

My Rich Wife –  
Chapter 1821 – 1825

## 1821 The Inner Demons

Seeing Qin Yu's serious expression, Tan Liu could only nod.

The next day, Tan Liu left the place, while Qin Yu chose to stay and wait for the end of their mission.

These few days, Qin Yu did not waste time. He sat there with his legs crossed, cultivating slowly.

As for how to get the dark energy, Qin Yu planned to figure it out after he returned to Thunder Courtyard.

Another two days passed.

Qin Yu's inner demons acted up again. This time, he took out the bottle from the magical artifact without hesitation and swallowed a few primordial spirits from the bottle.

After devouring the primordial spirits, the primordial spirit in Qin Yu's mind became even more powerful!

It was no exaggeration to say that Qin Yu's primordial spirit was only a step away from the Reversion Void stage!

A powerful primordial spirit was the foundation of everything. Not only did Qin Yu have a powerful primordial spirit beyond his peers, but he also had a physical body that was already in the Reversion Void Stage!

Ordinary Mighty Realm or even a half-step Reversion Void Stage cultivator was not comparable to Qin Yu.

The Reversion Void Stage was invincible. It was indeed a true statement.

Time flew by quickly, and the day appointed arrived.

Qin Yu didn't dare to waste time. He went to the station, spent a lot of spirit coins, and returned to the place where they had agreed to meet.

It was where the teleportation formation of Thunder Courtyard was located. Qin Yu stood there and waited quietly.

In the afternoon, several figures appeared not far away.

Seeing their figures, Qin Yu could not help but frown.

These people's internal qi was extremely unstable.

When they got closer, Qin Yu's face became even more unsightly.

All of them were covered in blood and wounds. Some even had broken arms, and half of their faces shattered.

Even Jue Wu and Jiu Xiao had multiple wounds on their bodies.

"This... What's going on?" Qin Yu quickly went over.

Jue Wu, who had always been lively, was silent this time.

Her face was gloomy as if she had suffered a blow.

"Three people died." At this moment, someone spoke.

Qin Yu's face turned extremely ugly in an instant!

Three people died?

These people were the elites of Demon-slaying Peak!

"My dear friend... also died." Someone looked heartbroken and in extreme pain.

Some even squatted down and sobbed silently.

Looking at this scene, Qin Yu also felt a little uncomfortable.

Although he did not experience it personally, he could deeply feel their pain.

"Jue Wu, you... Are you alright?" Qin Yu squatted beside Jue Wu and said softly.

Jue Wu shook her head. She looked at Qin Yu and said, "All of us made concerted efforts, but three people still died. Sigh!"

"Don't be so sad." Qin Yu didn't know how to comfort her, so he could only persuade her.

Jue Wu waved her hand and said, "I just don't feel good in my heart."

Even Jue Wu was so sad, let alone the others.

Jiu Xiao looked terribly cold. Even his internal qi was extremely unstable.

“Let’s go,” Jiu Xiao said.

“Jiu Xiao, I want to go back to bring back Eighth Brother’s body,” someone suddenly said.

Jiu Xiao glanced at him and said coldly, “What’s the use of bringing back a corpse? If you go back now, it’s the same as sending yourself to death.

“But…”

“No buts. It’s not the first time someone has died on Demon-slaying Peak,” Jiu Xiao interrupted him.

With that, he activated the formation and asked everyone to leave immediately.

Even though everyone felt uncomfortable, as Demon Hunters, they had to be rational enough.

Therefore, they still stepped into the formation in the end.

The group of them set foot on the road back to Thunder Courtyard.

Along the way, Qin Yu felt very very comfortable.

No wonder Jiu Xiao did not allow him to participate. The danger was beyond his imagination.

After a long time, everyone finally returned to Demon-slaying Peak.

This time, there was no joy or laughter like previously. Instead, everyone was lifeless. No one said much but just returned to their cave abodes.

In the cave abode, Jue Wu didn’t seem in a good mood.

Qin Yu didn’t know how to comfort her, so he could only stay by her side.

Fortunately, Jue Wu was an open person. After a while, she ate and drank as if nothing had happened. The only difference was that that night, Jue Wu drank a lot and was dead drunk, although she had a high tolerance for alcohol.

The feeling of losing a companion was definitely not good.

It was also the first time Jue Wu experienced what it meant to be a companion.

