

My Rich Wife – Chapter 751 –

Chapter 751: Chapter 751, I' ll Swallow It for you!

“Slaughtering chickens and dogs ? hahahaha!”Ao Zhan could not help but burst into laughter.

“What, do you still have that martial saint weapon with you ?”Ao Zhan asked somewhat tentatively.

Qin Yu sneered, “You don't have to probe. That martial saint weapon is not with me.”

Upon hearing these words, Ao Zhan could be considered to be completely relieved.

The internal Qi on his body began to surge slowly. The aura of a peak-stage martial marquis filled the entire quiet bar.

Qin Yu stood up and said, “Let's go somewhere else. Don't disturb his business.”

After saying this, Qin Yu took the lead and walked out of the door.

Looking at Qin Yu's back, Ao Zhan narrowed his eyes slightly.

He suddenly launched an attack. A gust of wind arose under his feet, and a pair of fists fiercely pressed toward Qin Yu's junior!

“Qin Yu!”Seeing this, Yao Meng immediately cried out in surprise!

However, it was too late to dodge at this time. The speed of a peak martial marquis was too fast!

“Clang!”

Ao Zhan’s fist smashed firmly onto Qin Yu’s back!

A crisp sound reverberated throughout the entire room!

However, this incomparably fierce fist was unable to shake Qin Yu in the slightest.

Qin Yu slowly turned around and said with a grin, “Even a sneak attack is useless. You really are a piece of trash.”

Ao Zhan’s expression changed slightly. He could not help but take a step back, and his face became more vigilant.

“I’ll wait for you in front,” Qin Yu said coldly.

After saying this, Qin Yu turned around and walked out of Jing Bar.

Ao Zhan snorted coldly and then quickly chased after him.

“Are We Going?” Wan Gu Qiong asked.

Yao Meng nodded and said, “Let’s go and take a look.”

...

More than ten kilometers away, there was an abandoned factory.

It was deserted and there were no lights.

Qin Yu stood there and quietly waited for Ao Zhan’s arrival.

A few minutes later, a light flashed in front of Qin Yu. Then, Ao Zhan appeared in front of Qin Yu with a crossbow in his hand.

“Qin Yu, today is the Day You Die,” Ao Zhan said coldly.

Qin Yu looked at Ao Zhan expressionlessly and said, “It seems that you are not important to the Jingdu Martial Arts Association.”

Ao Zhan frowned slightly and said coldly, “What do you mean?”

“If it were important, they wouldn’t have sent you here to die,” Qin Yu said with a sneer.

Ao Zhan’s pupils shrank and he said angrily, “Arrogant!”

Before he could finish his words, Ao Zhan grabbed the crossbow, and a ray of light shot toward Qin Yu!

This crossbow released the purest inner strength! After the crossbow, the inner strength could be dozens of times more powerful!

That Ray of light contained a powerful force, and it shot toward Qin Yu!

Qin Yu’s face was calm. He clenched his fist, and then suddenly threw a punch!

“Boom!”

A loud sound shook the ground and dust flew everywhere!

The abandoned factory, which was already in ruins, was turned into dust at this moment!

Under this punch, the light from the crossbow was shattered!

On the other hand, Qin Yu's expression was calm. He was not affected at all.

Ao Zhan's expression changed slightly and he said coldly, "What a tough body!"

"What other moves do you have? Just use them." Qin Yu looked at Ao Zhan in front of her quietly.

Ao zhan sneered and said, "Don't be happy too early. Just now, it was just a test. Now, let's get to the main topic!"

Before he finished speaking, ao Zhan's figure suddenly exploded!

The crossbow in his hand flickered with light, as if it was brewing some terrifying power!

"Hualala!"

A series of strange sounds were emitted from the crossbow.

"Hundred Light Slash!"

Accompanied by Ao Zhan's furious roar, the crossbow in his hand immediately burst out with bursts of dazzling light!

In an instant, countless balls of light shot towards Qin Yu!

These balls of light contained an extremely destructive power. Wherever they passed, even the air was ignited!

One Ball of light after another bombarded wildly, almost turning qin Yu into minced meat!

This technique was one of Ao Zhan's famous techniques. Such a huge amount of energy, under the activation of the crossbow, contained an unimaginable power!

Qin Yu's expression was cold. Facing these hundred balls of light, Qin Yu showed no fear.

With a furious roar, his body suddenly burst out with golden light!

The resplendent light instantly illuminated the surroundings!

"He wants to forcefully resist this hundred light slash!" Yao Meng, who was watching the battle, seemed to have noticed something!

A trace of surprise flashed across Wan Gu Qiong's face.

Just as Yao Meng had said, Qin Yu planned to use his physical body to forcefully resist this technique!

"Boom Boom Boom!"

The nearly hundred light balls rained down on Qin Yu's body!

The ground under Qin Yu's feet instantly collapsed, and cracks appeared one after another!

"Boom!"

The ground with Qin Yu as the center completely collapsed, and crushed stones shot out in all directions like bullets!

Seeing this scene, Ao Zhan could not help but sneer, "Arrogance will make you pay the price you deserve."

He looked down at the dust from above, and a cruel smile appeared on his face.

But in the next second, ao Zhan's expression suddenly changed.

The ground around Qin Yu collapsed, but the ground under Qin Yu's feet was intact, forming a long stone pillar.

Qin Yu's clothes had been shattered, but his body was intact.

Under the Golden Light, he looked like a God!

"How... how could this be!" Ao Zhan's expression suddenly changed!

Qin Yu looked in the direction of ao Zhan and sneered, "Is this your technique? It's just so-so."

Ao Zhan immediately flew into a rage!

"Don't be so arrogant!" Ao Zhao roared and grabbed the crossbow with both hands!

The inner strength in Ao Zhan's body was pouring into the crossbow!

The crossbow seemed to be drawing out ao Zhan's inner strength. In a short moment, it contained an unimaginable power!

In front of the crossbow, there was a terrifying pressure.

This pressure made even Yao Meng feel a little uncomfortable.

"Go to hell!"

Accompanied by Ao Zhan's angry roar, the crossbow instantly exploded with a dazzling ball of light!

This ball of light was incomparably bright, comparable to the sun and moon, and the power within was even more unimaginable!

"What a terrifying power." Yao Meng frowned slightly.

She looked in Qin Yu's direction and couldn't help but feel a little worried.

Hence, Qin Yu didn't show any signs of responding.

"Boom!"

Following the activation of the crossbow, that ball of light crushed towards Qin Yu!

This ball of light had a diameter of several meters and was incomparably huge at a glance.

In front of this ball of light, Qin Yu's figure seemed insignificant.

In the blink of an eye, this ball of light arrived in front of Qin Yu!

Qin Yu, who had been motionless, finally made a move.

He slowly raised his hand and said coldly, "Divine devouring technique!"

In an instant, Qin Yu opened his mouth.

He grabbed the ball of light and swallowed it in the next second!

This scene immediately made everyone's jaws drop!

Even Yao Meng and Wan Gu Qiong couldn't help but be dumbfounded!

"This... what is this..." Yao Meng's beautiful eyes were filled with shock.

"I've never seen such a barbaric spell..." Wan Gu Qiong also said in shock.

Chapter 752: Chapter 752, I'll Swallow It for you!

Chapter 753: Chapter 753, beheading!

The huge ball of light was sucked into Qin Yu's stomach!

The ball of light became smaller and smaller until it completely disappeared!

Qin Yu patted his stomach and burped with a satisfied expression on his face.

"Not bad, Comfortable." Qin Yu grinned.

Ao Zhan, who was not far away, had an extremely ugly expression! His forehead was covered with layers of sweat.

"How... how is this possible..." Ao Zhan swallowed his saliva, as if he could not believe the scene in front of him.

Qin Yu looked at Ao Zhan coldly and said, "If this is your trump card, then you will die."

Ao Zhan gritted his teeth, grabbed the crossbow, and said coldly, “Qin Yu, don’t be so arrogant!”

After saying that, ao Zhan seemed to have gone crazy. He grabbed the crossbow in his hand and kept casting spells toward Qin Yu!

The overwhelming light almost destroyed the entire ground!

However, Qin Yu, who was covered in golden light, was not affected at all.

After a series of indiscriminate attacks, Qin Yu was still intact.

“Are you done? It’s my turn,”Qin Yu said coldly.

Ao Zhan wiped the sweat from his forehead. Just as he was about to speak, Qin Yu’s figure disappeared into thin air!

In the next second, he felt a golden light flash in front of his eyes.

Then, a huge fist smashed fiercely at the crossbow!

“Boom!”

This fist contained a force of ten thousand tons. The golden light turned into substance and directly smashed the crossbow into pieces!

The Weapon AO Zhan was proud of turned into ruins just like that!

“You... you actually destroyed my weapon!”Ao Zhan’s face was extremely pale!

Qin Yu sneered and said, “As far as I know, most of your strength came from this weapon, right?”

Ao Zhan's face was pale and he didn't say a word.

“Without this weapon, I'm afraid that your title as a peak-stage Marquis is undeserved.”Qin Yu looked down at Ao Zhan with a cold killing intent in his eyes.

Ao Zhan gritted his teeth and roared, “Qin Yu, don't be arrogant!”

After saying that, Ao Zhan clenched his fist and swung it fiercely at Qin Yu!

Ao Zhan was, after all, at the peak-stage martial marquis realm, so his strength was naturally self-evident.

However, when this punch landed on Qin Yu's body, it actually did not injure him in the slightest. Instead, it shook his wrist until it hurt!

“This... this...”ao Zhan took two steps back. A trace of panic flashed across his face, and then he took off and wanted to run!

But How Could Qin Yu give him a chance ? A huge golden hand covered the sky and covered the Earth, slamming ao Zhan onto the ground with one palm!

A huge palm print instantly appeared on the ground.

And Ao Zhan's body was almost smashed into meat paste!

Before ao Zhan could get up, a golden fist had already descended from the sky!

“Boom!”

With this punch, Ao Zhan's spine was directly shattered! Dozens of bones were instantly shattered into fine powder!

Ao Zhan wanted to get up, but he found that there was no support from the bones, and he couldn't stand up at all!

"What, is this the peak of the Martial Marquis Realm? It's just so-so." Qin Yu looked at Ao Zhan coldly.

Ao Zhan said in pain, "Spare me... I beg you... spare me..."

"Spare you? You Murderer, you've already lived for dozens of years. It's time for you to pay the price," Qin Yu said coldly.

Ao Zhan wanted to say something, but Qin Yu didn't give him a chance.

He reached out his palm and grabbed Ao Zhan's dantian.

In the next second, Qin Yu pulled Ao Zhan's golden core out of his abdomen.

Ao Zhan's internal Qi was quickly drained. In a moment, he had turned into an ice-cold corpse.

Qin Yu played with the Golden Core and was surprised to find that it was much bigger than all the other golden cores he had seen before.

Could it be that the golden core at the peak of the Martial Marquis realm is bigger? Qin Yu thought to himself.

He was not in a hurry to swallow the golden core into his stomach. Instead, he planned to keep it for the time being and use it when he broke through to the martial saint realm in the future.

After taking the golden core, Qin Yu carried ao Zhan's corpse and walked towards Yao Meng.

"Brother Qin's strength is really shocking," Yao Meng said with a smile.

"It's really surprising that brother Qin has such strength in just two years."

Qin Yu smiled and said, "Miss Yao, you flatter me."

Wan Gu Qiong could not help but sigh and said, "No wonder Miss Yan likes you. I have to say, Brother Qin is really like a peerless hero, full of charm."

Their praise made Qin Yu feel a little embarrassed.

"Gentlemen, if there's nothing else, I'll take my leave first," said Qin Yu.

Yao Meng smiled and said, "Okay, Brother Qin. See You in a few days at the Martial Arts Academy."

Qin Yu agreed, and then he took ao Zhan's body and left.

...

The next day.

Granny Qin had just left the Jingdu Martial Arts Association and was about to go to the martial arts academy when she saw the body hanging on the gate.

Granny Qin's expression changed drastically when she saw this corpse!

Even though ao Zhan's body was almost shattered, Granny Qin still recognized his identity at a glance.

"Ao Zhan... is actually dead." Granny Qin's expression was extremely cold.

"Granny Qin, what... What's going on?" Xia hang also followed out and asked while pretending to be surprised.

Granny Qin did not answer but waved her hand and said, "Get someone to dispose of the corpse."

"Yes!" Xia hang hurriedly nodded.

His heart was filled with excitement.

He had never thought that ao Zhan would actually be killed by Qin Yu!

One had to know that this was the peak state of a martial marquis!

"It seems that my choice was not wrong," Xia hang thought to himself.

Granny Qin did not stay any longer. She turned around and walked towards the martial arts academy.

After arriving at the Martial Arts Academy, Granny Qin went straight to Blackie's room.

"Granny Qin." Seeing Granny Qin, Blacky immediately stood up.

Granny Qin said in a deep voice, "Blacky, come with me immediately."

"Where are we going?" Blacky asked in surprise.

Granny Qin said coldly, “I want to take you to the mystic realm. We can’t wait any longer.”

“To the Mystic Realm?” Blacky was even more confused.

Granny Qin glanced at him and said, “Ao Zhan died at the hands of Qin Yu. This is enough to show that the current Qin Yu is no longer the same as before.”

“In order to prevent any accidents, I want to take you to bathe in Yan Ruoxue’s blood and pass on her bloodline power.”

Blackie smiled and said, “Granny Qin, there’s no need for that. That Qin Yu is not worth mentioning.”

“Yeah, I’m just a small character. Why Bother?” At this moment, Qin Yu suddenly appeared at the door.

Granny Qin’s face turned cold and she said with a sinister tone, “Qin Yu, who told you to come here? !”

Qin Yu glanced at Blacky and said with a slightly mocking tone, “It seems that you don’t have much confidence in this beast that you raised.”

“Qin Yu, you’re courting death!” Upon hearing that, Blacky immediately took a step forward and the aura on his body suddenly exploded!

Chapter 754: Chapter 754, the worried Granny Qin

Qin Yu was unmoved by Blackie’s rage.

He looked coldly at Granny Qin and said, “Did you find someone to kill me? You want to bring him to the arcane realm ahead of time? Old Man, you’re really shameless.”

“You’re F * cking courting death!” Blackie was completely enraged. He waved his large palm, and a black fist headed straight for Qin Yu!

Qin Yu did not give in, and clenched his fist to meet it.

“Boom!”

A loud sound spread throughout the martial arts academy!

Both sides had the strength of their physical bodies, but the waves of air that erupted from them almost destroyed the entire courtyard!

Although the two of them were only testing each other out, they still contained extremely powerful strength.

Blackie glanced at his fist, and could not help but frown slightly.

There were cracks on his black fist.

Although the injury was not serious, it was shocking.

The heaven-swallowing Python’s body was extremely strong. The outer layer of its skin could be said to be indestructible.

But now, it was at a disadvantage when fighting with a human. How could he accept this.

Granny Qin’s expression was not too good.

She looked coldly at Qin Yu, her killing intent unconcealed.

“Old Bastard, I’ll come and take his life on time in three days,”Qin Yu said, pointing at Blackie.

After saying this, Qin Yu turned around and left.

In the room, Granny Qin’s expression became even colder.

“This Qin Yu...”Granny Qin gritted her teeth, her skinny hands slightly clenched.

Blacky rushed forward and said, “Granny Qin, I will not lose to him.”

Granny Qin glanced at Blacky and said, “You must not lose, not even once!”

To Granny Qin, Blacky was not only her pet, but also her blood and sweat.

She even treated Blacky as her own offspring.

Therefore, Granny Qin had to make him the number one in the younger generation no matter what!

Besides that, if Blackie lost, it meant that Qin Yu could enter the secret realm that imprisoned Yan Ruoxue!

That secret realm was a secret of the Jingdu Martial Arts Association, and Qin Yu absolutely couldn’t get his hands on it.

“I won’t lose,”Blackie clenched his fists and said in a low voice.

Granny Qin didn’t say anything.

What she wanted was a hundred percent certainty.

“I’ll think of a way to let you win,”Granny Qin said in a deep voice.

She turned around and walked out of the room, a trace of killing intent bursting out of her eyes.

On the other side.

Qin Yu had officially returned to the martial arts academy.

As the first batch of academies, they received excellent treatment and had their own independent mansions.

It was unknown whether it was intentional or not, but Qin Yu’s mansion and Yan Jinyao’s mansion happened to be next to each other.

When Qin Yu returned, he happened to meet Yan Jinyao who was standing at the door.

He saw more than ten people standing beside Yan Jinyao.

These ten people were not old, only in their early twenties.

Judging from their internal QI, the strongest among these people was a new martial marquis.

The rest were more than half a step into the martial marquis realm.

“Qin Yu, I didn’t expect you to dare to come back,”Yan Jinyao said sarcastically.

Qin Yu glanced at him and said, “Why? are your followers so young now?”

Yan Jinyao glanced at the people around him and then said indifferently, “These people are my followers and also my disciples.”

Hearing this, Qin Yu couldn't help but feel like laughing.

“What? Are you planning to be independent of the Yan Family?” Qin Yu raised his eyebrows and asked.

Yan Jinyao was not anxious. Instead, he said indifferently, “If you, Qin Yu, can establish your own sect, I, Yan Jinyao, can do the same.”

“These people are all extremely talented. Compared to the rotten garlic of your Jade Moon Villa, I wonder how much stronger they are.” Yan Jinyao's tone was slightly smug.

“That's right. Our master's requirements for taking in disciples are very high. Not everyone can become a disciple,” a youth beside Yan Jinyao said coldly

Qin Yu couldn't be bothered with Yan Jinyao. He turned around and returned to his own residence.

Yan Jinyao looked at Qin Yu's back as he left. His gaze unconsciously fell on Little Yu.

“Who is that girl? Why haven't I seen her before?” Yan Jinyao frowned and asked.

“Master, I'll go and scout for information for you,” a disciple beside him hurriedly said.

Yan Jinyao shook his head and said, “No need. If I want to know, I can ask her myself.”

“Moreover, as long as I want to get someone, I can poach them from his side at any time.”

This was Yan Jinyao’s confidence.

As the Crown Prince of the Yan family, regardless of his background, looks, and resources, he was far above Qin Yu.

Therefore, Yan Jinyao believed that his charm was far from what Qin Yu could compare to.

...

In the mansion.

Qin Yu appeared to be bored to death.

There were only three days left before he had to fight with Blackie. He couldn’t do much in these short three days, so Qin Yu chose to rest.

Night fell.

However, Qin Yu couldn’t sleep at night.

He sat in the courtyard, drinking tea by himself. He was quite relaxed.

At this moment, someone had already set their eyes on Qin Yu.

In a forest near the martial arts academy, Granny Qin and a young girl were standing there.

“No matter what, we have to think of a way to lure Qin Yu Out,”Granny Qin said coldly.

The young girl in front of her said with some confusion, “Granny Qin, with Your Ability, why do you need my help? You can just kill your way in...”

Granny Qin glanced at her coldly and said, “If I make a move in the martial arts academy, won’t Everyone Know About It? At that time, even if little black wins, it won’t be glorious.”

The young girl suddenly understood. She was silent for a moment, and then said tentatively, “Granny Qin, if I can trick him out, can you really give me the Bloodline?”

“Of course.” Granny Qin nodded coldly.

The young girl gritted her teeth and said, “Okay! I’ll Go!”

After saying that, she walked quickly into the martial arts academy.

Granny Qin’s expression was extremely cold, and her eyes emitted waves of coldness.

She used a secret technique to conceal her internal qi and waited for an entire day at the entrance of Qin Yu’s residence.

However, Qin Yu had no intention of going out at all.

Helpless, Granny Qin picked a student from the martial arts academy and asked her to think of a way to trick Qin Yu Out.

“Little Bastard, your time of death has come!” Granny Qin said with a cold expression.

Chapter 755: Chapter 755, framing

Within the mansion.

Qin Yu Sat alone under the moonlight, adjusting his internal Qi slightly.

As his strength grew stronger and stronger, it became more and more difficult to increase one's realm.

Many people would be stuck at a certain realm for the rest of their lives. It was unknown how many geniuses would stop before a certain realm.

Just as Qin Yu was deep in thought, a beautiful figure appeared at the door.

Raising his head, he saw a curvy and graceful woman appear at the door.

Qin Yu glanced at her and frowned. "Who are you?"

This woman walked slowly towards Qin Yu with light steps.

She pretended to be delicate and pitiful, she whispered, "Mr. Qin, I am an ordinary member of the Martial Arts Academy. I . . . I have encountered some difficulties recently. I really have no choice. After thinking about it, I can only come to you for help..."

"Encountered some difficulties?" A trace of surprise flashed across Qin Yu's face.

The woman continued, "Yes, I am being pursued by a group of people. Right now, they are hiding outside the Jingdu Martial Arts Association. I... Once I go out, I will be attacked by them..."

Looking at the delicate and pitiful woman in front of him, a trace of ridicule flashed across Qin Yu's face.

“So What do you want me to do?”Qin Yu asked.

The woman hurriedly said, “Please help me kill them! As long as I kill them, I’ll be safe!”

“Mr. Qin, as long as you’re willing to help me, I’m willing to do anything!”

Qin Yu sneered, “Why should I help you?”

“If you don’t help me, I’ll only die...”the woman sobbed softly.

“What does your death have to do with me? Do I Know You?”Qin Yu asked coldly.

The woman opened her mouth and wanted to say something, but Qin Yu waved his hand and interrupted her.

“I won’t help you. Go Out,”Qin Yu said coldly.

“Mr. Qin, I...”

“I told you to go out. Don’t you understand?”Qin Yu said coldly.

The woman had no choice but to stand up and grit her teeth as she walked out.

Qin Yu was not a person who was overflowing with sympathy.

Moreover, the woman’s words were full of loopholes, making it hard for people to believe her.

...

In the forest, the woman told Granny Qin what had happened.

Granny Qin said with a cold face, “Trash! If you can’t even do this, how can I Trust You!”

The woman opened her mouth, bit her lips and said in a low voice, “This Qin Yu is impervious to oil and salt. He doesn’t believe me at all. I . . .”

“Bang!”

Before the woman finished her words, she was suddenly hit in the chest!

This slap immediately made her fall back again and again. Her sternum was broken and blood kept flowing out of her mouth.

The intense pain made it difficult for her to even breathe. A trace of paleness appeared on her handsome face.

She looked up and saw Granny Qin looking at her coldly.

“Granny Qin, you...”the woman pointed at Granny Qin, her face full of confusion.

Granny qin sneered, “It looks more realistic this way. Go, think of a way to trick him out.”

The woman’s face was extremely ugly, but there was no turning back. At this moment, she was already riding a tiger.

She could only endure the pain and walk towards Qin Yu’s mansion again.

Ten minutes later.

The woman appeared in front of Qin Yu again.

This time, she looked miserable.

The collapse of her chest was shocking, and the blood at the corner of her mouth kept gushing out.

“Mr. Qin, I beg you to help me, or else... or else I will die...”the woman said with a pained expression.

Seeing her like this, Qin Yu couldn't help but frown.

“You really went all out, injuring yourself?”Qin Yu couldn't help but sneer in his heart.

Just as Qin Yu was about to refuse, another figure appeared at the door.

This person was none other than Yan Jinyao.

“TSK TSK, Qin Yu, you really have a heart of a snake and a scorpion. When someone comes to beg you, you actually don't Move?”Yan Jinyao said with a strange tone.

Qin Yu glanced at him and said, “If you don't have the heart, you can help her.”

Yan Jinyao spread his hands and said, “That won't do. She's begging you, not me.”

“TSK, tsk. Didn't some people claim that they're standing on the side of ordinary people? Now that someone comes to ask for help, they're not moved. How hypocritical.”Yan Jinyao continued to ridicule.

Hearing this, Qin Yu slowly stood up.

He looked at the woman and narrowed his eyes. "I'll give you a chance. Tell me, who asked you to come?"

A trace of panic flashed through the woman's eyes. She hurriedly said, "I . . . No one asked me to come..."

From her expression, Qin Yu was even more certain of his own thoughts.

Qin Yu took a look at the wound on her chest and said in a deep voice, "You are so ruthless. Be careful not to put your life at risk."

Hearing Qin Yu's words, the woman gritted her teeth and could not help but lower her head slightly.

Qin Yu thought for a moment and then said, "You go first. I will come back later."

Hearing this, the woman hurriedly nodded and said, "Okay, thank you, Mr. Qin!"

After the woman left, Qin Yu walked straight out of the main door.

"TSK TSK, you really have a flood of sympathy, don't You?" Seeing that Qin Yu had agreed, Yan Jinyao ridiculed him again.

Qin Yu glanced at him and said, "How did your asshole grow on your face? Stay away from me, I think it stinks."

Yan Jinyao's face instantly turned cold.

He snorted lightly and said, "Vulgar Thing."

Qin Yu couldn't be bothered with Yan Jinyao. He turned around and left the mansion, walking directly toward the martial arts academy.

In the forest.

Granny Qin was looking at this woman coldly.

“It’s been half an hour. where is he?”Granny Qin said with a cold expression.

The woman quickly said, “Granny Qin, he really said that he would be here soon. You... you wait a little longer.”

Granny Qin said impatiently, “You Idiot, have you been deceived by him again?”

“No... impossible, he really promised me...”a trace of panic flashed across the woman’s face.

Granny Qin narrowed her eyes.

She was about to speak when she felt a trace of internal Qi approaching her.

“It’s coming.”Granny Qin’s lips curled into a cold smile.

In a short while, Qin Yu’s figure appeared in front of the two of them.

“Granny Qin, he’s Here!”The woman said excitedly.

Granny Qin didn’t say anything. She just quietly looked at Qin Yu, who was not far away.

“Granny Qin, you promised me the bloodline, but... you mustn’t forget it,”the woman said carefully.

Granny Qin glanced at her and then grinned, “Don’t worry, of course I won’t forget it.”

Before she could finish her words, Granny Qin suddenly stretched out her shriveled claw-like palm and slapped the woman’s Head!

With a crisp cracking sound, the woman’s head was directly smashed into pieces!

“Trash also wants to touch the bloodline? It’s simply wishful thinking,”Granny Qin said darkly.

Seeing this scene, Qin Yu shook his head helplessly.

Qin Yu had already warned her, but in the end, she still died because of her own desire.

“You are really ruthless. Aren’t you afraid of your reputation being tarnished?”Qin Yu looked at Granny Qin and said coldly.

