

My Rich Wife - Chapter 1749 - 1749 The Divine Inscription Formation Collapses -

It was unknown where the voice came from, but it seemed to be some kind of spell.

Wen Wanchong's face darkened and he shouted, "Who's sneaking around? come out!"

"Wen Wanchong, if you want to die, go ahead. Don't drag us down with you!" The cold voice sounded again.

"Yuan Xiu is such a terrifying opponent. Even you and Qu Zhu combined weren't his match, let alone us!"

"If we join forces," Wen Wanchong said coldly, "We might have a chance of survival!"

"Join forces? Wen Wanchong, should I say that you're stupid or naïve? At this level, could they win by relying on numbers? If the gap between us and Yuan Xiu isn't too big, numbers might be useful. However, there's a huge difference between the heavens and the earth. We'll just be courting death if we go." The voice said coldly.

Wen Wanchong was furious. He gritted his teeth and cursed, "Who the f*ck is talking nonsense? If you have the guts, come out and I'll tear your mouth apart!"

"Forget it," he said.

At this time, Jue Wu suddenly jumped up and patted Wen Wanchong's shoulder.

Surprisingly, she was not as impulsive as before and was very calm.

"I think what he said seems to make sense." Jue Wu mumbled, holding her chin.

boxn ov el. c o m

"Don't say that," Wen Wanchong said awkwardly. "One more person is always one more power."

"Sigh, that Yuan Xiu is indeed terrifying. Don't make things difficult for them." Jue Wu waved her hand.

“It isn’t easy for everyone to reach the Reversion Void Stage. Who’s willing to die? ”

When the people below heard this, they quickly nodded and said, “Yes, that’s right. Thank you for your concern, Lord Jue Wu.”

“Then we won’t disturb you any longer, goodbye.”

The group did not waste any time and quickly left Dayue Mountain.

After they left, Wen Wanchong sighed and said, “Why are you doing this? This isn’t like you at all.”

Jue Wu wrinkled her little nose and said, “Cultivating is not easy, they should have their own choices.”

“What should we do next?” Wen Wanchong asked.

“It doesn’t matter, I’ll take action,” Jue Wu said with a smile.

“You...” Wen Wanchong didn’t know whether to laugh or cry.

If it was Jue Wu, who was in the Reversion Void Stage, Wen Wanchong might have believed this.

However, no one at the half-step Reversion Void Stage could possibly be a match for Yuan Xiu.

...

In the North Plain.

Sima Bei knelt in front of Yuan Xiu and said in a low voice, “Master, I’ve checked. Qin Yu has not come out since he entered the Divine Capital City.”

“Where are the others?” Yuan Xiu asked.

The two losses made Yuan Xiu start to worry.

He had to eliminate all possible enemies in the dark.

“In the entire Nanzhou, ” Sima Bei said coldly, “Other than Wen Wanchong and Qu Zhu, no one else is willing to help. There are already Reversion Void Stage cultivators who have left Nanzhou for the East Continent.

“In addition to them, there is also Jue Wu, who also caused us heavy losses.” Sima Bei continued.

Yuan Xiu narrowed his eyes and said, “Jue Wu... I seem to remember this person, she’s a very small woman?”

“That’s right. She’s not weak. However, she has been unconscious for a long time and is only a half-step Reversion Void Stage cultivator. She’s not a threat to us.”

Yuan Xiu glanced at Sima Bei and continued, “Is there no possibility of other people taking action?”

“Master, you shouldn’t waste any more time. It’s already been close to ten days. If you delay any longer, Xiao Sheng will come out of his seclusion.” Sima Bei said with a frown.

Yuan Xiu cast a cold glance at Sima Bei. Clearly, the tone of Sima Bei’s words had displeased him.

However, it had to be said that Sima Bei’s words made sense.

At this moment, Yuan Xiu suddenly stood up, causing Sima Bei, who was kneeling on the ground, to stagger in fear.

“Thunder Courtyard... They won’t be involved in this, right?” Yuan Xiu suddenly asked.

“Thunder Courtyard has never been involved in these things,” Sima Bei quickly said.

“Then let’s not waste any more time. We’ll set off immediately for the Divine Capital City!” Yuan Xiu squinted his eyes and said.

“Yes!”

The group of people once again rushed towards Divine Capital City!

It was late at night, and everything was silent.

Divine Capital City, which was deserted, was eerily quiet.

At that moment, three people suddenly appeared near Divine Capital City.

Yuan Xiu scanned the surroundings coldly. He released his divine sense, which covered a radius of several hundred stars!

“There’s not a single person?” Yuan Xiu narrowed his eyes and sneered.

He stretched out his palm and the gigantic ax appeared in his hand again!

The bright light instantly lit up the night! The pitch-black night seemed to have turned into day!

An extremely terrifying aura caused the nearby sand and stones to start floating.

The ground rumbled as if a great earthquake was happening!

Peng Liu, who was in Divine Capital City, was jolted awake.

He raised his head to look at the gigantic ax that was flashing in the sky, and his expression instantly became extremely ugly.

“I’m finished...” Peng Liu swallowed his saliva, feeling extremely terrified.

Yuan Xiu looked down at the entire city and said coldly, “Last time, I almost broke through the Divine Capital City. This time, I’ll see who can stop me!”

After saying that, he raised his palm, and a terrifying aura instantly condensed. Thousands of light rays condensed on his gigantic ax!

As Yuan Xiu’s palm fell, the sharp blade of the ax came crashing down.

“Boom!”

The Divine Inscription Formation instantly took form, and thin divine inscriptions covered the entire city!

The divine inscriptions trembled under the might of this gigantic ax, but they still stubbornly withstood it in the end.

Yuan Xiu didn't waste any time. He raised his gigantic ax again and swung it down for the second time!

This time, the divine inscriptions trembled even more violently!

Yuan Xiu's face turned even colder. He grabbed the gigantic ax in his hand and swung it down for the third time!

“Boom!”

Under the third strike, the divine inscriptions instantly became a bit dimmer! Just like the last time, it seemed to be on the verge of collapse!

“What dogshit Divine Inscription Formation? I'll break you today!” Yuan Xiu said coldly.

He grabbed the gigantic ax and swung it for the third time!

The Divine Inscription Formation finally crumbled under the might of this ax!

The dense golden threads were directly broken!

They were scattered in the sky and became extremely dim!

A moment later, all of the divine inscriptions slowly disappeared and merged into the air.

Divine Capital City had been breached!

“Finally, finally!” Sima Bei was extremely excited!

He was the first one to rush into Divine Capital City. He quickly released his divine sense and headed straight in Xiao Sheng's direction!

“Xiao Sheng, let's see who else can save you this time.” Yuan Xiu said coldly.

With a jolt of his feet, he immediately shot in the direction of Xiao Sheng.

“Qin Yu, it's time for you to pay the price. I've been waiting for this day... It's been a long time!” Yong Ji sneered.

Instead of following Yuan Xiu, he quickly located Qin Yu's position and sped off.

1750 He Teng's Ambitions

1750 He Teng's Ambitions

In a certain room, Qin Yu was lying motionless on the bed, and his breath was a little dispirited.

Peng Liu knew that he was just a small character, so he simply hid, afraid that he would be affected if he stayed with Qin Yu.

At this moment, Yong Ji was standing in front of Qin Yu, looking at him coldly.

"I'm both happy and sad to see you like this." Yong Ji said indifferently.

"I thought I could kill you fair and square. I didn't expect this to be the end."

As he spoke, a sharp blade appeared in Yong Ji's hand.

He planned to use this sharp blade to cut off Qin Yu's head!

"I didn't expect to compete with a junior like you. How embarrassing." Yong Ji said coldly.

"But it doesn't matter. Yuan Xiu is right. Only the living are the strongest!"

As he spoke, the sharp blade in Yong Ji's hand was aimed at Qin Yu's neck!

At this moment, a white light flashed past and blocked Qin Yu's path!

boxn ov el. c o m

The huge collision force sent Yong Ji flying!

Yong Ji frowned. He looked up and saw He Teng holding onto the White Bone Club in his hand with difficulty.

It was clear that the collision had a huge impact on him.

“What are you doing?” Yong Ji said coldly.

“You can’t kill him,” He Teng said with squinted eyes.

“I can’t kill him?” Yong Ji’s eyes narrowed slightly, then he said coldly, “You really want to save him! tell me, what is your relationship with him!”

He Teng held the White Bone Club and said in a deep voice, “I need his body, so you can’t kill him.”

“You need his body?” Yong Ji laughed coldly.

“After I kill him, I’ll give you his body.”

After saying that, Yong Ji planned to attack again.

“No!”

But at this moment, He Teng chided.

“What do you want?!” Yong Ji said coldly.

He Teng’s eyes narrowed slightly. He grinned and said, “I want to defeat him with my own hands.”

“Hahahahahaha!” as soon as he said this, Yong Ji couldn’t help but laugh.

“He Teng, is there something wrong with your brain? To defeat him with your own hands? Do you think you have the ability to do so?” Yong Ji ridiculed him without mercy.

“Moreover, so what if you personally defeated him? Tsk tsk, He Teng, I really didn’t expect you to be such an ambitious person.”

Facing Yong Ji’s mockery, He Teng didn’t waste any words. He stood in front of Qin Yu and said in a dark voice, “I hate him more than any of you. I can’t wait to tear him into pieces! But... I must defeat him with my own hands. If I can’t kill him, I will never be able to vindicate my dao.”

“Vindicate your dao?” The smile on Yong Ji’s face grew wider.

He said sarcastically, “He Teng, you don’t think you have the chance to become a True Saint, do you? Or to conquer the entire universe? Do you think you can enter the Tribulation Stage?”

“I thought you were an extremely shrewd person, but it seems like you’re actually so childish today!”

“I’m fundamentally different from you maggots,” He Teng said with a faint smile. “I did want Qin Yu to die in the past. As long as he’s dead, I’ll still be the so-called number one in the Central Plains.”

