

## My Rich Wife - Chapter 1551 – 1564

Chapter 1551: Chapter 1,551, Alchemist 1

As the old man raised his hand, a huge pressure suddenly appeared!

Qin Yu felt as if his body was suddenly under an extremely powerful pressure. The huge pressure almost crushed Qin Yu's body!

“Crack, crack, crack!”

Crisp sounds could be heard coming from all over his body. Every bone in his body seemed to be under pressure! His body was even flattened, as if it was going to explode at any moment!

At this moment, Qin Yu's body emitted a golden light. All of his strength burst forth at this moment, desperately resisting this pressure!

However, this pressure was too great. Even if Qin Yu exerted his strength to the extreme, he still felt an extremely powerful pressure!

“Ah! ! !”

Qin Yu raised his head and roared angrily. Golden Light appeared all over his body as he tried his best to resist this pressure!

“Oh?”

The elder not far away could not help but raise his eyebrows when he saw this.

He narrowed his eyes and said in a low voice, “So it's a chaotic body... I haven't seen a chaotic body in a long time. Interesting.”

With that, he increased the strength in his hands once again!

Qin Yu, who was already unable to withstand the pressure, began to bleed at this moment!

Blood flowed out of every pore of his body. His physical body was about to be unable to withstand the pressure!

“Ah! !”

Qin Yu let out an angry roar and activated his cosmic form!

Under the power of the cosmic form, Qin Yu was finally able to hold on for the time being!

Seeing this, a smile appeared on the face of the elder not far away.

“Interesting,” the elder said indifferently.

In the next second, he withdrew this power and stroked his beard as he looked in Qin Yu’s direction.

In an instant, the power that was lingering around Qin Yu’s body disappeared without a trace.

Qin Yu was panting heavily. His entire body was dyed in blood, and he felt a lingering fear in his heart.

“What a terrifying power...” Qin Yu muttered in a low voice.

At this moment, the old man’s figure suddenly disappeared!

Before Qin Yu could react, he had already arrived in front of Qin Yu!

“What speed!” This shocked Qin Yu greatly!

At this moment, Qin Yu knew clearly in his heart that this old man in front of him was definitely not someone he could resist!

“Senior, I am an alchemist. It is only because I like alchemy that I followed behind you. I wish to spy on you. Please forgive me, Senior!” Qin Yu hurriedly explained.

He understood that there was only death if he fought head-on!

“Alchemist? oh? You are also an alchemist?” The old man said with slight surprise.

Qin Yu hurriedly nodded and said, “That’s right!”

In order to prove himself, Qin Yu flipped his palm, and the purple-colored spiritual fire immediately jumped onto his palm!

“En? Purple-colored spiritual fire?” Seeing this scene, the old man couldn’t help but be a little surprised.

Qin Yu hurriedly nodded and said, “Senior, I am indeed an alchemist. Please forgive me, Senior...”

The old man stroked his beard and said indifferently, "Purple-colored spiritual fire is rare in the South Province."

It was not an exaggeration to say that in the entire South Province, Qin Yu was probably the only person who possessed purple-colored spiritual fire!

Qin Yu looked at the old man in front of him and was extremely nervous. He was afraid that the old man would slap him to death if he was unhappy.

"Chaotic body and purple spiritual fire. I think you are less than a hundred years old,"the old man said.

Qin Yu quickly said, "Senior, I am only thirty-five years old."

"Thirty-five?"

Hearing this, the old man was shocked!

Thirty-five years old was not a very young age among ordinary people.

But if it was in the cultivation world, it was probably just the beginning!

"A thirty-five year old chaotic body is not only powerful, but also possesses a purple-colored spiritual fire. Interesting."The old man said in surprise.

Qin Yu could not stop complaining in his heart. He could not understand the old man's thoughts at all.

There were many mistakes in what he said. Qin Yu simply did not say a word and waited for the old man's follow-up.

At this moment, the old man stretched out his palm and a ten-thousand-year-old herb landed in front of Qin Yu.

"Since you said that you are an alchemist, then refine a pill for me to see on the spot,"the old man said indifferently.

Qin Yu did not even think and hurriedly nodded. "May I ask what pill senior wants me to refine?"

"Refine the highest-level pill that you can refine,"the old man said.

Qin Yu thought for a moment. The most advanced pill he could refine at the moment was the nine transformation golden pill.

Therefore, Qin Yu asked tentatively, "Senior, can I refine the nine transformation Golden Pill?"

"Nine Transformation Golden Pill? Interesting." The old man's eyes became more and more surprised.

After thinking for a moment, he said, "If it's the nine transformation Golden Pill, I'm afraid the herbs in front of you are not enough. You can refine an Earth rank pill."

"Okay." Qin Yu quickly nodded and agreed.

He immediately took out the medicinal cauldron from the spatial magic artifact and then planned to refine a pill.

The moment he saw the medicinal cauldron in front of Qin Yu, a trace of surprise flashed in the old man's eyes, but he didn't say anything.

The reason why he let Qin Yu refine a pill in front of him was obviously not to verify whether Qin Yu was lying or not.

For someone who possessed the purple spiritual fire, refining the pill was naturally not a problem.

He just wanted to see Qin Yu's pill-refining level.

Qin Yu did not waste any time and immediately began to refine the pill.

After thinking about it, Qin Yu decided to refine the mystic yin pill.

This was a high-grade Earth rank pill, and the herbs required were not many. It just happened to meet the requirements of this old man.

The current Qin Yu had already stepped into the mighty realm. Whether it was his primordial spirit or his ability to control flames, both had a qualitative improvement.

Therefore, the mystic yin pill was not difficult for Qin Yu.

However, Qin Yu was a little nervous at the moment, so the process of refining the pill was much slower.

The whole process took about three hours before a mystic yin pill was formed in the cauldron.

Qin Yu took out the pill from the cauldron and handed it to the old man.

"Senior, this pill is called..."

"I know that this is the mystic Yin Pill."The old man did not take it.

Qin Yu nodded slightly and explained, "Because I am a little nervous, the process of refining the pill is much slower."

The old man heard this and asked, "Under normal circumstances, how long will it take to refine the mystic Yin Pill?"

Qin Yu thought for a moment and then said, "At most one and a half hours."

"One and a half hours?"This surprised the old man.

Qin Yu grunted and said, "An hour and a half is enough."

The old man sized up Qin Yu from head to toe, the expression on his face was extremely interesting.

He was sometimes puzzled, sometimes surprised, and sometimes pleasantly surprised.

In the end, he laughed out loud and said, "I really didn't expect that this small southern region actually has such a pill refining genius like you!"

Qin Yu kept smiling embarrassedly, not daring to speak a word.

At this moment, the old man flipped his palm, and a ball of purple spiritual fire appeared in his hand.

However, his flames were much thicker and heavier than Qin Yu's.

"Senior, you are also an alchemist?"Qin Yu asked in surprise.

The old man laughed out loud and said, "Why? Don't I look like one?"

Qin Yu hurriedly shook his head and said, "No, I'm just a little surprised... there don't seem to be too many alchemists in this southern region."

"When did I say that I'm from the Southern Region?"The old man said faintly.

Chapter 1552: Chapter 1,552, comprehending the Beast Spirit Pill 1

As expected!

This old man was not from the South Province at all!

With his strength, he was far above the three maniacs and three uniques. How could such an existence come from the South Province! !

Qin Yu looked at the old man, cupped his hands and said, "Senior, are you from the Central Province?"

The old man raised his eyebrows and said, "You know quite a lot."

Hearing this, Qin Yu couldn't help but think to himself, "As expected, the top people all come from the Central Plains..."

Thinking of this, Qin Yu couldn't help but think of Chang Mang and the others.

He didn't know if they had already gone to the Central Plains, and he didn't know what realm they had reached.

"Do you really want to refer to this Beast Spirit Pill Formula?" At this time, the old man suddenly asked.

Qin Yu was delighted and hurriedly nodded, "Senior, if you are willing, I really want to read it."

"Then follow me," the old man said indifferently.

Qin Yu was overjoyed. He didn't expect that the old man would be so generous.

"Thank you, Senior!" Qin Yu cupped his hands and said while holding back his excitement.

Then, Qin Yu followed behind the old man and walked forward.

The old man's footsteps were extremely fast, as if the shrinking ground into an inch. Even though Qin Yu was desperately chasing behind him, he was still left behind by a large distance.

With no other choice, Qin Yu could only activate the line word formula and quickly chased after him.

Seeing Qin Yu chasing after him, the old man's eyes were clearly a little shocked.

"Line word formula of nine secrets?" The old man said with some surprise.

Qin Yu didn't hide anything and nodded. "Senior, what I used was indeed the line word formula of nine secrets. I got it by chance."

"It seems that you have a lot of secrets," the old man said indifferently.

Qin Yu smiled bitterly. Even if the old man wanted Qin Yu to teach him the line word formula by force, Qin Yu had no choice but to obey obediently.

Fortunately, the old man did not say anything. He let Qin Yu follow behind him and sped off to a certain place.

Soon, the two of them arrived at a small farmhouse.

The decoration of this small courtyard was extremely simple, just like the residence of an old man in a farm.

After arriving at this small courtyard, the old man did not waste any time. He took out the Beast Spirit Pill formula and handed it to Qin Yu.

"I'll give you three days at most. After three days, regardless of whether you can read it or not, you must return it to me," said the old man.

Qin Yu took the Beast Spirit Pill formula. He suppressed his excitement and nodded. "Thank you, senior."

The old man nodded slightly, then turned around and went to his room.

Qin Yu took the Beast Spirit Pill formula and sat cross-legged in the courtyard.

He didn't waste any time and immediately began to read the spirit pill recipe.

With Qin Yu's ability, it wasn't difficult for him to read a pill recipe.

But when Qin Yu opened the spirit pill recipe, he realized that it wasn't that simple.

The Spirit Pill recipe was extremely responsible. Because it involved the physique of a demonic beast, it was extremely difficult for cultivators to comprehend it.

Qin Yu stared at the spirit pill recipe and couldn't help but frown.

He tried to read the pill recipe, but found that his mind was blank, and he couldn't read it at all.

"How could this be..." Qin Yu raised his eyebrows.

This spirit pill wasn't some top-tier medicinal pill. It was only a black grade medicinal pill, but its effect was beyond imagination.

Compared to the Spirit Pill on Earth, this spirit pill was obviously purer, and its effect was completely different.

In the dark, the old man secretly observed Qin Yu.

Seeing Qin Yu's furrowed brows, the old man couldn't help but smile.

"Looks like this kid is unable to comprehend this pill formula," the old man thought to himself.

Then, he slightly closed his eyes and no longer paid attention to Qin Yu.

An entire day and night.

Qin Yu's eyes didn't leave this pill formula.

He tried to use a strand of divine sense to evolve the pill formula, but in the end, he failed.

"Strange..." Qin Yu muttered in a low voice.

Every step he took was done according to the requirements of the pill formula, but in the end, he failed.

It was as if he was separated by a layer of window paper. No matter what, he couldn't see through it.

"How is it? Do you want to rest for a while?"

The old man's voice came from behind.

Qin Yu shook his head with a bitter smile. "No, it's just three days. I'd better hurry up."

The old man said indifferently, "It's impossible to comprehend the pill formula by building a cart behind closed doors. There are some things that can be comprehended means that it can be comprehended. If it can't be comprehended, then no matter how much effort you put in, it's useless."

Qin Yu didn't think so in his heart. He firmly believed that diligence could make up for clumsiness.

Moreover, Qin Yu wasn't an ordinary person.

He immediately closed his eyes and continued to comprehend the pill formula.

Meanwhile, the old man was quietly watching from the side.

Qin Yu's brows were sometimes locked and sometimes relaxed. At other times, his forehead was covered with sweat, and at other times, he was shivering.

No one knew to what extent Qin Yu had comprehended the pill formula at this moment.

In the blink of an eye, another day had passed.

Qin Yu was still sitting there with his legs crossed. He had no intention of leaving.

The old man shook his head slowly. Tomorrow was the day of the replenishing pill. In his eyes, Qin Yu had no chance.