Granny Qin said indifferently, “You are the one who killed her. Why should I Be Afraid?”

“Qin Yu had an evil plot against the female student.. He was afraid that the matter would be exposed, so he killed her ruthlessly,”Granny Qin said indifferently with her hands behind her back.

Chapter 756: Chapter 756, the prophecy of the higher-ups

Granny Qin put her hands behind her back and looked indifferent.

Qin Yu looked at Granny Qin in front of him and sneered, “You want to frame me?”

“Hehe, I’m telling the truth. Do you think everyone will believe me or you?” Granny Qin said proudly.

Qin Yu couldn’t be bothered to talk nonsense with her and immediately asked, “Tell me, why did you come to me in the middle of the night?”

Granny Qin’s eyes immediately narrowed. A strong killing intent burst out from her body.

“To teach you a lesson, of course!” Granny Qin said coldly.

“Teach me a lesson?” Qin Yu was a little surprised.

“What? The AO Zhan you sent didn’t work. Are you going to do it yourself now?”

Granny Qin didn’t hide anything and said indifferently, “That’s right.”

“TSK tsk, it seems that you have no confidence in that beast you raised. You want to cripple me again and again. You’re really persistent.” Qin Yu sneered.

Granny Qin narrowed her eyes and said, “Little black can’t lose. No one can beat him! I want to make him invincible!”

Qin Yu clapped his ears and said with a bit of ridicule, “Are you going to cripple me, or are you going to kill me?”

“I only need to injure you.” Granny Qin grinned, revealing a mouthful of yellow teeth.

Her sinister internal Qi enveloped the entire mountain forest, and that strong killing intent turned into a strong wind that was like a sharp blade, cutting through people’s lives!

“You heard it, right? Recorded It?”

Just as Granny Qin was about to make her move, Qin Yu suddenly took out his phone.

A handlebar mustache voice immediately came from the other end.

“Don’t worry, it’s all recorded.”

Upon hearing this, Granny Qin’s expression instantly changed!

With a flick of her finger, she directly smashed Qin Yu’s phone.

“It’s useless. I was afraid that you would destroy my phone, so I deliberately turned on the voice chat with my friends.” Qin Yu grinned, revealing a brilliant smile.

“Old Thing, you’re already so old. I guess you don’t know enough about modern high-tech products, right?”

Granny Qin was instantly furious! Her face, which was full of ravines, was trembling non-stop!

Qin Yu looked at Granny Qin coldly and said, “If you don’t want everyone to see your face, you’d better not play any more tricks with me.”

“Otherwise, I promise to make you and that beast you raised lose your reputation!”

Granny Qin glared at Qin Yu and said through gritted teeth, “Little Beast, You Little Beast, I will tear you into pieces!”

Qin Yu sneered and said, “Don’t worry, when I become a martial saint, you will be the first one I will kill.”

After saying this, Qin Yu turned around and left.

Granny Qin stared at Qin Yu. Her entire body was filled with a strong killing intent.

As she watched Qin Yu leave, Granny Qin’s entire body trembled.

However, in the end, she did not do anything and allowed Qin Yu to leave her sight.

She had never expected that her carefully planned plan would be easily resolved.

...

The next day.

Qin Yu and the handlebar mustache duo walked together on the main street of the martial arts academy.

“There’s a secret realm ahead,” Qin Yu said, pointing at the secret realm he had sensed last time.

The moustache man mumbled, “How did you know?”

“I can’t explain it to you right now,” Qin Yu said, waving his hand.

As they were talking, the two of them bumped into Granny Qin and Little Black.

They seemed to have come to find Qin Yu on purpose, blocking their way with one step forward.

The Mustache Man hurriedly hid behind Qin Yu with a vigilant expression.

Qin Yu, on the other hand, looked at the two of them expressionlessly.

“What’s the matter? Do you have something to do?” Qin Yu asked coldly.

Granny Qin narrowed her eyes and said, “Little Bastard, you’d better not spread the video around.”

Seeing this, Qin Yu couldn’t help but laugh.

“Why? Are you here to scout for Information?” Qin Yu said with a hint of sarcasm.

Granny Qin’s old face darkened, and her skinny claws couldn’t help but Clench.

Just as Qin Yu said, Granny Qin was afraid that Qin Yu would spread the video.

“Don’t worry. As long as you don’t come looking for trouble again, I guarantee that the video will not be spread,” Qin Yu said indifferently.

Blackie took a step forward, and his pitch-black eyes stared coldly at Qin Yu.

“If I win, how about you destroy the video?” Blackie asked.

Qin Yu raised his eyebrows and smiled. “Of course.”

Blackie said coldly, “You’d better keep your word.”

“Don’t worry, you have no chance of winning,”Qin Yu said indifferently.

After saying this, Qin Yu and the Mustache Man were ready to leave.

“You were the one who recorded last night, right?”At this time, Granny Qin suddenly looked at the Mustache Man with a gloomy expression.

The handlebar mustache’s old face turned black. He braced himself and said, “Nonsense. I went to bed early last night.”

“Hehe.”Granny Qin sneered.

“It’s better for you to be careful. If you follow the wrong person, it’s easy to lose your life.”

The handlebar mustache coughed dryly. He thought to himself, “Since I’ve already offended her, what face do I have to give her?”

Thinking of this, the handlebar mustache straightened his back and said, “Old Bastard, do you think I’m afraid of You?”

Granny Qin’s face instantly darkened. She opened her mouth and was about to say something when her phone suddenly rang.

After the call was connected, Granny Qin immediately put on a respectful expression.

“Okay, I’ll be there right away,”Granny Qin said with a nod and a bow.

After hanging up the phone, Granny Qin pointed at Qin Yu and the handlebar mustache and said coldly, “Let’s see how long you can be arrogant.”

After saying this, Granny Qin left in a hurry.

Looking at Granny Qin's back, Qin Yu couldn't help but frown slightly.

“There aren't many people who can make Granny Qin so respectful. Could it be... a call from the higher-ups?” Qin Yu suddenly guessed something.

Just as Qin Yu guessed, this call was from the higher-ups.

And the content of the call was to ask Granny Qin to attend a meeting.

...

In the meeting room.

The eight higher-ups were still hidden in the darkness.

In the huge meeting room, only Granny Qin could see their faces.

And this time, even Xia hang was not qualified to attend the meeting, which was enough to show the importance of it.

“Welcome back, higher-ups,” Granny Qin said respectfully.

The scene was silent. After a while, someone said, “Our people have just deduced the heavenly secrets and obtained a prophecy.”

Granny Qin did not say anything and waited for his follow-up.

“This prophecy is related to Qin Yu.” Another voice was heard.

Upon hearing this, Granny Qin suddenly raised her head.

She said in surprise, “What... What prophecy is it?”

“According to the prophecy, a martial saint will appear in this world.” The voice of the higher-ups came from the dark.

Granny Qin’s expression changed and she said hurriedly, “Could it be... that martial saint is Qin Yu?”

“That’s right.”

“According to the prophecy, Qin Yu will become that martial saint.”

Granny Qin’s face instantly turned pale.

She knew very well what it meant for a martial saint to appear in this world.

Chapter 757: Chapter 757, martial saint!

Granny Qin said anxiously, “Didn’t you say that martial saints can no longer appear in the current era?”

“That’s right. Normally, it’s impossible for a martial saint to appear in the current era.”

“Regardless of whether you’re a heaven’s pride or you have a strong bloodline, it’s impossible for you to become a martial saint.”

“Otherwise, people like ye Qing, Jiang He, and the others would have the chance to become a martial saint.”

“However, the current prediction is that Qin Yu will break this deadlock.”

Hearing these words, Granny Qin felt a chill run down her spine!

She knew very well that Qin Yu was a threat to the martial arts association, but she had never thought that Qin Yu would step into the martial saint realm.

Not only Granny Qin, but the entire Jingdu martial arts association also thought so.

Therefore, although they had taken measures against Qin Yu, they did not go too far.

“Is... is the prophecy accurate?” Granny Qin asked unwillingly.

“I don’t know, but the prophecy has never been wrong,” a higher-up said coldly.

Granny Qin gritted her teeth, stood up and asked, “What should we do now?”

A higher-up said coldly, “Use all methods to get rid of Qin Yu immediately. We must not give him the slightest chance to become a martial saint.”

“That’s right. With his current abilities, he’s not even worth mentioning.”

Granny Qin immediately frowned.

She hesitated for a long time before she stood up and said, “But... I have made an agreement with Qin Yu.”

“You can go back on your agreement. Don’t follow in the Han family’s footsteps,” said one of the higher-ups coldly.

Granny Qin said with some regret, “But I . . . I have signed the Heavenly Guardian book with Qin Yu.”

As soon as these words were said, the scene instantly fell into silence.

“If I lose, I have to Promise Qin Yu to enter the second mystic realm,”Granny Qin continued.

The atmosphere at the scene instantly froze.

Granny Qin’s face was full of self-blame.

She suddenly stood up and said, “If I lose, I’m willing to have my soul taken away, and I definitely won’t bring Qin Yu into the second Mystic Realm!”

“No.”The higher-ups denied Granny Qin’s words.

“We will not watch you die, don’t worry.”

“Bring your pet here, we will give him power.”

Hearing this, Granny Qin’s face was full of excitement.

“Are... are you telling the truth?”Granny Qin’s voice almost trembled.

“What do you think ?”A higher-up said unhappily.

Granny Qin hurriedly said, “Okay, okay. I’ll go and bring little black over now. Thank you, higher-ups!”

She was almost kneeling on the ground. Her excitement was self-evident.

With the help of higher-ups, that little black was almost equivalent to winning!

After the meeting ended, Granny Qin quickly found little black.

She brought little black all the way back to the Jingdu Martial Arts Association and then took him into the secret realm.

...

At this moment, Qin Yu knew nothing about this.

There were only three days left. It was rare for Qin Yu to have time to rest.

He lay in the courtyard and basked in the Sun all day long. He was very happy.

“I’m about to fight with the heaven-swallowing python. Why aren’t you worried at all?” The mustached man squatted on the wall and muttered as he ate.

Qin Yu smiled faintly and said, “I fought with little black yesterday. If I’m not surprised, he is not my match.”

The Mustache Man rolled his eyes and said, “Aren’t you afraid that he has some kind of trump card?”

“If he has it, I have it too,” Qin Yu said with a faint smile.

It was still the same saying. Qin Yu was not afraid of anyone at all when it came to the foundation of spells.

Even if his background was the Jingdu Martial Arts Association.

In the past few days, voices came from Yan Jinyao's mansion next door all day long.

It seemed that he had more and more disciples.

With the fame that he had accumulated over the years and the background of the Yan family, many people came to follow him.

In just a few days, Yan Jinyao had nearly twenty disciples.

This kind of charisma was indeed surprising.

In the blink of an eye, two days had passed.

There was only one day left before he had to fight with Blackie.

“That's weird.”

That afternoon, the handlebar mustache walked in from outside the door.

“What's Wrong?” Qin Yu asked casually.

The handlebar mustache touched his chin and said in a low voice, “I haven't seen Blacky and Granny Qin for the past few days. I wonder what tricks they are playing.”

Hearing this, Qin Yu frowned slightly, and he couldn't help but feel a little wary.

This time, winning or losing was extremely important to Qin Yu.

As long as he won, he would be able to find Yan Ruoxue, so he absolutely couldn't have any accidents.

Qin Yu originally wanted to call Xia Hang, but when he touched his pocket, Qin Yu remembered that his phone had been destroyed by Granny Qin.

“In this era, it’s always inconvenient to not have a phone,”Qin Yu said in a deep voice.

After thinking for a while, Qin Yu decided to go out and buy a phone first.

At the same time, he brought little fish out for a walk. After all, she was a little girl, so it was not appropriate for her to stay at home all day.

Therefore, Qin Yu called Little Fish and left the martial arts academy.

They arrived at the largest shopping mall in Jingdu.

There was a sea of people here, and it was very lively.

And this shopping mall was very large, almost covering all the goods.

“Look, that’s a foreigner!”The mustached man pointed at the blonde woman not far away and said.

“TSK TSK, this is an ocean horse,”the mustached man muttered.

Qin Yu rolled his eyes and said, “Shut your mouth or stay away from me.”

“What’s there to be afraid of? She doesn’t understand anyway,”the mustached man muttered.

Qin Yu couldn’t be bothered with the mustached man anymore and immediately went to buy a cell phone.

After he was done, Qin Yu looked at little Yu and said, "Wait for me for a while, I'm going to make a call."

With that, Qin Yu turned around and walked into the toilet.

He took out his phone and dialed Xia Hang's number.

After a while, the call was answered.

"Xia Hang, where has Granny Qin gone recently?" Qin Yu asked directly.

Xia Hang said in a deep voice, "She seems to have taken Xiao Hei to the secret realm."

"To the secret realm?" Qin Yu frowned immediately.

Xia Hang hummed in gratitude and continued, "Let me tell you some bad news. The eight higher-ups have already returned. You'd better be careful."

Qin Yu remained silent.

As expected, it was just as Qin Yu had guessed.

"Looks like the call Granny Qin received a few days ago did indeed come from the higher-ups." Qin Yu took a deep breath.

"Xia Hang, do you know the content of that meeting?" Qin Yu asked.

"I don't know. I don't have the right to participate in this meeting," Xia Hang said.

This made Qin Yu even more worried.

“I know.”Qin Yu hung up the phone.

He stood in the toilet for a long time, and then said in a low voice, “It seems that I have to prepare a contingency plan.”

Chapter 758: Chapter 758, pavilion of Heavenly Secrets

After coming out of the toilet, Qin Yu found little Yu and the handlebar mustache waiting for him at the door.

Qin Yu said with some surprise, “Why don’t you go out and look around the mall?”

“What’s there to look around in the mall?”Little Yu shook her head.

Qin Yu spread his hands and said with a smile, “Don’t little girls like to Go Shopping?”

Little Fish didn’t say much about this.

The moustache on the side pointed upstairs and said, “The top floor of this mall is an antique market. Hurry up and take a look. Maybe you can pick up some Babe.”

“Antique market?”A trace of interest appeared in Qin Yu’s eyes.

Qin Yu was naturally not interested in ordinary antiques.

But among these antiques, it was very likely that some unknown Babe was hidden.

After all, the martial arts world of many years ago was completely different from the present.

“Let’s go.”Qin Yu nodded.

The three of them headed upstairs.

They arrived at the top floor.

As soon as they entered the door, Qin Yu felt a trace of a sinister internal Qi.

Although the internal Qi was not dense, it was a real yin qi.

“It seems that there are really treasures in this antiques market.”Qin Yu took a deep breath.

Xiao Yu also frowned and said, “There is yin qi. Perhaps it is an antique excavated from the tomb.”

Qin Yu released his spiritual sense and covered the entire antique market.

Soon, Qin Yu found that there were many martial artists hiding in this antique market.

There were martial grandmasters, martial marquises, and even a martial marquis at the peak of the Martial Marquis realm.

“Hiss...”

At this time, the handlebar mustache suddenly inhaled a breath of cold air.

He sniffed his nose and said with some surprise, “I keep feeling like there’s some treasure here that’s summoning me.”

“Summoning you?” Qin Yu frowned slightly, his face showing some confusion.

The handlebar mustache explained, “Although I’m an expert in archaeology, many times, it’s the treasure that’s summoning me.”

“In other words, I was forced to become an expert in archaeology.”

“Shameless.” Qin Yu couldn’t help but roll his eyes at the Mustache Man.

The Mustache Man didn’t say anything. He felt the call and strode forward.

Qin Yu and Little Yu followed behind him.

The Mustache Man closed his eyes slightly and relied on the call to walk forward.

After going around in circles, he passed by many antique stalls.

Finally, the Mustache Man stopped at an extremely large stall.

He suddenly opened his eyes and said in a deep voice, “It’s here.”

Looking down, he saw several items on the stall.

There were weapons, spiritual artifacts, paintings, and antiques.

Qin Yu released his spiritual sense and covered the stall.

Soon, Qin Yu felt a trace of internal Qi from the antiques.

“It really is a treasure,” Qin Yu said in surprise.

The mustached man sniffed his nose and kept touching the antiques with his palm.

Qin Yu didn't stay idle either. He used his powerful spiritual sense to search for treasures.

Soon, Qin Yu and the mustached man put their hands on a calabash at the same time.

The Calabash looked ordinary, and its surface was almost cracking.

Qin Yu and the Mustache Man exchanged a look. They seemed to have the same idea.

“This calabash looks ordinary, and there isn't much internal Qi fluctuation, but I can feel an extremely old aura hidden in it,” Qin Yu said in a deep voice.

The mustache man said, “I can feel it. This calabash is the one that summoned me.”

Qin Yu reached out and took the gourd in his hand.

He looked at the stall owner and asked, “How much is this gourd?”

The stall owner glanced at Qin Yu and said, “Five billion, or an equivalent treasure to exchange for it.”

Hearing this, Qin Yu and the man with the handlebar mustache couldn't help but suck in a breath of cold air.

“Five billion? Why Don't you go and Rob It!” The man with the handlebar mustache said with his eyes wide open.

Qin Yu rolled his eyes and said, “What he meant was that he didn’t want to exchange it with money, so he threw out an exaggerated figure.”

“A wise man.”The stall owner nodded and said.

The mustached man scratched his head and immediately took out the Babe from his spatial artifact.

For a time, all kinds of spiritual artifacts appeared one after another. What was surprising was that these spiritual artifacts were all high-quality items.

Even the stall owner in front of him was stunned. He gulped and said, “You... Where did you get so many spiritual artifacts?”

The mustached man waved his hand and said, “Aiya, don’t worry about it. Just Pick one yourself.”

The stall owner didn’t stand on ceremony. He immediately began to pick from the pile of spiritual artifacts.

A few minutes later, the stall owner picked up a bead and said, “This one.”

The mustached man glanced at the bead and muttered, “You’re quite picky. This is a Buddhist bead from the western regions. It contains a trace of the power of Buddhism.”

“What? You Don’t agree? If you don’t agree, then forget it.”The stall owner pretended to take the gourd back.

“Hey, Hey, Hey, who said I don’t agree?”The mustached man anxiously stopped the stall owner.

The stall owner said with a smile, “Okay, then it’s settled. I…”

“A pile of worthless scrap metal. You have the nerve to take it out.”

Just as the two sides were about to reach an agreement, a voice suddenly came from the side.

Turning his head, he saw a graceful young man standing by Qin Yu’s side.

Qin Yu frowned slightly.

That peak-stage martial marquis’ internal Qi just now came from this young man’s body.

And the two old men who followed him made it even more difficult to see through his strength.

“Who are you talking about?” The mustached man said unhappily.

The young man said indifferently, “Put away your pile of scrap metal. You’re embarrassing yourself.”

“Little Thing, you dare to say that this is scrap metal?” The mustached man immediately became anxious. He rolled up his sleeves with a face full of anger.

“How dare you speak to our young master like that? You’re courting death!”

At this moment, the two old men beside the young man took a step forward and shouted loudly.

His body emitted waves of powerful pressure, making it difficult for people to breathe.

The mustached man's expression changed, and he hurriedly hid behind Qin Yu.

The young man glanced at the mustached man and said indifferently, "Let me introduce myself. My name is Luo Yang. You can call me young master Luo."

"Luo Yang?" Hearing this title, the stall owner immediately stood up.

"So you are the son of the Pavilion Master of the pavilion of heavenly secrets. Sorry for my disrespect!" The stall owner said respectfully.

Qin Yu frowned slightly.

Pavilion of Heavenly Secrets? What is this thing?

Luo Yang sized up the handlebar mustache and said, "You should have heard of the pavilion of Heavenly Secrets, right?"

The handlebar mustache was obviously cowardly and hid behind Qin Yu without saying a word.

The two old men beside Luo Yang looked at the mustache man coldly and said, "How Dare You Insult Our Young Master? You deserve a slap!"

After saying that, the two men strode forward and reached out to grab the mustache man.

At this moment, Qin Yu reached out his hand and grabbed the arms of the two men.

“Young Master Luo, right?” Qin Yu glanced at him.

Luo Yang looked Qin Yu up and down and said, “What?”

Qin Yu said, “Everyone is here for the treasure. Since it’s for the treasure, the one with the highest price will get it.. There’s no need to fight.”

Chapter 759: Chapter 759, Treasure Gourd

Qin Yu’s hand was tightly grasping the wrists of the two old men.

The internal Qi of both sides collided in the dark, causing the air to explode.

Luo Yang glanced at Qin Yu and said indifferently, “It makes sense.”

Qin Yu released the two old men. The moment he released them, the two men immediately said in a cold voice, “Kid, you have some strength.”

Qin Yu did not pay attention to these words. He looked at Luo Yang and said, “Young Master Luo, since you said that my friend’s are all scrap metal, then what treasure are you prepared to give out?”

Luo Yang snorted lightly. He stretched out his palm, and a treasure instantly fell into his palm.

This treasure flickered with a strange light in his palm. The light was quite dazzling, and for a moment, it was impossible to see what it was.

After ten seconds, the light gradually dimmed and revealed its true appearance.

A dagger was placed in Luo Yang’s palm.

There were dragon patterns carved on the dagger. The dragon patterns looked natural and obviously came from a master.

“Divine Dragon Blade?” The handlebar mustache seemed to have knocked out this treasure.

Luo Yang smiled faintly and said, “Not bad, you know the Divine Dragon Blade. It seems that you have some skills.”

The Mustache Man kept silent and stared at the Divine Dragon Blade.

A moment later, the mustache man frowned and said, “No, this dagger looks like the Divine Dragon Blade, but it has flaws.”

He pointed at the dragon pattern on the dagger and said, “The real divine dragon blade has dark red dragon patterns. It is said that it is made with the blood of a saint, but this one is bright red.”

“If I’m not wrong, this divine dragon blade is a high-quality imitation, right?”

Luo Yang frowned slightly and a trace of displeasure flashed across his face.

A moment later, Luo Yang smiled faintly and said, “That’s right. This is indeed a high-quality imitation. If it’s the real Divine Dragon Blade, do you think I would be willing to exchange it for this broken gourd?”

Having said that, Luo Yang changed the topic and continued, “But even if it’s a high-quality imitation, its power can not be underestimated.”

After he finished speaking, Luo Yang grabbed the divine dragon blade in his hand and lightly waved it in front of him.

An extremely powerful light instantly surged out!

This powerful Qi path almost shattered the void!

That wall even left behind a trace!

Such power, even Qin Yu couldn't help but be slightly stunned.

Just a mere imitation had such power. If it was an authentic one, how much power would it display?

The stall vendor was even more stunned. He swallowed his saliva and said, "Young master Luo, I'm willing to trade with you!"

A subtle smile flashed across Luo Yang's face.

"Hold on." At this moment, Qin Yu suddenly shouted.

Luo Yang frowned slightly and said unhappily, "What?"

Qin Yu smiled and said, "I have a treasure here too. You can take a look."

The vendor frowned as he looked at Qin Yu. His eyes were filled with anticipation.

Qin Yu flipped his palm and a pill fell into his palm.

The pill was purple in color and had a hint of medicinal fragrance on it.

"What is this?" The vendor asked doubtfully.

Qin Yu said indifferently, "Purple Gold Pill."

“Purple Gold Pill?”

Hearing this, everyone present could not help but exclaim!

Even Luo Yang could not help but be moved.

“Not bad.”Qin Yu nodded.

“This purple gold pill is personally refined by me.”

Luo Yang could not help but sneer, “You personally refined it? Do you know that there are very few people in the world who can refine this pill?”

“That’s right. According to what I know, other than the Pavilion Master of the Divine Alchemist Pavilion, there seems to be few people who can refine this pill.”The elder beside Luo Yang also said.

Qin Yu glanced at him and said, “That’s right, but I’m an elder of the Divine Alchemist Pavilion. It’s not difficult for me to refine this pill.”

“An elder of the Divine Alchemist Pavilion?”Luo Yang frowned slightly.

“Who exactly are you?”

“He is Qin Yu!”The mustached man hurriedly jumped out and said.

By now, this name had already spread throughout the world!

Even the stall owner had heard of Qin Yu’s great name!

“You are Qin Yu?”Luo Yang narrowed his eyes slightly.

Qin Yu nodded and said, “That’s right.”

After saying that, Qin Yu looked at the stall owner and said with a smile, “I don’t need to say much about the use of this purple-gold pill. It should be more valuable than the high-quality imitation of the Divine Dragon Blade.”

The stall owner swallowed his saliva and kept nodding, “Yes, yes...”

“So What’s your choice?” Qin Yu asked directly.

The stall owner glanced at Luo Yang and then at Qin Yu.

Then, he gritted his teeth and said, “I choose the Purple Gold Pill!”

After saying that, he snatched the Purple Gold Pill.

Qin Yu smiled and nodded. He picked up the gourd from the ground and said with a smile, “This gourd belongs to me.”

Luo Yang’s expression was a little ugly.

He looked at Qin Yu coldly and said, “Qin Yu, you made enemies on all sides. Haven’t you thought about the consequences?”

Qin Yu glanced at Luo Yang and said, “What do you mean, young master Luo?”

Luo Yang snorted coldly and said, “You’ve already offended a lot of people. Don’t tell me you want to add our pavilion of Heavenly Secrets?”

Qin Yu narrowed his eyes and said, “Young Master Luo, are you threatening me?”

“You can understand it that way,” Luo Yang said coldly.

“If you’re willing to give me this gourd, I can pretend that what happened today didn’t happen. Otherwise... you’ll bear the consequences!”

Qin Yu’s expression gradually turned cold.

“I hate people who threaten me the most in my life. Luo Yang, if you can represent the secret pavilion, then it seems that the secret pavilion isn’t much,” Qin Yu said coldly.

“Okay!” Luo Yang closed the folding fan in his hand and said coldly, “Let’s wait and see!”

After saying this, Luo Yang turned around and left.

Qin Yu couldn’t be bothered with Luo Yang.

He gave him face and called him young master Luo.

If he didn’t give him face, he would be a dog.

After taking the gourd, Qin Yu and the Mustache Man left the stall.

“What’s the background of the pavilion of Heavenly Secrets?” Qin Yu asked.

The Mustache Man said in a deep voice, “The pavilion of heavenly secrets is similar to the Divine Alchemist Pavilion, but the Divine Alchemist pavilion refines medicine while the pavilion of heavenly secrets refines weapons.”

“This Luo Yang’s father is a master refiner. At the same time, he is also a top expert.”

