1897 Mine Is the Correct Path

Qin Yu didn't get angry. He smiled at Si Shifeng and the others and said, "Why don't you guys follow me? I can give you some of the treasures I get."

Upon hearing this, everyone laughed and looked at Qin Yu as if he was a fool.

"Boasting shamelessly! Such a shameless ruffian really makes me feel like laughing," Yi Shifeng sneered and said.

The two Masters of Path of Heaven looked at Qin Yu coldly and scolded, "Shut your d*mned mouth. If you dare to disturb us from deducing the Path of Heaven again, don't blame us for being impolite!"

Qin Yu didn't want to argue with them. He closed his eyes slightly and planned to find a suitable path.

The scene of the sanctum soon appeared in his mind.

At a glance, he was as if overlooking the entire sanctum. It was very clear.

Just as the two Masters of Path of Heaven had predicted, an irregular killing formation was in front of them. It was very difficult to deduce.

"The two old fellows are quite capable," Qin Yu thought to himself.

Qin Yu then began to look out from the map at how to get through the irregular killing formation.

Although this killing formation was said to be irregular, it was not impossible to pass, nor was it really irregular.

It was because the entire Path of Heaven was formed by the rules of order. The so-called irregular was only aimed at the deduction of cultivators.

Qin Yu closed his eyes slightly and slowly deduced the way forward in his mind.

He tried to use his thought to pass through the irregular killing formation many times but was fallen into the killing formation repeatedly.

It was indeed a long process. Not only Qin Yu, but the two Masters of Path of Heaven heavenly Dao Masters were also tremendously exhausted.

“Hmph! Pretentious.”

Si Shifeng couldn't help but say sarcastically when he saw Qin Yu' close his eyes.

Yan Yunfan, who was standing at the side, also sneered.

When he found out Qin Yu also had a chaotic body, he was a little concerned. After all, once a chaotic body was completed, he would be incredibly powerful.

However, after seeing Qin Yu's various behaviors, his concern was dispelled.

What could a fool achieve? In the end, he would just become a stepping stone for them, who were heaven's favorites.

As time passed, Qin Yu had already tried 1,324 times in his mind but failed each time.

It indeed took a long time to explore slowly.

The two Masters of Path of Heaven had also spent a long time, but they still couldn't find a suitable path.

It took an entire day and night.

Saintess Gu and the others started to feel tired and even started to feel anxious.

Qin Yu finally found a way to get through the killing formation successfully after deducing it for the 13,000th time.

“Finally,” Qin Yu opened his eyes and heaved a sigh of relief.

Just as he was about to get up, the two Masters of Path of Heaven beside him suddenly opened their eyes!

The deduction of the Path of Heaven had a tremendous impact on them, for not only did it consume their spiritual energy and primordial spirit, but it also consumed their lifespans.

After deducing the dao technique of this killing formation, the two Masters of Path of Heaven had obviously aged a little.

“How is it? Have you succeeded?” Si Shifeng took the lead to ask.

One of the Masters of Path of Heaven nodded slightly and said, “Yes, but this deduction will probably consume hundreds of years of our lifespan.”

“Please rest assured, Master of Path of Heaven. As long as you can successfully pass through this sanctum, we will definitely reward you greatly after this,” said Yan Yunfan beside him.

“With Mr. Yan’s words, we can be at ease,” the two Masters of Path of Heaven said.

At this moment, Si Shifeng looked at Qin Yu, who was not far away.

“How’s your deduction going, kid?” he asked with a hint of mockery. “Don’t tell me your deduction happened to be successful at this time?”

Qin Yu opened his mouth and couldn’t help cursing in his heart.

D*mn it, what a coincidence!

“That’s right. I have indeed deduced a path,” Qin Yu said honestly.

Upon hearing this, a few of them burst into laughter.

Even Saintess Gu couldn’t help but shake her head.

“Kid, if I’m not wrong, the path you deduced is the same as ours, right?” Si Shifeng continued to mock.

Qin Yu was not angry. He smiled and said, “If the two elders’ deduction is correct, it must be the same as yours.”

“Hahaha!” The crowd couldn’t hold it in anymore, and cheerful laughter came from the sanctum.

Yan Yunfan said impatiently, “Don’t talk any more nonsense with him. Serious matters are more important. Let’s go.”

