

My Rich Wife –

Chapter 1850 – 1855

1850 Advancing by Retreating

Dark iron was a top-notch material for blacksmithing, and Heavenly Palace Dark Iron was one type of it.

Rumor had it that many Saint Weapons were made of Heavenly Palace Dark Iron, which was exceptionally precious.

The young man was then silent for a long time.

“What’s the matter?” Qin Yu frowned and asked.

The young man sighed. “This matter is very important, and I shouldn’t tell you. Therefore, I hope Brother Qin can make a promise.

“What promise?” Qin Yu asked.

“Don’t snatch my friend’s things,” said the young man.

Qin Yu seemed to have guessed something.

“Alright. I promise you,” he said after thinking for a moment.

Thus the young man slowly opened his mouth and said, “The Tong family controls Lizhou because they want to get the resources they have not exploited in Nanzhou.

“As one of the largest and oldest places in the Holy Region, Lizhou naturally contains a lot of resources. My friend accidentally excavated a dark iron mine.”

“Heavenly Palace Dark Iron mine?” Qin Yu asked.

The young man could not help but laugh and say, "It's not realistic to excavate the Heavenly Palace Dark Iron mine. He only managed to excavate a batch of the Heavenly Palace Dark Iron."

"Due to this, my friend has established a relationship with the Tong family. He has close contact with family."

Qin Yu understood now. He looked at the young man and said, "Then I'll have to trouble you to introduce me to your friend."

"Brother Qin, this matter should have been kept a secret," the young man said in a deep voice. "I've also promised him to keep it a secret. Now..."

"Don't worry. I won't have any thoughts on his dark iron mine. I mean what I say," Qin Yu said.

The young man heaved a sigh of relief. Then he smiled and said, "Then I hope Brother Qin will keep your promise. I'll leave now to look for my friend."

"I'll have to trouble you then, my friend," Qin Yu bowed and said.

The young man did not waste time and left Tianyun Sect immediately.

To be on the safe side, of course, he would not let Qin Yu touch the location of the dark iron mine. He could only bring his friend to Tianyun Sect.

Qin Yu was not in a hurry. He waited in Tianyun Sect.

Two days later.

The young man brought his friend and arrived at Tianyun Sect.

In the slightly run-down Great Hall of Tianyun Sect, Qin Yu poured a cup of tea for the two of them. He then said impatiently, "Please tell me everything you know without reservation. I will definitely remember this favor."

The two of them looked at each other, and the mine owner said in a deep voice, " Since you've already found me, I'll tell you the truth."

"The Tong family doesn't have a True Saint at the moment," he said.

Qin Yu's eyes lit up, and he hurriedly said, "Is this true?"

"Yes," the mine owner said as he sipped his tea.

"How did you know?" Qin Yu asked after a moment of thought.

"I've heard them talking about it once by chance," the mine owner said in a deep voice. "It was the Tong family's young master who said that.

"According to him, the last True Saint of the Tong family passed away 200 years ago."

Hearing this, Qin Yu squinted his eyes.

As long as there was no True Saint keeping watch, Qin Yu would have a chance to take down the Tong family!

"The current Tong family is living on the foundation they once had. In other words, they're just sitting around and eating. They only look impressive on the surface but are worthless," the mine owner sighed.

"Is that true?" Qin Yu asked, sizing him up.

"It's nothing but the truth," the mine owner said.

Qin Yu heaved a sigh of relief.

Since that was the case, there was no need to fear the Tong family.

At this moment, the mine owner suddenly changed the topic and continued, "However, I don't think it's realistic for Brother Qin to overthrow the entire Tong family by yourself."

Qin Yu remained silent, signaling him to continue.

The mine owner said, “The Tong family has indeed lost its former glory. However, a lean camel is still bigger than a horse. After all, they are an aristocratic family in Zhongzhou. They still have a certain amount of strength.

“All these years, to protect the Tong family, they’ve been very close to many sects and worshipped many guest elders.

“These guest elders are all at the very top of the Reversion Void Stage and are extremely powerful.”

“How many Reversion Void Stage cultivators do you think the Tong family can mobilize to help them?” Qin Yu asked in a deep voice.

“At least 50,” the mine owner said after some thought.

Qin Yu’s face turned solemn.

Even though Qin Yu was not afraid of any Reversion Void Stage cultivator, it was unrealistic for him to take on 50 Reversion Void Stage cultivators all by himself.

Moreover, although the Tong family had declined, they must have had a plan in place to protect themselves.

If he went there rashly, it would be no different from committing suicide.

“Many thanks,” Qin Yu stood up and said.

The mine owner smiled and said, “Brother Qin, you’re too polite. After all, I’m also a part of Nanzhou.”

After the mine owner left, Qin Yu sat alone in the hall, deep in thought.

This trip to the Tong family was bound to be a big move, and it was also the beginning of Qin Yu’s arrival in Zhongzhou. Therefore, no matter what, he could not make any mistakes.

In other words, this trip had to be successful, or it would mean Qin Yu’s failure to move into Zhongzhou.

After much consideration, Qin Yu finally decided to seek help from Demon-slaying Peak.

If Demon-slaying Peak was willing to help, it would be easy to deal with the Tong family.

Therefore, Qin Yu immediately got up and left Nanzhou, rushing to Demon-slaying Peak again.

However, what Qin Yu did not know was that the mine owner had gone straight to Zhongzhou after leaving Tianyun Sect.

...

In the Tong family, the mine owner stood in front of Uncle Guan as if he was reporting something.

“Uncle Guan, Qin Yu is indeed gathering information about the Tong family,” the mine owner said.

Uncle Guan squinted his eyes and sneered as if everything was under his control.

“How did you answer him?” Uncle Guan asked.

“I’ve done everything according to your instructions,” the mine owner quickly replied.

“Well done. After this matter is over, you won’t be lacking in benefits.” Uncle Guan slightly nodded.

When the mine owner heard this, he was overjoyed. He quickly bowed and said, “Many thanks, Uncle Guan.”

Speaking up to this point, the mine owner’s tone changed, and he said with some puzzlement, “Uncle Guan, there’s one thing I don’t understand. Why did you let him know that the Tong family has a large number of guest elders? Aren’t you afraid he won’t dare to come because of this?”

Uncle Guan glanced at him, smiled, and said, "He will definitely come. As long as Jue Wu is still in our hands, he will definitely come!"

"If he knows that the Tong family is too strong, it will cause him to retreat and delay time."

"Although Thunder Courtyard won't get involved in this, if he really brings a True Saint from Thunder Courtyard, everything will be doomed."

"But if you make the Tong family sound too weak, he'll definitely doubt the truth of what you said."

