

My Rich Wife –
Chapter 1811 – 1815

1811 The Stubborn Qin Yu

Qin Yu's heart thumped, and he suddenly felt something not good.

"Are you all here to register?" Jiu Xiao asked somewhat indifferently.

"Of course. Jiu Xiao, don't keep us in suspense. Hurry up and choose," someone by the side said jokingly.

Jiu Xiao indeed did not waste any time. He glanced at the crowd and finally began to select members.

One, two, three.

Without exception, all of these people were outstanding figures of Demon-slaying Peak.

When Jiu Xiao was about to choose the fifth one, he suddenly stopped and said, "I have to remind you that this trip to ZhongZhou is very dangerous. The people you're dealing with are not simple either. You'll likely lose your lives. Do you still want to participate?"

"Jiu Xiao, since we're here, we're naturally prepared to die," someone said.

Seeing this, Jiu Xiao no longer said anything and began to choose the remaining people.

The sixth, the seventh.

Soon, there was only one spot left.

At this moment, Qin Yu's face was extremely ugly.

He stared at Jiu Xiao as if he had placed all his hope on him.

At this time, Jiu Xiao walked up to Qin Yu and paused.

His gaze fell on Qin Yu, and in the next second, he looked at Jue Wu.

"You're the eighth," Jiu Xiao pointed at Jue Wu and said.

Jue Wu frowned and hurriedly said, "I'll give my spot to Qin Yu!"

A hint of anger flashed across Jiu Xiao's face, and he said with a gloomy face, "This spot was decided by me, not by you. If you don't want to go, I can give this spot to someone else!"

Jue Wu's brows furrowed tightly, and she subconsciously looked at Qin Yu.

Although Qin Yu knew that Jiu Xiao would not choose him, he still felt extremely uneasy when the results were out.

"You go," Qin Yu forced a smile and said.

Jue Wu gritted her teeth and didn't know what to do.

If she didn't go, Qin Yu wouldn't get any points.

Therefore, she could only bite the bullet and agree.

"Alright, all of you may leave." Jiu Xiao waved his hand, turned around, and returned to the chessboard.

Everyone left the cave abode. Qin Yu and Jue Wu also left.

At this moment, Qin Yu's face was very unsightly. He clenched his fists from time to time, and his face was full of reluctance.

Even though Xiao Yu had told Qin Yu not to enter Zhongzhou before he reached the Reversion Void Stage, he was still willing to do so because her beloved was in Zhongzhou.

"Qin Yu, don't think too much. Jiu Xiao didn't let you go for your own good." Someone came over to comfort him.

"Yeah. Even if we go, we might not be able to come back, let alone you," someone else said.

Qin Yu forced out a smile with difficulty and said, "I understand, thank you."

Qin Yu was in a bad mood after he returned to the cave abode.

Disappointment and helplessness filled his mind. For a moment, he didn't want to do anything.

Jue Wu understood Qin Yu's feelings, so she didn't say much and just quietly accompanied Qin Yu.

Qin Yu sat there for the whole day in such a situation.

The sky was getting dark, and night had fallen.

Late at night, Qin Yu, who was sitting on the ground, suddenly stood up.

“What are you doing?” Jue Wu hurriedly asked.

“I want to try again,” said Qin Yu in a deep voice.

“What do you mean?” Jue Wu frowned.

“I’m going to see Jiu Xiao,” Qin Yu said coldly. “I believe that opportunities are always fought for, and not given out by others.”

“You’re going to beg him?” Jue Wu was stunned.

“Of course not.” Qin Yu took a deep breath. “I’ll fight for a spot my way.”

“I’ll go with you!” Jue Wu hurriedly said.

But Qin Yu shook his head and said, “No need, I’ll go by myself. Don’t follow me, or you’ll only ruin things.”

After saying this, Qin Yu went straight to Jiu Xiao’s cave abode.

At the entrance of the cave abode, Qin Yu pushed the huge stone door hard.

“Qin Yu requests an audience.”

Although Qin Yu’s voice was not loud, it could penetrate the stone door and be heard clearly by Jiu Xiao.

A few seconds later.

The stone door slowly opened.

