

My Rich Wife - Chapter 1571 – 1580

Chapter 1571: Chapter 1571, two godly monarchs and absolute dance 1

Hearing this, Xiao Hai immediately fell into silence.

After a long time, he looked at Qin Yu and said, "Are you very curious?"

Qin Yu smiled and said, "I am indeed a little curious because normal people would not wear a mask on their face."

"Do you want to see what it looks like under the mask?" At this moment, Xiao Hai spoke again.

Qin Yu thought for a moment and said, "If you're willing."

"Hahahaha!" Xiao Hai could not help but laugh out loud.

He looked towards the northern lands and pointed towards the other side of the Dead River with one hand. He said, "When this battle is over, I promise you."

"Really?" Qin Yu raised his brows.

"I, Xiao Hai, never lie." Xiao Hai said with a faint smile.

Qin Yu cupped his hands and said, "Thank you very much."

In the following period of time, there was still no movement from the northern lands.

In the blink of an eye, eight days had passed.

Eight days was not a long time for a cultivator, but to Qin Yu, it was truly a waste.

After these eight days, Qin Yu had a general understanding of the strength of the northern lands:

The Master of the northern lands was the most powerful, and his strength was unknown. Below them were the four great godly monarchs.

The strength of these four godly monarchs had already half-stepped into the reversion void stage. However, in terms of realm, they were even above Xiao Hai.

Qin Yu knew very well that once he touched upon the word 'reversion void', his strength would be incomparable to that of a mighty realm expert. This was also the reason why Wen Wanli wanted Qin Yu's physical body to step into the reversion void stage.

"If I were to meet those four godly monarchs, I might not necessarily be able to win," Qin Yu thought to himself.

The current Qin Yu was, after all, just a newly advanced mighty figure. He was still too far away from the void-return.

If the current Qin Yu was a peak mighty figure, he would definitely not be afraid of any of the four godly monarchs. Even Xiao Hai would have the courage to fight him.

"Eight days have already passed. Since I have nothing to do, I might as well take the opportunity to cultivate now," Qin Yu thought to himself.

He took out the great Yue fruit and the Huangji Buddha Flame from the spatial magic artifact.

These two treasures could greatly increase one's strength, especially the Huangji Buddha Flame. Rumor has it that after devouring this item, one's strength would increase qualitatively.

However, all of this was just a legend. Qin Yu did not know what would happen after devouring the Huangji Buddha Flame.

After thinking about it, Qin Yu finally put away the Huangji Buddha Flame.

Because the current Qin Yu did not dare to guarantee when the northern lands would invade. He had to put himself in a peak state.

Hence, Qin Yu picked up the great Yue fruit and stuffed it into his mouth.

The effect of the great Yue fruit was similar to the Enlightenment tea. The moment he swallowed it, Qin Yu felt his state of mind improve.

This was an extremely strange feeling. Normally, the improvement of one's state of mind mostly came from comprehension and came from life. This illusory feeling was difficult to describe.

Qin Yu swallowed several great Yue fruits in succession. Then, he closed his eyes slightly and began to comprehend the DAO technique, feeling the laws of heaven and earth.

On the other side.

South Prefecture.

The two godly monarchs did not leave the South Prefecture.

On the contrary, they hid in the green rock forest, recuperating while looking for news of the southern region.

Without a doubt, the previous battle had left a psychological scar on them. Towards the Heavenly Cloud Sect's sect master, they were afraid from the bottom of their hearts.

Especially that Rashomon sect. No matter how they resisted, they were unable to escape that powerful suction force.

"Looks like Sima Bei did not lie to us." A godly monarch said coldly.

"Let's wait for the master to recover. Otherwise, no one is his match."

"A mere avatar is already so terrifying. I suspect that he has already stepped into the reversion void stage."

The two of them could not help but have a cold expression. Although they were apprehensive, to return in defeat like this was too shameful. They had no way to explain to the master of the northern lands.

"Since we can't get rid of the sect master of the Heavenly Cloud Sect, let's find someone else." One of the Godly Kings said.

"The most famous people in the southern region are only the three madmen and three absolutes. We'll start with them," said the other godly monarch coldly.

"Let's start with Jue Wu. She killed thousands of our people in the northern lands. We must pay the price for this!"

The two of them looked at each other and immediately stood up, heading for Mount Hua Ning.

On Mount Hua Ning.

Jue Wu was as usual, bringing Wen da Wen er to eat, drink, and have fun every day.

It was not an exaggeration to say that this was originally a holy land of cultivation. However, under Jue Wu's lead, this place was like a place of entertainment in the mortal world.

"I can't take it anymore. I don't want to drink anymore. My Body Can't take it anymore." Wen Da lay under the gazebo and kept complaining.

Jue Wu pinched his mouth and kept pouring wine into it. As she drank, she said, "No one will leave until you finish drinking today!"

As she said this, Jue Wu suddenly frowned and let go of Wen Da.

She quickly turned around and walked toward her cultivation room.

After arriving at the cultivation room, Jue Wu's thin and weak body began to tremble violently.

She stared at the mirror in front of her and her face turned a little pale.

At this moment, she felt weak all over, as if she was going to fall at any moment.

The whole process lasted for more than ten minutes before the feeling slowly disappeared.

She slowly stood up from the ground and said in a low voice, "It's longer than last time."

Fortunately, she had a big heart, so she didn't take it to heart. She turned around and was about to go out to continue drinking.

However, when she looked at the mirror, her little face slightly changed.

The reason was no other than a strand of white hair growing on her forehead.

Although there was only one hair, it was enough to show that the side effects of the Nirvana body were becoming more and more obvious.

"What the hell."

She thought that the last dance party would be heartbreaking. However, she muttered and casually pulled down the white hair, then turned around and walked out of the door.

All the way back to the pavilion, the last dance looked at Wen Da Wen er, who was already sleeping soundly. She couldn't help but mutter in a low voice, "Sigh, it seems that we still have to find Qu Zhu. These two kids really have poor alcohol tolerance."

"Master Jue Wu, master Qu Zhu is in closed-door cultivation," the two attendants at the side reminded her.

Jue Wu patted her head and said, "Forget it. We'll go to the foot of the mountain and catch them later."

As she said this, Jue Wu suddenly felt an internal Qi rapidly approaching her.

She was very familiar with this internal Qi. It came from a cultivator of the northern land.

Jue Wu frowned slightly. She looked at the two attendants and said, "Take them to the cultivation room."

The two attendants naturally didn't dare to say anything. They hurriedly dragged Wen da Wen er to the cultivation room.

Then, Jue Wu leaped and arrived at the entrance of Mount Hua Ning, quietly waiting for the arrival of these two people.

A few minutes later, the two godly monarchs arrived at Mount Hua Ning.

They looked down at Jue Wu and said indifferently, "It seems that you have long noticed us."

Jue Wu snorted and said, "The stench on your bodies is extremely pungent even if you are separated by a thousand stars."

Chapter 1572: Chapter 1572, Absolute Dance's strength 1

The two godly monarchs were not angry at absolute dance's abuse. Instead, they laughed and said, "Absolute dance, you killed so many of our people in the northern lands. Have you thought about the consequences?"

"Why? Are you here to seek an explanation from me today?" Absolute dance said with some amusement.

When the two godly monarchs saw this, they immediately snorted coldly and said, "Absolute dance, you must pay the price for doing something wrong!"

"You guys talk too much nonsense. Is there a point?" Jue Wu said coldly.

Immediately, the internal Qi on her body also slowly rose.

After sensing Jue Wu's internal Qi, the two godly monarchs put their hands behind their backs and said indifferently, "Originally, we came here today to take your life, but we are both kind-hearted, so we decided to give you a chance."

"As long as you are willing to follow us to the north, the previous matters can be written off, how about it?"

Absolute dance sneered, "What nonsense are you talking about? If you want to make a move, then make a move. Bring so much nonsense."

After saying that, absolute dance took the initiative to make a move. Her palm flickered with light as she ruthlessly lashed out at the two of them!

The two of them did not dare to underestimate absolute dance's attack. They immediately shot backward and dodged.

However, absolute dance would not give up just like that. Her internal Qi was endless, and her aura filled the entire sky.

Even the two godly monarchs had nowhere to hide for a moment. They appeared to be in quite a sorry state.

"HMPH, you don't know Death!" The two godly monarchs seemed to have been forced into a corner. Their bodies emitted an intense black energy as they fiercely exchanged a palm strike with absolute dance!

Absolute Dance's small body took a few steps back, and the two godly monarchs did not gain much advantage either. They also shot backward explosively.

