

## My Rich Wife – Chapter 655 –

Chapter 655: Chapter 655, the martial saint's Attack!

Qin Yu's entire back was almost rotten, and even his bones were exposed.

His internal organs were all greatly impacted, and he lay on the ground in extreme pain.

“Wah!”

A mouthful of fresh blood was spat out from Qin Yu's mouth! Intense pain spread throughout his entire body!

This was the power of the martial saint's weapon! Just a casual attack had broken through all of Qin Yu's defenses!

“HMPH, let's see how you run!” Qu Xie said coldly.

He withdrew the Prajna ruler and Strode toward Qin Yu.

Qin Yu gritted his teeth and forced himself to stand up again.

Then, Qin Yu exerted all of his internal Qi to shrink the ground into an inch and run away!

Qu Xie's face turned cold, and he shouted angrily, “You can still stand up! Your body is beyond imagination!”

He looked at Qin Yu coldly and sneered, “Even if you don't die, you will be seriously injured. Let's see where you can run to!”

Then, Qu Xie looked at the black-gold robes and shouted, “Go and catch him for me!”

These few black gold robes were also heavily injured, but they naturally did not dare to disobey Qu Xie’s orders. They could only get up and chase after Qin Yu.

Qu Xie looked at Yan Ruoxue. The reason why he did not chase after her personally was because he was afraid someone would take the opportunity to kidnap Yan Ruoxue.

On the other side, Qin Yu was desperately trying to escape.

This martial saint’s attack had caused him great injuries. Blood kept spurting out of his mouth.

Even so, Qin Yu still did not dare to stop. Once he was captured, he would die without a doubt!

Fortunately, those few black gold robes were also heavily injured. Their speed was not fast, and they were far inferior to Qin Yu.

After more than ten minutes, Qin Yu had completely disappeared.

The few of them stood where they were and frowned, “We let him escape. What should we do now?”

“What else can we do? We were already injured, how could we catch up?”

“Let’s go back and report.”

The few of them looked at each other and returned to the martial arts academy.

“President Qu, we didn’t catch him,”they said as they walked forward.

Qu Xie’s expression changed. He could not help but fly into a rage. “You bunch of trash! He was hit by a martial saint and is heavily injured. How can you not catch up? !”

“President Qu, our bodies are also heavily injured,”the few of them said in a low voice.

Qu Qu gritted his teeth and said, “Trash, trash!”

The black-gold-robed men stood there silently, allowing Qu Qu to curse at them.

The faces of the young masters from the other aristocratic families were gloomy. Among them, the one in the worst mood was naturally Yan Jinyao.

“That black-robed man... is actually Qin Yu!”Yan Jinyao clenched his teeth!

He, the number one young master, had actually been surpassed unknowingly!

“I thought that black-robed man was an old monster who had cultivated for several years. I didn’t expect it to be Qin Yu.”Zhuang teng sighed from the side.

“To cultivate to such a realm in less than two years, it’s really... terrifying.”Chu Heng also nodded slightly.

“We so-called young masters of aristocratic families, I’m afraid we will be completely suppressed by this Qin Yu.”

Yan Jinyao coldly glanced at everyone. He didn't say anything and turned around to leave.

“What's there to be arrogant about? I, Kong Yun, will definitely surpass that Qin Yu!”Kong Yun shouted loudly.

After that, he also turned around and left.

The young masters of the various families left the scene one after another. Soon, there were only three people left: Yao Meng, Chu Hedao, and Xiao Yuan.

“I really didn't expect that the black-robed man who caused the Jingdu Martial Arts Association a great deal of trouble was actually brother Qin,”Xiao Yuan said with a smile.

“Yeah, I didn't expect it either.”Yao Meng's beautiful eyes were also somewhat surprised.

Chu Hedao, who was at the side, said, “I think the strength of the two of you should not be below Qin Yu's.”

Once these words were said, the two of them shook their heads slightly and said, “Brother Chu, you think too highly of us. Even Yan Jinyao might not be his match, let alone the two of us.”

Chu hedao said indifferently, “I think the two of you might have already surpassed Yan Jinyao's strength.”

After saying this, Chu Hedao also left this place.

...

Qin Yu ran all the way back to his own private room.

His aura was rather dispirited. Waves of piercing pain came from every part of his body, and there were even bones that were shattered in his body.

With Qin Yu's current state, not to mention fighting against the marquis, even a martial grandmaster would be able to kill Qin Yu!

“As expected of a martial saint weapon...”Qin Yu was extremely weak as he spat out another mouthful of blood.

He sat cross-legged on the ground and tried his best to recover from his injuries.

However, his injuries this time were too severe. It was impossible for him to recover in a short period of time! It would take at least half a month!

However, half a month was too much of a luxury for Qin Yu. He had too many things to do and could not afford to waste half a month.

Qin Yu leaned against the wall and struggled to support his body.

He took out the two male corpses and examined them carefully.

As expected, the two male corpses were intact.

“The people accompanying the two men are so terrifying. I really don't know how powerful the masked woman is...”Qin Yu could not help but think to himself.

Then, Qin Yu put away the two male corpses and began to treat his wounds.

...

After only half a day, the news had already spread throughout Jingdu!

The news that Qin Yu was the black-robed man shocked everyone!

“That Qin Yu is actually this powerful?”

“I originally thought that he was Qin Yu’s master, but I didn’t expect it to be him...”

“It seems that we have all underestimated Qin Yu’s talent. If this child doesn’t die, his future cultivation will probably be far beyond our imagination!”

“If he doesn’t die, he will definitely have good fortune! There will be a good show to watch. I’m afraid the various aristocratic families are starting to get anxious, right?”

The higher-ups of the Jingdu Martial Arts Association held a meeting for this!

“No matter what, we must get rid of this Qin Yu, even if we have to use all means!”The higher-ups gave Xie Qu an ultimatum!

At the same time, the higher-ups gave Xie Qu permission to use the purple robe!

As long as he could get rid of Qin Yu, everything was worth it!

...

The sky gradually darkened. Qin Yu was hiding in the private room and felt a chill.

The injuries on his body made him look extremely weak. He couldn't even resist the cold wind.

Qin Yu opened his eyes with great difficulty. He forced himself to stand up and was ready to leave.

“TSK tsk, his injuries are so serious. If we don't treat him quickly, people will die.”

At this moment, a familiar voice was heard.

Raising his head, he saw a figure squatting in the corner of the wall.

This person was none other than the handlebar mustache!

Qin Yu hurriedly looked at the handlebar mustache and said anxiously, “Have you prepared everything?”

Chapter 656: Chapter 656, Qin Yu's plan

The Mustache Man jumped down from the wall.

He walked in front of Qin Yu and rolled his eyes. “You're already injured, and you still have the mood to ask this?”

How Could Qin Yu listen to all this? He said anxiously, “Are the things ready or not?”

The Mustache Man shook his head. “It's not that simple. I'm still lacking a material. I need you to go with me.”

“But looking at you now... I'm afraid you won't be able to go.” The Mustache Man spread his hands and said.

Qin Yu frowned and said, “You need me to go with you ? Why ?”

The mustache man said seriously, “I need your constitution.”

Qin Yu immediately fell into silence. He gritted his teeth and said, “Okay, I’ll go with you now.”

“If you go now, you’re going to die.”The Mustache Man shook his head and said.

“Even if you’re at Your Peak Condition, you may be seriously injured. In this state, you’ll definitely die.”

Having said that, the mustache man patted Qin Yu’s shoulder and said, “Fellow Daoist, you’d better take good care of your body first. There are some things that can’t be rushed.”

Qin Yu didn’t say anything, as if he was thinking about something.

A moment later, he looked at the mustache man and said, “Wait for me for a week. I’ll go with you in a week.”

“A week ?”The man with the handlebar mustache raised his eyebrows.

He sized up Qin Yu and said, “Do you think your injury can be cured in a week ?”

Qin Yu smiled bitterly and said, “There are some things that I can’t explain to you. In short, come and find me in a week.”

Seeing this, the man with the handlebar mustache could only nod and say, “Since you’re so stubborn, okay.”

Qin Yu grunted in gratitude, then turned around and was about to leave.

“Where are you going?”The moustache man hurriedly asked.

“I’m going to do something,”Qin Yu said.

After saying this, Qin Yu no longer paid attention to the moustache man.

He supported his body with great difficulty and left the house.

Looking at Qin Yu’s back, the moustache man couldn’t help but squint his eyes.

“TSK TSK, this kid is really hardworking,”the mustache man said in a low voice.

...

Xia Hang’s home.

A man covered in a black robe was sitting on the sofa, panting heavily.

This man was none other than Qin Yu.

His eyes were half open, as if he would close them at any time.

Even though Qin Yu wrapped himself tightly with his clothes, fresh blood still seeped through the black robe and dripped onto the sofa.

The entire room was filled with the stench of blood.

Xia Hang, who had returned home, quickly found Qin Yu lying on the sofa.

He quickly walked in front of Qin Yu and said coldly, “You still dare to come! Now, the Jingdu Martial Arts Association is arresting you and the authorities are looking for you. Don’t you know!”

Qin Yu grinned and said, “Of course I know... Xia Hang, I came to look for you because I have something important.”

“What is it?” Xia hang asked coldly.

Qin Yu wiped the blood from the corner of his mouth and said in a weak tone, “If I want to take down the Jingdu Martial Arts Association, I will need your cooperation... only by working together from the inside will I have a chance.”

Xia hang said coldly, “I have already made it clear to you last time that my position in the Jingdu Martial Arts Association is just an empty position.”

“And ever since what happened last time, Qu Xie doesn’t trust me anymore.”

Qin Yu waved his hand weakly and said, “I’ll give you a chance to get real power and Regain Your Trust.”

“A chance? What Chance?” Xia hang frowned.

Qin Yu pointed at his nose and said, “As long as you capture me back, you’ll naturally regain your trust and the attention of the higher-ups.”

“Bring You Back?” Xia hang raised his eyebrows and then sneered, “Do you know that you will definitely die after being brought back?”

“This has nothing to do with you.” Qin Yu waved his hand.

He slowly stood up and said, "Make preparations. When the time comes, I will cooperate with you and let you bring me back."

Hearing this, Xia hang sneered and said, "Qin Yu, with your current state, I'm afraid you are not my match. If I want to bring you back, why wait for you to give me a Chance?"

As he spoke, a strong killing intent burst out from Xia Hang's body.

Qin Yu turned around and glanced at Xia hang. He did not hide anything and nodded, "That's right. In my current state, you can indeed take me back at any time."

"Now, the choice is in your hands."

Qin Yu sat on the sofa and looked at Xia hang quietly.

Their eyes met, and for a moment, the atmosphere froze. After a long time, the two of them did not say a word.

"I admire you."

Finally, Xia hang shook his head.

He withdrew the murderous aura from his body and sat next to Qin Yu.

"Qin Yu, you really put in a lot of effort. Is there any meaning to it? What do you want? Just for a woman?" Xia hang lit a cigarette.

Qin Yu said, "You, who grew up in the upper class, of course you wouldn't understand."

"You also wouldn't understand how warm the beam of light that shot into your life when it was dark."

Xia hang took a puff of his cigarette and slowly said, “Qin Yu, haven’t you ever thought that if I really captured you today, everything that you worked so hard for would be for naught?”

Qin Yu glanced at Xia hang and said, “Of course I know, but you are an indispensable part of my plan.”

“If you didn’t catch me today, I would be able to truly trust you.”

At this point, Xia Hang asked with some confusion, “If I caught you, you would be dead.”

“It wasn’t easy to escape from the Martial Saint Weapon, why do you still want to go back?”

Qin Yu sighed and said, “If I didn’t get caught, they would definitely think of a way to torture Yan Ruoxue and force me to show myself.”

“So, it’s only a matter of time before I get caught.”

“Rather than being caught like this, it’s better for you to catch me.”

“As for whether I will die... it still depends on whether my next plan can succeed.”

Xia hang heard this and sighed slightly, “You are meticulous and brave. Maybe you can really succeed.”

Qin Yu didn’t say anything more. He stood up with difficulty and turned around to leave.

After leaving Xia Hang’s house, Qin Yu didn’t go back. Instead, he prepared to head to another place.

This place was a residence near the military district of Jingdu.

One kilometer away from the military district of Jingdu, there was a small two-story building that was neither too big nor too small. This was also the only private house within a radius of several Li.

The person who lived here was none other than ye Qing, the god of war in the Military District!

It was already late at night, and the surroundings were completely silent. The lights of this two-level building had been turned off long ago.

Unlike the higher-ups of the Military District, not only did ye Qing not live in the Military District, his residence was also not guarded by any guards.

The reason was because ye Qing did not need anyone to protect him!

At this moment, Qin Yu was leaning against the wall, standing at the door without saying a word, as if he was waiting for something.

Upstairs, Ye Qing, who had fallen asleep, suddenly opened his eyes at this moment!

“Someone is coming.” Ye Qing narrowed his eyes. He took the opportunity to grab his coat and jumped down.

“Officer Ye...” seeing ye Qing, Qin Yu forcefully supported his body and cupped his hands.

“Qin Yu?” Seeing Qin Yu in front of him, ye Qing’s face couldn’t help but turn cold.

“Qin Yu, how dare you! You still dare to come and find me!”Ye Qing strode forward, the aura on his body suddenly burst out!

Chapter 657: Chapter 657, why are you helping me?

Ye Qing’s aura was extremely strong. Under the explosion of this internal Qi, Qin Yu couldn’t bear it anymore. He spat out a mouthful of blood and half-knelt on the ground!

Looking at Qin Yu’s expression, Ye Qing couldn’t help but frown.

He said coldly, “Qin Yu, do you know that we are all trying to capture you right now ? !”

“You caused a scene at the auction and injured so many people. How dare you show yourself ? !”

Qin Yu wiped the blood from the corner of his mouth and said, “I came to find you because of something important.”

“Something important ?”Ye Qing narrowed his eyes and said coldly, “What is it ?”

“I want to cooperate with you.”Qin Yu leaned against the wall and slowly stood up.

Hearing this, Ye Qing couldn’t help but laugh out loud, “Qin Yu, who do you think you are to cooperate with me ? Do I need to cooperate with you ? !”

“You’ve hurt so many people and have already broken the law. I’ll Take You Back Now !”

Qin Yu gritted his teeth and continued, “Officer Ye, even if you want to take me, it’s not at this moment. Why Don’t you listen to what I can bring you...”

Ye Qing’s eyes narrowed, as if he felt that what Qin Yu said made sense.

He said coldly, “Alright, I’ll give you three minutes.”

Qin Yu looked at ye Qing and said: “You should know that I am an apothecary and I possess many heaven ranked pill formulas.”

“So?” Ye Qing cast a glance at Qin Yu.

Qin Yu continued: “I can provide pills for the military district of Jingdu, or even the entire fire country.”

“This kind of pill can greatly increase the strength of a warrior!”

“Other than that, I also possess a breathing exercise. This breathing exercise can allow everyone to feel the Qi/spiritual energy and allow all warriors to become warriors!”

This breathing exercise was left behind by Qin Yu’s father. Qin Yu had only taught it to Yao Qing.

But now, Qin Yu had no other way. If he wanted to negotiate with ye Qing, he had to spend a lot of money.

Ye Qing narrowed his eyes. He sized up Qin Yu and said coldly, “What do you want?”

Qin Yu wiped the blood from the corner of his mouth and said, “I want you to fish for people.”

“Get Yan Ruoxue?” Ye Qing asked.

Qin Yu shook his head and said, “No, get me.”

This immediately made Ye Qing very confused.

“Get You? Aren’t you standing here?” Ye Qing frowned and said.

Qin Yu shook his head and said, “I will soon be captured by the Jingdu Martial Arts Association. If I am captured, the Jingdu Martial Arts Association will definitely kill me.”

“I hope that at that time, officer Ye can represent the military district of Jingdu and go to the JINGDU martial arts association to ask for someone.”

Ye Qing couldn’t help but coldly say, “If you have the time, why don’t You Run Away?”

“I don’t want to run, I want to be safe!” Qin Yu said coldly.

“Can I escape for a day, can I escape for a Lifetime? Do you want me to run abroad and never come back?”

“Moreover, Yan Ruoxue is in their hands. They will definitely use Yan Ruoxue to force me to show myself.”

Ye Qing seemed to understand what Qin Yu meant. He narrowed his eyes slightly and said, “Qin Yu, you dare to come and negotiate with me? Aren’t you too confident?”

“Why do I have to go through so much trouble? I can directly capture you and force you to hand over the pill formula and the breathing exercise!”

Qin Yu wiped the blood from the corner of his mouth and sneered,  
“Officer Ye, you can try and see if I can open my mouth...”

“Are you provoking me?” Ye Qing’s face turned cold, and the aura on his body suddenly exploded.

Facing the intense pressure from Ye Qing, Qin Yu was not afraid at all.

He looked straight at Ye Qing, his gaze neither servile nor overbearing.

“Officer Ye, he has suffered such serious injuries. Don’t tease him anymore.”

At this moment, a head suddenly popped out from the second floor.

With a glance, he saw the pavilion master standing in front of the window.

Qin Yu was stunned and said in surprise, “Pavilion Master? Why are you here?”

The pavilion master shook his head and didn’t explain.

Ye Qing, who was downstairs, also withdrew his imposing manner. He waved his hand and said with a smile, “She came here to look for me naturally because of you.”

Qin Yu opened his mouth and was about to speak when Ye Qing waved his hand and said, “Let’s go. Let’s go upstairs first.”

Qin Yu followed Ye Qing upstairs in a daze.

In the tea room.

Qin Yu sat in front of the two of them, his face filled with doubt.

“I didn’t expect that you could survive under the Martial Saint Weapon.”The pavilion master drank a mouthful of tea and said indifferently.

Qin Yu smiled bitterly and said, “I was just lucky.”

“Pavilion Master, why are you here?”Qin Yu asked.

Ye Qing, who was at the side, explained, “The two of you really have the same idea. Ji Yuhong also wants me to go to the JINGDU martial arts association to ask for her.”

“But I didn’t expect you to escape.”The pavilion master smiled and said.

Hearing this, Qin Yu couldn’t help but feel warm in his heart.

“Pavilion master, thank you.”Qin Yu wanted to stand up and bow to her, but his injuries were too serious, and it was difficult for him to even stand up.

“Sit there obediently.”The pavilion master waved his hand, and a gentle force pressed on Qin Yu’s shoulder.

Qin Yu’s eyes expressed his gratitude, and then he looked at ye Qing and said, “Officer Ye, no matter what, please promise me.”

Ye Qing said in a deep voice, “To be honest, if it weren’t for Ji Yuhong’s face, I wouldn’t have made any deal with you.”

The pavilion master said with a smile, “Qin Yu can be considered to have done meritorious service for the Military District.”

Ye Qing nodded and said, “That’s right, Qin Yu. Even if you don’t come to find me, I will go to the JINGDU martial arts association to ask for someone.”

Qin Yu was stunned, and the confusion in his eyes intensified.

Ye Qing said faintly, “After all, you are a member of the Chuzhou region’s military district. You belong to the Military District. The Jingdu Martial Arts Association has no authority to deal with you.”

Hearing this, Qin Yu immediately heaved a sigh of relief.

He nodded slightly and said, “Thank you, Officer Ye.”

Speaking up to this point, Qin Yu suddenly thought of something.

He asked tentatively, “Officer Ye, can you help out and save Ruoxue as well?”

“Qin Yu.”Hearing this, the pavilion master couldn’t help but lightly drink.

Ye Qing took a sip of tea and said calmly, “Qin Yu, as I said before, don’t think too highly of yourself.”

“The first reason why I helped you is that you can indeed bring benefits to the military district.”

“The second reason is that you are a member of the military district. All of this is under the premise of complying with the rules.”

“As for the matter of the Yan family, I have no right to interfere, and I won’t interfere.”

Qin Yu smiled bitterly and said, "I'm sorry. I Was Rude."

The pavilion master smiled and tried to smooth things over, "Qin Yu is still young. Don't argue with him."

Ye Qing nodded and said, "It's getting late. It's time for me to rest."

After saying this, ye Qing turned around and walked out.

"You can recuperate here for the next few days," said the pavilion master.

Then, the pavilion master flipped his palm and took out the medicinal cauldron with the Phoenix carved on it, as well as many herbs.

"I will try my best to help you recuperate these few days," said the pavilion master.

Qin Yu nodded. Then, he raised his head to look at the pavilion master and said in a low voice, "Lord Pavilion Master, I have always had a doubt in my heart. That is.... Why are you helping me?"

Chapter 658: Chapter 658, Little Fish and the masked woman

All along, the pavilion master had been taking care of Qin Yu, but Qin Yu knew in his heart that there was absolutely no kindness for no reason.

This question had been hidden in Qin Yu's heart for a long time.

The Pavilion Master looked at Qin Yu and shook his head after a while.

"There's no reason," the pavilion master said with a somewhat cold tone.

Qin Yu furrowed his brows. He wanted to continue asking more questions, but the pavilion head did not give him the chance. He just waved his hand and said: “You should go and rest. If you are injured, you should rest well.”

Before he could finish his words, Qin Yu felt a gentle and gentle force coming towards him.

Qin Yu immediately felt a strong sense of sleepiness and within a short moment, he fell into a deep sleep.

... . .

At that moment, the entire Jingdu, and even the entire fire country’s martial world, had exploded into a pyro.

The news that Qin Yu was the black robed man had spread like wildfire, and his glorious battle record had shocked everyone.

The Yan family and the Han family were the first to bear the brunt of the news, and their relationship with Qin Yu had soured. Now that they had seen Qin Yu with such a high level of cultivation, they were naturally a little worried.

“That black robed man... . . is actually Qin Yu.”Yan Si Hai’s eyes narrowed slightly, his eyes bursting with a strong killing intent.

He looked at Yan Jinyao and said, “With your current strength, are you a match for him?”

Yan Jinyao’s expression didn’t look too good. He said in a deep voice, “Although I don’t want to admit it, it’s very difficult for me to defeat him now.”

Hearing this, Yan Sihai took a deep breath.

“This Qin Yu has already escaped death many times. We can’t let him continue to grow,” Yan Sihai said coldly.

“No matter what connections we use, we must get rid of him!”

It was very clear that Yan Sihai was serious this time.

The contempt he had for Qin Yu all this while had allowed him to grow to this level. Now, he could no longer sit idly by.

“Father, tomorrow I will go to the Jingdu martial arts association and cultivate in seclusion,” Yan Jinyao said coldly.

It was very clear that this matter had dealt a great blow to Yan Jinyao.

He had already held the title of number one in the younger generation for too long. Now that he had been surpassed, Yan Jinyao couldn’t accept it at all.

It wasn’t just Yan Jinyao. All the young masters in Jingdu had the same thought.

In just one night, several young masters had chosen to cultivate in seclusion.

Some were happy, while others were sad. People like Deng Sheng and Yan Guiyi were already panicking.

They knew very well that with Qin Yu’s vengeful personality, he would never let them go.

...

In the next few days, Qin Yu stayed at ye Qing's residence.

The outside world was already in an uproar. Elites from all walks of life had been sent out to capture Qin Yu!

This included the Jingdu Martial Arts Association and even the official forces!

With the Yan and Han families taking action, it was almost impossible for Qin Yu to escape.

But in the blink of an eye, three days had passed and there was still no sign of Qin Yu.

They had almost turned the entire fire country upside down and they were still unable to find Qin Yu.

“That's really strange. Where exactly did this kid run off to?” At that moment, everyone asked.

Another three days passed.

Under the meticulous care of the pavilion master, Qin Yu's injuries had almost fully recovered.

He tidied up his clothes, changed into a set of clothes, and prepared to leave.

“Lord Pavilion Master, you must let officer ye go and get him.” Before leaving, Qin Yu said in a deep voice.

The pavilion master nodded slightly and said, “Don't worry. Since ye Qing has promised you, he will definitely do it.”

“Qin Yu, everyone is looking for you outside. You’d better be careful in your actions.”The pavilion master exhorted.

Qin Yu smiled and said, “If I’m too careful, how can they catch me?”

After saying this, Qin Yu shook his head, turned around and left.

Since he was going to be caught, he had to make a scene. Only in this way could the Jingdu Martial Arts Association Trust Xia Hang.

Therefore, Qin Yu aimed at the Saint Confucian school.

This was probably the best and most reasonable way.

Before heading to the Saint Confucian School, Qin Yu was the first to return to Chuzhou. He planned to go and see Little Yu.

That mask was of great importance. There must not be any accidents.

Chuzhou, outside Uncle Wu’s house.

Unlike the usual hustle and bustle, this place was extremely deserted today.

It was already late autumn. The fallen leaves in the courtyard added to the sadness.

Qin Yu frowned slightly. He released his spiritual sense and quickly caught a figure at home.

Qin Yu looked around and then strode into the room.

As soon as he entered, Qin Yu saw Uncle Wu sitting on the sofa drinking wine. He looked much older.

“Uncle Wu, what happened?” Qin Yu couldn’t help but ask.

Hearing Qin Yu’s voice, Uncle Wu was stunned.

He quickly got up. A hint of surprise flashed across his face, but then he panicked.

He hurriedly pulled Qin Yu and whispered, “Qin Yu, are you crazy? Everyone outside is looking for you now!”

Qin Yu smiled and said, “I know, Uncle Wu. I’ll leave in a while.”

Uncle Wu frowned. He closed the door tightly and then pulled Qin Yu to sit down.

“Uncle Wu, during this period of time... did something happen?” Qin Yu seemed to have noticed Uncle Wu’s abnormality.

Uncle Wu sighed slightly and said slowly, “The Yan family interfered. I was stripped of my position. It’s already good enough that I can still live here.”

Qin Yu’s expression changed slightly. He didn’t expect the Yan family to actually attack these ordinary people.

“Uncle Wu, I’m sorry.” Qin Yu stood up with a somewhat apologetic look on his face.

He took out his bank card and handed it to Uncle Wu, saying, “There’s some money in here. You can use it first.”

Uncle Wu hurriedly pushed the bank card back and said, “You’re just making me talk more. Those people are staring at me every day now.”

Hearing this, the guilt on Qin Yu's face increased.

"You'd better take care of yourself. At least I don't have to worry about food and drink now. I can be considered to be living a happy life." Uncle Wu waved his hand cheerfully.

Qin Yu whispered, "Don't worry. This kind of life won't last long. Yan Sihai will abdicate sooner or later."

At this point, Qin Yu looked at uncle Wu and asked, "Where's Xiaoyu?"

At the mention of Xiaoyu, Uncle Wu's face became more worried.

"Ever since this child started cultivating, she seemed to have changed into a different person. Her personality became more and more strange, and her personality became much more gloomy," uncle Wu sighed.

When he said this, Qin Yu couldn't help but frown.

Could it be... Xiaoyu had already developed in the direction of the masked woman?

Qin Yu didn't know much about the masked woman, but judging from the handlebar mustache's attitude toward her, this masked woman was probably not a good person.

"When will she come back?" Qin Yu asked.

