

My Rich Wife –

1791 The Unbearable Inner Demon

Mr. Jiang was probably extremely powerful, and no one could see through him.

“No wonder Thunder Courtyard is a unique existence in Lizhou,” thought Qin Yu.

If they were to make a move, they would probably be able to suppress the entire Lizhou very quickly.

Qin Yu closed his eyes slightly, waiting for the dao technique to descend.

As this was Qin Yu’s first time attending a dao lecture, he didn’t know what it was like.

Mr. Jiang walked up to the podium, and a book of scriptures suddenly appeared in his hand.

A few large words were written on the book—Thunder Sutra!

In other words, this dao technique was created by the Immortal Emperor!

Such a treasure was a unique existence in the entire Holy Region!

Simply a wisp of the dao technique created by the Immortal Emperor could bring about an effect beyond imagination!

Just as Xiaobai had said, even a stone could cultivate and be enlightened when Immortal Emperor conducted the dao lecture.

Although Mr. Jiang had only used the Immortal Emperor’s scripture, the effect was still beyond imagination.

Everyone was silent. Each of them embraced a heart of pilgrimage.

They held their breath and closed their eyes, waiting for the dao technique to bathe them.

“Buzz!”

Soon, the four large bells in the corner emitted a loud sound.

This voice fused and resonated with the Great Dao, setting up sufficient conditions for the lecture.

After that, Mr. Jiang opened the book of scripture.

In an instant, golden light filled the entire dao lecture hall.

Wisps of light bathed everyone’s bodies. Scriptures were emitted from the book and resounded in everyone’s minds through the golden light.

It was a true dao technique that had merged with the Great Dao of heaven and earth.

Of course, everyone’s level of comprehension was different, thus the effects of the dao technique were also different.

Qin Yu was immersed in the dao technique. Every line of the scriptures made Qin Yu feel the resonance of the Great Dao of heaven and earth.

It was an extremely magical feeling. It was as if he had comprehended the true path of cultivation, and his state of mind had been greatly elevated at this moment.

After going through the dao lecture, Qin Yu realized the key to the dao lecture was to let cultivators resonate with the Great Dao and comprehend the Great Dao from it.

This was the first time Qin Yu had experienced such a magical feeling.

Under the influence of this dao technique, Qin Yu had even forgotten about the haunting inner demon.

The entire lecture didn’t last long. It was only for a short day.

Everyone was listening to the Great Dao and feeling the power that came from heaven and earth.

It was getting dark, and the day passed by quickly.

Mr. Jiang slowly kept away the scriptures, and the chimes of the four bells stopped abruptly.

Qin Yu suddenly opened his eyes. His eyes were full of shock.

“Is... is this the cultivation method of the aristocratic families...” Qin Yu was full of emotions.

Compared with his enlightenment, the effect of listening to dao was most probably the right approach that saved effort and led to better results. For a moment, Qin Yu was still immersed in the Great Dao.

Mr. Jiang noticed the shock and yearning in Qin Yu’s eyes. He glanced at Qin Yu as if he was secretly taking note of this person.

Mr. Jiang didn’t stay for long and left after the dao lecture.

The other cultivators had also left the lecture hall, except Qin Yu who was still sitting there mesmerizing.

The lingering sound reverberated.

Although the dao lecture had ended, Qin Yu still seemed deeply immersed in it.

The dao technique was circulating in his mind. Qin Yu was hungry and thirsty, and he wanted to swallow everything.

Jue Wu accompanied him by his side. After a long time, Qin Yu finally came back to his senses.

“Is this the dao of the Immortal Emperor...” Qin Yu murmured.

Just now, Qin Yu seemed to have fallen into the dao technique of the Immortal Emperor.

He tried his best to take a look at the Immortal Emperor's true appearance, but unfortunately, he failed.

After all, this was Qin Yu's first time listening to the dao lecture. Thus it was certainly not easy for him to directly uncover the truth.

"Quickly go now. You've been here for a long time," Jue Wu said.

Qin Yu nodded. He slowly stood up and said in a low voice, "I'm starting to look forward to the next dao lecture."

"Isn't it only once a month? Let's wait," Jue Wu said.

A month was very short. It was nothing to cultivators.

However, at this moment, Qin Yu seemed to have opened the door of knowledge. His heart was full of anticipation.

After returning to the cave abode, Qin Yu did not say anything. He lay on the ground and began to recall the tao technique.

After a while, Qin Yu slowly fell asleep while reminiscing.

That night, Qin Yu slept very soundly. Even the inner demon did not disturb him.

He woke up the next day.

The feeling of glimpsing the truth yesterday had disappeared.

Qin Yu slightly closed his eyes and tried to find the Immortal Emperor's dao technique, but unfortunately, he failed.

"It seems I can only sense this dao technique for a day at most," thought Qin Yu.

If he could learn something from this Immortal Emperor's dao technique, most likely it could bring about a breakthrough for Qin Yu and greatly shorten his cultivation time!

Even a strand of hair from the Immortal Emperor would have an effect that was beyond imagination, let alone an Immortal Emperor's dao technique.

In the following few days.

Demon-slaying Peak appeared to be rather peaceful. Cao Huang also did not come to find trouble with them.

He seemed to be frightened off by Jue Wu and didn't take any action for many days.

Unfortunately, there were no new missions assigned to Demon-slaying Peak. The entire Demon-slaying Peak was in closed-door cultivation in their respective cave abodes.

In Qin Yu's cave abode, his expression was extremely unsightly.

The inner demon started to act up again. As long as he closed his eyes, he would see the scene of him devouring the primordial spirits.

That sense of satisfaction made Qin Yu yearn for it.

Even though he tried his best to restrain himself, it had become even more intense.

Another few days passed.

This inner demon had made Qin Yu look ferocious.

It was as if thousands of ants crawling on his body, and it was extremely itchy!

"I... I can't take it anymore..." Qin Yu gritted his teeth and rolled on the ground in pain!

He grabbed everything he could around him and smashed them on his head.

"Ah!"

Qin Yu screamed in pain, fell to the ground, and began to convulse.

Jue Wu's heart ached when she saw this.

She gritted her teeth and said, "Qin Yu, how about... I bring you out, and we kill someone!"

"No... I can't..." Qin Yu gritted his teeth tightly. No matter how unbearable the pain was, he still had his rationality.

After a few days, Qin Yu's dejected condition had reached its peak.

He lay on the ground, panting heavily, like a dying man.

Jue Wu's heart ached when she saw this.

She bit her red lips as if she had made a decision.

Then Jue Wu quickly left the cave abode. Before she left, she used a secret technique to seal the cave entrance as she was afraid that others would see Qin Yu's appearance.

Then it was the following day.

Qin Yu couldn't hold it in anymore.

His eyes were bloodshot, and his body was covered in bloody scratches. His eyes were like those of a wild beast, extremely terrifying.

"I can't take it anymore..." Qin Yu was gasping for air, greedily walking out of the cave.

1792 Jiu Xiao Versus Jue Wu

A purple light was flickering at the entrance. It was the formation that Jue Wu had set up. It was extremely powerful.

However, Qin Yu at this point had almost lost his mind.

His rationality was screaming in his heart, but he couldn't control his body at all.

Qin Yu walked to the entrance of the cave step by step, raised his palm, and threw a punch!

The formation set up by Jue Wu was directly shattered by Qin Yu's punch!

Such a terrifying qi energy truly terrified people!

Qin Yu took stepped forward, planning to leave the cave.

Fortunately, Jue Wu appeared in front of Qin Yu in time. When she saw Qin Yu's appearance, she was instantly shocked, and her face turned a little ugly.

Jue Wu didn't dare to think much. She roughly pulled Qin Yu and forcefully dragged him back.

She then once again used her secret technique to seal the cave.

"Jue Wu... I'm feeling very uncomfortable..." Qin Yu, with his remaining rationality, painfully looked at Jue Wu.

boxn ov el. c o m

Jue Wu gritted her teeth. She reached out her hand and took out a dying cultivator, throwing him in front of Qin Yu.

Qin Yu couldn't take it anymore. He rushed up like a beast and devoured the cultivator's primordial spirit crazily.

After devouring the primordial spirit, Qin Yu's inner demons were reduced, and the pain in his body also disappeared.

Qin Yu, who had regained his rationality, looked at everything in front of him in a daze. Her face was full of confusion and pain.

"I..." Qin Yu grabbed his head with both hands as if he was in great pain.

