

My Rich Wife - Chapter 1565 – 1570

the Great War against Yongji! 1 -

Chapter 1565: Chapter 1,565, the Great War against Yongji! 1

Yongji glared at Qin Yu. His anger filled his chest, almost making him lose his mind!

How could he not be angry when he was being beaten up in front of so many people!

“Qin Yu... You’re courting death! ! !”Yongji raised his head and roared, his voice shaking the sky!

However, in Qin Yu’s eyes, he was just a clown, unable to fly into a rage.

With the support of the fifth level of the fighting word formula, Qin Yu did not put Yong Ji in his eyes at all!

On the other side of the bank, Sima Bei’s expression became even colder. His expression was gloomy as he said in a low voice, “This child must not be allowed to live!”

“Lord Sima Bei, don’t worry. I have already sent people,”said the person beside him.

As he was speaking, a black-robed person suddenly appeared at the northern border.

He looked coldly at Qin Yu. His gaze was like a sharp blade, causing people to feel extremely uncomfortable.

“Whoosh!”

At this moment, the black-robed person suddenly attacked from behind. A sharp blade that was covered in green mist was aimed straight at Qin Yu’s neck!

Qin Yu’s eyes narrowed slightly, and a golden light immediately appeared on his body!

The golden light was like a golden bowl, enveloping Qin Yu within.

“Clang!”

The sharp blade was sent flying the moment it came into contact with it.

“Whoosh!”

At this moment, Yong Ji also flew into a rage.

The two of them stood together, the murderous aura on their bodies overflowing to the heavens!

Qin Yu looked coldly at the two people in front of him and said, "Yong Ji, it seems that I have overestimated you, you trash."

Yong Ji's pupils suddenly constricted!

What? Trash?

He had been dominating the southern region for so many years, but this was the first time he had received such an evaluation!

"Kid, I'm going to kill you!" Yong Ji roared and raised his hand to use his trump card, the three elements holy palm!

The three elements holy palm was extremely powerful, and it was not the first time Qin Yu had faced it. However, this time, the caster was Yong Ji, and its power was extremely terrifying!

At the same time, the black-robed man beside him also moved.

He pointed his finger forward, and in an instant, a radiance that was as thick as a person's embrace closed in on Qin Yu!

Qin Yu looked coldly at the spells of these two people. He clenched his fists, and Golden Light appeared. He raised his hand and broke the ten thousand spell breaking punch!

"Boom!"

Golden light pierced through the heaven and earth, illuminating the entire northern border!

The scorching temperature even affected the other side of the bank!

At this moment, the Dead River began to boil and roll up!

"Boom!"

Qin Yu's Golden Fist, which was like the sun and moon, shattered the void and everything.

The Eternal Limit's three Yuan sacred palm was not enough. It was shattered at the moment of contact!

Then, the huge finger was broken by a punch!

The black-robed man not far away immediately covered his finger. His finger was actually broken by the Impact!

“Swoosh!”

Qin Yu did not want to give them any chance to catch their breath. This was because morale was extremely important in such a big battle. This was also the reason why Qin Yu directly activated the fifth level of the fighting word formula!

Qin Yu stepped on the line word formula and instantly appeared in front of the black-robed man!

Then, Qin Yu clapped his hands and landed on his head!

A terrifying suction force followed. The black-robed man felt as if his body was being peeled off, and his body kept shrinking!

“What... What is going on!”

The black-robed man did not even know what happened. He only felt extreme pain.

In a moment, the black-robed man turned into a dried corpse.

And his spiritual power and primordial spirit had been absorbed into Qin Yu's body!

Yong Ji's eyes widened, as if he could not believe everything!

How Could Qin Yu have grown to such a level in just a few days? He even felt that Qin Yu was now above the three madmen and three uniques!

“I only have five minutes. I have to get rid of Yong Ji as soon as possible,” Qin Yu thought to himself.

The fifth level of the fighting word formula was extremely powerful, and the improvement it brought was beyond imagination.

However, the time was too short. After five minutes, Qin Yu would lose the support of the fighting word formula.

At that time, although he was not afraid of Yongji, it would not be so easy to kill him.

Yongji knew that things were not going well. He reached out with his hand and took out a long whip.

The long whip seemed to be burning with a fiery red color. Naturally, there was no need to say anything about its power.

“Go to hell!”

Yong Ji roared angrily and swung the long whip in his hand at Qin Yu!

Wherever the chain passed, everything was cut into two!

Qin Yu’s expression turned cold. He reached out with his hand and wanted to grab the chain.

However, the chain suddenly disappeared in the air! Before Qin Yu could regain his senses, the chain had already turned into a sea of fire and swallowed Qin Yu!

At a glance, Qin Yu was enveloped by a fireball. This fireball was exuding an extremely hot temperature. Even though they were far apart, they still felt that the heat was unbearable. There were even people who were directly burned into dregs!

Yong Ji did not stop there. He muttered, and a trace of blood essence floated out from between his brows.

Then, Yong Ji let out an explosive shout. A huge figure actually appeared behind him!

This figure was extremely terrifying, like a judge. That huge figure coupled with that terrifying face made it seem as if it had truly come from hell!

“Seal it!”

Yong Ji used all his strength and let out a loud shout. In an instant, his face turned a few shades paler!

It was very obvious that this spell was extremely pressuring to him!