Uncle Wu looked at his watch and said, "Soon. Is there anything you need from her?"

"No, I'm just looking for her," Qin Yu said in a deep voice.

"Then you can wait," uncle Wu nodded and said.

Qin Yu nodded and agreed.

At six o'clock in the afternoon, Xiao Yu finally appeared at the door.

The moment Xiao Yu appeared, Qin Yu felt an extremely strange internal Qi.

Although this internal Qi was not very strong, it was very similar to the masked woman!

Chapter 659: Chapter 659, shattered with a single palm strike

This internal Qi couldn't help but make Qin Yu's hair stand on end!

Indeed, the lively and cute look on Xiao Yu's body had been replaced by an icy coldness.

“Qin Yu? !”

The moment she saw Qin Yu, Xiao Yu immediately pounced over.

She pounced into Qin Yu's embrace and said, “I knew you wouldn't die...”

Qin Yu patted Little Yu's head and said with a smile, “Don't worry. It Won't be that easy for me to die.”

Uncle Wu sighed and said, “This child isn't that close to me anymore. The child can't help it when he's older.”

Qin Yu Sized Up Little Yu. After not seeing her for a long time, she had grown a lot taller and more mature.

“Little Yu, that mask... did you lose it?”Qin Yu asked tentatively.

“Of course not!”Little Yu said.

She pulled Qin Yu and said, “Come with me.”

Qin Yu followed Little Yu and came to her room.

Then, she took out this mask from a small locked cabinet.

Sure enough, this mask was the one that the masked woman wore!

“I don’t know why, but as long as I wear this mask, I feel a little strange,”Little Yu said while stroking the mask.

Qin Yu said in a deep voice, “Strange?”

“Yes, it’s like a memory that doesn’t belong to me is flooding into my brain. It’s very uncomfortable.”Xiao Yu wrinkled her nose.

As she spoke, she put the mask on her face.

The moment she put it on, Qin Yu subconsciously took two steps back!

It was so similar, it was exactly the same!

There was definitely a special relationship between Xiao Yu and the Masked Woman!

“What’s Wrong?”Seeing Qin Yu’s terrified look, Xiao Yu took off the mask.

Qin Yu quickly shook his head and said cautiously, “Xiao Yu, this mask is extraordinary. Remember, you must not tell anyone, or your life will be in danger, understand?”

Xiao Yu stammered, “I know...”

Seeing her expression, Qin Yu had a bad premonition.

“You... did you tell someone else?” Qin Yu said with some fear.

“No.” Xiao Yu quickly shook his head.

Qin Yu was still worried, but no matter how he asked, Xiao Yu denied it.

“Xiao Yu, I’m doing this for your own good. You must take good care of this mask, understand?” Qin Yu urged.

Xiao Yu nodded and said, “I understand. Don’t worry.”

Qin Yu grunted and didn’t say anything else.

“It’s getting late. I Can’t stay here for too long, so I’ll leave first. I’ll come and see you again when I have time,” Qin Yu said as he patted Xiao Yu’s head.

Xiao Yu looked a little disappointed, but he still nodded and didn’t say anything else.

After walking out of the room, Uncle Wu pulled Qin Yu to the side.

He patted Qin Yu’s shoulder and said, “Xiaoyu, this child, may have developed strange feelings for you. You...”

“Uncle Wu, don’t joke around. I’ve always treated Xiaoyu as my younger sister.”Qin Yu hurriedly waved his hand.

Uncle Wu opened his mouth and then said with a wry smile, “Alright, Qin Yu, be careful.”

Qin Yu nodded and turned around to leave.

Qin Yu had planned to visit Jiang Gu and the others, but things changed after a while, so he left Chuzhou.

In the Saint Confucian school in Cang City.

A huge statue stood in the center of the square. It was Deng Sheng.

Deng Sheng was putting his hand on Zhen Yue’s thigh in Zhen Yue’s boudoir.

“Zhen Yue, you should know the current situation. The Green Moon Villa no longer exists. Only the Saint Confucianism sect exists now,”Deng Sheng said with a smile.

There was a bit of disgust on Zhen Yue’s face, but she didn’t do anything too extreme.

Obviously, this wasn’t the first time Deng Sheng came to talk to Zhen Yue.

“Deng Sheng, Mr. Qin isn’t dead. When he comes back, you’ll be dead for sure,”Zhen Yue said with a cold face.

Deng Sheng couldn’t help but laugh when he heard this. “So what if Qin Yu isn’t Dead? He’s too arrogant and has caused too many troubles!”

“Now that all the worlds are catching him, do you think he’ll have a chance to come back?”

Zhen Yue sneered when she heard this. “Mr. Qin has always escaped death, and this time is no exception.”

These words undoubtedly aroused fear in Deng Sheng’s heart. He said with a bit of anger from embarrassment, “B \* Tch, I’ll tell you nicely. Do you really think you’re a good-for-nothing?”

“I’m telling you today. If you want to live, you have to listen to me! Be My Canary and you can enjoy more happiness. Otherwise, I’ll make you a plaything for everyone in the Saint Confucian sect!”

“You should know that many people in the Saint Confucian sect want to play with you!” Deng Sheng said sinisterly.

Zhen Yue glared at Deng Sheng and then spat on his face.

Deng Sheng narrowed his eyes. He suddenly grabbed Zhen Yue’s hair and said fiercely, “Shameless bastard! I’ll make you suffer today!”

Then, he pulled Zhen Yue’s hair and dragged her out of the door!

This pervert was going to play with Zhen Yue in front of everyone from the Saint Confucian sect!

He dragged Zhen Yue’s hair and strode out of the hall.

However, just as he reached the door, he bumped into a steel-like body.

He looked up and saw Qin Yu looking at Deng Sheng coldly.

Deng Sheng was stunned at first, then he staggered backward and fell on his butt!

“Qin... Qin Yu!”Deng Sheng’s face was full of fear!

Qin Yu looked at Deng Sheng coldly and said, “Bastard, I shouldn’t have let you live in the first place!”

After saying that, Qin Yu suddenly kicked Deng Sheng’s lower abdomen!

This kick was extremely powerful and directly sent Deng Sheng flying.

His body shattered the hall, and the entire hall instantly buzzed!

Deng Sheng spat out a mouthful of blood from the corner of his mouth. He got up from the ground and turned around to run.

But in front of Qin Yu, how could he escape.

In the blink of an eye, Qin Yu grabbed him by the neck and dragged him to the square like a dead dog!

Such a big commotion naturally alarmed countless people.

All of a sudden, everyone from the Saint Confucianism sect gathered here!

Countless people looked at the scene in front of them and exclaimed, “Qin... Qin Yu! He’s Back!”

Zhen Yue exclaimed, “Mr. Qin, everyone is looking for you outside. You... You Better Run!”

Qin Yu glanced at Zhen Yue and didn't explain.

He had to keep a high profile. Otherwise, how could he attract the people from the Jingdu Martial Arts Association!

Qin Yu carried Deng Sheng and strode toward the center of the square.

Deng Sheng gritted his teeth. He wanted to escape quietly, but Qin Yu only raised his hand and broke Deng Sheng's legs!

Qin Yu threw Deng Sheng on the ground and glanced at the crowd coldly. He said word by word, "I, Qin Yu, am not dead, and I will not die in the future."

"This place is called Green Moon Villa, not Saint Confucian sect. Whoever dares to betray Zhen Yue will end up like Deng Sheng."

Deng Sheng opened his mouth and wanted to beg for mercy, but Qin Yu didn't give him a chance to speak.

Qin Yu raised his palm and smashed Deng Sheng's head into pieces.

The bloody scene made everyone's faces change drastically, and they kept stepping back!

Chapter 660: Chapter 660: I' ll kill you all!

Qin Yu swept his cold gaze across the crowd. His gaze was like a sharp blade, and no one dared to look him in the eye.

Then, Qin Yu looked at the huge statue in front of him. With a wave of his hand, he smashed the statue into pieces!

After doing all this, Qin Yu looked at Zhen Yue and said in a low voice, “Sect master Zhen, I Can’t stay here for too long. But don’t worry, I’ll be back at any time.”

Zhen Yue nodded in a daze. She opened her mouth, wanting to say something, but couldn’t.

Qin Yu turned around and left. With Qin Yu’s understanding of the Saint Confucian sect, there must be internal members of the Jingdu Martial Arts Association inside.

Therefore, he believed that it wouldn’t be long before the Jingdu martial arts association found him.

That night, Qin Yu went straight to Jingdu.

Just as Qin Yu had expected, the Jingdu Martial Arts Association received the news not long after he left.

“President Qu, Qin Yu showed up at the Saint Confucian school and killed Deng Sheng,”the assistant said in a low voice.

Qu Xie’s face turned cold. He couldn’t help but say coldly, “How dare this Qin Yu Show Up! Go and locate him immediately!”

The assistant nodded and said, “We have already taken care of him with the relevant departments. They are checking the surveillance. As soon as there is any news, they will inform US immediately.”

Qu Xie slowly stood up. He took a deep breath and said, “This time, we must kill Qin Yu no matter what!”

Then, he looked at Qu Xie and said, “Go, Get Geng si here for me.”

The assistant nodded and said, "Yes."

Geng si was the purple robe of the Jingdu Martial Arts Association! His strength was far above that of the black gold robe!

With his help, Qin Yu would definitely die!

Soon, Geng si walked in from outside.

After seeing Geng Si, Qu Xie stood up and said politely, "Mr. Geng, I'm afraid I'll have to trouble you."

Geng si said coldly, "You just need to give me the time and place."

Qu Xie smiled. "Don't worry. We've found his tracks. We'll be able to lock onto his position soon."

Geng si turned around and walked out without saying a word.

As a purple robe, his status wasn't any lower than Qu Xie's.

Besides, the Purple Robe wasn't responsible for Qu Xie. Usually, the higher-ups would give the order directly.

On the other side, Qin Yu arrived at Jingdu the next morning.

His eyes narrowed slightly, and he seemed to be planning something in his mind.

"If I were to be captured by Xia hang directly, it would be too obvious," Qin Yu thought to himself.

Xia hang was an important part of Qin Yu's plan. There must be no mistakes.

After thinking for a while, Qin Yu couldn't help but sneer.

Then, Qin Yu turned around and walked in a certain direction.

On the outskirts of Jingdu, there was a rather luxurious villa.

And the owner of this villa was none other than Yan Guiyi.

After thinking about it, Qin Yu finally decided to make a move on Yan Guiyi.

This way, it would mislead the Jingdu Martial Arts Association: Qin Yu intended to take revenge.

In this way, Qin Yu's appearance near Xia Hang's home would not arouse suspicion.

Inside the villa.

Yan Guiyi was lying on the sofa in the courtyard, playing with two walnuts in his hands.

Ever since the black golden ball was taken away by He Teng, Yan Guiyi felt that something was missing in his hands.

He stood up slightly and wanted to pour a glass of water, but he was missing an arm, so it was difficult for him to stand up.

This made Yan Guiyi's face turn cold. He said with a hint of viciousness, "It's all Qin Yu's fault... if it weren't for him, my arm wouldn't have broken!"

Yan Guiyi sacrificed an arm, but he still couldn't catch Qin Yu.

Not only that, he even lost his status as a black gold robe and was demoted to an ordinary white robe!

All of this was because of Qin Yu!

“Yan Guiyi, long time no see.”

Just then, Qin Yu’s voice came from behind.

Yan Guiyi’s expression suddenly changed. He hurriedly turned around and exclaimed, “Qin Yu! You... you still dare to come!”

Qin Yu coldly said, “Why don’t I dare to come?”

Yan Guiyi gritted his teeth and angrily said, “Qin Yu, the Jingdu Martial Arts Association is catching you. You Can’t escape! This time, we won’t give you any more chances!”

The corners of Qin Yu’s mouth curled up into a playful smile. He said, “It’s precisely because of this reason that I came to find you.”

“Before I am captured, I will kill all of you!”

Yan Guiyi’s expression changed slightly. He took two steps back and coldly said, “Qin Yu, I warn you that you had better not act recklessly! If you leave now, I will pretend that you never appeared!”

“Oh? is that so? In that case, I have to thank you?” Qin Yu walked towards Yan Guiyi step by step.

Yan Guiyi’s face became even more panicked. He wanted to inform the JINGDU martial arts association, but he had no chance at all!

“Yan Guiyi, you vicious and despicable person, it’s time for you to pay the price.”Qin Yu’s body was filled with murderous intent as he walked towards Yan Guiyi step by step!

The golden light was incomparably dazzling. The powerful pressure on Qin Yu’s body made Yan Guiyi’s hair stand on end!

“F \* ck you!”At this moment, Yan Guiyi suddenly shouted. He held the black-golden light with one hand and swung it at Qin Yu!

Qin Yu did not dodge, but raised his hand to meet it head-on!

“Clang!”

The two fists collided, and the Earth and mountains shook immediately!

Yan Guiyi felt waves of pain in his fist, and his bones directly shattered!

“How could this be...”Yan Guiyi’s face changed drastically!

How Could Qin Yu improve so much in just a few months? !

Qin Yu seemed to see through Yan Guiyi’s doubts. He sneered and said, “Speaking of which, I have to thank you. If it weren’t for you, I wouldn’t have been able to get a babe in the immortal slaying sect.”

“The immortal slaying sect’s Babe? !”Yan Guiyi’s face turned as ugly as if he had eaten shit!

“Alright, I don’t have time to talk nonsense with you. After I kill you, I have to find the next one,”Qin Yu said coldly.

His body was full of energy, and his fist was emitting a dazzling golden light!

Yan Guiyi knew that this was Qin Yu's killer move, the absolute beginning Holy Fist!

"Go to hell!" Qin Yu shouted angrily, and then he threw a punch at Yan Guiyi!

Yan Guiyi gritted his teeth and summoned all of his internal Qi. He braced himself and went up to meet the punch!

At this moment, a black and golden light shot out from not far away!

The light collided with Qin Yu's fist, and the terrifying internal Qi directly shattered the villa!

Qin Yu frowned slightly and looked up. He saw a black-gold ball save Yan Guiyi.

"It's that black-gold ball again." Qin Yu frowned.

"Qin Yu... long time no see..."

Soon, a hoarse voice came from behind!

Qin Yu turned around and saw a sinister figure.

"He Teng?" Qin Yu's lips curled into a sneer.

"You came at the right time.. I'll Kill You Too!" Qin Yu said coldly.

Chapter 661: Chapter 661 was discovered? !

He Teng looked at Qin Yu gloomily and said with a grin, "I was about to meet you too..."

Yan guiyi hurriedly shouted, “He teng, kill him!”

He Teng licked his lips and said, “To me, you are an extremely delicious ingredient...”

“Ingredient?” Qin Yu narrowed his eyes, as if he didn’t understand what he teng meant.

He Teng did not say anything more. He put away the black gold ball, and with a shake of his palm, a long spear fell into his hand.

Looking at he teng in front of him, Qin Yu could not help but frown.

This he teng seemed to be different from before. The black energy surrounding him had completely disappeared, and his body seemed to be no longer as weak as before.

“Qin Yu, after I kill you, I will definitely have a good taste of you.” He Teng sneered. The long spear in his hand suddenly shook and headed straight for Qin Yu’s glabella!

Qin Yu was not afraid at all. He shouted loudly and held the absolute beginning sacred fist in his hand as he went straight for it!

“Clang!”

The sound of steel colliding was deafening! Under this tremendous force, Qin Yu was actually forced back three steps!

On the other hand, he Teng’s long spear was unharmed, and there were even specks of light on it!

“This spear doesn’t seem simple. Your Strength... seems to have improved,” Qin Yu said with narrowed eyes.

He Teng laughed loudly and said, “Qin Yu, do you think you’re the only one who’s improving!”

Qin Yu raised his eyebrows and said, “You’re relying on that guy in your body, right? If you’re on your own, you’re just a piece of trash.”

He Teng’s face suddenly changed, and a trace of killing intent burst out from his eyes.

“What? You hit a sore spot just like that?” Qin Yu sneered.

“He Teng, you are not worthy to fight with me. Let that guy in your body come out.”

He Teng ignored Qin Yu’s words and said coldly, “When I kill you, I will definitely sew your mouth shut!”

As he spoke, he teng held the long spear in his hand and charged at Qin Yu again!

The power of this long spear was not ordinary. Qin Yu did not dare to be negligent. He immediately used the sacred physique technique to meet it again!

“Puchi!”

What shocked Qin Yu was that this long sword actually directly pierced through Qin Yu’s golden light and pierced straight into Qin Yu’s chest.

That huge force slanted from the long spear and forced Qin Yu back several steps!

Qin Yu’s face couldn’t help but turn cold.

This he Teng's strength had actually reached such a level! He was probably not much weaker than Yan Jinyao and the others!

He Teng said coldly, "Qin Yu, today is the Day You Die!"

Before he finished his words, he teng waved the long spear as if he was casting some kind of spell.

Rays of light condensed on the long spear. The light continuously coiled and finally gathered at the spearhead!

In the next second, he teng grabbed the long spear in his hand and quickly stabbed forward!

Once, twice, three times. In just a few short seconds, he teng stabbed out thirteen times consecutively!

The thirteen rays of light instantly covered the sky and earth as they pressed down on Qin Yu!

Qin Yu's expression turned cold. His palm shook and he directly took out the bronze sword. Then, he suddenly slashed out with his sword!

"Boom!"

The terrifying sword light swept out and collided with the thirteen beams of light!

The ground immediately began to collapse. The trees not far away snapped in half, and gravel rolled down!

Yan Guiyi hurriedly retreated. He took advantage of this time to immediately call Qu Xie!

“President Qu, Qin Yu is at my home now. Send someone to catch him immediately!” Yan Guiyi said anxiously.

Qu Xie immediately ordered Geng Si to go straight to Yan Guiyi’s residence!

The scene was still roaring. Both sides held sharp blades in their hands, and in the blink of an eye, more than ten moves had passed.

The surroundings were already in ruins, and Yan Guiyi’s Villa had turned into ruins!

For a moment, the fight between the two seemed to be inextricable. He Teng became even crazier, and the long spear in his hand kept stabbing out!

Qin Yu’s eyes narrowed. He waved the large sword in his hand, and then said coldly, “He teng, the next time I see you, I will definitely kill you.”

He teng sneered and said, “What, do you want to escape?”

Qin Yu did not waste any more words with he teng. He immediately used shrink into inch and turned around to leave.

He Teng originally wanted to chase after him, but that hoarse and old voice rang in his mind.

“There’s no need to chase after him...”

Hearing this voice, he teng could not help but frown and say, “Why? This Qin Yu is clearly not my match!”

“No, this Qin Yu did not use his full strength at all...” that hoarse voice said coldly.

He teng sneered and said, “How is that possible! If he had the ability to kill me, he would not waste this time!”

The hoarse voice did not explain further, but with his experience, he could clearly see that Qin Yu did not use his full strength.

Just as he had guessed, Qin Yu originally wanted to kill Yan Guiyi, but he Teng’s appearance changed Qin Yu’s plan.

It was better to leave this Yan Guiyi with his dog life and let him go and inform the others to complete his plan.

“He Teng, hurry up and chase after him!” Yan Guiyi walked forward and shouted angrily.

He Teng looked at Yan Guiyi coldly and said, “Yan Guiyi, don’t forget that I saved you. Otherwise, you would have become a dead soul by now!”

“Also, I’m warning you, I’m not your subordinate! If you dare to talk to me like that again...”

He Teng didn’t finish his words, but a strong killing intent burst out from his body.

Yan Guiyi opened his mouth, and it was as if a fishbone was stuck in his throat.

He was actually starting to be afraid, afraid of this junior!

“We are in a cooperative relationship,” he teng warned.

Yan Guiyi felt very aggrieved. He was a dignified person in the dark, but now he was being reprimanded by two juniors consecutively!

“You should leave quickly. The people from the Jingdu martial arts association are coming soon,” Yan Guiyi said after taking a deep breath.

He Teng did not say anything more and turned around to leave.

On the other side, Qin Yu was rushing straight to Xia Hang’s home!

Geng si soon arrived at Yan Guiyi’s home.

“Where is he?” Geng si asked coldly.

Yan Guiyi shook his head and said, “He has run away.”

Yan Guiyi seemed to want to show off, so he continued, “Mr. Geng, according to my speculation, this Qin Yu seems to want to seek revenge.”

Geng si ignored Yan Guiyi’s words and coldly spat out two words, “Trash.”

Yan Guiyi’s face flushed red, but he didn’t dare to say a word.

At this time, Geng Si’s phone rang.

He picked up the phone and heard Qu Xie on the other end say, “Qin Yu is heading in the direction of Xia Hang’s home.”

Geng si didn’t say anything. He hung up the phone and turned to leave.

...

Qin Yu sped all the way and soon arrived near Xia Hang’s home.

He took a deep breath, took out his phone, and sent a message to Xia hang:

One hour later, he went downstairs.

After sending the message, Qin Yu was ready to delete the message.

However, at this moment, a big hand grabbed Qin Yu's wrist!

“One hour later, he went downstairs? It seems that Xia hang has betrayed the Jingdu Martial Arts Association.” A cold voice sounded in Qin Yu's ear.

He looked up and saw a tall man in a purple robe!

This man was none other than Geng Si!

Chapter 662: Chapter 662, Meet Geng Si!

Upon hearing this voice, Qin Yu's expression changed drastically!

He hurriedly took a few steps back and deleted Xia Hang's message at the same time.

Geng si was not in a hurry. He placed his hands behind his back and looked at Qin Yu quietly with a pair of vulture-like eyes.

Even though he had restrained his internal Qi, the powerful aura on his body still gave off a powerful pressure!

Qin Yu's expression was somewhat unsightly. He had never expected that he would be discovered by Geng Si!

“Purple Robe...”Qin Yu muttered in a low voice.

“To be able to appear silently by my side, purple robe is indeed not simple,”Qin Yu said coldly.

Geng si ignored Qin Yu’s words and only quietly said, “Have you thought about how to die?”

Qin Yu sneered and said, “To be honest, in my plan, I will escape from your hands.”

“Oh?”Geng si raised his eyebrows with a playful look on his face.

“Do you think you can escape from My Hands?”

Qin Yu shook his head and said, “No, I have changed my mind now.”

“You saw something that you shouldn’t see, so... you must die here today,”Qin Yu said coldly.

Geng si said faintly, “I’m afraid you can’t kill me with just you.”

Qin Yu was also somewhat uncertain. Although he said so, he was starting to panic in his heart.

If he wanted to escape, Qin Yu naturally had a way. Then all his previous efforts would be wasted!

At that time, Xia hang would definitely be executed by the Jingdu Martial Arts Association!

“Whether it works or not, I can only give it my all.”Qin Yu’s body burst with golden light, and a terrifying internal Qi spread out.

On the other hand, Geng Si was still extremely calm, as if he didn't care about Qin Yu at all.

“Everyone says that the purple robes of the Jingdu martial arts association are all extremely powerful. I want to experience it too!”

Qin Yu shouted, and immediately stepped on the ground to shrink into an inch. He held the absolute beginning holy fist in his hand, and charged straight at Geng Si!

“You don't know Death!” Geng si said coldly.

He raised his hand and faced Qin Yu head-on.

“Clang!”

The collision of pure physical bodies actually forced Qin Yu back a few steps!

This made Qin Yu even more uneasy! One had to know that in terms of physical body alone, Qin Yu had never met an opponent!

And at this moment, Geng Si's physical body was actually not weaker than his own!

“No, he must have used some kind of spell,” Qin Yu thought in his heart.

Geng si looked at Qin Yu coldly and said word by word, “I don't want to waste too much time, so you'd better hurry up and die.”

As soon as he finished speaking, Geng Si's figure quickly disappeared!

His extremely fast speed even made Qin Yu unable to react in time!

“Bang!”

In almost an instant, Geng Si’s palm hit Qin Yu’s chest!

“Deng Deng Deng Deng!”

Qin Yu immediately took a few steps back, and his chest felt stuffy.

His expression became even uglier. Geng Si’s speed was too fast!

“To be able to withstand my palm, not bad,”Geng si said indifferently.

Qin Yu looked at Geng Si with a serious expression and said, “As expected of the purple robe of the Jingdu Martial Arts Association... I think you are one of the outstanding ones, right?”

Geng si shook his head and said, “No, I am only the weakest among the purple robes.”

Qin Yu did not know whether Geng si was telling the truth or not, but at least he could confirm that the Jingdu martial arts association still had many purple robes!

“I have to give it my all.”Qin Yu gritted his teeth. He was definitely not willing to give up! He did not know when the next opportunity would come!

Thinking of this, Qin Yu immediately activated the power of the Divine Dragon and rushed towards Geng Si with big steps!

With the support of the power of the Divine Dragon, Qin Yu’s strength instantly skyrocketed!

His fierce fist, which was brewing the power of splitting heaven and earth, fiercely swung towards Geng Si!

Geng si snorted coldly. He casually raised his palm to meet Qin Yu!

“Clang!”

Another violent collision!

This time, Geng Si was forced back three steps!

Qin Yu was no better. He only felt that this punch was like hitting a solid rock, shaking his wrist until it hurt!

“You have some ability.”Geng Si’s face gradually turned cold.

“No wonder you sent me to attack. If I have time, I would like to play with you.”Geng si sneered.

As he spoke, his internal Qi began to climb and a strong sense of oppression assaulted his face!

“Advanced stage of the Martial Marquis Realm? !”Qin Yu’s expression could not help but change!

The early, middle, and late stage of the Martial Marquis realm were vastly different in strength. There was a huge difference between them.

After the late stage of the Martial Marquis realm, there was the peak of the Martial Marquis Realm, which was only one step away from becoming a martial saint!

Obviously, this Geng Si had already stepped into the late stage for a long time and was only one step away from the peak of the Martial Marquis realm.

Qin Yu's face was slightly solemn. He gritted his teeth and said coldly, "No matter what realm you are in, you will die here today!"

After he finished speaking, Qin Yu shouted loudly and golden light instantly exploded on his fist!

"Go to hell!"

The Golden Light on Qin Yu's fist poured out, almost shattering the entire street!

Geng si did not dare to be negligent. He slowly raised his hands, and a force gathered in front of his chest.

In the next second, Geng Si roared angrily, and his hands pushed forward with force!

"Boom!"

Two streams of internal Qi collided at this moment! A terrifying aftershock immediately spread out in all directions!

Before Qin Yu could be shocked, Geng si raised his palm once again!

A huge palm instantly appeared out of thin air!

This palm struck towards Qin Yu at an extremely fast speed!

"Boom!"

Qin Yu's entire body was instantly smacked to the ground!

Geng si did not stop at this point. His hands quickly slid, and sword-like sharp blades rapidly slashed towards Qin Yu's body.

“Chi La Chi La!”

This spell was extremely strange. It actually directly entered Qin Yu's body!

In a short while, Qin Yu's body emitted bursts of explosive sounds!

That force seemed to explode in Qin Yu's body!

“What... What kind of spell is this!” Qin Yu's expression suddenly changed!

