

My Rich Wife – Chapter 527 –

Chapter 527: Chapter 527, the arrogant Han Wei

“Clang!”

The four Marquis weapons all fell to the ground.

Qin Yu raised his foot and directly crushed the four Marquis weapons into pieces.

Everyone’s expressions were unsightly, and their hearts were incomparably shocked!

They had always heard of Qin Yu, but they had never seen him make a move.

Seeing him today, they turned pale with fright!

“Not good, run quickly!”

No one knew who was the first to react, but they turned around and wanted to run!

Qin Yu sneered. He raised his palm and pinched forward.

The four people instantly felt a huge force grab their bodies, and they couldn’t move!

“It’s probably too late to run now,” Qin Yu said coldly.

In the next second, Qin Yu took a step forward and arrived in front of them in the blink of an eye.

The Heaven Devouring technique was activated in an instant and directly devoured the four people along with their spiritual senses!

Elder Lu and the others who were not far away gulped, as if they did not dare to believe the scene in front of them.

“So powerful... as expected of the reputation!”Elder Lu could not help but sigh.

After dealing with these people, Qin Yu turned around and walked in front of elder Lu.

He cupped his hands and said, “Elder Lu, I urgently need yin qi now. If you are willing to lend me this yin formula, I will definitely return it to you twice in the future.”

Elder Lu didn't say anything. He took the Yin formula and handed it to Qin Yu with both hands.

“Mr. Qin, your name is like thunder in my ears. You are the model of my generation. Please take this yin formula and use it,”elder Lu said politely.

Unconsciously, many people had already regarded Qin Yu as their idol.

And Qin Yu knew very well that as long as he defeated Han Wei this time, his reputation would be greatly boosted and he would reach the peak.

At that time, as long as he waved his arm and established his own sect and aristocratic family, it wouldn't be a problem at all.

“Elder Lu, I will return it to you,”Qin Yu said politely.

The Yin formula was only a one-time use item. Once it was used up, it would be gone.

However, who knew how many places in the world that were filled with yin qi had yet to be excavated. There would definitely be a chance to return it in the future.

After obtaining the Yin formula, Qin Yu didn't stay any longer and immediately left this place.

After going downstairs, the mustache man muttered, "Alright, my promise has been fulfilled. I have to make the next trip as soon as possible."

Qin Yu looked at the mustache man and said, "If there's a chance, I'll go with you."

"Sure, no one is willing to have a fighter," the mustache man said with a smile.

After the two of them parted ways, Qin Yu didn't waste any time and immediately rushed to Chuzhou.

Time was of the essence and Qin Yu did not dare to waste a single second.

While sitting on the plane, Qin Yu began to absorb the Yin formula.

This yin formula was formed from pure yin energy. The intensity of the Yin energy was self-evident.

Along the way, Qin Yu spent almost all his time absorbing this yin formula.

When he arrived at Chuzhou, the black luster on the Yin formula had already dimmed a little.

After returning home, Qin Yu looked at Yao Qing and Peaches.

“I’ll be going into closed-door cultivation for the next few days,” Qin Yu said.

He calculated the time and said, “On September 8th, wake me up no matter what.”

Yao Qing nodded and said, “Mr. Qin, don’t worry.”

Then, Qin Yu took the Yin formula all the way to the back mountain.

It was already August 29th, and there were only a few days left until September 9th.

Han Wei and Yan Ruoxue’s wedding was even more widely publicized, almost reaching everyone’s ears.

Even the news and television were reporting on this matter!

This was a marriage alliance between two top aristocratic families. Whether it was the martial arts world or the ordinary people, everyone was paying attention to this matter.

With the power of the connections of the Yan family and Han family, they could practically invite all the bigwigs in Jingdu to attend the wedding!

The two parties had even arranged the wedding venue early, waiting for the arrival of the 9th of September.

Time flew by.

In the blink of an eye, three days had passed.

In these three days, the Yin formula in Qin Yu's hand had dimmed a bit more.

The Yin energy within it had been reduced by more than half!

His entire body was filled with endless yin energy, yin energy and Qi/spiritual energy, slowly reaching a balance.

As the 9th day of the 9th month approached, everything seemed to calm down.

But everyone knew that this was the calm before the storm.

On the martial arts forum, news of Han Wei kept coming, but more people were discussing whether Qin Yu would appear at the wedding.

And whether the battle between the two of them could go on as planned.

“That Han Wei has already killed a martial marquis. He must have also stepped into the Martial Marquis Realm.”

“En, Qin Yu is only a half-step martial marquis. I'm afraid his chances of winning are not high.”

“Qin Yu's talent should be above Han Wei. You must know that Qin Yu only used a year to grow from nothing!”

“Who in the world can step into the realm of half-step Martial Marquis in a year? Even ye Qingjiang he couldn't do it, right?”

“If I were Qin Yu, I would suffer patiently and wait until i stepped into the realm of Martial Marquis to take revenge.”

“But unfortunately, Qin Yu is not that kind of person.”

Everyone agreed that Qin Yu would definitely appear at the wedding!

Jingdu, Han family.

The people of the Han family, as well as the four brothers of the Yan family, were sitting in the hotel discussing the wedding plan.

“Uncle Yan, let me propose a toast to you.” Han Wei held a glass of wine and walked in front of Yan Sihai.

“Thank you for marrying Miss Yan to me.”

This made Yan Yongxiu feel awkward. As Yan Ruoxue’s father, he was not the first person to be toasted.

“Second uncle, let me propose a toast to you too.” Then, Han Wei held his glass and looked at Yan Yongxiu.

Yan Yongxiu took a sip of wine and said, “I only have one daughter. You have to treat her well.”

Han Wei laughed and said, “Don’t worry, I will definitely treat her well!”

Although he said that, Han Wei’s heart was extremely vicious.

“Treat her well? Doesn’t this B * Tch like Qin Yu? I will definitely torture this B * Tch!” Han Wei cursed in his heart.

At this moment, Yan Sihai glanced at Han Wei and said, “Han Wei, are you confident in your fight with Qin Yu?”

Han Wei smiled faintly and said, “Uncle Yan, don’t worry. He, Qin Yu, is just an ant. I can stomp him to death with just a lift of my foot!”

Han Meng, who was at the side, also laughed out loud and said, “With my son’s current ability, killing that Qin Yu is no problem at all!”

Chapter 528: Chapter 528, small fish dual cultivation

Seeing the confident father and son duo, Yan Sihai nodded slightly.

He said indifferently, “Not only must we win, we must also win thoroughly.”

“If necessary, we will invite Marquis Wu to make a move.”

Han Wei hurriedly waved his hand and said, “There’s no need. Marquis Wu is just a defeated opponent of mine!”

“Then let us congratulate Han Wei in advance!” Yan Sihai raised his cup, and everyone immediately stood up.

...

Time flew by.

Qin Yu had entered the selfless realm, and the absorption of yin qi seemed to be an instinctive action.

The Yin Qi in his body had almost formed a balance with Yang Qi. With the current internal Qi in his dantian, it was enough to support him to enter the Martial Marquis Realm!

“Mr. Qin, it’s time.”

On this day, peaches gently patted Qin Yu’s shoulder.

However, Qin Yu didn’t react at all. His legs were crossed and his eyes were still slightly closed.

“Aiya, you’re too gentle. This won’t work,” Yao Qing muttered.

After saying that, he raised his foot and kicked Qin Yu’s body fiercely.

When one was in seclusion, they were at their weakest.

Therefore, this kick directly kicked Qin Yu to the ground.

He slowly opened his eyes, and the first thing he saw was the dazzling sun.

“Is it time?” Qin Yu sat up from the ground.

His brows were tightly knitted, and his face was full of worry.

“Mr. Qin, how is it?” Yao Qing asked.

Qin Yu shook his head and said, “Internal Qi is clearly enough, but I can’t step into the Marquis of Wu.”

The next day was the ninth day of the ninth month. Qin Yu had no time at all.

“Mr. Qin, how about... forget it,” Yao Qing said.

Qin Yu took a deep breath and said, “No matter what, I won’t watch Ruoxue marry Han Wei.”

Even thinking about it, Qin Yu found it hard to accept!

At this moment, Qin Yu felt that someone seemed to be coming from outside.

Qin Yu looked in the direction of the door and then left the back mountain.

All the way to the courtyard, he saw Gu Taichu and Jiang Gu gathered here.

Besides them, Uncle Wu and Little Yu were also here!

“Qin Yu!”

Little Yu was the first to run over.

She grabbed Qin Yu’s arm and whispered, “You can’t let sister Ruoxue marry that bastard Han Wei!”

Qin Yu stroked Xiaoyu’s hair and forced a smile, “Don’t worry. Even if I have to risk my life, I won’t let Han Wei get his way.”

“Xiaoyu, go to the side quickly. Don’t delay your brother Qin Yu’s business,” uncle Wu berated from the side.

Qin Yu looked at everyone and said, “Everyone, please come in.”

When they came to the living room, peaches made a pot of tea for everyone.

“Mr. Qin, what is your current realm?” Jiang Gu couldn’t help but ask.

Qin Yu frowned and said, “Half-step martial marquis.”

“Half-step Martial Marquis?” A hint of surprise flashed across Jiang Gu’s face, but at the same time, there was a hint of worry.

“Mr. Qin, that Han Wei seems to have just killed a martial marquis,” Jiang Gu said in a deep voice.

Qin Yu nodded and said, “I know. I’ve been trying to become a martial marquis for the past few days, but I don’t know why, but all the conditions to become a martial marquis seem to be enough, but I just feel that I’m lacking something.”

Jiang Gu couldn’t help but look shocked.

He used to be the number one person in Chuzhou, but now the gap between him and Qin Yu was getting bigger and bigger.

“In just a short year, he has already entered the Martial Marquis Realm. It’s really terrifying,” Jiang Gu couldn’t help but sigh.

However, Qin Yu remained silent.

Right now, he was not in the mood to sigh about his talent. Instead, he was worried about how to step into the realm of the Martial Marquis.

“It is said that stepping into the realm of the Martial Marquis requires a certain amount of opportunities and opportunities. It is not possible to

rely on closed-door cultivation,” Gu Taichu, who had remained silent all this while, suddenly said.

Qin Yu looked at Gu Taichu and said, “Master Gu, what do you mean by opportunities and opportunities?”

Gu Taichu was silent for a moment, then said, “Everything is ready, only the east wind is needed.”

Everything is ready, only the East Wind is needed?

Qin Yu was a smart man, so he quickly understood the meaning of this sentence.

“In other words... It depends on the heavens.” Qin Yu frowned.

Gu Taichu nodded slightly and said, “Yes, many people feel the arrival of a breakthrough unknowingly.”

“Of course, nothing is absolute. There are also people who forcefully try to break through to the Martial Marquis realm, but the success rate is extremely low.”

Qin Yu could not help but think of the pavilion master.

She had suppressed her cultivation realm for many years, but when she wanted to break through, she quickly stepped into the Martial Marquis realm.

How did she do this?

“Qin Yu, no matter which path it is, it’s too late for you.” Gu Taichu sighed.

Qin Yu smiled bitterly. “Yes, I plan to go to Jingdu today.”

“So Soon?” Uncle Wu frowned.

He held Qin Yu’s hand and said, “Are you really going to Jingdu?”

Qin Yu grunted and said, “I must go.”

Uncle Wu frowned and sighed. “If you are going to die, I don’t think Miss Yan will let you do it.”

Qin Yu slowly sat up.

He looked to the north and said, “It’s not that simple if they want to kill me.”

Qin Yu had been looking forward to fighting with Han Wei for a long time.

Qin Yu had long wanted to smash that loathsome face of this high and mighty young master.

“Qin Yu, Han Wei is different from other opponents. He might be the strongest opponent you will encounter,” Gu Taichu said slowly.

Qin Yu smiled. “I know. After all, he is the son of an aristocratic family and is known as the genius of Jingdu.”

Qin Yu paused for a moment and continued, “But which great master didn’t step on geniuses all the way to the top?”

Everyone was silent.

They wanted to advise Qin Yu, but they understood that Qin Yu had already made up his mind.

“Yao Qing, go prepare some food,” Qin Yu said to Yao Qing.

“Okay,” Yao Qing agreed and turned around to leave the room.

The atmosphere of the meal was a little strange.

Everyone’s mood was quite heavy.

After the meal, everyone planned to leave. After all, Qin Yu was about to leave for Jingdu.

At this moment, Xiao Yu suddenly pulled Qin Yu’s arm and said, “Qin Yu, come here. I want to talk to you.”

“Xiao Yu, don’t mess around!” Uncle Wu scolded.

Xiao Yu ignored uncle Wu. She pulled Qin Yu’s arm and walked to another room.

“What’s Wrong?” Seeing Xiao Yu’s impatient look, Qin Yu couldn’t help but laugh.

Xiao Yu looked around and said, “I just heard from them that you need a chance to become a marquis, right?”

Qin Yu nodded and said, “Yes.”

Xiao Yu gritted his teeth and said, “Am I not that pure yin body? I know that dual cultivation can bring about magical effects. Perhaps.... Perhaps this will allow you to step into the rank of Marquis.”

Chapter 529: Chapter 529, Yan Yunheng V S Yan Sihai

Xiao Yu's words stunned Qin Yu.

It had to be said that her suggestion might really be useful. After all, dual cultivation with a pure yin body could indeed bring miraculous results.

Unfortunately, Qin Yu could not accept this at all.

He could not accept anyone other than Yan Ruoxue.

“Alright, I have my own ways.” Qin Yu stroked Little Yu's head.

Little Yu said anxiously, “I'm not only doing this for you, but also for sister Ruoxue.”

Qin Yu said in a low voice, “Think about it. If your sister Ruoxue finds out about this, how will you face her in the future?”

Little Yu was instantly speechless. For a moment, he had nothing to say.

“Don't worry. It's just Han Wei. I'll personally wring his dog head off tomorrow,” Qin Yu said with a smile, pretending to be relaxed.

After saying this, Qin Yu dragged Xiao Yu out of the house.

“Everyone, regret period.” Before leaving, Qin Yu looked at everyone and slightly cupped his hands.

“Mr. Qin, I'll go with you,” Yao Qing said.

Qin Yu glanced at him and shook his head. “It's useless even if you go. You should stay.”

“No, no matter what, I want to go with you!” Yao Qing said seriously.

Qin Yu thought for a moment and nodded. “Alright then. I also happen to lack a companion on the way.”

After saying goodbye to everyone, Qin Yu went to the airport and headed to Jingdu!

This was the third time Qin Yu had come to Jingdu!

And this time, his state of mind was completely different from the previous two times.

Standing at Jingdu Airport, Qin Yu had an indescribable feeling in his heart.

There was nervousness, worry, and excitement...

But in the end, all his emotions turned into calm.

“Mr. Qin, where are we going now?” Yao Qing followed by the side and asked.

Qin Yu narrowed his eyes and said coldly, “To the Yan family!”

Qin Yu was worried about Yan Ruoxue’s safety. Now that he had come to Jingdu, Qin Yu naturally had to go to the Yan Family First!

“To the Yan Family?” Yao Qing seemed to be a little worried.

One had to know that the Yan family had always wanted to get rid of Qin Yu. Now that they took the initiative to go to the Yan family, wasn’t that courting death?

“If you’re afraid, then find a place to stay first,” said Qin Yu.

Yao Qing smiled bitterly and said, “I have a cheap life. What’s there to be afraid of?”

“Then let’s go.”

The two of them took a taxi and headed straight for the Yan family’s manor!

At this moment, at the solemn entrance of the Yan family’s manor, there was an uninvited guest.

He looked young, only in his thirties or forties, but his expression and posture were that of an old man.

This person was none other than Yan Yunheng, who had changed his body!

No one had expected that Yan Yunheng would come to the Yan family’s manor!

Ever since old Mister Yan “Died”, the Yan family’s manor had changed people inside and outside.

Even the bodyguards at the door had changed into familiar faces.

Yan Yunheng stood there and looked at the Yan family’s manor that he was most familiar with, and there was an indescribable pain in his heart.

“HMM? That person seems a little strange.” Soon, someone noticed old Mister Yan.

“I keep feeling that he seems to be a little similar to the person that President Yan wants to capture,” another bodyguard said softly.

The two of them looked at each other and suddenly took a step forward and grabbed old Mister Yan!

Yan Yunheng frowned slightly. He looked at the two of them coldly and said, "What do you want to do!"

"What do you want to Do? Don't think that I don't know that you have offended old Mister Yan. Old Mister Yan has always wanted to capture you!"The bodyguard said fiercely.

"I didn't think that you would dare to come to the Yan family's Manor?"

The two of them did not say anything else. They grabbed old Mister Yan and walked into the manor.

They imprisoned old Mister Yan in the living room. Then, they took out their phones and called Yan Sihai!

After a phone call, not long after, Yan Sihai rushed to the Yan family manor!

"Where is He!"Once the door was pushed open, Yan Sihai said anxiously.

"Director Yan, he is here."The bodyguard hurriedly pointed to Yan Yunheng beside him.

Their eyes met, and the atmosphere instantly froze.

Yan Sihai stared intently at Yan Yunheng in front of him, and his expression could not help but be a little strange.

Even though old Mister Yan had changed into a new body, his expression and gaze were no different from the old Mister Yan!

This made Yan Sihai feel a chill down his spine, and even a trace of fear rose from the bottom of his heart!

Even though Yan Sihai had become the new head of the Yan family, he was still indescribably nervous in front of his father!

“You guys can go out first.” Yan Sihai frowned and then waved his hand.

After sending the two bodyguards away, Yan Sihai sat directly opposite Yan Yunheng.

When father and son met, they were not as happy and excited as they had imagined. Instead, they were a little nervous.

“Yan Sihai, you are now very capable,” Yan Yunheng said coldly.

Yan Sihai’s expression changed again. He opened his mouth and realized that it was like a fishbone in his throat.

“What? You took over the Yan family and now you want to get rid of me?” Yan Yunheng asked coldly.

Yan Sihai gritted his teeth. He knew very well that there was no turning back. It was useless to say anything now.

Therefore, Yan Sihai mustered up his courage and looked at Yan Yunheng.

“Dad, if you are willing, I can let you enjoy your old age and give you everything you want!” Yan Sihai said through gritted teeth.

“You can continue to stay in the Yan family’s manor. Whatever you want, I’ll get someone to send it to you! But... you can’t stay outside!”

When Yan Yunheng heard this, he couldn't help but laugh and said, "You want to put me under house arrest? Just like putting Ruoxue under house arrest?"

"Dad, this is good for everyone," Yan Sihai said coldly.

"You are already so old. Why don't you go and work hard to enjoy your old age?"

Yan Yunheng sneered, "So, I have to thank you for your charity?"

Yan Sihai fell into silence.

He sighed and then slowly said, "I knew you wouldn't agree. With your temper, you won't let me go either, right?"

Yan Yunheng narrowed his eyes and said, "Why are you so anxious? I can live for three years at most. In three years, the Yan family will pass it to you."

"Pass it to me? Who knows if you will pass it to Yan Ruxue!" Yan Sihai gnashed his teeth and said.

He suddenly stood up and berated, "The Yan family must be mine. It can only be mine! Besides me, no one else has the right to touch it!"

"For the position of the successor of the Yan family, I can give everything! I can also get rid of everything! Even you!"

Yan Yunheng looked at Yan Sihai in front of him and said in a deep voice, "You have been blinded by the pleasure brought by power."

How Could Yan Sihai listen to all these ? He looked at Yan Yunheng coldly and said, “Dad, I will give you two options. Either you stay in the Yan family manor and enjoy your old age, or...”

He didn't finish his words, but the meaning was very obvious.

“You should be clear that as long as I don't admit that you're Yan Yunheng, then you're not.”Yan Sihai lit a cigar.

Yan yunheng sneered and said, “Threatening me ? You're still young.. If you're really ruthless, then make your move.”

Chapter 530: Chapter 530, a Slap!

Yan Sihai looked at Yan Yunheng coldly and said, “Father, you'd better not force me. For the position of the head of the Yan family, I will do anything!”

Yan Yunheng stared at his own flesh and blood in front of him and could not help but whisper, “The effect of power has already made you completely lost.”

“I don't want to listen to your nonsense!”Yan Sihai roared and his body immediately surged with killing intent!

Although Yan Sihai was a shrewd businessman, he was also a peak martial grandmaster!

And Yan Yunheng wholeheartedly built his own business empire, never dabbling in martial arts!

The two sides faced off, and Yan Yunheng was instantly shocked until he vomited blood!

“This person has repeatedly harmed the Yan family’s interests. I Can’t stand it anymore, so I dragged him out and settled it,”Yan Sihai said coldly.

Before he could finish his sentence, two bodyguards ran in from outside the door.

Yan Yunheng’s heart was filled with mixed feelings.

Yan Sihai was his own son after all. Now that he had committed patricide, how could he not feel pain in his heart!

Even though he showed that he was unperturbed, his heart was already in extreme pain!

The two bodyguards grabbed Yan Yunheng and Strode out!

Yan Sihai’s expression was also somewhat ugly, but in the end, he still let it go.

“I gave you a chance, Don’t blame me.”Yan Sihai snorted lightly.

...

Outside the door.

Qin Yu and Yao Qing just happened to arrive at the entrance of the Yan family manor.

Just as they walked to the door, Qin Yu saw Old Mister Yan being dragged out by two bodyguards.

“Old Mister Yan!”

Seeing this scene, Qin Yu's expression changed drastically!

His feet suddenly shook, and he instantly appeared in front of the two bodyguards!

Before they could react, Qin Yu had already stretched out his hands and smashed their heads into pieces!

"Old Mister Yan, you... Why are you here?" Qin Yu grabbed old Mister Yan's arm and asked anxiously.

Old Mister Yan did not say anything. His eyes were staring in the direction of the living room, and there was a hint of pain in his eyes.

Qin Yu seemed to have guessed something.

His face turned cold, and he immediately led Old Mister Yan into the living room.

He kicked open the door of the living room and saw Yan Sihai sitting on the sofa, smoking a cigar.

"Yan Sihai, you are really a beast," Qin Yu said coldly.

Seeing Qin Yu, Yan Sihai was instantly stunned.

He slowly stood up and sneered, "Qin Yu, how dare you come to the Yan family's Manor?"

Qin Yu ignored his bullshit. He pointed at Old Mister Yan and said, "This is your father. Everything you have is given by him. How dare you kill him? Are you still human?"

Yan Sihai sneered, "Qin Yu, what are you talking about? My father was killed by you a long time ago. Who is this person?"

"You!" Qin Yu immediately flew into a rage.

"You, on the other hand, dare to come to My Yan family's manor alone. Why? Are you tired of living?" Yan Sihai's expression also turned cold.

Qin Yu looked at Old Mister Yan and said in a low voice, "Old Mister Yan, you can leave first. I want to have a chat with Yan Sihai."

Old Mister Yan frowned and said, "Qin Yu, you..."

"I know what to do," Qin Yu interrupted old Mister Yan.

Then, he looked at Yao Qing and said, "Take old Mister Yan out."

"Yes, Mr. Qin." Yao Qing nodded and immediately led old Mister Yan out of the living room.

Yan Sihai smoked his cigar and sneered, "You Little Ant, How dare you come in front of me?"

Qin Yu looked at Yan Sihai coldly and said, "Yan Sihai, I know that you are rich and have a high status, but you only have one life."

Hearing this, Yan Sihai's expression changed slightly.

"What do you mean?" Yan Sihai said coldly.

Qin Yu clenched his fist and said, "You don't even have a bodyguard by your side, and you are only a martial grandmaster. What right do you have to be arrogant with me?"

As he spoke, Qin Yu walked toward Yan Sihai step by step.

Yan Sihai was, after all, a person who had experienced great storms. Even under such circumstances, he did not panic at all.

“You want to scare me?” Yan Sihai sneered.

“With just you? An Ant at the bottom? I, Yan Sihai, have eaten more salt than you have eaten rice! Do you dare to Touch Me!”

“It seems that you don’t know me very well,” Qin Yu said coldly.

The next second, Qin Yu’s palm suddenly stretched forward!

In the blink of an eye, this slap landed on Yan Sihai’s face!

Although the force was not strong, it was extremely insulting!

Yan Sihai touched his face and his expression turned extremely ugly!

“You dare to hit me?!” Yan Sihai flew into a rage!

He was the head of the Yan family! No one had ever dared to humiliate him like this!

Qin Yu sneered, “Not only do I dare to hit you, I also dare to kill you!”

As he spoke, waves of intense killing intent burst out from Qin Yu’s body!

His heart was really filled with killing intent!

This might be the best opportunity to kill Yan Sihai! After today, Qin Yu would probably never have the chance to make a move against him again!

Yan Sihai looked at Qin Yu coldly and said, "Alright, go ahead and try. I can guarantee that if anything happens to me, I will make everyone related to you disappear, including Yan Ruoxue."

Qin Yu's expression could not help but change.

He did not doubt that Yan Sihai really had the ability.

Moreover, killing Yan Sihai would not solve the fundamental problem at all. It would only make the Yan family more chaotic.

In an instant, Qin Yu was like a deflated rubber ball. His killing intent began to disappear bit by bit.

Yan Sihai lit a cigar and said indifferently, "Why? Are you giving up just like that? Aren't you very capable?"

Qin Yu raised his head and looked at Yan Sihai coldly.

"Yan Sihai, it's easy for me to kill you. The reason why I don't make a move is not because I'm afraid of You," Qin Yu said coldly.

"It's just that now is not the time. Sooner or later, the Yan family will return to old Mister Yan's hands."

"Hahahaha!" Yan Sihai could not help but laugh when he heard this.

"You're really arrogant! You're just a martial artist, don't think too highly of yourself!"

Qin Yu could not be bothered to talk nonsense with Yan Sihai. He said coldly, “Where’s Ruoxue? I want to see her.”

Yan Sihai sneered and said, “She’s not in the Yan family’s manor. She should be preparing for the wedding at this time. You want to see her? Let’s wait until tomorrow at the wedding.”

Qin Yu could not help but clench his fists.

He took a deep breath and suppressed the anger in his heart.

“Yan Sihai, you will pay the price for everything you have done,” Qin Yu said coldly.

Yan Sihai sneered and said, “Let’s talk about it after you can live through tomorrow.”

Qin Yu did not say anything more. He turned his head and walked out of the door.

“Let’s go.” Qin Yu walked in front of old Mister Yan and forced a smile.

Old Mister Yan didn’t say anything and only nodded his head.

In the living room, Yan Sihai’s expression instantly turned cold.

His entire face flushed red at an extremely fast speed, and veins popped up on his forehead!

“Qin Yu... You Dare hit me.... I’ll tear you into pieces! ! !” Yan Sihai’s furious roar spread throughout the entire Yan family manor!

Chapter 531: Chapter 531, wedding!

Yan Sihai appeared calm on the surface, but in reality, he had long since broken through his defenses.

He clenched his fists tightly, wishing he could tear Qin Yu into pieces!

At this moment, his hatred for Qin Yu had reached its peak.

...

Qin Yu brought Old Mister Yan out of the Yan Manor.

“Old Mister Yan, you clearly know that Yan Sihai is looking for you. Why did you come to Jingdu?” Qin Yu couldn’t help but ask.

Old Mister Yan said somewhat sorrowfully, “My beloved granddaughter is getting married. How could I not come...”

Qin Yu was momentarily speechless.

He knew that old Mister Yan loved Yan Ruoxue the most, but he didn’t think that he would take such a risk to come and visit Yan Ruoxue.

“Old Mister Yan, don’t worry. I Won’t let Han Wei succeed,” Qin Yu said.

