## Chapter 91: Shut up!

Yan Yongxiu and his two bodyguards soon appeared at the door.

The door was deliberately left open, as if he was waiting for them.

This surprised Yan Yongxiu somewhat.

Qin Yu hurriedly got up and walked forward to say, "Greetings, Mr. Yan."

Yan Yongxiu didn't pay attention to him. He walked straight to the sofa and sat down. Then, the bodyguards beside him lit a cigar for him.

It was impossible to say that Qin Yu wasn't nervous when facing such a person. However, Qin Yu tried his best to appear calm.

Yan Yongxiu took a puff of his cigar and said indifferently, "You knew that I would come?"

"No, I didn't know." Qin Yu shook his head.

"I just happened to see you from outside the window."

Yan Yongxiu couldn't help but laugh. He slowly stood up and walked in front of Qin Yu. He asked directly, "What qualifications do you have to be with my daughter?"

Qin Yu was stunned.

This question was indeed difficult for him to answer.

Currently, Qin Yu wasn't worthy of Yan Ruoxue in any aspect.

The two of them were worlds apart in terms of social status.

Qin Yu fell into silence and didn't speak for a long time.

Yan Yongxiu couldn't help but shake his head. He slowly stood up and said in a low voice, "It seems that my daughter has overestimated you."

"Mr. Yan." At this moment, Qin Yu finally opened his mouth.

He took a deep breath and said, "Currently, I am indeed a nobody, but give me a year's time. I will prove that I am worthy of Miss Yan."

"A year's time?" Yan Yongxiu narrowed his eyes and then said coldly, "Why should I wait for you for a year? What qualifications do you have to make me give you a year's time?"

Qin Yu looked at Yan Yongxiu and said word by word, "I'm worth you waiting for."

"Hahahahaha!" Yan Yongxiu couldn't help but burst into laughter.

"Young man, you've only been a frog in the well in Jiangcheng! How much have you seen of the real world?" Yan Yongxiu said coldly.

Qin Yu gritted his teeth and said, "Mr. Yan, one who has made great progress in a short period of time should be treated differently! My current achievements are indeed nothing in your eyes, but there's still a long way to go. No one can dismiss my future potential!"

"Oh really?" Yan Yongxiu raised his eyebrows.

Yan Yongxiu, who was about to leave, stopped again.

"Don't think that I don't understand you," Yan Yongxiu said coldly.

“The only thing you are proud of now is your martial arts skills, right?” Yan Yongxiu narrowed his eyes, as if he wanted to see through Qin Yu.

Qin Yu didn't deny it.

Just as Yan Yongxiu said, what Qin Yu could rely on now were indeed his martial arts skills and cultivation methods.

When Yan Yongxiu saw this, he couldn't help but snort, “Your mediocre skills aren't thing in my eyes! Any of my subordinates can kill you with the flip of a wrist!”

As soon as he finished speaking, the bodyguard beside Yan Yongxiu took a step forward and said coldly, “My name is Yan Jiang, President Yan's bodyguard.”

After saying that, Yan Jiang gestured at Qin Yu with a provocative look on his face.

Qin Yu stood there motionlessly.

He knew very well that he was no match for Yan Jiang.

“What? You don't even have the guts to fight?” Yan Yongxiu said coldly.

Hearing this, Qin Yu immediately clenched his fist.

He looked at Yan Jiang, and a belligerent look appeared in his eyes!

In fact, Qin Yu also wanted to know how powerful these so-called top martial artists were!

When he saw Qin Yu's reaction, Yan Jiang couldn't help but sneer.

He beckoned Qin Yu again and said, “Show me your trump card. Let me see it.”

Qin Yu took a deep breath. He mobilized the internal spiritual energy in his body and heightened it to the max.

“Mr. Yan, then I won’t go easy on you.” Qin Yu said with some expectation.

“Yan Jiang, be mindful,” Yan Yongxiu reminded him.

Yan Yongxiu also felt a little helpless. If it were any other time, he wouldn’t even bat an eye even if he killed Qin Yu.

However, this kid was the man that Yan Ruoxue liked. If anything really happened to him, his daughter would probably hate him for the rest of her life.

Yan Jiang nodded and said, “Yes, Mr. Yan.”

After saying that, Yan Jiang beckoned Qin Yu again.

Qin Yu didn’t hesitate at all. He roared angrily, clenched his fist, and rushed toward Yan Jiang!

The speed of his punch was extremely fast, and its strength was even more powerful! Qin Yu used up almost all of his strength to prove himself!

However, when the fist was about to touch Yan Jiang, Yan Jiang dodged it agilely.

“How... how is this possible?!” Qin Yu’s expression was extremely ugly!

He didn't even see Yan Jiang's dodging move clearly! He clearly saw that he had already punched him!

"Again." Yan Jiang's eyes were filled with some amusement.

Qin Yu gritted his teeth, roared angrily, and charged towards Yan Jiang again!

This time, Qin Yu used both his fists and legs, and his speed was raised to the peak!

In the blink of an eye, Qin Yu had already thrown out dozens of punches!

However, what made Qin Yu feel despair was that these dozens of punches didn't even touch Yan Jiang's clothes! Instead, it had exhausted him!

Qin Yu panted heavily, and layers of sweat appeared on his forehead.

On the other hand, Yan Jiang was calm and composed with his internal spiritual energy stable.

"Hmph, is that all you've got?" Yan Jiang sneered.

"If this is your trump card, then I advise you to give up early," Yan Yongxiu also said coldly.

"This mediocre skill of yours... isn't even worth mentioning in Jingdu! Any young master is far better than you by a thousand times or ten thousand times!" Yan Yongxiu berated loudly!

Qin Yu's expression was extremely unsightly. He clenched his teeth tightly with defiance!

"Again!" Qin Yu roared and charged towards Yan Jiang once again!

However, the result was the same this time. No matter how hard Qin Yu tried, he couldn't even touch a single hair on Yan Jiang's head!

Yan Jiang placed his hands behind his back and allowed Qin Yu to attack. He didn't have the slightest intention to attack!

"How is this possible?!" Qin Yu couldn't help but roar repeatedly!

He knew that there was a gap between him and Yan Jiang, but he didn't expect the gap to be so huge!

"You're too weak, too weak." Yan Jiang dodged while shaking his head. The ridicule in his eyes was unconcealed.

"With your little abilities, do you think you are qualified to make Miss Yan wait for you?" Yan Jiang sneered.

"You'd better lie low and stay in Jiangcheng. Miss Yan should be with outstanding people." Yan Jiang sneered.

"Shut up!"

At this moment, Qin Yu suddenly roared! His internal spiritual energy instantly peaked, and he threw a punch at Yan Jiang's face!

The sudden increase in speed made Yan Jiang unable to react in time!

This punch landed squarely on Yan Jiang's face!

Yan Jiang, with anger and disbelief on his face, couldn't help but take a step back!

On the other hand, Yan Yongxiu seemed to be somewhat intrigued.

Qin Yu stood in the distance while panting heavily.

He grinned and said, “So you aren’t invincible... hehe...”

## Chapter 92: Defeat after Defeat!

Yan Jiang’s expression was a little cold.

He wiped the corner of his mouth and looked coldly at Qin Yu. He said, “It’s really embarrassing to be hit by trash like you...”

At this point, Yan Jiang paused for a moment and then shouted angrily, “Unfortunately, you’re out of luck!”

As soon as he finished speaking, Yan Jiang actually took the initiative to rush towards Qin Yu!

