

My Rich Wife –

Chapter 1841 - 1845

Borrowing the Power of Demon-slaying Peak

1841 Borrowing the Power of Demon-slaying Peak

Following that, Chang Mang began to cry loudly. His face was full of grief, and he cried so much that he couldn't speak.

Qin Yu frowned. He patted Chang Mang's shoulder and said, "Who is it?"

"Do you still remember Zhuang Teng?" Chang Mang sobbed and said.

"Zhuang Teng?" Qin Yu was stunned. He remembered this young master from an aristocratic family in Jingdu.

Although this person was a famous young master in Jingdu, he was an honest and refined person who never made an enemy of anyone.

Back then, Zhuang Teng and Chu Heng were a famous team of two in Jingdu. They had helped Qin Yu a lot.

"You mean him?" Qin Yu was speechless.

"Yes, it's Zhuang Teng." Chang Mang cried even more sorrowfully.

This rugged man was crying like a child.

"I didn't protect him well. I couldn't save him. He offended the aristocratic family of the Crimson Moon Continent, but I'm no match for them at all..." Chang Mang said with a trembling voice.

At this point, Chang Mang clenched his fists and said with a face full of grief and resentment, "I was almost there, just a bit more. If I were given a little bit more chance, I could definitely save Zhuang Teng..."

Qin Yu had mixed feelings. It was always difficult to let go of an old friend's demise.

Besides Zhuang Teng, who could guarantee no one else had died in Holy Region?

For a moment, Qin Yu was full of emotion and felt a little sad.

“It’s alright. Don’t think so much. This kind of thing... You’re not to be blamed. We’ll find everyone back in the future.” Qin Yu patted Chang Mang’s shoulder and consoled him softly.

Perhaps it was because Chang Mang was drunk or felt too guilty. He chattered endlessly agonizingly beside Qin Yu.

After some time, Chang Mang finally fell asleep.

Looking at Chang Mang, who was sleeping soundly, Qin Yu had mixed feelings.

Holy Region had always been a very dangerous place. In the past few years, no one knew if their old friends were still around or what they had experienced.

Sitting beside Chang Mang, Qin Yu accompanied him quietly.

He knew very well that he should always act rationally at all times. Only with enough strength could he keep and protect the people around him.

While Chang Mang was sleeping soundly, Qin Yu was planning how to rescue Jue Wu.

Qin Yu had extremely complicated feelings toward Jue Wu. He would never allow anything to happen to Jue Wu.

This time, Qin Yu’s target was not just Li Yingying, but the entire Tong family.

Either he didn’t make a move, or he would uproot the Tong family as well!

They had to pay the price in blood for the mistakes they made!

Qin Yu didn’t sleep for the whole night.

He sat there with a grave expression, and countless thoughts flashed through his mind.

The following morning, Chang Mang finally woke up.

He rubbed his head and looked at Qin Yu. He then stood up and said with a smile, “Qin Yu, I drank too much last night. I don’t remember anything. I...”

“Say no more.” Qin Yu interrupted Chang Mang’s words.

Qin Yu then looked at Chang Mang and said in a deep voice, “I’m going to save a person.”

“Save a person? Who’s the person?” Chang Mang was stunned.

“Someone important,” Qin Yu said coldly. “Someone very important to me.”

“Then cut the crap. Let’s go now.” Without saying anything else, Chang Mang stood up and prepared to leave.

“No,” Qin Yu shook his head and said. “We have to plan this carefully. Once we make a move, we must ensure 100% success.”

“Do whatever you say!” Chang Mang hurriedly nodded and said.

“Firstly, you follow me to the major cave abodes of Demon-slaying Peak and tell them I want to borrow their points. I guarantee I’ll pay them back,” Qin Yu said.

Upon hearing this, Chang Mang waved his hand and said, “This is just a small matter. Isn’t it easy? I’ll just go and gather them, and it’s done.”

“Oh?” Qin Yu was stunned. He then frowned and said, “That’s not good, right?”

“There’s nothing wrong about it. I’ll go call them one by one now. You just wait here!” Chang Mang patted his chest and said.

After saying this, Chang Mang turned around and was about to leave.

