

# My Rich Wife –

1771 A Special Legacy Technique

After three days, the sky finally regained its peace.

Wen Wanchong took the lead and rushed to the top of Dayue Mountain, while Qin Yu and Qu Zhu stayed where they were.

A few minutes later, Jue Wu brought Wen Wanchong down the mountain.

Jue Wu ran to Qin Yu happily and said, “Well, you look a lot better now. You’re quite powerful.”

Qin Yu laughed bitterly and said, “I’m just holding on. How do you feel?”

Jue Wu said excitedly, “I am fine. I am totally fine!”

“In a few days, I’ll take you to Zhongzhou!” Jue Wu said with a serious face.

Qin Yu was silent for a moment, then shook his head and said, “There’s no need for that. You should stay in Nanzhou and cultivate. With your talent, you don’t need to take this risk.”

With the Nirvana Body, she could be cultivated by eating, drinking and having fun, so Jue Wu didn’t need to go to Zhongzhou.

But Jue Wu stubbornly said, “I have the final say! Don’t argue with me, or I’ll beat you up!”

Qin Yu couldn’t force her, so he could only nod with a smile.

boxn ov el. c o m

In the next few days, Qin Yu was still trying his best to get used to the pain.

He couldn't place all his bets on one person, not to mention that Xiaoqian might not be reliable.

After a few days, Qin Yu was able to try to mobilize the spiritual power in his body.

Although the power he could mobilize was less than one-tenth of his peak power, it was already incredible that he could co-exist with the pain of his primordial spirit to this extent.

A few more days passed, and there were only three days left before the appointment with Xiaoqian.

Qin Yu looked into the distance and began to feel a little uneasy.

This matter was too important to Qin Yu. The greater the hope, the greater the disappointment.

“Alas.”

Qin Yu heaved a long sigh. He gritted his teeth and tried to mobilize the internal qi in his body again.

Just then, Wen Da ran up from the foot of the mountain.

He said excitedly, “You're good, Qin Yu. You've brought them home, right? You are such a casanova!”

Qin Yu asked hurriedly, “What do you mean?” Who did I bring here?”

Wen Da muttered, “Don't play the fool. It's the two girls from the brothel a few days ago.”

“How charming you are! It's only been a few days, and they actually come here for you.”

Qin Yu did not want to listen to Wen Da's nonsense. He ignored the pain and rushed down the mountain.

Xiaoqian and Wanru were waiting for Qin Yu in the guest room of the palace in Dayue Mountain.

However, Wen Wanchong had always looked down on this kind of woman, so the hospitality was extremely poor. Wen Wanchong almost completely ignored the two of them.

When Qin Yu arrived, there was no more water in the teacup. The two of them just sat there.

Qin Yu walked up to them awkwardly and said apologetically, "I'm really sorry to have made you wait for so long. Please forgive me."

Xiaoqian glanced at Qin Yu and said, "Well, good for you. Even though you're so anxious, you still don't forget your manners. You're not quite the same as them."

Qin Yu smiled bitterly. Then, he asked Wen Da to bring a pot of water and filled the cups for the two of them.

Qin Yu asked, "How is it? Any news?"

Xiaoqian said, "Yeah. I've already asked my friend to go to Juxian Restaurant. But I have to warn you that once you deal with people like us, your hands will get dirty and you will never be able to clear your name."

Qin Yu's expression changed slightly. He took a deep breath and said, "It doesn't matter,"

Xiaoqian stood up and said, "Alright, let's not waste any more time. Let's go."

Qin Yu nodded and followed Xiaoqian out.

As soon as they went out, Wen Wanchong stopped them.

He pulled Qin Yu aside and said in a deep voice, "These people are not good people. Qin Yu, you have to be careful."

Qin Yu nodded and said, "I know it, master."

After that, Qin Yu followed Xiaoqian to Juxian Restaurant.

When the three of them arrived at the room, a woman in black was already waiting for them.

Her body was covered with a faint fragrance.

The fragrance was so alluring that no one could ignore it.

However, in addition to this fragrance, her internal qi from her body made people feel a little uncomfortable.

Xiaoqian called out, "Sister Ning."

The person called Sister Ning nodded, then she looked at Qin Yu.

"You're Qin Yu?" Sister Ning looked at Qin Yu from head to toe.

Qin Yu then said. "Yeah, Sister Ning."

Sister Ning didn't try to hide anything. She said directly, "I can teach you the technique, but I have to tell you that once you learn it, you will have something to do with our sect."

Qin Yu asked, "What sect?"

"The Satan," Sister Ning replied indifferently.

As soon as she said that, Qin Yu's expression became a little strange.

Qin Yu, who had come from the earth, was naturally familiar with Satan.

Now that he heard the name of such a sect, he naturally had an indescribable feeling.

Qin Yu muttered the name and asked "Well, Satan. What does your sect have to do with the real Satan?"

“What?” Sister Ning was kind of stunned. She didn’t seem to understand Qin Yu’s words.

Qin Yu shook his head and said, “Well, nothing.”

Sister Ning nodded and did not ask further. She continued, “Then you’d better consider it carefully.”

Qin Yu took a deep breath. At this moment, he was still in a dilemma.

It was definitely not a good thing to have a relationship with Satan.

However, every time Qin Yu hesitated, he thought of the chaotic body in Zhongzhou.

“Alright.” Thinking of that, Qin Yu gritted his teeth and agreed.

“Then you can come with me,” Sister Ning said as she stood up.

Qin Yu didn’t dare to waste any more time. He followed Sister Ning to a deserted place.

Xiaoqian and Wanru were waiting in the distance, while Sister Ning began to teach Qin Yu.

This technique was extremely simple. With Qin Yu’s ability, it was very easy for him to learn it.

At the last moment, Sister Ning raised her finger and placed it between Qin Yu’s eyebrows.

All of a sudden, Qin Yu only felt a light flash through his mind.

The light disappeared in a flash. When Qin Yu tried to look for it again, it disappeared without a trace. It was as if everything was just an illusion.

Sister Ning stood up and said, “It’s done.”

“In the future, you only need to devour the primordial spirits of others.”

Qin Yu had mixed feelings. For some reason, he had a bad feeling. He didn't even know if today's decision was right or wrong.

"Many thanks." Qin Yu bowed slightly to Sister Ning.

Sister Ning said indifferently, "You don't have to thank me. I only hope that you won't hate me in the future."

Qin Yu opened his mouth and wanted to ask something, but he gave up in the end.

There was no turning back now.

1772 Go to Thunder Courtyard With Jue Wu

Qin Yu didn't want to figure out what kind of sect Satan was at this moment.

Only by taking every step well could he have a future.

Sister Ning didn't stay any longer and quickly left the place.

Xiaoqian and Wanru, who were not far away, quickly walked over.

The two of them looked at Qin Yu, who was deep in thought, and didn't know what to say.

Xiaoqian suddenly asked, "What? Are you regretting it now?"

Qin Yu shook his head and said, "No, I'm not. There is no need to. Everything has to be weighed. I can't guarantee that the decision I made today was right. But for now, it is indeed right."

Xiaoqian said with a chuckle, "Well, that's good. Don't forget your promise to me."

"Yeah, of course." Qin Yu nodded.

After that, Qin Yu left the place and returned to Dayue mountain.

As for how to devour other people's primordial spirits, Qin Yu had no idea.

boxn ov el. c o m

In the past few days, Qin Yu had been extremely confused and at a loss.

Jue Wu once again started closed-door cultivation. Her method of closed-door cultivation was extremely unique. She ate and drank as much as she could while waiting for her cultivation to increase.

As for Wen Wanchong, although he wanted to keep Qin Yu company, he could not help him much now.

After much thought, Qin Yu finally decided to make a trip to Tianyun Sect.

On the Cultivation Mountain, Qin Yu stood behind Xiao Sheng and said half-jokingly, "Do you want to guess why I'm here?"

With his back to Qin Yu, Xiao Sheng said in a deep voice, "It must be related to your primordial spirit."

"Yes." Qin Yu didn't try to hide anything.

He immediately told Xiao Sheng about his recent experiences, including the thing about Satan.

"Have you heard of the organization, Satan?" Qin Yu asked.

Xiao Sheng shook his head. He had no idea.

Qin Yu couldn't help but sigh.

If even Xiao Sheng didn't know about it, it must be an extremely mysterious and terrifying organization.

