

## My Rich Wife – Chapter 783 –

Chapter 783: Chapter 783, eighteen golden cores

He put away the pill formula and closed his eyes slightly, as if he was searching for something.

The next day.

The medicine storehouse opened on time. Many alchemists came to the medicine storehouse to collect the herbs, and Qin Yu was no exception.

As soon as he arrived at the Medicine Storehouse, Qin Yu met Hou Xin.

Hou Xin greeted him warmly, “Mr. Qin, are you also here to collect the herbs?”

Qin Yu smiled and said, “Yes, how was it? Did Anything Happen Last Night?”

Hou Xin scratched his head and said, “I don’t have the formula for the concentric pill in my hands. What could have happened?”

“Yes.” Qin Yu nodded slightly.

At this time, Hou Xin suddenly asked, “Mr. Qin, I heard that you killed Wen Sheng Last Night? How was it? Did you get the formula for the concentric pill?”

This voice was not loud, but it could reach everyone’s ears.

As soon as these words were said, countless people immediately turned to look at Qin Yu.

Their eyes were filled with intense killing intent and greed.

Seeing this, Hou Xin hurriedly covered his mouth and said in a low voice, “Did... did I say something wrong?”

Qin Yu generously waved his hand and said, “It’s nothing.”

Hou Xin nodded and said, “Then, Mr. Qin, I’ll go in first.”

Qin Yu grunted in gratitude, but he was not in a hurry to follow him in.

He stood at the door and could not help but glance at the crowd.

Everyone’s gaze also fell on Qin Yu.

Qin Yu’s eyes narrowed, and a trace of a cold smile could not help but appear on his face.

Among these people, there were only seven Marquis Wu, and the rest were all martial grandmasters and grandmasters.

Other than Marquis Wu, no one dared to Covet Qin Yu.

Qin Yu snorted lightly, and then strode into the warehouse of herbs.

While collecting the herbs, Qin Yu’s eyes unconsciously swept over the crowd.

He wanted to see what herbs these people were collecting.

Soon, Qin Yu realized that something was wrong.

The herbs these people were collecting seemed to be the same.

Not only were the herbs the same, even the quantity was almost the same.

“It really is like that,”Qin Yu thought to himself.

He completely confirmed the thoughts in his heart.

After receiving the herbs, Qin Yu turned around and left the herb warehouse.

That day, Qin Yu was not in a hurry to refine a pill. Instead, he sat cross-legged on the bed and closed his eyes to rest.

“TSK TSK, you are not in a hurry at all,”the mustached man said as he leaned forward.

Qin Yu opened his eyes and said, “Do you have any ideas? Can you help me find someone?”

The mustached man was stunned. He frowned and said, “Find someone? I do have a spell, but I also need something close to him, such as hair.”

“What if there’s nothing? Is there a possibility to find someone through divination?”Qin Yu asked.

The mustache man snickered, “You’re thinking too much. If you were an Almighty, you might be able to do it, but Marquis Wu... It’s impossible.”

Seeing this, Qin Yu could only nod his head.

At night.

The sky gradually darkened.

Everything in the world seemed to have fallen asleep, but at this moment, Qin Yu suddenly opened his eyes.

He stood up and swept his gaze outside the window, as if waiting for something.

Half an hour later, there was a sudden movement outside the door.

Then, waves of strange internal Qi surged over.

“It’s Here!” Qin Yu’s eyes burst with a bright light!

Before he could finish his words, the door of the room was suddenly shaken open by an internal Qi!

Then, several people walked in with big strides!

These people were all in the Martial Marquis realm, and they held all kinds of spiritual artifacts in their hands!

Their magical artifacts were all extremely exquisite, and their internal Qi was extraordinary.

Qin Yu swept his gaze over the crowd and said indifferently, “Everyone, why have you come to visit us so late at night?”

One of them stepped forward and said with a sneer, “Kid, don’t play dumb! Where’s the pill formula for the Unity Pill?”

“That’s right! You killed Wen Sheng, so you must have the pill formula in your hands! Hand over the pill formula and I’ll spare your life!”

Qin Yu sized up the people in front of him and said with a faint smile, “What if I don’t hand it over?”

“Don’t hand it over?” One of them laughed out loud.

“You’re already surrounded by us, how can you have a choice!”

Qin Yu raised his eyebrows and said, “Surrounded? With just the few of you?”

As he spoke, Qin Yu suddenly raised his palm and then clenched it with his fingers. Instantly, spatial barriers appeared around him one after another!

“Have you all heard of an idiom called ‘inviting a man into a trap’?” Qin Yu raised his brows and asked.

The expressions of these people changed slightly as they frowned and said, “What do you mean?”

Qin Yu sneered and said, “I deliberately released the news that the Heart United Pill formula was in my hands. My purpose was to trick you all into coming to our door.”

“Trick us into coming to our door?” Upon hearing this, the few of them immediately laughed out loud.

“That’s right. Of course, don’t misunderstand. I didn’t come here to obtain some secret technique from you. I just wanted to take your golden core for a use.” Qin Yu said with a faint smile.

“Kid, you are too arrogant!” Someone stepped forward and shouted.

“Do you think that you alone are a match for the seven of us?”

Qin Yu took a sip of water and said indifferently, “You don’t even have a peak-stage martial marquis. How dare you come here to cause trouble?”

Before he finished his words, the water in Qin Yu’s hand was suddenly splashed out!

This water contained Qin Yu’s powerful spiritual power. Its power could not be compared to even bullets!

“Bang Bang Bang!”

Just a few water droplets shattered the knees of several people!

“What a powerful force!” Everyone’s expression changed drastically!

“Everyone, attack together and kill him!” One of them shouted loudly.

He held a magic artifact in his hand and walked towards Qin Yu!

The Magic artifact in his hand flickered with light, and a terrifying power instantly spread out!

“Go to hell!” With the activation of the magic artifact, the terrifying power directly approached Qin Yu!

Qin Yu snorted coldly, clenched his Golden Fist, and threw a punch to meet it!

“Clang!”

A loud sound spread in an instant! The Magic artifact shattered with a sound!

“How... how is this possible!”

Before he could react, Qin Yu had already thrown a punch at him.

Just one punch had shattered his head!

Qin Yu bent down and took out the golden core from his dantian. Then, he wiped the blood stains with his sleeve.

“En... I have almost ten golden cores,”Qin Yu said indifferently.

Their faces immediately became extremely ugly! Some people even had the intention to retreat and planned to escape!

However, Qin Yu had already set up a spatial barrier, how could he let them escape!

“Since you are here, then stay!”Qin Yu shouted coldly and immediately stepped forward!

In an instant, golden light rose up everywhere! The entire room wailed continuously!

In just a short ten minutes, there were seven more corpses in this room!

Qin Yu dug out their Dantian and dug out their golden cores.

“Including these few people, I already have eighteen golden cores..”Qin Yu had a satisfied look on his face.

Chapter 784: Chapter 734: never believed in you

If there were a little more golden cores, then there would be nothing lacking in cultivation.

‘If I can obtain the power of a martial saint, then I will go and exterminate the Purple Flame sect. At that time, I will be able to obtain a lot of golden cores,’ Qin Yu thought to himself.

If he could exterminate all the forces in the vicinity, then it would be even more satisfying.

Qin Yu used the spirit fire to finish off these few corpses, then he lay on the bed and fell asleep.

The next day.

Qin Yu came to the herbs warehouse again.

There were obviously fewer people coming to the herbs warehouse today, because most of them had already received the herbs.

When Qin Yu came to the herbs warehouse, Hou Xin was selecting herbs.

Qin Yu walked behind him and patted his shoulder, smiling, “What a coincidence.”

Hou Xin suddenly turned around and saw Qin Yu in front of him. A trace of surprise flashed across Hou Xin’s face.

“Mr. ... Mr. Qin, why are you here?” Hou Xin asked subconsciously.

Qin Yu smiled and said, “Of course I’m here to select herbs. What About You?”

Hou Xin smiled embarrassedly and said, “Me... Me Too.”

After saying that, he hurriedly selected a few herbs and left the place.

Looking at his departing back, Qin Yu couldn't help but reveal a trace of a cold smile.

Today was the last day, and all the alchemists began to exert their strength.

Pill clouds would gather in the manor from time to time. This was enough to show that many people had successfully refined a pill.

“I can't waste any more time,” Qin Yu thought to himself.

He took out the medicinal cauldron, then dyed the spiritual fire in his hand and began to refine the pill.

From morning until evening, Qin Yu slowly opened his eyes.

He slowly stood up, and then a trace of Qi/spiritual energy flowed out from his palm.

This trace of Qi/spiritual energy slowly fell into the medicinal cauldron.

At this moment, Qin Yu's pupils suddenly constricted, and he said in a low voice, “Pill success!”

“Boom!”

The entire room immediately erupted with a loud bang!

At the same time, a large patch of multicolored pill cloud condensed in the sky!

Such a pill cloud instantly attracted countless gazes!

Many people raised their heads and looked at the sky.

“What a beautiful pill cloud...” someone exclaimed.

“Such a pill cloud, it must be an extraordinary pill!”

“TSK TSK, looks like this Xue family manor really has an expert!”

The Pill Cloud condensed in the sky for a long time before gradually dissipating.

At the same time, a pill had already appeared in Qin Yu’s palm.

The Pill was pitch black, and it emitted a strange smell.

No matter how one looked at it, this pill didn’t seem like a heaven rank pill.

“This is the concentric pill?” The handlebar mustache leaned forward and asked.

Qin Yu shook his head and said, “No, I don’t have the pill formula for the concentric pill at all.”

“Then what is this?” The handlebar mustache asked in puzzlement.

Qin Yu said indifferently, “It’s also a substitute.”

“Poison expelling pill?” The handlebar mustache asked.

Qin Yu shook his head and didn’t answer.

He put away the pill and quietly waited for the arrival of tomorrow.

In the morning of the next day.

Many alchemists had gathered early in the square.

Qin Yu brought the handlebar mustache and came to the square.

Three days ago, there were dozens of people in the square.

But today, there were only a dozen people left.

“TSK, tsk. It seems that in these three days, there have been a lot of massacres,”Qin Yu sighed.

As he spoke, Qin Yu saw Hou Xin not far away.

He immediately walked in Hou Xin’s direction.

“Mr. Hou, have you finished refining the pill?”Qin Yu asked casually.

Hou Xin smiled embarrassedly and said, “Ah, I’ve successfully refined it. What About You?”

Qin Yu smiled and said, “The same goes for me. Can I take a look at your pill?”

Hou Xin’s expression changed, and he hurriedly shook his head and said, “My skills are clumsy, so I won’t take it out...”

Qin Yu smiled and did not force him.

The group of people stood on the square, waiting for the Xue family to arrive.

Ten minutes later.

The three siblings of the Xue family arrived on time.

Xue Yujie glanced at everyone and said indifferently, “Three days have passed. Congratulations on refining the pill.”

After saying this, Xue Yujie looked at Xue Yuzhi.

Xue Yuzhi immediately smiled and said, “Everyone, we will start collecting the pill now. Please hand over the pill in your hands.”

As soon as she finished speaking, the many alchemists took out the pill in their hands one after another.

Qin Yu was not anxious. Instead, he stood below and waited quietly.

Hou Xin was the same. He closed his eyes slightly and did not move for a long time.

“Mr. Hou, why haven’t you handed over the Pill Yet?” Qin Yu asked.

Hou Xin opened his eyes and smiled. “I’m not anxious.”

Seeing this, Qin Yu didn’t ask any more questions.

Above.

Xue Yuzhi received the pill from everyone, but her eyes kept flashing with disappointment.

“This isn’t the concentric pill.”

“What we want is the concentric pill. You’d better take this over.”

“I’m sorry.”

One after another, the alchemists were beaten back, and their faces were full of dejection.

Fortunately, the Xue family was still benevolent and righteous. Even if they couldn’t refine the concentric pill, they would still receive a large sum of money.

Soon, only Qin Yu and Hou Xin were left in the square.

“Mr. Qin, Why aren’t you going ?”Hou Xin asked in puzzlement.

Qin Yu smiled and said, “Aren’t we both the same pill ? You gave me the prescription. Of course, I have to let you go first.”

Hou Xin chuckled and said, “That makes sense. That makes sense.”

After saying that, Hou Xin walked toward Xue Yuzhi.

Seeing this, Qin Yu immediately followed him.

At this moment, the three brothers of the Xue family seemed to have lost their patience.

Xue Yujie frowned and said, “Is that the concentric pill in your hand ? If it’s not, there’s no need to take it out.”

Hou Xin smiled faintly and said, “Whether it is or not, you’ll know after you see it.”

After saying that, Hou Xin flipped his palm, and a pill fell into his hand.

Xue Yuzhi took the pill and carefully observed it.

A trace of surprise flashed across her face, and in the end, she excitedly said, "It's really a concentric pill! Brother, this is really a concentric pill!"

"Really?" Xue Yujie also hurriedly took it.

He carefully looked at it and exclaimed, "It really is a concentric pill!"

Hou Xin said proudly, "Of course!"

Qin Yu, who was at the side, frowned and said, "Mr. Hou, didn't you say that you don't have the pill formula and only have the pill formula for the detoxification pill? You... You Lied to me?"

Hou Xin sneered and said, "Fool, do you think that I will tell you the truth? I gave you the pill formula for the detoxification pill just to let your guard down!"

Qin Yu sighed and said, "That Wen Sheng was also deliberately released by you with the purpose of letting him die, right?"

"Hehe, you can't just say things like that." Although Hou Xin did not admit it, his meaning was very obvious.

Qin Yu sighed and said, "Hou Xin, you really hid it well."

Hou Xin said sarcastically, "This is called war without deception."

"Yes, all is fair in war." Qin Yu nodded slightly.

At this moment, a cold smile flashed across Qin Yu's face.

"Fortunately, I didn't believe your nonsense from the beginning.." Qin Yu grinned, revealing his mouth full of white teeth.

## Chapter 785: Chapter 785, the true heart dispelling pill

Hou Xin's expression changed slightly, and he said coldly, "What do you mean?"

Qin Yu sneered, "Do you really think I'll believe your nonsense? The Poison Dispelling Pill Formula You gave me is full of loopholes. Not only is it fake, it can even trigger poison!"

"Hou Xin, if I'm not wrong, you should have given this fake poison dispelling pill formula to quite a number of people, right?"

A trace of panic flashed across Hou Xin's face as he said in a panic, "You... Don't talk nonsense!"

Qin Yu continued, "Your Pill formula should have been obtained from Wen Sheng's hands, right?"

Hearing this, Hou Xin's face instantly turned incomparably pale!

"I really don't know what kind of method you used to trick Wen Sheng into trusting you," Qin Yu said with a sneer.

Hou Xin exclaimed, "You... Don't talk nonsense! I . . . I didn't!"

"Didn't?" Qin Yu raised his eyebrows.

"Hou Xin, you're really a F \* cking beast. Not only did you trick Wen Sheng into giving you the pill formula, but you also deliberately set someone up to kill him!" Qin Yu said coldly.

“In order to get rid of the competitors, you deliberately spread the news in the herbs warehouse that I have the pill formula of the heart-aligning pill. Your purpose is also to get rid of me, right?”

At this time, Hou Xin’s forehead was already covered in dense cold sweat.

He said in a panic, “I don’t Have It! Don’t talk nonsense! You are slandering me!”

Qin Yu sneered, “I don’t know whether it’s slandering me or not, but I only know that the formula for the concentric pill in Wen Sheng’s hand is incomplete!”

“An incomplete formula for the concentric pill not only doesn’t have any effect, but it will cause the poison to explode in the body!”

“Hou Xin, you want to kill Old Master Xue, right?”

Hou Xin’s eyes instantly widened as he said in a trembling voice, “Wh... what? That pill formula is actually incomplete?”

The moment these words were said, Qin Yu’s face instantly revealed a trace of a playful smile.

Hou Xin also realized that he had said the wrong thing, and his face instantly turned deathly pale!

Qin Yu raised his brows and said, “What, you admit it just like that?”

Xue Yujie, who was standing at the side, strode forward and grabbed Hou Xin’s neck. he shouted angrily, “Tell me! is what Qin Yu said true? !”

“No... No, he... He Lied!” Hou Xin said with some lack of confidence.

Qin Yu sneered at the side and said, “My words are already very clear. This prescription is incomplete. If Old Master Xue takes this pill, he will die on the spot.”

Xue Yujie became anxious when he heard this. He grabbed Hou Xin’s neck and said through gritted teeth, “Is what Qin Yu said true? If anything happens to my father after consuming this pill, I will make you beg for your life!”

Hou Xin was also panicking when he heard this, he said with a trembling voice, “Mr. ... Mr. Xue, I. . . I did cheat Wen Sheng’s pill formula, but... but I really didn’t know that the pill formula was incomplete! I also didn’t know that the incomplete pill formula would cause death!”

“Mr. Xue, I absolutely didn’t have the intention to harm Old Master Xue!”

Xue Yujie said furiously, “YOU MOTHERF \* cker!”

After saying that, Xue Yujie slapped Hou Xin’s face!

And the pill that Hou Xin offered was crushed by Xue Yujie!

Seeing this, Qin Yu immediately heaved a sigh of relief in his heart.

In fact, all of this was Qin Yu’s guess.

The Pill formula in Wen Sheng’s hands was not incomplete. It was just that Qin Yu deliberately used it to trick Hou Xin.

That day, Qin Yu successfully found the pill formula in Wen Sheng's room.

However, Qin Yu had already guessed that Hou Xin also had the pill formula, so he deliberately said these words, causing Hou Xin to not be trusted.

In this way, only Qin Yu had the concentric pill.

“Drag him away!”Xue Yujie waved his hand and said.

A few people immediately moved forward, like dragging a dead dog, and dragged Hou Xin out.

Only Qin Yu was left at the scene. Xue Yuzhi looked at Qin Yu with a smile and said, “Qin Yu, you should have the complete concentric pill formula, right?”

“Of course.”Qin Yu said with a faint smile.

He flipped his palm and took out the concentric pill.

Then, Qin Yu handed the pill to Xue Yuzhi.

Xue Yuzhi took the pill and observed it carefully. Then, she nodded and said, “It is indeed the concentric pill.”

“Phew, it's alright.”Xue Yujie also heaved a sigh of relief.

He looked at Qin Yu and said, “Follow me. When my father wakes up, our Xue family will definitely reward you.”

Qin Yu nodded and said, “Thank you, Mr. Xue.”

Then, Qin Yu followed behind the three people from the Xue family and walked toward a villa.

Old Master Xue was placed in the sunlight room on the top floor of the villa.

There were many bodyguards guarding this place, and the door was made of a special material.

He pushed the door open and entered. There was only a big bed in the huge room.

The sunlight shone through the glass into the room, and it was quite comfortable.

Xue Yujie held the concentric pill and walked in front of Old Master Xue. Then, he gently placed the pill into Old Master Xue's mouth.

Qin Yu waited quietly by the side.

Time passed by minute by minute. After about ten minutes, old master Xue, who was lying on the bed, finally moved.

He suddenly opened his eyes, followed by a violent cough!

“Dad!”

The three members of the Xue family quickly stepped forward and supported Old Master Xue.

“Dad, you're finally awake!”

Old Master Xue coughed non-stop and Xue Yuzhi gently patted his back.

A few minutes later, Old Master Xue suddenly spat out a mouthful of black blood.

This blood emitted a thick fishy smell, as if there was a poison spreading in it.

Qin Yu's eyes narrowed, and a wisp of spiritual fire immediately extended out of his finger.

The flame fell on the blood and instantly vaporized it.

After spitting out the blood, Old Master Xue's condition was obviously much better.

"Dad, how do you feel now?" The three Xue Brothers said nervously.

Old Master Xue looked around in a daze and said, "What's wrong with me?"

"Dad, you've been in a coma for several years." The few of them told Old Master Xue everything that had happened.

Qin Yu did not stay here either. He immediately turned around and walked out of the room.

"Why did you come out?" The mustached man asked curiously.

Qin Yu spread his hands and said, "The father and son have deep feelings for each other. Why should I stay inside?"

"What about the power of the martial saint? Did they agree?" The mustached man asked hurriedly.

Qin Yu shook his head and said, “I haven’t mentioned it yet. Don’t worry, they will come looking for me.”

There were some things that could not be rushed.

After returning to their residence, Qin Yu and the Handlebar Mustache Man waited quietly in the room.

When evening arrived, Xue Yuzhi came to the room personally.

Chapter 786: Chapter 786, the arrival of the Purple Flame sect

Xue Yuzhi pushed open the door and walked straight to Qin Yu.

She smiled and said, “Qin Yu, it’s all thanks to you this time. Otherwise, it would have been a disaster.”

“This is what I should do.” Qin Yu nodded and said.

“How is Old Master Xue Now?”

Xue Yuzhi said, “My father is very well now. He is inviting you to a dinner party.”

Qin Yu did not stand on ceremony and immediately nodded in agreement.

The two of them left the room together and walked towards the villa in the deepest part of the Xue Family Manor.

In the Hall of the villa, a sumptuous dinner party had long been arranged.

And on both sides of the table, there were even servants standing there.

Old Master Xue was sitting in the main seat, and the three siblings of the Xue family were accompanying him on one side.

“Father, Qin Yu is here.”Xue Yuzhi brought Qin Yu to Old Master Xue.

Old Master Xue Waved at Qin Yu and said in surprise, “I didn’t expect you to be so young.”

Qin Yu bowed and said, “Greetings, Old Master Xue.”

Old Master Xue waved his hand with a smile and said, “Quickly, take your seat.”

Qin Yu didn’t stand on ceremony. He found a seat and sat down.

The servant at the side immediately poured Qin Yu a cup of fine wine.

“Qin Yu, it’s all thanks to you this time. If it weren’t for you, my father would have been in big trouble.”Xue Yujie raised his cup and said.

Although Qin Yu felt a little embarrassed, he still raised his cup and clinked it with Xue Yujie’s.

At the wine table, Xue Yuzhi kept praising Qin Yu. She moved all the praise from the pavilion master to the wine table.

After three rounds of wine and five different dishes...

Old Master Xue said, “Qin Yu, you saved my life. If there’s anything you want, just say it.”

“That’s right. Whether it’s money, women, or herbs, just say it!”Xue Yujie also said.

Qin Yu was silent for a moment. He raised his head to look at Old Master Xue and said in a deep voice, "I don't need any of these. I only want one thing."

"Speak." Old Master Xue nodded.

"I want the power of the martial saint." Qin Yu said.

Upon hearing this, the crowd instantly fell into silence.

Everyone looked at each other and frowned.

"No." Old Master Xue said coldly.

"The power of the martial saint is the foundation of our Xue family. Even my life is not as important as the power of the Martial Saint!" Old Master Xue's face showed some displeasure.

Xue Yujie, who was beside him, also quickly said, "Qin Yu, change your condition. Other than the power of the martial saint, we can agree to anything."

Qin Yu said in a deep voice, "To tell you the truth, the reason I came to the Xue family this time is for the power of the martial saint. Other than the power of the martial saint, I don't need anything else."

Hearing these words, Old Master Xue immediately slammed the table and stood up!

He shouted angrily, "I will never give you the power of the martial saint! You'd better give up!"

After saying that, old master Xue waved his hand and said, “Give him a sum of money and let him go!”

Xue Yuzhi was also a little anxious. He pulled Qin Yu and said in a low voice, “Qin Yu, quickly change your condition.”

Qin Yu shook his head and said, “Aunt Xue, I don’t think I need anything else other than the power of the martial saint.”

Xue Yujie took out a bank card and said, “There’s one billion inside. You can take it.”

Qin Yu glanced at it and pushed the bank card back. He shook his head and said, “I don’t need money.”

“You didn’t want it yourself!” Old Master Xue said coldly.

Qin Yu couldn’t help but sigh in his heart when he saw this.

It was indeed not that easy to obtain the power of the martial saint.

After all, the Xue family was not the wealthy and overbearing Jingdu martial arts association.

To the aristocratic families, the power of a martial saint was their most important foundation.

Unless there was a calamity that would wipe out the entire family, they would never use the power of a martial saint.

The dinner that was still in a warm atmosphere just now had turned extremely cold in the blink of an eye.

Qin Yu slowly stood up and was about to say goodbye.

At this moment, two people suddenly barged in from outside the door.

These two people had strong bodies, strong internal Qi, and fierce muscles all over their faces. They were telling others that they were not to be trifled with.

“Who are you people!” Xue Yujie quickly stood up and berated loudly.

These two people sneered and said, “We are from the Purple Flame sect.”

When they heard the three words ‘Purple Flame sect’, the expressions of the people in the room instantly changed slightly.

The two of them walked straight to the dining table and sat down. Then, they asked indifferently, “Who’s in charge?”

Old Master Xue took a deep breath. Just as he was about to speak, Xue Yujie stood up and said, “I am. What’s the matter?”

“Hehe.” The Purple Flame sect’s people casually grabbed a piece of meat and stuffed it into their mouths.

Then, as he chewed the meat, he said, “Something happened to our purple flame sect’s people in Your Xue family. I’m afraid that you have to give us an explanation for this matter.”

“Your people?” Xue Yujie’s brows immediately furrowed.

Qin Yu’s expression also did not look too good.

The two people from the Purple Flame sect had died at his hands.

“I killed those two people.” Qin Yu stood up and said.

“If you want revenge, look for me.”

Hearing this, the two people from the Purple Flame sect could not help but frown.

They looked at each other and then said, “Kid, what’s your relationship with the Xue Family?”

Qin Yu said, “No relationship at all. I’m here to treat Old Master Xue’s illness.”

The two people’s brows instantly furrowed even more tightly.

“Hehe, regardless of whether you have any relationship with the Xue family or not, whatever it is, the person had an accident in the Xue family. Our Purple Flame sect wants to settle the score with the Xue family.” The two people snorted coldly.

“As for you, our purple flame sect will naturally not let you off.”

Qin Yu was just about to speak when Xue Yujie stopped Qin Yu and said, “Then what do you want?”

These two people stood up, stretched their bodies, and said with a faint smile, “Our sect master said that as long as you are willing to submit to our purple flame sect, this matter can be settled.”

“Otherwise... not even a chicken or a dog will be spared!”

Xue Yujie said with a cold face, “Aren’t you going a little overboard? As far as I know, it was your purple flame sect people who caused trouble in my Xue clan, that’s why...”

“Stop talking about those useless things.”The two of them waved their hands impatiently.

“I’ll give you three days to consider. If you don’t make a decision after three days, our sect master will not give you any more chances!”

After saying that, the two of them stood up and left.

Looking at their departing backs, Qin Yu could not help but frown and said, “I killed them. I will bear the responsibility for this matter.”

Xue Yujie shook his head and said, “It has nothing to do with you. The Purple Flame sect is obviously here for our Xue family.. They are just looking for an excuse to attack our Xue family.”

Chapter 787: In chapter 787, the peak of the Martial Marquis realm was not worth mentioning!

