-

Chapter 1740: Resurrection of Yuan Xiu

This day was destined to be an extraordinary day.

No one in the North Plain or Nanzhou could sleep well.

Tianyun Sect.

The Deputy Sect Master's expression was grave. After the great change in the world, all the affairs of the Tianyun Sect, big and small, fell on his shoulders.

He was not very talented to begin with, and as a result, he had no time to cultivate. Even now, he had not been able to step into the Reversion Void Stage.

The Deputy Sect Master was a person who cared about the world. How could he sleep when Nanzhou was facing a disaster?

At this moment, an elder walked to the Deputy Sect Master's side.

"Deputy Sect Master, it's already so late, why aren't you sleeping?" The elder asked.

"How can I sleep at a time like this?" The Deputy Sect Master shook his head.

"Deputy Sect Master, you look like you're waiting for someone," The elder asked in a probing manner.

The Deputy Sect Master glanced at him and nodded, "That's right. I've sent people to the East Continent to ask for help these few days, and I'm waiting for the news now."

"East Continent... That place is different from Nanzhou. I'm afraid that it will be very difficult to get them to take action." The elder shook his head.

"Is there any other way?" The Deputy Sect Master sighed. "That's the only way."

The elder didn't say anything more. He just stood to the side and quietly accompanied the Deputy Sect Master.

Time passed by, and it was soon the second half of the night.

It was already late at night, and the entire world was extremely quiet.

However, hidden beneath this tranquility were the restless hearts of countless people.

Just then, the door was pushed open.

A young man in a night suit quickly walked in.

Upon seeing the young man, the Deputy Sect Master hurriedly walked up to him.

“How is it?” The Deputy Sect Master asked urgently.

The young man shook his head and said in a deep voice, “I’ve visited many sects in the East Continent these days, but none of them were willing to get involved in this mess.”

The Deputy Sect Master couldn’t help but clench his teeth and say, “Didn’t you tell them the implications of this? If Nanzhou falls, the East Continent will be next!”

The elder next to him said in a deep voice, “The East Continent is not like Nanzhou. They have never had the idea of a republic. Every sect is an independent individual. Everyone’s consideration is the relationship of interests of the major sects. Moreover, they have never been willing to leave the East Continent.”

“Sigh.” The Deputy Sect Master let out a heavy sigh.

It was the same in Nanzhou back then, with various large sects and clans. It was only after the appearance of Xiao Sheng that the situation changed.

Now that no sect in the East Continent was willing to help, it would be difficult to survive this disaster.

“It’s said that Yuan Xiu will be completely resurrected tomorrow. I wonder who can resist him.” The Deputy Sect Master sighed.

No one said anything. The terrifying power that Yuan Xiu had displayed previously had already surpassed that of ordinary Reversion Void Stage cultivators.

A fully resurrected Yuan Xiu would probably be even more terrifying.

Dayue Mountain.

Qin Yu stood on the peak of the mountain, looking in the direction of the North Plain.

His expression was just as grave, but even in such a situation, there was still an inexplicable spirit in his body.

This unyielding spirit seemed to have been supporting him through one difficult situation after another.

“In fact, I don’t recommend you to participate in this matter.” Wen Wanchong suddenly appeared behind Qin Yu.

Qin Yu looked at Wen Wanchong, waiting for him to continue.

Wen Wanchong continued, “This is a meaningless thing. No matter what, protecting one’s own life is always the first priority. Meaningless sacrifice has always been a stupid move.”

Qin Yu did not object to this. He had no obligation to serve Nanzhou, but there was always an inexplicable voice in his heart that drove him.

It was this voice that gave Qin Yu endless fighting spirit. If he gave up, he was afraid that she would break his own dao technique.

“I will never give up.” Qin Yu took a deep breath.

Wen Wanchong sighed and said nothing.

However, he silently made up his mind.

No matter what, he had to ensure Qin Yu’s safety tomorrow, even if it meant risking his life.

The North Plain glowed with a myriad of lights throughout the night.

Even in Nanzhou, one could see the speckles of light from afar.

These lights were like the stars in the sky, dazzling but not out of place.

It was the only light in the North Plain that could not be ignored.

At this moment, the sky of the North Plain was filled with a thousand rays of light. All the rays of light gathered into a single point and formed a connection with Yuan Xiu’s body.

It was like a ritual, a resurrection ritual, and it was extremely terrifying.

Yuan Xiu sitting at the foot of the snowy mountain was trembling non-stop. His aura was so concentrated and powerful that it seemed like a terrifying storm was about to set off in the entire North Plain!

Yuan Xiu's two clones stood guard in front of his true body, in case anything happened.

Time passed by.

The sky gradually turned bright.

At this moment, all the light in the sky condensed into a beam of light that reached the sky. Then, it entered Yuan Xiu's body!

"Boom!"

The entire North Plain began to shake!

Many people were jolted awake by this, and they all looked toward the center of the North Plain!

"Has the Lord resurrected?"

"Is the resurrection of the Lord about to be completed?"

Many people rushed in the direction of Yuan Xiu.

In a short while, countless people had gathered on the snowy mountain!

"The Lord really came back to life! He's finally coming back to life!"

We can finally leave this damn place in the North Plain!

"That's great, that's great!"

Many people knelt on the ground and prostrated themselves in the direction of Yuan Xiu.

Yuan Xiu's true body, which was sitting cross-legged on the ground finally stood up!

His aura was extremely terrifying, as if he was a Devil Lord that could make the nine Heavens and ten Hells submit to him!

A single gaze from him could sweep through everything. Just a wisp of his aura could cause the earth to collapse!

At this moment, Yuan Xiu opened his mouth and swallowed the two clones into his body!

A perfect body Yuan Xiu had been resurrected!

The true Lord of North Plain had returned to the human world!

“Welcome back to life, Lord!”

The entire North Plain let out deafening shouts in unison!

Their shouts melted the ice and caused the snow to collapse!

Yuan Xiu swept his cold gaze over the group of people without any change in his expression.

The next second, he suddenly stretched out a large hand!

This huge hand covered the sky and the earth, almost covering the entire sky of the North Plain!

Before the crowd could be shocked, the huge hand squeezed lightly, and all the cultivators in the North Plain were turned into bones in an instant. They didn't even have the time to scream!

Their spiritual awareness and true energy turned into clouds of terrifying mist and entered Yuan Xiu's body!

Yuan Xiu, who had been completely resurrected, had actually killed everyone in the North Plain!

Chapter 1741: Yuan Xiu vs The Divine Inscription Formation

Everyone in the North Plain had served Yuan Xiu for many years. No one had expected that the first thing he would do after his complete resurrection was to kill everyone!

Such a vicious person simply left one speechless!

The entire North Plain had turned into a desolate land.

In the vast world, only Yuan Xiu stood.

He scanned his surroundings coldly as if he was the master of this world.

“A bunch of trash. They've finally disappeared.” Yuan Xiu said coldly.

