

My Rich Wife - Chapter 1661 - 1670

Chapter 1661 – Chapter 1,661, Are You Confident? 1

Chapter 1661: Chapter 1,661, are you confident? 1

“How is this possible!”The elementalist was instantly enraged, causing the entire snow mountain to Rumble!

“The techniques I left behind are definitely not something he can resist!”

The techniques left behind by the elementalist were indeed not something Qin Yu could resist.

However, in reality, Qin Yu had won.

The elementalist remained silent, while the three godly monarchs were trembling.

They were afraid that the furious elementalist would vent his anger on them.

“Unless... he still has some secret treasures on him.”After a moment, the elementalist finally spoke.

He Teng, who was at the side, immediately replied, “Master, Qin Yu indeed has a lot of treasures on him...”

“Why? Are you very familiar with him?”The elementalist asked coldly.

.....

He teng en replied, “We come from the same place. We can be considered old acquaintances.”

“HMPH, as expected.”The elementalist snorted coldly.

“Master, what should we do now?”Sima bei asked.

The elementalist said coldly, “Wait for me to recover. As long as I fully recover, no one can stop me.”

“But... We can't go to the southern region now.”Sima bei sighed.

The elementalist snorted. "Then we'll go somewhere else. If there's no other way, then we'll start from the north!"

"In short, no matter the price, we must ensure that I can be resurrected in one piece as soon as possible!"

Sima Bei and the others had ugly expressions on their faces.

Start from the north? One had to know that these people were extremely loyal to the north.

Sima bei wanted to give some advice, but in the end, he didn't say anything.

...

Mount Dayue.

Qin Yu lay on the bed and fell into a deep sleep. He didn't know how many days had passed before he slowly woke up.

"You're Awake?"

The moment he opened his eyes, he saw the extremely wretched Wen da sitting beside him.

Qin Yu was so frightened that he staggered. He hurriedly got up from the bed and said, "What are you doing?"

Wen Da rolled his eyes and said, "Taking care of you. Speaking of which, why are you sleeping so deeply? Also, what kind of dream did you have?"

"Dream?" Qin Yu was startled.

He looked at Wen da suspiciously and said, "What do you mean?"

Wen da muttered, "These few days when you were unconscious, you kept repeating a name. It seems to be Yan... Yan... Xue..."

At this point, Big Wen chuckled and said, "Tell Big Brother, who is this Yan... Xue?"

Qin Yu's old face turned red, and he kicked Big Wen to the side.

"Don't talk nonsense. Don't ask about things you shouldn't," Qin Yu muttered.

Just as the two of them were fooling around, Wen Er walked in from outside.

“Qin Yu, you’re awake. It just so happens that the sect master of the Heavenly Cloud sect is here. He wants to see you,”Wen er said.

“The sect master of the Heavenly Cloud Sect?”Qin Yu frowned.

Wen Er grunted and then whispered, “You have quite a reputation. It’s rare for him to come and look for you in person.”

Qin Yu sat on the bed for a moment, then stood up and said, “Take me there.”

On the great Yue Mountain, next to a pond outside.

There was a wooden table placed here, and the environment next to it was quite beautiful.

However, there wasn’t tea on the table, but wine. Wen wanye was drinking while bragging to Xiao Sheng.

“You know, I, Wen wanye, have never taken these three madmen and three unique skills seriously. If I didn’t have diarrhea back then, I would definitely be one of them!”Wen wanye said proudly.

Xiao Sheng sat cross-legged and smiled without saying anything. The two people’s images formed a sharp contrast.

“Like what Yongji Stream? I’ve wanted to fuck him for a long time! When he comes to the South Province next time, I’ll definitely fuck him!”Wen wanye cursed.

Speaking up to this point, Wen wanye seemed to have thought of something.

He said with some sadness, “It’s a pity that Jiwu is dead. Sigh, I really don’t know how she is now...”

“The lifespan of a nirvana body is very difficult to last over a thousand years. Jiwu is already several hundred years old,”Xiao Sheng said.

“You already knew about Jue Wu’s physique?”

At this moment, Qin Yu’s voice came from behind.

Xiao sheng nodded and said, “I have some understanding.”

Qin Yu frowned and said, “Then do you know how this Nirvana body can break this curse?”

“I don’t know,”Xiao Sheng said without hesitation.

“People’s life and death are fated. I advise you not to waste your efforts.”

Qin Yu shook his head and said, “I don’t think so. Moreover... Jue Wu is still alive. I will definitely wake her up and break the curse on her body.”

Xiao Sheng raised his eyebrows and continued, “Do you know how terrifying the Nirvana body without the curse is? Do you know how fast their cultivation speed is?”

“If you can really break the curse on her body, Jue Wu will definitely become one of the strongest people in this world.”

Qin Yu sat at the side and sighed, “That would be the best.”

Xiao Sheng did not continue this topic. He asked, “I really want to know how you survived in the domain.”

Qin Yu smiled and said, “You came to me for this question?”

“It’s one of the questions,” Xiao Sheng said.

Qin Yu did not hide it and said, “I relied on a secret treasure. As for what it is, I can’t tell you for the time being.”

Xiao Sheng did not continue to ask about this topic.

He asked in a deep voice, “When did you create the phenomenon?”

Qin Yu could not help but laugh when this topic was brought up.

“Speaking of which, I have to thank you. The last time I discussed Dao with you, it gave me a lot of inspiration. Perhaps it was because of that opportunity,” Qin Yu said.

Xiao Sheng nodded slightly and did not continue to ask.

“I also have a question to ask you,” Qin Yu suddenly said at this time.

Xiao Sheng didn’t say anything and signaled Qin Yu to continue.

Qin Yu said in a deep voice, “Back then, I killed your son. Why didn’t you kill me?”

“All this time, I thought you were afraid of something or that you didn’t have that ability. But now, it seems that if you wanted to kill me back then, it would have been effortless. I’m afraid that no one in the entire South Province can stop you. Wen Wanyu can’t do it, and so can Jue Wu.”

Xiao Sheng was silent for a long time. Then, he raised his head to look at Qin Yu and said, "Someone tried to persuade me."

"Someone tried to persuade you? Who?" Qin Yu was instantly stunned and hurriedly asked.

In that instant, countless names flashed through Qin Yu's mind.

Could it be that the Yan family had warned Xiao Sheng? One had to know that back when Qin Yu was on Earth, Yan Ruoxue had sent people to protect him in the dark.

"Xiao Hai."

But at this time, Xiao Sheng said a name that surprised Qin Yu.

"Xiao Hai..." Qin Yu muttered in a low voice and instantly fell into silence.

This was a heavy topic. Although Qin Yu's heart was full of doubts, he didn't continue to ask.

"There's still one more question," Qin Yu said.

"Today, although I defeated the Northern Land Lord when I was young, you and I both know clearly in our hearts that the fully recovered him can not be compared to the young him."

"One day, if he comes to Nanzhou, are you sure you can defeat him?"

Chapter 1662 – Chapter 1,662, Discussing Dao 1 With Xiao Sheng

Chapter 1662: Chapter 1,662, discussing Dao 1 with Xiao Sheng

This was a very serious problem. The strength of an elementalist was simply unknown.

As for the strength of the sect leader of the Heavenly Cloud Sect, no one knew. Everything was just a legend.

The outcome of the two of them was related to the future of the southern region. Qin Yu could not help but worry.

Xiao Sheng was silent for a long time. Then, he stood up and said, "I'm confident, but I'm not 100% confident."

Qin Yu sighed slightly. As expected, even someone as powerful as Xiao Sheng might not be able to defeat that elementalist.

“What are your plans next?” Xiao Sheng suddenly asked.

Qin Yu said, “Cultivate. No one knows when the elementalist will make a comeback. Before that, try to increase your strength.”

Xiao Sheng grunted in gratitude. Then, he sat down again and began to discuss with Qin Yu.

It had to be said that after interacting with him, Xiao Sheng’s state of mind was extremely profound. His understanding of life was not something that an ordinary person could compare to.

.....

After interacting with him, he realized that Xiao Sheng was not as high and mighty as he imagined. On the contrary, he treated Qin Yu as an equal and discussed with him.

“If I can kill an elementalist, I might need your help in the future,” Xiao Sheng suddenly said.

“Help? What can I help you with?” Qin Yu asked in surprise.

Xiao Sheng stood up and said, “I want you to help me save a person and my son.”

“Save your son?” Qin Yu was stunned.

His son was killed by Qin Yu. How could he be saved?

“Do you have a way to bring a dead person back?” Qin Yu asked in surprise.