Xiao Sheng then asked, "You don't know how to make your decision now, do you?"

Qin Yu sighed and said, "You are right. Devouring other people's primordial spirits puts a lot of psychological pressure on me."

Xiao Sheng also sighed. "Well, well, well. People like you always like to use morality to condemn yourselves. Do you really have to do that? "

"You're doing this to yourself, and so is Xiao Hai. No one in this world is perfect, so why do you have to satisfy everyone?"

Qin Yu did not say anything. As a modern person, he knew that it was wrong.

However, Qin Yu would never kill the innocent.

At this moment, Xiao Sheng suddenly said, "Go to Thunder Courtyard."

Qin Yu was stunned. He had long heard of Thunder Courtyard.

It was said that it was the most unique place in the entire Lizhou.

There were a lot of extremely strong people in that place. It seemed that all the talented young men had gone to Thunder Courtyard.

Qin Yu had always yearned to go to Thunder Courtyard, but she knew nothing about it.

Xiao Sheng said, "People from the East continent have been visiting Thunder Courtyard the most in recent years. It's time for you to go there."

Xiao Sheng seemed to have seen through Qin Yu's confusion, and said with a faint smile, "Thunder Courtyard is indeed mysterious, but it's not as scary as you think. In the early days, they did take in many young people, but their requirements were very high. "

Qin Yu asked in a deep voice, "How high were the requirements ?"

Xiao Sheng thought for a while and then said, "Yong Ji went to Thunder Courtyard before, but he was rejected."

Qin Yu gasped when he heard that.

Even Yong Ji was rejected. He was one of the three lunatics and the three extremes. Although his character wasn't very good, in terms of talent, he was definitely one of the best.

Xiao Sheng added, "Of course, nothing is absolute. They will also send out invitations. For example, Xiao Hai and I have been invited before."

Qin Yu couldn't help but smile bitterly. As expected, as long as one had the ability, the door was open to him.

Xiao Sheng said, "It's no exaggeration to say that Thunder Courtyard is the best place you can go in Lizhou. It used to be the holy land that all cultivators in Lizhou wanted to go to."

"And there's one great benefit if you go to Thunder Courtyard."

Qin Yu was stunned for a second and then asked, "What is it?"

Xiao Sheng said, "Thunder Courtyard has a special organization called Devil Hunter. Their cultivation method is very simple, which is to kill evil people."

"It must be much easier for you to kill those evil people, right?"

Xiao Sheng's words intrigued Qin Yu a lot.

But soon, Qin Yu shook his head.

He said with a bitter smile, "In my current state, I'm afraid Thunder Courtyard won't take me in."

Xiao Sheng said, "They will. With your reputation in Nanzhou, Thunder Courtyard will definitely accept you. However, with your current state, it will be difficult for you to become a Devil Hunter."

Qin Yu sighed.

If Qin Yu were at his peak, it would be easy for him to become a Devil Hunter.

But in his current state, it was difficult for him to even mobilize his spiritual power, so how could he fight with others?

“I have a good relationship with the director of Thunder Courtyard. If you want to go there, I can help you. What do you say?” Xiao Sheng suddenly said.

Qin Yu thought for a moment, then finally nodded and said, “Alright.”

Xiao Sheng nodded and said, “Then prepare yourself. We’ll set off in three days.”

“Many thanks.” Qin Yu bowed slightly to Xiao Sheng.

The Thunder Courtyard indeed had the best cultivation resources in the entire Lizhou. If Qin Yu wanted to reach the Reversion Void Stage as soon as possible, that place was the best choice.

According to Xiaoqian and Sister Ning, the more primordial spirits he devoured, the faster he would recover.

As long as Qin Yu devoured enough primordial spirits, he would soon be able to recover to his peak state.

Of course, Qin Yu did not plan to stay in Thunder Courtyard for too long. That kind of academic cultivation was not suitable for him.

After returning to Dayue mountain, Qin Yu told the others about this.

When they learned that Qin Yu was going to Thunder Courtyard, Wen Wanchong and the others were quite supportive.

Only Jue Wu, who was eating and drinking, ran over quickly.

She frowned and asked, “What if you get bullied in Thunder Courtyard in your current state?”

Qin Yu said with a bitter smile, "Being bullied? Who can bully me?"

Jue Wu shook her head repeatedly. "You don't know about this place. Thunder Courtyard is a place where all the chosen ones in Lizhou gather. In this kind of place, strength is the most important. With your current condition, you will inevitably be discriminated against."

Jue Wu's words were reasonable, but Qin Yu didn't seem to have any other choice.

He couldn't just kill people on the streets, as that wouldn't help him improve much.

At this time, Jue Wu suddenly said, "Well, I'll go with you. What do you say?"

Jue Wu raised her small fist and said, "With me protecting you, I guarantee that no one will dare to bully you."

Qin Yu wanted to say something. But Wen Wanchong nodded and said before Qin Yu could say anything, "Lord Jue Wu is right. With her around you, we will be less worried about you."

1773 Thunder Courtyard

Qin Yu originally wanted to refuse, but after thinking carefully, if Jue Wu accompanied him, the journey would indeed be much smoother.

The more powerful the primordial spirit was, the faster Qin Yu's recovery.

If Qin Yu encountered a powerful cultivator, perhaps Jue Wu could help Qin Yu.

Therefore, Qin Yu nodded and agreed.

In the next few days, Qin Yu continued to bear the pain.

Qin Yu's ability to adapt was extremely good. After this period of time, he was able to live with the pain, and he even could also mobilize the spiritual power in his body.

Although the strength he had now was far from his peak, it was still much stronger than before.

Three days passed by.

On this day, Qin Yu bid farewell to everyone and brought Jue Wu to Tianyun Sect.

Seeing Jue Wu beside Qin Yu, Xiao Sheng seemed to be a little surprised.

"Jue Wu, why are you here?" Xiao Sheng asked.

boxn ov el. c o m

"I also want to go to Thunder Courtyard!" Jue Wu said proudly.

Xiao Sheng did not ask any further. "Alright then, let's set off now."

"Right now?" Qin Yu was a little surprised.

Xiao Sheng nodded and walked out of Tianyun Sect.

The three of them set out on the road to Thunder Courtyard.

Thunder Courtyard was not far from Nanzhou. It was just opposite the organization, Hunter.

However, the Azure Rock Forest was in between, so they couldn't go right toward Thunder Courtyard.

There was only one way to Thunder Courtyard, and it was a small path that had been discovered after so many people died on their way.

While walking on the road, Qin Yu said in a deep voice, "I won't stay in Thunder Courtyard for too long. Once my primordial spirit recovers, I'll leave. That place won't give me much improvement."

Qin Yu, who had dragon blood, did not need Thunder Courtyard at all.

Xiao Sheng shot a glance at Qin Yu and said, "Haven't you always wanted to go to dragon blood? Thunder Courtyard is your only way."

Qin Yu immediately asked, "What do you mean?"

Xiao Sheng said, "Thunder Courtyard has teleportation formations, and one of them is on Demon-slaying Peak."

"Their actions are not limited to Nanzhou. It includes the entire Holy Region."

Qin Yu couldn't help but gasp and said in surprise, "Is Thunder Courtyard that powerful? Is Zhongzhou also within their territory?"

"Are there no weaklings in Zhongzhou?" Xiao Sheng asked.

Qin Yu thought about it and agreed with him.

Perhaps Thunder Courtyard could not afford to offend some aristocratic families, but most cultivators were not that powerful.

"In other words, it's very likely that I'll be able to go to Zhongzhou with the help of Thunder Courtyard." Qin Yu slightly squinted his eyes.

"That's right." Xiao Sheng slightly nodded.

This instantly reignited the spirit of Qin Yu, who had been a little upset.

As long as he could see Yan Ruoxue as soon as possible, everything he had experienced was worth it!

After a few days, the three of them finally arrived at Thunder Courtyard.

Thunder Courtyard was different from what Qin Yu had imagined.

He had thought that this place would be similar to an academy on earth, but after arriving, they realized that it was extremely huge! It was almost as large as Xihuang!

There were nine stone pillars that were extremely tall, and on each stone pillar, there were a few large words!

Xiao Sheng said, "There are nine main peaks in Thunder Courtyard, and Demon-slaying Peak is one of them. Because the nine main peaks are very far apart, they don't usually have much interaction with each other."

After saying that, Xiao Sheng raised his finger and pointed to the front.