Old Mister Yan sighed slightly, and his expression didn’t look good.

The three of them temporarily found a place to stay.

Looking at the once familiar manor of the Yan family, Old Mister Yan’s heart was filled with mixed feelings.

He never thought that one day, he would be driven out of Jingdu! And by his own son!

“Old Mister Yan, don’t think too much. Tomorrow, I’ll go with you to attend that so-called wedding,”Qin Yu said.

Old Mister Yan nodded. He looked at Qin Yu and said, “Ruoxue and I believe in you.”

...

The news of Qin Yu’s arrival in Jingdu quickly spread.

The Yan and Han families gathered together to discuss whether or not to attack Qin Yu in advance.

But this suggestion was rejected by Han Wei.

“No need to worry. I have absolute confidence in getting rid of Qin Yu,”Han Wei said with confidence.

Yan Sihai, who had been silent all this time, suddenly stood up and said coldly, “Even if you are confident, I will still deploy my own forces!”

“I want to let him know what it means to offend an aristocratic family!”

The sudden outburst gave everyone a fright.

The sudden change in Yan Sihai’s attitude made people feel even more puzzled.

“Director Yan, what’s Going On?”Han Meng couldn’t help but ask.

Yan Sihai said coldly, “I must let this arrogant brat know what fear is!”

After saying this, Yan Sihai slammed the door and left.

With his connections and strength, who knew how much power he could mobilize!

After a few phone calls, Yan Sihai mobilized close to eight martial marquises!

Those were martial marquises! Eight martial marquises was almost equivalent to all the power of the martial marquises in Jingdu!

Other than the Jingdu martial arts association, probably no one could go against these eight people!

Apart from that, Yan Sihai also called dozens of gunmen to attend the wedding together!

This was enough to prove how angry Yan Sihai was!

That night.

The entire Jingdu was peaceful. Everyone was waiting for the wedding of the century the next day.

Qin Yu stood in front of the hotel window, unable to fall asleep for a long time.

His emotions were extremely complicated. He wanted to immediately travel to the next day, but he was also somewhat afraid of the arrival of the next day.

“Ruoxue...”Qin Yu muttered the name in a low voice. He couldn’t help but clench his fists.

Jingdu didn’t lack second-generation rich people the most.

Below the hotel, the roar of sports cars could be heard from time to time.

Qin Yu looked down at this group of second generation of the rich and couldn't help but sigh in his heart:

People really had different lives.

Some people risked their lives just for a few taels of silver.

And some people didn't have any worries from birth.

There were also people like Qin Yu who struggled hard and escaped death all day long.

Time flew by.

In the blink of an eye, the second day had arrived.

Before dawn, Qin Yu and the other two left the hotel and went straight to the wedding venue.

At this moment, there were already people gathered at the wedding venue.

“No matter what, we must let Qin Yu Die here today,” a cold voice said.

These three people were none other than the three martial marquises from the Jingdu Martial Arts Association!

“Yan Sihai seems to have also mobilized his forces. It is said that he has mobilized eight martial marquises,” another person said.

“Ha, Yan Sihai seems to be having a headache from this kid. With his help, things might be a lot easier.”

“Or maybe we don’t need to make a move. The Han family’s eavesdropping kid will get rid of Qin Yu.”

After that, the three people slowly disappeared.

Qin Yu, Old Mister Yan, and the others took a car and rushed toward the small mountain.

The remote suburbs of the small mountain were extremely lively today.

Countless luxury cars were parked at the foot of the mountain.

There were rolls-royces, Bentleys, Mercedes-benz, and so on.

And on the mountain, the huge mountain peak artificially supported a large piece of flat land.

On this flat land, there were flowers and fine wine.

And there were countless tables and chairs to welcome these guests.

Looking up from the foot of the mountain, one could see a huge sign.

There were a few words written on it:

Groom: Han Wei.

Bride: Yan Ruoxue.

All the important people of Jingdu had come. Other than that, there were also many guests who had come because of their fame. The Han and Yan families did not reject anyone who came.

In front, Han Meng and Yan Sihai were sitting together, quietly watching this grand scene.

“TSK TSK, how many years has it been since jingdu has had such a grand scene?” Han Meng sighed.

Yan Sihai took a puff of his cigar and snorted lightly. “The last time so many people came to support us was on my old master’s birthday.”

“That’s right.” Han Meng nodded slightly.

The reason why the Yan family was able to develop to this day was because of the former Emperor Yan!

In the entire JINGDU, no one did not give him face!

Even the old master of the Han family could not be mentioned in the same breath!

More and more guests came, and the entire scene was almost filled with people.

A helicopter landed on the mountain. It was unknown which big shot had descended.

“The people from the Chu family have also come,” Han Meng said.

Yan sihai snorted lightly, “What Chu family and Wang Family? Our marriage alliance means that we are the only ones in Jingdu!”

Han Meng nodded slightly and smiled, “With our marriage alliance, there is indeed no one in Jingdu who is a match for us.”

“The Pavilion Master of the Medicine God Pavilion is also here.” At this moment, Yan Sihai suddenly noticed a beautiful figure.

“En? That person seems a little familiar. He seems to be elder Li from back then.”

“Marquis Bai Wu is also here.”

Many big shots in the martial arts world also came to the scene.

Xia hang of the Jingdu Martial Arts Association was naturally waiting here early.

“Dad, Uncle Yan.”

At this moment, Han Wei, dressed in a white suit, walked in front of the two of them.

“You still call him Uncle Yan? Change Your Name,” Han Meng said with a smile.

Han Meng hurriedly said, “Dad!”

Yan Sihai nodded slightly, as if he had acknowledged this son-in-law.

The scene was filled with joy and harmony. Someone held a wine glass and came forward to toast.

“Congratulations, Young Master Han. Young Master Han and Miss Yan are truly a match made in heaven. A Perfect Match!”

“The marriage between the Yan and Han families will definitely bring the two families to a new height!”

Han Wei was also full of pride. He held the wine glass and thanked them one by one. The excitement in his heart was self-evident.

Just as everyone was laughing and cheering, an explosive sound suddenly came from not far away!

Raising his head, he saw a golden light flash past and ruthlessly smash towards the signboard that had the words “Bride and groom” printed on it!

The signboard immediately shattered!

Following that, he saw a young man holding the signboard that had been smashed into two as he walked up the mountain step by step.

Chapter 532: Chapter 532, kill without mercy!

The loud voice instantly attracted countless gazes!

They all seemed to feel a trace of doubt towards this unfamiliar face.

“Qin Yu!”

Han Meng immediately shouted, and a billowing air wave approached!

This voice contained powerful inner strength, and it was approaching Qin Yu’s vital point!

Qin Yu raised his palm, and this air wave turned into ashes.

“Han Wei, we finally meet,” Qin Yu said coldly.

Han Wei narrowed his eyes. Just as he was about to speak, Han Meng waved his hand and said, "There's no need to be anxious. We are from an aristocratic family. We have to maintain our poise."

Han Wei nodded. He glanced at Qin Yu coldly and didn't say anything.

"He is Qin Yu?"

"It is said that he has been challenging old Mister Yan for many days, and it seems that he even killed old Mister Yan."

"It seems that the two of them are going to fight today. This Qin Yu is obviously here to cause trouble."

"This Qin Yu looks ordinary. He actually dares to challenge the Yan and Han families."

"I heard that it's because of the Yan family's eldest miss."

Everyone discussed animatedly with curious faces.

"Qin Yu, today is young master Han and Miss Yan's Big Day. Where are the gifts you brought?" The person in charge of receiving at the door said indifferently.

Qin Yu glanced at him. He stretched out his hand and a coffin fell out of the spatial magic tool!

"This is a gift I gave to Han Wei," Qin Yu said coldly.

Everyone sucked in a breath of cold air!

A coffin on a big day?

How arrogant was Qin Yu? !

“Interesting, interesting.” Han Meng couldn’t help but sneer.

The person in charge of receiving the guests shouted, “Deliver the coffin? Quickly take the coffin and get out!”

Qin Yu laughed coldly, “Your master hasn’t said anything yet and you, a dog, are starting to clamor.”

After saying that, Qin Yu waved his hand and directly slapped the body of the person in charge.

The person in charge immediately flew into the air. Qin Yu gently raised his palm and the coffin lid opened.

The receptionist landed in the coffin without any deviation.

“Qin Yu!” Han Wei couldn’t hold it in any longer!

He clenched his fist and said coldly, “I think you are courting death!”

Qin Yu sneered, “Han Wei, do you still remember our agreement?”

“If I win, you will obediently give up on Ruoxue. You Won’t forget, right?”

As soon as he said this, everyone was shocked.

Most of these people were businessmen. They had no idea that Qin Yu and Han Wei had such an agreement!

Han Meng did not deliberately hide it. He sneered and said, “Of course I remember, but... Your Bet is your life!”

“The same goes for you!”Qin Yu took a step forward and instantly arrived at the empty space in the middle!

“I’ve been waiting for this day for a long time,”Qin Yu said coldly.

Just as Han Wei was about to make a move, Han Meng waved his hand.

Then, Han Meng stood up and said, “Everyone, this is my son’s special performance for everyone. It’s to cheer everyone up.”

“This Qin Yu has been harassing Miss Yan for many years. My Son has endured it again and again, but he made it worse.”

“So, on the day of the wedding, my son decided to solve the problem once and for all.”

Hearing Han Meng’s words, Qin Yu could not help but sneer, “What a load of nonsense, inverting the truth!”

Han Meng was not angry. After all, who would believe Qin Yu’s words among the people present?

“Old Mister Yan, go find a place to sit first,”said Qin Yu.

Old Mister Yan nodded and said in a deep voice, “Be careful.”

“Don’t worry,”said Qin Yu.

Then, Qin Yu looked at Han Wei.

His internal Qi was faintly fluctuating, and his aura was rapidly rising.

“Han Wei, why aren’t you here to die?”Qin Yu shouted.

Han Wei smiled faintly and said, “Don’t worry. I have an appointment with the reporters, but they haven’t come yet.”

“I want to defeat you personally in front of everyone. You shouldn’t have any objections, right?”

“Okay!” Qin Yu shouted.

“I also want the world to know that the young master of an aristocratic family will also lose to an ordinary person like me!”

Han Wei could not help but laugh out loud, “Arrogant words! You really think highly of yourself!”

Qin Yu could not be bothered with Han Wei. He turned his gaze towards Yan Sihai and said coldly, “Yan Sihai, where’s Ruoxue?”

Yan Sihai said indifferently, “You don’t have the right to know.”

Qin Yu’s face was cold as he said, “Yan Sihai, I’m telling you, no matter what, I will take Ruoxue away today.”

“If anyone tries to stop me... kill them without mercy!”

The rest of the eyes swept over everyone present! It was as if they were warning everyone present!

Chapter 533: Chapter 533, I told you to let him go!

Qin Yu’s voice carried an unspeakable coldness, as if a cold wind was blowing past.

However, his words did not cause fear in the crowd. Instead, it caused them to burst into laughter.

“How arrogant! What, are you threatening us?”

“Kill without mercy? Do you know who we are? Do you know what it means to have one of us die?”

“How arrogant! After killing Old Mister Yan, he still dares to come to the Yan family to make a ruckus. He really doesn't know death!”

His words aroused the anger of the crowd. It seemed that everyone regarded Qin Yu as an enemy.

Qin Yu didn't care. He wasn't from this circle to begin with, so how could he be recognized?

After experiencing so much, Qin Yu had long understood.

Right and wrong weren't important at all. What was important was the division of interests.

Qin Yu turned around and was about to find a seat to sit down.

At this moment, he suddenly noticed the pavilion master of the Divine Medicine Pavilion who was sitting somewhere.

Qin Yu was stunned for a moment before he hurriedly walked over.

“Lord Pavilion Master, why are you here?” Qin Yu said with some surprise.

The pavilion master said indifferently, “You are an elder of my divine medicine pavilion. Naturally, I have to come.”

Although these words seemed plain, the meaning contained within them was not ordinary.

Pavilion Master's intention was clearly to cover for Qin Yu.

This also made Qin Yu extremely excited.

“Lord Pavilion Master, I...”

“There's no need to say words of gratitude.” Pavilion master interrupted Qin Yu's words.

Qin Yu nodded his head vigorously. Time and time again, Qin Yu had long treated pavilion master as his family.

Sitting here, Qin Yu could clearly feel that there were countless murderous auras coming towards him from the dark.

“There are quite a few people who want to kill me today,” Qin Yu said coldly as he took a sip of tea.

The pavilion master said, “It's best to be careful. After all, you are facing two great jingdu aristocratic families.”

Qin Yu nodded and said, “I understand, pavilion master.”

Time flew by. Ever since Qin Yu arrived, the atmosphere at the scene had become somewhat strange.

And the seats that Qin Yu and the pavilion master were sitting in were empty. No one was willing to get close to them.

“Ungrateful Beasts, you have the face to sit there,” someone cursed in the dark.

“Old Mister Yan has done you a favor, but you did such a disgraceful thing. It’s simply unreasonable for you to have a good ending.”

Qin Yu completely ignored the curses of the crowd.

He drank his tea silently and said in a low voice, “The truth will come out sooner or later.”

Time passed by minute by second. Very soon, it was 11:30 am.

Qin Yu sat there with his eyes slightly narrowed. There was not the slightest hint of panic on his face.

At this moment.

Qin Yu suddenly felt an extremely familiar internal Qi!

He suddenly opened his eyes and looked at the Bentley that was slowly approaching from the distance!

The front of the car was covered with red flowers. When the car door opened, he saw Yan Ruoxue in a wedding dress!

“Ruoxue!”

Qin Yu suddenly stood up!

And Yan Ruoxue’s eyes also looked in the direction of Qin Yu.

“Qin Yu...”she whispered Qin Yu’s name, and a smile couldn’t help but appear on her face.

Qin Yu couldn’t care about anything else. He strode in the direction of Yan Ruoxue.

“Qin Yu, don’t be rash,”the pavilion master said with a frown.

However, how could Qin Yu listen to him? He strode towards Yan Ruoxue.

“What are you trying to do?”

Two half-step martial marquises immediately blocked Qin Yu’s path.

“What? Are you trying to snatch the bride in broad daylight?”The two people said coldly.

“Get lost!”

Qin Yu roared and his aura exploded!

The two half-step martial marquises were immediately forced back!

“Stop him!”

Han Meng shouted from above!

Instantly, countless martial artists stood up and blocked Qin Yu!

Over ten martial artists blocked Qin Yu’s Path!

Among them were martial grandmasters, half-step martial marquises, and there was no lack of martial marquises!

Qin Yu coldly glanced at everyone and said word by word, “I told you all to Scram.”

“Qin Yu, this matter originally had nothing to do with us, but you’re too arrogant. We really can’t stand it anymore.”

“That’s right. Miss Yan and Young Master Han are a match made in heaven. Don’t you find it embarrassing to interfere?”

“If you dare to take another step forward, don’t blame us for being impolite!”

Qin Yu glared at everyone and said word by word, “I told you to get lost!”

As he spoke, golden light burst out from Qin Yu’s body! A terrifying Majesty instantly rolled over!

After sensing Qin Yu’s internal Qi, their expressions couldn’t help but change!

This internal Qi was too tyrannical!

Was this really the internal Qi of a half-step martial marquis? !

“Qin Yu, do you really think you are invincible?”The Martial Marquis took a step forward and said indifferently.

This person’s surname was Bai, and the people gave him a title: Marquis Bai Wu.

Marquis Bai’s strength was extremely strong, so he was not afraid of Qin Yu at all.

However, Qin Yu was also not afraid of him, even though he knew he was not a match for him.

“Get lost!”Qin Yu roared angrily, and a golden light instantly appeared, heading straight for Marquis Bai Wu!

Marquis Bai Wu snorted coldly, “You don’t know what’s good for you!”

He waved his large palm and fiercely met Qin Yu’s fist!

After all, Marquis Bai was a veteran marquis, so how could Qin Yu be his opponent.

With this palm, Qin Yu took a few steps back, and his fist was even more painful!

Marquis Bai did not stop at this point. He grabbed Qin Yu, and with a terrifying force, he directly pressed Qin Yu to the ground!

“You don’t know what’s good for you. How dare you attack a Marquis?” Marquis Bai Wu said coldly.

The people around him shouted, “Marquis Bai Wu, teach him a lesson! Rub his spirit!”

“Marquis Bai Wu, we can’t let this kid go.”

Qin Yu gritted his teeth. He urged the spiritual power in his body, and a huge force burst out!

Even Marquis Bai Wu’s expression changed for a moment. He only felt waves of numbness in his palm, as if he could not hold it down anymore!

“Pa!”

At this moment, a loud slap spread throughout the entire scene!

Looking up, he saw that Yan Ruoxue was already standing in front of Qin Yu.

Her force was not big, but it landed firmly on Marquis Bai Wu's face.

"Let him go," Yan Ruoxue said coldly.

Marquis Bai Wu opened his mouth and explained, "Miss Yan, i..."

"I told you to let him go!" Yan Ruoxue did not say another word and gave Marquis Bai Wu another clear slap on the face!

Marquis Bai Wu gritted his teeth and could only unwillingly let go.

After all, Yan Ruoxue was the eldest miss of the Yan family. Even if she was Marquis Bai Wu, he could only endure it.

"Qin Yu, how are you?" Yan Ruoxue gently helped Qin Yu up.

His face, which was as cold as ice a moment ago, now seemed to bloom with a smile like a spring breeze.

Chapter 534: Chapter 534, Ruoxue, I've finally met you

Their eyes met. Qin Yu, who had always been tenacious and unyielding, couldn't hold it in any longer.

Every time he faced Yan Ruoxue, Qin Yu was like a child.

He pulled Yan Ruoxue and suppressed the emotions in his heart. He tried his best to remain calm and said, "I'm fine. It's good to see you again."

"Me too," Yan Ruoxue said in a low voice.

The sudden change stunned everyone present.

Yan Ruoxue and Qin Yu... seemed to really have feelings for each other?

Above, Han Wei's face was livid with anger as he clenched his fists tightly!

Han Meng's face was even uglier!

In front of so many people, this was simply humiliating the Han family!

"Pull them apart," Yan Sihai said coldly.

Around them, someone immediately approached.

Yan Ruoxue coldly glanced at them, but they immediately froze on the spot.

"No Matter What, you are the most important. You have to protect yourself." Yan Ruoxue stood on Tiptoe and lightly patted Qin Yu's head.

Qin Yu couldn't hold himself back for a moment.

He took a deep breath, then clenched his fist and said, "Ruoxue, wait for me. I will take you out of Jingdu today."

"Okay, I'll wait for you," Yan Ruoxue said seriously.

"Miss Yan." The people of the Yan family walked quickly to Yan Ruoxue's side.

Yan Ruoxue reluctantly glanced at Qin Yu. Then, she followed the two people and slowly left, walking into the villa.

Qin Yu's eyes kept staring at Yan Ruoxue's back.

The longing in his heart completely exploded at this moment!

“Han Wei!”

Qin Yu roared! The terrifying inner strength rushed toward Han Wei!

Han Wei also said in a cold voice, “Qin Yu, You Damn Bastard!”

“The one who should die is you.” Qin Yu gritted his teeth and said.

Yan Sihai, who was at the side, said coldly, “Qin Yu, you came to spare the Yan family. What crime should you commit?”

“Yan Sihai, you deserve to die even more.” Qin Yu gnashed his teeth and said.

“You well-dressed animals, for the sake of benefits, you can disregard anything.”

“Yan Ruoxue doesn’t like Han Wei at all, don’t you know that! ?”

“Why must you force Yan Ruoxue and Han Wei to be together! You are already rich enough, why do you still want to breed your own desires without limits!”

When Yan Sihai heard this, he immediately slammed the table and stood up!

He pointed at Qin Yu and said, “What nonsense are you spouting!”

“You know damn well what I’m talking about! You are a whore and you still want to build a memorial arch!” Qin Yu cursed loudly.

In front of so many people, Yan Sihai was scolded by Qin Yu until his head was drenched in blood. Naturally, he could not keep his face.

“Qin Yu, that’s enough.”At this moment, Yan Yongxiu, who was sitting next to Yan Sihai, coughed.

Qin Yu glanced at Yan Yongxiu and sneered, “Yan Yongxiu, I originally thought that you were a gentleman, but in the end, you’re a coward!”

“When we first met, you kept saying that you were doing this for Ruoxue, but in the end?”

“The result was that you watched Yan Sihai push your daughter into the fire pit? Are you worthy of being a father?”

Yan Yongxiu’s expression changed. He berated, “Qin Yu, why are you like a Mad Dog? You want anyone you see!”

“Am I Wrong?”Qin Yu sneered.

“You let Yan Sihai turn Ruoxue into a tool. You are not worthy of being a father.”

“You knew that old Mister Yan wasn’t dead, but you didn’t dare to make a sound. You Don’t deserve to be a son either.”

“If you weren’t Ruoxue’s father, I would have scolded you a long time ago! You Bastard, you didn’t even know it and stuck your face out to scold me. Are You Cheap?”

The scene was silent.

“Gulp”

Someone silently swallowed a mouthful of saliva.

“Is what this Qin Yu said true?”

“He said that old Mister Yan isn’t Dead? What does that mean?”

“This Qin Yu is really a sharp-tongued kid. He doesn’t panic at all when facing an aristocratic family like the Yan family. I have to say, his attitude isn’t ordinary.”

Above, Yan Sihai said coldly, “What nonsense are you spouting? Do you think you have the right to decide the family affairs of our Yan Family?”

“I also told you that Yan Ruoxue will definitely marry Han Wei! You Can’t stop it, nor can you change our thoughts!”

Qin Yu sneered, “I have never thought of changing your minds. I only need to kill Han Wei.”

“Arrogant!” Han Wei couldn’t hold it in anymore!

He took a step forward, and his whole body was filled with energy. He instantly exploded!

“Qin Yu, this is not the place for you to talk nonsense!” Han Wei said coldly.

“Kill me? Do you think you are worthy? I will stomp you to death like an ant!”

“Okay, then you try it!” Qin Yu’s internal Qi also exploded at this moment!

The collision of the two internal Qi immediately caused a hurricane!

The surrounding people couldn't help but move the dining table backward, afraid of being affected!

A large empty space was opened up at the scene.

A great battle was about to break out!

At this moment, a car drove in.

There were a few big words written on the car: Jingdu Martial Arts Association!

When the car stopped, they saw a group of reporters with cameras running out of the car.

"They're finally here." Han Wei took a deep breath.

He looked coldly at Qin Yu and said, "Qin Yu, it's time for you to die."

Qin Yu clenched his fist and said, "I can't wait to see you lower your arrogant head."

"Is that so?" Han Wei narrowed his eyes and sneered, "If I can step on you once, I can step on you countless times!"

These words were obviously mocking their first meeting.

Qin Yu sneered, "Han Wei, you will regret not killing me back then."

After saying that, Qin Yu raised his head and looked at a window in the villa.

On the window, Yan Ruoxue was watching this scene.

Qin Yu faced the direction of the window and revealed a confident smile.

Han Wei naturally noticed this scene. He followed Qin Yu's gaze and turned around to look at the window. After that, his face could not help but darken.

“Qin Yu, I will step on you under my feet in front of Yan Ruoxue!” Han Wei said coldly.

“I will let her know how bad her taste is!”

Accompanied by Han Wei's angry roar, the energy in his body instantly exploded and he threw a punch at Qin Yu!

“Come on, let me see just how capable you are as a young master of an aristocratic family!” Qin Yu also roared angrily!

His body was covered with a golden light and he threw a fierce punch at Qin Yu!

Chapter 535: Chapter 535, the great battle had arrived!

The first head-on collision between the two fists erupted at this moment!

This wasn't just a clash between Qin Yu and Han Wei, it was also a clash between the lower echelons and the aristocratic families!

“Boom!”

A loud sound like thunder resounded in their ears, and a terrifying shockwave rapidly spread out in all directions with the two of them as the center!

Countless tables and chairs were shattered on the spot. If it wasn't for Marquis Wu holding down the fort, all the ordinary people present would probably have died from this collision!

The two of them took a few steps back, their faces also filled with coldness.

Qin Yu looked coldly at Han Wei in front of him and said, "It seems that you are just so-so. I now very much doubt how you beheaded Marquis Wu."

Han Wei narrowed his eyes and said, "But just now, I only used 10% of my strength in this punch."

His aura was slowly released.

In an instant, the entire scene felt an intense pressure, as if a huge mountain was pressing down on his chest!

Qin Yu, who was at the center of the storm, did not change his expression. His body also released an intense internal QI, forming a confrontation with it.

"Qin Yu, I will let you know that all your hard work is not worth mentioning," Han Wei said coldly.

"Because... I was born above all of you!"

Accompanied by an explosive roar, Han Wei suddenly extended both of his hands forward!

In an instant, countless rays of light gathered on his palms. A terrifying pressure instantly spread throughout the entire scene!

“Han Wei is indeed worthy of being a proud son of heaven. He can raise his hands and have such power!” When everyone saw this, they could not help but Exclaim!

“Go to hell!”

At this moment, Han Wei let out an angry roar. With a wave of his hand, several terrifying rays of light instantly flew into the sky!

Countless rays of light headed straight for Qin Yu. In an instant, numerous spider web-like cracks appeared under Qin Yu’s feet!

“Crack!”

Finally, the ground could not withstand this enormous force and began to crumble!

Qin Yu’s body was also directly slammed into the ground by this enormous force!

In an instant, smoke and dust rose into the air. Crushed Stones shot out in all directions like bullets!

A huge pit suddenly appeared in front of everyone!

The scene was completely silent. Everyone was looking at the smoke and dust.

“Is it going to end like this?” Someone said in a low voice.

“If it ends like this, then this battle will be meaningless,” a young man said indifferently.

The person who spoke was none other than Yan Sihai’s son, Yan Jinyao!

“Brother Yan’s words make sense,” said a handsome young man beside him with a faint smile.

This young man’s name was Zhuang Teng. He was a young master of the Zhuang family in Jingdu, and his strength was similarly unfathomable.

“I have to admit that Han Wei’s strength can not be underestimated. Even in the entire Jingdu, he is considered superior.” Another young man walked over.

This person’s name was Chu Heng, and he was Chu Hedao’s biological brother.

These famous geniuses of Jingdu seemed to have come to the scene!

Their goal was not to participate in the wedding, but to watch the battle that had been brewing for a long time!

“Brother Chu is right. Even if this palm was ours, we would probably be injured.”

Chu Heng’s words won everyone’s agreement.

Only Yan Jinyao remained silent. He only looked indifferently at the gradually falling dust.

When the dust fell, a terrifying scene appeared.

Qin Yu's clothes were pulled back by this huge force, but his body did not move at all. There was not a single wound on his body!

His entire body was wrapped in golden light. A pair of eyes that contained killing intent looked coldly at Han Wei who was not far away!

“What a strong body!” Chu Heng could not help but exclaim in surprise.

Zhuang Teng who was beside him also sighed slightly. “It seems that this Qin Yu has some ability.”

Han Wei who was not far away could not help but frown slightly.

He said coldly, “Qin Yu, your body really lives up to its reputation... It's a pity that it's useless!”

After saying that, Han Wei's figure suddenly disappeared, and in the blink of an eye, he arrived in front of Qin Yu!

His extremely fast speed caused the crowd to exclaim repeatedly!

The next second, Han Wei's palm wrapped in a faint glow gently patted on Qin Yu's chest!

“Boom!”

The moment the palm touched, Qin Yu's figure instantly took a few steps back! An extremely strong internal force seemed to have exploded in Qin Yu's body!

