

My Rich Wife – Chapter 623 –

Chapter 623: Chapter 623, terrifying bloodline power

This was not a bad suggestion.

Although the JINGDU martial arts association had used Yan Ruoxue's bloodline power to create many experts.

In reality, the number of bloodlines they could inherit was less than 30% .

There were two reasons. One was that the amount of bloodlines given to them was very little.

The other was because the compatibility was not enough.

As Yan Ruoxue's younger brother, Yan Jinyao was naturally able to pass on the bloodline power to the maximum.

“Mr. Yan, what do you think?” Qu Xie asked with a smile.

Yan Sihai snorted and said, “Let's see what my son thinks.”

After saying that, Yan Sihai got up and left.

After he left, the assistant behind Qu Xie could not help but snort coldly. “President, why are you so polite to him? Yan Sihai doesn't give you any face at all!”

Qu Xie glanced at his assistant and shook his head. “You don't know the strength of the Yan family.”

“Strength? Strength my ass. I just can’t figure out what kind of strength the Yan family has!” His assistant said unwillingly.

“Even the bodyguards have to be found in the Jingdu Martial Arts Association. Where does he get his strength from?”

Qu Xie glanced at his assistant and snorted. “What era is this? Do you think you can solve everything just by being powerless?”

“It’s true that the Yan family is not very powerful in martial arts, but they are very powerful in politics, business, and even the military world

“Moreover, these forces are not just for show. They really have a very strong relationship with the Yan family!”

The assistant mumbled, “Why didn’t I see that Yan Sihai had such a great ability...”

Qu Xie sighed slowly. “There’s nothing we can do about it. Back then, Yan Yunheng conquered the country for him. Even if he enjoyed the fruits of his labor, no one was willing to provoke them.”

...

The battle between Yan Jinyao and the three disciples of the Jingdu Martial Arts Association was quickly arranged.

As the number one person of the younger generation, Yan Jinyao was naturally very popular.

And these three people were in the limelight recently. The battle between them quickly attracted countless people.

“Do we need to clear the area?” Before the battle, Yan Jinyao’s follower asked.

Hearing this, Yan Jinyao looked at him coldly and said coldly, “Do you think I will lose?”

The follower hurriedly said, “I . . . I definitely don’t have that intention.”

Yan Jinyao said coldly, “The more people you see, the better. I want them to know that the so-called bloodline is not worth mentioning at all!”

At this point, Yan Jinyao couldn’t help but clench his fists.

This big battle lasted for three whole days!

The final result was naturally Yan Jinyao’s victory. He defeated all three of them single-handedly!

Such a result naturally shook the entire martial arts world!

“As expected of the number one person! He won single-handedly against three people!”

“Compared to Kong Yun, Yan Jinyao’s strength seems to be much higher.”

After winning, Yan Jinyao turned around and walked off the stage.

However, his expression didn’t look too good.

“What Bullsh * t Bloodline? Compared to my son, it’s not even worth mentioning!” Yan Sihai excitedly ran up and said.

Yan Jinyao glanced at Yan Sihai, shook his head and said, “No, Dad. After this battle, I... I actually changed my opinion.”

“Huh?” Yan Sihai was stunned.

Yan Jinyao said in a deep voice, “Just the three of them. If they didn’t have the bloodline power, I could have suppressed them with a raise of my hand!”

“But because of the bloodline power, I won with great difficulty... how many benefits did the bloodline power bring them? It brought them to a height that they shouldn’t have reached!”

At this point, Yan Jinyao suddenly spat out a mouthful of blood!

It was very obvious that Yan Jinyao had won with great difficulty in this battle.

His calmness was all an Act!

“Son, are you okay?” Yan Sihai hurriedly held Yan Jinyao.

Yan Jinyao’s face was extremely pale. He waved his hand and said, “I’m fine... Dad, immediately arrange for me to enter the Jingdu Martial Arts Association. I must get this bloodline power!”

...

At this moment, Qin Yu and the handlebar mustache were preparing to leave the church of the massacre immortal.

“Let me tell you, the way I set up the array platform isn’t very good. Even if it’s a very short distance, it will still take a long time,” the handlebar mustache muttered.

Qin Yu rolled his eyes and said, “Enough, stop talking nonsense and quickly leave.”

The handlebar mustache didn't say anything more. He immediately opened the array platform and brought Qin Yu into it.

The two of them quickly entered the array platform and spread it out to the outside of the immortal slaying sect.

After an unknown amount of time, the two of them finally arrived at an extremely remote place on the island.

There was an array platform the size of a table, which was just enough to accommodate two people.

The moment the two of them appeared, the array platform collapsed with a loud bang.

“Damn, that was close!” The moustache man suddenly shivered when he saw this.

Qin Yu also asked with some lingering fear, “What will happen if this array platform breaks early?”

The mustached man whispered, “If this array platform breaks early, the two of us... will never be able to come out.”

This could not help but make Qin Yu feel a chill on his back!

If it were a little later, this array platform might really break here!

“Sigh, with my technique, in fact, it can only carry one person. Bringing you out is indeed a lot of pressure,” the mustached man muttered.

Qin Yu did not say anything. He carefully looked at the array platform in front of him.

There were small flags in each of the four directions of the array platform.

The flags looked tattered, but there were a few characters on them.

“What flag is this?” Qin Yu asked.

The Mustache Man kept the flags and said, “This is called the octagonal flag. If you want to set up this teleportation array platform, you must use the octagonal flag.”

Qin Yu nodded. He glanced at the moustache man and asked, “Where do you plan to go?”

“I don’t know. I’m going to find the next tomb,” the moustache man said.

Qin Yu didn’t say anything. He cupped his hands to the moustache man and said, “I owe you one. Let’s part ways here.”

“No Rush, no rush,” the moustache man said with a smile.

“I heard that there are inner cores at the bottom of the sea. Since we’re already here, it would be a pity not to take some.”

Qin Yu also wanted to follow the Mustache Man to fish up some Babe. It would be best if they didn’t part ways.

Thus, the two of them dived into the bottom of the sea again and swam down the island.

At this moment, there were seven or eight people gathered at the bottom of the island.

They were wearing white robes with the JINGDU martial arts association logo on them.

“Jingdu Martial Arts Association...”Qin Yu’s face instantly turned cold when he saw them.

“From today onwards, I will kill every single person from the Jingdu Martial Arts Association!”

After saying this, Qin Yu strode towards those people.

Chapter 624: Chapter 624, heading to Jingdu

There were still countless inner cores under the island. The JINGDU martial arts association would naturally not miss this opportunity.

They would send people to retrieve the inner cores almost every day and bring them back to the Jingdu Martial Arts Association.

“Then Qin Yu died here, right?”Someone pointed at the gate of the Church of the slaughter of Immortals.

“Yes, I heard that he was slapped back by Mr. Yan.”

“Serves him right. He has caused us a lot of trouble.”

Hearing their sarcasm, Qin Yu couldn’t help but sneer.

“Put down all the inner cores.”Qin Yu’s voice came from behind them.

Hearing this, they all hurriedly turned around.

Looking at the bearded young man in front of them, they couldn't help but sneer, "Who are you? Who told you to come here? How dare you talk to us like that?"

Qin Yu closed his eyes slightly and said coldly, "How many inner cores did you take? Hand them all over."

"Are you courting death?!" The few of them were obviously angered by Qin Yu.

They strode forward with surging internal Qi.

"You don't know death." Qin Yu opened his eyes slightly. In the next second, he waved his hand and directly smashed a person's head!

When they saw this, their expressions instantly changed greatly!

"You... who exactly are you!" Someone asked in surprise.

Qin Yu grinned and said, "I am Qin Yu. Unfortunately, I am not dead."

Hearing this name, everyone's faces instantly became extremely pale!

Someone even hurriedly said, "Mr. Qin, we are only following orders. Please spare our lives!"

Qin Yu shook his head and said, "I'm sorry. I don't want the Jingdu Martial Arts Association to know that I'm still alive for the time being, so... It's better for all of you to die!"

Before he finished speaking, Qin Yu took a step forward. The terrifying force directly crushed these people into meat paste!

After killing these people, Qin Yu took out all the inner cores on their bodies and put them into his pocket.

Then, Qin Yu and the handlebar mustache moved forward together and began to harvest the inner cores under the island.

Only after filling up the spatial god artifact did the two of them plan to leave.

Qin Yu took a hat from these people and put it on his head to avoid any unnecessary complications.

“Let’s go.” Qin Yu looked at the handlebar mustache.

The two of them returned to the island.

“Where do you plan to go next?” Qin Yu looked at the handlebar mustache and asked.

The handlebar mustache muttered, “I plan to go to Jingdu. It is said that there will be an auction in Jingdu.”

“Auction?” Qin Yu frowned and then asked, “What auction?”

The handlebar mustache explained, “The Jingdu Martial Arts Association will sell a batch of treasures every few years.”

“Although they say it’s a treasure, it’s actually an obsolete item of the Jingdu Martial Arts Association.”

“Since it’s an obsolete item, is there still a need to go?” Qin Yu asked, puzzled.

The moustache man widened his eyes and said, “Of course! If their obsolete items are in my hands, they might still be usable.”

“Moreover... There are people who pick up scraps from this auction every year.”

Qin Yu said in a deep voice, “When?”

The handlebar mustache fiddled with his fingers and calculated, then said, “About a week.”

Qin Yu was silent for a moment, then said, “I also plan to go to Jingdu. Then we’ll meet in Jingdu.”

It just so happened that Qin Yu also planned to go to Jingdu and secretly investigate the background of the Jingdu Martial Arts Association.

Qin Yu had never been particularly clear about the strength of the Jingdu Martial Arts Association.

In addition, Qin Yu’s identity was too sensitive, which resulted in Qin Yu not having the opportunity to investigate the Jingdu Martial Arts Association.

After parting with the handlebar mustache, Qin Yu planned to return to the Green Moon Villa for the time being.

After disappearing for four to five months, Qin Yu had no idea what had happened in the outside world.

After leaving here, Qin Yu rushed to this Cang City.

In the evening, Qin Yu arrived at the gate of the Green Moon Villa as he wished.

However, the first thing he saw was the plaque of the Saint Confucian school.

Seeing this scene, Qin Yu frowned slightly.

“Saint Deng?” Qin Yu murmured in a low voice, as if he had guessed something.

He didn't continue thinking and strode into the Green Moon Villa.

The Green Moon Villa was even more powerful than the Saint Confucian sect. It was said that there were nearly a thousand disciples!

At a glance, the grand scene was unprecedented.

Qin Yu pulled a random person and asked, “Where is sect leader Zhen?”

“What sect leader Zhen? You're new, right? There's only sect leader Deng here, not sect leader Zhen!”

Qin Yu frowned slightly.

Sure enough, this Saint Deng had changed sides.

Qin Yu didn't say anything more. He released his spiritual sense and quickly caught Zhen Yue's position.

Zhen Yue was now under house arrest in his own room. Although it could meet the daily supply and demand, there were very few places for activities.

Qin Yu's body flashed and he walked straight in.

As soon as he entered, he saw Zhen Yue sitting in front of the table, drunk and paralyzed.

Qin Yu frowned slightly. He walked to Zhen Yue's side and whispered, "Zhen Yue, wake up."

In a daze, Zhen Yue opened his eyes and saw Qin Yu in front of him. He waved his hand weakly and said, "F * ck, I'm Dreaming again."

After saying that, Zhen Yue fell asleep again.

Qin Yu didn't know whether to laugh or cry. He had no choice but to raise his palm and put it on Zhen Yue's forehead, using his qi/spiritual energy to forcefully save her.

A moment later, Zhen Yue woke up in a daze.

She rubbed her eyes and said in surprise, "Qin Yu, you..."

"Shh." Qin Yu hurriedly covered her mouth and said in a low voice, "Don't shout."

Zhen Yue nodded hard, and Qin Yu let go of her hand.

"Mr. Qin, you... You're not dead?" Zhen Yue was surprised and excited.

Qin Yu nodded and asked, "What's going on? How did this Green Moon Villa become a Saint Confucian sect?"

Zhen Yue opened her mouth and sighed.

She told Qin Yu everything that had happened.

Through their conversation, they learned that all the sects in the north were under the management of the Jingdu Martial Arts Association.

And the managers were the three experts they had trained.

“During the time you disappeared, many young masters in Jingdu had reached the middle stage of the Martial Marquis Realm, and the martial arts association had created a peak martial artist. You... you’d better be careful,” Zhen Yue said worriedly.

Qin Yu narrowed his eyes, not showing much shock.

“Zhen Yue, I’m afraid you’ll have to suffer for a while,” Qin Yu said to Zhen Yue.

Zhen Yue asked with some confusion, “What are you going to do?”

Qin Yu said coldly, “After I find out the background of the Jingdu Martial Arts Association, I’ll Take Back the Green Moon Villa.”

After saying this, Qin Yu directly left the Green Moon Villa and headed straight for Jingdu.

The night was dark.

Xia hang staggered back home.

As the vice-president, his main responsibility was to maintain good relations with the various aristocratic families, so he was drunk almost every day, and today was no exception.

Xia hang returned home. As soon as he opened the door, he saw a young man sitting on the sofa, looking at him coldly.

Seeing the young man in front of him, Xia hang instantly sobered up.

Chapter 625: Chapter 625, the strength of the Jingdu Martial Arts Association

“Qin... Qin Yu!” Seeing Qin Yu’s figure, Xia Hang’s expression suddenly became extremely ugly!

Qin Yu raised his finger, and the door at the door was directly closed.

“You actually didn’t die!” Xia hang shouted.

Qin Yu sneered, “Not only did I not die, I am now very well.”

Xia hang narrowed his eyes and said, “Hehe, I was lucky to get a dog’s life back. Why didn’t you find a place to hide for your whole life? How dare you run to Jingdu! Are you courting death!”

Qin Yu slowly stood up and said, “Do you think that the probability of either of US dying is higher now?”

Xia hang was stunned and then shouted, “Arrogant! Do you really think that you are my opponent!”

The current Xia hang had already stepped into the realm of martial marquis, and it was time for his confidence to explode.

Facing Qin Yu, not only did he not have the slightest fear, he even walked forward with big steps. The fist in his hand danced with the wind, directly approaching Qin Yu’s face!

His fist was incomparably fierce, and almost all the inner strength in his body exploded on his fist!

However, Qin Yu raised his hand and casually pinched his fist.

“What, you think you’re invincible after stepping into the Martial Marquis Realm?” Qin Yu said coldly.

As he spoke, Qin Yu exerted force on Xia Hang’s fist. Xia hang’s fist was immediately squeezed until it made a cracking sound!

The intense pain made Xia hang wish he was dead!

Then, Qin Yu kicked Xia hang’s lower abdomen. Xia hang’s body was directly pushed back, and a mouthful of blood was spat out from his mouth!

Xia hang wiped the blood from his mouth. He gritted his teeth and said, “Qin Yu, don’t be arrogant. The Jingdu Martial Arts Association will not let you off. Tomorrow, I will definitely ask the peak of the Martial Marquis realm to directly suppress you!”

“Do you think I will give you this chance?” Qin Yu said coldly.

Xia hang secretly felt that things were not good, and he started to run.

“Dad...” at this time, a little girl’s voice came from the room.

Xia Hang’s face instantly turned extremely pale!

“Daughter... Daughter!” Xia hang turned around in fear. He took three steps and two steps, and in the blink of an eye, he arrived beside the little girl.

“This is your daughter, she is quite cute.” Qin Yu said with a smile that was not a smile.

Xia hang's body tightened and he said in fear, "Qin Yu, what are you trying to do! This matter has nothing to do with my daughter. If you touch a finger of my daughter, I will definitely not let you off!"

Qin Yu sneered, "Don't worry. As long as you answer a few questions of mine, I promise I won't touch your daughter."

"You! You're despicable!" Xia hang roared angrily.

Qin Yu said coldly, "If you don't want to be beaten in front of your daughter, you'd better answer my questions honestly."

Xia hang was panicking in his heart. His wife was just an ordinary person, she couldn't withstand Xia hang's inner strength at all.

Therefore, Xia Hang's wife passed away after giving birth to his daughter.

To Xia Hang, his daughter was everything to him.

He gritted his teeth and then looked at the little girl. He tried his best to remain calm as he said, "Daughter, go back to your room first. Daddy and uncle will have a few words, okay?"

The little girl nodded and said, "Daddy, then you should rest early."

After saying that, she turned around and went back to her room.

"Your daughter is so obedient." Qin Yu smiled.

Xia hang looked at Qin Yu coldly and said, "What do you want to ask?"

"Tell me everything you know about the Jingdu Martial Arts Association," Qin Yu said coldly.

“If you dare to lie, I can’t guarantee what I will do.”

Xia Hang’s expression turned cold, and then he sneered, “Qin Yu, I don’t believe that you would lay your hands on a child!”

Hearing this, Qin Yu’s heart was instantly filled with anger!

He stood up angrily and grabbed Xia hang’s neck, gritting his teeth, he said, “How could I not want to be a good person with a good heart! But Your Jingdu martial arts association has kidnapped my woman and tried every means to put me to death, making it difficult for me to even survive!”

“If it weren’t for you bunch of animals, who would be willing to be a murderous devil!”

“Don’t You F * cking stand on the moral high ground and criticize me!”

As he spoke, the strength in Qin Yu’s hand became stronger and stronger, almost suffocating Xia hang.

Qin Yu stared at Xia Hang and finally let go of him.

“Speak, tell me everything you know. If you dare to lie, I will kill you,”Qin Yu said coldly.

After feeling the murderous aura from Qin Yu, Xia hang was completely afraid.

He did not doubt that Qin Yu could really do something crazy!

Hence, Xia hang poured a glass of water and slowly told him everything he knew.

After Xia Hang's narration, Qin Yu learned that the president of the Jingdu Martial Arts Association was not the top manager.

Behind them were eight higher-ups. As for the identity of these eight higher-ups, Xia hang did not know either.

"Everything we do is conveyed by the higher-ups. We will carry it out,"Xia Hang said.

Qin Yu said coldly, "These so-called higher-ups, what exactly are their strengths and identities?"

Xia hang shook his head and said, "I don't know either. In short... their strength is far above ours."

Speaking up to this point, Qin Yu looked at Xia hang and said, "Let me ask you, currently, does the JINGDU martial arts association have the existence of a martial saint?"

A martial saint was an existence that could not be provoked.

Once they met, they would most likely die in a single exchange.

Xia hang was silent for a moment and said, "I'm not sure either, but if the Jingdu martial arts association wants to find a martial saint, it won't be difficult."

This could not help but make Qin Yu's expression turn a little ugly.

He did not expect that the JINGDU martial arts association actually had a martial saint.

“Apart from that, we also have a large number of martial saint weapons,” Xia hang continued.

“Back then, the higher-ups gave the order to kill you. If Yan Guiyi fails, we will use our martial marquis weapons to kill you directly to prevent future trouble.”

Qin Yu nodded.

Just as Qin Yu thought, his actions had already touched the bottom line of the Jingdu Martial Arts Association.

Apart from that, Xia hang also told Qin Yu the general division of strength and level of the Jingdu Martial Arts Association.

For example, those wearing white robes were the most ordinary members, and above that were Xia hang and the others. As for those who were a level higher, they were people like Yan Guiyi who wore black and gold robes.

All those who wore black and gold robes were the best among the martial marquises, and their strength was outstanding.

Above the black and gold robes were the purple robes. They were the most powerful combat strength of the Jingdu Martial Arts Association.

“Oh right, I heard that three geniuses have appeared in your Jingdu Martial Arts Association. They are said to be the newly created super experts. What exactly is going on? What methods did they use?” Qin Yu looked at Xia Hang.

When this topic was brought up, Xia Hang’s expression instantly became extremely ugly.

He stuttered for a long time, but didn't say a single word.

"Xia Hang, you'd better not play tricks on me." Qin Yu's fingers flickered with a sharp light as he said coldly.

Xia hang gritted his teeth and said, "I can tell you, but you must promise not to vent your anger on me and my daughter."

Chapter 626: Chapter 626, kill them!

Hearing this, Qin Yu immediately felt that something was wrong.

He said anxiously, "Hurry up and say it. I promise I won't vent my anger on your daughter."

Xia hang was silent for a moment, and then slowly said, "The super experts of the Jingdu Martial Arts Association... were all forged with Miss Yan's blood. This is also the reason why we took Miss Yan Away..."

"What? !" Hearing this, Qin Yu stood up angrily.

He glared at Xia hang and said through gritted teeth, "Explain clearly to me!"

Xia hang knew that Qin Yu would definitely be furious, so he did not look too surprised.

He lit a cigarette and then said, "It is said that Miss Yan's bloodline is not simple. People with such a bloodline will have strength beyond imagination."

“Every day, we will extract blood from Miss Yan’s body to supply the talented members of the Association.”

“Those three people are our test subjects.”

Hearing this, anger could not help but come out from his chest.

His veins bulged and his eyebrows stood up. The murderous aura from his body filled the entire room. Even Xia Hang felt a chill.

“Jingdu Martial Arts Association...”Qin Yu only felt a stabbing pain in his chest. His Qi and blood were swimming up and down, and he almost fainted.

“You actually used Ruoxue’s blood to nurture others... you bunch of animals!”

Xia hang fiercely took a puff of his cigarette and said, “Don’t worry, Miss Yan’s life will not be safe. We have always been feeding him with top-notch herbs. There’s no need to be angry.”

“No need to be angry?”Qin Yu’s eyes were bloodshot.

“If I were to hang your daughter up, draw her blood every day, and give her the best panacea, would you be willing!”

Xia hang’s face turned pale. He said in a slightly panicked tone, “Qin Yu, you... Don’t be rash.”

Qin Yu suppressed the anger in his heart and tried his best to calm himself down.

He never thought that these so-called super powerhouses would actually suck Yan Ruoxue’s blood to create their own benefits!

“You guys... are really a bunch of vampires.”Qin Yu panted heavily.

Xia hang kept silent. He knew that this matter would definitely make Qin Yu furious, but he had no other way.

Qin Yu sat there and did not speak for a long time.

He took Xia hang’s cigarette and took a deep breath.

“Where are the three so-called super powerhouses?”Qin Yu asked coldly.

Xia hang was stunned and asked in confusion, “What do you want to Do?”

“I want to kill them,”Qin Yu said coldly.

“Xia Hang, I’m not afraid to tell you that from today onwards, as long as your Jingdu Martial Arts Association produces a super expert, I will kill one!”

“I will not spare a single person who used Yan Ruoxue’s blood! Until you give up.”

This news made Xia hang secretly happy.

As the vice president of the Martial Arts Association, he naturally knew how powerful those three super experts were.

If Qin Yu went to look for them, wouldn’t that be courting death?

Therefore, Xia hang did not even think and directly said, “They will basically go to Dingsheng Bar to drink at night. You might be able to try your luck.”

Qin Yu glanced at Xia hang and said, “You’d better not lie to me, or else... you’ll have to bear the consequences.”

Xia hang spread his hands and said, “I swear to God, I’m not lying to you.”

Qin Yu didn’t say anything more. He got up and was about to leave.

After taking two steps, Qin Yu suddenly turned around and walked toward Xia hang’s daughter’s room.

“What... What are you doing!” Xia hang was shocked and hurriedly chased after her.

Qin Yu sat beside the little girl and said with a smile, “Little sister, this is the latest candy bean. Do you want to try it? It’s very sweet.”

The little girl did not know the relationship between Qin Yu and Xia Hang. She sniffed the pill and was quickly captivated by the smell of the pill.

“Qin Yu, what are you trying to do!” Xia hang reached out to snatch the pill but was grabbed by Qin Yu’s wrist.

“Don’t worry, this is a pill I made myself. As long as you cooperate with me, not only will this pill not harm your daughter, it will bring her benefits instead,” Qin Yu said coldly.

“Of course, if you dare to spread this news, this pill will immediately become a deadly poison!”

Xia hang's expression was extremely unsightly. He clenched his fists tightly and said coldly, "You better guarantee that this pill won't harm my daughter, otherwise... I will kill you even if I have to risk my life!"

"I don't have to touch your daughter," Qin Yu stood up and said.

He walked to the door and stopped. He said in a deep voice, "I don't want anyone to know that I'm still alive for the time being, so... you know what to do."

After saying this, Qin Yu left directly.

Looking at Qin Yu's departing figure, Xia Hang's expression was ferocious, but he was helpless.

...

In the dark night, a man dressed in a black robe was walking in a hurry.

This person was none other than Qin Yu.

He came all the way to Dingsheng bar and casually found a seat to sit down.

Dingsheng bar was extremely famous in Jingdu. It was said that most of the people who came here to play were rich young masters or popular celebrities.

Their clothes were luxurious, and Qin Yu's black robe seemed to be out of place.

Under the black robe, Qin Yu's expression was extremely cold.

Even though he covered up the murderous aura on his body, he could still feel a trace of coldness.

“Damn it...”

Xia Hang’s words rang in Qin Yu’s mind all the time.

He wished that he could immediately rush to the Jingdu Martial Arts Association and save them.

However, the current Qin Yu was no longer that rash and impulsive person. He knew very well that if he went to the martial arts association now, not only would he not be able to save them, he would even lose his life in vain.

After sitting down, Qin Yu released his spiritual sense.

Very soon, he caught the figures of several martial artists.

“Eh? There’s actually a martial marquis?” Qin Yu raised his eyebrows and could not help but glance at a place not far away.

He saw a woman sitting not far away. When Qin Yu looked at her, her eyes also happened to look at Qin Yu.

“Why is there a martial marquis in this small bar?” Qin Yu frowned.

One had to know that there were not many marquises in this world. It was rare to see one on a normal day.

Just as Qin Yu was thinking, this woman actually walked towards Qin Yu.

“Friend, have a drink?” The woman handed Qin Yu a glass of wine.

Qin Yu did not say anything and ignored this woman.

The woman continued, “As a marquis, you wrapped yourself so tightly. You must be here to kill someone.”

Qin Yu’s face turned cold and he said coldly, “It has nothing to do with you. I advise you to mind your own business.”

The woman ignored him and continued, “There are not many people in this world who can make things difficult for Marquis Wu. You killed someone, yet you wrapped yourself up so tightly. The person you want to kill must not be simple.”

Qin Yu’s face gradually turned cold.. He took a sip of wine and said coldly, “People who are too smart will easily get themselves killed.”

Chapter 627: Chapter 627, fighting against three people!

Hearing Qin Yu’s words, the woman was not angry.

She smiled and said, “I might be able to help you.”

Qin Yu said coldly, “I don’t need it. Besides, you can’t help me with anything.”

Seeing this, the woman took out a business card from her bag and placed it in front of Qin Yu.

“If you need it, you can contact me,”the woman said.

After putting down the business card, she stood up and left.

Qin Yu picked up the business card and took a look. He found that the woman's name was Su Qian.

Besides her name, there was nothing else.

“Inexplicable.” Qin Yu's hand burst into flames and directly burned the business card into ashes.

