

My Rich Wife

1801 Glided Rake

The surrounding onlookers' eyes widened when they saw the natural ore's skin come off.

"It's a treasure? Holy sh*t!! Is it a treasure?" the crowd exclaimed.

The Dharma Treasure from such a huge natural ore should be extraordinary!

Jue Wu proudly said, "See? Who is lucky here?"

Qin Yu also frowned.

When he used the desolate divine eye to check, he did not see anything.

"That's weird." Qin Yu frowned.

His eyes were also fixed on the natural ore.

Bang! The natural ore's skin fell off layer by layer, and it finally shattered into pieces!

There was a huge divine weapon, completely black, and nobody could see anything inside. Moreover, there was no aura flowing around it either.

“Could it be that this thing had no color, so the desolate divine eye can’t see through it?” Qin Yu whispered.

The crowd started to discuss, “What is this?” An iron rod?”

boxn ov el. c o m

“Fu*king iron rod! It’s just a shovel!”

“Jesus Christ! It’s just a fork! An iron fork!”

Jue Wu ignored them, ran over, and held it in her hand.

This divine weapon was huge. It seemed even more giant in Jue Wu’s hands, for it was bigger than her body!

When Jue Wu held it in her hand, the black surface began to fall off again!

Clack! Clack! Clack! People could hear the sound of rust falling off.

Jue Wu's palm suddenly shook. The black color that wrapped around the divine weapon instantly exploded and shattered, and the golden light burst out from within. They could finally see what was inside!

Seeing the divine weapon, the crowd was shocked!

Qin Yu scratched his head.

This thing was a rake! It looked very much like Zhu Bajie's Nine-Tooth Spike-Rake, except it was golden.

"It's Glided Rake!" someone said.

"Glided Rake? This weapon is called Glided Rake?"

"No, it's golden, so I gave it a name."

"F*ck off."

"Glided Rake is a good name. I'll call it Glided Rake!" Jue Wu said excitedly.

She seemed to like this name and kept waving Glided Rake.

However, Jue Wu's figure didn't match this huge Glided Rake.

A small person like her holding such a giant Glided Rake was a hilarious scene.

“Girl, you look funny with this Glided Rake. You’re so small. How are you going to use such a big rake? Why don’t you sell it to me?” a brawny man quickly came forward and asked.

“F*ck you! Who is funny? You are the fu*king funny one here. I like my Gilded Rake, and I’m not selling it!” Jue Wu cursed.

She activated her mind and stored Glided Rake in her spatial God tool.

“I like this thing very much, and I won’t sell it to anyone. Don’t waste your time,” Jue Wu said with her eyes wide open.

The onlookers couldn’t help but laugh as if they thought Jue Wu was a cute kid.

After Jue Wu won the treasure, people started to pay for the natural ores.

They followed Jue Wu, walking forward and patting the natural ores from time to time. Finally, they all chose the largest ones.

“Come on! Let’s go! I can tell there’s nothing good here,” Jue Wu pulled
Qin Yu and whispered.

After they walked out of the natural ore shop, Qin Yu said in shock, “It
wasn’t just about luck??”

“Fu*king luck! Who would be this lucky? If I told them it wasn’t about
luck, they would never let me go.” Jue Wu rolled her eyes.

Qin Yu frowned and said, “Then what kind of technique did you use?
How did you know there’s a Dharma Treasure inside?”

Jue Wu smiled. “Experience. This is experience. As an experienced
foodie, I can tell if there’s anything good in the natural ore.”

Qin Yu was even more confused. He smiled wryly and asked, “Do you
always find food in rocks?”

“I told you. You know nothing! Many fierce beasts sealed by the natural
ores have the juiciest and finest meat. I will show you next time,” Jue Wu
said with an innocent face.

Qin Yu was speechless.

He hadn't expected such an insane way to find a natural ore with
treasure.

After returning to their residence, Jue Wu took out Glided Rake.

