

My Rich Wife –

1781 Devour the Primordial Spirit

“You guys also know about Yuan Xiu?” Qin Yu frowned and said.

“Yuan Xiu has been in North Plain for so many years. Who doesn’t know about him?” Xiaobai shook his head.

“Moreover, no one in the entire Lizhou can escape from the eyes of Thunder Courtyard.”

Qin Yu thought for a while and felt that it made sense.

After all, Yuan Xiu was the ruler of the North Plain and had lived for so many years. His reputation was probably far above that of Xiao Sheng and the others.

“Alright. Thank you,” Qin Yu bowed to Xiaobai and said.

Qin Yu didn’t want to cause any trouble in Thunder Courtyard. He just wanted his primordial spirit to recover as soon as possible.

When he returned to his place, Jue Wu was already fast asleep on the ground.

Qin Yu found a place to sit down. He didn’t feel sleepy at all. Instead, he sat on the ground and tried to get used to the pain.

In the following few days.

Qin Yu and Jue Wu didn’t leave this grotto-heaven.

boxn ov el. c o m

In this place, Jue Wu was like a hunter. She went into the forest all day long and brought back wild animals from time to time.

Qin Yu could also be considered to have benefited from being together with Jue Wu. They ate and drank every day. They were quite happy.

In the blink of an eye, it was the third day.

The next day was the day to leave for the East Continent.

On this day, while Qin Yu and Jue Wu were gnawing on the thigh of an unknown beast, someone suddenly came in.

The person who came in was a burly man. He sniffed and said, "It smells so good!"

Jue Wu wasn't so cautious. She tore off a piece of meat and threw it at the burly man.

"You feel like eating? I'll give you a piece if you want." Jue Wu muttered as she stuffed the meat into her mouth.

The burly man grabbed the piece of meat, sneered, and suddenly crushed it!

Seeing this scene, Jue Wu's eyes suddenly opened wide.

"D*mn it! If you didn't want to eat, you should have said so earlier!" Jue Wu said angrily.

The burly man didn't care about Jue Wu, but his gaze fell on Qin Yu.

Qin Yu knew that this person was not friendly. So he stood up immediately.

"I heard that you defeated Yuan Xiu in your Mighty Realm," said the burly man.

"I was just lucky," Qin Yu said.

The burly man raised his eyebrows, smiled faintly, and said, "Everyone who can come here is heaven's favorite. You don't have to belittle yourself."

"Go straight to the point," Qin Yu said.

The burly man crossed his arms, smiled, and said. "I'm not talented, but I'm quite famous in Demon-slaying Peak. I've always liked to fight. I've challenged everyone in Demon-slaying Peak."

"So you want to fight me?" Qin Yu asked in a cold voice.

"That's right," the burly man bowed slightly, smiled, and said.

"F*ck you! You know that Qin Yu's primordial spirit is damaged. Are you trying to take advantage of him?" Jue Wu said angrily.

The burly man waved his hand and said, "No! No! No! I don't bully people. It's up to Qin Yu to decide whether he agrees or not."

"Oh! Then I disagree." Qin Yu rejected the burly man without thinking.

The burly man was also stunned. He scratched his head as if he did not expect Qin Yu to reject so directly.

"Did you hear that? Qin Yu has already rejected it. So get out of here," Jue Wu said.

The burly man looked at Qin Yu up and down and said, "Qin Yu, I can give you time. But if you just reject directly... Aren't you too gutless?"

"You're the one who is gutless!" Before Qin Yu could finish, Jue Wu whooshed over.

She stood in front of the burly man, raised her head, and said, "Didn't you say that you've challenged everyone in Demon-slaying Peak? when are you going to challenge me? I'll accompany you."

The burly man looked down at Jue Wu, laughed, and said, "I don't want to fight with you. Do you think I don't know your notorious reputation in Nanzhou?"

"You're the one who's f*cking notorious!" Jue Wu's eyes were wide open, and her chest heaved up and down due to anger.

The burly man did not care about Jue Wu. He looked at Qin Yu and shouted, "Qin Yu, if there's a chance, you and I must fight."

After saying this, the burly man turned around and walked out without looking back.

When he reached the door, the burly man laughed and said, "Qin Yu, if you reject me, the entire Demon-slaying Peak will look down on you."

Qin Yu was too lazy to respond to him. He didn't care what other people thought.

After the man left, Jue Wu couldn't help but curse, "D*mn it! This b*stard is too arrogant. I really want to beat him up!"

"Ignore him," Qin Yu waved his hand and said. "Let's eat."

Jue Wu angrily grabbed a piece of meat and started to gnaw.

On the following day.

Qin Yu and Jue Wu were ready to leave for the East Continent.

It was Qin Yu's first time going to the East Continent. Thus he was quite curious about it.

He summoned the Divine Eagle and rode on the huge Divine Eagle, heading straight for the East Continent.

On the way, Qin Yu tried to mobilize the spiritual power in his body again. This time, it seemed to have improved a little, and his endurance level had obviously increased.

According to Qin Yu's estimation, he could only exert 20% of his strength at this time.

When Qin Yu tried to take a step further, the pain came back again, almost causing him to faint.

“Phew!” Qin Yu wiped away the sweat from his forehead and let out a long sigh.

Seeing this, Jue Wu quickly said, “You just stay here and leave the rest to me.”

“Alright,” Qin Yu nodded and said.

After spending a few days, the two of them finally arrived at the East Continent.

The East Continent and Nanzhou were the two most prosperous places.

At a glance, this place was even more prosperous than Nanzhou.

Qin Yu took out Ji Si’s location and gave it to Jue Wu.

Jue Wu glanced at it and said, “Don’t waste time. Let’s go now.”

“Mmm.” Qin Yu nodded. They put away the Divine Eagle and hurried toward Ji Si’s place on foot.

On the way, Qin Yu quietly sized up the cultivators of the East Continent.

These cultivators were extremely powerful. On this journey alone, Qin Yu detected many Reversion Void Stage cultivators.

“It seems that many people took the opportunity to reach the Reversion Void Stage after Great Upheaval,” Qin Yu thought to himself.

The sounds of people selling things could be heard everywhere, and all kinds of treasures were displayed by the roadside.

Qin Yu activated his desolate divine eye and scanned through the items roughly. As expected, most of the so-called treasures were fake and not worth mentioning.

Obviously, it was not that easy to find the treasure.

Another two days passed.

Finally, Qin Yu and Jue Wu arrived near Ji Si's residence.

This place was bustling and was surrounded by people. There were restaurants and inns nearby. Thus the traffic was extremely high.

"Try not to make a move in this kind of place," Qin Yu said to Jue Wu.

Jue Wu sneered and said, "Who cares! Let's kill him first."

"Of course, it's fine for you to kill. But I can't let anyone see me devouring primordial spirit," Qin Yu frowned and said.

"That's simple." Jue Wu coldly snorted.

She raised her small hand and gently pinched the space in front of her. The space was immediately distorted.

Following that, the surrounding space began to change. In the blink of an eye, Jue Wu seemed to have completely isolated the surrounding space.

1782 The Terrifying Effect

"This way, no one can see it," Jue Wu said.

Qin Yu could not help but feel shocked.

He did not expect Jue Wu's spatial spell to be so brilliant.

In that case, it was much more convenient for the two of them to do things.

Therefore, Qin Yu and Jue Wu found a place to sit down for the time being and quietly observed the surrounding environment.

Jue Wu slightly closed her eyes. She released her divine sense and it quickly covered the surroundings.

In just a while, Jue Wu suddenly opened her eyes.

She looked at Qin Yu and said softly, "I've found Ji Si."

"So fast?" Qin Yu said in surprise.

"What do you think? It's a piece of cake for me!" Jue Wu proudly said.

"Then let's go," said Qin Yu in a deep voice.

boxn ov el. c o m

The two of them didn't waste time. Jue Wu led the way and went straight to Ji Si's location.

Qin Yu was a little nervous.

He knew that once he used the Meridian Circulation Technique, he probably could not get away from Satan anymore in the future.

Although Qin Yu didn't know what kind of organization Satan was, he could tell from their martial arts that they were by no means good.

"I wonder what effect devouring a primordial spirit will bring," Qin Yu thought to himself.

After walking for a long time, Jue Wu stopped in front of a huge courtyard.

Jue Wu pointed at the courtyard and said, "Ji Si is inside."

"Are there many people inside?" Qin Yu asked.

Jue Wu counted with her fingers and said, "There should be around thirty to forty of them, with two at the Reversion Void stage."