For the current Qin Yu, he would not easily trust others, let alone a stranger.

The sky was getting darker and darker. Many rich young masters had come to this bar and started their nightlife.

Qin Yu silently drank his wine and quietly waited for the other party to appear.

As time passed, the bar became more and more noisy.

From time to time, one could see people arguing, playing, and even indecent acts.

And here, Qin Yu also saw how ridiculous the private lives of these rich people were.

Soon, it was nine o'clock in the evening.

At this time, three people walked in from the door.

As soon as they entered the door, they attracted countless gazes.

These rich young masters rushed over to greet them.

Qin Yu narrowed his eyes, and a trace of coldness flashed across his face.

These three people were all in the Martial Marquis realm. Although they had restrained their internal Qi, it was still unable to conceal their extraordinary strength.

“It’s the three of them,”Qin Yu said coldly.

He was not in a hurry to make a move. Instead, he quietly observed in the dark.

A group of people surrounded the three of them and constantly flattered them. There were also people who wanted to acknowledge them as their teachers.

After their conversation, Qin Yu learned that the three people’s names were respectively: Guan Shan, Guan Shui, and Guan Hai.

Their names were very simple. It was said that they were given the title by the Jingdu Martial Arts Association.

They were not old, at most in their early thirties.

Although their talent was good, without the power of their bloodline, they would definitely not be able to compete with the young masters of Jingdu.

“Brother Shan, Brother Kong has a very high evaluation of the three of you.”

“Yes, there are not many people in Jingdu who are your opponents right now, right?”

The eldest brother of the three, Guan Shan, smiled faintly and said, “Mm, other than those at the peak, we shouldn’t be afraid of anyone in the younger generation.”

“Brother Shan, tell us the news. How did the JINGDU martial arts association create such a Super Expert?” Someone asked.

Guan Shan did not hide anything. He smiled and said, “These are the resources of the Association! and the Jingdu Martial Arts Association will openly recruit young people. As long as they have enough talent, they will have a chance!”

Hearing this, Qin Yu could not help but clench his fists!

A murderous aura pressed straight towards the three people!

These bastards actually treated Yan Ruoxue as their resource! How Could Qin Yu endure this!

A burst of murderous aura immediately attracted the attention of the three people.

The three people exchanged a glance, and then walked towards Qin Yu.

They sat beside Qin Yu and coldly said, “You seem to be very hostile towards us.”

Qin Yu forcefully suppressed the anger in his heart and coldly said, “So what if I am? So what if I am not?”

“Oh? What Big Words,” Guan Shan narrowed his eyes and said.

Qin Yu drank a mouthful of wine and coldly said, “The people of the Jingdu Martial Arts Association are all trash. Every single one of them is good.”

As soon as he said this, everyone couldn't help but suck in a breath of cold air!

Who was this person? He actually dared to insult the Jingdu Martial Arts Association in public? Was he crazy?

The expressions of the three people instantly turned cold.

“Kid, do you know what you're talking about?”Guan Hai said.

Qin Yu coldly said, “What, did I step on your tails? You're just trash who forcefully stole someone else's talent.”

“Are you courting death? !”Guan Shan was furious. He immediately raised his hand and pressed it on Qin Yu's shoulder!

Qin Yu's body suddenly shook, and a terrifying qi force instantly erupted!

Qin Yu, who had stepped into the fourth rank Martial Marquis Realm, was several times stronger than before. These three people were actually directly pushed back!

“You have some ability,”Guan Shan said coldly.

“Who exactly are you? Tell me the truth!”Guan Shui said furiously.

Qin Yu coldly swept his gaze over the three of them, releasing an icy internal Qi from his body.

In the next second, Qin Yu's palm shook, and a scarlet longsword fell into Qin Yu's hand!

"The person who killed you," Qin Yu said coldly.

Before he could finish his words, Qin Yu took the lead and stepped forward, slashing out with his sword in the air!

The terrifying sword light instantly lit up the dim bar!

"You don't know life from Death!" Guan Shan shouted loudly. His hands shook and he clenched his fists to meet the attack head-on!

"Chi la!"

The sword light directly cut through his body, leaving a bloody scar of dozens of centimeters on Guan Shan's body. His body was directly pushed back!

Qin Yu held a scarlet long sword in his hand. His black robe added a bit of mysterious color to him.

Guan Shan frowned slightly. At this moment, he realized that the black-robed man in front of him was not simple!

"Marquis Wu? There aren't many Marquis Wu in Jingdu. Who exactly are you? !" Guan Shan said coldly.

Qin Yu did not say a word. He responded with another sword!

"Boom!"

This sword was extremely fast. The entire bar was swept flat!

Those who could not dodge in time were cut into two pieces in the air!

The people in the entire bar were instantly flustered. They turned around and ran, afraid that they would be affected!

Guan Shan roared loudly. Then, his hands condensed a ray of light and charged forward with a bang!

“Chi la!”

Qin Yu’s bronze sword actually directly shattered this ray of light! Then, the blade of the sword charged straight towards the three people!

“You’re courting death!”

The three people were instantly enraged and immediately activated their spells!

Countless resplendent rays of light approached Qin Yu, but Qin Yu was completely unafraid. He withstood the spells and slashed out with his sword!

The spells of the three of them landed on Qin Yu’s body, and Qin Yu’s bronze sword directly chopped off Guan Shan’s head!

“Hiss...”

The remaining two couldn’t help but suck in a breath of cold air!

Guan Shan died just like that? The super expert of the JINGDU martial arts association had his head chopped off with a single sword?

Qin Yu shook the bronze sword and said coldly, “Next is the two of you.”

His spiritual power surged into the bronze sword.

This bronze sword was made of the fragments of countless almighty weapons, and its power was far beyond imagination!

Even the gate of the Church of the slaughter of Immortals had been cut off, let alone these three martial marquises!

Qin Yu knew that it was not good to stay here for long, or else he would definitely attract the people of the Jingdu Martial Arts Association!

Therefore, Qin Yu directly pulled out his sword and lifted it up to perform the Tai Qing nine slashes!

In an instant, a sword ray that was several feet long seemed to come from the horizon.

Qin Yu held his sword with both hands and ruthlessly slashed down!

Chapter 628: Chapter 628, one sword slash!

The sword light seemed to come from the sky. Looking from the outside, it lit up the entire sky.

A strong sense of oppression made people fearful!

And the two remaining brothers of the Butler were also frightened!

That strong sense of danger made them extremely frightened!

The two knew that the black-robed man in front of them was not simple. They immediately used their trump cards and prepared to take this sword!

“Swoosh!”

The first strike of the Tai Qing nine slashes was almost in front of the two of them in an instant!

“Ah! !”

They shouted loudly, and the light in their hands turned into a solid barrier!

“Hiss!”

However, the strengthened bronze sword was too powerful!

Coupled with this heaven rank spell, it was invincible and easily cut open the barrier formed by their inner strength!

The sword light passed through the two of them and landed a heavy blow.

“Boom!”

The entire bar was split into two halves!

The sword light passed through the two of them and broke through all their defenses!

Two deep sword scars landed on their bodies.

Their surroundings turned into ruins.

Guan Shui and Guan Hai collapsed on the ground, their eyes filled with fear.

Their bodies were almost shattered, and huge bloody wounds were bleeding profusely!

“How... how is this possible!”

They did not seem to want to believe this scene!

It was not easy for them to become the focus of the world, but they were about to face death in the blink of an eye!

Qin Yu dragged the long sword and walked towards the two of them step by step.

The surroundings were filled with broken walls and no one could be seen.

Qin Yu looked down at the two of them and said coldly, “There are some things that no one can touch. Otherwise... only death awaits.”

“Who... Who Are You!”Guan Hai shouted with all his strength.

Qin Yu looked at the two of them coldly. A moment later, he took off his black robe and revealed his real face.

“Qin Yu.”Qin Yu spat out two words.

Upon hearing this name, the two of them narrowed their eyes and spat out a mouthful of blood!

“You... you are Qin Yu...”

This made them even more desperate!

If the person who attacked was an old martial marquis, they would still be able to accept it.

But as members of the younger generation, he easily took their lives. How could they tolerate this!

“Qin Yu, you...”

They opened their mouths as if they wanted to say something, but Qin Yu did not give them a chance. He swung his sword.

“Buzz!”

The sword sliced through the necks of the two people and took their lives.

After drinking the blood, the bronze sword seemed to have become excited. It trembled endlessly in Qin Yu’s hand.

Looking at the two corpses in front of him, Qin Yu did not do anything.

He wanted to use this to warn the JINGDU martial arts association!

Qin Yu put on his black robe, turned around, and disappeared into the night.

...

The next day.

The entire martial arts circle exploded!

“The three super experts created by the JINGDU martial arts association were actually killed!”

“It’s said that the murderer was a person wearing a black robe and holding a long sword! He only used one sword to cut Guan Shan!”

“When did such an expert appear in Jingdu?”

“It must have been some reclusive expert who did not like them, so he killed them in secret!”

“It could also have been revenge from the aristocratic families.”

Countless comments surged up, but no one thought that the person who attacked would be a young man.

After all, these three people had consecutively challenged more than ten young masters in Jingdu. Other than Yan Jinyao and Kong Yun, they had not suffered a single defeat!

Jingdu Martial Arts Association.

The Three Corpses were placed in front of Qu Xie.

Qu Xie’s expression was extremely cold, and his face was filled with anger.

“Who did this? !” Qu Xie slapped the table and stood up. The table was instantly smashed into powder.

“President Qu, the person who attacked must be extraordinary. Judging from Guan Shan’s wounds, the murderer only used one sword strike to kill Guan Shan,” said the assistant at the side.

Qu Xie gritted his teeth and said coldly, “He killed Guan Shan with one sword attack. Who on Earth has the ability to do that?”

“It must be a hidden expert or an expert hired by an aristocratic family.”

Everyone was discussing animatedly. Only Xia hang remained silent.

At this moment, Xia Hang's heart was filled with shock!

He knew that Qin Yu's strength was not ordinary, but he did not expect that he could kill Guan Shan with only one sword attack!

Not only that, he had even fought against three so-called super experts by himself!

"No matter what, you have to find this person for me!" Qu Xie gnashed his teeth and said.

"President Qu, we will do our best to investigate."

At this moment, Yan Sihai walked in with Yan Jinyao.

As soon as they entered, they saw a few corpses on the ground.

Yan Jinyao frowned. Obviously, he didn't know.

"Who did this?" Yan Jinyao asked.

Qu Xie said in a deep voice, "A man in a black robe with a long sword in his hand."

"You mean... they died at the hands of the same person?" Yan Jinyao didn't look good.

"Not only that, but the murderer only used one sword," said the assistant next to him.

This shocked Yan Jinyao greatly!

He had fought with these three people before, and it had taken him a lot of effort to win!

This was enough to show that the black-robed man's strength was far above his!

But soon, Yan Jinyao thought it through.

"The one who attacked must be a top-notch old martial marquis," said Yan Jinyao.

Qu xie nodded and said, "We think so too. No young man can do this."

"Even young master Yan can't do it, right?" The assistant asked.

Hearing this, Yan sihai immediately cursed, "Bullsh * T! My son can kill them with just a raise of his hand!"

"I don't think so," the assistant snorted.

Yan Sihai was about to say something when Yan Jinyao shook his head and said, "I really can't do it. If I fight these three people at the same time, I'm afraid I'll die."

"So, I can be sure that the one who attacked must be a veteran top-notch martial marquis."

Hearing this, Xia hang could not help but be greatly shocked!

Yan Jinyao was the number one person in the younger generation!

In this way, Qin Yu's strength was probably far above Yan Jinyao's!

"Really... really terrifying!" Xia hang was extremely terrified in his heart!

At this moment, he began to regret going against Qin Yu!

“I can either tell the Jingdu martial arts association about this and have them send out their strongest forces to kill Qin Yu, or... I can never make an enemy out of Qin Yu!” Xia hang roared crazily in his heart!

He struggled for a long time, but in the end, he let out a long breath.

“Forget it, I’d better not get involved in this mess.” Xia hang finally shook his head. After all, his daughter’s life was in Qin Yu’s hands.

“President Qu, I just received news that someone suspects that the black-robed man is Qin Yu.”

At this moment, a person walked in with a document.

Chapter 629: Chapter 629, the mysterious black-robed man

As soon as he said that, everyone turned to look at him!

“Qin Yu? !” Xie Qu was stunned, then he couldn’t help but burst into laughter.

Soon, everyone in the office couldn’t help but sneer.

“Putting aside the fact that Qin Yu is dead, even if he isn’t dead, do you think he can do it with his ability?” Xie Qu sneered.

Yan jinyao snorted and said, “Even I can’t do it, let alone Qin Yu.”

Everyone sneered at this guess. No one took it seriously.

Although Qin Yu was talented, he was not that strong.

Moreover, in their eyes, Qin Yu had long become a dead man.

“Fortunately, we have a new inheritor,” said Qu Xie with a smile.

“A new inheritor?” Yan Jinyao frowned.

Qu xie nodded and said, “Yes. To tell you the truth, the three brothers didn’t have more than 10% inheritance, but this time, their compatibility is very high, as high as 40% !”

Yan Jinyao’s face changed slightly.

40% ? The three brothers from before had made Yan Jinyao feel pressured.

Wouldn’t this 40% inheritor be even stronger ?

“You guys aren’t outsiders, so I’m not afraid to tell you,” Qu Xie continued.

“The higher-ups’ opinion is to select talents from all over the country and choose the one with the highest compatibility.”

“If the compatibility can reach 80% , then his strength will be unimaginable.”

This made Yan Jinyao feel a little uneasy. He looked at Qu Xie and said coldly, “President Qu, please arrange a blood bath for me immediately. The sooner the better.”

Qu Xie seemed to have guessed it, so he wasn’t surprised.

“Don’t worry. We have already prepared it for you. Come here and wait for me tomorrow morning,” said Qu Xie.

Yan Jinyao nodded. He didn’t say anything and turned around to leave.

...

In a house in the suburbs of Jingdu.

Qin Yu took off his black robe and changed into a clean set of clothes.

“I don’t think anyone can guess my identity,” Qin Yu thought to himself.

He deliberately chose the bronze sword instead of using his fist.

This way, no one would suspect him.

This bronze sword... is stronger than I imagined, Qin Yu thought to himself.

Just one sword had cut down Guan Shan, even Qin Yu himself did not expect it.

But Qin Yu knew very well that his identity would be exposed sooner or later.

Therefore, Qin Yu wanted to take advantage of this period of time to cultivate as soon as possible and at the same time thoroughly understand the JINGDU martial arts association.

In the evening, the news that the JINGDU martial arts association was preparing to recruit people from all over the country spread.

At the same time, they also announced in a high-profile manner that an even stronger person had appeared in the Jingdu Martial Arts Association. His strength was above that of the three Butler Brothers!

After seeing this news, Qin Yu’s expression became incomparably cold!

Recruiting people from all over the country? How much blood would it take?!

One had to know that this blood all came from Yan Ruoxue!

The more blood she absorbed, the more suffering Yan Ruoxue would have to endure!

Qin Yu clenched his teeth, almost breaking them!

After a long time, Qin Yu finally loosened his tightly clenched fist.

That night.

Qin Yu came to Xia Hang's home again.

Seeing Qin Yu sitting on the sofa, Xia Hang's expression was extremely ugly.

He said with a cold face, "Qin Yu, why are you here again!"

Qin Yu picked up a cigarette from the table and lit it, then slowly said, "I will come often in the future."

This made the veins on Xia Hang's forehead bulge. He berated, "Qin Yu! You killed the three Butler Brothers. You have already attracted attention! You are implicating me, do you understand!"

Qin Yu sneered, "Xia Hang, do you have any other choice now? If the Jingdu Martial Arts Association finds out that you told me your location, do you think they will spare you?"

Xia Hang opened his mouth, and his expression did not look too good.

“When I overthrow the Jingdu Martial Arts Association, I will give you a credit.” Qin Yu blew out a smoke ring.

Xia hang could not help but sneer, “It’s already good enough that you can save Yan Ruoxue, but you still want to overthrow the Jingdu Martial Arts Association?”

Qin Yu glanced at Xia hang coldly and said, “Not only do I want to overthrow the Jingdu martial arts association, I also want to kill all the higher-ups behind it.”

Xia hang seemed unwilling to argue with Qin Yu. He said coldly, “Why are you looking for me? Just say it.”

“The Jingdu martial arts association has nurtured a few blood heirs, right?” Qin Yu played with the lighter and said coldly.

Xia hang said coldly, “Qin Yu, stop, or else...”

“Cut the crap!” Qin Yu interrupted Xia Hang.

Xia hang gritted his teeth and said coldly, “I can tell you, but this is the last time.”

“You have no choice.” Qin Yu had no intention of negotiating.

Xia hang had no choice. He could only write down an address on the paper.

Qin Yu took the address and glanced at it. He sneered, “Looks like there are quite a number of people.”

Xia hang snorted, “You can leave.”

“No, I still have one more thing.”Qin Yu shook his head.

“What else do you want to do!”Xia hang said with some anger.

Qin Yu said coldly, “I want to enter the Jingdu Martial Arts Association, you think of a way to bring me in.”

“Don’t even think about it!”Hearing this, Xia Hang was instantly furious!

“Qin Yu, are you crazy! ! Do you think I’m Omnipotent! ! Entering the Jingdu Martial Arts Association requires a series of selections and a thorough investigation of one’s identity! If you dare to enter the Jingdu Martial Arts Association, you will definitely be exposed, and I will also be implicated by you!”

Xia hang almost roared out these words.

A trace of a playful smile hung on Qin Yu’s face, and then he said faintly, “Alright, it’s fine if you don’t go in. I heard that your Jingdu martial arts association is going to openly recruit people, right?”

Xia hang frowned slightly. He thought for a while and nodded. “En, the Jingdu martial arts association is going to recruit geniuses and use Yan Ruoxue’s blood to activate the bloodline.”

“I want to go in.”Qin Yu’s expectations were beyond doubt.

Xia hang frowned and said, “But... there are quotas, and my quotas have already been distributed.”

“Then you have to come back!”Qin Yu said coldly.

“Xia Hang, you’d better cut the crap. I don’t have that much patience.”

Xia hang gritted his teeth and said, "I'll think of a way."

Qin Yu didn't say anything more, got up and left.

Looking at Qin Yu's departing figure, Xia Hang's uneasiness grew stronger.

"If this continues, I'll definitely be implicated by him." Xia hang took a deep breath.

"I have to think of a way. I Can't be held back by him anymore." A trace of coldness flashed in Xia Hang's eyes.

...

The next day.

A piece of news was sent out again.

The six super experts recommended by the Jingdu Martial Arts Association were all killed!

And the murderer was still that black-robed man!

What was even more shocking was that the corpses of these six people were all hung on the main door of the Jingdu Martial Arts Association!

Chapter 630: Chapter 630, the agonized Yan Ruoxue

Looking at the corpses at the door, Qu Xie's face turned ashen, and blue veins bulged on his forehead.

"Move the corpses in!" Qu Xie shouted angrily.

The few of them hurried to bring the corpses back.

In the monitoring room.

Qu Xie looked at the black-robed man on the screen, and his face turned even uglier.

“Not many people can do this, but... who is this person? !” Qu Xie was furious.

Xia hang opened his mouth as if he had something to say.

“President Qu, this person’s goal is obviously to get the bloodline power,” Xia Hang said in a deep voice.

“So... this person might be related to Yan Ruoxue.”

Xia hang racked his brain, trying to hint at Qu Xie.

After Qu Xie heard this, he couldn’t help but say coldly, “Could it be... the person that Yan Yongxiu found?”

Hearing this, Xia hang immediately felt a headache.

“Impossible, Yan Yongxiu has no real power now. As long as he has real power, he would never let us do anything to his daughter,” Xia Hang said in a deep voice.

“President Qu, I suggest throwing out the bait and ambushing him secretly,” the assistant next to him said at this time.

Qu Xie was silent for a moment, then nodded and said, “That makes sense, but... it’s not that easy to create another bloodline inheritor.”

After all, Yan Ruoxue's blood was limited, and the accumulation of this period of time had to be handed over to Yan Jinyao.

"We can find anyone and say that he has the bloodline. As long as we don't say it, who knows if it's true or false," the assistant said with a smile.

However, this suggestion was quickly denied by Xia Hang.

"I suggest that we wait for a while more. That black-robed person is not a fool," Xia Hang said.

"How can that black-robed person believe that he has introduced a new successor in such a short time?"

Xia Hang's words were approved by Qu Xie.

He nodded slightly and said, "Alright, we'll do as you say."

Xia hang heaved a sigh of relief.

As long as Qin Yu died, his daughter would be saved, and he would be free.

...

The black-robed man's actions immediately caused a huge uproar.

The Jingdu martial arts association had carefully selected geniuses, but they were all killed by the same person one after another. How could this news not be shocking!

For a moment, almost everyone was guessing the black-robed man's identity.

“Even Qin Yu back then couldn’t have achieved the strength of this black-robed man.”

“Qin Yu is far inferior to him. This black-robed man is definitely a veteran martial marquis!”

“En, there aren’t many people in the world who can kill someone at the intermediate stage of the Martial Marquis realm so easily.”

“He might be at the peak of the Martial Marquis Realm.”

With the rise of the black-robed man, the reputation of the Jingdu martial arts association was completely lost.

If the JINGDU martial arts association still couldn’t catch him, their reputation would probably be completely ruined.

In a certain room of the Jingdu Martial Arts Association.

This room was on the 60th floor and could be said to be looking down from above.

And in the room, there was a huge bathtub!

What was shocking was that what was in the bathroom wasn’t water, but bright red blood, filled with a bathtub full of blood!

And this blood all came from Yan Ruoxue!

God knows how much suffering Yan Ruoxue had suffered!

“Young Master Yan, this is Yan Ruoxue’s blood,” Qu Xie pointed at the bathtub and said.

Yan Jinyao couldn't help but frown. He stared at the bathtub full of blood and said in a deep voice, "Is this blood really so useful?"

"Yes," Qu Xie said with a faint smile.

Seeing this, Yan Jinyao didn't say anything more.

He slowly took off his clothes and walked to the side of the Bath. Then, he slowly immersed his entire body into it.

"Sizzle!"

The moment his body touched the blood, white steam emerged from Yan Jinyao's body!

The blood seemed to be boiling, and steam was coming out of it!

"Ah! !"

Yan Jinyao felt as if his body was about to be boiled. Waves of intense pain made him break out in cold sweat!

Qu Xie said excitedly, "Indeed! As a member of the Yan family, this blood has a much higher degree of inheritance!"

The blood became hotter and hotter, almost merging with Yan Jinyao!

In an instant, Yan Jinyao felt that his body was quietly changing!

A formation plate under the bathtub turned purple!

Sizzle

At this moment, the bright red in the blood began to disappear, as if it had been absorbed by Yan Jinyao!

His body became incomparably translucent, and his physical body became countless times stronger!

Not only that, Yan Jinyao felt that his state of mind instantly became clear, and even his spiritual sense skyrocketed!

“Huala!”

Another loud sound rang out!

The formation plate under the bathtub began to tremble, as if it was about to shatter!

The bright red color of the blood completely disappeared. At a glance, it was almost dried up!

“This feeling... is beyond imagination!” A rare trace of excitement appeared on Yan Jinyao’s face!

He slowly walked out of the bathtub and clenched his fist lightly. He felt that the power of his physical body had become countless times stronger!

“This is the power of the Yan family’s Bloodline?” Yan Jinyao murmured in a low voice.

Qu Xie said with admiration, “Young Master Yan, your bloodline inheritance is as high as 60% ! As expected of a member of the Yan family!”

“60% ?” Yan Jinyao frowned.

He looked at Qu xie coldly and said, “President Qu, only 60% ?”

“60% is not bad.”Qu Xie seemed to understand Yan Jinyao’s meaning.

“I’m afraid no one can surpass this number except for Yan Ruoxue herself.”

Yan Jinyao’s expression became even more unsightly when he heard this!

“In other words... Yan Ruoxue herself is 100% ?”Yan Jinyao said coldly.

“Of course her own bloodline is 100% ,”qu Xie said somewhat speechlessly.

This immediately made Yan Jinyao feel defeated!

He had only inherited 60% of the power, but his strength had already undergone a qualitative change.

Then, wouldn’t Yan Ruoxue herself be beyond imagination ? !

“President Qu, I’m a little curious. Instead of spending so much effort to nurture others, why don’t you just let Yan Ruoxue cultivate on her own ?”Yan Jinyao asked tentatively.

“She has a complete bloodline power. If she cultivates, her future will be limitless, right ?”

President Qu nodded slightly. “We did plan to do so, but... she and Qin Yu are like glue. How can she be used by US ?”

“Now, we have killed the person she loved. If we let her cultivate, she will definitely become the archenemy of the Jingdu martial arts association in the future.”

Yan Jinyao narrowed his eyes and said, “In other words... you have no intention of letting Yan Ruoxue Leave?”

“We absolutely can’t let her leave!” Qu Xie said affirmatively.

Yan Jinyao didn’t say anything for a long time. After a while, he slightly let out a sigh of relief.

As long as Yan Ruoxue couldn’t leave the prison, he would be the successor with the highest inheritance!

“With my current strength, there shouldn’t be many people in this world who can beat me,” Yan Jinyao clenched his fist and said in a low voice.

Qu Xie smiled faintly. “That’s right, but... you have to be careful of that black-robed man. If he finds out about this, he will definitely kill you.”

“Black-robed man?” Yan Jinyao narrowed his eyes, a hint of interest appearing on his face.

“I feel great now. I really want to see that black-robed man....” Yan Jinyao sneered.

Chapter 631: Chapter 631, the method to control the male corpse!

At this moment, Yan Jinyao was extremely inflated. He was very interested in this legendary black-robed man.

“Young Master Yan, it’s best if you don’t underestimate the enemy. According to our speculation, this black-robed man might be Guan Zu,” Qu Xie said in a deep voice.

“Guan Zu?” Hearing this name, Yan Jinyao frowned slightly.

Guan zu was not famous, but to the Jingdu martial arts association, he was quite famous.

It was said that thirty years ago, the Jingdu martial arts association sent several martial marquises to capture Guan Zu, but they all failed in the end.

Not only that, Guan zu also killed more than ten martial marquises of the Jingdu Martial Arts Association!

“Back then, he could be considered an invincible existence. After so many years, God knows what level his strength has reached,” Qu Xie said.

Yan Jinyao’s expression also didn’t look too good.

If it was ancestor guan, then he might really have to be a little more careful.

“President Qu, I understand. Thank you for the Reminder.” Yan Jinyao nodded slightly, then turned around and left.

In order to protect Yan Jinyao, the Jingdu Martial Arts Association didn’t spread the news that Yan Jinyao had activated his bloodline, so as not to attract the black-robed man’s attack.

On the other side, Qin Yu did not take any action for the time being.