"As expected of the South Prefecture's three madmen. Your strength is much stronger than eternal pole," a godly monarch said coldly.

Jue Wu did not have the time to waste talking to them. She directly used the myriad heaven flower and pressed on the two!

In an instant, the two godly monarchs felt a sharp pain all over their bodies. It was as if their bodies were about to be vaporized!

"Ha!"

With a furious roar, an intense black energy burst out from their bodies. That black energy was extremely cold and wrapped around the two of them, as if it wanted to use this against them.

However, the spiritual power in Jue Wu's body was like a vast ocean. It did not have any signs of stopping. Instead, it was getting more and more intense.

The light of the myriad flower enveloped the land. Everything within a few hundred meters turned into ashes!

Looking at the two godly monarchs, they did not suffer much damage under the black energy. However, the black energy continued to shrink, as if it was about to be devoured by the myriad flower!

The two godly monarchs hiding within the black energy could not help but have cold expressions.

"This absolute dance's strength seems to be a little stronger than those three," one of the godly monarchs said.

"That's right. This person's body is a little strange. It's not something that the likes of eternal limit Baro can compare to."

The two of them looked at each other. They raised their hands and pushed aside the black energy. Then, a black palm stretched out from within and slapped toward absolute dance!

Absolute dance's pupils suddenly constricted. Her eyes instantly turned scarlet red. A small palm suddenly appeared on her chest to meet it.

"Boom!"

Intense tremors exploded at this moment. The entire land rumbled. Even Mount Hua Ning was not safe!

"Oh?"

The two godly monarchs in the darkness frowned slightly. They were surprised to discover that absolute dance's strength seemed to be continuing to rise!

"This absolute dance... is really strange," said one of the godly monarchs.

"That's right. Let's end this quickly. I'm getting a little impatient," said the other godly monarch coldly.

They had already suffered in the Heavenly Cloud sect and had nowhere to vent their anger.

Now that they could not easily take down absolute dance, it naturally made them even angrier.

One of the godly monarchs narrowed his eyes and opened his mouth to spit out the black lotus flower once again!

As for the other godly monarch, he was not idle either. He similarly took out his trump card technique. Streams of black fog erupted from his body and headed straight for absolute dance!

This spell was called the Heavenly Dragon Demonic Spear. It was incomparably terrifying. Not only did it contain an extremely powerful internal Qi, it also emitted a strange poisonous gas!

The two spells headed straight for Jue Wu. No matter how powerful Jue Wu was, she was unable to resist these two people.

She put away the myriad heaven flower and raised her small hand. Light radiated in all directions as she welcomed the two great spells!

“HMPH, it’s useless,” the two godly monarchs said indifferently with their hands behind their backs.

After all, Jue Wu was not the sect master of the Heavenly Cloud sect. She naturally could not be as nonchalant as the sect master of the Heavenly Cloud sect.

Under the suppression of these two techniques, Jue Wu’s forehead was covered in layers of secret sweat!

“To be able to hold on for so long is already worthy of praise,” said a godly monarch indifferently.

“That’s right! If it were anyone else, they would have been instantly devoured. Jue Wu, you should be proud!”

“Don’t... Don’t talk nonsense!”

Absolute dance roared loudly. The radiance on her body flourished and swept out in all directions with her as the center!

At the same time, the black lotus flower was actually forcibly propped up by absolute dance!

“En? How is this possible?” A trace of astonishment flashed in the eyes of the two godly monarchs.

They exchanged glances with each other, their faces filled with astonishment.

It shouldn’t be. Absolute Dance’s strength shouldn’t be so strong.

Wasn’t she on the same level as eternal pole? From the looks of it, she was much stronger than eternal pole, Baro, and the others.

“Such a talent died so young. It’s such a pity.” The godly monarch couldn’t help but sigh.

“That’s right. If we can take her in, she will definitely shine in the future.” The other godly monarch also said.

Even though that was the case, they knew in their hearts that absolute dance would definitely not compromise.

Hence, the two of them looked at each other, and their hands lit up once again.

They planned to give absolute dance a final blow and take her life!

At this moment, absolute dance, who was struggling to hold on, suddenly turned pale! That feeling of powerlessness instantly erupted!

“Not good!” Jue Wu’s face immediately changed. She could only feel her internal Qi rapidly dissipating!

It was the Nirvana body! It actually acted up at this moment!

Jue Wu clenched her teeth. She desperately tried to resist, but the disappearance of her internal Qi was simply unbearable.

“Boom!”

Finally, Jue Wu’s small body was ruthlessly suppressed!

In an instant, everything beneath her feet shattered. She fell from the mountaintop and was crushed under the crushed rocks!

“What’s going on?” The two godly monarchs of the northern lands were also somewhat puzzled. Even they were not clear about what had happened.

The dust dispersed, revealing Jue Wu’s tiny body.

She staggered to her feet. Her face was frighteningly pale, and the fresh blood on her body made people’s Hearts Ache.

Jue Wu tried to move her body, but she found that her entire body was weak. It was difficult for her to even move a single step.

“An accident actually happened at this time. Damn it...” Jue Wu bit her red lips with her teeth, and blood also flowed out.

Just as the two godly monarchs were about to rush over, Jue Wu clenched her teeth. She clenched her fists and used all the strength in her body to shoot toward the top of the mountain!

Chapter 1573: Chapter 1573, the anxious Qin Yu 1

Looking at absolute dance’s small body, the two godly monarchs could not help but look at each other.

“She seems to have been injured long ago,” said one of the godly monarchs.

“That’s right. It should be an outbreak of old injuries,” said the other godly monarch with a nod.

Following that, the two could not help but sigh, “I really did not expect that this small body actually contained such a terrifying power. The South Province is truly a land of outstanding people.”

“Alright, now it’s time to send her on her way.”

The two people’s expressions became extremely cold. Then, they followed the internal Qi of Jue Wu and shot toward the mountain peak.

On the mountain peak.

Jue Wu used the last of her strength and rushed into the cultivation room.

She stood at the door of the cultivation room. Blood poured out like a fountain, and her body staggered as if she was going to fall at any moment.

Seeing this scene, Wen Da and Wen Er’s expressions changed drastically!

“Aunt Jue Wu, what... What happened to you?” The two people exclaimed.

However, Jue Wu pushed them away. She looked at the people in the room and said in a trembling voice, “There is a dark hole behind the cultivation room. There is a small formation there. Hurry... Hurry up and leave...”

“Aunt Jue Wu, you...”

“Cut the crap and leave!” Jue Wu shouted and interrupted them!

Then, Jue Wu used her last bit of strength and reached out her palm toward them.

A gentle force sent Wen Dawen er and her two followers into the dark tunnel.

The dark tunnel was blocked, and Jue Wu also lost her strength.

She supported herself against the wall with difficulty, as if she was waiting for death to come.

...

On the other side, Wen Da and Wen Er were teleported into the distance.

Their faces were ashen, as if they had lost their parents.

As for the two attendants, they were in extreme pain and tears.

“Lord Jue Wu will be fine, she will definitely be fine...”the two attendants knelt on the ground and wept bitterly.

Wen Da and Wen er also had a rarely seen serious expression on their faces.

This formation sent the four of them to a small town dozens of stars away. The small town was quiet and isolated.

“No, I want to go back!”

As soon as they arrived at the small town, the two attendants quickly got up.

They wiped their tears and turned to leave.

Wen Da hurriedly stopped them and shook his head. “Aunt Jue Wu sent us out with great difficulty. If we go back now, won’t we be letting her down?”

“I don’t Care!”The attendant roared. “Even if I die, I will die by Lord Jue Wu’s side!”

After saying that, the two of them didn’t turn around and headed straight for Mount Hua Ning.

Big Wen and Big Wen looked at each other. The two of them gritted their teeth and followed.

Half an hour later, the four of them returned to Mount Hua Ning.

The originally beautiful and beautiful Mount Hua Ning was now a ruin.

They rushed all the way to the cultivation room and were surprised to find that there was actually Jue Wu’s corpse here.

“Lord Jue Wu!”The two attendants shouted with all their might.

They searched the entire Hua Ning mountain, but could not find Jue Wu.

“Where is Aunt Jue Wu...”Wen da could not help but frown.

“Could it be that she was taken away by those two black-robed men...”Wen er said in a low voice.

“Impossible, shut up! Master Jue Wu is invincible in the world. She will definitely be fine!”The two attendants shouted angrily.

Wen Er and Wen er sighed slightly. They obviously didn't want Jue Wu to be in trouble, but Jue Wu's condition... .. was probably doomed.

...

At the northern border.