Qin Yu took a deep breath. He patted Jue Wu's shoulder and said, "I count on you now."

Jue Wu didn't say any unnecessary thing. She pulled Qin Yu and quickly rushed into the depths of the courtyard.

In the depths of the courtyard, a middle-aged man was sitting with his eyes slightly closed.

This person was none other than Ji Si.

Feeling the killing intent from Jue Wu, Ji Si suddenly opened his eyes.

When he saw Jue Wu's face, he was a little surprised.

After the shock, a hint of greed appeared on his face.

"Such a young girl?" Ji Si licked his lips and looked at Jue Wu with a lecherous look.

Jue Wu took out the portrait and compared it with Ji Si in front of her. She then asked, "Are you Ji Si?"

Hearing this, Ji Si said proudly, "It seems you've heard of my name."

"Oh, that's good." Jue Wu nodded.

She raised her small hand, crushed and restructured the space in front of her.

The two of them suddenly disappeared from Qin Yu's sight as if they had entered another void.

"Bring me in too!" Qin Yu cursed in his heart.

Having said that, Qin Yu was still a little worried.

As Ji Si was at the Reversion Void Stage and was listed on the evil people list by Demon-slaying Peak, he was probably extremely powerful.

If something happened to Jue Wu, Qin Yu would probably blame himself for the rest of his life.

Just as Qin Yu was worried, a crack suddenly appeared in the void in front of him.

A figure with blood all over the body fell out.

This person was none other than Ji Si.

Ji Si was in a terrible state at this moment. His limbs were torn off and half of his head was dangling on his neck. His internal qi was extremely weak.

“This... So fast?” Qin Yu couldn’t help feeling shocked.

Soon, Jue Wu walked out.

“Alright, I’m done. I’ll leave the rest to you,” she clapped her hands and said.

Ji Si raised his trembling hand and looked at Jue Wu with fear in his eyes.

Jue Wu didn’t seem to like his gaze. So she directly stretched out two fingers and pierced his eyes.

Even Qin Yu couldn’t bear to see such a cruel scene.

“Hurry up, don’t waste time,” Jue Wu frowned and said.

“Mmm.” Qin Yu took a deep breath, raised his palm, and placed it on Ji Si’s head. He began to activate the Meridian Circulation Technique taught by Sister Ning.

The primordial spirit was dragged out of Qin Yu’s palm and then slowly entered the space between his eyebrows.

The wisps of primordial spirit quickly entered Qin Yu’s mind and merged with his primordial spirit in no time!

In his mind, Qin Yu’s primordial spirit was sitting cross-legged, emitting a ray of light.

His damaged primordial spirit was being repaired at an extremely fast speed.

In just a short while, the damaged primordial spirit had been mostly repaired!

Following that, Qin Yu's pain was reduced.

Qin Yu suddenly opened his eyes. He tried to adjust the internal qi of his body and soon found out he could now exert nearly 50% of his strength!

"How... how could it be!" Qin Yu was instantly extremely shocked!

Just by devouring a primordial spirit, he had almost recovered half of his strength. It was so unbelievable!

What was the background of Satan? How could its cultivation technique be so terrifying?

The problem that everyone was having a headache over was now solved so easily at this moment!

"How are you feeling?" Jue Wu asked anxiously.

Qin Yu swallowed his saliva and said, "I feel that at this rate, I only need to devour one more primordial spirit to fully recover..."

"So fast?" Jue Wu couldn't help but stun.

"I didn't expect it to be so fast either," Qin Yu said with a frown.

He had thought that he would need to devour a large amount of primordial spirit to repair his damaged primordial spirit.

However, he didn't expect a mere primordial spirit to have such an effect!

"If I had known this would happen, I wouldn't even have to join Thunder Courtyard..." Qin Yu murmured.

However, before Qin Yu got excited, everything in front of him suddenly turned extremely scarlet red.

A terrifying scene was shown in front of Qin Yu!

The entire scene was scarlet red. Countless broken corpses were trembling on the ground, and countless terrifying creatures with ferocious faces were pouncing toward Qin Yu!

This scene only flashed by. Qin Yu blinked his eyes and everything in front of him disappeared.

“What... What’s going on...” Qin Yu rubbed his eyes and frowned.

Soon, Qin Yu felt that something was wrong.

There seemed to be a special emotion surging in his heart.

It was like a terrifying beast that was about to be released, filling Qin Yu’s entire brain.

Qin Yu’s expression changed slightly. He could only feel that his heart was filled with killing intent and greed!

The primordial spirit that he devoured was like the best delicacy in the world, making it difficult for him to extricate himself!

“D*mn it...” Qin Yu sensed that something was wrong. He looked at Jue Wu in front of him and even thought of devouring her primordial spirit!

This thought became more and more intense, almost to the point that Qin Yu no longer could bear it!

Just then, someone rushed in from outside.

“Ji... Lord Ji Si! You... you’ve killed Lord Ji Si!” he shouted in horror.

Seeing this person, Qin Yu couldn’t hold it in any longer. He clenched his fist and instantly appeared in front of him!

Before he could react, Qin Yu slapped his head and devoured his primordial spirit straightaway.

1783 Make a Move on Xiao Sheng

In the blink of an eye, Qin Yu had devoured his primordial spirit!

His face revealed a trace of greed and satisfaction as if he was a wine lover who had just drunk some good wine.

“Qin Yu, you... What’s wrong with you?” Jue Wu noticed that something was wrong.

Qin Yu looked at Jue Wu and the greed in his eyes did not reduce.

But soon Qin Yu quickly suppressed this thought.

He shook his head hard and said with a frown, “I don’t know what’s going on either. Devouring a primordial spirit... seems to be addictive.”

“Addictive?” Jue Wu’s face changed slightly as if she felt something was wrong.

“Let’s get out of here as soon as possible,” she pulled Qin Yu and said.

“Mmm.” Qin Yu responded and planned to leave the place with Jue Wu.

But at this moment, a large group of people rushed out and blocked Qin Yu’s way.

The leader was a Reversion Void Stage cultivator. He looked at Jue Wu and Qin Yu coldly and shouted, “Who are you? You dared to attack Lord Ji Si!”

boxn ov el. c o m

The greed in Qin Yu’s heart reappeared.

His body trembled slightly. It was unknown if it was because of excitement or the primordial spirit that he was going to get

“I’ll leave that Reversion Void Stage cultivator to you.” Qin Yu looked at Jue Wu.

“No problem,” Jue Wu said.

After she finished speaking, Jue Wu whooshed away.

As for the remaining Mighty Realm cultivators, they were like delicious food in Qin Yu’s eyes!

He could no longer hold back the impulse in his heart and instantly pounced forward!

An intense battle instantly broke out in the courtyard.

Although Qin Yu’s strength was not at its peak, these mighty realm cultivators were nothing to him.

In a short two hours, the entire room was filled with corpses and blood!

Twenty-odd Mighty Realm cultivators were lying on the ground, and Qin Yu was greedily devouring their primordial spirits.

One, two, three...

In just a while, the primordial spirits of the twenty-odd Mighty Realm cultivators were all absorbed by Qin Yu!

Jue Wu stood by the side and frowned slightly. For a moment, she didn’t know what to do.

Of course, she could see Qin Yu’s abnormality. However, for some reason, Jue Wu didn’t want to stop him.

After an unknown amount of time, everyone’s primordial spirit was completely devoured by Qin Yu.

Following that, Qin Yu looked at the Reversion Void Stage cultivator.

His eyes were a little red as if he had lost his mind.

In the next second, Qin Yu immediately pounced toward this Reversion Void Stage cultivator.

He used the same technique to directly devour the primordial spirit of this Reversion Void Stage cultivator!

At this moment, Qin Yu's primordial spirit had almost completely restored!

The cultivation technique of Satan was indeed terrifically powerful!

"Qin Yu, are you alright?" Jue Wu frowned.

Qin Yu shook his head, trying his best to keep his rationality.

He looked at Jue Wu, frowned, and said, "I don't know why. I just can't control it."

"It's okay, don't think too much," Jue Wu said in a deep voice.

At this moment, a person was standing at the entrance of the courtyard, staring at everything with a dumbfounded expression.

He swallowed his saliva, and his face was full of fear.

When he realized that he had been discovered, he turned around and wanted to run away!

Jue Wu's brows furrowed. She reached out her small hand and instantly turned him into a pile of minced meat.

"No one should know about this," Jue Wu said to Qin Yu.

"Once this matter is spread, you... you'll likely get into trouble."

Qin Yu took a deep breath and said, "Alright."