He stayed in his private room all day, thinking about how to save Yan Ruoxue.

“Continuing to kill like this won’t solve the fundamental problem,” Qin Yu said in a low voice.

However, Qin Yu’s current strength was not enough to save Yan Ruoxue.

So far, Qin Yu had seen the black-gold robe of the Jingdu Martial Arts Association. There was also a purple robe on it.

A black-gold-robed Yan Guiyi was enough to make Qin Yu’s hair stand on end, not to mention the even more powerful purple robe.

“What should I do...” Qin Yu clenched his fists, and his heart seemed to be bleeding.

As long as he thought of Yan Ruoxue’s suffering, Qin Yu couldn’t control his emotions.

“If I can use those two male corpses... saving people won’t be a problem,” Qin Yu thought to himself.

He immediately released the two male corpses from the spatial artifact.

The two corpses didn’t move at all and were placed right in front of Qin Yu.

Qin Yu tried to use his spiritual sense to awaken the two corpses, but unfortunately, he failed.

“Oh my God, quickly put these two things away!”

At this moment, the voice of the mustached man suddenly came from outside.

Qin Yu frowned slightly. He glanced at the moustache and said, “How did you know I Was Here?”

The moustache said mysteriously, “I have my own brilliant plan. I Can’t speak, I can’t speak.”

Looking at the moustache in front of him, the doubts in Qin Yu’s heart grew heavier and heavier.

What was the origin of this competition? Even Qin Yu had never heard of the spells he controlled.

“By the way, do you have a way to make these two male corpses move?” Qin Yu pointed at the corpses on the ground and asked.

Hearing this, the mustache man immediately shivered.

“Are you sick? Do You Want to die? You forgot about the last time, right?” The Mustache Man had a look of lingering fear.

Qin Yu explained, “I mean... to use their bodies to attack the Jingdu Martial Arts Association.”

“You mean... you want to use your spiritual sense to control them?” The handlebar mustache guessed.

Qin Yu nodded. “That’s right.”

“You’re simply Dreaming.” The handlebar mustache couldn’t help but sneer.

“Do you know the origins of these two corpses? You Want to control them? Do you have the qualifications?”

Qin Yu spread his hands and said, “If you can’t, then forget it. I’m just saying.”

“But... If we can find the mask of the masked woman, we might still have a chance.” At this time, the Mustache Man suddenly changed the topic.

Hearing this, Qin Yu’s eyes immediately lit up!

He hurriedly grabbed the mustache man’s shoulder and said anxiously, “Are you telling the truth?”

“Of course,” the mustache man said proudly.

“I’ve read a lot of information these few days and learned that these two corpses are the servants of the masked woman. If you can really find the mask, I might really have a way to make them move,” the mustache man said seriously.

Qin Yu grabbed the mustached man’s arm and said excitedly, “Quickly tell me how to operate it, what is that spell!”

The mustached man rolled his eyes and said, “What’s the use of telling you? You Don’t have a mask.”

Qin Yu braced himself and muttered in a low voice, “Maybe... maybe we can find it.”

“We’ll talk about it when you find it.” The mustached man opened Qin Yu’s hand.

But Qin Yu didn't give up. He grabbed the handlebar mustache's arm and said, "If you don't tell me, I definitely won't Let Go!"

The handlebar mustache scratched his head. His eyes rolled and he said, "Do you really want to know?"

"Nonsense!" Qin Yu glared at him.

A trace of craftiness flashed through the handlebar mustache's eyes. He said with a smile, "I can tell you, but there is a condition."

"What condition? Tell me," Qin Yu hurriedly said.

The mustached man smiled and said, "As far as I know, there is a sword to be auctioned at the Jingdu Martial Arts Association's auction. I am very interested in this sword."

"It's a pity that I don't have enough money to bid for it. If fellow Daoist is willing to contribute generously, I can consider it."

Qin Yu hurriedly nodded and said, "No problem, I don't lack money!"

But as soon as he said it, Qin Yu regretted it.

He was now a "Dead man", so he didn't dare to use the money in his bank card, or else he would definitely be exposed.

"What's wrong? Is there a problem?" The mustached man asked.

Qin Yu frowned and said, "How much money do you need?"

The mustached man counted with his fingers and said, "At least one billion, right? Those bastards from the Jingdu Martial Arts Association are so greedy."

“One billion...”Qin Yu whispered.

For the current him, one billion was simply an astronomical figure.

“Sigh, if you really have no other way, then forget it.”The moustache man waved his hand.

“Who says I have no other way!”Qin Yu stopped the moustache man.

“What? You have money? Then just give it to me directly.”The moustache man stretched out his hand and said.

Qin Yu shook his head and said, “No money.”

“Then you’re just spouting nonsense!”The mustached man said with his eyes wide open.

Qin Yu sneered and said, “I don’t need money at all.”

As he spoke, Qin Yu’s eyes looked at the black robe that was thrown on the ground.

The mustached man seemed to have understood something.

His body tensed up and he exclaimed, “Don’t tell me... You Want to Rob?”

“That’s right,”Qin Yu said coldly.

“It would be a waste not to snatch something from the Jingdu Martial Arts Association.”

“Moreover, the identity of this black-robed person makes it more convenient for me to do this.”

The mustache man frowned and said, “Fellow Daoist, this is very risky. Not only can you expose your identity, you might even be killed on the spot!”

Qin Yu glanced at the moustache man and shook his head. “I have no other way.”

As long as he could obtain the technique to control the male corpse, any method was worth trying!

Chapter 632: Chapter 632, the eve of the auction

The handlebar mustache did not have much of an opinion about Qin Yu’s suggestion.

He spread his hands and said, “Sure, as long as you can give me the sword. After all, I’m not the one who’s going to rob you.”

Qin Yu looked at the male corpse in front of him. After thinking for a while, he took out the coffin again.

Looking at the coffin made of bright red wood, the handlebar mustache could not help but shiver.

“Why did you take this thing out? It’s so scary,”the mustached man muttered.

Qin Yu patted the coffin and said, “I’m afraid I’ll have to trouble you to take care of this coffin for the next few days. Otherwise, I won’t be able to fit it in my spatial artifact.”

The mustached man immediately jumped thirty feet high like a cat whose tail had been stepped on.

He said in horror, “You want me to stay with this thing? or for a few days?”

Qin Yu rolled his eyes and said, “That’s enough. It’s not as scary as you think.”

“That’s because you don’t know what this masked woman has done!” The mustached man said in a trembling voice.

“Anyway, this is the only way. Do you agree or not?” Qin Yu said with a rogue look.

The mustached man stared at the coffin for a long time. After a moment, he gritted his teeth and said, “People die for money and birds die for food. I’ll go all out. I’ll agree to it!”

“Okay, it’s a deal.” Qin Yu nodded slightly.

The agreement between the two was thus set.

As long as he could get the method to control the male corpse, Qin Yu would be able to go to the Jingdu Martial Arts Association to save the man.

There were still three days before the auction began.

For the next three days, Qin Yu did not leave the private room.

He sat in the room all day, swallowing his inner core.

Qin Yu did not take many inner cores. In the end, he had used up all of them on the second day.

A rank five martial marquis was the middle stage of the Martial Marquis Realm.

And the current Qin Yu was still a step away from the middle stage of the Martial Marquis Realm.

For the Martial Marquis realm, the three stages represented different strengths.

The early stage of the Martial Marquis realm was different from the middle stage of the Martial Marquis Realm.

And the peak of the Martial Marquis realm was far more powerful than the middle stage of the Martial Marquis Realm.

Now that the young masters of Jingdu had all stepped into the middle stage of the Martial Marquis Realm, it was time for Qin Yu to speed up.

On the other side.

After Yan Jinyao obtained the bloodline power of the Yan family, his strength had improved qualitatively!

Although Yan Jinyao didn't know what this so-called bloodline was, his physical body was far stronger than before.

“Everyone says that Qin Yu's flesh is unparalleled, but it's a pity that he's dead. Otherwise, I would really like to try it with him.” Yan Jinyao tightened his grip, and the black gold stone in his hand immediately crackled.

“From today onwards, I may be the only existence in the younger generation of Jingdu.”

This was Yan Jinyao's incomparable confidence.

Just then, Yan Sihai walked in from outside the door. Beside him was a rather sturdy man.

This man did not say a word, but he carried an extremely strong sense of oppression.

Even Yan Jinyao felt a slight discomfort.

This person was none other than the peak-stage martial marquis that Yan Sihai had rescued from the Jingdu Martial Arts Association's prison.

Yan Sihai directly sat beside Yan Jinyao, his face somewhat gloomy.

"Dad, What's Wrong?" Yan Jinyao asked.

Yan Sihai coldly said, "The JINGDU martial arts association actually wants to distribute the power of blood to all the descendants of the aristocratic families!"

"Motherf*cker, take the things of My Yan family and distribute them to outsiders!"

Yan Jinyao slightly frowned and said, "This matter... shouldn't it be agreed upon by us?"

"I've negotiated with them, but their attitude is extremely unyielding," Yan Sihai coldly said.

"If it really doesn't work, I'll take Yan Ruoxue Back!"

Hearing this, Yan Jinyao hurriedly waved his hand and said, "Absolutely not."

Yan Sihai frowned slightly and said, “Why?”

Yan Jinyao said in a deep voice, “We don’t have the techniques of the Jingdu martial arts association, nor can we draw blood from Yan Ruoxue’s body.”

“If we bring her back, it will actually increase her chances of cultivation.”

Obviously, after Yan Jinyao felt the strength of this bloodline power, he began to be afraid.

He was afraid that once Yan Ruoxue stepped into the path of cultivation, she would directly surpass him, and then it would be troublesome.

Yan Sihai frowned and said, “Is this bloodline power really so powerful?”

“Although I don’t want to believe it, this bloodline power... is indeed beyond imagination,” Yan Jinyao said in a deep voice.

At this point, Yan Jinyao looked at Yan Sihai and said, “Father, what is the origin of our ancestors? Why did Yan Ruoxue inherit such a Bloodline?”

“I don’t know.” Yan Sihai shook his head.

“Perhaps only your grandfather knows about the matter of the Yan family’s ancestors.”

When Yan Jinyao heard this, his face couldn’t help but turn cold.

He took a deep breath and said, “It’s impossible for our Yan family to monopolize this bloodline power. Sooner or later, we will share it with those aristocratic families.”

Yan Sihai snorted coldly and said, “Of course I know, but the Jingdu Martial Arts Association can forget about keeping this favor for themselves!”

“Dad, What are you going to do?” Yan Jinyao asked with a frown.

Yan Sihai waved his hand and said, “I have my own plans in mind.”

Seeing this, Yan Jinyao couldn’t say anything more.

...

The higher-ups of the Jingdu Martial Arts Association held many meetings.

And these meetings were all aimed at Yan Ruoxue’s bloodline.

After a few meetings, they drew up a list.

On this list was the name of the person who wanted to use Yan Ruoxue’s blood.

“After the auction is over, let’s begin.” A voice came from the dark.

Qu Xie took the list, cupped his hands and said, “Yes.”

There were more than a dozen names on the list, and each person was a well-known figure in Jingdu.

After walking out of the meeting room, Xia Hang grabbed Qu Xie.

“President Qu, before we begin, I have a suggestion,” Xia Hang said with a frown.

“What suggestion?” Qu Xie asked.

Xia Hang said in a deep voice, “Get rid of that black-robed man first! Follow our plan!”

“Otherwise, when that black-robed man finds out about the names on the list, he will definitely start a massacre!”

“When that time comes, I’m afraid that all the major families in Jingdu will be in a Panic!”

Qu Xie narrowed his eyes and said coldly, “What you said makes sense... alright, we’ll do as you say.”

“Get rid of that black-robed man first, and then make this list public!”

Hearing this, Xia hang heaved a sigh of relief.

Of course, he had selfish motives in his heart.

If Qin Yu did not die, he would definitely come and ask Xia hang to add Qin Yu’s name.

As long as he killed Qin Yu, he would be free.

“Threaten me, and you will pay the price!” Xia Hang said darkly.

...

Time flew.

In the blink of an eye, it was the day of the auction.

The location of the auction was in a great hall in Jingdu.

And the JINGDU martial arts association attached great importance to this auction, sending out three black gold robes! Yan Guiyi was among them!

Chapter 633: Chapter 633, pavilion master and Yan Shanhe

This auction was a way for the Jingdu Martial Arts Association to withdraw their funds. At the same time, it was also a symbol of the Jingdu martial arts association's strength to the outside world.

Thus, they would absolutely not let anything happen to the auction.

Sending out three black gold robes was enough to show how much they valued it.

Of course, the status of the Jingdu martial arts association was extremely high. In all these years, no one had ever come to find trouble with the Jingdu Martial Arts Association.

"The funds collected this time must reach at least ten billion," Yan Guiyi said to the two black gold robes beside him.

The two people nodded slightly and then said, "This has little to do with us. Our main criticism is to maintain order at the venue."

Yan Guiyi did not say anything. He swept his gaze across the venue and then retreated to the side.

Only the one-armed Yan Guiyi appeared a little strange.

Therefore, the JINGDU martial arts association did not want Yan Guiyi to show his face in public because it was a disgrace to them.

This also filled Yan Guiyi with hatred towards Qin Yu.

Time flew by. At around eight o'clock in the morning, aristocratic families from all over the country rushed to the venue one after another.

These aristocratic families included both martial arts aristocratic families and ordinary wealthy individuals.

The entrance was already filled with luxurious cars.

Rolls Royces, Bentleys, and so on were countless.

They had one thing in common, which was that they had a large amount of cash on them.

However, at this moment, there was a black-robed person sitting in a car not far away.

This person was none other than Qin Yu.

Qin Yu coldly looked at the entrance of the auction, a trace of viciousness flashing in his eyes.

At this moment, Qin Yu suddenly saw a familiar figure.

“HMM? The Pavilion Master is here too?”

A beautiful figure slowly walked out of the car.

There were two other people beside her, and one of them was peach.

With the help of the pavilion master, it was almost impossible to see any scars on Peach's face.

However, Peaches didn't look happy. She looked extremely lonely.

Qin Yu frowned slightly and said in a low voice, "Could it be that the pavilion master wants something?"

Besides the pavilion master, Qin Yu saw many familiar figures.

People from the Han family, the Chu family, and even the Yan family came to participate.

Of course, the people who came to participate in such a top aristocratic family were naturally not from the highest level.

"It seems that the prosperity of this auction is much higher than I imagined." Qin Yu frowned.

In other words... The influence of Qin Yu's snatching auction this time would probably be much greater than I imagined!

With the arrow on the bow, Qin Yu had no choice but to shoot it. He had no other choice.

The auction was set at 10 am. At 9:30 am, almost everyone had arrived.

Qin Yu was not in a hurry to make a move. He sat in the car and waited quietly.

In the auction.

The pavilion master closed his eyes slightly and waited quietly for the auction to begin.

“Ji Yuhong? I didn’t expect you to come too.”

At this moment, a voice sounded in the pavilion master’s ear.

He looked up and saw Yan Sihai’s brother, Yan Shanhe.

The current Yan Shanhe had long since worn the same pants as Yan Sihai. It was also because of this reason that Yan Shanhe possessed a certain amount of core assets of the Yan family.

The pavilion master glanced at him but didn’t say anything.

Yan Shanhe sat directly beside the pavilion master and said with a smile, “Ji Yuhong, back then, you went against our Yan family for a Qin Yu. What happened in the end?”

“Not only did you not get any benefits, you even offended our Yan family!” Yan Shanhe said with an ice-cold face.

The pavilion master glanced at Yan Shanhe and said indifferently, “What can you do after offending your Yan Family? Do you think you can boast to me?”

Yan Shanhe said with a cold smile, “Our Yan family has no other ability but money! Ji Yuhong, you will slowly know the consequences of offending the Yan family.”

“Is that so?” The pavilion head snorted lightly.

“Yan Shan he, I hope that the day you fall ill will not come. Otherwise, you will also know the consequences of offending the Divine Alchemist Pavilion.”

When Yan Shan he heard that, he could not help but laugh out loud and said: “Do you think that you can control all the medical resources in the country? Hahaha, what a joke!”

“By the same logic, do you think that your Yan family can control the entire Yan Country?” The pavilion head was not at a pyro.

Yan Shan he smiled faintly and said: “I will not argue with you, but I am afraid that you will not be able to get what you want today, heh heh.”

After saying that, Yan Shan he walked to the side.

After he had left, peach could not help but ask: “Lord Pavilion Head, who is this person?”

The pavilion head said: “Yan Shan he, is known to be the Yan family’s business elite. The Yan family’s economic lifeline is now in his hands.”

Tao Zi frowned and said, “What about Yan Sihai? Isn’t he the head of the Yan Family?”

The pavilion master nodded and said, “Speaking of which, the Yan family is really a magical family. The four brothers each have their own strengths.”

“Yan Sihai is ruthless, Yan Shanhe is proficient in business, Yan Tianhong has an extremely strong network, and Yan Yongxiu... has a trace of humanity.”

Tao Zi was deep in thought. She asked in puzzlement, “What about Yan Yunheng?”

“Together, they make a complete Yan Yunheng, which is also the magical part of the Yan family,” said the pavilion master.

Tao Zi nodded, not fully understanding. A moment later, she said in a low voice, “In any case, every good thing.”

As she spoke, the host walked to the stage.

Then, the door slowly closed.

From the backstage, several white-robed warriors walked out.

They stood on both sides of the corridor, majestic and mighty.

And in the dark, there were three black-gold robes led by Yan Guiyi.

They released their spiritual senses and covered the entire venue. If anything unexpected happened, they would act quickly.

On the stage, a host walked up.

He smiled faintly and said, “The annual auction of the Jingdu Martial Arts Association Begins Now!”

“This time, we have prepared a total of thirty items for everyone!”

Thirty items. This was almost the largest number of items the Jingdu Martial Arts Association had produced in recent years!

Not only that, this time, the Jingdu Martial Arts Association had invested a lot of money and brought out many treasures!

There was only one reason for this. It was because the higher-ups realized that the higher-ups were dissatisfied with them, so they had to perform well.

“I must get the rainbow colored glaze this time,”the pavilion master thought to himself.

The auction soon began, with all kinds of treasures appearing one after another.

There were ordinary antiques, calligraphy, and paintings, as well as warriors’ magical artifacts and herbs.

“The next item for auction is rainbow colored glaze!”Soon, the host took out a rainbow colored glass cup.

Seeing this glass cup, the pavilion master’s eyes immediately lit up.

“Rainbow Colored Glass is a treasure that the Jingdu martial arts association obtained from abroad. It is said that this item has an indescribable magical effect on medicine refinement. With rainbow colored glass, one can achieve twice the result with half the effort,”the host said with a faint smile.

“The starting price is 80 million!”

Very quickly, someone in the venue called out the price. In just a short ten minutes, this rainbow colored glass had been raised to more than 300 million.

“It’s about time to make a move,”the pavilion master said.

She raised her hand slightly and said, “Five hundred million.”

As soon as she said this, everyone immediately turned to look at the pavilion master.

“So it’s the Pavilion Master of the Medicine God Pavilion.” Upon seeing the pavilion master’s face, everyone immediately had the intention to retreat.

“This item should be the most compatible with the pavilion master,” someone said.

“Eight hundred million!”

However, a discordant voice was heard.

Yan Shanhe looked at the Pavilion Master with a faint smile.

Chapter 634: Chapter 634 saw Yan Guiyi again!

Yan Shanhe’s voice immediately attracted countless people.

“It seems that the Yan family and the Divine Alchemist Pavilion have always had conflicts. I’m afraid they are going to compete in secret this time.”

“Yeah, it’s said that it’s for that Qin Yu.”

“The Divine Alchemist Pavilion invested a lot in Qin Yu, but now that Qin Yu is dead, the Divine Alchemist Pavilion has gained nothing. Instead, they have made a lot of enemies.”

“This kind of investment is really too risky. It’s not worth it.”

Everyone discussed animatedly, as if they wanted to watch a good show.

The pavilion master silently raised his hand and raised the price, “One billion.”

“One and a half billion!” Yan Shanhe raised his hand and shouted without thinking.

“Two billion.” The Pavilion Master continued to raise the price.

Yan Shanhe snorted lightly, “Three billion!”

The price was instantly raised to an extremely high position.

This also made the Jingdu martial arts association extremely excited. Someone competing was what they liked to see the most.

“Pavilion Master, do we still want to raise the price?” Peach asked with a frown.

The Pavilion Master’s brows also slightly furrowed.

Although this rainbow colored glass was very important, she knew very well in her heart that if she continued to shout, it would not be of any benefit to her.

“Forget it.” The pavilion master took a deep breath and shook his head.

“The Yan family and the Jingdu Martial Arts Association have a very close relationship. Continuing to shout won’t be of any benefit to us.”

Tao Zi nodded slightly and said in a low voice, “The four brothers of the Yan family are really nothing good.”

After the pavilion master gave up, Yan Shanhe couldn’t help but sneer.

“What? The Mighty Divine Alchemist Pavilion only has this little strength? You’re giving up after three billion?”

“Three billion is nothing to the Yan family,” Yan Shanhe said rather arrogantly.

The Pavilion Master kept silent and couldn't be bothered with Yan Shanhe.

Yan Shanhe stood up and said with a faint smile, “Ji Yuhong, if you are willing to apologize to the Yan family and admit defeat, we might consider forgiving you.”

However, the pavilion master still didn't say anything and even slightly closed his eyes.

Yan Shanhe snorted coldly and immediately walked up to the stage.

The auction of the Jingdu Martial Arts Association was different from other auctions.

They had a unique rule.

The items that were auctioned had to be paid on the spot to avoid unnecessary disputes.

Yan Shanhe walked straight to the stage. He took out a bank card and swiped it on the spot. There was no expression on his face, as if the three billion didn't hurt at all.

“Congratulations, Mr. Yan!” The host carefully picked up the seven-colored glass and said respectfully.

Yan Shanhe took the seven-colored glass, his face full of pride.

“Ji Yuhong, this seven-colored glass belongs to me,” Yan Shanhe shouted from far away.

The crowd burst into applause, and the pride on Yan Shanhe's face intensified.

“Boom!”

However, at this moment, a loud sound came from the main door!

This loud sound immediately gave everyone a fright!

Turning around, they saw that the main door had been blasted open. The two white-robed men who were responsible for guarding the door had their necks grabbed by a black-robed man.

The black-robed man waved his hand and directly threw the two black-robed men out.

“You two have been kidnapped,”Qin Yu said coldly.

His voice spread throughout the entire venue.

After a short silence, there was a burst of thunderous laughter!

“What did you say? We have been kidnapped? Kid, do you know where we are?”

“Kidnapped us in the territory of the Jingdu Martial Arts Association? Are you crazy?”

“Where did this lunatic come from? !”

They could not stop laughing. They simply could not believe that someone would dare to come to the JINGDU martial arts association's auction and Rob Them!

Qin Yu coldly glanced at them and said, “This matter has nothing to do with you. I only want the things from the Jingdu Martial Arts Association.”

“Hahahaha!”

The laughter at the scene instantly became even more joyous.

“Is this some new program?”

“I reckon that the JINGDU martial arts association specially invited them to liven up the atmosphere?”

“Want the things from the Jingdu Martial Arts Association? You think too much!”

Qin Yu’s body burst out with a cold killing intent in the face of everyone’s snickering.

Then, a scarlet long sword suddenly appeared in his palm!

With a wave of the long sword, a terrifying sword light instantly split the stage in half!

A loud sound entered everyone’s ears.

“I’ll say it again. You’ve been kidnapped,” Qin Yu said coldly.

At this moment, they realized that the black-robed man was not joking at all!

“It’s him, the black-robed man!” Someone seemed to have thought of something!

“The black robe, the scarlet longsword... it’s him, the black-robed man!”

“The black-robed man who killed nine super experts of the Jingdu Martial Arts Association? !”

The scene immediately became a mess. Everyone was chattering and fleeing in all directions!

Qin Yu glanced at them and then waved his hand. A golden barrier directly blocked the door!

“No one is allowed to leave until I’m done,”Qin Yu said coldly.

“Black-robed man... We were looking for you. I didn’t expect you to dare to come to our door!”The white-robed men quickly erupted and rushed toward Qin Yu in unison!

Qin Yu’s expression was ice-cold. He waved the longsword in his hand, and several white-robed bodies were directly cut in half at the waist! The scene was filled with the stench of blood!

“Ah! ! !”Some people in the scene were so frightened that they screamed repeatedly. There were even people hiding under the tables!

Qin Yu ignored the crowd and walked straight towards the stage.

At this moment, Yan Shanhe was still standing on the stage that had been split into two halves.

He held the rainbow colored glass with both hands, looking extremely embarrassed.

Qin Yu walked quickly to the stage. He glanced at Yan Shanhe and said, “Give me the thing.”

Yan Shanhe frowned slightly and tried his best to remain calm as he said, “Black-robed man, I Am Yan Shanhe of the Yan family. I have already bought this thing. I have already paid the money.”

“Then you can only blame your bad luck,”Qin Yu said coldly.

Yan Shanhe said somewhat unwillingly, “Black-robed man, if you are willing to let this go, My Yan family owes you a favor.”

Hearing this, Qin Yu could not help but laugh coldly.

Yan Shanhe thought that Qin Yu had been persuaded. He struck while the iron was hot and said, “If one day you are captured by the Jingdu Martial Arts Association, I Can Promise You That I can save your life and even let you join our Yan family!”

“I’ll add your mother!”Qin Yu directly waved his hand and sent Yan Shanhe flying with a slap!

The seven-colored glazed tile also fell into Qin Yu’s hand.

This slap made Yan Shanhe’s face bleed. Although Qin Yu withdrew his strength, Yan Shanhe was just an ordinary person and could not withstand this enormous force.

Everyone present was instantly silenced.

Even Yan Shanhe did not have face, let alone them?

Qin Yu put away the seven-colored glass and then said coldly, “Put back all the items that you have won.”

After saying that, Qin Yu looked at the host and said coldly, "Hand over all the auction items to me."

The host's lips kept trembling and he quickly nodded.

"Black-robed man, how Dare You?"

At this moment, an extremely powerful internal Qi was emitted.

Turning his head, he saw Yan Guiyi walking out.

Two black-gold robes followed him.

Chapter 635: Chapter 635, another battle with Yan Guiyi!

The three of them were all in the middle stage of the Marquis of Internal Qi!

Even though Yan Guiyi only had one arm left, his aura did not diminish.

Looking at Yan Guiyi in front of him, Qin Yu suddenly felt a strong killing intent in his heart!

"Yan Guiyi..."Qin Yu muttered the name in a low voice.

Then, the sword in his hand buzzed, and the blood-red internal Qi became denser.

"Black-robed man, are you stupid? There are so many people in the Jingdu Martial Arts Association, and you still dare to come to the auction to die,"Yan Guiyi said coldly.

“No one has dared to provoke our Jingdu martial arts association like this,” the black-gold-robed man next to him sneered.

