

My Rich Wife

1805 The Secret of the Forbidden Zone

Qin Yu devoured Zhong Wenyi's primordial spirit mercilessly. Jue Wu, standing beside him, didn't say a word as well. It was as if she was already used to this

After devouring her primordial spirit, the surroundings began to resume slowly.

"How are you feeling now?" Jue Wu asked.

"Mmm, much better," Qin Yu said.

"That's good. Let's go. Otherwise, they'll suspect us," Jue Wu said.

Qin Yu followed Jue Wu and quickly caught up with Gu Sanchen and Yang Yu.

At this moment, Gu Sanchen and Yang Yu were chatting happily. As Gu Sanchen was very curious about the Forbidden Zone, he kept asking questions.

As a result, they did not notice anything unusual at all.

Yang Yu only stopped after walking for a long time.

He turned around and looked at the back. He frowned and said, "That's strange. Where's Zhong Wenyi?"

Jue Wu glanced at him and said, "Are you asking me? How would I know?"

Yang Yu's brows furrowed even more. He released his divine sense covering the surroundings, trying to find Zhong Wenyi's traces but in vain.

However, Zhong Wenyi had been killed by Jue Wu, and there was no trace of her internal qi.

“Strange! She’s not here,” Yang Yu said in a low voice.

“Maybe she’s gone,” Qin Yu said casually.

Although Yang Yu had doubts in his heart, he didn’t say much.

At this moment, they were getting closer to the Forbidden Zone. Yang Yu suddenly stopped, pointed to the front, and said, “Forbidden Zone is less than one star away from here. No one can enter that place, so it’s best we stop here.”

Gu Sanchen shook his head and said, “I’m here for the Forbidden Zone. Please lead the way.”

“Are you serious?” Yang Yu asked.

“Of course,” Gu Sanchen replied with a smile.

Yang Yu didn’t say anything else and continued to lead the way.

The closer they were to the Forbidden Zone, the more uneasy everyone felt.

This feeling came from the bottom of their hearts and was difficult to restrain. It was as if being stared at by a hungry beast, and there was a dagger at the back.

Everything in the surroundings was blood red. They were as if stepping into hell. It was extremely terrifying.

Although Qin Yu was very interested in the Forbidden Zone, he knew he would never have the chance to enter it.

Therefore, all his thoughts were on Yang Yu, and all he could think about was how to kill him.

At this point, Yang Yu suddenly stopped.

There was a small ditch in front of him. It was like a boundary that separated two vast lands.

“Forbidden Zone is in front,” Yang Yu said in a deep voice.

Standing at the edge of the Forbidden Zone, Qin Yu could clearly feel the terrifying internal qi coming out of it.

This internal qi was even more intense than killing intent. It made people tremble in fear.

Qin Yu tried to activate his desolate divine eye to find out what was going on there. Unfortunately, his desolate divine eye’s vision was instantly blocked, and he could not see anything.

This place seemed even more terrifying than the Dragon Burial Cave.

Qin Yu looked at Gu Sanchen as if waiting for his next move.

Naturally, Gu Sanchen did not dare to step into it hastily. He flipped his palm and took out a few runes.

These runes emitted a dark radiance in his hand.

Following that, Gu Sanchen bit his palm and dripped a drop of blood on them.

In an instant, another Gu Sanchen formed in front of him!

Seeing this, Qin Yu couldn’t help but exclaim, “Is this a clone?”

Gu Sanchen glanced at Qin Yu, shook his head, and said, “It’s not exactly a clone. It only has a bit of divine sense and biological instincts. It won’t be able to go too far.”

Then Gu Sanchen urged the clone to step into the Forbidden Zone.

The clone was walking in the Forbidden Zone. As he went further step by step, he did not seem to encounter any abnormalities.

Soon, the clone could no longer be seen clearly as if he had already stepped into the depths of the Forbidden Zone.

The group remained silent, waiting for Gu Sanchen's further action.

After a while, Gu Sanchen opened his eyes.

"I can't feel anything in this Forbidden Zone," he said in a low voice, frowning.