“Three days... it’s hard on him,”the old man said in his heart.

Although he said that he didn’t rely on time to comprehend the pill formula, in reality, he was just looking at Qin Yu’s performance.

Who knew how many alchemists had spent decades or even hundreds of years to comprehend a pill formula.

Now, Qin Yu had to spend three days to comprehend the Beast Spirit Pill. This was naturally not easy.

The old man looked at Qin Yu and did not say anything.

Of course, he knew how difficult it was to comprehend the Beast Spirit Pill in three days. However, it was naturally not that easy to be chosen by such a person.

As time passed by, the old man did not seem to have any hope.

He shook his head, turned around and returned to his room, quietly waiting for the time to come.

The next day, the old man completely gave up hope.

He walked out of the room and found a cauldron in front of Qin Yu.

Qin Yu was inside the cauldron, fiddling with something.

Seeing the old man walking out, Qin Yu quickly took out a beast spirit pill from the cauldron.

“Senior, this is the beast spirit pill that I refined!”Qin Yu said excitedly.

A trace of surprise flashed in the old man’s eyes.

This kid actually comprehended the Beast Spirit Pill Formula? He even refined a beast spirit pill?

In just three days, he really did it?

The Old Man took the Beast Spirit Pill from Qin Yu's hand and carefully sized it up.

He put it on his nose and sniffed it. A trace of joy appeared on his face.

"Not bad. The quality of this beast spirit pill can be considered top-notch," the old man said with a sigh.

He didn't expect that he would have such an unexpected harvest after coming to the South Province.

Qin Yu returned the recipe for the Beast Spirit Pill to the old man with both hands and said, "Thank you for your help, senior. Qin Yu is eternally grateful."

The old man raised his eyebrows and said, "You are Qin Yu?"

Chapter 1553: Chapter 1,553, the old man's identity

Qin Yu was startled and said with some surprise, "Senior, have you heard of me?"

"No." The old man shook his head.

Qin Yu couldn't help but curse in his heart.

You F \* cking haven't heard of me, why are you asking.

The old man stroked his beard and looked at Qin Yu, saying indifferently, "Your alchemy skills are not bad, and your comprehension ability is also good. Such talent is enough to go to the central plains and become a top alchemist."

Qin Yu said with a bitter smile, "Being an alchemist is not my wish."

"Oh? Then what kind of person do you want to be?" The old man said with some surprise.

Hearing this, Qin Yu's eyes couldn't help but flash with a trace of determination.

He looked into the distance and said in a low voice, "I want to become a man who can shake everything in the world. A man who can make everyone stay by my side. A man who can cross the void and defy the heavens and change fate!"

The old man could not help but laugh when he heard Qin Yu's ambitious words.

“You want to become a great cultivator of the tribulation transcending stage? Do you know how long it has been since a great cultivator of the tribulation transcending stage appeared in the Holy Region?”The old man shook his head and said.

“Man makes things. As long as you don’t die, anything is possible,”Qin Yu said in a neither servile nor overbearing manner.

The old man laughed and said, “Good, not bad. I’m looking forward to the arrival of that day.”

At this point, the old man put away his beast spirit pill formula. He then looked at Qin Yu and said indifferently, “If you have the chance in the future, you can look for me in the Holy Region. My name is Dan Sheng.”

At this moment, Qin Yu did not know the weight of the word Dan Sheng, so he was not too surprised.

He looked at Dan Sheng, cupped his hands and said, “Good. If you have the chance in the future, I will definitely visit senior.”

The old man didn’t say anything more and turned around to leave.

Qin Yu originally wanted to ask about the nine great families, but unfortunately, the old man disappeared without a trace in the blink of an eye.

“Senior?”Qin Yu looked around and called out tentatively.

Unfortunately, the surroundings were empty. Other than Qin Yu’s voice, there was nothing else.

‘He left quite quickly,’Qin Yu thought to himself.

He couldn’t help but feel a little excited. No matter what, he had obtained the Beast Spirit Pill formula, and it was a free whoring.

When the day came when the war broke out, Qin Yu could take out the beast spirit pill and supply it to all the cultivators in the South Province.

More importantly, Qin Yu could also take the Beast Spirit Pill.

His body was already strong, but after taking the Beast Spirit Pill, he didn’t know how strong he would become.

“Oh no!”

At this moment, Qin Yu slapped his head and suddenly thought of something!

That Dan Sheng was very strong, and he came from the Central Province. Most importantly, he was very likely to be a powerful alchemist!

Such a person might know how to break the curse of the Nirvana body!

“Damn it, I actually forgot about this!” Qin Yu felt extremely vexed.

However, that old man walked too fast. Qin Yu was full of questions, and before he had the chance to ask, he had already left this place.

“Sigh, I can only find another way,” Qin Yu thought to himself.

He turned around and returned to the room, thinking of the bronze coffin.

Then, Qin Yu took out the bronze coffin and placed it in front of him.

The coffin was covered in rust. It was obvious that it had been there for a long time. The entire coffin was simple and unadorned. There was nothing special about it.

Then, Qin Yu placed his hand on the coffin. He tried to detect a trace of internal Qi from the coffin, trying to detect something.

Unfortunately, after Qin Yu’s repeated inspection, he did not detect anything unusual on the coffin.

“Looks like it’s just an ordinary coffin,” Qin Yu thought to himself.

He originally thought that the coffin that carried the body of a divine body at the reversion void stage was not simple, but he did not expect it to be so ordinary.

Qin Yu did not think any further. He opened the coffin and a male corpse appeared in front of Qin Yu.

This male corpse had a broad and slender body. His appearance was extremely handsome. His long hair was scattered on both sides, and it was unexpectedly soft and smooth.

The entire corpse was extremely well preserved. Not a single scar could be seen on his entire body.

If Qin Yu didn’t know his origins, he would even suspect that this male corpse was still alive.

“He directly wiped out his divine sense. How terrifying,” Qin Yu sighed.

He tried to exert his strength, wanting to test the toughness of this male corpse.

As Qin Yu's strength increased, this body also began to display his rigidity.

When Qin Yu used 80% of his strength, this male corpse was still intact.

"As expected of a divine body, it really lives up to its reputation!" Qin Yu couldn't help but sigh.

The toughness of this body was extremely terrifying. Although Qin Yu was only testing it out slightly, the toughness still shocked Qin Yu!

"I really want to compete with him," Qin Yu said in a low voice in his heart.

This made Qin Yu start to look forward to the day when iron egg recovered.

At this time, the sky was already dark. Qin Yu didn't want to waste any more time. He put away the bronze coffin and planned to rush to the hunter organization under the cover of the night.

Therefore, Qin Yu summoned the Divine Eagle and headed straight for the hunter organization.

This place was not far from the hunter organization. With the flying speed of the Divine Eagle, it would only take a few hours to reach the hunter organization.

Sitting on the back of the Godly Eagle, Qin Yu closed his eyes slightly.

In his hand, he was playing with a beast spirit pill. He really wanted to swallow this beast spirit pill and feel its power.

But in the end, Qin Yu held back and put away the Beast Spirit Pill.

At this moment, the godly eagle began to descend.

Qin Yu opened his eyes and looked down.

The hunter organization was as usual. There were people everywhere.

Many people came to this place and issued missions to the hunter organization.

Qin Yu put away the divine eagle and walked quickly toward the hunter organization.

The Hunter in charge of receiving missions couldn't help but be surprised when he saw Qin Yu.

"Qin Yu, you really came," the hunter said in surprise.

Qin Yu frowned slightly and said, "What do you mean?"

The hunter said in surprise, "You don't know?"

"Know what?" Qin Yu suddenly had a bad premonition.

The hunter sighed and said, "Not long ago, Jing Bai and his men planned to steal the white bone club and rebel against Zhong Wu. Unfortunately, they were discovered by Zhong Wu and are now locked in the dungeon."

Qin Yu's face changed and exclaimed, "What? Jing Bai was captured?"

"Not just Jing Bai, even Guan Zhuang has been arrested," the hunter continued.

"Of course, there are also people who say that Zhong Wu deliberately framed him. Because Jing Bai has always looked down on Zhong Wu, and he is a more straightforward person, Zhong Wu has long wanted to get rid of him."

At this point, the hunter moved forward and whispered, "In the hunter organization, stealing the white bone club is a serious crime, so the possibility of being framed is very high!"

Qin Yu's face was gloomy. He looked at the hunter coldly and said, "Where are Jing Bai and the others imprisoned?"

"In the dungeon ahead." The hunter pointed in the direction.

Chapter 1554: Chapter 1554, First Generation Team Leader 1

Qin Yu's face was gloomy as he quickly walked towards the dungeon.

The hunter stretched out his hand to stop Qin Yu. He said in a low voice, "Qin Yu, you'd better be careful. If Zhong Wu finds out that Jing Bai had an affair with you, then Jing Bai's crime will probably be confirmed."

Qin Yu glanced at him and sneered, "I came here this time to settle the score with Zhong Wu."

After saying this, Qin Yu quickly walked towards the prison.

Near the prison.

There was a spell set up here. Rays of light lingered on the iron door, looking like a wonderful scene in the dark night.

Qin Yu reached out his hand and tried to open the prison, but he found that the moment he touched it, a terrifying power was approaching his palm.

Qin Yu, who was caught off guard, was immediately pushed back a few steps. He looked down and saw a red mark appearing on his palm as if he had been burned.

Qin Yu looked at the dungeon's door coldly and said in a low voice, "I'm afraid this spell was not set up by Zhong Wu."

With Zhong Wu's ability, he did not have the ability to set up this spell.

Golden Light slowly appeared on Qin Yu's body.

He once again arrived at the entrance of the dungeon. Under the cover of the Golden Light, he raised his hand and grabbed at the dungeon's door.

That enormous force surged out once again. Not only did Qin Yu receive a huge backlash, his palm felt as if it had been thrown into a sea of fire. He was in unbearable pain!

"This feeling..." Qin Yu's expression changed slightly. Both of his hands were actually burned by the dungeon's door!

One had to know that Qin Yu, who had stepped into the mighty realm, had a body that was beyond imagination!

Even an existence like the first elder would find it difficult to hurt Qin Yu.

However, the iron door in front of him had easily burned Qin Yu's skin!

"As expected of the hunter organization..." Qin Yu muttered in a low voice.

He endured the intense pain and the internal Qi on his body grew stronger and stronger.

Meanwhile, Jing Bai, who was locked up in the dungeon, seemed to have sensed the movement from above.

He said coldly, "Who's outside!"

Qin Yu hurriedly replied, "Big Brother Jing Bai, I'm Qin Yu."

Jing Bai was obviously stunned. He hurriedly said, "Qin Yu? Why Are You Back?"

Qin Yu said, "I'm here to avenge my team leader this time."

Jing Bai said in a deep voice, "Qin Yu, listen to my advice. Forget it. Zhong Wu's white bone club is very powerful. You're not his match."

"Don't worry. I have a way to deal with it," said Qin Yu.

The white bone club was just an unresurrected holy weapon. To put it bluntly, there was not even a trace of holy power in it, so it was not worth being afraid of.

If it was a resurrected holy weapon, even if it was not fully resurrected, Qin Yu would not dare to provoke it.

In Qin Yu's opinion, the white bone staff might not be stronger than the iron staff in his hand.

"Qin Yu, you..."

"Now is not the time to talk about this. Brother Jing Bai, do you know how to open this dungeon?" Qin Yu endured the intense pain from his palm and asked.

Jing Bai sighed slightly and said, "This dungeon is used to lock up the ferocious demonic beast. Other than the leader of the hunter organization, no one can open it. Qin Yu, give up."

Qin Yu's brows became tighter and tighter. He was surprised to find that with brute force, it was impossible to open the dungeon.

Not only that, the more Qin Yu used force, the tighter the iron door became.

"Damn it!"

Qin Yu could not help but curse inwardly. He released his hands and took a step back.

Immediately after, Qin Yu's body emitted a golden light, and his internal Qi surged out like a tidal wave.

That golden light was like the sun rising in the dark night, turning the pitch-black surroundings into daytime.

