

## My Rich Wife - Chapter 1671 - 1675

Chapter 1671 – Chapter 1,671, Entering The Dragon Burial Cave 1

Chapter 1671: Chapter 1,671, entering the Dragon Burial Cave 1

As soon as these words were said, the atmosphere in the cultivation mountain immediately became a little strange.

“Saint Xiao, I know that you have some talent and some ability,”the man said faintly.

“However, this is only limited to the south region. In the entire holy region, you are far from it.”

“If we want to kill you, you won’t be able to escape death!”

Hearing these words, Xiao Sheng’s expression immediately became even colder.

He suddenly extended his hand, and his jade-like fingers grabbed his neck, lifting him into the air!

“Kill me? Do you have the ability?”Xiao Sheng’s voice was ice-cold and terrifying. At this moment, the entire cultivation mountain was filled with fog.

The other party struggled in Xiao Sheng’s hand, but he was unable to break free.

Just as he was about to suffocate, Xiao Sheng slowly released his hand.

.....

“Don’t order me,”Xiao Sheng said coldly.

The other party coughed dryly for a moment, then stood up and said with a smile, “Interesting. You really have a character.”

“But let me tell you, if something really happens to Qin Yu, the consequences will only be that you, Xiao Sheng, can’t bear it!”The other party glanced at these words, then disappeared into the void again, disappearing without a trace.

Xiao Sheng did not have much of a reaction. He stood there and looked into the distance. No one knew what he was thinking.

Eastern wastelands.

This was a place full of legends. It was once the place where dragons came out. However, no one knew why, but later on, this place became an uninhabited place, causing people's expressions to change when they talked about it.

Qin Yu and Zhuo Jing were lying on this desert. Not far away was the dragon burial cave.

"Do you think the desolation of the East Wilderness has something to do with the Dragon Burial Cave?" Qin Yu suddenly had an idea and looked at Zhuo Jing.

Zhuo Jing said with a wry smile, "Who can say for sure?"

Qin Yu lay on the sand, tossing and turning. He could not fall asleep no matter how hard he tried.

As long as he closed his eyes, the image of the dragon burial cave would appear in his mind.

"I really want to go in and take a look." Qin Yu suddenly sat up.

Zhuo Jing seemed to have expected it. He said, "You can go in if you want, but I have to remind you that the danger level inside is beyond imagination. Once you go in, it's hard to say whether you can come out or not."

Qin Yu sat cross-legged on the ground and said excitedly, "I have an idea. See if it works."

Zhuo Jing grunted, waiting for Qin Yu to continue.

Qin Yu said, "Think about it. When my divine sense entered, it was only erased after it had reached a certain position."

"What if I maintain a certain safe border? Does that mean it's safe?"

Zhuo Jing opened his mouth, feeling a little speechless for a moment.

"You really dare to think. Who knows how many variables there will be in the Dragon Burial Cave?" Zhuo Jing didn't know whether to laugh or cry.

Qin Yu was already immersed in this thought and couldn't extricate himself. He couldn't listen to Zhuo Jing's words at all.

"It's settled then!" Qin Yu clapped his hands and said excitedly.

Having said that, he looked at Zhuo Jing and said, "You can go back first tomorrow. It's too dangerous in here. Don't come with me."

Zhuo Jing thought for a moment and said, "Since I've promised you, I'll definitely go with you. Tomorrow morning, I'll go into the dragon burial cave with you."

Qin Yu said in surprise, "Aren't you afraid of dying in there?"

"If you're not afraid, what am I afraid of?" Zhuo Jing said.

"If something really happened in there, then I can only say that I was unlucky and made a wrong decision."

Qin Yu immediately patted Zhuo Jing's shoulder and said, "Thank you!"

The two of them did not say anything more. They immediately lay down and fell asleep.

What they did not know was that after they fell asleep, countless pairs of eyes appeared in the East continent and were looking at the two of them coldly.

...

The northern lands.

During this period of time, the elementalists had once again fallen into a deep sleep. The entire northern lands was extremely peaceful.

Sima bei was in charge of all matters related to the northern region.

In this cold and windy place, a figure was stealthily looking for something.

He came to a snow cave and quietly walked in.

In this snow cave, there were many treasures of the northern region. At a glance, they were like stars, flickering and shining. They were extremely dazzling and mysterious.

He Teng looked at the light in front of him and immediately walked up quickly.

He raised his palm as if he was looking for something.

"You also want to obtain the inheritance of the immortal slaying sect..."