Qin Yu narrowed his eyes slightly and sneered, “I want this thing today.”

“Oh? You have such big words,” Yan Guiyi said with narrowed eyes.

“Don’t think I don’t know who you are!”

Hearing this, Qin Yu’s heart tightened.

Could it be... that he had been exposed?

“Ancestor Guan, do you think you can hide the stench on your body by hiding in the Black Robe?” Just when Qin Yu was panicking, Yan Guiyi suddenly sneered.

Hearing this, Qin Yu couldn’t help but heave a sigh of relief.

What ancestor Guan? Qin Yu had never heard of him.

“Guan Zu, are you coming with us, or shall we kill you on the spot?” Yan Guiyi said with a cold smile.

The long sword in Qin Yu’s hand trembled slightly. He was actually somewhat looking forward to it!

“I wonder if the bronze sword can break his black-gold armor,” Qin Yu thought to himself.

As long as he didn’t have the protection of the black-gold armor, Yan Guiyi was not worth mentioning at all!

Sensing the killing intent from Qin Yu, Yan Guiyi could not help but snort, “It seems that you made the wrong choice!”

As he spoke, his internal Qi began to climb rapidly, and a black-gold light surrounded his body!

Qin Yu’s face was cold. He shook the longsword in his hand, and a stream of spiritual power was injected into it.

At this moment, the bronze sword seemed to have become Qin Yu’s right-hand man!

“I originally only wanted to snatch the thing, but I didn’t expect to have an unexpected harvest,” Qin Yu said coldly.

“I’ll take the lives of you three bastards!”

As he spoke, Qin Yu’s figure suddenly shot up, and his sword slashed down from the sky!

Yan Guiyi snorted coldly. He immediately raised one hand, and a black and gold light condensed in his hand, and fiercely collided with Qin Yu’s bronze sword!

“Buzz!”

The entire venue suddenly erupted with a burst of dazzling light!

Countless people were sent flying by this internal Qi, and the venue became even more chaotic!

The bronze sword directly penetrated the black-gold light and shook on Yan Guiyi’s palm!

Yan Guiyi felt waves of soreness on his palm, and a white scar appeared on his black-gold Armor!

This made Yan Guiyi's expression change slightly. He glanced at the two people beside him and said coldly, "Let's attack together and kill him!"

The two people didn't say anything and Strode forward!

They were, after all, in the middle stage of the Marquis realm, and their strength couldn't be underestimated. Even Qin Yu didn't dare to neglect them.

Qin Yu held the bronze sword in his hand and slashed out a sword ray in the air!

"Swoosh!"

The sword ray was several feet long and slashed towards the three of them!

The three of them immediately activated their spells and a huge hand appeared in front of them!

This huge hand actually grabbed Qin Yu's bronze sword!

The three of them seemed to be able to use the same spell and their strength suddenly increased explosively!

"Boom!"

At this moment, a huge hand condensed above the three of them!

The huge hand clenched into a fist and smashed directly at Qin Yu!

Qin Yu could not Dodge in time and was instantly hit in the chest, sending his body flying out!

“You don’t know Death!”Yan Guiyi said coldly.

The three people walked over together. Above their heads, there were two huge hands.

This technique was inherited from the Jingdu Martial Arts Association. Only three people could use it!

Qin Yu climbed up from the ground and looked coldly at the three people in front of him. He could not help but frown slightly.

“This is not a place to stay for long. I have to finish this battle as soon as possible,”Qin Yu thought to himself.

Thinking of this, he took a few steps back and held his sword with both hands. The first cut of the nine Tai Qing slashes was formed!

“Buzz!”

A terrifying sword light rose from the bronze sword. The bright light almost made people unable to open their eyes!

Yan Guiyi’s expression changed slightly and he said coldly, “This technique is not simple. Be careful!”

Then, the three of them worked together to activate the big hand!

The big hand held up both hands, intending to resist the sword light!

“Hiss!”

The Taiqing nine slashes were all-conquering, and the sharp sword light slashed directly at the two big hands!

The two big hands that were formed were actually slashed apart the moment they touched! They couldn't even block the sword light by half a step!

“Not good!” Yan Guiyi's expression changed drastically, but the sword light was already falling toward the three of them!

“Boom!”

The ground beneath the three of them was shattered! The smoke and dust blocked everyone's line of sight at this moment!

“Nine slashes of supreme purity?”

Below the stage, the pavilion master seemed to have seen through this technique.

“Could it be that the black-robed man is Qin Yu?” The pavilion master frowned slightly.

Above them, Qin Yu looked coldly in the direction of the three people.

As the dust settled, they saw a platinum shield in front of them!

This shield blocked the three people behind them, blocking the first slash of the nine Tai Qing slashes!

But even so, the white shield still left a mark!

“It actually survived.” Qin Yu sneered repeatedly.

The longsword in his hand swayed slightly, and an extremely terrifying internal Qi gathered on the bronze sword!

“If you can withstand the first strike, then what about the second strike?” Qin Yu asked coldly.

Sensing the terrifying internal Qi on the bronze sword, the three people’s expressions turned extremely ugly!

“Not good. This sword is probably several times stronger than the previous strike!” Yan Guiyi cried out in alarm!

The other two naturally felt this dangerous internal Qi as well!

Qin Yu said coldly, “Leave your dog lives.”

The sword light slowly condensed, and the second cut of the nine slashes of supreme purity took shape.

An extremely strong pressure made the three people’s faces suddenly change drastically!

Cold sweat flowed down their foreheads, and fear filled their brains!

Yan Guiyi gritted his teeth and reached out his hand to activate the black gold ball.

But it was only then that he remembered that the black gold ball had long disappeared!

“Go to hell!” At this moment, Qin Yu roared and the sword in his hand fell down fiercely!

The Sword Ray, which was several feet wide, almost covered the entire venue!

Everyone was impacted at this moment. Although they were not the target, they were still shaken until they vomited blood. Some ordinary people were even crushed into meat paste on the spot!

“Ah! !”

Under the Sword Light, a series of angry roars could be heard.

They activated their spells, and the white shield was above their heads!

“Buzz!”

However, this sword was too powerful. The white shield was directly cut into two! It fell straight down.

“Crack!”

The ground beneath their feet turned into ruins. A sword scar that was dozens of meters long slashed across the ground.

Half a second later, the Underground Sword Scar issued a series of loud sounds!

Chapter 636: Chapter 636, wreaking havoc in the venue!

Sword Qi erupted from the mark, and in an instant, the entire venue was almost split into two!

Qin Yu panted and looked coldly in the direction of the three people.

At this moment, something that shocked Qin Yu happened!

Yan Guiyi actually ran away!

The two black-gold robes were already lying on the ground on their last breaths, and Yan Guiyi had disappeared without a trace!

“He actually ran away?” Qin Yu’s expression turned cold, and then he couldn’t help but laugh mockingly.

“The people from the Jingdu martial arts association are really like that. They all like to leave their companions behind and run away by themselves.”

Qin Yu walked straight to the front of the two men.

They opened their mouths as if they wanted to beg for mercy, but Qin Yu didn’t give them a chance at all. He directly cut the two men into two halves with his sword.

Qin Yu knew very well that this was definitely not a place to stay for long.

Yan Guiyi had escaped. He would definitely go and get help.

Therefore, Qin Yu looked at the host who was almost peeing in fear and said coldly, “Where’s the auction item?”

The host pointed to the back with a trembling voice and said, “It’s... It’s in the back. Don’t kill me...”

“Take me there,” Qin Yu said coldly.

The host had long been scared out of his wits. How could he dare to say anything more? He hurriedly brought Qin Yu to the back.

All the way to the hiding place of the auction items, Qin Yu violently broke the lock on the door.

“It’s all here...”the host said with a trembling voice.

Qin Yu glanced at it and soon found a long sword.

This sword looked ordinary. It couldn’t even be compared to the bronze sword in his hand.

However, Qin Yu didn’t have time to think about it. He immediately took all the items in the auction.

At this moment, Yan Guiyi was holding a cell phone and notifying the Jingdu martial arts association.

“President, it’s not good. The black-robed man robbed our auction!”Yan Guiyi said through gritted teeth.

On the other end, Qu Xie immediately slapped the table and stood up, shouting angrily, “What did you say? !”

Yan Guiyi wiped the blood from the corner of his mouth and said, “Send someone to the venue immediately. We can’t let him escape!”

Qu Xie was furious. He said coldly, “Stall him! We can’t let him escape!”

After saying that, Qu Xie hung up the phone.

However, Yan Guiyi was worried. He knew that he was no match for the black-robed man when he went back.

However, he was the one in charge of this auction. Now that such a thing had happened, the higher-ups would definitely not let him off.

If he escaped now, it would be an even greater crime.

After thinking about it, Yan Guiyi gritted his teeth and turned around to walk towards the venue.

Inside the venue, Qin Yu kept all the auction items in his bag and was ready to leave.

He wore a black robe and strode towards the door.

After walking out of the venue, Qin Yu quickly discovered Yan Guiyi who was hiding in the dark.

His eyes looked towards the place where Yan Guiyi was hiding, and a murderous aura burst out.

Sensing the murderous aura from Qin Yu, Yan Guiyi's body immediately tensed up.

Qin Yu snorted coldly and turned to leave.

In a short time, Qin Yu could not take down Yan Guiyi, but the support of the Jingdu Martial Arts Association would probably arrive soon.

Therefore, Qin Yu finally gave up the idea of killing Yan Guiyi and turned around to leave.

Seeing this, Yan Guiyi also heaved a sigh of relief.

He hurriedly returned to the venue and quietly waited for Qu Xie's arrival.

Ten minutes later.

A number of cars stopped at the entrance.

As soon as the cars stopped, Qu Xie hurried into the venue.

There were at least eight black-gold robes beside him! Each of them was stronger than Yan Guiyi!

After entering the venue, Qu Xie saw wolves and corpses everywhere!

Not only were the warriors injured, but ordinary people were also affected!

Seeing this scene, Qu Xie flew into a rage, his anger rising from his heart!

“Black-robed man... This black-robed man is going too far!” Qu Xie opened his eyes wide and raised his head to ROAR!

This auction was an event for the entire society of the Jingdu Martial Arts Association!

Now that the black-robed man had caused such a ruckus, it was simply a slap to the face of the Jingdu Martial Arts Association! He would even be punished by the higher-ups!

“Yan Guiyi! where is he? !” Qu Xie shouted furiously.

Yan Guiyi gritted his teeth and said, “I'm not his match. I let him escape...”

Qu Xie grabbed Yan Guiyi's collar and said angrily, "Didn't I tell you to keep an eye on him?!"

Yan Guiyi frowned and said, "I tried to stop him, but... but I was no match for him. Two of our companions died under his sword..."

"You didn't stop him at all, did you? I clearly saw you leave your companions behind and run away." At this time, the pavilion master in the Hall added fuel to the fire.

Hearing this, Yan Guiyi's expression immediately changed!

"Don't talk nonsense!" Yan Guiyi said angrily.

"The Pavilion Master is right. We saw it too." Someone next to him snorted.

"That black-robed man killed two of your companions, but you ran out of the venue early and put our lives at risk. Is this how the Jingdu Martial Arts Association does things?" An injured ordinary wealthy man snorted.

For a moment, everyone pointed their fingers at Yan Guiyi.

Qu Xie's face was even uglier!

He took a deep breath and explained patiently, "Everyone, this accident was just an accident. I will definitely give everyone an explanation."

"Humph, President Qu, I hope you will keep your word."

President Qu bowed slightly and said, "Everyone, go to the hospital first."

After sending everyone away, Qu Xie's face finally darkened.

“Yan Guiyi, you coward!” Qu Xie said coldly.

Yan Guiyi's face turned cold, and then he gritted his teeth and said, “Who isn't afraid of Death? I've already lost an arm for the Jingdu Martial Arts Association, and the Jingdu Martial Arts Association didn't seem to give me any reward!”

Qu Xie turned cold, then he frowned and said, “Yan Guiyi, are you crazy?”

Yan Guiyi snorted and said, “Qu Xie, am I not telling the truth?”

“How many people in the prison were captured by me all these years? What benefits did I get?”

“I've applied for the bloodline power many times this time, but all of you rejected it. Now You Want Me to Die?”

Qu Xie opened his mouth, but he was speechless.

Although he was the president, his real power was not in his hands, but in the hands of the higher-ups.

This was why Yan Guiyi dared to blame Qu Xie.

“Let's deal with the accident first and think about how to explain it to the others,” someone said.

Qu Xie took a deep breath and said coldly, “We must catch this black-robed man no matter what! No matter what the price!”

...

At this moment, Qin Yu had already fled back to the civilian house.

As soon as he entered the house, Qin Yu saw that the mustached man was sitting several meters away from the coffin. He stared at the coffin without blinking, as if he was afraid that the coffin would make any strange movements.

“I’ve brought the things back for you.. It’s time for you to tell me how to activate the two male corpses,”said Qin Yu.

Chapter 637: Chapter 637, the method to activate the male corpse!

Hearing Qin Yu’s voice, the Mustache Man was so frightened that he jumped ten feet high.

He stared at him and said, “Why are you like a Ghost? You Can’t even make a sound!”

Qin Yu rolled his eyes and said, “It’s because you were too engrossed in looking at it. I really don’t understand. Is this coffin that scary?”

The Mustache Man waved his hand impatiently and said, “She... forget it. You won’t understand even if I tell you. Where are the things?”

Qin Yu didn’t waste any more time. He immediately activated his spatial artifact and released all the items he had snatched from the auction.

Thirty treasures were placed neatly here.

The worldly antiques and cultural relics were thrown to the side by the moustache man.

His eyes quickly locked onto the sword and he excitedly grabbed it in his hand.

“That’s it!”The moustache man said excitedly.

He held the sword and danced excitedly, his eyes shining with a strange light.

Qin Yu muttered, “This sword looks ordinary, and it doesn’t seem like a treasure. Why are you so excited?”

The handlebar mustache stroked the sword and said excitedly, “Indeed, this sword is nothing. Otherwise, the Jingdu Martial Arts Association wouldn’t have let him out.”

At this point, the moustache man paused.

He put away the sword and then said with a faint smile, “But if this sword is in my hands, then it’s different.”

“What do you mean?”Qin Yu asked, puzzled.

The moustache man stroked his chin and thought for a moment, then waved his hand and said, “Forget it, forget it. Let me tell you.”

“There are four swords in total. They are called the four swords of immortal execution. They are the weapons of an important figure.”

“As for who that important figure is, you won’t know even if I tell you. In any case, he is an extremely powerful figure from many years ago.”

Hearing the words of the handlebar mustache, Qin Yu became more and more curious about him.

This handlebar mustache seemed to know everything, and he also knew a lot of things from many years ago.

“Important figure:”Qin Yu Thought for a moment.

Then, he looked at the handlebar mustache and said, “This master of the four swords of immortal execution and that masked woman, who is more powerful?”

When the masked woman was mentioned, the handlebar mustache’s expression became a little ugly.

He said impatiently, “Then how would I know? I have to let the two of them fight.”

Seeing this, Qin Yu didn’t ask anymore. Instead, he said seriously, “I have already given you the thing. You should tell me how to activate the two male corpses.”

The mustached man said with a smile, “Of course I can tell you, but only I can activate the method to activate the male corpses!”

Qin Yu was stunned and said unhappily, “What do you mean? Do you want to deny it?”

“No, no, no, I have no intention of denying it!”The mustached man hurriedly waved his hand.

“What I said is true. Only I can activate this spell.”

“As long as you bring the mask over, I have a way to make these two male corpses move!”

At this point, the mustached man chuckled and said, “Look, it’s not that I don’t want to help you, but the mask is not here.”

Qin Yu frowned slightly and could not make up his mind for a moment.

Although Qin Yu had been in a deep relationship with the mustached man during this period of time, in reality, Qin Yu did not know anything about the background of the mustached man.

No one knew if he could be trusted.

If he was an evil person, he would definitely be a danger to Xiao Yu.

“I can get the mask,” Qin Yu said coldly.

The Mustache Man waved his hand and said, “Alright, stop bragging. I’ve been looking for that mask for many years, but I still can’t find it.”

Qin Yu said in a deep voice, “I can really find the mask, but I’m sorry, I Can’t give it to you.”

When the mustached man saw Qin Yu’s serious face, his expression also changed slightly.

“You... Are You telling the truth?” The mustached man no longer had the slightest bit of amusement.

Qin Yu nodded and said, “Yes, but I said, I can’t give it to you.”

The mustached man frowned and said, “That mask is a holy object. If you really know where it is, even if it’s just a meeting, I’ll be satisfied.”

“Really?” Qin Yu asked.

“Really.”The moustache man nodded.

Although that was the case, Qin Yu was still a little worried.

After thinking for a while, Qin Yu looked at the moustache man and said,
“Give me one night to think about it.”

The moustache man touched his chin and said, “You still don’t believe me? I saved your life.”

“This thing isn’t mine, so I have to seriously consider it,”Qin Yu said.

“I’ll give you the news tomorrow morning.”

Seeing this, the moustache man could only spread his hands and say,
“Alright then, I won’t make things difficult for you.”

Qin Yu grunted and said no more.

He put away the treasures on the ground, turned around, and walked into the inner room.

At this time, the Jingdu martial arts association was in an uproar.

This matter had a great impact on the Jingdu Martial Arts Association! It was like slapping them in front of everyone!

“The most important thing now is to catch that black-robed man as soon as possible!”In the meeting, Qu Qu gritted her teeth and said.

“Well, as long as we catch the black-robed man, we can at least give an explanation.”The assistant nodded slightly.

“I’m afraid it won’t be long before the higher-ups come to hold us accountable.” Qu Xie sighed with a trace of worry on his face.

Speaking of the devil, he spoke.

At this moment, a man wearing a Chinese tunic walked in.

Upon seeing this person, everyone from the Jingdu Martial Arts Association stood up in unison.

“Big Secretary, you... Why are you here...” Qu Xie said with an unsightly expression.

The big secretary said coldly, “How do you Jingdu Martial Arts Association Do Things? Can’t you even do Security?”

Qu Xie hurriedly explained, “This... This is just a misunderstanding...”

“Misunderstanding?” The big secretary slapped the table.

“There are so many casualties this time, and you’re telling me it’s a misunderstanding?”

“Isn’t your Jingdu martial arts association known as the official of the martial arts world? Is this your result?”

Qu Xie opened his mouth, wanting to explain, but the big secret didn’t give him a chance at all.

“Many ordinary people were implicated in this matter. You’d better give me a reasonable explanation,” the big secret said coldly.

“Otherwise, your Jingdu Martial Arts Association should consider your future carefully.”

After saying this, the big secret turned around and left.

Although it was just a few words, it made Qu Xie and the others break out in cold sweat.

“It’s all that black-robed man’s fault...”Qu Xie’s body burst out with a murderous aura that quickly swept across the entire scene.

Xia hang hurriedly said, “President Qu, quickly follow my plan and get rid of this black-robed man.”

Qu Xie glanced at Xia hang and said, “Okay, you will be in charge of this matter. I will give you the authority to use the black-gold robe.”

“AH ? me ?”Xia hang’s expression suddenly became a little ugly.

If he stepped out, wouldn’t Qin Yu know that he was the one behind this ?

“Why ? Is there a problem ?”Qu Xie asked with a cold face.

Xia hang gritted his teeth and his mind spun rapidly.

“No Problem!”Xia hang braced himself and accepted it!

“As long as that Qin Yu is dead, even if he knows, what can he do!”Xia Hang said coldly in his heart.

Chapter 638: Chapter 638, Rage!

Xia hang had obtained the authority to mobilize the black gold robe. To him, this was an almost impossible thing.

Every Black Gold Robe's strength was above Xia Hang's, so their status was naturally much higher than his, the empty position of vice president.

However, Xia Hang knew in his heart that if he could get rid of Qin Yu this time, he would definitely be credited with a great merit, and he would be able to eliminate the potential danger.

...

Qin Yu sat in the courtyard the whole night without falling asleep.

He raised his head to look at the Moon hanging high in the sky and couldn't help but sigh slightly.

"What should I do..." Qin Yu couldn't help but mutter in a low voice.

If he told the matter of the mask to the handlebar mustache, with the handlebar mustache's experience, he would definitely be able to see the relationship between Xiao Yu and the masked woman.

If he hurt Xiao Yu, Qin Yu would definitely not be able to accept it.

But if he didn't do that, how could he save Yan Ruoxue?

The handlebar mustache looked trustworthy, but the premise was that the temptation of benefits was not big enough. As long as the benefits reached a certain level, no one could guarantee what would happen.

They sat like this for the whole night.

In the early morning, Qin Yu stood up and gritted his teeth, "Little Yu, I will try my best to protect you!"

For Yan Ruoxue's sake, Qin Yu had no other choice.

He turned around and went to the handlebar mustache's room, then knocked on the door.

After the door opened, the handlebar mustache rubbed his eyes and said, "What are you doing? I haven't woken up yet."

Qin Yu said, "Didn't you want to know the whereabouts of the mask? I can tell you."

"Really?" The mustached man's eyes lit up and he immediately became clear-headed.

Qin Yu nodded and said, "But you have to tell me how to activate this male corpse."

The mustached man waved his hand and said, "Aiya, I said that only I can use this spell. As long as you bring the mask, I will definitely be able to satisfy you."

Qin Yu narrowed his eyes and said, "Let me ask you, to activate this male corpse... does it require a certain amount of preparation?"

The mustached man was stunned and muttered, "How do you know?"

Qin Yu rolled his eyes and said, "Every thing you do requires a large amount of preparation. and activating the male corpse is not an easy task, so naturally, you need to prepare."

The mustached man muttered, "Indeed, and I need a certain amount of materials. I don't have these materials at the moment."

"Okay." Qin Yu nodded.

“When you have gathered the materials and are ready, I will take you to see the mask,” said Qin Yu.

Hearing this, the moustache man immediately became anxious. He grabbed Qin Yu and said, “Don’t. Take Me to see the mask first, even if it’s just a glance!”

“No.” Qin Yu’s tone was not negotiable.

“If you have the time, you’d better hurry up and prepare the materials.”

The mustached man scratched his ears and cheeks anxiously, but he couldn’t do anything to Qin Yu.

“Okay, I’ll agree to it.” In the end, the mustached man could only compromise.

“But you can’t Fool Me. These materials require a lot of effort,” the mustached man reminded him.

“Don’t worry, I’m more anxious than you.” Qin Yu glanced at him and said.

At this point, Qin Yu asked, “How much time does this material need?”

The handlebar mustache thought for a moment and said, “At least a month, at most half a year. In short, I’ll do it as soon as possible.”

“It’ll take longer than I thought,” Qin Yu thought to himself.

However, this was the fastest way to challenge the Jingdu Martial Arts Association.

If Qin Yu relied on himself, he would have to become a martial saint, at least at the peak of the Martial Marquis realm.

However, it was almost impossible for him to reach the martial saint realm within a short period of time.

“Then go and prepare as soon as possible. I’ll wait for you,” Qin Yu said.

The handlebar mustache did not hesitate and set off on the same day to search for materials.

After he left, Qin Yu took out his phone and opened the martial arts forum.

As expected, the forum was already in an uproar.

Although the JINGDU martial arts association had tried all means to suppress the news, the impact of this matter was too great. It was already beyond the control of the Jingdu Martial Arts Association.

“Who is this black-robed man? He can actually make the Jingdu martial arts association suffer such a great loss!”

“After so many years, no one has dared to rob them.”

“Even Qin Yu back then could not do such a thing.”

“It is said that this person is Guan zu! That old top martial marquis!”

“Mm, it is said that Guan zu’s seniority is even older than Jiang he. If it is him, then it is not surprising.”

“He robbed the auction, killed three black-gold-robed men, and then left. TSK, TSK, how terrifying.”

For a moment, the words “Black-robed man” became synonymous with mystery.

Naturally, the Jingdu Martial Arts Association lost all face.

...

Jingdu, at a certain golf course.

Today, a few young masters from aristocratic families seemed to be gathering here.

“Have you heard? That black-robed man killed two black-gold robes. If it wasn't for Yan Guiyi's quick escape, I'm afraid he would have died under his blade,” Chu Heng said in a deep voice.

Xiao Yuan smiled slightly and said, “This news is probably known by everyone. It's hard not to know.”

“Who exactly is this person? He actually has such heaven-defying strength. Could it really be that Guan Zu?” Zhuang Teng said with a frown.

Yao Meng, who had been silent the whole time, shook her head and said, “I don't think it's Guan Zu. There's no need for Guan zu to do that.”

“If it's not Guan Zu, who else could it be? It Can't Be Jiang He, right?” Everyone laughed.

“Sigh, I heard that anyone who gets a bloodline from the Jingdu martial arts association will become his prey. This makes us all afraid to go.” Chu Heng sighed.

These people were all on the list. It was originally a good thing, but they didn't dare to go unless the black-robed man died.

Even though they were the top young masters in Jingdu, they only had one life.

“Yeah, if we meet that black-robed man, we... probably won't have a chance to escape,”Zhuang Teng also sighed.

“There's always someone better than us. I was quite self-sufficient originally,”someone said self-mockingly.

At this moment, Kong Yun coldly snorted. “There's no need to belittle yourself. That black-robed man has lived for who knows how many years. If he was as old as us, he definitely wouldn't be a match for us.”

“That's true. Brother Kong is right.”

“That black-robed man has cultivated for who knows how many years. He merely used time to exchange for space.”

Kong Yun's words clearly received everyone's approval.

...

Another day passed, and the Jingdu Martial Arts Association's operation officially began.

In the association's Office, a total of eight black-gold robes stood in front of Xia Hang.

These eight black-gold robes were all in the middle stage of the Martial Marquis Realm.

Not only that, they had also prepared several kinds of spiritual artifacts!

“Has the scene been prepared?” Xia hang swept his gaze across the crowd and asked.

“En, we have long set up an inescapable net. As long as he dares to appear, he will die without a doubt!” One of the black-gold robes said.

Xia hang took a deep breath, then stood up and said, “I will go ask President Qu for the martial saint’s weapon! I promise to kill him at the first opportunity!”

Chapter 639: Chapter 639, disaster!

Use the martial saint weapon!

Hearing this, the black-gold robes could not help but look at each other.

One had to know that the Jingdu martial arts association had not used the martial saint weapon for many years.

Even the last time, Qin Yu, the Jingdu Martial Arts Association had not used the martial saint weapon!

“Is there a need for that? We have made so many preparations, why do we need to use the martial saint weapon?” Someone said coldly.

“The few of us are enough to kill that black-robed man. The key question now is whether he will appear.”

“Martial saint weapon... that’s not a small matter.”

Xia hang said coldly, “You guys don’t know how terrifying this black-robed man is!”

“How terrifying can he be? Do you think he can defeat the eight of us?” Someone sneered.

“Vice president Xia, don’t tell me you think the risk level of this black-robed man is the same as Qin Yu’s?”