"Eh? How did this happen?" Qin Yu said in surprise.

"This forbidden zone is full of danger," Yang Yu explained. "Maybe we can take a few more steps forward."

Gu Sanchen was silent. He was unwilling to take the risk, so he created another clone to walk into the Forbidden Zone.

This time, Gu Sanchen's brows furrowed even tighter.

"How is it?" Qin Yu asked.

Gu Sanchen shook his head and said, "I still can't see anything. This clone could only walk a short distance. Perhaps this part of the road is safe."

"I think so, too," Yang Yu said.

"You guys follow me," Gu Sanchen said in a deep voice. "We'll enter the Forbidden Zone together."

"Of course, I won't force you if you don't want to go in."

After saying this, Gu Sanchen's body suddenly started to glow.

The light gathered on his body and finally formed a divine robe.

A wave of Holy Power instantly spread out.

"Eh? It's a Saint Weapon!" Qin Yu couldn't help but be surprised.

There were many Saint Weapons left in this world. Most of them were offensive, and defensive ones such as this were rare.

Gu Sanchen stepped into the Forbidden Zone without hesitation.

“How is it? Are we going in?” Jue Wu asked.

Qin Yu remained silent. He was a little conflicted.

His intuition told him that danger lurked in every corner of this Forbidden Zone, and he had a slim chance of survival.

But at this time, Yang Yu quickly followed.

Therefore, if he wanted to kill Yang Yu, he could only follow him.

“Let’s go,” Qin Yu said.

Qin Yu thus followed him and strode toward the Forbidden Zone.

Shi San, who had remained silent the entire time, turned around and left without hesitation.

He didn’t plan to enter the Forbidden Zone. Instead, he planned to scout around the area.

...

It was scarlet red in the Forbidden Zone, and there seemed to be a faint mist in between.

Qin Yu could not help but think of the chaotic qi. The two seemed to be very similar.

There were many terrifying stone statues in the surroundings. The stone statues’ eyes were wide open as if they were glaring at them.

The four of them were very careful, like walking on thin ice.

However, there was nothing unusual in the surroundings. Other than the blood-red radiance, there was nothing strange.

Just then, Gu Sanchen stopped in his tracks.

“This is the furthest I’ve walked,” he said in a deep voice. “I don’t know what will happen if we go any further.”

After saying that, Gu Sanchen looked at Yang Yu and said, “Based on your experience, should we continue moving forward?”

Yang Yu shook his head and said, “I don’t know. I’ve never stepped into the Forbidden Zone before. But we’ve observed it from the outside.

“The True Saints from those aristocratic families never appeared again after entering the Forbidden Zone. However, no one knows how far they went and how they died.”

Everyone was at a loss for a moment, not knowing what to do

Qin Yu didn’t say a word. He looked at the vast Forbidden Zone. There was a tall mountain in the distance, but it looked extremely strange. It was like a big mountain that had flipped over.

“This mountain... Why is it so familiar?” Qin Yu murmured.

He thought hard and suddenly thought of something!

After that, Qin Yu took out the Venerable Fifth Mountain directly.

1806 Taking the Opportunity to Attack

The tall mountain standing far away from the Forbidden Zone looked very much like the Venerable Fifth Mountain in Qin Yu’s hand!

Qin Yu quickly flipped the Venerable Fifth Mountain in his hand and compared it with the tall mountain in the distance.

As expected, it was exactly the same!

“Eh? What’s that in your hand?” Soon, Yang Yu noticed the Venerable Fifth Mountain in Qin Yu’s hand.

“This mountain... It’s exactly the same as that mountain!” Yang Yu exclaimed!

Gu Sanchen also walked over quickly. He looked at the Venerable Fifth Mountain in Qin Yu’s hand and said in surprise, “Brother Qin, what is this?”

Qin Yu knew he could no longer hide it, so he lied and said, “This is a magical artifact that an elder in my family obtained by chance when he went out to gain experience. I don’t know why it’s exactly the same as the mountain in the Forbidden Zone.”