The Qi force that came out from inside penetrated all of Qin Yu's defenses!

Geng si said coldly, “There are many ways to deal with you.”

Qin Yu gritted his teeth. He stood up from the ground and then forcefully pushed his body to shoot backward!

“Spiritual fire seal!”

In the next second, Qin Yu gathered the internal Qi in his body and directly shot out the spiritual fire seal!

He dodged the lotus-like spiritual fire and quickly pressed toward Geng Si!

Geng si narrowed his eyes and said, “Spiritual fire? Interesting.”

Geng Si's hands shook, and then he murmured in the air. A word "Exterminate" condensed in front of his chest!

This big word seemed to be cast by black flames, and a strange internal Qi jumped on it!

"Exterminate!"

Geng si shouted and then pushed the big word out with force!

"Hu!"

The moment it touched, Qin Yu's spiritual fire seal instantly dimmed a few times!

However, this did not stop the spiritual fire seal's footsteps. It landed on Geng Si's body almost instantly!

"Hu!"

Geng Si's body was instantly wrapped up by the spiritual fire seal!

Chapter 663: The 663rd chapter forcefully increased his cultivation!

Geng Si's body was enveloped by the spiritual fire seal. Although the flames were a little dim, it still made Geng si feel unbearable pain!

"It's Done!"

Seeing this, Qin Yu was immediately overjoyed!

He hurriedly took out the bronze sword and activated his internal Qi. With a loud shout, he raised his hand and used the third cut of the nine absolute beginning slashes!

The sky-reaching sword light suddenly arrived. The sharp killing move made people shudder in fear!

“Go to hell!”Qin Yu shouted. The sword light expanded and then rushed toward Geng Si!

At this moment, Geng Si, who was wrapped by the spiritual fire seal, suddenly reached out a big hand. Light gathered on his palm and actually went straight toward the sword light!

“Boom!”

At the moment of collision, the entire street turned into a vast expanse of white!

This terrifying aftershock directly pushed Qin Yu back dozens of steps, leaving several white marks on his body!

However, Qin Yu’s eyes were still fixed in the direction of Geng Si!

Geng Si’s palm was shaken until it was dripping with blood, even revealing sparkling white bones!

Seeing this, Qin Yu’s expression could not help but change.

He did not expect that the third slash would only break Geng Si’s palm!

The flames surrounding Geng Si’s body also began to slowly disappear.

The purple robe on his body had already been burned, and there were even marks on his skin.

However, what made people despair was that not only did Geng Si's internal Qi not show any signs of weakness, it was even more vigorous!

His vulture-like eyes were coldly looking at Qin Yu.

His fierce eyes made people shiver!

Qin Yu's face was slightly unsightly. He didn't expect that even though he had used all his trump cards, he still couldn't take down Geng Si!

"As expected of the purple robe of the Jingdu Martial Arts Association..." Qin Yu panted heavily, and he couldn't help but feel a little nervous.

Geng si tore off his clothes and walked toward Qin Yu step by step.

"No wonder you sent me to attack. You are really surprising." Geng Si's hands condensed a burst of brilliance.

This light seemed to be one with Geng si, like two pairs of his gloves.

"You should feel honored to be able to hurt me to this extent." Geng si's voice was getting closer and closer, and the light on his hands was becoming more and more dazzling.

Qin Yu was extremely anxious. At this rate, he was definitely not Geng Si's opponent!

But to run away like this, Qin Yu was even more unwilling!

"Whoosh!"

At this moment, Geng Si had already stepped forward!

He raised his palm and fiercely slapped towards Qin Yu!

Qin Yu did not dare to be negligent. He shouted loudly and clenched his Golden Fist to meet it!

“Boom!”

A terrifying force poured out from Geng Si’s palm!

Qin Yu’s palm instantly felt waves of soreness!

Geng Si’s left hand quickly slid. A “Destroy” word quickly condensed and then slapped onto Qin Yu’s chest!

“Bang!”

The word exploded in front of Qin Yu’s chest, and Qin Yu was instantly hit hard, and his body flew out!

A big hole was directly hit in his chest! Fresh blood flowed out from the hole!

Qin Yu’s face was extremely ugly, and waves of pain came from his chest.

“To be able to survive the word “Exterminate” is already worthy of praise,” Geng si said with a cold smile.

He continued to walk towards Qin Yu. With every step he took, the pressure on his body became stronger.

Qin Yu gritted his teeth and said in a low voice, "I can't just sit here and wait for Death!"

There were two paths in front of Qin Yu. He could either fight to the end or turn around and escape!

But once he escaped, Xia hang would definitely be exposed. At that time, Qin Yu would have no chance at all!

"No, I've worked so hard for so long. I Can't give up just like that." Qin Yu clenched his teeth.

He ignored the big hole in his chest and stared at Geng Si!

"What, are you still planning to put up a stubborn resistance?" Geng si sneered.

Qin Yu didn't say anything. He took a deep breath and said in a low voice, "I can only try!"

Qin Yu's eyes were slightly closed, as if he was casting some kind of spell!

Following that, Qin Yu's internal Qi was rapidly rising!

His cultivation had gone from the fourth rank of the Martial Marquis realm to the middle stage of the Martial Marquis Realm!

This was the spell that he had used when he was fighting Han Wei!  
Forcefully raising his cultivation!

However, the side effects of this spell were too great. Once it was cast, there was no way out. It might even affect his future cultivation!

Qin Yu had no other choice now. He could only fight!

“You’re courting death.” Geng Si’s eyes shone with a cold light as he used the extermination word spell again!

A large black word instantly struck forward!

This large word seemed to carry the aura of death, making people shudder without feeling cold!

Just as this large word was about to strike Qin Yu, Qin Yu suddenly opened his eyes!

“Ah! !”

Qin Yu let out an angry roar, and golden light burst out from his hand as he met the attack with his palm!

“Boom!”

The golden light and the destruction word formula collided at this moment!

Dense cracks instantly appeared under Qin Yu’s feet!

The earth seemed to be unable to bear it anymore, and began to collapse at this moment!

“Rumble...”

Dark clouds suddenly gathered in the sky, and gusts of hurricane blew up, followed by a downpour of heavy rain!

“Break!”

Qin Yu's palm turned into a fist and suddenly pressed forward!

The "Destroy" spell could not withstand it anymore. It was directly penetrated by Qin Yu's golden light and disappeared without a trace!

At this moment, Qin Yu's strength welcomed the fusion, and his cultivation had stepped into the middle stage of the Marquis Realm!

Although it was only a thin line, the difference in strength was like heaven and earth!

Geng si looked at Qin Yu coldly, and a trace of playfulness appeared on the corner of his mouth.

"Forcefully increase your cultivation?" Geng si raised his eyebrows and said.

"Do you think this will work? As far as I know, this technique can only be maintained for half an hour at most. After half an hour, your cultivation will disappear and you will instantly become a cripple."

Qin Yu looked at Geng si coldly and nodded. "Yes, so I can only kill you in half an hour."

"Kill me?" Geng si shook his head.

"There are many people in this world who can kill me, but you are not one of them."

Qin Yu did not have time to waste with Geng Si. He only had half an hour, so he had to hurry!

Qin Yu's feet shook, and his body shot out like an arrow, instantly charging toward Geng Si!

The Golden Fist contained a crushing force, and the surging force created a crack in the ground!

Geng Si's face was cold. He raised his hand and collided with Qin Yu!

“Deng Deng Deng!”

This time, the light on Geng Si's hand seemed to dim a bit, and his body unconsciously took a few steps back!

“Eh?” This made Geng si slightly surprised.

Even if Qin Yu forcefully increased his cultivation, he was only in the middle stage of the Marquis Realm. There was still a certain gap between him and Qin Yu.

However, the power of Qin Yu's punch was actually far above his own!

“Fighting across ranks?” Geng si raised his eyebrows and then sneered, “Interesting...”

As he spoke, Geng si began to condense the extermination character on his hand.

Facing the extermination character, Qin Yu's fist also began to condense internal Qi.

His golden light transformed into a dragon. If one listened carefully, one could even hear waves of dragon roars!

Chapter 664: Was the 664th Chapter about to fail

Qin Yu's blood was burning as he raised his head and shouted angrily!

At this moment, the blood on his body seemed to have been dyed a golden color!

Geng Si's expression was similarly crazy. The 'destroy' spell in his hand grew stronger and stronger, as if it was about to explode!

"Go to hell!" Following that, Geng si shouted loudly, and the 'destroy' spell in his hand directly slapped towards Qin Yu!

Qin Yu's fist was also swung out at this moment!

"Boom!"

The moment the two spells collided, the entire space seemed to be buzzing!

The "Annihilate" spell carried a strange power, as if it wanted to Swallow Qin Yu's fist!

And Qin Yu was not willing to be outdone. The Dragon's Roar in his hand was incessant, as if it wanted to shatter everything!

The "Annihilate" spell was repeatedly pushed back by Qin Yu's fist, while Qin Yu seemed to have fallen into a state of madness, as he punched and punched non-stop!

The "Annihilate" formula became dimmer and dimmer, as if it was about to be shattered by Qin Yu!

Geng Si's face was slightly unsightly, and his pupils were filled with shock.

But he was not flustered, because the initiative was still in his hands!

“Boom!”

Finally, under the force of Qin Yu's fist, the “Annihilate” formula was directly penetrated!

The terrifying power dissipated and rippled in all directions!

Dark clouds rose in the sky and a violent wind swept up!

The blood on Qin Yu's body flowed down his body and dyed the ground red!

Geng si could not help but clap his hands and sneered, “This is really shocking...”

Qin Yu was full of fighting spirit and his eyes were sharp. He strode forward like an undefeated God of War!

“Come and fight!” Qin Yu shouted loudly, deafening!

Geng si sneered, “Fight? You can last at most half an hour. Why should I fight with you?”

As he spoke, Geng Si stepped back step by step.

He put his hands behind his back and said with a faint smile, “You are now like a stubborn mouse, and I am the cat that teased you.”

“And the final outcome of the mouse is to be played to death by the cat.”

Qin Yu knew that he could not last long, so he did not dare to waste time. He immediately stepped on the ground and rushed toward Geng Si!

Geng si kept dodging. His speed was extremely fast, and he could Dodge Qin Yu's fatal blow every time!

Qin Yu gritted his teeth. He crazily waved his fist, trying to kill Geng Si with one punch!

“Boom!”

Finally, under Qin Yu's bombardment, Geng Si's chest was hit by a punch!

This punch directly sank Geng Si's chest, and he spat out a mouthful of blood!

“You have some ability.”Geng si wiped the blood at the corner of his mouth.

“Continue to be crazy. I'll see how long you can be crazy,”Geng si said coldly.

Qin Yu raised both hands, and his feet shook. Then he shouted, “Fall heavily into space!”

Rays of light spread out from under Qin Yu's feet!

Qin Yu, who was in the middle stage of the Marquis of Wu realm, also fell heavily into space!

The moment Geng Si fell into space, his speed instantly decreased!

“What is this?” Geng si frowned slightly. He shook his arm and found that his entire body had become extremely heavy.

Qin Yu did not have time to explain to him. He immediately stepped on the ground and shrunk into an inch, rushing towards Geng Si!

Under the influence of the heavy falling space, Geng Si's speed slowed down a lot!

Faced with Qin Yu's powerful attack, Geng si looked extremely pathetic!

“Bang Bang Bang!”

Qin Yu's speed was extremely fast. There were almost no fist shadows, only streaks of golden light flashing!

In the blink of an eye, Geng si was hit several times. His body kept sinking and finally sank into the ground!

Qin Yu panted heavily and stared in Geng si's direction.

In the blink of an eye, twenty minutes had passed. There was not much time left for Qin Yu!

Upstairs, Xia hang was also watching this scene.

He knew very well that if Qin Yu lost, he would have to run away or he would die!

“Good skill...”

At this moment, Geng Si got up from the ground.

His body was almost shattered, and the blood dyed his whole body red!

“I really underestimated you...”Geng si wiped the blood from the corner of his mouth, and his face was a bit cold.

Qin Yu said coldly, “Stop talking nonsense, die!”

As he spoke, Qin Yu rushed at Geng Si again!

However, at this moment, Geng Si’s speed suddenly became extremely fast! He easily dodged Qin Yu’s fist!

In the blink of an eye, Geng Si’s figure actually retreated hundreds of meters!

“How could this be ?”Seeing this, Qin Yu’s expression suddenly changed!

Geng Si’s feet shook again, and in the blink of an eye, he was in front of Qin Yu again.

“If I were defeated by you, I wouldn’t be worthy of wearing this purple robe...”Geng si grinned and said.

Qin Yu said coldly, “How is this possible! You actually broke free from the heavy falling space ? !”

Geng si said faintly, “Heavy falling space ? It is indeed a good spell, but in front of the wind spell, it is not worth mentioning.”

“Wind spell ?”Qin Yu frowned!

There was the destruction spell before, and now there was the wind spell. What kind of spell was this ?

Geng si seemed to have noticed Qin Yu's confusion. He smiled faintly and said, "This is a top-notch spell. There are a total of 18 words. Each word contains a different energy."

"In front of the "Wind" spell, your heavy fall into space is not worth mentioning."

Qin Yu was naturally unwilling. He shouted loudly and clenched his Golden Fist to meet Geng si again!

However, Geng Si's speed was too fast. In the blink of an eye, he retreated hundreds of meters. Even Qin Yu's shrinking earth was far from it!

He threw dozens of punches in a row, but they failed to touch the corner of Geng Si's clothes!

This made Qin Yu feel extremely desperate! He panted heavily and stared in Geng si's direction. His face was full of unwillingness.

"How could this be..." Qin Yu's expression was ferocious, and he was in extreme pain!

He could clearly feel that the internal Qi on his body was rapidly declining.

Obviously, the time of the spell was about to run out, and Qin Yu would soon turn into fish meat on the chopping board.

"I can't give up just like that..." Qin Yu roared again and again. He seemed to have gone mad and kept smashing at Geng Si.

However, Geng Si went deep into Qingyan and came and went as he pleased.

“You don’t have much time left, right?” Geng si said with his hands behind his back and a playful look on his face.

Qin Yu’s breathing became heavier and heavier, and his strength was also rapidly disappearing.

Both his speed and strength had decreased by a few points!

“How could this be! ! !” Qin Yu was unwilling to give up, and he kept screaming in pain!

He had calculated everything, but in the end, Geng Si had broken the overall situation!

His many days of hard work had finally turned into nothing. This pain was indescribable!

Finally, Qin Yu couldn’t bear it anymore. The internal Qi on his body quickly withered, and his strength disappeared without a trace at this moment.

Qin Yu fell to the ground with a thud. He tried to get up, but he couldn’t.

Geng si stepped forward and stepped on Qin Yu’s body.

“What? It’s over? What a pity,” Geng si said with a cold smile.

Qin Yu’s face was full of despair. He kept mumbling, “I can’t fail... I can’t die...”

Seeing this, Geng si couldn't help but laugh. "I've seen many people who are about to die. They either beg for mercy or scream at the top of their lungs. You're the first one who's so indignant."

Qin Yu couldn't listen to anything else. He knew very well what it meant for him to fall this time.

Not only would he die, Yan Ruoxue would also stay in prison forever.

The plan seemed to have failed.

Even Xia Hang, who was watching the battle upstairs, was ashen-faced.

"It's time to go..." Xia hang gritted his teeth. He turned around and picked up his daughter, preparing to escape!

However, at this moment, Xia hang suddenly felt an even more powerful internal Qi coming from downstairs!

Xia hang was stunned. He hurriedly leaned against the window and looked outside!

He saw an old man standing on this street.

"It's.... It's him!" Seeing this old man, Xia Hang's eyes instantly widened!

Chapter 665: Chapter 665, crushed with a single palm

Seeing this old man, Xia Hang's Hope suddenly rose!

Downstairs.

Naturally, Geng si also sensed this strange internal Qi.

He released Qin Yu and turned around to look behind him.

He saw an old man standing quietly at the end of the street.

Although his body was hunched, his aura was extremely strong!

The rain fell on his body, making him look like an ordinary old man in a farm.

Geng si narrowed his eyes slightly. He turned to look at the old man and said coldly, “Jiang he?”

It was Jiang he! He looked at Geng Si quietly and walked forward step by step!

Jiang he’s sudden appearance made Geng Si’s face look a little ugly.

Soon, Jiang he walked to Geng Si.

Their eyes met, and the atmosphere was very strange.

Compared to Geng Si’s tall and straight figure, Jiang he seemed to be a little short.

But the aura on his body was not inferior to Geng Si’s at all!

“Jiang he, what are you doing here?”Geng si narrowed his eyes and said.

Jiang he pointed at Qin Yu on the ground and said, “I’m here for him.”

Geng si sneered and said, “Jiang he, didn’t you already live in seclusion and don’t care about the affairs of the world? Why, are you going back on Your Words Now?”

Jiang he slowly waved his hand and said, “This has nothing to do with you.”

Geng si laughed and said, “Jiang he! Back then, you made an enemy of the Jingdu Martial Arts Association and threatened to change the Jingdu Martial Arts Association. Did you do it?”

“You should know that the JINGDU martial arts association can not be shaken by a single person. Today, do you still want to be stubborn?”

Faced with Geng Si’s questioning, Jiang he appeared unusually calm.

He lowered his head and glanced at Qin Yu, then said with a smile, “What I didn’t do back then, he might be able to do. I see hope in him.”

“Hope?” Geng si narrowed his eyes and then sneered, “I knew you wouldn’t give up! I should have let the Jingdu Martial Arts Association kill you back then!”

Jiang he waved his hand as if he didn’t want to talk about the past.

He just pointed at Qin Yu on the ground and said, “He can definitely do it.”

“Can he do it? Hehe, you want to take him away?” Geng si narrowed his eyes and asked.

Jiang he shook his head and said, “No, in order to complete his plan, you have to die.”

You have to die!

Although it was only three short words, it made people's hair stand on end!

Geng si took two steps back and said coldly, "Jiang he, you should know the price of attacking purple robe! Do you want to give up your current stable life?"

Jiang he could not help but sigh slightly and said, "The failure back then made me unable to recover. I lived in seclusion for many years. I thought I would live on with my last breath... Until I saw Qin Yu."

"When I saw him, I thought of me in the past. This made me, who chose to live in seclusion, blush," Jiang he sighed.

"I may not be able to make an enemy of the JINGDU martial arts association now, but I think I can still pave the way for him."

Geng Si's expression immediately became extremely ugly! He stared at Jiang he and said, "Jiang he, do you know what you are doing? ! If you attack me today, you will definitely regret it!"

Jiang he looked at the root pose and slowly said, "If I don't attack, I will regret it even more."

As soon as he finished speaking, the aura on Jiang he's body suddenly changed drastically!

His originally kind face instantly became murderous! In just a short moment, he seemed to have changed into a different person!

That powerful aura made even Geng Si's heart jump!

Geng si glared at Jiang he in front of him and said, “Jiang he! Do you think I am afraid of You? It is not certain who will win!”

As he spoke, Geng Si’s hands once again condensed the ‘destroy’ word formula!

A monstrous power instantly blotted out the sky and covered the earth!

Facing Geng Si’s ‘destroy’ word formula, Jiang he also slowly raised his hand.

On his hand, a ‘Dou’ word unexpectedly condensed!

Its terrifying power far surpassed the ‘destroy’ word formula!

“Go to hell!” Geng si shouted! The ‘destroy’ word formula in his hand was immediately slapped out!

Jiang he also gently pushed his palm forward. The two big words collided in an instant, stirring up waves of terrifying air!

The moment the extermination formula touched, it quickly began to dissipate.

Not only did it take ten seconds, but the extermination formula disappeared without a trace.

The fighting formula hit Geng Si’s body hard, causing Geng si to stagger back and spit out blood!

“The so-called “Extermination” formula is just a pirated version. In front of the nine secrets, it is nothing,” Jiang he said lightly with his hands behind his back.

Geng Si's face was extremely ugly. Of course, he knew what kind of spell Jiang he was using!

This was the nine secrets of Taoism, mysterious and unpredictable!

Although what Jiang he was using was only superficial, it was definitely not comparable to the "Eighteen characters" formula!

"Jiang he, it's still not too late for you to Stop Now!" Geng si said angrily.

Jiang he shook his head. "As long as you attack, there is no way out. You should know this better than me."

Geng si thought to himself that things were not looking good. Since Jiang he was called the number one person, his strength naturally could not be underestimated!

"Now that things have come to this, I can only escape!" Geng si roared crazily in his heart!

Thinking of this, Geng si directly used the "Wind" formula, and his speed instantly reached the limit!

If he wanted to escape, as long as he escaped from here, he could inform the Jingdu Martial Arts Association of the News!

Facing Geng Si who was escaping, Jiang he was not anxious at all. He muttered in a low voice, and once again used the nine secrets!

This time, it was the "Xing" character of the nine secrets!

Its speed far exceeded the “Wind” formula. With just one step, it blocked Geng Si’s path!

“I told you, your eighteen character formula is only a copy. It’s not worth mentioning,” Jiang he said quietly with his hands behind his back.

Geng si roared angrily, “Jiang he! Are you really going to do this? !”

Jiang he smiled and said, “Is it meaningful to repeat a sentence so many times?”

As he spoke, internal Qi had already gathered on Jiang he’s old palms.

This internal Qi seemed to be vague, but its power made people’s hair stand on end!

“Ah! ! !”

Geng si immediately raised his head and roared. All of the internal Qi gathered on his hands, as if he wanted to put up a stubborn resistance!

However, Jiang he’s strength was too strong. He raised his palm and smashed all of the internal Qi gathered by Geng Si with one palm!

Such strength made Geng Si Panic!

“Jiang he, I can let you take Qin Yu away. I can also pretend that nothing happened today!” Cold sweat dripped down Geng Si’s forehead, and he was extremely flustered.

Jiang he shook his head. “Only the dead are the safest.”

Geng si wanted to say something, but Jiang he didn’t give him a chance.

His skinny palm grabbed at Geng Si's head!

Then, Jiang he exerted force, and Geng Si's head was crushed!

Chapter 666: Chapter 666, the prison opposite Yan Ruoxue

The arrogant Geng Si had turned into an ice-cold corpse in the blink of an eye!

He lay on the ground, motionless, his blood staining the rain.

No expression could be seen on Jiang he's aged face.

The rain flowed down his gully-filled cheeks. He turned around and walked towards Qin Yu step by step.

"Senior Jiang He..."Qin Yu said these words with difficulty.

Jiang he nodded slightly. He bent down and said faintly, "I'll take you back."

"No..."Qin Yu rejected Jiang he's good intentions.

He gritted his teeth and said, "This is a rare opportunity. I can't miss it..."

Jiang he frowned slightly and said, "Can you still stand up in your current state?"

Of course, Jiang he knew the side effects of this spell. Once it was cast, it would take at least ten days to half a month to stand up.

However, Qin Yu remained silent. He gritted his teeth and struggled to stand up from the ground.

“Senior Jiang he... Thank you...”Qin Yu said with difficulty.

Jiang he was speechless for a moment.

Looking at Qin Yu in front of him, he felt inexplicably ashamed.

If he had fought with Qin Yu like this back then, would the ending be different?

“Senior Jiang he, you should leave quickly... you must not let others discover your arrival...”Qin Yu said.

Seeing this, Jiang he didn't say anything more. He nodded and took a step forward. In the blink of an eye, he disappeared from the street.

After Jiang he left, Qin Yu couldn't hold on any longer.

He staggered two steps and then fell to the ground with a bang.

“It really makes people sigh.”Xia Hang's voice appeared in Qin Yu's ear.

Qin Yu raised his head and looked at Xia hang in front of him. His worried heart was finally relieved.

“Xia Hang... Please...”

After saying this, Qin Yu directly fainted.

Xia hang stood there for a long time and sighed slightly. Then, he reached out his hand to grab Qin Yu and turned around to walk toward the Jingdu Martial Arts Association.

In the Jingdu Martial Arts Association.

Qu Xie was sitting in his office, waiting for the good news from Geng Si.

“How long has it been since the Jingdu Martial Arts Association sent out a purple robe?”The assistant couldn’t help but sigh.

Qu Xie nodded slightly and said, “An existence like Qin Yu must be killed in the bud. Otherwise, he will become a disaster. Sending out a purple robe is nothing.”

The assistant also nodded. “Yes, no one would have thought that Qin Yu was the black-robed man. His strength is indeed nerve-wracking.”

As he was speaking, the door opened.

Then, Xia Hang, who was drenched in rain, walked in.

He was holding a person in his hand.

This person was none other than Qin Yu.

Xia Hang Threw Qin Yu in front of Qu Xie without saying a word.

Seeing this scene, Qu Xie was stunned.

He hurriedly stood up and bent down to Pat Qin Yu’s face.

“Qin... Qin Yu!”Qu Xie was overjoyed! He was beyond excited!

“We finally caught this bastard!”

The assistant at the side asked in confusion, “Vice President Xia, why is Qin Yu in your hands? where is Mr. Geng?”

Xia hang lit a cigarette and said indifferently, “Geng Si is dead.”

“What? !”Qu Xie Mengran’s eyes widened!

He glared at Xia hang and said coldly, “You said Geng Si is dead? Who Did It?”

Xia hang pointed at Qin Yu who was lying on the ground with his chin and said, “Who else could it be other than him?”

“How is this possible!”Qu Xie exclaimed.

“How Could Qin Yu be a match for Geng Si? !”

Xia hang said coldly, “His body is near my house. You should be able to find it if you go there now.”

As soon as he said that, the phone on Qu Qu’s desk rang.

He picked up the phone and heard someone say, “President Qu, Geng Si is dead. His head was blown off.”

Hearing that, Qu Qu immediately sat down on the ground.

“This Qin Yu... has actually grown to such an extent? !”Qu Xie muttered in a low voice as if he could not believe it.

Xia hang said coldly, “I already said that I would directly use the martial saint weapon to kill him. Unfortunately, you did not believe me.”

Qu Xie glanced at Xia hang and then said in puzzlement, “Even Geng Si is not his match. How did you capture him?”

Xia hang looked at Qu Xie coldly and said, “President Qu, what do you mean? I captured Qin Yu, and not only did you not reward him, you even blamed him?”

After saying that, Xia hang stood up angrily and said, “I must report this matter to the higher-ups and ask them to make a decision for me!”

After saying that, Xia hang turned around and was about to leave.

Qu Xie hurriedly stopped Xia hang and said with a smile, “Vice president Xia, I absolutely have no such intention. I just think it’s strange.”

Xia hang snorted coldly. He took a puff of smoke and said, “Qin Yu used a spell to forcefully increase his cultivation, and that’s why he killed Geng Si.”

“And you should know better than me the consequences of using this spell.”

When Qu Xie heard this, he was suddenly enlightened!

He gave Xia hang a thumbs up and said, “You’ve rendered meritorious service this time. Don’t worry, I’ll definitely ask the higher-ups for meritorious service for you!”