The huge figure stretched out its hand, and the chains shot out from its sleeves, binding the fireball!

The huge hand of the heavens grabbed the chains and dragged the fireball, as if it wanted to drag it into hell!

“Hehe... You’re dead!”Yong Ji said weakly.

The fireball surged towards the body, as if everything was about to fall into a state of Nirvana!

“Qin Yu!”

The expressions of the surrounding crowd changed drastically! Even Xiao Hai wanted to lend Qin Yu a hand!

Inside the fireball, Qin Yu swung his fist to one side, but he found that the fireball could not be broken!

The entire fireball kept swaying left and right under Qin Yu’s smash, but it could not stop even half a step.

Yong ji sneered, “Once this technique is used, the moment the absolute dance stops, Qin Yu, I will bring you to hell!”

Inside the fireball, Qin Yu kept shouting loudly, and his fists kept smashing into the surroundings.

Just as Yong Ji had said, this fireball could not be broken! No matter how much strength Qin Yu had, it was useless!

“The three maniacs and three uniques indeed have their own trump cards.” Qin Yu’s expression was cold.

He closed his eyes slightly and muttered in a low voice. An even more resplendent golden light bloomed from his body!

“Buzz!”

A loud sound rang out, and the fireball began to shake violently!

In the next second, the huge body directly drilled through the fireball and shot into the sky!

Cosmic Form!

Under the cosmic form, there was practically nothing that could trap Qin Yu!

At this moment, Qin Yu was extremely huge. At a glance, he was on par with the judge that Yongji had summoned!

“HM?” Seeing this spell, Sima bei could not help but frown slightly.

He had a feeling that this spell looked somewhat familiar.

Looking at Qin Yu who had charged out of the fireball, Yong Ji laughed coldly.

“It’s useless. So what if you managed to escape? No one can escape this spell!”Yong Ji roared crazily!

Looking down, as expected, the chain was still tied to Qin Yu’s body!

Chapter 1566: Chapter 1,566, forcefully pulling them together! 1

As Qin Yu’s body grew larger, the chains on his body also became thicker and brighter!

No matter how much strength Qin Yu possessed, he was still unable to break free!

Qin Yu’s brows were tightly furrowed. He watched helplessly as his body headed towards the judge!

This technique had some similarities with the Heavenly Cloud Sect’s sect master’s technique. However, compared to it, this technique was even more vicious!

Everyone was staring intently at Qin Yu. They could not help but sweat, and their hearts were somewhat flustered.

“Qin Yu!”

Xiao Hai also noticed this scene. He shouted loudly, and his palm suddenly struck out, forcing Baro and Feng Hai, who were currently entangled, to retreat. Then, he immediately shot towards Yongji!

“Boom!”

Xiao Hai’s huge palm struck out, and a terrifying palm imprint headed straight for Yong Ji!

Yong Ji’s expression changed, and he hurriedly retreated. However, he was still shaken by Yong Ji’s remaining power, and he couldn’t stop vomiting blood!

“Yong Ji, Stop Right Now!”Xiao Hai said coldly.

Yong Ji wiped the blood at the corner of his mouth, and said with a cold smile, “I said, once this technique is used, there will be no rest! Even if you kill me, Qin Yu will die today!”

Seeing that Qin Yu was getting closer and closer to the judge, his huge body seemed to be dragged into the abyss!

At this moment, Qin Yu was incomparably calm.

His torch-like gaze looked straight at the judge, and then with a roar, his golden fist was like a small mountain, ruthlessly smashing towards the judge!

Qin Yu actually wanted to use brute force to directly disperse this technique!

His body was on par with the judge's. At a glance, his aura was full of vigor!

Under the reinforcement of the Wuji cosmic form, Qin Yu's fist was even more terrifying.

That golden light streaked across the sky, and then ruthlessly smashed onto the judge's body.

"Boom!"

A loud bang exploded in that instant. The judge's huge body was actually forced back by Qin Yu by several hundred meters!

"It really works."

Seeing this scene, Qin Yu sneered again and again.

Meanwhile, Yong Ji widened his eyes. He had never known that this technique actually had such a way to break it!

"Hahaha, well done!" Xiao Hai couldn't help but laugh and praise!

Then, Xiao Hai looked at Baro and Feng Hai coldly and shouted, "You two should also die!"

Feng Hai and Baro's faces were a little ugly. The two of them were not Xiao Hai's match at all!

"Xiao Hai, you have guts, but the invasion of the north is inevitable. You Can't Stop It!" Feng Hai said coldly.

Then, his body began to disappear into the darkness and disappeared without a trace in the blink of an eye!

After a while, the two of them appeared on the other side of the shore.

Xiao Hai could not help but clench his fists and said coldly, "They ran away again."

In the air, Qin Yu grabbed the chain that was tied to his body and pulled the judge over!

At the same time, another fist was clenched and suddenly smashed down.

“Boom!”

An explosion sounded. The judge was almost broken by Qin Yu!

Qin Yu grabbed the chain with one hand and kept smashing his right fist.

One punch, two punches, three punches!

After three punches, the judge finally couldn't take it anymore and began to shatter!

His huge body turned into pieces and disappeared into the void.

At the same time, the chain on Qin Yu's body also began to slowly disappear.

Qin Yu couldn't help but let out a sigh of relief in his heart.