Without hesitation, Qin Yu strode in.

The moment he stepped into the cave abode, the door slowly closed.

Qin Yu went straight through a dark path and soon arrived in front of Jiu Xiao.

Jiu Xiao stared at the chessboard and said, “Why? Are you here to demand an explanation?”

“No.” Qin Yu shook his head.

“So you’re here to beg me?” Jiu Xiao raised his eyebrows.

“No,” Qin Yu clenched his fists, and his internal qi slowly rose.

“I want fight with you. If I win, you will let me go. How about it?” Qin Yu said.

Jiu Xiao could not help but laugh.

He slowly stood up and sneered, “Fight with me? You? A Mighty Realm cultivator? Are you here to die?”

“You and I suppress to be in the same cultivation realm,” Qin Yu said.

Jiu Xiao laughed even louder when he heard this.

But at this moment, Jiu Xiao suddenly changed the topic. He then suddenly reached out his hand, grabbed Qin Yu’s neck, and lifted him into the air.

The huge force made Qin Yu unable to move. He even had difficulty breathing.

“Do you think this mission is a game? To suppress to the same cultivation realm? Why? Do you think your enemies will also suppress their cultivation realms to the Mighty Realm for the sake of fairness? Do you think everyone will pamper you?”

Following a shout, Jiu Xiao threw Qin Yu aside.

Qin Yu gritted his teeth and stood up from the ground. He clenched his fists and said, “It’s not necessary then. Just make your move!”

After hearing Qin Yu’s words, Jiu Xiao was shocked.

He didn’t seem to believe his ears. Thus he asked, “What did you just say? Say it again.”

“I said we’ll fight like this. If I win, you’ll let me go to Zhongzhou,” Qin Yu said coldly.

Jiu Xiao’s face turned even colder.

“If you want to die, you can die somewhere else. Don’t dirty my hands,” Jiu Xiao said coldly.

“Cut the crap!” However, the stubborn Qin Yu would not give up.

After a shout, he raised his hand and threw the Ten Thousand Spell Breaking Punch that headed straight in Jiu Xiao’s direction!

In the face of Qin Yu's sudden attack, Jiu Xiao could only raise his hand to receive it.

His palm was extremely soft and gentle. The moment it touched Qin Yu, it immediately dissolved Qin Yu's power!

The extremely heavy force seemed to be hitting cotton!

Before Qin Yu could feel shocked, a huge force suddenly rushed over!

It was the Jiu Xiao's palm!

He grabbed the back of Qin Yu's neck and hit his lower abdomen with his knee!

It was just an ordinary knee strike, but its power was so terrifying that even Qin Yu's body could not withstand it. His internal organs seemed to have suffered a huge impact!

"Pfft!"

Qin Yu spat out a mouthful of blood!

1812 You Can Go to Zhongzhou Now

The power of Jiu Xiao was far beyond imagination! With the suppression of the cultivation realm, Qin Yu was almost unable to fight back.

A shake of his hand directly threw Qin Yu out.

The strong force smashed Qin Yu into the wall straight away.

Before Qin Yu could get up, Jiu Xiao raised his palm, and a ray of light pressed down, smashing Qin Yu into the ground!

Jiu Xiao showed no mercy. The huge difference in strength between the two made Qin Yu fall to the ground, unable to move.

"Get lost," he said, looking at Qin Yu coldly.

Qin Yu, lying on the ground, gritted his teeth and clenched his fists tightly. He tried his best to get up again.

However, with the injuries on his body, he couldn't stand up at all!

Jiu Xiao was too lazy to respond to Qin Yu. He sat there with his eyes slightly closed as if he was comprehending the dao of the Immortal Emperor in Thunder Courtyard.

Just when Jiu Xiao thought Qin Yu had given up, he stood up again and rushed toward Jiu Xiao!

“Eh?” Jiu Xiao frowned slightly. Even he was shocked by Qin Yu’s surging combat power!

The golden radiance was like the sunlight piercing through the darkness, shooting straight toward Jiu Xiao!

Jiu Xiao snorted coldly. With a wave of his sleeve, 36 rays of terrifying light instantly emitted from his sleeve, each containing a different power!