"I got it now. You're advancing by retreating. Uncle Guan is still the wisest!" the mine owner said with sudden realization.

Uncle Guan sneered. He looked at the sky and said in a low voice, "He's just a little rascal who doesn't know his own place."

1851 Make You the Target

At this time, Qin Yu had returned to Demon-slaying Peak.

He sat in Chang Mang's cave abode and seemed to be thinking of a countermeasure.

"That group of people is a bunch of old fogeys. It's obviously impossible for them to take action," Chang Mang cursed.

"Brother, if it really doesn't work, just the two of us will go. What's there to be afraid of?" Chang Mang patted Qin Yu's shoulder and said in righteous indignation.

"No," Qin Yu said in a deep voice. "We must have a perfect plan before we move."

"Then what do we do?" Chang Mang said with a frown.

Qin Yu squinted his eyes and said, "Demon-slaying Peak can't take personal revenge. They can only get rid of evil people. We can make use of the rules of Demon-slaying Peak to make them take action."

Chang Mang scratched his head. He was puzzled and said, "What do you mean?"

Qin Yu looked at Chang Mang and said coldly, "Since I can't take personal revenge, I'll turn the Tong family into evildoers!"

"Turn them into evildoers?" Chang Mang seemed to have come to a realization. His eyes lit up, and he said, "You're quite cunning, kid!"

"I have no choice," Qin Yu said coldly. "I can only rely on the power of Demon-slaying Peak."

Thinking of this, Qin Yu looked at Chang Mang and said, "Chang Mang, I have to trouble you to look for the peak master and tell him that Qin Yu is inviting him and Jiu Xiao over as guests for a drink."

"Alright. I'll go now," Chang Mang stood up and said.

After Chang Mang left, Qin Yu did what Jue Wu had done. He went into the forest, caught a few wild animals, and roasted them in Chang Mang's cave abode.

After all, Qin Yu was an alchemist. His control of the fire naturally far surpassed Jue Wu's.

In a short while, the fragrance of roasted meat filled the entire cave abode.

Soon, Jiu Xiao and the peak master arrived at the cave abode under Chang Mang's invitation.

The moment he entered, the peak master sniffed and said with a smile, "What a nice smell! You guys really know how to enjoy life."

Qin Yu stood up and greeted the peak master. He bowed and said, "Greetings, Peak Master."

The peak master patted Qin Yu's shoulder. He couldn't wait to sit at the side, tore off a piece of meat, and stuffed it into his mouth.

“Mmm. Not bad, not bad. The taste is not bad!” the peak master said excitedly as he stuffed the meat into his mouth.

“I learned this from Jue Wu,” Qin Yu said with a smile.

When he mentioned Jue Wu, the atmosphere suddenly turned a bit depressing.

“Is there anything that you called us here?” Jiu Xiao asked.

Qin Yu was silent for a moment. Then he nodded and said, “Yeah, there is.”

“Is it related to Jue Wu?” Jiu Xiao tried to ask.

Qin Yu didn’t hide it. He nodded and said, “Yes.”

The peak master, who was eating the meat, immediately stopped what he was doing when he heard this.

“Qin Yu, you’re not asking us to help you save her, are you?” he said with a grave expression. “If that’s the case, I’ll spit it out now.”

Upon hearing the peak master’s words, Chang Mang said in a very displeased manner, “F*ck! You’re a real coward. What are you afraid of?”

The peak master knew Chang Mang’s temper, so he didn’t argue with him. He only said in a deep voice, “This is the rule of Demon-slaying Peak. Since we are in Demon-slaying Peak, we should follow the rules.”

“Aren’t the rules still set by people? So what if you break the rules once?” Chang Mang said angrily.

“You’re right. However, the rules were set by the dean. If you’re not satisfied, you can go to the dean. If the dean agrees, we guarantee you we’ll go with you to save her without saying a word!” the peak master said unhappily.

Chang Mang opened his mouth and was about to speak when he was stopped by Qin Yu's shout.

He looked at the peak master and said in a deep voice, "Peak Master, of course, I won't break the rules of Demon-slaying Peak, nor will I make things difficult for you. I just want to ask you one thing today."

After hearing Qin Yu's words, the peak master finally calmed down a little.

"Mmm," he responded. "You may ask whatever you want."

Qin Yu squinted his eyes and said, "What is considered an evildoer by Demon-slaying Peak? How to become the target of Demon-slaying Peak?"

"It's very simple. Slaughtering living creatures unruly is considered one. However, this standard is very strict. Even Yuan Xiu of North Plains was not taken into account," the peak master said.

Jiu Xiao seemed to have guessed Qin Yu's intention.

He looked at Qin Yu and asked, "You want to make the Tong family the target of Demon-slaying Peak? "

"Yes," Qin Yu didn't hide anything.

"This way, Demon-slaying Peak can attack the Tong family."

The peak master was stunned. He then smacked his head and said, "That's not a bad idea, but I'm afraid it won't be that easy to do."

"That's why I want to know the qualifying criteria of evildoer at Demon-slaying Peak," Qin Yu said coldly.

Qin Yu suddenly thought of something.

"Devouring the primordial spirits, does it count?" he asked the peak master.

“Devouring the primordial spirits... It also depends on the situation. Back then, Yuan Xiu relied on devouring primordial spirits to cultivate but he didn't become the target of Demon-slaying Peak either,” the peak master said.

“Your idea is good, but it's unethical,” Jiu Xiao said coldly.

“I don't care anymore. To save Jue Wu, I will do anything,” Qin Yu said coldly.

Jiu Xiao said in a deep voice, “I know you are anxious to save Jue Wu, but it is not realistic for you to make the Tong family the target of Demon-slaying Peak in a short time. Usually, Demon-slaying Peak takes a long time to consider. The Tong family is not within the scope of consideration.”

Qin Yu frowned. As Jiu Xiao had said, this idea was indeed unrealistic.

“If... What if the targeted evildoers insisted on the Tong family?” Qin Yu raised his head and asked.

Upon hearing this, Jiu Xiao and the peak master looked at each other, and a trace of confusion flashed in their eyes.

“This situation... It has never happened before,” the peak master frowned and said.

“That means it can be done,” Qin Yu said coldly.

He looked at Jiu Xiao and the peak master and said, “As long as it's not clearly stated, it means there's a possibility of success, right?”

The peak master frowned and said, “Theoretically speaking, it's right. But... it seems to be taking advantage of a loophole.”

“I'm taking advantage of a loophole,” Qin Yu said without any hesitation.

“In short, I'm doing things according to the rules of Demon-slaying Peak. I'm not making things difficult for you, am I?” Qin Yu looked at the peak master and said.