Having said that, Qin Yu had an indescribable feeling in his heart.

It was as if there was a voice that kept urging Qin Yu to devour more primordial spirits.

This made Qin Yu extremely uneasy. After he had devoured so many primordial spirits, his impulse seemed to have become even stronger.

“No, if this continues, sooner or later, I won’t be able to suppress the impulse in my heart.” Qin Yu gritted her teeth.

If this continued, Qin Yu might even become a devil who would kill countless people. He would be spurned and hunted down by the entire Holy Region!

“I have to think of a way to suppress it.” Qin Yu thought as he was walking.

Jue Wu seemed to see Qin Yu’s worry. She jumped up and patted Qin Yu’s shoulder. She then said, “Alright, don’t think too much. There’s a way to solve everything!”

“Let’s go. I’ll take you around the East Continent. It’s not easy to come out, so we must relax,” Jue Wu said with a smile.

Qin Yu knew that Jue Wu was comforting him. So he gave her a grateful smile and nodded, “Alright, I’ll listen to you.”

The East Continent was a place with extremely high inclusiveness. Thus the scale of development of various industries was extremely large.

Compared to Nanzhou, the East Continent seemed to be full of vitality.

Regardless of eating, drinking, and entertainment, everything was available here.

Qin Yu followed Jue Wu to eat, drink, and sightseeing everywhere, the impulse was indeed much better.

“F*ck! There’s such a big restaurant in the East Continent!” Jue Wu pointed to a huge restaurant in front of them and said excitedly.

“Let’s go and try it. There must be delicious food here!” Jue Wu said excitedly.

The two walked to the entrance of the restaurant but were stopped by people.

“This place is not open to the public,” two men said coldly.

Jue Wu frowned. She took out ten spirit coins and handed them to the two people.

“Can you make an exception?” Jue Wu said with a smile.

The two men frowned as if they had been humiliated.

They casually threw the ten spirit coins to the side and berated, “Get lost!”

Jue Wu said softly “It’s okay if you don’t let me in. Why must you get angry...”

She then pulled Qin Yu and ran to the back door.

“What’re you doing?” Qin Yu said with a frown.

Jue Wu said mysteriously, “They don’t let us in. Let’s sneak in. There must be a lot of delicious food inside!”

Qin Yu opened his mouth and before he could stop her, Jue Wu had already jumped up and sneaked in.

Qin Yu had no choice but to sneak in with her.

At this moment, in one of the rooms of the restaurant, three people were sitting opposite each other.

Two of them were the people sent by the Tong family of Zhongzhou!

Sitting opposite them was the famous sect master of God Bless Sect in the East Continent!

“You want me to attack Xiao Sheng? Are you crazy?” The sect master of God Bless Sect frowned.

The two people said indifferently, "I heard that Xiao Sheng had planned to annex the entire Lizhou back then. However, he was stopped by the dead river and thus gave up. Now that the dead river has disappeared, I think he will make a move on you sooner or later.

"Don't you have a plan? How glorious would it be to unify Lizhou?"

The sect master of God Bless Sect furrowed his brows tightly when he heard this.

He said in a deep voice, "Of course, I want to. But unfortunately... I'm probably not his match. I can't even unify the East Continent, let alone Lizhou."

"Our Tong family will naturally lend a hand," the two men said indifferently.

The sect master of God Bless Sect glanced at them and laughed. "If that's the case, why don't you do it yourself? Wouldn't that be more direct and simple? Isn't it doing an utterly unnecessary thing?"

1784 The Tong Family in Zhongzhou

The two were not in a hurry when they heard what the sect master of God Bless Sect said.

"With our status, how can we do it ourselves?" they said indifferently.

The sect master of God Bless Sect could not help sneering in his heart.

Their arrogant attitude naturally caused people to feel dissatisfied.

"Alright, I'll agree with you. However, I have a request," the sect master of God Bless Sect said.

"Speak! We will satisfy any condition you have," the two nodded and said.

"I want a Saint Weapon," the sect master of God Bless Sect said calmly.

Hearing this, the two people's expressions instantly became somewhat unnatural.

One of them looked at the sect master of God Bless Sect coldly and said, "Do you think Saint Weapon is a cheap item by the roadside?"

"Without Saint Weapon, I'm no match for Xiao Sheng," the sect master of God Bless Sect said without hesitation.

The two narrowed their eyes and said, "Don't think we have to rely on you. Your God Bless Sect isn't the only sect in the East Continent!"

boxn ov el. c o m

"Then please go back. You can look for other sects." The sect master of God Bless Sect stood up immediately and was about to leave.

The two frowned slightly, looked at each other, and then said, "Stop!"

"Why? Is there anything else?" asked the sect master of God Bless Sect.

"Saint Weapon is not a small matter. I'm afraid the two of us can't make the decision. We have to go back and seek advice from the young master," they said.

"Give us three days. We'll give you an answer after three days."

"Alright, it's a deal," the sect master of God Bless Sect replied with a faint smile.

The two did not stay any longer and turned to leave.

The sect master of God Bless Sect remained silent for a long time before he stood up and left the room.

Not long after they left, Jue Wu carefully walked in with Qin Yu.

"Look! I knew there would be leftovers," Jue Wu said excitedly.

Qin Yu was speechless in an instant. He opened his mouth and didn't know how to react.

For the sake of eating, Jue Wu was willing to do anything at all.

“D*mn it! The table is full of food, but they didn’t even touch it. It’s such a waste. Let me help you finish them all today!” Jue Wu said excitedly.

After that, she began to indulge in extravagant eating and drinking.

Qin Yu wasn’t as relaxed as Jue Wu. He was sitting there thinking about the scene just now.

Qin Yu could hardly restrain his impulse.

It was as if something was controlling his brain.

Qin Yu knew that it must have something to do with Satan.

Just as Jue Wu was gobbling, the door was pushed open.

They then saw two cultivators looking at them, dumbfounded.

“Who are you guys? Who let you in? Where’s the sect master of God Bless Sect?” The two men glared at them and shouted.

While stuffing her mouth, Jue Wu said, “We are his friends... He’s in the toilet.”

“Nonsense! Since when did the sect master of God Bless Sect have friends like you? You’re thieves, aren’t you?” the two men shouted.

“You dare to come here to steal things. I think you’re courting death!”

Hearing what they said, Qin Yu felt a little irritated.

The killing intent that he had just suppressed began to stir up again.

His face gradually became a little gloomy. He then clenched his fist quietly.

Just as Qin Yu was about to make a move, another person walked in from outside.

This person was tall and had an extraordinary appearance. His body also exuded a faintly discernible sense of oppression.

“Sect Master, these two people ate your food, and we were planning to capture them,” seeing the man walking in, the two of them hurriedly bowed and said.

The sect master of God Bless Sect glanced at Qin Yu and Jue Wu, then waved his hand and said, “They’re my friends. You guys may go.”

The two of them were startled. They then hurriedly bowed and said, “I’m really sorry. We’ve misunderstood...”

After saying this, the two left hurriedly.

Seeing what happened, Qin Yu’s clenched fist slowly loosened.

“Many thanks.” Qin Yu bowed slightly to the sect master of God Bless Sect.

Immediately after that, Qin Yu pulled Jue Wu and said, “Stop eating.”

“It’s okay. Let her eat.” The sect master of God Bless Sect waved his hand.

“Thank you! Thank you! In the future, when you go to Nanzhou, just mention my name, Jue Wu. I guarantee it will work!” Jue Wu said excitedly.

Upon hearing this, the sect master of God Bless Sect frowned and said in surprise, “You’re Jue Wu?”

“Ah? You know me?” Jue Wu asked while she stuffed food into her mouth.

“One of the three lunatics of Nanzhou. I’ve heard about it,” the sect master of God Bless Sect said indifferently.

He then looked at Qin Yu and said, “What about you?”

Qin Yu didn't hide anything and immediately disclosed his identity.

"You are Qin Yu?" the sect master of God Bless Sect seemed even more surprised.

"In that case, you guys should know Xiao Hai, right?" he asked with a frown.

"Yes. Mr. Xiao is our role model. Does Senior know Xiao Hai too?" Qin Yu asked in surprise.

He nodded and said, "Xiao Hai and I are old acquaintances. He once saved my life. Without him, I'm afraid I would have died long ago."

"When did Mr. Xiao come to the East Continent?" Qin Yu asked in surprise.

"No, I used to be in Nanzhou. I was lucky enough to have come to the East Continent." He shook his head.

"I see." Qin Yu nodded slightly.

At this juncture, the face of the sect master of God Bless Sect suddenly turned solemn.

