Chapter 34: The Cocktail Party of the Rich Kids

Staring at the clamorous crowd, Qin Yu furrowed his brows.

He was not fond of such an environment, so he searched for a desolate place and sat down.

Qin Yu then closed his eyes and began his breathing exercises.

The concentration of spiritual energy around this area was relatively high so Qin Yu would never miss the opportunity to take in as much Qi as possible.

At that time, Zhao Gang and Su Yan, who were invited to the cocktail party, arrived at the venue.

”Honey, I heard that the person hosting this cocktail party is some big shot. Shen Tian from Chuzhou, I think? Is he someone outstanding?” Su Yan whispered.

Zhao Gang snorted, “Would you listen to yourself? The Shen family is considered the elite among the elites in Chuzhou. They are leagues apart from us.”

Upon hearing that, Su Yan started contemplating.

”How do they compare with the Yan family?” Su Yan asked.

Zhao Gang frowned a little and heaved a sigh.

”The Yan family is from Jingdu. So, do you still think they are on the same level?” Zhao Gang shot her a look.

Zhao Gang then abruptly changed the topic by remarking, “Speaking of which, I heard rumors about Shen Tian’s infatuation with Yan Ruoxue. Hence, I presumed that he came here this time for Qin Yu.”

Su Yan was excited and questioned, “So, are you suggesting that Qin Yu is in a tight spot now?”

”Well, I guess you are right,” Zhao Gang replied.

”That’s awesome!” Su Yan exclaimed, jumping for joy.

”It rubs me the wrong way whenever I recount the fact that Qin Yu thought he had his own way,” Su Yan shrilled.

Even though Zhao Gang did not say a word, he seconded Su Yan’s remark.

Zhao Gang was displeased that a person who used to be unable to tie his shoelaces had now risen through the ranks to surpass him.

The crowd at the party was mostly made up of rich kids and gold-diggers who buttered up the former in an attempt to become their mistresses.

At the front row of the party, a white-haired young man whispered, “Mr. Shen, Qin Yu has arrived.”

Narrowing his eyes, Shen Tian chided, “Why is he here?”

After some contemplation, a cunning smirk ran across Shen Tian’s face.

”Since he had the guts to come uninvited, he should be prepared for the humiliation. Fret not, for we have an impromptu program,” Shen Tian stated with his eyes squinted.

”Do you want me to deal with him?” the white-haired young man asked tentatively.

Shen Tian shook his head and replied, “No, we’re not in a hurry. I want to humiliate him as much as I can first. Then, I’ll wipe the floor with him and let him know his place!”

The white-haired young man nodded before questioning in worry, “If we lay a finger on Qin Yu, wouldn’t Yan Ruoxue be furious? If that’s the case, things will get ugly.”

Shen Tian chortled, “Don’t sweat it. Yan Ruoxue is known to be an ice queen. We might have gotten the impression that Qin Yu has won her heart, but she would never concern herself with anyone.”

”That’s great to hear.” The white-haired young man heaved a sigh of relief.

What Shen Tian said was the truth. Yan Ruoxue was the center of the spotlight in Jingdu. The countless attempts of her admirers came up futile with her ruthless rejections. Some of them lamented that she had a heart made of stone.

However, Shen Tian totally underestimated the importance of Qin Yu to Yan Ruoxue.

...

Qin Yu sat in a corner, absorbing the spiritual energy around him as much as possible.

He had never encountered any place with such a high concentration of Qi.

"Mr. Qin?" a voice could be heard calling out.

Frowning, Qin Yu slowly opened his eyes and was met with the gaze of a young man, standing before him with a gentle smile.

That person was none other than the son of Jiangcheng's richest, Du Yuan.

"Fancy seeing you here." Qin Yu stared at Du Yuan in confusion.

Du Yuan queried with a courteous smile, "Do you mind if I sit here?"

"Suit yourself." Qin Yu nodded and closed his eyes again.

"Mr. Qin, please pardon me for overstepping, but could you please hear me out?" Du Yuan said.

Qin Yu heaved a long, silent sigh.

He had planned to focus on his cultivation initially, but it seems the current circumstance would not allow him to do so.

Thus, he resignedly gave up on it for the time being.

”You may speak your mind. You don’t have to be modest,” Qin Yu assured.

Du Yuan scanned his surroundings before murmuring to Qin Yu, “Mr. Qin, you have to leave now.”

”Leave?” Qin Yu lifted his brows, peering at Du Yuan in perplexity.

Du Yuan sighed, “I heard from a friend that Shen Tian feels animosity towards you.”

Qin Yu had anticipated that long ago, hence he was not in the slightest bit surprised. He nodded with a polite smile in response.

Upon seeing that, Du Yuan reminded, “Mr. Qin, you must not underestimate Shen Tian. His family is from Chuzhou.

”Also, I’ve heard that he even brought a skilled fighter with him today. So, please heed my advice and leave at once.”