“Boom!”

At the instant of collision, Qin Yu’s golden light was shattered directly.

But to Jiu Xiao’s surprise, Qin Yu took this opportunity to step the line word formula and was already close to him!

Holding the Ten Thousand Spell Breaking Punch in his hand, all the power seemed to have been gathered on this fist!

At such a close distance, even Jiu Xiao could not avoid it.

“Boom!”

This punch landed on Jiu Xiao’s chest!

No matter how strong Jiu Xiao was, he only had a mortal body.

Under this punch, he was instantly sent flying, and several of his ribs were broken!

“It seems you’re not invincible...” Qin Yu grinned. Blood stained his white teeth, making him look extremely crazy.

Jiu Xiao’s expression was extremely cold. He looked at Qin Yu and said, “You reckless fool! Since that’s the case, I don’t mind sending you off!”

This time, Jiu Xiao did not hide anything. He disclosed his terrifying techniques one by one to Qin Yu.

Facing the serious Jiu Xiao, Qin Yu did not have the strength to fight back. Despite the use of the fighting word character, he still could not be compared with him.

In less than ten minutes, Qin Yu had been knocked down three times.

But every time, Qin Yu would stand up stubbornly.

Even though his body was covered in wounds, he still had no intention of giving up!

Looking at Qin Yu's staggering body, Jiu Xiao was moved.

"What a stubborn fellow," Jiu Xiao said coldly.

"Give up now. You no longer have the ability to fight."

Qin Yu's body swayed as he walked to Jiu Xiao with difficulty.

"Unless you kill me, otherwise... I will never admit defeat..."

After saying that, Qin Yu raised his fist and waved it at Jiu Xiao.

However, this punch was weak and powerless. Jiu Xiao did not dodge, allowing this bloody fist to dye his white clothes red.

In the next second, Qin Yu seemed to be unable to stand. He swayed and then fell.

Jiu Xiao was silent.

He lowered his head and looked at Qin Yu, thinking about something.

This was the first time Jiu Xiao had seen such a stubborn person.

Qin Yu gritted his teeth. He wanted to get up, but he couldn't.

"D*mn it..." Qin Yu was extremely reluctant.

As expected, the huge gap between realms could not be made up for at all.

Just when Qin Yu thought that he had failed, Jiu Xiao suddenly said coldly, "Give me a reason why you must go to Zhongzhou."

Qin Yu looked up at the sky with difficulty and said in a trembling voice, "That place... There's someone I want to see..."

Jiu Xiao was silent.

He did not understand his feelings, but he was touched by Qin Yu's stubborn attitude.

"I think that person must be very important," Jiu Xiao said with emotion.

Then, Jiu Xiao looked at Qin Yu who was on the ground, and said, "I agree with your request."

Qin Yu, who was lying on the ground, suddenly trembled.

He immediately wanted to thank him, but Jiu Xiao continued, "But this mission is extremely dangerous, so you can't participate. I can only take you to Zhongzhou and come back with me within the limited time."

After hearing Jiu Xiao's words, Qin Yu's heart was filled with gratitude.

How could he not understand Jiu Xiao's intention?

With such an arrangement, Qin Yu could avoid dying on the mission.

"Many... many thanks," Qin Yu, who was lying on the ground, said with all his might.

After getting an affirmative response, Qin Yu's tense nerves relaxed.

Without support, Qin Yu soon fell into a coma.

Jiu Xiao lowered his head to look at Qin Yu, his heart filled with complicated emotions.

As the number one cultivator of Demon-slaying Peak, he knew what was most important to a cultivator.

Of those people who stood on the mountaintop, which one of them wasn't as stubborn as this? Which one of them didn't have an undefeatable heart?

Jiu Xiao bent down, picked up Qin Yu, and sent him all the way back to the cave abode.

After returning to the cave abode, Jiu Xiao threw Qin Yu to Jue Wu.

Seeing Qin Yu covered in blood, Jue Wu was furious. She suddenly stood up and raised her hand, and a purple light appeared!

Jiu Xiao knew how terrifying this light was, so he did not dare to underestimate it and raised his hand to receive it.