A huge wave of air surged out from Qin Yu's body and swept out in all directions.

"Hu..."

The green rock forest seemed to have stirred up a hurricane. Under the strong wind, leaves rustled down. The trees that were as thick as three people hugging each other were uprooted!

Such a commotion naturally attracted the hunters in the organization.

“What happened?” Someone was startled awake from his sleep and his expression changed greatly.

“Could it be that a demonic beast has stepped into the hunter organization?”

“Quick, go and take a look!”

A group of people rushed towards the prison.

Qin Yu, who was standing at the entrance of the prison, had already unleashed his internal Qi to the maximum.

“Since I can’t open it, then I’ll destroy this door,” Qin Yu said coldly.

As he spoke, Qin Yu’s fist was already wrapped in pure gold. At a glance, the end of his right arm looked like a sun had appeared!

This spell was the ten thousand spell breaking punch!

Qin Yu planned to use brute force to forcefully break open this dungeon!

Right at this moment, the hunters rushed to the scene. When they saw Qin Yu’s figure, they were immediately shocked!

“Qin Yu? You... Why are you here?” Someone asked in shock.

“Could it be that he came back to save Jing Bai?”

“As expected, paper can not cover fire. Qin Yu will naturally rush back when he gets the news.”

Qin Yu ignored everyone’s words. He clenched his Golden Fist and headed straight for the Iron Gate of the dungeon.

“Boom!”

The Golden Fist smashed into the Iron Gate of the dungeon! At the moment of collision, a water-like airwave swept out in all directions!

The surrounding hunters were instantly sent flying in unison. Those who had the strength and status were even directly cut in half!

Large swaths of trees were swept clean. The originally lush hunter organization seemed to have been pushed flat in an instant.

Such a dense force caused the surrounding crowd to shoot out explosively, afraid that they would be implicated and end up as innocent ghosts.

But even so, the Iron Gate of the dungeon was actually undamaged!

On the surface of the iron gate, rays of extremely sacred light appeared.

This light enveloped the iron gate, as if it could block all kinds of power.

“Qin Yu, don’t waste your energy.” From below, Jing Bai’s voice came.

“That’s right, this iron gate can not be broken by brute force.” Guan Zhuang’s voice followed.

Qin Yu’s expression was gloomy and he didn’t say anything.

He looked at the Iron Gate coldly, no one knew what he was thinking.

“Mr. Qin.”

At this moment, an old man walked out from the crowd.

He walked quickly to Qin Yu and cupped his hands.

Qin Yu looked at him and asked in a deep voice, “Who are you?”

The old man smiled and said, “I’m just an ordinary hunter from the hunter organization. I’ve been here for more than 300 years.”

Hearing this, Qin Yu hurriedly cupped his hands and said, “Old Sir, do you know how to break this Iron Gate?”

The old man shook his head slightly, he said, “This iron gate was set up by the third generation team leader with a formation in order to lock down the extremely vicious demonic beast. If it can be broken by brute force, then the meaning of this formation will be completely lost.”

Qin Yu’s brows were tightly knitted as he waited for his next words.

The old man continued, “This formation was taught by the third generation team leader. Only the team leader of the Hunter organization can break the formation.”

“So... I can only go to Zhong Wu?” Qin Yu raised his eyebrows slightly.

## Chapter 1555: Chapter 1555, Iron Gate Crack! 1

The old man nodded slightly and said, "That's right. If you want to open this dungeon, you can only find Zhong Wu."

"Then where is he now?" Qin Yu said with a cold face.

The old man smiled and said, "Zhong Wu isn't here. I'm afraid you'll have to wait for two or three days."

"Two or three days?" Qin Yu couldn't help but be silent for a moment.

It was not that he could not wait. It was just that looking at Jing Bai and Guan Zhuang below, Qin Yu could not bear it.

But there was no other way at the moment. Qin Yu could only nod and say, "Alright, then I'll just wait for two or three days."

Following that, Qin Yu lay on the door of the dungeon and shouted to the people below, "Jing Bai, Guan Zhuang, wait for me for two or three days. Believe me, Zhong Wu will definitely die soon."

Jing Bai wanted to persuade him, but Qin Yu didn't give him a chance. He turned around and left.

These hunters couldn't afford to offend Qin Yu. They also knew that Qin Yu came to kill Zhongwu, so they treated Qin Yu with respect.

The group found a good place for Qin Yu to stay and brought Qin Yu the meat of the demonic beast.

After Qin Yu left the dungeon, the old man's face instantly darkened.

He narrowed his eyes and looked coldly in the direction of the dungeon.

He slowly walked to the front of the dungeon and said in a low voice, "How terrifying... if he punches again, the door of this dungeon will definitely be broken..."

A very fine crack appeared on the door of the dungeon. It was almost invisible to the naked eye, and Qin Yu did not notice it.

The old man stared at the tiny crack and felt a lingering fear.

This dungeon had indeed imprisoned many extremely ferocious demonic beast, but there had never been any problems.

He did not expect that today, Qin Yu's punch would create a crack! He did not dare to imagine what kind of Power Qin Yu's punch contained!

"Zhong Wu, you'd better take care of things..."the old man whispered.

...

In the room.

Qin Yu didn't notice the old man's thoughts.

After all, Qin Yu didn't have a precise grasp of his own strength.

Besides fighting Sima Bei, Qin Yu hadn't encountered any big battles!

Even the deputy sect master, First Elder, and the others weren't enough to be Qin Yu's opponents.

"Zhong Wu, you'd better hurry back..."Qin Yu thought in his heart.

He restrained his internal Qi and suppressed his realm to the nascent soul realm.

In this way, Qin Yu had the opportunity to directly kill Zhong Wu!

"In the entire hunter organization, no one seems to know that I have stepped into the mighty realm. To me, this is not bad news,"Qin Yu thought in his heart.

Zhong Wu was not smart. Other than scheming, he did not have much potential.

It was shocking that such a person could become the leader of the Hunter organization.

"Two to three days... I can use these few days to study that divine body,"Qin Yu thought to himself.

This was one of the strongest physiques he had ever seen. Other than the holy body given to Jiang Gu, Qin Yu had never seen such a strong physique.

"I wonder who is stronger, the divine body or the chaotic body."Qin Yu looked forward to it even more.

He was not sleepy at all. He immediately took out the bronze coffin and carefully examined the corpse.

On the other side.

Zhong Wu did not return in two or three days as the old man had said. He returned to the hunter organization the next morning.

The old man had been waiting for Zhong Wu on the way back. When he saw Zhong Wu, the old man quickly walked over.

“Team leader.” The old man walked forward and shouted.

Zhong wu nodded and said, “Why are you here?”

The old man said with a sullen face, “Qin Yu came, and he tried to take Jing Bai and the others away.”

As soon as he said this, Zhong Wu was stunned at first, then he burst into laughter.

“Is he looking for death? I was just about to kill him, but he came to me!” Zhong wu sneered.

The old man shook his head and said, “Team leader, you’d better not underestimate Qin Yu. His ability is probably beyond your imagination.”

Zhong wu sneered, “I know that Qin Yu has some ability, but in front of my white bone club, no one is worth mentioning!”

The old man knew that he couldn’t persuade Zhong Wu, so he didn’t waste his breath.

He looked at zhong wu and said, “Team leader, come with me.”

“Where to?” Zhong Wu said with some doubt.

The old man said in a deep voice, “I’ll take you to see the dungeon. You’ll understand everything.”

Then, the old man took the lead and walked in the direction of the dungeon.

The two people came to the direction of the dungeon. The old man walked to the Iron Gate and slowly squatted down.

“Team leader, look.” The old man pointed at the crack and said.

Because the crack was too fine, Zhong Wu didn’t find anything unusual. Instead, he frowned and said, “What are you looking at?”

The old man pointed at the crack and said, “Look carefully.”

Zhong Wu squatted down and looked at the iron gate.

He saw a crack on the iron gate.

“What... What’s going on?” Zhong Wu’s face couldn’t help but change.

The old man said, “This was smashed by Qin Yu Last Night.”

“How is that possible!” Zhong Wu was instantly shocked!

“This iron gate has imprisoned countless ferocious demonic beasts. Even when they are in a frenzy, they are unable to shake this iron gate. Could it be that Qin Yu is more terrifying than a demonic beast!” Zhong Wu stared with his eyes wide open.

The old man sighed, “I don’t want to believe it either, but this is the truth. I saw it with my own eyes.”

When Zhong Wu saw this, a grave expression flashed across his face.

He tried to smash the iron door with the white bone club, but in the end, he failed. Not even a white mark was left.

Now, Qin Yu had used his fist to smash the iron door. This was simply shocking!

“Team leader, you’d better think of a way,” the old man said.

Zhong Wu’s expression was gloomy and uncertain. No one knew what he was thinking.

A moment later, the corner of Zhong Wu’s mouth curled up into a sneer.

He suddenly stretched out his hand and slapped the old man’s head!

This slap immediately knocked the old man unconscious!

The old man didn’t even have time to react before he fell into a coma.

Then, Zhong Wu dragged the old man’s body and walked toward the hunter organization.

When the hunters saw Zhong Wu, their expressions became somewhat unnatural.

They all walked forward and greeted, “Team leader, you’re back.”

Zhong Wu did not waste any time and immediately said, “Where’s Qin Yu? where is he?”

The expressions of these hunters changed slightly. They did not dare to hide and immediately pointed to Qin Yu’s room.

“There’s no need to look. I’m right here.”

At this moment, Qin Yu took the initiative to walk out.

Their eyes met, and their swords were drawn!

Their gazes seemed to be about to spark!

Just as everyone was guessing how the battle would start, Zhong Wu changed his smile and walked towards Qin Yu.

Chapter 1556: Chapter 1,556, the treacherous Zhong Wu 1

While everyone was puzzled, Zhong Wu walked towards Qin Yu with a smile.

This smile couldn’t help but make Qin Yu feel a little disgusted.

His face was also filled with suspicion.

“Qin Yu, Why Are You Back?” Zhong Wu said with a chuckle.

When these words were said, everyone was shocked!

What? Back? What did these words mean?

Could it be that Zhong Wu admitted that Qin Yu was a member of the hunter organization?

Qin Yu also sensed that something was wrong. He looked at Zhong Wu coldly and said, “What do you mean?”

Zhong Wu said with a faint smile, “Qin Yu, you are a member of the Hunter Organization for one day, and you will be a member of the Hunter Organization for the rest of your life. This will always be your home.”

When he said this, before Qin Yu could respond, Zhong Wu threw the old man in front of Qin Yu.

He sighed and said, “You came here for Jing Bai and Guan Zhuang, right? To tell you the truth, I was also deceived by the villain.”

Qin Yu glanced at the old man on the ground and said, “The villain you are talking about is him?”

“Yes!” Zhong Wu nodded hard.

“I have always treated him as a military counselor and listened to him in everything. It is because of this reason that I listened to the slander of the villain.”

“After many days of investigation, I finally discovered his ugly face. Qin Yu, I will leave him to you to handle!”

Qin Yu sneered. Although he did not know what Zhong Wu was up to, Qin Yu knew that Zhong Wu definitely did not have any good intentions.

After thinking for a moment, Qin Yu said, “In that case, release Jing Bai and Guan Zhuang.”

“Of course, of course. I’ll release them immediately. Why don’t we have a chat in the room?” Zhong Wu said with a smile.

Qin Yu still needed Zhong Wu’s help to open the dungeon, so he agreed.

Zhong Wu took the lead and walked forward, followed closely by Qin Yu.

The surrounding hunters couldn’t help but look at each other.

What was going on? Zhong Wu’s reaction seemed a little abnormal. Didn’t he keep saying that he wanted to kill Qin Yu?

After returning to his room, Zhong Wu got up and rummaged through the cabinets, taking out a bag of tea leaves.

He personally brewed a pot of tea for Qin Yu, then got up and poured a cup for Qin Yu.

“Qin Yu, actually, there is no deep hatred between us. Everything is just a misunderstanding,” Zhong Wu sighed.