Jue Wu hurriedly walked forward to comfort him. "Don't think too much. This person is a b*stard. I've been looking for a few days to find such suitable candidate."

After hearing Jue Wu's words, Qin Yu suddenly felt some warmth in his heart.

He looked at Jue Wu and said softly, "Thank you."

"There's no need to thank me." Jue Wu waved her hand.

Qin Yu was silent.

After he devoured the primordial spirit, he felt much more comfortable. The mental addiction had also disappeared.

In that case, the situation would only aggravate in the future.

He could only temporarily maintain his rationality by constantly devouring other people's primordial spirits.

"Phew!" Qin Yu let out a long breath.

Whether he liked it or not, Qin Yu was no different from a devil at this moment.

Jue Wu, who had always been carefree, was like an understanding big sister at this moment.

She looked at Qin Yu seriously and said, "Actually, this isn't necessarily bad. Bad people like him should be killed.

"In the past, you killed them out of kindness. Now, it's just that you've changed your method.

"And think about it. It might even encourage you to do good things, right?"

After hearing Jue Wu's words, Qin Yu felt much better.

He looked at Jue Wu with a smile and said, "I'm really grateful to you,"

"Why are you thanking me? If you really want to thank me, drink with me!" Jue Wu flipped her palm and took out a few pots of wine.

"Where did you get them?" Qin Yu was surprised and asked.

Jue Wu laughed and said, "I bought them on my way out. Wait for me here."

After saying this, Jue Wu directly rushed into the forest of the cave abode.

After a while, she came out with a huge beast.

Compared to this beast, Jue Wu's small body instantly appeared even smaller, and the scene looked a bit unnatural.

However, Jue Wu's dissection technique was definitely one of a kind.

She skinned the beast clean in no time. She then lit a fire and began to roast it.

Jue Wu seemed to always carry the seasoning with her. The way she used the seasoning was very particular as if she was a chef.

After a long time, the beast was finally cooked.

Qin Yu didn't think so much. He accompanied Jue Wu to eat and drink. It was very satisfying.

After drinking, Qin Yu lay on the grass, feeling much more relaxed.

Jue Wu, on the other hand, fell asleep soundly. Her alcohol tolerance was excellent, and this little wine couldn't possibly make her drunk.

Obviously, Jue Wu was extremely tired these few days. Otherwise, she wouldn't have fallen asleep so quickly.

This made Qin Yu's heart ache a little.

He looked at Jue Wu lying on the ground and said softly, "I will always remember you."

Although Qin Yu felt better now, he knew this was not a long-term solution.

If he had the chance, he had to think of a way to control this inner demon.

Time flew by, and the sky gradually darkened.

At this time, a burst of noise suddenly came from outside.

Qin Yu looked up and saw Cao Huang at the door.

At the entrance, the secret technique that Jue Wu had laid down had disappeared. Thus Cao Huang effortlessly strode in.

This made Qin Yu feel annoyed.

"Simply entering and leaving other people's houses as you please, didn't your parents teach you about manners?" Qin Yu said with a cold face.

Seeing Qin Yu's attitude, Cao Huang was stunned for a moment before he burst out laughing. "So you have a temper too? I thought you were only good at hiding behind women. Hahaha!"

Qin Yu's face turned extremely cold in an instant. He slowly stood up, and his body exuded killing intent.

"You still f*cking dare to come over!"

At this moment, Jue Wu suddenly woke up.

She glared at Cao Huang and said, "Are you courting death? I didn't manage to subdue you the last time, did I?"

Looking at Jue Wu in front of him, Cao Huang's expression was still somewhat unnatural.

But he bit the bullet and said, “Jue Wu, don’t be too arrogant. It’s Demon-slaying Peak here, not your Nanzhou!”

“Are you reasoning with me now?” Rolling up her sleeves, Jue Wu didn’t waste any time and immediately rushed toward Cao Huang!

Just as Jue Wu’s small hand was about to hit Cao Huang, a hand suddenly stretched out and grabbed Jue Wu’s wrist.

Jue Wu’s petite body was suddenly lifted in the air.

The person who came was none other than the famous Jiu Xiao, the number one person of Demon-slaying Peak.

Jiu Xiao looked at Jue Wu coldly. He looked extremely cold.

“Hehe! With Jiu Xiao backing me up, I’m not afraid of you!” Cao Huang said proudly.

Jue Wu coldly looked at Jiu Xiao in front of her and said, “Let go.”

Jiu Xiao ignored Jue Wu. Instead, he looked down and said coldly, “You’re breaking the rules of Demon-slaying Peak.”

“I told you to let go!” Jue Wu was furious. Her palm emitted a purple light and ruthlessly slapped in the direction of Jiu Xiao!

However, Jiu Xiao was the number one person in Demon-slaying Peak. Not only was he have a realm higher than Jue Wu, but he had also listened to the Immortal Emperor’s dao for many years!

Most importantly, he had learned countless cultivation techniques from Thunder Courtyard!

Facing Jue Wu, he wasn’t afraid at all.

He waved his hand in the air, and a mark lit up.

This mark met Jue Wu’s palm and suddenly let out an explosion. The light on Jue Wu’s hand disappeared without a trace instantly!

1793 Another Fight

Jiu Xiao's expression looked extremely relaxed and calm. He didn't care about Jue Wu's moves at all.

Jue Wu was instantly enraged. She once again rushed toward Jiu Xiao.

But this time, Jiu Xiao's body burst out with a brilliant light.

As the light enveloped him, his movements became incomparably swift. In almost an instant, he had grabbed Jue Wu in his hand!

Jue Wu's expression changed slightly. She tried to struggle but found the power of Jiu Xiao's hand extremely terrifying. She couldn't break free at all!

At this moment, Jiu Xiao raised his knee and ruthlessly hit on Jue Wu's lower abdomen!

Jue Wu instantly felt the pain and her face turned red!

However, Jiu Xiao didn't intend to stop. He grabbed Jue Wu and his knee kept hitting Jue Wu's lower abdomen!

When Qin Yu, who was not far away, saw this, his face turned extremely ugly!

"Let go of her!" Qin Yu flew into a rage and rushed to Jiu Xiao!

However, Jiu Xiao only glanced at Qin Yu, and a powerful internal qi directly shook away Qin!

boxn ov el. c o m

Jiu Xiao was indeed someone who had obtained countless inheritances from Immortal Emperor. His strength was terrifying!

Without a doubt, this was Jue Wu's most awkward moment.

Facing Jiu Xiao, even she was powerless.

“You broke the rules, so you must be punished,” Jiu Xiao said coldly.

“Go to hell!”

Along with Jue Wu’s angry curse, her body emitted a brilliant purple light!

This light exploded and forced Jiu Xiao to step back a few steps!

Jue Wu wasn’t someone to be trifled with. When had she ever suffered such humiliation?

She raised her small hand, and a terrifying radiance kept shooting at Jiu Xiao like a cannonball!

The power of each ray of light was terrifying to the extreme, as it was accompanied by the power of the purple cloud pearl besides Jue Wu’s power.

After a round of bombarding, that area was reduced to dust.

Jue Wu wiped the blood from the corner of her mouth and looked at the dust coldly.

As the dust slowly settled, several wounds appeared on Jiu Xiao’s body.

His clothes were almost torn to pieces, and his fair face was covered in bloody scars. Blood was flowing out of every part of his body.

“Jiu Xiao!”

Seeing what happened, Cao Huang’s expression changed drastically!

He looked at Jue Wu in horror, and his face was full of disbelief!

Because Jiu Xiao was extremely powerful, it was no exaggeration to say that no one in the entire Demon-slaying Peak could hurt him!

However, Jiu Xiao was in such a sorry state today. It was probably the first time in history!

Jiu Xiao's body exuded a cold chill.

This chill was directed at Jue Wu.

Obviously, he had been angered by Jue Wu.

However, Jue Wu wasn't a person who was afraid of trouble. No matter what cultivators she faced, she had no fear.

Jue Wu adjusted her internal qi and planned to fight Jiu Xiao again.

"Stop!"

Just then, Qin Yu stood between the two of them.

He knew that Jue Wu would most probably lose if they continued fighting. And it would not benefit any party.

Therefore, Qin Yu gritted his teeth and said, "This matter started because of me. It has nothing to do with Jue Wu."

After that, Qin Yu looked at Cao Huang coldly and said, "Didn't you want to fight with me? Fine, I'll agree to it."

