

My Rich Wife

1880 The True Strength?

Even Qin Yu could not help but frown.

The difference in strength between the people here wouldn't be too significant. After all, they were all top figures from all over Holy Region.

However, Si Shiyu actually defeated his opponent with a single strike. It was enough to prove his strength.

Even Qin Yu would find it difficult to do it so directly and efficiently.

“As expected of someone from the Si family. He seems to be a strong opponent.” Qin Yu squinted his eyes and looked in the direction of Si Shiyu.

Meanwhile, Si Shiyu's gaze also fell on Qin Yu.

There was a hint of mockery and provocation in his eyes, which made people extremely uncomfortable.

“Did you see that? This is Si Shiyu's strength,” the peak master by the side said.

Qin Yu stepped forward and said coldly, “I hope I can draw him as soon as possible.”

“I'm afraid it'll be tomorrow,” the peak master by the side said.

“Why tomorrow?” Qin Yu owned and asked.

The peak master didn't say much but just sized up Qin Yu.

Qin Yu bent his body and looked at himself. When he saw the injuries on his body, he finally understood what the peak master meant.

“This little injury won’t affect me,” Qin Yu said.

The peak master rolled his eyes and said, “It doesn’t affect you doesn’t mean it won’t affect others.”

Qin Yu didn’t say anything else. He knew he couldn’t change the rules. Thus it was useless to say anything.

Under everyone’s gaze, Si Shiyu slowly walked down.

A burst of applause came from below, and the few elders floating in the air couldn’t help but show a hint of admiration.

“As expected of the Si family. It’s indeed shocking.”

“That’s right. This kid probably didn’t inherit the Si family’s bloodline completely, yet he has such powerful strength. I really don’t know how powerful Si Shiyue is.”

The Si family’s elder smiled without saying anything, but the pride on his face could not be concealed.

Today’s competition was much faster than expected. It had ended before the sky turned dark.

Everyone stayed in this Mystic Realm for the time being. As for the few seniors, they left the Mystic Realm one after another.

The sky was getting dark. Thunder Courtyard distributed pills to Qin Yu and the others to ensure they would be in their best condition for the competition the following day.

Qin Yu, the peak master, and the others sat on a stone bench with their eyes closed to rest. The peak master beside them said jokingly, “How was it? You must be under a lot of pressure.”

Qin Yu took a deep breath and put on a smile. He shook his head and said, “I’m looking forward to it.”

If he were even afraid of Si Shiyu, how could he face Si Shiyue?

“This Si Shiyu’s cultivation realm is above yours. Thus you don’t have to feel too much pressure. Even if you lose, it’s nothing,” Jiu Xiao said from the side.

Qin Yu remained silent.

“Lose to him?” thought Qin Yu.

If he lost to this Si Shiyu, he would no longer have the possibility of competing with Si Shiyue.

They didn’t know what this battle meant for Qin Yu. Thus he didn’t say anything else.

At this time, Zhao Wan Er ran over from not far away.

She sat beside Qin Yu, sighed, and said, “Whether I fight against you or Si Shiyu tomorrow, I’m afraid it’ll be a tough battle. Speaking of which, I want to give up.”

“What’s the matter with you? Weren’t you full of confidence today? Why are you so discouraged now?” Qin Yu laughed and said.

Zhao Wan Er rolled her eyes and said, “After seeing the strength of you and Si Shiyu, I don’t think I have a chance. Unless I obtain Flower Granny’s true inheritance.”

Talking about this, Zhao Wan Er suddenly leaned forward and whispered, “If I’m not wrong, you didn’t show your full strength today, did you?”

Qin Yu was stunned and said in surprise, “How did you know?”

“I guessed,” Zhao Wan Er said with pride.

“Although we haven’t been in contact for a long time, based on my understanding of you, you definitely won’t show your full strength when you first show up.”

Qin Yu nodded slightly.

What he displayed today was not his true strength.

Not to mention the fighting word formula, the Divine Dragon Power, and so on, even the strength of Qin Yu's true body was not limited to this.

"Sigh! I really don't know who's stronger between you and that Si Shiyu. Do you have any idea?" Zhao Wan Er asked.

Qin Yu shook his head. He was indeed not confident.

If they were in the same cultivation realm, Qin Yu certainly would not be afraid of Si Shiyu.

However, this Si Shiyu had reached the Advanced-stage of Reversion Void Stage! He was two realms higher than Qin Yu!

Qin Yu wouldn't have taken an ordinary Advanced-stage of Reversion Void seriously. However, he was Si Shiyu, a descendant of the Si family who had the family's blood flowing in his body!