This technique was inherited from Xia Hang, and its fist force contained extremely strong penetrating force. It was also a plan that Xia Hang had specially made for Han Wei to use to deal with Qin Yu's tough body!

Now, this technique was in Han Wei's hands, and it displayed an even more powerful force!

However, in the next second, Han Wei's expression turned cold.

Qin Yu's expression was calm, neither happy nor sad. There was a white mark left on his chest, and his internal Qi did not decrease in the slightest!

"He actually took it head-on!" Zhuang Teng could not help but say in surprise.

"This kid's body is beyond imagination!"

"It shouldn't be. I've seen Han Wei's punch before. It's said that Han Wei's internal strength will be injected into his body, like a bomb exploding in his body," Chu Heng said slowly.

"Could it be that his internal organs are also as strong as steel?"

For a moment, a look of shock appeared on everyone's faces.

Yan Sihai, who was sitting at the front, had a hint of displeasure in his eyes.

"Is that all Han Wei can do? Loud Thunder and Little Rain. Two consecutive times, that Qin Yu didn't even lose a hair!" Yan Sihai said coldly.

"Director Yan, don't worry. Han Wei only used 20% of his strength just now," Xia hang quickly explained.

Han Meng also tried to smooth things over, “Director Yan, my son hates this Qin Yu to the bone. I’m afraid he’s unwilling to kill him just like that.”

“Isn’t it more cruel to slowly play with your prey?” Han Meng said with a laugh.

Yan Sihai snorted lightly and didn’t say anything.

In the distance, Qin Yu patted the dust off his body,

he looked at Han Wei in front of him and sneered. “It seems that there really is something shady behind the scenes for you to be able to kill Marquis Wu.”

Han Wei frowned slightly, and his eyes narrowed slightly.

Just as Qin Yu said, Marquis Wu was just a criminal of the Jingdu Martial Arts Association. When they fought, he was already crippled by the Jingdu Martial Arts Association.

Han Wei just took advantage of the situation and rose to his position. That was all.

“Han Wei, if we are both half-step Marquis Wu, you are not my match,” Qin Yu said coldly.

“Is that so?” Han Wei raised his eyebrows and grinned, “Qin Yu... you think too highly of yourself!”

With a loud roar, Han Wei’s aura completely exploded!

His internal Qi was rapidly climbing up, and rays of red light wrapped around Han Wei!

In just an instant, Han Wei's strength soared by dozens of points! The murderous aura on his body caused the temperature to drop abruptly!

“Rumble...”

The terrifying qi force actually directly crushed the ground beneath his feet!

The entire scene stirred up a hurricane, completely shattering this meticulously arranged scene!

Marquis Bai Wu and the others hurriedly took action, protecting everyone!

Han Wei's body was covered in a layer of blood-like red light. At a glance, he looked like a demon.

He grinned, revealing a strange smile.

“Qin Yu.... Everything has just begun!” Han Wei's sinister voice entered everyone's ears.

Chapter 536: Chapter 536, Qin Yu VS Han Wei

At this moment, Han Wei's strength had suddenly increased by several points.

Even the geniuses of Jingdu in the distance revealed a trace of surprise on their faces.

“What kind of technique is this?” Zhuang Teng asked in surprise.

“I don’t know. It should be the inheritance of the JINGDU martial arts association.”

“Han Wei’s internal Qi is so strong. Even though he’s several meters away, it still makes people feel a trace of fear.”

On the stage, Han Meng said proudly, “Director Yan, the show has officially begun. Just wait and see how your son-in-law performs.”

Yan Sihai nodded slightly, and a satisfied smile finally appeared on his face.

“Qin Yu, you’d better go all out next. Otherwise... I’m afraid you won’t have a chance to resist!”

Han Wei shouted and suddenly disappeared. In the blink of an eye, he was in front of Qin Yu!

Facing such an attack, Qin Yu did not dare to be negligent. He quickly raised his arms to protect his forehead!

“Dong!”

This punch landed solidly on Qin Yu’s arm. The tremendous force caused Qin Yu’s body to slide on the ground for dozens of meters!

Not only that, the Golden Light on Qin Yu’s arm was directly pierced through, and numerous burn wounds appeared on his body!

Qin Yu lowered his head to look at his own arm and said in a deep voice, “As expected of a young master from an aristocratic family. As expected, he is not someone that an ordinary half-step martial marquis can compare to.”

With just one punch, he had pierced through Qin Yu's sacred body technique. This level of strength was enough to look down on most half-step martial marquises!

"Qin Yu, this is only the beginning. Enjoy It!" Han Wei roared angrily, and once again, he approached!

It had to be said that Han Wei's speed and strength had reached the limit. Even Qin Yu was pushed back in succession!

Han Wei's fist, which was wrapped in red light, was like a red rain that kept crashing down!

"Well done!"

On the stage, Yan Sihai nodded his head in satisfaction.

"That's it, kill him as soon as possible!" Xia hang also hurriedly shouted.

He was very uncertain, afraid that Qin Yu would suddenly start to counterattack.

At the scene, it seemed that Qin Yu was being suppressed and was almost unable to retaliate.

"What kind of spell is this? It's so strange," Chu Heng said with a frown.

Yan Jinyao, who had been silent the whole time, said indifferently, "It should be a secret spell passed down by the Han family. I've seen the library of the JINGDU martial arts association before, but I've never seen this kind of spell."

"Boom!"

At this moment, Han Wei's fierce fist suddenly smashed into Qin Yu's chest.

Qin Yu's body flew dozens of meters away, and he spat out a mouthful of blood!

“Hahaha!”

Seeing this, Han Wei couldn't help but burst into laughter.

He looked coldly at Qin Yu and said, “Is this your strength? Is this the result of your bitter cultivation? !”

“The bottom is the bottom. An ant is an ant. There will never be a chance to turn things around!”

Looking at Han Wei's crazy attitude, Qin Yu still did not show any panic on his face.

He slowly stood up from the ground and grinned, “Han Wei, is this your full strength? It's just so-so.”

Han Wei's pupils suddenly shrank and he said coldly, “What did you say?”

“I said... You're weaker than I thought.” Qin Yu crossed his arms in front of his chest and looked calm.

“Sharp-tongued brat, let's see if you can still smile after I step on You!” Han Wei roared angrily and once again approached!

Under the wrapping of the red light, Han Wei's strength reached the limit and even his physical body became indestructible!

Before his fist even arrived, the terrifying fist wind had already sent the ground flying several feet!

“Die!” Han Wei roared repeatedly, the red color on his fist had reached its peak!

“Han Wei, I will also let you know... Your family background is not worth mentioning at all!” Qin Yu’s icy cold voice entered Han Wei’s ears.

Just as his fist was about to smash into Qin Yu’s body, Qin Yu’s internal Qi suddenly soared!

His eyes turned blood-red, and the mark of the Divine Dragon’s power appeared between his brows!

“Not good!” Sensing the huge change in Qin Yu’s internal Qi, Han Wei suddenly felt that something was wrong!

Boom

A golden light streaked across. Qin Yu held the absolute beginning holy fist in his hand, and a terrifying power poured down!

Both fists collided violently at this moment!

At a glance, the golden and red lights had already covered the two figures. One could only see the two lights fighting each other!

“Rumble...”

A terrifying aura swept over, and a surge of internal Qi almost destroyed the world!

The scene buzzed incessantly, and the entire small mountain seemed like it was about to collapse!

“All martial marquises present, please protect the scene together!” Marquis Baiwu shouted loudly!

For a moment, several marquises hurriedly activated their spells to stabilize the scene!

“Boom!”

At the center of the light, an explosive sound was heard!

Following that, a figure was seen retreating backwards!

Everyone’s eyes widened, as if they wanted to see clearly who the person who was sent flying was!

“That person is... Han Wei!” Someone shouted in shock!

As expected, Han Wei’s figure shot out rapidly, directly smashing into a small hill!

Many bloody marks appeared on his body, and he began to cough up blood from his mouth.

This blood mixed with his red light looked somewhat strange!

“How is this possible!” Above, Han Meng suddenly stood up and stared at this scene!

“Han Wei, let’s settle the score between you and Me Today!” Qin Yu roared angrily, and the internal Qi on his body completely exploded, and his spiritual power rose to the limit!

His hair danced wildly, and he walked over with an invincible posture. The aura of him looking down on the world was even more terrifying!

“Is this Qin Yu’s full strength?” Not far away, Zhuang Teng narrowed his eyes slightly, as if he felt a trace of pressure.

“If this kid doesn’t die, he will definitely become our great enemy in the future,” a genius from an aristocratic family said in a deep voice.

At this moment, a golden ray of light suddenly shot out and headed straight for Han Wei.

The huge golden figure came with a suppressive force and directly smashed into Han Wei’s body.

“Bang! Bang! Bang!”

Qin Yu’s every punch seemed to contain his confidence and invincible will to win, and all the grudges started to erupt at this moment!

Countless crisp sounds came from between the two of them, and Han Wei was knocked back repeatedly. Even the red light on his body dimmed by a few degrees!

The scene was completely silent, as if no one dared to believe what was happening.

The dignified young master Han had actually been beaten up by someone from the lower ranks? ! How was this possible? !

“My Son!” Han Meng stood up angrily, his eyes revealing a trace of worry.

Yan Sihai, who was standing beside him, had a livid expression on his face. Clenching his fists, he coldly said, "Fortunately, I was prepared."

"Don't worry, Han Wei won't Lose!" Xia hang hurriedly explained.

Yan Sihai glanced at him coldly and didn't say anything, as if he was considering whether to kill Qin Yu or not.

"Is Han Wei going to lose?" Zhuang Teng said with some surprise.

Yan Jinyao glanced at him and said, "If it was so simple, then this big battle wouldn't have been brewing for so long."

He looked at the battlefield quietly, as if waiting for something.

"Enough!"

At this moment, Han Wei suddenly shouted!

"Qin Yu, You Damn Bastard, I'm going to kill you!" Han Wei quickly retreated. He was covered in blood, and his face was ferocious!

Then, Han Wei raised his hands, as if he was condensing some spell!

"Rumble..."

A thunder-like sound came from the sky, and then, a blood-red sharp blade appeared in the air!

This sharp blade seemed to come from the sky, and an extremely majestic aura spread out!

"Han Xiu's full moon demon blade," Yan Jinyao said in a deep voice.

“I’ve heard of it too. It’s said that this is a heaven-rank spell that can cut down everything in the world!”Zhuang Teng also said in surprise.

“Han Xiu? Han Wei’s uncle?”Chu Heng said in surprise.

“Yes, he’s ranked third on the list.”Yan Jinyao nodded slightly.

“I’ve seen this spell before, and I almost died under it.”At this moment, another young man walked over from the side.

Seeing this young man, the few of them were a little surprised.

This man’s name was Kong Yun, and his father was Kong Luo, who was second only to Ye Qing and Jiang He!

“Brother Kong, is this technique so powerful?”Zhuang Teng asked in surprise.

Kong Yun nodded slightly and said, “Among those of the same level, I don’t think anyone can receive this technique.”

“I really didn’t expect that Han Wei would be forced to such an extent.”

Chapter 537: Chapter 537, Heaven Rank Versus Heaven rank

In mid-air, the huge red sword was still slowly condensing.

The red light shadow blotted out the sky, turning the entire Sky Red.

Qin Yu’s expression was solemn, his muscles tensed up, and his internal Qi was rapidly adjusted to its peak.

Since Han Wei was the nurturing of the young master of an aristocratic family, his strength and foundation naturally did not stop there.

Therefore, this spell did not cause Qin Yu to be too shocked.

“Qin Yu, go to Hell!” Han Wei’s hands trembled slightly. Then, with a loud roar, that huge sword buzzed towards Qin Yu!

This huge red sword seemed to contain a force of ten thousand tons. Qin Yu felt an extremely strong pressure even though he was far away!

It was as if ten thousand mountains were slowly pressing down on him!

“Rumble!”

Finally, the huge sword smashed down fiercely!

Qin Yu let out an angry roar. His entire body glowed with golden light. He raised both of his fists at the same time and met the attack head-on!

“Clang!”

The huge explosion shook the earth, causing it to rumble. Qin Yu’s body instantly sank down by a few degrees!

The ground under his feet began to shatter. A powerful force slowly spread out and enveloped the entire small mountain!

“Ah! !”

The Golden Light on Qin Yu’s body grew stronger, and the power of the divine dragon was unleashed to the extreme!

“It’s useless.” Not far away, Kong Yun shook his head slightly.

“At that time, I also thought that I could forcefully withstand it, but in the end, I was almost suppressed.”

Kong Yun’s words received the approval of everyone.

Even Yan Jinyao nodded slightly.

“This technique is Han Xiu’s famous technique. It’s not something an ordinary person can withstand,”Yan Jinyao said faintly.

“If he can withstand this technique, then he might have a chance of winning,”Chu Heng said.

“Crack!”

At this moment, a crisp sound rang out from Qin Yu’s body. It seemed to be the sound of bones being crushed!

However, his figure continued to sink downwards. Even if the Qi and energy in his body exploded to the extreme, it would still be unable to block the suppression of this huge sword!

“Good, good! hahaha!”Yan Sihai finally revealed a trace of a smile.

Han Meng also heaved a sigh of relief. If he lost in front of so many people, then the Han family’s reputation would be completely lost.

Not far away, the pavilion master’s expression was somewhat solemn. Her body was faintly flickering with light, as if she had the intention to make a move.

“Ah! !”

Right at this moment, Qin Yu suddenly roared!

The golden light began to converge, and then it spread at an extremely fast speed!

In an instant, Qin Yu was bathed in the golden light and his body expanded!

“Limitless Dharma Idol!” Seeing this technique, Xia Hang stood up abruptly with a trace of fear in his eyes!

“Limitless Dharma Idol!”

Other than Xia Hang, there were also other people who recognized this technique!

There were many top experts who had been in seclusion for many years among the guests present today. They seemed to be quite shocked by the limitless dharma idol!

“It’s actually the Wuji Aspect.” Yan Jinyao frowned slightly, and a trace of killing intent flashed in his eyes.

“Brother Yan, what is this wuji aspect? Is it very powerful?” Zhuang Teng asked.

Yan Jinyao glanced at him and nodded. “I’ve seen records in the ancient books of the Jingdu Martial Arts Association. It’s said that a person used this technique to kill several martial saints.”

“Martial saints?!” For a moment, everyone sucked in a breath of cold air!

One person killed several martial saints? What kind of strength was this?

One had to know that in today's world, not to mention martial saints, even martial marquises were extremely rare!

Yan Jinyao continued, "There's a saying. It's said that the reason why there are so few martial saints now is because that person killed more than half of the remaining martial saints."

"Brother Yan, you must be joking. How could there be such a person in this world?" Zhuang Teng shook his head.

"Yes, Brother Yan. It's not that we don't believe it, but this is too fake." The others nodded as well.

Even Yan Jinyao said, "Yes, I also think it's fake."

"Boom!"

Under the effect of the Wuji Dharma Idol, Qin Yu's body expanded explosively. His strength also erupted at this moment!

"Ah! !"

Qin Yu roared repeatedly, and the strength of his entire body was exerted to the limit.

For a moment, the huge sword actually started to retreat!

"Impossible!" Han Wei's expression changed!

He gritted his teeth and immediately raised his large hand, and a red light fell into the huge red sword.

"Kacha!"

In an instant, the huge sword pressed down once again!

“What Bullsh * t technique... Watch me crush you with one punch!”

Qin Yu dragged the huge sword with one hand, while a dazzling golden light surrounded his other hand!

This golden light was pure to the extreme, and for a moment, it actually turned into a blazing white color!

Qin Yu’s huge fist smashed fiercely towards the huge sword!

“Rumble!”

The huge collision instantly shattered the distant mountain range!

If it wasn’t for the presence of Marquis Wu, the scene would have turned into ruins long ago!

“Crack!”

Under this punch, the huge sword began to shatter!

Numerous cracks quickly spread out, and the blood-red light slowly dimmed.

“Boom!”

Finally, under Qin Yu’s punch, the huge red sword exploded in mid-air!

“How is this possible!”Kong Yun’s expression instantly changed!

He was someone who had personally experienced this technique, so he knew the power of this technique!

Back then, even after Kong Yun had exhausted all his brains and revealed all his trump cards, he was still unable to resolve this technique.

But now, this technique had been destroyed by Qin Yu's punch! How could he believe this!

Not far away, Han Wei's expression was also somewhat unsightly. He stared fixedly at Qin Yu, and his fists were tightly clenched.

At this moment, he suddenly realized that he had underestimated Qin Yu!

Everyone stared at this scene, not daring to blink, afraid that they would miss out on this exciting scene.

The Golden Light on Qin Yu's body began to slowly disappear, and his body returned to its normal size.

A layer of sweat appeared on his forehead, and more than half of the internal Qi in his body had been consumed.

The limitless aspect is still too stressful for me, Qin Yu thought to himself.

Then, he looked coldly at Han Wei not far away and said in a low voice, "I have to find a way to recover my spiritual power."

Thinking of this, Qin Yu's feet shook, and his body was once again wrapped in golden light.

This technique was the third level of the saintly being technique. At this moment, the consumption of Qin Yu's spiritual power could be ignored, but his physical body could be exerted to the extreme.

He looked coldly at Han Wei, who was not far away, and in the next second, his figure suddenly disappeared!

“Shrink the ground into an inch!”

Qin Yu spat out a few words coldly and arrived in front of Han Wei at an extremely fast speed!

“Bang!”

Qin Yu’s fierce fist smashed onto Han Wei’s chest with a crushing force.

Han Wei’s figure instantly retreated a few steps. Before he could catch his breath, Qin Yu took another step forward!

Han Wei’s body was sent flying one after another, and his body was covered in bloody wounds!

“Boom!”

Just as Qin Yu swung his third punch, an intense force erupted from Han Wei’s body.

This force directly forced Qin Yu back a few steps!

When he raised his head, he saw that Han Wei’s body seemed to be covered in a layer of armor!

With a ferocious face, he gnashed his teeth and said, “Don’t think that you are the only one who can fight. Let me tell you, everything that you are proud of is not worth mentioning!”

Chapter 538: Chapter 538, Marquis Wu? !

It was unknown what kind of spell Han Wei had used, but his entire body was wrapped in a layer of dark light. Level 538 was a level 538 spell.

This light was like a layer of armor, tightly sticking to his body.

In an instant, Han Wei's physical body became countless times stronger, and his strength increased by several times!

Seeing this, the corners of Qin Yu's mouth couldn't help but curl up into a sneer.

"Fight with my physical body? How hard are you to think things through?" Qin Yu's entire body was flashing with golden light, and he sneered repeatedly.

The two people's bodies were also flashing with light, and their physical bodies almost reached the limit at this moment.

"It is said that this Qin Yu's physical body is unparalleled in the world. Today, we can finally witness it with our own eyes," Zhuang Teng and the others not far away said indifferently.

"I also want to see if this Qin Yu's physical body is as powerful as the legends say."

Before they could think further, Han Wei had already approached them!

His body drew an arc in the air, bringing with it a dark light as he instantly arrived in front of Qin Yu!

Qin Yu didn't panic at all. He held the absolute beginning holy fist in his hand, and the golden light met it head-on.

"Clang!"

A sound that sounded like steel colliding entered everyone's ears!

Qin Yu's blood and Qi were burning. He was like an undefeatable god of war, smashing towards Han Wei with a force that could crush a dead branch!

This was purely a physical fight between the two parties. There were no gorgeous moves, only a clash of powerful bodies!

"Dang dang dang" sounds rang out continuously. At a glance, one could only see two rays of light intertwining!

Everyone looked at the scene in front of them and could not help but sigh slightly.

"To be so wonderful in the flesh alone, he deserves to be called a god's favored son."

"This Qin Yu's physical body really lives up to its reputation, Han Wei's top spell actually didn't get any benefits."

The young masters of the aristocratic families of Jingdu were also watching the scene closely.

As far as the eye could see, the two seemed to be neck and neck.

"Boom!"

Another head-on collision with both fists! The terrifying fist force was like a cannonball, exploding between the two of them.

Qin Yu's golden light flourished, his eyes were resolute, and his pupils contained an undefeatable might!

Han Wei was the same. He roared repeatedly, as if he was fighting with his life on the line!

In the blink of an eye, the two of them had already exchanged dozens of punches, but they still could not determine the victor!

“Die!” Han Wei raised his head and roared angrily. A wave of light surged on his arm, and finally exploded on his fist!

Qin Yu said coldly, “You are not my match if you fight with your physical body!”

Qin Yu waved his hand, and golden light flourished!

His fist turned into a palm, and a dazzling golden light streaked across the void, slamming fiercely onto Han Wei’s body!

“Pu!”

Under this palm strike, Han Wei’s physical body was instantly sent flying, and a mouthful of blood flowed out from his mouth!

Qin Yu became braver the more he fought. His chaos body was indeed worthy of its reputation, and almost no one in the same level could compete with him in terms of physical body!

“Ah! !”

Han Wei flew into a rage. He raised his head and roared furiously, once again clenching his fist!

“Boom!”

How Could Qin Yu give him the chance? The shrinking of the ground was revealed at this moment. Before Han Wei could react, he was punched in the chest again!

“Wah!”

Han Wei opened his mouth and spat out a mouthful of blood!

“We can’t fight with his physical body!” Above, Xia Hang was instantly anxious!

If this continued, Han Wei would definitely be beaten to death by Qin Yu!

Yan Sihai and the others’ expressions were extremely unsightly. He looked at this scene coldly, and his displeasure was self-evident.

Han Wei crawled up from the ground. He gritted his teeth, then his figure shot out explosively and retreated!

“You want to run? It’s Too Late!” Qin Yu snorted.

Qin Yu’s feet shook, and the spell was activated. Han Wei’s movements immediately slowed down!

This was the heavy falling space controlled by Qin Yu! In this spell, Han Wei had nowhere to run!

He felt as if his entire body was covered in mud, and his movements were impaired!

“Pa!”

Qin Yu slapped Han Wei’s face again!

This slap almost shattered Han Wei's face bone!

“Boom!”

Qin Yu held the absolute beginning Holy Fist and smashed it on Han Wei's chest!

In an instant, cracks appeared on Han Wei's dark light!

“Is this your technique? It's nothing much!” Qin Yu shouted and threw another punch!

Under this punch, the light on Han Wei's body exploded, revealing his physical body!

“Pa!”

Qin Yu raised his large hand and fiercely swung it towards Han Wei!

Without the protection of his spell, Han Wei's physical body was not even worth mentioning.

This slap ruthlessly slapped Han Wei onto the ground!

Most of his bones were damaged, and fresh blood covered his entire body, making him look extremely miserable!

Everyone could not help but suck in a breath of cold air!

No one had expected that this battle would end like this!

“Han Wei seems to be losing.”

“He’s simply being beaten up... I’m afraid that the reputation of the aristocratic families will be completely lost.”

“If this goes on, Han Wei will probably be beaten to death!”

On the stage, Yan Sihai was gnashing his teeth!

He glared at Han Meng and said coldly, “Is this what you meant by ‘must win’? Is this all your son has!”

Han Meng’s expression was even more unsightly.

At this moment, Han Wei was being trampled on like a dead dog. Han Meng saw this and felt pain in his heart.

“Aren’t you arrogant? Aren’t you calling me a lowly ant?!” Qin Yu said coldly as he swung his golden palm.

“Is this the foundation of your aristocratic family? ! Today, I will smash your so-called arrogance!”

After each sentence, a fist would land on Han Wei’s body!

Han Wei spat out blood continuously, and cracks appeared on his body.

The bones on his body had been broken countless times, and he looked like a bloody person!

“Xia Hang, does Han Wei still have a chance to win?” Yan Sihai seemed to be unable to hold it in.

He looked at Xia hang coldly and said coldly.

Xia hang took a deep breath and said, “Also, director Yan, don’t worry, Han Wei hasn’t used his trump card yet.”

Yan sihai cursed loudly, “Then what the F * CK Are You Waiting For? Do you have to wait until you’re beaten to death? The face of our Yan family has been completely disgraced by you!”

Xia hang didn’t dare to say anything. His expression was unsightly, and he couldn’t stop cursing in his heart.

I told you to make a move earlier, but you didn’t listen. Who are you trying to blame now!

“Boom!”

On the battlefield, Qin Yu threw a punch. It was as if he was holding the power of the universe in his hand as he ruthlessly smashed toward Han Wei!

“Ah! !”

However, Han Wei, who was lying on the ground like a dead dog, let out an explosive roar at this moment!

His internal Qi was rising at a speed visible to the naked eye. In just a short moment, he directly crossed the half-step martial marquis realm and directly arrived at the Martial Marquis Realm!

“Dang!”

Han Wei waved his hand, and Qin Yu’s punch was easily dissolved!

“Qin Yu... I’m going to kill you! !” Han Wei clenched his hands and roared angrily!

A terrifying internal Qi swept over, and under this internal Qi, Qin Yu was directly pushed back!

“This is... Martial Marquis!” Someone shouted in shock!

“Han Wei actually stepped into the Martial Marquis realm at this moment?!”

Chapter 539: Chapter 539, Qin Yu's explosion!

Han Wei's internal Qi suddenly skyrocketed, causing everyone to turn pale with fright!

Even Qin Yu's expression was slightly unsightly!

This power... was indeed Wu Hou!

“Han Wei actually broke through at this time?” Someone frowned and asked.

“That's not right. Stepping into Wu Hou will definitely bring about a heavenly tribulation, but Han Wei didn't.”

Yan Jinyao, who had been silent all this time, said faintly, “This is a secret technique. This technique can allow a person to directly step into the Martial Marquis realm within a short period of time, but it can't be maintained for too long. At most, it can last for half an hour.”

“En, I've also heard of it. It's said that casting this technique has a great impact on the body. It can cause serious injuries at the slightest, and at the worst, it can affect one's future cultivation.” Chu Heng also nodded slightly.

“TSK tsk, looks like Han Wei has really been forced into a corner. Even at such a great risk, he still wants to kill this Qin Yu.”

“If Qin Yu doesn’t die today, he will definitely become our great enemy in the future.”

They did not say anything more and looked in the direction of the battlefield.

Han Wei’s internal Qi had already stepped into another level. Under this internal Qi, even Qin Yu could not help but feel a little worried.

One had to know that the Marquis of Wu was a watershed. After stepping into the Marquis of Wu realm, one’s strength would enter another level.

This was no longer a question of whether one could cross ranks to fight, but was equivalent to two different worlds!

“Come, come again!” Han Wei roared at Qin Yu!

Just a single roar caused the air to buzz!

The internal Qi contained within was like a bomb, pressing towards Qin Yu!

Qin Yu hurriedly crossed his arms in front of his forehead, protecting his face.

“Clang!”

But even so, Qin Yu was still pushed back repeatedly by this force!

“Marquis Wu really lives up to his reputation.” Qin Yu’s expression was slightly unsightly.

Just a single roar contained such power, this was almost equivalent to a blow that reduced dimension.

Facing Han Wei who had stepped into Marquis Wu, Qin Yu did not dare to be negligent.

He took a deep breath and directly summoned the five mountains of honor.

Looking at the five mountains of honor hanging above his head, Han Wei could not help but laugh maniacally, “Qin Yu, in the face of absolute strength, any magic artifact is not worth mentioning!”

With that said, Han Wei stepped forward like a God!

Each of his steps seemed to be stepping on a Daoist technique, causing one’s ears to buzz!

“Boom!”

Han Wei waved his large hand, and a seemingly casual palm directly sent Qin Yu flying!

Under this palm strike, even the mountain of the five peaks above his head began to shake slightly, as if it was about to be sent flying!

