Chapter 972: Chapter 972, martial arts hall meeting

Qin Yu didn't say anything, but he was a little worried.

Heaven's wrath? What was that?

“Don't think about it now. It's too far away from you.” Tie Dan waved his hand.

Qin Yu took a deep breath and said in a low voice, “Yes, it's too far away. We can only take it one step at a time.”

Even though that was the case, Qin Yu silently remembered this matter.

...

The next day was the day of the discussion Martial Hall's reunion.

With tie Dan's blessing, Qin Yu was finally confident.

He restrained his internal Qi and put on his black robe. Then, he left the hotel and rushed to the discussion martial hall.

At this time, the discussion martial hall was already packed with people.

Many martial artists came after hearing the news, from the strong to the weak.

Even many martial artists who rarely showed up also came to the scene.

For example, Han Xiu, Kong Yun's father, Kong Luo, and so on.

Qin Yu tidied up his clothes, covered his face, and strode into the martial arts discussion hall.

"Qin Yu!"

At this moment, Kong Yun caught up from behind.

When he saw Kong Yun, Qin Yu's face couldn't help but change.

"How did you know that I'm Qin Yu?" Qin Yu couldn't help but ask.

Kong Yun said somewhat speechlessly, "Do you think that no one knows you because you covered your face?"

"Qin Yu, you're here too."

At this moment, Xiao Yuan also walked over.

Qin Yu was speechless.

Damn, he was recognized one after another.

"Forget it. Since he's recognized, there's no need to wear these clothes." Qin Yu took off his black robe and threw it to the side.

"By the way, do you know what Gu Xinghe is trying to do?" The few of them asked as they walked.

Qin Yu shook his head and said, "I don't know, but it's definitely nothing good."

"Qin Yu, long time no see."

At this moment, Han Xiu suddenly walked over from not far away.

Qin Yu nodded at him and said, "Do you still want to attack me?"

"Me? I'm afraid I'm not your match now, right?" Han Xiu said indifferently.

Qin Yu snorted lightly and said, "It's good that you know."

"I really didn't expect you to grow to such a level," Han Xiu couldn't help but sigh.

Seeing that Han Xiu didn't have any ill intentions, Qin Yu didn't say anything more.

Moreover, the biggest enemies now were no longer the aristocratic families of Jingdu, but the secret realm, the Jingdu Martial Arts Association, and the Sky Blood Rainbow.

At this moment, Qin Yu suddenly felt a wave of hostility.

Qin Yu frowned slightly. He looked in the direction of this hostility and saw that the hostility actually came from Han Wei.

Meeting Qin Yu's gaze, Han Wei hurriedly turned his head to the side.

Qin Yu couldn't help but shake his head.

The current Han Wei was no longer worth mentioning in his eyes.

His hostility was completely ignored.

Then, Qin Yu, Xiao Yuan, Kong Yun, and the others strode into the discussion martial arts hall.

As soon as they sat down, Kong Yun's father, Kong Luo, walked over from not far away.

Seeing Kong Luo, Qin Yu and the others stood up one after another.

"Greetings, Mr. Kong." Qin Yu bowed and said.

Kong Luo nodded slightly to Qin Yu and said, "You must be Qin Yu. You're really young and promising."

Qin Yu smiled and said, "Mr. Kong, you flatter me."

Kong Luo didn't say anything more. He found a seat and sat down.

"I really don't know what the Jingdu Martial Arts Association is trying to do this time," Kong Yun said in a deep voice.

"I'm afraid that this meeting was initiated by Tian Xuehong," Xiao Yuan said from the side.

Qin Yu glanced at him and nodded. "Yes, I've already sensed the abnormal internal qi nearby."

This internal Qi definitely didn't come from an ordinary warrior.

That faintly discernible internal Qi could not be emitted from a living person.

"I'm afraid that the Sky Blood Rainbow has brought an army of white bones." Qin Yu sighed in his heart.

"It must be the people from the immortal slaughtering sect..."

At this moment, Tie Dan's words appeared in Qin Yu's mind.

Qin Yu grunted and said, “You know the immortal slaughtering sect?”

“Everyone knows the immortal slaughtering sect, which was at its peak back then. Even though the sect was wiped out many years ago, it has still been widely spread to this day,” Tie Dan said.

Qin Yu said in a deep voice, “Then do you know what they are going to do?”

“I don’t know,” Tie Dan said without hesitation.

Seeing this, Qin Yu didn’t say anything more.

He closed his eyes slightly and waited for the beginning of the banquet.

More and more people came to the martial arts hall, and many famous warriors also came here.

The disciples in the mystic realm were also like this. People like Wan Gu Qiong and others had been waiting here for a long time.

Even they didn’t know the purpose of this meeting.

Just as Qin Yu closed his eyes, Gu Xinghe came from not far away.

He walked directly to Qin Yu and sneered, “Qin Yu, I didn’t expect you to dare to come again.”

Qin Yu slowly opened his eyes and said coldly, “If you don’t want to die, you’d better stay away from me.”

Seeing Qin Yu’s arrogant expression, Gu Xinghe couldn’t help but sneer, “I should have killed you earlier last time. I shouldn’t have been greedy...”

Qin Yu narrowed his eyes and sneered, "I'm afraid you won't have the chance."

Gu Xinghe wasn't angry either. He leaned on Qin Yu's ear and whispered, "Qin Yu, I'll let you know what it means to have overwhelming power and what it means to be toyed with!"

After saying that, Gu Xinghe patted Qin Yu's shoulder and walked to the side.

Qin Yu did not take Gu Xinghe's words seriously. He was about to close his eyes to rest when he felt a familiar internal Qi.

Qin Yu frowned when he felt this internal Qi.

"Yan Jinyao is here,"Kong Yun said coldly.

Xiao Yuan waved at Yan Jinyao and greeted him.

Yan Jinyao looked over and then walked over.

"It's him."Qin Yu's face turned cold.

This internal Qi was very familiar to Qin Yu. It had his own internal qi and the internal Qi of the Yan family.

There was probably no other person besides Yan Jinyao.

As a proud son of heaven, no matter where Yan Jinyao went, he would attract a large number of gazes.

These young masters of the aristocratic families in Jingdu all stood up and greeted Yan Jinyao.

Yan Jinyao nodded one by one and came to Qin Yu's side.

At this moment, Qin Yu was sitting while he was standing. Therefore, Yan Jinyao's condescending gaze made people feel extremely unhappy.

"No Wonder Yan Ruoxue likes you. I understand now," Yan Jinyao suddenly said.

Qin Yu raised his head and looked at Yan Jinyao coldly, waiting for him to continue..

Chapter 973: Chapter 973, the Art of the immortal slaying sect

Yan Jinyao sighed slightly and said, "The fusion of your bloodlines is really beyond my imagination."

Qin Yu looked at Yan Jinyao coldly and said, "What do you mean?"

Yan Jinyao looked at Kong Yun and said, "Excuse me."

"I told your mother to get lost!" Kong Yun cursed.

The relationship between the two of them was fine, but after this period of time, Kong Yun's impression of Yan Jinyao became worse and worse, so he didn't pamper him.

Yan Jinyao frowned slightly. Although he was a little unhappy, he didn't argue.

He just stood there and said with a faint smile, "Do you know that normally, it's very difficult for different people's bloodlines to fuse

together? Those who can get Yan Ruoxue's bloodline are all blessed by Heaven."

"But your and Yan Ruoxue's bloodlines fused together in an extremely short period of time and displayed even more powerful power!"

"A feeling that... 1 + 1 is far greater than 2. Can you understand that?" Yan Jinyao sighed.

The displeased expression on Qin Yu's face became even more obvious.

"I've obtained all the advantages of both your and Yan Ruoxue's bloodlines. In other words, my bloodline is now the most tyrannical." Yan Jinyao's tone contained some pride.

"So you are a bastard?" At this moment, Kong Yun snorted.

Hearing this, Yan Jinyao's face instantly turned extremely ugly!

Qin Yu couldn't help but give Kong Yun a thumbs up.

He didn't expect that the usually quiet Kong Yun would say such a golden sentence.

"Kong Yun, do you know what you are talking about?" Yan Jinyao said with a cold face.

Kong Yun sneered and said, "You have two bloodlines. If you're not a bastard, then what are you?"

Yan Jinyao narrowed his eyes and said, "Kong Yun, I've tolerated you for a long time. Don't be so Shameless."

"I'm not afraid of You!" Kong Yun stood up immediately.

“Do you want to fight? I’ll come too!”

At this time, Chang Mang also hurried over.

Qin Yu also slowly stood up and said with a sneer, “Yan Jinyao, this battle between you and me has dragged on for a long time. Why don’t we settle this score today?”

Yan Jinyao glanced at the few people in front of him, raised his eyebrows and said, “Do you want to fight together?”

“No need. I can deal with You Alone!”Kong Yun shouted.

“I’ve Long had enough of this title of the second in a thousand years!”

Yan Jinyao narrowed his eyes and sneered, “Don’t worry, I’ll give you a chance.”

“Hurry up and get lost!”Chang Mang scolded.

Yan Jinyao snorted and walked to the side without saying anything else.

“Damn, I’m not happy to see this kid,”Kong Yun couldn’t help but scold.

“I thought he was a gentleman, but I didn’t expect him to be a cunning villain. He’s full of cunning.”

Qin Yu nodded and said, “Yes, he looks elegant, but he’s a villain in his bones.”

Although he said that, Qin Yu could feel that the current Yan Jinyao’s strength was beyond imagination.

Qin Yu had never felt this kind of strength among his peers.

“I’m afraid that there will be a fierce battle between him and me sooner or later,”Qin Yu thought to himself.

Then, the few of them sat down and waited for the meeting to begin.

Not long after, another acquaintance arrived at the scene.

It was none other than Blackie, who had disappeared for many days.

He came to Qin Yu’s side and sat down at a nearby seat.

“Blackie, you’re here too,”Qin Yu greeted him.

Blackie said coldly, “Since it’s a matter handled by the Jingdu Martial Arts Association, I naturally won’t be absent.”

Ever since Granny Qin’s death, Blackie’s hatred for the JINGDU martial arts association was no less than Qin Yu’s.

“Your strength... seems to have become stronger again?”Qin Yu couldn’t help but feel surprised when he sensed the internal Qi on Blackie’s body.

Blackie nodded and said, “En, after this period of experience, I have indeed gained some insights.”

Qin Yu couldn’t help but sigh. Blackie was indeed a talent.

“Oh right, I’ll introduce you to a friend when I have time.”At this moment, Qin Yu suddenly thought of immortal crane.

If he introduced Blackie to Immortal Crane’s demon city, it would probably be a great improvement for him.

Time passed by minute by minute. A moment later, the Mustache Man appeared at the scene sneakily.

Of course, he did not greet Qin Yu. Instead, he found a corner and hid.

In the blink of an eye, it was already noon.

The Sun was high in the sky. Tian Xuehong and Gu Xinghe also arrived at the scene.

“What are you going to do?” Gu Xinghe couldn’t help but ask.

Tian Xuehong put his hands behind his back and said indifferently, “I’m going to hold a grand and sacred ceremony.”

“Ceremony? What ceremony?” Gu Xinghe was puzzled.

Tian Xuehong didn’t answer this question. Instead, he swept his gaze across the crowd.

Relying on his powerful inner strength, he slowly opened his mouth and said, “Today, I want to show everyone a performance. A splendid performance!”

“Performance?”

The crowd instantly became restless.

Everyone discussed animatedly and were quite puzzled.

“I spent a whole month to arrange this performance. Everyone should feel honored to be able to enjoy it today,” Tian Xuehong continued.

With that, Tian Xuehong waved his hand, and dozens of white bones suddenly appeared in all directions of the martial arts hall.

That powerful pressure made it difficult for people to breathe.

Looking at the dozens of white bones, everyone had a bad premonition.

“What are they doing? Are they not letting us leave?” Chang Mang asked with a frown.

Some people realized that something was wrong and turned around to leave the venue.

However, when he reached the exit, white bones waved its hand and smashed his head!

“The performance hasn’t started yet. Why are you in such a hurry to Leave?” Tian Xuehong shook his head slightly.

Everyone’s expressions instantly became even uglier!

The atmosphere at the venue also became increasingly strange.

“Everyone, what you are about to see is a technique from ten thousand years ago. It’s a sacred and powerful technique!”

Tian Xuehong raised his hands and started mumbling!

Then, a few pillars of light suddenly erupted from the surroundings!

One, two, three... eight pillars of light!

These eight pillars of light pierced through the clouds, and waves of strange internal Qi quickly spread out!

“What... What are these?”

“What are those eight pillars of light that suddenly appeared?”

Qin Yu also felt a sense of unease.

These eight light pillars carried an extremely strange internal Qi that made people’s hair stand on end.

“The sect-raising technique of the immortal slaying sect?” At this moment, Iron Egg’s voice sounded in Qin Yu’s mind.

“Sect-raising technique? What is that?” Qin Yu hurriedly asked.

Iron Egg’s tone was somewhat solemn as he said, “According to records, the immortal slaying sect relied on this sect-raising technique to build an extremely powerful sect!”

“This technique is very strange.. It can extract the spiritual consciousness of people on a large scale and turn it into its own use!”

Chapter 974: Chapter 974, star plucking hand

“As expected!” Qin Yu’s expression immediately changed!

It was just as he had guessed! Tian Xuehong still wanted to extract the spiritual sense!

And this time, it seemed to be a large-scale extraction!

“Tian Xuehong, what on Earth are you doing!”

At this moment, someone at the scene shouted.

Tian Xuehong glanced at him and sneered, "Let's start with you."

Then, Tian Xuehong's mind moved, and the speaker's face suddenly became distorted!

Then, his spiritual sense was extracted!

The eight light pillars in the distance instantly emitted light and sucked in the spiritual sense!

The speaker's body slowly fell down, leaving only a body that had lost its soul!

Seeing this scene, everyone panicked, and the scene became a bit chaotic. Some people even screamed!

"All of you, shut up!" Tian Xuehong shouted!

He swept his cold eyes around and said coldly, "Today, I want to borrow everyone's strength to recover to the peak state. Everyone should have no objections, right?"

"F * ck you!" Someone couldn't help but curse loudly!

Tian Xuehong sneered again and again. He moved his mind and seized his spiritual sense!

"We must stop him!" Someone shouted and then rushed toward the Sky Blood Rainbow!

However, before he could touch the Sky Blood Rainbow, his body was crushed by the white bones!

The Sky Blood rainbow sneered and said, “To tell you the truth, once this spell is activated, it can’t end. Even if you kill me, you can’t stop it.”

“Do you see the light pillar in the distance? They will automatically absorb the spiritual sense of the martial artists in this spell! Until all the martial artists are absorbed!”

The light pillar looked extremely far away, which meant that it covered an extremely wide area!

“Sky Blood Rainbow, can’t we avoid it too?” A martial artist in the mystic realm shouted.

Sky blood rainbow sneered, “What do you have more than them?”

“You!”

Hearing this, everyone’s faces turned extremely ugly!

Some people couldn’t help but attack Sky Blood Rainbow, but under the protection of white bones, no one could hurt Sky Blood Rainbow!

“To tell you the truth, right now, there are countless martial artists who are being absorbed.” Tian Xue Hong said indifferently.

“And you guys might become the last batch.”

“Tian Xue Hong, you’ve gone too far!” A martial saint was furious and immediately rushed towards Tian Xue Hong!

When Tian Xue Hong saw this, he could not help but sneer, “You’re overestimating yourself.”

After he finished speaking, Bai Gu took large strides forward and sent this martial saint flying with a palm strike!

Then, white bone's large hand shook and directly smashed the martial saint's Head!

When the crowd saw this, their expressions became even more unsightly!

Even the martial saint could not withstand a single blow, who else could stop Tian Xuehong?!

"Tian Xuehong, don't tell me you plan to absorb us as well?" At this moment, Gu Xinghe said with an extremely gloomy expression.

Tian Xuehong glanced at Gu Xinghe and said indifferently, "You? Of course, I will spare your life. After all, you are still useful to me."

Gu Xinghe's brows furrowed tightly.

Under the current situation, even if he wasn't absorbed, it would probably cause public outrage.

However, Gu Xinghe thought about it. In any case, the people here were about to die, so why bother with their thoughts?

"That's good." Gu Xinghe nodded and then walked to the side.

When the surrounding people saw this, they were instantly dumbfounded!

Gu Xinghe left just like that? He didn't care about the lives of everyone?

Was this still the Jingdu Martial Arts Association?

“I won’t allow you to do this!”

At this moment, someone stood out.

The person who stood out was none other than Zhai Xing!

His tall figure seemed to have an extremely safe feeling.

And the aura that he emitted made the crowd’s internal Qi even more excited!

“What a powerful internal Qi!”Qin Yu could not help but exclaim.

“As expected of Zhai Xing. His strength is probably far above that of the other martial saints.”

“With Zhai Xing’s appearance, there might still be a chance!”

Looking at Zhai Xing who had walked out, Tian Xuehong could not help but raise his brows slightly.

“Zhai Xing, stand down. I can spare your life,”Tian Xuehong said indifferently.

Zhai Xing said coldly, “I won’t let you do whatever you want anymore.”

Tian xuehong sneered, “So, you want to try it with my white bone army?”

“Zhai Xing! Come Back!”At this time, Gu Xinghe, who was not far away, shouted.

However, this time, Zhai Xing ignored Gu Xinghe’s words.

He glared at Tian Xuehong and said, “You want to absorb the spiritual sense of all the martial artists. Such a heinous thing will definitely be punished by Heaven!”

“Hahahaha!”The Sky Blood Rainbow could not help but laugh out loud.

“Punished by the heavens? You and I are both in cultivation. How can there be punished by the heavens?”The Sky Blood Rainbow ridiculed.

Zhai Xing narrowed his eyes and said, “It’s still not too late for you to stop now.”

The Sky Blood Rainbow said with a gloomy face, “Am I not clear enough? As long as this spell is activated, it can not be stopped!”

“Then I will kill you!”Zhai Xing’s internal Qi instantly erupted to the limit as he charged towards Sky Blood Rainbow!

“You don’t know life from Death!”Sky Blood Rainbow narrowed his eyes as the white bone army instantly blocked in front of him!

Zhai Xing clenched his iron fist and ruthlessly smashed towards Sky Blood Rainbow!

“Bang!”

His fist collided with the white bone, emitting waves of terrifying buzzing sounds!

However, white bones had the body of a mighty figure and was indestructible. Even if star Seizer was incomparably powerful, he wasn’t able to injure him in the slightest!

“Don’t fight with his body!”Qin Yu hurriedly shouted.

When Star Seizer heard this, he immediately retreated.

His hands quickly moved, and rays of light condensed in his palms.

“Boom!”

As star Seizer’s hands pushed forward, that terrifying light directly approached white bones!

Bai Gu’s combat style was extremely simple, only having a steel-like fist!

A burst of radiance exploded on Bai Gu’s body, and Bai Gu was instantly forced back a few steps!

Seeing this scene, everyone present immediately became excited!

“There’s still a chance!”Someone shouted excitedly.

“Zhai Xing, come back here!”Gu Xinghe, who was not far away, shouted angrily.

However, Zhai Xing ignored him. He once again activated his radiance and blasted it towards the white bone!

“Boom! Boom! Boom!”

For a moment, the ground was smashed into smithereens!

Countless clouds of dust rose up, obscuring everyone’s line of sight!

Everyone looked nervously at the cloud of dust. Their eyes were filled with fear.

However, as the dust gradually dispersed, the white bone walked out once again!

Clearly, star Seizer's moves were unable to harm these white bones!

"What a tough body..."Qin Yu couldn't help but say in a low voice.

Star Seizer's expression also became somewhat unsightly.

The body of a mighty figure truly lived up to its reputation!

"Hmph, overestimating yourself."Sky Blood Rainbow waved his hand, and immediately, three more white bones walked out!

One white bone was already enough to leave star seizer in a terrible state, let alone three?

Zhai Xing's expression gradually turned gloomy. He looked coldly at the skeleton in front of him and slowly raised his hands above his head.

Then, one could see rays of light condensing above his head.

This light looked like stars one after another!

These countless stars-like rays of light landed on Zhai Xing's ten fingers!

"It's star Seizer's famous consummate skill, star seizer!"

"That's right, it's said that this technique is unrivalled, and star seizer got its name by relying on this technique!"

Chapter 975: Chapter 975, Can You Beat Him

One by one, starlight-like lights landed on his fingers.

The power of destruction condensed on his fingers.

Feeling this power, everyone couldn't help but look shocked!

Even the Sky Blood Rainbow couldn't help but raise his eyebrows.

“Good technique,” the Sky Blood Rainbow praised slightly.

The ten lights of star seizer were bright and mysterious. The power contained in them made people not dare to look directly at them!

“Go to hell!”

Along with Zhai Xing's furious roar, both of his hands reached out at the same time!

The ten plus internal Qi that were like stars instantly smashed towards the three white bones!

“Boom!”

A nuclear bomb-like explosion reverberated throughout the entire discussion martial hall!

The discussion martial hall instantly collapsed, and a terrifying aura quickly spread out in all directions!

Those who were weaker were directly smashed into minced meat by this aura!

Even Qin Yu and the others felt a trace of pressure!

The entire ground was smashed into pieces, and gusts of violent wind surged up.

In an instant, sand and stones flew, and the sky turned dark!

The power of the star picking hand far exceeded one's imagination!

Even the Sky Blood Rainbow's expression changed, as if he was shocked by this move!

Not far away, star picking panted slightly, and a trace of sweat appeared on his forehead.

It was obvious that the pressure the star seizer had exerted on him was also extremely great.

The light dissipated, and dust fell.

The three white bones were smashed into the ground!

White spots appeared on their bodies!

This result immediately made everyone despair!

Such a powerful move of the star seizer had only left behind white spots!
Just how hard was this white bone?

"It's over, even the star plucking hand can't hurt them..."

"The body of a mighty figure lives up to its reputation."

"It's over, it's over, I don't want to die..."

Some people even burst into tears, their faces filled with despair.

“Hahahaha!”The Heavenly Blood Rainbow couldn’t help but burst into laughter.

“Is that all you’ve got? Star plucking, you’re Only So-so!”

Accompanied by Tian Xuehong’s furious roar, a white skeleton instantly appeared in front of Zhai Xing!

“Bang!”

A white fist smashed into Zhai Xing’s chest, and his body was instantly sent flying!

His body slid on the ground for dozens of meters, and blood continuously dripped out of his mouth!

Tian Xuehong looked coldly at Zhai Xing and said, “You reckless thing, still trying to stop my grand plan!”

Zhai Xing was lying on the ground, looking extremely miserable.

“Tian Xuehong, Stop!”Gu Xinghe rushed forward and blocked in front of Zhai Xing.

Tian Xuehong glanced at gu xinghe and snorted, “I’ll only give you face one last time. If there’s a next time, don’t blame me for being impolite.”

Gu Xinghe grunted in gratitude. He picked up Zhai Xing and turned around to leave.

Even Zhai Xing had lost.

It was not an exaggeration to say that Zhai Xing was the strongest person at the moment. Even Jiang he might not be a match for him.

Even he had lost. Who else could stop Tian Xuehong!

“Weng!”

At this moment, a bright light flashed not far away. A martial artist’s spiritual sense was directly extracted!

“Ah! !”

The person sitting next to him immediately screamed in fear. His face was deathly pale!

This made the already frightened people even more desperate.

When misfortune fell upon them, the fear was far greater than what they had heard.

The scene became extremely chaotic. Everyone was afraid that they would be the next person to be extracted!

“Oh, I forgot to tell you. The divination of the divine sense is random,”said Tian Xuehong indifferently.

“One second, it might be thousands of miles away. The next second... It might be you!”Tian Xuehong grinned, revealing his mouth full of white teeth.

The sounds of Pain were endless. Some people couldn’t bear the psychological pressure and fainted on the spot.

“Tian... Tian Xuehong, please spare me. I’m willing to work for you!”

At this moment, some people began to surrender to Tian Xuehong, trying to save their lives.

“I... I’m willing too! I’m willing to join the Slaughter Immortal sect and work for the Slaughter Immortal sect. I only beg for My Life!”

Looking at the Warriors kneeling on the ground and begging, the Sky Blood Rainbow couldn’t help but ridicule, “Work for me? Are you even worthy?”

He swept his gaze across the crowd and coldly said, “Your greatest use is to provide me with spiritual sense.”

The atmosphere of despair pervaded the entire discussion martial hall.

Some people were so scared that they collapsed to the ground, while others were so scared that their crotches turned yellow.

“Damn it!”Kong Yun’s face was full of anger.

“We absolutely can not allow him to continue doing evil!”

“Even Zhai Xing has lost. We are even less of a match for him.”Qin Yu shook his head.

“Then what should we do? Are We just going to sit and wait for death?”

Qin Yu looked at the few light pillars not far away and said in a deep voice, “If we want to stop this spell, I’m afraid we have to cut off this light pillar.”

Even so, the light pillars were too far away, so how could he cut them off?

The light pillars became thicker and thicker, and the light became brighter and brighter.

Tian Xuehong's face was full of excitement. He took a deep breath and said, "It won't take long for me to recover to my peak... hahaha!"

His laughter was like a demon, echoing throughout the entire discussion martial hall!

Qin Yu closed his eyes slightly and said, "Tie Dan, do you have a way to cut off those light pillars? Or let me escape?"

"You're thinking too much. These light pillars aren't something you can cut." At this time, Iron Egg's voice sounded in his mind.

Qin Yu frowned and said, "Can't cut them? Why?"