He clenched his fist lightly, and a terrifying power instantly burst out from the center of his fist!

With Yuan Xiu as the center, countless cracks shot out into the distance!

No one could match such a terrifying power!

“Xiao Sheng, I’m here.” Yuan Xiu’s voice was bone-chillingly cold, and no one dared to ignore it.

The sky finally brightened.

On this day, everyone’s hearts were at their throats.

Dayue Mountain.

Qin Yu and Wen Wanchong were waiting for the news.

Their faces were filled with worry.

“When are you guys leaving? I want to go too!” Jue Wu jumped in front of the two of them and waved her little fists.

Qin Yu glanced at her and shook her head. “No, you can’t. You’ll stay at Dayue Mountain. You won’t be of any help.”

Although this statement was rather hurtful, it was indeed so.

Jue Wu glared at Qin Yu and said, “You little bastard, you’ve grown your wings, haven’t you? You actually dare to say I’m useless?”

Wen Wanchong smiled bitterly. “Lord Jue Wu, Qin Yu is telling the truth. Even a Reversion Void Stage cultivator might not be able to help. Let alone...”

“Tsk, what’s so amazing about the Reversion Void Stage? I can do it at any time!” Jue Wu waved her little fists and said.

“Then we’ll talk about it after you reach the Reversion Void Stage,” Qin Yu said with a cold expression. “Before that, you’d better stay here obediently.”

“Y-y-you!” Jue Wu pointed at Qin Yu, her face full of anger.

She didn’t expect that everything would change after she woke up from her sleep.

“Where should we go now?” Wen Wanchong asked.

“I don’t know either. No one knows where Yuan Xiu will go. Let me think about it,” Qin Yu shook his head.

Wen Wanchong nodded and did not say anything more.

Qin Yu touched his chin and thought carefully.

Qu Zhu, who was far away at Fengzhu Mountain, seemed to be considering this question as well.

He had made full preparations for this battle.

Even though he might not be able to force Yuan Xiu to retreat, he had no choice but to try.

“I know.”

At this moment, Qu Zhu of Fengzhu Mountain and Qin Yu of Dayue Mountain said the same thing at the same time.

“I’m afraid that the current Yuan Xiu will seek out Xiao Sheng.” Qin Yu took a deep breath.

“Where is Xiao Sheng now?” Wen Wanchong asked with a frown.

“The Divine Capital City.” Qin Yu said coldly.

Then, Qin Yu looked at Wen Wanchong and said, “Let’s go to the Divine Capital City immediately.”

After that, Qin Yu summoned the Divine Eagle and rushed to Divine Capital City with Wen Wanchong.

“You guys really won’t bring me along?” Jue Wu looked a little wronged.

Qin Yu glanced at her and sighed, “When you reach the Reversion Void Stage, you can easily deal with Yuan Xiu. There’s no need for you to throw your life away now.”

After saying that, Qin Yu wasted no more time and immediately rushed to Divine Capital City.

Divine Capital City.

He Teng, Sima Bei, and Yong Ji had spent several days trying to break this Divine Inscription Formation, but they were still unable to do so.

The Divine Inscription Formation looked weak, but it was indestructible. In front of it, all other techniques were not worth mentioning.

“Today is the resurrection day, right?” at this moment, He Teng suddenly spoke.

“Mm,” Sima Bei said, “If nothing unexpected happens, the Lord has already been resurrected.”

“Then he should be arriving here with his army soon.” Yong Ji speculated.

He Teng sneered. “I’m afraid he’ll come by himself. How can there be an army? ”

“What do you mean by that?” Sima Bei and Yong Ji looked at He Teng in unison.

He Teng did not explain.

He was a treacherous and vicious person, so he naturally understood Yuan Xiu.

As time passed, the three of them spared no effort in attacking Divine Capital City.

Even though Divine Capital City looked like it was in shambles, the gates were not open.

“There’s no other way,” He Teng spread out his hands, appearing rather helpless.

“I wonder when the Lord will descend.” Yong Ji frowned.

Just as he said that, a figure broke through the air and arrived!

He directly tore open the void in front of him and appeared in front of them!

This person was no other than Yuan Xiu!

The three of them were stunned for a moment before they hurriedly knelt on the ground!

What was more terrifying was that they could not detect Yuan Xiu’s aura at all!

His strength was clearly so terrifying that it made people’s hearts palpitate, but no one was able to detect his arrival!

“Lord!” Sima Bei shouted, “You’ve finally come back to life! ”

Yuan Xiu swept his cold gaze across the few of them and said, “Where’s Xiao Sheng?”

“Lord, he is in Divine Capital City, but we can’t enter.” Sima Bei answered honestly.

Yuan Xiu’s expression was extremely cold, and a murderous aura was emitted from him.

At this moment, Yuan Xiu actually had the intention to kill the three of them!

This killing intent was something that anyone could clearly sense!

“Lord, this Divine Inscription Formation was left behind by an expert. It’s not something that we can break...” Sima Bei explained hurriedly.

Yuan Xiu glanced at him and coldly said, “Trash, I knew you wouldn’t be able to do anything. I’ll spare your lives for now.”

The three of them heaved a sigh of relief.

They hurriedly stood up and looked behind Yuan Xiu.

Sure enough, just as He Teng had expected, there was no one else besides Yuan Xiu.

“Lord, why are you alone?” Sima Bei asked, puzzled.

Yuan Xiu glanced at Sima Bei and suddenly slapped him in the air!

Although the force of this slap was not great, it still shattered half of Sima Bei’s face!

For a moment, Sima Bei looked extremely terrifying. Half of his face was exposed, and he looked like a half-dead person!

Sima Bei didn’t dare to show any resentment. He quickly bent down, as if to express his apology.

“Are you sure Xiao Sheng is in this city?” Yuan Xiu asked coldly.

“I’m sure. Qin Yu has indeed brought Xiao Sheng here!” Sima Bei said hurriedly.

Yuan Xiu said no more. He slowly raised his palm, and a terrifying aura instantly condensed in his palm!

Very quickly, a gigantic heavenly ax was formed in Yuan Xiu’s hand!

It was another ancient magical artifact! Compared to the techniques he had cast last time, this one was many times more powerful!

Even Yong Ji and the others felt their hearts palpitate!

Yuan Xiu gripped the gigantic heavenly ax and pressed it down lightly.

In an instant, the heavens and earth cracked as countless divine inscriptions appeared in the sky above Divine Capital City and met the gigantic heavenly ax!

An extremely terrifying sound exploded in the sky at this moment!

Chapter 1742: Never Give Up

“Boom!”

It was like a muffled thunder had sounded in the sky. This muffled sound resounded through more than half of Nanzhou!

Everyone was shocked by the sound. Although they didn't know what had happened, they could already guess what had happened!

Yuan Xiu must have arrived!

The Divine Capital City was densely packed with divine inscriptions, resisting the blow of the gigantic ax!

All of the divine inscriptions flickered with a blinding golden light. It was as if they had formed a huge net that resisted the gigantic ax!