“Brother Qin, can you let me take a look at this mountain?” Gu Sanchen asked.

“Of course, you can.” Qin Yu did not hesitate and immediately handed the Venerable Fifth Mountain to Gu Sanchen.

Gu Sanchen took it over and studied it carefully.

“It’s actually the same.” Gu Sanchen gasped.

“If this gets out, it’ll definitely shake the entire Holy Region,” Gu Sanchen said in a deep voice.

boxn ov el. c o m
Qin Yu frowned slightly.

He didn’t want to be exposed to the public too quickly, as that would definitely bring him trouble.

“Brother Qin, for the safety reason, please keep this a secret,” Gu Sanchen said.

“Thank you, Brother Gu,” Qin Yu nodded slightly and said.

“Brother Gu, did you manage to observe anything?” Yang Yu asked in a low voice.

Gu Sanchen smiled bitterly, shook his head, and said, “I can’t figure it out with my methods.”

“What should we do next?” Yang Yu asked.

Gu Sanchen was at a loss. After thinking for a while, he took out the rune again and summoned a clone.

However, the moment the clone appeared, it immediately burned up and disappeared without a trace.

“It seems that even my clone can only reach this far,” Gu Sanchen said with emotion.

It was indeed a difficult question of whether they should continue moving forward.

In front of them was a place where even True Saints would die. With their strength, it would be difficult for them to come out alive if they went in.

However, no one would be willing to give up just like that.

“I want to go in and take a look.” After a long time, Gu Sanchen made up his mind.

“Then I’ll go with you,” Yang Yu said.

Qin Yu remained silent. Gu Sanchen seemed to be in a dilemma, but he definitely had a supreme treasure on him that could save his life.

However, Qin Yu was different. Once he entered, he might die there.

“Jue Wu, wait for me here,” Qin Yu said.

Jue Wu glared at Qin Yu and said, “If you go in, I’ll definitely follow.”

Qin Yu had no choice but to continue walking forward with Jue Wu.

The further they went, the chill feeling became even more apparent.

The surroundings began to turn even redder and more terrifying. The mountain in the distance seemed to be so close and yet so far.

“Crack!”

At this moment, a crisp sound suddenly came from underneath the feet.

Gu Sanchen lowered his head and actually saw a skull!

His expression changed. He picked up the skull, sniffed it, and said in shock, “This... this is a True Saint’s skull!”

Gu Sanchen hurriedly looked in front of him and saw a dense pile of corpses.

The mist in the surroundings began to disappear, revealing the actual appearance of this place.

Huge corpses were hanging everywhere. These corpses looked like they were hanged by people and looked extremely strange.

The most terrifying thing was that these corpses were extremely huge. Each of them was several meters tall, like a giant!

“No, we can’t go any further. I’m afraid this is the boundary of the safe zone,” Gu Sanchen said in a deep voice.

Before they could retreat, the golem-like statues suddenly emitted a strange light!

It was as if they had resurrected, and their eyes were glaring at the three of them.

Following that, the scene in front began to change. An invisible pressure instantly crushed over!

Gu Sanchen's expression changed drastically for no other reason than his holy robe was starting to shatter!

"D*mn it!"

Gu Sanchen didn't dare to stay any longer. He quickly escaped!

"Boom!"

The next second, the ground beneath Gu Sanchen's feet started to collapse, and an extremely terrifying crack was revealed!

Huge hands reached out from the cracks!

Yang Yu, who couldn't dodge in time, was caught by the ankle.

His body was being dragged down, and it withered at a speed visible to the naked eye!

His flesh and blood began to evaporate, falling off layer by layer. It was as if nothing could stop this terrifying power, not even the holy robe. It would fall off in an instant.

It was an extremely strange power. It was neither the power of the physical body nor the mysterious spiritual power. It was like the power of laws that could disintegrate everything!

Yang Yu's body was falling off. If he was not saved in time, he would be dead!

Qin Yu's expression changed, and he quickly walked toward Yang Yu.