“Mr. Yan, what about this kid?” said Si Shifeng as he pointed at Qin Yu.

Yan Yunfan glanced at Qin Yu and said coldly, “Don’t worry about him. If he wants to follow us, let him be. As long as he can take the risk, it’s his ability.”

After saying this, Yan Yunfan no longer paid attention to Qin Yu. He followed the two Masters of Path of Heaven and stepped into the irregular killing formation.

Qin Yu didn’t waste time and walked in according to the path he deduced.

As soon as he stepped into the killing formation, he could feel waves of intense killing intent.

The sky was dusky, and killing intent was everywhere. Any wisp of it would easily take a person’s life. Therefore, everyone was extremely cautious, even though the Masters of Path of Heaven were following them.

It was the same for Qin Yu. He did not dare to underestimate this killing formation either. He could only advance step by step and walk carefully in the killing formation.

As expected, the path Qin Yu had deduced was precisely the same as the two Masters of Path of Heaven. The path they took was the same as well.

The two elders were indeed quite capable, but this also made Si Shifeng and the others look down on Qin Yu even more.

After walking for a long time, everyone was extremely nervous. They sweated profusely on the foreheads as they walked in the killing formation.

At this moment, a fork in the road suddenly appeared in front of them.

There were two paths here that led in two different directions.

The crowd quickly stopped in their tracks and looked at the Masters of Path of Heaven.

“Which path should we take?” Yan Yunfan frowned and said.

The two Masters of Path of Heaven were silent for a moment. At this moment, one of them stood up and said, “If my deduction is correct, we should take the path on the right. After passing through this path, the killing formation will end.”

“Alright.” Yan Yunfan didn’t talk nonsense and immediately started walking.

“I have a different opinion,” Qin Yu suddenly spoke at this moment.

Yan Yunfan furrowed his brows and turned to look at Qin Yu.

Qin Yu pointed at the path on the left and said, “This is the correct path. If we take the right path, the killing formation will not end.”

“Hahaha!” Si Shifeng couldn’t help but laugh out loud.

“Kid, act like one if you want to take advantage. Don’t pretend you know when you don’t,” Si Shifeng mocked without restraint.

1898 Saintess Gu Follows

Qin Yu was not angry facing the mockeries by all.

He swept his gaze across the crowd and said in a deep voice, “Of course, you can choose not to believe it. However, I can tell you responsibly that these two Masters of Path of Heaven don’t have much confidence in their deductions.

At this point, Qin Yu glanced at the two Masters of Path of Heaven and said slowly, “Am I right?”

An unnatural look flashed across their faces. Just as Qin Yu had said, they did not have much confidence in their choice of path.

However, under the current circumstances, they would never admit it even if they did not have the confidence.

“Nonsense, you’re full of nonsense. How can a rascal like you understand our deduction of the Path of Heaven?” one of the Masters of Path of Heaven shouted.

“Hehe! Saintess Gu, Young Masters, do you believe his words?” another Master of Path of Heaven chimed in.

Yan Yunfan, who was standing at the side, looked annoyed. He said coldly, “Why should we listen to his nonsense? Don’t waste time!”

After speaking, Yan Yunfan signaled the two Masters of Path of Heaven to lead the way.

Si Shifeng, at the side, said indifferently, “You’re in the limelight like a clown. You simply make us laugh our heads off.”

Seeing them about to take the wrong path, Qin Yu knew he could not stop them.

At this moment, Qin Yu suddenly blocked Saintess Gu's way.

A trace of surprise flashed across Saintess Gu's beautiful eyes. She looked at Qin Yu and said, "Mr. Qin, what's the matter?"

"Please believe me for once, Saintess Gu," Qin Yu said coldly.

Saintess Gu's beautiful eyes rolled, and the puzzlement in her eyes grew even more intense.

"Why should I believe you?" she smiled and said. "What makes you worthy of my trust?"

Of course, Qin Yu knew it was impossible to convince Saintess Gu with just a few words.

However, Saint Gu was a righteous person. She was much better than the two persons from the Yan family and the Si family.

Qin Yu thought for a while and continued, "Saintess Gu, do you know Gu Sanchen?"

"Gu Sanchen?" Saintess Gu was a little surprised, but she nodded and said, "He's from my Gu family, but so what?"

Qin Yu's mouth was agape as Gu Sanchen's words came to his mind.

