

## My Rich Wife – Chapter 495 –

Chapter 495: Chapter 495, four Martial Marquis Weapons!

Qin Yu stepped on the corpse like a god of war and instantly arrived in the Great Hall!

Seeing Qin Yu's crazy expression, elder Qu's expression also became slightly unsightly.

Even if there were martial marquis weapons in the Great Hall, it still made elder Qu tremble with fear.

He took a deep breath and suppressed the fear in his heart. He said coldly, “Qin Yu, do you know where this is? This is the sage Confucian school! It's not your place to be impudent!”

Qin Yu clenched his teeth and clenched his fists. He stared at elder Qu and said word by word, “Pavilion Master was taken away by you, right?”

Elder Qu's heart tightened and his expression could not help but change slightly.

“So what if... So what if I am!” Elder Qu snorted coldly.

Qin Yu said coldly, “Then I will kill you and cut you into pieces!”

As he spoke, the Qi force on Qin Yu's body exploded once again!

The entire hall was instantly blown up by a hurricane. After feeling the power on Qin Yu's body, elder Qu's face instantly turned somewhat pale.

“Qin Yu, you dare to trespass into our Saint Confucian school? That is a capital offense!” Elder Qu said through gritted teeth.

“Go to hell!” Qin Yu didn’t say anything else and threw a punch!

Elder Qu did not dare to take it head-on and hurriedly dodged to the side.

However, the powerful force still sent elder Qu flying, and traces of blood dripped from the corner of his mouth.

He felt a sharp pain in his chest, as if his internal organs had been greatly impacted.

“No, it’s impossible for a half-step martial marquis to possess such power...” elder Qu’s expression was extremely unsightly.

“If he doesn’t use his martial marquis weapon, this kid will probably tear down the Saint Confucian school!”

Thinking of this, elder Qu crawled up from the ground.

He took a deep breath, looked coldly at Qin Yu, and said, “Qin Yu, you forced me to do this. The dignity of the Saint Confucian school can not be provoked!”

Qin Yu looked coldly at elder Qu, as if he was looking at a person who was about to die.

This made elder Qu extremely terrified. He didn’t dare to delay any longer and hurriedly took two steps back before starting to activate his Marquis Weapon!

The four corners of the great hall instantly lit up with light.

Along with the appearance of these four rays of light, a majestic aura spread throughout the Great Hall.

A terrifying pressure rolled over as the four rays of energy that contained intense killing intent slowly condensed.

Even Qin Yu had noticed these streams of energy.

He raised his head to look at the four corners and said coldly, “Looks like the Saint Confucian sect still has a babe hidden somewhere.”

Elder Qu laughed coldly and said, “This is a martial marquis weapon. It’s a personal magic weapon of a martial marquis. Although it can’t be compared to a true martial marquis, it can unleash a strike from a martial marquis. Its power isn’t weaker than a true martial marquis!”

“Qin Yu, no matter how strong you are, can you still be stronger than a martial marquis? Under this attack, you will definitely die!”

Qin Yu’s expression was ice-cold. His entire body was glowing with golden light, and his eyes were coldly looking at the four directions.

“Go to hell!” Elder Qu shouted and immediately urged his martial marquis weapon to come over!

In an instant, four terrifying waves of internal Qi shot over!

“Boom!”

A huge force poured down on Qin Yu’s body!

In an instant, Qin Yu's body was sent flying out of the main hall!

The golden light on his body was shattered and he fell to the ground for a long time without getting up!

“Hahaha!” Seeing this, elder Qu couldn't help but laugh out loud.

“You deserve it and can't live. Qin Yu, this is your life!”

However, just as elder Qu was laughing out loud, Qin Yu, who had fallen to the ground, suddenly crawled up slowly.

Four bloody holes appeared on his body, but his internal Qi didn't decrease at all. Instead, it was full of fighting spirit!

“How... how could this be!” Elder Qu's expression immediately changed drastically!

Qin Yu wiped the blood from the corner of his mouth and said coldly, “Today, I will cripple this marquis weapon of yours.”

Before he could finish his sentence, Qin Yu's eyes slowly turned red.

And a mark appeared between his brows.

The power of the Divine Dragon!

This was the power of the Divine Dragon that Qin Yu possessed!

Following that, the Golden Light on Qin Yu's body exploded once again! His internal Qi instantly became a few times stronger!

“Not... Not Good!” Elder Qu suddenly felt that something was wrong!

Just now, Qin Yu could easily crush these people. Now that his strength had soared again, how should he deal with it?

Elder Qu subconsciously took two steps back. At this moment, he was really afraid!

He gritted his teeth and said angrily, "I don't believe that you can break my martial Marquis Weapon!"

After saying that, elder Qu activated it again, and the four corners immediately lit up with a bright light!

This was an extremely oppressive force, causing the entire hall to tremble slightly!

"I don't believe that this marquis weapon can't kill Qin Yu!" Beads of sweat dripped down elder Qu's forehead.

The Marquis weapon was his final trump card. If this couldn't kill Qin Yu, then who in the world could stop Qin Yu?

As long as the Marquis weapon didn't appear, then Qin Yu was truly an invincible existence!

"Go to hell!" Elder Qu roared, and the martial marquis weapon erupted once again!

Four extremely powerful forces were approaching Qin Yu's vital point!

"What BULLSH \* t martial marquis weapon, so what if it's a real martial marquis!" Qin Yu raised his head and roared angrily, and a golden power wrapped around his fist!

At a glance, it was as if his hand was squeezing a round sun!

“Watch me smash you!”

Green veins popped up all over Qin Yu’s body, and he fiercely punched forward!

Chapter 496: The 496th Chapter was shattered with a single punch!

“Boom!”

The collision of two extremely powerful forces instantly caused the great hall to collapse!

Everything in the surroundings turned into white flames. Countless people had their eyes blinded at this moment!

“Rumble...”

The two forces began to collide at this moment, and for a moment, they were at a stalemate!

“How... how could this be!” Elder Qu’s expression was incomparably terrified!

These were four Marquis Weapons! ! They couldn’t cut down Qin Yu in a short time ? !

Under the impact of these four Marquis Weapons, Qin Yu’s figure began to retreat continuously.

Qin Yu's clothes were completely torn, revealing a stretch of firm muscles!

Veins bulged on his arms, and one could even see spiritual energy being poured into his arms!

“Ah! ! !”

Qin Yu raised his head and roared. The power of the Divine Dragon was unleashed to the extreme at this moment!

A light flashed between his brows, and his eyes burst out with a scarlet light. In an instant, the power of his fists burst out!

A shocking scene happened. The power of the Martial Marquis weapon was actually pushed back by Qin Yu!

“It's... It's bad!”

Seeing this scene, elder Qu completely panicked!

Could it be... Qin Yu was really going to smash this marquis weapon? That would be a heavy loss for the Saint Confucian sect!

“No... No, I have to escape quickly!” Elder Qu thought to himself that things were not looking good!

He took advantage of the fact that Qin Yu could not be separated and immediately turned around to run!

Qin Yu was still fighting against this marquis weapon. As Qin Yu's power erupted, the Golden Light became even more powerful!

“Break!”

Qin Yu let out a roar that shook the sky. The absolute beginning Holy Fist was unleashed to the extreme in an instant!

“Boom!”

The power of the Marquis weapon was directly shattered by Qin Yu!

Everything became calm. Under this power, Qin Yu’s body was also covered in blood.

He panted heavily and roared, “What other trump cards do you have? Use Them All!”

However, the surroundings were completely silent.

No one was willing to become Qin Yu’s enemy and had long fled the scene.

Qin Yu coldly swept his surroundings and a strong killing intent appeared on his face.

“Is this the number one sect in the north? From today onwards, I will kill every single person from the Saint Confucian school I See!” Qin Yu seemed to be announcing the death penalty.

Then, he coldly looked at the four martial marquis weapons hanging high in the sky and his figure suddenly shot up!

“Boom!”

His incomparably fierce fist directly smashed towards the four Marquis weapons!

The Marquis weapons shattered with a sound!

This was the first time in the history of the sacred Confucian school that they had suffered such a disaster. They had been beaten up by a single person and scattered in all directions, and had even lost four Marquis weapons!

No one had expected that Qin Yu, who had once been looked down upon, would actually be able to cause the sacred Confucian school to suffer heavy losses by himself today!

Looking around, Qin Yu's expression became even colder.

He turned around and walked out of the Great Hall. His powerful divine sense instantly spread out.

More than half of the sacred Confucian school had landed in Qin Yu's divine sense.

Very quickly, Qin Yu found a figure.

His figure flashed and he quickly disappeared.

A moment later, Qin Yu arrived beside a young man.

When the young man saw Qin Yu, a hint of panic flashed across his face.

He said in a trembling voice, "It has nothing to do with... It has nothing to do with me. Don't kill me..."

Qin Yu grabbed his shoulder and said coldly, "Who killed the Pavilion Master of the Divine Alchemist Pavilion?"

The young man was stunned. He scratched his ears and said softly, “Mr. Qin, I don’t seem to understand what you mean...”

“Stop pretending!” Qin Yu was furious. He raised his hand and broke the young man’s legs!

The young man immediately grimaced in pain. He said in pain, “Mr. Qin, the Pavilion Master of the Medicine God Pavilion is not dead. She was taken away by the people of the Jingdu Martial Arts Association...”

Qin Yu was stunned. He grabbed the young man and said anxiously, “Is what you said true?”

“It’s absolutely true!” The young man said with some fear.

“Just as elder Qu was about to do something improper, the people from the Jingdu martial arts association took him away.”

“I happened to clean up that day and saw it with my own eyes!”

Hearing this, Qin Yu’s brows immediately furrowed.

He released the young man and said in a low voice, “Could it be that elder Qu lied to me?”

Thinking of this, Qin Yu looked at the young man coldly and said, “You’d better not lie to me.”

“I swear, I absolutely didn’t lie to you...” the young man was about to cry.

Seeing that he didn't seem to be lying, Qin Yu didn't make things difficult for him.

“Elder Qu...” Qin Yu couldn't help but have a gloomy expression.

This beast actually wanted to do something immoral to the pavilion master! It was simply unforgivable!

“I won't let you off lightly,” Qin Yu said coldly.

The Saint Confucian school was in ruins. Without Marquis Wu holding down the fort, no one could stop Qin Yu.

Therefore, Qin Yu didn't stay any longer. He temporarily returned to the Divine Medicine Pavilion.

After returning to the Divine Medicine Pavilion, Qin Yu took out his phone and called Old Mister Yan.

After getting Yan Sihai's phone number, Qin Yu immediately called Yan Sihai.

After about ten seconds, Yan Sihai picked up the phone.

He asked over the phone, “Who is it?”

“It's me, Qin Yu,” Qin Yu said coldly.

Hearing this name, Yan Sihai said with some amusement, “Qin Yu? Calling me at this time, are you trying to beg me for mercy?”

“I beg you to F \* ck off!” Qin Yu directly cursed.

On the other end, Yan Sihai was stunned, and then he said angrily,  
“What did you say! You Dare to Scold Me?”

“I’m scolding you! You Heartless Beast!”Qin Yu said coldly.

“Qin Yu, are you crazy!”On this end, Yan Sihai was so angry that he gnashed his teeth.

In all his life, no one dared to scold him like this!

“Yan Sihai, I’m warning you, if the pavilion master loses even a hair, I’ll definitely skin you and pull out your tendons!”Qin Yu said coldly.

Yan Sihai could not help but narrow his eyes. He sneered, “You want to save people? Fine, then come to the Jingdu martial arts association to snatch people!”

Hearing this, Qin Yu silently breathed a sigh of relief in his heart.

It seemed that the pavilion master had really been brought to the Jingdu Martial Arts Association.

As long as the person was fine, Qin Yu was relieved.

“Yan Sihai, don’t worry, you bastard. Don’t worry, I will go to Jingdu very soon,”Qin Yu said with a sneer.

On the other end, Yan Sihai suppressed the anger in his heart and said with a cold smile, “September 9th, I’ll be waiting for you in Jingdu.”

“Oh, right, I have good news for you. Ruoxue and Han Wei’s wedding has begun to be prepared.”

“Don’t you like Yan Ruoxue? I hope you won’t Be a coward when the time comes.”

Qin Yu said coldly, “Okay, help me tell Han Wei that September 9th will be the anniversary of his death.”

After saying this, Qin Yu directly hung up the phone.

At this time, the news of Qin Yu killing ten half-step martial marquises and flattening the Saint Confucianism sect had already spread.

“Qin Yu killed all ten half-step martial marquises of the Hong Yi sect!”

“Not only that, Qin Yu also barged into the Saint Confucianism sect and killed nearly a hundred people! He broke four martial Marquis Weapons!”

“Qin Yu, who has stepped into the half-step martial marquis realm, is indeed beyond our imagination!”

Just as everyone was discussing, a message suddenly appeared on the martial arts forum:

From today onwards, I, Qin Yu, will fight the Saint Confucian school to the death.

Chapter 497: Chapter 497, Gu Canghai had personally made his move!

Qin Yu’s shocking words had immediately attracted the attention of countless people!

No one had expected that after Qin Yu had flattened the sacred Confucian school, not only did he not restrain himself, he had even taken the initiative to provoke them!

To fight to the death with the sacred Confucian school? One had to know that that was the number one sect in the north, with the martial marquis overseeing it!

And behind it was the Yan family of Jingdu, one of the largest aristocratic families in the current fire country!

Qin Yu wanted to fight against the entire Saint Confucian sect all by himself? It was simply unimaginable!

On the other side, after Yan Si Hai had hung up the phone, the military advisor walked in.

He leaned over Yan Si Hai's ear and recounted the entire incident, word by word.

After Yan si hai heard it all, his face immediately turned a little ugly.

“You said that Qin Yu had beheaded ten half step martial marquises?” Yan Si Hai's eyes were filled with doubt.

The military advisor nodded and said, “To be precise, there were nine. One of them was let go by Qin Yu.”

Yan Sihai's expression was a little ugly.

He had never thought that Qin Yu's growth speed would be so fast!

He had never thought that after Qin Yu stepped into the half-step martial marquis realm, he would actually have such strength!

One against ten, this was simply unheard of!

“How exactly did I let him grow up under my eyes?” Yan sihai rubbed his temples, feeling a headache for a moment.

The military advisor said, “Don’t worry. There are strong and weak half-step martial marquises. How can those people be compared to young master Han?”

This was the truth. As the young master of an aristocratic family, he naturally had an absolute advantage among those of the same level.

“If it really doesn’t work, we can send out martial marquises and directly kill Qin Yu,” said the military advisor.

Yan Sihai was silent for a moment, then said, “On September 9th, gather all the forces that the Yan family can gather and set up an ambush in the dark.”

“Remember, no matter what, we can not let Qin Yu leave Jingdu!”

The military advisor nodded and said, “Yes, director Yan.”

...

Yan family manor.

On Yan Ruoxue’s bedside was a calendar.

Seeing that the 9th of September was getting closer and closer, Yan Ruoxue's heart also became somewhat anxious and uneasy.

“Miss, don't be too worried. No matter what, you should live your life. Don't damage your body,” the nanny beside reminded her.

Yan Ruoxue glanced at the nanny and shook her head. “I'm very worried. Qin Yu...”

Yan Ruoxue did not continue.

She was afraid that she would really marry Han Wei, but she was also afraid that Qin Yu would really come and snatch the marriage.

As the Princess of the Yan family, she naturally knew how powerful the Yan family was.

Putting aside whether Qin Yu could defeat Han Wei, just the power that the Yan family could mobilize was definitely not something that an ordinary person could compare to.

“Miss, since you have chosen to trust Young Master Qin, don't think too much about it.” The nanny at the side advised.

Yan ruoxue nodded slightly and did not say anything more.

... ..

There was only one month left until the ninth day of the ninth lunar month, and Han Wei still had not come out from his closed door cultivation.

He had been staying at the Jingdu Martial Arts Association all day, enjoying the fire country's top martial arts resources.

The Han family.

“Mr. Xia, what exactly is Han Wei's situation?” Said Han Meng with some uneasiness.

For Qin Yu-li beheaded ten half-step Marquis of the matter, he also heard, do not worry is impossible.

Xia hang laughs way: “Mr. Han, you don't worry, still have a month's time, everything is possible.”

“Everything is possible? What do you mean? Could it be that he could step into the realm of Marquis?” Han Wei said with puzzlement.

Xia hang shook his head and said, “The possibility of stepping into the realm of martial marquis is not high. In half a month's time, no matter how monstrous he is, he can't do it.”

“However... we have a way to ensure that Qin Yu will win 100% .” Xia hang changed the topic and said with a faint smile.

Han Wei frowned and said, “What do you mean?”

Xia hang narrowed his eyes and said with a sneer, “Jingdu martial arts association has the oldest cultivation method in the world!”

“Even if we can't let Han Wei truly step into the realm of martial marquis, we still have a way to let him obtain the same power as Martial Marquis!”

Hearing this, Han Wei seemed to be slightly relieved.

After all, between Martial Marquis and half-step martial marquis, there were two different worlds.

...

Qin Yu sat in the Medicine God Pavilion's elder residence. His eyes were slightly closed as he slowly recovered his internal Qi.

In the square, the first elder was still kneeling there, suffering all day.

At this moment, the fifth elder pushed the second elder in.

“Qin Yu, how is the Pavilion Master?” The second elder asked.

Qin Yu said, “Second Elder, don't worry. She has been brought to the Jingdu Martial Arts Association. I will think of a way to save her as soon as possible.”

The second elder nodded. He sighed slightly, “The pavilion master was right about her.”

Qin Yu smiled bitterly, “If it weren't for me, pavilion master wouldn't have suffered so much.”

The second elder didn't say anything and didn't comment.

“Rest well.” The second elder didn't stay any longer and left.

After the second elder left, Qin Yu turned on his phone.

Qin Yu's power was still being publicized on the martial arts forum, but Qin Yu knew very well that he hadn't stepped into the half-step martial marquis realm.

There was still a fine line between him and the half-step martial marquis realm.

If he wanted to officially step into the half-step martial marquis realm, he still needed a reincarnation pill.

"Where can I find 5,000-year-old herbs?" Qin Yu couldn't help but sigh in his heart.

"I wonder if pavilion master has any ideas."

As the Pavilion Master of the Divine Medicine Pavilion, Ji Yuhong's herbs resources were incomparable.

It was just that... She was currently locked up in the Jingdu Martial Arts Association and couldn't be contacted at all.

"We have to think of a way to rescue the pavilion master as soon as possible," Qin Yu's expression darkened as he said coldly.

In the next few days, Qin Yu didn't leave the Divine Medicine Pavilion.

He sat in the Elder's manor all day, and from time to time, there would be explosions and bright lights.

No one knew what Qin Yu was doing, but everyone viewed Qin Yu as their savior.

...

The sage Confucian school.

On this day, Gu Canghai rushed back to the sage Confucian school from Jingdu.

Ever since he heard about Qin Yu's matter, he didn't dare to waste any time.

“This... this...”

Looking at the messy sage Confucian school, Gu Canghai stood there in a daze, as if he was stunned.

The entire sage Confucian school was filled with broken walls and dried corpses. There was not a single trace of life!

How was this the number one sect in the north? It was simply like a graveyard!

“Qin Yu... Qin Yu! !”

Gu Canghai was furious, and a furious roar resounded through the heavens and earth!

“You dare to treat the Saint Confucian sect like this? I want you dead! I want you dead! !” Gu Canghai raised his head and roared angrily!

Then, he stepped into the Saint Confucian sect!

Gu Canghai's appeal was self-evident. After he returned, the disciples of the Saint Confucian sect also walked out one after another.

In front of the villa, hundreds of disciples were kneeling on the ground.

And at the front was elder Qu.

“What the hell is going on?” Gu Canghai looked at elder Qu coldly.

Elder Qu hurriedly said, “That Qin Yu... that Qin Yu is too strong! He broke four Marquis weapons with one hand. It's not something we can resist at all!”

Gu Canghai gritted his teeth and angrily shouted, “Trash, you trash!”

Elder Qu did not say a word. He did not even dare to breathe loudly.

Gu Canghai took a deep breath and forcefully suppressed the anger in his heart.

He coldly swept his gaze across the crowd and said, “The sage Confucian school has never suffered such humiliation! If I don't kill him, the sage Confucian school's reputation will be ruined!”

“From today onwards, I will personally take action and capture Qin Yu!”

Chapter 498: Chapter 498, the Holy Confucian school that had been driven mad

Gu Canghai was about to personally take action and capture Qin Yu!

He was a genuine martial marquis! And a half-step martial marquis had become two different worlds!

A martial Marquis was an aurous core stage cultivator in the cultivation world!

Their bodies had already formed an aurous core, and their strength had reached another level! It was definitely not something a half-step martial marquis could compare to!

On the same day, Gu Canghai posted this news on the martial arts forum.

Not only that, Gu Canghai also posted a bounty on the martial arts forum:

As long as he provided Qin Yu's whereabouts, he would be able to obtain a thousand-year-old herb king and ten million in cash!

Such a high price showed Gu Canghai's determination and anger!

...

Inside the Divine Alchemist Pavilion.

Fifth Elder rushed in with his phone in hand.

“Qin Yu, Gu Canghai has personally taken action to capture you!” Fifth Elder's face was somewhat fearful.

Qin Yu, however, appeared rather calm. He glanced at fifth elder and nodded, “I understand.”

Fifth Elder was stunned and hurriedly said, “Qin Yu, do you know that Gu Canghai is a martial marquis? You... aren't you worried?”

“What's the use of worrying?” Qin Yu slowly stood up from the bed.

“Even if he doesn’t come looking for me, I will still go looking for him.”Qin Yu said with a cold smile.

The fifth elder was instantly stunned.

Qin Yu still wanted to go looking for Gu Canghai? What was the difference between this and sending himself to his death?

“Qin Yu, with your talent, it’s only a matter of time before you step into the Martial Marquis Realm. In the future, you can even spy on a higher realm! Why is there a need to confront him head-on at this time!”The fifth elder explained anxiously.

Qin Yu smiled and said, “Fifth Elder, I know what to do. Don’t worry.”

After saying that, Qin Yu walked straight out of the Elder’s residence.

“Where are you going?”Fifth Elder asked in puzzlement.

Qin Yu said coldly, “I’m going to kill the remnants of the Saint Confucian school.”

After saying that, Qin Yu walked out of the Divine Medicine Pavilion.

As the number one sect in the north, the Saint Confucian school had countless aristocratic families that were affiliated with the Saint Confucian school!

Not only were they the lackeys of the Saint Confucian school, but they also relied on the Saint Confucian school for a living.

Qin Yu knew that he was no match for Gu Canghai, but he had his own advantages.

He was alone and extremely fast.

“Saint Confucian school, I will make you pay a painful price,” Qin Yu said coldly.

In the past few days, Qin Yu had already prepared a list of the sects under the Saint Confucian school.

He took out this list and went to visit them one by one.

Cangzhou, Tai City.

The largest aristocratic family in Tai city was the Li family.

The Li family had hundreds of millions of assets, and they owned real estate, entertainment facilities, and other businesses.

The Li family was also one of the lackeys of the sage Confucian school. Their martial arts were extremely powerful, and with several great grandmasters overseeing them, almost no one dared to provoke them.

That night, Qin Yu arrived at the entrance of the Li family.

He scanned his surroundings, and then strode into the Li family.

After a while, the Li family shone in all directions, wailing incessantly!

In less than half an hour, the head of the Li family died tragically on the stomach of a woman!

And the martial grandmasters sent by the Saint Confucianism sect were all killed by Qin Yu with a single slap!

Another Day passed, and the head of the Sun family of the Central Plains was beheaded! All eight martial grandmasters were silken!

In the next few days, one bad news after another kept coming out.

The head of the Zhao family had died in his office, and three martial grandmasters had died.

The head of the Hu family had died on the dining table, and none of the eight martial grandmasters were left alive.

The head of the Bai family had died in his study, and a half-step martial marquis had become a dried corpse!

These people who had been beheaded all had the same characteristic, and that was that they all came from the sage Confucian school!

Before everyone was shocked, Qin Yu had already announced on the Martial Arts Forum:

I don't believe that your Saint Confucian school can protect everyone! So what if you, Gu Canghai, are a martial marquis? As long as I'm still alive, I will slaughter all the people related to the Saint Confucian school!

As Gu Canghai heard the bad news one after another, the veins on his forehead almost exploded!

“Qin Yu... Qin Yu! !”Gu Canghai suddenly slapped his palm and instantly shattered the chopping board!

“Go, find him for me, find him for me!” Gu Canghai gnashed his teeth and said.

Elder Qu quickly walked forward and said in a low voice, “Sect master, we tried to find Qin Yu, but his movement technique is extremely fast. He changes cities almost every day.”

“Every time we arrive, he has already run away...”

Another elder walked over and said in a trembling voice, “Sect master, the people of the Saint Confucian sect are in a state of panic. Those aristocratic families that have submitted to the Saint Confucian sect have also cut off their relations with us...”

“Sect master, if this continues, we will lose at least billions of dollars every year...”

Gu Canghai panted heavily and was so angry that he was trembling.

“No matter what, I will kill this Qin Yu!” Gu Canghai gritted his teeth.

He immediately got elder Qu to pull out a list of all the aristocratic families related to the sage Confucian school.

“Didn’t this Qin Yu say that he wanted to destroy our sage Confucian school? Fine, then I will go and wait for him!” Gu Canghai said coldly.

“As long as Qin Yu dares to appear, I’ll definitely kill him!”

After saying this, Gu Canghai turned around and left.

However, Qin Yu didn’t go to the next aristocratic family.

He quietly arrived near the Saint Confucian school and waited there quietly.

Not long after Gu Canghai left, Qin Yu immediately barged into the Saint Confucian school and started a massacre!

There were at least hundreds of disciples who remained in the Saint Confucian school that day. In the end, they were all turned into corpses, not a single one was left!

When Gu Canghai rushed back, the Saint Confucian school was already covered in blood!

“Ah! ! !”

Gu Canghai roared crazily!

His hair danced wildly, and his roar spread throughout the entire Saint Confucian school!

“Qin Yu, I must catch you, I must catch you!” Gu Canghai gnashed his teeth in anger!

“Sect master, with Qin Yu’s ruckus, our disciples are starting to be afraid...” an elder responded.

“Many disciples want to resign and go home...”

“I’ve also received many resignation letters, there are at least dozens of them... among them, there is no lack of peak martial grandmasters.”

Peak martial grandmasters were the power reserves of the Saint Confucian sect!

As long as they had the spirit spring in their hands, the Saint Confucian sect would have the chance to turn them into half-step martial marquises!

But now, because of Qin Yu's insane behavior, he had scared away these disciples and those who wanted to join the sacred Confucian school!

For a moment, Gu Canghai had a headache.

He rubbed his forehead and said in a low voice, "Go find the surveillance camera and find Qin Yu for me!"

"Sect master, do you think you can find Qin Yu by relying on the surveillance camera? He can shoot and change places, who can catch him..."

Gu Canghai could not help but frown.

He had never thought that just Qin Yu alone would cause the incomparably glorious Saint Confucian sect to almost wither!

"I do have an idea." At this moment, elder Qu stood out.