There was a huge stone gate here, and the scenery inside could be seen through the stone gate.

Xiao Sheng continued, "This was the center of Thunder Courtyard. You won't come here unless there's something important."

Qin Yu nodded.

It was completely unreasonable to call this place a courtyard. It would be better to call it a state.

"Why is this place called Thunder Courtyard?" Qin Yu asked in confusion.

Xiao Sheng glanced at Qin Yu and said, "This is a place of emperors."

Qin Yu gasped when he heard that!

A place of emperor meant that there had been emperors born or raised in this place.

Emperors were even more powerful than great cultivators at the Tribulation Stage.

In the entire history of the Holy Region, there had only been a few emperors.

Xiao Sheng continued, "Lei Ming is the person who became an emperor. People call him Immortal Emperor Lei."

Qin Yu swallowed and said, “No wonder Thunder Courtyard has such a high status in Lizhou.”

Xiao Sheng said, “The current dean is a descendant of Immortal Emperor Lei. He has the emperor’s blood in his body and is also a powerful figure that no one can see through.”

Qin Yu quickly looked at Xiao Sheng and said, “How strong is he? Is he stronger than you?”

Xiao Sheng rarely smiled but now he actually smiled at Qin Yu.

Xiao Sheng shook his head and said, “You’re overestimating me.”

“You still don’t understand what it means to have the emperor’s blood flowing in one’s body. They are one of the most powerful people in the entire cultivation world.” Xiao Sheng sighed.

Qin Yu did not say anything after he heard that. But actually, he was shocked and kind of envious.

He had never thought that there would be such a strong person in Lizhou!

The dean was actually a descendant of an Immortal Emperor. He must be terrifyingly powerful.

If he had an Emperor Weapon, no one in the entire Holy Region or even the entire universe would dare to provoke him!

“Remember, you can offend anyone here, but not the Dean,” Xiao Sheng said as he walked.

Qin Yu said, “I see.”

They walked to the stone gate of Thunder Courtyard.

There were no guards, but the divine power from the stone gate was extremely terrifying. No one could force their way in.

Xiao Sheng took a step forward and said in a tone that was neither humble nor pushy, "I am Xiao Sheng. I am here to see Dean Lei."

His voice was not loud. If Dean Lei wasn't around, he would not be able to hear Xiao Sheng clearly.

However, after a short while, the divine power on the stone gate disappeared.

Xiao Sheng said, "Let's go."

Qin Yu nodded. He and Jue Wu followed behind Xiao Sheng and walked into Thunder Courtyard.

In a courtyard, a white-haired old man seemed to be meditating.

This man looked extremely old. He had a hunched figure and a calm internal qi. If he was placed in a crowd, no one would look at him twice.

This person was Dean Lei, Lei Xin, who had the blood of an emperor flowing in his veins.

"How's it going, Dean Lei?" Xiao Sheng bowed slightly.

The old man opened his eyes. He looked at Xiao Sheng and smiled, "Xiao Sheng, long time no see."

Xiao Sheng bowed again and said, "Yeah. I haven't come to see you for a long time."

This was the first time Qin Yu had seen Xiao Sheng being so respectful. Qin Yu was really surprised.

"What do you want? Have you thought it through? As I said, Thunder Courtyard will always be open to you." Dean Lei laughed.

Xiao Sheng shook his head. "It wasn't me. It was this young man."

After saying that, Xiao Sheng turned to look at Qin Yu.

Qin Yu quickly came forward, bowed and said, "It's my honor to meet you, Dean Lei."

1774 Demon-Slaying Peak

Dean Lei's gaze fell on Qin Yu's body instantly.

"Chaotic body? Dark-bright dual cultivation?" Dean Lei said in a low voice.

Hearing this, Qin Yu's expression changed slightly.

As expected of Dean Lei! He had seen through Qin Yu's physique at a glance!

"It's good to see you, Dean Lei." Qin Yu cupped her hands and said.

Dean Lei then glanced at Jue Wu.

"Nirvana Body?" Dean Lei's face gradually showed a trace of surprise.

"Xiao Sheng, you've indeed brought me two surprises," he laughed out loud and said.

Hearing these words, Xiao Sheng heaved a sigh of relief in his heart.

"Their talents are not inferior to mine," Xiao Sheng said.

"Not necessarily so." Dean Lei shook his head slightly.

boxn ov el. c o m

He slowly stood up and said, "Do you really think that the deciding factor for a person's talent and cultivation is the physique or the emperor's blood?"

"Please enlighten me, Dean," said Xiao Sheng in a deep voice.

"Of course, these are all bonuses. What really determines a person's success is mentality, ideal, character, and idea," Dean Lei said calmly.

“Just like you and Xiao Hai. Although you only have ordinary physiques, your talents are rare.”

“Dean Lei, you’re overpraising me,” Xiao Sheng bowed and said.

Dean Lei laughed and said, “I’ll accept both of them. Tell me, which of the main peaks do you want to go to?”

Just as Qin Yu was about to speak, Xiao Sheng beat him to it and said in a deep voice, “Dean Lei, there’s something I have to tell you. Qin Yu’s primordial spirit is damaged, and his strength has been greatly affected.”

“His primordial spirit is damaged?”

Upon hearing this, Dean Lei’s expression turned solemn.

He then shook his head and said, “If the primordial spirit is damaged, it will affect his foundation at the very least. If it’s serious, he might lose his life. Although he has a chaotic body, I’m afraid he is unable to accomplish high achievements in the future.”

Hearing his words, Qin Yu’s heart thumped!

Even Dean Lei had said so. How could Qin Yu not feel sad?

“Xiao Sheng, I can’t ruin Thunder Courtyard’s reputation for your sake,” Dean Lei said in a deep voice.

Xiao Sheng was not in a hurry. He looked at Dean Lei and said in a tone that was neither overbearing nor self-effacing, “Dean Lei, you’ve just said that what determines a person’s achievements has never been physique or bloodline, but the idea, ideal, and faith.”

“That’s right. That’s what I’ve said,” Dean Lei nodded slightly.

“Have you seen anyone who has suffered severe primordial spirit damage as carefree as Qin Yu?” Xiao Sheng continued.

Dean Lei sized Qin Yu up, then shook his head and said, “No, I’ve not. But through special methods, you might be able to move freely. However, that doesn’t mean it won’t affect your foundation.”

“Qin Yu did not use any method to reduce the pain. He is living with the pain. He is enduring the pain to live like a normal person,” said Xiao Sheng in a deep voice.

“His unyielding character alone is worthy of Thunder Courtyard.”

Dean Lei looked at Qin Yu in surprise and said, ” “You... are striving to adapt to the pain?”

“Yes, Dean Lei,” Qin Yu nodded.

Dean Lei was even more shocked. He stroked his white beard and said in surprise, “I’ve indeed never seen anyone who can do it to such an extent... Alright, since that’s the case, Thunder Courtyard will make an exception and accept you. Tell me, which of the main peaks do you want to go to?”

“Demon-slaying Peak,” Qin Yu said without any hesitation.

Dean Lei narrowed his eyes slightly and said in a deep voice, “In your current state, going to the Demon-slaying Peak is courting death.”

“Dean Lei, you just need to give him some time. He’ll definitely stun you. This child’s body contains tremendous power. He will definitely not disappoint you,” Xiao Sheng, who was standing beside him, quickly said.

“He defeated Yuan Xiu of North Plain twice. And the reason his primordial spirit was damaged was that he had to defeat Yuan Xiu.”

“Yuan Xiu?” It was obvious that Dean Lei knew this person.

He narrowed his eyes and said, “Xiao Sheng, although I want to agree to your request, you must pass the test to enter the Demon-slaying Peak. This is something inviolable. Even I can’t make an exception.”

Xiao Sheng frowned. He knew that Qin Yu could not pass the test in his current state.

“Dean Lei, please make an exception. As long as you give him some time, he...”

“No.”

Before Xiao Sheng could finish his sentence, he was interrupted by Dean Lei with a wave of his hand.

“Thunder Courtyard has been established for a long time, and no rules have been violated. These rules were set by my ancestors, and no one can violate them,” Dean Lei said coldly.

He then looked at Qin Yu and said, “Let’s go to the other main peak. Right now, you might need more rest.”

Xiao Sheng had no other choice. He looked at Qin Yu and was about to say something to persuade him. However, Qin Yu gritted his teeth and said, “I can take the test. If I can’t pass it, I’ll leave Thunder Courtyard on my own accord!”

