

My Rich Wife - Chapter 1651 - 1660

Chapter 1651 – Chapter 1,651: The Godly King Is Dead! 1

Chapter 1651: Chapter 1,651: The Godly King is dead! 1

The Godly King had already escaped. Qin Yu simply did not have the ability to make them stay.

This meant that for the northern land cultivators, a great battle was full of advantages.

Especially the battle with the Northern Land Lord three days later. If Qin Yu won, he could still escape.

It was fine if the young elementalists escaped, but what about the fully recovered elementalists?

The surrounding people were immersed in excitement, but Qin Yu quietly sighed.

The northern lands.

This place that was frozen in the cold had almost been emptied.

Everyone had gone to the southern region, so the northern lands appeared even more empty.

However, at this moment, there was a person sitting cross-legged, slowly recovering his internal Qi.

.....

His condition was extremely poor. Not only did Qin Yu's sword slash his mystic immortal palace, but it also injured his primordial spirit.

If he did not recover in time, it would probably affect him for the rest of his life.

Traces of internal Qi surrounded his body, looking somewhat mysterious.

"Damn it... how did this Qin Yu suddenly become so powerful..."the godly monarch said in a trembling voice.

Before he finished speaking, he spat out a mouthful of blood.

"If I had not escaped in time, I would have died in his hands..."the godly monarch took a deep breath.

At this moment, a sound suddenly came from outside.

Looking Up, it was actually Yong Ji and he teng!

The two of them returned in defeat. When they saw the godly monarch who was healing his injuries with his legs crossed, they were also somewhat surprised.

"Lord Godly monarch, you... What Happened to you?"Yong Ji said in surprise.

The godly monarch opened his eyes slightly and said coldly, "It was Qin Yu."

The moment he said that, he teng and Yong Ji's expressions turned unnatural.

They had always had a special feeling for Qin Yu. Now that they heard that Qin Yu was so powerful, they had an indescribable feeling in their hearts.

"This Qin Yu..."Yong Ji's expression was extremely cold, and he could not help but clench his fists.

He Teng, who was by the side, was much calmer. His eyes rolled slightly, and no one knew what he was thinking.

"In that case, you lost to Qin Yu?"A moment later, he teng suddenly said.

The godly monarch's expression turned cold as he said coldly, "Get out."

He teng snorted lightly, "You are a godly monarch, and I am also a godly monarch. Why should I listen to your orders?"

"You!"The godly monarch was instantly enraged! But because of the injuries on his body, he was unable to make a move.

"Let's go out first,"Yong Ji said in a deep voice.

After saying this, Yong Ji turned around and was about to leave.

But at this moment, he teng pulled him back.

"What?"Yong Ji was at a loss.

A sinister smile appeared on he Teng's face. As he walked towards the godly king, he said, "Haven't you always wanted to be a godly king? Now is a good opportunity..."

“What do you mean?”Yong Ji was stunned.

And the godly monarch had a bad premonition.

He said with a cold face, “He teng, what do you want to Do!”

“Of course I want to kill you,”he teng said with a grin.

The godly monarch shouted, “Even if I’m very weak, it’s not that easy for you to kill me in the Northern Lands!”

Yong Ji remained silent, but he agreed with this idea.

This was because he had once sent his disciple to test the godly monarch, but in the end, he failed.

“Hahahahaha!”

He Teng could not help but laugh out loud.

He sneered, “I want you to die. No one can save you!”

With that said, he teng suddenly stretched out his hand, grabbing straight at the godly monarch’s head!

The godly monarch’s mind moved immediately, and an inexplicable power erupted, pressing straight at He Teng!

But he teng was not afraid at all. He waved his large hand, and directly took out the white bone staff!

The white bone staff suddenly swung out, smashing towards the sudden power!

“Boom!”

Under this strike, all the power dissipated into thin air!

“Go to hell!”

A vicious look flashed across he Teng’s face. His palm was like a claw, ruthlessly clawing towards the Godly Monarch’s head!

In the next second, his finger directly pierced into the divine king’s head, grabbing his primordial spirit out!

“You... Don’t do anything reckless!”The Divine King’s primordial spirit was frantically struggling in he Teng’s hand, incomparably terrified.

He Teng said sinisterly, “You conceited thing, it’s better for you to die. No one can surpass me, he teng!”

With that, he actually swallowed the primordial spirit of the godly monarch!

Everything happened in a flash. It was too fast. Even Yongji did not come back to his senses.

He Teng licked his lips. He patted Yongji’s chest and said, “From today onwards, you are the new godly monarch of the northern lands.”

Without waiting for Yongji’s reaction, he teng turned around and walked out.

Yongji looked at He Teng’s back with an indescribable fear in his heart.

This young man in front of him seemed to be even more vicious than him!

...

Teng Gate.

Yongji and he teng knelt in front of the elementalists and stated the fabricated facts.

“Qin Yu actually killed the Godly King! He was lucky enough to escape back to the northern lands, but in the end, he still died...”

He Teng’s voice was full of emotion. Even Yongji, who was at the side, was impressed.

The elementalist looked coldly at he teng who was kneeling on the ground. He extended his palm and an internal Qi grabbed he teng’s neck.

“What you said, is it true?”The elementalist asked coldly.

He teng hurriedly said, “It’s absolutely true! It’s a Lie!”

The elementalist narrowed his eyes and sneered, “If you dare to lie to me, do you know the consequences...”

After saying that, he threw he teng to the ground.

He Teng knelt on the ground without saying a word, like a stray dog.

However, this scene made Yongji feel terrified.

He could not help but recall what he teng had said in the north.

“You Arrogant Thing, you better go to Hell!”

These words lingered in Yongji’s ears, making him terrified.

“From today onwards, you are the new godly king of the northern lands.”At this moment, the elementalist pointed at Yongji.

Yongji was instantly overjoyed. He hurriedly bowed and said, “Thank you, Lord!”

The elementalist remained silent. He narrowed his eyes slightly and said in a low voice, “This Qin Yu... is really quite capable. In just two short days, our northern lands has already lost two godly kings...”

“Master, do you want to go to Qin Yu’s letter of Challenge?”He Teng asked tentatively.

The elementalist slowly stood up. He placed his hands behind his back and said indifferently, “Of course, I’ll go. Pass my orders. I’ll see you at Yingning Mountain in three days.”

“Yes!”

.....

...

The news of the godly monarch’s death quickly spread.

Almost everyone knew that Qin Yu had beheaded a godly monarch of the northern region the moment he returned!

Such a battle result undoubtedly gave a stimulant to the lifeless southern region!

After learning of the news, Qin Yu could not help but be somewhat surprised.

“This godly monarch is actually dead?”Qin Yu rubbed his chin, feeling somewhat incredulous.

That sword strike should not be enough to kill him.

Qin Yu did not say a word, but he did not dwell on it.

Tianyun sect.

After the deputy sect master heard about this, he hurried to the cultivation mountain.

Chapter 1652 – Chapter 1,652, Return To Void Pill 1

Chapter 1652: Chapter 1,652, return to void Pill 1

At the foot of the Cultivation Mountain.

The deputy sect master kept shouting at the cultivation mountain, but there was not the slightest movement inside.

After a long while, the deputy sect master gradually gave up.

He cleared his somewhat hoarse throat and then said mockingly, "Sect master, Qin Yu just beheaded a godly king. Furthermore, he will be fighting elementalists on Mount Yingning three days later."

"TSK TSK, look at him, and then look at you. He dares to challenge the Lord of the northern lands, unlike you, who hides on a mountain every day and never leaves the main gate. TSK TSK."

After a round of sarcasm, the deputy sect master turned around and was about to leave.

But at this moment, a path lit up on the cultivation mountain.

The deputy sect master was stunned. Before he could recover from his shock, the sect master had already walked over.

In the blink of an eye, he had arrived in front of the deputy sect master.

.....

This made the deputy sect master extremely nervous. He swallowed his saliva and braced himself to say, "What... What are you doing? Don't tell me you're going to kill me? Since you don't dare to attack the people of the northern lands, are you going to vent your anger on your own people?"

A faint smile hung on the sect master's face.

It was very obvious that he did not take the deputy sect master's words to heart.

"Three days later, Ying Ning Mountain?"The sect master inquired.

The deputy sect master nodded and said, "That's right. Why? Do you want to go too?"

The sect master placed his hands behind his back and said with a sigh, "Let's go and take a look. I have nothing to do anyway."

When the deputy sect master heard that, he was immediately overjoyed!

He hurriedly said, "Alright, then I'll make the arrangements! When the time comes, I'll go with you!"

...

