

My Rich Wife –  
Chapter 1816 – 1820

### **1816 Stepping into the Grand Event**

After taking the invitation letter, Qin Yu turned around and left. He was afraid that Tan Liu would regret his decision.

After running a long distance to ensure Tan Liu could no longer see him, Qin Yu took off his black robe and returned to the inn, stepping the line word formula.

As soon as Qin Yu returned, Tan Liu came back after him.

“Brother Tie, an idiot spent 200 million to buy the invitation!” Tan Liu said excitedly.

Qin Yu’s face turned gloomy, but he still smiled and said, “Maybe that invitation is very important to him.”

“Let’s not bother about that. We’ll each take half of the money!” Tan Liu took out his card and was about to split the amount equally with Qin Yu.

With Tan Liu’s behavior, Qin Yu felt even more guilty.

“No need. I’m not short of money. You can keep it for yourself,” Qin Yu waved her hand and said.

“How can I do that? I must split the money with you!” Tan Liu said stubbornly.

However, Qin Yu insisted on not accepting it. Thus Tan Liu had no choice but to keep it while he kept sighing that Qin Yu was a good person.

The following day, Qin Yu invited Tan Liu to a meal. He had wanted to disappear, but after thinking about it, he decided not to. After all, even if he did leave, they would definitely meet at Mount Taihua.

In the blink of an eye, it was the day of the grand event.

On this day.

Huge carriages appeared in the sky one after another.

People in luxurious clothes with powerful internal qi were sitting in the carriages. Their expressions were cold and extremely dignified.

In front of the carriages, huge rare beasts were running wildly. These rare beasts actually had the strength of the Reversion Void Stage and were extremely terrifying!

“Even the beasts pulling the carriages are at the Reversion Void Stage.” Qin Yu couldn’t help but sigh in his heart.

Was this the strength of the nine great aristocratic families? It was indeed shocking.

Qin Yu was looking at the carriages that sped past one after another, trying to find Yan Ruoxue.

Unfortunately, Qin Yu could not find her.

Such a wondrous scene attracted the attention of countless people.

They gasped in admiration, full of emotions seeing this wondrous scene.

“Brother Tie, let’s go,” Tan Liu said.

“Mmm,” Qin Yu responded “Let’s go.”

The two walked toward Mount Taihua.

At this moment, the top of Mount Taihua was emitting an extremely holy light. It was like a fairyland.

It was obvious that they had set up a terrifying formation above to prevent anyone from coming to cause trouble.

Qin Yu and Tan Liu hurried to the top of Mount Taihua on foot. Along the way, Qin Yu was feeling extremely uneasy in his heart. But he was more nervous and excited, mixed with a trace of anger...

He was excited that he was finally going to see Yan Ruoxue. The anger naturally was because of Si Shiyue.

“We’re finally going to meet.” At the thought of Si Shiyue, Qin Yu’s face turned terribly cold.

Along the way, there were also people like Qin Yu who went to Mount Taihua on foot. However, most of them took the carriage and landed on the mountaintop.

After a long time, Qin Yu and Tan Liu finally arrived at the mountaintop.

The mountaintop was huge and flat. Rumor had it that the Yan family had flattened the peak with a single strike, turning the uneven mountain into what it was now.

Many people had gathered on the mountaintop. There were immortal tables made of jade and man-made immortal springs.

There was a divine tree in the middle of the mountaintop. The divine tree had an extraordinary origin and not inferior to Qin Yu's Enlightenment Technique.

Two people were guarding the entrance. They had extremely powerful strength that Qin Yu could not see through at all.

"That's the place," Tan Liu pointed at the two men and said.

Qin Yu could not help but look at Tan Liu guiltily. He said softly in his heart, "I can only say sorry."

Soon, the two arrived at the entrance.

The two cultivators in charge of guarding the place immediately blocked their way.

"Who're you?" one of them said.

"This is Shi Yuetie, an old friend of Young Master Si Shiyue," Tan Liu said excitedly.

"What Shi Yuetie? I've never heard of it!" the two of them berated.

Tan Liu frowned. He looked at Qin Yu and said, "Does the status of these two people too low to recognize you?"

Qin Yu didn't dare to answer him. He quickly took out the invitation and handed it to him.

Upon seeing the invitation letter, Tan Liu was instantly stunned.

"Brother Tie, you... What do you mean by this?" Tan Liu's brows were tightly knitted.

