

## Rise 137

### Chapter 137

At four o'clock in the afternoon, Joseph returned to Junlin Group. He called Logan in.

"Mr.Dawson, what orders do you have?" Logan said respectfully to Joseph.

Joseph smiled and said, "Paige will come to the Junlin Group to work tomorrow. You ask Bethany and Ava to come here tonight so that they can be a companion for Paige in the future."

Logan nodded with a smile. "Yes, Mr.Dawson. I'll arrange it right away. The two of them will come over. But the position..." Joseph said, "You can discuss it with Ren Pingsheng. We are all on the same side, at least a senior executive. Bethany is capable. As for Ava, train her first."

"Okay, Mr.Dawson, I get it. I'll arrange it now...." Logan said respectfully.

Joseph nodded. He had already arranged everything for Paige. Half a month later, he would let Logan, Dennis, and Ernie directly enter Jun Lin. The three old men, plus Ren Pingsheng, were in charge of Jun Lin Group, so there would not be any problems for Paige to manage the company. As for Logan, Dennis, Ernie, had joined into Junlin Group. This was also a good thing for them.

As the vice president of Junlin Group, their vision would spread to the whole world! After all, no matter what those small companies did, they could not reach Jun Lin's level. Not to mention that Joseph was behind Junlin Group. With the support of the entire Dragon Temple, Logan and the others were extremely excited and expectant. After all, Joseph had returned. Even if he did not ask about Junlin Group, as long as he was here, as long as he had the support of the Dragon Temple, whose reputation shocked the whole Outer Region, they were confident that they could do more, stronger, and become the real overlord of the world!

After Joseph finished arranging the affairs of Bethany and Ava, he took Serena and Chloe home. When Serena got home, Estella and Yahir were very happy to see Serena's new car, especially Estella, who had driven the Porsche of Yayu several times. During the whole process, Estella and Yahir did not ask where the money for the car came from. After all, their son-in-law was the seventh commander of the Frogua military. What was wrong with buying a car? They could not enjoy life when fighting on the Outer Region battlefield, and it was time for him to enjoy life. This was the thought of Yahir, and Estella was obviously led astray by Yahir.

The two elders were completely unrestrained. After suffering for most of their lives, they wanted to enjoy life.

Estella said to Joseph with a smile, "Well, Joseph, I want to go back to my parents' home tomorrow. Can you go with me?" Joseph glanced at Estella with a smile and instantly understood what she meant. Then he nodded and said, "Well, okay, I'm fine anyway. Mom, I'll go with you tomorrow." Stella was very excited when I hear that. Estella would return to her hometown with her proud son-in-law, the seventh commander of the Frogua's military and has ten War Gods under her command. Such a peerless figure is her son-in-law. In the past, when she married to a small place like Oplen, her family members often looked her down.

She must show off this time!"

“Well, let’s go together and let Paige go to work. By the way, Joseph, is everything okay when Paige goes back to work? Her company didn’t mention her, did they? She hasn’t finished her work yet.” Estella asked Joseph with some concern as she spoke.

Joseph smiled and said, “They don’t dare to do that. Don’t worry, Mom. It’s okay. Besides, I told Paige to resign from the company. Tomorrow, she will go directly to the largest company in Usmaït City, Junlin Group, to work.”

Estella nodded seriously. In her heart, since her son-in-law was so excellent, her daughter must also become excellent.

Even if she was not excellent in the past, she would be excellent in the future. So she said, “Well when Paige comes back, I will talk to her and ask her to work hard. You will go to Vowhye to report on your work in a period of time. Then Paige can’t be a small employee anymore, or she will disgrace you.”

“Hahaha.’ Before Estella could finish her words, Serena, who was standing next to her, burst into laughter. Her laughter was very strange. “Are you kidding me? A small employee? Stop fooling around. The whole Junlin Group will belong to my sister, okay? Oh, my dear mom, could you please put in a good word for me? I want to join Junlin Group too.”

Estella looked at Serena in confusion. She didn’t know what the girl was laughing at, but she was confused. Serena was smiling, Joseph was laughing, and so was Chloe.

Chloe was sensible. She had promised Joseph that they would give her mother a surprise and keep it a secret. Then Chloe would really keep it a secret and would not reveal it to others.

At eight o’clock in the evening, the Caesar Hotel in Usmaït City had been booked by Shangguan Bo, because he was going to hold the annual dinner of the company today. At seven o’clock in the evening, before the banquet began, the executives of Usmaït Industries, as well as the direct descendants of the Shangguan family, had already begun to enter. Those who could participate in this banquet, be it, men or women, had a very high status.

The Shangguan family was the top family in Usmaït City. If it were not for the pressure of Junlin Group, the Shangguan family would be the biggest family in Usmaït City. Therefore, the people who could attend this banquet were almost all the top figures in Usmaït City. The women were also the top socialites of all walks of life.

As for Paige, she had followed Shangguan Tong here early. She was a little flustered because she rarely attended such a top- level gathering. She did not understand many things. The only time she had attended before was at the Yin family’s dinner two months ago. However, that time, she had also sat in the corner of the back row and did not communicate with anyone else except for Leng Yijun.