Gu Canghai glanced coldly at elder Qu and said, "What Idea?"

Elder Qu thought for a moment and said, "We can pretend to negotiate and Trick Qin Yu over!"

"I believe that as long as our conditions are high enough, Qin Yu will definitely agree!"

"As long as this Qin Yu dares to show up, he will never come back!"

## Chapter 499: Chapter 499, Sea City Teng clan

Hearing elder Qu's words, the scene fell silent.

Gu Canghai, on the other hand, was full of anger. He stared coldly at elder Qu and said, "We, the dignified Saint Confucian school, are taking the initiative to negotiate peace? If this gets out, where will our Saint Confucian school's face go?"

Elder Qu hurriedly explained, "Headmaster, the entire Saint Confucian school is in a panic right now! Especially those families!"

"I thought that the Saint Confucian sect would be able to protect them, but in the end, it brought disaster. If this goes on, the Saint Confucian sect's reputation will suffer even more!"

Gu Canghai frowned when he heard this.

Elder Qu's words were not without reason. If this continued, no one would dare to get involved with the Saint Confucian sect in the future.

Gu Canghai was silent for a moment, then slowly said, "How are you sure that Qin Yu will agree?"

Elder Qu said, "I'm not sure either, so... I can only give it a try."

Gu Canghai did not speak, as if he was considering the pros and cons.

A moment later, Gu Canghai looked at elder Qu.

He said in a deep voice, "Alright, we will do as you say, but... We must try our best to keep it a secret and not let it get out."

Elder Qu nodded and said, “I understand!”

Hence, elder Qu immediately sent someone to contact Qin Yu.

It was not difficult to contact Qin Yu. They sent someone to deliver the news to the Divine Alchemist Pavilion.

After second elder learned of this matter, he could not help but be stunned.

“Is the Divine Alchemist Pavilion admitting defeat?” Fifth Elder at the side also swallowed his saliva.

Second Elder said in a deep voice, “There must be a trick. Qin Yu has killed so many people from the Saint Confucian school. How can the Saint Confucian school let it go just like that!”

“I think it’s better to let Qin Yu make his own decision,” said the fifth elder.

Then, the fifth elder took out his phone and dialed Qin Yu’s number.

He told Qin Yu the intentions of the Saint Confucian school.

“Qin Yu, you must be careful. I suspect that there’s a trap,” said the fifth elder in a deep voice.

On the other end, Qin Yu said indifferently, “It’s okay. I know what to do.”

After saying that, Qin Yu directly hung up the phone.

At this moment, Qin Yu was sitting in a restaurant eating noodles.

He put down the chopsticks in his hand and couldn't help but sneer.

“It's finally here.” Qin Yu sneered again and again.

Everything he did was to have a chance to talk to the Saint Confucian school!

If Qin Yu took the initiative to suggest it, the high and mighty Saint Confucian school would never give Qin Yu a chance to speak.

For sects and aristocratic families like this, as long as they were forced into a desperate situation, they would only think of talking to you.

After thinking about it for a long time, Qin Yu finally decided to seek help from the media.

But the ordinary media would definitely not dare to offend the Saint Confucianism sect. Hence, Qin Yu had to find a media that had both strength and background to interview them.

The fire country was very big. Although the Saint Confucianism sect was strong, they were still unable to cover the sky with a single hand.

There were always people outside the mountain, and there were many who were not afraid of the Saint Confucian school.

Qin Yu's first choice was sea city.

Sea city was one of the largest cities in the country, and the power it possessed was not much weaker than Jingdu.

There were also many great aristocratic families and great clans among them!

“Looks like I still have to make a trip to sea city.”Qin Yu thought to himself.

The largest aristocratic family in sea city was the TENG family.

Not only did the TENG family have hundreds of millions of family assets, but their connections were also extremely close.

However, compared to the aristocratic families in Jingdu, the TENG family’s martial power was relatively weak.

It was said that the strongest person in the huge Teng family was only a half-step martial marquis.

After thinking about it, Qin Yu finally turned to old Mister Yan for help.

Fortunately, old Mister Yan and the Teng family had an old friend.

“The Teng family received my favor back then. If I reveal my identity, he should give me some face,”said old Mister Yan on the other end.

Qin Yu was silent for a moment and said, “Okay, I’ll wait for your news.”

Half an hour later, old Mister Yan called back.

He said on the phone, “Everything is going well. Tonight at eight o’clock, The Teng Guild will be waiting for you at home.”

“Okay, thank you,”Qin Yu agreed.

At night.

Qin Yu came to The Teng family’s residence.

In The Teng family's huge villa, only a few nannies were cleaning.

Qin Yu sat there quietly, waiting for the Teng family to arrive.

About ten minutes later.

A middle-aged man in a nightgown walked down from upstairs.

This middle-aged man was none other than the TENG family's patriarch, Lord Teng!

As soon as Lord Teng appeared, all the nannies called out, "Master."

Lord Teng nodded slightly and walked directly to the opposite side of Qin Yu. He looked Qin Yu up and down and said, "You are Qin Yu?"

"Greetings, Mr. Teng." Qin Yu nodded.

Lord Teng said with a faint smile, "You have been in the limelight recently. Even the legend of you exists in sea city."

Qin Yu said with a smile, "You flatter me, Mister Teng."

"Tell me, what's the matter?" Duke Teng said indifferently.

Qin Yu immediately expressed his intention to come.

After hearing it, Duke Teng couldn't help but laugh.

He put out the cigarette and said indifferently, "Qin Yu, why are you so naive?"

Qin Yu frowned slightly and said with some confusion, "What do you mean, Duke Teng?"

Tenggong sneered and said, “If it was that old Mister Yan back then, I might be able to help you, but now...”

Tenggong shook his head and did not continue, but the meaning was very clear.

Qin Yu opened his mouth and wanted to say something, but Tenggong waved his hand and said, “I have already given him enough face by being able to see you.”

After saying that, Tenggong waved his hand and gave the order to leave.

Qin Yu was silent for a moment, then smiled and said, “Duke Teng, maybe I should change my expression.”

“Oh?” Duke Teng raised his eyebrows.

Qin Yu said, “Maybe we can work together.”

“Work together?” Hearing this, Duke Teng immediately burst into laughter.

“What kind of cooperation can there be between you and me? What qualifications do you have to work with me?” Duke Teng raised his eyebrows and said.

Qin Yu was not in a hurry. He said with a faint smile, “Although the TENG family has a big business, their martial power has always been extremely weak. The strongest is only a half-step martial marquis.”

“And no matter which Jingdu aristocratic family, not only do they have wealth, they also control martial power. This is also the reason why the TENG family will never be able to compete with the Yan family.”

Duke Teng frowned slightly.

Although the words were not pleasant to hear, it was the truth.

Qin Yu stood up and said coldly, “I can make up for this blank space in the TENG family.”

Hearing this, Duke Teng could not help but sneer, “You? If you were a marquis, I might consider it, but you are only a half-step marquis, where does your confidence come from?”

Qin Yu said indifferently, “Although I am not a marquis, I can force the Saint Confucian school, which has a marquis, to bow their heads, and make the high and Mighty Yan family suffer!”

“This is my confidence.”

Hearing this, Duke Teng seemed to be interested.

He touched his chin and thought for a moment, then stood up and said, “I can help you this time, but... you and I have to make an agreement.”

“Please speak, Duke Teng.” Qin Yu nodded.

Duke Teng said with a faint smile, “If you can replace the Saint Confucian school within a month, I will admit your ability and agree to all your requests.”

Chapter 500: Chapter 500, miscalculation!

Replace the sage Confucian school within a month ?

This was not an easy thing to do. One had to know that the sage Confucian school not only had an extremely strong relationship, but they also had a marquis Wu.

Qin Yu was silent for a moment, then stood up and said, “Okay, I agree.”

This surprised Duke Teng. He was stunned for a moment, then laughed out loud, “Okay! Then it’s a deal!”

“It’s a deal.” Qin Yu shook hands with Duke Teng.

For Qin Yu, it was only a matter of time before he launched a crusade against the Saint Confucian school.

As for the relationship behind his back, he had long made enemies with Qin Yu.

So he had nothing to worry about.

Under the arrangements of Duke Teng, Qin Yu contacted the reporters of sea city.

After arranging everything, Qin Yu and the Saint Confucian school agreed on a time and place, and prepared to meet and negotiate for the first time.

At noon the next day.

Elder Qu and Gu Canghai had been waiting for Qin Yu in a clubhouse in Hong province’s Cang City.

“I didn’t expect that Qin Yu would actually dare to agree,” Gu Canghai said coldly.

Elder Qu smiled and said, “Sect master, this Qin Yu is still young, after all. He is still too naive.”

“If I’m not wrong, he will definitely offer some excessive conditions.”

Gu Canghai sneered, “No matter what conditions he offers, I will not agree to him. As long as he dares to come, I will make sure he never comes back!”

He knew that Qin Yu had the ability to shrink the ground into an inch, so Gu Canghai had long set up a formation!

In this formation, no one could escape from this room!

Time passed by minute by minute. After more than ten minutes, a voice finally came from outside the door.

“He’s Here!” Elder Qu hurriedly stood up with a hint of excitement.

A hint of anger flashed across Gu Canghai’s face.

He suppressed the anger in his heart and waved his hand. “Open the door.”

Elder Qu ran to the door eagerly. When he opened the door, Qin Yu was indeed standing at the door.

“Qin Yu! You really dare to come!” The moment he saw Qin Yu, elder Qu couldn’t help but clench his teeth!

Qin Yu sneered, “Why wouldn’t I Dare?”

Just as elder Qu was about to say something, a group of reporters suddenly ran over from behind Qin Yu.

This group of reporters held cameras and directly approached elder Qu.

Elder Qu’s expression changed and he said coldly, “What do you mean by this?”

Qin Yu said with a faint smile, “I was afraid that you guys would play tricks, so I contacted the reporters in advance.”

“Oh right, let me remind you that they are reporters under the TENG family.”

Elder Qu’s expression became even more unsightly. He didn’t expect that Qin Yu would actually contact the reporters in advance!

“Qin Yu, you are ruthless!”Elder Qu said coldly.

After saying this, elder Qu moved aside.

Qin Yu Strode into the room. The moment he entered, he saw a tall man with a white beard.

This man was none other than Gu Canghai!

The moment the two of them met, Gu Canghai’s face darkened.

A strong killing intent burst out from his body! The cold internal Qi instantly caused the temperature in the room to drop by several degrees!

“Qin Yu... !”Gu Canghai suddenly stood up, as if he couldn’t hold back the killing intent in his heart.

Qin Yu, on the other hand, appeared rather calm. He walked to the opposite side of Gu Canghai and sat down.

“You are the sect master of the Saint Confucian sect, right ? Since you intend to negotiate with me, then show your sincerity,”Qin Yu said indifferently.

Gu Canghai narrowed his eyes and couldn’t help but laugh out loud, “Qin Yu, our Saint Confucian sect has been established for many years, but we have never suffered such humiliation!”

“Killing my disciple and destroying my sect, Qin Yu, how should you be punished!”

Qin Yu sneered, “If your Saint Confucian sect didn’t bully others first, how could I kill innocent people indiscriminately?”

Gu Canghai narrowed his eyes and said, “You are the first one who dares to challenge my Saint Confucian School.”

“That’s true. After all, you have to look at your master’s face when beating a dog,”Qin Yu said with a faint smile.

Gu Canghai was not stupid. He naturally heard the hidden meaning in Qin Yu’s words.

He sneered and said, “Qin Yu, you really surprised me by daring to come here today.”

“Negotiate with my Saint Confucian school ? Are you even worthy!”

Qin Yu narrowed his eyes and said coldly, “Gu Canghai, are you going to break the contract?”

“Hahaha!” Gu Canghai couldn’t help but laugh out loud.

He was about to speak when elder Qu came up from the side.

He leaned against Gu Canghai’s ear and whispered, “Headmaster, those reporters are from the TENG family of Sea City.”

Hearing the name of The Teng family, Gu Canghai narrowed his eyes slightly.

“Qin Yu, tell me. What are your conditions?” Gu Canghai asked coldly.

Qin Yu did not stand on ceremony. He looked at Gu Canghai and said, “First, I want the Jingdu Martial Arts Association to release the Pavilion Master.”

Gu Canghai did not say anything. He quietly waited for Qin Yu to continue.

“Second, I want two people,” Qin Yu continued.

Gu Canghai sneered, “Oh? which two people?”

Qin Yu took a deep breath and said coldly, “The first one is he teng, and the second one...”

At this point, Qin Yu’s tone paused. He suddenly raised his finger and pointed at elder Qu!

“The second one is elder Qu!”

As he spoke, Qin Yu's voice became extremely cold!

All of this was caused by elder Qu! More importantly, he tried to do something improper to the pavilion master!

If he didn't kill him, Qin Yu would never let it go!

Elder Qu, who was standing at the side, suddenly became anxious. He hurriedly looked at the sect master and said, "Sect master, you must not agree to his request!"

Elder Qu naturally knew what the consequences would be if he fell into Qin Yu's hands. He hurriedly stood behind the sect master with a face full of fear.

Gu Canghai kept silent and only looked at Qin Yu coldly.

After a moment, Gu Canghai opened his mouth and said, "You think you can threaten me with a few reporters, don't you?"

Qin Yu frowned slightly and said coldly, "What do you mean?"

Gu Canghai angrily shouted, "So what if they are the TENG family's reporters! I, Gu Canghai, have nothing to fear!"

Before he finished his words, Gu Canghai suddenly raised his hand and left!

He only saw Gu Canghai clench his large hand, and the several reporters were directly crushed into meat paste!

Qin Yu's expression immediately turned ugly!

He didn't expect Gu Canghai to not care about the Teng family's identity at all!

Looking at the reporters lying in a pool of blood, Qin Yu's expression turned ugly.

Gu Canghai slowly stood up. His hair danced wildly, and his killing intent surged!

“Qin Yu, even if the Heavenly King Comes, you will die here!” Gu Canghai said coldly.

Chapter 501: Chapter 501, Martial Marquis!

Feeling the killing intent from Gu Canghai's body, Qin Yu's expression turned slightly ugly!

This was a true martial marquis! It was also the strongest opponent Qin Yu had ever met!

It was said that the Martial Marquis was a watershed. After stepping into the Martial Marquis realm, one would enter another level.

It was impossible to rely on a half-step martial marquis to defeat a martial marquis!

Moreover, Qin Yu had not stepped into the true half-step martial marquis realm yet!

“I will cripple your Dantian and let Young Master Han Kill You Personally!” Gu Canghai said coldly.

Qin Yu's expression became more and more serious.

There was only one thought in his heart, and that was to "Escape!"

Therefore, Qin Yu immediately used the shrinking ground to become an inch and took off, wanting to escape.

However, when Qin Yu rushed to the window, he was bounced back by an extremely strong force!

"Do you think you can escape?!" Gu Canghai's body was full of murderous intent as he laughed coldly.

"Oh no, I miscalculated!" Qin Yu's face immediately turned ugly!

This Gu Canghai had set up a formation, there was no way he could escape!

"F \* ck!" Qin Yu cursed in his heart. He immediately held the absolute beginning Holy Fist and fiercely smashed it towards that level of barrier.

However, this was something that Marquis Wu had personally set up. No matter how strong Qin Yu was, he couldn't break it!

"You can't escape," Gu Canghai sneered.

Qin Yu felt that something was wrong.

He took a deep breath and said coldly, "Gu Canghai, if you can't kill me today, I will fight with your Saint Confucian school to the death!"

"Hahahaha!" Gu Canghai couldn't help but laugh.

“With just you? Do you think you still have a chance to leave this place?” Gu Canghai said coldly.

As he spoke, Gu Canghai had already raised his hand!

A hollow palm rose up out of thin air and slammed fiercely towards Qin Yu!

Qin Yu didn't dare to be negligent. He immediately used the sacred physique technique and raised his hand to meet it!

“Boom!”

However, Marquis Wu's strength was too tyrannical and directly sent Qin Yu flying!

The golden light on his body was directly shattered, and his body suffered a violent impact!

“Serves you right!” Seeing this, elder Qu sneered at the side.

“You still want to take my life? Are you even worthy?”

Qin Yu didn't say anything. He struggled to get up from the ground, and the unease in his heart grew more and more intense.

Gu Canghai's strength was beyond imagination. In front of him, Qin Yu was practically powerless to retaliate!

If I step into the true half-step martial marquis realm, I might still have a chance to survive... Qin Yu thought to himself.

He gritted his teeth and golden light burst out from his entire body. His internal Qi quickly rose to the limit!

At the same time, the center of Qin Yu's brows also lit up with the light of the Divine Dragon Power!

Facing Gu Canghai, Qin Yu did not dare to be negligent. For a moment, he used all his trump cards and planned to fight to the death!

“What? You still want to resist?” Gu Canghai sneered.

Qin Yu said coldly, “Cut the crap. Everyone says that the Martial Marquis is a watershed. Today, I also want to see how strong the Martial Marquis is.”

“Is that so?” Gu Canghai's lips curled into a sneer.

“Okay, then I will satisfy you!”

After saying that, Gu Canghai casually raised his hand and lightly slapped forward!

Qin Yu did not dare to be negligent. With a furious roar, the energy in his entire body erupted at this moment, and his saintly being technique directly stepped into the fifth level!

A resplendent golden light illuminated the entire room!

“Ah!!!”

Qin Yu exerted all his strength to face Gu Canghai's palm head-on!

“Boom!”

This was a huge collision, and a terrifying internal Qi rippled out in all directions!

Even elder Qu felt an extremely strong pressure at this moment, and even his breathing wasn't smooth!

“Deng Deng Deng Deng!”

Under Gu Canghai's palm strike, all the light on Qin Yu's fist disappeared, and his body took a few steps back!

“Pu!”

The huge impact hit his internal organs.

Qin Yu felt a sweet taste in his throat, and he spat out a mouthful of blood!

“As expected of Marquis Wu...” Qin Yu's expression was somewhat ugly.

Gu Canghai, who was not far away, had a calm expression.

“Everyone below Marquis Wu is an ant. You are already worthy of praise for being able to resist my palm and not die,” Gu Canghai said indifferently.

Qin Yu was not in the mood to listen to his bullsh \* t. his mind was full of thoughts on how to escape.

His eyes swept around, trying to find a blind spot.

“It’s useless.” Gu Canghai seemed to have seen through Qin Yu’s intentions.

He put his hands behind his back and said indifferently, “Are you going to do it yourself, or shall I cripple you with my own hands?”

“F \* ck you!”

Qin Yu cursed angrily and took the initiative to clench his fist and charge forward!

“You don’t know life from death.” Gu Canghai spat out two words coldly. Then, with a light pat, Qin Yu’s figure was directly sent flying!

With this palm strike, Qin Yu’s bones were completely broken, causing him to fall onto the ground in unbearable pain!

“Sect master, let me personally cripple him!” Elder Qu took the initiative to ask for Merit.

Gu Canghai glanced at him and nodded, “Hurry up.”

“Sect master, don’t Worry!” Elder Qu eagerly agreed.

After which, he jogged all the way to the front of Qin Yu.

“Qin Yu, you lowly Maggot, you actually want to climb up the tree and become a Phoenix?” Elder Qu sneered.

“I’ll Cripple Your Dantian right now and kill you, you trash!”

After saying that, elder Qu curled his palm and his sharp claws ruthlessly clawed at Qin Yu’s Dantian!

Chapter 502: Chapter 502 had been played!

Elder Qu's eagle-like palm contained sharp inner strength and was heading straight for Qin Yu's Dantian!

His mind was extremely vicious. He wanted to Cripple Qin Yu! At that time, he would publicly execute Qin Yu at the wedding!

“Clang!”

However, when elder Qu's palm landed on Qin Yu's lower abdomen, his expression could not help but change!

He only felt his finger being shaken until it was in pain. On the other hand, Qin Yu was completely injured!

“What a tough body!” Elder Qu's expression couldn't help but change.

Without waiting for him to be shocked, Qin Yu had already slapped him.

This slap directly sent elder Qu flying!

Gu Canghai coldly glanced at elder Qu and coldly snorted, “What a trash.”

Elder Qu hurriedly got up from the ground and said awkwardly, “Sect master, this kid's body is too strong. I Can't do anything to him...”

Gu Canghai ignored elder Qu. He looked at Qin Yu coldly and said, “Do you still want to resist stubbornly?”

Qin Yu stood up from the ground. He took a deep breath and said, “As I said before, if you can’t kill me today, I will definitely make the Saint Confucian school disappear from this world.”

“Arrogant!” Gu Canghai was furious. His palm turned into a fist and smashed toward Qin Yu!

Qin Yu stepped on the ground and dodged the punch!

Gu Canghai’s fist smashed on the wall behind him, causing the entire wall to buzz!

Qin Yu glanced at the wall and seemed to have thought of something.

“Your speed is quite fast, but do you think you can dodge the second punch?” Gu Canghai said coldly.

As he spoke, Gu Canghai threw another punch!

This punch was extremely fast, but it was still dodged by Qin Yu!

Gu Canghai’s face became even gloomier.

The two misses undoubtedly made Gu Canghai feel a little embarrassed.

“You don’t know life from death,” Gu Canghai said coldly.

The Qi force on his body surged, and a terrifying pressure spread out!

Even Qin Yu’s face flashed with a trace of solemnity.

Facing Gu Canghai’s fist that contained anger, Qin Yu did not dare to be negligent.

He immediately executed the sacred physique art, and at the same time, he suspended the five mountains above his head.

“Go to Hell!”

Gu Canghai roared, and the terrifying fist force smashed towards Qin Yu at an extremely fast speed!

Such speed, even Qin Yu was unable to dodge!

The gap between their realms was too big, and it was impossible to make up for it!

“Bang!”

This punch smashed onto Qin Yu’s body!

Qin Yu’s body was like a cannonball, directly shooting out!

“Crash!”

The walls of the clubhouse collapsed under this punch! The formation was also shattered by Gu Canghai at this moment!

Dust flew up, blocking everyone’s vision.

In front of them was a pile of ruins.

Gu Canghai put his hands behind his back and sneered.

“Sect... sect master, did he kill him with this punch?” Elder Qu was a little worried.

The power of that punch was too strong. Just the power of the punch had made elder Qu's mouth bleed!

Gu Canghai was also a little uncertain. He said coldly, "Go and take a look. It's better if he's not dead."

Elder Qu hurriedly nodded. He quickly ran into the ruins and began to search for Qin Yu's figure.

However, a few minutes later, elder Qu's expression changed drastically!

"Sect... sect master! Qin Yu is missing!" Elder Qu shouted in alarm!

Gu Canghai frowned. He hurriedly stepped forward and stood at Elder Qu's side.

Sure enough, there was only a pool of blood on the ground. Where was Qin Yu's figure?

"Oh no, he escaped!" Elder Qu cried out in alarm.

Gu Canghai's expression turned even gloomier!

He suddenly understood something!

"This Qin Yu... actually tricked me!" Gu Canghai flew into a rage!

Qin Yu could not break the barrier by himself, so he used his own body to take Gu Canghai's attack head-on!

He used his own body as a cannonball and forcefully smashed open the barrier!

“How is this possible? He didn’t die from that punch? !”Elder Qu’s face was filled with lingering fear.

Gu Canghai, who was beside him, also gritted his teeth and said coldly, “This child can not be measured by common sense. No matter what, we have to kill him quickly!”

At this moment, Gu Canghai actually felt fear!

He was able to withstand this punch of his at the half-step martial Marquis Realm. If he truly grew up, he would not dare to imagine it!

“Chase after him!”Gu Canghai said coldly.

...

At this moment, Qin Yu was stepping on the ground and trying his best to escape!

His entire body was covered in blood, and his bones were broken in many places. It was a tragic sight!

“Damn it, the martial marquis indeed lives up to his reputation!”Qin Yu’s internal Qi was somewhat weak.

Just this punch had already heavily injured Qin Yu!

“If it wasn’t for the Five Mountains, I’m afraid I would have really died there.”Qin Yu’s expression was unsightly.

His internal Qi was extremely weak, but he did not dare to stop.

If he was caught by Gu Canghai, he would definitely die today!

“Gu Canghai... you will pay the price!”Qin Yu gritted his teeth and said coldly.

He escaped for dozens of miles in one breath and arrived in a forest in the blink of an eye.

Qin Yu hid his internal Qi and hid in a cave for the time being.

He sat cross-legged on the ground, slowly recovering his internal Qi.

On the other side, Gu Canghai searched for dozens of miles in one breath, but still couldn't find Qin Yu.

“Sect master, this kid ran too fast. We couldn't find him at all,”elder Qu said, panting.

Gu Canghai's expression was extremely ugly!

Today was too heavy of a loss for him.

Not only did he fail to capture Qin Yu, but he had also offended the TENG family of sea city!

More importantly, Qin Yu was still alive!

This was definitely a disaster for the sacred Confucian school!

If Qin Yu were to launch an intense revenge, then the sacred Confucian school might really decline!

“Headmaster, what do we do now?”Elder Qu asked.

Gu Canghai said coldly, “Let’s go back first and use all our connections to find this Qin Yu!”

“At the same time, tell the sacred Confucian school that from today onwards, no one is allowed to go out!”

Gu Canghai was truly afraid. He was afraid that everyone in the sacred Confucian school would be killed by Qin Yu!

If that was the case, the sacred Confucian school would really have nothing.

In the blink of an eye, three days passed.

The news of the sacred Confucian school closing the mountain gate quickly spread.

“Did you guys hear? The sacred Confucian school closed the Mountain Gate!”

“Haha, I heard that they were scared by Qin Yu!”

“That’s right, I heard it too. The sacred Confucian school’s people are all anxious and afraid of being caught by Qin Yu and killed!”

“TSK TSK, I have to admire this Qin Yu. He actually forced the entire mountain gate to close by himself! This is the first time in history, right?”

Countless comments continued to ferment on the martial arts forum. Even the JINGDU martial arts association could not delete them.

“F \* ck!” Seeing these messages, Yan Sihai’s face turned green with anger.

He took out his cell phone and called Gu Canghai.

“You piece of trash, you have completely lost the face of the Saint Confucian school!” As soon as he picked up the phone, Yan Sihai cursed!

On the other end, Gu Canghai did not dare to say anything. Although he was a marquis of Wu, he still did not dare to act rashly in front of the Yan family.

“I’ll give you three days. If you can’t handle this matter well, you can F \* cking die!” After saying this, Yan Sihai directly hung up the phone.

Just as he hung up the phone, Yan Sihai’s phone rang again.

He picked up the phone and saw that the caller was Hai Cheng Teng Gong.

Chapter 503: Chapter 503: The Return of the Pavilion Master

Seeing this call, Yan Sihai could not help but frown.

Then, he picked up the phone and smiled, “Lord Teng, why did you suddenly call me?”

On the other end, Lord Teng said somewhat angrily, “Yan Sihai, you actually killed my people!”

Yan Sihai was stunned and frowned, “What are you talking about? When did I kill your people?”

Tenggong said angrily, “The reporters I sent to the Saint Confucian school were all slapped to death by that Gu Canghai of yours!”

“Yan Sihai, how did you educate your men? You killed them just like that? What do you think My Teng family is!”