“Although the strength of this black-robed man is far above Qin Yu’s, the risk level is far lower than Qin Yu’s.”

“After all, Qin Yu is too young. We are worried about his future growth, but this black-robed man has clearly reached a bottleneck. He can’t pose much of a threat to the Jingdu Martial Arts Association.”

Xia hang slammed the table and stood up. He opened his mouth and was about to say that Qin Yu was the black-robed man.

But in the end, Xia hang held back.

He took a deep breath and said, “In any case, I will apply. Please do your jobs well.”

The few of them snorted and did not say anything. They turned around and walked out.

Xia hang took a deep breath, his face gloomy and uncertain.

To Xia Hang, this was an adventure. Qin Yu Must Die!

If he did not die, then his daughter would be in danger! Therefore, there must not be any accidents!

Thus, Xia hang immediately got up and went to Qu Xie's office, and stated his purpose of coming.

After Qu Xie heard it, he could not help but sneer, "Xia Hang, are you crazy? Using the martial saint's weapon? What are you thinking about? Do you know what the martial saint's weapon means?"

Xia hang said anxiously, "President Qu, only by using a martial saint weapon can we guarantee to kill this Qin Yu! I..."

"Shut up!" Qu Xie shouted sternly and interrupted Xia hang.

"Xia Hang, it's already my limit that I can give you the authority to use the black gold robe! You still want the Martial Saint Weapon?"

"If you run away with the martial saint weapon, who will be responsible? Do you know what a martial saint weapon means?"

Xia hang gritted his teeth. He had an impulse to tell Qu Xie that Qin Yu was the black-robed man.

But in the end, Xia hang gave up on this idea.

Xia hang did not know Qin Yu's methods at all. He was very afraid that after he exposed Qin Yu's identity, the pill would automatically take effect.

"Xia Hang, you have to do this well for me, understand?" Qu Xie said coldly.

Xia hang nodded and said in a low voice, "President Qu, I understand..."

After leaving the Jingdu martial arts association, Xia Hang began to arrange the relevant work.

They had specially set up an academy, and this academy was used to activate the bloodline.

Originally, this academy was going to be put on the agenda very soon, but because Qin Yu had snatched the auction, this matter was put off again and again.

“As long as we release the news about this academy, that Qin Yu will definitely come.” Xia hang took a deep breath.

They had long set up an inescapable net near the academy. As long as Qin Yu dared to appear, even if he had wings, he wouldn't be able to escape!

...

At this moment, Qin Yu was putting away his bedding and preparing to change places.

He put on his hat and left Jingdu that day, heading straight for Qinghe town.

At night.

Qin Yu held his breath and carefully walked into the divine medicine pavilion.

The reason he came to the divine medicine pavilion was to hand over the rainbow glass to the pavilion master.

Below the pavilion master.

Qin Yu's body was as light as a swallow as he arrived at the Pavilion Master's Building.

It was completely silent upstairs. The two apprentice alchemists who were serving the pavilion master had already fallen asleep.

At a glance, a large antique bed came into view.

A white curtain wrapped around the large bed. The gentle breeze caused the white curtain to sway slightly.

Qin Yu walked straight to the side of the bed. He opened his mouth and was about to speak when he saw a scene that he should not have seen.

He saw the pavilion master lying on the bed. She was naked and her snow-white body was clearly visible.

Even though she was not young, her body was like that of a young girl. Her skin was like cream and her hands were like soft hands.

Qin Yu's old face turned red. She quickly turned her face to the side and said softly, "Lord... Lord Pavilion Master..."

Although Qin Yu's voice was very soft, it still woke the Pavilion Master Up!

She opened her eyes and frowned slightly. Her expression was not too good!

But even so, the pavilion master still did not say anything. After all, she knew in her heart that the current Qin Yu could not be seen in public.

Hence, the pavilion master waved her hand and a long robe draped over her body.

“What did you see?”The pavilion master said coldly.

Qin Yu hurriedly waved her hand and said, “I didn’t see anything...”

The pavilion master frowned. She glanced at the medicine boy outside and then waved her hand. A stream of internal Qi landed on the faces of the two of them.

The two of them immediately fell into a deep sleep.

“Pavilion Master, I... I really didn’t see anything... The main thing is that I didn’t expect you to sleep naked...”Qin Yu said with some lack of confidence.

The Pavilion Master’s face turned cold and said coldly, “Don’t mention this topic again!”

Qin Yu hurriedly covered his mouth and nodded like a chick pecking at rice.

“Follow me.”The pavilion master stood up and turned around to walk towards a secret room.

The pavilion master waved his hand and a secret room appeared in front of the two of them.

“Go in.”The pavilion master said.

Qin Yu was the first to step in. The first thing that entered his sight was a huge tea table. Other than that, there were also many paintings and calligraphy hanging on it.

“During this period of time, you can hide here. No one will think that you are here.”The pavilion master said.

Qin Yu shook his head and said, "Pavilion Master, you have misunderstood. I am not here to escape."

The pavilion master asked doubtfully, "Then why are you here?"

Qin Yu's mind moved and he took out the seven-colored glazed tile.

He placed the seven-colored glazed tile on the table and said, "I am here to give you this."

Looking at the seven-colored glazed tile in front of him, the pavilion master sighed slightly and said, "That black-robed man... is indeed you."

Although she had long guessed it, she still had some doubts in her heart. Now, she had completely confirmed Qin Yu's identity.

"Qin Yu, do you know that you have caused trouble?" The pavilion master said in a deep voice.

Qin Yu nodded and said, "I know, but I have no other choice."

The pavilion master narrowed her eyes and said, "Then do you know that the person who is arresting you now is not only the JINGDU martial arts association! The authorities have also issued a warrant for your arrest!"

Chapter 640: Chapter 640 had finally taken the bait!

Of course, Qin Yu knew. After all, the impact of this matter was too great.

Most importantly, there were ordinary people involved.

“Lord Pavilion Master, I... have no other way,”Qin Yu said in a deep voice.

The pavilion master sighed. “Sometimes, don’t be too hasty in doing things. You’ve already done well enough, so why care about the moment?”

Hearing this, Qin Yu suddenly raised his head.

He gritted his teeth and said, “Pavilion Master, you don’t know what Ruoxue encountered in the Jingdu Martial Arts Association! These animals are drinking her blood all the time!”

“Now they even treat Yan Ruoxue as their own martial arts resources and use her to create some super powerhouse! They keep transferring the bloodline of Yan Ruoxue to others!”

“I can’t bear it! As long as I close my eyes, her painful expression will appear in front of me, torturing me all the time!”

“I want to kill all of them, all of them!”

Qin Yu’s emotions were agitated and his eyes were scarlet red. Even the pavilion master was somewhat shocked when he saw it.

“Qin Yu, you... you calm down first.”The pavilion master patted Qin Yu’s shoulder.

Qin Yu took a deep breath and tried his best to calm himself down.

“Pavilion Master, I’m sorry. I lost my composure,”Qin Yu said in a low voice.

The pavilion master shook her head. She didn't continue this topic. Instead, she asked in puzzlement, "Why do you want to snatch the auction? What's in it for you?"

Qin Yu opened his mouth. He originally wanted to tell the pavilion master about the male corpse.

But after thinking about it, he still didn't say it in the end.

"In short, it's useful to me," Qin Yu said.

Seeing this, the pavilion master didn't continue to ask.

"Qin Yu, you have to be careful. If you are captured..." the pavilion master didn't continue, but his intention was very obvious.

Qin Yu nodded and said, "Don't worry, I will be careful."

"Stay here for the next few days to avoid the limelight," the Pavilion Master said.

Qin Yu didn't refuse. He nodded and agreed.

That night, Qin Yu stayed in this secret room.

No one knew that Qin Yu would appear in the Divine Alchemist Pavilion. Even the pharmacists of the Divine Alchemist Pavilion knew nothing about it.

The next day.

Qin Yu took out the auction items that he had snatched from the auction.

Among these auction items, there were many precious herbs that were more than a thousand years old.

Qin Yu took advantage of these few days to start refining pills and devouring them.

In the blink of an eye, three days had passed, and Qin Yu had finished eating all the herbs.

However, these herbs could not help Qin Yu reach the intermediate stage of the Martial Marquis Realm. The higher he went, the more difficult it was for Qin Yu to cultivate, especially for him.

The amount of Qi/spiritual energy he needed to cultivate was ten times or even dozens of times that of others! Therefore, he needed a large amount of herbs!

This also caused Qin Yu to be unable to stop and rest.

Qin Yu sighed slightly. He took out his phone and opened the martial arts forum.

On the Forum, the top message was about the establishment of the academy by the Jingdu Martial Arts Association!

Qin Yu hurriedly opened this message and saw that it described the activation of the bloodline!

“Damn it!” Qin Yu immediately flew into a rage!

The Jingdu Martial Arts Association had actually established an academy. Was it going to suck Ruoxue’s blood dry! !

Not only that, this message also included Uncle Chen. There were already many students in the academy who had been baptized by the blood.

This made Qin Yu Burn with rage and anger!

“Jingdu Martial Arts Association...”Qin Yu could not calm down. He clenched his fists and then pushed open the door and walked out.

After pushing open the door, he bumped into the pavilion master.

The pavilion master frowned. “What’s Wrong?”

Qin Yu said, “Lord Pavilion Master, I’m going to Jingdu.”

“Go to Jingdu?”The pavilion master frowned slightly.

“Now they are all thinking of ways to catch you. Aren’t you sending yourself to death by going to Jingdu?”

Qin Yu said coldly, “I have to go.”

Although the pavilion master wanted to advise Qin Yu, she could see that Qin Yu had made up his mind to go.

Thus, she could only say, “Then be careful.”

Qin Yu grunted in gratitude. That day, he left Qinghe town and headed straight for Jingdu.

After arriving in Jingdu, Qin Yu was not in a hurry to act. Instead, he temporarily found a place to stay and looked up information about this academy.

After investigation, Qin Yu learned that this academy was named Jingdu Martial Arts Academy.

And the first batch of students were the inner members of Jingdu martial arts association, including the nine people who were killed by Qin Yu.

As for the second batch of students, they were the talented young masters of the various aristocratic families.

These young masters had yet to participate for the time being, and the exact time was yet to be determined.

“This academy... MUST NOT be established!” Qin Yu said through gritted teeth.

Once they were successfully established, it meant that Qin Yu would go against all the aristocratic families!

At that time, Qin Yu would definitely be in a passive position.

At night.

Qin Yu came to Xia Hang's home again.

When Xia Hang returned home, Qin Yu was playing with the building blocks with Xia Hang's daughter.

“Uncle, I still want to eat.” The little girl grabbed Qin Yu's arm and said.

Qin Yu smiled. He took out a lollipop as if he was performing a magic trick.

“This is the last lollipop. Eating too much is not good for your health.” Qin Yu handed the lollipop to the little girl.

“En!”The little girl nodded vigorously. She grabbed the lollipop and ran to the side.

Seeing this scene, Xia hang hurried over.

He said coldly, “Qin Yu, what did you let my daughter Eat!”

Qin Yu glanced at him and said, “Don’t be nervous. It’s just an ordinary lollipop. I bought it from a small store.”

Even though that was the case, Xia hang was obviously worried.

Qin Yu snorted and said, “Before you betray me, I Won’t do anything to a child. After all, I’m not a beast of your Jingdu martial arts. I haven’t lost my humanity yet.”

Xia hang’s expression was a bit ugly. He tried his best to calm down and said, “What are you doing here?”

Qin Yu said coldly, “Jingdu Martial Arts Academy has a few members now.”

Hearing this, Xia Hang’s heart immediately rejoiced.

However, he still pretended to be cold and said, “Three. Why?”

“Nothing much.”Qin Yu stood up and said.

“Your Jingdu Martial Arts Association is really a bunch of bastards. In order to expand their own power, they don’t care about the safety of other people’s lives.”

Xia hang sneered, “Qin Yu, don’t be so childish. As long as the benefits are enough, a life is nothing.”

“Oh?” Qin Yu couldn’t help but sneer.

“Then how much do you plan to exchange for Your Daughter’s life?”

Hearing this, Xia hang immediately became furious, “Qin Yu, my daughter’s life is not worth anything!”

“Your Daughter’s life is life, but other people’s lives are not life?” Qin Yu said coldly.

Xia hang was stunned and had nothing to say.

Qin Yu didn’t continue to talk nonsense with Xia Hang. He turned around and prepared to leave.

“Wait!” At this time, Xia hang suddenly called out to Qin Yu.

Qin Yu glanced at him and said, “Why, do you still have something to do?”

“No.” Xia hang waved his hand again.

Qin Yu didn’t say anything. He turned around and left.

After Qin Yu left, Xia Hang took a deep breath. His eyes emitted a chill.

“Finally, you’ve taken the bait. Qin Yu, this time, you’re dead for sure!”

Chapter 641: Chapter 641, Qin Yu appeared!

Xia hang was waiting for him to fall into the trap!

As long as Qin Yu died, he could rest easy and even receive the reward from the Jingdu Martial Arts Association!

“No one in the world can threaten me.”Xia hang’s figure hid in the darkness and said coldly.

...

After Qin Yu left, he returned to the hotel.

He caressed the black robe in his hand and coldly said, “Tomorrow, I will let them all die in my hands.”

This so-called academy would also be destroyed!

However, at this moment, Qin Yu did not know that the JINGDU martial arts association had already set up an inescapable net.

The next day.

The vicinity of the Jingdu Martial Arts Academy was completely silent.

Martial Arts was originally a side sect, and very few people participated in it. Therefore, the location where this academy was set up was also relatively remote.

As far as the eye could see, there was no one there.

The surroundings were either lofty mountains or endless forests.

At this moment, there were eight men in black and gold robes hiding in the dark of the academy.

They stood at the commanding point and looked coldly at the entrance of the Academy.

“Is everything ready?” Xia hang asked coldly.

“En, there is no inescapable net here. As long as he comes, there is no way he can escape.”

“The eight of us have already used our magical artifacts to seal off this area. Even if he grows wings, there’s no way he can escape.”

Xia hang glanced at them and said coldly, “We must kill him at the first opportunity. We must not give him the slightest chance to catch his breath!”

“Don’t worry. If we can kill them, we naturally won’t choose to capture them alive,” someone said coldly.

Xia hang lit up a cigarette and took a deep breath.

His fingers trembled slightly, as if he was a little nervous.

Xia hang knew very well that this was a choice.

Between the Jingdu Martial Arts Association and Qin Yu, Xia Hang chose the Jingdu Martial Arts Association.

Xia Hang, who originally planned to be on both sides, changed his mind.

There was no other reason, it was just that Qin Yu was too unstable.

He had no respect for the strong. Such an unruly and unruly person would usually die halfway.

“I’ll leave the rest to you guys,”Xia Hang said coldly.

“What, you’re not going to show up?”Someone beside him asked.

Xia hang said self-deprecatingly, “With my strength, I won’t be of much help.”

“I’ll wait for Your Good News.”

After saying this, Xia hang turned his head and left.

Time flew by.

The surroundings of the Academy were still silent.

Qin Yu’s figure did not appear for a long time.

They waited from early morning to evening, but Qin Yu still did not appear.

This could not help but make them suspicious.

“Hasn’t he arrived yet?”Xia hang walked over from the dark and asked in a deep voice.

The few of them looked at Xia hang coldly and said, “We still want to ask you. where is he? Didn’t you say that he would definitely come?”

Xia hang lit up a cigarette and took a deep puff. Then, he said, “Don’t worry, he will most likely come at night.”

“I hope so.”The few of them snorted.

The sky gradually darkened and turned from dark to bright again.

However, the black-robed man that they had been waiting for still did not come.

“Vice President Xia, are you kidding us?” The few of them were slightly unhappy.

Xia hang said angrily, “Do I have the mood to joke with you! I want to kill him more than any of you!”

“Then where is He!” These people did not give in and shouted angrily.

Xia hang frowned slightly, and he was also somewhat puzzled.

Could it be that... Qin Yu had given up?

Or perhaps, he had realized something?

“Let’s continue to wait, he will come sooner or later.” Xia hang said as he blew out a smoke ring.

“Continue waiting? How long will we have to wait? If he doesn’t come, won’t we have to wait for the rest of Our Lives?” The few of them said coldly.

Xia hang narrowed his eyes and said, “He will definitely come. It’s just a matter of time.”

“Also, since President Qu has given me the authority, you have to listen to me!”

“I am your superior now. If anyone dares to disobey my orders, I will definitely report it to President Qu.”

After saying this, Xia hang turned around and left.

After he left, a trace of mockery appeared on their faces.

To these black gold robes, they simply looked down on Xia hang.

Although Xia Hang was a vice president, everyone knew in their hearts that the purpose of his existence was for him to benefit from the outside world and build a good relationship with the various aristocratic families.

As for his strength, it was not even worth mentioning in front of these black-gold robes.

Time flew by.

In the blink of an eye, another day had passed, but the black-robed man still did not appear.

This made everyone even more anxious, and they even had the intention to leave.

At this time, Qin Yu had already found a second house to rent.

Although Qin Yu's anger was hard to calm down, he was not a rash person.

Qin Yu was somewhat wary of Xia Hang.

Therefore, he was not in a hurry to head to the Martial Arts Academy. Instead, he planned to wait and let the bullets fly for a while.

Qin Yu's thoughts were naturally fine, but Xia hang was not a fool.

As someone who often interacted with the various aristocratic families, he naturally had a deep grasp of the hearts of people.

In the next few days, Qin Yu did not have any intention of heading to the Martial Arts Academy.

A few black gold robes suggested that they continue to release the news to agitate Qin Yu. However, this idea was immediately rejected by Xia Hang.

“Absolutely not. Don’t move at all. Just wait here.” Xia Hang said while smoking.

“Xia Hang, I think you’re playing with us. If he doesn’t come, you won’t Do Anything?” Someone said coldly.

Xia hang glanced at him and snorted, “What a bunch of idiots with strong limbs and Simple Minds!”

“What did you say?” The few of them narrowed their eyes and revealed a trace of killing intent.

Xia hang was fearless and sneered, “If we release the News Now, don’t you think it’s too deliberate?”

“The reason why Qin... The black-robed man didn’t show up, it means that he suspects that we have a trap.”

“Once we release the news now, even a fool can see that we are deliberately luring him here.”

These few words instantly rendered the eight black-gold-robed men speechless.

“Alright, then I’ll wait for him for another three days! If he doesn’t come in three days, we’ll go and explain the situation to President Qu,” the few of them said coldly.

Xia hang remained silent. He stood at a high place and whispered, “It seems that this Qin Yu isn’t a reckless man. I underestimated him.”

Another two days passed, and Qin Yu still did not come.

This made the black and gold robes lose their patience completely.

They looked coldly at Xia hang and said, “Xia hang, even though what you said makes sense, we will not continue to wait. Time is very precious to us.”

After saying this, the few of them turned around and were about to leave.

Xia hang was anxious, but there was nothing he could do.

However, at this moment, a black shadow appeared not far away.

He was walking towards the entrance of the martial arts academy.

“He’s Here!” Xia hang hurriedly stopped everyone!

Looking down, he saw that the black-robed man was walking over!

“He’s finally here..” The eight people’s expressions turned cold, and a strong killing intent burst out from their eyes.

Chapter 642: Chapter 642, fighting against the eight black-gold robes!

At this moment, Qin Yu was walking towards the martial arts academy step by step.

He did not know that there was an ambush waiting for his arrival.

Very soon, Qin Yu arrived at the entrance of the martial arts academy.

He released his spiritual sense, trying to investigate something.

“HM?”

Very soon, Qin Yu felt several powerful internal Qi!

“Eight intermediate stage martial marquises?” Qin Yu frowned slightly.

Before he could react, these eight black-gold robes had already arrived!

They hovered in eight different directions and looked at Qin Yu coldly.

“Black-robed man, today is the Day You Die!” A chill burst out from the eight people.

The Aura on their bodies was extremely strong, and it could not help but make people feel a chill in their hearts!

Qin Yu’s expression changed slightly, and he could not help but clench his fists.

“Even though I was so cautious, I still fell for it...” Qin Yu quickly understood.

He swept his gaze over these eight people, and quickly made a judgment in his heart.

The strength of these eight people was not inferior to Yan Guiyi, and was even above Yan Guiyi!

Most importantly, they had made sufficient preparations to specifically target Qin Yue!

“Not good,” Qin Yu thought to himself.

Qin Yu might have the strength to fight against eight intermediate stage martial marquises.

However, since they had set up an ambush, they must have made thorough preparations!

“I must think of a way to retreat quickly,” Qin Yu thought to himself.

“Black-robed man, surrender. We can leave a complete corpse for you,” someone in the air said coldly.

Qin Yu didn't say a word. His palm shook, and he held the scarlet bronze sword in his hand!

Then, Qin Yu directly slashed at them.

A blood-red sword light was about to cut through the air. It carried a sharp sword power and rippled.

“Clang!”

However, the other party only raised his hand slightly to block this attack!

“If we weren't prepared, how would we dare to wait for you here?” They said coldly.

Qin Yu focused his eyes and saw that his hand was wrapped in a black-gold glove.

Obviously, this fist was also made of black-gold Stone!

Qin Yu secretly felt that things were not good. He took a deep breath and gathered his spiritual energy on his legs.

In the next second, Qin Yu's body flashed explosively, trying to find an opening to escape!

But at this moment, a golden light suddenly flashed in the sky!

A magic tool was suspended in the air, and it emitted waves of golden light!

The light formed a circle and blocked Qin Yu's path!

"Do you think you can still escape? !" A fierce shout entered Qin Yu's ears!

Qin Yu's expression changed slightly. It would not be so easy to escape today.

The black-gold robe of the Jingdu martial arts association was divided into groups.

Each group had an extremely strong ability to cooperate.

Moreover, the more people there were, the stronger they would be.

This was a group of eight people. Their strength was definitely above Yan Guiyi's three-person group!

“Surrender!” A shout came like a lightning strike!

Qin Yu felt his eyes lose focus and almost fell to the ground!

“His voice contains a spiritual attack!” Qin Yu’s expression changed slightly!

At the moment he went blank, a beam of light shot out from the ground and directly sent Qin Yu flying!

“Swish! Swish! Swish!”

Before Qin Yu could get up, several beams of light like vines drilled out from the ground and bound Qin Yu’s entire body!

Qin Yu’s expression changed. He tried to break out of this restraint, but he realized that these lights were both hard and soft. As long as Qin Yu exerted his strength, he would be tightly bound!

“It’s useless,” someone in the air said coldly.

“We’ve been waiting for you here for several days. How could we not be prepared?”

Qin Yu narrowed his eyes and said coldly, “If I’m not wrong, the organizer of this operation... is Xia Hang, right?”

“It has nothing to do with you. You just need to know that you will definitely die today,” they replied coldly.

Qin Yu frowned. He tried to wave the bronze sword, but found that his wrist was tied up and he couldn’t move at all.

“Swish!”

At this moment, a sharp magic weapon shot toward Qin Yu!

This sharp blade was extremely vicious and was aimed directly at Qin Yu's glabella!

Qin Yu's expression changed. He did not dare to be negligent and quickly activated the holy body technique to protect his body!

A Ray of golden light lit up from Qin Yu's body, and the area between Qin Yu's glabella became even more resplendent!

“Clang!”

The sharp blade shot onto this golden light, causing a loud sound to ring out!

“Oh? Golden Light? Interesting.” Seeing this scene, those people could not help but be a little surprised.

“I remember that Qin Yu... is also covered in golden light. This kid can't be related to Qin Yu, right?”

Qin Yu's expression became a little ugly. He knew very well that once he used the sacred body technique, there was a very high possibility of being exposed!

However, Qin Yu had no other way at the moment. If he did not use the sacred body technique, he would definitely die!

“Stop talking nonsense. Just kill him directly.” The few people looked at each other and said coldly.

They didn't say anything more and walked towards Qin Yu with big steps.

However, at this moment, a golden light suddenly burst out from Qin Yu's body!

A terrifying internal Qi instantly burst out!

“Bang!”

The light surrounding Qin Yu was directly shattered!

Qin Yu left the silence. He waved his big hand and held the bronze sword again. He raised his hand and slashed out with the Tai Qing nine slashes!

“Buzz!”

A terrifying sword light rose up. Qin Yu held the sword with both hands and slashed down ruthlessly!

“You don't know Death!”The few of them snorted. The eight of them activated their spells at the same time. In an instant, a huge circular plate condensed in the sky above them!

What was horrifying was that this circular plate actually swallowed the sword light directly!

“I'll return it to you!”They snorted coldly. Then, they pushed with both hands. The sword light actually erupted from the circular plate and slashed toward Qin Yu!

Qin Yu's expression changed. He hurriedly held the bronze sword horizontally in front of him!

“Clang!”

At the instant of the collision, a loud explosion sounded out!

Even though Qin Yu used the bronze sword to block it, the terrifying power still sent Qin Yu flying dozens of steps!

“What kind of spell is this?” Qin Yu looked at the circular plate in their hands and his expression couldn’t help but change.

At this moment, the huge circular plate turned into eight small circular plates, hanging in each person’s palm.

“There are also spells, just use them,” the few people said coldly.

Qin Yu frowned and said in a low voice, “That disk seems to be a magic tool... it can swallow my spiritual power.”

The essence of this sword light was still formed by Qin Yu’s spiritual power.

In other words, the bronze sword was a vessel, used to carry the spiritual power of the person holding the sword.

And the higher the level of this vessel, the greater the power it would unleash.

Therefore, a true master of swordsmanship had to rely on rich spiritual power or inner strength.

This was just Qin Yu’s guess, he didn’t know whether it was true or not.

Therefore, he immediately held his sword and slashed out a second time!

Chapter 643: Chapter 643, unparalleled physical body!

A streak of sword light slashed out once again!

The few of them used the same trick again. The disc lit up once again and swallowed the streak of Sword Light.

In the next second, the sword light erupted from the disc and slashed fiercely at Qin Yu!

“Clang!”

Qin Yu held the bronze sword in his hand and his body was once again sent flying.

“As expected.” Qin Yu’s expression was slightly unsightly.

It was very obvious that this round plate was specially used to deal with Qin Yu.

All the spells would be swallowed into it, and it would be returned with double the amount!

In other words, if Qin Yu continued to use the sword, he would not be able to hurt these people at all!

“All the spells would be swallowed, and then it would be returned with double the amount,” Qin Yu said coldly.

“In this case, I can only rely on my physical body.” Qin Yu frowned very tightly.

If he relied solely on his physical body, Qin Yu would not be afraid of these people at all.

Ever since he stepped into the rank four Martial Marquis Realm, Qin Yu's physical body had once again become tyrannical.

However, if that was the case, his identity would definitely be exposed!

“Chi la!”

Just as Qin Yu was hesitating, a hand knife slashed towards Qin Yu with a “Shua” sound.

With an extremely fast speed, it instantly tore apart Qin Yu's black robe!

Not only that, Qin Yu's body was also slashed with a meter long bloody scar!