Qin Yu climbed up from the ground. He gritted his teeth and said in a low voice, “Facing Marquis Wu, I have no strength to retaliate at all...”

“Boom!”

Before Qin Yu could react, Han Wei threw another punch!

Qin Yu didn’t dare to take the punch head-on. He hurriedly retreated.

However, just the wind from the punch still forced Qin Yu back. Even his body suffered a strong impact.

“Hahahaha!” Han Wei burst into laughter.

“Is this the strength of Marquis Wu? hahahaha, Qin Yu, you’re dead meat today!”

Following Han Wei’s loud shout, he took a step towards Qin Yu!

His extremely fast speed even left an afterimage on the spot!

Qin Yu’s expression changed drastically. He once again used the heavy drop space in an attempt to block Han Wei’s figure.

However, Han Wei, who had stepped into the realm of Marquis Wu, was not affected at all. He only shook his body and directly broke through the heavy drop space!

“All of your spells are not worth mentioning, hahaha!” Han Wei laughed crazily.

His aura was suddenly released, and Qin Yu immediately felt as if his shoulders were withstanding a tremendous force, unable to move!

“Bang!”

Han Wei’s fist suddenly smashed over, and this fist firmly smashed into Qin Yu’s chest!

Qin Yu’s chest instantly sank down, and his hard physical body was not worth mentioning at this moment!

“Wah!”

A mouthful of fresh blood was suddenly spat out from his mouth. His internal organs seemed to have suffered a great impact!

Qin Yu gritted his teeth. He endured the pain in his body and tried to stand up.

But at this moment, Han Wei had already taken another step forward!

He raised his foot and fiercely landed on Qin Yu's body.

“Clang!”

Qin Yu's body, which was just about to stand up, sank into the ground again!

Even his body began to show cracks, and all the golden light disappeared!

“Do you still remember, I stepped on you like this back then!” Han Wei laughed crazily.

Qin Yu gritted his teeth, his face extremely ugly, and he felt a strong sense of humiliation in his heart!

“No... I must not lose face in front of Ruoxue!” Qin Yu said painfully.

He knew that Yan Ruoxue was watching from upstairs!

Losing face in front of the woman he loved, how painful was that!

“Ah! !”

Qin Yu tried his best to get up, but the gap between their realms was impossible to cross, and all of his qi-jin was not even worth mentioning!

On the stage, the pavilion master's face was a bit ugly.

She slowly got up, as if she wanted to make a move.

“Don't be anxious.” At this moment, Old Mister Yan stopped the pavilion master.

“Give him some time. I believe that Qin Yu won't fall just like that.”

The pavilion master frowned. Although her heart was somewhat unable to bear it, she ultimately sat down.

“Qin Yu, if I can step on you the first time, I can step on you a second time and a third time! You are just a maggot, a maggot that is worthy of being stepped on by me!”

Han Wei laughed crazily, the craziness on his face was not hidden!

“Han Wei, don't waste time, kill him directly!” Xia hang shouted from above.

He knew very well that Han Wei only had half an hour.

If Qin Yu could delay it for half an hour, then Han Wei would have no chance at all!

Han Wei lowered his head and looked at Qin Yu who was stepped on. He grinned and said, “Although I don't want you to die in pain, there's nothing I can do. They all want you to die as soon as possible...”

“So, you'd better die!”

As he spoke, light began to gather in Han Wei's palm.

This power contained the power to destroy the world. Even though it was far away, it still made people tremble in fear!

“Qin Yu!” The pavilion master seemed to be unable to hold it in anymore. She stood up angrily and stared at this scene.

At this moment, Qin Yu’s eyes were slightly closed.

Countless rays of light flashed in his mind, and countless spells flashed past.

“My father must have left behind similar spells!” Qin Yu roared in his heart!

“Quick, we must find him as soon as possible!”

“If you can forcefully enter the Martial Marquis realm, so can I!”

The light in Han Wei’s palm grew stronger, and the entire Earth began to tremble!

“Go to hell!” Han Wei roared angrily, and the light in his hand immediately dragged forward!

“Boom!”

In an instant, the scene turned into a vast expanse of white, and almost nothing could be seen clearly!

Xia Hang, who was on the stage, saw this and finally heaved a sigh of relief.

“I’ve finally solved this big problem.” Xia hang patted his chest.

The scene was silent, everyone was staring at the center of the vast expanse of white.

“En? What’s that Golden Light? !”

“It’s Qin Yu? He... he actually didn’t die!”

“How is this possible! ?”

With a glance, they could only see a human figure standing in the center of the vast expanse of white.

The human figure clenched his fists. His eyes were ice-cold, and his body was once again tainted with golden light!

Chapter 540: Chapter 540, crushing!

His body was bathed in golden light and not a single wound could be seen.

Not only did his internal Qi not weaken, it was even stronger than before!

“What... What’s going on?” Someone exclaimed!

“Could it be... that he has also stepped into the rank of Marquis Wu?”

On the stage, Xia Hang’s face instantly turned ashen!

He collapsed onto the chair, his eyes filled with despair.

The thing he was most afraid of had happened!

Qin Yu actually had a secret technique to forcefully increase his strength!

One had to know that Marquis Wu was a watershed. To the chaotic body, it was a world of difference!

After stepping into Marquis Wu, the chaotic body officially welcomed its own strong stage.

At this stage, the chaotic body could suppress most of the physiques!

No matter what sacred physique, divine physique, and so on, they could not compete with the primal chaos body at this stage!

The white light gradually dissipated, and Qin Yu's sturdy body finally appeared in front of everyone.

Qin Yu coldly looked at Han Wei not far away, and a killing intent burst out from his eyes.

"Is this the power of the Martial Marquis?" Qin Yu felt the surging internal Qi in his body, and could not help but yearn for it.

Although it was only a thin line, the gap was too big.

At this moment, Qin Yu had an unspeakable arrogance in his heart!

He even felt that it wasn't worth mentioning if everyone present attacked together!

Not far away, Han Wei stared at Qin Yu with a trace of unwillingness in his eyes!

"You... how did you do it!" Han Wei gnashed his teeth and said.

Qin Yu said coldly, "You'd better go to Hell and ask."

As he spoke, Qin Yu walked towards Han Wei, step by step.

Han Wei revealed a crazed expression. He roared with all his might, “So what if you’ve stepped into the rank of Marquis Wu? I, Han Wei, will not be afraid of You!”

Han Wei waved his hand, casually unleashing a killing move that contained killing intent!

Rays of light shot towards Qin Yu!

The terrifying power almost tore the air apart, and cracks appeared on the ground!

Qin Yu was expressionless as he continued walking towards Han Wei.

Just as the Rays of light were about to Touch Qin Yu, Qin Yu casually waved his hand.

“Pa!”

A crisp sound rang out as the rays of light were directly dispersed by a single slap!

“How... how is this possible!” Han Wei’s expression changed drastically! Layers of secret sweat appeared on his forehead!

And the expressions of the surrounding people, including Marquis Bai Wu, were somewhat ugly!

Even if they were the ones to go up, they probably wouldn’t dare to disregard this killing technique!

“I don’t believe it, I don’t believe it!” Han Wei roared crazily, and countless killing moves smashed towards Qin Yu with all their might!

However, this could not stop Qin Yu from advancing. His golden physical body was extremely powerful. He was not afraid of Han Wei’s killer moves at all!

“Ah! ! !”

Han Wei’s face was filled with madness. With a loud roar, he saw two hands holding up a disc-like light!

This technique was also inherited from Han Xiu. The power contained within it could be said to be able to destroy the world!

Just the condensation of the moves made people feel a trace of fear. Even Zhuang Teng and the others were affected!

“Everyone join hands and protect the scene.”

Many of the Wu Marquises had solemn expressions on their faces as they hurriedly said.

“Go to hell! !” Han Wei furiously roared. He waved both his hands forward, and that Ray of light instantly smashed towards Qin Yu in all directions!

Qin Yu’s expression was cold. He clenched his fist and shouted, “Break for me!”

In an instant, golden light rose in all directions. Qin Yu clenched his Golden Fist and smashed it down with a force that could crush rotten wood!

“Boom!”

With just one punch, the light condensed by Han Wei was shattered instantly!

Meanwhile, Qin Yu’s figure was still walking forward steadily.

Han Wei’s face revealed a thick sense of fear. At this moment, he was really afraid!

“How is this possible, how is this possible...”Han Wei kept repeating these words.

“You, Qin Yu, are just an ant at the bottom. What right do you have to face me!”Han Wei roared, almost breaking down.

But what responded to him was only a crisp slap!

This slap had fractured half of Han Wei’s face!

Han Wei tried to struggle, but he couldn’t hurt Qin Yu at all!

“You keep calling me a lowly ant. Where did you get this sense of superiority from?”Qin Yu looked at Han Wei coldly.

“F * ck you!”Han Wei clenched his fist and smashed it fiercely at Qin Yu’s face!

Qin Yu raised his hand and easily grabbed Han Wei’s fist.

Han Wei gritted his teeth. He wanted to break free, but he found that he couldn’t break free at all!

“How... how could this be...” Han Wei’s face was filled with unwillingness.

Qin Yu sneered, “Do you regret not killing me earlier?”

“Impossible, impossible...” Han Wei did not listen to anything and kept repeating these words.

“I am the young master of the Han family. I Am an existence that was born to be above you!” Han Wei roared crazily.

“You bunch of ants should kneel before me and submit! What right do you have to oppose me! You Bunch of...”

“Pa!”

Before Han Wei could finish his words, his chin was directly smashed by a slap.

“What era is this? Are you still alive in the Qing Dynasty?” Qin Yu looked down at Han Wei from above.

Han Wei’s heart was in extreme pain. All of his arrogance and pride had been shattered at this moment!

“Come, kneel down. Let me see how this arrogant young master of yours will beg for mercy.” Qin Yu released Han Wei and said coldly.

Han Wei had already lost the ability to resist. The power of the Marquis of Wu on his body also began to slowly disappear.

“My Son!” Above, Han Meng roared even louder!

Yan Sihai’s expression finally turned completely cold.

“Let go of my son!” Han Meng stood up angrily, his eyes wide open.

Qin Yu shot a glance at Han Wei, who was lying on the ground like a dead dog, and sneered, “Don’t worry, I won’t kill him, because he’s no longer a threat to me.”

“You!”

Han Meng’s face flushed red, but he had no way to refute!

No one had expected that the high and mighty young master Han would end up like this!

The battle that had been brewing for an entire year seemed to have come to an end at this moment.

“TSK TSK. After Qin Yu stepped into the ranks of martial marquis, Han Wei did not even have the strength to retaliate. How terrifying.” Zhuang Teng could not help but exclaim.

Chu Heng also nodded his head and said, “If this kid really steps into the ranks of martial marquis, it would be a disaster for us.”

“Either we get rid of him, or we don’t want to become enemies with him.”

Even though that was the case, the two sides had long been at loggerheads, so how could there be a chance to ease up?

Qin Yu had the posture of looking down on the world. He stood in the middle of the battlefield and swept his gaze forward.

“I won.. According to the agreement, I will take Ruoxue away today,” Qin Yu said coldly.

Chapter 541: Chapter 541. Anyone who was not convinced was welcome to make a move

Qin Yu's voice was not loud, but it reached everyone's ears.

His eyes were looking forward, staring at Yan Sihai and the others.

Yan Sihai slowly stood up.

His mouth was lighting a cigar as usual, and there was a hint of contempt on his face.

“Qin Yu, you did win, but so what?” Yan Sihai said indifferently.

Qin Yu's face turned cold and he said coldly, “What do you mean?”

Yan Sihai sneered, “You just beat Han Wei. Do you think you beat us?”

“You want to take him away? Are You Worthy?”

Qin Yu narrowed his eyes and said coldly, “The dignified President Yan actually went back on his words?”

Yan Sihai laughed loudly and said, “The one who promised you is Han Wei, not us! When did I promise you?”

The anger on Qin Yu's face grew stronger. He took a deep breath and said, “I must leave with Ruoxue today. I will kill whoever dares to stop me!”

“What arrogant words!” Yan Sihai said coldly.

Yan Sihai waved his hand and dozens of people with guns rushed out!

Countless black muzzles were aimed at Qin Yu!

After a short while, more powerful internal Qi came out.

With a glance, they saw eight marquis Wu slowly walking towards Qin Yu.

“Qin Yu, you have to die here today,” Yan Sihai said coldly.

Qin Yu glanced at the crowd and couldn't help but clench his fists.

“Yan Sihai, you are a despicable person who goes back on his words! Aren't you afraid of ruining the reputation of the Yan Family?” Qin Yu said angrily.

Yan Sihai sneered and said, “Tarnish the Yan family's reputation? Qin Yu, who do you think will spread the news?”

“Let me tell you, you have no idea what kind of person you are facing!”

Qin Yu swept his gaze across the crowd. Just as they had said, this group of people did not care about the truth.

“I can only maintain my current condition for five minutes at most.” Qin Yu took a deep breath.

Five minutes? It was impossible to kill eight martial marquises!

If a martial marquis was determined to run, no one could easily kill them!

As long as they could last five minutes, the one who would die today would definitely be Qin Yu!

“Qin Yu, you really should stay.”

At this moment, three more martial marquises walked out!

These three wore white robes, and on their chests was the JINGDU martial arts association's logo!

"I didn't expect the people from the JINGDU martial arts association to come!"

"Eleven martial marquises, this... this is simply shocking!"

"With such power, it's hard to escape even if you have wings!"

Qin Yu's expression became even more unsightly. He didn't expect the people from the JINGDU martial arts association to actually come!

"Qin Yu, do you understand now?" Yan Sihai said indifferently.

"So What if you win? As long as we want to kill you, you have no chance to resist at all."

"Just like today, who can help you?"

Qin Yu glanced at the crowd coldly. His energy surged and he said coldly, "Come, I, Qin Yu, have nothing to fear!"

"Humph, Qin Yu, we are not fools," said a Marquis Wu coldly.

"Before long, your strength will disappear. At that time, you will be a fish at the mercy of others. There is no need for us to fight with you."

Qin Yu's expression was extremely ugly. The Qi force in his body had already begun to disappear. It was even faster than he had imagined!

This kind of spell that forcefully increased one's strength would definitely cause one to fall into a seriously injured state after using it!

At that time, not to mention Oh Marquis Wu, even Martial Grandmaster Qin Yu would not be able to deal with it!

"If I'm not wrong, you are already starting to run out of strength." Marquis Bai Wu said with a faint smile.

"Congratulations on defeating Han Wei today. Unfortunately, today is the anniversary of your death."

Qin Yu remained silent. He could feel the internal Qi in his body disappearing rapidly, and his body was getting heavier and heavier.

The power of Marquis Wu finally dissipated, and pain spread throughout Qin Yu's body.

"PFFT!"

He spat out a mouthful of blood.

He half-kneeled on the ground, trying to get up, but he couldn't.

"Hahaha!" Everyone couldn't help but laugh when they saw this.

"This kid has already lost the ability to resist. Everyone, make your move and kill him directly."

No one knew who was the first to reach out with his palm, and a terrifying internal Qi instantly closed in on Qin Yu's face!

"Boom!"

However, at this moment, a purple flame burst out from not far away, colliding with this force!

The light that was supposed to rush towards Qin Yu instantly disappeared!

“Who is it!”The spellcaster shouted.

“You guys are really despicable. In front of so many people, you’re bullying the weak and the strong. Don’t you think it’s shameful?”A clear and cold voice was heard.

With a glance, they saw the pavilion master standing lightly beside Qin Yu.

“The Pavilion Master of the Medicine God Pavilion?”The people from the Jingdu Martial Arts Association narrowed their eyes.

“Ji Yuhong, you won’t be able to protect Qin Yu today.”

“That’s right. You’re just one person, but we have eleven martial marquises!”

The pavilion master’s expression did not change as he said indifferently, “Is that so? Then you can come and try!”

The pavilion master stomped his foot, and a purple flame spread out once again!

“Ji Yuhong! Don’t do whatever you want just because you have someone protecting you!”Someone shouted.

“If you don’t want to die, then get lost. You Can’t change anything by yourself!”

The Pavilion Master remained silent, but he was determined to fight.

“If that’s the case, then don’t blame us for being impolite!”The eleven martial marquises walked forward at the same time, and their internal Qi started to collide.

“What About Me?”

At this moment, another voice was heard!

Turning around, they saw an old man with white hair slowly walking out.

Looking at this old man, a trace of confusion appeared on the faces of everyone present.

“Who is this old man? Why haven’t I seen him before?”

“I don’t know. Looking at his hunched body, he should be a farmer, right?”

“Why is a farmer coming out to join in the fun? How did he sneak in?”

Just as everyone was discussing, the expressions of these Marquis Wu suddenly changed.

“You... You Are Jiang he? !”Someone exclaimed.

“Jiang... Jiang he? That Jiang he who is as famous as ye Qing? !”

“Why would he appear here? Didn’t they say that he has gone into seclusion?”

Jiang he didn’t say anything. He slowly walked to the side of the pavilion master.

“Greetings, Old Mister Jiang.”The pavilion master bowed slightly.

Jiang he nodded in return.

On the stage, Yan Sihai and the others had ugly expressions on their faces.

He suddenly slammed the table and stood up. He pointed at Jiang he and scolded, “Jiang he, this matter has nothing to do with you. You’d better not interfere!”

“That’s right. We all know that you’re powerful, but you’re not ye Qing. You’re just a martial artist! You Can’t Change Anything!”

Unlike ye Qing, Ye Qing had already entered the military district and had extremely powerful authority.

Jiang he, on the other hand, had always been an unaffiliated person. Although he was powerful, he had no connections to speak of.

With his hands behind his back, Jiang he said calmly, “I must take this person away today.. If anyone is not convinced, you’re welcome to take action.”

Chapter 542: Chapter 542. The aristocratic families were furious!

Jiang he’s tone was calm, but it was filled with dominance!

The two martial marquises faced eleven martial marquises, and for a moment, the situation was at a stalemate.

“Everyone says that Jiang he is unrivalled in the world. To be honest, I’ve long wanted to give it a try.” Marquis Bai took the lead and took a step forward.

He rubbed his fist and said indifferently, “Jiang he, you should know that there are still many unknowns in this world.”

“You are indeed very strong, but you may not be invincible. There are always people better than you. Moreover, there is no martial saint in this world.”

Marquis Bai’s words contained a huge amount of information, and for a moment, it shocked everyone!

There was actually a martial saint in this world? After all, a martial saint had not appeared for many years!

Jiang he nodded slightly and said, “You are right. I am not invincible, and there is indeed a martial saint in this world.”

“However, it should not be a problem for me to deal with you guys.”

Marquis Bai’s face turned cold as he shouted, “I, Bai, have stepped into the third rank martial Marquis realm a few years ago! Today, I will experience how powerful you are!”

After he finished speaking, Marquis Bai took a step forward. Countless rays of light gathered between his hands!

In the next second, Marquis Bai shouted loudly. He charged towards Jiang he with surging power!

Jiang he put his hands behind his back and his eyes were calm.

He raised his skinny palm slightly, and Lord Bai Wu's body flew out as soon as he got close!

A big hole appeared on his body, and he fell to the ground without any movement!

The scene was instantly silent.

He killed a Lord Wu with one slap? What kind of strength was that? !

Everyone's faces were somewhat ugly!

After not seeing each other for so many years, Jiang he's strength seemed to have increased again!

"Don't worry, he's not dead, but he shouldn't wake up in a short period of time." Jiang he said indifferently with his hands behind his back.

"If anyone still wants to make a move, I'll wait for you here." Jiang he swept his gaze towards everyone present.

The scene was completely silent. No one dared to say a single word.

"Jiang he, aren't you going too far!" Yan Sihai said coldly.

"Do you really think that the Yan family can't do anything to You?"

Jiang he glanced at Yan Sihai and said, "You can ask a martial saint to kill me, but I must take him away today."

"You!" Yan Sihai gritted his teeth.

Obviously, no one present could stop Jiang he!

Jiang he did not speak anymore when he saw the situation.

He bent down and looked at Qin Yu.

Qin Yu's consciousness was already somewhat fuzzy, but he still held on bitterly.

“Senior Jiang He... can you help me take Ruoxue Away...”Qin Yu said with difficulty.

Before Jiang he could answer, the people from the Jingdu Martial Arts Association took a step forward and said, “Jiang he, we want to take Yan Ruoxue back to the Jingdu Martial Arts Association.”

“How dare you!”Hearing this, Qin Yu's eyes immediately widened!

He tried to get up, but he found that he couldn't move at all.

“This is the decision of our superiors. We hope that old Mister Jiang won't stop us,”the people from the Jingdu Martial Arts Association continued.

As they spoke, they took out a document.

As expected, this document stated that they wanted to bring Yan Ruoxue to the martial arts association, but it didn't specify the reason.

Jiang he glanced at Qin Yu and said, “This is your own matter. I Can't Help You.”

Qin Yu opened his mouth and was speechless for a moment.

Yes, this was his own matter. Jiang he helping him was already a huge favor.

“Jingdu Martial Arts Association... you’d better not have any ideas about ruoxue...”Qin Yu said through gritted teeth.

“Otherwise, I will definitely flatten you!”

The people of Jingdu Martial Arts Association ignored Qin Yu and only looked at Jiang he in front of them.

“Take care of your body first,”the pavilion master whispered.

Qin Yu opened his mouth. He wanted to say something, but he found that he couldn’t say anything.

His vision became darker and darker. Finally, Qin Yu’s vision fell into darkness.

“Let’s go.”Jiang he looked at the pavilion master.

The pavilion master nodded slightly. The two of them took Qin Yu and left the scene in front of everyone.

When they reached the door, the pavilion master suddenly stopped in her tracks.

She glanced at Yan Sihai and said, “President Yan, I have a piece of advice for you. If you go back on your words now, it’s still not too late. If you continue, you will be doomed.”

“When Qin Yu grows up, it will be an unprecedented disaster for the Yan family.”

Yan Sihai said coldly, “Don’t worry about it. I want to see what kind of ability Qin Yu has to bring disaster to the Yan family.”

“It’s almost time. There’s no need to rush,”the pavilion master said coldly.

After that, she didn’t stay any longer and left with Qin Yu.

No one could have imagined that a wedding would end like this.

Even though Qin Yu didn’t manage to take Yan Ruoxue away, he defeated the Yan family this time and made the two great families lose face!

“Damn it... damn it!”Yan Sihai’s face was ashen, and the muscles on his face kept trembling.

This time, the Yan family would definitely lose face!

“Son!”Han Meng quickly ran in front of Han Wei.

“Quickly take my son to the hospital!”He shouted.

A few people rushed forward, carrying Han Wei and quickly leaving the place.

Xia hang looked at the scene in front of him, and the killing intent in his eyes grew stronger.

“President Yan, we must kill this Qin Yu as soon as possible,”Xia Hang said.

“At the same time, I will also inform the higher-ups of the Jingdu martial arts association about this matter.”

Yan Sihai ignored these words and said coldly, “Xia Hang, is this the disciple you brought out?”

Xia hang opened his mouth and explained, “President Yan, don’t underestimate this Qin Yu, he...”

“Don’t find an excuse for your failure,” Yan Sihai said coldly.

Xia hang gritted his teeth and said, “President Yan, after Qin Yu recovers, he will definitely come back to the Yan family! He will definitely not give up on Yan Ruoxue!”

“Okay!” Yan Sihai said coldly.

“I want to see how he can take Yan Ruoxue Away!”

“President Yan, we will take Miss Yan away for now,” a few Marquis of the Jingdu Martial Arts Association came forward and said.

Yan sihai snorted and said, “Take her away for what? Why? Do you want to protect her?”

“This is a document from the higher-ups. We are only responsible for carrying it out. I hope director Yan can understand,” said the few people.

Although Yan Sihai was a bit unhappy, he didn’t say anything.

He waved his hand and didn’t say anything else.

On the other side.

The Pavilion Master and Jiang he left Jingdu with Qin Yu.

On the way, the pavilion master said in a deep voice, “When Qin Yu wakes up, he will definitely go to the Yan family to ask for him.”

Jiang he glanced at the pavilion master and said slowly, “Actually, there’s no need to be anxious.”

“You and I have seen Qin Yu’s performance today.”

“He used a secret technique to forcefully enter the realm of the Martial Marquis. No one present can stop him.”

“If he really entered the realm of Marquis Wu, who could stop him then? Even the Yan family would have to think twice.”

Chapter 543: Chapter 543, Yan Ruoxue was taken away

The Pavilion Master’s opinion was the same as Jiang he’s.

After Qin Yu forcefully entered the Martial Marquis realm, he had almost completely destroyed the young master of the aristocratic families, Han Wei.

And Han Wei not only possessed the Han family’s cultivation technique, he also possessed the inheritance of the Jingdu Martial Arts Association.

Even under such advantageous conditions, he was still beaten by Qin Yu, let alone an ordinary martial marquis.

The two returned to the Divine Alchemist Pavilion together.

Qin Yu forcefully increasing his strength brought about extremely serious consequences. The slightest carelessness could affect his foundation.

Therefore, the pavilion master had spent almost all his time these past few days taking care of Qin Yu, trying to minimize the impact.

At this moment, Jingdu was in an uproar.

Almost everyone was discussing the battle between Qin Yu and Han Wei.

As the young master of the Han family, Han Wei was naturally very famous. His failure this time had made him a laughingstock.

“In the future, if I want to defeat this Qin Yu, I’m afraid I can only rely on my realm to suppress him.”Zhuang Teng and the others sighed in their hearts.

As descendants of aristocratic families, they did not think that they were stronger than Han Wei. Of course, there were some exceptions.

For example, Yan Sihai’s son, Yan Jinyao.

He was publicly acknowledged as the number one genius, but he had almost never made a move. No one knew his true strength.

The entire structure of Jingdu was complicated. No one knew how many low-key descendants of aristocratic families were hidden in the shadows.

Jingdu, Han family.

Han Meng stayed by Han Wei’s side all day, taking care of him every day.

He had specially hired a professional nursing team from overseas to take care of Han Wei.

Looking at Han Wei lying on the bed with a serious injury, Han Meng’s face was extremely gloomy.

“Qin Yu... you have completely angered me!” Han Meng said coldly.

If the Han family went crazy, no one knew how much power they could mobilize.

But everyone was waiting, waiting for the Han family's action.

Yan family.

Yan Sihai sat in the study, his face extremely cold.

At this time, Yan Sihai's military advisor walked in from outside the door.

“Have you investigated thoroughly?” Yan Sihai glanced at the military advisor and said.

The military advisor bowed and said, “In response to director Yan, the Jingdu martial arts association seems to be extremely secretive about the matter of the eldest miss. If you want to investigate thoroughly, I'm afraid you'll have to personally take action.”

Yan Sihai frowned slightly.

The Jingdu Martial Arts Association suddenly took Yan Ruoxue away, and for a time, people were puzzled.

One had to know that before this, Yan Ruoxue and the Jingdu Martial Arts Association did not have a deep relationship.

“It's really strange.” Yan Sihai touched his chin.

“President Yan, I think that what we should focus on right now is still Qin Yu's problem,” the military counselor reminded.

“Now, the outside world is saying that if Qin Yu doesn’t die, he will definitely surpass all the major aristocratic families in the future. Just like ye Qing back then, he might even surpass ye Qing,”the military counselor said in a deep voice.

Yan Sihai snorted lightly and said, “Ye Qing’s current status is only because of the great environment. Otherwise, he would only be a martial artist.”

The military counselor did not comment on this, but he was still a little worried.

“President Yan, have you ever thought that Qin Yu could be said to be invincible in the Martial Marquis Realm? What if he stepped into the legendary Martial Saint Realm?”The military counselor asked in a deep voice.