“This Gu Canghai...”Yan Sihai could not help but clench his teeth.

As they were both capital, they still had to give each other some face.

“Don’t worry, I will give you a satisfactory answer to this matter,”Yan Sihai said in a deep voice.

Tenggong snorted and said, “It’s best if that’s the case. Yan Sihai, your father and I are old friends. I hope that this matter won’t ruin the relationship between the two families.”

After throwing out these words, tenggong hung up the phone.

Yan Sihai looked at the phone for a moment, then snorted coldly and said, “F \* ck you, just kill a few ants. I’ll give you some face!”

Even though he said so, Yan Sihai still picked up the phone and scolded Gu Canghai.

“Dad.”

At this moment, a young man walked in from outside the door.

Seeing this young man, a smile immediately appeared on Yan Sihai's face.

“Jinyao, why did you suddenly come?” Yan Sihai held his hand and said with a smile.

Yan Jinyao said, “I came to tell you a piece of news.”

“Oh? What News?” Yan Sihai said with a smile.

It could be seen that Yan Sihai loved his son very much.

Yan Jinyao gently clenched his hand and slowly said, “I've stepped into the Martial Marquis Realm.”

Hearing this, Yan Sihai was instantly stunned.

Stepped into the Martial Marquis Realm? His son had actually stepped into the Martial Marquis Realm?

After all, Yan Jinyao was only about thirty years old!

Such talent was probably unheard of in the world!

“Hahahaha! As expected of my son!” Yan Sihai could not help but burst out laughing!

“You are probably the first young man in Jingdu to step into the Martial Marquis Realm!”

Yan Jinyao did not deny this.

All along, Yan Jinyao had been called a genius, and he was also known as Jingdu's number one genius.

However, unlike the arrogant Han Wei, Yan Jinyao was relatively more low-key.

“Humph, that Han Wei monopolizes the resources of the Jingdu Martial Arts Association and is only a half-step martial marquis,” Yan Sihai said with a cold humph.

“But my son is already a real martial marquis!”

This made Yan Sihai extremely proud.

He immediately asked someone to spread the news out.

...

Three days later.

Qin Yu's injuries had almost recovered.

He stood up from the ground and couldn't help but grit his teeth.

“Gu Canghai... I will never let your Saint Confucian school off!” Qin Yu said coldly.

He didn't waste any time and immediately began the next round of revenge!

This time, Qin Yu went even crazier. As long as it was related to the Saint Confucian school, all the families would be affected!

None of the disciples of the Saint Confucian school were left alive. They were all killed by Qin Yu with one slap!

In just two days, at least a hundred disciples of the Saint Confucian school had died!

“This Qin Yu...”Gu Canghai was trembling with anger, but there was nothing he could do!

Qin Yu had the ability to shrink the ground into an inch. He could not be captured or killed, so he could only do whatever he wanted.

And Yan Sihai had given him an order to settle the matter properly within three days.

Helpless, Gu Canghai was prepared to choose a second negotiation.

He found Qin Yu’s number and called him personally.

After the call was connected, Gu Canghai said coldly, “What exactly do you want?”

Qin Yu sneered, “Gu Canghai, my conditions have been stated clearly enough, right?”

“Hand over the teng and elder Qu, and let the Pavilion Master return to the Divine Alchemist Pavilion!”

“Otherwise, I will kill every single member of your Saint Confucian sect!”

Gu Canghai gnashed his teeth in anger, but he did not dare to flare up.

Because he knew that Qin Yu would really do it!

“Alright, I will agree to it.” Gu Canghai gnashed his teeth and said.

“But I’m telling you, you better not let me see you, or else... I’ll definitely pull out your tendons and skin you alive!”

Qin Yu sneered, “Don’t worry, even if you don’t kill me, I’ll kill you.”

After saying this, Qin Yu directly hung up the phone.

Gu Canghai’s expression was gloomy and uncertain. His face that was full of ravines trembled from time to time.

He took out his phone and dialed Xia hang’s number.

Fortunately, the JINGDU martial arts association quickly agreed to Gu Canghai’s request.

After all, the higher-ups had given orders. Not only did they not dare to touch Ji Yuhong, but they even served her well every day. There was no point in locking her up here.

The next day.

Qin Yu quietly returned to the Divine Medicine Pavilion and waited for the return of the Pavilion Master.

However, he did not dare to relax. After all, no one knew if Gu Canghai would suddenly arrive.

That evening.

A car stopped at the entrance of the Medicine God Pavilion.

The moment the car opened, the pavilion master was seen stepping out of the car.

Qin Yu, who had a keen spiritual sense, quickly discovered the pavilion master.

He suddenly stood up and quickly arrived at the entrance.

As expected, the pavilion master was slowly walking over.

Qin Yu quickly went up to greet him. He was both excited and somewhat guilty.

“Lord Pavilion Master, are... Are You Alright?” Qin Yu asked in a low voice.

The pavilion master glanced at Qin Yu and said with a faint smile, “What could be wrong with me?”

Qin Yu gritted his teeth and said in a low voice, “It’s all my fault. If it weren’t for me, you wouldn’t have suffered such hardship...”

The pavilion master glanced at Qin Yu and said indifferently, “What I do is my own decision. It has nothing to do with you. You Don’t have to blame yourself.”

“Moreover, you’ve done well enough.”

Qin Yu raised his head. His eyes were somewhat moved.

“Lord Pavilion Master!”

Soon, everyone from the Medicine God Pavilion rushed out.

They clustered around the pavilion master, and everyone was overjoyed.

“Pavilion Master, it’s all thanks to Elder Qin. Otherwise, the Medicine God Pavilion would definitely fall into the hands of the Bandits!”

As they spoke, everyone looked at the first elder who was kneeling on the square.

The pavilion master frowned slightly. She slowly stepped forward and walked towards the first elder.

“Pavilion Master... .” Upon seeing the pavilion master, the first elder immediately panicked.

He said with some pain, “Pavilion master, on account of the many years that I have served the medicine God Pavilion, please spare me this time... .”

The pavilion master’s long and narrow eyes contained some coldness.

“There is only one outcome for betraying the Divine Alchemist Pavilion. You know it better than me.” The pavilion master said indifferently.

The first elder’s expression immediately became extremely ugly. He shouted with all his might, “Lord Pavilion Master, Please spare me, Lord Pavilion Master... .”

But the pavilion master completely ignored him and left with large strides.

Qin Yu glanced at the great elder and raised his hand to slap him, directly turning him into meat paste.

After that, Qin Yu quickly followed behind the pavilion master and chased after him.

“Pavilion Master, I urgently need a stalk of 5,000-year-old herbs right now.. Do you have any ideas?” Qin Yu impatiently asked.

Chapter 504: Chapter 504, breaking through to the Martial Marquis Realm!

The pavilion master glanced at Qin Yu and said, “Let’s talk about it upstairs first.”

Qin Yu also realized that he had been reckless. He scratched his head, looking a little embarrassed.

Following behind the pavilion master, they arrived at the pavilion master’s building.

The building was the same as before. There were no changes.

And the pavilion master was still sitting on her rocking chair as before.

She glanced at Qin Yu and said, “You didn’t manage to step into the half-step martial Marquis Realm?”

Qin Yu hurriedly nodded and said, “Yes, I can feel that my strength has soared, but I always feel that there is a thin line between me and the half-step Martial Marquis Realm.”

Hearing this, a rare smile appeared on the Pavilion Master's face.

“Should I congratulate you, or should I say that you are miserable?” The pavilion master said with a smile.

Qin Yu was stunned and said with some confusion, “What... What do you mean?”

The pavilion master took a sip of tea and said, “You should know that yourself.”

Qin Yu said in a deep voice, “Yes, I know that this might be the great perfection realm after the peak.”

“That's right.” The Pavilion Master confirmed Qin Yu's thoughts.

“It is said that those who have reached the great perfection realm are all cursed by the heavens.”

“Although those who have reached the great perfection realm are invincible in the world, they are destined to have a bumpy road. Compared to other people's cultivation, it is countless times more difficult.”

Speaking up to this point, the pavilion master paused for a moment before continuing, “I once read a piece of information. According to the information, out of the ten people who have achieved great perfection, only one has achieved great success.”

Qin Yu frowned slightly.

The probability was actually so low?

“Eight of them died under the Heavenly Tribulation,” the pavilion master continued.

“Heavenly Tribulation...” Qin Yu couldn’t help but think of something.

The heavenly tribulation he experienced was indeed beyond imagination.

It didn’t seem like he wanted Qin Yu to successfully break through. Instead, it seemed like he wanted to Chop Qin Yu to death.

“A stalk of 5,000-year-old herbs, right?” The pavilion master didn’t continue this topic.

Qin Yu nodded and said, “En, I need a stalk of 5,000-year-old herbs and three demon beast inner cores.”

“5,000-year-old herbs, I don’t have them here either,” said the pavilion master.

“But I can help you scout for information.”

Qin Yu heard this and quickly said, “Then thank you, Pavilion Master!”

At this point, Qin Yu suddenly thought of the problem with the broken spirit pill on the Pavilion Master’s body.

“Pavilion Master, Your Body...”

The pavilion master waved his hand and said, “There is no antidote for the broken spirit pill.”

Upon hearing this, Qin Yu's expression immediately became somewhat ugly!

These few days, Qin Yu had also tried to find the antidote for the spirit severing pill from his inherited memories.

Unfortunately, he did not find anything.

“Pavilion Master, then wouldn't you...” Qin Yu opened his mouth, unable to continue for a moment.

The pavilion master stood up and said indifferently, “Of course not. As long as I step into the Martial Marquis Realm, the spirit severing pill will naturally disappear.”

“Step into the Martial Marquis Realm?” Qin Yu was stunned.

Then, he said with an embarrassed smile, “Pavilion Master, stepping into the Martial Marquis realm... shouldn't be that simple...”

Hearing this, the pavilion master said with a faint smile, “Indeed, but for me, it's not difficult.”

“All these years, I've been forcefully suppressing my realm. Now it seems that I can only try to break through.”

Forcefully suppressing one's realm?

There was such a method?

Others were desperately trying to break through, but the pavilion master was actually forcefully suppressing one's realm?

“Alright, I’ll help you think of a solution regarding the herbs.”The pavilion master stood up and said.

Qin Yu hurriedly nodded, and then tried to ask, “Pavilion master, then... When will you break through?”

The Pavilion Master was silent for a moment, and then said, “Tomorrow. I’m tired today, so I have to rest well.”

“Okay.”Qin Yu nodded.

“Then I Won’t Disturb Your Rest.”

Qin Yu slightly bowed, then turned his head and jumped down.

After returning to the Elder’s residence, Qin Yu couldn’t help but feel a little anxious.

He pinched his fingers and calculated the time. There were only 20 days left until September 9th!

If he couldn’t break through to the half-step martial marquis realm within these 20 days, then Qin Yu had no confidence at all!

Especially since there hadn’t been any news about Han Wei recently, this made Qin Yu feel a trace of unease.

“Ruoxue, wait for me. In twenty days, I’ll definitely bring you out of the Yan family!”Qin Yu clenched his fists.

...

The next day was the day of the Pavilion Master’s breakthrough.

She arrived at the back mountain alone. She held her breath and prepared to break through.

The realm that she had suppressed for many years began to rapidly rise at this moment.

The Sky Buzzed and dark clouds covered the sky. It was a sign that the heavenly tribulation was coming!

Qin Yu and the many pharmacists of the Divine Alchemist pavilion gathered in the square and watched this scene with eager eyes.

The sky was filled with Thunderbolts. One after another, muffled Thunderbolts poured down from the high sky.

Everyone had solemn expressions as they broke out in cold sweat for the pavilion master.

On the other side.

Gu Canghai's expression was as dark as water. No one knew what he was thinking.

“Sect master, don't think too much. It's almost the 9th of September. That Qin Yu will definitely die!”Elder Qu said eagerly.

Gu Canghai glanced at elder Qu and didn't say anything.

He felt a bit of heartache.

It wasn't that he felt heartache for elder Qu. It was just that he felt heartache for a half-step martial marquis to die like this.

“That he teng is still in the Saint Confucian sect, right?” Gu Canghai suddenly asked.

Elder Qu was stunned and quickly nodded. “That’s right. He has been in seclusion in the spirit spring.”

“Call him over. Later, you and he teng will accompany me to the Divine Alchemist Pavilion,” Gu Canghai said in a deep voice.

Hearing these words, elder Qu’s expression couldn’t help but change.

He seemed to have realized something. After all, Qin Yu had mentioned that he wanted these two people.

“Sect... sect master, you aren’t planning to hand me over to Qin Yu, are you...” elder Qu’s entire body trembled as he asked with some fear.

Gu Canghai said coldly, “Don’t worry. The two of you are just bait. With me around, you will be fine.”

Elder Qu thought about it and felt that it made sense.

With a martial marquis accompanying him, there was indeed nothing to worry about.

Hence, elder Qu called he teng and followed Gu Canghai onto the plane, heading straight for Qinghe town.

The Medicine God Pavilion was in turmoil.

From morning till noon, the pavilion master’s Heavenly Tribulation was still not over.

The surging lightning made people tremble in fear.

Finally, at around twelve o'clock, the dark clouds in the sky began to slowly disappear.

The heavenly tribulation seemed to have ended.

Qin Yu immediately took a step forward, preparing to head to the back mountain to investigate.

At this moment, the pavilion master took a step forward and walked out.

Her aura did not seem to have changed much, but her entire internal Qi had become even more otherworldly!

“Pavilion Master!” Qin Yu hurriedly walked forward.

“Did you... succeed in breaking through?” Qin Yu probed.

The pavilion master nodded slightly. There didn't seem to be much joy on her face.

In fact, there seemed to be a trace of sadness in the depths of her brows and eyes.

“That's good.” Qin Yu didn't think too much and only heaved a sigh of relief.

Evening.

An extremely tyrannical internal Qi was approaching the medicine God Pavilion.

## Chapter 505: Chapter 505, the Battle of the Martial Marquis

The internal Qi came from Gu Canghai, elder Qu, and he teng.

Along the way, elder Qu was a little nervous.

He was afraid that Gu Canghai would sell him out.

He Teng, on the other hand, was silent.

He used to be known as the number one person in the central plains, but now he seemed to be someone else's background.

Whenever he teng was mentioned, people no longer referred to the number one person in the central plains, but “The half-step martial marquis who was defeated by a peak martial grandmaster”.

When he thought of this, he teng could not help but clench his fists. He wished he could kill Qin Yu with his own hands.

The car soon arrived at the entrance of the Divine Alchemist Pavilion.

Gu Canghai was not in a hurry to get off the car.

He looked coldly at the Divine Alchemist Pavilion and snorted coldly in his heart, “This is the last time. If you dare to appear, I will definitely kill you!”

After that, Gu Canghai got down from the carriage, followed closely by Elder Qu and he teng.

The three of them strode into the Divine Alchemist Pavilion.

Their appearance immediately attracted the attention of several internal Qi.

Qin Yu, who was sitting in the Elder's residence, suddenly opened his eyes.

“Gu Canghai is here.” Qin Yu stood up from the bed and strode towards the square.

On the square, many people stood in the distance and watched Gu Canghai.

“You are here again!” Fifth Elder glared at elder Qu and said coldly.

Elder qu snorted, “So what if I come? So what if I don't Come?”

Fifth elder berated loudly, “The Lord Pavilion Master has already returned. It's not your place to be impudent in the Divine Alchemist Pavilion. Get Out!”

Elder Qu narrowed his eyes and sneered, “An ant dares to make a ruckus in front of me? I think you don't want to live anymore!”

With that said, elder Qu's palm bent and suddenly reached out towards fifth elder!

A terrifying qi force immediately pressed towards fifth elder!

Fifth Elder's expression changed drastically. He was only a martial grandmaster and had no strength to resist!

At this critical moment, a huge golden hand reached out!

“Boom!”

The huge golden hand slapped out.

The huge force immediately caused elder Qu to feel a trace of backlash.

“Deng Deng Deng”, he took a few steps back, a trace of blood oozing out of his mouth.

“Why, are you here to negotiate peace with the Divine Alchemist Pavilion, or are you here to cause trouble?” Qin Yu looked coldly at Gu Canghai.

Gu Canghai’s expression was ice-cold, and he did not speak for a long time.

He Teng, who was at the side, could not help but clench his fists.

He could not suppress the killing intent in his heart. The target of this killing intent was naturally Qin Yu.

“Why? Do You Want to kill me?” Qin Yu caught this trace of killing intent and then looked at He Teng.

He Teng snorted coldly and did not speak.

“Qin Yu! Don’t be arrogant!” Elder qu shouted loudly.

“The sect master of our Saint Confucianism sect is here. You Don’t have the right to behave atrociously!”

Qin Yu glanced at elder Qu and snickered, “You’re just trash. If you dare to talk nonsense again, I don’t mind sending you on your way.”

“You... You!” Elder Qu stammered, his face red with anger.

At this moment, Gu Canghai, who had been silent all this time, finally spoke.

“He’s trash. What About Me?” Gu Canghai said coldly.

“The same goes for you.”

At this moment, a clear and cold voice came from afar.

Following that, the pavilion master walked over lightly.

“Lord Pavilion Master!”

The instant they saw the pavilion master, everyone in the Divine Alchemist Pavilion bowed.

And Gu Canghai’s face lit up with a trace of playfulness.

“Ji Yuhong, you have to thank this kid called Qin Yu by your side for being able to return,” Gu Canghai said indifferently.

“I really didn’t expect that the Grand Pavilion Master of the Divine Alchemist Pavilion would have to rely on a junior to come back safely and without any hitch.”

The pavilion master was not angry about this. Instead, he said with a faint smile, “That’s still much better than you relying on the Yan family to get to where you are today.”

Gu Canghai's old face darkened. He snorted coldly and said, "Ji Yuhong! I'll spare your life on account of the fact that you and I used to be old friends, but you'd better not interfere today!"

"Old Friends?" A trace of surprise flashed across the pavilion master's face.

"When did I have an old friend with you? I only remember that you once knelt in front of me and begged me not to kill you."

As soon as these words were said, everyone present was shocked!

No one had expected that there would be such a history between the two!

And Gu Canghai's expression was extremely unsightly!

He gritted his teeth and braced himself to say, "Nonsense! I'm a dignified Marquis Wu, how could I kneel to a woman like you!"

"Is that so?" A faint smile appeared on the Pavilion Master's face.

"You can deny your past words and deeds, but can you deny the deformity of your body?"

Deformity of the body?

Everyone was stunned. This Gu Canghai actually had a deformity of the body?

A trace of panic flashed across Gu Canghai's face. He hurriedly berated, "Shut up!"

After that, Gu Canghai changed the topic, “This Qin Yu killed my disciple, destroyed my mountain gate, and caused my Saint Confucian school to suffer heavy losses! No one can protect him today!”

Qin Yu said coldly, “It seems that sect master Gu intends to go back on his word for the second time.”

Gu Canghai sneered, “Go back on your word? Do you really think that I will agree to it!”

“Saint Confucian... these two words are really ironic,” Qin Yu sneered.

“Just now, the pavilion master said that your body is incomplete. It can't be that you can't do it in that aspect, right?”

“That's true. It's fortunate that a beast like you has an incomplete body. Otherwise, if you were to give birth to an heir, I'm afraid that you would also be a disaster.”

Hearing Qin Yu's words, Gu Canghai's expression suddenly changed!

He subconsciously looked at Ji Yuhong! Gritting his teeth, he said, “You actually told him!”

Ji Yuhong raised her eyebrows and said, “I didn't say anything.”

Gu Canghai's expression suddenly changed!

Oh No, wasn't this equivalent to admitting in disguise?

“Old Beast, you really can't do it in that aspect?” Qin Yu said in surprise.

“Then why didn’t you say so earlier? Hurry up and beg our pavilion master, and say that we can’t refine a tonic for you!”

“Ah! ! !”Gu Canghai raised his head and roared angrily!

“Little Bastard, even the heavenly king himself can’t Save You Today!”

After saying that, Gu Canghai stretched out his big palm and urged his inner strength!

The Pavilion Master’s face turned cold, and he said in a low voice, “Gu Canghai, you have repeatedly provoked me, I have already given you enough face.”

“Hehe, you’re only a half-step martial marquis. What Face do you have? I want to see how you’re going to stop me today!”Gu Canghai roared angrily.

The pavilion master didn’t say anything.. She raised her jade-like hand and lightly welcomed him.

Chapter 506: Chapter 506, How Long Do You Think You can last?

Gu Canghai laughed coldly. As a martial marquis, he had absolute confidence in himself.

“Boom!”

The two palms collided, immediately triggering bursts of light!

Qin Yu hurriedly waved his hands to protect the surrounding pharmacists!

This was a clash between martial marquises, the power was unimaginable!

“How is this possible!”

After feeling the power from the pavilion master’s body, Gu Canghai’s expression changed greatly!

He retreated dozens of steps with “Deng Deng Deng”, and his palm felt waves of pain!

Gu Canghai’s expression was extremely unsightly, and a trace of uneasiness rose from the bottom of his heart.

“You... You’ve stepped into the Martial Marquis Realm?” Gu Canghai stared fixedly at the Pavilion Master.

The pavilion master said indifferently, “What do you think?”

“You!” Gu Canghai was so angry that he almost vomited blood!

He never imagined that Ji Yuhong, who was imprisoned in the Jingdu Martial Arts Association a few days ago, had actually stepped into the Martial Marquis Realm!

“Do you want to relive the past?” The pavilion master took a step forward, and a fierce aura suddenly burst forth!

With the pavilion master’s feet as the center, streaks of purple light began to linger around.

At the sight of this purple light, Gu Canghai's face was ashen, and a trace of fear flashed through his eyes, as if he had remembered something terrifying!

“No, I absolutely have no such intention!” Gu Canghai hurriedly shouted!

This action undoubtedly shocked everyone!

Did Gu Canghai directly admit defeat?

As the sect master of the sacred Confucian school, he actually admitted defeat so straightforwardly?!

“Ji Yuhong, I don't want to be your enemy!” Gu Canghai turned his face to the side, not even daring to look directly at the Pavilion Master.

The pavilion master coldly said, “You couldn't do it back then, and now, you can't do it either.”

Gu Canghai's expression was ugly, but he didn't dare to say a word.

Qin Yu, who was at the side, didn't say anything.

He rubbed his chin and thought to himself, ‘it seems that there really is a story between the two of them...’

As the pavilion master retracted his internal Qi, Gu Canghai's expression also eased up quite a bit.

“Qin Yu.” At this moment, the pavilion master suddenly looked at Qin Yu.

Qin Yu hurriedly walked over and said, “Lord Pavilion Master.”

“What conditions do you have? Raise Them Yourself,” said the pavilion master indifferently.

Qin Yu immediately nodded. He took a step forward and pointed at elder Qu and he teng.

“Gu Canghai, I won’t go back on my words like you. I only want elder Qu and he teng,” said Qin Yu coldly.

Hearing this, elder Qu’s expression suddenly changed!

He hurriedly grabbed gu canghai and said anxiously, “Sect master, no... You Can’t agree to him. You absolutely can’t agree to him!”

Gu Canghai’s expression was gloomy. He didn’t say a word. No one knew what he was thinking.

“Sect master!” Elder Qu grabbed Gu Canghai’s arm tightly. His eyes were filled with fear and pleading.

Gu Canghai looked at elder Qu and slowly sighed, “This is fate...”

Elder Qu’s pupils constricted! He suddenly realized that something was wrong!

He Teng’s expression was also slightly unsightly. At this moment, both of them wanted to escape.

“Qin Yu, I’ll leave these two to you,” gu Canghai said coldly.

“But let me tell you, I’m not the only one who wants to kill you. The Han family, the Yan family, and even the Jingdu Martial Arts Association are all your enemies! Even if you have heaven-defying abilities, you won’t be able to escape the fate of being resentful in the end!”

Qin Yu sneered, “Then I won’t trouble you.”

After saying that, Qin Yu’s large hand moved, and a powerful force directly grabbed elder Qu and he teng!

“Sect... Sect Master!” Elder qu shouted with all his might, but Gu Canghai didn’t say anything. He turned around and left.

“Gu Canghai! You F \* cking Beast!” Elder Qu was flustered and cursed!

However, Gu Canghai had already turned around and left. There was no trace of him.

Elder Qu and he Teng’s expressions were somewhat unsightly. Now that they had fallen into Qin Yu’s hands, they had no chance of escaping at all.

“Qin Yu, you... Don’t kill me. I... I’m a half-step martial marquis. I can help you!” Elder Qu gritted his teeth and said with a pleading expression.

Qin Yu looked at elder Qu coldly and said, “Do you think I Need You?”

Elder qu hurriedly said, “Qin Yu, as long as you don’t kill me, I’m willing to be your slave! You are magnanimous, please spare my dog life...”

“Spare you? When you chased after me back then, did you think of sparing my life? When you were tempted by the pavilion master back then, did you think of stopping?” Qin Yu said coldly.

“Now You Want Me to spare you? Do you think that’s possible!”

With an explosive shout, the Qi force on Qin Yu’s body suddenly erupted!

Sensing the incomparably strong killing intent on Qin Yu’s body, elder Qu’s expression became increasingly unsightly.

He knew that it was almost impossible for Qin Yu to spare him.

Thus, elder Qu gritted his teeth. His palm transformed into a claw and suddenly clawed towards Qin Yu’s chest!

“Go to hell!” Elder qu shouted angrily!

The energy in his hand burst out. All the inner strength gathered at one point, and a terrifying power instantly erupted!

“Qin Yu!” Fifth Elder’s face turned pale with fright when he saw this!

“Pa!”

However, Qin Yu only waved his hand and directly shattered elder Qu’s palm!

His palm turned into a pile of meat paste, and all the light disappeared without a trace at this moment.

Qin Yu’s face was cold as he looked at elder Qu coldly.

“How could this be...”elder Qu was terrified!

They were both half-step marquis, but the gap between their strength was so big?

“Qin Yu, i...”

“You can go to Hell.”Qin Yu interrupted elder Qu’s words.

He waved his hand, and the heaven-swallowing spell instantly appeared, slapping on elder Qu’s head!

“Weng!”

Streams of inner strength flowed through elder Qu’s head and into Qin Yu’s body.

Painful wails spread throughout the entire Divine Alchemist Pavilion.

In just a moment, the high and mighty elder Qu had turned into a dried corpse.

Qin Yu’s face was expressionless, as if he had stepped on an ant to death.

Then, Qin Yu looked at He Teng coldly.

“It’s your turn,”Qin Yu said coldly.

Compared to Elder Qu, he Teng’s face was much calmer.

He looked at Qin Yu in front of him and said coldly, “I won’t wait for death.”

Qin Yu sneered and said, “He teng, I remember that I once told you that if I stepped into the half-step martial Marquis Realm, I would kill you within three breaths.”

“How long do you think you can last?”

Chapter 507: Chapter 507, number one of the younger generation!

He Teng’s expression was somewhat unsightly, and beads of sweat flowed down his forehead.

He had fought with Qin Yu before, and he knew Qin Yu’s strength very well.

But to make him give up just like that, he simply couldn’t do it!