Qin Yu nodded slightly.

Of course, he could see through the purple flame sect’s intentions.

“By the way, is the Purple Flame sect very strong?”Qin Yu asked.

Xue Yujie glanced at Qin Yu and nodded, “Yes, they have over twenty martial marquises, and among them, there are several peak of the Martial Marquis Realm.”

“Other than that?”Qin Yu continued to ask.

Qin Yu did not care about these martial marquises at all.

As long as it did not involve the martial saint, Qin Yu was not afraid.

“Other than that? What do you mean?” Xue Yujie clearly did not understand.

Qin Yu said, “For example, the martial saint’s weapon? Or the power of the martial saint or even the martial saint?”

Xue Yujie sneered. “Martial saint? If the Purple Flame sect had a martial saint, why would they hide in this prosperous country?”

Qin Yu thought for a moment and agreed.

If they had a martial saint, no one in the world would be able to restrain the purple flame sect.

“There are only six martial marquises in the Xue Clan. They are far from being a match for the Purple Flame sect.” Xue Yujie took a deep breath.

“I’m afraid their goal is the same as yours. They are here for the power of a martial saint.” Old Master Xue said in a deep voice.

Qin Yu touched his chin and said, “This means that if you want to deal with the Purple Flame sect, you must use the power of the martial saint, Right?”

“Yes.” Xue Yujie did not hide this.

Qin Yu continued to ask, “Then how many times can you use the power of the Martial Saint?”

Xue Yuzhi, who was at the side, explained, “Qin Yu, it seems that you don’t understand the power of the martial saint.”

Qin Yu smiled bitterly, “Indeed, I don’t.”

Xue Yuzhi continued, “The power of the martial saint can only be used once. Once it is injected into someone’s body, the power will belong to someone.”

Qin Yu said in shock, “In other words, the power of the martial saint will remain in his body forever?”

“Of course not.”Xue Yujie continued.

“The power of the martial saint is one of the techniques of the martial saint. The effect of the power depends on the strength of the carrier.”

“If the power of the martial saint is injected into the body of the Martial Grandmaster, not only will it not have any effect, but it will cause the martial grandmaster to explode and die.”

“As for the duration of the power of the martial saint, it usually does not last more than a month.”

Xue Yuzhi nodded and said, “Yes, that is to say, once the power of the martial saint is used, it will disappear. It is only a matter of time.”

Qin Yu suddenly understood.

In this way, this power of the martial saint was like a nuclear bomb in the current era. Once it was used, there was no turning back.

“At this moment, perhaps we can only use the power of the martial saint.”Xue Yujie said in a deep voice.

“But who should we inject this power of the martial saint into?”

At this moment, it became a difficult problem.

The Xue family indeed had many martial marquises, but their strength could not be considered tyrannical.

As for these three siblings of the Xue clan, they were only at the early-stage of the Martial Marquis realm.

If the Purple Flame sect also possessed the power of a martial saint, then they would still not be a match for the Purple Flame sect.

However, if they were to inject it into someone else's body, who could guarantee that the person who obtained the power of a martial saint would not betray the Xue Clan ?

“Could it be that the Xue clan does not have powerful descendants ?” Qin Yu asked with some doubt.

Xue Yujie shook his head and said, “The descendants of the Xue family have never participated in the martial arts.”

Qin Yu instantly fell silent.

He touched his chin and said tentatively, “If that's the case, why don't you inject this martial saint's power into my body ? I will help you destroy the Purple Flame sect.”

“You ?” Xue Yujie could not help but snort coldly.

“Qin Yu, are you taking advantage of the situation ?”

Qin Yu waved his hand repeatedly and said, “No, no, no, you have misunderstood. If this martial saint's power were to be injected into my body, the effect would definitely be better than anyone else. The Purple Flame sect is not even worth mentioning.”

“Qin Yu, I know that you are in the late stage of the Martial Marquis realm, but my Xue family has the peak of the Martial Marquis Realm! What makes you think that the effect would be better if it was injected into your body?”Xue Yujie sneered.

Qin Yu was not in a hurry. He said with a faint smile, “The peak of the Martial Marquis realm is like grass in front of me.”

When he said this, everyone present could not help but laugh.

“Qin Yu, do you know how big the gap is between the realms of the Martial Marquis Realm?”Xue Yujie said.

“The realms between the peak of the Martial Marquis realm are very difficult to cross,”Xue Yuzhi also said.

Qin Yu could not help but scratch his head and thought to himself, “It seems that I have no reputation in Sheng Country.”

“That’s enough, Qin Yu. Now that such a thing has happened, don’t even think about the power of a martial saint. Go back.”Xue Yujie waved his hand and said.

“If our Xue family can avoid this disaster, we will still remember your kindness.”

After saying this, they gave the order to leave.

However, Qin Yu was not in a hurry to leave.

He smiled and said, “I know that everyone doesn’t believe me. How about this, I will fight with that peak martial Marquis and prove it to you.”

Xue Yujie impatiently waved his hand and said, “Don’t make trouble at this time. You’re just an alchemist. Your martial arts will naturally be affected. How can you be a match for other martial marquises?”

Qin Yu said, “Mr. Xue, why don’t you give me a chance? This is good for everyone.”

As he spoke, Qin Yu subconsciously looked at Xue Yuzhi.

Xue Yuzhi was silent for a moment and said, “Why don’t... let him try.”

Xue Yujie frowned and said impatiently, “Okay, but let me tell you, if anything happens to you, our Xue family will not be responsible.”

“Don’t worry,” Qin Yu said with a faint smile.

Therefore, Xue Yujie turned around and left the hall, while Qin Yu followed him out.

The few of them came to the grassland of the Xue family and waited for the arrival of the peak-stage martial marquis.

About ten minutes later.

An old man followed Xue Yujie and walked over.

“This is the peak-stage martial marquis of our Xue family,” Xue Yujie said.

“Elder Zhao, don’t be too harsh on him,” Xue Yujie looked at the old man and said.

The old man called Elder Zhao smiled faintly and said, “Don’t worry.”

After saying that, elder Zhao walked in front of Qin Yu and said indifferently, “Young people nowadays really don’t know the immensity of Heaven and earth. Do you know that it’s very easy for serious injuries or even life and death to occur in a fight between martial marquises?”

Qin Yu smiled and said, “Elder Zhao, don’t worry. I can control my strength well.”

This undoubtedly infuriated elder Zhao. His old face turned black as he berated, “I’ve never seen a junior as rude as you! If I don’t Teach You a lesson, you don’t know how arrogant you’ll Be!”

After he finished speaking, the internal Qi on elder Zhao’s body began to rise rapidly, and several powerful qi-jin burst out from his fingers!

The qi-jin materialized, and the vibrating air buzzed!

Seeing this scene, Xue Yuzhi’s face couldn’t help but change!

“This is elder Zhao’s trump card move, sky-dancing slash!” Xue Yuzhi exclaimed.

“Elder Zhao, please show Mercy!”

However, elder Zhao was already enraged, so he couldn’t care less about Xue Yuzhi.

He held a sharp blade in his hand and aimed it at Qin Yu’s chest!

Chapter 788: Chapter 788, obtaining the power of a martial saint!

Waves of killing intent emanated from that finger as it headed straight for Qin Yu's chest!

However, Qin Yu did not move at all. His face carried a few traces of coldness.

“Chi la!”

These few rays of light directly grabbed onto Qin Yu's chest!

However, the scene of him being gutted did not appear. Only a few white scars were left on Qin Yu's chest!

Elder Zhao's expression changed. He was about to retreat, but it was too late!

Qin Yu stretched out his hand and grabbed elder Zhao's head, forcefully lifting him into the air!

Elder Zhao struggled desperately, but he found that he could not break free at all!

“Elder Zhao, is there a need to fight?” Qin Yu asked.

Elder Zhao struggled desperately and roared, “The winner has not been decided yet!”

Seeing this, Qin Yu could only sigh.

The strength of his hand grew stronger and stronger. Elder Zhao's head immediately felt like it was about to split open. There were even cracking sounds!

“Ah! !” The pain caused elder Zhao to let out a series of mournful wails!

Everyone from the Xue family was dumbstruck!

This peak-stage martial marquis was actually so weak in Qin Yu's hands?!

"Alright, Qin Yu, that's enough. Let Go of elder Zhao." Xue Yujie quickly said.

Only then did Qin Yu let go of elder Zhao and casually threw him to the side.

"How is it? I didn't lie to you guys, right?" Qin Yu spread his hands and said.

The people from the Xue family could not help but laugh bitterly.

Such strength was truly shocking.

"No wonder your pavilion master kept praising you to me and even said that you would become a martial saint... ." Xue Yuzhi sighed with emotion.

"Become a martial saint?" Xue Yujie raised his brows.

Xue Yuzhi smiled and said: "Yes, the pavilion chief of the fire country's medicine pavilion once said that Qin Yu might become the first person to become a martial saint and break the deadlock."

This immediately gave Xue Yujie a great shock.

One must know that a martial saint had not appeared for many years!

If he were to become a martial saint in this world, then it would not be too much for him to lead the entire martial arts world!

“Mr. Xue, if this martial saint’s power is injected into my body, it will definitely bring out the greatest effect. What do you think?” Qin Yu asked.

Xue Yujie touched his chin and said, “Once this martial saint’s power is used, it will be gone. What benefits will it bring if it is injected into your body?”

Qin Yu thought for a moment and said with a smile, “Mr. Xue, the reason why you value the martial saint’s power so much is also to protect the Xue family, right?”

“That’s right.” Xue Yujie nodded.

Qin Yu continued, “However, the power of the martial saint can only be used once. In other words, it can only protect you guys once. If you guys have enemies in the dark, then after using the power of the martial saint, you will attract a disaster.”

“But if you guys gift the power of the martial saint to me, then it will be different. I, Qin Yu, will owe you guys a big favor. As long as I am alive, I will be able to protect your Xue family forever.”

When they heard this, the Xue family members looked at each other.

Obviously, they were moved.

If it was as Xue Yuzhi said, Qin Yu would become a martial saint, then this deal would not be a loss.

“How about this, you go back first and let us discuss. How about it?” Xue Yujie said.

Qin Yu nodded and said, "Of course, no problem."

At this moment, Qin Yu suddenly thought of something.

"By the way, can you give that Hou Xin to me?" Qin Yu asked.

"What do you want him for?" Xue Yujie said with some confusion.

Qin Yu smiled and said, "It's useful."

Xue Yujie didn't ask any further. He nodded and said, "No problem. have someone send him to your room later."

"Thank you." Qin Yu nodded.

After Qin Yu returned, about ten minutes later, someone brought Hou Xin to the room.

Upon seeing Qin Yu, Hou Xin's expression immediately turned extremely ugly.

"Qin... Qin Yu, what do you want to Do?" Hou Xin said with some fear.

Qin Yu smiled and said, "Don't be nervous. I'm just more interested in your spiritual fire."

"You... What do you mean? !" Hou Xin suddenly felt a bad premonition.

Qin Yu said, "You are the purple spiritual fire, right?"

Hou Xin took two steps back and said, "So what if I am, so what if I am not!"

Qin Yu sneered and said, “I haven’t swallowed the purple spiritual fire yet... hand over the spiritual fire yourself, and I will spare your life, how about it?”

“In Your Dreams!” Hou Xin was immediately dumbfounded!

“This beautiful spiritual fire is the foundation of my existence, don’t even think about taking it away!”

Qin Yu sneered, “Do you think you have the right to refuse?”

Hou Xin cracked a smile and said, “Then kill me. Even if you kill me, I Won’t give you the spiritual fire!”

Qin Yu’s face instantly turned cold.

He looked down at Hou Xin and said coldly, “I don’t necessarily want your spiritual fire. I’m giving you a chance to live.”

Hou Xin was extremely stubborn and had a determined look on his face.

“Handlebar mustache, do you have any means of torturing people?” Qin Yu asked.

Handlebar mustache rubbed his hands and said with a smile, “There are many ways!”

Handlebar mustache stretched out his palm and a jar half the height of a man fell in front of the two people.

“This jar is called the dark prison jar. It is said that after being thrown into the dark prison jar, the body and spiritual sense will suffer a strong blow,” handlebar mustache said.

“Up to now, no one has been able to spend ten hours in this dark prison jar.”

Qin Yu nodded slightly and said, “Good stuff.”

Therefore, Qin Yu flicked his finger and directly broke Hou Xin’s four limbs.

Before Hou Xin could howl, Qin Yu threw him into the dark prison jar.

“Is this thing reliable?” After putting Hou Xin in, Qin Yu asked with some doubt.

The mustached man patted his chest and said, “Don’t worry, he will definitely beg for mercy before long!”

...

In the Hall of the villa.

The members of the Xue family gathered together.

“The strength of the Purple Flame sect is unfathomable. This Qin Yu is indeed the best choice,” Xue Yujie said in a deep voice.

“Yes, if the power of a martial saint is injected into elder Zhao’s body, elder Zhao might not be able to deal with the Purple Flame sect.”

“If we lose, we will definitely suffer inhuman torture.”

At this point, Old Master Xue said in a low voice, “Who can guarantee that this Qin Yu is reliable? What if he disappears after he has obtained the power of the Martial Saint?”

“That should not be possible. After all, he was introduced by the Divine Alchemist Pavilion.”Xue Yuzhi said.

The Xue family members were relatively more at ease with regards to the Divine Alchemist Pavilion.

“Yuzhi, you should call the Pavilion Master of the Divine Alchemist Pavilion,”Xue Yujie suggested.

Xue Yuzhi nodded. She took out her hand and called the Pavilion Master.

A few minutes later, Xue Yuzhi walked back.

She smiled and said, “The Pavilion Master of the Divine Alchemist Pavilion said that Qin Yu is 100% trustworthy. If anything happens, she is willing to bear the responsibility.”

The few of them looked at each other and seemed to have reached a consensus.

Old Master Xue slowly stood up.

He swept his gaze across the crowd and said in a deep voice, “Then make a decision.. Inject the power of the martial saint into Qin Yu’s body.”

Chapter 789: Chapter 799, elder ancestor of the Xue family

The next day.

Qin Yu was still lying on the bed with his eyes closed to rest when there was a knock on the door.

When the door opened, Xue Yuzhi was standing at the door.

“Auntie Xue.”Qin Yu hurriedly welcomed her in.

Xue Yuzhi nodded slightly. She brought breakfast and sat opposite Qin Yu.

“Have breakfast first,”Xue Yuzhi said.

Qin Yu did not stand on ceremony and immediately opened the lunchbox.

“I’m here today to tell you a piece of good news,”Xue Yuzhi said with a smile.

Qin Yu’s eyes lit up and he quickly said, “Aunt Xue, please speak.”

Xue Yuzhi smiled and said, “After discussion, we have decided to inject the power of a martial saint into your body.”

“Thank you, Aunt Xue!”Qin Yu was instantly overjoyed and hurriedly stood up to thank her.

However, Xue Yuzhi smiled and said, “If you want to thank someone, then thank your pavilion master. It was because she was willing to vouch for you that we believed you.”

Upon hearing this, Qin Yu felt even more grateful towards the pavilion master.

“We did agree to inject the power of the martial saint into your body. However, there is still one problem at the moment,”Xue Yuzhi said.

Qin Yu nodded and said, “Go ahead.”

“You said that you will owe the Xue family a favor and guarantee that our Xue family will live forever, right?” Xue Yuzhi said.

“That’s right.” Qin Yu nodded.

“But have you ever thought that the power of the martial saint can be used at any time to deal with an emergency, but you can’t?” Xue Yuzhi said in a deep voice.

“You are far away in the Yan country and the journey is far away. If the Xue family really faces a catastrophe, it will be too late for you to make a move even if you want to.” Xue Yuzhi said in a low voice. She then added, “The Yan country is also a Place Full of troubles and many powers. No one can guarantee that the next purple flame sect will not appear.” Xue Yuzhi said in a low voice. She then added, “If the purple flame sect does not have the power of the martial saint, it will be too late.”

“And the Sheng country is a land of chaos and there are many powers. No one can guarantee that the next purple flame sect will not appear.”

Hearing Xue Yuzhi’s words, Qin Yu immediately fell silent.

Xue Yuzhi was right. Distant waters can not save a near fire. If anything were to happen to the Xue family, it would be impossible for Qin Yu to rush over immediately.

Qin Yu did not speak for a long while. A moment later, he suddenly turned to look at Xue Yuzhi.

“Aunt Xue, I will handle this matter properly. Please rest assured.” Qin Yu said with a serious face.

Xue Yuzhi said with some doubt, “Can you tell me how to handle it?”

Qin Yu smiled and said, “For now, keep it a secret. But I will promise you that I will guarantee the safety of the Xue family.”

Xue Yuzhi was silent for a moment. In the end, she chose to trust Qin Yu.

“Aunt Xue, when will the infusion ceremony of the martial saint’s power begin?” Qin Yu asked.

Xue Yuzhi said, “I will come and look for you at Eight o’clock Tonight.”

“Okay.” Qin Yu held back the excitement in his heart and nodded.

After Xue Yuzhi left, Qin Yu could not calm down for the entire day.

Although the martial saint’s power was not a true martial saint, as long as it was tainted with the word martial saint, it would be a world of difference from the Martial Marquis.

Even the power of a martial saint could unleash such a terrifying power on Little Black’s body, let alone in Qin Yu’s body?

Time flew by and in the blink of an eye, it was already evening.

Xue Yuzhi arrived in front of Qin Yu’s room at around seven o’clock in the evening.

Qin Yu had already made preparations. The moment he saw Xue Yuzhi, he immediately stood up.

“Come with me,” Xue Yuzhi said with a smile.

Qin Yu hurriedly nodded. He followed behind Xue Yuzhi and walked toward a secret room in the Xue Family Manor.

The Xue family manor was located in many properties. One of the houses that looked like a bunker was extremely inconspicuous.

The two of them stopped in front of the door.

Xue Yuzhi looked up at the door and said, "This is it."

Qin Yu took a deep breath and suppressed the excitement in his heart.

Then, Xue Yuzhi raised her palm and placed it on the door.

In an instant, the door flashed with a dazzling light. Countless strange runes flashed in front of Qin Yu.

"Boom!"

With a loud sound, the door of the blockhouse slowly opened!

The moment the door opened, a wave of internal Qi rushed in.

Xue Yuzhi was the first to step in. She looked at Qin Yu and said, "Come in."

Qin Yu didn't waste any time and quickly followed her in.

Rays of light lit up the room. As far as the eye could see, the huge blockhouse was quite empty.

And in the middle of it, there was a huge round plate.

The round plate was engraved with densely packed talismans. In the center of this round plate, there was a small rusty lock.

Qin Yu had never seen the power of a martial saint, so he did not know anything about the infusion of the power of a martial saint.

He looked at the scene before him and could not help but say with some surprise, “Is this the power of a martial saint?”

Xue Yuzhi did not pay attention to Qin Yu. She walked to the center of the round plate and put her hands together. She murmured in a low voice as if she was casting some kind of spell.

Then, Xue Yuzhi bit her finger and dripped a drop of blood at the center of the disk.

“Rumble...”

A moment later, the disk suddenly started to spin slowly with a loud rumble.

Rays of bright light burst out from the disk!

What followed closely was a strong sense of oppression!

Qin Yu’s expression was solemn. He could not help but take two steps back.

A human figure appeared above the light.

The human figure was extremely handsome and tall. He had an air of looking down on the world.

His pair of deep eyes emitted a charm that was like the stars.

Xue Yuzhi knelt on the ground and said in a low voice, “Forefather, please infuse the power of a martial saint into me to protect the Xue family from this calamity.”

That figure swept a cold glance at Xue Yuzhi. His eyes covered Xue Yuzhi’s body and he sighed, “Has the Xue family finally reached this step?”

Xue Yuzhi remained silent as she knelt on the ground and pressed her palms together.

“Come, I will use my final strength to protect the Xue family,” the ancestor said coldly.

Hearing this, Xue Yuzhi hurriedly looked at Qin Yu.

Qin Yu did not dare to waste any more time. He immediately took large strides forward and stood in front of the ancestor.

He clasped his hands together and bowed slightly. There was a respectful expression on his face.

The figure slowly raised his palm. In an instant, light shone in all directions. Waves of powerful internal Qi rushed towards Qin Yu’s head!

In an instant, Qin Yu only felt a trace of warmth flowing through his body. This warmth flowed from the top of his head to all parts of his body.

Waves of terrifying power brewed within Qin Yu’s body.

With the infusion of the martial saint’s power, the old ancestor’s figure also began to dim.

Qin Yu's Dantian was filled with streams of power that did not belong to him.

This power was beyond his imagination. It was a power that Qin Yu had never felt before!

His entire body seemed to have undergone a transformation at this moment. Even his physical body had become more indestructible!

The process lasted for a full three hours before it gradually came to an end. At this time, that figure had already become somewhat blurry.

“Junior, remember, you must never let my Xue family perish!” That voice left behind its final obsession before it drifted into the air and completely disappeared.

Chapter 790: Chapter 790, I am your father!

The voice reverberated in the fort for a long time, and this martial saint's power had already completely entered Qin Yu's body.

Qin Yu stood there without moving for a long time. He closed his eyes slightly, as if he was feeling this extreme power.

“Is this the power of a martial saint...” Qin Yu muttered in a low voice. He clenched his fists, and the power surged like an ocean!

This was a power that Qin Yu had never felt before. It was so powerful that he could not extricate himself from it!

At this moment, Qin Yu could not wait to know the power of this power of a martial saint.

He even looked forward to the arrival of the Purple Flame sect.

“How do you feel now?” Xue Yuzhi walked forward and asked.

Qin Yu nodded and said, “Very good.”

“That’s good.” Xue Yuzhi also heaved a sigh of relief when she saw the situation.

The disc in front of her began to shatter, and in the blink of an eye, it turned into ruins.

Qin Yu pointed at the ruins in front of him and said with some doubt, “Aunt Xue, that young man just now is the ancestor of the Xue Family? Why is he so young? It seems different from what I imagined.”

Xue Yuzhi explained, “Many top experts of the family would leave a backup plan at their peak to protect the family. What you see is the peak of the ancestor.”

Qin Yu suddenly understood.

These people were thinking far ahead.

The peak was usually when one was in high spirits. No one would think about the future.

After walking out of the fort, Qin Yu followed Xue Yuzhi and came to the hall of the Xue family’s villa.

In the hall, the people of the Xue family were waiting nervously.

When they saw Qin Yu, they quickly stood up.

There seemed to be some vigilance in their eyes.

Even their attitude had become a little strange.

“Qin Yu, how... How do you feel?”Xue Yujie asked tentatively.

Qin Yu slightly bowed and said, “Mr. Xue, I feel very well now.”

After seeing Qin Yu’s attitude, Xue Yujie could be considered to have heaved a sigh of relief.

He was very worried that after Qin Yu obtained the power of a martial saint, he would turn hostile and refuse to acknowledge him.

“Then... the matter of the Purple Flame sect will depend on you.”Xue Yujie said.

Qin Yu nodded and said, “Don’t worry.”

At this moment, Old Master Xue suddenly said in a deep voice, “Qin Yu, although you have already obtained the power of the martial saint, I still want to know how you plan to protect the Xue family.”

“En, regarding this question, we all really want to know.”Xue Yujie also nodded and said.

Qin Yu sat on the sofa. He was silent for a moment and then glanced at the crowd.

“There is only one way to get it done once and for all,”Qin Yu said in a deep voice.

“What Way?”The few of them looked at Qin Yu in unison.

A trace of coldness flashed in Qin Yu’s eyes.

He said coldly, “That is to make all the forces in Shengguo submit to me!”

As soon as he said this, everyone sucked in a breath of cold air!

Make all the forces submit to one person? This idea was too crazy!

“Qin Yu, the major forces in Shengguo have been stationed for many years, but they have never been unified. You want everyone to submit to you? This... is almost impossible,” said Xue Yujie.

Qin Yu smiled and said, “Simple. If they don’t agree, then kill them all.”

In any case, Qin Yu was currently in need of the Golden Core. If he killed them all, then he wouldn’t have to worry about the golden core anymore.

The people in the hall looked at each other. They seemed to feel a bit afraid of Qin Yu’s words.

Qin Yu stood up and said, “Don’t worry. I promised the Xue family that I would protect the safety of the Xue family.”

“Qin Yu, do you know that other forces might also have the power of a martial saint?” Xue Yuzhi reminded him.

Qin Yu smiled and said, “It doesn’t matter.”

“Then do you know how many martial marquises there are in the various forces of the Sheng Kingdom? Altogether, there are at least close to a hundred martial marquises!” Xue Yujie said with a serious expression.

“One against a hundred? Qin Yu, do you really think you can do it?”

Qin Yu said indifferently, “In my eyes, the current martial marquises are just ants, not worth mentioning.”

This was the confidence after obtaining the power of a martial saint!

As long as there was no martial saint in this world, Qin Yu was not afraid of anyone!

When the crowd saw Qin Yu’s confident expression, they did not know what to say for a moment.

“Let’s wait for the Purple Flame sect to come.”Qin Yu said with a smile.

After saying this, Qin Yu returned to his own residence.

As soon as he returned, the mustached man came over and said in surprise, “How is it? Did you get it?”

Qin Yu nodded and said, “Yes, I got it.”

The handlebar mustache immediately revealed a curious expression. He kept touching Qin Yu’s body and muttered, “There doesn’t seem to be any changes...”

Qin Yu rolled his eyes and said, “I haven’t activated this martial saint’s power yet. This power can only last for a month at most. How could I bear to waste it?”

In the next two days.

Qin Yu sat cross-legged in his room. He did not leave the main door or the second door. He waited quietly for the arrival of the Purple Flame sect.

Time flew by.

In the blink of an eye, three days had passed.

Early in the morning of this day.

The members of the Xue family stood on the square in unison. A trace of solemnity appeared on their faces.

They stared at the entrance with a hint of nervousness in their eyes.

At this moment, the sound of engines could be heard from the entrance.

Not long after, a few cars drove straight in.

The moment the cars stopped, more than ten Marquis Wu alighted from the cars!

The leader was a man dressed in black.

This man was tall and had a noble appearance. The faint aura of a Marquis Wu from his body was even more terrifying.

“It’s actually Bai Sha leading the team.”Xue Yujie and the others’expressions changed slightly when they saw this man.

Bai Sha led the group and walked towards Xue Yujie and the others.

He looked down at Xue Yujie and said indifferently, “Who in the Xue family is in charge?”

“Me.”Xue Yujie braced himself and walked out.

Bai Sha looked at Xue Yujie coldly and said in a cold voice, “Our Purple Flame sect has already given you three days. Now that three days have passed, how’s the discussion going?”

Xue Yujie took a deep breath and said, “Mister Bai, our Xue family has always respected the purple flame sect. Do We have to fight today?”

