

My Rich Wife - Chapter 1731 – 1739

Chapter 1731: Don't Touch My Keepsake

His expression changed drastically.

The power of this gust of internal qi was beyond his imagination, and it was swift!

In the blink of an eye, Chao Shou had already rushed over.

He stood in the air and looked down at Qin Yu with a toying expression.

“Qin Yu, do you know the price of fooling me?” Chao Shou said indifferently.

Seeing Chao Shou in front of him, Qin Yu's heart thumped.

“How did you find me?” he asked with a frown.

“You want to escape from me? Do you think that's possible?” Chao Shou laughed.

The convoy behind him saw Chao Shou and hurriedly knelt.

“Greetings, Sect Master Chao...” The group of people said in a trembling voice.

“Sect Master Chao? You're Chao Shou?” Qin Yu's expression changed.

“That's right. I am Chao Shou,” Chao Shou replied indifferently.

“As expected.” Qin Yu took a deep breath.

It seemed that his speculation was correct. He had been discovered when he had stepped into Pilgrimage City.

“Sect... Sect Master Chao, we don't know him. I hope you can let us go...” the convoy behind him said in horror.

Qin Yu frowned slightly. He looked at Chao Shou and said, “This matter has nothing to do with them, right?”

“Indeed, it has nothing to do with them,” Chao Shou said indifferently.

Hearing this, the convoy behind heaved a sigh of relief.

“Many thanks, Sect Master Chao!” Everyone in convoy shouted and quickly got up, planning to leave.

“Let’s go, let’s go,” the leader said in a hurry.

However, at this moment, a beam of light descended from the sky and shattered their heads!

In a short moment, everyone in convoy had turned into corpses.

At this sight, Qin Yu’s face turned white with rage.

“Chao Shou, this matter has nothing to do with them. Why did you attack them!” His eyes were wide open as he glared at Chao Shou.

“Do I need a reason to step on a few ants to death?” Chao Shou replied indifferently.

“F**k you!” Qin Yu was furious. He clenched his fists tightly, and his body glowed with a golden light. His killing intent exploded to the extreme in an instant.

Chao Shou sneered. “What? Do you want to kill me? Do you think you are a match?”

“Go to hell!” Qin Yu raised his hand and threw a Ten Thousand Spell Breaking Punch. A golden light appeared in the sky and shot straight at Chao Shou!

This was a punch filled with anger. Its power exploded to the extreme, arriving in front of Chao Shou almost instantly.

Chao Shou didn’t have time to dodge, and the punch landed solidly on his body.

His entire body was instantly smashed into the ground, and several bones were broken. A massive depression in his chest almost pierced through his body.

“Pfft!”

He stood up from the ground and spat out a mouthful of blood.

Looking at Qin Yu coldly, he said, “You truly deserve the chaotic body. You can hurt me at the mere Almighty Realm.

“Go to hell!” How could Qin Yu listen to his nonsense? The only response was a destructive fist.

Chao Shou didn't want to waste any more time with him. He snorted coldly and took out the pearl immediately.

The pearl started to glow, and wisps of internal qi pressed down.

Almost instantly, Qin Yu was pressed to the ground as if carrying the weight of a massive mountain.

No matter how hard he tried, he could not move at all.

Even though his body was extremely tough, it was still in great pain as it was almost crushed.

Chao Shou walked up, looked down at him, and said, "You fooled and attacked me. You've committed a huge taboo. But don't worry, I won't kill you for now. Three days later, I'll take you to Nanzhou and execute you publicly."

Finishing, he picked up Qin Yu with one hand, turned around, and left.

Qin Yu was furious. His internal qi exploded to the extreme, but he still couldn't move an inch.

Chao Shou brought Qin Yu back to Pilgrimage City very quickly.

In the sect, he threw Qin Yu to the ground, then raised his foot and stepped on her face.

Chao Cang, who was at the side, quickly walked over.

He lowered his head to look at Qin Yu and sneered. "Little brat, you didn't come when I invited you that day. Do you regret it now?"

"F**k your regret!" Qin Yu cursed.

Chao Cang's eyes narrowed, and he snickered, "You still dare to argue with me? I think you're looking for death!"

After saying that, he clenched his fist and ruthlessly smashed it at Qin Yu.

For a time, clanging sounds could be heard. Chao Cang was also at the Reversion Void stage and was extremely powerful. Even Qin Yu's physical body could not withstand his fist.

Soon, Qin Yu vomited blood, and a few of his bones were broken.

Chao Shou raised his palm and grabbed Qin Yu's head with one hand. He sneered and said, "Take it easy. I will slowly torture you. When you wish you were dead, I will take you to Nanzhou."

"I think three days should be enough, right?" he said with a half-smile.

After saying that, he exerted more and more strength in his hand. Qin Yu's head suddenly hurt so much that it was almost crushed.

"Ah!"

Finally, Qin Yu could not help but let out a shrill scream.

"Swish!"

At this moment, a sharp blade suddenly fell from the sky and directly cut off Qin Yu's arm!

Before he could react, the sharp blade slashed at his other arm!

"Ah!"

The incredible pain made him raise his head and roar, but he had no room to resist.

"Qin Yu. Take it easy. This is only the beginning." Chao Shou said with a cold smile.

Immediately after, he took Qin Yu to a dungeon and tied him up with a few chains, making him unable to move.

Blood flowed down Qin Yu's arm without any signs of stopping.

Qin Yu gritted her teeth. Although losing an arm was nothing to a cultivator, he didn't have a secret technique like the Immortal Slaying Sect. It would take a long time for him to recover.

He closed his eyes and tried to adjust his breath to restore his body. However, at this time, he felt a chill from the chain, and it hit him like lightning!

His body suddenly tensed up, and he couldn't stop trembling.

Outside the door, Chao Shou looked at Chao Cang and said blandly, "Take everything on him. I heard that this brat has many treasures on him."

"All right!" Chao Cang didn't say anything but quickly walked to Qin Yu and started searching.

He pulled out Qin Yu's Spatial Magic Artifact and other items and put them in his pocket.

Suddenly, he saw the jade pendant hanging on Qin Yu's neck.

"Eh? What is this?" He reached out to grab the jade pendant on Qin Yu's chest.

Qin Yu's expression changed abruptly, and he roared angrily, "Don't you f**king touch it!"

The pendant was a token from Yan Ruoxue. It was essential to him.

But the more he got angry, the more interested Chao Cang was.

"It is mine now." Chao Cang reached out and grabbed Qin Yu's jade pendant.

Chapter 1732: The Yan Family's Arrival

Qin Yu struggled with all his might, trying to stop the nest, but the chains on his body made him unable to move.

No one knew what material the chains were made of or what secret technique was used on them. No matter how hard Qin Yu struggled, he could not move them.

Soon, Chao Cang grabbed the jade pendant and pulled it hard, holding it in his hand.

"Chao Cang. Put it down!" Qin Yu gritted his teeth and glared at Chao Cang.

While Chao Cang ignored him and fiddled with the jade pendant, scrutinizing it.

"It doesn't seem to be anything good." He frowned.

He squinted his eyes and looked at Qin Yu before he said with a faint smile, "Could it be that this thing has some special significance?"

Qin Yu glared at him, gritted his teeth, and said, "I can give you other dharma treasures if you return it to me!"

"Oh? Other treasures? Do you have any other treasures?" Chao Cang sneered.

Qin Yu opened his mouth and said in a hurry, "I have many secret treasures on me. If you return the pendant to me, I can give them all to you!"

“Do you think I’m an idiot? I’m afraid all your things are in this Spatial Magic Artifact, right?” Chao Cang snickered.

At this moment, Qin Yu was furious. He opened his mouth and cursed, “Chao Cang, you’d better return the thing to me, or you’ll face a disaster!”