“I’ll have to consider this matter,” the peak master said in a deep voice.

“No matter what your final answer is, I will still do it.” Qin Yu’s tone became extremely cold, and a trace of viciousness flashed through his eyes.

For a moment, the peak master was at a loss.

“Qin Yu is right,” Jiu Xiao said quietly. “As long as it’s not against the rules, it’s feasible.”

“Jue Wu was originally a member of our Demon-slaying Peak. I think this is reasonable. We can try.”

After hearing Jiu Xiao’s words, the peak master could not help but smile bitterly.

He looked at Qin Yu, sighed, and said, “I’ll try my best to help you.”

1852 The Life Aura?

“Thank you, Peak Master,” Qin Yu bowed slightly and said.

“Just don’t forget your promise to me,” the peak Master said with a bitter smile.

“Sure, I will,” Qin Yu nodded and said.

Qin Yu had promised the peak master that he would win first place for Demon-slaying Peak, which was not difficult for him.

Qin Yu then looked at Jiu Xiao and said, “Many thanks.”

Jiu Xiao did not say much and only nodded.

After they left, Qin Yu was slightly relieved.

With the promise of the peak master, Qin Yu felt much more confident.

“With this, we can attack the Tong family together with Demon-slaying Peak,” Qin Yu said coldly.

“Tong Guangqing, soon you will pay the price for this!”

In the following days, Qin Yu stayed at Demon-slaying Peak, waiting for the next mission.

Three days later.

Demon-slaying Peak finally issued a new mission.

The peak master got hold of Qin Yu early in the morning,

He took out a note and handed it to Qin Yu.

The paper was written with a name and the person’s location.

“This is the evilest person in this mission, and he is also from Zhongzhou. He might be of help to you,” the peak master said.

Qin Yu took the note and said, “Thank you, Peak Master.”

“Don’t let anyone know about this,” the peak master said, waving his hand. “Otherwise, I’ll lose my position as the peak master.”

“I understand.” Qin Yu quickly nodded.

Holding the location details, Qin Yu looked at Chang Mang.

“Let’s go!” Qin Yu said coldly.

“Let’s go!” Chang Mang said, swaying his arms.

The two of them didn’t waste time. They immediately rushed to the teleportation platform and went straight to Zhongzhou.

This was Qin Yu’s second time coming to Zhongzhou. However, different from the last time, they found themselves surrounded by desolation, and

the prosperity in Zhongzhou was gone when they arrived at their destination.

“Is this Zhongzhou? Did I come to the wrong place?” Chang Mang couldn’t help but mutter.

Qin Yu shook his head and said, “No, there’s no way the teleportation formation of Thunder Courtyard could go wrong.”

Qin Yu then took out the note.

A name was written on the note, as well as some related information.

The target’s name was Demon Jingshan. He was a powerful Reversion Void Stage cultivator.

As the note did not mention what Demon Jingshan had done, Qin Yu was not too sure.

He activated his desolate divine eye and looked in the direction in front of them.

There were mountaintops one after another in front of them. These mountaintops looked very weird as if someone had placed them there. They looked very mysterious.

With just a glance, Qin Yu noticed something was not right.

He released his divine sense covering a radius of several dozen stars.

Qin Yu could clearly sense countless living beings with his divine sense.

These people were not very powerful. Only a few were the Reversion Void Stage cultivators. It was very different from what Qin Yu had imagined.

“How is it?” Chang Mang asked.

“Let’s go,” Qin Yu shook his head and said.

Chang Mang didn't say much. He would just follow Qin Yu's instructions.

Therefore, the two of them immediately rushed toward the mountaintop in front of them.

They arrived at the mysterious mountain streams.

Qin Yu slightly squinted his eyes and looked in the direction in front of him.

A small formation was in the very center of the mountain streams. It was impossible to see its origin as the formation was covered by a thick fog.

At this moment, Qin Yu suddenly smelled something very familiar in the mountains.

Although the smell was very faint, it could not escape Qin Yu's divine sense.

"This feeling is..." Qin Yu's pupils suddenly constricted. Was this the smell of Life Aura?

Qin Yu couldn't help feeling shocked. Back then, to find Life Aura, Qin Yu had paid a huge price. He didn't expect to detect Life Aura in this desolate place!

"That's not right."

At this moment, Qin Yu frowned again and soon noticed the abnormality.

There was indeed the smell of Life Aura here, but it was much diluted than the Life Aura that Qin Yu absorbed back then.

It was like the Life Aura that had been diluted many times, and it faintly mixed in the air.

"What is going on?" Qin Yu frowned.

For a moment, he couldn't think clearly.

Just as he was about to step forward, a large group of people suddenly walked out from all directions of the mountain streams!

They were walking like the dead toward Qin Yu.

At a glance, they were in a compact mass and seemed to be hundreds of people.

“Qin Yu, be careful!” Chang Mang hurriedly reminded. When he finished speaking, he stepped forward and subconsciously blocked Qin Yu behind him.

With the iron tower-like Chang Mang standing in front of him, Qin Yu indeed felt a great sense of security.

He didn't know if it was because of his huge body or the trust they had for each other, but as long as the two of them were together, they feared nothing.

This group of people gathered and walked toward them. At this moment, Chang Mang's internal qi also erupted.

Qin Yu's expression turned cold. He looked at Chang Mang and said coldly, “Step aside. Leave these people to me.”

After saying that, Qin Yu stomped his feet and jumped up into the sky.

His body emitted a blazing light. This light was extremely terrifying as if it was brewing on his body.

This technique was Heavenly Flower of All that he inherited from Jue Wu! Its power was terrifying to the extreme!

Not to mention this group of people of weaker strength, even cultivators of the same cultivation realm couldn't take it!

A ray of light was emitted from Qin Yu's body and easily wiped out one of them.

Qin Yu's control over the Heavenly Flower of All was naturally not as skillful as Jue Wu's.

As a result, his body was overflowing with light.

Wherever the light passed, a person would be easily wiped out.

The light was brewing on Qin Yu's body. It was getting even hotter and its power was getting even more terrifying.

The light emitted wiped people out non-stop.

In the blink of an eye, Qin Yu had already killed eight cultivators!

Just as Qin Yu was about to use the Heavenly Flower of All, he suddenly realized the cultivators walking toward him did not have any killing intent on their faces. Instead, they were full of fear and pain!

If one looked carefully, one could see that some were shedding tears!

“Something is wrong!”

Qin Yu's expression changed drastically! He suddenly realized that something was not right!

This group of people was only at the Mighty Realm, so why would they charge at him without hesitation?

More importantly, why were they crying in tears and pain?