After scrutinizing Du Yuan, Qin Yu asked in suspicion, “Mr. Du, I don’t remember being that close with you. So why are you telling me all these? Aren’t you afraid to be overheard by Shen Tian?”

Du Yuan smiled wryly and declared, “To be honest, I may be afraid of crossing Shen Tian, but I have despised him since day one!”

Exasperation was written all over Du Yuan's face as he spoke.

He went on, "Years ago, my father went on a business trip to the capital, and he came across the Shen family there.

"Do you know what Shen Tian said? He called us savages, jeering at us that country bumpkins like us should return to Jiangcheng!"

Du Yuan was burning with anger at the mention of this matter.

"Who is he to be so full of himself? Who does he think he is?" Du Yuan chastised.

At that, Qin Yu let out a chuckle.

It seemed like Shen Tian was a natural-born narcissist with a severe superiority complex.

"Mr. Qin, please don't mind my prattle, but it'd be best for you to leave now. Otherwise, Shen Tian will not let you off the hook so easily," Du Yuan exhorted.

Qin Yu answered with a smile, "Thanks for your advice.. But I'm not scared of him."

Chapter 35: The Shameless Su Yan

Du Yuan gaped at Qin Yu's words. Then he commented, "Well, yeah. You have Miss Yan's backing. Indeed, you don't have to be afraid of Shen Tian."

Qin Yu heaved a sigh upon hearing Du Yuan's remark.

To everyone, Qin Yu was just an incompetent bum flaunting his strong connection with the Yan family.

He knew it would be difficult to change people's perception of him within a short time.

After a few conversations, Qin Yu realized that Du Yuan was not a shady character. In fact, the latter seemed to be a knowledgeable man with good ideals, unlike the other rich kids.

"Mr. Qin!"

Qin Yu turned towards the voice's direction and caught sight of Lei Hu, who was dashing towards him.

Lei Hu said in delight, "I didn't expect to see you here!"

His presence came as a surprise to Qin Yu.

Considering Qin Yu's identity, he shouldn't have shown up to this cocktail party.

The three of them were sitting silently in an inconspicuous corner in the raucous environment.

As the party carried on, everyone fully indulged themselves in the moment, giving in to their hedonistic desires.

The whole cocktail party was in a tumult.

Soon, Shen Tian strolled in the direction of Qin Yu, the white-haired young man in tow.

”Mr. Qin, Shen Tian is coming,” Lei Hu hurriedly informed Qin Yu.

Nevertheless, Qin Yu remained taciturn with a deadpan face, as if he could not see Shen Tian.

In a blink of an eye, Shen Tian stopped before Qin Yu.

Glaring at Qin Yu, Shen Tian jibed, “Aren’t you a shameless prick to have come here uninvited, Qin Yu?”

Shooting him a gaze, Qin Yu riposted with a smug, “You seem to have misunderstood something here, Mr. Shen. I came here in Miss Yan’s stead.”

Shen Tian glowered at Qin Yu upon hearing that, nearly losing his cool. The white-haired young man next to him emanated a powerful killing intent.

Knitting his brows together, Qin Yu turned his glare to the white-haired young man.

As their gazes met, the murderous aura around them intensified.

”Hmmm. We have a familiar face here.” Shen Tian noticed Du Yuan, who sat next to Qin Yu.

After scrutinizing Du Yuan, Shen Tian patted his head and noted, “Oh, yes! I remember you! You are Du Yuan, right?”

Although feeling irked, Du Yuan bit the bullet and greeted the host, “Pleased to meet you, Mr. Shen.”

With a contemptuous look on his face, Shen Tian snorted, “As I recall, your family wanted to sign a deal with us, right?”

At Shen Tian’s words, awkwardness crept up on Du Yuan but he remained silent.

Shen Tian carried on, “Here’s the thing. I’m giving you a chance to close a deal with us today. But the condition is that you have to slap Qin Yu on his cheeks twice. How does that sound?”

Du Yuan’s face immediately turned sullen because he knew that Shen Tian was poking fun at him.

”You have been pleading with us to sign deals with our company, right? Why don’t you seize the opportunity presented before you?” Shen Tian taunted with a smirk.

Holding back his indignation, Du Yuan replied, trying to maintain his composure, “I’m sorry, but we are not lacking business partners as of now.”

Hearing that, Shen Tian’s expression turned glum.

”There goes your chance! You think you’re somebody now, eh?” Shen Tian snapped.

”I see. Not lacking business partners now, are we? I can make your family go bankrupt tomorrow! Mark my words!” Shen Tian threatened.

It was uncalled for to Du Yuan.

But he was not given any option. He had anticipated this would happen when he first sat next to Qin Yu.

"You can't put the blame on me. If anything, Qin Yu is the one responsible for this," Shen Tian accused.

"What an idiot!" Qin Yu mocked.

"Who are you calling an idiot? Are you tired of living?" the white-haired young man beside Shen Tian took a step forward menacingly.

