

## My Rich Wife – Chapter 940 – Chapter 940, understanding each other –

Chapter 940: Chapter 940, understanding each other

The Golden Light appeared and instantly closed in on the immortal crane!

The immortal crane resisted the pressure brought by the power of the Divine Dragon and raised its hand to meet Qin Yu!

At the moment of collision, the immortal crane was forced back three steps!

However, Qin Yu's condition was not much better. He only felt that his fist was in pain from the Impact!

“What a powerful physical body!” Qin Yu could not help but sigh!

This was probably the most powerful physical body Qin Yu had ever seen!

Shock also flashed across Immortal Crane's face.

He looked at Qin Yu coldly and said, “If you were to become a martial saint, I might not be your match.”

Qin Yu grinned and said, “Among those of the same level, you are also the strongest opponent I have ever met!”

After he finished speaking, Qin Yu charged towards immortal crane again!

This time, the Immortal Crane's body emitted a faint white light!

His strength instantly increased by a few points!

Both sides trembled in an instant. Both of them used all their trump cards and kept on fighting!

The entire grotto-heaven exploded from time to time. The battle between both sides attracted the attention of countless people!

The battle between the two continued for a full three hours.

After three hours, the sweat on the crane's forehead grew more and more, as if it couldn't withstand the pressure anymore.

Both of them had suffered different injuries, and Qin Yu was obviously more serious!

This couldn't help but Shock Qin Yu to the bottom of his heart!

Being in the same level, Qin Yu actually couldn't gain the upper hand, and was even suppressed by the crane!

One had to know that the crane was fighting under the pressure of the Divine Dragon's power!

"So Strong..."Qin Yu wiped the blood from the corner of his mouth, and a hint of caution appeared on his face.

At this moment, the immortal crane waved its hand and said, "Rest for a moment."

Qin Yu was stunned, then nodded and said, "Okay."

Therefore, Qin Yu found a seat and sat down, waiting for the immortal crane.

On this day, the two sides exchanged blows three times, and it only ended when the sky turned dark.

Qin Yu's injuries seemed to be very serious and even walking was somewhat difficult.

Helplessly, he had no choice but to carry Qin Yu back with his handlebar mustache.

“Did he really suppress his cultivation to the half-step martial saint realm...”lying on the bed, Qin Yu could not help but feel somewhat vexed and a sense of defeat arose spontaneously.

The handlebar mustache on the side rolled his eyes and said, “Enough, don't be unsatisfied. If it were an ordinary person, I'm afraid they would be instantly killed.”

Even though that was the case, Qin Yu still couldn't calm down for a long time.

Ever since he made his debut, he had never suffered a defeat in the same cultivation level! And the appearance of the immortal crane had completely overturned Qin Yu's worldview.

The next day, Qin Yu went to the grotto-heaven as usual and fought with the immortal crane.

On this day, Qin Yu was still at a slight disadvantage.

It was the same on the third day and the same on the fourth day.

Ten days later.

Qin Yu and Immortal Crane were already at a draw.

During the halftime interval, Qin Yu couldn't help but smile bitterly. "I haven't improved at all after so many days..."

Immortal Crane glanced at Qin Yu and said coldly, "Your improvement is much greater than I imagined. You are the strongest human I have ever seen."

Qin Yu frowned and said, "Is there? But it has been ten days, and I have just been able to tie with you..."

"Don't forget that while you're improving, my fear of the Divine Dragon's power is also gradually disappearing," reminded immortal crane.

Qin Yu suddenly came to a realization!

That's right! Immortal Crane's pressure on the Divine Dragon's power seemed to be slowly disappearing as well!

"I understand!" Qin Yu was instantly overjoyed.

He got up and bowed slightly to immortal crane, cupping his hands and saying, "Thank you!"

The Immortal Crane did not say a word. It just casually threw a pot of fine wine to Qin Yu.

After ten days of interaction, the relationship between the two seemed to be getting closer and closer.

In their spare time, the two began to chat casually.

After their conversation, they learned that their temperaments and personalities were somewhat similar.

The Immortal Crane had been a person who refused to admit defeat since he was young. When faced with demonic beasts that were stronger than him, he never yielded. In the end, he fought his way out and became a martial saint.

As for immortal crane, only the power of the divine dragon was unable to resist. That was why it left Qin Yu behind to cultivate with him.

“I never believed in bloodline suppression. I was born to be arrogant,” immortal crane said quietly.

Qin Yu could not help but admire immortal crane even more.

After immortal crane learned of Qin Yu’s story, it was also somewhat moved.

Especially after it learned of the conflict between Qin Yu and the Jingdu Martial Arts Association, as well as the fight with the young masters of aristocratic families, and so on.

“Alright, it’s time to continue.”The Immortal Crane emptied the wine in its hand and stood up to say.

“Alright!”Qin Yu nodded.

In the next few days.

Qin Yu and the immortal crane had basically maintained a level playing field.

And the immortal crane had been sweating profusely from the beginning until now, it could almost ignore the oppression of the Divine Dragon's power.

Just as Qin Yu and the immortal crane were both cultivating, the fire country's martial arts world had once again undergone a change.

Tian Xue Hong had re-established the immortal Slayer sect, and with the help of the white bone army, he was almost invincible!

Not only that, Tian Xue Hong had also massacred many of the martial artists in the current era, and the number of martial artists who had died at his hands was uncountable.

He had grabbed the martial artist's spiritual sense and swallowed it into his stomach, using it to cultivate.

This caused the entire martial arts world to be filled with terror. As the "Leader", Gu Xing he did not say a single word, as if he had not seen anything.

"Young Master Gu, isn't Tian Xuehong's actions a bit too much?" Zhai Xing asked with a frown.

Gu Xinghe put down the wine in his hand, glanced at Zhai Xing and said, "Too much? How is it too much?"

Zhai Xing said with some anger, "He treats human lives like grass and relies on the spiritual sense of a martial artist to cultivate. Isn't this too much?!"

"Many innocent people have already died in his hands. Shouldn't we do something?"

Gu Xinghe sneered, “Uncle Zhai Xing, aren’t you being too soft-hearted? A bunch of ants. What does it have to do with us?”

Zhai Xing’s face was ashen. Although he was angry, he did not know how to flare up.

“If you don’t stop him, I Will!”Zhai Xing gritted his teeth and said.

Gu Xinghe stopped Zhai Xing and said coldly, “You are not allowed to go either! Since my father has asked you to follow me, then you must listen to my orders!”

Zhai Xing’s body trembled slightly, as if he was trying to resist.

In the end, the furious Zhai Xing smashed the stone pillar in the main hall with one punch and left angrily.

Gu Xinghe snorted lightly and continued drinking.

He was not worried that Zhai Xing would betray him, because Zhai Xing’s loyalty to Gu Zi was beyond imagination.

...

In the blink of an eye, Qin Yu had been in this city for twenty days.

During these twenty days, Qin Yu’s strength had increased rapidly, and even his realm had also increased greatly.

“It can end now.”

On the twenty-third day, the immortal crane said in a low voice.

Qin Yu cupped his hands and said, “Okay, I’ll listen to you.”

“During this period of time, I’m very grateful for your sparring partner,”said the immortal crane.

Qin Yu repeatedly waved his hand and said, “I should be the one thanking you. No wonder you can become the city lord here.”

Twenty-three days had made Qin Yu bow his head in admiration to the immortal crane.

Not only was his heart higher than the sky, his thoughts were even purer.

Such a character was rarely seen among human martial artists..

Chapter 941: Chapter 941, return to the fire country. [ Pyro ]

The Immortal Crane took a sip of wine and then said: “According to our agreement, I can agree to one request of yours.”

One request ?

At that moment, Qin Yu’s mentality was completely different from before.

At that time, Qin Yu had only wanted to get something out of the immortal crane, but now that Qin Yu’s gains were already so great, he did not even know how to open his mouth.

“Forget it. I’ve also gained a lot during this period of time.”Qin Yu repeatedly waved his hand.

Immortal Crane glanced at Qin Yu and said, "I've never owed a favor, and I won't go back on my word."

This made Qin Yu somewhat troubled.

He scratched his head and said, "How about this? I'll keep this request for now. I'll come to You When I need it in the future."

The crane was stunned for a moment before it nodded and said, "Okay."

Then, Qin Yu turned around and left the place.

After returning to his residence, Qin Yu packed his things and said, "We should go too."

"Go? Go Where?" The Mustache Man muttered.

Qin Yu said, "We've been here long enough. Don't tell me you're still staying here. It's time to go back."

The man with the handlebar mustache stood up from the ground and muttered, "Isn't this place good? It's safe and comfortable."

Qin Yu rolled his eyes and said, "Then you can stay. I'll take my leave first."

After saying this, Qin Yu turned around and planned to leave.

The Man with the handlebar mustache rolled his eyes and said, "You've gained a lot during this period of time. I F \* CKING wasted almost a month."

Even though he said so, the Mustache Man still followed Qin Yu out of the room.

Then, Qin Yu brought the Mustache Man to the front of the immortal crane.

“We plan to leave.” Qin Yu cupped his hands to the immortal crane.

The immortal crane said indifferently, “What’s there to miss in this world? It’s better to stay here.”

Qin Yu smiled bitterly and said, “I still have a lot of things to do.”

Seeing this, immortal crane didn’t say anything more.

He waved his hand, and a strong man walked over.

“Uncle Niu, send them out,” said immortal crane.

The strong man called Uncle Niu immediately cupped his hands to immortal crane and said, “Yes, Lord Immortal Crane.”

Then, Qin Yu said goodbye to Immortal Crane, followed behind Uncle Niu, and left the city.

Twenty days of cultivation had allowed Qin Yu to make great progress.

Whether it was his strength, speed, or battle experience, they had all improved greatly.

Although Qin Yu’s realm had not improved, his strength could not be compared.

This desert was extremely vast. Even with Uncle Niu leading the way, the three of them moved extremely slowly.

At night, the three of them found a place and sat down to rest.

“Uncle Niu, how many martial saints are there in this city?” Qin Yu asked in his spare time.

Uncle Niu glanced at Qin Yu and said, “Including me and Sir Xianhe, there are four of them.”

“Oh, when was Xianhe a martial saint?” Qin Yu continued to ask.

“Early-stage martial saint.” Uncle Niu said.

Qin Yu could not help but suck in a breath of cold air.

To have such strength at the early-stage martial saint was truly terrifying!

Qin Yu even felt that his strength was not inferior to Zhai Xing!

“Then what age is he?” Qin Yu asked like a chatterbox.

Uncle Niu said, “143 years old.”

Qin Yu’s eyes instantly widened, and the handlebar mustache at the side sucked in a breath of cold air.

143 years old?

The Immortal Crane was so young?

According to the mustached man’s estimation, the immortal crane was at least a thousand years old!

“To have such strength at a hundred and forty-three years old is really terrifying,” the mustached man exclaimed.

“This immortal crane is definitely a genius!”

“Of course! Although Lord Immortal Crane is young, his talent is unparalleled in the world,” Uncle Niu praised.

At the mention of Immortal Crane, Uncle Niu’s face was full of pride.

Qin Yu also sighed slightly, “Indeed, even little Black’s age is above immortal crane.”

Moreover, little black relied on the transformation pill to transform into human form.

“You guys are not demon beasts. I wonder how powerful Lord Immortal Crane is,” Uncle Niu muttered.

“To be able to rely on his own willpower to resist the bloodline suppression brought by the power of the Divine Dragon, I’m afraid only he can do it in the world.”

Qin Yu nodded and said, “Indeed, his willpower and state of mind are truly admirable.”

After more than twenty days, Qin Yu and the immortal crane could be considered to have come to appreciate each other.

“Alright, rest early. We still have to hurry on the road tomorrow.” Uncle Niu turned over and fell asleep.

Qin Yu was not in the mood to sleep.

He gazed at the night sky and could not help but mutter in a low voice, “I wonder how she’s doing now, whether she has embarked on the path of cultivation, and what kind of realm she’s in...”

“Alright, don’t think about it anymore. She has the complete bloodline of the Yan family. Even if she goes to the Yan family, she will still be treated as a princess.”The Handlebar Mustache Man yawned.

Qin Yu sighed. The longing for Yan Ruoxue was simply impossible to suppress.

... ..

At that moment, within the borders of the Pyro Nation.

The actions of the Sky Blood Rainbow were becoming more and more rampant, and countless people were already on the verge of enduring it.

However, Tian Xue Hong’s strength was unfathomable. No one dared to act rashly.

It was only until this day that the impulsive Chang Mang issued a challenge to Tian Xue Hong.

Only after the great battle between the two sides did they learn that Tian Xue Hong was only at the half-step martial saint stage. Chang Mang had been defeated in one move!

At this moment, everyone understood that the reason why Tian Xue Hong could be so rampant was because of his white bone army!

As long as the white bone army was present, no one would be able to do anything to the Sky Blood Rainbow!

At the same time, more and more young disciples walked out from the secret realm. It seemed that they all wanted to find the opportunity to become a martial saint in this world.

...

Another Day passed, and Qin Yu and the handlebar moustache were still unable to walk out of this desert.

“Uncle Niu, how much longer will it take?” Qin Yu could not help but ask.

Uncle Niu pointed ahead and said: “At most a day, we will be able to step into the fire country’s borders.”

“Phew.”

Hearing those words, Qin Yu could not help but heave a sigh of relief.

Another Day passed.

The group of three had finally stepped into the fire country’s borders.

“I will send you all here.” Uncle Niu said.

Qin Yu was just about to say goodbye when the handlebar mustache suddenly pulled Uncle Niu back and said: “Uncle Niu, look at what you are saying. You have sent us off for so long, we should at least treat you to a meal?”

Uncle Niu frowned slightly and snorted lightly, “I’m not interested in the human world.”

“Aiya, don’t say that. I’ve never owed anyone a favor. No matter what, I have to treat you to a meal!” The Mustache Man patted his chest and said.

Uncle Niu frowned. It was difficult to reject such a kind offer, so he finally agreed.

Qin Yu couldn't help but pull the mustache man to the side and whispered, "What are you up to again?"

The handlebar moustache said in a low voice: "I have speculated that we might have a disaster in the next two days, so I have to think of a way to get him to escort us."

"With a martial saint protecting us, we have nothing to be afraid of."

Qin Yu thought about it and it seemed to make sense.

After all, they had entered the fire country's borders, it would indeed be safer to get Uncle Niu to escort them to Pyro..

Chapter 942: Chapter 942, Uncle Niu came with them

"You Little Brat, you really have a lot of tricks up your sleeve." Qin Yu could not help but mutter under his breath.

"That's called being smart, what do you know?" The handlebar moustache rolled his eyes and said.

Hence, Qin Yu put on his hat and brought Uncle Niu into the fire country's borders.

"Where are we going next?" The handlebar moustache asked.

Qin Yu thought about it and said: "To the Jade Moon Villa, I have a secret realm there."

“You have a secret realm?” Uncle Niu couldn’t help but be a little surprised when he heard that.

Qin Yu grunted and said, “I got it by chance.”

“When the hell did you get a secret realm?” The mustached man couldn’t help but say in surprise.

Qin Yu didn’t pay attention to him. He leaned against his seat and closed his eyes slightly.

The three of them soon arrived at the Green Moon Villa.

The current Green Moon Villa no longer had the prosperous scene of the past. Instead, it was in an incomparable decline.

“This... What Happened?” The mustached man looked at the scene in front of him, and a trace of shock flashed across his face.

Qin Yu said coldly, “It was done by Wan Gu Qiong.”

“How F \* cking cruel.” Uncle Niu couldn’t help but snort coldly.

Qin Yu didn’t say anything. He brought the three people to the vicinity of the mystic realm.

“Go and buy some food.” Qin Yu looked at the mustached man.

The handlebar mustache muttered, “Why should I go?”

“Didn’t you want to treat Uncle Niu to a meal? Don’t talk nonsense. Hurry up and go.” Qin Yu kicked the butt of the handlebar mustache.

Although the handlebar mustache was somewhat unwilling, he still agreed.

Qin Yu slowly opened the mystic realm in front of him, cupped his hands and said, "Uncle Niu, please."

Uncle Niu grunted and followed him into the mystic realm.

The moment they stepped into the mystic realm, a wave of Qi/spiritual energy assaulted their faces.

"What a dense amount of Qi/spiritual energy." Uncle Niu could not help but say in surprise.

Qin Yu smiled and said, "Uncle Niu, if you are willing, you can stay."

However, Uncle Niu waved his hand and said, "Wherever Lord Xianhe is, I will be there."

Qin Yu did not say much. After he entered the mystic realm, he realized that Jiang he was no longer in the mystic realm.

"Where is senior Jiang he?" Qin Yu could not help but frown as he looked at Li Yu.

Li Yu said, "Senior Jiang he left the secret realm some time ago."

Qin Yu frowned slightly and said, "Has he entered the Martial Saint Realm?"

"No." Li Yu shook his head.

Qin Yu was a little puzzled. Could it be that even Jiang he needed experience to enter the martial saint realm?

“Forget it.”Qin Yu waved his hand.

He brought Uncle Niu to the private house and found a place to sit down.

“Uncle Niu, please wait for a moment. The handlebar mustache will be back soon,”Qin Yu said politely.

Uncle Niu nodded and then closed his eyes slightly.

After about an hour, the handlebar mustache returned to the secret realm.

He was carrying a large pile of food and a pot of fine wine.

“Damn it, it cost me several hundred. I have to find Qin Yu to reimburse him,”the handlebar mustache could not help but mutter.

Then, the handlebar mustache waited near the mystic realm for Qin Yu to open it.

After another ten minutes, a ray of light slowly flashed in front of him.

The handlebar mustache did not think much and strode into the mystic realm.

However, the handlebar mustache did not know that he had been targeted.

After the handlebar mustache entered the secret realm, a figure slowly walked out from the darkness.

He looked at the scene in front of him coldly, then took out his cell phone and dialed a number.

“Young Master Wan, as you expected, that kid is indeed related to Qin Yu,”he said in a deep voice.

On the other end, wan gu qiong sneered, “How is it? Have you found Qin Yu?”

“Qin Yu might be hiding in a secret realm. That secret realm is in the Green Moon Villa. Master du has also come to investigate.”

Wan Gu Qiong narrowed his eyes and sneered, “Alright, you stay there and guard. I’ll be there soon.”

After he hung up the phone, Wan Gu Qiong immediately brought the two martial saints of the Wan family and rushed to the Green Moon Villa.

...

In the secret realm.

The handlebar mustache placed the dishes in front of Uncle Niu:

A plate of pork head, a plate of vegetables, a plate of peanuts, and three stir-fried vegetables.

In addition, there was a pot of unknown white wine on the table.

“Uncle Niu, eat freely. It’s my treat!”The handlebar mustache patted his chest and said.

Uncle Niu drank a mouthful of white wine and couldn’t help but frown.

“It’s so F \* cking terrible. Do you usually drink this?”

“AH? This is the best wine we have here!”The Mustache Man said shamelessly.

Qin Yu couldn't help but pull the mustache man aside and frowned.

"You're treating him to this?"

"So What? Isn't this a delicacy? Besides, it's already pretty good to be able to buy these in the wilderness," the mustache man muttered.

"You're so F \* cking stingy," Qin Yu couldn't help but curse.

Even though that was the case, the dishes had already been bought, so this was the only way.

After a meal, Uncle Niu patted his stomach and stood up. "Alright, thank you for your hospitality. I should go back."

"Are you in such a hurry?" Qin Yu couldn't help but frown.

"Uncle Niu, you can stay for a few more days. I'll bring you to Jingdu. There are real delicacies there," Qin Yu said.

Uncle Niu waved his hand and said, "I've been out for a long time. It's time to go back."

Seeing that Uncle Niu had made up his mind, Qin Yu couldn't say anything else. He could only nod and say, "Alright then. If you have time, remember to come and play with me."

"Okay." Uncle Niu nodded slightly.

Then, Qin Yu led Uncle Niu to the exit of the secret realm.

After he opened the mystic realm, the three of them walked out of the mystic realm.

“Uncle Niu, remember to greet the immortal crane for me when you go back.”Qin Yu cupped his hands and said.

Uncle Niu grunted and said, “I got it. If you have time, you can come to our place to play.”

“Definitely!”Qin Yu nodded repeatedly.

“TSK tsk, Qin Yu, I didn’t expect you to really find a mystic realm.”

At this moment, a voice came from the dark.

Then, he saw Wan Gu Qiong strolling out.

Behind him were two martial saints.

Qin Yu’s expression changed drastically!

He had been discovered!

“I knew there wouldn’t be a problem with my guess.”The Mustache Man hurriedly hid behind Uncle Niu.

Qin Yu looked at Wan Gu Qiong with a cold gaze. He took a deep breath and said, “Wan Gu Qiong, to be discovered by you, you really have some skills.”

Wan Gu Qiong put his hands behind his back and said indifferently, “Do you think I’m the same as those idiots? I let you escape last time, let’s see where you can run to this time!”

After he finished speaking, the two martial saints waved their big hands and directly sealed this space.

“Do you want to go with me, or do you want me to Cripple You First and then bring you back?” Wan Gu Qiong said with a cold smile.

Before Qin Yu could speak, Uncle Niu frowned and asked, “Who are these people?”

The mustached man hurriedly said, “Uncle Niu, they aren’t good people. They kill demonic beasts every day as delicacies. Last time, he wanted to kill us just because we couldn’t stand to talk about him.. They are simply animals!”

Chapter 943: Chapter 943, Uncle Niu made his move

Hearing the words of the handlebar mustache, even Qin Yu was stunned.

When did this happen? When did Wan Guqiong Scold Demon Beasts?

Uncle Niu, who was simple and honest, obviously took it seriously. He stared at Wan Guqiong and said in a deep voice, “Why did you do that?”

Wan guqiong frowned and said, “What the hell?”

Before Uncle Niu could say anything, the mustache added fuel to the fire, “Not only did this kid eat Demon Beasts, but he also cursed the immortal crane. He said that he had seen the immortal crane in his early years and almost ate it. Uncle Niu, do you think this can be tolerated?”

Hearing this, Uncle Niu’s face turned completely cold.

He strode forward and berated, “Kid, how Dare You Insult Lord Immortal Crane!”

“What nonsense? What Bullsh \* t immortal crane, I don’t even know it!” Wan Gu Qiong waved his hand impatiently.

“Hey, Uncle Niu, you heard it! This kid called Lord Immortal Crane Bullsh \* t!” The mustached man immediately added fuel to the fire.

Uncle Niu flew into a rage. He angrily tried wan gu qiong and shouted, “Kid, you are going too far!”

Wan Gu Qiong also became a little impatient. He took two steps back and said coldly, “Kill this lunatic!”

“Okay.” The two martial saints walked over with a cold smile.

They looked down at uncle Niu and said, “Are you going to kill yourself, or are we going to cripple you?”

Uncle Niu said with a gloomy face, “Two reckless little bastards. If I don’t Rip Off Your Dog Head Today, I will change my name!”

“Hahaha, do you know who we are? We are martial saints from the Wan family’s secret territory. How can we be a rough man like you...”

“Boom!”

Before he could finish his words, Uncle Niu had already thrown a punch!

After he felt the strength of Uncle Niu’s fist, that martial saint’s expression immediately changed drastically!

He hurriedly raised his palm to block in front of him.

“Bang!”

Uncle Niu's fist smashed onto his arm, instantly breaking his arm and sending his body flying!

When he saw this scene, Wan Gu Qiong's expression immediately changed drastically!

The other martial saint could not help but widen his eyes!

"Martial saint! This person is a martial saint!" Wan Gu Qiong cried out in shock.

Uncle Niu was like a mad bull as he strode towards that martial saint!

That martial saint did not dare to be negligent. He quickly got up from the ground and formed a spell with his hands in an attempt to resist.

However, before he could complete his spell, Uncle Niu had already slapped him!

That martial saint's face was instantly covered in blood and his bones were shattered!

Uncle Niu did not stop there. He picked up this martial saint with one hand and drew his bow from left and right as if he was holding a Chick!

At this moment, the advantage of the Demonic Beast's body was fully displayed!

Not far away, Wan Gu Qiong's expression changed drastically. He secretly said that things were not looking good and hurriedly looked at the martial saint beside him.

"Retreat, cover me and retreat!" Wan Gu Qiong said in a low voice.

“Yes!” That Martial Saint had long had this intention. When he heard these words, he immediately turned around and ran away with Wan Gu Qiong.

“Kid, stop and don’t Run!” The mustached man hurriedly shouted.

“Uncle Niu, quickly chase after him. That Kid has run away!”

However, at this moment, Uncle Niu was in a fit of anger. How could he care about Wan Gu Qiong.

He grabbed that martial saint’s head and bent it to the left and right. Then, he forcefully broke his head off!

Qin Yu and the mustached man were secretly delighted as they watched. The only pity was that Wan Gu Qiong had run away!

Right at this moment, that martial saint’s primordial spirit floated out from his body.

Just as he was about to leave, qin yu hurriedly shouted, “Uncle Niu, don’t let his primordial spirit escape!”

“Don’t worry.” Uncle Niu coldly shouted. Then, with a wave of his hand, he captured his primordial spirit!

“Uncle Niu, don’t crush him to death!” Qin Yu ran over excitedly and said with a grin, “Uncle Niu, do you think you can hand this primordial spirit over to me?”

Uncle Niu frowned and said, “What do you want this for?”

Qin Yu said with an embarrassed smile, “The essence soul of a martial saint is a great tonic! It has a wonderful use for my cultivation!”

Uncle Niu casually threw the essence soul to Qin Yu and said, “Suit yourself.”

Qin Yu hurriedly looked at the handlebar mustache and asked him to take out a spiritual artifact. Then, he stuffed the essence soul into it.

“I really didn’t expect that there would be unexpected gains,” Qin Yu said with satisfaction.

Uncle Niu, who was standing at the side, no longer had the desire to stay.

No matter how much Qin Yu and the moustache man tried to persuade him to stay, Uncle Niu still left this mystic realm without turning his head back.