The news of Qin Yu beheading a godly monarch of the northern lands spread like wildfire throughout the entire southern province.

For a moment, almost everyone was discussing this matter.

They had been sullen for too long. Faced with the powerful northern lands, they had practically no means of resisting.

Now that someone had stepped forward and beheaded a godly monarch, it was undoubtedly a shot in the arm.

However, Qin Yu was the only one who was filled with worry.

He came to Wind Bamboo Mountain and sat where Qu Zhu used to be.

Qu Zhu's wine flask and a flute were also placed here.

Qin Yu reached out to caress his wine flask and said with a sigh, "Three maniacs, three ultimate, did he really die just like that?"

Facing the powerful Northern Land Lord, Qu Zhu's chances of victory were indeed very small.

However, existences like them would definitely have their own means of self-protection.

"If you really die, I will set up a tombstone for you," Qin Yu said in a low voice.

After saying this, he took out the painting from the spatial magic artifact.

Looking at the painting in front of him, Qin Yu couldn't help but feel somewhat vexed.

"Unfortunately, I was unable to get anything out of that godly king's mouth," Qin Yu said in a low voice.

He had tried many methods, but he was unable to get anything out of the painting.

It was likely that the scroll had used some sort of sealing technique.

After putting away the scroll, Qin Yu stood up and left wind bamboo mountain.

Qin Yu wasn't confident in facing the powerful lord of the northern lands. He had to be fully prepared.

Thus, Qin Yu stood up and rushed towards the hunter organization.

He wanted to take the iron rod away in case he needed it.

In front of Xiao Hai's grave.

Xiao Sheng stood there and poured a pot of wine in front of Xiao Hai's grave.

"Qin Yu killed a godly king. He is about to face the Lord of the northern lands," Xiao Sheng said indifferently.

"It seems that there is still someone willing to inherit your will."

Xiao Sheng could not help but sigh. Although his path was different from Xiao Hai's, he was still filled with admiration for Xiao Hai's dedication.

"It was the right decision not to kill him back then." Xiao Sheng's brows turned cold, and then slowly relaxed.

"Speaking of which, in my heart, the one who wants to fight the most is not the northern land's master."

Xiao Sheng did not continue with the rest of his words, but his meaning was very clear.

He sat in front of the grave for a long time and did not have any intention of leaving.

At this moment, Xiao Sheng sensed an aura approaching from the dark. It was an internal Qi.

"Eh?"

Xiao Sheng frowned slightly. His body flashed and he immediately hid.

A moment later, a man whose face was covered hurried to the tombstone.

This person's face was covered by the fog, and no one could see through it.

A faint black energy lingered around his body.

This aura was completely different from the black energy of the northern lands. It was like the internal Qi of death.

Xiao Sheng hid in the dark and did not make a sound. He just looked at him quietly as if he wanted to see what he was going to do.

However, the mysterious person stood in front of the grave for a long time. He did not say a word and just stood there quietly.

A moment later, the mysterious person turned around and left.

Xiao Sheng, who was hiding in the dark, frowned slightly. He immediately stood up and planned to chase after him.

However, in a short moment, that mysterious person had already disappeared without a trace.

This kind of movement technique could not help but make Xiao Sheng feel a little surprised.

“He actually escaped under my eyes...” Xiao Sheng muttered in a low voice.

In the entire South Province, there were very few people who could achieve such a level.

Xiao Sheng looked at his departing figure, and no one knew what he was thinking about.

...

Green Rock Forest, Hunter organization.

Because this place was close to Green Rock Forest, the disaster in the South Province didn't have much impact on them.

Seeing Qin Yu rush back, Jing Bai quickly walked up to him.

“Qin Yu, Why Are You Back?” Jing Bai said in surprise.

A hunter beside him smiled and said, “Qin Yu, did you bring back the white bone staff for us?”

Qin Yu laughed bitterly and said, “I've disappointed all of you. I'm afraid we won't be able to get the white bone staff back anytime soon.”

“Haha, We Were Just Joking. You Can’t be blamed for this matter.”The hunter at the side patted Qin Yu’s shoulder and laughed heartily.

Qin Yu was silent for a moment before saying, “In three days’ time, I will be fighting with the elementalists at Ying Ning Mountain. So... I’m afraid I’ll have to take the iron staff with me for now.”

“Battle with the Northern Lord?”Everyone could not help but feel a little surprised when they heard this.

Many hunters surrounded them one after another.

“Qin Yu, the northern Lord is far more powerful than the three maniacs and three uniques.”

“That’s right. Even the sect master of the Heavenly Cloud sect is hiding. You...”

“Nine holes died at his hands. Why do you have to fight with him?”

Qin Yu sighed and said, “Of course I know that elementalists are very strong, but someone has to face him.”

“If everyone wants to protect themselves, then the destruction of the southern region is inevitable. Xiao Hai’s death is meaningless.”

Jing Bai said in a deep voice, “I support your idea. You... be careful.”

Qin Yu smiled and patted his shoulder without saying anything.

.....

Then, he went to the array eye and took out the iron rod.

“I hope you can help...”Qin Yu thought in his heart.

After taking the iron rod, Qin Yu planned to leave the hunter organization.

At this moment, the Pekingese suddenly appeared behind Qin Yu.

In his hand was a pill.

The fragrance of this pill was extremely rich and emitted a magical glow.

“What is this?”Qin Yu asked suspiciously.

Jing Bai said in a deep voice, “This is the pill left behind by the group leader.”

“Pill? What Pill?”

“Void return pill.”

Chapter 1653 – Chapter 1,653, The Battle Against The Lord Of The Northern Lands! 1

Chapter 1653: Chapter 1,653, the battle against the Lord of the northern lands! 1

“Void return pill?”Qin Yu was startled and immediately turned pale with fright!

Void return pill was a rare treasure. Even with Qin Yu’s technique, he was unable to refine it!

This Jing Bai actually had a void return pill hidden in his hands? And it was left behind by the group leader?

“How did the group leader have this thing? Then why didn’t you consume this pill back then?”Qin Yu asked in puzzlement.

Jing Bai sighed slightly and said, “Zhong Wu is still one of us after all. Team Leader said that this thing is used to resist foreign enemies.”

“Moreover... the side effects of this thing are extremely great. No one will use it unless it’s a critical moment, unless the hunter organization is in the midst of destruction.”

Following that, Jing Bai stuffed the return to void pill into Qin Yu’s hands.

“Now that I’m handing it over to you, it’s still the same. Unless it’s a critical moment, don’t use this thing,”Jing Bai said in a deep voice.

.....

Qin Yu held the void-returning pill and frowned. “If you give it to me, what will you do if the hunter organization has a disaster in the future?”

Jing Bai smiled bitterly. “If the entire South Province Falls, does the hunter organization still have a purpose to exist?”

At this point, Jing Bai changed the topic and said in a relaxed tone, “Besides, there’s still you. It’s enough for you to protect the hunter organization in the future.”

Qin Yu took the pill and said in a deep voice, “Okay, Jing Bai, thank you.”

Jing Bai waved his hand and said, "Take this pill and leave quickly."

Qin Yu nodded and quickly left the hunter organization with the pill in his hand.

It had to be said that the pressure on Qin Yu at this moment was extremely great.

It was as if the entire South Province had placed their hopes on Qin Yu.

At the same time.

A large number of cultivators from the northern lands had arrived at Mount Yingning.

The huge mountain was filled with black-robed men.

At a glance, it was quite a spectacular sight.

Many famous people from the southern province had also rushed to this place, as if they wanted to spectate the battle.

Both sides had formed an extreme opposition. They stood to one side and looked at each other coldly.

The elementalist was rather calm. He even set up a banquet here to welcome everyone.

"The huge southern region actually wants a junior to stand out." The elementalist could not help but sigh.

"The development of the southern region is so abnormal. It's really surprising."

In the entire world, which place did not have many geniuses? Which place did not have many outstanding young people?

Many geniuses were no weaker than the older generation, but the southern region was an exception.

There were very few geniuses of the younger generation, and those who could be called by their names could be counted on one hand.

Yong Ji, who was at the side, kept silent. He was the one who caused this situation.

Almost all the geniuses of the younger generation had become his foster sons. In his hands, these geniuses simply couldn't play their due role.

As for the experts of the older generation, they were also deformed.

Which region did not have a few top-notch people standing on the mountain peaks? However, only the South region was ridiculously rare.

And the reason for this situation was because of the battle at the Heavenly Cloud sect back then.

Xiao Sheng's strength had almost suppressed all the experts of the South region to the point that they could not breathe. In fact, he had even massacred them all.

If not for the kind-hearted Xiao Hai, the nine holes would have long ceased to exist.