“It seems that this technique is still far inferior to the Heavenly Cloud Sect's sect master's Rashomon sect,” Qin Yu said in a low voice.

The Rashomon sect was unfathomable. Even absolute dance could not find a way to break it.

After that, Qin Yu's body slowly returned to normal. He walked toward Xiao Hai, cupped his hands, and asked, “Senior Xiao Hai, are you alright?”

Xiao Hai laughed heartily and said, “What can happen to me? With just them, they can't do anything to me.”

Having said that, Xiao Hai withdrew his hand that was protecting everyone and said, “Qin Yu, it's fortunate that you came in time. Otherwise, we would have suffered heavy losses today.”

Qin Yu looked at the people behind him and could not help but sigh, “They can't do anything even if they came. It's better to let them go back.”

Xiao Hai sighed slightly and said, “They came on their own. Although they are not strong enough, their spirit is commendable.”

Speaking up to this point, Xiao Hai looked at Qin Yu and said seriously, “Spirit is very important.”

Qin Yu was stunned, but he smiled bitterly in his heart.

“Once an all-out war starts, we won’t be able to stop anything. There are more than a million people in the northern lands. No matter how strong we are, it’s impossible for us to kill everyone,”Xiao Hai continued.

“Therefore, the more people in the northern lands who participate in the war, the better.”

Qin Yu grunted and said, “Senior Xiao Hai, I understand.”

Then, Qin Yu followed Xiao Hai all the way to the room.

“I really didn’t expect that you could already defeat Yongji in such a short time, and it was so easy,”Xiao Hai said with a sigh.

He said half-jokingly and half-seriously, “Even I might not be your match.”

Qin Yu waved his hand repeatedly and said, “I’m still far from senior Xiao Hai. Moreover, I relied on the augmentation of spells to be able to defeat Yongji so easily.”

If it wasn’t for the fifth level of the fighting word formula, it would have been a tough battle today.

After all, Yong Ji’s strength was also extremely powerful.

“A spell is also a type of strength,”Xiao Hai said.

At this time, he suddenly changed the topic and said, “Oh right, how is Jue Wu? Has Her injury recovered?”

Qin Yu was stunned and hurriedly said, “Jue Wu is injured?”

Xiao Hai nodded slightly and said, “Last time, she fought with one of Sima Bei’s clones. Although she cut off Sima Bei’s distraction, she was also hit in the chest.”

Qin Yu frowned and shook his head, “She doesn’t seem to be hurt.”

“Sigh.”Xiao hai sighed, “Jue Wu’s strength shouldn’t be like this. I don’t know why, but last time, she was suddenly in a trance and was hit by Sima Bei’s palm. She was seriously injured.”

Qin Yu immediately understood that it was probably the consequences of the Nirvana body.

Qin Yu didn’t have a clear understanding of Jue Wu’s strength, but according to his guess, Jue Wu’s strength was definitely above Yongji and the others.

“Senior Xiao Hai, how is the current battle situation?”Qin Yu asked.

Xiao Hai shook his head and said, "It's not optimistic. Just as you saw, they can leave the South Province at any time, but we have no way."

Qin Yu said in a deep voice, "Didn't you say that the Dead River is slowly disappearing?"

"That's right." Xiao Hai nodded.

"But at the current speed, I'm afraid it will take another 30 to 50 years."

Qin Yu couldn't help but gasp and exclaimed, "30 to 50 years? So Slow?"

"Yes." Xiao Hai nodded slightly. "And at that time, the western ridge may also participate in the war and encroach on the South Province."

Qin Yu was silent. A moment later, he asked, "Don't you have any countermeasures?"

Xiao Hai took a deep breath. He looked at Qin Yu and said, "Yes, we have pulled the southern region and the northern people together to forcefully speed up the Progress!"

Chapter 1567: Chapter 1,567, Ultimate Yin Item 1

"Pulled together by humans?" Qin Yu couldn't help but widen his eyes.

These were two large plates. How could such a huge piece of land be pulled together by humans? How much power would that require?

Xiao Hai en said, "I'm calculating these few days. When the time comes, I'm afraid I'll need a certain amount of manpower."

Qin Yu could not help but feel shocked. Towards Xiao Hai's tyranny, Qin Yu could be said to be dumbstruck.

"You can stay for the time being." Xiao Hai looked at Qin Yu.

Qin Yu grunted and said, "I'm stupid, so I plan to stay behind to fight against the northern lands with you."

"Thank you." Xiao Hai nodded.

On the other side.

Yong Ji was beaten until he was covered in injuries and in extreme pain.

He lay on the bed and panted non-stop.

If it wasn't for the extremely brilliant spells in the north, he would have already become a corpse.

Baro and Feng Hai had also suffered different degrees of damage. The two of them fought against Xiao Hai, but they were still defeated. This made them feel extremely unbalanced.

Just as they were recovering from their injuries, Sima Bei walked in.

He swept his gaze over the few of them and said, "How do you feel?"

Barrow shook his head and said, "I suggest that we get rid of Xiao Hai immediately, no matter how great the price is."

Sima bei did not say anything. After today's battle, Sima Bei's heart was also filled with worry.

That Xiao Hai was like a god of war, he did not know fatigue at all.

What made Sima bei the most worried was that he felt that Xiao Hai had yet to display his true strength.

After all, Xiao Hai did not use any spells and only relied on his dense spiritual power.

