

My Rich Wife – Chapter 876 –

Chapter 876: Chapter 876, looking for a mystic realm master

“Sky Blood Rainbow?”

Everyone felt that this name was somewhat unfamiliar.

Even Gu Xinghe couldn't help but snicker, “The Jingdu Martial Arts Association doesn't want trash.”

“Trash?” Hearing this, the black-robed man was instantly extremely displeased.

“Mister Gu, when you say trash, are you referring to our family head?”

Gu Xinghe glanced at him and snorted, “Influential families will all receive an invitation from our Jingdu Martial Arts Association. As for the Sky Blood Rainbow, we have never heard of it.”

The black-robed man's expression immediately became somewhat cold.

“If our family head is trash, I'm afraid everyone here is trash,” the black-robed man said coldly.

“Kid, who are you talking about? !” His words immediately aroused the anger of the crowd.

Someone slammed the table and stood up, pointing at him and cursing, “I think you're courting death!”

The black-robed man ignored their anger. He stared at Gu Xinghe and sneered, “Mr. GU, it’s your honor to be able to cooperate with our master!”

“Since you don’t know how to appreciate favors, then don’t blame us for being impolite. I hope you won’t regret it!”

Gu Xinghe mocked, “Are you threatening me? With just you, you dare to threaten the Jingdu Martial Arts Association?”

“The Jingdu Martial Arts Association is the boss today, but that doesn’t mean it will always be,” the black-robed man sneered.

After saying this, he turned around and left.

When he reached the door, the black-robed man stopped in his tracks.

“I’ll tell you something on behalf of our family head,” the black-robed man said faintly.

“Your actions today will definitely lead to your deaths!”

After saying this, the black-robed man turned around and left without looking back.

Gu Xinghe did not take the black-robed man seriously, nor did he care about the sky blood rainbow at all.

The power of the Jingdu Martial Arts Association’s chief was getting lower and lower. In order to ensure his own status, Gu Xinghe called for this meeting.

Otherwise, with the Jingdu Martial Arts Association’s nature, he would not even look up to these aristocratic families.

“This year, a martial saint will be born. At that time, the Jingdu Martial Arts Association will also send out a martial saint to capture Qin Yu.”

“And among you, there will also be people who will receive our training.”

Once the great world changed, there would definitely be people who would step into the martial saint realm.

Every change could change the current situation.

Therefore, the JINGDU martial arts association had to win over the hearts of the people before that.

Otherwise, the moment when the Jingdu Martial Arts Association became the King would be gone forever.

“We are willing to work for the Jingdu Martial Arts Association!” Everyone stood up and said respectfully.

Gu Xinghe waved his hand and said, “Bring the gifts up.”

Before he could finish his words, the people beside him took out a few boxes.

Inside these boxes were herbs and spiritual artifacts.

Herbs were all over five thousand years old. Although spiritual artifacts were not martial saints’ artifacts, they were still considered top-notch.

“This is just a welcome gift. All the talented disciples of the aristocratic families will receive our resources,” Gu Xinghe continued.

“At the same time, we will send your disciples to the Jingdu Martial Arts Academy.”

As soon as he said this, everyone became even more excited.

The Jingdu Martial Arts Academy was the palace in their hearts!

Previously, it was almost impossible to join! Unless it was one of the top aristocratic families in Jingdu!

They never thought that their descendants would be able to join the Jingdu Martial Arts Academy today!

“Thank you, Mr. Gu!” Everyone bowed respectfully.

Gu Xinghe waved his hand and said, “Alright, the meeting is over for today. You can now go back and select the geniuses from your respective families. On the sixth day of the Lunar New Year, you will join the martial arts academy on time.”

After dispersing the crowd, a trace of ridicule could not help but flash across Gu Xinghe’s face.

He looked at Long Mei beside him and said, “See? As long as these people at the bottom give them some benefits, they will be grateful and work for you.”

Long Mei could not help but snicker, “Do you really think we are willing to nurture them? The purpose of doing this is to treat them as cannon fodder.”

At this point, Gu Xinghe suddenly asked, “Has there been any news recently?”

Long Mei immediately bowed and said, “According to the old master, someone will step into the martial saint realm on the day of Long Yangchen. Our second mystical realm will also send three martial saints to kill Qin Yu on the same day!”

Gu Xinghe took a deep breath and whispered, “Long Mei... It seems that I still have time.”

When he heard this, Long Mei could not help but whisper, “Young Master, you should be careful before this. Try not to provoke that Qin Yu, in case something happens...”

Gu Xinghe glanced at long mei and snorted coldly, “Do you think I’m not a match for that Qin Yu?”

“Of course I don’t!” Long Mei quickly waved his hand.

Gu Xinghe snorted and said, “Don’t worry, I know what I’m doing. I Won’t act Rashly.”

Long Mei quickly nodded and said, “Yes, Young Master.”

...

The Jingdu Martial Arts Association was secretly plotting, but at this moment, Qin Yu was completely unaware.

He had the same idea in his mind, which was to build the heaven’s gate with all his strength to fight against the Jingdu Martial Arts Association.

However, the most important thing for Qin Yu Now was to increase his strength and think of a way to get rid of the spirit binding spell.

Qin Yu counted the resources in his hands carefully.

These resources, together with the ownerless secret realm, were enough for Qin Yu to step into the martial saint realm.

Third Day of the Lunar New Year.

Qin Yu arrived at Ye Qing's residence early in the morning.

He waited for an entire day. Ye Qing only drove back in the evening.

The car slowly stopped in front of Qin Yu. Ye Qing waved his hand and gestured for Qin Yu to get in the car.

After getting in the car, ye Qing did not say a word. He drove the car and sped off in a certain direction.

On the way, Ye Qing said in a cold voice, "The Jingdu Martial Arts Association has made a move recently."

"What move?" Qin Yu asked, puzzled.

Ye Qing said in a deep voice, "They've gathered most of the top aristocratic families in the world and held a meeting. This meeting is very likely to be aimed at you."

"Gathered the aristocratic families?" Qin Yu couldn't help but frown.

Ye Qing grunted and said, "Don't underestimate them. These aristocratic families most likely have their own resources. If they really banded together, it would be very difficult for you to deal with them."

"Moreover... those aristocratic families in the secret realm may also attack in the dark."

Qin Yu took a deep breath and said, "I understand. Thank you, Officer Ye."

The car sped along and soon arrived at a mansion.

This mansion was a chinese-style building. There was a huge "Secret" written on the door.

"We're here." Ye Qing stopped the car at the door.

He lit up a cigarette and took a puff. Then, he pointed to the front and said, "This is the residence of that Mystic Realm Master."

Qin Yu nodded. He suppressed the excitement in his heart and said in a low voice, "As long as he is willing to help, I will be able to enter the martial saint realm as soon as possible...."

Chapter 877: Chapter 877, opening the ownerless secret realm

Qin Yu looked at ye Qing and said, "Officer Ye, are you sure that he will help? Or rather, are you sure that he is reliable?"

Ye Qing blew out a smoke ring and said, "He is an old friend of mine for many years. Of course, there is no problem."

Qin Yu heaved a sigh of relief and immediately got out of the car.

The two of them walked into the Secret Realm Master's house together.

Qin Yu swept his gaze over the decoration style of the surroundings. There was a huge calligraphy painting hanging on the north side, and a magic artifact on the south side.

Other than that, Qin Yu also found countless secret treasures, materials, and other things in the courtyard.

Looking at the luxurious surroundings, Qin Yu did not say anything. He followed ye Qing into the hall.

In the hall, an old man was making tea.

He had a head full of white hair and a long beard. He looked like an immortal.

Ye Qing brought Qin Yu to him quickly and said, "This is master Jiang Nan."

Qin Yu quickly bowed and said, "Greetings, master Jiang."

Jiang nan nodded slightly and then looked at ye Qing and said with a smile, "Officer Ye doesn't visit the Three Treasures Palace for no reason. If you have something to say, just say it."

Ye Qing did not stand on ceremony. He pointed at Qin Yu and expressed his intention to come.

"You want a Mystic Realm Master?" Jiang nan frowned slightly.

Qin Yu nodded and said, "That's right. If master Jiang can help, I will be extremely grateful."

Jiang nan sized up Qin Yu and said, "What do you want a mystic realm master for?"

"I want to open an ownerless mystic realm," Qin Yu said.

Jiang nan continued, “Master-less secret realm ? where is that master-less secret realm ?”

Just as Qin Yu was about to open his mouth, his eyes rolled and he said with a smile, “On the South Island.”

“South Island ?” Jiang Nan was silent for a moment, and then he said with a smile, “I’m old, and I don’t care about the world anymore.”

Ye Qing patted Jiang Nan’s shoulder and said, “What ? Do I have to beg you for such a small thing ? Let me tell you, this is not my intention alone.”

Although ye Qing did not say it explicitly, his intention was very obvious.

Jiang Nan knew better than anyone what kind of person he represented behind his back.

“Hehe, since officer ye has said so, then I can’t just sit idly by,” Jiang Nan said with a smile.

Then, Jiang Nan waved his hand and a young man walked out from the darkness.

“Master.” The young man walked to Jiang Nan’s side and bowed slightly.

Jiang nan nodded and introduced, “This is my disciple, Li Yu. He has mastered more than 8,000 secret keys. He can open most of the secret realms.”

“If you don’t mind, let him follow you.”

Qin Yu raised his eyebrows and said in surprise, “Mr. Jiang, is what you said true?”

“Since officer ye has spoken, it wouldn’t make sense if I didn’t do something,” Jiang Nan said with a smile.

Qin Yu quickly cupped his hands to Jiang nan and said, “Thank you, Mr. Jiang.”

Jiang nan grunted and said, “You guys go back first. I’ll ask Li Yu to look for you tomorrow.”

“Okay.” Qin Yu nodded and agreed.

Then, ye Qing and Jiang Nan greeted each other and the two of them walked out of the Jiang family.

After getting into the car, Qin Yu said in a low voice, “Officer Ye, I still have to ask again. Is this Mr. Jiang Reliable?”

Ye Qing glanced at Qin Yu and said, “If you don’t trust him, you can go and find a mystic realm master yourself.”

“That’s not what I mean.” Qin Yu shook his head.

“I always feel that things are too smooth, and...”

“And what?” Ye Qing asked.

Qin Yu shook his head and said with a smile, “Maybe I’m thinking too much.”

“I’ll ask Li Yu to look for you tomorrow,” ye Qing said with a wave of his hand.

Qin Yu grunted and said no more.

At this time, in the Jiang family's hall, Jiang Nan slowly stood up.

He put his hands behind his back and quietly said, "You should have heard about who this person is."

Li Yu bowed and said, "Qin Yu, the enemy of the Jingdu Martial Arts Association."

"That's right." Jiang nan nodded.

"Now that I've placed you by his side, you can control all of his movements."

"Whether it's the location of his secret realm or the secret key."

Li Yu quickly said, "Master, do you mean that you want me to tell the Jingdu martial arts association the location of the Secret Realm?"

"No." Jiang Nan shook his head.

"I can hear it from ye Qing's words. The people above seem to support Qin Yu."

"If Qin Yu can win, then naturally, everyone will be happy. If he shows his dispirited state, we can immediately join the Jingdu Martial Arts Association and get rid of Qin Yu!"

"In this way, we will be in an invincible position!"

Li Yu suddenly came to a realization and hurriedly nodded. "Master, I understand."

...

On the other side, Qin Yu temporarily found a hotel to stay in.

He sat in his room, thinking about it and feeling that something was not right.

This Jiang Nan seemed to be aloof from worldly affairs, but his home was filled with all kinds of rare treasures, as well as calligraphy and paintings. He definitely did not seem like an old man who was aloof from worldly affairs.

Moreover... It was impossible for the JINGDU martial arts association not to know about such a powerful mystic realm master.

Although ye Qing trusted Jiang Nan very much, most of ye Qing's attention was on the military district after all, and he had long been indifferent to the martial arts world.

“Although I can't trust him, it seems that there's no other way.”Qin Yu sighed slightly.

It was too difficult to find a mystic realm master, and it was almost impossible to find a trustworthy mystic realm master.

“I have to think of a way to restrain him,”Qin Yu said in his heart.

The next day, ye Qing brought Li Yu to Qin Yu's residence.

“I'll leave him to you,”ye Qing said in a deep voice.

“As for what you should do, that's your own business.”

Qin Yu grunted in gratitude and then said, “Thank you, Officer Ye.”

Ye Qing did not stay any longer. After sending Li Yu off, he left in a hurry.

Qin Yu did not waste any time. He immediately brought Li Yu and rushed towards the Jade Moon Villa.

After arriving at the Green Moon Villa, Li Yu asked in puzzlement, “Didn’t you say that the ownerless mystic realm is on the South Island?”

Qin Yu glanced at him and said, “That’s right. The South Island is only one of the ownerless Mystic Realms.”

“Two ownerless Mystic Realms?” This made Li Yu somewhat surprised.

Qin Yu did not pay attention to this sentence. He brought Jiang Nan all the way to the spirit spring.

At this time, there were still many cultivators cultivating near the spirit spring.

After Qin Yu first expelled all the people, he brought Li Yu to the vicinity of the ownerless Mystic Realm.

“This is it.” Qin Yu pointed at the empty space in front of him and said.

Li Yu grunted in gratitude. He raised his palm and slightly closed his eyes. His palm continuously stroked the air in front of him.

A few minutes later, a ray of light flashed on his palm.

The light was a little weak, but it was extremely mysterious.

“How is it? Can you open it?” Qin Yu asked.

Li Yu put away his palm and said, “Yes, but it will take some time.”

“How long?” Qin Yu asked.

Li Yu said in a deep voice, “I’m afraid it will take a week.”

“A week?” Qin Yu’s brows furrowed even more.

When Zheng Ke opened the mystic realm, it wouldn’t take more than half a day at most!

But this Li Yu opened his mouth and asked for a week! This couldn’t help but make people suspicious!

Chapter 878: Chapter 878, provoking Gu Xinghe

Qin Yu became more and more suspicious of Li Yu.

Even so, Qin Yu still didn’t dare to break up with him.

“Can you hurry up? A week is too long,” Qin Yu said tentatively.

Li Yu said impatiently, “If it’s too long, you can find someone else. In short, I Need a week.”

Seeing his expression, Qin Yu wished he could give him a slap.

“Alright, a week then.” Qin Yu took a deep breath and forcefully suppressed the anger in his heart.

He had to lower his head when he had a request.

Li Yu did not say anything more. He placed his hand in front of the mystic realm and began to search for the secret key.

Qin Yu did not dare to leave either. In the next few days, he ordered no one to go near the spirit spring.

In the blink of an eye, three days had passed, and Li Yu still couldn't find the secret key.

This couldn't help but make Qin Yu a little worried.

“Are you sure you can find the secret key?” Qin Yu asked.

Li Yu glanced at Qin Yu and said with some excitement, “What's hidden here is probably not an ordinary secret realm! But a big secret realm! You're Rich!”

Qin Yu's eyes lit up and said, “Are you serious?”

“Absolutely! If it's an ordinary mystic realm, I can open it in an hour!” Li Yu said confidently.

“According to my speculation, this is definitely an extremely rare and stable mystic realm!”

Qin Yu could not help but be a little excited. He cupped his hands slightly and said, “Then I'll have to trouble you. After this mystic realm is opened, I'm willing to give a portion to you and Mr. Jiang.”

“Alright, it's a deal!” Li Yu also seemed to have become more enthusiastic.

Qin Yu just stood by the side, bored to death. Qin Yu took out his phone and opened the martial arts forum.

As soon as he opened the martial arts forum, an important piece of news appeared before his eyes.

The person with the username “Tian Jizi” had once again posted a piece of news regarding the martial saint:

A week later, the first martial saint would appear out of nowhere.

Countless people had followed the thread and were discussing who would be the first person to step into the martial saint realm.

Some said it would be Qin Yu, some said it would be Yan Jinyao. Of course, there were also people who thought it would be Jiang he and the other seniors.

“If someone steps into the martial saint realm, then the martial dao structure will change drastically.”

“That’s right, I’m afraid many reclusive people would also appear.”

“Tsk Tsk, I’m afraid the peace that has been maintained for a hundred years has been broken.”

Qin Yu could not help but frown as he looked at the content on his phone.

It was impossible for Qin Yu to step into the martial saint realm within a week!

In other words, Qin Yu only had one week left. After one week, Qin Yu would have to retreat into the secret realm to avoid being chased!

This immediately gave Qin Yu a strong sense of danger.

“One week...”Qin Yu murmured softly.

“Maybe it can change something!”

Thinking of this, Qin Yu looked at Li Yu and bowed, “I’m going to Jingdu. I’ll leave this place to you.”

Li Yu waved his hand and said, “Okay, don’t let anyone disturb me.”

Qin Yu grunted in gratitude before he turned around and went to Zhen Yue’s room.

“Keep an eye on Li Yu. If he makes any unusual movements, you must tell me,”Qin Yu instructed.

After giving his instructions, Qin Yu headed straight for Jingdu that very day.

He wanted to find a way to come into contact with the divine binding technique before the martial saint appeared!

And that method could only be used on Gu Xinghe.

It was the sixth day of the Lunar New Year, the start of the martial arts academy.

Gu Xinghe personally presided over the opening ceremony here. After this expansion, the number of students in Jingdu Martial Arts Academy had already reached over a hundred!

These people were all carefully selected geniuses from various families. Each of them possessed extraordinary talent.

Gu Xinghe stood in front and looked at the crowd below the stage. He could not help but feel a sense of superiority.

“As long as the martial arts academy is here, they will be able to provide us with an endless stream of talents,” Gu Xinghe said with a faint smile.

The long eyebrows beside him gave Gu Xinghe a thumbs up and said, “Young master, this method of yours is truly extraordinary!”

Gu Xinghe snorted lightly and said, “If it was before, we would not even have looked at these people. However, the current situation has changed.”

Once someone stepped into the martial saint realm, it would signify the arrival of the martial saint era.

The foundation of the Jingdu Martial Arts Association would also cease to exist. Thus, they had to firmly grasp the talents in their own hands.

“HM?”

At this moment, Gu Xinghe suddenly furrowed his brows and said in a low voice, “There is killing intent.”

“I also felt it.” The long brows stood up with a “Bang”, and his eyes swept the surroundings.

Very quickly, a figure descended from the sky and landed directly in front of Gu Xinghe!

It was none other than Qin Yu!

At this moment, his entire body was brimming with fighting spirit and his Aura was soaring. No one dared to ignore him.

“Qin Yu?” Upon seeing the newcomer, Gu Xinghe could not help but sneer.

“You still dare to appear?”

Qin Yu narrowed his eyes and said, “Why wouldn’t I Dare? I heard that you guys have been looking for me?”

Gu Xinghe sneered, “Looking for you? Qin Yu, you think too highly of yourself! You came to tell me this after you’ve become a martial saint!”

However, Qin Yu did not say a word. He raised his hand and threw a punch at Gu Xinghe’s face!

Gu Xinghe’s expression changed and he quickly retreated to the side. The entire table was instantly smashed into pieces!

The sudden change of events immediately attracted countless people.

Everyone stepped back and took out their phones at the same time.

“Qin Yu, do you want to die?!” Gu Xinghe could not help but fly into a rage.

Qin Yu sneered, “I’m here to kill you today. Gu Xinghe, didn’t you claim to be a genius of the second mystic realm? I want to experience it today!”

“Experience it? Are you worthy of it?!” Gu Xinghe shouted.

Qin Yu raised his eyebrows and said, “Why? Are You Afraid? Do you want to be a coward? It seems that the genius of the second mystic realm is just an empty title.”

Gu Xinghe narrowed his eyes and sneered, “If you want to fight, I’ll accompany you in a few days, but today...”

“A few days? If you’re afraid, just say it!” Qin Yu rudely interrupted Gu Xinghe.

“I think you’d better go back to the second mystic realm and be a coward!”

Gu Xinghe was instantly furious. He glared at Qin Yu and said, “Kid, do you think I’m afraid of You? Fine, I’ll teach you a lesson today, this kid who doesn’t know the immensity of Heaven and Earth!”

“Young master, don’t Be Rash.” At this moment, long brows stopped gu xinghe.

He said in a low voice, “Young master, don’t fall for this kid’s trick. He knows that a martial saint is about to be born, so he wants to drag you down with him before he dies. Why do you have to lower yourself to his level?”

Gu Xinghe gritted his teeth and said, “Then let him spout nonsense here! Where can I put my face in the second mystery realm?”

“Moreover, he is only at the perfect stage. Why Can’t I, a half-step martial saint, kill him!”

After he finished speaking, Gu Xinghe pushed away his long eyebrows and walked towards Qin Yu with big steps!

Chapter 879: Chapter 879, just one punch!

A cold smile appeared on Qin Yu's face, and the internal Qi on his body was also rising rapidly.

This was exactly what he wanted. Under such circumstances, Qin Yu did not believe that Gu Xinghe would not make a move!

“Kid, if you want to fight, I'll accompany you!” At this time, long brows suddenly stepped forward quickly and blocked in front of Gu Xinghe.

Qin Yu glanced at him and mocked without concealing it, “You? You're just a dog of Gu Xinghe, do you think you're Worthy?”

“What, now master doesn't dare to make a move and let a dog stand out?”

When Long Mei heard this, his anger immediately soared.

He took a step forward and said coldly, “Kid, your parents didn't teach you what it means to be educated, so I'll teach you on their behalf!”

After he finished speaking, long brows took the initiative to attack. With a wave of his sleeve, streams of sharp qi force rushed towards Qin Yu!

Without even thinking, Qin Yu raised his hand and used the absolute beginning holy fist!

The Golden Fist instantly shattered long brows's spell and sent him flying back dozens of meters. He even spat out a mouthful of blood!

This made people involuntarily suck in a breath of cold air!

After all, long brows was at the half-step martial saint stage and was only a hair's breadth away from the martial Saint Stage!

But now, he was actually sent flying by Qin Yu's punch?

Long Mei crawled up from the ground. He wiped the blood at the corner of his mouth and said through gritted teeth, "Kid, you really have some ability..."

"What, are you still here to throw your life away?" Qin Yu said coldly.

"If you come any closer, I won't be polite."

Long Mei shouted loudly. He was about to make a move when he was stopped by Gu Xinghe.

With a playful smile on his face, he said with a faint smile, "Today is the Big Day of the new semester. I wanted to spare your life, but I didn't expect you to press on step by step and disrupt the scene."

Qin Yu said with a faint smile, "Don't talk nonsense. Everyone should also want to know how much stronger a young master like you, who came out of the mystic realm, is than us."

At a glance, sure enough, there was some longing and expectation in the eyes of everyone below the stage.

Gu Xinghe sneered, "Alright, if that's the case, then I'll let you know how big the gap between us is!"

As he spoke, Gu Xinghe's internal Qi rose rapidly. He slowly raised his hands, and a scorching energy that was as hot as the sun condensed on his chest!

A wave of heat assaulted his face, and the temperature instantly rose!

It was supposed to be winter, but now it was as hot as Summer!

Qin Yu narrowed his eyes, and a trace of craftiness flashed across his face!

He had no intention of wasting time with Gu Xinghe, but to end the battle as quickly as possible!

Qin Yu suddenly raised his hand, and with a raise of his hand, he used his trump card move, one punch to break ten thousand arts!

This punch contained all of Qin Yu's life's knowledge, spiritual power, spiritual fire, Divine Dragon's power, and so on. All the power was gathered on this punch!

All the Qi and energy in his body seemed to have been sucked dry, shining brilliantly on his golden fist!

“Not good!”

Gu Xinghe's face immediately changed!

Even though Qin Yu had not made a move yet, he could already feel the terrifying power on that fist!

This power was definitely not something that the spells in his hands could withstand!

“Kid, you're cheating!” Gu Xinghe could not help but be furious!

In his opinion, how could raising one's hand be a trump card!

However, Qin Yu grinned and sneered, “Do you think I'm here to play with you!”

Accompanied by a furious roar, Qin Yu's earth-shattering punch was thrown out!

In an instant, the entire martial arts academy fell apart!

The entire scene was filled with violent winds, the sky was dark, and a long tunnel of ruins appeared on the ground! It was caused by the residual power of Qin Yu's fist!

The spell in Gu Xinghe's hand had not even been completed before it was already dead in the womb!

Half of his body was directly shattered, and his body was sent flying for hundreds of meters!

“Young Master!”

Long brows instantly became anxious! Gu Xinghe was Gu Zizhen's only son. If anything happened, it would be over!

He rushed towards Gu Xinghe in a hurry, but Qin Yu was one step ahead of him and grabbed Gu Xinghe in his hand.

At this moment, Gu Xinghe was like a dead dog, caught in Qin Yu's palm.

Fresh blood flowed down his clothes.

“You... F * cking... cheated...”Gu Xinghe used all his strength to spit out these words, and then he completely fainted.

The people below the stage were even more dumbfounded.

They naturally couldn't understand the details, they only knew that Qin Yu killed the young master of the second mystic realm, Gu Xinghe, with one punch!

“Damn... I thought it would be a fierce battle. I didn't expect it to be resolved with one punch.”

“Should we say that Qin Yu is too strong or that Gu Xinghe is too weak?”

“There are both. However, Qin Yu seems to be only at the perfect stage of the Martial Marquis Realm. He is not even a half-step martial saint...”

“It's too terrifying. Gu Xinghe has no way to fight back in front of Qin Yu...”

Everyone was discussing, and only Qin Yu understood.

The reason why he was able to win so quickly this time was because of the word 'fast'.

The side effect of Qin Yu's self-created ten thousand arts breaking punch was also quite big. After using it, he would lose all his internal Qi.

However, from the outside, Qin Yu's punch was just an ordinary punch. He would not be overly cautious.

“Kid, let My Young Master Go! Otherwise, I Promise I'll skin you alive and pull out your tendons!” Long Mei widened his eyes and shouted angrily.

Qin Yu was no longer in the mood to continue fighting. He looked coldly at long mei and said, “I won't kill him. Go back and tell Gu Zizhen that I'll give him three days to get rid of the spirit binding spell.”

After saying this, Qin Yu turned around and left.

Long Mei tried to stop him, but Qin Yu raised his hand and placed it on Gu Xinghe's dantian.

"If you don't want him to die, go back and tell Gu Zizhen," Qin Yu said coldly.

Long-browed remembered bared his teeth. He gnashed his teeth and looked at Qin Yu, saying, "If young master Gu loses even a hair, I promise you that everyone related to you will die without a burial ground!"

"I believe that you have the ability, but don't doubt my determination," Qin Yu said coldly.