“Refining weapons usually requires an extremely high cultivation level. Therefore, a master refiner is a top expert.”

Qin Yu nodded slightly, but he didn't really care in his heart.

In any case, he already had enough enemies. He didn't need to worry about one or two more.

He wasn't afraid of being bitten by more lice.

After walking around, Qin Yu did not find any treasures that he wanted.

Therefore, the three of them left the place.

After returning to the Martial Arts Academy, Qin Yu took out the gourd.

“What is so mysterious about this gourd?” Qin Yu looked at the handlebar mustache.

The handlebar mustache took the gourd and said in a low voice, “I don't know either.”

Then, he took out a bunch of talismans and stuck them on the gourd.

Then, the handlebar mustache pressed his palms together and muttered to himself, as if he was casting some kind of spell.

After a few minutes, the gourd began to transform.

The cracked skin on it shattered!

A Ray of purple light shot into the sky!

Chapter 760: Chapter 760, none of your business

The purple light shot up into the sky and shattered the ceiling!

Qin Yu pulled Little Fish and hurriedly took a step back, afraid that he would be accidentally injured!

The light lasted for more than ten minutes before it slowly disappeared and returned to calm.

After the purple light fell, the gourd finally revealed its true appearance.

The gourd flickered with a faint purple light from top to bottom. It no longer had its previous decadent appearance. Instead, it was replaced by an indescribable demonic and holy aura.

“This is... a purple-gold gourd? !”The mustached man grabbed the gourd and exclaimed in shock.

Qin Yu frowned and asked, “What is a purple-gold gourd?”

The mustached man glanced at Qin Yu and said, “A top-notch magic artifact. Its power is unimaginable.”

“Magical Artifact?”Qin Yu scratched his head.

“Compared to the Divine Dragon Blade?”

The moustache man said in a deep voice, “Compared to the purple-gold calabash, the divine dragon blade is not even worth mentioning.”

After saying that, the moustache man held the purple-gold calabash and injected a wisp of Qi/spiritual energy into it to activate the magical artifact.

In an instant, the purple-gold calabash erupted with a terrifying radiance!

This radiance could be said to be able to destroy Heaven and earth, shaking the entire room!

The radiance shot into the distance, and then slowly disappeared.

Everything returned to calm once again.

The destructive power contained within this purple-gold calabash caused people to tremble endlessly!

“What a powerful force,” Qin Yu exclaimed.

The mustached man glanced at Qin Yu and said, “This isn’t its most terrifying aspect. The most terrifying aspect is that this purple-gold calabash can display different powers according to the user’s strength. There’s no upper limit.”

Qin Yu couldn’t help but suck in a breath of cold air.

No upper limit? This was too terrifying!

One had to know that no matter how good a magic artifact was, there was a limit.

As the user’s strength increased, all the magic artifacts would slowly become unworthy of mention.

Magic artifacts without a limit were extremely rare!

It was rare to see one in the entire world!

“I’ve struck it rich! I’ve struck it rich!” The moustache man said excitedly.

At this moment, Qin Yu suddenly had an idea.

He looked at the mustache man and said, "Try attacking me with this purple-gold gourd."

The Mustache Man was stunned. He couldn't believe his ears.

"What did you say?" The Mustache Man scratched his ears.

Qin Yu repeated, "Use it to attack me."

"Are you crazy? The power of this purple-gold gourd is unimaginable. You..."

"No worries." Qin Yu waved his hand.

"I was just about to test the strength of my body. Feel free to do it."

The Mustache Man was silent for a moment, then muttered, "You are really a madman. You have to be careful."

"Yes." Qin Yu nodded.

He released his internal Qi, and golden light instantly rose.

The saintly being technique was unleashed to the extreme at this moment!

This was a top-tier magic artifact, after all. Qin Yu didn't dare to neglect it, and the power of the Divine Dragon also appeared at this moment.

After making all the preparations, Qin Yu looked at the handlebar mustache.

"Come." Qin Yu's eyes revealed his determination.

“Okay.”The handlebar mustache didn’t say anything more.

He urged the purple-gold calabash and aimed it at Qin Yu.

With the injection of Qi/spiritual energy, the purple-gold calabash flickered with light again.

That destructive power spread throughout the entire mansion!

“It’s coming!”The mustached man roared, and the purple-gold calabash in his hand immediately shot out waves of terrifying light!

“Ah! !”

Qin Yu roared angrily. He clenched his fist and punched out!

“Boom!”

This was a terrifying collision! The entire ground collapsed in an instant!

Even the residence rumbled and collapsed in an instant!

Yan Jinyao’s residence next door was also not spared from the disaster and instantly turned into ruins!

“What’s going on?”Yan Jinyao’s expression changed and he hurriedly rushed into the sky.

At a glance, he could only see that the golden power and the purple radiance were colliding!

The entire surroundings were covered by dust, and he could only see two dazzling rays of light!

Yan Jinyao frowned slightly, his eyes fixed on this scene.

“What exactly is this Qin Yu doing?” Yan Jinyao muttered in a low voice.

“Boom!”

Another explosion sounded!

The two lights were canceled out at this moment!

Qin Yu’s body instantly shot out explosively, flying horizontally.

He even spat out a mouthful of blood!

“Qin Yu!”

The mustached man and Little Fish hurriedly chased after him.

Qin Yu wiped the blood at the corner of his mouth and said in a low voice, “What a terrifying power.”

“Are You... Alright?” The mustached man asked with a frown.

Qin Yu waved his hand and said, “I’m fine. It’s just a small injury. This purple-gold calabash is really terrifying.”

“Your physical body is even more terrifying,” the mustached man muttered.

“I’ve never heard of anyone who could resist the purple-gold gourd with their physical body without dying.”

Qin Yu rubbed his fist and smiled, “It’s alright.”

Qin Yu was quite satisfied with the strength of his body.

With his current body, no one below the martial saint level could compare to him.

“I’ll give this purple-gold gourd to you,” Qin Yu said.

The mustached man was stunned. He said in surprise, “Really?”

“Of course,” Qin Yu said with a smile.

“You’ve helped me a lot. Moreover, you said that this purple-gold calabash is summoning you.”

The mustached man didn’t know what to say for a moment.

He knew what a purple-gold pill meant.

Moreover, to the mustached man, he had a purpose to get close to Qin Yu.

But he didn’t expect that Qin Yu would be so generous. He gave up a purple-gold pill for him and even offended the young master of the Heaven’s Secret Pavilion.

He put away the purple-gold gourd and said with a smile, “This venerable one owes you a favor.”

Just as the two of them were thanking each other, Yan Jinyao walked over.

He sized up Qin Yu and said, “Qin Yu, what kind of spell are you researching? Why? Are you planning to use this spell to deal with little black?”

“It’s none of your business.”Qin Yu rolled his eyes.

“You shattered our mansion, and you still say it’s none of our business?”The disciple beside Yan Jinyao shouted.

“Qin Yu! You better think of how to compensate us. Otherwise, we won’t forgive you!”The disciple shouted.

Qin Yu glanced at him and slapped him.

The huge force directly made the disciple’s mouth full of blood, and his body flew out.

“Your master didn’t say anything. What’s Your Name?”Qin Yu said coldly.

“You can’t spare me? You Dare to Talk Big?”

The Disciple’s expression changed. He opened his mouth, wanting to say something, but found that his jaw had been broken, and he couldn’t say a word.

Yan Jinyao’s expression was extremely ugly.

In front of so many people, his own people had been beaten up. He would definitely not take this lying down.

Yan Jinyao narrowed his eyes and said, “Qin Yu, it doesn’t make sense for you to hit my man like that, right?”

Qin Yu smiled faintly and said, “Your man doesn’t know etiquette. I’ll teach him a lesson for you. There’s no need to be polite.”

Yan Jinyao's face was extremely gloomy. He took a deep breath and suddenly slapped Xiao Yu!

Chapter 761: Chapter 761, on the eve of the great battle

Yan Jinyao's palm struck fiercely at little fish.

Qin Yu had long realized that Yan Jinyao would do this, so he had long been prepared.

Just as Yan Jinyao's palm was about to Touch Qin Yu, Qin Yu strode forward and raised his hand to block him.

However, Yan Jinyao took a step further. He raised his other palm in advance to meet Qin Yu!

Qin Yu's expression immediately changed!

He never expected that Yan Jinyao had actually prepared a response in advance!

That palm struck towards Little Yu.

Little Yu, who had just entered the martial marquis realm, could not avoid it at all!

"Little Yu!" Qin Yu shouted in shock!

That palm ruthlessly struck towards Little Yu's body.

Just as the palm was about to touch little Yu, her body suddenly exploded with a burst of bright light!

The light suddenly appeared, and a terrifying power instantly poured out.

“Boom!”

The enormous power instantly sent Yan Jinyao flying!

His body staggered back more than ten steps before he stabilized his body, and a sweet feeling surged up from his chest.

Everyone present was stunned.

Even Qin Yu was dumbstruck.

He hurriedly walked to Little Fish’s side and asked worriedly, “Little Fish, are you okay?”

Xiao Yu shook his head, indicating that he was fine.

“Protective Dharma Treasure?” Yan Jinyao thought that Xiao Yu had a protective dharma treasure on him.

He looked at Qin Yu coldly and said through gritted teeth, “Qin Yu, I will remember this slap.”

After saying this, Yan Jinyao turned his head and left quickly.

It was not until he reached a place where no one was around that Yan Jinyao spat out a mouthful of blood!

“How did this happen...” Yan Jinyao’s face was a little pale.

This attack seemed to have injured him internally.

...

“Little Yu, how did you do that just now?”Qin Yu asked in surprise.

Little Yu shook his head and said, “I didn’t do anything.”

Qin Yu immediately fell into silence.

He subconsciously looked at the Mustache Man.

“Have you grown to such a stage?”The Mustache Man muttered in a low voice.

Qin Yu pulled the Mustache Man and walked to the side.

“What’s going on? What’s that light on Xiao Yu’s body?”Qin Yu asked.

The Mustache Man touched his chin and said, “You should have guessed it. Why are you asking me?”

Qin Yu frowned and said, “Is it related to the masked woman?”

“Yes.”The Mustache Man nodded.

“But... didn’t you say that the masked woman has been reborn many times, but the chances of her growing up are very low?”Qin Yu was a little puzzled.

The mustached man nodded and said, “That’s right. This is definitely not her first reincarnation, but there aren’t many records about her in history, so this is enough to prove that she has grown up very few times.”

“But now... it can only be said that she has grown to the stage where she has the consciousness to protect herself.”

At this point, the mustached man couldn’t help but sigh.

“I’m afraid that another devil will appear in this world. When that time comes, it will definitely be a disaster,” the mustached man muttered softly.

Seeing the handlebar mustache’s expression, Qin Yu was also a little worried.

He did not understand the masked woman, but from the various signs on Xiao Yu’s body, he knew that this masked woman was definitely not a good person.

“I have to go to the scripture depository as soon as possible,” Qin Yu thought to himself.

...

There was only a short day left before he had to fight with little black.

For the rest of the time, Qin Yu did not leave his house.

Because his residence had been destroyed, Qin Yu could only temporarily stay in the mansion with the handlebar moustache.

At this moment, in a secret realm of the Jingdu Martial Arts Association.

A Ray of light flashed, and then two figures walked out of the light.

These two were none other than Granny Qin and Blacky.

Blacky’s body was exuding a simple internal Qi. This internal Qi carried a strong sense of oppression.

Granny Qin looked at Blackie and asked, “Blackie, How Do You Feel Now?”

Blackie replied in a deep voice, “With your help, I have absolute confidence in killing Qin Yu.”

Granny Qin nodded slightly and smiled kindly, “That’s good. Blackie, remember to kill Qin Yu no matter what. Don’t hold back.”

Blackie bowed slightly and said, “Granny Qin, don’t worry.”

At this point, Granny Qin reminded, “Also, unless it’s absolutely necessary, try not to use their power.”

Blackie looked at Granny Qin, deep in thought.

Granny Qin explained, “Blackie, in their eyes, you may be just a tool, a chess piece. So I can’t guarantee that if you use their power, there will be no side effects.”

“But in my eyes, you are my child. I won’t allow any mishaps to happen to you.” Granny Qin’s eyes were rarely filled with kindness.

Blackie nodded and said, “Granny Qin, I understand.”

Then, the two returned to the martial arts academy.

At night.

Qin Yu’s cultivation was finally over.

He stood up from the ground and said in a low voice, “There shouldn’t be any problems.”

The mustached man came over and said, “Qin Yu, how about... I lend you the purple-gold Calabash First?”

Qin Yu waved his hand and said, “No need.”

“So Confident?” The mustached man looked a little surprised.

Qin Yu shook his head and said, “It’s not confidence. The rules are in their hands. No one knows if they will allow the use of magic artifacts.”

“Moreover... this purple-gold calabash is so precious. Once it appears, I can’t guarantee that they won’t snatch it away.”

The Mustache Man seemed to think that it made sense.

He nodded and said, “Then you be careful.”

Qin Yu grunted and didn’t say anything more.

Just as Qin Yu was about to go to sleep, several figures suddenly appeared at the door.

These people were none other than Yan Jinyao and his disciples.

The few of them stood at the door and quietly looked at Qin Yu.

Qin Yu frowned slightly. He walked forward and said, “Yan Jinyao? What are you doing here?”

Yan Jinyao said indifferently, “Qin Yu, the world has been talking about who is stronger and who is weaker between you and me. I think this matter should be settled.”

Qin Yu narrowed his eyes slightly and sneered, “Why? Do you want to fight with me?”

“No.” Yan Jinyao shook his head.

“Your current opponent is little black. I Won’t take advantage of him.”

Qin Yu raised his eyebrows and said, “Oh? Then what do you mean?”

Yan Jinyao said, “I’ll send my disciple to fight.”

Hearing that, Qin Yu couldn’t help but sneer, “Yan Jinyao, are you crazy?”

Yan jinyao sneered, “Outsiders say that you and I are equal, but in my eyes, you are Bullsh * T. you are only worthy to fight with my disciple.”

Hearing Yan Jinyao’s words, Qin Yu could not help but snicker, “Yan Jinyao, if you really want to compete with me, after I kill little black, I will accompany you.”

“No, no, no. You win against my disciple, then you are qualified to fight with me.”Yan Jinyao sneered.

“Oh, by the way, let me tell you in advance. If You Die Tomorrow, everyone will be safe and sound.”

“If You Are Alive Tomorrow, my disciple will immediately challenge you.. Whether you accept or not, it’s up to you.”

Chapter 762: Chapter 762, Qin Yu VS Blackie

Yan Jinyao’s face was filled with provocation and schadenfreude.

Seeing his expression, Qin Yu couldn’t help but laugh. “Yan Jinyao, I remember the first time I met you. You were a handsome young master with a gentlemanly face.”

“At that time, I thought that you were worthy of being the crown prince of the Yan family.”

“But now it seems that you are both sinister and wretched.”

Qin Yu shook his head helplessly, disappointment written all over his face.

Yan Jinyao’s eyes narrowed slightly. He snorted coldly and said, “I don’t need you to determine how I am. But whether you can survive tomorrow is hard to say.”

After saying this, Yan Jinyao turned his head and left.

Qin Yu could not be bothered to lower himself to Yan Jinyao’s level.

His motive was impure. He said that he wanted his disciple to challenge Qin Yu, but he just wanted to take advantage of the situation.

If he fought with little black, regardless of the outcome, Qin Yu would definitely be injured.

At that time, Qin Yu might not be a match for Yan Jinyao’s disciple.

“This Yan Jinyao is really cunning!” The mustached man couldn’t help but curse.

Qin Yu waved his hand and said, “No worries.”

...

The next day.

Before Qin Yu woke up, there were two people waiting at the door.

After seeing Qin Yu, the two people strode over.

“Granny Qin told us to tell you that she will wait for you at Qinggang Mountain,”the two people said.

After saying that, they turned around and left without turning back.

Qin Yu touched his chin and said in a low voice, “Qinggang Mountain... is a good place to bury people.”

After going back and making some simple preparations, Qin Yu rushed to Qinggang Mountain with little fish and the handlebar moustache.

At this moment, the vicinity of Qinggang Mountain was already filled with people.

These people came from all over the world. They had all heard the news and came to watch the battle.

As for the people from the martial arts academy, they had already gathered here early on, waiting for this long-drawn-out battle.

In the crowd.

A young man’s face was full of anger. Looking at the scene in front of him, he could not help but clench his fists.

This young man was none other than Han Wei.

“How did he get to where he is today...”Han Wei clenched his teeth.

Unknowingly, he had completely distanced himself from Qin Yu.

“Young Master Han, there’s no need to be angry. People like Qin Yu will appear every once in a while, but most of them won’t have a good ending,”the attendant at the side comforted him.

Han Wei didn’t say anything, but he was extremely angry in his heart.

Ever since he lost to Qin Yu, Han Wei hadn’t been able to recover.

Even though he cultivated with all his might, his speed was extremely slow.

He, who was once in the top ten of the rankings, had long disappeared.

“Look, Little Black has appeared!”At this moment, someone in the crowd suddenly exclaimed.

Looking over, he saw little black standing on the peak of Mount Qinggang.

He was dressed in black, and his clothes fluttered in the breeze.

“What a powerful aura!”

Even though they were far away, there were still people who were inexplicably bragging.

“TSK TSK, you really know how to lick. You can feel the aura of a chicken feather from so far away,”someone sneered.

“You don’t understand. The Aura that he gives off goes straight to the bottom of his heart.”

“Go ahead and brag. If You Brag well, maybe you’ll be rewarded with a bone.”

“Is it enough to scold who?”

“I know who to scold!”

Before Qin Yu and Blacky could fight, the spectators below started arguing.

“Qin Yu is here!”

At this moment, someone shouted and everyone immediately looked over.

They saw Qin Yu, handlebar mustache, and little fish getting out of a taxi.

Compared to little black’s “Posturing” at the top of the mountain, Qin Yu looked much more down-to-earth.

He was wearing an ordinary sportswear and did not look like a top-notch person.

“Look, compared to little black, isn’t Qin Yu’s aura far inferior?”

“Bullsh * t, your imposing manner is just to see through his clothes?”

“If you don’t know how to speak, then close your anus!”

“Little Black is much more handsome than that Qin Yu. Little Black will definitely win!”

“NT, looks determine the outcome?”

“Looks are justice!”

The crowd seemed to be divided into two factions.

Those who supported little black and those who supported Qin Yu, the two factions were in a heated argument.

“There are so many people.” Looking at the Sea of people in front of him, Qin Yu couldn’t help but frown.

Obviously, Granny Qin had spread the news on purpose.

Her purpose was to let more people come to watch.

“It seems that Granny Qin is quite confident.” Qin Yu narrowed his eyes.

It seemed that little black really had some extraordinary trump card.

“You’re finally here.”

At this moment, Granny Qin walked over to Qin Yu.

Qin Yu glanced at her and sneered, “Old Bastard, if I didn’t come, how would I Kill Your Babe?”

“Little Bastard, how dare you say such arrogant words when you’re about to die!” Granny Qin’s old face was full of anger.

Qin Yu sneered, “Let it jump down from the mountain. Why Don’t you stand there and pose?”

Granny Qin glanced at Little Black on the mountain top and said with a faint smile, “Little Black is destined to stand on the mountain top, and you are his stepping stone!”

“Is that so?” Qin Yu raised his eyebrows.

He clenched his hand and a golden light appeared!

Then, Qin Yu suddenly threw a punch in Blackie's direction!

The terrifying golden light instantly covered the sky and the earth!

"It's time to make a move!" Someone shouted excitedly!

"Boom!"

The golden light fiercely smashed onto the peak of the mountain!

"Rumble..."

The huge force directly shattered the peak of the mountain!

Blackie also jumped down.

"Old Bastard, it seems that the mountain peak you mentioned is extremely fragile," Qin Yu mocked.

Granny Qin gritted her teeth. She knew that she wouldn't be able to gain any advantage, so she didn't say anything more.

"Qin Yu! I have been waiting for you for a long time!" At this moment, little black suddenly shouted!

This voice contained inner strength, and it rolled over, causing eardrums to hurt.

Qin Yu looked at little black coldly, and then walked towards little black.

"Qin Yu, you... be careful." Little Yu pulled Qin Yu and said softly.

Qin Yu smiled and said, “Don’t worry. Killing him is like squashing an ant.”

After saying this, Qin Yu’s feet shook, and his body rose into the air.

In almost an instant, Qin Yu arrived in front of little black.

Their eyes met, and there was only a distance of less than ten meters between the two of them.

Although neither of them made a move, their internal Qi was colliding in the dark.

Crack

The ground under their feet seemed to be unable to withstand it anymore, and at this moment, dense cracks appeared!

A gust of Whirlwind suddenly rose between the two of them!

“I’ve finally waited for this day,” Blackie said with a cold face.

Qin Yu sneered, “I admire your spirit of facing death with ease.”

“You talk too much nonsense!” Blackie shouted. His body shook and his black robe was instantly shattered!

Then, Blackie’s dark fist directly smashed towards Qin Yu!

Chapter 763: Chapter 763, one punch!

A powerful force, accompanied by gusts of wind, smashed towards Qin Yu!

Wherever it passed, trees were broken, and mountain rocks were destroyed!

Even from a great distance, one could still feel that terrifying internal Qi!

“What... What a powerful force...” someone exclaimed in shock.

Han Wei’s face instantly turned pale!

This force was too tyrannical!

“Just raising his hand is already so powerful...” Han Wei muttered in a low voice.

“Boom!”

At this moment, Qin Yu suddenly stretched out his hand and grabbed Blackie’s fist!

The terrifying qi flame that erupted from Blackie’s body suddenly disappeared at this moment!

The surroundings also instantly became calm.

The Qi force on his fist seemed to have been suppressed by Qin Yu.

“How... how is this possible!” Han Wei’s eyes widened when he saw this!

Blackie’s terrifying punch was actually easily neutralized?

Was the current Qin Yu already at such a level?

“How could this be...” Han Wei wanted to die.

He knew that there was a gap between him and Qin Yu, but he did not expect the gap to be this big!

“Just this little bit of strength?” Qin Yu looked coldly at little black in front of him. The golden light on his body was appearing bit by bit!

Little Black said that things were not good. He quickly broke free from Qin Yu’s palm and immediately shot backward!

In just one move, both sides seemed to have tested out the depth of each other.

Little Black looked coldly in Qin Yu’s direction, and his eyes narrowed slightly.

The atmosphere instantly froze, to the extreme.

Everyone held their breaths, not daring to breathe loudly.

“Qin Yu, you have indeed surprised me,” Blackie said coldly.

“Is that so? You have disappointed me,” Qin Yu said with a cold smile.

A dark light flashed in Blackie’s eyes. Then, the Black Qi force on his body began to erupt bit by bit.

“Qin Yu, today is the Day You Die!”

With Blackie’s furious roar, his body turned into a ray of black light and rushed toward Qin Yu!

His fist carried waves of sharp energy and rushed toward Qin Yu like a storm!

Qin Yu's body was as light as a swallow. With his hands behind his back, he relied on his extreme speed to dodge every punch.

“SWISH SWISH SWISH!”

In the blink of an eye, Blackie had already thrown out hundreds of punches!

Just the residual power alone had already smashed the ground into thousands of holes. It was enough to witness his strength!

However, no matter how strong the fist was, it could not touch a corner of Qin Yu's clothes!

After thousands of punches, Blackie could not help but gasp for breath.

“What, you only know how to Dodge?” Blackie said coldly.

Qin Yu mocked, “Who can be blamed for your slow speed?”

Blackie shouted angrily, “If you are a man, then fight openly!”

After saying that, Blackie once again shot towards Qin Yu!

His body emitted rays of black light. This light blotted out the sky and the Sun, as if it contained a mysterious and unfathomable power!

Qin Yu narrowed his eyes and sneered, “Fine, then I will satisfy you!”

Qin Yu clenched his fist and leaned back slightly.

In the next second, Qin Yu suddenly threw a punch!

“Clang!”

A crisp sound entered everyone's ears!

Qin Yu's seemingly plain and unadorned fist directly smashed the speeding Blackie away!

Everyone only saw a black figure shooting toward Qin Yu and flying back in the next second!

Blackie's body was like a cannonball, shooting backwards and smashing countless mountains!

"Boom, Boom, Boom!" The sound of countless rocks rolling down from the top of the mountain could be heard!

After smashing countless rocks, Blackie barely managed to stabilize his body.

For a moment, the scene was extremely quiet, and one could even hear the sound of breathing.

"One... One Punch?"

"Just one punch, and he sent Blackie flying..."

"No... as expected of Qin Yu, he always surprises people..."

Granny Qin's expression was also abnormally ugly.

Her wrinkled face kept shaking, and an eerie internal Qi filled her body.

"AH..."

At this moment, Blackie pushed aside the ruins and crawled out.

He looked at Qin Yu coldly, and a serious expression flashed across his face.

This punch seemed to have shattered his bones.

“What a terrifying power.” Blackie frowned slightly.

“If I didn’t have the body of the heaven-swallowing python, this punch would have smashed me into meat paste.”

Blackie took a deep breath. He shattered the mountain rocks and looked at Qin Yu again.

“Qin Yu, you are really a surprising guy.” Blackie opened his mouth and stuck out his tongue like a tongue.

“But unfortunately, no matter how strong you are, you are only a mortal!”

As he spoke, Blackie clenched his fists and his back was slightly hunched, as if he was erupting with some kind of powerful force!

Internal Qi surged out with Blackie as the center!

See small black body, send out a black arc, this arc slightly shake, after a while, with a very fast speed to spread out in all directions!

“Ah! ! !”

He clenched his fists and raised his head to ROAR!

Internal Qi of terror gushed out and swept up the whole Qinggang Mountain!

For a time, people only feel chest stuffy, and even some people on the spot were shocked to spit blood!

“What a terrifying power!”

“Is this Blackie’s full strength?”

“As expected of the person who fought with Jiang He!”

Even Yan Jinyao frowned slightly, as if he was shocked by Blackie’s power.

That power erupted for a long time and reverberated throughout the entire mountain.

“Qin Yu, are you afraid?” Blackie stretched out his finger and pointed at Qin Yu.

Qin Yu squinted his eyes and said, “Not bad power, but in my opinion, it’s just so-so.”

Blackie sneered and said, “You’re talking nonsense! I’m afraid you haven’t seen the power of a martial marquis at his peak.”