"Who let the dogs out? The owner should put a leash on it," Qin Yu ridiculed after taking a sip from his glass.

"Why, you little!" The white-haired young man became furious and was about to land a blow on Qin Yu.

Shen Tian stopped him and turned to Qin Yu. A while later, he said with a sly smirk, "Qin Yu, rumor has it that your ex-wife had been cuckolding you for three years and you were kept in the dark the whole time. Is it true?"

The music playing in the background suddenly stopped as he spoke, resulting in everyone hearing the words coming out of his mouth.

Needless to say, he had meant for this to happen.

Qin Yu peered at Shen Tian without saying a word.

"So we're playing the silent game now, huh?" Shen Tian scoffed.

With a wave of his hand, his men immediately brought Su Yan and Zhao Gang over.

”Since you are being tight-lipped, someone else will help you to answer,” Shen Tian sneered.

He then turned to Su Yan and asked, “To be frank, I’m intrigued to know if you really did cuckold Qin Yu for three years. How did you do it?”

Su Yan had rehearsed the whole thing with Shen Tian earlier. Hence, she uttered shamelessly, “Yes, he had been cuckolded by me since the first day of our marriage.”

Everyone at the scene burst into laughter instantly. They were looking at Qin Yu mockingly.

Nevertheless, Qin Yu remained silently expressionless.

”Hey, I wonder if he even realizes it at all?” Shen Tian questioned.

Su Yan responded with a devious smile, “Well, Qin Yu had no dignity in my household back then. He would not dare to stand if I were to make him squat.

”As a result, he would not dare to question me even if I were to be home late.

”Furthermore, what could he possibly do even if he knew it? He might as well pretend to be ignorant.”

Chapter 36: This Slap Is Payback

The crowd burst out laughing, and the villa was filled with boisterous laughter.

Shen Tian appeared to be extremely pleased with the situation.

He gave Qin Yu a provocative look and said, “Gee, it’s really hard for me to imagine that a man can live such a humiliating life!”

“Yes, to be cuckolded for three years and still having to put up with it is too pathetic.”

“Qin Yu really lives a sh*tty life and is too spineless.”

The crowd’s mocking voices continued.

Looking at Qin Yu, Su Yan only felt a burst of pleasure!

With an icy expression on his face, Qin Yu couldn’t help but shake his head and said, “Su Yan, instead of being ashamed of yourself, you are proud of yourself? How do you manage to be so thick-skinned?”

Su Yan let out a light snort and said, “You are the one who should be ashamed, not me, so what do I have to be afraid of?”

Qin Yu couldn’t be bothered to talk to this kind of person.

He immediately closed his eyes and paid no more attention to them.

There was clamor from all around the room, and these voices were no doubt interfering with Qin Yu’s state of mind.

But no one imagined that at this moment, Qin Yu was actually meditating.

Faced with such taunting and not to mention humiliation, maintaining composure was proving extremely difficult.

Therefore, the spiritual energy around Qin Yu coalesced and collapsed many times before coalescing and collapsing again. Drops of sweat trickled down his forehead.

It was obvious that it was now becoming extremely taxing for Qin Yu.

“You think that if you pretend that you can’t hear us, it means it’s not happening?” Shen Tian continued to jeer, and he wasn’t the only one. Almost everyone had the same look on their face, and some even took out their cell phones and took pictures of the scene to post on the Internet.

Qin Yu forced himself to remain calm as he opened the pores of his body and breathed in the spiritual energy from his surroundings.

A few minutes later, he finally started to calm down.

It was as if he couldn’t hear the sounds around him and was immersed in his own world.

Wisps of spiritual energy slowly flowed into Qin Yu’s body as he breathed in and out.

“This fool thinks he can act deaf if his eyes are closed?” When Shen Tian saw this, he couldn’t help but snort softly.

The white-haired young man by his side frowned a little because he had the feeling that something was off with Qin Yu's breathing and exhalation, but he couldn't quite put his finger on it at the moment.

"Mr. Shen, Mr. Qin hasn't even talked back, so why don't you just forget about it?" Lei Hu rose and intervened.

Shen Tian sized up Lei Hu and said with a frown, "Who are you?"

Lei Hu hurriedly said, "My name is Lei Hu. I am Concordia Realty's CEO."

"Lei Hu?" Shen Tian pondered for a moment. Then he suddenly said with realization, "I remember now. You're the famous punk in Jiangcheng, right?"

"Yes, yes." Lei Hu was delighted and chuckled as he said, "I am surprised that you know about me. Mr. Shen, please do me a favor and let him go."

Shen Tian said with a smile as he looked at Lei Hu, "You want me to do you a favor?"

As soon as the words left his mouth, Shen Tian slapped Lei Hu's face!

A crisp slap resounded into everyone's ears!

"Who the h*ll are you to have the nerve to ask me for a favor? A lowlife bastard like you really considers yourself important?" Shen Tian snickered.

