

My Rich Wife - Chapter 1681 - 1690

Chapter 1681 – Chapter 1,681, Preparing For Closed-Door Cultivation

Chapter 1681: Chapter 1,681, preparing for closed-door cultivation

Qin Yu frowned slightly and asked, “Master, what is this eastern wastelands curse?”

Wen Wanji sat down cross-legged, as if he was recalling something.

A few minutes later.., wen wanji sighed and said, “The eastern wastelands used to be known as the most prosperous area, the land of the rising dragon. There were countless great cultivators. Rumor has it that the Heavenly Dao later placed a curse on them, causing everyone in the eastern wastelands to die prematurely, no matter how strong they were.”

“As far as I know, many great cultivators at the tribulation stage don’t have long lifespans. They only live for one to two thousand years.”

“You should know that normally, great cultivators at the tribulation stage can live for ten thousand years.”

Qin Yu’s expression changed slightly.

For great cultivators at the Tribulation Stage, one to two thousand years was indeed too short. It was far from their cultivation and realm.

“But their cultivation doesn’t seem to be affected,”Zhuo Jing asked from the side.

Qin Yu nodded as well. This curse probably didn’t target their cultivation level.

.....

Wen Wanji glanced at Qin Yu and nodded, “That’s right. It doesn’t affect their cultivation level, but I have to tell you a fact.”

“Grand cultivators at the tribulation stage who come from the east barren are generally weaker than other cultivators at the same realm.”

Hearing this, zhuo jing hurriedly said, “No wonder my father died in battle...”

Qin Yu didn't say anything. He tried to mobilize the spiritual power in his body and found nothing unusual.

Wen wanyi seemed to have sensed Qin Yu's thoughts. He knocked on Qin Yu's head and said, "This kind of thing must be progressing slowly in your body. How could you notice it in an instant?"

Qin Yu's face immediately became a bit ugly.

If he went to the central plains, wouldn't he suffer a great loss when competing with his peers?

"Zhuo Jing, how long did it take for your father to fight with others?" Qin Yu asked.

Zhuo Jing thought for a moment and said, "About ten years."

"Ten Years..." Qin Yu murmured in a low voice.

In other words, ten years had already had an impact.

For ordinary people, more than ten years was not a short time, but for cultivators, more than ten years was just a snap of the fingers. They could not even cross a realm.

"Is there any way to break it?" Qin Yu looked at Wen Wanyi.

Wen wanyi shook his head and said, "I don't know about that. I heard this news from others."

"Forget it. Let's not think about that. Anyway, we have already been there." Zhuo Jing suddenly smiled.

Hearing Zhuo Jing's words, Qin Yu couldn't help but let out a bitter laugh.

This guy had followed him to the east continent. It was fine if he didn't blame him, but he actually comforted him instead.

"Let's not think about that." Qin Yu also waved his hand.

He took out more than ten jars of dragon blood from the spatial magic artifact and placed them in front of everyone.

"What is this thing?" Wen wanyi asked.

Qin Yu said coldly, "Dragon Blood. Dragon blood obtained from the Dragon Burial Cave."

Wen Wanyun's jaw dropped when he heard this!

He gulped and said, "Dragon Blood? Dragon burial cave? You've been to the Dragon Burial Cave?"

Qin Yu nodded and then waved his hand. "Now is not the time to talk about this. In short, this is the blood from the Dragon God's body."

Then, Qin Yu took out six jars and handed them to Zhuo Jing, saying, "This is yours."

Qin Yu took out three more jars of the remaining six jars and handed them to Wen Wenzhi.

"Master, these three jars are for you, but the body of an ordinary person can't bear it. It will take many years for the three jars to be used up, so you can share one of these three jars of dragon blood," said Qin Yu.

Wen Wanyun stared at the dragon blood in front of him, not knowing what to do for a moment.

"Oh right, I have to remind you that you can't take this thing directly. Otherwise, that powerful force will cause your body to explode and you'll die. It's best if you use it to refine pills," said Qin Yu.

They didn't have a strong physique like Qin Yu, so it was impossible for them to withstand the dragon blood.

After dividing the Dragon Blood, Qin Yu continued, "I still have a dragon eye in my hand, but I don't know how to use it yet, so I'll keep it with me for now. I'll share it with all of you in the future."

"Kid, you're really awesome. You even brought out your eyeballs." Wen Wanyun could not help but sigh.

Qin Yu smiled bitterly. After dividing the dragon blood, he planned to go into seclusion.

Qin Yu did not choose the great Yue Mountain as the location of his closed-door cultivation was likely to bring trouble to Wen Wanyun.

After thinking about it, Qin Yu finally decided to go to the divine capital.

The array patterns of the divine capital could not be forcefully broken by even those at the reversion void stage. It was considered the safest place.

Qin Yu did not stay any longer and brought Zhuo Jing to the divine capital on the same day.

The divine capital.

This place had become exceptionally prosperous.

Many people who had offended people outside ran to the divine capital to seek refuge.

And this place had also imperceptibly set a rule that as long as one stepped into the divine capital, no one was allowed to make a move inside the city.

“This is the divine capital.”Zhuo Jing raised his head to look at the faint array pattern and could not help but sigh.

“Who was the one who set up this array pattern?”

Qin Yu did not say anything. This array pattern was probably set up by a top formation master many years ago. Currently, there was probably not a single person in the entire South Province.

The two of them arrived at the foot of the city. Just as they reached the door, they were stopped by two people.

“Register,”the two people said expressionlessly.

Qin Yu said with some surprise, “Now that we are entering the divine capital, we still have to register?”

The guard glanced at Qin Yu and said, “In order to prevent people from fighting, all people who enter the divine capital must register.”

Seeing this, Qin Yu was even more surprised.

He didn't expect that the divine capital had developed so perfectly during the time he left the divine capital!

“I am Qin Yu.”Qin Yu walked forward and said his name.

The guard did not say much and immediately began to register Qin Yu.

This made Qin Yu a little curious.

“I said I am Qin Yu. Don't you feel surprised?”Qin Yu asked, puzzled.

The guard sneered and said, “There are many people with the same name. What's there to be surprised about?”

“The same name? He doesn’t have the same name. He is the Qin Yu who built the divine capital,”Zhuo Jing said with a smile.

The guard said impatiently, “Our city lord is in seclusion in the divine capital. Don’t talk nonsense. Do you want to go in or not?”

Qin Yu and Zhuo Jing looked at each other and frowned slightly.

The city lord was in seclusion in the city? This was a bit too ridiculous.

Qin Yu didn’t say anything. He obediently registered according to the guard’s request. Then, he walked into the divine capital with Zhuo Jing.

“He said you were in seclusion in the city. What’s going on? is someone claiming to be in seclusion?”Zhuo Jing said in a deep voice.

Qin Yu shook his head and said, “I don’t know. Let’s go in and take a look first.”

After not returning for a few days, the construction of the entire divine capital was extremely complete. However, the spiritual Qi was still scarce, causing the people here to be unable to cultivate.

Chapter 1682: Chapter 1682, the arrival of the Golden Age 1

Qin Yu and Zhuo Jing walked on the streets of the divine capital. Looking at the bustling divine capital, Zhuo Jing couldn’t help but sigh with emotion.

This place had turned into a paradise. The structure of the entire city was the same as the world of ordinary people.

“What do you plan to do if someone pretends to be you?”Zhuo Jing asked.

Qin Yu shook his head and said, “I can’t be bothered. Perhaps he wants to use my name to intimidate others. I’m only here to find a quiet place to cultivate.”

Zhuo Jing thought for a moment and seemed to think that it made sense, so he didn’t continue asking.

Then, Zhuo Jing followed Qin Yu to a back mountain.

This place was uninhabited, and it was extremely large. At a glance, it looked like a desert, somewhat similar to the eastern wastelands.

“I’ll enter seclusion here,” Qin Yu thought to himself.

Having said that, he directly took out the dragon blood can, intending to try to break through to the middle stage of the mighty figure realm.

As for Zhuo Jing, he had no way to directly consume the dragon blood, so he could only try to dilute the dragon blood first.

Qin Yu took out a drop of blood from the can and dripped it on his finger.

Looking at this drop of blood, Qin Yu couldn’t help but think of the pain he had felt previously.

“Phew.”

Even for someone as determined as Qin Yu, he still felt some fear and fear in his heart. That kind of pain was not something an ordinary person could endure.

After mentally preparing himself, Qin Yu swallowed the drop of dragon blood into his stomach.

The pain from before came again. Qin Yu lay on the ground and rolled around non-stop. His entire body had turned blood red!

Seeing this scene, Zhuo Jing could not help but be shocked. He tried to ask, “Qin Yu, are you... Okay?”

Qin Yu said with difficulty, “I’m... Okay...”