"Boom!"

At this moment, Wen Wanji rushed over. He glanced at the young elemental and immediately gave him the middle finger.

Wen Dawen er, who was following behind them, also imitated Wen Wanji and gave him the middle finger.

The elemental did not mind. Instead, he revealed a smile on his face as if he was laughing at their immature behavior.

Soon, more people arrived one after another.

The sect leaders of the major sects were looking at the elemental coldly. Zhuo Jing and the others also arrived.

"I'm afraid that this battle will affect the future of the entire southern province."

"No matter what, at least Qin Yu has stepped forward. Regardless of victory or defeat, we must protect his life."

"That's easy to say. Protect his life? who has the ability to do that?"

As he spoke, a graceful figure arrived.

Everyone was shocked when they saw this person!

"Qu Zhu? Aren't you dead?" Wen Wanli shouted first.

Qu Zhu shook his head and said weakly, "I was only heavily injured and luckily survived."

The elemental in front was also a little surprised when he saw Qu Zhu.

"I remember... You died at my hands. How did you come back to life?" The elementalist asked in surprise.

Qu Zhu smiled and said, "If you had left a minute later, I might have already died."

"Oh? It seems that you have a lot of connections," the elementalist sighed.

Qu Zhu did not say anything. He quietly found a seat and sat down.

"Is that old bald donkey still alive?" At this moment, the elementalist rubbed his chin and muttered.

The old bald donkey was clearly worthy of being called a monk of the Hong Xi sect.

The elementalist could not help but feel a little expectant.

A moment later, the monk of the Hong Xi sect arrived.

Upon seeing this scene, the elementalist could not help but stand up excitedly.

"Hahahaha! He's actually still alive!" The elementalist could not help but laugh out loud.

He looked at the monk of the Hong Xi sect and said, "You guys really surprised me. You guys really surprised me. hahaha!"

The monk of Hongxi bowed slightly to the elementalist and then led him into the crowd.

"Master, let me kill them." Sima bei volunteered.

The elementalist waved his hand and said, "No, I don't want to kill them now."

Then, the elementalist looked at Yongji and said with great interest, "I think you have some life-saving methods, right?"

Yong Ji bowed slightly and did not answer.

The elementalist did not continue asking questions. He stretched his body and quietly waited for Qin Yu's arrival.

Many northern land cultivators were standing around Ying Ning Mountain.

Their bodies were filled with killing intent, and they could attack at any time.

Three days later.

Qin Yu stepped on the Godly Eagle and came over!

His figure did not look strong. In fact, he was a little thin and weak.

But at this moment, in the eyes of everyone, he was incomparably tall and Big!

Qin Yu had arrived!

Everyone looked in the direction of Qin Yu in unison!

The northern land cultivators who were standing around Mount Ying Ning stood out with surging killing intent, blocking Qin Yu's path.

These people were all carefully selected by the northern land gnomes and had gone through countless life and death situations to survive. They were extremely powerful, or else they would have long been reduced to nourishment. They were definitely not people that the ordinary cultivators of the southern region could compare with.

“Those who dare to provoke the master, Kill Without Mercy!”

They all shouted in unison. Their imposing manner was unparalleled, as if they had come with the determination to die!

Qin Yu did not utter a single word. He raised his hand and threw out a golden fist, directly shattering their bodies and primordial spirit!

Another northern land cultivator made a move. A pitch-black longsword pierced straight into Qin Yu's forehead!

.....

Qin Yu's expression turned cold, and golden light instantly erupted from his body. That terrifying internal Qi shattered the Longsword, and the sword shard pierced into the northern land cultivator's forehead, taking his life.

But even so, these northern land cultivators were still like Death Warriors, Blocking Qin Yu!

Chapter 1654 – Chapter 1654, Eternal Limit, Don'T Embarrass Yourself! 1

Chapter 1654: Chapter 1654, eternal limit, don't embarrass yourself! 1

This seemed to be a show of strength from the Lord of the northern lands to Qin Yu! It also seemed to be another demonstration of the loyalty of the northern lands cultivators to him!

Wave after wave of black-robed men rushed towards Qin Yu. There was a hint of panic in their eyes. They were shockingly ready to die!

An extremely tall black-robed man held a fist that was like a hammer. From top to bottom, he ruthlessly smashed it towards Qin Yu's head!

Qin Yu stared straight ahead as he punched out with his right fist, instantly destroying his body!

“Scram!”

At this moment, Qin Yu suddenly let out a loud roar!

The thunderous roar contained an extremely powerful and terrifying power, as though it wanted to shatter this entire space!

These black-robed men seemed to be unable to withstand this power and retreated one after another!

When everyone saw this, they were all shocked!

.....

These black-robed men were carefully selected by elementalists. Each of them was a veteran who could sweep across the southern region with their strength!

However, such an existence was like a chicken or a dog in front of Qin Yu, unable to withstand a single blow!

Everyone knew that Qin Yu's growth was no longer limited. He was already able to take charge of everything!

The elementalist not far away looked at Qin Yu coldly. The expression on his face was extremely strange and unpredictable.

Qin Yu walked up from the foot of the mountain step by step. He forcefully fought his way out. The blood of the northern land cultivators had already dyed this small path red!

Many of the southern province's cultivators were very unsettled. Those who had once slandered Qin Yu felt even more terrified in their hearts.

The current Qin Yu was like a god of war. He was unstoppable and even made people unable to think of fighting him!

Very soon, Qin Yu walked up with heavy steps!

Even though the northern lands tried to stop him, they were still unable to stop him!

“Elementalist, we’ve finally met!”

Qin Yu looked straight at the northern lands lord and shouted!

The elementalist sized up Qin Yu and said coldly, “You really dare to fight me!”

“I’m not here to fight, I’m here to kill you!”Qin Yu shouted loudly!

His voice and demeanor were mesmerizing!

The elementalist narrowed his eyes and said with a sneer, “You yellow-mouthed brat, you really don’t know the immensity of Heaven and earth. Do you think you can suppress me with just your strength? What a joke!”

Before he could finish his words, another aura approached from outside!

It was the people from the Heavenly Cloud sect!

The One walking at the front was surprisingly the sect master of the Heavenly Cloud Sect, Xiao Sheng!

At this moment, everyone stood up. When they saw Xiao Sheng’s figure, their faces were filled with shock!

Xiao Sheng, he actually came as well!

Could it be that Xiao Sheng was going to make a move today? !

“He is the sect master of the Heavenly Cloud Sect,”someone beside reminded the elementalist.

The elementalist’s gaze immediately shifted from Qin Yu to Xiao Sheng.

Looking at this face that was almost identical to Xiao Hai’s, many people in the arena could not remain calm.

They could not even tell if the man in front of them was Xiao Sheng or the deceased Xiao Hai!

“So there’s someone backing me up. Looks like the person who is going to fight me today is not Qin Yu, but someone else,”the elementalist said coldly.

Apart from the elementalists, no one on the field did not seem to be afraid of Xiao Sheng!

They stepped back one after another, not daring to say a word.

The crowd could not help but feel a little nervous. They looked at Xiao Sheng as if they were waiting for his answer.

“Don’t misunderstand. I am only here to watch the battle.” Finally, Xiao Sheng spoke.

Upon hearing his answer, everyone in the southern region immediately felt extremely disappointed!

At this moment, Xiao Sheng still did not make a move!

“Hahahahaha!”

The elementalist laughed loudly.

He pointed his finger in the air and shouted, “Xiao Sheng, don’t you dare to Fight Me!”

“Qin Yu is enough to deal with you,” Xiao Sheng replied indifferently.

His words shocked everyone!

Was Xiao Sheng looking down on the elementalist or did he approve of Qin Yu? Perhaps he meant both?

“Even the sect leader of the Heavenly Cloud Sect said so. From the looks of it, Qin Yu has really grown to a terrifying level,” someone lamented.

The elementalist sneered and slowly sat down. Then, he said indifferently, “Wang should fight with Wang. Why do we need to fight against a Junior?”

With that, the elementalist pointed at Yongji.

“Yongji, kill him,” the elementalist said indifferently.

Yongji’s expression was a little unnatural. Qin Yu’s terrifying combat strength just now made him feel a little afraid.

However, in front of so many people, he naturally did not want to lose face.

Therefore, Yongji took a step forward, looked at Qin Yu coldly and said, “Qin Yu, I don’t need the master to deal with you. I’m Enough!”

Qin Yu looked at Yong Ji coldly and said sarcastically, “Yong Ji, you really are born to be a dog. It’s a pity that I’m here to kill Elementalists today, not you.”

“Impudent!”