“Hahahahahahaha!”

As soon as Chao Cang heard it, he couldn’t help but laugh.

“Since you care so much about it,” he said with a cold expression, “I’ll destroy it myself. I’d like to see what you can do to me!”

Qin Yu’s expression changed abruptly, and he hurriedly shouted, “Don’t!”

But unfortunately, it was too late.

Chao Cang held the jade pendant and suddenly exerted force, instantly crushing the jade pendant into pieces.

Looking at the shattered jade pendant, Qin Yu’s face turned white with rage.

Chao Cang, on the other hand, was sneering. He clasped his hands behind his back and said indifferently, “Brat, you don’t have many days left to live. Cherish it.”

After saying this, the two Chao brothers turned and left.

At the same time, in the Yan family’s grotto-heaven in Zhongzhou, a young girl who was cultivating suddenly opened her eyes.

Her skin was fair and beautiful, as if she had walked out of a painting. The gauze clothes on her body and the little embellishment between her eyebrows indicated her unique identity.

This person was none other than Yan Ruoxue.

The moment the jade pendant was crushed, she was jolted awake.

Qin Yu’s location quickly appeared in her mind.

“Qin Yu... is in danger.” Her brows furrowed slightly. She didn’t waste any time and immediately stood up and left.

In Xihuang.

The two brothers of the Chao family were searching for the dharma treasures in Qin Yu's Spatial Magic Artifact.

Unfortunately, the artifact had long been bound to Qin Yu, so they could not enter it.

"Motherf**ker!"

Chao Cang was flustered and exasperated. He threw the artifact to the side.

"There's no need to be angry." Chao Shou said indifferently, "I'm afraid he doesn't have anything valuable."

Although Chao Cang was a little unwilling, he could only nod.

"Sect Master, why do we have to leave three days later?" Chao Cang changed the topic.

"What's wrong? Can't wait?" Chao Shou raised his eyebrows.

Chao Cang nodded and said with a cold face, "I can't wait to see Xiao Sheng's face when he begs for mercy."

"Hahahahaha!" Chao Shou raised his head to the sky and laughed.

"I'm afraid you won't see him beg for mercy, but it won't be a problem to see his reputation ruined." Chao Shou said indifferently.

"I will use these three days to create enough panic and inform the entire Nanzhou of the terror of the Chao family!" Chao Shou sneered.

He flipped his palm and took out the mysterious pearl.

"During this period, I will continue to create panic in Nanzhou and destroy their psychological defense in one fell swoop," Chao Shou said coldly.

The following day.

The scene of Qin Yu being tortured was projected in the sky of Nanzhou.

The powerful methods of the two Chao brothers left the entire Nanzhou panicking.

"Qin Yu has also fallen into their hands. No wonder we haven't seen any trace of him for so long."

“There’s Yong Ji before him, unable to fight back. And then there’s Qin Yu, tormented to the point of wishing he was dead. This Chao Cang seems to be even more terrifying than Yuan Xiu.”

“It’s all over...”

For a moment, the entire Nanzhou was in a panic.

Whether the powerful or ordinary cultivators, they all felt a trace of fear in their hearts.

Some people took advantage of these few days to head toward the East Continent and left Nanzhou.

Some were even prepared to die, waiting for their deaths.

The border of Xihuang was empty, and no one dared to approach it.

Time flew.

In the blink of an eye, three days had passed.

That night, Chao Cang and Chao Shou came to Qin Yu’s prison.

They looked down at him and said, “Tomorrow is your day. Are you ready?”

Qin Yu had been tortured to the point where he no longer looked like a human. He was hanging in the air, his messy hair covering his face and blood spattering on the ground. The whole scene looked miserable.

“Say a few nice words, and we might let you die a quick death,” Chao Cang said in a sinister voice.

Qin Yu raised his head with difficulty and spat on their faces.

Chao Cang’s expression turned cold, and he snorted. “You reckless fool. I hope you can still be so unyielding tomorrow!”

After saying this, the two turned around and left.

The next morning.

A large group of people from Xihuang gathered.

Under the leadership of the two brothers of the Chao family, they were prepared to enter Nanzhou in one fell swoop.

And this scene was also projected in the sky above Nanzhou.

“It’s over. They’re coming.”

“I’m afraid Nanzhou can’t escape from this disaster.”

“If it’s possible, we’re willing to surrender.”

Although they said that, they had awful feelings in their hearts.

With the evil character of the two Chao brothers, they would not treat them well.

Chao Cang held Qin Yu’s hair with one hand and said with a cold smile, “Don’t worry. We’ll go to Nanzhou now.”

Qin Yu opened his mouth, but no words came out.

He had suffered inhuman torture in the past few days. Whether it was his body or his mind, he had suffered great trauma.

“This time, not only are we going to kill Xiao Sheng, but we are also going to take over Nanzhou. If there is a chance, we will sweep the entire Lizhou!” Chao Shou said coldly.

“Everyone, on my command. Set off to Nanzhou!”

With his order, the entire Pilgrimage City was moved.

They exuded extremely powerful internal qi and were ready to head to Nanzhou.

However, at this moment, the air trembled.

Then, a colossal teleportation gate appeared in front of them.

Before anyone could doubt it, a large group of people in cold armor walked out of the portal.

At a glance, at least hundreds of fully armed cultivators had stepped into Xihuang.

Chapter 1733: Crushing Pilgrimage City

They were wearing cold black armor, and no aura could be detected from their bodies. They were like killing machines.

From the powerful aura on their bodies, everyone could sense that they were extraordinary!

Such a scene shocked everyone!

Especially the two Chao brothers. Their expressions could not help but change.

They were unable to investigate the identity of this group of people, but they could still feel that this group of people was definitely not someone they could afford to offend!

At this moment, a young girl with her face covered walked out of the teleportation array.

Her figure was slender and beautiful. Even with her face covered, one could still see her natural beauty.

Chao Shou had a bad premonition. He quickly stepped forward, cupped his hands, and said, "May I know what business you have with Xihuang?"

Yan Ruoxue didn't say a word and only glanced at him.

Soon, her eyes fell on Qin Yu.

When she saw Qin Yu lying like a dead dog, she couldn't help but tremble!

Even though her face was covered, one could still see her expression at that moment!

Anger made Yan Ruoxue's body emit an extremely cold aura.

She suppressed the anger in her heart and lifted all the restrictions on his body with a light tap of her finger.

Qin Yu lost his support and fell to the ground with a loud thud.

This made the already angry Yan Ruoxue even more furious!

She took a deep breath, then said coldly, "Kill them all, leave no one alive."

These words were extremely cold, causing the expressions of the two Chao brothers to change greatly!

Chao Shou was even more puzzled as he said, "I don't know how I've offended you, but why did you attack Pilgrimage City?"

Yan Ruoxue didn't even want to pay attention to him and only gave her orders coldly.

At this moment, Chao Shou also knew that this group of people would definitely not show mercy. He shouted, "I have no enmity with you, aren't you being too rude? I'm telling you, I, Chao Shou, am not to be trifled with!"

At this moment, the hundreds of armored soldiers moved.

In an instant, an extremely powerful aura burst out from their bodies!

A terrifying sense of oppression hit them in the face. Just this aura alone made the entire Pilgrimage City tremble!

Chao Shou's expression changed drastically!

This aura was too powerful. It was not what they could resist at all!

"I... There must be some misunderstanding between us!" Chao Shou hurriedly knelt down and begged for mercy.

However, how could Yan Ruoxue be soft-hearted? with a wave of her Jade-like hand, the hundreds of armors moved!

In the face of these hundreds of armors, the so-called Return To Void stage cultivators were not even worth mentioning, let alone the people from Pilgrimage City.