After he left, Qin Yu couldn’t help but sigh slightly.

“Sigh, it’s troublesome. I’m afraid this mystic realm can’t be preserved,” Qin Yu muttered.

The moustache man hummed and said, “When Wan Gu Qiong finds out about this secret realm, he will definitely spread the news.”

“Looks like we have to find a new hiding place,” Qin Yu said in a low voice.

“Let’s quickly part ways. I don’t want to be hunted down with you.” The moustache man muttered.

Qin Yu grabbed the moustache man and said with a smile, “Good brothers should share weal and woe. How Can You Leave Now?”

The handlebar moustache glared at him and said, "Screw you. I don't want to die in the hands of a martial saint!"

Qin Yu pretended to sigh and said, "It's not impossible for you to leave. How about this? Give me half of your spiritual stones and I'll let you go."

"Alright, you want to play the Shameless game with me?" The handlebar moustache said with a displeased expression.

Qin Yu said shamelessly, "Anyway, if you don't give it to me, I won't let you go. I'll go wherever you go."

"Besides, I have the line formula. Even if I'm discovered by a martial saint, I can still escape. You might not."

The Mustache Man was so angry that he jumped up and down, blowing his beard and glaring at Qin Yu.

"You... you're even more shameless than me!" The Mustache Man said angrily.

"Aiya, enough. I'll just take it as a loan to you, okay? I'll return it to you when I become a martial saint." Qin Yu said with a smile.

The mustached man had no choice but to give Qin Yu half of the spiritual stones.

However, Qin Yu could not put any spiritual stones in his spatial divine weapon, so the mustached man could only give Qin Yu another spatial divine weapon.

"Damn it, I've lost so much," the mustached man muttered.

“I’ve spent several hundred on food and spiritual stones and spiritual artifacts. You have to return it to me.”

Qin Yu said with a smile, “I promise, I’ll return ten billion to you in the future! I’ll give you as many spiritual stones as you want!”

Chapter 944: Chapter 944, the secrets of the spatial artifact

The moustache man shrunk his neck and muttered, “Alright, stop talking nonsense. I have to run away quickly.”

After saying this, the moustache man turned around and left.

Qin Yu was the first to return to the mystic realm. He told Li Yu the news and asked him to leave temporarily.

After doing all this, Qin Yu considered his next move.

He sat near the secret realm for a long time. After thinking about it, he decided to make a trip to the pavilion of Heavenly Secrets for the time being to find out about the secrets of the spatial divine artifact.

Thus, Qin Yu put on his hat and got up to rush to Jingdu.

All the way to Jingdu, Qin Yu headed straight for the pavilion of Heavenly Secrets.

Everything in the pavilion of heavenly secrets was as usual. Qin Yu directly passed through the hall and rushed to the villa behind the pavilion of Heavenly Secrets.

In the villa, Luo Yang was sitting on the sofa drinking tea. When Qin Yu came in, Luo Yang couldn't help but shiver in fear.

“Qin... Qin Yu?” Luo Yang swallowed his saliva and asked.

Qin Yu took off his hat and threw it to the side, saying, “Where's your father?”

Luo Yang said, “My father is in the refining room. I... I'll go call him right away.”

Qin Yu grunted in gratitude. He poured a cup of tea and waved his hand, saying, “Tell him to come back quickly. I have something to find him for.”

“Okay,” Luo Yang replied and quickly walked out of the living room.

At this moment, Qin Yu didn't know that danger was approaching.

He sipped his tea slowly and waited quietly for Luo Jingyu.

After Luo Yang walked out of the villa, he hurriedly took out his cell phone and called Gu Xinghe.

Once the call was connected, Luo Yang couldn't wait to say, “Young Master Gu, Qin Yu is here! He's in the pavilion of Heavenly Secrets Right Now!”

When Gu Xinghe heard this, he sat up abruptly.

“Are you sure?” Gu Xinghe said coldly.

“Yes! I guarantee he’s at the pavilion of Heavenly Secrets! Come quickly, or he’ll leave soon,” Luo Yang said hurriedly.

Gu Xinghe narrowed his eyes and said, “Think of a way to stall him. I’ll be there right away.”

After saying this, Gu Xinghe looked at Long Mei and said, “Quick, go and get Zhai Xing for me.”

“Yes, Young Master Gu.” Long Mei did not dare to say anything and quickly walked out.

These few days, Zhai Xing had practically been cooped up in his room drinking. He did not leave the main door and did not step out.

He could not stand the Sky Blood Rainbow and did not like Gu Xinghe’s way of doing things.

However, the naturally loyal Zhai Xing could not disobey Gu Xinghe’s orders at all, so he simply hid in his room. Out of sight, out of mind.

A few minutes later, under the call of Long Mei, Zhai Xing arrived in front of Gu Xinghe.

“Young master Gu, what’s the matter?” Zhai Xing asked expressionlessly.

Gu Xinghe said coldly, “Follow me to the pavilion of heavenly secrets immediately. Qin Yu is there.”

“Qin Yu?” There was not much emotion on Zhai Xing’s face.

Gu Xinghe glanced at Zhai Xing and said with a cold face, “Uncle Zhai Xing, you seem very reluctant.”

“No,” Zhai Xing said expressionlessly.

“No?” The expression on Gu Xinghe’s face became more and more displeased.

Zhai Xing seemed to be unable to hold it in anymore. He took a deep breath and said, “In my opinion, the one who does evil is his sky blood rainbow, not Qin Yu.”

“Do Evil?” Gu Xinghe could not help but sneer.

“Uncle Zhai Xing, you are already so old, why are you still so childish?”

“What do you mean by evil? What is evil and what is good? Good and evil are just the rules that we people have made up!”

“Whoever I say is evil will be evil!”

Hearing Gu Xinghe’s words, Zhai Xing’s expression became even more unsightly.

“Alright, no more nonsense. Call the people and follow me,” Gu Xinghe said coldly.

Zhai Xing opened his mouth but did not say anything else.

...

Inside the pavilion of heavenly secrets.

Luo Jingyu rushed into the villa.

He knew nothing about Luo Yang, so he did not know that Gu Xinghe was on his way.

After entering the door, Luo Jingyu wiped his sweat and walked quickly towards Qin Yu.

“Mr. Qin, what’s So Urgent?” Luo Jingyu asked.

Qin Yu said in a deep voice, “Pavilion Master Luo, I came to look for you this time because of the space artifact.”

Luo Jingyu’s face turned a little ugly when he mentioned the space God weapon.

Qin Yu thought for a moment and took out another space god weapon. Then, he took out hundreds of spirit stones and handed them to Luo Jingyu.

“These... These are spirit stones? !” Luo Jingyu’s eyes widened when he saw this.

Qin Yu grunted and said, “Spirit stones are top-notch materials for refining weapons. These spirit stones can be regarded as compensation for you.”

Luo Jingyu took the spirit stones and held them in his hands excitedly. He said in a low voice, “It’s really spirit stones...”

At this time, Luo Jingyu seemed to have remembered something. He hurriedly said, “Mr. Qin, the loss of the spirit stones not long ago... was it you who did it?”

“Yes.” Qin Yu didn’t hide anything.

“This is all I can give you now. I hope you can tell me the truth about the spatial divine artifact,” said Qin Yu.

Luo Jingyu sat opposite Qin Yu. He was silent for a moment and then said, “Okay, I promise you.”

Qin Yu said, “My spiritual sense entered the spatial artifact and found a trace of light inside.”

“To tell you the truth, the Spirit Stone in my hand was also inexplicably swallowed by that trace of light.”

“You’ve been inside?” Luo Jingyu was even more surprised when he heard that.

Qin Yu grunted and said, “Normally, that thread of light should be the spiritual sense.”

Luo Jingyu pondered for a moment and said, “That’s right. What’s hidden inside is indeed the spiritual sense.”

“In fact, it’s not some spatial divine artifact, but a prison. What’s locked inside is that thread of spiritual sense.”

Qin Yu frowned slightly and said in surprise, “Prison?”

“Yes.” Luo Jingyu nodded.

“That strand of divine sense is unrivaled, and this spatial divine artifact is the place where he’s locked up.”

Qin Yu thought for a moment and said, “Then how should this strand of divine sense be released?”

Luo Jingyu smiled bitterly and said, “You shouldn’t ask me that. It might be better for you to ask him yourself.”

“But I have to remind you that since it’s a locked divine sense, it’s definitely not a kind person. No one knows what will happen after it’s released.”

Qin Yu seemed to have understood.

This strand of spiritual sense might be like the sky blood rainbow, being imprisoned in that spatial divine artifact.

“Where did you get this thing?” Qin Yu asked.

Luo Jingyu said, “I got it by chance and exchanged it with a magic artifact.”

Qin Yu nodded and said, “So you don’t know its origin?”

“Yes.” Luo Jingyu nodded and said.

Qin Yu said in a deep voice, “I understand. Thank you.”

After saying this, Qin Yu got up and prepared to leave.

“Mr. Qin, you... are you leaving already?” At this time, Luo Yang hurriedly ran in..

**Chapter 945: Chapter 945, the great battle against the Martial Saint!**

Qin Yu glanced at him and said, “What else could it be?”

Luo Yang's face was slightly nervous. He said with an embarrassed smile, "I just took some good tea leaves. Why Don't you... have a taste?"

"I don't want to drink anymore. I still have something to do." Qin Yu waved his hand and said.

Luo Jingyu, who was standing at the side, also scolded, "Alright, Don't waste Mr. Qin's time."

Luo Yang was still a little unwilling. He said with an embarrassed smile, "You should try it. I spent a lot of money to buy this tea..."

Qin Yu narrowed his eyes slightly and said, "Luo Yang, you are a little strange today."

Luo Yang's face instantly became even more flustered. He hurriedly waved his hand and said, "No... No, Mr. Qin, you are overthinking."

However, Qin Yu felt that something was wrong.

This place was probably not suitable for him to stay for long.

Thinking of this, Qin Yu no longer paid attention to Luo Yang. He turned around and hurriedly walked out.

Luo Yang's expression instantly became even more unsightly.

He had already informed Gu Xinghe. If he were to escape now, Gu Xinghe would definitely blame him for this.

"F \* ck!" Luo Yang could not help but curse in his heart. He gritted his teeth and decided to secretly follow Qin Yu.

After Qin Yu walked out of the pavilion of heavenly secrets, he planned to leave as soon as possible.

He put on his hat and just as he was about to leave, Gu Xinghe and the others had already arrived not far away.

Qin Yu hurriedly tightened his hat and hastened his steps to leave.

However, at this moment, Gu Xinghe blocked Qin Yu's way.

Qin Yu frowned slightly and pretended to be calm as he said, "What's the matter?"

Gu xinghe laughed out loud, "Qin Yu, stop pretending. Do you think I can't recognize you just because you're wearing a hat?"

Before he could finish his words, the martial saint behind Gu Xinghe quickly extended his hand and sealed off this space.

Qin Yu's expression changed drastically! He took a deep breath and said, "I don't know what you're talking about."

"Oh? You still want to Pretend?" Gu Xinghe sneered.

"The Magic Artifact on your head is called thousand faces, right?"

Seeing this, Qin Yu's face became even colder.

Obviously, it was impossible to get away with it today.

Therefore, Qin Yu simply took off his hat and looked at Gu Xinghe coldly.

"Qin Yu, I've been looking for you so hard," Gu Xinghe said coldly.

Qin Yu said coldly, “Luo Yang told you, didn’t he?”

“Hehe, what does this have to do with you?”Gu Xinghe snorted.

“You won’t be able to escape today. Even the Heavenly King can’t Save You!”

Qin Yu knew that things were not going well. He could only take a deep breath and sneered, “Speaking of which, I really want to fight with the martial saint and see how powerful he is.”

“Oh? hahahahaha!”Gu Xinghe could not help but burst into laughter when he heard this.

“You are only a half-step martial saint. Do you want to kill a martial saint?”

Qin Yu sneered, “Not Necessarily.”

After this period of training with the immortal crane, although Qin Yu’s realm had not improved, his strength and speed had greatly increased.

With the help of the battle word formula, Qin Yu would not be defeated too badly even if he were to face a martial saint!

Qin Yu looked at the three people behind him and said coldly, “No need to talk nonsense. Let’s do it.”

“Uncle Zhai Xing, capture him immediately!”Gu Xinghe shouted.

However, Zhai Xing was extremely unwilling and stood there without moving an inch.

When Gu Xinghe saw this, he could not help but curse in his heart.

He could only look at the other martial saint and said, “Zeng Ji, capture him.”

“Yes, Young Master Gu.” The martial saint who was called Zeng Ji took a step forward and looked coldly at Qin Yu.

That powerful oppressive feeling immediately came pressing over.

There was a huge difference between a martial saint and a martial marquis. Just this natural oppressive feeling was unbearable.

This kind of pressure was like the suppression of the bloodline, making one’s body very uncomfortable.

Even the flow of spiritual power in the body had slowed down.

“Kid, you’ve been running for so long. It’s time for you to be punished,” Zeng Ji said coldly.

“Punished? What kind of punishment?” Qin Yu sneered.

“Stop talking nonsense with me. Just attack. Let me see how powerful a martial Saint You Are!” Qin Yu shouted.

Ceng ji narrowed his eyes and said, “Alright, then I’ll let you know what it means to be an ant if you can’t become a martial Saint!”

After he finished speaking, Ceng Ji raised his palm and pressed it towards Qin Yu!

Waves of mountain-like pressure rolled towards Qin Yu!

Qin Yu did not dare to be negligent. He knew very well that he could lose his life if he was not careful when facing a martial saint.

Therefore, Qin Yu immediately released the power of the Divine Dragon, and all kinds of spells instantly erupted!

Rays of golden light spread across Qin Yu's body, and the surging power even filled Qin Yu's entire body!

“Ah!”

Qin Yu roared angrily and raised his hand to unleash the absolute beginning holy fist. The golden light instantly blocked everyone's line of sight!

“Boom!”

Qin Yu's fist collided with that gigantic palm, and instantly, an earth-shattering boom sounded out!

The surrounding people immediately looked over!

They only saw that gigantic palm actually disintegrated under Qin Yu's fist!

This caused everyone's eyes to widen!

One had to know that Qin Yu was facing a genuine martial saint!

Since ancient times, no martial marquis had been able to face a martial saint!

It could even be said that a martial saint killing a martial Marquis was as easy as stepping on an ant!

But now, Qin Yu's punch had actually shattered Zeng Ji's palm. How could anyone believe this! !

Even Zhai Xing's eyes revealed a trace of shock!

"This kid's talent is probably not even as good as Jiang he." Zhai Xing thought to himself.

Zeng Ji's face was even more ashen.

It was simply a humiliation to be shattered by a martial marquis.

"Kid, you've successfully angered me." Zeng Ji said coldly with his hands behind his back.

Qin Yu grinned and said coldly, "I thought you were so amazing as a martial saint. Now, it seems that you're just so-so."

"You're courting death!"

Zeng Ji was instantly furious!

His figure flashed explosively and arrived in front of Qin Yu in the blink of an eye!

Such extreme speed was even difficult to catch!

However, Qin Yu managed to dodge such a terrifying speed!

His body flashed explosively and he easily dodged Zeng Ji's punch!

"Huh?" Zeng Ji's brows furrowed even more!

How could this kid be so fast?

"Hahahaha!" Qin Yu could not help but burst into laughter.

“A martial saint, Huh? He’s only so-so!”

Although Zeng Ji was fast, he was nothing compared to the immortal crane!

Qin Yu could even dodge the immortal crane’s moves, let alone Zeng Ji’s!

“You’re courting death!” Zeng Ji was instantly enraged! He stepped towards Qin Yu again!

Chapter 946: So what if he was a martial saint in the 946th Chapter!

His speed was pushed to the limit in an instant, but Qin Yu managed to dodge every single time!

Zeng Ji could not help but become even more furious after failing to hit the mark repeatedly.

Gu Xinghe’s expression became even gloomier.

If a martial saint could not take down a martial marquis as soon as possible, then he would have already lost!

The surrounding people also started to discuss in low voices.

“Damn, this Qin Yu is actually on par with a martial saint?”

“Is this martial saint too weak, or is Qin Yu Too Strong?”

“TSK TSK, he already has such abilities even at the Martial Marquis Realm. If he were to step into the martial saint realm, I don’t know how terrifying he would be!”

When he heard the surrounding discussions, Zeng Ji became even more furious.

He looked at Qin Yu coldly and said, “Do you only know how to hide?”

“What, I can’t even hide? Who told you to be so slow?” Qin Yu mocked.

“As a martial saint, you are so weak. How dare you talk nonsense?”

Zeng ji suppressed his anger and said, “How long can you hide? So what if you are fast? I still have a way to deal with you!”

Qin Yu thought for a moment and nodded. “Alright, then I won’t hide anymore.”

If he continued to hide like this, Qin Yu’s spiritual power would definitely be the first to be depleted.

Moreover, with the martial saint’s ability, they could shrink the space again. At that time, Qin Yu would have nowhere to hide even if he wanted to.

Zeng ji narrowed his eyes slightly. A storm was rapidly brewing on his fists.

Zeng Ji seemed to want to get back his lost face.

Therefore, the power on his fists was terrifyingly strong!

Qin Yu didn't dare to be careless. He stared at Zeng Ji's fists and said coldly, "Come!"

Then, Zeng Ji dashed toward Qin Yu with a swoosh!

Qin Yu also shouted angrily. The absolute beginning Holy Fist was unleashed to the maximum in an instant!

"Boom!"

At the instant of the collision, the sealed space seemed to have become unstable, and layers of cracks appeared!

If it wasn't for the space seal, just this collision's storm alone would have turned everyone into meat paste!

The light gradually dissipated, and Qin Yu's body was sent flying.

Cracks appeared on his fist, and his thumb was even cracked open, and blood dripped down.

Not only that, the power that poured out from his fist had even shocked Qin Yu's internal organs.

"As expected of a martial saint..." Qin Yu muttered in a low voice.

He wiped the blood from the corner of his mouth and supported himself to stand up.

Zeng Ji laughed out loud and said, "Weren't you very arrogant just now? Why, is that all you've Got?"

Qin Yu remained silent.

The strength of a martial saint was still much stronger than he had imagined.

“Go to hell!”

Zeng Ji let out an angry roar. He suddenly used a secret technique and two large void hands grabbed Qin Yu directly!

“Five Thunder Palm Print!”

Zeng Ji let out an explosive shout. Faint blue lightning burst out from his fists and smashed fiercely onto Qin Yu’s body!

Qin Yu’s body was caught in the air and could not move at all. This punch was firmly blocked.

“Pu!”

Qin Yu spat out a mouthful of blood, and the golden light on his body was directly shattered!

“What, is that all you’ve got!”Zeng ji sneered.

Qin Yu tried to break free, but he found that he couldn’t break free at all.

“F \* ck!”Qin Yu couldn’t help but curse in his heart!

If this continued, he might really be beaten to death!

“Looks like I still have to use the ‘Dou’character...”Qin Yu thought to himself.

After saying that, he narrowed his eyes slightly and used the ‘Dou’character in an instant!

A huge ‘dou’ character floated out in front of Qin Yu! Qin Yu’s strength instantly increased tenfold!

At a glance, one could even see waves of energy storms around Qin Yu’s body!

“Boom!”

As Qin Yu’s body shook, the two big hands were directly shattered!

“Huh? Nine secret fighting formula?” Gu Xinghe frowned slightly.

“It seems that Jiang he passed the nine secret fighting formula to this kid,” Zhai Xing muttered in a low voice.

However, Zeng Ji didn’t take it seriously at all. He sneered and said, “In the face of absolute strength, any spell is Bullsh \* t!”

After he had finished speaking, he took big strides and rushed towards Qin Yu. His pair of iron fists were aimed directly at Qin Yu’s face!

This time, Qin Yu did not Dodge or Dodge. He relied on the fighting word formula to fight with Zeng Ji with his physical body!

For a moment, there were continuous booming sounds like thunder!

In the blink of an eye, both parties had exchanged dozens of punches. However, Zeng Ji was still unable to take down Qin Yu!

Although Qin Yu’s injuries were more serious, being able to fight with a martial saint in the Martial Marquis realm was already something to be proud of!

“As expected of a martial saint...”Qin Yu could not help but mutter softly as he took a few steps back during the exchange of blows.

Zeng Ji could not help but curse, “Kid, are you really a half-step martial saint realm cultivator?”

Qin Yu sneered, “What, have you suffered a blow?”

“F \* ck you!”Zeng Ji cursed.

Gu Xinghe, who was beside him, shouted, “Zeng Ji, what are you waiting for? Hurry up and finish this battle!”

Zeng Ji took a glance at gu xinghe and nodded, “I understand.”

As he spoke, the internal Qi on Zeng Ji’s body changed.

It was as if all his power had gathered at a certain point. It was obvious that he was using some kind of trump card technique.

“Hahahaha!”Qin Yu could not help but burst into laughter when he saw this.

“What bullshit martial saint! He’s blowing his trumpet so loudly that it shook the sky. Now, it seems that he’s only so-so!”

“His trump card? is he going to force you into such a situation when dealing with a half-step martial saint?”

Arrogant words filled the entire world!

However, no one thought that Qin Yu was bragging! His performance had already gained everyone’s approval!

Zeng Ji did not say anything. On his back, rays of light that were like flames condensed.

These rays of light soared and finally turned into two huge axes!

The axes flickered with a coquettish light. The extremely terrifying power was even more terrifying!

Everyone was stunned by this move, except for Qin Yu who was still laughing loudly.

“Hahahaha! Is this your trump card? !”Qin Yu could not stop laughing.

“Everyone below the martial saint level is an ant. Today, I, an ant, will slaughter a Saint!”

“History? History is left for people to create!”

After a roar, all the Golden Light on Qin Yu’s body surged towards his right fist!

The power of the Divine Dragon, the spiritual fire, and all the other powers gathered on his right fist!

This technique was the ten thousand arts destruction technique that Qin Yu had created himself!

At this moment, Qin Yu’s hair was wildly dancing, and his crazy laughter was so loud that it made people’s ears hurt!

His crazy posture shocked everyone!

“One punch can break all laws!”

With Qin Yu's angry roar, all the golden light exploded on his right fist!

## Chapter 947: Chapter 947, Saint Slayer!

The dazzling golden light made it difficult for people to open their eyes for a short period of time, and even made the sun and moon lose their color!

Sweat broke out on Gu Xinghe's face, as if he was shocked by this move!

Even Zhai Xing widened his eyes and stared at the scene in front of him!

“Go to hell!” Qin Yu's voice was close to a roar, and he fiercely smashed toward Zeng Ji!

The two axes hanging above Zeng Ji's head also carried rolling power as they slashed toward Qin Yu!

“Boom!”

The moment the two axes collided, the surrounding area turned into white flames!

Everyone subconsciously covered their eyes. Some people even temporarily lost their sight!

“Crack!”

With a crisp sound, the sealed space also began to collapse!

Rolling power surged out like a flood!

Zhai Xing hurriedly waved his hand to stop this power from leaking out!

Everyone's eyes were fixed on that piece of space as if they were waiting for the result.

“Hahahahahaha!”

At this moment, a wild laughter came from within!

This voice was none other than Qin Yu!

Qin Yu's figure floated into the air. His clothes were tattered and his body was covered in blood. It was almost impossible to see his true appearance!

However, the madness in his eyes did not diminish at all!

“Hahahaha! A martial saint is only so-so!” Qin Yu shouted loudly.

Everyone's expression changed drastically!

Could it be that Qin Yu really did it?

Did Qin Yu really slaughter a half-step martial saint? !

As the dust gradually settled, they saw Zeng Ji lying limply on the ground. His body was almost shattered!

Many of the bones in his body had turned into powder. It was a tragic sight!

“Ah...” Zeng Ji raised his hand with great difficulty. The injuries on his body had almost made him unable to stand up!

“How is this possible!” Gu Xinghe’s expression changed drastically!

Qin Yu had defeated a martial saint with the strength of a martial marquis?

This... had never been recorded in history!

“You’re not dead yet, are you...” Qin Yu wiped the blood from the corner of his mouth.

Although his internal Qi was almost depleted, his frenzied stance displayed his desperate fighting style.

“Today, I, Qin Yu, will slaughter the Saint!” Qin Yu roared. In an instant, a violent wind blew in all directions, and his messy hair danced wildly in the air!

Golden Light appeared all over his body once again! Endless power surged toward his right fist!

“Come, let me see if you can take my second punch!” Qin Yu roared crazily!

Zeng Ji’s expression changed drastically. He wanted to dodge, but he could no longer stand up!

This punch would probably smash Zeng Ji’s physical body and primordial spirit into pieces!

“Go to Hell!”

Accompanied by Qin Yu’s furious roar, that golden light that soared to the sky poured down once again!

Zeng ji stared at this scene with a death stare. He was so terrified that he almost fainted!

“Boom!”

A loud sound rang out!

Everyone’s vision was once again blocked!

“How is it, how is it? Did Qin Yu really kill the Martial Saint?”

“If this kid becomes a martial saint, he will definitely be invincible in the world!”

“Everyone says that the martial marquis and the martial saint are an insurmountable chasm, but Qin Yu has created history time and time again!”

Just as everyone was discussing, the dust gradually settled down.

They saw a person standing in front of Zeng Ji.

He raised his hands and blocked Qin Yu’s punch.

This person was none other than Zhai Xing.

Zhai Xing looked in Qin Yu’s direction, but no expression could be seen on his face.

Qin Yu, who had thrown two punches, had completely lost his strength.

He looked at Zhai Xing shakily and said with a grin, “It’s a pity... he was saved...”

Zhai Xing did not say anything. He just looked at Qin Yu quietly.

Qin Yu's body swayed. He could not hold on any longer.

He fell from the sky and smashed the ground into pieces.

“Quick, quickly catch him!” Gu Xinghe said anxiously.

Zhai Xing nodded. He walked to Qin Yu's side and held him in his hand.

“Hehe...” Qin Yu grinned, revealing a mouthful of white teeth.