That hoarse voice sounded in his mind.

He Teng snorted coldly and replied, "Who wouldn't want to obtain the inheritance of the immortal slaying sect?"

Ever since he witnessed the battle between the elementalists and Qin Yu, he had become extremely interested in the inheritance of the immortal slaying sect.

Now that the elementalists were in a deep sleep, it was a good opportunity for him.

He Teng kept searching for something, as if he was trying to find the secret of this place.

“The inheritance of the immortal slaying sect... how could it be placed in such a place?” At this moment, that sentence rang in his mind again.

He Teng was stunned for a moment before he said sarcastically, “It seems that a good-for-nothing like you is still useful. What you said makes sense. Do you have any way to find the inheritance of this place?”

“No,” the hoarse voice replied.

He Teng snorted coldly and said, “Good-for-nothing.”

After saying this, he turned around and left.

At this moment, Sima Bei suddenly appeared in front of He Teng.

He looked coldly at He Teng and said, “What are you doing here? Who let you in?”

He Teng’s eyes rolled and he immediately said with a smile, “As a divine king of the northern lands, I should have the qualifications to enter this place, right?”

Sima Bei narrowed his eyes. He did not answer this question, but said, “He Teng, you better not have any wicked thoughts. Otherwise, the consequences will be very tragic.”

“Lord Sima Bei, don’t worry. I am loyal to the Lord.” He Teng cupped his hands and said.

Sima Bei snorted coldly and turned to leave.

At this moment, a figure appeared in the northern lands.

He walked in a hurry and quickly arrived in front of Sima Bei.

She held a scroll in her hand and respectfully handed it to Sima Bei.

“Lord Sima Bei, this is a recent harvest.” She knelt on the ground and said.

Sima Bei took the scroll and then glanced at it, “Has this scroll been fully absorbed?”

“That’s right.” She hurriedly said.

Sima bei hummed, then took out another scroll and handed it to her.

“Continue. Remember, you must be careful,”Sima Bei said.

“Yes.”She took the scroll and turned to leave.

He Teng looked at her back and couldn't help but sneer. “This person seems a little familiar.”

Sima bei glanced at he teng and didn't say anything.

The next day.

Qin Yu and Zhuo Jing came to the vicinity of the dragon burial cave again.

“I'll ask you one last time, do you really want to go in?”He Teng asked.

Qin Yu acknowledged and said, “Follow behind me later. If anything happens, don't think about anything and run quickly.”

.....

Chapter 1672 – : Chapter 1,672, Strange Movements Of The East Continent

Chapter 1672: Chapter 1,672, strange movements of the East Continent

Zhuo jing nodded and said, “Okay, I will act according to the situation.”

Then, Qin Yu took a deep breath. He withstood this strong pressure and took the lead to walk into the dragon burial cave. Zhuo Jing followed closely behind.

The scene in the dragon burial cave was exactly the same as what Qin Yu had seen with his divine sense. It was pitch-black and extremely fishy. It was as if he had stepped into hell, extremely terrifying.

Qin Yu was extremely careful, as if he was treading on thin ice. This scene had already appeared in his mind thousands of times. At this moment, it was still extremely difficult and careful to walk.

The surroundings were silent, so quiet that it made people feel afraid.

Qin Yu was extremely nervous because the scene that he had seen with his divine sense was too terrifying. It had been erased in just an instant. This was definitely a heaven-reaching method!

The journey was very smooth. Qin Yu tried to open his desolate God's eye to find the location of the dragon corpse.

Under the probing of the desolate God's eye, Qin Yu quickly discovered the dragon corpse!

.....

The dragon corpse was extremely huge and lifelike. Every dragon scale had a dark glow!

Even though it was lying on the ground, the powerful pressure was suffocating!

"It's... Real!" Qin Yu was both surprised and happy!

The dragon corpse lay in front of him, making it impossible for people to suppress the excitement in their hearts!

"Swoosh!" At this moment, a black figure flashed past Qin Yu. Its speed was shocking. Even Qin Yu did not have time to see anything before he was sent flying!

A bloody hole appeared on his chest, and blood was gushing out.

This bloody hole had actually pierced through Qin Yu's body, from his chest to his back!

"Qin Yu!"

Zhuo Jing's expression immediately changed, and he hurriedly walked up!

Qin Yu lowered his head to look at the wound on his chest, and his expression became increasingly grave.

"Did you see what it was just now?" Qin Yu asked.