In the blink of an eye, the entire Pilgrimage City was covered in corpses and blood flowed like a river!

They didn't even have any room to resist and were killed with a raise of their hands!

The entire Pilgrimage City was destroyed in an instant!

The two Chao brothers' expressions turned extremely ugly in an instant!

The strength of this group of people far exceeded their imagination!

Chao Shou didn't dare to think too much. He knelt on the ground, trembling, and said with a trembling voice, "No... I don't know how I've offended you, but please show mercy, I... I'm willing to give you the most precious treasure, but I only ask that you spare our lives!"

Chao Shou dragged the pearl with both hands and didn't even dare to raise his head.

"Purple cloud pearl?"

When she saw the pearl, Yan Ruoxue's brows furrowed.

She reached out her hand and the purple cloud pearl fell into her hand.

“I obtained this pearl by chance. Now, I’m giving it to you as a gift. I only hope that you can spare our lives...” Chao Shou said in a trembling voice.

However, would Yan Ruoxue give him the chance? She looked coldly at Chao Shou in front of her and said, “You damn thing, die.”

Chao Shou’s expression changed. He opened his mouth and was about to shout, but before he could say anything, a sharp blade suddenly arrived and instantly beheaded him!

Seeing this, Chao Cang immediately ran!

His speed was extremely fast, and he escaped in the blink of an eye!

However, a huge hand covered the entire sky, stretching out and then suddenly slapping down.

“Boom!”

A loud sound rang out, and dust flew in an instant. The nest was directly smacked into a meat paste!

However, this did not reduce the anger in Yan Ruoxue’s heart.

She looked around and said coldly, “Leave no one in Pilgrimage City alive.”

“Yes!”

Hundreds of armored soldiers attacked instantly, launching a massacre on Pilgrimage City!

In less than half an hour, Pilgrimage City was filled with wails and cries. Not even chickens and dogs were left. Everyone had died a tragic death.

The extremely powerful Pilgrimage City was destroyed in an instant, becoming a dead city.

After that, they returned to Yan Ruoxue’s side and waited for her orders.

Yan Ruoxue’s gaze, however, was on Qin Yu, who was lying on the ground.

With a light leap, she arrived in front of Qin Yu.

When she looked at Qin Yu, her eyes suddenly became as tender as water.

She gently caressed Qin Yu's face and could not help but smile.

Yan Ruoxue then took a pill and stuffed it into Qin Yu's mouth.

After swallowing the pill, Qin Yu's injuries began to heal slowly.

Just like that, Yan Ruoxue stayed by Qin Yu's side and didn't say a word. She only looked at Qin Yu quietly.

After an unknown period of time, the man in armor beside him walked forward and reminded, "Miss, we should go back now. Otherwise, the master will notice."

Yan Ruoxue grunted in agreement. She took the purple cloud pearl and placed it in Qin Yu's hand.

"Miss, this purple cloud pearl is of great significance. Should we bring it back?" The man in armor frowned slightly.

"That's right. Even to the Yan family, the purple cloud pearl is a rare treasure. Isn't it inappropriate to leave it here..."

"We can leave him with other supreme treasures, even if it's a Saint Weapon. But this purple cloud pearl..."

Yan Ruoxue's expression turned cold as she said, "What purple cloud pearl?"

The crowd was stunned, clearly not understanding what Yan Ruoxue meant.

Yan Ruoxue coldly replied, "Why would you think that I haven't seen the purple cloud pearl before? This is just an ordinary pearl, not the purple cloud pearl."

"Miss, that is indeed the purple cloud pearl. Then..."

Before he could finish his sentence, he could feel the intense killing intent from Yan Ruoxue. He immediately shut his mouth and did not dare to say anything more.

"I've already said that it's just an ordinary pearl. If anyone dares to speak nonsense, don't blame me for being impolite," Yan Ruoxue said coldly.

"It's... Yes." The armored men didn't dare to say anything and cupped their hands.

After that, Yan Ruoxue looked at Qin Yu and gently caressed her face. After making sure that Qin Yu was fine, she stood up and said, "Let's go."

In front of them, a teleportation entrance appeared.

Just as they were about to leave, Qin Yu suddenly grabbed Yan Ruoxue's hand.

Qin Yu held on tightly to Yan Ruoxue.

Yan Ruoxue was stunned. She quickly turned around and looked at Qin Yu.

At this moment, Qin Yu was struggling to open her eyes and force a smile.

"You have indeed come..." Qin Yu opened his mouth and murmured in a low voice.

Yan Ruoxue ignored all the obstructions and quickly returned to Qin Yu's side.

She grabbed Qin Yu's hands with both hands and said in a soft voice, "I told you, as long as you crush the jade, I will definitely come back for you."

"Miss, we must return immediately. If the master finds out that we sneaked out, I'm afraid we'll get into trouble." The person behind reminded her.

However, Yan Ruoxue ignored him and continued to hold Qin Yu's hand tightly.

"Miss, if the master finds out, I'm afraid it will bring him trouble." at this time, someone reminded her.

When she heard this, Yan Ruoxue's expression immediately became a little unnatural.

She tried her best to maintain her smile and whispered, "Qin Yu, I have to go. I will wait for you in Zhongzhou..."

Qin Yu grabbed Yan Ruoxue's hand tightly and said with difficulty, "I don't want you to marry someone else. I'll definitely beat up the other chaotic body..."

Yan Ruoxue was stunned. She never thought that Qin Yu already knew about these things.

For a long time, Yan Ruoxue did not say a word.

After a long time, she forced a smile and said, "I will do my best and promise to only marry you."

"Miss, we really have to go." The person behind her urged.

Yan Ruoxue had no choice but to let go of Qin Yu's hand. She whispered, "Qin Yu, protect yourself."

With that, Yan Ruoxue followed the group of people and stepped into the teleportation formation.

After the flashes of light, Pilgrimage City returned to its peaceful state as if nothing had happened.

Qin Yu lay on the ground, feeling a deep sense of powerlessness again.

In the face of the powerful Yan family, Yan Ruoxue was probably under great pressure.

After all, this was a world of cultivation. Strength was everything. Without great strength, no one could change anything.

He lay on the ground, looking up at the sky.

He was surrounded by a strong and pungent smell of blood, and he was surrounded by dirty blood.

Qin Yu was lying there, recovering from his injuries and calming himself down.

The powerful pressure made Qin Yu unable to calm down for a long time.

The other chaotic body was probably so powerful that Yan Ruoxue had lost confidence.

To Qin Yu, this was something he could not accept.

He got up from the ground with difficulty and walked out of Pilgrimage City with heavy steps.

Then, Qin Yu summoned the Divine Eagle.

He sat on the back of the Divine Eagle and searched for the next city.

Even though Qin Yu had not seen the Yan family make a move, the current situation in Pilgrimage City had explained everything.

To be able to cause rivers of blood to flow in Pilgrimage City in such a short time, the Yan family must be much more powerful than he had imagined.

On the other side.

The entire Nanzhou was anxiously waiting for the arrival of the two Chao brothers.

They had seen with their own eyes the large gathering of the Chao family's troops. Many people had spontaneously gathered together, planning to face this disaster together.

However, as time passed, no one from the Chao family arrived.

Very quickly, the sky darkened, but the entire Nanzhou was still calm.

"What's going on? Could the two Chao brothers be joking?"

"Impossible, who would joke about this kind of thing."

"Could it be that they changed their decision at the last minute?"

For a moment, everyone was puzzled, but their nerves were still tense.

At this moment, a piece of news reached Nanzhou.

Pilgrimage City had been destroyed by a mysterious force in an instant. The entire city had become a dead city with no signs of life!

As soon as these words were spoken, the entire Nanzhou immediately boiled over!