Qin Yu sneered in his heart, but his face remained calm.

“Don’t say so much. Let him go first,” Qin Yu said coldly.

Zhong Wu smiled and said, “Don’t worry. I’ll definitely let him go.”

“Not necessarily. I want you to let him go now,” Qin Yu said coldly.

Hearing Qin Yu’s order, a trace of displeasure flashed through Zhong Wu’s heart.

He suppressed his anger and stood up. “Alright, I’ll release him now. Wait for me here for a moment.”

“I’ll go with you.”Qin Yu stood up and said.

Then, Qin Yu followed behind Zhong Wu and walked toward the prison.

They arrived at the prison. Zhong Wu stepped forward and took out the white bone club. He gently placed it on the iron door of the prison.

In an instant, the iron door exploded with an extremely dazzling light!

In the next second, the iron door slowly opened.

“Jing Bai, Guan Zhuang, come out quickly!”Qin Yu rushed forward and shouted to the people below.

The two of them did not seem to have thought that they would be able to come out one day, so a trace of confusion flashed across their faces.

“What are you waiting for? Come out quickly!”Qin Yu frowned and said.

Only then did the two of them come back to their senses and hurriedly climbed out of the dungeon.

“Qin Yu, are you satisfied now?”Zhong Wu said with a faint smile.

Qin Yu said with a faint smile, “It’s good that you’re out.”

“Then let’s have a chat in the room. I think the misunderstanding between us should be resolved today,”Zhong Wu said.

After saying this, Zhong Wu took the lead and walked forward.

“Qin Yu, what... What’s going on?”Guan Zhuang asked with a puzzled look.

Qin Yu shook his head and said, “I don’t know either.”

“Qin Yu, I don’t know what Zhong Wu is scheming in his heart. You’d better be careful. Don’t trust him so easily,”Jing Bai reminded him.

Qin Yu smiled and said, “Don’t worry, of course I know.”

Then, Qin Yu walked in the direction of Zhong Wu.

Jing Bai and Guan Zhuang looked at each other and quickly chased after him.

After returning to the room, Zhong Wu took a sip of tea.

“Qin Yu, you and I are both from the hunter organization. We should do something for the hunter organization,” Zhong Wu said first.

Hearing this, Qin Yu looked at Jing Bai and said, “If that’s the case, why did you give Jing Bai’s position to someone else?”

Zhong wu said innocently, “I did this not for selfish reasons, but for the development of the Hunter Organization.”

“Jing Bai is a straightforward person and has caused the hunter organization to lose a lot. I had no choice but to let him leave that position.”

Qin Yu sneered and said, “I want you to resume Jing Bai’s position now.”

Zhong wu nodded without thinking and said, “No problem, Jing Bai. From tomorrow onwards, you continue to accept the mission.”

Jing Bai remained silent, but he had a bad premonition in his heart.

Meanwhile, Qin Yu, who was at the side, laughed coldly in his heart.

He had already seen through Zhong Wu’s thoughts, but his face did not show much of a reaction.

“Zhong Wu, is what you said true?” Guan Zhuang, who was at the side, was clearly much more innocent.

Zhong wu nodded and said, “Of course.”

“Then you have to publicly apologize to Jing Bai,” Guan Zhuang muttered.

A trace of coldness flashed across Zhong Wu’s heart, but he still maintained a smile on his face.

“No problem. If you did something wrong, you should admit it,” Zhong Wu said with a smile.

Jing Bai, who was at the side, frowned and said, “Zhong Wu, why do you suddenly look like a different person?”

Zhong wu sighed and said, “I just understand a lot.”

Then, Zhong Wu looked at Qin Yu and said, “Come, Qin Yu, have some tea. You are welcome to supervise me in the future.”

Qin Yu said indifferently, "If team leader Zhong really thinks so, then it's naturally the best."

After saying that, Qin Yu picked up the cup in front of him and drank it in one gulp.

Seeing this scene, Zhong Wu sneered in his heart.

Qin Yu, who had just drunk the tea, had a slight change in expression.

Then, his face turned red, and even breathing became a little difficult.

"What... What's going on!" Qin Yu widened his eyes and said with fear.

Seeing this scene, Zhong Wu finally tore off his hypocritical mask.

"Hahahaha!" Zhong Wu stood up and laughed loudly.

"Qin Yu, if you want to fight with me, I'm afraid you're still too young!"

Qin Yu's expression was ugly as he said with a trembling voice, "There's poison in this tea!"

"Hahahaha! That's right! And I'm telling you, the group leader also died because of this poison!" Zhong Wu said coldly.

Chapter 1557: Chapter 1,557, facing off against the white bone club 1

Zhong Wu's face revealed a smug smile.

He looked at the pained Qin Yu in front of him, and his smile became even crazier.

"Zhong Wu, you despicable man!" Guan Zhuang was instantly enraged and charged straight at Zhong Wu!

However, Zhong Wu had the white bone club, so how could Guan Zhuang compare to him.

With a slight shake of his club, Guan Zhuang was directly pushed back!

"Are you guys worthy to fight with me?" Zhong Wu said coldly.

Qin Yu, who was at the side, raised his head with difficulty and looked at Zhong Wu.

He stared at Zhong Wu and said, "In other words... the poison that I was poisoned with is the same as the poison that the leader was poisoned with?"

"That's right! How is it? Do you feel honored?" Zhong Wu mocked.

"Why? Why did you poison the team leader..." Qin Yu forced his body and said in pain.

Zhong Wu sneered, "If he doesn't die, how will I have a chance to rise to the top?"

Hearing this, the corner of Qin Yu's mouth could not help but reveal a smile.

His smile became more exuberant, and in the end, he raised his head and laughed loudly.

Zhong Wu frowned slightly and said with a cold face, "What are you laughing at?"

Qin Yu sneered, "I'm laughing at your stupidity."

"What do you mean?" Zhong Wu's face changed.

There was no longer any pain on Qin Yu's face. What replaced it was a cold face.

Then, Qin Yu looked at the door and shouted, "You all heard it, the leader was killed by Zhong Wu. He has admitted it himself!"

As soon as he said this, the door slowly opened.

The people outside also walked in with grief and indignation.

"Zhong Wu, the team leader was indeed killed by you!"

"We all heard it. What else do you have to say!"

Zhong Wu's face turned extremely ugly! He glared at Qin Yu and shouted, "Are you playing with me?"

"I am playing with you. So What?" Qin Yu sneered.

Zhong Wu was furious, but he quickly calmed down.

"So what if they know? You're already a dead man," Zhong Wu said coldly.

Qin Yu couldn't help but laugh when he heard that. "How about I call you stupid? Looks like you're even more stupid than I imagined."

"What did you say!" Zhong Wu held the white bone club and glared at Qin Yu.

Qin Yu sneered. "Do you really think I didn't see through your scheme? Do you really think this poison is useful to me?"

“You... What do you mean!” Zhong Wu suddenly had an extremely ominous premonition.

Qin Yu stopped his waist and said coldly, “Zhong Wu, today is the day you die. Go Down and explain to the team leader.”

“You tricked me? Do you think I will fall for it!” Zhong Wu said angrily.

Qin Yu sneered and said, “Whether it’s to trick you or not, you can try and find out.”

Zhong Wu’s expression became uglier and uglier, and his heart was filled with terror.

He grabbed the white bone club and did not dare to make a move for a moment.

“What? You’re so timid even with the white bone club? You’re really trash,” Qin Yu said with a sneer.

“You’re courting death!” Zhong Wu finally could not hold it in anymore. He held the white bone club and headed straight for Qin Yu’s face!

Qin Yu immediately stepped on the line word formula and retreated backwards.

“Boom!”

The white bone club smashed onto the ground, and a huge shockwave instantly overturned the house!

“Everyone, retreat,” Qin Yu said coldly.

Everyone obviously knew that this was a great battle that they couldn’t participate in. They all followed Qin Yu’s request and quickly shot backwards.

Zhong Wu glared at Qin Yu and said through gritted teeth, “Qin Yu, I don’t want to be your enemy, nor do I want to poison you. If you weren’t so aggressive, I wouldn’t have wanted to kill you!”

“So? What do you want to express?” Qin Yu raised his eyebrows.

Zhong Wu suppressed his anger and said, “If you are willing, I can give you the position of team leader! Let you be the team leader! I will assist you!”

“Oh?” Qin Yu raised his eyebrows. “Okay, then give me the white bone club.”

Zhong Wu looked at the white bone club in his hand. He gritted his teeth and said, “No, if you hand over the White Bone Club, you will definitely not let me off!”

“TSK TSK, if you are not even willing to hand over the white bone club, how can I believe your sincerity?” Qin Yu sneered.

Zhong Wu was conflicted for a moment.

With the white bone, he originally thought that he would not be afraid of anything.

However, when he saw the crack on the iron door of the dungeon, he became timid.

He gritted his teeth and said, “If I hand over the white bone to you, will you let me go?”

Qin Yu sneered and said, “No.”

“You! Are you really going to make such a scene? The white bone in my hand is not to be trifled with!” Zhong Wu said coldly.

Qin Yu nodded slightly and said, “That’s right. The white bone club in your hand is indeed a treasure, but unfortunately, you are a waste.”

“Qin Yu, you are going too far!” Zhong wu finally could not hold it in anymore!

He held the white bone club in his hand and headed straight for Qin Yu!

Qin Yu’s expression was ice-cold. His body was suffused with a golden light, and his right fist was like a golden sun.

Not only did Qin Yu not have the slightest intention of dodging this strike, he even revealed a trace of excitement!

“Qin Yu is planning to take on the white bone staff head-on!”

“Using his physical body? Using his physical body to take on the white bone staff head-on? Isn’t that courting death?”

“Although Qin Yu’s abilities aren’t ordinary, this white bone staff... is a holy weapon.”

The white bone staff headed straight for Qin Yu, and Qin Yu’s body similarly surged with a strong battle intent!

Just as the great white bone club was approaching, Qin Yu moved.

He clenched his Golden Fist and roared as he directly faced the Great White Bone Club!

“Boom!”

A loud sound exploded at this moment, as if the world had exploded!

A crack instantly appeared under Qin Yu's feet.

This crack extended for several kilometers, as if it had split the hunter organization into two!

Although this white bone staff was not a revived holy weapon, its power was still beyond imagination!

Qin Yu only felt pain in his fist. Even his bones seemed to have been affected!

"As expected of a holy weapon." Qin Yu lowered his head to look at his fist and muttered softly.

The onlookers looked at each other in dismay.

How Strong was Qin Yu's physical body? He was actually unharmed by the white bone staff's attack?

Zhong Wu's expression changed drastically! Cold Sweat kept breaking out on his forehead!

If even the white bone staff couldn't defeat Qin Yu, he would definitely die today!

"Such a treasure in your hands is really a waste," Qin Yu lamented.

Anyone who liked to play tricks would often be hindered in their cultivation, and their dao heart was often unstable. Zhong Wu was no exception.

Qin Yu looked at Zhong Wu and said indifferently, "Do you still think that this white bone club can save your life?"

Zhong Wu didn't give up. He gritted his teeth and said, "Qin Yu, everything is negotiable. Why do you have to fight to the death?"

"Fight to the death? Do you think you have the right to say that?" Qin Yu mocked.

"You... you are going too far. Don't think that I'm really afraid of You!" Zhong Wu's face was filled with madness, and he kept roaring.

Chapter 1558: Chapter 1,558, he teng! 1

Zhong Wu's face was filled with madness, but Qin Yu's heart was also somewhat solemn.

He wasn't as relaxed as he looked on the surface. After all, the white bone staff was a saint weapon. Even if it wasn't resurrected, its power was unimaginable.

Just now, Qin Yu had relied on his sturdy body to withstand the staff, but his fist was in pain.

Zhong Wu had been sitting on the white bone staff for so long, so it was impossible for him not to have learned something.

After thinking for a while, Qin Yu directly opened the fifth level of the fighting word formula.

Then, he reached out with his palm and held the iron rod in his hand.

At this moment, Qin Yu was like a god of war, extremely powerful.