“I don’t have a way. Elementarists do,” Xiao Sheng said.

Qin Yu suddenly understood.

The methods of the immortal slaying sect were mysterious and unpredictable. If an elementalist obtained their inheritance, it was indeed possible.

“Is this the reason why you didn’t kill me back then? Because you knew that there was a chance to bring someone back to life?” Qin Yu asked in surprise.

“Sort of,” Xiao Sheng said slowly.

Qin Yu said in a deep voice, "Okay. If I can do it, I will help you."

It was a misunderstanding in itself, so it was understandable to save him.

"I have another question," Qin Yu said.

"With your talent and ability, why don't you go to the Central Plains?"

Xiao Sheng seemed to have expected it. He turned his back to Qin Yu and said indifferently, "This world is not as simple as you think. There are also high and low talents."

"For example, your special constitution, and those who have powerful bloodlines in their bodies. These people are the top geniuses in this world. I'm not. I'm just a mortal, an extremely ordinary person."

Qin Yu said in a deep voice, "Any bloodline has a source. Those who stand at the source are also the most powerful people. Most of these people don't have any special constitutions."

"Maybe," Xiao Sheng said with a sigh.

"In order to prove the dao, talent, hard work, and opportunity are indispensable. In this great world, you and I might be alive today, but we might die tomorrow."

Qin Yu looked at Xiao Sheng and said, "So, you are afraid of death, so you don't go to the Central Plains?"

"Of course not." Xiao Sheng shook his head.

"I admit that the resources in the southern plains are limited and not as good as the central plains, but I believe that the southern plains that you and I see is not the real southern plains."

After saying this, Xiao Sheng sat down again.

He looked at Qin Yu and said, "During this period of time, I have traveled through more than half of the southern region. I have also discovered many mysterious caves that have not been discovered. I have even discovered small worlds. Any one of them has benefited me greatly."

"I don't know how many great cultivators have appeared in the Holy Region. How many treasures have you and I discovered that they left behind?"

This was the truth. Many heavenly treasures were found when they were traveling.

"If you have time, I suggest you go to the Eastern Wilderness," Xiao Sheng suddenly said.

Qin Yu frowned slightly and said in surprise, "Where is the Eastern Wilderness?"

"Go find it yourself. Everything depends on luck," Xiao Sheng stood up and said.

"By the way, if you have time, you can go to the Tianyun sect's book collection pavilion. It records the past of the Southern Region."

After saying that, Xiao Sheng turned around and left.

Qin Yu looked at Xiao Sheng and felt that he could not see through him.

This person seemed to be extremely mysterious and seemed to be hiding many secrets.

As for the East Wilderness that Xiao Sheng mentioned, Qin Yu was rather interested.

The small worlds that he mentioned were mostly not visible to the naked eye, but Qin Yu was able to discover the hidden mystic realm.

The next day.

Qin Yu said goodbye to Wen Wanyi and the rest, then headed straight for the Heavenly Cloud sect.

After this battle, Qin Yu had become a famous person in the South Province. No matter where he went, people would warmly greet him. Helpless, Qin Yu could only buy a cloak and put it on himself, to avoid unnecessary trouble.

After arriving at the Tianyun sect, Qin Yu found the deputy sect master and stated his purpose of coming.

"Book Collection Pavilion?" When the deputy sect master heard it, he couldn't help but be a little surprised.

"As far as I know, most of the Tianyun sect's book collection pavilions are for disciples to cultivate in. To you, they are not very useful."

Qin Yu said in a deep voice, "It was sect master who asked me to come. As for whether I can gain anything, that will depend on fate."

The deputy sect master didn't say anything more and immediately brought Qin Yu to the library of the Heavenly Cloud sect.

At the same time, the Dead River was still systematically shortening the distance.

The speed at which the Dead River disappeared seemed to have exceeded everyone's imagination. The entire Li Prefecture seemed to be about to merge into one.

At this moment, on the side of the northern lands, Sima Bei and the others were standing there, quietly looking at the Dead River in front of them.

"At this speed, I'm afraid that it won't be long before the river of death completely disappears." Sima Bei said in a deep voice.

Yong Ji said in a deep voice, "According to your calculations, how long will it take?"

"Less than a hundred days." Sima Bei said.

He Teng said in a gloomy voice, "Everyone says that this river of death can not be crossed, but I feel that this is only a legend... if I wear the bones of a saint on my body, don't tell me I won't be able to cross it?"

Sima Bei glanced at He Teng and said, "If you are a saint, you can naturally cross it, but if you wear the saint's Bone, I'm afraid you can't cross it."

"This Dead River is extremely strange. No matter what kind of treasure you wear, it can not resist the erosion of the Dead River."

He Teng sneered. Obviously, he did not believe it at all.

"Speaking of which, I really want to give it a try..." He Teng muttered in a low voice, his face revealing madness.

Sima Bei snorted coldly and said, "Don't think too highly of yourself. If you didn't have the hunter organization's white bone staff on you, you wouldn't have the qualifications to become the godly king of the northern lands."

He Teng ignored Sima Bei's ridicule. He raised his foot and strode into the Dead River.

"If that Xiao Hai can do it, I might be able to do it," He Teng said coldly.

Chapter 1663 – Chapter 1663, Earth On The Other Side Of The Starry Sky

Chapter 1663: Chapter 1663, Earth on the other side of the starry sky

He Teng lifted his foot and walked towards the Dead River.

Sima bei looked coldly at he teng from the side with a hint of mockery in his eyes.

Very soon, he Teng's foot stepped into the Dead River. The moment his foot touched it, his face instantly twisted. The extreme pain made his entire body tremble!

"Ah! !!"

Finally, he teng couldn't help but raise his head and roar. He hurriedly crawled back to the shore, his face full of lingering fear.

At this time, he Teng's feet had been completely corroded. He thought that he could withstand the pain, but his face was full of fear.

"What? Didn't you say that Xiao Hai could do it? Can you do it too?"Sima bei raised his eyebrows and ridiculed.

He Teng didn't say a word. He only felt a chill on his back.

This kind of pain wasn't something that a human could endure.

.....

He even felt that staying in this dead river for half a second wasn't as satisfying as dying immediately.

"Xiao Hai... how did he do it..."he teng muttered in a trembling voice.

No one paid attention to him. Sima bei and Yong Ji turned around and left.

"Master, you must recover completely within a hundred days,"Sima Bei said with a sigh.

...

On the other side, the vice sect master brought Qin Yu to the library.

Near the library, there were many disciples of the Tianyun sect who were studying their spells. When they saw Qin Yu and the vice sect master rushing over, they cupped their hands and greeted them.

After Qin Yu responded to them one by one, he looked at the vice sect master.

"I want to know about the history of the South Province,"said Qin Yu.

The deputy sect master muttered, "Normally, most of the spells here are from the Tianyun sect. As for the history you mentioned, I don't know."

Qin Yu said in surprise, "Do you rarely come here?"

The deputy sect master shook his head and said, "I often come here, but maybe I'm not familiar with this place."

"Young friend Qin is here to read the holy text, right?"

At this moment, an old man walked out from the Scripture Pavilion.

This old man had a head full of white hair and looked quite old. The wrinkles on his face were like the wrinkles on a bun.

"Master Freewill." The deputy sect master bowed slightly to this old man.

Qin Yu also hurriedly bowed as a form of greeting.

The deputy sect master introduced from the side, "Master Sui Xin is a living fossil of our southern province. He is also the person in charge of our library. If you have any questions, you should look for master Sui Xin."

Qin Yu hurriedly walked forward. He opened his mouth and was about to speak when master sui Xin said, "Sect master has already told me. Follow me."

"Thank You, Master Freewill," Qin Yu said politely.

After saying this, Qin Yu followed behind Master Freewill and walked into the library.

The entire library was filled with all kinds of spell books. These books were preserved in an extremely complete manner. It didn't seem like they had experienced a great battle at all.

This couldn't help but make Qin Yu Look at Master Freewill with great surprise.

After all, the Heavenly Cloud sect had experienced two great battles. That kind of battle would almost destroy the entire sect. It was impossible for these books to be spared.

Unless this master freewill was extremely powerful, so powerful that he could protect the library from the chaos of war!

"It was the sect master who set up the formation." At This Moment, Master Freewill suddenly opened his mouth.

He walked with rather aged steps and said as he walked, "The sect master values the library very much. Strictly speaking, those who are not from our sect are not qualified to enter this library."

"Therefore, he has already set up the formation here. The precision of this formation has even surpassed the formation that protects the heavenly cloud sect." Master Freewill continued to say.