But it was different with this banquet. Shangguan Tong accompanied her and had been standing in the centre of the hall. There were always top socialites in Usmaït City coming to greet her with a glass of wine. Paige also nodded nervously. As for those top socialites in Usmaït City, they all had their own social circles. Among the top women in Usmaït City, they knew almost all of them.

However, they were very unfamiliar with this Paige who suddenly appeared. However, she was accompanied by Shangguan Tong, who seemed very close to her. Therefore, those top socialites in Usmaït City were constantly guessing her identity and secretly guessing who she was.

They all knew about this banquet. They heard that a real big shot would come, including Lu Tianxun, the director of the Police Department of Usmit City, Si Tianzheng, the vice president of the Government Affairs Department, Ren Pingsheng, the vice president of Junlin Group, Wang Tianhai, the God of War of the Tianhai Department, Yin Zheng, the head of the Yin

family, Bradley, the head of the Armstrong family, Lewis, the head of the Gordon family, Dennis, Ernie, and Logan, the richest man in Oplen City, all of them would come. These socialites and the top women in Usmit City were all nervous and determined.

For a while, they didn't know what the purpose of the banquet was.

Because they received the invitation to the banquet very suddenly at four o'clock in the afternoon, and the invitation to the banquet was personally invited by Shangguan Bo, the old master of the Shangguan family. Therefore, they didn't dare to refuse, and they were very anxious to choose clothes, dress up, and then hurry over.

When they arrived at the hotel, the first wrong thing was Paige, who Shangguan Tong had been accompanying.

They all felt that something was wrong.

"Paige, Paige, you're here as well. At this moment, Yin Chaoge and Leng Yijun, who had just gone to Paige's house in the morning, ran all the way to Paige. Yin Chaoge and Leng Yijun were also wearing long black lace dresses, with low chests and back exposed. Their skin was fair, and their white feet were wearing high heels.

When Leng Yijun and Yin Chaoge saw that Paige was also there, they were also very surprised, so they ran all the way over.

Paige smiled and said to them, "Well, today is the annual dinner of Usmit Industries. I'm an employee of the company, so I'm here." Leng Yijun and Yin Chaoge took a look at her and nodded with a smile. They had some doubts in their hearts. This was the first time that she had really shown up in such a high-end and top-level occasion. The two of them could almost guess something in an instant.

Mm, It must be Joseph who wanted to make Paige show herself. Some of his identities would be revealed to her. Yin Chaoge and Leng Yijun understood almost at the same time.

Paige didn't know what Yin Chaoge and Leng Yijun were thinking. She smiled at Leng Yijun and Yin Chaoge and said, "Chaoge, Yijun, you two should know Shangguan Tong, right?"

Leng Yijun and Yin Chaoge glanced at Shangguan Tong, nodded with a smile, and said, "Yes, I know her. I met her when I was very young.

Yin Chaoge reached out to Shangguan Tong and said, "Tongtong, I haven't seen you for many years. You are getting more and more beautiful."

Shangguan Tong also shook hands with Yin Chaoge with a smile and said, "Well, Chaoge, long time no see. You are much more beautiful than me."

"Miss Shangguan, nice to meet you, I'm Leng Yijun of Chaoge Technology. We've met before." Leng Yijun reached out to greet Shangguan Tong with a smile.

Shangguan Tong continued to smile and nod. "Miss Leng, you didn't tell me before that you and Paige are college classmates. If I had known earlier, we would have become best friends earlier. Haha, come on, let's go to our seats. My grandfather and the others are coming soon."

After the four women greeted each other, they immediately burst into laughter. Any one of them was a top beauty. They were together, they immediately attracted the attention of all the top socialites. Because they knew that Shangguan Tong and Yin Chaoge were too powerful. But then, what shocked them more was that Paige who they didn't know was standing in the middle! Yin Chaoge and Shangguan Tong were enthusiastically standing on both sides of the Paige.

Perhaps Paige didn't think much of it, but the others at the banquet were very shocked. Shangguan Tong was like that, and now the Yin family's Yin Chaoge was like that. Who was that Paige? Why hadn't they heard of her before? And judging from her behaviour, she didn't look like a girl from a rich family. Why was it that both Shangguan Tong and Yin Chaoge were led by Paige?

At this moment, an excited voice sounded in the whole hall, "Everyone, quiet! Silence! The most important guests of our banquet have arrived tonight! Now, the most distinguished guest of our banquet, the new seventh commander of the military of the Frogua, Joseph Dawson, Mr. Dawson, come in!!!

Boom... Immediately, the guests burst into an uproar. It turned out that there would be such a great figure coming! That was the seventh commander of the Frogua military!

However, before they could be shocked, at the gate of the hall, Joseph, who was in a black straight suit with a natural superior aura, slowly stepped in and followed by Wang Tianhai, the God of War of the Usmaït Military, Lu Tianxun, the chief of the Police Department, Si Tianzheng, the chief of the Government Affairs Department, Shangguan Bo, the head of the Shangguan family, Yin Zheng, the head of the Yin family, Bradley, the head of the Armstrong family, Lewis, the head of the Gordon family, and Dennis, Ernie, and Logan who were the new rich in Usmaït.

Joseph was surrounded by people and walked toward the hall like an emperor.

All the people at the banquet were shocked. This identity was too powerful... The seventh commander of the Frogua's military was such a big shot.