Yan Sihai glanced at the military counselor and said with a light snort, “Impossible. How many years has it been since a martial saint appeared?”

The military advisor sighed: “It is indeed difficult, but it is not impossible.”

“If he has really stepped into the martial saint stage, then we must reconsider this question.”

Yan Sihai did not deny this.

If a martial saint had really appeared, then it would not be something that the various aristocratic families could deal with.

At that time, it was likely that the entire fire country's upper echelons would give Qin Yu the green light.

"Don't worry, the ones who suffered the most damage this time is not us, but the Han clan." Yan Si Hai said as he lit up a cigar.

"Han Meng will be making a big move very soon, just wait and see."

The military advisor nodded his head slightly and said: "We can inform the sacred Confucian school and have Gu Cang Hai find an opportunity to hunt down Qin Yu."

Yan Si Hai thought for a moment and said: "Go make the arrangements."

"Yes, Chief Yan."

...

In the blink of an eye, three days had passed.

Qin Yu was still in a coma and did not show any signs of waking up.

But these few days, the entire martial arts forum was extremely lively!

Although the Han family and the Yan family had tried their best to suppress the news, in the end, it could not be kept under wraps.

Not only did they fail to suppress the news, there were even many videos circulating.

Looking at Han Wei's posture of being beaten up, the people on the martial arts forum could not help but be shocked.

"So this Han Wei is just good-looking but useless."

“Bullsh * t. I once fought with Han Wei. His strength can be said to be sky-high. He is definitely one of the top even in Jingdu.”

“That’s right. Countless geniuses in Jingdu have been defeated by Han Wei. The reason why he lost this time can only mean that Qin Yu is stronger.”

“How many years has it been since someone like Qin Yu appeared. An ordinary person who came from Jiangcheng has now beaten up Han Wei. It is simply unimaginable.”

“From today onwards, Qin Yu is my idol!”

For a time, many young martial artists on the Martial Arts Forum regarded Qin Yu as a god!

Especially those martial artists with no background!

Han Meng looked at the news on the martial arts forum and his face couldn’t help but turn extremely gloomy.

“Qin Yu... you have made our Han family lose face!” Han Meng said through gritted teeth.

“President Han, master is here.” At this moment, someone suddenly ran over.

When he heard this, Han Meng’s expression couldn’t help but change.

He was just about to get up when he saw an old man in his eighties walk in from outside the door.

This old man was none other than the true ruler of the Han family, Han Chongming!

There were several people following him, and one of them was Han Meng's biological brother, Han Xiu!

"Dad, you... Why are you here?" Han Meng hurriedly stood up and whispered.

Han Chongming coldly glanced at Han Xiu and raised his hand to slap him.

This slap made Han Meng's ears ring.

He covered his face but didn't dare to say anything.

"A big waste gives birth to a little waste," Han Chongming said coldly.

He glanced at Han Wei, who was lying on the bed half-dead, and said coldly, "Two pieces of trash. They have completely disgraced our Han family!"

"Dad, I... I'll handle this matter properly as soon as possible," Han Meng hurriedly said.

Han Xiu sneered and said, "I think you don't need to handle this matter. Leave it to me."

Han Meng immediately became anxious when he heard that.

Old Master Han had always liked Han Xiu more and had always looked down on Han Meng.

If this matter was left to Han Xiu to deal with, then Han Meng's position in the Han family would plummet in the future!

Not only that, even his own son would be affected!

“Dad, trust me. I’ll deal with this matter as soon as possible!” Han Meng said anxiously.

Han Chongming looked at Han Meng coldly and said, “Do you know what your greatest value is?”

Han Meng opened his mouth, not knowing what to say for a moment.

Han Chongming snorted coldly and said, “The greatest value for you and your son is to be able to marry into the Yan family! To be able to marry the eldest daughter of the Yan family!”

“In the end? The wedding venue was a mess, and it even embarrassed the Han family!”

Han Meng’s face was extremely ugly. He gritted his teeth and said in a low voice, “Dad, give me a few days. I... I will definitely take care of these two things!”

“I guarantee that the Yan family will not break off the engagement, and Qin Yu.... will definitely die!”

Chapter 544: Chapter 544, the pinnacle of martial arts

Han Chongming snorted coldly. He put his hands behind his back and said, “Han Meng, this is your last chance. If you can’t handle it well, hand it over to Han Xiu.”

After saying this, Han Chongming turned around and walked out.

Han Meng’s face was extremely ugly. He could not help but clench his fists and clench his teeth.

Han Meng had no choice but to blame everything on Qin Yu for grandfather Han's indifference towards him.

"Qin Yu... I must kill you!" Han Meng said coldly.

...

In the blink of an eye, Qin Yu had already been unconscious for an entire week.

Fortunately, with the pavilion master's meticulous care, Qin Yu's body was fine.

Finally, on this afternoon, Qin Yu woke up groggily.

Looking at the familiar surroundings, Qin Yu was momentarily stunned.

"You're Awake?" The Pavilion Master's voice came from the side.

Qin Yu suddenly came back to his senses. He hurriedly stood up and said, "Pavilion Master, where is Ruoxue? where is she now?"

The pavilion master blew at the soup in his hand and said, "Drink the medicine first."

Qin Yu didn't have the mood to drink the medicine. He said anxiously, "Pavilion Master, I have to see Ruoxue immediately..."

The Pavilion Master was silent for a moment. Then, she put the medicine aside and said, "She is now in the Jingdu Martial Arts Association. As for the reason, I don't know."

Only then did Qin Yu remember what he had heard before he fainted.

His face was a bit ugly, and he hurriedly sat up from the bed.

“Why? Do You Want to Die?”The pavilion master said coldly.

Qin Yu gritted his teeth and said, “Even if I want to die, I can’t just sit and do nothing.”

“You’d better take care of yourself first,”the pavilion master said coldly.

“Yan Ruoxue is the eldest miss of the Yan family. Her situation is better than yours.”

“What you should be worried about now is how to deal with the anger of the Han family and the Yan family.”

Qin Yu was speechless for a moment.

Even though that was the case, it was impossible not to worry.

“Don’t worry. I will send someone to the Jingdu martial arts association to gather information,”the pavilion master said.

Qin Yu let out a turbid qi and nodded. “Okay, then I will have to trouble the Pavilion Master.”

Although Qin Yu was very anxious, he also knew that the Jingdu martial arts association was even more dangerous than a dragon’s Den or a tiger’s den.

With his own ability, it was impossible for him to take the person away.

If it wasn’t for the battle he had with Han Wei, he would have died long ago.

Just the Yan family and Han family alone would take his life.

Qin Yu sat up from the bed.

He moved his body. Other than being a little stiff, he didn't feel too uncomfortable.

"Let's go. Follow me. Old Mister Jiang is still waiting for you," said the pavilion master.

"Jiang he?" Qin Yu thought of this senior.

If he hadn't made a move, the situation would have been extremely difficult.

Qin Yu followed behind the pavilion master and walked toward the back mountain of the Divine Alchemist Pavilion.

At this moment, Jiang he was sitting on the back mountain with his eyes closed to rest.

During this period of time, Jiang he spent almost all his time sitting on the back mountain. He just sat there.

"Old Mister Jiang." The Pavilion Master's voice came from behind.

Jiang he slowly turned his head. He shook his head and said jokingly, "Pavilion Master, you and I are almost the same age. It's not appropriate to call me old Mister Jiang."

Ji Yuhong just smiled and didn't say anything.

Although the two of them were about the same age, they looked like grandfather and grandson.

“Greetings, senior Jiang.” Qin Yu walked forward and bowed slightly.

Jiang he nodded and said, “You’re awake. Have a seat.”

Qin Yu walked to the opposite side of Jiang he and sat down.

“Thank you, senior Jiang, for your help.” Qin Yu bowed and said.

Jiang he ignored this sentence and asked, “What are your plans next?”

Qin Yu frowned slightly and said coldly, “I want to take Yan Ruoxue away first.”

“She’s currently locked up in the Jingdu Martial Arts Association. What if you can’t take her away?” Jiang he continued to ask.

Qin Yu didn’t hide anything and coldly said, “Then I’ll pull out the Jingdu Martial Arts Association!”

Hearing this, Jiang he couldn’t help but stroke his beard and laugh.

“Back then, I was just like you. I came from a lowly background, but my ambition was higher than the sky. I thought I could change everything,” Jiang he slowly said.

“What Jingdu Martial Arts Association? What jingdu aristocratic family? In my eyes, they’re not even worth mentioning.”

Qin Yu frowned slightly. He said somewhat confusedly, “Senior Jiang, could it be that you also have a grudge with the Jingdu Martial Arts Association?”

Jiang he glanced at Qin Yu and said, "It's not just a grudge. I've killed at least ten martial marquises of the Jingdu Martial Arts Association. Back then, I also wanted to get rid of the Jingdu Martial Arts Association!"

"Then... . Then why did you go into seclusion later?" Qin Yu was extremely puzzled by this.

Jiang he had initially claimed to be the strongest person in the fire country. With his abilities, he should at least be able to force the JINGDU martial arts association to lower their heads, right?

Jiang he raised his head and looked into the distance, as if he was reminiscing about a past.

A moment later, he quietly said: "Later on, I realized that I could not change anything at all."

Qin Yu's expression changed, and he hurriedly said, "Could it be that even you can't do anything to the Jingdu Martial Arts Association?"

"Yes." Jiang he didn't hide anything.

"The deeper you get in contact, the more you know how terrifying the Jingdu Martial Arts Association is, and the more you understand how deep the waters of Jingdu are."

"So, in the end, I chose to escape and choose to live in seclusion."

Qin Yu's expression was somewhat unsightly, and he was even more puzzled in his heart.

Why was even Jiang he so powerless?

“Don’t underestimate the power of the Jingdu aristocratic families, and don’t underestimate the foundation of the Jingdu Martial Arts Association,” Jiang he said.

“They have been established for many years and have stood tall. They have long become the highest hall in the hearts of martial artists. Everyone regards entering the martial arts association as an honor.”

“This also leads to the most outstanding geniuses in the world working for the Jingdu Martial Arts Association.”

At this point, the pavilion master beside him nodded and said, “Mr. Jiang is right. The Jingdu Martial Arts Association is more powerful than you can imagine.”

“Other than the cultivation resources you can see in the world, they also have an extremely strong foundation.”

Qin Yu did not say anything and listened to the opinions of these two seniors.

“Qin Yu, let me ask you, in your impression, what is the strongest realm?” Jiang he asked.

Qin Yu said in a deep voice, “I’ve heard of the Martial Saint Realm, but it is said that the martial marquis is already the ceiling.”

Jiang he nodded and said, “That’s right, the martial marquis is indeed the ceiling.”

“But... this conclusion does not apply to the Jingdu Martial Arts Association.”

Qin Yu's expression suddenly changed, and he hurriedly said, "Could it be... that the JINGDU martial arts association has a Martial Saint?"

Jiang he did not answer. He only said, "You will slowly understand in the future."

Qin Yu's expression was extremely unsightly. Based on what Jiang he said, wouldn't he have no hope?

Even Jiang he was so negative, let alone Qin Yu?

"You don't have to worry too much." At this moment, Jiang he suddenly changed the topic.

He looked at Qin Yu and said, "Your future achievements will definitely be above mine.. Perhaps, you are the one who will break the deadlock."

Chapter 545: Chapter 545, who exactly was my father

Qin Yu couldn't help but be stunned.

Was he the one who broke the deadlock?

But the current Qin Yu wasn't even a martial marquis, so how could he go against the Jingdu Martial Arts Association?

"Think carefully about your strength after becoming a martial marquis," Jiang he said in a deep voice.

Qin Yu suddenly remembered the state he was in when he forcefully became a martial marquis.

That kind of power made Qin Yu extremely confident.

He even felt that no one in the world could defeat him!

Even when he was facing more than ten martial marquises, Qin Yu didn't care at all!

“When you step into the Martial Marquis realm, everything will turn for the better,” said Jiang he.

“But you have to be careful. They won't let you step into the Martial Marquis realm so smoothly.”

Qin Yu took a deep breath and said, “Senior Jiang, I understand.”

Jiang he nodded and said, “Young man, work hard.”

Qin Yu didn't say anything.

He understood the logic, but right now, Qin Yu was only thinking about Yan Ruoxue.

He couldn't figure out why Yan Ruoxue, whom he should have taken away, was taken away by the Jingdu Martial Arts Association.

After returning to the Elder's residence, Qin Yu could not calm down for a long time.

“Stepping into the Martial Marquis realm will usher in a change...” Qin Yu gritted his teeth.

After thinking about it, he still could not accept it in his heart.

However, at the moment, Qin Yu had no other choice but to wait for the Pavilion Master's news.

For the entire day, Qin Yu was not in the mood to cultivate at all.

The next day.

The pavilion master sent someone to the Jingdu Martial Arts Association to inquire about the news.

In the evening, the pavilion master finally arrived at the Elder's residence.

Qin Yu hurriedly stood up and said, "Pavilion Master, how is it?"

The Pavilion Master was silent for a moment, then said, "The Jingdu Martial Arts Association's secrecy work is very strict. I also don't know their purpose."

Qin Yu's expression immediately became even uglier!

Even the pavilion master didn't have any news? How could this be?

"No!" Qin Yu suddenly stood up.

He coldly said, "I must immediately head to the JINGDU martial arts association to clarify the matter!"

The pavilion master glanced at Qin Yu and said, "Do you think that by going to the Jingdu Martial Arts Association, you will be able to find out more information?"

Qin Yu opened his mouth and immediately felt somewhat powerless.

He sat paralyzed on the bed and didn't know what to do for a moment.

“Let’s talk about it after you step into the Martial Marquis realm. Tomorrow, I will personally make a trip to Jingdu and then go scout for news,”the pavilion master said.

Qin Yu sighed and said, “This is the only way.”

The next day.

The Pavilion Master left the Divine Medicine Pavilion early in the morning and rushed towards Jingdu.

Meanwhile, Qin Yu’s heart had already begun to become anxious.

“As long as I step into the Martial Marquis realm, there will be a turn for the better...”Qin Yu repeatedly repeated these words silently.

His mood could not calm down for a long time. As long as he closed his eyes, it would be Yan Ruoxue.

This also made Qin Yu even more anxious. He could not wait to step into the Martial Marquis realm.

Now that Qin Yu stayed in the Divine Alchemist Pavilion, he could no longer bring about any improvements.

With Qin Yu’s current state, unless he had a stalk of ten-thousand-year-old herbs, or resources such as spirit veins, spirit springs, and Yin tombs, he would not be able to improve.

Therefore, Qin Yu could only plan to leave and go out to try his luck.

That evening, the pavilion master finally returned from Jingdu.

Upon seeing the pavilion master, Qin Yu ran over anxiously.

“Pavilion Master, how is it?”Qin Yu asked impatiently.

The pavilion master shook his head regretfully and said, “There’s still no news. Even the Yan family doesn’t know what the Jingdu Martial Arts Association is going to do.”

Hearing this, Qin Yu couldn’t help but fly into a rage!

“To the Yan family, they don’t care at all about Ruoxue’s life or death!”Qin Yu said angrily.

“Yan Sihai has used Ruoxue as a tool, and Yan Yongxiu is also a coward trash! Why would they care about what the Jingdu martial arts association is going to do!”

Seeing Qin Yu’s almost crazy attitude, the pavilion master didn’t know what to do for a moment.

“F * ck, since I can’t find out, then I’ll go to the Jingdu Martial Arts Association personally!”Qin Yu said coldly.

“Didn’t they want to capture me? Then I’ll let them capture me. At that time, I don’t believe that I won’t be able to find out the news!”

“Qin Yu, don’t be rash.”The pavilion master frowned.

He said that he wasn’t rash, but the life and death of his beloved was unknown. who could endure it!

Everyone had a weakness, and Qin Yu was no exception.

As long as one touched on a weakness, no one could maintain a calm state of mind.

“I might know the reason.”

Just then, someone suddenly walked in from outside.

This person was none other than old Mister Yan.

Seeing Old Mister Yan, Qin Yu felt as if he had seen his family.

He hurriedly said, “Old Mister Yan, what exactly is going on? If it was just an ordinary person, why would the Jingdu Martial Arts Association take her away!”

Old Mister Yan waved his hand, gesturing for Qin Yu to sit down.

The two of them sat opposite each other. Old Mister Yan paused, then slowly said, “This matter might have something to do with your father.”

“My Father?” Qin Yu was instantly stunned.

Old Mister Yan drank a mouthful of water and spoke slowly.

“Back then, I received the favor of your father. Otherwise, the Yan family wouldn’t be what it is now,” old Mister Yan said.

He looked at Qin Yu and continued, “Do you know why I asked Ruoxue to look for you in Jiangcheng?”

Qin Yu shook his head. Of course, he didn’t know.

Yan Ruoxue was a high and mighty miss, and he was a son-in-law who was already married with no prospects.

Logically speaking, it was impossible for the two of them to have any connection.

Regarding this, Qin Yu had always been extremely puzzled.

Old Mister Yan said, “This was also your father’s idea. He only told me that the two of you are a match made in heaven.”

“He told me that the two of you must be together, but he didn’t tell me the reason.”

Qin Yu was dumbstruck and confused.

What did he mean by the two of them had to be together? How did his father know that the two of them were a match made in heaven?

“If I’m not wrong, the two of you together will definitely be good for you and Ruoxue,” old Mister Yan continued.

“So, the Jingdu Martial Arts Association’s action is probably just to prevent the two of you from being together and bringing disaster to the Jingdu Martial Arts Association.”

Qin Yu furrowed his brows and said, “Old Mister Yan, is what you said true? It Can’t be to comfort me, right?”

Old Mister Yan smiled bitterly and said, “Ruoxue is my babe, my beloved flesh and blood. I’m more worried than you.”

Qin Yu was speechless. This was true. The entire Jingdu knew that the person old Mister Yan cared about the most was Yan Ruoxue.

“Although the Jingdu martial arts association is strong, they will definitely not ignore the influence of the Yan family,” old Mister Yan said.

“So, Ruoxue should be safe.”

Hearing old Mister Yan's words, Qin Yu felt slightly relieved.

"You should listen to the Pavilion Master. There are some things that can not be rushed," old Mister Yan said.

Qin Yu took a deep breath and nodded. "I understand, old Mister Yan."

At this point, Qin Yu paused.

He looked at Old Mister Yan and continued to ask, "You said that you once received the favor of my father. Does that mean that you know him?"

Old Mister Yan took a sip of water and nodded. "I know him."

"Then.... then where is he? What kind of person is he? Why have I never seen him before?" Qin Yu asked anxiously.

Chapter 546: Chapter 546: embarking on the path of cultivation

Old Mister Yan had naturally guessed Qin Yu's question.

Therefore, he seemed to have prepared for this long ago as he spoke slowly.

"I don't know much about your father, but I know that he is a person who can reach the heavens," said old Mister Yan.

"A person who can reach the heavens?" Qin Yu looked at Old Mister Yan.

"Is he more powerful than the Yan Family?"

Old Mister Yan smiled bitterly and said, “The Yan family is nothing in front of him.”

“To him, wealth is nothing. Let alone the small Yan family, with his strength, he can talk to a country.”

Qin Yu couldn't help but suck in a breath of cold air.

Just one person could talk to a country? What kind of realm did one have to possess?

“As his son, I believe that your abilities are not inferior to his,” old Mister Yan said.

“When that time comes, not to mention the tiny Jingdu martial arts association, even the authorities will have to give you face.”

Such a realm was too far away for Qin Yu. Even a martial saint would not be able to achieve it.

“Then where did my father go? Why have I never seen him before?” Qin Yu asked hurriedly.

Old Mister Yan shook his head. His eyes were filled with yearning as he said, “Mr. Qin is a person who can not be seen. It is not something that we can speculate.”

This was the first time Qin Yu had seen old Mister Yan reveal such a respectful expression!

This was enough to show just what kind of existence Qin Yu's father was.

Qin Yu was silent for a moment. He looked at Old Mister Yan and said, “This means that the JINGDU martial arts association must have discovered something.”

“That’s right.” Old Mister Yan nodded.

“Qin Yu, before you step into the Martial Marquis realm, try not to clash directly with the Jingdu Martial Arts Association.”

Qin Yu took a deep breath and said, “Old Mister Yan, I understand.”

That night, Qin Yu made his plans.

The next day, he left the Divine Alchemist Pavilion and went out to explore.

At this time, the Jingdu Martial Arts Association held another meeting.

This time, the meeting was no longer aimed at Qin Yu, but at Qin Yu and Yan Ruoxue!

As far as the eye could see, there were only four people in the huge meeting room, including Xia Hang.

However, there were more than four people participating in the meeting!

They were hiding in the shadows, only hearing their voices but not seeing them.

“After our investigation, everything is as we thought.” A cold voice came from the darkness.

“Today, we investigated Qin Yu. It is very likely that he is related to that person. Moreover, his physique is a primal chaos body.” Another voice came out.

“The princess of the Yan family, Yan Ruoxue, has a different bloodline. This bloodline is beyond our understanding.”

“According to the ancient records, this bloodline and Qin Yu’s chaotic body are natural. Once the two of them interweave, they will be invincible.”

Xia hang was stunned.

At this moment, he realized that although he was the vice president, he knew nothing compared to these higher-ups.

“En, we plan to borrow Yan Ruoxue’s bloodline. If we succeed, then Yan Ruoxue will become the biggest treasure of the Jingdu Martial Arts Association!” A voice came from the dark again.

Xia hang hurriedly stood up and said anxiously, “But... Yan Ruoxue is the eldest miss of the Yan family. Will the Yan family agree to us detaining her without any evidence?”

Everyone was silent for a moment and then said, “Go and tell Yan Sihai that we will ensure Yan Ruoxue’s safety and give some benefits to the Yan family.”

“EN, if Yan Yunheng is not dead, it might be a little more troublesome. As for Yan Sihai... it doesn’t matter. We can just give him some benefits to get rid of him.”

Seeing this, Xia hang didn’t say anything more.

“Then... What About Qin Yu?”Xia hang suddenly thought of something.

“Kill.”In the dark, he only spat out one word.

Hearing that, Xia hang finally heaved a sigh of relief.

No one had expected that the battle between Qin Yu and Han Wei would actually cause so much trouble.

Not only that, the situation in Jingdu seemed to be quietly changing as well.

Many of the hidden experts from the fire country were also slowly emerging from the pyro.

... ..

The next day.

Qin Yu bid farewell to the Pavilion Master and left the Divine Alchemist Pavilion.

He set off towards the northwest. He walked on foot along the way, tempering his mental state.

Not long after Qin Yu left the Divine Alchemist Pavilion, Gu Canghai received the news.

After he put down his phone, his expression immediately turned cold.

“From today onwards, the Saint Confucian school will temporarily be handed over to Deng Sheng to manage,”gu Canghai said coldly.

“Sect master, where are you going?”The old man called Deng Sheng hurriedly asked.

A trace of killing intent flashed across Gu Canghai’s face as he coldly said, “To kill people!”

...

Jade city was located in the depths of the northwest.

This city was just like its name, a piece of Jade Green.

Unlike the desolation of the surrounding cities, everything here was lush and verdant, like a forest.

Because it was located in the depths of the northwest, most of the residents here had left Jade City and chose to go to a big city.

This also caused green city to be extremely sparsely populated, but there were many sects.

“The surrounding cities are all deserts, but Green City is actually all green.”Qin Yu stroked his chin and thought to himself.

He released his spiritual sense and tried to sense the internal Qi of green city.

“HM?”Soon, Qin Yu felt that something was wrong.

In the northwest corner, there was a faint surge of Qi/spiritual energy.

This Qi/spiritual energy was faintly discernible. Although it was not very strong, it was still very far away.

Qin Yu did not waste any time and immediately walked toward the northwest corner.

All the way to the northwest corner, Qin Yu saw a huge rock that was like a city gate.

Near the city gate, there were a few black cars parked nearby.

Qin Yu looked up at the huge rock and saw a few big words written on it: Bi Luo Tower.

“What kind of lousy name is that?” Qin Yu couldn’t help but ridicule.

He tried to feel the Qi/spiritual energy and sure enough, the Wisps of Qi/spiritual energy came from Bi Luo Tower.

Qin Yu thought for a moment and then walked in with big strides.

In Bi Luo Tower, there was a large area of land that was surrounded, and it was on par with the manor of an ordinary wealthy family.

Qin Yu followed the Wisps of Qi/spiritual energy and walked in a certain direction.

Not long after, Qin Yu saw a huge lake in front of him.

Qin Yu bent down and picked up a handful of water.

After a mouthful of water, Qin Yu felt a strange smell.

“There is Qi/spiritual energy in the lake, but the smell is a bit strange. It’s different from the Water Dragon Cave,” Qin Yu said in a deep voice.

This feeling... It was as if the Qi/spiritual energy had been diluted countless times.

Qin Yu picked up a huge rock and threw it into the lake.

He tried to drink another mouthful of the lake water, but he found that the taste this time was different.

Compared to the first cup of water, the Qi/spiritual energy in the lake water seemed to be a bit denser this time.

“It’s really strange.”Qin Yu was a bit puzzled for a moment.

He scanned his surroundings and found that there was a small entrance at the border of the lake.

The water in the lake seemed to flow in from this small entrance.

Chapter 547: Chapter 547, the impostor?

“There’s definitely a secret here,”Qin Yu said with some surprise.

After walking for several days, Qin Yu finally found a place with Qi/spiritual energy!

Therefore, he hurriedly walked toward the gap.

“Who are you? Who told you to be here?”

At this moment, a stern shout came from behind Qin Yu.

He turned around and saw two men looking at him vigilantly.

Qin Yu released his internal Qi and realized that these two people were actually two martial grandmasters.

“HM? There are actually martial grandmasters here.”Qin Yu couldn’t help but be a little surprised.

“Quickly tell me, who are you? Who let you in!”The two men shouted again.

The internal Qi on their bodies exploded, and their faces were filled with coldness. They had the intention to attack!

Qin Yu cupped his hands and said politely, “My name is Qin Yu. I accidentally barged in, but I was attracted by this lake.”

“Qin Yu?”

Hearing this name, the two of them were instantly stunned.

They looked at each other, and then hurriedly asked, “Are you the Qin Yu who injured Han Wei?”

Qin Yu couldn’t help but be a little surprised.

It had only been a few days, and it had already reached here?

“That’s right, it’s me.”Qin Yu nodded and said.

The two of them immediately changed their attitudes and said respectfully, “I’ve long heard of Mr. Qin’s great name. I didn’t expect to see him in person today!”

“Mr. Qin, you are our idol! You are not afraid of powerful people and fight to the death. We have always wanted to follow you!”

Qin Yu could not help but feel a little embarrassed. He said politely, “You two are flattering us.”

Speaking up to this point, Qin Yu pointed at the lake and said, “Oh right, where does the Qi/spiritual energy in this lake come from? Why is it strong and weak at times?”

Hearing this, a hint of awkwardness flashed across their faces.

They smiled embarrassedly and said, “Mr. Qin, it’s not that we don’t want to tell you, but... This is our secret. We are not allowed to tell outsiders.”

“How about... I bring you to see our sect master?”

Qin Yu thought for a moment and nodded. “Alright, then I’ll have to trouble the two of you.”

Thus, Qin Yu followed behind the two of them and walked forward.

In front of them was a building. The two of them brought Qin Yu straight up to the twenty-seventh floor and then came to an office.

“Mr. Qin, this is our sect master’s office.” The two of them said politely.

Qin Yu bowed slightly to express his gratitude.