He stared at Gu Xinghe and said with a cruel smile, “Gu Xinghe... be careful...”

It was unknown whether it was Qin Yu's gaze that was too terrifying or his performance that made Gu Xinghe feel afraid.

In short, Gu Xinghe subconsciously turned his face to the side and said with some panic, “Hurry up and take him away!”

The few of them did not say anything more. The other martial saint grabbed Zeng Ji and turned around to leave.

Although Gu Xinghe had left, the surrounding crowd could not help but start discussing.

“If it wasn't for Zhai Xing, that martial saint would have really died at the hands of Qin Yu.”

“Terrifying... too terrifying. There's actually such a terrifying young man in this world.”

“A saint slayer... Such a feat is enough to be recorded in the annals of History!”

At the entrance of the pavilion of heavenly secrets, Luo Jingyu’s face was also filled with shock.

He knew that Qin Yu was very strong, but he did not expect him to be this strong.

He had defeated a martial saint at the half-step martial saint stage and had almost taken his life.

“That’s great. We’ve finally captured him.”Luo Yang, who was at the side, let out a sigh of relief.

Luo Jingyu glanced at Luo Yang and said coldly, “It was you who informed Gu Xinghe?”

“That’s right,”Luo Yang said with a slightly smug expression.

Luo Jingyu opened his mouth and couldn’t help but sigh in the end.

“If Qin Yu doesn’t die, we’ll definitely suffer a calamity...”Luo Jingyu muttered in a low voice.

Luo yang sneered and said, “Dad, What are you thinking? How can he not die? The Jingdu Martial Arts Association will definitely not let him off.”

Luo Jingyu waved his hand and said no more.

...

This matter quickly swept through the entire martial arts world.

Almost everyone heard the news at the first moment.

“What? Qin Yu actually defeated the martial saint? Damn, he’s giving us face!”Zhuang Teng slapped the table and said excitedly.

“That young man with the hat is Qin Yu,”Kong Yun said with a frown.

Although Kong Yun didn’t want to admit that he was inferior to Qin Yu, he was completely convinced by Qin Yu’s heroic deed today.

“No Wonder.”Chang Mang suddenly stood up.

He took a deep breath and said, “Qin Yu saved my life. Now that he is caught, I can not ignore it!”

“Brother Chang, this matter can not be conflicted. Let us discuss it,”Yao Meng said.

Chang man gritted his teeth and could only sit down unwillingly.

In the Yan family, Yan Jinyao looked at the content on his phone and could not help but tremble.

“This Qin Yu...”Yan Jinyao’s face was extremely gloomy..

Chapter 948: Chapter 948, sucking blood

Yan Jinyao, who had thought that he was already outstanding enough, was once again struck down.

No one had expected that Qin Yu would be able to defeat a martial saint!

This truth, which had always been considered impossible, had now been broken by Qin Yu.

Just as the entire martial arts world was shocked, Qin Yu had already been brought to a prison in the Jingdu Martial Arts Association.

This prison was the one that had previously imprisoned Yan Ruoxue!

Not only that, even the equipment that had absorbed Yan Ruoxue's blood had yet to be evacuated.

Qin Yu was thrown into this prison. The door was tightly shut, and measures had been put in place to prevent Qin Yu from escaping.

Looking at the prison that had been imprisoned, many prisoners looked over one after another.

“Qin Yu? Why is he being imprisoned again?”

“It seems like two martial saints brought him here this time. Could it be that he has already entered the Martial Saint Stage?”

“Hey, Qin Yu, Are You Alright?”

While many prisoners were discussing, Qin Yu was lying on the ground, unable to speak.

Qin Yu, who was already injured, had used his internal Qi to break ten thousand techniques with one punch twice. At this moment, his aura was in an extremely empty state, and he did not even have the strength to speak.

Qin Yu used the corner of his eye to look at the equipment placed in the prison, and his expression instantly became extremely gloomy.

Anger filled his chest.

This equipment, to Qin Yu, was an indelible pain.

He tried to stand up, but he simply couldn't.

Helpless, Qin Yu could only maintain this action and try his best to recover his strength.

Unfortunately, there was no qi/spiritual energy in this prison, which made it impossible for Qin Yu to recover to his peak condition.

The next day.

Qin Yu's body was finally able to move slightly.

He got up from the ground and looked at the huge device in front of him.

The scene of Yan Ruoxue being hung on the device appeared in his mind again.

"Jingdu Martial Arts Association..." Qin Yu couldn't help but clench his fists.

At this moment, someone suddenly walked in from outside.

What surprised Qin Yu was that the people who walked in were actually Gu Xinghe and Yan Jinyao!

"Young Master Gu, thank you," Yan Jinyao said indifferently.

Gu Xinghe laughed loudly and said, "Don't say that, Brother Yan. Our Jingdu Martial Arts Association will still need the support of Your Yan family in the future."

Yan Jinyao bowed slightly to express his gratitude.

Gu Xinghe didn't stay any longer and turned to leave.

Qin Yu looked coldly at Yan Jinyao and said, "Yan Jinyao, I didn't expect you to show up. I thought you were going to hide forever."

"Hide?" Yan Jinyao raised his eyebrows and sneered, "What do you mean by hide? Competing with trash like you is not hiding anymore, right?"

Qin Yu did not want to waste his breath on Yan Jinyao, so he said coldly, "What are you doing here?"

Yan Jinyao did not answer this question. Instead, he squinted his eyes and said, "I heard that you defeated a martial saint. I don't know if it's true or not."

"What? You've suffered a great blow, haven't you?" Qin Yu grinned and said.

"I'm not afraid to tell you that I have indeed defeated a martial saint. If not for Zhai Xing, I could even slaughter a martial saint."

"This is beyond your reach, right?"

Although Yan Jinyao already knew about this matter, he was still extremely shocked when he heard Qin Yu admit it personally.

"It's really surprising." Yan Jinyao shook his head and said.

"I'm thinking, what kind of secret is hidden in your body?"

“I wouldn’t be so surprised if you could defeat a martial marquis as a martial grandmaster. After all, many people have done it before.”

“But now, you’ve defeated a martial saint... This makes me suspicious.”

Qin Yu sneered and said, “What are you farting about? Hurry up and do it.”

Yan Jinyao still did not answer directly. He stared at the device behind Qin Yu and said, “This device was once used to suck the blood of your beloved woman. It’s said that the pain is unimaginable.”

“Qin Yu, do you want to try what kind of pain the woman you love has suffered?”

Qin Yu’s face turned cold and he said coldly, “What exactly do you want to say?”

Yan Jinyao smiled faintly and said, “Nothing. I just want to know if your body is like Yan Ruoxue’s and has some unimaginable bloodline?”

“F \* ck you!” Qin Yu could not help but curse.

Yan Jinyao was not angry. He said with a faint smile, “I will naturally know if I have tried.”

“If I can fuse your bloodline with Yan Ruoxue’s bloodline, I wonder what kind of power will burst out.”

Qin Yu shouted, “F \* ck you! Yan Jinyao! Are you a parasite? Do you have to rely on the bloodline of others to cultivate? !”

Yan Jinyao sneered, “In order to obtain strength, these are not worth mentioning.”

“Qin Yu, I have to admit that the current me is indeed no match for you, but so what?”

“80% of the bloodline in my body has awakened! If I can obtain your bloodline, then no one in the world will be my match!”

Qin Yu’s heart thumped!

He remembered what old Mister Yan had said before!

He said that his father had once told Old Mister Yan that Qin Yu and Yan Ruoxue were a match made in heaven.

If the two of them were together, they would be able to display even more powerful strength!

Did this mean the fusion of blood?

“Qin Yu, let’s wait and see.”Yan Jinyao grinned, then turned around and walked out.

Yan Jinyao’s guess had a very high possibility.

The reason why the Jingdu Martial Arts Association had first arrested Yan Ruoxue was not because of the bloodline in her body.

It was to prevent Qin Yu and Yan Ruoxue from staying together, or to engage in dual cultivation.

Because that would bring a great increase in Qin Yu’s strength.

But they never expected that the bloodline in Yan Ruoxue’s body was even more powerful!

This also caused the Jingdu Martial Arts Association to change their target!

However, the Jingdu Martial Arts Association never thought that these two bloodlines could fuse and be injected into another person's body!

...

In Gu Xinghe's office, Yan Jinyao expressed his intention.

"You mean... to absorb Qin Yu's Bloodline?" Gu Xinghe frowned slightly.

Yan Jinyao said faintly, "80% of the bloodline in my body has awakened. I'm willing to be the subject of this experiment."

Gu Xinghe was silent for a moment, then he nodded and said, "Okay, I promise you."

"Thank you, Young Master Gu." Yan Jinyao slightly bowed and said..

Chapter 949: Chapter 949, experiencing the same pain

Following that, Gu Xinghe began his preparations.

He brought the relevant staff of the Jingdu Martial Arts Association to the prison where Qin Yu was imprisoned.

Seeing these people, Qin Yu immediately had a bad premonition.

"What do you want to Do!" Qin Yu said coldly.

Gu Xinghe pointed at the equipment with his chin and sneered, "I'm going to use you to do an experiment."

"This is all Yan Jinyao's suggestion, right?" Qin Yu couldn't help but grit his teeth.

Gu Xinghe said indifferently, "That's right, but you have to thank Yan Jinyao. At least this way, your life will be saved."

With that, the door slowly opened.

A few people swarmed forward and brought Qin Yu to the equipment.

Then, they grabbed the few tubes and covered Qin Yu's body!

Qin Yu tried to struggle, but his body was extremely weak and he couldn't break free!

He watched helplessly as the tubes were inserted into his body!

One, two, three... ! In the blink of an eye, eighteen tubes were inserted into Qin Yu's body!

"HMM, not bad, it looks like it." Gu Xinghe stood outside the prison and smiled faintly.

Qin Yu glared at Gu Xinghe and struggled desperately.

But at this moment, Qin Yu realized that these tubes seemed to have set some kind of spell that could restrict the spiritual power in Qin Yu's body!

Qin Yu, who was already weak, was now even more powerless to resist!

“There are only two people who have used this equipment. One Is You, and the other is Yan Ruoxue.”Gu Xinghe smiled faintly.

Qin Yu took a deep breath and said nothing.

He did not know what kind of pain he would face next, nor did he know what kind of Pain Yan Ruoxue had suffered in the past.

At this moment, Yan Jinyao waved his hand, indicating for the equipment to be activated.

As the equipment was activated, the eighteen tubes inserted into his body suddenly flashed with light!

At this moment, Qin Yu’s face instantly became distorted!

The pain in his body made Qin Yu Gape. It was a fate worse than death!

“Ah! ! !”

Even Qin Yu, who had suffered countless pains, could not help but scream out in pain!

This pain was indescribable, and it was even more painful than any pain qin Yu had suffered!

“AH...”

Because of the pain, Qin Yu’s entire body was convulsing!

“So... Ruoxue has been enduring this kind of torture...”Qin Yu muttered in a low voice, and his heart immediately became even angrier!

He had only just started, and he already couldn't take it anymore, while Yan Ruoxue had been on this equipment for a year!

“Jingdu Martial Arts Association... I will definitely have you all killed!” Qin Yu's eyeballs bulged out, and the veins on his forehead bulged out.

It was unknown whether it was because of pain or anger.

Soon, Qin Yu fainted from the pain.

Outside the door, Gu Xinghe couldn't help clapping his hands and said, “It seems that the rumors are true. This thing is really painful.”

Then, he looked at the two people beside him and said, “You two stay here and guard. As long as you have enough blood, send it to me immediately.”

“Yes, Young Master Gu!”

Gu Xinghe didn't stay any longer and turned to leave.

In the prison, many prisoners couldn't help but sigh.

“Yan Ruoxue once suffered this kind of pain. I didn't expect it to be Qin Yu's turn again today,” someone whispered.

“Everyone says that we are unpardonable evil people, but in the end, the Jingdu martial arts association is even more disgusting.”

“Sigh, up until now, not a single person who went against them has had a good ending.”

...

After an unknown amount of time, Qin Yu finally woke up.

However, the intense pain that he had just woken up caused Qin Yu to almost faint again.

This kind of pain truly exceeded the limits of what humans could endure!

However, to Qin Yu, the pain in his body was far inferior to the pain in his heart.

He could not imagine how Yan Ruoxue had endured it back then!

A girl who was born into a wealthy family had to endure such pain for a year!

Thinking of this, Qin Yu's body could not help but tremble slightly.

“Ruoxue...” Qin Yu muttered softly.

The pain in his heart had even caused Qin Yu to temporarily forget the pain in his body.

The blood in his body was still flowing out, and he did not know where it went.

Qin Yu only knew that his body was getting weaker and weaker.

...

In a no man's land in the northwest.

This place was originally flat, but now a sect had been established.

Standing at the gate of the sect were not people, but two white bones!

“Not enough, far from enough!”

Inside the sect, Tian Xuehong suddenly opened his eyes.

He slowly stood up and said in a cold voice, “According to this progress, it will take a long time for me to recover to my peak condition!”

Tian Xuehong’s face was extremely gloomy, but there was a trace of evil mixed in it.

He was preparing a plan.

A plan to devour all the martial artists!

“I want to turn the world into an Asura Field!” Tian Xuehong said with narrowed eyes.

“When my formation is completed, all the martial artists will become my nourishment!”

But before that, Tian Xuehong had to do another thing.

In his current state, it was naturally extremely difficult for him to set up such a formation.

Thus, he wanted to use the JINGDU martial arts association to increase his strength.

...

Inside the Jingdu Martial Arts Association.

Tian Xuehong and Gu Xinghe were sitting opposite each other.

“What’s the matter?”Gu Xinghe asked.

Tian Xuehong knocked on the table and said, “There is indeed something I need your help with.”

“What is it?”Gu Xinghe was a little displeased.

Ever since the spirit stone mine was taken over by Tian Xuehong, Gu Xinghe was even more displeased with Tian Xuehong.

Tian Xuehong smiled faintly and said, “I heard that the Jingdu martial arts association is holding a lot of prisoners, right?”

Gu Xinghe frowned slightly and asked in a deep voice, “What do you mean?”

Tian xuehong said indifferently, “It’s a waste to hold them anyway. Why Don’t you hand them over to me? They are useful to me.”

“Are You Dreaming?”Gu Xinghe was instantly furious!

Hand the prisoners over to him? Then where would the face of the Jingdu Martial Arts Association Go?

Tian Xuehong was not in a hurry. He said with a faint smile, “Young master Gu, think carefully. I’m discussing with you now, but in a few days, it won’t be a discussion.”

“Are you threatening me?”Gu Xinghe’s face was dark.

Tian xuehong snorted lightly, “You can understand it that way.”

“Do you think I’m Scared? Do you really think I’m easy to bully!”Gu Xinghe shouted angrily.

Tian xuehong sneered, “There are only three martial saints by your side. Other than Zhai Xing, the other two are not worth mentioning at all.”

“And my skeleton army has dozens of people!”

“I gave you face, so I came to discuss with you.. If I’m not happy, I can even uproot your Jingdu Martial Arts Association!”

Chapter 950: Chapter 950, the power of blood fusion

In the face of the arrogant Tian Xuehong, Gu Xinghe could not contain his anger.

He narrowed his eyes and said, “Tian Xuehong, you underestimate the Jingdu Martial Arts Association. Do you really think that with your skeleton army, you can pose a threat to the Jingdu Martial Arts Association?”

Tian xuehong laughed and said, “You want to talk about the eight higher-ups of the Jingdu Martial Arts Association, Right?”

Gu Xinghe frowned slightly.

It was obvious that Tian Xuehong was right.

Tian xuehong sneered, “Don’t forget who I am, Kid. I know more things than you!”

“If those eight higher-ups could come out, how could it be your turn to strut around?”

Gu Xinghe’s expression was a little ugly, and he didn’t say anything for a while.

Tian Xuehong patted Gu Xinghe’s shoulder and said, “It’s useless to keep those prisoners anyway. Why Don’t you let me handle them? It Won’t do you any harm.”

“In return, I can give you a thousand spiritual stones.”

Gu Xinghe was silent for a moment before saying, “Give me a few days to think about it. I have to discuss such a big matter.”

Tian Xuehong nodded slightly and said, “Okay, I’ll give you a week at most.”

After saying this, Tian Xuehong turned around and walked out.

At this time, Zhai Xing walked in quickly.

He said in a deep voice, “This matter... we definitely can’t agree to it!”

Gu Xinghe glanced at Zhai Xing but didn’t say anything.

...

In the prison.

Seeing Qin Yu’s pained expression, the prisoners began to chat with Qin Yu, trying to divert their attention so as to alleviate the pain.

They talked about their past and told their own jokes.

It had to be said that it really did have some effect.

Qin Yu raised his head with difficulty and said with a smile, “Thank you, everyone...”

“No need to thank me. When Miss Yan was locked up, we also saw it with our own eyes.”

“Shut up! Don’t mention it!” Someone berated him.

The prisoner immediately covered his mouth like a child who had made a mistake.

Qin Yu looked up at the tubes. He tried to struggle but failed.

“If I can recover to my peak condition, I might be able to break free...” Qin Yu thought to himself.

However, the environment here was too terrible. It would take a long time to recover.

The next morning.

Gu Xinghe and Yan Jinyao walked in from outside.

“It’s about time,” Gu Xinghe said.

Yan Jinyao nodded slightly and said, “This blood is enough.”

Then, he raised his head to look at the extremely weak Qin Yu and said with a smile, “Qin Yu, don’t worry. If it’s really useful, I will definitely tell you.”

Although Qin Yu was angry, he couldn’t do anything to him.

The few of them took Qin Yu's blood and then went to a room in the Jingdu Martial Arts Association.

Then, they put the blood into a bathtub. Yan Jinyao took off his clothes and slowly lay in it.

He opened the pores all over his body and tried his best to absorb Qin Yu's blood.

Perhaps it was because he had Yan Ruoxue's blood in his body, but Qin Yu's blood was rushing into Yan Jinyao's body.

“Sizzle...”

White gas was emitted from Yan Jinyao's body.

The two kinds of blood seemed to merge in Yan Jinyao's body!

“AH...”

Yan Jinyao groaned.

It was unknown whether it was pain or pleasure.

As the blood was absorbed, Yan Jinyao's body was changing rapidly!

His body was covered with a layer of golden light in an instant, and his body became indestructible!

And the power of his bloodline was enhanced again at this moment!

“Chi la!”

At the moment when all the blood was absorbed, Yan Jinyao's body emitted a ray of light!

This ray of light was pure white and holy, like a god, making people unable to resist worshipping it!

Even Gu Xinghe was affected, his body slightly trembling!

“Awesome... Awesome!”

Yan Jinyao roared, a terrifying power instantly emitted from his body!

Even Gu Xinghe was forced to retreat!

“Such a powerful force... This kind of pressure, what’s going on...”Gu Xinghe couldn’t help but mutter in a low voice.

He raised his head to look at Yan Jinyao and asked with a knowing tone, “Young Master Yan, how do you feel?”

Yan Jinyao glanced at Gu Xinghe and sneered, “Good, never better! I really didn’t expect that Qin Yu’s bloodline... could have such a magical effect. It seems that my guess is correct...”

At this point, Yan Jinyao looked at Gu Xinghe and said, “Young Master Gu, please find me a martial saint.”

“Martial Saint?”Gu Xinghe frowned slightly.

“Don’t tell me you want to challenge a martial saint too?”

Yan jinyao sneered, “Not a challenge, but... killing a saint! I can definitely do what Qin Yu failed to do!”

“The fusion of these two bloodlines has made my strength reach an unpredictable level. hahahaha!”

Looking at Yan Jinyao's excited look, Gu Xinghe also made up his mind:

I should inject Qin Yu's blood into my body!

After all, my body was once irrigated by Yan Ruoxue's blood.

...

Two days later, Gu Xinghe took Qin Yu's blood.

He imitated Yan Jinyao and started to absorb Qin Yu's blood.

Unfortunately, Qin Yu's blood didn't move after he laid down.

"How could this be?" Gu Xinghe frowned immediately.

"Could there be a problem with the method?"

Long brows at the side said in a deep voice, "Could it be because of the bloodline in your body?"

"What do you mean?" Gu Xinghe frowned.

Long brows said, "Yan Jinyao and Yan Ruoxue are both members of the Yan family after all, and... Yan Jinyao's bloodline awakening has reached 80% !"

"But your bloodline seems to be less than 30% , so you can't fuse with Qin Yu's Bloodline?"

Hearing this, Gu Xinghe couldn't help but say angrily, "Isn't that f \* cking a wedding dress for Yan Jinyao! In this world, only he, Yan Jinyao, has reached 80% !"

Even so, Gu Xinghe was still unwilling.

He lay in the Bath and tried countless methods, but he still couldn't fuse with Qin Yu's blood..

Chapter 951: Chapter 951 forced him to reveal himself

“Damn it!” This instantly made Gu Xinghe even angrier!

He shattered the bathtub, and blood instantly splattered everywhere!

“It actually didn't work...” Gu Xinghe's face was full of anger.

Yan Jinyao's success made Gu Xinghe feel extremely pressured.

More importantly, Yan Jinyao also wanted to challenge the martial saint!

This meant that the benefits of the blood to him were beyond imagination!

“It seems like I need to consult the higher-ups.” Gu Xinghe took a deep breath and suppressed the anger in his heart.

...

On the other side, Qin Yu's body was getting weaker and weaker.

The massive loss of blood made it difficult for Qin Yu's internal Qi to recover.

The pain all over his body was tormenting Qin Yu's spiritual sense.

“Divine sense?”

At this moment, Qin Yu seemed to have thought of something!

He could extract a part of his divine sense. Although it couldn't be too far away from his main body, it should be able to alleviate some of the pain, right?

Moreover, Qin Yu still hadn't figured out the secret of the spatial artifact.

Thinking of this, Qin Yu immediately closed his eyes and forced out a strand of divine sense from his glabella.

A strand of golden light fell into the spatial divine weapon.

In front of Qin Yu, it instantly turned black.

“Damn it! It's useless!”

Unfortunately, even though Qin Yu's spiritual sense had been pulled out, it was still unable to resist this pain.

Perhaps this was also because the spiritual sense could not leave the main body too far away.

“In the end, I'm not a martial saint. I Can't separate my primordial spirit...”Qin Yu sighed slightly in the bottom of his heart.

He did not dare to waste any more time. He endured the pain and headed towards the abyss.

He arrived near the abyss.

As usual, Qin Yu stuck his head out and shouted towards the abyss below.

“Senior?” Qin Yu called out tentatively.

However, there was no response from the Abyss.

“Senior, I know you can hear me. I also know that you’re hiding below,” Qin Yu continued to say.

“I have no ill intentions. I am here to save you.”

“Senior? If you can hear me, please respond.”

“...”

No matter how hard Qin Yu tried to speak, there was still no movement below.

That Ray of light just lay there, not moving at all.

“Senior, do you want Spirit Stones? I have many more here, I can give them to you,” Qin Yu said seductively.

“Not only spirit stones, but also a lot of great tonic items. I can give you any herbs or treasures!”

“Senior, the spirit stones from before are just sprinkling water on me. As long as you respond to me, I can give you more!”

After shouting, Qin Yu almost lost his voice. However, there was still no movement from below.

“Could it be that Luo Jingyu lied to me? This is not spiritual sense at all?” Qin Yu thought to himself.

‘that’s not right!’

But very quickly, Qin Yu rejected this idea.

Luo Jingyu might be lying, but the handlebar mustache could not lie to him.

Qin Yu narrowed his eyes and looked at that glimmer of light.

“Senior, don’t tell me you want to lie to me down there and swallow my spiritual sense? If that’s the case, no one will be able to save you,” Qin Yu muttered.

But there was still no movement below.

This immediately caused Qin Yu to lose his patience.

In addition to the waves of pain brought by his physical body, Qin Yu’s anger was also rising.

“What Bullsh \* t senior, are you a mute?” Qin Yu cursed at the Abyss.

“I think you’re a son of a B \* Tch, and you call yourself a Senior!”

“I reckon that when you were alive, you were also trash, right?

Otherwise, how could you be suppressed to such a place?”

“What a piece of trash. You Can’t even protect your own body. You can only stay in this abyss for the rest of your life. You’re nothing.”

After a series of curses, Qin Yu was surprised to discover that the ray of light was actually shaking slightly!

“Looks like it’s effective!” Qin Yu was instantly overjoyed!

Hence, he immediately increased his firepower.

“Trash, good-for-nothing!”

“F \* CK You, Immortal Board!”

“I’ll Throw Your Ancestral Grave Tomorrow!”

“I’ll watch your wife take a bath the day after tomorrow!”

“I’ll poop for you later!”

“I’ll poop for you the day after tomorrow...”

“Little B \* stard, don’t go too far!”

At this moment, an explosive shout suddenly came from below!

That voice was like rolling thunder, causing one’s ears to hurt!

Qin Yu was so scared that he took two steps back, sweat beading on his forehead.

“Phew... looks like it’s really useful. It really is a forced drink,” Qin Yu muttered.

He climbed to the edge of the Abyss again and said with an embarrassed smile, “Senior, there’s nothing I can do. If I didn’t scold you, you wouldn’t have said anything...”

However, the area below fell into silence again.

“Senior?” Qin Yu called out tentatively.

“F \* ck, you F \* cking refuse a toast only to be forced to drink a forfeit. Are You F \* cking cheap?”

“I’m calling you senior, but you don’t care. Are you happy just because I’m scolding you? No wonder I’m trapped in this abyss, I...”

“Shut up!” That voice came again.

Qin Yu could also see that this guy was a soft-hearted person, so he no longer treated him politely.

“Old Man, let me ask you, who f \* cking told you to eat my spirit stones?” Qin Yu couldn’t help but curse.

“You F \* cking didn’t say anything. Are you trying to trick me to go down and devour my spiritual sense?”

“Now That You’ve failed, you must be angry out of humiliation, right? Hehe, I won’t go down. I’ll anger you to death!”