The blood flowed down along the scar. Qin Yu lowered his head to look at his own body, his expression becoming colder and colder.

Raising his head to look, he saw that the palm was wrapped in black gold rock.

The black gold rock transformed into a sharp hand knife. With each palm strike, it could shatter mountains and rivers!

“Humph, all your sword techniques are not worth mentioning in front of us.” The few people sneered.

“Everything you have done to the JINGDU martial arts association, only death can calm your anger!”

Qin Yu gritted his teeth. He looked at these people coldly, and his heart faintly felt somewhat perturbed.

The bronze sword was no longer useful. If he slashed out a third time, not only would he not be able to hurt them, he would even lose his life!

Unless Qin Yu was able to use the fourth strike, using an unimaginable amount of spiritual power to directly shatter the circular magic tool!

However, this was simply impossible. No one could use the fourth strike at the early stage of the Marquis Realm!

“Kid, it’s time for you to pay the price!”

Accompanied by a loud shout, several people simultaneously activated their spells and attacked Qin Yu!

As the black-gold robes of the Jingdu martial arts association, they had countless spells in their hands!

The overwhelming spells blotted out the sky and covered the sun, making it impossible for Qin Yu to dodge them!

These spells were all reinforced by black-gold stones, and their power was incomparably powerful. Even Qin Yu’s physical body did not dare to take them head-on!

He hurriedly dodged, looking rather miserable.

However, these spells were densely packed, making it impossible for him to dodge them in time. Qin Yu’s physical body was constantly being smashed, and his body was continuously pushed back.

He only felt as if his internal organs had been hit, and fresh blood flowed out of his mouth continuously.

Wounds appeared on Qin Yu’s body one after another.

His black and gold robe was almost pulled back, and it hung on his body like strips of cloth.

“No... if this continues, I will definitely die here...”Qin Yu gritted his teeth.

Even if his body was made of iron, it would not be able to withstand this indiscriminate bombardment!

“I have to think of a way to escape this place as soon as possible.”Qin Yu raised his head and looked at the Golden Magic tool that was suspended in the air.

This magic tool was round, like a golden bowl.

Qin Yu took a deep breath. He held the bronze sword in his hand and then slashed out!

“Clang!”

However, the few black-gold robes quickly blocked the magic tool in front of the Golden Bowl, blocking this spell!

“HMPH, you want to destroy this magic item? In your dreams!”One of them snorted coldly.

Then, he directly took out the disc and covered the magic item on the Golden Bowl!

“Damn it...”Qin Yu wiped the blood from the corner of his mouth, and his expression couldn't help but turn ugly.

At this moment, Qin Yu couldn't help but think of the handlebar mustache.

If the handlebar mustache was there, there would definitely be a way. He had countless treasures in his hands, and he would definitely be able to think of a way to escape!

“Don’t put up a stubborn resistance. It’s useless. When you attack the Jingdu Martial Arts Association, you should have thought of the consequences,” the few people said coldly.

“Buzz!”

The few people raised their hands, and another spell came crashing over. It smashed into Qin Yu’s Dantian, sending Qin Yu flying dozens of meters!

“Hmph, I have to say, your strength is indeed not bad, but our Jingdu martial arts association has long formulated a plan to deal with you.”

“Anyone, in front of the Jingdu martial arts association, can only submit or die.”

Qin Yu wiped the blood at the corner of his mouth and said in a low voice, “As expected of the Jingdu Martial Arts Association. Treasures are really piling up one after another. These few magic tools... are really beyond imagination.”

“Hehe, this is just the tip of the iceberg. The Jingdu martial arts association controls the most luxurious martial arts resources in the world. No one can compare.” There was an unspeakable pride in their tone.

“The current you is just a fish in a jar, a fish in a chopping board!” They placed their hands behind their backs, and their black and gold robes shone brilliantly under the light.

Qin Yu held the bronze sword in his hand, and his expression became even more solemn.

His black robe was already soaked in blood, and it was almost tattered.

If this continued, he would definitely die!

“Alright, we’ve waited for so long. It’s time to reel in the net,” the few people said faintly.

One of them raised his palm, which was facing Qin Yu. It flickered with rays of black-gold light.

The light condensed in his palm, and an extremely powerful force rippled out.

Qin Yu focused his eyes and couldn’t help but say coldly, “Black-gold stone again!”

At the core of the light, there was actually a black-gold stone!

Its terrifying power was enough to destroy the world!

The rest of them lifted up the disks. Seven disks flickered in the air, ready to absorb Qin Yu’s sword light at any time!

Qin Yu stood up straight and looked at the sky coldly.

The black-gold stone that contained destructive power became more and more powerful in his palm!

A whirlwind blew around him, and the entire enemy seemed to be buzzing!

Anyone could see that the power of this technique was extraordinary!

“No matter who you are, it’s time for you to pay the price!”The few people said coldly.

In the next second, that palm suddenly pushed towards Qin Yu’s direction!

The black-golden light wrapped around the black-golden ball and shot towards Qin Yu explosively!

“I don’t care anymore!”Qin Yu gritted his teeth and said in a low voice.

At this moment, he did not care about whether or not his identity would be exposed!

The most important thing was to protect his life first!

Streams of golden light burst out from Qin Yu’s body! This golden light even covered Qin Yu’s black and gold robe!

The powerful light was even inferior to the round spiritual artifact hanging in the sky!

“Absolute beginning Holy Fist!”

The light on Qin Yu’s fist became brighter and brighter, and the terrifying power of his body began to burst out!

Chapter 644: Chapter 644, could it be that he was Qin Yu! !

Raising his head to look at the black-golden light, Qin Yu let out an angry roar. His fist immediately shone with a golden light as he met it head-on!

“HMPH, a sword master dares to use his physical body to fight. He’s simply courting death.”

Seeing this, the few of them could not help but sneer.

One had to know that usually, a sword master’s physical body was not that good. One could even call it his weakness!

However, they did not expect that the person under the Black Robe was Qin Yu!

“Clang!”

The moment the fist collided with the black-gold light, the entire ground was instantly filled with dense cracks!

Even the martial arts academy in the distance began to crumble!

Crushed Rocks shot out like bullets, and the sound of “Crackling crackling” could be heard continuously!

“Ah! !”

Qin Yu kept roaring. His veins bulged, and his physical body was pushed to the limit!

“Boom!”

Finally, the black golden ball could not take it anymore and flew back!

The faces of the few people changed drastically, and they exclaimed, “How is this possible! ?”

The smoke and dust dispersed, and Qin Yu’s body was covered in golden light!

His fist carried a fierce force, and there was not a single scratch on it!

“This kid’s body... how can it be so strong!”The few of them had ugly expressions on their faces!

“Golden light... strong body... why does this black-robed man look so similar to the deceased Qin Yu!”

“Impossible, Qin Yu is already dead. He died long ago in the immortal slaying sect!”

“Who exactly are you? What does it have to do with Qin Yu!”

Qin Yu didn’t say anything. He stomped on the ground, and with the absolute beginning Holy Fist in his hand, he shot towards the few of them!

They didn’t dare to be negligent and immediately clenched their fists to receive the attack.

They had the protection of the Black Goldstone, so they naturally wouldn’t be afraid of Qin Yu!

“Clang!”

The moment the fists collided, the Black Goldstone immediately buzzed!

Even though the Black Goldstone protected his fist, the huge impact force directly forced him back!

“How is this possible! His physical body is actually comparable to the Black Goldstone!” When they saw this, they immediately turned pale with fright!

Qin Yu seized the opportunity, and his fists smashed down like raindrops!

This was the first time Qin Yu had used his physical body to fight after he had stepped into the rank four martial Marquis Realm!

Even Qin Yu had not expected such terrifying power!

The black gold robe was continuously pushed back by Qin Yu, and the Black Gold Stone armor on his body began to collapse!

His body suffered a huge impact force, and the force penetrated through the black gold stone armor, almost breaking his physical body into pieces!

After a series of indiscriminate bombardments, the black-gold robe directly fell to the ground, bleeding profusely.

The black-gold armor on his body collapsed in many places. Although it could not be shattered, it had already shocked everyone!

“He could actually beat the black-gold stone to such an extent... how could the strength of this kid’s body be so terrifying!” A trace of solemnity flashed across their faces!

According to the information they had received, this black-robed man was only a sword master. That was why they had prepared a disk magic weapon!

However, they did not expect that this person's physical strength would be so tyrannical to such an extent!

Qin Yu took a deep breath, and a trace of solemnity once again appeared on his face.

“As expected of the black gold stone. Even a fourth grade martial marquis would not be able to break it.”Qin Yu frowned.

If he had used the bronze sword, he would have been able to shatter the black gold stone! Unfortunately, he could not use it at all.

“Everyone, don't waste any more time. Hurry up and kill him!”

At this moment, the remaining seven black gold robes said coldly.

Qin Yu did not dare to be negligent. He immediately turned around and looked at these people.

Their expressions were somewhat solemn, and the internal Qi on their bodies was rapidly rising.

“Supreme Divine Chant!”

At this moment, one of the black-gold robes suddenly opened his mouth, and a strange voice came from his mouth!

In that instant, Qin Yu felt his entire brain buzzing. He was in a daze, and his spiritual sense seemed to have received a huge impact!

Another spiritual sense attack! This person's voice seemed to contain an extremely powerful spiritual sense attack, causing Qin Yu to fall into a momentary state of Chaos!

In a life-and-death battle, victory and defeat could be decided in just a second!

“Heavenly Lightning!” Taking advantage of this gap, another person activated a spell!

Muffled Thunder condensed in the sky and poured down on Qin Yu's body!

“Spirit Light Buddha hand!”

“Scarlet Sun Boom!”

“Swimming Dragon Sacred Saber!”

In just a split second, several people activated their spells at the same time and smashed towards Qin Yu!

“Boom!”

A few spells exploded on Qin Yu's body and smashed him into the ground!

A huge pit appeared in the ground, and Qin Yu's body was smashed several meters into the ground!

“Golden Bell Thunder!”

They struck while the iron was hot, and the spells in their hands condensed again.

“Boom!”

The huge pit seemed to be buried with thousands of bombs, and it almost blew the ground apart!

Dust rose up in the surroundings, and many bloody marks appeared on Qin Yu’s body!

The sparkling white bones were exposed, and it was a horrible sight!

Qin Yu climbed out of the pit with great difficulty. He looked at the people in front of him, and his face became colder and colder.

“If this continues... I will really die here.”Qin Yu took a deep breath.

At this moment, Qin Yu couldn’t care about anything else.

His mouth opened slightly, and his eyes instantly turned scarlet red. The symbol of the divine dragon seal appeared on his forehead!

At this moment, Qin Yu’s internal Qi was instantly adjusted to the extreme. The toughness of his physical body far surpassed that of steel!

Under the augmentation of the sacred physique technique, Qin Yu’s body shone with golden light!

“HMM? What kind of technique is this?”When the few of them saw this scene, their expressions couldn’t help but change!

For some reason, the black-robbed man in front of them seemed to become more and more familiar!

A golden body, scarlet eyes, and an incomparably fierce fist...

“Why does this person look so similar to Qin Yu!”

“Could it be that he is Qin Yu?”

“Impossible! Qin Yu is only in his early thirties. He is only a junior. It is impossible for him to have such strength!”

“This person is probably Qin Yu’s Master!”

Just as they were guessing, Qin Yu’s feet had already stepped on the ground and shrunk into an inch as he shot over explosively!

“Boom!”

His fist was extremely fast, leaving afterimages in the air!

This punch directly smashed into his lower abdomen!

The black-gold Robe’s body instantly turned into a shrimp-like shape. His eyeballs almost popped out, as if they were about to explode!

Qin Yu did not stop there. He clasped his hands together and ruthlessly smashed towards his spine!

“Kacha!”

This crushing force directly smashed his body into a strange arc, and then he rapidly fell downwards!

His spine was actually directly shattered!

“Not good! This person’s physical strength is beyond our imagination!” They cried out in alarm!

“Chi Yang Hong!” Upon seeing this, the few of them once again activated their spells!

But this time, Qin Yu directly clenched his Golden Fist to meet it!

“Boom!”

After the huge explosion, that Scarlet Sun Boom was directly smashed into pieces by Qin Yu!

The terrifying fist arrived in front of him in the blink of an eye!

“Bang!”

This fist firmly smashed into his face!

In an instant, his nose bone was shattered, and his face bone caved in!

“What a terrifying body...” seeing this, the few people turned pale with fright!

Qin Yu said coldly, “As expected of the black gold robe of the Jingdu Martial Arts Association. This punch actually didn’t break your head!”

Chapter 645: In chapter 645, he was Qin Yu!

The battle prowess displayed by Qin Yu was obviously beyond their imagination.

They had never thought that Qin Yu’s physical body would be so tyrannical!

If they had gotten this information earlier, they wouldn’t be in such a sorry state now!

“No, if this continues, it might be disadvantageous to us,” the few people said coldly.

Qin Yu had the same thought in his heart.

The few swords he swung out were used to use a large amount of spiritual power.

Although Qin Yu could use his physical body to fight, at that time, he wouldn't be able to use the holy body technique or the power of the Divine Dragon, and shrinking the ground into an inch would also disappear.

More importantly, no one knew if the Jingdu martial arts association had any support!

The two sides looked at each other as if they were testing each other.

“Everyone, if you can't kill him, then trap him!” At this moment, the few of them seemed to have made up their minds.

In the next second, their bodies and minds took a few steps back! Then, the few of them whispered at the same time, as if they were casting some kind of spell!

Qin Yu didn't dare to waste any more time. He took a deep breath, then his feet shook, and the heavy falling space instantly spread out!

“We must kill them in the shortest time possible,” Qin Yu said coldly.

He strode forward and strode toward these people!

Under the influence of the heavy falling space, their speed was greatly restricted. They were far from being on par with Qin Yu!

Golden Light burst out from Qin Yu's body, and his pair of iron fists carried a great sense of oppression!

“Go to hell!”

Just as Qin Yu was about to make his move, the golden bowl suspended in mid-air suddenly exploded with a ray of light!

The golden bowl suspended in mid-air grew larger and larger, and from high above, it covered Qin Yu!

Qin Yu's expression changed. He wanted to use shrink earth to escape, but he realized that he couldn't break free at all!

A few rays of light condensed under his feet once again, firmly wrapping around Qin Yu's body!

The Golden Bowl covered Qin Yu, and the bright light began to converge on the top of Qin Yu's head!

“Boom!”

Finally, the Golden Bowl fiercely pressed down on the ground, raising waves of dust!

Seeing this, the few of them finally heaved a sigh of relief.

“First trap him here, then bring him back to the Jingdu Martial Arts Association,” the few of them said coldly.

They glanced around. In this battle, three of them were actually seriously injured!

“Dong!”

At this moment, a loud sound came from the Golden Bowl!

“Dong!”

Before they could react, another loud sound came from the Golden Bowl!

“He won’t break this Golden Bowl, right?” Someone frowned.

“Don’t worry. This golden bowl is as hard as black gold stone. It’s impossible to break it.”

In the Golden Bowl, Qin Yu kept throwing punches at the Golden Bowl.

Although the Golden Bowl appeared to have collapsed, it didn’t show any signs of collapsing.

Looking up at the huge golden bowl, Qin Yu couldn’t help but squint his eyes.

Then, Qin Yu’s palm shook, and he took out the bronze sword again!

“There’s no disk to protect my body now, right?” Qin Yu said coldly.

Then, Qin Yu held the sword with both hands, and rays of bright light condensed on the bronze sword!

“Nine slashes of supreme purity, third slash!”

Qin Yu roared angrily, and all his spiritual power was injected into the bronze sword!

A terrifying sword light rose up, and slashed across the golden bowl from top to bottom!

Then, a sword mark appeared on the Golden Bowl!

“What... What is this?” The faces of the black and gold robes could not help but change!

Before they could react, the crack burst out with brilliance, and the entire Golden Bowl was actually split into two halves!

“It’s broken, the Golden Bowl is broken!” Seeing this scene, they immediately panicked!

Qin Yu jumped out of the Golden Bowl!

He held the bronze sword in his hand, and his mouth was panting.

It was obvious that Qin Yu was already exhausted.

“We can’t continue fighting. We have to escape as soon as possible.” Qin Yu glanced around.

Without the Golden Bowl, the surrounding light naturally disappeared.

Qin Yu glanced at them coldly, then turned around and left!

He stepped on the ground and quickly disappeared from their sight.

These black-gold robes didn’t dare to chase after him. They only looked coldly in the direction where Qin Yu escaped.

“We actually let him escape,” one of them said coldly.

“It’s not our fault. No one expected that this person not only had excellent swordsmanship, but also had an unparalleled body.”

“Let’s go back first and report this situation to President Qu.”

The few of them looked at each other. They helped the injured person up and left the place.

...

Jingdu martial arts association.

Xia hang was sitting in his office, feeling uneasy.

He kept drinking tea, and his eyes looked out from time to time.

At this moment, the few black and gold robes appeared in Xia Hang’s field of vision!

He quickly stood up and went out to greet them.

“How is he? Is He Dead?”Xia hang asked anxiously.

The few of them just looked at Xia hang coldly and did not say anything.

“What’s going on? Is He Dead?”Xia hang asked anxiously.

The few of them still ignored him and strode toward Qu Qu’s office.

Xia hang had no choice but to follow closely behind.

They came all the way to Qu Xie’s office.

When he saw the severely injured people, Qu Xie could not help but frown. “What’s going on? Did you catch the black-robed man?”

“No,”they said coldly.

“What? No?!” Xia hang immediately became anxious.

“Are you all trash? ! So many people can’t even kill a black-robed man!”

The few of them looked at Xia hang coldly, their eyes filled with a strong sense of threat.

“President Qu, we underestimated this black-robed man. Not only does he have superb swordsmanship, but his physical body is also beyond imagination!”

“That’s right. This black-robed man used his fist to flatten the black gold stone and even shattered the Golden Bowl.”

After Qu Xie heard this, he couldn’t help but frown. “His swordsmanship is amazing, but his physical body is still so strong? How is this possible?”

“But it’s true,” they said coldly.

“Also... This kid’s technique is somewhat similar to the late Qin Yu.”

“Both are golden lights, but both are tough bodies.”

“To be precise, this person’s body is above Qin Yu’s, and it even far surpasses Qin Yu’s.”

“We suspect that... He is Qin Yu’s master.”

Qu Xie frowned tightly.

“This Qin Yu... actually has a master! No wonder he has been targeting our JINGDU martial arts association!” Qu Xie said coldly.

Xia hang's face was extremely pale.

He knew very well that if Qin Yu didn't die, he would definitely guess that it was related to him!

At that time, wouldn't his daughter be killed!

His face was extremely ugly, and his brain was spinning rapidly.

After hesitating for a long time, Xia hang grabbed Qu Xie's arm!

"Xia Hang, what are you doing!" Qu Xie said unhappily.

Xia Hang said with a trembling voice, "President qu... President Qu, that black-robed man is not Qin Yu's master. He.... He is Qin Yu!"

Chapter 646: Chapter 646 shocked everyone!

Xia hang seemed to have made up his mind, and there was a hint of fear in his eyes.

Qin Yu didn't die. To Xia Hang, it was like a bolt from the blue!

That meant that his daughter's life might be in danger!

"President Qu, that Qin Yu didn't die. The black-robed man is Qin Yu!" Xia hang said with a terrified expression.

However, Xie Qu couldn't help but sneer, "Xia Hang, are you crazy? That black-robed man is Qin Yu? Are you out of your mind?"

“Although Qin Yu has a lot of potential, what qualifications does he have to kill nine super experts of our Jingdu Martial Arts Association? And with just one slash?”

“Where does he get the ability to fight against eight black-gold-robed men?”

“In the whole world, no young man can do it! Not even Yan Jinyao!”

Qu Xie’s words were sonorous and powerful.

Xia hang said desperately, “President Qu! Although I don’t want to believe it, it’s true! That black-robed man is Qin Yu!”

As he said that, someone suddenly walked in from outside the door.

It was none other than Yan Jinyao.

“Guys, what happened?” Yan Jinyao looked at the black-gold robe covered in blood and couldn’t help but be surprised.

“Greetings, Young Master Yan,” they greeted one after another.

Qu Qu smiled and said, “Young Master Yan, you came at the right time. We sent eight black-gold robes, but we still couldn’t take down that black-robed man. Not only did we let him escape, but we were also injured.”

Yan Jinyao couldn’t help but be surprised when he heard that.

“That black-robed man... has such strength?” Yan Jinyao exclaimed.

One had to know that even the current Yan Jinyao might not be able to escape from the hands of the eight black gold-robed men!

Qu Xie nodded slightly and said, "That's right. That black-robed man's strength is even stronger than we imagined. Young Master Yan, you have to be careful."

Yan jinyao smiled and said, "I understand, president Qu."

"Oh, right. Xia hang just said that the black-robed man is Qin Yu," Qu Xie said with a smile.

Hearing this, Yan Jinyao couldn't help but sneer, "Vice president Xia, don't joke. Qin Yu? Does he have the ability to do that? Moreover, he is already dead."

"It's true!" Xia hang explained anxiously.

"Qin Yu is really that black-robed man!"

Hearing this, Yan Jinyao couldn't help but sneer, "Xia hang, putting aside that Qin Yu is already dead, even if he isn't dead, do you think he has such a great ability?"

"Not to mention him, even the current me might not be able to do it!"

Obviously, no one believed that Qin Yu was the black-robed man.

After all, no one was willing to believe that Qin Yu had already achieved such an achievement at the same age.

Xia hang knew that his explanation was useless, and he didn't know what to say for a moment.

His heart was very chaotic, but he was more worried that his daughter would die in Qin Yu's hands!

“Heaven bless, I hope that Qin Yu doesn’t realize that this matter has something to do with me...”Xia hang could only pray silently in his heart.

...

At this time, Qin Yu had already fled back to the private room.

He had many wounds all over his body and his aura was weak. He was seriously injured.

As for that black robe, it was already in tatters like a rag.

“I almost died at their hands...”Qin Yu wiped the blood at the corner of his mouth, his expression somewhat unsightly.

At this moment, Qin Yu was also somewhat worried.

He was worried that his identity would be exposed. If that was the case, the Jingdu Martial Arts Association would definitely mobilize their combat strength to kill him!

“Xia Hang... you actually dared to harm me!”Qin Yu took a deep breath, a trace of coldness flashed across his face!

He sat cross-legged on the ground, slowly healing the wounds on his body.

At this time, the outside had already exploded!

“The Jingdu Martial Arts Association sent out eight black-gold robes, but they still couldn’t get rid of the black-robed man!”

“It is rumored that the Jingdu Martial Arts Association made a comprehensive analysis and preparation of the black-robed man, but they still returned in defeat!”

“Not only that, three black-gold robes from the Jingdu martial arts association were seriously injured!”

“TSK TSK, it has been many years since anyone could defeat the black-gold robes. I really don’t know where this black-robed man came from.”

For a moment, rumors spread everywhere. Not only did the JINGDU martial arts association fail to establish its authority, it was even more humiliated.

...

In a certain teahouse in Jingdu, a few young masters were also gathered together.

“You’ve all heard about the matter, right?” Zhuang Teng drank a mouthful of tea and asked rather casually.

“Eight black-gold robes... What kind of battle strength is this, yet they were still unable to kill that black-robed man.”

“I really don’t know who this black-robed man is. He’s too terrifying.”

Even Kong Yun, who had always been arrogant, nodded slightly and said, “Mm, eight black-gold-robed men are enough to wipe out a family. This black-robed man is probably a reclusive old man who won’t die.”

As he spoke, Yan Jinyao walked over from not far away.

When they saw Yan Jinyao, everyone greeted him.

“Young Master Yan, you should have heard about it, right?” Zhuang Teng asked with a smile.

Yan Jinyao nodded slightly and said, “I just went to the Jingdu martial arts association today. Guess what Xia Hang told me.”

“What? Could it be that he wants to capture the black-robed man?” Zhuang Teng said jokingly.

Yan Jinyao shook his head and sneered, “Xia Hang said that the black-robed man is Qin Yu.”

“Qin Yu?” As soon as these words were said, everyone shook their heads.

“If Qin Yu is that black-robed man, then he is probably the number one person among the younger generation in Jingdu.”

“No young man can escape from the hands of the eight black-gold robes.”

Even Yao Meng felt that it was somewhat impossible.

Those were eight black-gold robes! Their strength was unimaginable!

Even if they wanted to capture an international criminal, they did not need to send out eight black-gold robes!

“I also feel that it’s somewhat laughable.” Yan Jinyao scoffed.

“But then again, this black-robed person is probably inextricably linked to Qin Yu.” At this moment, Yan Jinyao changed the topic and said.

“Oh? What do you mean by dazzling?” Everyone asked one after another.

Yan Jinyao snorted lightly and said, “This black-robed person’s technique is quite similar to that of Qin Yu, and his physical body is equally tyrannical!”

“According to our speculation, this person must be related to Qin Yu. He is most likely here to take revenge for Qin Yu.”

Everyone came to a sudden realization, “No wonder he has such strength! So he is that Qin Yu’s Master!”

“To be able to teach a disciple like Qin Yu, he is naturally not an ordinary person. Then it is easy to understand.”

Even if Qin Yu revealed his technique, no one would suspect him.

...

At night.

Xia hang returned home in fear.

As soon as he pushed open the door, Xia hang smelled a pungent smell of blood!

As far as the eye could see, Qin Yu was sitting on the sofa!

Xia hang’s expression changed drastically! He rushed in in a hurry and shouted angrily, “Qin Yu, what did you do to my daughter!”

Qin Yu glanced at Xia hang coldly and raised his hand to slap his face!

Xia hang got up from the ground and said angrily, “You dare to touch my daughter, I will kill you!”

His internal Qi exploded and he walked towards Qin Yu!

“Dad, you’re back!”

At this moment, a little girl’s voice came from the room.

Xia hang was stunned when he saw the little girl.

He quickly ran to the little girl’s side and touched her face to look left and right. He said with a terrified face, “Daughter, are.... are you okay?”

Chapter 647: Chapter 647, the vicious Qu scorpion

Xia hang looked left and right, his face full of fear.

Qin Yu said coldly from the side, “I’m different from you guys. At least I have humanity.”

Xia hang looked at Qin Yu with a slightly complicated gaze.

“Daughter, you go back to your room first,”Xia Hang said softly.

After sending the little girl back to her room, Xia Hang walked to Qin Yu.

Just as he opened his mouth, Qin Yu suddenly kicked Xia hang’s lower abdomen!

This kick directly sent Xia hang flying!

His knees unconsciously kneeled on the ground, smashing the ground into pieces!

“Xia Hang, how dare you.”Qin Yu said coldly.

Xia hang climbed up from the ground, wiped the blood at the corner of his mouth, and said coldly, “Do whatever you want.”

“Is that so!”Qin Yu was furious. He strode forward and raised his hand to slap Xia Hang’s face!