Then, Qin Yu knocked on the door.

Not long after, a woman’s cold voice came from inside, “Who is it?”

“Sect master, someone wants to see you,” the two martial grandmasters said quickly.

“Wait, I’m in a meeting, don’t you know?”The woman said coldly.

The two martial grandmasters were a bit embarrassed. One of them said in a low voice, “Mr. Qin, please don’t mind. Our sect master just met with a difficult thing recently, so he’s quite upset.”

“It’s alright.”Qin Yu said with a smile.

Qin Yu naturally wouldn’t be angry since he was disturbing others.

After waiting at the door for about half an hour, they finally opened the door.

Then, they saw four or five people walking out from inside.

What surprised Qin Yu was that these people were all peak martial grandmasters!

With such strength, they were definitely top-notch existences in this small green city!

“Come in.”

Then, he heard that woman’s voice.

Qin Yu immediately walked into the office.

With a glance, he saw a woman with an ice-cold expression sitting in front of the office desk.

Her skin was snow-white and she looked handsome, but there was a trace of worry between her brows.

“Who are you?” After seeing Qin Yu, this woman couldn’t help but frown.

Before Qin Yu could speak, the two people beside him hurriedly said, “Sect master, he is that famous Qin Yu!”

“Hello,” Qin Yu said politely.

However, this woman sneered and said, “These few days, there are at least eight people who claimed to be Qin Yu. In the end, they are all liars!”

Although there were many videos of Qin Yu, they were all taken during the battle. The extremely strong internal Qi made the cameraman not dare to go forward.

This also caused Qin Yu’s face to be unable to be seen clearly in the video. Only a blurry figure could be seen.

When Qin Yu heard these words, he was stunned.

He said somewhat awkwardly, “Someone is pretending to be me? For what?”

“You really think you are Qin Yu?” The woman said coldly.

“Who doesn’t know that Qin Yu is currently in the Divine Alchemist Pavilion? Even if he isn’t in the Divine Alchemist Pavilion, he should have appeared in Jingdu! Why would he come to my tiny Green City!” The woman said coldly.

Qin Yu explained helplessly, “I’m Really Qin Yu. I just left the Divine Herb Pavilion. The reason why I’m here is because of the lake at the entrance.”

Just as the woman was about to speak, a man suddenly walked in from outside.

“Zhen Yue, Qin Yu is here,” the man said.

Zhen Yue immediately sneered, “Did you hear that? Another Qin Yu is here. Let him in.”

A hint of amusement appeared on Qin Yu’s face.

He found a place to sit down and quietly waited for “Qin Yu” to arrive.

Not long after, a handsome man walked in.

The man said indifferently, “Sect Master Zhen, right? I heard that you encountered some difficulties recently?”

Zhen Yue said expressionlessly, “You are Qin Yu?”

“That’s right. I’m Qin Yu!” The man said indifferently.

Zhen Yue sneered, “Then why aren’t you at the Divine Alchemist Pavilion? What are you doing in Green City?”

The imposter laughed and said, “I heard that sect master Zhen has encountered some difficulties. Whoever can help you solve them will be able to get 100 million and have a good night with sect master Zhen...”

The impostor paused and continued, “Of course, I just happened to pass by here. I didn’t come here for this small favor.”

Zhen Yue didn’t have much expression on her face. She only said coldly, “How do you prove that you are Qin Yu?”

The impostor didn't say anything else. His body shook, and beams of golden light instantly burst out from his body!

Seeing the Golden Light, Qin Yu couldn't help but be a little surprised.

It was a damn good imitation!

“Golden Internal Qi!” Seeing this, everyone couldn't help but be a little surprised.

“Qin Yu can release Golden Light when he fights! It seems that he really is Qin Yu!”

Even Zhen Yue showed a hint of surprise on her face.

“Are You Really Qin Yu?” Zhen Yue stood up immediately and asked in surprise.

The impostor pretended to be displeased and said, “I came here out of kindness to help you, but you actually doubted me. In that case, I'll leave.”

After saying that, the impostor turned around and was about to leave.

Zhen Yue's expression changed. She hurriedly stopped the impostor and said politely, “I didn't mean that. It's just that there have been too many imposters these days. Please don't mind, Mr. Qin...”

The impostor nodded with satisfaction.

Then, Zhen Yue looked at Qin Yu and said coldly, “You can leave now.”

Qin Yu couldn't help but say helplessly, “This person is obviously a person who swindles money and women. How can you believe him?”

“Kid, what did you say? !”The impostor was instantly enraged, and the golden light on his body also rose.

Chapter 548: Chapter 548, Qi/spiritual energy gap

Before Qin Yu could say anything, zhen yue yelled coldly, “Get out of Here!”

Qin Yu spread his hands, but he didn’t care.

He came here for the lake.

Since they didn’t believe him, he might as well go and explore it himself.

Qin Yu stood up and walked out of the office.

A voice came from behind, “So that kid is an impostor. I really thought he was Qin Yu.”

“He looks sneaky, but he doesn’t seem like a good person.”

Qin Yu smiled bitterly. He never thought that his current fame would be so great. There was even an impostor.

Of course, this was also a good thing.

This was enough to show that Qin Yu’s appeal was absolutely beyond imagination.

He once again came to the front of the lake and felt the faint Qi/spiritual energy coming from the lake.

For the current Qin Yu, the most important thing was to improve his cultivation as soon as possible and step into the Martial Marquis realm.

“Once I step into the Martial Marquis Realm, I will definitely go to the Jingdu martial arts association personally to ask for someone.” Qin Yu secretly made up his mind.

Then, Qin Yu followed the lake water all the way to the gap.

All the lake water flowed in through the gap.

Looking through the gap, it was a small stream.

Qin Yu stood beside the stream. He bent down and took a sip of the stream water to taste.

Sure enough, the Qi/spiritual energy was a little thicker than before.

Qin Yu followed the stream all the way. Soon, Qin Yu realized that something was wrong.

The stream was circular, and finally flowed into the lake again.

In other words, this was a pool of stagnant water!

“Strange.” Qin Yu’s frown became tighter and tighter.

He stood on the edge of the lake and said in a low voice, “Could the secret be under the water?”

Thinking of this, Qin Yu immediately jumped into the lake.

Diving along the lake, Qin Yu was surprised to find that the pressure below had suddenly become much stronger, and the Qi/spiritual energy had also become denser!

The lake water was much deeper than he had imagined. After diving for dozens of meters, Qin Yu finally came to the bottom of the water!

It was dark under the water. Qin Yu used the secret art of water avoidance, and then used the spiritual fire to explore.

Soon, he found something strange!

There was a huge gap in the ground under the water!

All the Qi/spiritual energy was emitted from this gap!

Qin Yu hurried over. He tried to open the gap, but he found that the gap was extremely hard!

Qin Yu immediately activated his inner strength and threw a punch!

Unfortunately, the hardness of this gap was far beyond Qin Yu's imagination. He couldn't even shake it!

“What a hard stone!” Qin Yu couldn't help but be shocked!

He sat cross-legged under the water and felt the surging qi/spiritual energy.

The gap was sometimes big and sometimes small, and the surging qi/spiritual energy was sometimes thick and sometimes thin.

Qin Yu's eyes sparkled, and he was a little excited for a moment!

“This is the Qi/spiritual energy formed naturally between heaven and Earth!”Qin Yu was extremely excited!

In other words, this Qi/spiritual energy was the purest, equivalent to what was left when the heaven and earth hadn’t changed!

Unlike herbs, even ten-thousand-year-old herbs could only be used to store Qi/spiritual energy.

And this Qi/spiritual energy had not been contaminated in the slightest, and there were no impurities in it. It was no different from the Qi/spiritual energy when the world had not changed!

“In this environment, there is actually such a gap in the Qi/spiritual energy!”Qin Yu’s eyes flashed with excitement.

Then, what exactly was under this gap? Could it be a world where the Qi/spiritual energy had not yet dissipated? It was unimaginable!

“With such a gap, the Qi/spiritual energy can be said to be endless!”Qin Yu thought to himself.

He did not waste any time and immediately sat down cross-legged and began to absorb the Qi/spiritual energy underwater.

Because Qin Yu was near the gap, the Qi/spiritual energy that was spewed out was absorbed by Qin Yu at the first moment!

Above, no one in Bi Luo Tower knew that Qin Yu was underwater.

In the evening, many ordinary people of BI city appeared beside the lake.

They were holding buckets and drawing water from the lake.

At this moment, Zhen Yue accompanied the imposter to the Lakeside.

“What’s going on?”The imposter asked with a frown.

Zhen yue smiled and said, “Mr. Qin, you don’t know that the water here has a miraculous effect. More than half of the people of BI city will come here to draw water.”

The impostor asked in puzzlement, “Miraculous effect? What kind of miraculous effect?”

“It can cure diseases and drive out the cold,”Zhen Yue said with a smile.

“Miss Zhen.”As they spoke, the people who came to fetch water greeted Zhen Yue one after another.

Zhen Yue also responded with a smile.

The impostor didn’t ask any more questions. He looked at Zhen Yue and said with a smile, “Sect master Zhen, the conditions you mentioned before are all true, right?”

Zhen Yue couldn’t help but blush at the mention of this topic.

She bit her lips and said, “Of course it’s true. As long as I can keep the jade falling tower, I’ll agree to it.”

The imposter was delighted and said impatiently, “Sect master Zhen, it’s getting late. Why don’t we go to bed early?”

“So early?”Zhen Yue couldn’t help but feel a little embarrassed.

The impostor chuckled and said, “I’m sleepy now. Let’s go.”

With that, the impostor stretched out his hand to pull Zhen Yue.

Zhen Yue resisted a little in her heart, but for the sake of the Emerald Tower, she could only grit her teeth and follow the impostor.

“Sect Master Zhen, something bad has happened!”

At this moment, a few people ran over.

Zhen Yue frowned and said, “What’s the matter? Why are you so flustered?”

“Wang... Wang Xiong and the others are here!”

Hearing the name Wang Xiong, Zhen Yue’s expression immediately turned ugly.

Over the past few days, Wang Xiong had taken a liking to the emerald tower and had forced Zhen Yue to hand it over many times.

Wang Xiong was a tyrant in this area and possessed extremely strong power. Most importantly, he had no one behind him but the Saint Confucian sect!

Zhen Yue was only a woman, so she was naturally no match for Wang Xiong.

She tried to ask many people for help, but when they heard that it was Wang Xiong’s name, they all refused.

In desperation, Zhen Yue thought of Qin Yu!

In her opinion, perhaps only Qin Yu was not afraid of the Saint Confucian sect behind Wang Xiong!

“Don’t worry, we have Mr. Qin here. If Wang Xiong comes, he will definitely die!” Someone said from the side.

Zhen Yue also subconsciously looked at the imposter and said in a low voice, “Mr. Qin, please.”

The imposter’s face darkened and he couldn’t help but curse in his heart, “Damn it, didn’t I say that he would come tomorrow? Why is he here so early?”

Although he thought so, he couldn’t back down now. The imposter could only try to ask, “What’s Wang Xiong’s cultivation base?”

Zhen Yue bit her lips and said in a low voice, “He’s a half-step martial marquis who used to belong to the Saint Confucian School.”

Hearing the words ‘half-step martial marquis’, the impostor’s face turned black!

“Half-step martial marquis is nothing but Bullsh * t! He’s nothing in front of Mr. Qin!” The person next to him shouted.

After saying that, he looked at the impostor and said with a smile, “Mr. Qin, don’t you agree?”

The impostor cursed in his heart while thinking of how to escape.

“A half-step martial marquis is nothing but Bullsh * t? Who is talking nonsense?” However, at this time, Wang Xiong’s voice came from not far away.

Chapter 549: Chapter 549: Silence

Looking over, he saw a muscular man walking over with big strides.

There were four or five other people beside him, and each of them was a martial grandmaster!

The impersonator's expression changed, and he immediately knew that things weren't looking good!

He never expected that he had miscalculated! This Wang Xiong had actually come a day earlier!

Wang Xiong swept his gaze across the crowd, and for a moment, no one dared to speak.

Then, his gaze landed on Zhen Yue.

“Sect Master Zhen, have you thought it through?” Wang Xiong said with a smile.

Zhen Yue's expression changed. She gritted her teeth and said, “Mr. Wang, this azure falling tower was passed down from our Zhen family's ancestors. It's against the rules for you to occupy it like this...”

“Rules?” Wang Xiong snorted coldly and said, “Cut the crap! I'm telling you, I'm definitely going to take this azure falling tower!”

“And I'm telling you, this isn't my idea, but an order from the Saint Confucian sect!”

Hearing the words ‘Saint Confucian sect’, everyone's face changed again!

The Saint Confucian sect was the number one sect in the north, so why would they pay attention to this place?

“Sect Master Zhen, I discussed this with you because you’re pretty,” Wang Xiong said with a smile.

“How about this? You Can Be My Woman, and I promise to give you a luxurious life!”

Zhen Yue gritted her teeth, her face extremely ugly.

Wang Xiong looked at Zhen Yue in front of him lecherously, almost drooling.

Zhen Yue was wearing a black short skirt with a V-neck shirt, which outlined her figure almost perfectly.

And Zhen Yue was also a famous beauty in green city, known as the number one beauty in Green City! No one could not be tempted!

“How is it? Have you thought it through?” Wang Xiong said with a smile.

Zhen Yue gritted her teeth and looked at the imposter beside her subconsciously.

“Wang Xiong, don’t be too arrogant. So what if it’s the Saint Confucian school!” At this moment, the person beside Zhen Yue shouted.

He pointed at the imposter and berated, “Do you know who this is? He is the famous Qin Yu! With Mr. Qin around, the Saint Confucian school can forget about doing anything!”

Hearing the name Qin Yu, Wang Xiong and the others' expressions changed drastically!

“You are Qin Yu?” Wang Xiong tried to ask.

The impostor's expression changed again and again. He saw a trace of fear flash across Wang Xiong's face.

Therefore, he simply braced himself and said, “That's right, I am Qin Yu! Sect Master Zhen is my friend. Please leave quickly and don't have any more ideas about this jade fall tower.”

Wang Xiong frowned.

He had heard of Qin Yu's name before. He was an existence that even the sect master of the sacred Confucian school couldn't do anything about!

Just as Wang Xiong was about to speak, the person next to him suddenly snorted and said, “Everyone says that this Qin Yu is so powerful. I think it's just an empty title!”

As he spoke, the person took a step forward and looked at the impostor.

“You're Qin Yu, right? I've heard so much about you. I've always wanted to learn from you and see if you're the legendary God!”

The impostor's expression suddenly changed!

He braced himself and said, “I think there's no need for that...”

“Hehe, why? Are You Afraid? It seems that your victory over Han Wei was indeed fake!” The person said coldly.

The imposter's expression turned extremely ugly. He subconsciously looked at Wang Xiong.

However, Wang Xiong did not show any reaction. It seemed that he also wanted to see "Qin Yu's" ability.

"Qin Yu, make your move. Let me see just how much ability you have!" The martial grandmaster beside Wang Xiong shouted and then clenched his fist!

Since things had already come to this point, the imposter could only brace himself and go forward to meet him.

Golden light flashed on his body, and he immediately clenched his fist to fight head-on!

The moment he made contact, the golden light on the imposter's body instantly exploded, and his arm was bent at a strange angle!

When everyone saw this, they were instantly stunned.

The Legendary Invincible Qin Yu was actually so weak?!

"Hahahaha!" Wang Xiong couldn't help but burst into laughter.

"So this Qin Yu is just a nobody! He can't even defeat a great Grandmaster!"

Zhen Yue and the others' faces turned even uglier!

Didn't they say that Qin Yu was a half-step martial marquis? ! How could he be so weak?!

“I didn’t expect that Qin Yu would die at my hands!”Wang Xiong stepped forward and said coldly.

The imposter panicked immediately. He knelt on the ground and begged for mercy, “Mr. ... Mr. Wang, I’m not Qin Yu at all. Please... Please spare me...”

“You’re not Qin Yu?”Zhen Yue frowned immediately.

Since things had come to this, the imposter didn’t dare to lie anymore.

He braced himself and said, “I. . . I said I was Qin Yu because I was lusting after sect leader Zhen’s beauty...”

“I thought you would come tomorrow. As long as I run away early tomorrow, everything will be fine... but I didn’t expect you to come early...”

Hearing this, Zhen Yue stomped her feet angrily.

She pointed at the imposter and scolded, “You Bastard!”

Wang Xiong sneered, “Zhen Yue, why would the real Qin Yu Help You?”

A trace of sadness flashed across Zhen Yue’s face.

Yes, Qin Yu was a person who challenged the Yan family. Why would he help her.

At this moment, Wang Xiong suddenly stretched out his palm, and a ray of light directly smashed the head of the imposter!

The sudden change of events immediately scared Zhen Yue and the others so much that their faces turned pale.

“Sect Master Zhen, you’d better obediently obey me...”Wang Xiong said with a lecherous look.

“Mr. Wang, don’t forget what the higher-ups told you,”someone reminded him at this moment.

Wang Xiong frowned and glanced at Zhen Yue unwillingly. Then, he said, “Sect Master Zhen, wait for me obediently. I’ll come back to Dote on you after I’m done.”

Zhen Yue’s face was pale, but she didn’t dare to say anything.

Then, Wang Xiong looked at the lake in front of him.

“The Saint Confucianism sect must be talking about this place,”Wang Xiong said in a deep voice.

“Yes, there is a mystery hidden in this lake. The Saint Confucianism sect intends to establish a second sect here,”the person next to him said.

Wang Xiong and the others didn’t say anything more. They immediately jumped into the lake.

Below them, Qin Yu was sitting at the gap, absorbing the Qi/spiritual energy released from the gap.

At this moment, he suddenly felt waves of fluctuations, as if someone was approaching him.

“Who is it?”Qin Yu opened his eyes slightly and looked up.

He saw four figures speeding toward him.

Qin Yu slowly stood up and looked at these people quietly. He frowned and asked, "Who are you?"

Wang Xiong was even more stunned. He immediately berated, "Who are you? Who told you to be here!"

"There's no need to talk nonsense with him. He discovered the secret in the lake. Just silence him," the person beside him said in a deep voice.

Wang Xiong nodded and immediately strode towards Qin Yu.

Chapter 550: Chapter 550, Zhen Yue's sacrifice

Wang Xiong looked at Qin Yu coldly, and the energy in his body surged as he strode over.

Above.

Zhen Yue and the others looked extremely unsightly.

"Sect master Zhen, let's leave before Wang Xiong comes up," someone beside them advised.

"Yeah, it'll be too late if we wait for Wang Xiong to come up!"

Zhen Yue gritted her teeth and said in a deep voice, "I can't leave. I can't give up on the Emerald Tower."

"Sect master! It's useless for you to stay. That Wang Xiong is a half-step martial marquis, and he has the support of the Saint Confucian sect!"

“Yeah! Instead of waiting for death, it’s better to leave for now and find another chance in the future!”

Zhen Yue’s face was extremely ugly. She gritted her teeth and said unwillingly, “Maybe... This is the only way.”

However, at this moment, a huge explosion sounded from the water!

A huge wave rose from the water, and then a few figures flew out like cannonballs!

At first glance, these people were none other than Wang Xiong and the others!

At this moment, Wang Xiong’s mouth was bleeding, and his arm was broken. He looked miserable.

“What... What’s going on?” Zhen Yue was dumbfounded.

Wang Xiong didn’t say anything. He hurriedly got up from the ground and stared at the lake.

A moment later, a golden light lit up.

Qin Yu slowly walked out of the lake.

“It’s You! ?” Zhen Yue was stunned when she saw Qin Yu.

Qin Yu glanced at Zhen Yue, then pointed at Wang Xiong and said, “He’s from your Biluo Tower? What the hell? He wants to fight me without saying anything...”

At this point, Qin Yu muttered, “I was forced to resist and it was in self-defense. Sect Master Zhen, Don’t blame me.”

Zhen Yue couldn't help but swallow his saliva.

Wang Xiong... was sent flying by Qin Yu ? !

After all, Wang Xiong was a half-step martial marquis!

“Sir, I don't care who you are. We are here to protect this lake on the orders of the Saint Confucian school. I hope you don't mind your own business,”the person beside Wang Xiong said coldly.

Qin Yu narrowed his eyes and sneered, “So you guys are from the Saint Confucianism sect... it seems that the Saint Confucianism sect has also set their eyes on this place. It really gives me a headache...”

“Since you know about the Saint Confucianism sect, please leave quickly. Our Saint Confucianism sect will definitely owe you a favor!”The person continued.

When Qin Yu heard this, he couldn't help but sneer, “If you didn't tell me the name of the Saint Confucianism sect, I might have spared you. But now... What a pity.”

Before he could finish his words, Qin Yu's figure suddenly disappeared!

In the next second, Qin Yu's slap was seen!

With just one slap, that Martial Grandmaster's head directly exploded!

His corpse fell heavily to the ground.

Before the crowd could react, Qin Yu attacked again.

In the blink of an eye, those martial grandmasters all turned into ice-cold corpses!

Everyone was stunned.

Killing a martial grandmaster with one slap? What kind of strength was that? !

“It’s your turn.”Qin Yu looked at Wang Xiong.

Wang Xiong’s face was extremely ugly as he shouted, “Brat, who are you? !”

“Qin Yu.”Qin Yu spat out two words coldly.

“Qin... Qin Yu? ! Why is there another Qin Yu? !”Wang Xiong almost wanted to die.

Zhen Yue seemed to have come to her senses. She rushed forward and said anxiously, “Mr. Qin, I was blind just now. Mr. Qin, please help me drive him away!”

Qin Yu glanced at Zhen Yue and said, “You had nothing to do with me killing him. It’s because he once said that I won’t let anyone from the Saint Confucian school go.”

Wang Xiong was a little scared, but he was a half-step martial marquis after all. He wouldn’t just sit around and wait for his death.

Wang Xiong’s energy surged, and his body actually began to expand.

His muscles instantly expanded several times, and in the blink of an eye, his clothes directly burst!

“Qin Yu, you’re going too far. Do you think I, Wang Xiong, am easy to bully?!” Wang Xiong roared angrily and immediately rushed toward Qin Yu!

His fist was almost the same size as Qin Yu’s head, and the terrifying wind even brought up waves behind him!

“Go to hell!” Wang Xiong roared angrily!

Qin Yu snorted, raised his palm, and lightly welcomed him.

“Pa da.”

Wang Xiong’s huge fist was actually held lightly in Qin Yu’s hand!

What was even more terrifying was that Wang Xiong struggled with all his might, but he couldn’t break free at all!

“I really didn’t expect that the Saint Confucian school would actually target this place.” Qin Yu’s cold voice sounded in Wang Xiong’s ear.

Wang Xiong swallowed his saliva. At this moment, he realized how big the gap between him and Qin Yu was!

“Don’t... Don’t kill me...” Wang Xiong said in a trembling voice.

Qin Yu shook his head and said, “I’m sorry, I’m a man of my word.”

Before he finished his words, Qin Yu’s palm suddenly exerted force and directly crushed Wang Xiong’s fist!

In the next second, Qin Yu’s fist flashed with a golden light and suddenly smashed toward Wang Xiong!

This punch directly penetrated Wang Xiong's body!

Wang Xiong lowered his head and looked at his chest. His eyes were filled with fear.

“Half-step Martial Marquis, right? This is a great tonic. We can't waste it.” Qin Yu raised his hand and activated the heaven-devouring technique.

In a moment, the extremely strong Wang Xiong turned into a dried corpse.

The surroundings were silent.

Zhen Yue covered her mouth, her face full of shock.

“Thank... Thank you, Mr. Qin!” Zhen Yue reacted and said hurriedly.

“Thank you, Mr. Qin!” The others also shouted.

Qin Yu glanced at her and said, “I told you, it's none of your business that I killed him. Why are you thanking me?”

Zhen Yue said in a low voice, “No matter what, you still hugged Bi Luo Tower. I will definitely remember this favor.”

“As you wish.” Qin Yu waved his hand.

“Mr. Qin, please... come in!” Zhen Yue cupped her hands and said.

She followed Zhen Yue to the guest room.

“You guys go out first.” Zhen Yue waved her hand and sent everyone out.

After everyone went out, Zhen Yue locked the door.

Then, she looked at Qin Yu and said in a low voice, “Mr. Qin, I promised that as long as you help me solve this problem, I... I can spend a night with him...”

As she spoke, Zhen Yue had already taken off her black short skirt.

Chapter 551: Chapter 551, Qin Yu's scheme

Then, Zhen Yue began to take off her upper body clothes.

Seeing this, Qin Yu hurriedly asked, “What are you doing?”

Zhen Yue brushed her hair and said, “Don't worry. I promised you that I won't hold you responsible.”

After saying that, Zhen Yue walked toward Qin Yu.

Seeing this, Qin Yu hurriedly said, “Hurry up and put on your clothes. I don't need them.”

“Also, let me tell you, I won't do anything to let Yan Ruoxue down.”

Zhen Yue whispered, “Mr. Qin, no one will know about this.”

Qin Yu said with a cold face, “If you do this again, I'll leave.”

After saying this, Qin Yu got up and was about to leave.

“Mr. Qin, don't go.” Zhen Yue hurriedly stopped Qin Yu.

She put on her clothes again, and Qin Yu stayed behind.

“Then I'll transfer the money to you later,” said Zhen Yue.

Qin Yu thought for a moment and said, “Sect master Zhen, if you really want to help me, why don’t you tell me what secret is under the lake?”

Zhen Yue seemed to have guessed that Qin Yu would ask this, so she didn’t look too surprised.

“It’s a long story,” Zhen Yue said in a deep voice.

After Zhen Yue’s explanation, Qin Yu finally knew the origin of this lake.

This lake was called Iceheart Lake, and it had been here for thousands of years.

Zhen Yue’s ancestors were responsible for guarding the Iceheart Lake, and it was the same for every generation.

“According to my father, this place was once a prosperous sect ten thousand years ago,” Zhen Yue said.

“As for the Icy Heart Lake, it was created by that sect. My father said that as long as we guard this lake, it will definitely return to its peak.”

Qin Yu didn’t say anything.

It seemed like there was something underneath that gap.

It was either a treasure left behind by that sect ten thousand years ago, or a sealed Qi/spiritual energy.

Moreover, this Qi/spiritual energy had probably been sealed for tens of thousands of years.

“If I can open that gap, I wonder how much qi/spiritual energy will be released,”Qin Yu thought to himself.

Unfortunately, with Qin Yu’s current ability, it was impossible for him to open the gap.

“Have you looked under the water?”Qin Yu asked.

Zhen yue nodded and said, “I have. I know that all the Qi/spiritual energy in Ice Heart Lake was released from that gap.”

“Is there any way to open that gap?”Qin Yu asked immediately.

Zhen Yue immediately looked at Qin Yu warily.

Obviously, she didn’t want others to get their hands on the Ice Heart Lake.

However, this also revealed one thing: Zhen Yue definitely knew how to open that gap!

Qin Yu thought for a moment and said, “How about this, sect leader Zhen, why don’t We Work Together?”

“Work together?”Zhen Yue was a bit puzzled.

Qin Yu nodded and said, “Don’t you want to restore the glory of the Azure Falling Tower?”

“Of course I do,”Zhen Yue said with a bitter smile.

“But how can the current situation allow the azure falling tower to develop? It’s already good enough for me to get to where I am today,”Zhen Yue sighed slightly.

Qin Yu said in a deep voice, “If you are willing, why don’t you let me join the Azure Falling Tower? We can manage the sect together.”

A trace of surprise appeared on Zhen Yue’s face, but she wasn’t in a hurry to answer.