Qin Yu said rather awkwardly, "I'm really sorry. I lied to you. I don't know Si Shiyue at all. I was also the one who bought your invitation letter a few days ago. I'm really sorry. I'll definitely make it up to you in the future."

After saying this, Qin Yu quickly walked in.

Tan Liu was stunned. He was extremely angry and instantly wanted to rush in.

Unfortunately, Tan Liu couldn't even take half a step in front of these two guardians.

"Shi Yuetie, you are a f\*cking b\*stard. I will never let you go!"

Tan Liu's angry scolding was behind him, but Qin Yu could only brace himself and pretend he did not hear it.

After stepping into the grand event, Qin Yu realized that those who came here were either from the Yan family, the Si family, or the sects that were affiliated with them.

In short, the people who could come here were all extremely powerful.

Even the cultivators who served the people had stepped into the Reversion Void Stage.

"It's truly terrifying," Qin Yu thought to himself.

Fortunately, no one here paid attention to Qin Yu. He was like an invisible person, so there was no need to worry too much.

He then came to a jade table and sat down. He picked up the immortal fruit on the table and began to chew.

The wealth of these aristocratic families was indeed terrifying. Even the immortal fruits on the table were more superior than Spirit Pills and miraculous elixirs. The moment he swallowed them, rich spiritual energy flowed through his body, and his spirit was instantly lifted.

"Since I'm already here, it'd be a waste not eating them," Qin Yu thought to himself.

He was like a different species in this grand event, eating and drinking like a monkey jumping up and down.

Qin Yu didn't look around carefully until he was full.

A few supreme treasures were hanging around on the top of the mountain. At a closer look, each of them was a top-tier Saint Weapon.

And the formation around them was even more terrifying. No one knew what kind of top-tier supreme treasures were used as the eyes of the formation. Wisps of internal qi that surpassed the Holy Power were permeating the air.

Many young men gathered together and seemed to be talking about something.

Qin Yu thought for a while and finally decided to join them.

"Brother Sui, your cultivation realm seems to have advanced."

"That's right. I was lucky enough to reach the middle stage of Reversion Void."

"Congratulations, Brother Sui. Brother Sui's talent really makes us envious."

Everyone toasted and praised each other.

“Among the younger generation, who do you think will be the first to enter the True Saint realm?” someone suddenly sighed with emotion and asked.

“True Saint realm? In any case, I’m afraid I’ll need 500 years.”

“I’m afraid I’ll need 1,000 years.”

“I don’t know if there’s any hope for Si Shiyue. He has a first-generation bloodline inheritance and a chaotic body. Once he steps into the True Saint cultivation realm, he’ll be invincible.”

## **1817 The Si Family’s War Chariot**

Soon everyone thought of Si Shiyue. Besides him, this group of people also mentioned a few names.

However, Qin Yu didn’t remember any of these names. All of his attention was on Si Shiyue.

“Will Shi Shiyue come today?”

Qin Yu, who wanted to keep a low profile, couldn’t help but ask.

Hearing Qin Yu’s words, they all turned around and looked at him.

They looked at Qin Yu with curiosity and said, “This brother looks quite unfamiliar.”

“Mmm, I don’t go out much. I also don’t like to be in the limelight,” said Qin Yu, bracing himself.

“Oh! It looks like you’re keeping a low profile,” only then the people around him understood.

“I can’t see through your strength. You look like you’re only at the Mighty Realm.”

“Is there even a need to say it? If you can’t see through him, it can only mean that this young master is extremely powerful. He’s only suppressing his cultivation realm because he’s keeping a low profile.

Qin Yu couldn’t help but feel embarrassed. This group of people really liked to imagine things.

This was good. This way, he didn’t have to waste time finding excuses.

“Everyone, will Si Shiyue come today?” Qin Yu asked again.

“Of course. It’s a grand event between the Yan family and the Si family. How could he not show up?” someone beside him answered.

Qin Yu frowned and said, “Isn’t he in seclusion? Could it be he has already entered the True Saint cultivation realm?”

Hearing this, the few of them couldn’t help but laugh. “Brother, how long has it been since you last came out? The True Saint cultivation realm? My. Si is extremely talented, but it’s not that easy to become a True Saint.”

“That’s right. Even Si Shiyue will take many years to become a True Saint.”

Qin Yu nodded slightly.