"Boom!"

A terrifying tremor reverberated through the cave abode, and the forest far away rumbled.

"You b*stard! It's fine if you disagree, but why did you beat him up like this?" Jue Wu's eyes were wide open, and a terrifying killing intent burst out from her body!

"When did I say no?" Jiu Xiao said coldly.

"What do you mean?" Jue Wu was stunned. She frowned and asked.

Jiu Xiao ignored what she said and said, " Tell Qin Yu that he fought for this opportunity himself. If he wants to thank anyone, he should thank himself."

After saying this, Jiu Xiao turned around and left.

After he left, Jue Wu quickly came forward to transfer spiritual energy to Qin Yu.

...

The following day.

Qin Yu finally woke up from the coma.

The first thing he did when he woke up was to get up and shake his head.

Looking around at the familiar environment, Qin Yu looked at Jue Wu and asked hurriedly, "How did I come back?"

"Jiu Xiao sent you back. What had happened? He actually beat you up to this extent?" Jue Wu frowned and asked.

Hearing this, Qin Yu was finally relieved.

"It's fine. I did it of my own free will. Don't blame him. I should even thank him," Qin Yu grinned and said.

Jue Wu mumbled, "He told me to pass you a message. He said that if you want to thank someone, you should thank yourself. It's so funny."

Jue Wu waved his hand as if she was too lazy to care about the matter between the two.

Qin Yu's face was full of smiles, and he felt extremely excited in his heart.

After waiting for so long, he could finally go to Zhongzhou!

1813 Arriving at Zhongzhou

This was Qin Yu's first time going to Zhongzhou. He had been curious about the aristocratic families in Zhongzhou.

He was not curious about the prosperity or the rich resources in this place, but about the Yan family!

Qin Yu really wanted to see what the Yan family was like.

In the next few days, he comprehended the Immortal Emperor's Dao in the Thunderous Courtyard while waiting for the opportunity to go to Zhongzhou.

Time flew by, and in the blink of an eye, three days had passed.

On this day, everyone gathered at the array platform on the Demon-slaying Peak.

Jiu Xiao and the peak master had been waiting here for them.

The rest of the people arrived at the scene one after another.

When they saw Qin Yu, they said in surprise, "Qin Yu? What are you doing here? You haven't given up yet?"

"I'm going to Zhongzhou too," Qin Yu said with a smile.

"Don't joke around. The eight people have already been chosen, you don't stand a chance," someone joked.

Even the peak master frowned.

"Qin Yu, what are you doing here? Hurry up and go back," the peak master scolded.

Jiu Xiao shook his head and said, "I asked him to come."

"Ah?" The peak Master was stunned. He asked with some confusion, "What do you mean?"

Jiu Xiao laughed. "I'm taking him out to see the world. Don't worry. I won't let him participate in this mission."

Although the others were puzzled, this was Jiu Xiao's decision, so they did not say anything more.

"We'll leave in half an hour." Jiu Xiao looked around.

"It's not too late if you want to back out now," the peak master said.

They were silent. Since they had already chosen to participate, no one was willing to leave.

Seeing this, the peak master did not say anything more.

Qin Yu and Jue Wu found a place to sit down and waited quietly.

Qin Yu was wondering about Zhongzhou.

Jue Wu, on the other hand, was staring at Jiu Xiao, mumbling to herself.

“What are you doing?” Qin Yu rolled his eyes.

“This b*stard is too arrogant. I will beat him up sooner or later,” Jue Wu said in determination.

“He’s actually a nice guy,” Qin Yu said with a bitter smile.

“Humph.” Jue Wu snorted.

Qin Yu sighed silently.

This world had no lack of geniuses, for example, Xiao Sheng and Xiao Hai in Nanzhou, and now Jiu Xiao.

These people all possessed terrifying talents.

“Who do you think will win if Xiao Sheng and Jiu Xiao fight?” Jue Wu suddenly asked.

Qin Yu was silent for a moment, then asked, “What do you think?”

Jue Wu rubbed her face and said, “I think Xiao Sheng should be better. I’ve fought with him before.”

Qin Yu nodded slightly. He had the same thought.