At this moment, Qin Yu pulled Chang Mang back.

He took out the loudspeaker and handed it to Chang Mang, saying, “Use this. You don’t have to call them one by one.”

Qin Yu then told Chang Mang how to use the loudspeaker.

Chang Mang took the loudspeaker and shouted according to Qin Yu’s method.

Chang Mang’s method of calling for help was very simple and crude, which made Qin Yu blush.

“You... Does it work?” Qin Yu said with embarrassment.

“Why not?” Chang Mang chuckled. “The people of Demon-slaying Peak respect strength. They now respect me.”

Qin Yu thought for a moment and felt it made sense. With Chang Mang’s talent, he could probably be ranked in the top three in the entire Demon-slaying Peak.

After half an hour or so, people arrived at Chang Mang’s cave abode one after another.

They seemed to have very good relationship with Chang Mang. Each of them was joking with him.

On the contrary, Qin Yu, who had arrived earlier, became an outsider. Although they would greet Qin Yu, he was still a stranger to them.

Of course, Qin Yu didn't care. He just sat by the side and waited quietly for the others to arrive. No expression could be seen on his face.

Seeing more and more people coming, Qin Yu was slightly relieved.

About an hour later, most of the people in Demon-slaying Peak had arrived.

Of course, the peak master and Jiu Xiao did not come. With their status, they would not be so easily summoned.

"Qin Yu, long time no see." At this moment, Xiaobai walked over from the side.

"Long time no see," Qin Yu said with a smile.

"Have you stepped into the Reversion Void Stage?" Xiaobai glanced at Qin Yu and couldn't help but ask in surprise.

"I was lucky," Qin Yu said.

"Such speed is truly something I envy," Xiaobai said with emotion.

"Xiaobai, let's not be so polite," Qin Yu sighed and said.

Xiaobai laughed and then said seriously, "About Jue Wu... You should have heard about it by now. "

At the mention of Jue Wu, Qin Yu's face suddenly became a little cold.

"Mmm. I've called everyone over this time to discuss Jue Wu's matter," he said with a gloomy face.

Xiaobai seemed to have expected this. He patted Qin Yu's shoulder and said, "If you need any help, just let me know."

"Many thanks." Qin Yu bowed slightly to express his gratitude.

"Chang Mang, what's the matter?" someone asked.

Chang Mang pulled Qin Yu to his side and said with a smile, "It's Qin Yu who's looking for you guys."

Everyone turned their gazes to Qin Yu.

“Qin Yu,” someone took the lead to speak. “You called us here for Jue Wu, right?”

1842 Nanzhou, I’m Back!

Qin Yu didn’t talk nonsense and immediately nodded. “Yes, I need everyone’s help.”

Everyone fell into silence.

When Jue Wu was captured, everyone was indeed very angry. But now that so much time had passed, their anger had long been diluted.

Therefore, when Qin Yu asked for everyone’s help, everyone could not help but fall into silence.

“I wonder how Brother Qin wants us to help,” someone finally spoke up, and it was Xiaobai.

Qin Yu looked at Xiaobai gratefully and said in a deep voice, “The Tong family captured Jue Wu and did such a thing to her. I will definitely make them pay the price.

“The most important thing now is to save Jue Wu. But they most likely have Saint Weapon. So... I would like to borrow everyone’s points to exchange for a Saint Weapon.”

Everyone fell into silence again.

In fact, this was not a difficult task. They were willing to take out their points for Saint Weapons to deal with the two people from the Tong family back then.

However, nearly a year had passed since then. In this one year, many things had faded and been forgotten in their minds.

If it didn’t involve a personal grudge, who would remember it for so long?

“Don’t worry, everyone. I’ll definitely pay you back the points,” Qin Yu continued.

“I’ll pay you back together with Qin Yu!” Chang Mang quickly said.

After a long silence, someone finally spoke.

“Qin Yu, it’s not that we don’t want to help you. It’s just that our points may not be enough,” someone said.

“That’s right, Qin Yu. Jue Wu is also part of us. I’m willing to give my points, but we don’t have enough to exchange for a Saint Weapon,” Xiaobai said.