As long as Si Shiyue did not become a True Saint, he still had a chance.

“Will Yan Ruoxue come?” Qin Yu continued to ask.

“Of course. If Miss Yan doesn’t come, I’m afraid Si Shiyue wouldn’t show up either,” the person beside him said.

Qin Yu nodded. He wanted to ask for more information, but he was worried his identity would be exposed. Therefore, he had to hide aside.

The sun gradually rose high in the sky, and the crowd also arrived at the scene one after another.

At this moment, a huge carriage appeared in the sky.

This carriage was extremely imposing. It was like several ferocious beasts pulling a huge palace, and was extremely dazzling to the eyes.

And on the side of the carriage, there was a huge “Yan” character.

When the carriage arrived, Holy Power instantly filled the air.

An old man appeared at the front of the carriage. His expression was dignified and his aura was bold and vigorous. He was clearly an important figure in the Yan family.

“This is a True Saint,” Qin Yu couldn’t help but sigh in his heart.

As expected of the Yan family, the person they sent was a True Saint.

Qin Yu wanted to use his desolate divine eye to probe, but he did not dare to act rashly in front of a True Saint. He could only hide at the side and observe the carriage quietly.

“The Yan family is here.”

“I wonder if the head of the Yan family has arrived.”

“The head of the Yan family is a person who can shake the entire Holy Region with a stomp of his foot. Why would he come here personally?”

Qin Yu frowned slightly when he heard the discussion in the surroundings.

This True Saint was actually not the head of the Yan family!

In that case, the head of the Yan family was even more terrifying!

In the carriage.

Yan Ruoxue was wearing a golden crown and a veil covering her face, looking like a fairy from the nine heavens.

She turned to an old man beside her and said, “Uncle Yan, can I not show my face?”

“Miss Yan, you can’t do that. You’re representing the Yan family now,” the old man who was addressed as Uncle Yan quickly bowed and said.

Yan Ruoxue sighed. She seemed to be tired of such occasions.

Under the watchful eyes of the crowd, the carriage arrived at the top of the mountain.

Then, the carriage door opened. Uncle Yan and Yan Ruoxue slowly alighted.

Even though Yan Ruoxue covered her face, Qin Yu could still recognize her at a glance!

She was still so dazzling and charming.

Under everyone’s gaze, Yan Ruoxue appeared extremely gracious. She smiled and greeted everyone one by one before slowly walking forward.

“Miss Yan is here.”

“That’s right. Rumor has it that Miss Yan has the genuine purest bloodline flowing in her body.

“With such a bloodline, I can’t imagine what it will be like in the future.”

Qin Yu didn’t say a word. From the moment Yan Ruoxue appeared, Qin Yu’s gaze never left her.

Yan Ruoxue, chatting with the crowd, seemed to have sensed a burning gaze on her. She followed the gaze and looked in Qin Yu's direction.

Qin Yu quickly turned around. He was afraid that Yan Ruoxue would recognize her.

Qin Yu knew very well that they must not acknowledge each other on such an occasion. Otherwise, it would definitely cause trouble for Yan Ruoxue.

Looking at Qin Yu's back, Yan Ruoxue's willowy brows furrowed.

"Miss Yan, what's wrong?" Uncle Yan, who was beside her, quickly asked.

Yan Ruoxue shook her head and said, "Strange, I somehow feel it's familiar."

"Most of the people here today are people you're familiar with. Thus you don't have to be surprised," Uncle Yan said softly.

Yan Ruoxue nodded and did not say anything else.

Qin Yu's back was facing Yan Ruoxue. His heart filled with mixed feelings.

This feeling of being so close but not daring to recognize her was very uncomfortable. Especially when he thought of Si Shiyue, Qin Yu was even more furious.

Qin Yu took a deep breath and suppressed the anger in his heart.

He knew very well in his heart that anger without ability was meaningless.

Therefore, Qin Yu used a secret technique to cover his face.

Although Qin Yu's technique was not brilliant and even a little clumsy, he could still hide his identity.

"Everyone, what's the theme of today's event?" Qin Yu went up to the group of young masters and asked softly.

"What else could it be? It's nothing more than announcing to the world the relationship between the Yan family and Si family," someone laughed and said.

"You can't simply say such a thing. If you make the two families unhappy, you won't be able to bear the consequences," someone beside him said jokingly.