If Xiao Sheng and Jiu Xiao were to fight, it would be hard to say who would win.

After all, Jiu Xiao had been in Thunderous Courtyard for so long. Not only was his cultivation realm higher than Xiao Sheng’s, but he also had more resources.

For example, Jiu Xiao had comprehended countless cultivation techniques from the first main peak.

But Xiao Sheng was different. He had figured out all his spells and techniques by himself.

At the mention of Xiao Sheng, Qin Yu thought about the situation in Nanzhou.

“I wonder how Xiao Sheng is doing right now.” Qin Yu sighed.

He didn’t know that the Tong family had already sent people to Nanzhou with Saint weapons.

However, in Qin Yu's opinion, Xiao Sheng would definitely be fine. Even if he were to lose, he could still come to Thunder Courtyard to hide.

After all, Dean Lei had said that the gate of Thunder Courtyard was always open to him.

"Alright, everyone, let's get onto the platform," Jiu Xiao suddenly spoke.

One by one, the group went up the platform. Qin Yu did the same.

Standing on the platform, the peak master began to activate the array.

Beams of light shot up into the sky, and terrifying phantoms shook around them.

Soon, they disappeared into the darkness.

Just like the last time, the surroundings were dark, as if they were shuttling through the void.

However, this time, it took longer. After a long time, they saw light.

When they opened their eyes, they had already arrived at Zhongzhou.

This place was also a desert, and unlike the cities of the Crimson Moon Continent, Zhongzhou did not have any high walls at all. Instead, it was like a whole nation.

There were countless sects and families here, and the place had a different terrain.

For example, the land they were stepping on was a desert, but in front of them was an oasis. When they looked into the distance, they saw mountains.

"Meet us here in five days." At this time, Jiu Xiao looked at Qin Yu.

"During these five days, you are responsible for your own safety. If you cause any trouble, Thunder Courtyard will not clean up your mess." Jiu Xiao reminded.

"Alright, thank you." Qin Yu nodded quickly.

"Can I stay with Qin Yu?" Jue Wu asked.

"No." Jiu Xiao's face had a trace of anger.

Qin Yu quickly looked at Jue Wu and said, "It's already good enough that I'm here. Besides, this mission is very dangerous. It needs all of you."

"That's fine." Although Jue Wu wanted to stay with Qin Yu, she didn't insist.

“Be careful,” she reminded.

“Don’t worry.” Qin Yu nodded.

After saying that, Qin Yu turned around and left, as if he didn’t want her to see that he had lied.

His speed was extremely fast, and he arrived at a street in a short while.

This street was extremely wide. It was more like a square.

The square was full of various items. Qin Yu released his divine sense and soon sensed several extremely terrifying auras.

Qin Yu could not see through the realms of many people.

It was Qin Yu’s first time coming to Zhongzhou, so he was full of curiosity.

He activated his desolate divine eye and looked into the distance.

With the support of the desolate divine eye, he saw one place after another that looked like a fairyland. He also saw many broken walls, as if they had been through a great battle.

“Those places must belong to the great aristocratic families,” Qin Yu thought.

Of course, Zhongzhou was so vast that it was impossible to find the Yan family so soon.

After much consideration, Qin Yu decided to ask around first.

So, Qin Yu went to a random stall and asked, “Bro, may I know how to get to the Yan family?”

The guy glanced at Qin Yu and said, “The Yan family? Which Yan family?”

“It’s the Yan family of the nine great aristocratic families,” Qin Yu said quickly.

“It is hundreds of thousands of stars away from here.” The guy laughed.

“That far?” Qin Yu frowned slightly. “If I walk there, five days won’t be enough.”

“Walk? Are you insane?” When the stall owner heard this, he was surprised.

1814 The Yan Family Gathering

Qin Yu had just arrived at Zhongzhou and knew nothing about this. He asked immediately, “Then may I ask how I can get to the Yan family?”

"It's impossible to go to the Yan family by foot. You can go to the nearby relay station. It will be much faster that way," the stall owner said with a smile.

Then, he looked Qin Yu up and down and said, "You just arrived in Zhongzhou, right?"