Yong Ji roared. He seemed to want to show off in front of the elementalists and immediately stepped forward!

His hand emitted a blazing radiance that almost shook the sky and earth. The terrifying power of the sofa made everyone feel a great pressure!

Yong Ji raised his hand and used his trump card, the three elemental sacred palm!

The earth trembled as a terrifying aura spread out. That powerful internal Qi surged over as if it wanted to pierce through everything!

Facing Yong Ji’s attack, Qin Yu immediately let out a roar and swung out his right fist!

A golden radiance erupted over. His extremely powerful physical strength displayed his incomparable battle prowess at this moment!

“Boom!”

Fists collided with palms. The instant they collided, Yingning Mountain was almost destroyed!

A powerful airwave drowned everything and swept outwards!

Fortunately, Qu Zhu and the others acted at this moment and protected everyone!

Meanwhile, Yongji, who was shooting towards Qin Yu, was now shooting behind him!

His palm was pierced through and was dripping with blood. All of his spells were not worth mentioning in front of Qin Yu’s invincible belief!

Yongji was sent flying! If not for the elementalist who stabilized his body, he would have been sent flying out of Yingning Mountain!

“Damn it...”Yongji looked at his bloody right palm and could not help but clench his teeth. His expression was extremely ferocious.

Qin Yu’s expression was extremely calm. He was like the ruler of the world, ruling the world!

That indifferent gaze seemed to despise everything. It made Yongji feel extremely uncomfortable.

“You are no longer worthy of my attack. Of course, if you want to send yourself to death, I don’t mind sending you off first,”Qin Yu said coldly.

Although his voice was soft, it was full of vigor, entering everyone’s ears!

Being publicly humiliated, Yongji’s face instantly became even more ferocious!

“Yongji, you are no longer Qin Yu’s match, don’t embarrass yourself!”

“A piece of trash. No wonder you escaped to the northern lands!”

“Even if you have learned the secret technique of the northern lands, you are still a piece of trash. You are not worth mentioning in front of Qin Yu!”

The cultivators of the southern region cursed loudly. They were so excited that even the blood in their bodies was boiling!

“Trash.”At this moment, the elementalist also spoke coldly and spat out two words.

Yongji’s face was hideous and terrifying. His entire body trembled and he was extremely angry.

.....

Chapter 1655 – Chapter 1,655, Facing An Elementalist! 1

Chapter 1655: Chapter 1,655, facing an elementalist! 1

At this moment, Yongji seemed to have become a joke.

Under the boundless radiance of Qin Yu, he appeared extremely embarrassed.

Only today did Yongji realize that he was no longer the main character. He had long been reduced to the background of others!

Even under such circumstances, everyone only laughed at him for a while before no one noticed him anymore.

At this moment, the elementalist had already slowly stood up.

He looked coldly at Qin Yu with an extremely cold expression.

“If I let you live, you will definitely become a big trouble in the future,”the Elementalist said coldly.

“I was just about to look for you, but I didn’t expect you to deliver yourself to my doorstep.”The elementalists tone became even colder, and his voice contained an intense killing intent.

His pupils slowly constricted. Because of the powerful internal Qi on his body, his long hair danced in the wind, making him look like a God and devil.

.....

The onlookers gasped. They seemed to have sensed the extremely intense and terrifying killing intent emanating from the Elementalist!

This killing intent made everyone feel a chill down their spines!

Even Qu Zhu could not help but frown slightly.

He had fought against an elementalist before, but he failed in the end and almost died.

“I have nothing to say to you. Kill!”

At this moment, Qin Yu suddenly shouted. He actually took the initiative to attack!

His entire body was bursting with a strong battle intent. His golden aura was like a vast ocean that filled the entire internal Qi!

Qin Yu’s entire body was filled with arrogance. He did not waste any words and directly threw a punch!

The powerful fist sound was extremely ear-splitting. Streams of power seemed to be continuously overlapping with each other. The power was extremely great!

There seemed to be traces of interweaving on his arms. Like a golden dragon that went out to sea, it shook the entire world!

Looking at Qin Yu’s fist, everyone felt shocked and horrified!

Their gazes were all fixed on Qin Yu’s arm. Those fine lines of lines were terrifying!

The elementalists expression was ice-cold. The black radiance rapidly gathered into a seal!

This seemed to be an ancient spell that originated from the immortal slaying sect. It was extremely terrifying!

The huge mark flickered with an immortal radiance and covered the area from top to bottom!

Everyone present felt their hearts skip a beat. Under this powerful internal Qi, they could not help but want to worship him!

“Is this the power of the northern Lord...”

Someone muttered softly. Although they had seen elementalists attack before, it happened at the northern border. They had never felt such a pressure at such a close distance!

Faced with such a powerful force, Qin Yu’s face did not turn orange. His entire body emitted a golden light as he pressed forward!

“Boom!”

The two of them welcomed their first collision! At this moment, the void collapsed. The Great Dao rumbled as if it wanted to tell everything to collapse!

The Mark of an elementalist was directly pierced through by Qin Yu’s ultimate physical body. However, the powerful force forced Qin Yu back a few steps!

This collision shocked both of them!

A violent wind blew. Their eyes met. It was extremely cold as if they were trying to figure out the other party’s true strength.

“There’s finally a decent person in the southern region,” the elementalist was the first to speak. His tone was cold and expectant.

He Teng, who was hiding in the dark, narrowed his eyes. There was an indescribable greed on his face!

“Pure physical strength...” he Teng grinned and revealed a strange smile.

“Pure physical strength can actually reach such a state. If this physical body is given to me, I will definitely be invincible in the world!” He Teng roared in his heart!

He was getting more and more interested in Qin Yu’s body. He couldn’t wait to take it for himself!

He Teng wasn’t the only one. Everyone present was sighing.

They could naturally see the origin of Qin Yu’s punch. He had used his physical body to punch through an Elementalist’s mark. Such power was unimaginable.

One had to know that even the nine holes from back then were struggling in front of this ancient Mark!

“Kill!”

Qin Yu was incomparably powerful. After a furious roar, he closed in once again!

The elementalists' entire body was emitting a black glow. This aura spread throughout the entire Ying Ning Mountain, as though it wanted to turn everything into its own internal Qi!

He let out an angry roar and abruptly clasped his hands together. Rays of light erupted from his palms and slashed towards Qin Yu!

“Boom!”

The second collision between the two of them still did not yield any results.

The elementalists' spells were directly shattered by Qin Yu's fist. However, Qin Yu was still unable to get even half a step closer to the elementalists.

“This body... is really strange.” The elementalist frowned slightly.

At his level, he had seen so far for himself all kinds of physical bodies. The spells that he casually cast would definitely be extremely powerful!

However, the two consecutive attacks did not have any effect. Qin Yu's body was indeed so powerful that it was incomprehensible!

Everyone present held their breaths. They looked at the scene nervously, afraid that they would miss any details.

Qin Yu looked at the elementalist coldly. The internal Qi in his body continued to surge, and every drop of his blood was boiling!

That invincible fighting spirit made everyone deeply affected by it!

“Elementalist, unleash your true spells. Don't let the world laugh at you, the Lord of the northern lands,” Qin Yu said coldly.

When the elementalist heard this, he couldn't help but laugh out loud. “Qin Yu, this body of yours really surprises me. But with this body of yours, it's impossible for you to defeat me.”

“How would I know if I don't try?” Qin Yu sneered.

With a loud shout, he stepped on the line word formula and quickly closed in on the elemental!

The elemental snorted coldly. With a push of his eyes, a black radiance shot out from his eyes like an army of thousands of horses!

At the same time, a black aura surged behind the elemental. A demonic god-like phenomenon appeared!

In an instant, the space could no longer withstand it and collapsed, revealing a large area of pitch-black darkness!

It was a vision! It was a vision produced by an elemental!

Everyone could not help but exclaim in surprise. No one had expected that the elemental would use a vision to deal with Qin Yu right after the battle began!

This was enough to prove that even the master of the northern lands had to show his true ability!

That thick black radiance was like a huge water snake as it shot towards Qin Yu, there was practically no place to hide!

Qin Yu's pupils suddenly constricted, and his body immediately emitted an intense golden light!

Countless rays of light bathed Qin Yu's body, leaving traces on his body!

Without waiting for Qin Yu to react, that huge phenomenon had already waved its hand over!

The black radiance was like a huge mountain, causing the space to shake and Rumble!

At this moment, no one could withstand the pressure. Even if Qu Zhu and monk Hongxi attacked at the same time, they would not be able to protect everyone!

"Buzz!"

Fortunately, Xiao Sheng raised his palm in time. A holy radiance covered everyone.