No one knew how many times he would have to endure such pain. As for how long it would take, no one knew.

Zhuo Jing could not help but sigh, “This kid really can endure it for the sake of cultivation...”

For the rest of the time, Qin Yu continuously consumed the dragon blood.

It was not as painful as before. The pain caused by consuming the dragon blood was simply impossible to adapt to. Every time, the pain was extremely intense.

After Zhuo Jing absorbed the blood, he also began to try to swallow and break through.

In the blink of an eye, a month had passed since the last big battle with the elementalists.

The border between the northern and southern regions was also getting closer and closer. It seemed that the death river would disappear at any moment.

At the northern border, Sima bei watched everything quietly with his hands behind his back.

“The Death River is going to disappear in the end,” Sima bei lamented.

He had a faint sense of anticipation in his heart. During this period of time, the Snowy Mountains in the northern region had been moving from time to time. Moreover, the snowy mountains were emitting an extremely strong internal Qi.

The strength of this internal Qi shocked Sima bei greatly. Just a wisp of it was enough to kill an ordinary mighty realm cultivator!

It was precisely because of this reason that Sima bei was looking forward to the moment when the elementalists were fully resurrected.

“The resurrection of the Lord is probably even more powerful than Xiao Sheng.”

After sensing the internal Qi of the elementalists, Sima Bei speculated.

Such strength was probably enough to sweep across the entire Li Province!

In this way, the things that Xiao Sheng failed to accomplish back then could probably be accomplished by the elementalists!

If the Li Province was really unified, his status as a godly king would naturally rise along with it!

“Let’s wait. It Won’t be long before this world will change.” Sima bei sneered.

...

Tianyun sect.

After wandering around for a few days, Xiao Sheng finally returned to the sect.

The deputy sect master hurriedly told Xiao Sheng about Qin Yu.

“Sect master, Qin Yu seems to have something very important to tell you.” Sima bei said.

Hearing this, Xiao Sheng was first startled, then a smile appeared on his face.

“He came?” Xiao Sheng asked.

The deputy sect master scratched his head and nodded, "Sect master, I just finished..."

Xiao Sheng did not say anything, but the smile on his face grew wider.

"This Qin Yu really has some ability," Xiao Sheng thought to himself.

Immediately after, Xiao Sheng did not say anything and turned around to enter the cultivation mountain.

Time flew by.

In the blink of an eye, half a year had passed.

During this half a year, the southern region had also welcomed an unprecedented peace.

Perhaps it was because of the harassment of the northern lands, which had led to the unprecedented unity of the southern region. The previous internal conflicts had also been quietly resolved.

On this day.

A sky-piercing radiance suddenly lit up somewhere in the Southern Region!

A pillar of light pierced straight into the clouds, and a strange phenomenon appeared in the sky!

This scene immediately attracted the attention of countless people, and they were all astonished.

"This is... someone has broken through?"

"This strange phenomenon seems to be a sign of the heavenly tribulation."

"Looking in that direction, it seems to come from the wind bamboo mountain. Could it be that Qu Zhu has broken through?"

A few days later, another strange phenomenon occurred in the southern region. Dark clouds appeared in the sky. Clearly, someone was about to break through.

In the next few days, a strange phenomenon would appear from time to time in the southern region. In a short span of ten days, at least a dozen dazzling lights would appear in the entire southern region!

"This is really strange. When did the southern region have so many top-notch martial artist?"

“Other than the three maniacs and three ultimate martial artists, who else could break through in such a short period of time?”

“From this strange phenomenon, the strength of the person who broke through is obviously very strong. Could it be that there is some reclusive mighty figure in the Southern Region?”

For a moment, the entire South Province was discussing this matter and speculating.

In the Heavenly Cloud Sect, the vice sect leader had already sent people out to scout for news.

The news that he obtained had indeed shocked the vice sect leader greatly.

Because the phenomenon in the sky was indeed the sign of a breakthrough, and every single one of them was extremely powerful!

Among them, the weakest one had stepped into the peak of the mighty figure in one go, and there were even people who had stepped into the half-step void return!

This was an unprecedented grand occasion. One had to know that the southern region had been silent for too many years. It had been a long time since anyone had broken through.

However, in these few short days, these people had all appeared like bamboo shoots after a rain.

“I have to report this to the sect leader,” the deputy sect leader said in a low voice.

After saying this, he prepared to head to the Cultivation Mountain.

However, when he turned around, he discovered that the sect leader had already walked in.

The deputy sect leader hurriedly cupped his hands and bowed. Then, he impatiently told Xiao Sheng about this matter.

“Sect leader, what exactly is going on? It seems like they’ve already discussed it. They’ve all broken through in the past few days.” The deputy sect leader frowned.

Xiao Sheng was not surprised. He sat on the wooden chair and took a sip of tea. Then, he said, “When the great world descended, many people who were stuck at a certain realm benefited from this great world.”

The deputy sect leader was stunned. Then, he said, “You mean...”

“That’s right. The golden great world has really arrived,”Xiao Sheng said slowly.

This was a rumor that no one had ever confirmed. However, the breakthroughs of the cultivators over the past few days indicated that the golden great world had officially arrived.

“It’s finally here...”Xiao Sheng murmured in a low voice, as if he had been waiting for many years.

Chapter 1683: Chapter 1,683, get out of the divine capital! 1

It had been a long time since they had seen the legendary golden age!

“There will only be more breakthroughs,”Xiao Sheng said coldly.

The deputy sect master asked, “Sect master, do I need to send people to record them down?”

Xiao Sheng glanced at him and shook his head, “There’s no need.”

“Then shouldn’t we have some countermeasures?”The deputy sect master continued.

Xiao Sheng, however, remained silent and only smiled coldly.

He did not say anything and turned around to walk up the Cultivation Mountain.

After taking a few steps forward, Xiao Sheng stopped and said, “If Qin Yu comes to find me, remember to have him wait for me here.”

The deputy sect master hurriedly nodded and said, “Yes, sect master.”

Xiao Sheng’s face had an extremely playful smile. No one could see through what he was thinking.

In the following time, just as the sect master had said, more and more people broke through.

Many of them were stuck at a certain realm and could not advance. However, under the golden great world, they had successfully broken through.

At the same time, Qin Yu was still taking the dragon blood.

Under the nourishment of the dragon blood, he stepped into the middle stage of the Almighty Realm as expected.

His physical body did not improve at all. However, the breakthrough in his realm brought a qualitative breakthrough to his spiritual power.

In the following period of time, Qin Yu was still taking the dragon blood. However, the result was a little unfortunate. No matter how much dragon blood he took, his realm could not advance even half a step further.

Qin Yu opened his eyes. He looked at the dragon blood jar placed in front of him and could not help but sigh.

“Even if it’s dragon blood, it won’t do,” Qin Yu muttered in a low voice.

Qin Yu’s special physique required his body to reach a balance between yin and yang.

And the uniqueness of this physique could not be changed even if it was dragon blood.

In other words, no matter how much Dragon Blood Qin Yu consumed, it would not have any effect. It would just be a waste.

He could only continue cultivating after he had absorbed enough dark energy.

Qin Yu stared at the dragon blood jar in front of him with mixed feelings.

As expected, there were two sides to everything.

The chaotic body gave him an extraordinary physique and strength that was far above the same realm, but it also made his cultivation much more difficult than ordinary people.

Zhuo Jing was still in closed-door cultivation. After he diluted the dragon blood and consumed it, the effect was still beyond imagination.

Qin Yu couldn’t bear to disturb him and planned to leave quietly.

But at this moment, a few figures appeared in front of Qin Yu not far away.

The strength of these people couldn’t be considered strong. They were only at the middle stage of the Almighty Realm, which was similar to Qin Yu’s realm.

But the greedy expressions on their faces made Qin Yu sense that something was wrong.

Qin Yu narrowed his eyes slightly and said coldly, "What's the matter?"

"Hehe, nothing. I'm just interested in the jars in front of you, brother," these people said.

"I wonder if you have any plans to sell them? Name Your Price!" Another person said.

Qin Yu said with a cold face, "No, this thing is not for sale."

"Don't be anxious. Maybe you can accept our conditions?" They continued.

Qin Yu narrowed his eyes and said with a faint smile, "That's fine. If you can give me a holy bone, I can consider it."

Their expressions changed and they couldn't help but say with a dark face, "Holy bone? If we have a holy bone, why would we exchange it with you for this lousy thing?"

"If we don't have a holy bone, a holy weapon is also fine." Qin Yu said with a cold smile.

"Kid, are you looking for fun over there?" The expressions of these people became more and more displeased.

Qin Yu said with a sneer, "I already said that this thing is not for sale. Do you not understand human language? Get lost quickly!"

After saying that, Qin Yu put away the jar in front of him and planned to leave.