His speed was so fast that before Qin Yu could even react, his fist had already smashed into Qin Yu’s lower abdomen!

With a loud bang, Qin Yu felt as if his internal organs were about to be shattered!

The intense pain was unbearable for Qin Yu!

He clutched his stomach and collapsed onto the ground.

A mouthful of fresh blood spewed out from his mouth!

“Ouch...” Qin Yu opened his mouth and couldn’t help but moan in pain!

Yan Jiang looked at Qin Yu coldly and snickered. “As I said before, with your mediocre abilities, you aren’t worthy enough to pursue Miss Yan.”

After saying that, Yan Jiang turned to look at Yan Yongxiu.

“Mr. Yan, it’s over,” Yan Jiang said.

Yan Yongxiu looked at Qin Yu, who was struggling to get up, and couldn't help but shake his head.

Obviously, Qin Yu had lost the ability to fight.

“Let's go.” Yan Yongxiu waved his hand.

“Yes.” Yan Jiang and the other bodyguard nodded and then walked out of the door.

“Stop right there!” At this moment, Qin Yu suddenly shouted from behind!

After turning around, they saw that Qin Yu had already stood up!

Although he was a bit unsteady, he stood there firmly without letting himself fall down!

“It's not over yet...” Qin Yu wiped the blood from the corner of his mouth and said coldly.

Yan Jiang couldn't help but show a hint of displeasure on his face.

“What? Do you still want to get beaten up?” Yan Jiang said with a hint of anger.

“F \* ck you!” Qin Yu roared angrily and actually rushed towards Yan Jiang!

“You're too big for your britches.” Yan Jiang snorted coldly.

He easily dodged Qin Yu's fist. Then, he grabbed Qin Yu's neck and slammed his knee into Qin Yu's lower abdomen!

“Pfft!”

His knee exerted more force, and the pain was even more intense!

Qin Yu clutched his stomach and fell to the ground in pain!

“Ouch...” This time, the pain almost made Qin Yu faint, and cold sweat broke out on his forehead!

“Mr. Yan, let’s go,” said Yan Jiang.

Yan Yongxiu frowned. Just as he was about to leave, Qin Yu stood up again!

He clutched his body tightly and glared at Yan Jiang while shouting, “It’s not over yet! I haven’t lost yet!!”

This time, Yan Jiang was completely disgruntled.

His expression became colder, and the internal qi in his body suddenly intensified.

“Do you want to die?” Yan Jiang turned around and walked towards Qin Yu step by step.

Qin Yu’s face was already covered in blood. He lowered his head and grinned. “I haven’t lost yet... Go to h\*ll!”

He instantly thrust his fist towards Yan Jiang!

He once again punched Yan Jiang’s face!

However, this infuriated Yan Jiang even more!

He suddenly kicked Qin Yu’s chest and sent Qin Yu flying!

However, Qin Yu still stood up!

Even though he was heavily injured, he still supported himself against the wall and stood up again!

Yan Jiang's expression changed and he said angrily, "Are you a lunatic?! Stay down for me!"

Following an angry roar, Yan Jiang suddenly threw a punch!

With a loud bang, Qin Yu fell to the ground again!

This time, Qin Yu fell to the ground without moving, as if he had fainted.

Yan Jiang panted heavily. He wiped the sweat on his forehead, and he couldn't help but feel a little afraid.

He wasn't afraid of Qin Yu's combat kills, but he was afraid that this lunatic would stand up again!

Even Yan Yongxiu stood there and waited quietly.

But as time passed, Qin Yu still didn't respond even after they waited for a full five minutes.

"He shouldn't be able to get up this time." Yan Yongxiu shook his head.

"Let's go."

Yan Jiang let out a sigh of relief.

They had finally gotten rid of this madman.

The few of them walked towards the door. Just as they were about to step out of the room, a voice came from behind them.

"Stop right there!"

The loud shout almost made Yan Jiang lose his balance!

He couldn't help but turn around and scream in frustration, "Do you really want to die?!"

Qin Yu forced himself to stand up. His body shook and he grinned. "I... I haven't fallen yet. Continue... continue..."

Yan Yongxiu couldn't help but frown, "If this continues, you will die."

Qin Yu grinned coldly. "I... I won't die. Before I marry Miss Yan again... I will never die..."

"D\*mn it, I will kill you right now!" Yan Jiang said furiously.

He smashed his steel-like fist at Qin Yu fiercely!

However, something shocking happened!

This time, Yan Jiang's fist actually didn't smash at Qin Yu's body! Instead, Qin Yu firmly grasped it in his hand!

"How... how is this possible?!" Yan Yongxiu's mouth instantly dropped agape! He could barely believe the scene in front of him!

Yan Jiang's pupils dilated dramatically!

How did this guy do it?!

"Hehe... you want to kill me?" Qin Yu raised his head and looked at Yan Jiang with a somewhat malevolent expression.

"I said... before marrying Miss Yan, I won't die!!" Qin Yu raised his head and shouted!

Along with this angry roar, Qin Yu punched Yan Jiang's face with all his might!

## Chapter 93: Qin Yu's Future

“Bang!”

When this punch landed, Yan Jiang was actually sent flying!

His entire body crashed into the wall, and instantly, spider-like cracks appeared on the wall!

Qin Yu's entire body was covered in blood, and his face could barely be seen.

However, his mouth still had a smile on it. At this moment, his smile was extremely terrifying!

“Hehe...” Qin Yu swayed unsteadily and was about to fall at any moment.

“You... You're courting death!” Yan Jiang climbed up from the ground. His face was bright red. It was obvious that he had even been injured by this punch!

“Young man, as long as you fall, everything will be over. Why struggle?” Yan Yong Xiu looked at Qin Yu coldly and said.

Qin Yu struggled to support his body. He sneered and said, “Mr. Yan, if you don't agree, then please kill me...”

To Qin Yu, life without Yan Ruoxue would be worse than death.

When Yan Yong Xiu heard this, he couldn't help but feel startled.

He frowned slightly, then put his hands behind his back and snorted lightly.

“Bang!”

At this time, Yan Jiang had already rushed over. He punched Qin Yu and sent him flying!

Yan Jiang clearly increased the force of this punch! And Yan Jiang was also fully confident that he could knock Qin Yu out with it.

“It’s finally over,” Yan Jiang panted and said coldly.

Yan Yong Xiu waved his hand and said, “Let’s go.”

But at this moment, Qin Yu, who was lying on the ground, actually let out a muffled groan.

Then, Qin Yu pressed his arm against the ground and struggled to support his body to stand up again.

Once, twice, three times...

Qin Yu tried a total of nine times, but was unable to get up! His injuries were too serious. If it were anyone else, they would have died long ago!

But even so, Qin Yu still didn’t have the intention to give up! He still wanted to try for the tenth time!

A look of astonishment flashed across Yan Yong Xiu’s face.

He stood there and pondered for a moment, then walked in front of Qin Yu.

“Your name is Qin Yu, right?” Yan Yong Xiu took a deep breath.

“I can give you a year’s time, but you have to remember that there’s only one year. If you don’t meet the requirements after one year, then even if you die, I won’t agree,” Yan Yong Xiu said coldly.

“Mr. Yan!” When the two bodyguards heard this, their expressions immediately changed!

Yan Yong Xiu... actually agreed?

Yan Yong Xiu waved his hand to indicate for the two of them not to speak.

Qin Yu, who was on the ground, finally collapsed on the ground and couldn't stand up anymore.

He used all his strength and muttered in a low voice, “Mr. Yan... Thank you...”