Cao Huang also felt that things had gotten out of hand. He hurriedly walked up to Jiu Xiao and said embarrassedly, "Big Brother Jiu Xiao, forget it. It's not a big deal, anyway. Moreover, Demon-slaying Peak doesn't allow infighting..."

Jiu Xiao was silent for a moment. He then slowly retracted his internal qi.

"To be able to hurt me, you must have some ability," Jiu Xiao said coldly.

"If you want to fight, let's fight. Don't act tough," Jue Wu coldly snorted and said.

Fortunately, Jiu Xiao did not say anything else. He glanced at Qin Yu and said, "I hope you'll be punctual for the appointment tomorrow morning."

After saying this, Jiu Xiao walked out.

As for Cao Huang, he seemed to know that he had caused trouble. He did not dare to stay any longer and hurriedly walked out.

After they left, Qin Yu's face turned cold.

"Jiu Xiao, this b*stard..." Qin Yu couldn't help but curse in his heart.

When he saw that Jue Wu was injured, there was anger in his heart that he couldn't release.

"This b*stard is too arrogant. I must beat him up in the future!" Jue Wu muttered.

"How are you? Are you alright?" Qin Yu asked Jue Wu.

Jue Wu waved her hand and said, "This is nothing. It's just a minor injury."

"That's good." Qin Yu took a deep breath.

"You should worry about yourself. Is your condition okay?" Jue Wu asked.

"As long as he suppresses his strength to the Mighty Realm, I'm not afraid of him," Qin Yu shook his head and said.

"Alright. If he dares go back on his word, I'll definitely beat him up," Jue Wu said, waving her small fist.

Qin Yu didn't say anything else. He lay on the ground with his eyes slightly closed.

Jiu Xiao's strength was indeed terrifying. He had not used his true strength just now. Otherwise, Jue Wu definitely would not be his match.

Of course, Jiu Xiao's cultivation realm was above Jue Wu's, not to mention he had been in Thunder Courtyard for many years. Jue Wu certainly was not comparable with him.

The following day.

Once again, a large group of people gathered on the training field.

On the way to the training field, Qin Yu was a little worried.

Once the matter spread, this group of people would probably target Qin Yu and Jue Wu.

However, when Qin Yu arrived at the training field, he realized that things were not as bad as he had thought.

Everyone was extremely calm, and no one talked about the matter. It was as if they didn't know that Jue Wu had attacked.

This surprised Qin Yu.

Could it be that Cao Huang and Jiu Xiao did not tell anyone about this at all?

If that was the case, this Cao Huang was rather righteous.

“Didn't the two fight previously? Why is it happening again?”

“Maybe Cao Huang is not convinced. After all, Qin Yu had used a magical artifact previously.”

“That's true. However, Qin Yu's primordial spirit was injured and he had just arrived at Thunder Courtyard. Understandably, he would need to use a magical artifact.”

Qin Yu was even more surprised when he heard the discussion around him.

It seemed that Cao Huang did not tell anyone about the matter!

“This guy is quite righteous,” thought Qin Yu.

As he was thinking, Cao Huang walked over from not far away.

He had quite a muscular build. He was as conspicuous as an iron tower when he walked over,

After Cao Huang showed up, the surrounding people began to make fun of him.

“Cao Huang, you lost last time. Don’t embarrass yourself this time.”

“Yeah, if you lose to a newbie, it will be so embarrassing!”

While waving his hand, Cao Huang chuckled and said, “No, I won’t. Other than Jiu Xiao, I don’t even take any of you seriously!”

“Go to hell! You continue to brag. Watch out or I’ll beat you up next time!” someone beside him laughed and said.

“After I’m done beating up Qin Yu, I’ll come and beat you up!” Cao Huang replied.

Seeing the atmosphere in the crowd, Qin Yu suddenly felt that this group of people was not as hard to get along with as he had imagined.

1794 The Powerful Primordial Spirit

Although they were all aggressive, the atmosphere was quite harmonious.

Soon, Cao Huang was in front of Qin Yu.

He looked at Qin Yu in front of him and said proudly, “Kid, this time no one can help you. I don’t believe Jue Wu will take action against me in front of so many people.”

Qin Yu sneered and said, “As long as you keep your word, there’s no need for Jue Wu to take action...”

“Alright! Alright! I, Cao Huang, will do as I’ve said,” Cao Huang said.

After saying that, he directly suppressed his internal qi to the Mighty Realm.

“Since your primordial spirit is damaged, I’ll suppress my cultivation realm to the Advanced-stage of Mighty Realm. I’m not bullying you, am I?” Cao Huang said as he waved his thick arm.

“I’m fine with the Peak of Mighty Realm or even half-step Reversion Void Stage,” Qin Yu shook his head and said.

The Advanced-stage Mighty Realm was even lower than Qin Yu’s realm. In that case, Cao Huang probably would not have had the power to fight back.

However, Cao Huang said with extreme confidence, “No, there’s no need. I can easily crush you at the Advanced-stage Mighty Realm!”

Qin Yu couldn’t help raising his eyebrows and said, “Then you’re going to be embarrassed.”

boxn ov el. c o m

“Stop bragging, kid!” Cao Huang sneered and said. “Today, I’ll let you experience the pain I suffered last time!”

With that, the internal qi on Cao Huang’s body exploded. He then threw a punch at Qin Yu’s face!

Qin Yu stood there without moving an inch. He only looked at Cao Huang coldly, allowing his fist to land on his face.

A loud “clang” was heard at this moment!

Cao Huang was instantly forced back a few steps, and his wrist was in great pain!

A trace of surprise flashed across his face as he said in disbelief, “How is this possible?”

Not only Cao Huang, but also the surrounding people were also discussing in hushed voices.

Qin Yu shook his neck and said, "I forgot to tell you that my physical body has reached the Reversion Void Stage. Your fist can't hurt me at all."

Cao Huang squinted his eyes and said in a low voice, "Your physical body entered the Reversion Void Stage first? You have some ability... If that's the case, don't blame me for being impolite!"

With that, Cao Huang let out a furious roar. A terrifying radiance appeared in both his hands. The radiance was like obsidian, bright and hard as if it was going to suppress everything!

"Ha!"

With a roar, Cao Huang held the radiance in his hands and pressed it down on Qin Yu!

Qin Yu looked up at the radiance, and his body emitted a golden light.

Following that, Qin Yu suddenly threw out a punch to meet the attack.

"Boom!"

There was a loud explosion at this moment. The beam of radiance was shattered by Qin Yu's punch and disappeared without a trace!

Everyone instantly became even more shocked.

They were well aware of Cao Huang's strength, and even more so of the horror of this technique!

But it was now easily resolved by Qin Yu, which was really puzzling!

Qin Yu looked at Cao Huang coldly and said, "I'll give you one more chance. Raise your strength to the Peak of Mighty Realm. Otherwise, you won't have another chance."

Although Cao Huang was shocked a little, he refused to believe it. He adjusted his internal qi, and his terrifying technique appeared again.

Qin Yu frowned and said coldly, "It's time for me to make a move."

With that, the internal qi on Qin Yu's body instantly exploded. His feet stepped on the line word formula, and he appeared in front of Cao Huang almost instantly!

Cao Huang was shocked, and his expression changed drastically!

It was simply too fast!

Even his technique didn't have the time to react!

The golden fist was approaching Cao Huang!

This punch contained terrifying extreme power.

Although Cao Huang had suppressed his cultivation realm to the Mighty Realm, his physical body was still the Reversion Void Body. If he did not use his full strength, it would be difficult for him to end the battle with this punch.

"Boom!"

As Cao Huang's eyes widened, Qin Yu's fist landed on his body.

"Bang!"

Cao Huang's body was directly smashed into the ground, creating a huge hole.

The surroundings were silent.

They didn't seem to have expected such an outcome.

This Qin Yu had actually defeated Cao Huang so easily!

"It seems like the rumors about him are true!"

"His primordial spirit is damaged, but he still has such terrifying battle prowess?"

“Tsk! Tsk! If he steps into the Reversion Void stage, his strength will probably be among the top few in Demon-slaying Peak!”

The surrounding people were discussing spiritedly. They seemed to be shocked by Qin Yu’s strength.

The peak master in the crowd also nodded slightly. He placed his hands behind his back and muttered, “No wonder even Xiao Sheng also recommended him. He really does have some ability.”

At this moment, Cao Huang suddenly dashed out from the ruins.

His body was covered in blood, and he was panting heavily. It was a terrible sight.