After saying this, Qin Yu grabbed Gu Xinghe and turned to leave.

The scene was in chaos.

It was supposed to be the opening ceremony, but such a thing happened.

Everyone was talking about it, as if they were discussing Qin Yu's strength.

Long Mei gritted his teeth.. He didn't dare to waste time and immediately rushed to the second secret realm.

Chapter 880: Chapter 880, the spirit binding technique!

Qin Yu dragged Gu Xinghe, who looked like a dead dog, to the Green Moon Villa.

Zhen Yue was stunned when she saw Gu Xinghe lying on the ground.

“Who is this?” Zhen Yue exclaimed.

Qin Yu waved his hand and said, “A fool. Don’t worry about him.”

Then, Qin Yu threw Gu Xinghe aside and came to the spirit spring alone.

“How is it? Any Progress?” Qin Yu asked.

Li Yu glanced at Qin Yu. He stretched out three fingers and said, “About three more days.”

Qin Yu grunted and said, “Thank you for your hard work.”

Three days was already much faster than he had imagined.

And three days was exactly the time Qin Yu gave Gu Zizhen.

“As long as the martial saint doesn’t come out, I’ll be safe for the time being,” Qin Yu thought to himself.

In the current era, Qin Yu was not afraid of anyone below the martial saint level, not even Jiang he or ye Qing.

For the rest of the time, Qin Yu stayed by Gu Xinghe’s side and waited quietly for the news of Gu Zizhen.

On the other side.

In the second secret realm, Gu Zizhen’s face was extremely livid.

Because of his anger, his entire body was trembling.

“Damn it, damn it! !”Gu Zizhen roared again and again!

The thing that he was most afraid of had finally happened.

“Master, he said that he would use the method to remove the spirit binding spell in exchange, and he would only give us three days...”long eyebrows said with a trembling voice.

Gu Zizhen gnashed his teeth and said, “What right does he have to negotiate with me? What right does he have! I will personally go out and kill him now!”

“Master, Please Calm down!”Long Mei hurriedly said.

“At most, there will be someone who will step into the martial saint realm in a week. At that time, it won’t be too late for you to make a move!”

“Moreover, the young master is still in his hands!”

Even though he said so, Gu Zizhen’s anger still had not subsided.

“Okay, I will endure him for a few days!”Gu Zizhen took a deep breath and forcefully suppressed the anger in his heart.

“What about the spirit binding technique?”Long brows asked tentatively.

Gu Zizhen said in a deep voice, “Bring the spirit binding technique with you tomorrow and go and change the person.”

“Yes, Master.”Long brows hurriedly nodded.

...

In the outside world, almost everyone was discussing this matter.

Qin Yu sent Gu Xinghe flying with one punch. This was undoubtedly shocking.

They were also increasingly unable to see through Qin Yu's strength.

Among them, the most shocked was none other than the young masters of the aristocratic families in Jingdu.

“Qin Yu actually defeated Gu Xinghe with a single punch. This is truly inconceivable,” Zhuang Teng exclaimed.

Chu Heng also nodded and said, “That's right. Could it be that Qin Yu has already stepped into the half-step martial Saint Realm?”

“No, he is only at the perfect stage of the Martial Marquis Realm.”

“Damn, then if he had stepped into the half-step martial saint realm, how powerful would he be?”

Wan Gu Qiong, who remained silent at the side, had an even colder expression on his face.

He was also from the secret realm, so he naturally had some understanding of Gu Xinghe's strength.

The second secret realm was much more powerful than the Wan family's secret realm, and the resources were even more abundant!

If even Gu Xinghe was sent flying with one punch, then his ending would not be any better.

“Fortunately, I can get rid of him soon.”Wan Gu Qiong thought to himself.

As long as someone stepped into the martial saint realm, the Wan family and the Le family would most likely attack Qin Yu!

“We also have to consider going into closed-door cultivation.”Chu Heng sighed.

“Yan Jinyao has been in closed-door cultivation for several days. I wonder what he has learned.”

“Sigh, there are rumors everywhere that the general environment has changed, and the structure of the martial arts world has also changed. I’m afraid that the leisurely life like before will never return.”

“Young Master Wan, a young master from the secret realm, will probably slowly surface.”

Wan Gu Qiong nodded slightly. He did not deny this.

Once someone stepped into the martial saint realm, everything would be different.

Breaking through to the martial saint realm in the secret realm was an extremely dangerous matter because the terrifying heavenly tribulation would very likely destroy a secret realm.

These young masters also felt a sense of danger at this moment.

...

Qin Yu sat in the Jade Moon Villa, quietly waiting for the arrival of the Gu family.

“Qin Yu... You Motherf * cker... you’ve made me lose all my face...”after waking up, Gu Xinghe glared at Qin Yu.

He was the first person to leave the mystic realm, yet he was sent flying with a punch. How could he endure such humiliation.

Qin Yu glanced at him and mocked, “Who can you blame if you don’t learn well?”

“You F * cking ambushed me...”Gu Xinghe said unwillingly.

Qin Yu kicked him and sneered, “Stop talking nonsense. Even if you do it again, you will still lose.”

Gu Xinghe said sinisterly, “Qin Yu, don’t be happy too early. There is still time. I will pay back the humiliation I suffered today a thousand times over!”

“Alright, I’ll wait for you.”Qin Yu closed his eyes slightly and ignored Gu Xinghe.

At this moment, Qin Yu felt several powerful internal Qi approaching!

Qin Yu suddenly opened his eyes and swept his gaze in the direction of the door.

He saw Long Mei leading eight people into the Jade Moon Villa!

Among these eight people, four were half-step martial saints, and the remaining four could not see through their strength!

“Martial saint? !”Qin Yu’s face could not help but change!

Was Gu Zi really crazy? Sending out a martial saint at this time?

“Qin Yu! I’ve brought the thing you wanted!” Just as Qin Yu was panicking, long brows shouted sternly.

Qin Yu hurriedly grabbed Gu Xinghe and placed his palm on Gu Xinghe’s Dantian to ensure that he could kill Gu Xinghe at the first possible moment.

They walked all the way to the square and saw Long Mei holding a document in his hand.

“Qin Yu, this is the method to remove the spirit binding spell.” Long Mei suddenly threw the document in his hand.

However, Qin Yu did not take it. He looked at the people in front of him cautiously and said coldly, “Four martial saints? Why, are you planning to make a move?”

“Haha, don’t worry. We won’t be so stupid. We only have a few days left. Why are you rushing?” Long Mei said with a smile that was not a smile.

“The four of them came with me to bring young master home. At the same time, they have to recognize your face so that they won’t find the wrong person in a few days.”

Long Mei’s words were full of threat. Qin Yu couldn’t help but frown.

The second secret realm was indeed powerful.

“Okay, leave the person to us,” Long Mei said coldly.

Qin Yu let go of his hand and threw Gu Xinghe to the side.

Long Mei rushed forward to support Gu Xinghe.

“Young Master, Are You Alright?” Long Mei asked worriedly.

Gu Xinghe ignored him and spat on the ground. Then, he glared at Qin Yu and said, “Qin Yu, remember this. Not only will I kill you, I will also torture the person you love in front of you!”

“Didn’t you want to protect Yan Ruoxue? When the time comes, I will drain her blood right in front of you!”

“Enjoy your last moments!”

After saying those harsh words, a cruel smile hung on Gu Xinghe’s face as he turned around and left.

Qin Yu took a deep breath, grabbed the document on the ground, and anxiously flipped it open.

“It is indeed the method to remove the spirit binding spell,” Qin Yu suppressed the excitement in his heart and whispered.

Chapter 881: Chapter 881: Yan Ruoxue Awakens!

This was the spirit binding spell that Qin Yu had been longing for! Now that it was in his hands, Qin Yu even felt that it was a little unreal!

He did not waste any time and immediately rushed towards the Divine Alchemist Pavilion.

At this moment, Gu Xinghe had already been brought back to the second mystic realm.

In the mystic realm, Gu Zizhen was both angry and a little distressed.

“Didn’t I say that you are not allowed to fight with him! It’s just a few days, can’t you hold it in? !”Gu Zizhen couldn’t help but scold.

Gu Xinghe gritted his teeth and said, “That Qin Yu is full of foul language, how can I tolerate him! If I let him scold me, then where will my face go? !”

“Face? You still know how to care about face?”Gu Zizhen was so angry that he laughed.

“In the end? You were beaten half to death with one punch, and you have your face? Our second mystic realm’s face has been completely thrown away by you alone!”

At the mention of this matter, Gu Xinghe was full of anger.

“I was careless...”Gu Xinghe clenched his fists tightly.

This failure had undoubtedly caused Gu Xinghe to lose all his face.

“Dad, no matter what, I have to fight him again!”Gu Xinghe said unwillingly.

Gu Zizhen said coldly, “Now, things have gone beyond our control. He has already taken away the spirit binding spell. What else do you want to Do?”

Gu Xinghe opened his mouth and wanted to say something, but was interrupted by Gu Zizhen.

“Because of you, the higher-ups are already very unhappy. They have given a death order. As soon as a martial saint successfully breaks

through, they will immediately send out a martial saint to kill Qin Yu,”Gu Zizhen said coldly.

Gu Xinghe hurriedly said, “Then I will lead the team!”

“You can stay in the second secret realm,”gu Zizhen said coldly.

“I won’t!”Gu Xinghe was extremely stubborn.

“I can’t come back so dejectedly. I want to go back to the Jingdu Martial Arts Association.”

Gu Zizhen really wanted to refuse, but Gu Xinghe was extremely stubborn.

Helpless, Gu Zizhen could only nod and say, “I can let you go back, but before the martial saint comes into being, you can’t do anything.”

“Okay!”Gu Xinghe hurriedly agreed.

To Gu Xinghe, as long as he could return to the Jingdu Martial Arts Association, he was willing to agree to anything.

“Bear with it, it won’t take more than a week.”Gu Zizhen patted Gu Xinghe’s shoulder.

“When that time comes, a martial saint will kill Qin Yu and bring Yan Ruoxue back!”

...

On the other side, Qin Yu was holding the spirit binding spell as he hurriedly ran back to the medicine God Pavilion.

As soon as he entered the door, Qin Yu couldn't wait to ask, "Pavilion Master, where is Ruoxue?"

"She's in the secret room. What's Wrong?" The Pavilion Master couldn't help but feel puzzled.

Qin Yu's hands trembled as he said, "Spirit binding spell... I've got the spirit binding spell!"

Hearing this, a trace of surprise flashed across the pavilion master's face.

"You traded Gu Xinghe for it?" The pavilion master tried to ask.

Qin Yu nodded, "Yes, that's why I'm looking for Gu Xinghe."

At this point, Qin Yu waved his hand and said, "Don't waste time, take me to the secret room quickly."

Qin Yu couldn't wait to see Yan Ruoxue after she woke up.

The pavilion master said helplessly, "Even if you have the spirit binding technique, you still need time to comprehend it. Don't tell me you plan to use this book to save her?"

Qin Yu was stunned. He patted his head and said awkwardly, "I was too excited and forgot about it..."

"Pavilion Master, give me half a day." Qin Yu hurriedly greeted the pavilion master and then turned back to his elder's residence.

Seeing Qin Yu's anxious look, Zhang Yi Jiu couldn't help but frown.

"Is there a need to be so excited? What's so good about this Yan Ruoxue..." Zhang Yi Jiu muttered softly.

...

In the Elder's residence.

Qin Yu sat cross-legged on the bed. In front of him was the spirit binding technique.

With Qin Yu's talent, it did not take him long to comprehend a cultivation technique. Even if it was a heaven-tier cultivation technique, it would only take him a few hours at most.

However, Qin Yu's mind could not calm down at the moment. This also caused the time for him to comprehend to grow longer.

Time passed by minute by second. After a full five hours, Qin Yu finally opened his eyes.

He let out a long breath, and his eyes suddenly opened.

"This spirit binding technique... it really is a mysterious technique," Qin Yu could not help but mutter.

After comprehending the spirit binding technique, Qin Yu realized how terrifying this spirit binding technique was.

This technique could not only cause one's spiritual sense to fall into eternal sleep, it could even control the spiritual sense of others and sign an unequal contract with them.

Fortunately, Yan Ruoxue's spiritual sense had only fallen into eternal slumber. If her spiritual sense was forced to sign a contract, then only the caster would have a way to undo it.

Qin Yu walked out of the Elder's residence and arrived at the Pavilion Master's building in a flash.

At this moment, the pavilion master and the two apprentice alchemists were waiting here, and the door of the Secret Chamber had long been opened.

Qin Yu took a deep breath and quickly walked into the secret chamber, squatting on one side of the medicinal pool.

In the medicinal pool, Yan Ruoxue was still flawless. Her snow-white skin and thick black hair were soaked in the medicinal bath. A charming smell of internal qi and medicinal fragrance floated into the air.

Even though Yan Ruoxue was currently in a coma, her charm did not diminish. Instead, it added a hint of weakness, making people feel protective.

Qin Yu gently grabbed Yan Ruoxue's hand and said in a low voice, "Ruoxue, we can finally be together..."

Qin Yu had waited for so long for this day!

He did not waste any more time and immediately began to activate the spirit binding spell.

Qin Yu's hands flickered with a faint light and hung above Yan Ruoxue's head.

Threads of strange light were like water ripples, slowly circulating under Qin Yu's hands.

This aura was like a thin veil, covering Yan Ruoxue's delicate body. Threads of internal Qi flowed through her fine pores and entered her body.

Qin Yu was extremely nervous. Beside him, the pavilion master's face could not help but become a little worried.

“Weng!”

Following a slight sound, a golden light flashed across Yan Ruoxue's forehead!

This golden light was like a blooming flower, slowly spreading from her forehead!

Qin Yu retracted his palm.

He looked at Yan Ruoxue in front of him nervously, his heart hanging in the air.

Qin Yu clenched his fist tightly, his eyes staring at Yan Ruoxue.

The room was extremely quiet, one could even hear their weak and short breaths.

“Huala”

At this moment, a sound came from the medicinal pool!

Yan Ruoxue's palm was lifted up gently.

Chapter 882: Chapter 882, I can protect you

Qin Yu grabbed Yan Ruoxue's wrist tightly. Yan Ruoxue, who was lying in the medicinal pool, slowly opened her beautiful eyes.

She looked around in a daze. She was clearly unfamiliar with her surroundings.

Qin Yu pulled Yan Ruoxue into his arms and said excitedly, "Ruoxue, you... you're finally awake..."

In order to see Yan Ruoxue, Qin Yu had cultivated like a madman. Now, he could finally hold the person he loved in his arms.

"Put the clothes on the side." The pavilion master said and waved his hand. He led the Two Medicine boys out of the secret room.

In the secret room, Qin Yu hugged Yan Ruoxue tightly. Tears could not help but flow out of his eyes.

After hugging her like this for an unknown amount of time, Qin Yu slowly released his arms.

In her arms, Yan Ruoxue's beautiful eyes were like water. Her delicate body leaned against Qin Yu's chest.

She raised her head. Qin Yu was immersed in her eyes and could not extricate himself.

"Long time no see." Yan Ruoxue stretched out her jade-like fingers and gently patted Qin Yu's head.

Qin Yu wiped the tears that were about to flow out of his eyes and nodded hard. "Long time no see!"

At this moment, Qin Yu seemed to have an endless amount of words to say.

He wanted to tell Yan Ruoxue how much he had missed her these two years, but words could not express this heavy yearning.

In the end, all his words turned into a hug.

The two of them hugged gently. In this secret room, it was like a beautiful painting.

“Ruoxue, you have suffered.” After an unknown amount of time, Qin Yu helped Yan Ruoxue put on her clothes and said softly.

Yan Ruoxue smiled. “The one who suffered was you, not me. I can’t imagine how much pressure you’ve been under these two years, and what kind of suffering you’ve endured.”

“For two whole years, I’ve been blaming myself and regretting. If it weren’t for me, you wouldn’t have suffered so much.”

Qin Yu opened his mouth and shook his head. “If it weren’t for you, my life would be a pool of stagnant water. Now That I’m still alive and still alive standing in front of you, it’s enough to prove that everything you’ve done is right.”

Speaking up to this point, Qin Yu took a deep breath and said, “I will remember in my heart what the Jingdu Martial Arts Association did to you. I will make them pay a thousand times, a hundred times the price.”

“I don’t want to see you take risks anymore.” Yan Ruoxue reached out and gently stroked Qin Yu’s face.

Qin Yu shook his head and said, “This isn’t a risk, it’s a responsibility. I said before, I will definitely let you stand on the highest peak of Jingdu and see the best scenery.”

“I will not let go of anyone who has hurt you.”

Qin Yu’s eyes were filled with ruthlessness, but when he looked at Yan Ruoxue, they were filled with tenderness.

“Next, let me protect you.” Qin Yu gently wrapped his arm around Yan Ruoxue’s waist.

The next morning.

Qin Yu brought Yan Ruoxue and appeared in the Pavilion Master’s building.

“Greetings, Pavilion Master.” Yan Ruoxue bowed slightly and greeted him.

The pavilion master returned the greeting and said with a smile, “Miss Yan, we meet again.”

Qin Yu, who was at the side, said, “Pavilion Master, I plan to take Ruoxue out to relax for a few days. She has been lying down for too long.”

When he heard these words, a trace of worry flashed across the Pavilion Master’s eyes.

She pulled Qin Yu to the side and said in a deep voice, “Are you crazy? There are so many people in the world watching Yan Ruoxue. Do you know how much trouble you will cause if you bring her out openly like this?”

Qin Yu said, "According to my calculations, the martial saint will only appear in at least six days. In these six days, no one can hurt her."

"If anyone wants to make a move, just come and try."

The pavilion master opened her mouth. She wanted to say something, but Qin Yu had already made up his mind.

Seeing this, the pavilion master could not say anything else. He could only nod and say, "Be careful. Remember, the Jingdu Martial Arts Association will definitely send out the martial saint."

"I will disappear before they do." Qin Yu bowed slightly.

"Also, pavilion master, it's best not to let Ruoxue know about these words. I don't want her to worry."

The pavilion master nodded and said, "Yes, I understand."

Following that, Qin Yu walked back to Yan Ruoxue's side.

"What are you guys talking about?" Yan ruoxue blinked her eyes and asked with a smile.

"Nothing. It's just a simple goodbye." Qin Yu grinned, revealing his white teeth.

Although Qin Yu tried his best to hide it, the Smart Yan Ruoxue would not be fooled so easily.

"Will I bring you danger?" Yan Ruoxue stopped in her tracks.

Qin Yu hurriedly said, "No, of course not!"

“No?” Yan Ruoxue raised her eyebrows and snickered, “You are still the same as before. You Can’t even lie.”

Qin Yu opened his mouth. His face was red like a child who had made a mistake.

“I know many people are looking for me. Why don’t we... not go out? As long as we’re together, it’s enough,” Yan Ruoxue said.

The more she acted like this, the more Qin Yu’s heart ached.

“There are indeed many people who want you.” Qin Yu laid out his cards.

“But with me around, no one can take you away. Whoever dares to Covet You, I will break their legs!”

Hearing this, Yan Ruoxue immediately burst out laughing.

Qin Yu hurriedly explained, “What I said is true! I am no longer the Qin Yu from two years ago, i...”

“Alright, I believe you, but we don’t have to take the risk, do we?” Yan Ruoxue gently patted Qin Yu’s shoulder.

“No, I want to take the risk!” Qin Yu looked like he was throwing a tantrum.

“Not only do I want to take you out to play, I also want to take you to Jingdu! To the Yan family!”

“This time, listen to me!” Qin Yu was serious and unquestionable.

Yan Ruoxue’s beautiful eyes stared at Qin Yu in surprise. A moment later, she smiled and said, “Okay, I’ll listen to You!”

Although she was a little worried, how bad could the worst result be.

Moreover, the current Qin Yu might really have the ability to protect himself.

The two boarded the plane and headed straight for Jingdu.

Just this short trip was quickly spread to the martial arts forum.

“Big News! Qin Yu and Yan Ruoxue appeared at the airport!”

“The two of them were talking and laughing with sweet faces, as if they were on vacation!”

“Yan Ruoxue, who has been missing for two years, has actually appeared at the airport!”

This news quickly spread. Qin Yu and Yan Ruoxue had yet to arrive in Jingdu, but the news seemed to have grown wings and spread throughout the entire Jingdu.

The various large factions quickly received the news.

“Yan Ruoxue... has finally appeared!”

Countless organizations and factions were unable to resist this temptation and rushed towards Jingdu.

Chapter 883: Chapter 883, entering the Yan manor again

Danger was slowly approaching, but Qin Yu did not care at all.

As long as no martial saints were born, Qin Yu would not be afraid of anyone.

After arriving in Jingdu, Yan ruoxue suddenly asked, “Why must you come to Jingdu?”

Qin Yu thought for a moment and said, “Although I haven’t been able to make you not fear anyone yet, I want to live a normal couple’s life with you.”

After the two of them confirmed their relationship, they had very little time to get together.

Now that they could finally be together openly, Qin Yu naturally wouldn’t miss it.

He hailed a car from the airport and headed straight for the Yan family manor.

Just a trip to the airport had caused countless people to take photos and circulate them.

At this moment, Han Wei had also seen the various photos circulating on the internet.

A deep sense of powerlessness filled his chest.

...

Soon, Qin Yu brought Yan Ruoxue to the Yan family’s manor.

The Yan family’s manor was as strict as ever.

Strangers were not allowed to approach from dozens of meters away.

Ever since Yan Ruoxue left, this manor had become Yan Sihai's property. Zhang Yin lived here all year round.

Returning to the Yan family's manor once again, Yan Ruoxue had an indescribable feeling in her heart.

The scenes of the past could not help but appear in her heart. Those happy times seemed to have gone for good.

"Stop, this is the Yan family's manor. No one is allowed to come forward!" Very quickly, two bodyguards rushed over.

But when they came close, they were stunned on the spot.

"Miss... Miss?" The bodyguard's voice was slightly trembling.

Yan Ruoxue smiled faintly and said, "Why? Don't you recognize me?"

"No... No, of course not." The bodyguard waved his hand.

"Then why don't you quickly move aside?" Yan Ruoxue said faintly.

A trace of embarrassment flashed across the bodyguard's face.

"Miss, President Yan has instructed us that no one is allowed to come near. I..." The bodyguard stammered, somewhat at a loss.

Qin Yu could not help but berate coldly, "This is Ruoxue's home. What has it got to do with him, Yan Sihai? If he has any objections, just let him come to me."

Seeing this, the bodyguard did not dare to say anything more. He could only nod and make way.

Qin Yu and Yan Ruoxue Strode into the Yan family manor.

After they entered, the bodyguard immediately gave Yan Sihai a call.

“President Yan, Miss is back...”the bodyguard whispered.

“What? !”Yan Sihai suddenly stood up.

He said coldly, “Yan Ruoxue... She’s Back!”

Yan Sihai’s expression was a little ugly. He paced around the office.

After a moment, he asked, “Who is she with?”

“With... with Qin Yu.”The bodyguard did not dare to hide it.

When he heard Qin Yu’s name, Yan Sihai’s expression instantly became even gloomier.

After a moment, Yan Sihai said coldly, “I got it.”

After he hung up the phone, Yan Sihai immediately used his connections and called three half-step martial saints to rush towards the Yan family manor.

Yan family manor.

As soon as Qin Yu and Yan Ruoxue entered the door, they saw Zhang Yin sitting on the sofa like a noblewoman.

Looking at Yan Ruoxue and Qin Yu in front of her, Zhang Yin’s expression became even more unsightly.

She stood up abruptly and berated, “Who let you in! Hurry up and get out!”

Before Yan Ruoxue could say anything, Qin Yu said coldly, “You’re the one who should get out.”

Zhang Yin immediately flew into a rage, “You’re an outsider, what has it got to do with you!”

“Yan Ruoxue, listen well, this Yan family manor is mine now! If you’re sensible, get out quickly, or don’t blame me for being impolite!”

Qin Yu’s expression turned cold as he walked towards Zhang Yin Step by step.

“I said get the hell out of here. Do you understand?” Qin Yu’s tone was extremely cold. The powerful pressure caused Zhang Yin’s entire body to tremble.

Zhang Yin’s two bodyguards hurriedly rushed out and blocked in front of Zhang Yin.

“Get... get him out of Here!” Zhang Yin said in a panic.

“Yes!” The two bodyguards rushed towards Qin Yu without saying a word.

Qin Yu didn’t say anything. He waved his hand and smashed the two of them into meat paste!

Seeing this scene, Zhang Yin immediately screamed in fear.

Qin Yu raised his hand and slapped her on the mouth.

Although the slap wasn’t very strong, it still shattered more than ten of Zhang Yin’s teeth and her mouth swelled up.

“Don’t think that I don’t dare to kill you,”Qin Yu said coldly.

Zhang Yin had long been scared out of her wits. She covered her mouth and turned to run.

After chasing her away, Qin Yu flicked his finger and finished off the two corpses.

Then, Qin Yu looked at Yan Ruoxue and said, “Okay, it’s okay.”

However, Yan Ruoxue was a little worried.

“Yan Sihai won’t agree with you,”Yan Ruoxue said in a low voice.

Qin Yu smiled and said, “I’m not afraid of him now.”

Yan Ruoxue didn’t know Qin Yu’s current strength. She only knew that the Yan family was huge, and the power they could use was beyond imagination.

“Qin Yu, don’t underestimate Yan Sihai. His power is beyond your imagination,”Yan Ruoxue said in a low voice.

Qin Yu smiled and said, “Don’t worry. Even if he finds the heavenly king, it won’t work today!”

Seeing this, Yan Ruoxue could only sigh slightly.

Qin Yu didn’t take Yan Sihai seriously at all. He pulled Yan Ruoxue and went upstairs.

Looking at the place where she grew up, Yan Ruoxue also had an indescribable feeling in her heart.

She lay on the big bed that she used to have and said in a somewhat lazy voice, “It seems like nothing has changed, but it also seems like everything has changed...”

Qin Yu lay on her side and said in a low voice, “Ruoxue, we will have more and more...”

The two of them looked at each other and smiled, enjoying this moment of happiness.

At this moment, Qin Yu felt several internal Qi approaching him.

“Yan Sihai, you’ve really come. I was just about to look for you.”The corners of Qin Yu’s mouth could not help but curl up into a cold smile.

In just a moment, Yan Sihai had brought three half-step martial saints and pushed open the door to enter!

Zhang Yin was also beside him.

“Master, you must avenge me!”Zhang Yin covered her mouth and said with a pained expression.