Qin Yu, who was devouring the great Yue fruit, suddenly opened his eyes.

His heart suddenly trembled, and his right eyelid twitched violently.

"What's going on..."Qin Yu couldn't help but frown.

He slowly stood up, and he had a bad feeling in his heart.

"Could it be that something happened to someone..."Qin Yu whispered.

The more Qin Yu thought about it, the more worried he became. He had a feeling that something had happened.

Then, Qin Yu quickly walked out of the room, ready to find Xiao Hai.

And at this moment, Xiao Hai happened to be walking towards Qin Yu's room.

"Qin Yu, I just happen to have something to look for you."Xiao Hai quickly walked forward and said.

Qin Yu agreed and waited for his follow-up.

Xiao Hai said in a deep voice, "I just received news that the three great godly monarchs of the northern lands have gone to the Southern Prefecture."

"What? !"Qin Yu's expression immediately changed drastically!

This made him, who was already feeling uneasy, immediately become even more worried!

"A few days ago, they went to the Heavenly Cloud sect and had a battle with the sect master of the Heavenly Cloud Sect. In the end, one of them was killed by the sect master of the Heavenly Cloud Sect, and the Heavenly Cloud sect also lost an avatar,"Xiao Hai said in a deep voice.

At this moment, Qin Yu could not listen to him at all. He hurriedly looked at Xiao Hai and said, "Senior Xiao Hai, I'm afraid I'll have to temporarily leave the northern border."

"Oh? Why?"Xiao Hai asked in puzzlement.

Qin Yu said in a deep voice, "I have a bad feeling. I'm afraid that the two godly monarchs who are still alive will cause trouble."

Xiao Hai raised his hand and placed it on Qin Yu's shoulder. He shook his head and said, "Qin Yu, the reason I came to find you this time is to tell you not to leave my side for the time being. It's to prevent them from taking the opportunity to attack you."

"Don't worry, I will be fine," Qin Yu said. "No matter what, I have to leave the northern border. Otherwise, I will feel uneasy."

Xiao Hai saw that Qin Yu was so insistent, so he couldn't say anything more.

"Are you really going to leave the northern border?" Xiao Hai asked.

Qin Yu acknowledged and said, "I have to leave."

"Where do you plan to go?" Xiao Hai continued to ask.

"Mount Hua Ning," Qin Yu blurted out.

The thing Qin Yu was most worried about right now was absolute dance.

If it was absolute dance in her peak condition, Qin Yu would naturally not be worried.

However, absolute dance's physical condition really made Qin Yu worried.

"Alright," Xiao Hai agreed.

At this moment, he took out a piece of paper from his pocket and handed it to Qin Yu.

"It just so happens that this is the material needed for the formation. Think of a way to gather it." Xiao Hai was huge.

Qin Yu took the note and said, "Okay."

"Also, this formation needs at least six people to activate. I have already thought about it. You, me, Jue Wu, Qu Zhu, and an old friend of mine. In this way, we still need one more." Xiao Hai continued.

After saying that, Xiao Hai handed Qin Yu a note.

On the note was a name and his address.

"This person is very strong, but he is a mean person. It is very difficult to get his help, but you have to think of a way to convince him to come to the northern border," Xiao Hai said in a deep voice.

At this moment, Qin Yu's mind was filled with absolute dance. Without thinking, he immediately agreed, "Okay, I will try my best."

After saying that, Qin Yu immediately summoned the Divine Eagle and headed straight for Mount Hua Ning.

It would take a very long time to get to Mount Hua Ning from here. Qin Yu was anxious, so he simply withdrew his figure and used the line word formula to shoot towards Mount Hua Ning.

With the speed of the line word formula, it would only take two days to get to Mount Hua Ning from the northern border. With the time to rest, it would not take more than three days.

Chapter 1574: Chapter 1,574, the Furious Qin Yu 1

Although the speed of the line word formula was fast, it consumed a lot of spiritual power.

Even if Qin Yu's spiritual power was as vast as the sea, it would still be difficult for him to perform the line word formula the entire time.

However, at this moment, Qin Yu couldn't care less. All he could think about was the final dance.

He felt extremely uneasy. He kept feeling that something big had happened to the final dance.

For three whole days, Qin Yu didn't even stop to rest.

When he rushed to Mount Hua Ning, the spiritual power in his body was already depleted, and he was so tired that he was sweating profusely.

He looked at Mount Hua Ning, which had already turned into ruins, and his face became extremely ugly!

"As expected... as expected!" Qin Yu clenched his teeth, and his whole body was almost trembling!

He released his divine sense, covering more than half of Mount Hua Ning.

Very quickly, he discovered several figures on Mount Hua Ning.

These figures were all extremely unfamiliar, each of them in a hurry.

They were busy searching for and moving the remaining items on Mount Hua Ning, in an incomparably hurried manner.

Qin Yu's expression instantly turned ice-cold. His body trembled, and he instantly appeared high up in the sky.

"All of you, Stop!" Qin Yu roared, instantly shaking the entire Mount Hua Ning into a buzzing sound!

Everyone present was stunned by this shout. Some of them even vomited blood on the spot!

Qin Yu swept his cold gaze across the crowd before he slowly landed in the middle of them.

This group of people had already wet their pants in fear. They looked at Qin Yu with trembling eyes and said with an embarrassed smile, "All... All for you, all for you..."

Upon hearing these words, Qin Yu, who was already furious, became even more furious. A wave of killing intent instantly swept across the entire Hua Ning Mountain!

This caused everyone present to be even more terrified. Some even knelt down on the spot.

"Let me ask you." Qin Yu took a deep breath and forcefully suppressed his anger.

"Where's Jue Wu? Where did she go?"

Everyone looked at each other and then hurriedly said, "Don't you know? Lord Jue Wu was besieged by two mysterious people and suffered heavy injuries. Now, her life and death are unknown..."

"Yes, yes. We tried to find Lord Jue Wu's body, but we didn't find it. Including her two attendants and the two drinking friends, they are all gone..."

Hearing this, Qin Yu's expression instantly turned extremely pale!

He said with a trembling voice, "Who... who did it..."

"I don't know. Rumor has it that it's someone from the northern land. It seems to be some two great godly kings of the northern land." The person next to him didn't dare to hide it and hurriedly said.

"But don't worry too much. After all, we haven't seen Jue Wu's corpse. It's possible that she's fine..."

Despair appeared on Qin Yu's face. Qin Yu's feelings towards Jue Wu were extremely complicated.

If it weren't for Jue Wu's repeated actions, the current Qin Yu would have long been reduced to a corpse.

"Have you guys seen qu Zhu?" Qin Yu asked.

"No... We haven't," the person next to him quickly replied.

Qin Yu endured his grief and slowly said, "I understand. You guys can go."

Everyone looked at each other and immediately turned to run.

Qin Yu was the only one left in the entire Hua Ning mountain.

He slowly paced around Hua Ning mountain, trying to find any traces.

Unfortunately, there were no other traces other than battle marks.

It was obvious that the scene had gone through a fierce battle. The entire Hua Ning Mountain had already turned into ruins.

Standing in the cultivation room, Qin Yu could not help but feel a little unbearable.

He squatted on the ground. The pain in his heart could not be described with words.

"Jue Wu..." Qin Yu gritted his teeth, afraid that tears would fall.

However, he was also very clear in his heart that pain was useless.

Moreover, the life and death of Jue Wu was unknown. He was not sure if she was still alive.

This also caused a glimmer of hope to emerge in Qin Yu's heart.

He slowly stood up, his expression turning extremely cold.

After that, Qin Yu turned around and walked down from Mount Hua Ning.

He did not know where to look for the two godly monarchs. He only heard that the godly monarchs had also gone to the Heavenly Cloud sect.

Hence, Qin Yu rushed straight to the Heavenly Cloud sect.

Heavenly Cloud sect.

The deputy sect master was severely injured. Under the treatment of many alchemists, he still did not show any signs of life.

“How is it? is the Deputy Sect Master Alright?”Di Zun hurriedly asked from the side.

The Alchemist shook his head and said, “The situation is not good. I have temporarily sealed his mingmen, but if we want to cure him, I’m afraid...”

Di Zun and the surrounding people’s expressions became somewhat solemn.

“If this goes on, how long can the deputy sect master live?”Di Zun asked.

The Alchemist said in a deep voice, “At most a week. I suggest you go to the Holy Region and find a stronger alchemist.”

“Going to the holy region... is not that simple.”The disciples around him could not help but have ugly expressions.

Di Zun gritted his teeth and said, “Going to the Holy Region in a week is simply impossible... even if I set off now, it would be too late unless I use the heavenly cloud sect’s teleportation formation.”