...

The following day, Jue Wu handed her token to Qin Yu.

"I've obtained a total of 45 points this time. I think it should be enough now," Jue Wu said.

Qin Yu took over Jue Wu's token. He opened his mouth and said, "Are you alright now?"

"What can happen to me?" Jue Wu lazily stretched.

"How about you? Did you get anything from your trip to Zhongzhou?"

"Mmm," Qin Yu responded and told Jue Wu about his experience.

"So you've seen that chaotic body?" Jue Wu touched her chin and muttered.

"Yes," Qin Yu said in a deep voice. "He's way much stronger than I've imagined. I must hurry up."

Jue Wu agreed and said, "Then you should hurry to the first main peak. Don't waste time."

"Alright," he said. Qin Yu stood up and left the cave abode, heading straight for the first main peak.

It was like previously, Qin Yu had been familiar with the process.

After arriving at the Scripture Pavilion, Qin Yu went straight to look for the Pure Heart Sutra.

To Qin Yu's surprise, the Pure Heart Sutra was not an actual book. After the exchange, it turned into a golden light and directly entered Qin Yu's mind.

And the Pure Heart Sutra's true body was lying there quietly, flickering with radiance.

Qin Yu didn't think much. It was enough for him as long as he obtained the technique.

After obtaining the Pure Heart Sutra, Qin Yu went to visit Dean Lei again. Unfortunately, Dean Lei did not see him this time.

Qin Yu had no choice but to return to Demon-slaying Peak.

"There are still quite a few points left in this token. I'll give them all to you." Qin Yu handed his token to Jue Wu.

“When you have time, you can go to the first main peak to exchange for the cultivation technique you need.”

This time Jue Wu didn't reject. She transferred all the points in the token to her token.

After that, Qin Yu started his cultivation.

He closed his eyes slightly and circulated the Pure Heart Sutra in his mind.

It was an extremely strange Meridian Circulation Technique. Under the circulation of the Pure Heart Sutra, the inner demons were indeed suppressed.

Qin Yu was instantly overjoyed. As long as he could suppress his inner demons, he could devour the remaining primordial spirits without any worries.

However, Qin Yu did not know that the harder he suppressed his inner demons, the more terrifying the rebound would be.

He also did not expect these inner demons to give birth to an extremely terrifying monster. And this monster was none other than Qin Yu himself.

## **1822 Dean Lei and Qin Yu's Father**

In the days after, Qin Yu locked himself in the cave abode all day to comprehend the Pure Heart Sutra.

With the Pure Heart Sutra, all the distractions Qin Yu had in mind were driven out. It was as if he had entered a no-man's land.

Rumor had it that the Pure Heart Sutra had different effects for each individual. The peak was to enter the state of “selflessness”.

Under such a state, the advancement of the state of mind was extremely terrifying. The speed of cultivation also far exceeded what it had been before.

Although Qin Yu did not enter a selfless state, the distractions in his mind almost disappeared without a trace. Even his inner demons were almost completely suppressed.

For half a month, Qin Yu did not have the slightest urge to devour primordial spirits.

On this day, Qin Yu opened his eyes and heaved a relief. He felt as if his mind had been cleansed and extremely comfortable.

“In this case, I can try to enter closed-door cultivation,” Qin Yu thought to himself.

As for the closed-door cultivation location, Qin Yu had selected it earlier.

It was at the tomb of the Immortal Emperor.

As Thunder Courtyard was created by Immortal Emperor Lei, he was naturally buried there.

Of course, it was not easy to find the corpse of the Immortal Emperor. It was good enough to be able to cultivate nearby the tomb.

With the dark energy from the Immortal Emperor's corpse and the dragon blood in Qin Yu's hand, it was enough for him to step into the Reversion Void stage.

Therefore, Qin Yu got up and rushed to the cave abode of the peak master.

When Qin Yu arrived at the peak master's cave abode, he was surprised to see Jiu Xiao.

Jiu Xiao had a close relationship with the peak master. Thus they were together almost every day.

Qin Yu walked forward and bowed slightly to Jiu Xiao to show his respect. He then looked at the peak master.

"What's the matter?" the peak master asked without raising his head.

"I do have a favor to ask," said Qin Yu in a deep voice.

The peak master was silent, waiting for Qin Yu to continue.