At this moment, he had unleashed the Heavenly Flower of All to the extreme. It was too late to stop now!

Countless rays of light gathered on Qin Yu's body like a nuclear bomb that was about to explode. It was completely uncontrollable!

“Ah!”

Even though Qin Yu tried his best to control it, he still failed in the end!

1853 Demon Jingshan

The terrifying energy contained within the Heavenly Flower of All was completely out of control at this moment!

With Qin Yu as the center, a terrifying force swept out to the surroundings!

Qin Yu's pupils constricted. He gritted his teeth, stomped his feet, and activated the cosmic form!

His huge body forcibly withstood the terrifying energy of the Heavenly Flower of All.

The powerful impact forced Qin Yu a few steps back. Even with his tough physical body, he was still bleeding profusely from the impact, and cracks appeared on his body!

“Qin Yu!” Upon seeing the scene, Chang Mang instantly became anxious.

Although he didn't know what Qin Yu's action meant, he quickly released his internal qi to receive it together.

Chang Mang's body emitted red lights. His powerful body was also severely injured!

Under the efforts of the two, the power of the Heavenly Flower of All was reduced by half, but it was impossible to control it completely!

The overflowing energy swept toward the mountain stream.

Everything in its path was shattered into pieces!

As for the group of people who had rushed toward Qin Yu, they lost their lives in fear and pain.

In the blink of an eye, less than 30 out of the 100 people were left.

The entire mountain stream was filled with blood and corpses.

Those who survived became even more fearful, and they seemed to be unable to control their bodies. They trembled as they walked toward Qin Yu.

Qin Yu's face was cold. Looking at the helplessness and fear in these people's eyes, he felt some abnormalities.

Qin Yu's body exuded a strong sense of oppression. Under this oppression, everyone was suppressed by him and fell to the ground, unable to move.

Not far away, Chang Mang's body was covered in blood.

He ignored his injuries and quickly walked up to Qin Yu.

"Qin Yu, what happened? Why did you suddenly change your mind?" Chang Mang asked in confusion.

Qin Yu pointed at the man on the ground and said, "Look at their eyes,"

Although Chang Mang wasn't bright, he wasn't a fool either.

Looking at the gazes of these people, Chang Mang soon sensed something was wrong.

"These people... seem like they were being forced," Chang Mang said with a frown.

"To be precise, they don't seem to be able to control their bodies," Qin Yu said.

"Someone is controlling them!" Chang Mang turned ashen.

As soon as he finished speaking, a person slowly walked out from the haze in the very center of the mountain stream.

This man had a goatee and a naturally sinister and cunning look on his face.

He was clapping his hands while he was walking. “Not bad, not bad. You’ve realized the problem so quickly.”

Qin Yu squinted his eyes and said coldly, “You are Demon Jingshan?”

“Hahaha!” Demon Jingshan laughed out loud. “You guys should be from Demon-slaying Peak, right?”

“You knew we would come?” Qin Yu said coldly.

“Since when did Holy Region have a bunch of noisy b*stards like you guys?” Demon Jingshan snorted!

Qin Yu pointed at the men on the ground and said, “These people are all under your control?”

“That’s right.” Demon Jingshan did not hide anything.

He clasped his hands behind his back and said indifferently, “As a member of Demon-slaying Peak, you killed innocent people at will! How should you all be punished?”

“You’ve self-proclaimed righteous people, but now you have attacked the victims. You should be expelled from Demon-slaying Peak!”

Qin Yu’s expression changed slightly.

As expected, these people were indeed the victims.

With their abilities, they were unable to stop Qin Yu.

“Don’t talk nonsense with him. Just kill him!” Chang Mang did not have a good temper like Qin Yu. After he shouted, he clenched his iron fist and charged at Demon Jingshan.

Chang Mang was the same as before. He did not have any so-called martial moves and only relied on the most primitive combat techniques and desires!

As a holy body, Chang Mang's strength did not need to be elaborated. Under his barrage of attacks, Demon Jingshan was soon unable to withstand it and was forced to retreat.

Chang Mang's extremely crazy battle style was something Demon Jingshan could not defend. He used all of his techniques on Chang Mang, but Chang Mang was like a madman. He did not dodge them at all and was fighting desperately.

Qin Yu by the side couldn't help but sigh.

Not to mention Demon Jingshan, even Qin Yu would have to think twice about this fighting style.

"If I were to fight against Chang Mang, I might not be able to win," Qin Yu murmured in his heart.

Even if he barely won, he would probably be seriously injured.

Under this barrage of attacks, the entire mountain stream had turned into ruins. Demon Jingshan was even forced to retreat repeatedly, and his body was covered in blood.

A moment later, Demon Jingshan was pressed to the ground by Chang Mang.

Chang Mang's fists were extremely fierce, and each punch had the power to shatter a mountain!

The blood-red lights mixed with the blood, turning the entire world blood-red thoroughly.

Seeing Demon Jingshan's internal qi become weaker, Qin Yu quickly walked forward and stopped the crazy Chang Mang.

"We can't kill him. He still has some use to us," Qin Yu said as he grabbed Chang Mang's arm.

Chang mang glanced at Qin Yu and nodded.

“Are your injuries alright?” Qin Yu said with a frown.

“Don’t worry,” Chang Mang waved his hand and said. “This minor injury is nothing. It doesn’t matter.”

“Mmm,” Qin Yu responded. He then squatted in front of Demon Jingshan and said, “Now, can you tell me what exactly is going on?”

“Are you considered Devil Hunters? You’re practically bandits!” Demon Jingshan sneered and said.

“Say that again?” Chang Mang said as he pointed at Demon Jingshan.

Demon Jingshan coldly snorted and said, “No need to talk nonsense. You can kill or cut me up as you wish!”

“There’s no hurry. It’s not time yet. Let’s chat first,” Qin Yu said with a smile.

“I won’t tell you anything,” Demon Jingshan said with a cold expression.

Of course, Qin Yu knew what Demon Jingshan was thinking.

To a person who was about to die, there was no need to say anything. After all, he could not escape death whether he said it or not.

“What if I say I can spare your life?” Qin Yu said with a smile.

As soon as he said this, the despairing Demon Jingshan began to have hope again.

But very quickly, Demon Jingshan laughed coldly.

“Don’t try to cheat me. Demon-slaying Peak has never released anyone before,” Demon Jingshan coldly said.

Qin Yu looked at Demon Jingshan and said, “As long as you cooperate with me on something, I can let you go. If you don’t believe me, I can make an oath in front of you.”

Demon Jingshan was somewhat suspicious.

“Are you telling the truth?” he asked, sizing up Qin Yu.