Lei Hu's face blushed with embarrassment.

Zhao Gang, on the other hand, was filled with glee.

He had asked Lei Hu to beat up Qin Yu in the past, but unexpectedly, Lei Hu did not do anything even after receiving the money.

Therefore, Zhao Gang had been holding a grudge against him for this.

When he saw Lei Hu suffering, he was naturally delighted.

Shen Tian reached out to give Lei Hu a couple of pats on the cheek and said in an indifferent voice, “Even a loser has the guts to demand attention? You want a favor, right? All right, kneel down and kowtow three times. I’ll grant you a favor then!”

After saying that, Shen Tian took a couple of steps backward and gestured for Lei Hu to kneel down.

Lei Hu’s expression was extremely unpleasant, and he was naturally unwilling to kneel down in front of so many people.

But if he didn’t kneel, Shen Tian would never forgive him!

“I’ll give you ten seconds, and if you don’t kneel down, I’ll break your legs,” Shen Tian said coldly.

“Kneel! Kneel! Kneel!” The people around them started to make a commotion, and the entire place was incredibly rowdy.

Lei Hu’s face was flushed, and he clenched his fists.

He gritted his teeth and wished he could kill Shen Tian!

“Are you going to kneel?” When he saw that Lei Hu wasn’t doing anything, Shen Tian’s expression became increasingly cold.

Lei Hu took a deep breath, and he said stiffly, “Mr. Shen. I... I’ll kneel.”

“That’s more like it.” Shen Tian smiled contentedly.

He waved his hand and gestured for Lei Hu to kneel down.

Lei Hu gritted his teeth, forcibly holding back the fury he felt bubbling inside as his legs slowly knelt toward the ground.

At the very moment his knees were about to make contact with the ground, a pair of hands suddenly grabbed him by the arms.

“Kneel for you? Are you worthy of it?” Qin Yu was holding Lei Hu with one hand, while his other hand swung toward Shen Tian!

With a crisp snap, Shen Tian’s lips cracked, and his lips were stained red with blood.

“This slap is payback on behalf of Lei Hu..” Qin Yu stated coldly as he looked at Shen Tian.

Chapter 37: No One Will Be Able to Rescue You Today!

The crowd at the scene gasped as they looked at Shen Tian, whose mouth was covered in blood!

Qin Yu actually had the guts to hit Shen Tian? And he struck so ruthlessly?

”This brat is dead meat!” Su Yan and Zhao Gang were ecstatic! They were well aware that Shen Tian would never let Qin Yu off the hook!

”Thanks a lot, Mr. Qin...” Lei Hu said gratefully.

Qin Yu did not say anything as he slowly stood up and gave Shen Tian a cold, hard look.

Shen Tian wiped the blood on his mouth and said with indignation, “You... You have the guts to hit me?”

Qin Yu replied coldly, “You insulted me numerous times and at first I didn’t take it seriously. However, not only did you not call it a day, but you became more aggressive instead. Do you really think I wouldn’t get angry?”

Shen Tian was so enraged that he roared, “I’ll kill you!” and rushed towards Qin Yu with clenched fists!

Shen Tian had been training in the Chuzhou Region since he was a child so was naturally not to be underestimated.

However, he was no match for Qin Yu.

Qin Yu easily dodged Shen Tian’s attack multiple times.

”Are you done fighting?” Qin Yu said, a cold smile on his lips.

Shen Tian stood gasping for breath at a distance, his rage intensifying the more he looked at Qin Yu.

”Since the fight is over, it’s now my turn.” Qin Yu sneered, then clenched his fist and swung it hard at Shen Tian.

Qin Yu punch was extremely quick and had such tremendous force! Even from a distance, one could sense the unrivaled force of his punch.

Shen Tian's expression changed and he quickly tried to dodge to his side, but was unfortunately too slow.

The punch landed solidly on Shen Tian's chest!

With a loud bang, Shen Tian took several steps backwards and landed on his bottom!

"Qin Yu, I'll kill you!" Shen Tian glared at him with rage.

Qin Yu frowned a little as he took a step forward and said coldly, "If people like you aren't taught a lesson, you'll never change."

"For the sake of Miss Yan, I will only break your arm today." Qin Yu slowly walked towards Shen Tian.

Shen Tian's face immediately grew pale. Since he was a child, no one had ever dared to hurt him, making him extremely brazen. Therefore, he didn't expect that Qin Yu was going to break one of his arms today.

At that moment, Qin Yu extended his hand to Shen Tian's arm.

"How dare you!"

At that very moment, the white-haired young man made a move.

With a furious bellow, he threw a punch at Qin Yu.

”You can’t do anything to stop me!” Qin Yu remained unfazed and reached out to meet him head on.

The two fists collided with a “bang”.

The white haired young man’s wrist broke instantly.

”This... How is this possible?” The white-haired young man looked down at his wrist incredulously.

Qin Yu snickered.