Yan Yong Xiu didn't say anything else and turned around to leave the hotel.

...

At this time, Yan Ruoxue had already woken up from her sleep.

Because she felt uneasy.

When she saw that Yan Yong Xiu wasn't in the hotel, the uneasy feeling intensified.

Soon, Yan Yong Xiu returned to the hotel.

“Where did you go?” Before the lights were turned on, Yan Ruoxue's airy voice was heard.

Yan Yong Xiu's body trembled. He said somewhat awkwardly, “Ruoxue, you... you haven't slept yet?”

“Have you gone to look for Qin Yu?” Yan Ruoxue's voice instantly increased by a few notches.

Yan Yong Xiu couldn't help but force a smile.

Facing his own daughter, he was completely helpless.

“Ruoxue, I promise you that nothing has happened to Qin Yu!” Yan Yong Xiu was like a child as he raised his finger and swore.

Yan Ruoxue stared at Yan Yong Xiu, as if she wanted to determine if he was lying.

After a while, Yan Ruoxue said coldly, “Dad, I never joke. As long as I say something, I will do it.”

Yan Yong Xiu wiped the sweat on his forehead and said with a sheepish smile, “Yes, yes, Ruoxue, go to bed. It's late...”

Yan Yong Xiu heaved a sigh of relief after Yan Ruoxue returned to her room.

“Phew, I really don't know how Qin Yu won over Ruoxue...” Yan Yong Xiu couldn't help but mutter.

“Mr. Yan, do you really intend to let Miss Yan marry Qin Yu?” Yan Jiang couldn't help but frown.

Yan Yong Xiu said with a nonchalant smile, “When did I agree? I only said that I would give him a year's time. It's just a year. I can afford to wait.”

“But...” Yan Jiang frowned. “What if after a year, he really accomplished something?”

Yan Yong Xiu glanced at Yan Jiang and said, “If Qin Yu really goes to Jingdu, he would know what he faces. Those young masters in Jingdu definitely won't let him off easily.”

At this point, Yan Yong Xiu paused for a moment and continued, “Of course, if Qin Yu really does surpass those young masters, then Ruoxue won’t be at a loss by marrying him.”

When Yan Jiang heard that, he couldn’t help but force a smile and said, “It’s easier said than done... . . Qin Yu started from nothing and wants to rival the young masters of the various aristocratic families in Jingdu? That’s simply impossible.”

Yan Yong Xiu shook his head and said, “That might not necessarily be the case. It’s not like there aren’t people who can hold their own against the various aristocratic families all by themselves.”

“Like Ye Qing, like Jiang He.”

Upon hearing those words, Yan Jiang muttered softly, “Ye Qing is now a highly important figure at the top of the military regions, and Jiang He is known as the guardian of Pyro. If you are comparing Qin Yu to them, aren’t you thinking too highly of him... . .”

Yan Yong Xiu didn’t answer that question.

Others might not know, but Yan Yong Xiu knew very clearly.

If Qin Yu was really the son of that person, then no one knew what level Qin Yu would reach in the future.

One must know... . . that figure was someone that all the great aristocratic families had to defer to!

## Chapter 94: Yan Ruoxue Accompanies Qin Yu

This was also one of the reasons why Yan Yongxiu agreed to Qin Yu.

The next day, after Yan Ruoxue woke up, she drove out of the hotel.

She and Yan Yongxiu had agreed to meet in the provincial capital three days later.

As for these three days, Yan Ruoxue wanted to accompany Qin Yu. No matter what Qin Yu did, she would accompany him.

After Yan Ruoxue left, Yan Yongxiu stood upstairs and watched the car slowly drive away.

“Yan Jiang, get a few people to secretly protect Ruoxue’s safety,” Yan Yongxiu took a puff of his cigar and said indifferently.

“Yes, President Yan.” Yan Jiang nodded and then walked out.

The car soon arrived at the entrance of Qin Yu’s hotel. After asking for the room number, she went straight upstairs.

As soon as she entered the room, Yan Ruoxue said with a smile, “Qin Yu, are you still...”

Before she could finish her words, Yan Ruoxue’s expression turned cold.

It was because she saw countless scars all over Qin Yu’s body! And his face was swollen beyond recognition!

Yan Ruoxue’s expression was extremely cold. She looked at Qin Yu and said coldly, “Who did it?”

Qin Yu waved his hand and said with a smile, “I’m fine. I accidentally bumped into something.”

“I’m asking you who did it?!” Yan Ruoxue’s tone of voice became even colder. Even Qin Yu couldn’t help but feel intimidated.

Qin Yu didn’t know how to explain. He couldn’t say that it was Yan Yongxiu who did it, right?

Unfortunately, Yan Ruoxue was so smart that she quickly guessed who it was.

“It was my dad, wasn’t it?” Yan Ruoxue looked at Qin Yu and asked.

Qin Yu didn’t say anything, which was an acquiescence.

Yan Ruoxue was instantly furious. She took out her phone and was about to call Yan Yongxiu.

Qin Yu quickly stopped her and shook his head. “Miss Yan, don’t blame Mr. Yan. To be honest, I’m... very grateful to him.”

“Very grateful?” Yan Ruoxue was stunned, as if she didn’t understand what Qin Yu meant.

Qin Yu smiled and said, “It’s true. He promised to give me a year to prove myself.”

Even though that was the case, Yan Ruoxue was still a little displeased.

She reached out and touched Qin Yu’s face, then said with heartache, “How could he beat you up like this? This is too outrageous.”

“It doesn’t hurt, really.” Qin Yu shook his head and said.

“Silly.” Yan Ruoxue rolled her eyes at Qin Yu.

Then, she called the front desk, and soon, the front desk delivered the medicine.

“Sit here obediently and bear with the pain,” Yan Ruoxue said while holding the medicine.

Qin Yu looked a little embarrassed, but he felt extremely warm to the heart.

Since childhood, Qin Yu had been bullied countless times, but no one had ever cared if he was in pain, and no one had ever applied ointment on him.

Yan Ruoxue's appearance made Qin Yu feel heartened again and again.

He sat by the bed obediently while receiving Yan Ruoxue's gentle care.

Yan Ruoxue took the medicine and carefully applied it on Qin Yu's wound.

"Does it hurt?" Yan Ruoxue asked carefully as she applied the medicine on Qin Yu.

Qin Yu quickly said, "No... it doesn't hurt."

Their close distance made Qin Yu extremely nervous.

The subtle fragrance on Yan Ruoxue's body almost made Qin Yu swoon.

He took a deep breath and carefully sniffed Yan Ruoxue's fragrant scent.

On Yan Ruoxue's aloof and beautiful face, there was only worry and heartache at this moment. Qin Yu couldn't help but grin.

"You're beaten black and blue, yet you're still smiling." Yan Ruoxue rolled her eyes.

Qin Yu scratched his head and smiled embarrassedly.

After applying the medicine, Yan Ruoxue drove Qin Yu out to eat.

After the meal, Yan Ruoxue asked, "Do you have any plans for the next few days?"

Qin Yu nodded and said, "I do. I heard that there's an auction in South City. It should be tonight."

"South City's auction? What do you want to buy?" Yan Ruoxue couldn't help but feel a little surprised.

"I want to try my luck and see if there are any top-grade herbs," Qin Yu said with an embarrassed smile.

Yan Ruoxue nodded and said in a low voice, "The auction in South City is quite famous. I've heard about it in Jingdu."

"Then how about this? Let's set off now and go to South City!" Yan Ruoxue immediately started the car and sped towards South City.