Qin Yu was enlightened. He quickly cupped his hands and said, "Thank you for your explanation, Master."

As Master Freewill walked in front, he said, "There's no need to call me master. Just Call Me Freewill. If sect master didn't think highly of me, I would have died in some unknown corner."

Qin Yu didn't say anything, but his heart was full of worries.

Since Master Freewill was known as the living fossil of the South Province, there was probably nothing in the entire South Province that he didn't know.

Therefore, Qin Yu took the opportunity to ask, "Master Freewill, the sect master said that he wanted me to come to this library to read the history of the South Province. What is recorded in this history? When did it start? Who compiled it?"

Master Freewill glanced at Qin Yu and said indifferently, "This book was written by me."

Qin Yu was stunned and said in surprise, "You wrote it?"

"That's right. I once traveled all over the South Province and checked all the relevant information before writing this book. I have already recorded all the development of the South Province within the scope of my ability," said Freewill.

Qin Yu couldn't help but feel some admiration for this old man.

Under Qin Yu's divine sense, he was surprised to find that this master Freewill's strength wasn't strong, and he wasn't even at the mighty realm!

For a person of such a realm to travel through more than half of the southern prefecture, this was indeed an unbelievable matter.

"Alright, this is it." Master Freewill stopped in his tracks. A stone wall appeared in front of him.

Then, Master Freewill raised his palm and placed it on the wall. In a short moment, the wall slowly opened up.

“No wonder the deputy sect leader has never seen it before,”Qin Yu said in a low voice.

Behind the wall was a small secret room. The lights in the entire secret room were dim. In front of him was a huge table with a thick book on it.

“Go in,”Master Freewill said.

“If you want to finish reading this book, it will take at least ten days. I Won’t disturb you during these ten days. If you have any needs, come and find me,”Master Freewill said.

Qin Yu glanced at the thick book and quickly called out to master freewill.

“Master Freewill, my time is tight. If it’s convenient for you, can you stay with me?”Qin Yu tried to ask.

Master Freewill was silent for a moment, then said, “Okay.”

“Thank you!”Qin Yu quickly bowed.

With such a living fossil, Qin Yu didn’t need to go through so much trouble.

The door slowly closed, and only Qin Yu and Master Freewill were left in the secret room.

“You read it first,”Master Freewill said.

Then, he walked to the side and sat down cross-legged. He closed his eyes slightly, as if he was meditating.

Qin Yu opened the book and took a simple glance, then closed the book again.

“Master Freewill, I have a question to ask you,”Qin Yu walked forward and said.

Master Freewill opened his eyes and frowned slightly. He said, “You have to be patient when reading. With your current state of mind, it’s not suitable for you to read books.”

Qin Yu smiled bitterly and said with some embarrassment, “Master Freewill is right, but I really have a very important question.”

Master Freewill nodded slightly and signaled Qin Yu to continue.

Qin Yu said in a deep voice, “Have you ever heard of Earth on the other side of the starry sky?”

Chapter 1664 – Chapter 1,644, The Throne

Chapter 1664: Chapter 1,644, the throne

There were too many legends on Earth. Before Qin Yu embarked on the path of cultivation, he had heard countless legends.

If it was in the past, Qin Yu naturally wouldn't believe it. But ever since he embarked on the path of cultivation, he discovered many coincidences, as well as the world that was silent under the sea.

Following his heart, he looked at Qin Yu with a hint of doubt in his eyes.

After a while, he slowly opened his mouth and said, "Many people have descended from the holy region. Most of them came from the various major life star systems in the universe. I have never heard of the Earth that you mentioned."

"Impossible." Qin Yu shook his head without even thinking.

He was very clear in his heart that someone had definitely descended from Earth to the southern region.

For example, the immortal slaying sect had ruins on Earth.

"The reason why you don't know about Earth is very likely because the name is different," Qin Yu said in a low voice.

After all, the name 'earth' had only begun in recent years.

.....

If it had been tens of thousands of years, who knew what it would have been called at that time.

"Perhaps." Freewill nodded.

"Do you know about the immortal slaying sect?" At this moment, Qin Yu suddenly asked.

Following heart nodded and said, "I have heard of it. Rumor has it that it is a powerful sect. Their people once crossed over half of the starry sky and descended into the Holy Region."

Qin Yu sighed and said, "It is very likely that the immortal slaying sect originated from Earth."

“The origin of the immortal slaying sect? I have heard of it,” following heart said.

Qin Yu was delighted. He hurriedly looked at following heart and waited for his follow-up.

Freewill continued, “Rumor has it that many talents were born on that ancient star. Even great cultivators at the tribulation stage are not rare.”

Qin Yu did not dare to interrupt. He looked at Freewill eagerly.

Freewill continued, “Qin Yu, do you know what the end of cultivation is?”

Qin Yu shook his head, indicating that he did not know.

“The peak of the world is the great cultivator at the tribulation stage. Once you step into this realm, you can cross the entire universe and destroy the galaxy with a raise of Your Hand,” Freewill said.

“But in this world, a great cultivator at the tribulation stage is not the same as an immortal emperor. At most, he can only be considered a quasi-immortal emperor.”

“The true peak is to ascend to the emperor’s throne.”

At this point, Freewill looked at Qin Yu and slowly said, “The immortal slaying sect that you speak of has someone who has cultivated to the peak and ascended to the Supreme Emperor’s throne. He is also the first sect leader of the immortal slaying sect.”

“It is also because the immortal emperor realm appeared in the immortal slaying sect that the immortal slaying sect has always been at the peak. This is because they all have emperor’s blood flowing through their veins. This bloodline is destined to be extraordinary.”

Qin Yu remained silent. Regarding the name of an immortal emperor, Qin Yu had never heard of it before.

Today, after hearing Freewill’s words, he was somewhat shocked.

“Normally speaking, the birth of an immortal emperor would at least guarantee that the clan wouldn’t decline for ten thousand years.” Freewill sighed.

“It’s a pity that their peak stage is far from what we can imagine.”

Qin Yu spoke in a low voice, “Do you know anything about this immortal emperor from the immortal slaying sect?”

“Everything is just a rumor.” Freewill replied.

“I only know that at this level, he can destroy the heavens and earth with a wave of his hand. A single strand of his hair can kill a true saint. A single drop of his blood can allow a person to step into the Saint Realm.”

“As for this immortal emperor from the immortal slaying sect, his strength is unfathomable and incomparably powerful. Naturally, at that level, no one would be able to match him.”

Qin Yu remained silent. This level of cultivation was too far away from him.

In addition, even if one searched through the history of the Southern Prefecture, they wouldn't be able to find many such characters.

To ordinary people, the tribulation stage was already the end of their cultivation.

“Besides him, has anyone else ascended the throne?” Qin Yu asked.

“I know many great cultivators at the tribulation stage. As for the throne, I don't know the second one,” freewill said.

Then, he sighed, “After all, what I know is only the South Province. Moreover, how can I spy on people at that level?”

Seeing this, Qin Yu did not continue to ask.

He cupped his hands to follow heart and said, “Thank you, master follow heart.”

With that, Qin Yu walked to the table and picked up the book.

This time, he calmed his mind and began to read seriously.

Seeing this, follow heart did not continue to disturb him. He quietly stood up and left.

...

The Southern Region had a short period of peace, but everyone's heart was still hanging in the air.

They knew that the strength of an elementalist was not limited to this. Once he was fully resurrected, he would definitely return to the southern region.

No one knew the level of an elementalist, but they knew in their hearts that the strength of an elementalist must have crossed the reversion void stage.

“As far as I know, there is still no existence of the reversion void stage in the southern region.”

“That’s right. I wonder if the sect leader of the Heavenly Cloud sect has stepped into this stage.”

“It has been too long since he made a move. No one knows exactly how strong he is. Moreover, even if he is no match for an elemental, he must have some means to protect himself. At that time, we will be the ones who will be injured.”

“If we are to die, let’s all die together. There is nothing to worry about. Let’s live the rest of our lives well.”

At the border of the South Province, in a small mountain village.

The resources here were rather scarce. Usually, hardly anyone would come.

And those with some talent in the village had basically all left this place. The ones left behind were mostly the old, the weak, the sick, and the disabled.

But it was in this kind of place that a black-robed man quietly descended.

In the dark night, the picture scroll appeared in the sky and silently took their lives.

In one night, the mountain village became a ghost village.

The black-robed man put away the scroll and immediately rushed to the next place.

...

In the blink of an eye, Qin Yu had been in this secret room for ten days.