However, these people blocked Qin Yu's path. One of them even cast a spell, directly freezing the space in front of Qin Yu.

"Are you planning to attack me here? As far as I know, the divine capital doesn't allow us to attack, right?" Qin Yu said with a cold face.

These people sneered and said, "It's true that we are not allowed to attack here, but the thing in your hand is too tempting. We can only go against the rules."

"At most, after we kill you, we can leave the divine capital."

Qin Yu could not help but sneer. As expected, as long as the benefits were big enough, any rules could be ignored.

"I advise you all to Scram immediately," Qin Yu said coldly.

"We can scam. Hand over the things and we'll leave immediately," these people said with a sneer.

Qin Yu originally did not want to make a move. After all, this city was built for him, so he naturally did not want to break the rules.

However, these people were so despicable that Qin Yu already had the desire to kill.

A cold murderous aura emanated from his body. He instantly broke free from the restraints and walked towards these people step by step.

Just as he was about to make a move, a few people dressed in uniform walked over quickly not far away.

“What are you doing! Do you want to make a move in the divine capital city!”The leading man shouted.

Seeing this person, Qin Yu’s killing intent gradually disappeared.

Qin Yu strode forward. Just as he was about to speak, these people were one step faster. They walked forward and said in a low voice, “This kid has a supreme treasure on him. If you don’t believe me, take a look for yourself.”

Following their gazes, these people noticed the dragon blood jar in front of Zhuo Jing.

The dragon blood in the jar emitted an extremely strange smell. Anyone could sense that this item was extraordinary.

The leader seemed to have smelled it as well. He narrowed his eyes slightly and then looked at Qin Yu.

“Whose is that thing?”The leader asked coldly.

Qin Yu frowned slightly and said, “Does it matter who it is? It’s them who want to snatch the item and want to fight. Are You Blind?”

“How Dare You Insult Me? Men, arrest him immediately!”The leader immediately shouted.

Qin Yu could not help but sneer. He narrowed his eyes and said, “If I gave you this jar, would you still arrest me?”

That person was startled, and then said indifferently, “Wouldn’t it have been fine if you had done this earlier? Hand over the thing, and I can spare you.”

“As expected.”Qin Yu sneered. He raised his hand and smashed his head with a palm!

Everyone’s expressions changed immediately. They pointed at Qin Yu in panic and said, “You... you...”

Someone reacted and turned around to flee!

Those who were a step slower died in Qin Yu's hands!

Qin Yu did not chase after them. He took a deep breath and strode towards the Royal Palace of the divine capital city.

In the royal palace, these people had already fled back. At this moment, they were gathering manpower to capture Qin Yu.

At this moment, Qin Yu was already beginning to get tired of it. This divine capital city was originally used for his escape. Now that it had become such a scene, how could he not be angry.

He took a deep breath and said coldly, "I'll give you ten minutes. Immediately, all of you get out of the divine capital city!"

Chapter 1684: Chapter 1,684, re-entering the Heavenly Cloud Sect 1

After hearing Qin Yu's words, everyone was stunned at first, then they laughed loudly and said, "You want us to Scram? Who Are You? Are you crazy?"

"That's right, I think the one who should scam should be you!"

"Hurry up and scam. You are not welcome in the divine capital city!"

For a moment, everyone in the city and nearby people cursed at Qin Yu non-stop.

"This kid has a treasure on him. Tell him to hand it over before he leaves!"

"That's right. The treasure on him is definitely a treasure of heaven and earth. We must make him hand it over!"

"No wonder I have been smelling a strange smell in the divine capital. That smell probably came from his body and robbed him!"

"Hand it over!"

Qin Yu, who was already extremely disgusted, became even more determined after hearing these words.

“As expected of a group of fugitives. They really don’t have any quality to speak of,”Qin Yu said coldly.

“I will only give you five minutes. Get out of the divine capital immediately. Otherwise... kill without mercy!”Qin Yu said coldly.

However, this group of people did not care at all. Instead, they continued to ridicule him.

Seeing their attitude, Qin Yu’s heart turned cold.

His body emitted an extremely cold chill. Just as he was about to start a massacre, Peng Liu suddenly ran out in a hurry.

Peng Liu was the acting city lord of the divine capital. He had been building and managing the entire city.

Now that such a thing had happened, how could he not be anxious.

Peng Liu ran as he shouted, “Shut up!”

Seeing Peng Liu’s figure, the surrounding people finally quieted down.

Peng Liu jogged all the way to Qin Yu.

He panted heavily and said with an embarrassed smile, “City... City Lord Qin, why didn’t you inform me that you were back...”

“Inform you? Why should I inform you?”Qin Yu said coldly.

“You came at the right time. From now on, no one will be allowed to stay in Shen ‘du city. Tell them to Scram,”qin yu said coldly.

The people around were instantly stunned. They looked at Qin Yu in front of them and couldn’t help but be dumbfounded.

“What? This young man is the city Lord?”

“Qin Yu? He is Qin Yu?”

“Bad... bad.”

“City Lord, we didn’t know it was you. Please forgive us, City Lord...”

Peng Liu also smiled and said, "City Lord, they really didn't know it was you. How about... We forget about it this time..."

Qin Yu glanced at Peng Liu and said coldly, "I said, get everyone out of the Divine Capital! I don't want to repeat myself a second time!"

Seeing that Qin Yu was serious, Peng Liu's expression was a little awkward. Meanwhile, the surrounding people rushed forward to apologize to Qin Yu and beg for mercy.

Qin Yu said coldly, "There are still three minutes left. If you don't leave in three minutes, don't leave."

As he spoke, Qin Yu directly activated the formation patterns of the divine capital. For a moment, the entire city was filled with a strong killing intent.

"Qin Yu, you... You Are Serious?"

"Qin Yu, don't go too far. If it weren't for us, the divine capital would definitely not have such a scene. Now, you want to start a massacre in the divine capital?"

"Let me tell you, if you chase us out of the divine capital today, we will be your enemies in the future! One more friend is better than one more enemy!"

"Bzz!"

At this moment, a divine inscription suddenly struck down like lightning, instantly killing a person who was clamoring!

"There are still two minutes left," Qin Yu said coldly.

Everyone was stunned for a moment before their expressions changed drastically. They turned around and fled!

In the blink of an eye, the crowded divine capital was reduced to an empty city.

Looking at the fleeing crowd, Peng Liu couldn't help but sigh.

He cupped his hands towards Qin Yu and said, "City Lord, I..."

"You can stay," Qin Yu said.

Peng Liu smiled bitterly and said, "Thank you, City Lord."

Qin Yu could tell that Peng Liu seemed to be a little disappointed. He also knew what he was thinking.

It was not easy for a city to develop to such a scale. Now that everything was successful, he naturally would not feel comfortable.

“Don’t worry. There will be time for you to play,” Qin Yu patted his shoulder and said.

Then, Qin Yu pointed to the back of the mountain and said, “From today onwards, no one is allowed to enter the divine capital. My Friend is in seclusion at the back of the mountain. Don’t disturb him.”

Peng Liu bowed slightly and said, “Please rest assured, City Lord.”

After doing all this, Qin Yu turned around and left the divine capital.

Peng Liu was indeed a talent in management. He would definitely be useful in the future.

As for the group of people in the Divine Capital, Qin Yu did not care at all. If he did not chase them away, after Qin Yu left, they would definitely find an opportunity to attack Zhuo Jing.

After leaving the Divine Capital, Qin Yu headed straight for the Tianyun sect.

If Xiao Sheng was still not here this time, it meant that he really had a ghost in his heart.

On the way to the Tianyun sect, Qin Yu sensed several extremely powerful auras. From time to time, light pillars would rise up not far away, as if someone was breaking through. Qin Yu’s internal Qi was extremely powerful.

The divine capital was not close to the Tianyun sect. Relying on his figure, Qin Yu also needed several days.

In these few days, Qin Yu felt the strength of at least a dozen peak mighty figures.

And the number of people who had broken through in these few days was countless.

Such a strange scene made Qin Yu even more surprised.

“The spiritual Qi seems to have become denser.” Qin Yu tried to sense the surrounding spiritual qi, and couldn’t help but feel a little surprised.

Qin Yu didn’t continue to think, and headed straight for the Tianyun sect.

All the way to the Tianyun sect.

The deputy sect master did not seem surprised by Qin Yu’s arrival.

He said with a smile, "You are here to look for the sect master, right?"

Qin Yu nodded slightly and said, "Has he returned?"

"The sect master has already returned. He said that if you came, he would ask you to wait for him here," the deputy sect master said.

"Wait for him? How long will you have to wait?" Qin Yu frowned and asked.

The deputy sect master spread his hands and said, "Then I don't know. But I don't think it will be too long. The sect master has already been on the cultivation mountain for many days."