Xia hang waved his hand and said, “There’s no need. I will tell the higher-ups personally.”

“Good, good!” Qu Xie was in high spirits and seemed to have no time to care about anything else.

He looked coldly at Qin Yu on the ground and grinned. “Little Bastard, I’ve finally caught you!”

“You’ve brought so much trouble to our Jingdu Martial Arts Association. I’ll Kill You Right Now!”

Qu Xie’s hands glowed with killing intent.

Seeing this scene, Xia Hang’s heart jumped!

If Qu Xie killed Qin Yu directly, all his efforts would be in vain!

“President Qu, let’s not kill him yet,”the assistant suddenly said at this moment.

Qu Xie frowned slightly and asked, “Why?”

The assistant smiled bitterly and said, “Have you forgotten? The people who want to capture him now are not only the JINGDU martial arts association. The officials are also trying to capture him.”

“If we kill him now, how are we going to answer to the authorities?”

Hearing this, Qu Qu suddenly understood.

He said with some lingering fear, “We almost caused trouble...”

One had to know that the higher-ups were already dissatisfied with the JINGDU martial arts association. If they were to directly deal with Qin Yu behind their backs, it would probably bring trouble to the entire association.

“Then let him live for a few more days. Once the procedures are completed, get rid of him immediately!”Qu Xie said coldly.

Then, qu Xie called for someone and dragged Qin Yu into the prison.

“Remember, lock him in front of Yan Ruoxue,” Qu Xie exhorted.

“Yes, President Qu,” the few of them nodded.

Soon, Qin Yu was dragged into the prison.

Seeing this, the people in the prison couldn't help but discuss in low voices.

“Isn't this the kid who broke into the prison not long ago?”

“Why was he also caught?”

“TSK, tsk. Going against the Jingdu Martial Arts Association really didn't end well.. What a pity.”

Chapter 667: Chapter 667, I absolutely can not fail!

Everyone discussed animatedly. It was obvious that they felt it was a pity to break Qin Yu's position.

After all, over the years, Qin Yu was the only person who forcefully broke into the Jingdu Martial Arts Association's prison.

His body dragged on the ground, and a long bloody scar appeared on the ground.

Qin Yu, who was covered in blood, looked extremely miserable. His unconscious state made people feel that his life and death were unknown.

Soon, Qin Yu was brought to the opposite side of a prison.

This prison was opposite to Yan Ruoxue.

The Moment Qin Yu appeared, a trace of fear flashed across Yan Ruoxue's pale face.

“Crash...”

Yan Ruoxue's struggling movement caused the entire pipe to make a loud noise.

“Qin Yu...”Yan Ruoxue stared in Qin Yu's direction. A trace of pain appeared on her fair and tender face.

She didn't know the inside story. She only knew that Qin Yu had been caught!

And Yan Ruoxue knew very well what it meant if Qin Yu was caught!

“I'm sorry... I've implicated you...”Yan Ruoxue's tears fell like broken beads.

The pain in her heart exploded at this moment. Deep in her heart, she blamed herself.

Qin Yu was thrown into this prison. At this moment, Qin Yu was still in a coma.

He didn't know anything about the outside world.

At this moment, the Jingdu martial arts association also began to move quickly.

Qu Xie immediately reported this news to the higher-ups.

The higher-ups also quickly held a meeting.

In the meeting room.

These eight higher-ups were still hidden in the darkness. No one could see their true appearances.

“Since Qin Yu has been captured, let’s deal with it as soon as possible.” A voice came from the darkness.

“En, this child can not be kept. We must get rid of him as soon as possible.”

“Xia Hang, since it was you who captured Qin Yu, I’ll leave this matter to you to handle.”

When Xia hang heard this, he hurriedly stood up and said, “Thank you for the appreciation of the high-ranking officials.”

“This time, you’ve made a meritorious deed. The JINGDU martial arts association will remember it.” Another voice came out.

It seemed that everything was within Qin Yu’s calculations.

This also caused Xia hang to feel some admiration for Qin Yu in his heart.

“This Qin Yu is really not as simple as I imagined.” Xia hang thought in his heart.

“It’s just... What method should he use to escape?”

Xia hang had never been able to figure out this question.

Qu Xie stood up from the side and said, “All the higher-ups, right now the authorities also want to capture this Qin Yu. Regarding the matter of

dealing with Qin Yu, I'm afraid we have to report it to the higher-ups and get the approval of the documents."

The higher-ups were silent for a moment, then said, "Then go and deal with him as soon as possible. If he lives for one more day, I will feel more uneasy."

Qu Xie couldn't help but be shocked when he heard that.

This Qin Yu had already made the higher-ups feel uneasy?

After the meeting ended, Qu Xie looked at Xia hang.

"Xia Hang, since the higher-ups have given this task to you, you should go and handle it as soon as possible and get the documents as soon as possible," Qu Xie said coldly.

Xia hang nodded slightly and said, "Don't worry, I will naturally carry out the orders of the higher-ups."

After saying this, Xia hang turned around and left.

This made Qu Xie feel a little unhappy.

Xia hang's intention was obviously to be responsible to the higher-ups, not to him, the president!

Qu Xie looked at Xia hang's back coldly and couldn't help but snort coldly. "This lowly one has achieved success. Do you really think that you can become a Phoenix by catching Qin Yu?"

...

The news of Qin Yu's capture spread like wildfire.

Almost everyone knew about it at once.

“It’s said that Qin Yu knew he would be caught, so he took revenge!”

“I also heard that he killed Deng Sheng first and then wanted to kill Yan Guiyi! Later, he went straight to Xia hang’s residence!”

“I heard that Qin Yu killed a purple robe before he was caught! That purple robe is the famous Geng Si!”

“It’s really shocking. Unfortunately, it’s all over.”

...

The Yan and Han families naturally received the news quickly.

In a certain natural secret room of the Yan family, Yan Sihai was standing beside Yan Jinyao.

This was the place where Yan Jinyao was in seclusion.

“Dad, that Qin Yu was captured?” Yan Jinyao asked faintly with his eyes slightly closed.

Yan sihai nodded and said, “That’s right. I heard that before he was captured, he forcefully beheaded a purple-robed man. It was precisely for this reason that Qin Yu was exhausted and fell into Xia Hang’s hands.”

Hearing this, Yan Jinyao couldn’t help but clench his fists!

Beheaded a purple-robed man? Such a battle record had already left Yan Jinyao far behind!

Yan Jinyao still had some confidence in an ordinary black-gold robe.

But if he were to face a purple-robed man, he would not be able to retaliate at all!

“Dad, you can go out. I’m going into seclusion.” Yan Jinyao took a deep breath and forced himself to calm down.

Yan Sihai patted Yan Jinyao’s shoulder and said, “Don’t think too much. That Qin Yu has already become a dead man.”

“I know.” Yan Jinyao closed his eyes slightly and didn’t say anything more.

...

At this time, the Han family was celebrating.

Han Wei held the red wine in his hand and danced excitedly.

The gap between him and Qin Yu was getting bigger and bigger. He had long given up on catching up and surpassing Qin Yu. He only hoped that Qin Yu would die early!

“Dad, I heard that Qin Yu was locked in front of Yan Ruoxue?” Han Wei suddenly thought of something and hurriedly stood up.

Han Meng nodded and said, “Yes, Qu Xie did this on purpose.”

Han Wei narrowed his eyes and said coldly, “Dad, I want to see Qin Yu.”

“See Qin Yu? Are you crazy?” Han Meng frowned and said.

Han Wei glanced at Han Meng and said, “Dad, I said that I would humiliate Qin Yu in front of Yan Ruoxue, but I didn’t do it. If I don’t vent my anger, I won’t be satisfied!”

Han Meng frowned and then said, “But the prison of the Jingdu Martial Arts Association is the most important one. It’s not that easy to get in.”

“Dad, just find some connections and think of a way, okay?” Han Wei’s tone was a bit pleading.

Seeing this, Han Meng couldn’t help but sigh in his heart.

Ever since the battle with Qin Yu, Han Wei had become a loser without any pursuits. All of this was because of the blow from that battle.

“Okay.” Thinking of this, Han Meng’s face darkened as he agreed.

...

In the prison, Qin Yu was still unconscious.

However, his brain was constantly showing all kinds of images.

Beads of sweat appeared on his forehead. Even though he was unconscious, Qin Yu was still thinking about his plan.

“I must not fail, I must not fail...” Qin Yu’s heart was filled with fear.

At this time, he suddenly opened his eyes and shouted, “I must not fail!”

Chapter 668: Chapter 668, the self-humiliated Han Wei!

Qin Yu's face was ferocious, his pupils constricted, and cold sweat kept dripping down his forehead.

"Qin Yu..." Yan Ruoxue whispered.

Looking at Qin Yu's appearance, Yan Ruoxue felt her heart ache.

This man, how much effort did he put in, he couldn't even get any peace when he was unconscious...

"What are you shouting for!" Someone walked over from the side.

"You Absolutely Can't Fail? You're already a prisoner."

Qin Yu looked around, and the expression on his face gradually eased up.

"Qin Yu... Are You Okay?" Yan Ruoxue's weak voice entered Qin Yu's ears.

Qin Yu hurriedly got up. He grabbed the bars of the prison and looked at Yan Ruoxue.

"Ruoxue..." Qin Yu opened his mouth.

Yan Ruoxue's tears were like a river that burst its banks, flowing down endlessly.

"I'm sorry... I'm sorry..." Yan Ruoxue shook her head as she wept.

"If it weren't for me, you wouldn't have suffered such hardship. I don't want you to become a dragon or a phoenix among men. I only want you to be safe..."

Yan Ruoxue's voice was intermittent because of her sobs.

Her tears streaked across her snow-white neck and wet her clothes.

Qin Yu grabbed the railing and hurriedly shook his head. “No, Ruoxue. If it weren’t for you, my life would have been meaningless.”

“You gave me all this, and I chose it myself...”

But how would Yan Ruoxue Know About Qin Yu’s plan? She only knew that Qin Yu had been locked up and that the Jingdu Martial Arts Association wouldn’t let him go.

At that moment, the prison’s door opened.

Then, Qu Xie walked in slowly.

He sized up Qin Yu, then glanced at Yan Ruoxue and said with a faint smile, “Qin Yu, you should thank me for allowing you to reunite with your beloved before you die.”

“Qu Xie, F \* ck your mother,” Qin Yu said coldly.

The sudden abuse stunned Qu Xie for a moment.

He narrowed his eyes and said, “You are already a prisoner. Aren’t you going to be honest?”

At this point, Qu Xie changed the topic and said, “If you forcefully Increase Your Realm, you will be unconscious for at least half a month. You woke up in just one day. I have to say, you are really a talent.”

“Qu Xie.”

Qin Yu was about to speak when Yan Ruoxue suddenly shouted.

Qu Qu turned around and walked to Yan Ruoxue. He smiled and said, "Miss Yan, what's the matter?"

Yan Ruoxue looked at Qu xie coldly and said, "If you let Qin Yu go, I can agree to any of your requests."

Hearing this, Qin Yu's face changed drastically!

"Ruoxue, don't ask him! And don't beg him for me!" Qin Yu shouted anxiously!

Xie Qu glanced at Qin Yu and then said with a faint smile, "Miss Yan, do the two of you really have such a deep relationship?"

Yan ruoxue said coldly, "People like you obviously don't understand. You probably have never loved anyone else in your life."

"Hahaha!" Hearing that, Qu Xie couldn't help but burst into laughter.

He put his hands behind his back and said with a faint smile, "Miss Yan, what you said makes sense. I really don't understand your worldly love."

"Cut the crap and let Qin Yu go," Yan Ruoxue said with a cold face.

Qu Xie shook his head and said, "Miss Yan, the higher-ups have given the order to kill this Qin Yu, no matter what the price is! So... I can't agree to your request."

Yan Ruoxue widened her eyes and couldn't help but curse, "Qu Xie! Let Qin Yu Go! Otherwise, I won't spare you!"

"Hahaha!" Qu Xie laughed again.

He looked at Yan Ruoxue coldly and said with a faint smile, “Miss Yan, if Old Mister Yan was still alive, I would have to think twice about what you said, but now... Hehe.”

“Qu Xie, F \* ck your mother! I will kill you sooner or later!” Qin Yu couldn't help but curse!

Qu Xie snorted, “You don't have that chance. Once the documents are sent, we will kill you immediately!”

At this point, Qu Xie suddenly thought of something.

He patted his head and said, “Oh right, an old friend is coming to see you. I almost forgot.”

After saying that, Qu Xie turned around and walked out.

Not long after he left, the prison door opened again.

Two people stood at the door. One was Qu Xie, and the other was Han Wei!

“Young Master Han, I don't give you much time. Ten minutes at most,” Qu Xie urged.

Han Wei bowed slightly and said, “President Qu, don't worry. I Won't stay for long.”

Qu Xie grunted and waved his hand, indicating for the people around him to bring him in.

“By the way, President Qu, how is Qin Yu's condition now?” Han Wei suddenly asked.

Xie Qu snorted. “He forcefully raised his realm and hasn’t recovered yet. He’s no different from an ordinary person.”

“Then I’m relieved.” A cold smile flashed across Han Wei’s face.

Then, Han Wei strode into the prison.

He walked all the way to the door of Qin Yu and said condescendingly, “TSK, TSK, aren’t you very arrogant? Why have you become like this now?”

Qin Yu looked at Han Wei coldly and said, “What are you doing here?”

“Of course I’m here to visit you.” Han Wei narrowed his eyes and said.

“Qin Yu, do you understand now? Even if you put in all your effort, you’re still just a lowly ant! In the end, you’ll still be crushed to death by people like us!”

“So what if you have talent? Your birth is destined for everything!”

The more Han Wei spoke, the crazier he became. He looked like a villain who had achieved his goal.

Qin Yu looked at Han Wei coldly and said, “To be honest, you are really pitiful now. You are like a jumping bug. It seems that the last battle left a psychological scar on you.”

When this topic was brought up, Han Wei’s expression suddenly changed!

He glared at Qin Yu and said word by word, “I said before that I would step on you in front of Yan Ruoxue! Now the opportunity has finally come!”

“Hehe, you have to rely on the Jingdu Martial Arts Association to fulfill your wish? How Pitiful,” Qin Yu mocked mercilessly.

Han Wei was furious. He looked at the prison staff and said, “Open the door for me!”

“Okay.” The staff did not hesitate and immediately walked forward, preparing to open the prison.

During this time, Han Wei glanced at Yan Ruoxue proudly and said, “Yan Ruoxue, is this the Man You Love? I will make him kneel in front of me today and let you know how bad your choice is!”

As he spoke, the prison’s door slowly opened.

Han Wei strode in. His aura surged and he said coldly, “Qin Yu, it’s time for you to pay the price!”

After saying that, Han Wei immediately clenched his internal Qi and threw a punch at Qin Yu!

“Bang!”

However, the expected scene did not appear.

Not only did Qin Yu not receive the punch, but he reached out and grabbed Han Wei’s fist!

Han Wei's face changed, and he struggled desperately, but found that he could not break free at all!

Chapter 669: Chapter 669: Trash is trash

This caused Han Wei's expression to change drastically!

Qin Yu's palm was like a pair of iron pincers, tightly grabbing onto Han Wei's fist!

Even if Han Wei tried his best, he was unable to break free!

"You... aren't you already crippled? !" Han Wei said in terror.

Qin Yu grinned, revealing a mouthful of white teeth.

"I am indeed heavily injured and my internal QI is weak. But even so, I am not someone that a trash like you can bully." Qin Yu's smile was extremely brilliant.

And this brilliant smile had left an indelible shadow in Han Wei's heart!

"Trash is trash. Even if I am heavily injured, you are still not my match." Qin Yu said with a cold smile.

"You... Let Go of me!" Han Wei shouted in horror!

Qin Yu ignored him and said coldly, "You want me to kneel? Are you even worthy!"

Following Qin Yu's shout, he raised his leg and kicked Han Wei's calf!

The huge force instantly made Han Wei kneel on the ground with a plop!

Han Wei struggled to get up, but Qin Yu raised his hand and pressed it on Han Wei's shoulder!

A distance instantly came crushing down!

Han Wei only felt that his shoulders were like a mountain, unable to move!

This humiliation made Han Wei's face and ears turn red!

He originally wanted to humiliate Qin Yu, but not only did he fail, he was humiliated by Qin Yu instead!

"How could this be..." Han Wei's face was ferocious, and his heart was filled with incomparable pain!

Even if he was facing Qin Yu, who had a weak internal Qi, was he unable to retaliate?

How did the ant that he stepped on back then grow to such a state? !

"Didn't you want me to kneel?" Qin Yu sneered.

"You... Let Go of me!" Han Wei struggled desperately.

"Okay." Qin Yu let go.

Han Wei seized this opportunity and hurriedly got up. He wanted to escape, but Qin Yu kicked his butt from behind.

Before Han Wei could get up, Qin Yu had already reached out his hand and grabbed Han Wei's neck, lifting him into the air.

"Didn't you say that I'm a waste? What about now?" Qin Yu said coldly.

“Even if my internal Qi dissipates, you are still no match for me. Is this your pride? TSK TSK, which of us is a waste?” Qin Yu raised his eyebrows and said.

The huge sense of humiliation made Han Wei wish he was dead!

Today, Han Wei had lost all his face!

Not far away, a trace of surprise flashed across Yan Ruoxue’s face.

She did not expect that Qin Yu had actually grown to such an extent!

“Say it, which one of us is trash!” Qin Yu questioned coldly.

Han Wei struggled with all his might and said, “You... Let Go of me!”

Qin Yu ignored him and raised his hand to slap Han Wei’s face.

This slap was purely physical strength! Even so, the huge force still made Han Wei Dizzy!

“Tell me, which one of us is trash?” Qin Yu continued to ask.

Han Wei clenched his teeth and didn’t say a word.

“You don’t want to say it, right? Fine, I’ll hit you until you open your mouth today!” Qin Yu said coldly.

Following that, Qin Yu raised his palm and swung it left and right.

“PA, PA, PA” sounds spread throughout the entire prison. In a short while, Han Wei’s face was swollen from the slap, and blood oozed from the corner of his mouth!

“Don’t... Don’t hit me anymore...”

Finally, Han Wei couldn’t take it anymore.

If this continued, he might really be beaten to death!

“Speak, who’s trash?” Qin Yu sneered.

Han Wei clenched his teeth and braced himself to say, “It’s... It’s me, I’m Trash...”

“Hahahaha!” Seeing this, Qin Yu couldn’t help but burst into laughter.

He released Han Wei and sneered, “You’re really appreciative.”

Han Wei got up from the ground and said through gritted teeth, “Qin Yu, just you wait! I Won’t let you off!”

After saying that, Han Wei ran away.

However, Qin Yu kicked his leg again, and Han Wei immediately knelt on the ground.

“Since you came to see me, don’t be in a hurry to leave,” Qin Yu sneered.

Han Wei’s face was extremely ugly, but he didn’t dare to provoke Qin Yu again.

Outside the prison, Xie Qu glanced at his watch and frowned. “It’s been so long. Why aren’t you coming out? Are you addicted to torture?”

From Qu Xie’s point of view, he thought Han Wei was torturing Qin Yu.

Thinking of this, Qu Xie opened the prison’s door and walked in.

When he came to Qin Yu's cell, Qu Xie was stunned.

Looking at Han Wei who was kneeling on the ground, Qu Xie was dumbfounded.

“President Qu, save me!” Han Wei shouted anxiously.

Qu Xie strode in and lifted his hand to drag Han Wei out.

Then, he looked at Qin Yu coldly and said, “You are not being honest here. Qin Yu, you have guts!”

Qin Yu sneered and said, “You should have thought of the consequences when you let him in.”

The veins on Qu Xie's forehead twitched. He didn't expect Han Wei to be so cowardly.

“I want to see how long you can be arrogant!” Qu Xie snorted.

After saying that, Qu Qu turned around and walked out with Han Wei.

Time flew by, and the sky gradually darkened.

In this prison, it was almost impossible to tell day from night. The whole day was gloomy.

“Brother, What's your relationship with Miss Yan?” Someone from another prison asked.

“By the way, why did you get in here?”

“You dare to talk to Qu Qu like that. I admire you!”

Qin Yu had nothing to do, so he began to chat with these people.

Almost all of them were in the Martial Marquis realm.

And they had a common characteristic, which was that they hated the Jingdu Martial Arts Association.

Qin Yu seized the opportunity. He rolled his eyes and said, “Brothers, if I have a chance to get out, I will definitely think of a way to save all of you!”

“Haha, brother, don’t joke around. We all heard it. I’m afraid you won’t be able to get out,” the person next to him joked.

Qin Yu pretended to sigh and said, “Yes, I’m afraid I’m in trouble this time. But as long as I’m not dead, I still have a chance.”

“If I really get out, I will definitely save all of you!”

No one took it seriously, but they all smiled and said, “Okay, then we will wait for you.”

Qin Yu couldn’t help but sneer in his heart.

The people locked up here were all top-notch people. If there was a chance to let them out, then perhaps they would have the capital to fight against the Jingdu Martial Arts Association.

At that time, the Green Moon Villa would definitely become the number one sect in the world, not afraid of any aristocratic families!

At this time, the Jingdu Martial Arts Association also didn’t expect that the Dying Qin Yu would actually win over the hearts of the people in the prison.

In the next few days, Qin Yu got along with this group of people.

And when they heard Qin Yu's achievements, they were filled with admiration.

While chatting, Qin Yu also secretly inquired about the structure of this prison.

Everyone spoke one after another, clearly explaining the general structure of this prison, including the materials used in this prison.

Chapter 670: Chapter 670, the Furious Qin Yu!

The material used in this prison was not black gold stone, but a true rock that was even harder than black gold stone!

This material could be called a true treasure of Heaven and earth, and its hardness was far above black gold stone.

Apart from this, Qin Yu also learned that martial saint weapons were hung around this prison.

Therefore, it was not so easy to forcefully save people.

"If we can only resurrect the two male corpses, there shouldn't be a problem," Qin Yu thought to himself.

"Oh right, do you see that Big Door?" At this moment, someone beside him asked.

Qin Yu followed his gaze and nodded. "Yes, I've heard that the people locked inside that big door are even more powerful people."

“That’s right. It’s said that the people locked inside are either martial saints or people close to martial saints.”

Upon hearing these words, Qin Yu’s eyes immediately widened.

“The JINGDU martial arts association can really imprison Martial Saints?” Qin Yu could not help but swallow his saliva.

The person next to him smiled and said, “Don’t forget that the Jingdu martial arts association has existed for many years. Martial saints are indeed very rare now, but what about a hundred years ago?”

“At that time, the Jingdu Martial Arts Association’s power was also much stronger.”

Qin Yu frowned slightly and said, “In other words... those people were imprisoned a hundred years ago?”

“That’s right! Of course, this is only our guess.”

Qin Yu could not help but look solemn.

Even the martial saint had been imprisoned by them. The power of the Jingdu martial arts association was probably not that simple.

In the outside world.

Qu Xie was sitting in his office, waiting for the document to be handed out.

Ten minutes later, Xia hang walked in from outside.

He placed the document in his hand in front of Qu Xie and said, “The document is here.”

Qu Xie's eyes lit up. He hurriedly picked up the document and read it carefully.

"It's finally here!" Qu Xie could not help but take a deep breath, and the corners of his mouth curled into a sneer.

He threw the document to Xia hang and said, "Then hurry up and execute it. Don't waste any more time."

Xia hang opened his mouth. He wanted to stall for time, but he was afraid that Qu Xie would be suspicious.

Therefore, Xia hang could only nod and say, "I got it."

After turning around and walking out of Qu Xie's office, Xia Hang's frown deepened.

Several days had passed in the blink of an eye, but Qin Yu, who had been imprisoned, did not make any movements.

What exactly was his plan? How was he going to escape?

In the office, Qu Xie immediately informed everyone of this news.

He informed everyone, including the Yan family and the Han family, as long as they had a grudge against Qin Yu.

In the end, the execution time was set at noon the next day.

People like the Yan family were overjoyed when they heard the news.

They naturally wouldn't miss such a thing.

Time flew by, and in the blink of an eye, the next day arrived.

In the early morning, the entire prison was filled with an inexplicable atmosphere of sadness.

“There isn’t much time left for you. You should cherish it,” a prison patrol officer said with a faint smile.

As soon as these words were said, the sad atmosphere became even more intense.

On the other side, Yan Ruoxue’s face was extremely pale.

She clenched her teeth and said in a low voice, “Qin Yu, i...”

Qin Yu smiled and said, “Don’t worry too much. I was able to escape from death last time. Maybe I can do it this time.”

Even though that was the case, Yan Ruoxue’s tears still fell like pearls.

She sobbed and said, “Qin Yu, I’ve let you down... If I’m lucky enough to escape this time, you... Don’t bother about me anymore. I don’t want to see anything happen to you...”

Qin Yu opened his mouth and was about to speak when Qu Xie walked in with his men.

There were two people beside him. They were holding a strange instrument in their hands.

The instrument looked like a copper pot, but it was smaller than an ordinary copper pot.

“Qin Yu, the documents have been sent down. The punishment will be carried out this afternoon,” Qu Xie said indifferently.

Qin Yu looked at Qu Xie coldly and said, “Old man, if I don’t die this time, I will kill you.”

Qu Xie sneered, “Do you think you still have a chance?”

At this point, Qu Xie paused for a moment and said with some amusement, “Before I die, I plan to give you a surprise. Haven’t you always wanted to know how we treat Yan Ruoxue?”

After saying that, Qu Xie waved his hand.

The two people beside him immediately walked toward Yan Ruoxue.

The two of them stood on Yan Ruoxue’s side. They seemed to be chanting some spell. Soon, the tubes on Yan Ruoxue’s body began to flash with runes.

As the runes appeared, the blood in Yan Ruoxue’s body began to flow out of the tube.

Yan Ruoxue’s face instantly turned extremely pale!

The intense pain made Yan Ruoxue break out in cold sweat, and her body trembled slightly.

However, in order to not let Qin Yu worry, Yan Ruoxue gritted her teeth and did not say a word!

The blood flowed into the two copper pots through the tube.

As the blood flowed, Yan Ruoxue’s face turned paler, and her clothes were wet with sweat.

Seeing this, Qin Yu's eyes widened and he was furious!

He grabbed the railing and shouted angrily, "Qu Xie! F \* ck you!"

Qu Xie laughed and said, "What? You Can't take it anymore?"

Qin Yu glared at Qu Xie, and the murderous aura on his body almost covered the entire prison!

His eyes were scarlet red, and the veins on his arms bulged like a dragon!

"Qu Xie! I will definitely kill you! I will definitely kill you!" Qin Yu's furious roar reverberated in the prison for a long time!

Qu Xie sneered and ordered expressionlessly, "Increase the strength!"

"Yes!"

The two people started chanting again! The runes on the pipe glowed even brighter!

Blood flowed out at an accelerated speed, and the pain that Yan Ruoxue suffered instantly increased by several times!