After flipping through the book, Qin Yu couldn’t help but be more surprised.

Because according to the records in this book, more than ten great cultivators of the tribulation stage had been born in the South Province. Each of them was extremely powerful, and at their peak, they were not weaker than the Central Province!

However, what was strange was that the bloodlines of these people had all disappeared, and not a single bloodline remained.

“How could this be...”Qin Yu murmured softly.

Although the bloodlines of great cultivators at the Tribulation Stage were not as powerful as the emperor’s bloodline, at least they had a long history.

Cultivators with the first generation of bloodlines could easily step into the true Saint Realm!

Any one of them could make the South Province tremble!

But why did such a powerful bloodline disappear?

“Strange.” Qin Yu couldn’t help but frown.

He put away the book, turned around, and walked out of the secret room. He found Freewill and told him his doubts.

While cleaning, freewill shook his head and said, “I don’t know the reason, but none of them survived.”

“Could it be that... They all went to the Central Plains?” Qin Yu asked curiously.

“I had such doubts before, but unfortunately, I didn’t,” Freewill said.

At this point, he seemed to have remembered something. He raised his head and said, “The birthplace of these great cultivators at the tribulation stage came from the same place, which is the Eastern Wilderness.”

Chapter 1665 – Chapter 1,664, East Barren Legend 1

Chapter 1665: Chapter 1,664, East Barren Legend 1

“East Barren?” Qin Yu was stunned.

Was this the reason why Xiao Sheng asked him to go to the east barren?

It shouldn’t be. Qin Yu had not even heard of the east barren after being in the southern region for so long. If Xiao Sheng had not mentioned it, Qin Yu would not have known about this place for the rest of his life!

A Land of outstanding talents should not be without news.

Qin Yu was silent. He looked at Master Freewill and wanted to ask him something, but Freewill had already turned around and left. It was obvious that he didn’t want to continue discussing further.

With no other choice, Qin Yu could only leave for the time being.

Before he left, Qin Yu deliberately walked around the library to see if there were any Rashomon sect techniques in the library.

Unfortunately, he didn’t get anything from this round.

Therefore, Qin Yu walked out of the library and headed toward the Cultivation Mountain.

.....

On the Cultivation Mountain.

It was still like a fairyland.

Under a huge tree, there was a wooden table. Qin Yu and Xiao Sheng were sitting opposite each other.

In front of them was a pot of tea. The fragrance of the tea permeated the air, making people forget to return.

“Have you been to the Library?” Xiao Sheng poured a cup of tea for Qin Yu and asked indifferently.

Qin Yu grunted and said, “I just left there.”

“What did you find?” Xiao Sheng asked.

Qin Yu said in a deep voice, “I found that the east barren used to be a blessed land in the southern region, a place where countless great cultivators at the tribulation stage were born.”

“What else?” Xiao Sheng continued to ask.

“Also... none of these bloodlines were left behind. As for the east barren, it became an unknown place,” Qin Yu continued.

Xiao Sheng stared at Qin Yu and said, “That’s it?”

Qin Yu opened his mouth. For a moment, he did not understand what Xiao Sheng meant.

Xiao Sheng said indifferently, “Have you ever thought about why the East Wilderness has fallen to such a state? Why none of the bloodlines of the East Wilderness have been left behind?”

“I don’t know. This is also what I am puzzled about.” Qin Yu sighed.

Xiao Sheng slowly stood up. He put his hands behind his back and said indifferently, “I can tell you that the current East Wilderness has become a desert with no signs of human habitation. It’s truly a no-man’s land.”

“As expected...”Qin Yu murmured in a low voice. He seemed to have guessed something.

Xiao Sheng continued, “Isn’t this illogical? When these factors are combined, have you ever thought about the reason?”

Qin Yu didn’t say anything. He held his chin and seemed to be deep in thought.

Xiao Sheng wasn’t in a hurry. He just stood aside and waited quietly.

Qin Yu didn’t say a word for several hours. He seemed to be in a meditative state.

At this moment, Qin Yu suddenly woke up.

He looked at Xiao Sheng and said in a deep voice, “Could it be that... those grand cultivators at the tribulation stage have exhausted all the luck in the East Continent?”

A hint of relief appeared on Xiao Sheng’s face.

He put his hands behind his back and said indifferently, “Fortunately, you didn’t disappoint me.”

Qin Yu said in surprise, “Is it really because of this reason?”

Xiao Sheng didn’t answer this question directly, instead, he said, “Throughout the history of the Holy Region, every place has its ups and downs. Everything is like a reincarnation. Today’s east continent is a desert, and tomorrow’s Central Plains might not be the same.”

“The emergence of the heavenly tribulation in the eastern wilderness will definitely exhaust the luck of a region. In the future, the central plains might be the same,”Xiao Sheng said.

Qin Yu could not help but look at Xiao Sheng with a shocked expression. At this moment, he suddenly discovered Xiao Sheng’s great wisdom.

A person who was meticulous and could look at the past, he was probably even more powerful than he had imagined!

In the entire southern region, and even the entire holy region, only a handful of people could think of such things.

Everyone was desperately trying to absorb resources, so who would think of such things.

“Do you know why I asked you to go to the Eastern Wilderness?” At this moment, Xiao Sheng suddenly asked.

Qin Yu thought for a moment and said, “It’s... What Treasure do you want me to excavate?”

Xiao Sheng put his hands behind his back and said calmly, “The eastern wilderness was a land of outstanding people back then. The influx of countless experts exhausted the fate of an area. This kind of aura is difficult to recover after tens of thousands of years.”

“But it’s different now.” Xiao Sheng looked at Qin Yu.

“In this great world, it means that everything will be reshuffled. The aristocratic families and clans will all be reshuffled. Everyone has the chance to stand on the peak of the mountain and create history.”

Qin Yu nodded slightly in agreement.

Xiao Sheng continued, “Other than these aristocratic families, the fate will be the same.”

“The east continent used to be a blessed land. Today’s east continent is the same. Why do I need to go to the central continent? At least now is not an opportunity.”

Qin Yu suddenly came to a realization. He suddenly stood up with a hint of admiration on his face.

“Why did you tell me this?” Qin Yu asked curiously.

Xiao Sheng glanced at Qin Yu and said, “I’m willing.”

Qin Yu opened his mouth and was speechless.

“I’m still a little curious. Why Don’t you go to the East Wilderness?” Qin Yu asked in surprise.

Xiao Sheng put his hands behind his back and said indifferently, “Soon.”

Qin Yu was speechless again. Obviously, as long as he wanted to say something, he would say it even if he didn’t ask. But if he didn’t want to say it, it would be useless to ask.

“Thank you,” Qin Yu said sincerely.

After saying this, Qin Yu turned around and planned to leave.

“I look forward to fighting with you one day.”

At this moment, Xiao Sheng’s voice came from behind.

Qin Yu was stunned for a moment before he smiled and said, “Me too.”

After saying that, he walked down from the Cultivation Mountain.

Qin Yu did not know when the elementalists would be fully resurrected, so he did not dare to waste time.

Before heading to the East Wilderness, Qin Yu planned to visit his old friends, such as Qu Zhu and Zhuo Jing.

It would be best if they could travel together.

When Qin Yu arrived at wind bamboo mountain, he discovered that the mountain gate was already locked, and Qu Zhu had already gone into seclusion to cultivate.

Feeling helpless, Qin Yu could only take his leave and rush towards the Zhuo family.

Zhuo family.

Different from the hustle and bustle of the past, the Zhuo family today looked rather deserted.

Qin Yu released his divine sense, covering more than half of the Zhuo family, and soon caught sight of Zhuo Jing’s figure.

Besides Zhuo Jing, there seemed to be another person standing by his side.

This person’s internal Qi wasn’t weak, and was on par with Zhuo Jing’s.

Qin Yu didn’t think too much, and walked over quickly following the internal Qi.

When Qin Yu walked up to him, he realized that the person standing beside Zhuo Jing was actually Li Yingying, whom he had not seen for a long time.

“Li Yingying...” Qin Yu frowned slightly and a trace of disgust flashed across his face.

Zhuo Jing was also rather embarrassed. He looked at Li Yingying helplessly and said, “You should leave quickly, okay? I told you, I don’t want to see you now.”

Li Yingying seemed to be a little afraid of Qin Yu. She didn’t dare to say anything and turned around to leave.

“Wait.”

At this moment, Qin Yu suddenly called out to Li Yingying.

Chapter 1666 – Chapter 1,666, Death Is Certain! 1

Chapter 1666: Chapter 1,666, death is certain! 1

Li Yingying, who was about to leave, suddenly stopped in her tracks.