Right from the moment he saw the white-haired young man, Qin Yu could tell that this person was dangerous and that even he himself was no match for him.

Therefore, Qin Yu had prepared himself early, and in the midst of the crowd’s tirade of scorn, he gradually took his time to absorb the concentrated spiritual energy of the place.

Just a short while ago, he had successfully reached the third level of Qi Refining stage.

”If I hadn’t reached this new level, I really might not have been able to be his opponent.” Qin Yu couldn’t help but to secretly muse as he glanced at the white-haired young man.

This made Qin Yu lament that there was no telling how many experts these rich families had at their disposal.

”Now, it’s your turn.” Qin Yu turned around to look at Shen Tian coldly.

”Help me! Hurry up and help me!” Shen Tian was completely distraught. He could sense that Qin Yu was definitely not fooling around.

The white-haired young man gritted his teeth and rushed towards Qin Yu again.

Qin Yu didn’t even dodge, but instead punched him directly in the other arm.

With a sharp crack, the white haired young man’s arm was broken.

”Ouch!” The white-haired young man roared in pain as he tried to move both arms.

The crowd couldn’t help but gasp and move away to avoid getting caught in the crossfire.

”When did Qin Yu... become such a skilled fighter...” Even Su Yan couldn’t help but cover her mouth, an astonished expression on her face.

By this time, Qin Yu had already walked up to Shen Tian.

”No one will be able to rescue you today,” Qin Yu said menacingly.

”Qin Yu, if you try to lay your hands on me, my father won’t let you off the hook!” Shen Tian roared in terror.

He fell to the ground, and kept retreating backwards.

Faced with Shen Tian's threat, Qin Yu wasn't in the slightest bit intimidated.

He slowly raised his foot and stomped down on Shen Tian's arm.

Another crisp crack resounded, and Shen Tian's arm was broken into pieces.

"Ouch!" Shen Tian yelled out in pain.

Covering his arm, he roared in fury, "You son of a b*tch... How dare you break my arm... I'll kill you! I'll kill you!"

When he heard Shen Tian's furious snarl, Qin Yu couldn't help but frown.

He turned around.

"You really have a potty mouth." Qin Yu extended his hand to give Shen Tian a heavy slap on the mouth.

The slap was so heavy that it ruptured Shen Tian's lips and fractured his jaw.. He couldn't utter a single word.

Chapter 38: I' ve Shown You Too Much Respect, Right?

The scene was silent.

No one thought that things would escalate to this point.

No one expected Qin Yu to disregard the status of the Shen family and strike so hard.

At this moment, Qin Yu glanced at Su Yan with cold eyes and said, "I no longer have a relationship with you, so you'd better leave me alone. Otherwise...you will be responsible for the consequences!"

These words weren't only directed at Su Yan, but also at Zhao Gang.

When Qin Yu was gone, Su Yan couldn't refrain from sneering and saying, "You beat Shen Tian. I'll see how many more days you can act cocky for!"

Almost everyone had the same thought.

After stepping out of the villa, Qin Yu got into Lei Hu's car.

"Mr. Qin, you were awesome today!" Lei Hu gave him a thumbs up.

Qin Yu wasn't thinking about that, but the environment of this villa.

The spiritual energy here enabled Qin Yu to enter the third level of the Qi Refining stage with increased concentration. Therefore, this place was a mecca for Qin Yu.

Qin Yu secretly thought.

While heading back, Lei Hu whispered a caution, "Mr. Qin, you'd better go to Miss Ruoxue's place one of these days, or else...the Shen family definitely won't let you off the hook..."

Qin Yu looked at Lei Hu and said with a shake of his head, “I can’t trouble her with everything, not to mention...The Shen family is no big deal.”

The Shen family was very powerful but Qin Yu was unafraid.

He was a lone wolf, so what could the Shen family possibly do to him?

When Lei Hu saw this, he didn’t say anything further.

Later that evening, Shen Tian was brought to the hospital.

Unfortunately, the bones in his arm were so badly shattered that they had turned into dust, making it impossible to fix.

When Shen Tian found out about this, he was devastated.

”Do I have to be a cripple for the rest of my life...Qin Yu, I will kill you! I will kill you!” Shen Tian roared in rage.

The following day, news of the incident had spread throughout most of Jiangcheng.

Yan family manor.

”Qin Yu has guts! Because of his relationship with you, he can do whatever he pleases! He even dared to beat up Mr. Shen!” the secretary said indignantly.

Yan Ruoxue, however, didn’t take it to heart and was excited instead of upset as she watched the video recording of the incident.

”Miss Ruoxue, Qin Yu has only known you for a few days and he’s already causing all sorts of trouble everywhere. It will be even worse in the future,” the secretary muttered on the side.

Yan Ruoxue shook her head as she showed the video to the secretary and said, “What have you discovered?”

The secretary watched the video and mumbled after some scrutiny, “Miss, forgive me for my stupidity. I don’t notice anything unusual...”