“Qin Yu, do you know what kind of test Demon-slaying Peak is?” Xiao Sheng’s brows furrowed slightly.

“I don’t know,” Qin Yu said coldly. “But I want to try.”

“Hahaha! Interesting, very interesting!” Dean Lei couldn’t help but burst out laughing.

He looked at Qin Yu with admiration and said, “Although I don’t know why you must go to the Demon-slaying Peak, I like the spirit in you! If that’s the case, you can go to the Demon-slaying Peak directly.”

“Alright,” Qin Yu agreed and said.

He didn’t stay any longer and turned to leave.

Xiao Sheng was silent for a moment, but in the end, he still followed.

After walking out of the first main peak, Xiao Sheng looked at Qin Yu and said, "I'm not sure what this test is, but you can't pass it in your current state."

"There's nothing impossible in this world." Qin Yu took a deep breath.

"Since I'm already here, I definitely can't compromise just like this."

For his primordial spirit to recover as soon as possible, Qin Yu had even accepted Satan. He could not accept it if he were to give up at this juncture.

The three of them rushed all the way to the Demon-slaying Peak.

As soon as they got close to it, Qin Yu felt a terrifying internal qi emanating from the entire main peak.

There were probably many Reversion Void Stage cultivators here.

"Isn't it Thunder Courtyard never participates in any fights? What is the purpose of the existence of the Demon-slaying Peak then?" Qin Yu looked at Xiao Sheng with a puzzled expression.

"It's not the same," Xiao Sheng nodded and said. "Thunder Courtyard indeed won't participate in any fights, but the people killed by the Demon-slaying Peak are all extremely evil."

"Not including Yuan Xiu?" Qin Yu was confused.

"No." Xiao Sheng shook his head.

Qin Yu was shocked.

If even Yuan Xiao wasn't considered evil, what kind of existence the Demon-slaying Peak was targeting?

Soon the three of them entered the Demon-slaying Peak.

Compared to the other main peaks, the Demon-slaying Peak had the least number of people.

## 1775 The Test of the Demon-Slaying Peak

Following behind Xiao Sheng, Qin Yu's expression did not look so natural.

Thinking that Qin Yu was scared, Jue Wu patted his shoulder and said, "Don't worry so much. Forget it if Thunder Courtyard doesn't want us. I don't even care!"

Qin Yu knew Jue Wu's good intentions. So he smiled and said, "Alright, I'll listen to you."

After taking a few more steps, soon they entered the Demon-slaying Peak.

The entire Demon-slaying Peak could be said to be a huge sect. In addition to its huge area, it also had extremely substantial cultivation resources.

At a glance, one could not see the border. There were towering immortal trees everywhere, and also the grotto-heaven blessed lands built by the natural environment.

"What are you thinking?" Xiao Sheng suddenly asked at this moment.

"I'm just thinking if even Yuan Xiu is not considered evil, how many people in the entire Holy Region are considered evil," Qin Yu said in a deep voice.

"If there are only a few people, then what's the point of me coming here?"

"You haven't experienced enough. In this world, there are countless truly evil people," Xiao Sheng shook his head and said.

"There are those who kill for pleasure and harm others without benefiting themselves. Some kill innocents through the killing method. At least, Yuan Xiu did it for the sake of cultivation."

“Hmm.” Qin Yu responded and said, “So it’s up to the Devil Hunter to judge.”

“You can say so. However, Devil Hunter’s requirements are extremely high. They can’t be wrong,” Xiao Sheng said.

While they were talking, they had arrived at the entrance of a grotto-heaven blessed land.

This place was filled with dense air and smoke. It was like a fairyland.

This place was also at the peak of the mountain. It made one feel cold and lonely at the top.

“Xiao Sheng requests an audience,” Xiao Sheng stood at the door and said.

His voice went straight into the mansion.

After a while, a swishing sound came from inside.

In just a moment, a burly man with a slightly ferocious face rushed out from inside.

The man was not handsome. In fact, he looked a little scary. His face was slightly red, and Qin Yu could not help but think of Chang Mang.

“We are...”

“The dean has already told me,” the brawny man said.

“I’m the peak master of Demon-slaying Peak. Who wants to join Demon-slaying Peak? You? Or you?”

Jue Wu patted her chest and said, “He and I!”

When the peak master saw Jue Wu’s petite body, he couldn’t help but laugh.

“Where did this little brat come from? Don’t you know how terrifying Demon-slaying Peak is?” the brawny man laughed and said.

Jue Wu was instantly furious. Her small face turned red and she pounced toward the peak master!

Xiao Sheng wanted to stop her but it was too late.

That pair of small hands contained an extremely terrifying power. The peak master who had just walked out of the mansion flew back again.

“Boom!”

In just a moment, a terrible sound came from the depths of the mansion. It seemed to be the sound of a body hitting the wall.

The entire mansion was on the verge of collapse, with dust scattering down.

“Sign!” Xiao Sheng couldn’t help but sigh. He held his forehead with his hand and looked helpless.

Jue Wu also realized that she was in trouble. She coughed awkwardly and said, “Peak Master, are you alright? I didn’t do it on purpose. I didn’t use much strength just now...”

While she was saying that, the peak master rushed out with a whoosh.

He patted the dirt off his body, and his ferocious face looked even more terrifying at this moment.

Xiao Sheng took a step forward, wittingly or unwittingly placing Qin Yu and Jue Wu behind him.

Although he did not release any terrifying internal qi, everyone knew that Xiao Sheng could make a move at any time.

“I’m really sorry,” Xiao Sheng said in a deep voice.

The peak master stared at Jue Wu and gasped.

Just as everyone was feeling nervous, the peak master suddenly burst out laughing.

“D\*mn it! I didn’t expect your petite body to contain such a terrifying power! I’ve approved you to join Demon-slaying Peak!” the peak master said loudly.

Seeing what happened, Qin Yu could not help but heave a sigh of relief.

Thinking about it, being the master of Demon-slaying Peak should be the most difficult task.

For those who were willing to be the peak masters here, a sense of justice was more important than having powerful strength.

“And you, come over. If you can also push me away, I’ll let you join immediately!” The peak master looked at Qin Yu.

Qin Yu laughed bitterly. This peak master was at the Reversion Void stage. Moreover, he was an extremely powerful Reversion Void stage cultivator.

Not to mention Qin Yu’s current state, he couldn’t even do it at his peak.

“Let’s just follow the normal procedure,” Qin Yu said.

The peak master patted Qin Yu’s shoulder and said, “No problem. Come with me. It’s been a long time since someone joined Demon-slaying Peak.

He counted with his fingers and muttered, ” The last person seemed to be more than a hundred years ago. ”

“More than a hundred years ago?” Qin Yu could not help but be shocked. No one had joined Demon-slaying Peak for more than a hundred years?”

The peak master sneered and said, “Those who come to Thunder Courtyard are all famous heaven’s favorite sons. Their purpose is naturally to get the resources and cultivation techniques of Thunder

Courtyard. Who would be willing to do such a dangerous thing?" On Demon-slaying Peak, one could just die."

The peak master paused for a moment and said proudly, "Of course, only a few can enter Thunder Courtyard."

Qin Yu suddenly realized.

Thinking about it, it made sense. Even someone like Yong Ji was rejected, not to mention others.

The three of them followed behind the peak master and walked toward a particular place on Demon-slaying Peak.

There was a very bright light on the training ground of Demon-slaying Peak.

This light emitted wisps of extremely heavy internal qi. People did not dare to approach the light.

And this light was the test that Qin Yu had to go through.

On the way to the training ground, Xiao Sheng looked at Qin Yu and said, "If there's a chance, I must go to the first main peak."

"Why?" Qin Yu said in surprise.

"Don't forget, this is the place of Immortal Emperor Lei's inheritance. It'll naturally be a great opportunity if you can obtain his inheritance," said Xiao Sheng coldly.

Hearing this, Qin Yu suddenly came to a realization.

Any of Immortal Emperor Lei's cultivation techniques would make the entire Holy Region go crazy, let alone his inheritance!

Soon, they arrived at the training ground.

The peak master pointed at the light not far away and said, "This is the formation left behind by our ancestors. It will adjust its power according to your cultivation level, so you don't have to worry too much."

Qin Yu could not help but look solemn.