She didn't say a word. It was obvious that she was a little nervous.

Qin Yu walked in front of Li Yingying. He looked at Li Yingying coldly and said, “Why do I feel that there is a strange smell on your body?”

Li Yingying was stunned. She said nervously, “What... What Smell?”

Qin Yu narrowed his eyes and said coldly, “The smell of the northern lands.”

As soon as he said that, Li Yingying's body suddenly trembled!

However, she quickly came back to her senses. She immediately turned around and shouted, “Qin Yu, I know you've never liked me, but you don't have to frame me like this! Aren't you going too far!”

Zhuo Jing also walked forward and said, “Let her go quickly. I'm annoyed whenever I see her now.”

Qin Yu glanced at Zhuo Jing, then looked coldly at Li Yingying and said, “I'm warning you. It's best if you don't let me know that you have a relationship with the northern lands. Otherwise, I absolutely won't let you go.”

.....

Li Yingying snorted coldly. She didn't say anything and turned around to leave.

After she walked far away, Zhuo Jing said in a deep voice, “Brother Qin, do you really think that she has the internal Qi of the northern lands on her body?”

Qin Yu shook his head and said, “No, I'm just guessing. The last time, Si Ma bei was nearby. I'm not sure if she has anything to do with Si Ma bei.”

“But didn’t you already kill Si Ma bei at that time?”Zhuo Jing asked doubtfully.

Qin Yu said coldly, “Don’t forget who exposed the position where I broke through.”

Zhuo Jing didn’t say anything more, but he seemed to be a little sad.

Qin Yu understood him. After all, the two of them were old acquaintances.

“Let’s not talk about this. Come, let’s drink,”Zhuo Jing pulled Qin Yu and said.

The two of them came to the pavilion and sat down. The usually lively pavilion was now deserted.

Qin Yu asked casually, “No one has come recently, right?”

Zhuo Jing said with a wry smile, “Under such circumstances, everyone wants to protect themselves. There’s no time to spare.”

Qin Yu nodded to show that he understood.

“Speaking of which, you’re in the limelight now. I’m afraid your fame is not much worse than the three mad and three deadly ones,”Zhuo Jing said half-jokingly and half-seriously.

Qin Yu sighed and said, “Don’t joke about me.”

“I’m not joking. That big battle was really dangerous.”Zhuo Jing sighed.

Qin Yu did not continue this topic. He looked at Zhuo Jing and said, “Brother Zhuo, do you know the East Wilderness?”

“East Wilderness?”Zhuo Jing was stunned and then said, “I do know it, but... it seems to be a desert. No one has been there for many years.”

Qin Yu hummed in gratitude. Qin Yu trusted Zhuo Jing 100% , so he did not hide it. He immediately told Zhuo Jing what had happened.

After Zhuo Jing heard it, he said in surprise, “You mean... that was the birthplace of the great cultivator who transcended tribulation?”

Qin Yu nodded and said, “It can be said that the eastern wastelands alone have produced no less than ten great cultivators at the Tribulation Stage.”

Zhuo Jing touched his chin and muttered, “Now that you mention it, I suddenly remembered that my father had been to the east barren before he died, but he didn’t gain much...”

"Your father has also been to the East Barren?" Qin Yu asked in surprise.

Zhuo Jing nodded and said, "It seems that the sect master of the Tianyun sect told my father this news, and... I once suspected that he was taking the opportunity to get rid of my father."

Having said that, Zhuo Jing looked at Qin Yu and said in a deep voice, "Qin Yu, aren't you afraid that he is lying to you? Is he trying to trick you into sending you to your death?"

"That shouldn't be the case." Qin Yu shook his head.

"With his means, he doesn't need to waste so much strength to kill me. Moreover, I've read the records in the book."

Zhuo Jing said with a wry smile, "Then, have you ever thought that he was the one who wrote the book? Did he tell you all this?"

"Besides, wouldn't it be better if he didn't have to kill you himself? Who knows if he's afraid of your background? People are evil."

After hearing what Zhuo Jing said, Qin Yu started to mumble.

However, he remembered what Xiao Sheng had said, and it didn't seem like he was lying.

"I still decided to go," Qin Yu said after thinking for a while.

Zhuo Jing thought for a moment and then said, "Alright, I'll go with you."

"Really? But you don't suspect him..." Qin Yu was a little surprised.

"I'm just suspecting him. Besides, my father has been there. I want to walk the path he once walked," said Zhuo Jing.

Qin Yu nodded and said with a smile, "That's great. There's no time to lose. We'll set off immediately."

"Why are you in such a hurry?" Zhuo Jing asked in surprise.

Qin Yu nodded and said, "We don't have time to waste."

"Then wait for me for a while. I'll go and prepare," Zhuo Jing said.

Qin Yu nodded. He sat in the pavilion and waited for Zhuo Jing.

Half an hour later, Zhuo Jing walked over.

“Let’s go,”Zhuo Jing said.

Qin Yu grunted in gratitude. The two of them didn’t waste any time and set off on the same day, heading towards the east barren.

The east barren was a long journey, and with their speed, it would take them several days.

“Sigh, it would be great if there was a spatial formation.”Qin Yu couldn’t help but sigh.

Speaking of which, Qin Yu couldn’t help but feel a little curious.

“Why hasn’t the formation of the Heavenly Cloud sect been activated? Back when I came to the holy region, I used this formation. It’s much more difficult than teleportation in the Holy Region,”Qin Yu said in puzzlement.

“The formation of the Tianyun sect has always been a mystery. No one knows when it will be activated, and no one knows exactly how it will be activated,”Zhuo Jing said.

Qin Yu grunted in gratitude. It was likely that the formation of the Tianyun sect was flawed. Otherwise, Xiao Hai would not have risked his life to cross the river of death.

The two continued to move forward, passing through the high sky.

They were getting closer and closer to the East Wilderness. At this moment, a figure blocked their path.

He stood in front of the Divine Eagle. His figure was not strong, but it was full of pressure.

Qin Yu frowned slightly. He strode forward and asked coldly, “Who are you? Why are you blocking our way?”

The other party’s face was covered by the secret technique, so he could not be seen. His entire body was emitting a faint light.

“Are you going to the East Barren?”The other party asked.

Qin Yu was silent for a moment, then said, “What does it have to do with you?”

“Did the sect master of the Tianyun sect ask you to go?”The other party continued to ask.

Qin Yu's expression changed slightly. He narrowed his eyes and said, "Who exactly are you?"

The other party did not answer this question. Instead, he said coldly, "I came to tell you not to go to the East Wilderness. Once you go to the East Wilderness... you will definitely die!"

Hearing this, Qin Yu's expression immediately changed!

Chapter 1667 – Chapter 1,667, Is It Good Or Evil

Chapter 1667: Chapter 1,667, is it good or evil

Not many people knew about this matter. How could this mysterious person in front of him know it in such detail!

"What do you mean by that?" Qin Yu said with a cold face.

The other party did not answer this question. Instead, he said in a deep voice, "I'm here to tell you not to trust anyone easily. If you don't want to die, don't go to the East Wilderness. That place is not something you can touch!"

After saying this, he turned around and was about to leave.

"Who the hell are you? Stop right there!" Qin Yu shouted and immediately chased after him!

The other party's speed was extremely fast. In the blink of an eye, he shot out.

Qin Yu snorted coldly. He immediately activated the line word formula and quickly chased after him.

However, what shocked Qin Yu was that even with the line word formula, he was still far from catching up to the other party!

"How is this possible!" This made Qin Yu even more shocked. One had to know that there were only a few people in the entire South Province who were faster than Qin Yu!

.....

This mysterious person in front of him was probably terrifyingly powerful!

Very soon, that mysterious person completely disappeared from sight.

Qin Yu stood there with an extremely cold expression.

“Someone... is following me?” Qin Yu took a deep breath as he had a bad feeling in his heart.

Soon, Zhuo Jing caught up with him.

“Where is he?” Zhuo Jing asked.

Qin Yu shook his head and said, “He is too fast. I Can’t catch up with him.”

Zhuo Jing said in a deep voice, “What does he mean by this? Why doesn’t he let us go to the East Wilderness? Is My Guess True?”

“It shouldn’t be.” Qin Yu still didn’t want to believe it.

He recalled the scene when Xiao Sheng discussed dao with him, and it didn’t seem like he was lying to him.

Moreover, what he did was meaningless.

If he really wanted to kill Qin Yu, Qin Yu would have died a hundred times.

But why did this mysterious person suddenly appear to warn him? Who was he? What was his intention?