In the abyss, that bright voice said with a somewhat gloomy and cold tone, “I let you see through it. That’s right... I just wanted to devour your spiritual sense. I didn’t expect that you, this little B \* stard, wouldn’t fall for it... !”

“You F \* CKING Old Bastard!” Qin Yu glared at him and cursed.

“Little Bastard, you’d better be polite when you talk to me!” The light said in a gloomy tone.

“Polite to you ? What are you ? You Can’t even get out of the fucking abyss, and you’re still pretending to be me ?”

“You’re courting death!”

“You dare to Scold Your Father ?”

“I’ll Cripple You!”

“I’ll pee down there later!”

“You...”

The two sides continued to curse each other.

A moment later, Qin Yu sat down on the ground. He panted and said, “I’m not going to talk nonsense with you anymore. Let’s make a deal. What do you think ?”

“Deal ? Look at your spiritual sense. You’re just a Marquis of Wu. You want to make a deal with me ?”Someone Below said sarcastically.

Qin Yu rolled his eyes and said with a smile, “Then what realm are you in ?”

“What Realm am I in ? It’s not something you can understand,”the other party said coldly.

Qin Yu sneered and said, “What realm can you be in ? If your realm was high, would you be locked up here ?”

The other party ignored Qin Yu, and the scene fell into silence again.

Qin Yu thought for a moment and then said sarcastically, “You’re not just a martial marquis, are you?”

The other party still ignored him.

Qin Yu stood up and muttered, “A lousy martial marquis, F \* CKING wasting my time. I thought he was so powerful that he couldn’t even compare to me...”

Hearing this, the other party couldn’t help but say, “Martial marquis? A martial saint is not even worth mentioning in my eyes!”

Chapter 952: Chapter 952 will allow you to step into the Martial Saint Realm

Qin Yu was instantly delighted.

This meant that this spiritual sense was at least at the Almighty Realm?

Qin Yu opened his mouth and was about to ask a question, but he suddenly felt something strange outside.

He hurriedly withdrew his spiritual sense and returned to his original body.

He saw Gu Xinghe walking in with a gloomy expression.

His expression was extremely unsightly, and his gaze when he looked at Qin Yu was filled with a sharp killing intent.

“Qin Yu, do you want to live or not?” Gu Xinghe said coldly.

Qin Yu sneered, “F \* ck you. If you have something to say, quickly say it.”

Gu Xinghe took a deep breath and said, “Where is Yan Ruoxue? As long as you tell me, I can spare your life.”

Qin Yu raised his eyebrows and sneered, “Even if I tell you, you won’t be able to find her.”

“It has nothing to do with you. You just need to tell me where she is,” Gu Xinghe said coldly.

Qin Yu wanted to tell him about the secret realm of the Yan family, but he didn’t know if he could tell him about it, so he shut his mouth.

“Tell me, where is Yan Ruoxue?” Gu Xinghe shouted.

“I don’t know,” Qin Yu sneered.

Gu Xinghe gritted his teeth. He grabbed the bars of the prison with both hands and said through gritted teeth, “Qin Yu, do you really want to die?”

“I don’t want to die. It’s good to be alive. As for you, I saw the Word ‘Die’ written on your head. You have to be careful,” Qin Yu mocked.

Gu Xinghe was about to get angry when his phone suddenly rang.

He picked up the phone and saw that the caller was a higher-up.

Gu Xinghe was overjoyed!

He was about to go to the higher-ups, but the higher-ups called.

Therefore, Gu Xinghe couldn't care less about Qin Yu and rushed to the office.

He arrived at the office and as soon as he entered, Gu Xinghe said impatiently, "Dear higher-ups, I have something important to report."

"Speak," a higher-up said.

"We caught Qin Yu and found the secret on him!" Gu Xinghe said excitedly.

Then, Gu Xinghe told the higher-ups everything that happened to Yan Jinyao.

After the higher-ups heard it, they fell into silence.

After a while, one of the higher-ups sighed, "We already knew about the bloodline connection between Qin Yu and Yan Ruoxue, but we didn't expect that their bloodlines could work on a third person in this way..."

"What a pity, what a pity," another higher-up sighed.

"If only we could have discovered it earlier..."

"80% of the Bloodlines, I'm afraid no one else can reach this level except for Yan Jinyao."

Gu Xinghe said anxiously, "Dear higher-ups, we still have time. As long as we can find Yan Ruoxue's location from Qin Yu, we can continue the experiment!"

The higher-ups sighed and said, "It's impossible for us to find Yan Ruoxue. Even if we do, it's not something we can touch."

“What do you mean?” Gu Xinghe was extremely puzzled.

“Could it be that there’s someone more powerful than the Lords?”

The higher-ups said in a low voice, “What you see is just this small space. The real world is much bigger than you think. There are many people who are stronger than us.”

Gu Xinghe opened his mouth and wanted to ask something, but the higher-ups interrupted him.

“Alright, from today on, don’t mention Yan Ruoxue anymore. We are looking for you for something more important,” a higher-up said.

Although Gu Xinghe was unwilling, he could only nod.

The higher-ups said in a low voice, “We are going to disappear for a period of time. During this period, the Jingdu Martial Arts Association will be handed over to the second secret realm to manage.”

Gu Xinghe was stunned and said with some confusion, “My lords, where are you going?”

“No need to ask,” the higher-ups said coldly.

“Then... how long will it take?” Gu Xinghe continued to ask.

“Not necessarily. At least half a year, at most several years,” the higher-ups replied.

“In short, when we return, we can appear in this world.”

Without waiting for Gu Xinghe to continue asking questions, the higher-ups slowly disappeared.

“Appear in this world?” Gu Xinghe could not help but frown.

In other words, when the time came, these eight higher-ups would be able to appear in this world with their real bodies?

For more than a hundred years, no one in the JINGDU martial arts association had seen the true faces of these eight higher-ups!

Now that they were suddenly about to appear, could it be that something big was about to happen?

Gu Xinghe did not think too much about it. To him, these things were not important.

...

The next day.

The battle between the martial saint and Yan Jinyao that Gu Xinghe had arranged had officially begun.

This battle had attracted countless gazes, and the result was even more shocking!

That Martial Saint had actually lost to Yan Jinyao!

Although Yan Jinyao had won by a narrow margin with one move, this result had shocked everyone!

“Not long ago, Qin Yu had just defeated a martial saint. Today, Yan Jinyao did the same thing. Could it be that a martial marquis defeating a martial saint is Nothing?”

“Both of them are peerless geniuses. It’s nothing to be surprised that they could do the same thing.”

“I really didn’t expect that two people would be able to break history, and our generation would be able to witness it with our own eyes.”

There were many different opinions, and everyone could not help but sigh.

Many of the young masters of the aristocratic families were starting to get anxious.

It was fine if one Qin Yu had done it, but now that Yan Jinyao had done the same thing, how could they not be anxious.

And the one who was the angriest was undoubtedly Gu Xinghe.

He had seen with his own eyes that Qin Yu’s bloodline had seeped into Yan Jinyao’s body.

And the reason why Yan Jinyao was able to become a battle saint was because of the fusion of these two bloodlines!

“Damn it, damn it!” Gu Xinghe was so angry that veins were popping out all over his head!

Just when Gu Xinghe was angry, Tian Xuehong suddenly walked in from outside the door.

“Young master Gu, what are you so angry about?” Tian Xuehong asked indifferently.

Gu Xinghe suddenly raised his head and looked at Tian Xuehong.

He took a deep breath and suppressed his anger as he said, “I can promise you what you want to do, but what benefits will I get?”

Tian Xuehong raised his eyebrows and said, “Benefits? Didn’t I promise to give you a thousand spiritual stones?”

Gu Xinghe sneered, “Tian Xuehong, do you think I’m a Beggar?”

Tian Xuehong was not in a hurry to answer. He walked around the room, then stopped and said indifferently, “I can let you become a martial saint.. Is this enough?”

Chapter 953: Chapter 953, cooperation

“Entering the Martial Saint Realm?” Gu Xinghe’s pupils constricted.

Although there were people who had already entered the martial saint realm in the current era, it was extremely rare.

Even Jiang he and ye Qing, who were known as geniuses, were unable to enter the martial saint realm.

And there was not a single person in the younger generation!

Gu Xinghe narrowed his eyes and sneered, “Tian xuehong, drawing a cake for others is also my forte. Words have no basis, why should I believe you?”

Tianxue Hong couldn’t help but laugh out loud when he heard that.

“Drawing a pie? Do you think I’m the same as you?” Tianxue Hong’s eyes were full of ridicule.

“Do you know how powerful the immortal slaying sect was back then? If it wasn’t for the change of times, do you think you have the right to cooperate with me?”

Gu Xinghe sneered, “Yes, your immortal slaying sect is too powerful, so powerful that it was exterminated by one person.”

“You’re courting death!”

Hearing this, Tian Xuehong was instantly enraged!

He grabbed Gu Xinghe by the neck and lifted him into the air!

“I’m warning you, it’s best not to mention the massacre immortal sect.” Tian Xuehong’s eyes were filled with killing intent, and there seemed to be a hint of fear hidden in the depths of his killing intent.

Then, Tian Xuehong threw Gu Xinghe aside.

He took a deep breath and said, “I’ll tell you what I used these prisoners for, and how I recovered to my peak.”

“I’ll pass on the secret technique of the Massacre Immortal sect to you. As long as you obtain this secret technique, becoming a martial saint is nothing.”

Gu Xinghe tidied his clothes, then stood up and said, “Alright, I’ll agree to it.”

“Then don’t waste time. Take Me there now,” Tian Xuehong said coldly.

“Not Now.”Gu Xinghe shook his head.

Tian Xuehong’s face turned cold. “Why? Are you trying to lie to me?”

“No.”Gu Xinghe shook his head.

“Although I am in charge of the JINGDU martial arts association now, Zhai Xing doesn’t want me to do this.”

“If he interferes, it will be a troublesome matter for you.”

Tian Xuehong frowned.

He naturally saw that Zhai Xing was dissatisfied with him.

Although he wasn’t afraid of Zhai Xing with the white bone army that Tian Xuehong had, once they fought, it would be a troublesome matter.

“Then what are you going to do?”Tian Xuehong asked.

Gu Xinghe said calmly, “Give me three days. I will send Zhai Xing out. I Will Contact You Then.”

“Three days?”Tian Xuehong thought for a moment and then nodded, “Okay, I hope you won’t go back on your words after three days.”

After saying that, Tian Xuehong quickly left.

...

In the prison.

Qin Yu’s spiritual sense once again entered the space artifact.

He stood at the edge of the abyss and shouted, “Old Bastard, I’m here to See You Again!”

The Abyss shook, but no one replied.

Qin Yu said with a smile, “It’s that old thing who is locked in the abyss. I’m calling you!”

“Little Bastard, if I leave here one day, I’ll definitely kill you!”The light shouted.

Qin Yu rolled his eyes and said, “Let’s talk about it after you leave. I didn’t come here to quarrel with you today. I came here to ask for your help.”

“Help? Little Bastard, it’s already good enough that I didn’t kill you. You still want me to help you?”That voice said icily.

Qin Yu smiled and said, “Don’t be anxious. We can make a deal. I Won’t use you for nothing.”

The other party snorted coldly and didn’t say anything.

Qin Yu said to himself, “If you are willing to lend me your power, I can let you leave this place. How about it?”

Qin Yu planned to use the method he used to deal with the Earth Fiend Valley’s patriarch to deal with this glimmer of light.

Slowly absorb his power and then get rid of him!

“You Are Dreaming.”At this moment, a sneer came from below.

Qin Yu’s expression couldn’t help but change!

Could it be that he knew about it?

“Kid, that little thought of yours can’t Escape My Eyes.”The other party sneered.

“You Want to swindle my power? In your dreams!”

Qin Yu hurriedly said with an embarrassed smile, “I absolutely have no such intention, absolutely have no such intention. This is all a misunderstanding!”

“F \* ck you!”The other party cursed loudly.

Qin Yu was so anxious that he scratched his ears and cheeks. However, no matter what Qin Yu said, the other party would not agree.

This made Qin Yu sit on the ground dejectedly.

“Sigh, if you don’t lend me your strength, I’m afraid I Won’t be able to escape,”Qin Yu muttered.

“Escape? Why? You bragged with me for a long time and ended up being locked up?”The other party’s voice carried a trace of ridicule.

Qin Yu muttered, “Yeah, not only did they lock me up, they even drew my blood every day. Damn, it really hurts me to death.”

“Draw your blood? Why? Is there something special about your blood?”The thread of light said.

Qin Yu shook his head and said, “I don’t know either. Maybe it’s because of my constitution.”

“Constitution? What do you mean?” The other party’s voice contained a trace of excitement.

“What Constitution do you have?”

Qin Yu said, “It’s said to be a chaotic constitution. Anyway, I don’t know much about it.”

“Chaotic constitution? !” The other party immediately became a little excited. Even that Ray of light became a few times bigger!

Qin Yu grunted and said, “If this continues, I’m afraid that my blood will be drained.”

“Are you sure you have a chaotic constitution?” He said coldly.

Qin Yu grunted and said helplessly, “Why would I lie to You?”

The other party fell into silence.

After a long time, he suddenly said, “Kid, it’s not impossible for me to help you.”

Qin Yu was delighted and quickly said, “Really?”

“I have a condition,” the other party said.

“What condition? Quickly say it!” Qin Yu said excitedly.

The other party said in a deep voice, “I don’t want other people’s bodies. I want to use yours.”

“The two of us share the same body. Otherwise, I’m afraid I’ll be cheated by you.”

Hearing this, Qin Yu's brows immediately furrowed tightly.

Share a corpse?

Luo Jingyu had said that this glimmer of light was not a good bird.

If he were to occupy his own body, it would be troublesome.

"No, I can find you a similar body," Qin Yu said.

"Then forget it." However, the other party refused.

Qin Yu frowned and said, "Can't I find you a similar body?"

"Hehe, do you think it's so easy to find a special body? Cut the crap. If you don't agree, forget it. Think about it yourself," the other party said impatiently.

Then, he fell into silence. No matter what Qin Yu said, he couldn't get a response.

Helpless, Qin Yu could only temporarily leave this spatial artifact..

Chapter 954: Chapter 954, the masked woman was still alive!

Qin Yu thought about it, but he still felt that he couldn't let his spiritual sense enter his body.

With his ability, if he wanted to forcefully occupy her, Qin Yu probably wouldn't be able to do anything.

"Damn it, I'd better forget it. It's a waste of time," Qin Yu muttered.

In the next few days.

The equipment on Qin Yu's body was inexplicably removed.

This made Qin Yu somewhat puzzled.

Could it be that... The blood in his body couldn't have any effect?

At this moment, Gu Xinghe walked over from outside.

He glanced at Qin Yu and sneered, "Qin Yu, cherish these few days that you're alive."

Qin Yu's eyes narrowed slightly.

He didn't say anything, but he had already guessed the general situation in his heart.

"It seems that my blood has no effect at all," Qin Yu said tentatively.

When this topic was brought up, Gu Xinghe's expression became a little ugly.

Qin Yu caught the change in his expression and guessed, "Could it be that my blood only has effect on Yan Jinyao?"

Hearing this, Gu Xinghe's expression suddenly became a little ferocious!

"Looks like I guessed right." Qin Yu could not help but sneer.

"Shut up! If you want to die early, I can grant your wish!" Gu Xinghe grabbed the railing and shouted angrily.

Qin Yu sneered, “I don’t have many days left anyway, what’s there to be afraid of?”

Gu Xinghe gritted his teeth, took a deep breath, pointed at Qin Yu and said, “Let’s see how many more days you can be arrogant!”

After saying that, Gu Xinghe turned around and walked out.

After he left, the prisoners all said, “Qin Yu, why do you have to be so calculative with him? After all, we are in his hands now. If we talk properly, we might be able to live for a few more days.”

Qin Yu smiled bitterly and said, “I’m different from all of you. No matter what I say, he won’t let me off.”

Everyone was speechless.

A moment later, someone comforted, “Qin Yu, don’t think too much. Who knows what might happen in a few days.”

“That’s right. When we get out, we’ll work with you!”

Qin Yu smiled and said, “Alright! Then we’ll meet outside!”

No one expected that Gu Xinghe had no intention of letting anyone off.

...

In the next few days, Qin Yu, who had removed his equipment, recovered a little.

The internal Qi here was extremely weak. It was a very slow process to recover.

Even though Qin Yu had many treasures on him, once he took them out, 90% of them would be discovered.

“Damn it, I don’t care,”Qin Yu cursed.

“If I can recover in these few days, I might be able to escape.”

Thus, when night fell, Qin Yu carefully took out the spirit stone.

The moment he took out the spirit stone, the room flashed with light.

Qin Yu’s expression changed slightly, and he hurriedly stuffed the spirit stone into his mouth.

Fortunately, this action did not attract too much attention, and Qin Yu could be considered to be slightly relieved.

He spent almost an entire night to consume this spirit stone.

However, Qin Yu’s body was too severely injured. The equipment had caused great damage to Qin Yu’s body.

Even if he borrowed spirit stones, the recovery speed was extremely slow.

“At this rate, it will probably take dozens of days to recover to its peak.”Qin Yu sighed slightly in his heart.

He raised his head to look at the device in front of him, and his heart was once again filled with anger.

Qin Yu took a deep breath and forced himself to calm down.

In the prison, many prisoners talked about their daily lives.

From south to north, from history to the future.

They seemed to have gotten used to this kind of life. Although it was boring, it could be considered dull.

From time to time, Qin Yu would join them and chat with them. Their days were pretty good.

On this day.

The prisoners chatted and chatted as usual. At this moment, the door opened.

For some reason, Qin Yu suddenly had a bad premonition.

Looking over, he saw Gu Xinghe walking in with big strides.

And there was another person beside him.

That person was none other than Tian Xuehong!

“Tian Xuehong? !”Qin Yu’s expression changed slightly.

Why did he come here?

Qin Yu had heard of the various actions of Tian Xuehong.

It was said that this person had devoured the inner strength and spiritual sense of countless warriors, causing the entire martial arts world to be filled with grief!

Could it be... He had set his mind on the numerous prisoners?

“You guys can leave first.” Gu Xinghe waved his hand and sent everyone out.

Tian Xuehong swept his gaze around, as if he was calculating the prisoners in this prison.

Very soon, Tian Xuehong’s gaze landed on Qin Yu.

“HMM? Who Is this person?” Tian xuehong sized up Qin Yu and asked.

Gu Xinghe said, “He is Qin Yu.”

“Oh?” Tian Xuehong’s interest was immediately piqued.

He took two steps forward and walked in front of Qin Yu. He said with a faint smile, “You are Qin Yu?”

Qin Yu narrowed his eyes slightly and didn’t say anything.

Tian xuehong said indifferently, “Speaking of which, I really have to thank you. If it weren’t for you, I’m afraid I would never be able to leave the slaughtering immortal sect...”

Hearing this, Qin Yu couldn’t help but sneer, “Then you owe me a favor. When do you plan to repay it?”

“A favor?” Tian Xuehong raised his eyebrows and then said with a faint smile, “Well, if you’re willing to work for me, I can consider it.”

“Tian Xuehong, this Qin Yu is extremely cunning. Don’t be deceived by him,” Gu Xinghe reminded him immediately.

Sky Blood Rainbow ignored him and looked at Qin Yu as if he was waiting for Qin Yu’s answer.

Qin Yu didn't answer his question. Instead, he said, "Sky Blood Rainbow, aren't you afraid of being suppressed again? It's better to be careful."

"Suppressed again? hahahaha!" When Sky Blood Rainbow heard this, he couldn't help but laugh out loud.

"Who else in the world can suppress me? When I rebuild the Immortal Massacre Sect, it will still be the number one sect in the world."

Tian Xuehong's tone was full of confidence and superiority.

"Is that so?" Qin Yu couldn't help but sneer.

"Tian Xuehong, I have bad news for you."

Tian Xuehong raised his eyebrows and signaled Qin Yu to continue.

Qin Yu moved his face to the side of the railing and said carefully, "The masked woman is still alive.."

Chapter 955: Chapter 955, Tian Xuehong's methods!

"The masked woman is still alive, and I've seen her before," Qin Yu whispered mysteriously into his ear.

Hearing this, Tian Xuehong immediately took a few steps back, his face filled with fear!

Even his body was trembling!

“What’s Wrong?” Gu Xinghe hurriedly walked forward and asked.

Tian Xuehong didn’t say anything, but the sweat on his forehead kept flowing down.

“You... you’re talking nonsense!” Tian Xuehong’s voice was trembling!

Qin Yu laughed, “What I said is true! Why would I lie to You?”

“Nonsense! She has been dead for more than 10,000 years!” Tian Xuehong roared angrily.

Qin Yu sneered, “Don’t you know that she has resurrected again? and more than once.”

How could Tian Xuehong not know!

Of course, he knew the masked woman’s methods!

However, most of the masked woman’s resurrections failed and didn’t cause any trouble.

The number of complete resurrections was very few!

“You want to scare me, right? Do you think I’ll believe you?” Tian Xuehong said coldly.

Qin Yu spread his hands and said, “It’s up to you. Whether you believe it or not is up to you.”

“I told you, this guy is sinister and cunning. Stay away from him!” Gu Xinghe shouted.

Tian Xuehong didn’t say anything for a long time.

He waved his hand and walked to the side as if he was trying to calm himself down.

After an unknown amount of time, Tian Xuehong finally calmed down slightly.

He walked back and sneered, “Qin Yu, I, Tian Xuehong, am not scared to death. I Won’t believe a word you say.”

“I said, whether you believe it or not is your own business,”Qin Yu sneered.

The Sky Blood Rainbow narrowed his eyes and said, “I heard that you are a chaotic body. Your spiritual sense must be very powerful, right? I will feel it properly later.”

Hearing this, Qin Yu’s expression changed immediately!

Could it be as he had guessed?

“You can start now.”The Sky Blood Rainbow looked at Gu Xinghe.

Gu Xinghe acknowledged him and retreated to the side.

Then, Tian xuehong walked to the center of the prison.

He swept his gaze across the prisoners and said coldly, “It’s your honor to serve me. Remember This!”

The prisoners were dumbfounded. They did not understand Tian Xuehong’s words at all.

Qin Yu had a bad feeling! He hurriedly shouted, “Tian Xuehong, what are you trying to do? !”

Tian Xuehong ignored Qin Yu's words, but his body emitted waves of strange internal Qi.

These internal Qi were black in color, and in the end, they transformed into the appearance of an evil ghost in the air!

The evil ghost had a large bloody mouth, and it charged towards a nearby criminal!

At the instant of the collision, the large hand of the evil ghost slapped the criminal's head. Then, the criminal's spiritual sense was forcefully pulled out by the evil ghost, and it was directly swallowed into the large bloody mouth!

His spiritual sense was absorbed just like that! The internal Qi in his body was also rapidly dissipating!

Upon seeing this scene, the expressions of all the criminals changed drastically!

"Comfortable, it's really comfortable," said Tian Xuehong with narrowed eyes.

His hands shook, and several more evil spirits flew out!

These evil spirits charged towards the criminals and began to devour their spiritual sense!

The prisoners immediately panicked! They tried to resist, but found that they couldn't hurt this evil spirit at all!

For a moment, the entire prison was wailing incessantly, and the screams were incessant!

Every prisoner's face was covered with terror!

“Hahahaha, hahahahaha!” Tian Xuehong kept laughing loudly.

Qin Yu's expression was extremely unsightly. He grabbed the railing and roared angrily, “Tian Xuehong, F \* cking stop right now!”

Tian xuehong sneered, “Stop? Don't worry, it'll be your turn soon!”

Looking at the prisoners around him who were wailing incessantly, Qin Yu's heart felt as if it was being cut by a knife!

He glared angrily at Gu Xinghe and couldn't help but curse, “Gu Xinghe, as a member of the Jingdu Martial Arts Association, you actually did such a vicious thing!”

However, gu xinghe snorted lightly, “They're just a bunch of ants. Do you think I Care?”

One by one, the prisoners fell. Their faces were filled with fear. Before they died, their faces were even more twisted.

Seeing this scene, Qin Yu was extremely furious!

However, his body was too weak. He had no strength to stop them!

“Damn it!” Qin Yu slammed his palm on the railing!

“Tian Xuehong, stop right now. I can give you a treasure!” Qin Yu hurriedly shouted.

Sky Blood Rainbow Glanced at Qin Yu and sneered, “I won't believe anything you say.”

“You!”Qin Yu was instantly angry, but there was nothing he could do!

The surrounding prisoners fell one after another, and Qin Yu was in a mental breakdown!

“Damn it!”

At this moment, Qin Yu thought of the divine sense in the interspatial divine artifact!

“I’m going to fight you to the death!”Qin Yu roared. Then, he sent his divine sense into the spatial artifact and found the trace of light.

“I agree to your request. Come out immediately and accept my body!”Qin Yu shouted anxiously.

A voice slowly came from the depths of the abyss.

“You finally agreed, but in my current condition, I’m still unable to leave this place,”the other party said indifferently.

Qin Yu’s pupils constricted, and he anxiously asked, “Why?”

“I’m too weak. I still need a large amount of spirit stones.”

Qin Yu’s expression instantly became extremely unsightly!

How could he still have the time to deal with this F \* cking urgent matter?

“F \* ck, it’s nothing!”Qin Yu couldn’t help but curse and hurriedly left this place.

In this short period of time, nearly half of the prisoners had died.

“Tian Xuehong, stop the F \* ck Now!”Qin Yu shouted angrily.

Qin Yu had a good relationship with these prisoners. Seeing them die in front of him, Qin Yu couldn't bear it at all!

Tian Xuehong glanced at Qin Yu and sneered, “Looks like you're in a hurry.”

Gu Xinghe said, “Hurry up and kill him so that he doesn't talk nonsense here!”

The sky blood rainbow nodded slightly, “Alright, since you're in such a hurry, I'll send you on your way in advance!”

With that, an evil spirit pounced towards Qin Yu!

Chapter 956: Chapter 956, Prison Break!