"Even I might not be able to defeat Xiao Hai," Sima Bei said in a deep voice.

His main body was extremely powerful, far surpassing his clone. Even so, Sima bei was still extremely worried. He did not even dare to cross the river of death and step into the southern region.

"And that Qin Yu... We must kill him..." Yong Ji said with great difficulty.

Sima bei glanced at Yong Ji and said, "You don't need to be anxious. In the following period of time, you should properly cultivate the sacred heart technique."

"Once the Sacred Heart technique is completed, that Qin Yu isn't worth mentioning."

Yong Ji nodded repeatedly. He wouldn't feel anything if he lost to Xiao Hai.

But now, he had lost to a junior and lost so miserably!

This was something he couldn't accept!

Sima bei turned around and walked out. Under the biting cold wind, he walked alone in the world of ice and snow. He didn't know which direction he was walking in.

After a long time, Sima bei came to the center.

There were three people standing there. Each of them had an internal Qi that wasn't weaker than Sima Bei's!

And the four of them were the current leaders of the northern lands. They were known as the Four Great Godly Kings!

"They're here."

After seeing Sima Bei, one of them opened his mouth and said.

"En." Sima bei nodded.

"I heard that they lost this battle again." Another person opened his mouth and asked.

Sima bei sighed slightly and did not say anything for a moment.

"HMPH, if you can't do it, then let us take action." Someone mocked.

Sima bei shook his head and said, "The southern region is not as simple as you think. Just talking about that Xiao Hai and the sect leader of the Heavenly Cloud Sect, we can not underestimate them."

"HMPH, we are afraid of the wolf before and the tiger after. How can we accomplish great things? We have already decided. We will head to the Southern Region Tomorrow." One of them said coldly.

Sima bei hurriedly shook his head and said, "Absolutely not!"

"No need to say anything more. We have already consulted the Lord. The Lord has already agreed." Someone said coldly.

Hearing these words, Sima Bei's expression changed slightly.

He subconsciously looked at the snowy mountain in front of him.

Under the Snowy Mountain, the sleeping lord of the northern lands.

He had been sleeping for many years. During these years, the northern lands had swallowed countless living beings in order to provide for the lord of the northern lands.

The Lord of the northern lands had absolute authority, so Sima bei could not say anything more.

“Everyone, please remember that you must never go to the Heavenly Cloud sect. Do not offend the sect master of the Heavenly Cloud Sect.”Sima bei said with a frown.

“Hehe, why? Did that battle leave a scar in your heart?”Someone at the side mocked.

Sima bei opened his mouth and did not know how to reply for a moment.

Sima bei was not born in the north. Back then, before the southern region was unified, he had also been a king in the southern region. It was just that at that time, it was not called the southern region.

It was not until later that the sect master of the Heavenly Cloud sect began to campaign in all directions. He conquered the entire southern region in one go and unified all the sects, big and small.

From then on, Sima Bei fled to the north and became one of the four godly monarchs there.

“I’ve personally seen how terrifying he is,”Sima Bei said in a deep voice.

“Hehe, you’re just exaggerating.”The other three people did not take it seriously at all.

“If we want to enter the southern region, we’ll have to fight with the sect master of the Tianyun sect sooner or later. Why not make a move to probe now?”

Sima bei said in a deep voice, “I suggest that we wait for the master to finish his slumber before we make a move against the sect master of the Heavenly Cloud Sect.”

“HMPH! Do We still need the master to make a move on such a small matter? Are the people of the southern region all so timid and afraid of trouble?”A godly king berated.

“Tomorrow, we will head to the southern region and meet the top-notch martial artist of the Southern Region!”

After saying this, the three of them ignored Sima Bei and left in a hurry.

Heavy snow started to fall from the sky. Sima bei looked at the huge snow mountain in front of him without saying a word. No one knew what he was thinking about.

...

Night fell.

The northern border was bone-chilling. Even Qin Yu felt a little uncomfortable.

“Why is the north so cold?” Qin Yu couldn’t help but frown.

One had to know that this was a cultivation world. Normally, the weather shouldn’t be so cold.

Could it be that the north is hiding some kind of ultimate dark energy? Qin Yu thought to himself.

He closed his eyes slightly and tried to absorb the dark energy in the air.

As expected! There was actually a trace of dark energy in the air!

Although the ratio was very low, it still confirmed Qin Yu’s guess!

This couldn’t help but make Qin Yu overjoyed! If there really was some kind of ultimate dark energy in the north, it would be a great fortune for Qin Yu!

Qin Yu thought for a moment, then stood up and went to Xiao Hai’s room.

At this moment, Xiao Hai was still not asleep and was still deducing the formation.

Seeing Qin Yu come in, Xiao Hai stood up and said, “Why? Are you not used to it?”

Qin Yu smiled and said, “That’s not it. Senior Xiao Hai, I want to ask you a question.”

Xiao Hai nodded slightly, indicating for Qin Yu to say.

Qin Yu said in a deep voice, “What is the reason for the coldness of the northern lands?”

A trace of surprise flashed across Xiao Hai’s face. It was obvious that he did not expect Qin Yu to ask this question.

“In fact, I’m not too sure.” Xiao Hai was silent for a moment, then shook his head and said.

“The northern lands has been frozen for more than ten thousand years, but no one knows what the reason is,” Xiao Hai said.