Iron egg ridiculed, "I'm afraid you don't know how terrifying this technique is. Those eight light pillars aren't material at all. How can you cut them?"

Qin Yu couldn't help but clench his teeth and said, "Then how should I stop this technique?"

"Didn't he say that this technique can't be stopped? Back then, when the immortal slaying sect used this technique, no one could stop it," tie Dan said in a deep voice.

Qin Yu couldn't help but curse inwardly, "So, we can only sit and wait for death?"

"Yes," tie Dan muttered in a low voice.

Qin Yu took a deep breath and said, “If I lend you my body, can you defeat those white bones?”

Chapter 976: Chapter 976, Fight!

Hearing Qin Yu’s words, Tie Dan said proudly, “If you lend me your body, I can deal with a few skeletons.”

Tie Dan paused and continued, “But... even if I kill those skeletons, I can’t stop this formation.”

Qin Yu couldn’t help but turn pale.

If he couldn’t stop this formation, then there would still be martial artists dying, and even he himself wouldn’t be able to escape.

“Bang!”

At this moment, another martial artist’s spiritual sense was pulled out, and his body fell to the ground.

“Ah!”

As more and more martial artists around him were pulled out of their spiritual senses, that panic continued to spread.

Qin Yu looked coldly at Tian Xuehong, who was not far away, and his face became more and more ashen.

But at this time, no one dared to stand out, because whoever stood out would become the next target.

Tian Xuehong stood there with his hands behind his back, quietly watching everything.

The expression of enjoyment on his face was even more thought-provoking.

“Qin Yu, we can’t wait any longer. Let’s fight it out with him!” Chang Mang clenched his fist and said.

His entire body was emitting a red light. Together with his tall body, he looked extremely oppressive.

“Saintly being?” At this moment, Tie Dan’s voice sounded again.

“There really are strange people gathering around you.”

Qin Yu ignored Tie Dan.

He patted Chang Mang’s shoulder and shook his head. “Don’t do anything rash. Sit Down.”

Chang Mang gritted his teeth and said, “Don’t tell me we should just watch so many innocent people die? I Can’t Do That!”

“Fight it out with him,” Kong Yun said coldly.

Qin Yu fell into silence.

He thought for a moment and said, “Sit down. I’ll try to stop him.”

“We’ll go with you!” Chang Mang and Kong Yun said hurriedly.

Qin Yu hurriedly shook his head and said, “No. Since I dare to stand out, I naturally have a way to protect myself. Before I die, no one is allowed to go forward.”

After saying this, Qin Yu slowly stood up and walked towards the sky blood rainbow under everyone’s watchful eyes.

Almost everyone’s gaze was focused on Qin Yu.

The expressions on their faces were quite complicated. There was surprise, excitement, and excitement.

No one expected Qin Yu to stand out at this time.

“HMPH, showing off?” Yan Jinyao couldn’t help but snort when he saw this.

“You still dare to show off in such a situation. You are simply courting death.”

A trace of playfulness appeared on Tian Xuehong’s face.

“Qin Yu?” Tian Xuehong sized Qin Yu up.

“I let you escape last time. I didn’t expect you to still dare to come out.”

Qin Yu walked towards Tian Xuehong step by step.

He looked at Tian xuehong coldly and said, “Tian Xuehong, stop.”

“Stop? hahahaha!” The Sky Blood Rainbow couldn’t help but laugh out loud.

“Do you have the right to say that to me?”The Sky Blood Rainbow’s eyes became extremely cold.

Qin Yu took a deep breath and said, “I’m trying to persuade you.”

“What if I don’t Listen?”The Sky Blood Rainbow raised his eyebrows and said.

Qin Yu’s body suddenly shook, and golden light immediately lit up.

“If you don’t listen, then I can only fight to the death,”Qin Yu said coldly.

Hearing this, heavenly blood rainbow laughed so hard that tears almost flowed out.

“Fight to the death? You are courting death!”Heavenly Blood Rainbow said with a cold smile.

“Even picking stars is not worth mentioning, let alone you?”

Qin Yu didn’t say anything, but his internal Qi was still rising rapidly.

“Lend me your body...”Iron Egg’s voice sounded in his mind.

Qin Yu ignored him.

Qin Yu didn’t want to use Iron Egg’s power unless it was a critical moment.

First, he didn’t trust iron egg. Second, it was easy to develop dependence, which would affect his future cultivation.

“Okay, I’ll play with you.”

Sensing the killing intent from Qin Yu, Tian Xuehong also became interested.

He took a step back and with a slight wave of his finger, a white skeleton walked up to him.

Looking at the tall white skeleton in front of him, Qin Yu felt a little nervous.

However, other than being nervous, Qin Yu also had a strong desire to fight!

In almost an instant, Qin Yu's internal Qi reached its peak!

That golden light was like the color of a hero, extremely dazzling and branded into everyone's heart!

"Kill him," Sky Blood Rainbow said coldly.

As Sky Blood Rainbow gave the order, white bones quickly raised its hand and reached out toward Qin Yu!

Qin Yu did not Dodge. Instead, he roared angrily and clenched his fist to meet it!

The Golden Fist seemed to be carrying flames as it fiercely collided with the sinister white bones.

"Boom!"

At the instant of the collision, sparks that were like steel clashing exploded!

Waves of power spread out rapidly in all directions like a shock wave!

Under this tremendous force, Qin Yu was knocked back repeatedly. It took him more than ten steps to stabilize his body!

“What a powerful force.” Seeing this, Qin Yu couldn’t help but frown.

The power of this white bone was even more powerful than he had imagined.

“Lend me your body, and I’ll teach him a lesson for you!” Iron Egg’s voice sounded again.

Qin Yu ignored him as he stood up from the ground.

The moment he stood up, he felt traces of pain coming from his internal organs.

“What a terrifying power.” Qin Yu couldn’t help but frown.

That power actually followed Qin Yu’s fist and spread throughout his entire body, causing an impact to his internal organs.

The body of a mighty figure truly lived up to its reputation.

“You don’t know whether to live or die.” When Sky Blood Rainbow saw this, he couldn’t help but sneer.

In the next second, that white bone charged towards Qin Yu once again!

Qin Yu still didn’t Dodge. He raised his hand and used the absolute beginning sacred fist!

The two of them clashed for the second time. This time, Qin Yu’s body was still sent flying, and he fiercely crashed into the wall at the edge!

His body slid off the wall, and traces of blood trickled out from his back.

“It’s even stronger than before...”Qin Yu couldn’t help but widen his eyes.

What kind of monster was this ? Under the absolute beginning sacred fist, not only did it not suffer any damage, it did not even move a single step!

“Zhai Xing is really strong, to actually be able to smash this thing into the ground...”Qin Yu wiped the blood from the corner of his mouth, and could not help but sigh in his heart.

“Qin Yu, do you have a tendency to be abused ?”Tian Xuehong said with a playful look.

Qin Yu did not say anything. He struggled to get up from the ground.

“I’m afraid I can’t hold back anymore,”Qin Yu muttered softly.

The only thing he could rely on now was to break ten thousand techniques with one punch.

Thereupon, golden light burst out from Qin Yu’s body once again. The rays of golden light were like a spring, pouring into his right arm.

In an instant, Qin Yu’s right fist became extremely hot, like a burning sun.

A terrifying power quickly filled the entire arena, and the entire discussion martial hall seemed to be heating up.

“What a hot temperature...”someone exclaimed.

“What Move Is This ?”Yan Jinyao couldn’t help but frown, and he even stood up..

Chapter 977: Chapter 977, all his trump cards were revealed

Qin Yu's punch made everyone tremble.

Even though they were far away, they could still feel the powerful strength on that fist.

Qin Yu clenched his right hand into a fist. Golden light flashed, extremely dazzling.

However, not far away, white bones did not move at all.

Qin Yu took a deep breath and said coldly, "Come, let me see just how powerful this almighty body is!"

Following Qin Yu's furious roar, his feet instantly moved, and in the blink of an eye, he arrived in front of the white bones!

Qin Yu bent his legs, and his body suddenly bounced up. A huge golden light came down from the sky, and fiercely smashed towards the white bones!

The attack method of the white bones was extremely simple. It could only use its steel-like body to clench a fist to meet the Attack!

"Bang!"

The Fists finally collided.

One Golden and one white, forming two extremely dazzling visual impacts!

This kind of confrontation caused the entire scene to stir up waves of dust. The ground rapidly sank down, as if a huge earthquake had occurred!

However, even under the influence of the earth-shaking and mountain-shaking, everyone still stared fixedly at the center of the Discussion Martial Hall.

“Whoosh!”

Soon, a figure shot out from the center!

This figure was none other than Qin Yu!

He was sent flying again, and cracks appeared on his fist!

However, the white bones only took five steps back! Not a single white spot was left on his body!

Seeing this scene, everyone could not help but suck in a cold breath!

“What... What kind of body is this? It's not damaged at all?”

“Could it be that Qin Yu's punch was just a bluff?”

“Impossible! He had used that punch before, and almost no one could withstand it!”

“After all, there's too much of a difference in realm between the two sides...”

“Cough Cough Cough!”

Qin Yu began to cough out blood from his mouth, and his face was even paler.

He supported his body and stood up from the ground.

“What a strong body...”Qin Yu wiped the blood at the corner of his mouth and muttered softly.

This was merely the bones of a mighty figure, yet it was already so powerful. Just how powerful was a true mighty figure?

“Let me do it!”Tie Dan said excitedly.

Qin Yu wiped the blood from the corner of his mouth. He was still somewhat unwilling to accept this.

“Qin Yu!”At this moment, Chang Mang finally couldn’t hold it in any longer and jumped down from above.

He ran to Qin Yu in a few steps and supported him.

“How are you? Are You Alright?”Chang Mang asked in a deep voice.

However, Qin Yu’s pupils suddenly constricted and he shouted, “Quickly dodge!”

However, it was already too late. That White Bone’s fist had already ruthlessly smashed towards Chang Mang from behind!

Before Chang Mang could react, he was directly sent flying!

His body crashed into the wall and was buried in the rubble!

“Chang Mang!”Qin Yu’s expression changed drastically!

He knew the power of the white bone. The destructive power of this punch was beyond imagination!

“Ah! !”

But at this moment, Chang Mang rushed out at any moment.

His eyes were scarlet red, like an angry bull.

“Ah! !” Chang Mang roared continuously, and the red light on his body grew stronger.

In the next second, he shot toward the white bone!

Seeing this, Qin Yu could not help but be dumbfounded.

This kid’s body was actually so strong?

Not only did he not die after taking a punch, but he became even stronger?

“The saintly being is not as weak as you think. The saintly being that grew up is not weaker than your chaos body,” tie Dan said in his mind.

Qin Yu looked at Chang Mang who was not far away. He rushed forward and was quickly repelled.

However, Chang Mang was like a cockroach that could not be beaten to death. After falling to the ground, he got up and rushed towards white bones again and again.

This scene not only stunned Qin Yu, but everyone present also widened their eyes.

“F * ck, a warrior...”

“When did such a boorish person appear...”

“He’s simply like a Madman...”

Even though that was the case, the difference in strength between Chang Mang and Bai Gu was still too great. In the end, he was still knocked to the ground and found it difficult to get up.

Qin Yu walked in front of Chang Mang, picked him up, and walked towards the stage.

“Take good care of him.” Qin Yu handed Chang Mang to Yao Meng and Kong Yun.

After that, Qin Yu returned to the battlefield again.

“Interesting, really interesting.” Tian Xuehong couldn’t help but say with a playful tone.

“I didn’t expect there to be so many people in this world with blood in their veins.”

Qin Yu looked at Tian Xuehong coldly and said, “Do you think we will just sit and wait for Death?”

“Hehe, no matter what you do, the ending will be the same,” Tian Xuehong said indifferently.

He seemed to be too lazy to talk to Qin Yu, so he waved his hand and ordered the white bone to charge at Qin Yu again.

“Swoosh!”

Looking at the white bone charging at him, Qin Yu did not dare to be negligent. He could only Dodge quickly.

However, this white bone not only possessed a strong physical body, it also possessed extremely fast speed!

Even Qin Yu, who had undergone training with the immortal crane, was quickly at a disadvantage in terms of speed!

Helpless, Qin Yu could only clench his fist to meet the attack.

However, the result was predictable. With just one punch, the Golden Light on Qin Yu's body was shattered, but the white bones were not damaged at all.

“Damn it...”

The injuries on Qin Yu's body became more and more serious. If this continued, he might really die here...

“Hurry up and give me your body!” Tie Dan urged.

“My hands are Itchy already. Hurry up and give it to me!”

Qin Yu could not help but curse in his heart.

Was he really going to give his body to Tie Dan?

But what if he did not return it?

Qin Yu had a strong premonition that his father's attack might only be that one time.

“Bang!”

Before Qin Yu could make a decision, the white bone kicked Qin Yu's jaw, sending him flying into the air!

Qin Yu turned around and smashed his fist at the head of the white bone.

“Clang!”

Unfortunately, the head was the hardest bone, so this punch didn't have any effect at all!

“Qin Yu, use the bronze sword!”

At this moment, a voice suddenly came from the crowd.

It was none other than the mustache.

He raised his head and said, “That bronze sword could even leave a mark on the gate of the immortal slaying sect, let alone this white bone!”

Qin Yu patted his head.

That's right! He had actually forgotten about the bronze sword!

Chapter 978: Chapter 978, the fourth slash of the nine absolute beginning slashes!

Ever since he was modified by Luo Jingyu, Qin Yu had never used the bronze sword!

Qin Yu, who had always relied on his physical body, had long forgotten about the bronze sword!

“Yes, the bronze sword!” Qin Yu's eyes lit up. With a shake of his palm, a longsword fell into his hand.

The Longsword was scarlet in color, and traces of killing intent emanated from it!

“Phew, thanks.” Qin Yu waved his hand in the direction of the handlebar mustache.

The handlebar mustache hurriedly hid his head in the crowd, afraid of being discovered.

Qin Yu held the bronze sword and looked coldly at the white bones in front of him.

“HMPH, do you think you can fight against a mighty figure with a broken sword?” Tian Xuehong’s eyes were filled with ridicule.

Qin Yu didn’t say anything. He held the sword with both hands and narrowed his eyes, looking somewhat nervous.

Facing this almighty body, even if he was holding the bronze sword, Qin Yu still felt a little uncertain.

“Whoosh!”

At this moment, the white bones had already rushed towards Qin Yu!

Qin Yu didn’t dare to be negligent. He immediately held the sword and slashed out fiercely!

“Clang!”

At the instant of the collision, Sparks immediately flew in all directions.

That terrifying force shook Qin Yu’s wrist until it hurt. The bronze sword in his hand almost fell down.

“F * ck, it’s useless...”Qin Yu couldn’t help but widen his eyes when he saw this!

The body of this skeleton was really beyond his imagination!

Before Qin Yu could react, the skeleton had already rushed towards Qin Yu again!

His hands turned into claws and clawed straight at Qin Yu’s head!

Qin Yu hurriedly placed the sword horizontally above his head to block this attack.

“Clang!”

There was another loud sound. This time, Qin Yu couldn’t hold it anymore. The sword in his hand flew out.

“Hahahaha!”

Seeing this scene, Tian Xuehong couldn’t help but laugh out loud.

“Is that all you have?”Tian Xuehong raised his eyebrows and said.

Qin Yu gritted his teeth. He rushed to the side of the bronze sword and pulled it out.

“Let me out! I want to teach this kid a lesson!”Tie Dan’s voice sounded urgent in his mind.

Qin Yu ignored him. He held the sword with both hands, and killing intent shot out of his eyes.

Then, the internal Qi in Qin Yu’s body rushed into the bronze sword.

Buzz

The bronze sword in Qin Yu's hand kept buzzing, and it let out a sound that sounded like the wails of ghosts and howls of wolves.

Rays of light appeared on the bronze sword!

This technique was the absolute beginning nine slashes!

Facing this almighty body, Qin Yu didn't dare to be negligent at all. He raised his hand and unleashed the third slash of the absolute beginning nine slashes!

“Go to Hell!”

Qin Yu let out an angry roar and his body rose up from the ground!

He held the sword with both hands and ruthlessly slashed towards white bones!

A terrifying sword ray descended from the sky and slashed down majestically!

Under Qin Yu's urging, that incomparably sharp sword blade slashed at white bones!

“Chi la!”

Under this sword attack, White Bones' body was actually smashed into the ground!

Not only that, a white scar appeared on his palm that he used to block!

“It worked!” Qin Yu was instantly overjoyed when he saw this!

Even the star picking hand, star picking's trump card, had only left a white scar.

Qin Yu was already strong enough to leave a white scar with a half-step martial saint!

The crowd not far away also widened their eyes when they saw this!

“Qin Yu's swordsmanship is actually so strong?”

“I always thought that his strongest point was his physical body. I didn't expect that his sword was also so powerful!”

Yan Jinyao frowned tightly.

He also didn't expect Qin Yu to be able to hurt the white bone.

On the battlefield, Qin Yu held the bronze sword and kept retreating.

His initial excitement turned into worry in the blink of an eye.

Qin Yu knew very well that the nine slashes of the absolute beginning was Qin Yu's trump card.

But even so, it only left a white mark.

Wanting to shatter this white bone was almost impossible.

“Qin Yu, you do have some ability. This sword technique is probably a heaven rank technique,” not far away, Tian Xuehong said indifferently.

“Unfortunately, such a sword technique like this, you shouldn't be able to slash it many times.”

After saying this, Tian Xuehong waved his hand, and the white bone immediately rushed towards Qin Yu.

Qin Yu did not dare to be negligent, and could only grab his sword and hurriedly respond.

For a moment, the sound of “Dang dang dang” could be heard continuously.

The white bone used his steel body to continuously smash towards the bronze sword in Qin Yu’s hand.

The huge impact caused Qin Yu’s wrist to feel pain, and it was almost broken.

“Boom!”

Finally, under the powerful attack of the white bone, the bronze sword in Qin Yu’s hand fell off again!

Before Qin Yu could react, white bones threw another punch at Qin Yu’s chest.

“Clang!”

Qin Yu’s body was sent flying dozens of meters away in an instant, and his mouth was bleeding non-stop!

“Kill him for me!” Tian Xuehong shouted.

White bones seemed to have gone mad when he received the order. Both his speed and strength increased rapidly!

Qin Yu's expression was extremely unsightly. He immediately executed the line word incantation and quickly grabbed the sword in his hand, responding in a hurry.

In just a few short seconds, white bones had already thrown out dozens of punches.

Even though Qin Yu held the bronze sword tightly, he was still shaken until he could not stop vomiting blood.

"Kid, if this continues, I'm afraid you're going to die." Iron Egg's voice sounded in his mind.

Qin Yu clenched his teeth, his face gloomy and uncertain.

Not far away, everyone could not help but stand up, staring at Qin Yu who was fighting with blood.

Their hearts were in their throats.

"Damn it, let's Go All Out!" Qin Yu seized the opportunity and shot back dozens of meters.

At this moment, Qin Yu was seriously injured, and the hand holding the sword was trembling slightly.

Qin Yu stabbed the sword fiercely into the ground, and his palm quickly slid.

In a moment, a huge "Dou" character appeared in front of him!

"Dou character?" Tie Dan was even more shocked when he saw this scene.

“How do you have the nine secrets?”

Qin Yu did not have the time to bother with Tie Dan. After using the Dou character, Qin Yu’s strength instantly increased tenfold!

That powerful aura instantly swept across the entire arena!

“Dou character... he actually has the Dou character!” Yan Jinyao’s pupils constricted again!

He had tried to find the nine secrets, but failed. He didn’t expect that Qin Yu had learned the real fighting formula!

With the help of fighting formula, Qin Yu’s strength had stepped into another level.

He grabbed the bronze sword and narrowed his eyes. Internal Qi burst out from his body and poured into the bronze sword.

“The first nine cuts, the fourth cut!”

With Qin Yu’s furious roar, Qin Yu’s body rose up from the ground!

An even more terrifying sword light lit up the sky in an instant!

Chapter 979: Chapter 979, the masked woman appeared?

This was the fourth slash of the nine absolute beginning slashes! It was also the first time Qin Yu had tried to use it!

An even sharper sword ray appeared in the sky. Qin Yu held the sword with both hands and soared through the sky.

Under the contrast of the sword ray, Qin Yu looked like a God!

His clothes had been shattered, and blood flowed down his body bit by bit. However, the determination on his face did not decrease in the slightest!

Looking at this even more powerful sword ray, everyone stood up one after another!

Under the explosion of this internal QI, gusts of wind blew up at the scene. It was as if even the clouds in the sky had been affected!

Qin Yu glared angrily at the white bones below. With a roar, he gripped his sword with both hands and ruthlessly slashed at the white bones!

The white bones still raised its hands to receive the attack. It did not know what fear was at all!

“Swish!”

The bronze sword hummed. Under the control of Qin Yu’s hands, it ruthlessly slashed towards the white bone!

At the moment of collision, the bronze sword pierced through white bone and slashed downwards!

“Boom!”

The sword smashed onto the ground, and White Bone’s two palms were also cut off by Qin Yu’s sword!

Hiss...

The scene could hear the sounds of gasps.

Qin Yu... actually cut off white bones' arms?

One had to know that this was something that even star harvester couldn't do!

Qin Yu held the bronze sword, breathing heavily.

Internal Qi and the fourth slash were both extremely stressful for him, and his aura was rapidly declining.

Above, Yan Jinyao's face was gloomy.

"It must be that sword!" Yan Jinyao said coldly.

"Either it's the problem with his technique or the battle word formula!"

"I have to think of a way to get the battle word formula!"

At this moment, Tian Xuehong's expression was extremely cold.

He never expected that a mere qin yu could actually hurt his white bone army!

"Bang!"

At this moment, Qin Yu, who was gasping for breath, was kicked away by the white bones.

At the same time, two more white bones walked forward.

Looking at these two white bones, everyone felt despair.

Qin Yu risked his life, but only managed to cut off two of his arms.

And the Heavenly Blood Rainbow had dozens of white bones!

This disparity in strength made people feel despair.

Qin Yu tried to get up, but he found that he had no strength left in his body.

He grabbed the sword in an attempt to stand up, but he failed again and again.

The Sky Blood Rainbow walked towards Qin Yu Step by step.

He looked down at Qin Yu with a trace of disgust and anger on his face.

“You actually hurt my bones. It’s unbelievable,”said the Sky Blood Rainbow coldly.

Qin Yu didn’t have the mood to pay attention to the sky blood rainbow. He struggled to stand up.

However, before Qin Yu could get up, the Sky Blood Rainbow had already stepped on Qin Yu’s body.

Qin Yu, who was already lacking in internal QI, instantly did not have the strength to stand up after this kick.

“Qin Yu, you have successfully angered me,”said the Sky Blood Rainbow coldly.

“I will let you know the price of my anger.”

After saying this, the Sky Blood Rainbow's eyes suddenly glared. A martial artist not far away was instantly drawn out of his spiritual sense, and his body violently fell to the ground!

Without waiting for everyone to be afraid, Tian Xuehong waved his hand again and drew out another martial artist's spiritual sense!

“Stop!”Qin Yu's eyes widened when he saw the situation!

However, Tian Xuehong stepped firmly on Qin Yu and sneered, “I will let you know the price of resisting me! You Bunch of maggots, you actually dare to resist!”

“You F * cking... Stop!”Qin Yu roared angrily.

However, the Sky Blood Rainbow didn't care about Qin Yu. He reached out with his palm and could absorb a person's spiritual sense!

The people at the scene instantly went crazy, wailing and screaming non-stop.

Despair made them lose their rationality. They were like headless flies, running around randomly.

It was as if this could give them a glimmer of life.

“All of you sit there!”

Tian Xuehong let out an angry roar, and several white bones rushed over!

That powerful pressure made everyone's bodies stiffen. They stood on the spot, not even daring to breathe!

The scene was terrifyingly quiet.

Everyone's hearts were entangled by despair.

Some people shed tears, while others fell to the ground, trembling.

Tian Xuehong laughed coldly. He bent down and looked down at Qin Yu.

"Qin Yu, aren't you very strong? Fine, I'll start with you," Tian Xuehong said coldly.

He stretched out his palm, and three evil ghosts appeared and pounced on Qin Yu's head!

These evil ghosts penetrated Qin Yu's brain, wanting to extract Qin Yu's spiritual sense.

Qin Yu gritted his teeth. The Golden Man in his mind erupted with power and formed a confrontation with this evil ghost!

"Oh?"

Seeing this scene, Tian Xuehong was even more shocked.

In just a few days, Qin Yu's spiritual sense had become so much stronger?

"Swoosh!"

At this moment, Tie Dan in his mind made a move and directly cut off the evil spirit's palm!

The three evil spirits lying on Qin Yu's head instantly disappeared without a trace.

Tian Xuehong immediately frowned.

“Such powerful divine sense?”

Tian Xuehong refused to believe it. He condensed three evil ghosts again and rushed toward Qin Yu.

Unfortunately, he failed in the end.

“Damn it!”

Tian Xuehong immediately became even angrier.

He lowered his head to look at Qin Yu and said, “You are really a shocking guy. It seems impossible for me to extract your divine sense with my methods.”

“But don’t be happy too early. When the spell of the immortal slaying sect lands on you, you won’t be able to escape even if you have great abilities!”

Qin Yu’s expression was extremely ugly. Tie Dan in his mind also muttered, “If it’s the power of the eight light pillars, even I can’t stop them.”

At this moment, Tian Xuehong looked around and sneered, “Since I can’t extract your spiritual sense, I’ll start with them.”

“I want you to witness how they died in front of you!”

With that, the sky blood rainbow waved his hand and another warrior fell to the ground!