“However, after I entered the Holy Region, I discovered that there are many powerful experts. Even if I kill Qin Yu, there will still be Wang Yu, Sun Yu, and Li Yu! There’s no point in doing so.”

“As for your sarcasm, I don’t care at all. How would someone like you know my ambition? Tribulation Stage? What is that?”

“What I want is to become a Supreme Emperor! I want to become the strongest person in this world! I want to step on Qin Yu and enter a no man’s land!”

Hearing He Teng’s words, Yong Ji was dumbfounded.

However, he soon sneered.

“Such a childish person, I really envy you.” Yong Ji said with squinted eyes.

“Qin Yu must die today. You can’t stop me.”

He Teng reached out and grabbed the White Bone Club. Then, he said coldly, “Then you can come and try.”

“Do you think you’re invincible just because you’re using this White Bone Club?” Yong Ji shouted.

“So what if you can stop me? If Yuan Xiu finds out, you’ll still die!”

“I believe that you won’t do that, otherwise...” He Teng said gloomily.
“You’ll definitely die a terrible death...”

At this moment, He Teng’s face was filled with eeriness. The coldness he gave off was even more terrifying.

It wasn’t an overstatement to say that the current He Teng was like a messenger from hell, causing people to be instinctively afraid!

“Detestable...” Yong Ji was extremely unwilling. Qin Yu was clearly lying in front of him. If he didn’t kill him, how could he bear it?

Just as the two of them were in a deadlock, two powerful auras quickly approached!

He Teng and Yong Ji instantly sensed these two auras. Without thinking, they were definitely Wen Wanchong and Qu Zhu!

“I’ll get even with you in the future!” Yong Ji said coldly.

After saying that, Yong Ji turned around and walked towards Yuan Xiu.

He Teng, on the other hand, looked down at Qin Yu in front of him. He said sinisterly, “Qin Yu, I will kill you with my own hands and cut you into pieces! What kind of bullsh*t physique is this? I’ll crush you one by one! I’ll let you all know that man can conquer nature!”

He Teng didn’t stay any longer and immediately headed in the direction of Yuan Xiu.

At this moment, Yuan Xiu pointed his ice-cold blade at Xiao Sheng.

“Xiao Sheng, after I kill you, no one will be able to stop me!” Yuan Xiu seemed to be extremely crazy!

“Boom!”

However, at this moment, a strong force was directed at Yuan Xiu’s back!

Yuan Xiu snorted coldly. He immediately turned around and welcomed the attack with his large hand!

Clang! Clang!

The terrifying collision caused the Divine Capital City to collapse in an instant!

That force was also directly dispersed by Yuan Xiu's palm!

He followed his gaze and saw Wen Wanchong rushing over!

He glared at Yuan Xiu and shouted, "You despicable man! You actually launched a sneak attack in the middle of the night, f*ck you!"

Yuan Xiu sneered and said, "Wen Wanchong? Why are you alone? Where's that Qu Zhu?"

"I'm more than enough to kill you!" Wen Wanchong cursed.

"I think you're looking for death!"

Yuan Xiu didn't want to waste any more time. He burst forth and instantly appeared in front of Wen Wanchong!

In his hand, there was a terrifying force that was approaching Wen Wanchong's heart!

"Ah!"

"Die!" Wen Wanchong roared and his body emitted rays of light. He clenched his fist and met Yuan Xiu's palm!

"Boom!"

Wen Wanchong took a few steps back from the impact, and his palm was bleeding, even his bones were exposed!

Yuan Xiu did not stop there. He took out his gigantic ax and swung it at Wen Wanchong!

The radiance that reached the heavens drowned everything. The gigantic ax had the power to split the heavens and earth as it slashed towards Wen Wanchong!

1751 Jue Wu Takes Action

In the face of this gigantic ax, Wen Wanchong did not dare to take it head-on. He hurriedly took out Qin Yu's iron rod, clenched it with both hands, and tried his best to meet it.

Clang! Clang!

The terrifying force sent the iron rod flying, and half of Wen Wanchong's body was smashed into the ground!

"Not good!"

Seeing this, Wen Wanchong's expression changed!

He tried to get up, but it was too late. Yuan Xiu's second slash had already come down!

Wen Wanchong's face turned pale. It was impossible to escape now!

"Whoosh!"

At this moment, a bamboo leaf-like radiance welcomed the gigantic ax!

Even though the light didn't stop the gigantic ax, it still bought time for Wen Wanchong.

He took advantage of this opportunity to escape to the side and grabbed the iron rod again.

boxn ov el. c o m

"Boom!"

The gigantic ax smashed into the ground, shattering large pieces of space!

Wen Wanchong's face was extremely pale. If the ax landed on his body, he would be smashed into meat paste!

"How is it?" Qu Zhu looked at Wen Wanchong.

"No," Wen Wanchong shook his head. "This Yuan Xiu is too scary. He wants to kill us as soon as possible."

"We should be prepared to die before coming." Qu Zhu took a deep breath.

Even though this was not in line with his life's creed, he still came.

"You two reckless fools. You're not my target. You'd better get lost immediately!" Yuan Xiu said coldly.

After saying this, Yuan Xiu once again charged at Xiao Sheng.

"Not good!" Wen Wanchong's expression changed, and he immediately looked at Qu Zhu!

The two of them looked at each other and immediately attacked at the same time!

Red and green chains emerged from their palms. They pierced through the void and bound Yuan Xiu in place!

Yuan Xiu's face turned cold. He tried to move forward but found that the force was too strong and he could not move.

"Seize this opportunity and kill him!" Wen Wanchong gritted his teeth and took out a drop of blood essence. Then he put his hands together, as if he was going to cast some terrible spell.

"Boom!"

After a loud bang, a giant appeared behind Wen Wanchong!

The giant had a ferocious face and bared its fangs. Its entire body was blood-red!

“Vision?” Yuan Xiu turned around to look at the giant and sneered.

“What kind of vision are you playing in front of me? Is there any use?” Yuan Xiu’s expression was frighteningly cold.

He squinted his eyes slightly, and a black aura emanated from his body. In the next second, the entire world was invaded by this black aura, and they seemed to have entered another world!

Immediately after, Yuan Xiu clasped his hands together and rays of light flew out from between his eyebrows!

The light gathered on his back and finally formed a huge figure!

This seemed to be an ancient figure, extremely terrifying. A cold aura spread out, and a single gaze seemed to be able to penetrate through the ages!

Wen Wanchong did not show any fear. After he shouted, the strange phenomenon rushed towards Yuan Xiu!

However, in the face of such a terrifying ancient existence, Wen Wanchong’s vision was no match for it. The moment they collided, the vision was crushed into pieces!

Wen Wanchong’s face turned pale, and he staggered back a few steps, spitting out a mouthful of blood!

“This won’t do. I don’t know what kind of supernatural power Yuan Xiu is using. He seems to be able to mobilize the Immortal Slaying Sect’s Mighty Realm force!” Wen Wanchong could not help but clench his teeth.

Qu Zhu was well aware of how terrifying Yuan Xiu was. The entire space seemed to be enveloped by them.

“That’s the only way.” Qu Zhu said coldly.

He opened his mouth slightly, and a dark green aura followed.

This aura was extremely pure, so pure that no one could tell what it was.

His aura was circulating rapidly, and in a flash, it condensed into a huge bamboo leaf.

“What is this?” Wen Wanchong frowned.

Qu Zhu looked at Wen Wanchong and said coldly, “This is the power of the origin I obtained at Fengzhu Mountain.

The power of the origin was born from chaos, and it was an extremely terrifying thing. Qu Zhu had always relied on this power of the origin to cultivate.

He was forced to use it now.

“Power of the origin...” Wen Wanchong’s brain was spinning rapidly, and his face was dripping with sweat. He seemed to be thinking about something.

“Dayue Mountain is the former residence of a great cultivator undergoing the heavenly tribulation. Why can’t I find his power of the origin...” Wen Wanchong gritted his teeth.

If he could obtain Dayue Mountain’s power of the origin, he would not have been in such a difficult position in this battle!

At this moment, the power of the origin was already crushing towards Yuan Xiu. Yuan Xiu snorted coldly and the terrifying existence behind him immediately raised its palm to meet the attack.

“Boom!”

This was an extremely terrifying collision, shattering everything.

Mysterious lines appeared on the mysterious bamboo leaf. This was the power of the origin that was being emitted!

With a loud bang, the pitch-black world was pierced through, and the terrifying existence behind Yuan Xiu disappeared!

“Thump, thump, thump!”

Yuan Xiu was forced to take a few steps back and his face turned red.

This undoubtedly infuriated Yuan Xiu. He glared at Qu Zhu coldly and gritted his teeth. “You’ve stopped me time and time again, ruining my plans. Today, I’ll definitely kill you two ants!”

Yuan Xiu looked at Sima Bei and the others and shouted, “You guys go and kill Xiao Sheng. I’m going to kill these two bastards!”

“Alright!” Sima Bei was overjoyed. This was the chance he had been waiting for!

The two of them quickly made their way towards Xiao Sheng. To them, it was a great honor to be able to kill such a figure!

“Not good!” Wen Wanchong’s expression changed!

Ignoring the injuries on his body, he gritted his teeth and charged in Xiao Sheng’s direction.

However, he had only taken two steps when the space around him collapsed!

All the space collapsed like fragments and soon began to reform.

In a short moment, Wen Wanchong and Qu Zhu were trapped in a separate space.

This was Yuan Xiu’s spatial secret technique, which trapped the two of them in this small space, unable to escape!

“Take care of yourselves first.” Yuan Xiu said coldly.

Wen Wanchong’s face was extremely unsightly. He couldn’t help but look in Xiao Sheng’s direction with a trace of worry on his face.

“Something major has happened.” Qu Zhu, who was standing to the side, also took a deep breath.

In Nanzhou, only Xiao Sheng, who had reached the Reversion Void Stage, could fight him.

As for Yong Ji and Sima Bei, they had already walked up to Xiao Sheng.