Qin Yu didn't waste time and immediately stated his intention.

"I want to know where Immortal Emperor Lei's tomb is," Qin Yu said.

Upon hearing this, the originally calm peak master suddenly trembled.

The atmosphere of the entire cave abode also became strange.

"Do you know what you're saying?" The peak master raised his head and looked at Qin Yu coldly.

"I don't mean to be disrespectful," Qin Yu said with a bitter smile. "I just need dark energy. I can't find a better place than the Immortal Emperor's tomb."

Jiu Xiao, at the side, couldn't help but sneer and say, "Go to the Immortal Emperor's tomb to cultivate? How dare you? Do you know what Immortal Emperor is? It's an existence that can make Holy Region disappear with a raise of a hand."

“Let’s not talk about whether you’ll offend Immortal Emperor Lei or not. Even if Dean Lei is generous and agrees to your request, do you dare to go?” the peak Master said with a cold face. “Immortal Emperor is inviolable, and even his corpse is not something you can touch. A wisp of the internal qi from his corpse is enough to kill you a hundred times!”

Of course, Qin Yu understood. Thus he quickly explained, “Of course, I’m not qualified to enter the tomb of the Immortal Emperor. It’s enough as long as I can get close to it. I only need dark energy.”

“Because of chaotic body, right?” Jiu Xiao said indifferently.

“Mmm,” Qin Yu responded. “If you can’t accommodate my request, I’ll have to trouble Peak Master to find me another place.”

The peak master said with his face darkened, “Qin Yu, you think too highly of yourself. You want me to help you find a place, do you? On what basis?”

“I’m just begging,” Qin Yu said in neither an overbearing nor self-effacing manner.

The peak master coldly snorted and said, “Begging? Do you think I’ll agree to it?”

Qin Yu remained silent, not knowing how to respond.

“It’s enough,” the peak master said, somewhat annoyed. “Quickly get out. I can’t agree to this.”

Just then, Qin Yu suddenly laughed.

“Let’s do it this way,” Qin Yu said with a smile.

“If you can help me find a place to go, I promise I’ll get first place in the eight main peaks of Thunder Courtyard a year later. What do you think?” Qin Yu grinned and said.

The peak master laughed instead of getting angry.

He looked at Qin Yu with a teasing look and said, “Qin Yu, do you know what you’re saying? The first place of the eight main peaks? Do you know that even Jiu Xiao is only in fifth place?”

“I don’t care about others, I only care about myself,” Qin Yu said quietly.

Hearing Qin Yu’s words, the peak master became interested.

“You’re bragging,” he said as he stood up. “What makes you think you can get first place?”

"I'm confident," Qin Yu's answer was straightforward.

The peak master could not help but laugh. He looked at Jiu Xiao and said half-jokingly, "Jiu Xiao, did you hear that? A year later, he's going to take away your title as the number one of Demon-slaying Peak.

"I don't care about this bubble reputation," Jiu Xiao said indifferently. "If he can do it, I'm happy for him."

Then, the peak master looked at Qin Yu.

"What if you can't do it?" he asked, raising his eyebrows.

"Do as you please," Qin Yu said.

The peak master narrowed his eyes and said, "If you can't do it, you'll end your life and disappear a year later. You'll also have to swear an oath on this. How about it?"

Qin Yu frowned slightly.

This curse was indeed vicious.

But soon, Qin Yu nodded, agreed, and said, "I'll do as you say. I'll swear an oath right now!"

As the saying "There is no construction without destruction." No one in the entire Thunder Courtyard could break through the Reversion Void Stage and enter the True Saint stage within a year.

So long it was not a True Saint, Qin Yu was not afraid of anyone.

According to the peak master's request, Qin Yu swore on the spot.

Both Jiu Xiao and the peak master frowned.

They didn't expect Qin Yu to be serious.

After taking the oath, Qin Yu bowed slightly to the peak master and said, "Then I'll have to trouble Peak Master."

After saying that, Qin Yu turned around and walked out.

The peak master looked at Qin Yu's back and couldn't help but frown. "He's really a madman."

...

At the first main peak, Dean Lei's eyes were slightly closed, and rays of light surrounded his body as if he was going to form an invincible golden body.

At this moment, an old man walked in.