Qin Yu looked at Cao Huang in surprise.

He could actually still stand up?

It was as expected of someone who was able to enter Thunder Courtyard. If he were anyone else, he would have been on the verge of death if not killed by a single punch.

Looking at Cao Huang in front of him, Qin Yu remained silent, waiting for him to continue.

If he wanted to continue fighting, Qin Yu certainly would not be afraid.

“D*mn it, I’ve underestimated my enemy.” After a while, Cao Huang retracted his internal qi and muttered softly.

“Hahaha! Cao Huang, you’re really embarrassing.”

“That’s right. You were almost killed by a newbie with one punch. You’re done for in the future!”

“F*ck you! I only underestimated the enemy!” Cao Huang cursed at his surroundings.

However, the crowd burst into laughter. They kept making fun of Cao Huang.

On the other hand, Cao Huang was not angry. Instead, he looked at Qin Yu.

“You’re quite capable, kid,” Cao Huang muttered.

“I’m not your match,” Qin Yu said with a smile. “If you raised your cultivation realm to the Peak of Mighty Realm, I might not be your match.”

Cao Huang was stunned. Of course, he knew that Qin Yu was giving him a way out. He patted Qin Yu’s shoulder and said triumphantly, “Did you guys hear that? If we were in the same cultivation realm, I would definitely win!”

The crowd in the surroundings was still laughing. But of course, they were just joking.

“Kid, when you reach the Reversion Void stage, let’s fight again!” Cao Huang said.

“Alright. It’s a deal,” Qin Yu agreed and said.

After leaving, Qin Yu went straight back to the cave abode.

He could clearly feel that ever since the power of his primordial spirit had increased, his strength had increased as well.

For Qin Yu, this seemed to be a new way of cultivation.

After the previous dao lecture, Qin Yu vaguely felt that there were signs of a breakthrough.

He was only a step away from reaching the half-step Reversion Void stage.

This speed had far exceeded Qin Yu’s expectations.

With the help of devouring primordial spirits, the time it took for him to reach the Reversion Void Stage seemed to be rapidly decreasing.

“If I can control my inner demons, I might have a chance to close the gap,” thought Qin Yu.

Qin Yu, who had been worried, had figured it out at this moment. And he was now feeling much more comfortable.

1795 The Resources of Thunder Academy

Subsequent to the battle, Qin Yu completely integrated into the team of Demon-slaying Peak.

After spending some time with them, Qin Yu found that most of the cultivators in Demon-slaying Peak were easy to get along with, and the atmosphere was good too.

It didn't take long for Jue Wu to mingle with them. As long as she had time, she would drink and have fun. She was quite happy.

Compared to Jue Wu, Qin Yu appeared to be much lonelier.

He didn't like to go out on normal days and spent almost all his time cultivating in the cave abode.

The entrance to the cave was sealed, and only Qin Yu and Jue Wu could enter and leave freely.

In front of Qin Yu, there was dragon blood. With the help of the dragon blood, Qin Yu tried to step into the half-step Reversion Void Stage.

Even though the half-step Reversion Void Stage was not the true Reversion Void, the two words alone would make a huge difference in strength.

For example, Xiao Sheng and Xiao Hai could kill the Reversion Void Stage cultivators at the half-step Reversion Void Stage. Such a level of strength was indeed shocking.

In the blink of an eye, another ten days had passed.

At this time, God Bless Sect had led many cultivators to attack Tianyun Sect.

boxn ov el. c o m

However, to everyone's surprise, the sect master of God Bless Sect, Yao Yingxuan, had yet to show up.

It was a prolonged battle which casualties on both sides were not severe. They were only stalling for time.

Another few days passed.

Demon-slaying Peak finally gave him a mission, and Qin Yu's choice was still the East Continent.

He and Jue Wu walked together and again stepped into the East Continent.

With their current strength, almost no one in the entire East Continent could stop them.

Therefore, the following few missions were quite smooth, which Qin Yu and Jue Wu each also accumulated 20 points or so.

In the cave abode.

Qin Yu played with the token in his hand and said in a low voice, "I wonder if I can exchange 20 points for a Meridian Circulation Technique that can suppress inner demons."

Jue Wu immediately threw her token to Qin Yu and said with a smile, "I'll give you mine. Forty something points should have no problem, right?"

Qin Yu frowned and said, "You give me all your points. What about you?"

Jue Wu waved her hand and said, "I can't be bothered with the points. You can take it. We'll talk about it after you're done with your business."

Qin Yu had wanted to reject it. However, after thinking about it, he realized that it would be a good opportunity for him if he could get a Meridian Circulation Technique to suppress his inner demons.

Thus, Qin Yu took the token from Jue Wu's hand.

The moment the tokens were connected, under the guidance of the two, all the points in Jue Wu's token were transferred to Qin Yu's token.

Looking at the number "44" that was flashing slightly on the token, Qin Yu felt a little more confident.

"I remember Huangji Buddha Flame is still in your hands, right?" Jue Wu suddenly said.

"Mmm," Qin Yu responded. "Huangji Buddha Flame needs a lot of time to devour, so I've thrown it into Spatial Magic Artifact."

Jue Wu rolled her eyes and said, "You're wasting natural resources."

Without hesitation, Qin Yu instantly took out Huangji Buddha Flame.

The ball of fire glowed slightly in Qin Yu's palm. It looked mysterious and unfathomable.

"Take it if you want it," Qin Yu said.

Jue Wu glared at Qin Yu and said, "What kind of person do you think I am? I don't give a d*mn about it! I just want to tell you to devour it as soon as possible. Haven't you always wanted to enter the Reversion Void Stage as soon as possible? This Huangji Buddha Flame is an opportunity for you. You're such a fool."

Qin Yu realized it after Jue Wu's reminder.

"That makes sense." Qin Yu nodded slightly.

The effects of the Huangji Buddha Flame were beyond imagination. If one devoured it, there was a high possibility that one would directly step into the Reversion Void Stage.

After thinking for a moment, Qin Yu put away Huangji Buddha Flame.

“You can retreat as and when you like. If anything happens, I’m around,” Jue Wu patted Qin Yu’s shoulder and said recklessly.

“Mmm,” Qin Yu responded. “Before I do that, I need to get that Meridian Circulation Technique first. I have to suppress my inner demons.”

If he could not suppress his inner demons, it would definitely interfere with his state of mind when he was in the retreat. It might even cause severe damage to him when he was breaking through.

“I’ll head toward the main peak tomorrow,” Qin Yu said to Jue Wu.

On the following day, Qin Yu took the token and went straight to the main peak after bidding goodbye to Jue Wu.

Thunder Courtyard was huge, with each of its main peaks could be called a big city.

With the help of Divine Eagle, Qin Yu took two days before he finally arrived at the main peak.

It was Qin Yu’s second time stepping into the first main peak. The moment he stepped in, two young men suddenly appeared in front of him.

They seemed to have used some formation to break through the air directly.

The two men blocked Qin Yu’s way and asked coldly, “Who are you, and why did you come to the first main peak?”

Qin Yu quickly took out his token and expressed his intention.

They took the tokens from Qin Yu’s hands. After confirming all was in order, they said coldly, “Come with us.”

The two men then raised their hands and placed them on Qin Yu’s shoulders.

In the next second, Qin Yu had a sudden blackout and could not see anything.

When Qin Yu opened his eyes again, an extremely huge palace-like academy appeared in front of him!

A few words were written on the plaque of the academy—Thunder Academy.

The entire academy exuded an extremely sacred internal qi, making people prostrating in worship.

At a glance, the academy seemed to be emitting a faint glow.

The light enveloped the academy and made it look even more sacred.

Qin Yu raised his head and looked at the top of Thunder Academy. He could not help but sigh in his heart.

There must be some top-tier treasures hidden in the academy.

Then, Qin Yu looked around and was surprised to realize that the surroundings was actually a void, and he could not see anything!

Qin Yu was shocked. He frowned and said in a low voice, “May I ask the two seniors if this is a Mystic Realm?”

The two glanced at Qin Yu and said, “This is a Mystic Realm personally created by Immortal Emperor, Lei Ming. Even a True Saint can’t enter by force.”

Qin Yu was shocked upon hearing this!

If even a True Saint could not force his way in, the inheritance of Thunder Courtyard must be extremely terrifying!

“Alright. Go in,” the two men said.

“Mmm,” Qin Yu responded. He then stepped into the Thunder Academy with the intention of making a pilgrimage.