"That's right." Qin Yu nodded. "Bro, may I ask where the relay station is?"

"Well, it's not easy to find one, and the price is very high," the stall owner continued.

"How high?" Qin Yu frowned.

"It'll cost at least one billion spirit coins to get to the Yan family!" The stall owner said after some thought.

Qin Yu's expression changed.

One billion!

Damn, Qin Yu didn't have time to make money lately. He could afford it if it was five hundred million but not one billion.

"What about the Si family?" Qin Yu continued to ask.

"Oh, the Si family is closer. I think it'll be around 500 million," the stall owner answered.

He asked, "Do you know people from the two families?"

"Yes, I know some of them," Qin Yu lied.

"Then why don't you attend the grand event held by the two families? In three days, they will be holding a grand event on Mount Taihua. It's much cheaper to go to Mount Taihua, and 500 million spirit coins is enough!" The stall owner said.

Hearing this, Qin Yu's expression changed.

A grand event? Could it be the engagement between the despicable Si Shiyue and Yan Ruoxue?

Thinking of this, Qin Yu hurriedly said, "Bro, please tell me where the nearest relay station is!"

The stall owner smiled. "I told you, you won't be able to find it without a guide. How about this? I'll go with you, but you'll have to pay me."

"That's great! Many thanks, bro!" Qin Yu hurriedly nodded.

So, the stall owner put away the goods and took Qin Yu to the nearby relay station.

On the way, Qin Yu felt extremely uneasy. He took the opportunity to ask, "Bro, do you know why they are holding this grand event?"

"Don't you know them? if you don't know, how would I know?" The stall owner muttered.

Qin Yu gritted his teeth, feeling even more uneasy.

After walking for a long time, turning left and right, they finally arrived at the so-called relay station.

To put it bluntly, this relay station was just a huge array platform. Through this array platform, one could go to many places.

"This is it. Give me the money and I'll help you pay the fee," the stall owner said.

"I'd better go with you," Qin Yu said with vigilance.

"No, this relay station is only open to the local people. You can wait for me outside," the stall owner said.

Qin Yu was wary. He squinted his eyes slightly, but in the end, he still gave the money to him.

The stall owner took the card and walked into the station.

The moment he entered, Qin Yu immediately activated the desolate divine eye and watched the stall owner.

The stall owner entered the station and walked deeper with the card in his hand.

However, this b*stard didn't go to the counter to do the so-called procedures at all. He just walked around inside and then walked out from the back door.

"Damn it, he's a fraud!" Qin Yu cursed.

He immediately used the line word formula and quickly chased after the stall owner!

The stall owner began to run as soon as he stepped out of the door of the station. However, Qin Yu grabbed his neck from behind.

"You dare to lie to me?" Qin Yu lifted him into the air, and the stall owner couldn't move at all!

The stall owner turned pale with fright! Even though he was not very powerful, he was a half-step Reversion Void Stage cultivator!

However, facing Qin Yu, he felt like he was facing a huge mountain. He could not even think of resisting!

“Friend... My friend, I’ll return the money to you...” The stall owner was scared. He began to think maybe Qin Yu indeed had some relationship with the two aristocratic families!

Qin Yu took back the card from his hand and said coldly, “Do you think you’ll be fine after returning the money to me?”

The stall owner regretted what he had done. He had thought that Qin Yu was a silly country bumpkin boy, but the boy turned out to be a tough guy.

“Then what do you want?” The stall owner said helplessly.

“What you said to me just now, was it true?” Qin Yu asked in a cold voice.

The stall owner hurriedly said, “It’s all true! There’s not a single lie!”

Qin Yu took a deep breath and said, “Take me to the relay station and help me to Mont Taihua.”

“Sure, sure, no problem,” the stall owner said.

Then, the stall owner led Qin Yu into the relay station again.

The stall owner’s words that it’s only open to local people were indeed false. After paying, Qin Yu walked into the platform.

To activate this platform, a large amount of materials were needed. These materials were called teleportation stones. It was said that teleportation stones were extremely rare and could not be regenerated, so they were particularly precious.

Most of the teleportation stone mines in the world were in the hands of the great aristocratic families, which was in fact monopoly.