“No one can open the formation without the sect master’s order,”someone reminded at this moment.

The deputy sect master who was lying on the bed said with difficulty, “Forget it... I’m afraid I won’t be able to live for long. Don’t go through so much trouble...”

“No!”Di ZUN’s expression was cold.

He took a deep breath and said, “Take me to the array platform. I’ll set off for the Holy Region immediately.”

“No, if you open the array platform without permission, the sect master will blame you...”

“If the sect master blames you, I, Di Zun, will bear the responsibility!”Di Zun shouted.

“Don’t worry. I have already hired an alchemist. This alchemist’s standard is very high. He will arrive soon.”At this moment, elder Bai said indifferently.

Everyone immediately turned to look at elder Bai.

Elder bai said somewhat proudly, “This alchemist is someone I met by chance when I was traveling. He’s also the strongest alchemist I’ve ever seen! I dare to guarantee that he’ll definitely be able to cure the vice sect master!”

Di Zun frowned slightly and said in a deep voice, "I'd better go to the holy region and make some plans."

"There's no need to go to the Holy Region."

At this moment, a voice was heard.

This voice was none other than Qin Yu.

Qin Yu slowly walked in with an extremely cold expression.

"Master? Why are you here?"

Seeing Qin Yu, Di Zun hurriedly walked over.

He ignored him and walked to the deputy sect master. Then, he raised his hand and placed it on the deputy sect master's chest.

"Don't tell me you want to harm the deputy sect master?" At this moment, elder Bai said with a strange tone.

Qin Yu gave elder Bai a cold glance, and elder Bai hurriedly hid behind di zun.

Then, Qin Yu ignored elder Bai. He raised his palm and placed it between the deputy sect master's eyebrows, feeling the flow of the internal Qi in his body.

A moment later, Qin Yu looked at di zun and said, "It's okay. Give me some time. I will refine a pill."

"Really, master!" Di Zun asked excitedly.

Qin Yu grunted and said, "Don't worry."

"TSK tsk, who knows if you want to harm our deputy sect leader." At this moment, elder Bai said with a strange tone.

Chapter 1575: Chapter 1,575, the treacherous elder Bai!!

As soon as he said this, Qin Yu's expression immediately turned extremely cold.

Elder Bai knew that he was no match for Qin Yu, so he hurriedly hid behind him.

Qin Yu stretched out his palm, and a powerful suction force directly pulled him over!

He grabbed elder Bai's neck with one hand and grabbed him in mid-air.

"I almost forgot that you, a troublemaker, let you live for so long," Qin Yu said coldly.

Elder Bai opened his mouth with difficulty and said, "You... Do you have a guilty conscience and want to kill me to silence me..."

The people at the side also quickly tried to persuade him, "Mr. Qin, you... Please spare him. The Heavenly Cloud sect is in need of people right now..."

Qin Yu glanced at the crowd and then released his hand.

"I'll let you live for a few more days," Qin Yu said coldly.

After saying that, Qin Yu raised his hand and gently tapped on elder Bai's forehead.

A mark instantly entered his mind.

"No matter where you run to, I'll find you," Qin Yu said coldly.

This instantly made elder Bai's face turn extremely pale, but he didn't know what to do.

Qin Yu no longer paid attention to elder Bai. He walked in front of the deputy sect master and asked, "Deputy sect master, do you have any news about Jue Wu?"

The deputy sect master panted heavily and said with difficulty, "I haven't heard. What... What's Wrong?"

Qin Yu frowned tightly and told the deputy sect master what had happened.

After the deputy sect master heard it, his face didn't look too good.

He said in a low voice, "Jue Wu is powerful, so nothing should happen..."

"Normally, that's true, but..." Qin Yu opened his mouth and swallowed the rest of his words.

The fewer people who knew about Jue Wu's nirvana body, the better.

With Jue Wu's strength, nothing should happen to her. Even if she couldn't beat the two godly kings, she would definitely be able to protect herself.

However, because of absolute dance's constitution, people had to worry.

"Mr. Qin, the Vice Sect Master's health is not good. You should let him rest well..." someone walked up and said.

Qin Yu grunted. He looked at the vice sect master and said, "Vice sect master, please help and mobilize the heavenly cloud sect's connections to look for absolute dance."

"Okay... Okay."The deputy sect master nodded and agreed.

Qin Yu didn't disturb the deputy sect master anymore and immediately looked at Di Zun.

"Find me a room,"Qin Yu said.

Di Zun quickly nodded and said, "Master, follow me."

Qin Yu followed Di Zun all the way to the Heavenly Cloud Sect's pharmacy.

"All the herbs of the heavenly cloud sect are here,"Di Zun introduced.

Qin Yu grunted and said, "The deputy sect master is not a big problem. Don't worry too much."

"Okay, master. Thank you very much,"Di zun bowed and said.

"By the way, sect master of the Tianyun sect, what exactly is going on?"Qin Yu stopped Di Zun and could not help but look at the cultivation mountain.

At this moment, the Cultivation Mountain had also been reduced to ruins. It looked terrible.

Di Zun Sighed and told Qin Yu what had happened.

"We all thought the sect master was dead. We didn't expect that it was just an avatar of the Yu Huashen's divine stone."Di Zun couldn't help but sigh.

Qin Yu frowned and said, "In other words, the sect master of the Tianyun sect has never been on the Cultivation Mountain? What we saw was only one of his avatars?"

"It's very possible."Di Zun nodded.

"As for where his original body went, we have been guessing."

"Some people said that he went to travel around the world to cultivate, and some people said that he was tired of this kind of life and had long changed his identity to live in seclusion. But these are all guesses."

Qin Yu didn't say anything. He only felt that the sect master of the Tianyun sect was becoming more and more mysterious and unfathomable.

If he was willing to help, the chances of winning this battle would be much higher.

“Okay, I got it.”Qin Yu nodded to Di Zun.

“Then I won’t bother you anymore.”Di Zun didn’t stay any longer and turned around to leave.

In the pharmacy, Qin Yu found a few herbs and started to refine a pill.

Although the demand for this pill wasn’t big, it still required a certain amount of time and effort. It would probably take a day and a night.

That night.

In the Heavenly Cloud Sect’s meeting hall, many elders were sitting around a table.

“Elder Bai, why did you call us here?”An elder asked.

Elder Bai cleared his throat and said in a deep voice, “I specially invited everyone to have a chat because of Qin Yu’s matter.”

“What do you mean? Elder Bai, if you have something to say, please say it directly.”An elder said.

“Have you ever thought that Qin Yu would use this opportunity to kill our vice sect master?”Elder Bai said indifferently.

“I know that he has some alchemy skills, but why would he be so kind to help us?”

“You must know that there is a deep hatred between the heavenly cloud sect and him!”

Everyone looked at each other when they heard that.

“Impossible. If Qin Yu wants to harm the deputy sect master, he could have made a move last time, or he could have killed the heavenly cloud sect together with Yongji!”An elder said coldly.

“That’s right. If it wasn’t for Qin Yu’s help last time, the Heavenly Cloud sect wouldn’t be where it is today.”

Elder bai sneered and said, “Pure. You guys are really pure! Don’t forget that our sect master is still on the Cultivation Mountain. Who knows if he is afraid?”

“Hehe, with Qin Yu’s current ability, if he wants to kill the deputy sect master, why does he need to use such methods? If he wants to kill someone, who here can stop him?”Another elder retorted.

“Elder Bai, don’t stir up trouble here.”

“That’s right. Qin Yu helped us out of kindness, but we are so suspicious. Don’t you think it’s too much?”

Elder BAI’s expression turned cold as he snorted. “Have you all forgotten the grudge between Qin Yu and My Tianyun Sect?”

“Ling Yun died at his hands, and so did the first elder! Even the sect master’s son died at his hands!”

“How can such hatred disappear just like that?”

Even though that was the case, the elders present didn’t buy it.

In their opinion, the current Qin Yu would definitely not plot against the Heavenly Cloud sect.

Seeing this, elder Bai took a deep breath and said, “How about this, the alchemist I found Will Arrive Tomorrow. Let him try first, how about it?”

“If My Alchemist can cure the vice sect leader, then everyone will be happy. If he really can’t do it, let Qin Yu try again. Is that Alright?”

Everyone thought for a moment, then nodded and said, “Alright, then we’ll do as you say. But... Remember, don’t offend Qin Yu, and don’t Be Rude!”

“Don’t worry.”Elder Bai laughed coldly.

The reason why elder Bai did this was to make a contribution.

