## Chapter 1865 - 1865 Battle Against the Tong Family

### 1865 Battle Against the Tong Family

Looking at the corpse, Tong Guangqing was reluctant to acknowledge it.

Although he did not like Tong Haoyang, everybody could see his strength. How did he die at the hands of a puny Qin Yu?

“You sent trash to kill me. You’re so stupid!” Qin Yu shouted, indirectly confirming Tong Haoyang’s identity!

Uncle Guan frowned slightly. He looked up at Qin Yu and said, “It must be someone else from your Demon-slaying Peak who did it, right?”

“Is there a need to? D\*mned old man, you were also one of those who went to Nanzhou, right?” Qin Yu said coldly.

Uncle Guan’s face changed slightly, and he instantly shouted, “Little b\*stard, do you know who you’re talking to?”

Qin Yu raised his head and laughed. He then raised his hand and  
slapped Uncle Guan!

Golden radiance shot out as if it was going to crush everything!

In front of so many people, Uncle Guan naturally would not dodge. He  
snorted coldly and waved his sleeve instantly, raising his hand to receive  
the attack.

“Boom!”

The moment they came into contact, all the radiance and techniques  
vanished.

Uncle Guan stumbled back a few steps and almost fell to the ground!

He only felt his arm go numb, and his bones were as if going to shatter!

Uncle Guan’s face finally showed a grave expression seeing such  
terrifying power.

“I’m here today to suppress your Tong family,” Qin Yu said coldly.

Tong Guangqing narrowed his eyes. He suddenly sneered and said, “Demon-slaying Peak doesn’t allow avenging personal grudge. Why did you bring ten or so people from Demon-slaying Peak to my Tong family?”

At this moment, the peak master stepped forward and said indifferently, “Someone provided evidence of the Tong family’s evil deeds to Demon-slaying Peak. We spent ten days or so verify it. Therefore today, we’re here not to take revenge but to slay the demons.”

Hearing this, Qin Yu could not help but frown.

He glanced at the peak master and seemed to understand something now.

No wonder this matter dragged on for so long. It turned out that the Hall of Justice had sent people to investigate.

However, how did they not know it was slander if they had investigated?

“What bullsh\*t evidence? You’re talking nonsense. Do you dare to take it out?” Tong Guangqing shouted.

The peak master placed his hands behind his back and said indifferently,

“We don’t have a such obligation.”

“Hahaha! He who has a mind to beat his dog will easily find his stick. It’s alright. My Tong family isn’t afraid of your Demon-slaying Peak!” Tong

Guangqing shouted.

Qin Yu looked at Tong Guangqing coldly. He took a deep breath and said, “If you hand over Jue Wu now, I might consider leaving you with an

intact corpse.”

Hearing this, Tong Guangqing instantly sneered and said, “Qin Yu, I’ll say the same thing to you. If you return my things, you might be able to

see Jue Wu.”

“You’re courting death!” Qin Yu shouted angrily, and an extremely terrifying internal qi suddenly burst out from his body!

Following that, he stomped his feet and closed in on Tong Guangqing

with his Golden Fist!

“Protect the young master!” Uncle Guan hurriedly shouted!

The Tong family's elders and guest elders immediately stood in front of Tong Guangqing. Their bodies emitted a dazzling radiance as they received Qin Yu.

However, Qin Yu was indeed too powerful. Like an arrow released from a bow, he was extremely sharp and forced everything back. It seemed that no technique could stop him!

The fist that was as hot as the sun, forced everyone to step back and steered straight for Tong Guangqing!

Tong Guangqing's expression changed drastically. He did not dare to be slow and quickly cast a technique. A gigantic plaque suddenly appeared in front of him!

The plaque looked real, and it protected Tong Guangqing.

Qin Yu ignored it. He snorted coldly and his strength rose again. He smashed the plaque with his full power.

“Boom!”

The plaque that was condensed was not worth mentioning in front of Qin Yu. It was instantly crushed.

The terrifying aftershock pushed Tong Guangqing, who could not dodge in time, back a few steps. And he spat out a mouthful of blood!

Uncle Guan snorted coldly and immediately stepped forward, once again blocking in front of Tong Guangqing.