At this moment, the entire provincial capital was discussing the fall of the Shen family.

As a prominent family in Chuzhou, the Shen family soon made the headlines when this incident happened.

The news was even more sensational. Almost all the headlines were criticism of the Shen family.

For example, "The Ten Crimes of the Shen Family", "The Negative Impact of the Shen family on Chuzhou" and so on.

The Shen family's reputation was so bad that everyone cursed them.

Those who once had ties with the Shen family also hurriedly distanced themselves for fear that they would get implicated.

...

South City was a coastal city.

The people there were affluent and the environment was beautiful. It was an excellent place for cultivation.

Qin Yu now had two billion in loans, so he wasn't too worried.

After five hours, the car finally arrived at South City.

As soon as he got out of the car, Qin Yu couldn't help but take a deep breath.

Compared to the provincial capital, the air in South City was unbelievably fresh!

Qin Yu closed his eyes slightly and tried to feel the surrounding spiritual energy.

As expected, the spiritual energy in South City far surpassed that of Jiangcheng and the provincial capital!

It was really the prime spot. He must come to South City to settle down when he had the chance, Qin Yu thought to himself.

It was already past six o'clock in the afternoon, and the auction would start at eight o'clock in the evening.

Therefore, Yan Ruoxue suggested, "Let's find a place to eat first. What do you want to eat?"

As a man, how could Qin Yu have the nerve to actually say what he wanted to eat? Therefore, he shook his head and said, "Anything is fine."

Yan Ruoxue gently patted Qin Yu's head and rolled her eyes. "Just say what you want to eat. Don't be shy like a little girl.."

## Chapter 95: What Does It Have to Do With Us?

Hearing Yan Ruoxue's words, Qin Yu didn't stand on ceremony and nodded. "Then let's go to the beach to eat seafood?"

To Qin Yu, seafood was already considered a luxury. Ever since childhood, Qin Yu had only heard about it from others, but he had never eaten it before.

"Alright, then let's go eat seafood. Let's go!" Yan Ruoxue stretched out her arm in a girlish manner that was completely different from her usual image.

The two of them came to the beach.

During this season, there were countless people playing by the beach. Many people were taking photos and swimming nearby.

Qin Yu and Yan Ruoxue found a booth and sat down. Then, Yan Ruoxue pointed at the dishes on the menu and said, "Give me a serving of all of them!"

"I can't eat that much!" Qin Yu hurriedly waved his hand.

"It's okay. I think your appetite is quite big now." Yan Ruoxue blinked and said.

This surprised Qin Yu a little. Ever since he stepped into the fifth level of the Qi Refining Stage, Qin Yu's appetite had indeed become very big.

About ten minutes later, a dazzling array of seafood began to be served.

There were countless crabs, mantis shrimps, scallops, and so on.

These seafood were actually very ordinary seafood, but in Qin Yu's eyes, it was something he couldn't afford to eat.

During the meal, Yan Ruoxue suddenly said to Qin Yu, “Last night, was it Yan Jiang who beat you up?”

Qin Yu frowned and nodded. “Yes.”

“En... you fought with Yan Jiang and didn’t get seriously injured. That means you’re not bad!” Yan Ruoxue said with a smile.

Qin Yu was very interested in the bodyguards of prominent families. Since Yan Ruoxue mentioned it, Qin Yu asked, “Miss Yan, what is Yan Jiang’s strength like?”

Yan Ruoxue thought for a moment and said, “He is probably a Grandmaster of Inner Strength. Maybe he’s even more powerful. I don’t know.”

“Grandmaster of Inner Strength?” Qin Yu’s expression couldn’t help but change.

He had heard from Yao Qing that Inner Strength Master Hands were ranked above Inner Strength Masters. Inner Strength Past Masters were ranked above the Master Hands of Inner Strength, and of Inner Strength Grandmasters were even more powerful.

Even if such masters didn’t work as bodyguards for the prominent families, they could still venture on their own and become big shots.

“It seems that Yan Jiang has gone easy on me, and by quite a lot...” Qin Yu couldn’t help but force a smile.

Yan Ruoxue stared at Qin Yu and said, “Actually, many aristocratic families have a group of martial artists. Not only our family, but also in Chuzhou.”

“I once asked someone to investigate. There is an Inner Strength Grandmaster in Chuzhou. You have to be careful in the future,” Yan Ruoxue warned him seriously.

“Inner Strength Grandmaster...” Qin Yu murmured in a low voice.

This level indeed wasn’t something that Qin Yu could currently compare with.

If an Inner Strength Grandmaster was converted to the cultivation level, he should be at the monastic stage.

However, cultivation wasn’t martial arts after all, so his capabilities were naturally beyond that of martial arts.

Qin Yu was fully confident that as long as he reached the Foundation Establishment Stage, he would be able to advance by leaps and bounds and defeat an Inner Strength Grandmaster.

“However, you don’t have to worry too much. Inner Strength Grandmasters are considered to be as rare as Phoenix feathers and unicorn horns. I’m afraid that there are no more than ten of them in the entire Chuzhou,” Yan Ruoxue continued.

Qin Yu nodded silently.

At this time, Qin Yu asked curiously, “Miss Yan, do the young masters of Jingdu... have this kind of ability?”

At the mention of this topic, Yan Ruoxue’s expression changed slightly.

She put down the chopsticks in her hand and said in a low voice, “It depends on the situation. Some families value martial arts, so their children naturally aren’t bad at it. Some families don’t value martial arts, so they keep a group of bodyguards.”

Qin Yu hurriedly asked, “Then what is the strength of the most powerful of those young masters?”

Yan Ruoxue thought for a moment and said, “There are a few geniuses in Jingdu... they seem to be on the verge of becoming martial grandmasters.”

Qin Yu’s expression couldn’t help but change slightly.

Martial grandmasters! That was Yan Jiang’s level of strength!

Qin Yu knew very well inside that currently, he and Yan Jiang were worlds apart in terms of strength!

“However, for you to be able to reach the Grandmaster realm within a year is already very, very impressive. It’s enough to make the Yan family look at you in a new light!” Yan Ruoxue patted Qin Yu’s shoulder with an affirmative expression.

Qin Yu didn’t think so.

He took a deep breath and said, “I want to surpass them within a year!”

“Pfft!” Yan Ruoxue rolled her eyes at Qin Yu.

“It’s not that I don’t believe you, but it’s simply impossible.” Yan Ruoxue blinked her eyes and said.

At this point, Yan Ruoxue leaned towards Qin Yu’s ear and whispered, “Don’t feel too much pressure. If you really don’t achieve any results after a year, I... I’ll elope with you!”

After saying this, Yan Ruoxue blushed all the way to the root of her neck.

Even Yan Ruoxue herself didn’t believe that she was the one who said these words!

As a girl from a large aristocratic family, how could she say such shameful words...

“How embarrassing!” Yan Ruoxue covered her face and whispered.

Qin Yu only felt a sense of warmth inside.

He looked at Yan Ruoxue seriously and said, “Miss Yan, I promised you that I would go to Jingdu to propose marriage openly! I will make the Yan family accept me and I will take you to see the most beautiful scenery!”

“Gee, let’s eat. Let’s eat.” Yan Ruoxue hurriedly lowered her head shyly.

“I didn’t expect Miss Yan to have such a girly side,” Qin Yu said jokingly.

Yan Ruoxue glared at Qin Yu. “If you dare to say that again, I will beat you up!”

After saying that, Yan Ruoxue clenched her little fists and hit Qin Yu’s body.