“Go to hell, Xiao Sheng!” Sima Bei’s face was filled with madness as he raised his hand and charged towards Xiao Sheng!

However, at this moment, a petite figure appeared in front of Xiao Sheng. Her palm was glowing with a purple light, and she blocked Sima Bei’s attack!

“Yong Ji, you bastard, long time no see!”

1752 The Power of the Purple Cloud Pearl?

Hearing this clear and familiar voice, Yong Ji was stunned. He quickly looked ahead.

On Xiao Sheng’s shoulder, there was a young girl.

Her two little legs were dangling in the air, making her look like a child.

“Jue Wu?”

When he saw the person clearly, Yong Ji was stunned.

“Jue Wu, aren’t you already dead?” Yong Ji asked in surprise.

Jue Wu jumped down from Xiaosheng’s shoulder. She glared at Yong Ji and said, “I won’t die even if you die. You bastard, you’ve really joined the North Plain, you bastard!”

Yong Ji’s expression gradually turned cold. He snorted and said, “No wonder you’re with Wen Wanchong. You speak the same way.”

“Alright, stop talking nonsense!” Sima Bei, who was standing at the side, seemed to have lost his patience.

He coldly looked at Jue Wu and said, "Jue Wu, this isn't the first time we've met."

"Ah," she said. Jue Wu looked at Sima Bei in a daze, then scratched her head. "Who are you again?"

boxn ov el. c o m

Sima Bei was stunned. His old face darkened, and he gritted his teeth. "You have a good memory. I'm the Godly King of the North Plain..."

"Oh, I remember now!" Before Sima Bei could finish, Jue Wu clapped her hands and said with a smile, "You're the lunatic from the north. You're that Sima something, right?"

Sima Bei couldn't bear it anymore. He glared at Jue Wu and said, "Don't be pretentious! You're only a half-step Reversion Void Stage cultivator now, so you don't have the right to stand in front of us. If you want to die, we can satisfy you!"

Yong Ji also came back to his senses. He laughed and said, "Yeah! Why didn't I think of that? You're just a half-step Reversion Void Stage cultivator now. You've come at the right time, I'll kill you as well, hahaha!"

"Hehe, what's wrong? Were you afraid you couldn't beat me in the past?" Jue Wu said with a smile.

"Yong Ji, don't waste your breath on her. Quickly kill her, and then get rid of Xiao Sheng." Sima Bei said coldly.

"Leave it to me," Yong Ji said coldly. "I was just thinking of meeting my old rival."

After he finished speaking, a terrifying aura burst out from Yong Ji's body. He mimicked Yuan Xiu and a ray of light lit up on his finger, which he then pointed at Jue Wu.

“Although it’s just a casual point of my finger, it should be enough to deal with a half-step Reversion Void Stage cultivator like you,” Yong Ji said with a faint smile.

In the distance, Wen Wanchong, who was trapped in the small world, suddenly looked extremely ugly!

“Lord... Lord Jue Wu, why is she here?!” Wen Wanchong gritted his teeth.

There was no need to elaborate on his relationship with Jue Wu. Now that he saw Jue Wu being surrounded by two Reversion Void Stage cultivators, he was naturally anxious!

“No, no!” Wen Wanchong was furious. He desperately smashed the void in front of him, but the world was extremely strong and could not be broken!

“You... You guys don’t touch Jue Wu!”

Wen Wanchong was furious, but he felt even more despair!

Yong Ji said that it was just a casual point of his finger, but that definitely contained 100% of his strength. It definitely wasn’t something Jue Wu could take!

However, just as Wen Wanchong was in despair, Jue Wu, who was not far away, flew up with a whoosh. Then, she reached out her hand and a purple light suddenly burst out!

Her small hand became extremely large. Wrapped in purple light, it was like a small mountain as it ruthlessly slapped toward Yong Ji!

“Boom!”

Before Yong Ji could even react, he was smacked to the ground by a palm!

Wen Wanchong was stunned when he saw this.

“How... How is this possible?” Wen Wanchong swallowed his saliva!

Jue Wu was only a half-step Reversion Void Stage cultivator, how could she have such terrifying strength? This didn't make sense!

Even Xiao Sheng would not be able to do such a thing!

“Ah!”

Yong Ji's furious voice came from underground.

He suddenly stood up, extremely furious!

Fresh blood dripped from his body, making him look rather tragic.

“I... I'm going to kill you!” Yong Ji was furious! He had never thought that he would be f*cking defeated again!

“Something's not right.”

To the side, Sima Bei sensed something strange. Jue Wu's aura was not that powerful, but when she attacked, the power was terrifying to the extreme!

And that purple light shouldn't have belonged to Jue Wu!

He had fought with Jue Wu before, and this was definitely not Jue Wu's method!

“Could it be someone else in disguise?” Sima Bei even guessed.

Wen Wanchong, who was not far away, seemed to have guessed something!

“It's... It's the power of the purple cloud pearl!” Wen Wanchong was shocked!

Could it be that Jue Wu had swallowed the power of the purple cloud pearl?

“Something’s wrong!” But soon, Wen Wanchong shook his head.

The power that this purple cloud pearl could display wasn’t any weaker than a completely revived Saint Weapon. It was obvious that Jue Wu hadn’t been able to display such battle power.

It could only be said that Jue Wu had most likely obtained a portion of the purple cloud pearl’s power!

“Yong Ji, you’re really a piece of trash. Is this all you’ve got at the Reversion Void Stage?” Jue Wu said with a smile.

“F*ck you!” Yong Ji was clearly forced to the point of collapse. He charged towards Jue Wu, his fists continuously smashing over.

However, Jue Wu’s movements were extremely light, and she easily dodged every punch.

After a while, Yong Ji was so tired that he was gasping for breath. On the other hand, Jue Wu was standing in the air, looking at Yong Ji with a mocking expression.

“Just this?” Jue Wu scratched her head. Then, she raised her palm and that purple power appeared again.

“Are you done? It’s my turn now.” Jue Wu’s face gradually turned cold.

Sima Bei, who was standing at the side, walked out in a hurry and said in a deep voice, “Be careful, this Jue Wu is a bit strange.”

“That thing from the North Plain... Sima what? You’re just in time, I’ll take care of you too.” Jue Wu muttered.

Sima Bei’s face was extremely cold. He raised his head to look at Jue Wu, extremely vigilant.

“Boom!”

At this moment, Jue Wu’s small hands exploded with two powerful forces!

These two forces once again smacked the two of them into the ground!

Wen Wanchong and Qu Zhu heaved a sigh of relief when they saw this.

“At least we don’t have to worry about Jue Wu and Xiao Sheng.” Qu Zhu said.

Wen Wanchong hummed in acknowledgment. He looked at Yuan Xiu in front of him and said in a low voice, “Next, we should worry about ourselves.”

Yuan Xiu nearby said with a faint smile, “Your Nanzhou is full of hidden dragons and crouching tigers. There are many talents.”

Wen Wanchong’s face was pale, and his forehead was covered in sweat.

Neither Qu Zhu nor Wen Wanchong had the confidence to face Yuan Xiu.

“Don’t worry. After I kill you two, I’ll go and kill that Jue Wu.” Yuan Xiu said coldly.

After saying that, Yuan Xiu’s body trembled slightly and a ray of light emitted from his glabella.

The light entered the small world, and in a moment, it condensed into a terrifying figure in a black robe!

Without a doubt, this must be a mysterious existence from the Immortal Slaying Sect!

1753 The Despairing Yuan Xiu

As if his soul had left his body, two radiances flew out from the space between his eyebrows.

The light entered the mind of the mysterious figure, and he opened his eyes.

His eyes shot out two terrifying murderous auras, and the murderous aura was directed at Wen Wanchong and Qu Zhu!

“It’s broken!”

The two men’s expressions changed drastically. This aura was too terrifying, so terrifying that they could hardly move!

“You two must die here today.”

Yuan Xiu’s voice came from the mouth of the mysterious man!

It was obvious that Yuan Xiu had become one with the mysterious man!

After saying that, the mysterious man raised his hand. He borrowed the mysterious man’s strength and pressed his palm toward the two of them!

Qu Zhu and Wen Wanchong didn’t dare to delay and immediately activated their marks.

However, this palm was indestructible, and their spell techniques were all shattered in front of it!

boxn ov el. c o m

No matter how hard they tried, they couldn’t move it at all!

“Boom!”

The palm landed solidly on the two of them, causing their bodies to almost collapse and their blood to dye the small world red!

Before they could react, the mysterious man had already attacked again.

He muttered, and a long sword actually hung above his head!

The long sword was extremely bright, as if it was going to cut the galaxy.

Countless internal qi lingered around, as if many dragons were coiling around it!

Wen Wanchong and Qu Zhu climbed up from the ground with great difficulty. They looked up at the sword, feeling extremely uneasy.

Just the action of raising their hands made their bodies start to tremble. If they were to slash down, they would probably split this small world into two!

“I’m finished.” Wen Wanchong’s face darkened.

At this moment, Qu Zhu seemed to have thought of something. He hurriedly took out the bracelet that Qin Yu had given him.

This bracelet originated from Xiao Yu. When Qin Yu first fought against Yuan Xiu, he used this bracelet!

If he could use this bracelet, he might still have a chance of survival!

Qu Zhu didn’t dare to think too much. He hurriedly released his aura, wanting to fuse with the bracelet.

But unfortunately, this bracelet was completely useless in Qu Zhu’s hands!

“It’s useless.” Qu Zhu coldly said.

Wen Wanchong gritted his teeth. He held the iron rod in his hand and said, “I can only fight it out with him!”

“It’s no use.” Qu Zhu took a deep breath.

“As long as this sword falls, you and I will definitely die together.” Qu Zhu said in a low voice.

He raised his head and stared at the long sword hanging in the sky. His face was extremely calm, as if he was ready to die.

“Ah!”

Wen Wanchong was not willing to give up. After a loud shout, he swung the iron rod in his hand at the mysterious man!

However, the mysterious man raised his hand and easily caught it!