Qin Yu continued, “With my current appeal, I believe that someone will definitely join the Jade Falling Tower.”

“With my ability to refine medicine and the Ice Heart Lake, it won’t be difficult to build a top-tier sect.”

Hearing this, Zhen Yue was finally somewhat moved.

She stared at Qin Yu and asked tentatively, “Mr. Qin, is what you said true?”

“Of course.” Qin Yu nodded.

“You can continue to be the sect master. As for me... You can give me any position.”

Zhen Yue was obviously moved by Qin Yu’s words.

There wasn’t even a half-step martial marquis in the entire Bi Luo Tower. If Qin Yu could join, it would definitely be a good thing for Bi Luo Tower!

Qin Yu struck while the iron was hot. “The Saint Confucian sect has already discovered the icy heart lake. Do you think you can resist them?”

Zhen Yue fell into silence.

That's right. As the number one sect in the north, the Saint Confucian sect wasn't something Zhen Yue could deal with.

"You can think about it. I Won't force you."Qin Yu stood up and was about to leave.

At this moment, Zhen Yue suddenly said, "Mr. Qin, I agree with your suggestion."

Qin Yu was delighted, but his face remained calm.

He turned around and said, "Okay, then I wish us a pleasant cooperation."

Zhen Yue said in a low voice, "From tomorrow onwards, you will be the vice sect master of Bi Luo Tower."

The cooperation between the two of them was reached at this moment.

After walking out of the office, Qin Yu couldn't help but mutter in his heart, "This woman is so gullible."

In this way, Qin Yu still got the Ice Heart Lake, but he changed his way of saying it.

As for how to open the gap, Qin Yu wasn't in a hurry.

When the Saint Confucian school came to invade the next time, Zhen Yue would naturally tell Qin Yu the method to open the gap.

Although Qin Yu's action was a bit despicable, Qin Yu had no other way now.

As long as he could enter the Martial Marquis realm as soon as possible, he was willing to do anything.

The next day.

Bi Luo Tower changed its name to Bi Yue villa.

Qin Yu immediately posted a message on the martial arts forum:

Bi Luo Villa was officially established, and Qin Yu was appointed as the deputy sect master. From today onwards, it would recruit talents from all over the world, targeting the sage Confucian school.

Once this news was released, it immediately caused a heated discussion!

One had to know that Qin Yu was a hot figure recently. Ever since his battle with Han Wei, his reputation had risen, and he was worshipped by countless people as an idol!

Therefore, after seeing this news, many people were eager to give it a try.

“Qin Yu is going to openly challenge the various major powers!”

“To be more precise, the various major powers in Jingdu!”

“I wonder if this Bi Luo villa can surpass the sage Confucian school!”

“I think there’s a chance. Once Qin Yu steps into the Marquis of Wu, then the Saint Confucian school will count for something.”

“Right, not to mention that Qin Yu himself is an apothecary, and also a favorite of the Divine Medicine Pavilion! Who wouldn’t be envious of such a resource?”

Seeing the message on the forum, the corners of Qin Yu’s mouth curled up into a smile.

He put down his phone and said in a low voice, “I reckon the Saint Confucian school should take action soon.”

...

The Saint Confucian school.

After they heard the news, they immediately notified Gu Canghai.

“School master, Qin Yu has established the Green Moon Villa and started to recruit talents,” Deng Sheng said over the phone.

“As far as we know, the Icy Heart Lake is in the Green Moon Villa.”

Gu Canghai’s face turned cold when he heard that.

He narrowed his eyes and said, “Qin Yu, you are really bold. I was worried that I wouldn’t be able to find you...”

After hanging up the phone, Gu Canghai immediately rushed to the Green Moon Villa without saying a word!

Chapter 552: Chapter 552, seizing the Spirit Spring!

The news of Qin Yu establishing the sect soon spread!

Even though the sect master wasn't Qin Yu, everyone still tacitly agreed that Qin Yu was the true sect master of the Green Moon Villa.

In the Green Moon Villa.

Qin Yu, Zhen Yue, and the others were gathered together, and the members of the Green Moon Villa were waiting here early.

At a glance, there were less than ten people in the huge Green Moon Villa.

“Is this all the members?” Qin Yu asked.

Zhen Yue smiled bitterly, “It's already good enough to have these people.”

Qin Yu nodded slightly. At this moment, he thought of the Icy Heart Lake again.

“Sect Master Zhen, let me ask you a question,” Qin Yu said.

“Can the gap under the Icy Heart Lake be opened by force?”

Although Zhen Yue was vigilant, he still shook his head and said, “It can't be opened.”

“Even Marquis Wu can't open it?” Qin Yu asked.

Zhen Yue nodded and said, “Yes, even Marquis Wu can't open it.”

Seeing this, Qin Yu couldn't help but take a sip of water.

In this case, Qin Yu was relieved.

In the afternoon.

Zhen Yue came to Qin Yu's room.

She said with some suspicion, "Mr. Qin, after you posted on the Martial Arts Forum, why didn't anyone come?"

Qin Yu took a sip of tea and said with a faint smile, "Because I didn't leave an address. Of course, no one came."

Zhen Yue was stunned.

She frowned and asked, "No address? Then why did you post it?"

Qin Yu sneered and said, "I posted it to show the Saint Confucian School."

"The Saint Confucian School?" Zhen Yue was even more confused.

Wasn't he asking for trouble?

Qin Yu didn't explain. He glanced at his watch and said in a low voice, "It's about time."

"What Time?" Zhen Yue asked in puzzlement.

Qin Yu looked at Zhen Yue and said, "Sect master Zhen, gather everyone and leave this place."

"Leave?" Zhen Yue was completely confused.

Qin Yu said in a deep voice, "If I'm not wrong, Gu Canghai should be on his way here."

“Gu Canghai? The Master of Saint Confucianism sect?” Zhen Yue exclaimed.

“That’s right.” Qin Yu nodded slightly.

“Take your men and leave the Green Moon Villa immediately. I’ll inform you when I’ll be back,” Qin Yu said.

Zhen Yue frowned and said in a low voice, “But... I don’t want to leave this place at all. My father told me that...”

“Don’t worry. Nothing will happen to the Green Moon Villa,” said Qin Yu.

“Their goal is just the Icy Heart Lake. Since they can’t open it with brute force, what do you have to worry about?”

“On the contrary, if you stay here, you will lose the Icy Heart Lake. Gu Canghai will definitely use inhuman methods to force you to tell him how to open the gap.”

Zhen Yue suddenly understood.

She nodded immediately, “Mr. Qin, you are right. Then... Where Are We Going?”

“Anywhere is fine. Just don’t stay in Green City,” Qin Yu said in a deep voice.

“Time is tight. I Won’t explain to you. Let’s move quickly.”

Zhen Yue didn’t dare to say anything and agreed.

After arranging everything, Qin Yu left Green City.

“Gu Canghai, it’s time for you to pay the price,”Qin Yu said coldly.

The Place Qin Yu was going to was the Saint Confucian sect!

In the entire Saint Confucian sect, there was only one person Qin Yu was afraid of, and that person was Gu Canghai.

As long as Gu Canghai left, the Saint Confucian sect wouldn’t be worth mentioning!

Qin Yu had only one purpose for going to the Saint Confucian sect this time, and that was the Saint Confucian sect’s spiritual spring!

It was said that the Saint Confucian school relied on the Spirit Spring to establish a sect, and that spirit spring had been passed down for many years, and it was the lifeline of the Saint Confucian school.

Qin Yu planned to absorb that spirit spring before Gu Canghai could react!

“If everything goes smoothly, I should be able to successfully step into the Martial Marquis Realm.”On the way to the Saint Confucian school, Qin Yu thought in his heart.

After spending nearly five hours, Qin Yu finally arrived at the Saint Confucian school’s entrance.

“Spirit spring... I’m here,”Qin Yu said with a cold smile.

He strode into the Saint Confucian school and headed straight for the main hall!

Qin Yu used the land shrinking technique at an extremely fast speed.

In the entire Saint Confucian school, no one doubted Qin Yu's identity at all.

Because no one would have thought that Qin Yu would actually do the opposite and take the initiative to come to the Saint Confucian school!

In the main hall.

Deng Sheng was sitting on Gu Canghai's seat, silently sipping tea.

This feeling of acting as the sect master made him extremely satisfied.

"Go, refill my tea." Deng Sheng handed the Teacup in his hand to the maidservant beside him.

The maidservant didn't dare say anything. She hurriedly took the teacup and refilled Deng Sheng's water.

At this moment, someone suddenly walked into the main hall.

The moment he entered, he immediately closed the main hall's iron door.

Seeing this, Deng Sheng couldn't help but frown and say, "Who are you? Why are you closing the Door!"

Qin Yu raised his head and looked at Deng Sheng.

"It was smoother than I thought." Qin Yu grinned.

Deng Sheng's face changed when he saw Qin Yu's face!

"Qin... Qin Yu!" Deng Sheng stood up and was about to shout.

However, Qin Yu was one step faster than him and arrived in front of Deng Sheng in the blink of an eye.

He reached out and grabbed Deng Sheng's neck, lifting him up into the air.

Although Deng Sheng was also a half-step martial marquis, he was completely powerless in front of Qin Yu.

His eyes were filled with fear, and his calves were struggling non-stop.

"If you don't want to die, then shut up obediently," Qin Yu said coldly.

Deng Sheng hurriedly blinked to express his agreement.

Qin Yu released Deng Sheng, and then directly sat on Gu Canghai's seat.

"Qin... Qin Yu, what... What do you want to Do?" Deng Sheng asked in panic.

Qin Yu glanced at him and said, "Deng Sheng, it seems that you really enjoy the feeling of being the sect master."

Deng Sheng's expression changed, and he hurriedly shook his head and said, "Don't talk nonsense! I'm loyal to Sect Master Gu!"

"No need to worry." Qin Yu waved his hand.

"If I can let you take over Gu Canghai's position and become the next sect leader, would you be willing?" Qin Yu raised his eyebrows and asked.

A hint of greed flashed across Deng Sheng's face.

Although it was fleeting, it still couldn't escape Qin Yu's eyes.

"I don't want to be the sect leader. Sect leader Gu is our leader!" Deng Sheng said.

Qin Yu sneered, "What if Gu Canghai dies?"

Deng Sheng was stunned and hurriedly said, "Sect master Gu is dead?"

"Not yet, but soon," Qin Yu said indifferently.

"As long as you cooperate with me, I promise to make you the next sect master. How about it?" Qin Yu said.

Upon hearing this, Deng Sheng's eyes immediately flashed with an intense greed!

Qin Yu could not help but sneer in his heart.

Back then, Gu Canghai had used this method to defeat the Divine Alchemist Pavilion.

And now, Qin Yu was going to use the same method to defeat the Saint Confucian sect!

"You... What do you need me to do?" Deng Sheng tried to ask.

Qin Yu said faintly, "As long as you take me to the Saint Confucian sect's spirit spring and cover my identity, it will be enough."

Chapter 553: Chapter 553, taking drastic measures

Hearing these words, Deng Sheng's face couldn't help but change slightly, and his heart was greatly shocked!

The Saint Confucian sect was currently capturing Qin Yu, and not only did Qin Yu not run away, he even coveted the Saint Confucian sect's spirit spring?

"Qin Yu, this spirit spring is the foundation of the Saint Confucian sect's establishment. I... I Can't bring you there." Deng Sheng braced himself and said.

Qin Yu sneered, "Fine, then I'll kill you. In any case, there are many people in the entire Saint Confucian sect who are willing to do it."

Deng Sheng's expression immediately changed!

He was well aware of Qin Yu's strength. As long as Gu Canghai was not around, no one in the entire Saint Confucian sect would be his match!

Just as Qin Yu said, even if he didn't do it, others would definitely do it!

Deng Sheng's expression was gloomy and uncertain. After thinking for a moment, he gritted his teeth and then raised his head to ask, "Are you sure that I can become the new sect master of the Saint Confucian sect?"

"I'm sure," Qin Yu said indifferently.

"When Gu Canghai dies, you will be the next sect master."

Deng Sheng gritted his teeth and said, "Okay! I Promise You!"

Qin Yu nodded in satisfaction. He reached out and patted Deng Sheng's shoulder, saying, "Congratulations, you have made the right choice."

Then, Qin Yu put on a simple disguise and followed Deng Sheng out of the hall.

The two of them walked in the direction of the spiritual spring.

Along the way, countless people greeted Deng Sheng, and some people unconsciously looked at Qin Yu twice.

Fortunately, Qin Yu covered his face and didn't arouse too much suspicion.

After a few hundred meters, the two of them finally came to the bottom of a waterfall.

As soon as they got close, Qin Yu felt a trace of dense qi/spiritual energy coming toward him!

Qin Yu couldn't help but exclaim, "No wonder the Saint Confucian school hasn't declined for a long time. This spiritual spring is enough to feed the entire Saint Confucian school!"

Such dense qi/spiritual energy made Qin Yu somewhat excited.

"Do we need to drive them away?" Deng Sheng asked.

Qin Yu shook his head and said, "There's no need. Driving them away will only arouse suspicion."

Deng Sheng agreed and said, "Okay, then I'll wait here."

"Wait." At this time, Qin Yu called Deng Sheng.

He raised his finger, and a light spot was placed between Deng Sheng's brows.

Deng Sheng frowned slightly and said, “What do you mean?”

Qin Yu said indifferently, “I’ve left a mark in your spiritual sense. If you dare to inform Gu Canghai, I’ll take your life immediately.”

Deng Sheng’s expression suddenly changed, and he felt a bit uneasy.

But things had already come to this point, and there was no turning back.

“I got it.” Deng Sheng took a deep breath and nodded in agreement.

There were more than ten people cultivating near the entire spiritual spring.

They were bathing in the spiritual spring, relying on a secret method to absorb the Qi/spiritual energy from the spiritual spring.

Not far away was a waterfall. The water here was turbulent, but it was also the place with the densest Qi/spiritual energy.

Qin Yu strode down the waterfall.

His body shook, and his clothes were torn.

Then, Qin Yu sat cross-legged under the waterfall, allowing the water to hit his body.

The water contained extremely strong Qi/spiritual energy, and its density was beyond imagination.

Not only that, the Qi/spiritual energy in the spring seemed to be endless and inexhaustible.

Qin Yu didn’t waste any time. He closed his eyes and began to cultivate.

The Qi/spiritual energy in the waterfall flowed out from Qin Yu's body and stuck tightly to Qin Yu's body.

Because Qin Yu was at the source of the Qi/spiritual energy, almost all of the Qi/spiritual energy was occupied by Qin Yu alone.

The people who came to cultivate soon realized that something was wrong.

They could clearly feel that the Qi/spiritual energy in the spiritual spring had become extremely thin, so thin that it could be ignored.

The people looked at each other and then looked at Qin Yu who was not far away.

“How can he sit under the waterfall?”

“It seems that the Saint Confucian sect has a clear rule that no one is allowed to cultivate under the waterfall except for the sect master, right?”

“Who is that Kid? Does he not know the rules?”

Everyone looked at Deng Sheng in unison and said, “Elder Deng, who is that person? Why is he cultivating under the waterfall?”

“Almost all of the Qi/spiritual energy has been taken by him. How are we supposed to cultivate?”

Deng Sheng gritted his teeth in his heart.

He glanced at everyone and said indifferently, “The sect master asked us to do this. It is said that this kid is a genius that the sect master found. He is also the next martial marquis of the Saint Confucian sect.”

When everyone heard this, they couldn't help but say with some surprise, "The next martial marquis? A second martial marquis is going to appear in the sage Confucian school?!"

"Even if he can become the next martial marquis, he can't be so overbearing..."

"It seems that no one in the sage Confucian school has ever received such treatment..."

Deng Sheng frowned and said with some displeasure, "This is the order of the sect master. Whoever is not satisfied, go find the sect master yourself!"

Although everyone was unwilling in their hearts, there was nothing they could do.

Almost all of the Qi/spiritual energy in this spirit spring had been absorbed by Qin Yu. There was not much meaning for them to stay.

Therefore, Qin Yu was soon left alone in the vicinity of this spirit spring.

After everyone left, Qin Yu opened his eyes and looked at Deng Sheng. He frowned and said, "They won't tell Gu Canghai about this, right?"

Deng Sheng shook his head and said, "No, the system of the Saint Confucian sect is extremely strict. Not many people can get in touch with sect leader Gu."

Although he said that, Qin Yu still felt a little worried.

The reason why he didn't let Deng Sheng drive him away was to keep a low profile so as to avoid arousing suspicion.

However, the current situation had become even more high profile.

“I have to hurry,” Qin Yu thought to himself.

However, the speed of absorbing the Qi/spiritual energy was limited after all. It was not something Qin Yu could control.

Moreover, this spiritual spring could not be taken away at all.

I have to try my best to step into the Martial Marquis realm before Gu Canghai realizes it, Qin Yu thought to himself.

Then, the three pure ancient trees above his head circulated his mental cultivation method and continued to absorb the Qi/spiritual energy.

At the same time, Gu Canghai had already arrived at the Green Moon Villa.

Standing below the villa, Gu Canghai could not help but snort coldly, “Jade Moon Villa, Qin Yu, you really have some guts.”

As he spoke, Gu Canghai directly waved his hand and shattered the mountain gate!

Then, Gu Canghai strode into the Jade Moon Villa.

He stood on the square and shouted, “Qin Yu, come out quickly and face your death!”

His voice was like rolling thunder and spread throughout the entire villa!

However, no one responded to the huge Jade Moon villa at all.

Gu Canghai frowned slightly. He released his divine sense and found that there was no one in the Jade Moon Villa!

“No One?” Gu Canghai frowned.

His figure flashed and he immediately searched the entire Jade Moon Villa.

As expected, there was no one in the Jade Moon Villa!

“This Qin Yu... is not here?” Gu Canghai’s face turned cold.

He snorted coldly and said, “Okay, I’ll wait for you here and explore the Iceheart Lake.”

Then, Gu Canghai strode toward the Iceheart Lake.

At this moment, Gu Canghai’s phone rang.

He picked up the phone and saw that the caller was Yan Sihai!

Gu Canghai didn’t dare to be negligent and quickly picked up the phone.

“President Yan,” Gu Canghai called out politely.

However, Yan Sihai on the other end of the line cursed out loud, “Gu Canghai, you are really an idiot! Qin Yu has already run to the door, but you are completely unaware. Trash, trash!”

Chapter 554: Chapter 554: Han Wei woke up

Gu Canghai was stunned when he heard Yan Sihai’s words.

He hurriedly explained, “Mr. Yan, I just received news that Qin Yu is in the Jade Moon Villa. I...”

“What the F * ck!” Yan Sihai rudely interrupted Gu Canghai’s words.

“Trash, he has already broken into our house. You still don’t know what’s the use of having a trash like you!” Yan Sihai said angrily.

“Let me tell you, if you can’t even do this, don’t stay in the Yan family anymore!”

After saying this, Yan Sihai hung up the phone.

A dark look flashed across Gu Canghai’s face, and a murderous aura suddenly burst out.

“Qin Yu... I will definitely kill you!” Gu Canghai’s muscles kept shaking.

Ever since Qin Yu appeared, Gu Canghai had been scolded by Yan Sihai several times.

If this went on, he might really be kicked out.

Gu Canghai didn’t dare to think too much and immediately rushed to the Saint Confucian school.

...

Qin Yu sat under the waterfall and steadily absorbed the Qi/spiritual energy from the spiritual spring.

This Qi/spiritual energy was incomparably abundant and extremely pure.

The only pity was that Qin Yu had no way to take this spiritual spring away.

“If I step into the Martial Marquis realm, I will definitely occupy this Saint Confucian school!” Qin Yu thought to himself.

Ever since he had talked to Jiang he, Qin Yu’s target was no longer the martial saint.

He wanted to step into the martial saint stage and step into the truly invincible stage!

He wanted to make the Han family and Yan family submit to him!

“As long as I step into the martial saint stage, I can try to kill the martial saint stage,” Qin Yu thought to himself.

The martial saint stage was the aurous core stage in the cultivation world, and the aurous core would be born in his body.

And inside the aurous core was his lifetime cultivation.

As long as he swallowed the aurous core, his cultivation would definitely improve at a godly speed.

Therefore, as long as he stepped into the Marquis Wu Realm, everything would become clear.

Qin Yu was like a spiritual energy filter, all the water that passed through Qin Yu’s body, the Qi/spiritual energy within it would be completely absorbed.

Time flew by, and in the blink of an eye, half a day had passed.

Qin Yu could clearly feel that the Qi/spiritual energy in his body was getting denser and denser.

At this moment, Qin Yu suddenly opened his eyes!

A trace of panic flashed across his face, and then he cried out in alarm, "It's bad!"

Qin Yu suddenly thought that the Saint Confucian school belonged to the Yan family!

Since it belonged to the Yan family, the Yan family would definitely arrange their confidants in the Saint Confucian school to monitor Gu Canghai!

Therefore, his arrival was very likely to have been exposed!

"I actually forgot about the level of Yan Sihai." Qin Yu frowned tightly.

His head spun rapidly, and a trace of viciousness flashed in his eyes.

Then, Qin Yu covered his face and quickly went to the main hall.

At this time, Deng Sheng was sitting on Gu Canghai's seat and sipping tea.

After seeing Qin Yu, a trace of panic flashed in Deng Sheng's eyes.

"Deng Sheng, immediately call the people who are cultivating near the spirit spring today," Qin Yu said coldly.

Deng Sheng frowned and said, "What's Wrong?"

“Don’t ask, go right away. Remember, everyone must come, not one less!”Qin Yu said anxiously.

Seeing this, Deng Sheng didn’t dare to say anything. He hurriedly followed Qin Yu’s request, and the ten or so people beside the spirit spring all called over.

In the Great Hall, these ten plus people said with some puzzlement, “Elder Deng, you suddenly called us over. Is there something you want?”

Deng Sheng did not speak, because he did not know what exactly was the matter.

Thus, Deng Sheng subconsciously looked at Qin Yu, as if waiting for Qin Yu to speak.

Qin Yu slowly stood up. He swept his gaze over the crowd, and suddenly slapped out in mid-air!

“Kacha!”

This slap directly shattered a person’s head!

Upon seeing this, everyone’s expressions changed drastically!

“What... What are you doing!”Even Deng Sheng could not help but shout loudly.

Qin Yu said coldly, “In order to prevent accidents, these people must die.”

After hearing Qin Yu’s words, these people instantly panicked.

But with their strength, how could they fight against Qin Yu?

In just a few minutes, these ten people all died tragically at Qin Yu's hands!

Looking at the bloodstains on the ground, Deng Sheng's expression was extremely unsightly.

"Qin Yu, what on Earth do you want to do!" Deng Sheng gritted his teeth and said.

Qin Yu glanced at him and said, "I reckon that Gu Canghai has probably already received the news, and the news was spread from these few people."

"How is that possible!" Deng Sheng gnashed his teeth and said.

"I've already told you, the hierarchy of the Saint Confucian school is strict. They can't get in touch with Gu Canghai!"

Qin Yu said coldly, "Among them, I'm afraid there are people from Yan Sihai."

This feeling was extremely strong. Even if he killed all these people, Qin Yu was still worried.

"If Gu Canghai comes back later, it means that my guess is right." Qin Yu looked at Deng Sheng.

"As for how to explain it, you have to think of a way."

"I don't think of a way!" Deng Sheng was somewhat exasperated.

“These people are all elites of the sage Confucian school. How can I explain that so many of them died in one go!”

Qin Yu said, “You can tell him that I came, but remember, don’t mention the matter of me cultivating in the Spirit Spring.”

Deng Sheng said coldly, “I really regret working with you.”

“It’s not too late for you to regret now. I killed you, so you don’t have to explain.” Qin Yu looked at Deng Sheng with a pair of cold eyes.

Deng Sheng’s expression froze when he sensed the murderous aura from Qin Yu.

He gritted his teeth and said, “Okay, I got it.”

Qin Yu did not stay any longer and immediately left the Saint Confucian school.

After the Saint Confucian school left, Qin Yu was not in a hurry to return to the Jade Moon Villa. Instead, he temporarily stayed in the Blue Island City and waited for an opportunity to make a move.

In the evening.

Gu Canghai rushed back to the Saint Confucian school in a hurry as expected.

Seeing Gu Canghai’s face full of hatred, Deng Sheng’s heart immediately thumped.

“Has Qin Yu been here before?” Gu Canghai asked Deng Sheng coldly.

Deng Sheng suppressed the nervousness in his heart and pretended to be surprised, “Sect master, how did you know?”

Gu Canghai's expression immediately changed!

He clenched his fists and said through gritted teeth, "He actually came, Qin Yu..."

"Not only did he come, he also killed more than ten of us," Deng Sheng pretended to be in pain as he said.

"If it wasn't for my quick escape, I'm afraid I would have died at his hands."

"Qin Yu... Qin Yu, I must kill you!!!" Gu Canghai's angry roar spread throughout the entire hall!

Deng Sheng couldn't help but sigh in relief.

Damn it, luckily he didn't suspect me.

...

On the other side, Qin Yu found a place to stay for the time being.

At night, Deng Sheng sent a message to Qin Yu:

Everything went as you expected. Gu Canghai had returned and knew that you had been here before.

Qin Yu frowned slightly. He put down his phone and patted his chest lightly.

"Fortunately, if I hadn't thought of this level, I'm afraid I would have died at Gu Canghai's hands." Qin Yu patted his chest and couldn't help but let out a sigh of relief.

...

Jingdu, Han family.

Han Wei, who had been unconscious for many days, finally woke up.

“Son, you’re finally awake.” Seeing Han Wei wake up, Han Meng’s eyes couldn’t help but tear up.

Han Wei gnashed his teeth and said, “Dad, What About Qin Yu? I want to kill him, I want to kill him! !”

At the mention of Qin Yu, Han Meng couldn’t help but sigh.

He gently patted Han Wei’s shoulder and said, “Have a good rest first.”

“I won’t! I want to kill Qin Yu! He must die!” As he said that, Han Wei struggled to get up.

Han Meng saw the situation and could only comfort him, “Don’t worry, Dad will definitely avenge you. I have already used my connections and asked Ma Hai to help.”

“Ma Hai?” Han Wei was stunned.

“It’s Ma Hai who became a recluse decades ago?”

Han Meng said coldly, “That’s right.”

Chapter 555: Chapter 555, Ice Heart Lake obtained

Han Meng said in a deep voice, “That’s right.”

Upon hearing the name Ma Hai, a cold smile appeared on Han Wei's face.

“With Mr. Ma's help, this Qin Yu will definitely die!” Han Wei said coldly.

Ma Hai's strength was unfathomable. Not only that, he was also extremely good at scheming.

It was said that a few decades ago, he had the opportunity to compete with Jiang he and the others. However, for some unknown reason, he suddenly chose to live in seclusion.

Now, he came out of the mountain for Qin Yu!

...

Qin Yu waited in Cang City for three whole days, but Gu Canghai never left the Saint Confucian school.

This also made Qin Yu lose the chance to go to the spirit spring again.

“It seems that there is no chance to absorb the Spirit Spring,” Qin Yu thought to himself.

Thinking of this, he decided to give up temporarily.

The spiritual spring was there anyway, and no one could take it away.

I have to think of a way to open that gap as soon as possible, Qin Yu thought to himself.

As long as I open that gap, Qin Yu had full confidence to step into the Martial Marquis Realm!

On the same day, Qin Yu set off and went straight back to the Green Moon Villa.

At the same time, he notified Zhen Yue and called all the people of the Green Moon Villa back to the Green Moon Villa.