Qin Yu said with some surprise, “So this is your peak. I thought you were hiding your strength.”

A hint of displeasure flashed across Blackie’s face.

He snorted, “You’re really boastful. I hope you can still be so arrogant later!”

Qin Yu sneered, “If you have any moves, just use them. Stop talking nonsense.”

Blackie did not say anything more. He raised his palm, and streams of internal Qi flowed along his arm and gathered on his palm.

“Boom!”

After a loud sound, Blackie’s clothes were instantly shattered, revealing his dark and somewhat slippery skin!

This slightly strange skin was shining with a dazzling light under the sunlight!

And that power was still gathering towards his palm.

With a glance, he saw that his palm was wrapped by a black qi force.

Blackie coldly glanced at Qin Yu, then suddenly clenched his fist!

In an instant, the wind and clouds surged, and the sky and earth changed color!

Gusts of violent winds exploded, and a terrifying aura came from all directions!

“Pu”

Some people could not withstand this power and knelt on the ground on the spot!

Some people were even directly crushed into meat paste!

“What... What a terrifying power...”

“What kind of move is this... just the internal Qi alone is enough to make our bodies tremble...”

Even Yan Jinyao and the others seemed to feel a little uncomfortable.

“Good, that’s it. Kill him!”Granny Qin shouted excitedly. She seemed to be very confident in this move!

Blackie looked down from above, looking down on the world.

His black pupils emitted waves of strange internal Qi.

“Qin Yu, it’s time to end this,”little black said coldly.

Before he finished speaking, he shot towards Qin Yu again!

The crackling sound was incessant, and that terrifying power was about to tear apart the void!

“Go to hell!”Little Black roared again and again!

That Black and resplendent power was about to explode in front of Qin Yu!

“Boom!”

Right at this moment, Qin Yu made his move.

He used the same trick again. He clenched his fist and a golden light appeared, heading towards Blackie.

In the next second, Blackie and the Black Energy on his body were sent flying once again.

Chapter 764: Chapter 764, the power of a martial saint?

All of Blackie's power instantly crumbled and disintegrated.

Under this punch, a golden light instantly erupted.

Blackie's figure shot out once again. This time, it directly smashed a mountain into pieces, and its entire body was pressed under the mountain rocks!

Everyone couldn't help but widen their eyes!

Little Black's incomparably dazzling light was actually neutralized by a single punch?

“So... so terrifying...”

“This Qin Yu is already so tyrannical to such an extent. With just a single punch, he neutralized Little Black's killing move and even sent him flying...”

Not far away, the young masters of the aristocratic families could not help but be secretly speechless.

“This Qin Yu's growth speed is a little too fast.”Zhuang Teng sighed.

“Yeah, if it was you or me, we wouldn't be able to escape death from Xiao Hei's punch just now. However, Qin Yu actually resolved it so easily.”Chu Heng also sighed.

Even Yan Jinyao's face flashed with a trace of solemnity.

He never expected that Qin Yu would almost take Xiao Hei's life with just two punches!

“Xiao Hei!”

Granny Qin let out a mournful roar. Her aged figure suddenly shot towards Xiao Hei!

At this moment, the mountain rocks were suddenly turned into ruins. Blackie stood up once again!

“Ah! ! !”

Blackie’s body was covered in blood. He raised his head and roared. His eyes were wide open as anger filled his entire face.

“Qin Yu... You Damn Bastard!” Blackie roared angrily. A terrifying airwave swept out in all directions.

Qin Yu’s feet lightly shook, and his body rose into the air.

He looked at Blacky coldly and said, “It’s already not bad that you were able to survive this punch. The body of the heaven swallowing Python is indeed worthy of its reputation.”

This praise made Blacky feel extremely humiliated!

As a peak Earth rank demonic beast, its body could be said to be unparalleled in the world! Even among demonic beasts, it was at the peak!

But now, facing Qin Yu, it actually couldn’t gain any benefits!

“Qin Yu, I want to kill you, I must kill you!” Blacky’s mournful voice kept coming out.

Qin Yu sneered, “I’m afraid you won’t have the chance.”

Waves of golden light burst out from Qin Yu's body as the absolute beginning holy fist slowly condensed.

His fist was like a round sun, incomparably dazzling.

Accompanied by Qin Yu's furious roar, the Golden Light poured out towards Blacky!

This punch could be said to be extremely powerful!

The entire ground instantly collapsed, sand and stones flew everywhere, and the sky turned dark!

"Little Black!" Granny Qin immediately became anxious!

She suddenly stood up, and had the intention to attack!

At this moment, Little Black's body suddenly emitted a strange light.

This light contained a strange aura, and waves of internal Qi spread out.

Then, little black rose up from the ground. He stretched out his palm and slapped at Qin Yu.

"Boom!"

At the moment of the collision, the entire ground rumbled!

The golden light that Qin Yu exploded with was actually dispersed in an instant!

Qin Yu's eyes narrowed, and he could not help but frown.

“This is the power brought from the Mystic Realm?”Qin Yu thought in his heart.

He looked up and saw that Blackie was emitting a power that didn't belong to him.

This power couldn't be said to be strong, but it was extremely strange.

It was like a power that had been passed down for thousands of years.

The wounds on Blackie's body were slowly recovering.

Spots appeared one after another on his dark skin.

“What happened?”Everyone felt puzzled for a moment.

Although they couldn't see what exactly happened to Blacky, they could feel the abnormality on his body.

Even the handlebar mustache couldn't help but frown.

“This power isn't right. It doesn't belong to the heaven-devouring Python,”the handlebar mustache said with a frown.

“What do you mean?”Little Fish frowned slightly.

The handlebar mustache shook his head and didn't explain.

“In the end, I still used this power.”Granny Qin could not help but sigh.

This power was mysterious and unpredictable, and it came from the eight high-level officials.

However, no one knew what kind of side effects it would bring.

On the Qinggang Mountain that was already in the ruins of Huawei, two figures were looking at each other.

“Qin Yu, are you afraid?” Xiao Hei asked coldly.

Qin Yu narrowed his eyes and said, “Afraid? It’s just an Act!”

After saying that, Qin Yu’s body shot towards Blackie!

Blackie did not Dodge and raised his fist to meet it head on!

“Boom!”

A loud sound was heard and Qin Yu’s body was directly smashed into the ground!

For a moment, everyone was dumbfounded.

Just now, Blackie was still being beaten up. In such a short period of time, why did it seem like he had changed his identity?

In midair, Blackie looked coldly in Qin Yu’s direction. He placed his hands behind his back and waited quietly for Qin Yu.

Qin Yu crawled out of the pit.

He rubbed his neck and shook his arms.

“What a terrifying power,” Qin Yu muttered softly as he shook his wrists.

The punch just now seemed weak and powerless, but the moment it touched, it was as if a bomb had exploded. It was extremely powerful.

“What’s going on with this power on his body...” Qin Yu frowned.

He took a deep breath, and his body burned with golden light again. The mark of the power of the divine dragon lit up between his brows.

“The power of the divine dragon is no longer of use to me.” Blacky’s eyes were filled with indifference.

Qin Yu didn’t say a word. He took a deep breath and rushed toward Blacky with big steps.

The Golden Fist arrived in front of Blackie in an instant.

However, Blackie’s figure disappeared in an instant. Its speed was so fast that it was almost impossible to see with the naked eye!

“Huh? This is... the wind word formula?” Qin Yu’s expression changed slightly.

Before Qin Yu could react, Blackie appeared in the sky above Qin Yu!

He closed his fists and smashed them fiercely towards Qin Yu!

“Boom!”

Under this tremendous force, Qin Yu’s bones were instantly broken and his body shot towards the ground!

However, before Qin Yu could land on the ground, Blacky’s figure had already arrived below Qin Yu!

He reached out his hand and grabbed Qin Yu’s thigh and neck, and then his knee firmly landed on Qin Yu’s lower abdomen!

“Wah!”

Qin Yu suddenly spat out a mouthful of blood! The veins on his forehead bulged like a dragon!

“Is that all you’ve Got?” Blackie grabbed Qin Yu with one hand and threw a punch at his chest!

“PFFT!”

The punch was so powerful that it shattered Qin Yu’s chest!

“Where’s your confidence from just now?” Blackie said coldly.

Qin Yu’s face was extremely pale, and his internal Qi was somewhat dispirited.

“This power... What’s going on...” Qin Yu roared in his heart!

This was the first time Qin Yu felt an impenetrable and incomparably powerful power!

“That’s not right. There’s something wrong with Blacky’s power,” the mustached man said with a serious expression.

“This power.... is most likely from a martial saint!”

Chapter 765: Chapter 765, the mountain and water painting of the masked woman

“It’s from a martial saint?” Xiao Yu’s expression changed slightly. The surrounding people also looked at the handlebar mustache.

The handlebar mustache said with a gloomy face, “That’s right. This power definitely comes from a martial saint.”

“In other words, Xiao Hei is using the power of a martial saint?” Someone asked.

The man with a handlebar mustache frowned and said, “You can say that, but compared to a real martial saint, the strength that little black can display is far inferior.”

“Even if the strength that little black can display is not comparable to a real martial saint, it is definitely not comparable to a martial marquis.” At this moment, someone from the side walked forward and said.

“Yes, I have also heard of it. It is said that hundreds of martial marquises once planned to besiege a martial saint, but in the end, they all died at the hands of that martial saint.”

“If that’s the case, I’m Afraid Qin Yu will be in trouble.”

“This little black is, after all, a member of the Jingdu Martial Arts Association. They will certainly use unimaginable methods.”

For a moment, a trace of solemnity appeared on everyone’s faces.

“Even if little black wins, it will not be an honorable victory. Even if Qin Yu loses, it will still be an honorable defeat,” someone said coldly.

In front of them, Qin Yu was lifted into the air by little black.

His black palm grabbed Qin Yu’s head. The immense force made Qin Yu feel unbearable pain.

“What’s wrong? Qin Yu, Where’s Your Ability?” Little Black said sarcastically.

“Is that all? So that’s all you have?”

Blood dripped from the corner of Qin Yu's mouth. He was seriously injured.

He tried to break free, but he found that Little Black's strength was extremely great. He could not break free at all.

"Blacky, kill him quickly!" Granny Qin shouted.

She knew that there were too many possibilities hidden in Qin Yu's body.

Blacky glanced at Granny Qin, then sneered, "Qin Yu, did you hear that? Granny Qin asked me to kill you."

"To be able to make Granny Qin Miss You So Much, you're considered very successful."

As he spoke, Blacky's hand that was grabbing Qin Yu's head kept increasing its strength.

"Ah! !"

The excruciating pain immediately caused Qin Yu to howl in pain.

He felt as if his skull was about to be crushed, and even his spiritual sense was trembling slightly.

"Five Mountains of Honor Mountain!"

Right at this moment, Qin Yu suddenly let out a loud roar and took out his magic weapon!

The Five Mountains of Honor Mountain instantly smashed towards Blacky!

Blacky snorted coldly. He raised his left hand to receive it, but he realized that the five mountains of Honor Mountain was incomparably heavy and could not be stopped at all!

Helpless, Blackie had no choice but to throw Qin Yu aside and shoot into the distance!

Qin Yu, who had been freed, did not dare to be negligent. He took this opportunity to retreat quickly.

At the same time, a few pill pills appeared in his hand and he stuffed them into his mouth.

As the pill entered his stomach, Qin Yu's injuries instantly became much better.

"Qin Yu! Don't fight with him anymore. His strength comes from a martial saint. He is definitely not someone you can compare to!" The mustached man roared.

Qin Yu glanced at the mustached man and could not help but clench his teeth.

"The power of a martial saint... No Wonder." Qin Yu took a deep breath.

"Qin Yu, run quickly! This little black is playing tricks!" The mustached man roared.

"Noisy thing!"

At this moment, Granny Qin suddenly stretched out her palm and slapped the mustached man.

The mustached man hurriedly pulled little fish and ran hundreds of meters away.

“Little Bastard, you’d better shut your mouth. Otherwise, I don’t mind killing you first,”Granny Qin said darkly.

On the mountain.

Qin Yu clenched his teeth.

This was his only chance to find Yan Ruoxue. If he gave up now, he did not know when he would have the chance next time.

“The power of a martial saint... I want to try it too.”Qin Yu took a deep breath.

He clenched his fists and Golden Light appeared once again.

Then, Qin Yu held the absolute beginning holy fist in his hand and charged towards little black again!

This time, little black did not move and allowed Qin Yu’s absolute beginning Holy Fist to land on his body.

“Clang!”

The loud collision sound was immediately deafening!

Qin Yu’s figure was even forced back a few steps!

On the other hand, Little Black’s dark skin was still incomparably smooth and was not affected at all.

“It can’t break through the defense...”Qin Yu frowned.

Seeing this, Blackie couldn't help but burst into laughter.

“Is this your power? Ridiculous, ridiculous!” Blackie roared crazily!

Qin Yu's face was cold. With a shake of his palm, he held the bronze sword in his hand.

This bronze sword could even leave a mark on the gate of the immortal slaying sect. Blackie's physical body was nothing to him.

“Blacky, this sword is not ordinary. You have to be careful!” Granny Qin shouted.

Blacky was like a mother's boy. He listened to Granny Qin's words.

Therefore, he immediately looked at Qin Yu, adjusted his internal Qi, and put on a solemn expression.

Qin Yu gritted his teeth. He held the bronze sword with both hands, and his spiritual power surged into the sword.

Rays of dazzling light began to surge on the bronze sword, and a terrifying aura spread out in an instant.

“Absolute beginning nine slashes, third slashes!” Qin Yu raised his hand and made the third slashes!

He knew very well that the first two slashes definitely wouldn't be able to hurt Blacky!

The sky-reaching sword light instantly appeared!

A terrifying aura spread throughout the mountain stream!

“Ah!”

Qin Yu let out an angry roar as the bronze sword in his hand ruthlessly slashed towards little black!

Little Black did not dare to be negligent. With a loud roar, he raised both of his fists at the same time and faced the sword light head-on!

“Boom!”

The terrifying internal Qi collided and sent the surrounding onlookers flying!

Even the young masters of aristocratic families were shocked until they vomited blood!

Meanwhile, Han Wei was kneeling on the ground with several of his bones broken!

“How... how could this be...” Han Wei was in extreme pain, and his face was full of humiliation!

The current him couldn't even withstand the aftershocks of Qin Yu's collision!

“Such power, can it really be unleashed by a human...” the others couldn't help but mutter in a low voice.

The light gradually dissipated, and little black shot out explosively!

He looked down at Qin Yu from above and grinned. “Looks like this is your trump card.”

“Even the third slash of the absolute beginning nine slashes could not hurt him...” Qin Yu's expression was extremely ugly.

After this little black had obtained the power of a martial saint, his strength had already exceeded his imagination!

“Qin Yu, it’s my turn.” Little Black’s hands slid around as if he was preparing some terrifying move.

In an instant, the power that engulfed the entire world gathered on his body.

After sensing this power, everyone’s faces turned extremely pale!

Even though they were very far away, they could still feel the terror of that power!

Qin Yu subconsciously took two steps back. That powerful power made Qin Yu feel an intense sense of danger!

“It’s bad.” The mustached man’s face was filled with shock, and his forehead was covered in layers of cold sweat.

“Under this technique, even Qin Yu will definitely not be able to withstand it!”

That power was still ongoing, and under this power, the entire space was shaking.

“Quickly think of something!” Little Fish said anxiously.

The mustached man did not say anything. He kept stroking his beard, looking extremely anxious.

“I got it!” At this time, the mustached man seemed to have thought of something!

He hurriedly looked at Qin Yu and shouted, “Qin Yu, take out the landscape painting of the Masked Woman!”

Chapter 766: Chapter 766, can you withstand it a second time?

Landscape painting?

Qin Yu frowned. What landscape painting did he have in his hands?

What he obtained in the coffin was only a painting that looked like a ghost drawing talisman.

However, there was no time to think about it. Blackie’s internal Qi was getting stronger and stronger. It could be said that it was earth-shaking.

Faced with this intense killing intent, everyone present sucked in a breath of cold air.

“Kill him!”Granny Qin shouted excitedly!

“Ah!”

Blackie let out a furious roar. Following that, streams of incomparably pure black flew towards Qin Yu!

“Rumble!”

Like a meteorite falling, the ground rumbled.

The powerful pressure caused Qin Yu’s entire body to tremble incessantly!

The people in the distance could not withstand this pressure and instantly knelt on the ground, unable to get up!

“Quickly retreat, stay away from them!” Someone shouted.

Then, a group of people shot behind them!

That energy came crushing down on Qin Yu!

The power that engulfed the entire area spread throughout the entire space!

“Ah! ! !”

Cracks appeared on Qin Yu’s body!

However, under this huge pressure, Qin Yu still did not give up!

He quickly put away the bronze sword and clenched his fists. Golden Light instantly erupted!

The golden light continued to condense on his fists. A sun-like light burst out!

One black and one bright. The two forces formed a sharp contrast, like a confrontation between darkness and light!

“Does this kid still want to resist?” Someone exclaimed.

The mustached man could not help but grit his teeth and said, “Qin Yu, don’t F * cking show off! This is not something you can resist!”

“HMPH, with this kind of power, he will definitely die.” Granny Qin grinned, a trace of excitement flashed across her face.

“Ah! !” At this moment, Qin Yu’s mouth let out a hoarse roar!

Following that, the golden light from his entire body gathered on his right fist!

The light from his body faded away, but his fist directly turned into a blazing white color!

“Ah! !”

At this moment, another furious roar sounded! That almost blazing white fist suddenly had traces of purple embellishment!

“Spiritual fire!” Someone seemed to have recognized that hint of purple!

But this was still not the end. The Scarlet Color of the divine dragon power seemed to have been extracted and gathered on his right fist!

In just a short moment, Qin Yu’s fist became colorful and dazzling!

“Ah! ! !”

Accompanied by Qin Yu’s furious roar, his right fist suddenly smashed out!

“Boom!”

The two forces collided violently at this moment!

A terrifying internal Qi swept out in all directions like a nuclear bomb explosion!

For a moment, even the void seemed to be trembling, emitting a strange buzzing sound!

“Boom!” After another explosive sound, the surroundings instantly turned into a vast expanse of white!

At a glance, nothing could be seen clearly!

“What’s going on? What Happened?” Everyone exclaimed.

“My eyes are blank, I can’t see anything!”

“Am I F * cking cold?”

“Who won and who lost?”

Everyone was unable to see through the scene in front of them, even Granny Qin, handlebar mustache, and the others!

“Humph, don’t even think about it. That Little Bastard Qin Yu has probably turned into a skeleton!” Granny Qin sneered.

She knew very well the power of Little Black’s technique. It was the true power of a martial saint! It was definitely not something Qin Yu could resist!

Finally, the scene in front of them began to slowly appear.

The short period of blindness also began to disappear.

“Who won? who won?” Everyone said anxiously.

Granny Qin was rather calm. She was certain that Qin Yu would die under this technique!

“Is this the power of a martial saint...”

At this moment, Qin Yu's voice entered everyone's ears!

Upon hearing this voice, Granny Qin's pupils suddenly shrank!

“What's Going On!” Granny Qin shouted in shock!

Looking closely, they saw Qin Yu standing there unmoving.

His clothes were almost torn to shreds, but there was not a single scratch on his body!

“Qin Yu... survived...” someone gulped as if he could not believe the scene before his eyes.

“That's the power of a martial saint... how did he survive?”

Even Yan Jinyao's expression was extremely ugly!

If it was him, he would have died by now!

“This Qin Yu...” Yan Jinyao could not help but clench his fists!

“Little bastard... he's actually not dead!” Granny Qin was even more furious! However, while she was angry, there was also some fear in her heart.

One had to know that the current Qin Yu was only at the late stage of the Martial Marquis Realm! He had not even stepped into the peak of the Martial Marquis Realm!

With his current realm, he was able to withstand a spell that contained the power of a martial saint. If this kid were to step into the martial saint realm, how great would that be?

“Qin Yu... You’re really hard to imagine.” Little Black’s voice was also heard.

Traces of blood flowed out from the corner of his mouth. Clearly, Qin Yu had won this battle.

Although he did not gain much, Qin Yu had relied on his own strength to defeat the power bestowed by the eight higher-ups.

Little black wiped the blood from the corner of his mouth and a trace of a cruel smile appeared on his face.

He raised his palm, and that power appeared again!

“Again? !”

“Damn... This Blackie can actually use it a second time?”

“This... how should Qin Yu deal with it?”

That power was brewing in Blackie’s hand again.

He opened his mouth, revealing a mouthful of white teeth, and sneered, “Your punch just now hurt me very much, but I don’t believe that you can use it a second time.”

Qin Yu smiled bitterly.

He had been thinking hard for the past few days to come up with this punch. He did not even have the time to name it.

This punch was naturally extremely powerful, but its weakness was that it could only hit once. It definitely did not have the strength to hit a second time.

“The power of a martial saint really lives up to its reputation.”Qin Yu sighed slightly.

“Qin Yu! Hurry up and use that picture!”The mustached man shouted.

Qin Yu took a glance at the mustached man. He took a deep breath and nodded, “This is the only way.”

Although Qin Yu did not have much confidence in that drawing, this might be the only chance now.

Not far away, the energy in Blackie’s hand was still condensing, and the entire Earth was rumbling.

“Qin Yu, go to Hell!”Blackie’s face was filled with madness as he roared!

Following that, he threw his palm fiercely towards Qin Yu!

“Rumble...”

This force covered the sky and earth as everyone was once again forced back!

Looking at this force, Qin Yu gritted his teeth. With a thought, he took out the painting of the masked woman.

“I hope there will be a miracle,”Qin Yu said in a deep voice.

Following that, Qin Yu threw this painting fiercely!

Chapter 767: Chapter 767, the guardian of the path was automatically resurrected!

This picture looked ordinary and did not have the slightest qi/spiritual energy fluctuation. It did not look like an unworldly spiritual artifact at all.

“What is this thing?” When everyone saw this picture, they could not help but laugh out loud.

“Has Qin Yu Gone Mad? He wants to use this piece of broken paper to resist the power of a martial saint?”

“Haha, this must be a desperate attempt to turn to the doctor. This is simply madness.”

The surrounding taunts flooded in like a tide. Everyone thought that Qin Yu was crazy.

Even Granny Qin’s face showed a rare smile.

“Just wait and see.” Only the handlebar mustache sneered.

He stared at the picture and sneered, “These idiots, of course they don’t know what treasure this is. The power of a martial saint? That’s nothing!”

Just as everyone was laughing, the picture suddenly flashed with a strange light!

Then, waves of terrifying and gloomy internal Qi surged out!

In an instant, the surrounding temperature suddenly dropped! It was extremely cold!

“Eh? What’s going on?” For a moment, everyone had a strange look on their faces!

At this moment, the black energy in Little Black's hand had already smashed over and collided with the picture!

At the instant of the collision, a shocking thing happened!

The picture flashed with light and directly swallowed the Black Energy!

This extremely violent energy didn't even stir up a single wave.

It was like a piece of broken stone falling into the sea, unable to stir up even a single wave!

Waves of ancient and simple aura spread out from the picture.

A divine might roamed the entire Qinggang Mountain!

This internal Qi was like the might of an emperor, making people involuntarily want to worship it!

"This... What's going on!" Everyone sucked in a breath of cold air!

What exactly was that picture? It was actually so strange?!

Blackie's expression was extremely unsightly! As if he had gone mad, waves of resplendent power burst out from his hands, smashing fiercely towards the picture!

However, all the energy was easily absorbed by the picture and there was not the slightest ripple!

"How... how could this be!" Blacky's face was extremely unsightly and his body could not help but take two steps back!

“How could this kid have such a treasure!”Granny Qin’s eyes were also wide open!

Such a strange treasure was simply unheard of!

Everyone was dumbstruck, only the handlebar moustache sneered repeatedly.

“A bunch of idiots. This is the item of the masked woman.”The handlebar mustached man sneered.

“If Qin Yu could activate this painting, not to mention a martial saint, even a mighty figure would have to die!”

Qin Yu’s expression was also somewhat unnatural.

He had never thought that this painting would be so powerful.

The power of a martial saint was actually nothing in front of it.

“Little Bastard!”At this moment, Granny Qin suddenly shouted!

“You dare to control a spiritual artifact, this is a violation!”Granny Qin said angrily.

Qin Yu sneered, “Violation? Then, is it a violation if this heaven-swallowing Python borrows the power of others?”

“Nonsense!”Granny Qin shouted.

“What evidence do you have to say that little black borrows the power of others!”

Qin Yu sneered, “Evidence? He was beaten like a dog by me just now. Are You Blind! ?”

“If he didn’t borrow the strength of others, he would have been beaten into a pile of meat paste by me!”

Granny Qin said sinisterly, “Nonsense! Little Bastard, if I don’t Teach You a lesson, you will never repent!”

After saying that, Granny Qin actually disregarded her face and jumped up, rushing towards Qin Yu with big steps!

“Shameless old bastard!” Seeing this, Qin Yu couldn’t help but curse loudly!

“Boom!”

At this moment.

A strange loud sound suddenly emitted from Qin Yu’s body!

This loud sound instantly caused Qin Yu to frown.

“What’s going on?” Qin Yu asked with a frown.

“Boom!”

Another loud sound!

This time, the sound seemed to be even louder!

Even Granny Qin heard this strange sound.

She stopped and frowned, “What Sound?”

“Boom!”

There was another loud sound!

This time, the sound was even louder, almost reaching everyone’s ears!

“Crack!”

Following that, there was an explosive sound!

Then, they saw many treasures dropped from Qin Yu’s body!

Among them were the listening bronze sword and the power of creation!

“What’s going on? !”Qin Yu’s expression immediately changed!

He hurriedly shouted, “Handlebar mustache, put the things away!”

“Don’t worry, this is my specialty.”Handlebar mustache rolled up its sleeves and flew out with a swoosh.

At this moment, Qin Yu realized that his spatial artifact had shattered!

“How... how could this be?”Qin Yu frowned tightly!

At this moment, another strange sound came from the spatial artifact.

Then, two figures shot out from the spatial artifact!

And these two figures were none other than the two dao protectors, Big Fatty and second Zhuang!

“What... What’s going on?”Qin Yu’s eyes widened!

Looking at the two guardians standing in front of him, Qin Yu couldn't help but swallow his saliva.

He tried to release his divine sense, trying to control these two guardians.

But soon, Qin Yu realized that something was wrong.