They were rejoicing over the fact that they had avoided this disaster while guessing who the mysterious force was.

"To destroy Pilgrimage City in a short time, what kind of power is this? Could it be that a True Saint is making a move?"

"I'm afraid that no one other than a True Saint can do this!"

"But there is no environment in this world that can give birth to a True Saint..."

"The Ancient Saints must have done it. Don't forget that there are still Ancient Saints alive in this world."

"Ancient Saint? How could there be an Ancient Saint in Lizhou?"

The entire Nanzhou was shocked, but no one knew who the attacker was.

This matter became more and more mysterious. In the end, there were even rumors that the Chao family had angered the heavens and earth and was instantly destroyed.

However, no matter what the reason was, Nanzhou had indeed survived this disaster.

In a remote place in Nanzhou.

Xiao Sheng had also received this news.

In contrast to everyone's shock, he looked extremely calm, as if he had already guessed it.

...

In the North Plain.

Yuan Xiu, who had been waiting for good news also received the news at this moment.

"Lord, there are no signs of a fierce battle at the scene. I'm afraid this is a one-sided massacre." Sima Bei said in a low voice.

Yuan Xiu narrowed his eyes and frowned, "A one-sided massacre? The two brothers of the Chao family may not be considered powerful, but the secret treasures in their hands cannot be underestimated. Who has such terrifying abilities?"

"Could it be as they have guessed? Could it be an Ancient Saint from Nanzhou?" Sima Bei said with a frown.

"Impossible," Yuan Xiu snorted and said, "How could there be an Ancient Saint in Nanzhou?"

"But other than the Ancient Saints, I'm afraid no one can kill the two brothers of the Chao family so easily." Yong Ji couldn't help but frown.

He had personally experienced the terrifying power of the purple cloud pearl. It was a terrifying Dharma Treasure that was comparable to the aura of a True Saint!

Yuan Xiu remained silent. With a cold expression, he said, "Now is not the time to think about this. Since the two brothers from the Chao family are dead, then you must head to Nanzhou as soon as possible. No matter what price you have to pay, you must find Xiao Sheng. You cannot let him step into the Reversion Void Stage!"

"Understood." Yong Ji nodded and left.

In the dark.

He Teng quietly listened to all of this.

He was different from Yong Ji and the others. He had already guessed something about the destruction of Pilgrimage City.

"The Yan family of the nine great aristocratic families. Other than them, I'm afraid no one else can wipe out a city without a sound." He Teng narrowed his eyes and sneered.

He was also an old acquaintance of Yan Ruoxue and was quite familiar with her background and personality.

When she was on earth, there were countless legends about her.

“Yan Ruoxue, you’re still secretly helping him.” He Teng sneered.

But he did not panic, because he quickly thought of a countermeasure.

Of course, He Teng didn’t tell Yuan Xiu. After all, he didn’t even treat them as his own.

In the following days, Qin Yu was still in Xihuang, looking for the city.

Chapter 1735: The Dispirited Xiao Sheng

Xihuang was huge, and it was not easy to find the city.

Fortunately, hard work paid off. After several days, Qin Yu finally saw the legendary Ancient Tomb City.

Ancient Tomb City was just like the legends. Looking down from above, it was actually filled with ancient tombs.

These ancient tombs exuded a cold chill, which was obviously caused by dark energy.

This surprised Qin Yu, because after the great change of heaven and earth, most of the dark energy had been affected, but this place was obviously not.

“Could it be that this Ancient Tomb City also has some terrifying existence?” Qin Yu thought to himself.

He didn’t waste any time and rushed to Ancient Tomb City.

The history of Ancient Tomb City was very special. Many people were born to cultivate evil, and they relied on dark energy.

It was for this reason that a group of people gathered in Ancient Tomb City.

Qin Yu arrived at the city gate. As soon as he stepped in, he felt a gloomy aura.

He released his divine sense, which covered more than half of the city.

Soon, Qin Yu found a large group of people in Ancient Tomb City.

However, what made Qin Yu feel strange was that the strength of the people in Ancient Tomb City was not strong. There was not even a single one in the Reversion Void Stage.

“It seems like the great change in the world isn’t good news for these people.” Qin Yu thought to himself.

He walked cautiously into Ancient Tomb City, afraid that he would meet people like the two Chao brothers again.

Fortunately, no one noticed Qin Yu along the way, which made him feel a little relieved.

All he could see were tombs.

There were no names carved on the tombs, but there were tombstones erected one after another.

All the dark energy in Ancient Tomb City came from these tombstones.

Qin Yu could not help but feel a little strange. He stopped one of the men and asked politely, “Brother, where did these tombstones come from? Why is there such cold dark energy?”

The man looked at Qin Yu up and down, then said, “I don’t know either. I heard that this place used to be an ancient battlefield and many people died here. As for these tombstones, I heard that they were set up by their descendants.”

“Their descendants? Then why isn’t there a name?” Qin Yu asked, a little confused.

The other party laughed and said, “Who said there’s no name? It’s just that it’s been too long and they have long been erased by time. Look carefully, there are still some words left on some of the tombstones.”

Qin Yu took a closer look. There were indeed some marks, but they were no longer visible.

Not only that, but many tombstones seemed to have been weathered, breaking into pieces.

“Many thanks.” Qin Yu slightly bowed to him as a greeting.

Qin Yu didn’t want to provoke anyone in Ancient Tomb City. He just wanted to focus on his cultivation.

Thus, he found a desolate place and sat down cross-legged, beginning to absorb the dark energy from this place.

Qin Yu's heart was not calm.

Too many unknown risks flashed through his mind.

The chaotic body in Zhongzhou would probably cultivate in the same way as Qin Yu, so there would be competition in the future.

However, he had a strong background, and Qin Yu would be at a disadvantage.

"Sigh." Qin Yu sighed slightly and stopped thinking about it. He could only take one step at a time.

Time flew by, and in the blink of an eye, half a month had passed.

It was getting closer and closer to the resurrection of Yuan Xiu.

In this half a month, it was as if Xiao Sheng had vanished from the face of the earth, and no one could find him.

The entire Tianyun Sect was extremely anxious. They had received news that Yuan Xiu was about to recover. If Xiao Sheng could not reach the Reversion Void Stage before that, the consequences would be unimaginable.

"In the last battle, the sect master was seriously injured. I'm afraid it won't be easy for him to recover in a short time." The Deputy Sect Master sighed.

"That's right. If you want to break through to the Reversion Void Stage, you have to at least ensure that your body is in a state of complete recovery. Otherwise, you'll probably die under the heavenly tribulation.

Everyone discussed and was worried.

In the North Plain.

Yuan Xiu divided the North Plain into several teams.

One team was to search for Xiao Sheng, while the other team was in charge of collecting the divine sense and strength of cultivators.

Everything was proceeding in an orderly manner. However, Xiao Sheng had not been found yet, which gave Yuan Xiu a bad premonition.

A few more days passed.

The aura of Yuan Xiu's true body, which was sitting at the foot of the snowy mountain, became increasingly powerful.

Compared to the true body, Yuan Xiu's clone seemed insignificant.

"Lord, at this rate, how long will it take?" Sima Bei asked.

Yuan Xiu clasped his hands behind his back and said indifferently, "Five days at most."

"Five days..." Sima Bei muttered in a low voice, then said, "That Xiao Sheng shouldn't be able to cause any major waves in five days."

"As long as Xiao Sheng is dead, no one in Lizhou will be able to stop me!" Yuan Xiu said coldly.

"That being said, don't forget what happened in Xihuang last time." Sima Bei could not help but remind him.

Ever since the incident in Xihuang, there had been rumors that there was a living Ancient Saint in Lizhou.

The more the news spread, the more true it became. Some people even said that the living Ancient Saint was the owner of the white bone stick.