Bai Sha narrowed his eyes and said coldly, “From what you mean, you don’t intend to accept the good intentions of our purple flame sect.”

When Xue Yujie saw this, he could not help but coldly say, “Bai Sha, our Xue family is not afraid of You!”

Bai Shan immediately laughed out loud when he heard this!

That frightening smile reverberated in the Xue family for a long time. That intense unease filled the hearts of everyone in the Xue family.

“You don’t know life from Death!” Bai Sha’s laughter came to an abrupt end. He suddenly stretched out his hand and slapped towards Xue Yujie!

At this moment, a golden palm suddenly stretched out and grabbed Bai Sha’s wrist.

This hand was like an iron clamp, tightly grabbing Bai Sha’s wrist, making him unable to move.

Bai SHA’s expression changed slightly, and he said coldly, “Who are you?”

“I am your father!” Without a word, Qin Yu raised his golden palm and slapped Bai Sha!

## Chapter 791: Chapter 791, unparalleled power

This slap was extremely powerful and extremely fast!

Before Bai Sha could even react, this slap landed heavily on his face!

Half of his face bone was directly shattered, and blood flowed down his damaged cheek and covered his entire body!

Qin Yu's slap had undoubtedly shocked everyone!

Bai Sha was even more furious. He glared at Qin Yu and gritted his teeth, "You're courting death! Kill him for me!"

The ten plus martial marquises present immediately charged at Qin Yu!

Qin Yu coldly swept his gaze across the crowd, and a trace of coldness flashed in his eyes.

In the next second, Qin Yu suddenly charged forward, and his figure suddenly disappeared!

A golden light shuttled through the crowd, and his golden fist contained the power to destroy everything!

Qin Yu was not at a disadvantage in the face of these martial marquises.

He was full of energy, like an undefeated God of War!

With every punch, a martial marquis would fall to the ground!

In just a short hour, the Xue family had already shed a river of blood! Several martial marquises collapsed to the ground, their bodies shattered!

On the other hand, Qin Yu was bathed in the blood of his enemies. The more he fought, the braver he became. He was like a killing God!

“Boom!”

Another golden fist directly shattered half of a martial marquis' body!

Before he could react, Qin Yu had already reached into his Dantian and roughly dug out his golden core!

Such a violent method made everyone feel terrified!

Bai Sha's entire body trembled. He even lost the desire to fight back!

Seeing the ten martial marquises all fall to the ground, Bai Sha's body completely went soft.

He looked at the young man in front of him in horror and said with a trembling voice, “Don't... Don't kill me...”

Qin Yu grabbed his head and lifted him up into the air.

The ice-cold killing intent almost made Bai Sha wet his pants.

“Take me to the Purple Flame sect,” Qin Yu said coldly.

Bai Sha didn't dare to say anything and hurriedly nodded, “Okay... okay.”

Qin Yu stuffed Bai Sha into the car with one hand and then sat on the side.

“Qin Yu, you... you have to be more careful,” Xue Yuzhi said worriedly.

Qin Yu smiled and said, “Auntie Xue, don’t worry.”

The car drove towards the Purple Flame sect. A crafty look flashed across Bai Sha’s face.

“When you go to the Purple Flame sect, I will tear you into pieces!” Bai Sha shouted coldly in his heart.

This trace of craftiness did not escape Qin Yu’s eyes.

However, Qin Yu remained unmoved. He only closed his eyes slightly.

The people of the Xue family looked at each other in dismay.

Looking at the corpses lying on the ground in front of them, their hearts were filled with terror.

“More than ten martial marquises died just like that...” Xue Yujie muttered in a low voice.

“Qin Yu... didn’t seem to have used the power of a martial saint just now...”

“This kid is clearly in the late stage of the Martial Marquis realm, yet he could easily crush the peak of the Martial Marquis Realm. This is simply... unheard of!”

...

The car drove towards the Purple Flame sect.

More than an hour later.

The car finally stopped in front of a house that looked like a castle.

“This... This is Chief Yan.” Bai Sha said in a trembling voice.

Qin Yu got down from the car.

A towering castle came into view.

High walls had been built around it. At a glance, it looked like a city.

And on the gate hung a few big words: Purple Flame sect.

Qin Yu glanced at Bai sha and said coldly, “Lead the way.”

Bai Sha didn't dare to say anything and hurriedly walked forward.

The gate rumbled and slowly opened.

Bai Sha was the first to step in. As soon as he entered the gate, he immediately ran! His speed was astonishing!

Looking at his retreating figure, Qin Yu did not chase after him. Instead, he sneered.

He released his spiritual sense. His body was covered in golden light as he rose from the ground!

Following that, the golden glow on Qin Yu's hand became increasingly resplendent. A terrifying power swept through the entire purple flame sect!

In the next second, a huge golden fist suddenly condensed in the sky!

“Boom!”

This fist directly smashed down! The terrifying internal Qi was like a bomb, quickly spreading in all directions!

The buildings of the Purple Flame sect instantly collapsed! Those who couldn't Dodge in time were directly smashed into meat paste!

After the fist landed, Qin Yu strode towards the depths of the Purple Flame sect.

“Stop, who are you!” Someone Strode forward, Blocking Qin Yu's path.

Qin Yu didn't say a word. He raised his hand and smashed Qin Yu's head into pieces!

On the way, Qin Yu killed everyone he saw. No matter what cultivation level they were at, they all wanted to escape!

In a short while, more than a hundred people from the Purple Flame sect died!

The entire purple flame sect was covered in blood and corpses!

The smell of blood filled the entire purple flame sect. At a glance, the purple flame sect was like Asura hell!

Such a cruel method was enough to shock the world!

However, Qin Yu did not feel the slightest bit of pity in his heart.

“Junior, Stop!”

At this moment, an old man rushed over.

His eyes were scarlet red, and his eyes were wide open as he stared at Qin Yu!

“You... you dare to kill a disciple of my purple flame sect! I Want You Dead!”The old man roared angrily!

The entire city was shaken until it hummed. The Purple Flame sect, which had already been reduced to ruins, had completely collapsed at this moment!

Following the angry roar of the old man, Bai Sha also rushed out with more than ten martial marquises!

Qin Yu ignored Bai Sha. He looked coldly at the old man in front of him and said, “You are the sect master of the Purple Flame sect?”

The old man clenched his teeth tightly. He did not pay attention to these words. Instead, he said in a somewhat collapsed manner, “I have spent an unknown amount of effort in order to establish the Purple Flame sect. Now... it has been destroyed by your hands!”

“I will tear your tendons, skin you, and dismember you into thousands of pieces!”

Qin Yu sneered, “Don’t say such harsh words. If you have the ability, then use it.”

The old man glared at Qin Yu angrily. The internal Qi and hormones in his body were rising.

“Peak of the Martial Marquis Realm?”Qin Yu raised his eyebrows and then shook his head, “Since you dare to provoke the Xue family, which

has the power of a martial saint, you must have a trump card. Hurry up and show it.”

The old man narrowed his eyes and said with a sinister tone, “Little Bastard, you know quite a lot! But to deal with you, you don’t need to use your trump card!”

After he finished speaking, the old man’s figure suddenly disappeared and appeared in front of Qin Yu in the next second!

His skinny body was extremely fast. His hands turned into claws and clawed at Qin Yu at an extremely fast speed!

Qin Yu kept dodging with his hands behind his back. He easily dodged every move.

“Ha!”

The old man suddenly let out a furious roar. His body suddenly burst into flames!

The Flames turned into a totem and rushed towards Qin Yu!

Staring at the overwhelming totems, Qin Yu couldn’t help but Snort coldly.

“Break for me!”

Qin Yu shouted. The absolute beginning holy fist instantly rose up, and the Golden Fist instantly smashed towards the totem!

“Boom!”

This punch could destroy everything in its path. Its power was unimaginable! Under this punch, the totem collapsed instantly!

Chapter 792: Chapter 792, activate the power of a martial saint!

Internal Qi was spreading rapidly and in the blink of an eye, it had disappeared without a trace.

Qin Yu looked at the old man in front of him and said coldly, "If you still don't Show Your Trump Card, I'm afraid you won't have a chance."

The Old Man's face instantly became solemn.

He did not expect this young man in front of him to be so powerful.

The old man took two steps back and a bracelet suddenly lit up in his hand.

This bracelet emitted a strong and simple internal Qi. The moment it was taken out, a sense of pressure spread out.

"Martial saint's Weapon?" Qin Yu raised his eyebrows as if he had recognized this item.

The old man sneered, "You know quite a lot! That's right, the weapon in my hand is a martial saint's weapon! If you know what's good for you, kneel down and beg for mercy immediately. I'll give you a quick death!"

"So you're relying on this martial saint weapon." Qin Yu said coldly.

The old man said with some displeasure, “Kid, you seem to look down on this martial saint weapon? Do you know that this martial saint weapon can erupt with the power of a true martial saint? !”

“So What?”Qin Yu sneered again and again.

Normally, the power emitted by the martial saint weapon was indeed above the power of a martial saint.

After all, that was the purest form of the martial saint’s Internal Qi, and it was not transferred to someone else’s body.

However, how could Qin Yu be an ordinary person?

How could an ordinary person compare to the power that he had unleashed after possessing the power of a martial saint?

“Little Bastard, you really don’t know what’s good for you!”The old man seemed to be a little angry.

“Alright, if that’s the case, then I’ll send you to hell!”

Following the old man’s angry roar, the bracelet in his hand immediately began to emit an internal Qi!

An internal Qi that originated from a martial saint quickly gathered on the bracelet.

“Buzz!”

A faint light emitted from the bracelet. Following that, an extremely powerful internal Qi headed straight for Qin Yu!

Qin Yu hurriedly crossed his arms in front of him to protect his face!

“Boom!”

That internal Qi smashed onto Qin Yu’s arm!

Qin Yu’s entire body was instantly sent flying!

His arm was also shattered, revealing his sparkling white bones!

Not only that, that terrifying internal Qi also caused Qin Yu’s internal organs to tremble. He could not help but spit out a mouthful of blood.

“As expected of a martial saint’s weapon.” Qin Yu looked at his own arm and could not help but mutter in a low voice.

It was still impossible for him to use his own abilities to fight against a martial saint’s weapon.

“You’re not dead.” That old man narrowed his eyes slightly and could not help but snort coldly, “Little Bastard, you’re really shocking.”

“But can you withstand it the next time? Can you withstand it the second time? !”

As the old man roared angrily, the bracelet emitted light once again!

Qin Yu no longer held back his strength. He took a deep breath and immediately activated the martial saint’s power!

The moment the martial saint’s power was activated, a warm current immediately spread throughout his body!

His Dantian was like the sea, and countless streams flowed throughout his entire body!

In an instant, the internal Qi on Qin Yu's body suddenly rose!

That incomparably powerful and terrifying power swept through the entire purple flame sect!

At this moment, Qin Yu seemed to have changed into a completely different person.

Under the blessing of the martial saint's power, Qin Yu had a strange feeling.

It was as if... everything in front of him was worthless.

That martial saint's weapon was more like a toy!

When they felt the pressure from Qin Yu's body, everyone's expression could not help but change drastically!

"It's the martial saint's power! The Xue family gave the martial saint's power to this kid!" Bai Sha Roared!

The old man shouted angrily, "So what if it's the martial saint's power! It's not worth mentioning in front of my martial saint's Weapon!"

He roared continuously and urged this martial saint weapon with all his might!

A terrifying ray of light closed in on Qin Yu!

Qin Yu looked at this approaching ray of light coldly and the corners of his mouth curled into a sneer.

Just when the ray of light was about to land on Qin Yu's body, Qin Yu clenched his fist and suddenly went up to meet it!

“Boom!”

The golden light exploded with a dazzling radiance! At the instant of the collision, the internal Qi emitted by the martial saint weapon immediately dispersed!

Not only that, the remaining power of the fist was also approaching the old man!

The old man's expression changed drastically as he hurriedly activated the martial saint weapon to counter the attack!

However, the power of this punch was too great! Even with the support of the martial saint weapon, the old man's body was trembling like a sieve!

“Crack!”

At this moment, a crisp sound entered everyone's ears.

At a glance, the martial saint weapon had shattered!

With just one punch, it had shattered the martial saint weapon!

This strength made everyone's faces turn ashen!

It was almost unheard of for a martial saint weapon to be shattered!

“Boom!”

Without the martial saint weapon, the old man's body was directly sent flying!

His skinny body was instantly shattered!

Qin Yu looked at him coldly with an indescribable indifference in his eyes.

“So this is the power of a martial saint.”Qin Yu lowered his head and looked at his own fist.

Even Qin Yu himself was a little shocked.

This was only the power of a martial saint, yet it had such a terrifying power.

If he had become a martial saint, what kind of power would he possess ?

Most likely, one punch would possess the power of a nuclear bomb ?

It was unimaginable !

The old man struggled to get up, but his body had already shattered and he could not stand up.

The intense pain all over his body caused him to wail incessantly.

The fear made him tremble like a sieve.

Qin Yu took a step forward and instantly arrived before the old man.

He looked down at the old man from above. The coldness in his eyes made the old man even more afraid.

“Don’t... Don’t kill me. I’m willing to give the Purple Flame sect to you...”the old man begged bitterly.

Qin Yu shook his head and said, “Do you know how to make an example out of a chicken ?”

The old man was stunned. An ominous premonition immediately flashed through his heart.

“Only by destroying the Purple Flame sect can we intimidate the other sects. So... you have to die. Everyone in Your Purple Flame sect has to die,”Qin Yu said coldly.

Without waiting for the old man to speak, Qin Yu stomped down.

“Crack!”

This stomp sent the old man to his death.

Qin Yu bent down and took out his golden core.

After wiping off the blood on the golden core, Qin Yu kept it in his bag.

“Don’t... Don’t Kill Us!”The remaining martial marquises of the Purple Flame sect were so scared that they quickly knelt on the ground.

However, Qin Yu did not stop. He raised his hand and lightly slapped forward.

These ten plus martial marquises were instantly smashed into meat paste.

“The power of a martial saint... is truly terrifying.”Qin Yu could not help but sigh.

The power unleashed by the power of a martial saint was far inferior to that of a true martial saint.

Even so, it still possessed such terrifying power.

This could not help but cause Qin Yu to have some longing.

He longed for the strength after stepping into the martial saint realm.

After that, Qin Yu took out their golden cores, turned around, and walked out of the Purple Flame sect.

Standing at the entrance of the Purple Flame sect, Qin Yu casually waved his palm.

In an instant, the sky and earth shook, and the entire purple flame sect turned into ruins in an instant.

Chapter 793: Chapter 793, the gates of heaven!

The Purple Flame sect was destroyed.

And Qin Yu also seized more than twenty golden cores.

After returning to the Xue family, the people of the Xue family were eagerly waiting for Qin Yu.

Seeing that Qin Yu had returned, they all rushed up.

“Qin Yu, how is it?” Xue Yuzhi asked first.

Qin Yu smiled and said, “The Purple Flame sect is gone.”

After saying that, Qin Yu went straight back to his room.

Xue Yujie hesitated for half a second, then hurriedly looked at the people around him and said, “Quick, go to the Purple Flame sect and check out the situation!”

“Yes!”

Half an hour later, this follower returned to the Xue family.

“How is the Purple Flame sect now?” Xue Yujie hurriedly asked.

That follower said in a trembling voice, “The purple flame sect... more than a hundred people of the Purple Flame sect, all... all died...”

The few people present could not help but suck in a breath of cold air when they heard this.

Qin Yu... actually killed all of them?

“It was clearly enough to kill only one sect master, he... he actually massacred the entire sect...” Xue Yujie muttered in a low voice.

At this moment, the members of the Xue family began to feel a little afraid.

For the next few days, Qin Yu did not leave the main door and did not step out of the second door.

“Are we just going to hide in the house every day?” The mustached man could not help but mutter.

Qin Yu glanced at him and said, “Don’t worry, let the bullets fly for a while.”

Qin Yu was waiting for the news to ferment.

When the news of the destruction of the purple flame sect spread throughout the entire Sheng Kingdom, Qin Yu could take action.

In the Sheng Kingdom, there were dozens of forces, big and small.

Among them, the powerful ones had many martial marquises, such as the Purple Flame sect

And the weak ones also had martial marquises.

As long as they unified all the forces, then the Xue family would no longer have any risks, and Qin Yu would also have the capital to fight against the Jingdu Martial Arts Association and the various aristocratic families!

At night.

On Qin Yu's bed, there were beads placed one after another.

These beads were precisely golden cores.

Qin Yu counted, and there were a total of forty-one beads.

"Forty-one golden cores, this is really a valuable wealth." Qin Yu could not help but be a little excited.

Unconsciously, the killing intent in Qin Yu's heart grew stronger and stronger.

He even had the idea of killing everyone and taking out their golden cores for his own cultivation many times.

Fortunately, this idea was eventually suppressed by Qin Yu's rational thoughts.

Three days later.

The news of the destruction of the purple flame sect had spread throughout the entire Sheng nation.

“The Purple Flame sect has been destroyed, and more than a hundred people from the sect have actually died.”

“The Purple Flame sect has over twenty martial marquises. How could they be annihilated just like that?”

“Not only that, the purple flame sect also has a martial saint weapon! It’s said that the martial saint weapon was shattered with a single punch.”

“What kind of strength and how vicious is this? He actually massacred their entire sect...”

Just as everyone was discussing animatedly, a piece of news spread out.

“All the forces in Sheng Kingdom, I’ll give you three days to submit to me. I’ll wait for you at the Xue family. Otherwise, I’ll slaughter a sect every other day!”

Once this news was sent out, all the forces couldn’t help but be frightened!

Slaughter a sect every other day? This was a bit too arrogant!

In the hall of the Xue family.

Xue Yujie said with some fear, “Qin Yu, aren’t you going a bit too far... by doing this?”

“Yes, Qin Yu. If they unite to deal with you, you...”

Qin Yu glanced at them and said, “No worries.”

“If they really don’t come forward to submit, will you really slaughter their entire family?” Xue Yujie asked tentatively.

Qin Yu didn't think and nodded, "Mr. Xue, do you think I'm Joking?"

These words made Xue Yujie Shiver.

After Qin Yu left, Xue Yujie stood up and said, "This Qin Yu is too vicious! I'm really afraid that he will destroy our Xue family too!"

"He won't..."Xue Yuzhi shook her head.

"Qin Yu's actions are also for the sake of our Xue family..."

Xue Yujie opened his mouth, but he had nothing to say.

He sighed slightly, and his eyes were filled with worry.

In the blink of an eye, three days had passed.

Early in the morning, Qin Yu had been waiting in the square of the Xue family.

From eight o'clock in the morning to twelve o'clock in the afternoon.

However, not a single faction came.

A trace of coldness flashed through Qin Yu's eyes, and he said in a low voice, "It seems that they think I'm joking..."

After saying this, Qin Yu's figure suddenly disappeared.

At three o'clock in the afternoon, Qin Yu returned to the Xue family.

He was covered in blood and had a few more golden cores in his hands.

In the evening, the Sheng Kingdom sent out news: The Sky Harmony League was destroyed and dozens of people died tragically!

This could not help but make all the forces start to fear!

The Sky Harmony League was also a powerful sect! However, it was destroyed in the blink of an eye!

Everyone started to panic.

They realized that Qin Yu was not joking at all. He was really going to destroy the entire sect!

“How about... We should submit to him.”

“Even the martial saint weapon could not do anything to him, let alone us.”

“To destroy the martial saint weapon with one punch, we don't seem to have any other choice in front of such strength...”

All the major forces made their decisions one after another.

The next morning.

Qin Yu was still sleeping when someone knocked on the door.

The moment the door opened, he saw Xue Yuzhi standing at the door.

“Auntie Xue, What's Wrong?” Qin Yu rubbed his sleepy eyes.

Xue Yuzhi smiled bitterly and said, “The sect leaders of the major sects are waiting for you in the Hall...”

Qin Yu was immediately energized when he heard that.

He sneered and said, “Are all of them here?”

“More or less.”Xue Yuzhi smiled bitterly.

Qin Yu nodded and said, “Okay, I got it.”

After returning to his room and briefly tidying up, Qin Yu walked toward the hall of the Xue family.

At this moment, this huge hall was already filled with people.

The Moment Qin Yu stepped into the hall, his Internal Qi was released.

That powerful pressure made everyone tense up!

Qin Yu walked straight to the main seat and sat down.

He swept his gaze across the crowd and found that there were at least dozens of people present!

This meant that dozens of forces, big and small, of Sheng Kingdom were all present!

Qin Yu’s cold eyes swept across everyone present.

Everywhere he looked was trembling.

After a long time, Qin Yu finally opened his mouth.

He swept his eyes over everyone and said indifferently, “From today onwards, Sheng Kingdom does not have another force. All of you belong to the same sect.”

“This sect is called Heaven’s Gate.”

“Heaven’s Gate?” Everyone looked at each other.

Qin Yu said coldly, “As for your sect, from today onwards, it will be renamed Tangkou. Do you understand?”

Everyone was silent for a moment before someone stood up and said, “Greetings, sect leader Qin.”

The moment these words were said, everyone shouted in unison, “Greetings, sect leader Qin!”

From then on, the Heaven’s Gate was established!

Chapter 794: Chapter 794, the influence of a martial saint

Everyone submitted to Qin Yu.

Qin Yu swept his gaze across the crowd, his face carrying an indescribable dignity.

Unknowingly, Qin Yu was no longer the weakling who needed someone to protect him in order to grow.

The current him was more like a superior. When faced with a martial artist who submitted to him, he had an indescribable calmness and calmness.

The pressure emitted from his body made people dare not raise their heads.

Qin Yu swept his gaze across the crowd and said, "From today onwards, all of you are members of the Heaven's Gate. And the Heaven's Gate will become the number one sect in the world, or even the number one sect in the world."

His voice was not loud, but it was like thunder that reverberated in one's ears, causing one's entire body to shiver.

"Since you belong to the Heaven's Gate, then you must abide by the rules. In a few days, I will issue the relevant rules," Qin Yu said in a deep voice.

A simple meeting had established the heaven's Gate.

However, Qin Yu knew very well in his heart that it was impossible for a sect to remain standing with just one or two words, and it was even more impossible for everyone to be willing.

Therefore, after sending them away, Qin Yu went to the medicinal herbs warehouse.

He spent a whole three days to refine a hundred pills.

This pill was called the Divine Seal Pill. It wasn't considered a top-tier pill, but it was extremely useful. It could take everyone's lives in its own hands.

Although this wasn't the best method, it was the simplest and most effective method at the moment.

After refining the pill, Qin Yu gave the pills to everyone.

“Swallow it and you will be a member of our heaven’s Gate,”Qin Yu said coldly.

Everyone looked at each other. Although they were unwilling, they couldn’t do anything to Qin Yu who was so powerful.

After seeing the dozens of sects consume the pill, Qin Yu let out a sigh of relief.

The Xue family members couldn’t help but be shocked by how quickly things developed.

“From today on, you are the leader of all the major forces in the Sheng Kingdom?”Xue Yujie seemed to find it unbelievable.

Qin Yu shook his head and said, “No, from today onwards, there is only one organization in the Sheng Kingdom, and that is the heaven’s Gate.”

Xue Yujie smiled bitterly.

All the major and minor forces in the Sheng Kingdom had been fighting for decades, and no one had been able to unify them.

He did not expect that Qin Yu had spent a few days to bring all the major forces into the same sect.

This could not help but be surprising.

Not only Xue Yujie, even Qin Yu did not expect that there would be unexpected gains from this trip.

If it was within the fire country’s borders, it would definitely be detected by the JINGDU martial arts association.

And outside the borders, there would not be such a worry.

After experiencing this matter, Qin Yu also understood one thing.

That was the effect of power.

The reason why Qin Yu was able to take down all the major powers so easily was because Qin Yu possessed the power of a martial saint and possessed absolute power.

“How terrifying.” Qin Yu could not help but sigh.

Just the power of a martial saint had brought about such an effect of power. What would happen if he stepped into the true martial saint realm?

“Martial saint...” Qin Yu muttered in a low voice as a trace of longing flashed across his eyes.

The next day, Qin Yu planned to leave the Xue family.

The power of a martial saint could not be maintained for long, so Qin Yu did not dare to waste too much time.

After bidding farewell to the people of the Xue clan, Qin Yu left the Xue Clan.

“Where are we going next, Head Chief Qin?” The handlebar mustache asked jokingly.

Qin Yu said in a low voice, “We are going to visit a friend. After that, we will return to the Yan country.”

That friend was naturally referring to Yang Jing. In any case, it was on the way.

They drove all the way to the entrance of the Yang clan.

The Yang family was as big as ever. The huge manor showed that the Yang family's wealth was not ordinary.

However, this seemingly grand manor seemed to hide a bit of decay and vicissitudes.

Qin Yu frowned and said in a low voice, "This Yang family looks a bit strange."

The mustache man also muttered, "The entire Yang family looks ugly."

Qin Yu didn't say anything. He pushed the door open and strode towards the Yang family.

When he arrived at the door, Qin Yu knocked on it.

Soon, a nanny opened the door.

"Who are you looking for?" The nanny asked.

Qin Yu said politely, "Is Miss Yang Jing at home?"

"Miss Yang?" The Nanny sized Qin Yu up and down, seeming a little surprised.

Qin Yu smiled and said, "My name is Qin Yu. I'm a friend of Miss Yang."

The nanny nodded and said, "Please wait for a moment."

After saying this, the nanny turned around and walked back.

A few minutes later, the door opened again.

The person who opened the door this time was none other than Yang Jing.

Yang Jing's eyes were very complicated. There was excitement, surprise, and a bit of confusion.

“What? Don't you recognize me?” Qin Yu said jokingly.

Yang Jing wiped her tears and said, “Come in quickly.”

Qin Yu walked into the Yang family with his handlebar mustache.

Yang Jing quickly served Qin Yu Tea. Although she tried to hide her emotions, she couldn't escape Qin Yu's eyes.

Qin Yu took a sip of tea and said, “Did something happen to you?”

Yang Jing's expression froze, then she shook her head with a smile and said, “What could have happened to me?”

Qin Yu raised his eyebrows. “Really?”

Yang Jing quickly nodded. “Really. I'm doing quite well now.”

“If you have any problems, you can tell Qin Yu. He's very powerful now. He'll definitely be able to solve them for you,” the Mustache Man said with a smile.

Yang Jing smiled and didn't take it seriously.

“By the way, Where’s your father? How’s his health?”Qin Yu asked.

Yang Jing smiled and said, “My dad is fine. He recently returned to China.”

“You’re the only one living here?”Qin Yu was a little surprised.

“More or less,”Yang Jing said with a smile.

Then, the atmosphere fell into a short period of awkwardness.

Time flew by. At noon, Yang Jing had no intention of staying.

“Miss Yang, we came all the way here. Aren’t you going to treat us to a meal?”Qin Yu leaned against the sofa and said with a smile.

A trace of panic flashed across Yang Jing’s face.