Without saying much, he immediately walked forward and gave his points to Qin Yu.

Xiaobai was a casual person, so he didn't have many points. He only had about 50 points.

After taking the points, Qin Yu bowed and said, "Many thanks."

"Qin Yu isn't the only one involved in this matter. The Tong family also killed many of our people." At this moment, Cao Huang also stood out.

He gave his points to Qin Yu without hesitation. He had about 60 points in total.

"Thank you," Qin Yu bowed again and said.

Then, a few more people came forward and gave Qin Yu their points.

Soon, Qin Yu had nearly 300 points in his hands.

However, these points were not enough at all. If he wanted to exchange for a Saint Weapon, he would need at least 800 to 1000 points.

However, if they were not willing to give their points to him, Qin Yu could not force them.

He could only put away the points in his hands, bowed, and said, "Thank you, everyone. I'll definitely return the points you've offered today in double in the future."

"Qin Yu, what're you going to do if you don't have enough points and can't exchange for a Saint Weapon?" At this moment, a voice came from the distance.

Looking up, he saw that it was Jiu Xiao.

And beside him was the peak master of Demon-slaying Peak.

The two of them attracted everyone's attention as they walked over.

Qin Yu also looked in the direction of Jiu Xiao.

"Even if I can't get the Saint Weapon, I'll still go and save Jue Wu. Even if I have to risk my life, I'll get her out," Qin Yu said coldly.

As he spoke, Jiu Xiao had already walked to the middle of the crowd.

He looked in Qin Yu's direction and asked coldly, "Is it true?"

"It's absolutely true," Qin Yu said with a calm expression.

Jiu Xiao was silent for a moment.

After that, he suddenly took out his token and threw it at Qin Yu.

“Demon-slaying Peak has a rule stating that we can’t go against any sect or aristocratic family for personal grudges, so I can’t go with you. I’ll give you this token,” Jiu Xiao said calmly.

As he spoke, he walked out. His voice faded and echoed in the cave abode.

Holding the token in his hand, Qin Yu was silent. After a while, he shouted in the direction of Jiu Xiao, “Many thanks. I will remember this favor.”

Everyone was surprised. Previously, it was because of Jiu Xiao’s hesitation that Jue Wu left Demon-slaying Peak in the middle of the night.

But now, he had given his points to Qin Yu, which was really unexpected.

“Perhaps... Jiu Xiao is feeling guilty,” someone murmured.

In fact, Jiu Xiao could not be blamed for this. After all, they earned the points by risking their lives.

More importantly, using points to exchange for Saint Weapon was something very unavailing.

No one would be willing to use a high amount of points to rent a Saint Weapon.

Qin Yu grabbed the token in his hand, and a killing intent flashed across his eyes.

Jiu Xiao had nearly a thousand points in his hands. With his help, saving Jue Wu wouldn’t be a difficult task.

“Qin Yu, bring Jue Wu back,” the peak master said with a smile.

Qin Yu took a deep breath and nodded. “Definitely. Please help me tell Jiu Xiao that I don’t only owe him points but also a favor.”

After saying that, Qin Yu looked at Chang Mang and said, “Let’s go. Follow me to the first main peak.”

“Alright. I’ll go with you now!” Chang Mang hurriedly nodded and said.

“Wait.” At this time, the peak master suddenly stopped the two of them.

He looked at Qin Yu and said in a deep voice, "You both can't go together. It's against the rules of Demon-slaying Peak."

"What do you mean?" Chang Mang was stunned.

"Qin Yu can go alone," the peak master explained. "But if two of you go together, you'll be representing Demon-slaying Peak and Thunder Courtyard."

"This doesn't conform to the rules of Demon-slaying Peak. Demon-slaying Peak doesn't allow avenging personal grudge."

Hearing this, Chang Mang became anxious instantly.

"What bullsh*t rule is this?" he said with his eyes wide open. "What if I insist?"

"Then you will be expelled from Thunder Courtyard," the peak master said in a deep voice.

"You speak as if I care. I'll leave then!" Chang Mang took out the token in his hand and was about to throw it back to the peak master without saying anything else.