Yan Ruoxue said with a soft smile, “In the face of so many people’s criticism and abuse, Qin Yu not only didn’t lose his temper but also managed to keep his cool.”

”This mentality alone is something that Shen Tian can’t rival,” Yan Ruoxue said with a smile.

The secretary muttered, “This is not a big deal. There are a lot of people with strong self-composure in Jingdu...”

”Yes, this is indeed not a big deal,” Yan Ruoxue said indifferently.

”Those people have been trained either by their families since childhood and have become accustomed to it, or their experience has come from age.”

”It only took Qin Yu a week to possess this resilient mindset, and a week ago, he was just an ordinary commoner,” Yan Ruoxue sounded slightly relieved.

The secretary was perplexed. He looked down on Qin Yu from the core. Therefore, regardless of what Yan Ruoxue said, changing his mind was difficult.

”From the looks of it, my grandfather was right. Qin Yu won’t disappoint me,” Yan Ruoxue laughed lightly.

The secretary muttered, “Miss Yan, but...he beat up Shen Tian. The Shen family will never forgive him, and you will have to explain...”

”Explain?” Disdain flashed in Yan Ruoxue’s eyes.

”Why should I explain? Do I need to explain to the Shen family?” Yan Ruoxue snickered coldly.

When the secretary heard this, he didn’t say anything further.

Meanwhile, Shen Tian’s father, Shen Yun, had rushed to Jiangcheng.

At the hospital, Shen Tian grabbed Shen Yun’s arm with a face full of tears.

”Dad, you must take revenge for me! I want him killed by a thousand stabs!” Shen Tian cried out.

”And there’s Yan Ruoxue. Without Yan Ruoxue’s backing, that kid would never have dared to be so brazen!”

When he saw his son in this state, Shen Yun was seething with anger!

”Son, don’t worry. I will avenge you!” said Shen Yun through gritted teeth.

”Rest well. I will make him suffer the consequences.” Shen Yun gave some instructions before he left the hospital and headed straight to the Yan family’s estate.

When she saw the furious Shen Yun, Yan Ruoxue wasn’t taken aback but smiled politely and said, “Uncle Shen, what brings you here?”

Shen Yun berated, “Yan Ruoxue, don’t bullsh*t me! My son came to Jiangcheng from the provincial capital to win you over, but what did you do? Instead of looking after him, you let him get badly hurt! What do you have to say about this incident?”

When she heard Shen Yun’s words, Yan Ruoxue’s expression gradually cooled down.

”I’ve shown you a lot of respect, but do you consider yourself some big shot?” Yan Ruoxue said in a cold voice. “I call you uncle because I’m polite, not because I’m afraid of you.”

”Shen Yun, who gave you the guts to raise your voice in front of me?”

Chapter 39: He Deserves It!

Shen Yun’s expression instantly turned awkward.

He immediately remembered the disparity in their status and a drop of sweat rolled down his forehead.

”Miss Yan, sorry, I was just too impatient...” Shen Yun wiped the sweat on his forehead and awkwardly said, “I hope you won’t take offense. Shen Tian is in the hospital and I was too anxious...”

When she saw Shen Yun’s expression, Yan Ruoxue didn’t seem bothered by it.

She smiled and said, “Uncle Shen, what is it that you came to see me about?”

Shen Yun felt frustrated.

He had intended to hold her accountable, but in this situation, how could he hold her accountable?

”You can rest assured,” Yan Ruoxue spoke up first.

”I won’t interfere in what happens between you and Qin Yu,” Yan Ruoxue said indifferently.

When he heard this, Shen Yun’s eyes immediately lit up.

He said with excitement, “Miss Yan, you...Are you serious?”

”Of course I am,” Yan Ruoxue said with a smile.

”I will neither help him nor help you, so you can settle things between yourselves,” Yan Ruoxue said.

Shen Yun was immediately over the moon!

He didn’t need anyone’s help at all to deal with Qin Yu.

If Yan Ruoxue doesn't intervene, it would be extremely beneficial for Shen Yun!

"Alright, Miss Yan, I'll excuse myself then." After Shen Yun bowed, he quickly left the Yan Family Manor.

...

At this moment, Qin Yu was at home searching through the memories of the inheritance in his mind.

This inheritance had contemporary mystical arts in addition to medical arts and cultivation methods, but Qin Yu had never used them.

Qin Yu thought to himself.

If he entered the Foundation Building Stage, or even the more advanced Monastic Period, curing a disease would be a piece of cake.

Afterward, Qin Yu spent the day refining ten Soul Nourishment Pills.

Later in the evening, Qin Yu called Lei Hu to his home.

"Here are ten Soul Nourishment Pills," Qin Yu handed the Soul Nourishment Pills to Lei Hu.

"Mr. Qin, are there only ten pills this time?" Lei Hu asked tentatively.