“Gee, it hurts...” Qin Yu pretended to be in pain and covered his wound.

“Ah!” Yan Ruoxue’s expression changed and she said anxiously, “I’m sorry, I forgot that you have injuries. I’ll find a doctor right away...”

At this moment, Qin Yu suddenly laughed out loud. “I tricked you!”

“Well, you have quite some guts now!” Yan Ruoxue clenched her small fist and started to fool around with Qin Yu again.

While the two of them were playing, a few bodyguards in black suddenly walked over from a short distance away.

There was a beautifully dressed woman in the middle of them. This woman was wearing sunglasses and a mask on her face.

Even though she had wrapped herself up tightly, one could still tell that her appearance was gorgeous.

A few bodyguards walked in front of Qin Yu and Yan Ruoxue and said somewhat domineeringly, “We are going to take photos. We have commandeered this place. You guys can eat in another place.”

Hearing this, Qin Yu couldn't help but frown.

Yan Ruoxue quickly switched back to her cool demeanor.

“What does your taking photos have anything to do with us?” Yan Ruoxue looked at the bodyguard and said with a somewhat cold tone..

## Chapter 96: Yan Ruoxue Disses Him

Qin Yu was stuffing food into his mouth as he looked at the bodyguards.

“Our lady needs to take a photo. Get out of the way quickly. Don't be so shameless!” The bodyguard berated.

Yan Ruoxue couldn't help but sneer. “Who does this lady think she is to be so stuck up? Others need to make way for her to take a photo? Who gave her the right?”

Just as the bodyguard was about to lose his temper, a man in a white suit walked over.

He waved his hand and said with a nonchalant smile, “We have to be a little more polite. Don't create repercussions.”

“Yes, Mr. Bai.” The bodyguard hurriedly nodded.

The man called Mr. Bai walked in front of Yan Ruoxue. He took out a stack of money from his bag and said indifferently, “Don’t you just want money? This is ten thousand. Is it enough?”

After saying that, Mr. Bai threw the money on the ground and waved his hand.

Seeing Mr. Bai’s attitude, Qin Yu and Yan Ruoxue couldn’t help but laugh.

“I’ll give you twenty thousand. Can you go to the toilet and eat sh \* t?” Qin Yu couldn’t help but say.

“Gee, I’m eating. Don’t talk about such disgusting topics.” Yan Ruoxue rolled her eyes at Qin Yu.

Then, before Qin Yu could say anything, Yan Ruoxue muttered, “But it’s true. These people are already disgusting enough. They really can’t eat anymore...”

When he heard the conversation between the two, Mr. Bai’s expression immediately became extremely displeased.

He said with a cold expression, “Since you didn’t take me up on the offer when I offered it, even if you want to, you don’t have the chance now!”

After saying that, Mr. Bai waved his hand and said coldly, “Clear the area!”

A few bodyguards immediately walked towards Yan Ruoxue’s direction.

He rubbed his fist and said coldly, “Don’t blame us for being impolite!”

As soon as he said that, the bodyguard reached out his hand to grab Yan Ruoxue!

However, his hand froze in mid-air!

He saw Qin Yu using a pair of chopsticks to firmly grasp the bodyguard's wrist!

“Don't touch Miss Yan with your dirty hands,” Qin Yu said coldly.

The bodyguard's expression couldn't help but turn ugly. He struggled with all his might, but he found that he couldn't break free at all!

“What are you doing? Don't waste time!” Mr. Bai said with a frown.

“Mr. Bai, I can't move my hands anymore...” the bodyguard said in pain.

Mr. Bai frowned slightly and snickered, “How useless. All of you, attack together!”

“Yes!”

Four to five bodyguards immediately swarmed towards Qin Yu!

They were tall and strong, and their punches carried immense force!

But they simply weren't a match for Qin Yu!

Qin Yu took a step forward, as if he was strolling leisurely, and traveled between the few of them.

Every time he extended his hand, a person would fall!

In just two minutes, these seven to eight bodyguards all fell to the ground and were unable to get up! They let out moans of anguish!

Mr. Bai's expression became somewhat unsightly. He had never expected Qin Yuto to be so skilled at combat!

“Hurry up and get lost. Don’t disturb our meal.” Qin Yu looked at Mr. Bai coldly and said.

Mr. Bai gritted his teeth and said, “Just you wait!”

After saying this, Mr. Bai turned his head and walked to the girl’s side.

He whispered a few words beside the girl, and then the few of them left the place.

“Seriously, what kind of people are they? How overbearing.” Yan Ruoxue muttered in a low voice.

Qin Yu spread his hands and said helplessly, “People like them are everywhere. They have money, so they think everyone in the world has to listen to them.”

“Forget it. Forget about them. The auction is about to begin. Let’s hurry up and pack up. Don’t waste time.” Yan Ruoxue wiped her mouth and said.

“Okay!”

Then, the two of them got into the car and sped in the direction of the auction.

The South City auction was well-known locally and had even affected many surrounding cities.

Even Yan Ruoxue, who lived in Jingdu, had heard of it. That was enough to show the scale and impact of this auction.

When Qin Yu and Yan Ruoxue arrived, the entrance was already filled with countless luxury cars.

The entire parking lot was filled with people.

“There are so many people. Things will probably be a little difficult today,” Qin Yu couldn’t help but sigh.

Yan Ruoxue smiled and said, “It’s okay. Don’t worry too much about it.”

Qin Yu nodded, and then the two of them walked towards the auction.

There were two security guards at the entrance of the auction. Qin Yu took a closer look and realized that these two security guards were both Inner Strength Masters!

Although they weren’t very strong, it was still somewhat extravagant for an Inner Strength Master to be in charge of security.

Qin Yu and Yan Ruoxue had just reached the door when they were stopped by two people.

“Our auction requires capital verification. Only those with assets of more than one billion are eligible to enter,” the two security guards said expressionlessly.

“One billion? That’s a lot...” Qin Yu couldn’t help but sigh.

Fortunately, Qin Yu had the black card given by Wei Jiang. It shouldn’t be difficult to enter this venue.

“If you don’t have money, don’t block the road. You’d better go back and eat your roadside stalls.” At this moment, a voice suddenly came from behind Qin Yu.

Turning his head to look, he actually found that it was Mr. Bai, whom he had met on the beach just now.

Mr. Bai sneered and said, “Do you know what this place is? Those who can come here have wealth and status. Do you people who eat roadside stalls deserve to come to this kind of place?”

Qin Yu frowned slightly and said, “Are you not right in the head?”

Mr. Bai wasn't angry. He ignored Qin Yu and looked at Yan Ruoxue instead. He said with a nonchalant smile, “Lady, you are so beautiful. Why did you find a boyfriend who can only afford to eat at roadside stalls?”

Yan Ruoxue played with her hair and said with a smile, “So what if I eat at roadside stalls? Don't tell me they go to the toilet to eat sh\*t like you..”

## Chapter 97: The Auction Began

Upon hearing Yan Ruoxue's words, Qin Yu almost spat out a mouthful of water!

Even the security guard at the door couldn't help but secretly laugh.

However, Mr. Bai's expression was extremely cold. He took a deep breath and suppressed his anger as he said, “On account of your beauty, I won't lower myself to your level.”

Speaking up to this point, Mr. Bai paused and continued to laugh, “You want to go in? How about this, you come with me, and I'll bring you in. How about that?”

Yan Ruoxue pretended to be surprised. “You can go in?”

Mr. Bai said with some pride, “Of course! It's just a billion. It's not worth mentioning!”