Xia hang knew that he was no match for Qin Yu, so he simply gave up resisting and let Qin Yu ravage him.

Qin Yu looked at Xia hang coldly and said, “You can actually disregard the life and death of your daughter. Are you still human?”

Xia hang gritted his teeth and said, “I would rather believe in the martial arts association than you!”

“Really?”Hearing this, Qin Yu couldn’t help but sneer.

At this moment, Qin Yu suddenly changed his mind.

He sized up Xia hang in front of him and said lightly, “It’s easy for me to kill you now.”

Xia hang kept silent and said he wasn’t afraid. That was impossible. Facing death, anyone would be terrified.

“But I don’t want to kill you,”Qin Yu said lightly.

“Xia Hang, let me make a bet with you.”

Xia hang raised his head to look at Qin Yu and said, “What are you betting on?”

“I’m betting on whether the Jingdu martial arts association is trustworthy or not.” Qin Yu sat on the sofa.

He took a cigarette from Xia hang and stuffed it into his mouth. Then, he said faintly, “You can go and tell the Jingdu martial arts association everything that happened. See if they will help you or not.”

Xia hang heard this and could not help but snort, “Qin Yu, in your eyes, is Jingdu martial arts association so weak?”

“If I tell them the truth, they will definitely think of a way to save my daughter!”

“Okay.” The corner of Qin Yu’s mouth curled up into a sneer.

“If they really help you, I will not come to find you again from now on,” Qin Yu said.

“But if they don’t help you, then you have to work for Me, Okay?”

Xia hang sneered, “Qin Yu, you’re going to lose for sure!”

“Okay, it’s a deal.” Qin Yu was too lazy to talk nonsense with Xia Hang. He immediately got up and left.

...

The next day.

Qu Xie was sitting in the office with a livid face.

It had been several days since the black-robed man appeared, but they still couldn't capture him.

Not only would this have a huge negative impact on the reputation of the Jingdu martial arts association, it would also make the people above them doubt their ability to handle matters!

"The higher-ups have already given the order to capture this black-robed man no matter what." Qu Xie took a deep breath.

But the last time was their best opportunity. Now that they had missed it, how could the black-robed man fall for it?

"President Qu, I have an idea," the assistant suddenly said.

Qu Xie glanced at him and nodded. "Speak."

The assistant sneered. "Now that we have basically confirmed the relationship between the black-robed man and Qin Yu, and what he did seems to be related to Yan Ruoxue's bloodline."

Qu Xie nodded. "And then?"

The assistant said indifferently, "We can spread the word that Yan ruoxue will be publicly executed! I don't believe that the black-robed man will not show up!"

"As long as he dares to show up, we will immediately kill him!"

This idea sounded really good!

Even Qu Xie's eyes couldn't help but light up!

“It’s a good idea, but Yan Ruoxue is the eldest miss of the Yan family after all. Publicly executing her? isn’t that a slap to the Yan family’s face?” Qu Xie frowned.

“Even if Yan Sihai has no feelings for Yan Ruoxue, in order to protect the face of the Yan family, Yan Sihai will definitely organize us.”

The assistant curled his lips and said, “President Qu, why are you so afraid of Yan Sihai?”

“You don’t understand.” Qu Xie shook his head.

The assistant spread his hands and said, “Then there’s nothing I can do. In any case, if we can’t catch him, the higher-ups will definitely hold him accountable.”

“At that time, we might even cancel the Jingdu Martial Arts Association.”

Qu Xie’s face was extremely gloomy, and he couldn’t make up his mind for a moment.

“Forget it. I’ll go and discuss it with Yan Sihai. Maybe we can come up with a foolproof plan,” said Qu Xie with narrowed eyes.

At this moment, someone suddenly rushed in from outside.

The moment he saw Qu Xie, he fell to his knees with a thud.

This person was none other than Xia Hang!

“Xia Hang, what are you doing?” Qu Xie asked with a frown.

Xia hang said anxiously, “President Qu, that black-robed man poisoned my daughter. You have to help me!”

“Poisoned Your Daughter?” Qu Xie could not help but squint.

“Why would he do that to Your Daughter?”

Xia hang gritted his teeth and immediately told Qu Xie what had happened.

“You know, I only have one daughter...” Xia hang said in pain.

“For my daughter, I have to listen to his orders. My Daughter is only four years old. I... I Can’t watch her die.”

“President Qu, with the Jingdu martial arts association’s ability, they can definitely get rid of the poison in my daughter’s body. Please help me...”

Looking at Xia hang who was begging bitterly, Qu Xie’s expression was extremely gloomy.

His attention was not on Xia hang’s daughter at all. Instead, he said with a cold face, “So... you were the one who tipped off the black-robed man?”

Xia Hang’s expression changed. He hurriedly said, “President Qu, I... I had no choice. If I didn’t listen to his orders, my daughter, he...”

“Bastard!” However, Qu Xie slapped Xia hang!

This slap caused Xia hang to bleed profusely and broke his sternum!

“You actually dared to inform that black-robed man? No wonder we couldn’t catch him,” Qu Xie said coldly.

Xia hang struggled to get up from the ground. He gritted his teeth and said, “President Qu, I Can’t lose my daughter... i... I was forced...”

“No matter how you punish me, I will accept it. I only hope that you can save my daughter! Otherwise, my daughter will definitely die...”

Qu Xie heard this and sneered, “Xia Hang, you have been in the Jingdu Martial Arts Association for many years, right?”

Xia hang nodded and said, “Twenty-one years.”

Qu Xie narrowed his eyes and said, “Then you should understand a principle. Once a person has a weakness, they will lose their value. And your daughter is your weakness!”

“If you want to succeed, you have to pull out your own weakness!”

Xia Hang’s expression changed, and he asked in a trembling voice, “What... What do you mean?”

Qu Xie put her hands behind her back and said indifferently, “This is a good opportunity. As long as your daughter is gone, your weakness will disappear, and your future achievements will be even higher.”

“Since your daughter has been poisoned, then use this opportunity to pull out your own weakness.”

Chapter 648: Chapter 648, public execution of Yan Ruoxue!

Xia Hang's face was pale. He could not believe that these words came out of Qu Xie's mouth!

Qu Xie seemed to have seen through Xia Hang's thoughts. He said indifferently, "Do you know why Qin Yu lost? It's because he has a weakness! and his weakness is Yan Ruoxue!"

"Otherwise, with his talent and hard work for more than ten years, we really can't do anything to him."

"Xia Hang, as the vice president, you should understand this principle."

Xia hang's expression was extremely unsightly, and he laughed bitterly in his heart.

As expected, what Qin Yu said was right.

"President Qu, I Won't give up on my daughter,"Xia hang climbed up from the ground and said in a low voice.

Qu xie snorted coldly, "Then you should think of a way yourself. The Jingdu Martial Arts Association will definitely not help you!"

Xia hang opened his mouth and wanted to say something, but Qu xie rudely interrupted him.

"Get Out!"Qu Xie waved his hand.

Xia hang didn't say anything more. With a bitter smile on his face, he turned around and left.

...

On the other side, Qin Yu's injuries hadn't fully recovered.

This battle had seriously injured Qin Yu. At the same time, he also knew how terrifying the Jingdu Martial Arts Association was.

Not only did they have extremely strong combat strength, but most importantly, they could make different battle plans according to different opponents.

“No wonder so many people were caught in the prison...” Qin Yu gritted his teeth and said in a low voice.

During this period of time, Qin Yu could no longer move. He just needed to stay here for the time being.

“I hope the handlebar mustache can come back soon,” Qin Yu thought to himself.

As long as they could activate the two male corpses, the Jingdu martial arts association was not worth mentioning.

Even if they used the martial saint’s weapon, they would not be able to retaliate at all!

At night.

Qin Yu once again came to Xia Hang’s home, quietly waiting for Xia Hang’s return.

“How is it?” After Xia Hang returned, Qin Yu asked indifferently.

Xia hang opened his mouth, not knowing how to speak for a moment.

Qin Yu sneered, “You don’t have to speak, I know the result.”

Xia hang laughed bitterly and said, "I have worked hard for the Jingdu Martial Arts Association for so many years, I didn't expect..."

"Xia Hang, as the vice president of the Jingdu Martial Arts Association, I didn't expect you to be so childish." Qin Yu snorted.

"You want to talk about feelings with capital? To them, the only criterion is whether they are useful or not."

Xia hang sighed. He sat opposite Qin Yu and took a deep drag on his cigarette.

Qin Yu said calmly, "According to the agreement, you must listen to me now."

Xia hang glanced at Qin Yu and said, "I think I have lost my trust in Qu Xie. I can not help you much."

"That is not something you should consider. I will think of a way to get your trust," Qin Yu stood up and said.

Xia hang frowned and asked, "What do you want to Do?"

"I naturally have my own way. When I Need You, I'll inform you," Qin Yu said.

"Xia Hang, I hope you'll keep your word. If you betray me again, I Won't be soft-hearted," Qin Yu said coldly.

Xia hang smiled bitterly. At this moment, how could he have a choice.

Qin Yu didn't stay any longer and turned around to leave.

...

In the next few days, Qin Yu hid in the private room and didn't leave. He slowly healed his wounds.

The outside world's guesses about the black-robed man's identity had increased.

In the end, all the guesses reached a consensus.

That was: the black-robed man was the master behind Qin Yu! This attack was to avenge Qin Yu!

This conclusion was accepted by almost everyone!

"No Wonder Qin Yu improved so fast. He actually has such a master behind him."

"TSK TSK, master and disciple really have the same temper. They are both Fearless Masters."

"This master is obviously better. He has made the Jingdu martial arts association suffer many times, but the JINGDU martial arts association is helpless."

Looking at the comments on the Internet, Qu Xie's face became increasingly gloomy.

The higher-ups had already given the final order to Qu Xie: the black-robed man must be brought back within three days! Otherwise, the position of President Qu Xie would be revoked!

This made Qu Xie even more anxious.

“It seems that we can only use that method.”Qu Xie’s eyes turned cold. Then, he got up and rushed straight to the Yan family.

In the center of Jingdu, there was a skyscraper.

It was said that the price of this skyscraper was ridiculously high, as high as 300,000 yuan per square meter!

And this skyscraper was the Yan Group!

In an office on the top floor, there were four hot women in front of Yan Sihai.

These women all had exquisite looks, devilish bodies, and even some second-or third-rate celebrities!

At this moment, these women who were the center of attention were kneeling in front of Yan Sihai and serving him.

At this moment, Qu Xie walked in from outside.

“President Yan,”Qu Xie said politely.

Yan Sihai glanced at him and said generously, “Have a seat.”

Then, Yan Sihai waved at the four women and said, “You can leave first.”

“Yes, President Yan.”The women stood up and left the office.

After they left, Yan Sihai asked casually, “President Qu, what do you want from me?”

Xie Qu was silent for a moment, then he told Yan Sihai his purpose of coming here.

After hearing that, Yan Sihai's face turned cold and he said, "Publicly punish Yan Ruoxue? Qu Qu, are you crazy? Do you want to make the Yan family lose face?"

Qu Xie had already guessed Yan Sihai's attitude. He smiled bitterly and said, "President Yan, I don't have any other way. As long as you agree, I can agree to any condition of yours!"

Yan Sihai snorted and said, "Qu Xie, I think you are crazy! I Can't agree to this!"

Qu Xie's face turned ugly. He thought for a moment and said, "How about this? We can narrow the range and limit this public punishment to the Martial World!"

"This way, we can minimize the losses of the Yan family! What do you think?"

Yan Sihai said angrily, "Qu Xie! Don't you understand what I'm saying? I told you, I can't agree to this!"

"No matter what, Yan Ruoxue is my niece. Public execution? You are slapping my face!"

Qu Xie didn't know what to do. This was the only way he could think of.

"How about this?" At this moment, Yan Jinyao walked in.

"Young Master Yan." Qu Xie politely greeted Yan Jinyao.

Yan jinyao nodded and said, “Change the public execution to the public extraction of blood. Don’t you have a list of names? Limit the number of people to this list.”

“Invite the young masters of the big families to come and visit.”

“In front of so many people, we’ll openly absorb Yan Ruoxue’s bloodline and distribute it to the young masters of the big families.”

“This looks more reasonable at least.”

Qu Xie was cold. Yan Jinyao’s words seemed to make some sense.

“That black-robed man is not a fool. Publicly executing Yan Ruoxue? Your Jingdu Martial Arts Association regards her as a treasure. Why would they execute her? Even a fool can see that it’s fake.” Yan Jinyao snorted.

Qu Xie hurriedly nodded. “Young Master Yan’s words make sense!”

Chapter 649: Chapter 649, I want to save her!

Qu Xie said excitedly, “Young Master Yan, this method is naturally excellent, but... President Yan...”

Yan Sihai said coldly, “It’s impossible for me to agree.”

Yan jinyao smiled and said, “Dad, you don’t have to be so resistant. I think I can agree to President Qu.”

“No!” Yan Sihai said angrily.

“How can the people of the Yan family be insulted like this!”

Yan Jinyao smiled and said, "Even if you refuse, don't those aristocratic families know about it? In fact, they have already understood it."

Hearing this, Yan Sihai frowned slightly.

These words made some sense.

"Dad, if you believe me, you can agree to President Qu's request," Yan Jinyao said earnestly.

Yan Sihai was a little hesitant.

Yan Sihai had always been proud of Yan Jinyao.

Not only did he have extraordinary talent in martial arts, but he was also very good at doing things.

Qu Xie struck while the iron was hot. "If you agree, I can make the decision and give young master Yan three more chances to bathe in his blood!"

Yan Sihai glanced at Yan Jinyao, took a deep breath, and said, "Well, since my son has said it, I can promise you."

"Thank you, President Yan!" Qu Xie was overjoyed. He stood up and cupped his hands.

After Qu Xie left, Yan Sihai asked with a sullen face, "Jinyao, why did you agree to it?"

Yan Jinyao said with a faint smile, "Dad, didn't you say that you can't let the Jingdu Martial Arts Association do this favor alone? I think this is a good opportunity."

“In fact, the major families don’t know the origin of the blood, but this time, they will know where the blood comes from!”

“To our Yan family, there are hundreds of benefits and not a single harm.”

Speaking up to this point, Yan Jinyao paused for a moment. Then, he narrowed his eyes and said, “The most important thing is... I really don’t like Yan Ruoxue!”

Ever since he learned that Yan Ruoxue had a complete bloodline, Yan Jinyao had a strong sense of crisis in the bottom of his heart!

Therefore, he wished that Yan Ruoxue would die!

“That makes sense.”Yan Sihai nodded slightly.

“Alright, then we’ll do as you say.”

...

The Jingdu Martial Arts Association obtained the consent of the Yan family and immediately began to carry out their plan.

They first issued invitations to the various aristocratic families, such as the Zhuang family, the Kong family, the Chu family, and Yao Meng. They were all invited.

Apart from that, the Jingdu Martial Arts Association publicly released a statement on the forum:

We will publicly show everyone how to draw blood, as well as the source of the blood, at the Jingdu Martial Arts Academy.

As for the people on the martial arts forum, they didn't know where the so-called blood came from.

But the JINGDU martial arts association knew that the black-robed man definitely knew! Therefore, the statement didn't need to be too detailed.

At this time, Qin Yu had already gone to the Divine Medicine Pavilion.

He planned to stay in the Divine Alchemist Pavilion for a period of time to recuperate and recover from his injuries. At the same time, he would borrow the warehouse of the Divine Alchemist Pavilion to cultivate.

However, Qin Yu had just arrived at the secret room when he saw the news on the martial arts forum.

“Openly absorbing blood?” Qin Yu's pupils suddenly constricted and he immediately stood up!

The pavilion master frowned and asked, “What's Wrong?”

Qin Yu handed the phone to the pavilion master and said through gritted teeth, “These bastards... Not only did they absorb Ruoxue's blood, they also wanted everyone to see it! They want to make Ruoxue lose face!”

The pavilion master said in a deep voice, “Qin Yu, this is very likely a conspiracy. The purpose is to attract you to save her.”

Qin Yu glanced at the pavilion master and said, “I know, but... even if I don't have a choice.”

“If I don't go, they will still carry out this project.”

“If I Go... maybe I can save Ruoxue.”

The pavilion master shook his head and said, “That’s impossible. They will definitely make a perfect plan.”

Qin Yu took a deep breath and said, “Pavilion Master, I have to go.”

“If I don’t go, they will definitely carry out the second and third round! They will definitely continue to torture Yan Ruoxue until I appear!”

The pavilion master opened his mouth, but there was nothing he could say.

Yes, Qin Yu was right.

The JINGDU martial arts association had already realized the relationship between the “Black-robed man” and Yan Ruoxue. This was the only bait they could use to lure the black-robed man.

Therefore, if Qin Yu didn’t go this time, they would continue to think of ways to torture Yan Ruoxue until Qin Yu appeared!

“Qin Yu, think carefully. If you go this time, it’s very likely that you won’t be able to come back.” The Pavilion Master grabbed Qin Yu’s arm, his expression extremely grave.

Qin Yu smiled bitterly and said, “Pavilion master, I really have no choice. If I had a choice, I would rather die.”

“Moreover, I might not die.” Qin Yu took a deep breath.

In the bottom of his heart, a plan was born.

The pavilion master knew that she couldn’t stop Qin Yu, so she didn’t say anything more.

After Qin Yu left, a trace of worry flashed across the pavilion master's handsome face.

"I can not allow him to die like this."The pavilion master frowned.

Then, she walked out of the secret room and said to the medicine boy, "Prepare a car. I need to go to the military district of Jingdu."

"Yes, Pavilion Master."

...

Jingdu Martial Arts Academy.

Qu Xie requested a martial saint weapon from the higher-ups.

He carried the martial saint weapon and personally escorted Yan Ruoxue.

Inside the prison, three black-gold robes removed the tube from Yan Ruoxue's body and brought her to a car.

Yan Ruoxue's face was extremely pale and she looked extremely weak.

"What do you want to Do?"Yan Ruoxue said weakly.

Qu xie smiled and said, "Lady Yan, don't worry. We won't do anything to you. We just want to change a place for you."

The carriage sped all the way to Jingdu Martial Arts Academy.

New equipment had long been prepared on the square of Jingdu Martial Arts Academy.

A round altar was placed in the center of the square. This was the place where Yan Ruoxue's bloodline was publicly displayed.

After arriving at Jingdu Martial Arts Academy, Qu Xie ordered everyone to hang Yan Ruoxue on the square.

Yan Ruoxue's face was extremely unsightly. As a young lady from a prestigious family, she naturally couldn't accept being hung here in such a public place.

"Miss Yan, don't worry. Those who came today are all your acquaintances," Xie Qu said with a smile.

Yan Ruoxue bit her red lips with her teeth and said in a low voice, "Xie Qu, you are despicable..."

Xie Qu laughed loudly and didn't think much of it.

He looked at Yan Ruoxue who was hanging on the round altar and couldn't help but sigh. "I have to say, Miss Yan is really a top-notch beauty."

"Of course. The number one beauty in Jingdu doesn't deserve her reputation," the assistant next to him said with a smile.

"It's a pity that she doesn't have good taste," Qu Xie snorted.

On the other side, Qin Yu was rushing toward the martial arts academy.

"Without that prison, this might be my best chance to save Yan Ruoxue!" Qin Yu said coldly in his heart.

Chapter 650: Chapter 650, the Furious Qin Yu!

In the depths of the prison, it was impossible for Qin Yu to save Yan Ruoxue.

In addition, the prison was made entirely of black gold stone and could not be broken.

Therefore, this was perhaps the best opportunity for Qin Yu.

In the Jingdu Martial Arts Academy.

Yan Ruoxue was hung on the round altar. A tube was inserted into her body, and light surged around her.

Qu Xie stood in the center of the square, quietly waiting for the black-robed man to arrive.

He had arranged for several black-gold robes to arrive, including Yan Guiyi.

In order to capture the black-robed man, Qu Xie had spent a lot of money.

“President Qu, they are here,” at this moment, a black-gold-robed man walked to Qu Xie’s side and whispered.

Qu Xie nodded slightly and said, “Let them in.”

Soon, the young masters of the big families walked into the venue one after another.

The leader was Yan Jinyao!

After walking into the square, everyone saw Yan Ruoxue hanging on the round altar.

“Is... is that Miss Yan?” Zhuang Teng couldn't help but exclaim.

“Miss Yan... how did she get scratched here?”

Yao Meng's face was even more unsightly. She had always been on good terms with Yan Ruoxue. Now that she saw Yan Ruoxue's miserable state, it was impossible for her not to be upset.

“What does this mean? Why is Miss Yan being scraped here?” Chu Hedao's tone was somewhat cold as he asked.

Yan Jinyao did not feel the slightest bit of embarrassment. He smiled faintly and said, “Everyone, don't be surprised. All the bloodlines in Jingdu originate from Yan Ruoxue. In other words, they originate from our Yan family.”

When these words were said, everyone turned pale with fright!

The Jingdu Martial Arts Association relied on Yan Ruoxue alone to actually create so many super experts?

Just what kind of bloodline did Yan ruoxue have to be so tyrannical?

“Young Master Yan, Miss Yan is, after all, a member of Your Yan family. By doing this... isn't the Yan family afraid of embarrassing themselves?” Yao Meng's tone was unfriendly.

However, Yan Jinyao did not care at all. He smiled faintly and said, “Yan Ruoxue has a top-grade bloodline and has never cultivated. If we just leave her like this, wouldn't it be a waste?”

“But...”

Yao Meng wanted to say something, but was rudely interrupted by Yan Jinyao.

He glanced at Yao Meng and said indifferently, “Why? Doesn’t Miss Yao Want This bloodline? Or is there anyone among you who is willing to give up this bloodline?”

For a moment, everyone fell silent.

The strength of this bloodline could be seen with the naked eye.

No one was willing to give up such a temptation.

“Since no one is willing to give up, then there’s no need to say anything more,” Yan Jinyao said faintly.

“Oh, right. Remember, this is the bloodline of our Yan family. The control is in the hands of our Yan family,” Yan Jinyao said deliberately.

His purpose was naturally to make everyone owe the Yan family a favor.

“Okay, please take a seat.” Yan Jinyao Strode to the center of the square and sat down.

Looking up at the pale-faced Yan Ruoxue, everyone sighed.

“I really didn’t expect Miss Yan to suffer such hardship after old Mister Yan’s death,” Zhuang Teng sighed.

“Yes, when old Mister Yan was still alive, who in Jingdu dared to have designs on Miss Yan?”

“Back then, the Sun family coveted Miss Yan, and the entire Sun family disappeared from Jingdu.”

Chu Heng, who was at the side, said somewhat awkwardly, “To be honest, back then, Miss Yan and I had a conflict, and later...”

Speaking up to this point, Chu Heng seemed to find it difficult to speak.

He was silent for a moment, and then smiled bitterly. “Later, my father brought a generous gift and went to the Yan family to apologize for a few days. Only then did he finally obtain old Mister Yan’s forgiveness.”

Everyone was discussing animatedly. They couldn’t believe Yan Ruoxue’s current situation.

Yao Meng was the only one who remained silent. Her eyes were looking in Yan Ruoxue’s direction, and there were some fluctuations in her eyes.

After hesitating for a long time, Yao Meng stepped lightly and arrived in front of Yan Ruoxue.

“Ruoxue...” Yao Meng’s eyes were somewhat sad.

Yan Ruoxue opened her eyes slightly. When she saw Yao Meng, she hurriedly said, “Yao Meng, how is Qin Yu? Qu Xie said that he...”

This question made it difficult for Yao Meng to answer for a moment.

Now that Qin Yu’s death had become an established fact, even if Yao Meng wasn’t willing to admit it, it couldn’t change anything.

“Hurry up and tell me!” Yan Ruoxue urged anxiously.

The kind-hearted Yao Meng was conflicted with Xu Jiuhong. In the end, she smiled and said, “Qin Yu is fine. Qu Xie lied to you. Don’t worry.”

Hearing this, Yan Ruoxue finally heaved a sigh of relief

A rare smile appeared on her pale face.

“Ruoxue, how... How do you feel now?” Yao Meng looked up at Yan Ruoxue and sighed.

Yan Ruoxue was about to say something when Qu Xie walked over from the side.

“Miss Yao, please return to your seat,” Qu Xie said with a smile.

Yao Meng frowned slightly. She looked up at Yan Ruoxue and couldn't help but feel sad.

“Please go back,” Qu Xie urged again.

Yao Meng had no choice but to retreat to the side.

Soon, Han Wei arrived at the scene.

With his current strength, he was no longer strong enough to sit with the young masters of the various aristocratic families.

However, Han Meng had found Qu Xie, so he could only open a back door for him.

Han Wei looked at Yan Ruoxue, who was hanging on the round altar, and a trace of viciousness flashed in his eyes.

He gnashed his teeth and said, “You deserve it! B * Tch! If you had followed me back then, you wouldn't have encountered such a disaster! You Deserve It!”

At this moment, Qu Qu suddenly walked to the round altar, to Yan Ruoxue's side.

He said indifferently, "Since everyone is here, let's begin."

"All the blood comes from Yan Ruoxue, and her blood will be used for the benefit of everyone!"

Qu Xie held the light in his palm, as if he was going to activate some spell.

"Today, our Jingdu Martial Arts Association will show everyone how to absorb this blood," Qu Xie said with a smile.

In the next second, Qu Xie gently waved his palm, and the light immediately landed on Yan Ruoxue's body.

In an instant, the tube attached to Yan Ruoxue's body began to activate.

Traces of blood flowed out of Yan Ruoxue's body.

Yan Ruoxue's face instantly became extremely pale, and her expression carried a trace of pain!

"Ruoxue!" Seeing this, Yao Meng unconsciously stood up.

The other aristocratic family disciples also had ugly expressions. They hadn't thought that the Jingdu martial arts association would actually be so cruel!

Seeing the traces of blood flowing out from the tube, Yan Ruoxue's face also became increasingly pale.

"Qu Xie, F * ck you!"

At that moment, a loud shout came from outside!

Then, a black figure rushed over!

Chapter 651: Chapter 651, I Am Qin Yu!

He held a blood-red longsword and rushed toward the round altar!

A sharp blade slashed toward Qu xie from above!

Qu xie snorted and said, "You are finally here!"

Qu Xie waved his hand, and several rays of light rushed out of his white robe.

At the moment of the collision, a terrifying airwave spread out!

Qin Yu hurriedly blocked in front of Yan Ruoxue and used his physical body to forcibly withstand this airwave!

Everyone stood up and looked at the black-robed man standing on the round altar.

"The black-robed man... I've finally met him." Yan Jinyao said with narrowed eyes.

"He actually still dares to come!" The others could not help but be a little surprised.

Qin Yu on the stage did not say anything. He turned around and looked at Yan Ruoxue.

The moment he saw Yan Ruoxue, Qin Yu's heart seemed to be pulled by something, and the pain was unbearable!