The moment she saw Yan Sihai, Yan Ruoxue also quickly stood up.

She subconsciously shielded Qin Yu behind her and said, “Uncle, all of this has nothing to do with Qin Yu.”

Yan Sihai said with a cold face, “Yan Ruoxue, you actually helped an outsider. Tell me, what crime should you commit?”

“I’ll commit your grandfather’s crime.”Qin Yu could not help but sneer.

“Yan Sihai, your skin is really thick. Where did you get the face to say such words?”

Yan Sihai narrowed his eyes slightly and sneered: “I know you have some abilities recently, but in front of My Yan family, you are nothing!”

As he spoke, Yan Sihai took a step back.

“Don’t worry, my three half-step martial saint friends will take good care of you.”Yan Sihai said coldly.

Half-step martial saint!

When she heard these words, Yan Ruoxue’s face instantly turned extremely pale!

She knew what it meant to be a half-step martial saint!

Chapter 884: Chapter 884, prove it to you

Even the huge Yan family could not find a few half-step martial saints!

“Sending out three martial saints, is it necessary?”Yan Ruoxue subconsciously blocked Qin Yu behind her.

In her opinion, Qin Yu was still the young man who needed protection.

Yan sihai sneered: “Yan Ruoxue, if you really feel sorry for him, then follow me obediently. I will let him live.”

Yan ruoxue gritted her teeth. Just as she was about to speak, Qin Yu gently covered her mouth.

“Three half-step martial saints are not worth mentioning at all.”Qin Yu grinned and said.

“These two years, I have not wasted my time. Otherwise, how could I have brought you to the Yan family so confidently?”

After he finished speaking, Qin Yu blocked Yan ruoxue behind him.

“Do it. Don’t waste my time alone with Ruoxue,”Qin Yu said coldly.

Yan sihai shouted, “Do it! Kill him!”

The three half-step martial saints immediately strode towards Qin Yu!

It was unknown whether it was because of Yan Ruoxue’s side or Qin Yu’s sudden increase in strength, but Qin Yu’s internal Qi was unprecedentedly strong when he faced the three half-step martial saints!

With a furious roar, his fists condensed into a dragon-like shape.

Then, Qin Yu’s fist suddenly smashed out like a cannonball exploding next to his ear!

“Boom!”

That rainbow-like aura suddenly soared, and the destructive power poured out like a waterfall!

Qin Yu Protected Yan Ruoxue with one hand, and used the other hand to face the three half-step martial saints!

In an instant, the three people’s bodies were directly shattered!

The penetrating power of this punch was extremely terrifying. The three people did not retreat too much, but their internal organs had all exploded at this moment!

“Pu!”

They spat out a mouthful of blood, and the blood was mixed with the fragments of their internal organs!

With just one punch, he had killed three half-step martial saints!

Without the appearance of a martial saint, Qin Yu was invincible in this world. This was not a rumor!

Yan Ruoxue’s beautiful eyes were filled with shock! She could not help but cover her mouth gently.

Even though Yan Ruoxue had always trusted Qin Yu, she did not expect that Qin Yu had grown to such a level in such a short period of time!

The veins on Yan Sihai’s forehead bulged. Ever since Yan Jinyao went into seclusion, he had been indifferent to the affairs of the Martial World. He had no idea that Qin Yu had reached such a level!

Among the few people present, only Qin Yu was calm and collected.

He walked to the front of the three people, dug out the golden cores from their bodies, and casually stuffed them into his pocket.

Then, Qin Yu’s gaze fell on Yan Sihai.

“What? Are You So ignorant now?” Qin Yu looked at Yan Sihai coldly.

Yan Sihai's face was ashen. He snorted coldly and said, "Qin Yu, you really have some ability. I've underestimated you."

"So?" Qin Yu said coldly.

Yan Sihai gritted his teeth and said, "Don't be arrogant for too long. It's not like our Yan family can't afford a martial saint!"

After he finished speaking, Yan Sihai turned around and was about to leave.

"Stop!"

However, at this moment, Qin Yu suddenly let out a stern shout!

That thunderous voice sounded beside Yan Sihai's ears and for a moment, it shook his legs until they went soft!

"Why? Do you still have something to do?" Yan Sihai said coldly.

Qin Yu took a step forward and walked in front of Yan Sihai.

"Since you're here, why are you in such a hurry to leave?" Qin Yu said coldly.

"What do you want?" Yan Sihai said with a tone of iron.

Qin Yu pointed at Yan Ruoxue and said, "As Ruoxue's uncle, you sent her to the Jingdu Martial Arts Association for personal gain and made her suffer all kinds of torture. Do you want to leave just like that?"

Yan Sihai was both shocked and angry.

As the eldest son of the Yan family, no one had ever dared to talk to him like that!

“Qin Yu, are you crazy? You Dare to talk to me like that?” Yan Sihai was furious.

Qin Yu said coldly, “I’m already polite enough to you now.”

Yan Sihai was so angry that he laughed. “Fine, then what do you want me to do?”

Qin Yu took a deep breath and said, “I promised Ruoxue that everyone who has hurt her will pay a thousand times or a hundred times the price. Everyone who is stained with Ruoxue’s blood will pay with their lives.”

“I can kill you last because you are Ruoxue’s uncle.”

“But now, you must kneel down and apologize to Ruoxue.”

Yan Sihai burst into laughter.

He pointed at Qin Yu’s nose and said, “You want me to kneel down and apologize? I think you are crazy. You know that I... Ah! ! !”

Before Yan Sihai could finish his words, Qin Yu had already kicked Yan Sihai’s knee into pieces!

The intense pain instantly made Yan Sihai kneel on the ground with a plop!

He held his knee, his eyes filled with disbelief.

“You... You Dare to hit me? !” Yan Sihai did not care about the pain, his face was filled with shock.

Qin Yu said coldly, "This is only a small punishment for you. It is too easy for you to kill you just like that."

Yan Sihai was the patriarch of the Yan family after all. Even under such circumstances, he still didn't lose his stance.

He pointed at Qin Yu and said, "Good, good! Qin Yu, you have guts. Let's wait and see, Wait and see!"

After saying that, Yan Sihai glared at Zhang Yin and scolded, "Hurry up and help me downstairs!"

Zhang Yin didn't dare to say anything. She hurriedly helped Yan Sihai and walked downstairs.

"Oh right, Tell Yan Jinyao that I will personally kill him after he comes out of seclusion." At this moment, Qin Yu spoke again.

Yan Sihai snorted coldly. He did not say anything and left the place.

After he left, Yan Ruoxue cried out in shock, "You..."

Qin Yu took a deep breath and smiled, "Do you think that I am a little too ruthless? If you don't like it, I can change."

"No." Yan Ruoxue shook her head.

She had been born in a top aristocratic family since she was a child and had long been used to seeing fresh blood.

"I'm just curious about your changes. People do change, but in a short two years, there aren't many changes." Yan Ruoxue said in a low voice.

Qin Yu didn't know what to say for a moment.

If Qin Yu's changes were 100% , then it was 90% because of Yan Ruoxue.

After that, Qin Yu used the spiritual fire to finish off these corpses.

And because of the fight, cracks also appeared in the room.

On the same day, Qin Yu and Yan Ruoxue went to the market and bought wallpaper, flowers, and other various decorations according to their own wishes, as well as a large pile of ingredients.

After returning home, the two of them began to clean up and remodel the huge Yan family manor.

After doing all this, the two of them lay on the bed, panting.

All of this was like an ordinary, happy little couple.

“Alright, I think no one will disturb us now.”Qin Yu looked sideways at Yan Ruoxue who was lying next to him.

When their eyes met, the atmosphere in the room seemed to have become ambiguous.

Chapter 885: Chapter 885, lurking in the dark

The two of them were like an ordinary couple, lying on the bed, feeling each other's warmth and this moment of warmth.

Qin Yu gently held Yan Ruoxue's hand, and a strange emotion burst out of their eyes.

The two of them were getting closer and closer, so close that they could feel each other's breathing.

At this moment, there was a sudden movement from outside.

Qin Yu looked out of the window somewhat irritably.

He saw that the people who came were the group of young masters from Jingdu.

Zhuang Teng, Chu Heng, Yao Meng, and the others were almost all here.

"F * ck, why are they here?" Qin Yu couldn't help but curse in his heart.

Wasn't this ruining his good thing! !

Qin Yu and Yan Ruoxue quickly went downstairs. As soon as they went downstairs, Zhuang Teng and the others walked over excitedly.

"Miss Yan, we've finally met you," Zhuang Teng said politely.

Yan Ruoxue also responded politely and returned a generous smile.

"Miss Yan, we were especially heartbroken about what happened last time. Fortunately, Qin Yu is here," Chu Heng also said with a smile.

"We heard that you were back, so we hurried over."

Everyone was unusually enthusiastic, but Qin Yu felt a headache.

"Oh right, Brother Qin, Miss Yan, I specially held a dinner party at home today," Zhuang Teng said while patting his chest.

"This dinner party is to welcome Miss Yan!"

Yan ruoxue frowned slightly and shook her head with a smile. “There’s no need for that, right?”

“Aiya, Miss Yan, you can’t not give me face. I specially prepared this for you!”Zhuang Teng said excitedly.

Yan Ruoxue did not respond. Instead, she looked at Qin Yu, as if waiting for Qin Yu’s answer.

Qin Yu sighed slightly and said, “Alright, we’ll go in a while.”

“Okay!”Zhuang Teng said excitedly.

“Then we’ll go back first. See You Tonight!”

Zhuang Teng led everyone and left. Only Yao Meng stayed.

It could be seen that the relationship between Yao Meng and Yan Ruoxue was really good. The two of them were talking and laughing, and the atmosphere was quite harmonious.

“Zhuang Teng will definitely invite all kinds of people to the banquet,”Yao Meng said with a bitter smile.

Yan ruoxue smiled and said, “Zhuang Teng has always been like this. This is also good.”

Yao Meng said jokingly, “We are not like you. We are quite popular no matter which world we are in.”

Although these words were a joke, it was also the truth.

Like Yao Meng and the others, their assets were not considered top-notch. It was just that their martial arts strength was relatively strong.

But it was different for Yan Ruoxue. Back then, the Yan family could be said to be able to call the wind and summon the rain in Jingdu.

Regardless of their various professions, they had to give some face.

Then, Yao Meng changed the topic to Qin Yu.

“Ruoxue, I can’t help but admire your foresight,” Yao Meng said with a smile.

“At that time, I was still wondering how much courage it took for you to find a poor kid with no background. Now it seems that I’m still short-sighted. The foresight of the Yan family is indeed worthy of its reputation.”

Yan ruoxue smiled and said, “Do you think I like Qin Yu just because I have good taste?”

Yao Meng’s eyes were a little surprised, as if she was waiting for Yan Ruoxue’s answer.

Yan ruoxue smiled and said, “I do think Qin Yu will definitely achieve something, but that’s not why I like him. It’s more because I like him.”

“Even if he really has no achievements, I’m willing to support him.”

Yao Meng opened her mouth, not knowing what to say for a moment.

To Yao Meng and the others, their lives had already become a profit field.

It was as if everything in this world was marked with a price, even for people.

“Qin Yu is crazy enough... For You.” Yao Meng smiled and shook her head.

Hearing this, Yan Ruoxue’s eyes could not help but look at Qin Yu.

The way she looked at Qin Yu seemed to have a different color.

“Okay, Ruoxue, let’s see you tonight.” Yao Meng didn’t stay any longer. She said goodbye to Yan Ruoxue and left.

After she left, Yan Ruoxue came to Qin Yu’s side.

“The food we prepared seems to be useless.” Yan ruoxue spread her hands.

Qin Yu also whispered, “Yeah, I was planning to cook a bowl of noodles for you.”

“Well... speaking of which, I really want to eat the noodles you cooked. That should be the first time you cooked for me, right?” Yan ruoxue blinked her eyes and said.

Qin Yu also smiled and said, “I also want to eat the fish you cooked. Tomorrow, we’ll be at home by Ourselves Tomorrow, and we won’t see anyone!”

Speaking up to this point, Yan Ruoxue said with some worry, “You also know that many people are interested in my bloodline. Aren’t you afraid that... Something will happen at tonight’s Banquet?”

Qin Yu put down the remote control in his hand and sneered, “I just want to find these people who are hiding in the dark!”

Yan Ruoxue opened her mouth. She wanted to say something, but after a moment, she laughed again.

“That’s right. You are no longer the Qin Yu that everyone can bully.”Yan Ruoxue gently patted Qin Yu’s forehead.

Qin Yu could not help but be a little absent-minded.

He did not know how long this kind of warm little life would last.

...

At night.

Qin Yu changed into a suit and attended the banquet with Yan Ruoxue. They arrived at the Zhuang family.

Yan Ruoxue’s appearance was like a beautiful scenery. No matter where she went, she would attract enough attention.

For a moment, many people from the Zhuang family came forward and greeted Yan Ruoxue.

Yan Ruoxue also responded politely.

“Ruoxue, come and sit here.”Yao Meng waved at Yan Ruoxue.

Qin Yu followed Yan Ruoxue and walked to the sofa.

The entire venue was packed with people, and the people attending this banquet were all important figures in Jingdu.

Qin Yu sat at the side and didn’t say anything. He released his spiritual sense and covered the entire venue.

One, two, three... Six powerful auras were lurking in the dark, and the internal Qi of the people in the banquet hall was very strong.

Qin Yu snorted and said, "Someone is really targeting us."

"What's Wrong?" Yan ruoxue noticed Qin Yu's abnormality.

Qin Yu smiled and shook his head. "Nothing."

At this moment, a young man came over with a wine glass in his hand.

He walked directly to Yan Ruoxue's side and said with a smile, "Miss Yan, long time no see."

Yan ruoxue nodded slightly as a greeting to him.

The young man continued, "Miss Yan, are you interested in dancing with me?"

Yan ruoxue glanced at him and said mercilessly, "I'm not interested. Even if I dance, I Won't dance with you."

When the young man heard this, he couldn't help but put the wine glass in his hand on the table.

"Yan Ruoxue, do you still think that you are the Miss of the Yan Family? Do you still think that old Mister Yan is protecting you?" The young man said with a faint smile.

Yan Ruoxue's expression didn't change much.. She just smiled and said, "Does this have anything to do with whether you dance or not? Even if I have nothing, I still don't Fancy You."

Chapter 886: Chapter 886, you' re F * cking... Courting Death!

The youth's expression immediately darkened.

He narrowed his eyes and said, "Back then, with old Mister Yan protecting you, no one in Jingdu dared to provoke you. But now, Old Mister Yan is already dead! The Yan family won't care about you, so what right do you have to follow me..."

Before he could finish speaking, he felt a chill run down his back.

He turned around and saw Qin Yu standing behind him.

"You... You Are Qin Yu?"The youth braced himself and asked.

Qin Yu put his hand on his shoulder and said with a smile, "Let's talk somewhere else."

The youth seemed to sense that something was wrong. He immediately berated, "I know you have some ability, but let me tell you, I am Cao Rui of the fourth young master of Jingdu. If you dare to touch me..."

"Pa!"

Before Cao Rui could finish his words, his body flew out.

"Cao Rui? The fourth young master of Jingdu? What is that?"Qin Yu looked coldly at Cao Rui.

Cao Rui hurriedly got up from the ground. He angrily said, "You are just a martial artist, and you actually dare to fight with me. You... you just wait and see!"

Qin Yu walked step by step towards Cao Rui. As he walked, he said, “I remember that old Mister Yan made the Sun family disappear overnight. Today, I will imitate him and make your Cao family disappear.”

Although Qin Yu’s voice was not loud, it was enough to reach the ears of everyone around him.

“Make my Cao family disappear? hahahaha! You are just a martial artist!” Cao Rui did not know that danger was coming.

Qin Yu bent down and sneered. “Go back and tell your father that either you leave Jingdu immediately, or I will send you all away.”

Cao Rui got up from the ground and pointed at Qin Yu. “Alright, just you wait. We’ll see!”

With that, Cao Rui left in a hurry.

The people around couldn’t help but look over.

There was no lack of business elites and officials among these people, but no one said anything at the moment.

After chasing Cao Rui away, Qin Yu sat next to Yan Ruoxue.

“Are You Alright?” Qin Yu smiled.

Yan Ruoxue said with some amusement, “You’re getting braver and braver now.”

Qin Yu also said jokingly, “Of course, I’m Super Braver Now!”

“TSK!” Yan Ruoxue rolled her eyes at Qin Yu with a smile.

At this moment, Qin Yu felt a powerful internal Qi rapidly approaching.

Qin Yu frowned slightly and suddenly looked in a certain direction at the door.

He saw several people appearing at the door! Among them, the leader was none other than Gu Xinghe!

There were four half-step martial saints beside Gu Xinghe, and Wan Guqiong was also among them.

“Gu Xinghe...”before Qin Yu could speak, Yan Ruoxue whispered this name.

Qin Yu frowned and asked, “You know him?”

“Yes.”Yan ruoxue nodded.

“When I was in the second secret area, he absorbed a large part of my blood. I heard that he is the young master of the second secret area, a first-rate genius.”

Hearing this, a trace of anger flashed across Qin Yu’s face.

Soon, Gu Xinghe brought a few people and walked towards Qin Yu.

“Miss Yan, have you been living happily outside recently? Do you miss the life in the Second Mystic Realm?”As Gu Xinghe approached, his gaze immediately fell on Yan Ruoxue.

A trace of pain flashed across Yan Ruoxue’s face. Although she forced a smile, she was still seen through at a glance.

“Miss Yan, don’t worry. I’ll bring you back to the second mystic realm soon. hahaha!”Gu Xinghe laughed provocatively.

“Boom!”

At this moment, Qin Yu suddenly threw a punch!

This time, Gu Xinghe was prepared. He suddenly retreated and dodged.

Then, Gu Xinghe came to Qin Yu’s side again.

“What, are you angry now?”Gu Xinghe sneered.

Qin Yu narrowed his eyes and said, “Gu Xinghe, you really forgot about the pain after you recovered...”

When this matter was brought up, Gu Xinghe’s expression became a little ugly.

“Qin Yu, don’t be arrogant too early. In a few days, the second secret realm will send a martial saint.”Gu Xinghe sneered.

Qin Yu stood up and said, “Before the martial saint appears, I can kill you a hundred times.”

As he spoke, Qin Yu’s body emitted a strong murderous aura.

“It’s so cold...”

This murderous aura instantly engulfed the entire Zhuang family, and the temperature dropped by a few degrees at this moment.

Gu Xinghe snorted lightly and said, “Qin Yu, I’m afraid you can’t kill me by yourself.”

As he said this, he looked at Wan Gu Qiong and the others beside him.

“They all came from the secret realm and have a deep hatred towards you. They also have the intention to send a martial saint to kill you,” Gu Xinghe said lightly.

“Wan Gu Qiong! You’re actually hanging out with Gu Xinghe!” When Yao Meng saw this, she could not help but shout in a tender voice.

Wan Gu Qiong glanced at Yao Meng and said coldly, “We have common interests.”

“You!” Yao Meng pointed at Wan Guqiong and gnashed her teeth in anger.

Qin Yu could not help but sneer, “Not bad, not bad at all. Wan guqiong, when I become a martial saint, Your Wan family will be the first to be destroyed.”

Although it was only a simple sentence, it made Wan Guqiong’s face flash with a trace of panic.

Although this panic was fleeting, it still could not escape Qin Yu’s eyes.

“Qin Yu, you are only at the perfect stage of the Martial Marquis Realm. You are still far away from becoming a martial saint. I’m afraid you won’t have the chance,” Wan Gu Qiong said coldly.

Qin Yu sneered, “Then we’ll just wait and see.”

Wan Gu Qiong did not say anything more and stood silently behind Gu Xinghe.

Gu Xinghe raised his brows and said, “Qin Yu, you should know in your heart that it’s impossible for you to step into the martial saint realm in a few short days.”

“And once the martial saint is Born, you won’t be able to protect Yan Ruoxue. Yan Ruoxue will have to return to the second secret realm to suffer.”

When he said this, Gu Xinghe changed the topic and raised his eyebrows, “If you really care about her, you might as well give her to me. With my protection, at least she will suffer less.”

After he finished speaking, the people around Gu Xinghe burst into laughter.

“How about it? Do you want to consider it? You Can’t be too selfish,” gu xinghe continued to ridicule.

“TSK tsk, the suffering of the second secret realm is really hard to imagine. I’ve tried it before, but it only lasted for less than a minute.”

“And Yan Ruoxue has to suffer this kind of torture all the time. Sigh, it hurts just thinking about it...”

Gu Xinghe’s words made Qin Yu lose his mind instantly.

His eyes were bloodshot as he growled in a low voice, “You’re F * cking courting death!”

Chapter 887: Chapter 887, heavenly phenomenon

The internal Qi on Qin Yu’s body became more and more terrifying. This internal Qi had even alarmed everyone!

Intentionally provoking Qin Yu had become the most regretful thing in Gu Xinghe's life.

Qin Yu's body flashed explosively. In the blink of an eye, he had arrived beside Gu Xinghe.

His speed was ridiculously fast. Even a half-step martial saint could not see him clearly!

In the next second, Qin Yu pressed Gu Xinghe's head on the ground and slid forward quickly!

“You're F * cking courting death!” Qin Yu's furious roar was like the roar of a wild beast as it spread throughout the entire manor!

He grabbed Gu Xinghe's head with one hand, and in the blink of an eye, he had slashed dozens of meters away!

Meanwhile, Gu Xinghe's head had left a long trail on the ground, and countless pieces of gravel had turned into powder!

Gu Xinghe tried to struggle, but he found that he could not break free at all.

The strength of Qin Yu's palm was extremely terrifying, almost tearing his head apart!

“Boom!”

At this moment, Qin Yu grabbed Gu Xinghe and smashed his fist on Gu Xinghe's lower abdomen!

Gu Xinghe's figure instantly flew high into the air. Before he could react, Qin Yu had already appeared behind him!

Qin Yu clenched his fists and smashed fiercely onto Gu Xinghe's back!

In an instant, Gu Xinghe's back bent in a strange arc! His body crashed straight into the ground!

“Go to hell!”

Qin Yu roared repeatedly, the light in his hands continuously shining.

The golden light was like a bomb, continuously smashing towards Gu Xinghe!

In just a few short moments, the ground had turned into a huge pit!

“If this continues, I'm afraid Gu Xinghe will die here!”Wan Gu Qiong exclaimed in shock.

The few half-step martial saints present looked at each other and rushed towards Qin Yu in unison.

They tried to stop Qin Yu, but they were sent flying by a single punch!

Even several half-step martial saints were unable to stop Qin Yu!

“Boom!”

As Qin Yu's punch smashed down, a crack appeared on the ground.

The crack spread rapidly, directly splitting the entire manor into two!

“Ruoxue, hurry up and stop him, or else... he will really kill him,”Yao Meng could not help but whisper.

Yan Ruoxue also did not expect Qin Yu to explode with such astonishing strength. She stood up and looked in Qin Yu's direction, saying in a low voice, "Qin Yu, stop."

Hearing Yan Ruoxue's voice, Qin Yu seemed to have regained some of his rationality.

His hand that was grabbing Gu Xinghe's head also stopped.

At this moment, Gu Xinghe was being held in his hand like a dead dog.

This was the second time this young master from the second mystery realm had been beaten up violently.

Qin Yu threw Gu Xinghe aside and then swept his gaze towards Wan Guqiong and the others, saying coldly, "I will remember all of you. I will not let any of you off."

Wan Gu Qiong could not help but tense up when he heard this, and his back turned cold.

Meanwhile, the half-step martial saint who was hiding in the dark and planning to make a move also had the intention to retreat at this moment.

"No, this kid is like a mad dog. If he makes a move, I'm afraid he will die here."

"Retreat, he is no longer someone a half-step martial saint can deal with."

The several half-step martial saints who were hiding in the dark immediately left this place.

Wan Gu Qiong and the others did not dare to stay any longer. They grabbed Gu Xinghe and left this place with their tails between their legs.

Qin Yu's gaze swept the surroundings. No one dared to look at him wherever he passed.

“Phew.”

Qin Yu let out a long breath and slowly walked to Yan Ruoxue's side and sat down.

“I didn't scare you, did I?” Qin Yu said with some embarrassment.

Yan ruoxue blinked her eyes and said, “What do you think?”

This made Qin Yu a little embarrassed. He hurriedly explained, “Actually, I'm not usually like this. It's just that...”

At this moment, Yan Ruoxue reached out a finger and covered Qin Yu's mouth.

“Don't explain, and don't need to explain. I know what you've done for me,” Yan Ruoxue said softly.

Qin Yu couldn't help but lose his mind. After a moment, he gently pulled Yan Ruoxue into his arms.

After such a matter had occurred, many people had left the banquet.

Those who remained were basically the few disciples of the aristocratic families in Jingdu.

“Brother Qin, I have to remind you that if the martial saint were to be born, it would not be good news for you.” At the banquet, Zhuang Teng could not help but say.

“That’s right. The martial saint’s birth is already a foregone conclusion. As far as I know, it might be brought forward or delayed.” Chu Heng added.

Qin Yu nodded silently. He took a deep breath and said, “I know. Thank you for your concern.”

After the meal, Qin Yu brought Yan Ruoxue away.

On the way, Qin Yu looked at Yan Ruoxue and said apologetically, “Ruoxue, I’m afraid our plan has to be changed for the time being.”

Initially, Qin Yu and Yan Ruoxue had planned to look for old Mister Yan. However, from the looks of it, they did not have much time left.

“Wherever you go, I’ll go.” Yan Ruoxue leaned on Qin Yu’s shoulder and said softly.

Qin Yu said in a low voice, “These days won’t last long. I’ll give you a peaceful life.”

The next day.

Qin Yu brought Yan Ruoxue and rushed to the Green Moon Villa.

They arrived near the Green Moon Villa’s spirit spring. Li Yu was still rubbing the secret key.

“How is it? How much longer?” Qin Yu asked.

Li Yu stretched out a finger and said, "About a day or so."

Qin Yu said in a deep voice, "Can the secret key of this mystic realm be modified?"

Li Yu stopped what he was doing and shook his head. "At least I can't do it."

This made Qin Yu feel a little awkward.

He was worried that this mystic realm would be discovered. At that time, it would be troublesome.

With the ability of the JINGDU martial arts association, it would not be difficult for them to find a secret realm master.

"I can only take it one step at a time. I must try to enter the martial saint realm before they discover it." Qin Yu thought to himself.

As long as he entered the Martial Saint Realm, Qin Yu would no longer need to be afraid.