He stood beside Dean Lei and whispered, "Qin Yu has exchanged for the Pure Heart Sutra,"

"The Pure Heart Sutra?" Dean Lei frowned slightly.

"That's right. The purpose is very clear," the old man said.

Dean Lei was silent for a while. He then sighed and said, "Speaking of which, he's the first person to choose the Pure Heart Sutra."

"Yes," the person beside him smiled bitterly.

"Dean Lei, I don't quite understand. Why are you so concerned about Qin Yu? Although he has a chaotic body, there are many unique physiques in the entire Holy Region. But only a handful has developed."

Dean Lei glanced at him, stood up, and then said slowly, "I know his father."

"His father?" The old man was stunned and frowned.

"His father... Who is he?"

### **1823 The Reason Behind the Immortal Slaying Sect's Destruction**

Dean Lei shook his head and did not explain.

"Does this young man actually have an impressive background?" the old man beside him was puzzled and asked.

No matter how he looked at Qin Yu, he didn't look like a young master from an aristocratic family.

He was extremely puzzled by what Dean Lei had said today.

At this moment, Dean Lei said slowly, "I've only just found out about the kid's identity."

"Is his father very powerful?" the old man was puzzled and asked.

Dean Lei looked at him and opened his mouth, but did not say anything in the end.

At this moment, the peak master had brought Qin Yu to the first main peak.

"I'm telling you, I've tried my best. But there's a 99% chance that Dean Lei won't agree to it," The peak Master said in a deep voice.

"Mmm," Qin Yu responded. "Thank you, Peak Master."

The peak master didn't have any hope at all because the entire Thunder Courtyard was extremely cautious about anything concerning the Immortal Emperor's Big Grave.

Not to mention getting close to it, even mentioning it would be a great disrespect to the Immortal Emperor.

Therefore, the peak master was extremely nervous.

However, he had already agreed to it, so he could only brace himself and walk in.

"Dean Lei." The peak master walked forward and bowed slightly to Dean Lei.

Dean Lei glanced at the peak master and said, "Is Qin Yu outside?"

The peak master nodded and said, "Yes, Dean Lei. He's waiting outside."

Dean Lei was silent. He squinted his eyes and looked at Qin Yu through the city wall.

After sizing him up carefully, Dean Lei frowned slightly.

He quickly retracted his gaze, looked at the peak master, and asked, "How's Qin Yu's recent performance?"

The peak master was taken aback. Obviously, he did not expect Dean Lei to be so concerned about Qin Yu.

"Not bad. This kid has a sense of tenacity, and he's not afraid of anything," the peak master answered truthfully.

The peak master then told Dean Lei about what had happened.

Dean Lei couldn't help but laugh when he heard that.

"Not bad," Dean Lei stroked his beard, smiled, and said.

Hearing Dean Lei's words, the peak master was even more confused.

What was wrong with Dean Lei today? He was so generous with his praises!

"Tell me, why are you seeing me?" Dean Lei asked the peak master.

The peak master swallowed his saliva as if he didn't dare to speak.

"Say it if you have something." Seeing the peak master's worry, Dean Lei said indifferently.

The peak master gritted his teeth and said, "Dean Lei, I know this is impossible, but I have promised Qin Yu. I can only come and ask you. If you disagree, please forgive me."

"Speak out," Dean Lei said indifferently.

The peak master took a deep breath and said, "Qin Yu... Qin Yu said he wanted to go to the Immortal Emperor's tomb to cultivate..."

It was just a short sentence, but the peak master's voice became softer and softer. It was enough to show how unconfident he was.

Perhaps he was afraid that the dean would be angry, so the peak master hurriedly explained, "Due to Qin Yu's unique physique, he needs dark energy to cultivate. I know this kid is delusional, but..."

"I agree to it."

Before the peak master could finish speaking, Dean Lei interrupted him.

"I know you would disagree... What? You... Did you say you agreed?" The peak master was stunned. His eyes were wide open as if he had heard the most outrageous thing in the world.

"Go back and tell Qin Yu I'll personally send him to the vicinity of the tomb in a few days," Dean Lei said indifferently.

The peak master seemed to be in a daze. He stood there dumbfounded, not saying a word.

The dean didn't say much to him. With a wave of his hand, a gentle force sent the peak master to Qin Yu.

The peak master stood in front of Qin Yu like a statue.

His jaw almost dropped to the ground, and his brain was buzzing.