This situation was rather similar to Earth’s.

Qin Yu waited quietly in the teleportation formation.

The platform wouldn’t be activated if there were less than eight customers.

As time passed by, people arrived one after another.

These people were all dressed in extraordinary clothes, and their auras were quite terrifying. They were obviously not ordinary people.

Qin Yu looked at a man nearby and asked, "Bro, are you also going to Mount Taihua?"

"Right." The man seemed to be a little proud.

Qin Yu said immediately, "Me too. I've put in a lot of effort to attend the Yan and Ying families' grand event."

The man's attitude changed drastically when he heard that.

He said with some respect, "Sir, are you also going to this event? May I know where you are from?"

"I can't say. But I have some friendship with Si Shiyue. He used to call me big brother," Qin Yu lied.

"Oh, even the young master called you big brother? May I know your name?" The man's attitude became more respectful.

"You don't need to know my name," Qin Yu said after some thought. "People call me Shi Yuedie."

"Shi Yuedie?" The man frowned at the unfamiliar name.

"That's right, it's Shi Yuedie. You must remember that my relationship with Si Shiyue is not ordinary," Qin Yu continued.

"It's an honor to meet such an important guest like you," the man said respectfully. "It took me great efforts to gain an invitation to this event."

Qin Yu was silent.

As expected, an invitation was needed to participate in this event.

"Looks like I'll have to trick you into giving me the invitation," Qin Yu muttered to himself.

1815 The Invitation Is in the Hand

The man was stunned. He then frowned and said, "What did you say?"

"Nothing. I'll bring you in later. You don't even need an invitation," Qin Yu quickly changed his words.

"Thank you so much!" the man said respectfully.

“My name is Tan Liu. I’m honored to know you,” he introduced himself.

Qin Yu waved his hand. “It’s no big deal. Don’t bother. However, you have to keep my identity a secret.”

“Understood, understood. Brother Yue Tie, don’t worry. I understand,” Tan Liu said with a smile.

Just as he said that the formation was about to activate.

Compared to the formation of Thunder Courtyard, the formation here was a little worn out.

Everyone in the formation was shaking. It was obvious that this formation was not stable at all. If not being careful, an accident could happen, and the people could fall to other places.

Qin Yu was on tenterhooks along the way. It would be troublesome if he was teleported to other places. There were only five days left.

Fortunately, after more than an hour, a few of them successfully landed nearby Mount Taihua.

There were many cities around Mount Taihua. But of course, these cities were clans formed by many cultivators and not full fledged cities.

At a glance, an extremely huge mountain range was in front.

The mountain range stretched for a few hundred li and was surrounded by a dense mist. It was a spectacular sight.

“That’s Mount Taihua,” Tan Liu sighed with emotion and said.

“Speaking of which, this is my first time coming to Mount Taihua.”

Qin Yu calculated the time. It would take two more days for the so-called grand event to start.

Therefore, Qin Yu said to Tan Liu, “Let’s first find a place to stay.”

“Isn’t anyone coming to pick you up?” Tan Liu was a little surprised and asked. “Didn’t they arrange a place for you to stay?”

“Of course, the arrangement has been made. It’s just that many people are coming to Mount Taihua, so I don’t want to trouble Si Shiyue.” Qin Yu made up a story.

“Understood, understood!” Tan Liu said was suddenly enlightened and said.

As long as one had the status, the other party would believe him without hesitation, even if he was talking nonsense.

Qin Yu was well aware of this, so he was not worried.

The two found a place near Mount Taihua and settled down temporarily. Tan Liu even brought good wine and meat to please Qin Yu.

During the meal, Qin Yu’s mind was fully thinking about how to trick Tan Liu into giving him the invitation letter.

It was very unfair, but Qin Yu had no choice but to do this.

“Brother Tan Liu, why did you come to Mount Taihua?” Qin Yu asked.

Tan Liu sighed and said, “Of course, it’s to strive for a chance. If I can enter the Si or Yan family, I can be considered settling well in the future...”

Hearing this, Qin Yu suddenly felt that this was his chance.

“What do you want to do entering the families?” he asked with a smile.

