

Right Person 517

Chapter 517 I'll Fix This

To avoid unnecessary trouble, Nicole went inside the hotel from the back door. Then, she met up with the people from the research center to find out what had happened. It was only then that she found out someone had anonymously posted the news online, saying that the vaccine was not yet done and had killed someone during clinical trials, causing someone to make a stir at the scene.

When Nicole clicked open the post, she saw the man from yesterday holding up a banner while screeching. If someone who was clueless about what happened saw this post, they would definitely believe what had happened.

After looking at it, Nicole lowered her gaze and said, "There are many people outside the door right now. If we don't give them an explanation, they will not trust us."

Right now, they were like trapped beasts as they didn't know what to do.

At this moment, Pierre, who was on the other side, was looking at the post that had gone viral online. When he saw it, he couldn't help but smile, thinking that Nicole couldn't have expected him to provoke outrage rather than doing something to the vaccine.