She said with some embarrassment, “Qin Yu, i. . . Let’s go out and eat.”

“No need. Let’s eat at your house. Just Eat Something,”Qin Yu said shamelessly.

Hearing this, the panic on Yang Jing’s face became more obvious.

She said anxiously, “I. . . Let’s go out and eat. Let’s go quickly...”

Qin Yu snorted, “Miss Yang, if you don’t tell me what happened to the Yang family, I won’t leave.”

Seeing this, Yang Jing couldn’t help but bite her lips.

The nanny at the side couldn't stand it anymore. She walked forward and said, "You should go quickly. Otherwise, if young master Huang sees you, he will kill you all! And then Miss Yang will be implicated!"

After saying that, the nanny even took out two hundred Yuan and placed it on the table.. She said, "Consider it my treat. Hurry up and leave!"

Chapter 795: Chapter 795, the fish that escaped the net

Looking at the two hundred Yuan placed on the table, Qin Yu could not help but feel like laughing.

He raised his head to look at Yang Jing and asked in puzzlement: "Who is young master Huang?"

Yang Jing bit her lip and said: "Young Master Huang is a very big family clan in the Sheng Kingdom. You guys can not afford to offend him, so you should hurry up and leave. I will treat you to a meal when I return to the fire country another day!"

After a simple investigation, she found out that this young master Huang was from a local family clan and because he had taken a liking to Yang Jing, he had decided to force himself upon her.

Faced with this young master Huang, Yang Jing had no choice but to send all her family members back to the fire country and face the Huang family clan by herself.

Qin Yu was just about to say something when the door opened.

After that, she saw a young man with two people walking in from outside the door.

“TSK, tsk.”The young man’s eyes fell on Qin Yu as soon as he entered the door.

“What? Stealing a man while I’m not here?”The young man sneered.

Yang Jing quickly explained, “Young Master Huang, he’s my friend. He treated my father’s illness...”

Young Master Huang Glanced at Qin Yu and sneered, “Treated your father’s illness? Do you think I’m a F \* cking idiot?”

With that, young master Huang slapped Yang Jing’s face!

Qin Yu narrowed his eyes and immediately stretched out his palm, taking the lead to slap young master Huang’s face.

Although this slap wasn’t very strong, it still sent young master Huang Flying.

“You dare to hit our young master? You’re courting death!”The two bodyguards beside young master Huang immediately shouted and rushed towards Qin Yu.

Qin Yu didn’t even look at them and directly smashed their heads into pieces.

Seeing this scene, young master Huang’s face instantly turned pale!

“You... you dare to touch my people...”young master Huang’s eyes widened.

Qin Yu looked at young master Huang coldly and said coldly, “Kid, forcefully twisting a melon is not sweet.”

Young Master Huang stood up from the ground and said with a cold face, “So what? I have many women by my side. She’s just one of them! I don’t care if he’s sweet or Not!”

Qin Yu’s face turned cold and said, “Kid, I advise you to give up on this idea.”

Young master Huang sneered, “You are in trouble now. No one dares to provoke our Huang family here!”

“Is that so?” Qin Yu sneered again and again, “What a coincidence. In Shengguo, I am not afraid of anyone.”

Just as Qin Yu said, Qin Yu was the Master of all the major forces. What was a mere aristocratic family to him?

Young Master Huang wiped the blood from the corner of his mouth. He pointed at Qin Yu and said, “Alright! If you have the ability, don’t leave!”

“I’m not leaving. Go back and tell your father. I’ll give him one hour to bring the Huang family and the young ones to kneel down and apologize,” Qin Yu said coldly.

“If I don’t see them in one hour, I’ll make the Huang family disappear from this world.”

Young Master Huang didn’t say a word. He just sneered.

He turned around and left the Yang family. When he reached the door, he said fiercely, “Don’t go if you’re a man. If you dare to leave, I’ll kill this little B \* Tch!”

After saying this, young master Huang ran away.

Yang Jing's face was very ugly. She couldn't help but sigh and said, "Qin Yu, you'd better leave quickly. The Huang family is very powerful in Shengguo..."

"How Big?" Qin Yu laughed.

Yang Jing thought for a moment and said, "Do you know about the Tian he alliance? His father is a member of the Tian he alliance! And he is a high-ranking member of the Tian he alliance!"

"The Tian he alliance?" Qin Yu raised his eyebrows and couldn't help but sneer.

"The Tian he alliance seems to have been destroyed. Don't tell me you don't know?"

Yang Jing frowned and said, "Destroyed? When did it happen? Who Did It? The Purple Flame sect?"

"The Purple Flame sect is gone too." Qin Yu shook his head.

"To be precise, there is only one force in Sheng Kingdom now. That force is called Heaven's Gate."

"And I am the leader of Heaven's Gate."

Hearing this, Yang Jing couldn't help but laugh, "Qin Yu, don't joke around. I admit that you have some ability, but compared to the forces in Zhe, you are still far from it."

"Qin Yu, I already owe you a favor. You should leave quickly. For me, there's no need to offend the Huang family."

Qin Yu shook his head and said, "I don't like bullies who force their way in."

Because the Han family was the same back then. Seeing Yang Jing today, Qin Yu thought of Yan Ruoxue back then.

"Miss, you'd better go and ask about the heaven's Gate. Now the Heaven's Gate is the biggest organization in Shengguo. The Heaven's Peace League is nothing."The Mustache Man said with a smile.

Seeing this, Yang Jing couldn't help but sigh slightly.

She obviously didn't believe Qin Yu's words.

Tianhe alliance had been standing in Shengguo for many years. How could it collapse just like that?

"Well, go and make some food. I'm a little hungry,"Qin Yu patted his stomach.

Yang Jing couldn't help but smile bitterly, "You're still in the mood to eat at this time. You're so generous."

Having said that, Yang Jing still obediently went to the kitchen.

A few minutes later, Yang Jing came out with two bowls of noodles.

"There's nothing to eat at home. Make do with it,"said Yang Jing.

Qin Yu smiled and said, "It's already very good. My favorite food is noodles."

"Not bad. It would be even better if there were two heads of garlic,"the mustache man nodded silently.

The two of them picked up the noodles and began to eat slowly.

Seeing that one hour was getting closer and closer, Yang Jing began to feel uneasy.

She paced back and forth anxiously in the living room. The anxiety in her eyes could not be concealed.

“Phew.” At this time, Qin Yu patted his stomach and sat on the sofa in satisfaction.

“I’m full.”

As he spoke, Qin Yu glanced at the clock on the wall and couldn’t help but frown. “It’s been an hour, right?”

Yang Jing said in a low voice, “Yes, exactly an hour.”

A trace of coldness instantly flashed across Qin Yu’s face.

“This Huang family has turned a deaf ear to my words,” Qin Yu narrowed his eyes and said.

At this moment, a voice came from outside.

“Who dares to make the Huang family kneel and apologize?”

Before the voice fell, a man walked in with young master Huang.

This man was none other than the head of the Huang family, Huang Ren!

“Who dares to make the Huang family kneel?” Huang Ren said coldly.

Young Master Huang pointed at Qin Yu and said, “Dad, it’s him!”

Yang Jing's face was a bit ugly. She quickly walked forward and explained, "Mr. Huang, this is a misunderstanding. Qin Yu is my friend. It has nothing to do with him."

Huang Ren was about to get angry when he heard Qin Yu's name. His face suddenly changed.

"Qin... Qin Yu?" Huang Ren scratched his ears.

He hurriedly looked at the young man on the sofa and asked tentatively, "You... You Are Qin Yu?"

Qin Yu did not answer him.. Instead, he frowned and said, "I clearly remember that the people of the Heavenly Peace Union were all killed by me. How could there still be a fish like you who slipped through the net?"

Chapter 796: Chapter 796, uncontrollable killing intent

Huang Ren's expression instantly changed drastically!

It was really Qin Yu!

When the Heavenly Peace Alliance was exterminated that day, he happened to be absent and narrowly avoided the calamity.

But he never expected to meet Qin Yu here again today!

"Exterminating the Heavenly Peace Alliance? What the F \* ck are you talking about?" Young master Huang was still recklessly clamoring.

Huang Ren's expression changed. He slapped young master Huang hard on the face and cursed, "Hurry up and apologize to sect leader Qin!"

“There’s no need to apologize.”Qin Yu shook his head.

“I said I’ll only give you one hour. It’s already been one hour and five minutes,”Qin Yu said coldly

Huang Ren’s forehead immediately broke out in cold sweat. He said with a trembling voice, “Sect leader Qin, i... I didn’t expect it to be you...”

“That has nothing to do with me,”Qin Yu said coldly.

“Since you have exceeded the time limit, you must be punished.”

After saying that, Qin Yu raised his hand and smashed young master Huang into meat paste.

Yang Jing, who was at the side, suddenly screamed in fear. Huang Ren’s face was full of grief.

“Okay, it’s your turn,”Qin Yu said.

“I’m merciful and soft-hearted, so I won’t destroy your entire family. It’s enough to just kill the two of you.”

Huang Ren hurriedly said, “No... Don’t. Sect Master Qin, I already know my mistake. I promise I Won’t disturb Miss Yang again. I...”

“Slap!”

Before he could finish, Qin Yu had already smashed Huang Ren’s head with a slap.

In the blink of an eye, the Huang father and son died here.

Yang Jing couldn't help but cover her mouth. Her eyes were full of horror.

Qin Yu glanced at Yang Jing and said, "Well, your problem has been solved. Don't worry."

After saying that, Qin Yu flicked his finger, and a wisp of spiritual fire directly burned the bodies of the two people into ashes.

Yang Jing's face was still full of fear.

It was impossible for two people to die in front of her. It was impossible to say that they were not afraid.

Seeing this, Qin Yu didn't know what to say.

After more than an hour, Yang Jing finally calmed down a little.

She whispered, "Qin Yu, are the major forces in Shengguo Really Yours?"

"Of course," Qin Yu said with a smile.

"If you have any problems in the future, call me. The people of the Heaven's Gate will help you."

"Thank... Thank you." Yang Jing sighed slightly.

Seeing her expression, Qin Yu couldn't help but say, "Do you think I'm Too Cruel? There's no need to kill them?"

Yang Jing bit her lip and said, "I just don't think there's a need to kill Huang Ren. He's already scared out of his wits..."

Qin Yu shook his head and said, “Yang Jing, I’ve experienced a lot in the past two years, and I’ve slowly learned a truth.”

“Being merciful to the enemy is cruel to yourself. Their fear of me will pass day by day with time. When that time comes, the one who will suffer will be you.”

Yang Jing was deep in thought when she heard this.

Qin Yu stood up and said, “Well, I still have something to do, so I won’t stay any longer. If there’s anything, you can call me again.”

“Are you leaving in such a hurry?” Yang Jing said in surprise.

“Yes, I have something important to deal with when I return to China,” Qin Yu said.

With that, Qin Yu walked out of the door with the handlebar mustache.

Yang Jing whispered behind him, “In any case, Qin Yu, thank you very much.”

Qin Yu smiled and said no more.

After leaving the Yang family, Qin Yu and the handlebar mustache went directly to the airport.

After arriving at the airport, Qin Yu and the handlebar mustache sat there quietly waiting for the plane.

At this moment, the moustache man suddenly asked, “Qin Yu, do you feel that your killing intent is getting stronger and stronger? If it were in the past, would you have massacred the entire sect?”

Qin Yu remained silent. He naturally realized this problem.

For some reason, Qin Yu's killing intent was extremely serious recently. Many times, he could not even restrain himself.

"Sigh, I suspect that you have been infected by that masked woman," the moustache man muttered.

Qin Yu looked at the handlebar mustache and said, "I've seen my own path of cultivation before. It's a path of killing. It has nothing to do with others."

The handlebar mustache shrunk his neck and muttered, "Just don't kill me."

Qin Yu said jokingly, "That's hard to say. Be careful."

...

At this moment, in the country.

Granny Qin, who had been sleeping for many days, finally woke up.

Under the treatment of the martial arts association, her body had completely recovered.

She was sitting in her room. Beside her, there was a huge python coiled up.

And this Python was Blackie's heaven-swallowing Python.

Granny Qin lovingly stroked Blackie's head and said, "Don't worry, I'll definitely make you return to your human form as soon as possible."

Blacky used his huge head to gently rub Granny Qin, as if in response.

Granny Qin couldn't help but recall the scene of the battle that day.

As well as the two terrifying corpses beside Qin Yu and that strange little girl, Xiao Yu.

“Just what kind of secret is Qin Yu hiding...”recalling that day, a trace of horror flashed across Granny Qin's face!

She didn't even dare to look for Qin Yu again, afraid that she would run into those two corpses!

With just a glance, he had shattered the martial saint's weapon. What kind of strength was this!

At this moment, Granny Qin's phone rang.

Picking up the phone, two cold words came from the other end: meeting.

Granny Qin didn't dare to be negligent. She hurriedly got up and rushed to the conference room of the Jingdu Martial Arts Association.

In the conference room, all the higher-ups had already arrived.

This time, Xia hang also participated in a rare event.

Granny Qin quickly rushed to the venue. Facing the few higher-ups, Granny Qin could not help but lower her head.

“I'm sorry, I wasn't able to do my job well.”Granny Qin lowered her head and did not dare to stand up for a long time.

“Alright, it’s useless to talk about this. Come and sit down,” said a higher-up.

Hearing this, Granny Qin quickly walked over and sat down.

“Granny Qin, I have two important tasks for you,” a higher-up said.

Granny Qin quickly said, “Please give me your orders!”

The higher-up said coldly, “Bring the two corpses beside Qin Yu and the little girl called Xiao Yu here.”

Hearing this, a trace of panic flashed across Granny Qin’s face.

She said in a trembling voice, “My lords, those two corpses possess extraordinary strength. With my ability, I’m afraid...”

“It’s Alright,” a higher-up said.

“Those two corpses were figures from ten thousand years ago. Although I don’t know why they suddenly awakened their consciousness last time, this kind of situation is very difficult to happen.”

“You can bring your people there. We will give you the martial saint weapon again.”

Hearing this, Granny Qin quickly nodded and said, “Yes, I will do it right away.”

“Yes, remember, you must do it as soon as possible. If you can get those two corpses, they will definitely be of great use.”

“To us, it might be of historic significance.”

Chapter 797: Chapter 797, return to Jingdu!

Granny Qin hurriedly stood up and said, "Please rest assured, I will definitely complete the mission!"

At this point, Granny Qin suddenly raised her head and said, "My lords, I have another request."

"Request? What Request?" A higher-up asked coldly.

Granny Qin gritted her teeth and said, "I want a body transformation pill..."

The higher-ups were silent for a moment, and then coldly said, "Is it for your heaven swallowing Python?"

"Yes..." Granny Qin lowered her head.

A higher-up coldly said, "Granny Qin, you've worked for the Jingdu Martial Arts Association for so many years. You should know that if you work here, don't give yourself too many restrictions. Otherwise, it will affect the entire association."

"That's right. If you have worries in your heart, the knife in your hand will not be happy," another higher-up said.

Granny Qin raised her head and said with a pleading tone, "I have never married for the sake of the martial arts association, and I have never left behind any descendants. The only thing that is important to me now is little black."

"I would like to ask the high-ranking officials to give me a body transformation pill on account of my hard work!"

The high-ranking officials seemed to be moved.

A moment later, a high-ranking official said, "Come back in three days to collect it."

Granny Qin quickly bowed and said, "Thank you, Lord higher-ups!"

After leaving the meeting room, Granny Qin quickly rushed to the mansion with the handlebar mustache.

Unfortunately, there was no one in the mansion.

On the other side, Xia hang hurriedly called Qin Yu.

At this time, Qin Yu had not boarded the plane and his phone was not switched off.

After picking up the phone, Xia Hang told Qin Yu everything.

"Quickly hide that little girl and the corpse in your hands well," Xia Hang said in a deep voice.

Qin Yu rubbed his chin and sneered, "I had already guessed that they would do this. Don't worry, I will make proper arrangements."

The plane flew over the sky.

By the time Qin Yu arrived at the fire country, it was already late at night.

After thinking about it, Qin Yu finally decided to hide the coffin, the pictures, and the corpse all in Jiangcheng.

It was Qin Yu's hometown, and also the safest place.

That night, Qin Yu rushed back to Jiangcheng and hid the coffin in the courtyard of his home.

After all this was done, it was already early in the morning.

Qin Yu wiped the sweat from his forehead. He looked at his surroundings and whispered, "It's been a long time since I've been back."

There were Qin Yu's old friends here, but Qin Yu didn't have any time to stay.

Therefore, he didn't inform anyone. Early in the morning, he took a car and rushed back to Jingdu Martial Arts Academy.

As soon as he returned to the manor with the handlebar mustache, he saw two purple-robed men standing at the gate of the manor.

Qin Yu walked straight forward and asked, "Purple-robed lords, What's the matter?"

The two purple-robed men looked at each other and said, "Qin Yu, where have you been these past few days? Why didn't you inform us beforehand?"

Qin Yu sneered and said, "I don't think I need to inform you where I'm Going, right?"

The two purple-robed men said coldly, "You are now involved in an important matter. We will temporarily restrict your movements. We hope that you can cooperate."

"Cooperate the F \* ck!" Qin Yu said impatiently.

“Go back and tell Granny Qin, if you have something to say, say it. Don’t waste my time.”

After saying this, Qin Yu was about to go in.

The two purple-robed men took a step forward and blocked Qin Yu’s path.

Qin Yu’s expression turned cold, and a strong killing intent immediately erupted from his body!

After sensing this killing intent, not only the two purple-robed men, but even the mustache man’s expression couldn’t help but change!

“Hey, Hey, Hey, calm down, you two. If there’s anything, let Granny Qin come and talk.”The Mustache Man hurriedly tried to smooth things over.

These two purple robes had long been scared out of their wits. Since the mustached man had given them a way out, they naturally went down the slope.

After they had left, the mustached man could not help but frown and said, “Qin Yu, it’s time for you to restrain your killing intent.”

Qin Yu also frowned slightly.

Ever since he had obtained the power of a martial saint, this killing intent seemed to be out of control and could erupt at any time.

“If you hadn’t stopped them just now, the two of them might have really died,”Qin Yu said in a low voice.

The Mustache Man smiled bitterly and said, "If this continues, I'm really afraid that you'll become the next masked woman."

Not only the Mustache Man, Qin Yu was also a little worried.

After returning to their residence, Qin Yu and the Mustache Man tidied up briefly.

Half an hour later.

Granny Qin led several purple-robed men and Strode in.

"Surround the door!" Granny Qin said coldly.

"Yes!" The purple-robed men quickly surrounded the residence.

Granny Qin Strode into the residence.

At this moment, Qin Yu was sitting in the hall drinking tea, looking quite pleased with himself.

"Qin Yu, you're finally back," Granny Qin said coldly.

Qin Yu raised his eyebrows and said, "Old Bastard, you're really lucky. I thought you were dead."

Granny Qin's face turned cold and she said coldly, "Where are the two corpses? Hand them over now!"

Qin Yu put down the Teacup in his hand and said, "If I hand them over, aren't you afraid that they'll slap you to Death?"

A trace of fear flashed across Granny Qin's face and she even took a step back unconsciously.

It was obvious that the previous incident had left a psychological scar on Granny Qin.

Granny Qin took a deep breath and said coldly, “Qin Yu, I am here under the orders of my superiors to ask you for the corpse and the little girl.”

“This is not a personal grudge between you and me, but an order from the highest level of the Jingdu Martial Arts Association!”

Qin Yu sneered, “What right do they have to order me? They are your superiors, not mine.”

“You want those two corpses, right? Fine, I’ll Give You Yan Ruoxue in exchange!”

Granny Qin’s expression instantly turned cold.

“Qin Yu, I advise you to not be Shameless!”Granny Qin’s body emitted a killing intent.

Qin Yu’s eyes narrowed, and the killing intent on his body instantly erupted!

“Are you threatening me?”Qin Yu stood up and said.

The internal Qi emitted from Qin Yu’s body was extremely powerful and instantly suppressed Granny Qin’s Aura!

Even Granny Qin’s expression could not help but change slightly.

Qin Yu glanced at the spiritual artifact in her hand and sneered, “Martial saint’s artifact? Why? Do you want to snatch it by force?”

Granny Qin opened her mouth but did not dare to speak for a moment.

For some unknown reason, she suddenly realized that Qin Yu in front of her seemed somewhat different from before.

“How about this?” The mustached man was afraid that Qin Yu would not be able to restrain his killing intent, so he quickly stood up and said.

“The victor between Qin Yu and Blacky has not been decided yet. Let’s use these two corpses as stakes.”

“If Qin Yu wins, you guys bring Qin Yu to the mystic realm where Yan Ruoxue is imprisoned. If Blacky wins, Qin Yu will hand over the two corpses. What do you think?”

Qin Yu glanced at the handlebar mustache and smiled without thinking..  
“Okay, I agree.”

Chapter 798: Chapter 798, the Magic Weapon of the pavilion of Heavenly Secrets

Granny Qin’s face was gloomy. She had originally planned to rely on the martial saint’s weapon to forcefully bring the corpse back.

But now, for some unknown reason, when she faced Qin Yu, she actually felt some fear in her heart.

She did not know if it was because of the two corpses or because of Qin Yu himself.

After thinking over and over again, Granny Qin snorted coldly and said, “I hope you will keep your word. Otherwise, the JINGDU martial arts association will not let you off!”

After saying this, Granny Qin turned around and left.

Looking at her departing back, Qin Yu could not help but let out a cold snort.

“Come, you also possess the power of a martial saint. Let Me See who is stronger.”Qin Yu said with a cold smile.

Granny Qin turned around and returned to her own residence.

She looked at Blackie, who was leaning against her body, and could not help but smile.

“The higher-ups have already agreed. They will give me the transformation pill the day after tomorrow,”Granny Qin said with a smile.

“At that time, you will still return to your human form.”

Hearing this, Blackie used his huge head to gently rub Granny Qin.

At this moment, Granny Qin sighed slightly and said in a low voice, “Ever since that Qin Yu appeared, Jingdu has become more and more restless.”

At the mention of Qin Yu’s name, Little Black’s mouth immediately spat out his tongue, and his body also trembled slightly.

An angry internal Qi wandered through the room, shaking the entire room until it buzzed.

Granny Qin comforted him, “I know you hate him. Don’t worry. When you return to your human form, I will give you a chance.”

Hearing this, Little Black’s trembling body finally eased up.

...

For the rest of the day, Qin Yu did not leave the mansion with the handlebar moustache.

On this day, Qin Yu had just taken out the power of creation from the spatial artifact when someone suddenly walked in from outside.

“Qin Yu, someone is looking for you.”The person who came was a staff member of the Martial Arts Academy.

Qin Yu glanced at him and frowned, “Someone is looking for me? Who is looking for me?”

“The Pavilion Master of the pavilion of heavenly secrets, Luo Jingyu.”

Hearing this name, Qin Yu couldn't help but raise his eyebrows.

The Pavilion Master of the Pavilion of Heavenly Secrets? He came looking for him?

“I got it. I'll go out immediately,”Qin Yu said.

He put away the power of creation and couldn't help but smile coldly.

It seemed that the Pavilion Master of the pavilion of Heavenly Secrets was here to settle the score.

Qin Yu stood up and walked out of the martial arts academy in large strides.

At the entrance of the academy, he saw an old man and a young man standing there.

These two people were the father and son of the pavilion of heavenly secrets.

And behind them were three people.

The three people were carrying boxes of various sizes in their hands, which looked like gifts.

Qin Yu walked directly to Luo Jingyu and said with a faint smile, “Pavilion Master Luo, what business do you have with me?”

Luo Jingyu bowed and said, “A few days ago, I went out on an errand and didn’t return for a long time, so the pavilion of heavenly secrets was handed over to my son.”

“I never thought that my son would actually do such a heinous thing. After I heard about it, I immediately brought a generous gift to apologize to you.”

“Apologize?” A trace of surprise flashed across Qin Yu’s face.

This was something that Qin Yu didn’t expect.

Luo jingyu sighed and said, “My son has been pampered since he was young and doesn’t know etiquette. Mr. Qin, please forgive me.”

As the saying goes, one shouldn’t hit a smiling person.

Luo Jingyu’s attitude made it difficult for Qin Yu to flare up.

“Pavilion Master Luo is too polite,” Qin Yu replied indifferently.

Luo Jingyu sighed slightly and said, “His actions not only affected him personally, but also the entire pavilion of Heavenly Secrets! He is simply embarrassing the pavilion of Heavenly Secrets!”

After saying that, Luo Jingyun looked at Luo Yang with a cold face and berated, “Why aren’t you apologizing to Mr. Qin?”

Luo Yang quickly walked in front of Qin Yu, bowed and said, “Mr. Qin, I was rude and offended you. Please forgive me.”

Qin Yu frowned.

This was not like Luo Yang’s personality.

“No worries.” Qin Yu waved his hand.

“Why aren’t you thanking Mr. Qin?” Luo Jingyu berated.

Luo Yang quickly bowed and said, “Thank you, Mr. Qin, for your magnanimity!”

Then, Luo Jingyu looked at the people behind him and said with a smile, “Mr. Qin, this is a small token of appreciation. Take it as an apology. Please accept it.”

Qin Yu looked at the few boxes.

He released his spiritual sense and found that the boxes were all containing some spiritual artifacts.

Although these spiritual artifacts couldn’t be considered top-notch, they were still considered top-notch.

Qin Yu waved his hand repeatedly and said, "Pavilion Master Luo is too polite. I appreciate your apology. It's better to take back this gift."

Luo Jingyu said with a stern face, "That won't do. If you do something wrong, you have to pay the price. This is what you should do!"

"Hurry up and carry the things in for Mr. Qin!" Luo Jingyu shouted.

The few of them quickly carried the box and walked into the martial arts academy.

Unfortunately, outsiders couldn't enter at all, so they could only leave the box at the door.

Such a posture indeed surprised Qin Yu.

If Luo Jingyu really had such a posture, how could he have taught such an impolite person like Luo Yang? This was unreasonable.

Qin Yu was silent for a moment and said, "Pavilion Master Luo, is there something you want to talk to me about? If there's something, just say it."

"I like Mr. Qin's temper," Luo Jingyu said with a smile.

"Then I'll be frank with you. You took a spatial god weapon ring from the pavilion of Heavenly Secrets, right?"

Qin Yu smiled and said, "Yes."

Luo Jingyu quickly said, "That spatial god weapon is very important to me. Please return it to me, Mr. Qin. If you like it, I can give you another spatial god weapon."

As expected, he had something to ask!

Although that was the case, that spatial artifact was snatched by Qin Yu, so returning it was not unreasonable.

“I haven’t brought that spatial artifact yet.” After thinking about it for a while, Qin Yu finally decided to think about it.

Luo Jingyu frowned slightly and said, “Mr. Qin, why don’t you go back and get it? I’ll wait for you here.”