She kept caressing Glided Rake like a girl playing with her favorite toy.

"I've never had a weapon that I could use. Glided Rake is perfect for
me!" Jue Wu said excitedly.

Qin Yu stared at Glided Rake and said in a low voice, "If this thing
seriously comes from Forbidden Zone, its power is beyond measure."

After all, even many True Saints died there, so no one knew how many
Dharma Treasures were hidden there.

"Who cares! I like it anyway." Jue Wu grabbed Glided Rake and swung it
forward.

In an instant, an enormous power erupted. After a purple light lingered
on Glided Rake and swept away everything in the surroundings, a
mountain peak in the distance was smashed into pieces by Jue Wu!

The mountain was far from the two of them, but it was turned into ruins by the strike of the rake. They were both astonished by its overwhelming power!

Qin Yu looked at this scene with a dumbfounded expression. For a moment, he wasn't sure if it was about Jue Wu or Golden Rake in her hand.

“Perfect! Perfect! I love Glided Rake!” Jue Wu hugged her Glided Rake and rubbed her face on it like a kid.

Qin Yu scratched his head and said in a low voice, “Is she the reincarnation of Zhu Bajie ...”

“Zhu Bajie? What are you talking about?” Jue Wu was puzzled.

“Nothing.” Qin Yu shook her head. “When we return to Thunder Courtyard, we can ask the dean where this weapon comes from if we have a chance.”

“Alright,” she said.

...

The next day, Qin Yu and Jue Wu came to the tavern again, waiting for
Gu Sanchen.

At noon, Gu Sanchen finally appeared at the door.

Qin Yu quickly walked over, bowed, and said, "Brother Gu."

"Brother Qin, sorry to keep you waiting," Gu Sanchen also bowed.

Qin Yu shook his head. "It's not a big deal. So? Do we have a group
now?"

"It's not going well. Some refuse to go to Forbidden Zone because they
are afraid of that place," Gu Sanchen said in a deep voice.

Qin Yu's expression changed slightly, and he asked in a hurry, "What
about Yang Yu? Is he coming?"

"He said he would come," Gu Sanchen said.

Qin Yu heaved a sigh of relief.

"That's good! That's good!" Qin Yu said.

Gu Sanchen raised his eyebrows. “Brother Qin, you seem to be very interested in Yang Yu. Why? Do you know him?”

Qin Yu hid his excitement, for he suddenly realized that he had acted weird.

1802 Chaotic Body Shi Shiyue

“I just feel that it’s better to have him around. After all, he has a Saint Weapon,” Qin Yu said awkwardly.

Gu Sanchen smiled without saying anything and took Qin Yu to a seat in the tavern.

His reaction made Qin Yu somewhat nervous and even a little worried.

If he was exposed, all his previous efforts would be in vain.

Just then, Gu Sanchen said as if he knew some secrets, “Brother Qin, you have good connections. Yang Yu does have a Saint Weapon.”

After Qin Yu heard these words, his heart sank.

Did he seriously have a Saint Weapon? This was the end, right? How was he going to kill him?

“Is that so? That’s... that’s awesome,” Qin Yu said.

“That’s true. If we have a Saint Weapon, our chances of survival will be much higher.” Gu Sanchen nodded

Qin Yu never considered entering Forbidden Zone, which was the graveyard for many True Saints.

Gu Sanchen came from the nine great aristocratic families, unlike Qin Yu, who was an imposter.

“Brother Qin, get ready. We will set off tomorrow,” Gu Sanchen said.

Qin Yu nodded and said, “Okay, I got it.

After that, Gu Sanchen asked for tea and started chatting with Qin Yu.

Of course, Qin Yu would not miss this opportunity to gather some information. “Hey, who is the strongest among Zhongzhou’s nine great aristocratic families?” he asked.