"Brother Qin, don't be rash!" Gu Sanchen quickly stopped Qin Yu.

"I know you want to save him, but this power is too terrifying. Even my holy robe can't withstand it. You..."

Qin Yu pushed Gu Sanchen away roughly and couldn't help cursing, "Who the hell wants to save him!"

Qin Yu held the golden light in his hand and threw a punch at Yang Yu's head with a bang.

Qin Yu had almost used up all his strength in this punch, which directly smashed Yang Yu's head into pieces.

"Fortunately, I made it in time." Qin Yu heaved a sigh of relief.

This way, it would count as him killing the person, wouldn't it?

Qin Yu quickly took out the token and looked at it.

As expected, he had obtained the points.

"Phew! It's alright." Qin Yu heaved a sigh of relief.

No one had thought this mission would be accomplished in such a way.

Gu Sanchen, by the side, frowned slightly. He looked at the token in Qin Yu's hand and was full of doubts.

Qin Yu knew he couldn't hide it anymore. Thus he cupped his hands and said, "Brother Gu, I'm sorry that I lied to you. I'm not the son of an aristocratic family in Zhongzhou. I'm a Devil Hunter from Demon-slaying Peak of Thunder Courtyard.

"Yang Yu is our target this time. Rumor has it that he has a Saint Weapon, and I'm afraid I'm not his match. Therefore, I could only use this method."

Gu Sanchen was dumbfounded. He frowned and said in a low voice, "Demon-slaying Peak? I've heard that the people killed by Demon-slaying Peak are all extremely evil. Many years ago, many villainous disciples of Zhongzhou died at the hands of Demon-slaying Peak.

"But... This Yang Yu doesn't look like an evil person."

"You can't judge a book by its cover. Who knows what Yang Yu's true intentions are?" Qin Yu said with emotion.

“Probably. So far, Demon-slaying Peak has never made a mistake.” Gu Sanchen nodded slightly.

If it was in the past, Qin Yu would have felt a little guilty. But now, under tremendous pressure, Qin Yu did not think about anything else. He only wanted to enhance his strength as soon as possible and catch up with the chaotic body in Zhongzhou.

1807 Hundreds of Primordial Spirits

Gu Sanchen sighed and said, “I didn’t expect to be tricked by you.”

“I’m really sorry. Brother Gu, please forgive me,” Qin Yu said with a bitter smile.

Gu Sanchen didn’t say anything else and just nodded slightly.

“I’m afraid we can’t enter this Forbidden Zone. Let’s drop this idea,” Gu Sanchen said after that.

If they wanted to enter this Forbidden Zone, even Saint Weapons would be instantly disintegrated, let alone their physical bodies.

Therefore, the group immediately planned to leave.

However, at this moment, Qin Yu suddenly sensed a strange movement in his Spatial Magic Artifact.

Qin Yu frowned slightly. He immediately sent a wisp of his divine sense into the Spatial Magic Artifact.

He could only see that the token of the Satan he had obtained previously was shining!

Not only that, but the Venerable Fifth Mountain was also shining at the same time!

Qin Yu couldn’t help but be shocked!

Could it be that this Forbidden Zone was the entrance to Satan? And the token in Qin Yu's hand and the Venerable Fifth Mountain were the keys to this Forbidden Zone?

boxn ov el. c o m

Qin Yu was silent, but he was extremely shocked.

Perhaps it was because of this that the young master of the Tong family was so eager to get this token!

For the same reason, the Tong family did not dare to invade Nanzhou on a big scale and find trouble with Xiao Sheng. Instead, they came to the God Bless Sect in the East Continent!

There was no other reason than they were afraid that this matter would spread and attract the attention of other families!

"Brother Qin?" Gu Sanchen seemed to have noticed Qin Yu's abnormality and immediately shouted.

"I'm fine," Qin Yu came back to his senses, smiled, and said.

The group turned around and left the Forbidden Zone.

Fortunately, they didn't go too far. If they went forward a few more steps, they probably wouldn't be able to come out.

That crack just happened to separate the two places.