"Hey, Peak Master, are you alright?" Qin Yu couldn't help but ask curiously.

The peak master finally came back to his senses. He shook his head hard and looked at Qin Yu.

“Qin... Qin Yu, what’s your background?” The peak master swallowed his saliva.

Qin Yu frowned and said, “What background could I have? Peak Master, what’s going on? Did Dean Lei agree to it or not?”

The peak master sized Qin Yu up carefully. After ensuring Qin Yu did not seem to be lying, he coughed and said indifferently, “The dean has granted you permission to cultivate near the ancestral grave. Three days later, the dean will personally take you there.”

Qin Yu was overjoyed when he heard this.

“Many thanks, Peak Master!” Qin Yu said as he bowed.

“There’s no need to thank me,” the peak master laughed and said. “If you really want to thank me, fulfill your promise.”

“Definitely!” Qin Yu nodded hard.

The two didn’t stay any longer and immediately rushed from the first main peak to the eighth main peak.

Along the way, the peak master was feeling extremely uneasy.

As he had been in Demon-slaying Peak for many years, he knew what the ancestral grave of the Immortal Emperor meant.

Not to mention Qin Yu, even the people from the nine great aristocratic families could not get close to it!

It was because the Immortal Emperor’s secret treasures were buried there!

It was no exaggeration to say that such secret treasures were enough to create a prosperous sect!

But this time, Dean Lei had agreed so readily. It was enough to show that Qin Yu’s identity was indeed not simple!

“By the way, Peak Master, have you ever heard of the Immortal Slaying Sect?” Qin Yu by the side suddenly asked.

The peak master came back to his senses. He nodded and said, “Yes, I’ve heard of it. Rumor has it that it used to be a very powerful sect.”

“Mmm,” Qin Yu responded. Then he said, “Do you know anything about this Immortal Slaying Sect?”

“Not really,” the peak master said as he rubbed his chin.

“As far as I know, when the Immortal Slaying Sect was at its peak, they oppressed the nine great aristocratic families so much that they couldn’t breathe. They even retreated at a point. But subsequently, for some unknown reason, they were suddenly wiped out,” the peak master said in a deep voice.

“Suddenly wiped out?” Qin Yu was stunned. He then thought to himself, “Could it be related to Xiao Yu?”

“I heard that they had an extremely crazy idea, and it was this idea that had caused the once prosperous sect to decline overnight.” At this time, the peak master suddenly sighed with emotion.

A crazy idea?

Qin Yu had heard that Immortal Slaying Sect was indeed an extremely crazy sect. However, he had no idea what they had done.

“Heavenly Blood Rainbow, do you know?” Qin Yu asked.

“How would I know?” Heavenly Blood Rainbow snorted coldly and said. “But what he said was right. I’ve heard of it before. Rumor has it that the Immortal Slaying Sect has been working hard for this for several generations.”

Qin Yu scratched his head and continued to ask, “Wasn’t the Immortal Slaying Sect destructed because of that masked woman?”

“She could only be one of the reasons,” Heavenly Blood Rainbow said coldly.

“Can you elaborate? What actually happened?” Qin Yu. asked.

## **1824 Xiao Sheng Disappeared?**

Now that Heavenly Blood Rainbow was under Qin Yu’s control, he did not dare to hide anything and could only tell him the truth.

“Back then, Immortal Slaying Sect was indeed at its final stage. Its strength had also suffered a great blow, but it was still the number one sect in the world,” Heavenly Blood Rainbow said coldly.

“Moreover, Immortal Slaying Sect’s Immortal Emperor had already fallen at that time. Thus a Tribulation Stage great cultivator was appointed as the sect leader.”

“If it wasn’t for this reason, it’s still uncertain who would win.”

Qin Yu touched his chin and recalled the scene he had seen in the Immortal Slaying Sect.

As Heavenly Blood Rainbow had said, there were no immortal emperors in the entire sect at that time. There were only Tribulation Stage great cultivators and even a large number of Mighty Realm cultivators.

“Of course, the damage the masked woman caused to the Immortal Slaying Sect was unsalvageable,” Heavenly Blood Rainbow said coldly.

“If it weren’t for her, Immortal Slaying Sect would definitely be able to make a comeback!

“Fortunately, I’ve left behind an inheritance. Immortal Slaying Sect will become the number one sect in the universe sooner or later!”