Qin Yu smiled and said, “How about this? I’ll send it to the pavilion of heavenly secrets in a few days.”

Luo jingyu frowned and said, “Mr. Qin, this thing is very important to me. You’d better go back and get it.”

“Sigh, I’ve put a lot of things in this spatial artifact. Even if I want to clean it up, it’ll take a few days. Pavilion Master Luo, why are you in such a hurry?”

Luo Jingyu opened his mouth and wanted to say something, but at this time, he changed the topic and said with a smile, “Okay, I’m not in a hurry. How about this, I’ll set up a table in the pavilion of Heavenly Secrets Tomorrow and wait for Mr. Qin to come.”

“Okay.” Qin Yu nodded and agreed.

“Then I won’t bother you anymore.” Luo Jingyu bowed slightly to Qin Yu and then left with Luo Yang.

After walking far away, Luo Jingyu’s face instantly darkened.

“Dad, this kid is too arrogant! He really doesn’t want face when given face!” Luo Yang couldn’t help but scold.

Luo Jingyu glanced at Luo Yang and snorted coldly, “Let him be proud first. Wait until I get the ring back, then I’ll settle the score with him!”

## Chapter 799: Chapter 799, Hongmen banquet

At this point, Luo Jingyu let out a sigh of relief.

“Judging from Qin Yu’s performance, he probably didn’t discover the secret inside the ring. This can be considered a blessing in disguise,” Luo Jingyu said in a low voice.

Luo Yang, who was at the side, said worriedly, “What if he discovered it in the past two days? As far as I know, the handlebar mustache beside him seems to know something.”

Hearing this, Luo Jingyu’s expression changed slightly.

His brows were tightly furrowed, and his face was filled with intense worry.

“If it really can’t be done, why don’t we look for the people from the JINGDU martial arts association to pressure him?” Luo Yang suggested.

Luo Jingyu shook his head and said coldly, “I’ve already looked, but the people from the Jingdu Martial Arts Association said that Qin Yu doesn’t care about them at all.”

“Dad, then what should we do?” Luo Yang looked worried.

Luo Jingyu sighed and said in a low voice, “We can only take it one step at a time.”

...

On the other side, after Qin Yu went back, he rummaged through the cabinets and found this ring.

He played with the ring and said in a low voice, “The pavilion of Heavenly Secrets has brought so many Babe just to exchange for this ring, which means that this ring must be of higher value.”

Although that was the case, this thing was stolen after all. To Qin Yu, it seemed like it was only right to return it.

“Yo, where did you get so many Babe?” At this time, the mustached man walked in from outside.

Qin Yu told the mustached man the whole story.

When the mustached man heard that, a trace of surprise flashed across his face.

He frowned and said, “As far as I know, this Luo Jingyu is not a good guy. He can’t do such an apology thing.”

“Mm, otherwise, how could he have such a character like Luo Yang?” Qin Yu nodded slightly.

He handed the ring to the handlebar mustache and said, “Can you see any secrets in this ring?”

The handlebar mustache said, “Maybe there is a treasure hidden in it?”

Hearing this, Qin Yu tried to probe into it with his spiritual sense.

But the moment that spiritual sense fell into it, a mist rushed toward him.

The surroundings instantly became pitch-black, and he couldn't see his direction.

Qin Yu's spiritual sense instantly lost its use in the spatial divine artifact.

Qin Yu hurriedly withdrew his spiritual sense, and he couldn't help but frown slightly.

"I'm afraid there really is some treasure in this ring," Qin Yu said while stroking his chin.

"But this ring is someone else's after all. It doesn't seem reasonable for me to forcefully occupy it."

The mustached man at the side sneered, "What if you return the ring and Luo Jingyu turns hostile and refuses to acknowledge you? At that time, you'll probably die of anger."

"That's true." Qin Yu felt that it made sense.

After thinking over and over again, the corners of his mouth curled up into a smile.

The next day.

Qin Yu went to the pavilion of heavenly secrets again according to the agreement.

In his hand was a brocade box.

And inside the brocade box was the ring.

As soon as Qin Yu entered the door, the members of the pavilion of Heavenly Secrets on both sides hurriedly bowed and said, “Mr. Qin, Our Pavilion Master has been waiting for you for a long time. Please follow me.”

With that said, the two of them led the way in front and stepped through the hall of the pavilion of Heavenly Secrets.

Behind this pitch-black house was a towering mountain.

On this tall mountain, a few words were written by someone: Pavilion of Heavenly Secrets.

“Truly magnificent.” Seeing this, Qin Yu sighed from the bottom of his heart.

He released his spiritual sense and was surprised to discover that the pavilion of heavenly secrets actually had many martial marquises hidden within.

Apart from this, there were also several unknown powers.

“It seems that the pavilion of heavenly secrets is not as simple as it seems on the surface.” Qin Yu thought to himself.

To be able to develop to such a scale, it must have a strong foundation, and the pavilion of Heavenly Secrets was no exception.

Under the lead of the two, Qin Yu began to climb the mountain.

The peak of the mountain seemed to have been flattened by someone. It was a large plain.

And on that plain, a huge villa was located there.

“Mr. Qin, please come in,”the two bowed and said.

Qin Yu Strode into it. The first thing he saw was a huge cabinet.

There were many spiritual artifacts on the cabinet, and they were all top-notch!

Even the divine dragon blade in Luo Yang’s hand was placed on the wall.

“Mr. Qin, you’re finally here.”At this moment, Luo Jingyu walked out.

He warmly shook hands with Qin Yu and said, “Quick, hurry up and serve the table.”

However, Qin Yu waved his hand and said, “There’s no rush.”

He sized up the magic artifacts on the cabinet and said with a smile, “These magic artifacts are not ordinary. They should be more precious than those outside, right?”

Luo Jingyu said with a faint smile, “Good eyesight. The magic artifacts here are indeed more precious. They are a one-in-a-million Babe.”

Hearing this, Qin Yu said with some doubt, “Pavilion Master Luo, that ring is so important to you. Why did you put it in the hall outside?”

Luo Jingyu sighed slightly and said, “I had something important to do that day. Before I had time to deal with it, I put it on the iron platform. Unexpectedly, something like this happened.”

Qin Yu suddenly came to a realization. He glanced at the spiritual artifact on the cabinet and said, "This divine dragon blade is not bad."

Luo Jingyu's eyes rolled. He immediately took the divine dragon blade and stuffed it into Qin Yu's hands.

"If Mr. Qin wants it, just take it! Just treat it as a friend!" Luo Jingyu said with a smile.

Qin Yu didn't stand on ceremony and immediately put away the Divine Dragon Blade.

"This horsetail whisk seems to be not bad. Is it a heaven rank magic weapon?" Qin Yu's gaze fell on another horsetail whisk.

Seeing this horsetail whisk, Luo Jingyu's mouth twitched.

He braced himself and said, "You can take it if you like!"

"Then thank you very much, pavilion master Luo." Qin Yu also kept the horsetail whisk.

Following that, Qin Yu picked out several heaven rank magic weapons in succession.

What was surprising was that Luo Jingyu actually agreed to all of them!

One had to know that heaven rank magic weapons were extremely precious. Even for the pavilion of heavenly secrets, there weren't many of them.

And Qin Yu had taken four or five of them. Even the pavilion of heavenly secrets couldn't bear it.

The most puzzling thing was that Luo Jingyu had actually agreed!

“Mr. Qin, Let’s go. Let’s hurry up and take our seats,” Luo Jingyu said with a smile.

Qin Yu nodded and said, “Okay. Today, I still have to thank pavilion master Luo for his gift.”

With that, the two of them walked upstairs.

A banquet had already been set up upstairs. Besides Luo Yang, there was also a group of beautiful women in Cheongsam standing at the side.

These women had curvaceous figures and were extremely seductive. Anyone who looked at them would be unable to resist.

“Pavilion Master Luo, what does this mean?” Qin Yu said in surprise.

Luo Jingyu laughed out loud and said, “We are all men. Men only have that little hobby. Don’t stand on ceremony!”

After saying that, Luo Jingyu clapped his hands, and the more than ten beauties in cheongsam all surrounded Qin Yu.

Their graceful bodies were tightly pressed against Qin Yu’s body, and their palms were slowly moving on Qin Yu’s chest.

Chapter 800: Chapter 800: Thank You for Your Magic Tool and Golden Core!

Several beautiful women in Cheongsam exhaled into Qin Yu’s ear like orchids.

That seductive internal Qi filled the entire room.

Qin Yu's body trembled slightly, and these women were immediately forced back a few steps.

"Pavilion Master Luo, there's no need for that. Let them go out first," Qin Yu said expressionlessly.

Luo Jingyu said with some surprise, "What? Mr. Qin doesn't like it? Why don't we change the batch?"

"There's no need." Qin Yu walked straight to the table and sat down.

Seeing this, Luo Jingyu didn't ask for trouble anymore.

He poured a glass of wine for Qin Yu and said with a smile, "Mr. Qin, we can be considered to have gotten to know each other without fighting. This glass of wine is for you. I hope we can become friends in the future!"

Qin Yu raised his cup and downed it in one go.

After drinking a cup of wine, Luo Jingyu said somewhat impatiently, "Mr. Qin, did you bring that ring?"

"Of course." Qin Yu said with a smile.

Luo Jingyu suppressed the excitement in his heart and said, "Mr. Qin, that ring is quite important to me. If it's convenient, please return it to Me First."

Qin Yu smiled and said, "What's the secret of this ring? Why is pavilion master Luo so nervous?"

Luo Jingyu pretended to sigh and said, "There's no secret to this ring. It's just that it's a token of my love with my wife, so I can't lose it."

Qin Yu said in surprise, "I didn't expect pavilion master Luo to be such a sentimental person."

"Mr. Qin, you must be joking. Then you see..." Luo Jingyu rubbed his hands, looking a little anxious.

Qin Yu took out the brocade box from his pocket.

He handed the brocade box to Luo Jingyu and said, "The ring is in here. Take it, pavilion master Luo."

Luo Jingyu snatched the brocade box and opened it anxiously.

Seeing the ring inside, Luo Jingyu immediately heaved a sigh of relief.

"Pavilion Master Luo, is there a problem?" Qin Yu said with a smile.

Luo Jingyu counted with a faint smile, "No problem, but Mr. Qin, I'm afraid there's something wrong with you."

Qin Yu put down the chopsticks in his hand and raised his eyebrows, "Pavilion master Luo, what do you mean by that?"

Luo Jingyu had yet to speak when Luo Yang, who was at the side, slammed the table and stood up!

He pointed at Qin Yu's nose and said, "Qin Yu! Do you really think we want to be friends with you? Why Don't you take a look at yourself in the mirror? Do You Think You're Worthy?!"

“You hit me and stole our things. Do you think this matter will be settled just like that? !”

Qin Yu’s eyes narrowed slightly. He looked at Luo Jingyu coldly and said, “Pavilion Master Luo, is that what you mean too?”

Luo Jingyu didn’t answer this question. Instead, he smiled faintly and said, “Qin Yu, return my magic artifact. Perhaps I can spare your life.”

Seeing this, Qin Yu couldn’t help but laugh out loud. “As expected, what kind of son you have is what kind of father you have.”

Luo Jingyu said with a sneer, “Is it still useful for you to say these things now? Return the magic weapon. At least you will suffer less physical pain.”

“Just the two of you?” Qin Yu said coldly.

Luo Jingyu wasn’t in a hurry. He clapped his hands, and immediately, several martial marquises rushed out.

They held the magic artifacts of the pavilion of heavenly secrets in their hands, and they looked extraordinary.

“Even if we add them, it won’t work.” Qin Yu shook his head and said.

Luo Jingyu said indifferently, “Qin Yu, I know that your subordinates have some ability, but if I don’t do a complete plan, how could I shed all pretense of cordiality with you?”

Luo Yang, who was at the side, laughed loudly and said, “Qin Yu! The wine you drank just now was poisoned long ago! If I’m not wrong, you should have lost all your internal energy by now!”

Qin Yu didn't say anything. He stared at the wine in front of him and couldn't help but sigh slightly.

“Should I say that you guys are stupid or that you guys are smart?” Qin Yu shook his head helplessly.

Luo jingyu frowned and said, “What do you mean by that?”

Qin Yu slowly stood up and said, “If you guys are honest with each other, I'm willing to return this ring. After all, I was the one who snatched it, but you guys chose a troublesome and Wrong Path.”

Luo Jingyu snorted coldly and said, “So what? The ring is now in my hands!”

Qin Yu sneered and said, “You made preparations. Don't tell me that I didn't make preparations?”

“Open the brocade box and take a look. Is that your ring?”

Upon hearing this, Luo Jingyu's expression changed greatly!

He hurriedly opened the brocade box and carefully observed it!

Only at this moment did he realize that this ring was actually fake! A high-quality imitation!

“You... you dare to lie to me? !” Luo Jingyu instantly flew into a rage!

Qin Yu sneered and said, “I predicted that you would lose your mind due to excitement and wouldn't carefully observe it. As expected, it's just as I expected.”

Luo Jingyu gnashed his teeth and said, "Return the ring to me, or I'll kill you!"

Qin Yu sighed again.

"Pavilion Master Luo, your brain doesn't seem to work," Qin Yu said with a cold smile.

He shook the wine cup in front of him and said with a cold smile, "Do you think I won't notice that you poisoned the elders of the Divine Alchemist Pavilion?"

As he spoke, Qin Yu opened his mouth and spat out all the wine!

Luo Jingyu's expression changed drastically again! He gritted his teeth and countless expressions flashed across his face.

A moment later, Luo Jingyu suddenly laughed out loud, "Qin Yu, I was just joking with you. Why Are You So Serious? Hurry up and sit down!"

Qin Yu mocked, "Look, your brain is really not good. It's acting up again."

"You!" Luo Jingyu's expression was extremely gloomy.

He said coldly, "Qin Yu, you better hand over that ring, or I won't let you off!"

Qin Yu's face instantly turned extremely cold.

"Pavilion Master Luo, I seem to have contracted a disease recently," Qin Yu said coldly.

“I don’t know what’s wrong with me, but I can’t restrain the killing intent in my heart, and I especially want to kill someone...”

Before he finished speaking, Qin Yu suddenly stretched out his hand and crushed the head of a martial marquis!

Such speed made people speechless!

Even Luo Jingyu was shocked!

“Luo Jingyu, thank you for the Magic Tool and.... Golden Core!”

Chapter 801: In the 800th chapter, he would fight little black again!

Luo Jingyu’s expression changed drastically. He subconsciously took two steps back and shouted, “Let’s attack together and kill him!”

Several marquises immediately activated their magic weapons and charged at Qin Yu!

Qin Yu’s expression was cold and full of killing intent.

He clenched his golden light and suddenly threw a punch!

“Boom!”

With just this punch, the charging Marquis was sent flying!

The spiritual artifacts in their hands were directly shattered!

This scene immediately made the Luo father and son suck in a breath of cold air!

It had only been a few days, how did Qin Yu grow to such an extent? !

“Not good, retreat quickly!” Luo Jingyu sensed that something was wrong. He held the spiritual artifact in his hand and muttered in a low voice. Then, he dragged Luo Yang and turned around to run!

In the blink of an eye, the two people disappeared from Qin Yu’s sight.

Qin Yu could not help but frown and snorted, “They ran quite fast.”

They ran away, but these martial marquises of the pavilion of heavenly secrets could not run away.

Qin Yu did not show any mercy. He immediately went on a killing spree, one punch after another.

In the blink of an eye, several martial marquises fell to the ground!

Qin Yu dug out their golden cores and took away their magic weapons.

Apart from that, Qin Yu turned around and returned to the hall. He looted all the magic weapons placed in the hall of the villa, leaving nothing behind!

After doing all this, Qin Yu left the pavilion of heavenly secrets.

All the magic weapons of the pavilion of heavenly secrets had been looted!

If this news were to spread, it would definitely shock the entire world!

In the afternoon, Luo Jingyu brought Luo Yang back to the pavilion of Heavenly Secrets.

Looking at the empty cabinets in the hall, Luo Jingyu's heart felt like it was cut by a knife.

“Qin Yu... This Qin Yu... Pfft!”

In his fury, Luo Jingyu spat out a mouthful of blood, and his face turned a few times paler.

“Dad!” Luo Yang hurriedly held Luo Jingyu.

Luo Jingyu glared at Luo Yang and said through gritted teeth, “It's all your fault, it's all your fault, it's all your fault!”

Luo Yang opened his mouth but didn't dare to say another word.

“Qin Yu... I want you to die, I definitely want you to die! !”

Luo Jingyu's angry roar reverberated in the hall for a long time.

...

At this moment, Qin Yu was sitting in the mansion, admiring these top-tier spiritual artifacts with his handlebar mustache.

“TSK tsk, I'm rich, I'm Rich.” The handlebar mustache licked his lips and said.

Qin Yu smiled faintly and said, “Not bad, this trip was not a waste.”

These magic artifacts were all top-notch items. Qin Yu planned to distribute them to disciples of the heaven's gate or disciples of the Green Moon Villa.

When they attacked the Jingdu Martial Arts Association, they would definitely be of great use!

At this moment, someone suddenly walked in from outside.

At a glance, it was Granny Qin, and beside her was Blackie!

At this moment, Little Black had already returned to his human form. The coldness on his face was not concealed at all.

Qin Yu slowly stood up and sneered, "You've returned to your human form so quickly. Your efficiency is quite high."

Little black said coldly, "Qin Yu, I'll See You Tomorrow at Green Hill Mountain."

"Sure." Qin Yu sneered again and again.

At this moment, Qin Yu was even more anxious than little black.

Taking advantage of the fact that the martial saint's power was still there, Qin Yu had to enter the second secret realm as soon as possible and take Yan Ruoxue away!

"Qin Yu, I hope you keep your word." Granny Qin said coldly with her hands behind her back.

Qin Yu laughed coldly and said, "Don't worry, Old Bastard."

Granny Qin snorted lightly. She did not say anything and turned around to leave with little black.

"The martial saint's power on Little Black's body is still there." The Mustache Man said with a frown.

“That’s normal. After all, it’s the Jingdu Martial Arts Association’s method. I’m afraid it’s much more advanced than the Xue family’s.”Qin Yu said.

The mustached man laughed, “Then can you defeat him?”

“With a raise of my hand.”Qin Yu said lightly.

This was the powerful confidence brought about by the martial saint’s power!

At night.

Suddenly, snowflakes floated in the sky.

Qin Yu stood in the courtyard of this mansion, allowing the heavy snow to fall on his body.

Old Mister Yan had said that on the day Yan Ruoxue was born, heavy snow fell from the sky, hence the name.

Qin Yu had also looked forward to walking in the snow with Yan Ruoxue.

All of this seemed to be within reach.

“Ruoxue, wait for me. Tomorrow, Tomorrow I will take you away!”Qin Yu clenched his fists.

Time flew by.

The next morning, little black arrived at Qinggang Mountain early.

The Qinggang Mountain had already turned into ruins, and it looked like it was in decline.

The young masters of the various major worlds in Jingdu had also arrived.

“TSK TSK, this battle is ultimately unavoidable,” Zhuang Teng sighed.

“Little Black has the power of a martial saint. It will be very difficult for Qin Yu to win unless he summons the two monsters from last time,” Chu Heng said.

Everyone could not help but shudder at the mention of the two guardians from last time.

“Tsk Tsk, I’m afraid it won’t be that simple. If Qin Yu can easily summon those two monsters, then what does the Jingdu Martial Arts Association count for?” Kong Yun could not help but snort coldly.

“That’s right. I’ve checked the information these few days. Those two monsters are completely out of control.” At this moment, Yan Jinyao opened his mouth to speak.

He crossed his arms over his chest and said coldly, “But it’s hard to say who will win today. I do hope that Qin Yu will win.”

“Oh?” A trace of surprise flashed across Zhuang Teng’s face.

Yan Jinyao snorted coldly and said, “It’s time to end things between me and Qin Yu.”

“If Qin Yu is lucky enough to survive today, I will issue a challenge to Qin Yu.”

When he said this, everyone could not help but be slightly surprised.

“Haha, the fight between Brother Yan and Qin Yu will definitely be spectacular!” Someone echoed.

Yan Jinyao didn't say a word. He closed his eyes slightly and didn't say anything more.

“HMM? It seems that someone came from the Military District?” At this moment, a car from the military district suddenly drove over.

The car stopped, and a tall man with sword-like eyebrows and starry eyes walked out.

He was wearing a military green coat, and his eyes were extremely deep. His imposing manner was hard to ignore.

“It's Ye Qing! Officer Ye is here too,” Zhuang Teng said with a frown.

“Ye Qing? Is He going to intervene?”

“The military district represents the government. Even the Jingdu Martial Arts Association doesn't dare to act Rashly.”

Ye Qing's arrival had undoubtedly pushed this great battle to its climax.

A trace of displeasure flashed across Granny Qin's face as she strode towards ye Qing.

“Officer Ye, why are you here?” Granny Qin asked tentatively with her hands behind her back.

Ye Qing glanced at her and said, “Why, can't I Come?”

Granny Qin snorted lightly and said, “Of course not. I just hope that officer ye doesn’t interfere in this matter.”

Ye Qing laughed and said, “Don’t worry. I’m only here to watch the battle. I Won’t interfere at all.”

Speaking up to this point, officer ye paused for a moment. He looked coldly at Granny Qin and said, “Also, you’d better pay attention to the tone you speak to me.. Otherwise, I can’t guarantee what will happen.”

Chapter 802: Chapter 802, beating!

Granny Qin’s expression changed slightly. Although she was extremely displeased, she still felt some fear when facing ye Qing.

Back then, Granny Qin had watched ye Qing grow up.

Moreover, the Jingdu martial arts association had given many obstacles to ye Qing’s path of growth.

Thus, the relationship between the two parties was naturally not much better.

Granny Qin snorted lightly and turned around to leave.

Just Ye Qing’s identity alone was not something she could contend with.

Ten minutes later.

A taxi drove over from not far away.

The people who came were none other than Qin Yu and the handlebar mustache!

The Moment Qin Yu got off the car, he attracted countless gazes.

Everyone looked at Qin Yu in unison and began to discuss in low voices.

Qin Yu didn't say a word. He passed through the crowd and strode towards Qinggang Mountain.

“Qin Yu!”

At this moment, ye Qing waved at Qin Yu.

Seeing ye Qing at the scene, Qin Yu was also somewhat surprised.

He quickly walked forward and exclaimed, “Officer Ye, why are you here?”

Ye Qing took a puff of his cigarette and said, intentionally or unintentionally, “I have to ensure that the people of our military district will not encounter injustice.”

These words were clearly aimed at Granny Qin and the Jingdu Martial Arts Association.

Granny Qin snorted coldly, and her heart immediately became even more displeased.

Qin Yu smiled and said, “Officer Ye, it's fine. Even if they play tricks, I'm not afraid.”

“So Confident?” Ye Qing said with some surprise.

Qin Yu glanced at Blackie and snorted coldly, “I'll kill him like slaughtering chickens and dogs.”

After saying that, Qin Yu's feet shook, and he landed in front of Blacky.

Their eyes met, and the atmosphere was pushed to the climax.

Waves of killing intent burst out from Blacky's dark pupils.

And the killing intent on Qin Yu's body was even more intense! The entire scene instantly became extremely cold!

"I've been waiting for this day for a long time." Qin Yu slightly clenched his fist, and the killing intent in his heart seemed to be unable to be restrained.

"Me Too!"

Blackie roared angrily, and the aura on his body directly exploded!

This time, both sides did not say too much nonsense!

Their hatred towards each other seemed to have been endured for a long time, and they could no longer suppress it today!

The collision of both sides' internal Qi instantly caused bursts of explosions!

And the pressure on both sides made it even more difficult to breathe!

"Qin Yu, you damn bastard!"

Along with Little Black's furious roar, he took the initiative to attack!

Relying on the power of a martial saint, Little Black threw a punch at Qin Yu!

The power of this punch was extremely terrifying. Just the wind from the punch was enough to cause the surrounding gravel to buzz!

This time, Qin Yu stood there without moving an inch.

Only a pair of cold eyes stared coldly at little black.

“Boom!”

This punch landed squarely on Qin Yu’s body!

A huge explosion exploded on Qin Yu’s body!

The crushed stones instantly turned into dust, and the dust even covered the sky!

Waves of terrifying storms swept across the entire scene, but Qin Yu, who was at the center of the storm, did not move an inch.

Little Black’s fist landed on Qin Yu’s chest. Qin Yu’s eyes were looking down at little black from above, looking coldly at him.

“How... how is this possible!” Little Black’s expression changed drastically!

This punch couldn’t even move Qin Yu? !

After all, his punch contained the power of a martial saint!

“What you have, I have.” Qin Yu’s voice sounded in Little Black’s ear.

Before little black could react, Qin Yu had already reached out and grabbed little black’s wrist.

A huge force twisted Blackie's wrist in a strange arc.

Blackie struggled with all his might, but he found that he could not break free!

“Martial saint's power, huh? I have it too!”

As his voice fell, a golden palm struck out fiercely!

“Pa!”

A clear sound, along with the sound of bones breaking, entered everyone's ears!

Blackie's body was sent flying a few hundred meters! His head was directly embedded into the ground!

The scene was silent.

No one dared to believe this scene.

“Blackie! !”Granny Qin's eyes were wide open as she shouted with all her might.

She wanted to rush forward, but was blocked by ye Qing.

“What, do you want to break the rules?”Ye Qing said coldly.

Granny Qin clenched her teeth. Tears were about to roll out of her muddy eyes.

The people around her were even more shocked!

When did Qin Yu become so powerful? ! He had completely crushed Blackie who possessed the power of a martial saint? !

Yan Jinyao's eyes widened. His pupils seemed to be filled with anger!

“Ah! ! !”

At this moment, Blackie dashed out from the ground!

Half of his face had been shattered, and it was a terrifying sight to behold!

“Qin Yu, I'm going to kill you! !” Blackie raised his head and roared, and rays of light shot out from his mouth!

This light gathered in his mouth, and in the next second, that Ray of light shot towards Qin Yu!

Qin Yu sneered, “It's useless, you'll definitely lose today!”

Facing this powerful spell, Qin Yu slightly clenched his fist, and Golden Light began to gather on his fist!

“One punch can break all spells!”

Qin Yu roared again and again, and his simple and unadorned fist instantly met it with a fierce force!

“Boom!”

A loud sound spread out!

That golden light was only delayed for half a second, and then, in a crushing manner, it poured towards Blackie!

“Boom!”

The golden light landed squarely on Blackie’s body!

He spat out a mouthful of blood, and he was forced to retreat a few meters before he finally fell to the ground!

Blackie’s body was on the verge of shattering. His supposedly indestructible skin was now drenched in blood, and it was a horrible sight to behold.

“Blacky! !”Granny Qin’s eyes immediately burst into tears!

Qin Yu was not a soft-hearted person. He took a step forward and punched Blacky’s body again!