But even so, Yan Ruoxue still didn't say anything. She bit her red lips with her teeth, and because she used too much strength, her lips were bitten until they bled!

"TSK TSK, how touching. How can you hold back your screams?" Qu Xie said in surprise.

The Qu Xie in front of him was like a demon who killed without batting an eye!

“Qu Xie... I will definitely tear you into pieces. Definitely!” Qin Yu’s internal Qi instantly soared!

However, Qu xie sneered and said, “Continue to increase my strength! I want to see how long she can hold back!”

“How dare you!”

Qin Yu’s anger completely exploded at this moment!

He roared and punched the railing!

Something horrifying happened!

The railing was bent a little under this punch!

Seeing this, Qu Xie’s eyes widened!

“How... How is this possible? !” Qu Xie stared at Qin Yu.

At this moment, Qin Yu’s hair was dancing crazily, his eyes were red, and his aura was extremely cold!

Chapter 671: Chapter 671, the overbearing ye Qing!

Qin Yu’s imposing manner once made Qu Xie feel waves of fear!

And when the lever was flattened, it made people gasp!

Everyone looked at this scene in a daze and didn’t dare to speak for a moment.

No one could believe that Qin Yu’s punch had actually bent the railing!

“Forget it... forget it.” Qu Xie wiped his cold sweat and waved his hand, indicating that he should stop torturing Yan Ruoxue.

The two people quickly withdrew their spells and the tube attached to Yan Ruoxue’s body began to lose its light.

Qin Yu’s pair of extremely cold eyes stared coldly at Qu Xie.

This gaze was too terrifying! Even Qu Xie couldn’t help but break out in a cold sweat!

“No, this child must die as soon as possible!” Qu Xie roared crazily in his heart!

In that instant, Qu Xie seemed to feel death!

He didn’t say a word and turned around to walk out with his people.

The cold internal Qi that lingered around Qin Yu slowly dissipated, but the coldness on his face still made people not dare to say anything.

After an unknown amount of time, someone said, “Your punch... was too terrifying. This is the first time the railing has been bent.”

Qin Yu glanced at him and did not say anything.

The anger just now almost made Qin Yu lose control.

And this anger gave him an inexplicable power.

This was not the first time this feeling had appeared.

Back when he was facing Yan Jiang, there had been such an outburst.

“Ruoxue, how are you?” Qin Yu looked in the direction of Yan Ruoxue.

Yan Ruoxue shook her head and tried her best to maintain a smile. “I’m fine...”

Their words were like the last words of their internal QI, full of sadness.

The surrounding people were also comforting Qin Yu.

“In the next life, you will still be a good man!” Everyone said.

Qin Yu thanked everyone one by one and then quietly waited for the judgment of the Jingdu Martial Arts Association.

Ten minutes later.

Qu Xie walked in with two purple robes.

“Qin Yu, it’s time to say goodbye to this world,” Qu Xie said coldly.

Qin Yu stood up from the ground and looked at Qu Xie coldly. “Qu Xie, let me tell you, if Xue suffers, I will make you suffer a hundred or a thousand times more.”

Qu Xie wanted to mock him, but for some reason, it was stuck in his throat.

In the end, Qu Xie just snorted coldly and waved his hand. “Take her away.”

The door of the prison opened. The two purple robes grabbed Qin Yu’s shoulders and turned to walk out of the prison.

Yan Ruoxue watched Qin Yu's back as he left. Tears kept flowing down her face.

She sobbed softly and bit her red lips, trying not to make a sound.

Just like that, Qin Yu was brought out.

Finally, Yan Ruoxue could not take it anymore and began to cry loudly.

The mournful cry moved everyone. For a moment, everyone felt a little sad. Some even had tears in their eyes.

In the square behind the Jingdu Martial Arts Association, there was a place for execution.

At this moment, two black and gold robes brought Qin Yu to this place.

They used a secret technique to bind Qin Yu. At the same time, two martial saint weapons lit up in the surroundings.

These two martial saint weapons were aimed at the center of Qin Yu's brows. Once released, they would directly pierce through Qin Yu's spiritual sense!

Xia hang stared at Qin Yu, his heart becoming increasingly anxious.

"What exactly is his plan!" Xia hang roared crazily in his heart!

It was time for the execution, but Qin Yu still didn't escape!

Was he really going to die here today? !

"Qin Yu, this day next year will be the anniversary of your death," Qu Xie said coldly.

“Do you have any last words?”

Qin Yu closed his eyes slightly and looked like he was going to be punished.

“Qu Xie, do you think you can still sleep if I don’t die today?”

At this moment, Qin Yu suddenly grinned, revealing his white teeth.

Qu Xie’s heart thumped. He snorted coldly and said, “You won’t live past today. Even the Heavenly King can’t Save You!”

Qu Xie felt extremely uneasy. He could not wait for Qin Yu to die.

Thus, Qu Xie waved his hand and said, “Don’t waste time. Do It!”

“Yes.” The two purple-robed men nodded and then began to activate the two martial saint weapons!

Internal Qi of the martial saint weapons flickered with traces of an ancient aura. This aura was approaching the space between Qin Yu’s eyebrows!

The light was as dazzling as the sun, and booming sounds kept coming out.

Qin Yu clenched his teeth and stared at the two martial saint weapons.

He was also a little nervous.

“F \* ck... You’re gambling with your life!” Xia hang could not help but Roar in his heart.

At this moment, Xia hang no longer held any hope.

He closed his eyes slightly and said in his heart, “Qin Yu, take it as you did me a favor. See You in the next life.”

“Buzz...”

The martial saint weapon started to emit light and headed straight for Qin Yu’s glabella!

“Stop!”

At this critical moment, an extremely domineering voice suddenly came from outside!

Turning around, he saw a tall and imposing man with an extraordinary aura striding in.

He wore a green military uniform and wore black boots. His eyes were filled with disdain!

“Ye... Ye Qing?” Qu Xie could not help but frown when he saw who it was.

He walked forward and asked, “Officer Ye, why are you here?”

Ye Qing’s clothes trembled and his coat fell off his shoulders.

The entourage quickly caught the coat.

Ye Qing walked toward Qin Yu and pointed at him. “I want to take this person away.”

Qu Xie narrowed his eyes and asked, “Officer Ye, what do you mean?”

“Why? Don’t you understand what I’m saying?” Ye Qing said with a cold face.

Qu Xie snorted, “Officer Ye, although you have an extraordinary status, you can’t just casually mention people, right?”

“This Qin Yu has committed a heinous crime. He must be punished!”

Ye Qing said coldly, “Qin Yu belongs to the military district. Even if you want to punish him, you should hand him over to our military district. Your Jingdu Martial Arts Association doesn’t have the right.”

Qu Xie couldn’t help but laugh when he heard that. “Officer Ye, I already guessed that you would say that, but unfortunately, we have already obtained the Authorization Document.”

Ye Qing glanced at him and said, “What document? Show it to me.”

Qu Xie immediately ordered the people around him to go to the office to get the document.

A few minutes later, a document appeared in Qu Xie’s hand.

He handed the document to Ye Qing and said, “Please have a look, Officer Ye.”

Ye Qing took the document. Without even looking at it, he tore the document into pieces!

“Alright, now you don’t have the authorization,” Ye Qing said expressionlessly.

Chapter 672: Chapter 672, what were the consequences?

Looking at the torn document, Qu Xie's expression changed drastically!

He glared at ye Qing and said, "What... What do you mean? !"

Ye Qing said coldly, "Why? Don't you understand?"

"Ye Qing, you... Don't go too far! So what if you're a war god in the Military District? You Can't be so overbearing!" Qu Xie gnashed his teeth and said.

Ye Qing looked coldly at Qu Xie and said, "If you don't like it, you can sue me."

"You!" Qu Qu's chest rose and fell in anger, and his face was even more livid.

"Don't even think about taking him away today!" Qu Xie said through gritted teeth.

Ye Qing snorted coldly and said, "If you dare to disobey my orders, I have the right to punish you on the spot."

Ye Qing waved his hand, and a large group of armed soldiers immediately rushed in from outside!

Not only that, the JINGDU martial arts association was also surrounded!

Seeing this scene, Qu Xie's face was extremely ugly!

It was obvious that ye Qing was determined to take him away.

If he clashed with ye Qing today, it would be equivalent to defying the authorities!

The consequences were not something Qu Xie could withstand!

“Release him!”Ye Qing shouted!

Qu Xie gritted his teeth. Although he was unwilling, he still waved his hand and said coldly, “Release him!”

The light of the martial saint weapon that was hanging around began to dim.

A few people moved their arms and legs and released Qin Yu.

Seeing this, Xia hang finally heaved a sigh of relief.

“I really didn’t expect ye Qing to come and rescue him,”Xia hang thought to himself.

He looked at Qin Yu and found it hard to understand.

All of this was in Qin Yu’s plan? How did he get ye Qing to come and rescue him?

Qin Yu walked down from the execution platform. He looked at Qu Xie coldly and said word by word, “Qu Xie, you still remember what I told you, right?”

Qu Xie’s expression changed slightly. He said coldly, “Don’t be too proud. The Jingdu Martial Arts Association won’t let you off so easily!”

“Okay, I’ll wait,”Qin Yu said coldly.

“Come with me,”ye Qing glanced at Qin Yu and said.

Qin Yu showed his gratitude and left the Jingdu martial arts association with Ye Qing.

After leaving the gate, Qin Yu found that the gate was already surrounded by soldiers.

This was the power of the government. It was definitely not comparable to the JINGDU martial arts association.

After getting into the car, Qin Yu slightly bowed to ye Qing and said, "Thank you, Officer Ye."

Ye Qing glanced at Qin Yu and said, "Don't be happy too early. The Jingdu Martial Arts Association will definitely not let this go."

Qin Yu smiled and said, "I know. Thank you for the Reminder, Officer Ye."

The car continued forward and came to a place where no one was around.

At this moment, the car stopped.

Ye Qing opened the car door and said, "Get out."

Qin Yu was stunned and said somewhat awkwardly, "Can't you lock me up for a few days?"

Ye Qing frowned and said, "If I tell you to get out, then get out. Why do you have to talk so much nonsense?"

Qin Yu shrugged and hurriedly jumped out of the car.

After getting out of the car, Ye Qing didn't say anything and directly left with his people.

Qin Yu took a deep breath and said in a low voice, “This plan... finally succeeded.”

He didn't stay any longer and immediately rushed to the Green Moon Villa.

There was a spiritual spring in the Green Moon Villa, and Qin Yu planned to use this spiritual spring to cultivate while waiting for the handlebar mustache.

The Jingdu Martial Arts Association would definitely continue to send out purple robe to kill Qin Yu.

And Qin Yu also clearly knew the gap between him and purple robe.

As long as he entered the intermediate stage of the Martial Marquis Realm, Qin Yu would have the strength to fight.

...

On the other side, after ye Qing saved people, he went straight to a private clubhouse.

In this clubhouse, there was a man in a Chinese tunic suit waiting for ye Qing.

After ye Qing entered the clubhouse, he saluted and said, “Greetings, Mr. Zhou.”

Mr. Zhou smiled and waved his hand, saying, “How is it? Everything is done?”

Ye Qing nodded and said, “Mr. Zhou, just as you expected, this Qin Yu really came to me for help.”

Mr. Zhou laughed and said, "It seems that I didn't misjudge him. Not bad, not bad."

Ye Qing sat at Mr. Zhou's side. He frowned slightly and said, "Mr. Zhou, I don't understand. Why are you helping him?"

"Helping him?" Mr. Zhou shook his head.

He said faintly, "I'm not helping him. I'm borrowing his power."

"Borrowing his power?" Ye Qing couldn't help but be a little surprised.

Mr. Zhou took a puff of his cigarette and then slowly said, "The unorganized expansion of the Jingdu Martial Arts Association over the years has already caused dissatisfaction from the higher-ups."

"But they are, after all, an organization of the martial arts world. If they were directly banned, it would easily cause unnecessary trouble."

Upon hearing this, Ye Qing suddenly came to a realization.

He exclaimed, "You want to... use Qin Yu's hand to attack the Jingdu Martial Arts Association?"

"That's right," Mr. Zhou said faintly.

"As for whether he can do it or not, that will depend on his own luck."

Unknowingly, Qin Yu had become someone else's chess piece, and Qin Yu did not even know about it.

They returned to the Green Moon Villa.

Ever since Qin Yu killed Deng Sheng, no one in the Green Moon Villa dared to try and seize the throne.

In the hall, Zhen Yue was sitting upright. In front of him were two white-robed men from the Jingdu Martial Arts Association.

Although they were only white-robed men, their statuses weren't comparable to Zhen Yue's.

"Sect master Zhen, all the sects should be under the leadership of the Jingdu Martial Arts Association," one of the white-robed men said with a faint smile.

Zhen Yue frowned and said, "Our Green Moon Villa doesn't want to get involved with the Jingdu Martial Arts Association."

"Hehe, sect Master Zhen, we're talking to you calmly now. It Won't be like this next time," one of the white-robed men said with a warning tone.

Zhen Yue frowned and said, "Let's wait for Mr. Qin to come back before making a decision."

"Haha, Sect Master Zhen, today is the day of Qin Yu's execution. Don't tell me you don't know that?" The two white-robed men couldn't help but burst into laughter.

"Wait for him to come back? I'm afraid you won't be able to."

Zhen Yue gritted her teeth and said, "Nothing can be concluded without a result."

"You two, please go back. We don't welcome you here." Zhen Yue stood up and said.

The white-robed man's face instantly turned cold as he snorted, "Sect Master Zhen, are you sending us off? Do you know the consequences of rejecting us today?!"

"You can't bear the consequences. You'd better think it through!"

"What consequences?"

At this moment, a voice came from behind them.

They turned around and saw Qin Yu looking at them with a dark face.

Chapter 673: Chapter 673, the last step to resurrect the male corpse

The two white-robed men's expressions changed drastically when they saw Qin Yu!

"You... you broke out of prison?" The two men asked in confusion.

Qin Yu couldn't be bothered with them. He grabbed their collars and threw them out.

"Go back and tell Xie Qu that I'll break his legs if he comes to the Green Moon Villa again," Qin Yu said coldly.

The two white-robed men didn't dare to say anything and ran away.

"Mr. Qin, I knew you would be fine!" Zhen Yue said excitedly.

Qin Yu smiled and then asked, "Is there anything wrong with the Green Moon Villa These Days?"

“No, it’s just that the people from the Jingdu martial arts association are coming,” Zhen Yue said.

Qin Yu grunted and said, “I’ll be cultivating in the Green Moon Villa these days. Call me if there’s anything.”

After saying a few words to Zhen Yue, Qin Yu headed straight for the spiritual spring.

This spiritual spring was extremely mysterious. It was said that the Saint Confucian school had started from this spiritual spring.

It wasn’t Qin Yu’s first time here, so he knew where the fastest cultivation was.

After arriving at the bottom of the spiritual spring, Qin Yu sat down cross-legged and began to absorb the Qi/spiritual energy from the spiritual spring.

I really don’t know what the origin of this spiritual spring is, Qin Yu thought to himself.

If he could find the source of this spiritual spring, perhaps his cultivation would be countless times faster.

At this time, Qin Yu suddenly thought of something: Bingxin!

The bingxin that Qin Yu obtained from the Bingxin Lake last time was only a small portion used!

Ever since Qin Yu Borrowed Bingxin to step into the Martial Marquis realm, he had forgotten about this Bingxin!

The Spiritual Qi in the Bingxin was extremely pure, and it was also the purest Qi/Spiritual Energy Qin Yu had ever obtained!

Thinking of this, he hurriedly took out the bingxin from the spatial divine tool.

This piece of Bingxin in Qin Yu's hand flickered with a light blue light, and there was even a strong surge of Qi/spiritual energy coming from it!

“With this bingxin, why would I need to borrow this spiritual spring!” Qin Yu couldn't help but say excitedly.

He immediately broke off a small piece of the icy heart and stuffed it into his mouth.

Pure Qi/spiritual energy immediately spread throughout Qin Yu's body.

His entire body was filled with Qi/spiritual energy, and after the Qi/spiritual energy circulated in his body, it would surge into the golden core.

Qin Yu's golden core was only the size of a bean. With the injection of Qi/spiritual energy, the golden core seemed to grow bigger bit by bit.

Endless amounts of Qi/spiritual energy flowed into his body, and Qin Yu's cultivation was also quietly increasing.

At the same time, the news of Qin Yu being rescued had already spread.

All the big aristocratic families who heard the news were instantly furious! The young masters of the aristocratic families also felt waves of pressure!

And the most furious ones were the Yan and Han families.

The enmity between them and Qin Yu had reached a point where it could not be adjusted, so Qin Yu had to die!

Jingdu martial arts association.

Han Meng and Yan Sihai came to Qu Xie's office together.

"President Qu, why was Qin Yu rescued?" Han Meng asked unhappily.

Yan Sihai cursed, "Qu Xie, what the hell are you doing? How can a cooked duck fly?"

Qu Xie was even more displeased now. He said with a dark face, "If this guy doesn't die, he will become a great enemy of Jingdu Martial Arts Association. Do you think I don't want him to die?"

"Ye Qing came with a group of people to ask for him personally. What can I do? Don't you have a good relationship with him? Go find someone and take Ye Qing's position!"

Yan Sihai said with a cold face, "Qu Xie, are you talking to me in Anger?"

Qu Xie gritted his teeth and said, "I'm not talking in anger, but you can't blame me for this."

Yan Sihai sneered and said, "You can't kill him, right? Fine, then my Yan family will send someone to kill him!"

"Also, I'm telling you, if Qin Yu can't die, give Yan Ruoxue back to me!"

After saying this, Yan Sihai turned around and left.

Han Meng was naturally not as tough as Yan Sihai. Although he was anxious, he didn't dare to flare up.

“President Qu, we should think of another way. If Qin Yu doesn't die, who knows what he will do,”said Han Meng.

Qu xie nodded and said, “Yes, the Jingdu Martial Arts Association will send Purple Robe to kill Qin Yu.”

“Of course, it would be better if the Han family is willing to help.”

Han Meng nodded and said, “Don't worry. Ma Hai's master has been looking for Qin Yu.”

Qu Xie glanced at Han Meng and said with a faint smile, “Let Han Xiu handle this matter.”

Han Meng's face turned ugly, but it was impossible to hide it now.

After Han Meng returned home, Han Xiu was already waiting on the sofa.

He was wearing a black mink coat and was sitting there in a domineering manner.

“Han Xiu? What are you doing here?”Han Meng could not help but frown when he saw the situation.

Han Xiu took a bite of the apple and said indifferently, “Dad said that you should not interfere in Qin Yu's matter.”

Hearing this, Han Meng immediately said anxiously, “I will take care of this matter! It Won't be long before Qin Yu is dead!”

Han Xiu sneered and said, “You have said this many times. I’m tired of hearing it. Dad is also tired of hearing it.”

Han Meng still wanted to explain, but Han Xiu did not give him a chance at all.

Han Xiu walked out of the door and muttered, “What a waste. I thought you could hook up with the Yan family, but in the end, you’re nothing.”

Facing Han Xiu’s insult, although Han Meng was angry, there was nothing he could do!

Because between the two brothers, Han Xiu’s ability was much stronger than Han Meng’s!

More importantly, Han Xiu was also at the peak of the Martial Marquis Realm!

This made Han Meng completely lose the opportunity to compete with Han Xiu.

In the next few days, the entire Jingdu seemed calm and peaceful, but in fact, it was surging with undercurrents.

For several days in a row, Qin Yu did not leave the spirit spring.

He spent a few days before he successfully digested a small piece of ice heart.

And that pure Qi/spiritual energy brought Qin Yu great benefits. He was only one step away from the middle stage of the Martial Marquis Realm.

‘If I devour another small piece of ice heart, I should be able to step into the mid-stage of the Martial Marquis Realm. When that time comes, I

will at least have the strength to fight against the purple robe,'Qin Yu thought to himself.

However, what Qin Yu didn't expect was that the various aristocratic families and the Jingdu martial arts association were quietly making their moves.

Qin Yu stood up from the ground. He stretched his back and planned to eat something.

At this moment, a sneaky figure appeared in front of Qin Yu.

"TSK TSK, you actually didn't die. You're really lucky."The mustached man squatted on the ground with a wretched look.

Qin Yu rolled his eyes at him and said, "Alright, stop talking nonsense. How's the matter going?"

The mustached man spread his hands and said, "Most of the ingredients have been gathered. There's only one thing left. I came here for the last ingredient."

Qin Yu nodded slightly. He remembered clearly that the last material needed to be picked up by Qin Yu.

"Then don't waste time.. Let's go quickly,"said Qin Yu.

Chapter 674: Chapter 674, the two heavens of ice and fire

The moustache man muttered, "What's the rush? I've run so far. No matter what, you have to let me eat something."

“Eat my ass. When the matter is done, I’ll treat you to whatever you want to eat.”Qin Yu tugged at the moustache man and said.

The moustache man still said unhappily, “Sigh, I don’t have the energy to work if I don’t eat...”

“Don’t you want to see that mask?”Qin Yu rolled his eyes.

Once this topic was brought up, handlebar mustache immediately became spirited.

He waved his hand and said, “Forget it, forget it. I don’t want to eat anymore. Let’s Go!”

Thus, Qin Yu followed handlebar mustache and left the Green Moon Villa on the same day.

Not long after Qin Yu left, purple robe from the Jingdu Martial Arts Association and the people sent by the various aristocratic families arrived at the Green Moon Villa.

An extremely solemn aura lingered in the villa’s internal Qi.

Several top-tier martial marquises stood on the square.

Even though they had restrained their internal Qi, the aura on their bodies still sent chills down people’s spines.

“Who... are you looking for?”Zhen Yue saw that these people were not to be trifled with, so he tried his best to ask politely.

“Where’s Qin Yu?”One of the purple-robed men asked coldly.

“Mr. Qin just left. He seems to be going out to do some business,” said Zhen Yue.

The purple-robed man frowned slightly, and his body slowly floated up. Then, a terrifying spiritual sense directly covered the entire Green Moon Villa!

A few minutes later, the purple-robed man said coldly, “He’s not here.”

“How long has he been gone?” Then, someone looked at Zhen Yue.

Zhen Yue thought for a moment and said, “About half an hour.”

“Half an hour... . He hasn’t gone far. Go after him!” One of the purple robed men said.

The group immediately left the Jade Moon Villa, to search for Qin Yu’s whereabouts.

... .

At that moment, Qin Yu was following the handlebar moustache, taking all sorts of vehicles to search for the last ingredient.

The fire country was a vast and abundant land, and the place they were heading to this time was still located in the most desolate region in the northwest.

After taking the plane, they took the bus, and after taking the bus, they took the donkey cart.

After a long bumpy ride, the two of them arrived at a desert.

Standing at the edge of the desert, Qin Yu could not help but feel a wave of heat.

“The material that you mentioned, are you sure it’s Here?” Qin Yu could not help but frown.

No matter how he looked at it, it did not seem like a place with treasures.

The moustache man rolled his eyes and said: “This venerable self has already inspected it several times. Follow me.”

After saying that, the mustached man took out another compass.

He followed the directions on the compass and brought Qin Yu into the desert.

There was no one in the desert, only endless sandstorms.

The two of them walked in the desert for an entire day and night, but they still didn’t see the treasure that the mustached man was talking about. Instead, they felt that it was getting hotter and hotter.

“Is it reliable or not?” Qin Yu frowned and asked.

The moustache man said impatiently, “What are you so anxious for? You can’t eat hot tofu in a hurry. Come with me.”

Qin Yu had no choice but to follow the moustache man all the way until it was dark.

At noon the next day, the sun was shining brightly.

Qin Yu stood in the desert, his clothes wet with sweat.

“Why is it so hot...”Qin Yu wiped his sweat, feeling that his whole body was on fire.

The handlebar mustache looked even more miserable. His face was flushed red from the heat, and he was almost dehydrated.

“We’re almost there. It’s just ahead,”the handlebar mustache said weakly.

After another few miles, a big pit appeared in front of the two of them.

The closer they were to the Big Pit, the hotter their bodies became.

The handlebar mustache panted and said, “It’s in that pit.”

Qin Yu supported his body and walked quickly to the front of the pit.

He saw that there was a flame burning in the pit!

The flame was extremely hot, and its temperature was many times higher than ordinary flames!

“It’s in here ?”Qin Yu pointed at the pit with a doubtful look on his face.

“That’s right.”The mustached man wiped his sweat.

“This flame is known as true fire. With my body, as long as I touch it, it will turn into thick water.”

Qin Yu frowned and said, “True Fire ? is the temperature here all because of this huge pit ?”

“That’s right.”The mustached man nodded.

Qin Yu picked up a handful of sand from the ground and threw it into the fire pit.

The moment it touched, the sand immediately disappeared.

“What a high temperature!” Seeing this, Qin Yu couldn’t help but suck in a breath of cold air.

“Even with my physical body, I’m afraid I’ll be heavily injured if I jump down.”

The mustached man rolled his eyes and said, “If it wasn’t difficult, I wouldn’t have let you come.”

Qin Yu lowered his head and looked at the huge pit. He couldn’t see the end of it at a glance.

The heat wave coming from the front almost burned Qin Yu’s face.

“Why? Are You Afraid?” The mustached man teased from the side.

“If you’re scared, it’s still not too late.”

Qin Yu took a deep breath, a hint of determination flashed across his face.

“In order to resurrect the two male corpses, I have to go down.” Qin Yu clenched his teeth.

He tried to put his hand into the flame. The moment he touched it, Qin Yu’s hand was directly swallowed by the Flame!

The flame was extremely manic. In just a moment, it burned Qin Yu’s palm until the skin and flesh were split open!

“No.” Qin Yu hurriedly extinguished the flame.

He frowned and said, “If I jump down, I’m afraid I’ll die without a doubt.”

The mustached man spread his hands and said, “I’ve thought of many ways and tried to use magic artifacts to protect my body, but none of them worked.”

“All the magic artifacts can’t withstand this true fire, so you can only rely on your special constitution.”

Qin Yu said in a deep voice, “If my cultivation base had advanced one step further, I might have been able to walk out of this fire alive, but now... it’s impossible.”

The moment they touched, Qin Yu’s hand was almost burnt to a crisp, let alone jumping into this fire pit.

“Anyway, the thing is under this fire pit. If we can’t get it, we won’t be able to control the two male corpses,” the mustached man said with his hands spread out.

Qin Yu’s face couldn’t help but turn ugly. For a moment, he was caught in a dilemma.

“If you really can’t do it, then give up.” The mustached man tugged at Qin Yu.

“Anyway, there are many ways to save people. We don’t have to rely on the two male corpses, do we?”

Qin Yu shook his head and said, “No, this is the fastest way.”

The mustached man rolled his eyes and said, “Then you jump down.”

Qin Yu stood in front of the fire pit and didn't say anything for a long time.

“That's right!”

At this moment, Qin Yu suddenly patted his head!

“I have an idea!” Qin Yu said excitedly.