Qin Yu nodded slightly. He looked to the front and saw a group of young men gather around Yan Ruoxue.

The internal qi of these people was extremely terrifying. Even though they had concealed their internal qi, people could still sense the terrifying power in their bodies.

It was obvious that even in such a grand event, there were still differentiation in level.

Compared to Yan Ruoxue and Si Shiyue, the young masters around Qin Yu were obviously one or several levels lower.

“The Si family’s carriage has also arrived.”

At this moment, an extremely huge carriage appeared in the sky.

The carriage looked a little old, but it exuded an internal qi of long years. It was as if it had been passed down for many years.

“It’s actually the Si family’s ancient war chariot. It seems that the Si family values this event very much,” someone beside him sighed with emotion and said.

## **1818 He Is Shi Shiyue**

The Si family’s war chariot was awe-inspiring. It exuded an ancient internal qi that caused people to have the urge to prostrate in worship.

Qin Yu raised his head and stared at the chariot. He couldn’t help but have a trace of killing intent in his heart.

Even though Qin Yu tried to restrain himself with all his might, it was hard for him to tolerate it.

Soon, the chariot stopped, and powerful figures stepped down one after another.

These people seemed to be the elders of the Si family. They looked quite benevolent but their every act and move made people not dare to offend them.

Soon, a rather handsome young man walked down from the chariot.

He looked cold and arrogant, and his conceited temperament made people not dare to look into his eyes.

This person was the famous Si Shiyue. He was the most talented young man in the Si family and one of the most powerful geniuses in the entire Holy Region!

Qin Yu’s gaze was fixed on him as if he was trying to memorize his face.

Under everyone’s gaze, Si Shiyue slowly walked down from the war chariot. No one dared to come forward to talk to him due to his conceited temperament.

One could clearly sense a tremendously powerful internal qi on his body.

This internal qi was perfect by nature, and it seemed that everything he could see would bow to him.

“Si Shiyue...” Qin Yu clenched his fists and remembered him by heart.

“Mr. Si’s internal qi seems to have been stronger than before,” someone sighed with emotion and said.

“That’s right! His talent is among the best even in the entire history.”

“If he continues to grow in this manner, he will definitely enter the Tribulation Transcending Stage. He might even have the chance to become an emperor.

While the others were talking among themselves, Qin Yu was hiding in the dark, looking at Si Shiyue coldly with a dark face.

Si Shiyue walked past the crowd and headed toward Yan Ruoxue.

He walked all the way to Ruoxue’s side and bowed slightly, “Ruoxue, are you representing the Yan family?”

Yan Ruoxue shook her head and said, “No, Uncle Yan is in charge. It has nothing to do with me.”

Si Shiyue’s brows furrowed a little as if he was slightly surprised.

Uncle Yan, who was by the side, was stunned too. However, he did not deny it. Instead, he nodded and said, “Shiyue, Ruoxue is still young. She doesn’t want to be involved in this matter for the time being.”

“Uncle Yan,” Si Shiyue greeted Uncle Ya. He then said, “It’s fine. This event is just a display to the public and also to show the power of our families.”

As Si Shiyue said, the Si family placed great importance on this event.

They had mobilized the ancient war chariot and brought Saint Weapons along.

Besides this, a True Saint was also following Si Shiyue.

Such power was enough to sweep away most of the families in the Holy Region.

Following that, Si Shiyue walked forward. He came to an immortal platform and sat down. His posture was incomparably proud, like a newly ascended king enjoying the worship of everyone.

Compared to Si Shiyue, Yan Ruoxue was much more peaceful. She had a faint smile on her face and was natural and gracious.

Qin Yu was still looking at Si Shiyue coldly. He had deeply engraved Si Shiyue's face in his mind.

He was the powerful chaotic body, Qin Yu's love rival!

Urged by such feelings, Qin Yu could no longer hold back the killing intent in his heart.

He knew that if this continued, Si Shiyue would surely notice.

"I can only leave for now." Qin Yu gritted his teeth and looked at Yan Ruoxue again.

Although he was reluctant to leave, Qin Yu knew he would get into trouble if he stayed longer. Thus he had to leave for now.

Si Shiyue had left an extremely deep impression on Qin Yu. His powerful internal qi was the most terrifying among all the young people Qin Yu had seen thus far.

This invisible pressure made Qin Yu even more anxious.