Qin Yu quickly reached out to stop Chang Mang. He shook his head and said, "I'll go by myself."

"No way," Chang Mang immediately said angrily. "We're brothers! I must go with you!"

Qin Yu shook his head and said, "I go alone is good enough. You can't leave Thunder Courtyard."

"Moreover... I already owe Thunder Courtyard many favors."

Thunder Courtyard had been taking good care of Qin Yu. Thus he didn't want to make things difficult for Dean Lei.

"But..."

"No buts. Listen to me."

Chang Mang still wanted to say something, but he was interrupted by Qin Yu.

Qin Yu then looked at Chang Mang and said, "Be good and wait here for me to come back."

After saying that, Qin Yu turned around and left.

At this moment, Chang Mang shouted from behind, "Qin Yu, no matter what happens, your life is the most important. I don't want to lose you."

After hearing Chang Mang's words, Qin Yu couldn't help but stop.

Yan Ruoxue seemed to have said the same thing before.

Qin Yu turned around. He looked at Chang Mang and said with a smile, "Don't worry. I'll definitely be back."

1843 Take Action

Chang Mang's words had indeed moved Qin Yu.

Perhaps, only true brothers would say such words.

Qin Yu didn't stay any longer. He quickly left the Demon-slaying Peak and rushed toward the first main peak.

When he arrived at the first main peak, Dean Lei seemed to have guessed Qin Yu's purpose of coming.

He had sent people to wait for Qin Yu outside. Seeing Qin Yu walking over, the two men immediately came forward.

"Greetings, Seniors." Qin Yu bowed slightly.

"Qin Yu, you're here to exchange for a Saint Weapon," one of them said.

Qin Yu was not too surprised. After all, it was too easy for someone like Dean Lei to figure out Qin Yu's mind.

Qin Yu nodded and said, "Yes."

"Come with us," the two of them said.

Following that, Qin Yu followed them into the spatial formation.

After a moment of dizziness, they arrived at Thunder Courtyard.

This time, the two of them personally led Qin Yu and headed upstairs.

The two of them stopped when they reached the fifth floor.

Qin Yu had now stepped into the Reversion Void Stage, so he was naturally entitled to enter the fifth floor.

The two of them waved their hands, and a brilliant light flashed. Following that, the door slowly opened.

The moment the door opened, Qin Yu felt a trace of Holy Power rush toward his face.

There were even more advanced cultivation techniques on the fifth floor. There were also real awakened Saint Weapons.

“You can’t stay for too long. You have to hurry,” the two men reminded him.

“I understand,” Qin Yu bowed and said.

After stepping onto the fifth floor, Qin Yu was not in the mood to look for other cultivation techniques. Instead, he had a clear goal and went straight for the Saint Weapon.

In the depths of the fifth floor, there was a secret compartment. After opening it, the Saint Weapons inside slowly leaked out.

What surprised Qin Yu was that these Saint Weapons were quite far away from each other, and each had completely awakened. They were extremely terrifying.

Even though these Saint Weapons were not in use, the terrifying internal qi they emitted still made people feel the powerful oppression.

Qin Yu’s eyes swept around and saw eight Saint weapons.

These magical artifacts were all different. There were a bronze mirror, an ancient bell, a cloud drum, and a sacred bell.

Qin Yu was only a Reversion Void Stage cultivator, so he could not pry into the secrets of these Saint Weapons. He could only choose a Saint Weapon based on his feelings.

In the end, Qin Yu chose a magic ruler and held it in his hand.

This magic ruler was only an inch long, but the Holy Power emitted was extremely terrifying.

The magic ruler required a total of 1,200 points. And it could only be used for a short month.

1,200 points in exchange for a month’s right to use was definitely not a good deal.

It was also due to this that no one was willing to take out their points.

After getting the magic ruler, Qin Yu turned around and left the fifth floor.

Looking at the magic ruler in Qin Yu's hand, the two seniors who had come along with him could not help but be surprised.

"Why did you choose this magic ruler? The points required for this magic ruler... were quite a fair bit," the two men said.

"I have to guarantee I can win," said Qin Yu in a deep voice.

After all, Qin Yu's goal was not just Li Yingying but the entire Tong family!