Qin Yu said in a deep voice, “This cold air contains a trace of dark energy. Do you think... could there be something of extreme yin buried in the northern land? Or, is the northern land an ancient battlefield?”

“It’s very possible...”

At this moment, Heavenly Blood Rainbow's voice was heard.

Chapter 1568: Chapter 1,568: the collapse of the Cultivation Mountain! 1

Heavenly Blood Rainbow's voice could not help but make Qin Yu feel delighted.

He hurriedly used his divine sense to ask, "What do you mean?"

Heavenly Blood Rainbow said in a deep voice, "According to my speculation, the reason why the northern lands obtained the inheritance of the immortal slaying sect is very likely because it was once a relic of the immortal slaying sect..."

Qin Yu frowned slightly, as if he had understood something.

"In other words... many years ago, the northern lands was a relic of the immortal slaying sect, but after a great war, it led to the destruction of the immortal slaying sect's relic in the Holy Region? So it left behind the inheritance?" Qin Yu guessed.

Heavenly Blood Rainbow said in a deep voice, "I think so too..."

Qin Yu touched his chin. He thought of the immortal slaying sect's relic on Earth.

In comparison, that place seemed to be much smaller than the northern lands.

"As expected, the immortal slaying sect has been to the Holy Region," Qin Yu thought to himself.

"It's not just the holy region. When the immortal slaying sect was at its peak, how could there be no traces of the immortal slaying sect in the entire universe?" Heavenly Blood Rainbow's tone carried a hint of pride.

However, Qin Yu was not in the mood to pay attention to him. At this moment, all he could think about was how to go to the northern lands to cultivate.

If he had the opportunity to go to the northern lands, not only would he have the opportunity to obtain the inheritance of the immortal slaying sect, he would also be able to borrow the dark energy of the northern lands to cultivate.

"Qin Yu, what are you thinking about?" Xiao Hai asked from the side.

Qin Yu shook his head and smiled, "It's nothing. Senior Xiao Hai, sorry to disturb you. I'll go back and rest first."

Following that, Qin Yu turned around and left Xiao Hai's room.

At night, Qin Yu lay on his bed, his mind full of thoughts on this matter.

It was simply impossible to cross the Dead River unless one used the spatial teleportation formation.

However, in the vast southern province, only the Tianyun sect seemed to have this formation.

Not only that, the Tianyun sect was extremely secretive about this formation and rarely used it.

“It seems that if we want to head to the northern lands, we still have to wait for the two major plates to come together,” Qin Yu sighed.

In the next few days, the northern lands did not take any action. The northern borders ushered in a rare peace.

However, everyone knew that the northern lands was definitely planning something. They would not give up on the fertile land of the southern plains.

At the same time, the three godly monarchs of the northern lands had already set off and entered the southern plains.

Heavenly Cloud sect.

The three godly monarchs were looking coldly at the Cultivation Mountain.

“The person on the mountain is the sect master of the Heavenly Cloud Sect, right?” One of them said.

“That’s right. Rumor has it that the sect master of the Heavenly Cloud sect has been in seclusion on the cultivation mountain for several days.”

“Seclusion? I’m afraid that by the time he comes out of seclusion, he will have already stepped into the reversion void stage. At that time, I’m afraid there’s really no chance of getting rid of him.”

The three of them looked at each other and immediately came to the same conclusion.

In the end, they still went against Sima Bei’s will and decided to look for the sect master of the Heavenly Cloud sect.

The three of them leaped up and stood above the Heavenly Cloud sect.

These three people were the strongest experts in the northern lands, and their strength was incomparably terrifying.

Rumor has it that these three people already had half a foot into the reversion void stage, and were even more powerful than Sima bei!

The Heavenly Cloud Sect's defense was simply not enough in front of these three people.

As they raised their palms, a terrifying light seemed to come from beyond the heavens!

In front of their powerful strength, the Heavenly Cloud Sect's mountain protection formation was as if it was nothing, and it instantly collapsed!

"What's Going On!"

The deputy sect leader immediately sensed the abnormality, and he hurriedly got up and walked out of the room.

Looking at the three black-robed men in front of him, the deputy sect leader's expression changed slightly.

The powerful internal Qi of these three people made the deputy sect master feel a trace of unease.

"Fellow Daoists, why did you attack my Tianyun Sect?" The deputy sect master questioned.

The three people glanced at the deputy sect master before waving their large hands. A terrifying internal Qi came straight for the deputy sect master!

The deputy sect master's expression changed drastically. He hurriedly used a spell to resist, but the three godly monarchs were too powerful. It was not something the deputy sect master could resist.

"Boom!"

At the moment of contact, the deputy sect master was sent flying!

His body collapsed, his bones were broken, and his internal Qi narrowed to the extreme in an instant!

"A mere ant dares to open his mouth to question. He doesn't know death," one of the godly monarchs said coldly.

The deputy sect master opened his mouth, wanting to say something, but the injuries on his body made it extremely difficult for him to even open his mouth.

After that, the three people walked straight towards the cultivation mountain.

The cultivation mountain shimmered like an immortal mountain.

It was unknown what technique the Heavenly Cloud Sect's sect master had used to actually seal the entire mountain.

"This level of spiritual qi is something that our northern lands can only hope for but can not seek," one of the godly monarchs said coldly.

"That's right. This place is truly a land of outstanding people." The other godly monarch also nodded slightly.