Then, the mysterious man suddenly used his strength and Wen Wanchong was thrown out!

“In the end, I’m still going to die here.” Qu Zhu didn’t waste any more time. He closed his eyes, waiting for death to come.

“Boom, boom, boom...”

A terrifying sound entered the ears of the two. This world was trembling non-stop, as if it was about to collapse.

And that long sword was slashing down at an extremely fast speed, slashing towards the two of them!

The sword had yet to arrive, but Qu Zhu was already unable to withstand this pressure!

His body twisted into the shape of a shrimp, as if he was trying his best to resist.

Wen Wanchong’s situation was not any better. He roared and tried his best to resist the force, but he was still pressed to the ground.

The two of them closed their eyes at the same time. At this moment, they no longer had any hope.

“Boom, boom, boom...”

The long sword arrived as expected, and very quickly, it was hanging above their heads.

At this time, Qu Zhu and Wen Wanchong’s bodies were already suffocated by the pressure, and several of their bones were broken. They fell to the ground like a pool of mud, unable to get up.

Just as the long sword was about to land, it suddenly froze in mid-air!

“What?”

Qu Zhu and Wen Wanchong were stunned, and they looked up at the long sword.

The long sword was shaking violently, and the body of the mysterious man not far away was also shaking!

“What... What’s going on?” Wen Wanchong said in shock.

“It’s Jue Wu.” At this moment, Qu Zhu discovered something strange.

Outside this small world, Jue Wu’s small hand was emitting a purple light!

The ray of light, along with her small hand, entered Yuan Xiu’s true body and pierced through it!

“Jue Wu... How did she do it?” Qu Zhu couldn’t help but frown.

At this moment, Wen Wanchong was sure of his thoughts.

Jue Wu must have obtained a portion of the power of the purple cloud pearl. Otherwise, she would not have been able to hurt Yuan Xiu!

“Ah!”

In this small world, the mysterious man was roaring!

His body was dissipating bit by bit, and the small world around him was also starting to collapse!

“You’re looking for death!” Yuan Xiu glared at Jue Wu and suddenly attacked. He swept his arm and instantly sent Jue Wu flying!

Jue Wu rolled a few times on the ground. She didn’t care about her injuries and hurriedly got up, shouting, “The two of you, hurry up and leave. Leave this to me!”

Both Wen Wanchong and Qu Zhu were stunned.

Leave it to Jue Wu? Wasn't this the same as leaving Jue Wu here to wait for her death?

"No!" Wen Wanchong gritted his teeth and grabbed the iron rod again, ready to fight Yuan Xiu!

"Don't worry, none of you will be able to leave this place," Yuan Xiu replied coldly.

Yuan Xiu raised both his hands and the terrifying black radiance gathered once again. From his palms, it spread towards the sky!

In no time, the entire Divine Capital City was enveloped by this light!

Everyone was immersed in this world, unable to escape!

Yuan Xiu looked at them coldly and said, "You want to escape? Do you think you can?"

Jue Wu didn't waste her breath like Yuan Xiu. With a shake of her feet, she raised her two small hands. Rays of purple radiance shot out like cannonballs!

This force was not to be underestimated, but it was impossible to kill Yuan Xiu!

"Hurry up!"

At this moment, Jue Wu suddenly ran to Wen Wanchong and Qu Zhu's side.

She raised her palm and patted the back of the two.

A trace of gentle power entered the two's bodies through Jue Wu's palms.

Within moments, Wen Wanchong and Qu Zhu's bodies were filled with energy.

They might not have recovered to their peak state, but they were almost there.

“It’s really amazing.” Qu Zhu couldn’t help but sigh.

“Now is not the time to talk about this. Let’s think of a way to escape.”
Jue Wu coldly said.

Just as they were talking, Yuan Xiu appeared.

What shocked everyone was that his body actually filled the entire world.
He was like a god looking down at the three of them!

1754 Qin Yu Awakens

No matter which angle one looked at it from, it was the figure of Yuan Xiu!

“What kind of strange spell is this?” Wen Wanchong frowned.

“I don’t know, I don’t know if I can think of a way to escape... Pfft!”

Qu Zhu didn’t even get to finish his words before he suddenly spat out a mouthful of blood!

This mouthful of blood came extremely suddenly, and no one knew what had happened!

“What’s going on?” Wen Wanchong said hurriedly.

Qu Zhu shook his head and said. “I don’t know. I just feel like there’s a huge rock pressing on my chest...”

Wen Wanchong’s face turned pale.

His body couldn’t help but tremble and fall down, as if an invisible force was pressing down on Wen Wanchong!

“This is an absolute domain.” Yuan Xiu said coldly.

“In this world, I am the master. I only need to move my mind and I can take your lives.”

boxn ov el. c o m

Yuan Xiu was clearly enraged.

This technique was a forbidden technique of the Immortal Slaying Sect and was extremely terrifying!

Yuan Xiu was obviously trying to get rid of the three of them as soon as possible by using this spell.

“Kneel down!”

At this moment, Yuan Xiu suddenly shouted!

The three of them knelt down involuntarily!

Qu Zhu gritted his teeth and used all his strength to resist the force, but his body still bent down involuntarily!

“Plop!”

In less than half a minute, Qu Zhu’s knees had slammed into the ground, crushing them into pieces!

“Ah!”

Wen Wanchong roared desperately, his body was emitting a blood-red aura, and his body was almost crushed!

Not long after, Wen Wanchong also knelt on the ground, unable to move!

Yuan Xiu was rather satisfied. He glanced at the three of them, but his eyes frowned slightly.

He saw that Jue Wu was trying her best to resist this power. Although it was extremely difficult, she didn’t show any signs of kneeling!

“I’m really surprised.” Yuan Xiu said coldly.

He raised his finger and pressed it in Jue Wu’s direction.

“Let’s see how long you can last.” Yuan Xiu said coldly.

As his finger pressed down, Jue Wu couldn’t take it anymore.

However, she was different from Wen Wanchong and Qu Zhu. Her entire body was sprawled on the ground instead of kneeling.

“You have some ability.” Yuan Xiu said indifferently.

“But it’s just a stubborn resistance. In this world, you are not even ants.”

In this world, Yuan Xiu seemed to be able to control everything.

He could even control the lives of these three people. He was the heavenly dao of this world!

The Immortal Slaying Sect’s creation of such a technique was truly terrifying!

Inside the Divine Capital City.

Qin Yu, who was lying on the bed, suddenly opened his eyes!

The effects of the Reversion Void Pill on him were not as terrifying as he had imagined. In less than ten days, he had woken up.

Qin Yu rubbed his chest, feeling a little tired and on the verge of running out of spiritual energy.

But when Qin Yu looked around, he was a little confused.

His surroundings were pitch-black, and the sun could not be seen.

Everything in the Divine Capital City seemed to have disappeared.

“Not good, Yuan... Yuan Xiu is charging in!” Qin Yu quickly came back to his senses!

When he looked up, he could see the terrifying face of Yuan Xiu!

Qin Yu did not dare to think too much. He hurriedly activated his desolate divine eye and scanned into the distance, trying to find out everything.

“Master, Qu Zhu, and... Jue Wu!”

Qin Yu’s face turned extremely ugly when he saw what was happening in the distance!

He gritted his teeth and decided to get up.

However, at this moment, Qin Yu had no strength in his body at all. He even found it difficult to stand up!

That feeling was as if his consciousness had already awakened, but his body was still in a state of deep sleep!

“I’m already tired of playing with you guys. In this world, if I want you to die, you will die.” Yuan Xiu’s voice could be heard from all directions!

After hearing his words, Qin Yu’s expression changed greatly!

“This won’t do. If this continues, the three of them will die without a doubt,” Qin Yu’s face was solemn.

Then, Qin Yu took a deep breath, gritted his teeth, and stood up.

“Yuan Xiu, come at me!” Qin Yu raised his head and roared in the direction of Yuan Xiu!

However, Yuan Xiu did not seem to hear him and ignored him.

He raised his huge palm, which seemed to be holding a planet. It was extremely terrifying!

“I’m going to make all of you disappear along with this world.” Yuan Xiu said coldly.

He held the power in his hand and slowly raised his huge palm.

Yuan Xiu was really planning to destroy this world!

Once he succeeded, even a great golden immortal would not be able to save them!

“No...” Qin Yu gritted his teeth. He tried his best to mobilize the energy in his body, but his body still refused to listen to him.

“Ah!”

Qin Yu looked like he was going crazy. He raised his head and roared, and golden lights were faintly visible on his body!

In his mind, scene after scene kept flashing. A force emerged in his body!

“Ah!”

With Qin Yu’s roar, the golden energy finally burst out!

At this moment, Qin Yu’s entire body was bathed in golden light. His body instantly became extremely huge, almost as high as the sky of this world!

The golden light illuminated the world. Qin Yu’s huge body shocked everyone!

“It’s... It’s Qin Yu!”

Wen Wanchong quickly looked at the huge body.

“This kid actually woke up at this time.” Qu Zhu’s brows furrowed.

“It’s over, it’s over. This silly boy, isn’t he just courting death?” Jue Wu whispered.

Qin Yu glared at Yuan Xiu coldly and said, "Yuan Xiu, you've finally barged in..."

"Hahahaha, Qin Yu, you've come at the right time. I'm not willing to let you die in a coma." Yuan Xiu said indifferently.

"If you destroy this world, you, Sima Bei, and Yong Ji will all die!" Qin Yu gritted his teeth and said.

"Oh? Is that so?" Yuan Xiu, on the other hand, had a look of ridicule on his face. With a thought, his body emitted rays of light that enveloped him.

Yong Ji and Sima Bei were lying on the ground in the distance, along with He Teng, and were also enveloped by this light.

"I am the master of this world. Whoever I want alive, will live. Whoever I want dead, will die." Yuan Xiu said indifferently.

"F*ck you! F*ck!" Qin Yu cursed and clenched his fist as he charged at Yuan Xiu.