Countless thoughts appeared in Qin Yu’s mind, and he felt like his brain was about to explode.

“Take a rest first. Think about it carefully before making a decision.” Zhuo Jing patted Qin Yu’s shoulder.

Qin Yu nodded. The sudden change had indeed made Qin Yu a little dazed.

Therefore, the two of them stopped at a nearby city temporarily.

They sat in a quiet teahouse and looked at each other without saying a word.

“There are only a few people in the south province who are so powerful, unless he is not from the South Province,” Zhuo Jing said at this moment.

Qin Yu nodded slightly. He thought of everyone but could not figure out who he was.

“Could it be... he is really from the Yan Family?” Qin Yu took a deep breath and felt a chill on his back.

If he was really from the Yan family, then he must have been sent by Yan Ruoxue because with Qin Yu’s current power, he was not worth the attention of the Yan family.

If they were really sent by Yan Ruoxue, then this matter would have to be considered from a long-term perspective.

Because anyone could harm Qin Yu, but Yan Ruoxue would not.

“Brother Qin, what do you think?” Zhuo Jing asked from the side.

Qin Yu opened his mouth. He originally planned to let Zhuo Jing help analyze it, but he felt that it was better to keep the matter regarding the Yan family a secret. In the end, he shook his head.

“Let me think about it carefully,” said Qin Yu in a deep voice.

Having said that, he looked at Zhuo Jing and asked, “Brother Zhuo, do you know anything about Xiao Sheng?”

Zhuo Jing said in a deep voice, “I don’t really know much about him, but I do know a little about him. Back then, he had a friendship with my father.”

Qin Yu nodded slightly, indicating for him to continue.

Zhuo Jing said in a deep voice, “Xiao Sheng is an extremely strange person. His cultivation is very strong, so strong that it makes people feel fearful. This is the evaluation my father had of him back then.”

“Rumor has it that at his peak, he almost unified the entire Li Province. If it weren’t for the Dead River blocking his way, the current situation wouldn’t be the same.”

Qin Yu agreed and said, “I’ve heard about this. What about him?”

“It’s hard to say.” Zhuo Jing frowned.

“He’s not that old. He’s a few years younger than my father. Rumor has it that he was born in a small mountain village and has no background. He climbed all the way up by stepping on the corpses of others.”

“But my father said that he relied on his hard strength. It’s definitely not a conspiracy because there’s no one who can stop him 100% in the South Province.”

Qin Yu nodded slightly. He had the same impression of Xiao Sheng.

“But there’s a problem,”Zhuo Jing suddenly said.

Qin Yu looked at Zhuo Jing and waited for his follow-up.

Zhuo Jing said in a deep voice, “Don’t forget about Xiao Hai. The two of them look exactly the same, so... There’s a lot of behavior that we can’t be sure whether it was done by Xiao Hai or Xiao Sheng.”

Qin Yu’s expression suddenly changed, and he said in surprise, “You mean... in many good aspects, it’s very likely that Xiao Hai did it for Xiao Sheng?”

“It’s possible. After all, it was Xiao Hai who did the nine holes incident. If the one who did it was Xiao Sheng, I’m afraid the nine of them would have died long ago,”said Zhuo Jing.

Qin Yu was silent. After Zhuo Jing’s reminder, Qin Yu felt that it was very likely.

Xiao Hai usually wore a mask, so no one knew that he and Xiao Sheng were blood brothers.

Therefore, Xiao Hai used Xiao Sheng’s name to do good deeds, and all of this would be on Xiao Sheng’s head.

“If that’s really the case... that would be too scary.”Qin Yu’s face was a bit unnatural.

“Who knows whether Xiao Sheng is good or evil?”Zhuo Jing shook his head helplessly.

“You said before that your father went to the East Wilderness and that this matter led to your father’s death. What does that mean?”Qin Yu asked.

Zhuo Jing was silent for a moment, then, he said coldly, “My father was in high spirits back then and stepped into the reversion void stage in one go. He could be said to be in a glorious position in the South Province. However, he was different from the nine caves. He had no interest in battles and was dedicated to pursuing the DAO.”

“After stepping into the reversion void stage, he went to the Eastern Wilderness. Ever since he came back from the Eastern Wilderness, he was unable to recover. Later on, he was killed in a big battle.”

“With my father’s ability, even if he couldn’t win, he could at least escape. However, he lost completely that time.”

Qin Yu said in a deep voice, “May I ask, who killed your father? Does it have anything to do with Xiao Sheng?”

“It has nothing to do with him. As for the person who killed my father, he didn’t come from the South Province. He was from the Central Province,”said Zhuo Jing.

Qin Yu touched his chin, feeling more and more frightened.

According to Zhuo Jing’s analysis, his father might have been killed by Xiao Sheng.

Now that Xiao Sheng asked Qin Yu to go to the east continent, did he also want to kill by Xiao Sheng?

“Impossible, Xiao Sheng is definitely not that kind of person.”Qin Yu still found it hard to believe.

Now that Xiao Hai was dead, the person who discussed dao with Qin Yu must be Xiao Sheng.

That Xiao Sheng on the cultivation mountain was obviously a very intelligent person. How could he do such a thing?

Chapter 1668 – : Chapter 1,668, Opening Of The Mystic Realm 1

Chapter 1668: Chapter 1,668, opening of the Mystic Realm 1

Qin Yu’s mind was in a mess. He didn’t know who to trust.

The person who came to warn him must be related to him. However, no matter how Qin Yu thought about it, he couldn’t think of anyone other than the Yan family. “...”

Moreover, with his strength, he was obviously above Qin Yu. Otherwise, he wouldn’t have such speed.

Looking at the Silent Qin Yu, Zhuo Jing was also silent at the side, not disturbing his thoughts.

After a long time, Qin Yu stood up and sighed, “Let’s go.”

“Go? Where?”Zhuo Jing asked with some doubt.

Qin Yu said in a deep voice, “The Eastern Wilderness.”

Zhuo Jing was immediately shocked. He looked at Qin Yu and said, “Do you still decide to go?”

“Yes. I want to go and take a look no matter what. Otherwise, I’ll never know the truth,” Qin Yu said in a deep voice.

.....

Then, Qin Yu looked at Zhuo Jing and said, “This trip to the East Wilderness might be full of dangers. You Go back first. I’ll go alone.”

“What are you talking about?” Zhuo Jing smiled.

“As long as you go, I’ll accompany you.”

Qin Yu opened his mouth, not knowing what to say.

He patted Zhuo Jing’s shoulder and said, “Thank you.”

Since they had made up their minds, they did not waste any more time. They set off immediately and went straight to the east barren.

Along the way, Qin Yu was very uncertain. He looked behind him and frowned.

“What’s Wrong?” Zhuo Jing asked.

“I don’t know if it’s because of my heart, but I feel like someone is watching me in the dark,” Qin Yu said in a low voice.

Zhuo Jing subconsciously turned his head and looked back. He frowned and said, “Why don’t I feel it? Maybe it’s because of your heart.”

Qin Yu didn’t say anything. His divine sense had always been very sensitive, and he rarely made mistakes.

The feeling of being stared at was very uncomfortable.

“I hope I’m overthinking.” Qin Yu took a deep breath.

The two of them sat on the Divine Eagle. After several days, they finally arrived at the territory of the East Wilderness.

This place was not as dangerous as they had imagined. On the contrary, it was an extremely vast desert with no end in sight.

Besides the desert, there was nothing else.

“How could this be?”Zhuo Jing frowned.

“It looks like there’s nothing here.”

Qin Yu activated the desolate God’s eye and scanned the desert.

Unfortunately, under the desolate God’s eye, there was still nothing here. It was just a desert.

“It seems like my guess is correct,”Qin Yu said in a low voice.

“Guess? What Guess?”Zhuo Jing asked.

Qin Yu pointed at the desert in front of him and said, “I’m afraid that there are countless mystic realm hidden here.”

“You mean... The Small World?”Zhuo Jing said in surprise.

Qin Yu grunted and said, “That’s the only possibility.”

“Then what should we do?”Zhuo Jing asked.

“Follow me,”Qin Yu said.

His body shook and he descended from the Godly Eagle.

Following that, the two of them walked towards the desert.

The eastern wastelands was extremely vast, and its area was endless. Even if they diligently activated the desolate divine eye, they would not be able to see anything.

They walked through the desert, covering the largest area with their divine sense, afraid of missing out on anything.

But unfortunately, after an entire day, the two of them still found nothing.

Even the sand buried under the desert was not visible.

The sky gradually darkened and a sandstorm rose.