The gigantic ax's strike slowly dissipated, but the divine inscriptions did not dissipate for a long time!

Seeing this, Sima Bei and the others heaved a sigh of relief.

Fortunately, the divine inscriptions had managed to withstand the attack. Otherwise, the three of them would have been regarded as trash by Yuan Xiu.

“You do have some ability.” Yuan Xiu could not help but sneer as he looked at the city.

“But even if you can withstand one blow, can you withstand the second?”

Yuan Xiu then swung his ax down again!

This time, the Divine Inscription Formation's radiance grew even brighter!

Although it had still managed to withstand this attack, the Divine Inscription Formation seemed to have reached its limit!

Even after the gigantic ax had disappeared, the divine inscription still refused to dissipate and its light seemed to have dimmed a little!

Seeing this, Sima Bei and the others were greatly shocked!

“The Divine Inscription Formation is really going to be broken!” Sima Bei shouted excitedly!

Yong Ji and He Teng, who were standing at the side, were equally shocked. They were well aware of how terrifying this Divine Inscription Formation was. However, Yuan Xiu had actually managed to destroy it with just two blows!

What kind of strength was this? It was too terrifying!

A perfect body Yuan Xiu was even more terrifying than one could imagine!

“Hmph, to be able to withstand two of my ax strikes, you must have some ability.” Yuan Xiu sneered.

Right at this time, they suddenly felt numerous auras currently closing in on them!

“What?” Yuan Xiu could not help but look in a certain direction in the distance.

“This aura... It’s Qin Yu!” He Teng’s expression turned cold and he couldn’t help but clench his teeth.

Soon, Qin Yu and Wen Wanchong appeared in the air on the Divine Eagle.

“He’s here, as expected.” Qin Yu’s face turned cold. He put away the Divine Eagle and jumped down from the sky.

Seeing Qin Yu and Wen Wanchong rushing over, Yuan Xiu’s face showed a trace of mockery and amusement.

He put away the gigantic ax and looked at Qin Yu coldly.

“Qin Yu, you actually dare to appear in front of me.” Yuan Xiu placed his hands behind his back and said indifferently.

Qin Yu did not speak. He tried to sense the aura of Yuan Xiu, but he could not detect anything.

This could only mean one thing – the current Yuan Xiu was more terrifying than they had imagined!

“Brat, are you here to die? The current Lord is definitely not someone you can touch. If you know what’s good for you, then quickly get lost!” He Teng suddenly roared and charged at Qin Yu!

The moment he said that, everyone looked at He Teng.

He Teng's words seemed to be mocking, but in reality, he was trying to force Qin Yu to leave this place!

“Slap!”

Yuan Xiu's face turned cold and he slapped He Teng's body.

This slap directly smashed half of He Teng's body into pieces! It was even more tragic than Sima Bei's!

“What, you want to save him?” Yuan Xiu said with squinted eyes.

He Teng crawled up from the ground with difficulty and said in an extremely flattering manner, “Lord, I absolutely didn't mean it that way...”

“Do you think I'm an idiot?” Yuan Xiu shouted as a terrifying aura burst forth from his body.

Just this aura alone instantly pressed He Teng to the ground!

This aura was like thousands of mountains, practically about to crush He Teng's body!

Not far away, Qin Yu could not help but frown.

Of course, he knew He Teng's intentions. He was afraid that Qin Yu would die at the hands of Yuan Xiu and thus destroy his physical body.

“Yuan Xiu, He Teng is one of your own. Why are you so cruel to your own people?” Qin Yu said coldly.

Yuan Xiu shot a glance at Qin Yu. His sharp eyes suddenly burst forth with an extremely terrifying power!

Qin Yu's expression changed drastically! He only felt an extremely powerful force approach!

Qin Yu didn't dare to think too much. He hurriedly crossed his arms in front of him, trying to block the blow.

However, the power of his gaze was too terrifying. It almost forced Qin Yu to retreat in an instant, and his arm was almost broken!

Qin Yu got up from the ground. He looked at his arms and saw that they had been torn.

“This Yuan Xiu... He's so scary!” Qin Yu's face turned even more solemn!

Yuan Xiu not far away was also shocked.

“You’re only at the Mighty Realm, but you can actually withstand it. Not bad.” Yuan Xiu said indifferently.

He let go of He Teng on the ground and turned to look at Qin Yu.

He Teng, who was on the ground, could finally catch his breath. He hurriedly stood up and circulated his cultivation technique to recover his body.

“Qin Yu, I admire your courage. If I were you, I would run as far away as possible.” Yuan Xiu said indifferently.

Cold sweat broke out on Qin Yu’s forehead. He adjusted the aura in his body and immediately got ready for a great battle.

“F\*ck you, Yuan Xiu. do you think that everyone is willing to be a coward like you? ” at this time, Wen Wanchong shouted at Yuan Xiu!

Yuan Xiu glanced at Wen Wanchong and sneered, “I remember you. You’re the old man who suddenly attacked last time.”

“You’re the f\*cking old man! I’m a f\*cking young man!” Wen Wanchong said in an annoyed tone.

Yuan Xiu ignored Wen Wanchong’s nonsense. He placed his hands behind his back and said indifferently, “Do you think you can stop me?”

Qu Zhu’s figure appeared in front of them before he could finish speaking.

“Oh? Everyone seems to have arrived.” Yuan Xiu smiled.

Qu Zhu didn’t say anything but walked to Wen Wanchong’s side.

“This Yuan Xiu is more terrifying than I thought. Be careful.” Wen Wanchong whispered.

Qu Zhu nodded. “I can tell. But we’re already here. There’s no way out.”

“Then let’s fight. Whether we live or die, I, Wen Wanchong, will be remembered in the history of Nanzhou!” Wen Wanchong roared, his muscles bulged and his clothes were torn to pieces!

At this moment, Wen Wanchong looked like he had gone mad, and his aura was extremely terrifying!

Qu Zhu also adjusted his breathing at this moment, preparing for battle.

“No, the difference in strength is still too big.” Qin Yu gritted his teeth.

Even though Wen Wanchong and Qu Zhu’s auras were already very terrifying, he could still sense that they were still far from being comparable to Yuan Xiu!

Qin Yu gritted his teeth. He activated the fifth level of the fighting word formula and jumped in front of the two.

“Qin Yu, you’d better not interfere in this battle.” Wen Wanchong said coldly.

“How would we know if we don’t try?” Qin Yu clenched his fists and said.

Chapter 1743: Another Battle with Yong Ji

Both Wen Wanchong and Qu Zhu knew what kind of person Qin Yu was. He was someone who would never give up easily.

Even if the difference in strength between the two sides was huge, he would not retreat easily.

Hence, they did not say anything more and just looked at Yuan Xiu coldly.

Yuan Xiu had a mocking look on his face, as if he did not care about the people in front of him.

“Master, leave Qin Yu to me.” At this moment, Yong Ji suddenly took a step forward and looked coldly in Qin Yu’s direction.