“I also want to see just how strong a person who has stepped into the half-step martial Marquis realm is!” He Teng roared explosively, and his Qi force instantly erupted, charging towards Qin Yu at an extremely fast speed!

Qin Yu put his hands behind his back and sneered. He did not take he teng seriously at all.

“Bang!”

Just as he teng rushed over, Qin Yu suddenly stretched out his hand and grabbed he teng’s neck!

All of his internal Qi was not worth mentioning at this moment!

Qin Yu directly used his physical body to pass through his cultivation technique and easily grabbed he teng's neck, lifting him up into the air.

The enormous strength on his fingers caused he teng's expression to change drastically!

He was once the number one person in the central plains, but at this moment, he realized that he couldn't break free at all!

“I've said it before, among those of the same level, you're just a piece of trash,”Qin Yu said coldly.

He Teng gritted his teeth. He tried to struggle, but he found that he couldn't break free at all!

All of his self-respect was shattered at this moment!

“Tell me, what exactly is going on with Fang Yue,”Qin Yu said coldly.

He Teng said with difficulty, “I said, can you spare my life...”

“No,”Qin Yu said coldly.

“But I can make your death easier.”

When he teng heard this, a trace of anger immediately rose in his heart!

He was unwilling to die just like that!

“Qin Yu, don't even think about it!”He Teng said through gritted teeth.

Qin Yu narrowed his eyes and said with a cold smile, “In the Divine Alchemist Pavilion, there are many ways to deal with people. I want to see how long you can last.”

After he said that, Qin Yu slowly raised his left hand.

A light spot condensed on his palm, and this light spot gently landed between He Teng's brows.

That light spot instantly entered he TENG's mind!

In that instant, he teng felt as if his brain had been struck by lightning, and his entire head seemed as if it was about to explode!

“Ah! !”

The pain made he teng roar non-stop, and his body trembled non-stop!

“Wait until I break your limbs and cripple your Dantian, then I'll slowly torture you,” Qin Yu said with a cold smile.

At this moment, that hoarse voice appeared in He Teng's mind.

“Give me your body... I'll bring you out of here...”

He Teng, who was in pain and suffering, desperately shouted in his heart, “I want you to help me kill this Qin Yu, I want you to tear him into pieces!”

“Okay...” that hoarse voice said with a gloomy tone.

“Give me the initiative of your body, and you can take revenge...”

“Ah! !”

He Teng raised his head and roared angrily. He seemed to be unable to hold on any longer!

Right at this moment, he Teng's body suddenly emitted a ray of light!

The internal Qi in his body was rising rapidly, and his entire body became a few times stronger!

“Oh?” Qin Yu frowned slightly.

He felt as if his hands were about to be stretched open, and the He Teng in front of him seemed to have transformed into a different person!

“Boom!”

The enormous force directly pushed Qin Yu back, and his hands could not help but loosen!

“Qin Yu!” Fifth Elder and the others hurriedly surrounded him.

Qin Yu frowned slightly. He stared at he teng in front of him, and a trace of doubt flashed through his eyes.

He Teng stood there, and a different aura erupted from his entire body. Internal Qi erupted from his body.

A moment later, he teng turned around and looked at Qin Yu.

A cold smile hung on the corner of his mouth. This smile was completely different from He Teng's just now!

“Qin Yu... speaking of which, I still have to thank you...” he teng grinned.

Qin Yu said coldly, “Thank me? What do you mean?”

He Teng laughed loudly and said, “You don’t need to know. We’ll meet again in the future!”

After throwing out these words, he teng turned around and was about to leave!

“Where are you going? !”Qin Yu’s hair danced wildly. He took a step forward, full of fighting spirit!

He held the absolute beginning holy fist in his hand and smashed it directly at He Teng!

He Teng didn’t even turn his head. He turned around and slapped it, and the absolute beginning holy fist vanished into thin air!

Then, he teng stepped on the light and quickly fled!

In the blink of an eye, he disappeared from everyone’s sight.

Qin Yu frowned tightly.

“There is indeed something wrong with this he teng!”Qin Yu said in a cold voice.

His strength had soared in a short period of time, and his expression was like a different person.

Looking in the direction he teng had left, Qin Yu was silent for a long while.

“I let him escape again.”Qin Yu’s brows were slightly furrowed.

“Elder Qin, Are You Alright?”The surrounding pharmacists surrounded him.

Qin Yu shook his head and asked, “Where is the Pavilion Master?”

“The Pavilion Master has returned to the Pavilion Master’s residence,”said the fifth elder.

Qin Yu nodded. He did not say anything and turned around to return to the Elder’s residence.

Sitting in the Elder’s residence, Qin Yu closed his eyes slightly. His mind could not help but think of Han Wei.

There were only twenty days left until the ninth day of the ninth lunar month.

During this period of time, there was almost no news of Han Wei.

“Right now, I am only at the great completion realm, but I can crush a half-step martial marquis. That Han Wei is only a half-step martial marquis. He is not worth mentioning,”Qin Yu thought to himself.

“Unless he can step into the Martial Marquis realm, otherwise, he is not worth mentioning.”

Although that was the case, Han Wei was after all a member of an aristocratic family. He was not someone that an ordinary half-step martial marquis could compare with.

Thinking of this, Qin Yu could not help but take out his phone and open the martial arts forum.

As soon as he opened the Forum, Qin Yu saw an eye-catching message:

Yan Jinyao had officially stepped into the Martial Marquis realm. He was the number one person of the younger generation. He truly deserved it!

The comments below had long exploded. Other than sighing at Yan Jinyao's strength, there were also people who mentioned Qin Yu.

“As the heir of the Yan family, Yan Jinyao definitely won't let Qin Yu Off, right?”

“Yes, Qin Yu killed Yan Jinyao's grandfather. Yan Jinyao naturally won't let him off!”

“The two of them are of the younger generation. Even if they fight, no one can say anything.”

Qin Yu's expression was somewhat ugly, and he even felt a trace of pressure.

He had just stepped into the great circle realm, but Yan Jinyao had already directly stepped into the Martial Marquis Realm!

There were not many Martial Marquis realm in the world, and Yan Jinyao was probably the youngest one!

“This nobleman's disciple... is really not simple!” Qin Yu was silent.

There were many geniuses in Jingdu, and Yan Jinyao was probably not the only one. Who knew how many other noblemen's disciples there were.

And as people in the same circle, they naturally stood on the opposite side of Qin Yu.

This path was destined to be an enemy of others, and it was also an enemy of those who had natural advantages.

“Yan Jinyao...”Qin Yu muttered this name in a low voice. He couldn’t help but think of the last time they met.

At this moment, another message was sent out:

“Han Wei will come out of seclusion soon!”

Chapter 508: Chapter 508, 5,000-year-old herbs

Han Wei was about to come out of seclusion?

Hearing this news, the martial arts forum was in an uproar again.

One after another, they began to imagine Han Wei’s strength.

“This Han Wei is also a famous genius in Jingdu. Yan Jinyao may be able to step into the rank of Marquis.”

“There will be a good show to watch next. The two great geniuses of Jingdu have sent out news at the same time. I wonder what Qin Yu will do.”

“Sigh, Qin Yu’s talent shouldn’t be inferior to theirs. It’s just a matter of time. But who will give him time?”

“In just twenty days, how much more room can Qin Yu have to improve?”

Looking at the news on the Martial Arts Forum, Qin Yu couldn't help but feel a little anxious.

He stood up and looked in the direction of the Pavilion Master's building. He originally wanted to ask the pavilion master about the 5,000-year-old herbs.

But after thinking about it for a long time, he ultimately decided to cancel this plan.

If the Pavilion Master had news, he would definitely inform him.

...

In the Jingdu martial arts association, many high-level officials gathered together.

This was the third high-level meeting held by the Jingdu Martial Arts Association this year.

And their meeting's goal was the same.

That was Qin Yu!

“Qin Yu defeated a half-step martial marquis at the grandmaster level. This is not good news.”

“This child is not under our control. He will definitely become a hidden danger.”

“Either let him join the Jingdu martial arts association, or get rid of him as soon as possible.”

“Do you think an unstable person like him will obediently listen to our orders?”

The scene fell into silence.

They were already beginning to feel fear towards Qin Yu’s growth.

Moreover, everyone in the Jingdu Martial Arts Association had the same premonition:

Qin Yu’s rise was bound to bring trouble, even disaster, to the Jingdu Martial Arts Association.

“Let’s wait. There are still twenty more days. No matter what, we can’t let him leave Jingdu,” someone said in a low voice.

“That kid from the Han family shouldn’t disappoint us.”

Qin Yu didn’t know that the Jingdu martial arts association had already set their sights on him.

At this moment, all he could think about was Han Wei’s wedding on the 9th of September.

At night.

Qin Yu lay on the bed, tossing and turning, unable to fall asleep.

He simply sat up and ran to the courtyard of the Elder’s residence, staring at the Moon in the sky.

“The Moon is an object of extreme yin. If only I could swallow the moonlight, that would be great,” Qin Yu thought to himself.

But this crazy thought was quickly rejected by him.

“It’s been a long time since I’ve Swallowed Yin Energy.” Qin Yu sighed slightly.

The treasures that had been unearthed under the heavens were naturally countless.

Places like places where Yin energy was prevalent were also not few. If he were to travel for a long period of time, Qin Yu might be able to obtain some decent resources.

But time was running out.

Most of the martial arts resources in the fire country were in the hands of the Jingdu Martial Arts Association.

It was said that they possessed a set of information that clearly indicated where the divine medicine would appear and where the treasures would be unearthed.

And it was precisely because of this that the JINGDU martial arts association had never lacked resources.

For the entire night, Qin Yu did not sleep a wink.

The next morning, Qin Yu was just about to eat breakfast.

At this time, the door suddenly opened, and then the pavilion master slowly walked in.

“Pavilion Master!”

The moment he saw the pavilion master, Qin Yu could not help but feel a little excited.

The pavilion master walked straight to Qin Yu’s side and sat down. She quietly said, “I’ve inquired.”

“How is it?” Qin Yu asked anxiously.

The pavilion master said in a deep voice, “Herbs that are five thousand years old are extremely rare. Even if there are, they are controlled by a small number of people.”

Qin Yu frowned and said, “Do you mean... you want me to rob them?”

The Pavilion Master raised his eyebrows and asked, “Are you willing?”

Qin Yu smiled bitterly and said, “I’m not willing, but if I have to... It’s hard to say.”

Hearing this, the Pavilion Master couldn’t help but laugh.

She took out a map from her pocket and handed it to Qin Yu.

There was a location on the map marked with red lines, and the location was extremely remote.

Qin Yu frowned and said, “This is...”

“I asked someone to bring this out from the Jingdu Martial Arts Association,” said the pavilion master.

“It’s said that this is a dragon vein. There may be things you want there, even herbs that are beyond your imagination.”

“Dragon Vein?” Qin Yu was stunned.

Qin Yu had read about this title in novels, but he had never seen it before.

It was said that the dragon vein was a treasure land of feng shui where Qi/spiritual energy gathered. People born in the dragon vein were destined to be extraordinary all their lives.

“Pavilion master, thank you very much.” Qin Yu took the map and bowed.

The pavilion master glanced at Qin Yu and said, “Don’t be happy too early. You are definitely not the only one going to such a place.”

“Moreover, this is the resources of the Jingdu Martial Arts Association. If you appear, the Jingdu martial arts association will probably not let you off.”

“Also, although Gu Canghai has left the Divine Alchemist Pavilion, he will definitely not give up. If he kills you, there is nothing I can do.”

Qin Yu grabbed the note, and a trace of solemnity flashed across his face.

In his mind, he could not help but think of Yan Ruoxue’s face and Han Wei’s arrogant face.

“I have no other choice.” Qin Yu took a deep breath.

“Even if it’s a dangerous place, I still have to go.”

The Pavilion Master didn’t express her opinion. After a while, she stood up and said, “Take care of yourself.”

“Okay.” Qin Yu nodded.

Just as the pavilion master was about to leave, Qin Yu took out the three purities ancient tree from the spatial artifact and handed it to the pavilion master.

“Pavilion Master, you can keep this for now,” Qin Yu said.

Pavilion master frowned slightly. She looked at Qin Yu and asked, “What does this mean?”

Qin Yu said with a bitter smile, “I’m afraid that if something happens to me during this trip, if I die, this three pure ancient tree will fall into the hands of others.”

“In that case, it’s better to stay in the Divine Alchemist Pavilion for now. If I come back, I’ll look for you to take it.”

The pavilion master held the three pure ancient tree, then nodded and said, “Alright.”

“Then I’ll set off now,” Qin Yu stood up and said.

He held the map and carefully studied it.

This dragon vein was located in the northwest region. There were few people there, but the Qi/spiritual energy was not dense.

The reason why a dragon vein could appear was definitely because there were extraordinary treasures.

After bidding farewell to the Pavilion Master, Qin Yu left the Divine Alchemist Pavilion and headed straight for this dragon vein.

At the same time, the Jingdu Martial Arts Association also gathered a group of members.

These people were the elites of the Jingdu Martial Arts Association! The weakest was at the peak of the Great Grandmaster realm, and there were even several half-step martial marquises!

As the elites of the Jingdu martial arts association, they controlled extremely powerful cultivation techniques, and their strength was definitely not something that an ordinary half-step martial marquis could compare to!

Many of them were sent over by the Jingdu aristocratic families. Their statuses were noble.

And the person leading the team was none other than the vice president of the Martial Arts Association, Xia Hang!

“All of you are the elites of the martial arts association. You are also the most important. And this time, the dragon vein must contain unimaginable treasures,” Xia Hang said coldly.

“So, all of you must seize this opportunity. Do you understand?”

Everyone shouted in unison, “Understood!”

Xia hang nodded slightly, a trace of undetectable desire appeared in his eyes.

Xia hang had been at the half-step martial Marquis realm for many years and was only one step away from the Martial Marquis realm!

Therefore, he also wanted to use this dragon vein to step into the Martial Marquis Realm!

Chapter 509: Chapter 509, Xia hang again

The group of people headed towards the northwest region.

At this moment, Qin Yu was also following the address given by the pavilion master as he sped away.

In the northwest region, there was a no man's land.

This place was covered in sandstorms and the weather was terrible. At a glance, other than the sky full of yellow sand and a winding mountain range, there was nothing else.

This place was named the black alcohol no man's land. It was large, but it was not famous.

Recently, many uninvited guests had come to this black alcohol no man's land.

A number of luxurious business cars stopped at the foot of the black alcohol no man's land mountain range.

On the car, there were a few big words printed: Jingdu Martial Arts Association.

The moment the car stopped, Xia Hang and the others got out of the car.

Among this group of people, there were disciples of the Yan family, people from the Han family, and young masters from aristocratic families from other regions.

They were sitting on natural resources. As long as their talent was not bad, they were destined to have a smooth journey.

“President Xia, is this the dragon vein you were talking about?”

The person who spoke was a member of the Yan family. His name was Yan Yuqi.

He was only eighteen years old, but he had already stepped into the peak of the Martial Grandmaster realm!

Ever since Yan Sihai ascended to the throne, he had attached great importance to him.

Xia hang nodded slightly and said, “That’s right.”

A trace of greed flashed in Yan Yuqi’s eyes. He narrowed his eyes and said, “If there are really top-grade herbs in this dragon vein, I might be able to try to break through.”

Xia hang patted Yan Yuqi’s shoulder and said, “Not maybe, but definitely!”

“Yuqi, everyone in the Yan family has a high opinion of you. They say that you’re the next Yan Jinyao. Don’t let everyone down.”

The corner of Yan Yuqi’s mouth lifted slightly, and he said with a faint smile, “I’ll surpass my brother sooner or later.”

Unlike Yan Jinyao’s low-profile, Yan Yuqi’s ambition was extremely great!

He was only eighteen years old, and it was the time for him to be arrogant. In addition, he was very talented, so he did not know the immensity of Heaven and earth.

Even Yan Jinyao, who was known as the number one genius of jingdu, was not worth mentioning in his eyes.

“When do we set off?” Yan Yuqi asked.

Xia hang said lightly, “There’s no rush. Allow me to make some inquiries first.”

Although the Jingdu Martial Arts Association’s control of resources was very strong, there were still unspecialized people who came to join in the fun.

Almost every action of the Jingdu Martial Arts Association was no exception.

From the Martial Marquis to the grandmaster.

And among the prisoners held by the Jingdu Martial Arts Association, a large portion of them were unspecialized people who came to snatch resources.

Far away.

Qin Yu also rushed to the black and smooth no man's land, travel-worn.

A few Li away, Qin Yu saw this winding and undulating mountain range.

Although it was far away, Qin Yu still felt that this mountain range was extraordinary!

“As expected of the dragon's vein. It's really imposing,” Qin Yu thought to himself as he stared into the distance.

From a high vantage point, this mountain range looked like a dragon's spine. It was winding and undulating, giving off an extremely oppressive feeling.

The aura emitted by the mountain range was not internal Qi. Instead, it gave off an indescribable sense of majesty.

“HMM?”

Soon, Qin Yu discovered the auras near the mountain range. It was internal Qi.

Ever since Qin Yu stepped into the perfection realm, his spiritual sense had skyrocketed. It was difficult for him to escape Qin Yu's sharp spiritual sense within a radius of tens of miles.

“One, two, three... a total of six half-step martial marquises?”

Qin Yu's expression was somewhat unsightly!

One had to know that the number of half-step martial marquises in the world was extremely small. Even the sage Confucian school, which was known as the number one sect in the north, would find it difficult to gather six half-step martial marquises!

“The only one who can possess so much power is probably the Jingdu Martial Arts Association.” Qin Yu’s eyes narrowed slightly.

“Their actions are quite fast.” Qin Yu took a deep breath.

Qin Yu could not help but snort coldly from a great distance away.

“It’s best if you don’t provoke me, or else I’ll kill all of You!” Qin Yu said coldly in his heart.

Qin Yu was completely unafraid of the absence of a martial marquis.

He took a step forward and was about to head toward the mountain range when another aura approached from not far away. It was the internal Qi.

Qin Yu stopped in his tracks and couldn’t help but turn around to look.

He saw a man with a handlebar mustache and a rather wretched appearance walking over.

This man looked to be about thirty years old, but his wretched appearance didn’t match his age.

“Fellow Daoist, are you also here to search for the dragon’s vein?” The man stroked his handlebar mustache and took the initiative to greet him.

Qin Yu glanced at him and said, “What do you think?”

The handlebar mustache stroked his beard and said with a smile, “Fellow Daoist, there is a dragon’s Den and a tiger’s Den ahead. There is also the Jingdu Martial Arts Association standing guard. This journey is quite dangerous.”

Hearing his words, Qin Yu could not help but smile and say, “Since you know, then you still dare to come?”

The mustache man said proudly, “How can you be compared to me? In this world, there is no place that I don’t dare to Go!”

“From the Qin emperor’s tomb to my grandmother’s ancestral tomb, as long as there are treasures, I will be there!”

Speaking up to this point, the mustache man said mysteriously, “To tell you the truth, I dug up a heaven grade cauldron in my grandmother’s ancestral tomb! How is it? Are you interested in introducing your ancestral tomb to me?”

“F \* ck you,” Qin Yu couldn’t help but curse.

This mustache man looked like a joke and didn’t look very energetic.

“Fellow Daoist, don’t worry. The dead can rest in peace, but the living can work hard!” The Mustache Man said with a smile.

Qin Yu pointed at his nose and said, “Don’t bother me, or don’t blame me for being rude.”

After saying this, Qin Yu no longer paid attention to the mustache man and walked toward the mountain range.

Other than Qin Yu and this handlebar mustache, there were also other people who came here.

And when Qin Yu arrived, someone had already taken the lead.

A man and a woman stood in the middle of Xia Hang, shivering.

And the people of the Jingdu martial arts association surrounded him in the middle.

“Who told you to come here? Do you know that this is the resource of our Jingdu Martial Arts Association?” Xia Hang said coldly.

The young man said with a trembling voice, “I... I’m sorry, we... We will leave right now...”

“Leave?” Xia hang snorted coldly.

“You want to leave after stealing from someone else’s house?”

The young man’s expression changed, and he hurriedly said, “I... I really didn’t know that this was the Jingdu Martial Arts Association’s place. Please... Please spare us...”

Xia hang snorted coldly and said, “You have already violated the rules set by the Jingdu Martial Arts Association. Stand here obediently and follow me back to the Jingdu Martial Arts Association to go to Jail!”

“I’m warning you, it’s best not to think about escaping. Even if you escape to the ends of the Earth, the Jingdu Martial Arts Association will still be able to catch you!”

Hearing this, the young man’s face instantly turned ashen.

“I want to know, which rule have we violated?” The young girl seemed to be unable to hold it in.

“This is a natural resource. What right do you have to say that it belongs to your Jingdu Martial Arts Association?”

Xia hang narrowed his eyes and shouted, “If I say so, then so be it! All the martial arts resources in the world are allocated by the Jingdu Martial Arts Association!”

“F \* ck your Bullsh \* T! Why is the Jingdu Martial Arts Association so overbearing?”

At this moment, a voice was heard.

Chapter 510: Chapter 510, so what if you’ re a genius

A loud shout instantly attracted countless people.

Xia hang quickly turned around and looked over coldly.

When he clearly saw who it was, his expression instantly became a bit cold and playful.

“Qin Yu?” Xia hang sized up Qin Yu and said with a faint smile, “Why are you here?”

“It’s none of your business whether I’m here or not?” Qin Yu did not show any mercy to Xia Hang.

Xia hang was not angry either. He said with a smile, “I remember the last time I saw you, you were only a Grandmaster? and a Master?”

“Now I’m your father.”Qin Yu sneered.

“Qin Yu, I knew that it was impossible for you and Miss Yan to be together. Now it seems that it’s true.”Xia hang continued.

“It’s none of your business if I’m with your mother.”Qin Yu sneered.

Finally, Xia hang couldn’t hold it in anymore.

His old face darkened and he said coldly, “Qin Yu, back then, you kept calling me Mr. Xia. What, now that you’ve stepped into the half-step Martial Marquis Realm, Do You Think You’re Invincible?”

“How did I know you were a beast back then?”Qin Yu sneered.

Xia hang narrowed his eyes and said, “Qin Yu, you really don’t know what’s good for you! Back then, I really should have slapped you to death!”

Qin Yu sneered and said, “You can come and try now! I remember clearly that contemptuous look of yours back then!”

Xia hang raised his eyebrows and said, “Do you think I’m Not Your Match?”

“Then you can come and try!”Qin Yu shouted angrily, and the energy suddenly exploded!

Xia Hang’s face was cold, and he didn’t say anything for a long time.

In the end, he still did not make a move.

“This is the JINGDU martial arts association’s territory. For Miss Yan’s sake, I can pretend that I didn’t see you,” Xia Hang said coldly.

“If you don’t want to be caught, then quickly get lost!”

Qin Yu sneered, “Jingdu Martial Arts Association’s territory? What territory do you have! This is obviously a public resource, whoever gets it will get it.”

Xia hang narrowed his eyes and said, “Qin Yu, do you want to make an enemy out of Jingdu Martial Arts Association? !”

“Xia Hang, don’t think that I don’t know about the ugly things that your Jingdu martial arts association has done.” Qin Yu sneered.

“You sent people to follow me and secretly ordered people to kill me. Do you think that I don’t know?”

“Make an enemy out of you? Do you think that we are friends now?”

Xia hang’s face was gloomy. After a moment, he said coldly, “It seems that the people above are right. You really can’t stay.”

These words caught Qin Yu’s attention.

He glanced at Xia hang and said with some doubt, “What do you mean?”

Xia hang ignored him and changed the topic, “So, it’s impossible for you to leave today?”

“What do you think?” Qin Yu asked back.

He walked directly to the young man and woman and helped them up.

“Don’t worry about them. This BULLSH \* T martial arts association, on the surface, looks like a righteous organization, but in fact, it’s a bunch of bullies,”Qin Yu said coldly.

The young man and woman looked at Qin Yu with a hint of admiration.

“You are Qin Yu? Everyone says that Qin Yu is a person who doesn’t distinguish between the superior and the inferior. It’s true!”The two people said excitedly.

“Don’t be happy too early. Be careful not to stand on the wrong side,”Xia Hang said coldly.

Hearing this, the faces of the two people immediately changed.

“Don’t worry. I will ensure your safety,”Qin Yu said indifferently.

Xia hang snorted coldly and didn’t say anything.

No one knew that from now on, the martial arts world’s commoners represented by Qin Yu and the wealthy represented by the various aristocratic families began to fight.

Gazing at this mountain range, Qin Yu tried to sense the Qi/spiritual energy.

However, he realized that standing here, he couldn’t sense even a trace of Qi/spiritual energy.

This made Qin Yu extremely confused.

Normally, the dragon's vein must be a place where the Qi/spiritual energy gathered. How could he not sense even a trace of Qi/spiritual energy?

“That's weird. This place is not what I imagined,” the mustached man muttered softly as he held a map.

Qin Yu glanced at him and said, “What did you find?”

The mustached man quickly jumped to the side and muttered, “I'm not familiar with you. Don't even think about implicating me. My Great Cause has not been completed, so I can't die.”

Qin Yu rolled his eyes and said, “So you're a coward.”

“Of course!”

For some reason, the handlebar mustache had an indescribable pride towards his own cowardice.

Qin Yu couldn't be bothered to pay attention to him. He stood nearby like Xia Hang and the others and observed for a while.

“Mr. Qin, can we really follow you?” At this time, the young man and woman suddenly walked forward and asked.

Qin Yu glanced at them and said, “I'll try my best to protect you on this trip. As for whether we can follow you... We'll talk about that later.”

Right now, Qin Yu's primary goal was to fight Han Wei to the death.

As for whether or not he would follow them, it wasn't the time to think about it.

After a simple self-introduction, he learned that the young man and woman were brother and sister.

The boy's name was Cao Hong, and the girl's name was Cao Ying. Both of them had the cultivation of a martial grandmaster, and their talent was not bad.

They followed closely beside Qin Yu. Wherever Qin Yu went, they followed.

Time flew by. Qin Yu observed for an entire hour, but he still couldn't figure out the strangeness of this dragon vein.

“No wonder it was reduced to a no man's land.” Qin Yu sighed.

Under normal circumstances, the land of the dragon vein must be a place of outstanding talents.

But there was no qi/spiritual energy here, so how was it like a dragon vein?

If it wasn't for the Pavilion Master's notice, no one would have thought that this no man's land would be a dragon vein.

Perhaps it was because of this reason that the dragon vein could be preserved until now.

“En... so that's how it is.” At this time, the mustache man muttered.

He rubbed his chin and said with a smile, “Today, this venerable self is going to be rich!”

Qin Yu glanced at him and said, “Rich? Do you think the people of the Jingdu martial arts association are all vegetarians? Be careful not to get rich and lose your life.”

The Mustache Man was not in a hurry. He muttered, “I’m not going to the dragon vein. Why Do You Want My Life?”

“Not going to the dragon vein? Then what are you going to do?” Qin Yu asked casually.

The Mustache Man waved his hand and said, “It’s okay. I’m just saying.”

Qin Yu did not take it seriously. After all, this mustache man had always been crazy.