As long as the sky blood rainbow raised his hand, one warrior would definitely fall to the ground!

In just a few minutes, five warriors had died in front of Qin Yu.

Qin Yu was furious, but there was nothing he could do.

That feeling of helplessness made Qin Yu feel a level of despair.

The hearts of the people present were in extreme pain.

They were all afraid. They were afraid that the next person to be extracted would be them.

“Let me out quickly! Quickly!”Tie Dan’s urging voice kept ringing in Qin Yu’s mind.

His voice was filled with anxiety, as if he couldn’t wait to control his body.

Qin Yu laughed bitterly in his heart.

Was he really going to let him out?

“Hahahaha!”

Tian Xuehong’s arrogant voice echoed in the martial arts hall.

“No one in the world can stop me! Once I absorb all of you, I will definitely return to my peak!”Tian Xuehong laughed maniacally.

“Quickly let me out, quickly!”Tie Dan was so anxious that he was about to curse.

However, at this moment, Tian Xuehong's laughter suddenly stopped.

Sweat unconsciously appeared on his forehead.

A strong sense of danger filled Tian Xuehong's heart.

Not only Tian Xuehong, but everyone present felt their hearts palpitate.

No one could stop the physical fear that came from their bodies!

“Who? !”

Tian Xuehong looked around in fear, his eyes filled with panic.

At this moment, a beautiful figure slowly appeared in the air.

She wore a mask, and her entire body was emitting an ice-cold aura that made people shudder..

Chapter 980: Chapter 980, the Terrified Heavenly Blood Rainbow!

The figure floated in mid-air. It looked like a fairy that did not exist in the mortal world, but also like a demon from the nine serenities hell.

“It's... It's You!”

Upon seeing this figure, the Heavenly Blood Rainbow's pupils dilated!
His body trembled like a sieve!

“Eh? Little... Little Fish?”Qin Yu could not help but widen his eyes.

He stood up to greet little fish, but he found that he didn't have the strength to stand up at all.

“Iron egg, hurry up and help me!”Qin Yu hurriedly shouted at Iron Egg.

However, iron egg didn't say a word, as if he had fallen into silence.

“Iron Egg?”Qin Yu tried to shout again, but there was still no response.

Qin Yu gritted his teeth. He could only do his best and shout in the direction of little fish.

However, “Xiao Yu”didn't pay attention to Qin Yu. He just looked down at the Sky Blood Rainbow.

The Sky Blood Rainbow's face was pale and his body was trembling.

It was unknown whether it was because of fear or something else, but he was like Qin Yu. His legs were weak and he couldn't stand up at all!

“You... how can you still be alive...”the sky blood rainbow's lips trembled as he said in a trembling voice.

Little Fish remained silent. That powerful pressure made everyone physically afraid.

The Sky Blood Rainbow wanted to get up many times, but he realized that his legs were completely out of control.

He knelt on the ground and said in a trembling voice, “I... I was wrong. Forgive me, forgive me...”

Hearing this, everyone was stunned.

The Sky Blood Rainbow actually knelt down and begged for mercy?

Who was that woman in midair?

“I was wrong. I beg you to spare my life...”tears actually flowed out of Tian Xuehong’s eyes.

He knelt on the ground, his head hanging on the ground, not daring to raise his head at all.

“I didn’t know you were still alive. The immortal slaying sect is gone. Please let me go...”Tian Xuehong cried bitterly.

Xiao Yu didn’t say anything. She raised her hand, and the dozens of white bones instantly turned into ashes!

Then, Xiao Yu’s hands slowly slid in the air. No one knew what kind of spell she was using.

A moment later, the light pillars began to collapse!

One, two, three... Eight light pillars disappeared without a trace!

Seeing this, Qin Yu couldn’t help but frown. “Iron Egg, didn’t you say that this spell couldn’t be stopped? Didn’t it F * cking stop?”

However, iron egg still didn’t say a word. No matter what Qin Yu shouted, he didn’t have the slightest reaction. It was as if he had fallen into a deep sleep.

At this moment, heavenly blood rainbow was still kneeling on the ground. He kept shivering and didn’t even dare to raise his head.

If there was even the slightest bit of movement, Heavenly Blood Rainbow's entire body would tremble.

After doing all this, Little Fish's gaze in midair looked coldly at Heavenly Blood Rainbow.

Although it was just a glance, it completely shattered the mental defenses of the Sky Blood Rainbow.

He seemed to have gone mad as he started to run. As he ran, he roared crazily, "She's still alive, she's still alive, Hahaha... She's still alive..."

He didn't know if he had really gone mad, or if he was deliberately using this opportunity to escape.

In short, the Sky Blood Rainbow disappeared without a trace, and his white bone army was completely shattered.

Dozens of mighty figures had turned into nothingness in an instant.

Qin Yu raised his head to look at Little Fish who was in the air. He could not help but be dumbstruck.

He had risked his life to cut off two of his arms. She had merely raised her hand and these mighty figures had been shattered?

It was not just Qin Yu. Everyone present was shocked!

With such methods, he was most likely no longer a martial saint!

After doing all this, Little Yu slowly turned around as if she wanted to leave.

Qin Yu gritted his teeth and shouted with all his might, "Little Yu!"

This roar seemed to have used up all of Qin Yu's strength.

Little Yu, who was in mid-air, stopped in her tracks.

However, after only stopping for half a second, she turned around and left, disappearing without a trace.

Qin Yu lay on the ground, unable to help but feel mixed emotions.

Was She Xiao Yu or the legendary masked woman?

If she was Xiao Yu, why didn't she say anything? If she wasn't, why did she stop for half a second?

"Qin Yu!"

Kong Yun ran to Qin Yu's side quickly and helped him up.

"How are you?" Asked Kong Yun.

Qin Yu shook his head and said, "I'm fine."

"Who was that person just now?" Yao Meng couldn't help but ask.

The person she was talking about was naturally Xiao Yu.

"If I'm not wrong, it should be the little girl who was with you before," Kong Yun said in a deep voice.

"It seems that she was also the one who subdued the two corpses last time."

Qin Yu nodded, but at this moment, Qin Yu didn't dare to guarantee that it was still Xiao Yu, and he didn't know if she still recognized him.

“It's finally over.” Everyone present couldn't help but heave a sigh of relief.

Looking at the disappearing pillar of light, the huge rock weighing down on everyone's hearts finally fell to the ground.

Some cheered, some felt their legs go weak, and some just wanted to go home.

Qin Yu waved his hand at Kong Yun and the others and said, “Bring me back to nine pinnacles mountain first...”

The few of them acknowledged him and brought Qin Yu up to nine Pinnacles Mountain.

After arriving at nine Pinnacles Mountain, Qin Yu was so tired that he couldn't open his eyes. He quickly fell asleep.

After experiencing this incident, the reputation of the Jingdu Martial Arts Association had plummeted.

If it weren't for Zhai Xing taking action at a critical moment to save some face for the JINGDU martial arts association, the Jingdu Martial Arts Association would definitely have aroused public anger.

In the office.

Gu Xinghe looked at the video at the scene and couldn't help but frown.

The masked woman in the video made Gu Xinghe feel a sense of danger.

The most important thing was that the woman knew Qin Yu.

“Young Master.” At this moment, Long Mei walked in.

“How is it? Have you found out?” Gu Xinghe hurriedly asked.

Long Mei nodded and placed the document in front of Gu Xinghe. He said, “Her appearance is very similar to that of a legendary person. It is said that... the massacre immortal sect was destroyed by her.”

“There are many legends about her. This is the relevant document. You can take a look.”

Gu Xinghe quickly picked up the document and read it carefully.

There were many records about the masked woman in the document, and the more Gu Xinghe read, the more shocked he became..

Chapter 981: Chapter 981, the treasure of the Society of the Hundred Spirits

The more Gu Xinghe read, the more shocked he became. In the end, he slammed the document in his hand onto the table!

What was recorded on it was completely beyond Gu Xinghe’s comprehension!

“He killed more than ten great cultivators undergoing tribulation?” Gu Xinghe’s face was pale as he muttered softly.

One had to know that the tribulation stage was the end of a cultivator, and it was also the highest stage.

It was said that at that stage, there was nothing that could not be done!

“According to the records, but there might be some exaggeration,” Long Mei said.

“But... according to the records, there were indeed many great cultivators at the tribulation stage in the Church of the Massacre Immortal.”

Gu Xinghe gritted his teeth and said, “How could this Qin Yu know such a character? !”

“Don’t worry, that’s just a former masked woman. She has long been submerged in the long river of history,” someone beside him said.

When Long Mei heard this, he nodded and said, “It’s said that she appeared three times after she died, but most of them didn’t cause any waves.”

Even though that was the case, Gu Xinghe was still a little worried.

“No, we have to think of a way to kill her!” Gu Xinghe gritted his teeth and said.

At this time, Zhai Xing walked out.

He shook his head and said, “I advise you not to raise that brow. This person is temperamental and can go on a killing spree at any time.”

“If you attack her, the consequences will be unimaginable.”

“Moreover, she easily wiped out those dozens of mighty figures today. Do you think we can get rid of her with just us?”

Hearing this, Gu Xinghe immediately calmed down.

After a moment of silence, he said in a low voice, “This matter... There’s still a chance for us to consult the higher-ups.”

After such a thing happened, they temporarily calmed down.

The dispute from before had been put aside unknowingly.

Everyone was watching, afraid that something big would happen again.

On the other side, Qin Yu stayed on the nine pinnacles mountain for nine days.

After nine days, his injuries finally recovered.

“Tie Dan?” On this day, Qin Yu tried to call out in his mind.

However, tie Dan still did not respond.

Qin Yu could not help but sigh slightly.

The sudden disappearance of tie Dan made Qin Yu feel that he was already dead.

“Forget it, I can’t be bothered with him.” Qin Yu waved his hand.

He sat up from the bed and said in a low voice, “After experiencing so much, I already have the capital to step into the martial saint stage.”

With Qin Yu's current condition, he could indeed try to break into the martial saint stage.

Unfortunately, Qin Yu did not have the heavenly vanilla.

If he wanted to obtain the heavenly vanilla, he would need to rely on Tie Dan.

After bidding farewell to everyone, Qin Yu left nine Pinnacles Mountain.

Several days passed in a row, and the matter of the Heavenly Blood Rainbow began to gradually fade away.

Ever since the last time, the Heavenly Blood Rainbow had never appeared again. Some people even went to the immortal slaying sect, but they didn't find any trace of him.

On this day, Qin Yu returned to Jingdu.

There was a grand meeting to be held in Jingdu.

This meeting was called the Hundred Spirits Meeting. The Hundred Spirits meeting was held once every five years. It was said that rare treasures often appeared at the hundred spirits meeting.

Many treasures were extremely rare, and the identity of their owners was even more mysterious.

Tie Dan did not respond, so Qin Yu could only try to come to the hundred spirits meeting to try his luck and see if he could obtain a stalk of heavenly vanilla.

He came all the way to the hundred spirits meeting. As soon as he arrived, Qin Yu saw a sneaky figure.

This figure was none other than the handlebar mustache.

Qin Yu walked forward quickly and patted his shoulder from behind.

“F * ck!”The handlebar mustache was so scared that he staggered. He looked at Qin Yu warily and muttered, “F * ck, you scared me to death!”

Qin Yu rolled his eyes and said, “You’ve done too many bad things. You’re so jumpy.”

“Fart!”The handlebar mustache waved his hand.

Qin Yu followed beside the mustached man and said, “Coincidentally, I have a few questions to ask you.”

The mustached man looked at Qin Yu warily and said, “What Questions?”

“During the incident at the martial arts hall last time, the woman who appeared wearing a mask... was it Xiao Yu?”Qin Yu asked.

“What do you think?”The mustached man said somewhat speechlessly.

Qin Yu frowned and said, “Then she...”

“Then why did she ignore you, right?”The mustached man’s tone carried a hint of ridicule.

Qin Yu nodded.

The mustached man sneered and said, “I told you long ago that she was not a kind person. To her, there is no emotion to speak of.”

“Think about it. She appeared ten thousand years ago. After living for so long, what emotion is there to speak of?”

Qin Yu frowned and said, “That’s true, but... if that’s the case, why did she stop the Sky Blood Rainbow Last Time?”

These words stunned the mustached man.

He rubbed his chin and thought for a long time. In the end, he said impatiently, “How the F * CK Would I know? I have nothing to do!”

Qin Yu still wanted to ask something, but the mustached man turned his face away. He couldn’t be bothered with Qin Yu.

“Forget it.” Seeing this, Qin Yu stopped asking. It was useless to ask too many questions.

Then, Qin Yu and the moustache man began to walk around the society.

“This society is not simple. It is said that many people come from the mystic realm, or from the west,” the moustache man muttered.

“There are many Babe that even I have never seen.”

Qin Yu smiled bitterly, “I only want to get a heavenly vanilla.”

“That thing is not good.” The moustache man said.

“Why?” Qin Yu asked.

The moustache man said, “The heavenly vanilla is extremely embarrassing. To those who need it, it is a rare item. But to those who do not need it, it is no different from the weeds on the roadside.”

Qin Yu could not help but sigh slightly when he heard this.

Without the heavenly vanilla, Qin Yu would not be able to become a martial saint.

“It seems that it is not that easy to obtain a stalk of heavenly vanilla,” Qin Yu muttered.

The mustached man waved his hand and said, “There are plenty of Babe at the hundred spirits gathering. There must be something you want. Don’t keep your eyes on the heavenly vanilla.”

Qin Yu grunted in gratitude and didn’t say anything else.

The society was extremely large, almost the size of a county.

Not only were there rare treasures, but there were also clothes, food, and accommodation.

The society lasted for up to a month. It was said that this month would bring great economic benefits to the local area.

Along the way, people kept greeting Qin Yu. Ever since the incident last time, Qin Yu’s voice in the crowd was extremely loud.

“Do you see that? If this Qin Yu raises his arms and waves, who knows how many people are willing to follow him.” In the dark, a pair of eyes was coldly looking at Qin Yu.

“These people are just fence-sitters,” Gu Xinghe said with a sneer.

“Today, they see Qin Yu as a hero. Tomorrow, they may hate him to the bone.”

“And this hundred spirits society is an opportunity for us..”

Chapter 982: Chapter 982, Iron Egg cowered

There were many people from the Elfy society who came to attend.

Regardless of whether they were strong or weak, they would all come to join in the fun.

This kind of gathering would usually gather people from the same circle.

Gu Xinghe looked coldly in the direction of Qin Yu, the corners of his mouth curling up into an imperceptible sneer.

“My Plan can continue to be carried out,”Gu Xinghe said with a sneer.

...

Time flew by, and in the blink of an eye, it was night time.

Qin Yu and the moustache man found a hotel to stay in for the time being. Before they could pay the bill, a passionate person paid for Qin Yu.

“So Passionate,”Qin Yu couldn’t help but sigh.

“Yeah, you’ve been in the limelight at the Martial Arts Symposium Hall. I don’t know how many people now regard you as their idol,”the moustache man muttered.

Qin Yu smiled bitterly. He had never thought of this before.

Qin Yu's harvest for the entire day was almost zero because the Hundred Spirits Society was simply too big.

The two of them walked around once, but they had also walked less than one-tenth of it.

After returning to the hotel, Qin Yu closed his eyes slightly. He planned to once again try to find that tiny opportunity of a martial saint.

However, for some unknown reason, Qin Yu could clearly feel that he was only a hair's breadth away from becoming a martial saint, yet he still felt that there was something missing.

"Hu..."

After a while, Qin Yu opened his eyes and could not help but frown.

"This is strange." Qin Yu touched his chin.

"Could it be that I still have a problem with my choice of path?"

It was as if he was separated from becoming a martial saint by a layer of window paper. However, this layer of window paper was always unable to pierce through.

"It seems that my dao heart is still not enough to become a martial saint." Qin Yu thought to himself.

He looked at the handlebar mustache at the side. The handlebar mustache was snoring loudly.

Qin Yu said in a low voice, "What would the path of a person like the handlebar mustache be?"

At this moment, Qin Yu could not help but think of Xiao Yu.

Perhaps, she had already stepped into the martial saint realm? After all, she had several reincarnated memories. She was already very familiar with the path of a martial saint.

As he thought about this, Qin Yu fell into a deep sleep.

However, he did not know that someone was already taking action in the dark.

In a dark room.

He Teng stood in front of Gu Xinghe with a cruel smile on his face.

He licked his lips and said, "I can do what Tian Xuehong failed to do, and someone is taking the blame for it. I really don't dare to think..."

Gu Xinghe said with a sullen face, "Don't talk nonsense. Hurry up and go. Remember, don't let anyone find out."

He teng nodded and said, "Don't worry. I'm good at this kind of thing."

Then, he teng turned around and walked out.

The next morning, a few dried corpses appeared in many rooms.

However, no one thought much about it. They thought it was revenge, so they didn't cause too much trouble.

...

Qin Yu and the moustache man left their residence early and went to the hundred spirits gathering to continue searching for the heavenly vanilla.

But for the entire morning, Qin Yu and the moustache man didn't find anything.

"Looks like the quality of this year's hundred spirits gathering isn't too good." The moustache man stroked his beard and muttered.

"In the past, the hundred spirits gathering would always produce some earth-shattering treasures."

"I remember that the last hundred spirit gathering seemed to have unearthed an incomplete supreme artifact."

Qin Yu frowned and exclaimed, "What? Supreme Artifact?"

"Yes, but it's incomplete. As for whether it can be used or not, no one knows," the mustached man said.

"In short, until now, I haven't seen anyone use it."

Qin Yu said in a low voice, "If I obtain a supreme artifact, won't I be able to run rampant in this world?"

"You can say that," the moustache man said.

"But the premise is that it can be used. If it can't be used, then it's useless."

Qin Yu smiled and said, "As long as it can be obtained, there will always be a way to repair it."

With that said, the two continued to walk forward.

A long street was filled with people.

On both sides of the road, there were many houses along the street. These houses were rented out and used to sell treasures.

Qin Yu and the handlebar mustache shopped one by one. Finally, they stopped in front of a door that didn't look very big.

The handlebar mustache picked up a scroll and said, "What is this?"

The shop owner said, "Treasure map."

Hearing this, the handlebar mustache was immediately interested.

"Treasure map? Isn't that my old profession?" The handlebar mustache said with a smile.

After a round of bargaining, the treasure map was bought for 300,000 yuan.

"Boss, do you know where there is heavenly vanilla?" Qin Yu asked.

The shop owner shook his head and said, "I've never heard of it."

Seeing this, Qin Yu couldn't help but smile bitterly.

"Let's go." Qin Yu and the mustached man waved their hands and continued to walk forward.

After walking through a few more shops, both of them looked a little tired, so they stopped next to one of the shops.

This shop looked quite ordinary, and there were not many things in it.

The handlebar mustache took the lead and walked in. He picked up the things on the table and carefully observed them.

Qin Yu, on the other hand, released his divine sense and checked every single one of them.

“Put that leaf in the corner of the east wall into your bag. That’s a treasure!”

At this moment, Tie Dan’s voice sounded in Qin Yu’s mind.

Hearing this, Qin Yu said in surprise, “You’re still alive? I thought you were dead.”

Iron egg said anxiously, “Don’t talk nonsense. Go and get that leaf!”

Qin Yu didn’t dare to waste time. He quickly went over and took the leaf.

“Boss, how much is this leaf?” Qin Yu asked.

The boss said, “Take it for 500,000 yuan.”

“500,000 yuan? That’s too expensive. This thing looks ordinary,” Qin Yu muttered.

“Don’t bargain. Buy it before anyone finds out!” Tie Dan said anxiously.

Seeing this, Qin Yu quickly changed his words, “Boss, I want this thing.”

Then, Qin Yu swiped his card and bought the leaf.

After keeping the leaf in his bag, Qin Yu asked, “What exactly is this leaf?”

Tie Dan snorted lightly, “Kid, consider yourself lucky. This thing is called the scarlet flame leaf. Its function is also very simple. It can increase the power of your divine sense.”

“The more powerful your divine sense is, the more powerful you will become after you become a martial saint.”

Qin Yu exclaimed, “It can directly increase the power of your divine sense? There’s such a treasure?”

“If you don’t believe me, you can give it to me,” tie Dan said impatiently.

Qin Yu touched his nose and changed the topic. “Speaking of which, why did you disappear suddenly last time? I was just about to let you take over my body.”

Iron Egg couldn’t help but shiver at the mention of this. He muttered, “Pull my cock down. I don’t dare to come out with that masked woman around.”

Qin Yu couldn’t help but ask in surprise, “You know her?”

“No, but I’ve heard a lot of rumors about her.”Iron Egg’s voice was a little shaky.

“Also, I saw a portrait in a big tomb back then. Through that portrait, I saw the true body of this masked woman. That scene... I couldn’t help but Shiver.”Iron Egg shivered.

Qin Yu couldn’t help but raise his eyebrows and said, “Aren’t you known as the number one killer God? Why? Are you cowardly now?”

“What do you know!”Iron Egg said with some dissatisfaction.

“You haven’t experienced her era. Let me tell you, you are unlucky.”

“With your talent, you will be invincible in the world in time.
Unfortunately, the masked woman was resurrected in this life..”

Chapter 983: Chapter 983, the sinister Gu Xinghe

“What do you mean?”Qin Yu asked, puzzled.

Tie Dan sneered, “In the long river of history, there have been countless geniuses. All of them are like stars in the sky, but as long as they share the same life with her, they will eventually die at her hands.”

“Remember, it’s every life!”

Qin Yu couldn’t help but frown.

“It’s not as exaggerated as you say, is it?”Qin Yu said with some doubt.

Tie Dan sneered and said, “Believe it or not, every era will have top-notch geniuses that can suppress the same generation, but all the geniuses died at her hands.”

At this point, tie Dan squatted down and continued, “But you are also lucky. As long as she is resurrected, it is usually a big era.”

“Great era? What does that mean?”Qin Yu asked.

Iron egg said, “She has been reborn four times in total, and she has grown up two times in total. And these two times are the most prosperous era in the past ten thousand years.”

“There will be more geniuses in the great era, and the competition will be fiercer. There will be more top-notch talents born.”

Qin Yu didn't say anything.

Tie Dan sounded like he was telling the truth, and it didn't seem like he was lying.

Qin Yu continued to ask, “Then do you know what cultivation level this masked woman is at?”

“I don't know.”Tie Dan shook his head.

“But I can tell you that cultivators at the tribulation stage are the end of their cultivation path. Very few have reached this level.”

“But many have died in her hands.”

Qin Yu curled his lips.

The handlebar mustache, the Sky Blood Rainbow, and the current tie dan seemed to be extremely afraid of the masked woman.

Especially tie Dan.

He was obviously an extremely arrogant person, but the moment he saw the masked woman, he immediately chose to sleep.

But in Qin Yu's impression, she was clearly a brat who followed behind him.

“I don't believe that there's no one stronger than her,”Qin Yu snorted lightly.

Tie Dan waved his hand and said, “If you say ten thousand years ago, then it’s almost a legend. No one has seen it, so there’s no way to verify its authenticity.”

Qin Yu didn’t continue to ask.

He put away the scarlet fire leaf and left the place with the handlebar mustache.

After another day, the two of them still had little to gain.

This couldn’t help but make the handlebar mustache feel a little annoyed.

“If we can’t get the Babe, it means that someone else beat us to it,”the handlebar mustache sighed.

With that, he took out the treasure map in his hand and opened it.

“But we can take a look at this place.”

The mustached man took out the treasure map and started to compare it with the world map to find the location on it.

“We can take a look at this place,”reminded iron egg.

Qin Yu asked, “What? Are there really treasures here?”

“I don’t know, but according to my impression, this place is most likely a battlefield,”tie Dan said.

Qin Yu nodded slightly and said, “Okay, I got it.”

That night.

He Teng continued to move.

That night, several more people died at his hands, and the methods of committing crimes were exactly the same.

The next day, while Qin Yu was strolling with the handlebar mustache, he heard people discussing this matter.

Of course, Qin Yu didn't think too much about it. After all, it wasn't uncommon for people to kill in the martial arts world.

Moreover, this was the Hundred Spirits Association, which was looking for treasures. There was a possibility that someone might kill people and steal their goods.

In the next few days.

Qin Yu and the handlebar mustache continued strolling through the Hundred Spirits Association, resting wherever they went.

For five consecutive days.

A total of eighteen people died in the Hundred Spirits Association.

Each of them looked exactly the same before they died. It was a tragic sight.

“What's going on? Could it be that someone killed them and stole their goods?”

“This method... feels somewhat similar to the sky blood rainbow back then.”

“Impossible. The Sky Blood Rainbow has already been scared out of his wits. How dare he do such a thing again!”

“I saw the murderer with my own eyes. He was wearing a black robe and his internal Qi was extremely sinister!”

The more this matter spread, the more mystical it became. Some people even said that they saw the murderer eating flesh and bones.

“It seems that places with treasures are more dangerous,”Qin Yu said lazily with his hands on the back of his head.

“Who cares? Just Don’t blame us,”the mustache man muttered.

Qin Yu naturally couldn’t be bothered to care about such things.

In a room.

Gu Xinghe’s lips curled into a sneer.

“It’s about time to guide them,”Gu Xinghe said indifferently as he knocked on the table with two fingers.

Then, he looked at long brows and said, “Send someone to spread the word that this method is exactly the same as the spell that Qin Yu used.”

“Yes.”Long brows nodded quickly.

That night, Gu Xinghe called he teng to his room.

“Young Master Gu...”he teng leaned forward slightly.

Gu Xinghe nodded and said, “How is it? is your cultivation going well?”