However, Qin Yu's body did not have any strength to speak of. The moment her golden fist touched Yuan Xiu, it dimmed.

Yuan Xiu held Qin Yu's fist with one hand and sneered. "You maggots who don't know death, you actually dare to shout in front of a god like me!"

1755 Xiao Sheng? Xiao Hai?

Qin Yu's huge body fell to the ground with a loud crash, stirring up clouds of dust.

Yuan Xiu could not help but sneer.

"Qin Yu!" Wen Wanchong's expression was extremely ugly. He wanted to help, but he couldn't even stand up.

"Just a maggot." Yuan Xiu said coldly.

Qin Yu, who was lying on the ground, was losing his strength rapidly.

But in Qin Yu's mind, images of the past kept flashing.

The promises he had made, his past ambitions, and the dreams in his heart were all encouraging him.

“Ah!”

Qin Yu let out an angry roar, and the golden light flickered again!

He endured the powerlessness of his body and climbed up step by step!

However, before he could make a move, Yuan Xiu slapped Qin Yu again!

boxn ov el. c o m

This time, Yuan Xiu raised his foot and stepped on his body.

The huge force made it difficult for Qin Yu to get up.

The aura on his body was circulating, and the golden light would light up and extinguish at times.

However, Qin Yu was still unwilling to give up. He knew that if he gave up today, he would be doomed eternally.

All his efforts would be in vain. Everything would be for naught.

“No, no!”

Qin Yu was not willing to give up. With both hands on the ground, he tried his best to resist the powerful force!

Yuan Xiu looked at Qin Yu coldly and said, “Putting up a stubborn resistance, your spirit is worthy of admiration. Unfortunately, your strength does not allow it.”

“Boom!”

After saying that, Yuan Xiu stomped on Qin Yu again!

Waves of power burst forth.

The powerful force crushed Qin Yu's body into pieces!

In this world, Yuan Xiu seemed to be the master. No one seemed to be able to resist him!

Qin Yu was stepped on again and again. His body was about to be crushed, and his bones were broken one by one.

A sense of powerlessness filled Qin Yu's entire body. Under the huge gap in strength, everything seemed to be useless.

"No, no..."

Qin Yu didn't want to give up, and his eyes were a little wet.

It wasn't because of the pain, but because of despair. It was because all the hard work he had put in for so long was going to go to waste.

"Alright, you can die now." Yuan Xiu's expression gradually turned cold.

He glanced at the few people present and murmured, as if he was going to give an ultimatum.

Immediately, Yuan Xiu lifted the terrifying radiance with his palm again.

He was going to destroy this small world and make Qin Yu and the others disappear from this world completely!

"Go to hell!"

Yuan Xiu's face was filled with madness as he smashed his fist forward with all his might!

However, at this moment, a ray of light suddenly appeared in this dark world!

The light was like a piece of cloth that had been torn apart, cooling the entire darkness!

“Slash!”

A sword blade tore this world apart.

The darkness began to collapse, and light slowly appeared!

The moment the darkness was torn apart, the small world began to collapse!

Yuan Xiu’s face darkened.

This time, he didn’t even have the desire to see who did it.

This was because his plans had been interrupted at the crucial moment time and time again.

The anger almost caused Yuan Xiu to collapse.

“Who is it? Who is it?”

Finally, Yuan Xiu could not take it anymore. He roared and turned around to look at the moment the world collapsed!

On the other side of this small world, there was a tall man.

He didn’t have a sword in his hand, only a pair of rough, callused hands.

When they saw who it was, they were all shocked!

“Xiao Sheng, you’ve come out of seclusion?” Yuan Xiu was the first to exclaim.

Wen Wanchong and the others were also excited. They stood up and shouted, “He’s finally come out of seclusion. It’s much faster than I imagined!”

Qin Yu wiped away the tears that were about to flow out, and the cosmic form slowly disappeared.

He looked at Xiao Sheng in shock and said in a low voice, “Good, good that he finally made it...”

“Something’s wrong!”

Qu Zhu shook his head.

“What’s wrong?” Wen Wanchong frowned.

Qu Zhu lifted a finger and pointed in Xiao Sheng’s direction.

“Xiao Sheng is still sitting there. He hasn’t even come out of his seclusion. Furthermore, he won’t even be able to undergo his tribulation in such a short period of time.” Qu Zhu coldly said.

After Qu Zhu’s reminder, everyone also came back to their senses!

Xiao Sheng was clearly just sitting there, when did he come out of seclusion?

However, the person in front of him was clearly the face of Xiao Sheng!

“Xiao... Xiao Hai!”

Qin Yu suddenly remembered something!

There was only one person who had the same facial features as him, and that was his brother, Xiao Hai!

“Xiao Hai?” Qu Zhu and Wen Wanchong looked at Qin Yu and frowned, “Didn’t Xiao Hai die?”

“I... I don’t know.” Qin Yu shook his head in a hurry.

However, who else had such a face other than Xiao Hai?

Qin Yu couldn’t figure it out. No one could!

“Senior Xiao Hai, is that you?” Qin Yu shouted.

The tall man standing on the other side of the small world looked at Qin Yu and said, “Qin Yu, take these people and leave first.”

Hearing his tone, Qin Yu immediately confirmed his thoughts.

This person was Xiao Hai!

“Senior Xiao Hai, you... You didn’t die!” Qin Yu was so excited that he didn’t even know what to say to express his feelings at the moment!

“Quickly step aside, we’ll talk about the rest later,” Xiao Hai said in a deep voice.

“Yes!” Qin Yu nodded quickly. He, Qu Zhu, and the others all rushed into the distance.

“That’s weird. Didn’t Xiao Hai die? Why did he appear again?” Qu Zhu said with a frown after they had run some distance.

Qu Zhu wasn’t the only one. Everyone was thinking about this.

Even Yuan Xiu was frowning.

“Isn’t Xiao Hai already dead?” Yuan Xiu looked at Sima Bei.

“That day, he...” Sima Bei said in a panic. “He was indeed killed by the few of us. I... I don’t know what’s going on either...”

“Trash.” Yuan Xiu could not help but say coldly.

Then, Yuan Xiu looked at Xiao Hai and said, “But it’s good that he’s alive. I’d like to meet the person who crossed the dead river.”

Xiao Hai looked at Yuan Xiu coldly and said, “It’s a pity that I didn’t kill you that day.”

Yuan Xiu laughed heartily. “Xiao Hai, you’re indeed impressive. You crossed the dead river by force, endured the immense pressure from the

North Plain, and almost killed four of my Godly Kings. Such a battle record is unprecedented and will attract worldwide attention!

“I’m very curious, how did you do it?” Yuan Xiu raised his eyebrows.

Xiao Hai looked at Yuan Xiu coldly and said, “You want to know?”

“That’s right, I really want to know. How did you do it? A technique? Inheritance? Or is it a supreme magical artifact?” Yuan Xiu guessed.

1756 The Power of Faith

Yuan Xiu seemed to be extremely curious. After all, no one had ever crossed the dead river before.

“I’m guessing you have some sort of magical artifact on you.” Yuan Xiu said indifferently.

Xiao Hai looked at Yuan Xiu coldly and said, “None of them are correct.”

“Oh? Then what did you rely on?” Yuan Xiu continued to ask.

“It’s because of faith,” Xiao Hai said coldly. “It’s because of strong faith. Of course, people like you will never understand.”

“Faith?” Yuan Xiu was stunned for a moment before he burst out laughing. “What is faith? Can it be eaten? You can accomplish what you can’t just by relying on your faith?”

“Yes.” Xiao Hai nodded.

At this moment, everyone was greatly shocked!

Qin Yu, who was not far away, could not help but clench his fists.

He believed in the power of faith. As long as he had strong faith in his heart, that would be his dao!

This kind of belief could only be realized by Xiao Hai!

boxn ov el. c o m

Under the urging of this belief, he relied on his ordinary constitution to forcefully cross the dead river and almost killed those Four Godly Kings!

“This guy is really abnormal!” Sima Bei could not help but curse in his heart.

Yong Ji, on the other hand, kept silent.

At this moment, he suddenly realized that the gap between him and Xiao Hai was too big. It was like the difference between heaven and earth. There was no way to compare.

In other words, no one in the entire Nanzhou could be compared to Xiao Hai.

“You’re really worthy of respect.” Yuan Xiu said sincerely.

“I’ve lived for so many years, and you’re the only person I admire.”

Even Yuan Xiu felt a sense of respect for Xiao Hai.

How terrifying would such a person be in the future? No one knew.

Perhaps, no other body in this world could compare to the power brought by his strong faith.

“It’s a pity, I really don’t want to kill you,” Yuan Xiu shook his head.

“If it’s possible, I hope you can leave now.”

“You know I won’t do that,” Xiao Hai shook his head.

“It’s a pity. All this while, I’ve been somewhat afraid of your brother, Xiao Sheng. But now, I’ve realized that you’re even scarier than him.”

“You’re too pure. you’re as pure as a pool of clear water. I can’t even bear to pollute it.”

Indeed, even Yuan Xiu had said such words, let alone others.

“Xiao Hai is a freak. He is indeed a legend in Nanzhou.” Wen Wanchong muttered.

Although Qu Zhu didn't say anything, he had the same thought in his heart.

Qin Yu was the only one who stared at Xiao Hai with a complicated expression.

It was no exaggeration to say that Qin Yu was moved by his temperament!

That strong faith was enough to support him to complete anything!

“Then why didn't you die?” Yuan Xiu continued to ask.

“I'm the same as you,” Xiao Hai said coldly.

“The same as me?” Yuan Xiu asked, stunned. “What do you mean by that?”

“The moment I stepped into the North Plain, I sensed the dao techniques of the North Plain, or rather, the dao techniques of the Immortal Slaying Sect.” Xiao Hai said in a deep voice.

Upon hearing this, Yuan Xiu's expression turned extremely ugly!

He stared at Xiao Hai and said, “Could it be that you've also received the inheritance of the Immortal Slaying Sect?”