This technique was exactly the same as Xiao Hai's at the northern border!

At this moment, Xiao Sheng's eyes were fixed on Qin Yu's direction. He seemed to be looking forward to seeing how Qin Yu would deal with this powerful phenomenon!

Chapter 1656 – Chapter 1,656: Destroy The Anomaly! 1

Chapter 1656: Chapter 1,656: Destroy the anomaly! 1

The elementalists' anomaly waved its huge palm and slammed it fiercely towards Qin Yu. Like a black moon, it fell from the sky!

Qin Yu danced wildly as he raised his head and roared furiously. The Qi and blood in his body exploded to the extreme. The golden radiance was extremely resplendent, forming a sharp contrast with the palm of the Elementalists' anomaly!

What kind of collision was this? Billions of rays of light shook the heavens and earth. They were incomparably dazzling, making it impossible for anyone to open their eyes!

At this moment, the heavens and earth were crumbling. Everything in the square garden had turned into dust. The Ying Ning Mountain that had stood tall for so many years had been reduced to flat ground!

A shocking thing happened. Qin Yu's Golden Fist actually directly penetrated the palm of the vision and then headed straight for the Elementalists!

Everyone gasped!

Qin Yu's fist actually pierced through the Elementalists' vision!

What kind of physical body was this? What kind of power was this? It was too terrifying!

The elementalists snorted and shouted, "I've really underestimated you!"

.....

After saying that, the elementalists who were sitting on the ground suddenly stood up. It was as if he had become one with the vision. He controlled the huge vision and engaged in a life-and-death battle with Qin Yu's physical body!

They were like a collision between a god and a devil master. The tall figure and the golden radiance collided non-stop at this moment. Every strike caused the world to tremble!

Xiao Sheng was rather surprised. He looked at Qin Yu's physical body and exclaimed, "Virtual entity physical body?"

Endless killing intent was spreading on the battlefield. Many people were retreating, afraid of suffering from this terrifying impact.

“Boom!”

After a violent collision, everything became calm.

Qin Yu and the elementalists stood in a corner of the world, staring at each other coldly.

The world returned to its calm state. The only one affected was Ying Ning Mountain.

Qin Yu and the Elementalist did not move. They seemed to be staring at each other, more like they were testing each other's true strength.

“Such a terrifying physical body is truly shocking.”

After a long while, the elementalists spoke.

His voice was like thunder, shaking the entire area.

That huge anomaly appeared behind him, looking down at everyone coldly.

“This is only the beginning. Elementalist, I will definitely kill you today!” Qin Yu did not waste any words. He clenched his fist and charged over!

The elementalists shouted, “Then let's Fight!”

The second round of the battle began, and it was still a clash between the visions and the physical body!

Qin Yu's physical body, which had stepped into the reversion void stage, was extremely terrifying. Even when facing the visions of the elementalists, he was not afraid at all. In fact, he was even able to suppress them by one head!

The collision between them shattered the sand and rocks into dust. The mountains and lands were instantly filled with devastation!

The more Qin Yu fought, the braver he became. His aura became more vigorous, and at one point, the visions of the elementalists were continuously shaken back!

“Ah! !”

At this moment, Qin Yu let out a furious roar. His right fist turned into a pure golden color!

It was the ten thousand spell breaking punch! Qin Yu's strongest physical body erupted!

The elementalists also let out a series of furious roars. The black internal Qi gathered towards his fist as if he was about to engage in the final clash!

Everyone held their breaths and stared at the battlefield. They were afraid that they would miss this battle in the blink of an eye.

Xiao Sheng stood up as well. He raised his palm and transformed it into a huge green leaf, protecting everyone beneath it.

At this moment, everyone realized that something was amiss!

They were not fist-bumping at all. Instead, they were smashing at each other's bodies!

Neither the Elementalist nor Qin Yu dodged. They gave up on their defense and planned to give each other the heaviest blow!

"Is... is this a life-and-death struggle? !"

Someone exclaimed and could not help but widen his eyes!

"That Black Shadow is merely an elementalist's anomaly, but Qin Yu's body is real!"

"Such a collision is simply unfair. What is Qin Yu Thinking? !"

"It's his confidence in his body."

At this moment, Xiao Sheng spoke.

He placed his hands behind his back and stared at the battlefield. He said indifferently, "A chaotic body at the reversion void stage is far more powerful than I imagined."

Before he finished his words, the scene had already let out a huge roar!

Qin Yu's fist directly pierced through the head of the abnormal phenomenon, and the palm of the abnormal phenomenon also fiercely slammed onto Qin Yu's body!

"Boom!"

Under the Golden Fist, the abnormal phenomenon was directly smashed into pieces and dissipated into the world!

Under the huge impact of the abnormal phenomenon, Qin Yu also shot backward and directly smashed into the ground!

A huge hole appeared in the ground, raising a hundred thousand feet of dust!

"Qin Yu!"

Someone exclaimed and couldn't help but look in the direction of the huge hole.

At this moment, the Elementalist's expression was frighteningly cold.

His vision was actually destroyed by a punch from a young junior!

This was something that had never happened before. How could an elementalist who was extremely well-written not be shocked and angry!

“Whoosh!”

At this moment, Qin Yu burst out from the huge hole.

His clothes had been torn to shreds, but his body was not damaged at all. The Golden Radiance was still dazzling!

He was unharmed!

The Elementalist's vision did not harm Qin Yu at all!

“Qin Yu... is fine!”

“It's Qin Yu who won. That vision has been destroyed!”

“It's not that simple. The northern Lord's methods are endless. This is just the beginning.”

Regardless, Qin Yu had indeed won this clash!

The Elementalist's eyes emitted a substantial radiance. It was extremely terrifying.

He looked coldly at Qin Yu. The displeasure on his face was obvious.

“I admit that I have underestimated you,” the elementalist said coldly.

Qin Yu sneered and said, “Even if you conjure a phenomenon, you still won't be able to fight against my physical body.”

“That's right.” The elementalist nodded in a rare manner. “I really want to see how powerful your physical body is. Now, it seems that it has far exceeded my expectations.”

Qin Yu said coldly, “Then use your true spell. Don't let the world laugh at you, the Master of the northern lands.”

“Alright.”

The Elementalist's words were concise, but they were extremely cold.

Everyone present was shocked. Was this battle that was about to destroy the world just a test? !

Just how powerful were these two people? !

He Teng, Yong Ji, and the others had ugly expressions on their faces.

Qin Yu's strength was ridiculous.

What made them even more desperate was that with Qin Yu's talent, they would never be able to catch up to him!

Everything quieted down. The aura of the Elementalist's internal Qi began to calm down.

At this moment, it was like the calm before a storm.

"Buzz!"

At this moment, the top of the Elementalist's head emitted a holy radiance!

.....

This radiance formed a mysterious scene. In this scene, there were divine beasts galloping and immortal qi enshrouding.

It was the four symbols technique!

See so for myself, the four symbols technique that Qin Yu had just witnessed!

"How brilliant can you be when you use the same technique?" Qin Yu said coldly.

However, before he could finish his words, all the divine beasts in the scene had turned into fresh blood and exploded like a bloody mist!

Then, a human figure appeared in the scene!

Chapter 1657 – Chapter 1,657, Taboo Spells Of Elementarists! 1

Chapter 1657: Chapter 1,657, taboo spells of elementalists! 1

His long hair was as black as ink, and his body was covered by a black aura. Even though it was just an image, it still made people feel like he was the ruler of the world!

The aura that he emitted caused everyone to feel a chill in their internal Qi!

At this moment, countless people could not help but kneel down, as if they were worshipping a god!

Even Qin Yu felt an extreme sense of oppression!

Just what kind of character was this! They were both using the four symbols technique, but why was it so different!

Did all the divine beasts in that scene die in his hands! !

A trace of solemnity appeared on Xiao Sheng's face.

Even he felt that this scene was extraordinary.

Terrifying, too terrifying!

.....

Qin Yu coldly looked at that figure. Although that oppressive feeling was extremely uncomfortable, Qin Yu's face still didn't show the slightest bit of fear!

"It must be the immortal slaying sect's secret technique," Qin Yu said coldly.

At this moment, Heavenly Blood Rainbow, who was in the spatial magic artifact, suddenly said with a trembling voice, "No, this... This is someone from the immortal slaying sect. He's an important figure of the immortal slaying sect!"

"A member of the immortal slaying sect?" Qin Yu was stunned.

Even though he had an indomitable belief, he still felt shocked!

The immortal slaying sect was a legendary sect. The person in this scene was actually a person that spanned through the ages? !