Zhuo Jing shook his head and said, "There was only a flash of a black shadow. I didn't even see clearly if it was a human or not."

With that, he took out the Silver Spring and looked around vigilantly.

Qin Yu touched his chest and felt extremely terrified!

It was just a flash, but it directly pierced through his virtual entity body. How terrifying was that? He didn't dare to imagine it!

Qin Yu circulated his meridian circulation technique and slowly restored his body.

He sat there, not moving for a long time. No one knew what he was thinking about.

“Qin Yu, why don’t we leave? Although the Dragon Corpse is tempting, it has to be alive,”Zhuo Jing said in a low voice.

Qin Yu frowned and said, “That’s strange...”

“What’s Wrong?”Zhuo Jing asked from the side.

Qin Yu lowered his head to look at the ground and said, “Yesterday, that strand of divine sense of mine walked for a long time before it was killed by that Black Shadow. And there is still a long distance between here and there.”

“Normally, the time when this black shadow appeared is still early...”

Qin Yu couldn’t figure it out. Could it be that this strand of divine sense appeared immediately?

If that was the case, it would be too terrifying!

“It’s better to leave quickly. I’ve heard rumors that no matter how strong a cultivator is, once they step into the Dragon Burial Cave and the immortal burial valley, they will only die,”Zhuo Jing said with a frown.

Qin Yu didn’t say anything. No one knew what he was thinking.

At this moment, Zhuo Jing already had the intention to retreat. He held the Silver Spring tightly and looked around vigilantly.

But even so, Zhuo Jing still felt extremely uneasy.

Because he knew that once that Black Shadow appeared again, there was no use for them to do anything.

“Qin Yu, think carefully. That Black Shadow just attacked your chest. What if it was your head? I’m afraid you’ve already become a corpse!”Zhuo Jing berated.

After Zhuo Jing’s reminder, Qin Yu also felt some lingering fear.

This body of his dominated the entire South Province, but in front of this black shadow, it couldn’t withstand a single blow and shattered with a single touch.

He only had one life, and Qin Yu definitely did not dare to take such a risk.

He sat cross-legged on the ground and carefully recalled the scene just now.

He wanted to pry into the true mask of that Black Shadow, but unfortunately, no matter how much Qin Yu thought about it, there was only a flash of the scene in his mind.

“Qin Yu, listen to my advice and quickly leave!”Zhuo Jing said somewhat anxiously.

Qin Yu glanced at Zhuo Jing, and a thought seemed to have appeared in his mind.

“Hurry up and leave!”Seeing this, Zhuo Jing immediately flew into a rage.

Without waiting for further explanation, he grabbed Qin Yu and turned around to leave.

Qin Yu was helpless. He could only drag his injured body and temporarily leave the dragon burial cave with Zhuo Jing.

After leaving the dragon burial cave, Zhuo Jing clearly heaved a sigh of relief.

He wiped the sweat from his forehead and collapsed on the ground, saying, “But I was scared out of My Wits. I don’t know why, but from the moment I stepped into the Dragon Burial Cave, my heart trembled, and my chest felt like it was being pressed by a huge rock.”

Qin Yu lay on the ground with his eyes slightly closed, slowly recovering his body.

For some reason, when he saw Qin Yu close his eyes, a bad premonition arose in table Jing’s heart.

He walked to Qin Yu and said, “I’m telling you, no matter what, you have to listen to me this time. Don’t even think about going into the dragon burial cave again!”

Qin Yu smiled embarrassedly and said, “Don’t worry, don’t worry. I promise I won’t go in!”

Table Jing snorted lightly. He sat beside Qin Yu and said, “When your injury recovers a little, we will leave this place.”

“Okay!”Qin Yu nodded hard. It was unknown whether he was telling the truth or not.

He lowered his head and looked at his chest. Blood was still oozing out from his chest.

There seemed to be some black marks on the edge of the wound.

Qin Yu stretched out his finger and gently pressed down a trace of black. Then, he put it on the tip of his nose and sniffed.

A foul smell assaulted his nose.

“What... Is this thing?” Qin Yu frowned.

The foul stench seemed to emanate from the corpse, and it was extremely pungent.

“Could it be... that it’s a corpse that attacked?” Qin Yu muttered softly.

The dragon corpse that had been silent for countless years, no one could guarantee that it would not breed any evil, much less know how powerful it was.

At least from the looks of it now, it was definitely not something Qin Yu could resist.