Yuan Xiu glanced at Yong Ji and said indifferently, “As you wish.”

Yong Ji looked in Qin Yu’s direction and said with squinted eyes, “Qin Yu, I’ve been wanting to kill you for a long time. I finally found the chance today.”

“Yong Ji, I don’t have the time to deal with you. Get lost.” however, Qin Yu did not even look at Yong Ji. He only stared coldly at Yuan Xiu.

This naturally made Yong Ji extremely furious!

He was a mighty Reversion Void Stage cultivator, but he was actually ignored!

“Qin Yu, you are not qualified to ask the Lord to make a move! I can kill you! Die!” Yong Ji shouted and attacked first, stepping on the wind!

Looking at Yong Ji, who was shooting toward him, Qin Yu had no choice but to meet the attack with his hand.

“Boom!”

This was a collision of fists. Terrifying shock waves burst out from their fists and swept out!

The space collapsed. In front of these two people, the void seemed to become extremely fragile and could be torn apart at any time!

What was shocking was that Qin Yu was not at a disadvantage at all!

Yong Ji, who was in the Reversion Void Stage, did not gain any advantage at all!

“Get lost!”

“Die!” Qin Yu roared. A golden light flashed and forced Yong Ji to take a few steps back!

Everyone was greatly shocked by this scene!

One had to know that Qin Yu was only at the Peak of Mighty Realm Stage, and there was still a huge gap between him and the Reversion Void Stage!

“Is Qin Yu too strong or is this Yong Ji too weak...”

“It’s unreasonable. It’s too unreasonable. Ever since the great change in the world, it seems that everything can’t be measured with common sense...”

“First, there was Xiao Sheng and now there is Qin Yu. What’s going on with this world...”

Yong Ji’s expression was extremely ugly as he faced the crowd’s discussion.

“Qin Yu,” he gritted his teeth and yelled, “Your physical body has only reached the Reversion Void Stage. Otherwise, you’re not worth mentioning.”

“I told you to get lost!” Qin Yu roared, and his aura suddenly surged to the extreme!

His long hair rose into the sky, and a terrifying aura spread from his feet to the surroundings!

At this moment, Qin Yu’s golden light had reached its peak!

In the next second, Qin Yu’s feet stepped on the line word formula and instantly appeared in front of Yong Ji!

The golden light flashed in front of Yong Ji's eyes, and a fist as hot as the sun came!

This punch was the Ten Thousand Spell Breaking Punch. It was obvious that Qin Yu wanted to finish off Yong Ji as soon as possible!

Yong Ji did not dare to face the attack head-on. He hurriedly entered the void and hid.

The void was shattered by Qin Yu's punch, revealing a dark hole, which looked extremely terrifying.

"You do have some ability." Yuan Xiu was slightly surprised.

However, he quickly shook his head and said, "Unfortunately, your cultivation level is too low. You're definitely not Yong Ji's match."

"Ah!"

As soon as he finished speaking, a brilliant light burst out and turned into a palm print, which slapped toward Qin Yu!

This Yong Ji had actually used his killing move with a raise of his hand!

For a moment, the entire space was sealed by his palm print, and there was no place to hide!

Qin Yu didn't dare to be slow, so he clenched his fist and met the attack.

"Boom!"

Although Qin Yu's strength was obvious to all, his cultivation realm was really too low. In the face of the crazy Yong Ji, Qin Yu was still unable to bear it.

Although his terrifying body had withstood the palm print, his internal organs had suffered a great impact. He even spat out a mouthful of blood!

"You damn little bastard, you've repeatedly trampled my dignity to the ground!" Yong Ji's hair was dancing in the wind as he looked at Qin Yu coldly.

Qin Yu wiped the blood from the corner of his mouth. He didn't waste any time and rushed toward Yong Ji again!

"Is he planning to slay a god?" Someone commented in the dark.

To fight a Reversion Void Stage mighty figure at the Peak of Mighty Realm Cultivator could be described as a god slayer.

“Alright, it’s time for me to move my limbs.” Yuan Xiu raised his eyebrows and looked at Wen Wanchong and Qu Zhu.

Wen Wanchong and Qu Zhu did not dare to hide anything, because Yuan Xiu in front of them was terrifyingly powerful!

This Yuan Xiu was the key to this battle!

“Ah!”

Wen Wanchong raised his head and roared. His body suddenly emitted a red light, and even his pupils turned scarlet!

This was Wen Wanchong’s secret technique, the Eight Devil Transformation!

The fact that Yuan Xiu was able to activate this irrational secret technique was enough to prove how difficult it was to deal with him!

Qu Zhu did the same. He raised both his hands, using both strength and gentleness, planning to fight to the death.

However, Yuan Xiu in the distance had a mocking expression on his face. He did not take the two of them seriously at all.

“Whoosh!”

Just then, Wen Wanchong made the first move. He was like a wild beast, a terrifying aura surrounded him, and every punch he threw shook the space.

Qu Zhu’s hands controlled different forces, and the fusion of the two forces was even more terrifying.

However, Yuan Xiu did not seem to care. He clasped his hands behind his back and fought with one hand. His strong body sometimes disappeared into the void and sometimes appeared several stars away. He looked extremely elegant.

Seeing this, everyone’s expression became more and more solemn.

Wen Wanchong and Qu Zhu represented the strongest combat power in Nanzhou. However, they were still far from being comparable to Yuan Xiu.

“This Yuan Xiu must have already reached the middle or even advanced stage of the Reversion Void Stage!”

“It’s definitely not the middle stage. If it was, Wen Wanchong and Qu Zhu wouldn’t be in such a sorry state.”

“Is there no one who can stop him?”

He then looked at Qin Yu, who was fighting with Yong Ji. Although Qin Yu’s strength was extremely terrifying, the difference in their cultivation realms still made Qin Yu retreat in defeat.

“Boom!”

Yong Ji mumbled as he spat out a golden lotus that exploded beside Qin Yu. Qin Yu’s indestructible body was instantly smashed into a bloody mess!

With his hands behind his back, Yong Ji looked down at Qin Yu and said indifferently, “It’s useless. You’re too weak in front of me. You’re like an ant that I can kill at any time.”

Qin Yu gritted his teeth. He activated his Meridian Circulation Technique and slowly restored his body.

“Damn it, the gap between me and the Reversion Void Stage is still too big.” Qin Yu gritted his teeth.

“I’ve let you escape so many times. This time, I don’t intend to give you any more chances.” at this moment, Yong Ji’s voice suddenly turned cold.

His hands were moving in the air as if he was about to use some kind of trump card.

“I’m going to kill you in one go!” Yong Ji shouted coldly. His hair was dancing wildly, and his eyes were filled with killing intent.

Chapter 1744: No... Don’t!

Yong Ji seemed to be performing some terrifying spell!

Just raising his hand was enough to make people feel a terrifying fear. This seemed to be Yong Ji’s trump card!