Gu Sanchen laughed. “Nobody is the strongest. We’re all families under the protection of our ancestors. In terms of heritage, I think all of us are at the same level.”

Qin Yu nodded and continued to ask, “I heard that the princess of the Yan family is going to marry a chaotic body. Who is that? ”

“You don’t even know who the chaotic body is?” Gu Sanchen asked in surprise.

“I’ve heard of him but don’t know much,” Qin Yu said as if he didn’t care.

Gu Sanchen sipped his tea and said, “He’s the most sought-after cultivator in Holy Region. That man is the chosen one.”

“He was only forty years old when he reached Reversion Void Stage. I believe that if not for the restrictions of this world, he would have made it even earlier.”

Qin Yu’s face suddenly looked a bit uncomfortable.

Such talent was indeed stunning.

Xiao Sheng had said that even the most talented prodigy in history had spent three hundred years before reaching Reversion Void Stage.

“What’s even crazier is that he’s almost defeated everyone after reaching Reversion Void Stage,” Gu Sanchen continued.

“He killed more than ten Peak of Return To Void Stage Cultivators right after entering the early stage. Now, he’s already reached the intermediate Reversion Void Stage, and I heard that he’s currently in retreat to attempt to the advanced stage.”

“At this point, maybe he will soon become a True Saint.”

After Qin Yu heard Gu Sanchen’s words, his face turned ashen.

That man was f*cking insane!

It had only been a few months since Great Upheaval, and he was already on the verge of breaking through to the final stage of the Reversion Void Stage. Was he a human?

Once he became a True Saint, Qin Yu would have no more chances.

“I guess Si Shiyue is one of the most powerful youngsters in this era,” Gu Sanchen said.

Qin Yu had mixed feelings in her heart.

He knew that his opponent must be a powerful person, but he didn’t expect such a level.

“What about Yan Ruoxue? How is she now?” Qin Yu asked anxiously.

Gu Sanchen laughed. “I can only say that Yan ruoxue’s as talented as Si Shiyue, so they are a perfect match.”

“Fu*king bulls*it!” Qin Yu slammed the table and stood up immediately!

The table was smashed into pieces in an instant!

His furious expression was somewhat strange.

“Brother Qin, what are you doing?” Gu Sanchen frowned.

Qin Yu gritted his teeth and realized that he had lost his composure, so he suppressed the anger in his heart and said, "I'm sorry, I was too emotional. I... I have a crush on Miss Yan."

"Hahahaha!" Gu Sanchen burst into laughter.

"Brother Qin, who isn't dreaming of such a talented woman? However, she will only be in our daydreams. With her status, who deserves her other than a genius like Si Shiyue?" Gu Sanchen said, shaking his head.

Qin Yu was silent, but the rage in his heart was burning.

He didn't know if it was because of his inner demon or anger.

In short, Qin Yu was about to lose his mind.

Jue Wu noticed Qin Yu's bizarre reaction, so she quickly came forward and said, "We are leaving tomorrow, right? Shall we see each other here tomorrow?"

"Outside the city should be better. This place is quite far from Forbidden Zone," Gu Sanchen said.

"Alright, see you tomorrow. We have to leave now. See you tomorrow," Jue Wu said.

After saying this, Jue Wu pulled Qin Yu and quickly left.

The two returned to their residence, but Qin Yu's face still looked livid.

Jue Wu sat next to Qin Yu and said, "Are you afraid?"

Qin Yu looked at Jue Wu and said with a cold face, "Of course not."

"Then what are you angry at? Have you ever thought about how Si Shiyue grew up?" Jue Wu muttered.

"I think this might be good news," Jue Wu said.

Qin Yu looked at Jue Wu in confusion, waiting for her to continue.

Jue Wu said, “Think about it. Si Shiyue already defeated everyone else in Reversion Void Stage right after reaching it. You also have a chaotic body, which means you can do it too!

“Once you reach Reversion Void Stage, who can be more powerful than you?”