“No, I only sensed a trace of dao technique, and I comprehended a bit of it.” Xiao Hai said.

“Of course, I'm not as scary as you. You can recover in a flash. I spent a long time, but I survived by luck.”

At this moment, Yuan Xiu's face was extremely ugly. He even looked a little desperate!

Xiao Hai could actually sense the dao technique the moment he stepped into the North Plain! How terrifying was this?

One had to know that Yuan Xiu had spent hundreds of years to comprehend a trace of the Immortal Slaying Sect's inheritance after receiving it!

"You're really too terrifying." Yuan Xiu took a deep breath.

"I don't think it's an injustice to die in the hands of someone like you," Yuan Xiu had even said something so shocking!

Xiao Hai's body slowly emitted his internal qi.

This internal qi was incomparably thick, as big as the world!

It was as if a golden dragon was coiling around his body, and his body was like a tall mountain!

"Xiao Hai, are you really going to attack? I can't bear to kill you." Yuan Xiu said coldly.

"I didn't expect that even someone like you would have compassion." Xiao Hai said coldly.

"No, you're wrong. This isn't compassion. I'm just cherishing talents." Yuan Xiu smiled and shook his head.

"What is talent?" Xiao Hai asked.

"In your eyes, those who have the talent for cultivation are talents and are worth cherishing. As for those who have weak talent in cultivation, can you ignore them?"

"That's right. Those without talent in cultivation are worthless. No one will value them." Yuan Xiu nodded his head slightly.

"Why do you use talent to judge a person's value?" Xiao Hai sighed.

“I’ve always thought that everyone should live equally. At least they have the right to live.

“Most people in this world are ordinary people.”

“Xiao Hai, you’re too indecisive,” Yuan Xiu said, shaking his head.

“Maybe.” Xiao Hai sighed.

The internal qi on his body was still exploding.

After sensing Xiao Hai’s internal qi, Yuan Xiu sighed. “You really want to attack me? You’re only a half-step Reversion Void Stage cultivator, you’re no match for me. It would be a pity if you die in battle today.”

“I’m no different from those who were killed. If you don’t feel pity for them, you don’t have to feel pity for me either.” Xiao Hai said.

“Moreover, I might not die today.”

Yuan Xiu could not help but sneer.

“Do you really think you can defeat me as a Reversion Void Stage cultivator?” Yuan Xiu said coldly.

“I can’t, but I think I can hold you back until Xiao Sheng comes out.” Xiao Hai said.

“If that’s the case, then don’t blame me for being impolite!” Yuan Xiu laughed.

“Xiao Hai, I admit that you’re a genius, but it’s a pity that geniuses often die young!”

Yuan Xiu shouted as he charged at Xiao Hai.

His palm contained a terrifying power. Black light wrapped around his arm as if he was borrowing some terrifying ancient power!

Xiao Hai's face was cold. He suddenly raised his thick arms and pressed his broad body forward.

The rough palm was facing Yuan Xiu!

"Not good, he's going to meet force with force!" Wen Wanchong's eyes widened, and he looked extremely nervous!

Qu Zhu also frowned. He knew how terrifying Xiao Hai was, but he was only at the half-step Reversion Void Stage. How could he fight against Yuan Xiu who was in such a terrifying realm?

"Boom!"

At the moment of collision, the already dilapidated Divine Capital City was completely shattered!

1757 The Invincibility of Faith!

A terrifying aura swept out, turning everything in its path into dust!

Waves of aftershock forced everyone to retreat. Qin Yu, whose breathing was already weak, was even more shocked until he vomited blood!

Smoke filled the air and blocked everyone's vision!

Everyone looked at the battlefield nervously. They didn't know what the result of the collision would be, and they didn't know if Xiao Hai would survive.

Slowly, the smoke and dust began to dissipate, revealing two figures.

These two people were tall and short, strong and thin!

"Xiao Hai... Xiao Hai actually managed to survive!" At this time, Wen Wanchong was the first to exclaim!

Qin Yu and Qu Zhu also widened their eyes.

“Oh my god, he’s so crazy.” even Jue Wu’s small mouth was wide open, her face full of shock!

Xiao Hai had really taken the hit! in the collision between the two sides, no one actually gained any advantage!

How terrifying was this? A half-step Reversion Void Stage was able to withstand a palm strike from Yuan Xiu!

boxn ov el. c o m

Yuan Xiu’s expression was icy cold. Once again, he felt the terror of the Xiao brothers!

“Are you really at the half-step Reversion Void Stage?” Yuan Xiu said coldly.

“Yes.” Xiao Hai said concisely.

“Then all the more I can’t let you live!” Yuan Xiu shouted and immediately used all his techniques to charge at Xiao Hai!

The two of them had a huge collision! This part of the world seemed to have become their battlefield!

The two of them didn’t hold back at all, and their terrifying auras shot into the distance. Every time they collided, countless areas would be shattered into pieces!

As Yuan Xiu fought Xiao Hai, they unleashed all kinds of spells. One of them was like a god protecting a world, while the other was like a resurrected demon!

The two of them held different beliefs and had a huge gap in their realms, but under such circumstances, the two of them were fighting each other!

Fresh blood splattered across the sky. Xiao Hai seemed to have been reborn from blood. He had no intention of retreating in the face of the

powerful Yuan Xiu. Even though he was covered in blood, he showed no fear!

Yuan Xiu's respect for Xiao Hai had also reached its peak. This was the only opponent he had respected since he was born. Hence, he used all sorts of trump cards and spells in an attempt to show Xiao Hai the greatest respect!

Xiao Hai was very different from Yuan Xiu. He did not seem to have any spells or techniques. All he had was a destructive fist and a palm that could topple mountains and overturn the seas!

Everyone was shocked by their battle!

Not only Qin Yu and the others, even Sima Bei and He Teng were extremely shocked!

"Were you really as famous as such a person back then?" Sima Bei looked at Yong Ji and said in shock.

Yong Ji gritted his teeth. Although these words were extremely unkind, they didn't make him feel humiliated.

Because Xiao Hai's performance was indeed worthy of admiration!

"Nanzhou is truly a land of talents. I'm afraid that the two brothers of the Xiao family can be considered first-class in the entire Holy Region." He Teng said with emotion.

"Do you still intend to become a Supreme Emperor?" Yuan Xiu snorted.

He Teng was stunned. Then, he said coldly, "This is also my faith. people like you won't understand it either."

In the distance, the great battle had already turned white hot. The two of them had already exchanged hundreds of moves!

Xiao Hai, who was only at the half-step Reversion Void Stage, had not been defeated yet, which made everyone feel terrified!

Although he was covered in wounds and bleeding, his internal qi did not weaken at all. Instead, his battle intent became stronger!

“Ah!”

Yuan Xiu roared and unleashed a terrifying dao technique, as if he wanted to use all the dao techniques in this world for himself!

Xiao Hai, on the other hand, did not use any fancy spells. His palm turned into a knife, and in an instant, a golden dragon seemed to appear and merge with his palm.

At this moment, Xiao Hai’s palm was as sharp as a blade, as if it could cut through everything in the world!

“Boom!”

The sharp blade cut through the sky and destroyed Yuan Xiu’s spell!

Following that, Xiao Hai waved his sleeves, and a thick wave of true energy shot towards Yuan Xiu.

Yuan Xiu was not afraid at all. His face was cold and his hands were filled with killing intent!

A terrifying aura gathered in his hand and he drew a semi-circle in the air, forcing Xiao Hai to retreat.

“Xiao Hai, I acknowledge your strength, but I don’t have time to waste with you. I’ve already given you a chance. If you don’t leave, you’ll die here!” Yuan Xiu let out an earth-shattering roar and a terrifying flame ignited in his palm!

Yuan Xiu glided in the air, as if he was deducing some powerful technique!

Countless auras gathered around Yuan Xiu, and the mysterious patterns merged with them!

At this moment, a trace of Holy Power appeared on his palm!

Wisps of Holy Power permeated the air. No one knew what kind of spell Yuan Xiu had used to actually produce such Holy Power!

“Not good!”

Everyone’s expression changed drastically. That aura was frightening!

Before the crowd could even begin to wonder, Yuan Xiu’s palm had already reached forward!

The palm, which was mixed with a trace of Holy Power, pressed down on Xiao Hai like a mountain!

Even Xiao Hai couldn’t take it anymore.

Half of his palm was crushed, and his body was smashed into the ground at an extremely fast speed!

Cracks started to appear on his body as if he was about to collapse!

“How many more terrifying techniques are Yuan Xiu hiding?”

Qin Yu could not help but be shocked! Could this also be a secret technique left behind by the Immortal Slaying Sect?

The power of a True Saint was extremely terrifying. Even a Reversion Void Stage cultivator would not be able to resist it, let alone a half-step Reversion Void Stage cultivator!

Xiao Hai was pressed to the ground, unable to get up, while Yuan Xiu was still performing his spell!

No one knew what kind of terrifying change would happen when the next palm slapped down!

“No, we can’t just sit here and do nothing!” Qin Yu quickly looked at Wen Wanchong and the others.

“Qin Yu is right.” Jue Wu also nodded. Her body was already emitting wisps of purple light.

“Wait!”

At this moment, Qu Zhu suddenly extended his hand to stop the two.

He looked in Xiao Hai’s direction.

Xiao Hai’s body was surrounded by a terrifying aura, and there seemed to be a dragon-like radiance blending with him.

The next second, Xiao Hai shouted. He supported his body with his hands and stood up again!

“What?”

Yuan Xiu’s expression changed slightly, and a trace of doubt flashed across his eyes.

He actually stood up again under the Holy Power? Was he still human?

“Ahh!”

Xiao Hai roared, and his long hair fluttered in the wind.

He raised his palm and slammed it towards Yuan Xiu with immense force!

This palm was filled with killing intent, Xiao Hai’s confidence in winning, and his endless fighting spirit.

Most importantly, it gave birth to Xiao Hai’s invincible faith!

1758 The Final Struggle

The palm arrived in an instant and closed in on Yuan Xiu!