The moment he stepped in, she felt a sense of oppression. Even the spiritual power in Qin Yu's body could not be used.

It was obvious that no one was allowed to use techniques in the Thunder Academy.

The entire academy was divided into eight levels. The first level contained all kinds of techniques and the Meridian Circulation Technique.

These were ancient books after ancient books. The ancient books were shrouded in light and could only be read by redeeming points.

Qin Yu took a casual glance and saw several Divine Rank cultivation techniques! Any one of them would be enough to shock the entire Holy Region!

1796 Dangerous Missions

The resources of Thunder Courtyard were more terrifying than he had imagined. No wonder it was a unique existence in Lizhou!

Of course, these cultivation techniques were not created by Immortal Emperor Lei. They were added on by his descendants.

Only the eighth floor of the Thunder Academy had the true inheritance of the Immortal Emperor.

Qin Yu didn't waste any time. He kept looking for Meridian Circulation Technique in the academy.

In less than half an hour, Qin Yu had taken a fancy to more than ten cultivation techniques.

Each cultivation technique was extremely tempting to Qin Yu, and it only required 20 or so points!

Looking at the dazzling array of cultivation techniques, Qin Yu's heart palpitated with excitement and he kept swallowing his saliva!

These resources were even more than those of the aristocratic families in ZhongZhou!

Every few steps he took, Qin Yu had the urge to make a move. However, when he recalled the pain of being tortured by his inner demons, he resisted it in the end.

After going around the first floor, Qin Yu didn't find the Meridian Circulation Technique he was looking for. Therefore he immediately went to the second floor.

Compared to the first floor, the cultivation techniques and Meridian Circulation Techniques on the second floor were naturally more precious. Many of them were even created by the great cultivators of the Tribulation Stage. They were extremely precious.

However, Qin Yu still could not find the Meridian Circulation Technique that he wanted on the second floor.

It was until Qin Yu arrived on the third floor.

In a corner on the third floor, Qin Yu finally saw this Meridian Circulation Technique.

The name of the Meridian Circulation Technique was called Pure in Heart Sutra. It was extremely effective in controlling one's mind.

Qin Yu couldn't wait to look at the Pure in Heart Sutra. He was extremely excited.

However, when he took out the token, he realized that it required 100 points!

This instantly gave Qin Yu a headache.

"It's so costly." Qin Yu frowned.

Even if he counted in Jue Wu's points, Qin Yu was still short of 50-plus points.

“Forget it. Let’s see if there are any other Meridian Circulation Techniques,” thought Qin Yu.

Therefore, Qin Yu continued his search.

However, he soon realized that the points required on the third floor were almost all around 100. Some even required 200 points!

This made Qin Yu’s originally excited heart sink.

“At this rate, I’m afraid it will take a long time to get the Pure in Heart Sutra.” Qin Yu sighed slightly.

If he could not control his inner demons, his cultivation would be affected, let alone making a breakthrough.

After much thought, Qin Yu had no other way except to borrow points from others.

However, this was also unrealistic. No one was willing to give up their points so easily.

“Sigh!” Qin Yu let out a long sigh, feeling a headache.

“It seems like I can only go back and slowly accumulate points,” thought Qin Yu.

No matter what, this trip wasn’t in vain. At least he had found a Meridian Circulation Technique.

“I wonder what kind of terrifying cultivation techniques will be there if I go further up,” thought Qin Yu.

Therefore, Qin Yu walked up to the fourth floor with curiosity.

The points required on the fourth floor were even more terrifying. Some cultivation techniques even required 500 or so points!

Of course, the cultivation techniques on the fourth floor were even more precious and alluring. These cultivation techniques were probably not

the slightest inferior to the Meridian Circulation Techniques of the offspring of the aristocratic families in ZhongZhou.

Therefore, Qin Yu went to the fifth floor.

However, when he arrived at the fifth floor, he found the door leading to the fifth floor was locked.

A formation was set up at the entrance, so no one could step in.

Qin Yu frowned and said in a low voice, "Could it be that we can only exchange for the cultivation techniques from the first four floors? Or are the floors from the fifth and above not open to the public?"

Qin Yu tried to reach out his hand to the door that led to the fifth floor.

However, the moment the hand touched, Qin Yu was sent flying by a powerful force! Even his palm seemed to get burnt!

"Looks like the fifth floor isn't open to the public," thought Qin Yu.

He looked at the fifth floor curiously and said in a low voice, "I wonder what's on the fifth floor and above."

Qin Yu didn't think much and immediately walked to the door.

When he reached the door, he found the two people who had brought Qin Yu in were still there.

Therefore, Qin Yu walked forward, cupped his hands, and said, "May I ask the two seniors, is the fifth floor and above not open to the public?"

The two men glanced at Qin Yu and said, "To enter the fifth floor, one must be at the Reversion Void Stage. To enter the sixth floor, one must be at the True Saint Stage, and so on."

Qin Yu could not help but gasp!

The sixth floor required the True Saint cultivation realm. What about the seventh and eighth floors? Wouldn't he need to reach an even more terrifying cultivation realm?

"Don't think about it. Anything above the sixth floor has nothing to do with you for the time being." The two of them seemed to have noticed Qin Yu's shock, so they immediately said indifferently.

Qin Yu came back to his senses and continued asking, "Senior, what's on the sixth floor?"

The two didn't try to hide anything and said indifferently, "Meridian Circulation Techniques, cultivation techniques, and magical artifacts.

"You don't have to know so much. You only need to know that the Saint Weapons are on the fifth floor."

Qin Yu became even more excited after hearing that!

The fifth floor actually had Saint Weapons! Saint artifacts were extremely precious. If one could get their hands on one, it was enough for him to do whatever he wanted in Holy Region!

"Of course, this Saint Weapon can only be rented. Each time of use costs at least 1,000 points." The two then poured cold water on Qin Yu.

Hearing this, Qin Yu instantly felt extremely embarrassed.

One thousand points, in the entire Demon-slaying Peak, probably no one was as rich except Jiu Xiao.

"Alright, we have to go now," the two men said.

Qin Yu responded to them and didn't say anything else. However, he was a little excited.

If he could rent a Saint Weapon, then it might help fight the so-called Tong family.

After leaving the Mystic Realm with these two people, Qin Yu rode the Divine Eagle and returned to the Demon-slaying Peak.

In the cave abode.

When Jue Wu saw Qin Yu, she ran over excitedly.

“How is it? Did you find it?” Jue Wu asked.

“Yes,” Qin Yu said with a bitter smile. “But I don’t have enough points. I need to have 100 points.”

“Wow! So many.” Jue Wu’s eyebrows slightly furrowed.

“It doesn’t matter. With our speed, it won’t take long for us to reach it,” Jue Wu comforted him and said.

“I guess I’ll have to borrow your points for now,” Qin Yu sighed.

“Why are you telling me this?” Jue Wu hit Qin Yu with her small hand.

Qin Yu smiled bitterly. Although she said so, how could he not feel guilty?

The following day.

Demon-slaying Peak issued another mission.

Many cultivators had arrived at the cave abode that received missions early. Qin Yu and Jue Wu were no exception.

They stood at the door and waited quietly. After a while, Xiaobai also arrived.

Qin Yu quickly walked over and said with a smile, “Xiaobai, why are you so late this time?”

“I didn’t even plan to come,” Xiaobai said with her hands spread out.

“Eh? Why?” Qin Yu said in surprise.

Xiaobai looked around and said softly, “The missions this time are all extremely dangerous. Most probably we will lose our lives.”

1797 The Crimson Moon Continent

Qin Yu did not panic at all after hearing what Xiaobai said. Instead, he was pleasantly surprised.

“Will we get more points then?” he asked excitedly.

“It is life-threatening, ” Xiaobai was slightly surprised and said. “Didn’t you see there were very few people here today?”

Qin Yu couldn’t be bothered with all this. He said anxiously, “Just tell me how many points I can get this time.”

Seeing this, Xiaobai gave up persuading him. He counted and said, “It should be around 15 points.”

“15 points...” Qin Yu murmured.

Adding up Jue Wu’s points, both of them would get a full 30 points!

“If there are two such missions, then my points will be enough to exchange for the Meridian Circulation Technique,” thought Qin Yu.

Qin Yu planned to retreat once he obtained the points. And with the help of the Huangji Buddha Flame, he would strive to enter the Reversion Void Stage in one go!

“Many thanks,” Qin Yu said excitedly to Xiaobai thinking of this.