“Yes, it’s true. Lying to you won’t do me any good,” Qin Yu said in a deep voice.

“What do you want me to do?” Demon Jingshan frowned.

1854 Conditions

Qin Yu’s expression turned bone-chillingly cold. Even Demon Jingshan, standing in front of him, felt slightly uncomfortable.

“First, tell me what happened to these people,” Qin Yu pointed at the corpses all over the ground and said in a deep voice.

Demon Jingshan opened his mouth, and looked like he did not want to tell Qin Yu.

Chang Mang said impatiently, “Why are you talking nonsense with him? Just search his divine sense.”

Qin Yu didn’t choose to do that. Instead, he asked tentatively, “Is it related to Life Aura?”

When he heard this, a trace of shock flashed across Demon Jingshan’s face.

“It seems I was right,” Qin Yu said in a deep voice.

Following that, Qin Yu stood up and said, “This is the last chance I’m giving you. It’s also your last chance to live. I can kill you and report back if you don’t tell me. You think about it yourself.”

Demon Jingshan fell silent.

After a moment, he sighed and slowly said, “It’s indeed related to the Life Aura. These people were providing me with the Life Aura.”

Qin Yu turned around and waited for Demon Jingshan to continue.

“A few years ago, I came across a holy method by chance. This method explains how to deprive others of their vitalities and use them for one’s own use,” he said slowly.

“I captured all the people you saw in front of you for feeding. I extracted their vitalities for my use. When their vitalities are exhausted, they will dry up and die.

“Their vitalities not only can increase my lifespan but also upgrade my cultivation.”

Hearing this, Qin Yu turned ashen.

He did not expect to have such a cultivation method in this world, which was to increase one’s own lifespan by taking the vitalities of others!

In this world, no matter what cultivation realm one was in, one’s lifespan would be limited. It was the same for even the great cultivators at the Tribulation Stage.

No matter what cultivation one had, one would eventually become a grave. Even those who defied the heavens and changed fate could only slightly increase the upper limit of their lifespans and delay the arrival of death.

And this old Demon Jingshan in front of him had such a method!

If the top-tier great cultivators obtained such a method, it would be a disaster!

For the sake of their lifespans, they were likely to go on a killing spree and turn the entire world into their breeding pools to ensure their longevity. How terrifying was that?

“You... How long have you been doing this?” Qin Yu said with a gloomy face.

“I can’t remember exactly how long. I only know that this is the 3,800th batch of people who have provided me with vitality.”

There are 100 people per batch. In other words, for 3,800 batches, he had deprived at least 380,000 cultivators of their lifespans!

“You d*mn b*stard. I’m going to kill you!” Chang Mang calculated and was instantly enraged. He gritted his iron fist and stepped forward!

If it were any other time, Qin Yu would have killed this Demon Jingshan with a single punch. But for Qin Yu, nothing was more important than saving Jue Wu.

As Qin Yu had said, he was willing to make any sacrifice as long as he could save Jue Wu.

“You’re indeed ruthless.” Qin Yu coldly looked at Demon Jingshan with a gloomy look.

Demon Jingshan was like a dead mouse that felt no cold. He said coldly, “You said you would spare my life.”

Qin Yu paused for a moment before he continued to ask, “Let me ask you. Where’s the Life Aura that you have accumulated?”

“It’s in that formation,” Demon Jingshan said.

Qin Yu looked in the direction, sneered, and said, “It’s been such a long time, but your cultivation isn’t that great, though.”

Demon Jingshan sneered and said, “What do you know? What I’ve improved is more about my lifespan. Now, I can live for at least 5,000 years!

It was indeed an extremely terrifying number. The lifespan of a Reversion Void Stage cultivator was around 4,000 years. Even those who had long lifespans would find it hard to live past 4,500 years.

“You look like you have a destiny of short lifespan. If I kill you with one punch right now, will your lifespan be wasted?” Chang Mang snorted coldly and said.

Demon Jingshan didn't say anything and only grunted.

Qin Yu took a deep breath and said, “I want you to do something for me now. As long as you do it, I promise to spare your life.”

“Tell me, what's it?” Demon Jingshan said in an extremely calm manner.

Qin Yu pointed at the formation and said, “If you want to live, you'll have to turn yourself from an initiator to a victim,”

A trace of suspicion flashed across Demon Jingshan's face. He frowned and said, “What do you mean?”

Qin Yu sneered and said, “From now on, this formation has nothing to do with you. You were forced to do it by someone and had no choice. Only by doing this can you survive.”

Demon Jingshan was stunned for a moment before he suddenly understood.

It was as if he had grabbed onto a life-saving straw as he said anxiously, “This is indeed a good way! However... Can this trick Demon-slaying Peak?”

“Of course not,” Qin Yu said coldly. “But I can testify for you.”

Demon Jingshan was overjoyed. Obviously, he did not expect to have a chance to live. The despair he felt earlier was instantly swept away!

But very quickly, Demon Jingshan frowned.

He looked at Qin Yu suspiciously and said, “Why are you helping me? Don't tell me you also want to obtain this method?”

“Help you?” Qin Yu said coldly. “I can't wait to tear you into a thousand pieces, so why would I help you?”

“Then what’s your reason?” Demon Jingshan was even more puzzled.

Qin Yu squinted his eyes and said, “You don’t need to know. You just need to understand that from now on, you have to grit your teeth and say that it’s the Tong family of Zhongzhou that has forced you to do this.”

“The Tong family of Zhongzhou? Tong Lianyang?” Demon Jingshan asked in a deep voice.

“I don’t know. I only know that he has a son, Tong Guangqing.” Qin Yu said.

Demon Jingshan nodded and said, “That’s right, it’s him. Why? Do you have a grudge against him?”

“I’ve told you. You don’t need to know so much,” Qin Yu said coldly.

“Tell me, are you agreeable?”

Demon Jingshan sneered and said, “I agree. Of course, I agree. If I can keep my life, why wouldn’t I agree? However, I have a condition.”

“You still f*cking dare to state conditions?” By the side, Chang Mang was instantly furious and acted as if he wanted to make a move.

Qin Yu suppressed his anger and said coldly, “What condition?”

“Not only do you have to spare my life, but you can’t cripple my cultivation. After I’m done with this, you’ll immediately send me out of Thunder Courtyard,” Demon Jingshan said indifferently.

“You’re pretty smart,” Qin Yu sneered and said.

“Do you agree or not?” Demon Jingshan asked.

Qin Yu squinted his eyes, sneered, and said, “Alright. I promise you.”

1855 The Hall of Justice's Decision

As the two of them didn't trust each other, they could only swear.

After this, Qin Yu knocked out Demon Jingshan.