With this punch, Blacky could not stand up at all.

His internal Qi was rapidly weakening, and his entire body was on the verge of shattering!

“You’ve lost,”Qin Yu said coldly as he looked at Blacky, who had already lost consciousness.

Granny Qin, who was not far away, shouted angrily, “He has already lost. Let Him Go!”

Qin Yu glanced at Granny Qin, who was not far away, and said with a grin, “He has indeed lost, but do you think it’s possible for me to let him go?”

After saying that, Qin Yu lifted blacky up in his hand.

Granny Qin said angrily, "What do you want to do! He has already lost. Do you want to exterminate him?"

Qin Yu sneered, "I don't know how the Jingdu Martial Arts Association brainwashed you, but I think even if I win, you won't take me to the secret realm, right?"

Granny Qin was instantly stunned.

Just as Qin Yu said, even if Qin Yu won, she wouldn't take Qin Yu to the secret realm!

Even if she had to use her spiritual sense, she would protect the Jingdu Martial Arts Association's Secret!

"It seems that I was right." Qin Yu sighed slightly.

"I have to admire the brainwashing ability of the Jingdu Martial Arts Association."

Granny Qin roared, "Qin Yu, what exactly do you want to do? If you want to kill me, then kill me!"

Qin Yu glanced at her and sneered, "Before you take me to the secret realm, I won't let him go. Take Yan Ruoxue in exchange for him!"

Chapter 803: Chapter 803, exchanging people!

Qin Yu had long guessed that Granny Qin had never married and had no children. This was enough to prove that she was 100% loyal to the Jingdu Martial Arts Association.

A person like this would never betray the JINGDU martial arts association even if he had to die.

Granny Qin valued Blacky very much, so Qin Yu could only come up with this plan.

Qin Yu picked up Blacky, who had been beaten into a dead dog, and turned to leave.

At this time, Granny Qin took a step forward and blocked Qin Yu's way.

She glared at Qin Yu and said in a hoarse voice, "Let him go!"

Qin Yu sneered, "Don't you understand what I'm saying?"

Granny Qin's body suddenly burst out with a strong killing intent. She glared at Qin Yu and almost roared, "Let him go! ! !"

Qin Yu was unmoved by Granny Qin's shrieking.

He pinched little black and said coldly, "As long as you bring me to the secret realm, I will not kill him. Otherwise, just wait to collect his corpse!"

After saying this, Qin Yu turned around and was about to leave.

At this moment, Granny Qin suddenly took out the martial saint weapon!

She held the martial saint weapon and roared crazily, "I'll say it again, let him go! ! !"

The moment the martial saint weapon was taken out, everyone's expression changed drastically and they took a step back subconsciously.

Even ye Qing's face was a little unnatural.

He knew very well how much power this martial saint weapon could unleash!

Only Qin Yu was unmoved. He looked at Granny Qin coldly and said with narrowed eyes, "Are you threatening me?"

How could Granny Qin still listen to these words? She gritted her teeth and said, "I'll say it one last time, let him go! !"

"Impossible!" Qin Yu said coldly.

"Then you can go to hell! !"

Following Granny Qin's furious roar, the martial saint weapon in her hand immediately flickered and shone!

In the next second, traces of martial saint's internal Qi spread out and rushed towards Qin Yu!

Qin Yu held little black with one hand and clenched his other hand into a fist.

Endless Energy instantly gathered on Qin Yu's fist!

"So what if it's a martial saint's weapon!" Qin Yu roared angrily and threw out his golden fist!

"Boom!"

A loud sound exploded between the two of them!

Rays of light burst out in all directions. Qin Yu's dazzling golden light was able to destroy the internal Qi of a martial saint!

“Deng Deng Deng Deng!”

Under this tremendous force, Granny Qin retreated several steps in succession. She even spat out a mouthful of fresh blood!

The martial saint weapon in her hand was instantly damaged!

“Do you think that I'm afraid of you with the Martial Saint Weapon?” Qin Yu said coldly.

His voice was not loud, but it entered everyone's ears!

The scene was silent, everyone was stunned.

Even ye Qing could not help but widen his eyes!

“Qin Yu... he actually destroyed the martial saint's Weapon?”

“Has Qin Yu become so powerful now? Even the martial saint's weapon can't Stop Him?”

“I can't imagine it. Could it be that Qin Yu has already become a martial saint? Didn't they say that no one below the martial saint realm can resist the martial saint's Weapon?”

The crowd discussed animatedly, and all the young masters of the aristocratic families could not help but be secretly speechless.

Yan Jinyao's expression was even more gloomy as he clenched his fists tightly!

“Granny Qin, you’d better go back and discuss it with those higher-ups,”Qin Yu said coldly.

“Let him go!”The stubborn Granny Qin was still unwilling to give up.

However, Qin Yu sneered and said, “I’ll take little black with me. You Can’t Stop Me.”

After saying this, Qin Yu grabbed little black and turned around to leave.

Everyone watched as Qin Yu left, not daring to say a word.

However, they all knew in their hearts that after today’s battle, Qin Yu had completely become famous.

And if the various aristocratic families wanted to stop Qin Yu’s growth, it wouldn’t be that simple.

...

Qin Yu didn’t return to the Jingdu Martial Arts Academy. Instead, he returned to the house he had rented previously.

He threw little black to the side and used qi/spiritual energy to seal little Black’s vital gate, temporarily saving his life.

The mustached man followed behind him and whispered, “The power of a martial saint is truly terrifying!”

Qin Yu could not help but sigh, “That’s right. He only borrowed the power of a martial saint to possess such power. I wonder how terrifying it would be if he stepped into the Martial Saint Realm!”

Right at this moment, a wail suddenly sounded from the space divine weapon of the handlebar mustache.

“Dark prison jar!” The handlebar mustache slapped his head and hurriedly took out the dark prison jar from the space divine weapon.

This voice was emitted by Hou Xin.

“Kill me... kill me...” Hou Xin almost begged.

Qin Yu glanced at him and sneered, “As long as you hand over the spiritual fire, I will naturally satisfy you.”

“As long as you let me leave this jar, I will promise you anything...” Hou Xin begged bitterly.

Qin Yu glanced at the handlebar mustache and gestured for the handlebar mustache to let him out.

The handlebar mustache immediately understood and without a word, he pulled Hou Xin out of the jar of internal Qi.

At this time, Hou Xin was no longer human. He fell to the ground and was covered in blood. His aura was extremely dispirited.

“Where is the spiritual fire?” Qin Yu asked coldly.

Hou Xin said weakly, “Qin Yu, you are ruthless...”

After saying that, Hou Xin raised his palm with great difficulty. Wisps of flame gathered in his palm.

This flame was purple in color and was only the size of a lotus flower.

Compared to Qin Yu's spiritual fire, Hou Xin's flame seemed a little small.

Qin Yu's palm immediately shook and flames rose in all directions.

Then, he used his spiritual fire to wrap around Hou Xin's palm.

In a short moment, the flame was completely swallowed.

Hou Xin raised his head and said with difficulty, "Qin Yu, can you spare my life? I know that you have great ambitions. I can help you refine pills..."

Qin Yu sneered and said, "No need. Your character is too bad. Moreover, I have a better candidate."

After saying that, Qin Yu directly smashed Hou Xin's body into pieces.

After killing Hou Xin, Qin Yu spread out his palm, and the spiritual fire fell into his palm.

This flame was obviously a few times bigger, and its power also became more powerful.

"If I use that ultimate punch now, the power will probably be even more terrifying," Qin Yu thought in his heart.

The growth of the spiritual fire was extremely difficult, and it had nothing to do with spiritual power. It could only grow by devouring the flames of others.

Qin Yu put away the flames. He raised his head to look at the sky and said in a low voice, "Now it's up to Granny Qin's decision."

The handlebar mustache said in a deep voice, “Do you think Granny Qin will betray the Jingdu Martial Arts Association for Little Black?”

Qin Yu was silent for a moment and said, “I think so. Granny Qin has long regarded little black as her own son.”

“Moreover, at her age, I’m afraid she has already begun to yearn for the warmth of future generations.”

Chapter 804: Chapter 804. Granny Qin agreed

At this moment, Granny Qin was sitting on the blanket at home, heartbroken.

Her weathered face was filled with tears. Her white hair hung in front of her forehead, and she actually looked a little pitiful.

“It’s my fault. I shouldn’t have let you fight with that Qin Yu...”Granny Qin’s tears flowed freely as she muttered in a low voice.

At this moment, Granny Qin suddenly wiped her tears. Her eyes became a little more determined, as if she had made a decision.

“I can only hide the news for now.”Granny Qin had the intention of going all out.

She decided not to tell this news to the higher-ups for now. Instead, she would secretly bring Qin Yu to the secret realm before the higher-ups found out!

Because Granny Qin knew very well that to the higher-ups, Blackie’s and her own lives were not worth mentioning!

They would definitely not expose the secret of the Jingdu Martial Arts Association for Blackie's Sake!

"I've worked for the Jingdu Martial Arts Association all my life, and now it's time for me to receive a corresponding reward."

"For Blacky's sake, I can only do this!"

Granny Qin muttered in a low voice. Then, she turned around and walked out of the house.

At night.

Qin Yu sat in the rented house, and he couldn't help but feel a little worried.

The Mustache Man, on the other hand, was quite relaxed. He was grilling while humming a tune.

"You don't say. Living in a bungalow like this is much more comfortable than living in that building." The man with the handlebar moustache muttered.

After he had finished speaking, he took the roasted meat skewer and handed it over to Qin Yu.

Qin Yu shook his head and sighed: "You go ahead and eat. I'm not in the mood."

The man with the handlebar moustache rolled his eyes and said: "Forget it if you don't want to eat."

At this moment, the news of Qin Yu smashing a martial saint's weapon with a single punch had already spread throughout the entire fire country's martial arts world.

This was almost the first time in history that breaking a martial saint's weapon at the level of a martial Marquis was unheard of.

Since the beginning of time, countless geniuses had appeared, but no one was able to achieve such a feat.

“There are so many geniuses in this world, who can be compared to Qin Yu?” In an instant, everyone ranked Qin Yu First!

Even the martial arts forum had changed the rankings.

Yan Jinyao, who had dominated the first place for many years, was now ranked second!

Looking at the news on the rankings, Yan Jinyao's face became increasingly gloomy.

“The first... can only be mine!” Yan Jinyao's eyes revealed a trace of viciousness.

...

In the early morning.

The entire world seemed to have fallen into a deep sleep, but Qin Yu did not feel sleepy at all.

He did not have much time, and the martial saint's power could disappear at any time. It was impossible to say that he was not in a hurry.

“Could it be that she really wants to give up on Blacky?” Qin Yu could not help but frown.

At this moment.

Qin Yu’s phone rang.

He picked up the phone and saw that the caller was an unfamiliar number.

Qin Yu quickly picked up the phone. As soon as the call was connected, he heard the voice of Granny Qin on the other end.

“Qin Yu, state your conditions. What is it going to take for Blacky to be released?” Granny Qin said coldly.

Qin Yu sneered, “Granny Qin, I think I’ve made myself clear enough, right?”

Granny Qin was silent for a moment, then said coldly, “See you at Qinggang Mountain at eight o’clock tomorrow morning.”

After saying this, Granny Qin directly hung up the phone.

Qin Yu couldn’t help but let out a sigh of relief, and a trace of a smile appeared on his face.

“Finally... It’s a success,” Qin Yu murmured in a low voice. The huge rock hanging in his heart was finally lifted.

Qin Yu did not fall asleep the entire night.

The next morning, Qin Yu handed Blacky over to the handlebar mustache.

“Before I come back, you must keep an eye on him,”Qin Yu warned.

The handlebar mustache nodded and said, “Don’t worry.”

Qin Yu did not say anything more. He immediately rushed to Qinggang Mountain.

At eight o’clock in the morning.

Granny Qin appeared on time at Qinggang Mountain.

In just a short day, Granny Qin looked like she had aged dozens of years. She was extremely haggard.

“You’re finally here,”Qin Yu said indifferently.

Granny Qin looked at Qin Yu coldly and said, “Qin Yu, you’re Ruthless!”

“You didn’t ask me to come here to talk nonsense, right?”Qin Yu said coldly.

Granny Qin snorted coldly and said, “Where’s little black? Let me see him.”

“No.”Qin Yu rejected Granny Qin’s request without even thinking.

Granny qin frowned and said, “What? I can’t even see him once? Then why should I believe that he’s still safe?”

Qin Yu sneered and said, “Did you let me see Yan Ruoxue back then?”

Granny Qin was stunned and suddenly had nothing to say.

“Don’t worry. Killing him won’t do me any good. You know better than me what my goal is,”Qin Yu said coldly.

Granny Qin didn’t say anything more. She threw a hat at Qin Yu and said, “Put this on.”

Qin Yu was very familiar with this person, and it was used to cover his face.

Qin Yu didn’t stand on ceremony and immediately put the hat on his head.

“When we get to the martial arts association, it’s best if you don’t say anything,”Granny Qin said coldly.

“Don’t worry,”Qin Yu said, suppressing the excitement in his heart.

Thus, the two of them immediately rushed to the martial arts association in Jingdu.

As they moved forward, the two of them finally arrived at the entrance of the martial arts association.

The entrance was still heavily guarded, and the atmosphere was solemn and solemn.

After Granny Qin appeared, the two guards at the entrance immediately bowed and said, “Greetings, Granny Qin.”

Granny Qin didn’t say a word and strode in.

Qin Yu followed closely behind. His eyes looked around, carefully observing everything around him.

After passing through the hall of the Jingdu Martial Arts Association, they arrived at the back hall.

Behind the back hall, there were houses after houses.

This was the real Jingdu Martial Arts Association.

The moment he stepped into it, Qin Yu could feel a mysterious internal Qi permeating the entire space.

This was Qin Yu's first time here. He carefully observed everything around him.

This included the buildings and the flow of people coming and going.

Because if he wanted to attack the Jingdu martial arts association, he had to understand the structure of the Jingdu Martial Arts Association and the power it possessed.

Along the way, Qin Yu discovered that there were still several mysterious powers hidden in the dark of the Jingdu Martial Arts Association.

The surrounding buildings were more like secret rooms. Each house hid a different secret.

Even the famous Scripture depository was set up here.

“Granny Qin.”

At this moment, two men walked forward. Good Granny Qin greeted them.

Granny Qin didn't say a word and only nodded.

Just as she was about to bring Qin Yu forward, the two men suddenly asked, “Granny Qin, who is this person? Why haven’t we seen him before?”

Granny Qin coldly replied, “No need to ask. I want to bring him to the higher-ups.”

“This...”the two of them looked at each other and then said, “Granny Qin, you know this is a top-secret place. Outsiders are not allowed to enter.”

Granny Qin’s expression turned cold as she said with a sinister tone, “Why? Do I still need to report to you? Or are you suspecting me?”

Chapter 805: Chapter 805, heading to the mystic realm

The two of them quickly bowed and said, “We didn’t mean that.”

“Then get lost!”Granny Qin said coldly.

After saying this, Granny Qin turned around and left with Qin Yu.

But at this moment, Qin Yu suddenly stretched out his palm and slapped the two of them on the head, directly breaking their heads!

Granny Qin’s expression immediately changed greatly when she saw this!

She angrily said, “What are you doing!”

Qin Yu said with a cold face, “If they spread the news, all their efforts will be for naught.”

“You!”Granny Qin gritted her teeth. Although she was unhappy, there was nothing she could do for Blacky.

Then, Qin Yu used the spiritual fire to burn the two people’s bodies. He followed behind Granny Qin and continued to move forward.

The Jingdu martial arts association was extremely large. There were at least dozens of houses inside.

Along the way, Qin Yu met many martial marquises.

Finally, after more than half an hour, Granny Qin finally stopped.

This was an empty space.

Qin Yu slightly closed his eyes, looking for the connection with the mystic realm.

Very quickly, Qin Yu discovered that there were many mystic realms nearby.

“Have we arrived?”Qin Yu looked at Granny Qin.

Granny Qin snorted, “This is the place.”

Qin Yu took a deep breath and suppressed the excitement in his heart. He said, “Then don’t waste time. Hurry up.”

Granny Qin didn’t say much. She closed her eyes slightly and murmured something.

Rays of light began to appear in front of her.

Qin Yu's eyes were fixed on Granny Qin, trying to find a way to open this mystic realm.

Unfortunately, the sound from her mouth was so soft that even Qin Yu couldn't hear it clearly.

“Buzz!”

At this moment, rays of light suddenly flashed in front of Granny Qin!

The light was extremely bright. In a moment, a round entrance appeared in front of them.

This was the entrance to the mystic realm!

“Alright.”Granny Qin said coldly.

Qin Yu did not dare to waste time. Without saying anything, he immediately drilled into the mystic realm.

Just as Qin Yu's palm reached into it, the entrance in front of him suddenly disappeared!

“How could this be!”Qin Yu's expression immediately changed!

Granny Qin's expression was also somewhat ugly! She seemed to have realized something, and immediately knelt on the ground with a plop!

A moment later, a figure actually appeared in front of the two of them!

This person looked to be the same age as Granny Qin, and the overbearing aura on his body made people not dare to ignore him!

“Granny Qin, how could you do such a Thing?”The old man said coldly.

Granny Qin said somewhat painfully, “Blackie is in his hands. I . . . I have no way...”

The old man frowned slightly and snorted coldly. “Don’t you know what this second secret realm means to the Jingdu Martial Arts Association? !”

Granny Qin said somewhat painfully, “I know, but I don’t want to give up on Blackie...”

The Old Man’s face was cold, and his gaze fell on Qin Yu.

Qin Yu’s eyes also narrowed slightly. He sneered, “You are a high-level official of the Jingdu Martial Arts Association?”

The old man coldly said, “Qin Yu, I advise you to stop now.”

“What if I don’t?” Qin Yu raised his eyebrows and said.

The old man sneered, “Then you will probably get yourself killed.”

“Hehe, your Jingdu martial arts association has chased and killed me many times, but in the end, am I still alive and well?” Qin Yu said with slight ridicule.

The old man narrowed his eyes and said, “Qin Yu, don’t think that your insignificant achievements can threaten the JINGDU martial arts association...”

“I can go to your mother,” Qin Yu sneered.

The Old Man’s face turned cold and said, “Do you know who you are talking to!”

Qin Yu sneered and said, "If I'm not wrong, your strength should be very strong, beyond imagination."

"But... you shouldn't be able to make a move, right?"

"What kind of power is restricting you?"

Hearing that, the old man's brows furrowed even more tightly.

"Looks like I'm right." Seeing his expression, Qin Yu sneered.

The old man said coldly, "If I can make a move, killing you is like stepping on an ant."

"I don't want to listen to your nonsense. You'd better scam quickly." Qin Yu stretched out his palm and directly crushed the Phantom!

Granny Qin, who was kneeling on the ground, was shocked!

She raised her head and glared at Qin Yu, saying, "Do you know who he is!?"

"What does it have to do with me who he is?" Qin Yu sneered.

Granny Qin gritted her teeth and got up from the ground. Then she took a deep breath and said, "Give little black back to me."

"Give it back to you?" Qin Yu raised his eyebrows.

"I didn't enter this mystic realm. Why should I give him back to you?"

Granny Qin gritted her teeth and said, "Qin Yu! I've done my best. Don't go too far!"

“Then you should continue to think of ways. Before I enter this mystic realm, I won’t give Blackie back to you,”Qin Yu said indifferently.

“You!”Granny Qin was instantly furious. The killing intent on her body also exploded.

Qin Yu mocked, “What, do you want to fight me? You should know that you are not my match. Save it, don’t break your old bones.”

After saying this, Qin Yu turned around and left.

Granny Qin looked at Qin Yu’s back. Although she was extremely angry, she was helpless.

Qin Yu turned around and walked out of the Jingdu Martial Arts Association.

After Qin Yu left, Granny Qin’s phone quickly rang.

She didn’t even need to think to know that it was a call from the higher-ups.

After the call was connected, a cold voice came from the other end, “Meeting.”

...

After Qin Yu left, he went straight back to his residence.

As soon as he entered, the handlebar mustache ran over excitedly.

“How was it? Did you go in?”The handlebar mustache seemed to be even more excited than Qin Yu.

The reason he stayed in Jingdu was for the secret realm. Now that Qin Yu had entered the second secret realm, he was naturally excited.

Qin Yu shook his head and said, “No, I was discovered.”

The handlebar mustache was stunned. He frowned and said, “That shouldn’t be. Looking at your expression, you don’t look like you were discovered. Instead, you look relaxed.”

Qin Yu leaned back on the rocking chair and said with a faint smile, “That’s right. I’ve long guessed that this trip would definitely be discovered.”

“Then why are you still going?” The Mustache Man said with a frown.

Qin Yu sneered and said, “The reason why I’m going is for three purposes.”

“First, I want to explore the power of the Jingdu Martial Arts Association.”

“Second, I want to find the location of the second secret realm. As long as I find the location, I’ll have a way to save Ruoxue.”

“Third.... I want to confirm some of my ideas.”

Chapter 806: Chapter 806, Master of the secret realm of the Hong Yi sect

Looking at Qin Yu’s mysterious expression, the handlebar mustache became even more curious.

“What are you thinking?” The handlebar mustache asked in puzzlement.

Qin Yu looked at the handlebar mustache and said, “The Jingdu martial arts association is very scary. It’s even scarier than I imagined.”

The handlebar mustache rolled his eyes and said, “Just this? Do you still need to prove this?”

Qin Yu shook his head and said, “Although they are very scary, the power they can use is very little.”

“Although I don’t know what kind of power is restricting them, I can be sure that they absolutely can’t use a martial saint!”

“In this way, the JINGDU martial arts association is not as scary as I imagined.”

The handlebar mustache touched his chin and said, “The JINGDU martial arts association has existed for so many years. They definitely have a martial saint.”

“But in the past few decades, they have indeed never used a martial saint.”

Qin Yu sneered, “That’s right. So if I were to attack the Jingdu martial arts association, there would be no need for a martial saint to hold down the fort.”

“Attack the Jingdu Martial Arts Association? !”Hearing these words, the mustached man immediately turned pale with fright!

He subconsciously took two steps back and muttered, “You’re really crazy. I have to stay away from you.”

Qin Yu glanced at him and said, “Don’t worry, I won’t do anything to them for a while.”

With Qin Yu’s current strength, it was impossible for him to attack the Jingdu Martial Arts Association.

After all, he still relied on the power of a martial saint. Once the power of a martial saint disappeared, he would still be a fish at the mercy of the Jingdu Martial Arts Association.

“But soon,” Qin Yu muttered in his heart.

At the moment, Qin Yu was only at the late stage of the Martial Marquis Realm. However, he no longer cared about ordinary people at the peak of the Martial Marquis Realm.

As for those half-step martial saints above the peak of the Martial Marquis realm, they were the most terrifying existences.

“Watch this little black carefully. I’m going to make a call,” Qin Yu said.

He got up and walked out of the house. Then, he dialed Ning Kun’s phone number.

The call was quickly picked up. On the other end, Ning Kun said with a smile, “Qin Yu, why did you suddenly call me?”

Qin Yu didn’t say any nonsense and went straight to the point. “I found the location of the secret realm that holds Yan Ruoxue, but I can’t open it now.”

On the other end, Ning Kun was stunned, then he said in surprise, “Are you sure?”

“Yes.”Qin Yu nodded.

“Does your Hong Yi School have a way to open the secret realm?”

On the other end, Ning Kun hurriedly said, “Of course! Our Hong Yi School’s history is much older than their Jingdu Martial Arts Association!”

“Okay, then send people over as soon as possible,”Qin Yu said.

Ning Kun quickly agreed, and then asked, “Do you need to send more people?”

“No need,”Qin Yu said.

Ning Kun on the other end agreed, “Okay, I’ll immediately send people to Jingdu! I’ll contact you when I get there.”

Qin Yu grunted and directly hung up the phone.

He took a deep breath and muttered in a low voice, “I’ve finally waited for this day.”

On the other side.

After Ning Kun hung up the phone, he was instantly overjoyed!

He hurriedly ran back to the secret realm and came all the way to a certain room.

In the room, a man dressed in a black robe was sitting upright.

After Ning Kun entered the room, he said excitedly, “Sir, Qin Yu found the location of Yan Ruoxue’s Mystic Realm.”

The black-robed man raised his head and looked at Ning Kun.

He narrowed his eyes slightly and said coldly, “Really?”

“Absolutely!” Ning Kun said excitedly.

When the black robed man heard that, he slowly stood up.

With his hands behind his back, he said softly: “We have finally waited for this day. As long as we can obtain Yan Ruoxue, our Hong clan will once again be glorious!”

Ning Kun also said with some longing: “The Hong Clan has been waiting patiently for so many years, and it has finally come to this day!”

The black robed man was silent for a moment, before he turned to look at Ning Kun and said: “I will send someone to Jingdu to contact Qin Yu.”

“At the same time, I will deploy the members of the fire country to set up an ambush in the vicinity.” Pyro said

“As long as we bring the person out, they will immediately bring Yan Ruoxue out of the fire country!”

Ning Kun quickly nodded and said: “Alright!”

... .

The next day.

Qin Yu sat in this extremely simple and crude room, waiting for news from Ning Kun.

At that moment, little black, who was lying on the ground, struggled to open its eyes.

This slight sound did not escape Qin Yu's ears.

“TSK TSK, as expected of a demon beast at the peak of the Earth rank. It actually woke up so quickly,” Qin Yu said indifferently.

Blackie looked at Qin Yu coldly and said through gritted teeth, “Qin Yu, I Will F \* cking not let you off...”

Qin Yu sneered, “Save your strength. You are not my match at all.”

Blackie struggled to get up, but he couldn't.

“Lie here obediently. As long as Granny Qin is obedient, I promise I won't Hurt You,” Qin Yu said with a faint smile.

“If you dare to hurt Granny Qin, I'll definitely not let you off! ! !” Blackie said angrily.

“TSK tsk, your relationship is really deep.” Qin Yu curled his lips.

Just as Blackie was about to say something, Qin Yu's phone suddenly rang.

He picked up the phone and walked to the side.

After the call was connected, an unfamiliar voice came from the other side.

“Is it Qin Yu?” The other party asked coldly.

Qin Yu grunted in gratitude.

The other party continued, "I am Zheng Ke from the Hong family. I will arrive at Jingdu Airport in two hours."

"Got it," Qin Yu answered and hung up the phone.

He touched his chin and said in a low voice, "You're pretty fast..."

After making the call, Qin Yu turned around and returned to his room.

He squatted in front of Blackie and said, "Don't worry. I Won't hurt you. I just have a few questions to ask you."

Blackie snorted and immediately turned his head to the side.

Qin Yu continued, "As a Demon Beast, you should know where the Demon Beast will appear, right? Tell me the location."

"Also, I need a spiritual pill."