"What a coincidence! Please help me pass a message to Xiao Sheng. Tell him that somebody wants to kill him," he looked at Qin Yu and said.

Qin Yu's expression changed. He then quickly said, "Somebody wants to kill him? Who's the person?"

"The Tong family of Zhongzhou has approached me. They wanted me to take action and get rid of Xiao Sheng." He took a deep breath.

"So, did you agree?" Qin Yu asked, squinting his eyes.

"Mmm, but I put forth a condition. I requested a Saint Weapon from them," the sect master of God Bless Sect said.

“F*ck! If that’s the case, don’t blame us for being impolite!” Jue Wu suddenly stood up and rolled up her sleeves. She seemed about to attack.

Qin Yu stopped Jue Wu. He shook his head and said, “Since he told us this, there must be a reason behind it.”

“Yes.” The sect master of God Bless Sect nodded.

“Xiao Hai saved my life before, so how could I attack him? Moreover, I’m no match for him at all.”

“Then why did you agree to their request?” asked Qin Yu in a deep voice.

“Because... If I disagree, I’m afraid the Tong family will personally take action. When that happens, I’m afraid Xiao Sheng won’t even have the chance to escape.” The sect master of God Bless Sect shook his head slightly.

Qin Yu finally understood now. He was silent for a moment and then asked, “What’s the background of the Tong family?”

“I have no idea. I only know that they are from the aristocratic families of Zhongzhou,” the sect master of God Bless sect said.

“However, since they could take out a Saint Weapon so easily, there must be a True Saint in the family.”

1785 The Consequences of Devouring Primordial Spirit

“The True Saint!” Qin Yu’s face instantly turned pale.

If a True Saint emerged, he could easily sweep away the entire Nanzhou.

Although Xiao Sheng was strong, he probably could not even fight back facing a True Saint.

Even a wisp of the True Saint's internal qi was not something a Reversion Void Stage cultivator could withstand.

"Why would someone from Zhongzhou want to attack Xiao Sheng..." Qin Yu knitted his brows tightly.

At this moment, Qin Yu remembered the young man previously.

"Was it due to that matter?" Qin Yu's expression changed slightly.

Previously the young man was from Zhongzhou. He was extremely powerful.

To save Qin Yu, Xiao Sheng had unintentionally offended them.

"Besides them, I don't think Xiao Sheng has come into contact with anyone else from Zhongzhou," thought Qin Yu.

"If that's the case, I'm afraid their target isn't Xiao Sheng alone." Qin Yu took a deep breath. After all, he was the one who started it.

boxnovel.com

At the thought of this, Qin Yu looked at the sect master of God Bless Sect and said, "Senior, can I trouble you for a few days? I want to see those two people."

The sect master of God Bless Sect frowned slightly and said, "Why do you want to see them?"

"I need to verify something," Qin Yu said in a deep voice.

The sect master of God Bless Sect thought for a while before nodding and said, "Alright. But you guys must be careful. They're not easy to deal with."

"Many thanks." Qin Yu bowed slightly.

Therefore, Qin Yu and Jue Wu followed him back to God Bless Sect, planning to stay there for a few days.

After some exchange, they gathered that the name of the sect master of God Bless Sect was Yao Yingxuan. He came to the East Continent many years ago.

He had spent many years gaining a foothold in the East Continent and established the God Bless Sect.

The current God Bless Sect was extremely glorious. In the entire East Continent, it was considered one of the most powerful.

This was also why the Tong family had come to look for Yao Yingxuan.

If even Yao Yingxuan dared not agree, no one in the East Continent would dare to make a move on Xiao Sheng.

When the time came, the Tong family would definitely take action themselves and annihilate Tianyun Sect quietly.

In the room.

Qin Yu was sitting sat there, deep in thought.

Beside him, Jue Wu looked quite laid-back, as if she was playing on a swing.

“Jue Wu, if things don’t go well in three days, you must rush to Nanzhou and tell Xiao Sheng everything,” Qin Yu said in a deep voice.

Jue Wu glanced at Qin Yu and said, ” Why? Why don’t you go yourself?”

“This matter is very likely related to me,” said Qin Yu in a deep voice. “I don’t dare to trust Yao yYngxuan completely.”

“If what he said is not true, I’m afraid I’m doomed.”

Jue Wu snorted and said, “Don’t worry. Since I’m with you, I won’t abandon you and run away myself.

“When the time comes, I’ll kill my way out!” Jue Wu said, waving her little fist.

Qin Yu sighed slightly.

Jue Wu was rather innocent and one who upheld justice. It was simply unrealistic to let her leave first.

“Looks like I need to plan well,” thought Qin Yu.

In the afternoon, Qin Yu left God Bless Sect and returned to the restaurant.

He observed the restaurant for a long time and planned a simple escape route.

After doing all this, Qin Yu felt a little relieved.

That night.

Qin Yu, who was in a deep sleep, had nightmares non-stop.

The bloody scene kept flashing in front of Qin Yu.

Countless bodies with hideous faces rushed toward Qin Yu crazily.

Qin Yu, who was in a deep sleep, suddenly woke up.

He was sweating profusely, and his entire body was almost exhausted, as if he had just experienced a great battle.

It made Qin Yu have an extremely bad feeling in his heart.

His expression was ugly, and he was panting slightly.

At this moment, the greed and impulse in his heart burst forth again.

Compared with daytime, it seemed to be much more intense at this moment.

The scene of devouring the primordial spirits kept appearing in Qin Yu's mind. It was as if forcing Qin Yu to continue devouring the primordial spirits!

“No, I can’t...” Qin Yu gritted his teeth. He sat cross-legged and activated his Meridian Circulation Technique, trying his best to suppress the impulse.

After some time, this impulse finally dissipated to a great extent.

However, Qin Yu knew very well that this was only a delaying tactic. Soon or later it would explode again.

“I’m afraid it will be even more intense the next time...” Qin Yu murmured and his face was full of worry.

That night, lying in bed, Qin Yu was sleepless.

Qin Yu only got up when the sky turned bright. He started to wander around the God Bless Sect.

God Bless Sect was rather quiet in the morning. There was a dao discussion hall on top of the mountain.

Countless God Bless Sect disciples were sitting there, listening to the Great Dao.

The Great Dao rumbled and bathed everyone along with the sunlight.

Qin Yu didn’t know where the sound came from, but listening to the Great Dao calmed him down tremendously.

“Compared to Nanzhou, the sects in the East Continent seem to be more mature,” thought Qin Yu.

He had never seen such a scene in Tianyun Sect before.

But when thinking about it, it was normal. Xiao Sheng had long adopted the hands-off approach. If it were not for his great reputation, Tianyun Sect would have fallen apart long ago.

In the following two days.

The impulse in Qin Yu's heart was like a drug addiction that acted up from time to time.

Even though he was trying his best to restrain himself, this greed was getting even stronger.

Even the way he looked at Jue Wu had become a little strange.

From time to time, he would circulate the Meridian Circulation Technique quietly to restrain this impulse.

In the blink of an eye, three days had passed.

This morning, Yao Yingxuan came to look for Qin Yu and Jue Wu.

"It's time to set off," Yao Yingxuan said.

"Mmm." Qin Yu responded and rushed to the restaurant with Jue Wu.

After arriving at the restaurant, Yao Yingxuan looked at Qin Yu and said, "The two of you, find a place to hide and try not to be discovered by them."

Qin Yu quickly nodded. Fortunately, many people were here, so they were not afraid of their internal qi to be detected.

Yao Yingxuan was quite courteous. He had reserved a room for Qin Yu and Jue Wu. He then walked to the room where he had the appointment.

As soon as Jue Wu entered the room, she began ordering dishes. She ordered everything she could.

Whether it was food or wine, Jue Wu didn't let go of anything.

In a short while, the table was full.

This table had cost more than three million spirit coins. It was simply luxurious.

Qin Yu didn't have the heart to let Yao Yingxuan pay the bill, so he had paid in advance.

Immediately after, Qin Yu activated his desolate divine eye and looked at the room next to theirs.

Under the desolate divine eye, nothing could hide. Everything was under Qin Yu's gaze.

The two members of the Tong family had already arrived.

Seeing Yao Yingxuan come in, the two didn't have much change in their expressions.

"How is it? Did you bring the Saint Weapon?" Yao Yingxuan opened the door and asked immediately.

1786 An Endless Improvement?

The two looked at each other, smiled, and said, "It's not realistic to bring a Saint Weapon here. If we were to give you a Saint Weapon, we could directly make a move to eliminate Xiao Sheng from this world."