He hurriedly took out the coffin of the masked woman from the spatial artifact!

The moment the coffin appeared, the temperature immediately dropped by a few degrees!

Qin Yu pointed at the coffin and said, “As long as I hide in this coffin, I can avoid the flames, right?”

The handlebar mustache was also stunned for a moment. He scratched his head and said, “You're really a F \* cking genius! But... can this coffin withstand the true fire?”

Qin Yu shook his head and said, “I don't know either. I can only try.”

“I'll drill into this coffin later.. You throw the coffin down,” Qin Yu urged.

Chapter 675: Chapter 675, tempering the body with true fire

Looking at the coffin, the mustache man seemed to have goosebumps.

He shivered, but he still nodded and said, “Okay, but... you have to be careful. I keep feeling that this coffin is very scary.”

Qin Yu ignored the Mustache Man’s words. It was not his first time entering this coffin.

Moreover, Qin Yu did not encounter any accidents.

Qin Yu did not waste any time. He immediately opened the coffin and jumped in.

“Let’s begin.”Qin Yu glanced at the moustache man and said.

The moustache man nodded. He closed the coffin and pushed the coffin to the mouth of the huge pit with all his strength.

The heat wave from the shop was coming. This kind of feeling was very uncomfortable.

Therefore, the mustache man hurriedly pushed the coffin in.

The coffin rapidly fell into the huge pit, and Qin Yu, who was in the coffin, was extremely safe.

The cold air in the coffin was beyond imagination. Even true fire could not invade it!

The coffin quickly fell into the bottom of the pit, and the surrounding flames seemed to be about to devour the coffin.

Qin Yu, who was lying in the coffin, could not help but take a deep breath.

“God bless me and successfully get this material,”Qin Yu thought in his heart.

Then, he slowly pushed the coffin board.

The coffin only opened a small opening, and Qin Yu felt an intense heat wave rushing toward him!

Qin Yu only felt his palm being roasted until it hurt, and the flames kept drilling into the coffin!

“Damn it!”Qin Yu couldn’t help but withdraw his hand.

He glanced at his palm, and saw that it was already burning red. He could even smell the smell of roasted meat.

“This true fire really lives up to its reputation,”Qin Yu thought as he lay in the coffin.

However, he had already come down, so Qin Yu didn’t retreat.

He lay in the coffin and thought for a moment, then activated the saintly being technique, preparing to forcefully take this material.

Golden Light suddenly appeared in the coffin, and Qin Yu’s body became indestructible.

He took a deep breath and then braced himself to push open a small opening in the coffin.

Then, Qin Yu stretched out his arm.

The moment he stretched out his arm, Qin Yu felt waves of pain! His entire arm seemed to be burnt!

Qin Yu did not dare to poke his head out. He could only endure the pain and rub it in the flames.

Once, twice, thrice...

Qin Yu took all kinds of strange-shaped gravel from the pit. Each piece was burned red by the fire.

He did not know which piece was the material needed for the handlebar mustache, so he could only continue to fumble.

During this time, Qin Yu's arm had been burned until his skin and flesh were torn! The intense pain made Qin Yu sweat continuously.

Outside the coffin, there was a burning fire, but inside the coffin, there was an ice-cold chill.

"Which one is the material..." Qin Yu looked down at the broken stones that were brought in and couldn't help but frown.

These broken stones didn't seem to be the required material.

Qin Yu glanced at his arm. The flesh and blood of his arm had been burnt to a pulp, even exposing his white bones.

"F \* ck!" Qin Yu gritted his teeth.

"At worst, I won't take this arm!" Qin Yu was determined in his heart!

He extended his arm out again and continued to fumble outside.

Finally, the heavens did not disappoint those with good intentions. Qin Yu took out a fiery red glowing bead from the fire pit.

The bead was burning with raging flames, but the moment Qin Yu took the coffin, the flames immediately disappeared.

The bead looked extraordinary, like a fiery-red golden core with a burning internal Qi.

“This should be it,” Qin Yu thought to himself.

He retracted his arm, the flesh and blood on his arm had been completely burned.

Fortunately, Qin Yu’s bones were not damaged, but under the attack of the fire, they became black.

“With this golden core, I should be able to resurrect the two male corpses.” Qin Yu could not help but look forward to it.

The strength of the two male corpses could not be estimated, and even the Jingdu martial arts association could not compare to them!

Qin Yu closed the coffin and said in a low voice, “It’s time to go up.”

Then, Qin Yu grabbed the coffin with one hand, and his internal Qi surged, preparing to forcefully take the coffin away from the pit of fire.

Waves of internal Qi began to brew within the coffin.

The entire coffin began to tremble slightly as it slowly rose up from the pit of fire!

Qin Yu let out an angry roar as the internal Qi on his body erupted. He brought the coffin with him and forcefully rushed upwards!

“Hula!”

The instant the coffin rose up, the true fire in the pit of fire seemed to become frantic!

The Flames were like a huge hand, trying to grab the coffin!

Qin Yu only felt a huge force suppressing him, and the coffin could not help but fall down!

Damn it, could it be that this true fire also has a spiritual sense? Qin Yu thought to himself.

Qin Yu did not dare to think too much. He adjusted the internal Qi in his body to the maximum, and went all out to fight against the Flames!

The coffin was in a stalemate for a moment. Both sides seemed to be competing in terms of strength.

The veins on Qin Yu's forehead bulged as he exerted his strength to the maximum.

He roared, "I don't believe that I can still be restricted by a mere flame of yours!"

Following Qin Yu's angry roar, the golden light in the coffin suddenly erupted!

This golden light seemed to have merged with the coffin as the entire coffin finally began to slowly rise up!

After more than ten minutes, Qin Yu struggled to carry the coffin out of the fire pit.

The moment he landed on the ground, Qin Yu could not help but gasp.

“Damn it, this flame is too terrifying,”Qin Yu muttered.

The mustached man hurriedly ran over and pushed the coffin board away. He asked in panic, “Are you still alive?”

Qin Yu nodded and climbed out of the coffin. Then, he frowned and said, “This flame is really not simple.”

Looking at Qin Yu’s arm that was almost burned to the ground, the Mustache Man could not help but Shiver.

“It’s really scary. If it were me, I would probably be burned to ashes,”the mustache man muttered as he looked into the coffin.

Qin Yu glanced at it and said, “That bead should be the material you want.”

The Mustache Man nodded repeatedly and said, “Not bad, not bad. It’s that bead. Help me take it out.”

Qin Yu rolled his eyes and said, “You don’t know how to take it out yourself?”

The moustache man shivered and said, “I don’t want to put my hand into that coffin. It’s easy to bring bad luck.”

Qin Yu had no choice but to take out the bead from the coffin and hand it to the moustache man.

“The materials should be all here by now, right?”Qin Yu asked.

The moustache man touched his chin and said with a smile, “The only thing missing is the mask.”

Qin Yu grunted in gratitude. He stood at the side and stared at the coffin, showing no signs of leaving.

“Let’s go. Aren’t you in a hurry?”The moustache man muttered.

Qin Yu shook his head. He pointed at a few stones that had been brought out from the fire pit and said, “Why do you think these stones haven’t been cremated? Also, why are the walls of this huge pit able to withstand true fire?”

The sudden question confused the mustached man.

He scratched his head and said, “That’s right, what you said seems to make sense...”

Qin Yu said in a deep voice, “Do you think it’s possible that this place was just a small pit at the beginning, but it became bigger and bigger under the attack of the True Fire?”

The mustached man was confused as he listened. He seemed to not understand what Qin Yu meant.

Qin Yu continued, “In other words... the stones here are just ordinary stones. But under the slow invasion of the true fire, they can withstand the true fire...”

Hearing this, the mustached man’s expression changed slightly.

He seemed to have guessed something, and then said in surprise, “What... What do you want to Do?”

Qin Yu glanced at him and said, “If my body is tempered by the true fire, do you think my body will become stronger and stronger until it can withstand the true fire?”

## Chapter 676: Chapter 676, jumping into the fire pit!

Upon hearing Qin Yu's words, the mustached man was dumbfounded.

He touched Qin Yu's forehead and said, "Are you... crazy? Do you know what you're talking about?"

Qin Yu stared at the fire pit with a serious face and said, "As long as this true fire can't kill me, I can try."

The mustache man mumbled, "You're really a madman. This is true fire. If you're not careful, you might turn into a pile of dust."

Qin Yu didn't say much, but a strong desire arose in his heart.

If he could really temper his body to the point where it was indestructible, then even if his realm wasn't high enough, his strength was still strong enough.

"Mustache Man, you should go first. After a while, you go to the Green Moon Villa to find me." Qin Yu looked at the Mustache Man.

Handlebar mustache widened his eyes and said, "Are you really going to jump into this pit of Fire?"

"Yes." Qin Yu made up his mind.

He clenched his fists and walked toward this pit of fire step by step.

"Look for me at the Green Moon Villa in about a month," Qin Yu said seriously.

Handlebar mustache kept mumbling, “What a lunatic. How can I know a lunatic like you!”

Just as Qin Yu was about to jump into this internal Qi pit, several powerful auras suddenly approached the two of them!

After sensing this aura, Qin Yu’s expression couldn’t help but change slightly.

“Someone is coming,” Qin Yu said in a deep voice.

The mustached man also nodded and said, “And the aura is not weak. It’s at least at the intermediate stage of the Marquis of Internal Qi.”

Qin Yu narrowed his eyes slightly and said in a low voice, “These people can actually chase me here... It seems that they are determined to kill me.”

The mustache man muttered, “I won’t accompany you on such matters. See You at the Green Moon Villa in a month.”

After saying this, the mustache man planned to escape.

However, at this moment, three purple-robed men had already walked over!

A terrifying internal Qi instantly enveloped the entire desert!

The three people coldly looked at Qin Yu and said, “Qin Yu, do you think that you can escape death by running here?”

Qin Yu sneered and said, “Sure enough, you are from the Jingdu Martial Arts Association... you guys are really persistent.”

“Cut the crap. You have to die today.” One of the purple-robed men slowly raised his hand.

The Mustache Man next to him hurriedly muttered, “This has nothing to do with me. I... I’m just a passerby.”

The purple-robed man glanced at him and sneered, “You can stay too!”

Hearing this, the moustache man ran away! His speed was astonishing!

Even Qin Yu could not help but swallow his saliva.

This speed... was probably even faster than shrinking the ground to an inch!

The three purple robes looked in the direction the moustache man had left and could not help but snort coldly, “He actually escaped.”

The other purple robe said, “Forget it. He’s just a small character. Our target is Qin Yu.”

The three of them nodded in unison and then walked towards Qin Yu Step by step.

Qin Yu stood beside the fire pit and said coldly, “Do you really want to kill me?”

“What do you think?” The Purple Robe said with a cold smile.

“Do you really think that with ye Qing protecting you, the Jingdu Martial Arts Association won’t be able to do anything to you?”

Hearing this, Qin Yu couldn't help but laugh out loud. "I've never thought of asking others to protect me! You Want to Kill Me First? Fine, then let's do it!"

After a fierce shout, the purple-robed men's internal Qi immediately erupted!

They originally thought that Qin Yu was going to have a big fight, but unexpectedly, Qin Yu turned around and jumped into the fire pit.

"If you want to kill me, then come down!" Qin Yu said coldly.

The three purple-robed men frowned slightly and immediately ran towards the fire pit.

They lowered their heads to look at the fire pit and couldn't help but frown, "This is... True Fire?"

"This kid actually jumped into true fire. Has He gone mad?"

The three of them looked at each other. For a moment, they seemed to be unable to make up their minds.

"Under normal circumstances, jumping into this true fire would definitely result in death. However, it is always easy for miracles to appear on this kid's body. It is better to be cautious," one of them said coldly.

They had already thought that Qin Yu would definitely die many times. However, every time, Qin Yu would jump out.

Therefore, this time, they would definitely not let Qin Yu off easily.

The few of them looked at each other, and then a purple-robed man walked in front of the true flame.

He raised his hand and reached out towards the flame.

The moment he touched the fire pit, the flame rushed over wildly and directly swallowed his palm!

The purple-robed man's expression immediately changed drastically, and he hurriedly withdrew his hand.

But even so, his palm was still badly burned, revealing his white bones!

"As expected of true fire..."the purple-robed man's expression changed.

The pain on his palm made his face sweat profusely.

"True fire isn't something that can be withstood with one's body. Normally, this kid would definitely die if he jumped in,"another purple-robed man said coldly.

The three of them looked at each other, not knowing what to do.

"I heard Qu Xie say that this kid is crazy. He will do anything,"another purple-robed man said.

"If he can find a way to avoid the true fire, he will be safe and sound in this fire pit,"another purple-robed man said with a nod.

"Impossible. Even if he has the secret technique, it won't last long."

The three of them thought about it and finally decided to wait in front of the fire pit.

This time, they wanted to see the person alive and the corpse dead!

Under the fire pit.

Qin Yu's body continued to fall. During the process of falling, his body was burnt until his skin and flesh were split open!

The Flames seemed to have been angered by Qin Yu's provocative attitude. All the flames surged wildly and tried to cling onto Qin Yu's body with all their might!

The intense pain made Qin Yu's face ferocious!

The sweat on his body evaporated in an instant!

“AH...”

The intense pain made Qin Yu moan softly.

He took a look at his body. The flesh and blood on his body had begun to rot under the corrosion of the Flames!

However, Qin Yu was not worried. After stepping into the aurous core stage, his flesh and blood would regenerate.

What really worried Qin Yu was his own bones!

If his bones were directly burned into ashes, then even if his aurous core was not damaged, he would die without a doubt!

This kind of pain was beyond imagination, but when the pain reached a certain level, it would still take a person's life!

However, Qin Yu's firm will made him stare with his eyes wide open, maintaining his consciousness!

The more it was like this, the clearer the pain became.

Qin Yu's body melted at a speed visible to the naked eye. Under the invasion of the flames, all his flesh and blood actually evaporated!

Very soon, sparkling white bones were revealed from Qin Yu's body. His flesh and blood were almost burned clean!

"It depends on whether these bones can withstand it." Qin Yu gritted his teeth and said firmly.

If the bone was also burned, then Qin Yu would definitely die!

Soon, the flames covered Qin Yu's white bones. The terrifying temperature made Qin Yu's bones extremely painful!

The Flames covered every inch of Qin Yu's bones and began to erode them.

"Crack!"

Soon, Qin Yu's bones could not withstand it anymore and a crisp sound was heard!

Chapter 677: In chapter 677, true fire was only so-so!

Under the invasion of the Flames, Qin Yu's bones could no longer withstand it and began to break!

Qin Yu's heart instantly thumped!

It was bad!

“Crack Crack Crack Crack!”

Following that, the sound of bones breaking could be heard from every part of his body!

One bone after another began to shatter!

The pain in his body became several times stronger!

“Not good...”Qin Yu endured the pain and stared at the bones in every part of his body.

There was not a single bone in his body that could withstand this flame!

At this moment, Qin Yu was completely in despair.

The golden core in his body began to be exposed, and this flame seemed to have divine sense as it headed straight for Qin Yu’s Golden Core!

“It’s over.”Qin Yu’s face instantly turned ashen.

The flame was still burning Qin Yu’s bones, breaking every inch of Qin Yu’s bones.

Qin Yu’s face was pale, and he almost didn’t hold any hope in his heart.

Time passed by minute by minute, and the flame wrapped around Qin Yu’s bones. No one knew how much time had passed.

Just as Qin Yu was in despair, he suddenly realized that the bones wrapped in the flame didn’t shatter any further!

Every inch of the bones was even slowly healing!

Qin Yu's eyes instantly widened as he exclaimed, "There's still hope!"

It was as if he had grabbed onto a life-saving straw as he hurriedly activated the spiritual energy in his body and did his best to recover his bones!

As expected, under the support of this spiritual energy, the shattered bones began to slowly heal!

Such a provocative action naturally infuriated the true fire!

The Flames immediately grew stronger and broke Qin Yu's bones again!

"Kacha Kacha!" The sound of cracking could be heard continuously, and an intense pain was felt once again!

Qin Yu clenched his teeth. He circulated his spiritual power and tried his best to protect the bones.

Just like before, after the bones were broken, they did not continue to collapse!

Although it was wrapped in flames, it was in a stalemate for a moment!

In a moment, the bone shone and started to heal again!

"That's Great!" Qin Yu forgot about the pain for a moment and could not help but shout out excitedly!

The few purple robes holding the handle above seemed to have heard this voice.

The three of them quickly surrounded the entrance of the fire pit and said with a frown, “Did you hear the voice? It seems to be Qin Yu’s voice.”

“Yes, this child is indeed not dead.”

“Just wait here. The wailing just now is enough to show that he can’t take it anymore.”

Even though that was the case, the harsh environment in the desert made it difficult for them to take it.

Even though their cultivation was unparalleled, under the power of nature, their mouths and tongues were still dry.

Time flew by. In the blink of an eye, three days had passed.

During these three days, Qin Yu’s bones were constantly breaking and healing.

Time and time again, Qin Yu was almost used to it.

He was even able to co-exist with this pain, without fear of pain!

Every time he healed, the intensity of this flame increased by a few points!

This was not only strengthening his physical body, but also tempering Qin Yu’s will and spiritual sense!

Qin Yu sat cross-legged under the fire pit. He closed his eyes slightly and allowed the Flames to sweep over his body wantonly.

Time passed day by day. In the blink of an eye, half a month had passed.

The purple-robed man above seemed to be unable to hold it in any longer.

“If we continue to stay in such a harsh environment, I’m afraid we will die here.” One of them said with a frown.

“Yes, the inner strength in my body seems to be almost dried up. Such an environment is too terrifying.” The other person also nodded and said.

“Even we are suffering so much outside, let alone Qin Yu who is under the fire pit. I’m afraid he has already turned into blood.”

Under such an environment, the three people seemed to have the intention to retreat. They even wanted to leave.

“Let’s Wait a little longer.” At this moment, the leader among the three said in a deep voice.

“We’ve already waited for so long. It’s not too late for these few days. If we don’t see his corpse, no one will dare to make a hasty conclusion.”

The three of them had no choice but to continue waiting.

Under the fire pit.

Qin Yu had already completely adapted to this rhythm.

And the intensity of the flame seemed to have reached its peak.

The speed of each healing process was also increasing.

Seeing this, Qin Yu couldn’t help but say proudly, “I’m not afraid of you anymore.”

The flame seemed to have understood Qin Yu's provocative words and instantly became extremely agitated.

The flame crazily surged towards Qin Yu's body, but it didn't have the slightest effect.

Qin Yu couldn't help but laugh heartily, "Just this little bit of power? TSK TSK, looks like the so-called true fire is only SO-SO, Hahaha!"

Right at this moment, Qin Yu's bones had already completed the 836th Healing!

And after this healing, the true fire was actually unable to break Qin Yu's bones again!

His bones became incomparably tough and fierce, shining under the envelopment of the Flames!

"Next, it's time to recover my flesh and blood." Qin Yu grinned.

He was very clear in his heart that this was also an extremely painful process, but as long as he endured it, he would be able to push through the clouds and see the sun!

"Chi la la..."

Flesh and blood began to grow on Qin Yu's bones.

The moment the flesh and blood grew, it would be directly vaporized by the flames.

However, Qin Yu was not discouraged. He continued to recover his flesh and blood.

Once, twice, thrice...

Qin Yu's flesh and blood were directly vaporized. Gradually, it became that it would take several seconds to melt. In the later stages, the flames could only Roast Qin Yu's flesh and blood, and could not directly vaporize it.

In the blink of an eye, another half a month had passed.

Qin Yu's body had also recovered more than half.

His recovered body had turned golden. Even if he did not use the sacred body technique, his body was still incomparably tough and fierce!

Above, the three purple-robed men had already completely thought of retreating.

"This child is already dead. We can leave now," one of the purple-robed men stood up and said.

After enduring for an entire month, he could no longer endure it!

The two purple-robed men looked at the leader at the same time, waiting for him to give the order to leave.

"Wait for another three days. It's the last three days!" The leader said coldly.

"If he doesn't appear after three days, then we will leave this place."

"Is there still a need? After staying under the true fire for an entire month, no one can withstand it." The other person frowned.

The leader glanced at him and coldly said, “This child is someone who forcefully broke through the stairway to heaven. With him, anything is possible.”

Seeing this, the three of them could only nod and agree.

...

Below, Qin Yu’s body was completely healed.

He was walking in the true fire and was actually not eroded at all!

Although the Flames attempted to devour Qin Yu, they were unable to harm him in the slightest.

“True fire... I really have to thank you.” Qin Yu looked at his body, which was flickering with golden light, and could not help but laugh.

The Flames were once again enraged, making loud whooshing sounds in the windless land.

Qin Yu laughed heartily and said, “Hahaha, there’s no need to be angry, because... anger is useless!”

After throwing out these words, Qin Yu’s feet shook, and he jumped towards the fire pit!

Chapter 678: Chapter 678, an invincible physical body!

Qin Yu’s body sped towards the entrance of the fire pit!

The flames below were boiling as usual. It was like a huge hand that wanted to keep Qin Yu Here!

But unfortunately, the true fire could no longer do anything to Qin Yu, let alone stop him!

Above, the three purple robes looked at each other and said in a deep voice, "Let's go. He won't come out anymore."

"Okay."

The three of them reached an agreement and turned around to leave.

However, at this moment, they suddenly felt waves of powerful internal Qi coming from behind them!

"You guys are actually still waiting for me."

Before they could turn around, they heard Qin Yu's voice!

Turning around, they saw that not only was Qin Yu unharmed, his body had even become more ferocious!

"You are indeed not dead!" The purple-robed man took a step forward and berated loudly.

Qin Yu spread his hands and said, "I also didn't expect that you guys would have such strong willpower. This... You've waited for me for at least a month, right?"

"As long as I can wait for you, it's worth it no matter how long I wait." The three people said with a cold smile.

Their bodies emitted a surging and terrifying aura. A wave of killing intent rushed straight towards Qin Yu!

Qin Yu knew that the Purple Robe's strength was unparalleled, but at this moment, Qin Yu couldn't wait to test his new body!

He placed his hands behind his back and looked at these three people quietly, as if he didn't care about them at all.

And this completely infuriated the purple robe!

One of the purple robes shouted loudly, and his figure suddenly disappeared, appearing in front of Qin Yu in the blink of an eye!

“Clang!”

Qin Yu did not move and allowed his fist to land on his body!

The sound of metal colliding was heard, but Qin Yu was as calm as the wind. He did not even leave a white mark!

“How... How is this possible!”

Seeing this scene, the three people's faces changed drastically!

Qin Yu's body... ! How could it be so strong? !

Qin Yu lowered his head and looked at his lower abdomen. He grinned and said, “This month has not been wasted...”

“What exactly did you get in this pit of Fire? !”The purple-robed man asked coldly.

Qin Yu sneered and said, “You want to know? Jump in and you'll know everything.”

“You're courting death!”

The purple-robed man was unwilling to give up and once again stepped towards Qin Yu!

Qin Yu still did not move at all. He used his body to take the punch head-on!

Under this punch, Qin Yu was forced back three steps, but he still could not hurt Qin Yu!

“TSK tsk, just his body alone has such strength. If you add the sacred body technique and the Venerable Mountain of the Five Mountains... What kind of state would he reach?” Qin Yu murmured in a low voice.

As soon as he finished speaking, Qin Yu’s body suddenly erupted with a burst of golden internal Qi! It was the sacred body technique!

With the support of the sacred body technique, Qin Yu’s physical body had already reached a freakish state!

“Let’s try again.” Qin Yu beckoned at them.

The three of them were unwilling to give up. They pinched the light in their hands and charged at Qin Yu once again!

“Boom!”

Countless rays of bright light lit up, and the ground beneath Qin Yu’s feet instantly exploded!

In an instant, sand and stones flew everywhere, as if a sandstorm had been blown up!

However, when the sand and dust fell, Qin Yu still stood there, not moving at all!

“It seems that this physical body is even stronger than I imagined,” Qin Yu said indifferently.

At this moment, the expressions of the three people instantly became extremely unsightly!

“I’m afraid that no one below the martial saint level can compare to this child’s physical body!” One of the purple-robed men said in a deep voice.

“Our spells... actually can’t hurt him!”

Qin Yu sized up the three of them and said with a sneer, “If you don’t make a move, I will.”

As soon as he finished speaking, he saw Qin Yu’s feet shake, and rays of light rippled out from under his feet!

This spell was precisely heavy falling into space! The three of them instantly slowed down a lot!

Qin Yu took large strides forward. He clenched his Golden Fist, and with the strength of his physical body, he ruthlessly threw a punch!

“Puff!”

This punch actually directly pierced through the purple robe’s chest!

The Fist smashed into the chest and stretched out from the chest!

“As expected, the stronger the body, the stronger the strength,” Qin Yu said to himself.

“You... you...” the Purple Robe’s eyes widened, as if he could not believe the scene in front of him.

Qin Yu grinned and said, “I will take the golden core on your body.”

After saying that, Qin Yu violently stretched out his palm and directly inserted it into his dantian, directly pulling out the Golden Core!

“Ah! ! !”

This kind of pain could be said to be the separation of the soul and the soul. The pain was unbearable!

After taking away the golden core, Qin Yu directly threw his body into the fire pit.

“Don’t you want to Know What’s inside? Go and explore it yourself.”Qin Yu grinned and said.

In the blink of an eye, he had killed a purple-robed man. The remaining two were already panicking!

“It seems that he killed Geng Si... It’s true!”The two said in surprise.

Qin Yu looked at the two coldly and said with a sneer, “Don’t worry, I’ll send you in right away.”

After saying that, Qin Yu’s feet shook and he stepped toward the two!

Qin Yu’s fist contained immortal power, and every punch had the power to Swallow Mountains and rivers!

Under the influence of the heavy falling space, these two people had no way to dodge!

Qin Yu’s fist smashed into their bodies, shattering their bodies and breaking their bones!

In just a few minutes, these two people were already dripping with blood, a tragic sight!

Qin Yu sneered, "It seems that the purple robe of the Jingdu martial arts association is only so-so. I really don't know who you should send to kill me in the future."

"Qin Yu, don't be so arrogant. Let me tell you..."

"Pa!"

Before he could finish his words, the Golden Palm had already smashed his head into pieces.

In just a moment, these three people had all been reduced to corpses.

The fresh blood on the ground was quickly evaporated by the flames.

When the wind blew, not a trace of blood could be seen at the scene.

"This month has really not been wasted," Qin Yu thought to himself.

"With this body, anyone below the martial saint level can fight." Qin Yu sneered.

Of course, Qin Yu was also very clear in his heart that the reason why he could kill these three people so easily was not only because of his own strength, but also because of another reason.

It was because these three people were in an extremely dispirited state. After staying in this desert for an entire month, it was already good enough for them to display thirty percent of their internal Qi.

Qin Yu bent down and took out the golden cores from these two people's bodies. Then, he threw their bodies into the fire pit.

Playing with the three golden cores, Qin Yu immediately swallowed them into his stomach.