The moment they touched Jue Wu, they were already sentenced to death by Qin Yu in his heart.

Seeing this, the two men didn't say anything else. They just nodded and said, "Let's go."

Therefore, Qin Yu followed the two of them and left Thunder Courtyard.

After returning to the first main peak, Qin Yu bowed to the two seniors and said, "Thank you for your guidance, Seniors. Please also thank Dean Lei on my behalf."

After saying that, Qin Yu did not stay any longer. He immediately got up and left the first main peak, heading straight for Nanzhou.

This was Qin Yu's first battle after stepping into the Reversion Void Stage. It was also a moment he witnessed his strength.

The moment Qin Yu stepped out of Thunder Courtyard, he was soon noticed.

The Tong family didn't give up. In addition to using Jue Wu to lure Qin Yu, they also deployed people around Thunder Courtyard.

As soon as Qin Yu appeared, they could detect him in first instance.

At this moment, Qin Yu was rushing toward Nanzhou. The two Reversion Void Stage cultivators from the Tong family quickly followed him.

Qin Yu, running at full speed, soon sensed the two powerful internal qi behind him.

He squinted his eyes and slowed down his pace.

A few minutes later.

Two middle-aged men appeared in front of Qin Yu.

There were traces of weirdness and coldness on their faces. In their eyes, there were even traces of hatred.

“Qin Yu, you’ve finally shown up!” the two men stepped forward and shouted.

“Because of you, we have been waiting in Thunder Courtyard for eight months! Do you know how we’ve been through the past eight months?”

Upon hearing their shouts, Qin Yu’s face turned cold.

He slowly turned around, and his pair of cold eyes exuded a strong killing intent.

“Jue Wu... Were you the ones who took her away?” Qin Yu said coldly.

The two of them were stunned for a moment. They then sneered and said, “Does it make any difference? Your last hour has come, yet you still care about others?”

“Qin Yu, don’t worry. We’re bringing you to see her now,” the other man said in a sinister voice.

Qin Yu’s face turned cold, and he said coldly, “You people from the Tong family all deserve to die!”

Before he could finish her sentence, Qin Yu’s figure suddenly disappeared! The two of them could not even react to his terrifying speed!

In the next second, Qin Yu already appeared in front of them!

“What? How is that possible?” After realizing Qin Yu’s terrifying speed, the two men’s faces changed drastically!

One of them reacted in time and hurriedly shot back.

However, before the other man could react, Qin Yu reached out his palm and smashed his head!

This scene instantly made people gasp!

A Reversion Void Stage cultivator was killed with just a raise of a hand. What kind of power was this?

“You... You...” The other man pointed at Qin Yu with his face full of fear.

Qin Yu’s gaze was as if he was looking at a dead man.

This gaze shocked the man to the extreme. He didn’t dare to think much and took out his magical artifact directly.

This magic artifact was bestowed by the Tong family's ancestors and was extremely terrifying. Although it was not comparable to a Saint Weapon, its power was destructive!

Streaks of light fused with the Great Dao rushed over. Everything was reduced to dust as if nothing could stop them wherever they passed!

The terrifying light was heading straight for Qin Yu, trying to suppress him.

Qin Yu's face was cold. He looked at the lights shooting toward him and waved his hand immediately to slap over.

"Boom!"

The terrifying radiance emitted by the magical artifact dissipated directly in an instant under the palm!

1844 Overpowering Everyone

"This... How could this be?" The eyes of the Tong family's cultivator widened, and cold sweat flowed down his cheeks.

At this moment, Qin Yu moved.

Qin Yu raised his finger and pointed forward lightly.

A ray of golden internal qi shattered everything and arrived in an instant!

The cultivator's face was ashen, but it was too late to escape.

"Crack!"

With a crisp sound, the internal qi brushed past his cheek and then fell on the magical artifact in his hand, shattering it along the sound.

The remaining power of this internal qi shook his face, and it hurt as if the bones in his face had been shattered!

What a terrifying strength!

It was the only thought on his mind at this moment!

Even though they were both at the Reversion Void Stage, he found himself completely defenseless in front of Qin Yu!