At this moment, Li Yu's gaze fell on Yan Ruoxue.

"You Are... Yan Ruoxue?" Li Yu sized up Yan Ruoxue and asked.

Yan ruoxue nodded and said, "Hello."

Li Yu rubbed his chin and said, "I've long heard that Miss Yan is the number one beauty in Jingdu. Now that I've seen you today, you really live up to your reputation. Speaking of which, you were the one I longed for when I was young."

Yan ruoxue slightly bowed and said humbly, "Mr. Li, you flatter me."

“Alright, let’s not waste any more time. Let’s find the secret key as soon as possible,”Qin Yu said from the side.

Li Yu did not say anything more and continued to search for the secret key.

Time passed by minute by minute, and in the blink of an eye, it was already night time.

At night, the sky was quiet and peaceful. From time to time, there were insects and birds chirping.

Qin Yu and Yan Ruoxue lay on the ground and looked up at the sky, looking very happy.

“Look, there seems to be a shooting star!”At this time, Yan Ruoxue pointed at the sky and said with some excitement.

“Make a wish quickly!”Yan Ruoxue urged.

She put her hands together and closed her eyes slightly.

Qin Yu also quickly imitated Yan Ruoxue’s movements and made his own wish.

A moment later, Qin Yu looked at Yan Ruoxue and said, “What wish did you make?”

“If I don’t tell you, it won’t work!”Yan Ruoxue said playfully.

Qin Yu opened his mouth. Just as he was about to speak, a large auspicious cloud phenomenon suddenly appeared in the sky!

Seeing this phenomenon, Qin Yu’s expression suddenly changed!

Chapter 888: Chapter 888, the birth of the martial saint!

Qin Yu suddenly stood up from the ground and stared at the strange phenomenon in the sky.

Yan Ruoxue was also attracted by such auspicious clouds.

Soon, the auspicious clouds began to disappear and were replaced by large patches of dark clouds.

“Crack!”

Then, a thunder was heard!

This thunder was deafening as if it was going to split the ground in half!

Although Qin Yu did not know what this phenomenon was, he had a very bad feeling in his heart.

“Someone is going to step into the martial saint realm,” Li Yu said from the side.

Qin Yu’s expression suddenly changed!

What he was afraid of came true!

He did not expect that someone was really going to step into the martial saint realm ahead of Time!

“Li Yu, you must speed up, Please!” Qin Yu looked at Li Yu with a pleading look in his eyes.

Li Yu also nodded and said, “Don’t worry, in a day at most, I will definitely let you hide in the secret realm.”

Such a heaven and earth phenomenon naturally attracted countless people.

The many aristocratic families in the martial arts world almost all saw the strangeness of this phenomenon.

Jingdu, in a certain villa.

Ye Qing raised his head to look at this phenomenon and said in a low voice, "Someone has stepped into the martial saint realm."

Southwest, a deserted area.

Jiang he was also attracted by this strange phenomenon. He said with a trembling voice, "After so many years... finally, someone has stepped into the martial saint realm..."

Many old monsters who had been stuck at the half-step martial saint realm for many years also opened their eyes at this moment.

"Someone has stepped into the Martial Saint Realm! This is enough to prove that the current era can already give birth to a martial saint!"

This was the carnival of countless people! To the martial arts world, this was undoubtedly good news!

At this moment, under a certain island, a young man walked out from the main gate of the immortal slaying sect.

He had a noble temperament, but there was an uncomfortable coldness to him.

Behind him, there were dozens of corpses!

This person was none other than Tian Xuehong!

“Finally... someone has become a martial saint,” Tian Xuehong murmured.

“Haha... hahahahaha!” A moment later, Tian Xuehong’s smile spread across the entire sea area.

Inside the Divine Alchemist Pavilion, the Pavilion Master’s face was filled with worry as he muttered, “Once a martial saint is born, the agreement between the DAO protectors will no longer exist.”

“Qin Yu, you must hide well...”

...

In the second secret realm.

Gu Xinghe was lying on the bed like a dead dog.

This time, his injuries were even more serious. He did not even have the strength to speak.

All the bones in his body were cracked. Just the recovery of his body alone would take a long time.

Looking at Gu Xinghe’s appearance, Gu Zizhen could not help but turn pale.

“It’s fine if you lost face once, but you can F * cking lose it a second time!” Gu Zizhen could not help but curse.

He couldn’t figure out why he had to go over and take a beating since he was no match for Qin Yu.

Gu Xinghe endured the pain in his body. He used all his strength and said in a low voice, “Kill... kill... Qin Yu...”

Gu Zizhen snorted coldly, “You should rest well. You’re lucky that you didn’t die this time. You Don’t have to worry about Qin Yu anymore.”

Then, Gu Zizhen stood up and walked out.

As soon as he entered the hall, long brows rushed in.

“Master, Good News! Good News!” Long brows said excitedly.

“Someone has become a martial saint!”

Gu Zizhen suddenly stood up and said in surprise, “Is what you said true?”

“It’s absolutely true! I saw the martial saint’s abnormal phenomenon with my own eyes!” Long brows’ excited voice trembled slightly.

Gu Zizhen narrowed his eyes slightly.

He sneered and said, “Good, good. The restriction of the Dao Protector... has finally disappeared. hahahaha!”

“Go, Call Zhai Xing over for me!”

After a few minutes, Zhai Xing appeared in the main hall.

Gu Zizhen arranged for Zhai Xing to bring the two martial saints out of the second secret realm to kill Qin Yu!

At the same time, the Wan family had also issued the same order!

Wan guqiong would lead the two martial saints out of the Wan family to kill Qin Yu and Snatch Yan Ruoxue!

Each secret realm had sent out their martial saints one after another. Their only target was Qin Yu!

At this moment, Qin Yu was sitting near the spiritual spring and waiting quietly.

“I wonder who has become a martial saint.” Qin Yu’s heart was in a mess.

This time, someone had stepped into the martial saint realm. It was likely that it would change the entire structure of the martial arts world.

Qin Yu looked at Li Yu and said, “Mr. Li, how much more time does this mystic realm need?”

Li Yu said, “Two hours.”

Qin Yu took a deep breath and said, “Okay.”

He sat there, quietly waiting for the opening of the mystic realm.

Two hours passed very quickly, and in the blink of an eye, it was gone.

It happened to be stuck in two hours, and rays of light flashed in front of Li Yu.

Then, a huge entrance appeared in front of Qin Yu.

“It’s Open!” Li Yu said with faint excitement.

Qin Yu nodded to him and said, “Give me the secret key.”

Li Yu did not waste any time and immediately passed the secret key to Qin Yu.

Following that, Qin Yu looked at Yan Ruoxue and said, "Ruoxue, you go in first."

"What About You?" Yan Ruoxue said with some confusion.

Qin Yu said in a deep voice, "I have to go to the Divine Alchemist Pavilion."

If they could not find Qin Yu, they might vent their anger on the Divine Alchemist Pavilion.

Qin Yu owed the pavilion master too much. He would not allow the pavilion master to be implicated because of this.

Yan Ruoxue was a woman who knew the big picture. She also knew that Qin Yu had to go.

Therefore, she did not say too much nonsense. She just reminded him to be careful before entering the mystic realm.

After Yan Ruoxue entered the mystic realm, Qin Yu looked at Li Yu.

"Mr. Li, you..."

"You want me to go with you, right?" Li Yu interrupted Qin Yu's words.

Qin Yu nodded and said, "How did you know?"

Li Yu said, "Because you were worried that I would spread the location of the Mystic Realm."

“Yes.”Qin Yu did not hide anything.

“I’ll go with you.”Li Yu surprisingly agreed.

“Thank you for understanding.”Qin Yu cupped his hands. Then, he brought Li Yu quickly towards Qinghe town.

...

Jingdu martial arts association, exit of the second secret realm.

Zhai Xing suddenly appeared with three martial saints.

“TSK TSK, it’s been a long time since I’ve left the Second Secret Realm.”Someone beside Zhai Xing sighed.

“Yeah, it’s been a hundred years. It’s all that Guardian’s fault.”Another person also sighed.

Zhai Xing glanced at them and said, “You should be happy that you haven’t died in a hundred years.”

When this topic was brought up, the three of them could not help but shiver.

The scene of countless martial saints dying tragically a hundred years ago was still vivid in their minds.

“Don’t waste time. Go and find Qin Yu,”Zhai Xing said coldly.

On the other side, on a certain high mountain, Wan Gu Qiong walked out with two martial saints.

“Qin Yu... has finally waited for this day..”Wan Gu Qiong took a deep breath as a trace of viciousness flashed across his face.

Chapter 889: Chapter 889, stepping into the mystic realm

Besides the Wan Gu Qiong and the Jingdu Martial Arts Association, several other Mystic Realms had also sent out martial saints.

Although their strength could not compare to the JINGDU martial arts association, but Yan Ruoxue’s bloodline was too alluring, so they also planned to give it their all.

The entire world was gloomy, as if a great battle was brewing.

At this moment, Qin Yu was desperately driving towards the medicine God Pavilion.

After a long time, Qin Yu finally arrived at the Medicine God Pavilion.

He held the pavilion master’s hand and turned around to leave.

However, the pavilion master stopped and said in a deep voice, “Qin Yu, what are you doing?”

Qin Yu said anxiously, “Leave quickly. A martial saint has appeared. You must follow me to the secret realm to hide!”

“Hide?”The Pavilion Master could not help but laugh.

“Why should I hide?”

Qin Yu said anxiously, “If they can’t find me, they will definitely come looking for you! I Can’t watch you get into trouble!”

When the pavilion master heard this, the smile on her face became even wider.

She broke free from Qin Yu's hand and then swept her gaze across the huge medicine God Pavilion. She said, "If I leave, what will happen to the Medicine God Pavilion? What will happen to the many pharmacists who trust me?"

Qin Yu was instantly stunned on the spot.

That's right. If the pavilion master wasn't around, the Divine Medicine Pavilion would be disbanded.

"People have responsibilities to live," the pavilion master said quietly.

Qin Yu immediately calmed down.

He looked at the pavilion master and frowned. "Then what will happen to You?"

The pavilion master said indifferently, "Don't worry. I will be fine. They are looking for you, not me."

Qin Yu opened his mouth and wanted to say something. However, the pavilion master waved his hand and said, "Don't waste any more time. Otherwise, it'll be too late."

Time was of the essence, so Qin Yu naturally knew.

He gritted his teeth and said, "Pavilion Master, then you have to be careful."

After he had finished speaking, Qin Yu returned to the car and turned around to rush back.

On the way back, Qin Yu felt extremely uncomfortable.

The time the Martial Saint had appeared had far exceeded Qin Yu's expectations.

This also caused Qin Yu to be unable to settle the people around him in time.

Besides the pavilion master, there were also many people from the Jade Moon Villa.

Li Yu, who was at the side, seemed to have seen through Qin Yu's pain. He said indifferently, "Those who achieve great things don't care about trifles. Moreover, it's impossible for you to bring everyone to the mystic realm. That would arouse suspicion."

When he heard these words, Qin Yu could not help but mutter in a low voice, "I'm sorry..."

At this moment, he indeed had no way to care about others.

Against a martial saint, Qin Yu had no chance of winning at all.

Along the way, Qin Yu restrained his internal Qi and rushed towards the secret territory.

Li Yu, on the other hand, sensed the internal Qi around him with his crystal body.

The internal Qi of a martial saint was extremely powerful. It would be very easy for him to be discovered.

There were no dangers along the way. When Qin Yu and Li Yu rushed to the secret realm, they did not encounter any martial saints.

Standing at the entrance of the secret realm, Li Yu said, "I will open the secret realm now."

Qin Yu grunted in gratitude. He looked around and waited for Li Yu's secret realm to open.

At this moment, Qin Yu felt three powerful internal Qi approaching him!

This feeling was very familiar to Qin Yu. It was the sense of danger emitted from the martial saint's body!

"Oh no! A martial saint is coming!" Qin Yu hurriedly looked at Li Yu.

"Hurry up, Hurry Up!" Qin Yu urged.

Li Yu remained silent. He slowly opened the secret realm with his eyes closed.

At this moment, three martial saints had already appeared at the entrance of the Jade Moon Villa.

These three people were none other than Zhai Xing and the others sent by the second mystic realm!

Zhai Xing looked at this place coldly and said, "This is Qin Yu's sect."

After he finished speaking, Zhai Xing closed his eyes slightly.

He released his powerful spiritual sense and searched for Qin Yu's figure.

The martial saint's spiritual sense was incomparably powerful. It was simply too easy to find a person.

“It’s Open! You Go in First!”

Just at this critical moment, Li Yu opened the secret realm!

Qin Yu did not dare to delay any longer and quickly entered the secret realm.

The Moment Qin Yu stepped into the secret realm, his internal Qi also disappeared from this world.

Then, Li Yu followed closely behind and stepped into the secret realm.

The secret realm slowly closed, and everything returned to normal.

Qin Yu panted heavily, and a layer of sweat could not help but form on his forehead.

This feeling of approaching death made Qin Yu’s back feel cold.

“The martial saint’s pressure is too strong.”Qin Yu took a deep breath, and a trace of worry appeared on his face.

“I think they should not have discovered your figure.”Li Yu said from the side.

Qin Yu smiled bitterly and said, “I hope so.”

Then, Qin Yu looked at the world in front of him.

This mystic realm was much bigger than Qin Yu had imagined. It was not even weaker than the second mystic realm!

The surrounding environment was like a paradise. The Qi/spiritual energy that came from the ground made people feel warm.

Qin Yu had never seen such a rich qi/spiritual energy before!

Looking at the surrounding environment, Qin Yu even suspected that Tao Yuanming's Paradise was real.

"Phew, what a dense qi/spiritual energy." Qin Yu opened his arms, feeling extremely comfortable all over his body.

In an environment with dense qi/spiritual energy, People's functions would improve, and their lifespan would also be extended.

"The Qi/spiritual energy here is indeed extremely dense, but there is a fatal flaw," Li Yu suddenly said.

"Flaw?" Qin Yu hurriedly looked at Li Yu.

Li Yu grunted and said, "There is a gap in this mystic realm. Although it is very small, it is very likely to invite disaster."

Speaking up to this point, Li Yu pointed in the direction of the entrance and continued, "The spirit spring nearby was born because of the existence of this gap."

Qin Yu's brows immediately furrowed.

"In other words... this gap might attract the attention of others?" Qin Yu said in a deep voice.

Li Yu nodded and said, "In theory, that is indeed the case."

Qin Yu's expression instantly became extremely ugly.

If that was the case, this mystery land would not be safe either.

“However, don’t worry too much. This gap is very small and it would be very difficult for ordinary people to discover it.”At this moment, Li Yu suddenly changed the topic.

Qin Yu was silent for a moment before he said in a low voice, “Forget it, let’s take it one step at a time. I will try my best to step into the martial saint realm before I am discovered.”

Then, Qin Yu Strode forward. He released his spiritual sense and searched for Yan Ruoxue’s figure.

...

At this moment, in the outside world.

Zhai Xing and the others did not sense Qin Yu’s internal Qi.

The moment he released his spiritual sense, Qin Yu had entered the secret realm.

“He’s not here.”Zhai Xing said coldly.

“Go and ask the people here.”Zhai Xing ordered.

The martial saint beside him immediately floated up and looked down at the Jade Moon Villa from above. Then, he said indifferently, “Who is the sect master here? Come out and see me.”

His voice was not loud, but it was like a thunderclap that exploded beside his ear!

Everyone was stunned by this voice!

Zhen Yue hurriedly walked out of the hall.

She looked at the martial saint in the air and said in a low voice, “I am the sect master here. May I ask who you are?”

The martial saint didn’t say anything. He only raised his palm slightly, and a terrifying force brought Zhen Yue directly to him!

Zhen Yue’s body was caught in the air, and a trace of panic flashed across his face.

“Where’s Qin Yu?”The martial saint asked coldly.

Zhen Yue said hurriedly, “I . . . I don’t know. Mr. Qin hasn’t come back for a long time...”

“You don’t Know?”The martial saint narrowed his eyes, and a terrifying sense of oppression immediately rushed over!

His gaze directly pierced through Zhen Yue’s spiritual sense!

This was the strength of a martial saint! In front of a martial saint, one didn’t even have the right to lie!

Zhen Yue only felt his mind go blank, and the world seemed to spin in front of him.

“Where’s Qin Yu?”The martial saint asked again.

Zhen Yue only felt that she was in a trance as if she had been hypnotized.. She could not hide what she was thinking.

Chapter 890: Chapter 890, Yan Ruoxue’ s cultivation

“Mr. Qin... He’s in Jingdu...”Zhen Yue said in a daze.

Zhen Yue had no idea that Qin Yu had returned this time, so she had always thought that Qin Yu was still in Jingdu.

“Jingdu...”the martial saint could not help but frown.

He threw Zhen Yue aside and walked to Zhai Xing’s side.

“Qin Yu is in Jingdu,”he looked at Zhai Xing and said in a deep voice.

Zhai Xing couldn’t help but frown and snort coldly, “Qin Yu is in Jingdu ? Go back and find him immediately!”

...

At this moment, Qin Yu was looking for Yan Ruoxue.

In front of this mystic realm was a large forest with countless trees.

After passing through this forest, there was a residential house.

The residential area was somewhat simple and crude, but it wasn’t small.

Looking at the residential area in front of him, Qin Yu couldn’t help but feel somewhat surprised.

Because this residential area was similar to an ordinary residential area. It was extremely simple and crude.

“This should be a mystic realm created by a certain mighty figure,”Li Yu said from the side.

Qin Yu nodded and said, “Mm, it doesn’t look like a sect.”

In the vast mystic realm, there was actually only one residence. Other than that, there were trees and forests.

“Using such a huge mystic realm as a residence is really... extravagant.” Qin Yu could not help but sigh.

Li Yu said from the side, “It is indeed extravagant, but this mystic realm can’t be considered truly huge.”

Qin Yu looked at Li Yu in surprise and said, “Not considered huge? Could it be that there are even more terrifying mystic realms?”

Li Yu sneered and said, “According to my research on Secret Realms, a top-grade secret realm can be considered a real world. It doesn’t even need to depend on the current world to exist.”

Qin Yu could not help but be secretly speechless.

Cultivation was really a long road. How terrifying was the power of a true top-grade cultivator? He did not dare to imagine!

Qin Yu shook his head. These were too far away from him. The most important thing now was to enter the martial saint realm as soon as possible.

Then, Qin Yu brought Li Yu into the room.

As soon as they entered the room, they saw Yan Ruoxue cleaning the room.

When she saw Qin Yu walking in, Yan Ruoxue walked forward quickly and asked, “Where’s The Pavilion Master?”

Qin Yu shook his head and said, “She... didn’t come.”

Yan Ruoxue did not ask further and only nodded.

Then, Qin Yu accompanied Yan Ruoxue to clean the room from the inside out. This way, they could be considered to have a place to stay.

After he was free, Qin Yu took a deep breath and felt the Qi/spiritual energy coming from the surrounding area.

“With this kind of environment, I think I will be able to step into the martial saint realm soon,” Qin Yu thought to himself.

As he was speaking, Qin Yu’s vision suddenly turned dark and he spat out a mouthful of blood!

When she saw the shocking blood, a trace of panic flashed across Yan Ruoxue’s snow-white face.

“You... What Happened to you? Are You Hurt?” Yan Ruoxue touched Qin Yu’s face and looked around.

Qin Yu wiped the blood from the corner of his mouth and shook his head, “No, it’s a hidden disease.”

“Hidden disease? What’s going on?” Yan ruoxue frowned and looked at Qin Yu coldly.

Qin Yu had no choice but to tell Yan Ruoxue what had happened.

“As long as I become a martial saint, this wound will disappear on its own,” Qin Yu said.

Although he said this, Yan Ruoxue still looked extremely worried.

After a while, Yan ruoxue suddenly said, “Can you teach me how to cultivate?”

Qin Yu was stunned, then he smiled and said, “Sure.”

Yan Ruoxue’s body had blood that made all the secret realms go crazy. If she stepped into cultivation, her future would be limitless!

And the Jingdu Martial Arts Association and Yan Jinyao had said that if Yan Ruoxue stepped into cultivation, it would be an extremely terrifying thing!

In the courtyard, Qin Yu was teaching Yan Ruoxue the breathing exercise method step by step.

In just half an hour, Yan Ruoxue had already learned this breathing exercise method.

The surrounding Qi/spiritual energy surged towards Yan Ruoxue’s body like a spring. Her Qi started to increase in an extremely short amount of time!

Qin Yu could not help but be stunned when he saw this.

Such speed was something that even he could not compare to!

“So Fast...”Qin Yu could not help but say in a low voice.

Li Yu, who was at the side, also widened his eyes and said, “Why has the Yan family never allowed her to cultivate... this... this is simply a reckless waste of a heavenly gift!”

As Yan Ruoxue breathed and breathed, her originally fair skin became even whiter. An otherworldly temperament made her look like a fairy.

A few minutes later, Yan Ruoxue opened her eyes.

She blinked her eyes and carefully asked, “Is this right?”

Qin Yu came back to his senses and quickly nodded, “Yes, that’s right...”

“You’re not allowed to lie to me,” Yan Ruoxue pouted and said.

The corner of Qin Yu’s mouth revealed a hint of bitterness.

“Let me tell you this. Your cultivation has given me a lot of pressure,” Qin Yu helplessly shook his head and said.

Li Yu, who was at the side, also gave her a thumbs up and said, “As expected of the young miss of the Yan family. Even her cultivation has such achievements!”

The praise from both of them made Yan Ruoxue feel a little embarrassed.

“Then... Should I also cultivate with you?” Yan Ruoxue suggested.

“Okay!” Qin Yu nodded hard.

After that, Qin Yu didn’t waste any more time. He took out his collection from the spatial artifact and began to cultivate.

Currently, the fastest absorption speed for Qin Yu was none other than the Yin heart and the ice glaze heart.

Therefore, Qin Yu deliberately separated his position from Yan Ruoxue.

He suspended the ice glaze heart in mid-air and used the heaven devouring technique to slowly absorb the internal Qi emitted from the ice glaze heart.

...

Divine Alchemist Pavilion.

Wan Gu Qiong brought two martial saints and stood on the square.

He scanned the surroundings and said indifferently, "Ask the Pavilion Master of the Medicine God Pavilion to come out and see me."

The third elder frowned and asked, "Who are you? Why do you want to see Our Pavilion Master?"

Wan Gu Qiong glanced at him and said, "You don't have the right to speak to me."

The third elder opened his mouth and was about to speak when the martial saint behind Wan Gu Qiong suddenly raised his palm!

The martial saint gently pinched his finger and the third elder's body instantly became distorted!

A tremendous force caused all the bones in the third elder's body to Creak!

The third elder's body quickly curled up and his internal organs were all squeezed at this moment!

"Pu!"

In just a few short seconds, the third elder's body directly turned into a bloody mist!

When the surrounding people saw this, they immediately sucked in a breath of cold air!

Everyone took a step back and looked at the few people in front of them in horror.

Wan Gu Qiong said indifferently, “Go and call the Pavilion Master of the Medicine God Pavilion Out For me! Otherwise, don’t blame me for being impolite!”

“I’m afraid it’s not justifiable for you to come to my medicine God Pavilion and kill people for no reason.”

At this moment, the pavilion master slowly walked over from not far away.

When he saw the woman in front of him, a hint of lust flashed across wan gu Qiong’s face.

He could not help but lick his lips, and the corners of his mouth curled up into a wicked smile.

“I didn’t expect that the well-known Pavilion Master of the Medicine God Pavilion would actually be a little beauty.”Wan Gu Qiong said with narrowed eyes.

The pavilion master frowned slightly and said in a cold voice, “Why have you come to my medicine God Pavilion?”

Wan Gu Qiong coughed dryly and said indifferently, “I’m here to look for Qin Yu. Do you know where Qin Yu Is?”

“I don’t know. In short, he’s not in My Divine Alchemist Pavilion.”The pavilion master said in a neither servile nor overbearing manner.

Wan Gu Qiong laughed coldly and said, “Who doesn’t know that the Pavilion Master of Your Divine Alchemist Pavilion Favors Qin Yu? Even if he’s not in the Divine Alchemist Pavilion, you must know where he is.”

“Speak, don’t force us to make a move.”

Before he finished speaking, the two martial saints behind Wan Gu Qiong immediately took a step forward.

Chapter 891: Chapter 891, the despicable Wan Gu Qiong

Facing the two martial saints, the pavilion master was not too nervous.

With a calm expression, she continued, “I don’t know where Qin Yu is, and you shouldn’t have come to ask me.”

Wan Gu Qiong sneered, “Then do you know where Yan Ruoxue is? As far as I know, she has been with you for a long time, right?”

The pavilion master shook his head and said, “Qin Yu has already taken her away.”

“So, where did they go?”The two martial saints beside Wan Gu Qiong seemed to have lost their confidence.

“I don’t know.”The pavilion master said coldly.

“You’re courting death!”

One of the Martial Saints was instantly enraged! He released the pressure on his body and suddenly stretched out his palm!

The moment he stretched out his palm, the pavilion master's body immediately flew towards his palm uncontrollably!

“Pa da!”

Only the sound of flesh colliding could be heard as the martial saint's Skinny Palm grabbed onto the pavilion master's snow-white neck!

A tremendous force spread out and the pavilion master's face instantly turned deathly pale!

At the same time, the martial saint's spiritual sense suddenly burst out and forcefully pressed towards the center of the Pavilion Master's brows! It seemed like he wanted to forcefully read the pavilion master's spiritual sense!

Naturally, the pavilion master had also noticed his actions. Thus, the pavilion master's expression changed. He quickly closed his eyes and tried his best to control his spiritual sense to prevent it from being forcefully read.

The two forces seemed to be fighting against each other.

The pavilion master's spiritual sense was incredibly strong. Even a martial saint was unable to forcefully break it in a short period of time!

“Damn it!” This martial saint could not help but curse inwardly.

“This woman's consciousness is too strong. I'm afraid it won't be easy to forcefully read it.”

Wan Gu Qiong's eyes narrowed when he heard this.

He looked at the pavilion master coldly and said, “Why are you doing this? As long as you tell me where Qin Yu is, I’ll guarantee your safety.”

The Pavilion Master remained silent. She closed her eyes slightly and completely ignored Wan Gu Qiong.

Wan Gu Qiong narrowed his eyes and said, “You’re not going to tell me, right? Fine, then I’ll Kill Your Medicine Master of the Divine Alchemist Pavilion Until You Tell Me!”