Qin Yu was stunned when he heard this.

That made sense!

If Si Shiyue could do it, then he could as well!

Thinking back to Xiaoyu’s words, he realized that it was possible!

She allowed Qin Yu to head to Zhongzhou after he reached Reversion Void Stage, so it meant that he had the ability to protect himself here!

After Jue Wu’s pep talk, Qin Yu was more relaxed.

“I have to devour Huangji Buddha Flame as soon as possible,” Qin Yu said coldly.

Jue Wu clenched her fists and nodded. “Yes! When you step into Reversion Void Stage, kick Si Shiyue’s ass! I’ll help you beat him up!”

Qin Yu couldn’t help but laugh. “Thank you,” he looked at Jue Wu and nodded, and said.

Jue Wu was a carefree person and could always cheer Qin Yu up.

He was grateful to have such a friend.

“Take some rest. We’ll find a way to kill Yang Yu tomorrow,” Jue Wu said.

“I am not as smart as you, so I can’t come up with any strategy. I’ll leave this matter to you,” Jue Wu said, turned around, and left.

Qin Yu didn't know whether to laugh or cry. He lay on the floor, lost in his thoughts.

At this moment, Qin Yu did not care about the consequences of devouring the primordial spirit. Instead, he only wanted to break through as soon as possible, no matter the price.

1803 Stepping into the Forbidden Zone
Qin Yu's thoughts started to run wild.

The tremendous pressure had made him ignore everything.

That night, Qin Yu clenched his fists tightly as if he had made up his mind.

The effects of devouring the primordial spirit were unimaginable, but the consequences were also extremely severe.

More importantly, if it was discovered in the future, most likely he would be attacked by the entire Holy Region.

But Qin Yu didn't care anymore.

The following day.

Qin Yu woke up early. He and Jue Wu set off and left Heavenly Ocean City.

Standing at the entrance of Heavenly Ocean City, both of them were waiting for Gu Sanchen.

"Have you thought of a way?" Jue Wu asked.

Qin Yu shook his head and said, "Not yet. We'll take it one step at a time. Either we lure him into the Forbidden Zone and let him die in there, or we'll make sure he doesn't have the chance to take out the Saint Weapon.

"Of course, it's best to kill him with our own hands to get the points."

boxn ov el. c o m

Jue Wu nodded her head heavily. She clenched her fists and said, "Don't worry. I'll do my best."

The two waited for about two hours.

Gu Sanchen finally appeared in the direction of the city gate.

There were three people beside him, two men and one woman.

Qin Yu's eyes quickly locked onto one of the men.

This person looked wretched and had a detestable temperament. Most importantly, his eyes were constantly looking around like a thief.

"This person is probably Yang Yu," Qin Yu thought to himself.

Soon, Gu Sanchen led them to walk up to Qin Yu.

"Brother Qin," Gu Sanchen greeted Qin Yu.

He then introduced, "Only these three are willing to travel with us. This is Yang Yu, and this is Shi San. The young lady's name is Zhong Wenyi.

After hearing Gu Sanchen's introduction, Qin Yu couldn't help but be surprised.

The sneaky-looking man was not Yang Yu. Instead, the tall man with an extraordinary temperament was the target of Qin Yu and the others.

"You really can't judge a book by its cover," Qin Yu thought to himself.

"Good to see you," Qin Yu cupped his hands as a greeting.

Yang Yu walked forward and said with a smile, "I heard that Brother Qin is also from Zhongzhou. Your temperament is indeed extraordinary."

"That's right. Only the people of Zhongzhou would have Brother Qin's temperament," Zhong Wenyi chimed in.

Qin Yu sneered in his heart.

Wasn't it just talking nonsense? They were indeed good at flattering.

"Brother Gu, let's set off immediately," Qin Yu said.

Gu Sanchen nodded slightly. With a thought, he summoned a giant anaconda that looked like a true dragon!