This evil ghost instantly pounced on Qin Yu's forehead!

Streams of black aura spread out from the evil ghost's internal Qi.

The stinky smell made people feel extremely nauseous.

Qin Yu felt as if his spiritual sense was being stripped away, and it was extremely painful!

“Damn it...”Qin Yu clenched his fists and forcefully stabilized his spiritual sense to prevent it from being pulled out of his body.

Qin Yu's spiritual sense seemed to have formed a confrontation with the power of this evil ghost!

Not far away, Tian Xuehong couldn't help but be surprised when he saw this.

“You can actually resist the three paths of evil ghosts? Interesting,” Tian Xuehong said with a cold smile.

“If you can resist one, then what about two or three?”

With that, he waved his hand, and two more evil ghosts pounced at Qin Yu!

The moment they pounced, that power instantly skyrocketed!

Qin Yu's divine sense was instantly drawn out by more than half!

This kind of pain caused Qin Yu's entire body to tremble uncontrollably!

“Ah! !” Qin Yu raised his head and roared angrily. He firmly controlled his divine sense, afraid of being pulled out of his body!

However, the power of these three evil spirits was simply too powerful. In addition, Qin Yu's body was extremely weak. Even if he tried his best to block them, his divine sense was still being drawn out bit by bit!

“It's over...” beads of sweat appeared on Qin Yu's forehead. He was already powerless to resist.

Just as Qin Yu was about to give up, a loud bang suddenly came from outside!

“Boom!”

With a loud bang, the prison's door was actually smashed open!

Looking over, one could only see several people standing at the door!

And the person leading them was none other than Chang Mang!

At this moment, his entire body was boiling red, and his aura was burning. He looked like a God!

Following behind him were Zhuang Teng, Yao Meng, and the others!

“HM?” When Gu Xinghe saw this scene, he could not help but frown slightly.

“Are you guys crazy? How dare you barge into the Jingdu Martial Arts Association’s Prison? Do you know what kind of crime this is?” Gu Xinghe said with a gloomy face.

“F \* ck you!” Chang Mang shouted loudly, and then his steel-like body crashed toward Gu Xinghe!

Gu Xinghe did not dare to be negligent, and hurriedly raised his hand to respond.

However, as a saintly being, Chang Mang had immense strength. The moment they collided, he was directly sent flying!

“You guys quickly go and save them, I’ll hold them off,” Chang Mang said coldly.

Zhuang Teng and the others nodded slightly. Then, they quickly rushed toward Qin Yu.

Due to the sudden situation, Tian Xuehong had no choice but to stop what he was doing. He turned around and looked at these people coldly.

“Tian Xuehong? You’re here too!”Kong Yun couldn’t help but Shout!

“Gu Xinghe, are you shameless? How dare you collude with Tian Xuehong!”

Gu Xinghe’s expression turned even colder. He swept his gaze across the crowd and said gloomily, “Are all of you trying to rebel?”

“Cut the crap, take a punch from Me First!”Chang Mang roared angrily and his iron fist instantly smashed towards Gu Xinghe!

Chang Mang’s strength was unparalleled. Even Qin Yu did not dare to underestimate him, let alone Gu Xinghe!

Under his attack, Gu Xinghe and Tian Xuehong could only deal with him.

Taking advantage of this time, Zhuang Teng and Yao Meng quickly approached Qin Yu.

Qin Yu’s spiritual sense returned to his body, but the intense pain still made his forehead break out in cold sweat, and his body felt a little weak.

“This prison is extremely hard, you can’t open it...”Qin Yu said in a low voice.

Zhuang Teng’s body shook, and he took out a dark long sword.

“This is a divine sword passed down in our family. It is said to be able to cut through everything. Don’t worry, we have made full preparations,”Zhuang Teng said.

After he said that, he waved his hand and directly slashed towards the prison!

“Buzz!”

With a burst of light, the prison’s bars were instantly cut off!

It was so sharp that even Qin Yu was shocked!

“Don’t waste time. When their people arrive, we won’t be able to leave,” Yao Meng said.

After saying that, Zhuang Teng quickly walked in and pulled Qin Yu along, preparing to leave.

At this moment, Chang Mang was still immersed in a bloody battle. Facing the two of them, he also appeared to be extremely exhausted. Bloody Holes appeared one after another all over his body.

Looking at Chang Mang who was desperately fighting, Qin Yu suddenly felt a little unbearable.

“Get lost quickly! Leave Chang Mang to me,” Kong Yun said with a frown.

Qin Yu was speechless. He couldn’t help but feel touched.

He never thought that these people would come to save him on their own accord!

“Thank you,” Qin Yu said sincerely.

“Stop talking nonsense and leave now!” Kong Yun shouted.

Qin Yu didn't say anything more. Under the cover of them, he walked toward the door.

When he reached the door, Qin Yu suddenly stopped.

“Zhuang Teng, lend me your sword,” Qin Yu said in a low voice.

Zhuang teng frowned and asked, “What do you want to Do?”

Qin Yu shook his head and said, “Quick, there's no time.”

Seeing this, Zhuang Teng did not say anything more and immediately handed the sword in his hand to Qin Yu.

Qin Yu took the divine sword. He forcefully activated the internal Qi in his body and injected the remaining spiritual energy into the divine sword.

Then, Qin Yu swept his gaze toward the prison.

His pupils constricted, and with a furious roar, Qin Yu swung the divine sword in his hand forward!

“Buzz!”

A burst of light swept across! The terrifying internal Qi was like a surging sea, shocking everyone!

“Not good!” Gu Xinghe and Tian Xuehong hurriedly dodged to the side!

However, they didn't expect that the target of this sword was not them, but the prisoner!

The sword slashed across the prison, and all the bars were sliced flat!

“This is all I can do. You guys... Hurry up and escape...”Qin Yu looked at the prisoners and said with his last breath.

After saying this, Qin Yu’s vision went black, and he directly fainted.

Many annoying people instantly swarmed over. They, who were already full of resentment, were now even more furious!

Facing so many angry prisoners, Tian Xuehong and Gu Xinghe could only avoid their sharp edges!

“Everyone, retreat quickly!”Chang Mang and Kong Yun shouted.

The two of them covered the prisoners and retreated out of the door.

Gu Xinghe shouted, “Zhai Xing, Zhai Xing!”

But after he shouted, he remembered that Zhai Xing and the two martial saints beside him had been sent out!

“Damn it!”Gu Xinghe was instantly furious!

Tian Xuehong’s expression was also somewhat unsightly.

He coldly swept his gaze over the many prisoners who had escaped and muttered in a low voice, “They actually escaped...”

Gu Xinghe took a deep breath and coldly said, “They dared to come to the Jingdu Martial Arts Association to break out of prison. I was just worried that I wouldn’t have an excuse to deal with them...”

With that, he swept his gaze to the door and shouted, “Go, Get Zhai Xing back immediately!”

Chapter 957: Chapter 957 was known throughout the world

The entire prison was empty.

Tian Xuehong's expression didn't look good either.

His absorption had just begun, and he didn't expect to be interrupted.

Most importantly, he didn't bring his white bone army.

"Interesting... these ants actually want to resist." Tian Xuehong grinned and let out a cold smile.

"Alright, then kill them all!" The Sky Blood Rainbow clenched his hands together!

...

When Qin Yu woke up, he was already on a mountain.

This mountain wasn't big, and it looked like a temple.

Temple-like houses sat on this mountain one after another.

Qin Yu opened his eyes in a daze. Just as he tried to get up, he felt waves of intense pain all over his body.

"Where is this?" Qin Yu looked around, his eyes filled with confusion.

"You're awake!" Zhuang Teng patted Qin Yu's shoulder forcefully. Qin Yu immediately grimaced in pain.

“Be careful!” Yao Meng could not help but say.

Zhuang teng touched his nose and said somewhat embarrassedly, “I was too excited...”

Qin Yu waved his hand. He sat up from the bed with difficulty and said, “Where is this?”

Yao Meng explained, “This is nine pinnacles mountain. It is also senior Xu Huaigu’s residence.”

“Nine Pinnacles Mountain ? Xu Huaigu ?” Qin Yu’s brows furrowed even more tightly.

Yao Meng grunted and said, “We have robbed the JINGDU martial arts association’s prison. They will definitely not let this go.”

“At the moment, the only one who can help us is senior Xu Huaigu.”

Qin Yu could not help but sigh slightly.

In the end, he still brought the trouble to Xu Huaigu.

“Thank you for your help.” Qin Yu cupped his hands and then asked, “Are the others alright?”

“They’re fine. You can rest assured and recuperate here.” Zhuang Teng waved his hand.

Qin Yu lay on the bed, his face could not help but be filled with worry.

He had indeed escaped, but this was probably just the beginning.

“The Jingdu Martial Arts Association will definitely send a martial saint to take him,”Qin Yu said in a deep voice.

“We should think of a way.”

“Think of a way? Other than senior Xu Huaigu, how can there be a martial saint?”Zhuang Teng shook his head.

Qin Yu did not say anything. He thought for a moment and suddenly thought of immortal crane.

If immortal crane was called over, it would probably be able to resist the Jingdu Martial Arts Association, right?

But after thinking about it, Qin Yu finally gave up on this idea.

Xianhe and the others could be considered to be in a paradise. It was probably not appropriate to disrupt their lives for no reason.

“Just recuperate well. We will think of a way,”Yao Meng comforted.

Qin Yu nodded and didn't say anything.

The Qi/spiritual energy here wasn't very rich, but compared to the JINGDU martial arts association's prison, this place was already considered pretty good.

In the next few days, Qin Yu's body and mind were fully recovered.

Under everyone's care, Qin Yu's injuries recovered very quickly.

Perhaps it was because of the appearance of the disciples of the secret realm that caused these high and mighty young masters of Jingdu to lower their proud heads.

Zhuang Teng brought the divine sword, and Yao Meng took out all the precious herbs in the family to treat Qin Yu's illness.

Three days later, Qin Yu's injuries were almost healed.

He stood up and walked out of the house. The first thing he saw was a huge Bodhi tree.

Everyone gathered under the tree, and sitting in the middle was Xu Huaigu.

Qin Yu walked quickly to the tree.

"This junior, Qin Yu, greets senior Xu Huaigu," Qin Yu cupped his hands and said.

Xu Huaigu nodded slightly and waved his hand, "Sit."

"Qin Yu, you're good. You almost killed a martial saint. You're too awesome!" Chang Mang patted Qin Yu's shoulder forcefully.

Qin Yu smiled bitterly and said, "I barely defeated him at the cost of my life. Moreover, he was the weakest martial saint..."

"This is enough. Since ancient times, no one has been able to cross this ditch. You're already amazing." Xu Huaigu said quietly.

Qin Yu immediately cupped his hands and said, "The truly amazing one is you. You can clearly choose to live a better life, but you are willing to risk your life to fight against them."

Xu Huaigu shook his head and said, "I'm afraid that is all I can do."

“Senior, you are the first person to step into the martial saint realm today! That is a first-class genius!”Kong Yun said.

Xu Huaigu shook his head and said, “Those who have stepped into the martial saint stage may not be geniuses. There are many people with higher talent than me.”

“If I had known that stepping into the martial saint stage would cause unnecessary trouble, I would rather stay in the martial marquis stage forever.”

When everyone heard this, they instantly fell into silence.

However, Qin Yu heard something from these words.

Those who had stepped into the martial saint stage might not be geniuses?

In other words, one did not rely on talent to step into the Martial Saint Realm?

When he thought of this, Qin Yu cupped his hands towards Xu Huaigu and said, “Senior, you said that one did not rely on talent to step into the martial saint realm. Then what should it be? State of mind? Comprehension? Or Luck?”

“What you said has nothing to do with me.”Xu Huaigu shook his head.

Qin Yu cupped his hands and said, “I once tried to build a carriage behind closed doors. Later on, I began to experience the world. However, I was unable to step into the martial saint realm. I did not even have the slightest intention to step into the martial saint realm.”

“Now, I am a little confused. I don’t know what method to use to enter the martial saint realm. Please give me some guidance, senior.”

Xu Huaigu’s gaze landed on Qin Yu.

His pair of deep eyes seemed to be able to see through Qin Yu.

The surrounding people also looked at Xu Huaigu in unison as if they were waiting for his guidance.

At this moment, Xu Huaigu slowly stood up.

He slowly said a few words, “Once you comprehend Dao, the world will know.”

After saying this, Xu Huaigu slowly left.

“Once you comprehend Dao, the world will know...”Qin Yu frowned and repeated this sentence repeatedly, as if he wanted to get something out of this sentence.

“What exactly does this sentence mean?”The people beside him could not help but be puzzled.

“Seriously, can’t senior Xu be more specific? !”

“Some things have to be comprehended by oneself, what do you know? !”

Qin Yu did not say a word. He rubbed his chin and his mind was filled with this sentence.

Once one comprehended dao, the world would know...

For the entire day, Qin Yu's brows were slightly furrowed. This sentence filled his entire mind.

“Alright, don't think about it anymore. Your body hasn't recovered yet. Recuperate properly,” Chang Mang said carelessly.

Qin Yu smiled and said, “Alright.”

Even though that was the case, Qin Yu still couldn't help but ponder over these words..

Chapter 958: Chapter 958, all the way to nine Pinnacles Mountain!

For the next few days, everyone ate, lived, and traveled on nine Pinnacles Mountain.

Xu Huaigu had a vegetable garden on the mountain, filled with pure natural, pollution-free vegetables.

Other than that, he also raised chickens, ducks, and fish on the mountain, living quite happily.

“Zhuang Teng, by the way, what's the name of your sword? Why is it so fierce?”

On this day, after they finished eating, Chang Mang asked.

Speaking of this, Zhuang Teng immediately said with some pride, “This sword is called Taihe. It was passed down by my grandfather's grandfather. It is the most precious treasure of our family!”

“Taihe? That’s a good name.”Qin Yu nodded slightly.

“The prison of the Jingdu Martial Arts Association is all made of black gold stone, but this sword can be unfurled in one strike. It is considered a divine sword.”

Zhuang teng said somewhat proudly, “Of course! It is said that my grandfather’s grandfather once used this sword to slay a dragon! But my father did not pass on the sword technique to me. It is said that this sword technique can ensure the prosperity of my family’s Patriarch!”

Qin Yu smiled and said, “Then if you take out the sword, your father will not deal with you, right?”

Zhuang Teng said with a grin, “Of course I took it out secretly. If he finds out, he will definitely beat me to death.”

Hearing this, Qin Yu could not help but say gratefully, “Thank you very much.”

“It’s okay. This is nothing.”Zhuang Teng waved his hand.

Qin Yu raised his head to look at the sky and could not help but sigh slightly.

At night.

Qin Yu sat alone on the Kang.

He looked out of the window.

A full moon hung in the sky. The moonlight shone on Qin Yu’s face, making it snow-white.

“Everyone knows when one has comprehended the Dao...”Qin Yu muttered softly.

“Senior Xu Huaigu, are you saying that you need to comprehend the Dao to become a martial saint?”

Qin Yu tried to grasp the Great Dao, but this did not give him any enlightenment.

The next morning, Qin Yu arrived in front of Xu Huaigu’s house early in the morning.

At this moment, Xu Huaigu was planting vegetables in the courtyard. When he saw Qin Yu, he put down the hoe in his hand.

“Senior Xu Huaigu, I wonder if I could have a moment of your time. I would like to discuss Dao with you,”Qin Yu said.

Xu Huaigu nodded. He sat cross-legged on the ground and motioned for Qin Yu to sit as well.

Qin Yu did not say anything more and immediately sat down in Xu Huaigu’s conversation.

“Senior Xu Huaigu, when you say that you will comprehend dao in one day, are you referring to comprehending the Great Dao?”Qin Yu asked tentatively.

Xu Huaigu did not answer this question. Instead, he asked, “What is the purpose of your cultivation?”

Qin Yu frowned slightly. He scratched his head and said, “The purpose of my cultivation has always been changing. Initially, I wanted to get out of a difficult life. Later on, it was for Yan Ruoxue.”

“Later on... wanting to become stronger seemed to have become one of my pursuits. However, it was mostly because of Yan Ruoxue.”

Xu Huaigu nodded slightly, and then asked, “Then do you know the purpose of my cultivation, and what is it?”

Qin Yu shook his head, indicating that he did not know.

Xu Huaigu looked at the vegetable garden in front of him and said, “Everyone knows that my talent is mediocre and I don’t like to fight for it. I only love a Pure Land. I once thought that this was my path.”

Qin Yu looked at Xu Huaigu with some surprise and said, “What happened after that?”

Xu Huaigu smiled and said, “I realized that I don’t only favor a Pure Land, but also people, things, and everything within my sight.”

Qin Yu touched his chin and looked at Xu Huaigu with a confused expression. No one knew what he was thinking about.

“There are some things that you can only rely on yourself to comprehend. Only after you have fully comprehended them will you be able to step into another realm,” Xu Huaigu said.

“If it was purely based on talent, the person who would be the first to step into the Martial Saint Realm would definitely not be me.”

Qin Yu was silent for a moment, as if he had understood something.

“I understand.” Qin Yu stood up and said.

Xu Huaigu looked at Qin Yu, as if he wanted to know something.

Qin Yu continued, “The Dao that you cultivate is great love, and not a remote corner.”

“You relied on hard work and hard work to step into the Martial Marquis realm, but you were unable to rely on hard work and hard work to step into the martial saint realm.”

“What truly allowed you to step into the martial saint realm was to comprehend the Dao of great love.”

Xu Huaigu nodded his head approvingly. He slowly stood up and picked up the hoe again.

“Qin Yu, nothing can be accomplished overnight. Otherwise, what you will obtain in the end will always be nothing.”

Xu Huaigu said as he plowed the ground.

Qin Yu bowed slightly to Xu Huaigu and said, “Thank you, I understand.”

Everyone had their own path of cultivation. If one wanted to become a martial saint, they must find their own path.

Once, a long time ago, Qin Yu had had such an epiphany. However, at that time, he did not take it to heart.

Today, after Xu Huaigu’s reminder, Qin Yu finally understood.

“My own dao... this path, how should I find it?” Qin Yu sighed slightly.

Other than Yan Ruoxue, Qin Yu did not know what else he wanted.

However, based on emotion alone, it was impossible for it to become his great dao of cultivation.

“Perhaps senior Jiang he also understood this principle, so he left the mystic realm,”Qin Yu thought to himself.

Then, Qin Yu turned around and returned to his own residence.

He sat in his room, trying to find his own path.

The others were also discussing countermeasures on the mountain.

Nine Pinnacles Mountain looked like a pure land, a residence that protected everyone.

But at this time, Gu Xinghe and the other secret realms were preparing to attack nine pinnacles mountain.

In the reception hall of the Jingdu Martial Arts Association, the people from the secret realms had already arrived.

Gu Xinghe swept his gaze across the crowd and said coldly, “Qin Yu, Kong Yun, and the others have kidnapped the prisoners of the Jingdu Martial Arts Association. This is a great act of treason, and it is the wrath of both man and God.”

“In order to protect the legitimate rights and interests of the Jingdu Martial Arts Association, it is necessary for us to take measures against them!”

Before this, the Jingdu martial arts association had never found an excuse to take action against Zhuang Teng and the others.

But now, their actions gave Gu Xinghe a proper reason, a reason that no one could find fault with.

“We’ve already found their location. They’re all gathered at nine Pinnacles Mountain,” Gu Xinghe continued.

“Nine Pinnacles Mountain is Xu Huaigu’s residence. If he wants to protect Qin Yu and the other prisoners, we can only execute him!”

“That’s right. If he protects the prisoners, he’s also a prisoner!” Someone said.

They all knew that these words were just an excuse to attack.

Gu Xinghe slowly stood up and said coldly, “Everyone, follow me to nine Pinnacles Mountain! This time, I want all the prisoners to be punished!”

“Okay!”

Everyone in the secret realm also stood up in unison!

Chapter 959: Chapter 959, fighting against eight martial saints!

During this period of time, a few more martial saints had walked out from the secret realm.

Including the original martial saints, there were already nine martial saints!

With nine martial saints attacking, even if Xu Huaigu had great abilities, he would not be able to resist!

The group of people brought the spiritual artifacts from the secret realm and rushed towards the nine Pinnacles Mountain!

The nine Pinnacles Mountain was peaceful.

Qin Yu was still trying to figure out his own dao techniques.

This was the key to becoming a martial saint, and the only way to become one.

At this moment, Qin Yu's slightly closed eyes suddenly opened.

"Eh?" Qin Yu frowned slightly.

For some reason, his heart suddenly jumped. An extremely uneasy feeling rippled in his heart.

At this moment, Qin Yu suddenly felt traces of internal Qi approaching the nine pinnacles mountain!

Not only Qin Yu, but many people also felt this internal Qi!

"Someone is coming," Yao Meng said in a low voice.

"I also felt it." Kong Yun's face instantly turned cold.

"They are finally going to make a move." Chang Mang took a deep breath, full of fighting spirit.

Meanwhile, Xu Huaigu, who was plowing the ground, also put down the hoe in his hand.

He sighed slightly and looked into the distance as he muttered in a low voice, "What should come will come."

Qin Yu rushed out of the room with large strides. He swept his gaze across the crowd and shouted, "All of you, quickly hide!"

"Hide? Where are you hiding? Since they are here, then let's fight it out with them!" Chang Mang shouted loudly.

However, Qin Yu said with a cold face, "The one who decides the outcome is the martial saint. All of you are powerless before the martial saint."

"Qin Yu is right."

At this moment, Xu Huaigu also slowly walked over.

"Everyone, hide in the house immediately," Xu Huaigu said quietly.

Qin Yu hurriedly shouted, "Hurry and hide!"

Everyone gritted their teeth. Although they were unwilling, they still walked into the house.

"You should go too." At this moment, Xu Huaigu looked at Qin Yu.

Qin Yu hurriedly shook his head and said, "Senior, if I can stop a martial saint, at least I can share the pressure with you."

"No need. One more and one less won't change anything." Xu Huaigu shook his head.

Qin Yu opened his mouth and wanted to say something, but he was interrupted by Xu Huaigu's wave of his hand.

“This is my dao technique and the reason for my existence. Go.” Xu Huaigu said quietly.

Qin Yu was stunned. He gritted his teeth and cupped his hands, “Senior, please take care of yourself.”

Then, Qin Yu quickly hid in the room.

Everyone was hiding in this room, but their eyes were looking out the window.

“Senior Xu Huaigu will be fine, right?” Zhuang Teng said with a frown.

Qin Yu did not say anything. Although he did not want to admit it, it would not be easy to fight against so many martial saints.

“I hope everything is fine...” Qin Yu sighed in a low voice.

At the foot of the nine pinnacles mountain.

Gu Xinghe led the nine martial saints and walked up the mountain.

Every step they took seemed to land on the hearts of everyone. It was extremely heavy.

“Young master Gu.” At this moment, Zhai Xing suddenly opened his mouth as if he wanted to say something.

However, Gu Xinghe said coldly, “Uncle Zhai Xing, if you still acknowledge my father, don’t Say Anything.”

Seeing this, Zhai Xing could only sigh slightly and say nothing.

Very soon, Gu Xinghe appeared on the top of the mountain.

His gaze swept across the entire mountain, and finally landed on Xu Huaigu.

Xu Huaigu's eyes were slightly closed, and his expression was indifferent. He still looked like an immortal.

Gu Xinghe sneered and walked straight to Xu Huaigu, saying, "Xu Huaigu, they robbed the JINGDU martial arts association. This is a capital crime. You should understand, right?"

Xu Huaigu closed his eyes slightly and did not speak.

Gu Xinghe continued, "If you're sensible, hand them over."

Xu Huaigu remained silent.

Gu Xinghe snorted lightly, "You should know what crime it is to shield a criminal, right?"

Hearing this, Xu Huaigu finally spoke.

He looked at GU xinghe and said, "Does the JINGDU martial arts association still have the right to convict people?"

Gu Xinghe narrowed his eyes and sneered, "So, you're not going to hand him over?"

"There are some things that you don't need to know." Xu Huaigu shook his head.

"Okay!" Gu Xinghe seemed very satisfied with this answer.

He leaned against Xu Huaigu's ear and whispered, "I was really afraid that you would hand him over because then I would have no reason to kill you..."

After he had said this, Gu Xinghe took a few steps back.

He looked at Xu Huaigu coldly and said, "Xu Huaigu harbors criminals and is as guilty as the criminals! Everyone, listen up and bring him back!"

The Nine Martial Saints took a step forward in unison!

Zeng Ji, who had suffered a loss the last time, seemed to want to regain his face. He took the lead and walked towards Xu Huaigu.

"How dare you, who have never even entered the mystic realm, go against us? I really don't know where you get your confidence from!"

As Zeng Ji shouted angrily, he suddenly clenched his fist and smashed it toward Xu Huaigu's face!

Xu Huaigu's expression did not change. He waved his sleeve, and a force that was both firm and gentle, as well as evil, immediately rushed toward him!

The force on Zeng Ji's fist was instantly dissolved by the GENTLE FORCE! And that firm and fierce force slammed onto Zeng Ji's chest!

"Deng Deng Deng!"

Zeng Ji immediately took a few steps back, and a mouthful of blood gushed out!

Several ribs on his chest had been broken, and large amounts of blood flowed out.

“Damn it!” Zeng Ji was instantly enraged, and his internal Qi surged!

“Trash.” However, at this time, Gu Xinghe shot him a cold glance, and his eyes were filled with ridicule.

“We are not here to play with you.”

Wan Gu Qiong clapped his hands and said with a smile, “Young master Gu is right. I suggest that we all attack together and end this battle as soon as possible. We must kill this Xu Huaigu as soon as possible.”

Gu Xinghe looked at Wan Gu Qiong and nodded slightly, “I agree. Everyone, attack together!”

As soon as he gave the order, eight martial saints walked towards Xu Huaigu at the same time. Only Zhai Xing stood on Gu Xinghe’s side and did not move at all.

Xu Huaigu remained calm when facing these eight martial saints.

It was as if he had already anticipated his ending and had already disregarded his life and death.