"What kind of secret technique is this? He actually summoned such an existence..." heavenly blood rainbow seemed to be trembling. It was terrifying to the extreme!

"Qin Yu, run. Even a strand of his internal Qi can crush you into dust. Run!" Heavenly Blood Rainbow hurriedly shouted.

Qin Yu knew that this figure wasn't ordinary, but he still didn't have the slightest intention of leaving.

On the contrary, the battle intent on his body grew stronger and stronger, and even his blood began to boil!

This was a terrifying battle intent, an invincible belief!

Even when facing a figure that spanned across the ages, Qin Yu was not afraid at all!

“Let's Fight!”

Qin Yu let out an angry roar, and golden internal Qi gushed out once again!

He clenched his Golden Fist and rushed towards the elementalist at high speed!

The elementalist's expression was extremely cold. At this moment, he no longer looked like the main character. Instead, it was that mysterious man who dominated this world!

Qin Yu's Golden Fist rushed straight towards him, and at this moment, a Great Dao appeared!

The elementalist did not even blink his eyes. He only stared coldly at Qin Yu.

“Buzz!”

At this moment, the mysterious man made his move!

He raised his palm and looked down from above, suppressing his opponent!

It was as though a casual move of his was pulling the Great Dao. It was extremely terrifying!

“Boom!”

The Moment Qin Yu's fist touched the ground, he was sent flying and his entire body sank into the ground!

Hiss!

Everyone gasped!

Just raising his palm casually was already so terrifying? ! Who exactly was this person?
!

Even Xiao Sheng's face revealed a trace of seriousness.

No matter what kind of spell this elementalist used, he was indeed a legendary top-notch person that spanned across the ages!

Under this palm strike, cracks appeared on Qin Yu's body!

His body, which was almost invincible just a moment ago, now appeared extremely weak!

Qin Yu crawled up from the ground. The injuries on his body were slowly healing.

It had to be said that this palm strike had indeed broken through Qin Yu's physical defense, but it did not cause any substantial damage.

"It's useless, Qin Yu. This is no longer a fight or no fight. This is no longer a fight between the two of you. Run!" Heavenly Blood Rainbow roared crazily!

However, how could Qin Yu be the one running away? He stared coldly at the figure and said coldly, "This isn't a real person's awakening. It's just a spell. What do I have to fear?!"

After saying that, Qin Yu stepped on the line word formula and charged at the elementalist again!

"You don't know whether you're Dead or alive." The elementalist sneered. The figure in the scene also quickly attacked and suppressed the elementalist again!

His movements looked extremely slow, but his power could be said to be endless! The entire sky was directly trampled into pieces, and the sound of explosions could be heard endlessly!

The Great Dao was rumbling. He was like an immortal, looking down on all living things from above!

"Pa!"

It was as if countless vines had struck Qin Yu's body, sending him flying for the second time!

This time, the situation was even more serious. Streaks of blood appeared on Qin Yu's body, and fresh blood gushed out like a fountain!

These were not ordinary wounds. Even if Qin Yu used the meridian circulation technique, he would not be able to heal them in a short period of time!

This was evident from the immortal slaying sect's methods!

“Xiao Sheng, this technique was originally used to deal with you. I didn’t expect it to come in handy.”The Elementalist’s eyes shot towards Xiao Sheng’s direction.

“But it doesn’t matter. Even if you know about it, there’s nothing you can do about it. This technique has already exceeded the limits of our understanding. It’s a true supreme secret technique!”The elementalist raised his head and laughed loudly!

At this moment, everyone felt despair!

Qin Yu, who was brave and invincible just a moment ago, appeared to be extremely weak under this technique!

Countless people turned their gazes towards Xiao Sheng.

They seemed to be waiting for Xiao Sheng to make a move. But unfortunately, Xiao Sheng did not show any signs of doing so!

“Qin Yu is no match for the elementalist. Who else can beat him!”

“If Qin Yu loses today, it means that our southern region has lost. It means that all of us have lost!”

“Hahahahahaha!”The elementalist laughed out loud. He was extremely arrogant!

Qin Yu’s body was already covered in blood. Even Qin Yu’s physical body was unable to resist the secret technique that was unleashed!

“Hahahahahaha!”The elementalist looked at Qin Yu coldly and said condescendingly, “Qin Yu, you are still a junior. Do you think you can resist a God?”

After saying that, the mysterious person in the scene struck again. His huge palm was like a dark cloud that blotted out the sky as it struck ruthlessly at Qin Yu!

“Bang!”

The ground was completely reduced to ruins. Smoke and dust rose up and covered the entire area!

Everyone clenched their fists. Their Hearts were hanging in the air, and their faces were extremely nervous.

The power of this palm was too strong. It almost caused the entire ground to collapse! No one knew if Qin Yu could hold on or not!

Countless pairs of eyes stared in Qin Yu’s direction. As the dust slowly dispersed, Qin Yu staggered to his feet.

His body was covered in bloody scars, but the golden radiance was like the rising sun of hope. It did not diminish in the slightest!

Qin Yu stood up, but even if he stood up, it was useless! If he could not find a way to counterattack, the final outcome would still be defeat!

“You will definitely lose!”The elementalist said coldly.

Qin Yu, who was standing in the middle of the arena, remained silent.

He lowered his head. His long hair covered his face. No one knew what kind of expression he had at this moment.

“Ha... hehe... Hahaha, hahahahaha!”

Just when everyone thought that he was going to give up, his hair was scattered, and he raised his head and laughed!

Chapter 1658 – Chapter 1,658, My Own Phenomenon! 1

Chapter 1658: Chapter 1,658, my own phenomenon! 1

That laughter rippled through the shattered Ying Ning Mountain. It was extremely ear-piercing and pierced into everyone’s ears!

Qin Yu’s sudden laughter caused everyone to feel astonished.

It was obvious that he had already lost, so why was he laughing at this moment?

“Could it be... that Qin Yu has gone mad?”Someone muttered in a low voice.

“Don’t spout nonsense! You Jinx It!”

“Sigh, although I’m unwilling to admit it, this matter may really have dealt a great blow to Qin Yu...”

Someone even shouted at Qin Yu, “Qin Yu, there’s no need to blame yourself. You’ve already done well!”

In the face of everyone’s discussion, Qin Yu still laughed maniacally!

His long hair fluttered in the wind and he looked unrestrained!

.....

The elementalist frowned slightly before a mocking smile appeared on his face.

He looked at Qin Yu and said indifferently, "Laughing? You're about to die, yet you're still laughing?"

Qin Yu completely ignored him. His laughter made people feel a little annoyed.

Finally, the elementalist could not hold it in any longer and shouted, "What are you laughing at!"

Qin Yu laughed maniacally and said, "I'm laughing at the fact that you're the leader of the northern lands for nothing! So it turns out that you didn't rely on your own abilities, but on summoning the remnants of the immortal slaying sect. hahahahaha!"

Upon hearing the words 'immortal slaying sect', the Elementalist's expression became a little unnatural.

He looked coldly at Qin Yu and said, "You know quite a lot, but so what? This is my spell. As long as you can win, it's enough. Do you think it's useful to use this method to provoke me?"

"No."

At this moment, Qin Yu's laughter came to an abrupt end.

He looked coldly at the elementalist and said, "I only overestimated you, but I never said that I lost."

Everyone held their breaths when they heard this!

Even the elementalist was slightly stunned!

Could it be that Qin Yu still had some sort of trump card or spell? !

However, the elementalist quickly sneered.

"Do you think it's useful to put on an Act? If you want to live, you might as well go and pray to Saint Xiao. You might still be able to save him if he makes a move," the elementalist said indifferently.

Qin Yu sneered and said, "I've already said that I will definitely kill you today!"

After he finished speaking, the internal Qi on Qin Yu's body began to boil!

The internal Qi that was clearly dispirited earlier erupted once again!

This internal Qi rapidly spread out in all directions with Qin Yu as the center. In just a short while, a strange phenomenon also appeared on his back!

“What you have, I have too!” Qin Yu roared angrily. Golden Light surged all over his body as a huge figure appeared behind him!

The elementalist stared at Qin Yu in astonishment. He was very curious about what kind of character Qin Yu was going to summon.

Could it be that he was also a top-tier expert left behind by Gu?

Everyone stared at the radiance behind Qin Yu. Their hearts were filled with curiosity.

The radiance behind Qin Yu slowly condensed into form, from his body to his face!

And that figure was none other than Qin Yu himself!

The figure he conjured was himself, and this vision was also him!

Everyone was stunned when they saw the huge vision that was emitting a golden light!