In an instant, an extremely pure Qi/spiritual energy spread out in Qin Yu's body!

The effect of this golden core far surpassed that of a panacea! It was almost equivalent to forcibly seizing the cultivation of others!

It was also because of this reason that in ancient times, people would specifically come to plunder other people's golden cores and rely on this to cultivate!

"If only I could have more golden cores..."Qin Yu thought to himself.

As long as he had enough golden cores, Qin Yu would be able to step into the martial saint realm as soon as possible!

"I really hope that the Jingdu martial arts association and the major aristocratic families can send more people..."Qin Yu grinned.

Chapter 679: Chapter 679, the mind of the handlebar mustache

After swallowing these three golden cores, Qin Yu felt that he could step into the intermediate stage of the Marquis of martial arts at any time.

He looked around and said in a low voice, "It has been a month. It's time to go back."

Qin Yu and the handlebar mustache had an agreement to meet at the Green Moon Villa in a month.

Therefore, Qin Yu didn't dare to waste time. He released his spiritual sense to find the direction and walked out of the desert step by step.

This desert was extremely large, and it was also very far from this city.

It took Qin Yu three days to finally walk out of this desert.

Then, Qin Yu came to a nearby airport and rushed toward this city.

Qin Yu disappeared for an entire month. Other than the three purple-robed men from the Jingdu Martial Arts Association, the rest of the people who came to kill Qin Yu had already left.

They had even lost the patience to wait for Qin Yu.

Jingdu martial arts association.

Qu Xie looked at Han Xiu and could not help but laugh. "Mr. Han, there's no need for you to personally take action on such a small matter. Our Jingdu martial arts association has already sent three purple-robed men to kill him. I think that Qin Yu is already dead."

Han Xiu's status in the Han family was extremely high, far above Han Meng's.

This also caused Han Xiu's tone to be very different from Han Meng's.

"Your Jingdu martial arts association has already sent several groups of people. Every time, they say that Qin Yu is bound to die. What's the result?" Han Xiu sneered.

"How ridiculous. Everyone says that the JINGDU martial arts association has many talented people, but in the end, they can't even kill a single Qin Yu."

Qu Xie said with slight embarrassment, “That was just an accident.”

Han Xiu stood up and stretched. “President Qu, all the big families want Qin Yu to die. You should know that.”

Qu Xie nodded. “I know. So does the Jingdu Martial Arts Association.”

Han Xiu spread his hands and said, “Okay. I’ll wait for your message.”

After Han Xiu left, Qu Xie’s face darkened.

He looked coldly at his assistant and said, “It’s been a month. Why is there still no news?”

The assistant shook his head and said, “I’m not sure. I tried to contact the three purple-robed masters, but they all failed.”

This made Qu Xie have a bad premonition.

The three purple-robed masters were already the top forces of the Jingdu Martial Arts Association.

If even they couldn’t kill Qin Yu, then they might really have to use their ultimate weapons.

“President Qu, we just received news that Qin Yu has returned to the Green Moon Villa.”

At this moment, someone walked in from outside.

Qu Xie’s face darkened, and he couldn’t help but clench his fists.

“This Qin Yu...” Qu Xie’s face was cold and full of killing intent.

His assistant frowned. “Could it be that the three purple-robed lords are already dead?”

Qu Xie shook his head. “I don’t know, but since he’s back, nothing good must have happened.”

At this point, he looked at his assistant and said in a cold voice, “Suppress the news first. Tell them that the three purple-robed lords didn’t find Qin Yu and are now back.”

“Even if the three purple-robed lords are really dead, we can’t let the news spread!”

The assistant nodded and said, “Yes.”

The Jingdu Martial Arts Association had always been the overlord of the martial arts world, and the purple robes had terrified the entire martial arts world.

If the world knew that Qin Yu had killed three purple robes, the JINGDU martial arts association’s status would definitely plummet.

The deterrence that they had worked so hard to maintain for so many years would also disappear.

...

Within the Green Moon Villa.

Qin Yu was sitting in the main hall. He looked at Zhen Yue and asked, “Has no one come to find me these few days?”

Zhen Yue said, “Yes. Almost every day, someone comes to ask if you are here.”

Qin Yu couldn't help but frown.

Zhen Yue was obviously not talking about the handlebar mustache, because the characteristics of the handlebar mustache were too obvious.

"It has been more than a month, but the handlebar mustache hasn't come yet. Did he run away with the fire bead?" Qin Yu thought to himself.

Qin Yu had always been wary of the mustache.

This person seemed crazy, but he was actually very scheming. Even Qin Yu couldn't see through him.

"Forget it. I'll wait for him for a few more days," Qin Yu thought to himself.

Time flew by. In the blink of an eye, three days had passed.

And during these three days, the mustache still hadn't appeared.

This made Qin Yu lose his patience. He thought for a moment and then said, "Forget it. I'll go into seclusion and try to break through to the middle stage of the Martial Marquis Realm First."

With Qin Yu's current physical body, if he stepped into the middle stage of the Martial Marquis Realm, he would have no fear of the purple robe. He could even fight someone at the peak of the Martial Marquis Realm!

That night.

Just as Qin Yu was about to go into seclusion, a wretched figure appeared beside Qin Yu.

He smiled and said, "I'm sorry. There was a traffic jam on the road and I was a few days late."

Qin Yu opened his eyes. He glared at the mustachioed man and said, "What kind of traffic jam can jam you for a few days!"

The mustache man smiled and said, "I thought you were dead. I didn't expect you to be so lucky."

At this point, the Mustache Man Looked Qin Yu up and down and then said in surprise, "You succeeded?"

Qin Yu nodded slightly and said, "Yes, it's just as I expected. The true fire can be used to temper one's body."

This could not help but shock the mustache man. He muttered softly, "The chaotic body is really a magical constitution..."

Following that, the Mustache Man pulled Qin Yu and said, "Alright, don't waste time. I've already prepared the materials. Let's go."

Qin Yu was already impatient. He stood up and said, "En, let's go."

The Mustache Man took out a map from his pocket.

The map was quite simple and crude, and there was a location marked on it.

The Mustache Man pointed at the mark on the map and said, "I've set up a formation stage here. I'll wait for you there."

"After you get the mask, come and find me directly."

Qin Yu frowned and said, "Aren't you going with me?"

The mustached man shook his head and said, "I still have to prepare in advance. You just need to bring the mask."

"Okay." Qin Yu didn't think much and immediately nodded and agreed.

It was already late at night, but Qin Yu still left Cang City and rushed to Chuzhou.

Looking at Qin Yu's back, the mustache man narrowed his eyes slightly.

A trace of craftiness flashed across his face, and there was a strange smile at the corner of his mouth.

"The mask... belongs to me!" The Mustache Man said coldly.

After saying this, the mustache man turned around and disappeared into the night.

Chapter 680: Chapter 680, uninvited guests

Qin Yu rushed back to Chuzhou that night.

"At this time... Xiao Yu should be asleep," Qin Yu thought to himself.

It was already midnight. Normally, Qin Yu should not disturb him.

However, Qin Yu had spent too much effort on this matter. Now that he had succeeded, Qin Yu decided to disturb him.

After getting off the plane, Qin Yu took a taxi and rushed to Xiao Yu's house.

At this moment, the scene in Uncle Wu's courtyard was very different from what Qin Yu had imagined.

There were three unfamiliar men standing in the courtyard. All three of them were exuding an extremely strong internal Qi.

This internal Qi almost enveloped the entire house.

Xiao Yu and uncle Wu stood in front of the three of them.

“Who are you? !” Uncle Wu shouted.

The three of them didn't say anything. They just looked at Xiao Yu coldly.

Uncle Wu shouted, “If you don't leave now, I'll call the Police!”

Finally, the three of them spoke.

They looked at Xiao Yu quietly and said, “We're from the Han Palace. We're not here to hurt anyone. We're just here to take something.”

Uncle Wu frowned and said, “Han Palace? What's that? I've never heard of it. Get lost!”

The three of them ignored uncle Wu's shout and kept their eyes on Xiao Yu.

Xiao Yu's expression was extremely ugly. She knew very well that the three of them must be here for the mask!

Even though Qin Yu said that no one could know about the mask, the young Xiao Yu still told her best friend the news.

“What... What do you want?”Xiao Yu tried to ask.

“You should know,”the three people said coldly.

Xiao Yu gritted her teeth and said, “I don’t understand what you’re talking about. I don’t have what you want.”

“Little girl, we don’t want to be rough, but don’t force me,”one of the three people said coldly.

Xiao Yu gritted her teeth and suppressed the fear in her heart. Then, she took a step forward, and the aura on her body exploded at this moment!

What was surprising was that Xiao Yu had already entered the grandmaster realm!

Such speed was shocking!

Uncle Wu couldn’t help but be surprised when he felt Xiao Yu’s internal Qi.

When did his daughter become so powerful?

“Little girl, are you going to fight us?”One of them asked coldly.

“You should know that you are not our match. As long as you hand over the thing, we won’t hurt you.”

Xiao Yu braced himself and said, “Don’t even think about it!”

The three of them narrowed their eyes, and their expressions couldn’t help but turn cold.

“If you refuse a toast, you’ll be forced to drink a forfeit,” one of them said coldly.

His internal Qi also erupted at this moment!

The terrifying internal Qi directly sent uncle Wu flying!

These three people were actually in the Martial Marquis realm!

“I’m Not Afraid of You!” Xiao Yu shouted, and then took the initiative to clench her fists and charge over!

However, the difference in strength between the two sides was too great. Xiao Yu had no way to fight back against Marquis Wu!

The black-robed man raised his palm and directly sent Xiao Yu flying!

Looking at Xiao Yu who was lying on the ground, uncle Wu immediately became anxious.

He grabbed a stick from the side and rushed over!

However, Uncle Wu, who was just an ordinary person, had no fighting strength. His stick was directly sent flying before it even touched the black-robed man!

Uncle Wu fell to the ground and fell into a coma.

“Dad!” Xiao Yu immediately became anxious.

She rushed to Uncle Wu’s side and said anxiously, “Dad, you... Wake Up!”

“Little girl, hand over the thing. I guarantee that you’ll be fine. Don’t bring trouble upon yourself,”the three people warned again.

Xiao Yu stood up from the ground. She gritted her silver teeth and said, “Don’t even think about it! I Won’t hand it over to you even if I Die!”

“You don’t know what’s good for you!”The three of them were completely enraged!

They took large strides forward and stretched out their palms. A palm that looked like a shriveled claw directly grabbed towards Xiao Yu!

All of Xiao Yu’s cultivation was not worth mentioning at this moment! Facing these three people, she had no way of retaliating at all!

Right at this moment, a golden fist stretched out!

The Fist went straight for the palm, and a loud sound immediately rang out!

“Boom!”

With the loud sound, the black-robed man retreated three steps in succession!

“Little Yu, are you alright?”Qin Yu looked at Little Yu and asked.

Little Yu shook her head and said anxiously, “Qin Yu, quickly save my father, he...”

“Don’t worry, Uncle Wu will be fine,”Qin Yu comforted.

He walked to Uncle Wu and bent down.

Then, he injected a trace of Qi/spiritual energy into Uncle Wu's body. After a while, uncle Wu slowly woke up.

"Qin Yu, what... What's going on?" Uncle Wu asked anxiously when he saw Qin Yu.

Qin Yu smiled and said, "Uncle Wu, it's okay. You Go back to your room first. I'll take care of this."

Uncle Wu nodded with some worry. He warned, "Qin Yu, be careful."

Qin Yu grunted in gratitude. Then, he stood up and looked at the three black-robed men.

"It seems that the news has been leaked," Qin Yu said coldly.

The three men narrowed their eyes and said, "Qin Yu, we only came for the mask. We don't want to be enemies with you."

Qin Yu sneered and said, "You came here to steal something, and you said you don't want to be enemies with me? What, Do I have to thank you guys?"

"Qin Yu, I know you have a little reputation and your strength is not weak, but I advise you to mind your own business. Otherwise, you will easily get into trouble!" The three of them said coldly.

"Then let's give it a try," Qin Yu said coldly.

He strode forward and the aura on his body exploded!

The three people looked at each other and immediately took a step back!

Obviously, they didn't want to fight Qin Yu head-on!

“Let’s end this quickly. We Can’t stay here for long,”one of the black-robed men said coldly.

The three people looked at each other and then nodded.

They stretched out their palms and an icy blue light appeared in their palms at the same time.

This light was incomparably cold and extremely strange. Even Qin Yu could not help but frown slightly.

“Weng!”

Accompanied by a light, the three palms pressed forward!

Following that, the three icy blue lights seemed to have transformed into a rain of light as they pierced towards Qin Yu’s body with crackling sounds!

Qin Yu shouted loudly, and golden light immediately burst forth from his entire body! His tough and fierce body intended to resist this light head on!

“Pu, Pu, Pu!”

However, what surprised Qin Yu was that these light rays that were like rain actually directly passed through Qin Yu’s skin and entered his body!

“What is this thing?”Seeing this, Qin Yu’s brows instantly furrowed tightly.

The three of them did not make a sound. Instead, they stood not far away and muttered softly, as if they were silently chanting some spell.

In an instant, Qin Yu's body instantly felt a trace of abnormality!

He only felt that his meridians seemed to be blocked, unable to flow!

The next second, Qin Yu's body went limp, and he directly fell to the ground!

Chapter 681: Chapter 681, the Masked Woman in the world!

Qin Yu felt his limbs go weak, and his buttocks fell to the ground.

“Qin Yu!” Seeing this, little fish ran over anxiously.

Qin Yu's brows were tightly knitted. He tried to activate the internal Qi in his body, but found that all the acupoints had been sealed, and he couldn't move at all.

“This is the ice spirit divine needle of our cold palace. It can seal the acupoints of people,” the black-robed man said coldly.

“As long as you are hit by the Ice Spirit Needle, your internal Qi will become weaker and weaker until you die.”

Qin Yu did not say a word. He lay on the ground and his face quickly turned red.

However, Qin Yu was not flustered at the moment. He tried his best to mobilize his internal Qi in an attempt to break through the ice spirit needle that had sealed the acupoints!

“What should we do with this Qin Yu?” One of the black-robed men asked.

“Kill him. We can’t let this person live,”the other person said coldly.

Thus, the three of them immediately took large strides forward!

They held onto the brilliance in their hands and ruthlessly slammed it towards Qin Yu!

“Boom!”

The ground beneath their feet instantly collapsed! And beside Qin Yu, Little Fish was also affected and was directly sent flying!

This was a strike from Marquis Wu. It was definitely not something that a peak martial grandmaster could withstand!

Under this attack, Xiao Yu’s flesh was torn apart, and his internal Qi was weakened!

“Xiao Yu!”Seeing this scene, Qin Yu’s expression changed drastically!

Gritting his teeth, he tried his best to mobilize the internal Qi in his body to continue attacking his acupoints!

“He’s actually not dead.”Seeing that Qin Yu’an was unharmed, the three of them couldn’t help but frown.

“It’s said that this kid’s body is incomparably tough. It Won’t be that easy to kill him.”

“Let’s hurry up and get the things. We Can’t stay here for too long.”

Thus, a black-robed man immediately strode over.

He reached out and grabbed Xiao Yu by the neck, directly lifting her into the air.

“Speak, where’s the mask?”The black-robed man asked coldly.

Xiao Yu gritted her teeth and said word by word, “I... I Won’t give it to you!”

“You won’t get a good end for being stubborn,”the black-robed man said coldly.

The strength in his hand slowly increased, and Xiao Yu’s face immediately turned red!

She struggled desperately, but against Marquis Wu, all her strength was not worth mentioning!

At this moment, Uncle Wu suddenly grabbed the kitchen knife and ruthlessly chopped the back of the black-robed man’s Head!

With a bang, the kitchen knife was directly shattered!

“You... Let Go of my daughter!”Uncle Wu roared angrily!

“Uncle Wu, hurry up and leave!”Seeing this, Qin Yu immediately became anxious!

Uncle Wu was just an ordinary person. He absolutely couldn’t hurt a Marquis Wu!

And a casual strike from Marquis Wu could kill Uncle Wu!

The black-robed man slowly turned his body.

He looked at Uncle Wu coldly and said, “You don’t know death!”

Then, the black-robed man waved his hand and slapped Uncle Wu!

Although it was just a casual slap, Uncle Wu was still sent flying!

This slap shattered Uncle Wu’s bones, and his body became limp and bloody!

Uncle Wu was lying on the ground. His body was covered in blood, and his face could not be seen.

“You... let go of my daughter...”uncle Wu said with difficulty, and then fainted.

His internal Qi was rapidly draining away, and the aura of death appeared on his face!

Qin Yu’s expression changed drastically when he saw this!

“No, we have to hurry up, or Uncle Wu will die for sure!”Qin Yu said anxiously!

“HMPH, truly a mayfly trying to shake a tree. You Don’t know life from death,”the black-robed man said coldly.

He raised his palm, and a ray of light condensed on his palm.

This ray of light was approaching Uncle Wu, and a terrifying power was rapidly brewing!

“Stop the F \* ck!”Qin Yu immediately became anxious when he saw this!

He gritted his teeth and desperately attacked the acupuncture points in his body!

But this speed was too slow, there was no time at all!

“Weng!”

A Ray of light shot out from the black-robed man’s hand and headed straight for Uncle Wu!

“Boom!”

The ground immediately collapsed!

Uncle Wu’s body was almost shattered!

“Dad! ! !”

Seeing this scene, Xiao Yu’s eyes immediately widened!

She stared blankly in Uncle Wu’s direction as bean-sized tears flowed out from her eyes!

Uncle Wu opened his eyes with great difficulty. He opened his mouth as if he wanted to say something, but the injuries on his body already made him unable to even open his mouth.

Uncle Wu’s raised palm slowly fell down. His internal Qi suddenly stopped at this moment.

“Dad! ! !”

Xiao Yu’s painful voice cut through the Silent Night!

The expression on her face slowly became ferocious!

“I’m going to kill you! I’m going to kill you! !”Xiao Yu screamed, and the entire house suddenly began to tremble!

“Eh?”Seeing this, the black-robed men immediately frowned.

“Rumble...”

The ground was trembling, as if it was shaking! It was as if something was about to rush out!

“Swoosh!”

At this moment, a loud sound suddenly rang out, and then the room collapsed!

A mask that was flickering with a dark light flew out from the room!

“Mask! It’s this mask!”The three black-robed men were overjoyed!

They threw little fish aside and ran towards the mask!

However, the mask flew directly towards little fish and stuck tightly onto her face!

“What... What’s going on?”The three black-robed men’s expressions changed drastically!

Little Fish’s body slowly floated into the air. An extremely sinister aura quickly swept towards little fish’s internal Qi!

Her figure floated in the air, and her every movement carried an icy cold killing intent!

At this moment, Xiao Yu's face was covered by a mask, and only a pair of icy cold eyes could be seen.

Her eyes were filled with contempt, and her condescending gaze seemed to be looking down on an ant.

The extreme killing intent from her body made people tremble!

Seeing this scene, Qin Yu's eyes immediately widened!

This figure was almost exactly the same as the masked woman that Qin Yu saw in the immortal slaying sect!

"Little Yu and the masked woman... are indeed related!" Qin Yu exclaimed in shock!

Could it be that Little Yu was really the reincarnation of the masked woman? This figure was simply too similar!

Little Yu looked coldly at the three black-robed men. Her ice-cold killing intent could not help but make people feel uneasy.

The three black-robed men looked at Xiao Yu in front of them and frowned.

For some reason, they felt an indescribable fear in their hearts!

Even though there was no internal Qi surging from Xiao Yu's body, it still made people feel uneasy.

"What's going on? How did the mask fly onto her face!" One of the black-robed men said in a deep voice.

“What a charlatan! I don’t care what the reason is. Let’s kill him first!”The black-robed men gritted their teeth and strode toward Little Fish!

Chapter 682: Chapter 682, masks and coffins!

These black-robed men clearly did not know what kind of existence the masked woman was.

At this moment, besides the cold murderous aura on Xiao Yu’s body, he could not feel any internal Qi fluctuations.

Qin Yu stared in Xiao Yu’s direction, his heart filled with anticipation.

He wanted to know what kind of strength the masked woman had!

“Go!”

The three of them looked at each other, then took large strides towards Xiao Yu!

They held onto the brilliance in their hands, carrying an internal Qi. The three of them used all their trump cards at the same time, wanting to kill Xiao Yu in a short amount of time!

However, Xiao Yu did not move at all. He only looked at the three of them coldly!

“Swoosh!”

The three of them quickly arrived in front of Xiao Yu!

At this moment, Xiao Yu raised her palm slightly.

In an instant, the spells of these three people disappeared!

Not only that, their bodies froze in mid-air, unable to move!

“What... What’s going on!”The three of them were extremely terrified!

They struggled desperately, trying to break free from this restriction. However, no matter how hard they struggled, they were still unable to move!

Xiao Yu looked at this person coldly. She raised her jade-like hand and pinched lightly.

“Pu!”

As Xiao Yu closed her fingers, the bodies of these three people directly turned into a bloody mist and exploded!

The scene was filled with a strong bloody smell. Not even their bones were left!

Seeing this, Qin Yu could not help but swallow his saliva.

What kind of F \* cking strength was this? With a raise of his hand, he crushed the three marquises?

Moreover, this was not a true masked woman. It was only the power brought about by the mask.

What kind of strength did a true masked woman have?

It was also at this moment that Qin Yu finally succeeded in breaking through the acupoints.

He hurriedly stood up from the ground and looked in the direction of Little Yu.

“Xiao Yu!”Qin Yu shouted!

Xiao Yu turned around and looked at Qin Yu coldly.

Just a glance made Qin Yu’s heart beat faster, and the blood in his body seemed to be boiling!

The blood in Qin Yu’s body seemed to be expanding rapidly, as if it was going to explode at any moment!

“Xiao Yu, you...”Qin Yu opened his mouth and immediately spat out a mouthful of blood!

“You... stop... I’m Qin Yu!”Qin Yu shouted with difficulty.

Facing this woman, Qin Yu didn’t even have the slightest intention of resisting!

Because he knew very well in his heart that no matter how he resisted, he was absolutely no match for her!

“Xiao Yu... I’m Qin Yu!”Qin Yu’s pores were already bleeding, and his bones were cracking!

He stared at Xiao Yu’s direction, his eyes filled with anxiety!

In mid-air, Xiao Yu looked at Qin Yu coldly.

“Xiao Yu, quickly... take off the mask. It’s okay now, I’ll help you...”Qin Yu used all his strength to say these words with difficulty.

Finally, Xiao Yu seemed to come back to his senses.

The pain that lingered in Qin Yu's body also began to disappear.

Qin Yu fell to the ground with a thud and couldn't help but gasp for breath.

"It was so close... just now... I almost died," Qin Yu muttered in a low voice.

It was just that one look, and it almost took Qin Yu's life!

This made Qin Yu Sigh. What kind of cultivation base did she have to have such strength...

"A real masked woman... What kind of existence is she?" Qin Yu couldn't help but be secretly speechless.

Xiao Yu's figure slowly fell from the sky.

She looked at Qin Yu and then at Uncle Wu. A light suddenly flashed on the mask.

As the light faded, the mask on Xiao Yu's face also slowly fell down.

Qin Yu hurriedly looked in the direction of Xiao Yu and looked at Xiao Yu's pupils.

The coldness in her pupils had disappeared. Obviously, Xiao Yu had returned to normal.

"Qin Yu, save my dad..." tears rolled out of Xiaoyu's eyes.

She knelt in front of Uncle Wu, tears flowing down her face.

Qin Yu walked up to Uncle Wu. His face was a little ugly, and he didn't know how to comfort Uncle Wu.

With Uncle Wu's current condition, it was impossible to save him. At least, with Qin Yu's cultivation, he couldn't do it.

"That masked woman can definitely do it!" At this moment, Qin Yu thought of something!

He hurriedly picked up the mask and handed it to little Yu, saying, "Little Yu, put the mask on. Maybe there's a way!"

At this moment, Little Yu was in a daze. Although she didn't know why, she still hurriedly put the mask on her face.

Unfortunately, the mask fell off.

Xiao Yu didn't turn back into the masked woman.

This made Qin Yu frown.

The masked woman clearly glanced at Uncle Wu just now. Why didn't she save Uncle Wu?

Uncle Wu was her father!

Could it be that Xiao Yu and the masked woman were not the same person?

Or... The masked woman didn't care about Uncle Wu's life and death at all?

Xiao Yu knelt in front of Uncle Wu and kept sobbing.

The scenes of the past couldn't help but appear in his mind.

"I should have been obedient... I shouldn't have been so willful..." Xiao Yu hugged uncle Wu's corpse and wept.

Qin Yu didn't know how to comfort him.

He put his hand on Xiao Yu's shoulder and whispered, "I'll help you get revenge..."

Qin Yu felt very sad after such a thing happened.

He did not have the mood to bring Xiao Yu to look for the handlebar mustache anymore.

That night, Xiao Yu accompanied Uncle Wu's corpse.

She kept recounting the past and repeatedly apologized to Uncle Wu.

But no matter what she said, it was unable to save Uncle Wu's life.

The next morning.

Qin Yu sighed slightly and said, "Set up a tombstone for Uncle Wu."

At this moment, Little Yu raised her head.

She stared at Qin Yu and said, "Can you help me think of a way to protect my father's body?"

Qin Yu was stunned. He was silent for a moment and said, "I have a friend. He might be able to do it."

That friend was naturally referring to the mustache.

The mustache had countless babe on it, so it should not be difficult to protect a corpse.

Xiao Yu wiped her tears and said with some pleading, “Take me to see him. No matter what, you have to save my father’s corpse...”

“Okay.”Qin Yu took a deep breath.

At this moment, Qin Yu suddenly thought of something.

“I might have another way,”Qin Yu said in a deep voice.

That way was the coffin in the spatial artifact!

The coffin was extremely cold, so it shouldn’t be difficult to preserve a corpse.

Thinking of this, Qin Yu immediately took out the coffin.

The blood-red coffin was placed in front of the two of them.

Qin Yu opened the coffin and said, “Put uncle Wu into this coffin for now.”

However, at this time, little fish looked at the coffin with a dull expression and didn’t say a word.

There was a piece of clothing in the coffin. This clothing came from the masked woman.

Qin Yu couldn’t help but frown slightly.

Just as he was about to speak, the mask in Xiao Yu’s hand suddenly trembled violently!

Chapter 683: Chapter 683, the terrified handlebar mustache!

The mask flickered with light as it flew into the coffin!

In an instant, the coffin emitted waves of internal Qi that gathered on the mask!

The Sinister Qi instantly engulfed the entire scene!

Qin Yu hurriedly pulled Xiao Yu to the side, afraid that he would be affected.

The mask trembled continuously in the air, and the internal Qi swept up along the coffin.

Qin Yu raised his head to look at this scene, and a trace of shock flashed across his face!

What kind of method was this? Could it be that the mask had developed a sense of self?

After a moment, the scene finally quieted down.