"There can't be any living Ancient Saints in Lizhou." Yuan Xiu was extremely confident in this.

Seeing this, Sima Bei did not say anything more and could only nod silently.

Ancient Tomb City.

The dark energy here was extremely dense, enough for Qin Yu's cultivation.

In a few days, Qin Yu had absorbed more than half of the dark energy in the Ancient Tomb City. His cultivation seemed to be about to reach the Peak of Mighty Realm.

"if I return to Nanzhou now, I'm afraid I'll have to come back again." Qin Yu thought to himself.

However, if he continued to stay, the dark energy here would not be enough to support Qin Yu to enter the half-step Reversion Void Stage.

After thinking about it again and again, Qin Yu finally decided to return to Nanzhou for the time being.

So, Qin Yu got up and left Ancient Tomb City. He summoned the Divine Eagle and went straight to Nanzhou.

After two or three days, Qin Yu returned to the border of Nanzhou.

As soon as he stepped into Nanzhou, Qin Yu sensed a familiar aura.

He activated his desolate divine eye and looked in a certain direction.

Three hundred stars away, Xiao Sheng was sitting cross-legged, slowly recovering his aura.

When Qin Yu's gaze fell on him, he opened his eyes slightly and a golden light shot straight at Qin Yu!

Qin Yu frowned slightly.

He looked around. This was the border between Nanzhou and Xihuang.

Why would Xiao Sheng appear here?

Qin Yu didn't think too much about it. He immediately dashed toward Xiao Sheng.

When Qin Yu arrived, he was surprised to find that Xiao Sheng was no longer there.

"Strange." Qin Yu frowned slightly.

Just as he was about to activate his desolate divine eye, Xiao Sheng suddenly appeared behind Qin Yu.

He put a hand on Qin Yu's shoulder and said in a low voice, "Oh, it's you."

Qin Yu was stunned, and he quickly turned around to look at Xiao Sheng.

At this moment, Xiao Sheng's aura was somewhat dispirited, and it was quite different from his peak state.

Chapter 1736: Xiao Sheng's Closed-Door Cultivation

Seeing Xiao Sheng in such a state, Qin Yu was shocked.

This was very different from the high-spirited Xiao Sheng. It was no exaggeration to say that Qin Yu had never seen Xiao Sheng in such a state!

He sent out a wisp of his consciousness to cover Xiao Sheng, only to discover to his surprise that there was no spiritual energy in his body at all.

In such a state, any Mighty Realm would be able to kill him easily, let alone Yuan Xiu!

“You... You are...” Qin Yu opened her mouth in shock.

Xiao Sheng shook his head and did not answer the question.

“What happened?” Qin Yu frowned.

Qin Yu did not know about the battle between Yuan Xiu and Xiao Sheng. Now that he saw Xiao Sheng’s condition, he was even more puzzled.

Xiao Sheng then told Qin Yu what had happened.

Only after hearing this did Qin Yu realize that Yuan Xiu had already been here and that Xiao Sheng had really killed Yuan Xiu at the Reversion Void Stage.

“In other words, your current state is because of that battle?” Qin Yu said with a frown.

“No,” Xiao Sheng shook his head, “This is a path that I must endure in my cultivation.”

“Must endure? What do you mean by that?” Qin Yu was confused.

“This is my Dao,” said Xiao Sheng, “If I want to step into the Reversion Void Stage, I have to convert my cultivation technique.”

“I am only able to reach the Reversion Void Stage after I disperse all of my powers.”

Qin Yu was stunned. although he felt that it was a little strange, he was not too surprised.

There were tens of millions of cultivators in the world, and each of them had a different dao technique. Qin Yu had long been used to it.

“So you ran to the border of Xihuang? This place doesn’t seem safe.” Qin Yu said with a frown.

“The most dangerous place is often the safest,” said Xiao Sheng indifferently.

“I’ll take you to a place,” Qin Yu said after some thought. “Maybe your safety can be guaranteed there.”

“What place?” Xiao Sheng asked.

“The Divine Capital City,” Qin Yu replied with a smile.

At the mention of Divine Capital City, Xiao Sheng also recalled.

Back then, Qin Yu had hidden in Divine Capital City to avoid the First Elder’s pursuit.

“Don’t waste any more time, come with me.” Qin Yu summoned the Divine Eagle and took Xiao Sheng with him, heading straight for the Divine Capital City.

Along the way, Xiao Sheng sat cross-legged on the back of the Divine Eagle. Then, he suddenly asked, “The matter in Xihuang, it has something to do with you, right?”

Qin Yu was stunned for a moment before he nodded.

“Is it an aristocratic family from Zhongzhou?” Xiao Sheng continued to ask.

Qin Yu nodded in agreement.

“Which aristocratic family in Zhongzhou?”

“The Yan family.”

“Oh, one of the nine great aristocratic families. You do have an impressive background.”

“It’s not my background,” Qin Yu said with a wry smile. “The Yan family and I might become enemies in the future.”

Upon hearing this, Xiao Sheng fell silent.

He didn’t ask any more questions, and just closed his eyes.

After arriving at the Divine Capital City, Qin Yu activated the formation and brought Xiao Sheng into the city.

After the two of them entered, the Divine Inscription Formation immediately sealed itself, and no one was able to step inside.

“Your safety can be guaranteed here. There are only two people in this huge city. One is Zhuo Jing, and the other is not very strong.” Qin Yu said.

Xiao Sheng nodded his head slightly, as if he had agreed.

Qin Yu took him all the way to the back mountain.

At this moment, Zhuo Jing was still in seclusion and had no intention of waking up.

“Is this kid going to reach the Reversion Void Stage in one go?” Qin Yu couldn’t help but underestimate him.

“It’s not that easy to reach the Reversion Void Stage. From what I know, the youngest Reversion Void Stage cultivator in history was three hundred years old,” Xiao Sheng sighed.

“Three hundred years old?” Qin Yu was stunned.

He counted on his fingers. Damn it, he didn’t even have forty years of life.

Wasn’t this too far away from the Reversion Void Stage?

“Maybe it’s because they didn’t live in such a Golden Age?” Qin Yu guessed.

However, Xiao Sheng shook his head and said, “Do you think that there has only been one Golden Age in history? If we exclude the Golden Age, the fastest to reach the Reversion Void Stage would take a full 500 years, and that would still be a rare genius.”

This made Qin Yu fall silent.

He recalled Xiao Yu’s words, “Don’t set foot in Zhongzhou until you reach the Reversion Void Stage.”

However, the day of the Path of Heaven was only three to five years away. How could Qin Yu afford to wait?

“Is there any other way?” Qin Yu asked.

“Not for now, but who can say for sure when it comes to cultivation?” Xiao Sheng shook his head.

Qin Yu sighed slightly and suddenly felt extremely stressed.

“Don’t be too dejected. Perhaps this Golden Age will be different from the previous ones. After all, countless people have already reached the Reversion Void Stage as soon as this Golden Age arrived. Many of them are only a little over three hundred years old.” Xiao Sheng said.

“I hope so,” Qin Yu said with a bitter smile.

After bringing Xiao Sheng to Divine Capital City, Qin Yu also took out the dragon’s blood, planning to break through to the Peak of the Mighty Realm.

It was not difficult to step into the Peak of the Mighty Realm, so Qin Yu did not feel too much pressure.

“Yuan Xiu will be resurrected in a few days.” At this moment, Xiao Sheng suddenly revealed a piece of bad news.

Hearing this, Qin Yu’s expression changed slightly. He frowned and said, “A perfect body Yuan Xiu?”

“Yes.” Xiao Sheng nodded.

“How long will it take you to reach the Reversion Void Stage?” Qin Yu asked.