The internal Qi on his body was extremely terrifying, and everything under his feet was shattered into dust. Golden Light surged out of his body.

"So this is Qin Yu's true strength..."the surrounding crowd felt the terrifying pressure on Qin Yu and were all greatly shocked.

Zhong Wu, who was already extremely afraid, turned even paler at this moment.

Even the hand holding the white bone staff was trembling slightly.

Qin Yu looked coldly at Zhong Wu and said, "Let's end this battle quickly. Don't waste any more time."

Zhong Wu knew that this battle was unavoidable, so he could only brace himself and fight.

"Qin Yu, you're going too far..."Zhong Wu grabbed the white bone staff with both hands, and all of his internal Qi poured into the white bone staff!

In an instant, the white bone staff flashed with light, and in the next second, strands of internal Qi floated out.

This internal Qi lingered on the white bone staff, and Qin Yu actually felt a familiar scent.

"This... This actually has a hint of holy might."Qin Yu's expression changed slightly.

The internal Qi emitted from the white bone staff was indeed like a strand of holy might.

Although it was not as heavy and terrifying as a wisp of internal Qi, the smell was exactly the same as what Qin Yu had felt in the sacred tomb!

“It seems that I have underestimated this white bone staff...”Qin Yu muttered softly.

He glanced at the iron staff in his hand and tried to merge his internal Qi into the staff. Unfortunately, the staff did not respond.

“Although this white bone rod has not been resurrected, it is not as silent as the iron rod in my hand,”Qin Yu said in a low voice.

“Qin Yu, be careful!”

Just as he was thinking, Zhong Wu grabbed the white bone rod and smashed it at Qin Yu!

The power of the white bone rod that was emitting light was suddenly different. It passed through the Void and came straight at Qin Yu. There was nowhere to hide!

The staff had yet to arrive, but that terrifying pressure was already coming right at him!

Qin Yu naturally did not dare to be negligent. He grabbed the iron staff in his hand and immediately went up to meet it.

“Clang!”

At the moment of contact, a deafening crisp sound was heard. The terrifying residual power was like water ripples, sweeping out in all directions!

Qin Yu only felt pain in his wrist, and the iron staff was trembling incessantly from the beating!

“As expected of being tainted with a trace of holy might...”Qin Yu was extremely shocked!

One had to know that this white bone rod was not tainted with the true holy might, it only revealed a trace of holy might!

But even so, its power was still incomparable, incomparably terrifying!

No wonder even a colossus like the Heavenly Cloud Sect was unwilling to become enemies with the hunter organization. Other than the uniqueness of the hunter organization, this white bone rod was also an extremely important reason!

“Go to hell!”

As he said this, Zhong Wu once again came with the white bone staff in his hand!

Qin Yu's expression turned cold. He held the iron staff with both hands and fiercely welcomed him.

Under the support of the white bone staff, this Zhong Wu was actually able to be on par with Qin Yu.

The two of them fought from the ground into the void and then fell out from the void. The terrifying explosion was like thunder coming from the void, extremely ear-piercing.

Everyone looked at the scene in front of them and was at a loss for what to do.

Qin Yu's strength was unimaginable, and the power of the white bone club was even more unfathomable.

However, only Zhong Wu knew in his heart that if this continued, the one who would die would definitely be him!

Although he had the white bone club in his hand, it was not his own strength after all. He would only become weaker and weaker as he fought.

On the other hand, Qin Yu did not show any signs of internal Qi. On the contrary, he became more and more courageous as he fought. He was like an undefeatable god of war, extremely terrifying!

"Qin Yu, go to Hell!"

Zhong Wu bared his teeth and grabbed the white bone staff and smashed it at Qin Yu.

However, in this collision, Zhong Wu did not get any benefits. On the contrary, he was forced back a few steps!

"Clang!"

Qin Yu smashed the iron staff in his hand onto the ground. His hair danced wildly as he said coldly, "Come!"

Zhong Wu's heart was filled with terror. He could not figure out why Qin Yu was becoming more and more courageous as he fought. Why was he able to resist the holy weapon? How did he do it!

"Putting the white bone in your hand is simply a reckless waste of a god's gift," Qin Yu said coldly.

Qin Yu understood in his heart that as long as this white bone rod emitted a wisp of true holy might, it was not something Qin Yu could resist.

Just a wisp of holy might was enough to kill Qin Yu!

But unfortunately, the white bone staff was only tainted with a trace of holy might and did not have the true holy might's blessing.

"Qin Yu, I'll give you the white bone staff and you can spare my life." Zhong wu gritted his teeth and said.

Qin Yu sneered and said, "You'll definitely lose. What qualifications do you have to negotiate with me!"

"Qin Yu, if you want to force me, at most we will die together!" Zhong Wu grabbed the white bone club, his face showing madness.

"Die together? Do you have the ability?" Qin Yu's body was full of fighting spirit, and Golden Light appeared!

Everyone was convinced by Qin Yu's aura, and Zhong Wu was even more terrified.

"Qin Yu is right. It is indeed a pity that the white bone club is in your hands..."

At this moment, a voice suddenly came from the dark.

In the next second, black mist floated up and a black wormhole suddenly appeared behind Zhong Wu!

Qin Yu's expression changed and he immediately felt that something was wrong.

Without thinking, he grabbed the iron club in his hand and smashed it fiercely!

Even though Qin Yu reacted quickly, it was still too late.

A large hand reached out and grabbed Zhong Wu into the void.

"Hehe... Qin Yu, thank you for Your Gift..."

This voice was extremely familiar. Who else could it be other than he teng?

"Damn it, he teng, don't even think about running away!" Qin Yu was instantly enraged.

He immediately activated his desolate divine eye and scanned his surroundings.

However, he Teng's spatial spell was truly brilliant. In an instant, he disappeared without a trace.

The sudden change of events made everyone dumbfounded.

"Qin Yu, Zhong Wu... escaped?" Jing Bai quickly walked forward and asked.

Qin Yu's face was gloomy. He shook his head and said, "The situation has become more complicated..."

"Who was that voice just now? Do You Know Him?" Guan Zhuang asked in puzzlement.

Qin Yu took a deep breath and said in a low voice, "That was a guy who was a hundred times more difficult to deal with than Zhong Wu..."

If the white bone club fell into he Teng's hands, it would definitely be very bad news.

Chapter 1559: Chapter 1,559, Eternal Rebellion 1

Qin Yu's face was as dark as water. The more he thought about it, the angrier he became.

This he teng had caused trouble for Qin Yu many times back on Earth. Who would have thought that after coming to the holy region, he would still be so sinister.

"Qin Yu, the white bone club is lost. You have to find it for us," at this moment, a hunter in the crowd said.

"That's right. For so many years, the white bone club has never left the hunter organization. This is also the protection of our hunter organization. Now that the White Bone Club is lost, the hunter organization is very likely to be threatened..."

Qin Yu also fell silent.

Without the white bone club, the hunter organization was indeed like a tiger that had lost its fangs, losing its deterrent force.

"I will bring back the white bone club as soon as possible," Qin Yu said in a deep voice.

Although that was the case, everyone understood in their hearts.

As soon as possible? How long was as soon as possible? One Day? Ten Days? Or according to the year?

Would the hunter organization be able to hold out until then?

Qin Yu also saw through everyone's doubts. He said in a deep voice, "Everyone, don't be anxious. Before I leave, I will definitely think of a countermeasure, a countermeasure that can guarantee the hunter organization."

"Ai, Qin Yu, then I can only trouble you." Everyone sighed.

Qin Yu grunted in gratitude. He planned to set up a formation in the hunter organization's headquarters to protect the safety of the hunter organization.

On the other side.

He Teng had already brought Zhong Wu and escaped for hundreds of stars.

His speed could be said to be abnormal!

The two of them stopped in an uninhabited area.

He Teng was as usual. His entire body was wrapped in a black robe and his true appearance could not be seen. However, the internal Qi emitted from his body was extremely evil.

Zhong Wu looked at he teng and said, "Who are you? Why did you save me? Also, what is your relationship with Qin Yu?"

He Teng narrowed his eyes and said with a faint smile, "Are you asking me..."

Zhong wu said coldly, "Is there a second person here? Let me tell you, I..."

"Pa!"

Before Zhong Wu could finish, he teng suddenly stretched out a skinny palm and directly pierced through Zhong Wu's head!

Zhong Wu stared at He Teng, as if he couldn't believe everything in front of him.

Before he died, he never thought that he teng would suddenly attack and directly take his life!

"Reckless Fellow, do you really think that I'm doing this to save you... Hehe..." he teng said sinisterly.

He snatched the white bone club from Zhong Wu's hand and an extremely sinisterly smile appeared on his face.

“With this white bone club, who else can stop me... Hahaha!” He Teng’s impudent smile was deafening for miles in Mianyang!

“Why didn’t you fight with Qin Yu just now...” at this moment, another voice suddenly came out of He Teng’s mouth.

He Teng said coldly, “I’m not his opponent now, Qin Yu.”

“Hehe... After so many years, when did you win against him? And when can you become his opponent?” That voice sounded again, but it was full of sarcasm.

This time, he teng surprisingly did not get angry. On the contrary, he used the same sarcastic tone to reply, “What About You? A fellow who has been absorbed by me, do you have the qualifications to mock me?”

That voice coldly said, “You don’t have that chance. I will not let you completely absorb it...”

“Hahahaha! Then let us wait and see.” He Teng coldly said.

...

Hunter organization.

In the past few days, many hunters felt extremely uneasy.

Many sects had coveted the hunter organization for many years. Now that they had lost the white bone club, who knew how many sects would take advantage of it.

However, after a few days, the hunter organization was calm and peaceful.

“With Qin Yu around, who would dare to come and make trouble?”

“Indeed, the current Qin Yu’s strength is not weaker than the three maniacs and three uniques.”

“I don’t think the three maniacs and three uniques will be able to take on the white bone staff head-on.”

The anxious hearts of everyone slowly relaxed. Many hunters began to return to the green rock forest to hunt.

Three days later, Qin Yu finally found the formation.

This formation was called the Dragon Protection Formation. It was a formation that could be activated on its own. Once it encountered a strong enemy, this formation would be activated on its own.

In addition, those who possessed the dragon protection formation could also activate this formation on their own.

If there were any problems within the hunter organization, they could activate this formation on their own and eliminate their internal enemies.

In other words, once they possessed this formation, they would have almost all the rights of the hunter organization.

Therefore, the person who possessed this formation had to be a person who was righteous enough.

After thinking about it, Qin Yu decided to let Jing Bai and Guan Zhuang hold this formation at the same time. Only when both of them made the decision at the same time could the formation be activated.

“To set up the Dragon Protection Formation, I need a batch of materials. I’m afraid I have to make a trip to Gu City,” Qin Yu thought to himself.

Therefore, Qin Yu and Jing Bai said their goodbyes and rushed towards Gu City.

At the same time, a piece of news spread out:

Yong Ji had given up on Yong Ji City and defected to the northern lands!

Once this news spread out, the entire South Province could not help but be greatly shocked!

“Yong Ji that bastard actually defected to the Northern Lands!”

“He is one of the three uniques, how could he do such a thing!”

“If I had known this would happen, I would have helped the Heavenly Cloud sect back then and killed Yong Ji together!”

Everyone could not help but be furious. No one had expected that Yong Ji would openly defect to the northern lands!

“I knew that this guy is not a good person.” Jue Wu wrinkled her nose and could not help but look angry.

Qu zhu stretched and said, "It is only a matter of time before Yongji seeks refuge with the northern lands. If he doesn't seek refuge with the northern lands, I'm afraid he will die in the southern region."

At this point, qu Zhu suddenly said coldly, "Just wait and see. There will definitely be more and more people seeking refuge with the northern lands."

...

Qin Yu, who had just arrived at Gu City, also heard this news.

Sitting in the teahouse drinking tea, his expression couldn't help but turn cold.

"This Yongji... I really should have killed him back then." Qin Yu couldn't help but clench his fists.

As one of the three unique skills, Yongji's strength was extremely powerful.