He Teng licked his lips, squinted his eyes and said, “At this rate, it won’t be long before I can enter the martial saint realm...”

“Hahaha, not bad! You really live up to your reputation as the number one genius of the Central Plains!” Gu Xinghe said with some admiration.

“It’s all thanks to young master Gu’s guidance...” he teng said with a smile.

Gu Xinghe waved his hand. He took out a hat from his pocket and placed it in front of He Teng.

“What’s This?” He Teng asked in confusion.

Gu Xinghe sneered, “This is the hat that Qin Yu wore. Remember, find an opportunity to deliberately reveal a flaw and leave this hat at the scene.”

He Teng narrowed his eyes and sneered, “I got it.”

He took the hat, turned around, and walked out.

After he teng left, Zhai Xing strode in.

He looked at Gu Xinghe in front of him and said in a low voice, “If you want to kill Qin Yu, I can help you get rid of him now. Why frame him like this?”

Gu Xinghe glanced at Zhai Xing and snorted, “Uncle Zhai Xing, although you are powerful, you don’t know how to run an organization at all!”

“After this period of time, the prestige of the Jingdu martial arts association has been greatly damaged. We urgently need something to prove our worth and take back the hearts of the People!”

Zhai Xing could not help but sneer, “So you create your own enemies and destroy them yourself?”

“That’s right!” Gu Xinghe said faintly.

“This method is the simplest and most effective because those ants usually don’t have the ability to distinguish themselves and rely on others to think.”

“Moreover, Qin Yu’s voice is too loud right now.. If we get rid of him without any charges, then the public’s hatred towards the Jingdu martial arts association will probably reach its peak and explode!”

Chapter 984: Chapter 984, Unimaginable!

Gu Xinghe’s scheming made Zhai Xing feel a little scared.

He looked at Gu Xinghe in front of him and didn’t know what to say for a moment.

“Alright, Uncle Zhai Xing, I know what to do.” Gu Xinghe waved his hand and ignored Zhai Xing.

...

The next day.

The number of deaths had reached 25.

This immediately made Qin Yu begin to pay attention to it.

He and the handlebar mustache came to the door of the corpse room.

Looking at the corpse on the ground, Qin Yu could not help but frown slightly.

“This technique... seems somewhat familiar.”Qin Yu’s expression did not look too good.

“It’s he teng again?”Qin Yu’s eyes narrowed slightly, and his expression could not help but become a bit cold.

Before the discussion hall, he teng had used this technique and framed Tian Xuehong.

He didn’t expect that he would appear again at the Hundred Spirits Meeting!

“This he teng... We really can’t let him stay!”Qin Yu couldn’t help but feel a little resentful.

“Mr. Qin, you have to be careful recently.”At this time, a stranger beside him whispered.

Qin Yu said with some confusion, “Me? What am I careful of?”

The other party said mysteriously, “There are rumors in the crowd now that the killing method is very similar to the one you used before!”

Hearing this, Qin Yu’s expression immediately changed! He had a bad premonition in his heart!

“Of course, I definitely don’t believe it!”The martial artist added another sentence.

“Mr. Qin was willing to risk his life for everyone. Why would he do such a Thing?”

Qin Yu bowed slightly and said, “Thank you for Your Trust.”

Even though he said so, the worry in Qin Yu's heart became more and more serious.

The Mustache Man at the side came forward and said, "What are you worried about? Didn't those people say that they didn't believe that you did it?"

Qin Yu shook his head and said, "Three people make a tiger. No matter how fake it is, once there are too many rumors, it will become true."

The man with the handlebar mustache touched his chin and seemed to think that it made sense.

"How about... We leave the Society?" The Man with the handlebar mustache asked.

Qin Yu took a deep breath and said, "Do you think it's useful to leave? If we leave, we will not be able to clear our name."

"Then what should we do?" The mustached man asked.

Qin Yu opened his mouth, but he couldn't think of a good idea.

"If we can find the teng before then, it's naturally for the best." Qin Yu took a deep breath.

With that, he released his divine sense, covering almost the entire hundred spirits society!

But unfortunately, Qin Yu couldn't find the teng.

"I suspect that this matter is related to the martial arts association of Jingdu," Qin Yu said in a low voice.

“Something to do with them?” The Mustache Man could not help but feel a little surprised.

Qin Yu hummed in gratitude and said, “If it really has something to do with them... then we’ll be in trouble.”

“Forget it. I’m doing my job properly. If it’s not something I did, no one can pin it on me.” Qin Yu waved his hand and said.

Right now, for Qin Yu, the most important thing was to find out as soon as possible how to become a martial saint and find the heavenly vanilla.

When he returned to his residence at night, Qin Yu took out the scarlet fire leaf.

This scarlet fire leaf looked ordinary. Not to mention Qin Yu’s eyesight, even his handlebar mustache could not tell that it was extraordinary.

“How should I use this scarlet fire leaf?” Qin Yu asked in his mind.

Tie Dan said, “Don’t you have spiritual fire? Throw this scarlet fire leaf into the spiritual fire. Of course, control the strength of the fire. Otherwise, it might destroy this scarlet fire leaf.”

Qin Yu immediately nodded when he heard this.

He held his breath and stretched out his palm, and a wisp of spiritual fire fell into his palm.

The purple flame danced in the darkness like a dance, looking beautiful and enchanting.

Qin Yu used his other hand to pick up the scarlet fire leaf and put it into his right hand.

Then, Qin Yu focused all his attention on the flame and carefully roasted the scarlet fire leaf.

A few minutes later, the scarlet fire leaf started to shine with a golden light like gold!

As the spiritual fire burned, the golden light grew brighter and brighter!

The outer skin began to peel off, revealing layers of gold!

“Enough, enough!”

At this moment, Iron Egg’s voice sounded in his mind.

Qin Yu hurriedly put away the spiritual fire and looked at the scarlet fire leaf.

At this moment, the Scarlet Fire Leaf was flickering in the darkness like a red-hot meteorite.

“Well done, Qin Yu! Your eyesight has improved. You actually got a scarlet fire leaf?”The mustached man at the side said in surprise.

Qin Yu said in surprise, “You actually know that this is a scarlet fire leaf?”

“Nonsense. I’ve traveled all over the world. What haven’t I seen?”The mustached man said with a smile.

Qin Yu didn’t think too much about it. However, tie Dan in his mind said coldly, “I’m afraid this friend of yours isn’t simple.”

“HMM? Why do you say that?”Qin Yu said with some confusion.

Tie Dan said coldly, "As far as I know, the scarlet fire leaf has disappeared for more than a thousand years. Unless it's someone who has lived for more than a thousand years, it's impossible to recognize it at first glance."

Qin Yu scratched his head and said, "You're thinking too much. There are many things from a thousand years ago. Many people can still recognize it."

"The scarlet fire leaf is different. This thing completely disappeared a thousand years ago. There's no record of it," Tie Dan continued.

"He may be able to tell that this thing is extraordinary, but it's impossible for him to know that this thing is called the scarlet fire leaf. Unless he existed a thousand years ago!"

Qin Yu could not help but look at the handlebar mustache in surprise.

He had long guessed that the handlebar mustache was not simple, but he never thought that he had actually lived past a thousand years!

"Hey, Qin Yu, can I use this treasure map to exchange with you?" The handlebar mustache leaned forward and said with a smile.

Qin Yu rolled his eyes and said, "Go to Hell, in your dreams."

"Cheh, stingy," the handlebar mustache muttered.

Qin Yu carefully picked up the scarlet flame leaf and planned to refine it at this time.

"By the way, you have to take good care of this scarlet flame leaf. This item can raise your divine sense." The mustached man beside him reminded.

After he finished speaking, he even muttered, “Comparing people really pisses me off. With your physique, you are already invincible after stepping into the martial saint realm. Now, you can raise your divine sense again...”

“God, I really can’t imagine what it will be like when you become a martial saint. Who knows, you might even be able to fight against a mighty figure....”

Chapter 985: Chapter 985, Secrets of the Dao Protector

Qin Yu rolled his eyes and said, “It’s not that exaggerated. Fighting against a mighty figure? With just me?”

A mighty figure was a realm that was unreachable. That was an existence that possessed heavenly power.

The mustached man muttered, “It’s really hard to say. I saw it the other day. Your divine sense is much stronger than those of the same level.”

“With your special physique, it’s not impossible for you to become a martial saint and fight against a mighty figure in the future.”

Even tie Dan, who was in his mind, replied, “Yes, what he said makes sense.”

Hearing the words of the two of them, Qin Yu instantly looked forward to it even more.

He looked forward to the day he would become a martial saint.

At this moment.

Qin Yu suddenly felt a strong murderous aura around him.

“HMM?” Qin Yu frowned.

This aura... was very similar to he Teng’s internal Qi!

“It’s definitely he teng,” Qin Yu said coldly.

Then, Qin Yu got up and was about to leave.

At this moment, Qin Yu’s phone rang.

He picked up the phone and saw that the caller was an unknown number.

Qin Yu didn’t have time to think. He walked out and picked up the phone.

“Don’t go out!”

As soon as he picked up the phone, a cold voice came from the other end.

This voice sounded familiar, as if he had heard it somewhere before.

“You Are... Zhai Xing?” Qin Yu said in surprise.

The other party didn’t answer this question. Instead, he said, “Don’t go out. Otherwise, you will definitely take the blame.”

After saying this, the other party directly hung up the phone.

Qin Yu’s expression was extremely cold.

“What’s Wrong?”The mustached man asked.

Qin Yu took a deep breath and said, “It’s a call from Zhai Xing. He asked me not to go out.”

“Zhai Xing?”A trace of surprise immediately appeared on the Mustached Man’s face.

Qin Yu sat on the bed, his expression extremely conflicted.

If he did not go out, others might suspect him.

But if he went out, he would be even more suspected.

He was caught in a dilemma.

“It really is the JINGDU martial arts association’s doing.”Qin Yu took a deep breath.

“It seems that I have underestimated this Gu Xinghe.”

He sat by the bed and hesitated for a long time. In the end, he turned around and walked out.

Since he would be suspected no matter what, he might as well try to catch he teng!

As soon as he stepped out of the door, Qin Yu saw he teng rushing out.

As usual, his entire body was wrapped in a black robe, and a sinister aura filled the entire street. Qin Yu’s internal Qi was extremely dense.

“Stop!”Qin Yu shouted.

He Teng stopped in his tracks. He opened his mouth and said in a low voice, “Qin Yu...”

“He Teng! You Can’t Leave Today!” Qin Yu’s internal Qi exploded as he shouted.

He Teng licked his lips and said, “Since I dared to come, I naturally have a way to escape...”

Qin Yu did not waste any more time with him. He immediately executed the line word incantation and arrived in front of He Teng in the blink of an eye!

He Teng’s pupils suddenly constricted! Clearly, he did not expect Qin Yu’s speed to be so fast!

“Bang!”

Before he teng could react, Qin Yu’s fist had already smashed into his chest!

This punch directly pierced through He Teng’s chest! Blood instantly gushed out!

“So Strong...” he teng grinned and said with a smile that was not a smile.

Qin Yu’s feet moved, and heavy falling space was instantly cast!

Then, Qin Yu raised his hand and threw the absolute beginning sacred fist at He Teng!

But at this moment, he Teng’s body turned into balls of black energy!

Qin Yu’s fist instantly missed!

The balls of black energy surged in different directions!

“Although I really want to fight with you, now... is not the time...”He Teng’s voice came from all directions.

“Don’t worry... I am about to become a martial saint. When that time comes, I will definitely kill you!”

After he teng left these words, he disappeared without a trace!

Qin Yu’s expression was extremely ugly.

“He escaped again...”Qin Yu took a deep breath.

“Before you become a martial saint, I’m afraid it will be very difficult to kill him,”the Mustache Man said in a deep voice.

“You must seal off the space in order to get rid of him.”

Qin Yu grunted in gratitude and said, “We shouldn’t stay here for long. Let’s go back.”

After he finished speaking, the two of them quickly turned around and returned to their residence.

That night, Qin Yu had a bad premonition in his heart.

He had gone out to look for he teng because it was a risk. If he could not catch he teng, his suspicion would multiply.

“Forget it, do whatever you want.”Qin Yu waved his hand impatiently.

Qin Yu could not be bothered to care about what others thought. Only strength belonged to him.

That night, Qin Yu closed his eyes slightly and tried to find the path to become a martial saint again.

However, for some unknown reason, he still felt that something was missing.

It was as if he was missing a trace of opportunity.

For half a night, Qin Yu was drenched in sweat, but he still could not find that trace of opportunity.

Qin Yu had no choice but to temporarily give up.

“You must not be impatient to become a martial saint,” Tie Dan said in his mind.

“If you really can’t, you can go and beg your father. With his ability, it’s not difficult for him to let you become a martial saint.”

Qin Yu smiled bitterly and said, “I don’t even know where he is, how can I ask him?”

When he said this, Qin Yu asked curiously, “By the way, do you know what stage my father is in?”

“I don’t know.” Tie Dan shook his head and said.

“The strength of every guardian is a mystery.”

Qin Yu grunted and did not continue to ask.

His father had said that he would see him when he was strong enough.

Qin Yu lay on the bed, tossing and turning, unable to fall asleep.

At that moment, Qin Yu suddenly sat up from the bed.

“Tie Dan, let me ask you something,” Qin Yu said.

“... Don’t fucking call me tie Dan!” Tie Dan said angrily.

Qin Yu ignored him and continued to ask, “Do you know the Yan Family? and the bloodline of the Yan Family?”

Tie Dan was stunned and said in surprise, “Yan Family? Which Yan family are you talking about?”

“I don’t know either. Anyway... They all said that my girlfriend has an extremely powerful bloodline.”

After saying that, Qin Yu told tie Dan what had happened.

Including how the various secret realms and the martial arts association of Jingdu had snatched Yan Ruoxue away.

Hearing this, tie Dan couldn’t help but take a deep breath and murmured in a low voice, “According to you, I’m afraid there’s only that Yan family....”

Chapter 986: Chapter 986, Dilemma

Hearing this, Qin Yu hurriedly asked, “Do you know the Yan Family?”

Tie Dan said indifferently, “From your description, it can only be the Yan family that has been passed down for many years.”

Qin Yu nodded and said, "Continue."

Tie Dan cleared his throat and said, "The Yan family is a family with an ancient heritage. It is said that their complete bloodline is extremely powerful. They were once considered as one of the most powerful bloodlines in the world."

"According to my understanding, when the bloodline reaches 80% , they are qualified to become the head of the Yan family. 100% ... I have never seen it before."

Qin Yu immediately frowned.

"80% ? That Yan Jinyao... seems to be 80% , but he was not taken away by the Yan family,"Qin Yu said in a low voice.

"That can only mean that he is not born with a bloodline,"tie Dan said with his hands spread out.

"There is a huge difference between a natural and acquired bloodline."

"If he is born with 80% of a bloodline, the possibility of him entering the tribulation state in the future is very high. As for how strong he will be... no one knows."

At this point, tie Dan could not help but sigh, "As I said, as long as the masked woman appears, it will definitely be a great era. Now it seems that this life is really a golden era."

Qin Yu didn't say anything.

After hearing tie Dan's words, Qin Yu felt a great pressure.

"Then is the Yan family very powerful?"Qin Yu continued to ask.

Tie Dan rolled his eyes at Qin Yu and said, “What do you think of the families that have crossed the Tribulation Stage?”

“Let me put it this way. As long as a family that has crossed the tribulation stage, it will be a top aristocratic family, and its descendants will benefit from it.”

“The bloodline of a tribulation-transcending realm cultivator flows in their body. Their descendants will be very strong.”

Qin Yu scratched his head and said, “Doesn’t the immortal slaying sect also have a tribulation-transcending realm? What about their descendants?”

“Are you F * cking bullshitting me? The immortal slaying sect was destroyed. Where did their descendants come from?” Tie Dan said somewhat speechlessly.

Qin Yu suddenly came to a realization and said somewhat embarrassedly, “I see...”

“Qin Yu, in such a big era, geniuses often appear. All kinds of bloodlines that have not been seen in ten thousand years will appear. You have to be careful,” Tie Dan said with a yawn.

Qin Yu grunted and a trace of determination flashed in his eyes.

Although he felt that the pressure was a little heavy, he did not shrink back. Instead, it stimulated his fighting spirit.

The more this golden era was, the more exciting it was!

Qin Yu didn’t say anything more. He lay down on the bed and fell asleep.

The next day.

As soon as Qin Yu woke up, there was movement from downstairs.

He leaned on the window and saw two corpses being thrown at the door.

These two corpses looked the same as the previous few people. Their bodies were almost dried up.

Beside these two corpses, besides the onlookers, there was also the Purple Robe of the martial arts association of Jingdu.

“The martial arts association of Jingdu has finally sent someone,” Qin Yu said with his eyes narrowed as he rubbed his chin.

The purple robe downstairs was talking nonsense. He patted his chest and said, “Don’t worry. The Martial Arts Association of Jingdu will definitely give everyone an explanation for this matter!”

“Mr. Gu has already said that he will give us three days to catch the murderer!”

Qin Yu stood upstairs and couldn’t help but snort coldly.

“I’m afraid these people are going to pull in the net,” Qin Yu said in a low voice.

Sure enough, when Qin Yu and the handlebar mustache went to the Elfy Society that afternoon, the people around him started to look at him strangely.

Their gazes were somewhat evasive, and some people even deliberately kept a distance from Qin Yu.

“Damn it, you believe it just like that?” The handlebar mustache couldn’t help but curse.

Qin Yu sneered and said, “Like I said, three people become a tiger. No matter how fake a thing is, as long as you say it too much, it will become true.”

“Moreover, don’t forget that the mainstream media of martial arts is still in the hands of the martial arts association in Jingdu.”

The mustached man frowned and said, “Then what should we do?”

Qin Yu sighed slightly and shook his head. “It’s hard to get off a tiger. It’s a dilemma. There’s no way out.”

Everyone was just secretly suspecting that Qin Yu couldn’t just jump out and say that he didn’t do it, right?

Wasn’t that the same as admitting it without fighting?

“Ignore them.” Qin Yu shook his head.

On this day, Qin Yu could clearly feel the changes in the crowd around him.

According to Qin Yu’s calculation, at least 30% of the people were doubting him.

That night, Gu Xinghe could not help but laugh out loud.

“See? These people are just fence-sitters. Today’s hero may become a villain hated by Millions Tomorrow!” Gu Xinghe sneered.

He had long understood the hearts of the people.

“Young master Gu, do we need to release the word now?” Long eyebrows asked.

“No!” Gu Xinghe shook his head.

“If we want something to be real enough, we must not interfere directly. We must guide them from the side and let them suspect Qin Yu!” Gu Xinghe sneered.

Long Mei could not help but give Gu Xinghe a thumbs up.

“Young master Gu, I really did not expect you to have such talent! You are simply born with leadership skills!” Long Mei began to flatter.

Gu Xinghe also said with a slightly smug expression, “To deal with these people, I only need to use a little trick.”

“Qin Yu will soon understand that there are more than one way to kill people!”

Another Day passed.

The attitude of the people around Qin Yu changed again, and more and more people were afraid of Qin Yu.

Gu Xinghe even sent people to spread some seemingly rational “Analysis” among the crowd, trying to find ways to lead their suspicions to Qin Yu.

Three days later, no one dared to get close to Qin Yu.

As long as Qin Yu appeared, there would be people talking about him.

Qin Yu couldn't be bothered. He and the moustache man walked to a door, picked up a fan and asked, "Boss, how much is this?"

The Boss' expression changed, and he hurriedly said, "I... I'm not selling it."

The mustached man said unhappily, "What? Are you saying that I won't Give You Money?"

The owner was so scared that he didn't say anything, and his face was even paler.

Qin Yu waved his hand and said, "Forget it."

After walking out of the shop, the mustached man couldn't help but say, "Damn, these people are too much. A few days ago, they said that you were a hero, but in just a few days, your attitude has become like this."

Qin Yu smiled bitterly and said, "It's not their fault that someone is guiding them."

In the dark, someone looked at Qin Yu's background and could not help but reveal a trace of a cold smile.

"Young Master Wan, do you have any thoughts?" A martial saint beside him asked.

Wan Gu Qiong sneered and said, "Others may not be able to see through Gu Xinghe's methods, but I can see it clearly! In that case, I will help him!"

With that, he looked at the shop and said coldly, "Find an opportunity to kill the owner of this shop!"

Chapter 987: Chapter 987, the Furious Qin Yu

In the dark, many people had already begun to target Qin Yu.

But Qin Yu still didn't care.

After a whole day, almost no one was willing to get close to Qin Yu.

Qin Yu entered more than ten shops, but only three of the shop owners were willing to receive Qin Yu.

“Sigh.”

Qin Yu couldn't help but sigh slightly.

The handlebar mustache on the side was even more vexed.

“Don't these people have brains? Can't they think for themselves?” The handlebar mustache said angrily.

Qin Yu said helplessly, “For them, you can't ask them to think too much. Moreover, they should be afraid.”

The handlebar mustache waved his hand and said, “Then I don't care. The point is that this will delay my treasure hunt too much. It's not easy to hold a hundred spirits meeting.”

Qin Yu kicked the mustached man and scolded him with a smile, “Alright, I won't accompany you tomorrow. Come out by yourself.”

“That's more like it,” the mustached man muttered.

After returning to his residence, Qin Yu sat on the rocking chair and basked in the Sun. He closed his eyes slightly, looking quite relaxed.

“From Tomorrow onwards, you will go out by yourself. However, you have to give me some of the treasures you get,”Qin Yu said with his eyes slightly closed.

The mustached man glared and said, “Why should I?”

Qin Yu rolled his eyes and said, “If you don’t agree, I’ll go with you tomorrow. You won’t receive anything.”

“You... Alright,”the mustached man said helplessly.

“But I’m telling you, I have to distribute the things.”

“No problem.”Qin Yu nodded.

“If you can receive a stalk of heavenly vanilla for me, that would be the best.”

The mustached man mumbled, “Heavenly Vanilla, heavenly vanilla, where can I get you a stalk of heavenly vanilla...”

...

The next day.

The mustached man woke up early. After he greeted Qin Yu, he left the hotel on his own to look for treasures.

Qin Yu, on the other hand, was lying on the bed, looking rather relaxed.

“It’s said that there’s a stalk of heavenly vanilla in the second mystery realm. I wonder if it’s true,”Qin Yu muttered softly.

Qin Yu had considered asking tie Dan to go to the second mystery land to pick a heavenly vanilla for him. However, Qin Yu was still worried about tie Dan.

“Forget it. I will look for it first. If I really can’t find it, I will think of another way,”Qin Yu thought to himself.

At noon.

The man with the handlebar mustache rushed back from outside.

His head was full of big bumps and his hair was messy. He looked extremely pathetic.

Qin Yu suddenly stood up and said, “What’s going on?”

The mustached man angrily said, “These people are crazy! They are sure that you did it and beat me up when they see me! If I didn’t run fast, I’m afraid I would have been beaten to death by them!”

Qin Yu’s expression immediately became a little ugly.

He sat up from the bed and said coldly, “They attacked you?”

“That’s right. If you were here, they would have attacked you,”the moustache man mumbled.

Qin Yu frowned.

He had thought that these people would suspect him, but he had never thought that they would attack the moustache man.

“The few shops we went to yesterday, the bosses who didn’t receive us all died last night,”the moustache man said in a deep voice.

“Not only that, but one of your hats was also left at the scene. Now they are sure that you killed them.”

Qin Yu took a deep breath.

Hat? He was referring to thousand faces?

But thousand faces Qin Yu had always kept it in his spatial artifact.

“They really went to great lengths to frame me.”Qin Yu took a deep breath and said in a deep voice.

The mustached man sighed and said, “I’m afraid these people have gone crazy. Let’s hurry up and leave.”

Qin Yu didn’t say anything. He took out his phone and opened the martial arts forum.

He saw that the forum was discussing this matter.

“This person is probably really Qin Yu. Qin Yu has used such a technique before!”

“I have a video here to prove it!”

“This technique is exactly the same as Qin Yu’s!”

“Look, the hat that was left behind at the scene, is it the one that Qin Yu wore before? !”

“Impossible, how could Qin Yu do such a thing? Back then, he risked his life to fight against the Sky Blood Rainbow!”

“Hehe, a dragon-slaying warrior eventually turns into an evil dragon. Besides, who knows if he acted because he was afraid that the Sky Blood Rainbow would steal his resources?”

Looking at the comments on the Forum, Qin Yu’s expression became even uglier.

“I still underestimated them,” Qin Yu said in a deep voice.

The development of the matter had completely exceeded Qin Yu’s imagination.

Now, almost everyone did not believe him. This was something Qin Yu did not expect.

Just as Qin Yu was deep in thought, a sound suddenly came from outside.

Qin Yu leaned against the window and took a look. He found that the outside was already filled with people.

Although they did not make a big fuss, their intentions were very obvious.

Qin Yu narrowed his eyes and said in a low voice, “They actually came looking for us?”

“See, I told you. These people don’t know what’s good for them!” The Mustache Man muttered.

Qin Yu was silent for a moment, then said, "Wait for me here. I'll go down and take a look."

The mustache man muttered, "Why are you still going down? These people won't listen to your explanation."

Qin Yu sighed and said, "Then I can't hide here and not say a word. Moreover, I'm sitting upright, so I'm not afraid of them."

After saying that, Qin Yu turned around and walked downstairs.

The people downstairs were discussing something in a low voice. When they saw Qin Yu, everyone held their breath, and it was terrifyingly quiet.

Qin Yu glanced at these people and said as politely as possible, "May I know why everyone is looking for me?"