He exuded a strong fighting spirit and said coldly, "You dare to come to my Tong family and act atrociously? I think you're courting death!"

Qin Yu looked at Uncle Guan in front of her and said coldly, "D\*mned old thing, I'll take your life today!"

Following that, many people came from all directions. The Tong family also asked for the help of their guest elders and hangers-on.

With Qin Yu's attack, the battle began.

The first to make a move was Chang Mang. His massive body was like an enraged bull, and his pot-like fists contained a power that could destroy the world. Wherever he passed, no one could block him.

Jiu Xiao and the peak master did not waste time and joined the  
battlefield.

Although Demon-slaying Peak didn't have the advantage in terms of  
number, those who joined Demon-slaying Peak were all top heaven's  
favorites. Needless to say, they were all strong each was strong enough  
to fight against ten people!

It was an extremely terrifying battle. Light flashed everywhere and blood  
spilled everywhere. In a short time, the Tong family had become a  
carnage.

The anger that Qin Yu had been suppressing for many days finally  
exploded on this day. His terrifying iron fist swept across everything,  
forcing Uncle Guan and the others to retreat!

The more Uncle Guan fought, the more frightened he became. Qin Yu's  
terrifying combat strength was totally beyond his imagination. Even a  
wisp of light that spilled out could take a person's life!

Tong Guangqing looked at the scene in front of him and could not help  
but grit his teeth.

Qin Yu's target was him. With Tong Guangqing's strength, he was unable to fight. He could only hide in the dark and be prepared to escape at any time.

More and more people joined the battlefield. A large number of the Tong family's hangers-on came to help. Countless secret techniques soared into the sky, causing thunder to rumble in all directions.

No one would have imagined such a terrifying conflict to suddenly erupt in Zhongzhou, more so a move against the aristocratic family of Zhongzhou!

All of the ancient buildings in the Tong family couldn't withstand the terrifying pressure and were destroyed. Countless people died under the light, turning into corpses one after another.

At this moment, the Tong family's mountain protection formation was activated!

Terrifying light burst out from the gates in four directions. The light shot up into the sky and covered everything.

“Buzz!”

A holy sound slowly rang out, as if summoning some kind of terrifying existence.

The entire Tong family was suddenly wrapped in a thick fog, blocking everyone's vision.

Before the crowd could panic, a giant beast suddenly burst out!

It seemed to be an Azure Dragon. Its body was incredibly huge, and its pair of cold eyes looked down at the crowd. The tongue that it flicked out was emitting exceptionally terrifying internal qi.

This Azure Dragon was the Tong family's Mountain Guardian Divine Beast. It was a True Saint that came from the Tong family and could protect the Tong family away from death!

Everyone was shocked by the Azure Dragon, and they were stunned for a moment.

At this point, the Azure Dragon's eyes erupted with a flame-like radiance and swept over!

Those who couldn't dodge in time had half of their bodies instantly burned away. As for those who were unyielding and received the attack with divine artifacts, their flesh and bones were directly shattered!

### 1866 The Mountain Protection Formation of the Tong Family

This Azure Dragon looked true to life, very much like the Azure Dragon recorded in the Classic of Mountains and Seas.

Its steel-like scales could block everything. Nothing could penetrate its indestructible body.

After all, this was the Tong family's guardian divine beast. Its strength was needless to elaborate.

In an instant, even heaven's favorites of Demon-slaying Peak were injured by the Azure Dragon.

Its eyes exuded divine might. Wherever it passed, all things were wiped out, and the divine artifacts in everyone's hands were destroyed. There were even some people with their flesh peeled off directly, revealing their internal organs.

"D\*mn it! This beast! I'll kill you!"

Facing the Azure Dragon, Chang Mang stood out.

His vast divine power, coupled with his incomparably tough body, arrived in front of the Azure Dragon in an instant. His scarlet fist smashed directly at the Azure Dragon!

"Boom!"

A loud bang reverberated through the air. One of the Azure Dragon's scales was forcefully shattered by Chang Mang!

This move undoubtedly angered the Azure Dragon. It wagged its tail, which was like a steel pillar, and swept over!

Those who couldn't dodge in time were directly shattered into pieces. It was such a tragic sight!

There were even some people whose bodies were destroyed in an instant. If they didn't escape quickly, even their primordial spirits would have fallen!