The current Heavenly Cloud sect could be said to be a group of dragons without a leader. If the vice sect master withdrew, it was very likely that the next one would be chosen from among them.

If they could make a contribution at this time, it was very likely that they would become the next acting sect leader!

Chapter 1576: Chapter 1,576, the defeated elder Bai

If Qin Yu interfered to resolve this matter, the next acting sect master might very well become Di Zun!

“Qin Yu, you’d better not spoil my plans,”elder Bai said coldly.

...

The next day.

Qin Yu walked out of the pharmacy with a few pills in his hands.

Then, Qin Yu walked into the hall with the pill in his hands.

In the hall, the deputy sect master and many elders were already waiting.

At this moment, the deputy sect master looked like he couldn't hold on for long.

With a closer look, one could even see traces of death.

Qin Yu walked into the room quickly. When he saw Qin Yu, many elders greeted him, and Qin Yu responded to them one by one.

"Master." Di Zun walked quickly to Qin Yu.

Elder Bai said with a strange tone, "Tsk Tsk, Di Zun, shouldn't your master be the first elder? Why do you call him Master?"

Di Zun frowned slightly. This time, before Qin Yu could speak, he scolded, "Elder Bai, you'd better not stir up trouble."

Elder Bai was stunned and immediately said angrily, "Di Zun! I am an elder of the Heavenly Cloud sect. How dare you talk to me like that?!"

Di zun sneered and said, "Elder Bai, who doesn't know that you are someone who relies on flattery to get to where you are? Do you think that you are worthy of the position of an elder?"

"What... What did you say?!" Elder Bai was furious. He walked to Di Zun in two or three steps.

Di Zun looked at elder Bai coldly and said, "Why? Do you want to fight with me? Alright, I will wait for you in the Martial Hall. Do You Dare?"

Elder Bai opened his mouth and was speechless for a moment.

His strength was the weakest among the elders, and he was no match for Di Zun at all.

"If you don't dare, then shut your mouth," Di Zun snorted coldly.

Seeing that he couldn't win against Di Zun, elder Bai simply shifted his conflict onto everyone.

“Did you all see that? This Di Zun doesn’t know the etiquette of respect and doesn’t even put our elders in his eyes. Can such a person still stay in the Tianyun Sect?”Elder Bai shouted at the surrounding elders.

However, the surrounding elders mocked, “Elder Bai, what you said isn’t right, right? Di Zun doesn’t seem to put you in his eyes. He’s still quite polite to us.”

“That’s right. Moreover, what Di Zun said doesn’t seem to be a problem.”

“Elder Bai, I’m afraid you’re thinking too much. Di Zun is now the number one disciple of the heavenly cloud sect. His talent is hard to come by in a thousand years. Even if we expel you from the Heavenly Cloud Sect, we won’t be able to expel Di Zun.”

Hearing everyone’s words, elder Bai’s face turned red, but he couldn’t find any expression to refute them.

Qin Yu tried hard to hold back his laughter. He glanced at elder Bai and said, “Alright, stop talking nonsense. Trash, you’d better go to the side and stay there obediently. Don’t look for a sense of existence.”

“Good, good. You guys don’t respect me so much. I…”

“How are you?”Di Zun raised his eyebrows and said sarcastically.

Elder Bai opened his mouth but couldn’t utter a word for a long time.

“Alright, stop wasting time.”Qin Yu was too lazy to talk nonsense with elder Bai.

He took out the pill and walked toward the deputy sect leader.

“Wait!”

At this time, elder Bai shouted loudly.

He looked at Qin Yu coldly and said, “I don’t believe you. Who knows whether the pill in your hand is poisonous or not?”

Qin Yu narrowed his eyes and said, “Are you done?”

Elder Bai snorted coldly and said, “I have already discussed with everyone. Let My Alchemist treat the deputy sect leader first.”

Hearing this, Qin Yu subconsciously looked at the other people around him.

“Mr. Qin, just agree with him. Otherwise, he won’t be convinced,”an elder said in a low voice.

Seeing this, Qin Yu didn't say anything else.

He glanced at the vice sect master and said, "I can tell you that the vice sect master's physical condition can not be delayed."

As he was speaking, a disciple suddenly came to report.

"Elder Bai, there's someone outside who claims to be an alchemist who wants to see you," said the disciple.

Elder Bai was immediately overjoyed and hurriedly said, "He's Here! Quickly invite him in!"

Not long after, an old man walked in from outside.

This Old Man's face was full of arrogance. Although his strength was not that great, his posture was very good. He looked like a reclusive master.

"You're here." Elder Bai walked up eagerly.

The old man nodded slightly, and then asked indifferently, "What's the situation?"

Elder Bai sighed and said, "Sigh, our vice sect master is seriously injured. All the alchemists in the entire South Province have come to see him, but they are all helpless."

When the old man heard this, he said with some pride, "The alchemists in the South Province are just a bunch of trash."

"You're right, you're right!" Elder Bai nodded repeatedly.

Then, the old man walked toward the vice sect master.

He raised his palm and placed it on the vice sect master's forehead.

After a moment, the old man said indifferently, "It's a small problem. Give me a few hours to refine a pill. I can make the vice sect master lively!"

"As expected of a Master!" Elder Bai was overjoyed and couldn't help but give him a thumbs up.

Qin Yu was also intimidated by the old man. For a moment, he didn't know whether he really had some skill or was just posturing.

"Master, What Pill do you plan to refine for the deputy sect master?" Qin Yu blocked the old man's way.

The old man glanced at Qin Yu and berated, "Do I need to tell you what pill I want to refine?!"

Qin Yu shook his head and said, "If the Pill You're refining can't cure the deputy sect leader, who will be in charge then?"

"Qin Yu, what do you mean?!" Elder Bai shouted at the side.

Qin Yu ignored elder Bai and continued, "You'd better tell me the name of the pill."

The old man saw that Qin Yu was so stubborn, so he snorted and said, "There's no harm in telling you. The deputy sect leader's meridians are all broken, and his vital gate is damaged. I only need to refine an invisible blood clotting pill for him."

"Invisible blood clotting pill?" Hearing this, Qin Yu's face instantly darkened. He was even more certain that this old man was a liar.

"What?" The old man glanced at Qin Yu.

Qin Yu said with a dark face, "Invisible blood clotting pill is only used to temporarily alleviate the injury, but if you don't get the follow-up treatment, the injury will instantly erupt, and you might even lose your life."

"Old Thing, do you really not understand, or are you planning to scam money?" Qin Yu said with a dark face.

Hearing this, the old man immediately flew into a rage, "Who the hell are you to dare question me?!"

Qin Yu said indifferently, "My name is Qin Yu. Unfortunately, I am also an alchemist."

After saying this, Qin Yu extended his palm, and a purple-colored spiritual fire immediately appeared.

Seeing this flame, the old man's expression became somewhat unnatural.

"Do you want to leave by yourself, or do you want me to send you away?" Qin Yu asked coldly.

Chapter 1577: Chapter 1,577. I hope you can keep your word

The Aura on Qin Yu's body made the old man not dare to say a word. Sweat even began to flow from his forehead.

Fortunately, elder Bai walked over quickly and stood in front of the old man. He smiled and said, "Qin Yu, are you afraid that the master will steal your limelight after curing the Vice Sect Master?"

Qin Yu narrowed his eyes and said, "Will you be responsible if anything happens to the vice sect master?"

Elder Bai snorted coldly and said, "I will be responsible if anything happens to him!"

"Okay!" Qin Yu took two steps back.

"Everyone heard it. If anything happens to the vice sect master, I will kill him. Everyone should have no objections, right?" Qin Yu asked coldly.

The surrounding people looked at each other. Then, someone took the lead and said, "I agree!"

Qin Yu looked at elder Bai and said, "What About You?"

Elder Bai opened his mouth as if he had no confidence.

He looked at the old man as if he was asking for his opinion.

The old man's big hand shone and said, "Just agree to them!"

Elder Bai gritted his teeth. He braced himself and said, "What if Master Cures the deputy sect leader?"

"Then I'll cripple my cultivation and be at your disposal," Qin Yu said coldly.

Elder Bai was delighted and immediately said, "Alright, I'll do as I say!"

Then, elder Bai looked at master and cupped his hands. "I'll rely on you."

The old man said indifferently, "Don't worry."

With that, he took out a cauldron and took out the herbs he had prepared and began to refine the pill.

This old man was quite skilled. A red spiritual fire actually appeared on his palm.

However, the way he refined the pill was really unbearable to look at.

Qin Yu looked at the process of him refining the pill and couldn't help but shake his head.

For Qin Yu, this invisible blood clotting pill could be refined easily. It didn't take much time at all.