This giant anaconda seemed to be on the verge of transforming into a dragon with dragon horns growing out of its forehead. It looked no different from a true dragon.

"Let's go," Gu Sanchen said.

"Mmm," Qin Yu nodded and immediately took Jue Wu to board the giant anaconda.

Compared to Qin Yu's Divine Eagle, the giant anaconda was much faster.

They shuttled through the air and headed straight for the Forbidden Zone.

On the way, Qin Yu did not say a word with his eyes closed slightly.

At this point, Yang Yu came forward and said, "Brother Qin, Zhongzhou is the most powerful place in the entire Holy Region. Why is Brother Qin only a Mighty Realm cultivator?"

"As per the request of our ancestors, I'm suppressing my cultivation realm," Qin Yu glanced at him and said.

"I see. It's to build a solid foundation," Yang Yu said to himself.

"I heard that Brother Yang went to the Forbidden Zone and obtained a Saint Weapon there," Qin Yu took the opportunity to say.

“I was just lucky,” Yang Yu said with a smile. “Back then, when the various aristocratic families of Zhongzhou entered the Forbidden Zone, I happened to be nearby.”

“Take out and show me what kind of Saint Weapon it is,” Jue Wu said.

Yang Yu chuckled and said, “My Saint Weapon is quite simple and crude. It’s one of the low-end items. I won’t show it to you so that you won’t laugh at me.”

“F*ck you! I think you don’t have a Saint Weapon at all. Are you bragging?” Jue Wu sneered and said.

Yang Yu’s face changed slightly. He then said in a slightly displeased tone, “Brother Qin, this attendant of yours seems to have bad manners.”

“What the hell did you say? What bad manners?” Jue Wu suddenly stood up and glared at Yang Yu.

“Brother Qin, shouldn’t you discipline her?” Yang Yu said indifferently.

“She’s not my attendant,” Qin Yu said with a faint smile. “She’s a friend of mine.”

Upon hearing this, Yang Yu said in surprise, “In that case, this young lady is also from an aristocratic family in Zhongzhou?”

“It’s none of your business,” Jue Wu cursed.

Yang Yu smiled and didn’t say anything else.

Qin Yu snorted at Yang Yu. This guy was a typical snobbish person.

“Brother Gu, how far is the Forbidden Zone?” Qin Yu asked.

“It’s quite far away,” Gu Sanchen said. “With our speed, we’ll need three days to get to the nearest Forbidden Zone.”

“It takes such a long time.” Qin Yu frowned.

Yang Yu interjected again, "Brother Qin doesn't need to be anxious. The good things in life are worth waiting for. I'm quite familiar with this Forbidden Zone. I can lead the way for everyone when the time comes."

"Good. I'll have to trouble Brother Yang then," Qin Yu said with a fake smile.

"Brother Qin, is this your first visit to the Crimson Moon Continent?" Gu Sanchen asked.

"Mmm," Qin Yu responded. "I heard about it before, but I never had a chance to visit."

"With Brother Qin's cultivation realm, wouldn't your family be worried about you going to the Crimson Moon Continent alone?" Yang Yu asked.

"I have a Protective Magic Artifact," Qin Yu said. "Even if a True Saint were to attack me, he would have to think twice."

"I see," Yang Yu nodded slightly and said.

Qin Yu didn't want to talk too much nonsense with Yang Yu. He sat on the giant anaconda and closed his eyes slightly, pretending to be cultivating. But in fact, he was suppressing the inner demons in his heart.

By the side, Zhong Wenyi said unwittingly, "The Qin family in Zhongzhou seems to be very small. Would such a family have any top-tier treasures? Brother Qin, can you show us your treasure?"

"D*mn it! Quickly shut your stupid mouth," Jue Wu stood in front of Qin Yu and cursed.

Zhong Wenyi glanced at Jue Wu, sneered, and said, "Which family are you from? Tell me so that I can broaden my horizons?"