"Is this... a heaven's favorite of the era..." A sense of powerlessness flashed across his heart.

This gap made him lose all his faith in an instant. His dao mind was also shattered right away at this moment.

While he was still in shock and stunned, Qin Yu walked up to him.

That powerful aura brought about an unprecedented sense of oppression.

Under this sense of oppression, he no longer had any intention to resist. His whole body trembled, and he actually knelt in front of Qin Yu.

Looking at him, Qin Yu could not help but sneer.

“I won’t kill you.” Qin Yu looked down at the man scared out of his wits in front of him.

“I want you to go back and tell the Tong family that I’m coming to settle the score with them.”

The whole of the man’s body trembled as he raised his head with difficulty. His face was covered in sweat, making him look extremely miserable.

“Yes... Yes...” he replied, trembling.

Qin Yu didn’t say anything else. He immediately got up and rushed to Nanzhou again.

At Tianyun Sect in Nanzhou, the once bustling sect had now become rather deserted.

Although most of the sects had submitted to Li Yingying, they didn’t dare to get too close to her.

There was no other reason other than the fact that Xiao Sheng had left a very deep impression in their hearts.

They had a feeling that it wouldn’t be long before Xiao Sheng returned. By then, he would definitely settle the score with everyone.

Of course, nothing was absolute. Many sects firmly believed in the Tong family behind them and became Li Yingying’s lackeys.

At this moment, Li Yingying was standing on the city wall, looking down at nearly the whole of Nanzhou.

Zhuo Jing had left an unerasable scar on her face. It was a ghastly sight, even a little scary.

Li Yingying lowered her head and looked down at Jue Wu, who was still hanging on the city wall. A vicious glint flashed in her eyes.

“Jue Wu, you really are a shocking person. After experiencing so much torture, you’re still alive,” Li Yingying said coldly.

Jue Wu’s powerful and special physique was indeed shocking.

No matter how Li Yingying tortured her, she would always be able to recover.

This made Li Yingying, who had been extremely jealous, even more upset.

“Speaking of which, if your body height was a little taller, I might have taken a fancy to you,” Li Yingying said indifferently.

“Although it’s a little short now, I can make do with it. Don’t worry. I’ll definitely ask the Tong family to give your body to me in the future.”

Hearing Li Yingying’s words, Jue Wu felt sickened. But she didn’t say anything and only snorted lightly.

Li Yingying’s face turned cold. Just as she was about to speak, a flash appeared in front of her.

Then a man in a black robe walked out.

This person was an important figure in the Tong family. His name was Tong Shubin, and he was a trusted aide of the head of the Tong family.

Seeing Tong Shubin, Li Yingying quickly bowed and said, “Greetings, Senior Tong.”

Tong Shubin ignored Li Yingying and looked at Jue Wu hanging on the city wall.

Then, Tong Shubin reached out his palm and grabbed Jue Wu.

“Senior, what are you doing?” Li Yingying was stunned. She didn’t seem to understand Tong Shubin’s actions.

Tong Shubin glanced at her and said, “I’m bringing Jue Wu back.”

“Bringing Jue Wu back? Why?” Li Yingying asked with a frown.

Tong Shubin glanced at Li Yingying and said indifferently, “You don’t have to know,”

Li Yingying said somewhat awkwardly, “But... Young Master Tong said that he wants Jue Wu to stay in Nanzhou. You can take her away, but shouldn’t you give me a reason...”

As soon as she said that, Tong Shubin’s face instantly turned cold.

He immediately raised his hand and slapped Li Yingying's face.

Although the slap wasn't very hard, it caused blood to flow out of the corner of Li Yingying's mouth.

"Give you a reason? Do you really think you're a big shot?" Tong Shubin said coldly.

"Li Yingying, let me give you a piece of advice. Don't think too highly of yourself."

Li Yingying covered her face that was slapped and turned red with her hand, not daring to say a word more.

"Huh, a servant is a servant. You will never be a master..." Jue Wu said sarcastically.

A hint of hatred flashed across Li Yingying's face, but she had no choice but to endure it.

Tong Shubin didn't stay any longer. He took Jue Wu and turned to leave.