However, this master required a large amount of mental energy and effort, and it also required three to four hours.

Qin Yu was not in a hurry. He found a place to sit down and waited quietly.

"Master, are you sure there's no problem?" Di Zun asked worriedly.

Qin Yu snorted and said, "His level is not worth mentioning."

With Qin Yu's words, Di Zun was relieved.

He stood by Qin Yu's side and waited quietly.

"By the way, have all the people from the Heavenly Cloud sect been sent out?" Qin Yu asked.

Di zun nodded and said, "I sent people to look for news of Master Jue Wu Yesterday."

Qin Yu took a deep breath and said in a low voice, "I hope Jue Wu is okay..."

"Master Jue Wu is so strong. He will be fine," Di zun comforted him.

Qin Yu didn't say anything and closed his eyes slightly.

The details of Jue Wu appeared in his mind instantly. He immediately felt extremely uncomfortable and could not help but clench his fists.

"Godly monarch of the northern lands... I will definitely not let you off." Qin Yu clenched his teeth.

Regardless of whether Jue Wu was alive or dead, Qin Yu would remember this debt.

As time passed, three hours passed in the blink of an eye.

Qin Yu, who was resting with his eyes closed, slowly opened his eyes.

"What? You're Not Done Yet?" Qin Yu frowned.

"Qin Yu, Don't disturb the Master!" Elder Bai reminded.

Qin Yu sneered. Looking at the old man's technique, he felt like laughing.

This technique was probably far inferior to that of the alchemist sage.

After about an hour, the invisible blood clotting pill was finally completed.

He took out the pill from the medicinal cauldron and said smugly, "Alright, the pill is done."

Elder Bai hurriedly snatched the pill. He couldn't wait to run in front of the deputy sect leader and said, "Deputy sect leader, take the pill."

The deputy sect leader opened his mouth with great difficulty and swallowed the pill.

At this moment, everyone became nervous.

They stared at the deputy sect master tightly, afraid that something would happen.

Only Qin Yu and the old man were not worried at all.

"Everyone, don't worry. The deputy sect master will be fine," the old man said proudly.

The one who was the most nervous was elder Bai. He stared at the deputy sect master, and cold sweat kept breaking out on his forehead.

A few minutes later, the deputy sect master's internal Qi suddenly began to stabilize, and the injuries on his body were slowly recovering.

Seeing this scene, elder Bai was immediately overjoyed!

He excitedly looked at Qin Yu and said, "How is it? Qin Yu, you saw it, right? The deputy sect leader's body is already recovering!"

The other elders could not help but be a little surprised.

This old man actually really cured the deputy sect leader? Was He really a Master?

"How is it? Didn't you all suspect me? Do you still have anything to say now!" Elder Bai was triumphant and looked like a villain who had achieved success.

However, Qin Yu sneered again and again. This invisible blood clotting pill could indeed restore the body for a short period of time, but it needed to be treated in time in the future. Otherwise, it would aggravate the injury.

"Qin Yu! Shouldn't you also fulfill your promise?" Elder Bai said with a cold smile.

Di Zun's face suddenly became a bit ugly. He hurriedly said, "Elder Bai, we are all doing this for the deputy sect leader's good. Why Are You So Serious?"

Elder Bai glared and said, "What do you mean? Are you planning to go back on your word?"

"I..."

"Of course I won't go back on my word," Qin Yu interrupted Di Zun.

Elder bai sneered, "Then don't waste time. Pay for your own cultivation."

Qin Yu glanced at elder Bai and said, "Don't be anxious. Wait a little longer."

"Don't even think about stalling!" Elder Bai sneered.

Qin Yu calculated the time and said, "Wait another five minutes, at most five minutes."

"What do you mean?" Elder Bai said angrily.

"Nothing much. I believe that you are not in a hurry for these five minutes," Qin Yu said.

Then, he closed his eyes again.

Elder bai said unhappily, "Hehe, it seems that you are afraid. Well, then I will wait for you for five minutes. I hope you can fulfill your promise in five minutes."

At this moment, the many elders in the hall were also at a loss.

"Elder Bai, it's better to forget it. Mr. Qin is also doing this for the deputy sect leader's sake."

"That's right. What if you really force Mr. Qin into a corner and he goes on a killing spree?"

"That's right. Elder Bai, it's better to forget it."

Elder bai sneered, "Absolutely impossible! As a man, you have to keep your word!"

"Yes, you're right. I hope you can be so tough later," Qin Yu sneered.

Elder bai sneered, "Hehe, I always keep my word. I'm not like some people."

Qin Yu glanced at the deputy sect leader and said in a low voice, "It's about time. It's time."

"Time for what?" Someone asked.

Before Qin Yu could answer, the deputy sect leader who was lying on the bed suddenly vomited blood. His internal Qi also began to wither!

His body, which was slowly recovering, was being torn apart at an extremely fast speed! It looked terrible!

Chapter 1578: Chapter 1,578, elder Bai's heartfelt words 1

The deputy sect master's internal Qi quickly became chaotic. Blood began to ooze out of his body, and cracking sounds came from his bones!

At this moment, the deputy sect master's expression was extremely painful, and his entire face was almost distorted!

The people around him immediately panicked, and elder Bai's expression was extremely ugly!

"What... What's going on?" Di Zun hurriedly looked at the old man.

A trace of panic flashed across the Old Man's face. He braced himself and said, "It... it should be fine. I think it'll be fine in a while..."

"I'm afraid it'll be cold in a while," Qin Yu mocked.

"As an alchemist, don't you know the effect of the invisible blood coagulation pill? It can only protect the lives of the injured for a short time, but if he doesn't receive timely treatment, his body will fester and die," Qin Yu said coldly.

"You Bastard, how dare you harm our vice sect leader!"

The surrounding elders immediately moved forward and surrounded him.

It was unknown who waved his hand and sent the old man flying!

"Master, Hurry Up and save the vice sect leader, or else he..." Di Zun looked at Qin Yu.

Qin Yu nodded and said, "Don't worry, I know what to do."

With that, he walked up to the deputy sect master and stuffed the pill into his mouth.

The moment the pill entered his stomach, the deputy sect master, whose body was festering, gradually calmed down.

Then, Qin Yu raised his palm again and used spiritual Qi to seal a few of the deputy sect master's vital gates.

After a series of movements, the deputy sect master's condition finally improved a lot.

Elder Bai, who was hiding at the side, was extremely flustered at this moment. He gritted his teeth and immediately planned to escape.

But at this moment, elder Bai suddenly realized that his body could not move! The surrounding space seemed to have distorted and sealed him up!

"Elder Bai, where do you plan to go?" Qin Yu's icy cold voice entered his ears.

Elder Bai was flustered, but he still braced himself and said, "I'm planning to get some medicine for the deputy sect master. What's Wrong?"

Qin Yu sneered, "What? Have you forgotten what you said?"

"I..." Elder Bai opened his mouth and was speechless for a moment.

He was extremely regretful in his heart. If he had known earlier that he would let Qin Yu off, he would not have ended up like this!

"Qin Yu, this is the Heavenly Cloud sect! Are you planning to kill an elder in the Heavenly Cloud Sect?!" Elder Bai shouted.

Qin Yu looked at elder Bai coldly and said, "Let me tell you, no one can save you today."

As he spoke, the surrounding space began to collapse. A powerful pressure was approaching!

Elder Bai finally panicked. He looked anxiously at the people around him with a pleading look in his eyes.

But at this moment, no one spoke up for him because they knew clearly in their hearts that Qin Yu and elder Bai had a long-standing grudge. Today, no one could stop Qin Yu.

Even the first elder had died in Qin Yu's hands, let alone elder Bai?

As the pressure around him increased, elder Bai's body began to compress.

His bones were broken inch by inch, and his flesh and blood were twisted. He looked terrible.

“Qin Yu, don’t kill me!”Elder Bai finally panicked.

He shouted desperately, “As long as you don’t kill me, I’ll do anything you want! I promise I won’t dare to go against you in the future...”

Qin Yu raised his eyebrows, and he suddenly stopped what he was doing.

Everyone was shocked. Could it be that Qin Yu was really going to let him go?

“Let me ask you a question.”Qin Yu looked at the panicked elder Bai, he said indifferently, “Let me ask you, why did the son of the sect master of the Heavenly Cloud sect suddenly leave the Heavenly Cloud sect and accurately find me to provoke me?”

Elder Bai opened his mouth and immediately became flustered.

He knew very well that if he told the truth, the elders would not let him go!

“Why? Aren’t you going to tell me?”Qin Yu sneered.