“At least ten days, at most half a month.” Xiao Sheng said.

“Then wouldn’t it be too late no matter how much time you calculate?” Qin Yu said with a frown.

Xiao Sheng nodded his head slightly, then said with a meaningful tone, “Before I reach the Reversion Void Stage, I’ll have to rely on you.”

Qin Yu smiled bitterly.

That was a perfect body Yuan Xiu! even if Qin Yu gave it his all and advanced to the half-step Reversion Void Stage in the next few days, he would still not be a match for Yuan Xiu!

“Of course, if you can get the Yan family to take action, I don’t think Yuan Xiu is worth mentioning,” Xiao Sheng said in a half-joking, half-serious manner.

Qin Yu sighed slightly. This was obviously an impossible thing.

“I’ll try.” Qin Yu said.

He thought of the purple cloud pearl in his hand. Although he was still unconscious when Yan Ruoxue handed the purple cloud pearl to Qin Yu, Qin Yu could still faintly hear a few words from their conversation.

With the purple cloud pearl, Qin Yu might be able to fight.

After that, Xiao Sheng wasted no more time and started his own cultivation.

Three days later, Qin Yu had successfully advanced to the Peak of Mighty Realm and was only a step away from the half-step Reversion Void Stage.

According to Xiao Sheng, Yuan Xiu would be resurrected in two days. Qin Yu could not do much in these two days, so he left Divine Capital City and prepared to visit Wen Wanchong and Qu Zhu.

If the two of them attacked together, they might have a greater chance.

Qin Yu took out the purple cloud pearl before he left the Divine Capital City.

The purple cloud pearl was shining in Qin Yu's palm. It was extremely mysterious, and the aura it emitted was extremely strange.

Chapter 1737: On the Verge of Resurrecting

Qin Yu did not know how to use the purple cloud pearl, but judging from the Yan family's tone, the use of the purple cloud pearl was probably beyond his imagination.

So, Qin Yu flicked a wisp of his breath into the purple cloud pearl.

The moment it entered, Qin Yu's divine sense felt an extremely powerful force coming at him!

Qin Yu was overjoyed by this. He hurriedly activated the purple cloud pearl and exuded a wisp of aura, just like Chao Shou.

At some point, the sky turned dark and a terrifying aura swept through the entire Divine Capital City!

At this moment, the Divine Inscription Formation flickered and glowed, forming one thin line after another in the air. They were so dense that it was as if they were about to shatter!

After feeling the power, Qin Yu quickly put away the purple cloud pearl.

He was overjoyed. The power of the purple cloud pearl was more terrifying than he had imagined!

With this pearl, he would have enough confidence in dealing with Yuan Xiu!

"So the two brothers of the Chao family rely on this." Qin Yu thought to himself.

After much consideration, Qin Yu finally decided to make a trip to Fengzhu Mountain and Dayue Mountain. He would be more confident with two Reversion Void Stage mighty figures around.

So, Qin Yu left the Divine Capital City.

Fengzhu Mountain was relatively close to this place, so Qin Yu rushed to Fengzhu Mountain first.

At the same time, many cultivators from the North Plain were surrounding the foot of the snowy mountain.

Yuan Xiu was sitting cross-legged on the snowy mountain. A powerful aura was brewing between his brows.

His terrifying divine sense seemed to be completely taking form at this moment!

“It won’t be long before I can be completely resurrected.” Yuan Xiu took a deep breath. The excitement in his eyes could not be concealed.

Sima Bei, Yong Ji, and the others lowered their heads and followed behind Yuan Xiu.

“Without the two brothers of the Chao family, it will be convenient for me to unify Lizhou.” Yuan Xiu said coldly.

When this topic was brought up, Yuan Xiu could not help but think of Xiao Sheng.

Thus, Yuan Xiu looked at the person beside him and coldly said, “Have you found Xiao Sheng?”

Yong Ji and Sima Bei shook their heads and said, “We still... haven’t.”

Yuan Xiu’s face turned cold as he rebuked, “You two pieces of trash! What do I need you for?”

This matter was the responsibility of Sima Bei, so he naturally did not dare to say much.

Yuan Xiu’s face darkened and he said in a low voice, “Xiao Sheng is an unstable factor. If he steps into the Reversion Void Stage, he will definitely become my obstacle. I have to find a way to get rid of him.”

Although he said this tactfully, Yuan Xiu was actually not confident at all.

if Xiao Sheng had reached the Reversion Void Stage, he didn’t think he would have any chance of winning.

“Master, why are you so worried about Xiao Sheng? With the inheritance of the Immortal Slaying Sect, I don’t think Xiao Sheng is worth mentioning.” He Teng said from the side.

Yuan Xiu cast a cold glance at He Teng and snorted. “What I’ve comprehended is just the tip of the iceberg. If I can completely comprehend the Immortal Slaying Sect’s inheritance, I won’t be afraid of even Zhongzhou, let alone Xiao Sheng!”

He Teng remained silent, but he was mocking in his heart.

It’s a f*cking waste for such a sacred inheritance to fall into your hands.

“Lord, our men are still searching for traces of Xiao Sheng in Nanzhou. Don’t worry, as long as he dares to show himself, I guarantee that he will die without a doubt!” Sima Bei said as he bowed.

Yuan Xiu snorted coldly. Just as he was about to speak, someone ran over in a hurry.

“Lord, there’s news of Xiao Sheng!”

A man in black quickly ran to Yuan Xiu and knelt on the ground.

Yuan Xiu’s eyes lit up.

“Tell me, where is Xiao Sheng?” he said hurriedly.

The man in black didn’t dare to waste time and quickly said, “Our men found Xiao Sheng in Nanzhou today. He and Qin Yu are heading towards the Divine Capital City.”

“With Qin Yu?” hearing this, Yong Ji’s eyes lit up.

Sima Bei narrowed his eyes and sneered, “That’s just right, I’ll kill him too!”

“Lord, let me do this!” Yuan Xiu volunteered. “I have a deep grudge against Qin Yu. I must kill him!”

Sima Bei glanced at Yong Ji, then said, “All of you, go together. No matter what, we must ensure that Xiao Sheng is dead.”

“Yes!” Yong Ji agreed without even thinking.

However, at this moment, Sima Bei said, “I remember that the Divine Capital City is very difficult to enter, even for those in the Reversion Void Stage.”

After Sima Bei’s reminder, Yong Ji’s alarm also rang.

He had been too excited just now and had forgotten about this.

“Indeed, the Divine Capital City has a Divine Inscription Formation. I’m afraid it won’t be easy to break in,” he said in a low voice with a frown.

“No matter how difficult it is, I still have to try.” Yuan Xiu said coldly.

“The three of you, go together. No matter what, we have to break the Divine Inscription Formation and kill Xiao Sheng!”

The three of them received the order and immediately left the North Plain, heading straight for the Divine Capital City.

As for Yuan Xiu, he stayed behind to ensure that his body could resurrect completely.

...

Fengzhu Mountain.

Qin Yu sat across from Qu Zhu and expressed her intention.

“All we need to do is wait until Xiao Sheng reaches the Reversion Void Stage,” Qin Yu said in a deep voice.

“That’s a completely revived Yuan Xiu,” Qu Zhu lamented. “His strength is definitely not something an ordinary Reversion Void Stage cultivator can compare to. I’m afraid he’s already reached the middle stage of Reversion Void. I’m afraid we’re not his match.”

“Yes.” Qin Yu nodded and said, “We might not be his match, but I have a way.”

“You have a way?” Qu Zhu smiled but didn’t say anything. Apparently, he didn’t believe Qin Yu.

“Mmm.” Qin Yu nodded and continued, “We’re just stalling for time anyway. I think we should be able to do it.”

“Alright,” he said. This time, Qu Zhu agreed without hesitation, which surprised Qin Yu.