“Stop dreaming. Immortal Slaying Sect has already become history,” Qin Yu laughed and said.

“You don’t know how terrifying Immortal Slaying Sect is. If Immortal Slaying Sect is still here, what bullsh\*t nine great aristocratic would be?” Heavenly Blood Rainbow coldly snorted and said.

“The one who has the true inheritance will definitely suppress all the existing heaven’s favorites, including you!”

Qin Yu was silent. He did not understand how terrifying the Immortal Slaying Sect was. But as the weakest inheritor of the sect, Yuan Xiu had brought a terrible disaster to Nanzhou.

A true inheritor of the Immortal Slaying Sect would probably be an extremely powerful enemy in the future.

Soon, Qin Yu and the peak master returned to the Demon-slaying Peak.

“Peak Master, there are still three more days. I would like to leave Thunder Courtyard for the time being,” Qin Yu said.

The peak master wanted to reject it subconsciously, but when he recalled Dean Lei’s attitude, he swallowed his words.

“You may go. Just pay attention to your safety. Let Jue Wu go with you,” the peak master was surprisingly gentle, which even surprised Qin Yu.

“Many thanks, Peak Master,” Qin Yu bowed and said.

Following that, Qin Yu called Jue Wu, and the two left Thunder Courtyard.

Qin Yu planned to go back to Nanzhou to visit Xiao Sheng.

Being away for so long, no one knew if Xiao Sheng could survive the Tong family's attack.

...

In the peak master's cave abode, Jiu Xiao was playing chess with the peak master.

The peak master's chess skills were terrible today, and he lost several times to Jiu Xiao.

"This doesn't seem like your level," Jiu Xiao said jokingly.

"I'm not in the mood," the peak master sighed and said.

"What's the matter? Were you lectured by the dean?" Jiu Xiao smiled and said.

"I wouldn't have ended up like this if the dean had lectured me," the peak master said with a solemn expression.

"Oh? So what is that?" Jiu Xiao was a little surprised.

"The dean has agreed," the peak master said in a deep voice.

"What did he agree?" Jiu Xiao was stunned.

"He agreed to Qin Yu's visit to the Immortal Emperor's ancestral grave," the peak master said coldly.

This time, Jiu Xiao's expression also turned a little ugly.

The peak master told Jiu Xiao everything that had happened.

After hearing this, Jiu Xiao fell into silence.

"I'm afraid this Qin Yu really has some background," Jiu Xiao said in a low voice.

"As far as I know, only a handful of people in Thunder Courtyard are qualified to get close to the ancestral grave. People don't even know where the ancestral grave is," Jiu Xiao said coldly.

The peak master sighed, "That's right. This is what I can't figure out. Who in such a vast Holy Region that even Dean Lei would respect so much? Could it be the patriarch of the nine great aristocratic families?"

Jiu Xiao did not say anything and fell into silence.

...

Qin Yu and Jue Wu left Thunder Courtyard and rushed to Tianyun Sect.

It was not far from Tianyun Sect. The two spent a short day arriving at Tianyun Sect.

However, their faces turn extremely ugly upon seeing the scene in front of them.

The once incomparably bustling Tianyun Sect was now desolated.

The main gate had collapsed, and Cultivation Mountain had also become ruins.

There was not a single pure land in the entire Tianyun Sect.

“How... How could this be...” Qin Yu murmured, and his face was extremely ugly.

He did not dare to waste any time. He quickly released his divine sense to capture Xiao Sheng’s figure.

Unfortunately, Qin Yu had searched the entire Tianyun Sect but could not find any trace of Xiao Sheng.

“How... How could it be?” Qin Yu’s face turned pale, and a bad thought crossed his mind.

“Let’s go in and look for him. Maybe he’s fine,” Jue Wu pulled Qin Yu and said.

Just as the two were about to step into Tianyun Sect, an old man blocked their way.

“You’re here to look for Xiao Sheng, aren’t you?” the old man said.

Qin Yu quickly nodded, walked over, and said, “Senior, where is Xiao Sheng? What has Tianyun Sect gone through?”

“Xiao Sheng said you would definitely return. Thus he had made me wait for you here,” the old man sighed and said.

“He... How is he?” Qin Yu asked impatiently.

“He’s still alive, but he’s seriously injured,” the old man said in a deep voice.