Before she finished her words, Wan Gu Qiong waved her hand and directly slapped a medicine master to death!

Seeing this scene, the pavilion master’s heart immediately sank, but her face was still as calm as the clouds and the wind.

“I want to see if you’ll talk or Not!” Wan Gu Qiong said coldly.

The pavilion master closed her eyes, as if she didn’t want to see this cruel scene.

“You still won’t talk, right?” Wan Gu Qiong walked in front of the pavilion master.

He stretched out his hand and slowly caressed the pavilion master’s face, saying with a smile, “If you don’t say it, I will strip you naked and throw you on the bed. At that time... Hehe...”

The Pavilion Master’s expression finally changed.

She opened her eyes and said coldly, “You will pay the price.”

“Price? What price can I pay? hahahaha!” Wan Gu Qiong couldn’t help but laugh arrogantly.

“You don’t think I’m joking, do you? Let me tell you, when we get to the bed, I Promise I’ll make you beg for Death!”

The pavilion master gritted his teeth and didn’t say a word.

Wan Gu Qiong said coldly, “Fine, you forced me to do this!”

After saying that, he reached out his hand and pulled at the pavilion master’s clothes!

“Stop!”

At this moment, a voice suddenly came from the door.

He turned around and saw two people standing at the door.

These two people were Ye Qing and Jiang He.

It was rare to see the two of them working together.

“Ye Qing? Jiang he?” Wan Gu Qiong could not help but sneer when he saw these two people.

Ye Qing pointed at the pavilion master and said, “Put her down.”

Wan Gu Qiong sneered and said, “Are you crazy? You thought it was in the past? Do you think you can defeat a martial saint?”

Ye Qing said coldly, “Of course I’m not a match for a martial saint.”

“Then get lost immediately! Otherwise, don’t blame me for being rude!”Wan Gu Qiong shouted fiercely!

At the same time, the two martial saints also turned to look at ye Qing.

Ye Qing took a puff of his cigarette and threw it on the ground to stamp it out. He said coldly, “Do you think this is the era where martial artists have the final say?”

Wan Gu Qiong frowned and said, “What do you mean?”

Ye Qing sneered and said, “If I’m not a match for the martial saint, then what about them?”

Before he finished his words, he saw a row of fully loaded warriors running in from outside!

Not only that, modern weapons were quickly piled up at the entrance!

These cold weapons were aimed at Wan Gu Qiong and the others, and the atmosphere instantly became tense.

“You’ve forced me into a corner. I Don’t care what secret realm you have. Just destroy it with one shot!”Ye Qing shouted loudly.

Wan Gu Qiong’s expression became somewhat ugly when he saw this scene.

It was not that he was afraid of these weapons in front of him, but he did not want to face the official forces head-on.

“Young Master Wan, forget it.”A martial saint said in a low voice.

“Before we came out, the patriarch said that we should try our best to avoid conflict with the official forces.”

Although Wan Gu Qiong was unwilling, he still took a deep breath and said coldly, “Alright, Ye Qing, I’ll Give You Face!”

After saying that, he gave the master a fierce look and said, “Let me tell you, Yan Ruoxue is very important to us. I Won’t give up just like that!”

After saying that, Wan Gu Qiong turned around and left.

Ye Qing snorted. He walked quickly to the pavilion master and said, “How is it? Are You Okay?”

The pavilion master shook his head, stood up and said, “Thank you for saving me, Officer Ye.”

Ye Qing didn’t say anything, but there was a hint of worry on his face.

“It’s time for the government to create a top-notch expert,”Jiang he said in a low voice.

...

On the other side, Zhai Xing and the others were also looking for Qin Yu.

However, after spending an entire day, they still could not find Qin Yu.

“Lord Zhai Xing, that woman might be lying,”a martial saint said.

“Damn it, if we can’t find Qin Yu, we’ll start with the people around him! As long as he doesn’t appear, we’ll kill him until he appears!”Another martial saint said coldly.

Zhai Xing glanced at them and said expressionlessly, “What does it have to do with them? I don’t want to do such a despicable thing.”

“Yes, you’re noble.”The two martial saints could not help but be sarcastic.

Zhai Xing looked over coldly and said in a cold voice, “Not only will I not do it, I won’t allow you to do it either. I’m in charge now.”

After saying this, Zhai Xing turned around and left.

Although the two martial saints were unwilling, they still followed him.

In the blink of an eye, three days had passed.

The Martial Arts Forum quickly made a statistic: in three days, a total of seven martial saints had appeared in the world, and six of them came from the secret realm!

And these martial saints had appeared because of Yan Ruoxue.

...

At this moment, in the spiritual spring secret realm, Qin Yu was slowly absorbing the ice and snow glazed heart.

His internal Qi was advancing steadily, and Yan Ruoxue was at Qin Yu’s side.

She sometimes meditated, and sometimes stood up to wipe Qin Yu’s sweat.

Perhaps it was because Yan Ruoxue was nearby, but Qin Yu’s cultivation this time was much faster than before.

Whether it was the increase of internal Qi or the speed of absorption, it was far faster than before.

Chapter 892: Chapter 892, the vicious eternal jade

The ice and snow glazed heart hovering above Qin Yu's head was rapidly being consumed.

Every part of his body was flickering with light. Traces of internal Qi lingered around his golden core, flickering with a mysterious radiance.

The Palace Master of the Han Palace claimed that by devouring this object, he would be able to step into the martial saint realm.

However, this seemed to be an unlikely thing for Qin Yu.

Yan Ruoxue sat on Qin Yu's side. She held her chin and looked at Qin Yu quietly. A smile unconsciously appeared on her face.

In the blink of an eye, a week had passed.

Within this week, Yan Ruoxue had officially stepped into the path of cultivation.

Under the environment of dense Qi/spiritual energy, Yan Ruoxue's progress could be said to be rapid.

The bloodline in her body seemed to be boiling. The complete bloodline of the Yan family allowed her to cultivate at an extreme speed.

In just a short week, she had stepped into the grandmaster realm.

Such a speed, even Qin Yu back then was far from being able to match up to.

... . .

In the outside world.

The entire world seemed to be searching for the figures of Qin Yu and Yan Ruoxue.

Whether it was the Jingdu martial arts association or the various large organizations and powers, they were all searching the entire world for Qin Yu.

But they had almost searched the entire fire country, but they were still unable to find Qin Yu.

In just a few days, Qin Yu seemed to have disappeared from the world.

“Strange, where did this Qin Yu go after all.” In a certain upscale hotel, Wan Gu Qiong can not help but frown.

He touched his chin and said in a low voice, “The world is so big, I don’t believe he can disappear into thin air?”

“It doesn’t matter if you can find Qin Yu or not, but you must find Yan Ruoxue first no matter what.” The martial saint said in a low voice.

“Everyone knows clearly what Yan Ruoxue’s bloodline means. If it falls into the hands of someone else, it will be troublesome.”

When Wan Guqiong heard this, a trace of viciousness could not help but flash across his eyes.

He slowly stood up and said, "If Qin Yu doesn't show up, kill the people around him! Kill until he shows up!"

Standing in front of the window, a trace of viciousness flashed across Wan Guqiong's eyes.

"Let me be the villain." Wan guqiong grinned and sneered.

He took out his cell phone and called Yao Meng and the others, claiming that he invited them to the banquet.

In the evening, many young masters of aristocratic families were invited to the Green Moon Villa.

"Why did Wan Guqiong suddenly invite us to the banquet? What is his intention?" Zhuang Teng asked with some doubt.

Kong Yun, who was standing at the side, snorted coldly and said, "He is a sinister and cunning person. I feel sick to my stomach whenever I see him. If it wasn't for my father who asked me to build a good relationship with the people in the secret realm, I would never have come."

Chu Hedao also nodded and said, "Yes, ever since someone stepped into the Martial Saint Realm, the secret realm has been completely exposed to the public. The resources they possess have also moved many people."

Everyone discussed animatedly, but Yao Meng remained silent.

She had a bad premonition in her heart.

Right at this moment, Wan Gu Qiong suddenly arrived with two martial saints.

The moment the martial saints appeared, a powerful sense of oppression assaulted their faces!

Even the geniuses of Jingdu felt their hearts palpitate for a moment.

“Welcome, everyone.” Wan Gu Qiong swept his gaze across the crowd with an expression of a small person who had achieved success.

Kong Yun snorted coldly and turned his face to the side.

Wan Gu Qiong did not mind. He said indifferently, “Everyone is here to give me face. I, Wan, am here to thank you.”

“Young Master Wan, if you have something to say, just say it. Everyone is very busy,” chu he dao interrupted Wan Gu Qiong.

Wan Gu Qiong was not in a hurry. He said with a faint smile, “During this period of time, we have been looking for Qin Yu. I think everyone knows it. I wonder if anyone here knows his whereabouts?”

“How would we know? Even if we knew, we would not tell you.” Kong Yun said with a cold face.

Wan guqiong laughed loudly and said, “In order to find Qin Yu, we are willing to pay any price and use any means.”

“Today, I will let everyone experience the methods of our Wan family.”

After he finished speaking, Wan Guqiong brought the two martial saints and strode into the Jade Moon Villa.

The Jade Moon villa was peaceful, and Wan Guqiong stood there like a god who controlled life.

Following Wan Guqiong's arrival, many disciples of the Jade Moon Villa also walked out one after another.

Among them, the leader was naturally Zhen Yue.

"I wonder why Young Master Wan has come to my Jade Moon Villa." Zhen Yue walked forward and bowed slightly.

Wan guqiong glanced at Zhen Yue and said indifferently, "As far as I know, this Jade Moon villa is inextricably linked to Qin Yu."

"Now, Qin Yu abandoned you and fled for his life. I can't find him. Tell me, what should I do?"

Hearing this, everyone had a bad premonition.

"No Answer? Fine, let me tell you the answer," Wan Guqiong said in a low voice.

In the next second, his eyes turned cold and he suddenly stretched out his palm!

A disciple of the Green Moon Villa was instantly caught in his hand!

The huge force made this disciple unable to move!

Wan Gu Qiong glanced at everyone and said coldly, "This is only the beginning. Before Qin Yu appears, I will kill all of you one by one."

Before he finished his words, Wan Gu Qiong stretched out his sharp claws and pulled at the Disciple's skin!

His palm was like a sharp blade, directly cutting open a hole in the Disciple's skin!

Under everyone's watchful eyes, Wan Gu Qiong peeled off his human skin!

Such a shocking scene made everyone inhale a breath of cold air, and some people even vomited on the spot!

“AH... Ah! ! !” Finally, someone could not bear the fear and shouted desperately!

“I... I want to leave the Jade Moon Villa! It has nothing to do with me... It has nothing to do with me!”

“Don't kill me, don't kill me...”

When he saw this scene, a trace of a cold smile appeared on Wan Gu Qiong's face.

He looked at the two martial saints beside him and the two martial saints immediately understood.

They gently closed their palms and the entire space of the Jade Moon Villa was immediately sealed!

It was impossible to escape!

“If you want to retreat now, it's too late.” Wan Gu Qiong grinned, revealing a vicious smile.

Seeing this scene, everyone's expressions changed dramatically.

Although these young masters of Jingdu had always looked down on ordinary warriors, they were also people who had undergone higher education.

No one could bear to see such cruel methods!

“I will slowly torture you. Don’t worry, I have many methods,” Wan guqiong said with a cold smile.

“Before long, I will turn the Green Moon Villa into a real purgatory on Earth!”

Kong Yun couldn’t help but shout from the side, “Wan Guqiong! Aren’t you going too far!”

Wan guqiong glanced at him and said with a faint smile, “Too far?”

Kong Yun gritted his teeth and said, “Even if you want to kill someone, there’s no need to use such cruel methods!”

Wan Gu Qiong sneered, “What does it have to do with you?”

“F * ck you!” Kong Yun pulled off his suit and pointed at Wan Gu Qiong’s nose and scolded, “Do you dare to fight me for 300 rounds!”

Wan Gu Qiong narrowed his eyes and sneered, “Do you want to be my enemy for these ants?”

Chapter 893: Chapter 893, devouring ice and snow glazed heart

Wan Gu Qiong looked down at Kong Yun with an arrogant expression. He did not put Kong Yun in his eyes at all.

“F * ck you!”

Kong Yun roared and immediately clenched his fist and charged towards Wan Gu Qiong!

However, at this moment, the two martial saints behind Wan Gu Qiong attacked.

They only raised their fingers and Kong Yun was sent flying dozens of meters away. His sternum was even shattered!

The smile on Wan Guqiong's face grew wider. He sneered and said, "Those below the martial saint level are all ants. Kong Yun, I only raised my finger to kill you."

"F * ck you!" Kong Yun stood up from the ground and rushed toward Wan guqiong again.

However, Zhuang Teng and the others quickly stopped Kong Yun and signaled him to calm down.

"Mr. Wan, I thought you were a gentleman. I didn't expect you to be so despicable and disgusting. We are not the same people. Goodbye." Zhuang Teng said coldly.

"Wan Gu Qiong, different paths lead to different strategies. Zhao Zhi will come to kill you sooner or later."

"I hope I can kill you with my own hands next time I see you!"

Many young masters of Jingdu left the Green Moon Villa one after another.

They couldn't change anything. All they could do was try their best not to witness this cruel scene.

For three whole days.

The Green Moon Villa had turned into a river of blood. It had truly become a hell on Earth.

If Yao Meng had not taken Zhen Yue away with her death warrant, she would have already become the prisoner's fury of the eternal weapon.

...

Time flew by. In the blink of an eye, a month had passed.

During this month, everyone had been searching for Qin Yu's figure, but there was no news.

Even so, these forces from the mystic realm still did not give up.

On this day, many martial saints gathered in the office of the Jingdu Martial Arts Association.

Although they were all martial saints, there was still a huge gap between their strengths.

The most powerful one of them naturally came from the second secret realm, Zhai Xing.

He was a peak powerhouse at the advanced stage of the martial saint. Even in the second secret realm, he was an invincible existence.

Strength represented the right to speak, and the Jingdu Martial Arts Association naturally held the dominant position.

Seven Martial Saints gathered in the same office.

The person in charge of this meeting was Gu Xinghe, who had suffered two defeats.

“For a whole month, we haven’t found any useful information.” Gu Xinghe swept his gaze across the many martial saints. There was not a trace of fear on his face. On the contrary, he continued to look down on them.

“Young master Gu, I believe that the Jingdu martial arts association should have an easier way to find Qin Yu, right?” Someone said from the side.

Gu Xinghe glanced at them and said, “That’s why I called you here.”

“We have Yan Ruoxue’s blood. Through a secret method, we can accurately find her location.”

“But unfortunately, our deduction has failed many times.”

Hearing this, everyone present looked at each other in dismay.

“Failed? What do you mean?” Someone frowned.

Gu Xinghe slowly stood up and said coldly: “There is only one possibility, and that is they have entered a certain secret realm.”

“Once they have entered the secret realm, our deduction will lose its effectiveness.”

As soon as these words were said, everyone suddenly came to a sudden realization!

That’s right! They had searched through more than half of the Yan country, but they still could not find Qin Yu. The only possibility was that he had entered the secret realm to hide!

“Pyro... . . Young Master Gu, do you know where that Qin Yu Is?” A martial saint asked.

Gu Xing he laughed coldly: “If I knew, why would I look for you guys?”

Everyone immediately fell silent, waiting for Gu Xing he to continue.

Gu Xing he stood up and said coldly: “According to the instructions of the eight higher ups, I am ordering all of you to use all methods to dig out all the pyro that you know of!”

“As soon as you find the figures of Qin Yu and Yan Ruoxue, tell me immediately!”

“If someone conceals it and doesn’t report it... The Jingdu Martial Arts Association will take action to wipe out that secret realm!”

These words carried a strong sense of threat and instantly caused everyone to be extremely dissatisfied.

“Young master Gu, as martial saints, we may not necessarily be afraid of you,” a martial saint said coldly.

“Is that so?” Gu Xinghe could not help but laugh coldly. Then, he looked at Zhai Xing who was beside him.

Zhai Xing did not say a word. He suddenly pushed his palm forward. That destructive power instantly gushed out from his sleeve!

This power was so powerful that it almost drowned that martial saint in an instant!

“Boom!”

In just half a second, that martial saint's physical body had turned into a bloody mist!

When everyone saw this scene, they could not help but suck in a breath of cold air!

They were both martial saints, but the gap between them was actually this big?

Gu Xinghe said with a cold face, "This time, I will only destroy your body. If there is a next time, I will make your primordial spirit dissipate!"

This move undoubtedly shocked all the martial saints in the mystic realm.

At this moment, they could clearly feel the difference in strength.

After the meeting ended, Gu Xinghe could not help but frown.

"This Qin Yu must be hiding in some secret realm." Gu Xinghe took a deep breath.

The others had gone to look for Qin Yu for Yan Ruoxue.

However, Gu Xinghe was different. He wished that he could find Qin Yu and tear him into pieces, so that he could avenge himself!

"If Qin Yu is hiding in an uninhabited secret realm, I'm afraid no one will be able to find him," Zhai Xing said from the side.

Gu Xinghe snorted lightly and said, "It's alright. My father has already applied to the higher-ups. In a few days, there will be a top-tier mystic realm master to help me."

“When that time comes, even if he is hiding in the secret realm, we can still find him!”

...

At this moment, Qin Yu was still absorbing the ice and snow glazed heart at a leisurely pace.

The ice and snow glazed heart was more difficult to swallow than Qin Yu had imagined. In an entire month, only half of the ice and snow glazed heart had been swallowed.

Qin Yu opened his eyes and looked up at the ice and snow glazed heart hanging above his head. He couldn't help but frown.

“The absorption of the ice and snow glazed heart seems to have reached its peak,” Qin Yu said in a deep voice.

“Peak?” Yan Ruoxue's eyes were a little surprised.

Qin Yu grunted and said, “Whether it's internal Qi, yin qi, or other auras, they will all reach their peak.”

“After reaching the peak, no matter how much you absorb, your strength will not improve by even half a step.”

Yan Ruoxue was confused, but she still nodded.

“I'll give you this ice-snow glazed heart.” Qin Yu took the ice-snow glazed heart and handed it to Yan Ruoxue.

Yan Ruoxue waved her hand and said, “No, I'm just bored and trying to cultivate. You can keep it for yourself.”

Qin Yu shook his head and said, “Old Mister Yan said that you have the complete bloodline of the Yan family in your body. This bloodline is extremely overbearing. If you step into the cultivation path, the future is unimaginable.”

“Moreover... this ice glaze heart is useless to me.”

Seeing this, Yan Ruoxue could only accept the ice glaze heart.

After that, Qin Yu taught the heaven swallowing technique to Yan Ruoxue.

Yan Ruoxue’s learning speed was extremely fast, and she quickly comprehended the heaven swallowing technique.

And when she tried to use the heaven swallowing technique to swallow the ice and snow glazed heart, a shocking scene happened.

Chapter 894: Chapter 894, Breakthrough

The glazed ice heart hung above Yan Ruoxue’s head.

The moment the heaven swallowing technique was used, the glazed ice heart turned into a stream of light and covered Yan Ruoxue’s body!

The stream of light seemed to have merged with Yan Ruoxue’s body and slowly sank into her snow-white skin.

Qin Yu could not help but widen his eyes and exclaimed, “This... this is swallowing?”

Yan Ruoxue was also at a loss. She looked left and right and said carefully, “Did I lose it?”

Qin Yu waved his hand repeatedly and said, “No, no, no, of course not...”

Even Qin Yu didn't know how to explain such a situation.

“Could it be... related to the bloodline in your body?” Qin Yu scratched his head and said tentatively.

“Do you feel any discomfort? Or... is it abnormal?” Qin Yu continued to ask.

Yan Ruoxue shook her head and said, “I don't think so...”

Qin Yu scratched his head.

Could it be that this ice glaze heart would choose its own master?

Palace Master Han Palace spent decades but still failed to swallow the ice glaze heart.

Qin Yu also spent more than a month but also failed.

However, Yan Ruoxue absorbed the ice and snow glazed heart in an instant. This was simply unimaginable.

“I really don't know what the bloodline of the Yan family is...” Qin Yu became more and more curious.

Old Mister Yan said that it was his father who predicted Yan Ruoxue's bloodline and said that this bloodline was extremely overbearing.

Now, it seemed that all of this could be true.

This bloodline of the Yan family was probably not inferior to his own chaotic body.

“Ruoxue, try to cultivate diligently during this period of time and see what kind of state you can reach.”Qin Yu said with a serious expression.

Yan ruoxue nodded and said with a smile, “Alright, I’ll listen to you.”

Qin Yu grunted in gratitude. He did not say anything else. He took out the Yin heart from the spatial divine tool and began to absorb the yin qi.

He circulated his meridians to circulate the mental cultivation method and prepared to break through to the half-step martial saint stage.

After Yan ruoxue received Qin Yu’s “Order”, she also began to cultivate in seclusion wholeheartedly.

In the vast mystic realm, only Li Yu appeared to be bored.

His talent in cultivation was not high, but his comprehension ability towards the mystic realm was extremely strong.

Thus, Li Yu tried to make up for the flaw in this mystic realm.

Unfortunately, Li Yu spent several days of effort and ultimately failed.

“Sigh, if I want to make up for the flaw in the mystic realm, I’m afraid I’ll need the help of an almighty...”Li Yu sighed in his heart.

Time passed extremely quickly.

In the blink of an eye, another month passed.

On this day, in the high-level meeting room of the Jingdu Martial Arts Association, Gu Xinghe was lowering his head, waiting for the arrival of the high-level officials.

A few minutes later, several higher-ups arrived in the office.

At the same time, a mystic realm master also walked in.

“He is a high-grade mystic realm master, Du Xuanyu. He controls 89,000 secret keys. 99% of the Mystic Realms in the world can be cracked,” a higher-up said.

“You have at most one month to find Yan Ruoxue!”

The voice of the higher-ups was extremely stern, and no one dared to refute it.

Gu Xinghe quickly stood up and said, “Yes, sir.”

“At most a month. If we can’t find her after a month, I’m afraid we’ll never be able to touch her bloodline.” There was some worry in the tone of the higher-ups.

This was the first time Gu Xinghe felt the worry of the higher-ups!

“Sir, may I ask why?” Gu Xinghe frowned and asked.

“Could it be that Yan Ruoxue will disappear from the world in a month?”

The higher-ups were silent for a moment, then said in a low voice, “Disappear from the world... it’s about time.”

This made Gu Xinghe even more confused. He wanted to ask something, but was violently interrupted.

“Remember, our first goal is to find Yan Ruoxue! No matter who finds her, we must find her as soon as possible!” The higher-ups said coldly.

“Even if Yan Ruoxue falls into the hands of others, we must find her within a month!”

Hearing the nervous tone of the higher-ups, Gu Xinghe did not dare to be negligent and hurriedly shouted, “Yes!”

Then, Gu Xinghe brought du Xuanyu out of the meeting room.

“Mr. Du, if that Qin Yu enters the ownerless secret area, can you find him too?” Gu Xinghe asked in a deep voice.

Du xuanyu said indifferently, “I’m a high-grade mystic realm master and am extremely sensitive to mystic realms. As long as I have enough time, I will definitely be able to find him.”

Gu Xinghe bowed and said, “Then I’ll have to trouble you, Mr. Du.”

Then, Gu Xinghe led du Xuanyu and began a thorough search.

The people from the various mystic realms all used their unique skills, and the most despicable one was undoubtedly Wan guqiong.

Wan Gu Qiong had dug out all the connections with Qin Yu and planned to kill all the people around him one by one!

...

In a flash, Qin Yu had entered the secret realm for three whole months.

On this day.

Qin Yu suddenly opened his eyes. The Yin heart hanging above his head also fluctuated intensely for no reason.

“It seems that I am about to enter the half-step martial Saint Realm.”Qin Yu stood up and said in a low voice.

He looked at Yan Ruoxue who was sitting next to him.

At this moment, Yan Ruoxue was breathing exercise slowly.

Her breathing was extremely stable, so stable that one could not feel any fluctuations.

Yan Ruoxue seemed to have a natural compatibility with the Qi/spiritual energy. As she breathed and breathed, all the Qi/spiritual energy could not help but surge into her body.

“At this speed, Ruoxue will soon step into the martial grandmaster realm...”Qin Yu murmured in a low voice.

This speed really made Qin Yu feel ashamed and shocked.

And the last time Qin Yu was so shocked was Xiao Yu.

The cultivation speed of the two of them was far above his own.

Qin Yu put away his yin heart and carefully walked into the distance.

It was not until he came to a no man’s land that Qin Yu slowly let out a breath.

“Stepping into the half-step martial saint realm will not usher in the heavenly tribulation, but the golden core will notice the change,”Qin Yu thought in his heart.

The half-step martial saint realm was a transition period for a martial marquis to become a martial saint, and the Golden Core would also quietly change at this moment.

Qin Yu's golden core had left a wound, which made him slightly worried.

"I hope I can survive it," Qin Yu said in a low voice.

He closed his eyes slightly and began to try to break through.

Wisps of internal Qi were only released from his dantian.

At this moment, the golden core in his body slowly began to rotate.

The speed of the Golden Core's rotation became faster and faster. The sea-like power in Qin Yu's body could not help but surge out!

The strands of internal Qi flowed out of the cracks in the golden core in different ways!

Under the drive of this power, the surrounding environment was also greatly affected!

"Hu!"

Gusts of strong wind swept up, and the mountains and trees were instantly shaken into fine powder!

Chapter 895: Chapter 895, the effects of dao injuries

Normally, stepping into the half-step martial saint realm would not cause much of a reaction.

However, Qin Yu's reaction was extremely intense!

The entire mystic realm seemed to have been affected, and gusts of wind blew!

Waves of intense pain came from Qin Yu's Dantian!

That Aura seemed as if it was about to fly out of his golden core. The intense pain in his abdomen caused Qin Yu's body to turn into a shrimp-shaped internal Qi!

"AH..."this pain was unbearable even for Qin Yu!

His body kept releasing violent power, almost flattening the surrounding area!

"Ah! ! !"

Qin Yu could not help but shout out loud!

He grimaced in pain, kneeling on the ground with his fists clenched tightly.

Such a big movement naturally woke up Yan Ruoxue who was in seclusion.

When she heard Qin Yu's voice, her expression immediately changed and she hurriedly ran in Qin Yu's direction.

At the same time, Li Yu also heard the news and came over.

The two of them looked at Qin Yu who was in extreme pain and a trace of worry flashed across their faces.

“This... What exactly is going on?” Li Yu said with a shocked expression.