Not only that, Qin Yu also posted the address of the Green Moon Villa on the martial arts forum!

“As long as you have the strength, the Green Moon Villa will let you live with dignity!”

“All members of the Green Moon Villa will get a top-tier pill!”

Countless slogans were posted on the martial arts forum.

“Mr. Qin, won't the people of the Saint Confucian school come to us again?” Zhen Yue couldn't help but ask.

Qin Yu glanced at Zhen Yue and said, “Yes.”

“Then... then aren't we courting death by coming back?” Zhen Yue frowned.

Qin Yu sighed and didn't say anything.

The Saint Confucian sect had their eyes on Ice Heart Lake, so they would come sooner or later.

This time, Qin Yu didn't plan to leave. He was ready to face Gu Canghai.

This was the only way to make Zhen Yue feel danger. When that time came, she would open the gap and tell Qin Yu.

In the next few days, the Quiet Green Moon Villa welcomed countless people.

These people came because of their fame. In just a few days, the members of the Green Moon Villa had reached nearly a hundred!

Such speed was shocking!

Even Qin Yu didn't expect his appeal to be so strong!

"Mr. Qin, I counted that at least fifty people came to register today!" Zhen Yue said excitedly.

Qin Yu took a sip of tea and said with a faint smile, "This is just the beginning."

Zhen Yue looked extremely excited. She had never thought that such a day would come for her Bi Luo Tower.

That night, Qin Yu didn't sleep for the whole night.

He spent the whole night refining a batch of pills.

These pills were called the divine Yang Pill. The effects of this pill were extremely powerful. It could raise the level of warriors below the Martial Marquis realm by a small level!

The next day, Qin Yu handed the divine Yang Pill to Zhen Yue with bloodshot eyes.

"Mr. Qin, What's wrong with you? Why do you look so pale?" Zhen Yue exclaimed.

Qin Yu didn't answer this question. Instead, he handed a big bag of divine yang pills to Zhen Yue.

"Divide these pills among each of you. Also, tell them that there will be an endless supply of pills in the future," Qin Yu said.

Zhen Yue took the pill, and her heart ached a little.

"Mr. Qin, thank you for your hard work. You... you should go rest now," Zhen Yue said.

Qin Yu waved his hand. He didn't choose to rest. Instead, he went straight to the Ice Heart Lake and came to the bottom of the lake again to absorb the Qi/spiritual energy from the gap.

After distributing the pill, the whole Green Moon villa was in an uproar!

"Mr. Qin really won't lie to us!"

"Divine Sun Pill! I never thought that I, a grandmaster, would be able to obtain the Divine Sun Pill!"

"Mr. Qin is Mighty!"

Everyone shouted in unison. Not only that, Qin Yu even invited them to head to the Iceheart Lake to cultivate.

Such a resource couldn't help but cause people to be shocked.

One had to know that the Iceheart Lake was an existence comparable to the sacred Confucian school's Spirit Spring!

The Sacred Confucian school's Spirit Spring was only given to highly talented martial artists. The mediocre ones simply didn't have the chance!

But in the Jade Moon Villa, everyone was equal. Everyone could enjoy the icy heart lake!

For a time, this matter was being publicized on the martial arts forum.

Many martial artists who chose to wait and see also began to head towards the Jade Moon villa at this moment!

There were even some who chose to leave the sacred Confucian school and come to the Jade Moon Villa!

In just a short week, the Jade Moon Villa had become extremely prosperous, with over 300 members!

Although their strength couldn't be considered elite, this strength was still not to be underestimated!

Some were happy, while others were sad.

At this moment, Gu Canghai's face was ashen, and he was extremely angry.

"Jade Moon Villa..."Gu Canghai muttered this name.

The next second, he looked at Deng Sheng and said coldly, "Go and gather all the half-step martial marquises and peak martial grandmasters of the Saint Confucianism sect."

“Spread the word that the green moon villa will be given three days. If it doesn’t disband, the Saint Confucianism sect will go out and destroy the Green Moon Villa!”

Deng Sheng didn’t dare to say anything and nodded immediately, “Yes, sect master.”

The news of the Saint Confucian sect spread that day.

As soon as Qin Yu walked out of the icy heart lake, Zhen Yue ran to Qin Yu in a hurry.

She held her phone and said, “Mr. Qin, something bad has happened!”

“What’s Wrong?” Qin Yu glanced at her.

Zhen Yue handed the phone to Qin Yu and said, “The Saint Confucian sect has spread the word that they will give us three days to disband. Otherwise... They will destroy the Green Moon Villa!”

Qin Yu didn’t show any emotion on his face. Everything was under his control.

“The whole Green Moon Villa is in chaos now. Many people have to leave after hearing the news...” Zhen Yue bit his lips and said in a low voice.

Qin Yu spread out his hands and said, “What can we do? The Saint Confucian school has a marquis. We are no match for them.”

“Then... then what should we do?” Zhen Yue was at a loss.

Qin Yu sighed and said, “I don’t know either. We can only take it one step at a time.”

“If we can’t... We can only disband the Green Moon Villa. We can’t let so many innocent people die,”Qin Yu said.

“Besides... The Saint Confucian school has always wanted the icy heart lake.”

At this point, Qin Yu looked at Zhen Yue and asked, “By the way, do you have no descendants?”

Zhen yue frowned and said, “I’m not married yet. How can I have descendants...”

“Then, when you die, the Icy Heart Lake will definitely fall into the hands of the Saint Confucian sect,”Qin Yu sighed slightly.

After saying this, Qin Yu turned around and left.

Zhen Yue’s face was extremely ugly.

She had been immersed in the excitement of the Green Moon Villa for the past few days. Now that she was disbanded, she naturally couldn’t bear it.

Moreover... Qin Yu was right.

If she died, wouldn’t the Icy Heart Lake become ownerless? Wouldn’t the inheritance that she had guarded for so many years be buried in her hands?

At the thought of this, Zhen Yue’s expression became even uglier.

She bit her lips, and a trace of blood immediately flowed out from her cherry lips.

“Instead of giving the icy heart lake to the Saint Confucian sect, I might as well give it to Mr. Qin..”Zhen Yue seemed to have made a difficult decision.

Chapter 556: Chapter 556, breaking through to the Martial Marquis Realm

Zhen Yue had this thought in her mind, but she wasn't in a hurry to make a decision.

The whole night.

Zhen Yue lay in bed without sleeping and kept thinking about this question.

Finally, in the early morning, Zhen Yue sat up from her bed.

“Mr. Qin is the Vice Sect Master of the Green Moon Villa. Bingxin gave it to him. Maybe he left it in the green falling tower in another way.”Zhen Yue took a deep breath.

This might be the best choice for her.

Therefore, Zhen Yue stood up and walked towards Qin Yu's room.

When she reached the door, she heard the sound of alchemy coming from inside.

This also strengthened Zhen Yue's thoughts!

“Mr. Qin has done his best for the Green Moon Villa. Maybe Bingxin should really be handed over to him.”

At the thought of this, Zhen Yue pushed the door open and entered.

Seeing Zhen Yue walking in, Qin Yu slowly stood up and said with a smile, "Sect Master Zhen, why are you here?"

Zhen Yue gritted her teeth and said in a low voice, "Mr. Qin, if I give Bingxin to you, you can step into the Martial Marquis Realm, right?"

"Bingxin?" Qin Yu was stunned.

Zhen Yue nodded and said, "Right under that gap."

Qin Yu said in a low voice, "I'm 90% sure."

"Okay!" Zhen Yue made up her mind.

"Then come with me. I'll take you there now and open that gap."

After saying that, Zhen Yue turned around and walked out.

Qin Yu was extremely excited and kept shouting in his heart.

"Finally, I've finally tricked them!" Qin Yu almost jumped up!

Although it was indeed a double trick, if Qin Yu didn't take it, he would belong to the Saint Confucian school sooner or later.

At least Qin Yu could restore the Green Moon Villa to its former glory.

Suppressing the excitement in his heart, Qin Yu followed Zhen Yue to the Ice Heart Lake.

Standing by the lake, Zhen Yue bit her lips.

She looked up at Qin Yu and said, “You will definitely help the Green Moon Villa develop, right?”

Qin Yu said in a deep voice, “The first goal is to replace the Saint Confucian School.”

“Okay!” Zhen Yue nodded.

Then, she took the lead and stepped into the Ice Heart Lake.

Qin Yu didn't waste any time and followed closely behind.

The two went deep into the Ice Heart Lake and soon arrived at the gap.

Zhen Yue put her palms together and murmured to herself.

The gap started to glow.

Then, the gap grew bigger and bigger until it was as big as a disk!

Streams of icy-blue light were revealed from the gap.

Zhen Yue pointed at the gap and said, “Bingxin is here.”

Qin Yu stared at the gap.

There was a rock that looked like an ice block in the gap.

The rock was shining with a pale-blue light and looked beautiful underwater.

Then, a stream of rich qi/spiritual energy gushed out.

In an instant, the Qi/spiritual energy in the entire icy heart lake surged!

Qin Yu reached out his slightly trembling hand and took the icy heart out of the gap.

“Is this the icy heart? It’s been passed down for ten thousand years...”Qin Yu’s eyes sparkled, and he couldn’t calm down for a long time.

“Mr. Qin, Let’s go up,”Zhen Yue said in a low voice.

After saying that, she took the lead and swam up.

Qin Yu put the Bing Xin into the spatial artifact for the time being and then came to the shore.

“Sect Master Zhen, thank you very much.”Qin Yu bowed to Zhen Yue sincerely.

Zhen Yue sighed and said in a low voice, “I’ve thought it through. The news of Bing Xin has already spread out. Keeping it would be a disaster.”

At this point, Zhen Yue looked at Qin Yu and said, “How will others cultivate after you take bingxin away?”

Qin Yu smiled and said, “Don’t worry. After i kill Gu Canghai, I’ll occupy the Saint Confucian school.”

“By then, the Saint Confucian school will be the new sect of our Green Moon Villa.”

Zhen Yue could only nod her head when she saw this.

“I don’t have much time, so I won’t chat with you,”Qin Yu said.

Gu Canghai said that he would only give him three days.

Qin Yu had to devour this ice heart within these three days!

As long as he reached the Martial Marquis Realm, Qin Yu didn't have to fear Gu Canghai anymore!

Qin Yu took the ice heart and returned to his room.

“Sect Master Zhen, Don't disturb me for the next few days,” Qin Yu said.

Zhen yue nodded and said, “Okay, I understand.”

Qin Yu closed the door.

He took out the ice heart and felt the Qi/spiritual energy from it.

Then, Qin Yu opened all the pores on his body and started to devour the Ice Heart at an extremely fast speed!

Endless amounts of Qi/spiritual energy surged into Qin Yu's body.

The speed was so fast that it made people speechless!

Even Qin Yu himself was a little surprised because the Qi/spiritual energy in the ice heart was even denser and purer than Qin Yu had imagined!

There were almost no impurities in the ice heart!

“I've never felt such pure Qi/spiritual energy before!” Qin Yu couldn't help but suck in a breath of cold air!

Even the five thousand year-old herbs and even the warehouse of the Divine Alchemist Pavilion couldn't compare to it

“I understand!” Qin Yu suddenly guessed something!

This so-called ice heart was actually a block of ice formed from pure Qi/spiritual energy!

It was said that when the Qi/spiritual energy was dense enough, it would turn from Qi into dew.

And now, this Qi/spiritual energy had directly turned into a block of ice. The degree of its density was self-evident!

In the current society, it was already fortunate enough to be able to deduct a bit of resources from the Jingdu Martial Arts Association and the various aristocratic families.

A ice heart as dense as qi/spiritual energy was simply unimaginable!

“It’s a good thing that they are targeting the Saint Confucian sect and not the Jingdu Martial Arts Association,”Qin Yu thought to himself.

Otherwise, Bing Xin would have already changed owners. With their abilities, they would probably be able to retrieve Bing Xin even without Zhen Yue.

Time passed by minute by minute. In the blink of an eye, a day had passed.

In this one day, Bing Xin’s Qi/spiritual energy had not been depleted at all!

This also made Qin Yu a little anxious.

After all, time was short, and Qin Yu could not afford to wait.

After thinking about it, he simply broke off a small piece of the ice heart and stuffed it into his mouth.

The moment this small piece of ice heart entered his stomach, Qin Yu immediately felt an incomparably dense qi/spiritual energy explode in Qin Yu's Dantian! "..."

"It's bad!"

Qin Yu inwardly exclaimed that things were not good!

This ice heart had only entered his stomach for less than a second, but it had already filled the entire Dantian!

If this ice heart was completely dissolved, wouldn't it explode his dantian?

Qin Yu hurriedly circulated his mental cultivation method, wanting to digest this Qi/spiritual energy.

However, the density of the Qi/spiritual energy was beyond imagination, and waves of intense pain still came from his lower abdomen!

The Manic Qi/spiritual energy flowed along Qin Yu's Dantian and began to surge upwards.

His chest and forehead were almost filled with this Qi/spiritual energy.

Qin Yu felt as if his head was about to explode, and his forehead was full of sweat.

He circulated his mental cultivation method with all his might and used up this Qi/spiritual energy.

Fortunately, this Qi/spiritual energy finally began to stabilize and slowly flow in his body.

...

Time flew by, and in the blink of an eye, it was already the third day.

In the Saint Confucian sect, Gu Canghai's face was ice-cold, and there were several people standing in front of him.

These people were all the elites of the Saint Confucian sect!

Chapter 557: Chapter 557, Gu Canghai's attack!

Gu Canghai swept his cold gaze across the crowd and slowly said, "The sage scholarly faction has never sent out such a large-scale crusade against any sect, and no one has ever dared to challenge the sage scholarly faction's prestige!"

"And the cause of all this is all because of that Qin Yu!"

As he spoke, Gu Canghai slowly stood up.

He swept his gaze over everyone and coldly said, "Listen carefully. This time, when we head to the Jade Moon Villa, we will kill anyone we see! The Saint Confucian school wants to use this to tell the world the consequences of provoking us!"

"Yes!" Everyone immediately shouted in unison.

...

The Jingdu Martial Arts Association had a prison that specialized in imprisoning prisoners.

These prisoners all had tyrannical strength, and there was no lack of Marquis Wu!

And now, in the depths of this prison, there was an ordinary person without any cultivation.

She was locked in a single cell, and every day, she ate big fish and big meat.

Not only that, there were all kinds of top-notch herbs in her food.

But even so, her face was still incomparably pale, and she looked extremely weak!

This woman was none other than Yan Ruoxue!

“Miss Yan, it’s time.”

A martial marquis walked in from outside the door.

He held a needle in his hand and walked in front of Yan Ruoxue.

A trace of fear flashed across Yan Ruoxue’s pale face.

“Miss Yan, please bear with it. Don’t worry, it won’t hurt your life.”The Martial Marquis said with a smile.

Then, the Martial Marquis raised his hand and Yan Ruoxue’s figure floated in the air, unable to move!

The Marquis immediately took the syringe and fiercely stabbed it into Yan Ruoxue’s snow-white neck!

Fresh blood flowed out along the syringe.

Yan Ruoxue’s face instantly became even paler, and the pain on her face was even more indescribable.

“Alright, Miss Yan.” After drawing the blood, the Marquis released Yan Ruoxue.

Yan Ruoxue looked at the marquis coldly and said, “What exactly do you want!”

The marquis smiled and said, “Miss Yan, don’t worry. We just need your blood. As long as you cooperate obediently, we won’t hurt you.”

“When will you let me go?” Yan Ruoxue asked coldly.

“This... not necessarily, Hehe.” After the Marquis threw these words, he no longer paid attention to Yan Ruoxue and walked out directly.

No one expected that the JINGDU martial arts association would treat Yan Ruoxue like this.

...

Green Moon Villa.

It was unusually lively today.

Zhen Yue sat in the hall, her eyes filled with worry.

As long as there was any movement outside, Zhen Yue couldn’t help but look outside.

It wasn’t because of anything else, but because today was the day that the Saint Confucian sect came to crusade.

“Why hasn’t Mr. Qin Come Out Yet?” The worry in Zhen Yue’s heart grew more and more intense.

At this moment, waves of powerful internal Qi approached the Green Moon Villa!

This internal Qi was extremely powerful, and almost everyone in the Green Moon Villa felt its terrifying pressure!

Zhen Yue stood up abruptly and walked out quickly.

Soon, more than ten people entered the Green Moon Villa in large strides.

“Who... Who Are You?” Zhen Yue braced herself and asked.

“Gu Canghai,” the leader said coldly.

Hearing the name Gu Canghai, everyone was so scared that their faces turned pale!

“Gu... Gu Canghai, the sect master of Saint Confucianism sect!”

“They’re really here...”

Gu Canghai glanced at the crowd and asked coldly, “Where’s Qin Yu?”

Zhen Yue suppressed the fear in her heart and took a deep breath. “Sect master Gu, Mr. Qin isn’t here for something. May I know why you’re looking for him?”

“He’s not here?” Gu Canghai narrowed his eyes.

Then, he sneered, “If he’s here, I’ll kill all of You!”

Hearing this, the crowd turned chaotic!

Facing Gu Canghai, they didn't have any means to fight back!

“Wait!”

At this moment, Zhen Yue suddenly shouted.

She gritted her teeth and said, “Mr. GU, I know that your Saint Confucianism sect wants the Icy Heart Lake. I... I can give it to you.”

Gu Canghai stroked his beard and sneered, “After I kill you, the Icy Heart Lake will be mine!”

After saying this, Gu Canghai ordered, “Do it! Leave No one alive!”

“I can tell you where Qin Yu is!”

At this moment, someone in the crowd suddenly shouted.

Hearing this, Gu Canghai waved his hand.

Then, he asked coldly, “Do you know where Qin Yu Is?”

“Yes... I know.”The martial artist said with a trembling voice.

“Take me there.”A trace of viciousness flashed in Gu Canghai's eyes.

The warrior didn't dare to say anything and quickly cupped his hands, “Please come with me...”

Zhen Yue stared at this scene with fire almost spurting out of her eyes.

However, she couldn't do anything to Gu Canghai and could only let him be.

Gu Canghai led his men and Strode toward Qin Yu's residence.

At this moment, Qin Yu was trying to break through to the rank of Marquis.

He could clearly feel that his qi/spiritual energy was enough to support him to step into the rank of Marquis Wu.

However, every time he tried, he failed.

"Sigh." Qin Yu couldn't help but sigh slightly.

"Everyone says that stepping into the rank of Marquis Wu requires an opportunity. It seems to be true." Qin Yu frowned tightly.

It was too difficult to forcefully break through.

At this moment, the door was suddenly opened!

Then, Qin Yu felt a strong killing intent burst in!

Looking over, he saw Gu Canghai standing at the door coldly.

"Qin Yu..." the moment he saw Qin Yu, Gu Canghai clenched his fist!

Gu Canghai hated Qin Yu to the bone!

"Gu Canghai, you are finally here." Qin Yu slowly stood up from the ground.

Looking at Gu Canghai in front of him, Qin Yu felt somewhat worried.

Not being able to successfully step into the Martial Marquis realm was not good news for Qin Yu.

“If it really doesn’t work, I can only try to forcefully step into the Martial Marquis realm using a secret technique again.”Qin Yu could not help but frown.

Gu Canghai said coldly, “I want to see who else can come and save you this time!”

Qin Yu stood up and said, “It’s true that no one can save me, but I’m afraid it won’t be that easy for you to kill me.”

“Is that so?”Upon hearing this, Gu Canghai’s internal Qi instantly erupted!

This terrifying internal Qi directly sent the surrounding people flying!

Chapter 558: Chapter 558: the opportunity to become a martial marquis

Qin Yu couldn’t help but frown when he sensed gu Canghai’s powerful internal Qi.

“Mr. Qin, did you... Did you succeed?”Zhen Yue asked anxiously.

Qin Yu shook his head and said regretfully, “No, I was just one step away.”

Gu Canghai narrowed his eyes as if he had guessed something.

“It seems that you don’t have the chance to become a martial marquis.”Gu Canghai grinned.

Qin Yu looked at Gu Canghai coldly and said, “Gu Canghai, when I become a martial marquis, I will personally go and flatten the Saint Confucian school.”

“Hahaha, it’s a pity that you don’t have the chance!” Gu Canghai shouted, and a terrifying internal Qi immediately rushed over!

The internal Qi was like sharp knives, leaving white marks on Qin Yu’s hard body!

In the next second, Gu Canghai’s palm turned into a claw, and directly grabbed at Qin Yu’s face!

Qin Yu didn’t dare to delay, and the absolute beginning sacred fist instantly rose up, facing it head on!

The golden light streaked across the void, and ruthlessly smashed onto Gu Canghai’s finger!

“Clang!”

A clear sound like a bomb exploded! Under the suppression of Gu Canghai’s realm, Qin Yu could not help but take a few steps back!

“As expected, it’s very difficult to have any chance of winning against Marquis Wu.” Qin Yu frowned.

Gu Canghai coldly said, “Resist with all your might! Previously, you were able to escape because the Yan family wanted to spare your dog life!”

“Now that the battle between you and Han Wei has ended, I no longer have any scruples.”

The killing intent in his entire body suddenly erupted at this moment!

Feeling the killing intent in Gu Canghai's body, Qin Yu's expression could not help but change!

“Die!” Gu Canghai roared angrily, and a huge palm instantly smashed towards Qin Yu with a force that could topple mountains and overturn seas!

Without any scruples, Gu Canghai's every move was aimed at taking Qin Yu's life!

He did not want to give Qin Yu any more chances. He only wanted to kill him as soon as possible so that he would not cause any more trouble.

“Bang!”

This palm was formed from pure inner strength. Its speed was extremely fast!

Qin Yu did not even have the time to react before this palm landed firmly on Qin Yu's chest!

“Swoosh!”

Under this palm strike, Qin Yu's physical body was directly sent flying. His chest even sank a few points!

Marquis Wu's attack was beyond imagination, and even Qin Yu's body couldn't resist it!

Qin Yu spat out a mouthful of blood, and several ribs were broken on his chest.

“Mr. Qin!” Zhen Yue couldn’t help but shout.

Qin Yu wiped the blood from the corner of his mouth and stood up slowly.

“Huh? He’s not dead?” Gu Canghai was a bit surprised.

One had to know that a martial marquis could easily kill a half-step martial marquis! Not to mention his killing move!

“This body of yours is really beyond imagination,” Gu Canghai said with narrowed eyes.

“Qin Yu, if you are willing to serve me, I might be able to spare your life. But I guess a person like you will never submit to me,” Gu Canghai said coldly.

“So... you should just die!”

As soon as he finished his words, Gu Canghai’s figure suddenly disappeared!

In almost an instant, he arrived in front of Qin Yu!

Qin Yu’s pupils constricted, and he immediately felt that something was wrong.

He hurriedly used shrinking earth into an inch, but it was already too late!

“Go to hell!” Gu Canghai’s fingers curved, and he ruthlessly clawed at Qin Yu’s heart!

This claw contained almost all of Gu Canghai's inner strength. Even a small mountain would be crushed in an instant!

“Clang!”

A crisp sound was heard. Gu Canghai immediately felt waves of pain coming from his fingers!

Looking down, he saw a mini version of a small mountain shining on Qin Yu's chest.

“That was close...”Qin Yu hurriedly retreated. He couldn't help but let out a sigh of relief as he dragged the mountain of five peaks in his hand.

If Gu Canghai caught him, Qin Yu's body would probably be directly pierced through!

“This mountain of the five peaks is really indestructible...”Qin Yu thought to himself.

On the other hand, Gu Canghai's fingers were trembling slightly from the shock. It was extremely painful.

“Little Bastard...”gu Canghai's expression was incomparably cold.

His pair of gloomy and cold eyes were filled with anger!

“I want to see what else you can do!”Gu Canghai stepped forward, his two huge hands that were filled with surging energy ferociously pressed down!

Qin Yu did not dare to be negligent, he immediately used all his trump cards! His two fists quickly met the attack.

“Boom!”

However, the gap between a half-step Marquis and a Marquis was too big. Even though Qin Yu had the power of the Divine Dragon, under this huge gap in cultivation realm, he was still slapped to the ground!

A huge palm print was directly smashed on the ground. Qin Yu's body was shattered in many places, and blood dripped down.

“Little Bastard, you're Not Dead Yet?” Gu Canghai's face turned cold. He raised his hand slightly, and his finger immediately flashed with light!

Rays of light that were like blood gathered on Gu Canghai's finger.

In the next second, Gu Canghai's palm stretched forward, and the ten rays of light instantly shot towards Qin Yu!

Qin Yu's expression changed. He gritted his teeth and wanted to dodge, but the speed of the rays of light was too fast, and he could not Dodge in time!

“Pu Pu Pu!”

The ten rays of blood-red light were like sharp blades, stabbing into Qin Yu's acupuncture points!

In just this instant, Qin Yu felt as if his spiritual power had been sealed, and he could not use it!

“Little Bastard, let's see who else can save you today.” Gu Canghai looked at Qin Yu coldly and walked over step by step.

Qin Yu gritted his teeth and tried his best to mobilize the internal QI in his body in an attempt to break through the shackles.

Unfortunately, his spiritual power seemed to be blocked. No matter how Qin Yu struggled, he could not break through!

Seeing that Gu Canghai had already walked over, Qin Yu's expression became even more unsightly.

"It's useless. I have already sealed all the vital gates of your spiritual power. Even if you have great abilities, you will not be able to escape!" Gu Canghai's ice-cold voice rang out.

After that, Gu Canghai's entire body shone with light, and terrifying killing intent condensed on his palms!

"Little Bastard, you've killed hundreds of people from our Saint Confucian school. Just because of you, President Yan is already displeased with me! You Damned Little Bastard!" Gu Canghai said through gritted teeth.

Qin Yu raised his head to look at Gu Canghai and grinned, "Old Bastard, you deserve it..."

"You're courting death!" Gu Canghai was instantly enraged. His large palm immediately smashed down fiercely towards Qin Yu!

"Pu!"

This palm strike was extremely powerful. Qin Yu felt as if his internal organs were about to be smashed into pieces as a mouthful of blood gushed out!

"I'll see how long you can keep your mouth shut!" Gu Canghai roared furiously.

His palm contained a suppressive force that was like a mountain as it ruthlessly smashed towards Qin Yu!

Once, twice, thrice...

Qin Yu's body was instantly covered in bloody scars and many of his bones were shattered!

However, Gu Canghai still didn't show any signs of stopping. He kept Smashing Qin Yu's body with his palms.

In just a few seconds, Qin Yu's body was almost smashed into pieces.

His consciousness started to become blurry, and a sense of fatigue rose from his heart.

"Mr. Qin..."Zhen Yue couldn't help but sob softly when she saw this scene.

Qin Yu opened his mouth slightly, and everything in front of him became a little hazy.

"Damn it... the realm of the martial marquis... as expected, I can't cross it..."Qin Yu muttered in his heart.

"I can't even use my secret technique... am I really going to die here today..."

"Ruoxue, I... I've disappointed you..."

Following Gu Canghai's attack, Qin Yu's consciousness became increasingly blurry. He couldn't even feel pain anymore.

Countless images flashed through Qin Yu's mind. The scenes of the past were like a passing lantern that flashed through Qin Yu's mind.

At this moment, Qin Yu thought of many things. This kind of thinking without a master was like a memory at the moment of death.

“En... I seem to have thought of something...”at this moment of death, a crazy thought suddenly burst out in Qin Yu's mind!

“I know, I know how to step into the Martial Marquis realm... !”

His eyes, which had already turned gray, were now filled with determination!

“I know!”Qin Yu shouted excitedly in his heart!