“Oh really, is that so?” Yan Ruoxue nodded.

Then, she took out her phone and dialed a number. Over the phone, she said, “There’s a person with the surname Bai at your door. I don’t want him to go in.”

After saying this, Yan Ruoxue directly hung up the phone.

“You shouldn’t be able to go in now,” Yan Ruoxue said with a smile.

Mr. Bai sneered. “Beautiful lady, are you joking with me? Or have you watched too many TV dramas?”

At this moment, the phone of the security guard at the door suddenly rang.

He held the phone and said over the phone, “Yes, yes, I understand. Please don’t worry!”

After the phone call was disconnected, the security guard hurriedly walked in front of Yan Ruoxue and Qin Yu. He bowed and said, “Sir, Miss, our boss said that you don’t need a capital verification. Please come in!”

Yan Ruoxue blinked. She looked at Mr. Bai, who wasn’t far away, and said, “We’ll wait for you inside.”

Mr. Bai snorted lightly and immediately walked towards the door.

However, when he reached the door, he was stopped by two security guards.

“What are you doing?! Don’t block the way!” Mr. Bai berated.

The security guard said expressionlessly, “Sorry, the higher-ups ordered not to let you go in.”

Mr. Bai's expression changed and he immediately flew into a rage.  
"Nonsense! Get out of my way quickly. I'm friends with your boss!"

"It was our boss who gave the order personally," the security guard said with a cold expression.

Mr. Bai was stunned.

The boss of the auction personally gave the order? What was going on?

Could it be that what that woman said just now... was true?

...

Qin Yu and Yan Ruoxue received the number plate and entered the auction.

Qin Yu naturally liked to keep a low profile, so he sat down in a corner.

"Isn't this place too remote?" Qin Yu muttered.

"It doesn't matter where we sit," Yan Ruoxue said with a smile.

Qin Yu nodded and didn't say anything else.

Ten minutes later, more and more people came to the auction venue.  
Soon, the seats were full.

These people were all wealthy people with a net worth of more than one billion, and their outfits were even more extravagant.

Qin Yu glanced at the crowd. Wanting to see if there were any martial artists among them, he tried to release his Inner Strength.

Not long after, Qin Yu discovered that there were many martial artists with Inner Strength, at least ten of them!

“It seems that Miss Yan is right,” Qin Yu thought to himself.

Most of these wealthy people had martial artists by their side to protect their safety.

At this moment, the host walked onto the stage, and the venue quickly quieted down.

“Welcome to the South City auction, everyone!” The host said with a breezy smile.

“The South City auction has prepared the auction items for everyone with great care. I believe that everyone will definitely return from this auction with a full load!” The host shouted.

With the sound of his voice, the auction officially began.

There was a wide variety of items in the South City auction. There were jewelry, antiques, limited edition luxury goods, bonds, and herbs that Qin Yu wanted so badly.

The first item was a limited edition jewelry. It was allegedly personally crafted by a foreign master. In the end, it was sold for 880,000 yuan.

The second item was calligraphy. It allegedly originated from the Qing dynasty. The final price was as high as 3.5 million yuan!

Qin Yu wasn't interested in these items, and he was a little anxious.

There were already four items on the stage, but there were still no herbs.

“Don't worry.” At this moment, Yan Ruoxue suddenly grabbed Qin Yu's hand.

“In most cases, the later the item is auctioned, the higher the value. Maybe the herbs you want are the finale.” Yan Ruoxue blinked and said.

Qin Yu nodded and muttered, “I wonder if I can get a piece today...”

He needed to identify the age of the herbs himself. Many top-grade herbs didn't look nice in terms of appearance.

At this moment, the host suddenly took out a dark green jade pendant.

The jade pendant was of excellent quality and was a brilliant emerald color. One could tell that it was obviously rare jade material!

“This is an auction item entrusted to us by our auctioneer. It is made of natural ice seeds. The starting price is six million! Each increment must not be less than five hundred thousand!” The host shouted.

Looking at this piece of jade, Qin Yu immediately raised his number plate and shouted, “Six million and five hundred thousand!”

This surprised Yan Ruoxue a little. She looked at Qin Yu and said, “You like Jade?”

Qin Yu scratched his head and smiled. “I have never given you any decent gifts. I want to bid for it and give it to you.”

“You can't refuse. This carries my earnest intentions!” Before Yan Ruoxue could say anything, Qin Yu hurriedly said.

A hint of embarrassment appeared on Yan Ruoxue's aloof countenance. She smiled and nodded. “Okay, I will definitely accept it!”

There was another reason Qin Yu wanted to bid for this jade stone and give it to Yan Ruoxue.

It was because Jade was an excellent item to refine. Qin Yu planned to refine this jade stone into an amulet and give it to Yan Ruoxue.

Ever since the last incident, Qin Yu had been blaming himself. However, he couldn't always be by Yan Ruoxue's side, so he came up with this idea..

## Chapter 98: Century-old Herbal King

The better the quality of the jade, the greater the effect of the amulet.

Therefore, Qin Yu was determined to obtain this piece of jade.

“Seven million!” Very soon, someone continued to raise the price.

Without thinking, Qin Yu shouted, “Eight million!”

“Nine million!” At this moment, a young man sitting in the front row said coldly.

Qin Yu looked in his direction and saw that this young man had a handsome appearance and an ice-cold expression. Beside him stood an old man and a middle-aged man.

Qin Yu, wanting to probe the strength of these two people, released his internal qi.

Just as Qin Yu's internal qi was about to touch that young man, his internal qi suddenly broke off, as if it was cut off by something!

Qin Yu's expression instantly changed! He hurriedly looked at that old man and saw that the old man was also looking at Qin Yu.

The corners of the old man's mouth curled up into a sneer, and his gaze was even colder.

“This old man is definitely a practitioner,” Qin Yu thought inside.

This was the first time Qin Yu had encountered his internal qi being directly cut off!

His strength was probably beyond Qin Yu's imagination!

“What's wrong?” Yan Ruoxue asked softly when she saw this.

Qin Yu shook his head and said, “Nothing.”

Then, Qin Yu raised his number plate and continued shouting, “10 million!”

The young man in the front row frowned slightly, as if he was a little displeased with Qin Yu's behavior.

He thought about it for a moment, then raised his number plate again and said, “20 million!”

As soon as he said this, everyone at the venue couldn't help but gasp!

Although this piece of ice jade could be considered top-grade, it was definitely not worth this price!

Using 20 million to buy a huge rock was simply crazy!

“30 million!” While Qin Yu was hesitating, Yan Ruoxue suddenly raised the number plate.

“Miss Yan, you...” Just as Qin Yu was about to say something, Yan Ruoxue reached out and covered Qin Yu's mouth.

“It's okay. It doesn't matter who is spending the money. You have to return the money. Use it wisely.” Yan Ruoxue blinked and said.

At this point, Yan Ruoxue paused for a moment. She leaned towards Qin Yu's ear and whispered, "I secretly saved a lot of money in allowance. There's 500 million!"

Qin Yu couldn't help but feel stunned. Then, he couldn't help but laugh.

To be able to save up to 500 million in allowance, just how rich was the Yan family...

In front, the young man's expression was extremely displeased. It was obvious that he was also very interested in this piece of jade.

Just as the young man was about to raise the number plate, the old man beside him suddenly shook his head and said, "Young Master Liu, our target isn't this piece of jade. We need to preserve our strength now."

The young man called Young Master Liu took a deep breath and forcefully suppressed his anger as he nodded.