He then looked at the haziness in front of him.

Instead of hazy, this place would be better described as chaotic.

The internal qi once again made him feel the abnormality.

It was because the internal qi here very much resembled the internal qi Qin Yu felt in the chaos.

The only difference was that it was very much thinner here as if it had been diluted countless times.

"Is it because this method imitates the environment to create Life Aura?" Qin Yu thought to himself.

Back then, when Qin Yu was looking for Life Aura in the mountain range of Yang City, that place was surrounded by a thick fog. The locals called that internal qi the demonic qi, and some called it the chaotic qi.

The internal qi of the formation here resembled very much the internal qi in the mountain range of Yang City.

If that was the case, it was very likely that Life Aura was bred from the so-called demonic qi.

"In the future, if the so-called demonic qi becomes even more intense, will that terrifying mysterious green creature be born?" Qin Yu thought to herself.

It was very likely.

The mysterious green creature was extremely powerful and strange.

It was as if they were without life, and they survived on the so-called demonic qi.

If the demonic qi here was strong enough, it would not only produce Life Aura, but also the mysterious green creature.

“What are you thinking?” Chang Mang asked.

Qin Yu shook his head. He pointed at the internal qi in front of him and said, “I’ve seen this kind of internal qi in a mountain range. The locals call it demonic qi, but I always feel that this internal qi seems to have originated from the beginning of chaos. Perhaps it’s more appropriate to call it chaotic qi.”

“Who cares what it’s called? It’s just a name. Why are you thinking so much about it? Even if you call him sh*t qi, who cares? Aren’t all names given by humans?” Chang Mang mumbled.

Hearing Chang Mang’s words, Qin Yu was instantly stunned.

“You’re right,” he laughed and said. “I’m overthinking.”

Once a complicated problem was simplified, it would often become more understandable.

Thus Qin Yu stopped overthinking it. He then took out a small bottle of Life Aura. He clenched his golden fist and destroyed the formation.

After the formation was destroyed, the cultivators who were used for Life Aura absorption regained control of their bodies.

Qin Yu and Chang Mang did not stay for long. They brought Demon Jingshan with them and returned to the teleportation formation, embarking on their journey back to Thunder Courtyard.

Soon, the three of them returned to the Demon-slaying Peak of Thunder Courtyard.

Qin Yu did not waste time. He brought Demon Jingshan with him and went all the way to the cave abode of the peak master.

As usual, the peak master was playing chess with Jiu Xiao.

Qin Yu strode into the cave abode with Chang Mang. He then threw Demon Jingshan in front of the peak master with one hand.

“I’ve brought him back,” Qin Yu said.

The peak master and Jiu Xiao looked at Demond Jingshan in unison.

“Is everything done?” The peak master’s words clearly had a hidden message.

“Yes, everything is going according to plan,” Qin Yu nodded and said.

The peak master sighed. He walked forward and slapped Demon Jingshan's face.

Demon Jingshan was instantly awakened. He suddenly opened his eyes and looked around.

Looking at the unfamiliar environment around him, he knew that he had been brought back to Demon-slaying Peak although he had never been here before.

"Just ask if there's anything," Demon Jingshan snorted and said.

"You're quite sensible," the peak master raised his eyebrows and said.

Qin Yu frowned and kicked Demon Jingshan. "Mind your attitude."

Demon Jingshan was smart. He gritted his teeth, pretended to be aggrieved, and begged, "This matter has nothing to do with me. It was the Tong family who made me do this!"

Although the peak master had already known about Qin Yu's plan in advance, he played along with the others.

After going through the procedure, Qin Yu looked at the peak master anxiously and said, "What is it now?"

The peak master said in a deep voice, "This Tong family has committed a heinous crime! However, this matter still needs to be reported, and the higher-ups will make a decision."

"You can't make the decision?" Qin Yu frowned.

The peak master rolled his eyes at Qin Yu and said, "Of course, I can't make the decision. Thunder Courtyard has a specialized Hall of Justice. Everything is decided by the Hall of Justice."

"Then this Hall of Justice... Can they pass this?" Qin Yu felt a headache.

He didn't expect the peak master not to be able to make a decision at all. If the Hall of Justice saw through him, all his efforts would be in vain.

"Should be," the peak master said.

The peak master sighed and said, "I'm more worried than you are. If the Hall of Justice discovers, not only will I lose my position as the peak master, I'm afraid I'll be expelled from Thunder Courtyard."

Only then did Qin Yu realize how much risk the peak master had taken for him.

“Whatever it is, don’t talk nonsense.” The peak master looked at Demon Jingshan sort of unintentionally.

Demon Jingshan was also a smart person. He quickly said, “I’m telling the truth. It’s all because of the Tong family!”

“Mmm,” the peak master responded. He looked at Qin Yu and said, “I’m setting off now to the Hall of Justice. Wait for my news.”

“Many thanks, Peak Master,” Qin Yu bowed and said.

The peak master didn’t waste time. He immediately got up and rushed to the Hall of Justice.

Jiu Xiao said while setting up the chess game, “Do you want to play?”

“Alright,” Qin Yu said with a smile.

Therefore, Qin Yu sat opposite Jiu Xiao.

As they were playing chess, Jiu Xiao laughed and said, “I’ve underestimated you. You even dare to do such a thing. Do you know the consequences of lying to the Hall of Justice?”

“I don’t know, and I don’t want to care. No matter what the consequences are, I have to do this,” Qin Yu said.

“What if Demon Jingtian suddenly changes his mind?” Jiu Xiao said.

“Doing this won’t do him any good,” Qin Yu said.

Jiu Xiao didn’t say anything else and focused on the chess game.

Despite what he had said, Qin Yu’s heart was hanging in the air. It was not because he was afraid of the punishment of the Hall of Justice, but he was worried that he could not have the opportunity to use the power of Demon-slaying Peak once he was discovered. It would also mean Qin Yu no longer had the opportunity to bring Jue Wu back.

The peak master did not return for the entire day.

It made Qin Yu even more worried. His worry was beyond words.

The peak master still did not return the following day.

For the following three days, there was no news at all. It was as if the peak master had disappeared without a trace.

In the blink of an eye, it was the fifth day, but the peak master still did not show up.

Qin Yu couldn't take it anymore. He stood up immediately and planned to go to the Hall of Justice.

Just as Qin Yu walked out of the main entrance of Demon-slaying Peak, she finally saw the peak master.

Qin Yu quickly walked up to him.

"Peak Master, how is it? What's the Hall of Justice's decision?" Qin Yu asked anxiously.

The peak master looked a little tired. He waved his hand and threw Demon Jingshan to Qin Yu.