After leaving the Forbidden Zone, Gu Sanchen looked at Qin Yu and said, "It's time for you to go back and report your mission."

Qin Yu nodded and said, "That's right. It's all thanks to Brother Gu this time. Otherwise, I'm afraid it wouldn't be so easy to kill Yang Yu."

"Then let's part here. Do we meet again if we are fated to?" Gu Sanchen asked tentatively.

“No! No! No! I’m afraid we’ll have to trouble Brother Gu to send us back because our formation is nearby there,” Qin Yu said with a trace of embarrassment.

“Then let’s go,” Gu Sanchen said, spreading his hands.

He summoned the giant anaconda and rushed toward Heavenly Ocean City.

“Brother Gu, why don’t you scout around the Forbidden Zone? There might be some treasures there,” Qin Yu asked casually on the way.

Gu Sanchen shook his head and said, “There’s a special organization in the Crimson Moon Continent. They come here to explore every day. After such a long time, not to mention treasure, I’m afraid not even the shadow of the treasure can be seen.”

Qin Yu nodded. That was indeed true.

After a few days, they finally returned to Heavenly Ocean City.

This time, they were probably really going to part.

“Let’s meet again if we are fated to,” Gu Sanchen said with a smile.

Qin Yu nodded slightly and said, “We’ll meet again soon. I’ll go to Zhongzhou soon.”

“Then... see you in Zhongzhou?” Gu Sanchen said with a smile.

“See you in Zhongzhou.” Qin Yu nodded.

He didn’t stay for long and immediately left Heavenly Ocean City. He seemed to be rushing to the next Forbidden Zone.

Gu Sanchen didn’t take his words seriously. It was because many people wanted to go to Zhongzhou, but only a handful could make it and became well-known.

However, he had never expected this young man named Qin Yu to have caused a great reshuffling of the entire Holy Region in the future and even caused the whole universe to tremble.

...

“Are we going back now?” Jue Wu asked after Gu Sanchen left.

“No,” Qin Yu shook his head and said. “Let’s go to Yang Yu’s house to take a look. I didn’t see any Saint Weapons on him just now. I’m afraid he has hidden them at home.”

“You’re still the wisest!” Jue Wu pointed at Qin Yu and said.

Qin Yu didn’t waste time. He immediately took Jue Wu and stepped into the city again.

After arriving at the door of Yang Yu’s house, Qin Yu discovered a formation had been set up at Yang Yu’s house. It was impossible to step in.

Qin Yu frowned slightly. He raised his palm and tried to put it on the formation. However, as soon as he put it on, he felt an inexplicable force attacking him.

“Let me shatter it with one punch!” Jue Wu said, waving her little hand.

“No!” Qin Yu quickly shook his head and said. “We’ll get into trouble if someone discovers it.”

“Then what do we do?” Jue Wu frowned and asked.

Qin Yu remained silent, not knowing what to do.

Heavenly Ocean City was under the attention of the City Lord. As the City Lord, he must have owned a Saint Weapon.

If he attracted their attention, he would definitely die.

“Let’s wait until nighttime,” Qin Yu said.

Under the worst scenario, he could only quickly break in and escape.

At night.

Qin Yu and Jue Wu once again arrived at Yang Yu's house.

His fist emitted rays of dazzling light with powerful strength lingering around it.

Although it was very risky to do so, it was worthwhile if he could obtain a Saint Weapon.

Therefore, Qin Yu clenched his fist and threw a punch.

This punch was powerful, and Yang Yu's formation was not good enough.

A ray of light flashed, and then it shattered like glass.

"Let's go." Qin Yu looked at Jue Wu.

The two of them didn't waste time and quickly walked in.

Yang Yu's house was huge. Thus they released their divine senses, wanting to find the Saint Weapon as soon as possible.

Unfortunately, he couldn't find any trace of the Saint Weapon under the coverage of divine sense.

"Could it be that Yang Yu doesn't have a Saint Weapon at all? Or was it already shattered in the Forbidden Zone?" Qin Yu murmured.