From this scene, it didn't seem like he was breaking through at all!

“Qin Yu!” Yan Ruoxue couldn't bear to see Qin Yu Suffer Like This. She shouted and ran towards Qin Yu.

The moment he heard Yan Ruoxue's voice, Qin Yu hurriedly raised his head and looked in the direction of Yan Ruoxue.

“Not good...” Qin Yu's expression changed.

The violent energy in his body would probably injure Yan Ruoxue!

Thinking of this, Qin Yu hurriedly adjusted the internal Qi in his body and tried his best to stabilize this power.

Qin Yu's forehead kept breaking out in cold sweat. The internal Qi in his body was actually controlled in a short period of time!

“TSK TSK, is this the power of Love?” Li Yu could not help but mutter at the side.

Perhaps it was because he was worried about Yan Ruoxue and triggered his potential, in short, Qin Yu's golden core actually stabilized at this moment.

His internal Qi was slowly recovering, and the golden core also began to slowly take shape.

“Miss Yan, it's better for you to come back. Qin Yu should be fine now.” Li Yu waved to Yan Ruoxue.

“He is now at the critical moment of his breakthrough. It’s best not to disturb him.”

Hearing this, Yan Ruoxue also stopped in her tracks.

Although she was extremely worried, she still obediently walked to the side.

Qin Yu sat cross-legged on the ground, slowly feeling the increase in his strength.

His internal Qi was rapidly increasing, becoming more and more dense, and his body became more and more indestructible!

This process lasted for a whole four hours!

It was not until four hours later that Qin Yu’s internal Qi completely calmed down.

“Hu.”

Qin Yu exhaled a mouthful of turbid internal Qi. He stood up from the ground and said in a low voice, “That injury... really did affect me.”

The dangerous scene just now was still vivid in his mind.

If it were not for Yan Ruoxue, Qin Yu would not have been able to control his golden core!

And there was only one final result, which was to explode and die!

This could not help but make Qin Yu feel waves of lingering fear!

If he encountered such a situation when he was breaking through to the martial saint realm, he would most likely die without a doubt!

“Qin Yu, are you... Okay?” Yan Ruoxue walked over quickly.

Qin Yu nodded and said with a smile, “Very good. My strength seems to have increased exponentially.”

Ever since he entered the Martial Marquis realm, every time Qin Yu made a breakthrough, his strength would increase exponentially. This time was no exception.

“Just now... What Happened?” Yan Ruoxue’s big eyes were full of worry.

Qin Yu said in a deep voice, “It’s still because of the dao injury in my body. If it wasn’t for you just now, I might have exploded and died.”

“Exploded and died?” Yan Ruoxue’s face turned pale.

“Then... is there no way to cure this wound?”

Qin Yu smiled bitterly, “There is, but you need a material. This kind of material... can not be found in this world.”

“Material? What material?” Yan Ruoxue asked hurriedly.

Qin Yu thought for a moment and said, “It seems to be called Heavenly Vanilla.”

“Heavenly vanilla...” Yan Ruoxue silently remembered this name.

Qin Yu waved his hand and said, “It’s not a big problem. I will think of a way to solve it.”

Although he said this, Qin Yu was extremely worried.

The impact of this injury had far exceeded Qin Yu's expectations.

He had only broken through to the half-step martial saint realm, but his body had almost exploded and died. If he had broken through to the martial saint realm, the impact would have been even greater.

Breaking through to the martial saint realm was an extremely dangerous matter. One moment of carelessness could result in death, not to mention this wound.

"It seems that... Before I break through, I might have to think of a way to resolve this wound." Qin Yu thought to himself.

Although he thought so inwardly, Qin Yu's expression did not show it at all.

"Wow, you're actually going to break through to the Martial Grandmaster Realm?" At this moment, Qin Yu was surprised to discover that Yan Ruoxue's strength had soared once again!

Yan Ruoxue thought for a moment and said, "Maybe it's because of my experience in the second mystic realm that I'm breaking through very quickly now."

"That makes sense." Qin Yu nodded.

The key to the improvement of strength was the improvement of one's state of mind.

As long as one's state of mind was high enough, under the condition of sufficient Qi/spiritual energy, the improvement of cultivation would be smooth and unimpeded.

This was also why many top cultivators would choose to temper themselves when they encountered a bottleneck, or even pay for their own cultivation.

Moreover, Yan Ruoxue still had the bloodline of the Yan family.

In the next few days, Yan Ruoxue continued to cultivate while Qin Yu stood guard at the side.

At night.

Qin Yu looked at Li Yu and asked, “How long have we been in this mystic realm?”

Li Yu roughly calculated and said, “About three months.”

“More than three months...” Qin Yu couldn’t help but feel a bit worried.

“I plan to go out and take a look,” Qin Yu said in a deep voice.

“Go Out? I think you’re Crazy,” Li Yu sneered.

“It’s not a big deal if you want to die. The key is not to implicate Miss Yan.”

Although Li Yu’s words were not pleasant to hear, they were very reasonable.

Qin Yu sat there and sighed slightly, “I have a feeling that many people will be implicated because of me.”

“This is not a good thing for people who are in closed-door cultivation,” Li Yu said.

“One must be free of distracting thoughts in closed-door cultivation. How can you do that with your state of mind?”

Qin Yu sighed and said, “Yes...”

Just as the two of them were chatting, Yan Ruoxue’s internal Qi suddenly began to change.

In the sky, dark clouds gathered.

“She’s.... going to become a martial grandmaster!” Qin Yu exclaimed.

Chapter 896: Chapter 896, stepping out of the mystic realm

Looking at the dark clouds gathering in the sky, Qin Yu hurriedly looked at Li Yu.

“Can this mystic realm withstand the heavenly tribulation?” Qin Yu asked with some worry.

Li Yu said, “Normally, it can withstand it, but there is a gap in this mystic realm that might cause an unforeseen event.”

“Unforeseen event? What does that mean?” Qin Yu asked.

Li Yu said, “The worst possibility is that the gap will become bigger.”

“The gap will become bigger...” Qin Yu could not help but mutter in a low voice.

If the gap became bigger, it meant that the possibility of being discovered would also become bigger.

“Is there any way to stop it?”Qin Yu asked.

Li Yu shook his head and said, “It is still the same saying. Unless it is an almighty realm that can repair this gap, otherwise, don’t even think about it.”

Seeing this, Qin Yu didn’t say anything more.

He could only take things one step at a time.

The dark clouds in the sky grew larger and larger. The scale of the heavenly tribulation this time was beyond imagination.

Generally speaking, the earlier the heavenly tribulation came, the higher one’s talent.

Many people wouldn’t encounter the heavenly tribulation when they became martial grandmasters.

And the scale of the heavenly tribulation was the same. The larger the scale, the higher one’s talent.

“The scale of this heavenly tribulation is probably not much worse than mine,”Qin Yu thought to himself.

This made Qin Yu look at Yan Ruoxue worriedly.

Yan Ruoxue had just started cultivating for three months and hadn’t learned any cultivation techniques.

Could she withstand a heavenly tribulation of this scale?

“Crack!”

Just as Qin Yu was thinking, the first heavenly tribulation descended from the sky!

This heavenly tribulation ruthlessly smashed onto Yan Ruoxue's body, leaving bloody marks on her snow-white skin!

Seeing this, Qin Yu's expression instantly changed slightly.

“Kacha!”

Another heavenly tribulation descended. The power of this heavenly tribulation was even stronger. It almost opened up Yan Ruoxue's skin, revealing her white bones!

But under such circumstances, Yan Ruoxue's face actually didn't have the slightest expression.

“It seems that Miss Yan's endurance is far beyond your imagination.” Li Yu sighed.

Qin Yu could not help but nod his head.

When he first experienced the heavenly tribulation, he was in so much pain that he grimaced in pain.

Yet, Yan Ruoxue's endurance was actually so high. This could not help but be shocking.

“Compared to the bloodline absorption ceremony, the pain of this heavenly tribulation is probably nothing at all.” Li Yu reminded Qin Yu from the side.

Qin Yu's face darkened when he heard that.

That's right, the torture that Yan Ruoxue suffered was probably far beyond this heavenly tribulation.

“Boom!”

Another muffled thunder struck down and almost shattered the ground!

This was also the last heavenly tribulation. As the heavenly tribulation disappeared, the internal Qi on Yan Ruoxue's body began to withdraw.

Her body was also recovering rapidly. In a short moment, Yan Ruoxue's skin had recovered to its original state. It was even more delicate, and her skin was really smooth.

Yan Ruoxue slowly opened her eyes. Her eyes were like autumn water as she looked at Qin Yu.

Yan Ruoxue, who was originally high and mighty, now had an even more extraordinary temperament.

She was like a lotus flower that people could not bear to touch.

“Ruoxue, how do you feel?” Qin Yu asked.

Yan Ruoxue looked at her body and smiled, “Very good.”

Hearing this, Qin Yue felt relieved.

In the following days, Qin Yu continued his closed-door cultivation.

He continued to absorb yin heart and internal Qi/spiritual energy, trying to improve his aura.

However, for some reason, Qin Yu's heart could not calm down.

This also caused Qin Yu's speed to become extremely slow.

“What's Wrong?” Yan Ruoxue seemed to have noticed something strange about Qin Yu.

Qin Yu said in a deep voice, “I've been in this mystic realm for three months. I keep feeling that... something might have happened outside.”

“You want to go out?” Yan Ruoxue asked.

Qin Yu grunted, but then shook his head and said, “Of course, I can only think about it.”

“TSK TSK.” At this moment, Li Yu couldn't help but roll his eyes at Qin Yu.

“In your current state, there's no point in continuing to cultivate. How about this, I'll go out and take a look for you,” Li Yu said.

Qin Yu raised his brows and looked at Li Yu in surprise.

“You're going out?” Qin Yu's eyes were filled with doubt.

Li Yu ignored Qin Yu's gaze and continued, “I'm a Mystic Realm Master. Comparatively speaking, it's safer.”

“And even if they discover me, it can't prove anything.”

Qin Yu touched his chin and nodded, “That makes sense.”

“But I have a condition.” At this time, Li Yu suddenly said.

Qin Yu immediately nodded and said, “You say, if I can do it, I will not hesitate to die.”

A trace of viciousness flashed in Li Yu's eyes.

He looked at Qin Yu and said coldly, "I want you to kill my master for me and seize his secret key Treasury!"

As soon as these words were said, Qin Yu immediately turned pale with fright.

"Kill your master? Jiang Nan?" Qin Yu frowned and said.

"That's right." Li Yu snorted coldly.

Qin Yu's eyes were even more puzzled.

Killing his master was a heinous act. Li Yu didn't look like a ruthless person.

Li Yu seemed to see through Qin Yu's doubts and sneered, "Don't be fooled by Jiang Nan's appearance. He is a sinister and despicable villain! I Can't wait to eat his flesh and drink his blood!"

Speaking up to this point, Li Yu said coldly, "He asked me to come here also to spy on you so that he can easily betray you at any time. Why? Do you still want to be soft-hearted?"

Qin Yu hurriedly waved his hand and said, "Soft-hearted? You misunderstood. I'm just a little curious. I'll agree to everything you said."

Li Yu didn't say anything more and only warned, "If I don't come back within three days, it means that I've been discovered. I can only leave temporarily and look for an opportunity to come back."

“Alright, thank you.”Qin Yu cupped his hands towards Li Yu.

Li Yu did not waste any more time. He immediately opened the entrance and left.

At the same time, the thing that Li Yu was most worried about happened.

Under the influence of the heavenly tribulation, the gap in this mystic realm had indeed become bigger.

Chapter 897: Chapter 897, the top mystic realm master arrived

Looking from the outside, the spiritual spring became wider, and the Qi/spiritual energy within it also became denser.

Li Yu walked out of the mystic realm.

The moment he stepped out, he smelled a pungent bloody smell.

This bloody smell even covered up the Qi/spiritual energy emitted from the spiritual spring.

The accumulation of countless corpses added a bit of yin energy to the Green Moon Villa.

The Yin Energy and the spiritual spring offset each other, inadvertently causing people to neglect this spiritual spring.

“This...”looking at the scene in front of him, even Li Yu, who was mentally prepared, couldn’t help but show a trace of fear on his face.

The huge Green Moon Villa had surprisingly become a purgatory on earth!

The corpses, human skin, and dried blood on the ground everywhere indicated that this place had experienced a disaster.

And those corpses were even more bizarre. Some had their skin peeled off, some had their bones extracted, and some had been fried and humiliated to death.

Looking at this scene, Li Yu's face turned even paler.

This scene was far beyond his imagination.

"Green Moon Villa... they're all dead..." Li Yu couldn't help but mutter in a low voice.

He originally wanted to take a look and then go back, but seeing this scene, Li Yu started to worry.

After much thought, Li Yu finally decided to go scout for more information.

... ..

More than three months had passed.

In these three months, the fire country's martial arts world had undergone an earth-shattering change.

Many sects had sprung up in great numbers, and the sects that possessed martial saints had shockingly become the true first rate sects in the world.

In order to firmly control them in their own hands, the Jingdu martial arts association had held many meetings.

This caused Gu Xinghe to be overwhelmed. He handed the task of finding Qin Yu to Zhai Xing while he was in charge of coordinating these sects.

“We don’t have enough manpower at all,”Gu Xinghe said with a frown.

“We have to bring people out of the second secret realm.”

The long-browed man next to him nodded and said, “Mm, apart from that, we should also use both grace and power to prevent any changes.”

Gu Xinghe glanced at long-browed man and said, “You mean to ask the JINGDU martial arts association to give up their benefits?”

“Not only do we have to give up their benefits, we also have to be generous.”Long-browed man took a deep breath.

Gu Xinghe was silent for a moment. He did not say anything, as if he was thinking about something.

After a while, Gu Xinghe nodded and said, “Okay, we’ll do as you say. Also, we have to recruit new people.”

The purple robe of the Jingdu martial arts association had been completely killed by Qin Yu. This also caused the JINGDU martial arts association to have no one to use.

Thus, under the leadership of Gu Xinghe, the recruitment of new people began.

...

On the other side, Li Yu went to Jingdu, the Divine Medicine Pavilion, and other places that might have changed to investigate.

When he learned that there were seven martial saints looking for Qin Yu, Li Yu could not help but suck in a breath of cold air.

“Seven martial saints... They are really willing to make a move.” Li Yu could not help but sigh.

Li Yu spent two whole days to investigate the changes in these three months. On the third day, he planned to return to the secret realm.

He rushed all the way to the Jade Moon Villa. He tiptoed and carefully walked to the vicinity of the spiritual spring.

This spiritual spring had already turned blood red. Although it contained Qi/spiritual energy, it was stained with a trace of rich bloody smell.

“There are seven martial saints guarding it. I must let Qin Yu hide it well,” Li Yu thought to himself.

Just as he was about to open the entrance to the secret realm, two people suddenly appeared beside him.

These two people had powerful internal qi and their strength had reached the peak of the Martial Marquis Realm!

At this moment, they were looking at Li Yu coldly.

“Who are you? What are you doing here?” These two people looked at Li Yu coldly and their eyes were filled with vigilance.

Li Yu's expression changed slightly. He suppressed the panic in his heart and said with an embarrassed smile, “I heard that there was a massacre here, so I came to see if I can pick up some Babe...”

“Babe?” The two of them looked at each other and then said with a cold smile, “Even if there is a babe, can I leave it for you? It has long been taken away by Young Master Wan.”

“Young Master Wan? Which Young Master Wan?” Li Yu asked tentatively.

“Of course it’s the Wan Gu Qiong! You Don’t Even Know Young Master Wan, yet you still dare to come here to search for treasures?” The two people sneered.

Li Yu nodded and seemed to be deep in thought.

“If there’s nothing else, hurry up and leave. Outsiders are not allowed to enter here.” The two people waved their hands and said.

Li Yu hurriedly nodded and said, “Okay, I’ll leave now, I’ll leave now...”

Under such circumstances, Li Yu had no way to enter the mystic realm, so he could only leave temporarily.

“HM? There seems to be Qi/spiritual energy here.” At this moment, one of them noticed something strange in the spiritual spring.

“This Qi/spiritual energy... seems to be coming from the front.”

“This is the Saint Confucian sect’s spiritual spring. I’ve heard of it before.”

“Alright, stop looking. Tomorrow, Master Du, the Mystic Realm Master, will come to inspect this place. We’d better guard it well.”

The two of them discussed softly, but Li Yu heard everything clearly.

After a few days of probing, Li Yu naturally knew who master Du was.

That was the legendary Mystic Realm Master! He controlled tens of thousands of secret keys!

His name was like thunder to any Mystic Realm Master!

“This is bad. If du Xuanyu were to come, he would definitely discover the abnormality here.”Li Yu thought to himself.

“With his ability, it would be effortless for him to open this secret realm....”

Chapter 898: Chapter 898, decision

Li Yu stood guard here until the two of them were far away. Only then did he quickly walk to the vicinity of the mystic realm.

After hurriedly opening the mystic realm, Li Yu worriedly entered.

Inside the Mystic Realm, Qin Yu was teaching Yan ruoxue cultivation techniques.

He deliberately found a few cultivation techniques suitable for Yan Ruoxue from his inherited memories.

These cultivation techniques were quite beautiful and extremely powerful, but unfortunately, these cultivation techniques were very rare.

At this moment, Li Yu walked over from not far away in a hurry.

When they saw Li Yu, Qin Yu and Yan Ruoxue stood up at the same time and looked over.

“Not good.”After Li Yu saw them, he hurriedly said.

“What’s Wrong?”Qin Yu asked.

Li Yu said in a low voice, “Tomorrow, Du Xuanyu will come to check this place. With his ability, it’s not a problem for him to open the mystic realm.”

Then, Li Yu told Qin Yu what had happened.

After saying that, Qin Yu’s expression instantly became extremely ugly.

“That is to say... in front of him, it’s impossible for us to escape?”Qin Yu said in a deep voice.

Li Yu nodded and said, “Basically, so... we’d better leave this place as soon as possible.”

“Once he finds this mystic realm, we’ll definitely die.”

Qin Yu took a deep breath and said in a low voice, “But even if we leave the secret realm, there’s no way to escape.”

With the martial saint’s ability, it was not difficult to find the two of them.

Most importantly, the JINGDU martial arts association had Yan Ruoxue’s blood.

This allowed them to easily find Yan Ruoxue’s location using the secret method.

“Let’s think about what to do.”Li Yu sighed slightly.

Qin Yu did not say anything. He sat there for a long time and his mind was filled with thoughts of how to deal with it.

The sky gradually darkened. Qin Yu sat under the starry sky and held his chin, his face full of worry.

“How about... We split up temporarily? At least one person can escape.” Yan Ruoxue suggested.

Qin Yu immediately waved his hand and said, “No, absolutely not.”

“Alright, at worst, let them take me away. They won’t kill me anyway.” Yan Ruoxue pinched Qin Yu’s shoulder and said with a smile.

“As long as I don’t die, isn’t that enough? When you become stronger in the future, you can save me again.”

Qin Yu took a deep breath. He grabbed Yan Ruoxue’s shoulder and said in a cold voice, “I absolutely won’t allow you to suffer that kind of suffering again. I absolutely won’t allow it!”

Yan Ruoxue was about to say something when Qin Yu suddenly stood up and said, “I already have an idea.”

“What Idea?” Yan Ruoxue asked.

Qin Yu glanced around and said, “This area is very big. I’ll think of a way to conceal your internal Qi. You’re Only a martial grandmaster, so it’s not difficult to conceal your internal Qi.”

“And then?” Yan Ruoxue suddenly had a bad feeling.

Qin Yu said coldly, “If they really find out, just let them take me away.”

“No!” Yan Ruoxue hurriedly shook her head.

“Have you ever thought that if I’m taken away, at most I’ll be absorbed by their blood, but my life won’t be in Danger?”

“But you’re different. If you’re taken away, they won’t let you go. I definitely won’t agree to your idea!”

“If you insist, I will go out now and let them take me away!”

Looking at Yan Ruoxue’s determined expression, Qin Yu scratched his head and said with a smile, “What you said seems to make sense. Then I will listen to you.”

Only then did Yan Ruoxue let out a sigh of relief. She gently leaned against Qin Yu’s side and said in a low voice, “As long as we are alive, we have hope...”

Before she finished speaking, Yan Ruoxue suddenly felt a bout of blackness in front of her eyes. In a moment, she fainted.

Qin Yu gently hugged Yan Ruoxue and said in a low voice, “I can’t let you suffer that kind of pain anymore, so... I can only risk it.”

Li Yu, who was beside her, said in a deep voice, “But what if du Xuanyu wants to search the entire mystic realm? By then, we won’t be able to escape.”

Qin Yu took a deep breath and grinned. “So... I plan to leave the mystic realm before tomorrow to attract their attention.”

“I’ll leave this mystic realm to you.” Qin Yu looked at Li Yu.

Li Yu frowned and said, “If you’re discovered, you’ll be dead for sure.”

Qin Yu didn't say anything.

Not everything in this world could be controlled by oneself. Those who couldn't be controlled were the ones who had to make a choice.

Qin Yu gently hugged Yan ruoxue and covered the internal Qi on her body.

She was only a martial grandmaster. With Qin Yu's technique, he could cover 99% of her internal Qi. Even a martial saint might not be able to detect it.

However, this was not the most important thing. The most important thing was to attract everyone's attention.

"If possible, I will take the opportunity to kill that master Du," Qin Yu said coldly.

As long as they killed this mystic realm master, they would not be able to find this mystic realm!

At night, Qin Yu quietly hugged Yan Ruoxue.

Yan Ruoxue was sleeping soundly in his arms.

Qin Yu lowered his head and looked at the side of Yan Ruoxue's face. A trace of reluctance flashed in his eyes.

"I don't know if I can survive this time. If I'm lucky enough to survive, I'll definitely accompany you every day..." Qin Yu muttered in a low voice.. His eyes were filled with tenderness.

Chapter 899: Chapter 899, uninvited guests

Qin Yu's heart was filled with reluctance, but he also knew that he could not afford to delay any longer.

Thus, Qin Yu resolutely picked up Yan Ruoxue and strode into the depths of the forest.

This mystic realm was extremely large, and most of it was filled with trees, mountains, and rivers.

It was not too difficult to hide a person.

Qin Yu found a relatively quiet place for Yan Ruoxue.

After settling her down, Qin Yu turned around and planned to leave the mystic realm.

After taking only two steps forward, Qin Yu could not help but stop and look at Yan Ruoxue again.

His eyes were filled with reluctance. He did not know if he would be able to return alive after leaving this time.

"I can't waste any more time." Qin Yu glanced at the sun hanging in the sky and knew that it was getting late.

Even if he was extremely reluctant, he still had to leave.

Qin Yu left this place in large strides and came to the vicinity of the entrance.

"Are you really going to do this?" Li Yu couldn't help but ask.

Qin Yu nodded and said, "En, I can only do this. After I leave, you can find time to leave this place."

Li Yu grunted and didn't say anything more. He planned to open the mystic realm for Qin Yu.

But at this moment.

The entrance in front of the two suddenly flashed with a ray of light!

Upon seeing this ray of light, the two's expressions changed drastically!

"Someone is opening the mystic realm!" Li Yu exclaimed in shock.

Qin Yu's face was extremely pale! He never expected that they would arrive so quickly!

"Buzz!"

A Ray of light flashed past. Following that, two middle-aged men suddenly appeared in front of the two!

The method to open the secret realm seemed a little strange, and they didn't seem to have entered through the entrance.

Qin Yu pulled Li Yu back two steps, his eyes full of vigilance.

The two middle-aged men in front of him had internal Qi like water, so Qin Yu couldn't sense their strength at all.

"You guys came really fast," Qin Yu said with narrowed eyes.

"Which one is master du?" Qin Yu glanced at the two of them.

The two of them looked at each other and said with some doubt, "Master du? Who Is He?"

“Stop pretending! Don’t think I don’t know that it’s that master du who opened the Secret Realm!”Qin Yu said coldly.

Immediately, a terrifying internal Qi burst out from Qin Yu’s body.

He looked at the two of them coldly and said, “Yan Ruoxue is not here. You’d better get out of Here!”

A strange smile appeared on the two middle-aged men’s faces.

They ignored qin yu and said, “Then the bloodline is here, right?”

“That’s right. There won’t be any problems. I didn’t expect the most complete bloodline of the Yan family to appear here.”

“TSK TSK. If she hadn’t stepped into the realm of a martial grandmaster, we wouldn’t have been able to sense his internal Qi.”

Their words confirmed Qin Yu’s thoughts!

These two people had come for the bloodline!

“Two beasts...”Qin Yu couldn’t help but clench his teeth.

“You dare to Covet Yan Ruoxue’s Bloodline, I will definitely tear you into pieces! !”

Following Qin Yu’s furious roar, his internal Qi suddenly soared!

The entire mystic realm rumbled, as if it couldn’t withstand this power!

However, the two of them did not move at all. They just quietly looked at Qin Yu.

“Let me tell you, as long as there are people who are tainted by Ruoxue’s bloodline, I will not let any of them go,”Qin Yu growled. Then, he raised his hand and broke all the internal Qi with one punch!

All the internal Qi gathered on this punch. The terrifying power almost penetrated the secret realm!

However, the two of them only raised their hands and gently patted Qin Yu’s hand.

The internal Qi on Qin Yu’s hand was instantly exhausted. The layer of golden light also disappeared without a trace.

Qin Yu’s expression instantly became extremely ugly! He glanced at his own fist and exclaimed, “Is this the martial saint’s Method... ?”

“Martial saint? Young Man, what are you talking about?”One of the middle-aged men asked.

“F * ck you!”Qin Yu did not have the mood to listen to their nonsense. He immediately clenched his fist and rushed over.

A hint of helplessness flashed across the middle-aged man’s face. He raised his hand and gently pressed forward.

In an instant, Qin Yu’s body seemed to bear the weight of a thousand tons as his entire body fell to the ground!

His vision started to blur, and the entire world became darker and darker. His eyes seemed to be unable to open.

“From what I hear, you seem to have a good relationship with the possessor of the complete bloodline, so we won’t kill you. You should calm down.”

This was the last sentence Qin Yu heard before he fainted.

He fell heavily to the ground and did not move at all.

Upon seeing this scene, Li Yu’s face was filled with shock.

Even Qin Yu did not have the strength to retaliate, let alone a mystic realm master like him!

“I hope they won’t be able to discover Yan Ruoxue...”Li Yu prayed in his heart.

The two of them slowly flew into the air. Their eyes narrowed slightly and in the next second, they shot toward Yan Ruoxue!