"After a few days of interrogation, it finally passed," the peak master said tiredly.

Hearing this, Qin Yu finally felt relieved.

"Speaking of which, this kid is quite stubborn. Most importantly, he survived the divine sense search," the peak master said.

"What?" Qin Yu was stunned. "He even went through the divine sense search?"

"Mmm. I have no idea how he escaped," the peak master said.

Qin Yu wiped the sweat from his forehead. Other than feeling shocked, he felt that it was extremely dangerous.

On the other hand, Demon Jingshan looked like he had experienced a tremendous tribulation. He looked extremely exhausted.

"Wait for the mission. I believe it won't take long," the peak master waved his hand and said.

"Thank you for taking the trouble," Qin Yu said.

After the peak master returned to his cave abode, Qin Yu anxiously went back to his own cave abode with Demon Jingshan.

As soon as he entered the cave abode, Qin Yu waved his hand and sealed the cave abode.

"I'm done with my business. Can you let me go now..." Demon Jingshan said in an extremely weak voice.

Qin Yu didn't answer the question. Instead, he asked, "How did you escape the divine sense search?"

Demon Jingshan sneered and said, "Do you really think all divine sense searches work? Let me tell you, the essence of the divine sense search is merely searching the consciousness of a person. In my consciousness world, I have absolute control!"

Hearing this, Qin Yu turned ashen.

Looking at Demon Jingshan in front of him, he could only feel extremely shocked!

It was because this person had the same thinking as him!

"I've underestimated you," Qin Yu said in a low voice.

Demon Jingshan waved his hand and said, "I can go now, right?"

"No." Qin Yu rejected Demon Jingshan without even thinking.

Demon Jingshan's expression changed, and he asked coldly, "What do you mean by this?"

"You're so powerful," Qin Yu said with a smile. "If I let you go just like this, I don't know how many people you will harm in the future."

"You want to go back on your word? I'm telling you. We had an agreement earlier, and we even swore an oath!" Demon Jingshan said in anger.

Qin Yu nodded and said, "That's right. I did promise you that I would send you out of Thunder Courtyard. But I didn't say where I was going to send you."

"You dare to trick me?" Demon Jingshan was instantly furious!

"Do you believe I'll spread the truth out right now?"

"If that's the case, you'll die too," Qin Yu sneered and said.

"Don't worry. I won't kill you. I'll only imprison you. I'll return your freedom after you've at least turned over a new leaf," Qin Yu said.

"Don't f*cking play with me!" Demon Jingshan gritted his teeth and said. "I'm leaving Thunder Courtyard now!"

"I'm taking you away now." Qin Yu nodded.

Following that, grabbing Demon Jingshan and stepping the line word formula, Qin Yu swiftly left Thunder Courtyard.

Along the way, Demon Jingshan struggled with all his might but he could not break free.

Qin Yu took him straight back to Nanzhou and brought him to Boundless Temple.

Rumor had it that the ancient Buddha of the Western Region had left behind this temple, which had the wonderful effect of soul cleansing.

Now that Boundless Temple had become a deserted place, there was still powerful Buddhist dharma that could suppress cultivators in the temple.

“What are you doing?” Demon Jingshan had a bad feeling when he saw Boundless Temple.

Qin Yu laughed and said, “Demon Jingshan, it’s not that I’m making things difficult for you, but your method is too cruel. I know the process of taking away a person’s vitality is extremely painful. It’s even more painful than taking away the divine sense.”

“So what if I am!” Demon Jingshan said angrily.

“It’s unethical,” Qin Yu said with a smile.

“You can stay in the ancient well of Boundless Temple for now. I believe you will have great achievements in the future.”

“Go to hell! Quickly let me go!” Demon Jingshan was furious.

Qin Yu ignored him and brought him into Boundless Temple.

However, Qin Yu, who had just stepped through the door of Boundless Temple, sensed a powerful internal qi.

“Eh? Someone is here?” Qin Yu frowned.

He instantly became alert. He activated his desolate divine eye and looked into the depths of Boundless Temple.

He saw a person kneeling in front of the Buddha statue in the depths of Boundless Temple.

This person put his palms together and looked very pious.

“Someone is worshipping!” Qin Yu frowned.

He brought Demon Jingshan carefully walked into the depths of Boundless Temple.

They walked up to the Buddha statue. As Qin Yu was about to speak, the man who was piously kneeling on the ground turned around.

Qin Yu was stunned when he saw the man in front of him.

It was because this person was none other than Iron Egg, who had disappeared for a long time!

Seeing Qin Yu, Iron Egg was stunned too. He then frowned and said, "Qin Yu? What are you doing here?"

"D*mn it! I should be the one asking you!" Qin Yu walked forward and punched Iron Egg in the chest.

"Where have you been all this while? Why didn't you show up during the battle with Yuan Xiu back then?" Qin Yu couldn't help but ask.

"What Yuan Xiu? What does it have to do with me? Why must I show up?" Iron Egg sneered and said.

Qin Yu was stunned. What he said was true.

Therefore, Qin Yu didn't dwell on this issue but changed the subject. "What are you doing here?"

Hearing this, Iron Egg immediately put his palms together and said, "Amitabha. I've killed too many people. I'm certainly here to cleanse my sins."

"Eh? Could it be that you're going to turn over a new leaf?" Qin Yu said in surprise.

"F*ck! You're very dramatic," Iron Egg sneered and said.

"You're the dramatic one. While killing countless people, you kneel to worship here. I think you'll become the target of our Demon-slaying Peak sooner or later," Qin Yu rolled his eyes and said.

"Demon-slaying Peak? No! No, no, no!" Iron Egg waved his hand.

"This is my dao technique. So I can't be the target of Demon-slaying Peak."

After saying that, Iron Egg looked at Demon Jingshan.

"Who's this guy?" Iron Egg asked.

"It's none of your business!" Demon Jingshan was instantly furious.

Iron Egg rubbed his fists. He looked at Demon Jingshan and said, "You're asking for trouble, aren't you?"

Qin Yu quickly stood in front of Iron Egg, who looked hostile.

"It's just nice. In a few days, you can accompany me to do something," Qin Yu changed the subject and said.

"Me? Help you?" Iron Egg sneered and asked, "What makes you think so?"

"Don't forget, I'm the one who gave you this body," Qin Yu rolled his eyes and said.

"Oh? Really? How come I don't remember? Who can testify?" Iron Egg said shamelessly.

Qin Yu knew that morals and ethics could not restrain Iron Egg. Thus he stopped arguing with him and immediately changed his words. "I'm taking you to kill people. It is in line with your cultivation path."

Iron Egg was not stupid. He sneered and said, "Qin Yu, are you taking me as your fighter?"