“I have a bad feeling. Let’s leave quickly.” Zhuo Jing suddenly frowned. He pulled Qin Yu along and planned to leave.

Not only Zhuo Jing, Qin Yu also felt a trace of unease in his heart.

He nodded, stood up, and planned to leave.

But at this moment, a strong killing intent assaulted his face!

This aura was extremely terrifying, and there was more than one internal Qi!

“Not good!” Qin Yu’s expression changed drastically as he hurriedly stood up.

However, a sudden pain came from his wound, causing him to almost kneel on the ground!

“Weng!”

A Ray of light was emitted from all directions. ... pairs of eyes appeared one after another!

Their bodies were not big, but they looked extremely strange. Their eyes revealed an ice-cold gaze that made people shudder.

At a glance, the surroundings were so dense that one could not see the end!

“What... What is This!” Zhuo Jing grabbed the Silver Spring, a trace of fear on his face.

Chapter 1673 – Chapter 1,673, The Secret Of The Dragon Burial Cave

Chapter 1673: Chapter 1,673, the secret of the Dragon Burial Cave

Qin Yu's expression also turned solemn.

His intuition told him that these things were definitely not simple!

"Swoosh!"

Just as the two of them were terrified, that thing instantly appeared in front of them!

Zhuo Jing immediately felt that something was wrong. He hurriedly held the Silver Spring and directly hacked at it.

"Clang!"

But something shocking happened. When the Silver Spring Cape struck its body, sparks flew in all directions, but it could not cut through it at all!

"How... how could this be!" Zhuo Jing's face was filled with horror! Qin Yu, who was standing at the side, also widened his eyes!

One had to know that the Silver Spring was a virtual entity with endless power, but it was actually unable to cut through it!

.....

"What on Earth is this thing!" Zhuo Jing exclaimed in shock.

Before they could figure out the situation, these insect-like things had already pounced on them!

Qin Yu did not dare to be negligent. He endured the pain and let out an explosive shout. His entire body's internal Qi burst out to the extreme!

Then, his body emitted a golden light. His crushing fist suddenly struck out. Golden Light instantly lit up the entire desert!

"Boom!"

A terrifying explosion exploded. This insect was sent flying by Qin Yu's punch, but in the next second, it crawled up again and headed straight for Qin Yu!

With such a huge number, even if Qin Yu had great abilities, he would not be able to deal with it!

This thing could easily break through Qin Yu's physical defense and tear his body apart until it was dripping with blood!

"Be careful!"

At this moment, Zhuo Jing suddenly shouted from behind!

A bug was already heading straight for Qin Yu's head! It was as if it wanted to pierce through Qin Yu's head!

With such speed, Qin Yu simply could not Dodge in time!

At this critical moment, Zhuo Jing flew over and blocked behind Qin Yu!

"Pu!"

That thing directly pierced through Zhuo Jing's chest, leaving a huge bloody hole in his chest!

"Zhuo Jing!" Qin Yu's expression changed drastically!

Not only was this thing extremely powerful in attack, its defense was also unparalleled!

If this continued, the two of them would really die here!

"Follow me!" Qin Yu suddenly thought of an idea. He pulled Zhuo Jing up and forcefully pushed his body as he shot towards the dragon burial cave!

Qin Yu relied on his powerful physical body to forcefully charge out a path, but his body was already dripping with blood.

The two hot stalks rushed all the way into the dragon burial cave. The moment they stepped into the dragon burial cave, these bugs suddenly stopped in their tracks.

They hesitated at the entrance of the cave. In their cold eyes, there was not only killing intent, but also a hint of timidity.

"As expected, they don't dare to enter the Dragon Burial Cave," Qin Yu said coldly.

After a moment at the entrance, the insects slowly retreated like the tide.

Qin Yu looked at Zhuo Jing and said, "Are you okay?"

Zhuo Jing touched his chest and said with a bitter smile, "We are the same now."

Qin Yu patted his shoulder and said, "You saved my life. Thank you very much."

Zhuo Jing waved his hand and said, "You'd better take a look at your injuries."

He leaned over and looked over. Sure enough, Qin Yu's body was already covered in wounds. It was a tragic sight.

At this moment, a sense of weariness washed over him.

The wounds on his body were densely packed. Even Qin Yu couldn't bear it anymore.

"This place should be safe for the time being," Qin Yu said in a deep voice.

Zhuo jingen said, "Those things seem to be afraid of the Dragon Burial Cave."

"Who isn't?" Qin Yu smiled bitterly.