Qin Yu smiled and said, "One pill costs % 200,000 and you can have as many as you want. In addition to money, of course, you can also use herbs in exchange for them if they are more than twenty years old."

"All right, no problem," Lei Hu hurriedly nodded and said.

A short time after Lei Hu left, a surprise guest came to Qin Yu's house.

This person was the white-haired young man from the day before.

The white-haired youth had scars on his face and even had a cane.

"What are you doing here?" Qin Yu asked after glancing at him.

The white-haired young man replied, "Mr. Shen sent me here. He will be hosting a banquet at Riverfish House this evening."

"Oh really?" Qin Yu raised an eyebrow.

He pondered about it for a moment and said, "Alright, I will attend the banquet on time."

The white-haired young man nodded his head but had no intention of leaving.

"What? Do you still need something?" Qin Yu said with a frown.

The white-haired youth stewed for a moment and then asked, "I want to ask you a question. Last night, at Mr. Shen's banquet, I saw you breathing in and out, and today, I specifically re-watched the video. It seems very extraordinary."

This was a surprise to Qin Yu.

"You could tell what was going on?" Qin Yu was puzzled.

The white-haired young man said in a hushed voice, "I once saw someone who had a form of exhalation that supposedly repaired the five internal organs, from the inside out, and I feel that it resembles your method."

Qin Yu was all the more amazed and it seemed that he was by no means the only person in this world who cultivated.

"I'm simply curious and don't mean anything else." When the white-haired young man saw that Qin Yu did not say anything, he nodded and left.

Qin Yu stared at his back as he left, and secretly thought,

...

When evening approached, Qin Yu headed for Riverfish House.

Despite everything, Qin Yu had broken Shen Tian's arm, so he had prepared a Marrow Pill as compensation and an apology.

Of course, Qin Yu was doing it more for the sake of Yan Ruoxue. After all, he wasn't well informed about the conflicts between these

families, not to mention whether the Yan family was afraid of the Shen family or not.

In no time, Qin Yu had arrived at Riverfish House.

Riverfish House was situated on the riverside and while its location was remote, it had a beautiful environment.

Today, the place was booked by Shen Yun.

Four bodyguards were standing at the entrance of the hotel and each of them seemed strong.

Qin Yu had just walked to the door when he was stopped by a few bodyguards.

"Who are you?" one of the bodyguards asked.

"Qin Yu," Qin Yu said without subservience.

The bodyguard nodded and made way to let him pass.

"Go in. Mr. Shen is waiting for you," the bodyguard said with a cold expression.

Qin Yu didn't hesitate and immediately walked in with large strides.

In the lobby of the hotel, there were more than ten bodyguards.

A man in a white suit was sitting at the front seat while feasting.

Qin Yu looked at him before walking forward and politely said, "Greetings, Mr. Shen."

Shen Yun looked up at Qin Yu with fury in his eyes.

”You’re Qin Yu? You have some nerve to dare to lay a hand on my son and break his arm!” Shen Yun said through gritted teeth.

Qin Yu explained, “It was Shen Tian who forced me to do so, otherwise I would have...”

”I don’t care what the reason is!” Shen Yun cut Qin Yu off.

He shook a stick in his hand and said in a cold voice, “I won’t spare anyone who dares to harm my son!”

As soon as the words left his mouth, Shen Yun picked the stick up and ruthlessly struck the white-haired youth’s knee!

With a crisp sound, the white-haired young man’s kneecap was instantly broken causing him to fall to the ground!

Shen Yun spat on the white-haired youth’s face and coldly said, “Useless trash. I asked you to protect my son, but you let him break his arm, so what use do I have for you?”

The white-haired young man was in agony but he didn’t say a word.

”Break his limbs and throw him out,” Shen Yun said in a cold voice.

”Yes!” The bodyguards by Shen Yun’s side immediately made their way toward the white-haired young man.

”Wait!” Anger surfaced on Qin Yu’s face.

”Your son was beaten by me, so what’s it got to do with him?”
Qin Yu said in a cold voice.

Shen Yun let out a light snort and said, “He didn’t protect my son, so he failed to do his job! If he failed to do his job, he should be punished!”

Qin Yu laughed coldly as he glanced at Shen Yun and said, “He failed to do his job by not protecting Shen Tian. Then if you failed to raise your son properly, would that be considered a failure to do your job properly?”

”How dare you say that!” Shen Yun immediately rose to his feet!

”Who are you to lecture me?” Shen Yun berated.

Qin Yu eyed Shen Yun coldly and said, “No wonder Shen Tian is so cocky and bossy. With a father like you, it’s not that surprising. Today, I’ll let you know that by breaking your son’s arm, I was going easy on him.. If he messes with me again, I’ll kill him!”

Chapter 40: Make the Shen Family Bankrupt!

Qin Yu’s words were so compelling that even the white-haired young man couldn’t help but look over.

Shen Yun laughed in anger as he pointed at Qin Yu and said, “Well, well! I never thought there would be someone who would dare to talk to me like this in such a little place like Jiangcheng!”