Qin Yu quickly got up and walked toward the exit of the grand event.

Just as Qin Yu stood up and was about to leave, Yan Ruoxue once again noticed this "strange person".

"This person..." Yan Ruoxue frowned slightly.

She always felt that this person very much resemble Qin Yu. That lean back gave Yan Ruoxue a unique feeling.

She could only feel this from Qin Yu.

"Could it be him?" Yan Ruoxue couldn't help but stand up and stare in Qin Yu's direction.

"Miss Yan, what's wrong?" Uncle Yan asked softly.

Yan Ruoxue pulled Uncle Yan to the side and said, "Uncle Yan, I... I want to go out for a while."

"Going out for a while? Miss Yan, if you leave on occasion like today, isn't it putting the Si family in an awkward position?" Uncle Yan said with a frown.

Yan Ruoxue pulled on Uncle Yan's arm and said coquettishly, "Uncle Yan, I have an emergency. I believe you can help me think of a reasonable reason. Please, please!"

Uncle Yan smiled bitterly, sighed, and said, "You almost caused trouble when you left the Yan family last time. This time..."

"One last time. I promise this will be the last time!" Yan Ruoxue begged and said.

Uncle Yan seemed to be at a loss and could only sigh and say, "Alright. I'll get someone to follow you to prevent anything untoward."

"No! No! No! I don't need it. I have this." Yan Ruoxue hurriedly shook her head. With a flip of her palm, she took out a jade mirror.

The jade mirror had an extraordinary origin. It was a top Saint Weapon passed down from the Yan family's ancestors.

Uncle Yan had no choice but to nod and say, "Alright. Please be careful and come back early."

"Sure!" Yan Ruoxue hurriedly nodded.

After saying this, she quietly walked toward the exit.

After leaving the grand event, Yan Ruoxue gently stepped on the ground and a green lotus appeared under her feet.

This green lotus was also a top-notch magical artifact of the Yan family. It had extremely fast speed and Yan Ruoxue found Qin Yu's figure in almost an instant.

At this moment, Qin Yu was slowly walking down the stairs.

The internal qi on his body was terribly cold, and his mind was full of Si Shiyue's arrogant expression.

Qin Yu wished he could stomp on his stinky face.

However, his powerful internal qi had given Qin Yu unprecedented pressure.

This kind of pressure really caused some pain to Qin Yu.

Just then, a figure landed in front of Qin Yu.

A blinding light flashed in the surroundings like a barrier, separating the two of them from the space in the surroundings.

“Qin Yu, you... you actually came to the Holy Region!” Looking at the dejected and angry Qin Yu in front of her, Yan Ruoxue seemed to have guessed something.

Compared to Yan Ruoxue’s surprise, Qin Yu seemed to be at a loss.

He quickly said, “Ruoxue, I... I came here secretly. I’ll leave now. Don’t worry. No one will find me. I won’t cause you any trouble...”

Yan Ruoxue was stunned. She walked forward and placed her gentle hand on Qin Yu’s head. The scene was the same as in the past.

“Silly! What are you saying? What trouble can you cause me?” Yan Ruoxue smiled gently.

## 1819 Traveling with Yan Ruoxue

Qin Yu lowered his head, not knowing what to say.

There was joy in his heart, but there was also a trace of inferiority mixed with this joy.

“This is not the place to talk. I’ll wait for you at Lake Crescent Moon in front,” Yan Ruoxue said.

“Alright,” Qin Yu nodded and said.

Following that, Yan Ruoxue kept away the light and rushed toward Lake Crescent Moon, stepping on the jade lotus.

Qin Yu walked all the way to the foot of the mountain. As soon as he reached the foot of the mountain, he was stopped by Tan Liu.

It was obvious that he had been waiting here for a long time. When he saw Qin Yu walking out, Tan Liu rushed toward him and grabbed his wrist.

His eyes were wide open, and terrifying anger erupted from his whole body.

“You b\*stard! You dared to lie to me!” Tan Liu gritted his teeth, wishing he could swallow Qin Yu alive.

“I’m really sorry,” Qin Yu said awkwardly. “I was forced to do so. But don’t worry, I’ll make it up to you.”

“Make it up for me? Make up my a\*s! Who do you think you are to make it up for me? You’re a liar! I won’t believe you anymore!” Tan Liu furiously said.