Jue Wu scratched her head and said, "Could it be that it has been wrapped up by some techniques?"

"Let's split up and look for it," Qin Yu said.

Jue Wu nodded, and the two immediately began a thorough search in different directions.

It took a full two hours.

Qin Yu and Jue Wu didn't find anything. They didn't find the so-called Saint Weapon.

In the backyard.

Qin Yu and Jue Wu met here.

"Did you find it?" Jue Wu asked.

"No," Qin Yu shook his head.

"It seems that Yang Yu doesn't have any Saint Weapon," Jue Wu said in a low voice.

Qin Yu smiled bitterly. It seemed to be the only explanation.

"Let's go back and report," Jue Wu pulled Qin Yu and said.

"Okay!" Qin Yu replied. Just as he was about to leave, he suddenly smelled blood.

"Eh?" Qin Yu frowned slightly.

He immediately activated his desolate divine eye and looked in a particular direction.

He saw a huge pit in front of him.

The smell of blood was coming from this hole.

Qin Yu quickly walked over and saw there were corpses one after another in the pit!

In the center of the corpses, there was a magical artifact that looked like a pure jade bottle.

Without thinking, Qin Yu quickly grabbed the magic artifact and opened it.

The moment he opened it, Qin Yu was shocked!

There were hundreds of primordial spirits in the magical artifact!

1808 The Ancient Divine Weapon

“It’s... the primordial spirit!” Qin Yu gasped!

How did Yang Yu collect so many primordial spirits?

Could it be he and Qin Yu were jackals of the same lair? And he also needed other people’s primordial spirits to cultivate?

Jue Wu and Qin Yu looked at each other, and Jue Wu said excitedly, “Aren’t you making a fortune now? With this, you no longer have to find that primordial spirits!”

Although she said so, Qin Yu was still a little worried.

Yang Yu was listed as one of the evildoers by Thunder Courtyard. Probably it was because of the primordial spirits he had collected.

From the method used, Yang Yu’s was absolutely superb and hard to detect.

Then how did Thunder Courtyard find out? And how did they list him as an evildoer?

Thinking of this, Qin Yu felt a chill down his spine!

“No,” Qin Yu’s face turned cold.

He couldn’t stay in Thunder Courtyard for long!

Even Yang Yu, who was far away in the Crimson Moon Continent, could not escape their eyes, let alone Qin Yu.

boxn ov el. c o m

“After I find a way to get the Meridian Circulation Technique, I must leave Thunder Courtyard,” Qin Yu thought to himself.

If it was discovered by Thunder Courtyard, they would surely die.

“Let’s quickly leave,” Qin Yu said to Jue Wu.

Following that, Qin Yu put the magical artifact into his bag and quickly left Heavenly Ocean City with Jue Wu.

The night was dark, and it was pitch black.

Qin Yu hid the primordial spirits in the depths of the Spatial Magic Artifact to avoid being detected.

The two of them soon came to nearby the teleportation formation. As soon as they stepped into the formation, a bright light lit up and brought them back to the teleportation platform of Thunder Courtyard.

The entire process took less than ten minutes. When they opened their eyes again, they were already on the platform.

“Let’s go back to the cave abode and hide this magical artifact,” Qin Yu said to Jue Wu.

Jue Wu nodded and whispered, “You must not tell anyone about this, but you also don’t worry too much. Maybe Yang Yu being listed as an evildoer has nothing to do with his primordial spirit.”

“I hope so.” Qin Yu sighed.

The two of them returned to the cave abode. Fortunately, this cave abode was extremely large. It took Qin Yu and Jue Wu a lot of time to put away the magical artifact that carried the primordial spirits.

When they were done, the sky had started to slightly brighten up.

“If that’s the case, the points are still not enough.”

Jue Wu muttered as she sat on a big rock in the cave abode.

Qin Yu took out the token.

It was 89 points adding up the points in Jue Wu's and Qin Yu's tokens. It was only 11 points away from 100 points.

He only needed to go for one last mission to get the matter done.

"I hope the next mission will come soon," Qin Yu thought to himself.