In less than half a minute, the middle-aged man walked out with Yan Ruoxue in his arms.

“How... how is this possible!”Li Yu’s expression was extremely unsightly!

Qin Yu’s carefully concealed internal Qi was actually broken just like that?

“This is the complete bloodline of the Yan family...”one of the middle-aged men said in a low voice.

“En, as expected, her bloodline is the most complete I’ve ever seen.”Another middle-aged man also said.

“Alright, the mission is complete. We should go back.”The two of them looked at each other and planned to leave.

At this moment, Li Yu suddenly shouted, “Who are you people! What do you want to do to Miss Yan!”

The two of them looked at Li Yu in front of them and said with a faint smile, “Do we need to explain it to you?”

Li Yu gritted his teeth and said, “If you don’t say it, don’t even think about leaving here!”

“Hahaha!”One of them could not help but laugh out loud.

“You should be a mystic realm master, right?”He sized up Li Yu and said.

Li Yu’s expression changed and he exclaimed, “You... how did you know!”

He ignored Li Yu’s words and said, “As a mystic realm master, I don’t think you’re good at fighting. Don’t waste your energy.”

“Also... your professional level doesn’t seem to be very good. There’s a gap in this mystic realm. Didn’t you notice?”

Li Yu said with a cold face, “Of course I know there’s a gap, but I can’t make up for it.”

“I see...”the middle-aged man heard that and immediately fell into deep thought.

In the next second, he raised his palm slightly. In an instant, the entire sky of the mystic realm was enveloped by a five-colored light!

When he saw this strange phenomenon, Li Yu's eyes immediately widened!

The five-colored light flashed and disappeared without a trace in a moment.

"You... What did you do?!" Li Yu exclaimed in shock.

"No need to be nervous.. I just fixed the gap," the middle-aged man said indifferently.

Chapter 900: Chapter 900, repairing the gap

Repairing the gap?

Li Yu was stunned for half a second, then he rushed to the gap.

After checking, the gap really disappeared!

This made Li Yu dumbfounded!

He repaired the gap of the arcane realm casually? And it was such a big arcane realm?

Who was this middle-aged man? ! He had such ability? !

"You... How did you do it? Who exactly are you?!" Li Yu questioned loudly.

The middle-aged man glanced at Li Yu and said indifferently, "You don't have the qualifications to know who I am."

"Then why did you help us?" Li Yu was even more puzzled.

The middle-aged man glanced at Yan Ruoxue in his arms, then smiled and turned around to leave.

Li Yu wanted to stop him, but he realized that the middle-aged man was extremely fast.

They were clearly very close to each other, but no matter how hard they tried, they could not get any closer.

They did not even pass through the exit before they disappeared into this secret realm.

Silence.

The surroundings were completely silent.

Only the sound of the leaves rustling could be heard.

Other than that, there was nothing else.

It was not something an ordinary person could do to repair a mystic realm.

Even a martial saint did not have such an ability.

“It’s broken.” Li Yu could not help but sigh in his heart.

He ran to Qin Yu’s side and waited quietly for him to wake up.

In the outside world.

Du Xuanyu had indeed arrived here.

However, because that mysterious middle-aged man had repaired the mystic realm, Du Xuanyu did not discover anything and turned around to leave.

In the Mystic Realm, Qin Yu only woke up in a DAZE at noon.

He rubbed his eyes and then stood up abruptly from the ground.

Qin Yu grabbed Li Yu's shoulder and said anxiously, "Where's Ruoxue? Where are the two people?"

Li Yu was silent for a moment and then could not help but sigh slightly.

"Hurry up and tell me!" Qin Yu shouted anxiously.

Li Yu said in a deep voice, "I can tell you, but you have to be mentally prepared."

"Hurry up and tell me!" Qin Yu shouted angrily.

Li Yu sighed and said, "Those two people took Yan ruoxue away."

"Damn it!" Hearing this, Qin Yu was instantly filled with anger!

He turned around and was about to leave the mystic realm.

At this time, Li Yu pulled Qin Yu and said coldly, "Where are you going?"

"I'm going to find Yan Ruoxue," Qin Yu said coldly.

Li Yu said coldly, "I advise you to give up on this idea. The strength of those two middle-aged men is beyond your imagination."

“So What ? They are only at the martial saint stage,”Qin Yu said coldly.

Li Yu took a deep breath and said, “That middle-aged man repaired the secret realm casually. Do you still think they are martial saints ?”

When he heard these words, Qin Yu, who was in a rage, was also stunned.

He knew very well what kind of strength it meant to repair the mystic realm so casually.

“Repairing the mystic realm so casually... didn’t you say that only those at the supreme level could repair the mystic realm ?”Qin Yu turned around and stared at Li Yu as he said.

Li Yu nodded and said, “That is indeed the case under normal circumstances.”

“Could it be that those two people are at the supreme level ?”Qin Yu could not help but widen his eyes.

The Almighty realm was also known as the Soul Formation realm. In fact, their strength was far above that of a martial saint.

However, there were not many martial saints in this world, let alone the legendary Almighty Realm ?

“Are you still planning to go ? Even if you risk your life, you will never bring Yan Ruoxue back.”Li Yu snorted coldly.

Qin Yu instantly fell into silence.

Such a difference in strength made Qin Yu feel a deep sense of powerlessness.

Even Martial Saint Qin Yu found it difficult to enter, let alone a mighty figure?

Looking at Qin Yu's slightly dispirited appearance, Li Yu could not help but pat Qin Yu's shoulder.

"Don't think too much. Those two people might not have any ill intentions." Li Yu consoled him.

"Since they repaired the gap in the mystic realm before they left, I'm sure they don't have any ill intentions. Otherwise, there's no need to do this." Li Yu said.

Qin Yu frowned as well.

Repaired the secret realm? Why did they do this?

Moreover... If they were people from the Jingdu Martial Arts Association, they would definitely kill him in passing.

If a mighty figure wanted to kill a peak-stage martial marquis, perhaps they only needed a glance.

Qin Yu sat there for a long time without saying a word.

Countless doubts filled Qin Yu's mind.

Li Yu didn't know what to comfort him with, so he stood silently to the side.

A few hours later, Qin Yu stood up from the ground.

"Since I don't know who took Yan Ruoxue, then I'll look for them one by one," Qin Yu said coldly.

“I’ll put this debt on all the forces that are targeting Yan Ruoxue! I’ll kill them all one by one!”

Yan Ruoxue’s disappearance had once again aroused the killing intent buried deep in Qin Yu’s heart.

That extremely cold killing intent made Li Yu Shiver involuntarily.

He did not waste any more time and immediately began the second round of cultivation.

After stepping into the half-step martial saint realm, Qin Yu’s strength had increased explosively.

Compared to the perfect stage of the Martial Marquis Realm, Qin Yu’s internal Qi had increased several times. In front of him, those at the same level as him were like ants.

For three whole days, Qin Yu had absorbed this yin heart. However, the increase in his cultivation base was only a tiny bit.

This could not help but make Qin Yu feel a trace of shock!

Half of the Yin Heart had only increased by so little. How many resources would it take to become a martial saint?

It was truly terrifying!

Even if a sect used the entire sect’s strength, it would still be difficult to create an advanced stage of the chaos body!

On this day, Qin Yu opened his eyes.

He took a deep breath and two rays of light shot out from his eyes.

Following that, Qin Yu walked to Li Yu's side.

“What's Wrong?” Li Yu asked with some doubt.

Qin Yu took a deep breath and said, “I plan to leave the mystic realm temporarily.”

“Leave the Mystic Realm?” Li Yu was stunned.

Qin Yu acknowledged and said, “I can't get much improvement in the mystic realm. With my state of mind at this point, there's no point in staying.”

“But... do you know what you will face when you go out?” Li Yu frowned and said.

Qin Yu sneered and said, “Only when you are on the edge of life and Death can you improve your state of mind the fastest.”

“And.... I need more resources.”

Chapter 901: Chapter 901, the person who had become a martial saint

“More resources?” Li Yu frowned even more.

He did not seem to understand.

Was such a huge secret realm not enough for cultivation?

If other people had obtained such a secret realm, they would have to enter closed door cultivation for several years, right?

Qin Yu saw Li Yu's confusion. He waved his hand and said, "I can't explain it to you, but during this period of time... I'm very grateful to you. To be honest, I didn't believe you at first."

"I never thought I would help you. I was just wavering between you and master." Li Yu did not hide anything.

Qin Yu smiled and said, "Speaking of which, there's something I'm very curious about. Why would you want to kill your master?"

A trace of viciousness flashed in Li Yu's eyes. He gritted his teeth and said, "Because he's a sinister and cunning person!"

"In fact, he is sinister and cunning. It has nothing to do with me, but... he stole my woman! This old pervert, I love that Woman!"

Speaking of which, Li Yu gritted his teeth in hatred.

Seeing this, Qin Yu could not help but laugh, "I didn't expect you to be a lover."

Li Yu snorted lightly and said, "This is also the reason why I chose to help you and not my master."

"I understand." Qin Yu patted Li Yu's shoulder.

"When I get out, I will kill him for you."

Li Yu nodded and said, "Be careful."

After bidding farewell to Li Yu, Qin Yu left this secret realm.

He knew very well that this time, he would definitely be found. It was only a matter of time.

With Qin Yu's current strength, the chances of him defeating a martial saint were still very slim.

Therefore, there were only two paths before him. One was to find a way to change his appearance, and the other was to possess the ability to escape.

Qin Yu had made up his mind. After he left the mystic realm, he would go to the divine medicine pavilion to look for the pavilion master. Then, he would find Jiang he and learn the nine secrets.

In this way, Qin Yu at least had the ability to save his life.

After leaving the Mystic Realm, Qin Yu smelled a pungent bloody smell.

This smell immediately caused Qin Yu's expression to change slightly.

He rubbed his nose, then his eyes looked around.

The first thing that entered his eyes was a dried up spiritual spring in front of him.

After the gap was repaired, the spirit spring quickly dried up.

And at this moment, the spirit spring was stained with blood.

Qin Yu immediately had a bad premonition.

“What a thick smell of blood... and even yin qi!” Qin Yu's expression couldn't help but change.

He hurriedly walked forward.

Arriving at the square of Bi Yue villa, Qin Yu's expression instantly turned extremely ugly!

Looking at the corpses and dried up blood all over the ground, Qin Yu's body couldn't help but tremble slightly!

"Who did it..." Qin Yu clenched his fists, his heart filled with grief.

"I'm the one who implicated all of you..." Qin Yu's body trembled slightly.

He had thought that these people would be hurt because of him, but Qin Yu still had a sliver of hope in his heart. That was that they would leave the BI Yue villa.

The current situation indicated that the entire green moon Villa's people were all dead!

Qin Yu took a deep breath. He suppressed the anger in his heart and said in a low voice, "Don't worry, I will definitely take revenge for you, I will definitely..."

At this moment, Qin Yu suddenly thought of something!

His expression changed, and he said in a low voice, "It's bad, the Divine Alchemist Pavilion!"

If the medicine God Pavilion was also harmed because of this, then Qin Yu would not be able to accept it!

He did not dare to think too much and quickly rushed towards the medicine God Pavilion.

It had been three months since Qin Yu had disappeared. The many martial saints were no longer as diligent in searching for Qin Yu.

Plus, Qin Yu had concealed his internal Qi. Thus, he had successfully arrived at the Medicine God Pavilion.

After arriving at the Medicine God Pavilion, Qin Yu could not help but heave a sigh of relief when he saw the calm medicine God Pavilion.

He quickly walked into the Divine Alchemist Pavilion and went straight to the Pavilion Master's building.

“Who is it? !”

Qin Yu's sudden intrusion immediately made the pavilion master extremely vigilant.

The internal Qi on her body erupted and she arrived in front of Qin Yu in the blink of an eye.

“It's me,”Qin Yu said in a low voice.

The Pavilion Master was first stunned when she saw Qin Yu before she quickly pulled Qin Yu into the secret chamber.

Arriving at the Secret Chamber, the pavilion master hurriedly closed the secret chamber.

This secret chamber was made of special materials, so the internal Qi would not be leaked out. Therefore, the pavilion master also slightly heaved a sigh of relief.

“Why are you here? Don't you know that they are all looking for you?”The pavilion master said with a reproachful tone.

Qin Yu did not answer this question, but asked, “After I left, they did not come to look for you, right?”

The Pavilion Master was silent for a moment. Then, he shook his head and said, “No.”

“That’s good.” Qin Yu heaved a sigh of relief.

After that, Qin Yu told the pavilion master about his experience in the mystic realm.

After the pavilion master heard this, he couldn’t help but say with some surprise, “You’re saying... someone who seems to be at the Almighty Realm has taken Yan Ruoxue Away?”

Qin Yu acknowledged and said in a low voice, “I don’t know who they are. Lord Pavilion Master, is there any news from the outside world?”

The pavilion master shook his head and said, “No, but even if someone really took Yan ruoxue away, they wouldn’t say anything.”

This was the truth. No matter which organization or faction obtained Yan Ruoxue, they would probably choose to keep it a secret.

“However... at the moment, there shouldn’t be any faction that has the Almighty Realm.” At this time, the pavilion master changed the topic.

“If anyone has the Almighty Realm, then they will definitely be above any faction in the current era. The Jingdu Martial Arts Association also has no power to contend with them.”

Qin Yu nodded and sighed, “I hope so.”

Then, the pavilion master explained the current situation to Qin Yu.

After the pavilion master's explanation, Qin Yu learned that the person who had entered the martial saint realm was not the current genius, but a veteran half-step martial saint.

This half-step martial saint was called Xu Huaigu. He could be said to be a late bloomer. He was in the same generation as Jiang he, Ye Qing, and the pavilion master. However, he had been suppressed by ye Qing and the others.

Almost everyone had already forgotten about this veteran half-step martial saint.. However, no one had expected that he would be the first to step into the martial saint realm.

Chapter 902: Chapter 902, Qin Yu' s fury

Qin Yu listened to the pavilion master's narration and nodded slightly.

“Xu Huaigu once said that stepping into the martial saint realm is not something that can be done in a day. Instead, it requires a long period of accumulation. Therefore, it is very difficult for young people to step into the martial saint realm within a short period of time,”the pavilion master continued.

“Perhaps, the previous prediction about you was that you would be the first among the younger generation.”

Qin Yu sighed and said, “I hope so. Before I become a martial saint, I'm afraid I'll have to live with my tail between my legs.”

Regarding this, the pavilion master did not express her opinion.

She continued, “During the period when you left, the martial arts world had also undergone great changes. The people who walked out of the mystic realm and the martial artists in this world had a strong animosity.”

“It’s not an exaggeration to say that they seemed to have formed two factions. Under the push of Xu Huaigu, many people deeply detested the people in the mystic realm.”

“Of course, Xu Huaigu will do his best to protect the people of the current era.”

Qin Yu nodded slightly and sighed, “This is inevitable. Just like two people of different classes, the possibility of becoming friends is very small.”

The pavilion master said in a deep voice, “If it’s really not possible, you can go to Xu Huaigu. He will most likely help you.”

Qin Yu shook his head and said, “There’s no need. I don’t want to implicate others anymore.”

At this point, Qin Yu suddenly thought of the Green Moon Villa.

He said in a deep voice, “Pavilion Master, who did the Green Moon Villa Thing?”

The Pavilion Master was silent for a moment, then shook his head and said, “You don’t need to ask me this. Go to the martial arts forum and take a look. Naturally, everything will be known.”

Hearing this, Qin Yu immediately took out his phone and opened the martial arts forum.

The martial arts forum was extremely lively.

Many people were cursing the JINGDU martial arts association.

Because of the appearance of the secret realm, both sides had a strong enmity.

And the Jingdu Martial Arts Association chose to stand on the side of the secret realm, causing many ordinary warriors of the current era to begin to hate the Jingdu Martial Arts Association.

This was good news for Qin Yu.

After flipping through a few posts, Qin Yu roughly understood the current situation of the era.

“The Jingdu martial arts association actually re-recruited people and established a council.” Qin Yu couldn’t help but frown.

And the president of the council was actually he teng!

“How ironic.” Seeing this, Qin Yu couldn’t help but sneer repeatedly.

Continuing to watch, Qin Yu quickly saw a video.

And the content of the video was precisely the battle between Wan Gu Qiong and the disciples of the Green Moon Villa!

All kinds of cruel methods couldn’t help but be shocking!

Even Qin Yu was covered in sweat when he saw it!

He stared at the content on the screen and couldn’t help but grit his teeth and say, “Wan Gu Qiong... I must kill you! !”

Qin Yu never thought that Wan Gu Qiong would be so cruel!

At this moment, the pavilion master's phone suddenly rang.

She glanced at the phone and frowned slightly.

"Qin Yu, stay here. No matter what you hear, don't speak," the pavilion master stood up and said.

Qin Yu frowned and asked, "What happened?"

"Someone is coming," the pavilion master said and walked out of the secret room quickly.

Qin Yu sat in the secret room and did not dare to say a word. He closed his eyes slightly and waited quietly.

Inside the pavilion master's building.

Wan Gu Qiong brought a martial saint and swaggered upstairs.

Ever since he saw the pavilion master's face last time, Wan Gu Qiong had not given up.

Even if he had been warned by ye Qing, he did not care at all.

"What are you doing here?" Looking at Wan Gu Qiong's wretched face, the pavilion master could not help but frown slightly.

Wan Gu Qiong said with a smile, "I've missed you. I'm here to see you."

The pavilion master's expression instantly became extremely cold. She said in a deep voice, "You're not welcome here."

"Hahaha! So what if you're not welcome?" Wan Gu Qiong's face was thick-skinned.

The pavilion master's expression became even colder. However, there was a martial saint standing beside Wan Gu Qiong. The Pavilion Master could not do anything to him.

“Pavilion master, without a martial saint in this era, it's difficult to take even a single step forward.”Wan Gu Qiong said with a smile.

“Even in this chaotic world, your medicine God Pavilion must seek protection, right? Without a martial saint, the medicine God Pavilion will disappear sooner or later!”

The pavilion master forcefully suppressed the anger in his heart and said, “What exactly are you trying to say?”

Wan Gu Qiong said with a smile, “Although you're not young anymore, you still have the appearance of a flower. Not only do you have the appearance of a young girl, you also have the mentality of a mature woman. This is simply the best!”

“If you are willing to accompany me for one night, I will protect you for just one night. How about it?”Wan Gu Qiong said with a lecherous smile.

Hearing Wan Gu Qiong's filthy words, the pavilion master could not help but feel furious!

She said coldly, “You better get lost right now!”

“Your angry look is more attractive...”Wan Gu Qiong reached out her hand and touched the pavilion master's face in a teasing manner.

The pavilion master slapped Wan Gu Qiong's hand away and said angrily, “Get lost!”

Wan Gu Qiong snorted coldly and said, “Don’t think that I can’t do anything to you just because ye Qing is protecting you! Let me tell you, it’s not difficult to avoid ye Qing at all!”

“You’re very disgusting in my eyes,” said the pavilion master coldly.

Wan Gu Qiong sneered and said, “So what? With your relationship with Qin Yu, you’ll be targeted by everyone sooner or later. At that time, I’ll see what ye Qing will do!”

“I also told you that sooner or later, I will put you on the bed!”

After saying this, Wan guqiong turned around and left.

Qin Yu heard these words clearly in the secret room.

He clenched his teeth tightly, and his eyes were wide open. He clenched his fists tightly, and anger kept surging up.

“Wan Guqiong...” Qin Yu muttered the name through the gaps of his teeth.. The anger on his body almost made him lose his cool.

Chapter 903: Chapter 903, the latest instructions from the higher-ups

He forcefully suppressed the anger in his heart and even suppressed his killing intent.

Qin Yu was very clear that if he went out now, it would be tantamount to sending someone to his death.

However, the myriad ancient Jade’s various maliciousness had already made Qin Yu endure to the extreme.

After the myriad ancient jade left, the pavilion master pushed open the door and entered.

She sat opposite Qin Yu and said, "It's fine."

Qin Yu gritted his teeth and asked, "Is this Wan Gu Qiong coming?"

The pavilion master shook his head with a bitter smile and said, "Not really."

Qin Yu took a deep breath and said, "I will think of a way to kill him as soon as possible!"

"It's better for you to be careful now. Xu Huaigu has already said that it will be very difficult for the younger generation to become a martial saint in a short period of time." The pavilion master shook his head and said.

"I have an idea." Qin Yu took a deep breath.

Then, Qin Yu looked at the pavilion master and said, "Oh right, pavilion master, do you know where senior Jiang he is?"

"Jiang he? Why are you looking for him?" The pavilion master asked in puzzlement.

Qin Yu said, "I want to obtain the nine secrets from him. This way, I will at least have the ability to protect myself."

"Nine secrets?" The Pavilion Master could not help but smile bitterly.

"Do you know that he is the only one who knows the nine secrets? Even his disciple can't learn the nine secrets."

Qin Yu could not help but be speechless.

He knew that the nine secrets were very precious, but he did not expect it to be so precious.

“Of course. I made a bet with him and he promised to teach you the nine secrets.” At this moment, the pavilion master changed the topic.

Then, the Pavilion Master wrote down an address on the paper and gave it to Qin Yu.

“Normally, he would be here.” The pavilion master said.

“However, it is very likely that he is trying to break through to the martial saint stage now.”

Qin Yu took the paper and bowed as he said, “Thank you, Pavilion Master.”

Then, Qin Yu planned to set off to look for Jiang he.

“Little Beauty? Where did you hide?”

At this moment, Wan Gu Qiong’s voice suddenly came from outside!

Pavilion master’s expression immediately changed!

She hurriedly grabbed Qin Yu and made a silent gesture.

Although Qin Yu was full of hatred for Wan Gu Qiong, he also knew that he must not let Wan Gu Qiong discover him at this moment.

The two hid in the secret room, not daring to breathe loudly.

“Little Beauty, where did you run off to?” Wan Gu Qiong’s disgusting voice kept coming from outside.

Qin Yu clenched his fists, his eyes filled with icy cold killing intent.

A few minutes later, Wan Gu Qiong's voice finally disappeared.

Pavilion master pulled Qin Yu and waited in the secret chamber for nearly half an hour.

After confirming that Wan Gu Qiong had left, pavilion master opened the Secret Chamber.

“Pavilion Master, if you really can't do it, you can go to the secret realm first.” Qin Yu frowned and said.

The pavilion master shook his head and said, “I won't leave the Divine Alchemist Pavilion alone. Moreover... since Xu Huaigu can become a martial saint, I might be able to.”

Qin Yu opened his mouth and then nodded, “Alright, Pavilion Master, Please Take Care.”

After saying goodbye to the pavilion master, Qin Yu left in a hurry and went to look for Jiang he.

...

Jingdu martial arts association.

In front of Gu Xinghe stood Zhai Xing, Du Xuanyu, and the others.

“Still haven't found him?” Gu Xinghe looked a little unhappy.

Du Xuanyu shook his head and said, “We've searched almost all the secret realms, but we haven't Found Qin Yu.”

“Now we’re guessing that Qin Yu has most likely found a new secret realm and hid in it.”

Gu Xinghe could not help but shout angrily, “Then hurry up and find it! Are you just doing this for nothing? !”

Du Xuanyu’s face turned cold and he said, “Young master Gu, I have to remind you that I’m here to help you, not your subordinate. Even your father has to be polite to me.”

Gu Xinghe gritted his teeth, took a deep breath, and said, “I’m sorry, Master Du. I was out of control.”

Du Xuanyu said in a low voice, “I’ll try my best to find a new mystical realm as soon as possible.”

“I’ll have to Trouble You Then, master Du.”Gu Xinghe bowed and said.

At this moment, Gu Xinghe’s phone rang.

He picked up the phone and saw that it was a notice from the higher-ups.

“Meeting.”The higher-ups were still concise and to the point.

Gu Xinghe did not dare to waste any more time. He rushed to the meeting room of the higher-ups.

Along the way, Gu Xinghe was extremely nervous.

He could not avoid being scolded for not finding Yan Ruoxue.

They arrived at the meeting room.

As soon as they entered, Gu Xinghe realized that the eight higher-ups had already rewarded them.

Gu Xinghe was a little nervous. He walked forward, bowed and said, “Greetings to the higher-ups.”

Before the higher-ups could ask, Gu Xinghe quickly said, “We haven’t found her yet, but don’t worry, I will find Yan Ruoxue within the time limit!”

“No need.” At this time, the higher-ups interrupted Gu Xinghe.

Gu Xinghe was stunned and said anxiously, “Higher-ups, I Promise I will definitely find her within the time limit, I...”

“It’s impossible for you to find her.” One of the higher-ups sighed.

“Yan Ruoxue’s breakthrough speed is faster than we thought.”

“It’s not under our control anymore.”

Gu Xinghe was stunned.

He frowned and asked, “What do you mean?”

The higher-up did not answer. Instead, he said coldly, “Delete all the records of extracting Yan Ruoxue’s blood! Remember, from today onwards, no one is allowed to mention Yan Ruoxue again!”

Although GU Xinghe did not understand, he did not dare to ask further.

“Then... What About Qin Yu?” Gu Xinghe continued to ask.

The higher-ups lowered their voice and said coldly, “The reason we lost Yan Ruoxue was because of Qin Yu! So, no matter what, we have to kill him!”

Chapter 904: Chapter 904, Zhai Xing and Jiang He

Gu Xinghe quickly nodded and said, “Alright, please rest assured, I will go look for Qin Yu immediately.”

The higher-ups did not say anything more. They gradually hid in the darkness and then slowly disappeared.

Although they did not say a word, Gu Xinghe could still feel their regret.

Regret for losing Yan Ruoxue.

...

On the other side.

Qin Yu was speeding away according to the address given by the pavilion master.

Along the way, he restrained his breath and was extremely careful, afraid that his figure would be discovered.

Jiang he was living in seclusion in an uninhabited area. At this moment, he was feeling the changes in the world and trying to enter the martial saint realm again.

In a forest, there was an unremarkable civilian house.

A small courtyard was circled here. Chickens, ducks, and geese were kept in the courtyard. It looked no different from an ordinary village old man.

Jiang he tuan sat here. He closed his eyes slightly and felt this not-so-strong internal Qi.

At this moment, Jiang he suddenly opened his eyes.

He glanced to one side from the corner of his eyes and said indifferently, "Since you're here, come out."

Before he finished his words, he saw Zhai Xing walk out from the dark.

Seeing Zhai Xing suddenly appear, Jiang he did not look too surprised.

"So it's master Zhai Xing." Jiang he's tone was calm, and his eyes opened a slit.