In the room, Qin Yu and the others had extremely ugly expressions on their faces!

Even if Xu Huaigu was extremely capable, how could he deal with the eight martial saints!

Chapter 960: Chapter 960, the descent of Jiang He!

These eight martial saints looked at Xu Huaigu coldly. A great battle was about to break out at any moment!

“Old Man, go to Hell!”

With a furious roar, the great battle officially began!

The eight martial saints attacked almost at the same time! Their swift and fierce moves shook the entire nine Pinnacles Mountain!

Xu Huaigu’s expression was calm, and his movements were even more elegant and natural.

His two large sleeves carried a gentle and fierce force as he faced the eight of them at a moderate pace.

The moves were dodged one by one. What was shocking was that Xu Huaigu’s movements were incomparably elegant, and he actually easily dodged every move!

“Senior Xu is so strong!”

Seeing this scene, everyone couldn’t help but clench their fists!

Qin Yu was also somewhat shocked.

Xu Huaigu’s strength seemed to have improved a bit!

“Boom!”

The explosions outside continued. Even Qin Yu and the others were affected.

Their eyes were fixed on the outside, and their hearts were in their throats.

Gu Xinghe and the others were not in a hurry. Eight Martial Saints could grind Xu Huaigu to death!

“Why don’t you go?” Gu Xinghe glanced at Zhai Xing and asked.

“There’s no need for that,” Zhai Xing said.

Gu Xinghe snorted lightly and said, “Is there no need, or do you not want to go?”

Zhai Xing did not respond, but his intention was very obvious.

“Uncle Zhai Xing, I have to remind you that you are a member of the second mystic realm,” Gu Xinghe snorted lightly.

Zhai Xing nodded and said, “I know. I will always be a member of the second Mystic Realm.”

“Boom!”

At this moment, Xu Huaigu waved his palm and slapped a martial saint back!

“You have some ability!” This made many martial saints laugh coldly.

It was obvious that Xu Huaigu’s strength was much stronger than they had imagined.

In the room, Qin Yu frowned.

Through this short exchange, Qin Yu had already struck out Xu Huaigu's advantage and weakness.

His advantage was that he was still able to face many people calmly and easily. However, his disadvantage was also extremely obvious.

Perhaps it was because of Xu Huaigu's cultivation path that his moves did not have any fatal ability. In fact, he could not even injure his opponent in a short period of time!

If this continued, it would not be long before Xu Huaigu would fall into a disadvantageous position!

"Those eight martial saints don't seem to have used their full strength." Qin Yu muttered in a low voice.

Yao Meng, who was at the side, also nodded and said, "Other than Zeng Ji, the others seem to be testing senior Xu's foundation."

"To be able to deal with eight martial saints to such an extent is already not bad." Qin Yu sighed.

Just as the two of them were chatting, the great battle outside had already turned around!

These martial saints' internal Qi had erupted to the extreme at the same time, and their techniques had also become even fiercer. Each of their attacks were aimed at Xu Huaigu's vital points!

"Dong!"

In just a few short minutes, Xu Huaigu had already received a punch to his chest!

This punch had directly pierced through Xu Huaigu's chest, and fresh blood gushed out like a fountain!

Xu Huaigu stood up from the ground and once again came forward to receive the punch.

However, as the battle continued, Xu Huaigu's flaws grew more and more, and the injuries on his body became more and more obvious!

“Bang!”

Another palm strike struck Xu Huaigu's chest!

His body was instantly sent flying, and fresh blood spurted out from his mouth!

“Senior Xu!” Qin Yu's pupils instantly constricted upon seeing this!

He clenched his fists, and his face was filled with worry.

Xu Huaigu tried to get up from the ground. However, as soon as he stood up, a palm descended from the sky and slammed him onto the ground once again!

“Pu!”

Fresh blood gushed out from Xu Huaigu's mouth. The fresh blood had completely dyed his white clothes red!

Many martial saints looked at Xu Huaigu with a playful expression. The mocking smile on their faces made this scene even more cruel and tragic!

“I have to say, you do have some strength. It's a pity that your methods are too gentle.” A martial saint commented.

“You are truly a benevolent person. How can you kill an enemy with such methods?” A martial saint beside him also mocked.

“Xu Huaigu, you are also considered a talent. Why Don’t you follow us? Perhaps, it will bring you a second spring.”

In the face of everyone’s words, Xu Huaigu did not say a word. He stood up from the ground once again.

“Boom!”

A Ray of light pierced through his abdomen!

“Whoosh!”

Another ray of light pierced through Xu Huaigu’s calves!

Xu Huaigu fell to the ground with a “Bang” sound. He kept spitting out blood from his mouth.

Even so, Xu Huaigu still stood up with great difficulty and walked towards these martial saints!

Zhai Xing, who was not far away, seemed to be unable to bear it. He turned his head to the side and could not bear to watch any longer.

“You are really stubborn.” A martial saint sneered.

“I want to see how many times you can stand up!”

A Ray of light descended from the sky and once again slammed Xu Huaigu onto the ground!

However, Xu Huaigu stood up once again!

Once, twice, thrice! Countless times, Xu Huaigu fell, got up, got up, and fell again!

“Senior Xu!” In the room, everyone’s eyes could not help but tear up!

Looking at such a tragic Xu Huaigu, everyone was touched.

Qin Yu was even more dumbfounded. He gritted his teeth and turned to look at Zhuang Teng.

“Give me your sword!” Qin Yu gritted his teeth and said.

“What are you doing?” Yao Meng frowned.

Qin Yu gritted his teeth and said, “I can’t just watch senior Xu Huaigu die in front of me!”

“Qin Yu, you’d better calm down.” However, Yao Meng shook her head.

She pointed at Zhai Xing who was beside Gu Xinghe and said, “Zhai Xing hasn’t made his move yet. If you join him, Zhai Xing will definitely make his move too. I’m afraid the outcome will be even worse.”

“Then what should we do? Are We just going to sit and wait for death?” Kong Yun shouted.

“If senior Xu Huaigu dies, how can we live alone? !”

Yao Meng opened her mouth, but for a moment, there was nothing she could say.

Xu Huaigu fell to the ground again and stood up again.

A total of eighteen times.

Anyone who saw such a scene could not help but shed tears.

Every time he stood up, he tried to get close to them.

His stubborn attitude moved people.

Qin Yu's expression changed. He had suddenly guessed something!

“Senior Xu Huaigu... he wants to self-destruct!” Qin Yu's expression changed drastically!

Was this the reason why Xu Huaigu had been trying to get close to them! !

Outside the door.

A martial saint said with a cold smile, “Xu Huaigu, you are already very good to be able to do this.”

“Yes, I can not bear to see you struggling so hard.”

“Send him on his way. This way, at least he will suffer less.”

Wan Gu Qiong, who was not far away, sneered and said, “It is already not bad for a person who has not stepped into the secret territory to have such skills. I hope that you can reincarnate into a secret territory aristocratic family in your next life.”

“Not bad, to be able to be on par with the martial saint in our secret territory, you are indeed worthy of praise.”

Just as everyone was secretly harboring killing intent, they suddenly felt an internal Qi approaching from not far away.

“Is the martial saint in the secret realm superior to others?”

A voice entered everyone’s ears!

They raised their heads and saw a man walking over!

“Senior Jiang He!” Upon seeing him, Qin Yu was instantly surprised and delighted!

Chapter 961: Chapter 961, the descent of Jiang He!

Not far away, an old man was slowly walking over.

Although his face looked a bit old, his spirit was like that of a young man.

Compared to the last time they met, Jiang he seemed a few years younger this time.

He walked towards Xu Huaigu with light steps.

“It’s really Jiang he!”

Some people in the room recognized Jiang he.

No one had expected Jiang he to appear at this time!

“He seems to have entered the martial Saint Realm!” Someone exclaimed.

Qin Yu was extremely excited. Judging from Jiang he’s condition, he must have entered the martial saint realm!

Gu Xinghe's eyes narrowed slightly.

He sized up Jiang he and sneered, "Just in time. I'll kill him too."

Then, Gu Xinghe looked at Zhai Xing.

"I've let him escape before. This time, kill him in front of me," Gu Xinghe said coldly.

Zhai Xing gritted his teeth. He had let Jiang he go several times before. This time, he was afraid that he would not be able to do it.

Jiang he walked toward Xu Huaigu step by step.

He came to Xu Huaigu's side and helped him up.

At this moment, Xu Huaigu was extremely weak. He had intended to self-destruct, but he did not expect to survive.

"Go and rest." Jiang he said.

Xu Huaigu opened his mouth and wanted to say something. However, he was interrupted by Jiang he's wave of his hand.

"Another one has come." Many martial saints could not help but ridicule him.

"Do you also want to Die?" Someone asked.

Jiang he ignored them. He swept his gaze across the crowd and said coldly, "Let's go."

Everyone was stunned. It seemed that they did not understand what Jiang he meant.

“What did you say?” Zeng Ji scratched his ear and took a step forward.

Jiang he repeated, “You guys go. Leave this place.”

“Hahahahaha!” When Zeng Ji heard this, he could not help but burst into laughter.

“What if we don’t Leave?” Zeng Ji raised his eyebrows and said with a playful tone.

Jiang he glanced at him and said indifferently, “If we don’t leave, we won’t be able to leave.”

A trace of ridicule flashed across everyone’s faces.

We won’t be able to leave? How could this person be so arrogant?

Did he want to fight against the Nine Martial Saints alone?

“Old Man, I think you’re not thinking clearly.” Zeng ji laughed coldly.

“A new martial saint dares to say such arrogant words!”

Jiang he ignored Zeng Ji and looked at Gu Xinghe who was not far away.

“Are you leaving or not?” Jiang he asked.

Gu Xinghe raised his eyebrows and said with a faint smile, “Everyone says that you, Jiang he, are the number one genius in the world. I’ve heard a lot about you, but I’ve never seen your skills.”

“Since we’ve met today, why don’t you show us your skills?”

Jiang he's face turned cold and he said coldly, "I've given you a chance."

"F \* ck you!"

Zeng ji shouted angrily and took the lead to charge at Jiang He!

His iron fists were aimed at Jiang he's face!

Jiang he dodged lightly and easily dodged.

Before Zeng Ji could regain his senses, Jiang he had already slapped Zeng Ji's chest!

That extremely fast speed even left an afterimage in the air!

"Bang!"

A crisp sound was heard.

Zeng Ji's body was directly sent flying!

Not only that, the penetrating force of that palm even directly pierced through Zeng Ji's chest!

Everyone could not help but widen their eyes, and their expressions changed abruptly!

Just one palm had dealt with Zeng Ji? ? ! What kind of technique was this?

In the room, Qin Yu and the others could not help but shout excitedly!

No one had expected that Jiang he, who had entered the martial saint stage, would be so powerful!

Unlike Xu Huaigu, Jiang he's moves were extremely sharp and full of murderous intent.

As long as one touched it, one would either die or be injured!

In fact, Xu Huaigu was not inferior to Jiang he. It was just that the Great Dao that he followed always allowed him to hold back his moves!

Zeng Ji's primordial spirit was still trying to escape, but Jiang he waved his hand and instantly crushed Zeng Ji's primordial spirit!

Everyone could not help but feel ashamed.

Jiang he's methods were actually so cold and cruel?

Qin Yu in the room seemed to have noticed something as well.

Previously, Jiang he had long gone into seclusion. Qin Yu had witnessed his methods.

At that time, Jiang he definitely could not have done it so cleanly.

But now, without saying a word, he had crushed Zeng Ji's primordial spirit.

This was enough to prove that Jiang he had also found his own path!

The faces of all the martial saints present also became solemn.

One after another, they took a step back and looked at Jiang he in front of them with vigilance.

“He’s quite capable,” someone said in a low voice.

“Looks like we can’t hold back anymore. We must think of a way to kill him immediately.”

Gu Xinghe gave the order directly and shouted, “No matter what method we use, kill him!”

The seven martial saints shouted and revealed their trump cards one after another as they charged towards Jiang he!

Jiang he raised his palm and appeared extremely calm when facing the seven martial saints.

“Boom!”

The explosions outside continued. Jiang he was fighting against seven martial saints by himself. He was not at a disadvantage at all.

Jiang he’s palm carried rays of mysterious light. The moment he waved his hand, it seemed as if he had struck out dozens of palms!

Those palm prints were clearly afterimages left behind by his palm. However, as long as they came into contact with them, they would either kill or injure him!

What was even more shocking was that those afterimages could gather on his palm and erupt with incomparably terrifying power!

Relying on this pair of palms, Jiang he’s figure did not move at all, and he was in an invincible position!

“Bang!”

Just as everyone was shocked, Jiang he's figure suddenly disappeared.

Before everyone could recover from their shock, Jiang he had already arrived behind one person, and his qi palm smashed his opponent's head into pieces!

"What speed!" Everyone exclaimed.

Qin Yu, on the other hand, recognized this move!

This was the line formula of the nine secrets!

Jiang he had actually used it in battle!

That extremely fast speed was like a ghost, making people unable to grasp it!

Jiang he had used the line formula to the extreme. Relying on his graceful steps and sharp techniques, he had killed four martial saints in the blink of an eye!

Looking at the four people who had fallen to the ground, the Martial Saints present were also afraid.

They all retreated to the back of Gu Xinghe one after another. They all looked as if they had lost their will to fight.

Gu Xinghe's expression was also a little ugly.

Just as they were about to succeed, unexpectedly, Jiang he suddenly appeared out of nowhere. Moreover, he was so powerful!

"Lord Zhai Xing, we're counting on you!" A martial saint said.

Zhai Xing frowned slightly. He looked at Gu Xinghe as if he was waiting for Gu Xinghe's order..

Chapter 962: Chapter 962, different paths

Jiang he's strength had completely exceeded Zhai Xing's expectations.

At this moment, even Zhai Xing regretted not getting rid of Jiang he earlier.

“Hehe.” Finally, Gu Xinghe spoke.

He glanced at Jiang he in front of him and said indifferently, “The famous Jiang he really lives up to his reputation.”

Jiang he looked at Gu Xinghe and said, “Let's go. Don't set foot here in the future.”

Gu Xinghe narrowed his eyes. A moment later, he sneered and said, “Alright, I'll give you face today.”

This sentence immediately shocked everyone.

Gu Xinghe actually agreed to Jiang He's request ?

This did not suit his personality.

“Let's go.” Gu Xinghe turned around and planned to leave.

Zhai Xing furrowed his brows tightly. He took a deep look at Jiang he and followed behind Gu Xinghe down the mountain.

It was not until they descended the mountain that Zhai Xing could not help but ask, “Why don’t you let me take action?”

Gu Xinghe glanced at Zhai Xing and said, “Is there any use for you to take action now?”

Zhai Xing knew that this matter was caused by him, so he said with some guilt, “I will handle this matter.”

“There’s no need.” Gu Xinghe waved his hand and then sneered, “There’s no need for you to act.”

“What do you mean?” Zhai Xing asked in confusion.

Gu Xinghe sneered, “Someone will do it.”

Zhai Xing frowned. He suddenly raised his head and said in a low voice, “You mean... The Sky Blood Rainbow?”

“That’s right.” Gu Xinghe took a deep breath.

“I want to divert the trouble and let the Sky Blood Rainbow interfere in this matter.”

Speaking up to this point, Gu Xinghe did not forget to win over the hearts of the people.

He glanced at Zhai Xing and said, “Even if you can beat Jiang He, I’m afraid it will be very difficult. I don’t want to see anything happen to you.”

Zhai Xing, who had a pure nature, did not know what Gu Xinghe was thinking.

His eyes were a little touched, touched, and also a little guilty.

“Young Master Gu, I’m sorry...”Zhai Xing bowed and said.

Gu Xinghe could not help but sneer in his heart. He patted Zhai Xing’s shoulder and said, “Uncle Zhai Xing, you’re being too polite. Get in the car.”

Everyone left nine Pinnacles Mountain.

The mountain was already in a mess.

Qin Yu and the others ran out of the house. He rushed to Xu Huaigu and asked in a low voice, “Senior, how do you feel?”

Xu Huaigu waved his hand. He opened his mouth but couldn’t say anything.

“I’ll leave Xu Huaigu to you,”Jiang he said.

Qin Yu nodded and said, “Senior Jiang he, don’t worry.”

With that, Qin Yu carried Xu Huaigu on his back and walked into the room.

Xu Huaigu’s internal and external injuries had impacted his internal organs.

Qin Yu first sealed his mingmen and then prepared to refine pills.

He wrote a prescription and handed it to Zhuang Teng.

“Buy the medicine according to this prescription,”Qin Yu said.

Zhuang Teng quickly nodded. After he took the prescription, he planned to go down the mountain.

“I’ll go with you,” Chang Mang said in a deep voice.

Zhuang Teng agreed and the two of them rushed down the mountain.

“Don’t Tell Me Gu Xinghe and the others are lying in ambush at the foot of the mountain?” Yao Meng asked with a frown.

Hearing this, Qin Yu could not help but feel a little worried.

If they met Gu Xinghe, they were afraid that they would be doomed.

Everyone waited on the mountain. Fortunately, this trip was not dangerous. In the evening, the two of them rushed back.

“How is it? Nothing happened on the way, right?” Qin Yu asked.

Zhuang Teng shook his head and said, “No.”

Qin Yu grunted in gratitude. He didn’t say anything more. After taking the herbs, he began to refine pills.

He took out the pill cauldron, and a wisp of spiritual fire lit up in his palm.

The moment the flame fell, the herbs shrank in the pill cauldron.

Everyone surrounded the pill cauldron, seemingly quite interested.

Qin Yu spent most of the night refining three kinds of pills. They were the meridian-protecting pill, the nine Yang Pill, and the Jade Dew Pill.

These three kinds of pills were used to protect the vital meridians, and to treat internal and external injuries.

After feeding these three kinds of pills to Xu Huaigu, his breathing immediately became much more stable.

“Is that enough?” Yao Meng asked softly.

Qin Yu grunted and said, “I’m afraid that senior will need to rest for a period of time.”

Xu Huaigu nodded slightly and said, “Thank you.”

Qin Yu smiled bitterly and said, “I should be thanking you. Senior, tell me, if senior Jiang he doesn’t come, are you planning to self-destruct?”

Xu Huaigu didn’t answer, but his silence had already indicated his answer.

“Senior, your selflessness is admirable.” Qin Yu couldn’t help but cupped his hands to Xu Huaigu.

The others also bowed to Xu Huaigu.

Xu Huaigu waved his hand and said, “Maybe the path I’m taking is wrong.”

Everyone was speechless, as if they didn’t understand what Xu Huaigu meant.

However, Qin Yu understood what Xu Huaigu was thinking.

After this battle, Xu Huaigu probably regretted the path he had chosen.

If he was like Jiang he, and every move was decisive and decisive, why would he have to walk the path of self-destruction ?

“Senior, rest well.”Qin Yu bowed to Xu Huaigu.

“I’ll stay and take care of senior Xu,”Yao Meng said.

Qin Yu grunted and said, “Thank you for your hard work.”

After walking out of the room, Qin Yu glanced at everyone and said, “Everyone, rest early.”

“Okay.”They all nodded.

After everyone left, Qin Yu was silent for a moment. Then, he followed Jiang he’s internal Qi and walked into a certain room.

Jiang he seemed to have expected Qin Yu to come. When Qin Yu opened the door, he was sitting quietly in front of the table and making a pot of tea.

“Senior Jiang He.”Qin Yu walked forward and leaned forward slightly.

Jiang he nodded and poured a cup of tea for Qin Yu.

“Senior, when did you enter the Martial Saint Stage ?”Qin Yu asked with some doubt.

Jiang he said, “Three days ago.”

Qin Yu was silent for a moment before he said, “Senior, you also comprehended your own dao techniques before you entered the Martial Saint Stage, right ?”

This surprised Jiang he.

“You actually know how to comprehend dao techniques. I spent more than a month to understand this principle.” Jiang he shook his head slowly.

“No wonder Ji Yuhong thinks so highly of you.”

Qin Yu smiled bitterly and said, “I only understood this principle when I was discussing dao with senior Xu Huaigu. It’s just that... I haven’t been able to find my own dao. I wonder if senior can give me some pointers..”

Chapter 963: Chapter 963, Gu Xinghe’s treacherous scheme

Qin Yu looked at Jiang he eagerly, his eyes filled with anticipation.

However, Jiang he shook his head and said, “Since you already know how to comprehend the DAO, you should understand that only by comprehending your own path can you become a martial saint.”

“Moreover, only you know your own path.”

Qin Yu was speechless.

That’s right, even he himself did not understand his own path, what more others?

“I understand.” Qin Yu nodded slightly.

“Comprehending Dao techniques is not a short process. Many people may spend decades or even a lifetime,” Jiang he said.

“Martial saints are like a fork in the road that decides which direction you want to go.”

Qin Yu stood up and nodded, “Yes, thank you for your guidance, Senior.”

After he finished speaking, Qin Yu left.

In the next few days.

Besides refining pills for Xu Huaigu, Qin Yu was also looking for his own path.

The news of Jiang he stepping into the martial saint realm also spread quickly.

This was like a heart-strengthening drug, causing everyone to heave a sigh of relief.

When the news of the battle at the nine Pinnacles Mountain spread out, everyone became even more excited!

“This is enough to prove that the martial saints who have emerged from the current era are even more powerful than the old martial saints in their secret realm!”

“As long as someone steps into the martial saint realm, he or she will be able to fight against ten of them alone!”

“I wonder who will be the next person to step into the Martial Saint Realm!”

While everyone was excited, Gu Xinghe came to the immortal slaying sect.

The immortal slaying sect looked extremely weak and was different from the top sects in their impression.

Besides the white bone army, there was only Tian Xuehong here.

“Why? Are You Looking for me?” Looking at Gu Xinghe who suddenly came to visit, Tian Xuehong opened his eyes slightly.

Gu Xinghe sat opposite Tian Xuehong. He played with a bead in front of him and said indifferently, “Don’t you want to devour a warrior’s spiritual sense? I have a good place to go.”

“Nine Pinnacles Mountain?” Tian Xuehong said with a faint smile.

Gu Xinghe was stunned and asked, “How do you know?”

Tian xuehong sneered, “Gu Xinghe, you want to use me as a spear? Do you think you are qualified?”

Gu Xinghe’s brows immediately furrowed tightly.

“Why? Are You Afraid?” Gu Xinghe raised his brows and asked.

Tian xuehong asked back, “If you aren’t afraid, Why don’t you go?”

“I don’t have your Skeleton Army. If you’re willing to lend me your skeleton army, I’ll flatten nine Pinnacles Mountain Tomorrow!” Gu Xinghe said coldly.

“Don’t Tell Me Your Skeleton Army is afraid of Jiang he?”

Tian xuehong snorted and said, “Jiang he is nothing in front of my skeleton army, but I won’t go to nine Pinnacles Mountain.”

“Why?” Gu Xinghe frowned.

Tian Xuehong said indifferently, “Because there’s no need. I have already found the top-notch cultivation method of the immortal slaying sect.”

“Top-notch cultivation method? What is that?” Gu Xinghe continued to ask.

However, Tian Xuehong closed his eyes and seemed unwilling to answer this question.

Gu Xinghe did not ask for trouble. He snorted lightly and turned to leave.

After getting into the car, Long Mei asked, “Young Master Gu, How is it?”

Gu Xinghe snorted coldly, “This is more cowardly. It seems that his army of white bones is just an empty title!”

Long Mei said in a deep voice, “Then what should we do?”

Gu Xinghe narrowed his eyes and said, “There are some things that he can not do just because he doesn’t want to!”

“Since he doesn’t want to do it, then I will force him to do it!”

After he finished speaking, Gu Xinghe waved his hand and said, “Let’s start the car.”

In the immortal slaying sect, Tian Xuehong slowly opened his eyes.

With a wave of his hand, thirteen white bones appeared in front of him!

Each of these thirteen white bones had the ability to tear a martial saint apart!

Looking at the thirteen white bones in front of him, the smile on Tian Xuehong's face became even wider.

He raised his hand, and the bodies of these thirteen white bones began to emit rays of light.

The light entered the center of Tian Xuehong's brows, and a relaxed expression appeared on his face.

A moment later, the corner of Tian Xuehong's mouth curled up into a cold smile.

“Back then, the immortal slaying sect used a secret technique to absorb the spiritual senses of tens of thousands of warriors and formed the Supreme Sect!”

“Today, I will imitate the Ancients and use a secret technique to form my supreme true body and step into the peak once again!” Tian Xuehong said with a heroic expression!

The reason why he didn't need to step on the nine pinnacles mountain was because he had found the secret technique of the immortal slaying sect!

As long as he successfully laid down this secret technique, he could absorb the spiritual sense of martial artists on a large scale to become himself!

“Just you wait. All of you will become a part of my body!” Tian Xuehong grinned and revealed a cruel smile.

...

The nine pinnacles mountain was peaceful.

Many people followed behind Jiang he and learned spells from him.

Qin Yu was an exception. The spells he mastered were no less than Jiang he's, so he didn't need to learn.

Qin Yu spent most of his time looking for his own path of cultivation.

But every time Qin Yu closed his eyes, hundreds of paths appeared in front of him.

Every path was waving at Qin Yu.

Even Qin Yu himself could not figure out which path to take.

In just a few days, Qin Yu had become thinner.

Not only that, these few days, Qin Yu's mouth kept bleeding from time to time.

The wound on the golden core in his body seemed to have expanded again.

"I'm really worried..."Qin Yu muttered in a low voice.

"After I find my own path, maybe I should go look for the heavenly vanilla,"Qin Yu thought to himself.

...

Jingdu martial arts association.

There was a person standing in Gu Xinghe's office.

This person was exuding an eerie internal QI, and his body was wrapped in a black robe.

This person was none other than he teng!

“Young Master Gu, Why are you looking for me...”he teng became more and more sinister, making people shudder. Even Gu Xinghe felt a bit uncomfortable.

He frowned and said, “I want you to kill someone, but the scene of the murder must be made to look like Gu Xinghe did it.”