Everyone looked at each other. A moment later, someone suddenly shouted, "Qin Yu, so many people have died. Don't you think you should explain it to us?"

"That's right! These people's methods are exactly the same as yours. Did you do it or not?"

"Although we are weak, we still have the qualifications to know the truth!"

Qin Yu looked at everyone and said in a deep voice, "I didn't kill them."

"You didn't kill him? Then who else could it be? You have something at the scene!"

“The method of killing is exactly the same as yours. You said you didn’t kill him?”

“Stop pretending to be a good person!”

Hearing the comments of the crowd, Qin Yu’s heart was suddenly filled with anger.

“I said, I didn’t kill him!” Qin Yu said coldly.

“Of course you won’t admit it! Whoever killed him will admit it themselves!”

“Someone said that they saw you at the scene of the murder!”

“If you are a man, then come out. Don’t you dare to admit it!”

Qin Yu narrowed his eyes and said coldly, “If I want to kill them, why wait until midnight to do it? Do you think you are my opponents?”

A loud roar was like thunder, shaking everyone’s ears until they felt pain.

They unconsciously took a step back, a trace of fear flashed across their faces..

Chapter 988: Chapter 988, blind eyes!

Qin Yu looked coldly at the people around him, the killing intent on his body almost could not be suppressed.

“TSK TSK, what, Mr. Qin is planning to kill me to silence me and Bully Me?”

At this moment, someone walked out from the dark.

Looking over, he saw Wan Gu Qiong with his hands behind his back, smiling faintly.

Qin Yu's eyes suddenly looked at Wan Gu Qiong.

“What has it got to do with you?” Qin Yu narrowed his eyes and said.

Wan guqiong smiled faintly and said, “It doesn't have anything to do with me, but I just can't Stand Your Behavior.”

“F * ck your mother. Do you think you are qualified to stand out and pretend to be a good person?” Qin Yu said coldly.

Feeling the killing intent bursting out from Qin Yu's body, Wan Guqiong hurriedly took two steps back and pretended to be innocent, saying, “Let's talk and not fight. If you have the ability, then be reasonable.”

“Yes... Yes.” The others also whispered.

Qin Yu took a deep breath.

He wanted to tear wan guqiong into pieces immediately.

This treacherous look really made people hate him.

“I'll say it again. I didn't do this. Someone is framing me,” Qin Yu said coldly.

“As for the spell you said, I'm not the only one who can use it. There are many people in the world who know it.”

“Then how do you explain this hat?” Wan guqiong sneered.

Although Qin Yu didn't want to talk to him, he still held back his anger and took out his thousand-faced hat.

“This is my hat. That one is fake,”Qin Yu said coldly.

“I don't need to say more to frame you.”

The people around looked at each other and seemed to waver.

Wan guqiong said sarcastically, “Who knows if the hat in your hand is fake or not? After you went home and saw that the hat was lost, of course, you have to hurry up and get a fake one, right?”

Qin Yu didn't say anything and directly put the hat on his head.

In an instant, the thousand faces took effect and covered Qin Yu's face.

“See? If it's fake, how can it have such an effect?”Qin Yu said coldly.

Wan guqiong snorted, “As far as I know, the other hat can also have the same effect.”

“Bullsh * T!”Qin Yu said coldly.

“Then tell him to take out the hat!”

Wan guqiong spread his hands and said, “The hat is not on me.”

“Then shut up!”Qin Yu shouted.

“What? As a citizen, don't I have the right to question?”Wan guqiong mocked.

Qin Yu didn't pay attention to Wan guqiong anymore. He glanced at the crowd and said, "Do you believe me?"

The crowd began to discuss in low voices.

After Qin Yu's explanation, they seemed to be wavering.

"Mr. Qin doesn't seem like that kind of person."

"Yeah, he saved the building many times before. Why would he do such a Thing?"

"That's hard to say. You Can't judge a person by his appearance."

While everyone was discussing, a group of people walked over from not far away.

"Excuse me." A group of purple robes led the way.

They pushed aside the crowd and welcomed Gu Xinghe.

When he saw Gu Xinghe, Qin Yu's expression instantly turned cold.

"It really has something to do with you," Qin Yu narrowed his eyes and said.

Gu Xinghe pretended to be confused and said, "What do you mean by that? Why don't I Understand?"

Qin Yu sneered, "If you have any tricks, then quickly use them. Don't talk nonsense."

Gu Xinghe said faintly, “Qin Yu, since such a thing happened in the Elfy Society, as the person in charge of the martial arts association in Jingdu, of course, I have to come to understand the situation.”

“After a few days of investigation, we found that all the evidence pointed directly at you. What do you have to say?”

Qin Yu sneered and said, “If you want to add to the crime, there’s no need to say anything. Gu Xinghe, if I’m not wrong, this was done by He Teng, right?”

A trace of undetectable panic flashed in Gu Xinghe’s eyes, but it was fleeting.

“Don’t falsely accuse a good person,” Gu Xinghe said coldly.

“I know you won’t admit it, so I’ve long been prepared.”

With that, Gu Xinghe took out a video.

He opened the video and saw a figure shuttling back and forth.

This figure was dressed in a black robe, and his figure and back looked extremely similar to Qin Yu!

Most importantly, in the video, the black-clothed man’s technique was exactly the same as Qin Yu’s!

Seeing this video, the expressions of the surrounding people changed drastically, and they all took a step back!

“Did you all see that? Who else could it be but Qin Yu!” Gu Xinghe shouted.

Qin Yu took a deep breath and said patiently, “I didn’t see my face in that video. Also, that hat isn’t mine at all. Mine is here.”

Gu Xinghe said sarcastically, “I knew you would find a hat to replace it. Fine, I’ll make you convinced.”

After that, Gu Xinghe clapped his hands and a young man walked out from not far away.

This young man was none other than Luo Yang!

“I believe everyone knows who he is.”Gu Xinghe pointed at Luo Yang and said.

“I know, the Young Pavilion Master of the pavilion of Heavenly Secrets.”

“What does this matter have to do with him?”

Gu Xinghe sneered, “Qin Yu’s hat is called thousand faces and it was made by the pavilion of heavenly secrets. Qin Yu, you have to admit this, right?”

Qin Yu’s face was cold and he didn’t say a word.

“Luo Yang, please go and see if the hat in Qin Yu’s hand is the thousand faces of the pavilion of Heavenly Secrets,”Gu Xinghe said indifferently.

“Yes, Young Master Gu.”Luo Yang nodded.

He quickly walked towards Qin Yu.

Qin Yu lowered his head and looked at Luo Yang in front of him. He couldn’t help but emit a murderous aura.

“Luo Yang, you’ve already harmed me once,”Qin Yu said coldly.

Upon hearing this, Luo Yang hurriedly took two steps back and said in horror, “Qin... Qin Yu, don’t kill me. I... I can’t tell if it’s true or not. That’s enough, right? Please don’t kill me...”

“You!”Upon hearing this, Qin Yu was instantly enraged!

Luo Yang’s treachery was far beyond Qin Yu’s imagination!

“Qin Yu, is this a good way to threaten others?”Gu Xinghe took the opportunity to say.

“Luo Yang, just say it. I believe that everyone here will stand up for you!”

Luo Yang pretended to look at Qin Yu in horror. He took two steps back and whispered, “The hat in Qin Yu’s hand... is not a thousand faces at all...”

Once these words were said, the entire place was in an uproar!

Now, all the evidence pointed at Qin Yu!

Everyone hurriedly retreated. They could not help but look at Qin Yu with fear and a hint of disgust.

Qin Yu only felt that his chest was full of anger, and his body was more like a primitive beast imprisoned.

And this beast seemed to be about to explode at any time!

“I’ll say it again. This is all a frame-up by the martial arts association of Jingdu. You should know who I, Qin Yu, AM,”Qin Yu looked at the crowd and said while suppressing his anger.

But this time, no one responded to Qin Yu.

Qin Yu forcefully suppressed his anger and said, “None of you believe me?”

The scene was silent. The only response to Qin Yu was a look of disgust.

Seeing this scene, Qin Yu couldn’t help but laugh coldly.

“Hehe... hahahaha! A bunch of blind people!”Qin Yu said furiously.

“Alright, since you said that I did it, then I did it! I don’t need to explain to you anymore!”

As he spoke, the killing intent on Qin Yu’s body instantly exploded!

Chapter 989: Chapter 989, find the TAO technique!

Looking at the Mad Qin Yu, everyone immediately scattered in fear.

They looked at Qin Yu as if they were facing a great enemy. The hostility in their eyes made the already angry Qin Yu even more furious!

“Don’t be afraid, everyone. Since we’re here, we naturally won’t let him do whatever he wants!”Gu Xinghe said confidently.

“Don’t worry, we won’t just sit and do nothing,”Wan Gu Qiong also said.

Then, he saw three martial saints walk out.

A cold smile hung on the corners of their mouths, and their bodies were even more arrogant.

Qin Yu once again suppressed his anger.

He looked at the crowd and said, “Since you all said it was me, then it’s me. From today onwards, I’ll leave the Hundred Spirit Society.”

“Leave? You can leave just because you want to?”Gu Xinghe raised his brows.

“Then we’ll have to ask if everyone agrees.”

After saying that, Gu Xinghe looked at the crowd and asked, “Do you agree with him leaving?”

After a short period of silence, someone quickly said in a low voice, “We can’t let him leave. If we let him leave, wouldn’t we be letting him become the next Sky Blood Rainbow?”

“That’s right! With the example from the past, we must eradicate the roots and kill him!”

“We definitely can’t let him leave Alive!”

The voices became louder and louder, and almost everyone pointed their spears at Qin Yu.

“Qin Yu, did you hear that? It’s not that I don’t want you to leave, but it’s that it’s hard to go against the will of the people!”Gu Xinghe said in a strange tone.

There was no longer a sorrowful expression on Qin Yu’s face. There was only a strong killing intent and crazy laughter!

“Hahahaha! Good, good!”Qin Yu’s laughter was like rolling thunder, causing everyone to be shocked!

At this moment, the wild beast that was suppressed in his body seemed to be completely unable to be stopped!

“Back then, I risked my life to save all of you. Now, all of you want me to die. Good!”Qin Yu shouted loudly.

The killing intent on his body had already erupted to the extreme and he could no longer endure it!

“Pay attention, capture him as soon as possible,”Gu Xinghe reminded.

“Mm.”The three martial saints moved forward at the same time.

“Whoosh!”

At this moment, Qin Yu’s figure suddenly disappeared and charged into the crowd!

He was like a wild beast that had gone mad, and more like he had lost his mind!

His large hand covered the area and directly smashed a head!

Wherever his palm passed, several people fell to the ground and could not get up!

His cruel methods were shocking!

However, at this moment, Qin Yu did not feel the slightest bit of guilt. Instead, he felt extremely carefree!

“You bunch of damnable things!” Qin Yu roared again and again!

“Hurry up and kill him!” Gu Xinghe said coldly.

“I want to leave, but none of you can stop me!” Qin Yu roared.

After a furious roar, Qin Yu turned around and left like a gust of wind!

“You can’t Leave!” A martial saint shouted.

They hurriedly used their techniques to seal the space!

However, what shocked everyone was that Qin Yu had shattered the space with a single punch! Then, he turned around and left!

“I hope you don’t regret it, Hahaha!” Qin Yu’s crazy smile was still echoing.

At this moment, Qin Yu’s heart was filled with an intense killing intent.

Qin Yu had been suppressing this killing intent for a long time. Today, when he suddenly released it, Qin Yu only felt comfortable all over!

He quickly ran into the distance. After running for an unknown amount of time, the killing intent in his heart was slightly restrained.

Standing in this spacious area, Qin Yu didn't say a word. His eyes looked into the distance.

“What? The feeling of being wronged by someone isn't good, is it...” Tie Dan said in a low voice.

Qin Yu didn't say anything. He closed his eyes slightly, thinking about something.

Tie Dan thought that Qin Yu was feeling guilty, so he said, “When I first started killing, I was just like you. I felt very guilty... but they were malicious first, so I killed them.”

“You were the same. You risked your life to save them, but they saw you as an evil person. You deserved to kill them...”

Qin Yu remained silent. A moment later, he sat down cross-legged.

This made Tie Dan even more confused.

“You...”

“Don't speak!”

Tie Dan wanted to say something, but was interrupted by Qin Yu.

Seeing this, Tie Dan could only shut his mouth.

Qin Yu closed his eyes slightly in this empty area.

A trace of internal Qi surrounded him.

In the air, there seemed to be golden rays of light gathering toward Qin Yu.

Qin Yu just sat there, seemingly enjoying this feeling.

...

On the other side, Gu Xinghe was overjoyed!

He immediately arranged for people to make a statement on the martial arts forum!

He also posted the video of Qin Yu killing people in a frenzy on the martial arts forum!

When he saw that video, the condemnation of Qin Yu on the Internet increased exponentially!

Almost everyone was sure that Qin Yu was the murderer!

“Haha, hahahaha!” Seeing this, Gu Xinghe couldn’t help but laugh out loud.

“See that? This is called killing the heart! Just a Little Qin Yu wants to fight with the Martial Arts Association of Jingdu? This is ridiculous!”

Long Mei and the others immediately flattered, “Young master gu is wise. With just a few tricks, you destroyed his reputation, Qin Yu...”

Gu Xinghe said calmly, “Does he really think it’s that easy to overthrow the martial arts association of Jingdu? What a joke!”

“Young master Gu, but that Qin Yu hasn’t been caught yet. Will there be any risk?” Long Mei asked.

Gu Xinghe smiled faintly, “He can’t escape. After such a thing happened, everyone sees him as an enemy. How can he escape?”

“What people fear the most is becoming the public enemy. Once he becomes the Public Enemy, there will be no place to hide!”

Long brows cupped his hands and said, “Young Master GU is wise!”

Just as they were “Happily enjoying themselves”, Zhai Xing walked in.

He glanced at GU xinghe and said, “Young master Gu, Yan Jinyao and the other young disciples have already tried to enter closed door cultivation to become a martial saint. It’s time for you to think about it.”

After saying this, Zhai Xing walked out.

Gu xinghe snorted lightly, “It’s effortless for me to become a martial saint.”

Of course, this was only what he thought.

Without a clear dao heart, becoming a martial saint was like ascending to the heavenly moat.

...

At this moment, Qin Yu was still sitting cross-legged on this vast land.

The surrounding golden threads wrapped around Qin Yu’s body. These golden threads originated from the Great Dao!

After an unknown period of time, Qin Yu suddenly opened his eyes!

“I’ve finally found my own dao technique!” Qin Yu’s eyes were bright and full of vigor..

Chapter 990: Chapter 990, a blessing in disguise!

All along, Qin Yu had always felt that he was a little far from finding his own Daoist technique.

After experiencing this incident, Qin Yu had finally found his own Daoist technique.

“I really didn’t expect that I would actually find a blessing in disguise.” Qin Yu took a deep breath.

His Daoist technique was to kill the righteous path!

Only by killing decisively could one step into the martial saint realm!

And Qin Yu would also cultivate on this path until the end!

“Kill the Righteous Path?”

Tie Dan seemed to have guessed something.

Qin Yu replied, “Although my dao technique is similar to yours, they are not of the same lineage.”

Tie Dan sneered, “How do you know that our dao techniques are different?”

“Although I also rely on killing the righteous path, I won’t kill the innocent. I just shouldn’t be merciful,” Qin Yu said lightly.

“After all, I still care about the common people.”

Tie Dan snorted lightly and did not reply.

Qin Yu did not pay any more attention to Tie Dan. A trace of excitement appeared on his face.

“In this way, I am only one stalk of heavenly vanilla away from becoming a martial saint,” Qin Yu said in his heart.

After he finished speaking, Qin Yu thought of Tie Dan.

Thus, he shouted in his mind, “Tie Dan, with your ability, it should not be a problem to defeat a martial saint, right?”

“Martial saint? You’re underestimating me too much.” Tie Dan sneered.

“Although I can’t use my full strength with your body, I’m still at the peak of the Almighty Realm after all. A martial saint isn’t even worth mentioning in my eyes.”

Qin Yu hummed and said, “I need your help now. Help me go to the second secret realm to find a heavenly vanilla.”

“Heavenly Vanilla?” Tie Dan frowned slightly.

“Did your Jindan leave a hidden disease?”

Qin yuen nodded and said, “If I can’t get the Heavenly Vanilla, I won’t be able to enter the martial Saint Realm.”

“Indeed,” Tie Dan said.

“If the Jindan is damaged and can’t be repaired, once you face the martial saint’s Heavenly Tribulation, it’s very likely that you will become a cripple.”

At this point, Tie Dan changed the topic and continued, “But the heavenly vanilla usually only grows in high-level mystic realms. The second mystic realm that you mentioned is probably just an ordinary mystic realm.”

“High-level Mystic Realm?” Qin Yu frowned slightly.

“What do you mean?”

Tie Dan explained, “Although they are both mystic realms, there is a huge difference between mystic realms and mystic realms.”

“For example, high-level mystic realms and low-level mystic realms are not the same world at all.”

Qin Yu hurriedly explained, “The second mystic realm is quite big. It should not be an ordinary mystic realm.”

“Not an ordinary mystic realm? Do you know what a high-level mystic realm means?” Iron Egg’s tone carried a hint of ridicule.

“Let me give you an example. A mighty figure can create an ordinary mystic realm, but a high-level mystic realm needs to be created by a top-notch cultivator who is in the tribulation-transcending realm

“A real high-grade mystic realm’s world isn’t any worse than the current world! That’s a real world!”

Qin Yu’s expression didn’t look too good when he heard Tie Dan’s words.

Although the second mystic realm was huge, it definitely couldn’t be created by a great cultivator in the tribulation transcending realm.

Moreover, the second mystic realm could be said to be worlds apart when compared to the real world.

“In that case... there won't be any heavenly vanilla in the second mystic realm.”Qin Yu's expression was a little ugly.

Iron egg nodded and said, “99% there won't be. I advise you to give up on this idea.”

Qin Yu said in a deep voice, “Do you have a way to get the heavenly vanilla?”

“No,”iron egg said without hesitation.

This immediately gave Qin Yu a headache.

Everything was ready, only the east wind was needed. However, he had never expected that he would still be stuck at the heavenly vanilla.

At this moment, Qin Yu felt a trace of murderous intent approaching.

“Martial Saint?”Qin Yu frowned slightly.

Then, he hurriedly stood up, executed the line word formula, and turned around to leave.

He had originally planned to go to the nine pinnacles mountain. However, on second thought, he had already implicated Jiang he and Xu Huaigu too many times.

This time, it had caused even more public anger. He was afraid that the two of them would not be able to protect themselves.

“I can only temporarily set foot on the road of escape.”Qin Yu only stopped after he had fled for dozens of miles.

In this way, Qin Yu could not even stay in a hotel and could only stay in the wilderness.

In the next few days, Qin Yu was on the road of escape.

The various great mystery realms had sent out martial saints one after another, vowing to kill Qin Yu with their lives.

On the martial arts forum, there was even more clamor.

Although one could occasionally see people speaking up for Qin Yu, they would soon be suppressed.

In the blink of an eye, a week had passed.

During this week, Qin Yu was either on the run or on the road of escape.

Although he had been discovered many times, he was still able to escape with the help of the “Xing”formula.

“This is not the way to go on.”Qin Yu sighed slightly.

At this moment, he suddenly thought of a place.

Shan Nan Village! It was also the mountain village where Yu Qin was!

Back when Qin Yu was heavily injured, it was precisely in Shan nan village that he managed to escape!

Not only that, Shan nan village was more like a paradise that was hard to find!

Thinking of this, Qin Yu followed his memory and rushed to the mountain south village.

Everything in the mountain south village was the same as before.

Even though the “Old immortal” was killed by Qin Yu, Yu Qin still went to the mountain forest to pick herbs every day.

She followed the Prescription Qin Yu left for her and practiced her medical skills all day. Soon, she became a famous doctor in the mountain south village, even surpassing her father.

With the support of her superb medical skills, Yu Qin’s life was not bad. However, whenever she was free, she would think of Qin Yu, whom she had only met for three days.

“Xiao Qin, I don’t know what’s wrong with my arm. It keeps hurting. Please help me take a look,” an old man said with a trembling voice.

Yu Qin quickly came back to her senses and said with a gentle smile, “Uncle Li, please wait a moment. I’ll go and get the medicine for you.”

In the dark.

Qin Yu had already arrived near the mountain south village.

He looked at Yu Qin who was not far away and said with some satisfaction, “It seems that you are doing quite well.”

“Kid, you are always lenient.” Tie bin rolled his eyes and said.

“Screw you. I don’t have that kind of intention towards her.” Qin Yu rolled his eyes and said.

Just when he was about to walk out and greet Yu Qin, three cars suddenly stopped at the door.

As soon as the cars stopped, he saw five people walk out.

“Three Martial Saints!”

Qin Yu’s expression instantly changed drastically!

Three martial saints and two martial marquises got out of the cars! One of them was Zeng Ji!

Such power was enough to wipe out everything!

Zeng Ji strode forward and said coldly, “You guys know Qin Yu, right?”

When Yu Qin heard the name that she had been longing for day and night, her eyes instantly lit up. She said with some excitement and shyness, “I know him! Are... are you guys Qin Yu’s friends?”

Zeng Ji narrowed his eyes and asked coldly, “Has Qin Yu been here before?”

Yu Qin shook her head and whispered, “He hasn’t been here for a long time...”

Zeng Ji sized Yu Qin up and sneered, “It seems that your relationship with Qin Yu is not ordinary.”

“You... Don’t talk nonsense! I... I’m just friends with Qin Yu...” Yu Qin’s voice became softer and softer, and a hint of shyness appeared on her face unconsciously.

Seeing this, Zeng Ji immediately laughed and said, “Well, this woman and Qin Yu definitely have a special relationship!”

Then, he looked around and said coldly, “I’m officially informing you that if I don’t see Qin Yu within three days, your village... will not be spared!”

Hearing this, Qin Yu’s expression changed drastically!

“You’re courting death!” A hint of anger flashed across Qin Yu’s face!

Chapter 991: Chapter 991, martial saint’s Heavenly Tribulation!

Qin Yu had never expected that the Jingdu martial arts association would even find the Southern Mountain Village!

In the distance, Yu Qin’s expression was somewhat terrified.

She whispered, “You... aren’t you Qin Yu’s friends?”

“Hehe...” Zeng Ji laughed coldly. Suddenly, he waved his hand and slapped Yu Qin’s face!

Yu Qin’s delicate body was immediately sent flying!

Then, Zeng Ji’s body flew into the air.

“I’ll say it again. If I don’t see Qin Yu within three days, I’ll kill every single one of you!”

Zeng Ji's voice contained inner strength. His loud voice shook the entire village!

Everyone went out and raised their heads to look at Zeng Ji. They seemed to be full of doubts about Zeng Ji's appearance.

Zeng Ji's palm shimmered with light, and then he lightly slapped down.

Boom

The ground instantly sank! The houses collapsed in an instant!

"I'm not joking with you!" Zeng Ji said coldly.

After seeing Zeng Ji's methods, everyone's faces couldn't help but change drastically, and they scattered in all directions.

Zeng Ji was quite satisfied with this.

He slowly landed beside Yu Qin, then pinched her chin and said coldly, "You have a good relationship with Qin Yu. You should know where he is, right?"

Yu Qin gritted her teeth. Other than fear, there was also a hint of determination in her big eyes.

Yu Qin, who was originally weak, now had tears in her eyes.

Tears rolled down her cheeks, but she didn't say a word.

"Haha, good, interesting!" Zeng Ji said indifferently.

"I'm not in a hurry. I'll wait for you three days."

“If I don’t see her in three days, I’ll slaughter the whole village!”

After saying that, Zeng Ji threw Yu Qin aside.

Qin Yu, who was hiding in the dark, couldn’t help but narrow his eyes!

“Why? is that girl very important to you?” Tie Dan asked indifferently.

Qin Yu gritted his teeth and said, “It’s not a matter of whether it’s important or not. She saved me. I Can’t watch her die.”

Tie Dan smiled faintly and said, “It’s simple. As long as you lend me your body, I’ll help you kill them.”

“But I have to tell you in advance that once I make a move, I’ll fall into a long sleep. As for when I’ll wake up, it’s hard to say.”

Qin Yu did not speak for a long time.

After a long time, Qin Yu muttered in a low voice, “There might still be time in three days.”

“Time? What do you mean?” Tie Dan asked.

Qin Yu gritted his teeth and said, “Since it’s so difficult to obtain the heavenly vanilla, I don’t have any hope. I Can’t stay stuck in the realm of the Martial Marquis Forever.”

“What are you doing?” Tie Dan’s voice carried a trace of shock.

Qin Yu said coldly, “I’m going to try to forcefully enter the martial saint realm. Whether I succeed or not depends on this one move.”

“Perhaps, the effect of the Dao wound is not as terrifying as I imagined.”

Tie Dan said in a deep voice, “Are you crazy? If you fail, it’s very likely that your cultivation will be completely lost and your golden core will explode!”

Qin Yu said coldly, “Do I have any other choice? Don’t tell me you’re going to find a high-grade mystic realm?”

Tie Dan instantly fell into silence.

That’s right, finding a high-grade secret realm was even more difficult than ascending to the heavens.

Moreover, people from the high-grade secret realm would not come here, let alone bring a stalk of heavenly vanilla.

Qin Yu did not say anything else. He turned around and left.

Three days was enough time for Qin Yu to try and enter the martial saint realm.

Qin Yu sped all the way and left the mountain south village quickly.

“You guys have to hold on,” Qin Yu said in his heart.

As long as he became a martial saint, Qin Yu would no longer be afraid of everyone!