“Who is not a... A heaven’s favorite!”

Yong Ji’s roar shook the sky as he pushed out a galaxy with his palm!

No one knew what kind of terrifying spell technique this was, but Yong Ji’s roar seemed to have vented all the grievances he had suffered for many years!

This was an extremely terrifying power, and it also relied on the evolution of the Great Dao.

Any kind of evolution was based on the world. The galaxy that Yong Ji had evolved was even more terrifying to the extreme!

Even Qin Yu was shocked.

Yong Ji's spell technique was clearly beyond Qin Yu's imagination!

At a closer look, the galaxies seemed to be the fusion of spiritual energy and dao techniques!

The things flowing in the galaxy were the best in the world!

"Ah!" Yong Ji's hoarse roar shocked everyone!

Even Wen Wanchong and Yuan Xiu could not help but look over.

Yuan Xiu squinted his eyes in surprise.

His opinion of Yong Ji also changed at this moment.

"Go to hell!"

Yong Ji held the galaxy in his hand and pressed down heavily!

The entire world seemed to be collapsing. No one dared to ignore such a terrifying spell technique!

Qin Yu gritted his teeth. He immediately took out the iron rod and fused all his strength with the iron rod. At this moment, the iron rod had become Qin Yu's left and right arms!

His entire body became extremely huge, and his cosmic form also appeared at this moment!

With the support of the cosmic form, Qin Yu held the iron rod and smashed it toward the galaxy!

It was like a collision between two planets. Everything around them disappeared, turning into a vast expanse of white!

Nothing could withstand the terrifying collision!

Qin Yu's iron rod streaked across the sky and smashed toward the galaxy!

At this moment, the iron rod was like a long sword, a long sword that wanted to break the water!

The galaxy entered it, and its hidden power was revealed at this moment.

Tens of thousands of stars seemed to have exploded in the galaxy. An extremely terrifying force surged out, turning everything around it into dust!

Clang! Clang!

Qin Yu's wrist could no longer withstand the terrifying force. The iron rod flew straight out and stabbed into the city wall of Divine Capital City!

Qin Yu's body was smashed into the ground, and blood kept flowing out!

Looking at Yong Ji, he stood above the galaxy like a god who controlled the universe!

At this moment, everyone finally remembered that Yong Ji was also a top existence in Nanzhou!

"Hahahahaha!" Yong Ji laughed out loud, as if he was venting out the grievances he had suffered for years!

On the ground, the cosmic form had disappeared. Qin Yu was curled up on the ground, looking terrible.

His body was on the verge of shattering, revealing his white bones.

Fresh blood dyed the ground red, and the golden light began to dissipate.

"Detestable..." Qin Yu's eyes were wide open, and the intense pain all over his body made him almost unable to stand up!

"It seems like I have to end this battle as soon as possible." Yuan Xiu sneered.

After he finished speaking, the aura on his body began to surge, and the powerful aura immediately swept out!

Yuan Xiu also became serious! He was going to kill Qu Zhu and Wen Wanchong!

Yuan Xiu raised both his hands in the face of the two people who were charging at him. Each of his hands displayed a terrifying spell!

Just as the two of them were approaching, Yuan Xiu suddenly opened his eyes. The radiance on his palm was extremely dazzling as he ruthlessly slapped the two of them!

“Boom!”

Wen Wanchong and Qu Zhu were like kites with broken strings, and they were sent flying!

This was a powerful technique of Yuan Xiu. Not only did he have a realm that could crush the two of them, but he also had the inheritance of the Immortal Slaying Sect!

Under this spell, Wen Wanchong was directly beaten back to his original form, and the Eight Devil Transformation disappeared without a trace.

On the other hand, Qu Zhu’s situation wasn’t any better. He was lying on the ground, and even getting up was extremely difficult.

“I’m finished.”

Qin Yu and the other two were all defeated.

It seemed that Nanzhou was about to fall.

Everyone was in despair. The three people who represented the peak of Nanzhou had been defeated so quickly and thoroughly!

“Detestable...”

On the ground, Qin Yu was struggling desperately to get up. However, at this moment, Yong Ji’s aura pressed down on him and he was pressed to the ground again.

“Qin Yu, no one can save you this time.” Yong Ji said coldly.

Blood gushed out of Qin Yu’s mouth continuously. He gritted his teeth and turned to look in the direction of Yuan Xiu, his eyes filled with unwillingness.

Yuan Xiu lifted the two of them up, his eyes full of undisguisable mockery.

“You guys dare to stop me?” Yuan Xiu said sarcastically.

“What qualifications do you have to stop me?”

After saying that, Yuan Xiu ruthlessly smashed the two of them into the ground!

Wen Wanchong and Qu Zhu’s aura instantly became even more dispirited!

“Detestable...” Qin Yu gritted his teeth, anger filling his chest.

However, Yong Ji also exerted his strength, almost crushing Qin Yu’s head!

“Yuan Xiu, I’ll f\*ck your mother...”

Wen Wanchong spat out a few words with great difficulty.

Yuan Xiu sneered. He looked at Wen Wanchong, who was on the verge of death, and said, “I heard you’re a tough guy. Fine, I’ll give you a chance today.”

“If you’re willing to kneel and beg me, I can spare your life.”

“I’ll.. f\*cking be spared...” Wen Wanchong cursed. Ever since he was born, he had never lowered his head to anyone, let alone Yuan Xiu.

“If you don’t beg for mercy, you’ll die,” Yuan Xiu raised his eyebrows.

“Splat!”

Wen Wanchong spat on Yuan Xiu’s face without hesitation.

Before Yuan Xiu could get angry, Wen Wanchong suddenly hugged him!

His hands were like chains, tightly binding Yuan Xiu. He stuck to Yuan Xiu like a piece of plaster.

“No... Don’t!”

Seeing this, Qin Yu instantly understood what Wen Wanchong was trying to do!

He was going to self-destruct! He had used self-destruction to kill Yuan Xiu!

Of course, Yuan Xiu had also figured out Wen Wanchong’s intention. His face turned cold, and a terrifying aura burst out.

Two big hands stretched out from his back and tore Wen Wanchong off, then he fell to the ground!

“You ungrateful thing!” Yuan Xiu’s voice was filled with extreme anger!

Clearly, Wen Wanchong’s action had thoroughly enraged Yuan Xiu!

“If that’s the case, then you should just die.” Yuan Xiu’s palm emitted a terrifying radiance, aiming at Wen Wanchong’s head.

Wen Wanchong had lost all ability to fight back after being severely injured.

He lay on the ground, unable to move.

“No... Don’t!” Qin Yu’s pupils dilated, and she was in extreme pain!

At this moment, Qin Yu swallowed the Reversion Void Pill!

Chapter 1745: The Reversion Void Stage

Qin Yu stuffed the Reversion Void Pill into his mouth without any hesitation!

The moment he swallowed it, Qin Yu felt a hot aura flowing through his body. Then, his body was filled with a powerful and terrifying force!