Seeing this, Qin Yu's expression changed drastically. He clenched his Golden Fist and smashed a guest elder who kept entangling him. He then looked at the Azure Dragon coldly.

A terrifying killing intent was directed at the Azure Dragon. The surging battle intent on Qin Yu's body swept across the entire Tong family!

As their eyes met, Qin Yu's cold eyes stared straight into Azure Dragon's pupils.

"D\*mned beast." Qin Yu coldly spat out a few words.

He stretched out his palm and took out the iron rod.

The pitch-black iron rod in Qin Yu's hand exuded an incredibly terrifying pressure.

But in the next second, Qin Yu threw the iron rod at Chang Mang.

"This iron rod might suit you," Qin Yu said coldly.

Chang Mang received the iron rod and tried swinging it a few times. He then said in surprise, "This thing is quite handy. I'll kill this beast right now!"

"No, I want to kill him with my own hands," Qin Yu said coldly.

The Azure Dragon was too huge. Although Chang Mang was strong, he had no way of taking its life in a short time.

If this continued, it would only cause more casualties.

The huge difference in size was difficult to overcome unless one had overwhelming strength.

Qin Yu looked at Azure Dragon coldly. A guest elder wanted to take this opportunity to sneak attack, but he was smashed into meat paste by Chang Mang, who had sharp eyes and quick hands.

Qin Yu remained silent, but the golden light on his body became even more dazzling.

A few seconds later.

Qin Yu's body was completely buried by the golden light! And these wisps of golden light rippled in all directions, forming an extremely huge body!

This body was tens of feet tall and incredibly huge!

And this technique originated from Qin Yu's father's cosmic form!

The huge body instantly stunned everyone!

"What kind of technique is this? Is this a vision?"

"No, it's Qin Yu's true body. How is this a vision?"

"How many more secrets is Qin Yu hiding?"

With the support of this huge body, Qin Yu's aura soared!

The panicking Demon-slaying Peak disciples reinvigorated the battle intent!

Qin Yu looked at the Azure Dragon coldly. The killing intent in his eyes made the Azure Dragon's body shake slightly. No one knew whether it was because of excitement or fear. However, everyone knew that at this moment, the Azure Dragon was feeling a little uneasy.

Driven by this uneasiness, the Azure Dragon's pupils were the first to exude a divine might. It then charged directly toward Qin Yu!

The two rays of light emitted by the pupils seemed to be able to penetrate everything in the world. However, they could not penetrate Qin Yu's body, which was as huge as Mount Tai!

His huge fan-like hand waved over and directly shattered the two rays of light!

In the next second, Qin Yu's feet moved with the line word formula and appeared in front of the Azure Dragon in an instant!

A golden fist the size of a small mountain ruthlessly smashed toward the Azure Dragon's head!

“Clang!”

It was as loud as thunder! It shattered the dark clouds lingering in the sky, revealing golden rays of sunlight!

After suffering such a severe injury, the Azure Dragon instantly became a little dazy!

Qin Yu didn't want to give it any chance to catch its breath. He knew what it meant to be a guardian divine beast.

If the family existed, the divine beast would exist. If the family was eliminated, the divine beast would die!

Qin Yu raised his hands and smashed them on the Azure dragon's head!

Qin Yu's strength was so terrifying that his physical strength could destroy almost everything!

With just two punches, the Azure Dragon fell to the ground, and bloody wounds appeared on his huge head!

“What a tough body.” Qin Yu was a little surprised.

If it were an ordinary Demonic Beast, it would have been turned into meat paste under these two punches!

“Roar!”

The Azure Dragon seemed to have been enraged by Qin Yu as it raised its head and roared!

Qin Yu snorted coldly. He rushed forward and clutched the Azure Dragon’s neck. His other hand clenched into a fist and punched him repeatedly as if he was going to smash his head completely!

Although the Azure Dragon struggled with all its might, Qin Yu’s strength was too terrifying. After all, it was not Demonic Beast at the True Saint stage. In the face of Qin Yu’s destructive power, it soon could not hold on anymore!

At this critical moment, rays of light were emitted from all directions of the Tong family, followed by an incomparably sacred loud sound of an ancient bell!