Although Qin Yu was a little anxious, he had no other choice at the moment. He could only wait.

Fortunately, Qin Yu did not have anything important to do at the moment. He had also encountered a bottleneck in his cultivation. Otherwise, he would have run to the foot of the Cultivation Mountain and shouted loudly.

In the next few days, Qin Yu stayed in the Heavenly Cloud sect.

And the attitude of the Heavenly Cloud sect towards Qin Yu was extremely kind. In the entire heavenly cloud sect, other than the cultivation mountain, the other places were all open to Qin Yu.

In the blink of an eye, five full days had passed.

And Xiao Sheng still had no intention of going down the mountain. This made Qin Yu somewhat anxious.

Right at this moment.

A dazzling radiance suddenly erupted from the cultivation room!

Following that, a strange phenomenon condensed in the sky!

Balls of dark clouds condensed in the sky, enveloping the day into night! 1

"Someone is about to break through!"

For a moment, everyone in the sect raised their heads and looked at this terrifying strange phenomenon!

Chapter 1685: Chapter 1,685, Xiao Sheng's Dao technique 1

The scale of this phenomenon showed that the person who had broken through was extraordinary!

For a moment, everyone was shocked by this scene. Even Qin Yu couldn't help but look up.

"Someone has broken through again?" Qin Yu murmured in a low voice, his eyes filled with astonishment.

There were too many people who had broken through during this period of time. It was as if bamboo shoots had sprouted after a rain. One after another, they appeared, causing people to involuntarily appear one after another.

"Looking in this direction, the person who broke through... seems to be Di Zun!" The deputy sect master exclaimed.

"Di Zun?" Qin Yu was immediately shocked.

During this period of time, Di Zun had been in seclusion, causing Qin Yu to almost forget about this disciple of his.

"Speaking of which, I feel a little guilty for treating Di Zun," Qin Yu thought to himself.

He immediately activated his desolate God's eye and looked in the direction of Di Zun.

Di Zun was currently facing the Heavenly Tribulation. The scale of his heavenly tribulation was extremely terrifying, and it was not inferior to Qin Yu's Heavenly Tribulation!

Large areas of the Heavenly Cloud sect had turned into wasteland. If it was not for the protection of the sect's formation, they would have already turned into ruins.

Di Zun, who was inoculated by the heavens, was exactly the same as Qin Yu's tenacity. Facing such a terrifying heavenly tribulation, there was not a trace of panic on his face. Instead, his face was filled with fighting spirit!

Even though his body had been smashed into pieces by the heavenly tribulation, his face was still brimming with confidence.

This made Qin Yu feel rather gratified. He could not help but smile.

“With Di Zun’s ability, I’m afraid his future achievements will not be below mine,” Qin Yu thought to himself.

His eyes stared in the direction of Di Zun. He could not help but feel some anticipation in his heart.

At this moment, the cultivation mountain suddenly lit up with rays of light, and then a passage suddenly appeared on the Cultivation Mountain.

“This is the sect master’s invitation to go to the Cultivation Mountain,” said the deputy sect master.

Qin Yu grunted in gratitude, and before he left, he glanced at Di Zun again.

After confirming that he could easily overcome the heavenly tribulation, Qin Yu rushed in the direction of the Cultivation Mountain.

He rushed all the way to the Cultivation Mountain.

The mountain was as usual, and Xiao Sheng was still as leisurely as before.

He sat in front of the table and slowly sipped his tea.

Xiao Sheng was not surprised to see Qin Yu rushing over. He did not even raise his head.

But at this moment, Qin Yu’s heart was filled with mixed feelings.

He slowly walked to the opposite side of Xiao Sheng and sat down. He was full of worries, but at this moment, he did not say a word.

“Very curious, is it?” At this moment, Xiao Sheng took the initiative to speak.

Qin Yu nodded.

From Xiao Sheng’s attitude, it was obvious that he had long known about the danger of the Eastern Wilderness.

“What kind of place is the Eastern Wilderness? Why do you want me to go to the Eastern Wilderness? What you told me before, is it true or false?” Qin Yu questioned coldly.

Xiao Sheng stood up. With his back facing Qin Yu, he said indifferently, “If you think it’s true, then it’s true. If you think it’s false, then it’s naturally false.”

Qin Yu immediately became furious. "I want you to tell me personally whether you want to kill someone else with a borrowed knife!"

Hearing this, Xiao Sheng laughed.

He said indifferently, "Kill someone with a borrowed knife? Do I need to use the East Wilderness to kill you?"

Qin Yu clenched his teeth and said, "I don't want to believe it either, but I almost died in the east barren. How can I believe you!"

Xiao Sheng suddenly turned his head around.

His face was full of frost as he said coldly, "If you die in the east barren, it means that you are a waste. So what if you die? What can you do!"

Qin Yu was stunned. He said with great confusion, "What is your purpose for doing this? You should know that those things in the east barren are very difficult to deal with. They are not things that I can fight against!"

"Then aren't you standing here well?" Xiao Sheng asked back.

Qin Yu snorted and said, "That is my luck."

"Luck? Do you know what is Luck?" Xiao Sheng sneered.

Qin Yu frowned slightly and said, "What do you mean?"

Xiao sheng snorted and said, "Luck is luck. It is a dao technique, a rule, and a part of the Heavenly Dao!"

"You were destined to come out of the East continent alive. Your so-called luck is only a part of the arrangement."

"If your luck is good enough, it means that you are favored by the Heavenly Dao. At least, you are not the abandoned child."

Qin Yu's face became more and more confused. Xiao Sheng's words made it difficult for him to understand.

Heavenly Dao? Dao technique? Rule?

What exactly did this mean?

Could it be that everything was arranged?

"I've told you long ago that luck is indispensable for cultivation," Xiao Sheng continued.

"Your talent, your strength, and even your personality are all part of luck."

"Some people are born dull and have a defect in their personality, causing them to be unable to achieve great things in their lives. whose problem do you think it is?" Xiao Sheng asked.

After hearing Xiao Sheng's words, Qin Yu seemed to have understood something.

He said in a low voice, "Is it... Luck? Is it too bad?"

"Since you were born... No, since you were not born, everything has been fixed," Xiao Sheng said slowly.

Qin Yu was silent. He sat there for a long time before he suddenly raised his head and asked, "So you want me to go to the East Wilderness to see my luck?"

"You can say that." Xiao Sheng did not deny it.

Qin Yu frowned and said, "Then let me ask you, is what you told me earlier about the return of the fate of the land of dragons true or false?"

"I did not lie to you," Xiao Sheng said faintly.

"To tell you the truth, over the years, I have sent many people to the East Wilderness. These people are people that I think highly of, but unfortunately, they all died in the east wilderness without any benefits."

"You are the only one who walked out alive."

Qin Yu frowned and said, "That's not right, right? Zhuo Jing's father seems to have walked out of the East continent alive."

"He did walk out alive, but unfortunately, he was bitten by the curse," said Xiao Sheng.

"You knew about the curse a long time ago?" Qin Yu frowned.

Xiao Sheng sneered and said, "When did I say I didn't know?"

"Don't you think that you are too overbearing? You should at least tell me the truth. As for whether to go or not, it should be up to me to make the decision," Qin Yu said coldly.

Xiao Sheng put his hands behind his back and said indifferently, "Let me ask you, if I told you everything in advance, would you choose to seek opportunities or give up because of fear?"

Qin Yu was stunned and suddenly had nothing to say.

Even if he knew in advance, Qin Yu would definitely go to the East Wilderness.

Xiao Sheng seemed to have planned everything. Qin Yu was at a loss for words.

“What is this curse of the East Wilderness?” Qin Yu frowned.

Xiao Sheng said slowly, “What Wen Wanyun said is true.”

“How do you know I asked Wen Wanyun?” Qin Yu was even more surprised.

Xiao Sheng said indifferently, “Besides Wen wanyun, who else can you ask?”

Chapter 1686: Chapter 1,686, Xiao Sheng’s conceit 1

A complicated expression flashed across Qin Yu’s face.

This Xiao Sheng seemed to know everything, and all of this was because of his guess.

“The curse of the east barren will take my life,” Qin Yu took a deep breath and said coldly.

Xiao Sheng put his hands behind his back and said, “Any curse can be dissolved.”

“How?” Qin Yu quickly asked.

“I don’t know,” Xiao Sheng said without hesitation.

Qin Yu was instantly speechless.

“But I believe you can do it,” Xiao Sheng said.

“With your strength, you will be torn to pieces in the East Wilderness, but you survived. I believe you have luck.”

“Moreover, I told you that the luck of the East Wilderness will soon return. At that time, you will still have to go to the East Wilderness. This time, you came out alive, which means you can stand in the East Wilderness.”