With Qin Yu's current state, he could only exert one-tenth of his strength at most. It would be extremely difficult for him to pass through the light.

Soon, a large group of people gathered on the training ground.

These people were all cultivators of Demon-slaying Peak. Since no one had joined Demon-slaying Peak for a very long time, they had all come to watch.

"Buzz!"

Soon, the light was lit up.

"Go." The peak master patted Qin Yu's shoulder.

1776 Difficult

The surrounding people were discussing spiritedly. They seemed to be rather curious about these three strangers.

"I think I know who those people are," someone said softly.

"The tallest and fairest should be Xiao Sheng from Nanzhou. He is known as the number one person in Nanzhou."

"Xiao Sheng? Is he very strong?"

"Yes, he is. He almost wiped out the entire Lizhou but was stopped by the dead river. This doesn't make sense. Why would he come to Thunder Courtyard?"

"Who's that short little girl beside him? Is she also going to join Demon-Slaying Peak?"

“I don’t know. That little one is so cute. Is she here to be a cute pet?”

The crowd was in a heated discussion. Among the three, Qin Yu’s appearance was the most ordinary. Thus no one paid any attention to him.

“Peak Master, I have a question,” Qin Yu suddenly said.

The peak master nodded and said, “If you have anything to ask, just ask.”

“Do you have many opportunities to go out of Demon-slaying Peak? How many demon-slaying operations have there been?” Qin Yu said with a frown.

boxn ov el. c o m

If it was too rare, there was no need for Qin Yu to take the risk.

“We’ll issue many missions. As for how many, it depends on you. Demon-slaying Peak never forces anyone,” the peak master said indifferently.

“Of course, if you don’t accept a mission for more than a month, you will be automatically expelled from Demon-slaying Peak.”

Qin Yu thought to himself, “It seems there are many missions here. Just like Hunter back then.”

Following that, Qin Yu asked, “Are there any missions to Zhongzhou?”

The peak master was startled. He frowned and asked, “Why are you asking this?”

“I’m looking forward to going to Zhongzhou,” Qin Yu said casually.

The peak master smiled and said, “Yes, of course, there are. But no one here is willing to take on the missions to Zhongzhou because the missions there are the most dangerous. Likely, they won’t be able to return.”

Qin Yu was overjoyed. He quickly asked, "Do we go to Zhongzhou through teleportation formation?"

"Aren't you talking nonsense?" the peak master rolled his eyes and said.

Qin Yu took a deep breath after he obtained the information.

He looked at the formation in front of him and said, "Alright, activate the formation."

The peak master didn't talk any nonsense. With a wave of his hand, he adjusted the internal qi of heaven and earth and chanted something.

Following that, eight array flags flew out from his palm and landed in eight corners of the formation. In a short while, the formation exploded with an extremely bright light!

The powerful sense of oppression was extremely terrifying. Even from a distance, one could feel it deeply.

Qin Yu couldn't help but sweat on his forehead.

It was impossible to say that he was not nervous. With Qin Yu's current state, it was really difficult for him to pass through this formation.

"Why don't we just forget about it?" At this moment, Xiao Sheng suddenly looked at Qin Yu.

Qin Yu shook his head, gritted his teeth, and said, "If it's to devour the primordial spirit, I can give up. But this is the only place I can go to Zhongzhou. No matter what, I have to try."

After saying that, Qin Yu strode with heavy steps and walked toward the formation!

The moment he stepped into the formation, Qin Yu felt as if there was a great force pressing down on his body!

Even though his physical body was extremely powerful, he didn't have the slightest bit of power at this moment.

Qin Yu tried to mobilize the power in his body, but the pain immediately followed. In an instant, Qin Yu's vision turned black, and he almost fell!

Seeing Qin Yu's shaky posture, the onlookers couldn't help but laugh.

"This is probably the weakest I've ever seen."

"That's right. When I first passed this formation, it was not very but pretty easy."

"In such a state, why do you want to join my Demon-slaying Peak?"

Hearing everyone's comments, Jue Wu couldn't help but be angry. She clenched her small fists and fiercely glared at those people.

Xiao Sheng patted her on the shoulder, signaling her not to cause any trouble.

The peak master's brows furrowed slightly.

"So weak? Why did the dean agree to let him enter Thunder Courtyard..." The peak master frowned.

In the formation, Qin Yu gritted his teeth and endured the pain, walking forward step by step with difficulty.

As he walked further away, the pressure on his body also became greater!

And the burst of Qin Yu's strength made the pain even more intense!

Under such pain, Qin Yu's vision had almost turned black as if he would fall at any time!

His body was swaying left and right, and he looked extremely weak.

Seeing this, the peak master couldn't help but shake his head and say in a low voice, "It seems like this kid will have a hard time passing through. He's not even halfway through. How should he proceed?"

Qin Yu, who was in the middle of the formation, gritted his teeth tightly.

Even though his vision was getting blurrier and the pain was getting more intense, he still gritted his teeth and did not have the slightest intention of giving up!

Qin Yu's clothes were already soaking wet with sweat, and his legs were trembling.

At this moment, Qin Yu seemed to have lost his sense of direction.

“Plop!”

Finally, Qin Yu couldn't bear the pain anymore.

He knelt on the ground with one knee, and the huge pressure almost smacked him to the ground!

“Tsk! Tsk! He failed as expected.” When everyone saw this, they all sighed.

The peak master also waved his hand, intending to close the formation.

However, at this moment, Qin Yu stood up again, trembling!

He supported his body and walked forward again!

This time, the pain was even more intense!

The pain alone was enough to make one go into a coma!

“It's meaningless for you to do this,” the peak master said coldly.

However, Qin Yu ignored him. He growled like a wild beast about to go crazy!

He supported his body and walked forward step by step. Under the huge pressure, it seemed that he could fall at any time!

During this period, Qin Yu's body was constantly being crushed, but he stood up again and again!

"Your spirit is commendable, but you are too weak." Seeing this, everyone shook their heads.

"If this continues, you might die here. The pressure ahead is much stronger than now!" the peak Master berated.

How could Qin Yu give up? Even if there were thousands of obstacles in front of him, it couldn't stop him from moving forward!

Jue Wu, who was watching from the side, was extremely distressed. She bit her red lips and quietly stretched out a wisp of internal qi from her palm, intending to help Qin Yu.

However, the moment that wisp of internal qi reached out, it was ruthlessly cut off by the peak master.

He coldly looked at Jue Wu and coldly said in her mind, "If you try to cheat again, I will disqualify him directly."

Jue Wu had no choice but to watch Qin Yu walk forward with difficulty.

Finally, Qin Yu came to the end of the formation.

Just as the peak master had said, the pressure here was far exceeding the total pressure of the entire road!

At this moment, Qin Yu seemed to have completely lost the ability to resist.

The intense pain and pressure caused him to fall to the ground, and it was total endless darkness before his eyes.

1777 Can You Guys Do It?

Looking at Qin Yu who fell and no longer could get up, the peak master could not help but shake his head.

“It has been so many years that no one has joined Demon-slaying Peak. I didn’t expect to see such a character today,” the peak master sighed and said.

The surrounding crowd also couldn’t help but sneer.

In the eyes of these Devil Hunters, it was too embarrassing to fail to pass through this formation.

The peak master took a step forward and wanted to retract the formation.

However, at this moment, Xiao Sheng took a step forward and stood in front of the peak master.

“Xiao Sheng, what are you doing?” the peak master frowned and said.

“Peak Master, please give him another chance,” said Xiao Sheng in a deep voice.

“Give him another chance?” The peak Master couldn’t help but sneer.

He pointed in Qin Yu’s direction and said, ” “He’s unconscious now. How do I give him a chance? Is he going to do it again? Do you want him to die?”

“Then give him a little more time,” Xiao Sheng said coldly.

boxn ov el. c o m

“Xiao Sheng, I don’t know what’s your relationship with him. Please be rational,” the peak master said with a cold expression.

“If he can pass through this formation, it means he passes the test. If he can’t, no point for me to giving him more time.”

Xiao Sheng stubbornly stood in front of the peak Master, showing no intention of giving way.

“Get out of my way,” the peak master frowned and said.

“Please give him a little more time, Peak Master. Ten minutes will do,” Xiao Sheng said coldly.

“If he doesn’t get up after ten minutes, then do as you wish.”

When the peak master opened his mouth and was about to speak, Xiao Sheng continued, “Since the dean has agreed to let him join Thunder Courtyard, he must have his reasons.”