Blackie grinned and sneered, "Do you think I will tell you?"

Qin Yu spread his hands and said, "You will tell me. I don't have time to deal with you for now. Wait for me to come back and ask slowly."

After that, Qin Yu gave a few words to the handlebar mustache before rushing to the airport.

Two hours later.

Zheng Ke sent a message to Qin Yu: exit number three.

Qin Yu put his phone away and walked towards exit number three.

A few minutes later, a group of passengers walked out of exit number three.

Qin Yu narrowed his eyes and his gaze fell on a young man dressed in black.

The young man also looked at Qin Yu at the same time.

Chapter 807: Chapter 807, breaking into the Jingdu Martial Arts Association!

Their eyes met, and Zheng Ke walked quickly towards Qin Yu.

“You are Qin Yu?” Zheng Ke sized Qin Yu up.

Qin Yu nodded and said, “That’s right.”

Zheng Ke didn’t say much, and only asked, “When do we start?”

“The sooner the better,” Qin Yu said.

Every minute and second was time to Qin Yu.

Zheng Ke was silent for a moment and said, “Then we’ll Take Action Tonight. You lead the way.”

“Okay.” Qin Yu immediately agreed.

Then, Qin Yu planned to bring Zheng Ke back to his private room.

However, Zheng Ke shook his head and said, “I still have some things to deal with. I’ll contact you later tonight.”

After saying this, Zheng Ke turned around and left

Qin Yu looked at his back and thought for a moment. Then, he snorted and secretly followed him.

...

It was noon when Qin Yu returned to his private room.

The moustache man asked, "How is it?"

Qin Yu drank a mouthful of water and sneered, "It's quite good. The Hong Yi sect has indeed sent people, but whether or not they can open the secret realm is unknown."

The moustache man on the side said, "Although the current Hong Yi sect is not as powerful as the Jingdu Martial Arts Association, their foundation can not be underestimated. They control a lot of secret techniques."

Qin Yu glanced at the moustache man and said, "This is also one of the reasons why the Jingdu Martial Arts Association annihilated the Hong Yi sect, right?"

"I don't know." The moustache man shook his head.

"Right and wrong, how can there be true right and wrong?"

Qin Yu didn't say anything and didn't say anything more.

For the rest of the time, Qin Yu stayed in the private room, waiting for Zheng Ke's arrival.

At night, Zheng Ke called Qin Yu.

He said on the phone, “At 11 pm, I’ll wait for you at the Jingdu Martial Arts Association. You have to think of a way to bring us in.”

“Okay.”Qin Yu answered and hung up the phone.

Then, he took out his phone and called Xia Hang.

“Tonight, I’m going to enter the Jingdu Martial Arts Association and bring a friend with me,”Qin Yu said.

Xia Hang, who was on the other end, was shocked. He frowned and said, “Qin Yu, are you crazy? The Jingdu martial arts association is heavily guarded, and your identity is very special. How can I bring you in?”

“You think of a way,”Qin Yu said coldly.

“Xia Hang, you have to help me think of a way for this matter no matter what, because... This is very important to me.”

Hearing Qin Yu’s cautious tone, Xia hang could not help but frown.

“But... if Granny Qin finds out, it will be troublesome,”Xia Hang said with a frown.

Qin Yu was silent for a moment, and then said, “I will think of a way to distract Granny Qin.”

“Okay.”Hearing this, Xia hang finally agreed.

In the current Jingdu Martial Arts Association, Xia Hang was not afraid of anyone except Granny Qin.

After hanging up the phone, Qin Yu closed his eyes slightly and waited for time.

He turned around and walked in front of little black, and said in a low voice, “Do you want Granny Qin to Die?”

Hearing this, Little Black’s face suddenly changed!

He glared at Qin Yu and said, “If you dare to hurt Granny Qin, I will definitely kill you! !”

“Granny Qin treats you as her son. I think you have already treated Granny Qin as your mother,”Qin Yu said in a low voice.

Blacky snorted and said, “What exactly are you trying to say?”

Qin Yu said, “If you don’t want Granny Qin to die, tell me where I can find the Panacea.”

“Of course, you can choose not to tell me, but I will kill Granny Qin if you do.”Qin Yu’s voice suddenly became extremely cold.

A hint of hesitation flashed across Blackie’s face.

He didn’t want to tell Qin Yu at all, but if something happened to Granny Qin, it would be worse than death for him.

“You can go to the three-island sea to have a look,”Blackie said reluctantly.

Qin Yu patted Little Black’s head and said, “Okay.”

After saying this, Qin Yu found the handlebar mustache again.

He walked out of the house with the handlebar mustache and then said, “Tonight, you have to help me do something.”

The handlebar mustache frowned and said, “What is it?”

Qin Yu said in a deep voice, “Tonight at ten o’clock, you take little black to the suburbs of Jingdu and give it to Granny Qin.”

“Remember, you must think of a way to stall for time. The longer the better,” Qin Yu reminded.

The mustached man scratched his head and said, “Why?”

“No need to ask,” Qin Yu said.

After explaining everything, Qin Yu let out a long sigh of relief.

He couldn’t help but take out a cigarette and put it in his mouth.

“I’ve finally waited for this day,” Qin Yu muttered in a low voice.

Little Black, Granny Qin, and the Hong family all played their respective roles.

Qin Yu’s plan could also be implemented.

At nine o’clock in the evening.

Handlebar mustache left the house early with little black and headed to a place called Yan City on the outskirts of Jingdu.

At ten o’clock in the evening, Qin Yu took out his phone and called Granny Qin.

The call was quickly picked up. Qin Yu went straight to the point, “Granny Qin, do you still want to see Blackie?”

Hearing this, Granny Qin’s voice immediately sounded somewhat anxious.

“What do you want!” Granny Qin asked anxiously.

Qin Yu smiled and said, “Don’t be afraid. I have good news for you. If you still want to see Blackie, go to Jingdu at 11 o’clock tonight. There will be someone waiting for you there.”

“Yan City?” Granny Qin’s pupils constricted. She said in a cold and helpless voice, “Qin Yu, are you lying to me?”

“Believe it or not, it’s up to you,” Qin Yu said.

After saying this, Qin Yu directly hung up the phone without any hesitation.

Granny Qin quickly called Qin Yu back, but Qin Yu didn’t pick up.

Because Qin Yu wanted to create anxiety for Granny Qin and force her to go to Yan City as soon as possible.

Everything was as Qin Yu expected. After the phone call, Granny Qin hurried to Yan City.

11 o’clock at night.

Qin Yu appeared in Yan City on time.

On his head, he was still wearing the hat given by Granny Qin.

Zheng Ke also appeared in the vicinity ahead of time.

After seeing Qin Yu, Zheng Ke walked over quickly.

“Have you arranged everything?” Zheng Ke asked coldly.

Qin Yu nodded and said, “En, as long as nothing happens to you.”

As he spoke, Qin Yu quietly released his spiritual sense and scanned the surroundings.

After sensing the weak internal Qi in the surroundings, the corners of Qin Yu’s mouth couldn’t help but curl up into a cold smile.

At this moment, Xia Hang walked out from the Jingdu Martial Arts Association.

Qin Yu quickly walked forward when he saw Xia Hang.

“Qin Yu, who is this person?” A trace of panic flashed across Xia Hang’s face when he saw Zheng Ke beside Qin Yu.

Qin Yu glanced at Zheng Ke and said indifferently, “Don’t worry, he won’t leak the news.”

Chapter 808: Chapter 808, stepping into the secret realm!

Xia hang pulled Qin Yu to the side and said coldly, “Qin Yu, although I don’t know his background, I can’t believe him!”

“If the Jingdu martial arts association finds out about our relationship, you know better than me what the consequences will be!”

Qin Yu patted Xia Hang's shoulder and said with a faint smile, "If I say it's fine, it will definitely be fine. Don't worry."

Although Xia Hang was unwilling, he had no choice but to take action now.

"Fortunately, I have already sent them out," Xia Hang thought to himself.

Then, Xia Hang looked at Zheng Ke and said coldly, "After you enter, follow my instructions."

Zheng Ke said expressionlessly, "I know."

After glancing at these words, Xia Hang took Qin Yu and Zheng Ke and walked into the Jingdu Martial Arts Association.

At night, the Jingdu martial arts association was extremely quiet.

But normally, there would be people guarding it, but tonight, there was no one.

Obviously, Xia Hang had made some preparations.

After passing through the lobby, Xia Hang stopped.

"Qin Yu, I Can't take you in anymore," Xia Hang said.

Qin Yu nodded and said, "Okay."

After saying this, Xia Hang raised his palm and slapped the top of his head.

With this slap, Xia Hang immediately fainted.

“You are quite cautious.” Seeing this, Qin Yu couldn’t help but say in a low voice.

Then, Qin Yu continued to move forward with Zheng Ke.

The journey could be said to be unimpeded. Very soon, the two of them arrived at the entrance of the secret realm.

Qin Yu pointed with his finger and said, “It’s here.”

Zheng Ke nodded slightly and walked forward. He raised his palm and slowly searched, as if he was looking for the location of this secret realm.

Soon, his palm stopped at a certain spot in the air.

Then, a ray of light flashed from his palm.

Qin Yu said from the side, “I remember that there is a main mystic realm here, which is equivalent to a door. To open it, you need a spell similar to a key, right? How did you open it?”

Zheng Ke glanced at Qin Yu and said, “Don’t you know that there is a lock-picking master?”

Qin Yu touched his chin and muttered, “That makes sense.”

Then, Zheng Ke ignored Qin Yu, and the light on his palm became brighter.

Qin Yu’s eyes were fixed on Zheng Ke, trying to figure out something from his technique.

At this moment, Zheng Ke stretched out his palm, and a token that was flashing with a green light appeared in his hand.

Zheng Ke held the jade token and slapped it forward!

In an instant, rays of light flashed in front of the two of them!

The bright light instantly lit up the dark night!

“Buzz!”

As a ray of light lit up, a circular entrance appeared in front of the two of them!

“It’s opened,”Zheng Ke said expressionlessly.

Qin Yu glanced at Zheng Ke and said, “You were able to open this mystic realm because of that token in your hand, right?”

Zheng Ke frowned slightly and said, “Does it have anything to do with you?”

Qin Yu smiled and said, “I’m just asking casually.”

“Don’t waste time. Hurry up and go in to save people,”Zheng Ke said coldly.

Qin Yu naturally wouldn’t miss this opportunity. He raised his feet and strode into the Mystic Realm!

“I’ll wait for you outside,”Zheng Ke said coldly.

Qin Yu didn’t have the time to pay attention to Zheng Ke. He did his best and his entire body instantly entered the mystic realm.

Very quickly, a different scene appeared in front of Qin Yu!

Waves of dense qi/spiritual energy assaulted his face!

The surrounding environment made Qin Yu dumbstruck.

Although there were no tall buildings here, there were green mountains and clear waters!

Different from the steel forest in the secular world, this place was more like real nature!

Not far away, there were exquisite buildings and jade buildings that were full of grandeur.

And the lofty mountains filled Qin Yu's eyes.

Compared to the secret realm of the Hong Yi School, this second secret realm was many times stronger.

This place was like a world, while the secret realm of the Hong Yi School was like a secret base.

“The Jingdu martial arts association indeed controls resources,” Qin Yu said in a low voice.

Qin Yu tried to release his spiritual sense to search for Yan Ruoxue's figure.

But this place was too big. To find a person was like finding a needle in a haystack!

Qin Yu's brows immediately furrowed.

“I actually forgot about this.” Qin Yu frowned.

As he moved forward, he was thinking of countermeasures.

“Forget it, I’m already here. Even if I want to explore the second secret realm, it’s good too.”Qin Yu thought to himself.

Thus, Qin Yu Strode through the world of the second secret realm.

He released his internal Qi to search for Yan Ruoxue’s aura.

After traveling for dozens of miles, Qin Yu finally saw a place full of people.

He saw a young girl dancing by the riverside not far away.

“Eh? It’s actually Marquis Wu?”

Qin Yu tried to sense the young girl’s aura and found that this ordinary young girl was actually in the realm of Marquis Wu!

“It seems like there are many experts hiding in this secret realm.”Qin Yu frowned.

After thinking for a moment, he immediately strode forward and covered the young girl’s nose and mouth from behind.

A huge force immediately spread out.

The young girl tried to struggle, but she couldn’t break free at all.

“Be obedient. I Won’t hurt you. Otherwise, I’ll take your life.”Qin Yu’s cold voice sounded in her ear.

The girl blinked her eyes desperately. Her eyes were full of fear.

Qin Yu slowly let go of her. After making sure that she wouldn't scream, he let go.

“Don't worry. I'm just asking you a few questions,” Qin Yu said coldly.

The girl's big eyes contained tears. It seemed that she was scared.

This couldn't help but Surprise Qin Yu.

In the outside world, a martial marquis was a famous figure. How could he be so weak?

“Could it be that in the second secret realm, a martial Marquis is Nothing?” Qin Yu thought to himself.

At this moment, the girl's large eyes were already filled with tears. She looked delicate and pitiful.

However, Qin Yu was not a person who pitied fairies. He coldly asked, “Let me ask you, where are the people from the Jingdu Martial Arts Association? Also, where is Yan Ruoxue locked up?”

The young girl's willow-like eyebrows slightly furrowed as she said, “Are you talking about that sister who is tied up?”

Hearing this, Qin Yu's pupils suddenly constricted.

“Yes! Tell me where she is immediately!” Qin Yu grabbed the young girl's arm.

The young girl said with some fear, “She is locked up on the heavenly mystery cliff...”

“Heavenly Mystery Cliff? Take Me there.”Qin Yu anxiously stood up and said.

However, the young girl said in a low voice, “Where are the heavy soldiers guarding? Don’t let anyone get close...”

“I don’t care whether there are heavy soldiers or not. Bring me there immediately!”Qin Yu said angrily.

How could the young girl dare to go against Qin Yu’s intentions? She could only nod her head in fear and said, “Alright... I will bring you there...”

Following that, the young girl led the way in front while Qin Yu followed behind, walking towards the heavenly mystery cliff.

## Chapter 809: Chapter 809, Save Yan Ruoxue!

The second mystic realm was extremely large, and there were towering mountains everywhere.

And in the center of this mystic realm, there were many houses located here.

The mountains here were even more majestic.

This place was not as noisy as the outside world, but rather rather desolate.

But the Qi/spiritual energy here was extremely comfortable.

When she arrived here, the young girl immediately stopped in her tracks.

“I can’t get close...”the young girl said.

She pointed at a large mountain not far away and said, “That’s the Heavenly Mystery Cliff.”

Qin Yu looked in the direction the young girl pointed and indeed saw a tall mountain that towered into the clouds.

Qin Yu focused his gaze and saw that there were countless people guarding the peak of the mountain.

In the middle of the mountain peak, there was a young girl who was tied to a pillar.

Her body was riddled with injuries and she looked extremely weak.

This young girl was none other than Yan Ruoxue!

“Ruoxue!”Qin Yu’s expression suddenly changed drastically and the internal Qi on his body erupted in an instant!

“Be careful. Don’t let them discover us or we’ll be dead for sure.”The young girl hurriedly stopped Qin Yu.

Qin Yu’s eyes were wide open as he stared fixedly at that spot.

He shook off the young girl, gritted his teeth and said, “I want to kill all of them. Kill all of them!”

Qin Yu’s killing intent was completely unable to be restrained at this moment!

His figure burst forth as he dashed towards the heavenly mystery cliff!

The people guarding the heavenly mystery cliff quickly discovered Qin Yu who was approaching them!

They were all at the peak of the Martial Marquis realm and their strength was unimaginable!

Faced with the sudden appearance of Qin Yu, everyone instantly entered a state of alert.

“Stop, what are you...”

“Pa!”

Before he could finish speaking, Qin Yu’s golden fist directly shattered his head!

A great battle was about to break out!

The numerous martial marquises guarding the heavenly mystery cliff attacked at this moment and shot towards Qin Yu!

However, Qin Yu, who controlled the power of a martial saint, was not afraid of them.

His body was covered in golden light and he looked like an undefeatable god of war. His methods were extremely ruthless. With every punch he threw, a person’s head would explode!

Qin Yu’s eyes seemed to have turned red from killing. In just ten minutes, the sky mystery cliff had already turned into a river of blood and corpses littered the ground!

For a moment, everyone did not even dare to approach Qin Yu!

Qin Yu Glared at everyone and berated, “Get the F \* ck out of my way!”

With a loud roar, he actually shouted at everyone!

Qin Yu strode forward and arrived directly in front of Yan Ruoxue.

Yan Ruoxue opened her eyes with difficulty and looked at Qin Yu who was covered in blood. The corner of her mouth murmured, and she said in a low voice, “Qin Yu, it’s so good to see you again...”

Qin Yu’s heart felt as if it was being cut by a knife!

He gritted his teeth and said, “If you need me, I’ll bring you out right now!”

After saying that, a world-shaking power surged from Qin Yu’s fist!

Such power could not help but shock people!

“Boom!”

In the next second, Qin Yu threw a punch at the towering pillar that pierced through the clouds!

However, this pillar was extremely hard and did not move at all!

Qin Yu did not stop. He roared furiously as he threw punch after punch at the Pillar!

“Crack!”

At this moment, the pillar let out a crisp sound!

Pieces of broken rocks fell from the top!

Everyone was shocked when they saw this!

If this continued, he might really break the pillar!

“Crack!”

Another punch!

Qin Yu’s veins bulged as if he had gone mad. Golden Light illuminated the world as a terrifying power poured out!

Under this punch, the pillar collapsed!

Everyone was shocked by this scene!

Qin Yu actually shattered this pillar!

At this moment, Yan Ruoxue also fell down from the pillar!

Qin Yu picked up Yan Ruoxue and said with a pained expression, “Ruoxue, I’ll take you away now...”

Yan Ruoxue opened her mouth with difficulty. She wanted to say something, but she seemed to have lost her strength.

Qin Yu picked up Yan Ruoxue and said in a trembling voice, “Ruoxue, don’t say anything. Wait for us to get out. We can talk about it later.”

Then, Qin Yu carried Yan Ruoxue and turned around to leave.

“Stop right there!” Someone tried to stop Qin Yu, but his head was smashed by Qin Yu’s fist!

His speed was extremely fast as he desperately rushed towards the exit!

At this moment, Qin Yu suddenly looked at the young girl who was leading the way for him.

Qin Yu immediately rushed forward and grabbed her in his hand.

“Follow Me Out,” Qin Yu said coldly.

Before the young girl could speak, Qin Yu had already sped away.

The reason why he brought this young girl was because Qin Yu wanted to use her to figure out the second mystic realm.

The surrounding people immediately shouted, “Yan Ruoxue has been taken away!”

Qin Yu’s expression was ice-cold, and his footsteps became faster and faster.

He knew clearly in his heart that there must be top experts hidden in this second mystic realm, and there was even a Marquis Wu guarding it!

If he was caught up, then he definitely wouldn’t have the chance to escape!

Qin Yu was getting closer and closer to the exit. Ten kilometers, eight kilometers, five kilometers...

Soon, Qin Yu was only a few hundred meters away from the exit!

Qin Yu gritted his teeth. He hugged Yan Ruoxue and fled frantically towards the exit!

Chapter 810: Chapter 810: Escape from the second secret realm

Qin Yu's speed was extremely fast. He gritted his teeth and used all his strength to rush towards the exit!

The closer he was to the exit, the more anxious Qin Yu became!

This was because Qin Yu had encountered too many unforeseen circumstances on the way to save Yan Ruoxue!

The exit was still flickering with light. Qin Yu suddenly felt an extremely powerful force behind him approaching!

“Not good!” Qin Yu cursed inwardly. He immediately increased his speed and sprinted towards the exit!

“Buzz!”

Along with a buzz, Qin Yu's ears rang.

Qin Yu's figure finally rushed out!

The internal Qi behind him instantly disappeared. Qin Yu stood at the side of the exit, panting heavily.

He threw the young girl to the side. Then, Qin Yu lowered his head and looked at Yan Ruoxue in his arms. Tears involuntarily flowed out.

“Ruoxue, I've finally saved you...”

At this moment, Qin Yu burst into tears and sobbed.

He half-knelt on the ground and hugged Yan ruoxue tightly. All his emotions completely exploded at this moment.

“Qin Yu...”Yan Ruoxue stretched out her jade-like fingers and gently touched Qin Yu’s face.

Qin Yu grabbed Yan Ruoxue’s hand and said in a trembling voice, “Ruoxue, it’s okay. It’s okay. I’ll take you away now...”

A smile appeared on Yan Ruoxue’s face.

She stretched out her trembling hand as if she wanted to Pat Qin Yu’s head.

However, the intense pain caused Yan Ruoxue’s hand to hang down.

“Ruoxue!”Seeing this, Qin Yu’s heart instantly felt like it was being cut by a knife.

At this moment, his hatred for the Jingdu Martial Arts Association had reached its peak!

“Jingdu Martial Arts Association... If you have to suffer, I will make you pay back a thousand times over!”Qin Yu’s angry roar spread throughout the Jingdu Martial Arts Association!

Zheng Ke coldly said from the side, “Let’s leave this place first.”

Qin Yu glanced at Zheng Ke. He took a deep breath, picked up Yan Ruoxue, and Strode out.

“You Come with me,”Qin Yu coldly said as he looked at the girl he had brought out from the second secret realm.

The girl didn’t dare to say anything and could only follow behind Qin Yu.

The three of them strode out of the Jingdu Martial Arts Association.

At this moment, Yan Ruoxue's internal Qi was extremely weak. Qin Yu hurriedly transferred Qi/spiritual energy to Yan Ruoxue.

They arrived at the entrance.

Qin Yu and Zheng Ke stopped at the same time.

Zheng Ke looked at Qin Yu coldly. Qin Yu's eyes also contained killing intent.

"Qin Yu, we want to take her away," Zheng Ke said coldly.

Qin Yu narrowed his eyes and said, "Hong Yi sect is indeed not trustworthy..."

Zheng ke sneered and said, "It's already too late for you to know now."

"Too late?" Qin Yu's expression was ice-cold.

"Do you think I don't know about your schemes and schemes? Tell those who are hiding in the dark to come out," Qin Yu said coldly.

Zheng Ke raised his brows and immediately laughed out loud, "Alright!"

As his voice fell, several figures instantly shot out from the dark!

These people were all at the peak of the Martial Marquis realm, and there was no lack of powerful existences among them! Even Qin Yu could not see through his strength!

And this person was the leader of this operation!

“Half-step martial saint?” Qin Yu seemed to have guessed his cultivation.

Currently, the only person Qin Yu could not guess was a half-step martial saint.

“Elder Shen.” Zheng Ke walked forward and greeted him.

The man called Elder Shen turned his eyes to look at Qin Yu.

He said indifferently: “Qin Yu, our Hong Clan has always thought highly of you and we have also thought highly of Yan Ruoxue.”

“I know of your relationship with Yan Ruoxue. Why Don’t you leave the fire country with me and head to the Hong Clan? What do you think?”

Qin Yu laughed coldly and said: “Bullsh \* t, do you think that’s possible?”

Elder Shen was not angry. He put his hands behind his back and said with a faint smile, “Qin Yu, do you think you still have a choice?”

Zheng ke said coldly, “This is the elder of our Hong Yi sect, Shen Yichun! It’s your good fortune that elder Shen invited you!”

Qin Yu looked at Shen Yichun coldly and said with a sneer, “I’m afraid a half-step martial saint can’t Stop Me!”

As he spoke, Qin Yu’s internal Qi exploded!

Under normal circumstances, Qin Yu would not be able to retaliate in front of a half-step martial saint.

However, Qin Yu, who possessed the power of a martial saint, was not afraid of a half-step martial saint at all!

After sensing Qin Yu's internal Qi, Shen Yichun's expression changed slightly.

He could not help but sigh, "Qin Yu, you're really a talent. I'm really reluctant to kill you..."

"But if you don't come to your senses, I can only kill you."

"You talk too much nonsense. I don't have that much time to talk nonsense with you!" Qin Yu coldly berated.

Shen Yichun did not say anything more. His palm immediately lit up with specks of light and crushed towards Qin Yu!

Qin Yu's expression was ice-cold. What responded to him was an incomparably fierce golden fist!

The power on the fist exploded in an instant! The radiance that Shen Yichun had condensed was directly crushed!

"Deng Deng Deng!"

Under this enormous force, Shen Yichun retreated several steps in succession!

A trace of shock flashed across his face!

"How is this possible?" Shen Yichun muttered in a low voice.

"Even if he has the power of a martial saint, it's impossible for him to be my match!"

"Elder Shen, we can't waste too much time," Zheng Ke reminded.

Shen Yichun nodded. With a shake of his palm, numerous golden chains appeared in front of everyone.

“Qin Yu, I can’t kill you for the time being. I’ll bring you back and take care of you slowly!” Shen Yichun said coldly.

Before he could finish his words, Shen Yichun’s wrist quickly shook and the chains instantly came crushing over!

With a flash of light, the chain directly tied Qin Yu Up!

A huge force wrapped around Qin Yu’s body.

And this force seemed to be getting stronger and stronger, almost crushing Qin Yu’s bones!

“Qin Yu, this chain is a heaven-grade divine artifact. Even if you have great ability, you can’t escape!” Shen Yichun said coldly.

Following that, Shen Yichun looked at Zheng Ke and the others and berated, “Go, take him away!”

Zheng Ke nodded and immediately walked towards Qin Yu.

At this moment, Qin Yu’s internal Qi was rapidly erupting. The friction between his body and the chain produced a series of crisp sounds!

“It’s useless.” Shen Yichun could not help but sneer.

“Under this chain, even if you are extremely powerful, you can forget about it... how is that possible!”

Before Shen Yichun could finish his words, Qin Yu let out an angry roar, and golden light erupted from his entire body!

The chains that were tied to his body were instantly shattered!

“Whoever dares to stop me today, I will kill them!” Qin Yu’s body emitted waves of icy cold killing intent.

Under this killing intent, everyone could not help but Shiver!

Chapter 811: Chapter 811, the Anxious Association

“Ju... he actually broke free!” Shen Yichun’s expression was somewhat unsightly!

This face-smacking came too quickly!

And Zheng Ke, who was close to Qin Yu, was directly shocked until he vomited blood!

Qin Yu looked coldly at Shen Yichun and said, “I don’t have time to deal with you now. Get lost immediately!”

Shen Yichun said with a cold face, “Qin Yu, Yan Ruoxue is very important to us. I will never give up!”

“Then go to hell!” Qin Yu was furious and threw a punch!

Shen Yichun’s face changed drastically. This punch was too fast. He had no chance to dodge. He could only brace himself and raise his fist to receive it!

“Clang!”

Qin Yu’s peerless power exploded at this moment!

Shen Yichun's fist was shattered instantly!

Qin Yu seemed to have gone mad and stepped forward again.

He held the absolute beginning holy fist in his hand, and his moves were simple and crude!