“Qin Yu!”

At this moment, a shout suddenly came from not far away.

Turning around, he saw a youth less than twenty years old walking towards Qin Yu.

This young man was none other than Yan Yuqi.

“What’s the matter?” Qin Yu said indifferently.

Yan Yuqi put his hands behind his back and said with a faint smile, “I heard that you beat a half-step martial marquis when you were a martial grandmaster, right?”

“So what if I am? So what if I am not?” Qin Yu asked.

Before Yan Yuqi could reply, Xia hang took a step forward and said coldly, “Yuqi, you are not his match. Don’t act recklessly.”

Yan Yuqi coldly snorted and said, “If he can defeat a half-step martial marquis at the peak of the Grandmaster realm, why can’t I, Yan Yuqi, do it!”

Chapter 511: Chapter 511, Dragon Veins!

Yan Yuqi’s body was full of energy and he was ready to make a move!

Xia hang stood in front of him and said in a deep voice, “Although this Qin Yu is not very likable, I have to admit that he is also a genius of the younger generation. He can not be treated like an ordinary half-step martial marquis.”

“Geniuses are meant to be trampled on!” Yan Yuqi shouted.

“If he, Qin Yu, can do it, so can I, Yan Yuqi!”

“Well said!” Qin Yu took a step forward, and his internal Qi suddenly exploded.

He looked at Yan Yuqi coldly and said, “If you want to attack, just do it.”

“I’m not afraid of You!” Yan Yuqi shouted angrily. He was about to attack, but Xia hang hurriedly stood in front of him and used his physical strength to forcefully receive the palm.

Yan Yuqi frowned slightly and said, “President Xia, what do you mean?”

Xia hang said coldly, “Since the martial arts association handed you over to me, then you have to listen to me!”

“I’m ordering you now, don’t make a move against anyone!”

A trace of unwillingness flashed across Yan Yuqi’s face.

He glanced at Qin Yu and snorted, “Consider Yourself Lucky!”

Qin Yu, on the other hand, found it rather interesting.

This Yan Yuqi was obviously a flower in the greenhouse and had not suffered any severe beatings from society.

He had a certain level of talent and was born in a noble family, so he naturally had a proud nature.

Unfortunately, he had no combat experience, so how could he be a match for Qin Yu.

Of course, this was only a small interlude and Qin Yu did not take it to heart at all.

He glanced at the mountain range and said in a deep voice, “It’s time to enter this dragon vein to take a look.”

After a long period of observation, no one noticed anything unusual.

After that, Qin Yu took the lead to walk towards this mountain range.

Xia hang looked at Qin Yu’s back coldly and sneered, “Since you don’t know what’s good for you, then I’ll send you on Your Way Today!”

After saying that, he waved his hand and said, “Let’s go.”

Everyone walked into the mountain range in a mighty manner.

This mountain range was winding and winding, and one could not see the end of it at a glance.

After stepping into the mountain range, Qin Yu still could not feel any qi/spiritual energy.

“En, it’s just like what I thought, just like what I thought.” The handlebar mustache at the side kept nagging.

Qin Yu glanced at him and said, “What exactly did you find?”

The Mustache Man hurriedly waved his hand and said, “Nothing. I was just talking nonsense.”

After saying this, the Mustache Man ran away in a flash.

Qin Yu continued to move forward.

There were rustling trees on the mountain, but the conditions of their growth were not very good. This was completely different from the records of the dragon’s vein.

Looking at the surrounding environment, Qin Yu even suspected that he had been deceived.

Not far away, Xia Hang and the others had the same confusion.

Scanning the surroundings, where was there any treasure to speak of?

“Could it be that the information this time is wrong?” Xia hang frowned tightly, seemingly at a loss for a moment.

He took out a map in his hand.

The location marked on the map was precisely here.

Apart from this, this map also recorded relevant information.

“President Xia, if it really is the dragon vein, the surrounding environment wouldn’t be like this,” Yan Yuqi said in a deep voice.

Xia hang nodded slightly and said, “But this information was passed down from the top, there can’t be any mistakes.”

“Let’s continue to search,” Xia Hang said.

Thus, everyone continued to move forward.

They and Qin Yu were walking on the same path.

The two sides were not far apart, but neither of them had alarmed the other.

This mountain range was extremely long. After moving forward for several Li, they still couldn’t see the edge.

Not only that, Qin Yu couldn’t feel a trace of Qi/spiritual energy.

“HM? What is this?”

At this moment, Qin Yu suddenly saw a monument erected in front of him.

There were lines of words written on the monument. The words were not big, but they could be seen clearly.

Even after experiencing the sandstorm, this tablet was still very intact.

Qin Yu bent down and prepared to read the words on this tablet carefully.

At this moment, Xia Hang and the others quickly rushed over!

“It’s here, just like what was recorded.” Xia hang was slightly excited.

“President Xia, what do you mean?” Yan Yuqi and the others quickly asked.

Xia hang sneered, “The message above indicates that the treasure is hidden under a stone tablet. As long as you open this stone tablet, you will naturally see the treasure.”

Hearing this, Qin Yu couldn’t help but squint his eyes.

This meant that the 5,000-year-old herbs might be hidden under this stone tablet?

There were lines of words written on the stone tablet. The general meaning was that it recorded the history of cultivation.

“Aurous core stage, nascent soul stage, leaving body stage, doppelganger stage, form synthesis stage, Mahayana stage, crossing Calamity Stage...”

Qin Yu couldn’t help but frown as he silently recited these levels.

Wasn't this the level of his cultivation?

According to legends, cultivators at the crossing calamity stage were true itinerant immortals, existences that had left the mortal world.

However, in the current society, no one had ever seen a cultivator at the crossing calamity stage. All the records were legends.

A marquis at the aurous core stage was already invincible in the world.

As for the peak of society, it might be the nascent soul stage, or the martial saint in the martial arts world.

“Get out of the way.”

Just as Qin Yu was watching, Yan Yuqi strode forward.

Then, Xia Hang and the others followed closely behind.

Qin Yu glanced at Yan Yuqi and said, “What if I don't?”

Yan Yuqi shouted, “Then I'll kill you!”

“Oh?” Qin Yu narrowed his eyes.

He slowly stood up and looked at Yan Yuqi coldly.

Just as the swords were about to be drawn, Xia hang quickly walked over.

“Qin Yu, don't you want to see what treasures are hidden underneath?” Xia Hang said coldly.

Qin Yu glanced at Xia hang and snorted, “Fine, then I’ll see what is hidden underneath.”

The main purpose of this trip was to help him officially step into the half-step martial marquis realm for the five-thousand-year-old herbs.

Therefore, Qin Yu was not in the mood to lower himself to Yan Yuqi’s level.

Xia hang strode forward. With a flip of his palm, several spiritual artifacts fell into his hands.

These spiritual artifacts emitted a majestic aura that made people unable to resist worshipping them.

“Eight Marquis Weapons?” Seeing the spiritual artifacts in Xia Hang’s hands, Qin Yu couldn’t help but be stunned.

As expected of the Jingdu Martial Arts Association, they casually brought out eight Marquis weapons!

Such a large amount of money, probably only the Jingdu martial arts association could bring out.

Then, Xia Hang angrily urged these eight marquis weapons to fall toward the stone tablet.

“Rumble!”

The moment they touched, the stone tablet seemed to have reached an extremely powerful force!

In a short moment, the stone tablet began to shatter! A huge deep pit appeared in front of everyone!

Seeing this huge pit, everyone's eyes instantly lit up!

Qin Yu was even faintly excited!

Chapter 512: Chapter 512, activating the power of the dragon vein!

The stone tablet shattered layer by layer, turning into ruins in the blink of an eye!

And beneath the stone tablet, there was indeed a treasure hidden!

At a glance, there were several thousand-year-old herbs, a long-standing magic tool, and a cultivation technique that had not been seen at that time!

Any one of them could be considered top-notch!

“There are indeed herbs!” Qin Yu was somewhat excited!

As long as he obtained these five thousand years old herbs, Qin Yu would be able to refine the reincarnation pill and step into the true half-step martial marquis realm!

Qin Yu was extremely confident in himself. He believed that after stepping into the half-step martial marquis realm, no half-step martial marquis in the world could be compared to him!

Even when facing a martial marquis, Qin Yu could have the strength to fight!

This was the primal chaos body, the number one constitution in the world!

“There really is a treasure!” Yan Yuqi and the others were even more excited!

As expected, this trip was not in vain!

The only strange thing was that even after thousands of years of herbs were unearthed, they still could not feel any qi/spiritual energy!

“This is really strange.” Qin Yu thought to himself.

After the treasure was unearthed, the atmosphere at the scene became a little strange.

“I only want a stalk of 5,000-year-old herbs. As for the rest, I will never touch them.” Qin Yu was the first to break the stiff atmosphere.

When Xia hang heard this, he could not help but smile and said, “A stalk of 5,000-year-old herbs? Your tone is quite relaxed.”

Qin Yu said coldly, “Then what do you mean?”

Xia hang narrowed his eyes and said, “Who do you think you are! You still want a stalk of 5,000-year-old herbs? Why Don’t you take a piss and look at yourself!”

“Qin Yu, you are just a lowly ant that Miss Yan has taken a fancy to. No matter how high an ant climbs, it is just a plaything for US upper-class people!”

“You want herbs? Fine, kneel down and beg me. Maybe I can consider giving you some scraps!”

Xia Hang's sudden change in attitude could not help but make people dumbfounded.

Even Qin Yu couldn't help but frown.

He said coldly, “What if I have to take it?”

“You can try!” Xia Hang said coldly.

Qin Yu snorted. He immediately stretched out his hand and was ready to take the herbs.

At this time, a terrifying internal Qi was coming toward Qin Yu's palm!

Qin Yu's expression changed when he felt this internal Qi.

He hurriedly withdrew his hand, and that internal Qi brushed past Qin Yu's palm!

What was shocking was that this internal Qi actually left a bloody mark on Qin Yu's hand!

It was just an ordinary internal Qi, but it actually directly cut through Qin Yu's indestructible body!

What kind of power was this!

One had to know that it was very difficult for an ordinary half-step martial marquis to hurt Qin Yu Now!

Xia hang narrowed his eyes and said, “The JINGDU martial arts association always does things flawlessly. We have predicted all possible problems, including you!”

“Guess why the Jingdu Martial Arts Association would let a half-step martial marquis like me lead the team?”

Qin Yu did not say anything, but there was a trace of unease in his heart.

“That’s because... I can activate the power of Heaven and Earth!” Xia Hang Roared!

He pointed at the broken stone tablet and said coldly, “After this stone tablet was broken, the power of the dragon vein was released!”

“The power of the dragon vein can even fight against Marquis Wu. Qin Yu, do you think you can do it!”

Qin Yu’s expression became more and more unsightly.

If he had known this would happen, he would have killed Xia hang in the beginning!

“Qin Yu, the Jingdu Martial Arts Association has always viewed you as a thorn in their side. They were just about to look for you, but they didn’t expect you to come knocking on their door,” Xia Hang said darkly.

“Since that’s the case, I’ll take this opportunity to kill you today!”

As he spoke, Xia Hang’s palm slightly shook, and a terrifying force appeared out of thin air!

“Boom!”

This force was extremely fast and arrived in front of Qin Yu in the blink of an eye!

With such a fast speed, it was too late even if he used shrinking earth into an inch!

“Absolute beginning Holy Fist!”

In a moment of desperation, Qin Yu could only clench his fist and face it head on!

“Boom!”

A huge force exploded on Qin Yu’s fist!

A horrifying scene appeared. That force actually directly shattered Qin Yu’s fist and even his arm was damaged!

“How could this be...”Qin Yu’s expression was extremely unsightly!

He knew that this force was not simple, but he did not expect it to be so tyrannical!

“I said, the power of the dragon’s vein is enough to fight against a Martial Marquis.”Xia hang sneered.

“You are only a half-step martial marquis. Killing You is just a matter of raising your hand!”

Qin Yu’s expression became more and more serious.

He took a look at the herbs in the pit and couldn't help but grit his teeth.

This herb was too important to Qin Yu. He wouldn't be willing to give up just like that!

“I can only fight to the death.” Qin Yu took a deep breath.

He immediately activated the Divine Dragon's power and prepared to fight Xia hang to the death.

“You don't know life from death.” Xia hang sneered at this.

He only raised his finger slightly and stuck close to Qin Yu's side, then a terrifying energy burst out!

“Bang!”

Qin Yu retreated dozens of steps, and the golden light of his body was directly pierced through!

“It's bad.” Qin Yu seemed to have guessed something.

On this dragon vein, Xia hang could control all kinds of power.

And this power came out of thin air and could be born from Qin Yu's side. There was no way to hide!

“Everyone says that your physical body is strong, but today, it seems that it is just so-so.” Xia hang sneered.

“F \* ck you!”

Qin Yu roared, he used the shrinking Earth Inch, taking the initiative to attack!

However, Xia hang only raised his finger, a wild power directly sent Qin Yu flying!

This was not Xia Hang's power, but the power of the Dragon Bloodline!

This force was simply not something that ordinary people could resist.

Even if Qin Yu's body was extremely tough, it still couldn't do it!

“If you're too greedy, it's easy to lose your life.” Xia hang sneered.

“To be honest, from the first time I saw you, I found you very unpleasant.”

“You're clearly a bottom-level person with nothing, but the way you look at me doesn't have the slightest fear! Where did your confidence come from! ?”

“You rebellious ant!”

Along with Xia Hang's angry roar, another wave of violent power came tilting over!

“Boom!”

Qin Yu was directly smashed into the ground by this slap!

Traces of cracks appeared on his body, and traces of blood seeped out of his pores!

“Such... Such powerful strength...” Qin Yu gritted his teeth, feeling as if all the bones in his body were about to shatter!

Then, Xia Hang walked toward Qin Yu step by step.

He looked down at Qin Yu and sneered, “Can’t you just be a good-for-nothing? Why do you have to get involved in this muddy water?”

Qin Yu was not in the mood to listen to the chatter. All he could think of was how to escape.

“Since you don’t want to be a good-for-nothing, then I’ll turn you into a good-for-nothing,” Xia hang sneered.

As he spoke, he raised his finger slightly again and aimed at Qin Yu’s Dantian.

Chapter 513: Chapter 513, the true treasure

Xia hang merely moved his finger, and a force that was close to Qin Yu’s Dantian erupted!

Qin Yu had no way of dodging within a millimeter of the distance!

This force was even more tyrannical, and it ruthlessly smashed into Qin Yu’s Dantian!

“Pu!”

A mouthful of fresh blood was instantly spat out from Qin Yu’s mouth!

The enormous force sent Qin Yu flying dozens of meters away!

His body smashed countless mountain rocks and slid all the way to the edge of the cliff!

At this moment, Qin Yu's figure didn't stop. His entire body slid down from the dragon vein and fell down the cliff!

Xia Hang, who was watching from afar, couldn't help but sneer at this scene.

“President Xia, we just let him run away?” Yan Yuqi couldn't help but frown.

Xia hang raised his eyebrows and sneered, “Run away? That power just now was enough to break his dantian. Where can he run to?”

Yan Yuqi frowned and said, “In other words... Qin Yu is now disabled?”

“That's right. I really didn't expect that there would be unexpected gains,” Xia Hang said indifferently.

However, Yan Yuqi snorted and said, “It's a pity that I couldn't kill him.”

Xia hang glanced at Yan Yuqi as if he didn't want to pay attention to this sentence.

“Alright, it's time to see what treasures are inside,” Xia Hang said.

Everyone took out one treasure after another from the pit.

Among them, most of them were herbs, and each of these herbs was more than 1,000 years old.

There were even more than eight herbs that were more than five thousand years old!

Xia hang sized up everyone and said in a deep voice, “I want to use this opportunity to enter closed-door cultivation and strive to break through to the Martial Marquis realm in one go.”

“Break through to the Martial Marquis Realm?” Everyone couldn’t help but be stunned.

Xia hang nodded slightly. “That’s right, I’m only a hair’s breadth away from the martial marquis realm, and now is the time to seize the opportunity.”

He took a few herbs, then found a feng shui treasure ground and prepared to enter closed-door cultivation.

As for the others, they volunteered to protect Xia Hang.

...

Qin Yu’s body fell straight down from a mountain range of hundreds of meters!

Countless trees were broken, and in a moment, Qin Yu’s body was smashed to the ground!

Even though Qin Yu’s body was extremely tough, he still felt like his internal organs were about to be shattered under this free fall of hundreds of meters!

“F \* ck...” blood dripped from the corner of Qin Yu’s mouth, and he was in extreme pain.

He reached out and touched his lower abdomen, only to see that a bloody hole had appeared on the position of his lower abdomen.

This made Qin Yu extremely uneasy. His expression was flustered, and his expression was unsightly. He hurriedly tried to activate the spiritual energy in his dantian.

Traces of spiritual energy burst out from his dantian.

And in his dantian, there seemed to be a golden light that protected Xia hang's attack.

“Fortunately, My Dantian is not damaged...”qin yu heaved a long sigh of relief.

He couldn't help but fall into silence as he sat there.

“If I'm not wrong, it's my father's method again,”Qin Yu thought to himself.

Back when he devoured the Earth Fiend Valley's patriarch, his Dantian almost exploded.

At that time, it was also this ray of golden light that protected him. This was the second time.

“Father, who exactly are you ?”Qin Yu could not help but mutter in a low voice.

“Damn, what a pity for those herbs.”At this moment, Qin Yu thought of the pile of herbs hidden under the stone tablet.

“TSK TSK, I didn't expect you to still discover it.”

Just as Qin Yu was thinking, a voice suddenly came from the side.

This gave Qin Yu a fright. He hurriedly turned around and saw the mustache man standing behind him with a hint of displeasure on his face.

“Why are you here?” Qin Yu asked with a frown.

The handlebar mustache snorted, “How could I not discover a secret that you could discover?”

“A secret?” Qin Yu was stunned.

He was about to ask, but quickly swallowed his words.

Then, Qin Yu stood up and braced himself, saying, “Of course. I’ve already discovered the secret here.”

The mustached man gave Qin Yu a thumbs up and said, “Fellow Daoist, you’re really amazing. You actually found out earlier than me!”

At this point, the mustached man said with some flattery, “Then let’s make a deal. We’ll split it fifty-fifty. We can’t snatch it by force. We have to abide by the ancient Jiang rules.”

Obviously, the mustached man thought that he was no match for Qin Yu, so he was afraid that Qin Yu would seize the “Secret.”

How Could Qin Yu know any secret? He quickly patted his chest and said, “Don’t worry, I, Qin Yu, am not that kind of person. We have to split it 50-50!”

“Good brother, be careful!” The mustached man gave Qin Yu a thumbs up.

“Then let’s set off now. Don’t waste time. If we delay, things will change. I still have to go to my grandfather’s ancestral grave to take a look,”the mustached man muttered.

“Alright.”Qin Yu was secretly delighted.

He followed behind the moustache man and Strode forward.

There was a canyon beneath the mountain range. The scenery of this canyon was not much different from the one above.

After advancing for several thousand meters, the moustache man finally stopped.

He saw that there was also a stone tablet in front of him! It was almost exactly the same as the stone tablet above!

Qin Yu hurriedly lay down in front of the stone tablet and carefully observed it.

As expected, even the words recorded on it were the same.

The only difference was that the stone tablet on it was completely white, while this stone tablet was completely black!

“So that’s how it is!”

Qin Yu’s mind spun rapidly. He seemed to have guessed something!

Then, Qin Yu reached out his hand and prepared to pull out this stone tablet.

The Mustache Man hurriedly stopped Qin Yu and shook his head.

“Fellow Daoist, it’s not appropriate to pull it out!”

Qin Yu stopped what he was doing.

He looked at the Mustache Man and said with a smile, “Why can’t I pull it out?”

The mustache man said in surprise, “If this stone tablet is pulled out, yin energy will definitely erupt! Don’t you know? !”

When Qin Yu heard this, the smile on the corner of his mouth became even wider.

“It’s just as I guessed,” Qin Yu said with a cold smile.

He looked at the mustached man and said, “If this stone tablet is removed, then the dragon vein will instantly erupt with Qi/spiritual energy, right?”

“Isn’t that nonsense!” The mustached man muttered.

Qin Yu raised his head to look at the sky. Everything was clear at this moment!

This was clearly a dragon vein, but not a single trace of Qi/spiritual energy could be seen!

There was only one reason for this, and that was the mutual restriction of yin and yang, achieving a balance!

Above the dragon’s vein was Yang, and below the dragon’s vein was Yin!

Therefore, the area where the Qi/spiritual energy was supposed to be gushing out had become extremely ordinary!

If one looked down from the sky, one could even see the Taiji diagram in this terrain!

“This place is really created by an expert.” Qin Yu sighed slightly.

He looked at the handlebar mustache and said seriously, “Thank you so much.”

“Ah?” The handlebar mustache was stunned.

Before he could ask, Qin Yu had already held the golden light in his hand and smashed it fiercely at the stone tablet!

Chapter 514: Chapter 514, Absorbing Yin Energy!

Rays of resplendent golden light headed straight for the stone tablet!

“What are you doing! ?” The moustache man on the side immediately panicked.

He wanted to stop it, but it was already too late.

The enormous force instantly caused the stone tablet to shake a little! But it didn't shatter!

“So Hard.” Qin Yu couldn't help but sigh.

The moustache man at the side heaved a sigh of relief. He patted his chest and said, “Fellow Daoist, you can’t act rashly. The Babe isn’t hidden here.”

Qin Yu glanced at the moustache man and said, “If it’s not hidden here, where is it hidden?”

“Of course it’s around here! I can tell that you don’t have any experience!” The moustache man muttered.

He drew a circle for the stone tablet and said, “Who would inscribe the place where the Babe is hidden on the tablet? Isn’t this a place that has no silver?”

“That’s true!”

After being reminded by the handlebar mustache, Qin Yu also reacted.

So, the treasure hidden in the dragon vein wasn’t the herbs under the stone tablet? !

If that was the case, then the dragon vein could be salvaged again!

“Fellow Daoist, we can’t pull out this thing anymore,” the handlebar mustache muttered as he began to carve tools.

It had to be said that the mustache man had a complete set of tools. He had almost everything he could think of.

“Why are you so afraid of pulling out this stone tablet?” Qin Yu asked in puzzlement.

The Mustache Man glared at him and said, “I’m here to find the Babe, not to give my life! If there’s something dirty down there, it’s just looking for trouble!”

Qin Yu thought for a moment. What he said seemed to make sense.

If there wasn’t a real Babe hidden under the stone tablet, then there was indeed no reason to take the risk.

However, to Qin Yu, this Yin Qi wasn’t something to be avoided. Instead, it was a sacred object for his cultivation.

Therefore, Qin Yu didn’t pay attention to the moustache man. He mustered all his strength and threw another punch!

“Boom!”

With this punch, the stone tablet finally began to loosen.

“Aiya, fellow Daoist, why are you so stubborn!” The handlebar mustache muttered as he dodged to the side.

Qin Yu smiled and said, “Don’t worry, if there is really something dirty, I will protect you.”

The handlebar mustache muttered, “Protect me? I’m just afraid that there is some nascent soul stage monster hidden below...”

As he spoke, Qin Yu threw another punch.

After three consecutive punches, the stone tablet could no longer withstand the force and cracks began to appear on it.

“Crack!”

A crisp sound rang out and the stone tablet instantly shattered!

A similar giant pit appeared in front of Qin Yu at this moment.

Compared to the giant pit of the dragon vein, this giant pit seemed to be much more shabby.

Not only were there no herbs, there wasn't even a cultivation technique.

At a glance, there was a pitch-black mirror, two bronze medals, and a green hairpin inside.

Seeing this, the mustached man hurriedly ran over.

He stroked his beard, his eyes shining as he kept sizing up these few items.

Qin Yu didn't hurry to choose, but said politely, “Fellow Daoist, which one do you like?”

A trace of craftiness flashed through the mustached man's eyes.

He coughed and said, “To tell you the truth, I like that hairpin. I wonder if you can give it to me?”

“Okay, that hairpin is yours.” Qin Yu waved his hand and put away the black mirror and the bronze plate without saying anything.

The mustached man couldn't help but be dumbfounded when he saw this.

His eyes were staring at the black bronze mirror.

“What’s Wrong?”Qin Yu said with a smile.

The mustached man mumbled, “You are so kind. This hairpin is a babe. Don’t you want it?”

“No, no, no. How can I take away someone’s Love?”Qin Yu said with a smile.

The mustached man couldn’t help but look up to the sky and sigh, “The biggest trick is sincerity...”

Looking at his pained expression, Qin Yu smiled and said, “Fellow Daoist, could it be that the pitch-black bronze mirror is a treasure?”

When the bronze mirror was mentioned, the mustached man’s mouth couldn’t help but Twitch.

Then, he widened his eyes and said, “From now on, you are not allowed to mention the words ‘Bronze Mirror’!”

Qin Yu was secretly delighted. It seemed that he had guessed correctly.

This bronze mirror was the real Babe.

“This little thing is nothing. Wait until I make a move, then you will know what a real Babe is,”the mustached man licked his lips and said.

He picked up his tools and began to fiddle around on the ground.

It had to be said that this mustached man was indeed professional.

He walked around the area a few times, holding a shovel in his hand and muttering to himself.

Qin Yu, on the other hand, stood to the side and waited quietly.

This handlebar mustache looked crazy, but in fact, he was full of ability.

Qin Yu believed in his ability.

At this moment.

A strange movement suddenly occurred in the huge pit.

In a moment, streams of icy cold yin qi were emitted from the huge pit!

In an instant, the surrounding temperature suddenly dropped!

Endless yin qi instantly filled the entire valley!

“What dense yin qi!” Seeing this, Qin Yu couldn’t help but take a deep breath.

Not far away, the mustached man took out a peach wood sword and said in a trembling voice, “What demons? I’m not afraid of You!”

Qin Yu ignored him, his eyes faintly showing some excitement.

He really didn’t expect that there would be such a Yin pit hidden near the dragon vein!

Such a powerful yin qi was a great tonic for Qin Yu!

“Since pavilion master is able to forcefully suppress my cultivation, I think I can do it too.” Qin Yu thought to himself.

Therefore, he did not waste any time and immediately sat down cross-legged.

“Fellow Daoist, I’ll leave this treasure-digging business to you. I’ll wait for you.”Qin Yu said with a smile.

The mustache man mumbled, “I did all the work. You have to give me more of the Babe later.”

“Don’t worry, don’t worry,”Qin Yu said with a smile.

Then, Qin Yu didn’t waste any more time.

He slightly closed his eyes, and the pores all over his body opened up as he began to absorb the surrounding yin energy.

“Chaos Body?”

Seeing this scene, the Mustache Man, who had been smiling mischievously, suddenly frowned.

He stared at Qin Yu for a moment, but in the end, he didn’t say anything.

At the same time that Yin energy burst out from the huge pit, the pit above the dragon vein also began to produce strange movements.

The balance of Qi/spiritual energy, which was in balance with Yin Energy, was broken at this moment!

Endless amounts of Qi/spiritual energy burst out from the pit!

“What a dense amount of Qi/spiritual energy!”Yan Yuqi said excitedly.