Yao Yingxuan seemed to have expected this to happen. Thus he wasn't too surprised. He just nodded and said, "Then please find another expert."

"Stop."

At this moment, the two called out to Yao Yingxuan.

They looked at Yao Yingxuan coldly and said, "If you disagree, you'll be offending our Tong family. When we come with the Saint Weapon, we'll wipe you out too!"

Yao Yingxuan frowned slightly. He pretended to be frightened and sat down again.

"I've already said that without the Saint Weapon, I'm no match for Xiao Sheng," Yao Yingxuan said.

“Don’t be nervous. Since we ask you to help, we’ll naturally help you secretly,” the two men said with a faint smile.

“Asking you to take action is just for show. When the time comes, our men will take the opportunity to eliminate Xiao Sheng. This way, the credit for killing Xiao Sheng will be yours. In the future, your God Bless Sect will definitely have a bright future in Lizhou,” the two smiled and said.

At this moment, Yao Yingxuan seemed to have understood the Tong family’s intention.

They didn’t make a move themselves because they wanted to support a puppet in Lizhou who would work for their Tong family in the future.

boxn ov el. c o m

“To be honest, Sect Master Yao, you have to agree today no matter what,” the two said indifferently.

It was obvious that this time the two were more confident than before.

“I want to know why you want to attack Xiao Sheng,” Yao Yingxuan said after some thought.

“You don’t have to know this.” The two shook their heads.

“What?” Yao Yingxuan’s face darkened. “I’m working for you, but I don’t even have the right to know the truth?”

The two men looked at each other, and seemed to think it made sense. Thus they nodded and said, “Alright. There’s no harm in telling you.”

“Someone from Nanzhou snatched our young master’s belongings. In order to protect this person, Xiao Sheng did not hesitate to go against the Tong family.

“Our young master had initially given him a chance, but he didn’t appreciate it. How can we let him go?”

Upon hearing this, Qin Yu’s expression changed drastically.

Sure enough, these people were sent by the young man previously!

“The Tong family...” Qin Yu murmured, and a cold look flashed across his face.

Next door, the two continued, “Don’t worry. When we make our move, we’ll kill Xiao Sheng as quick as lightning. Our people will bring the Saint Weapon.”

“Alright then. What do I get in return?” asked Yao Yingxuan in a deep voice.

“Benefits? Of course, we will help you to unify Lizhou after this,” the two said.

“But except Thunder Courtyard,” they then added and said.

Yao Yingxuan took a deep breath and said, “Alright, I’ll agree with you. I’ll issue a challenge letter to Tianyun Sect in a few days.”

“Good! A wise man submits to circumstances. Sect Master Yao, I believe we will have a pleasant cooperation,” the two said with a smile.

In the room next door, Qin Yu’s desire attacked him again.

Qin Yu looked at Jue Wu, who was eating and drinking, and said, “Can you kill the two of them?”

Jue Wu was stunned. She wiped her hands and said, “Of course, no problem! I’m going to slaughter them now!”

“No need to rush.” Qin Yu stopped Jue Wu.

“It’s not the time to act yet. We’ll act after they’ve gone far.”

Part of the reason he wanted to attack them was that they were from the Tong family.

More importantly, Qin Yu wanted to devour their primordial spirits!

Both of them were at the Reversion Void Stage. If he devoured their primordial spirits, he would definitely be able to restore his primordial spirit completely!

Of course, most of all, it was because soon Qin Yu no longer could restrain this impulse anymore.

The two got up and left the restaurant. Qin Yu and Jue Wu quickly followed.

They concealed their internal qi and quietly followed the two in the crowd.

“If you’re not their match, run away, understand?” Qin Yu warned.

“I can crush them like crushing two ants!” Jue Wu shook her hands and said.

Of course, most of all, it was because soon Qin Yu could no longer restrain this impulse.

Both of them followed the two, and soon they walked out of the East Continent.

At this time, it was rather quiet and deserted in the surrounding. Thus it was the right time to make a move.

“Jue Wu, these two people are from the aristocratic families of Zhongzhou. If you kill them, the Tong family will know. You will then get into trouble. So you must think carefully,” Qin Yu said softly.

Jue Wu rubbed her small hands and said, “Don’t talk nonsense. I don’t care from which family they came. I’ll just kill them.”

Without giving Qin Yu a chance to speak, Jue Wu whooshed over and blocked their way.

Seeing Jue Wu in front of them, the two couldn’t help but raise their eyebrows.

“Small kid, why are you blocking us?” the two asked.

“Uncle, I’m lost. Can you take me there?” Jue Wu said with a smile.

When the two heard this, they couldn’t help but laugh out loud.

“Let’s go, Uncle will take you to a nice place.” The two weren’t on guard at all as at this moment, Jue Wu looked like a harmless little girl.

Therefore, Jue Wu walked up to them with a playful look on her face.

Just as the two were about to speak, Jue Wu suddenly stretched out her small hand and slapped the head of one of them!

The power of this slap was incomparably terrifying. With a slap, his head was instantly crushed!

The other person’s expression changed drastically when he saw this. He quickly stretched out his hand and wanted to suppress Jue Wu.

However, with his strength, how could he defeat Jue Wu?

No matter how many top-notch spells he used, they were still not enough to deal with Jue Wu.

In a short while, the two were whipped to death by Jue Wu.

Qin Yu, who was hiding in the dark, could not hold it in anymore.

He was like a wild beast whose eyes were red from hunger. He pounced forward and rudely devoured the primordial spirits of the two!

After devouring their primordial spirits, the impulse and excitement in Qin Yu’s heart greatly reduced.

This thing seemed to be addictive, like poison.

Qin Yu let out a breath of satisfaction, and his red eyes gradually returned to normal.

“What?”

At this moment, Qin Yu suddenly noticed something was wrong.

After devouring their primordial spirits, Qin Yu’s damaged primordial spirit did not only restore completely, but its power also increased tremendously!

His primordial spirit seemed to have improved, and the little golden man in his mind seemed to have become tougher!

“Could it be... There’s no upper limit to this Meridian Circulation Technique?” Qin Yu opened his mouth in shock.

The cultivation of the primordial spirit was much tougher than the cultivation of the cultivation realm!

And the power of the primordial spirit was often even more terrifying!

At this moment, Qin Yu was at a loss. He didn’t know if it was a blessing or a curse.

1787 A Terrifying Mental Addiction

This undoubtedly provided Qin Yu with a new way of cultivation, and the effect was extremely terrifying.

However, if this continued, Qin Yu would be completely reduced to become a villain.

Cultivation required dark energy. Now that he was devouring the primordial spirits of others, such a cultivation method was no different from that of a great evil person.

Seeing the silent Qin Yu, Jue Wu walked over and sat on his shoulder.

“Don’t think too much. Since you’ve already made your choice, there’s nothing to regret,” Jue Wu comforted him and said.

Qin Yu glanced at Jue Wu, sighed, and said, "I'm afraid it'll be even harder to restrain next time."

Every time he devoured the primordial spirit, the greed in his heart would increase.

No one knew what Qin Yu would become in the end.

"It's time to think of a way to restrain it," thought Qin Yu.

Following that, Qin Yu and Jue Wu returned to God Bless Sect to see Yao Yingxuan.

Yao Yingxuan sat across from Qin Yu and said, "You've heard our conversation, right?"

boxn ov el. c o m

"Yes." Qin Yu nodded. "Senior, what are you going to do?"

Yao Yingxuan took a sip of tea and said, "I'll take one step at a time. Please help pass a message to Xiao Sheng. Tell him that God Bless Sect absolutely has no intention of becoming his enemy."

"Don't worry. I'll relay your words," Qin Yu promised and said.

That day, Qin Yu left the East Continent after bidding goodbye to Yao Yingxuan.

He summoned the Divine Eagle and prepared to return to Nanzhou.

On the trip back to Nanzhou this time, besides bringing the news to Xiao Sheng, Qin Yu also planned to go to the brothel to ask Xiaoqian about it.

After a few days, Qin Yu and Jue Wu finally arrived at Tianyun Sect.

Standing at the entrance of Tianyuns Sect, Qin Yu's mental addiction triggered again.

Qin Yu quickly activated Meridian Circulation Technique to restrain himself with all his might.

“Let’s go,” Jue Wu said.

“Mmm.” Qin Yu responded and followed Jue Wu to the Cultivation Mountain.

On the mountain, Qin Yu told Xiao Sheng everything that had happened.

However, Xiao Sheng was not too shocked after hearing it. He nodded slightly and said, “They’ve come to look for me.”