"I won't tell you. So what?" Jue Wu snorted.

Zhong Wenyi said with a cold face, "I'm afraid you're also from an unknown small aristocratic family, aren't you? It's probably even more inferior than ours."

"Do you want to try?" Jue Wu said with a gloomy face.

"Everyone," Gu Sanchen tried to smooth things over and said. "We can't have any internal strife. Our target is the Forbidden Zone."

After hearing Gu Sanchen's words, the crowd finally calmed down.

Qin Yu sat there cross-legged, and his inner demons started to act up again.

He forced himself to endure it, but his forehead was sweating profusely.

1804 The Domineering Jue Wu
Jue Wu soon noticed Qin Yu's abnormality.

She quickly walked to Qin Yu's side and carefully protected him behind her. From time to time, she would exude a wisp of internal qi to wipe away the sweat from Qin Yu's forehead.

Not far away, Zhong Wenyi was still chattering non-stop. It was obvious that she was trying to protect Yang Yu.

Yang Yu also went along with her from time to time, but the young man who was mistaken by Qin Yu for Yang Yu remained silent.

The giant anaconda soared in the sky.

The group spent a full three days before they got close to the Forbidden Zone.

The moment they approached the Forbidden Zone, everything in the surroundings changed.

The sky turned dark red, and the whole world was as if covered with a dark red filter.

Not far away, there were many pillars. On each pillar, extremely strange characters were carved on it.

Looking further into the distance, there seemed to be extremely huge statues standing.

These statues were very much like the Devil Lord described in ancient myths. Even though they were very far away, they gave people a strong sense of oppression.

Just looking at it made people feel extremely uncomfortable and depressed, not to mention stepping into it.

boxn ov el. c o m

At that moment, everyone felt that something was amiss. In such a scene, everyone was deeply affected and furrowed their brows tightly.

Qin Yu's face turned even uglier.

There was no other reason other than the fact that the radiance of this world was very much similar to the scene that Qin Yu had seen when he was devouring primordial spirits!

Qin Yu, who originally was almost unable to suppress himself, was now on the verge of a breakdown.

His eyes turned blood-red, and his body trembled slightly.

It was a phenomenon that his resistance against his inner demons had reached its peak.

Seeing that Qin Yu was about to lose control, Jue Wu quickly whispered in his ear, "Qin Yu, you must endure it. Just endure it for a while more and things will be fine!"

Qin Yu gritted his teeth, but it was really unbearable to be haunted by his inner demons. It was different from the physical pain as it was distracting his mind.

“Don’t you still want to go to Zhongzhou to visit the Yan family? Don’t you want to surpass that chaotic body and marry the princess of the Yan family?” Jue Wu’s voice kept ringing out into Qin Yu’s ears.

Qin Yu finally calmed down a lot after hearing this.

He took a deep breath and did his best to remain calm.

“The Forbidden Zone is right up there. Rumor has it that long ago, several aristocratic families named the six Forbidden Zones. But I don’t know the names of this zone,” Yang Yu stood up and said indifferently.

“I’ve never heard of it,” Gu Sanchen said, shaking his head. “I’m afraid only the elders in the family know about it.”

“How about you?” Zhong Wenyi glanced at Qin Yu again.

“Are you deaf? Didn’t you hear what Brother Gu said? Do you think Qin Yu is an elder? Do you think he looks like your father at his age?” Jue Wu cursed.

Zhong Wenyi’s face darkened, and she said coldly, “You’d better watch your words. Don’t think I’m afraid of you just because you’re from Zhongzhou. Do you know who my father is?”

“You have to go back and ask your mother who your father is. Do I look like your mother?” Jue Wu rolled her eyes.

“You!” Zhong Wenyi was so angry, but she couldn’t do anything to Jue Wu.

“Alright. Everyone, stop quarreling. The Forbidden Zone is up there. Everyone, be careful,” Gu Sanchen said with a smile.

