently pinched forward. Everyone present was instantly frozen on the spot!

“Eh?”

Seeing this scene, Qin Yu’s expression couldn’t help but change drastically!

What kind of method was this? ! Just by raising his hand, he was able to restrict everyone? !

Although these people weren’t considered powerful, they were all mighty realm powerhouses. How could they be so easily subdued? !

“Old... Old Thing, what on Earth did you do... ?”

No one knew who it was, but it was difficult for them to say these words.

The old man glanced at him coldly. Then, with a thought, the speaker’s body directly exploded!

This scene scared everyone to the point of peeing their pants!

They didn’t even know what the old man had done! What kind of method did he use to kill people! !

“Reckless Thing.”The old man put his hands behind his back, and his tone was extremely cold.

In the next second, the bodies of everyone present exploded inexplicably!

Blood instantly splattered all over the ground, and the old man’s clothes were also dyed red!

Qin Yu, who was hiding in the dark, turned extremely pale! He couldn’t help but feel lucky that he wasn’t the one who attacked!

“This old man’s ability... is actually so terrifying!”Qin Yu sucked in a cold breath!

This old man’s strength was probably the most powerful person in Qin Yu’s life, other than the Dao Guardian!

“Phew... It’s better to leave this place as soon as possible,”Qin Yu thought to himself.

Although the Beast Spirit Pill recipe was indeed extremely tempting, it was not worth Qin Yu's life.

Just as Qin Yu was about to leave, the old man not far away suddenly looked in Qin Yu's direction.

This instantly made Qin Yu's back break out in a cold sweat! That gaze was like being stared at by a ferocious tiger, causing people to Shudder!

"Could it be... that he has already discovered me!" Qin Yu instantly felt his entire body go soft!

"You should come out as well. Do you think you can hide?" The old man said coldly.

Qin Yu gasped. He knew that there was nowhere to run, so he could only brace himself and walk out.

The old man looked at Qin Yu coldly and sneered, "What? Are You Afraid of Death?"

Qin Yu cupped his hands and said, "Senior, I just want to borrow the Beast Spirit Pill formula to read it. Please forgive me, Senior."

"Borrow it? Borrow it, or snatch it?" The old man said coldly.

"If I were just a mortal, would I have become a dead soul under your command?"

The old man's voice directly hit the divine sense, causing unbearable pain.

Qin Yu thought for a moment and answered truthfully, "If senior was just a mortal, I wouldn't have any intention of killing you. I just wanted to borrow it."

"You're full of nonsense. Do you think I'll believe your nonsense?" The old man said coldly.

He slowly raised his hand and said coldly, "Since you're here, you should be prepared to die!"

After saying that, the old man pinched Qin Yu's direction.