It would not be too late to save them when the time came!

He ran for dozens of kilometers.

Qin Yu only stopped when he was sure that his breakthrough would not attract Zeng Ji.

Qin Yu deliberately found a canyon to prevent others from discovering him.

“This is the place.” Qin Yu took a deep breath.

He sat cross-legged on the ground and closed his eyes slightly.

“Qin Yu, I have to remind you that this is an extremely risky thing,” Tie Dan said in a deep voice.

“If you fail, the consequences will be unimaginable.”

Qin Yu grunted and said, “I know. I have tried this kind of adventure many times. Every time, I have made the right bet. I believe that this time, I will still keep my good luck.”

Tie Dan remained silent, but a trace of admiration towards Qin Yu emerged from the bottom of his heart.

This was simply putting his life on the line.

Qin Yu did not say anything more. He closed his eyes slightly and began to try to break through to the martial saint realm.

Traces of internal Qi surged out from Qin Yu’s Dantian! They flowed throughout his body!

Following that, traces of internal Qi rushed straight to the top of his head!

Qin Yu’s divine sense transformed into a golden light and surged towards the Dantian.

At this moment, the two types of internal Qi began to try to fuse!

Traces of the power of the Great Dao spread around Qin Yu’s body!

This was the sign of stepping into the Martial Saint Realm!

The Golden Core and Qin Yu's divine sense were rapidly fusing together. Qin Yu's entire body began to tremble!

Because his golden core was damaged, the process of fusing the golden core and divine sense was extremely painful!

The wounds seemed to be torn apart, and the pain was all over his body!

Qin Yu gritted his teeth and endured the pain.

He controlled his divine sense and tried to merge with his jindan as gently and calmly as possible!

Not only did Qin Yu suffer, even tie Dan, who was in Qin Yu's mind, also suffered the same pain!

"F * ck..."tie Dan grimaced in pain and almost collapsed!

On the other hand, there was no expression on Qin Yu's face.

Although cold sweat kept falling, his face was calm!

"It's fine if you're a F * cking lunatic, but you still want to F * cking drag me along..."tie Dan could not help but curse!

Under this kind of pain, Qin Yu was still able to control the fusion of divine sense, which could not help but make tie Dan Admire Qin Yu even more!

As the fusion continued, the pain began to intensify.

The Crack in the golden core was rapidly growing! The pain from the Dantian was unbearable!

Chapter 992: Chapter 992, the fourth round of Heavenly Tribulation!

Looking at the slowly growing crack, Qin Yu's face also turned pale!

At this rate, his golden core would explode before he even stepped into the martial saint realm!

“No!” Qin Yu gritted his teeth. He hurriedly controlled his divine sense and slowed down, trying his best to stabilize his golden core.

With Qin Yu's control, the immersion of his divine sense also became much gentler.

The speed of the crack on the golden core began to slow down, and then it stopped.

“It's this speed...” Qin Yu muttered in a low voice.

He controlled his divine sense and slowly fused with the golden core at the current speed.

Although the speed was not considered fast, Qin Yu had no other way.

The two golden rays collided in Qin Yu's body, blooming with a different light.

The pain that spread from every part of his body was close to his brain, and even tie Dan was affected by it.

“If I knew this would happen, I wouldn’t have come out with you!” Tie Dan couldn’t help but curse in his heart.

Qin Yu didn’t say anything. He held his breath and tried his best to control the fusion of his golden core and divine sense.

“Rumble...”

At this moment, a loud sound suddenly came from the sky!

When they looked up, they saw colorful clouds in the sky!

These clouds were extremely peaceful, making people forget to return!

Traces of divine aura spread across half of the sky!

Even though they were far away, they could still see these auspicious clouds that blotted out the sky!

“Someone is going to become a martial saint.” When they saw this scene, someone could not help but whisper.

For a moment, countless people raised their heads to look at this auspicious cloud.

Zeng Ji and the others who were closest to him also slowly raised their heads.

“TSK TSK, is there going to be a third martial saint?” Someone beside him said.

“A third?” Zeng Ji could not help but sneer, “Do you think there are only three martial saints in this world?”

“As far as we know, this should be the third one.”The person beside him added another sentence.

Zeng ji placed his hands behind his back and looked at the auspicious clouds in the sky. He could not help but say, “I’m afraid that more and more people will step into the martial saint realm in the future.”

He did not think too much about it. After all, the area covered by the auspicious clouds was extremely large. He did not think that the place of origin was nearby.

Qin Yu slightly closed his eyes, and sweat could not help but form on his forehead.

What was going to happen next was the most critical moment!

Not only would the heavenly tribulation descend, but the power of his divine sense and jindan would also become even more frantic!

As a result, the difficulty of Qin Yu’s control over his divine sense and jindan would increase in a straight line!

In addition to the external heavenly tribulation, it would be even more difficult for Qin Yu to deal with!

“Rumble...”

The auspicious clouds began to gradually dissipate, and patches of dark clouds began to gather above Qin Yu’s head.

A powerful sense of oppression assaulted his face, and the entire mountain range buzzed!

“The scale of this heavenly tribulation... is probably not simple,” iron egg could not help but exclaim.

“Kid, are you sure you can hold on! This is double pain!”

Qin Yu gritted his teeth and said, “Whether I can hold on or not, I have to try! The arrow is on the bow, and I have no choice but to shoot!”

After saying that, Qin Yu stood up from the ground.

As he controlled the extremely violent energy in his body, he raised his head to look at the gathering dark clouds in the sky.

“Rumble...”

Muffled Thunder brewed within the dark clouds.

An extremely destructive energy seemed to be about to take shape in the clouds.

Qin Yu’s forehead was drenched in sweat. He did not know whether it was because of pain or nervousness.

“Crack!”

An earth-shattering sound rang out!

The sound of the heavenly tribulation was even faster as it struck Qin Yu’s body viciously!

“Ah!”

Intense pain!

An unprecedented pain!

This heavenly tribulation went through Qin Yu's pores and headed straight into his body!

In almost an instant, traces of lightning that looked like swimming snakes appeared in Qin Yu's body!

This lightning swam around his body and almost destroyed his internal organs!

Qin Yu gritted his teeth and endured the pain.

"Kid, the martial saint's heavenly tribulation usually has eight rounds. This is only the first round. Be careful," reminded tie Dan.

"Eight rounds..." Qin Yu's expression was ugly.

He tried to face the heavenly tribulation, but the pain in his golden core made him powerless to resist!

Qin Yu closed his eyes slightly and silently circulated his mental cultivation method. He forcefully released the Lightning that had entered his body along with his meridians.

Before Qin Yu could catch his breath, the second heavenly tribulation had already descended!

"Boom!"

This heavenly tribulation was extremely meticulous, like a stream of water, but the power contained in it was beyond imagination!

The heavenly tribulation directly smashed onto the top of Qin Yu's head, and his brain immediately smashed fiercely onto the ground!

Qin Yu, who originally needed to control his divine sense, suddenly lost control of his divine sense under this heavy blow!

The power of the fusion between the Golden Core and divine sense became manic again, and the crack in the Golden Core also rapidly expanded!

“Not good!”

Qin Yu’s face changed greatly!

He did not care about the pain in his body. He hurriedly used all his strength to control his divine sense and once again suppressed the speed!

Although Qin Yu used all his strength, the effect of this heavenly tribulation on his divine sense was too great, and the speed of the fusion was still increasing!

“This won’t do...”

Qin Yu gritted his teeth. Relying on his powerful consciousness, he tried his best to stabilize the speed of the fusion.

The heavenly tribulation seemed to be giving him a break. The third heavenly tribulation did not descend for a long time.

Qin Yu spent an entire day and night before he managed to slow down the speed of the fusion.

He panted heavily, feeling a lingering fear in his heart.

“It’s finally... stabilized,” Qin Yu said with a trembling voice.

“It’s not that I want to strike you down, but this is only the second heavenly tribulation, and it has already made you physically and mentally exhausted. I’m afraid you won’t be able to withstand the third heavenly tribulation,” Tie Dan said coldly.

Qin Yu had the same feeling in his heart.

Moreover, the third heavenly tribulation had yet to descend, but the dark clouds in the sky had not dissipated. Instead, they were getting darker and darker.

It was very likely that an extremely terrifying power was brewing.

“Rumble...”

Muffled sounds rumbled within the dark clouds.

“Boom!”

At this moment, the heavenly tribulation poured down like a torrential downpour!

The blue light illuminated the sky. Wherever it passed, the mountain rocks were directly turned into dust!

Even the air was filled with the power of lightning!

“It’s over!”

Seeing such a scale of heavenly tribulation, Qin Yu’s face instantly turned pale!

Chapter 993: Chapter 993, the power of lightning

That muffled bolt of lightning rapidly smashed towards Qin Yu!

When he was a few hundred meters away, Qin Yu felt that terrifying pressure!

And when he was only a hundred meters away, Qin Yu's entire body was directly slammed onto the ground!

He tried to get up, but he struggled and couldn't get up at all!

Most importantly, Qin Yu still needed to spend some effort to control that divine sense!

He could not do two things at once. Now that he was faced with a dilemma, Qin Yu had no choice!

He roared angrily, and his entire body burst out with golden light, intending to forcibly resist!

He put all his attention on the fusion of controlling the divine sense and the Jindan!

As for this heavenly tribulation, he could just let it hit his body with all his strength!

“Boom!”

Finally, the heavenly tribulation ruthlessly smashed into Qin Yu's body!

“Ah! ! !”

A painful wail suddenly sounded out!

That heavenly tribulation was like a cannonball, almost instantly blasting Qin Yu's skin and flesh into pieces, causing blood and flesh to fly everywhere!

His bones were shattered, and the power of lightning spread throughout Qin Yu's entire body!

The Golden Light had long disappeared without a trace, and under the influence of the power of lightning, Qin Yu's body, no matter how tough it was, began to crumble!

Qin Yu gritted his teeth and endured the pain.

However, the pain would definitely affect his divine sense.

Under this intense pain, Qin Yu was already unable to maintain his focus.

The violent power appeared once again, and his golden core was crumbling bit by bit!

“Boom!”

Without waiting for Qin Yu to make a countermeasure, the fourth lightning tribulation had already smashed down!

Seeing this lightning tribulation, Qin Yu was instantly filled with despair!

Countless blue lights completely soaked Qin Yu's body.

Those traces of blue lights directly entered Qin Yu's body!

It was as if it had its own divine sense. It suddenly passed through Qin Yu's body and headed straight for the Golden Core!

“Not good!” Qin Yu’s expression changed greatly!

At this critical moment, if he were to be distracted for even a moment, he could be instantly turned into ashes!

“Swish!”

The lightning was like a sharp blade, slicing through Qin Yu’s golden core!

The fusion of divine sense and golden core stopped at this moment.

The Lightning in the outside world completely destroyed Qin Yu’s physical body.

“Bang!”

Qin Yu’s body fiercely fell to the ground.

The dark clouds in the sky also began to dissipate.

Under the Fourth Lightning Tribulation, Qin Yu was unable to withstand it in the end.

He had actually failed this tribulation.

Qin Yu fell to the ground. A trace of tears could not help but flow out from his black eyes.

The tears streaked across his face and dripped onto the ground. However, they instantly turned into steam.

“How could this be...” Qin Yu’s tears continued to flow out.

In order to become a martial saint, Qin Yu had paid so many prices!

But at the critical moment of becoming a martial saint, he had actually failed.

How Could Qin Yu Bear This!

He closed his eyes and felt the golden core in his body. He found that the cracks in the golden core had already spread.

The entire golden core was on the verge of collapse. Once he used his spiritual power again, the Golden Core would definitely explode!

This made Qin Yu even more desperate.

He collapsed on the ground, tears flowing endlessly. A sense of defeat arose spontaneously.

The scene was silent. Only the sound of Qin Yu sobbing could be heard.

“Hey... Don't be too sad. It's already a blessing in disguise that your golden core isn't broken...”Tie Dan comforted him.

Qin Yu clenched his fist and didn't say a word.

His tears kept flowing down his face, almost washing away his dark cheeks.

After an unknown amount of time, Qin Yu slowly got up from the ground.

His expression was extremely cold. No one knew what he was thinking.

“Kid, Are You Alright?”Tie Dan asked in a deep voice.

Qin Yu said in a deep voice, "I'm fine. I want to be quiet for a while."

After he said that, Qin Yu found a seat and sat down cross-legged.

He closed his eyes slightly.

There was no internal Qi flowing around him. It was as if everything had stopped.

The whole night.

The next morning, Qin Yu slowly opened his eyes.

He stood up from the ground and said coldly, "I won't give up just like that."

"Yes, yes, yes. You just need to not use your spiritual power!" Tie Dan said quickly.

Qin Yu asked, "Can my jindan still be saved?"

Tie Dan pondered for a moment and said, "It's hard to say. If we have the heavenly vanilla, coupled with our superb alchemy skills, it's still possible to recover."

"Heavenly vanilla... we still can't avoid the heavenly vanilla," Qin Yu whispered.

Tie Dan grunted and said, "Don't you have the Purple Flame? I think your alchemy skills are not bad."

"But I don't know much about alchemy. You'd better find a professional alchemist to ask."

Qin Yu grunted and said, "I understand."

As long as one did not use spiritual power, the damage to the golden core would not increase.

If his golden core was not destroyed, he still had a chance.

"Can you still defeat a martial saint with my body?" Qin Yu asked.

"No problem," Tie Dan answered without thinking.

"I rely on my divine sense. I Won't use your Golden Core."

Qin Yu grunted and said, "Thank you."

With that, Qin Yu planned to head to the Southern Mountain Village to save Yu Qin and the others.

But at that moment, Qin Yu spat out another mouthful of blood! Then, his face turned even paler.

Qin Yu wiped the blood from the corner of his mouth and said in a low voice, "It seems that the damage to the golden core has caused a more serious burden to the body..."

"This is inevitable," Tie Dan said.

Qin Yu didn't say anything more and rushed to the southern mountain village.

"Your body is full of wounds now. Why Don't you recuperate first?" Tie Dan reminded him.

Qin Yu looked down at his body.

Sure enough, other than the wounds, his outer skin seemed to be charred.

Qin Yu calculated the time.

There was only one day left from the three days Zeng Ji had mentioned.

Therefore, Qin Yu sat down cross-legged and planned to recover his body.

The wounds on his body were recovering bit by bit.

At this moment, a crackling sound suddenly came from the wounds on his body!

Although the sound was not loud, it was extremely ear-piercing.

Qin Yu looked down and saw that there were actually streaks of lightning within the wounds.

And after Qin Yu's wounds recovered, the lightning even fused into his body!

Following that, Qin Yu was shocked to discover that after the lightning fused into his body, Qin Yu's body became even harder!

“What's going on?” Qin Yu turned pale with fright!

He tried to clench his fist, and to his shock, he discovered that his fist seemed to contain another powerful force!

This force was the power of the Lightning!

Chapter 994: Chapter 994, natural elements

A hint of surprise flashed across Qin Yu's face.

What was going on?

Where did the crackling sound come from when he clenched his fist?

This power was extremely weak and didn't play much of a role. It only brought about a small improvement.

However, this power that didn't belong to his own body still surprised Qin Yu.

"Thunder Element," Iron Egg explained in his mind.

"You really got a blessing in disguise."

Qin Yu exclaimed, "Thunder element? What do you mean?"

Iron Egg said, "It's a kind of natural energy between heaven and earth. Usually, people who control this kind of power are born with it."

"For example, some people are born with the ability to control the wind and use it to fight."

"There are also people who can control water. As long as they are on the water, their strength will increase dramatically."

Qin Yu said in surprise, "That means I can control lightning now?"

"What the F * ck do you want to Eat?" Iron Egg rolled his eyes.

“You just happened to get the power of the Lightning element. It’s already good enough that you can borrow the power of lightning. Do you still want to control it?”

Qin Yu made an “Oh” sound. He tried to borrow the power in his body, but he found that he couldn’t use it at all.

Because this power was too weak. The faint power couldn’t do anything. It could even be ignored.

But no matter what, it was true that Qin Yu’s body had become stronger.

“I remember now. So the palace master of the Cold Palace had ice and snow elements.” Qin Yu patted his head!

No wonder the cold palace was set up in such a harsh environment.

“The first is honey, the second is arsenic.” Qin Yu muttered in a low voice.

“There seems to be a lei family in the northwest. It is said that their family can borrow the power of lightning.” At this moment, Qin Yu suddenly thought of something.

This lei family had once attacked Qin Yu. At that time, Qin Yu had planned to massacre their family.

At that time, Qin Yu did not know what elements they had. He only knew that they could borrow the power of lightning.

“If I have time, I might be able to make a trip to the Lei family.” Qin Yu thought to himself.

Since he had mastered this element, he must be able to improve it.

The so-called control must be something that could only be achieved when he had mastered this element to the extreme.

Qin Yu did not continue to think about it. Instead, he rushed towards the southern mountain village.

The Southern Mountain Village.

These few days, the entire village was shrouded in an atmosphere of panic.

Zeng Ji and the others were martial saints. Naturally, their strength was not something the southern mountain village could compare to.

“Little Qin, do you not know where Qin Yu is...”an old man from the village asked in a trembling voice.

Yu Qin bit her lips and did not say a word.

The old man continued to say, “Little Qin, I am not asking you to betray Qin Yu. It’s just that... I can not watch all the elderly, children, women, and children in the village die for no reason.”

Tears welled up in Yu Qin’s eyes as she whispered, “Granny Yuan, I really don’t know where he is. He has never contacted me before...”

The old man called Granny Yuan sighed. Just as she was about to speak, Granny Yuan’s head suddenly exploded!

Blood splattered on Yu Qin’s Fair and tender face, and her expression instantly froze.

“You talk too much.”Zeng Ji walked forward and said indifferently.

He lowered his head and looked at Yu Qin. He grinned and said, “If you don’t want more people to die, then think of a way to get Qin Yu to appear. Do you understand?”

Yu Qin stared at Zeng Ji with eyes that were about to spit fire!

In the next second, Yu Qin waved her tender arms and struck Zeng Ji’s body.

Zeng Ji was a martial saint, so how could he be hurt by an ordinary girl?

With just a glance, Zeng Ji sent Yu Qin flying a few meters away!

“You don’t know life from death.” Zeng Ji patted the dust off his body.

“If I didn’t have any use for you, I would have killed you long ago!”

Yu Qin struggled to get up, but she couldn’t.

She looked at Granny Yuan’s corpse, and tears kept flowing out.

Yu Qin couldn’t help but cry in despair.

At this moment, she suddenly realized that sometimes, medical skills alone couldn’t save people.

The time left for Zeng Ji to decide was getting shorter and shorter.

“How much longer?” Zeng Ji glanced at the person next to him.

“Half an hour,” the person next to him said.

Zeng Ji glanced at Yu Qin and snorted, “I thought she had some relationship with Qin Yu, but now it seems that I’m overthinking.”

The person next to him laughed and said, “Mr. Zeng, Qin Yu only has Yan Ruoxue in his heart. This is the common understanding of the world. Why would he take a fancy to her?”

Zeng ji snorted and said, “Loving one person doesn’t mean loving only one person. which man doesn’t cheat?”

After saying that, Zeng Ji took Yu Qin and turned around to leave.

He dragged Yu Qin and flew into the air.

Then, Zeng ji said coldly, “I said that if Qin Yu doesn’t show up in three days, he will slaughter the whole village!”

“Now that the time is up and he still hasn’t shown up, I can only kill him!”

Then, Zeng Ji looked at Yu Qin in his hand and said indifferently, “Since you have offended me, I will start with you.”

After saying that, Zeng Ji grabbed Yu Qin and threw her to the ground like a Chick!

Yu Qin’s body was falling rapidly. She closed her eyes in despair, waiting for death to come.

But at that moment, Yu Qin felt a trace of warmth, as if she was thrown into a warm embrace.

When she opened her eyes, she saw that she was really lying in an embrace!

When she looked up, she saw the face that she had been longing for!

Qin Yu hugged Yu Qin and gently placed her on the ground.

Yu Qin's face was full of surprise and joy. She opened her mouth, not knowing what to say for a moment.

Qin Yu frowned and said, "I remember that I gave you a keepsake, right? Why didn't you use it?"

Yu Qin shook her head and did not say a word.

Qin Yu did not ask any further. Instead, he looked at Zeng Ji coldly.

Zeng Ji was also staring at his pockets. Then, he laughed loudly and said, "I really thought that you were a pure and innocent person! hahaha! Don't you love Yan Ruoxue deeply? Why would you risk your life for such a woman?"

Qin Yu looked at Zeng ji coldly and said, "I came to save her only because she saved me. I didn't have any feelings."

When Yu Qin heard this, a hint of disappointment flashed in her eyes..

Chapter 995: Chapter 995, tie Dan made his move

"Hahahaha!"Zeng ji laughed even more arrogantly when he heard this.

The ear-piercing voice made Qin Yu's ears hurt.

"Tie Dan, Can you shut him up?"Qin Yu frowned and asked.

Tie Dan smiled coldly and said, "Of course, as long as you give me your body, I will shut him up immediately..."

"Okay," Qin Yu agreed and then closed his eyes slightly.

In an instant, tie Dan's divine sense took over Qin Yu's body.

At this moment, Qin Yu's temperament became a little different.

A sinister and cruel smile hung on the corner of his mouth, and the corners of his tongue would occasionally curl up, making him look like a perverted murderer.

Zeng Ji, who was not far away, was still laughing crazily without understanding the situation.

The ear-piercing sound was unbearable.

"Bang!"

At this moment, Qin Yu's figure suddenly disappeared!

In just a breath's time, he had arrived in front of Zeng Ji!

"What?" Zeng Ji's face changed, and a trace of fear flashed in his eyes!

"Bang!"

Before Zeng Ji could react, tie Dan's fist had already smashed into Zeng Ji's mouth!

Zeng Ji's body instantly soared into the air!

His jaw bone was directly smashed into pieces!

Looking at his body flying high into the air, iron egg took a deep breath.

“Hahahaha!”

Then, Iron Egg’s unbridled laughter was heard.

“This is the feeling of being alive... so cool...”iron egg licked his lips.

Everyone was dumbfounded.

Especially Yu Qin.

Was this still the Qin Yu that they knew? Why did he look like a different person?

Especially the bewitching smile on his face, which made people feel a little strange and terrifying...

“Bang!”

Soon, Zeng Ji’s body fell to the ground.

He hurriedly got up from the ground and stared at tie Dan in front of him.

“Qin Yu, how Dare You Sneak Attack Me!”Zeng ji shouted angrily.

Tie Dan grinned and sneered, “Sneak Attack You? You’re just a maggot. Do I need to sneak attack you?”

“Maggot? I’m a Maggot? !”Zeng Ji was instantly enraged.

“Qin Yu, I think you’ve gone mad! Did you gain confidence from the last fight?”Zeng Ji said with a cold face.

Tie Dan ignored Zeng Ji's words and glanced at the remaining martial saints.

"All of you, attack together..." Tie Dan said darkly.

Zeng Ji shouted loudly, "Attack together! Don't give him any chance to escape!"

The three Martial Saints stepped out in unison! A terrifying pressure instantly filled the air!

"Kid, today you..."

"Bang!"

Before that martial saint could finish speaking, Tie Dan had already closed in on him and smashed a straight fist onto his face.

His already ugly face instantly exploded!

"Do you think I'll listen to your nonsense?" Tie Dan licked his lips.

Before everyone could be shocked, Tie Dan made another crazy move.

He directly took out his opponent's primordial spirit and swallowed it in one gulp.

Everyone's expressions were extremely ugly!

Especially Zeng Ji! The sweat on his forehead kept flowing down!

"This kid... Why does he look like a different person?" Ceng Ji roared in his heart!

He didn't even let him finish his words before he attacked? !

"It's your turn." Tie Dan looked at the other martial saint.

That martial saint took two steps back and looked at Tie Dan in front of him nervously. He braced himself and said, "Let me tell you, I..."

"Whoosh!"

Another punch directly pierced through his chest!

"It seems like you don't know me very well." Tie Dan raised his head to look at the martial saint in front of him and grinned.

"This is how I do things. I'm clean, fast, accurate, and ruthless! That's why I'm the number one killer! Do you understand?" Tie Dan said in a soft voice.

This seemingly "Gentle" voice sounded as terrifying as a life-threatening talisman in everyone's ears!

He had used the same method to kill two martial saints in the blink of an eye!

Not only was Tie Dan extremely powerful, but he also did things cleanly and without any hesitation!

Even Qin Yu's impression of Tie Dan had changed!

Zeng Ji's expression was extremely cold. He took two steps back and said coldly, "Qin Yu, I think we can talk."

"Talk about your father!"

Tie Dan approached him and kicked Zeng Ji's lower abdomen!

Although Zeng Ji had used a protective spell, he was still sent flying by tie Dan's kick!

Before Zeng Ji could get up, tie Dan approached him again.

He grabbed Zeng Ji's hair, bent his knees, and slammed them hard on Zeng Ji's lower abdomen!

Then, tie Dan grabbed Zeng Ji's hands together and hammered Zeng Ji's spine!

Crack

Zeng Ji's spine was shattered instantly! His body was smashed into the ground!

Iron Egg squatted down. He grabbed Zeng Ji's hair with one hand and lifted him up.

"You're awesome," iron egg said while patting Zeng Ji's face.

Zeng Ji opened his mouth and found it difficult to speak.

Why did he look like a fucking gangster fighting? !

"I'll give you a chance. Tell me your last words." Tie Dan grabbed Zeng Ji's hair and said.

"You must cherish this opportunity. Ordinary people don't have this kind of treatment."