Hearing this, the peak master instantly fell silent.

In Thunder Courtyard, Dean Lei was the faith of everyone.

He was above the entire Thunder Courtyard and even the entire Lizhou. He was truly a top-notch figure out of this world.

“Alright.” After much thought, the peak master finally agreed.

“But I’ll only give you ten minutes.”

“Many thanks,” Xiao Sheng cupped his hands and said.

Xiao Sheng then retreated to the side and looked in Qin Yu’s direction.

“What do we do now?” Jue Wu asked softly.

Xiao Sheng looked in Qin Yu’s direction and said, “Believe him. He’s like my younger brother. They’re both people who can create miracles.”

Jue Wu wasn’t as calm as Xiao Sheng. She looked in Qin Yu’s direction and kept stomping her feet.

Time passed by. In the blink of an eye, five minutes had passed.

Qin Yu, who was lying on the ground, still did not react.

“Xiao Sheng, don’t keep insisting,” a Devil Hunter shouted not far away.

“Xiao Sheng, this doesn’t seem like your character at all. You’re actually pleading with the peak master for this brat?”

Xiao Sheng didn't say anything. He closed his eyes slightly and waited quietly.

Qin Yu, who was lying on the ground, seemed to have fallen into darkness.

It was pitch black in front of his eyes, and countless scenes kept appearing in front of him.

From Jiangcheng in the beginning to Jingdu, and then to the Holy Region.

Scene after scene of what he experienced with his many companions, and the short and happy moments he had with Yan Ruoxue.

Qin Yu was watching the scenes one after another as if he was in a God's perspective.

"Qin Yu, we'll go to the Holy Region together to vindicate our dao!"

"Qin Yu, you must live on."

"Qin Yu, I believe you can do it. You are the hero in my heart."

"I'm waiting for you in Zhongzhou. You can definitely do it."

The countless images mixing with the sounds of the past were as if calling out to him.

In the darkness, there was suddenly a little light.

"I can definitely do it..." Qin Yu murmured in the dark.

His eye expression became determined again!

And those rays of light also became brighter!

"There's only one minute left. I don't think there's a need to wait," the peak master looked at Xiao Sheng and said quietly.

Xiao Sheng glanced at the peak master and said, "No one can judge the outcome before the time is up."

The peak master snorted lightly as if he was annoyed.

"Alright, I won't wait any longer!" Finally, the peak master couldn't take it anymore.

He raised his hand and wanted to shut down the formation!

However, at this moment, Qin Yu, who was lying on the ground, stood up with difficulty!

Countless rays of light poured on his body, pressing down on his weak body until he could barely stand up!

No one could withstand such intense pain and terrifying pressure!

However, at this moment, Qin Yu actually stood up!

There was a faint golden glow on his body as if the sun was bathing him.

His tanned skin seemed to be full of strength!

"I... definitely can... do it!"

With a furious roar, Qin Yu stood up again!

The intense pain almost made Qin Yu breathless, but Qin Yu endured the pain and walked out of the formation step by step!

Everyone was stunned.

This kid actually stood up?

"That's great! Qin Yu, you're the best!" Jue Wu clapped her hands in excitement!

Even Xiao Sheng could not help but smile.

“People like you do have incredible power,” Xiao Sheng said in a low voice.

In the formation, Qin Yu’s body burst out with an extremely terrifying power!

He bore the two-fold pain and walked out of the formation step by step!

“Yay! Qin Yu did it!” Jue Wu was overjoyed and quickly ran to Qin Yu’s side to support him

At this moment, Qin Yu was nearly exhausted. However, he still stood there stubbornly.

His thin face was filled with determination and courage!

“He’s the first person to stand up again,” the peak master was shocked and said. “His spirit is indeed worthy of admiration.”

Speaking up to this point, the peak master’s tone suddenly changed as he shook his head, “Unfortunately, he’s too weak. If he passes through the formation with such difficulty, it’ll be difficult for him to participate in Devil Hunter’s moves in the future. He’s too weak.”

“Weak? He’s indeed not weak.”

At this moment, a voice suddenly sounded in the peak master’s ears.

He turned around and realized it was Dean Lei!

The peak master was shocked. He then quickly cupped his hands and greeted, “Dean Lei.”

The rest of the people also quickly bowed and greeted him loudly, “Dean Lei!”

With his hands behind his back, Dean Lei said calmly, “Qin Yu’s primordial spirit was severely damaged, but he still managed to pass through the formation. All of you here, who can do it? ”

Everyone was shocked by his words!

“What? This kid’s primordial spirit is damaged?”

“Isn’t he unable to move when his primordial spirit is damaged? But he... he actually passed through the formation under such circumstances?”

“It’s too... too abnormal...”

The peak master couldn’t help but be shocked.

“He passed through the formation with his primordial spirit damaged. This... How did he do it...” the peak master murmured in a low voice. He was extremely shocked!

“Dean, you must be joking! How could one pass through the formation with his primordial spirit damaged?” Someone asked doubtfully.

1778 The Attack from Zhongzhou

Everyone seemed to have the same doubt.

It was simply too inconceivable. Although they had never experienced their primordial spirit being damaged, they knew well what it meant.

It was unbelievable to be able to stand up with a damaged primordial spirit. Stepping into this formation was undoubtedly equivalent to suicide, not to mention passing through it.

Dean Lei did not say anything. He knew that no one believed him. He then waved his hand and a beam of light fell on Qin Yu’s head.

In just a while, his primordial spirit was forcibly pulled out by Dean Lei!

Qin Yu’s broken primordial spirit was displayed in front of everyone.

The damage to Qin Yu’s primordial spirit was even more serious than they had imagined!

Seeing this, everyone was shocked!

“It’s actually... true!”

“His primordial spirit was damaged to such an extent. How... how did he do it...”

“Oh my God! This fellow is just too abnormal...”

boxn ov el. c o m

After sending Qin Yu’s primordial spirit back into his body, Dean Lei said indifferently, “Are you still suspicious?”

“No... We don’t dare to.” Everyone bowed, not daring to look at the dean.

Dean Lei looked at the peak master and said, ” “I’ll leave the two of them to you.”

“Don’t worry, Dean,” the peak master quickly nodded.

After the dean left, the peak master dispersed the crowd and quickly walked up to Qin Yu.

He opened his mouth, looking a little embarrassed.

After a while, the peak master chuckled and said, “You do have some ability, as expected of the dean.”

Qin Yu panted slightly and said with difficulty, “So am I considered taken in now?”

“Of course,” the peak master said with a smile.

“Come with me. I’ll arrange a place for you to stay and show you around,”

Thus the three of them followed the peak master and wandered around the Demon-slaying Peak.

After some exchange, they found out the peak master's name was Pei Chonglie. He was already more than 500 years old and he had also just reached the Reversion Void Stage not long ago.

Thus, strictly speaking, his strength might not be above Jue Wu and Xiao Sheng.

“Our Demon-slaying Peak has two groups. One is outside responsible for the investigation and the other for killing the villains,” Peak Master Pei said.

“Normally, they will bring back news every ten days. And the missions they take on are all up to the individual's choice.

“Other than that, there will be a dao lecture every 30 days. Everyone must attend.”

Qin Yu nodded while listening, but he was actually thinking in his heart about how to devour the primordial spirit as soon as possible.

The peak master took Qin Yu and the others around most of Demon-slaying Peak, including the places where they could accept missions and listen to dao lectures.

Finally, the peak master took Qin Yu and Jue Wu to a cave abode.

“You guys can stay here for the time being,” the peak master said.

“The requirements of Demon-slaying Peak are indeed not strict. Your daily activities are not restricted. But, of course, there is one requirement. You must take on a mission once a month.”

“Thank you, Peak Master,” Qin Yu bowed and said.

“Mmm,” responded the peak master. After giving Qin Yu and Jue Wu a token each, he turned around and left.

As there were fewer cultivators on Demon-slaying Peak, the cave abode was quite spacious. It could be called a small world.

“This place is quite suitable for me,” thought Qin Yu to himself.

As for the monthly dao lectures, rumor had it that cultivation techniques would be taught. And these cultivation techniques also had strict assessment standards.

For example in Demon-slaying Peak, the more missions were there, the more points would be. Therefore the cultivation techniques that one could learn would also be better.

“You two can stay here,” Xiao Sheng said.

Qin Yu nodded and said gratefully, “Many thanks.”