Qin Yu and Zhuo Jing stopped in their tracks.

“Are we just going to walk aimlessly?”Zhuo Jing asked.

Qin Yu glanced at Zhuo Jing and shook his head. “We are not aimless.”

Zhuo Jing seemed a little puzzled and stared at Qin Yu, trying to figure out something.

Qin Yu did not say much. Along the way, he had been trying to find the hidden mystic realm, but so far, he had not found it.

This was an extremely tiring thing. For a whole day, Qin Yu looked a little weak.

“Let’s Rest for now,”said Qin Yu.

Zhuo Jing grunted and the two sat on the ground, slowly absorbing the extremely weak spiritual Qi from the surroundings.

It had to be said that the fate of the east barren was really exhausted. The thinness of the spiritual Qi was even less than that of Earth.

“I can’t guarantee that there’s no one watching us from the dark, so we have to be careful,”said Qin Yu.

Zhuo Jingen nodded. He held the Silver Spring in his hand and said, “Don’t worry.”

Qin Yu trusted Zhuo Jingen, so he simply lay on the desert and fell asleep.

It was a peaceful night.

The next day, Qin Yu’s state of mind recovered by more than half. They did not waste any time and continued to move forward, searching for the mystic realm in the desert of the east barren.

After another full day, the two of them still had very little to gain.

“The east barren really doesn’t seem to have much value anymore,”Zhuo Jing said with a sigh.

Qin Yu also had some doubts.

According to Xiao Sheng’s words, the fate of the east barren should have returned in this great era. It was the land of the rising dragon, so how could there be not even a trace of spiritual qi?

“Am I really deceived?”Qin Yu took a deep breath. He was unwilling to believe it.

The two dao discussions with Xiao Sheng made him admire Xiao Sheng greatly.

If he knew that Xiao Sheng was harming him, Qin Yu would not be able to accept it.

Just as Qin Yu was feeling sad, he suddenly felt something strange.

This feeling was extremely familiar. It was the feeling brought by the hidden mystic realm!

“There really is a mystic realm!”Qin Yu was instantly overjoyed!

He closed his eyes slightly and felt the Great Dao. Threads of light appeared in Qin Yu’s mind.

Qin Yu slowly walked forward in this direction. He raised his hand as if he was searching for something.

Zhuo Jing, who was at the side, did not dare to disturb him when he saw this. He could only follow silently by the side.

“It’s here.”Finally, Qin Yu stopped at a certain spot.

His hand was placed in the void in front of him, and rays of light were emitted.

“There really is a mystic realm...”Qin Yu took a deep breath, and his eyes couldn’t help but be a little excited.

Zhuo Jing quickly ran up and hurriedly asked, “What did you find?”

Qin Yu pointed at the void in front of him and said, “There... is a mystic realm hidden here.”

“Mystic Realm? You are a Mystic Realm Master?”Zhuo Jing said in surprise.

Qin Yu smiled bitterly and said, “No, but I can indeed find a mystic realm. I even learned a little bit when I was in my hometown.”

“A little bit? You are really modest,”Zhuo Jing said with a bitter smile.

Qin Yu sighed and said, “I am not modest. I don’t have any mystic keys.”

It was indeed too difficult to find a mystic realm master now. Moreover, once a mystic realm master was found, no matter what treasures there were, they would not belong to him.

Qin Yu raised his palm and placed it in the air in front of him, slowly feeling the mystic realm.

.....

At this moment, he was stunned and said excitedly, “This... This is actually an open mystic realm!”

Chapter 1669 – : Chapter 1,669, Dragon Burial Cave 1

Chapter 1669: Chapter 1,669, Dragon Burial Cave 1

An open mystic realm didn't need any mystic keys at all!

In this way, Qin Yu could directly open this mystic realm!

Qin Yu's face was filled with unconcealable excitement, and Zhuo Jing was the same.

"An open mystic realm. In this way, we can easily enter,"Zhuo Jing said.

But at this moment, Qin Yu was somewhat vigilant.

He looked at Zhuo Jing and said, "An open mystic realm. How could no one discover it?"

Hearing this, Zhuo Jing also felt a bit strange.

There were countless experts in the holy region. It was simply not comparable to Earth.

Even the mystic realm on earth had been mostly exploited by the JINGDU Dance Association, let alone this holy region?

.....

"This mystic realm has either been discovered by someone, or it's... extremely dangerous!"Qin Yu said in a deep voice.

Zhuo Jing nodded slightly in agreement.

Then, he looked at Qin Yu and said, "What do you plan to do? I'll listen to you."

With Qin Yu's personality, there was no need to think about it. As long as he was discovered, no matter how dangerous it was, he would not give up.

Therefore, he smiled and said, "Let's open this mystic realm first."

Having said that, Qin Yu did not waste any more words. He placed his palm on it and waited for the mystic realm to open.

However, what surprised Qin Yu was that when he placed his hand on it, the void in front of him suddenly began to collapse! Like glass shards, they fell one by one!

Seeing this scene, Qin Yu hurriedly pulled Zhuo Jing and shot him hundreds of meters away!

He looked coldly at the collapse of the Void, and his face became even colder.

In a moment, the mystic realm appeared in front of everyone.

Contrary to Qin Yu's imagination, this seemed to be a treasure cave that had been artificially hidden. It was not a mystic realm at all.

Soon, a huge treasure cave appeared in front of the two of them.

It stood in the desert, looking extremely dazzling and out of place.

"What... What's going on?!" Zhuo Jing could not help but stare with his mouth agape.

The treasure cave was extremely grand and vast. It seemed to have been silent in this place for many years!

When the treasure cave appeared, an ominous feeling enveloped the hearts of the two of them.

"Looks like this isn't some mystic realm." Qin Yu took a deep breath, feeling even more puzzled.

Someone had clearly come here and used a secret technique to hide it after excavating it.

"Someone has discovered this treasure cave... who could that person be..." Qin Yu's expression became uglier and uglier. He couldn't help but think of Xiao Sheng.

"Dragon burial cave..." Zhuo Jing stared at the three big words on the treasure cave and muttered in a low voice.

In the next second, Zhuo Jing's expression became somewhat unnatural.

"This... is actually... Dragon burial cave..." Zhuo Jing's body trembled slightly, as if he had discovered something extremely terrifying.

Qin Yu frowned and asked, "Do you know this place?"

Zhuo Jing grunted and said in a trembling voice, "I once saw this place in an ancient book. No, to be precise, there are two places."

“One is called the dragon burial cave, and the other is called the immortal burial valley.”Zhuo Jing took a deep breath.

“These two places are extremely terrifying. As the name suggests, you should understand something.”

Qin Yu looked at Zhuo Jing in confusion, as if he didn’t understand.

The names of these two places sounded extremely terrifying, but whether or not it was what he thought it was, he didn’t know.

Zhuo Jing said in a deep voice, “The immortal burial valley is rumored to be the place where immortals fall. Even true immortals can’t walk out of the immortal burial valley.”

“As for the Dragon Burial Cave, it’s the place where the Divine Dragon fell. If the divine dragon flies past this place, it will definitely become a corpse. This place is extremely dangerous, and it’s hard to find a living person.”

After listening to Zhuo Jing’s words, Qin Yu’s expression also became a little unnatural.

Regardless of whether it was the Dragon God or the true immortal, they were all legendary existences. Up until now, Qin Yu had never seen them before.

The names of these two places did indeed sound very frightening. Not only that, the aura emitted from the dragon burial cave was also extremely cold, making people feel extremely uncomfortable.

Unease filled their hearts. For a moment, neither of them dared to act rashly.

This was a feeling that arose spontaneously from the bottom of their hearts. They simply couldn’t resist it.

The longer it took, the more intense the fear became.

Even Qin Yu couldn’t resist it at all.

His forehead was drenched in sweat, and Zhuo Jing’s body was even trembling slightly.

“Are we... going to leave?”Zhuo Jing tried to ask after a long while, as if he couldn’t bear the pressure anymore.

Qin Yu wiped the sweat off his forehead and murmured, “Is this the dragon burial cave that Xiao Sheng wants me to take pictures of...”

“If that’s the case, Xiao Sheng really wants you to die!”Zhuo Jing was rarely excited.

“Qin Yu, we’d better leave this place. With those people’s methods, it’s impossible that they didn’t find the Dragon Burial Cave!”

Qin Yu didn’t say a word. He was a bit conflicted.

At any time or place, risks and opportunities always coexisted.

The Dragon Burial Cave was indeed dangerous, but there was probably something extremely important buried here.