“So you already knew it?” Qin Yu frowned and asked.

“Yes.” Xiao Sheng did not seem to care much.

Qin Yu frowned and said, “They’ll be bringing Saint Weapon. I know you’re strong, but I’m afraid you don’t have any chance of winning against a Saint Weapon.”

“Yes.” Xiao Sheng couldn’t help but sigh.

“Then what do you plan to do?” Qin Yu looked at Xiao Sheng’s calm expression and couldn’t help but feel anxious for him.

“I don’t know,” Xiao Sheng shook his head.

Qin Yu was speechless for a moment.

“If there’s nothing you can do, you should also go to Thunder Courtyard,” Qin Yu said.

“No matter how powerful the Tong family is, they would never dare to break into Thunder Courtyard.”

“I don’t have that plan for the time being. Let’s take it one step at a time,” Xiao Sheng said in a deep voice.

Qin Yu could not help but get angry. He stood up and said, “This is a matter of life and death. Don’t you care at all?”

“Of course, I do care,” Xiao Sheng laughed and said.

“Anyway, you don’t have to worry about me. I have my own way.”

Although he said that, Qin Yu did not believe him at all.

Tianyun Sect was not a sect with a legacy, so they did not have a hidden force.

When faced with an aristocratic family like the Tong family, Tianyun Sect was not worth mentioning at all.

“Alright. Quickly go back to Thunder Courtyard.” Xiao Sheng waved his hand and directly ordered him to leave.

Qin Yu opened his mouth and wanted to say something, but he didn’t know what to say.

“This matter started because of me. I won’t watch you die,” Qin Yu said coldly.

After saying this, Qin Yu left Tianyun Sect with Jue Wu.

After that, the two of them went straight to the brothel in Dayue City City.

At the door of the brothel, Qin Yu looked at Jue Wu and said, “Wait for me outside. It’s not appropriate for you to enter this place.”

“How is it inappropriate? I also want to hug big girl!” Jue Wu said excitedly.

Qin Yu was speechless.

Left with no choice, Qin Yu could only bring Jue Wu in.

Not long after he entered the brothel, Jue Wu found a large group of beautiful women to accompany her.

Xiaoqian seemed to be busy at the moment, so Qin Yu had to wait in a room.

After about an hour.

The door was pushed open, and Xiao Qian walked in.

When she saw Qin Yu, she said in surprise, "What are you doing here?"

Qin Yu took a sip of water and said in a deep voice, "Do you know how to contact Sister Ning?"

"Of course, I know," Xiaoqian said calmly.

Qin Yu took a deep breath and said, "Please ask her out for me. I have something to see her."

"It's no use looking for her," Xiaoqian said indifferently.

"No one can do anything about the cultivation technique you've learned. Once you start it, there's no turning back. I remember telling you this very clearly."

Qin Yu's face was a little ugly. He said unwillingly, "If this continues, I won't be able to restrain myself!"

"Why should you restrain yourself?" Xiaoqian laughed and said.

Qin Yu gritted his teeth and said, "Then wouldn't I reduce to be a villain? Who knows what will happen in the future!"

"So what if you're a villain? Why do you care so much? What? Do you want to be a great philanthropist?" Xiaoqian scoffed at him.

Qin Yu was a little angry, but he took a deep breath and suppressed it.

"So it means once I learn this technique, my mental addiction will grow without limit?" Qin Yu asked in a cold voice.

"Yes," Xiaoqian said with a smile. "But the growth rate will gradually become slower. You don't have to worry too much.

"Of course, if you really become a villain in the future, there's also nothing to worry about."

“Nonsense,” Qin Yu said coldly.

Regardless of becoming a villain or not, at least Qin Yu did not want to become a slave to this addiction. If he did, it would be equivalent to losing the autonomy of his body.

This was something Qin Yu absolutely could not accept.

“There’s always a way. It’s just that I don’t know what it is. Sister Ning doesn’t know either,” Xiao Qian changed the topic and said with a smile.

“I believe you can find a way. You can even endure the pain of your primordial spirit, let alone this mental addiction?”

“No,” Qin Yu shook his head and said. “I can bear the pain, but I can’t bear the inner demons.”

Inner demons were often the most terrifying. Once one was infected, they would accompany the person for life.

“There’s a way to everything. Go find it yourself,” Xiaoqian said with a smile.

At this point, she said with a vague smile, “You should be glad. Who knows how many people want to learn this Meridian Circulation Technique but are not qualified.”

After saying this, Xiaoqian turned around and left.

At this moment, Qin Yu had an impulse to rush up and devour Xiaoqian’s primordial spirit directly.

But in the end, Qin Yu held back.

“Even the curse of Nirvana Body could be resolved, what’s this mental addiction?” Qin Yu could only comfort himself in his heart.

The curse of the East Continent had not yet been resolved. And now he was infected with such a terrifying mental addiction. How could he not worry?

1788 The Provocation of the Devil Hunter

After leaving the brothel, Qin Yu rushed back with Jue Wu worriedly.

Along the way, his addiction acted up from time to time. Moreover, it was getting even more intense each time.

Qin Yu could only close his eyes slightly, adjust his state of mind, and try his very best to restrain himself.

However, the more he did this, the more irritable he became.

After much time, Qin Yu finally returned to Thunder Courtyard.

The two of them had left Thunder Courtyard for ten days or so, while the other members had returned long ago.

Seeing the two take such a long time to rush back, the other members couldn't help but mock, "You guys are really inefficient."

Qin Yu ignored them. He pulled Jue Wu, who was about to quarrel with them and quickly returned to the cave abode.

After completing this mission, a number, "3", appeared on their tokens.

These were the points earned for completing the mission. With these points, one could go to the first main peak to exchange for cultivation techniques, Meridian Circulation Technique, and even magic artifacts.

"Hopefully, Thunder Courtyard has a restraining Meridian Circulation Technique," thought Qin Yu.

boxn ov el. c o m

As a descendant of Immortal Emperor Lei, most likely, he would have a restraining Meridian Circulation Technique.

However, Qin Yu didn't know Dean Lei well. He wasn't even close to him. Thus he couldn't ask him at all.

Furthermore, in his current state, he might even become the target of Demon-slaying Peak. Thus Qin Yu didn't dare to tell him.

At this moment, he heard some movement from outside.

He looked up and found out it was Xiaobai.

Qin Yu was planning to gather some information from him. Thus when he saw Xiaobai walking in, he quickly got up and greeted him.

"Qin Yu, how was the mission this time?" Xiaobai asked with a smile.

"I didn't do anything. It was all done by Jue Wu," Qin Yu said casually.

Xiaobai looked at Jue Wu, smiled, and said, "That's true. With such a tough bodyguard by your side, you don't need to do anything."

Qin Yu asked, "Xiaobai, when will the next mission be?"

"Not sure. It can be ten days, half a month, or very soon," Xiaobai said.

"Why? You can't wait?" he said jokingly.

"Yeah, it's boring to stay in Thunder Courtyard," Qin Yu smiled and said.

Xiaobai patted Qin Yu's shoulder and said, "It'll be at least after three days because there'll be a dao lecture after three days. We'll have to wait until the dao lecture is over."

"Mmm," Qin Yu responded. He was somewhat curious about this lecture.

"By the way, Xiaobai, what do you think we should do if there are evil people in Demon-slaying Peak?" Qin Yu took the opportunity to ask.

"Why do you ask this?" Xiaobai asked, raising his eyebrows.

"I'm just curious," Qin Yu said perfunctorily.

Xiaobai laughed and said, “Actually, there was such a thing. Previously there was a very talented Devil Hunter. He went astray and cultivated the evil ways.”

“And then what happened?” Qin Yu asked impatiently.

“He was killed by the Law Enforcement Elder of Thunder Courtyard,” Xiaobai said.

Qin Yu’s expression changed slightly. He frowned and said, “Since he went astray, why didn’t they save him? Instead, they chose to kill him directly?”

Xiaobai spread his hands and said, “It was the dean’s order. Because once he left Thunder Courtyard, he would ruin the reputation of Thunder Courtyard. Speaking of which, those who cultivate in Thunder Courtyard will be extremely powerful in the future. In case he escaped, it would be hard to find him.

“Therefore, it’s best to kill him.”

Qin Yu’s heart skipped a beat.

From the looks of it, it was unrealistic to ask for the cultivation technique from the dean. He probably would only bring a fatal disaster upon himself.

“By the way, how many points does it need to exchange for cultivation techniques?” Qin Yu asked.