This sound was extremely sacred, like the dao technique of Thunder Courtyard!

Under these sacred sounds, the Azure Dragon seemed to have been injected with some terrifying power. It actually directly jolted Qin Yu back!

Qin Yu, who was caught off guard, was forced back a few steps, and the golden light faded a little.

He looked at the Azure Dragon coldly and was about to make a move before the Azure Dragon suddenly leaped up and drilled into the sky!

“What?”

Qin Yu frowned slightly and was a little confused.

Could it be that the Azure Dragon was trying to escape? That was impossible! As a guardian divine beast, there’s no such thing as escaping!

Their lives had long been tied to their families. So even if they fled, they would vanish into thin air!

“Something’s wrong!”

Qin Yu soon realized that something was wrong!

This Azure Dragon seemed to have obtained the mysterious power of the Tong family’s inheritance. And it seemed to be about to activate some extremely terrifying techniques!

Thinking of this, Qin Yu quickly looked at the crowd and shouted, “Everyone, hurry up and come to me!”

Everyone from Demon-slaying Peak was confused.

“Boom!”

At this moment, a loud noise came from the sky. The entire sky then turned scarlet!

“Hurry up and come over!” Qin Yu shouted in a hurry!

He opened his arms and protected everyone under him!

In the next second, the scarlet sky began to descend with a terrifying radiance like divine punishment. The entire Tong family instantly turned into a tragic battlefield!

Those who couldn’t dodge in time were directly hit by this divine punishment and turned into dust!

1867 The Guardian Divine Beast

The Azure Dragon seemed to have become one with the sky and formed a connection with the Tong family by borrowing the Tong family’s terrifying mysterious power.

Under this power, the people of Demon-slaying Peak were unable to resist at all. In an instant, their bodies were pierced through and turned into ashes.

Qin Yu opened his arms and protected everyone under his body. The divine punishment landed continuously on Qin Yu's golden arms, leaving behind huge bloody holes one after another!

Uncle Guan and the others sneered, looking at this scene.

He clasped his hands behind his back and said indifferently, "This is The guardian divine beast left behind by the great ancestor. You're still too inexperienced to deal with the Tong family!"

Qin Yu endured the terrifying force with great difficulty. Soon, his body was stained in blood and left with countless wounds.

"F\*ck!" Chang Mang let out a furious roar as he charged out with the iron rod in his hand.

Chang Mang's entire body emitted a blood-red light as he began to attack indiscriminately.

Everything in the Tong family seemed to have been destroyed under his powerful strength. Countless people turned into ashes under his iron rod. In an instant, they turned into scattered corpses!

Uncle Guan's expression was cold. He waved his hand and bawled, "Kill him!"

Dozens of Reversion Void Stage cultivators came forth, and even Chang Mang couldn't withstand their terrifying internal qi!

Qin Yu's face was a bit ugly. He closed his eyes slightly, and with a thought, wisps of strange internal qi emitted from his body.

"The Emperor's Sword!"

At this moment, Qin Yu suddenly shouted!

With Qin Yu's shout, the world began to rumble, and the Great Dao began to gather in front of Qin Yu!

The so-called Emperor's Sword was a divine sword formed by sensing the Path of Heaven!

This technique was passed down from Qin Yu's father, the guardian of the Path of Heaven!

Only the guardians of the Path of Heaven would possess such a technique!

"Rumble..."

The Path of Heaven continued to condense in the sky. It was the true power of the Path of Heaven's divine punishment. It was incomparably terrifying and could destroy everything in the world!

"Buzz!"

A crisp sound rang out, and a golden sword suddenly appeared in the sky!

The Emperor's Sword took shape and slashed down from above!

The scarlet red clouds in the sky were instantly cut into two, and terrifying forces spread to the surroundings!

The terrifying sanctum formed by the Tong family's guardian beast collapsed in an instant!

The descending divine punishment also began to disappear at this moment!

"Pitter-patter!"

It was as if blood rain was falling from the sky. The entire sanctum was filled with the smell of blood, and everyone's clothes were wet from the blood rain.

Uncle Guan frowned. He reached out and grabbed something hard.

When he took a closer look, his face turned cold.

This hard object was none other than the Azure Dragon's scales!