His divine sense couldn't connect with these two guardians at all!

“Oh No!” Qin Yu's expression changed drastically!

He suddenly thought of something!

“These two dao guardians... were resurrected on their own!” Qin Yu was abnormally terrified!

He recalled the scene back at the immortal slaying sect. Back then, these two dao guardians were resurrected on their own and almost took Qin Yu's life!

If not for the masked woman's clothes suppressing them, Qin Yu would have probably turned into a skeleton by now!

At this moment, the two dao guardians were emitting waves of pressure. The Dao Guardians who were resurrected on their own were obviously more powerful!

Compared to Qin Yu's control, the current dao protectors were unimaginably strong!

Thinking of this, Qin Yu hurriedly looked around and shouted, “Everyone, run! Run!”

But how could they know the urgency of the matter? They were even more unaware of how terrifying this Dao Protector was!

“What, you want to admit defeat?” Yan Jinyao sneered.

“So be it. Don’t even think about sending us away.”

“That’s right! You want us to leave now? In your dreams!”

Qin Yu could not wait any longer. He knew how terrifying these two dao protectors were!

They were resurrected on their own and were not under anyone’s control!

In other words, they would attack indiscriminately! Because in their eyes, everyone was an enemy!

“Hehe, Little Bastard, you brought out these two corpses again?” Granny Qin said with a sinister tone.

At this moment, she was shocked that she did not know that these two corpses had automatically resurrected. She thought that Qin Yu was controlling them.

“The same move, using it twice will be useless. Don’t you know!” Granny Qin shouted loudly.

Qin Yu opened his mouth and did not know how to explain for a moment.

“Forget it, it’s up to you.” Qin Yu took two steps back.

Granny Qin flipped her palm and saw a martial saint weapon in her hand.

“This time, I came with a martial saint weapon.. I’m afraid your two corpses will lose their effect!”Granny Qin shouted.

Chapter 768: Chapter 768, the Terrifying Guardian!

Qin Yu could not help but curse inwardly.

In front of the Guardian, this martial saint weapon was probably useless.

“Granny Qin actually brought a martial saint weapon!”

“Looks like she’s determined to get rid of Qin Yu!”

“I don’t know what these two corpses that flew out of Qin Yu’s body are for.”

The crowd discussed animatedly. Clearly, they had not realized the current dangerous situation.

Although Qin Yu was anxious, he could not do anything about it.

Granny Qin held the martial saint’s weapon in her hand. She looked at the Dao guardian coldly and shouted, “Today, I will smash these two corpses!”

Accompanied by an angry shout, Granny Qin activated the martial saint’s weapon in her hand and dashed towards the Dao Guardian!

The Dao Protector’s expression was ice-cold, without a trace of expression.

Facing Granny Qin who was dashing towards him, the Dao Protector only raised his head and looked over with a fierce gaze.

“Crack!”

It was just a single gaze! The martial saint weapon in Granny Qin’s hand was actually shattered!

Granny Qin’s body was sent flying!

Half of her body was directly smashed into minced meat, and only half of her body remained!

“Ah...”Granny Qin let out a painful wail from her mouth.

“How... how could this be...”she looked at the shattered martial saint’s weapon, and her eyes were filled with terror.

In the next second, Granny Qin fainted.

The scene was silent.

Everyone sucked in a breath of cold air!

They did not even know what had happened! They only knew that the martial saint weapon had suddenly shattered, and Granny Qin had suddenly flown out!

“What... What Happened...”

“Those two people... What did they do? Why did the martial saint weapon shatter, and Granny Qin flew out...”

“No... I don’t know...”

“Granny Qin!”

At this moment, Blackie suddenly let out an angry roar!

“I’m going to kill you!” Blackie let out an angry roar. He unleashed all the power in his body and charged towards the Dao Protector!

The power of a martial saint was unleashed to the extreme at this moment. Clearly, Blackie was extremely furious at this moment!

Facing Blackie who was charging towards him, the Dao Protector finally made his move.

One of them slowly raised his finger and flicked it gently.

“Boom!”

Blackie was sent flying! His incomparably fierce body was instantly shattered!

In the next second, Blackie lost his human form and returned to his original form. He fell heavily to the ground!

“AH...” Blackie spat out a mouthful of blood. Then, following Granny Qin’s footsteps, he fell unconscious.

“What... What’s going on...” when everyone saw this scene, they finally felt afraid!

“Little black, who possessed the power of a martial saint, was sent flying by a finger...”

“What the hell is that thing...”

Qin Yu gritted his teeth and could not help but curse, “A bunch of idiots. Why aren’t they running? Are they waiting to die here?”

Only after Qin Yu reminded them did they react!

“Run!” Someone shouted and ran away!

Yan Jinyao also realized that something was wrong, and his face turned extremely ugly.

“These two corpses probably don’t belong to this era. Retreat!” Yan Jinyao said coldly.

Everyone scattered like birds and beasts, and the Dao Protector also sensed them at this moment.

The two of them raised their palms and squeezed lightly.

The space in front of everyone instantly distorted!

Everyone’s path of escape was immediately blocked!

“They raised their hands and distorted the space. What... What exactly is this thing...” Qin Yu’s expression was extremely unsightly!

The Dao Protector’s awakening this time seemed to be even more powerful than the previous one!

“Not good, these two things aren’t the products of the present. If we let them live, it will definitely be a disaster!” The handlebar mustache revealed a grave expression.

Qin Yu walked over and frowned. “What should we do now? Quickly think of a way!”

The mustached man said coldly, “If we let them do whatever they want, the present society will definitely be destroyed!”

Qin Yu gritted his teeth and said, “Don’t you have many ways? Quickly think of a way! Otherwise, I’m afraid I’ll become a sinner!”

The mustached man could not help but curse, “What the F * CK Can I Do! Can’t you see how powerful they are! Back then, I told you not to bring them out, but you didn’t listen. Now it’s Over!”

A trace of guilt flashed across Qin Yu’s face.

No one had expected these two corpses to suddenly revive!

“It must be because of that picture.” Qin Yu suddenly thought of something!

“It must be because we used that picture that caused these two guardians to revive!”

The mustached man also nodded and said, “That’s right, but it’s easy to invite the gods, but difficult to send them out. If we want to get rid of them now, I’m afraid it’ll be troublesome.”

“Damn it, I’ll fight it out with you!”

In the crowd, some people seemed to be unable to withstand the fear in their hearts and actually charged towards the Dao Protector!

“You’re F * cking crazy!” Seeing this, Qin Yu instantly became anxious!

This was undoubtedly infuriating the Dao Protector!

Once the Dao Protector was enraged, everyone present would die!

Facing the person who charged over, the Dao Protector didn't even look at him before the internal Qi on his body directly turned him into meat paste.

Just as Qin Yu had guessed, this action had completely infuriated the guardian.

A terrifying killing intent emanated from their bodies!

The killing intent permeated the entire Qinggang Mountain, sending chills down people's spines!

“Pu!”

Someone could not withstand this killing intent and was directly blasted into a bloody mist!

Even Qin Yu, Yan Jinyao, the Handlebar Mustache Man, and the others felt waves of discomfort.

“We have to think of a way!” Qin Yu said anxiously.

The Mustache Man gritted his teeth and said, “Use that picture to try again!”

Qin Yu hurriedly threw the picture to the guardian.

Looking at the picture flying over, the Guardian's face clearly showed a hint of absent-mindedness.

But in just half a second, they returned to normal.

“It's over, it's useless!” Qin Yu's face changed greatly!

“Clothes! Where are the clothes!”The mustached man said anxiously.

Hearing this, Qin Yu hurriedly took out the clothes of the masked woman.

Unfortunately, it still didn't work.

This time, the Dao Protector's consciousness was obviously stronger!

“It's bad!”Qin Yu's expression was extremely ugly!

If this continued, not only would everyone here die, the entire world would probably face a disaster!

The murderous intent on the Dao Guardian's body became more and more intense.

He swept his gaze across everyone, as if he was looking at a bunch of ants, plants, and plants, without the slightest bit of emotion.

Finally, the Dao Guardian moved.

Their gray eyes swept across everyone, as if they were sentencing everyone to death.

However, when their gazes landed on Little Fish, they paused.

Only to see their pupils flashed a strong sense of fear! The body is fiercely trembling!

Chapter 769: Chapter 769, How Shameless!

Their eyes were filled with terror! Their bodies were trembling slightly!

In a short moment, the terror on their faces grew stronger!

In the next second, the Dao Guardian walked over!

When the surrounding people saw this, they were so frightened that they scattered in all directions and cried out repeatedly!

However, the Dao Guardian came directly in front of Little Fish.

Immediately after, the two dao protectors actually knelt in front of little fish with a plop!

Their bodies could be seen trembling with the naked eye, and their heads drooped down in Extreme Terror!

When everyone saw this scene, they couldn't help but gulp.

What was going on? ! How could two incomparably powerful dao protectors kneel in front of this little girl? !

Qin Yu couldn't help but reveal a shocked expression.

"It really is as you said." Qin Yu glanced at the handlebar mustache and said in a low voice.

The handlebar mustache spread his hands and muttered, "I actually forgot about her..."

At this moment, Little Yu's gaze was somewhat sluggish.

She looked at the two dao protectors kneeling in front of her and didn't speak for a long time.

A moment later, Little Yu raised her palm and placed it on their foreheads.

It was at this moment that the two guardians lost their divine senses and fell back to the ground, becoming two corpses.

“What the hell is going on?” The surrounding people were still in a state of confusion.

Yan Jinyao stepped forward and pointed at Qin Yu. “Qin Yu, who exactly is this little girl? Also, what’s going on with those two corpses? !”

Qin Yu sneered, “Does it have anything to do with you?”

Yan Jinyao narrowed his eyes and sneered, “Don’t worry, paper can not cover fire. This matter will soon be spread! The Jingdu Martial Arts Association will definitely not sit idly by!”

Hearing this, Qin Yu immediately felt that something was wrong.

Just as Yan Jinyao said, the Jingdu Martial Arts Association would definitely not sit idly by after such a thing had happened.

“I’m afraid I really won’t be able to keep this secret.” Qin Yu glanced at Little Yu, his eyes filled with worry.

“Let’s go.” Qin Yu didn’t think much about this matter.

He put away the two corpses, pulled Little Yu along, and turned his head to leave.

The people around didn’t dare to stop him, and one after another made way for him.

They hurried all the way back to the martial arts academy.

Qin Yu squatted in front of Xiao Yu and asked with a frown, “Xiao Yu, do you feel any discomfort?”

Xiao Yu shook her head and said, “No, I don’t know what happened just now. It was like... I suddenly lost my mind.”

Qin Yu glanced at the handlebar mustache and then said with a smile, “You have made a great contribution today. If it weren’t for you, I’m afraid that blood would flow like a river today.”

The handlebar mustache muttered to the side, “I’m afraid that she’ll be even more terrifying in the future.”

“Shut up!” Qin Yu glared at the handlebar mustache.

...

After experiencing this great battle, Qin Yu’s body was extremely tired.

“Handlebar mustache, take good care of Little Yu. Don’t let anyone take her away,” Qin Yu warned.

The handlebar mustache nodded and said, “Don’t worry.”

Qin Yu grunted and turned back to his room, falling into a deep sleep.

At this time, the news of the Guardian spread like wildfire.

Not only did it spread wantonly on the martial arts forum, but it also spread throughout the entire martial arts world.

Granny Qin's body almost shattered and she fell into a coma. It was likely that she would not wake up for a while.

Blackie was even worse off. The transformation pill was ineffective, and he had once again turned into a heaven-swallowing python.

Just as Qin Yu was in a deep sleep...

Yan Jinyao suddenly brought his disciples over to pay him a visit.

The door of the mustachioed manor was kicked open and Yan Jinyao swaggered in with his two disciples.

"Where's Qin Yu! I want to fight him!" A youth stepped forward and berated loudly.

The mustachioed youth could not help but curse, "Are You Shameless? Qin Yu is currently in a deep sleep and has no time to deal with you. Get lost!"

The youth sneered, "What? Qin Yu wants to be a coward? ! Fine, if he doesn't dare to answer, then I'll leave!"

"You're really shameless. How about I fight you!" The mustached man rolled up his sleeves and said.

"Oh? What does it have to do with you? Are you planning to bully the weak?" At this time, Yan Jinyao stood out.

Seeing this, the handlebar mustache quickly withdrew.

He muttered in a low voice, "Young Master Yan, as a person, we can't be so thick-skinned..."

“Who are you talking about!” Yan Jinyao’s disciple immediately shouted.

The handlebar mustache hurriedly took two steps back and said with an embarrassed smile, “Why don’t you guys wait? Qin Yu will wake up very soon...”

“Wait? hahaha! Why? Is this Qin Yu so cautious when fighting with my disciple?” Yan Jinyao ridiculed.

At this moment, little fish suddenly stood up.

“I’ll fight with you,” she said to the young man.

Yan Jinyao frowned slightly when he saw little fish.

He saw the two dao protectors kneeling in front of little fish with his own eyes. Moreover, he was sent flying by little fish last time.

“We’re looking for Qin Yu. It has nothing to do with you,” Yan Jinyao said coldly.

Xiao Yu said, “I’m Qin Yu’s disciple. It’s fair for disciples to fight.”

Yan Jinyao opened his mouth. Just as he was about to speak, Xiao Yu beat him to it. “What’s the matter, Yan Jinyao? Are You Afraid?”

“Master, I’ll fight with her. She’s just a little brat!” Yan Jinyao’s disciple rolled up his sleeves and said.

Yan Jinyao released his internal Qi and tried to sense Xiao Yu’s internal Qi.

Soon, he discovered Xiao Yu’s strength.

“A new martial marquis?” Yan Jinyao raised his eyebrows and revealed a cold smile.

His disciple was in the middle stage of the Martial Marquis Realm!

Every small realm of the Martial Marquis realm was extremely different!

Moreover, it was such a big realm!

“Okay!” Yan Jinyao took a step back.

“If we win, it will prove that Qin Yu’s disciples are not good enough,” Yan Jinyao said indifferently.

After saying that, he waved his hand and ordered someone to record the video.

Yan Jinyao’s purpose was very simple. It was to expand his power.

“Master, don’t worry, i...”

“Boom!”

Before the young man could finish his words, Xiao Yu had already punched out!

The seemingly ordinary punch directly shattered the young man’s head!

The young man didn’t even have time to react before his head and spiritual sense were directly shattered!

“It’s over!” Little Fish clapped his hands and turned to leave.

Everyone was dumbstruck and subconsciously looked at Yan Jinyao.

Yan Jinyao naturally couldn't hold it in any longer. he shouted, "Stop right there!"

"What?" Little Fish stopped in his tracks.

Yan Jinyao narrowed his eyes and said, "It's just a friendly spar, yet you want to kill me! You're so vicious at such a young age, I can't Let You Live!"

"Young Master Yan, aren't you going too far?" The handlebar mustache hurriedly jumped out.

Yan Jinyao said coldly, "It has nothing to do with you. Get lost!"

After saying that, Yan Jinyao stretched out his palm and grabbed at little fish again!

This time, Yan Jinyao contained extremely strong power. It was obvious that he intended to kill little fish with one strike!

At this moment, a golden light burst out from the room!

Then, a golden figure held a golden fist and faced Yan Jinyao head-on!

"Boom!"

At the moment of the collision, Yan Jinyao immediately took two steps back.

He suddenly raised his head and saw Qin Yu standing in front of Xiao Yu.

"What? Are you bullying me? Yan Jinyao, you are really shameless," Qin Yu said coldly.

Chapter 770: Chapter 770. Xiao Yu left

Yan Jinyao's expression turned ugly when he saw Qin Yu.

He said coldly, "Qin Yu, this little girl killed one of my disciples. You have to give me an explanation!"

"You want an explanation? Fine, I'll give it to you." Qin Yu sneered.

Before he could finish his sentence, a golden light suddenly flashed!

Then, the head of Yan Jinyao's disciple was smashed by a slap!

"This is the explanation I gave you. Are You Satisfied?" Qin Yu questioned coldly.

Yan Jinyao's eyes instantly widened.

Anger crawled all over his face!

"Qin Yu, aren't you going too far!" Yan Jinyao said coldly.

Qin Yu sneered and said, "You were the one who brought people to find trouble. You Didn't learn well, so you deserved to be slapped to death by Little Yu."

"As your master, you actually made a move yourself! Since you are so Shameless, why should I give you any face!"

"I'm just returning the favor!"

Yan Jinyao was immediately furious and said, “You are full of nonsense! If you don’t give me an explanation today, you can forget about walking out of this door!”

Qin Yu Strode forward, and a golden light appeared!

“Yan Jinyao, if you want to pick a fight, I’ll accompany you!” Qin Yu’s arrogance was soaring, and his invincible posture was fully displayed!

Yan Jinyao’s body also erupted with rays of light, and the internal Qi of both parties instantly formed a vortex!

At this moment, Yan Jinyao suddenly withdrew his internal Qi.

He looked at Qin Yu coldly and said, “There will definitely be a battle between you and me, but not now. I’ll let you live a few more days on your last breath.”

After saying this, Yan Jinyao turned around and left.

Qin Yu did not stop him.

His body had not yet recovered to its peak. If he attacked, he might not be Yan Jinyao’s match.

After he left, Qin Yu looked at Little Yu and frowned. “How are you? Are You Hurt?”

Little Yu shook her head and said, “No.”

The mustached man smiled embarrassedly and said, “Little Yu, speaking of which, your attack just now was indeed too fierce. There’s no need to take someone’s life just like that...”

Obviously, from the Mustache Man's point of view, the masked woman's nature was beginning to show.

If she was allowed to develop, no one knew what would happen.

Qin Yu, on the other hand, had a different attitude.

He patted Xiao Yu's head and said, "It's okay. He's the one who started it. There's no need to blame himself."

"Okay." Xiao Yu nodded and didn't say anything else.

At this moment, little fish suddenly said, "I plan to leave for a period of time."

Qin Yu frowned. "Leave? Where are you going?"

Little Fish said, "I don't know either, but I keep feeling that it's time for me to leave."

Qin Yu opened his mouth, wanting to say something to stop him.

But he couldn't help but think of the confrontation between the two of them at the immortal slaying sect.

"Okay." Qin Yu agreed for the first time.

"Qin Yu, you..." the man with the handlebar moustache was shocked. He didn't expect Qin Yu to agree.

Qin Yu reached out and interrupted the man with the handlebar moustache. He looked at little Yu and continued, "But you have to wait for me for two days."

“Okay.” Little Yu nodded.

After saying that, Little Yu turned around and went back to her room.

“Qin Yu, how can you promise her? Do you know that she is an extremely dangerous person? If she is not under your nose, no one knows what she will do!” The Mustache Man said anxiously.

Qin Yu glanced at the mustache man and said, “Do you think that even if I keep her by my side, I can stop her from growing?”

The Mustache Man opened his mouth and was suddenly speechless.

That’s right. As long as Xiao Yu didn’t die, it was only a matter of time before she became a masked woman.

“Moreover, what happened last time has already been exposed. The JINGDU martial arts association can not sit idly by. With their nature, they will most likely take Xiao Yu away,” Qin Yu said in a deep voice.

“Letting her leave might be a better choice.”

Seeing this, the handlebar mustache didn’t say anything more.

Then, Qin Yu left the martial arts academy.

He went out to buy a few high-quality jade pendants and injected his spiritual sense into them.

After spending two whole days, this jade pendant finally took shape.

“Little Yu, take this jade pendant with you. Don’t take it off for even a moment. If you are in danger, I can find you immediately,” Qin Yu said.

Xiao Yu took the jade pendant and nodded. "Okay."

After taking the jade pendant, Xiao Yu said goodbye to Qin Yu and the handlebar mustache before leaving the Jingdu Martial Arts Academy.

Looking at Xiao Yu's departing figure, Qin Yu suddenly felt somewhat reluctant to part with her.

"No one knows what the next time we meet will be like," Qin Yu muttered softly.

...

It had been three full days since the last great battle.

During these three days, Granny Qin still did not wake up.

Although the JINGDU martial arts association had done their best to restore her body, her body still had not fully recovered.

Qin Yu could be considered to have gotten a few days of respite.

As he sat in the room, he could not help but recall the scene of the great battle with little black.

"The power of a martial saint... with my current realm, there's really nothing I can do," Qin Yu thought to himself.

The power of a martial saint was unrivalled. To a martial marquis, it was an existence that could crush him.

It was already a miracle for Qin Yu to be able to survive.

“Since there was no result from the previous battle, Will the Sky Guardian Book Take Effect?” Qin Yu looked at the handlebar mustache and asked.

The handlebar mustache shook his head and said, “Of course not.”

Qin Yu frowned and said, “In other words, the Sky Guardian book is no longer useful?”

“No.” The handlebar mustache shook his head.

“The last time there was no winner, it will automatically be postponed to the next fight,” the handlebar mustache explained.

Qin Yu nodded.

According to Xia Hang’s information, Granny Qin would need at least half a month to recover from her injuries.

To Qin Yu, this half a month was extremely precious.

“I must think of a way to deal with his martial saint’s power,” Qin Yu thought to himself.

Otherwise, Qin Yu would definitely lose the next time they fought.

At the same time.

The Jingdu Martial Arts Association was in the middle of a meeting.

Eight high-ranking officials appeared in the meeting room once again.

This time, the person participating was not Granny Qin, but Xia Hang.

On the big screen in the meeting room, a video was playing.

This video was the scene of Qin Yu and Little Black's battle that day.

Although the image was a little blurry, one could still roughly see the outline.

“What is that move of his? He can actually resist the power of a martial saint?” A higher-up asked coldly.

“With the Martial Marquis realm, this Qin Yu should be the only one who can resist the power of a martial saint.”

“Mm, this kid can resist the power of a martial saint at the Martial Marquis Realm. His future... I don't dare to imagine.”

“It seems that the prophecy of Heaven's secrets is correct. This child might really become a martial saint. When that time comes, it will be troublesome.”

Xia hang sat silently at the side, quietly listening to the words of the eight higher-ups.

“Shouldn't we take the necessary measures?” A higher-up said coldly.

Chapter 771: Chapter 771 was exposed!

“We have already taken enough measures.” There was a hint of mockery in the tone of the higher-ups.

“Xia Hang, what do you think?” At this moment, someone suddenly asked.

An unnatural look flashed across Xia Hang's face.

“With my current skills, I'm definitely not a match for Qin Yu. Moreover... Granny Qin is the True Controller of power. I can't do anything either.”Xia hang took advantage of the situation and said.

“How about... the higher-ups make a move personally?”Xia hang suddenly suggested.

As soon as these words were said, the scene instantly fell into silence.

No one was willing to take up this topic.

And Xia hang seemed to have guessed something from their attitude.

“En? What's that picture in Qin Yu's hand?”At this time, someone noticed the picture that Qin Yu was controlling on the screen.

“What kind of treasure is that? It actually dissolved the power of a martial saint so easily?”

“What are those two corpses?”

For a moment, the higher-ups were all attracted by the contents of the video.

After they finished watching the entire video, they fell into silence once again.

“That little girl... seems to be somewhat similar to a certain character recorded in the ancient books.”A higher-up seemed to have guessed something.

“Xia Hang, send someone to capture her immediately!” A higher-up quickly gave an order.

Xia hang said awkwardly, “With my strength, it’s impossible for me to be a match for that Qin Yu...”

The higher-ups were silent for a moment.

They could clearly bestow power to Xia Hang, but in the end, they decided to wait for Granny Qin.

It was very obvious that these higher-ups did not believe Xia hang.

“Let that Qin Yu live for a few more days,” the higher-ups said coldly.

“Xia Hang, you have to keep a close eye on Qin Yu.”

After saying this, the higher-ups began to slowly disappear.

After walking out of the meeting room, Xia hang took out a cigarette from his pocket and put it in his mouth.

A cold smile appeared on his face.

“I seem to have guessed something,” Xia Hang said with a low, cold smile.

...

Granny Qin was in a coma, and Qin Yu also had a chance to catch his breath.

These few days, Qin Yu had been racking his brains, but he couldn’t think of a way to deal with the power of the martial saint.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that the caller was the manor head.

Qin Yu hurriedly picked up the phone and said, "Manor Head, why did you suddenly call me?"

The Pavilion Master on the other end said indifferently, "Qin Yu, have you forgotten a lot of things?"

Qin Yu was stunned. He scratched his head and said, "Lord Pavilion master, what do you mean by this?"

The pavilion master said indifferently, "I remember that I said that I would take you to use the warehouse, but you have to agree to one condition of mine, right?"

Qin Yu patted his head and hurriedly said, "Lord Pavilion Master, I haven't forgotten. If there's anything you need me to do, just let me know!"

The pavilion master continued, "You also promised ye Qing that you would give them the pill formula."

"Ah, right, right, right. I've been too busy recently, I forgot..." Qin Yu was a little embarrassed.

The pavilion master on the other end said, "Come to the Divine Alchemist Pavilion. Jiang he is here too."

After saying that, the pavilion master hung up the phone.

Qin Yu quickly stood up and muttered, "Damn, I actually forgot about this."

The moustache man muttered, “What’s Wrong?”

Qin Yu said, “I’m going to the Divine Alchemist Pavilion.”

“I’ll go with you!” The moustache man quickly stood up and said.

“The Divine Alchemist Pavilion is a good place. According to my geographical speculation, it used to be a graveyard...” the moustache man licked his lips and said.

Qin Yu Glared at the moustache man and said, “You’d better not have any ideas about the Divine Alchemist Pavilion.”

The man with the handlebar mustache smiled embarrassedly and said, “Don’t worry, I won’t Do Anything Reckless.”

Just as Qin Yu was about to set off, his phone rang again.

He picked up the phone and saw that the caller was actually Xia hang.

Qin Yu frowned slightly.

He walked to the side and picked up the phone.

“What’s Wrong?” Qin Yu asked in a deep voice.

Xia hang said, “Let’s meet tonight. I have something to tell you.”

Qin Yu was silent for a moment, and then he agreed, “Okay, where shall we meet?”

“I’ll send your address later.”

After saying that, Xia hang hung up the phone.

Qin Yu grabbed his phone, and he couldn't help but frown slightly.

"Things have really come together," Qin Yu said in a low voice.

After thinking for a while, Qin Yu sent a message to the pavilion master: I Have Something to do tonight, I'll arrive at the Medicine God Pavilion on time tomorrow.

Not long after, the pavilion master replied: Yes.