"Once we step into the South Province, we will settle down here."

With that said, the three of them raised their palms at the same time. Streams of black energy shot out from their palms!

In a short moment, the black energy condensed into a large hand and smacked viciously at the Cultivation Mountain!

"Boom!"

With a palm strike, the entire cultivation mountain trembled!

And the radiance that lingered outside the cultivation mountain dimmed a few times under this palm strike!

"What's going on? What happened?!"

For a moment, the entire heavenly cloud sect was alarmed!

They raised their heads to look at the three black-robed men, and their expressions changed drastically!

"Who are they? They are actually attacking the Cultivation Mountain!"

"That is the sect master's seclusion area. Quickly stop them!"

"The three of you, Stop!"

For a moment, the entire Heavenly Cloud sect was in chaos, but the three godly monarchs completely ignored them.

"Don't... Don't speak..."

At this moment, the deputy sect master shouted these words with all his might.

Only then did everyone realize the dying deputy sect master. They hurriedly walked in front of the deputy sect master and said in alarm, "Deputy sect master, you... What happened to you? What happened? Who are those three people?"

The deputy sect master said with a trembling voice, "Their strength... is beyond our imagination. We must not make a move..."

With the strength of the three godly monarchs, attacking them at this moment was no different from throwing an egg at a rock. It was no different from throwing away one's life.

At this moment, the gigantic palm struck at the Cultivation Mountain once again!

"Boom!"

Under the second palm strike, the Cultivation Mountain's radiance seemed to be unable to hold on any longer and began to tremble violently!

"HMPH, this enchantment is only SO-SO." The three godly monarchs said with a sneer.

Following that, the three of them attacked again. The third palm struck the Cultivation Mountain!

"Boom!"

Following the third palm strike, the Cultivation Mountain's radiance could no longer withstand it!

The seven-colored glazed light was like glass as it began to break apart piece by piece! The true face of the cultivation mountain could be seen at a glance!

The three of them exchanged glances and strode into the Cultivation Mountain!

They saw a figure with his back facing them under a tree on the cultivation mountain.

"Sect master of the Tianyun sect, I've heard a lot about you." One of the godly monarchs said coldly.

Chapter 1569: Chapter 1,569, great battle against the Sect Master of the Heavenly Cloud Sect! 1

The sect master of the Heavenly Cloud sect sat cross-legged under the tree with his back facing everyone. He did not say a word.

The three godly monarchs looked at each other and immediately said with a sneer, "It's said that you fought in all directions back then and flattened all the sects in the South Province. Your strength is unparalleled. The three of us really want to see so for myself."

However, the sect master of the Heavenly Cloud sect still did not say a word.

This made the three of them extremely displeased. This was simply not putting them in their eyes!

"What? You Don't dare to face us? !" One of the Godly monarchs roared!

This voice contained powerful spiritual power. A terrifying internal Qi rolled over, shaking the entire cultivation mountain!

Finally, the sect master of the Heavenly Cloud Sect took the initiative.

He slowly stood up and then slowly turned around.

Looking at the sect master of the Heavenly Cloud sect in front of them, the three people could not help but narrow their eyes.

"You finally dare to face us." One of the godly monarchs said with a sneer.

The sect master sighed slightly and then said, "The three godly monarchs of the northern lands, you actually barged into this place."

"Hahahaha, why? Are you very surprised?" One of them said with a hint of ridicule.

The sect master shook his head and said, "You are forcing me to make a move."

"Hahahahahahaha! So what if I force you to make a move! Today is the Day You Die!"

Accompanied by a godly king's loud shout, he suddenly stretched out his palm and headed straight for the sect master!

"Boom!"

Both parties exchanged palms and swept out with residual power!

The Godly king who made a move took a few steps back, and his expression immediately became somewhat ugly.

"The sect master of the Heavenly Cloud sect indeed lives up to his reputation," said the godly king coldly.

“Unfortunately, you will still die here today!”

With that said, the three of them looked at each other and immediately attacked together. They headed straight for the sect master!

In an instant, the cultivation mountain was in a state of turmoil. Light filled the sky as streams of extremely powerful auras shook the already dilapidated heavenly cloud sect to the point of internal Qi!

“The strength of these three people is extremely terrifying. I wonder if sect master can hold on.”

“Sect master is invincible under the heavens. They are definitely not a match for him!”

Even though that was the case, they were all sweating in their hearts.

The strength of these three people’s internal Qi was something they had never seen before!

This battle had been going on from day to night, and it was difficult to determine the victor.

In the distance, small mountains were constantly collapsing. Large swaths of void fell off, revealing a pitch-black radiance.

The sect master of the heavenly cloud sect had a robust figure. He shuttled between the three people. Each palm strike contained a DAO technique and laws!

The earth was collapsing. The bright radiance illuminated the night into day. The entire cultivation mountain was about to be shattered!

The three godly monarchs were more and more shocked as they fought. The strength of the sect master of the Heavenly Cloud sect had far exceeded their imagination!

A thick fog rose up from the Cultivation Mountain, obscuring their vision. Although the sect master was powerful, it was still somewhat difficult for him to face the three top-notch martial artist from the northern lands.

“Today will be the day you die!”

A godly monarch roared loudly. His entire body emitted a black fog!

This black fog appeared out of nowhere. The power it contained was extremely strange. In an instant, it enveloped the sect master!