It had to be said that what Xiao Sheng said seemed to make some sense.

For Qin Yu, to be able to increase his strength as soon as possible, everything was worth it.

He originally wanted to ask Xiao Sheng about it, but now Qin Yu no longer had that kind of thought.

“Did you gain anything in the East Continent?” At this time, Xiao Sheng suddenly asked.

Qin Yu was silent for a moment. In the end, he did not tell Xiao Sheng about the dragon eyes. He only took out a jar of dragon blood and gave it to Xiao Sheng.

“This is dragon blood. I’ll give it to you,” Qin Yu said.

Xiao Sheng could not help but be surprised when he heard this.

“Dragon Blood? You encountered the Dragon Burial Cave?” Xiao Sheng said in surprise.

Qin Yu nodded and said, “I got some dragon blood by luck.”

“You really are a person with great luck,” Xiao Sheng said with a sigh.

He glanced at the dragon blood and said, “Then I won’t stand on ceremony.”

Qin Yu acknowledged. He stood up and was about to leave. At this moment, he seemed to have thought of something.

“I remember that the heavenly cloud sect seems to have a teleportation array platform. Why has the Heavenly Cloud sect never activated it?” “If this array platform had been activated back then, I believe that senior Xiao Hai would not have died. He might even have been able to kill him before the elementalists recovered,” Qin Yu said in a deep voice.

Xiao Sheng shook his head and said, “That array platform is not perfect. It is simply impossible to teleport people to other locations.”

“That’s not right, right?” Qin Yu frowned.

“Back then, I came to the Holy Region through your Tianyun sect’s array platform.”

Xiao Sheng smiled faintly and said, “That is not the effect of the Tianyun sect’s array platform. It is the effect of your local array platform.”

“The Tianyun sect’s array platform is just a medium, a receiving point.”

Qin Yu said in a deep voice, "Then how did you rely on this array platform back then on Earth?"

"It's still because of your local array platform," Xiao Sheng said.

"That's an open array platform. If it wasn't for your Northern Land's array platform, we wouldn't have been able to go."

"In other words, we wouldn't be able to rely on this single array platform to teleport, so naturally, we wouldn't be able to go to the northern lands."

Qin Yu thought about it, and it seemed to make sense.

A true array platform could teleport people to any location at any time, and there was no need for another array platform to accept it.

Just like the northern lands, their formation could come to the southern region at any time, and they could also return at any time.

"I need dark energy," Qin Yu said at this moment.

"Find me a place. Think of it as you returning my dragon blood favor."

Xiao Sheng nodded. He raised his finger and lightly dotted the air.

A few minutes later, a coordinate lit up in front of Qin Yu.

Qin Yu looked at the coordinate and asked, "Is this place safe?"

"It's safe." Xiao Sheng's answer was concise.

"Okay, thank you." Qin Yu nodded and turned around to leave.

After taking less than two steps, Qin Yu stopped again and turned to look at Xiao Sheng.

"What realm are you at exactly? Have you stepped into the reversion void stage?" Qin Yu frowned and asked.

Xiao Sheng shook his head without hesitation and said, "I'm only half a step into the reversion void stage."

Upon hearing this, Qin Yu turned pale with fright!

He did not expect that Xiao Sheng had not stepped into the reversion void stage at all!

How could a half-step to the reversion void stage deal with an elementalist?

“I always thought that you had stepped into the reversion void stage long ago.” Qin Yu took a deep breath.

Xiao Sheng placed his hands behind his back and said indifferently, “As I said before, cultivation requires an opportunity and a dao technique. Before the world has changed, our southern region no longer has the conditions to step into the reversion void stage.”

“This is also the reason why I left the Cultivation Mountain and traveled the world.”

Qin Yu understood.

Before the arrival of the great era, the luck of the southern region was not enough to support the birth of a reversion void stage cultivator, no matter how talented one was. ..

“This is the reason why many people have broken through recently, right?” Qin Yu understood.

Xiao Sheng nodded slightly and said, “That’s right. I’ll tell you another terrifying thing.”

Qin Yu didn’t say anything, waiting for Xiao Sheng’s follow-up.

“Back then, when my declining Heavenly Cloud sect conquered the southern region, we killed countless people and offended countless people. Many people, like nine holes, chose to go into seclusion. There were also people who died at my hands.”

“And other than them, there were also some experts who chose to temporarily hide and not compete with the Heavenly Cloud Sect.”

“As for them, a large portion of them were at the peak of the mighty figure stage or even half-step to the reversion void stage.”

Qin Yu frowned slightly and said, “Now that the great era has arrived, their seclusion can be considered to have received some rewards.”

“That’s not what I want to say.” Xiao Sheng shook his head.

“Among these people, a large portion of them are much older than me, and they have cultivated for an extremely long time. Those who can reach this stage are all extremely talented. The only thing they are lacking from stepping into the reversion void stage is the luck between heaven and Earth.”

“But they know clearly in their hearts that before entering the reversion void stage, no one is my match.”

“Now that the world has changed, these people will very likely take the opportunity to enter the reversion void stage.”

Qin Yu did not say a word, but he already understood Xiao Sheng’s meaning.

“Before they enter the reversion void stage, they would not dare to compete with you. But once they enter the reversion void stage, they will definitely reappear. The first person they will look for should also be you. After all, you are a mountain in the southern region that no one can climb over,” Qin Yu said.

Xiao Sheng put his hands behind his back and nodded. “That’s right. If it wasn’t for Xiao Hai being soft-hearted back then, they would have died long ago.”

Qin Yu said half-jokingly and half-seriously, “Then are you afraid? If they were the first to enter the reversion void stage, wouldn’t you die at their hands?”

Speaking up to this point, Qin Yu thought of the divine capital and continued, “Why don’t you go to the divine capital and enter closed-door cultivation? Once you enter the reversion void stage, don’t leave even half a step.”

Hearing this, Xiao Sheng’s long and narrow eyes flashed with a trace of playfulness.

He said indifferently, “When did I say that I was afraid of the reversion void stage?”

Qin Yu was startled and said with a frown, “You should understand the difference between the reversion void stage and the half-step reversion void stage better than me. This is the difference between heaven and Earth.”

Chapter 1687: Chapter 1,687. Are you old or are you afraid? 1

Xiao Sheng snorted coldly and said, “Nothing is absolute. I have never been afraid.”

Qin Yu remained silent, but he felt that Xiao Sheng had overestimated him, or perhaps he had underestimated the strength of the reversion void stage.

Of course, he knew that Xiao Sheng’s strength was beyond ordinary people. The strength of the Xiao brothers could not be measured by common sense.

However, it was really too difficult to cross such a large realm. Qin Yu believed that he could not do it.

Qin Yu did not say much. He only advised, "If I really died at the hands of the defeated opponent in the past, it would definitely be a very unworthy thing."

After saying this, Qin Yu turned around and walked down the cultivation mountain.

At the foot of the Cultivation Mountain, the sect was bustling with activity.

Many people were gathered in a certain area and were incomparably excited.

Qin Yu walked forward and discovered that the person who was surrounded in the middle was none other than Di Zun.

At this moment, his clothes were tattered and full of injuries. However, his aura was unprecedentedly strong and powerful. This was because of his internal Qi.

"You've broken through?" Qin Yu walked forward and said with some surprise.

When he saw Qin Yu, Di Zun quickly walked forward.

He said excitedly, "Master, I've broken through."

Qin Yu swept a glance at di zun and exclaimed, "You've actually stepped into the mighty realm?"

Di zun said somewhat embarrassedly, "I was just lucky. Just Lucky."

Qin Yu couldn't help but sigh.

This world seemed to have really changed.

With Di Zun's talent, stepping into the mighty realm was naturally not a difficult matter. It was just that it was not that easy to comprehend the dao before stepping into the mighty realm.

Now that the world had changed, it seemed that it was much easier to comprehend the Dao.

"Congratulations." Qin Yu patted Di Zun's shoulder and said sincerely.

Di Zun touched his nose and said, "I'm still far from Master."

Qin Yu smiled and did not say anything. In fact, the realm of the two of them was not much different. It was just that Qin Yu's actual combat ability was much richer than Di Zun's.

“Qin Yu, why is the sect master looking for you?” At this moment, the deputy sect master walked forward and asked.

Qin Yu did not know how to answer, so he smiled and said, “It’s nothing. It’s just a dao discussion.”

“You’re so young, but you’re already able to discuss Dao with the sect master.” The deputy sect master sighed.

“Do you have any plans next?” The deputy sect master asked.

Qin Yu shook his head and said, “No, I plan to stay in the Heavenly Cloud sect for a few days. I hope that the deputy sect leader won’t mind.”

“Hahahaha, I can’t wait.” The deputy sect leader patted Qin Yu’s shoulder.