All the members of the JINGDU martial arts association had sensed the Qi/spiritual energy in the pit at this moment!

“This trip was not in vain. As expected of the dragon vein!”

Although they did not know what had happened, this was a perfect opportunity for cultivation!

For a moment, Yan Yuqi and the others sat down cross-legged and began to cultivate in seclusion!

Time flew by. In the blink of an eye, three days had passed.

What was unexpected was that the speed at which more than ten people from the JINGDU martial arts association absorbed Qi/spiritual energy at the same time was actually slower than the speed at which Qin Yu absorbed Yin Energy Alone!

In a short three days, the Yin energy in the valley was completely absorbed by Qin Yu!

And above the dragon vein, there was still abundant Qi/spiritual energy!

Chapter 515: Chapter 515, Herbs in the Yin Tomb!

Regardless of whether it was qi/spiritual energy or yin energy, Qin Yu seemed to need more!

He stood up from the ground.

This was the third time he had absorbed yin energy on such a large scale.

And the effect this time seemed to be much better than before.

“Could it be that if I absorb too much qi/spiritual energy, the effect of yin energy will increase?” Qin Yu thought in his heart.

If it wasn't for the existence of the perfect realm, Qin Yu would have already stepped into the half-step martial marquis realm, or even beyond the half-step martial marquis realm.

‘as long as I step into the small realm of the half-step martial marquis realm, I shouldn't be able to step into the Martial Marquis realm for too long,’ Qin Yu thought to himself.

The accumulation of the Yin Energy provided a certain guarantee for Qin Yu's subsequent breakthrough.

“There are three places like this. I can enter the Martial Marquis Realm,” Qin Yu thought to himself.

Thinking of this, Qin Yu could not help but look at the handlebar mustache not far away.

This handlebar mustache was digging graves one by one, and large graves were places where Yin Qi was prevalent!

“Maybe this handlebar mustache has a way!” Qin Yu could not help but feel a little excited.

At this moment, the handlebar mustache was still circling around this area.

He would stomp his feet from time to time, or lie on the ground and listen to something.

“How is it? Haven't you found it yet?” Qin Yu asked.

The handlebar mustache was so frightened that he quivered. He glared at Qin Yu and said, “Why are you acting like a Ghost? Are you trying to scare me to death!”

Qin Yu rolled his eyes and said, “It seems that you have stolen a lot of graves. Otherwise, why would you be so timid?”

The Mustache Man said with some pride, “Of course! From the Qin emperor’s grave to my grandmother’s ancestral grave, there’s no place I haven’t been to!”

Hearing this, Qin Yu was secretly delighted.

It seemed that he had to build a good relationship with this mustache man.

“It’s Here!”

At this time, the mustache man raised his foot and stepped on the ground. A hint of excitement flashed in his eyes.

Then, the moustache man took out a few sacrificial items from his spatial magic tool and knelt on the ground to start worshipping.

“What? Do you guys still care about this when you steal graves?” Qin Yu said jokingly.

The moustache man rolled his eyes and said, “This is called the rules. You Don’t understand.”

After everything was ready, the moustache man began to make his move.

He took out a shovel, formed a spell with his hand, and fell towards the ground.

“Boom!”

In just a short moment, the ground began to shake!

A layer of the ground above actually began to fall off!

The moustache man hurriedly pulled Qin Yu to the side and said excitedly, “Wait and see, there’s definitely a big babe inside!”

Layers of the ground fell off. A few minutes later, a complete tomb appeared in front of the two of them!

At a glance, the structure of the tomb was extremely exquisite, like an ancient palace!

The interior looked like it had been specially built by an architect. The construction was extremely exquisite!

Qin Yu was stunned for a moment!

A tomb could actually be built so beautifully. It was simply unbelievable!

“How is it? Do you know how powerful I am?” The mustached man stroked his beard and said proudly.

Qin Yu stared at the huge tomb and said in a low voice, “There must be a treasure inside!”

“Of course.” The moustache man was rarely serious.

He pointed at the dragon vein on top and then pointed at the tomb in front of him.

“This is called the yin-yang tomb. To be able to set the tomb near the dragon vein, what kind of person was he when he was alive? No need to say more, right?” The moustache man said quietly.

Qin Yu gave the handlebar mustache a thumbs up from the bottom of his heart.

Sure enough, there were specialties in the field. Even a top organization like the JINGDU martial arts association could not compare to a top professional.

“Let’s go,” the handlebar mustache said.

“There won’t be any danger inside, right?” Qin Yu asked.

The handlebar mustache shook his head and said, “It’s impossible to set up a killing intent in the land of the dragon vein. Otherwise, the owner of the tomb wouldn’t have to go through so much trouble to hide his own tomb.”

Qin Yu followed behind the moustache man and entered the large tomb.

As expected, the journey was smooth.

The moustache man seemed to have been here before as he brought Qin Yu straight to a stone door.

The stone door was facing the north and the south. It was square and had the air of an emperor.

The moustache man formed a seal with his hand and lightly tapped forward. The door rumbled open!

It had to be said that the handlebar mustache's methods had indeed stunned Qin Yu. This had also greatly changed Qin Yu's impression of the handlebar mustache.

The moment the door opened, he saw the Babe inside!

There were herbs hidden in jars, more than half a chest of gold, and some accessories worn by people.

In the eyes of ordinary people, this was just an ordinary babe in the secular world.

But to cultivators, these so-called accessories were actually top-notch spiritual artifacts!

Qin Yu quickly walked forward and reached out to break a jar.

In the jar was a medicinal herb with an unknown name.

Qin Yu held this medicinal herb and couldn't help but frown slightly.

Because there was no qi/spiritual energy on this medicinal herb!

“How could this be?” Qin Yu frowned and said.

The mustached man seemed to see Qin Yu's confusion.

He sneered, “This is the Yin tomb. The herbs inside are just funerary objects. How could there be Qi/spiritual energy?”

Qin Yu's face was a bit ugly.

What he was short of now was a 5,000-year-old herb.

If he couldn't get it, this trip wouldn't mean much to Qin Yu.

“TSK TSK, there are so many Babe. I have to pick first this time!” The mustached man licked his lips and said with a smile.

He ran to the middle of the pile of treasures and began to choose.

Qin Yu stood there, not moving for a long time. No one knew what he was thinking.

“Right!”

At this moment, Qin Yu seemed to have thought of something.

He hurriedly looked at the mustached man and said, “Can you tell the age of this big tomb?”

The mustached man glanced at Qin Yu and sneered, “You are doubting my business ability. I even know when he built the tomb, let alone the age!”

Qin Yu hurriedly said, “Fellow Daoist, how old is this big tomb?”

The mustached man looked around, sniffed, and said with a smile, “Roughly estimated, around 3,000 years.”

3,000 years?

“Someone who can build such a big tomb is definitely a big shot!” Qin Yu thought in his heart.

“The funerary objects of such a big shot are definitely not ordinary herbs.”

In other words, the funerary herbs of a big shot would definitely be treasures of the current era, with medicinal effects that were at least a thousand years old!

At that time, herbs were not as scarce as they were now. This stalk of herbs might have already reached several thousand years old at that time!

Now that another 3,000 years had passed, the probability of this stalk of herbs being more than 5,000 years old was very high!

“The pill formula only said that it needed a stalk of 5,000-year-old herbs, but it didn’t say that it needed to preserve its medicinal effects...”Qin Yu thought to himself.

Qin Yu had no other choice now, so he could only give it a try.

“Are you going to refine the reincarnation pill?”At this time, the mustached man next to him suddenly said with a smile.

Qin Yu said with a bit of surprise, “You actually know about the reincarnation pill?”

The mustached man said proudly, “I’ve traveled north and south for many years. There are at least eight hundred tombs that have passed through my hands. How can there be anything that I don’t know?”

At this point, the moustache man paused for a moment and said with a smile, “Not only do I know about the reincarnation pill, I also have the

materials needed for the reincarnation pill.. If you are willing, you can exchange that copper mirror with me. How about it?”

Chapter 516: Chapter 516 was the step into the half-step martial Marquis realm

Qin Yu looked at the handlebar mustache, feeling a little excited.

But he didn't show it.

Since the handlebar mustache wanted the bronze mirror so much, it was definitely not an ordinary object.

As for the demonic beast inner core, it wasn't particularly difficult to find it.

Therefore, the initiative was still in Qin Yu's hands.

“Don't even think about the bronze mirror, but I can consider giving you the two bronze plaques,” Qin Yu said.

The mustached man rolled his eyes and said, “I just want the bronze mirror. Who will exchange the bronze plaques with You?”

“Then forget it. I Don't lack demonic beast inner cores anyway,” Qin Yu muttered.

After saying this, Qin Yu turned around and was about to leave.

The mustached man rolled his eyes. At this moment, he suddenly pulled Qin Yu and muttered, “Alright, Alright. Exchange it then. You and I can be considered fate.”

As he spoke, the Mustache Man began to take out the inner core from his spatial artifact.

Not long after, three demon beast inner cores and eight thousand-year-old herbs appeared in the Mustache Man's hand!

It had to be said that the mustache man wasn't bragging.

He indeed knew the herbs needed for the reincarnation pill, and the Babe on this kid's body was indeed beyond imagination.

“Is that enough?” The moustache man reluctantly handed the materials to Qin Yu.

Qin Yu smiled and said, “Later, when we divide the Babe, I'll give you more.”

“That's more like it.” The moustache man was finally satisfied.

Qin Yu took the materials from him, then took out the two bronze plates and handed them to the moustache man.

“Alright, it's time to divide the loot.” The moustache man licked his lips and looked around.

With a glance, he could see that there were countless treasures in the surroundings. There were all sorts of magical artifacts and many medicinal herbs.

Unfortunately, these medicinal herbs had lost their medicinal effects. To Qin Yu, they no longer had any value.

The two of them walked around and chose the Babe that they wanted.

Although the mustached man was greedy, he was extremely harsh in choosing treasures.

It was difficult for an ordinary Babe to catch his eye.

Qin Yu was not in a hurry. He just stood by the side and waited quietly.

In the end, the mustached man only picked out three Babe:

A snow-white Xuan Stone, a Kraft paper-shaped divine map, and an incense burner.

“Okay, I’m done,” the mustached man said in satisfaction.

Qin Yu took a look at the remaining Babe and immediately put it into his bag.

“Are you a rag collector?” The mustached man couldn’t help but ridicule.

Qin Yu rolled his eyes and said, “You don’t understand.”

In the future, Qin Yu might establish his own sect. These treasures would come in handy sooner or later.

After finishing all this, the mustached man looked at the dragon vein above and said in a low voice, “Unfortunately, I don’t have the chance to dig out the yang tomb on the dragon vein.”

Qin Yu glanced at him and said, “That might not be the case.”

The Mustache Man rolled his eyes and said, “Those are people from the JINGDU martial arts association, especially that Xia Hang. Who would dare to provoke him?”

After saying that, the Mustache Man held his Babe and prepared to leave.

“What if I say that I can chase them away?”

At this time, Qin Yu’s voice came from behind.

The Mustache Man stopped in his tracks. He hurriedly turned around and said with a smile, “Is what fellow Daoist said true?”

“Of course.” Qin Yu nodded.

“But you’ll have to wait for a while.”

The Mustache Man rolled his eyes and said, “No problem. This venerable self can accompany you! But I’m afraid of death. I Can’t provoke the Jingdu Martial Arts Association.”

“Alright, there’s no need for you to show up. You just need to open the tomb,” said Qin Yu.

The Mustache Man hurriedly nodded and said, “No problem! That’s my duty!”

Qin Yu no longer paid attention to the mustache man.

He raised his head to look at the dragon vein above, and couldn’t help but mutter in his heart.

“If I’m not wrong, the dragon vein has already begun to condense Qi/spiritual energy,”Qin Yu thought in his heart.

“Not only do I want to obtain the Babe in the Yang Tomb, I also want to absorb all the Qi/spiritual energy!”

All of this was in preparation for Qin Yu’s breakthrough to the rank of Martial Marquis.

Then, Qin Yu’s mind moved, and he took out the Phoenix Cauldron that the pavilion master had given him.

Then, he put all kinds of materials into the Phoenix Cauldron and began to refine the reincarnation pill.

Qin Yu was slightly nervous, because he didn’t know whether this five-thousand-year-old herb that had lost its medicinal effect would work or not.

Refining Pills was an extremely tiring task. All of Qin Yu’s thoughts were focused on the pill cauldron.

For a moment, Qin Yu couldn’t feel anything around him.

At this moment, the mustached man was standing in the distance, staring at this scene.

“Chaos body, purple spiritual fire. who exactly is this person?”The mustached man said in a deep voice.

He stood there and stared in Qin Yu’s direction. No one knew what he was thinking.

Time flew by.

Under the support of the purple spiritual fire, the herbs in the pill furnace turned into thick juice.

And the next step was to form the pill.

Forming the pill was the most important part of the pill refining process, and the requirements for one's mental state were extremely harsh.

However, at this moment, Qin Yu was somewhat nervous in his heart.

The flame in his palm started to beat somewhat chaotically.

This wasn't a good thing for pill refinement.

Qin Yu took a deep breath and tried his best to adjust his state of mind.

After an unknown amount of time, the flame in Qin Yu's palm finally began to slowly calm down.

“Chi la!”

The medicinal herbs in the pill cauldron began to withdraw their juice!

The rich medicinal juice began to condense and take shape at this moment!

“Weng!”

As rays of light lit up, the medicinal liquid within the pill cauldron turned into a circle!

“Bang!”

A loud explosion sounded from within the pill cauldron!

Then, a pill landed in Qin Yu's hand!

This pill was the reincarnation pill that Qin Yu had been bitterly pursuing!

“I made the right bet!” Qin Yu could not help but heave a sigh of relief as he held onto this reincarnation pill.

Playing with the reincarnation pill, Qin Yu muttered in a low voice, “This way, I will be able to step into the true half-step martial Marquis Realm!”

He did not waste any time and immediately swallowed the reincarnation pill into his stomach.

In an instant, a magical power slowly rippled within Qin Yu's Dantian!

The Great Circle realm began to slowly undergo changes.

The accumulated Qi/spiritual energy in Qin Yu's body broke through the barrier of the perfection realm in an instant, and his realm rapidly climbed up!

“Perfection realm?” The handlebar mustache not far away seemed to have seen something.

He stroked his chin and said in a low voice, “This child is either invincible in the world, or he will die without a burial ground.”

Buzz

Qin Yu's body flickered with rays of resplendent light!

His body turned into a transparent jade green color once again. At a glance, he looked like a jade person!

This light only lasted for a moment before it slowly disappeared.

In just half an hour, Qin Yu's body had undergone many changes.

The spiritual power in his body was also rapidly climbing up!

An hour later.

With the ground under Qin Yu as the center, a water-like light suddenly bloomed!

The light rippled in all directions, passing through the mountain rocks, was instantly cut off!

Chapter 517: Chapter 517, extremely powerful talent!

This ray of light was extremely sharp, as if it was going to cut through the air.

The mustached man was startled. He hurriedly leaped up and dodged it.

“F \* ck, is he trying to take my life?” The mustached man patted his chest and muttered softly.

Not far away, Qin Yu finally stood up slowly from the ground.

He clenched his fists, as if he was feeling the power in his body.

“I finally feel a trace of the power of a martial marquis.” Qin Yu sighed softly.

Although a half-step martial marquis was not a clear realm, he could clearly feel the power of a martial marquis!

It was said that a martial marquis was a watershed. Once one stepped into the Martial Marquis Realm, one would enter another realm.

Before this, Qin Yu did not understand. But now that he could clearly feel the different power in his body, he finally understood.

“Just a trace of the Marquis of Wu’s power made me feel a huge gap,” Qin Yu said in a low voice.

“If I stepped into the Marquis of Wu, I’m afraid I would really enter another realm.”

In the cultivation world, the Marquis of Wu was in the aurous core stage.

At that time, the body would give birth to the aurous core. It was naturally very different from cultivating the internal organs!

In other words, from the aurous core stage onwards, it was true cultivation!

“Now I can go and try out the power of the dragon veins.” Qin Yu thought in his heart.

Although it was only a thin line, the difference in strength was completely different.

The Great Circle realm was far from the half-step martial marquis realm.

“How is it? Have you stepped into the half-step Martial Marquis Realm?” The mustachioed man ran over and asked.

Qin Yu glanced at him and said, “You seem to know quite a lot.”

The mustachioed man said with a smile, “This venerable self has dug up many people’s ancestral graves and read countless information!”

At this point, the mustachioed man said carefully, “To tell you the truth, I also dug up a huge tomb of a chaotic body!”

“Really? !” Qin Yu was stunned and quickly looked at the mustached man.

The mustached man said proudly, “Of course it’s true!”

“Bring me to take a look when you have the chance,” Qin Yu said seriously.

Qin Yu’s understanding of the chaotic body was almost zero.

And a huge tomb of a chaotic body might be able to answer Qin Yu’s doubts, or even clarify the path of the right path.

“Alright, it’s time to go up.” Qin Yu raised his head and looked at the dragon vein above.

The moustache man muttered, “You go up first. When you’re done, inform me.”

Qin Yu didn’t say much. He stared at the dragon vein and climbed up step by step.

...

Above the dragon vein.

These dozen or so members of the Jingdu Martial Arts Association were sitting cross-legged here, crazily absorbing Qi/spiritual energy.

To them, the Qi/spiritual energy seemed to be endless. After a few days of absorption, there was almost no reduction.

Meanwhile, Xia hang was still in closed-door cultivation.

He was trying his best to break through to the Martial Marquis Realm!

At this moment.

A Ray of light suddenly lit up from below.

“Eh?”

Yan Yuqi was the first to notice the abnormality.

He opened his eyes and immediately looked at the bright light.

“Qin Yu?”

Looking closely, it was none other than Qin Yu, who had been kicked off the cliff!

A Cry of alarm instantly woke many people up.

They stood up one after another and looked at Qin Yu, who was not far away.

“This Qin Yu is actually not dead?”

“Didn’t President Xia say that he was already crippled? Looking at him like this... how does he look like he’s crippled in the slightest?”

Just as they had said, Qin Yu was currently in high spirits. His wild hair danced wildly, and he looked like he was looking down on the world. How did he look like he was crippled in the slightest?

“This Qin Yu has killed several half-step martial marquises! This is troublesome!”

“That’s right. President Xia is still in seclusion. Who can stop him here...”

“What are you afraid of!”

Just as everyone was panicking, Yan Yuqi took a step forward.

He looked coldly at Qin Yu and said, “Qin Yu, I was just regretting not being able to fight with you. It suits me that you are not crippled!”

Qin Yu glanced at Yan Yuqi and said, “You’re not my match. Back off.”

Yan Yuqi’s pupils constricted and his expression changed drastically!

He was actually underestimated?

“Qin Yu! You’re underestimating me? !”Yan Yuqi said coldly.

Qin Yu sneered and said, “Even if you and I are of the same level, you’re still not my match. What’s more, you’re only at the peak of the Martial Grandmaster Realm.”

Yan Yuqi shouted, “I fight for the honor of crossing ranks! So what if I am a half-step martial marquis? I, Yan Yuqi, can still kill you!”

The aura of Yan Yuqi’s internal Qi surged, and he was full of fighting spirit. He had the intention to attack.

Qin Yu looked at Yan Yuqi coldly and said, “Fine, since you want to die, I will satisfy you.”

“Arrogant!” Yan Yuqi roared, and his body immediately glowed!

At the age of eighteen, Yan Yuqi had already learned the top cultivation technique of the Yan family!

He raised his hand and used the heavenly ranked cultivation technique, the mystic heavenly sage hand, which was passed down from the Yan family!

A huge hand with rolling might came crushing towards Qin Yu!

In an instant, the ground beneath Qin Yu’s feet began to explode!

The people around were also forced back by the pressure!

Qin Yu, who was at the center of the storm, was expressionless. His eyes were extremely indifferent.

“Go to hell!”

The speech device roared and this huge hand lashed out fiercely at Qin Yu!

“Bang!”

However, Qin Yu stood there without moving at all, allowing this huge hand to land on his body!

“The cultivation technique is not bad, but it also depends on who uses it,” Qin Yu said coldly.

Yan Yuqi’s expression changed drastically!

This mysterious heavenly sage hand was a genuine heavenly tribulation cultivation technique, yet it was unable to harm Qin Yu in the slightest? ! How was this possible? !

Buzz

Not far away, a ray of light lit up from Qin Yu’s palm.

A similar large hand began to slowly condense!

“Mysterious... Mysterious Heavenly Sage Hand? !” Seeing this scene, Yan Yuqi’s heart pounded violently!

How could this Qin Yu also know Mystic Heavenly Sage Hand?

“It’s said that Qin Yu once used a very short period of time to learn he Teng’s trump card moves!”

“From the looks of it today, he really lives up to his reputation!”

“He actually quickly learned a heaven rank cultivation technique!”

“En, although there are flaws, to be able to comprehend this technique in such a short period of time, I’m afraid that there’s no one else in the world who can do it!”

When Yan Yuqi heard these words, he even wanted to die!

He had spent three whole months comprehending the mystic heavenly sage hand before he barely managed to enter the rudiments.

Yet, Qin Yu only took a glance at it before he was able to copy it!

What kind of talent was this!

“Although the heaven-ranked cultivation technique is not bad, it’s a waste to keep it in your hands,” Qin Yu said coldly.

Before he finished his sentence, Qin Yu had already waved his hand down!

Chapter 518: The 518th Palm, facing Xia Hang!

That huge hand ruthlessly pressed down on Yan Yuqi!

“Boom!”

In an instant, a huge handprint appeared on the ground!

Smoke and dust rose up, blocking everyone’s line of sight.

This palm not only slapped Yan Yuqi’s body until it was dripping with blood, it also smashed his confidence into pieces!

“How... how is this possible!”

Yan Yuqi lay on the ground, his face filled with pain.

His body was damaged in many places, and his bones were shattered!  
He couldn't even stand up.

“How is this possible...”Yan Yuqi didn't dare to believe it!

Qin Yu glanced at him and said coldly, “On account of your young age,  
I'll spare your life.”

After saying this, Qin Yu looked at Xia Hang who was not far away.

At this moment, Xia Hang's body was surrounded by streams of  
Qi/spiritual energy.

This Qi/spiritual energy was flowing into his body through his pores.

Obviously, this was a sign of a breakthrough!

“You want to step into Marquis Wu?”Qin Yu couldn't help but sneer.

Fortunately, he came in time. Otherwise, Xia hang would have  
succeeded!

Qin Yu immediately strode toward Xia Hang.

At this time, the Ten-odd members of the JINGDU martial arts  
association quickly stood out.

They had strong killing intent on their bodies. It was obvious that they  
wanted to stop Qin Yu.

Qin Yu stopped in his tracks.

He coldly glanced at everyone and said, “You Think You Can Stop Me?”

As he spoke, the pressure on Qin Yu’s body was suddenly released!

An intense pressure instantly spread out!

“How... how could this be!” When they felt the pressure on Qin Yu’s body, everyone’s expression changed drastically!

Qin Yu’s strength seemed to have increased by a lot!

“Pu!”

A martial grandmaster could not withstand this pressure and vomited blood on the spot!

Everyone looked at each other and could not help but step back.

Qin Yu snorted coldly. He ignored everyone and walked towards Xia hang with big steps.

At this moment, Xia hang seemed to be at the crucial moment of breaking through.

His entire body emitted waves of bright light, as if he was about to step into the realm of Martial Marquis at any time!

“You want to step into the realm of martial marquis? In your next life,” Qin Yu said coldly.

Before he finished his words, golden light had already circled around Qin Yu’s hand!

A terrifying power instantly surged over!

“Boom!”

Qin Yu did not waste any time. He immediately clenched his fist and ruthlessly smashed it toward Xia hang with a violent force!

“Dong!”

With this punch, Xia hang was directly sent flying. His body slid for dozens of meters before he stabilized his body!

Blood seeped out of the corner of Xia Hang’s mouth, many of his bones were broken, and his internal Qi became extremely chaotic!

He opened his eyes, and his expression was extremely unsightly!

“Who, who destroyed my realm!”

Xia hang raised his head and roared angrily!

“Me!”

Qin Yu said coldly.

Hearing Qin Yu’s voice, Xia Hang’s expression became even more unsightly!

He glared at Qin Yu and said through gritted teeth, “You’re actually not crippled!”

Qin Yu sneered, “Yeah, it seems that your dragon vein power isn’t too good either.”

Xia hang's whole body was trembling, and his eyes were wide open.

He stared at Qin Yu and said with a broken face, "I'm just a step away from becoming a martial marquis. Because of you, all my efforts have been wasted!"

"Qin Yu, you bastard, I'm going to tear you into pieces!" Xia hang's angry roar almost spread throughout the entire dragon vein!

Qin Yu sneered, "Serves you right. You'll stay in the half-step martial marquis realm for the rest of your life."

Xia Hang's eyes were scarlet red, and a strong killing intent filled his chest!

His hands trembled as he said coldly, "I want to cut you into ten thousand pieces, I want to cut you into ten thousand pieces!"

As soon as he finished speaking, the power of the dragon veins instantly rose!

A powerful force suddenly appeared at the position of Qin Yu's chest!

"Dong!"

At such a close distance, there was no way to dodge.

Qin Yu was instantly sent flying dozens of steps by this force, and a tiny bloody hole appeared on his chest.

"As expected of the power of the Dragon Bloodline." Qin Yu wiped the fresh blood from his chest and couldn't help but squint his eyes slightly.

“Go to hell!”

Xia hang’s palm quickly slid, and countless forces instantly filled Qin Yu’s body!

These forces exploded around Qin Yu like a bomb!

In an instant, Qin Yu’s body was enveloped by a wave of thick smoke!

Xia hang didn’t stop there. He seemed to have gone mad and his hands kept sliding in the air!

This was the power of the terrain, raining down on Qin Yu!

The ground where Qin Yu was was turned into ashes!

After an unknown amount of time, Xia hang finally stopped panting.

He stared in Qin Yu’s direction and gritted his teeth, “You actually interrupted my breakthrough... You Bastard!”

The smoke and dust gradually settled down.

Qin Yu’s entire body was almost covered in blood! However, not only did his internal Qi not show any signs of weakness, it was also unprecedentedly strong!

“Other than the power of the dragon bloodline, what else can you rely on?” Qin Yu seemed to not feel any pain. His pair of clear eyes looked coldly in Xia Hang’s direction.

Xia Hang’s expression was somewhat ugly.

Qin Yu looked extremely miserable, but in reality, his foundation had not been damaged at all.

In other words, this power of the dragon bloodline seemed to only be able to break Qin Yu's skin!

“Say it, what else can you rely on?” Qin Yu opened his mouth, and within the blood-red, a layer of white bloomed.

Xia hang angrily roared, “Qin Yu, you're going too far!”

With an explosive roar, eight streams of energy shot out from Qin Yu's surroundings, instantly engulfing Qin Yu!

Qin Yu's physical body was once again pushed back!

But this time, he only took three steps back!

Compared to the scene of him being sent flying at the beginning, the three steps undoubtedly made Xia Hang's heart tremble!

Xia hang gritted his teeth and once again unleashed the power of the dragon vein!