The elementalist was stunned for half a second before he laughed maniacally, “Hahahahaha! Qin Yu, are you an idiot? The figure he conjured is yourself? What a joke, hahahaha!”

Just as the elementalist had said, anyone’s vision was a legend. There were divine beasts and wondrous scenes. These were all transformed from the Great Dao and possessed boundless power!

However, it was simply unheard of for someone like Qin Yu to conjure his own vision! What kind of power was there to speak of!

“Boom!”

At this moment, an explosion sounded from Qin Yu’s body!

One could see that his physical body seemed to have fused with the gigantic vision! It looked extremely mysterious!

“Eh?”

Xiao Sheng, who was watching the battle from afar, couldn’t help but be a little surprised.

“The ultimate combination of the physical body and Dao Technique?” Xiao Sheng murmured in a low voice, and a strange light flashed in his eyes.

Someone beside him asked, “Lord sect master, what does this mean?”

Xiao Sheng glanced at him and said indifferently, “This vision is formed by Qin Yu’s invincible belief. However, all his advantages are concentrated on the physical body, so the effect of the vision is not obvious.”

“However, if the physical body and this vision can be perfectly integrated, the improvement that will be brought is immeasurable.”

After hearing Xiao Sheng’s words, the deputy sect master said excitedly, “Sect master, is what you said true?”

Xiao Sheng said slowly, “I’ve only heard about it, but I’ve never seen it. As for its effect, I can’t guarantee it.”

Looking at the huge anomaly, the elementalist still burst into laughter.

He did not put Qin Yu in his eyes at all!

In the Elementalist’s eyes, this was just an enlarged Qin Yu. What was the use of it?

As for the existence of his four symbols technique, he was an important figure in the immortal slaying sect. How could Qin Yu be compared to him?

“Putting up a stubborn resistance, you don’t know whether you’re Dead or alive.” The elementalist sneered.

“Just based on this...”

However, before he could finish his sentence, the smile on his face froze.

Qin Yu’s huge vision appeared in front of him almost instantly. His golden fist that was like a small mountain suddenly smashed towards the mysterious person in the four symbols technique!

This punch sent the elementalist and the huge scene behind him flying!

Silence!

The scene was silent. No one dared to breathe!

No one seemed to believe that the scene in front of them was real!

In the dark, a pair of eyes was staring at Qin Yu.

When he saw this scene, a smile finally appeared on his face.

A cloud of dust rose, obscuring his vision.

Qin Yu stood there like a god of war, coldly looking in the direction of the elementalists.

“Who said you can’t rely on yourself?” Qin Yu’s tone was filled with arrogance and arrogance, but at this moment, it reignited the confidence of the southern region!

Even Xiao Sheng’s face revealed a trace of a smile!

“Ah! ! !”

Soon, the elementalist exploded from the dust!

Just this punch had almost shattered his physical body, and the mysterious person hanging above his head had become a little dimmer!

“F * ck... F * ck!”

Inside the spatial magic artifact, Heavenly Blood Rainbow blurted out!

As a member of the immortal slaying sect, he naturally knew what the character in the Elementalist’s scene meant!

“Qin Yu, you’re courting death!”

The elementalist was thoroughly enraged. His mouth let out a furious roar, and an endless amount of internal Qi surged towards the mysterious figure!

The mysterious figure’s body once again materialized, and that huge palm covered Qin Yu!

However, Qin Yu showed no fear. His fighting spirit was overflowing, and his golden fist swept through everything, regardless of any spells or characters!

The elementalist was sent flying for the second time, and that palm that came crashing down was shattered by Qin Yu’s punch!

“How is this possible!” The elementalist seemed to be in disbelief at the scene before him!

“You are just a junior, yet you can actually fight against an important figure of the immortal slaying sect...”

Chapter 1659 – Chapter 1,659, Self-Resurrection! 1

Chapter 1659: Chapter 1,659, self-resurrection! 1

It wasn't just the elementalists. No one present believed it.

No one had expected Qin Yu to be so powerful!

Just how confident was he? Even the phenomenon he condensed was his own!

This was a true heaven's pride, a True Dao demonstrator!

Countless people seemed to have seen the future Qin Yu, who would be unrivalled and suppress the world!

"This is merely a spell that you condensed yourself. You are not a true important figure of the immortal slaying sect. You are the weak one." Qin Yu's tone was extremely cold as he crushed the pride of the elementalist on the ground.

The elementalist flew into a rage as he charged towards Qin Yu for the third time.

The third collision between the two parties could be said to be earth-shattering as it shattered everything!

A powerful radiance shot into the sky. No matter how far apart the internal Qi was, it could still be felt!

.....

At this moment, Qin Yu was too powerful. Almost no one could withstand that conceited punch, and the elementalists were no exception!

Under Qin Yu's overbearing attitude, he was defeated again and again, and that figure also became dimmer and dimmer!

"Qin Yu... is really too strong!"

"I'm afraid that no one in the younger generation can compete with him!"

"His talent is definitely not inferior to those top-notch geniuses in the Central Plains!"

In the dark, he teng and Yongji's expressions were terrifyingly cold.

How long had it been? Qin Yu could already be compared to elementalists in their younger days, so how could they be able to contend against him!

“Qin Yu...”Yongji clenched his fists. He was extremely regretful. He regretted not getting rid of Qin Yu earlier!

Meanwhile, he remained silent. No one knew what he was thinking about.

Seconds and minutes passed. The battle between the two of them was like two small worlds colliding. It was extremely resplendent.

Before the battle ended, no one dared to make a hasty conclusion. No one knew if the elementalists had any other tricks up their sleeves.

“Boom!”

Qin Yu’s fists that shattered the heavens and earth forced the elementalists back once again!

At this moment, the Elementalist’s internal Qi was extremely dim, and his aura was no longer as strong as before. Everything seemed to have been destined.

Today, the Elementalist would definitely be defeated!

“You are truly a genius. You are the most talented person I have ever met.”The elementalist was not stingy with his praise.

Qin Yu’s expression was ice-cold. He did not appreciate Qin Yu’s kindness at all, and the murderous aura on his body did not diminish in the slightest.

“Although I know that it’s impossible, I still can’t help but ask you if you’re willing to join my northern lands,”the elementalist said.

Qin Yu sneered and said, “Since you know that it’s nonsense, why do you have to ask?”

The elementalist’s expression became colder and colder. A material radiance erupted from his eyes, and it was extremely dazzling.

“Alright, since that’s the case, then you’d better die!”The elementalist’s expression suddenly became incomparably crazy!

As expected, the elementalist still had other trump cards!

His expression turned even crazier. His eyes were scarlet and extremely terrifying!

Anyone could feel that the elementalist was currently casting some extremely powerful spell!

“Qin Yu!”The elementalist shouted.

“You’re right. This figure is only an illusory figure in my spell. It has nothing to do with that figure. Otherwise, no matter how powerful you are, you will still die!”

“However, how do you know that I can not use heaven-defying means to let him have a trace of internal Qi?”

A trace of internal Qi!

A trace of internal Qi from the important figure of the immortal slaying sect!

Hearing this, everyone turned pale with fright!

After all, the immortal slaying sect was the number one sect in the past. It was an unimaginably powerful sect!

Among them, there were many great cultivators at the tribulation stage. No one knew who this figure was or what realm he was in!

If he was a grand cultivator at the tribulation stage, even a wisp of internal Qi could destroy an entire world, let alone Qin Yu!

He was an existence that could easily crush countless planets!

“Hahahahaha!”The elementalist laughed maniacally. All the internal Qi on his body was gathering towards that figure!

At this moment, the elementalist seemed as though he was about to transform into a dao and began to dissipate!

“The Elementalist is planning to use his own life to revive a wisp of internal Qi,”Xiao Sheng said coldly.

“Can his life revive the internal Qi of a grand cultivator at the tribulation stage? How is that possible?”The person beside him seemed to be extremely puzzled.

Xiao Sheng said coldly, “I’m afraid it’s some kind of contract spell.”

At this moment, Xiao Sheng could no longer remain calm. Once the internal Qi was truly revived, no one in this world, let alone Xiao Sheng, could withstand it!

“An elementalists youthful state will not affect his internal Qi, so he can sacrifice his own life to revive a wisp of his internal Qi,”Xiao Sheng said coldly.

After he finished speaking, he slowly stood up as if he had the intention to attack.

“Hahahahaha!”The elementalist laughed maniacally as his figure slowly disappeared!

At the same time, there seemed to be a change in the world. The entire world rumbled!

The earth shattered at this moment, and the sky was annihilated at this moment. It was as if this world was about to collapse!

This was the power of the top experts of the immortal slaying sect. Just the process of recovery was enough to annihilate an entire world. It was extremely terrifying!