Zeng Ji opened his mouth and was about to speak.

At this moment, tie Dan waved his hand and said, “You speak too slowly. Hurry up and die.”

After he finished speaking, tie Dan stepped on Zeng Ji’s head and crushed it.

He had killed three martial saints in one breath. Everyone was dumbstruck.

The remaining two martial marquis were still trying to escape. Naturally, tie Dan would not give them a chance.

He kicked a rock under his foot and dashed towards the two people.

The rock seemed to contain a tremendous force and instantly took the lives of the two people.

After killing these people, tie Dan said with a comfortable expression, “It’s been a long time since I’ve killed someone... This is the feeling! This is the feeling that I’m infatuated with!”

Then, iron egg looked at Yu Qin who was not far away.

“Qin Yu, can I discuss something with you?”Iron Egg said with a smile.

“What is it?”Qin Yu asked.

Iron Egg licked his lips and said, “I think this Yu Qin is quite interested in you. Anyway, you don’t like her, so why don’t I help you?”

“Help me? What do you mean?”Qin Yu said with some confusion.

Tie Dan said with a smile, “Of course, I slept with her! I’m afraid you don’t know that other than the number one killer, I have another identity, the number one pervert!”

“Hehe... I believe that with your body, she won’t Refuse Me...”

With that, tie Dan used Qin Yu’s body and walked toward Yu Qin with a smile..

Chapter 996: Chapter 996, the Bashful Yu Qin

With a wicked smile on his face, Tie Dan walked towards Yu Qin step by step.

Seeing “Qin Yu”approaching her, a trace of doubt flashed across Yu Qin’s eyes.

The Qin Yu in front of her seemed to be somewhat different from the Qin Yu she knew.

“Stop the F * CK Right Now!”Seeing this, Qin Yu hurriedly shouted.

Iron Egg ignored Qin Yu. He walked to Yu Qin with a smile and reached out to touch her face.

Yu Qin’s face instantly turned red like a ripe tomato.

Iron Egg lifted Yu Qin’s face with one hand and said with a smile, “Little sister, do you have feelings for me?”

Yu Qin’s face was so red that it reached her neck. She stammered and couldn’t say a word.

“Tie Dan! Stop the F * CK Right Now!”Qin Yu immediately became impatient.

Tie Dan completely ignored Qin Yu. He gently caressed Yu Qin’s face and said with a smile, “Wait for me obediently in the room tonight.”

Yu Qin opened her mouth, her face as red as water.

Facing such a “Qin Yu”, she seemed to be at a loss.

Tie Dan seemed to be quite satisfied. He laughed out loud and then reminded, “Remember, leave the door open for me tonight.”

With that, tie Dan laughed out loud and walked away.

In his mind, Qin Yu couldn’t help but curse, “Tie Dan, are you F * cking crazy? Give me back my body quickly!”

Tie Dan rolled his eyes and said, “What? I’m helping you. After i sleep with her, she promises that she won’t like you anymore.”

“F * ck you! I don’t need it! Don’t ruin my reputation!”Qin Yu cursed.

Tie Dan snorted. “I have an appointment anyway. I have to go tonight no matter what.”

“Besides, I haven’t touched a woman in hundreds of years. Please satisfy me.”

“Satisfy you!”Qin Yu gnashed his teeth.

Tie Dan completely ignored Qin Yu. He hummed a little song with a happy face.

Even though Qin Yu begged him, Tie Dan didn't respond at all.

“How about this? I'll find you a body and give you a batch of spirit stones. Can you give me back the body?” Qin Yu said with some pleading.

“When the time comes, if you like to find women, you can go by yourself. You can find as many women as you like, Okay?”

Tie Dan stretched his body and said, “That won't do. Do you know how many times I've been looked down on because of my looks?”

“I've never known what it feels like to be liked by others. I have to give it a try no matter what I say today.”

Qin Yu gritted his teeth and said, “I'll find you a handsome face. I guarantee that everyone will love you!”

Tie Dan touched his chin and said, “Are you serious?”

“Absolutely! I'll do it!” Qin Yu said hurriedly.

Tie Dan thought for a moment and continued, “Apart from a handsome face, I also need a strong body. I don't want a normal body.”

“Okay, okay, okay. Tell me what body you want, and I'll find you a body.” Qin Yu said with a headache.

“Okay.” Tie Dan stretched.

“But I have an appointment. How are you going to go tonight?”

Qin Yu said impatiently, “It's none of your business. I'll figure it out myself.”

Tie Dan sighed slightly and said unwillingly, “It’s a pity that such a good-looking girl was in my hands...”

“Alright, stop talking nonsense and give me back my body!”Qin Yu couldn’t help but curse.

Tie Dan agreed and then said, “I’m afraid I’ll have to sleep for a while. During this time, you have to think of a way yourself. If something happens, no one will save you.”

“I know,”Qin Yu said perfunctorily.

“By the way, how long will you sleep for?”Qin Yu added quickly.

“It’s hard to say. At least half a month, at most several years,”iron egg said.

“Okay, I got it. Hurry up and give me back my body,”Qin Yu urged.

Iron Egg didn’t waste any more time. He borrowed Qin Yu’s body and took a deep look at the world.

Then, he returned this body to Qin Yu’s divine sense.

A light flashed in his mind, and Qin Yu successfully took back the initiative.

He lowered his head to look at his own body. After confirming that he had taken back his body, he heaved a sigh of relief.

“F * ck, it’s really risky to lend your body to someone else,”Qin Yu muttered.

Then, he tried to call out to tie Dan in his mind, but tie Dan didn't respond.

"He's really asleep..."Qin Yu muttered.

Although tie Dan was powerful, his divine sense didn't seem to be as powerful as he had imagined.

...

At night.

Qin Yu could not help but feel a headache.

He stood near Yu Qin's house, not knowing whether he should go and see Yu Qin or not.

"Damn it, Yu Qin won't take it seriously, right?"Qin Yu said in a low voice.

If Yu Qin was really ready in the room, how would he come down from the stage.

Qin Yu stood at the door and thought for a long time. In the end, he gritted his teeth and decided to explain it to Yu Qin.

Therefore, Qin Yu took a step forward and tiptoed to Yu Qin's door.

He knocked lightly on the door, and soon, Yu Qin's voice came from inside, "Come in... come in, I left the door open for you..."

Hearing this, Qin Yu felt a headache coming on.

What he was afraid of came true.

Qin Yu braced himself and pushed the door open.

As soon as the door opened, he saw Yu Qin sitting on the bed, looking at Qin Yu shyly.

Her clothes were thin, and her hair fell over her shoulders, revealing her fair skin.

On one side of the bed was a wooden barrel, in which water had already been placed.

A dense fragrance assailed her nostrils. Obviously, not only did Yu Qin take it seriously, she even specially prepared for it.

“You... You’re here.” Yu Qin’s voice was like a Mosquito’s humming, and her face was red to her neck.

She lowered her head slightly, as if she didn’t dare to look Qin Yu in the eye..

Chapter 997: Chapter 997: When a wall falls, everyone pushes it down

Seeing this scene, Qin Yu was at a loss.

He didn’t even know how to explain it to Yu Qin.

He couldn’t possibly say that the person who said those words during the day wasn’t him, right?

Even if he said it out loud, Yu Qin probably wouldn’t believe it.

“Damn it, this iron egg!”Qin Yu couldn’t help but curse in his heart.

But the matter had already happened, and it had to be resolved.

Therefore, Qin Yu braced himself and walked towards Yu Qin.

As the distance between the two of them grew closer, the atmosphere became ambiguous.

Yu Qin didn’t dare to look directly at Qin Yu. She lowered her head, and her body was even slightly trembling.

Qin Yu walked to the bedside and sat down. He didn’t speak for a long time.

“That...”

After a long time, Qin Yu opened his mouth.

“I’m sorry about what happened during the day.”Qin Yu scratched his head.

Yu Qin said softly, “It’s... It’s fine. I don’t mind...”

Qin Yu’s old face darkened and he hurriedly explained, “What I said during the day... I was joking. Don’t take it seriously.”

Yu Qin’s expression instantly froze. A hint of disappointment flashed across her eyes.

“Am... am I not good-looking?”Yu Qin mustered up her courage and asked softly.

“No, no, no.”Qin Yu hurriedly waved his hand.

Looking at Yu Qin in front of him, Qin Yu could only clench his teeth and say, “Yu Qin, you are very beautiful and very kind, but... there is someone in my heart that I like, and she is the only one.”

The expression on Yu Qin’s face instantly became somewhat sorrowful.

She bit her red lips with her pearly teeth and whispered, “Then is it Yan Ruoxue?”

Qin Yu said in surprise, “How did you know?”

“I heard it from those bad guys...”Yu Qin said softly.

Qin Yu knew that Yu Qin would be sad, but it was better to be short-lived.

Therefore, Qin Yu nodded and said, “Yes, it’s Yan Ruoxue.”

“Is She... Pretty?”Yu Qin asked softly.

At the mention of Yan Ruoxue, Qin Yu couldn’t help but smile.

“Beautiful, very beautiful. In My Heart, she is the most beautiful person in the world,”Qin Yu said with a silly smile.

“Not only is she very beautiful, but she is also very good to me and very sensible.”

The more Qin Yu said, the more excited he became. He even took out a photo from his phone and said proudly, “How is it? Beautiful, right?”

Yu Qin bit her lips and said somewhat sadly, “Beautiful, indeed very beautiful...”

Only then did Qin Yu react. He said somewhat embarrassedly, “I’m sorry... That, you have a good rest. I’m leaving.”

After glancing at these words, Qin Yu hurriedly ran out of the room.

After running for hundreds of meters, Qin Yu finally stopped.

“Damn it, this bastard iron egg!” Qin Yu couldn’t help but curse in his heart.

Unknowingly, he had hurt so many people!

“Forget it, I don’t care about this anymore.” Qin Yu shook his head hard.

What should be considered at the moment was not romantic feelings.

He clenched his fist and once again felt the trace of lightning power in his body.

“Ever since I obtained this lightning element, my physical body has improved again,” Qin Yu said in a low voice.

“Unfortunately, my golden core has been damaged, so I can’t use my spiritual power anymore.”

As he spoke, Qin Yu spat out a mouthful of blood.

“Heavenly vanilla... when can I get it?” Qin Yu couldn’t help but sigh slightly.

The next day.

Qin Yu planned to leave this mountain south village.

If he stayed any longer, he would definitely attract more people to hunt him down.

Therefore, Qin Yu found Yu Qin and planned to say goodbye to her.

When they arrived at Yu Qin's house, their eyes met, and the atmosphere was a little awkward.

"I plan to leave," Qin Yu said.

Yu Qin opened her mouth and then nodded.

"Okay, take care of yourself." After Qin Yu said this, he turned around and planned to leave.

"Wait!"

At this moment, Yu Qin suddenly called out to Qin Yu.

Qin Yu frowned and said, "What's wrong? Is there anything else?"

Yu Qin bit her lips, as if she was making a decision.

A moment later, she mustered up her courage and said, "Can you bring me along?"

Hearing this, Qin Yu's brows immediately furrowed tightly.

"Did I not make myself clear last night?" Qin Yu frowned and said.

Yu Qin hurriedly said, "No, no, that's not what I meant. I... I just want to learn martial arts from you, okay?"

"Learn martial arts?" Qin Yu couldn't help but laugh.

The martial arts she mentioned referred to cultivation.

“Why?” Qin Yu asked.

At the mention of this, a trace of pain flashed across Yu Qin’s face.

She whispered, “I saw Granny Yuan die in front of me with my own eyes, but I was powerless. At that time, I thought how good it would be if I had the same ability as you.”

Then, Yu Qin raised her head and said with a pleading face, “Qin Yu, as long as I can stay by your side, I’m willing to be your servant. I’ll do whatever you want me to do!”

Qin Yu’s face immediately showed a trace of embarrassment.

“I’m here to escape. It’s dangerous to stay by my side,” said Qin Yu.

Yu Qin hurriedly said, “I’m not afraid!”

Qin Yu thought for a moment, then said, “Let me think about it. If there’s a chance, I can take you as my disciple, but not now.”

“Okay!” Yu Qin nodded in surprise.

Qin Yu grunted in gratitude. He did not waste any more time and immediately left the mountain South Village.

In the next few days, Qin Yu covered his face and wandered around the major medicinal herbs markets, trying to find a heavenly herb.

Although Qin Yu tried his best to hide his identity, paper could not cover up the fire.

In addition, Qin Yu had been searching for the heavenly vanilla, so his identity was quickly guessed.

“Heavenly vanilla? I remember that it is a medicinal herb used when the golden core is damaged.”

“Why is Qin Yu looking for heavenly vanilla? Could it be that his golden core is damaged?”

“Latest news! A few days ago, the person who transcended the martial saint’s Heavenly Tribulation was none other than Qin Yu!”

“Now that Qin Yu needs the heavenly herb to transcend the martial saint’s Heavenly Tribulation, does this mean that he failed to transcend the tribulation? ! His Golden Core is crippled? !”

Once this news spread out, it immediately caused the entire martial arts world to be in an uproar!

“In other words, before Qin Yu found the heavenly herb, he had already become a cripple!”

“Take advantage of his illness to take his life! Now is the best time to get rid of him!”

For a moment, many martial artists were restless and wanted to take the opportunity to get rid of Qin Yu and make a name for themselves!

On this day, Qin Yu appeared at Ning Yang’s herbs market.

Both sides of the market were filled with herbs stalls. As Qin Yu walked on this street, the people around him unconsciously retreated to one side.

They looked at Qin Yu in front of them, one after another, they were ready to make a move, full of killing intent.

However, Qin Yu turned a blind eye, as if there was no one else around, and continued walking on his own path.

His eyes occasionally looked at the stalls around him, trying to find the heavenly vanilla.

“Cough Cough!”

At this time, Qin Yu’s Golden Core Dao injury took effect, and blood suddenly spurted out of his mouth.

Seeing this scene, the people around him immediately whispered, “It seems that the rumors are true! This Qin Yu really failed to transcend the Tribulation!”

“The current Qin Yu is just a cripple! Kill him!”

Everyone was restless and seemed to have the intention to make a move..

Chapter 998: Chapter 998, cats and dogs

They stared at Qin Yu, wanting to make a move, but none of them seemed to want to be the first.

“HM?”

At this moment, Qin Yu noticed a rather strange herb placed on a stall not far away.

Qin Yu walked quickly towards that stall.

When the surrounding people saw this, they hurriedly hid to the side.

Qin Yu didn't pay attention to the crowd. He picked up the herb and carefully sized it up.

“Boss, how much is this herb?” Qin Yu asked.

The boss's throat rolled as he subconsciously looked around.

Then, he braced himself and said, “No... If I don't sell it to you, I won't sell it to you!”

Qin Yu frowned slightly and said, “Why? Don't tell me I won't Give You Money?”

“Who cares about your stinky money!” The stall owner mustered up his courage and cursed.

Qin Yu caressed the medicinal herb, then nodded and said, “Alright, forget it if you don't want it.”

After saying that, Qin Yu directly put the medicinal herb into his bag, turned around and was about to leave.

“Qin Yu! Are you going to snatch it in broad daylight!?” The surrounding people shouted loudly.

Qin Yu stopped in his footsteps and said, “Didn't he say it himself that he doesn't want my stinky money?”

“Qin Yu! Don't be so arrogant! We will never let you do whatever you want!” Someone stepped forward and shouted loudly.

Qin Yu looked around coldly.

These people surrounded him in the center, afraid that he would run away.

Qin Yu put away the herbs and said coldly, “If you want to make a move, just do it. There’s no need to find any excuses.”

“Qin Yu! You Did Something Wrong First!”

“Now that you failed to transcend the tribulation, you have been punished by the heavens! Don’t you want to repent? !”

Hearing this, Qin Yu couldn’t help but sneer, “I indeed failed to transcend the tribulation and my golden core was damaged. There’s no need to test me. If you want to make a move, just do it!”

After receiving Qin Yu’s definite answer, someone finally couldn’t hold it in anymore!

A martial marquis shouted and walked out from the crowd.

He pointed at Qin Yu and said, “Qin Yu, for the sake of you fighting against the Sky Blood Rainbow back then, I’ll let you die a quick death today!”

After saying that, he clenched his fist and rushed towards Qin Yu!

Qin Yu looked at him coldly and immediately waved his large hand, slamming a palm onto his chest!

“Whoosh!”

With just this palm, the Martial Marquis who rushed forward was directly sent flying!

He fell to the ground and spat out a mouthful of blood.

“You... You!” Before he could finish his words, he fell to the ground and fainted.

When the surrounding people saw this, their faces changed and they took a few steps back!

“You... Are you faking it? !” Someone exclaimed.

Qin Yu said coldly, “My jindan is indeed damaged. Just my body alone is not something that any Tom, Dick, or Harry can provoke.”

Tom, Dick, or Harry?

Martial Marquis was called Tom, Dick, or Harry?

Was Qin Yu’s body already so strong?

“Is there anyone else who wants to make a move? I’ll just stand here and wait,” Qin Yu said coldly.

The surrounding people looked at each other in dismay. For a moment, no one dared to make a move.

Qin Yu snorted coldly and turned to leave.

“I’ve long heard that Brother Qin is invincible under the heavens. Today, we finally have the chance to meet.”

At this moment, a young man walked out.

The young man was dressed luxuriously, and his bearing was extraordinary. He seemed to be some young master.

“It’s young master Ning!”

“Young Master Ning, kill him!”

“This Qin Yu has done so many evil things. We absolutely can not let him walk out of Ning Yang Alive!”

Hearing these people’s words, Qin Yu could not help but feel like laughing.

Back then, when the Sky Blood Rainbow attacked on a large scale, they did not even dare to fart.

Now that their golden core was damaged and they were framed, they were really capable.

Bullying the weak and fearing the strong, they showed it vividly.

Young Master Ning cupped his hands to Qin Yu and said with a faint smile, “Brother Qin, I’m really sorry. I don’t want to be your enemy, but it’s really hard to go against the will of the people.”

Qin Yu glanced at him and sneered, “Do I know you? Which Hole did you come out from?”

Being humiliated in front of him, Young Master Ning’s face also became a bit ugly.

He suppressed the anger in his heart and said with a faint smile, “Brother Qin is famous in the world. Naturally, you won’t know a small character like me.”

“Of course, I, Ning, am also somewhat famous in Ning Yang. Not long ago, I just stepped into the peak of the Martial Marquis Realm and was only one step away from becoming a half-step martial saint.”

Qin Yu said coldly, “There’s no need to talk so much nonsense. Let’s do it.”

Young Master Ning pretended to be a kind person and sighed, “Brother Qin, I remember that you were also a famous figure in the past. I really don’t want to attack you.”

“How about this, you kneel down and kowtow to everyone and admit your mistake, then I’ll let you go. This way, I can at least explain to everyone, right? I believe that everyone will give me this face.”

After saying that, young master Ning looked at everyone.

Everyone around shouted, “Young Master Ning is really kind! Good, we will give young master Ning this face!”

“Young Master Ning is kind to such a villain. I really admire you!”

These words could not help but make Qin Yu feel nauseous.

The viciousness in hypocrisy was often the most disgusting.

“Brother Qin, what do you think?” Young Master Ning asked.

Qin Yu narrowed his eyes and said, “I killed you in the space of three breaths.”

Young Master Ning sighed and said, “Since brother Qin is so stubborn, then I can only take action and ask for advice.”

With that, young master ning bent his fingers and rushed toward Qin Yu!

This person was full of benevolence, justice, and morality, but his methods were extremely vicious!

His hands were aimed directly at Qin Yu's Dantian!

Qin Yu could not help but sneer. He clenched his fist and with a bang, his fist smashed onto Young Master Ning's body!

“Whoosh!”

After taking this punch, Young Master Ning was directly sent flying, smashing countless stalls!

The surroundings were silent.

Everyone looked at each other, momentarily unable to make sense of the situation.

“Young Master Ning... Young Master Ning is really kind. He actually showed Mercy!”

“Yes, yes. Young Master Ning showed mercy. You despicable person actually killed him!”

“Shameless! Young Master Ning, kill him!”

Young Master Ning stood up from the ground in a sorry state. His eyes narrowed slightly. He suppressed his anger and said, “Brother Qin killed him. Then, I can only show my true ability.”

“You F * cking talk too much!”

Qin Yu's feet shook, and he arrived in front of young master Ning with a Whoosh!

Such a fast speed was like a gust of wind!

Young Master Ning's pupils shrank.. Before he could even react, Qin Yu's fist had directly penetrated his dantian!

Chapter 999: Chapter 999, searching for the heavenly vanilla

Qin Yu's hands pierced through young master Ning's dantian, and his hands were immediately stained with blood.

Then, Qin Yu pulled out his golden core and crushed it with his bare hands!

Young Master Ning stared at Qin Yu.

He didn't want to move. He would die in the hands of someone who couldn't use spiritual power!

“Bang!”

Young Master Ning's body fell to the ground.

Qin Yu's face was expressionless.

The people around him were even more silent. No one had expected this result.

Qin Yu glanced around coldly, then turned around and left.

This time, no one dared to stop Qin Yu.

But Qin Yu knew very well that under the control of the martial arts association in Jingdu, Qin Yu had been completely molded into a villain.

It could be seen from the places where Qin Yu had passed through in the past few days.

Almost everyone wished they could kill Qin Yu.

“Looks like I can’t stay in the country any longer.” Qin Yu took a deep breath.

His reputation was already bad to begin with, and now that he had killed Young Master Ning in public, his future path would only become more and more troublesome.

After thinking about it, Qin Yu decided to leave the fire country for the time being.

Firstly, he wanted to avoid being hunted down by the martial saint. Secondly, it had been a long time since he had gone back to the Heaven Gate.

After all, it was his own sect. If he were to let it go like this, he would only slowly lose the hearts of the people.

Hence, on the same day, Qin Yu bought a plane ticket and took a plane to leave the fire country, heading straight for the Pyro Kingdom.

After spending a few hours, Qin Yu finally arrived at the Pyro Kingdom.

The Pyro Kingdom was an extremely chaotic place to begin with. Many sects had been set up here.

Even though Qin Yu had almost suppressed all the sects, large and small, Shengguo had already established a new sect after a long time.

Qin Yu took a taxi and rushed to the Heaven Gate.

The gate of the Heaven Gate was extremely grand and grand. Although Qin Yu was not there, he controlled everyone's lives with the divine seal pill.

Therefore, the Heaven Gate was still developing in an orderly manner.

Standing at the gate, two people conveniently stopped Qin Yu.

“Who are you?”The two people asked coldly.

“My name is Qin Yu, the sect Master of Heaven Gate,”Qin Yu said quietly.

When the two people heard this, they looked at each other.

“Wait a moment,”one of them said.

Then, he quickly ran back.

After a few minutes, he walked out with a middle-aged man.

The middle-aged man walked quickly to Qin Yu, then cupped his hands and said, “Greetings, Sect Master Qin!”

Qin Yu looked him up and down and said, “You are?”

“I am the acting sect master recommended by my brothers. My name is NIE tianxiang,”said the middle-aged man.

Qin Yu nodded slightly and waved his hand. "Let's go in first."

He walked into the hall of the Heaven Gate with Nie tianxiang.

This hall was extremely grand, as if it was an ancient imperial palace.

Nie tianxiang cupped his hands and invited Qin Yu to the main seat, and then sat at the side.

"When I'm not here, there won't be any trouble at the Heaven Gate, right?" Qin Yu asked.

NIE tianxiang didn't dare to hide it, and immediately told Qin Yu about the development of the Heaven Gate during this period of time.

Through nie tianxiang's narration, Qin Yu learned that the Heaven Gate now had more than twenty martial marquis and three half-step martial saints!

One of them was about to step into the martial saint realm!

This could not help but cause Qin Yu to be a little surprised.

His heaven gate actually had such powerful strength?

"If I step into the martial saint realm, the effect of the divine seal pill will disappear." Qin Yu could not help but feel a little headache.

At that time, if Qin Yu wanted to sit firmly in this position, it would not be so simple.

"What is the name of the person who is about to become a martial saint?" Qin Yu asked.

NIE tianxiang quickly replied, "His name is Zhu Jinglong."

"Zhu Jinglong... call him over," Qin Yu said.

Nie tianxiang hurriedly nodded and said, "Yes."

A few minutes later, a young man followed behind nie tianxiang and walked in.

When he saw Qin Yu in front of him, Zhu Jinglong cupped his hands and said, "Greetings, sect leader Qin."

Qin Yu nodded.

He sized up Zhu Jinglong before him and frowned slightly.

This Zhu Jinglong did not look old.

He was about to step into the martial saint realm at such a young age. This kind of person was usually arrogant and would never lower himself to anyone.

"Now, I don't have the heavenly vanilla and am unable to step into the martial saint realm. If he is one step faster than me, I will definitely lose the Heaven Gate," Qin Yu thought to himself.

However, if he were to get rid of Zhu Jinglong for no reason, it was likely that the hearts of everyone would scatter.

Even the ancient emperors had to find a reason to kill people, let alone Qin Yu?

He sized up Zhu Jinglong in front of him. For a moment, he could not do anything to him.

“Looks like I have to think of a way to find the heavenly vanilla as soon as possible.”Qin Yu rubbed his forehead. He only felt waves of headache.

Then, Qin Yu looked at nie tianxiang and said, “Pass down my order. Let everyone find the heavenly vanilla at all costs!”

“Heavenly vanilla? What’s That?”Nie tianxiang asked.

Qin Yu waved his hand and said, “Those who have this will naturally know.”