“Anything is fine. I’m even willing to be a handyman.” Tan Liu sighed with emotion.

“Rumor has it that their handymen get a few pills every month, and they can simply take whatever herb juice they want,” Tan Liu said with a face full of yearning.

Qin Yu chuckled and said, “So it’s just for this small matter. Isn’t this simple? I’ll help you talk to Si Shiyue later. I’ll ask him to keep you by his side.”

Tan Liu was stunned for a moment and then hurriedly said, “Brother Tie, is what you said true?”

“It’s true. You and I are fated to meet. It’s just a matter of a sentence,” Qin Yu said indifferently.

“But you must understand that even if Si Shiyue gives me face, you must also concern about other people’s feelings. So when you first join the Si family, you might have to start from the beginning.” Qin Yu quickly changed the topic to avoid suspicion from Tan Liu.

“Brother Tie, I’ll never forget your great kindness!” Tan Liu quickly picked up his wine cup and said.

“You’re welcome,” Qin Yu laughed as he picked up the wine cup and finished drinking it with Tan Liu.

That night, the two of them drank until they were dead drunk.

Originally, Qin Yu had wanted to snatch the invitation letter directly. However, he was at the foot of Mount Taihua and was unfamiliar with the place. He was also afraid that something would go wrong.

Therefore, Qin Yu gave up on the idea.

The following day.

While Qin Yu and Tan Liu were eating, he casually mentioned, “Brother Tan, your invitation letter must be costly, isn’t it?”

“To get this invitation, I had to beg and spend a large amount of money and time,” Tan Liu smiled bitterly and said.

“Tsk! Tsk! You actually wasted so much money on such a piece of miserable paper. What nonsense!” Qin Yu pretended to sigh and said.

“Brother Tie, you don’t understand the pain people like us went through,” Tan Liu sighed with emotion and said.

Seeing the opportunity, Qin Yu tentatively said, “With me around, you don’t need an invitation at all. Why don’t you take this opportunity to sell the invitation letter and earn back the money?”

“Forget it, in case something unexpected happens,” Tan Liu furrowed his brows and said.

“Something unexpected? Hehe! It seems that Brother Tan doesn’t believe me,” Qin Yu clapped his hands, stood up, and was about to leave.

Tan Liu hurriedly pulled Qin Yu back. He gritted his teeth and said, “I’ll listen to you and sell this invitation!”

“It has nothing to do with me whether you sell it or not. I just feel a little heartache over such a large sum of money. This invitation must have cost tens of millions of spirit coins!” Qin Yu tried to probe information out of him.

“I don’t know the exact amount, but I estimate it can be sold for 100 million spirit coins. This thing can be both valuable and worthless,” said Tan Liu in a deep voice.

“Sell it,” Qin Yu nodded slightly and said. “It’ll be a piece of waste paper after two days.”

“Alright. I won’t waste any more time. I’ll go now,” Tan Liu said.

After that, Tan Liu stood up and walked out of the inn.

The moment he stepped out of the door, Qin Yu immediately activated his desolate divine eye and followed him closely.

Qin Yu then took a black robe from his Spatial Magic Artifact to cover his face and quickly followed him.

Tan Liu took out the invitation letter. Just as he was about to speak, Qin Yu took the lead to step forward and block him.

“Invitation letter? You actually have an invitation to Mount Taihua?” Qin Yu suppressed his voice to avoid being recognized by Tan Liu.

Tan Liu nodded and said, “That’s right. I don’t need this invitation letter for now. That’s why I’m planning to sell it.”

“How much does it cost?” Qin Yu asked despite knowing the answer.

“100 million spirit coins,” Tan Liu said after some thought.

Qin Yu had been feeling guilty, to begin with. Thus he immediately said, “I’ll pay you 200 million spirit coins. Sell this to me.”

“Really?” Tan Liu was startled and hurriedly asked.

“Yes, absolutely,” Qin Yu said.

Therefore, Qin Yu took out his card and handed it to Tan Liu.

With a burst of bright light, 200 million spirit coins were transferred to Tan Liu’s card.

“Alright. This invitation letter is now mine,” Qin Yu couldn’t wait to take over the invitation letter.