The power was so terrifying that it forced Yong Ji to take a few steps back!

The wounds on Qin Yu’s body were also slowly recovering at this moment.

“What?”

Sensing the rapid increase in Qin Yu’s aura, Yuan Xiu also looked in his direction.

He squinted his eyes and said in a low voice, “A pill?” Hehe, relying on medicinal pills to forcefully increase your strength, is this kid crazy? But... Finally, I have a worthy opponent.”

Yuan Xiu could sense that Qin Yu was extremely terrifying after reaching the Reversion Void Stage. His aura was far more powerful than that of Qu Zhu and Wen Wanchong!

He put his hands behind his back and looked at Qin Yu quietly. Then, he hooked his finger and said, “Come, let me see how strong you are at the Reversion Void Stage.”

However, the growth of Qin Yu’s aura did not stop. It was still bursting forth at an extremely fast speed!

The ground under his feet was directly shattered by this force, and a tyrannical shock wave swept out in all directions!

Everyone’s expression changed drastically! Yong Ji’s expression was especially ugly!

“How is that possible?” Yong Ji gritted his teeth.

Qin Yu’s aura had far surpassed his!

In other words, once Qin Yu entered the Reversion Void Stage, his strength would definitely be above his!

However, Qin Yu's aura did not stop there. It was still growing rapidly!

Yong Ji wasn't the only one who was shocked. Even Yuan Xiu narrowed his eyes.

"This kid... He actually has such terrifying power?" Yuan Xiu frowned.

He Teng, who was not far away, heaved a sigh of relief.

'This way, this brat wouldn't die here.' He Teng thought to himself.

Qin Yu's strength burst out at an extremely fast speed.

He closed his eyes slightly and felt the surging power filling his body.

"So this is the Reversion Void Stage?" Qin Yu looked down at his arm. He clenched his fist gently, and an extremely vast power surged from all directions!

It was no exaggeration to say that Qin Yu was extremely confident at the moment. He even felt that he was not afraid of anyone under the sky!

Yuan Xiu not far away finally noticed that something was wrong.

He had acknowledged Qin Yu in the beginning, but now he was a little afraid.

This was because the power was too strong, so strong that he had no confidence.

"No, I have to stop him as soon as possible." Yuan Xiu said coldly.

Immediately, Yuan Xiu stepped forward and put his hands together. A terrifying force was then directed at Qin Yu!

However, in the face of this force, Qin Yu did not waste any time and raised his hand to meet it with a punch.

"Boom!"

All of the aura dissipated at this moment as it was shattered by Qin Yu's devastating punch!

As for Yuan Xiu himself, he was forced to take three steps back by this aura. His palm even felt a little numb.

"That's not right. This brat is probably not weaker than Xiao Sheng!" Yuan Xiu's face turned cold as he sensed that something was amiss!

After an unknown period of time, Qin Yu's aura finally stopped growing.

However, at this moment, Qin Yu's body was filled with power, which had already made everyone feel afraid!

"What's going on? How could Qin Yu have such terrifying power?"

"It seems like he has swallowed some kind of pill. Don't forget that Qin Yu is an alchemist!"

"That means we have hope?"

The crowd stared at Qin Yu, whose face was cold after the anger.

His eyes, which were as cold as the dead of winter, made people tremble and not dare to look him in the eye!

"Detestable..."

Yong Ji gritted his teeth. No matter how unwilling he was, he did not dare to provoke Qin Yu at this moment!

Therefore, he immediately retreated to the side, for fear of being targeted by Qin Yu.

"Master, Big Brother Qu Zhu, step aside." Qin Yu looked at Wen Wanchong and Qu Zhu.

The two of them nodded. At this moment, they had already lost the ability to fight, so they did not say much.

The next second, Qin Yu's gaze fell on Yuan Xiu.

"You're indeed quite strong. No wonder even Xiao Sheng thinks so highly of you," Yuan Xiu snorted and said.

Qin Yu ignored his nonsense and walked toward Yuan Xiu step by step.

Yuan Xiu crossed his arms and said indifferently, "Come on, let me experience it... Pfft!"

Before Yuan Xiu could finish his sentence, Qin Yu had already thrown a punch at him!

The punch was aimed at Yuan Xiu's face and sent him flying!

Everyone gasped at the sight!

"So straightforward!"

"Really... What a terrifying power..."

“Yuan... Yuan Xiu seems to have been forced back!”

Yuan Xiu’s body smashed through countless mountain peaks before he finally stopped.

Yuan Xiu was pinned to the ground by the ruins.

Qin Yu didn’t want to waste time talking to him at all. Because the Reversion Void Pill’s time was limited, Qin Yu directly clenched his golden fist and smashed it into the ruins!

“Boom, boom, boom!”

Each of his punches contained an unparalleled and terrifying power. All spell techniques paled in comparison, and even the sky seemed to tremble!

Large areas of the void were shattered, and the ground where Yuan Xiu was standing was filled with scars. It was as if an intense battle had just taken place!

After hundreds of punches, the mountain had already collapsed. Not even gravel was left, as it was turned into powder by the remaining power of the fist and drifted away with the wind.

Everything quieted down. Qin Yu looked down at Yuan Xiu coldly.

“Is... Is he dead?”

“No... I don’t know. It’s crazy...”

“It looks like Yuan Xiu is about to be beaten to death...”

No one knew the result, and Yong Ji and the others had a bad feeling.

“Ah!”

At this moment, the furious roars of Yuan Xiu erupted from underground! Then, they saw a gigantic heavenly ax slashing toward Qin Yu!

Although it was formed by dao techniques, it was an ancient divine weapon after all. Even Qin Yu did not dare to resist it with his body.

His palm trembled as he took out the iron rod. He then held the iron rod in his hand and met the gigantic ax head-on!

“Boom!”

This was a terrifying collision, and the aftershock shattered everything in the surroundings. The so-called dao techniques no longer existed, and it was as if this place had become an independent world!

Many people couldn't dodge in time and spat out blood from the shock. Those who weren't strong were directly turned into blood mist!

Yuan Xiu appeared in front of the crowd again with his gigantic ax.

His body looked extremely miserable, but it was also healing at an extremely fast speed.

This was the terror of Yuan Xiu, or rather, the terror of the Immortal Slaying Sect!

"He actually didn't die." Qin Yu looked at Yuan Xiu coldly. "As expected of the Lord of North Plain."

Chapter 1746: Temporarily Avoiding the Faceoff?

Qin Yu knew very well that Yuan Xiu was not easy to deal with.

He had the inheritance of the Immortal Slaying Sect in his hands. Although it was only superficial, it was already terrifying enough.

As long as he could not kill him in one go, he could make a comeback at any time.

Qin Yu extended his palm and grabbed the iron rod with one hand. He then looked at Yuan Xiu coldly.

Yuan Xiu was in a rage. He glared at Qin Yu and the gigantic ax in his hand transformed into a long spear.

Although no one knew the origin of this spear, they all knew that it was extraordinary.