Shen Yichun's hand-kneading technique was completely shattered!

Seeing that Shen Yichun was being beaten back one after another, everyone could not help but suck in a breath of cold air!

That was a half-step martial saint! ! How could he be beaten to such a state? !

“Boom!”

Very quickly, Qin Yu's fist smashed onto Shen Yichun's chest!

Shen Yichun was instantly beaten until he was bleeding profusely and was forced to retreat repeatedly!

“This won't do... If this continues, I'm afraid I'll die here!” Shen Yichun muttered in a low voice.

At this moment, he was starting to be afraid!

A half-step martial saint being afraid of a martial marquis was simply unheard of!

“Boom!”

Just as he was in deep thought, Qin Yu threw another punch at him!

Shen Yichun hurriedly dodged. When that fist smashed onto the ground, the entire ground instantly exploded!

“No, we must retreat!” Shen Yichun said in a low voice.

Then, Shen Yichun shouted, “Everyone, retreat immediately!”

After throwing out these words, Shen Yichun immediately ran away!

As a half-step martial saint, his speed naturally did not need to be said.

Qin Yu did not have the time to waste with him. The most important thing now was to take Yan Ruoxue and leave!

“Don’t even think about leaving!”

At this moment, Qin Yu saw Zheng Ke who was planning to escape.

Qin Yu’s figure flashed, and he kicked the politician’s legs to pieces!

Zheng Ke immediately cried out in pain. He gritted his teeth and said, “Qin Yu, what do you want to do? I was the one who helped you save Yan Ruoxue!”

“No matter what, without you, I really couldn’t have saved Yan Ruoxue. Considering this, I’ll spare your dog life for now,” Qin Yu said coldly.

Then, Qin Yu grabbed Zheng Ke and left with him in large strides!

The group of people sped away.

Qin Yu’s appearance looked extremely strange.

He was holding Yan Ruoxue in his arms, and there were two people in his hands.

One was the bloody Zheng Ke, and the other was a young girl with a terrified expression.

Qin Yu quickly rushed towards the house.

By the time he returned to the house, the handlebar mustache had already returned.

“Qin Yu, you... you succeeded? !”When he saw Yan Ruoxue in his arms, the handlebar mustache immediately turned pale with fright.

Qin Yu did not have the time to waste with the handlebar mustache. He threw Zheng Ke to the handlebar mustache and said, “Leave this place immediately, quickly!”

The handlebar mustache did not dare to say anything more. He hurriedly stood up and briefly tidied up before following Qin Yu and speeding away.

The first place that Qin Yu wanted to go was the Divine Alchemist Pavilion.

He needed the pavilion master’s help to treat Yan Ruoxue’s injuries.

...

At this moment, Granny Qin was bringing Blackie back.

Along the way, Granny Qin’s face was filled with kindness, and her eyes were filled with love.

“Blackie, one failure is nothing. In Granny Qin’s heart, you will always be the best,”Granny Qin said with a smile.

Just as the two of them were talking about their mother-son relationship, Granny Qin’s phone rang.

She picked up the phone and saw that the caller was Xia hang.

Granny Qin frowned slightly. She picked up the phone and frowned.

“What’s the matter?”

Xia hang said anxiously, “Granny Qin, it’s bad. Qin Yu... Qin Yu, he...”

“What’s wrong with him? Tell me quickly!”Granny Qin’s expression changed. She suddenly felt that something was wrong.

Xia hang said in a trembling voice, “Qin yu broke into the Jingdu Martial Arts Association. I... I don’t know what he did...”

Granny Qin’s expression suddenly changed!

“Oh no, I fell into a trap!”Granny Qin slapped her thigh and suddenly understood!

Blacky said in surprise, “Granny Qin, What’s Wrong?”

Granny Qin gritted her teeth and said, “Blacky, you go back first. I have something to do.”

After saying this, Granny Qin ran away.

She rushed all the way to the Jingdu Martial Arts Association.

Looking at the bloodstains on the ground, Granny Qin felt even more uneasy.

“What exactly happened!” Granny Qin found Xia Hang and said anxiously.

Xia hang shook his head and said, “I don’t know either. That Qin Yu knocked me out and walked towards the depths of the association.”

“I checked the surveillance cameras, but Qin Yu is too cunning. The surveillance cameras are all damaged...”

Granny Qin’s face was extremely pale!

Walking towards the depths? Could it be... the second secret realm? !

Thinking of this, Granny Qin quickly ran towards the second secret realm.

At the entrance of the second secret realm, there was a pool of blood.

This blood came from Yan Ruoxue.

“It’s over!” Granny Qin’s face was pale as if she had lost her parents!

At this moment, Granny Qin’s cell phone rang.

The call came from the higher-ups!

“A meeting.” There were still two short words on the other end of the phone.

Granny Qin wiped the sweat from her forehead. She didn’t dare to think too much and immediately walked towards the meeting room.

In the meeting room, several higher-ups were gathered here.

The atmosphere today seemed to be particularly heavy.

Granny Qin had just entered the meeting room when she felt that something was wrong.

“Yan Ruoxue has been taken away.” At this moment, a higher-up spoke.

“What? !” The thing Granny Qin was most worried about had still happened.

“Granny Qin, what did you do? Do you know what it means for Yan Ruoxue to be taken away? !” Another higher-up shouted loudly.

“He, Qin Yu, was able to break into the second mystic realm because of you!”

Granny Qin said in a trembling voice, “He... how could he open the second mystic realm...”

“There are many ways to open the mystic realm. Is this the time to talk about this?”

“If it wasn’t for you, How Could Qin Yu find the second mystic realm?”

“How should you be punished?”

Granny Qin plopped down on her knees and said in a trembling voice, “I... I will definitely bring Yan Ruoxue back!”

“No need,” a higher-up said coldly.

“We will find someone else.”

“Yan Ruoxue has been taken away, and you can’t get away with it!”

Granny Qin knelt on the ground, not daring to say a word.

At this time, a higher-up said, “According to the rules, you and your heaven-swallowing Python have to Die!”

“But since you have worked for the Jingdu Martial Arts Association for many years, we can spare your life. You can go and deal with the heaven-swallowing Python yourself.. His existence will affect your decision.”

Chapter 812: Chapter 812, the Yan family wanted someone

Hearing this, Granny Qin immediately panicked.

She hurriedly got up and said anxiously, “Esteemed higher-ups, please give me another chance on account of the many years I have devoted to the Jingdu Martial Arts Association!”

A higher-up coldly said, “It is on account of your contribution to the Jingdu Martial Arts Association that I let you personally settle this.”

Granny Qin gritted her teeth and said, “Give me a few days, okay?”

“I’ll give you three days at most. I hope you can come up with a decent result in three days,”said one of the higher-ups coldly.

“Granny Qin, I hope you don’t make the wrong decision.”

After saying this, the higher-ups slowly disappeared, leaving Granny Qin standing there in a daze.

Tears welled up in the corners of Granny Qin's eyes. She had never thought that this would be the end result.

"Qin Yu, it's all your fault... Qin Yu!!!"Granny Qin's angry voice spread throughout the entire room.

After returning home, Blacky was waiting bitterly at home.

Seeing Granny Qin return, Blacky hurriedly got up.

"Granny Qin, Are You Alright?"Blacky walked over and asked.

Granny Qin forced a smile, her face showing a trace of kindness.

"I'm Fine,"Granny Qin said with a smile.

"Blacky, no matter what, I will protect your life."Granny Qin made up her mind in her heart.

...

At this moment, Qin Yu had already carried Yan Ruoxue and sprinted all the way to the Divine Alchemist Pavilion.

As soon as he entered the door, Qin Yu shouted with all his might, "Lord Pavilion Master! Lord Pavilion Master!"

This voice contained spirit energy and immediately shook the entire divine medicine pavilion, causing it to buzz.

The many alchemists who had already fallen asleep were also woken up at this moment.

Just as everyone was panicking, the pavilion master had already floated over from upstairs.

She looked at Qin Yu, who was covered in blood, and Yan Ruoxue, who was lying in Qin Yu's arms. A trace of surprise immediately flashed across her face.

"You... really saved her?" The pavilion master seemed to be in disbelief.

"This is really... snatching food from the Tiger's mouth." Jiang he slowly walked over from the side.

Qin Yu was not in the mood to listen to their flattery. He said anxiously, "Pavilion Master, Ruoxue is seriously injured now. You... you save her!"

The pavilion master did not waste any time. She took Yan Ruoxue from Qin Yu's hands and turned around to walk upstairs.

"Just wait here." The pavilion master glanced at Qin Yu and said.

Although Qin Yu was anxious, there was nothing he could do. He could only stand to the side and wait.

...

The next day.

In a skyscraper somewhere in Jingdu.

This was where the Yan family's company was located.

In the guest room, Granny Qin and Yan Sihai looked at each other.

“Granny Qin, you said that Yan Ruoxue was taken away by Qin Yu?” Yan Sihai’s expression was a little ugly.

Granny Qin nodded and said, “It’s about what happened last night.”

Yan Sihai immediately flew into a rage, slapping the table and standing up!

“My Yan family handed over to your Jingdu Martial Arts Association, and you’re giving me such an outcome?!” Yan Sihai said angrily.

Facing Yan Sihai’s anger, even Granny Qin didn’t dare to make a sound for a moment.

Granny Qin was silent for a moment, then said, “Mr. Yan, Yan Ruoxue is a member of Your Yan family. You have the right to take her back.”

Yan Sihai could not help but sneer, “You have lost her, and you want me to ask for her back?”

Granny Qin gritted her teeth and almost begged, “Mr. Yan, the Jingdu Martial Arts Association has let you down. Just take it as I’m begging you!”

“As long as you ask for her back, the Jingdu Martial Arts Association will definitely remember this favor!”

Yan Sihai sneered again and again.

Just as he was about to refuse, Yan Jinyao walked in again.

“Granny Qin, we can promise you,” said Yan Jinyao.

Yan Sihai frowned slightly, as if he didn’t understand.

Granny Qin said excitedly, “Thank you, Young Master Yan!”

“But there’s a problem. Qin Yu has taken him away now. He must have escaped, right? Where should we go to find him?” Yan Jinyao asked in puzzlement.

Granny Qin quickly said, “Qin Yu must have gone to the Divine Alchemist Pavilion Now! Yan Ruoxue’s injuries are very serious, so he can only seek help from the Divine Alchemist Pavilion!”

Yan Jinyao was silent for a moment and said, “Okay, we understand.”

After sending Granny Qin away, Yan Sihai said in a deep voice, “Jinyao, it’s already been twice.”

Yan jinyao sighed and said, “Dad, the reason for these two times is because of Yan Ruoxue. No matter what, we can’t let Yan Ruoxue cultivate!”

“I am not doing it for the Jingdu Martial Arts Association, I am doing it for myself!”

“Once Yan Ruoxue steps onto the path of cultivation, her powers will be far above mine!”

Yan sihai frowned and said: “Yan Ruoxue alone really makes you so worried?”

“Father, you have not obtained her bloodline. You do not know what kind of power this bloodline holds.” Yan Jinyao shook his head and said.

“I have always been known as the number one person among the fire country’s younger generation, and I have always been rather proud of myself.”

“But ever since I obtained Yan Ruoxue’s bloodline, I have suddenly realised that the me in the past... . . . was nothing more than an ant! Not even worth mentioning!”

Hearing Yan Jin Yao’s words, Yan Si Hai’s face turned grave.

“But... . . Will that Qin Yu obediently let her go?”Yan Si Hai asked in puzzlement.

“Of course not,”Yan Jinyao said with a cold smile.

“So, we still have to ask Yan Yongxiu to come forward. He is Yan Ruoxue’s father, so he naturally has the right to take her back! If Qin Yu doesn’t let her go, then he will be convicted of kidnapping!”

Yan Sihai did not say anything more. The two of them immediately left the company together and found Yan Yongxiu.

“Ruoxue was taken away by Qin Yu? !”Yan Yongxiu was a little surprised, and his heart was even more shocked.

Yan Yongxiu, who grew up in Jingdu, naturally knew what the Jingdu martial arts association meant.

“Your daughter was taken away by Qin Yu. You have to come with us to get her back,”Yan Sihai said coldly.

“How can a Wild Brat take a member of our Yan family away! This concerns the face of our Yan family!”

Yan Yongxiu did not know the malicious thoughts of Yan Sihai and his son at all.

In addition, he was also filled with longing for Yan Ruoxue.

Therefore, he did not think too much and agreed.

The group of people immediately rushed towards the Divine Alchemist Pavilion.

At this moment, the pavilion master still did not come down from upstairs.

Qin Yu stood as he descended. He could smell the fragrance of medicinal herbs as well as the pill clouds that gathered in the sky from time to time.

The entire night, he still didn't get any results. This made Qin Yu extremely anxious.

"Elder Qin, there's someone outside claiming to be from the Yan family. He wants to see you!" At this moment, someone suddenly ran over and said.

"Someone from the Yan Family?" Qin Yu's brows immediately furrowed tightly.

"Handlebar mustache, you stay here and watch. I'll go take a look." Qin Yu said to the handlebar mustache.

After saying this, Qin Yu quickly walked toward the direction of the door.

Chapter 813: Chapter 813, step forward and fight!

At the door.

Yan Sihai and his son, as well as Yan Yongxiu, were waiting at the door.

Apart from that, Yan Sihai's bodyguards followed closely by his side.

At this moment, Qin Yu walked out from the Divine Alchemist Pavilion.

His face was cold and gloomy, and his entire body was filled with murderous intent.

Such a posture could not help but cause Yan Sihai to frown.

“Qin Yu!” Yan Yongxiu shouted.

Seeing the current Qin Yu, Yan Yongxiu had an indescribable feeling in his heart.

When he first met Qin Yu, he was still a useless person, but now he had grown to such a level. Yan Yongxiu really didn't expect it.

Qin Yu ignored Yan Yongxiu and asked coldly, “Yan Sihai, why are you looking for me? Just say it.”

Yan Sihai held his cigar in his mouth and said indifferently, “Okay, then I'll get straight to the point.”

“I heard that you took Yan Ruoxue Away?”

Qin Yu sneered, “Does it have anything to do with you?”

Yan Sihai said with a cold face, “Yan Ruoxue is a member of the Yan family. Do you think it has anything to do with her?”

Hearing this, Qin Yu couldn't help but laugh out of anger.

He pointed at Yan Sihai's nose and said, "Yan Sihai, do you have any F\*cking shame? When Yan Ruoxue was locked up in the Jingdu Martial Arts Association and suffering, you didn't ask for her, but now you know that she is a member of the Yan Family?"

Facing Qin Yu's ridicule, Yan Sihai was not angry.

He said indifferently, "That has nothing to do with you. How we deal with the people of the Yan family has nothing to do with you."

"F\*cking bullshit!" Qin Yu could not help but curse.

"Yan Sihai, you better get lost right now. Otherwise, I can't guarantee that I won't kill people."

Hearing this, Yan Sihai could not help but take a step back.

At the same time, the bodyguards beside him also hurriedly blocked in front of him.

"Qin Yu, I'm not here to quarrel with you." Yan Sihai snorted coldly.

"As an adult, Yan Ruoxue has the right to make her own choice. You let her make her own decision."

Qin Yu's brows immediately furrowed.

The current Yan Ruoxue was currently in a coma. How could she make any choice?

Yan Sihai seemed to have known all this. He smiled faintly and said, “If Yan Ruoxue can’t make a choice herself, then the guardian should make the choice.”

“Yan Yongxiu is Yan Ruoxue’s father. He has the most power. If you don’t let him go, I’ll call the police.”

“Qin Yu, no matter how bold you are, do you still dare to go against the authorities?”

Yan Sihai’s words undoubtedly infuriated Qin Yu.

He glared at Yan Sihai and said coldly, “You are really F \* cking shameless...”

“Cut the crap,” Yan Sihai said with a cold smile.

“The person is from our Yan family. Hurry up and hand her over.”

Qin Yu immediately looked at Yan Yongxiu. Yan Sihai and his son also looked at Yan Yongxiu at the same time.

Yan Yongxiu frowned and said, “Qin Yu, Ruoxue is indeed my daughter. Don’t tell me I don’t even have the right to see my daughter?”

Hearing this, Qin Yu couldn’t help but gnash his teeth and say, “Yan Yongxiu, you’re really a F \* cking good-for-nothing! You even know that Yan Ruoxue is Your Daughter?”

“Do you know how much suffering Yan Ruoxue has to endure every day when she’s locked up in the Jingdu Martial Arts Association? As a father, you don’t even dare to Fart, a good-for-nothing.”

Yan Yongxiu hurriedly explained, “What you said... I really don’t know.”

“F \* ck you!” Qin Yu showed no mercy.

“You’re in the Yan family. I don’t believe that you don’t know anything!”

Yan Yongxiu was instantly dumbfounded.

Ever since Yan Ruoxue was caught, he had been pretending not to know. He had lied to himself in order to make himself feel better.

Now that he was exposed by Qin Yu, how could he feel comfortable in his heart.

“Now that she’s out, it shouldn’t be a problem for me to bring her home, right?” Yan Yongxiu said in a deep voice.

Qin Yu narrowed his eyes and said, “Do you know what Yan Sihai will do if he brings her back?”

“He will either kill Yan Ruoxue or send her back to the Jingdu Martial Arts Association. Do You Want Your Daughter to continue suffering?”

Yan Yongxiu’s expression suddenly changed slightly. He subconsciously looked at Yan Sihai.

Yan Sihai casually said, “Don’t worry. I Won’t do anything to Yan Ruoxue.”

“Do you believe that?” Qin Yu looked at Yan Yongxiu coldly and said, “Cultivation?”.

Yan sihai coldly said, “Qin Yu, don’t slander me!”

Qin Yu ignored Yan sihai and scolded, “Yan Yongxiu, think about how Yan Sihai treated Yan Ruoxue in the past!”

“If you are still a man and a father, don’t F \* cking ask for her!”

“Yan Ruoxue is safer with me than anywhere else!”

At this point, Qin Yu changed the topic and said coldly, “Of course, if you want to force me, I don’t mind killing all of you!”

“For Yan Ruoxue, I will do anything!”

Yan Sihai narrowed his eyes and said, “Qin Yu, I don’t believe that you really dare to...”

“Pa!”

Before Yan Sihai could finish his words, a wave of boiling blood spilled on his face!

Turning around, he saw that the bodyguard beside him had his head blown open and his body had fallen straight down.

Qin Yu said coldly, “If you dare to talk nonsense again, he will be the end of you.”

At this moment, everyone was a little afraid.

A peak-stage martial marquis was actually killed by a single slap. He didn’t even have the strength to retaliate!

This kind of strength was self-evident.

“Qin Yu, I have the right to bring our people back!” Yan Sihai said in a flustered and exasperated manner.

Qin Yu stepped forward and said coldly, “Then you guys can come and try!”

As he spoke, the killing intent on Qin Yu’s body suddenly exploded. The icy coldness made people shiver all over.

At this moment, Yan Yongxiu suddenly said, “Big Brother, I think... What Qin Yu said makes sense.”

Yan Sihai was stunned and then angrily said, “Yan Yongxiu, what did you say? !”

Yan Yongxiu was silent for a moment. He gritted his teeth and said, “Big Brother, I think what Qin Yu said is right. At least it’s safer here than in the Yan family.”

“Yan Yongxiu, are you crazy?” Yan Sihai narrowed his eyes and said.

Yan Yongxiu took a deep breath and said, “I don’t have any status in the Yan family, but I don’t want to be a coward anymore.”

“When father died, I didn’t dare to say anything. I don’t want to see my daughter die too.”

“Uncle, your words will easily bring trouble to yourself...” Yan Jinyao said with a faint smile.

Qin Yu could not help but laugh out loud at the side, “Yan Jinyao, are you going to threaten your own biological uncle like this! If you are not convinced, come, let’s have a battle!”

As he spoke, Qin Yu took a step forward.. His wild hair danced wildly, and his fighting spirit was overflowing. He was like an undefeatable war god!

Chapter 814: Chapter 814, martial saint in the second secret realm

At this moment, Qin Yu's battle intent had almost reached its peak.

This pure internal Qi swept across the entire street.

Yan Jinyao's brows were tightly knitted together. He sneered and said, "Qin Yu, don't think that I don't know anything."

"You relied on the power of a martial saint to come and challenge me? Do you think that I will fall for it?"

Qin Yu sneered, "Do I need the power of a martial saint to kill you?"

"Great! The power of a martial saint will disappear one day. At that time, you will die!" Yan Jinyao also shouted.

"It's a deal." Qin Yu said coldly.

"Yan Sihai, don't think about Yan Ruoxue anymore. Cherish the last time you have with your son."

After saying this, Qin Yu turned around and left.

"Qin Yu, are you really not going to hand him over? !" Yan Sihai could not help but shout.

"F \* ck you, get lost!" Qin Yu scolded without even turning his head.

Yan Sihai gritted his teeth. Although he was furious, he could not do anything to Qin Yu.

The current Qin Yu's strength had reached a point where even the Yan family could not do anything to him.

Without a martial saint, no one could restrict Qin Yu!

Helpless, the few of them could only leave.

After returning to Jingdu, Granny Qin had been waiting here for a long time.

When she saw Yan Sihai returning, she hurriedly went up to him and said, "Mr. Yan, did you bring him back?"

Yan Sihai could not help but curse, "Bring my ass! Qin Yu won't let him go at all! I still want to ask your Jingdu Martial Arts Association for him!"

Hearing these words, Granny Qin immediately sat down on the ground, her face filled with despair.

If they could not bring him back, it meant that little black was going to die!

To Granny Qin, who had no children, this was simply unacceptable!

"Granny Qin, Why Don't you send out a martial saint to kill that Qin Yu?" Yan Jinyao said with some doubt.

"The Jingdu martial arts association should have a martial saint, right? and... There seems to be a martial saint in that prison, right?"

Granny Qin glanced at Yan Jinyao and shook her head. She said, “If we could dispatch a martial saint, we wouldn’t have let Qin Yu live for so long...”

After she had said this, Granny Qin left this place in a daze.

...

At this moment, in the Divine Alchemist Pavilion.

Qin Yu stood below the pavilion master and continued to wait.

For an entire day and night.

It was late at night when the pavilion master finally walked down from upstairs.

Upon seeing the Pavilion Master, Qin Yu hurriedly ran over.

“Pavilion Master, how is Ruoxue?” Qin Yu anxiously asked.

The pavilion master shook his head and sighed. “The Jingdu martial arts association seems to have long prepared for the possibility of her being rescued.”

“What do you mean? !” Qin Yu hurriedly asked.

The pavilion master said in a deep voice, “The JINGDU martial arts association has used a secret technique on Yan Ruoxue’s spiritual sense. Only the people of the JINGDU martial arts association can solve this secret technique.”

“This secret technique will flare up once it leaves the Jingdu Martial Arts Association.”

Qin Yu's expression suddenly changed drastically.

He muttered in a low voice, "How can this be... if the secret technique is not solved, what will happen?"

The pavilion master said in a deep voice, "If this secret technique is not solved, Yan Ruoxue will never be able to regain her consciousness. To put it bluntly, she will become a living dead."

"Living Dead..." Qin Yu's heart suddenly felt as if thousands of arrows had pierced through his heart. A wave of anger shot straight to the top of his head!

"Jingdu Martial Arts Association..." Qin Yu clenched his fist tightly. His fingernails were almost embedded into his flesh!

The pavilion master at the side comforted him, "Qin Yu, don't be anxious. At least this technique won't harm your life. In other words, your little girlfriend is at least safe."

Qin Yu hurriedly looked at the pavilion master and said, "Pavilion Master, what is the name of this secret technique?"

"Spirit binding technique." The pavilion master hesitated for a moment and then replied.

"Spirit binding technique..." Qin Yu whispered the name. Then, he quickly looked for the three words spirit binding technique in his inherited memories.

Unfortunately, Qin Yu couldn't find this technique at all.

"The soul binding technique was created by the people of the Jingdu Martial Arts Association. Other than them, no one else can unravel this

technique.”The pavilion master seemed to have seen through Qin Yu’s intentions.

Qin Yu’s face immediately had a hint of despair.

If that was the case, then wouldn’t it mean that only the people of the JINGDU martial arts association could unravel it?

Thinking of this, Qin Yu stood up and said, “I’ll go to the Jingdu martial arts association right now and find Granny Qin!”

However, the pavilion master stopped him and said, “It’s already late at night. Let’s talk about it next year.”

“Moreover, since you took her away, Granny Qin might be in the secret realm.”

Qin Yu frowned, as if he felt that what the pavilion master said made sense.

“Follow me upstairs first,”said the pavilion master.

Qin Yu grunted in gratitude, then followed the Pavilion Master and jumped upstairs.

Upstairs, Yan Ruoxue was lying in a medicinal pool.

Her entire body was soaked in medicinal liquid. Drops of medicinal liquid slid down her snow-white skin.

Seeing this, Qin Yu’s heart couldn’t help but feel like it was being cut by a knife.

He walked forward and knelt in front of Yan Ruoxue on one knee.

“Ruoxue, wait for me. I’ll definitely wake you up as soon as possible. Wait for me...”Qin Yu grabbed Yan Ruoxue’s hand and said with a pained expression.

The pavilion master at the side comforted her, “You have already rescued her from the secret realm. There’s no need to blame yourself anymore.”

Qin Yu took a deep breath and stood up from the ground. His face was filled with determination.

“I will not give up. So what if it’s the Jingdu Martial Arts Association!”Qin Yu said coldly.

“Moreover... The Jingdu martial arts association has made Ruoxue suffer so much. If I don’t destroy their entire family, I will never give up!”

The pavilion master comforted him, “Don’t worry about anything. You only used two years, and you have already done so much. You should be proud.”

As he spoke, the pavilion master brought Qin Yu to the tea room.

In the tea room, Jiang he was sitting there waiting for Qin Yu.

“Senior Jiang He.”Qin Yu bowed slightly, as a greeting.

Jiang he couldn’t help but sigh, “Qin Yu, your growth rate... is much faster than I imagined.”

“Since the beginning of time, you’re probably the first person to be able to bring someone out of the Jingdu Martial Arts Association.”

Qin Yu said coldly, "It's far from enough. There are still many experts hidden in the secret realm of the Jingdu Martial Arts Association."

"That's right." Jiang he confirmed Qin Yu's thoughts.

He sighed. "After I witnessed the power of their secret realm, I felt a sense of helplessness and defeat, and I almost lost the desire to live."

Qin Yu looked at Jiang he and said, "Senior Jiang he, have you been to the secret territory as well?"

"That's right, the second secret territory." Jiang he nodded.

Qin Yu said in a low voice, "In this second secret territory, I can feel many mysterious powers."

"And before I left, there was an extremely powerful force chasing after me. Is It... The Martial Saint?"

Jiang he looked at Qin Yu and nodded, "That's right, there is indeed a martial saint in the second secret area."