“How about this?” Qin Yu thought for a moment and said. “I’ll find a way to let you enter the Yan family. How about that?”

“F\*ck you! Are you trying to cheat me for the second time?” Tan Liu cursed.

Seeing this, Qin Yu could only say shamelessly, “ Things have turned out this way. It’s useless even if you kill me. Moreover, you may not be my match. Why don’t you believe me once more? You won’t suffer any losses anyway.”

“F\*ck you! What if you take the opportunity to run away?” Tan Liu said angrily.

“If I wanted to run, I wouldn’t have come out of here. Besides, I want to leave now. Do you think you can stop me?” Qin Yu said.

Tan Liu was furious, but he really could not do anything to Qin Yu.

They would probably anger the Si and Yan family if they started a fight here.

“Where should I wait for you?” The helpless Tan Liu could only compromise.

Qin Yu thought for a moment and said, “We’ll go to the inn we stayed in before. Before I go there, please don’t leave.”

Tan Liu gritted his teeth and said, “If you dare to lie to me again, I won’t let you off even if I have to risk my life!”

“Don’t worry. I won’t lie to you,” Qin Yu said seriously.

Tan Liu snorted coldly. He didn’t pursue the matter any further and turned around to leave.

Qin Yu didn’t waste time and immediately went straight to Lake Crescent Moon.

The scenery at Lake Crescent Moon was very beautiful.

As its name suggested, the shape of the entire lake was like a crescent moon.

In the middle of Lake Crescent Moon, Yan Ruoxue was waiting for Qin Yu on a small boat.

After seeing Qin Yu’s figure, Yan Ruoxue waved at him.

Qin Yu stomped his foot, stepped on the lake, and ran toward the boat.

Qin Yu had an indescribable feeling the moment he landed on the boat.

The feeling of being so close and yet so far from her made Qin Yu feel a little lost.

“What’s the matter? Are you backing out?” Yan Ruoxue asked with a smile.

Qin Yu shook his head and said, “No, I’m just... I’m not confident.”

“No confidence?” Yan Ruoxue was a little surprised.

“You don’t have confidence in me, or you?”

Qin Yu opened his mouth and said after a moment, “Both. Si Shiyue’s strength is indeed more powerful than I imagined. And... he is indeed very outstanding.”

When Yan Ruoxue heard this, she could not help but sigh.

She held Qin Yu’s hand and said, “There are many outstanding people in this world. However, there is only one Qin Yu and one Yan Ruoxue.

“I’ve always believed in you. As long as you want it, you’ll definitely be able to do it. If you’re afraid, then I’ll be very disappointed.”

Yan Ruoxue looked at Qin Yu seriously. Her big eyes were full of sincerity and anticipation.

After hearing Yan Ruoxue’s words, Qin Yu’s confidence was reignited.

He took a deep breath and said, “I will definitely surpass Si Shiyue. This day won’t take too long.”

“I also believe in you.” Yan Ruoxue gently leaned against Qin Yu’s chest and wrapped her arms around Qin Yu’s waist.

Qin Yu was stunned. He tried to raise his hand and hold Yan Ruoxue in his arms.

The two of them hugged each other in such a manner, and neither of them spoke.

The entire world seemed to have come to a standstill at this moment. How they wished this moment would last forever!

“It’s said that a blessing has been given to Lake Crescent Moon. As long as two people kiss on the lake, they will be together forever.”

At this moment, Yan Ruoxue suddenly raised her head and looked at Qin Yu.

Qin Yu was about to speak when Yan Ruoxue’s moist red lips moved forward to kiss him.

Qin Yu was stunned. When he came back to his senses, he hugged Yan Ruoxue tightly and kissed her.

The two of them hugged and kissed on Lake Crescent Moon. Their fiery feelings seemed to have exploded at this moment.

“If you’re worried, I can give you everything I have,” Yan Ruoxue’s voice rang out in Qin Yu’s mind.

“Now, right here.” Yan Ruoxue’s voice almost made Qin Yu lose his mind.

He hugged Yan Ruoxue tightly and his hand could not help but caress her clothes.

However, at this moment, Qin Yu suddenly came back to his senses.

“No,” he shook his head hurriedly and said coldly. “I want to have you fair and square. I don’t need such a promise.”

Yan Ruoxue’s beautiful eyes flickered. Looking at the person she loved in front of her, her entire person seemed to be melting.