“Boom!”

A violent tremor erupted, and half of Yuan Xiu’s body was instantly shattered. Blood gushed out, and it was a terrible sight!

The bones in his hands had been shattered, and half of his face was exposed. It was a terrifying sight!

“This palm... He actually managed to severely injure Yuan Xiu!” the surrounding crowd was shocked!

“That’s right! Xiao Hai is actually so terrifying!”

“If he steps into the Reversion Void Stage, what will he do?”

“No wonder the two brothers of the Xiao family can stand tall in Nanzhou. Their strength is indeed too terrifying!”

Yuan Xiu not far away was slowly recovering.

His face was extremely cold, and his killing intent was even more terrifying.

“Xiao Hai, you’re really incredible.” Yuan Xiu said coldly.

boxn ov el. c o m

“But do you still have the ability to fight? even if you are more talented than the heavens, I’m afraid that you have already become dispirited.”

Just as Yuan Xiu had said, Xiao Hai’s aura had started to weaken even though he had stood up.

The reason why he was still able to fight with him was all because he was strong-willed, he was supported by his faith.

It was already terrifying enough for someone at the half-step Reversion Void Stage to be able to fight to this point.

“You’re like a lamb waiting to be slaughtered now. You’re not worth mentioning.” Yuan Xiu said coldly.

As he spoke, his body had already recovered by more than half.

“At worst, I’ll just die again.” Xiao Hai’s expression was calm, as if he had already put his life and death aside.

“No!” At this moment, Jue Wu, who was standing at the side, suddenly shot towards Xiao Hai.

“What are you doing!” seeing this, Qin Yu hurriedly shouted!

Jue Wu ran behind Xiao Hai. She raised her palm and transferred true energy to Xiao Hai.

After a short while, Xiao Hai’s internal qi calmed down.

“Many thanks.” Xiao Hai looked at Jue Wu and said with a smile.

Jue Wu patted Xiao Hai’s shoulder and said, “You have to work hard, I have high hopes for you!”

Xiao Hai opened his mouth and was about to say something when his expression suddenly changed.

“Jue Wu, be careful!” Qin Yu, who was not far away, also shouted in a hurry!

A bone-chilling light pierced through the void and headed straight for Jue Wu!

At this distance, there was no possibility of dodging!

“Splat!”

At this moment, Xiao Hai stood in front of Jue Wu.

The bone-piercing light pierced through Xiao Hai’s thick body and shattered half of his cheekbone.

“Xiao Hai!” Jue Wu’s face suddenly became extremely ugly.

Xiao Hai was frighteningly calm. He wiped the blood from his face and looked at Jue Wu. “I’m fine. Go to the side and wait.”

Jue Wu grunted in agreement. She didn’t stay any longer and hurriedly left.

Even though half of Xiao Hai's face had been shattered, his breathing had returned to normal, and there was still a possibility of a battle.

Yuan Xiu looked at Xiao Hai coldly, his heart filled with iciness.

"It's already not bad that you were able to delay me for so long." Yuan Xiu said coldly.

"But next, I will kill you immediately."

"Boom, boom, boom..."

Right at this moment, the sky was suddenly covered in dark clouds. Doors opened one after another and wrapped around the pitch-black clouds, as if something was brewing.

Everyone raised their heads and looked at the terrifying sky.

"Not good, Xiao Sheng is about to undergo his tribulation!" Sima Bei was the first to react!

He hurriedly looked in Xiao Sheng's direction. As expected, Xiao Sheng's body was currently emitting wisps of aura.

And right at this moment, Xiao Sheng suddenly opened his eyes!

Two bright lights shot out and swept across the sky!

After that, Xiao Sheng's gaze fell on Xiao Hai.

"You... You're still alive?" A look of shock appeared on Xiao Sheng's face as well.

"If you don't reach the Reversion Void Stage as soon as possible, everyone will die here today," Xiao Hai replied.

Xiao Sheng didn't say anything more. He raised his head to look at the sky, then held his breath and focused his attention, preparing to face this terrifying heavenly tribulation.

With Xiao Sheng's talent, his heavenly tribulation was naturally extremely terrifying!

Sima Bei and the others did not dare to move forward, and were unable to stop him!

"He Teng, use your White Bone Club to block him!" Yong Ji warned.

He Teng laughed coldly, but he didn't move.

"Lord, kill Xiao Hai as soon as possible. We can't let Xiao Sheng reach the Reversion Void Stage!" Sima Bei shouted in a hurry.

Yuan Xiu naturally understood that once Xiao Sheng reached the Reversion Void Stage, he would have no chance of winning today!

"Xiao Hai, I'll send you on your way!" Yuan Xiu said coldly.

With that, he raised both his hands and began to perform his dao technique!

Very quickly, that terrifying scene appeared once again!

A terrifying scene appeared above Yuan Xiu's head!

This was also a small world, and the first thing that entered his eyes were three large golden words: Immortal Slaying Sect!

In this world, many people were dancing, True Saints bowing, and even great cultivators at the Tribulation Stage!

Qin Yu's face turned pale when he saw the scene clearly.

This scene was extremely familiar. It was the same scene that Qin Yu had seen on earth!

"It's true! It's the Immortal Slaying Sect!" Qin Yu gasped!

In this case, the origin of the Immortal Slaying Sect might really be earth!

Not only Qin Yu, He Teng, who was not far away, also noticed this strange scene.

He squinted his eyes, thinking about something.

“Boom, boom, boom...”

That scene gave off a terrifying roar, and even a wisp of aura that was casually emitted made people’s chests feel stuffy!

“Boom!”

At this moment, an extremely heavy aura was emitted from the scene!

The target of this aura was Xiao Hai!

Xiao Hai raised his head and roared. He raised his hands in an attempt to resist the force.

However, the final result was extremely disturbing. After all, this was Yuan Xiu’s trump card, a forbidden spell. It was definitely not something that Xiao Hai, who was a half-step Reversion Void Stage, could resist!

Just this wisp of aura had cut Xiao Hai in half at the waist!

Half of his body fell to the ground, and his powerful aura was rapidly leaking out like a deflating balloon!

“If this continues, I’m afraid that even Xiao Hai won’t be able to hold on!” Wen Wanchong said coldly.

“But we can’t help much. If Xiao Hai can’t hold on, it’s even more impossible for you and me.” Qu Zhu said coldly.

Qin Yu clenched his fists tightly. He stared at the scene with his heart in his throat.

“Senior Xiao Hai, you must hold on...” Qin Yu’s pupils dilated, and his face was covered in sweat.

Xiao Hai, who had fallen to the ground, raised his palm and was also performing a spell!

“Boom, boom, boom...”

At the same time, Xiao Sheng’s heavenly tribulation had also begun.

The terrifying heavenly tribulation poured down in torrents, as if it was going to shatter this piece of heaven and earth!

Xiao Hai raised his hands, and the dark clouds in the sky suddenly changed, as if they had a connection with Xiao Hai!

Seeing this scene, Qin Yu suddenly remembered the scene of Xiao Hai dying in battle in the North Plain!

At that time, Xiao Hai seemed to have used the same technique!

1759 Comprehending the Great Dao

When Xiao Hai used this technique, he was determined to die. He wanted to drag the entire North Plain down with him!

Now that he had used this technique again, it was obvious that he no longer had any thoughts of living!

Not only Qin Yu, but Sima Bei and the others also saw through this technique!

The few of them hurriedly retreated and shouted, “Master, you must be careful of this technique!”

However, how could Yuan Xiu be afraid? He had the Immortal Slaying Sect’s secret technique and a realm that could crush Xiao Hai. He had no fear at all!

“Come, let me see your final technique!” Yuan Xiu shouted.

He raised his palm and the scene behind him exploded with thousands of wisps of energy that rushed toward Xiao Hai.

Xiao Hai raised his hands and made a gesture of supporting the sky. At that moment, he seemed to have formed a connection with the dark clouds in the sky!

Countless auras condensed in his palm, and more than ten golden dragons appeared in the sky. Each golden dragon was vivid and lifelike, as if they had fused with the Great Dao of heaven and earth!

Their techniques were about to collide at any time. Qin Yu stood in the distance, extremely anxious!

“This time, no matter what, we must let Senior Xiao Hai live!” Qin Yu’s face was pale, and his forehead was dripping with sweat!

boxn ov el. c o m

Qin Yu’s eyes were slightly closed, and an anxious expression filled his face. He seemed to be thinking about something!

He forced himself to calm down and try to sense the Great Dao of heaven and earth. He wanted to sense something at this critical moment!

Xiao Sheng was able to comprehend the Great Dao of heaven and earth and cast a technique that was as powerful as the world!

Xiao Hai was the same. He used the power of heaven and earth and his strong faith to cause heavy damage to the North Plain!

Now, Qin Yu also wanted to learn something from it. Even if it could not play a key role, it could at least save Xiao Hai’s life!

“Boom, boom, boom!”

A terrifying boom reverberated throughout the world.

And Xiao Sheng’s heavenly tribulation had also descended as expected!

The heavenly tribulation was more terrifying than anyone could imagine, as thick bolts of lightning struck Xiao Sheng’s body!

“Xiao Hai, go to hell!”

Yuan Xiu roared and the thousands of wisps of aura slashed at Xiao Hai.

Xiao Hai raised his head and roared. He waved his sleeves and struck out with his palms, charging towards Yuan Xiu!

Qin Yu closed his eyes tightly, trying his best to sense something.

“Boom!”

At this moment, the spells collided.

The terrifying shock wave swept out, and everyone was affected!

Even Sima Bei, Yong Ji, and the others were sent flying, blood flowing out of their mouths!

Not only them, but Jue Wu, Qu Zhu, and Wen Wanchong also suffered the same terrible impact. Their bodies almost shattered and blood flowed out!

The entire world seemed to have turned into a terrifying storm, and no one could escape!

However, on this terrifying battlefield, Qin Yu’s body did not move at all!

His body was not affected at all!

“What?”

Qu Zhu and the others were the first to discover this scene.