"You damned little bastard." Yuan Xiu glared at Qin Yu and could not help but grit his teeth.

"What?" Qin Yu narrowed his eyes and sneered. "You know you're no match for me, so you're anxious?"

Upon hearing this, Yuan Xiu's grip on his spear tightened.

"This is not your true strength. Although you have some talent, you have no chance of reaching the Reversion Void Stage!" Yuan Xiu said through gritted teeth.

"You'd better pray that you can beat me," Qin Yu said coldly.

After he finished speaking, Qin Yu clenched his iron rod tightly and used the line word formula to instantly appear in front of Yuan Xiu!

Naturally, Yuan Xiu did not dare to be negligent. He used all his strength and the spear in his hand was aimed at Qin Yu's forehead!

Qin Yu held the iron rod with both hands and immediately went up to him.

In an instant, a golden light burst out, and a terrifying aura lingered around the iron staff. It collided with the long spear for the second time.

Clang! Clang!

The sound of metal weapons colliding was extremely ear-piercing, and the shock waves directly flattened the distant mountain peak!

What was more shocking was that the divine weapon in Yuan Xiu's hand was shattered and Yuan Xiu himself was forced to take a few steps back!

“Boom!”

Before Yuan Xiu could react, Qin Yu had already charged at him with his iron rod!

The iron rod seemed to sweep down from the nine Heavens. It was extremely terrifying. Yuan Xiu's expression changed and his body instantly burst into rays of light!

The rays of light transformed into a mysterious armor that enveloped his entire body!

This armor was also an ancient divine weapon, and it was extremely terrifying. However, under the strike of the iron rod, it was shattered once again!

Yuan Xiu's body crashed into the ground, creating a huge hole!

Everyone was shocked to see this!

From the looks of it, this Yuan Xiu was no match for Qin Yu, who was only at the Reversion Void Stage!

“Kid, you!”

Yuan Xiu's expression was extremely ugly. He touched his own body and felt pain from the impact. His head was buzzing as if his consciousness had been shaken out!

"If it wasn't for that godly armor, I'm afraid that I would have become a corpse under that rod..." Yuan Xiu's expression turned ugly and he broke out in a cold sweat.

"I can't go on like this, or I might die here at any time."

Yuan Xiu didn't dare to think too much. He raised his hands as if he was about to cast a terrifying spell.

Qin Yu was also holding his breath and concentrating. He held the iron rod with both hands, and the golden light merged with the iron rod, as if it had become Qin Yu's left and right arms.

"Wait!"

At this moment, Sima Bei suddenly dashed over and stood beside Yuan Xiu.

"What's the matter?" Yuan Xiu's face turned cold.

"This Qin Yu has only taken a Reversion Void Pill, this is not his true strength," Sima Bei whispered.

"I too f\*cking know. Do I need you to remind me?" Yuan Xiu was furious.

Sima Bei didn't dare to say much. He said in a low voice, "Lord, I know you can definitely defeat him, but there's no need to take this risk. The Reversion Void Pill can't last for too long, so why don't we avoid him for the time being?"

These words reminded Yuan Xiu of something. He was stunned for a moment and immediately felt that these words made sense.

That's right. As long as this period of time passes, wouldn't Qin Yu be an ant that could be trampled to death at any time?

At the thought of this, Yuan Xiu's lips curled into a cold smile.

He looked at Qin Yu and said, "Your strength is not bad, but that's all you've got. If I want to kill you, it'll be as easy as raising my hand."

"Cut the crap, are you trying to escape?" Qin Yu asked in a cold voice.

Yuan Xiu's face darkened at his words.

Qin Yu knew that Yuan Xiu could escape from Nanzhou and return to the North Plain at any time, so he could only provoke him with words.

“The mighty Lord of North Plain is actually scared off by a junior and decided to escape back to the North Plain?” Qin Yu said sarcastically.

“Yuan Xiu, I’m telling you, if you give me enough time, I’ll definitely kill you once I reach the Reversion Void Stage. You won’t have another chance then.”

“Of course, I can understand if you want to escape. After all, you are not my match.”

With a few words, Yuan Xiu immediately took the lead.

He glared at Qin Yu and shouted, “Who’s trying to escape?! You’re the one who should run!”

“Lord, don’t be fooled by him!” Sima Bei quickly reminded.

Only then did Yuan Xiu calm down. He gritted his teeth and said, “I’m just being kind and decided to let you go.”

“Hahaha! Weak and stubborn, I’m talking about you, right?” Qin Yu couldn’t help but raise his head and laugh.

“It’s courageous to admit that you’re weak, but you lack that courage.”

“Yuan Xiu, you’re too weak. You’re nothing except for the suppression of your realm.”

“You!” Yuan Xiu’s eyes were wide open and he was extremely furious.

However, he had slept for so long, so he naturally did not come to seek death.

Thus, Yuan Xiu finally calmed down.

“Qin Yu, I’d like to see how long your Reversion Void Pill can save you.” Yuan Xiu sneered.

“When your Reversion Void Pill loses its effect, no one will be able to save you!”

After saying that, Yuan Xiu no longer dared to listen to Qin Yu. He immediately hid in the darkness, stepped into the teleportation formation, and disappeared without a trace.

“Detestable…”

Qin Yu gritted his teeth. He had no way of pulling Yuan Xiu out of the teleportation formation, so he could only watch him escape.

The surroundings returned to silence, and Wen Wanchong and Qu Zhu quickly walked over.

“How do you feel?” Wen Wanchong asked.

Qin Yu shook his head and said with a frown, “Master, no matter what, you are not allowed to think about self-destructing again. We will find a way.”

Wen Wanchong scratched his head in embarrassment and said, “If I don’t self-destruct, won’t I be humiliated to death by him...”

“No matter what, the first thing we have to do is to ensure our survival.” Qin Yu said coldly.

“I know, I know,” Wen Wanchong could only laugh awkwardly.

“You’re still talking about others,” Qu Zhu said with a smile. “The same applies to you.”

Qin Yu gave a wry smile. He opened his mouth and was about to say something, but a sense of powerlessness came over him.

The aura in his body was also fading away at an extremely fast speed.

“Quick, follow me to the Divine Capital City...” Qin Yu’s expression changed slightly. With his only consciousness, he pulled the two of them and quickly walked toward the Divine Capital City.

#### Chapter 1747: Consequences of Taking the Reversion Void Pill

Qin Yu was well aware of his current state.

Jing Bai had said that the side effects of the Reversion Void Pill were extremely great, but even Qin Yu didn’t know what kind of side effects it would produce.

If Yuan Xiu was to return, no one would be able to protect him except for Divine Capital City.

After arriving at Divine Capital City, Qin Yu was relieved.

“I don’t know where that bastard Iron Egg went.” Qin Yu could not help but frown.

This bastard was extremely powerful to begin with, and he had most likely already reached the Reversion Void Stage after the Great Upheaval.

Whether it was in terms of physique or age, Iron Egg was no worse than Yuan Xiu.