The main reason why he stayed was to see if there would be people who had entered the reversion void stage coming to fight.

In the next few days, Qin Yu spent almost all his time in the library.

He was not interested in the spells of the Heavenly Cloud sect. Most of his time was spent reading about the history of the southern region, trying to find out the secret information about the curse of the east barren.

In the blink of an eye, three days had passed.

On this day, a strange phenomenon suddenly appeared in the sky. The light shone through the sky and the Earth. Darkness and light interweaved, and it was extremely terrifying!

Recently, the strange phenomenon was not rare, but such a scale and strange phenomenon could be said to be unheard of!

Everyone was shocked by the abnormal phenomenon in the sky, and Qin Yu was no exception.

He threw down the book in his hand, walked out of the library quickly, and raised his head to look at the sky.

This abnormal phenomenon seemed to have shocked the heavens, and a series of whimpering sounds were hidden behind the black clouds.

Seeing this scene, the surrounding people could not help but swallow their saliva wildly, and they discussed animatedly.

“This is... what level of heavenly tribulation is this, to actually be so terrifying!”

“I’m afraid this is what is called a real phenomenon, a phenomenon like the birth of a spirit pill!”

Qin Yu remained silent, but a trace of solemnity was revealed on his face.

With such a scale of phenomenon, it was likely that someone was about to step into the reversion void stage!

This Day had finally arrived!

Those hidden old monsters would likely appear one after another and attempt to step into the reversion void stage!

“Is the structure of the southern region about to change?” Qin Yu muttered in a low voice.

On the Cultivation Mountain, Xiao Sheng also raised his head and looked at the sky.

There was no sadness or joy on his face. It was extremely ordinary. No one could guess what he was thinking.

After a long time, the strange phenomenon in the sky slowly disappeared.

Finally, a trace of a smile appeared on Xiao Sheng’s face.

That smile contained a trace of coldness and indescribable anticipation.

“I’ll wait for you all,” Xiao Sheng muttered softly. No one knew who he was talking to.

In the next few days.

A few more anomalies of this scale appeared.

The entire southern region was discussing the powerful anomalies that had appeared in the past few days.

“This is strange. In just a few days, there are actually so many people trying to reach the reversion void stage.”

“The Golden Age truly lives up to its reputation!”

“It’s a good thing that there are people who have reached the reversion void stage! At the very least, there are people who can attack the northern lands!”

“Then who knows? Back then, when the elementalists came to make a ruckus, they had never made a move.”

In just a few days, there were at least six people who had reached the reversion void stage.

And this breakthrough was still ongoing.

Qin Yu sat in the library and could not help but think to himself, “With Chang Mang and the others’ talent, I think they should have also broken through.”

The group of Heaven’s favorites on Earth had arrived a year earlier than Qin Yu. No one knew what level they had reached.

This made Qin Yu somewhat anxious, but also somewhat expectant.

To be able to compete with the heaven’s favorites in the Golden Age, just thinking about it made people feel a strong desire to fight!

On this day.

The usually peaceful heavenly cloud sect welcomed an uninvited guest.

An extremely skinny old man suddenly appeared at the Heavenly Cloud Sect’s entrance.

He had a hunched waist and was less than 1.6 meters tall. He looked extremely unremarkable.

Even his internal Qi was extremely calm, making it impossible for others to detect it.

However, it was this kind of old man that caused people to involuntarily feel their hearts palpitate!

Facing this old man was like facing a huge mountain. It was incomparably terrifying!

“Who... are you looking for?” The disciple at the door tried to ask.

This old man had his hands behind his back as he faintly said, “Saint Xiao.”

“You are looking for our sect leader?” This disciple was immediately shocked!

Even though his strength was weak, he could see that this old man in front of him was extraordinary!

Hence, he did not dare to say anything. He hurriedly ran back to the Heavenly Cloud sect, intending to report this matter to the sect leader!

However, at this moment, Xiao Sheng had already taken a steady step towards the door.

At the door.

Many disciples of the Heavenly Cloud sect followed behind the sect leader and stood at the door.

That old man looked somewhat kind, but the smile on his face made people feel extremely uncomfortable.

“Xiao Sheng, long time no see,” the old man said faintly.

Xiao Sheng said with a faint smile, “Greetings, Uncle Jing.”

The old man who was called Uncle Jing immediately laughed and said, “Xiao Sheng, you are much more polite than before.”

Xiao Sheng said with a smile, “I’m old. Naturally, I’m not like before.”

Uncle Jing narrowed his eyes and said with a cold smile, “Are you old, or are you afraid?”

Chapter 1688: Chapter 1,688, Xiao Sheng’s true strength! 1

The moment he came up, he was ready to fight! This uncle Jing actually didn’t have the slightest bit of restraint!

“I remember that you’ve never called me Uncle Jing. Back then, you were very arrogant,” uncle Jing said indifferently with his hands behind his back.

The atmosphere became more and more stiff, and the expressions of the people around him also became ugly.

In the dark, there were even countless people watching, waiting for this big battle.

Xiao Sheng was not flustered. A faint smile hung on his face as he sighed, “There are some people who will never be able to make it to the stage. I gave you face, but you should have taken it, Zhao Jing.”

As soon as these words were said, uncle Jing's expression immediately turned cold.

An extremely intense internal Qi was emitted from his body. This internal Qi actually directly distorted the surrounding space. Those who were close to him felt an extremely oppressive feeling, and they all knelt down in an instant!

This was an expert at the reversion void stage! Any wisp of internal Qi could unleash such terrifying battle prowess!

Xiao Sheng coldly snorted. He raised his jade-like hand and a gentle internal Qi surged over. The oppressive feeling from everyone's bodies also disappeared.

Zhao Jing placed his hands behind his back and said indifferently, "Xiao Sheng, do you know that I have already stepped into the reversion void stage?"

"I do. If you had not stepped into the reversion void stage, I'm afraid that you would be kneeling in front of me right now." Xiao Sheng was even more merciless!

Zhao Jing said with a cold face, "Do you know how long I have been waiting for this day? I can still clearly see your arrogant face from back then!"

"You didn't expect this, right? The Wheel of fortune has turned. Now, it's time for you to pay the price for your arrogance back then!"

As he spoke, the internal Qi on Zhao Jing's body grew stronger, and the surrounding space continuously distorted.

Kacha

With a crisp sound, the space actually directly collapsed!

Everyone couldn't help but be greatly shocked! A cultivator at the reversion void stage was actually so powerful!

"Is this the reversion void stage..." Qin Yu, who was in the crowd, couldn't help but frown.

Such a terrifying internal Qi was indeed shocking.

Qin Yu couldn't help but look at Xiao Sheng and broke out in cold sweat for him.

At this moment, the internal Qi on Xiao Sheng's body was still extremely calm. He couldn't feel any emotional fluctuations at all.

However, he stood there like a tall mountain. People had to raise their heads to look at him.

“I’ll give you a chance to live. If you’re willing to kneel down and admit your mistake to me, I think I’ll let you off,” Zhao Jing said indifferently.

“I think asking the sect master of the Tianyun sect to kneel down for me would be a better choice.”

Xiao Sheng’s willow-like eyebrows were slightly raised. His 1.9-meter-tall figure appeared extremely tall in front of Zhao Jing.

He looked down at Zhao Jing and said indifferently, “Are you worthy?”

“Then don’t blame me for being impolite!”

Zhao Jing suddenly attacked. His eagle-claw-like palm directly grabbed toward Xiao Sheng!

A terrifying internal Qi instantly filled the air. A casual palm strike caused the surrounding space to collapse!

Xiao Sheng narrowed his eyes. He raised his slender palm and welcomed the attack.

“Bang!”

An extremely powerful energy erupted from the first collision!

Everyone was forced back. Qin Yu was no exception. He took a few steps back, and his body felt a trace of discomfort!

As for the others, they were naturally in a miserable state. Those who were weak were directly turned into minced meat!

Everyone’s eyes looked at the battlefield in front of them.

They saw that the two of them didn’t move at all, but the ground under their feet had completely shattered.

Zhao Jing sneered, “Although this is just a casual palm of mine, it’s definitely not something a mighty realm cultivator can withstand. As expected of you, Xiao Sheng.”

Xiao Sheng said coldly, “There’s no need to talk nonsense. Let’s do it.”

“Alright, then I’ll let you see so for myself!”

Zhao Jing roared, and the clothes on his body instantly exploded, revealing his skinny body!

And an extremely powerful force surged out at this moment. It was like a vast ocean, pouncing towards him!

Within a radius of several hundred meters, no one was unaffected. This strength was truly too terrifying!

Qin Yu's expression became increasingly ugly. He had never seen Xiao Sheng make a move, so he naturally did not know Xiao Sheng's strength.