"Just tell me if you're going or not," Qin Yu said with a frown.

"You must tell me the benefits I will get," Iron Egg said with a smile. "If there're benefits, I might consider it."

"D*mn it! You don't need to go then!" Qin Yu lost his patience. After all, it did not make much difference with additional or less one person.

Qin Yu then brought Demon Jingshan to the bottom of the well in Boundless Temple and suppressed him with dharma.

After that, Qin Yu planned to leave.

The moment he reached the door, he saw Iron Egg waiting for him.

With a green foxtail grass in his mouth, he looked at Qin Yu sloppily.

"Where are you going?" Iron Egg asked.

"The Tong family. The Tong family in Zhongzhou. How about it? You don't dare to go, do you?" Qin Yu said with a smile.

“You can’t goad me into doing that,” Iron Egg sneered and said.

“Alright,” Qin Yu spread out his hands and said. “See you again.”

After saying this, Qin Yu quickly left Boundless Temple without looking back.

After returning to Thunder Courtyard, the peak master asked, “How did you deal with him?”

“He’s locked up in Boundless Temple. He probably won’t show up for a while,” Qin Yu answered truthfully.

The peak master nodded and said, “I estimated this mission to be issued in three days at most. You should get prepared.

“After all, we’re going to the Tong family this time. No one knows what kind of foundation the Tong family has.”

“If there’s any danger, you all can leave quickly,” Qin Yu said.

The peak master didn’t say much. As the peak master of Demon-slaying Peak, he naturally had to be responsible for everyone’s safety.

After returning to the cave abode, Qin Yu took out the Life Aura.

Even though this small bottle of Life Aura was not considered rich, the amount was pretty good.

Qin Yu sniffed it and said in a low voice, “If I have enough Life Aura, I might try to improve my physical body”.

Of course, this kind of thing couldn’t be rushed. It was also only a whim.

In the following few days, Qin Yu and Chang Mang stayed together every day, waiting for instructions from the Tong family.

At this moment, the Tong family was also waiting for Qin Yu’s arrival.

Tong Guangqing was the leader of this matter, so he was naturally in charge of the entire matter.

In the main hall, Tong Guangqing kept walking around.

Uncle Guan, sitting by the side, looked quite calm.

"This Qin Yu wouldn't give up just like that, would he?" Tong Guangqing said with a frown.

"No, he won't," Uncle Guan took a sip of tea as if everything was under his control.

Tong Guangqing looked at uncle Guan and said coldly, "If it doesn't work, I'll take the Saint Weapon and wait for Qin Yu at Thunder Courtyard!"

"You must not." Uncle Guan immediately shook his head.

"This matter is no longer as simple as you and I've thought. It has been delayed for so long and Qin Yu must have already prepared a foolproof plan," Uncle Guan continued.

Tong Guangqing was somewhat puzzled and looked at Uncle Guan, waiting for him to continue.

"If he's really desperate, he'll likely spread the news about the key to the entire Holy Region before he's captured," Uncle Guan said coldly. "Therefore, no matter what, we must keep him within the Tong family's territory!"

Tong Guangqing was silent. After a while, he suddenly said, "What if Qin Yu told someone about the key before he came to the Tong family?"

"This is what I'm worried about. It is also the reason he must come to the Tong family," Uncle Guan said calmly.

"As long as he's captured by us in the Tong family, we'll be able to search his soul before we kill him.

"If he did tell others, we can also find the other party and get rid of him."

Tong Guangqing finally understood. He sighed and said, "Looks like I'll have to send someone to give him some warning..."

As the two were talking, an elderly man suddenly walked in from outside.

Seeing the elderly man, Uncle Guan and the others quickly got up and stood aside respectfully.

It was none other than the current head of the Tong family, Tong Lianyang.

"Father," Tong Guangqing bowed and greeted him with respect.

Tong Lianyang walked straight through the Great Hall and sat on the throne.

“You’re still not done with the matter?” Ling Lianyang said with a slightly displeased tone.

Tong Guangqing didn’t dare to say anything and immediately looked at Uncle Guan.

Uncle Guan quickly stepped forward and said, “Sir, this matter involves Thunder Courtyard. We must be careful.”

“So what if it’s Thunder Courtyard?” Zhi Lian Yang snorted coldly.

He then waved his hand, and a young man walked in from outside.

This young man’s face was cold and had abundant internal qi. He walked straight in with a majestic gait.

Seeing this young man, Tong Guangqing’s expression changed slightly, and a hint of jealousy flashed in the depths of his eyes.

He walked up to Tong Lianyang, bowed slightly, and greeted him, “Master.”

“Mmm.” Tong Lian Yang nodded, and a look of relief flashed in his eyes.

This young man was none other than Tong Lianyang’s personal disciple, Tong Haoyang.

He was only slightly over a hundred years old, but he had reached the middle stage of the Reversion Void.

What was even more exaggerated was that he had once killed eight Reversion Void Stage cultivators of the same cultivation realm as him. He was the number one heaven’s favorite of the Tong family with his abilities far beyond Tong Guangqing’s!

It was also due to this that he had an extremely high status in the Tong family, and was Ling Lianyang’s favorite.

“Haoyang, do you want to go to Thunder Courtyard?” At this moment, Tong Lianyang suddenly spoke.

“I’ll let Master decide on everything,” said Tong Haoyang with a bow.

A faint smile appeared on Tong Lianyang’s face as he said, “Then you go to Thunder Courtyard. With your ability, it’s not difficult for you to get in.”

“Yes, Master.” Tong Haoyang didn’t say much. He immediately got up and walked out of the hall.

After he left, Tong Guangqing and Uncle Guan immediately understood what Tong Liyang was up to.

“Sir, are you going to let him go to Demon-slaying Peak to kill Qin Yu?” Uncle Guan frowned.

“You’re right,” Ling Liyang said indifferently.

“As long as he becomes a member of Demon-slaying Peak, killing Qin Yu will not be a violation of the rules. Thunder Courtyard can’t do anything either.”

Tong Guangqing gritted his teeth and said, “Father, I can go too!”

“You?” Tong Liangyan shook his head. “With your abilities, I’m afraid Thunder Courtyard will not accept you.”

Tong Guangqing’s pupils suddenly constricted, and blue veins bulged on his forehead like earthworms.

These words undoubtedly dealt a deep blow to Tong Guangqing. A sense of frustration and anger arose spontaneously.

“Alright. The decision is made. With Haoyang’s help, killing Qin Yu is not a difficult thing,” Tong Liyang said as he stood up.

“I believe in a few days, Haoyang will bring the token and Qin Yu’s corpse back to see me.”