He sat up cross-legged and slowly recovered from his injuries.

"What exactly are those things? Even the Silver Spring can't break through the defense," Zhuo Jing frowned and said.

Qin Yu said in a deep voice, "I don't know. In short, this east barren is very unusual."

Zhuo jing sighed and continued, "In this case, I'm afraid that the mysterious person who blocked the road is telling the truth. I'm afraid that Xiao Sheng really wants you to die here."

Qin Yu didn't say anything. Deep down, he still didn't want to believe it.

"Well, I'll rest for a while," said Qin Yu.

Zhuo jing nodded and said, "You should rest well. If there's anything, I'll tell you in time."

With that, Qin Yu closed his eyes and began to recover from his injuries.

In the next few days, the east barren seemed to have regained its peace.

In the Dragon Burial Cave, two young men were sitting cross-legged, extremely quiet.

After a few days, Qin Yu finally opened his eyes.

He looked at Zhuo Jing and said, "I have an idea..."

"Don't think about it. If you think about it again, we will really die here," Zhuo Jing interrupted Qin Yu.

Qin Yu also looked a little embarrassed. He coughed and said, "We can't walk out of the East Wilderness at the moment. Why Don't you try my idea?"

Zhuo Jing rolled his eyes at Qin Yu and said, "What Idea?"

"You'll know in a while," Qin Yu said with a smile.

Zhuo Jing couldn't help but sigh and said faintly, "I hope your idea doesn't lead us to death..."

Qin Yu didn't say anything.

He closed his eyes and forced out another strand of divine sense.

Compared to yesterday, this strand of divine sense was much dimmer. Forcing out the divine sense had a great side effect. Now that Qin Yu had been forced out twice, he would naturally be affected.

"Are you crazy?" Zhuo Jing could not help but berate when he saw this.

Qin Yu slightly closed his eyes and said, "This is the only way to verify my thoughts."

With that said, he controlled the strand of divine sense and went deep into the dragon burial cave for the second time.

This time, the speed of this strand of divine sense was much faster. It had a very strong purpose.

Soon, this strand of divine sense arrived at the place where it had first arrived. This meant that it could see the location of the dragon corpse without the aid of the desolate divine eye.

As expected, the next second, the Black Shadow appeared again, and with a flash, it directly erased this strand of divine sense.

Qin Yu suddenly opened his eyes!

"How is it? Did that strand of divine sense of yours go blind again?" Zhuo Jing said half-jokingly and half-seriously.

Qin Yu said excitedly, "That's right!"

Zhuo jing frowned and said, "Why do you look so happy?"

"Because... my idea was right." Qin Yu took a deep breath.

“Now I know why that black figure suddenly appeared.”

Zhuo Jing looked at Qin Yu, waiting for his follow-up.

Qin Yu said coldly, “Because I used the desolate God’s eye to see the dragon corpse in advance.”

Zhuo Jing was stunned and said, “You mean... as long as I see the dragon corpse, that black figure will appear?”

“That’s right.” Qin Yu got up from the ground excitedly.

He glanced at Zhuo Jing and said, “Wait here. I’ll go in and test it out.”

“Absolutely not!” Zhuo Jing made a gesture to pull Qin Yu back.

.....

Qin Yu waved his hand and said, “Don’t worry. I have my own countermeasures.”

If he didn’t go in and check it out, Qin Yu would never give up.

“I’ll go with you,” Zhuo Jing said helplessly.

Qin Yu shook his head with a smile and said, “Don’t go with me this time. Stay here and wait for me. If my idea is true, I’ll come out to find you.”

“If it’s false, remember to come and collect my corpse in the future.”

After saying this, Qin Yu strode into the depths of the dragon burial cave.

Chapter 1674 – : Chapter 1674, Venerable Fifth Mountain 1 Above His Head

Chapter 1674: Chapter 1674, Venerable Fifth Mountain 1 above his head

Looking at Qin Yu who had gone deep into the dragon burial cave, Zhuo Jing wanted to get up and follow him, but the injuries on his body made it extremely difficult for him to move. In the end, he chose to stay here and wait for Qin Yu.

He looked outside the dragon burial cave with a trace of worry in his eyes.

The strength of those insects was not something that the two of them could resist. They did not even know where these insects came from.

If they stayed in such a place without any spiritual Qi for a long time, they would die of weakness sooner or later.