At this moment.

In a certain mansion in Jingdu.

A muscular man was sipping tea.

This man's internal Qi was unparalleled. Every movement of his had a powerful internal Qi.

Most importantly, this man was wearing a purple robe.

This man was the purple robe of the Jingdu Martial Arts Association. His position was not low and his name was Chen Huang.

As purple robe, Chen Huang was not responsible for Xia Hang or Qu Xie from before. Instead, he was directly responsible for the higher-ups and Granny Qin.

As for Xia Hang, Chen Huang had always been worried. After all, Xia Hang's previous position was to build a good relationship with the various aristocratic families.

This kind of person who went deep into the secular world was usually not firm and was easily bewitched by benefits.

Apart from that, Chen Huang also had his own selfish motives.

That was to covet the position of President!

Although this position would not be higher than the position of the purple robe, it had more resources and honor!

As long as he caught Xia Hang's little braid, he could replace him!

Therefore, Chen Huang secretly sent a purple robe to secretly monitor Xia hang.

That evening.

Chen Huang's phone rang.

"Brother Chen, Xia Hang went out."A voice came from the other end.

"Where did he go?"Chen Huang asked.

The other end said, "Qinggang Mountain."

Chen Huang's expression froze.

Qinggang Mountain? The place where Qin Yu and Xiao Hei fought?

"Before he left, Xia hang made a call,"the other end continued.

Chen Huang narrowed his eyes and said, "Keep an eye on him! No matter what news there is, inform me immediately!"

"Yes."The call was cut off.

...

At this moment, Qin Yu was rushing towards Qinggang Mountain.

Meanwhile, Xia hang had been waiting at Qinggang Mountain for a long time.

The surroundings were in ruins. Ever since that battle, Qinggang Mountain, which was already deserted, was even more deserted.

The sky gradually darkened. At around 8 o'clock in the evening, Qin Yu finally appeared at Qinggang Mountain.

Xia hang waved his hand at Qin Yu and said, "Here."

Qin Yu grunted and immediately strode toward Xia Hang.

At this moment, the purple robe hiding in the dark suddenly narrowed his eyes!

"Qin Yu?" He muttered in a low voice and then sneered, "Xia Hang, you actually dared to secretly contact Qin Yu. You're Dead!"

After saying that, the purple robe took out his phone and pressed the camera button in Xia Hang's direction.

Chapter 772: Chapter 772, no choice

Xia hang knew nothing about this.

Qin Yu walked all the way to Xia Hang, and at this moment, he suddenly stopped.

"What's Wrong?" Xia hang asked.

Qin Yu's eyes narrowed slightly, and his brows immediately furrowed.

Before Xia hang could continue to ask, Qin Yu said in a low voice, "Hit me."

"Ah?" Xia hang was instantly stunned.

"Hurry up and hit me, don't talk nonsense!" Qin Yu said angrily.

After saying that, Qin Yu took the lead to hold the golden light in his hand and threw a punch at Xia Hang!

This punch directly shattered Xia hang's chest! His entire body was sent flying!

Following that, Qin Yu held the golden light in his hand and said coldly, "Xia Hang, you still dare to ask me out alone, just because you are my opponent!"

Xia hang lay on the ground in extreme pain.

He kept spitting out blood from his mouth, looking extremely miserable.

With Xia Hang's strength, he was not Qin Yu's opponent at all. He did not even have the right to fight back!

Before Xia hang could react, Qin Yu had already walked over!

He grabbed Xia hang by the collar and threw him in a certain direction!

This direction was where the Purple Robe was hiding!

"Not good!" The Purple Robe's expression changed. He quickly stood up and disappeared from Qinggang Mountain at an extremely fast speed.

Only after he completely disappeared did Qin Yu put away the murderous aura on his body.

After making sure that there was no one around, Qin Yu pulled Xia hang up.

He placed his palm on Xia hang's chest and injected his qi/spiritual energy into it.

After a full ten minutes, the wound on Xia hang's chest eased up slightly.

"You... What's going on?" Xia hang couldn't help but ask angrily.

"I really thought you were going to kill me just now!"

Qin Yu looked around and said coldly, "You've been targeted by someone."

"What?" Xia hang's expression instantly changed.

Qin Yu stepped on the ground and said, "It's right here. Someone was hiding here just now."

"If I don't do this, you will definitely be exposed."

Xia Hang's expression immediately became a bit ugly.

If this matter was exposed, he would definitely die!

"Think about it, who is suspecting you?" Qin Yu frowned.

Xia hang frowned. He thought for a moment, then shook his head and said, "I don't know, I really can't figure it out."

Qin Yu said in a deep voice, “There’s no rush. Since they sent someone to follow you, I think they will definitely find trouble with you in the next few days. When that time comes, you will naturally know who it is.”

Xia hang frowned and said, “But... if I didn’t die at your hands, I’m afraid it wouldn’t make sense.”

This question, Qin Yu didn’t think of it.

He rubbed his chin and walked around, and then said, “If anyone asks, just say that you promised to give me a stalk of herbs, and I’ll spare your life.”

“At the same time, after you go to the Jingdu Martial Arts Association tomorrow, immediately find someone to collect the herbs and take the initiative to make trouble. Tell them about what happened tonight.”

Xia hang nodded and said, “Okay, I got it.”

“If there’s anything next time, I’ll look for you,” Qin Yu reminded him.

Xia hang grunted and agreed, “I understand.”

“Let’s get down to business.” Qin Yu sat on a piece of gravel.

Xia Hang said in a deep voice, “Today, the higher-ups found me for a meeting. This meeting is for you.”

“Oh?” Qin Yu raised his eyebrows and signaled Xia hang to continue.

Xia hang said, “They won’t make a move against you for the time being. I guess they’ll have to wait for Granny Qin.”

“As expected.”Qin Yu couldn’t help but sneer.

These higher-ups were quite cautious.

“That’s not the point.”At this time, Xia hang changed the topic.

“According to my probing today, these eight higher-ups can’t make a move personally.”

Then, Xia Hang told Qin Yu the whole story.

After Qin Yu heard it, his brows immediately furrowed.

These eight higher-ups, not only had no one seen them, they couldn’t even personally make a move. What was the reason?

“Maybe Granny Qin can know the secret,”Xia hang reminded.

Qin Yu took a deep breath and nodded, “En, since they can’t personally make a move, I’m still relatively safe for the time being.”

If those eight higher-ups made a move personally, Qin Yu probably had no chance of survival.

“Oh right, how is Granny Qin Now?”Qin Yu asked.

Xia hang said, “She shouldn’t wake up in a short period of time. According to the news, that palm almost took Granny Qin’s life.”

Hearing this, Qin Yu couldn’t help but sneer.

The one who made a move was a dao protector! His strength was even above that of a mighty figure. How could he be compared to a peak martial marquis?

“Alright, I understand.”Qin Yu stood up and said.

“You can go back. Remember, find out who is suspecting you as soon as possible.”

Xia hang nodded and said, “Alright, I understand.”

After parting with Xia Hang, Qin Yu turned around and left Mount Qinggang.

The next day.

Qin Yu left Jingdu with his handlebar moustache and rushed towards the Divine Medicine Pavilion.

He arrived at the Divine Medicine Pavilion. The moment he stepped through the door, countless pharmacists swarmed over.

“Elder Qin, you’re back!”A group of pharmacists rushed forward and protected Qin Yu in the middle.

“Qin Yu, you’ve been in the limelight recently.”At this moment, fifth elder also walked over.

Qin Yu smiled bitterly and said, “Fifth elder, don’t joke with me.”

“I’m not joking with you.”The fifth elder rolled his eyes.

“Back then, I saw that you were a talent, but I really didn’t expect that you could grow to this stage.”

Qin Yu laughed embarrassedly and then asked, “Oh right, where is Lord Pavilion Master?”

“I’ll wait for you at the Pavilion Master’s Building,” said the fifth elder.

Qin Yu grunted in gratitude and quickly walked towards the pavilion master’s building.

He came to the pavilion master’s building.

Qin Yu glanced at the handlebar mustache and said, “Wait for me here. I’ll come down later.”

The handlebar mustache impatiently waved his hand and said, “Alright, I got it. Don’t bother me anymore.”

His eyes looked around, full of cunning and greed.

Qin Yu couldn’t be bothered with him. He immediately stomped his feet and arrived at the pavilion master’s building.

At the edge of the Pavilion Master’s Building, the Pavilion Master and Jiang he were drinking tea.

Qin Yu walked forward quickly and bowed, “Greetings, pavilion master, and senior Jiang.”

“Sit.” The pavilion master waved his hand.

Qin Yu sat directly opposite the pavilion master and said with a smile, “Pavilion Master, what do you need me to do? Feel free to ask.”

However, the pavilion master did not pay attention to this question. Instead, he said indifferently, “The battle between you and the sky-devouring Python was truly earth-shattering.”

Qin Yu said with a bitter smile, "I'm currently worrying. Once the sky-devouring Python recovers, it will definitely attack again."

"I have no way to deal with the power of the martial saint that he controls."

When the pavilion master heard this, he could not help but laugh, "Then why don't You Run?"

Qin Yu smiled bitterly. "Run? I only need to win to see Yan Ruoxue. If I miss this opportunity, I don't know when I will be able to see her again."

When they heard this, the pavilion master and Jiang he could not help but look at each other and smile.

When he saw this scene, Qin Yu could not help but say with some surprise, "Pavilion Master, do you have any ideas?"

Chapter 773: Chapter 773, the method to obtain the power of a martial saint

Looking at the Pavilion Master and Jiang he's smiles, Qin Yu suddenly guessed something.

Could it be that they called him here for this matter?

"Senior Jiang he, do you have a way?" Qin Yu instantly became anxious.

"This matter is very important to me. You know that everything I do is to save Yan Ruoxue!"

“As long as I win against Xiao Hei, I can enter the Mystic Realm! At that time, I can see Yan Ruoxue!”

Jiang he glanced at Qin Yu and said, “Have you ever thought that if you really enter the mystic realm, you might never be able to come out again?”

“What if they work together to besiege you in the mystic realm? What will you do then?”

Qin Yu gritted his teeth and said, “I have my own ways! As long as I can find the mystic realm, I will definitely have a way!”

Seeing this, Jiang he could only nod and say, “It seems that you have made up your mind. I can’t say anything more.”

After saying that, Jiang he stood up.

He put his hands behind his back and said, “You should know about the heavenly secrets, right?”

“I know.”Qin Yu nodded.

“I tried to catch the heavenly secrets once and succeeded.”

This surprised Jiang he a little.

He looked at Qin Yu and said, “Capturing the heavenly secrets is a very difficult thing. You... .”

“I did manage to capture it.”Qin Yu said seriously.

Jiang he could not help but smile bitterly as a trace of admiration appeared on his face.

“Recently, the heavenly secrets had predicted that a martial saint would appear at the beginning of next year at the fire country’s Pyro.” Jiang he said.

“Martial Saint?” Qin Yu appeared to be somewhat puzzled.

Jiang he hummed and continued to say: “It’s almost the new year. In other words, it’s not far from the time that martial saint will appear.”

“So?” Qin Yu was even more confused.

Jiang he stared at Qin Yu and said: “Have you ever thought that the martial saint that the heaven’s secret has predicted is you?”

“Me?” Qin Yu pointed at his nose.

However, the current Qin Yu was still far away from becoming a martial saint.

“There are so many martial marquises at the peak of the Martial Marquis Realm in the world, how could it be me...” Qin Yu said with a bitter smile.

“They will definitely be the first to step into the Martial Saint Realm.”

“No.” Jiang he shook his head.

“Martial saints can no longer appear in this era. The first person to step into the martial saint realm will break this deadlock.”

“Therefore, many people are stuck at the perfect stage of the Martial Marquis realm and are unable to take another step forward, regardless of their talent.”

“This is the suppression of the Heavenly Dao! It has nothing to do with talent!”

When Qin Yu heard this, his eyes immediately widened.

No wonder there were so many geniuses in this era, but none of them had stepped into the Martial Saint Realm!

It had been many years since a new martial Saint had appeared!

“Senior Jiang He, why do you think it’s me?” Qin Yu asked with a frown.

Jiang he said indifferently, “I feel it.”

“I feel the same way too,” the pavilion master said as well.

“Qin Yu, why don’t you focus on increasing your strength for the time being? As long as you step into the martial saint realm, even the Jingdu martial arts association will have to negotiate with you peacefully!”

“When that time comes, you can ask for people and even fight head-on with the Jingdu Martial Arts Association!”

Qin Yu frowned deeply.

If that martial saint was really him, then it would indeed be something to look forward to.

But... would Granny Qin give him time?

After they recovered from their injuries, they would definitely use the power of a martial saint to get rid of him!

“I don’t have that much time.”Qin Yu shook his head.

When Jiang he saw this, he looked at the pavilion master.

The pavilion master said in a deep voice, “If he can obtain the power of a martial saint, you can also obtain Qin Yu.”

“I can also obtain it?”Qin Yu looked at the pavilion master hurriedly.

The pavilion master nodded and said, “That’s right. As long as you can find the power left behind by a martial saint, you can borrow the power of a martial saint.”

When he heard this, Qin Yu could not help but smile bitterly and said, “It’s not that easy to find the power left behind by the martial saint...”

“Of course it’s not that easy.”The pavilion master smiled and said.

When he said this, the pavilion master changed the topic and continued, “But it’s not that difficult.”

Qin Yu looked at the pavilion master eagerly and waited for him to continue.

The pavilion master continued, “Many of the aristocratic families left behind will have the power of the martial saint. Moreover, there are quite a number of such aristocratic families.”

Qin Yu quickly looked at the pavilion master and said, “Pavilion Master, don’t Keep Me in suspense. You must know where the aristocratic families left behind are, right?”

The pavilion master smiled lightly and said, “That’s right.”

After he finished speaking, the pavilion master took out a business card and placed it on the table.

On the business card was written a name: Xue Yuzhi.

This name was rather unfamiliar, Qin Yu had never heard of it before.

He took the business card and frowned, "Pavilion master, how come I've never heard of the Xue Family?"

"Because the Xue family has long moved abroad," said the pavilion master.

She pointed at the business card and said, "Xue Yuzhi is my good friend. Her father needs a kind of pill, called the concentric pill."

"This kind of pill is a genuine heaven rank pill. Xue Yuzhi has begged me many times, but I never agreed to it because I don't have the formula for the concentric pill at all."

Upon hearing this, Qin Yu quickly understood.

"You said you wanted me to help you refine the Unity Pill, right?" Qin Yu grabbed the business card and said.

The pavilion master nodded and said, "That's right. If you can refine the unity pill for the Xue family, I think they will give you the power of a martial saint."

Qin Yu took the business card and stood up immediately.

Then, he said with some excitement, "Pavilion master, Thank You!"

The pavilion master continued, “Don’t be happy too early. The power of a martial saint is of great significance. They might not be willing to give it to you. Therefore, you still need to do it yourself.”

“Pavilion Master, the possibility of obtaining the power of a martial saint is already worth my hard work.” Qin Yu’s eyes were extremely determined.

“Alright.” The pavilion master nodded.

“You will leave on time in three days. I will inform the Xue family to pick you up.”

Qin Yu nodded vigorously and said, “Pavilion Master, I, Qin Yu, will never forget your great kindness. I...”

“That’s enough.” The pavilion master did not seem to like hearing these things.

She waved her hand and said, “You can go down now.”

Qin Yu coughed dryly and then said with an embarrassed smile, “Then, pavilion master, Please Rest.”

After he had finished speaking, Qin Yu greeted Jiang he and jumped down from the pavilion master’s building.

After Qin Yu had left, Jiang he poured a cup of tea and said with a smile, “Do you really think Xue Yuzhi will give the power of the Martial Saint to Qin Yu?”

“I don’t know.” The pavilion master shook his head and said.

“Even if Xue Yuzhi really refused, it would be good for him to go out and hide.”

Jiang he could not help but stroke his beard and said with a smile, “You really put in a lot of effort.”

The pavilion master smiled faintly and said, “I believe in Qin Yu. He will definitely be able to obtain the power of the martial saint.”

“I don’t think it’s possible.” Jiang he shook his head and said.

“You should know what the power of the martial saint means. Not all clans can be compared to the Jingdu Martial Arts Association.”

The pavilion master smiled and said, “Why don’t we make a bet?”

“What Bet?” Jiang he asked.

The pavilion master said faintly, “If I win, you will teach the nine secrets of Taoism to Qin Yu. How about that?”

Chapter 774: Chapter 774, Jiang he’ s disciple

Upon hearing this, Jiang he immediately hesitated.

The nine secrets was Jiang he’s ultimate technique.

In the entire world, not many people knew this technique.

Even the Jingdu Martial Arts Association didn’t have any records of the nine secrets!

And the reason why Jiang he could be known as the number one person in the world was precisely because of the nine secrets!

“What, you can’t bear to?”The pavilion master smiled and poured a cup of tea for Jiang he.

Jiang he sighed slightly and said, “I originally planned to wait until after I die before I spread the nine secrets.”

“After death? The life and death of a person is not something that can be controlled by oneself.”The pavilion master shook his head.

Jiang he was stunned, then he laughed loudly and said, “That makes sense! Alright, then I’ll bet with you!”

“It’s a deal.”

...

At this time, Qin Yu had already jumped down from the Pavilion Master’s building.

And the handlebar mustache had disappeared to who knows where.

Qin Yu couldn’t help but curse inwardly, “If this bastard were to dig up the pavilion master’s ancestral grave, it would be troublesome!”

Helpless, Qin Yu could only release his spiritual sense to search for the handlebar mustache.

“Qin Yu.”

At this moment, a voice came from behind Qin Yu.

Turning around, he saw a girl standing behind Qin Yu.

And she was no other than peaches.

Peaches' face had a hint of surprise, but underneath the surprise was a hint of shyness.

“Peaches?” Qin Yu couldn't help but be a little surprised.

Since the last time they parted, the two of them hadn't seen each other for a long time.

Therefore, Qin Yu temporarily put down his mustache and went to a pavilion with peaches to sit down.

Peach poured a cup of tea for Qin Yu and then asked, “Qin Yu, have you heard from Yao Qing recently?”

Qin Yu shook his head and sighed, “No.”

Speaking of which, Qin Yu really missed this guy a little.

His despicable expression always flashed in Qin Yu's mind.

“Last time when he left, he said that he would either die outside or become famous.” Peach grabbed the corner of his clothes.

“Now that your reputation has become famous, almost everyone in the world has heard of your deeds, but Yao Qing has never returned. I'm afraid...”

Qin Yu's face darkened.

He raised his head to look at Tao Zi and said, “Do you think Yao Qing is involved?”

“I’m just worried that his talent is not high, and he’s alone again,” tao zi said.

“Moreover, everyone knows about his relationship with you. After your accident, there were quite a number of people who came to look for him.”

Qin Yu’s expression immediately turned ugly, and for a moment, he even felt uneasy.

To Qin Yu, there were not many people in this world who were important to him. Yao Qing was one of them.

“Qin Yu, don’t worry too much. I’m just guessing.”Tao Zi saw the situation and quickly comforted him.

Qin Yu couldn’t help but stand up. He couldn’t help but curse in his heart, “I should have gone to look for him earlier.”

“You can’t find him even if you look for him. He’s determined to go out and make some achievements,” peach consoled.

“This is his own choice. Perhaps... Perhaps this will make him happier.”

Qin Yu was speechless.

That’s right. Everyone would choose their own path, and only the path they chose would be willingly.

“I’ll think of a way to find him,”Qin Yu said.

Tao Zi nodded and said, “Mm.”

After some small talk, they learned that Tao Zi had also become an elder of the Divine Alchemist Pavilion.

Her talent in alchemy was extremely high, and after Qin Yu’s accident, the pavilion master had personally taken care of her. This also allowed her alchemy skills to improve at a rapid pace.

“Qin Yu, I’ll Follow You Back to the Jade Moon Villa in the future,” Tao Zi said.

Qin Yu reached out and touched Tao Zi’s head, saying, “Okay, I have the same intention.”

When Qin Yu, the Jingdu Martial Arts Association, and the various aristocratic families fought head-on, countless people would be injured.

And peach would be of great use.

After parting with peach, Qin Yu used his spiritual sense to search for the handlebar moustache.

Soon, Qin Yu found the handlebar moustache on the back mountain of the Medicine God Pavilion.

He saw that the handlebar moustache was already filled with tools, and he was working hard to dig something out.

Qin Yu rushed over and kicked his butt from behind, causing him to fall to the ground.

“What are you doing!” Qin Yu scolded.

The handlebar mustache crawled up from the ground. He stared at him and said, "Of course this venerable self is searching for treasures!"

"Don't F * cking dig up the ancestral grave of Lord Pavilion Master!" Qin Yu scolded.

The handlebar mustache pointed at the ground and said, "This isn't an ancestral grave at all! It's a battlefield that was once left behind! Just like the immortal slaying sect!"

Hearing this, Qin Yu's eyes immediately lit up.

"Is what you said true?" Qin Yu said somewhat excitedly.

The moustache stroked his beard and muttered, "Of course, saying that it's the same as the immortal slaying sect is obviously a bit of an exaggeration, but there must be a babe."

Qin Yu rolled his eyes and said, "As long as it's not a grave, it's fine. If Pavilion Master blames you, you'll be in trouble."

"Don't worry." The handlebar mustache waved his hand.

Even though that was the case, Qin Yu was still a little worried.

Hence, he sat here and quietly watched the handlebar mustache to prevent any accidents from happening.

In the evening.

A young man suddenly appeared on the back mountain.

He took steady steps and slowly walked towards Qin Yu.

This person's body contained traces of killing intent. This killing intent was approaching Qin Yu.

Qin Yu narrowed his eyes and stood up to look at him.

Looking at the young man in front of him, Qin Yu felt somewhat unfamiliar.

"I don't seem to know you. Why do you want to kill me?" Qin Yu said coldly.

The young man ignored the young man's words and said, "Everyone in the world thinks that you, Qin Yu, are a top-notch genius. Some people even call you the number one genius, but I'm not convinced."

"So?" Qin Yu questioned.

"Before you appeared, master once said that I was the person who could change the world," the young man continued.

"But ever since you appeared, he changed his view."

"Qin Yu, did you know that you took away the glory that should have belonged to me!"

As he spoke, the young man's eyes turned scarlet, and his aura erupted!

"Late-stage Martial Marquis Realm?" Qin Yu's expression changed slightly when he sensed the young man's internal Qi.

The young man continued, "We are both in the late-stage martial marquis realm. Today, I want to see just how capable you are. Are you really what master said you are?"

“Who is your master?” Qin Yu asked with a frown.

“You will know after I beat you up!” The young man roared angrily, and the internal Qi all over his body completely exploded!

“Internal Qi! Internal Qi! Internal Qi! Internal Qi! Internal Qi! Internal Qi! Internal Qi!” A wave of power that swept through the entire area instantly spread out, and the terrifying aura shook the back of the mountain until it hummed!

Qin Yu’s expression changed again.

“This person’s strength is probably not weaker than mine,” Qin Yu said in shock.

Chapter 775: Chapter 775, news of Jingdu

Seeing the change in Qin Yu’s expression, the young man immediately became even crazier!

He laughed loudly and said, “Qin Yu! Why, are you very surprised? Do you think that you are the only one in this world? I, Jiang Yi, am not convinced!”

“Jiang Yi...” Qin Yu silently said this name and immediately guessed something.

“You are senior Jiang he’s disciple?” Qin Yu suddenly raised his head and asked.

Jiang yi shouted, “No need to ask. Let’s talk after the fight!”

After saying that, Jiang Yi strode toward Qin Yu!

Jiang Yi's moves were clean and neat. There was no fancy moves, only the purest power!

That incomparably fierce fist made Qin Yu a little absent-minded for a moment!

This Jiang Yi's style was actually somewhat similar to his own!

"Qin Yu, don't be so F * cking distracted!" The mustached man couldn't help but shout.

Qin Yu's expression changed. His fist instantly flickered with golden light, and then he raised his fist to meet it!

"Bang!"

The two fists collided, and it was as if Mars had collided with earth, causing the Earth to Rumble!

In an instant, the ground collapsed, and it was sent flying at any moment. The entire back mountain seemed as if it was about to be shattered!

The two fists collided, but for a moment, the victor couldn't be determined!

"Go to hell!" Jiang Yi roared again!

The two sides immediately launched the simplest and most extreme collision!

In the blink of an eye, the two sides had already exchanged dozens of punches!

Under this tremendous force, the ground had been completely shattered!
However, the two people still couldn't decide the winner!

The mustached man couldn't help but widen his eyes.

It was indeed shocking to have a physical body against a chaotic body!

“This person really has some ability,” the mustached man could not help but say in a low voice.

“Boom!”

At this moment, another fist collided!

This time, Qin Yu and Jiang Yi both took three steps back.

The difference was that Jiang Yi was already panting, while Qin Yu still looked calm.

He frowned slightly and said, “Jiang Yi, I'm not your enemy, and you don't need to compete with me.”

“Cut the crap!” Jiang Yi shouted crazily!

“I want to prove to everyone that I, Jiang Yi, am not inferior to you, Qin Yu!”

Qin Yu's frown became tighter and tighter.

Jiang Yi was Jiang he's disciple, so Qin Yu naturally wouldn't have the intention to kill him.

However, if there was no winner today, Jiang Yi would obviously not let it go.

“Alright.”Qin Yu took a deep breath.

“I’ll accompany you in a great battle,”Qin Yu said coldly.

Before he finished his words, Qin Yu’s internal Qi started to rise, and his golden radiance erupted to the maximum.

Jiang Yi sneered, “You’d better not hide your strength, or else... You’ll die here!”

“Stop!”

At this moment, Jiang he and the pavilion master suddenly stepped forward and blocked the two of them!

When he saw Jiang he, a trace of unwillingness flashed across Jiang Yi’s face!

“Master...”Jiang Yi clenched his teeth.

Jiang he turned to look at Jiang Yi and said in a deep voice, “Why do you insist on holding onto Qin Yu?”

Jiang Yi suddenly raised his head and shouted angrily, “Because I’m not convinced! I don’t think I’m inferior to him!”

“Master, I will definitely defeat him today. I will prove to you who is the one who has stepped into the Martial Saint Realm!”Jiang Yi roared crazily.

However, Jiang he shook his head and said, “Jiang Yi, let’s stop here. You are equally outstanding. I have never felt that you are inferior to anyone.”