Another day passed.

Qin Yu and Jue Wu decided to pay a visit to the dean to find out about the Glided Rake in Jue Wu's hands.

The power of this Glided Rake was extremely terrifying. As no one knew about its origin, they could only seek the dean's help.

However, Qin Yu felt a little uncertain about meeting the dean. He seemed to have a guilty conscience.

"Should I go by myself?" Jue Wu suggested.

"No, we'll go together," Qin Yu said in a deep voice.

Sooner or later, he would have to face the dean. Moreover, he didn't notice anything the last time.

That day, Qin Yu and Jue Wu came to the first main peak together.

The two men who blocked Qin Yu's way previously showed up again.

They stopped Qin Yu and said in surprise, "You again?"

"Seniors, we're here to visit the dean," Qin Yu cupped his hands and said.

"You want to see the dean?" The two of them looked at each other. "Why do you want to see the dean?"

"We need the dean to clear some doubts," Qin Yu said.

"Then you guys wait for a while," one of them said.

Then, his body directly disappeared into the void.

After about 10 minutes, he suddenly appeared again and stood in front of Qin Yu.

“Go in now. The dean is in the quiet room up there,” he said expressionlessly.

“Thank you,” Qin Yu bowed slightly and said.

Thus the two followed his guidance and came to the quiet room.

The quiet room was just like its name. It was extremely quiet.

There were wisps of green smoke floating at the door. When looking up, it was as if being in the clouds, like a fairyland.

Qin Yu and Jue Wu stepped into the quiet room. As soon as they entered, they saw the dean meditating.

His body was partly hidden and partly visible as if he was about to merge with the surrounding void. It was an extremely wondrous sight.

“Dean,” Qin Yu cupped his hands and greeted the dean.

Jue Wu also followed suit.

The dean opened his eyes slightly. He glanced at Qin Yu, and then his gaze fell on Jue Wu.

“Why are you looking for me?” The dean asked with a smile.

“Of course, it’s an important matter.” Jue Wu didn’t have the idea of respecting the elders. Even when facing the dean, she still had the same attitude.

She swaggered to the front of the dean and said mysteriously, “I got a treasure, a good treasure! I’m here today to show you!”

When Dean Lei heard this, he stroked his beard and laughed out loud.

With adoration in his eyes, he said, "Come over. Let me see what treasure it is."

"I'll show it to you, but you can't snatch it from me," Jue Wu muttered.

The dean was lost for words, and Qin Yu was also a little helpless.

"Don't worry. Your things will always be yours," Dean Lei laughed and said.

Jue Wu didn't waste time and immediately took out her Glided Rake.

The moment it was taken out, a golden light flashed. There seemed to be a strange power flowing inside the Gilded Rake.

"Here it is," Jue Wu said.

The dean took over the Glided Rake and examined it carefully.

His originally smiling eyes slowly became a little solemn. After a long time, he did not say a word.

Jue Wu frowned and said, "You don't know what it is, do you? If you don't, then forget it."

Dean Lei raised his head and looked at Jue Wu. With a serious expression, he asked, "Where did you get this from?"

Jue Wu didn't hide anything and immediately told Dean Lei everything.

Dean Lei squinted his eyes and said in a low voice, "Could it be that the rumors are true?"

"What rumors?" Jue Wu frowned and asked.

Dean Lei waved his hand. He grabbed the Glided Rake with both hands and then shook it slightly.

The Glided Rake instantly turned silver, and its previous golden radiance disappeared without a trace!

Seeing this, Jue Wu was shocked.

“Where did you hide my Glided Rake? Why did you exchange it for a silver one?” Jue Wu said in shock.

Dean Lei shook his head and threw the Glided Rake to Qin Yu.

When Qin Yu took it, the Glided Rake turned black.

Such a wondrous scene was truly astonishing.

“What’s going on?” Qin Yu said with some doubt.

“You’re really lucky,” Dean Lei said with emotion. “If I’m not wrong, this is a divine weapon passed down from ancient times.”