Xiao Sheng didn’t say anything else. He then turned and left.

After he left, Qin Yu quickly found a place to lie down.

Thunder Courtyard was the former residence of Immortal Emperor Lei. Not to mention Golden Age, even if it was during the normal days, the spiritual energy here was far more abundant than in other places.

It was as if one could smell the ancient Immortal Emperor’s past from these wisps of internal qi. In a place like this, the effects of enlightenment were far from comparable to other places.

The whole cave abode was filled with immortal trees which people wished for. There was also soft grass on the ground. Qin Yu fell asleep soon after lying on the ground.

In Pei Chonglie’s cave abode.

He was playing chess with a young man.

This young man’s name was Jiu Xiao. He was known as the number one person of Demon-slaying Peak. His strength was even above Pei Chonglie’s!

During the short Great Upheaval, he had stepped into the middle stage of the Reversion Void. He had even fast approached the Advanced-stage of Reversion Void!

With such talent, he was the top heaven's favorite in the entire Lizhou and even the entire Holy region.

"two new people joined us today. Aren't you going to take a look?" Pei Chonglie asked casually.

Jiu Xiao stared at the chessboard, shook his head, and said, "What does that have to do with me?".

Pei Chonglie laughed and said, "These two people are not simple, especially Qin Yu. His primordial spirit was severely damaged, but he actually passed our formation test. Even the dean came to Demon-slaying Peak personally."

"Oh?" Jiu Xiao raised his brows, smiled, and said, "That's indeed surprising, but it's not worth too much attention."

"Why do you say so?" Pei Chonglie asked.

"His primordial spirit is severely damaged. So what if he passes the formation test? His foundation has been damaged. His future achievements will not be too high."

Pei Chonglie came to a realization. He touched his chin and muttered, "That's true. I don't know why the dean values him so much."

"Perhaps it's because of some kind of spirit in him. But unfortunately, the spirit can't be eaten," Jiu Xiao said indifferently.

Pei Chonglie nodded slightly and said in a low voice, "His spirit can at least influence others. Perhaps this is the dean's intention."

...

At Tianyun Sect.

Xiao Sheng sped along at an extremely fast speed.

When he rushed back to Tianyun Sect, Deputy Sect Master ran over anxiously.

“Sect Master, two people have been waiting for you for a long time,” Deputy Sect Master said anxiously.

Xiao Sheng didn't say much. He narrowed his eyes and instantly noticed the two people.

After that, Xiao Sheng came to the tea room.

In the tea room, the men were sitting there drinking tea.

When they saw Xiao Sheng who rushed back, the two of them raised their heads and looked over.

“Are you Xiao Sheng?” one of them asked.

Xiao Sheng looked at the two of them coldly and said, “Are you from Zhongzhou?”

“Oh? How did you know?” the two of them said playfully.

Xiao Sheng ignored them. He sat opposite them and said calmly, “Just say it if you have anything.”

“Good! Very straightforward. As expected of the number one in Nanzhou,” one of the men said with a faint smile.

“I'm here to bring you a message as instructed by my young master.”

Xiao Sheng looked at the two of them coldly as if he had guessed their identities.

1779 Let Him Come

The two of them looked at Xiao Sheng and said indifferently, “Our young master's things were snatched in Nanzhou by a person called Qin Yu.”

At this point, they paused, stared at Xiao Sheng, and said, “As the number one person in Nanzhou, you seem to have injured our young master, did you?”

Xiao Sheng’s expression turned even colder as he said, “Go straight to the point.”

“Alright!” One of them stood up.

He clasped his hands behind his back and said indifferently, “Our young master values talented people. Since you don’t know our young master’s identity, we can spare you. However, you have to find the things that our young master lost and hand over the person who snatched them to us.”

When Xiao Sheng heard this, he couldn’t help but sneer.

“Snatch? When has Qin Yu ever snatched your young master’s things?” Xiao Sheng said coldly.

“What? Don’t tell me he can own the things that he has his eyes on?”

The two of them seemed to have anticipated Xiao Sheng’s response, so they were not anxious.

“Xiao Sheng, logically speaking, you shouldn’t have escaped from this calamity. Our young master is giving you a chance now. Don’t lose something hard to get,” they said coldly.

Xiao Sheng’s expression turned completely cold now.

boxn ov el. c o m

“I’ll give you one minute to get lost from here,” Xiao Sheng said coldly.

The two men squinted their eyes and said in a threatening tone, “Xiao Sheng, once we leave Tianyun Sect, you won’t have another chance.”

“If you don’t leave now, you also won’t have the chance again.” An ice-cold chill emanated from Xiao Sheng’s body.

The two of them knew that Xiao Sheng was not easy to deal with. Furthermore, their goal was not to attack Xiao Sheng. Thus they did not deal with him.

“if that’s the case, we won’t bother you any longer,” the two of them said coldly.

After saying this, they turned around and left.

When they reached the door, one of them suddenly stopped.

“By the way, I forgot to remind you that our young master’s name is Tong Guangqing. If you’re interested, you can go and ask around.”

After saying this, they strode away.

Xiao Sheng’s expression was incomparably cold. He had not expected this group of people to have come so soon.

As for the Tong family, Xiao Sheng did not know much about them. He only knew that they were a rather powerful aristocratic family in Zhongzhou.

“Sect Master, this... What should we do now?” The Deputy Sect Master frowned.

Xiao Sheng glanced at him and said coldly, “There’s nothing to worry about. I’ll just wait for them to come.”

...

Qin Yu had no idea about this at all. He slept in the cave abode for three days before he gradually woke up.

As soon as he woke up, Qin Yu smelled the aroma of meat.

Following the smell, he saw Jue Wu crazily gnaw on a roasted leg.

Seeing Qin Yu wake up, she waved to her and said, “Quick, come and try this! It’s so d\*mn delicious!”

After sleeping for a few days, Qin Yu was indeed a little hungry. He walked to Jue Wu's side and muttered, "Where did you get this?"

Jue Wu pointed to the nearby forest and said, "D\*mn it! You don't know how many wild animals are in there!"

Qin Yu glanced at the forest.

It made sense. In a place with such rich spiritual energy, there must be a lot of wild beasts.

After having a satisfying meal, Jue Wu got up and said, "Let's go and get a mission. I heard that a mission is out today."

"So fast?" Qin Yu said in surprise.

"That's right. It seems that we have better luck," Jue Wu grinned and said.

She jumped up and sat on Qin Yu's shoulder.

After that, the two of them walked toward the cave abode where they could accept missions.

When they arrived at the cave abode, it was already full of people.

Qin Yu glanced at them and noticed many of them had reached the Reversion Void stage.

"Qin Yu, you guys are here too."

Soon, a young man came forward to greet them.

The young man was quite handsome. Qin Yu could not help but think of Zhuo Jing.

Qin Yu nodded at him as a greeting.

"I'm Bai Xuesong. You can call me Xiaobai," the young man introduced himself and said.

“I saw you pass the test a few days ago,” Xiaobai said. “To be honest, I really admire you.”

Qin Yu was a little embarrassed by his words.

After some idle chit-chat, the two of them became more familiar with each other.

Xiaobai pointed at the mission in front and said, “The missions this time are all from East Continent. Thus everyone is more enthusiastic. If you want to take it, I’ll go with you. In your current state, I’m afraid it’s too dangerous to go out.”

“Thank you for your kindness. I don’t think it’s necessary. I’m not used to being with other people,” Qin Yu shook his head and said.

What Qin Yu wanted to do was to devour other people’s primordial spirits, which could not be made known to outsiders.

Seeing this, Xiaobai could only nod and say, “Alright then. You take good care.”

“Alright,” Qin Yu nodded and said.

After that, Qin Yu and Jue Wu came to the grotto-heaven of the place.

When they arrived at the grotto-heaven, they realized that there was only one mission left.

The target of this mission was called Ji Si, a Reversion Void stage cultivator. There was detailed information about him on the scroll.

“How is it? Is there a problem?” Qin Yu raised his head and looked at Jue Wu.

“Of course, there’s no problem!” Jue Wu said. “I’ll kill him with one hand!”

“Alright.” Therefore, Qin Yu immediately accepted the mission.

After receiving the mission, Qin Yu and Jue Wu walked out of the cave abode.

As soon as they walked out, they saw many Devil Hunters standing there chatting.

They looked at Qin Yu from time to time. No one knew what they were discussing.