“In other words, I want you to absorb spiritual sense. Can you do it?”

He teng grinned and said, “For me... It’s easy. You just need to tell me who to kill...”

Gu Xinghe took out a document and threw it to he teng.

The document was filled with people’s names.

When he saw the names clearly, he Teng’s lips curled into a cold smile.

“So many people... Jingdu martial arts association, are they so bold now...”He Teng said darkly.

Gu Xinghe said with a gloomy face, “It’s not that Jingdu martial arts association is bold, it’s that tianxue Hong is bold.”

He Teng said with a faint smile, “I understand. I’ll do it tonight...”

Chapter 964: Chapter 964, extermination

He Teng took the document, turned around, and walked out of the office.

As soon as he walked out, he bumped into Zhai Xing.

Zhai Xing had a very bad impression of He Teng. When he saw the document in his hand, he immediately said with a sullen face, “Bring it over for me to see.”

He Teng originally wanted to refuse, but the oppressive feeling that Zhai Xing gave off made him have no choice but to comply.

Looking at the list of names on the document, Zhai Xing’s expression became even more unsightly.

He returned the document to he teng, then quickly walked into the office.

“Young master Gu, You... you want to make a move against the Jingdu aristocratic families ?”Zhai Xing asked with an extremely unsightly expression.

Gu Xinghe lightly snorted, “Yes, they have no respect for the Jingdu Martial Arts Association at all. I have to do something.”

“But... isn’t exterminating a family too cruel ?”Zhai Xing said in a low voice.

Gu Xinghe sneered, “Cruel ? I don’t think so. Besides, this was done by the Heavenly Blood Rainbow, not me !”

“What you did is no different from what the Heavenly Blood Rainbow did. Can’t those aristocratic families guess your relationship with the Heavenly Blood Rainbow ? !”Zhai Xing shouted.

Gu Xinghe sneered, “That’s what I Want! If they can’t guess that it has something to do with me, then what’s the point of me doing all this? How can I Make Them Afraid of Me?”

“This way, I can make tianxue Hong take the blame and Make Them Afraid of me. Killing two birds with one stone!”

Zhai Xing was dumbfounded.

He looked at the Gu Xinghe in front of him, whom he had grown up with, and felt a little unfamiliar.

Such ruthlessness made Zhai Xing feel a little sorry for him.

“Alright, you don’t have to ask what you shouldn’t ask,”Gu Xinghe said with a sullen face.

Zhai Xing gritted his teeth, and in the end, he could only bear the pain and sigh.

...

The next day.

Qin Yu strolled on the nine pinnacles mountain every day.

He sometimes walked to the top of the mountain, and sometimes to the foot of the mountain. All he could think about was his own dao techniques.

Just as he walked to the top of the mountain, he suddenly heard a cry from the room.

Hearing the cry, Qin Yu rushed into the room.

As soon as he entered, he saw Zhuang Teng's face was full of anger, and his face was full of tears.

He grabbed the Taihe sword and was about to rush down the mountain as if he had gone mad.

Yao Meng and the others held onto Zhuang Teng tightly and kept advising him, "Zhuang Teng, calm down!"

Zhuang teng screamed, "How can I calm down! I'm going to kill Tian Xuehong, I'm going to kill him! ! !"

Qin Yu rushed forward and frowned, "What's going on? What Happened?"

Kong Yun handed Qin Yu his phone.

On the phone, there was an extremely bloody picture with a shocking title:

Late Last Night, the Zhuang family was exterminated. Currently, it was speculated that it was done by the Heavenly Blood Rainbow.

In the picture, dozens of people from the Zhuang family were lying in a pool of blood.

Their bodies looked almost shriveled, and their spiritual senses were drawn out. It indeed looked like it was done by the Heavenly Blood Rainbow.

Looking at this picture, Qin Yu's heart suddenly pounded, and his expression became even more unsightly.

“How could this be...”Qin Yu muttered softly and looked at Zhuang Teng with heartache.

Zhuang Teng was an extremely hospitable person, and he had an extremely close relationship with his family.

Now that his entire family had been wiped out, how could he not be angry!

“Sob, SOB, sob...”

Zhuang Teng covered his face and knelt on the ground.

The hand that was holding the Taihe sword also unconsciously loosened.

“If it weren’t for me taking the Taihe sword away, they wouldn’t have died... They would definitely be able to protect themselves. It’s all my fault, it’s All My Fault...”Zhuang Teng collapsed on the ground, tears streaming down his face.

Qin Yu was even more upset. Waves of uncontrollable killing intent filled his heart!

Zhuang Teng had taken out the Taihe Sword in order to save himself.

Now that such a thing had happened, Qin Yu was naturally responsible as well.

“Please let me go. I’m begging you. I want to go home... I want to kill Tian Xuehong...”Zhuang Teng kept sobbing, looking extremely pitiful.

“Even if you go down the mountain now, can you kill Tian Xuehong?”The people around could not help but sigh.

“We understand your feelings, but isn’t their goal to make us go down the mountain?”

Zhuang Teng raised his head and said in pain, “I want to go down the mountain to collect my parents’ bodies. is that not possible?”

“I’m the only one left in the Zhuang family. If I don’t go back, their bodies will definitely be lying in the wilderness...”

Hearing this, everyone was speechless.

“I’ll go down the mountain with you.”

At this moment, Qin Yu took a deep breath and said in a deep voice.

Hearing this, everyone immediately frowned.

“Qin Yu, why are you also making a fuss? You were their target to begin with. If you go down the mountain, they will not let you off!” Yao Meng said.

Qin Yu shook his head. He looked at everyone and said, “If this was really done by the Heavenly Blood Rainbow, then the Zhuang family will not be the only one.”

“Only when someone goes down the mountain can we quell this disaster. And that person can only be me,” Qin Yu said.

“I’ll go with you!” Chang Mang said hurriedly.

Qin Yu shook his head and said, “There’s no need. One more person and one less person. It doesn’t make much sense.”

Then, Qin Yu looked at Zhuang Teng. He bent down and said, “Zhuang Teng, I’ll bring their corpses back to you.”

Zhuang Teng grabbed his hair and said in pain, “Okay, okay...”

Qin Yu said goodbye to everyone, then turned around and prepared to go down the mountain.

“Wait...”

At this moment, Zhuang Teng suddenly called out to Qin Yu.

He handed the Taihe Sword to Qin Yu and said in a trembling voice, “If you can kill Tian Xuehong, I hope... I hope you can use this sword to kill him...”

Qin Yu could not help but be stunned. Then, he pushed the sword back.

“Zhuang Teng, I hope you can take revenge on your own.” Qin Yu took a deep breath.

“If you can’t do it, I will help you do it.”

“No matter what, I will let you kill Tian Xuehong with your own hands!”

Zhuang Teng was stunned. He looked at Qin Yu in a daze and tears flowed out again.

“Good, good...” Zhuang Teng clenched his teeth.

Qin Yu did not say anything more. He turned around and walked down the mountain.

At this moment, other than feeling heartache, there was also a hidden anger in the depths of Qin Yu's heart.

The anger was like a ferocious beast being locked in a cage, and this cage seemed to be about to be broken through..

Chapter 965: Chapter 965, my own path

After Qin Yu came down from the nine Pinnacles Mountain, he rushed straight to the Zhuang family.

At this moment, the vicinity of the Zhuang family had already been isolated. Without permission, no one was allowed to come near.

When Qin Yu arrived at the Zhuang family, his expression immediately became a little ugly.

The Zhuang family, which had once enjoyed life day and night, was now in a state of decline.

Even though they were very far away, Qin Yu could smell the faint yin qi that was emitted from the manor.

Qin Yu took a deep breath, his figure flashed explosively, and he stepped into the manor.

On the ground, there were corpses one after another. These corpses were so tragic that anyone who saw them would find it hard to accept.

Looking at the surrounding scene, Qin Yu's expression became increasingly gloomy.

“F \* ck... Sky Blood Rainbow...”Qin Yu’s eyes were bloodshot and filled with fury!

He bent down and picked up a corpse, preparing to put it into the spatial artifact.

However, the moment he picked up the corpse, Qin Yu couldn’t help but frown slightly.

Although these corpses had their divine senses absorbed, they were somewhat different from Sky Blood Rainbow’s methods.

Qin Yu had seen with his own eyes sky blood rainbow’s methods. The evil ghosts he summoned would directly extract a person’s divine sense.

And the corpses in front of him seemed to have forcefully taken away a person’s spiritual sense after killing them.

“I seem to have seen this method before...”Qin Yu muttered in a low voice.

At this moment, Qin Yu’s pupils suddenly constricted as he thought of a person!

He Teng!

This method was extremely similar to He Teng’s methods!

“Could it be... He Teng did it!”Qin Yu’s expression became even colder.

Before Qin Yu could think, he felt someone approaching.

Qin Yu didn’t dare to waste any more time. He quickly put away the corpses and turned around to leave.

Not long after Qin Yu left, Gu Xinghe rushed over.

Looking at the corpses that were taken away, Gu Xinghe couldn't help but curse.

"I miscalculated!" Gu Xinghe gritted his teeth, his face getting gloomier and gloomier.

"I knew it. Someone must have taken the body away, and that person is most likely Qin Yu!"

Zhai Xing sniffed his internal qi and nodded, "It is indeed Qin Yu."

"Damn it!" This made Gu Xinghe even angrier!

He punched the wall hard and couldn't help but curse, "If I knew this would happen, I wouldn't have let the Heavenly Blood Rainbow take the blame!"

"What do you mean?" Zhai Xing frowned.

Before Gu Xinghe could say anything, the long-browed man beside him snorted, "Of course, I'll let Qin Yu take the blame. Master Zhai Xing, did your cultivation damage your brain?"

Zhai Xing didn't say anything and stood there silently.

Gu Xinghe narrowed his eyes and sneered, "It seems that Qin Yu has already left the mountain."

"Do you want me to take action?" Zhai Xing asked.

Gu Xinghe waved his hand and said, “No! I want to use Qin Yu’s hand to get rid of these traitors!”

Ever since the appearance of the Mystic Realm Warriors, the Warriors of the current world had become increasingly dissatisfied with the Jingdu Martial Arts Association.

On the surface, Gu Xinghe did not care at all, but in reality, he had long remembered all these people in his heart.

The Kong family, Yao family, Chu family, and so on all began to oppose the JINGDU martial arts association!

“As far as I know, Qin Yu seems to have mastered a technique called the heaven swallowing technique,” Gu Xinghe sneered.

“This kind of technique can absorb people’s inner strength for its own use, and he has used it many times in public.”

Long Mei suddenly came to a realization, cupped his hands and said, “Young Master GU is wise!”

Gu Xinghe sneered, “Qin Yu, not only do I want you to die, I also want you to die unjustly!”

Thus, Gu Xinghe turned around and returned to his office.

He found he teng again and told him his thoughts.

After he teng heard it, his eyes could not help but light up.

“Young master Gu, this is exactly what I want...” he teng licked his lips and said.

“I was just about to absorb all these people. Thank you, Young Master Gu...”

Gu Xinghe waved his hand and said, “Go. Remember, you have to come one by one and slowly cause panic, understand?”

“Don’t worry, I know this kind of thing...”he teng licked his lips and turned around to leave.

Zhai Xing couldn’t bear it and said, “Do you really want to kill so many people?”

“These people went against my will. They deserve to die!”Gu Xinghe shouted.

Zhai Xing sighed and thought to himself, “Young Master Gu, I’m afraid you’ve Lost Your Mind. If this continues, you’ll never be able to step into the martial saint realm...”

...

On the other side.

Qin Yu brought these corpses back to the nine Pinnacles Mountain.

The moment he saw the corpses, Zhuang Teng immediately burst into tears.

He knelt in front of these corpses that were no longer in human form and cried so many times that he lost his voice.

Everyone saw it and felt pain in their hearts.

“I’m sorry for your loss...”Yao Meng walked forward and comforted him softly.

Qin Yu, who was standing at the side, quietly waited for Zhuang Teng.

After an unknown amount of time, Zhuang Teng’s emotions gradually calmed down.

“Sky Blood Rainbow... I will definitely not let you off!”Zhuang Teng clenched his fists, his eyes almost spitting fire.

At this moment, Qin Yu said in a deep voice, “This matter... may not be done by Sky Blood Rainbow.”

“HMM?”Hearing this, everyone looked at Qin Yu in unison.

Qin Yu immediately explained the technique of Sky Blood Rainbow and the traces left on the corpses.

“I’ve seen the technique of the Sky Blood Rainbow with my own eyes. This definitely wasn’t done by the Sky Blood Rainbow,”Qin Yu said with a sullen face.

“If it wasn’t him, who else could it be?”Yao Meng said with a frown.

Qin Yu took a deep breath and said, “He teng, this is exactly the same as he Teng’s technique.”

“He Teng? Is he the former number one person of the Central Plains?”Kong Yun exclaimed.

Qin Yu grunted and said, “This person is now working for the Jingdu Martial Arts Association. I’m guessing that this was probably done by the Jingdu Martial Arts Association.”

“Jingdu Martial Arts Association!”

Hearing this, everyone’s eyes instantly widened!

“It can’t be. Although the Jingdu martial arts association is disgusting, it wouldn’t do such a vicious thing,”Chu Heng said from the side.

Qin Yu shook his head and said with a bitter smile, “If it was Granny Qin who controlled the Jingdu Martial Arts Association, perhaps she wouldn’t do such a thing. But now the person is Gu Xinghe. Gu Xinghe is already crazy.”

“Of course, this is just my guess.”Then, Qin Yu waved his hand again.

Everyone immediately fell into silence, as if they were thinking about this matter.

“I won’t accompany you guys anymore. I’m going down the mountain.”Qin Yu took a deep breath.

“I’ve already brought back the corpse. Why are you still going down the mountain?”Yao Meng asked.

Qin Yu narrowed his eyes and said, “I’ve gradually found my own path.”

“In other words, I’ve already found the path to become a martial saint..”

Chapter 966: Chapter 966, training the spiritual sense

After hearing Qin Yu’s words, everyone could not help but feel a little surprised. At the same time, they also felt a trace of pressure.

It was extremely difficult to step into the martial saint realm. In the current era, there was not a single young person who had stepped into the martial saint realm.

“Alright, I Won’t talk to you guys anymore. I’m going down the mountain.”Qin Yu waved his hand.

Immediately after, Qin Yu turned around and left the nine pinnacles mountain.

After going down the mountain, Qin Yu returned to Jingdu once again.

He wore a set of sportswear and a hat on his head. He had also restrained his internal Qi to the extreme.

“If this matter was really done by the Jingdu Martial Arts Association, then this is probably just the beginning,”Qin Yu said in a deep voice.

However, with Qin Yu’s current ability, he had no time to care about anything else.

Qin Yu might still have the strength to fight against a martial saint. However, once a second martial saint appeared, Qin Yu would most likely only have the qualifications to run away.

“Pu!”

At this moment, Qin Yu spat out another mouthful of blood from his mouth, and his face instantly turned a few shades paler.

“This won’t do... If this continues, I’m afraid my golden core will be crippled sooner or later.”Qin Yu’s face could not help but be filled with worry.

If he could not resolve the dao injury of his golden core, then it was probably impossible for him to step into the martial saint realm.

Qin Yu wiped the blood at the corner of his mouth and temporarily threw this matter to the back of his mind.

For the entire day, Qin Yu did not leave Jingdu.

He hid in the dark and secretly observed the movements of the various great mystery realms.

Some of the disciples in this mystery realm had already begun to attempt to become martial saints, but most of them were flaunting their might in the martial arts academy.

At night.

Qin Yu found a place to temporarily stay.

He threw a few spiritual stones into the spatial divine artifact and then extended a thread of spiritual sense into the spatial divine artifact.

After stepping into the spatial artifact, the few spirit stones disappeared without a trace.

“This old thing doesn’t think it’s shabby,”Qin Yu thought to himself.

He quickly walked to the vicinity of the Abyss and sat down. Then, he said with a strange tone, “He’s already so old, and he’s still a thief. He’s really F \* cking Shameless.”

A sound came from the bottom of the abyss. “Little Bastard, who are you talking about?”

Qin Yu snorted, “Who knows? I don’t know which shameless person ate my spirit stones.”

“It’s just a few spirit stones, yet you want to be so weird. If this was a thousand years ago, I wouldn’t want it even if you gave it to me.”The light snorted coldly.

Qin Yu mocked, “Is that so? I still have more than a thousand spirit stones here. I wanted to give it to you, but if that’s the case, then forget it.”

After he finished speaking, Qin Yu turned around and was about to leave.

At this moment, there was another movement from the bottom of the abyss.

“If you give me all these spiritual stones, I might be able to try to escape from this abyss,”the other party said.

Qin Yu stopped in his tracks.

He turned around and was silent for a moment. Then, he asked, “Are you serious?”

“More or less. However, if you want to recover to Your Peak, I’m afraid you’ll need tens of thousands of spiritual stones,”he continued to say.

Qin Yu touched his chin and said, “What kind of realm can those thousand spiritual stones allow you to recover to? A martial marquis? Or a martial saint?”

“It shouldn’t be a problem for you to recover to the peak of the Martial Saint Realm.”He said.

When he said this, he paused for a moment and said somewhat seductively, “If I get out of this abyss, I can lend you my power temporarily.”

Qin Yu didn't say anything for a long time.

This old thing was obviously not as gullible as the Earth Fiend Valley's patriarch back then.

If he wanted to buy his power for free, it was probably not that simple.

I have to think of a way to restrain him, Qin Yu thought to himself.

Thinking of this, Qin Yu immediately left this spatial god tool.

After returning to his original body, Qin Yu took out a few more spirit stones and threw them into the spatial god tool.

After doing all this, Qin Yu once again came to the vicinity of the abyss.

“How was it? Did you enjoy your meal?” Qin Yu asked with a smile.

“What the F \* ck are you feeding at the zoo? Do you think I'm a Monkey?” The voice from below the Abyss couldn't help but contain some anger.

Qin Yu rolled his eyes and said, “Just say whether you want it or not. If you don't, then forget it.”

The other party sneered and said, “Kid, do you really think I care about a few mere spirit stones? I've lived for so many years, what kind of treasure haven't I seen?”

“If you treat me like a monkey again, I’ll tear you apart!”His voice contained a cold killing intent.

Qin Yu mocked, “Let’s talk about it after you can come up.”

“Hehe, with your weak spiritual sense, I can raise my hand and turn you into ashes... to Oblivion! !”

With that last word, he suddenly increased the volume of his voice!

That terrifying vibration directly made Qin Yu’s spiritual sense dim a few times!

And Qin Yu’s main body suddenly spat out a mouthful of blood!

This instantly caused Qin Yu’s expression to change greatly!

He didn’t expect that a furious roar would be able to injure his spiritual sense!

“Such a weak spiritual sense, yet you dare to strut around in front of me?”He sneered.

Qin Yu forcefully endured the pain brought by the spiritual sense and once again walked to the vicinity of the abyss.

He pondered for a moment, then sat on the ground and said, “Your realm is higher than mine, so your spiritual sense is naturally stronger than mine. What’s there to brag about?”

“Even if my realm is weaker than yours, my spiritual sense is still stronger than yours,”he mocked.

Qin Yu rubbed his chin and said tentatively, “In that case, can the power of spiritual sense be trained?”

“Isn’t that nonsense?”The other party snorted coldly.

Qin Yu rubbed his chin and said somewhat deliberately, “So what if the power of spiritual sense is strong? It’s useless. As long as the realm is strong enough, it’s enough.”

“Hehe.”The bottom of the Abyss couldn’t help but laugh.

“People like you, who don’t have much experience, will naturally think so.”

“If your spiritual sense is strong enough, it will be able to surprise you! If you meet someone with a strong spiritual sense, I’m afraid you won’t even know how you died!”

Hearing this, Qin Yu suddenly understood.

He immediately nodded and said, “Thank you. When my spiritual sense is strong enough, I’ll look for You Again!”

After saying this, Qin Yu directly left the spatial artifact.

After returning to his original body, Qin Yu could still feel the damage that the furious roar had caused to his divine sense.

He rubbed his eyes, feeling that his vision had turned black, and his head was dizzy.

“Damn, it seems like it’s not that easy to ask for his help,”Qin Yu said in a low voice.

“I have to think of a way to tame him,”Qin Yu thought to himself.

It would probably be a long process, but Qin Yu was not in a hurry. After all, the spatial artifact was in his hands.

Then, Qin Yu closed his eyes slightly and tried to train his spiritual sense.

In his mind, a little golden man was sitting cross-legged.

This little golden man was Qin Yu's spiritual sense.

He tried to force his spiritual sense out of his glabella, and then tried to materialize his spiritual sense to take the spirit stone in front of him.

Unfortunately, Qin Yu's spiritual sense was too weak. He couldn't even pick up a single piece of spiritual sense.

"It's said that if the spiritual sense is strong enough, it can move the body. But now, I can't even pick up a single spirit stone." Qin Yu couldn't help but sigh.

Then, Qin Yu sent his spiritual sense into the spatial divine tool and tried to move the herbs in it.

Throughout the whole night, Qin Yu's spiritual sense had improved so much that it was almost negligible.

"It seems that I can't rely on this method anymore," Qin Yu thought to himself.

At this moment, Qin Yu couldn't help but look at the abyss.

His eyes slightly throbbed, as if he was struggling with something.

“Damn it, I don’t care anymore!”Qin Yu gritted his teeth. He looked at the Abyss and suddenly jumped down..

Chapter 967: Chapter 967, the ritual of the Sky Blood Rainbow

Qin Yu’s divine sense was rapidly descending towards the abyss below!

The Abyss seemed to have some sort of attraction as it was about to devour Qin Yu’s divine sense!

“Hahaha, Kid, you actually took the initiative to send yourself to death. Then I won’t be polite!”The light shouted loudly.

The light below the Abyss actually transformed into a bloody mouth!

Looking at the mouth, it was a shocking sight!

Qin Yu’s expression could not help but change drastically! He hurriedly controlled his divine sense, trying to stop the rapid descent.

However, the power of the mouth was too great. Qin Yu’s divine sense was not even worth mentioning in front of it!

“Hahahaha, your divine sense is mine!”The light burst into waves of excited laughter!

Just as Qin Yu’s spiritual sense was about to fall into that big mouth, it disappeared into thin air!

Qin Yu’s main body suddenly opened his eyes, and a trace of sweat dripped down his forehead.

“Damn, that was close! I was almost swallowed by him,”Qin Yu muttered.

He wiped the sweat off his forehead, rubbed his chin, and said, “But this is a good method...”

In any case, Qin Yu could withdraw his divine sense back to his main body at any time. As long as he saw that things were not going well, he could quickly withdraw his divine sense.

Thus, Qin Yu returned to the space artifact again.

He stood on the mouth of the Abyss and jumped down again.

This time, the light still opened its bloody mouth, trying to Swallow Qin Yu.

But at the critical moment, Qin Yu withdrew his divine sense back to his main body.

He went back and forth five times.

The light under the Abyss could no longer hold it in.

He cursed loudly, “Little Bastard, you dare to trick me!”

Qin Yu grinned and said, “Are you angry just like that? You should be happy that I asked you to help me train my divine sense.”

“Happy the F \* ck! Kid, if I can leave this abyss one day, I will definitely tear you into pieces!”The Deep Abyss roared furiously!

“We’ll talk about it when you come out.”Qin Yu stretched lazily.

“F \* ck, I played with a fool like you all night. I’m a little tired. I’m going to sleep,”Qin Yu muttered.

After saying this, Qin Yu pulled his spiritual sense back to his original body. Then, he lay on the bed and fell into a deep sleep.

However, Jingdu was not peaceful that night.

After he teng received Gu Xinghe’s orders, his actions became even more unscrupulous.

In just one night, several warriors had died at He Teng’s hands!

Their inner strength had been completely absorbed by He Teng, and they fell to the ground like dry corpses.

This method was exactly the same as Qin Yu’s heaven swallowing technique.

The next day, the news of these corpses spread, but it didn’t cause too much of a stir.

This was exactly Gu Xinghe’s plan.

He wanted to let the matter slowly ferment and let him guide it, so that everyone would gradually suspect Qin Yu.

In the office.

Gu Xinghe had a cigarette in his mouth. Combined with the expression on his face, he looked extremely vicious.

“Young Master Gu, Why didn’t you just let he teng kill people on a large scale and then directly suspect Qin Yu?”Long Mei asked, puzzled.

Gu Xinghe glanced at him and snorted coldly, “A fool like you, of course you can’t think clearly.”

“The current Qin Yu is extremely popular among the martial artists. If he’s too direct, do you think anyone will believe him?”

“I want them to guess in their own Panic! At the same time, I will send a martial saint to chase after Qin Yu and not give him any chance to defend himself!”

When Long Mei heard this, he could not help but appear a little surprised.

Even he did not expect that Gu Xinghe, who had always stayed in the second mystery dimension, would have such a meticulous and vicious mind.

“One must not be a man without poison. Those who achieve great things must be ruthless.”Gu Xinghe had already regarded this as his life’s principle.

...

On the other side, Qin Yu continued to train as usual.

He kept sinking his spiritual sense into the abyss and tried to break free himself.

As long as he was about to touch that Ray of light, Qin Yu would quickly pull back his spiritual sense.

The probing at the edge of death had allowed Qin Yu to improve extremely quickly. Moreover, his state of mind had also improved rapidly.

“At this rate, I’m afraid I will be able to step into the martial saint stage very soon.”Qin Yu thought to himself.

He could clearly feel that his state of mind was completely enough to step into the martial saint stage.

However, he was still not clear about the choice of path.

If he could break through to the martial saint realm, then the path of cultivation in the future would become incomparably smooth and smooth.

For a few days in a row, Qin Yu kept probing in the abyss.

In the end, the light in the Abyss even began to ignore Qin Yu.

Even if Qin Yu landed at the bottom of the Abyss and stood by his side, he could not be bothered to pay attention to him.

“TSK TSK, so this is what you look like.”Qin Yu stood by the side of the light and kept sizing it up.