If they fought, it was hard to tell who was stronger.

"I have a 60% chance of winning," Qin Yu said.

"You're talking so big."

At this moment, Si Shiyu walked over from not far away.

He looked down at Qin Yu and said, "Qin Yu, I advise you not to think too highly of yourself."

Qin Yu glanced at Si Shiyu and said, "It's useless to say anything now. We'll know the outcome after the fight tomorrow."

"That's right, Qin Yu," Si Shiyu laughed heartily. "I'll think of a way to put us together, so that we don't need to waste our time in boring fights."

"That would be great," Qin Yu said indifferently.

“Let me also experience the strength of the other chaotic body on behalf of Si Shiyue,” Si Shiyu said.

After saying this, Si Shiyu walked away.

Looking at Si Shiyu’s back, Zhao Wan Er couldn’t help but recoil.

“This Si Shiyu isn’t simple. The internal qi he’s giving off is enough to terrify people,” Zhao Wan Er said.

“If that’s the case, you should give up as soon as possible,” Qin Yu smiled and said.

“Go to hell. Even if I can’t get first place, at least get into the top three, right? In any case, this competition doesn’t allow killing,” Zhao Wan Er said with a smile.

After all, every student in Thunder Courtyard was fresh blood and a precious treasure. They naturally did not want anyone to die.

Qin Yu leaned against the tree and didn’t say anything else. However, the figure of Si Shiyue couldn’t help but appear in his mind.

Compared to Si Shiyue, although Si Shiyu was quite arrogant, he didn’t make people feel as uncomfortable as Si Shiyue.

He didn’t know if it was because of his personality or the difference in strength between the two.

“If an opportunity arises in the future, let’s hang around in Zhongzhou together,” Zhao Wan Er suggested.

“Mmm,” Qin Yu responded. “After I finish this competition, I might choose to go to Zhongzhou.”

“Ah? Are you not coming back?” Zhao Wan Er said in surprise.

“Of course. I’ll come back,” Qin Yu said with a bitter smile. “When I offend someone one day, I’m afraid I’ll have to run back dejectedly.”

After saying that, Qin Yu didn't say anything else.

He leaned against the tree and slowly fell asleep.

The competition continued on the following morning.

And Si Shiyu did as he said. He arranged for them to fight against each other, and it was the first match of the day.

1881 The Si Family's Secret Technique

It was naturally the most eye-catching battle. The combat strength the two of them had displayed yesterday was incredibly shocking!

Of course, everyone was naturally more optimistic about Si Shiyu. After all, he had easily won with a strike yesterday.

"You won't be so lucky today." Nangong, whom Qin Yu had defeated, snorted coldly.

He had mixed feelings. He was hoping that Qin Yu would win so that he would not be embarrassed for admitting defeat. However, he was also hoping that Qin Yu would lose to redeem himself from yesterday's humiliation.

Si Shiyu stood in the middle of the battlefield and looked at Qin Yu with his torch-like eyes.

"Come, let's fight!" Si Shiyu shouted.

Of course, Qin Yu was not afraid. He snorted coldly and stepped forward, standing in front of Si Shiyu.

Their eyes met, and the collision of their internal qi started to cause the surrounding space to distort.

The powerful battle intent exuded by the two of them livened up and shocked everyone incredibly.

“Qin Yu, I hope you and I can have a good fight today, unleashing all of your skills,” Chu Shiyu said coldly.

“Don’t worry, ” Qin Yu said coldly. “I won’t hold back. I also hope you won’t waste time.”

“Certainly,” Si Shiyu shouted.

Following his explosive shout, the internal qi on his body began to grow even more vigorous!

The battle between the two parties was on the verge of breaking out. Everyone held their breath, not wanting to miss this earth-shattering battle.

Si Shiyu’s body exuded an extremely holy light. This light fused with his physical body and caused his body to look somewhat crystal clear.

On the other hand, Qin Yu’s body was shining with a golden light as if he was trying to compete with the sun and the moon!

“Make your move!” Si Shiyu took the lead and shouted!

Naturally, Qin Yu did not hold back. After a loud shout, with his feet stepping the line word formula, he swung his Golden Fist at Si Shiyu!

It was the extremely powerful and pure energy within Qin Yu’s body. It also contained Qin Yu’s incomparable battle intent!

“Buzz!”

At this moment, Si Shiyu also made his move. He stretched out his palm and transformed into the Divine Phoenix to receive Qin Yu’s fist.

The two parties collided fiercely, and they both retreated instantly.

The first collision between the two was a draw!

Seeing the scene, the surrounding people were terrified because a wisp of the internal qi emitted by the collision of the two just now could pierce through the void!