"Congratulations to Mr. Qin for successfully bidding for the ice jade pendant at the price of 30 million!" The host shouted.

After he successfully bid for the Jade pendant, Qin Yu kept looking at Young Master Liu who wasn't far away.

He felt that this young man wasn't ordinary, especially the old man beside him, who was even more mysterious.

"Miss Yan, do you know that young man?" Qin Yu pointed at Young Master Liu, who wasn't far away, and asked.

Yan Ruoxue looked ahead and shook her head. "No, why?"

"I have a feeling that he's not ordinary," Qin Yu muttered.

"Maybe I'm overthinking it." Then, Qin Yu waved his hand again.

The auction continued.

The next few items were mostly antiques, so Qin Yu wasn't interested in them at all.

Finally, when the sixteenth item was auctioned, the host brought a glass cabinet.

Inside the cabinet was a ginseng. The ginseng looked glossy and smooth, and its quality was quite good.

“The next item to be auctioned is a hundred-year ginseng king. The starting price is 30 million, and each increment must not be less than a million!” The host shouted.

Once this item was out, the excitement at the scene immediately reached its climax.

“31 million!”

“36 million!”

“40 million!”

” ...”

These rich people all seemed to want a ginseng. To them, health was the most important thing, and a hundred-year-old ginseng could very likely save their lives at a critical moment.

“Isn't this what you want? Why didn't you bid?” Yan Ruoxue said with some surprise.

Qin Yu shook his head and said in a sullen voice, “Although this ginseng is a hundred-year-old herb king, in fact, the herbal effect has long dried

up. As for spiritual energy... it's even more pitifully scarce. It's even worse than an ordinary herb."

As he spoke, Qin Yu's eyes were fixed on Young Master Liu, who was in the front row.

Other than when bidding for that piece of Jade, Young Master Liu didn't say a word. His motive was very obvious. It was very likely that he had come for the herbs.

What made Qin Yu even more worried was that Young Master Liu hadn't made a bid for this hundred-year-old ginseng.

"Looks like this guy is also very knowledgeable," Qin Yu thought to himself.

This gave Qin Yu a headache. Once he had an opponent, it meant that he would have to spend a lot more money.

"Congratulations, Mr. Wang, for bidding for the hundred-year-old ginseng king at a price of 180 million!" At this moment, the host on the stage suddenly shouted.

Qin Yu couldn't help but frown slightly.

A ginseng whose herbal effects had already dried up was bid for nearly 200 million. How exaggerated would the price of a real medicine king be?

"Cultivation is indeed a very expensive thing." Qin Yu couldn't help but sigh.

"Next is our final item," the host said calmly on the stage.

He waved his hand, and the two of them carefully walked up with a hibiscus box.

Then, the host said with a nonchalant smile, “This was picked up by a fellow auctioneer from the mountain. It’s allegedly a wild Chinese knotweed. The starting price is 100 million, and each increment must be no less than 10 million!”

Then, the host slowly opened the box.

In the box laid a Chinese knotweed that was almost withered.

This Chinese knotweed looked very unattractive, like the wild grass on the roadside.

“D\*mn, is he that poor? Shabby grass is being sold for 200 million?”

“Only a fool would buy it. Even the radishes I plucked from my backyard are better than this grass!”

“Hehe, not to mention 20 million, but I wouldn’t want it even for 20,000!”

Everyone present ridiculed it one after another, and they were clearly displeased.

Meanwhile, Qin Yu was staring fixedly at this Chinese knotweed! His eyeballs almost popped out!

Other than Qin Yu, Young Master Liu, who was sitting in the front row, also looked extremely excited!

“Young Master Liu, this Chinese knotweed is at least 200 years old,” the old man beside him reminded him.

Young Master Liu narrowed his eyes and said, "I must get this Chinese knotweed!"

## Chapter 99: The Liu Family of South City

Young Master Liu turned around and gave Qin Yu a cold glance.

At this moment, Qin Yu was also looking at him.

Their eyes met, and Qin Yu's brows furrowed tightly.

"This guy is quite discerning." Qin Yu took a deep breath.

It seemed that it was almost impossible to get a bargain today.

Qin Yu didn't think any further. He raised his hand and shouted, "200 million."

As soon as he said this, everyone present gasped!

"Spending 200 million to buy a stalk of wild grass?"

"This guy must be crazy. Where did this young master come from? Why does he look so unfamiliar?"

Although these people were very wealthy, 200 million wasn't a small amount of money to them.

Moreover, rich people were more penny-pinching and wise with money.

"250 million." At this moment, Young Master Liu raised the number plate in his hand.

This time, everyone was even more shocked!

The bid was raised again?

“300 million,” Qin Yu said with a cold expression.

Qin Yu was determined to get this Chinese knotweed.

Young Master Liu looked a little unhappy. He turned around to take a look and then shouted, “500 million!”

As soon as he said this, everyone was shocked!

Even Qin Yu’s expression was a little ugly!

He raised it to 500 million at the drop of a hat. This price was indeed too over the top!

Qin Yu only had 2 billion, and it was borrowed. Spending 500 million on a Chinese knotweed was indeed a little inappropriate.

For a moment, Qin Yu fell into deep thought.

“600 million!” Yan Ruoxue shouted.

Qin Yu was stunned. He hurriedly looked at Yan Ruoxue and shook his head. “Miss Yan, I definitely can’t let you spend money this time. It’s too expensive!”

Yan Ruoxue blinked and smiled. “It’s okay. It doesn’t matter whose money you spend.”

Qin Yu suddenly didn’t know what to say. Even if the Yan family was rich, Qin Yu felt guilty about it.

“Eight hundred million!” Young Master Liu shouted angrily!

Yan Ruoxue snorted and said, “One hundred million!”

“Hiss...”

Everyone at the scene looked at these two!

One stalk of Chinese knotweed was being sold for one hundred million. This probably broke the record of the South City auction!

Yan Ruoxue gazed at Qin Yu's face and a smile appeared on her face.

"I'm leaving soon. Treat it as my last gift to you," Yan Ruoxue thought to herself.

When the price was raised to one billion, Young Master Liu, who was in the front row, finally stopped talking.

"He's finally stopped," Qin Yu said with a frown.

Just when Qin Yu thought he was going to get it, the old man beside Young Master Liu suddenly stood up.

He turned around and looked in Qin Yu's direction, he cupped his hands and said, "Sir, this is the Liu family's young master, Liu Shihui. If you are willing to give us this Chinese knotweed, the Liu family of South City will remember this favor."

"The Liu family of South City?"

"They are actually members of the Liu family. No wonder they are so generous!"

"The Liu family is truly top-notch in South City. Rumor has it that their family has many hangers-on!"

"That's right. They are different from ordinary wealthy people. The Liu family is considered the most mysterious family in South City."

Liu Shihui couldn't help but smile when he heard the comments of the crowd.

It was obvious that Liu Shihui was quite satisfied with everyone's attitude.

Meanwhile, his old servant also swept his gaze around proudly.

"South City's Liu family..." Yan Ruoxue muttered in a low voice. No one knew what she was thinking.

Qin Yu looked in the direction of the old servant and cupped his hands politely. "Sir, this Chinese knotweed is also very important to me, so... I'm sorry."

When he heard this, Liu Shihui was extremely displeased.

The old servant frowned and said, "Young man, you might not know what kind of status our family has in South City, so I suggest you learn more about it."

"Moreover... Having the Liu family owe you a favor isn't any less beneficial than this Chinese knotweed," the old servant said with some pride.