The other godly monarch opened his mouth and spat out a black flower. This flower contained a terrifying and strange power. It hung above the sect master's head as if it wanted to suppress him!

The last godly monarch was not willing to be outdone. With a furious roar, densely packed pieces of flesh appeared on his body. These pieces of flesh fell off from his body and eventually turned into several figures!

The three of them unleashed powerful spells at the same time. For a moment, the sect master had nowhere to hide!

The strangest thing was the black flower hanging above his head. This flower contained immense power and was constantly crushing the sect master's body!

However, the sect master remained extremely calm. His moves looked extremely elegant. With a raise of his hand, a DAO technique followed. Every palm carried an icy-blue internal QI. It looked like it was mixed together, but it was also extremely terrifying!

Boundless power enveloped this piece of land, and the Heavenly Cloud sect seemed to have welcomed the darkest moment.

It was unknown how many people had been attracted by this great battle. After so many years, this was the first time they had seen the sect leader make a move!

"Is this the Heavenly Cloud Sect's sect leader? With a raise of his hand, he already contained laws. It's too terrifying."

"That's right, those three people are also not to be underestimated. Just the residual power makes our hearts palpitate."

"It will probably be difficult to determine the victor of this battle in a short period of time."

Just as they had guessed, the battle continued for three days and three nights, but there was still no result!

The three of them had suffered different injuries. The most miserable godly monarch had half of his body torn apart by the sect master with his bare hands!

Looking at the sect master again, he was also in a bad mood. His body was covered in bloodstains. What was most shocking was that his body seemed to be turning dim.

This was a sign of his death. From the looks of it, the sect master of the Tianyun sect was about to lose!

"Hahahaha, so what if you are the sect master of the Tianyun Sect? Today will be the Day You Die!" The three godly monarchs were extremely excited! ? If they killed the sect

master of the South Prefecture's Tianyun sect, then their might would definitely shake the world. At that time, who in the South Prefecture would dare to go against the northern lands! ?

The surrounding crowd also sensed the signs of the sect master's decline, and their expressions were extremely unsightly.

They wanted to lend a hand, but a wisp of residual might from the cultivation mountain was enough to kill them!

This was a battle between top-notch martial artist, and it wasn't something that ordinary people could interfere with!

"Hong!"

Another palm descended, and the entire cultivation mountain finally couldn't hold on any longer, and began to turn into rubble!

Sect Master's body dimmed once again, as though he was going to disappear at any moment!

"Ah! ! !"

A godly king raised his head and roared angrily. It was as though he had summoned a godly spirit as a massive statue condensed behind his back.

The statue had a life of its own. Every action of its carried godly power.

The godly spirit raised its hand and smacked at sect master. Sect master waved his hand to meet the attack.

With this collision, sect master retreated a few steps while his body once again thought to itself.

The godly king was panting heavily. Half of his body had already been shattered. It was an extremely horrifying sight.

The sect master lowered his head and looked at his dark body. He could not help but sigh.

"Are you still going to disappear..."the sect master muttered in a low voice.

"Hahaha, I admit that your strength is above ours. Unfortunately, you are not a match for the three of us!"A godly king roared.

The sect master ignored him. He raised his palm and slowly moved it in the void.

In the next second, a huge black hole condensed in front of him!

It was the Rashomon! The Rashomon of the Heavenly Cloud Sect's sect master!

Following the appearance of the Rashomon, these three godly monarchs were immediately entangled by a huge suction force! And their bodies were also heading towards the Rashomon Cave!

"Not good!"

The three of them immediately had a bad feeling! They struggled with all their might, but found that they couldn't break free at all!

"Save... Save Me!"

The godly monarch whose half of his body had been torn apart was the first to receive the impact. His body was floating towards the Rashomon at an extremely fast speed!

Chapter 1570: Chapter 1,570, a clone? ! 1

The godly monarch struggled with all his might, his mouth begging for help.

However, the two godly monarchs could no longer protect themselves, so how could they care?

His body was swallowed into the black hole, and then disappeared without a trace!

The remaining two people's bodies also approached at an extremely fast speed!

The crowd watching from afar could not help but turn pale with fright.

How long had it been since the Heavenly Cloud Sect's sect master had made a move? This Rashomon had already become a legend!

"The Rashomon is indeed worthy of its reputation." Someone Sighed.

"Could it be that the three godly monarchs of the northern lands are going to perish here?"

"It's truly unbelievable."

Just as the two godly monarchs were about to be swallowed into the Rashomon, the sect master's body suddenly began to dissipate!

And his Rashomon sect also disappeared!

The two godly monarchs were instantly overjoyed. They were gasping for breath with unspeakable excitement in their eyes!

“Hahahaha! This is heaven’s will! Heavenly Cloud Sect’s sect master, you’re dead meat!”A godly monarch roared crazily!

The sect master did not say a word. He only watched as his body slowly dissipated.

“Sect master... is really going to die.”Someone said with a trembling voice.

“How is this possible... how can sect master die! ?”

And the deputy sect master’s expression was the ugliest. His body, which had already been shattered, began to separate due to the pain.

“The Heavenly Cloud sect has already become history,”a godly monarch said coldly.

They watched helplessly as the sect master’s body slowly disappeared until it completely disappeared!

Just as the two godly kings were excited, a stone fell to the ground.