Seeing Qin Yu’s shocked expression, Qu Zhu said jokingly, “What, you don’t think I’ll do anything?”

“That’s right.” Qin Yu nodded with a bitter smile.

Qu Zhu sighed. “I didn’t want to do it. I don’t know why, but I’ve changed my mind.”

“After defeating Yuan Xiu that day, people came to visit Fengzhu Mountain every day. I’ve never received such treatment before.

“I think I can understand Xiao Hai a little.”

At the mention of Xiao Hai, Qin Yu could not help but sigh. “If Senior Xiao Hai was still alive, perhaps we wouldn’t be in such a sorry state.”

Qu Zhu rolled his eyes at Qin Yu and said, “The dead can’t be brought back to life, don’t think about that anymore.”

Qin Yu nodded, then stood up and said, “Then I won’t disturb you any longer.”

After leaving Fengzhu Mountain, Qin Yu went straight to Dayue Mountain.

Just as Qin Yu was heading to Dayue Mountain, Yong Ji and the others had already arrived at the Divine Capital City through the teleportation formation.

They looked down at Divine Capital City from above with extremely cold expressions.

“This is the Divine Capital City?” Sima Bei’s eyes narrowed.

“Yes,” Yong Ji said. “It used to be a dead city. I don’t know what kind of luck Qin Yu had, but he actually revived the formation here.”

Chapter 1738: Purple Cloud Pearl and Jue Wu

Yong Ji, Sima Bei, and He Teng looked at the Divine Capital City in front of them with complicated expressions.

While they were excited to find Xiao Sheng, they were also feeling a slight headache over the Divine Inscription Formation.

“Don’t waste any more time. Whether we succeed or not, we have to try.” Sima Bei was the first to speak.

With that, he reached out his palm and held a ray of light. Then, he approached Divine Capital City!

Countless rays of light pounced toward Divine Capital City. Just as they were about to make contact, the Divine Inscription Formation automatically came to life. The dense divine inscriptions shattered these countless rays of light!

Seeing this, Sima Bei could not help but frown.

“This formation truly lives up to its name.” Sima Bei said coldly.

“Qin Yu was hiding here to avoid Tianyun Sect’s pursuit,” Yong Ji scoffed coldly.

With that, he also raised his palm and struck at the Divine Capital City.

Unfortunately, the result was the same as Sima Bei’s. There was no way to break the Divine Inscription Formation.

After which, the three of them attacked together. They spared no effort in trying to break this Divine Inscription Formation. However, the results were far from satisfactory.

The Divine Inscription Formation was so powerful that even the three of them couldn’t shake it at all!

Within the city, Xiao Sheng had naturally sensed the terrifying sound. He quickly noticed the three people outside.

As such, Xiao Sheng could not help but raise his head to look at the Divine Inscription Formation that was densely covering the sky.

Even though he trusted Qin Yu, he was still worried about the Divine Inscription Formation.

After making sure that the Divine Inscription Formation wouldn’t be broken by the three of them, he closed his eyes.

Outside, the three of them looked a little disheveled.

They had used all of their techniques, but they were still unable to do anything to the Divine Inscription Formation.

“Try using your White Bone Club.” At this moment, Yong Ji looked at He Teng.

He Teng’s brows furrowed slightly. Although he was somewhat unwilling, he still took out the White Bone Club in the end.

The White Bone Club was the only confirmed Saint Weapon in the entire Nanzhou. even though it had not been resurrected, it was still the number one divine weapon in Nanzhou.

Holding the White Bone Club in his hand, He Teng's aura instantly became extremely powerful.

He grabbed the White Bone Club with both hands and with a loud roar, he smashed the White Bone Club towards the Divine Capital City!

"Boom!"

A terrifying sound rang out as a Divine Inscription Formation instantly appeared, blocking the incoming attack!

The entire city was rumbling, but what was terrifying was that the Divine Inscription Formation was still intact and unaffected!

"Even the White Bone Club is useless?" Yong Ji couldn't help but frown.

"You have not reached the Reversion Void Stage yet," Sima Bei said coldly. "The power you can use is limited. Give me the White Bone Club."

"Do you think that's possible?" He Teng sneered.

"What? " Sima Bei's face turned cold. "Do you think I'll take your White Bone Club for myself? "

"It's hard to say," He Teng snorted.

"If I wanted this item, I could have just snatched it directly. Why would I need to discuss it with you?" Sima Bei said with a cold face.

"I'm afraid you don't have the ability," He Teng said sarcastically.

Sima Bei's face turned cold as he rebuked, "He Teng, if you let Xiao Sheng escape, you won't be able to bear the responsibility!"

"Why should I take responsibility? Sima Bei, no matter what you say, I will never give you this White Bone Club. Just give up." He Teng said coldly.

Sima Bei could not help but clench his fists.

He looked at He Teng coldly. Although he was furious, he suppressed it in the end.

"We'll think of another way." Yong Ji tried to smooth things over.

The three of them stayed near the Divine Capital City for the time being and slowly discussed countermeasures.

On the other side, Qin Yu had arrived at Dayue Mountain.

This time, Wen Wanchong and the two Wen brothers surprisingly didn't get drunk.

They were sitting cross-legged on the peak of Dayue Mountain, and Wen Wanchong seemed to be giving them a lecture.

"In such a Golden Age, no one can protect you. Besides, I can't guarantee how long I can live." Wen Wanchong said coldly.

"So you must have the ability to protect yourself."

"Don't we still have Qin Yu? " Wen Da said reluctantly. "I believe he can protect us when the time comes."

"Can you guarantee that Qin Yu will live to the end? In such a Golden Age, no matter how talented you are, you might die young!" Wen Wanchong scolded.

Although Wen Da and Wen Er were unwilling, they could only sit there and listen to Wen Wanchong's lecture under Wen Wanchong's coercion.

Just then, Qin Yu walked over from not far away.

When they saw Qin Yu, the two brothers ran over excitedly as if they had found a life-saving straw.

"Qin Yu, you've come at the right time. Quick, take us out of here." Wen Da said anxiously.

Qin Yu glanced at Wen Da and said, "I have something to discuss with master."

"That's even better. You guys can discuss it. We'll be leaving first." the two brothers said excitedly.

After saying this, the two of them turned around and ran.

Looking at the two running down the mountain, Wen Wanchong could not help but sigh.

"I really can't do anything to these two little bastards." Wen Wanchong sighed.

Of course, Qin Yu knew Wen Wanchong's intention. He said in a deep voice, "Master, don't worry. I will do my best to ensure their safety."

Wen Wanchong glanced at Qin Yu and said, "It's good enough that you can guarantee your own safety."

Qin Yu was speechless. he could not help but sigh in his heart.

“Tell me, what’s the matter?” Wen Wanchong changed the topic.

Qin Yu didn’t hide anything and immediately told Wen Wanchong his intention.

Wen Wanchong agreed without hesitation. He sighed and said, “Even if you don’t say it, I will definitely do it, but... I’m afraid that we won’t be able to resist the North Plain with our own strength.”

At this point, Wen Wanchong couldn’t help but sigh, “If only Jue Wu was still alive...”

“Jue Wu isn’t dead yet. There’s still hope to break her curse.” Qin Yu forced a smile.

Then, Qin Yu took out Jue Wu from the Spatial Magic Artifact.

Jue Wu lay quietly in front of the two, looking extremely beautiful.

Compared to the usual Jue Wu, the Jue Wu at this moment was a bit more gentle and quiet, and had a different flavor.

“Sigh, if Jue Wu was fine, I think she would have reached the Reversion Void Stage by now. With her help, I’m more confident. With just a few of us, I’m afraid we won’t be able to return.” Wen Wanchong let out a long sigh.