Despite hearing this, Qin Yu still shook his head and said, "I'm sorry, I'm not very interested in face, so let's have a fair competition."

When he heard Qin Yu's words, Liu Shihui's expression finally turned cold.

He slowly stood up, turned his head to look at Qin Yu, and said in a cold voice, "Kid, it's best to consider the consequences of your conduct. Offending the Liu family isn't a wise choice."

“Thank you for your warning, Mr. Liu. I’ll take note,” Qin Yu said in a neither servile nor haughty manner.

Then, he sat down and no longer paid attention to Liu Shihui.

Liu Shihui clenched his fists. He took a deep breath and said in a threatening tone, “Kid, I hope you can safely take away this Chinese knotweed.”

Qin Yu didn’t say anything more, but he was slightly worried inside.

Although he had never heard of the Liu family, from the old servant by Liu Shihui’s side, the Liu family was definitely very powerful.

Even one of the servants was a high-level practitioner that Qin Yu couldn’t see through. This was enough to prove the strength of the Liu family.

“Don’t worry,” Yan Ruoxue comforted him.

Qin Yu sighed. He looked at Yan Ruoxue and asked, “Have you heard of the Liu Family?”

Yan Ruoxue nodded and said, “Yes, they are quite famous in the South City. There are many hangers-on, so they can’t be underestimated.”

“Young man, you’d better give this Chinese knotweed to Liu Shihui. Otherwise... the consequences will be unimaginable,” a middle-aged man next to Qin Yu warned.

“That’s right. Even if you bid for it, you might not be able to take it away. It’s better to seize the opportunity to have them owe you a favor,” another person warned.

Qin Yu nodded and said politely, “Thank you for your kind intentions, but this Chinese knotweed is very important to me, so... I still want to try it..”

## Chapter 100: The Sinister Liu Shihui

Seeing how stubborn Qin Yu was, the two of them didn't say anything more, but their eyes were filled with regret.

To Qin Yu, this Chinese knotweed was extremely important. If he could obtain it, Qin Yu would have full confidence in breaking through to the Foundation Establishment Stage.

Once he reached the Foundation Establishment Stage, Qin Yu wouldn't be afraid of the Liu family at all.

“Congratulations, Mr. Qin, for buying a Chinese knotweed at a price of one billion!” The host on the stage shouted excitedly.

This was the finale of the auction, so the auction was over after the deal was done.

The crowd began to disperse. Qin Yu and Yan Ruoxue also got up and walked towards the backstage.

When they passed by Liu Shihui, Liu Shihui suddenly said coldly, “You're quite bold. No one in South City dares to offend our family.”

“Really? As the first one, I am honored,” Qin Yu said in a neither servile nor haughty manner.

Liu Shihui sneered and said, “You're really too ignorantly brazen. I hope you won't regret it.”

Qin Yu didn't pay any more attention to him. He would deal with whatever came his way.

Soon, Qin Yu and Yan Ruoxue came backstage.

“Wait for me.” Yan Ruoxue pulled Qin Yu back.

After saying that, she ran to the side and dialed Yan Yongxiu’s number.

As soon as the call was picked up, Yan Yongxiu smiled and said,

“Ruoxue, why did you suddenly think of calling me?”

“Dad, transfer 1 billion into my card quickly,” Yan Ruoxue said.

Yan Yongxiu was stunned at the other end and said somewhat helplessly,

“Why do you suddenly want so much money? Is something the matter?”

“Yes, there’s something important. Quickly transfer it over.” After saying that, Yan Ruoxue hurriedly hung up the phone.

Qin Yu was dumbfounded when he saw this.

1 billion sounded as simple as 10 yuan in Yan Ruoxue’s mouth...

Not long after, Yan Yongxiu transferred the money into Yan Ruoxue’s account.

“Let’s go.” Yan Ruoxue blinked and said.

Qin Yu didn’t know what to say, but Qin Yu was afraid that he wouldn’t be able to repay Yan Ruoxue’s kindness.

After completing the procedures, the two of them walked out with the auction items.

“Uh, isn’t this jade pendant for me?” Yan Ruoxue blinked and said.

Qin Yu said mysteriously, “I can’t give it to you for the time being. I have to deal with it briefly.”

When Yan Ruoxue heard this, she said, “Oh, then you have to hurry up.”

“Huh ? Why ?”

“Nothing.”

” ...”

The auction wasn't held every day after all, so the location was relatively remote. Their surroundings were full of forests.

Qin Yu took a deep breath and felt the spiritual energy from the surroundings. He couldn't help but feel a little excited.

“South City is really a good place.” Qin Yu, feeling a sense of pleasure and comfort, raised his hands.

“Yes.” Yan Ruoxue looked at the side of Qin Yu's face and said with a smile.

“When we grow old in the future, we should come to South City to buy a house,” Qin Yu said jokingly.

“Okay, then you have to work hard,” Yan Ruoxue said as she started the car.

“Definitely!”

At this time, Liu Shihui was sitting in a car and looking in Yan Ruoxue's direction coldly.

“It's a Jingdu license, Young Master Liu. It seems that these two people are from Jingdu. Shouldn't we be more cautious...” The old servant frowned.

Liu Shihui said with a cold expression, “So what if they came from Jingdu? If I kill them, who will trace it to me?!”

“I must get this Chinese knotweed!” Liu Shihui punched the car seat fiercely.

Seeing this, the old servant didn’t say anything further.

He knew Liu Shihui’s personality very clearly. No one could change his mind once he decided on something.

Qin Yu and Yan Ruoxue drove slowly. They enjoyed the sea breeze with comfort.

At this moment, three cars suddenly appeared in front of them and blocked their way.

Qin Yu frowned and was about to speak when he noticed another car slowly driving over from behind.

“It must be Liu Shihui,” Qin Yu said with narrowed eyes.

Then, Qin Yu looked at Yan Ruoxue and warned, “Wait for me in the car. Don’t get out no matter what happens, understand?”

“Yes, yes, I know. I believe in you!” Yan Ruoxue said with her fists clenched.

Qin Yu got out of the car.

He stood in front of the car and quietly waited for Liu Shihui’s arrival.

Soon, Liu Shihui’s car stopped in front of Qin Yu.

“I told you that you would regret it.” Liu Shihui got out of the car with his old servant.

Qin Yu smiled and said, “Do I regret it? How can you tell that I regret it?”

“Sharp-tongued kid,” Liu Shihui said coldly.

“I’ll give you a chance now. Return the Chinese knotweed to me and all I will do is cut off your legs. I can spare your life,” Liu Shihui said coldly.

Qin Yu narrowed his eyes and said, “The Liu family is really overbearing. I spent money to buy it. Why should I give it to you?”

Liu Shihui said angrily, “What I like is mine! Don’t be shameless!”

“You’re the one who is shameless.” Qin Yu’s expression was ice-cold, and his internal qi quickly rose to the maximum.

“Young Master Liu, let me take care of him.” At this time, the old servant beside Liu Shihui said.

Liu Shihui lit a cigarette and said coldly, “Since he’s so fearless, kill him.”

“Yes, Young Master.” The old servant nodded.

He walked to Qin Yu slowly and said with a sinister smile, “I know you have some tricks up your sleeve, your mediocre abilities are nothing in front of me.”

“You really talk a lot of nonsense,” Qin Yu said coldly.

“If you want to fight, then hurry up. I still have to go back to sleep.”

The old servant laughed and said, “Ignorant people are truly fearless. Good.... Then I’ll let you, a bug, know what true strength is!”