The stone was colorful and looked like a divine stone, extremely dazzling.

“Eh?”A godly king found the stone.

He walked forward quickly and took the stone in his hand.

When he saw the stone clearly, his face turned extremely ugly!

“This... This is the feather-turning divine stone!”The Godly King said in a trembling voice.

“Divine Stone of Feather?”The other godly king was also stunned, and then he walked over quickly!

He took the stone and looked at it carefully.

Before he could see it clearly, the stone had already begun to crack and finally completely shatter!

The faces of the two people became increasingly pale, and they even had some lingering fear.

The onlookers seemed to have also noticed the stone.

“Divine Stone of feather? Is it the stone that is said to be able to create avatars?”

“In other words... The one who fought with the three godly monarchs just now was not the sect master of the Tianyun sect himself? It was just one of his avatars?”

“How is this possible... just one of his avatars nearly killed the three godly monarchs. How terrifying is the sect master of the Tianyun sect...”

The most terrifying thing was none other than the two godly monarchs.

Their expressions were solemn as their bodies trembled.

“The one who fought us... was not his true body at all...”one of the godly monarchs lamented.

They had never expected that the sect master of the Heavenly Cloud sect would use a avatar to force them to such an extent!

More importantly, they had lost a godly monarch!

“It seems that Sima bei is not exaggerating,”said a godly monarch in a low voice.

“Fortunately, the sect master of the Heavenly Cloud sect is not on the cultivation mountain. Otherwise...”

The consequences were unimaginable! It was likely that all three of them would die here!

“It’s not good to stay here for long. No one knows if he’s nearby,”said a godly monarch coldly at this moment.

The two exchanged glances and immediately left the heavenly cloud sect.

Only after they left did the many disciples rush up the Cultivation Mountain.

Looking at the Cultivation Mountain that was in a mess, everyone sighed with emotion.

“The Cultivation Mountain is the place where the sect master went into seclusion. Now, it has been reduced to ruins. It really makes people sigh endlessly.”

“That’s not the point. The point is where did the sect master go? Why did he leave behind only an avatar? Isn’t he in seclusion?”

“Could it be that the sect leader has gone to tour the world?”

It wasn’t just them. Many onlookers were also speculating.

After all, the sect leader of the Tianyun sect had been in seclusion for a long time. How could they not be shocked when they couldn't see his true body.

"The sect leader of the Tianyun sect is probably much more terrifying than we imagined."

"Now that I think about it, Yongji is like a joke. He's such a good-for-nothing, yet he still dares to covet the Tianyun Sect."

"After this battle, I'm afraid the northern lands will have to think about it."

...

The northern border was still extremely calm.

For the past few days, the northern lands did not make any movements.

On the side of the Dead River, Xiao Hai would occasionally look at the other side as if he was trying to sense something.

However, the other side of the Dead River was completely silent. No one could be seen.

"Senior Xiao Hai."

At this moment, Qin Yu suddenly walked over.

Xiao Hai looked at Qin Yu and then said with a sigh, "I wonder what kind of bad idea this northern land is thinking."

"Perhaps after the last battle, they don't dare to act recklessly anymore," said Qin Yu.

Xiao Hai shook his head and said, "Impossible. Once the northern land makes a move, they will never stop. Because this is the best opportunity for them."

Qin Yu also felt that it made sense. He asked, "Senior Xiao Hai, do you have any idea about the formation that you have deduced?"

"I'm still a little short," Xiao Hai said in a deep voice.

Qin Yu tried to say, "Why don't you tell me about this formation? I might be able to help."

However, Xiao Hai shook his head and didn't accept Qin Yu's opinion.

"I'm afraid that several people are needed to activate this formation. At that time, I'm afraid I'll have to ask for your help," Xiao Hai looked at Qin Yu and said.

Qin Yu agreed, "Senior Xiao Hai, don't worry. The cultivators of the South Province have already initiated their own initiative to resist the invaders from the north."

Xiao Hai said in a deep voice, "I'm afraid the few of us are far from enough to win this battle."

"That's right." Qin Yu sighed.

"The South Province doesn't lack top-notch martial artist. For example, Qu Zhu, the monk of Hongxi, and even the sect master of the Tianyun sect. They all have the ability to hold their own, but they're unwilling to step forward," Qin Yu said in a low voice.

Xiao Hai did not say much about this. He only looked towards the north, thinking of something.

"Senior Xiao Hai, do you know the sect master of the Tianyun Sect?" At this moment, Qin Yu suddenly asked.

Hearing this, Xiao Hai turned to look at Qin Yu.

At the same time, Qin Yu also activated the desolate divine eye, as though he wanted to secretly peek at the face under the mask.

However, what surprised Qin Yu was that there was nothing under the mask.

It was unknown what kind of secret technique was used to block even the desolate divine eye.

"I only know that he is a very powerful person," said Xiao Hai.

Qin Yu tried to ask, "What about compared to you? Who is stronger?"

Xiao Hai was stunned. After a long while, he shook his head and said, "I have not fought before, so I don't dare to make a conclusion."

Qin Yu acknowledged and then asked, "Senior Xiao Hai, there's actually a question that I'm more curious about."

Xiao Hai didn't say anything, as if he was waiting for Qin Yu's follow-up.

"Why do you always wear a mask?" Qin Yu asked in puzzlement.