“Sigh.”Zhuo Jing let out a long sigh. He looked into the depths of the dragon burial cave and said in a low voice, “I hope Qin Yu can find a way...”

There was a long path in the dragon burial cave. On the way, Qin Yu walked very quickly.

This was confidence in his own judgment, and he was not afraid at all.

Along the way, Qin Yu did not encounter that Black Shadow again. He withdrew all of his internal Qi, afraid that he would accidentally provoke something that he should not have provoked.

Soon, Qin Yu arrived at the place where his divine sense went.

.....

He stopped at the border and deliberately looked to the side.

“If I take another step forward, I will be able to see that Dragon Corpse,”Qin Yu thought to himself.

Qin Yu didn't dare to confirm whether the black shadow was activated by seeing the dragon corpse, so he was extremely nervous at this moment.

He took a deep breath and muttered softly, “I hope my thoughts are true...”

After saying that, he closed his eyes, mustered up his courage, and Strode forward.

This step was undoubtedly extremely difficult. The pressure in his heart had reached its peak, and his entire body was drenched in cold sweat.

Very quickly, he crossed this “Boundary line.”At this moment, Qin Yu was incomparably nervous. The moment his foot landed, his entire body trembled slightly.

However, the surroundings were completely silent. Nothing happened, and the anticipated black shadow did not appear.

“It's real!”Qin Yu was instantly overjoyed!

This could prove that Qin Yu's thoughts were real.

As long as his eyes saw the dragon corpse, he would be attacked by the Black Shadow!

As long as he closed his eyes and could not see the dragon corpse, the Black Shadow would not appear.

In order to confirm his thoughts, Qin Yu took a few more steps.

As expected, the black shadow still did not appear.

As such, Qin Yu was completely relieved.

He could not suppress the excitement in his heart and turned around to walk out of here quickly.

"This way, I will be able to find the dragon corpse." Qin Yu grinned, revealing a bright smile.

Then, Qin Yu walked quickly to Zhuo Jing's side.

Seeing that Qin Yu had returned safely, Zhuo Jing also heaved a sigh of relief.

He looked at Qin Yu and said with a smile, "I thought I really wanted to collect your corpse."

"I'm Lucky," Qin Yu said jokingly.

Then, Qin Yu told Zhuo Jing what had happened and his own speculation.

After Zhuo Jing heard it, he couldn't help but say in surprise, "That is to say, as long as we close our eyes, we can enter the Dragon Burial Cave?"

"To be precise, it is like this. At least that Black Shadow won't be activated," said Qin Yu.

"If that's the case, that Black Shadow is probably the consciousness body born from the Dragon Corpse Qi. I'm afraid it doesn't even have a physical body."

Zhuo Jing rubbed his chin, then he said, "There is indeed nothing wrong with your discovery, but... Have you ever thought that there might be other creatures besides that Black Shadow? "If there isn't, I'm afraid this dragon burial cave would have been robbed long ago."

After Zhuo Jing's reminder, Qin Yu also sensed that something was wrong.

"You're still the most meticulous kid," Qin Yu said with a smile.

To be on the safe side, Qin Yu decided to send out another stream of divine sense to scout the way.

This time, Qin Yu wanted to prevent his divine sense from seeing the dragon corpse. He wanted to continue going deeper to see what he would encounter.

“Let me do it this time. Otherwise, your divine sense might hurt your foundation,”Zhuo Jing said.

Qin Yu thought for a moment and nodded. “Alright.”

Thus, Qin Yu told Zhuo Jing what he needed to pay attention to.

Zhuo Jing was a very meticulous person, so Qin Yu was more at ease.

Then, Zhuo Jing forced out a strand of divine sense and let him control the divine sense to scout the way.

Qin Yu sat at the side and waited silently. He was somewhat anxious.

The dragon corpse was right in front of him. It was a great treasure. If he could get it, it would definitely be a heavenly opportunity.

More than an hour later.

Zhuo Jing suddenly opened his eyes. His pupils constricted, and there was an indescribable fear in his eyes.

“How is it?”Qin Yu hurriedly asked.

Zhuo Jing slowly calmed himself down. He glanced at Qin Yu and shook his head. “I can’t. My divine sense has been erased.”

“Erased again?”Qin Yu frowned.

“Yes. This time, I still didn’t see clearly what it was,”Zhuo Jing said.

This immediately put Qin Yu in a difficult position. He couldn’t help but sigh.

Could it be that he had come for nothing this time?

The secret burial of the dragon corpse was right in front of him, but he couldn’t get it at all.