The mask fell into the coffin, and everything returned to peace.

Qin Yu pulled little fish to the front of the coffin. He reached out his hand and took out the mask, giving it back to little fish.

“Do you have any strange feelings?” Qin Yu asked with concern.

Xiao Yu just shook her head and didn't say anything.

Perhaps it was because of Uncle Wu's death or because of the mask, Xiao Yu seemed to have become much quieter.

The Aura on her body was no longer like that of a teenage girl, adding a bit of ice-cold internal Qi.

Qin Yu did not know whether this was a good thing or a bad thing. However, if there was really a relationship between Xiao Yu and the masked woman, then Xiao Yu's future would be unimaginable.

In the next few days, Qin Yu did not leave this place.

With Uncle Wu dead, Xiao Yu would definitely not be able to live on by herself.

After thinking about it, Qin Yu could only sigh slightly.

"I'll bring her back to Green Moon Villa for now," Qin Yu thought to himself.

In the blink of an eye, a week had passed.

And Xiao Yu's mood seemed to have eased up a lot.

Therefore, Qin Yu decided to find the handlebar mustache the next day and use it to resurrect the two male corpses.

At night.

Qin Yu took out the two male corpses from the spatial artifact.

"Xiao Yu, do you know these two people?" Qin Yu pointed at the two corpses and asked.

Xiao Yu shook his head and said, "No."

Qin Yu didn't ask any more questions. After all, it was still uncertain whether there was a relationship between Xiao Yu and the masked woman.

"Maybe it's just because of my constitution," Qin Yu thought to himself.

After all, Xiao Yu had a pure yin body. Perhaps she could have a certain reaction with the masked woman.

"The news about the mask has already spread. Next... I'm afraid there will be endless trouble." Qin Yu couldn't help but sigh.

This time, the people who came to snatch the mask were three martial marquises. What kind of existence would they be next time?

The next day.

Qin Yu brought Xiao Yu and left Chuzhou, rushing towards the location marked on the moustache.

Along the way, Xiao Yu appeared to be quite silent.

After an unknown amount of time, Qin Yu finally found the location of the moustache.

This was a desolate and uninhabited area. One could feel a trace of solemnity in the surroundings.

Qin Yu sniffed his nose and could not help but frown slightly.

"It seems that a formation has been set up here," Qin Yu said in a low voice.

He tried to mobilize the internal QI in his body, but found that the internal Qi in his body seemed to be suppressed, like a block of ice that could not be circulated.

“There really is a formation,”Qin Yu said in a low voice.

Of course, he did not think too much about it. Even if there was no surge of internal Qi, Qin Yu’s body could be said to be unparalleled.

Qin Yu brought little fish and walked forward.

Soon, an array platform fell into Qin Yu’s eyes.

Looking at it, this array platform appeared to be quite ancient.

On it were carved many strange characters. Around the array platform, there were many array flags.

“It should be here,”Qin Yu said in a deep voice.

This mysterious array platform was simple and unadorned, and there wasn’t even a hint of internal Qi surging on it.

The formation stage was also built very simply, as if it was going to break at any moment.

“Where is this?”Seeing this, little fish could not help but frown and ask.

Qin Yu did not answer this question, but said, “Little Fish, I will borrow your mask later. I will return it to you very soon.”

Little Fish conveniently passed the mask to Qin Yu.

“This mask is not safe with me. I will let you take care of it for the time being,” Little Fish said.

Qin Yu thought for a moment. It seemed reasonable, so he nodded and agreed.

Then, Qin Yu looked around and couldn't help but mutter, “Where did this kid with the Handlebar Mustache Go? could he have already left?”

“Who's the handlebar mustache?” Asked Little Yu.

Qin Yu smiled and said, “He's a friend of mine. Let's wait for him here.”

After saying that, Qin Yu pulled Little Yu and sat on the platform, waiting for the handlebar mustache.

Time passed by minute by minute, but the handlebar mustache never showed up.

Soon, night fell.

There was no light in the surroundings except for the Starlight.

At this moment, a figure was hiding in the darkness.

He looked in Qin Yu's direction, and a rare coldness flashed in his eyes.

“Fellow Daoist, although I admire you very much, for that mask... I can only let you down!” The handlebar mustache said in a low voice.

Then, he restrained his breath and strode in the direction of Qin Yu.

At this moment, Qin Yu was completely ignorant. He was meditating and cultivating on this array platform.

Very soon, the mustached man's figure appeared behind Qin Yu.

He looked coldly at Qin Yu in front of him, and a hint of conflict flashed in his eyes.

But this hint of conflict disappeared in a flash, and was replaced by a face full of coldness!

He raised his palm and slowly extended it in Qin Yu's direction!

At this moment, Xiao Yu suddenly turned his head and looked at the handlebar mustache behind him.

The handlebar mustache frowned slightly. Just as he was about to be ruthless, his expression suddenly changed drastically!

Looking at Xiao Yu in front of him, the handlebar mustache's face turned extremely pale!

In the next second, the handlebar mustache directly shot backward! There was even a trace of fear on his face!

"You... you..."the handlebar mustache pointed in the direction of Little Fish and kept muttering as if he had seen a ghost!

Such a movement naturally attracted Qin Yu's attention.

He turned around and looked at the handlebar mustache. He frowned and said, "What are you doing? Have You Seen a Ghost?"

The handlebar mustache swallowed his saliva. A trace of secret sweat kept breaking out on his forehead!

In just an instant, countless thoughts flashed through the moustache man's mind!

His plan of snatching the mask vanished into thin air at this moment!

Qin Yu looked at the moustache man suspiciously, then at Little Yu, and muttered, "What are you doing?"

The moustache man wiped the sweat off his forehead and stood up with an embarrassed smile.

"Nothing, nothing..."the moustache man returned to his carefree expression.

Qin Yu looked at the handlebar mustache up and down, then at Little Fish. Then, he said with some amusement, "Handlebar mustache, you seem to be very afraid of little fish."

Hearing this, the Handlebar Mustache's heart thumped! His expression also became extremely unnatural!

Chapter 684: Chapter 684, resurrection of the male corpse!

Qin Yu was not a fool. Of course, he could see the peculiarity of the handlebar mustache.

"Come, tell me, what do you know and what do you want to Do?"Qin Yu pulled the handlebar mustache to the side, his tone filled with hostility.

The handlebar mustache immediately fell silent. This was a rare occasion where he was so serious.

“That girl... What’s your relationship with her?” A moment later, the moustache man pointed in Xiaoyu’s direction.

Qin Yu said, “She’s my sister. What’s Wrong?”

The moustache man sighed and said, “To tell you the truth, I’ve traveled north and south for so many years, up to the Qin emperor...”

“Get to the point!” Qin Yu interrupted the moustache man’s rambling.

The mustache man coughed and continued, “I once saw a portrait of the masked woman. The woman in the portrait... is very similar to your sister.”

Hearing this, Qin Yu could not help but mutter, “It seems that there is a relationship between her and the masked woman.”

Then, Qin Yu looked at the mustache man and said, “What exactly do you know?”

The handlebar mustache said in a deep voice, “You should know that this masked woman is not from this era. Even if she has a high cultivation level, she should have turned into a pile of yellow soil by now.”

“But... I suspect that the masked woman is reincarnating in some way.”

“And your sister is most likely from a generation of her reincarnation!”

Qin Yu’s expression changed slightly.

Just as the handlebar mustache said, even a great cultivator at the tribulation stage couldn’t possibly die.

This was the law of nature, and no one could escape it.

If it was really as the handlebar mustache said, this masked woman kept reincarnating, then it would really be a terrifying thing.

“Qin Yu, the mask you said is in her hands, right?” The handlebar mustache asked.

Qin Yu nodded and said, “Yes.”

Upon hearing this, the mustached man hurriedly said, “You’d better think of a way to prevent her from awakening any memories! Otherwise, it will definitely be a disaster!”

Qin Yu rolled his eyes and said, “Aren’t you being too alarmist? I know little Yu very well. Although she’s a little mischievous, she has a kind heart. How could she have anything to do with the disaster...”

The mustached man said anxiously, “That’s because you don’t understand! Let me tell you, according to the information I have, this masked woman is a devil who kills without batting an eye!”

“As far as I know, she wouldn’t care even if it was her relatives and friends! Her kindness now is just a lie!”

Qin Yu scratched his head and said, “Is it really as scary as you say?”

The mustache man muttered, “It’s absolutely true! If it’s possible, we’d better kill her in advance!”

“Impossible!” Qin Yu rejected the Mustache Man’s suggestion without even thinking.

“And I’m warning you, you’d better not have any ideas about her,” Qin Yu said coldly.

The Mustache Man sighed slightly and said, “Qin Yu, perhaps you think that she has a good relationship with you now, but in the future... Once she takes shape in the future, she will be another person!”

“When that time comes, no one will be able to suppress her. Who knows how many people will be persecuted!”

Qin Yu looked at the mustached man with a serious expression and then at Xiao Yu who was not far away.

“Are you willing to watch so many innocent people die at her hands?” The mustached man said in a flustered manner.

Qin Yu still did not speak.

The mustached man’s words were reasonable, but it was impossible for her to get rid of Xiao Yu!

“I’ll make sure she’s fine.” Qin Yu took a deep breath.

“Even if it’s as you say, one day she becomes a devil, I’ll personally suppress her.”

The moustache man sighed. “I’m just afraid that you won’t have the ability then.”

“Alright, from now on, Don’t talk about this topic!” Qin Yu pointed at the moustache man and said.

“Also, don’t let Little Yu know about this, understand?”

The moustache couldn’t do anything to Qin Yu. He could only wave his hand and say, “Fine, fine, fine. Do As you wish. I’m too lazy to care about it.”

Qin Yu didn't continue the topic. He took out the mask from the spatial artifact and handed it to the moustache.

"This is the mask you wanted. Don't waste time," Qin Yu said.

Holding the mask, the Mustache Man had a complicated expression.

He was a little excited, but also a little horrified.

This kind of horror made Qin Yu very confused. Even if the mustache man knew many stories about the masked woman, they were only legends.

He had never experienced it personally, so how could he be terrified from the bottom of his heart?

"It really is her mask..." the Mustache Man Couldn't help but lick his lips.

"You'd better not have any ideas about this mask..." warned Qin Yu.

The mustached man waved his hand and said, "Don't worry. I've already given up on this idea just now."

Ever since he saw little fish, the thoughts in his heart had vanished into thin air.

Even the mustached man didn't know why.

"Then let's begin," said Qin Yu.

"Don't worry. We still need to repair that array platform. If it's too powerful, it'll easily destroy the array platform," said the mustached man with a smile.

Qin Yu glared at the mustached man and said, “What the F \* ck did you do earlier? !”

The mustached man touched his nose and smiled sheepishly.

This formation stage was not complete at all because the mustached man had never really wanted to help Qin Yu before this.

Everything he had done was to confuse Qin Yu and take away the mask.

The mustached man removed the pressure on Qin Yu from the formation stage and then took out a few formation flags.

“How long will it take?” Qin Yu asked.

The handlebar mustache stretched out a finger and said, “Three hours.”

Qin Yu nodded and said, “Then hurry up.”

The handlebar mustache took the mask and returned to the array platform.

When he passed by Little Fish, the handlebar mustache subconsciously turned his head to the side.

This made little fish feel baffled.

She pointed at her nose and whispered, “Am I Ugly?”

“Of course not,” Qin Yu said helplessly.

“He’s a fool. You Don’t have to pay attention to her.”

Xiao Yu responded with an “OH”. She seemed to be a little sleepy. She lay on Qin Yu’s shoulder and fell asleep very quickly.

Looking at the delicate girl in front of him, Qin Yu could not connect her to the masked woman that the mustached man was talking about.

Time flew by, and three hours passed quickly.

The moustached man mended the array platform. It looked much more complete and sturdier now.

He placed special magical artifacts around the array platform to stabilize it so that it wouldn't be destroyed by the powerful force.

“Alright, take out the two corpses,” said the moustached man.

Qin Yu grunted in gratitude. He placed little fish in place, then took out the corpses and placed them in the center of the array platform.

The moustache man held a golden bowl the size of a palm in his hand and said, “I still need a trace of your blood essence to control the two corpses.”

Qin Yu did not waste any time. He immediately forced out a drop of his blood essence and placed it into the small bowl.

The handlebar mustache walked to the center of the array platform. He slowly raised his hand and chanted a spell.

In a short while, a few words appeared out of thin air on the array platform!

Streams of strange power surged from all directions and fell toward the two corpses!

Qin Yu stood silently at the side and waited quietly.

At this moment, Qin Yu's expression changed slightly.

He suddenly felt not far from two extremely terrible internal Qi, is approaching!

“Peak of Marquis Wu!”

After feeling this internal Qi, Qin Yu’s facial expression can not help but slightly change!

Chapter 685: Chapter 685, perverted woman

Two auras at the peak of the Martial Marquis Realm were rushing toward Qin Yu’s direction! This was the internal Qi of Qin Yu!

Such a terrifying aura couldn’t help but cause people’s faces to change!

Up until now, Qin Yu had never encountered a cultivator at the peak of the Martial Marquis Realm! Qin Yu didn’t know anything about their strength!

The mustached man on the array platform could also clearly sense the approach of these two auras.

“Qin Yu, no matter what, don’t let anyone disturb me,”the mustached man said with a serious expression.

Qin Yu took a deep breath and nodded. “Don’t worry. I’ll stop them. You have to hurry.”

The mustached man nodded and didn’t say anything else.

Qin Yu looked in the direction of the internal Qi’s approach and quietly waited for their arrival.

The two internal Qi were getting closer and closer. One kilometer, five hundred meters, one hundred meters!

Soon, they appeared in Qin Yu's field of vision!

A man and a woman were standing in front of Qin Yu.

The man was eight feet tall and extremely strong.

The woman's figure was even more graceful. Her twisting snake-like waist could not help but make people fantasize.

Qin Yu looked at the two people coldly and said, "Who are you? Are you people from the Jingdu Martial Arts Association? Or are you people sent by some aristocratic family?"

When the woman heard this, a charming smile couldn't help but appear on her face.

"Little brother, we are not people from any aristocratic family." The woman covered her mouth and smiled coquettishly.

Qin Yu coldly said, "Then who exactly are you people!"

"You killed two of our members, and you still want to ask who we are?" The man said coldly.

Qin Yu frowned and said, "People from the Han Palace?"

"That's right, how dare you!" The man said coldly.

"Aiyo, don't scare me," the woman said with a smile.

Qin Yu's face turned solemn.

Where did this Han Palace come from? They actually sent out two peak-stage martial marquis?

“Kid, hand over the mask and I’ll leave your corpse intact.”The man’s tone was cold, and the pressure on his body was released!

Qin Yu instantly felt his shoulders as heavy as a mountain!

“Little brother, looking at your delicate skin and flesh, I can’t bear to kill you. Why Don’t you hand over the mask and spend another night with me. I’ll plead on your behalf. How about it?”The woman licked her lips and said.

Qin Yu’s expression was extremely cold, and he didn’t say a word.

The strength of these two people was definitely stronger than he had imagined!

“Don’t even think about taking away the mask. It’s best if you don’t even think about it.”Qin Yu said coldly.

“Ha!”The man couldn’t help but sneer.

“Qin Yu, you talk big. Do You Really Think You’re Invincible?”

“Little brother, hurry up and hand over the mask. Otherwise, you’ll have to suffer.”A hint of coquettishness flashed in the woman’s eyes.

Without a word, Qin Yu’s internal Qi increased rapidly!

Rays of golden light surrounded Qin Yu’s body, lighting up the surroundings!

“Enough, I’m obviously not interested in you.”The man could not help but sneer when he saw the situation.

A hint of regret flashed in the woman’s eyes. She sighed slightly and said with a regretful expression, “Then I can only kill you...”

Before she finished her sentence, the woman’s eyes burst out with a gaze that was like a poisonous snake!

In the next second, her figure flashed explosively and instantly appeared in front of Qin Yu. A sharp palm struck towards Qin Yu’s chest!

Qin Yu shouted loudly and immediately clenched his fist to meet it!

“Boom!”

A loud sound spread out. The collision of their bodies forced the woman back a few steps! Her palm was even redder!

“What a tough body,”the man said with narrowed eyes.

Meanwhile, the woman blew at her palm in a delicate manner and said pitifully, “Little Brother, you hurt me. How do you think I Should Punish You ?”

“F \* ck you!”Qin Yu shouted and rushed over with the absolute beginning holy fist in his hand!

“Swoosh!”

The woman knew that her physical body was no match for Qin Yu, so she didn’t choose to take him head-on. Instead, she relied on her agile body to dodge.

She stood not far away and said pitifully, “You don’t know how to cherish a beautiful woman. You’re not a good child.”

Qin Yu’s face was slightly unsightly.

This Woman’s speed was too fast. In the blink of an eye, she had retreated hundreds of meters!

Such speed really made people feel awkward.

“Stop playing. The mission is more important,”the man next to her reminded.

The woman sighed and said with a delayed expression, “I really can’t bear to kill you just like that... but I don’t have a choice. You Won’t blame me, right?”

As she spoke, rays of icy blue cold light burst out from the woman’s body!

An icy cold chill instantly spread out!

Qin Yu did not dare to be negligent. He immediately activated the power of the Divine Dragon and looked at her warily.

“Whoosh!”

The woman’s body moved slightly, and the icy blue internal Qi on her body shot towards Qin Yu explosively!

Qin Yu did not dare to be negligent. He hurriedly used shrinking earth into an inch and retreated backwards!

However, this cold light seemed to have formed a divine sense as it followed closely behind Qin Yu!

The woman was not in a hurry. She just looked at Qin Yu with a playful look in her eyes.

“Stop fooling around!”The man could not help but shout.

The woman stuck out her tongue and muttered softly, “I know...”

As soon as she finished speaking, the woman raised her palm and pressed down gently!

In an instant, Qin Yu felt a thick force pressing down on his body!

“Boom!”

This huge force directly slammed Qin Yu into the ground!

Following that, the woman’s palm gently moved, and a huge force instantly appeared out of thin air!

Qin Yu felt as if his four limbs were about to be torn apart, and the pain was unbearable!

“Crash!”

The cold light that followed closely behind Qin Yu also erupted at this moment, directly piercing into Qin Yu’s various acupoints and pressing him to the ground!

That familiar feeling surfaced once again. Qin Yu’s internal Qi seemed to have been sealed, unable to move at all!

The woman took cat steps and slowly walked towards Qin Yu.

From a high position, she exposed her two slender and beautiful legs under her short skirt.

The woman bent down and gently patted Qin Yu's face. She sighed and said, "Why are you asking for trouble?"

Qin Yu gritted his teeth. He tried to struggle, but he found that he couldn't break free at all!

"As expected of the peak of the Martial Marquis Realm..." Qin Yu narrowed his eyes and said.

This woman obviously hadn't used her full strength yet! Compared to the late stage of the Martial Marquis realm, the peak of the Martial Marquis realm was obviously much stronger!

The woman put her hand on Qin Yu's body and stroked down along his face.

"En... strong muscles..." the woman seemed to enjoy it.

Qin Yu's face was cold. He quietly manipulated his internal Qi in an attempt to break through the acupoints.

"Don't waste your energy. It's useless," the woman said with a smile.

Qin Yu secretly thought that something was wrong.

This woman's technique was obviously much better than the two black-robed men from before!

“Spend a night with me. If you make me feel comfortable, I’ll spare your life.. What do you think ?”The woman placed her face next to Qin Yu’s ear and blew her internal Qi onto Qin Yu’s face.

Chapter 686: Chapter 686, resurrection was imminent

Her body exuded an extremely alluring charm that no one could resist.

However, Qin Yu was surprised. He did not feel anything when faced with this woman’s temptation.

Seeing that Qin Yu did not speak, the woman reached out with her palm and a dagger appeared.

“If you don’t agree, then I can only kill you,”the woman said with a regretful expression.

Qin Yu’s expression changed. If he wanted to break through this acupuncture point, he would need some time.

Therefore, he hurriedly said, “Wait, wait! Don’t be anxious!”

The woman said with a smile, “Why? Have you changed your mind?”

Qin Yu said with a smile, “I’ll agree to you. You’re so beautiful, how can I refuse...”

“Oh? Really ?”The woman’s eyes lit up and she immediately bent down.

“Really! Let Go of me first, or else... it won’t be convenient!”Qin Yu quickly said.

The woman played with the dagger. She thought for a moment, then nodded and said, "That makes sense."

Qin Yu was delighted and immediately heaved a sigh of relief.

This woman was indeed easy to deceive! As long as he opened his acupoints, Qin Yu would have a chance to continue stalling for time!

"However... your four limbs seem to be a little annoying. Let's chop off your four limbs first," the woman said with narrowed eyes.

Qin Yu's expression changed drastically, and he couldn't help but curse, "You poisonous woman, B \* Tch!"

"Hehe, you're right. I'll cut off your tongue later," the woman said with a smile.

Qin Yu secretly felt that something was wrong. He hurriedly urged his internal qi and tried his best to attack his acupuncture points.

Just as the dagger was about to land on Qin Yu's arm, a golden light exploded from Qin Yu's body!

The terrifying internal Qi instantly forced the woman back a few steps!

Qin Yu got up from the ground and wiped the sweat off his forehead. He couldn't help but say with some lingering fear, "That was close..."

The woman raised her eyebrows and said, "You have some ability. You actually broke through my spell so quickly..."

Qin Yu didn't say anything more. His palm shook and he took out the bronze sword!

“B \* TCH, I’ll Chop Off Your Head later!”Qin Yu said coldly.

The woman said with surprise, “How could you bear to do this to me?”

“Alright, let me do it.”At this time, the man seemed to be unable to hold it in.

He took a step forward and looked at Qin Yu coldly, “I’ll give you one last chance. Hand over the mask!”

“I’ll hand over the F \* ck!”Qin Yu sneered.

The man clenched his fist, and his face turned cold.

“TSK TSK, why do you look like you’ve eaten SH \* t?”Qin Yu mocked.

“Oh, I understand. You two are a couple, right? This woman is so flirtatious. She must be cheating on you every day, right?”

Qin Yu said to himself, “I see. No wonder you’re so angry. Speaking of which, it’s quite sad...”

These few words made the man’s face turn even colder.

His palm lightly shook, and a pair of gloves wrapped around his fist.

This pair of gloves was obviously a special magical artifact, flickering with a dark radiance in the darkness.

“Reckless Thing!”The man coldly spat out these words, and then he stepped towards Qin Yu!

His fist, which was the size of a casserole, brought with it an extremely violent strength, and fiercely smashed towards Qin Yu!

Qin Yu did not dare to be negligent and hurriedly held onto the bronze sword to receive it!

“Clang!”

Following a loud sound, a terrifying force spread out on the bronze sword!

This enormous force instantly forced Qin Yu back a few steps! His wrist was in even more pain!

“What a huge force!” Qin Yu could not help but be secretly shocked!

The man did not say a single word and charged towards Qin Yu once again!

His speed was no less than that of that woman's. Qin Yu had no way of escaping and could only hold his sword to deal with it!

For a moment, the sound of “Dang Dang Dang” was incessant.

The terrifying strength shook Qin Yu's thumb and thumb until they split apart. He could not even hold his sword anymore!

“Dang!”

Another punch!

Under this punch, the bronze sword in Qin Yu's hand was directly sent flying!

“Damn it!” Qin Yu's expression could not help but change!

Before he could pick up the bronze sword, that man's Iron Fist smashed towards him again!

Qin Yu had no choice but to clench his fist and receive it!

“Clang!”

This punch sent Qin Yu flying, and his wrist was even fractured!

“What a terrifying strength!” Qin Yu’s expression could not help but turn ugly!

He subconsciously glanced at the handlebar mustache not far away. At this moment, the handlebar mustache was activating a spell.

Qin Yu took a deep breath and slowly raised his hands. The golden light on his body slowly exploded!

Following that, Qin Yu’s body suddenly expanded!

A huge figure appeared in front of the two of them!

This spell was the Infinity Dharma Idol! The huge figure looked extremely oppressive!

“Wow, so Big!” Seeing this, the woman could not help but cover her mouth excitedly!

“Humph, do you think you can beat me just because your body has grown bigger?” The man sneered.

He clenched his fist and then smashed it toward Qin Yu from the sky!

A fist shadow with monstrous power rolled toward Qin Yu!

Qin Yu clenched his fist and raised his hand to meet it!

“Boom!”

The collision of the fists immediately caused the earth to shake and the mountains to shake!

The Man didn't stop there. He shouted loudly and quickly raised his fists.

Two huge fists appeared in the air above Qin Yu!

The fists were ice blue in color and emitted a powerful internal Qi!

Qin Yu's face turned ugly when he felt the internal Qi from the fists.

Even though the fists had not arrived, Qin Yu still sensed a hint of danger!

“Boom!”

The man's fists landed and the Ice Blue Fists in the air smashed down like two huge mountains!

Qin Yu gritted his teeth and clenched his fists. His golden fists met them head-on!

“Boom!”

A terrifying internal Qi instantly spread out in all directions!

That internal Qi was like a sharp blade that directly sliced off the peak of the mountain in the distance!

Rolling Stones rolled down from the peak of the mountain!

“Boom!”

Following that, the man threw another punch!

Under this punch, Qin Yu's infinity technique seemed to be unable to withstand it!

“Hualala!”

At the same time, that woman also attacked.

She only raised her palm, and numerous icy blue sharp blades condensed around Qin Yu's body.

The two of them used their spells at the same time, and Qin Yu instantly appeared to be in a sorry state!

“Boom!”

Finally, that man's fist smashed into Qin Yu's cheek, directly sending Qin Yu's huge body flying dozens of meters!

“Suppress!”

The man suddenly shouted, and a terrifying phantom directly smashed into Qin Yu's body!

“Strangle!” Then, the man spat out another two words!

Qin Yu's body was instantly strangled to the point of cracking! Sparks even jumped out one after another!

“This kid's body is really strong,” the man couldn't help but say in a low voice when he saw this.

“That’s right. When an ordinary person is strangled, their body and divine sense will be directly crushed. He can actually withstand it for so long,”the woman said in astonishment.

“It’s useless. No one can survive under this technique,”the man said indifferently.

“Sigh, what a pity for such a body,”the woman said with a slight sigh.

Not far away, Qin Yu was struggling bitterly.

This extremely inexplicable force almost ground qin Yu’s body into pieces! Even his spiritual sense seemed to be moving crazily!

Qin Yu gritted his teeth tightly. He looked in the direction of the handlebar mustache and said with difficulty, “YOU MOTHERF \* cker... are you done yet...”

The handlebar mustache did not say a word. Its mouth was still muttering.

“Ah! ! !”Qin Yu almost could not bear it anymore. His mouth let out a painful wail!

Right at this moment, the array platform suddenly shook violently! Following that, two rays of light shot into the sky!

The handlebar mustache also opened his eyes at this moment. He stared at the two male corpses in front of him and said in a low voice, “It should be enough....”