“Boom!”

Before Uncle Guan could feel shocked, the Azure Dragon's huge head, which was almost destroyed, fell and landed in the center of the Tong family!

The Tong family's guardian had fallen!

Qin Yu didn't waste time. His body quickly resumed its normal size. He then stomped on the ground and rushed toward Uncle Guan!

Uncle Guan's expression was extremely cold. He stretched out his palm and took out a big seal, trying to suppress Qin Yu with it.

However, Qin Yu's strength was terrifying! The golden light cut through everything, and the seal was directly shattered!

Qin Yu's huge fist arrived in front of Uncle Guan in an instant!

Uncle Guan's expression changed. He opened his mouth and spat out a huge green tree, and the green tree was emitting a green radiance.

Under this radiance, Qin Yu's strength was instantly removed. Uncle Guan took his opportunity to hit Qin Yu with another big seal.

“Boom!”

Qin Yu was forced back a few steps. He frowned and looked at the ancient green tree in his hand.

This power was rather strange, and it was somewhat similar to the technique Tong Haoyang had previously used.

Holding the mysterious green tree, Uncle Guan shouted, “Little b\*stard! You actually killed my Tong family’s divine guardian beast. You must die here today!”

After saying that, Uncle Guan lifted the ancient tree with one hand. Waves of water wave green radiance swept toward Qin Yu!

Qin Yu knew that this ancient tree was not simple. Although it was not as powerful as a Saint Weapon, it was not to be underestimated.

Therefore, he instantly activated the Saintly Body Technique and crossed his arms in front of him.

“Clang!”

The moment they came into contact, Qin Yu’s body was forced back a few steps, leaving spots on his arms.

“See how I suppress you!”

Uncle Guan shouted and threw the ancient tree in his hand lightly.

The ancient tree was growing larger, and a terrifying suppressive force fell on Qin Yu!

Qin Yu looked up at the ancient tree and shouted. He raised his arms and received the ancient tree!

The ancient tree was exuding a strange power. Under this power, Qin Yu felt his body become extremely weak, and his body was constantly suppressed!

“Ah!”

Qin Yu raised his head and shouted. His black hair was dancing in the wind and his blood was surging. Nothing seemed to be able to stop him!

He relied on that powerful body and pushed back this green tree!

“Buzz!”

At this moment, a divine arrow shot toward the ancient bronze tree!

The divine arrow contained the might of the Great Dao. It was incredibly terrifying. Immortal power was condensed on it as if it had passed through the ages.

“Boom!”

The divine arrow pierced through the ancient tree and actually shattered it!

Turning around, Qin Yu saw the attacker, Jiu Xiao, holding a bow in his hand. Mysterious runes and a large number of mysterious creatures were engraved on the bow.

“Thank you very much.” Qin Yu had no time to feel shocked by the secret treasure in Jiu Xiao’s hand. After thanking him, he looked at Uncle Guan again.

However, sensing something was wrong, Uncle Guan immediately fled into the void, disappearing without a trace.

Without Uncle Guan, the backbone, many hangers-on of the Tong family were nothing at all.

The cultivators of Demon-slaying Peak were filled with the terrifying battle intent. The entire Tong family was in a tragic state, and even the sky was dyed blood-red!

“Hahaha!”

Seeing this, Qin Yu couldn’t help but laugh.

“Kill them! Who cares what aristocratic family they are from? Just kill them to your heart’s content!” Qin Yu shouted.

“What Zhongzhou aristocratic family? We will trample them under our feet!”

It was as if everyone was infected. Their bodies exuded endless battle intent as if they were desperately venting out injustice.

On the other end, hiding in the dark, Uncle Guan had gone all the way to the deepest part of the Tong family.

Sitting upright, Tong Lianyang did not look flustered at all.

On the other hand, Tong Guangqing was trembling beside him as if he was extremely frightened.

“The guardian divine beast is dead. The ancient bronze tree has also been shattered.” Uncle Guan’s face was extremely ugly.

Tong Lianyang squinted his eyes, sighed, and said, “I didn’t expect that Demon-slaying Peak would visit my Tong family...”

“It’s all because of that Qin Yu!” Tong Guangqing’s eyes were wide open as he gritted his teeth and said.