Qin Yu was not afraid. The battle intent on his body became even stronger, and the golden light was burning like a fire. It was incredibly terrifying!

Si Shiyu's expression was calm. The rays of the light around him became even more holy. Each ray of light seemed to have merged with the Great Dao and was terrifying. He was like a fierce beast that was about to awaken.

Qin Yu's fists transformed into spells and dao techniques. His moves were grand as he closed in on Si Shiyu.

At this moment, an exceptionally holy sound was emitting from Si Shiyu's body. This sound was incredibly mysterious as if god was chanting. It was tremendously powerful!

Under this sound, Qin Yu's body instantly trembled violently! He quickly cast the Saintly Body Technique to protect his physical body and the dao technique to safe guard the space between his brows to block the invasion by the sound.

Qin Yu took a step back. He looked at Si Shiyu in front of him and felt incomparably strange.

"What kind of technique is this?" Qin Yu was incredibly shocked but not afraid.

His body trembled slightly, and all the effects disappeared. He then cast the Ten Thousand Spell Breaking Punch and blasted it toward Si Shiyu!

The earth crumbled in an instant, and the void continued to transform. Qin Yu's unstoppable divine power pierced through everything instantly!

Si Shiyu backed off, but the light surrounded his body became even more dazzling and holy!

“Boom!”

Qin Yu didn't care about that. His fists opened and closed, and the power contained within was incredibly overbearing. It continuously repelled Si Shiyu.

Seeing this, the surrounding people exclaimed one after another as if they had not expected Qin Yu to have the upper hand in such a short time!

“It seems that this Qin Yu is not simple,” someone in the stands whispered.

“After all, it's a chaotic body. We can't underestimate it.”

Dean Lei stroked his beard, smiled, and said, “This is just the beginning. We can't determine the outcome yet.”

No one doubted the abilities of the two. They fixed their eyes on the battlefield not to miss anything.

A battle of this scale might end in the blink of an eye. It might last for days, or the outcome might be determined in an instant.

Qin Yu's Golden Fist became even more terrifying. All kinds of dao techniques were displayed on his arms. Countless immortal beasts appeared as if they were injecting mysterious power into him.

“Go to hell!”

Qin Yu roared furiously, and the divine beasts were in and out. He unleashed his Golden Fist and punched in the direction of Si Shiyu!

Then, something shocking happened. The light on Si Shiyu's body transformed into hundreds of dao techniques and then condensed into a terrifying gigantic hand, blocking Qin Yu's fist again!

Qin Yu trembled in his heart and was incredibly frightened because he knew how terrifying the power of his punch was!

Before Qin Yu could figure out the origin of the gigantic hand, Si Shiyu's palm had formed a yin-yang diagram!

"Eh?" Qin Yu frowned and was even more shocked.

"Is it the Si family's life and death diagram?" At this time, Dean Lei said in surprise.

The Si family's elder laughed and said, "That's right! I didn't expect Si Shiyu to have fully comprehended the Si family's life-and-death diagram! No wonder the moves just now looked familiar!"

Hearing the Si family's elder's confirmation, Dean Lei was shocked.

It was an incredibly terrifying technique of the Si family, and it was no weaker than the top-notch technique of Thunder Courtyard.

"I'm afraid this battle will be difficult," Dean Lei thought to himself.

Qin Yu didn't look too good either.

Just now, Si Shiyu was actually unleashing his dao technique!

There was a yin-yang diagram on Si Shiyu's body displaying life and death.

The life diagram would protect the physical body, while the death diagram contained the power of desolation, making people not dare to approach!

"We can start now." Si Shiyu was incomparably domineering. He no longer dodged. Instead, with the power of the death diagram in his hand, he stepped toward Qin Yu!

At this moment, Si Shiyu's eyes were bursting with golden light. His hands were displaying different powers. He was like a god of war, sweeping through everything!

Of course, Qin Yu was not afraid. He snorted coldly and immediately went up to them!

“Boom!”

A terrifying collision rang out. Si Shiyu’s palm landed on Qin Yu’s left shoulder while Qin Yu aimed his punch at Si Shiyu’s physical body!

It was an incredibly terrifying power. The collision between the two parties shattered everything in the surroundings.

If not for the secret technique’s protection on the bodies of the surrounding crowd, they would have been seriously injured from this collision.

Qin Yu’s left shoulder was bleeding from the slap, and his white bones were exposed.

Under the protection of the life diagram, a mysterious power circulated around Si Shiyu, and he instantly recovered his physical body.

Before Qin Yu could feel shocked, Si Shiyu had stepped forward again!