After Tong Shubin had gone afar, Li Yingying seemed to have gone crazy and non-stop screaming.

Her appearance looked extremely crazy, and with her disfigured face, she looked even more terrifying.

The surrounding people didn't dare to get close for fear of suffering a disaster.

It went on like this for some time before Li Yingying gradually calmed down.

At the same time, Qin Yu arrived in Nanzhou.

He was not aware of the current situation in Nanzhou. He only knew that Tianyun Sect had been taken over by the Tong family and Li Yingying.

Qin Yu walked on the streets of Nanzhou. Everything seemed to be the same as before, without much change.

To the people in Nanzhou, no matter who had the final say would not make much of a difference.

Qin Yu did not waste any time and walked quickly toward Tianyun Sect.

"Qin Yu?"

Just then, a voice called out to Qin Yu.

He turned around and saw a young man looking at Qin Yu in shock.

Qin Yu frowned slightly. He looked at the young man in front of him and felt that he looked familiar. However, he couldn't recall who he was at this moment.

"Qin Yu, you don't remember me? I'm Zhuo Jing's friend. We've had a drink at the Zhuo family," the young man introduced himself and said.

Only then Qin Yu remembered.

"What are you doing here?" Qin Yu asked.

The young man sighed and said, "It's a long story. The current Nanzhou... It's a long story."

The young man continued, "The Tong family has been looking for you, and Lord Jue Wu also..."

"I know," Qin Yu said coldly.

"I'm going to Tianyun Sect now to save Jue Wu."

"You?" the young man frowned and said.

1845 One against Many

After hearing Qin Yu's words, the young man quickly pulled him back. He shook his head and said, "I advise you not to go there rashly. Although it seems that Li Yingying is in charge of Nanzhou, the actual person in command is the Tong family."

Qin Yu remained silent, waiting for him to continue.

"Not long ago, Zhuo Jing went to look for Li Yingying alone, asking her to release Lord Jue Wu," the young man continued.

"And then?" Qin Yu asked with a frown.

"After that... Zhuo Jing's whereabouts were unknown. Whether he's alive or dead remains unknown," the young man said in a deep voice.

Qin Yu's face turned cold and murmured in a low voice, "Li Yingying, you committed another crime..."

"Qin Yu, I know about your relationship with Lord Jue Wu, but I advise you not to take the risk," the young man advised.

"I have my own plans," Qin Yu nodded slightly and said.

After saying that, Qin Yu did not say anything else and headed to Tianyun Sect hurriedly.

The young man knew he couldn't stop Qin Yu. After thinking for a while, he finally decided to follow him quietly.

Soon, Qin Yu arrived at the city wall of Tianyun Sect.

There were streaks of blood on the city wall, flowing down along the wall and onto the ground.

This bloodstain naturally came from Jue Wu, but she was no longer on the city wall.

Seeing this, Qin Yu was even more furious.

He looked at the city wall in front of him and coldly said, "Li Yingying, come out!"

With the shout, the entire city wall instantly trembled!

Li Yingying, who was drinking tea, was startled by the roar.

The house was shaking and the formation of Tianyun Sect was rumbling as if it would shatter at any moment.

"This voice... It's Qin Yu!" Li Yingying was stunned for a moment, and then overjoyed!

She hurriedly got up and gathered all the Tong family members.

There were a total of six Reversion Void Stage cultivators, and each possessed terrifying power.

"The voice just now was Qin Yu's," Li Yingying said as she suppressed the excitement in her heart.

When everyone heard this, their eyes also flashed with a trace of excitement.

"Qin Yu? Did he really come to our door?" one of them said in surprise.

"Li Yingying, is what you said true?" someone asked doubtfully.

Li Yingying opened her mouth and was about to say something when Qin Yu's voice sounded again.

The shout directly shattered the formation. The house could no longer hold on and collapsed in an instant!

Everyone's feet trembled, and they quickly fled.

"This voice is Qin Yu's voice. It's definitely him!" Li Yingying couldn't hold back the excitement in her heart.

She said to the crowd, "Hurry up and take him down!" Quick!"