More importantly, the outstanding talents of the Southern Region's younger generation were also brought to the northern lands by him.

This was an extremely terrifying force. The influx of fresh blood would only make the already powerful northern lands even more arrogant.

"Looks like I have to head to the northern border as soon as possible," Qin Yu thought to himself.

Then, Qin Yu stood up and walked out of the teahouse, starting to search for the materials to set up the Dragon Protection Array.

Gu city was close to the hunter organization, so their materials were extremely rich.

Qin Yu spent two days to gather most of the materials for the Dragon Protection Array.

With these materials, it should be enough to set up the Dragon Protection Array, Qin Yu thought while sitting in the inn.

Then, he reached out his hand and took out the iron rod.

After thinking for a while, Qin Yu said in a low voice, "I'll use this iron rod as the core of the array. It can be considered as a repayment for the white bone rod they lost."

## Chapter 1560: Chapter 1,560, Xiao Hai's painstaking efforts 1

Qin Yu had never liked owing others favors. Even though he had accepted many people's help unconsciously, he still remembered all of this help in his heart.

After bringing these materials, Qin Yu planned to leave Gu City and return to set up the Dragon Protection Formation.

However, just as he was about to leave, he accidentally heard another piece of news:

The three madmen, Baro and Feng Hai, had also joined the northern lands.

Upon hearing this news, Qin Yu's expression could not help but darken, but he was not surprised.

According to the news from the Heavenly Blood Rainbow, the northern lands had indeed obtained the inheritance of the immortal slaying sect.

As a large sect that was once the number one sect in the world, their spells were countless. It was not strange at all for Baro and Feng Hai to join the northern lands in pursuit of strength.

The people around were discussing animatedly. They seemed to be filled with worry about the southern region.

"Two of the three maniacs have already joined the northern lands. There's only one ultimate dance left."

"Sigh, perhaps before long, ultimate dance will also join the northern lands. At that time, the southern region will really be finished."

When Qin Yu heard this, he could not help but say with a dark face, "It's impossible for ultimate dance to join the northern lands. Don't make wild guesses."

Hearing Qin Yu's voice, everyone immediately looked at Qin Yu.

Looking at Qin Yu in front of them, they seemed to have recognized Qin Yu's identity.

"Are You Qin Yu?" Someone took the lead to ask.

Qin Yu didn't hide anything and only nodded.

After receiving Qin Yu's acknowledgment, this group of people quickly surrounded him.

They cupped their hands to Qin Yu and said with some pleading, "Mr. Qin, please resist the northern lands."

"That's right. If even you join the northern lands, our southern region will really be finished..."

Qin Yu looked at everyone in surprise and said in confusion, "Even if the northern lands really entered the southern region, you can still choose to leave the southern region. Why are you so worried?"

When everyone heard this, they could not help but sigh and say, "That's right. To you powerful people, you can indeed leave the southern region at any time. But what about us? With our cultivation, when will we ever be able to leave the Southern Region?"

"That's right. We can only place our hopes on you. To us, the better the South Province is, the more chance we have to struggle."

At this moment, Qin Yu came to a sudden realization.

He suddenly understood Xiao Hai's good intentions.

With Xiao Hai's ability, he was able to go to the Central Province. However, he did not make such a choice. Instead, he stayed in the South Province and fought for the South Province.

Back then, Qin Yu wasn't exhausted. However, at this moment, Qin Yu understood.

To ordinary people, how could there be so many opportunities to leave? If all the experts left, they would only be lambs waiting to be slaughtered.

At this moment, Qin Yu's admiration towards Xiao Hai increased by a few notches.

He looked at everyone and said with a firm tone, "Everyone, don't worry. I will definitely not join the northern lands. In a few days, I will head to the border."

"As long as I, Qin Yu, am alive, I will definitely fight until the last moment."

When everyone heard this, they cupped their hands towards Qin Yu. Some even planned to kneel down, but Qin Yu stopped them.

Looking at the people in front of him, Qin Yu felt a myriad of emotions.

Once an all-out war broke out, the first ones to be affected would definitely be these ordinary people.

Especially the spells controlled by the northern lands, which originated from the immortal slaying sect.

Those were extremely brutal spells that were too horrible to look at.

Qin Yu took a deep breath and said in a low voice, "Looks like I have to hurry to the northern lands."

An all-out war was bound to happen sooner or later, so Qin Yu had to hurry.

Qin Yu didn't stay any longer and immediately left Gu City.

"Qin Yu, there are so many people. You can't save them. No one can save anyone..."

Heavenly Blood Rainbow's voice came from the spatial magic artifact.

Qin Yu stopped in his tracks.

Of course, he understood that Heavenly Blood Rainbow was right.

But if every expert had this mentality, then the South Province would really be finished.

Qin Yu didn't explain too much to him and quickly rushed toward the hunter organization.

After returning to the hunter organization, Qin Yu didn't waste any time and immediately began to set up the dragon-protecting formation.

Setting up the Dragon Protection Formation was not an easy task. With Qin Yu's method, it would take at least a week.

The rest of the week was busy.

When the hunters saw this, they could not bear it.

"In fact... Qin Yu could have just left."

"Yes, the loss of the white bone club can not be blamed on him..."

Jing Bai looked at Qin Yu's figure and was even more silent.

He secretly clenched his fists and could not help but feel resentful in his heart. He hated himself for not having powerful strength.

...

While Qin Yu was setting up the formation, a sect suddenly emerged in the South Province.

This sect was called Teng Gate. In just a few days, it had destroyed dozens of sects of all sizes!

And the owner of Teng Men was none other than he teng!

He Teng had relied on his own powerful strength and the support of the white bone staff to become the second largest sect in the South Province in just a few days, just below the Heavenly Cloud sect!

The already chaotic South Province, with the addition of He Teng, this shit stirring stick, immediately became even more chaotic.

At the same time, the people of the northern lands began to invade the South Province.

These northern cultivators who had entered the southern region burned, killed, and plundered the southern region, committing all kinds of evil.

Because of the great battle last time, the Heavenly Cloud sect had suffered a great blow, so their strength had also been reduced, causing the southern region to become even more rampant.

Many ambitious people formed their own teams and began to fight against the northern cultivators.

...

In the blink of an eye, seven days had passed.

Clouds of mist appeared above the entire Hunter organization.

The Mist covered the Sun and moon. From time to time, one could see a dragon-like internal Qi swaying in the mist.

"It's finally done."

Qin Yu buried the iron rod at the core of the formation. The moment the iron rod was placed there, the mist of the entire hunter organization slowly closed like a huge door.

At a glance, it actually looked somewhat similar to the Cultivation Mountain of the Heavenly Cloud sect.

"It's about time to head to the northern lands," Qin Yu thought to himself.

Therefore, Qin Yu found Jing Bai and Guan Zhuang and taught them the method to activate the Dragon Protection Formation.

“This formation can only be activated by the two of you at the same time. Therefore, it’s best for the two of you to stay together in the future,” Qin Yu said in a deep voice.

Guan Zhuang muttered, “Is this formation really that powerful?”

“Yeah, this formation looks very ordinary...” a hunter beside him whispered.

“No matter how you look at it, this formation doesn’t look like it can protect the sect...”

Qin Yu smiled. Just as he was about to speak, a dense crowd of people suddenly appeared above him.

These people were like a dark cloud, blotting out the sky and covering the sun.

They stood above, looking down at the crowd from above.

“Listen up, from today onwards, the hunters will stop us. Otherwise, today will be the day the hunter organization is destroyed!”

The voice was like thunder, rolling over, shaking the earth and causing it to rumble.

Chapter 1561: Chapter 1,561, lightning body tempering 1

Qin Yu narrowed his eyes and looked up.

Hundreds of people stood in the air. Their internal Qi gathered together and was extremely dense.

“Damn it, it’s the Shocking Thunder Hall.” Jing Bai frowned slightly.

“Shocking Thunder Hall? What is that?” Qin Yu was puzzled.

Jing bai explained, “It’s a sect with great strength. They have been coveting the Hunter Organization for a long time.”

After saying that, Jing Bai shouted to the top, “Are you crazy? How dare you attack our Hunter Organization!”

“Hahahahaha!” Arrogant laughter came from the top.

“So what if it’s the hunter organization? This time, our Thunderbolt Hall has made full preparations!”

Jing Bai frowned slightly and said in a low voice, “I’m afraid that the news of the loss of the white bone staff has already spread out.”

Qin Yu raised his eyebrows and said, “It’s about time. Didn’t you guys doubt the power of the Dragon Protection Formation? Now is a good opportunity.”

After saying that, Qin Yu directly retreated to the side.

Jing Bai frowned slightly and said, “Qin Yu, although this Thunderbolt Hall can’t be compared to a top-tier sect like the Heavenly Cloud sect, its strength is also extremely powerful. This formation...”

“Don’t worry,” Qin Yu said indifferently.

Jing Bai could only nod his head when he saw this.

He and Guan Zhuang exchanged a glance and planned to activate the formation to fight against the Thunderbolt Hall.

The two of them slightly closed their hands and raised their palms, causing the surrounding wind to gush over.

Immediately after, the dense fog seemed to have been hit by a storm and began to sweep over! ..

In the blink of an eye, the scattered fog actually condensed into two lifelike divine dragons!

The Divine Dragons were incomparably mighty, as if they came from an ancient myth.

Although these divine dragons looked extremely extraordinary, everyone was unable to sense the slightest bit of internal Qi from their bodies.

“Hahahahaha!” When the hall of Shocking Thunder saw this, they couldn’t help but burst into laughter.

“Two dragons without any internal Qi. Why? Are they trying to resist my Thunderclap Hall?”

At this moment, the members of the hunter organization lost their confidence.

Jing Bai subconsciously looked at Qin Yu, but Qin Yu was lying there leisurely with his eyes slightly closed. It was quite comfortable.

Jing Bai gritted his teeth and looked at Guan Zhuang.

Their eyes met, and their minds instantly connected.

“Formation, Rise!”

The two of them roared in unison, and the two divine dragons immediately charged towards the hall of Shocking Thunder!

The hall master of the Hall of Shocking Thunder sneered, and with a flip of his palm, he took out a magical artifact that looked like a gong.

“You don’t know life from death.”The hall master of the Hall of Shocking Thunder snorted coldly, and immediately activated the gong. Immediately after, dark clouds covered the sky, and bolts of lightning surged down from the high sky, ruthlessly smashing towards the two divine dragons!

Seeing this scene, Qin Yu immediately opened his eyes.

“Lightning Element?”Qin Yu said in a low voice.

When he was on Earth, he had heard of the Lightning element, and had even collected a portion of the heavenly tribulation.

But ever since he came to the holy region, he had never heard of it again.

Now that he saw the lightning that the hall master of the Thunderbolt Hall had summoned, he couldn’t help but be shocked!

The Lightning rushed towards the two divine dragons.

But at the moment of contact, the Divine Dragon opened its bloody mouth and swallowed the Lightning!

In the next second, the Lightning came out of his mouth and headed straight for the members of the Thunderbolt Hall!

Before the members of the Thunderbolt Hall could react, the second divine dragon had already swept over!

That huge body swept over everyone at an extremely fast speed. The terrifying force instantly shattered their bodies!

Seeing this, Qin Yu couldn’t help but sneer.

One had to know that this formation core used an iron rod! The power of the Iron Rod was unimaginable. How could they withstand it?

They originally thought that it would be a fierce battle, but in a short moment, more than half of the Thunderbolt Hall was killed!

The many hunters watched with their mouths agape, as if they didn't dare to believe that this dragon protection formation had such terrifying power!

"Alright, put away the formation," Qin Yu said to Jing Bai.

Jing Bai and Guan Zhuang immediately closed the formation according to Qin Yu's request.

In a moment, the entire hunter organization was restored to its original state and was covered by the fog.

Qin Yu raised his head to look at the shocked Hall Master of the Thunderbolt Hall. With a deep leap, he arrived in front of him in an instant.

"You... I..."

The moment he saw Qin Yu, the Hall Master of the Thunderbolt Hall could not hold back a fart for a long time.