However, he clearly knew in his heart just how big the gap between the reversion void stage and the mighty realm was! It could be said to be the difference between the clouds and the mud!

Zhao Jing said with a slightly proud expression, "This is my true strength. Xiao Sheng, are you afraid?"

Xiao Sheng's expression was calm. No one could tell what he was thinking.

"I also experienced the reversion void stage back then," Xiao Sheng said.

He raised his head as if he was recalling the past.

"As expected, the gap between the same realm is still very big," Xiao Sheng could not help but sigh.

Zhao Jing's face turned cold and said, "What do you mean?"

Xiao Sheng's lips curled up into a faint smile as he said, "The weak will always be the weak. Even if you have a higher realm, it will always be difficult for you to ascend to the top."

"You're looking down on me!" Zhao Jing immediately flew into a rage as a head of white silver threads danced in the air!

"Xiao Sheng, there's no use trying to talk your way out of this. You will definitely die here today!"

Xiao Sheng did not say anything. He only slowly took off the white robe on his body.

After that, Xiao Sheng threw the robe aside and turned to look at Zhao Jing.

His expression also began to change at this moment.

His originally gentle and refined posture was swept away. What replaced it was a domineering and murderous aura that ruled the world!

The ice-cold chill caused everyone to involuntarily tremble. The murderous intent in those long and narrow eyes made people shudder!

Seeing this gaze, Zhao Jing's body could not help but tremble, and he subconsciously took two steps back!

Even though he had already stepped into the reversion void stage, he still felt fear after meeting Xiao Sheng's gaze at this moment!

This was the shadow that Xiao Sheng had left behind for him back then, and he would never be able to erase it!

Zhao Jing, who was already furious, was even more furious at this moment.

He was not angry at anything else, but at his own fear!

"I have already stepped into the reversion void stage, why should I be afraid of him!" Zhao Jing could not help but say furiously.

Following that, he looked at Xiao Sheng and said, "Putting on an act, there is no place for you in the Southern Region!"

"Is that so?"

Xiao Sheng sighed slightly. In the next second, the internal Qi on his body suddenly exploded!

That feeling was like countless cannonballs detonating on his body at the same time!

A powerful internal Qi, with him as the center, suddenly swept out!

In an instant, violent winds rose in all directions, the heaven and earth shook, and space also began to collapse!

Qin Yu could not help but take a few steps back. If it was not for his strong physical body, he would definitely be injured by this internal Qi!

At this moment, there was no longer a smile on Xiao Sheng's face. There was only an indescribable coldness.

"This... This is Xiao Sheng's strength!" Qin Yu could not help but widen his eyes!

This aura was not weaker than the internal Qi of Zhao Jing, who was at the reversion void stage!

Zhao Jing widened his eyes and said in a trembling voice, "Could it be... could it be that you have also stepped into the reversion void stage?!"

Chapter 1689: Chapter 1689, Xiao Sheng V s internal Qi! 1

This aura shocked everyone!

Could it be that Xiao Sheng had already stepped into the reversion void stage? ! Could it be that everyone had misjudged his strength? !

Even Qin Yu began to doubt it.

How could such a powerful internal Qi be emitted from a mighty figure? This simply didn't make sense!

Xiao Sheng looked coldly at Zhao Jing and said, "If I step into the return to void stage, do you have the qualifications to talk to me?"

What? He hadn't stepped into the return to void stage at all! He was really only at the level of a mighty figure!

But how could this internal Qi be so powerful?

Feeling the battle intent gushing out of Xiao Sheng's body, Qin Yu seemed to see that Xiao Sheng who had fought everywhere in a daze, that self-confident, battle intent, and even arrogant Xiao Sheng!

This was completely different from Xiao Sheng who was discussing dao on the cultivation mountain. It was even impossible to associate him with the same person!

Zhao Jing's expression was somewhat ugly, but he heaved a sigh of relief in his heart.

"As long as he hasn't stepped into the return to void stage, he is definitely not my match. Definitely!" Zhao Jing said coldly.

After saying this, he looked at Xiao Sheng and said, "Today, no matter what stage you are at, you will only die!"

After saying this, Zhao Jing took the lead to attack!

His Skinny Fist held all the DAO technique in the world and headed straight for Xiao Sheng!

At this moment, everything was making way for this punch of his. Although it was just an ordinary punch, it was usually able to determine the victor in an instant for someone of this State!

This was a fist that had reached the great success stage of the DAO technique. It was definitely not as simple as it looked!

Xiao Sheng did not dodge. With a jolt of his feet, tens of thousands of rays of light rose up!

These rays of light seemed to have come with him. As they listened to his movements, they lingered on his arms and exploded with an extremely powerful strength.

“Bang!”

The second collision of the two fists destroyed everything. Even the formation master’s formation could not do it. The Heavenly Cloud sect was instantly reduced to ruins!

This collision was too terrifying. It seemed like it was going to sweep through everything in the world!

Qin Yu and the others hurriedly pushed back. In such a big battle, the slightest carelessness could turn them into cannon fodder!

Zhao Jing didn’t gain any benefits. Even though he had an overwhelming advantage in cultivation, he was still unable to defeat Xiao Sheng!

“Why is this Xiao Sheng so terrifying?” Zhao Jing thought to himself.

Before he could figure it out, Xiao Sheng had already made his move.

He raised his jade-like hand and smacked it in Zhao Jing’s direction.

All of the DAO technique paved the way, and all of the rules were retreating!

This palm seemed to have come from ancient times, and the power it contained was simply unimaginable!

Zhao Jing roared and spat out a golden lotus from his mouth to protect himself. Then, he clasped his hands together and smacked it forward.

“Clang!”

The Golden Lotus was instantly shattered by Xiao Sheng’s jade-like hands. Zhao Jing was knocked back repeatedly.

However, the power that he used was formed by Xiao Sheng’s single hand. He activated the Rashomon and disappeared without a trace!

“Rashomon!”

Zhao Jing’s face turned cold. He couldn’t help but clench his teeth.

Of course, he knew how terrifying the Rashomon was. He just didn’t expect that Xiao Sheng had improved again.

“I really underestimated you.” Zhao Jing tidied up his clothes and said coldly.

“If that’s the case, then I...”

But before he could finish his words, Xiao Sheng struck out with his palm again.

Tens of thousands of rays of light moved along with him. They were like 100,000 heavenly soldiers. They covered the sky and covered the earth. There was nowhere to hide!

Zhao Jing’s pupils suddenly shrank. He shouted loudly. Rays of light burst out from his thin and small body and enveloped him like a barrier.

“Xiao Sheng, you don’t know martial virtue!” Zhao Jing could not help but curse!

However, Xiao Sheng could not be bothered to waste his breath on him. His moves were sharp and domineering, not giving him any chance to catch his breath.

Zhao Jing did not dare to be distracted, nor did he dare to preserve any of his energy. All of his spells were displayed in an instant, causing the battle to turn white-hot in an instant!

Qin Yu and the rest stood extremely far away, so far that it was almost impossible to see clearly.

If not for Qin Yu having the desolate God’s eye, he would only be able to see clusters of fog.

His eyes were fixed in that direction, and the shock on his face was becoming more and more obvious.

“Qin Yu, how is it? is the sect master doing anything?”The deputy sect master asked anxiously from the side.

Qin Yu did not have the mood to pay attention to him. He looked at Xiao Sheng, who was in the middle of the battlefield. He did not even dare to Blink, afraid that he would miss something!

Xiao Sheng’s fearsomeness far exceeded Qin Yu’s imagination!

Although many years had passed, Qin Yu seemed to have seen the scene of the Xiao family and his brothers conquering the world back then!

He was too powerful. Every move of his was an extremely powerful battle force that was as simple as the Great Dao. It was a display of extreme killing intent!

Even when facing a person at the reversion void stage, he was still not at a disadvantage. The battle intent and pride on his body did not diminish in the slightest!

There were people in the dark who were watching this scene coldly. Their hearts sank to the bottom of the valley at this moment.

They originally thought that they would crush him, but they did not expect that Zhao Jing would not be able to gain any benefits at all!

On the contrary, that Xiao Sheng appeared to be at ease. His methods were both elegant and overbearing, and his power was endless!

“How terrifying. Xiao Sheng is only in the mighty realm, yet he can actually be on par with a reversion void stage cultivator.”

“That’s right. If he were to step into the reversion void stage, God knows how terrifying he would be!”

“It’s hard to say who will win or lose this battle.”

The battle had attracted the attention of almost all the experts in the southern region!

It had been too long since they had seen Xiao Sheng make a move. They had already forgotten how terrifying he had been when he had ruled over them back then!

Such a method made people feel despair!

Qin Yu stared at the battlefield and could not help but clench his fists.

“Xiao Sheng can really do it...”Qin Yu murmured in a low voice.