“Don’t be so pessimistic, master. I have a plan,” said Qin Yu quickly.

“You have a way? What’s your plan?” Wen Wanchong rolled his eyes at him.

Qin Yu immediately took out the purple cloud pearl. The purple cloud pearl was shining with a coquettish light, and it was obvious that it was not an ordinary item.

“I’m afraid this item is even more terrifying than a Saint Weapon.” Qin Yu said in a deep voice.

“Even more terrifying than a Saint Weapon? Are you joking?” Wen Wanchong laughed.

Qin Yu opened his mouth and was about to demonstrate it once. At this time, the purple cloud pearl floated up from Qin Yu’s palm on its own!

Qin Yu was stunned. Just as he was about to reach out to grab the purple cloud pearl, Jue Wu’s body also began to flash!

Chapter 1739: Jue Wu Awakens

Seeing this, Qin Yu was stunned, and Wen Wanchong quickly stood up.

At this moment, the purple cloud pearl floated above Jue Wu. It emitted rays of light that fell on Jue Wu's body.

Jue Wu's body seemed to have formed a connection with the purple cloud pearl, making her look extremely mysterious.

Seeing this, Qin Yu could not help but guess!

"Could it be... Can the purple cloud pearl remove the curse on Jue Wu's body?" Qin Yu said in surprise!

Wen Wanchong had the same guess, but he suppressed his excitement and said, "If that's the case, that's good news!"

The two of them didn't make a sound and just stood there, quietly watching the purple cloud pearl and Jue Wu's body slowly reacting.

Just as the two of them were getting excited, the purple cloud pearl suddenly burst out with an extremely devastating light!

Then, the purple cloud pearl exploded into the void and turned into thousands of colorful lights that entered Jue Wu's body!

At the sight of this, Qin Yu's expression changed greatly!

He couldn't help but reach out his hand and shout, "F*ck, my purple cloud pearl!"

However, no matter how much Qin Yu shouted, the purple cloud pearl didn't respond at all. One by one, the rays of light entered Jue Wu's body and then disappeared without a trace!

Everything returned to normal, as if nothing had happened.

The purple cloud pearl in Qin Yu's hand had completely disappeared.

"I'm finished..." Qin Yu's expression was extremely ugly.

This purple cloud pearl was Qin Yu's last trump card, but now it was inexplicably broken!

“Without the purple cloud pearl, how am I supposed to deal with Yuan Xiu...” Qin Yu murmured in a low voice, feeling a little numb.

“Is it possible that this purple cloud pearl can awaken Jue Wu?” Wen Wanchong said.

“Even if that’s the case, I shouldn’t have chosen this time,” Qin Yu said with a bitter smile.

He should at least wait until Yuan Xiu was defeated!

“It’s better to have nothing.” Wen Wanchong muttered.

Qin Yu sighed. Just as he was about to speak, Jue Wu, who was lying unconscious on the ground, suddenly moved her fingers.

“She moved, she moved!” Wen Wanchong shouted excitedly!

Qin Yu also noticed the abnormality in Jue Wu’s fingers. He couldn’t help but look at Jue Wu nervously.

At this time, Jue Wu’s body lightly trembled again! Wisps of aura were emitted from her body!

All this time, Jue Wu’s body had been devoid of life. The aura that was being emitted now was from Jue Wu!

“She’s really moving!” The two of them shouted at the same time!

Just as he said this, Jue Wu, who had been lying on the ground, suddenly sat up!

She rubbed her eyes and looked around in a daze, muttering, “Where the hell is this?”

Qin Yu couldn’t hold back the excitement in his heart. He rushed forward and hugged Jue Wu!

“You’re really awake. You’re finally awake!” Qin Yu hugged Jue Wu tightly and shouted in excitement!

Wen Wanchong was also very excited. He kept rubbing his hands like an old child.

Jue Wu scratched her head and frowned, “Qin Yu? Wen Wanchong? What are you two doing?”

Qin Yu understood that Jue Wu had been lying there for too long and didn’t know anything about what happened later. He could only tell her slowly.

Without waiting for Qin Yu to speak, Jue Wu's eyes widened.

She stared at Wen Wanchong and said in shock, "You've actually reached the Reversion Void Stage? F*ck, when did this happen?"

Wen Wanchong looked a little embarrassed. He scratched his head and said, "I was lucky, I was lucky, hehe..."

"F*ck, I couldn't have been lying there for hundreds of years, right?" Jue Wu's eyes widened, and her beautiful little face was filled with fear.

"Of course not," Qin Yu said with a bitter smile.

After that, Qin Yu and Wen Wanchong told Jue Wu what had happened recently.

This took a very long time, and by the time they finished, the sky had already darkened.

Jue Wu, on the other hand, was confused. From time to time, she would scratch her head, her eyes revealing a look of confusion.

"Anyway, you've finally been resurrected. Qin Yu's purple cloud pearl's sacrifice was not in vain." Wen Wanchong muttered.

"What purple cloud pearl?" Jue Wu scratched her head.

"Don't ask so much. Anyway, the curse on your body has disappeared." Qin Yu said.

"We've already told you the current situation. In a few days, Yuan Xiu will arrive. I'm afraid we don't have much time to accompany you." Qin Yu continued.

At the mention of Yuan Xiu, Jue Wu's face turned solemn.

"When we were at the northern border, Xiao Hai once said that a fully resurrected Yuan Xiu is extremely terrifying. Even he would not be able to fight against him. I didn't expect him to be resurrected in the end," she said in a deep voice.

"Mmm," Qin Yu said. "The world has changed greatly. Many people have taken the opportunity to step into the Reversion Void Stage, including the three lunatics and three extremes you were."

"It seems like I've fallen behind. Sigh." Jue Wu sighed slightly, a trace of sadness appearing on her little face.

"Forget it, I don't want to think too much. I'm hungry. Quickly bring me to get something to eat." Jue Wu jumped up and sat on Qin Yu's shoulder.

Seeing this, Qin Yu and Wen Wanchong both smiled bitterly.

“What are you doing? Hurry up!” Jue Wu glared at Wen Wanchong.

Wen Wanchong sneered, then ran down the mountain.

At night.

The few of them sat around a table of delicious food.

Everything was the same as before. Jue Wu brought the two Wen brothers to eat and drink, and they drank until they were drunk.

Qin Yu, however, was not in the mood to do so. He stood by the railing and looked into the distance with a solemn expression.

“Didn’t you say you still have a trump card?” at this time, Wen Wanchong walked over.

“No,” Qin Yu shook her head.

“Then what do we do?” Wen Wanchong frowned.

“I don’t know,” Qin Yu sighed. “We can only take one step at a time.”

Qin Yu could only pin his hopes on the iron rod and the bracelet that Xiao Yu had given him.

“Now that I’ve entered the Advanced-stage Mighty Realm, my combat power has also improved greatly. Although I can’t deal with Yuan Xiu, I think I can try to fight against Yong Ji or Sima Bei.” Qin Yu said in a deep voice.

“Stop dreaming,” Wen Wanchong sneered. “An Advanced-stage Mighty Realm being is nothing but an ant in front of a Reversion Void Stage cultivator. I’m afraid you can’t even withstand a trace of his aura.”

“Maybe.” Qin Yu nodded.

He flipped his palm and took out a pill.

This pill was the Reversion Void Pill he’d gotten from Jing Bai.

‘If it really doesn’t work, I can only rely on Reversion Void Pills.’ Qin Yu thought to himself.

At the same time, the strange movements in the North Plain were becoming more and more obvious.

Countless auras were emitted from the entire North Plain, floating in the air and finally gathering in Yuan Xiu's body.

According to Xiao Sheng's calculations, Yuan Xiu would be resurrected tomorrow.