Although he was a member of the Gu family, his status was not high. Naturally, he could not be compared to Saintess Gu, heaven's favorite. Qin Yu was afraid that he did not carry enough weight.

"Forget it," thinking of this, Qin Yu waved his hand and said.

Saintess Gu smiled and said nothing else. She continued to walk down the path.

At this moment, Qin Yu suddenly thought of someone, the man with the mustache.

"D*mn it! I'm really sorry. I have to betray you." Qin Yu gritted his teeth.

He thus blocked Saintess Gu's way again.

"Mr. Qin, please don't take up too much of my time," Saint Gu said with a hint of displeasure.

Qin Yu gritted his teeth and said softly, "I wonder if Saintess Gu is acquainted with this person. I... I don't know his name but I only know he has a mustache and a bad reputation in the Holy Region..."

At the mention of the man with the mustache, a strange look flashed across Saintess Gu's face. Saintess Gu, who had always been graceful and unrestrained, had a very interesting expression on her face.

She pouted a little, her face blushed, and there was a trace of anger in her eyes. In the end, all her expressions disappeared and were replaced by a trace of coldness.

Saintess Gu looked at Qin Yu with vague killing intent and said coldly, "What? Are you his friend? Where is he now?"

Seeing the change in Saintess Gu's expression, Qin Yu knew something was wrong!

D*mn it! What did this man with the mustache do to make Saintess Gu so angry?

"No! No! No! I'm not his friend. Otherwise, how would I not know his name?" Qin Yu quickly explained.

"The man with the mustache is his nickname," Saintess Gu said coldly.

Hearing this, Qin Yu became even more panicked. He quickly explained, "I'm really not familiar with him. I've only heard him mention this sanctum by chance..."

Saintess Gu's expression turned even colder, and her killing intent rose.

If not for the fact that they were in the depths of the sanctum, Saintess Gu would have already made her move.

She took a deep breath, her chest trembling slightly.

After a while, Saintess Gu said coldly, "If you have a chance to meet him, please remember to pass a message to him. If I happen to see him one day, I'll definitely tear him into a thousand pieces!"

After saying this, Saintess Gu turned around and left.

"Wait a moment!"

Qin Yu called out to Saintess Gu again.

Saintess Gu suppressed her anger and said, "Before I change my mind, you'd better disappear from my sight,"

Qin Yu was not in a hurry. He smiled and said, "This man with the mustache might not be a good person, but I think he's undoubtedly capable. I'm afraid his deduction of the Path of Heaven is above those two Masters of Path of Heaven.

"You should know he would be here for sure. However, he didn't come because he was afraid you would come after him. That's why he came to work with me. He let me bring the results of his deduction and come to take away the treasures of this sanctum."

After hearing what Qin Yu said, Saintess Gu didn't say anything for a while as if she had been persuaded by Qin Yu.

Qin Yu struck while the iron was hot and continued, "I just don't want to owe you a favor since you've helped me out so many times."

Qin Yu paused for a moment and continued, "Even if you want to follow them now, I'm afraid it's too late."

As expected, Yan Yunfan and the others had long disappeared without a trace.

Saintess Gu's face was gloomy. After a while, she said coldly, "If you dare to lie to me, I will not let you off."

“Don’t worry. There’s no point lying to you,” Qin Yu said with a smile.

After he finished speaking, he made an inviting gesture.

Qin Yu spread his hands and immediately stepped into the other path.

Two of them walked the path carefully. Qin Yu avoided all the killing formations with Saintess Gu by using the map in his mind.

After moving forward for a long time, the darkness began to slowly disappear, and the dense killing intent also slowly dissipated at this moment.

When the clouds and fog were cleared, everything seemed to become clear, and the irregular killing formations also slowly disappeared.

Qin Yu heaved a sigh of relief. He turned to Saintess Gu and said with a smile, “Saintess Gu, how is it? I didn’t lie to you, did I?”

“It can’t prove anything now,” Saintess Gu said quietly.

Qin Yu didn’t waste time. According to the map, there were no more dangers ahead, and everything would be smooth sailing now.

“What will happen if I take the wrong path?” Saintess Gu suddenly asked.

Qin Yu was silent for a moment before he said, “That will depend on their abilities. Anyway... It’s full of danger.”

Hearing this, Saint Gu looked worried.