“Is this the chosen of the Holy Region?” Qin Yu couldn’t help but feel a trace of pressure.

Fighting across realms was nothing for the Chosen of the holy region, but fighting across such a large realm was too terrifying.

The battlefield had already been turned into ruins, and the heavenly cloud sect was probably going to rebuild after the battle.

Zhao Jing became more and more flustered as he fought. Xiao Sheng’s moves seemed simple, but they were as watertight as an iron bucket. He could not find any flaws at all!

Just like Xiao Hai, he did not have any complicated moves or spells. He relied entirely on his comprehension of the Great Dao.

It was clearly just a palm that was slapping over, but it was also ever-changing and impossible to catch up to!

“Bang!”

Finally, Zhao Jing was distracted for a moment, and Xiao Sheng’s palm was like an ocean that blotted out the sky and covered the earth, instantly sending him flying!

Zhao Jing took a few steps back before he stabilized his body. He suddenly spat out a mouthful of blood!

Seeing this scene, everyone could not help but be shocked!

Xiao Sheng actually gained an advantage! This was simply too terrifying!

Zhao Jing seemed to feel extremely humiliated. He could not help but explode in anger. He glared at Xiao Sheng and shouted, “Xiao Sheng, you’re going too far!”

Xiao Sheng looked at Zhao Jing coldly and said, “Are you angry because you are incompetent?”

Zhao Jing was stunned. Then, he roared angrily, “I am at the reversion void stage. How can I lose to you! Xiao Sheng, today I will let you know how terrifying the reversion void stage is!”

Chapter 1690: Chapter 1,690, Rashomon! 1

Zhao Jing had already been driven mad. He had never expected that after stepping into the reversion void stage, he would be in such a sorry state in this battle!

His internal Qi surged, and in an instant, his aged face actually became younger!

The wrinkles on his face disappeared bit by bit, and his originally stooped body also straightened up at this moment!

In just a few short seconds, Zhao Jing had already changed from a white-haired stooped old man to a high-spirited young man!

His internal Qi also increased at this moment, and his entire person seemed to have unlimited battle strength, extremely terrifying!

The surrounding people all cried out in surprise, because this was the power that transcended time!

“The reputation of the reversion void stage is well-deserved!” Someone cried out in surprise.

“Transcended time? How can a reversion void stage do it?”

“I’m afraid that he is burning his blood essence and fighting to the death!”

“To be able to force a reversion void stage to such a state, I’m afraid that only Xiao Sheng in this world can do it!”

Everyone was shocked, but only Xiao Sheng still had that indifferent expression.

That narrow and long eyes carried an icy cold killing intent. He raised his hand and formed a seal, slamming it toward Zhao Jing!

However, after burning his blood essence, Zhao Jing’s strength had once again increased. Xiao Sheng’s mark was easily dissolved by him. In the blink of an eye, he had arrived in front of Xiao Sheng!

Xiao Sheng did not choose to face him head-on. His body sank into the darkness and reappeared a short distance away!

This method was likely due to his control over the power of space to the extreme. Otherwise, he would definitely not be able to do this!

“Internal Qi!” Zhao Jing raised his head and roared furiously. His aura surged as if everything in this world was about to be used by him. Countless rays of light headed straight for Xiao Sheng!

Xiao Sheng raised his hand and used the Rashomon sect. Relying on the Rashomon sect, he had almost completely neutralized all of the spells!

“Xiao Sheng, do you only know how to escape! ?” Zhao Jing roared loudly.

With that said, Zhao Jing charged over once again. He used his life-or-death fighting style to force Xiao Sheng back repeatedly!

No matter how strong Xiao Sheng was, he was still unable to deal with a frenzied return to void stage cultivator.

Everything around him was destroyed. Nothing could be seen clearly. There were ruins everywhere.

The ground was in ruins, and the sky was covered by smoke and dust. This was an unprecedented battle.

“Bang!”

Finally, Zhao Jing succeeded. His thin and small palm slapped Xiao Sheng’s chest, forcing Xiao Sheng back a few steps!

Immediately after, a trace of fresh blood dripped out from the corner of Xiao Sheng’s snow-white mouth. His long hair swayed in the breeze, looking somewhat beautiful.

“Could it be that Xiao Sheng is going to lose?”

“Facing a person at the reversion void stage who is burning his blood essence, Xiao Sheng has already done it perfectly.”

“Yeah, no matter how strong he is, the gap in cultivation is still too big. It is a horizontal ditch that can not be crossed.”

Zhao Jing raised his head and laughed loudly. His face revealed a trace of madness as he roared, “Xiao Sheng, you will definitely die in my hands today!”

Xiao Sheng raised his hand and wiped the blood from the corner of his mouth.

After that, he looked coldly at Zhao Jing. Countless rays of light appeared behind him!

It was a phenomenon! It was Xiao Sheng’s phenomenon!

A tall figure appeared behind him and slowly took shape!

Everyone stared intently at Xiao Sheng, their eyes filled with shock and anticipation!

After a long while, a tall figure appeared behind him!

What was shocking was that the strange phenomenon that Xiao Sheng had formed was actually himself!

Qin Yu could not help but be shocked! He thought that he was the only one in the world who was like this. He did not expect Xiao Sheng to be the same!

His Dao technique was also self-respecting! This was an incomparable conceit!

Zhao Jing sneered and said, "Anomaly, is it useful? The gap between our realms can not be smoothed out through spells!"

Xiao Sheng did not say a word. He urged the anomaly and raised his palm to slap at Zhao Jing!

In an instant, it was as if the sky had collapsed. The Sky and earth were dark and incomparably terrifying!

This was the condensation of all the DAO technique and was extremely terrifying. It was also the convergence of Xiao Sheng's battle intent!

This seemingly simple palm had actually fused with almost all of his dao technique!

Zhao Jing could also see that this palm was not simple. He did not dare to be negligent. He immediately spat out a ray of light and prepared to chop this palm.

"Bang!"

At the instant of the collision, everything was shattered. The powerful airflow caused an extremely powerful whirlwind to blow up on the battlefield!

"Clang Clang Clang!"

Under this palm strike, Zhao Jing was actually forced back a few steps and was almost slammed into the ground!

If it wasn't for his powerful strength, this palm strike would have already taken his life!

"How could this be!" Zhao Jing's expression was somewhat ugly.

He had already exhausted all of his trump cards and spells, but he still wasn't able to gain any advantage!

Xiao Sheng's strength had far exceeded his imagination!

At this moment, the phenomenon behind Xiao Sheng moved again.

He raised his huge palm and pressed it against Zhao Jing.

The next second, a pitch-black radiance condensed!

This radiance was extremely huge, like a disc, incomparably terrifying!

When everyone saw this radiance, they could not help but be shocked!

“It’s the ravenous sect, the ravenous sect that was formed from the phenomenon!”

“Such a terrifying ravenous sect, doesn’t it mean that it’s going to swallow this entire world? !”

“The Ravenous sect that was activated by the phenomenon can probably swallow everything!”

Zhao Jing’s pupils couldn’t help but shrink. Since he dared to come, he naturally had a way to deal with the ravenous sect!

But even so, when he saw the ravenous sect that was activated by the phenomenon, he was still greatly shocked and incomparably terrified!

“Rashomon...” Zhao Jing gritted his teeth. He immediately took out a ball of blood from his glabella and shouted, “So what if it’s Rashomon? I, Zhao Jing, am not afraid of You!”

After saying that, Zhao Jing threw a ball of blood essence into the air. Then, the blood essence actually emitted a radiance. It was like a sun, incomparably hot, forming a sharp contrast with the Rashomon!

“I’m afraid this Zhao Jing has gone mad. He has unleashed so much blood essence. If he were to lose, I’m afraid he would no longer have the ability to fight.”

“Looks like he doesn’t care about anything else in order to defeat Xiao Sheng.”

“If he were to lose to a mighty figure at the reversion void stage, I’m afraid that history would be changed.”

For a moment, everyone was filled with emotions, but most of them were still looking forward to it.

One bright and one dark, the two rays of light collided at this moment!

The Rashomon sect was incomparably overbearing, as if it wanted to absorb everything within, and the disc formed from blood essence was no exception.

The blazing rays of light moved towards the Rashomon sect, and in a short moment, it collided with the Rashomon sect!

At this moment, the blazing rays of light began to expand, emitting an extremely intense energy, as if it wanted to transform the Rashomon sect into Dao!

The two rays of light began to come to a deadlock. Zhao Jing gritted his teeth and poured almost all of his internal Qi into the radiance!

Everyone broke out in cold sweat at that moment, because no one knew what the final outcome of this battle would be!

“Ah! !”

At that moment, Zhao Jing let out another explosive shout. He once again took out a drop of blood essence and shot towards the radiance!