He then pulled Jue Wu and ran to the entrance of the cave abode to wait quietly.

Seeing this, Xiaobai could not help but mutter, “This kid! It seems like I’m just talking nonsense.

...

After about half an hour, the door slowly opened.

Qin Yu and Jue Wu took the lead and rushed in. They glanced at the missions and immediately locked their eyes on the one with the highest points.

This mission was to go to the Crimson Moon Continent, and they could earn a total of 23 points. Adding up the points, the two of them would earn 46 points!

The Crimson Moon Continent was one of the plates of the Holy Region.

The entire Holy Region was divided into seven major plates.

Zhongzhou, Lizhou, and the Crimson Moon Continent were all parts of them.

The Crimson Moon Continent was the most unique place. Rumor had it that this place was extremely hot, but the area was extremely large. It could be said to be a separate continent, so it was called the Crimson Moon Continent.

As for the target of the mission, Qin Yu didn't even have time to look at it before he accepted it.

After receiving the mission, Qin Yu and Jue Wu walked out excitedly.

"So long we complete another mission after this, we'll then have sufficient points, right?" said Jue Wu.

Qin Yu nodded and said with anticipation, "In that case, it won't take too much time."

At this moment, the people beside them walked over.

"You guys are quite bold to choose to go to the Crimson Moon Continent," they said jokingly.

"What's wrong with that?" Qin Yu looked at him and asked.

“The danger of the Crimson Moon Continent is no less than Zhongzhou,” the other party smiled and said.

“You’re really striving.”

After saying this, he walked away.

Qin Yu could not help but frown. He took a look at the mission and found there was nothing special about it. It also required him to kill a person, and the person was only at the Reversion Void stage.

“That’s weird. Why are they so nervous?” Qin Yu said in a low voice.

Xiaobai, who was still around, walked over. He took a look at Qin Yu’s mission and immediately patted him on the shoulder. He said, “Good luck to you.”

Qin Yu quickly stopped him and said, “Xiaobai, what does this mean? What’s in the Crimson Moon Continent?”

“There are six Forbidden Zones in the Crimson Moon Continent,” Xiaobai said. Rumor has it that even True Saints will die on the spot if they enter the place.”

At this point, Xiaobai looked around making sure no one was around, he then said softly, “Do you know where the rumor came from?”

Qin Yu shook his head, indicating that he had no idea.

“Back then, all the nine great aristocratic families of Zhongzhou sent the True Saints to the Forbidden Zone of the Crimson Moon Continent. Guess what happened?”

Qin Yu didn’t say anything and waited for Xiaobai to continue.

“They all died. Not a single one survived!” Xiaobai said in a deep voice. “Our Thunder Courtyard was also involved. Three True Saints died!”

After hearing these words, Qin Yu’s face instantly turned somewhat ugly.

The power of a True Saint was immeasurable. They could travel through the void even without the help of teleportation formation. They could do anything they pleased in the entire Holy Region.

Rumor had it that the battle among them could even destroy the stars.

However, such an existence didn't even have the chance to escape from the Forbidden Zone!

"What exactly is in this Forbidden Zone?" Qin Yu said with a frown.

Xiaobai spread his hands and said, "I don't know because everyone who went in died. Anyway, the nine great aristocratic families have since made the six Forbidden Zones and the depths of the Azure Rock Forest the most dangerous places in the Holy Region."

Qin Yu was silent, but he suddenly felt cold sweat running down his back.

At this point, Jue Wu muttered, "That's not right. We're going to the Crimson Moon Continent, not the Forbidden Zone. How dangerous that place is has nothing to do with us."

Hearing this, Qin Yu also came back to his senses. He nodded and said, "That's right. What does the Forbidden Zone have to do with the Crimson Moon Continent?"

"Although these people have never entered the Forbidden Zone, they have picked up many good things around it," Xiaobai said with emotion.

Xiaobai then pointed at the man on Qin Yu's mission list with his chin and said, "Who can guarantee that he didn't pick up a Saint Weapon from the Forbidden Zone? Or the inheritance of a True Saint?"

Qin Yu's face instantly turned a little ugly.

If they encountered a Saint Weapon, they would probably die without even knowing how it happened.

“It shouldn’t be. If there’s a Saint Weapon, why is the point so low...” Qin Yu muttered.

“Who would wear a Saint Weapon on their belts every day?” Xiao Bai sneered and said. “Who would be willing to take out such a treasure unless it was a life and death situation? Thunder Courtyard also has no idea if they have any Saint Weapon.”

Hearing Xiaobai’s words, Qin Yu began to think of backing off.

He glanced at Jue Wu and said, “Why don’t we cancel the mission? Life is more important.”

“Back off? Once you accept it, you can’t cancel it,” Xiaobai said indifferently.

“What’s there to be afraid ? Don’t worry. With me around, nothing will happen!” Jue Wu patted Qin Yu’s shoulder.

Xiaobai poured cold water on them at this point. He said, “Zhongzhou is dangerous because there are many powerful families, and it’s easy to offend the big shots there. However, the death rate in the Crimson Moon Continent is the highest.”

“Let me put it this way. Less than 10% of those who have gone to the Crimson Moon Continent have returned alive.”

Qin Yu smiled bitterly after hearing what Xiaobai said.

He had been blinded by excitement, and now he had no way out.

“Who cares? I believe I’m the chosen one!” Jue Wu said excitedly.

Qin Yu sighed. Since he had already accepted the mission, he could only go for it. At most, he would give up the mission if he encountered danger.

“Don’t overthink. Didn’t Xiaobai say that the aboriginal peoples can pick up treasures around the Forbidden Zone? Maybe we can do it too!” Jue Wu said excitedly.

Jue Wu seemed to be fearless. No matter what she encountered, she always looked relaxed.

Under the lead of Jue Wu, Qin Yu also gained confidence.

1798 The Forbidden Zone

After returning to the cave abode, Qin Yu was not in a hurry to set off. Instead, he was planning meticulously.

If he couldn't even safeguard his life, then it would be meaningless to Qin Yu.

"When are we setting off?" Jue Wu asked.

"Tomorrow," Qin Yu said coldly.

It was not because of anything else but mainly because Qin Yu's inner demons had begun to cause trouble.

If he didn't quickly devour a primordial spirit the next day, he was afraid he would be completely controlled by the inner demons again.

At the same time, God Bless Sect and Tianyun Sect had started the battle for nearly 20 days.

For the past 20 days, both sides did not suffer heavy losses. God Bless Sect was retreating while fighting. They indeed did not go all out to fight Tianyun Sect.

On this day, an uninvited guest arrived at God Bless Sect.

This person was tall and imposing, and every step he took was full of extremely heavy sense of oppression.

Yao Yingxuan looked at the person in front of him and instantly had a bad feeling.

"You are..." Yao Yingxuan tried to remain calm as he asked.

boxn ov el. c o m

“My name is Tong Yizhong,” the other party said coldly.

Upon hearing this surname, Yao Yingxuan understood everything.

It was obvious that the Tong family had really sent people over. And they had sent people from the family.

“Where’s Qin Yu?” Tong Yizhong asked coldly.

“No idea,” Yao Yingxuan was startled, shook his head, and said.

Tong Yizhong snorted and said, “Take me to Tianyun Sect.”

Yao Yingxuan’s face turned even uglier. He quickly said, “Xiao Sheng is not simple. He is extremely powerful. He once killed a Reversion Void Stage cultivator at the Mighty Realm. He had also killed Yuan Xiu from North Plain. Shouldn’t you plan ahead?”

Tong Yizhong glanced at Yao Yingxuan and said coldly, “It’s just Lizhou. What kind of experts and plans should there be? Do I need a plan to stomp an ant to death?”

Yao Yingxuan gritted his teeth and continued, “It’s best for you to be careful. You must not underestimate Xiao Sheng...”

Tong Yizhong snorted and flipped his palm. An eight-trigram mirror fell into his hand.

The moment he took out the eight trigram mirror, traces of Holy Power was spreading.

Under this Holy Power, even an expert like Yao Yingxuan couldn’t help but tremble!

A Saint Weapon!

This Tong Yizhong had directly brought a Saint Weapon over!

It seemed that the Tong family was really serious this time!

“Do I still need to wait?” Tong Yizhong said coldly.

Yao Yingxuan’s face turned ugly as he said, “Senior... Senior Tong, you’ve traveled a long way. Why are you in such a hurry? Why don’t you rest for a day, and we’ll set off tomorrow...”