Qin Yu reached out to take the gong and drum in his hand and began to fiddle with it.

"Let me ask you, where did this thing come from?" Qin Yu asked.

The Hall Master of the Thunderbolt Hall hurriedly said, "This... this is something I got by chance..."

"By chance? Then do you know what the Lightning element is?" Qin Yu asked.

He shook his head, and a hint of confusion flashed across his face.

Qin Yu held the magical artifact silently. He tried to sense the internal Qi of the gong and drum.

As expected, the sky was once again filled with dark clouds, and bolts of lightning condensed like lightning snakes!

However, this lightning was hundreds of times larger than the one summoned by the hall master just now!

"I'll go."

Seeing this scene, even Qin Yu was shocked!

This magical artifact was actually so powerful?

“Rumble...”

The Lightning fell down like a silver waterfall from the nine heavens!

Qin Yu narrowed his eyes. He suddenly had an absurd and crazy idea!

Qin Yu's body shook and shot toward the Lightning!

Then, the Lightning Swallowed Qin Yu's body.

Under the huge lightning bolt, there was no trace of Qin Yu!

“Qin Yu!”

Jing Bai and Guan Guan shouted at the same time!

The surrounding hunters could not help but be shocked as they covered their mouths!

Jing Bai, who did not know what was going on, thought that the Hall Master of the Thunderbolt Hall was behind this. He glared at the hall master and gritted his teeth as he said, “I'm going to kill you!”

“No... It's none of my business!” The hallmaster was in a panic. He had no idea what had happened.

However, Jing Bai and Guan Zhuang, who were in a state of anger, did not listen to him.

They were about to activate the Dragon Protection Formation and kill the hallmaster of the Hall of Shocking Thunder!

“Alright, stop.”

But at this moment, Qin Yu's voice came from the Lightning.

He walked out from the Lightning. His clothes were torn and his body was bleeding.

“Qin Yu, are... Are You Alright?” Guan Zhuang rushed over.

Qin Yu looked at his body and shook his head, “I'm fine.”

His body was slowly healing. His exposed bones were shining with a faint golden light.

“Why did you suddenly rush into the Lightning?” Jing Bai walked forward and asked in puzzlement.

Qin Yu looked up at the dark clouds, squinted his eyes, and said, “This lightning... is a treasure to temper one’s body...”

“Temper one’s body?”

Jing Bai and Guan Zhuang were stunned.

Temper one’s body with this lightning? was he crazy?

“Such strength is just right for tempering one’s body,” Qin Yu said with a sneer.

Chapter 1562: Chapter 1,562, the furious Xiao Hai 1

Wen Wanji had once said that he wanted to let Qin Yu’s physical body enter the reversion void stage.

Although Qin Yu’s body was already tough enough, there was still a certain gap between him and someone at the reversion void stage.

If he used this magical artifact to temper his body, it would be perfect.

“Qin Yu, are you... really okay?” Jing Bai asked from the side.

Qin Yu’s body was bleeding profusely, which made people worried.

Qin Yu nodded and said, “I’m fine.”

Then, Qin Yu looked at Jing Bai and the others and said, “You’ve tried this array. It’s not difficult to protect the hunter organization. I’ll leave first.”

Jing Bai and the others still wanted to keep Qin Yu, but they knew that Qin Yu had more important things to do, so they nodded and agreed.

After saying goodbye to everyone, Qin Yu summoned the Divine Eagle and rushed toward the northern border.

The northern land was very far from the Green Rock Forest.

One was in the northernmost part, and the other was in the southernmost part.

Even with the Divine Eagle, Qin Yu would need at least a week to arrive.

High Up in the sky, Qin Yu looked down.

He saw with his own eyes the people of the northern land burning, killing, and plundering. He saw the cultivators of the southern region rise up in resistance. He also saw countless people lying in pools of blood.

Qin Yu's expression was incomparably cold, but he did not make a move.

Because he knew very well in his heart that doing so would only be treating the symptoms and not the root cause.

Only by eliminating the northern lands could this matter be resolved from the root cause.

Qin Yu sat on the Divine Eagle with his eyes slightly closed, absorbing the threads of spiritual Qi from the sky.

Although the current Qin Yu was only at the early-stage of the mighty figure, he was not much inferior to the peak of the mighty figure.

As long as he didn't encounter anyone at the reversion void stage, the current Qin Yu wasn't afraid of anyone.

...

At the northern border.

This place had already been completely turned into a battlefield. Corpses littered the ground and blood flowed like a river.

Xiao Hai led everyone and fought with all their might, killing countless northern cultivators.

At this moment, Xiao Hai was coldly looking in the direction of the northern lands.

In the middle was a huge river. This river was the famous Dead Sea, and no one could cross it.

On the other side of the Dead Sea, Sima Bei was looking at Xiao Hai from afar.

And standing beside Sima Bei were Yong Ji and his many adopted sons.

"Xiao Hai, do you think that you alone can resist us?" Sima Bei said coldly.

"Currently, there are already four people from the three madmen and three absolutes of the northern lands who have arrived in the northern lands. With just a legend like you, do you think you can beat a rock with an egg?!"

Xiao Hai's expression was cold, but he knew that he was the only one supporting the entire northern border.

"Yong Ji, you despicable person," Xiao Hai said coldly.

Yong Ji placed his hands behind his back, he smiled faintly and said, "Despicable? When it comes to cultivation, how can there be anything despicable? The northern lands has an even more powerful spell. I only made the right choice. Do I have to be like you, risking my life for a bunch of unrelated people? "In my opinion, you're the Idiot!"

Xiao Hai shouted, "Yong Ji, do you dare to fight me?"

Yong Ji laughed out loud, "Xiao Hai, if you have the ability, then cross the Dead Sea. I'll fight you!"

"Despicable scoundrel!"

Xiao Hai suddenly let out an angry roar. A terrifying qi energy directly crossed the Dead Sea and headed straight for Yong Ji!

Yong Ji couldn't help but have a shocked expression. He hurriedly attacked and faced this dragon-like internal Qi!

"Boom!"

At the instant of the collision, Xiao Hai's furious roar vanished into thin air.

However, this still made Yong Ji feel shocked!

He lowered his head to look at his palm and felt a tinge of numbness on his palm.

One had to know that this was only Xiao Hai's furious roar! If he were to face Xiao Hai directly, his chances of winning would be extremely low!

Yong Ji narrowed his eyes slightly and a trace of anger suddenly rose in his heart.

At this moment, he suddenly realized that among the legends of the three lunatics and three absolutes, no one was weaker than him!

Sima Bei seemed to have seen through Yong Ji's thoughts. He said indifferently, "No matter. After you cultivate the complete sacred heart technique, this Xiao Hai is not worth mentioning."

Yong Ji looked at Sima Bei and said, "Are you his opponent?"

Sima bei narrowed his eyes and said coldly, "In the entire South Province, I'm not afraid of anyone."

"Then why don't you cross the Dead Sea and kill Xiao Hai? As long as Xiao Hai dies, wouldn't the South Province Be Yours?"Yong Ji coldly questioned.

Sima bei was not angry. He placed his hands behind his back and indifferently said, "My main body can not leave the north for the time being. My clone is unable to defeat Xiao Hai. Otherwise, why would I spend so much effort to rope you guys in?"

Yong Ji frowned slightly. He turned around and looked at the frozen snow land behind him. In the middle of the frozen snow land, there was a huge snow mountain.

And the one sleeping under the snow mountain was the master of the northern lands.

"The master of the northern lands... does he really exist?"Yong Ji took a deep breath.

The moment these words were said, SIMA BEI's expression instantly became extremely cold.

This caused the already cold northern lands to suddenly become violent.

Yong Ji's expression changed slightly, and he hurriedly explained, "I don't have any other intentions..."

Sima bei coldly said, "No one is allowed to question the master of the northern lands."

"En, I understand."Yong Ji nodded.

Across the shore, Xiao Hai became even angrier.

He clenched his fists tightly, and his teeth clenched so tightly that they made cracking sounds.

"Senior Xiao Hai, when the northern lands launch the next round of attacks, I'm afraid we won't be able to hold on any longer,"someone beside him said.

Xiao Hai's expression was also quite grave.

The Heavenly Cloud sect had already pulled him back, and Jue Wu had also left the northern border due to her physical condition.

Right now, Xiao Hai was the only one left struggling to hold on in the vast northern border.

"I'm afraid that the northern lands will send out Yong Ji, Baro, and Feng Hai next time," someone beside him said with a sigh.

"These three people are all top-notch in the southern region. I'm afraid that you won't be able to hold on by yourself."

Xiao Hai said coldly, "Just let them do what they want. I, Xiao Hai, have nothing to fear."

After saying this, Xiao Hai turned around and returned to the room.

In the room, Xiao Hai was squinting his eyes slightly. His palm was shaking in the air. Streams of faint light moved along with his palm.

No one knew what Xiao Hai was doing. They could only see him frowning from time to time, and breaking out in cold sweat from time to time.

"Senior Xiao Hai, what are you doing?"

Finally, someone could not help but ask.

Xiao Hai slowly opened his eyes. He wiped the sweat off his forehead and said, "Deducing a spell."

"Spell?" The few of them looked at each other.

Xiao Hai did not explain further. He just closed his eyes again.

This time, he closed his eyes for three whole days.

Three days later, someone suddenly ran in anxiously from outside.

"Senior Xiao Hai, it's bad! The people of the northern lands are here!"

Hearing this, Xiao Hai suddenly opened his eyes.

"Just as we expected, the ones who attacked this time are Yong Ji Baro, Feng Hai, and the other two!" The person at the door said anxiously.

Xiao Hai did not show any fear. He suddenly stood up and said coldly, "Just in time. Today, I will kill the three of them!"

Chapter 1563: Chapter 1,563, heroic spirit! 1

Xiao Hai didn't show any fear when facing his former comrades from the southern region. On the contrary, he was full of fighting spirit.

“Senior Xiao Hai, in addition to the three of them, a large group of cultivators from the northern region have also arrived,” the person next to him said with a frown.

Hearing this, Xiao Hai’s expression slightly changed.

One had to know that the average cultivation base of the northern region was far above that of the southern region.

Because of the harsh environment, the people who stayed behind were all extremely powerful.

Xiao Hai wasn’t afraid of those three people, but these three people had enough strength to delay Xiao Hai!

If that was the case, the southern region would suffer heavy losses!

He didn’t think anymore and quickly walked out of the room.

It was already a mess outside. Yong Ji and the other two stood high up in the sky, coldly looking down.

As for the northern cultivators, they had already started fighting with the southern region.

Just as Xiao Hai had guessed, the southern region had suffered heavy losses. They were not a match for the northern cultivators at all.

“Damn it!”

This made Xiao Hai, who abhorred evil as his enemy, instantly furious!

With a wave of his palms, his hands shot out like dragons. A terrifying internal Qi pierced through the crowd, instantly killing several northern cultivators!

Seeing Xiao Hai’s terrifying strength, Yong Ji and the others couldn’t help but sigh.

“A legend’s strength is probably above the three of us.” Yong Ji sighed with heartfelt emotion.

Feng Hai and Baro didn’t say anything, but their intentions were very obvious.

“Attack. If Xiao Hai continues to kill, I’m afraid these people won’t be enough.” Baro said coldly.

He stretched out his hand and took out a scimitar.

This scimitar was extremely extraordinary. Rumor has it that it had been forged by a master refiner, and it was mixed with the powder of a saint's bones. Its power was boundless.

"Xiao Hai, your opponent is us!" Baro shouted at Xiao Hai.

Xiao Hai didn't say a word. Only one palm responded to him!

This terrifying palm print came straight at him with a buzzing explosion!

Baro naturally did not dare to be negligent. He held the scimitar in his hand and suddenly slashed forward!

"Bang!"

The palm print was cut into two pieces, but the residual force forced Baro back a few steps!

Baro's expression could not help but change, and a trace of solemnity appeared in his heart.

"Everyone, attack together. I'm afraid that we are not his match in a one-on-one fight," Baro said coldly.

Yong Ji and Feng Hai also took a step forward, their internal Qi bursting out.