Zhai Xing walked straight to Jiang he's side and sat down.

"Master Zhai Xing, why did you suddenly visit?" Jiang he asked casually.

Zhai Xing said quietly, "You should know very well why I came."

Jiang he snorted. He slightly closed his eyes and said, "Why did you come to find me? How would I know?"

Zhai Xing was silent for a moment. Then, he slowly sighed and said, "Jiang he, I owe you a favor back then. You should remember this favor."

“Yes, I will never forget the favor you owe me,” Jiang he said lightly.

“But you also know that there is absolutely no possibility of a detente between me and the Jingdu Martial Arts Association.”

Zhai Xing’s expression darkened, and he said coldly, “If I didn’t see your superhuman talent back then, you would have died long ago.”

“Yes.” Jiang he did not deny it.

“But it was also because of your actions that I was unable to step into the martial saint realm.”

If other people heard these words, they would definitely be shocked!

The two of them were not from the same era, but they had such a deep relationship!

“That was an order from the association. I can not disobey it,” Zhai Xing said.

“So the relationship between you and I is broken,” Jiang he said in a low voice.

Zhai xing sighed, “In my eyes, you are a genius. I Can’t bear to kill you. I...”

“Master Zhai Xing, if you have something to say, just say it,” Jiang he interrupted Zhai Xing.

Zhai Xing said in a deep voice, “I am under Gu Xinghe’s orders to invite you to join the Jingdu Martial Arts Association.”

“You also know that the Jingdu Martial Arts Association is currently recruiting talents and is interested in creating powerful people in the world.”

“If you are willing to join, with your talent, it won’t be long before you can step into the Martial Saint Realm.”

Jiang he sneered, “Master Zhai Xing, do you think I would agree?”

Zhai xing frowned and said, “Jiang he, the Jingdu martial arts association has never killed you.”

Jiang he sneered, “Yes, but it also forced me to cower here and not be born for many years.”

“If it weren’t for Qin Yu’s appearance, I might never have appeared in public.”

Zhai Xing said in a low voice, “Are you really unwilling to join the Jingdu Martial Arts Association?”

“You should have the answer in your heart. You Don’t need to ask me.” Jiang he closed his eyes.

Zhai Xing’s expression instantly turned cold.

He suddenly stood up and said coldly, “The current environment has changed. You will step into the martial saint realm sooner or later.”

“Since you are unwilling to join the Jingdu Martial Arts Association, then you are a potential enemy of the Jingdu Martial Arts Association.”

“So... You Must Die!”

Jiang he's expression was extremely calm and indifferent. He closed his eyes slightly and said, "Then make your move. In front of you, I have no power to fight back."

Zhai Xing's body was full of murderous intent. This murderous intent swept through the entire mountain forest.

A gentle breeze blew through the mountain forest, and that solemn aura caused the entire ground to buzz.

Zhai Xing slowly raised his palm. Rays of faint light gathered in his palm.

Facing Zhai Xing, Jiang he did not have the ability to fight back.

"Jiang he, this is the last time I will let you off."

A moment later, Zhai Xing lowered his hand.

"If you don't want to die, then don't go against the Jingdu Martial Arts Association. Otherwise, I will definitely kill you."

Zhai Xing threw down these words and turned around to leave.

Jiang he looked at Zhai Xing's back as he left, a trace of worry flashed across his face.

...

At this moment, Qin Yu was still speeding towards this place.

The Medicine God Pavilion was very far from here, and the current Qin Yu did not dare to take any means of transportation. He could only walk over step by step.

The journey was very long. Even with Qin Yu's ability, it would still take him several days.

About three days later, Qin Yu arrived at the Riverside.

If he wanted to go to his destination, he had to cross this river.

Standing on the Riverside, Qin Yu couldn't help but look a little worried.

"It seems that I have to take a boat there," Qin Yu murmured in a low voice.

There were many boatmen here, and there were also many tourists.

Qin Yu released his divine sense and covered the entire riverbank.

"Eh?" Qin Yu frowned.

There were actually several martial marquises at the peak of the Martial Marquis Realm on the riverbank!

"Strange." Qin Yu's expression didn't look too good.

Even if a martial saint had appeared, martial marquises were still rare existences.

But how could there be so many martial marquises on such a small river?

"Could it be that I have been discovered?" Qin Yu's expression did not look too good.

He tried his best to restrain his internal Qi and found a relatively safe place to sit down.

Fortunately, Qin Yu had prepared a hat long ago. He put the hat on his head and lowered the brim of the hat.

“Oh no!”

At this moment, Qin Yu felt an extremely powerful internal Qi!

This internal Qi was at the Martial Saint Stage!

Qin Yu’s expression became even more unsightly. He hurriedly lowered the brim of his hat and carefully surveyed his surroundings.

Soon, Zhai Xing’s figure appeared on the shore.

“It’s him.” Qin Yu’s heart started to beat violently!

With Zhai Xing’s ability, it was not difficult for him to discover Qin Yu, even if Qin Yu had restrained his internal Qi!

At this moment, Zhai Xing walked to the shore, and several martial marquises from the surrounding arrived in succession.

“Lord Zhai Xing.” Several martial marquises bowed one after another.

Zhai Xing said coldly, “Jiang he has the nine secrets, and we let him escape.”

The many martial marquises looked at each other and could not help but frown. “Even you can’t catch him?”

Zhai Xing said in a deep voice, “The nine secrets are the secret arts of Taoism. In the current era, only Jiang he has learned it. The profoundness of it is far beyond imagination.”

Then, Zhai Xing waved his hand and said, "Let's go."

The martial marquises did not say anything. They followed behind Zhai Xing and planned to leave.

Qin Yu, who was hiding in the dark, could not help but sigh in relief.

"Wait."

At this moment, Zhai Xing, who had taken a few steps, suddenly stopped.

Everyone stopped and looked at Zhai Xing in puzzlement.

Zhai Xing, on the other hand, was looking in a certain direction.

That direction was the direction of Qin Yu.

Chapter 905: Chapter 905, the secret realm of the Yan Family?

Qin Yu's expression suddenly changed drastically!

He hurriedly lowered his head and restrained his internal Qi to the maximum.

At this moment, Qin Yu's head was covered in cold sweat.

If he was discovered by Zhai Xing, he would definitely die!

Zhai Xing looked in Qin Yu's direction and did not speak for a long time.

"Lord Zhai Xing, What's Wrong?" A marquis from the side asked softly.

Zhai Xing was silent for a moment, then he shook his head and said, “Nothing, let’s go.”

Qin Yu could not help but heave a sigh of relief when he led everyone away.

However, he still did not dare to move recklessly, afraid that Zhai Xing would turn back.

After a full half an hour, Qin Yu finally heaved a sigh of relief after he confirmed that Zhai Xing had left.

“Strange,” Qin Yu muttered in a low voice.

“Could it be that he did not discover me?”

The martial saint’s spiritual sense was extremely sharp. A half-step martial saint could not hide in front of him at all.

Could it be that there was something wrong with Zhai Xing’s spiritual sense?

“Forget it, I don’t want to think about it.” Qin Yu waved his hand.

As long as he was not discovered, it was fine.

Thus, Qin Yu got up, boarded the boatman’s boat, and headed towards the opposite shore.

More than an hour later.

Qin Yu finally successfully landed on the opposite shore.

After getting off the boat, Qin Yu looked at the large mountain forest a few kilometers ahead.

There was a scenic area around this mountain forest. After crossing this scenic area, there was no one there.

Qin Yu did not waste any time. He pressed down his hat and walked quickly to the mountain forest.

Soon, Qin Yu arrived at Jiang he's residence.

Jiang he, who was cultivating, opened his eyes slightly.

He looked in Qin Yu's direction, and a trace of doubt flashed in his eyes.

“Qin Yu?” Jiang he shouted tentatively.

Qin Yu walked out quickly, bowed, and said, “Greetings, senior Jiang He.”

Jiang he was even more surprised.

He stood up from the ground and said, “Why are you here?”

Qin Yu smiled bitterly and said, “I'm here to learn from you.”

Jiang he seemed to have stepped on something.

He stroked his beard and said with a smile, “You want to learn the nine secrets?”

“Yes.” Qin Yu didn't hide anything.

He told Jiang he what had happened during this period of time.

After Jiang he heard it, he was somewhat surprised.

“Yan Ruoxue was taken away? And she seems to be an expert at the Almighty Realm?” Jiang he was also extremely surprised.

Qin Yu sighed and said, “Well, in any case, I have no power to fight back in front of him. I don’t even know how I fainted.”

Jiang he fell into a short period of silence.

A moment later, he stood up and said, “Maybe you can ask Old Mister Yan about this matter.”

At the mention of Old Mister Yan, Qin Yu suddenly thought of something.

“Is she really from the Yan family’s secret realm?” Qin Yu said in surprise.

Jiang he slowly sighed and said, “If he’s really in the Almighty Realm, I’m afraid it’s not a secret realm.”

“What do you mean?” Qin Yu hurriedly asked.

Jiang he waved his hand and didn’t explain.

“By the way, I saw Zhai Xing on the other side just now.” At this time, Qin Yu suddenly thought of something.

Jiang he frowned slightly and said in a cold voice, “Zhai Xing? You met Zhai Xing?”

“I don’t know what to say either,” Qin Yu said with a bitter smile.

He told Jiang he what had happened.

After Jiang he heard it, he didn't say anything for a while.

“With Zhai Xing's ability, it's not a problem for him to find me, but he just took a look and left,”Qin Yu said in a low voice.

Jiang he sighed slowly and said, “He also let me go back then.”

Qin Yu immediately sucked in a breath of cold air.

“He also let you go ? ! What... What the hell is going on ? !”Qin Yu widened his eyes.

Jiang he didn't explain, only saying, “Zhai Xing is a person who cherishes talents. Maybe he wants to let you go.”

After saying that, Jiang he stopped talking about this matter.

“Come, I will teach you the nine secrets now,”said Jiang he.

Qin Yu didn't waste any time and immediately nodded.

“The nine secrets is the ultimate art of Taoism. It's not only in the present world, but also in the immortal cultivation world. It's a top-notch technique,”said Jiang he.

“It's extremely difficult to comprehend this kind of technique. It doesn't depend on talent, but on fate.”

“Only those who are fated can learn the nine secrets.”

Qin Yu nodded seriously and said, “Senior Jiang he, I understand. I'll do my best.”

“Yes. Even if it’s fated, it will take a long time to learn the nine secrets,”Jiang he continued.

“It took me half a month to learn the nine secrets.”

Qin Yu nodded repeatedly. No matter how much time it took, Qin Yu had to learn it.

Therefore, Jiang he didn’t say anything more. He sat cross-legged on the ground and then extended his spiritual sense through the space between his eyebrows.

“My spiritual sense will enter your spiritual sense through your glabella and use it to teach you. Don’t resist at all, or else my spiritual sense might fall out,”Jiang he warned.

“Yes, senior Jiang He.”Qin Yu hurriedly nodded.

That strand of spiritual sense landed on Qin Yu’s glabella.

Qin Yu closed his eyes slightly. Soon, Jiang he’s figure appeared in his mind.

Qin Yu’s mind was filled with a golden light. That golden light transformed into Qin Yu’s appearance and began to receive the teachings of Jiang he’s spiritual sense.

...

In the conference room of the Jingdu Martial Arts Association.

“I was unable to capture Jiang he,”Zhai Xing said in a deep voice.

Gu Xinghe frowned.

“Uncle Zhai Xing, you are at the advanced stage of the Martial Saint Realm. How did a half-step martial saint escape from your hands?” Gu Xinghe could not help but ask in puzzlement.

Zhai xing bowed and said, “Jiang he has mastered the nine secrets. His speed is above mine.”

Upon hearing these words, Gu Xinghe frowned slightly as if he was somewhat suspicious.

“Hehe...”

At this moment, a sinister voice came from the side.

This voice was none other than he teng.

At this moment, he teng had become even stranger. His entire body was wrapped in a black robe, and his body emitted a rotten aura.

“I once saw Lord Zhai Xing’s figure in an ancient book...” He Teng said with a sinister tone.

“According to the ancient book, Lord Zhai Xing had many followers back then, and most of them were young geniuses. The book says that you are a person who cherishes talents very much...”

“It is precisely because of this reason that the Guardian let you off. I didn’t say that, did I, Lord Zhai Xing...”

Zhai Xing glanced at he teng coldly and said, “What do you want to say?”

He Teng said with a strange voice, "Back then, you seemed to have let Jiang he off once, making Jiang he, who should have died at your hands, become the number one person below the martial saint..."

"What exactly do you want to say?" Zhai Xing's tone was also somewhat cold.

He Teng said with a smile, "Lord Zhai Xing, you should know what I want to say in your heart..."

Zhai Xing narrowed his eyes. He suddenly stretched out his hand and slapped toward he teng!

He Teng's body was instantly sent flying and he crashed into the wall!

A mouthful of blood spurted out from his mouth like a fountain!

"Who do you think you are? How dare you talk nonsense in front of me," Zhai Xing said coldly.

"If the person in your body still wants to live, then pay attention to the tone in which you speak to me."

Hearing this, he teng's body trembled slightly.

He got up from the ground and cupped his hands to look at Gu Xinghe.

"Young master Gu, leave Jiang he's matter to me, how about it?" He Teng said darkly.

Gu Xinghe raised his brows and said with some amusement, "You? A half-step martial saint went to capture Jiang he?"

“Under the same realm, why should I be afraid of him...”he teng said in a hoarse voice.

Gu Xinghe’s interest was piqued.

“Okay, if you can catch Jiang he, I will reward you handsomely!”Gu Xinghe said excitedly.

“No need... you just need to let me handle Jiang he...”he teng said.

Gu Xinghe thought for a moment and nodded. “Okay! But I will only give you three days!”

“Okay, three days is enough,”he teng said coldly.

Chapter 906: Chapter 906, the power of the nine secrets!

With that, he teng stood up and walked out of the meeting room.

Zhai Xing looked at He Teng’s back as he left. He didn’t say a word.

...

On the other side, Qin Yu was still receiving Jiang he’s teachings.

The nine secrets was an extremely mysterious technique. Any one of them could be considered a top-notch secret technique, and it would greatly increase one’s battle prowess.

Jiang he used Qin Yu’s spiritual sense to impart almost everything he had learned in his life to Qin Yu.

The longer it took, the more shocked Jiang he became!

This was because Qin Yu's speed of receiving the inheritance was simply too fast!

Even the nine secrets did not seem as difficult as the legends said!

"This kid is really a talent," Jiang he could not help but think to himself.

In fact, the process of Qin Yu accepting the inheritance was also extremely painful.

It was as if he had to eat ten steamed buns in one go, making Qin Yu feel a strong sense of fullness.

His forehead was constantly sweating, and his head felt extremely swollen.

But even so, Qin Yu didn't show any signs of stopping.

"If it really doesn't work, then let's Rest for a while." Jiang he could see Qin Yu's pain.

However, Qin Yu hurriedly shook his head and said, "There's no need. Senior Jiang he, the faster you learn it, the safer you'll be."

Seeing this, Jiang he didn't say anything more.

In the blink of an eye, a week had passed.

And Qin Yu had already learned the eight secrets of the nine secrets!

Those who were about to fight all had multiple rows!

And what Qin Yu lacked was the last secret, the line formula!

Buzz

Just as Qin Yu was comprehending the ninth secret, his head suddenly buzzed, and half of his head seemed to explode!

Under this impact, Jiang he's spiritual sense also fell out.

Qin Yu only felt that the world before his eyes was dark, and he felt nauseous.

He fell to the ground, waved his hand, and said, "No, I'm afraid I can't comprehend the ninth secret in one go."

Jiang he stood up, stroked his beard, and said, "Comprehending the eighth secret in one week, this speed is already a bit too much."

Qin Yu smiled bitterly. Even if he wanted to persist, his body could not hold on any longer.

"You can try to use the nine secrets that you have already comprehended," Jiang he said faintly.

Qin Yu hurriedly nodded.

He slowly stood up and then tried to fight the fighting word formula of the nine secrets!

Fighting word formula was said to have a great increase in strength!

When using fighting word formula, one's strength could increase by more than ten times!

The 'fighting' formula was also divided into stages, ranging from grade one to grade nine.

When one comprehended the ‘fighting’ formula to grade nine, one’s strength would increase by several times or even a hundred times!

Although that was the case, the growth rate of any one of the nine secrets was extremely slow. Almost no one could comprehend it to a hundred times!

Even Jiang he, who had possessed the nine secrets for many years, was only a grade one ‘fighting’ Formula Now!

“If I can cultivate the battle character to the peak, even if I can’t become a martial saint, I can still fight against a martial saint.” Qin Yu looked at Jiang He.

Jiang he nodded slightly and said, “That’s the reason. You Don’t need to comprehend to grade nine, you can just comprehend to grade three.”

“Of course, the difficulty of comprehending to grade three is no less than becoming a martial saint.”

Qin Yu nodded slightly and said with a smile, “No matter what, with the battle character, you also have more ways to earn a living.”

After saying that, Qin Yu did not say anything more. He immediately tried to activate the internal Qi!

Qin Yu’s hands slowly slid in the air. Then, in his palms, a large word condensed: battle!

The moment the internal Qi was activated, Qin Yu felt his aura rapidly increase!

Under this aura, Qin Yu’s strength increased by more than ten times!

“Such powerful strength!”Qin Yu lowered his head and looked at the internal Qi that erupted from his body. He couldn’t help but widen his eyes!

Under the enhancement of the fighting word formula, who knew what kind of power would burst out when he used one punch to break ten thousand arts!

Qin Yu slightly adjusted the internal Qi in his body. The golden light on his body also burst out.

“Ha!”

As Qin Yu lightly shouted, his strength gathered on his fist and he suddenly punched forward!

“Boom!”

More than half of the mountain forest was destroyed in an instant!

The entire mountain collapsed in an instant!

This made Qin Yu’s eyes widen!

He lowered his head to look at his fist and said in a low voice, “Is this really my power?”

Jiang he smiled bitterly and said, “That’s enough. If you throw another punch, I’m afraid I Won’t be able to hold anyone here.”

Qin Yu scratched his head in embarrassment. He felt the surging power in his body and was instantly filled with confidence.

“Senior Jiang he, with the augmentation of the battle word formula, do you think I can try to fight the Martial Saint?”Qin Yu asked.

Jiang he shook his head and said, “Theoretically speaking, this is impossible because the martial saint has given birth to the nascent soul, but the nascent soul stage is completely different from the aurous core stage.”

Qin Yu nodded slightly and muttered, “That being said, but under the blessing of this power, I really want to have a fight with the martial saint.”

“Try to avoid it as much as possible.”Jiang he waved his hand and said.

As he was speaking, Qin Yu suddenly felt that the power of the battle word formula was rapidly disappearing.

Qin Yu’s expression changed and he frowned and said, “Senior Jiang he, what... What is going on? My Power...”

Jiang he smiled and said, “It’s enough for you to last five minutes for such a heaven-defying spell.”

“That’s true...”Qin Yu muttered in a low voice.

Any increase in strength brought by a spell did not belong to him in the end. There would always be a moment when it disappeared.

“But this is enough,”Qin Yu said with a smile.

“If I have time, I have to try to improve the battle character technique more.”

As they spoke, the expressions of Qin Yu and Jiang he changed slightly.

Both of them felt a strange and powerful internal Qi at the same time!

“Someone is coming!”Qin Yu and Jiang he said almost at the same time!

Jiang he said in a deep voice, “Hide.”

Qin Yu grunted. Just as he was about to find a place to hide, he Teng’s voice came from all directions.

“Keke... So Qin Yu is here...”He Teng’s sinister voice entered the duo’s ears.

“It seems like Star Harvester’s sin is even greater than we imagined...”

“Not only did he let Jiang he off, he also protected Qin Yu...”

As he spoke, he Teng’s figure appeared in front of the duo.

Qin Yu narrowed his eyes and said with a cold expression, “He teng, it’s actually you!”

He Teng licked his lips and said, “TSK tsk, you two geniuses... I think you will improve me beyond my imagination....”

Chapter 907: Chapter 907, Battle He Teng Again!

At this moment, he teng looked at the two of them greedily.

Facing the famous Qin Yu and Jiang he, he teng did not panic at all!

“He Teng, are you here to court death?”Qin Yu took a step forward and said coldly.

He Teng licked his lips and said with a smile, “Qin Yu, all the Martial Saints in the world are looking for you. I didn’t expect you to hide in this place...”

Qin Yu sneered and said, “That’s why I can’t let you leave today.”

“Hahahaha!”

Hearing this, he teng could not help but burst into laughter.

His face was full of arrogance, and the strange internal Qi on his body kept surging.

“Today, I was ordered by the Jingdu Martial Arts Association to kill Jiang he, but I never thought that there would be unexpected gains,”he teng said with narrowed eyes.

Qin Yu couldn’t help but frown.

To Kill Jiang he ?

Jiang he was famous, and everyone in the world knew of his reputation, but this he teng actually wanted to kill Jiang he ?

At this moment, Jiang he took a step forward and said indifferently, “I knew that the Jingdu martial arts association would not give up, but I didn’t expect that the Jingdu Martial Arts Association would look down on me so much.”

He teng sneered, “You are looking down on me! Jiang he, don’t think that you are invincible just because you are the number one person in the world!”

“You must know that there are many ways to increase your strength! It is not just cultivation!”

“Is that so? Then let me experience it.” Jiang he slowly walked forward with an extremely calm expression.

“Senior Jiang He, leave it to me. I have an old grudge with this person,” Qin Yu said coldly.

Before Jiang he could answer, Qin Yu had already walked forward.

He looked at he teng coldly and said, “I’ve already let you escape many times. This time, I Won’t give you another chance.”

He Teng narrowed his eyes and said, “Qin Yu, I also want to experience your abilities.”

Qin Yu didn’t waste any words. He raised his hand and unleashed the absolute beginning Holy Fist!

This fist was wrapped in golden light and an invincible internal QI. It was like a full moon as it ruthlessly smashed toward He Teng’s face!

He Teng was not in a hurry. He stretched out a skinny palm from his black robe to meet Qin Yu!

“Boom!”

A huge explosion sounded between the two of them!

He Teng’s body retreated countless steps, and half of his arm was directly blasted through!

He fell to the ground, revealing his ghastly white bones under his black robe.

“As expected of a chaotic body. It is really beyond imagination...”he teng said with a sinister tone.

Qin Yu looked at he teng coldly and could not help but mock, “With this little ability, you dare to boast shamelessly?”

He Teng climbed up from the ground. His broken arm began to recover in the blink of an eye. His speed was far beyond imagination.

“If I only had this little ability, why would I come here alone...”he teng said sinisterly.

As he spoke, black qi burst out from his body.

This Black Qi was extremely difficult to deal with. It smelled like rotten eggs.

Qin Yu could not help but cover his nose and took a step back.

“This internal QI is poisonous. Be careful,”Jiang he reminded him from the side.

Qin Yu nodded and looked at he teng coldly. The aura of a half-step martial saint burst out instantly!

As long as he teng had not stepped into the martial saint stage, Qin Yu would not be afraid at all!

Under the cover of that mass of Black Qi, he Teng’s aura was also increasing strangely!

A mass of black qi was lingering around his every move!

In just a moment, he Teng's strength had increased by a few points and he was almost approaching the martial Saint Stage!

Qin Yu could not help but be shocked when he sensed the aura from his internal Qi!

“What a powerful internal Qi.”Qin Yu frowned and said.

Jiang he said in a deep voice, “It's the thing inside his body that's causing trouble. This internal QI is already close to the martial saint stage.”

A trace of seriousness also appeared on Qin Yu's face.

“Hehehe...”he teng's mouth emitted waves of strange smiles.

His body was enveloped by the black qi and it was impossible to see his real body clearly. The balls of black qi spread in all directions and covered more than half of the mountain forest.

“Qin Yu, it's time to end the grudge between us...”he teng let out a roar.

Qin Yu was about to speak when he suddenly felt his legs become extremely heavy as if they were filled with lead!

He did not dare to think too much and immediately lowered his head to look at his legs.

He saw that his legs were tightly wrapped by the black gas, and he could not move at all!

“What is this thing?”Qin Yu frowned slightly.

He was about to speak when he sensed a hint of danger!

“Be careful!” Jiang he’s concerned voice sounded in his ears!

Before Qin Yu could raise his head, a Big Black Hand smashed on Qin Yu’s face!

“Bang!”

The slap landed firmly on Qin Yu’s face. The fierce force was mixed with a poisonous gas, causing Qin Yu’s face to feel a burning pain

“Hehe... didn’t anyone tell you that you shouldn’t be distracted in a life-and-death battle?” He Teng’s strange voice seemed to come from all directions.

Qin Yu wiped his face, and his hands instantly turned red.

His face seemed to have been fractured, and the flesh and blood on his face seemed to have been shattered.

“What kind of strange move is this?” Qin Yu frowned.

He did not dare to be negligent. At that time, he released his spiritual sense to cover his surroundings.

“Boom!”

At this moment, another wave of killing intent came from Qin Yu’s back!

Qin Yu wanted to turn around to receive the attack, but his legs were firmly grabbed, and he could not move at all!

“Puchi!”

In an instant, it was as if thousands of sharp blades had pierced into Qin Yu's back!

The tearing pain mixed with the burning pain caused Qin Yu to involuntarily let out a moan!

“Qin Yu, is that all you have...”

He Teng's face appeared in front of Qin Yu.

Qin Yu stretched out his fist to smash at He Teng, but the Fist went straight through his face!

“What a strange move!” Qin Yu's face could not help but change!

The most important thing at the moment was to get rid of this restraint as soon as possible, otherwise, Qin Yu would become a target to be hit!

Thinking of this, Qin Yu took a deep breath.

He adjusted his internal QI and pushed it to the limit!

A destructive power spread out from Qin Yu's body!

This power gushed out like a volcanic eruption. For a moment, he teng and Jiang he were both shocked!

“You can't break it,” he teng said coldly.

However, before he could finish his words, the black gas that was binding Qin Yu's feet was immediately dispersed!

Balls of golden light that were like flames wrapped around Qin Yu.

Under this Golden Light, Qin Yu's hair turned golden!

This was the first time he had unleashed all of his strength since he had stepped into the half-step martial saint realm.

Even Qin Yu himself was a little surprised by this powerful strength.

“Ever since I've stepped into the half-step martial saint realm, I really don't know what kind of battle prowess I can unleash...”Qin Yu muttered in a low voice.

He looked at the face that had gathered in front of him and said coldly, “I'll use you as an experiment today.”