If he could get a set of dragon bones, the benefits would be unimaginable!

Zhuo Jing seemed to have seen through Qin Yu’s thoughts. He said in a deep voice, “If you want to go in, I can accompany you. But this place is indeed extremely dangerous. It’s better to be... careful.”

Qin Yu looked at Zhuo Jing and said with a smile, “I understand. I know what to do.”

At this moment, Qin Yu’s face suddenly changed!

He subconsciously looked behind him, feeling extremely uncomfortable.

“What’s Wrong?”Zhuo Jing asked.

Qin Yu said coldly, “There must be someone in the dark, secretly watching me. There must be a pair of eyes. My feeling is definitely not wrong!”

“Is it that mysterious person just now?”Zhuo Jing asked.

Qin Yu shook his head, “I don’t know, but I’m sure that there must be someone in the dark who is watching me and is extremely powerful.”

Even the desolate God’s eye could not detect him. This was enough to prove that his strength was far above Qin Yu’s.

Ever since he learned about the east barren, everything seemed to have become strange.

“Are we still going?”Zhuo Jing asked.

Qin yuen replied, “We’re already here. We can’t just leave empty-handed. Listen to my command later.”

“Okay.”Zhuo Jing nodded and agreed.

The two of them walked towards the direction of the dragon burial cave with difficulty.

The closer they were, the more uneasy they felt.

This feeling came from their natural sense of danger. They had not even stepped into the dragon burial cave, but they already felt such a strong sense of danger. This was enough to show that the danger of the dragon burial cave was beyond imagination!

The two of them walked all the way to the dragon burial cave. Faced with the enormous treasure cave, the powerful sense of oppression made it difficult for them to breathe.

This was a feeling that Qin Yu had never felt before. It was incomparably terrifying.

Chapter 1670: Chapter 1,670, Xiao Sheng's intentions

This feeling made Qin Yu feel extremely uneasy. That powerful oppressive feeling was extremely similar to the feeling brought by the mysterious person in the four symbols technique!

Standing at the entrance of the Dragon Burial Cave, the pitch-black cave entrance seemed to exude an ice-cold chill. One could not see the end of it.

Zhuo Jing looked at Qin Yu and said, "Shall we enter directly?"

"No." Qin Yu immediately shook his head.

He took a deep breath and said: "I have a strong feeling that if we walk into this dragon burial cave, we will definitely die."

Even though Qin Yu had a peerless body, there were still many ways to kill him in this world.

For example, once the divine sense was destroyed, there would be nothing left. Having a body would be useless.

Qin Yu closed his eyes slightly, and a pocket-sized golden light flew out from between his brows.

.....

This light scattered in Qin Yu's palm, looking rather mysterious.

And the moment this light flew out, Qin Yu's spirit seemed to have become much more dispirited.

"This is... a strand of divine sense?"Zhuo Jing exclaimed.

Qin Yu grunted in gratitude and said, "Use this strand of divine sense to go in and scout the way."

After saying that, Qin Yu stretched out his palm and slightly closed his eyes, as if he was controlling this strand of divine sense.

The strand of divine sense slowly entered the dragon burial cave, becoming the only light in the darkness.

Qin Yu relied on this strand of divine sense to sense everything in the dragon burial cave.

The deeper he went, the more intense the oppressive feeling became.

It was not an exaggeration to say that under this powerful oppressive feeling, Qin Yu's strand of divine sense had difficulty walking!

This was because of the feeling of fear in his heart. Even walking was extremely difficult.

Qin Yu's main body was sweating profusely, looking somewhat painful.

A few minutes later, Qin Yu's eyes suddenly opened!

"How is it?"Zhuo Jing hurriedly asked from the side.

Qin Yu panted heavily, not saying a word.

Zhuo Jing didn't dare to say anything. He could only wait quietly by the side.

After a long time, Qin Yu looked at Zhuo Jing with a serious face.

"How is it?"Zhuo Jing asked.

Qin Yu took a deep breath and said, "The dragon burial cave... I'm afraid it's not a legend."

"What do you mean?"Zhuo Jing frowned.

Qin Yu said with a cold face, "The dragon burial cave is pitch-black. The moment I stepped into it, it was like walking into a river of corpses. It was as if there were countless corpses in the dragon burial cave."

"When my divine sense went deeper, it became extremely difficult. I tried my best and finally saw a corner of the dragon burial cave."

Zhuo Jing looked at Qin Yu anxiously, as if he was a little nervous.

"It's... a dragon corpse?!" Zhuo Jing said with a trembling voice.

Qin Yu took a deep breath and nodded. "That's right. It's really a dragon corpse..."

"The legend... is actually true." Zhuo Jing gasped, feeling a chill on his back.

"When I tried to go deeper, a terrifying internal Qi directly erased this strand of my divine sense. I didn't even have the time to see clearly what it was. I only felt my vision go black and I lost all consciousness," Qin Yu continued.

"In that case, the dragon burial cave is even more terrifying than I imagined..." Zhuo Jing said with difficulty.

Qin Yu didn't deny it. He had no doubt that if it had been his real body, he would have become a corpse.

"In that case, let's go. I believe that someone will come to explore the dragon burial cave sooner or later. We can still make it by then," Zhuo Jing said.

He grabbed Qin Yu's arm and turned around, intending to leave the east barren.

However, Qin Yu stood there without moving at all. No one knew what he was thinking about.

"You... Don't tell me you still want to go in?" Zhuo Jing seemed to have seen through Qin Yu's intention.

Qin Yu smiled bitterly and said, "It's not easy for me to come here, but I'm really unwilling to leave just like that."

"I know you're very interested in the dragon corpse. It's not just you. I think everyone in the world is interested in it," Zhuo Jing said coldly.

"But no matter what kind of treasure it is, you must at least ensure its safety. Otherwise, wouldn't it be a waste of your life?"

Qin Yu didn't say anything, as if he was in a dilemma.

Zhuo Jing continued, "Qin Yu, all these things show that what that mysterious person said is right. Xiao Sheng is very likely to want to kill you!"

"Perhaps he has already figured out your personality, so he deliberately lured you to the Dragon Burial Cave!"

"Are you really going to fall for his trick?"

Qin Yu still didn't say anything. From time to time, he raised his head to look at the Dragon Burial Cave, his eyes full of reluctance.

"Since we're already here, we're not in a hurry to go back even if we don't enter the Dragon Burial Cave," Qin Yu said to Zhuo Jing.

"How about... We stay here for a few days?" Qin Yu said with a smile.

A trace of helplessness flashed across Zhuo Jing's face.

He patted Qin Yu's shoulder and said, "Don't tell me you still want to go in?"

Qin Yu grunted and said, "I do want to go in, but... even if we don't go in, we can go to other places in the east barren. This east barren is so big, how can there only be one dragon burial cave?"

Zhuo Jing sighed and said, "But I always feel that the longer we stay here, the more unsafe it will be. Thinking of what the passerby said, I feel more and more uneasy."

"Nothing will happen," Qin Yu said with a smile.

Seeing this, Zhuo Jing had no choice but to agree.

But he was very clear in his heart that the reason why Qin Yu didn't want to leave was clearly because he wanted to go into the dragon burial cave.

"Sigh." Zhuo Jing let out a long sigh.

...

South Province.

During this period of time, many small cities and small villages had disappeared overnight.

And the state of their deaths was very similar to the methods of the northern lands.

Although it wasn't a large-scale operation, it was obvious and made people feel uneasy.

Cultivation Mountain.

During this period of time, the Heavenly Cloud sect had recovered its former popularity, and everyone seemed to have returned to their normal lives.

On the Cultivation Mountain, the sect master was standing at the edge of the mountain and looking into the distance.

At this moment, the void in front of him trembled. After which, a door suddenly opened in the void. A man walked out in a short while.

Xiao Sheng did not seem to be surprised by this scene.

His eyes were looking into the distance as though he did not see him.

“You really sent Qin Yu to the East Continent,”the mysterious man said at this moment.

“Yes,”Xiao Sheng answered concisely.

“Phew... the east continent. It’s not much different from sending him to his death,”the man said.

Xiao Sheng glanced at him and said, “Really? I don’t think so.”

“Xiao Sheng, what are your intentions? After so many years, very few people can walk out of the East Continent,”the mysterious man’s tone suddenly became cold.

“Why did you make the decision to let him go to the Eastern Wilderness?”

A trace of coldness appeared in Xiao Sheng’s long and narrow eyes.

“Make the decision? You seem to have made a mistake. I, Xiao Sheng, have never listened to anyone.”Xiao Sheng said coldly.