However, Xiao Hai had no strength to control the others. He swept his gaze across the battlefield and shouted, "Everyone, hide behind me!"

Hearing Xiao Hai's shout, everyone couldn't help but be stunned.

This caused the already defeated people to be impacted once again!

Xiao Hai was instantly furious. His eyes were wide open and he immediately waved his hand!

A large green hand instantly stretched out and actually protected a large number of cultivators from the southern region under his hand!

What kind of heaven-defying method was this! Even Yong Ji and the others were greatly shocked!

"What makes me feel terrifying, besides the sect leader of the Heavenly Cloud Sect, there's now another Xiao Hai." Yong Ji took a deep breath, his expression extremely grave.

Immediately after, Xiao Hai raised his head to look at the three people and coldly said, "All of you, attack together! Today, I will behead your righteous path!"

"Arrogant." Barrow coldly snorted and took the lead to step forward.

Barrow held his scimitar in his hand and headed straight for Xiao Hai.

The arc-shaped light tore through the heaven and earth and slashed towards Xiao Hai!

Xiao Hai waved his sleeve and a violent wind followed. A pure and dense internal Qi went up to meet it!

Yong Ji and Feng Hai did not waste any more time. They quickly moved to meet Xiao Hai!

Xiao Hai was full of heroic spirit. He was fighting against three people by himself. The more he fought, the braver he became!

At this moment, Xiao Hai was protecting everyone with one hand. Naturally, he could not unleash his full strength. However, even so, Yong Ji and the others still felt that it was extremely difficult!

"Xiao Hai, today is the Day You Die!"

Baro roared angrily. Black light rose in all directions. Dao technique rumbled, and a terrifying move appeared in the human world!

Yong Ji naturally did not dare to be negligent. He used his trump card move, and rays of light overlapped!

Feng Hai laughed coldly. He raised his hand and formed a seal. The space between his brows flickered with light, as if he intended to chop off Xiao Hai's divine sense!

Faced with the combined attacks of three top-notch martial artist, Xiao Hai was still arrogant and at ease. His hair danced wildly, and his fighting spirit was overflowing. He unleashed his law to the limit.

Seeing this, the numerous cultivators of the northern lands immediately began to rush towards Xiao Hai!

They planned to attack together and seize the opportunity to kill Xiao Hai!

On the opposite side of the northern lands, Sima Bei was coldly watching everything.

"The northern lands actually has such a top-notch martial artist." Sima bei exclaimed in shock.

Xiao Hai's strength had far exceeded his imagination!

What made Sima Bei feel the most terrifying was that Xiao Hai's moves were extremely ordinary. He only relied on his dense internal qi and his incomparable battle intent!

This kind of person was extremely terrifying. Not only did he have unimaginable battle experience, he also had an undefeatable determination!

"Even I might not have a 100% chance of defeating him." Sima Bei frowned.

"This Xiao Hai is probably the number one person in the southern region." The person beside him also said.

Yong Ji and the others attacked together, but they were unable to gain the slightest advantage.

Xiao Hai's palm force was incomparably dense. With a single palm strike, it could be said to be able to destroy the heavens and destroy the earth!

However, Yong Ji and the others were at the peak after all. They also had their own advantages. Even if they couldn't take down Xiao Hai, they wouldn't be defeated.

"This Xiao Hai... how can he be so terrifying!" Yong Ji was extremely shocked! The expressions of the other two people were extremely unsightly!

They had always thought that Xiao Hai's "Legend" was on par with them. Now, it seemed that Xiao Hai's strength was far above the three of them!

Seeing this, the hearts of many cultivators in the South Province almost bled.

Xiao Hai could obviously have a wider world and could go to the central province to explore, but he was fighting bloody battles here for the South Province!

The saddest thing was that no one could help!

"Senior Xiao Hai, let us out. We'd rather die in battle than be protected by you!"

Finally, a cultivator couldn't take it anymore. He tried to create Xiao Hai's palm, but failed.

Xiao Hai was extremely stubborn. He laughed crazily and shouted, "Come on, three scoundrels. I, Xiao Hai, will not be afraid!"

Yong Ji and the others knew that they couldn't go head-to-head with Xiao Hai. They immediately chose to take turns to slowly grind Xiao Hai to death.

This was bound to be a bitter battle. Xiao Hai's domineering aura shocked everyone.

Even a large group of cultivators had gathered in the northern lands opposite the shore.

They seemed to be attracted by Xiao Hai's heroic spirit, and for a moment, their eyes were fixated on the battlefield.

...

High in the sky, Qin Yu stood on top of the Divine Eagle's head, scanning his surroundings.

This place was getting closer and closer to the northern lands, and the temperature was rapidly dropping.

"We should be arriving soon." Qin Yu took out a map.

Indeed, they were already approaching the northern borders.

"I wonder if senior Xiao Hai can resist the northern lands by himself." Qin Yu thought to himself.

He immediately activated the desolate God's eye and looked ahead.

After stepping into the mighty realm, the distance of the desolate God's eye had increased by a lot. For a time, everything within a radius of several dozen stars was unable to escape Qin Yu's eyes.

Chapter 1564: Chapter 1,564, Qin Yu's terrifying strength! 1

Qin Yu's gaze was fixed on the battlefield at the northern border.

Qin Yu's expression changed slightly when he saw Xiao Hai fighting bitterly.

When he saw Yong Ji and the other two, Qin Yu became even angrier!

"These three bastards..." Qin Yu's body couldn't help but emit a trace of killing intent!

They originally came from the southern region, but now they were encircling and annihilating Xiao Hai!

Most importantly, Xiao Hai still had to free up his hands to protect the others!

Qin Yu's expression became even colder. He immediately patted the Divine Eagle's head, indicating for him to speed up.

Along the way, Qin Yu's eyes did not leave the battlefield.

He personally saw how the blood-soaked Xiao Hai resisted the three of them.

At this moment, even Qin Yu had been infected by Xiao Hai's heroic spirit.

Protecting everyone while facing the three top-notch martial artist of the South region. This kind of mental state was not something an ordinary person could compare to.

The Godly Eagle flew high in the sky and sped toward the northern border.

At the northern border, Xiao Hai was extremely arrogant. Every palm strike of his had the power to destroy everything in its path!

Although Yong Ji and the other two weren't injured, it would be extremely difficult for them to take down Xiao Hai.

"How could this bastard be so powerful?"Yong Ji was growing increasingly anxious in his heart!

Xiao Hai's strength had completely surpassed their understanding!

They were clearly at the peak of the Almighty Realm, but why was the difference in strength so great? !

Most importantly, Xiao Hai didn't have any fancy moves at all. He only relied on his dense spiritual power!

"Boom!"

At this moment, Xiao Hai's palm struck over again!

Yong Ji naturally did not dare to take it head-on. He hurriedly dodged to the side, but the residual power still made him very uncomfortable.

"Let's attack together. We must kill him!"Yong Ji looked at Feng Hai and Baro.

The two of them nodded slightly. It was very obvious that they also wanted to get rid of Xiao Hai as soon as possible.

"Three against one, and you still can't win? Is this the South Province's three lunatics and three absolute arts? Don't you find it embarrassing?"

At this moment, a cold voice came from a few kilometers away!

Hearing this voice, almost everyone turned their heads to look over.

They saw a young man standing on the back of the divine eagle, coldly sweeping his gaze over the three people.

“Qin Yu? ! Why is he here...”

Seeing Qin Yu, Yong Ji’s expression became even more unsightly.

Xiao Hai could not help but be a little surprised. He fantasized about Qin Yu’s direction and shouted, “Qin Yu, why are you here!”

Qin Yu jumped down from the back of the godly eagle and immediately shot toward Xiao Hai.

He stood beside Xiao Hai and said sincerely, “Senior Xiao Hai, thank you for your hard work.”

Xiao Hai laughed loudly and said, “Just the three of them? I’m afraid it won’t be that easy to kill me!”

Qin Yu naturally believed him. He nodded to Xiao Hai and said, “Senior Xiao Hai, these three people are known as the peak of the South Province. I’ve admired their reputation for a long time. I want to see so for myself.”

Hearing this, Xiao Hai hurriedly shook his head and said, “Qin Yu, I’m very happy that you can come, but you’re not their match. If you really want to help, then protect the cultivators of the South Province.”

However, Qin Yu sneered. He coldly looked in the direction of Yongji and said, “I’ve long said that I will take Yongji’s life. Today is a good opportunity.”

Without waiting for Xiao Hai to stop him, Qin Yu shot up.

He coldly looked at Yongji and said, “You are indeed a hypocrite.”

Yongji said with a cold face, “You know nothing! I’m warning you, you’d better mind your own business!”

“Mind your own business? I’m not minding my own business.” Qin Yu’s internal Qi was rapidly increasing.

He stretched out a finger and pointed it at Yong Ji, shouting, “You didn’t finish the fight last time, come and finish it this time!”

Yong Ji looked at Qin Yu coldly and said, "Do you really dare to fight with me?"

"Do you think... I'm joking with you!"

Along with Qin Yu's shout, the Vajra sacred physique and the fighting word formula were activated at this moment!

The dense spiritual power on Qin Yu's body swept out in all directions with him as the center!

The entire Dead Sea rippled at this moment, and the space around Qin Yu collapsed!

Sensing the internal Qi on Qin Yu's body, everyone couldn't help but turn pale with fright!

This internal Qi really came from Qin Yu? How could this be possible?

Even Xiao Hai, who was below, couldn't help but be slightly stunned before he laughed out loud.

"Good! Qin Yu, I'll leave Yongji to you!" Xiao Hai shouted loudly.

Qin Yu looked at Yongji coldly and said, "You better bring out your true ability. I Won't give you any chance to catch your breath."

At this moment, Qin Yu had directly activated the fifth level of the fighting word formula!

Even Qin Yu himself didn't know how terrifying this strength was!

On the other side of the bank, Sima Bei's expression was terrifyingly cold.

"This bastard... has indeed come." Sima bei took a deep breath.

One of his physical bodies had died at Qin Yu's hands. There was naturally no need to say anything about his hatred towards Qin Yu.

"Send someone to help Yongji." Sima bei immediately ordered.

"Yes." The person beside him did not dare to say anything. He immediately followed Sima Bei's request and sent someone to assist Yongji.

Yongji's face was solemn. He clenched his fist and said in a low voice, "Brat, you think too highly of yourself. Do you really think that I'm afraid of You?"

"You sure talk a lot of nonsense." Qin Yu mocked.

“Alright, since that’s the case, then don’t blame me for being impolite!”

Yong Ji roared and his figure suddenly disappeared. In an instant, he was in front of Qin Yu!

This speed made people speechless. In just an instant, his fist had already smashed onto Qin Yu’s face!

“Bang!” It was like a collision of steel. It was extremely ear-piercing!

But the result was shocking! Qin Yu stood there, not moving at all.

Yong Ji was stunned, and then his expression changed drastically!

“Didn’t I say that I want you to show your true ability, or else you won’t have a chance.”

Qin Yu’s cold voice was like a life-threatening talisman, entering Yong Ji’s ears.

“Not good!”

Yong Ji suddenly had a bad feeling and immediately planned to retreat, but Qin Yu was one step faster!

His golden palm drew a parabola, and with a “PA” sound, it slapped Yong Ji’s face!

Yong Ji was instantly sent flying by the slap. Like a bullet, he shot towards the ground explosively.

“Boom!”

His entire body crashed into the ground, creating a huge crater in the ground. Smoke and dust flew everywhere!

Everyone was stunned by this scene!

Yong Ji was sent flying by a Slap? How was this possible?

Furthermore, his fist had clearly smashed into Qin Yu’s face. Why did Qin Yu not react at all?

Just how terrifying was Qin Yu’s physical body?

“Hahaha! Well Done!” Xiao Hai could not help but laugh out loud.

Yong Ji’s furious Roar also came from the crater.

When the dust had dispersed, half of his face had been shattered. Fresh blood dripped down, and he looked extremely miserable!

Coupled with his furious expression, he looked extremely ferocious, as if he was a demon.