“The entire Tianyun Sect suffered heavy losses. The number of survivors can be counted on fingers.”

Qin Yu gritted his teeth, clenched his fists, and said coldly, "Was it done by the Tong family?"

The old man didn't answer the question. He only sighed and said, "All living beings are equal in front of a Saint Weapon. It's the same even for Xiao Sheng..."

After saying this, the old man was about to leave.

Qin Yu hurriedly caught up with him and said, "Did he tell his whereabouts?"

"I don't know. I don't know." The old man shook his head. "It's considered good enough to be able to leave this place alive..."

The old man waved his hand as he spoke, and he slowly disappeared from Qin Yu's sight.

Qin Yu didn't chase after him. He just felt extremely uncomfortable.

This matter had started because of him. Back then, Xiao Sheng offended the Tong family to help him.

"This Tong family..." Qin Yu took a deep breath.

At this moment, Jue Wu frowned and said, "Hurry up and leave!"

"What's wrong?" Qin Yu was puzzled.

"Someone is approaching. He's very powerful. Let's go quickly!" Jue Wu coldly said.

She didn't have time to explain. She grabbed Qin Yu, turned around, and fled.

The two of them ran all the way and quickly left the place.

Not long after they escaped, two men appeared at the entrance of the Tianyun Sect.

"Where are they?" one of them asked.

The other man sniffed and said coldly, "They haven't run far. Let's chase!"

After that, the two of them followed Qin Yu's internal qi and dashed away.

On the other end, Qin Yu and Jue Wu were running away swiftly.

At this moment, Qin Yu finally understood that the Tong family must have sent someone to stay there and wait for him.

They fled for hundreds of stars in one go before they stopped.

## 1825 The Tong Family Taking Action

Qin Yu's face was as calm as the sea. He looked at Jue Wu and said, "Are those two very strong?"

"Yes," Jue Wu said. "But I'm more worried about more people hiding in the dark."

Qin Yu nodded slightly. What she said indeed made sense.

For an aristocratic family in Zhongzhou like the Tong family, it was not difficult to find someone at the Reversion Void Stage.

"We'll be safe as long as we get back to Thunder Courtyard," Qin Yu said.

When Jue Wu opened her mouth and was about to speak, her expression turned cold.

"I'm afraid it's already too late," Jue Wu said coldly.

In the next second, Jue Wu's small hand shook, and she took out the Glided Rake!

The Glided Rake in Jue Wu's hand emitted a golden radiance. The killing intent on her body also exploded to the extreme.

Although Jue Wu was only in the Early-stage of the Reversion Void, she was originally powerful. In addition, she had absorbed the purple cloud pearl. Thus her current strength was immeasurable.

Qin Yu knew that his opponent had caught up with him, so he didn't say anything else. He immediately burst out all his qi energy, getting ready to fight.

"You step aside," Jue Wu coldly said.

"You take the opportunity to leave now quickly. You won't be of any help here."

Qin Yu opened his mouth, feeling extremely uncomfortable.

He disliked the feeling of being protected by others, worse still, the feeling of being powerless when he couldn't help with anything.

However, the truth was that Qin Yu was no match for a Reversion Void Stage cultivator.

"Buzz!"

The void was torn open, and two men walked out.

These two people were sent by the Tong family.

They looked down from above at Jue Wu and Qin Yu and coldly said, "You're pretty fast."

Qin Yu clenched her fist slightly and said coldly, "How Xiao sheng now?"

"Oh? You still care about others when you're about to die?" one of them sneered and said.

"Qin Yu, you've snatched something from my Tong family. Hand it over now. Otherwise, you'll die," the other man chided.

"Cut the f\*cking crap!" Jue Wu shouted. The Glided Rake in her hand shook and directly blocked Qin Yu's way.

"If you want to fight, I'll accompany you!" Jue Wu's hair danced wildly. She was like a demoness.

The two people by the side glanced at her, sneered, and said, "If I'm not wrong, you should be Jue Wu, one of the three lunatics of Nanzhou. Unfortunately, you're no match for the two of us,"

"F\*ck your mother!" Jue Wu cursed.

At this moment, Qin Yu stopped Jue Wu.

He raised his head to look at the two people standing in mid-air and said, "You want that token for a Forbidden Zone, right?"