“Spread the news that the Heaven Gate is collecting the heavenly vanilla. As long as we can get the heavenly vanilla, I’m willing to exchange it with the nine transformation golden pill.”

Nie tianxiang quickly cupped his hands and said, “Yes!”

In the following time, the entire Heaven Gate was collecting the heaven vanilla.

In the blink of an eye, three days had passed, but there was no news of the Heaven Vanilla.

“It seems like getting the heaven vanilla is not that simple.”Qin Yu could not help but show a trace of worry on his face.

After all, the Heaven Vanilla came from a high-level mystic realm. It was more difficult than expected to get one.

A few days later, there was still no news of the Heaven Vanilla.

The people of the Heaven Gate had searched the entire Sheng kingdom and even spread the news overseas, but it was still useless.

Just when Qin Yu was about to give up, nie tianxiang suddenly ran in and said, "Sect Master Qin, someone wants to see you. He claims to have the Heaven Vanilla."

Hearing this, Qin Yu's eyes immediately lit up.

He quickly got up and said anxiously, "Quick, Go and invite him in!"

"Yes!"

Chapter 1000: Chapter 1000, Princess?

Qin Yu sat in the hall and couldn't help but feel a little excited.

A few minutes later.

NIE tianxiang walked in with a man.

This man's appearance was extremely strange, and there was a strange mark between his brows.

The man walked directly to Qin Yu and said indifferently, "Greetings, Sect Master Qin."

Qin Yu stood up and said somewhat impatiently, "You have the Heavenly Vanilla in your hand? Is It True?"

The Man didn't answer in a hurry. Instead, he glanced at nie tianxiang beside him.

Qin Yu immediately understood and immediately waved his hand. "You can go out first."

“Yes.” Nie Tianxiang cupped his hands and turned to walk out of the hall.

In the hall, only Qin Yu and this strange man were left.

The man looked at Qin Yu and said indifferently, “Let me introduce myself. My name is Hua Zongxiong. You can also call me Brother Xiong.”

Qin Yu was not in the mood to listen to his nonsense, but he did not want to be too direct, so he could only respond politely, “Greetings, Brother Xiong.”

Hua Zongxiong continued, “Back then, you unified all the sects in Shengguo in one go. Such a magnificent feat is indeed admirable.”

“Brother Xiong, you flatter me.” Qin Yu said patiently.

However, at this time, Hua Zongxiong changed the topic.

He said with a faint smile, “Unfortunately, after you unified the Heaven Gate, you left Shengguo. Although you controlled everyone with the divine seal pill, unfortunately, you are not popular at all. You have no foundation to speak of.”

Hearing this, Qin Yu already felt that something was strange.

He frowned and asked, “Brother Xiong, what do you mean by this?”

Hua Zongxiong said indifferently, “Therefore, you, the sect master, are not worthy of your name.”

“Now that you’ve suddenly returned to the Sheng Kingdom and spread the news, I’m afraid there’s only one reason why you want a stalk of heavenly vanilla.”

“That’s because you failed to transcend the tribulation! You couldn’t stay in the country anymore and ran to the Sheng Kingdom to escape!”

Qin Yu narrowed his eyes slightly and said coldly, “You don’t have any heavenly vanilla at all?”

“Hahaha, not bad!” Hua zongxiong laughed loudly.

“I came here to persuade you.”

Qin Yu frowned.

Sure enough, as long as there were people, there would be disputes.

“If you are willing to give up the Heaven Gate now, I might consider sparing your life or even keeping you in the Heaven Gate,” Hua Zongxiong said indifferently.

Qin Yu said coldly, “What if I don’t agree?”

“If you don’t agree, then I will kill you,” Hua Zongxiong said straightforwardly.

After he finished speaking, the internal Qi on Hua Zongxiong’s body exploded!

“Martial saint? !”

Qin Yu’s face instantly changed drastically!

The Hua Zongxiong in front of him was actually a martial saint!

Hua zongxiong said indifferently, “You should know that you don’t have the slightest power to fight back in front of me.”

“I’ve already given you enough face by sending all the people out and talking to you alone. I hope you don’t fail to appreciate my kindness.”

Qin Yu’s expression was a little ugly.

If he were to directly clash with this Hua Zongxiong, he would definitely die.

“Give me a few days to think about it,” Qin Yu said in a deep voice.

Hua zongxiong snorted lightly and said, “Sure, I can give you three days, but I hope you won’t play tricks.”

“In three days, I hope you can give me the answer I want.”

After saying that, Hua Zongxiong stood up and left.

After he left, NIE tianxiang rushed in.

“Sect Master Qin, how is it? Did he give you the heavenly vanilla?” Nie tianxiang asked.

Qin Yu shook his head with a bitter smile and said, “No, it’s not that easy to get the heavenly vanilla.”

A hint of confusion flashed across nie tianxiang’s face.

He wanted to ask more questions, but Qin Yu waved his hand and interrupted nie tianxiang.

Hua Zongxiong was right. He had no foundation in the Heaven Gate.

To the disciples of the Heaven Gate, it didn’t make any difference who would be the sect master.

That night, Qin Yu sat on the roof and couldn't fall asleep for a long time.

“It seems like it's impossible to obtain the Heaven Vanilla,” Qin Yu muttered softly.

“Do I really have to be trapped in the half-step martial saint realm for the rest of my life?”

This made Qin Yu feel extremely hopeless.

If all the cultivation stopped here, then this journey would be meaningless.

“If it really doesn't work, I can only temporarily give up the Heaven Gate.” Qin Yu made up his mind.

At this moment.

Qin Yu suddenly felt a movement coming from the dark.

“Who is it? !”

Qin Yu hurriedly turned around and shouted.

“Divine sense is quite sharp.” A voice came from behind.

Turning around, he saw a middle-aged man in luxurious clothes standing behind him.

Qin Yu looked at this person with vigilance and said coldly, “Who are you? Why are you spying on Me?”

The other party put his hands behind his back and said with a faint smile, “The Golden Core left such a DAO wound. I think you must have broken through to the martial saint realm by force, right?”

Qin Yu shouted, “Cut the crap! Who exactly are you! If you don’t tell me, Don’t blame me for being impolite!”

“Oh?” The other party raised his eyebrows and a trace of ridicule flashed across his face.

Qin Yu was instantly furious and charged at him with a clenched fist!

Although this punch was purely physical strength, the power was unimaginable!

But what shocked Qin Yu was that when Qin Yu’s fist touched his body, the fist directly passed through his body!

“Huh? !” Qin Yu frowned tightly.

He turned around and threw another punch! But the result was still the same!

That was clearly a physical body, but Qin Yu couldn’t touch it at all!

“Spatial spell?” Qin Yu seemed to have stepped on something.

“You know spatial spell?” The other party was clearly a little surprised.

Qin Yu said with a cold face, “If you have practiced spatial spell to such a degree, I’m afraid your strength is at least a martial saint.”

“Martial Saint?” That middle-aged man raised his eyebrows and then laughed out loud.

“Alright, I won’t tease you anymore.”At this time, he said seriously.

Qin Yu’s face was gloomy and he was extremely vigilant.

The middle-aged man smiled lightly and said, “Don’t be nervous. The princess sent me here to give you something..”

Chapter 1001: Chapter 1,001, the Heavenly Vanilla

“Princess?”Qin Yu frowned even more.

What era was this? There was still a princess?

“Who is the princess you speak of?”Qin Yu asked in a deep voice.

The middle-aged man walked straight towards Qin Yu, but Qin Yu subconsciously stepped back.

Seeing this, the middle-aged man stopped and shook his head, “It’s Yan Ruoxue.”

“Yan Ruoxue? !”Qin Yu’s pupils dilated!

He rushed to the front of the middle-aged man and grabbed his wrist, saying anxiously, “Where is Yan Ruoxue? Is she okay now? Is she safe now? When can I see her?”

Throwing out a few questions in a row, the middle-aged man didn’t know how to answer.

“Why don’t We Sit Down and talk?”The middle-aged man said.

Qin Yu forced himself to be excited and nodded. “Okay, okay.”

The two of them sat on the house. Qin Yu looked at the middle-aged man eagerly, waiting for his next words.

The middle-aged man said, “The princess is now in the secret realm. She is living very well. You Don’t have to worry.”

“It really is the secret realm of the Yan family!” Qin Yu took a deep breath.

He looked at the middle-aged man nervously and said, “Why did you take her away? Also, she doesn’t seem to be related to the people in your secret realm, right?”

“No.” The middle-aged man shook his head.

“The secret realm of the Yan family takes a fancy to the bloodline. The more the bloodline is awakened, the higher the status.”

“Like the princess, who is pure of the bloodline of the Yan family, so she has an extremely high status. She will even become the next master of the Yan family’s secret realm.”

Qin Yu could not help but take a deep breath.

As expected, it was exactly like what Tie Dan and the moustache had said!

The Yan family’s Mystic Realm had its eyes on bloodline power!

“In other words, Ruoxue is doing very well now, right?” Qin Yu hurriedly asked.

“Yes.”The middle-aged man nodded.

Qin Yu frowned and said, “Then why didn’t she come to see me?”

The middle-aged man spread his hands and said, “The princess has been delayed for too many years. Now that she has returned to the mystic realm, she naturally has to go into seclusion to cultivate.”

Qin Yu suddenly came to a realization!

That’s right, Yan Ruoxue had not been cultivating all this while, so she had indeed been delayed.

“Let me ask, what is Ruoxue’s current realm?”Qin Yu asked tentatively.

The middle-aged man smiled faintly and said, “Middle stage of the nascent soul stage, which is what you call the middle stage of the Martial Saint Stage.”

Qin Yu could not help but gasp!

“This bloodline of the Yan family is indeed worthy of its reputation...”Qin Yu said in a low voice.

“Of course,”the middle-aged man said with a smile.

“Of course, the resources in the secret realm of the Yan family are not something you can compare with, so you don’t need to feel too much pressure.”

Even though that was the case, the final result still depended on the cultivation result.

No one would care about the conditions of your resources.

“When can I see her?”Qin Yu asked.

The middle-aged man spread his hands and said, “It’s hard to say, but with your current realm, I’m afraid you can’t.”

“Realm?”Qin Yu frowned.

“Then what realm do I have to reach before I can see her?”

“The Almighty Realm,”the middle-aged man said with a smile.

“When you step into the Almighty Realm, I’m sure the Yan family will invite you.”

Qin Yu muttered in a low voice, “The Almighty realm... is too far away from me.”

“Right now, I’m trapped by the heavenly vanilla. Even a martial saint is unable to step into it, let alone the Almighty Realm...”

The middle-aged man laughed loudly and said, “The reason the princess sent me here is to give you the heavenly vanilla.”

Qin Yu’s pupils constricted again!

He hurriedly looked at the middle-aged man and said, “Ruoxue... asked you to bring me the Heavenly Vanilla?”

“That’s right.”The middle-aged man nodded and said.

With a flick of his palm, a sandalwood box appeared in his hand.

Qin Yu quickly took the box and opened it excitedly.

Inside the box were three colorful medicinal herbs, and an extremely strange fragrance assailed his nostrils!

This medicinal herb was none other than the heavenly vanilla!

Besides the heavenly vanilla, there was also a jade stone and a letter beside it.

The Jade Stone was the one that Qin Yu once gave to Yan Ruoxue.

After it broke, Yan Ruoxue carefully collected the pieces.

Now, she had used special methods to make this jade pendant into a keepsake again.

“The princess warned me not to use this keepsake lightly,” the middle-aged man reminded.

Qin Yu hurriedly nodded and said, “I understand. Thank you!”

“You should be thanking the princess, not me,” the middle-aged man said with his hands spread out.

Qin Yu raised his head and looked at the middle-aged man in front of him.

Perhaps it was because of Yan Ruoxue, the rough man in front of him also looked much more pleasing to the eye.

“I have a question.” At this moment, Qin Yu suddenly said.

“What question?” The middle-aged man asked.

“Is the secret realm of the Yan family strong?” Qin Yu asked.

“Very strong.”

“How Strong?”

“Well... in short, it’s very strong. It’s much stronger than you think.”

“Then... how does it compare to the martial arts association of Jingdu?” Qin Yu asked nervously.

Hearing this, the middle-aged man couldn’t help but laugh out loud.

“The Martial Arts Association of Jingdu? They don’t deserve to be compared to the secret realm of the Yan family at all!” The middle-aged man laughed out loud.

“Even their eight leaders are not worth mentioning in front of the Yan family.”

Qin Yu could not help but suck in a cold breath!

Not even those eight high-ranking officials were worth mentioning?

How powerful was this?

Qin Yu scratched his head and said, “There’s still one more question. There are still many people from the Yan family in Jingdu. Why Don’t you bring them back to the Yan Family?”

The middle-aged man said in a low voice, “I’ve said it before. The Yan family values bloodlines. Bloodlines represent status.”

“Their bloodlines are negligible. Naturally, we won’t take them away.”

“In other words, even if they are the offspring of the head of the Yan family, if their bloodlines are weak, they will be expelled from the Yan family’s secret realm.”

Qin Yu couldn’t help but frown when he heard this. “So Heartless?”

“In the world of the strong, emotions are not worth mentioning at all.”The middle-aged man shook his head.

At this moment, Qin Yu suddenly thought of Yan Jinyao.

“Oh right, the Yan family also has a Yan Jinyao. His bloodline seems to have reached 80% . Why didn’t you take him away?”Qin Yu asked in puzzlement.

The middle-aged man shook his head and said, “He has acquired bloodline, not innate bloodline. Acquired bloodline is not worth mentioning.”

“OH.”Qin Yu nodded.

Then, Qin Yu continued to ask, “That Jingdu martial arts association made Ruoxue suffer so much.. Why didn’t you bring people to directly destroy them?”

Chapter 1002: Chapter 1002, refining the recovery spirit pill

The middle-aged man was silent for a moment.

Then, he sighed and said, “It’s not that we don’t want to, it’s that the princess won’t let us.”

“Ruoxue won’t let us?”Qin Yu was slightly stunned, but he quickly understood.

He smiled at the middle-aged man and nodded. “Okay, I got it.”

The problem in Qin Yu’s heart was finally solved.

And Qin Yu finally got three stalks of heavenly vanilla as he wished.

“Do you know how to use this heavenly vanilla?”At this moment, the middle-aged man suddenly asked.

Qin Yu scratched his head and said, “I really forgot about this. It seems that I have to refine some pill.”

Back then, pavilion master did tell Qin Yu, but it was just a casual mention.

After such a long time, Qin Yu only remembered to get the heavenly vanilla grass, but forgot what pill to refine.

The middle-aged man took out a prescription and handed it to Qin Yu.

“Fortunately, I brought the prescription,”he said somewhat helplessly.

Qin Yu took the prescription and quickly cupped his hands, saying, “Thank you, senior.”

“Don’t thank me. If you want to thank, thank the princess,”the middle-aged man said.

“She believes that it won’t be long before you become an invincible existence in this world.”

Qin Yu took a deep breath and said, “Senior, please pass on a message for me and the princess. Just say... that I will definitely keep the promise I made back then.”

“It won’t be long before I meet her.”

“Okay, I will definitely bring her,” the middle-aged man said with a smile.

He slowly stood up and looked into the distance. “It shouldn’t be peaceful here, right?”

“How did you know?” This surprised Qin Yu.

“I guessed.” He waved his hand.

“I’ve brought the things, I should go.”

Qin Yu said politely, “How about... staying for a meal?”

“Forget it.” The middle-aged man smiled.

Then, his body shook slightly, and in the blink of an eye, he disappeared without a trace.

After he left, Qin Yu impatiently took out the sandalwood box and took out the letter that Yan Ruoxue had brought.

There was a faint fragrance on the letter.

And at the bottom right corner of the letter, there was a red lip.

This red lip was obviously left by Yan Ruoxue. Qin Yu looked at that red lip and couldn’t help but laugh foolishly.

After opening the letter, the first thing that came into his sight was a piece of black hair.

His hair was about ten centimeters long. When he saw this hair, Qin Yu could not help but think of Yan Ruoxue's face.

He even started to fantasize about the future of the two of them.

“Phew...”

Qin Yu shook his head forcefully and pulled himself back to reality.

He carefully tucked his hair away and opened the letter.

Lines of delicate and pretty words were left behind in the letter.

“Qin Yu, long time no see. I believe you are now trapped in the half-step martial Saint Realm.”

“Those three heavenly herbs should be able to help you tide over the crisis temporarily.”

“HMM... let me guess, what are you doing now? It has been so long. I believe the Martial Arts Association of Jingdu is sending people to hunt you down, right?”

“Alright, I believe you will definitely tide over this crisis. I will wait for you in the Yan family's secret realm. I hope to see you sooner.”

“If... One day you don't want to live like this anymore, you can crush the token. I will bring you to the Yan family's secret realm to stay away from the noise.”

“As long as you are willing, I can help you get rid of all your enemies. Of course, with your character, you should not be willing to do this.”

Looking at the words on it, Qin Yu felt waves of warmth in his heart.

Of course, he understood what Yan Ruoxue meant.

However, Qin Yu was no longer the young man who begged for protection.

“I won’t give up.”Qin Yu took a deep breath.

He carefully put away the token and put it into his spatial divine weapon.

“With this heavenly vanilla, I can enter the martial saint realm as soon as possible.”Qin Yu took a deep breath.

After enduring for so long, he could finally restore his golden core.

He turned around and returned to his room. Then, he carefully took out this pill formula.

This pill was called the Spirit Recovery Pill. In addition to a stalk of heavenly herb, it also required some ordinary medicinal herbs.

Other than that, there was an extremely high requirement to refine the spirit recovery pill.

It required three alchemists with purple flames to refine it together.

“Three purple flames?”

Seeing this condition, Qin Yu couldn’t help but frown.

Other than himself, the only person Qin Yu knew who had purple flames was the pavilion master.

“Three purple flames. I’m afraid it’s not easy to find them.” Qin Yu couldn’t help but frown.

There were very few people in the world who had spiritual fire to begin with, and those who had purple flames were even rarer!

“I didn’t expect that apart from being harsh on herbs, the recovery spirit pill also has such perverse conditions for alchemists,” Qin Yu said in a deep voice.

Most importantly, Qin Yu simply couldn’t afford to waste time.

Three days later, Hua Zongxiong would definitely bring people to seize the Heaven Gate.

“This time is completely insufficient.” Qin Yu took a deep breath, momentarily at a loss.

Qin Yu paced around the room for a long time before he finally decided to temporarily give up on the Heaven Gate!

“At most, I will give the Heaven Gate to him first. When I step into the martial saint realm, I will snatch it back!” Qin Yu thought to himself.

Thinking of this, Qin Yu decided to temporarily leave the Sheng Kingdom.

“Pavilion Master is the best in the industry. She might have a way.” Qin Yu thought to himself.

Hence, Qin Yu planned to return to the fire country for the time being to ask for the pavilion master's help in finding the next alchemist who possessed the Purple Pyro.

After that, Qin Yu hardened his heart and left the Heaven Gate that night.

All the way to the airport, Qin Yu bought the earliest flight back to the fire country.

In the evening of the next day, Qin Yu successfully arrived at the fire country's pyro.

After a few twists and turns, Qin Yu finally arrived at the entrance of the Divine Alchemist Pavilion at around eight o'clock in the evening.

Qin Yu could not wait to restore his golden core, so he did not think about anything and strode into the Divine Alchemist Pavilion..

Chapter 1003: Chapter 1,003, the three purple flames

Qin Yu hurried towards the Divine Alchemist Pavilion.

Fortunately, it was night time, so there weren't many people and no one noticed Qin Yu.

Qin Yu rushed all the way to the Pavilion Master's building.

Just as he was about to jump onto the pavilion master's Building, a young girl suddenly grabbed Qin Yu.

Turning around, he saw Taozi standing beside Qin Yu.

“Qin Yu?” Taozi’s face was a little surprised.

“Shhh...”

Qin Yu hurriedly made a shushing gesture.

He pulled Taozi to the side. Before he could speak, Taozi couldn’t wait to say, “What’s wrong with you lately? Why are they looking for you everywhere and saying that you’re some kind of evil person...”

Qin Yu waved his hand and said somewhat helplessly, “Do you believe it?”

“Of course I don’t believe it!” Taozi said with her eyes wide open.

“Then it’s fine,” Qin Yu said with a smile.

At this moment, Qin Yu suddenly thought of something.

He hurriedly looked at Taozi and said, “Oh right, Taozi, what color is your spiritual fire now?”

“It’s red.” Taozi stared with her big round eyes and said with some puzzlement.

“What’s Wrong?”

Qin Yu shook his head and sighed, “I need the help of two alchemists who have the purple flame. But besides me and the pavilion master, there’s still one more. Is there a newcomer who has the Purple Flame in our Divine Alchemist Pavilion?”

When this topic was brought up, Taozi felt a little disappointed.

She sighed and said, "Let's not talk about newcomers. Ever since that Wan Gu Qiong harassed the pavilion master, the Divine Alchemist Pavilion hasn't accepted any newcomers for a long time."

"Wan Gu Qiong? is he still pestering us?" Qin Yu frowned.

Taozi pointed at the pavilion master's building and said, "He's upstairs right now."

Qin Yu's pupils shrunk!

Wan Gu Qiong, this beast, was actually in the Pavilion Master's Building?

"Damn it!"

Qin Yu cursed inwardly and immediately wanted to go upstairs.

Taozi hurriedly pulled Qin Yu back and said, "Don't be rash. He has two martial saints by his side."

Qin Yu's expression instantly became even more unsightly, and he could not help but clench his fists.

"Pavilion master didn't suffer any injuries, right?" Qin Yu suppressed his anger and asked.

Taozi said, "That's not the case. With commander ye around, he didn't dare to go too far. He just kept on using foul language."

"Hu..."

Qin Yu let out a long breath.

“If you continue to persevere, it won’t be long before you can change this situation,”Qin Yu said in a low voice.

“Alright, you should come with me first and find a place to hide. I’ll inform you when the ancient jade is gone,”said Taozi as she held Qin Yu’s hand and walked.

Qin Yu nodded. This was the only thing he could do now.

He followed Taozi all the way to a mansion.

Qin Yu had never seen this mansion before. It seemed to be newly built.

“Zhang Yijiu and Xiao Qing are staying here,”Taozi said.

“They are all your old acquaintances. I don’t think they will say anything.”

“I’ll keep an eye on them now. I’ll let you know as soon as the Wan Gu Qiong leaves.”

Qin Yu nodded and said, “Thanks.”

“F * ck you!”Taozi rolled her eyes.

Qin Yu walked into the mansion quickly.

It had to be said that the environment of the mansion was not bad. The courtyard was filled with all kinds of exotic herbs. The moment he entered the door, the fragrance assailed his nostrils.

Qin Yu quickly walked into the room. As soon as he entered the door, he saw Zhang Yi Jiu and Xiao Qing sitting there playing chess.

The two of them were dressed rather comfortably. It was obvious that they were planning to sleep.

When they saw Qin Yu who suddenly barged in, the two of them were so scared that they screamed.

“Don’t shout, don’t Shout!” Qin Yu hurriedly made a shushing gesture.

Zhang Yi Jiu glared at Qin Yu and said, “Why don’t you knock! Don’t you know how to knock when you enter a girl’s room? You’re taking advantage of my door!”

Qin Yu glanced at Zhang Yi Jiu and rolled his eyes. “With your figure, I wouldn’t even look at it if you showed it to me. Xiao Qing’s is more like it.”

Xiao Qing’s small face blushed and she hurriedly covered her body with her clothes.

The two quickly put on their clothes and then asked, “Why did you suddenly come here?”

Qin Yu lay on the bed and stretched. “I came back with something.”

“TSK, TSK, you’re really big-hearted. Now the Jingdu Martial Arts Association has listed you as a fugitive,” Zhang Yi Jiu muttered.

Then, she smiled evilly and said, “It’s almost the same treatment as our Han Palace.”

At the mention of Han Palace, Qin Yu suddenly remembered the “Elements” that Tie Dan had mentioned before.

Therefore, Qin Yu took the opportunity to ask, “By the way, does the palace master of your Han Palace control some snow elements?”

“How do you know?” Zhang Yi Jiu asked in surprise.

“This is the secret of our Han Palace.”

Qin Yu scratched her head and thought to herself, “It seems that not many people in the world know about elements.”

“Then, have you mastered the elements?” Qin Yu continued to ask.

Zhang Yi Jiu shook his head and said, “The palace master said that the elements are all born, and can not be passed down the day after tomorrow.”

Qin Yu replied with an ‘Oh’ and did not continue to ask.

Compared to Zhang Yi Jiu, Little Qing was much quieter.

She sat at the side and did not say a word.

“Why, are you homesick?” Qin Yu glanced at her and asked casually.

Before Little Qing said anything, Zhang Yi Jiu, who was beside her, muttered, “Isn’t that nonsense? I was staying at home and was fine. I was brought here by you for no reason.”

Qin Yu touched her nose and said guiltily, “Don’t worry. I’ll send you back very soon and let you reunite with your family.”

Little Qing smiled bitterly and said, “It’s not that simple. If I go back now, I’ll probably be regarded as a traitor. The second mystic realm will definitely not forgive me.”

“It’s alright. After I’ve taken down the second mystic realm, you can go back.”Qin Yu said with a slightly confident tone.

Zhang Yi jiu snorted and said, “Keep bragging. The second mystic realm is guarded by a peak martial saint. It’s not something you can touch.”

Qin Yu did not explain to Zhang Yi Jiu.

Tie Dan and the handlebar mustache had said that once Qin Yu had become a martial saint, he would be invincible in this realm.

Qin Yu also possessed such confidence.

As long as he became a martial saint, he would definitely go to the second secret area!