“This dragon burial cave is extremely terrifying. It’s not something that people with our strength can pry into.”Zhuo Jing took a deep breath.

Qin Yu didn't say anything. He knew very well in his heart that the dragon burial cave would be excavated sooner or later. At that time, it would probably become a place that everyone in the world could enter together.

But once that day arrived, how could it be the turn of small characters like them to get their hands on it?

"Qin Yu, it's better to leave. The road of cultivation is still very long. There's no need to rush this moment."Zhuo Jing advised.

Qin Yu shook his head and said, "I started late. If I didn't rely on this kind of opportunity, I'm afraid I would never be able to catch up to them."

This dragon corpse was a heaven-sent opportunity. Qin Yu would never miss it.

He tried to take out the bracelet that Xiao Yu had given him. He put the bracelet on his hand and said in a low voice, "That powerful mysterious person let this bracelet activate on its own last time. This time, it might work."

Therefore, Qin Yu mustered up his courage and walked into the depths.

"Qin Yu!"Zhuo Jing could not help but curse inwardly. Such actions were no different from sending himself to his death!

However, Qin Yu had already made up his mind. Zhuo Jing was definitely not able to stop him.

Soon, Qin Yu arrived at the border again.

His expression was extremely cold, and he was extremely nervous. Qin Yu took out his iron rod, bracelets, and all the secret treasures that could be used.

Then, he hung the venerable fifth mountain above his head. At that moment, the venerable fifth mountain had become even more mysterious. Streams of extremely mysterious internal Qi hung above Qin Yu's head, and these internal Qi Protected Qin Yu beneath him.

On the other side of the galaxy, there were countless legends about the venerable fifth mountain. It was known as the number one mountain in the world, and there were even rumors that it was formed from Pangu's head.

Although the small mountain in his hand was not the real venerable fifth mountain, it was equally mysterious.

Using it to fight against the Dragon Corpse Qi was Qin Yu's greatest confidence, and also his last hope.

He walked with his eyes slightly closed, carefully walking towards the depths of the dragon burial cave.

Chapter 1675 – Chapter 1675, Tread On The Netherworld Yellow River Road 1

Chapter 1675: Chapter 1675, tread on the Netherworld Yellow River Road 1

Qin Yu was extremely careful with every step he took. Because he had lost his sight, everything before him was dark. This naturally made Qin Yu even more terrified.

He held an iron rod in his right hand, a bracelet in his left hand, and the venerable fifth mountain above his head.

But even so, he was still uncertain.

In half an hour, Qin Yu had only walked a very short distance.

No one knew what they would encounter, and no one knew how far away the dragon corpse was.

Not to mention the mysterious creature that existed in the dragon burial cave, just this psychological pressure was almost unbearable for Qin Yu.

As he went deeper into the dragon burial cave, the terrifying corpse Qi in the surroundings also began to become denser.

This corpse qi seemed to have come from the netherworld, and it was extremely terrifying. The surroundings also became no longer quiet. From time to time, there would be angry howls of the Yin Wind, and there would also be swishing sounds. It was as if someone was walking.

Qin Yu was drenched in sweat, and he was incomparably terrified. He held onto the iron rod tightly, as if only by holding onto something would he be able to give him a sliver of psychological comfort.

.....

When he was on Earth, Qin Yu had read countless rumors about Mount Tai. Not only was it the altar of the ancient emperor, but it also had rumors of the “Theory of subduing ghosts”.

The corpse qi here was so dense that Qin Yu naturally placed his hopes on the venerable fifth mountain.

The Corpse Qi became denser and denser, and that powerful pressure also assaulted him.

At this moment, the iron rod in Qin Yu's hand began to hum and tremble violently, as if it was about to be activated under the powerful pressure of the dragon corpse!

Following that was the wristband hanging on his left hand. This wristband emitted an ice-cold internal Qi, causing Qin Yu's wrist to almost lose consciousness.

These were all top-tier supreme treasures, yet such a strange movement had occurred. Qin Yu was instantly even more terrified.

"Swish!"

Finally, there was movement!

It was as if something was approaching Qin Yu!

Qin Yu was greatly alarmed. He grabbed the iron rod and suddenly swung it forward!

"Clang!"

It hit!

Qin Yu did not know what it hit, and he did not dare to open his eyes rashly. He only knew that something was attacking him just now!

"No, this place is too strange." Qin Yu frowned.

There were countless times in his mind that he wanted to open his eyes, but he held back every time.