Qin Yu's body began to tremble involuntarily, and the bronze sword in his hand was buzzing.

"Black-robed man, you actually dared to come here!" Xie Qu sneered.

Qin Yu looked at Qu Xie coldly and said through gritted teeth, "I came here today to kill you, you beast!"

"Hahaha!" Qu Xie couldn't help but burst into laughter.

"What a shameless boast!"

Qu Xie waved his hand, and several black-gold robes stepped forward!

Qu Xie looked at Qin Yu coldly and said, "Kill him for me!"

With a loud roar, one of the black-gold robes made the first move!

His palm turned into a claw and clawed at Qin Yu!

At this moment, Qin Yu's heart was filled with the flames of anger! It was the time for him to explode!

Facing the black-gold-robed man who was charging towards him, Qin Yu stabbed the long sword in his hand. Then, he held the golden light in his hand and smashed it fiercely!

This punch contained Qin Yu's grief and indignation, as well as his invincible battle intent!

The terrifying fist force smashed fiercely onto the black-gold-robed man's palm!

"Clang!"

A loud sound rang out! Waves of air currents rippled out in all directions with the two of them as the center!

“Crack!”

Under this punch, the black-gold Robe’s palm was directly shattered! Blood splattered everywhere! His entire body was sent flying backwards!

When everyone saw this, they could not help but suck in a breath of cold air!

Even Yan Jinyao slightly narrowed his eyes.

“He defeated a black-gold-robed man with one punch. It seems that his strength lives up to his reputation,” Yan Jinyao said coldly.

“As expected of Qin Yu’s master. I’m afraid not many people can compare with him,” said the others.

On the round altar, Qin Yu stared at Qu Xie. His body was trembling and his eyes were scarlet. He wanted to tear Qu Xie into pieces immediately!

Qu Xie looked at Qin Yu coldly and said, “Even if you are strong, you can’t change anything. Today, you will die for sure!”

“F * ck you!” Qin Yu roared. His palm shook, and the bronze sword was instantly in his hand!

“Qu Xie, I Want Your Dog Life!”

Qin Yu’s aura soared. He held the sword with both hands and raised his hand to make the first cut of the nine Tai Qing slashes!

The terrifying sword light slashed toward Qu Xie!

As the president of the Jingdu Martial Arts Association, Qu Xie's strength was self-evident.

Facing Qin Yu's Tai Qing nine slashes, Qu Xie didn't panic at all.

He raised both hands and condensed light on his palms. Then, he directly faced the sword light!

“Boom!”

This was a fierce collision! Gusts of strong wind swept over, and even the people below were affected!

When the light dissipated, Qu Xie actually took a few steps back and fell to the ground!

Seeing this, everyone couldn't help but gasp!

Qu Xie was actually not a match for this black-robed man? ! How was this possible? !

“Your strength is indeed not weak.” Qu Xie stood up from the ground.

He patted the dust on his butt and said coldly, “That was just a small test. Do you really think you can fight against the Jingdu Martial Arts Association?”

Qu Qu controlled countless top-tier spells, so he was naturally not afraid of Qin Yu.

But as the president, he did not have the need to make a move himself.

Qu Qu took a step back, and the few black-gold robes walked up.

They used the same trick again, taking out the round plate magic tool to deal with Qin Yu's bronze sword.

Qin Yu's face was cold. He stabbed the bronze sword into the round altar, and a bright golden light burst out from his body!

Upon seeing these rays of golden light, everyone's pupils constricted!

This... This was simply too similar to Qin Yu!

"Looks like he really is Qin Yu's master," Yan Jinyao said coldly.

"Mm, even their spells are exactly the same."

"I have to say, the relationship between master and disciple is really not bad."

Those few black-gold robes walked over. They silently chanted spells in the air, and streams of divine sense shot straight towards Qin Yu's mind!

It was obvious that these men had made a corresponding plan to target Qin Yu's body!

"Go to hell!" Qu Xie shouted!

Qin Yu roared, and a golden light burst out from his glabella!

The golden light was in the shape of a dagger, and then it directly slashed over!

In an instant, all the divine sense was directly cut off by Qin Yu in the Air!

“Oh? This person’s divine sense is actually so powerful?” Everyone couldn’t help but be shocked when they saw this!

Qin Yu retracted his soul consciousness. Seizing the chance, he roared and threw a fierce punch!

This punch was the absolute beginning sacred fist. Its power was unimaginable. The dazzling golden light illuminated the heaven and earth as it smashed toward everyone!

Its terrifying power was far beyond everyone’s imagination. The black-gold Robe was sent flying!

The black-gold stone on their bodies suffered a great impact and began to collapse!

“This... This is a little too terrifying,” Zhuang Teng said in a deep voice.

“Even the black-gold robe is not his match. What is the background of Qin Yu’s Master?”

Yan Jinyao’s expression was also somewhat gloomy. He originally thought that he could fight this black-robed person, but now he had the intention to retreat.

“Do you think this black-robed man is Qin Yu?” Chu Hedao guessed.

“Impossible.” Yan Jinyao glanced at him.

“Qin Yu has only cultivated for more than a year, how could he have such strength?”

“This person has cultivated for at least fifty years!”

Everyone nodded and said, “Yes, no matter how talented Qin Yu is, it’s impossible for him to improve so fast.”

On the round altar, Qin Yu’s pupils burst out with bone-piercing coldness.

He swept his gaze across the crowd. His undefeated posture couldn’t help but move people.

Qu xie sneered, “Kid, that Qin Yu is already dead. Why do you have to get involved in this muddy water for him?”

As soon as he said this, Yan Ruoxue’s face instantly turned pale!

She grabbed Qin Yu and said in fear, “Qin... Qin Yu is dead?”

Seeing the pain in Yan Ruoxue’s eyes, Qin Yu’s heart felt like it was being pricked by Needles!

“Qin Yu is dead. This person is here to avenge Qin Yu.”Qu Huo added fuel to the fire.

He sneered, “Otherwise, why didn’t Qin Yu come to save you personally?”

“No... impossible, Qin Yu can’t be dead! Tell me, Qin Yu isn’t dead!”Yan Ruoxue almost screamed out these words.

This made Qin Yu’s Heart Ache. He reached out his hand and caressed Yan Ruoxue’s face.

“Kid, don’t you dare to tell her the truth?”Xie Qu sneered.

“Impossible, Qin Yu can’t be dead, Qin Yu can’t be dead...”Yan Ruoxue’s emotions fluctuated greatly. In the next second, she spat out a mouthful of blood! Her spirit instantly became dispirited!

Seeing this, Qin Yu couldn’t hold it in anymore.

He half-knelt in front of Yan Ruoxue and said in a low voice, “Qin Yu isn’t dead, i... I Am Qin Yu!”

Seeing Yan Ruoxue’s pained look, Qin Yu couldn’t bear to hide it anymore.

He pulled out his long sword and coldly swept it at everyone present.

“I am Qin Yu,”Qin Yu said coldly.

Chapter 652: Chapter 652, the ten thousand demonic statues!

Qin Yu swept his gaze across the crowd, his words even more sonorous and forceful!

However, the crowd couldn’t help but laugh coldly, especially Yan Jinyao. He stood up and said with a faint smile, “You are Qin Yu? Why, in order to help your disciple, you are even willing to tell such a lie?”

“That’s right. It’s not like we don’t know Qin Yu’s strength. Furthermore, he has already died in the Immortal Massacre Sect!”

“No one can resolve the immortal slaying sect’s killing formation, not even the Jingdu Martial Arts Association,”Yan Guiyi said coldly.

Qin Yu’s lips curled into a cold smile, and in the next second, he burst into laughter!

“Alright, I’ll show you my true face today!”Qin Yu shouted!

With a loud shout, golden light immediately erupted from his body!

The terrifying internal Qi directly shattered the black robe on his body, revealing his true face!

Qin Yu’s face, which was as sharp as a knife, appeared in front of everyone!

His body was covered in golden light, and his invincible battle intent looked like he was looking down on the world!

Although he was not tall, standing there made people involuntarily look up to him!

“How is this possible!”

Seeing this scene, Yan Jinyao stood up with a “Bang”!

He stared at Qin Yu on the round altar, his face full of disbelief!

Yan Jinyao was the number one person in the younger generation, so he naturally didn’t want to believe that someone was stronger than him!

Han Wei clenched his fists! Unknowingly, the distance between him and Qin Yu grew larger and larger!

“What’s going on? Didn’t you say that Qin Yu is dead?”Qu Xie glared at Yan Guiyi, his face extremely cold.

Yan Guiyi gritted his teeth and said, “How is this possible? He was locked up in the immortal slaying sect... there’s no way he could escape!”

Qu Xie took a deep breath, his face unsightly.

“He’s actually Qin Yu... This kid’s potential is unimaginable. We must kill him today!” A trace of coldness flashed in Qu Xie’s eyes!

On the round altar, Qin Yu held Yan Ruoxue’s face with both hands and said in a low voice, “Ruoxue, I’ll take you out of here today. I Won’t let you suffer anymore...”

Yan Ruoxue’s watery eyes were full of tears. In a short while, bean-sized tears rolled down her cheeks.

“Qin Yu... you should run quickly. You’re not their match...” Yan Ruoxue sobbed.

Qin Yu tried his best to smile and said in a low voice, “You’ve been taking care of me all this time. Ruoxue, it’s time for me to take care of you.”

With that, Qin Yu slowly turned around.

Since his identity had been exposed, Qin Yu had nothing to hide.

Golden Light burst out from his body, and the power of the divine dragon was fully displayed. The mountain of the Five Mountains was placed on top of his head.

Buzz

Qin Yu shook his palm and put away the bronze sword

“Kill him now!” Qu Qu shouted angrily!

“Come on, I’ll Kill You Bastards Today!” Qin Yu shouted!

He was already prepared for a big battle, and his invincible fighting spirit couldn't help but make people shudder!

Below the stage, the faces of the young masters of the aristocratic families were extremely unsightly!

Qin Yu, who had emerged from the bottom, was actually stronger than them now!

How could they endure this!

“Attack!” Qu Xie said coldly.

Several black-gold robes immediately stepped towards Qin Yu!

They relied on the protection of the black-gold stone to fight Qin Yu's body!

At a glance, there were a total of twelve black-gold robes!

These were the strongest combat forces that the JINGDU martial arts association had mobilized in recent years!

Qin Yu's body was covered in golden light, and he was like an undefeatable god of war, clashing with their bodies!

For a moment, the scene rumbled incessantly, and the sound of metal clashing was extremely ear-piercing!

Qin Yu roared repeatedly, and his blood boiled. He had fought twelve in one battle, and his golden body contained surging battle prowess!

“Dong Dong Dong!”

At this moment, Qin Yu was brimming with battle intent, and he had actually forced the twelve black-gold robes to retreat repeatedly!

Even though Qin Yu's body was also damaged in many places, the black-gold stone had already caved in.

Looking at Qin Yu's blood-soaked battle stance, everyone's expressions became increasingly unsightly.

"How could he have such strength..."Yan Jinyao stared at this scene, his eyes filled with disbelief!

"Qin Yu is actually a black-robed person. Unknowingly, he has already grown to such a stage..."Yao Meng also muttered softly.

"Boom!"

Right at this moment, Qin Yu's Golden Fist smashed into the chest of a black-robed person, directly smashing him into the pit!

Numerous cracks appeared on the ground, and then the ground shattered!

"Come on!"Qin Yu shouted at the top of his lungs, roaring furiously! He was bathed in golden light, full of fighting spirit, as if a God had descended!

Even though his body was soaked in blood, his internal Qi did not show any signs of weakness. Instead, the more he fought, the braver he became!

For a moment, many of the black-golden-robed men actually had the intention to retreat, not daring to move forward anymore!

“If you guys aren’t going to make a move, then I’m Coming!”Qin Yu shouted. He stepped on the ground, and in the blink of an eye, he arrived in front of a black-robed man!

Crack

Qin Yu swung his Golden Fist and directly smashed the head of a black-gold-robed man!

He was killed with one slap! Everyone could not help but gasp!

“Kill him quickly!”Xie Qu shouted from the side.

The black-gold robes looked at each other, and then they retreated!

They stood together, and their bodies began to emit soaring flames.

In just a moment, their internal Qi seemed to have been sucked dry, and behind them, a huge figure condensed!

“Ten thousand demonic statues!”Zhuang Teng exclaimed!

“Jingdu Martial Arts Association’s heaven-grade spell, ten thousand demonic statues! I’ve finally seen it today!”

“I didn’t expect that in order to deal with Qin Yu, I would actually have to use ten thousand demonic statues.”

A huge figure slowly appeared, and a terrifying pressure instantly spread out!

This figure was huge, and it could be said to cover the sky and cover the Sun!

Its terrifying internal Qi made people feel waves of fear!

Qin Yu stared at this huge figure and angrily shouted, “What ten thousand demonic statues, watch me break you!”

After saying that, Qin Yu’s feet trembled and he actually took the initiative to attack!

His Golden Fist carried an incomparably fierce power as it poured out!

And that figure slowly waved his fist and collided with Qin Yu!

Compared to this figure’s fist, Qin Yu was insignificant!

That Fist was almost bigger than Qin Yu’s body!

“Boom!”

At the instant of the collision, a powerful internal Qi instantly exploded on Qin Yu’s fist!

In the next second, Qin Yu’s body was instantly sent flying. Like a bullet, he was fiercely embedded into the ground!

“Boom!”

A huge crater was created on the ground. With just one punch, cracks appeared on Qin Yu’s body!

“As expected of the ten thousand demonic statues!” Everyone exclaimed in shock!

Following that, the huge figure clenched his fist and smashed it fiercely in Qin Yu’s direction.

One punch, two punches, three punches!

The entire ground was like an earthquake as it rumbled. The martial arts academy's buildings could not withstand the force and began to crumble!

Chapter 653: Chapter 653, the weapon of a martial saint!

The huge figure's fist continued to smash towards the ground. The entire ground had already collapsed, but it did not show any intention of stopping!

Everyone could not help but suck in a cold breath!

With such strength, even steel would have been flattened, right?

Everyone looked at this bloody scene, and a trace of solemnity appeared on their faces.

“Boom! Boom! Boom!”

The sound of the fist was like thunder exploding in the sky.

The ground had already collapsed by a few meters, and the martial arts academy had been reduced to ruins!

Just when everyone thought that Qin Yu had been beaten flat, a golden light suddenly burst out from the pit!

The golden light exploded like a bomb. Then, a golden fist stretched out from the huge pit to meet the huge fist of the figure!

The huge fist stopped sinking! It even kept retreating!

“Ah! ! !”

An angry roar came from the huge pit!

Then, a huge golden giant crawled out from the huge pit!

It was Qin Yu! At this moment, he was extremely huge, and the golden light was even more dazzling!

“Limitless Dharma Idol!” Qu Xie’s face quickly turned ugly when he saw this technique!

Qin Yu crawled out of the huge pit. His huge body gave off a strong pressure!

“F * ck you!” Qin Yu was furious. He clenched his fist and smashed it at the ten thousand demonic statues!

The two giants began to fight at this moment!

Qin Yu’s body was stained with blood, but his internal Qi didn’t decrease at all!

The more he fought, the braver he became. His fierce fist forced the ten thousand demonic statues to retreat!

“Go to hell!”

Following Qin Yu’s furious roar, the blue veins on his arm bulged. His huge golden fist ruthlessly smashed onto the face of the myriad devil statue!

“Boom!”

The strength of this punch was incomparably terrifying. The myriad devil statue actually fell to the ground!

The scene stirred up waves of dust, causing the ground to sink even more!

Qin Yu seemed to have gone mad. His eyes were wide open and he wanted to give him a taste of his own medicine!

His golden fist continuously smashed towards the myriad devil statue!

One punch, two punches, three punches!

The huge figure looked extremely shocked. Even the young masters of the various aristocratic families could not help but feel a wave of shock in their hearts!

“Ah! ! !”

Qin Yu seemed to have gone mad. He grabbed the arm of the myriad devil statue and with a furious roar, he directly grabbed his arm!

Then, Qin Yu swung his fierce fist and smashed it on his head.

He punched countless times until the golden light on Qin Yu's body started to dissipate!

The head of the ten thousand demonic statues seemed to be about to explode, and the black-gold robe that was controlling the ten thousand demonic statues was vomiting blood non-stop, as if it couldn't take it anymore!

“This kid must die!” Qu Xie was extremely furious!

The strength that Qin Yu had displayed today had already begun to scare Qu he!

If he was allowed to continue growing, he would definitely become a great enemy of the Jingdu Martial Arts Association in the future!

“Boom!”

Another punch landed, and finally, the ten thousand demonic images couldn't take it anymore.

His huge head directly shattered, and then his body began to disintegrate!

“Pu!”

Several black-gold robes were immediately shaken until they vomited blood, and their internal Qi became even more dispirited!

“The ten thousand demonic statues... lost!” Yan Jinyao couldn't help but clench his teeth!

He had seen the ten thousand demonic statues before. That was a holy spell, and its power was unimaginable!

But now, they were actually defeated at the hands of Qin Yu. How could he endure this! !

Qin Yu's Infinity Dharma Idol still didn't disintegrate. He looked at Qu Xie with a pair of cold eyes.

“Qu Xie, I'm coming to take your dog life!” Qin Yu shouted!

Then, Qin Yu took a step forward and punched at Qu Xie with his Golden Fist!

Qu Xie said coldly, “Junior, you don’t know what’s good for you. Today is the Day You Die!”

Qu Xie took out a long ruler. The moment he took it out, an extremely terrifying force spread out!

“Prajna ruler! A martial saint weapon!” Someone recognized this magic weapon!

As Qu Xie activated the Prajna ruler, a terrifying force instantly smashed towards Qin Yu!

“Boom!”

The moment it touched Qin Yu’s body, his body was sent flying, and his fist was dripping with blood!

This was the terrifying aspect of a martial saint weapon! Even the Wuji aspect could not be compared to it!

“Today is the Day You Die!” Qu Xie said coldly.

Then, he activated the Prajna ruler again and charged at Qin Yu!

Qin Yu raised his head and roared furiously. He activated all the power in his body and charged forward again!

However, the martial saint weapon could not be resisted. All of Qin Yu’s power was not even worth mentioning in front of the Prajna ruler!

His body was sent flying and his body was almost shattered! His internal Qi also quickly withered!

“This is the terror of the Martial Saint Weapon,” Yao Meng said in a deep voice.

“Unless one has become a martial saint, no one can fight against the martial saint weapon.”

Qin Yu’s expression was also extremely ugly. Just two light collisions had caused Qin Yu to be heavily injured!

All of his spells seemed to be nothing in front of the martial saint weapon!

The Wuji Dharma Idol also began to disappear, and Qin Yu returned to his normal state.

He struggled to get up from the ground. He was even more secretive about the martial saint weapon, and a trace of fear emerged in his heart.

“This won’t do. I’m afraid I won’t be able to withstand the third attack.” Qin Yu thought to himself.

He forcefully adjusted his state, and then he used the shrinking earth to become an inch and rushed towards the round altar!

At the instant he rushed over, Qin Yu took out his bronze sword!

Then, he saw Qin Yu holding the sword with both hands and fiercely slashing towards the tube attached to Yan Ruoxue’s body!

Since he could not defeat this martial saint weapon, then he would think of a way to escape with Yan Ruoxue!

“HMPH, do you think you can save her!” Xie Qu sneered.

He once again activated the martial saint weapon and smashed it towards Qin Yu!

Qin Yu's expression changed drastically. He hurriedly summoned the five mountains to meet the Attack!

“Clang!”

This attack made the five mountains humming and trembling. In the next second, it was sent flying!

“Oh no!” Qin Yu's expression changed drastically when he saw this!

This was the first time the five mountains had lost its effect! The power of the martial saint weapon was far beyond Qin Yu's imagination!

“Qin Yu, I've let you live for so long. Today will be the day of your death,” Qu Xie said coldly.

The Prajna ruler in his hand flickered with light as if it was brewing an extremely strong killing intent!

Waves of terrifying internal Qi spread out. Just the aura alone was enough to make everyone vomit blood!

Qin Yu's expression was extremely unsightly. Under this attack, he would die without a doubt!

“Go to hell!”

Qu Xie roared furiously, and his prajna ruler shook. A terrifying power instantly crushed towards Qin Yu!

“This is the only way!” Qin Yu gritted his teeth and roared furiously. He immediately took out the two male corpses from his spatial divine weapon and welcomed them!

Chapter 654: Chapter 654, terrifying male corpses!

Qin Yu directly took out these two male corpses from his spatial divine weapon!

However, he was also very uncertain in his heart. Facing a martial saint weapon, no one knew if these two male corpses would be able to withstand it or not!

“Whoosh!”

Looking at the two corpses that flew out, everyone was stunned for a moment.

“What are those things?”

“They seem to be... corpses?”

“Is this Qin Yu Crazy? Using two corpses to fight against a martial saint weapon?”

Even Qu Xie could not help but burst into laughter.

“Do you think two corpses can die in your place? Childish!” Qu Xie shouted!

The two corpses faced the light of the martial saint weapon!

Qin Yu said helplessly in his heart, “Senior, I’m sorry. I can only treat you as meat balls.”

Just as everyone was laughing, the two corpses had already come forward to welcome them!

“Clang! !”

A loud sound rang out, and waves of terrifying qi billowed out in all directions!

Everyone was forced back several steps by this internal Qi! Qin Yu hurriedly used his physical body to protect Yan Ruoxue!

“Hahahaha, Qin Yu, your two corpses... eh? !” Before Qu Xie’s voice could fade away, his expression suddenly changed!

The two corpses were completely unharmed! The supposedly indestructible martial saint weapon did not even leave a single white mark!

“How... how is this possible!” Seeing this scene, everyone sucked in a breath of cold air!

What kind of corpses were those? They could actually withstand a martial saint weapon?

“They can indeed withstand it!” Seeing this, Qin Yu could not help but heave a sigh of relief.

The abilities of these two corpses far exceeded Qin Yu’s imagination!

Even a martial saint’s weapon was not worth mentioning at all!

“If I can revive them... then who in the world can stop me!”Qin Yu could not help but feel a little excited!

Not far away, Qu Xie flew into a rage!

A dignified martial saint’s weapon could not even break two corpses. How could he endure this! !

“Kid, don’t be happy too soon. It was just a small test,”qu Xie said coldly.

He raised the Prajna ruler and streams of internal Qi surged into the ruler.

The entire prajna ruler immediately flashed with light. Waves of extremely old aura spread out from the Prajna ruler!

Just this wave of internal Qi alone made people feel suffocated. Some people even vomited blood on the spot.

For a moment, a trace of seriousness appeared on everyone’s faces.

“Retreat!”Yan Jinyao said coldly.

Many young masters of the aristocratic families immediately shot backward, afraid that they would die under the power of this martial saint weapon.

Qin Yu’s expression was equally solemn. He took out a male corpse and placed it in front of him to resist the remaining power.

The other male corpse was prepared to use it to resist this martial saint weapon!

“Senior, I have offended you, but I really have no other choice. I hope you can forgive me.” Qin Yu cupped his hands towards the male corpse and did not say anything else. He looked at Qu Xie coldly.

“Qin Yu, go to Hell!” Qu Xie roared angrily and swung the prajna ruler in his hand towards Qin Yu!

In an instant, a stream of light rippled over like water ripples!

Its power could shake the sky and shake the Earth, and the wind and clouds churned!

“What terrifying power!” The young masters of the aristocratic families could not help but turn pale!

If they were to face this martial saint weapon, they probably would not have the slightest chance of surviving!

Looking at the surging light, Qin Yu shouted and immediately threw the male corpse in his hand over!

“Boom!”

A huge explosion occurred at the scene! For a moment, thick smoke billowed!

Waves of residual power swept out in all directions. Qin Yu hurriedly placed the male corpse in front of him to resist the residual power!

Taking advantage of this gap, Qin Yu looked at Yan Ruoxue.

“Ruoxue, I’ll think of a way to save you now.” Qin Yu’s hand shook as he took out the bronze sword!

Following that, Qin Yu held the bronze sword in his hand and ruthlessly slashed at the pipe!

“Clang!”

A crisp sound was heard, but the pipe did not move at all!

Qin Yu’s expression could not help but change drastically! He said in a low voice, “How... how could this be! Even black gold stone can’t be so hard!”

Qin Yu did not give up. He held the bronze sword in his hand and slashed at the pipe again!

Numerous densely packed characters immediately appeared on the pipe. These characters flickered with light and were quite dazzling.

“Could it be because of these characters?” Qin Yu couldn’t help but frown.

Qin Yu didn’t recognize any of these characters. He didn’t even know what their origins were.

But it was very obvious that it was impossible to break these characters with brute force!

“Hurry up and leave...” Yan Ruoxue said in a low voice.

“If you die, there’s no point for me to live anymore.”

“At least I’m still safe now. If you’re caught, they’ll kill you...”

Hearing Yan Ruoxue’s words, Qin Yu’s expression was extremely unsightly.

But Yan Ruoxue was right. If he was caught, there was only one outcome, and that was death!

“Ruoxue, I have my own plans.”Qin Yu took a deep breath.

“Wait for me. It Won’t be long before I take you out of the Jingdu Martial Arts Association!”

Not far away, the smoke and dust gradually dispersed.

The air was filled with the smell of gunpowder.

Everyone was staring at that spot, eager to know the result.

Crack

Finally, the male corpse fell to the ground unharmed.

His body was perfect, and not even a white mark was left.

“How... how is this possible!”Qu Xie’s eyes widened! His expression was as if he had seen a ghost!

“What... What is this thing? How can it be so hard!”

Everyone sucked in a breath of cold air!

Just his physical body alone had withstood the full-force attack of the martial saint artifact. Just what kind of creature was this?

“Looks like the handlebar mustache didn’t lie to me. The strength of these two corpses probably far surpasses that of a mighty figure.”Qin Yu’s eyes flickered with a sharp light.

Now was definitely not the time to continue pestering. Although Qin Yu knew that if he wasn't captured, the Jingdu Martial Arts Association would continue to torture Yan Ruoxue.

However, Qin Yu had already come up with a plan in his heart.

He put away the two male corpses and then looked at Yan Ruoxue.

"Ruoxue, wait for me." Qin Yu gritted his teeth and put away the male corpses. He immediately used shrinking earth into an inch and turned to leave.

"You want to leave? In your dreams!" Xie Qu flew into a rage!

In order to capture Qin Yu, they had gone to great lengths. If they failed again, the Jingdu Martial Arts Association would lose all its face!

Looking at the direction Qin Yu had fled to, Qu Xie's eyes turned cold. Then, he grabbed the Prajna ruler and swung it in Qin Yu's direction!

An extremely terrifying power of a martial saint surged towards Qin Yu!

Its speed was extremely fast, and it did not even have the time to react!

"Boom!"

This attack smashed fiercely onto Qin Yu's back!

With just one attack, Qin Yu's body began to shatter.. His entire body was dyed red with blood, and his body fell from midair.