“I’ll kill you first if you keep talking nonsense,” Tong Yizhong said with a gloomy face.

Yao Yingxuan’s face slightly changed. He didn’t dare to say anything else. So he could only bite the bullet and agree.

Before he left, Yao Yingxuan found a trustworthy person.

“Immediately go to Nanzhou to find Xiao Sheng. Tell him the Tong family has sent someone with a Saint Weapon. Tell him to quickly escape!” Yao Yingxuan coldly said.

The other party frowned and said, “Sect Master, with my ability, I’m afraid it’ll be very difficult for me to arrive before you...”

Yao Yingxuan took a deep breath and said, “I’ll do my best to stall him.”

After hearing this, the other party did not say anything else. He immediately hurried up and set off for Nanzhou.

Yao Yingxuan clasped his hands behind his back and looked at the sky.

He sighed and said in a low voice, “Xiao Hai, I’ve already returned the favor...”

...

The following day.

Qin Yu and Jue Wu got up and left the cave abode.

Guided by the peak master, they came to an array platform.

The array platform was huge and grand. Compared to the Ancient Array Platform and Tianyun Sect's array platform, this array platform was considered luxurious.

At a glance, an extremely sacred internal qi was permeating the air. Dense runes were carved in every direction of the platform. Each rune had an extremely mysterious power.

Rumor had it that these runes were taken from the Path of Heaven. Relying on these runes, one could sense the Great Dao. And from there, it created a formation that could cross the void.

"Qin Yu, you're here not for long but you dare to go to the Crimson Moon Continent. Not bad, not bad at all!" the peak master patted Qin Yu's shoulder and said excitedly.

But Qin Yu was smiling bitterly in his heart.

"D*mn it! If I knew it would be so dangerous, I wouldn't have wanted to go to the Crimson Moon Continent!" thought Qin Yu.

"When you're back, I'll hold a celebration banquet for you!" the peak master said with a smile.

"Thank you, Peak Master," Qin Yu nodded and said.

After saying this, Qin Yu and Jue Wu went to the array platform.

"Peak Master, can this array platform also bring us to Zhongzhou?" Qin Yu shouted before the platform was activated.

"Of course, it can," the peak master said. "This platform can go to any place in the Holy Region."

"Mmm," Qin Yu nodded and did not say anything else.

After that, a Formation Master started to activate the array formation.

Rays of light lit up in every corner of the array platform.

Every ray of light shot straight into the sky.

The light was getting brighter. Soon a vast expanse of whiteness was in front of Qin Yu's eyes.

He could feel his body rapidly shuttling through the air, but he could not see anything clearly.

After about half an hour, the surroundings finally returned to normal.

Qin Yu and Jue Wu landed on the ground steadily.

When he opened his eyes, the first thing he saw was the dazzling sun. The whole world seemed to have turned yellow.

Not far away, there were many cities and each was guarded by people.

"This is the Crimson Moon continent." Qin Yu said.

Jue Wu found the coordinates and said, "Hurry up. Let's set off."

"No," Qin Yu shook his head and said. "If he has a Saint Weapon, I'm afraid we'll die a horrible death."

"Then what should we do?" Jue Wu frowned and said.

"Let's investigate first. It won't be too late to make a move after making sure he doesn't have a Saint Weapon," Qin Yu said coldly.

This place was not far from the coordinates given by the mission. It was about three cities away.

The target's name was Yang Yu. He was a powerful Reversion Void Stage cultivator.

He wasn't old, only about 300 years old. He could be considered a heaven's favorite.

Qin Yu and Jue Wu didn't know much about the Crimson Moon Continent. Thus they could only rush to their destination on foot.

On the way, Qin Yu released his divine sense to sense the people nearby.

Soon Qin Yu detected many Reversion Void Stage cultivators. There were even a few who Qin Yu could not see through their strength.

“It seems that the Crimson Moon Continent is extremely powerful,” thought Qin Yu.

Jue Wu also nodded slightly. She wrinkled her little nose and said, “I can feel a strong sense of oppression. This feeling makes me feel very uncomfortable.”

The two had been walking for a long time. Under the scorching sun, they also seemed a little tired.

After a long time, the two finally arrived at the foot of a city.

The city was called Heavenly Ocean City. It was extremely large and was surrounded by a dazzling mountain protection formation that prevented anyone from entering.

1799 Forbidden Zone

When Qin Yu and Jue Wu passed through the city gate, the guards didn't check them but let them pass.

Different from the cities in East Continent and Nanzhou, this place did not look as prosperous, but their auras were more powerful. Moreover, each of them seemed to be surging with a strong battle intent.

“The natives here seem to be very warlike,” Jue Wu said in a low voice.

“Hmm.” Qin Yu nodded, but he was more concerned about how to escape from this city.

Once Yang Yu was killed, the entire city would probably be sealed.

With Qin Yu and Jue Wu's abilities, it was impossible for them to break this city by force.

“I have to come up with a strategy,” Qin Yu said to himself.

The two followed the route and walked in the direction of Yang Yu’s house.

When they arrived near his house, Qin Yu found a tavern and sat down.

“Don’t drink too much. We have something important to do later,” Qin Yu reminded Jue Wu as soon as they sat down.

“Alas, don’t worry.” Jue Wu waved her hand.

Jue Wu asked for two bottles of wine and handed one to Qin Yu.

boxn ov el. c o m

Qin Yu looked in the direction of the Yang family and noticed that their residence was extremely grand. Obviously, Yang Yu was pretty prestigious in the area.

This kind of person was most likely related to the City Lord. In this case, Qin Yu had to find a way to escape.

“This place isn’t too close to our teleportation formation. If I use the line word formula, there’s a sliver of hope,” Qin Yu thought.

As long as she could get out of this city, Qin Yu would most likely be able to escape from this place.

After thinking for a while, Qin Yu knew he needed more information from the locals.

Qin Yu glanced around the tavern, found a friendly man, and walked toward him.

Qin Yu said politely after sitting down, “Sir, I’ve just arrived at Heavenly Ocean City from Zhongzhou. I heard that there are six Forbidden Zones on Crimson Moon Continent. Do you know where they are?”

The man glanced at Qin Yu and said, “Do People from Zhongzhou all have a death wish?”

“I heard that there’s some treasure there, so I don’t want to give up,” Qin Yu said with a smile.

The man snorted and said, “You people from Zhongzhou make me sick. You treat the locals as worthless cannon fodder! Because you explored the Forbidden Zone a few times before, tens of thousands of our people died. How do you dare to stay here?”

Qin Yu suddenly had a bad feeling.

It was obvious people from Crimson Moon Continent didn’t have a good impression of Zhongzhou.

Qin Yu opened his mouth and was about to say something, but the man scolded him, ” “Fu*k off, or I will kick your ass!”

Jue Wu, who was not far away, heard someone yell at Qin Yu. She slammed the table and stood up immediately.

Fortunately, Qin Yu stopped her in time, so she didn’t cause any big trouble.

Qin Yu sat down at the table, feeling somewhat frustrated.

“I shouldn’t have mentioned Zhongzhou,” Qin Yu sighed and said.

“It’s fine. We’ll just go somewhere else and ask around,” Jue Wu said.

“I guess we have no other choice then,” Qin Yu nodded and said.

Qin Yu and Jue Wu immediately stood up and left the tavern.

They circled around the Yang family, planning to find a new place to gather information.

However, not long after they walked, Qin Yu and Jue Wu noticed something was wrong.

“There’s someone.” Qin Yu frowned.

“Yep,” Jue Wu said, “someone has been following us since we left that tavern.”

The two stayed calm but were ready to escape.

Soon, someone blocked their way.

This person’s luxurious outfit and elegant manner showed that he was from a decent family.

Qin Yu frowned, looked at the man vigilantly, and said, “Is there anything we can help, sir?”

The man smiled. “My friend, chill down. I just heard you came from Zhongzhou, so I want to say hi.”

Qin Yu heaved a sigh of relief upon hearing this.

However, the next second, Qin Yu noticed that something was wrong!

Why did this person want to talk to them? Could it be that he was also from Zhongzhou?

“Are... Are you also from Zhongzhou?” Qin Yu asked.

“I am from the Gu family of Zhongzhou. May I know your name?” The man bowed slightly and smiled.

“The Gu family of Zhongzhou... One of the nine great aristocratic families!” Jue Wu, who was next to him, frowned.

Qin Yu was stunned and said, without thinking twice, “You... You’re from one of the nine great aristocratic families?”