Another wave of forward movement.

The strange movements of the iron rod and the bracelet began to disappear, but the corpse qi around them became even denser and heavier.

Qin Yu could clearly feel that the venerable fifth mountain hanging above his head was releasing even more internal Qi. It was like a thick fog, soaring towards him.

At this moment, Qin Yu's vision was no longer pitch-black. Instead, it was as if he had opened his eyes, and tens of thousands of images appeared!

This was a sea of corpses. Countless mighty realm powerhouses had their bodies cut off here. Their deaths were extremely miserable. Some had their bodies cut off, and some had their skulls lifted!

“How could this be!” Qin Yu was instantly shocked!

Before he could recover, the scene in front of him changed again. It was as if there were countless evil spirits pouncing on him. The surging killing intent and corpse qi caused Qin Yu’s entire body to tremble incessantly!

“Buzz!”

At this moment, an extremely strange figure appeared in front of Qin Yu!

He was half human and half beast. His upper body was a human body, and his lower body was actually a horse!

Not only that, he was holding a long knife in his hand. The long knife was stabbed into the ground, emitting a cold light.

“What is this? An illusion?” Qin Yu was puzzled. He was sure that his eyes were closed, so everything in front of him could only be an illusion!

However, reality disappointed Qin Yu. The strange man in the shape of a centaur held the long knife and instantly appeared in front of Qin Yu!

Qin Yu could clearly smell the corpse aura from his body at such a close distance!

This was not a living person, it was a corpse!

In the next second, the long saber in the strange man’s hand slashed towards Qin Yu!

Qin Yu’s face was filled with shock. He hurriedly grabbed his iron rod to welcome it.

“Clang!”

Qin Yu’s body was directly sent flying, and the iron rod also fell off.

That terrifying power caused Qin Yu’s expression to be greatly shocked!

“This... This isn’t an illusion!” Qin Yu was shocked, and he subconsciously opened his eyes.

As expected, that terrifying group of people was right in front of him, coldly looking at him.

His gaze didn't seem like a dead person, it seemed like he had gained consciousness. However, the corpse aura on his body clearly indicated that he was a corpse!

The world was vast and mysterious, and powerful creatures easily gained consciousness.

For example, great cultivators at the tribulation stage could even develop their own divine sense with the magic treasures in their hands. Therefore, it was not strange that the corpse in front of them had divine sense.

Qin Yu clenched his fists. He tried to fight against this group of people.

Unfortunately, all of Qin Yu's pride was not worth mentioning in front of him. The moment he touched it, his body was almost shattered!

"This thing has definitely surpassed the reversion void stage!" Qin Yu's face was filled with shock!

Could it be a true saint realm corpse? If that was the case, Qin Yu had no chance of winning at all!

"WHOOSH WHOOSH WHOOSH!"

At this moment, the corpse Qi in the dragon burial cave started to explode. Level after level, they overlapped like waves.

Following that, countless creatures came. They covered the sky and covered the earth. Every one of them had the might of a saint!

"All... all of them are Saints!" Qin Yu's eyes widened!

These creatures were all at the true Saint Realm! As far as the eye could see, there was no end!

They all looked strange and did not have human forms. However, any one of them could kill Qin Yu in an instant!

At this moment, Qin Yu was really panicking. With such a large number of true saints, let alone fighting, a single glance was enough to kill Qin Yu!

The powerful pressure formed from their bodies made Qin Yu unable to move at all.

"What exactly is going on? How could there be so many true saint realm creatures..." Qin Yu was trembling non-stop as he roared in his heart!

The terror on his face could not be concealed. At this moment, Qin Yu was somewhat regretful!

No wonder no one dared to create the dragon burial cave. Not even the various great families of the Central Plains had ever come!

This kind of power was enough to sweep through everything in the world!

Qin Yu was trembling non-stop. He tried his best to escape, but the pressure of that aura made Qin Yu unable to move at all. All the internal Qi in his body seemed to have been frozen, and he was in endless pain!

These true sages looked at Qin Yu coldly. Their bodies were emitting a strong killing intent.

In the next second, they came in front of Qin Yu and looked down at him from above.

They did not say anything. At their level, Qin Yu had become an ant. There was no need for him to even say a word to an ant.

Qin Yu was in despair. He had almost died at the hands of a saint corpse in the sacred mausoleum. Now, facing the true saints with divine sense, all he had left was despair.

He stared at everything in front of him, but he had no way to resist.