“Then let me have a big fight with him and determine the winner!” Jiang Yi roared angrily and charged towards Qin Yu again!

However, this time, Jiang he stepped on a secret technique and instantly stood in front of Qin Yu. He raised his hand to receive Jiang Yi’s punch.

The deafening sound was deafening!

The dazzling light made people unable to open their eyes!

“Master!” Jiang Yi clenched his teeth as if he was extremely unwilling.

At this moment, Qin Yu took a step forward and shook his head, “Senior Jiang he, please satisfy him.”

Jiang he looked at Qin Yu and frowned slightly.

He was silent for a moment, then he sighed slightly and said, “Okay.”

Jiang he moved aside and stepped aside.

“Only today,” Jiang he said.

Jiang Yi didn’t say anything more. He clenched his fist and charged at Qin Yu again.

Although Jiang Yi was Jiang he’s disciple, his moves were completely different from Jiang he’s.

Compared to Jiang he’s elegance, Jiang Yi’s moves were extremely rough. Almost every punch was a collision of extreme power.

Qin Yu no longer restrained his internal Qi. His moves were open and unrestrained. Golden Light illuminated the world, and he fought with an undefeatable posture.

This battle lasted from day to night. Jiang Yi gasped for breath and vomited blood many times, but he still didn't give up.

Even Qin Yu was slightly moved by such a posture!

Both of their bodies were covered in blood, but their Qi and blood didn't show any signs of weakening. Instead, they became braver as they fought.

The Pavilion Master couldn't help but frown and said, "Your disciple is a bit stubborn."

Jiang he sighed slightly and said, "Yes, this is his strength and also his weakness."

"If we don't guide him, he might walk another path."The pavilion master was a bit worried.

Jiang he kept silent. He naturally understood this reasoning.

All these years, he had been guiding him.

The battle was still going on. It seemed that both sides would only give up if one of them fell.

"Although Qin Yu didn't hide his strength, he didn't use his spells to oppress Jiang Yi,"the mustached man said in a low voice.

He knew very well that Qin Yu had a secret technique. If it was really a battle of life and death, Jiang Yi would have fallen long ago.

What Qin Yu did was to use the purest power to fight.

“Boom!”

Finally, in the early morning of the next day, Qin Yu punched Jiang Yi’s chest with his golden fist.

Jiang Yi’s body was smashed into the ground, and there were many bloody marks on his body.

He wanted to stand up, but he found that he couldn’t. The bones in his body were almost shattered.

“AH...” blood kept pouring out of Jiang Yi’s mouth, but his fighting spirit didn’t decrease.

Qin Yu’s body was bathed in fresh blood. The bright red and golden color merged into one.

Qin Yu walked in front of Jiang Yi and said with his head lowered, “Jiang Yi, I admire you very much. I’m not your enemy.”

Jiang Yi gritted his teeth and said with difficulty, “Qin Yu... Sooner or later, I will kill you...”

Qin Yu did not say anything more. He looked at the pavilion master and said, “Lord Pavilion Master, I’ll have to trouble you with his injuries.”

The pavilion master nodded and said, “Yes.”

Then, Qin Yu said, "I have to return to Jingdu. I have something to take care of."

"Now?" The pavilion master's brows were slightly furrowed.

She looked at the fresh blood on Qin Yu's body and seemed somewhat worried.

Qin Yu wiped the blood off his body and smiled. "I'm fine. It's just a superficial injury."

Seeing this, the pavilion master didn't say anything more.

Then, Qin Yu walked quickly to the handlebar mustache.

"There's news from Jingdu," the handlebar mustache said.

Qin Yu took the phone and looked at the content on the phone.. Qin Yu frowned slightly.

Chapter 776: Chapter 776, the soul was destroyed

The message on the phone was from Xia Hang.

He told Qin Yu an important piece of news, and this news was related to the imprisonment of Yan Ruoxue!

"The person who suspects me is the purple-robed Chen Huang," Xia Hang said on the phone.

"As far as I know, the person who took Yan ruoxue away from the prison that day was Chen Huang."

Looking at this news, Qin Yu could not help but take a deep breath.

“Chen Huang...”Qin Yu muttered softly, and then the corners of his mouth curled up into a cold smile.

This meant that as long as they found Chen Huang, they would be able to know where Yan Ruoxue was being held.

Thus, Qin Yu looked at the handlebar mustache and said, “Return to Jingdu immediately.”

“The injuries on your body... are they really not serious?”The handlebar mustache furrowed his brows tightly.

At this moment, Qin Yu looked extremely terrifying. The blood stains all over his body almost made it impossible for him to see his appearance.

“It’s just a minor injury. Let’s hurry up and leave.”Qin Yu frowned and said.

Then, the two of them rushed back to Jingdu.

Qin Yu simply changed his clothes and prepared to go look for Chen Huang.

At night.

Chen Huang sat in his mansion as usual.

On this day, there were many guests in his mansion.

Among them were the purple robe who followed Xia hang that day, as well as the black and Gold Robe Yan Guiyi and the others!

“Mr. Chen, that Xia hang almost died at the hands of Qin Yu that day. He... He can't be having an affair with Qin Yu, right?” A purple robe asked.

“Indeed, Xia Hang is now the president of the Jingdu Martial Arts Association. His status is noble. Why should he have anything to do with a person like Qin Yu?”

At this time, Yan Guiyi could not help but grit his teeth and said, “When Granny Qin recovers, that Qin Yu will definitely die! No matter how stupid Xia Hang is, he can't get involved with Qin Yu!”

Chen Huang snorted and said, “It doesn't matter whether he has a relationship with Qin Yu or not. What matters is how to make him abdicate.”

As soon as he said this, everyone in the room fell into silence.

“Yan Guiyi, I will let you control black gold robe as soon as possible,” Chen Huang said lightly.

“As long as purple robe and black gold robe disagree with Xia hang, he will have to step down.”

A hint of excitement flashed across Yan Guiyi's face. Then, he hurriedly nodded and said, “Thank you, Mr. Chen!”

Chen Huang glanced at purple robe and said, “When I become the president, Purple Robe will be led by you.”

“At that time, in the entire Jingdu martial arts association, other than the higher-ups, we will be the ones in Charge!”

The purple robe was overjoyed and thanked him profusely.

Obviously, Chen Huang knew how to win people's hearts.

“That Xia Hang is just a tool to communicate with the outside world. Does he deserve to be the President?” Chen Huang snorted.

“That's right. Before Qu Xie died, his position was even lower than mine. Now, he is suppressing me. It really makes me unhappy!” Yan Guiyi said resentfully.

Chen Huang smiled and said, “Don't worry. After Xia hang leaves the stage, I won't let him off easily.”

“TSK TSK, I really didn't expect that the inner circle of your Jingdu Martial Arts Association would be so exciting.”

At this moment, a voice suddenly sounded.

The expressions of the few people changed, and they all looked toward the direction of the door!

They saw Qin Yu slowly walking over, and then sitting down next to Yan Guiyi.

Yan Guiyi's expression changed. He stood up and wanted to leave.

“Mr. Yan, don't be in such a hurry to leave.” Qin Yu reached out and patted Yan Guiyi's shoulder.

“Qin Yu, don't... Don't do anything reckless,” Yan Guiyi said with some fear.

“Reckless?” Qin Yu raised his eyebrows. Then, he suddenly grabbed Yan Guiyi’s arm. He exerted force with his hand and broke Yan Guiyi’s arm!

“Is this fooling around?” Qin Yu sneered.

Yan Guiyi grimaced in pain and broke out in cold sweat, but he didn’t dare to say a word.

“Qin Yu, how do you know this place?” Chen Huang asked with narrowed eyes.

Qin Yu glanced at Chen Huang and poured himself a cup of tea.

“What do you think?” Qin Yu took a sip of tea and asked with a faint smile.

Chen Huang narrowed his eyes and snorted, “Xia Hang told you that?”

“That’s right.” Qin Yu nodded.

Chen Huang was stunned.

He did not expect Qin Yu to admit it so directly!

“This Xia Hang... really betrayed the Jingdu Martial Arts Association!” Chen Huang said coldly.

Qin Yu said with a faint smile, “A good bird chooses a tree to roost in. The Jingdu Martial Arts Association’s fate is over. Xia hang just made the right choice.”

“Qin Yu, don’t be arrogant!” The purple-robed man said angrily.

Qin Yu looked at him coldly and said, "It was you who followed Xiahang that day, wasn't it?"

"You... you discovered me?" The purple-robed man's expression immediately changed.

Qin Yu said sarcastically, "Your ability to hide is too clumsy. It's difficult for me not to discover you."

"So... you deliberately put on an act for us to see?" Chen Huang asked with a cold face.

"That's right." Qin Yu smiled faintly.

Chen Huang could not help but sneer when he heard that. "You admitted it very straightforwardly."

Qin Yu raised his eyebrows. "Guess why I told you all these things?"

"Why?" Chen Huang asked.

"Because you're going to die soon. Dead people can always keep their secrets," Qin Yu said faintly.

Hearing this, the purple robe next to Chen Huang shouted, "Arrogant! Do You Think You're Invincible? No one dares to threaten us, purple robe!"

After saying that, he actually walked straight towards Qin Yu!

A sharp blade condensed in his palm and pierced straight towards Qin Yu's chest!

Qin Yu did not Dodge or Dodge. He allowed the sharp blade formed by his Qi force to Pierce towards him!

“Clang!”

At the instant of contact, the sharp blade was directly shattered!

And this purple robe was even forced back four to five steps!

“How could this be!” The Purple Robe’s expression changed greatly!

Qin Yu sneered, “The famous purple robe, is that all you have?”

Before he finished speaking, Qin Yu’s figure suddenly disappeared!

In the next second, he arrived in front of this purple robe!

The purple robe only felt a golden light covering his eyes. In the next second, his head and spiritual sense were directly crushed!

He was killed in one hit!

The purple robe of the Jingdu martial arts association was actually unable to fight back!

This immediately made Chen Huang and Yan Guiyi’s expressions change drastically!

“Qin... Qin Yu, this has nothing to do with me. I... I didn’t hear anything...” Yan Guiyi said with a slight tremble.

Qin Yu glanced at him and said, “Yan Guiyi, I had forgotten about you. Why do you have to get involved in this mess?”

Just as Yan Guiyi was about to speak, Qin Yu slapped him in the air!

His head and spiritual sense exploded instantly!

Then, Qin Yu's gaze fell on Chen Huang.

Chen Huang's body tensed up. He pretended to be calm and said, "Qin Yu, what are you trying to do?"

Qin Yu ignored him and asked, "You were the one who took Yan ruoxue away that day, right?"

Chen Huang's expression changed and he hurriedly explained, "I was just following the orders of the higher-ups..."

Qin Yu waved his hand and said, "I'll give you a chance. Tell me where you took Yan Ruoxue."

Chen Huang was stunned. He asked tentatively, "Can I tell you... in exchange for my life?"

"No." Qin Yu shook his head.

Chen Huang said coldly, "Then why should I tell you?"

Qin Yu grinned and said, "Because I can leave your divine sense behind.. You should know that if your divine sense is destroyed, your soul will be destroyed."

Chapter 777: Chapter 777, heading to the pavilion of divination

Chen Huang's expression changed drastically.

He subconsciously looked at the two people who had turned into skeletons beside him, and his forehead could not help but break out in cold sweat.

“F * ck you!”

At this moment, Chen Huang suddenly made a move. His hand flashed with light and headed straight for Qin Yu’s glabella!

Qin Yu was already prepared. He could not help but Snort coldly and immediately waved his hand, sending Chen Huang flying with a slap!

This slap was extremely powerful, almost breaking half of Chen Huang’s face bone.

Chen Huang fell to the ground in a sorry State!

“I don’t want to die. Please spare me...”Chen Huang was afraid.

In the face of death, everyone revealed their most vulnerable side.

Qin Yu looked down at Chen Huang and said, “Tell me, where did you bring Yan Ruoxue?”

Chen Huang hurriedly said, “I’ll tell you, I’ll tell you everything!”

“That day, Granny Qin asked me to bring Yan Ruoxue to the true martial arts room of the Jingdu Martial Arts Association. After I put her down, I chased us out.”

“I don’t know anything else. I only know that she was brought to the true martial arts room!”

Qin Yu frowned and said, “True martial arts room? where is that?”

Chen Huang hurriedly said, “It’s in a mansion in the depths of the Jingdu Martial Arts Academy! Ask Xia Hang, Xia Hang Knows!”

Qin Yu sized up Chen Huang and said, “You’re not lying to me, right?”

“I swear, I’m absolutely not lying to you!” Chen Huang hurriedly explained.

Qin Yu nodded. Then, a light flashed on his palm and directly shattered Chen Huang’s spiritual sense.

Since he suspected Xia Hang, then Qin Yu would never let him live.

Then, Qin Yu used the spiritual fire to finish off the Three Corpses and left in a hurry.

All the way back to Jingdu Martial Arts Academy.

Qin Yu took out his phone and called Xia Hang.

“Where is the true martial arts room?” Qin Yu went straight to the point.

Xia hang said, “The true martial arts room? That is an important place of Jingdu Martial Arts Academy. I have never seen it before.”

Qin Yu was silent for a moment and said, “How should I go in?”

Xia hang smiled bitterly and said, “Even I don’t have the qualifications to go in...”

Qin Yu took a deep breath and thought to himself, “I have to find an opportunity to sneak in and take a look.”

After he hung up the phone, Qin Yu calculated the time.

There was still one day left before the time the pavilion master mentioned.

Therefore, Qin Yu was not in a hurry. He brought his handlebar mustache out and planned to buy a space artifact.

“Spatial artifacts are not common items. If you want to buy them, I’m afraid you can only go to the pavilion of Heavenly Secrets,” said the handlebar moustache.

“Pavilion of Heavenly Secrets?” Qin Yu frowned slightly.

Not long ago, Qin Yu had offended the young master of the pavilion of heavenly secrets. If he went to the pavilion of Heavenly Secrets Now, he would definitely be in trouble.

“Other than the pavilion of heavenly secrets, is there no other place to buy them?” Asked Qin Yu.

The Mustache Man shook his head and said, “It’s very difficult, unless you’re looking for it at an auction, but there aren’t any auctions in the near future.”

Qin Yu thought for a while and said, “Forget about him. Maybe Luo Yang isn’t here at all.”

Thus, Qin Yu left the Jingdu Martial Arts Academy with the Mustache Man and rushed toward the pavilion of heavenly secrets.

The entrance of the pavilion of heavenly secrets was very imposing. The door was shaped like a statue of a dragon and a tiger fighting. Looking in from the entrance, it was dark.

Standing at the entrance, one could feel the pressure emanating from it.

Above the entrance, there were a few big words: Pavilion of heavenly secrets.

“This is the pavilion of Heavenly Secrets,”Qin Yu said in a low voice.

The mustached man licked his lips and said, “There are countless babe here.”

Qin Yu said jokingly, “Why don’t you come here to search for Babe?”

“Come here ? Do you know what is searching for the Babe ? Searching for the Babe is searching for the treasure. There are experts here, so I can’t find anything here.”The Mustache Man rolled his eyes.

Qin Yu couldn’t help but laugh when he heard that.

There were a number of luxury cars parked at the entrance of the pavilion of heavenly secrets.

One of the cars attracted Qin Yu’s attention.

It was a Maybach with a capital plate number, and Qin Yu was quite familiar with it.

“A car from the Yan Family ?”Qin Yu frowned slightly.

As he was speaking, Yan Sihai walked out from the pavilion of heavenly secrets.

Beside him was a peak-stage martial marquis.

After seeing Qin Yu, Yan Sihai was stunned, and then he sneered, “Qin Yu ? Long time no see.”

Qin Yu also sneered, “Yeah, I thought you were dead.”

Yan Sihai raised his eyebrows and said with slight sarcasm, “What? You haven’t rescued Yan Ruoxue yet? If you don’t bring her out, her blood will probably be sucked dry.”

Hearing this, Qin Yu’s face suddenly changed, and a burst of killing intent burst out!

Feeling this killing intent, Yan Sihai unconsciously took a step back.

And the peak-stage martial marquis beside him quickly stepped forward and blocked in front of Yan Sihai.

Qin Yu said coldly, “Yan Sihai, Yan Ruoxue is your niece after all. Not only are you not in a hurry, but you’re even proud of her being taken away. Your skin is really thick.”

Qin Yu paused for a moment and continued, “But that’s true. You can even be ruthless to your own biological father, let alone your niece.”

Yan Sihai said with a cold face, “Qin Yu, don’t think that I can’t do anything to you just because you have some achievements now. Remember what kind of society we live in now!”

Qin Yu also sneered and said, “Yan Sihai, if I want to kill you, even if you hire a bodyguard, it’s useless.”

Yan Sihai seemed to feel a sense of danger.

He snorted coldly, then turned around and left.

Looking at Yan Sihai’s departing back, Qin Yu’s eyes narrowed slightly.

“Sooner or later, I will take back the Yan family for Old Mister Yan,” Qin Yu snorted coldly.

Then, Qin Yu strode into the pavilion of heavenly secrets with his handlebar mustache.

The pavilion of heavenly secrets had all kinds of weapons and spiritual artifacts.

Some of these spiritual artifacts were purchased, and some were personally forged by them. Each of them was extraordinary.

“I hope I don’t run into that Luo Yang,” the handlebar mustache muttered.

But the truth was that what one was afraid of came true.

Not far away, Luo Yang was holding a folding fan and striding over.

“Hello, Young Master.” When the surrounding people saw Luo Yang, they all bowed to greet him.

“Damn, what bad luck!” The mustached man couldn’t help but curse.

Qin Yu pretended not to see Luo Yang and turned his head to the side.

“Qin Yu?”

But even so, he still couldn’t escape.

Luo Yang walked quickly to Qin Yu and said with some ridicule, “TSK tsk, isn’t this the famous Qin Yu? Why would a big shot like you come to my small pavilion of Heavenly Secrets?”

Seeing that he couldn’t hide, Qin Yu smiled and said, “Young Master Luo, we meet again.”

Luo Yang said sarcastically, “Yeah, I still remember the time you stole my babe.”

“Do you have that gourd with you?” Luo Yang raised his eyebrows and asked.

Qin Yu frowned slightly and didn't answer.

At this time, a few people walked over from Luo Yang's side and surrounded Qin Yu and the handlebar mustache.

“To be honest, I'm very interested in that gourd,” Luo Yang said faintly.

“If you're willing to hand over that gourd, you might be able to avoid the pain of suffering.”

Chapter 778: Chapter 778, the panicking pavilion of heavenly secrets

This was Luo Yang's territory, and it was practically a call to a hundred.

And the strength of the pavilion of Heavenly Secrets was clearly much stronger than he had imagined.

Qin Yu looked coldly at Luo Yang and said, “We are here to buy things, but you want to rob us by force. Who would dare to come to the pavilion of Heavenly Secrets in the future?”

Luo yang sneered and said, “Qin Yu, don't tell me you think that our pavilion of heavenly secrets relies on buying things to earn money? Could it be that your divine alchemist pavilion relies on selling medicine to earn money?”

“Aiya, young master Luo, I was wrong about that gourd. It’s a fake. I threw it away a long time ago.”The mustached man quickly jumped out to smooth things over.

Luo yang sneered and said, “Do you take me for a Fool? Cut the crap. Hand over the thing and I’ll spare your lives!”

The surrounding people quickly surrounded him.

In order to please Luo Yang, many people shouted one after another, “Young master Luo, Do you need our help?”

At a glance, dozens of people from the pavilion of heavenly secrets were standing by Luo Yang’s side.

Seeing this, Luo Yang became even more proud.

He said indifferently, “Qin Yu, as long as I say the word, I can let you die here!”

“Qin Yu?”Hearing this name, the faces of the people around changed.

Some people even had the intention to retreat and retreated one after another.

Qin Yu looked at Luo Yang coldly and said, “I’m giving you face. I’ll call you young master Luo. If I don’t Give You Face, you’re nothing.”

“Qin Yu, this is the pavilion of Heavenly Secrets!”The Mustache Man suddenly became anxious and gently pulled Qin Yu.

Qin Yu ignored him. He looked at Luo Yang coldly and said, “Luo Yang, I’ll give you one last piece of advice. I’m here to buy things, not to find trouble.”

Luo Yang said with a cold face, “You’ve already angered me. Qin Yu, I’m afraid this matter will be difficult today.”

After saying this, Luo Yang took a step back.

More than ten people immediately strode towards Qin Yu.

Qin Yu’s face became colder and colder, and the internal Qi on his body also erupted.

“Do it!” Luo Yang shouted.

As soon as he gave the order, someone immediately took the lead and rushed towards Qin Yu!

Qin Yu was not used to it at all. He waved his hand, and golden light rose in all directions. He directly sent him flying with a slap!

When the others saw this, their expressions changed drastically!

He sent a middle stage martial marquis flying with a slap. What kind of strength was this?

“Attack! Attack together!” Luo Yang shouted in exasperation.

These ten over people gritted their teeth and then rushed towards Qin Yu with large strides.

In an instant, spells rose in all directions, and light burst forth!

Countless spells rushed towards Qin Yu! They held the weapons gifted by the pavilion of heavenly secrets and were approaching Qin Yu’s vital point!

Qin Yu was not afraid at all. His moves were wide open and wide, and his undefeatable stance was terrifying!

His moves were simple and neat, only having an incomparably fierce fist.

And this fist contained an undefeatable might. With a punch, one person died!

Qin Yu fought against ten people alone. He was not at a disadvantage at all. His steel-like body forced back several people!

“Boom!”

An absolute beginning holy fist smashed out and directly shattered a person's body!

In just half an hour, these ten people all fell to the ground. Some were dead, some were injured. Almost no one could stop Qin Yu's footsteps!

The surrounding people were dumbstruck. They had only heard about Qin Yu's strength. After seeing it with their own eyes today, they were greatly shocked!

Luo Yang's face was filled with exasperation. He said angrily, “A bunch of trash! A bunch of trash!”

After saying that, he glared at Qin Yu and shouted, “Qin Yu, don't be arrogant. If my father didn't have something to do, he wouldn't let you be so arrogant!”

Qin Yu glanced at Luo Yang coldly, and suddenly slapped Luo Yang's face!

This Luo Yang's strength was not weak, but compared to Qin Yu, he was dwarfed!

Qin Yu's slap caused Luo Yang's head to buzz, and his vision started to see stars.

"You... you dare to hit me!" Luo Yang immediately flew into a rage!

Qin Yu said coldly, "You uneducated thing, today I will teach you for free on behalf of your father!"

After saying that, Qin Yu slapped Luo Yang's face again.

This slap was full of force, and it directly sent Luo Yang flying.

The surrounding people didn't dare to breathe loudly, and no one dared to make a sound.

"Qin Yu, you... You're finished!" Luo Yang said through gritted teeth.

Qin Yu couldn't be bothered with Luo Yang anymore.

He walked straight to an iron platform and examined it carefully.

There were many magical weapons and weapons placed on this iron platform, and they all looked extremely exquisite.

Some of the spiritual artifacts seemed to have not been dealt with in time. They looked rusty, but one could still feel that they were extraordinary.

Qin Yu casually picked up a spatial god artifact that looked like a ring and put it on his finger.

“I originally planned to buy a spatial god artifact, but your attitude made me very unhappy. This spatial God artifact will be taken as an apology from your pavilion of Heavenly Secrets,”Qin Yu said with a sneer.

Luo Yang was flustered and exasperated, but there was nothing he could do.

“Qin Yu, you’re finished, you’re finished!”Luo Yang could only sit on the ground and fly into a rage.

After Qin Yu took the spatial artifact, he turned around and left the Heaven’s secret pavilion.

Only after he walked out of the Heaven’s secret pavilion’s door did the mustache mutter, “You’re really fierce, running to the heaven’s secret pavilion to snatch something.”

Qin Yu snorted coldly, “Doesn’t he have to pay the price for attacking me? This spatial artifact is the price.”

After saying this, Qin Yu returned to the martial arts academy with his handlebar mustache.

Then, Qin Yu put the power of creation, Coffin, and other items into the spatial artifact.

“This picture will probably be targeted,”Qin Yu thought to himself.

The video of the battle with little black that day had long been leaked out. It was so big that there must be someone who knew the value of it.

And the person who could recognize this item must be very powerful.

“This is also good. I was just worrying about not having a golden core,”Qin Yu thought to himself.

After calculating the time, they should set off tomorrow.

Qin Yu and the handlebar mustache rushed to the airport that night.

On the other side, in the secret pavilion.

In the evening, as soon as the Pavilion Master of the secret pavilion, Luo Jingyu, returned to the secret pavilion, Luo Yang ran over crying.

“Dad, someone broke into the secret pavilion and injured our people! I also got two slaps on my face!”Luo Yang pointed at his own face and said with a face full of grief and indignation.

Luo Jingyu glanced at Luo Yang and said, “What did you do this time?”

“It’s not me who caused trouble! It’s that Qin Yu who is arrogant and conceited! He doesn’t put our pavilion of heavenly secrets in his eyes! and he even wants to steal our things!”Luo Yang said angrily.

Luo Jingyu obviously didn’t believe it at all. He poured a cup of tea and said indifferently, “If you don’t tell the truth, I Won’t care about you.”

Seeing this, Luo Yang had no choice but to bite the bullet and tell him the whole story.

After Luo Jingyu heard it, he couldn’t help but snort, “You don’t have much ability, and you still want to rob others? You Deserve It!”

“Dad, you can’t blame me for this. Even Yan Jinyao might not be his match with that Qin Yu’s strength, let alone me...”Luo Yang muttered in a low voice.

Luo Jingyu glanced at Luo Yang and changed the topic, snorting coldly, “He came to my secret pavilion to fight. Isn’t he looking down on me too much?”

“Yes, yes, yes! And that Qin Yu also snatched a spatial god weapon from our iron platform!”Luo Yang hurriedly said.

Hearing this, Luo Jingyu’s face immediately changed!

He hurriedly looked at Luo Yang and said, “Which spatial God Weapon?”

“It’s the ring that was placed in the iron platform...”Luo Yang whispered.

“You.... you said he took that ring? !”Luo Jingyu instantly looked as if he had lost his parents, and his face was extremely pale!

Chapter 779: Chapter 779, searching for the power of a martial saint

“That’s right, isn’t that just a broken ring? Why are you so nervous...”Luo Yang muttered in a low voice.

Luo Jingyu gritted his teeth and slapped Luo Yang’s face!