“It depends on what kind of cultivation technique. But it’s usually between 30 and 50 points. There are some over 100, but not many.

“Of course, the more precious the cultivation technique is, the higher the points required.”

“Can I give away the cultivation technique as a gift?” Qin Yu asked after some thought.

“Sure,” Xiaobai said.

He then took out his points and waved in front of Qin Yu.

There was a number written on it, “58”.

“I accumulated for a long time to get this,” Xiaobai said with emotion.

“Of course, this number is also considered quite high.”

“Then who has the highest points?” Qin Yu continued to ask.

“Of course, it’s Jiu Xiao. He accumulated more than 1,000 a long time ago. In other words, he can practice all the cultivation techniques in Thunder Courtyard,” Xiaobai said.

“If I could only have half of his, I would also feel content,” Xiaobai said with emotion.

Upon hearing this, Qin Yu was very shocked!

He and Jue Wu only earned three points for this mission. But Jiu Xiao had more than a thousand points!

What kind of concept was this?

“That’s strange. How many missions does he have to accomplish to earn 1,000 points...” Qin Yu looked at the pathetic number “3” in his hand.

Xiaobai explained, “The difficulty level of each mission is different, so the points vary. For example, the mission to go to Zhongzhou is 20 points or more.

“Jiu Xiao almost always went to Zhongzhou and killed the most evil people.”

Qin Yu finally understood.

“Zhongzhou...” Qin Yu murmured.

“You must tell me if there is a mission in Zhongzhou next time,” Qin Yu looked at Xiaobai and said.

Xiaobai shook his head and said, "If you want to go to Zhongzhou, you must get Jiu Xiao's permission before going. Only he and the peak master can take the mission going to Zhongzhou. As for who can go, he will choose among us."

"It turned out to be this way..." Qin Yu's face was a little ugly.

He didn't know Jiu Xiao at all. Furthermore, most of the people here had reached the Reversion Void Stage and he was only a mighty realm cultivator. Jiu Xiao definitely would choose someone else.

"It looks like I have to find time to pay a visit to Jiu Xiao," Qin Yu muttered.

Xiaobai laughed and said, "If you want to get in through the back door, don't waste your energy. Jiu Xiao is very arrogant. However, he is also very fair in doing his work."

At this point, Xiaobai switched the topic of the conversation and said, "Of course, he will give you a chance. He will give everyone a chance."

"Mmm," Qin Yu responded. He then said, "Alright. Thank you."

After that, the two chatted for a while. Jue Wu caught some prey from the mountain, and the three of them gathered together to have a satisfactory meal.

Not long after Xiaobai left, the previous burly man came to their door again.

He sniffed and said with a smile, "You're eating good food again. You guys really know how to enjoy yourselves."

Jue Wu glanced at him and said, "Quickly get lost. Last time, you wasted a piece of my meat. I haven't settled the score with you yet!"

This burly man ignored Jue Wu like previously. He stared at Qin Yu and said with a smile, "Qin Yu, I'm here to issue you a challenge letter."

"I don't accept." Qin Yu shook his head without thinking.

The burly man said with a smile, "Sorry, you can't reject a challenge letter in Demon-slaying Peak. You can only admit defeat."

1789 The Witty Jue Wu

The burly man seemed to have strongly obsessed with Qin Yu. Now he had even issued a letter of challenge directly.

Of course, at this moment, Qin Yu was not afraid of him at all. It was just that the evil thought in his heart had been haunting him. Qin Yu was very worried that he would lose control once he attacked.

If he devoured the man's primordial spirit in front of everyone, he would probably die.

"If you don't want to die, take this letter of challenge back..." Qin Yu said, suppressing the evil thought in his heart.

The burly man laughed and said, "You're so boastful! Qin Yu, I know you have some ability, but don't think too highly of yourself. It's not your Nanzhou here. Anyone who can enter Thunder Courtyard is not bad."

Then, the burly man threw the letter of challenge to Qin Yu and said, "Tomorrow, you and I will definitely have a battle."

"You're so f*cking shameless! A Reversion Void Stage cultivator challenging a mighty realm cultivator? Don't you feel ashamed?" Jue Wu angrily said.

The burly man laughed and said, "Don't worry. I, Cao Huang, have never bullied anyone. I will suppress my strength to the same cultivation realm as Qin Yu."

After saying this, the burly man turned around and left.

Qin Yu's face turned uglier. He seemed not to be able to bear it any longer.

When he was provoked, the evil thought in his heart instantly surged! It was simply difficult to restrain!

boxn ov el. c o m

He sat there, trying his best to suppress this evil thought, and his forehead was sweating.

Jue Wu, next to Qin Yu, came forward and patted his shoulder. She said, "Don't worry. Leave it to me."

"Leave it to you? Are you going to act on my behalf?" Qin Yu shook his head.

"Don't worry, I have my way," Jue Wu grinned and said.

Qin Yu didn't say anything else. He didn't take Jue Wu's words seriously.

He closed his eyes slightly to resist the evil thought.

The news of Cao Huang issuing a challenge letter to Qin Yu spread very quickly.

That night, Xiaobai came to the cave abode to look for Qin Yu.

Qin Yu's expression changed slightly when he saw Xiaobai coming.

He pretended to be calm and said, "Xiaobai, why are you here?"

Xiaobai smiled and said, "It's due to that idiot. He's a battle maniac. He's not targeting you. You don't have to worry. He knows what he's doing."

"Mmm," Qin Yu responded. And his forehead was covered with sweat again.

"Qin Yu, what's the matter with you? Are you not well?" Seeing this, Xiaobai asked with concern.

Qin Yu opened his mouth but didn't know what to say.

Jue Wu hurriedly walked up and waved her hand, "Qin Yu is not well. Let him have a good rest."

Seeing that Jue Wu had given the order to leave, Xiaobai didn't say anything else.

"Take good care of yourself. I'll come and see you tomorrow," Xiaobai said.

After saying this, Xiaobai turned around and walked out.

Not long after Xiaobai left, Jue Wu rolled up her sleeves and planned to go out.

"Where are you going?" Qin Yu quickly asked.

Jue Wu grinned and said, "I'm going out to do something and hang around for a while. You rest here."

Jue Wu ran out without giving Qin Yu a chance to continue asking.

After an hour or so, Jue Wu was back, humming a tune.

"D*mn it! I'm so tired. I'm going to sleep," she said while stretching.

Qin Yu frowned. He sniffed and found out there was a faint smell of blood on Jue Wu's body.

"Where did you go?" Qin Yu asked.

"You'll know tomorrow," Jue Wu said mysteriously.

Qin Yu didn't think much about it. He thought Jue Wu had gone out hunting. Thus he didn't ask further.

The following day.

A large group of people gathered at the training ground of Demon-slaying Peak. Even the peak master was there.

Clearly, they were waiting for the battle between Qin Yu and Cao Huang.

“Let’s go. Don’t let those b*stards look down on us.” Jue Wu pulled Qin Yu and said.

Qin Yu sighed. He could only pray in his heart that he could restrain this impulse.

Thus Qin Yu followed behind Jue Wu and left the cave abode.

When they arrived at the training ground, the crowd saw Qin Yu and became restless.

“Qin Yu really showed up!”

“If not? If he doesn’t accept the letter of challenge, Cao Huang will have a reason to attack him directly. It makes no difference whether he shows up or not.”

“Sigh! It’s a little unfair. Qin Yu’s primordial spirit is damaged, and his physical condition is bad. Cao Huang seems to be taking advantage of him.”

“How would Cao Huang take advantage of others? He will suppress his cultivation realm so that the two of them would be on the same level.”

While the crowd was in a heated discussion, Qin Yu was extremely worried.

It was because the evil thought in his heart was constantly attacking his mentality as if it would break through his psychological defense at any time.

Time passed by. In the blink of an eye, an hour had passed.

However, Cao Huang still did not show up.

The sun was high in the sky, and everyone was getting impatient.

“Hey, that Cao Huang doesn’t even dare to come. Does that mean he has lost?” Jue Wu looked in the direction of the peak master.

“If Cao Huang still doesn’t show up after a while, he’s considered to have lost,” the peak master said in a deep voice.

“Tsk.” Jue Wu sneered and whispered in Qin Yu’s ear, ” “This Cao Huang can’t come.”

Qin Yu was stunned and frowned.”Why can’t he come? You... What did you do?”

Jue Wu opened her mouth and was about to speak when she saw a cultivator carrying the injured Cao Huang over.

Cao Huang’s body was covered in blood, and a few of his bones were broken. His internal qi was extremely weak.