“Little Bastard, you’d better not go too far,”the light said coldly.

Qin Yu grinned and said, “Why don’t you just obey me and lend me your divine sense. When the time comes, I’ll find you a powerful body.”

“Hehe, I’m not interested in anything else except your body,”the other party replied.

Qin Yu snorted and said, “Then let’s waste our time.”

In the following days, Qin Yu not only trained every day, but also gave this light a spirit stone.

As time went by, Qin Yu's spiritual sense became more and more powerful. He could now move the spirit stone with his spiritual sense.

At the same time.

In the immortal slaying sect in the northwest, Tian Xuehong had woken up.

In front of him stood dozens of white bones!

Each of the white bones contained an even stronger power than before!

Their bodies were emitting rays of dark light, as if they were hiding some mysterious and unfathomable power.

Tian Xuehong narrowed his eyes slightly, and a trace of madness appeared on his face!

"I've succeeded, I've finally succeeded!" Tian Xuehong was so excited that he almost roared!

"As long as I activate the ritual, I can absorb the spiritual consciousness of most people for my use

"At that time, I will be invincible in the world! hahahaha!"

Tian Xuehong's laughter reverberated in the immortal slaying sect for a long time!

A moment later, Tian Xuehong slowly stood up.

He said coldly, "Go to the Jingdu Martial Arts Association now, activate the ritual, and absorb the spiritual sense!"

## Chapter 968: Chapter 968, the clash of spiritual senses

The Sky Blood Rainbow planned out a large area of land.

This area of land had the most warriors.

He spent several days to set up a formation around this area of land.

And this formation was the top technique of the immortal slaying sect, a technique that could absorb people's spiritual senses!

Back then, the immortal slaying sect had relied on this technique to carry forward their sect and become the number one sect in the world!

Now, Tian Xuehong was going to use the same trick again, intending to absorb the spiritual sense of others for his own use!

Near the Jingdu Martial Arts Association, there was a huge empty space.

This empty space was called the martial arts discussion hall, and it was once used by the Jingdu Martial Arts Association as a place for all the martial artists in the world to compete.

And ever since Granny Qin died, the martial arts discussion hall had been completely abandoned. It had been a long time since anyone had used it.

Today, Tian Xuehong stood near the martial arts school, planning to use the land again.

He looked at Gu Xinghe beside him and said indifferently, "I want you to issue an announcement to invite all the martial artists in the world to come over for a gathering."

Gu Xinghe frowned slightly and said with a cold face, “Are you ordering me?”

Tian Xuehong’s pupils suddenly emitted a dark red color!

He suddenly stretched out his hand and grabbed Gu Xinghe’s neck, lifting him up into the air.

“You can understand it this way,” Tian Xuehong said coldly.

The two martial saints beside Gu Xinghe hurriedly moved forward, trying to make a move.

But at this moment, two white bones blocked in front of him!

“If you don’t want to die, then get lost to the side,” Tian Xuehong said coldly.

The two martial saints’ expressions instantly changed, and they could not help but retreat.

Soon after, Tian Xuehong released Gu Xinghe and said with his hands behind his back, “Go, do as I say.”

Gu Xinghe gritted his teeth. Tian Xuehong’s attitude was getting more and more arrogant, and Gu Xinghe could no longer sit on the same level as him.

This also reminded Gu Xinghe of what Zhai Xing had said.

“Can I know what you want to Do?” Gu Xinghe said with a sullen face.

Tian Xuehong said indifferently, “You don’t have the right to know.”

Gu Xinghe's pupils constricted again!

Although he wanted to get angry, he forcefully suppressed it when he saw the white bones beside Tian Xuehong.

Then, Gu Xinghe turned around and left. He unwillingly followed Tian Xuehong's request and sent out the invitation.

Once the invitation was sent out, many martial artists received the news.

The time was set for three days later. Although he didn't say what it was, Gu Xinghe exaggerated the importance of this matter in his statement.

When many martial artists heard this, they all planned to come and participate.

Qin Yu, who was sitting in the hotel, naturally saw this news.

"A talk at the Martial Arts Hall? Martial artists of the World?" Qin Yu frowned slightly.

He touched his chin and muttered, "What is this Gu Xinghe up to this time?"

Looking at the guesses of the people on the martial arts forum, Qin Yu frowned more and more.

His intuition told him that this matter was not that simple.

"To be safe, it's best to tame that guy under the Abyss in these three days," Qin Yu thought to himself.

During this period of time, Qin Yu's spiritual sense had increased explosively, and he already had the qualifications to speak with him.

Thus, Qin Yu didn't waste any time. He immediately entered the spatial artifact and directly came under the abyss.

That thread of light was still in silence, and it didn't have the slightest reaction to Qin Yu's arrival.

Qin Yu played with the spirit stone in his hand, then threw it towards that thread of light.

The moment the spirit stone collided, it instantly turned into nothingness.

Such speed, even Qin Yu was dumbfounded.

"I'll make a deal with you." Qin Yu stood beside him and said with a smile.

"Deal my ass, get lost!" The light cursed without thinking.

Qin Yu smiled embarrassedly and said, "What are you doing? I haven't said anything yet, why are you so anxious?"

"F \* ck you. You Fool me every day. Do you think I will fall for it?" The other party said angrily.

Qin Yu touched his chin and said, "This time I'm serious. I have a bad feeling. I'm afraid I need your help."

"It's none of my business." The other party refused without thinking.

Qin Yu rolled his eyes and said, "How about this? I'll give you a thousand spirit stones and agree to your request. What do you think?"

Hearing this, the light finally had a reaction.

“Are you serious?”He said in a deep voice.

Qin Yu grunted and said, “But I have a request.”

After saying this, Qin Yu stretched out his palm, and a halo appeared in his palm.

This halo was created by Qin Yu with a trace of his own spiritual sense. He used the legacy spell left behind by his father to create the spiritual sense confinement spell.

“This item is called the silver hoop charm. If you are willing to wear it, I can consider your request,”Qin Yu said.

“Silver hoop charm?”That sliver of light was immediately somewhat displeased.

“You don’t believe me?”

Qin Yu said with a smile, “I believe you? Unless I’m an idiot.”

“I don’t want to wear this thing,”that sliver of light humphed.

Although he said so, he was happy deep down in his heart!

Silver Hoop Curse? What a few things. You want to trap me with just this thing?

Once I get out of this Abyss and enter your body, I can easily tear this silver hoop curse apart!

When that time comes, not only will I swallow your spiritual sense, but I will also take over your body!

Qin Yu did not know what he was thinking, so he said patiently, “I have to at least guarantee my own safety, right? Your broken spiritual sense is in my body. What If you harm me?”

The Ray of light pretended to be unwilling and said, “Forget it. For My Freedom, I’ll agree to it.”

“That’s more like it,”Qin Yu muttered.

He picked up the silver hoop curse and walked toward the ray of light.

Then, Qin Yu fastened the silver hoop curse onto his spiritual sense.

The moment it was fastened, it immediately flashed with a strange light.

The light disappeared and directly entered the light.

“This is the silver hoop spell? This kind of thing wants to trap me?”The light couldn’t help but sneer in his heart.

“As long as you dare to let me escape from the Abyss, I promise to swallow you until there is nothing left!”

Although he thought so in his heart, he still snorted lightly. “It’s not easy to get out of the abyss, but in the end, you have to wear some silver hoop spell.. Damn it, damn it!”

Chapter 969: Chapter 969: Cooperation

After Qin Yu put on the silver hoop charm, he sat down beside him.

“Since we have reached an agreement, we should be honest with each other, right?”Qin Yu said.

“Yes,”he said somewhat reluctantly.

Qin Yu said with a smile, “Then let me ask you, What’s Your Name? What was your cultivation level in the past? who were you trapped here?”

The questions he threw out in a row clearly made him a little unhappy.

However, after a few seconds, he finally replied, “I’ve already forgotten my name. I only know that I once had a title, called the number one killer! Back then, I...”

“So you don’t have a name?”He was just about to brag when he was interrupted by Qin Yu.

“Since you don’t have a name, then I’ll give you one. HMM... from today onwards, you shall be called... Tie Dan.”Qin Yu muttered.

“I’ll F \* ck you! I’ll F \* cking...”

“Tie Dan, what’s your cultivation level?”Qin Yu interrupted him once again.

He said angrily, “Don’t call me tie Dan! Call me Asura!”

“Got it, tie Dan.”Qin Yu seemed to be deep in thought.

“If I’m not wrong, you should be... at the peak of the Martial Saint Realm? Or the Almighty Realm?”Qin Yu guessed.

Tie Dan snorted coldly and said, "I've said it before, a martial saint is not worth mentioning in front of me! Back then, I was almost able to break through to the level of a mighty one and step into the virtual entity! Unfortunately, I was sealed before I had the time to do so."

"Virtual entity?" Qin Yu could not help but be a little surprised.

Up until now, Qin Yu had never met an expert at the virtual entity Stage!

A martial saint was at the nascent soul stage, and above the nascent soul stage was the level of a mighty one, also known as the soul formation stage.

After breaking through to the soul formation stage, it was the return to void stage!

And the return to void stage also had another title, it was called a saint, or an ancient saint!

It was said that the return to void stage possessed great magical powers, and with a raise of a hand, it could destroy the world!

This kind of strength was indeed incomparably powerful!

"Even an expert who was about to enter the return to void stage would be suppressed, then the person who suppressed you is probably not simple." Qin Yu muttered.

Tie Dan snorted coldly and said, "Isn't that nonsense! Of course, if I were to enter the return to void stage, it would be hard to say who would win or lose."

Qin Yu was too lazy to care about these things. He waved his hand and said, "Let me ask you, after I give you a thousand spiritual stones, what stage can you enter?"

"A mere thousand spiritual stones are not worth mentioning at all. At most, I can recover to the martial saint stage." He muttered.

Qin Yu frowned.

Martial Saint Realm? It was much worse than he had expected.

"Of course, if you have five thousand spiritual stones, I might be able to touch the Almighty Realm." At this moment, Tie Dan changed the topic.

"Five thousand... That's a bit too much." Qin Yu scratched his head.

Currently, Qin Yu only had around five thousand spiritual stones in total.

He was really reluctant to give all of them to him.

"You can't even bear to give a mere five thousand spiritual stones? When I come back to life, I'll bring you back to earn it back," Iron Egg muttered.

"Are you serious?" Qin Yu asked.

"Absolutely!" Iron Egg said with confidence.

Qin Yu thought for a moment, then waved his hand and said, "Forget it, let me think about it."

With that, Qin Yu left the spatial god tool.

After returning to his original body, Qin Yu took out spirit stones from another spatial god tool.

At a glance, it was about five thousand spirit stones.

The efficacy of these spirit stones was beyond imagination. Qin Yu was reluctant to give them away just like that.

However, the current Qin Yu indeed needed a strong helper.

“It is said that there is a heavenly vanilla in the second secret realm. If tie Dan can take me to the second secret realm to collect the heavenly vanilla, then the five thousand spiritual stones will not be a loss,” Qin Yu thought to himself.

Without the heavenly vanilla, it was impossible for Qin Yu to step into the martial saint realm. Even his golden core would be further damaged.

Thinking of this, Qin Yu gritted his teeth and said, “Five thousand it is. If you don’t want to give up, you won’t be able to catch the Wolf!”

Thus, Qin Yu put all these spirit stones into the spatial god tool.

The moment he put them in, Qin Yu’s spiritual sense followed.

In the spatial god Tool, spirit stones were falling into the abyss one by one.

Qin Yu stood by tie Dan’s side, quietly watching him absorb these spirit stones.

One Spirit Stone after another was absorbed into the light. These spirit stones seemed to be not worth mentioning in front of him.

The moment they touched, they melted away like snowflakes encountering a heat wave.

This process was very fast. In less than half an hour, the five thousand spirit stones disappeared without a trace.

“So Fast?”Qin Yu could not help but be a little surprised.

The Ray of light was silent, as if it had fallen into silence.

“Tie Dan?”Qin Yu called out tentatively.

At this moment, the ray of light suddenly began to shake.

He condensed at an extremely fast speed, and in the blink of an eye, he transformed into a human form!

This person was only about 1.4 meters tall, and his appearance was somewhat ugly.

Different from the wretched appearance of a handlebar mustache, there was a vicious and murderous aura between this person’s brows, and his pair of eyes made people shudder! “...”

Even Qin Yu was shocked by his honorable appearance.

“Tie Dan?”Qin Yu called out tentatively.

“Say it again, I’m not called Tie Dan!”He said angrily.

Qin Yu said with a smile, “Tie Dan, You Brag so much about yourself. How did you end up like this?”

Tie Dan narrowed his eyes slightly. He grinned and said with a sneer, “Do you know why I went on a killing spree for the first time back then?”

Qin Yu shook his head and said, “I don’t know.”

“It’s because someone said I was ugly,” tie Dan said with a cold face.

“From then on, I killed whoever said I was ugly!”

“I killed at least hundreds of thousands of people! How is it? Are you scared?”

Qin Yu said in surprise, “Hundreds of thousands of people said you were ugly? Then you must be suffering in your heart, right?”

“Tell me the truth, have you ever hidden in the quilt and cried secretly?” Qin Yu said with a smile..

Chapter 970: Chapter 970, the body belongs to me!

Upon hearing Qin Yu’s words, veins bulged on tie Dan’s forehead.

He suppressed his anger and said, “Am I talking about crying or not? Can’t you fucking grasp the main point?”

“Alright, Alright, cut the crap.” Qin Yu waved his hand. “Wait here. When I’m in a good mood, I’ll let you out.”

After saying this, Qin Yu turned around and was about to leave.

Tie Dan frowned. “What, are you planning to leave me here?”

Qin Yu smiled. “Or what?”

“Kid, you better not cause trouble. If you force me, I’ll destroy this Space Artifact!” Tie Dan said with a gloomy face.

Qin Yu sneered. “I’m afraid you don’t have that ability, right? I’ve investigated it long ago. This isn’t a space artifact at all. It’s a cage specially made for you.”

Tie Dan’s expression instantly changed slightly.

It was obvious that Qin Yu was right.

“Alright, even if I can’t destroy this spatial artifact, it’s not a problem for me to destroy your things!” Tie Dan shouted loudly.

After throwing out these words, he rushed towards the treasures placed within Qin Yu’s spatial artifact.

Qin Yu frowned slightly, and he hurriedly chased after him.

“Don’t do anything rash, or else I’ll use the Silver Hoop Curse,” Qin Yu warned.

However, Tie Dan completely ignored him.

His spiritual sense was extremely powerful, and it could already turn into a physical form. Just the power of his spiritual sense alone could destroy Qin Yu’s treasures in storage!

Just as Qin Yu was about to use the silver hoop curse, Tie Dan suddenly stopped.

He stared at the two corpses in front of him and said with a frown, “What are these? Two sentences... of the return to void tier corpses?”

“Return to void tier?” Qin Yu scratched his head.

“I always thought that these were the corpses of mighty figures. I didn’t expect them to be of the return to void tier.”

Tie Dan said with a gloomy face, “Why do you have the corpses of the return to void tier?”

“Oh, by chance,” Qin Yu said perfunctorily.

Tie Dan’s face was still gloomy. No one knew what he was thinking about.

“If you are willing, I can give you this virtual entity’s corpse,” Qin Yu said with a faint smile.

Tie Dan snorted, “I can’t control this kind of corpse. You’d better keep it for yourself.”

Qin Yu rolled his eyes and said, “Alright, then you’d better stay here obediently. Don’t worry, I’ll let you out soon.”

After saying this, Qin Yu walked out of the space artifact.

He suddenly opened his eyes and calculated the time. There were less than two days left until the day of the martial arts discussion hall.

Qin Yu opened the martial arts forum and saw that many people had already sent out photos of the martial arts discussion hall.

“It seems that quite a number of people have left,”Qin Yu thought to himself.

Then, Qin Yu took out his phone and called Xia Hang.

After the call was connected, Qin Yu asked, “Is it convenient to talk now?”

Xia hang on the other end smiled bitterly and said, “It’s convenient. I’m just an idler now. It’s convenient at any time.”

Qin Yu could not help but sigh and said, “I didn’t expect Gu Xinghe to act like this.”

Xia hang waved his hand and said, “If you have anything to ask, just ask.”

Qin Yu grunted and said, “Do you know the purpose of Gu Xinghe setting up some martial arts discussion hall?”

Xia Hang said in a deep voice, “No one knows about this matter. Not even long mei, Zhai Xing, and the others beside Gu Xinghe know nothing about it, let alone me.”

“Even they don’t Know?”Qin Yu couldn’t help but frown slightly.

“But...”at this time, Xia hang suddenly changed the topic.

“Recently, Tian Xuehong came to Jingdu martial arts association. This matter is very likely to be done by Tian Xuehong,”Xia Hang said.

Hearing this, Qin Yu’s expression immediately changed!

Tian Xuehong did it?

Qin Yu took a deep breath and said, "I got it."

After hanging up the phone, Qin Yu's expression was extremely gloomy.

Qin Yu had seen Tian Xuehong's methods before. His goal was to devour everyone's spiritual sense.

He had failed the last time he went to prison. This time, he probably planned to do it again.

"Damn it, this sky blood rainbow..." Qin Yu couldn't help but clench his teeth.

After the previous defeat, this time, the Sky Blood Rainbow would definitely bring the white bone army to help.

With Qin Yu's ability alone, he definitely couldn't stop the Sky Blood Rainbow.

"I originally wanted to temporarily lock tie Dan in the space artifact. Now it seems like... I can't do it." Qin Yu took a deep breath.

Thinking of this, Qin Yu's mind moved, and he directly released iron egg from the spatial artifact.

After a flash of light, Iron Egg's spiritual sense appeared in front of Qin Yu.

Looking at the surrounding environment, Iron Egg was first stunned, then he said with excitement and disbelief, "I... I came out?"

“Hahahaha, I came out!” Iron Egg’s unbridled laughter shook people’s ears until they hurt.

Qin Yu covered his ears and waved his hand, “Alright, stop shouting.”

Tie Dan’s eyes suddenly looked at Qin Yu and said with a faint smile, “Can I enter your body now?”

Qin Yu did not answer but asked, “Is this your primordial spirit? If it’s the primordial spirit, I’m afraid I can’t bear it.”

“What’s the difference between the primordial spirit and the spiritual sense?” Tie Dan snorted coldly.

Qin Yu frowned slightly and hurriedly asked, “What do you mean? Could it be that the primordial spirit cultivated by a martial saint is spiritual sense?”

“It seems that you don’t know anything,” Tie Dan said with some disdain.

“Hurry up and say it. Don’t talk nonsense!” Qin Yu said impatiently.

Tie Dan snorted coldly and said, “I’ll tell you after I enter your body.”

“Tell me now,” Qin Yu said with a dark face.

Although Tie Dan was unhappy, he still held back his anger and explained in order to get Qin Yu’s body, “The primordial spirit is a stronger spiritual sense. Marquis Wu cultivates the golden core in his dantian, and martial saint cultivates the primordial spirit in his spiritual sense.”

“When you step into the nascent soul realm, your spiritual sense will turn into the nascent soul, commonly known as the primordial spirit.”

Qin Yu hurriedly asked, “Then the stronger my spiritual sense is, the stronger the nascent soul after stepping into the martial saint realm will be, right?”

“That’s the reason,” Tie Dan said impatiently.

“Can you let me Enter Your Body Now?”

Qin Yu was deep in thought. After a moment, he nodded and said, “Come.”

After he finished speaking, Qin Yu slightly closed his eyes. A light that looked like an entrance appeared between his brows.

Tie Dan’s face was gloomy. With a flash of his spiritual sense, he directly entered Qin Yu’s body.

“Boy, your body is mine!” Iron Egg’s face showed waves of madness..

Chapter 971: Chapter 971, Father’s mighty means

Tie Dan’s spiritual sense frantically surged into Qin Yu’s body.

Qin Yu slightly closed his eyes and felt his spiritual sense enter his mind.

Very quickly, Tie Dan’s figure appeared in his mind.

The Little Golden Man in Qin Yu’s mind also slowly stood up.

He looked at Tie Dan in front of him and said, “Alright, from today onwards, you will temporarily belong to me.”

Tie Dan raised his eyebrows and sneered, “Belong to you? Kid, don’t you think too highly of yourself?”

Qin Yu frowned and said, “What do you mean?”

“What do you mean? hahahahaha!” Tie Dan could not help but burst into laughter.

“How dare you take over my spiritual sense! I have walked more bridges than you have walked!”

“How dare a half-step Martial Saint Act rashly in front of me? You’re still too inexperienced!”

Qin Yu’s expression changed, and he hurriedly said, “I have the Silver Hoop Curse!”

“Silver Hoop Curse? What are those things?” Tie Dan sneered.

His body shook, and the Silver Hoop curse was shattered!

“Do you really think you can control me with this thing? You’re too inexperienced!” Tie Dan roared.

“From now on, your body belongs to me. I’ll Swallow Your Spiritual Sense!”

With that, Iron Egg’s spiritual sense rushed towards Qin Yu!

Qin Yu’s expression instantly changed!

Without much time to think, Qin Yu could only brace himself and raise his golden palm to meet Iron Egg!

Unfortunately, Iron Egg's spiritual sense was too powerful. The moment it came into contact, Qin Yu's spiritual sense was directly sent flying!

"You dare to act rashly in front of me with such little ability?!" Tie Dan roared crazily.

"You call me tie Dan? I, Your Grandpa Tie!"

Qin Yu's expression was extremely ugly.

He never expected that the silver hoop curse would be useless in front of tie Dan!

"I was actually deceived by you..." Qin Yu said with some despair.

Tie Dan walked in front of Qin Yu and sneered, "Don't worry. I will fulfill your unfinished wish for You."

Then, tie Dan raised his palm and covered Qin Yu's spiritual sense!

Just as his spiritual sense was about to touch Qin Yu, a bright light suddenly burst out from not far away!

This bright light directly pierced through tie Dan's palm!

Waves of thick smoke floated up from tie Dan's palm.

Tie Dan immediately felt pain and hurriedly retreated while shouting, "Who is it?!"

A figure slowly appeared in Qin Yu's spiritual sense.

This figure was incomparably tall, and the combination of his slender body and his condescending expression made people shudder!

“You... you are a dao protector? !”Tie Dan seemed to have recognized this figure in front of him!

“Father... Father!”Qin Yu recognized this figure even more and immediately shouted out!

Qin Yu’s father looked at tie Dan coldly. That powerful deterrent force made tie Dan Shudder.

The two sides stood in confrontation and no one said anything.

“Wipe out your spiritual sense with just a wave of your hand.”

Finally, Qin Yu’s father spoke.

That voice was incomparably overbearing, as if it carried a powerful penetrating force, shaking tie Dan to the point of unbearable pain!

He held his head and hurriedly said, “I... I understand. Please show mercy. From now on, I will never dare to have any other thoughts...”

However, Qin Yu’s father ignored him and only said coldly, “You have killed countless people and should have been turned into ashes. Today, I will give you a chance to atone for your sins.”

“Yes, yes... I will definitely change my mind...”Tie Dan hurriedly said.

“Father!”Qin Yu rushed to his front and said with some longing, “Father, where... Where are you?”

The tall figure finally looked at Qin Yu.

A trace of undetectable kindness and joy flashed across his cold brows.

“When you are strong enough, you will naturally see me,”he said slowly.

Qin Yu hurriedly said, “Father, I have a lot of things to ask you. Can you... can you not leave in a hurry?”

Qin Yu’s father slowly said, “There are many things that you need to figure out on your own. Good luck.”

After saying this, his figure began to slowly disappear.

No matter how hard Qin Yu screamed, he could not stop him.

Soon, his figure disappeared without a trace.

Qin Yu’s hand froze where he was, with a dazed and shocked expression on his face.

Not far away, tie Dan stood up from the ground.

He rubbed his head and couldn’t help but say, “Why didn’t you tell me earlier that you have such an awesome father?”

Qin Yu looked at tie Dan coldly, then took a deep breath and said, “I let you out, and you actually wanted to swallow my spiritual sense!”

Tie Dan said with a smile, “Look at what you said. Isn’t this all a misunderstanding... don’t worry, there won’t be a second time!”

Qin Yu snorted coldly. He didn’t say anything and ignored tie Dan.

Qin Yu slowly opened his eyes, but he couldn’t calm down for a long time.

“Tie Dan, let me ask you,”Qin Yu suddenly said.

“Don’t F \* cking call me tie Dan!”Tie Dan’s voice sounded in his mind.

Qin Yu ignored him and continued to ask, “What kind of existence is a dao guardian? Do You Know My Father?”

Iron egg frowned and said, “Your own father? You’re asking me?”

“I haven’t F \* cking met my father yet.”Qin Yu couldn’t help but curse.

Iron Egg touched his nose and muttered, “Everyone says that every dao guardian has to abandon his wife and children. It seems to be true...”

“Abandon his wife and children? What does that mean?”Qin Yu hurriedly asked.

“In short, the Guardian is not allowed to have selfish motives, or else he will be punished by the heavens. That’s the general meaning,”tie dan muttered.

Qin Yu opened his mouth and said with some sadness, “Why is it like this?”

“Why is it like this? Use your fucking brain and think about it. If you have selfish motives, you will naturally do things unfairly. Then you are not qualified to be a guardian,”tie Dan muttered.

Qin Yu’s expression changed and he hurriedly asked, “Then what if you have selfish motives?”

“Didn’t I say that you will suffer the wrath of Heaven?”Iron Egg muttered.

Qin Yu’s expression instantly changed!

Although Qin Yu had never met his father, his father had left him an inheritance and had helped him many times!

Wasn't this... considered selfish?

“Is... is there any way to avoid the wrath of Heaven?” Qin Yu continued to ask.

Tie Dan sneered, “No, we are all in the path of Dao and follow the rules of Dao. How can we avoid it?”

Tie Dan paused for a moment and then said with a smile, “Unless you can jump out of this rule or break it. Of course, this is impossible..”