“Broken ring? Do you know that there’s a secret hidden in that spatial artifact? You Bastard!”Luo Jingyu said through gritted teeth.

“I spent a lot of effort to get that ring, and now it’s stolen because of you!”

Luo Yang covered his face and said in a low voice, “Then why don’t you go and get it back? Does he, Qin Yu, dare to Offend Our Pavilion of Heavenly Secrets?”

“If he was afraid of our pavilion of heavenly secrets, he wouldn’t have slapped you, you piece of trash!” Luo Jingyu said coldly.

“Let me tell you, if you can’t find that ring, I’ll break your legs!”

At this moment, Luo Yang also realized that something was wrong.

He said in a low voice, “Dad, then... then what should we do?”

Luo Jingyu took a deep breath and said, “We can only pray that he didn’t discover the secret of that spatial artifact.”

After saying that, Luo Jingyu fell into silence.

After a moment, Luo Jingyu sighed and said, “Calm him down first and apologize to him.”

“Take a few treasures and exchange it for the ring!”

...

At this time, Qin Yu and the handlebar mustache arrived at the airport early.

The Pavilion Master also sent Qin Yu the address.

Seeing this address, Qin Yu seemed to feel that it was somewhat familiar.

“Shengguo...”Qin Yu muttered in a low voice.

Qin Yu had been to this country before.

Back then, in order to treat Yang Jing’s father’s illness, Qin Yu had indeed made a trip there.

“What a coincidence.”Qin Yu thought to himself.

“I’ve already informed Xue Yuzhi. Whether or not you can obtain the power of the martial saint is up to you.”The pavilion master said in the text message.

Qin Yu picked up his phone.

He took a deep breath and said in a low voice, “No matter what, I must obtain the power of the Martial Saint!”

Qin Yu bought the latest flight and the two of them rushed to the Sheng Kingdom in the early morning.

Ten hours later.

The plane successfully arrived at the Sheng Kingdom.

After he got off the plane, Qin Yu took a deep breath and could not help but feel a little emotional.

“The last time I came to the Sheng Kingdom, I had just stepped into the path of cultivation. In the blink of an eye, so much time had passed.”Qin Yu could not help but sigh.

Thinking back, it had been a long time since he had seen Yang Jing.

In the past two years, Qin Yu had almost been cultivating and had not entered the secular world for a long time.

“I’m already here. If I have time, I’ll go visit the Yang family,” Qin Yu thought to himself.

At this time, the mustache pointed to a car not far away and said, “That car should be here to pick us up.”

Qin Yu looked over and saw a car with Qin Yu’s name written on it.

Therefore, the two of them immediately walked towards the car.

As soon as they approached, two people got out of the car.

They walked to the back and opened the car door. Then, they saw a woman in her twenties.

“You are Qin Yu?” The woman asked straightforwardly.

Qin Yu nodded and said, “Are you Miss Xue Yuzhi?”

“Miss?” The woman couldn’t help but cover her mouth and laugh.

“According to my age, you should call me Auntie.”

“Auntie?” Qin Yu couldn’t help but scratch his head.

But on second thought, since Xue Yuzhi was a friend of the pavilion master, she must be around the same age.

“Hello, Auntie Xue.” Qin Yu quickly changed his words.

Xue Yuzhi smiled and said, "Get in the car."

Qin Yu did not waste any time and immediately got into the car with his handlebar mustache.

After getting into the car, Xue Yuzhi sized up qin yu and sighed, "Your Pavilion Master is full of praise for you. He said that your alchemy skills are not inferior to hers."

Qin Yu quickly waved his hand and said, "That's too exaggerated. How can I be compared to the Pavilion Master?"

"Don't be too modest. She also said that you would become the first martial saint in the world." Xue Yuzhi continued.

Qin Yu could not help but stick out his tongue.

The first martial saint?

Qin Yu had heard these words one after another in the past two days.

"Oh right, do you know how to refine the Unity Pill?" At this moment, Xue Yuzhi suddenly asked.

Qin Yu said, "It shouldn't be a problem. Auntie Xue, May I ask, what is the effect of this unity pill?"

Hearing this, a trace of doubt flashed across Xue Yuzhi's face.

Qin Yu explained, "Because I came in a hurry, I didn't make any preparations. But don't worry, since I'm here, I'll definitely give you a satisfactory explanation."

Seeing this, Xue Yuzhi nodded and said, “My father was poisoned a few years ago. This poison is extremely strange. It’s said that only the concentric pill can cure it.”

“Over the years, we have tried many methods, but all of them failed. So, we put all our hopes on the concentric pill.”

“Detoxification...”Qin Yu nodded silently.

Normally, detoxification should not be difficult.

But with the Xue family’s ability, they must have tried the ordinary pill.

Since it did not work, it was enough to show that this kind of poison was not simple.

“How is it? Is It Okay?”Xue Yuzhi asked.

Qin Yu quickly nodded and said, “No problem.”

At this point, Qin Yu suddenly thought of the martial saint’s power.

Thus, Qin Yu said, “Aunt Xue, may I ask, I heard that your Xue family has the power of the martial saint. Is that true?”

Xue Yuzhi did not avoid this question.

She smiled and said: “That’s right. It is precisely because we have the power of a martial saint that our Xue family has been able to stand firm in the Sheng Country.”

“Otherwise, I am afraid we would have been eaten long ago.”

Qin Yu frowned and said: “From what you said... . . . The Sheng country is very dangerous ?”

“Yes.”Xue Yuzhi nodded.

“The Sheng country is not very big and its management skills are very poor. That is why many organizations have been stationed here.”Xue Yuzhi explained.

Qin Yu asked a little puzzled: “Since it is so dangerous, why did you all come to the Sheng Kingdom ? Why did you not stay in the fire country ?”

Xue Yu Zhi’s expression changed slightly and she said in a deep voice: “We have enemies and we had no choice but to come to the Sheng Kingdom. Otherwise, who would be willing to leave their hometown ?”

“In any case, do not ask about things that you should not ask.”

Seeing that Xue Yu Zhi’s tone was not friendly, Qin Yu did not continue to ask.

The car sped along and soon arrived at the Xue family.

Just like the Yang family, the Xue family also owned a manor, and this manor was even more magnificent than the Yang family.

The entire border was built with city walls, almost like a small city.

After arriving at the Xue family, Xue Yuzhi asked someone to arrange a room for Qin Yu.

“You can stay here temporarily. I’ll inform you when I look for you,”Xue Yuzhi said.

Qin Yu nodded and said, “Aunt Xue, there’s no time to lose. I hope you can hurry up.”

For Qin Yu, time was of the essence.

Just as Yan Sihai said, Every Minute Qin Yu delayed, Yan Ruoxue would suffer more.

Chapter 780: Chapter 780, snatching the pill formula

Hearing Qin Yu’s words, Xue Yuzhi said with a faint smile, “There are some things that can not be rushed.”

After saying that, Xue Yuzhi looked at the door and said, “If there is anything, you can inform the people outside.”

Seeing this, Qin Yu could only nod.

After Xue Yuzhi left, Qin Yu and the handlebar mustache temporarily stayed here.

He released his spiritual sense to cover the surroundings and discovered that there were many martial artists in the Xue family.

However, these martial artists were not all top-notch. Instead, there were many weak ones.

For example, martial grandmasters, or even martial grandmasters.

“How can there be martial grandmasters in the Xue Family?” Qin Yu could not help but frown.

The difference in strength between the Xue family was a little big. Not only were there martial marquises, there were even martial grandmasters.

This simply did not make sense. A family with a martial marquis would definitely not look at Grandmasters in the eye.

Of course, Qin Yu did not think too much about it. After all, there might be geniuses in the Grandmaster realm.

In the blink of an eye, night arrived.

However, the Xue family did not make any movements, and no one came to inform Qin Yu.

This could not help but make Qin Yu a little anxious.

He stood up and walked to the door. He said politely to the person outside the door, "May I ask if Aunt Xue has come?"

"No," the person said expressionlessly.

Qin Yu said in puzzlement, "I'm here to refine pills for the Xue family. Why hasn't the Xue family made any movements?"

The person glanced at Qin Yu and sneered, "You're not the only one who refined pills for the Xue family. You'd better wait patiently."

Only then did Qin Yu come to a realization.

It turned out that the Xue clan had not invited him alone.

Those weaker grandmasters might have been the alchemists that the Xue Clan had invited.

“Looks like there is still a need for competition in this matter.”Qin Yu rubbed his chin as he thought to himself.

The Divine Alchemist’s Pavilion had gathered together the fire country’s most elite alchemists and Pyro Alchemists. But in the entire world, the Divine Alchemist’s pavilion was not the only one that was dominant.

Hence, it was normal for the Xue clan to have invited other alchemists.

“The Unity Pill... . . Have you heard of this pill before ?”Qin Yu asked as he looked at the handlebar moustache.

The handlebar moustache rolled his eyes and said: “You are an alchemist, and you ask me ? I have never heard of the Unity Pill before.”

Qin Yu said softly: “The Unity Pill is a heaven ranked pill. In the current era, most of the heaven ranked pill formulas have already been lost.”

What Troubled Qin Yu the most was that there was no concentric pill formula in his inherited memories.

That night, Qin Yu searched for an entire night, but he still could not find the concentric pill.

“Sorry for the trouble.”Qin Yu could not help but touch the tip of his nose.

If he did not have the concentric pill formula, then this trip was destined to be in vain. He could forget about the power of a martial saint.

At this moment, the sound of knocking came from outside.

In a short while, a man walked in.

“Who is Qin Yu?” He asked after entering the door.

Qin Yu stood up and said, “I am.”

“Follow me,” the man said.

Qin Yu did not hesitate. He immediately stood up and followed the man out of the room.

They arrived at a certain square in the Xue family’s manor.

At that moment, there were already dozens of people gathered in the square!

Qin Yu frowned and asked: “Why are there so many people? Could it be that they are all alchemists?”

“That’s right.” The man nodded and said.

“These people come from all over the world and they all claim to be able to concoct the concentric pill.”

Qin Yu swept his gaze over and discovered that among these people, not only were there people from the Yan country, there were also many foreigners with blonde hair and blue eyes.

“The Xue Clan has actually invited so many alchemists.” Qin Yu suddenly felt a sense of crisis in his heart.

With so many people, there was no guarantee that one of them would be able to obtain the pill formula of the heart synchronization pill.

He swept his gaze across everyone present and a vicious thought suddenly emerged in his heart.

That was to snatch the pill formula from these people's hands! In that case, the heart synchronization pill would not be a problem!

Although his thoughts were a little vicious, Qin Yu had no other choice.

Qin Yu must obtain the power of a martial saint.

“Wait here.” That man said these words and then left in a hurry.

Qin Yu stood there silently and waited quietly.

The people around him all had strange expressions on their faces. They looked as if they did not care about anyone and were incomparably arrogant.

They didn't communicate with each other at all. It was as if they were enemies.

Ten minutes later.

Xue Yuzhi and two men appeared in front of them.

The two men were Xue Yuzhi's brothers, Xue Yujie and Xue Yuchen.

The three of them stood on high ground and looked down from above. All they could see were alchemists.

“Thank you for coming all the way here,” Xue Yujie said.

“My father is in urgent need of a concentric pill. Whoever can refine the concentric pill will be rewarded handsomely!”

At this point, Xue Yujie stretched out three fingers and said, "I will only give you three days. After three days, I hope that you can bring the pill and gather here again."

"As for the herbs, you can directly go to the herb warehouse to collect them."

Everyone present bowed and said, "Mr. Xue, please rest assured."

Xue Yujie grunted in gratitude, then waved his hand and said, "Everyone, don't waste your time. Gather here on time in three days."

After saying this, the three people of the Xue family turned around and left.

Qin Yu looked at an alchemist beside him and said, "Do you really have the pill formula for the concentric pill?"

"It's none of your business!" The Alchemist glared at Qin Yu and turned to leave.

Qin Yu was rejected and could not help but feel a little awkward.

Many of the alchemists present rushed to the herbs warehouse, but Qin Yu was not in a hurry.

Without the pill formula in his hands, even if he went to the herbs warehouse, he did not know what to receive.

After returning to his residence, Qin Yu was troubled for a moment.

"How is it?" The mustached man came forward and asked.

Qin Yu smiled bitterly and said, “The Xue family has found at least dozens of alchemists, and I’m only one of them.”

“So Many?” The mustached man was also a little surprised.

Qin Yu nodded and said, “Yes. The most important thing is that I don’t have the formula for the heart-to-heart pill at all.”

“Then why are you here?” The mustached man said with his eyes wide open.

Qin Yu sighed and said, “We can only take it one step at a time. Maybe we can find another way.”

At this moment, Xue Yuzhi pushed the door open and walked in.

Qin Yu hurriedly got up and said, “Aunt Xue.”

Xue Yuzhi nodded slightly and said with a smile, “How is it? is the pill okay?”

Qin Yu opened his mouth and finally lied, “No problem. But... why did the Xue family invite so many pharmacists? Don’t tell me they all have the formula for the concentric pill?”

“No.” Xue Yuzhi shook her head.

“I told you, Shengguo is a country with very poor supervision. Many forces are stationed here.”

“Many people came because of the reputation. In these three days, they will certainly inquire about the news, find out who has the recipe for the concentric pill, and then snatch the recipe for the concentric pill.”

As soon as these words were said, Qin Yu was a bit surprised.

Wasn't this a coincidence? This thought really coincided with his own.

Chapter 781: Chapter 781, killing two people!

"In other words, someone is here for the pill formula?" Qin Yu raised his eyebrows and asked.

"That's right, so you have to be careful." Xue Yuzhi nodded with a smile.

She didn't know what Qin Yu was thinking. In her opinion, Qin Yu must have the pill formula.

"By the way, Aunt Xue, do you know who has the pill formula among these people? I want to know who my competitors are," Qin Yu lied.

Xue Yuzhi smiled and said, "Although there are many people here today, you only need to pay attention to two people."

"One is called Hou Xin, and the other is called Wen Sheng," Xue Yuzhi said.

Qin Yu silently memorized these two names and nodded. "Okay, Auntie Xue, I got it."

"Well, hurry up. You only have three days," Xue Yuzhi said.

After saying that, Xue Yuzhi got up and left.

After she left, Qin Yu couldn't help but sneer, "Snatching things? I'm the best at it."

Late at night.

The entire courtyard was silent.

And under this silence, there was an undercurrent surging.

Who knew how many people were filled with killing intent, preparing to snatch the formula for the Unity Pill.

Qin Yu got up and strode out of the house.

He restrained his internal Qi and carefully rushed towards Hou Xin's residence.

During the day, Qin Yu had already inquired about Hou Xin's residence, so it was not difficult to find Hou Xin.

He came all the way to Hou Xin's residence.

The moment he got close, Qin Yu felt several internal Qi surrounding him.

Qin Yu narrowed his eyes and could not help but sneer, "Looks like someone has already made a move."

Qin Yu looked at the door and found a few footprints.

Obviously, someone had already made a move.

He was not in a hurry to make a move. Instead, he waited silently nearby.

A few minutes later.

Hou Xin's door was easily opened by someone. Then, two martial marquises strode in!

Hou Xin, who was about to sleep, was suddenly startled. He hurriedly got up and said with some fear, "You... What are you doing?"

Hou Xin was not very strong. He was only at the peak of the Great Grandmaster realm.

Facing two martial marquises, he had no way to fight back!

"What are you doing? Hand over your concentric pill formula!" One of the martial marquises said coldly.

"Otherwise, today will be the day of your death!"

Hou Xin's face was pale. He said with fear, "I... I don't have the concentric pill formula! You... Don't act recklessly!"

"No? Bullsh * T! The outside world knows that you have the formula for the concentric pill!" One of the martial marquises shouted.

The other Martial Marquis took a step forward and grabbed Hou Xin's neck.

The huge force instantly made Hou Xin unable to breathe.

Blue veins bulged on his forehead as he said with a pained expression, "I... I really don't have the formula for the concentric pill..."

"You still want to argue? Fine! If you don't hand over the formula for the concentric pill today, then you can go to hell!" Wu Hou shouted sternly as the strength in his hands suddenly increased!

Under this tremendous force, blue veins bulged on Hou Xin's face, and his entire face turned red and swollen!

“TSK TSK, you want to kill someone just because you can't snatch something?”

At this moment, a voice entered their ears.

They turned around and saw that it was Qin Yu.

He sized up the two martial marquises in front of him and said, “Put them down.”

One of the martial marquises said coldly, “Who are you? I'm Warning You, you better mind your own business!”

Qin Yu sneered, “I told you to put them down.”

“I think you're courting death!” One of the martial marquises shouted angrily and then rushed towards Qin Yu!

The sharp claws in his hand were incomparably sharp, and directly headed towards Qin Yu's head!

Qin Yu coldly looked at this martial marquis, and then threw a punch.

“Boom!”

Just this punch, that Martial Marquis' Palm was instantly shattered!

Before he could speak, Qin Yu's Golden Palm had already slapped over.

“Crack!”

This slap directly smashed that Martial Marquis' head into pieces!

Qin Yu bent down and took out the golden pill from his stomach, then threw his body to the side.

The other Marquis Wu's face instantly turned pale. He let go of Hou Xin and said coldly, "Brother, you should also be here for the Unity Pill, right? Why don't we work together and force this kid to hand over the Unity Pill, how about it?"

Qin Yu touched his chin and muttered, "This is a good choice..."

"No... no..." Hou Xin panicked and looked at Qin Yu with a terrified expression.

"Cut the crap!" Marquis Wu slapped Hou Xin's face.

Then, he looked at Qin Yu and said with a smile, "Brother, I have many ways to torture people. I guarantee that I can get him to hand over the recipe for the Unity Pill!"

Qin Yu looked at Marquis Wu in front of him and said with a smile, "Your suggestion is good, but... I don't want to cooperate with you."

"You... What do you mean!" Marquis Wu's face suddenly changed!

Qin Yu said coldly, "I mean to kill you."

"How dare you! Do you know what kind of person I am!" Marquis Wu shouted.

"I am a member of the Purple Flame sect! If you kill me, I guarantee that you won't be able to leave Sheng Country!"

Qin Yu sneered, “What Bullshit Purple Flame sect? I fucking hate people who threaten me the most!”

After saying that, Qin Yu directly gave him a slap, directly smashing his head!

In the blink of an eye, he had killed two martial marquises. This kind of strength left Hou Xin dumbstruck!

He trembled slightly as he said, “Thank... Thank you...”

Qin Yu did not pay attention to him. He kept the two golden pills and then with a gentle wave of his hand, the door closed.

Qin Yu walked to Hou Xin and sat down. He said with a smile, “How about giving me the formula for the concentric pill? Of course, you can name the conditions.”

Hou Xin’s face changed. He said with a bitter smile, “Sir, I really don’t have the formula for the concentric pill...”

“You don’t?” Qin Yu raised his eyebrows.

“But it’s being spread outside. You have the formula, not to mention... with your strength, if you don’t have the formula for the concentric pill, why would you take this risk?”

Hou Xin was silent for a moment, then sighed and said, “To tell you the truth, I only have one substitute, which is also used to remove poison. What I want is to try my luck.”

“If my pill can only be used by Old Master Xue, then this trip will not be in vain. But I never thought that it would lead to a fatal disaster...”

Qin Yu frowned slightly.

He frowned and said, “Do you really not have the formula for the concentric pill?”

Hou Xin nodded vigorously and said, “I really don’t! But... that Wen Sheng seems to have it.”

“How do you know?” Qin Yu frowned and said.

Hou Xin stammered and said, “I also heard it from others.”

At this point, Hou Xin suddenly changed the topic and said, “You saved my life, so I owe you a favor. Although I don’t have the formula for the concentric pill, I can give you my substitute pill formula.”

Qin Yu raised his eyebrows and said in surprise, “Really?”

“Absolutely!” Hou Xin nodded and said.

Chapter 782: Chapter 782. So that’s how it is

“I, Hou Xin, have never owed anyone a favor! Please wait a moment, I’ll give you the Pill Formula Right Now!” Hou Xin hurriedly stood up and said.

Qin Yu did not refuse. He sat at the side and waited quietly.

About three hours later, Hou Xin came over with the pill formula.

“This is my substitute. It’s called the detoxification pill. It can almost remove all poisons!” Hou Xin said with confidence.

“But I’m not sure if the poison in Old Master Xue’s body can be removed.”

Qin Yu took the pill formula, stood up and said, “Thank you very much.”

“By the way, with your strength, it’s very easy for you to get yourself killed. Why Don’t you follow me to My Place?”Qin Yu suggested.

Hou Xin shook his head and said, “No, I prefer to live alone. Thank you for your concern.”

Seeing this, Qin Yu did not insist.

He nodded and left.

Then, Qin Yu rushed to Wen Sheng’s residence.

However, when Qin Yu arrived at Wen Sheng’s residence, his expression could not help but change!

He saw a corpse lying on the ground. His chest had been shattered, and it looked terrible!

Qin Yu’s expression immediately changed!

“Could it be that he is Wen Sheng? !”Qin Yu muttered in a low voice.

Before Qin Yu could think, a few people had already walked in from outside the door.

“How dare you! You actually dared to commit murder in the middle of the Night!”

Qin Yu turned around and saw that Xue Yujie was leading two Marquis Wu and looking at Qin Yu coldly.

Qin Yu frowned and said, "I didn't kill him, i..."

"If you didn't kill him, then why are you here? !"Xue Yujie shouted.

Qin Yu opened his mouth and felt something was wrong.

Oh No! Wen Sheng had been killed by someone before him!

Most importantly, this SH * T Pot was about to fall on his head!

"You actually killed Wen Sheng. What a vicious thought!"Xue Yujie said coldly.

Qin Yu said with a cold face, "I'll say it again. I didn't kill him!"

"Cut the crap. take him down!"Xue Yujie shouted.

After that, the two marquises strode toward Qin Yu!

Qin Yu's face was cold, and the internal Qi on his body was rising rapidly.

"What's going on?"

At this moment, Xue Yuzhi walked in.

Xue Yujie glanced at her and said, "This person killed Wen Sheng. He probably didn't want to take the prescription, so he killed him to silence him."

"Qin Yu?"Xue Yuzhi immediately frowned.

Qin Yu bowed and said, "Aunt Xue, I didn't kill him."

"You still dare to be stubborn? If you didn't kill him, why are you here?" Xue Yujie said angrily.

Qin Yu opened his mouth and was about to explain, but Xue Yuzhi shook her head and said, "Qin Yu was introduced by my friend. He can't lie."

"Impossible to lie? Yuzhi, don't be deceived by others," Xue Yujie said coldly.

Xue Yuzhi said in a low voice, "Brother, Wen Sheng is already dead. If you capture Qin Yu again, who will save father?"

Xue Yujie frowned slightly, as if he thought what Xue Yuzhi said made sense.

"Qin Yu, hurry up and declare your position!" Xue Yuzhi urged hurriedly.

Qin Yu looked at Xue Yujie and said in a deep voice, "Mr. Xue, I will definitely be able to refine the pill and Cure Old Master Xue."

"Also, I didn't kill the person."

Xue Yujie didn't care about Wen Sheng's life or death at all. As long as someone could refine the pill and one or two people died, he didn't care at all.

"Okay, I believe you for the time being," Xue Yujie said coldly.

"But I'm warning you, if I don't see the pill three days later, I will never let you go!"

After saying this, Xue Yujie turned around and left.

After he left, Xue Yuzhi hurriedly asked, “Qin Yu, what exactly happened?”

Qin Yu frowned and said, “I wanted to discuss the pill formula of the Unity Pill with him, but when I came, he was already dead.”

Xue Yuzhi asked in a deep voice, “Why did you come in the middle of the night?”

Qin Yu did not panic. He explained, “I went to find Hou Xin first and discussed it with him in the middle of the night, so I came late.”

Seeing this, Xue Yuzhi did not ask any more questions.

She nodded and said, “As long as I can refine the heart-to-heart pill, it doesn’t matter.”

Qin Yu grunted and said, “Aunt Xue, I understand.”

At this point, Qin Yu suddenly thought of something.

“Aunt Xue, do you know the Purple Flame sect?” Qin Yu asked.

“Purple Flame sect?” Xue Yuzhi frowned slightly.

“Why did you inquire about the Purple Flame sect for no reason?”

Qin Yu said casually, “It’s nothing. I just heard someone mention it before, so I just asked casually.”

Xue Yuzhi said in a deep voice, “The Purple Flame sect is a local force. It is very powerful. It has more than twenty martial marquises, and there is no lack of peak martial marquises among them.”

“With such strength, even our Xue family is unwilling to offend them.”

Upon hearing these words, Qin Yu immediately felt that something was amiss.

It was not that he was afraid of the Purple Flame sect. It was mainly because he was afraid that after he left, the Purple Flame sect would blame this on the Xue family.

“If I can obtain the power of a martial saint, I might as well make a trip to the Purple Flame sect.” Qin Yu thought to himself.

It was also a good opportunity to test out the power of a martial saint.

After bidding farewell to Xue Yuzhi, Qin Yu walked around the room again. He only returned to his residence in the middle of the night.

After he returned, Qin Yu took out the two golden cores.

The golden cores were emitting a dim light in the darkness.

Waves of dense qi/spiritual energy spread out.

Qin Yu took a deep breath and said, “This golden core is really a good thing. It would be great if I could get a few more.”

Thinking of this, Qin Yu suddenly had an idea.

He thought for a while and finally sneered, “It’s decided!”

Then, Qin Yu took out the pill formula given by Hou Xin and carefully studied it.

The herbs recorded in this pill formula were all quite common, and the refining method wasn't too difficult.

“Can this thing really dispel poison?” Qin Yu couldn't help but frown.

He pondered for a moment before putting the pill formula aside.

Following that, Qin Yu closed his eyes slightly and searched through his inherited memories for the pill formula for the dispel poison pill.

“There really is one!”

Very quickly, Qin Yu found the pill formula of the poison expelling pill in his inherited memories.

“HM?”

A few minutes later, Qin Yu frowned slightly.

The pill formula in his inherited memories seemed to be different from the pill formula that Hou Xin had given him.

The general medicinal herbs were basically the same, but there were a few herbs that were completely different.

Not only were the medicinal herbs different, their effects were completely opposite.

Qin Yu stared at the pill formula in his hand and immediately frowned.

A few minutes later, Qin Yu's brows relaxed.

He sneered, “So that’s how it is. I understand now...”