Elder Bai braced himself and said, “I don’t know what you’re talking about!”

Qin Yu sneered, “I want you to die. There are many ways to do it. I can make you feel better, or I can make you die in pain.”

Hearing this, elder Bai suddenly shivered.

“You... What are you doing?”Elder Bai looked at Qin Yu in horror.

Qin Yu walked up to elder Bai, raised his finger, and gently tapped the space between elder Bai’s eyebrows.

At this moment, elder Bai’s face immediately contorted, and cold sweat flowed down!

His primordial spirit seemed to have been pierced by ten thousand needles, and he was in endless pain!

The entire hall echoed with elder Bai’s painful wails!

“Let’s see how long you can last,”Qin Yu said coldly.

After saying this, Qin Yu turned around and was about to leave.

“Don’t... Don’t... I’ll say it...”

Before Qin Yu could walk out of the door, elder Bai’s anguished voice came from behind him.

“You really don’t have any backbone.”Qin Yu’s tone was somewhat mocking.

At this moment, elder Bai’s face was deathly pale, and his head was covered in sweat.

The torture of the primordial spirit made him feel so much pain that he wished he could die. He even wanted to die wholeheartedly!

“Speak.”Qin Yu’s mind moved, and elder Bai’s expression immediately eased up a little.

He looked fiercely at Qin Yu and said, “That’s right. Back then, I was the one who urged young sect master to look for you! I know very well that if sect master forgives you, then the Heavenly Cloud sect will definitely push me out as a shield! At that time, I will definitely die!”

“With your personality, if Young sect master provokes you, you will definitely make a move against him! It’s just that you overestimated his ability, and didn’t expect that one palm strike would kill him!”

“Hahahaha! If that’s the case, the sect master will definitely not let you off! However, I didn’t expect that... The sect master would actually let go of the grudge of killing his son and let you live until today!”

The surrounding people were dumbstruck when they heard this. On the other hand, Qin Yu was rather calm.

This was not much different from Qin Yu’s guess. The instigator of everything was indeed this elder Bai.

“Elder Bai! You Beast, if it wasn’t for you, the Heavenly Cloud sect wouldn’t be in this state today!”

“In order to take revenge for your own personal grudge, you actually caused the death of the young sect master, you piece of shit!”

Elder Bai gritted his teeth and said, “I just wanted to live. What’s wrong with me! In this world, it’s either him or me! There’s no right or wrong!”

“Don’t pretend to be good people. Things haven’t fallen on your heads yet. Of course, you can stand there and speak without any pain!”

After saying that, elder Bai swept his gaze across the people present. He shouted furiously with all his might, “I know you look down on me for relying on my bootlicking, but is that what I’m willing to do! ?”

“You are born with talent that surpasses ordinary people and enjoy resources that ordinary people can’t compare to. Of course, you can live the life you want by relying on your strength!”

“What about me? I’m just a mortal. I’m just a mortal who doesn’t want to be ordinary! This is my only choice!”

Qin Yu opened his mouth, but he couldn’t find any words to refute.

He didn’t expect that elder Bai would actually say such a moving thing.

“It wasn’t my fault to begin with. It was just this world!”Elder Bai roared. He raised his palm and slapped it on his head!

Chapter 1579: Chapter 1,579, he TENG’s ambition 1

With this palm strike, elder Bai’s head instantly shattered and he fell to the ground, unable to get up.

Qin Yu walked in front of him and checked his breathing. He discovered that elder Bai was already dead.

“He’s dead,”Qin Yu said in a deep voice.

The surrounding people sighed slightly. For a moment, they didn’t know what to say.

Qin Yu was also a little moved, so he did not choose to erase elder Bai’s primordial spirit. At the very least, his soul would not be destroyed.

Although reincarnation was only a legend, the entire cultivation world attached great importance to it.

After killing elder Bai, Qin Yu took out the remaining pills and handed them to Di Zun.

“Take these pills once a day,”Qin Yu said to Di Zun.

Di Zun took the pill and asked, “Master, are you leaving?”

“I’m not leaving. I Won’t leave until I get the news of the dance. Help me find a quiet room later,”Qin Yu said to Di Zun.

Di Zun quickly nodded and said, “Okay, no problem.”

Qin Yu nodded. He planned to take advantage of these few days to swallow the rest of the great Yue fruit.

As for the Huangji Buddha Flame, Qin Yu didn't have any plans for the time being. This Huangji Buddha Flame had too many uncertainties, so Qin Yu didn't want to take the risk for the time being.

Then, Di Zun found a room for Qin Yu.

"Other than the news about Jue Wu, Don't disturb me," Qin Yu said to Di Zun.

Di Zun nodded and said, "Don't worry."

After Di Zun left, Qin Yu took out the remaining Big Yue fruit.

When he saw the big Yue fruit, the image of Jue Wu appeared in Qin Yu's mind.

This made Qin Yu's body emit a chill, and his face carried a bit of viciousness.

"I will definitely kill you..." Qin Yu clenched his teeth.

...

At this moment, the two godly monarchs still had not left the South Province.

They cast their gazes on Qin Yu.

Not long after Qin Yu left, they received the news.

The two of them used extremely powerful methods to secretly hide behind Qin Yu.

Such methods were extremely powerful, and even Qin Yu did not notice it.

"This Qin Yu will definitely become a threat to the northern lands in the future. We must get rid of him in advance," one of the godly monarchs said coldly.

"That's right. We couldn't find an opportunity initially. We didn't expect him to leave the northern borders." The other godly monarch sneered.

The two of them were not in a hurry to attack. Instead, they planned to wait for Qin Yu to leave the Heavenly Cloud sect.

Ever since the last battle, they had a psychological trauma towards the heavenly cloud sect. They did not dare to attack rashly.

With their strength, they could look down on almost the entire southern region. However, there were two exceptions. One was the sect master of the Heavenly Cloud Sect, and the other was Xiao Hai.

In the Tianyun sect.

Qin Yu stuffed one big Yue fruit after another into his mouth.

The effect of the Big Yue fruit was even better than the Enlightenment tea, but it was not as obvious on Qin Yu, at least not as obvious as the absolute dance.

In the blink of an eye, three days had passed, and there were not many big yue fruits left in Qin Yu's hands.

There were dozens of big yue fruits, but not a single one was left. At this time, Qin Yu's mental state had also been greatly improved.

Although it was not as exaggerated as a breakthrough, the effect was also beyond expectations.

After swallowing the last few great yue fruits, he stood up and left the room.

In the meeting hall, the deputy sect master's body had already recovered a lot. Although his internal Qi was still unstable, at least he could move freely.

"Deputy sect master, should we consider taking back a portion of the people?" An elder suggested.

"Yes, many people from the northern lands have already entered the southern province. Now that the sect leader is not here, no one can guarantee that the northern lands will not attack us."

"In the past few days, who knows how many people in the entire southern province have died at their hands. We also have to worry."

The vice sect leader remained silent. In fact, he was also worried about this.

At this moment, a disciple suddenly ran in from outside.

"Deputy sect master, there's a person outside who calls himself Teng men requesting an audience," the disciple said.

When they heard the name Teng men, everyone in the room was somewhat shocked.

During this period of time, Teng Men's fame was extremely great. It was rapidly expanding at a speed visible to the naked eye.

The current Teng Men was now the second most powerful sect in the southern region.

“What are they doing here...”the deputy sect master frowned.

After thinking for a moment, the deputy sect leader said, “Let him in.”

A few minutes later, a man in a black robe walked in.

On the black robe, there was a large golden word: Tengmen.

“Greetings, deputy sect leader.”The man cupped his hands to the deputy sect leader.

The deputy sect leader said in a deep voice, “What are you here for?”

The black-robed man smiled faintly and said, “I am under the orders of our sect leader to invite you to Tengmen sect for a chat.”

“A meeting with Teng sect? I don’t seem to know him.”The deputy sect leader frowned and said.

The black-robed man smiled and said, “There’s no need to know him. Our sect leader has said that he wants to discuss the great plan with you. I hope that the deputy sect leader can show his face.”

The deputy sect leader said with a cold face, “If he really wants to discuss the great plan, why doesn’t he come to Our Heavenly Cloud Sect? Go back and tell your sect leader that if there’s really something important, he can come to the heavenly cloud sect to see me.”

After hearing these words, not only was the black-robed man not shocked, he even said with a bit of arrogance, “Deputy sect leader, our sect leader has said that he hopes that you won’t be ungrateful. If you go, it will be good for you and the Tianyun sect.”

“Are you threatening me?”The deputy sect leader’s face immediately turned black.