They looked at Qin Yu in surprise, only to see a golden light emerging around him.

The light enveloped him and actually avoided the storm!

“What’s going on?” Wen Wanchong swallowed his saliva, feeling extremely shocked!

The impact just now had almost killed them, let alone almighty realm cultivators!

But Qin Yu was not affected at all? He wasn't even shaken at all!

"This kid... What did he learn?" Qu Zhu said in a low voice.

Before they could figure out the situation, the killing intent was already directed at Xiao Hai!

As expected, even Xiao Hai's trump card could not shake this Yuan Xiu's move!

Everything was annihilated, and Xiao Hai's body was forced back hundreds of steps.

Even if he was incomparably strong, he also appeared to be in a sorry state at this moment!

The gap between realms was difficult to make up for!

"Xiao Hai, you're dead!"

Yuan Xiu roared. His hands moved, and the terrifying vision above his head suddenly reached out with one hand!

The hand was aimed at Xiao Hai, and Xiao Hai's body was suddenly sent flying toward the scene.

Once Xiao Hai was swallowed into this scene, he would also become part of the combat power of this scene.

In other words, Xiao Hai would lose his self-consciousness due to this technique!

This was the terror of the Immortal Slaying Sect. They could turn anyone into their own combat power!

Seeing Xiao Hai's body being gradually swallowed by the scene, everyone became anxious.

“I have to think of a way to save him!” Jue Wu anxiously said.

Her body emitted a purple glow as she planned to rush forward to save Xiao Hai.

However, the aura exuded by that scene was too terrifying. Not to mention getting close, just taking a few steps forward would cause one to vomit blood from the terrifying impact!

Jue Wu wasn't willing to give up. She rushed towards that scene a second time.

This time, she was directly sent flying, and she even spat out a mouthful of blood!

“Motherf*cker!”

Wen Wanchong and Qu Zhu also tried to get closer, but the result was even worse than Jue Wu's. Their bodies were almost shattered, and their auras were extremely weak!

“What kind of technique is this? I can't even get close to him...” Wen Wanchong's face was filled with despair.

Was he going to let Xiao Hai die in front of everyone for the second time?

He was unwilling to accept this!

“Xiao Sheng, hurry up and break through!” Wen Wanchong's eyes were wide open and he was extremely anxious.

Not far away, Xiao Sheng had already faced his fourth heavenly tribulation bolt. It would take some time before he could successfully break through!

At this moment, Xiao Hai's leg had already entered the scene.

At this moment, Xiao Hai no longer could resist. His aura had been exhausted, and he could only watch as his body was swallowed.

At this moment of despair, a golden light suddenly shot toward Xiao Hai!

“What?”

The crowd was stunned and hurriedly looked over.

The person who had rushed over was none other than Qin Yu!

He was like a golden sword, cutting through the sky and slashing through the terrifying aura, heading straight for Xiao Hai!

“This kid... How did you do it?” Wen Wanchong’s eyes widened!

Jue Wu couldn’t help but open her small mouth, looking shocked.

Qu Zhu frowned and said in a low voice, “I’m afraid he has comprehended something.”

Xiao Sheng and Xiao Hai had comprehended the art of killing from the Great Dao of heaven and earth, and what Qin Yu had comprehended happened to fit his body, which was an extremely strong body!

At this moment, Qin Yu was wrapped in the mysterious golden light and was not affected by the terrifying aura at all.

Just like just now, everyone was knocked back by the terrible impact, except for Qin Yu!

At this critical moment, Qin Yu actually comprehended something!

“Could this also be the power of faith?” Qu Zhu murmured in a low voice, extremely shocked.

1760 You’ll Never Understand

Soon, Qin Yu was already in front of Xiao Hai.

At this moment, Qin Yu was undoubtedly crazy, but he was extremely calm.

He grabbed Xiao Hai's body and exerted all his remaining energy to pull him out.

However, the force was so strong that Qin Yu could not stop it at all!

Yuan Xiu could not help but sneer at the sight.

"Qin Yu, you're also a guy who surprises me." Yuan Xiu said indifferently.

"It's already very impressive that you can get close to him, but it's impossible to take him away!"

Qin Yu was not in the mood to listen to his nonsense. He gritted his teeth and clutched Xiao Hai's body tightly, trying to stop all of this.

"Ah! You're courting death!" Qin Yu roared in anger. He grabbed Xiao Hai tightly, and the veins on his body bulged. He had obviously used all his strength!

"Qin Yu, it's useless. Let go." At this moment, Xiao Hai spoke.

He looked at Qin Yu and said calmly, "I've already done everything I should. I'll leave the rest to you."

boxn ov el. c o m

"No, I will never give up!" Qin Yu shouted angrily. He clenched Xiao Hai's hand tightly and gritted his teeth. Sweat was dripping down his face.

"Qin Yu, if you don't let go, you will die here with me." Xiao Hai said in a deep voice.

"Let go. Everyone is bound to die. I just need to do what I should do."

"I won't let go!" Qin Yu roared. "Senior Xiao Hai, I won't let you sacrifice yourself a second time even if I die!"

"Let go! Qin Yu!" Xiao Hai roared. He wanted to force Qin Yu back with his remaining breath.

But Qin Yu's grip was too tight. His stubborn and tough expression moved everyone.

Xiao Hai's body was still immersed in the scene. Qin Yu's efforts seemed to have no effect.

Seeing that Xiao Hai's body had already reached his waist, everyone was in despair.

"Qin Yu, let go!" Xiao Hai roared.

"I won't!" Qin Yu raised his head and roared. He suddenly raised his palm, and a golden light instantly surged into his palm!

The golden light around his body disappeared and gathered in his palm.

Without the protection of the light, Qin Yu's body couldn't take it anymore.

His skin was cracking inch by inch, and his body was being shattered at an extremely fast speed!

"Qin Yu!" Everyone immediately became anxious, and Jue Wu tried her best to rush forward to help.

"Let go of me!" Xiao Hai shouted angrily. "You're still young and have a bright future ahead of you. It's not worth it to die here!"

Qin Yu gritted his teeth and said, "No... You said that everyone's life should be treated equally, and there's no such thing as being worth it or not. I... I am the same as anyone else!"

With a roar, Qin Yu used all his strength and slashed at Xiao Hai's waist with his palm!

"Slash!"

This palm was like a sharp blade, instantly splitting Xiao Hai's body into two!

Xiao Hai's body fell down.

And his lower body had entered the scene!

"He... He did it!" Seeing this, Wen Wanchong and the others were both surprised and happy!

Qin Yu had actually cut Xiao Hai's body in half at this critical moment, saving his upper body!

However, the next second, everyone's hearts were at their throats again.

Without the protection of the golden light, Qin Yu's body was on the verge of shattering. Even his head began to crack, revealing pieces of his bones!

The blood was so thick that Qin Yu's face was barely visible.

Qin Yu gritted his teeth and endured the pain. He grabbed Xiao Hai's upper body and ran away.

By the time he arrived in front of Jue Wu and the others, his aura had already withered to the extreme.

"Take... Take good care of Senior Xiao Hai..."

After saying this, Qin Yu fell into a coma.

"Qin Yu!"

Jue Wu hurriedly raised her palm and transferred her internal qi to Qin Yu.

However, Qin Yu was so badly injured that his body was almost crushed, and even a part of his bone was broken.

Even Jue Wu couldn't provide him with any internal qi.

A hint of respect appeared on Xiao Hai's face as he looked at Qin Yu, who was covered in blood.

“Qin Yu, thank you.” Xiao Hai took a deep breath, then reached out and pulled Qin Yu into his arms.

Qin Yu’s stubbornness and tenacity touched everyone’s hearts and filled them with respect.

“Take Qin Yu and leave.” The calm Qu Zhu looked at Wen Wanchong.

“Take Qin Yu and Senior Xiao Hai and leave this place.” Qu Zhu continued.

Wen Wanchong nodded. He picked up Qin Yu and Xiao Hai and was about to leave.

However, how could Yuan Xiu let them escape? With a wave of his hand, he froze the space in front of them, blocking their way.

“To be honest, I really don’t understand people like you.” Yuan Xiu said.

“It doesn’t matter if it’s you or Qin Yu. Why are you two willing to risk your lives? And how did you guys burst out that kind of... Strange and unfathomable power?”

Yuan Xiu kept sighing in puzzlement.

Xiao Hai looked at Yuan Xiu coldly and said, “As I said, people like you will never understand.”

“Not necessarily.” At this moment, Yuan Xiu changed the topic.

He laughed coldly. “I still have a long time to slowly think about this problem. But you are different. You are going to die here.”

After saying that, Yuan Xiu raised his palm.

At this moment, these few people no longer had any fighting strength left. Yuan Xiu could easily kill them.

“Goodbye, you strange people.” Yuan Xiu said coldly.

After he finished speaking, Yuan Xiu lightly pushed his palm forward and a terrifying radiance shot towards them!

Jue Wu hurriedly got up. Her small body burst out with a brilliant light and went straight to meet him.

“Boom!”

The moment they touched, the light on Jue Wu’s body was shattered.

Her small body rolled on the ground and blood flowed out.

“Hahaha, hitting a rock with an egg.” Yuan Xiu sneered.

Jue Wu stood up from the ground once again. She endured the pain in her body and once again rushed towards Yuan Xiu!

Yuan Xiu raised his palm and slapped at them!

A terrifying power erupted once again. Compared to the palm strike just now, the power of this palm strike was even more terrifying!

“Lord Jue Wu!” Wen Wanchong’s old face was filled with anger. He wanted to save her, but his body did not allow him to.

Just as the palm was about to hit Jue Wu, it suddenly stopped.

The fearsome power that Yuan Xiu had unleashed froze in mid-air, as if it had been frozen in place.

“What?” Yuan Xiu furrowed his brows, feeling that something was amiss.

Before he could come back to his senses, the aura actually began to burst in the opposite direction!

“What’s going on?” Yuan Xiu hurriedly turned around and looked into the distance.