With that, Gu Sanchen put away the giant anaconda, and the group landed on the ground.

The road in this place was winding, and it was extremely complicated.

After moving forward several stars, they would reach the actual Forbidden Zone.

Without anyone leading them, they might accidentally step into the edge of the Forbidden Zone. If that happened, they would surely die.

“Brother Yang, please lead the way,” Gu Sanchen said.

Yang Yu nodded slightly and immediately walked to the forefront.

Gu Sanchen followed closely behind as if he was afraid of getting lost.

Qin Yu was about to follow them, but Jue Wu quietly pulled him.

“Walk slower,” Jue Wu said.

“Why?” Qin Yu frowned and asked.

Jue Wu pointed at Zhong Wenyi, who was in front of her and said, “Yang Yu has a Saint Weapon, but this fellow definitely doesn’t have one. I’ll get you some antidote later.”

“Antidote?” Qin Yu was startled. It seemed he didn’t understand what Jue Wu meant.

Jue Wu didn’t utter a sound. She only stared at Zhong Wenyi.

Just then, Zhong Wenyi stopped in her tracks.

She turned around and looked at Jue Wu.

“Why are you following me?” Zhong Wenyi said with a frown.

“I’m willing. What can you do?” Jue Wu said, putting her hands on her waist.

“You made me worried. You can go to the front,” Zhong Wenyi snorted and said.

“I don’t want. How about it?” Jue Wu snorted.

“Who knows if you’ll do something by following me around?” Zhong Wenyi said with a gloomy expression.

“Then you can walk slower. I won’t walk in front of you anyway,” Jue Wu rolled her eyes and said.

With that, her pace became even slower, as if she was taking a stroll in the courtyard leisurely.

However, Zhong Wenyi didn’t seem to trust Jue Wu. She gritted her teeth and slowed down her pace.

The three of them seemed to be competing to see who was walking slower. Thus their speed became even slower.

Gu Sanchen and Yang Yu, who were in front of them, didn’t notice anything unusual. They seemed to be discussing the Forbidden Zone and didn’t notice the three people didn’t follow them.

As the distance between the two parties grew further, Jue Wu’s originally cheeky expression instantly turned cold. A murderous intent burst out from her body.

Zhong Wenyi’s expression changed slightly. She seemed to have sensed something wrong.

She wanted to talk to that person, but Jue Wu’s small hand pulled and directly sealed the void!

Her technique was extremely strange. It was as if she had pulled her into the void, and the surrounding area had turned pitch-black!

“You...” Zhong Wenyi was shocked and said. “What’re you doing?”

“What do you think?” Jue Wu’s voice was extremely cold. She stretched out her small hand and slapped Zhong Wenyi’s face.

The slap was so heavy that Zhong Wenyi’s pretty face distorted!

“You... You dare to hit me! You’re courting death!” Zhong Wenyi suddenly shouted and immediately raised her palm to slap at Jue Wu.

Zhong Wenyi’s strength was simply too weak in front of Jue Wu.

During this period, Jue Wu seemed to have become even more familiar with the power of the purple cloud pearl. It was simply extraordinary.

In just a few minutes, Zhong Wenyi was already on the verge of death, and her internal qi was extremely weak.

Jue Wu looked at Zhong Wenyi coldly and said, “Don’t you have a lot of nonsense to say? Say one more sentence to let me listen.”

Zhong Wenyi opened her mouth, but no words came out.

Jue Wu didn’t want to waste any more time with Zhong Wenyi. She looked at Qin Yu and said, “Qin Yu, hurry up. The antidote is here. Don’t waste any time. It’ll be troublesome if you’re discovered.”

Qin Yu finally understood how the word “antidote” came about.

Therefore, Qin Yu quickly stepped forward, raised his palm, and began to devour Zhong Wenyi’s primordial spirit.