“You should go back earlier. I don’t know when the day of the Path of Heaven will come, but I will definitely surpass Si Shiyue before that,” Qin Yu said.

“It wasn’t easy for me to come out. Why should I go back now?” Yan Ruoxue smiled and said.

“I’m afraid I’ll cause you trouble,” Qin Yu said with a frown.

“I’m not in any trouble,” Yan Ruoxue smiled and said.

“However, if others find out about this, it will bring you trouble. Are you afraid?” Yan Ruoxue blinked and asked.

“I’m not afraid!” Qin Yu said with determination.

“Silly you!” Yan Ruoxue couldn’t help but laugh. She waved her hand and covered Qin Yu’s face.

At the same time, Yan Ruoxue also covered her face.

“At any time, staying alive is the most important thing,” Yan Ruoxue smiled and said.

At this moment, Yan Ruoxue pulled Qin Yu and said, “Let’s go.”

“Where are we going?” Qin Yu was stunned.

“To have fun, of course,” Yan Ruoxue smiled and said.

Then, she pulled Qin Yu and left Lake Crescent Moon.

Qin Yu didn't know where Yan Ruoxue was taking him. So he could only follow her closely.

Even though Yan Ruoxue's face was covered, Qin Yu was still a little worried. He was worried that someone would find out about this and cause trouble for Yan Ruoxue.

The two of them shuttled through the crowd. She took Qin Yu to a city near Mount Taihua to eat the delicacies of Zhongzhou and go to all the entertainment in Zhongzhou.

There was a street called Deity Street. It had a dazzling array of magical artifacts, herbs, and divine weapons.

As long as Qin Yu glanced at it, Yan Ruoxue would buy it for him without hesitation.

## **1820 This Day Won't Take Long**

Everything was exactly the same as on Earth. As long as Qin Yu liked it, Yan Ruoxue would buy it without hesitation.

As a result, Qin Yu was a little embarrassed. He could only look straight ahead and not look at anything else.

Yan Ruoxue stayed by Qin Yu's side the entire day.

She took Qin Yu to the famous historical sites in Zhongzhou. She took him to the tombs of the great cultivator of the Tribulation Stage, and even to the venue of the daoist rite left by the Immortal Emperor.

Of course, they couldn't enter the venue because it had been sealed off by the major families. As undeveloped venues were full of dangers, no one dared to step in.

Soon, the sky darkened, and the day seemed to have passed.

At night.

Qin Yu and Yan Ruoxue were sitting on a big rock, and the moonlight was shining on their faces.

Yan Ruoxue gently leaned on Qin Yu's shoulder and said in a low voice, “Can we be like this forever?”

Qin Yu was silent for a while, then said, “It won't take long for this day to come.”

After spending a day with Yan Ruoxue, Qin Yu no longer had any fear in his heart. Even his inner demons were no longer haunting him.

She seemed to be the most powerful Pure Heart Sutra. As long as he was with her, it was as if all difficulties would disappear.

“Won’t you be blamed for not returning to the grand event for the entire day?” Qin Yu could not help but ask.

Yan Ruoxue laughed and said, “Silly you. I’ve said that nothing will happen to me.”

Although she said that, Qin Yu knew that the Yan family would definitely blame her.

Qin Yu did not expose her. He suddenly remembered what he had promised Tan Liu.

“By the way, does the Yan family still need people to do odd jobs?” Qin Yu asked.

“Why did you ask?” Yan Ruoxue asked in surprise. “Are you trying to use this opportunity to enter the Yan family?”

“Of course not.” Qin Yu shook his head.

Qin Yu then told Yan Ruoxue what had happened.

Yan Ruoxue couldn’t help but laugh when she heard that Qin Yu had scammed the invitation letter.

Qin Yu smiled bitterly and said, “I had no choice. To get into this event, I could only cheat him of his invitation letter. So, I want to ask if it’s convenient for you to let him enter the Yan family. He’s even willing to do odd jobs.”

“Of course, no problem,” Yan Ruoxue smiled and said.

“In a few days, ask him to go to the Yan family. There will be someone to receive him.”

“Thank you,” Qin Yu said with a smile.

“Is there anything else you need my help with?” Yan Ruoxue asked.

Qin Yu scratched his head. Speaking of which, there was indeed something.

“If it’s convenient, can you help me find Chang Mang?” Qin Yu asked.