Qin Yu’s expression became increasingly solemn. He looked at the mysterious person who was gradually materializing and had an extremely ominous premonition in his heart.

“Qin Yu, you’re dead meat!”The elementalist shouted coldly!

After saying this, his figure completely disappeared. What was left was only the scene of the four index numbers!

That figure also slowly became corporeal. Traces of black internal Qi quickly spread to the surroundings and wrapped around Qin Yu!

“It’s a domain!”Xiao Sheng immediately had a bad feeling!

He didn’t expect this figure to directly use the power of the domain to isolate outsiders!

Perhaps it was because of the restrictions between heaven and earth that the power of the domain had to appear, but no matter what, this was definitely not good news for everyone!

“Sect... sect leader, what’s going on? Will Qin Yu Be Okay?”The deputy sect leader and the others all looked at the sect leader.

The sect leader said in a deep voice, “It’s hard to say. If it’s the aura of a great cultivator at the tribulation stage, not many people in this world can resist it.”

“What? !”

As soon as he said this, everyone’s faces turned ashen.

Even the sect leader was so unconfident, let alone the others?

In the domain, Qin Yu was in complete darkness. Only the mysterious person was coldly staring at Qin Yu.

At this moment, it was as if he had gained his own consciousness. Every move he made caused the world to shatter!

Even a single look from him made Qin Yu feel as if his entire body was about to be torn apart!

Qin Yu gritted his teeth. He tried his best to resist, but he realized that the strength in his entire body was not even worth mentioning in front of him!

That kind of deep pressure made people feel an indescribable sense of despair. They were unable to even have the slightest desire to resist!

At this moment, that mysterious figure made his move. He slowly raised his palm. The killing intent that blotted out the sky and the earth was like a sea wave that blotted out the sky and the earth!

Qin Yu stared with his eyes wide open. Facing such a figure, he did not have the slightest ability to resist!

Just as he was about to give up, the bracelet that had been on his body all this while suddenly flashed and floated up naturally!

Chapter 1660 – Chapter 1,660, Unrivalled Power! 1

Chapter 1660: Chapter 1,660, unrivalled power! 1

This radiance was extremely holy, but within it was a sharp killing intent!

The bracelet floated into the air on its own!

And this bracelet was the bracelet that Xiao Yu had given to Qin Yu!

“HM?”

Qin Yu was stunned and stood rooted to the ground.

He didn't activate this bracelet at all, and didn't even know how to use it!

“What's going on?” Qin Yu was dumbstruck. The light emitted from the bracelet enveloped Qin Yu's body, sweeping away the oppressive feeling from his body!

Then, the bracelet floated in the air and formed a confrontation with that mysterious person!

"I understand," Qin Yu muttered in a low voice.

.....

Under the powerful internal Qi of the immortal slaying sect, the bracelet was automatically resurrected. Now, it was forming a confrontation with that person!

The two beams of light collided at this moment, creating an extremely powerful airwave.

A casual airwave could kill Qin Yu hundreds or thousands of times!

He hurriedly retreated to the side, afraid of being affected.

The two beams of light were in a stalemate in the air. Qin Yu couldn't help but feel a little nervous.

This bracelet was given by Xiao Yu, so its origin was naturally extraordinary. It was most likely related to the masked woman from back then.

However, it was only a bracelet after all. No one knew how much power it could unleash if it wasn't her!

On the other hand, it was the revival of a real person. It was incomparably powerful!

Even if it was just a strand of internal Qi, it was definitely not to be underestimated!

The radiance continued to resist. The mysterious person's expression was extremely cold as he activated his powerful internal Qi with both of his hands.

The bracelet was emitting a dazzling and holy light. This light covered the land and illuminated the darkness of this domain.

In the outside world.

They were unable to observe what was happening in this domain. Even an expert like Xiao Sheng was unable to do so.

Everyone's hearts were anxious. This was because no one knew what was going to happen in this domain.

"This time, I'm afraid the odds are stacked against us," Xiao Sheng said coldly.

He knew too well the strength of that mysterious person. Even a single glance from such an existence was enough to destroy an entire world!

Once he made his move, no one would be able to defeat him!

“Why didn’t you make your move earlier? If you had killed that elementalist earlier, how could such a thing have happened!” The people beside him flew into a rage. Everyone was furious!

Qin Yu had fought until the very end for the South region. If he died in battle, no one would be able to accept it!

Xiao Sheng remained silent. His eyes were staring straight at the domain. No one knew what he was thinking.

Time passed by. Just as everyone was about to give up, an extremely intense explosion sounded from within the domain!

Following that, the domain directly exploded. Powerful air waves gushed out like flames!

Xiao Sheng’s expression changed slightly. He hurriedly cast a spell to protect everyone.

However, this air wave was too powerful. It was almost impossible to resist it with a spell!

Buzz

At this moment, a black hole-like radiance appeared in front of Xiao Sheng!

This radiance forcefully dragged the air wave into the Void!

Rashomon!

It was Xiao Sheng’s Rashomon. His comprehension of space could be said to have reached the peak of perfection!

Countless airwaves were swallowed into the void by the Rashomon, and the domain also completely exploded.

Everyone nervously looked in the direction of the domain. They didn’t know whether Qin Yu was dead or alive.

Even Xiao Sheng’s gaze couldn’t help but fall in that direction.

Finally, a figure walked out from within.

His thin figure made people's hearts ache, but the undefeatable battle intent on his body made people feel admiration!

"It's... It's Qin Yu! He's still alive!"

No one knew who was the first to cry out! After that, countless people shouted Qin Yu's name!

The voices in the area were like thunder, rumbling. At this moment, it was as if Qin Yu was their true God!

A smile appeared on Xiao Sheng's face. There was a hint of doubt in his smile, as if he was wondering how Qin Yu survived.

Qin Yu walked out of the domain with a bracelet in his hand.

He looked down at the bracelet and said in a low voice, "It's all thanks to Xiao Yu. Otherwise, I'm afraid... I'm doomed."

He could not help but recall the scene that had just happened.

The bracelet exploded with a blazing radiance and directly pierced through the mysterious person from the immortal slaying sect.

However, the elementalists still had a backup plan. When the mysterious person died, he exploded with an extremely powerful internal Qi. This internal Qi was enough to destroy everyone!

Just as Qin Yu was sighing with emotion, everyone ran up to him.

They surrounded Qin Yu and were extremely excited. They regarded Qin Yu as the new hero of the southern region.

However, Qin Yu, who had just experienced a huge battle, was a little tired. Standing in the middle of the crowd, he looked extremely tired.

"Alright, Qin Yu is already very tired. Let him rest well!" At this moment, Wen Wanye pushed the crowd aside and came to Qin Yu's side.

Qin Yu bowed slightly to the crowd and then looked at Wen wanye.

"Master, let's go back to Mount Dayue first," said Qin Yu.

Wen wanye grunted in gratitude. He carried Qin Yu on his back and turned around to leave.

After this battle, Qin Yu's name was completely well-known in the South Province.

Everyone knew that Qin Yu's growth could no longer be restrained. Whoever dared to provoke him again would probably die.

Mount Dayue.

Qin Yu lay on the bed, holding a pill in his hand.

This pill was the return to void pill that Jing Bai had given Qin Yu.

"I actually didn't use it," Qin Yu thought to himself.

He kept the pill and planned to find an opportunity to return it to Jing Bai.

Then, Qin Yu lay on the bed and fell asleep.

...

Yong Ji, Sima Bei, and he teng fled back to the northern lands in a sorry state.

Their faces were filled with an indescribable solemnity, and the atmosphere was extremely strange.

The three of them did not say anything, but they were all thinking the same thing.

The sense of danger for the future filled their hearts.

"Qin Yu... has actually grown to such an extent." After a long while, Yong Ji spoke first.

He clenched his fists and said through gritted teeth, "If I had known earlier, I would have killed him!"

Sima bei glanced at him and said coldly, "It's useless to say anything now. No one would have thought that someone from the southern region would actually stand up again, and it's even a junior."

As they spoke, the Elementalist's voice appeared in their minds.

The three of them did not dare to say anything and hurriedly rushed in the direction of the elementalists.

In the Snow Mountain at the center of the Northern Region.

The Elementalist's voice came from the snowy mountain.

“Is Qin Yu Dead?”The elementalist asked coldly.

The three people at the scene looked at each other. None of them dared to speak.

.....

“What? Are you all deaf? !”The elementalist shouted loudly, causing the entire northern lands to tremble!

Sima bei braced himself and said, “Master, Qin Yu... Qin Yu is not dead. He won...”