"You don't have to tell us. We've been staying here to capture Qin Yu. I didn't expect him to come to us!" the men sneered and said.

A few of them looked at each other and immediately walked out of the city gate.

Li Yingying naturally did not want to fall behind. She quickly caught up and walked in front of them.

Qin Yu's two shouts not only shook the entire Tianyun Sect but also all the cultivators nearby!

"The voice just now... It seems to be Qin Yu!"

"He really came! After almost a year, he finally came!"

"Rumor has it that he has gone to Thunder Courtyard. He's likely sought help from Thunder Courtyard!"

In an instant, all the cultivators rushed over to see how Qin Yu would deal with the Tong family!

However, when they saw that Qin Yu was alone, they were stunned.

"He alone?"

"Alone... Did he come to die?"

"No. Look at his internal qi! Obviously, he's stepped into the Reversion Void Stage!"

"So what if he is a Reversion Void Stage cultivator? Xiao Sheng was also a Reversion Void Stage cultivator, but didn't he run away in the end?"

The crowd chimed in one after another, and it seemed that none of them were optimistic about Qin Yu's chances.

There was no other reason other than the fact that Qin Yu was going to face a powerful aristocratic family in Zhongzhou!

Such an aristocratic family was not something that Nanzhou could compare with!

Qin Yu didn't say a word, but his cold eyes seemed to be shooting through the sky.

A moment later.

Li Yingying was the first to appear on the city wall, and the few Reversion Void Stage cultivators followed closely behind her and stood beside her.

"Hey, isn't this Qin Yu? How dare you show up? I thought you were a coward," Li Yingying said sarcastically.

Qin Yu looked at Li Yingying coldly and said, "You d*mn thing .."

"Hahaha! Are you regretting it? Are you regretting not killing me back then?" Li Yingying laughed smugly.

"What a pity, Qin Yu. You won't have another chance!"

Qin Yu didn't want to waste time talking to her, so he asked coldly, "Where's Jue Wu?"

"Jue Wu? Let me think... It seemed she was dead. Oh no, I should have already crippled her and sent her to a brothel. You can go to the brothel and look for her. Maybe you can find her." Li Yingying said with a vicious expression.

Hearing this, Qin Yu's face turned extremely cold.

Even though he knew that it was not true, he couldn't stand Li Yingying's vicious words.

Qin Yu raised his palm and struck through the air.

This slap actually reached out from the void in front of Li Yingying!

Without waiting for Li Yingying to react, the slap landed on her face!

Li Yingying, who was already disfigured, had half of her cheekbone shattered by the slap. Blood stained her clothes red, and her vicious face looked even more terrifying!

"It passed through the void. Qin Yu seems to have mastered the Spatial Power," someone exclaimed.

"After all, he has stepped into the Reversion Void Stage. He had even defeated Yuan Xiu. It's not unusual for him to master the Spatial Power."

"Qin Yu is also a heaven's favorite of the era. I wonder how he's compared to Xiao Sheng."

"It's very difficult for anyone in this world to surpass Xiao Sheng, isn't it?"

The crowd discussed spiritedly. They couldn't help comparing the current Qin Yu with Xiao Sheng in the past.

Qin Yu looked at Li Yingying coldly and said, "Alright, I'll do as you say. I'll cripple your limbs soon and send you to the brothel."

Li Yingying looked at Qin Yu angrily and said through her gritted teeth, "Qin Yu! I'll definitely crush you into a thousand pieces. I promise!"

Qin Yu knew that Li Yingying was not the actual mastermind, so he looked at the people around her.

"Where is Jue Wu? Tell me, and I can spare your lives," Qin Yu said coldly.

A long-bearded cultivator beside Li Yingying stepped forward and said indifferently, "You want to see Jue Wu? It's very simple. She's with the Tong family now. Come with us and naturally you'll see her."

"That's right. Qin Yu, as long as you hand over what the young master wants, I think the young master will spare her life."

"Qin Yu, don't resist anymore. Come to the Tong family with us so that we don't have to make a move."

"Of course, I'll go to the Tong family," Qin Yu said coldly. "But not now. After I kill you all, I'll definitely bring your corpses to the Tong family!"