“Hahahaha, you can understand it this way.”The black-robed man said without hiding anything.

The deputy sect master narrowed his eyes and said, “What if I don’t go?”

“If you don’t go, Teng Gate will make the heavenly cloud sect disappear completely!”The black-robed man said with a cold face.

“You’re courting death!”The deputy sect master immediately flew into a rage!

“No one has ever dared to threaten my heavenly cloud sect!”

The black-robed man was not anxious either. He said indifferently, "After experiencing this battle, the Heavenly Cloud Sect's vitality has been greatly damaged, and your sect master is not on the Cultivation Mountain."

"In other words, the current heavenly cloud sect has long been in name only. Once Our Teng sect launches a general attack, you guys won't be able to hold on at all!"

The deputy sect master's expression became even gloomier. He did not expect that Teng sect would be so rampant!

"With such a big appetite, aren't you afraid that you won't be able to eat?"

At this moment, Qin Yu walked in from outside.

The black-robed man glanced at Qin Yu and said, "You are?"

Qin Yu didn't say anything. He walked in front of the black-robed man, raised his hand and grabbed his neck. Then, he violently pulled off the black robe on his head.

"Why do you people like to wear a black robe? Is it shameful?" Qin Yu mocked.

A trace of panic flashed across the black-robed man's face. He said angrily, "You dare to attack me? Are you courting death!"

"Attack you? I'm going to take your life!"

After saying that, Qin Yu waved his hand and smashed his head into pieces!

Qin Yu threw his corpse to the side. Just as he was about to speak, a figure suddenly floated out from the corpse.

This figure was none other than he teng!

Chapter 1580: Chapter 1,580, the scheme of the Tianyun sect

He Teng's shadow floated up from his body.

He seemed to have expected this, so he was not too surprised. He only looked at the deputy sect master in front of him.

"Two armies fighting without killing their envoys, don't you understand this principle..." he teng looked at the deputy sect master and said gloomily.

The deputy sect master said with a dark face, "You are the sect master of Teng Sect?"

He Teng ignored this sentence and said indifferently, "I originally couldn't find an excuse to attack you. Now it's fine. You Kill My Teng Sect's people first. I..."

"F * ck you!"

Before he teng could finish his words, Qin Yu cursed loudly.

Hearing this familiar voice, he teng was obviously stunned.

He immediately turned to look in Qin Yu's direction and said in surprise, "Qin Yu? Why are you here?"

Qin Yu sneered and said, "Why? Are you surprised to see me?"

He Teng narrowed his eyes slightly and said with a faint smile, "Qin Yu, we haven't seen each other for a long time..."

"Don't talk nonsense." Qin Yu waved his hand and said.

"You F * cking snatched the white bone club. Are you powerful now? I killed him and it has nothing to do with the Tianyun sect. If you want to take revenge, come and find me," Qin Yu sneered and said.

He Teng narrowed his eyes and said coldly, "You killed him?"

"That's right. This kid really deserves to die for shouting at me. I helped you to teach him a lesson. You Won't blame me, right?" Qin Yu sneered.

He Teng said with a dark face, "Kid, you and I are both from Earth. Originally, you and I should take care of each other and support each other, but you've ruined my good deeds many times!"

Qin Yu sneered, "Take care of each other with you? If you hadn't shown up at the last moment, do you think you would have the chance to come to the Holy Region?"

"Hahahaha! I'm afraid it's not that easy to kill me," he teng said with some pride.

Then, he teng said with a slightly threatening tone, "Qin Yu, I don't want to kill you for the time being. My target is the Tianyun sect. As the saying goes, there's a good reason for me to start. I..."

"Cut the crap. You'd better return the white bone club obediently," Qin Yu interrupted he teng.

He Teng narrowed his eyes slightly and said indifferently, "Qin Yu, I have the white bone club. Do You Think You are my match?"

“Then you can come and try,” Qin Yu said coldly.

He teng laughed and said, “Now is not the time. Don’t worry. Your body is mine. No one can take it away!”

These words sounded a little strange, and even the many elders of the Tianyun sect had unnatural expressions on their faces.

“Sect leader he, now that the northern land has come to invade, our most important thing is to resist the northern land. We shouldn’t have a conflict at this time,” at this time, an elder of the Tianyun sect said.

He teng sneered and said, “I don’t know where you come from with so much benevolence and morality. What does the northern land’s invasion have to do with me? My Dream is the Sea of stars, not you lowly ants!”

“Enough, he teng. Don’t talk nonsense. I’ll find an opportunity to visit you,” Qin Yu said coldly.

He Teng smiled faintly and said, “Welcome. I’m looking forward to your arrival.”

After saying that, Qin Yu waved his hand and directly erased this Phantom.

“Little Friend Qin, do you know he teng?” The deputy sect master next to him asked in puzzlement.

Qin Yu said in a low voice, “I can be considered to know him, but I can also be considered an enemy. In short, I can’t explain it clearly in just a few words.”

“Young friend Qin, if that’s the case, is there a possibility that you will be the one to mediate? The current Heavenly Cloud sect can’t afford a great battle anymore,” an elder said in a deep voice.

Qin Yu laughed bitterly and said, “That’s absolutely impossible. You guys don’t understand he teng too well. This person... it’s hard to explain in a few words.”

“Sigh, now that the sect master isn’t around and the entire heavenly cloud sect has suffered great losses, if Teng sect were to attack at this time, I’m afraid that the Heavenly Cloud Sect...”

The elder didn’t continue speaking, but the meaning was very obvious.

Qin Yu was also a bit worried.

One had to know that he teng this kid was pure evil. His evil had no bottom line.

A person without a bottom line was extremely terrifying.

“How about this, I’ll stay here for a few days.” Qin Yu said in a deep voice.

“If he teng really dares to come, I’ll definitely make a move.”

“And you guys take this time to inquire about the sect leader.”

The deputy sect leader sighed slightly and said, “This is the only thing we can do now.”

...

On the other side.

He Teng slowly opened his eyes.

His pupils were extremely strange now. The whites of his eyes could no longer be seen, and his entire person appeared extremely gloomy.

“This Qin Yu...” He Teng’s eyes narrowed slightly, and he muttered Qin Yu’s name in a low voice.

“Is it that Qin Yu again?” At this moment, he Teng’s confidant walked over.

He Teng nodded slightly and said with a faint smile, “Speaking of which, it really is a bad karma. He came to the South Province, and I also came to the South Province...”

“Sect leader, you have the white bone club. Just kill him directly!” The confidant muttered.

He Teng shook his head and said in a deep voice, “Qin Yu also has a trump card. I don’t want to confront him directly for the time being...”

“What about the Heavenly Cloud Sect?”

“Let’s put it on hold for the time being,” he teng said indifferently.

“I don’t believe that Qin Yu will always stay in the heavenly cloud sect.”

An extremely strange situation had formed.

The two godly monarchs of the heavenly cloud sect did not dare to make a move against Qin Yu because they were afraid of the Heavenly Cloud sect.

And he teng did not dare to make a move against the Heavenly Cloud sect because he was afraid of Qin Yu.

In a short period of time, this seemed to have reached a balance, and this balance would be broken the moment Qin Yu left the Tianyun sect.

In the next few days, Qin Yu stayed in the Tianyun sect. He absorbed the great Yue fruit in his body and slowly comprehended the Great Dao of Heaven and earth.

On this evening, Di Zun rushed into the meeting hall in a hurry.

In the meeting hall, the deputy sect master and the elders were all present. When they saw Di Zun who had barged in, they said with some doubt, "Di Zun, what's Wrong?"

Di Zun took a glance and said, "I've found the news of Lord Jue Wu!"

"En? where is she?"The deputy sect master hurriedly asked.

"She's on wind bamboo mountain! She's at Qu Zhu's place!"Di Zun said while panting heavily.

After saying this, Di Zun turned around and was about to leave, intending to tell this news to Qin Yu.

"Di Zun, wait a moment."

At this moment, an elder called out to Di Zun.

Di zun frowned and asked, "What is it?"

The elder looked at the deputy sect master and said in a deep voice, "Deputy sect master, if Qin Yu knew about this news, he would immediately rush to Qu bamboo mountain to look for Jue Wu."

"That's right, so?"The deputy sect master nodded and said.

The elder continued, "If he leaves, what will happen if Teng men comes to attack?"

The entire meeting hall fell silent.

"What... What do you mean? !"Di Zun widened his eyes. His expression was complicated. There was shock and anger on his face.

The elder glanced at di zun and said, "Jue Wu is on wind bamboo mountain. It should be safe for the time being. There isn't much difference between going early and going late, but it's different for us."