Seeing Cao Huang in such a state, Qin Yu hurriedly turned to Jue Wu and said, ” “This... You did this?”

Jue Wu hummed a tune and didn’t reply. What had happened was obvious.

“Peak Master, Cao Huang is seriously injured.” The cultivator placed Cao Huang on the ground and cupped his hands.

The peak master frowned. He looked at Cao Huang and said, “What’s going on?”

Cao Huang opened his mouth and raised his finger with great difficulty, pointing in the direction of Jue Wu.

“Did Qin Yu do this?” The peak master was stunned.

Cao Huang shook his head with all his might and said with trembling voice, “It’s... It’s...”

“Hey! Did you guys hear that? He has admitted to it, so that’s it.” Jue Wu quickly interrupted Cao Huang.

Cao Huang became even more anxious. He pointed at Jue Wu and said desperately, “Jue... Jue...”

“It’s definitely Qin Yu!” Jue Wu once again interrupted Cao Huang.

“Who else could it be besides Qin Yu? Okay, okay. Look at you. Hurry up and go back to rest,” Jue Wu said with a smile.

Hearing Jue Wu’s words, Cao Huang, who was already seriously injured, suddenly turned pale and spat out a mouthful of blood!

Seeing what happened, the peak master could not help but frown slightly. He waved his hand and said, “Enough! Quickly bring him back to rest.”

“Yes, Peak Master,”

Despite Cao Huang’s desperate struggle, he was still taken away.

1790 The Dao of the Immortal Emperor

Everyone was dumbfounded to see such an ending.

Even Qin Yu was speechless.

He didn’t expect this to happen! Jue Wu had actually taken advantage of the darkness of the night and secretly injured Cao Huang!

“This doesn’t make sense. Isn’t Qin Yu’s primordial spirit damaged? How did he defeat Cao Huang?”

“The key is that Cao Huang is at the Reversion Void Stage while Qin Yu is only a Peak of Mighty Realm Cultivator. Unless he is hiding his true strength, he is definitely not Cao Huang’s match.”

“There are only a handful of people in the entire Demon-slaying Peak who can defeat Cao Huang quietly,” the peak master said at this point.

“Even I can’t do it,” he said coldly, with his hands behind his back.

Then, his gaze fell on Qin Yu.

“Qin Yu, what secret treasure did you use?” The peak master said coldly.

Qin Yu didn't want to cause trouble for Jue Wu, so he nodded and said, “Yes, I did use a secret treasure.”

“Why did you secretly attack Cao Huang?” The peak master was a little unhappy.

“He kept provoking me. I couldn't hold back my anger. Thus I went to find him in the middle of the night,” Qin Yu said.

The peak Master snorted coldly. He placed his hands behind his back and reprimanded, “I'll let it go this time. But you're not allowed to do this again in the future.”

“Yes.” Qin Yu bowed slightly.

After saying this, the peak master did not stay any longer and turned to leave.

On the other hand, Jue Wu pulled Qin Yu and quickly returned to the cave abode.

As soon as they returned to the cave abode, Jue Wu used a secret technique to seal the entrance.

“What do you think? Didn't this resolve the crisis?” she said triumphantly.

“You're indeed good at this...” Qin Yu smiled bitterly and said.

Jue Wu had indeed helped Qin Yu out of his predicament.

It was not that Qin Yu was afraid of Cao Huang, but she was worried that he couldn't suppress the evil thought in his heart.

After saying this, Qin Yu's forehead was covered with sweat again.

Obviously, it was getting harder for Qin Yu to refrain from his impulse.

Another two days passed.

Qin Yu's condition was getting worse.

There seemed to be hundreds of millions of ants crawling in his heart, constantly drilling.

"Tomorrow is the day of the dao lecture. You... Are you alright?" Jue Wu frowned and said.

Qin Yu wiped the sweat from his forehead and said, "I can bear it."

Jue Wu sighed. She didn't know how to make Qin Yu feel better. Thus she could only chit-chat to divert Qin Yu's attention.

The following day was the day of the dao lecture.

On this day, everyone in Demon-slaying Peak came to Demon-slaying Peak's dao lecture hall.

This dao lecture hall was not as grand as Qin Yu had imagined. Instead, it was like a small temple and was rather down-to-earth.

Around the dao lecture hall, there was a huge bell hanging. Rumor had it that dao technique was emitted through this huge bell.

The dao technique emitted through the bell was the dao of the Immortal Emperor, which was extremely precious.

"Qin Yu, you're pretty awesome. You actually defeated Cao Huang without a sound," As soon as Qin Yu entered the hall, Xiaobai came over.

"It was with the help of a secret treasure," Qin Yu forced a smile and said.

"That's not a bad choice," Xiao Bai smiled and said.

,

Qin Yu remained silent. As he never liked to lie, he would be exposed if he continued.

In the dao lecture hall, people arrived one after another.

At this moment, a man of average height walked in from the outside.

He didn't look strong, but the internal qi he exuded carried a sense of pressure.

"He is Jiu Xiao," Xiaobai introduced and said.

Qin Yu's eyes immediately looked in the direction of Jiu Xiao.

Not only Qin Yu but almost everyone looked at Jiu Xiao simultaneously. Some also greeted him warmly.

Jiu Xiao only nodded slightly, as a top-notch martial artist did.

"This Jiu Xiao is indeed not simple," Qin Yu said in a low voice.

He could vaguely feel a trace of an extremely powerful internal qi from Jiu Xiao's body. It was as if he was surrounded by a dao technique.

Qin Yu had only ever felt such a feeling from Xiao Sheng.

"He's the number one person of Demon-slaying Peak and has been evaluated by the dean. Rumor has it that he can reach the True Saint cultivation realm within 100 years," Xiaobai said with emotion.

"A hundred years..." Qin Yu murmured.

Of course, he knew it was extremely difficult to become a True Saint within 100 years.

It would take several hundreds of years for a mighty realm cultivator to reach the Reversion Void Stage, not to mention the True Saint.

At this moment, Qin Yu saw Cao Huang from the corners of his eyes.

The moment he saw Cao Huang, Qin Yu immediately had a bad feeling.

“I have something to do over there. I’ll talk to you later,” he said to Xiaobai.

After saying this, Qin Yu turned around and left, trying to avoid Cao Huang.

However, Cao Huang seemed to be here for Qin Yu. As soon as he entered the room, his eyes swept around.

Soon, Cao Huang’s gaze landed on Qin Yu.

He hurriedly came over to Qin Yu.

“Brat, you’re pretty good!” Cao Huang said through gritted teeth.

“You’re not my match, so you f*cking let your hatchet man bully me?”

That hatchet man, of course, was Jue Wu.

Qin Yu frowned and said, “Who said it was Jue Wu who beat you? Do you have any evidence?”

“Of course, I don’t have any f*cking evidence! However, I can issue you another challenge letter!” Cao Huang said through gritted teeth.

At this moment, a hand patted Cao Huang’s shoulder.

Cao Huang instantly turned his head and was about to start cursing.

However, when he saw that it was Jue Wu, his expression became a little unnatural.

He pointed at Jue Wu and said, “You... You don’t do anything silly. You don’t think I’m scared of you!”

Jue Wu grinned and said, “Who said you’re scared of me? Why do I do a silly thing? I just saw you guys chatting and wanted to chat with you. Why are you so nervous?”

“I... I don't want to talk to you,” Cao Huang bit the bullet and said.

“Oh! It's fine if you don't want to talk to me now. I'll go look for you tonight.” Jue Wu's smile was innocent and pure, but in Cao Huang's eyes, it was like a demon.

He swallowed his saliva and turned around to leave.

Looking at his back, Jue Wu snorted and muttered, “If he still doesn't behave, I'll beat him up again tonight!”

“Cao Huang shouldn't be a villain. Otherwise, he could have publicly announced this matter,” Qin Yu frowned and said.

“Who cares!” Jue Wu waved her hand.

“If others find out about this, I'm afraid it'll be troublesome,” Qin Yu said worriedly.

Jue Wu wasn't worried at all. She looked so relaxed.

Qin Yu didn't think much about it. He and Jue Wu found seats for themselves and waited for the lecture to begin.

After a while.

A white-robed, sage-like old man walked in.

Upon seeing this person, everyone stood up, cupped their hands, and greeted him, “Mr. Jiang.”

The old man, who was addressed as Mr. Jiang, nodded slightly and then walked to the seat where the lecture was held and sat down.

Qin Yu took a look at Mr. Jiang and felt that his internal qi was especially calm and bottomless. Looking at him, he was as if looking at an ancient well.