After saying that, Shen Yun threw the stick at Qin Yu’s feet.

”I’ll give you a chance to break your own legs and I’ll let this slide,” Shen Yun said in a cold voice.

Qin Yu glanced at the stick at his feet, and then kicked it violently.

The stick flew towards Shen Yun with a whoosh.

The stick grazed Shen Yun’s head and pierced the wall behind him.

The wall immediately broke and cracks like spider webs appeared.

Shen Yun’s expression grew increasingly cold as he said with a sneer, “I’ve given you a chance, and since you don’t cherish it, don’t blame me for being merciless.”

”Starting from tomorrow, all the people close to you will suffer!” Shen Yun’s expression was ruthless.

Qin Yu didn’t know many people and was practically a lone wolf.

Therefore, he wasn’t intimidated by Shen Yun’s warning.

”You can scam now,” Shen Yun waved his hand and said.

Qin Yu, however, stood there without moving.

Shen Yun frowned and rebuked, “I told you to get lost. Didn’t you hear me?”

Qin Yu paid no attention to Shen Yun, and instead looked at the white-haired young man and said, "Would you like to come with me?"

The white-haired young man couldn't help but freeze as he stared blankly at Qin Yu in disbelief.

"As a grown man, how can you live such a subservient life? Are you willing to stay as a dog by the side of such people, or do you want to live with dignity for the rest of your life?" Qin Yu asked in a cold voice.

The white-haired young man did not say anything as he lowered his head, and a conflicted look appeared on his face.

Shen Yun, who was quite amused, kicked the white-haired young man and said, "A dog is a dog and has no chance of becoming a human being."

At that moment, the white-haired young man suddenly rose from the ground!

He gritted his teeth as he said, "Shen Yun, I've had enough of you!"

"When you face people who are more powerful than you, you kiss up to them. When you face less powerful people, you don't even treat them like human beings! I quit!"

After saying that, the white-haired young man furiously threw the suit he was wearing on the ground and approached Qin Yu.

Shen Yun's expression was cold and he waved his hand at once. His bodyguard instantly understood and grabbed a knife to stab the white-haired young man in the back!

Just as the knife was about to strike the white-haired young man, Qin Yu flicked his finger and the bodyguard's wrist was struck hard by something! The knife fell as well!

He turned his head and saw that it was a coin!

"Let's go." Qin Yu looked at the white-haired young man and supported him as he walked out of the hotel.

Shen Yun's expression was grim and he flipped the table over!

"I will never let him off!" A vicious look appeared on Shen Yun's face.

...

Qin Yu took the white-haired young man back to his residence.

After a short conversation, Qin Yu learned that the white-haired young man's name was Yao Qing, a bodyguard hired by Shen Yun at great expense.

"Thank you for saving my life twice, but unfortunately, I am now a cripple. I'm afraid I can't repay you." Yao Qing sat beside Qin Yu and appeared despondent.

Qin Yu gave him a look and took out a pill.

"Take this," said Qin Yu indifferently.

Yao Qing froze and said with a frown, “What is this?”

”Take it before you ask.” Qin Yu didn’t provide any explanation.

When Yao Qing heard this, he didn’t say anything further and immediately swallowed the pill.

This pill was the Marrow Pill that Qin Yu had refined.

He had planned to give it to Shen Yun as compensation, but after seeing Shen Yun’s disgusting attitude, Qin Yu changed his mind.

The moment the Marrow Pill entered his belly, Qin Yu reached out his hand and placed it on Shen Yun’s kneecap, and a surge of spiritual energy covered his palm.

Yao Qing felt a burst of soreness and itchiness at his knee, and the feeling was incredibly bizarre.

Half a minute later, Qin Yu removed his hand.

”Try taking a couple of steps,” said Qin Yu nonchalantly.

Yao Qing attempted to move his arms and legs, and then, to his surprise, he found that his broken leg had healed!

”This... How is this possible?” Yao Qing was astonished!

”Even the world’s best doctors don’t have the skills to do this...” Yao Qing was amazed.

But Qin Yu said with a light smile, “The world’s best doctors can’t be compared to me.”

He wasn't bluffing but was telling the truth.

After getting the cultivation method, Qin Yu had reached the ultimate level. He could even break the stars with one punch and raise the dead.

"Okay, I'm going to ask you a few questions now." At this point, Qin Yu glanced at Yao Qing.

Yao Qing hurriedly said, "I won't forget the kindness you have shown me, so if you have any questions, just ask!"

Qin Yu's eyes flashed with coldness.

"I need you to reveal to me everything about the Shen family, including their business, assets, and capabilities," Qin Yu said in a cold voice.

"I want the Shen family to lose everything." Qin Yu's voice, resolute and cold, was unwavering.

Qin Yu wanted to ask Yao Qing a lot of questions, but right now, what Qin Yu wanted to do most was to make the Shen family bankrupt!