“You can say so.” The young man nodded.

He bowed and said, “Do I have the honor to buy you two a drink?”

Qin Yu nodded without thinking. “Alright,” he said.

He could use this opportunity to get information from him and perhaps obtain some unexpected gains.

Qin Yu followed the young man to a tavern.

After entering, the young man introduced himself, "My name is Gu Sanchen."

"I'm Qin Yu," Qin Yu said with a nod.

Gu Sanchen smiled. "Nice to meet you, Brother Qin. You're from the Qin family, right?"

Qin Yu didn't know anything about the Qin family. However, Gu Sanchen mentioned it, so he could only nod and answer, "Exactly."

At this point, Qin Yu looked around and found Gu Sanchen had no subordinates.

This surprised Qin Yu. He frowned and asked, "Brother Gu, you're from the Gu family, so how are you traveling alone?"

Gu Sanchen laughed. "I'm indeed a member of the Gu family, but I'm not considered a direct descendant. Besides, I'm going out this time to gain experience. There's no need for me to bring anyone along."

It suddenly dawned on Qin Yu that such an aristocratic family probably had countless descendants, and someone not directly related to the core members of the family might receive fewer recourses.

For example, because of Yan Ruoxue's powerful bloodline, even the Yan family would still protect her wherever she was.

After some chit-chat, Qin Yu found that Gu Sanchen was different from other rich kids from aristocratic families. Instead, he was approachable and down-to-earth.

"Brother Qin, may I ask if you really want to go to Forbidden Zone?" Gu sanchen asked.

“Yes, what about you?” Qin Yu nodded.

“Same here.” Gu Sanchen said.

“I’ve always been curious about Forbidden Zones. For so many years, no one has ever known what’s in those six Forbidden Zones,” Gu Sanchen continued.

Qin Yu knew something was up and was about to change the topic, but Gu Sanchen immediately said, “Brother Qin, may I come with you if you don’t mind?”

“Well...” Qin Yu was in a dilemma.

Although he wanted to visit Forbidden Zone, he knew he’d better stay away from there.

“It’s a deal then. Let’s see each other here tomorrow,” Gu sanchen stood up and said before Qin Yu could say anything.

Qin Yu wanted to refuse, but he changed his mind immediately and stopped Gu Sanchen.

“Brother Gu, wait a minute. Have a few more drinks with us.” Qin Yu smiled.

Gu Sanchen was a little surprised and smiled. “Sure, no problem.”

Gu Sanchen sat down again.

Qin Yu squinted his eyes as if he had a plan.

“Brother Gu, Forbidden Zones are extremely dangerous. It won’t be safe to go there without anyone else, right? When those aristocratic families went there before, they brought quite a few helpers,” he said with a smile.

Gu Sanchen nodded and smiled. “Brother Qin, don’t worry. I have some friends here, so I’ll gather a group to go together.”

Upon hearing this, Qin Yu was overjoyed!

“Brother Gu, do you have anyone in mind? May I know who they are?” he asked hurriedly.

Gu Sanchen shook his head. “Not yet. Why? Do you have any ideas, Brother Qin?”

Qin Yu nodded and sighed, “We don’t want anything happens on this journey, so those coming with us must be cautious and with some abilities.”

“That’s right.” Gu Sanchen nodded.

“I heard about a man called Yang Yu in Heavenly Ocean City, and people say he’s quite strong. I knew this name before I came to Heavenly Ocean City,” Qin Yu continued.

Gu Sanchen nodded and said, “You are right. Yang Yu is one of the best in Heavenly Ocean City.”

“Brother Gu, do you know him?” Qin Yu suppressed the excitement in his heart.

“We’ve met once,” Gu Sanchen said with a smile.

“I heard that he picked up a Saint Weapon near Forbidden Zone. If we can get him to bring it with us, it’ll be a plus,” Qin Yu continued.

“Are you serious?” Gu Sanchen asked in surprise.

“I am!” Qin Yu said with certainty.

“Alright, I’ll pass by to see him later,” Gu Sanchen said.

“It’s a deal then, Brother Gu. I’ll see you tomorrow.” Qin Yu nodded.

Making an appointment with Gu Sanchen, Qin Yu left with Jue Wu.

After leaving the tavern for a while, Jue Wu said with disdain, "You are a professional liar, huh?"

"I had no choice." Qin Yu sighed. "He thought that I was from Zhongzhou, and I just seized the opportunity."

Qin Yu didn't know how to make Yang Yu leave his residence, but he had a decent plan now.

Since Gu Sanchen was a member of one of the nine great families of Zhongzhou, no one should refuse him.

Moreover, there was a high chance of obtaining a supreme treasure in the Forbidden Zone.

"Let Gu Sanchen test the waters and see if Yang Yu has any Saint Weapons," Qin Yu said.

Jue Wu gave Qin Yu a thumbs-up and said, "You are such a bad boy."

"F*ck off." Qin Yu rolled his eyes.

At this time, the sky was still bright. They finally had a chance to visit Crimson Moon Continent, so they decided to take a stroll.

Heavenly Ocean City was very different from the cities in Nanzhou and East Continent, for the locals here seemed to be quite fierce and powerful.

Peddlers were everywhere on the streets. There were all kinds of divine weapons and magical artifacts on display, which were claimed to be from the Forbidden Zone. However, Qin Yu could tell they were fake right away.

Anyone with some experience could tell they were counterfeits.

After walking for a while, Qin Yu and Jue Wu noticed a shop at the same time.

This was a shop of natural ores, similar to stone gambling.

Moreover, it was the most popular one, for gambling always attracted crowds.

Like the other peddlers, this natural ore shop claimed that the goods here came from Forbidden Zone and might have all kinds of Dharma Treasure within.

Qin Yu and Jue Wu stopped at this place. Jue Wu, who was very into this kind of entertainment, even didn't plan to leave.

She rubbed her hands, looked at Qin Yu, and said, "Shall we?"

"Sure, let's see how lucky we are," Qin Yu said.

The two walked forward.

After stepping into the shop, he saw a large number of natural ores inside.

These natural ores were very different from those in other areas. Whatever technique it was, each of them looked extraordinary and brilliant.

"These natural ores come from Forbidden Zone. You can feel the power of the Forbidden Zone on them, right? It's crazy!" The shop assistant was trying his best to attract more customers.

Qin Yu did not say much and quietly activated his desolate divine eye to scan the natural ores.

Very quickly, Qin Yu discovered that his desolate divine eye didn't work on some of the natural ores.

This surprised Qin Yu. He frowned and said in a low voice, "Maybe these natural ores really come from Forbidden Zone?"

Thinking of this, Qin Yu tried to buy a natural ore that blocked his desolate divine eye earlier.

The natural ores were pretty expensive, and any one of them cost millions of spirit coins.

The natural ore that Qin Yu bought was cut open in front of everyone.

Unfortunately, there was nothing inside. It was just a rock.

“That’s weird.” Qin Yu frowned.

He picked out a few more natural ores that his desolate divine eye couldn’t work on, but unfortunately, they were all empty.

In less than an hour, Qin Yu had already lost tens of millions of spirit coins.

Jue Wu grimaced in pain.

“You are one of the unluckiest men I know! Let me try it!” Jue Wu rolled up her sleeves.

She knocked on these natural ores as if she was buying fruit in the market. Finally, she chose a huge natural ore.

“This is it!” Jue Wu said excitedly.

Qin Yu frowned, for his desolate divine eye could scan this natural ore, which was pitch black inside without any light.

How could there be any Dharma Treasure in this natural ore?

“Not this one,” Qin Yu said in a low voice.

Jue Wu sneered. “You know nothing! This is it!”

“This natural ore is worth 100 million spirit coins. Are you sure about this?” the shop assistant said excitedly.

“This is it. Cut the crap!” Jue Wu shouted.

She looked at Qin Yu, waved her hand, and said, “Where’s the money?”

Qin Yu had no choice but to pay for the natural ore.

After paying, a few workers carried the natural ore and began to cut it with a secret technique.

No one expected anything from this giant natural ore. Instead, everyone looked at Jue Wu with a smile as if waiting to see Jue Wu make a fool of herself.

However, Jue Wu didn't care about others but only stared at the natural ore.

The natural ore was slowly cut open in front of the crowd.

There was nothing after the first cut, and it was the same for the second.

However, on the thirty-eighth cut, the natural ore suddenly began to shatter, and the outer layer fell off by itself.