"Forbidden Zone?" The two looked confused.

Qin Yu frowned slightly.

It seemed that these two people did not know the secret of the Tong family.

However, it made sense. This matter was of great importance. Once it spread, the Tong family would not have the strength to keep the token.

Therefore, the Tong family would not simply tell others about this matter.

"So, both of you are servants," Qin Yu said sarcastically.

"Go back and tell your Young Master Tong that if he dares to come and look for trouble again, I'll tell this to the nine great aristocratic families of Zhongzhou. His wishful thinking will then be ruined!" Qin Yu shouted.

The two men frowned and said impatiently, "I don't know what you're talking about. If you have anything to say, just come back with us to the Tong family and tell the young master yourself."

"That will depend on whether you have the ability to do so," Qin Yu said coldly.

Having said that, Qin Yu knew that he was absolutely unable to resist these two people with his ability.

He could only rely on Jue Wu. With Jue Wu's strength and the Glided Rake, he would definitely have the power to fight.

Jue Wu shook the Glided Rake in her hand and then pointed it at the two of them.

She then looked at Qin Yu and said softly, "Go back to Thunder Courtyard."

"Mmm," Qin Yu responded. "Hang on. I'm going back to Thunder Courtyard to get help now."

There were many experts in Thunder Courtyard, and there might even be True Saint. As long as Thunder Courtyard took action, these two people were not worth mentioning.

After saying this, Qin Yu stepped the line word formula and was about to retreat.

"You want to leave? In your dreams!" Seeing this, one of them immediately shouted and charged at Qin Yu!

"Go to hell!"

At this moment, Jue Wu waved the Glided Rake and ruthlessly smashed it toward him!

A terrifying internal qi exploded in that instant, and the space was directly split into two!

Before the arrival of the Glided Rake, its terrifying internal qi had already crushed everything!

"D\*mn it!" The face of the Tong family member who was chasing after Qin Yu suddenly changed, and he hurriedly dodged to the side.

Even though he was extremely fast, he was still slightly swept by the remaining power of the Gilded Rake.

It was just a wisp of internal qi that had slightly swept him, but it directly sent him flying. Instantly, he was covered in blood and could not stop vomiting blood!

Seeing this, Qin Yu was slightly relieved.

He didn't waste any more time and hurriedly used the line word formula to dash away.

The path seemed to have been forcibly cut off by Jue Wu. If they wanted to pursue him, they had to go past Jue Wu.

Jue Wu single-handedly grabbed the Glided Rake that was even larger than her body. Her pair of big watery eyes burst out with unprecedented killing intent.

"You're just two dogs. I'll kill you today," Jue Wu coldly said.

"D\*mn it, you've ruined the plan of our Tong family. You must die!" The two of them were furious. They immediately attacked at the same time, preparing to suppress Jue Wu.

Jue Wu's palm shook slightly, and a purple light emitted from her palm.

The radiance and the Glided Rake shone together, and a terrifying internal qi instantly hovered in the surroundings!

Jue Wu brandished the Glided Rake with both hands as if she was going to shatter this world!

On the other end, Qin Yu did not dare to waste any time. He sped toward Thunder Courtyard

Along the way, Qin Yu's speed reached the extreme.

Fortunately, Thunder Courtyard wasn't too far away. It only took him two hours or so to return to Demon-slaying Peak.

As soon as he returned to Demon-slaying Peak, Qin Yu went straight to the cave abode of the peak master.

Unfortunately, there was no one in the peak master's cave abode.

Qin Yu had no choice but to rush to Jiu Xiao's cave abode.

As expected, the peak master was playing chess with Jiu Xiao.

The peak master was not too surprised to see Qin Yu walking in.

"What's the matter? Are you ready?" he asked while playing chess.

Qin Yu's said with a gloomy expression, "Peak Master, Jue Wu and I have been attacked. She is now in danger and needs your help."

The peak master frowned. He slowly stood up and said, "Someone is attacking Jue Wu? Who's it?"

"The Tong family of Zhongzhou," Qin Yu said in a deep voice.

He was unsure if the peak master would help.

"How dare they touch the people of Demon-slaying Peak?" the peak master said coldly.  
"They must have been tired of living!"

The peak master then looked at Jiu Xiao and said, "Jiu Xiao, go and summon all the people of Demon-slaying Peak here!"