“Chang Mang?” Yan Ruoxue was a little surprised. “Chang Mang from the Earth previously?”

“Yes, that’s him. He arrived at Holy Region a year earlier than me, and I’ve lost contact with him,” Qin Yu said.

“If it’s possible, ask him to go to Thunder Courtyard to find me.”

“Thunder Courtyard? You went to Thunder Courtyard?” Yan Ruoxue asked in surprise.

“Yes,” Qin Yu nodded and said. “I came to Zhongzhou this time through the teleportation formation of Thunder Courtyard.”

“Not bad. Thunder Courtyard’s power is comparable to any of the aristocratic families,” Yan Ruoxue smiled and said.

“Yes.” Qin Yu couldn’t help but sigh.

Qin Yu knew how rich the resources of Thunder Courtyard were. They were the best in the entire Holy Region.

“Then you don’t have to worry about Xi Shiyue. On the same platform, I believe you’re not worse than anyone else,” Yan Ruoxue said with a serious expression.

Qin Yu’s eyes flashed with determination. He nodded hard and said, “I also think so.”

What f\*cking Si Shiyue? D\*mn it! Everyone would compete fairly, no one knew who would win until the end!

Just as the two of them were leaning on each other, a Divine Eagle suddenly appeared in front of them.

He hung in the air with his hands behind his back and said quietly, “Miss Yan, we should go back now.”

This person was none other than Uncle Yan.

Uncle Yan had shuttled through the void, so there was no need to say much about his strength.

“Alright.” Yan Ruoxue stood up, looked at Qin Yu, and said, “I’ll wait for you.”

Qin Yu nodded hard. At this moment, Uncle Yan’s gaze fixed on him.

His eyes were extremely sharp as if he wanted to see through Qin Yu!

Qin Yu was also looking at Uncle Yan. There was no fear in his eyes, only determination.

Uncle Yan didn't say much. He turned around and disappeared into the void with Yan Ruoxue.

Everything in the surroundings returned to silence.

Qin Yu could not help but feel a little lonely.

However, after one day, Qin Yu's previous worries and dejection were all swept away. What replaced them was a burning fighting spirit!

He gently clenched his fist and said softly, "I will never give up. No matter who I'm facing!"

...

In the Yan family.

Uncle Yan brought Yan Ruoxue back to the Yan family.

"That person is the Qin Yu you've mentioned?" Uncle Yan asked.

Yan Ruoxue quickly made a shushing gesture and said, "Uncle Yan, you must not tell anyone about this!"

Uncle Yan sighed and said, "That Qin Yu looks pretty good. However, I'm afraid he's far from Mr. Si. Why do you have to..."

"You don't understand. Qin Yu has never lost to anyone." Yan Ruoxue said with a face full of longing.

"One day, you will know that Qin Yu is the most powerful person in the Holy Region or even the entire universe!"

Uncle Yan was silent, but he was sighing in his heart.

He could tell that Qin Yu also had a chaotic body, and he could also see the strong will in him.

However, Qin Yu had started too late, and his current strength was not worth mentioning.

Compared to Si Shiyue, Qin Yu didn't seem to have any advantage.

Si Shiyue also had a chaotic body, and the bloodline of the Immortal Emperor flowed in his body. How could Qin Yu be compared to him?

The bloodline of the Immortal Emperor was enough to override all other physiques!

In addition, Si Shiyue received the resources of the entire Si family. The gap between the two would only grow bigger.

Of course, Uncle Yan didn't tell Yan Ruoxue about this. He knew that nothing he said would change her mind.

...

Qin Yu stood there for a long time. He didn't return to the inn until late at night.

In the inn, Tan Liu had been waiting for a long time.

As soon as he saw Qin Yu, Tan Liu rushed toward him.

"I thought you wouldn't come!" Tan Liu said with a nervous expression.

Qin Yu glanced at Tan Liu and said, "In a few days, you go to the Yan family. Someone will receive you."

"Really?" Tan Liu was startled, he frowned and asked.

"Do I need to lie to you? If I wanted to lie to you, I wouldn't have come back," Qin Yu said, shaking his head.

Tan Liu seemed to feel that this was reasonable. Thus he asked tentatively, "Then whose name should I mention when I go to the Yan family? Yours, Shi Yuetie?"

"No need. You can just mention your name. Also, if you don't want to die, don't mention me to anyone," Qin Yu said with a serious face.