At this juncture, Xiaobai walked over. He patted Qin Yu's shoulder and said, "You should know that this is a place where the strong rules. The weak will not be valued here.

"Your performance a few days ago has given you a life-saving token. However, this life-saving token has a time limit. Take good care of yourself."

Qin Yu nodded slightly, not having any emotions in his heart.

Thunder Courtyard had nine main peaks. Those who were willing to come to Demon-slaying Peak were all fierce and competitive people. How could they look up to the weak? Especially a person whose foundation was thought to be damaged?

Moreover, Qin Yu's previous impressive battle achievements did not match his current strength. Thus he would definitely attract attention.

"Don't worry, I'm here. I'll beat whoever dares to cause trouble to death!" Jue Wu waved her little fists and said.

Qin Yu smiled and rubbed Jue Wu's head with a little affection.

This action instantly caused Jue Wu' to feel dissatisfied. She glared at him and said, "You little b\*stard! You have no respect for your elders!"

In terms of age, Qin Yu couldn't even be considered a grandson to Jue Wu.

Qin Yu couldn't help but laugh. He then looked at Xiaobai and asked casually, "Xiaobai, when can we get a mission to Zhongzhou?"

## 1780 The Terror of Thunder Courtyard

Upon hearing this, Xiaobai was obviously a little surprised.

“Zhongzhou? Do you still want to go to Zhongzhou?” Xiaobai was puzzled and asked.

“Mmm.” Qin Yu nodded and said, “I’m curious about Zhongzhou.”

Xiaobai smiled and said, “There are indeed missions in Zhongzhou, but there are only a few of them. Missions in Zhongzhou are usually extremely dangerous. It has to be led by Jiu Xiao.”

“Who is Jiu Xiao?” Qin Yu asked.

“He’s the first Devil Hunter,” Xiaobai said. “He’s also the most respected person in the entire Demon-slaying Peak.”

Qin Yu didn’t say anything. He didn’t really care who he would be going with. After all, he couldn’t go to Zhongzhou in his current state.

“Many thanks,” Qin Yu bowed slightly to Xiaobai.

“Mmm.” Xiaobai then said, “If you need anything, come and find me. I’ve been in Demon-slaying Peak for a long time. So I know more.”

“Sure, I will.” Qin Yu cupped his hands.

After he separated from Xiaobai, Qin Yu carried Jue Wu back to the cave abode.

“By the way, how are you feeling now?” Jue Wu asked casually.

“Basically, I can tolerate it,” Qin Yu said with a smile.

“That’s good.” Jue Wu nodded. “When the time comes, you just follow me. Leave that so-called Ji Si to me.”

“Alright.” Qin Yu didn’t try to act brave. It was indeed not the time to do so.

The time was set to be three days later. As for how to get to the East Continent, he would have to figure it out himself. Thunder Courtyard would not provide any help.

This puzzled Qin Yu.

Thunder Courtyard was the inheritance of Immortal Emperor Lei. The capital of such an inheritance was enough to rule the entire Holy Region. It was even comparable to the nine great aristocratic families of Zhongzhou.

However, why did everyone come to Thunder Courtyard?

Thunder Courtyard was a place where everyone was free to do whatever they wanted to. It seemed that there was no point in doing so.

At night, Qin Yu couldn’t sleep. After much thought, he went to Xiaobai’s cave abode.

In the cave abode, Xiaobai was writing and drawing as if it was recording something.

There was even a book beside him.

Xiaobai was not surprised to see Qin Yu coming in.

“What’s the matter?” He asked with a smile as he was keeping away the book.

“Nothing,” Qin Yu said. “I was bored and couldn’t sleep. Thus I came to chat with you. I hope I didn’t disturb you.”

“No, you didn’t,” Xiaobai smiled and said. “Just ask if you have anything.”

Qin Yu thus told Xiaobai about his doubts.

Xiaobai couldn’t help but burst into laughter after hearing from him.

“Qin Yu, it seems you know very little about Immortal Emperor,” Xiaobai shook his head and said.

Qin Yu nodded. He indeed knew nothing about Immortal Emperor.

“A great cultivator at the Tribulation Stage can ensure the prosperity of a family for 10,000 years. And an Immortal Emperor can create terrifying existences such as the nine great aristocratic families,” Xiaobai said with a smile.

“Do you know why?” Xiaobai asked.

“No, I don’t know,” Qin Yu shook his head and said.

“It’s because the inheritance left by Immortal Emperor is a treasure. The inheritance he left behind is not limited to a single item,” Xiaobai said indifferently.

“In Thunder Courtyard, you can indeed feel the internal qi of the Immortal Emperor. Not only that, but in the land of the Immortal Emperor, you are almost free from the rules and Great Dao of the world!

“Let me put it this way. Even a stone can develop a divine sense after being with Immortal Emperor for some time. A wild beast can even surpass a True Saint!

“Then, his former location is the holy land.”

Hearing this, Qin Yu was shocked!

Even a stone could develop a divine sense. What kind of terrifying technique was this?

“Even a piece of rotten wood can become an existence that transcends the world after following Immortal Emperor for some time,” Xiaobai laughed and said.

“We’re staying here to comprehend the Immortal Emperor’s path of being enlightened.”

Xiaobai then pointed at the main peaks in the distance.

“Under the circumstances of Great Upheaval, as long as you’re still alive, you will definitely be able to step into the True Saint realm here. If you have some talent, you can even probe into the cultivation realm of a great cultivator in the Tribulation Stage!” There was a hint of pride in Xiaobai’s tone!

“Therefore, even if your foundation is damaged, you don’t have to be too pessimistic. With time, you can also become a True Saint.”

At this moment, then only did Qin Yu finally know what the real resources of those big aristocratic families were.

The space where the Immortal Emperor existed was all infected and even transformed.

Just like Thunder Courtyard, in the Great Dao seemed to be all the paths of vindicating doa!

As long as one stayed here, it would be a great opportunity.

“Sign!” Qin Yu sighed slightly.

Thinking of this, he felt even sadder.

The chaotic body that was able to match the Yan family must have had a strong background.

He probably was also a disciple of one of the nine great aristocratic families.

They had been born in such an environment, so their understanding of the Great Dao was naturally not something that others could compare with.

“In that case, the descendants of those aristocratic families can reach the Immortal Emperor realm,” Qin Yu said in a deep voice.

“It’s still the same old thing. You don’t understand what ‘Immortal Emperor’ means,” Xiaobai shook his head and said.

“The heaven’s favorites of the aristocratic families may be qualified to step into the Tribulation Stage. However, they no longer can rely on external resources for their last step.

“You must understand that every Immortal Emperor is an amazing existence. There are only a few Immortal Emperors in the history of the Holy Region.”

Qin Yu nodded and roughly understood what Xiaobai meant.

The resources left behind by their families would definitely bring them to a very high level.

However, if he wanted to be at the top of the world, they still had to rely on themselves.

“Qin Yu, why did you choose Demon-slaying Peak? You must know that the death rate of Demon-slaying Peak is not low,” Xiaobai suddenly asked.

Qin Yu couldn’t tell him the truth. Thus he said, “I prefer to comprehend Great Dao during life-and-death battles.”

Xiaobai laughed out loud and said, “It’s good that you have this idea! Let me tell you, blindly cultivating in closed-door cultivation may bring about the advancement of one’s cultivation realm. However, when compared to those heaven’s favorites who have fought their way out of death, they will never be able to compete with them!”

Qin Yu nodded. That was indeed true.

A flower growing in a greenhouse could never compare to a flower that had grown naturally under rain and storm.

“Take good care of yourself to stay alive. Listen to the teachings of Thunder Courtyard’s dao technique and step into the True Saint realm.

You can then do whatever you want in the Holy Region,” Xiaobai consoled him and said.

Qin Yu smiled and said nothing. If his foundation was damaged, he probably could only pursue the realm of True Saint.

But that was not Qin Yu’s goal.

“Many thanks.” Qin Yu bowed to Xiaobai, said goodbye, and was about to leave.

Just then, Xiaobai called out to Qin Yu.

“Qin Yu, you’d better be careful. Your story seems to have spread all over Demon-slaying Peak,” Xiaobai laughed and said.

“What story?” Qin Yu stopped and asked.

“Of course, it’s about what happened in Nanzhou. Especially how you defeated Yuan Xiu at the Mighty Realm,” Xiaobai said.