Furthermore, from what he had said, Iron Egg’s talent should be very strong, at least not weaker than Yuan Xiu’s.

It was a pity that he had not appeared since the last time.

“I didn’t expect you to be the one who defeated Yuan Xiu.” Qu Zhu couldn’t help but sigh.

“I’m afraid I’ll be in a coma for a while,” Qin Yu said with a bitter smile.

“Reversion Void Pill... I’ve heard that it’s a kind of pill with great side effects. This kind of pill that can improve one’s strength in a short time has great side effects.” Wen Wanchong said.

Then, Wen Wanchong changed the topic and said with a smile, “However, your ability to reach the Reversion Void Stage has really surprised us. This pill has brought you to the Reversion Void Stage. If you really do reach the Reversion Void Stage, I’m afraid you will be even more powerful.”

Qin Yu had the same feeling.

The effects of the Reversion Void Pill were much greater than Qin Yu had imagined.

In that case, if he were to reach the half-step Reversion Void Stage, he might be able to face a Reversion Void Stage expert like Xiao Sheng.

“In the following period of time, try not to leave the Divine Capital City...” Qin Yu said.

“There’s a Divine Inscription Formation here. It shouldn’t be easy for Yuan Xiu to barge in.”

“I’m afraid it’s not as optimistic as you think.” At this moment, Peng Liu suddenly walked over.

Qu Zhu and Wen Wanchong looked at Peng Liu suspiciously and said in surprise, “This is?”

“I am Peng Liu, a nobody. I am far from the level of the two seniors.” Peng Liu cupped his hands and said.

Qin Yu gave a simple introduction, then looked at Peng Liu, signaling him to continue.

“Before you guys arrived, Yuan Xiu almost destroyed the Divine Inscription Formation,” Peng Liu continued.

“What?” Qin Yu’s expression changed drastically.

Was this Yuan Xiu actually so terrifying? Could he even break through a Divine Inscription Formation?

“He’s not an ordinary Reversion Void Stage cultivator, you can’t use common sense to judge him.” Wen Wanchong said in a deep voice.

“That’s right,” Qu Zhu nodded. “An ordinary Reversion Void Stage cultivator would not be a match for the two of us.”

Qin Yu fell silent. He had already sensed Yuan Xiu’s strength when he was fighting him just now.

He knew very well that Yuan Xiu had many trump cards that he had yet to use. If they were to fight with their lives on the line, Qin Yu, who had advanced to this realm with the help of the Reversion Void Pill, might not be able to defeat him.

Moreover, Wen Wanchong and Qu Zhu had already exhausted him.

Qin Yu did not have a complete understanding of Yuan Xiu’s strength. Although he seemed to have won the battle just now, he had a feeling that this was not the true strength of Yuan Xiu.

It was known that Qu Zhu and Wen Wanchong were not inferior to anyone else. Except for the Xiao brothers, few people in the entire Nanzhou could be compared to them.

But even so, they were still fighting with great difficulty.

“If Yuan Xiu comes again, I’m afraid we’ll have to fight.” Wen Wanchong said in a deep voice.

Qin Yu gritted his teeth. Of course, he didn’t want anything to happen to the two of them, but it seemed like there was no other way.

“We’ll think about it after the Divine Capital City is breached.” Qin Yu said in a deep voice.

He had wanted to try to repair the formation, but Qin Yu’s current state could no longer bear it. Even if he wanted to repair the formation, he had no strength.

So, Qin Yu took out the bracelet and the iron rod that Xiao Yu had given him and handed them to the two.

“I don’t know the origin of these two things, but I know they are definitely extraordinary. If they can help you, that would be the best.” Qin Yu said.

As he spoke, Qin Yu’s vision started to turn black.

He waved his hand and wanted to say something, but he passed out without realizing it.

Looking at the fallen Qin Yu, Wen Wanchong and Qu Zhu were not too surprised.

“I wonder if the Reversion Void Pill will leave any hidden injuries.” Qu Zhu said.

Wen Wanchong sneered, “He’s not afraid of being bitten by lice, I guess he doesn’t care anymore ..”

Qu Zhu spread out his hands and didn’t say anything more.

As for how to deal with Yuan Xiu, he could only take it one step at a time.

...

In the North Plain.

After this battle, Yuan Xiu’s expression was extremely ugly and terrifying!

“I didn’t expect this Qin Yu to have such a terrifying ability.” Yuan Xiu said coldly.

His eyes suddenly turned to He Teng.

He Teng’s body trembled slightly and he immediately knelt.

“Why did you speak up to save Qin Yu?” Yuan Xiu said coldly.

He Teng’s expression changed slightly and he said hurriedly, “I didn’t... No, master, I didn’t mean it that way. I have a deep hatred for Qin Yu. How could I save him!”

“Do you think I’m an idiot?” Yuan Xiu squinted his eyes and his voice became colder.

“What, are you still thinking about your hometown?” Sima Bei said with a smile that was not a smile.

“No!” He Teng hurriedly shook his head and said, “I don’t mean it that way. please look into it!”

Yuan Xiu snorted coldly and a faint light appeared on his finger.

This light was only the size of a grain of rice, but the power it contained was extremely terrifying. Even Yong Ji and Sima Bei could not help but change their expressions!

“If you don’t tell me the truth, I’ll kill you right now.” Yuan Xiu said coldly.

He Teng knelt on the ground and said, "I'm telling the truth. Even if the Lord kills me, I'm telling the truth..."

Yuan Xiu said no more. The light on his finger landed between He Teng's eyebrows.

He Teng's expression was extremely unsightly. His forehead was dripping with sweat, but he still had no intention of changing his words.

The beam of light was getting closer and closer to He Teng, from ten centimeters to one centimeter.

The scorching power burned He Teng's skin. Everyone's hearts were at their throats.

Even Yong Ji and Sima Bei swallowed their saliva, their faces filled with anxiety.

Once this ray of light fell, He Teng's soul would probably be completely annihilated!

However, just as the ray of light was about to touch He Teng, Yuan Xiu retracted his finger.

He clasped his hands behind his back and said indifferently, "Alright, since that's the case, I'll believe you for now. I want you to tell me everything you know about Qin Yu, including why he's so powerful."

#### Chapter 1748: Wen Wanchong's Request

He Teng heaved a long sigh of relief. He didn't dawdle and immediately told his everything that had happened to Qin Yu.

Of course, He Teng did not say a word about the chaotic body. He did not care if Yuan Xiu knew about it, but he kept his mouth shut.

After hearing He Teng's words, Yuan Xiu snorted and said, "It seems that place of yours is really not simple."

"You must be joking," He Teng said with an embarrassed smile. "Even cultivation is difficult there. Otherwise, we wouldn't have taken such a great risk to rush to the Holy Region..."

Yuan Xiu did not say anything more. He turned around and walked out.

Sima Bei quickly caught up with him, frowning, "Master, when will we go to Nanzhou again?"