This time, the power was even more powerful, crazily attacking Qin Yu's body!

However, this time, Qin Yu only took one step back!

“How is this possible!” Xia hang's expression was extremely unsightly!

He didn't dare to think too much and hurriedly activated the power of the dragon vein again!

However, this time, Qin Yu didn't take a single step back!

“Ah!!! Impossible!” Xia hang went crazy. He tried his best to activate this power!

This time, Qin Yu directly withstood the power of the dragon vein and walked towards Xia hang step by step!

“Clang Clang Clang Clang” the sounds of collision continued to be heard. Countless rays of energy left white spots on Qin Yu's body.

However, this was completely unable to stop Qin Yu's footsteps!

Gradually, the power of the dragon veins seemed to have no effect on Qin Yu anymore!

He almost completely ignored the power of the dragon veins!

“How... how could this be!” Large beads of sweat were left on Xia hang's forehead, and his heart was incomparably terrified!

He, the dignified vice president of the Jingdu Martial Arts Association, was actually starting to be afraid at this moment!

“Tell me, without the power of the dragon vein, what else do you have?” Qin Yu said coldly.

Chapter 519: Chapter 519, the panicked Xia hang

Xia hang's expression was extremely unsightly. Although he didn't know what exactly happened, he knew that the current him probably couldn't do anything to Qin Yu.

“Jingdu martial arts association has so many resources, but in the end, you’re still a waste.”Qin Yu shook his head.

Xia hang looked coldly at Qin Yu and said, “Qin Yu, you ruined my opportunity. What else do you want?”

“What else do you want?”Qin Yu raised his eyebrows and then sneered, “Of course, I want to kill you.”

Xia Hang’s eyes were somewhat vicious.

He narrowed his eyes slightly and said, “Kill me? I Am...”

“Alright, don’t tell me your family name. I am not interested. Moreover, even if you are a heavenly king, I don’t care.”Qin Yu interrupted Xia Hang’s words.

Xia Hang’s face became even angrier. He raised his head and roared, “Qin Yu, you’re going too far. Do you really think that I, Xia Hang, Am Easy to bully? !”

Following Xia Hang’s angry roar, streams of mist-like internal Qi burst out from the dragon vein!

In an instant, it was as if the entire power of Heaven and earth in the dragon vein had been absorbed by Xia Hang!

At a glance, a true dragon had actually condensed in midair!

This divine dragon that was forged from the power of the dragon vein seemed to have its own life force. A pair of dark pupils coldly swept across the surroundings.

The Aura on it made people feel a chill in their internal Qi! Some people even knelt down on the spot!

Even Qin Yu felt a trace of abnormality on the body of this divine dragon.

This feeling was as if he was facing an irresistible divine power!

Xia hang panted heavily. He gritted his teeth and said, “Qin Yu, be a man and leave a line. It will be easier to meet in the future. Are you really going to force me into a dead end?”

Qin Yu glanced at Xia hang and said coldly, “Don’t say such useless nonsense. When you crippled my dantian, did you ever think of leaving a line?”

“Okay!”

Xia hang didn’t say anything more. He bit his finger and flicked his finger. A trace of blood essence instantly fell into the Divine Dragon’s body!

In an instant, this divine dragon, which was made of the power of the dragon’s bloodline, seemed to be dyed with color.

“Go to hell!”

Xia hang roared, and the entire divine dragon instantly swooped down toward Qin Yu!

Qin Yu stared at this divine dragon and sneered, “It’s just a spirit body that has no life. Do you really think I’m afraid of You? !”

After saying that, Qin Yu clenched his fists and faced it head-on!

“Boom!”

A huge collision occurred. At the moment of the collision, Qin Yu's expression could not help but change!

The power of this divine dragon was beyond Qin Yu's imagination. It instantly knocked Qin Yu to the ground!

“As expected of the power of the dragon vein. It's indeed extraordinary.” Qin Yu frowned.

He clenched the absolute beginning Holy Fist and rushed forward for the second time!

However, the result was still the same this time. The moment they collided, the Golden Light on Qin Yu's body was directly shattered!

Not far away, Xia hang watched this scene coldly. There seemed to be a hint of solemnity on his face.

Meanwhile, Qin Yu touched his chin and sneered, “Divine Dragon, right... well, then I'll be a dragon slayer today!”

Before he finished his words, Qin Yu put his hands together and muttered, as if he was casting some kind of spell!

In just a short moment, Qin Yu's body began to expand! In an instant, his body expanded to over three meters tall!

Not only that, his body was also covered in a layer of golden light, making him look incomparably resplendent!

This spell was precisely the Wuji Dharma Idol that he had used when he fought he teng back then!

And after Qin Yu stepped into the half-step martial marquis realm, his body became even larger, and his light became even more resplendent!

Everyone looked at this golden giant with a flash of shock in their eyes!

“Limitless Dharma Idol?” Xia Hang’s pupils shrunk even more!

“How does this kid know the limitless Dharma Idol?” Xia hang could not help but take two steps back.

Countless thoughts flashed through his mind, and the fear in his eyes became even more obvious!

“Wrong, everything is wrong!” Xia hang seemed to have thought of something.

He whispered, “All along, the Jingdu Martial Arts Association thought that Qin Yu was an ordinary person, but they didn’t expect that he... He probably has something to do with that person!”

Thinking of this, Xia Hang’s expression became even more panicked!

“No, I have to tell this matter to the martial arts association as soon as possible!” Xia Hang said coldly.

In the sky, that divine dragon swooped down toward Qin Yu again!

This time, Qin Yu didn’t Dodge at all.

He waved his hands and grabbed the neck of the divine dragon directly!

The huge force instantly made the “Divine dragon”struggle violently!

However, Qin Yu’s hands were like two iron pincers, making it unable to move!

“I thought it was really a divine dragon, but it turns out it was just a power condensed from the surface of the dragon vein.”Qin Yu sneered.

Then, Qin Yu grabbed the divine dragon and slammed it to the ground!

The moment it touched, the divine dragon instantly disappeared!

Clouds of mist-like internal Qi returned to the dragon vein!

Qin Yu turned around and looked coldly at Xia Hang.

“What other moves do you have? Just use them,”Qin Yu said coldly.

“I also want to see the methods of the Jingdu Martial Arts Association.”

This Xia hang was Han Wei’s master, so they must be connected.

Through Xia Hang, Qin Yu could know Han Wei’s methods.

But at this time, Xia hang seemed to have lost the will to fight. He took out a martial marquis weapon and threw it into the air!

“Martial Marquis Weapon? Do you think it will be useful to me?”Qin Yu sneered.

When he was still in the Great Circle Realm, Qin Yu had already broken four martial marquis weapons, let alone now!

Xia hang did not say anything. He muttered in a low voice, and it was unknown what kind of strange spell he was activating.

Qin Yu was not anxious. He just wanted to see what kind of method Xia hang had so that he could know how to deal with Han Wei.

“Buzz!”

At this moment, Xia hang’s body suddenly flashed with light!

Looking over, he saw that he was holding a spiritual artifact that looked like a command flag in his hand!

“Spatial spiritual artifact?” Qin Yu’s expression changed!

As expected, the moment the spiritual artifact appeared, Xia Hang’s body began to disappear!

In less than half a second, Xia hang disappeared without a trace!

“Hahahaha!”

Seeing this, Qin Yu couldn’t help but burst into laughter.

He glanced at the members of the JINGDU martial arts association and sneered, “This is your captain? He abandoned you and ran away?”

Everyone looked at each other, as if they could not believe what was happening in front of them.

At this time, Xia hang was rushing to Jingdu.

“This kid must not be left alive.. After I inform the higher-ups, I will definitely use all my strength to kill him!”Xia Hang said coldly.

Chapter 520: Chapter 520, get rid of Qin Yu immediately!

As soon as he boarded the plane, Xia hang hurriedly sent a text message.

This text message was sent to the higher-ups of the Jingdu Martial Arts Association.

...

At this moment, many members of the Jingdu Martial Arts Association were nervously looking at Qin Yu.

Just now, Qin Yu’s combat strength had already made them lose the confidence to resist.

If they were to fight now, they probably had no chance of winning.

Qin Yu sized up everyone and didn’t say anything for a long time.

“Do you want to Kill Us?”At this moment, someone took the initiative to ask.

Qin Yu rubbed his chin and thought for a moment, then said, “It’s fine if I don’t kill you, but you have to hand over all the herbs on your body.”

Everyone looked at each other.

This might be a good choice.

“Take the initiative. If you let me search, it won’t be so comfortable,”Qin Yu said as he stepped on the ground.

No one dared to say anything. They all took out their herbs and placed them in front of Qin Yu.

The herbs from the stone tablet all fell into Qin Yu’s pocket.

In addition to what they had consumed in the past few days, there were also three five-thousand-year-old herbs.

After looting everything, Qin Yu looked at the crowd.

“When something happens, you run away first. Is this the JINGDU martial arts association that you rely on?”Qin Yu’s tone was full of ridicule.

“If that’s the case, you might as well follow me. At least I won’t abandon you and run for your lives,”Qin Yu said half-jokingly and half-seriously.

“Qin Yu, you’re too naive.”

At this moment, a young man said in a deep voice.

This young man was called Chu Hedao. He was the son of the Chu family in Jingdu and was now also a half-step martial marquis.

“We admit that your strength is not bad, but do you really think that we came to the Jingdu martial arts association just to increase our strength?”Chu Hedao continued.

Qin Yu glanced at him, indicating for him to continue.

Chu Hedao stood up and said, “The resources that the JINGDU martial arts association has are not limited to martial power.”

“In other words, the existence of the JINGDU martial arts association is similar to the Chamber of Commerce. It can consolidate our circle and ensure that our relationship will not leak out.”

At this point, Chu Hedao glanced at Qin Yu and said, “At the same time, it also ensures that people like you will not suddenly rise up and affect our status.”

Qin Yu was speechless for a moment.

He didn’t expect that Chu Hedao would tell him this.

Most importantly, what he said made sense.

“I know what you’re thinking. You either want to replace US or make us disappear,” Chu Hedao continued.

“No matter which one it is, you can’t do it with your current strength.”

After saying this, Chu Hedao didn’t say anything more.

He swept a glance at everyone and then left.

Looking at Chu Hedao’s back, Qin Yu couldn’t help but rub his chin.

“This Chu family... is a bit interesting,” Qin Yu thought to himself.

The others didn’t stay any longer. They all stood up and left.

It had to be said that after so many years of development in Jingdu, the relationship between the various families had long been impregnable.

Although there would be disputes and hidden fights between them, all the fights would not jump out of this circle.

After all, this was a modern society. The power of capital was too powerful.

“Alright, everyone has left. You can come out now,” Qin Yu shouted at the bottom of the cliff.

The handlebar mustache tiptoed and revealed a pair of eyes.

After confirming that there was no one, the mustache man patted the soil on his body.

“You really left. TSK TSK, fellow Daoist, this venerable one really admires you. You actually challenged the Jingdu Martial Arts Association.” The Mustache Man Sighed.

Qin Yu glanced at him and said, “Stop talking nonsense and quickly make your move.”

Then, the Mustache Man took out his tools and began to make his move against the dragon vein.

...

Jingdu martial arts association.

Xia hang sat in the meeting room with his face covered in dust.

His expression was not good, and there was even a hint of panic.

“Xia Hang, I asked you to lead the team to the dragon vein, and you came back on your own like this?” Someone said coldly.

“Those people are all descendants of the major aristocratic families, and they are also the elite forces of our Jingdu Martial Arts Association. Now, you have abandoned them and come back on your own. What is your responsibility?”

“You’re so cowardly and afraid of death. I don’t think you should take the position of vice president.”

Xia Hang’s expression changed, and he hurriedly said, “I, Xia Hang, am absolutely not cowardly and afraid of death. I’ve returned this time because I have something important to report to everyone.”

“Something important? Let me tell you, if any one of them dies, you won’t be able to bear it,” someone said coldly.

Xia Hang’s expression was extremely ugly. He gritted his teeth, stood up and said, “What I’m talking about is definitely more important than their lives!”

“What nonsense!” Someone shouted!

This voice contained surging inner strength and was directly aimed at Xia Hang!

As a half-step martial marquis, Xia hang was directly shocked by this roar until he vomited blood!

This couldn't help but make people wonder, just what kind of strength were these higher-ups hiding in the shadows? !

“Let him speak. If he can't come up with a reasonable explanation today, then he doesn't need to stay in the Jingdu Martial Arts Association.” A woman's voice was heard.

Xia hang hurriedly bowed and then said, “Although we have observed Qin Yu, we don't pay enough attention to him.”

“The understanding of him is limited to his fights with the Han family and the Yan family.”

“In our impression, we always thought that he was just an ordinary person with good martial arts talent. He had no background and no master.”

“But today... he used a spell.”

Xia hang paused for a moment.

Someone in the dark asked, “What spell?”

“The Infinity Dharma Idol,” Xia Hang said these words.

When the Infinite Dharma Idol was mentioned, the entire conference room fell into silence.

After a while, someone finally spoke.

“Are you sure it's the Infinite Dharma Idol?”

Xia hang hurriedly said, “I’m 100% sure! Although this kid’s infinite dharma idol isn’t mature enough, it’s definitely the infinite Dharma Idol!”

“The infinite dharma idol... seems to have a history.”

“In the whole world, there aren’t many people who can use the infinite Dharma Idol.”

“It’s not that there aren’t many. According to our information, there’s only one person who used the limitless dharma idol and almost caused our Jingdu martial arts association to sink.”

Xia hang hurriedly said, “I suspect that Qin Yu has a relationship with that person! If we let him continue to grow, the consequences would be unimaginable!”

Speaking up to this point, Xia hang stood up and said, “I suggest that we immediately mobilize the highest power and directly get rid of Qin Yu!”

Chapter 521: Chapter 521, the wedding was approaching

The meeting room fell into silence once again.

Everyone was silent, as if they were all thinking about this matter.

Xia hang said somewhat anxiously, “No matter what, we must get rid of this Qin Yu, and we must do it as soon as possible, otherwise, there will be endless trouble in the future!”

“Xia Hang, you should go back first.” However, in the end, everyone still did not listen to Xia Hang’s opinion.

“We will discuss this matter and then make a decision.”

Xia hang clenched his teeth and said anxiously, “If Qin Yu really grows up, then...”

“If I ask you to go back, don’t you understand!”

A voice came from the dark again.

Xia hang opened his mouth and was instantly speechless.

Although he was the vice president of the Martial Arts Association, Xia Hang was very clear in his heart that his main responsibility as the vice president was to face those aristocratic families.

To put it bluntly, he was just a bridge between the martial arts association and the various aristocratic families.

As long as these higher-ups were unwilling, they could make him disappear at any time.

Xia hang had no choice but to walk out of the meeting room.

After coming out of the meeting room, Xia Hang thought about it and finally decided to look for Han Wei and Yan Sihai to discuss this matter

“Since the martial arts association hasn’t made a move, then we can only incite these two aristocratic families to get rid of Qin Yu!” Xia Hang said coldly.

...

In the clubhouse.

Xia Hang, Han Wei, and Yan Sihai sat together.

“I suggest that we get rid of Qin Yu as soon as possible.” Xia hang looked at Han Meng.

Han Meng had always supported attacking Qin Yu in advance, so he could only place his hopes on Han Meng.

However, Han Meng’s attitude changed drastically.

He laughed and said, “Old Xia, I agree with you before, but since my son came out of seclusion, I changed my mind.”

“With my son’s current ability, getting rid of that Qin Yu is nothing!”

Xia Hang’s expression changed, and he hurriedly said, “If it’s too late, then something will happen. There are still close to 20 days, no one can guarantee what will happen in these 20 days!”

Han Meng sneered and said, “What? As Han Wei’s master, don’t you have confidence in him? Do you think my son is inferior to that Qin Yu?”

Xia hang frowned, “Of course I don’t mean that.”

“Then that’s it. As far as I know, my son’s ability is now above yours, right?” Han Meng snorted lightly.

Xia hang opened his mouth, speechless.

“Alright, when the time comes, I will set up an inescapable net.” Yan Sihai took a puff of his cigar.

“As long as this Qin Yu dares to appear, regardless of whether he wins or loses, I will not let him leave Jingdu!”

Hearing this, Xia hang could only nod his head.

“I hope Qin Yu won’t run away in advance,” Xia hang thought to himself.

...

Above the dragon vein.

The handlebar mustache twirled around for nearly two hours.

“This is the place.” The handlebar mustache stepped on the ground and then began to work.

Relatively speaking, the yang tomb was much simpler than the Yin tomb.

Not only that, the Babe inside the Yang Tomb was also not something that the yin tomb could compare to.

After the Yang Tomb was opened, a surge of Yang Qi rushed towards him.

One magic artifact after another was placed in the Yang Tomb.

“I’m Rich! I’m Rich!” The mustached man said excitedly.

Qin Yu’s eyes lit up. There were heaven rank magic artifacts in there! There were even several Earth rank magic artifacts!

“Sigh, I really can’t bear to give you these Babe,” the mustached man said with some heartache.

Qin Yu didn’t pay attention to him. He walked into the Yang Tomb and carefully examined it.

One of the artifact refining cauldrons caught Qin Yu’s attention.

This artifact refining cauldron was entirely jade-green. Even though it was covered in dust, it still couldn’t conceal the jade-green color of its entire body.

“I want this artifact refining cauldron.” Qin Yu pointed at it and said.

The mustached man muttered, “That won’t do! This artifact refining cauldron is also useful to me.”

Qin Yu muttered, “How about this? Other than this artifact refining cauldron, I don’t want anything else. How about it?”

The moustache man was stunned. He hurriedly said, “Is what you said true?”

“Yes.” Qin Yu nodded.

“But I have a condition.”

The moustache man said with a smile, “Fellow Daoist, let alone one condition, I will agree to ten conditions!”

Qin Yu looked at the man with the mustache and said, “I want you to take me to the three Big Graves!”

“Big Graves?” The man with the mustache frowned slightly.

He touched his chin and said, “These big graves are not easy to find...”

“It doesn’t matter if you have stripped them. What I want is Yin Energy,” said Qin Yu.

The man with the mustache blinked, then patted his chest and said, “No problem!”

“Okay, it’s a deal.” Qin Yu heaved a sigh of relief.

According to Qin Yu’s self-speculation, the three graves could possibly support him to step into the half-step martial Marquis Realm!

The half-step martial Marquis realm was not a clear realm to begin with. To put it bluntly, it was just a transitional realm, just a little bit away from the Martial Marquis realm.

It was precisely this little bit of distance that made it hard to know how many people were stuck in this realm for their entire lives.

Although the current Qin Yu was already powerful enough, he did not understand Han Wei well.

There could not be any accidents during this marriage snatching! Therefore, to be able to step into the Martial Marquis realm was a safe bet!

“When do we set off?” Qin Yu asked.

The handlebar mustache held the spiritual artifact as he muttered, “How can it be so fast? I have forgotten many places. You’d better wait for my notice.”

At this point, the handlebar mustache picked out a spiritual artifact and said with a smile, “Spatial spiritual artifact. This thing is not bad...”

Then, the handlebar mustache tried to activate this spiritual artifact.

“Buzz!”

A Ray of light flashed, and the handlebar mustache disappeared without a trace.

“Damn it, where is He!” Qin Yu was instantly anxious.

The two of them didn’t even leave their contact details, and he left just like that?

“Oh no, did I get cheated?” Qin Yu’s brows were tightly knitted, and he was a little flustered.

Qin Yu waited on the dragon vein for an entire day, but the handlebar mustache still didn’t come back.

“F \* ck, this bastard,” Qin Yu said angrily.

Not only did he take the Babe, he even ran away!

With no other choice, Qin Yu could only leave this place temporarily.

Qin Yu returned all the way to Chuzhou.

At this moment, Fang Yue was still lying unconscious on the bed.

“Mr. Qin, if this girl continues to lie down like this, will she die?” Yao Qing rubbed his chin and muttered softly.

Qin Yu did not say anything. He was a little worried in his heart.

That he teng had already escaped. It would not be easy to find him.

I wonder if the handlebar mustache will have a way, Qin Yu thought to himself.

The handlebar mustache looked crazy, but Qin Yu had a feeling that this person was not simple.

It was already the end of August. There were only sixteen days left until September 9th!

The news of Han Wei and Yan Ruoxue’s wedding began to spread like wildfire!

Almost the entire Jingdu was discussing this matter.

Some people even claimed that this wedding was the wedding of the century!

The marriage between the two great families had attracted the attention of countless people!

Chapter 522: Chapter 522 was all forced by you

In the following days, Han Wei made more and more appearances.

This appearance not only involved martial arts, but also appeared frequently in the business world.

In a short time, Han Wei had almost become a star of the younger generation.

“Mr. Han, your wedding with Miss Yan is coming up, and that Qin Yu claims that he will come to snatch the wedding. I wonder if you will be worried?”asked the host.

Han Wei, who was wearing a luxurious suit, said with a faint smile, “Of course not. Miss Yan and I are on good terms. No one can shake us.”

“As the old saying goes, I will personally defeat Qin Yu at the wedding. Treat it as a gift to my wife.”

Looking at these interview videos, Qin Yu could not contain his anger.

Especially when he kept calling Qin Yu his wife, it made Qin Yu want to tear his mouth apart!

Not only that, Han Wei’s actions became more and more high-profile.

He consecutively challenged several veteran half-step martial marquises, and almost all of them won in a crushing manner!

After winning eight half-step martial marquises consecutively, Han Wei turned his gaze towards a martial marquis!

This was an old martial marquis named Zhang Wuque, who had already reached the age of more than a hundred years old!

It was said that Zhang Wuque had already entered the Martial Marquis realm a few decades ago. After so many years, no one knew what level he was at.

This battle was held in the Jingdu Martial Arts Association, but it was not publicly announced. All that was known was that Zhang Wuque was carried out on a stretcher in the afternoon, while Han Wei was unharmed!

This news had already spread, immediately causing countless people to be shocked!

Han Wei had actually defeated a real Marquis Wu?

Not only that, from his posture, it seemed that he had won quite easily?

Could it be... that Han Wei had also stepped into the realm of Marquis Wu?

“Mr. Qin.” Yao Qing held his phone and ran in front of Qin Yu.

“It is said that Han Wei defeated an old Marquis Wu,” Yao Qing said in a deep voice.

Qin Yu glanced at his phone, and could not help but show a trace of solemnity on his face.

He was well aware of the gap between a half-step Marquis and a marquis. Even he had no chance of winning!

“Could it be... Han Wei has really stepped into the Marquis Realm?” Qin Yu took a deep breath.

Although it was not that simple to step into the Marquis Realm from a half-step Marquis Realm, Han Wei still had the best resources in the world!

No one knew if Han Wei would step into the Marquis Realm in one Go!

“Mr. Qin, how about... You Don't go,” Yao Qing said from the side.

“If Han Wei really stepped into the martial marquis realm, then... then aren't you going to die?”

Qin Yu glanced at Yao Qing and said coldly, “Even if it's a dragon's Den or a tiger's den, I will go. No one can touch Yan Ruoxue.”

Everything Qin Yu did was for Yan Ruoxue! How could he give up now!

“Marquis Wu... So what if you're a Marquis Wu? If you can become a Marquis Wu, I, Qin Yu, will also have a chance!” Qin Yu took a deep breath.

Although he said this, Qin Yu was somewhat uncertain.

Because time was too short.

...

Jingdu, Yan family manor.

Seeing that time was getting closer and closer, Yan Ruoxue became more and more worried.

During this period of time, she had almost been cut off from all contact, and she knew nothing about the outside world.

She didn't know how far Qin Yu had gone, and she also didn't know what kind of strength Han Wei had now.

“Miss, don't worry too much.”The nanny next to her sighed slightly.

Yan Ruoxue looked at the nanny next to her and whispered, “Aunt He, have you heard from Qin Yu recently?”

The nanny who was called aunt he smiled bitterly and said, “Our phones were also taken away. How could there be any news from Young Master Qin...”

Hearing this, the worry in Yan Ruoxue's heart grew even more.

She was very clear in her heart what kind of Power Qin Yu was facing.

At this moment, the door was pushed open.

Then, she saw Yan Yongxiu slowly walk in.

Seeing Yan Yongxiu, Yan Ruoxue hurriedly stood up and said, “Dad!”

Yan Yongxiu's face darkened as he walked in front of Yan Ruoxue.

“Ruoxue, your wedding with Han Wei is in a few days. Are You Ready?”Yan Yongxiu asked coldly.

Yan ruoxue bit her red lips with her teeth. She looked up at Yan Yongxiu and said, “I won't marry Han Wei.”

A trace of anger flashed across Yan Yongxiu's face!

He berated loudly, "Things have already come to this. Are you still thinking about that Qin Yu?!"

"Do you know how much trouble this Qin Yu has caused outside? ! What's there to be reluctant about this kind of man?!"

"Caused trouble?" Yan Ruoxue seemed to find it a little strange.

What kind of trouble could Qin Yu Cause?

Yan Yongxiu said coldly, "It seems that you don't know your sweetheart very well."

"Okay, then I'll tell you what Qin Yu did outside!"

"He killed dozens of people from the sacred Confucian school, forced the sacred Confucian school to lower its head, and slapped the face of our Yan family!"

"Not only that, even the people from the Jingdu Martial Arts Association were threatened by him!"

At this point, Yan Yongxiu gritted his teeth and said, "That's the Jingdu Martial Arts Association! What does he, Qin Yu, want to Do? Is he trying to rebel?"

"Even if Qin Yu enters the Yan family, he will bring disaster to the Yan family!"

Hearing this, a trace of surprise flashed across Yan Ruoxue's beautiful face.

Qin Yu... actually forced the Saint Confucian school to lower their heads?

One had to know that the sacred Confucian school had the martial marquis overseeing it!

And in Yan Ruoxue's impression, wasn't Qin Yu an ordinary person? In this short period of time, even if his progress was rapid, he was at most a martial grandmaster, right?

Yan Ruoxue raised her head and looked at Yan Yongxiu. She said somewhat deliberately, "Dad, don't joke around. Qin Yu is only a martial grandmaster. How could he threaten the sacred Confucian school, and how could he threaten the Jingdu Martial Arts Association?"

Yan Yongxiu narrowed his eyes and sneered, "Ruoxue, are you trying to trick me?"

"Okay, I might as well tell you that Qin Yu does have some talent. He has already stepped into the half-step martial Marquis Realm."

As soon as these words were said, Yan Ruoxue's eyes immediately lit up!

"Dad, do you remember what you said back then? You said that as long as Qin Yu Can..."

"Enough!"

Before Yan Ruoxue could finish her words, she was rudely interrupted by Yan Yongxiu.

He snorted coldly and said, “So what if he has talent? He doesn’t have the slightest bit of respect in his heart!”

“If our Yan family accepts him, I’m afraid that we will become enemies with the whole world! So you should give up this idea!”

Yan Ruoxue’s face immediately turned cold.

She stared at Yan Yongxiu and said, “Didn’t you force Qin Yu to do this?”

“Back then, you said that he was not qualified and that he was an ant at the bottom.”

“Now you say that he is a disaster. If it weren’t for your coercion, would he have become like this?”

“Don’t tell me that you want Qin Yu to face your oppression with a smile? Are you satisfied with that?”

Chapter 523: Chapter 523, Han Wei’s clamor!

Yan Ruoxue’s words instantly infuriated Yan Yongxiu!

He raised his hand and was about to land on Yan Ruoxue’s face!

But in the end, his hand only froze in mid-air.

“If grandfather was still here, he wouldn’t have tolerated you guys doing this,” Yan Ruoxue said coldly.

At the mention of Yan Yunheng, Yan Yongxiu seemed to have found another excuse.

He snorted coldly and said, “You still have the face to mention your grandfather? Then Qin Yu is the murderer of your grandfather!”

“Is that so?” The corner of Yan Ruoxue’s mouth curled into a sneer.

“Father, I think you know better than me whether my grandfather is dead or not.”

Yan Yongxiu’s face changed and he berated, “Don’t talk nonsense! Your grandfather has already passed away!”

“Is that so?” The sneer on Yan Ruoxue’s face became more and more intense.

“Stop making excuses for your own cowardice.”

“You’re just afraid of my uncle. Even if you have doubts in your heart, you still don’t dare to say it out loud, right?”

After hearing Yan Ruoxue’s words, Yan Yongxiu’s expression became extremely ugly!

“You... You’re spouting nonsense!” Yan Yongxiu turned his face to the side.

“Right, this is the arrogant face of all of you. On the one hand, you bow down to the stronger ones, and on the other hand, you look down on the weaker ones at the bottom.”

“I don’t know how many Good Points Qin Yu has, but at least he won’t be as weak as you guys.”

Yan Yongxiu was so angry that his face turned ashen, but he had nothing to say.

He had always believed that his father wasn't dead, but now that the dust had settled, he didn't dare to think too much about it.

He even forced himself to believe Yan Sihai's words.

“In short, there's no chance between you and Qin Yu anymore,” Yan Yongxiu said coldly.

“September 9th is the day of your wedding, and also the day of Qin Yu's death.”

After saying this, Yan Yongxiu turned his head and left.

A trace of pain flashed across Yan Ruoxue's fair and tender face.

Tears flowed out of the corners of her eyes.

...

On this day, Qin Yu sat in the courtyard, trying his best to find the direction to step into Marquis Wu.

At this moment, Qin Yu's phone suddenly rang.

He took the phone and saw that it was an unfamiliar number from Jingdu.

“Han Wei?” After thinking about it, Qin Yu felt that it could only be Han Wei.

Thus, he picked up the phone and sneered, “Han Wei, have you thought about how to beg for mercy in front of me?”

However, a familiar and pleasant voice came from the other end.

This voice was none other than Yan Ruoxue!

“Qin Yu, are you okay?”

Hearing Yan Ruoxue’s voice, Qin Yu’s heart immediately began to beat violently!

He hurriedly got up and said anxiously, “I’m fine. Ruoxue, where are you now? Did you suffer? You...”

“Qin Yu, I don’t have much time. Listen to me,” Yan Ruoxue interrupted Qin Yu.

She said on the phone, “Qin Yu, on September 9th, you must not come to Jingdu.”

“I grew up in an aristocratic family and know their methods.”

“Whether you win or lose, they won’t let you leave Jingdu. I don’t want to see you come to die.”

Qin Yu gritted his teeth. He grabbed the phone and said, “Ruoxue, I will definitely take you out of Jingdu on that day. Wait for me!”

Yan Ruoxue wanted to say something, but a rough voice came from the other end.

“Who told you to make the call?” Yan Sihai’s voice came from the phone.

Before Yan Ruoxue could say anything, the phone was snatched away.

Then, Qin Yu heard a “Bang”! It was like the sound of the phone being smashed!

“Ruoxue!”

Qin Yu immediately became anxious.

He hurriedly called back, but the sound of the phone being turned off came from the other end!

“Yan Sihai, F \* ck you!” Qin Yu couldn’t help but curse!

It was obvious that Yan Ruoxue wasn’t doing well!

And all of this was because of Yan Sihai!

“Yan Sihai... I will definitely kill you, I will personally kill you!” Qin Yu gritted his teeth, anger filling his chest.

He wanted nothing more than to immediately rush to Jingdu and personally kill Yan Sihai!

At this moment, Qin Yu’s phone rang again.

The caller this time was Han Wei!

After the call was connected, he heard Han Wei say faintly over the phone, “Qin Yu, have you heard about my wedding with Ruoxue?”

“F \* ck you!” Qin Yu opened his mouth and scolded.

Han Wei on the other end was not angry either. He laughed out loud and said, “What, are you anxious now? Haha, that’s true. Facing something that you are powerless to change, other than being anxious, what else can you do?”

Qin Yu said with a cold face, “Han Wei, let me tell you, Yan Ruoxue doesn’t like you at all. Also, on the 9th of September, I will definitely kill you with my own hands!”

“Hahahahaha!” Han Wei suddenly laughed out loud in an exaggerated manner.

“You’re right. She doesn’t like me. So What?” Han Wei said with a sinister tone.

“Qin Yu, I also told you that after we get married, I will make her kneel in front of me every day to serve me!”

“Doesn’t she like you? Then I will break your limbs in front of her! I will lock you in a cage! I will let you see how I teach Yan Ruoxue a lesson every day!”

Hearing Han Wei’s words, Qin Yu could not help but clench his fists!

“Oh, I heard that you have stepped into the half-step martial Marquis Realm, right? And you even injured Xia Hang?” Han Wei changed the topic and said indifferently.

“En... for an ant, your achievements are indeed not bad, but unfortunately, you are still an ant in front of me. I can stomp you to death with just a lift of my foot.”

“As for your little achievements, they are not worth mentioning in my eyes at all.”

Qin Yu roared crazily, “Han Wei! If I don’t kill you, I, Qin Yu, will never be human!”

Han Wei sneered, “Okay, I hope you can appear at my wedding with Yan Ruoxue on September 9th.”

Han Wei deliberately emphasized the word “Wedding”.

After saying this, Han Wei directly hung up the phone.

Qin Yu grabbed the phone and fiercely fell to the ground!

He had to admit that Qin Yu was really anxious.

He sat on the ground, as if he had been struck by a god.

Han Wei’s words were like a thorn that stabbed into Qin Yu’s heart.

Especially when he was talking about Yan Ruoxue, Qin Yu’s heart felt as if it had been pierced by thousands of arrows.

“I will never allow such a thing to happen...”

Qin Yu’s expression was extremely complicated. There was anger, pain, and more importantly, impatience.

“Fellow Daoist is sitting on the ground. What kind of divine technique is he practicing?”

At this moment, a familiar voice entered his ears.

Qin Yu looked up and saw a cheeky-looking man with a handlebar mustache sitting on the wall.

“Handlebar mustache?” Qin Yu hurriedly stood up and took a step forward, quickly arriving in front of the handlebar mustache.

He stretched out his hand and grabbed the clothes of the handlebar mustache. He said coldly, “You left without saying goodbye last time. How dare you come to find me today?”

“Didn’t I promise to take you to three Big Graves?” The handlebar mustache muttered.

Chapter 524: Chapter 524. He must not be allowed to leave Jingdu!

Qin Yu looked coldly at the handlebar mustache and said, “I thought you had forgotten.”

The handlebar mustache jumped down from the wall and said with a smile, “How is that possible? This venerable self has always kept his word!”

Qin Yu looked at the handlebar mustache and said, “Then don’t waste time. Hurry up and set off.”

“TSK TSK, fellow Daoist, this is your fault. I came all the way here and didn’t even drink a mouthful of water. You should at least give me a meal, right?” The handlebar mustache said with a smile.

Although Qin Yu was anxious, he couldn’t do anything with the handlebar mustache.

Helpless, he could only bring the handlebar mustache back to the living room.

“Yao Qing, go and order some food,” Qin Yu said to Yao Qing.

The handlebar mustache waved his hand and said, “No need to be polite. Don’t overdo it. Just a Manchu-han banquet will do!”

Yao Qing glared at the handlebar mustache and muttered, “Old Thing, you’re really not polite.”

The handlebar mustache giggled and said, “Of course!”

This could not help but make people puzzled. What was with the proud look on the handlebar mustache’s face?

Yao Qing went to the restaurant and ordered some food. The handlebar mustache seemed to have not eaten for a few days as he wolfed down his food.

Peaches, who was beside him, frowned.

She tugged at Qin Yu and whispered, “Mr. Qin, who is this person? Why does he look so annoying?”

Qin Yu spread his hands and did not know how to explain.

“You can call him the man with the handlebar mustache,” Qin Yu said somewhat helplessly.

The way the man with the handlebar mustache ate was too rough, so Yao Qing and Peaches did not dare to come to the table.

The meal lasted for nearly an hour before the moustache man patted his stomach in satisfaction.

“Let’s Go!”The moustache man stood up and said.

“Wait.”At this moment, Qin Yu stopped the moustache man.

“I have something to ask you.”Qin Yu looked at the moustache man.

Then, he brought the moustache man to the bedroom.

The person lying on the bed was Fang Yue.

Qin Yu pointed at Fang Yue and said, “She has been unconscious for almost a month. Do you know what happened?”

The handlebar mustache rolled his eyes and said, “You are an elder of the Divine Alchemist Pavilion. How would I know something that you can’t do anything about?”

Qin Yu frowned and explained the whole process to the handlebar mustache.

After the handlebar mustache heard it, he also frowned slightly.

“Used her to summon the Dragon Spirit?”The handlebar mustache touched his chin and whispered.

Qin Yu nodded and said, “Yes. From then on, she was unconscious and her internal Qi was very weak.”

The handlebar mustache was silent for a moment and said, “I did read something similar in an ancient book, but it has been too long and I have forgotten about it.”

Then, the handlebar mustache said, “How about this? Give me some time and let me recall.”

“Okay.” Qin Yu nodded.

Anyway, Fang Yue had been asleep for so long, so it was not bad for the next few days.

Then, Qin Yu said goodbye to Yao Qing and the others and followed the handlebar mustache to the three big graves.

...

Jingdu martial arts association.

In the meeting room, a few higher-ups were still hiding in the darkness.

“Xia Hang is right. This Qin Yu probably has something to do with that person.”

“Could it be that the prediction from more than ten years ago is really about to come true?”

At the mention of the prediction, several higher-ups fell into silence once again.

“In order to prevent accidents, no matter what, we can’t let Qin Yu Leave Jingdu.” A woman’s voice was heard.

“On September 9th, mobilize three martial marquises and kill Qin Yu.”

“As long as he dares to appear, no matter what price he has to pay, we must kill him!”

Three martial marquises!

The Jingdu Martial Arts Association had not sent out any martial marquises for more than ten years!

And now, they actually directly mobilized three martial marquises! This was enough to show how much they valued them!

As for the “Person” and “Prediction” they spoke of, no one knew what it was. This seemed to be a secret of the Jingdu Martial Arts Association.

...

Qin Yu followed the handlebar mustache to the first big grave.

The first big tomb was in a declining village in the central plains.

This village was desolate and uninhabited. Within a radius of several miles, it was showing signs of decline.

It was said that countless feng shui masters had come to perform the ritual, but in the end, they all ended up in a sorry state.

“What strong Yin Energy.” As soon as he arrived at the village, Qin Yu could not help but be slightly surprised.

Such strong yin energy was almost not weaker than the Yin Tomb under the dragon vein!

Qin Yu hurriedly looked at the handlebar mustache and asked, “Where is the tomb?”

The handlebar mustache glanced at Qin Yu. He stepped on the ground and said, “The whole village is a big tomb.”

Qin Yu couldn't help but be stunned.

Such a big tomb? What was buried there?

The handlebar mustache seemed to see through Qin Yu's doubts and said, “According to my speculation, this place used to be a human sacrifice and a burial pit.”

Qin Yu frowned and found it hard to accept.

According to the Mustache Man, many people were buried alive here.

Perhaps it was because of this that the yin qi here was particularly prevalent.

“Alright, let's hurry up. We still have to go to the next big grave,” the mustache man muttered.

“Okay.” Qin Yu said no more.

He sat cross-legged on the ground and began to absorb the Yin Qi from heaven and earth.

In the blink of an eye, three days had passed.

Qin Yu sat cross-legged on the ground. The surrounding Yin Qi was like a stream flowing like the sea, disappearing bit by bit.

In just a few short days, the Yin Qi here began to disappear. Such a speed even the mustache man was somewhat surprised.

At this time, it was already August 21st. There were only 19 days left until September 9th.

The Yan family and the Han family had already decided on the location of the wedding.

This location was in a huge manor on the outskirts of Jingdu.

The main manor was located on a huge mountain, far away from the human world. It was a good place to kill people.

Today, several uninvited guests had arrived.

Their bodies looked weak, but their internal Qi was extremely powerful.

These people were the true top experts of the Martial Marquis Realm!

“If the Han family’s kid can get rid of him, that would be the best,” one of them said coldly.

“If he can’t do it, we must act immediately and quickly suppress him!”

Chapter 525: Chapter 525, three Yin tombs!

The Jingdu Martial Arts Association was clearly serious.

Three martial marquises were enough to wipe out any sect in the world!

Even the so-called number one sect in the north, the sacred Confucian school, only had one martial marquis overseeing it!

At this moment, Qin Yu didn't know that the Jingdu martial arts association was already secretly watching him.

But he was very clear in his heart that if he could not step into the martial marquis realm, he might not be able to return from this journey.

Qin Yu spent a whole four days to finally completely absorb the yin qi from the first grave.

He sat up from the ground and then shook his arms slightly, spitting out a mouthful of turbid internal QI.

“According to this progress, three such graves are enough to support me to step into the Martial Marquis Realm,” Qin Yu thought to himself.

The rank of Marquis Wu was a watershed. Once one stepped into the rank of Marquis Wu, they would give birth to a golden core, and their strength would also experience an unprecedented surge!

In today's world, the rank of Marquis Wu could practically run amok in the world!

Even top-tier capital families like the Yan family and the Han family could not forcefully order a Marquis Wu to work for them!

“If I can successfully step into the rank of Marquis Wu, this time when I go to Jingdu, I must teach them a lesson!” Qin Yu said coldly.

As long as he could successfully step into the Martial Marquis Realm, Qin Yu would not only be able to take Yan Ruoxue away, he would also be able to pick her up and show off his might!

Successfully taking Yan Ruoxue away was only the first step.

Qin Yu had promised Yan Ruoxue that he would definitely let her stand at the highest peak of Jingdu!

Either he would take back the Yan family, or he would establish an even bigger aristocratic family! A truly top-tier sect that was above the Yan family!

“Let’s go.” Qin Yu walked to the side of the handlebar mustache.

The handlebar mustache agreed and immediately brought Qin Yu to the second big tomb.

The second big tomb was located at a certain border in the north.

Just like the previous big tomb, this place was almost deserted. The atmosphere was cold and uninhabitable.

At a glance, it was frozen for thousands of miles.

The cold wind was like a sharp blade, cutting the life in pain.

The moustache pointed at an iceberg in front of him and said, “This is the place.”

Qin Yu didn’t say anything. He sat down cross-legged and began to absorb the second yin tomb.

Qin Yu spent six whole days on the second yin tomb.

When he finished absorbing the second yin tomb, it was already August 27th.

There were only thirteen days left until September 9th!

The intense sense of urgency made Qin Yu somewhat anxious.

“Take me to the third yin tomb immediately,” Qin Yu said somewhat anxiously.

The mustached man did not say much nonsense. He brought Qin Yu and quickly turned to the third yin tomb.

At this moment, Qin Yu’s body was already filled with a large amount of yin qi, and this Yin Qi would become the foundation for Qin Yu to try to break through to the Martial Marquis Realm.

According to Qin Yu’s calculations, after swallowing the third yin tomb, he would be able to try to enter closed door cultivation to break through to the Martial Marquis realm.

This was also the fastest method.

The two of them arrived at the third yin tomb.

However, the scene here made the two of them frown.

They saw that the third yin tomb had built a high wall, and there were tall buildings rising from the ground.

Looking up, they could see two big words written on the building: Yi Han.

“This is... someone set up a company here?” Looking up at the tall building, Qin Yu couldn’t help but frown.

Not only that, there were also a number of luxury cars parked under the building.

“Strange, why would someone set up a company in such a place?” The mustached man touched his chin and whispered.

Qin Yu also felt it was strange. This kind of place didn't attract people. If ordinary people lived for a long time, they might even get sick and die.

Who would choose to set up a company in this kind of place?

“Can you still find the fourth Yin Tomb?” Qin Yu looked at the handlebar mustache and asked.

The handlebar mustache rolled his eyes and said, “Do you think this yin tomb is a cabbage on the street?”

Looking at this building, Qin Yu could not help but frown.

After thinking for a moment, he finally strode in.

After entering the company, Qin Yu found that the people in this building were all as thin as sticks.

“This is the result of swallowing yin qi,” Qin Yu looked around and said in a low voice.

People who cultivated yin qi would usually be as thin as sticks and not in human form.

The reason why Qin Yu didn't fall into this situation was that he could absorb yin qi at the same time, so that yin and yang could maintain balance.

Then, Qin Yu released his spiritual sense and enveloped the entire building.

Soon, Qin Yu found that there were eight martial grandmasters and a half-step martial marquis in this building!

“It seems that this is not a company,” Qin Yu said in a deep voice.

The mustached man nodded and said, “Well, if I’m not wrong, this should be a sect.”

After all, it was a modern society, and many sects faced the world in the form of high-rise buildings.

Even the Saint Confucian school was the same.

“It’s said that those who cultivate yin qi are mostly sinister and cunning,” Qin Yu said coldly.

The mustached man glanced at Qin Yu and sneered, “Sinister and crafty people? Don’t you cultivate yin qi yourself?”

Qin Yu frowned and said, “I’m different.”

“What’s different about you? It’s just that you stand on different sides,” the mustached man said.

“You said that they’re sinister and crafty. That sage Confucian school is known as a righteous sect. Are they good birds?”

Qin Yu was instantly speechless. For a moment, he had nothing to say.

“Let’s go.” The nonsense made sense. Qin Yu didn’t say anything else.

Following this divine sense, Qin Yu walked towards the roof.

On the way, Qin Yu could clearly feel that the yin energy was getting denser.

When he arrived at a certain office on the top floor, the Yin energy here had already reached its peak.

Qin Yu pushed the door open, only to find that the door was tightly locked, and there was even a forbidden power placed on it.

However, this technique was not even worth mentioning in front of Qin Yu.

He merely used his spiritual energy to break the forbidden power with brute force.

The door slowly opened.

The moment he entered, he saw five people sitting inside the office:

One was a half-step martial marquis, and the other four were at the peak of the Martial Grandmaster realm!

They were all as skinny as sticks. Their hair was disheveled and their faces were dirty. Their eyes were deeply sunken, and they looked a little frightened.

At this moment, they were surrounding a black square object.

All the Yin energy came from this black square object!

“Who are you!” After seeing Qin Yu, the half-step martial Marquis stood up first!

Qin Yu explained, “Everyone, don’t misunderstand. I’m just here to discuss something with everyone.”

“HMPH, we’ve hidden here, and you still don’t want to give up, right? Fine, I want to see how capable you are!” The half-step martial marquis shouted loudly, and then reached out his hand towards Qin Yu!

Qin Yu had no choice but to dodge and explain at the same time.

But unfortunately, this half-step martial marquis didn’t listen to anything, and his moves became increasingly fierce!

Qin Yu frowned slightly. If this continued, who knew how much time would be wasted.

Thus, Qin Yu wrapped his palm with spiritual power and slapped out.

“Boom!”

This half-step martial Marquis was instantly jolted back one after another, and a mouthful of blood gushed out!

The half-step martial marquis wiped the blood at the corner of his mouth and stood up from the ground.

He gritted his teeth and said coldly, “As expected of someone from the Jingdu Martial Arts Association. Your strength is indeed extraordinary!”

Hearing this, Qin Yu was instantly stunned.

“Jingdu Martial Arts Association? I’m not a member of the Jingdu Martial Arts Association,” Qin Yu said awkwardly.

“You’re not a member of the Jingdu Martial Arts Association, but you’re also their lackey!” The half-step martial marquis shouted.

Qin Yu couldn’t help but frown. He was silent for a moment, then said, “A lackey of the Jingdu Martial Arts Association? The Jingdu Martial Arts Association has tried their best to kill me, so how can I become their lackey?”

Before the half-step Marquis could speak, another wave of fierce internal Qi came from the door!

Then, four or five people walked in from outside the door.

These people wore white robes. On the white robes, there was the symbol of the Jingdu Martial Arts Association.

Not only that, in their hands was a martial marquis weapon!

“You can hide quite well.. You actually hid in such a place?” As soon as these people entered the door, they sneered.

Chapter 526: Chapter 526, evil sect

Seeing these people, the half-step martial marquis immediately became anxious.

“You still say you’re not a lackey of the Jingdu Martial Arts Association!” He roared angrily!

Then, he turned to look at the other people and said coldly, “You guys leave immediately. Leave this place to me!”

“Elder Lu, then... then what about you?” The expressions of the martial grandmasters were somewhat unsightly.

The half-step martial marquis known as elder Lu coldly said, “I naturally have a way. Take the Yin formula and quickly leave!”

“Want to leave? Do you think you can leave?” The person from the JINGDU martial arts association stretched out his hand, and the four martial marquis weapons immediately buzzed and hung in all directions!

The space of the entire building was instantly confined here, and no one could escape!

Elder lu gritted his teeth and said coldly, “We have never provoked anyone. We have even helped countless people solve the feng shui problem. What right do you have to arrest us! ?”

The few members of the martial arts association sneered and said, “Cultivating Yin qi is an evil sect. We are here to arrest you!”

Qin Yu remained silent at the side.

He really didn't expect the martial arts association to have so many actions. It seemed that they really regarded themselves as the law enforcers of the martial arts world.

“Are you coming with us, or are you going to be killed on the spot?” The leader asked indifferently.

Elder lu gritted his teeth and said, “Let them go. They are still young...”

“Stop dreaming,”the martial arts association’s man interrupted elder Lu.

“Maggots like you, don’t even think about escaping. We will kill every single one of you.”

“That’s right. You Don’t want to cultivate inner strength, but you want to cultivate yin qi. You deserve to die.”

Hearing the words of the martial arts association, elder Lu seemed to be on the verge of breaking down.

He glared at the few of them and gritted his teeth, “Cultivate inner strength? All the resources in the world have been taken by you people. How can we cultivate inner strength?”

“We can’t afford the herbs. The spirit vein belongs to you nobles. You took all the benefits and turned around to call us maggots!”

“I think the biggest maggots are you!”

“Well said!”Even Qin Yu couldn’t help but clap his hands.

Only then did the people of the Martial Arts Association Notice Qin Yu.

They looked at Qin Yu coldly and said, “It seems that you are also an evil person.”

“What? I think they are right. Is It Evil?”Qin Yu sneered.

“Your Jingdu Martial Arts Association is really good at making accusations.”

“How dare you!”Hearing this, they were instantly furious!

“The Jingdu Martial Arts Association is not something you can slander!”

Qin Yu did not pay attention to them. Instead, he looked at elder Lu and said, “Elder Lu, I will help you kill them. How about you lend me that Yin Formula?”

At this point, Qin Yu hurriedly added, “Don’t worry, I will definitely return it to you in the future.”

Before elder Lu could say anything, the martial arts association’s expression turned cold.

“Kill us? You have such big words,”one of them said coldly.

“Even if you are not a heretic, you will die here today!”

With that said, the marquis weapons in four different directions started to flash!

A wave of killing intent instantly spread throughout the office!

“Buzz!”

With the activation of the Marquis weapons, a terrifying wave of killing intent headed straight for Qin Yu!

Qin Yu snorted coldly. He immediately clenched his fist and met it head-on.

“Clang”

A deafening collision entered everyone’s ears!

And that wave of killing intent was shattered by a single punch!

Even the Marquis weapons hanging in the corner began to tremble slightly!

“You want to kill me with just a Marquis Weapon?” Qin Yu sneered.

The expressions of the four members of the martial arts association changed immediately!

One of them asked tentatively, “Who exactly are you?”

“Qin Yu,” Qin Yu said quietly with his hands behind his back.

Hearing this, the expressions of the four people changed drastically!

“You... You Are Qin Yu? !” They subconsciously took two steps back!

Now, Qin Yu’s name had long spread throughout the Jingdu Martial Arts Association!

His deeds were known by everyone!

Forcing the Saint Confucian school to lower their heads, injuring vice president Xia Hang, forcefully snatching the dragon vein of the martial arts association, and killing the descendants of aristocratic families...

Any one of these things was enough to make people tremble in fear!

And Xia hang even identified Qin Yu as “One of the most dangerous people”!

Never did he expect to meet Qin Yu here today!

“You are Qin Yu?” Elder Lu was also stunned.

Qin Yu scratched his head and said, “Why, Am I so famous now?”

Qin Yu’s humor did not ease the atmosphere, but instead made people even more nervous.

The four members of the Jingdu Martial Arts Association looked at each other.

Then, one of them took a step forward and said, “Qin Yu, our duty is to eliminate these unorthodox sects. I hope you won’t make things difficult for us.”

“Eliminate the unorthodox sects?” Qin Yu couldn’t stop laughing coldly.

“Don’t make yourself sound so noble. Who knows what your Jingdu Martial Arts Association is doing?”

“You might even catch these people and turn them into resources for your own cultivation.”

As soon as these words were said, their expressions instantly changed!

Seeing this, Qin Yu couldn’t help but frown slightly.

“What, did I hit the nail on the head?” Qin Yu’s expression was somewhat unsightly.

“You... You’re spouting nonsense!” The few people said coldly.

“Qin Yu, you’d better get out of the way quickly. This matter has nothing to do with you!”

Qin Yu sneered, “If I see it, it has something to do with me.”

“Besides, I also hate your Jingdu Martial Arts Association.”

As he spoke, Qin Yu’s internal Qi climbed up, and a powerful force spread out.

“Mr. Qin, please be careful!” Elder Lu, who was not far away, shouted.

Qin Yu ignored him. He glanced at these people and said coldly, “Come, I also cultivate yin qi. Let’s do it.”

The few of them could not back down. They gritted their teeth and could only activate their martial marquis weapons to force their way towards Qin Yu!

Qin Yu did not panic at all when faced with these four martial marquis weapons.

When he was at the perfect stage, Qin Yu had already shattered four martial marquis weapons, not to mention now!

Qin Yu clenched his hands, and a golden light immediately shone brightly!

The four martial marquis weapons buzzed. Rays of light gathered into a huge ray and shot towards Qin Yu!

Qin Yu's expression did not change as he met the attack head-on!

His fist looked simple and unadorned, but it contained a destructive power!

The moment they collided, a huge explosion sounded!

A terrifying power spread out and sent everyone flying!

“Break for me!”

Qin Yu roared as the light on his fist surged!

The four Marquis weapons began to tremble violently!

In less than half a minute, the marquis weapons could no longer hold on!

“Crack!”

A few crisp sounds rang out, and the four Marquis weapons shattered with a sound!

All the light instantly disappeared, and the marquis weapons turned into a pile of scrap metal!
